

1
00:00:05,110 --> 00:00:03,429
these three different tasks are being

2
00:00:06,869 --> 00:00:05,120
handled by three different groups

3
00:00:09,110 --> 00:00:06,879
each of which ordinarily restrict their

4
00:00:10,390 --> 00:00:09,120
activities to their own particular task

5
00:00:12,470 --> 00:00:10,400
they work in close harmony and

6
00:00:14,709 --> 00:00:12,480
cooperation however and will promptly

7
00:00:16,790 --> 00:00:14,719
aid one another if the need arises

8
00:00:18,550 --> 00:00:16,800
each also receives valuable aid from

9
00:00:19,830 --> 00:00:18,560
many different groups and individuals on

10
00:00:21,349 --> 00:00:19,840
many different planes

11
00:00:23,189 --> 00:00:21,359
including some of the more advanced

12
00:00:24,870 --> 00:00:23,199
thinkers of your own plane

13
00:00:26,470 --> 00:00:24,880

these latter either knowingly or

14

00:00:28,310 --> 00:00:26,480

unknowingly often are of great

15

00:00:30,150 --> 00:00:28,320

assistance as the eyes and hands of

16

00:00:33,270 --> 00:00:30,160

those from other planes who cannot work

17

00:00:37,110 --> 00:00:35,110

since the ethical and moral phases of

18

00:00:37,990 --> 00:00:37,120

the task involve the use of the mental

19

00:00:39,590 --> 00:00:38,000

sciences

20

00:00:41,510 --> 00:00:39,600

they are directed by those who are the

21

00:00:44,630 --> 00:00:41,520

recognized masters of these sciences

22

00:00:46,069 --> 00:00:44,640

namely the etheric atlans and lemurians

23

00:00:47,670 --> 00:00:46,079

both of these formerly dwelt in the

24

00:00:49,350 --> 00:00:47,680

material plane of your planet

25

00:00:51,670 --> 00:00:49,360

and are now on the etheric counterpart

26

00:00:53,350 --> 00:00:51,680

of your planet on rare occasions they

27

00:00:54,310 --> 00:00:53,360

may use some form of mechanical

28

00:00:56,389 --> 00:00:54,320

transport

29

00:00:58,869 --> 00:00:56,399

but usually function by non-mechanical

30

00:00:59,430 --> 00:00:58,879

means most of the flying saucers seen by
