

1  
00:00:06,389 --> 00:00:04,070  
hi i realize there's nobody watching

2  
00:00:07,990 --> 00:00:06,399  
and uh and that's fine i uh it's just

3  
00:00:09,669 --> 00:00:08,000  
easier to do these things live and

4  
00:00:11,910 --> 00:00:09,679  
just have them there instead of

5  
00:00:14,549 --> 00:00:11,920  
pre-recording something and have it um

6  
00:00:16,230 --> 00:00:14,559  
you know take forever to uh to upload

7  
00:00:19,029 --> 00:00:16,240  
this is just a a

8  
00:00:19,910 --> 00:00:19,039  
quick um sort of update uh tomorrow's

9  
00:00:23,189 --> 00:00:19,920  
episode

10  
00:00:23,990 --> 00:00:23,199  
uh tomorrow good lord my eyebrows are

11  
00:00:26,790 --> 00:00:24,000  
out of control

12  
00:00:27,349 --> 00:00:26,800  
uh the saucer wife uh the saucer wife is

13  
00:00:30,390 --> 00:00:27,359

correct

14

00:00:32,229 --> 00:00:30,400

man that i look considerably less

15

00:00:33,430 --> 00:00:32,239

hobo-like than i did the other day

16

00:00:35,670 --> 00:00:33,440

though um

17

00:00:36,470 --> 00:00:35,680

sort of took the machete and hacked off

18

00:00:38,389 --> 00:00:36,480

the beard

19

00:00:40,310 --> 00:00:38,399

uh for the most part anyway there's a

20

00:00:42,150 --> 00:00:40,320

new episode coming tomorrow a new full

21

00:00:42,950 --> 00:00:42,160

episode it's been a month since a full

22

00:00:46,950 --> 00:00:42,960

episode

23

00:00:50,229 --> 00:00:46,960

apologies for that but um man having uh

24

00:00:53,590 --> 00:00:50,239

having my my this is my hobby right so

25

00:00:55,510 --> 00:00:53,600

um the the actual paying work takes

26

00:00:57,110 --> 00:00:55,520

precedence and uh and we had some

27

00:00:59,110 --> 00:00:57,120

we had some crunch time there but

28

00:01:00,869 --> 00:00:59,120

hopefully this is going to turn out well

29

00:01:03,510 --> 00:01:00,879

i'm i'm in the middle of recording it

30

00:01:04,070 --> 00:01:03,520

i'm taking this break to do this because

31

00:01:05,750 --> 00:01:04,080

um

32

00:01:07,670 --> 00:01:05,760

i've got uh i've got work meetings

33

00:01:09,109 --> 00:01:07,680

coming up on zoom and i if i get too

34

00:01:11,190 --> 00:01:09,119

heavily into the recording

35

00:01:12,230 --> 00:01:11,200

i might i might miss the work meetings

36

00:01:15,270 --> 00:01:12,240

which would be

37

00:01:16,870 --> 00:01:15,280

unfortunate so um what are we doing

38

00:01:18,310 --> 00:01:16,880

tomorrow what's happening tomorrow at

39

00:01:19,190 --> 00:01:18,320

some point when the episode drops on

40

00:01:22,630 --> 00:01:19,200

wednesday

41

00:01:25,350 --> 00:01:22,640

we are looking at commander commander x

42

00:01:25,990 --> 00:01:25,360

commander x um who was commander x

43

00:01:29,109 --> 00:01:26,000

you'll find

44

00:01:29,830 --> 00:01:29,119

out odds are you already know because uh

45

00:01:32,870 --> 00:01:29,840

it's not

46

00:01:34,630 --> 00:01:32,880

really been a well-kept secret

47

00:01:36,230 --> 00:01:34,640

at all it's been sort of an open secret

48

00:01:37,749 --> 00:01:36,240

for a long time

49

00:01:39,350 --> 00:01:37,759

so we've got the original uh the

50

00:01:42,630 --> 00:01:39,360

ultimate deception

51  
00:01:46,950 --> 00:01:42,640  
by commander x we've got

52  
00:01:50,310 --> 00:01:46,960  
underground alien bases by commander x

53  
00:01:52,830 --> 00:01:50,320  
we've got um we've got

54  
00:01:54,630 --> 00:01:52,840  
uh gotta be careful about how i reveal

55  
00:01:57,990 --> 00:01:54,640  
this

56  
00:02:01,109 --> 00:01:58,000  
we've got the commander x

57  
00:02:02,389 --> 00:02:01,119  
files updated um identifying the real

58  
00:02:05,670 --> 00:02:02,399  
commander x

59  
00:02:07,749 --> 00:02:05,680  
alien hunter it's not daryl sims

60  
00:02:10,949 --> 00:02:07,759  
if you catch that alien hunter reference

61  
00:02:14,710 --> 00:02:10,959  
from the 90s by commander x as told to

62  
00:02:17,910 --> 00:02:14,720  
the person who is commander x

63  
00:02:20,150 --> 00:02:17,920

or are they there's some um there's some

64

00:02:22,150 --> 00:02:20,160

some controversy so we're going to be

65

00:02:24,229 --> 00:02:22,160

looking at these things these three

66

00:02:25,350 --> 00:02:24,239

key works and as i say in the episode i

67

00:02:27,350 --> 00:02:25,360

chose these as the

68

00:02:28,390 --> 00:02:27,360

the three key works because these are

69

00:02:32,470 --> 00:02:28,400

the ones

70

00:02:35,830 --> 00:02:32,480

i have so some other things going on

71

00:02:37,990 --> 00:02:35,840

uh rest of the year as i look over here

72

00:02:41,910 --> 00:02:38,000

on the the saucer life

73

00:02:45,589 --> 00:02:41,920

chiso media studio whiteboard of doom

74

00:02:47,990 --> 00:02:45,599

um commander x ultimate deception um

75

00:02:49,830 --> 00:02:48,000

then uh saucer afterlife next week is

76  
00:02:50,790 --> 00:02:49,840  
going to be about the book the human

77  
00:02:52,710 --> 00:02:50,800  
cougar

78  
00:02:54,949 --> 00:02:52,720  
that uh that i've mentioned in one of

79  
00:02:58,550 --> 00:02:54,959  
our zine scene episodes

80  
00:02:59,270 --> 00:02:58,560  
after that the next week is um is is

81  
00:03:02,949 --> 00:02:59,280  
going to be

82  
00:03:05,830 --> 00:03:02,959  
either contact d channeler ralph tolano

83  
00:03:07,750 --> 00:03:05,840  
or or some more 90s inspired stuff it

84  
00:03:09,589 --> 00:03:07,760  
kind of depends on workload

85  
00:03:11,110 --> 00:03:09,599  
uh the contact t episodes tend to be a

86  
00:03:13,910 --> 00:03:11,120  
little research

87  
00:03:14,470 --> 00:03:13,920  
a little more research heavy than um

88  
00:03:17,190 --> 00:03:14,480

than

89

00:03:17,750 --> 00:03:17,200

sort of ramble through and talk about

90

00:03:19,589 --> 00:03:17,760

stuff

91

00:03:21,030 --> 00:03:19,599

so it probably depends on on what the

92

00:03:22,470 --> 00:03:21,040

schedule looks like

93

00:03:24,390 --> 00:03:22,480

this is like the second time i've put

94

00:03:26,949 --> 00:03:24,400

off ralph talano nothing

95

00:03:28,949 --> 00:03:26,959

personal against ralph tolano um the

96

00:03:34,070 --> 00:03:28,959

next afterlife i think is going to be

97

00:03:38,710 --> 00:03:36,789

zip zip and his flying saucers people

98

00:03:41,110 --> 00:03:38,720

seem to get a kick out of zip zip

99

00:03:42,229 --> 00:03:41,120

and his flying saucer so we'll be

100

00:03:46,390 --> 00:03:42,239

looking at that

101  
00:03:49,190 --> 00:03:46,400  
um and then uh then on on december 21st

102  
00:03:50,550 --> 00:03:49,200  
we've got the uh the 2020 saucer life

103  
00:03:52,550 --> 00:03:50,560  
holiday special

104  
00:03:53,990 --> 00:03:52,560  
which if you remember from last year was

105  
00:03:55,750 --> 00:03:54,000  
and if you don't remember you can go to

106  
00:03:57,990 --> 00:03:55,760  
the website and look at it

107  
00:03:59,670 --> 00:03:58,000  
uh which was which was fun we had some

108  
00:04:02,390 --> 00:03:59,680  
we had you know our special guest

109  
00:04:03,750 --> 00:04:02,400  
artistes in which is just a little more

110  
00:04:04,390 --> 00:04:03,760  
everybody schedules a little weirder

111  
00:04:06,470 --> 00:04:04,400  
these days

112  
00:04:08,470 --> 00:04:06,480  
and um you know we're relying a little

113  
00:04:09,750 --> 00:04:08,480

bit more on on everybody's technology

114

00:04:12,229 --> 00:04:09,760

sort of in their homes

115

00:04:13,190 --> 00:04:12,239

um i mean i mean in their their remote

116

00:04:15,509 --> 00:04:13,200

studios

117

00:04:17,590 --> 00:04:15,519

and uh so we might have some some good

118

00:04:21,270 --> 00:04:17,600

stuff i'm looking forward to that

119

00:04:23,670 --> 00:04:21,280

and then um on on december 28th to sort

120

00:04:26,710 --> 00:04:23,680

of round out the year to round out

121

00:04:28,150 --> 00:04:26,720

um what we are calling series nine in

122

00:04:30,870 --> 00:04:28,160

our um

123

00:04:32,230 --> 00:04:30,880

incredibly confusing and and off-putting

124

00:04:34,950 --> 00:04:32,240

and inaccurate

125

00:04:35,909 --> 00:04:34,960

series of seasons uh we're going to be

126  
00:04:38,310 --> 00:04:35,919  
looking at

127  
00:04:41,030 --> 00:04:38,320  
the the last uh afterlife of that is

128  
00:04:42,950 --> 00:04:41,040  
going to be 2020 in review in review

129  
00:04:44,870 --> 00:04:42,960  
an overview of what people have said

130  
00:04:47,189 --> 00:04:44,880  
about the year 2020 as opposed to an

131  
00:04:49,990 --> 00:04:47,199  
overview of 2020 itself because

132  
00:04:51,430 --> 00:04:50,000  
i i can't be bothered but uh apparently

133  
00:04:54,950 --> 00:04:51,440  
there's there's huge news

134  
00:04:57,670 --> 00:04:54,960  
about some photo of a flying triangle

135  
00:04:58,710 --> 00:04:57,680  
um ufo twitter seemed to be melting down

136  
00:05:00,310 --> 00:04:58,720  
this morning and

137  
00:05:01,670 --> 00:05:00,320  
of course i didn't understand a word of

138  
00:05:03,830 --> 00:05:01,680

it because i don't care about anything

139

00:05:07,189 --> 00:05:03,840

that happened since 1999.

140

00:05:08,230 --> 00:05:07,199

so um that's where we are i should do

141

00:05:10,469 --> 00:05:08,240

more of these videos

142

00:05:12,150 --> 00:05:10,479

i don't know um saw somebody subscribe

143

00:05:13,270 --> 00:05:12,160

today and i was like oh yeah i've got a

144

00:05:16,790 --> 00:05:13,280

got a youtube thing

145

00:05:19,909 --> 00:05:16,800

so um so there we are with that and uh

146

00:05:22,390 --> 00:05:19,919

hope you're well and uh stay safe

147

00:05:24,150 --> 00:05:22,400

uh in the states it's it's thanksgiving

148

00:05:27,189 --> 00:05:24,160

gonna be gonna be looking a lot

149

00:05:30,150 --> 00:05:27,199

uh a lot different for a lot of us um

150

00:05:31,189 --> 00:05:30,160

but uh i'll uh i don't know i might

151

00:05:34,629 --> 00:05:31,199

throw a couple videos

152

00:05:37,749 --> 00:05:34,639

out there um just to

153

00:05:38,710 --> 00:05:37,759

add to your holiday cheer so that's

154

00:05:41,510 --> 00:05:38,720

where we are

155

00:05:42,150 --> 00:05:41,520

thanks a lot um if you're here live

156

00:05:45,510 --> 00:05:42,160

looks like

157

00:05:48,629 --> 00:05:45,520

outstanding

158

00:05:50,469 --> 00:05:48,639

um great if not uh there will be more

159

00:05:53,510 --> 00:05:50,479

next time i do something live i might

160

00:05:56,469 --> 00:05:53,520

announce it uh announce it first and

161

00:05:57,909 --> 00:05:56,479

one last note um and if it sounds like

162

00:06:01,590 --> 00:05:57,919

i've had too much caffeine today

163

00:06:05,029 --> 00:06:01,600

i have um the the lights

164

00:06:07,749 --> 00:06:05,039

the lights behind me over here um

165

00:06:08,629 --> 00:06:07,759

every time i see them when i'm on zoom

166

00:06:11,749 --> 00:06:08,639

which is

167

00:06:15,110 --> 00:06:11,759

a lot i i just want to at some point say

168

00:06:18,629 --> 00:06:15,120

there are four lights but

169

00:06:19,350 --> 00:06:18,639

um there's only three so that doesn't

170

00:06:21,110 --> 00:06:19,360

really work

171

00:06:23,830 --> 00:06:21,120

and i don't know how many people

172

00:06:25,629 --> 00:06:23,840

understood that reference anyway

173

00:06:26,870 --> 00:06:25,639

the hole i'm digging is getting

174

00:06:31,990 --> 00:06:26,880

fantastically

175

00:06:33,749 --> 00:06:32,000

i'll talk to y'all later thanks for

176

00:06:35,990 --> 00:06:33,759

continuing to listen thanks for being

177

00:06:38,390 --> 00:06:36,000

indulgent about our missed week
