1  
00:00:16,630 --> 00:00:14,470  
i never got any money from you

2  
00:00:18,630 --> 00:00:16,640  
[Music]

3  
00:00:24,470 --> 00:00:18,640  
ufo might just as well stand for

4  
00:00:29,189 --> 00:00:26,710  
be normal

5  
00:00:31,910 --> 00:00:29,199  
this is the saucer life and this is the

6  
00:00:34,229 --> 00:00:31,920  
saucer life holiday special and every

7  
00:00:35,750 --> 00:00:34,239  
year we do something a little different

8  
00:00:38,069 --> 00:00:35,760  
for the saucer live holiday special

9  
00:00:41,190 --> 00:00:38,079  
whether it's poetry readings or

10  
00:00:44,389 --> 00:00:41,200  
recitations of the descriptions of

11  
00:00:47,430 --> 00:00:44,399  
off-color adult-oriented books featuring

12  
00:00:49,270 --> 00:00:47,440  
krampus or alien santa

13  
00:00:52,229 --> 00:00:49,280

clauses

14

00:00:54,630 --> 00:00:52,239

santa's claws i'm not sure what the

15

00:00:57,029 --> 00:00:54,640

plural is for for more than one santa

16

00:00:58,389 --> 00:00:57,039

claus but this year we've got something

17

00:01:00,790 --> 00:00:58,399

that's kind of a call back to some

18

00:01:03,430 --> 00:01:00,800

things we've done in the past

19

00:01:05,590 --> 00:01:03,440

occasionally we've done

20

00:01:08,230 --> 00:01:05,600

dramatizations of things i think part of

21

00:01:10,310 --> 00:01:08,240

this was this was part of

22

00:01:12,630 --> 00:01:10,320

the holiday special last year in our

23

00:01:15,270 --> 00:01:12,640

mittell sisters episode we had a

24

00:01:18,630 --> 00:01:15,280

dramatization of one of these things

25

00:01:20,230 --> 00:01:18,640

this year we've got a project that we

26

00:01:22,070 --> 00:01:20,240

have been working on it is we it's not

27

00:01:23,830 --> 00:01:22,080

just me it's it's a number of us that

28

00:01:24,710 --> 00:01:23,840

we've been working on in one form or

29

00:01:27,990 --> 00:01:24,720

another

30

00:01:29,990 --> 00:01:28,000

for most of 2021 not because it's that

31

00:01:30,789 --> 00:01:30,000

massive a project but because

32

00:01:31,670 --> 00:01:30,799

it

33

00:01:33,429 --> 00:01:31,680

um

34

00:01:35,350 --> 00:01:33,439

it's just hard to get people together

35

00:01:36,390 --> 00:01:35,360

and to get things done

36

00:01:38,950 --> 00:01:36,400

so

37

00:01:42,469 --> 00:01:38,960

without much further ado i want to

38

00:01:43,350 --> 00:01:42,479

present the children of agal on a full

39

00:01:44,630 --> 00:01:43,360

length

40

00:01:46,389 --> 00:01:44,640

audio

41

00:01:47,350 --> 00:01:46,399

not sure drama is the right word but an

42

00:01:49,510 --> 00:01:47,360

audio

43

00:01:51,190 --> 00:01:49,520

fiction presentation that takes

44

00:01:53,990 --> 00:01:51,200

inspiration from some of the contact e

45

00:01:56,230 --> 00:01:54,000

stories that we've seen here in the past

46

00:01:58,469 --> 00:01:56,240

it's not meant to be serious it's not

47

00:02:00,709 --> 00:01:58,479

meant to be

48

00:02:02,630 --> 00:02:00,719

anything that it's

49

00:02:04,709 --> 00:02:02,640

not it might not be to everybody's

50

00:02:05,429 --> 00:02:04,719

tastes i'm not sure it's to my taste

51  
00:02:07,350 --> 00:02:05,439  
but

52  
00:02:11,589 --> 00:02:07,360  
we had a whole heck of a lot of fun

53  
00:02:14,309 --> 00:02:11,599  
doing it and we hope you enjoy it in the

54  
00:02:15,910 --> 00:02:14,319  
spirit of whimsy in which it is

55  
00:02:17,510 --> 00:02:15,920  
presented

56  
00:02:20,070 --> 00:02:17,520  
so

57  
00:02:23,190 --> 00:02:20,080  
without further ado but with thanks to

58  
00:02:25,030 --> 00:02:23,200  
the saucer wife and samantha my co-host

59  
00:02:27,350 --> 00:02:25,040  
over at great lakes lore and associate

60  
00:02:28,949 --> 00:02:27,360  
producer simpson j hanover iii

61  
00:02:32,610 --> 00:02:28,959  
i present

62  
00:02:45,210 --> 00:02:32,620  
the children of agalon

63  
00:02:54,309 --> 00:02:52,229

[Music]

64

00:02:58,070 --> 00:02:54,319

i've got to get out of here

65

00:02:59,350 --> 00:02:58,080

meet roslyn she's a writer a good writer

66

00:03:00,949 --> 00:02:59,360

but she needs more money than the

67

00:03:03,190 --> 00:03:00,959

writing provides

68

00:03:04,949 --> 00:03:03,200

being thoroughly professional her

69

00:03:08,070 --> 00:03:04,959

stance on material editors wanted

70

00:03:10,309 --> 00:03:08,080

changed has led to yet another firing so

71

00:03:22,149 --> 00:03:10,319

it's time to light out for pastures new

72

00:03:26,710 --> 00:03:24,470

the dreamland motor lodge like the rest

73

00:03:27,830 --> 00:03:26,720

of riverbend indiana has seen better

74

00:03:29,670 --> 00:03:27,840

days

75

00:03:31,750 --> 00:03:29,680

named after its location near a bend in

76

00:03:34,550 --> 00:03:31,760

the tippecanoe river riverbend could

77

00:03:36,630 --> 00:03:34,560

have been any one of dozens of towns

78

00:03:38,949 --> 00:03:36,640

nothing special about it nothing special

79

00:03:40,710 --> 00:03:38,959

about the dreamland motor lodge

80

00:03:42,949 --> 00:03:40,720

but there's something special about the

81

00:03:44,830 --> 00:03:42,959

owner owen hazlitt

82

00:03:47,910 --> 00:03:44,840

owen is a regular guy who never left

83

00:03:49,589 --> 00:03:47,920

riverbend nothing special about that but

84

00:03:52,390 --> 00:03:49,599

owen has had an experience that will

85

00:03:53,350 --> 00:03:52,400

change his life and the lives of many

86

00:03:56,309 --> 00:03:53,360

others

87

00:03:58,070 --> 00:03:56,319

all starting now

88

00:04:00,149 --> 00:03:58,080

hello

89

00:04:02,390 --> 00:04:00,159

uh anything i i may have read depends do

106  
00:04:45,749 --> 00:04:44,960  
you read trashy pulp novels

107  
00:04:47,749 --> 00:04:45,759  
no

108  
00:04:50,150 --> 00:04:47,759  
newspaper society columns in towns

109  
00:04:52,870 --> 00:04:50,160  
without any discernible society not for

110  
00:04:55,030 --> 00:04:52,880  
a while now religious tracks distributed

111  
00:04:57,030 --> 00:04:55,040  
at truck stops

112  
00:05:01,189 --> 00:04:57,040  
did you

113  
00:05:03,830 --> 00:05:01,199

114

00:05:05,830 --> 00:05:03,840

familiar with my work so do i get a room

115

00:05:08,469 --> 00:05:05,840

now that the interrogation's over

116

00:05:11,110 --> 00:05:08,479

sorry sorry okay you're in um cabin

117

00:05:14,070 --> 00:05:11,120

eight here's your key and uh here's a

118

00:05:15,830 --> 00:05:14,080

00:05:18,790 --> 00:05:17,199

sure to read it i can answer any

121

00:05:20,469 --> 00:05:18,800

questions you have about it breakfast is

122

00:05:21,749 --> 00:05:20,479

from six to nine and

123

00:05:27,909 --> 00:05:21,759

okay

124

00:05:27,919 --> 00:05:32,710

what the hell is child of agalon

125

00:05:37,029 --> 00:05:34,710

child of agalon

126

00:05:38,950 --> 00:05:37,039

five pages stapled

127

00:05:41,510 --> 00:05:38,960

the cover is made of a slightly thicker

128

00:05:43,189 --> 00:05:41,520

paper than the pages and features a line

129

00:05:46,790 --> 00:05:43,199

drawing of something that looks not

130

00:05:48,390 --> 00:05:46,800

entirely unlike a saucer-shaped object

131

00:05:50,390 --> 00:05:48,400

as i walked through the field behind the

132

00:05:52,710 --> 00:05:50,400

motel one day i had a very strange

133

00:05:54,070 --> 00:05:52,720

feeling it was like a premonition but

134

00:05:55,590 --> 00:05:54,080

maybe not because i'd never had a

135

00:05:56,870 --> 00:05:55,600

premonition before and i wasn't sure

136

00:05:58,309 --> 00:05:56,880

what it might feel like so maybe it

137

00:05:59,590 --> 00:05:58,319

wasn't a premonition and maybe it was

138

00:06:01,350 --> 00:05:59,600

just some kind of feeling that something

139

00:06:03,029 --> 00:06:01,360

was going to happen a lot of it is like

140

00:06:06,550 --> 00:06:03,039

this let's skip ahead

141

00:06:08,629 --> 00:06:06,560

suddenly i heard an unearthly sound

142

00:06:10,629 --> 00:06:08,639

there was a rush of hot air in front of

143

00:06:13,189 --> 00:06:10,639

me there was a cloud of dust when it

144

00:06:16,150 --> 00:06:13,199

settled i saw an amazing sight it was a

145

00:06:18,230 --> 00:06:16,160

flying saucer a door opened and

146

00:06:19,670 --> 00:06:18,240

outstepped the most beautiful woman i'd

147

00:06:22,390 --> 00:06:19,680

ever seen

148

00:06:25,510 --> 00:06:22,400

to receive a message of love and hope

154  
00:06:39,990 --> 00:06:37,199  
i've read a lot of books about this sort

155  
00:06:41,990 --> 00:06:40,000  
of thing tell me more listen earth man

people who are looking for new

163  
00:06:58,870 --> 00:06:57,759

opportunities to serve their fellow

00:07:08,150 --> 00:07:05,919

future that is bright not dark and

168

00:07:10,230 --> 00:07:08,160

peaceful not war-like

169

00:07:12,870 --> 00:07:10,240

wow

173

00:07:19,589 --> 00:07:17,919

i'm willing to learn anything you have

174

00:07:22,150 --> 00:07:19,599

to teach me sally

175

00:07:24,790 --> 00:07:22,160

i am glad to hear this owen of earth the

176

00:07:27,189 --> 00:07:24,800

do you know of love owen of earth i had

178

00:07:30,550 --> 00:07:29,039

a girlfriend in high school and we made

179

00:07:32,629 --> 00:07:30,560

out some

180

00:07:34,710 --> 00:07:32,639

what is made out

181

00:07:36,950 --> 00:07:34,720

let me show you

182

00:07:40,070 --> 00:07:36,960

later

183

00:07:42,710 --> 00:07:40,080

by the crystal rivers of agalan city is

184

00:07:44,070 --> 00:07:42,720

this what the earth people call kissing

185

00:07:46,390 --> 00:07:44,080

i have heard about this through the

186

00:07:48,629 --> 00:07:46,400

broadcast we've monitored that was

187

00:07:50,150 --> 00:07:48,639

wonderful i've never loved a woman like

188

00:07:52,070 --> 00:07:50,160

i love you sally

189

00:07:54,469 --> 00:07:52,080

please teach me the wonderful lessons of

190

00:07:57,029 --> 00:07:54,479

agolonian cosmic thought

191

00:07:58,710 --> 00:07:57,039

there are three principles first

192

00:07:59,589 --> 00:07:58,720

universal love

193

00:08:01,270 --> 00:07:59,599

second

194

00:08:02,150 --> 00:08:01,280

universal peace

195

00:08:04,150 --> 00:08:02,160

third

196

00:08:06,710 --> 00:08:04,160

universal understanding

197

00:08:09,589 --> 00:08:06,720

all three principles work together yet

198

00:08:11,749 --> 00:08:09,599

separately i want to learn more

199

00:08:14,550 --> 00:08:11,759

you will we will place the wisdom in

200

00:08:17,189 --> 00:08:14,560

your mind you will be our messenger to

201  
00:08:18,869 --> 00:08:17,199  
the earth owen you are pure of spirit

202  
00:08:20,710 --> 00:08:18,879  
here drink this

203  
00:08:22,469 --> 00:08:20,720  
she placed a small pill into a

204  
00:08:24,869 --> 00:08:22,479  
shimmering drink in a glass that looked

205  
00:08:27,909 --> 00:08:24,879  
like it had been carved from diamond it

206  
00:08:29,990 --> 00:08:27,919  
dissolved i was nervous but i drank it

207  
00:08:32,389 --> 00:08:30,000  
as i did the air began to shimmer and i

208  
00:08:33,589 --> 00:08:32,399  
grew sleepy the last thing i heard was

209  
00:08:35,509 --> 00:08:33,599  
her voice

210  
00:08:36,709 --> 00:08:35,519  
when you awake you will know what you

211  
00:08:38,949 --> 00:08:36,719  
have to do

212  
00:08:41,269 --> 00:08:38,959  
i will return to you my love

213  
00:08:42,709 --> 00:08:41,279

i woke up a few hours later and i knew

214

00:08:44,710 --> 00:08:42,719

that i had to share the lessons that the

215

00:08:47,030 --> 00:08:44,720

agolonians taught me that day and

216

00:08:49,190 --> 00:08:47,040

continued to transmit into my mind the

217

00:08:51,990 --> 00:08:49,200

lessons of the agolonians are simple

218

00:08:53,590 --> 00:08:52,000

love peace understanding

219

00:08:55,750 --> 00:08:53,600

if we implement these lessons in our

220

00:08:57,829 --> 00:08:55,760

lives we will be fulfilled if all

221

00:08:59,829 --> 00:08:57,839

humanity does so we will be like the

222

00:09:01,030 --> 00:08:59,839

agolonians and be able to travel among

223

00:09:03,590 --> 00:09:01,040

the stars

224

00:09:05,590 --> 00:09:03,600

join me in becoming more than human i'm

225

00:09:07,750 --> 00:09:05,600

still receiving transmissions from them

226

00:09:09,269 --> 00:09:07,760

and am eager to share what i've learned

227

00:09:11,509 --> 00:09:09,279

please consider staying here at the

228

00:09:13,110 --> 00:09:11,519

dreamland motor lodge and learn with me

229

00:09:15,990 --> 00:09:13,120

in the community we've started to build

230

00:09:19,750 --> 00:09:16,000

here free room and board for sincere

231

00:09:22,389 --> 00:09:21,430

hazlitt get down here

232

00:09:25,750 --> 00:09:22,399

um

233

00:09:27,190 --> 00:09:25,760

yeah yes i'm miss yes my name's roslyn

234

00:09:29,750 --> 00:09:27,200

you should know that from looking at the

235

00:09:31,750 --> 00:09:29,760

registration card so anyways i read your

236

00:09:35,030 --> 00:09:31,760

flyer oh you mean my book

237

00:09:36,790 --> 00:09:35,040

can we compromise and call it a pamphlet

238

00:09:39,350 --> 00:09:36,800

do you have any actual questions about

239

00:09:41,030 --> 00:09:39,360

it just one how do you expect to make

240

00:09:42,790 --> 00:09:41,040

this work if you're offering free

241

00:09:45,269 --> 00:09:42,800

lodging to people dumb enough to come

242

00:09:46,949 --> 00:09:45,279

here okay wait i have two how do you

243

00:09:48,389 --> 00:09:46,959

expect to make this work if you only

244

00:09:51,190 --> 00:09:48,399

give the things to people who are

245

00:09:53,670 --> 00:09:51,200

already here your customer base is what

246

00:09:55,110 --> 00:09:53,680

six people a month it's not about money

247

00:09:57,670 --> 00:09:55,120

it's about

248

00:09:59,910 --> 00:09:57,680

everything is about money and i'm gonna

249

00:10:01,430 --> 00:09:59,920

help you make money with this thing

250

00:10:03,590 --> 00:10:01,440

okay why

251  
00:10:06,870 --> 00:10:03,600  
you don't seem to believe what i wrote

252  
00:10:09,030 --> 00:10:06,880  
oh i don't but i need money and looking

253  
00:10:11,509 --> 00:10:09,040  
around the stump so do you

254  
00:10:13,670 --> 00:10:11,519  
now i told you the stuff i write

255  
00:10:15,190 --> 00:10:13,680  
i can write about anything from trashy

256  
00:10:17,190 --> 00:10:15,200  
novels to cookbooks for the new

257  
00:10:19,509 --> 00:10:17,200  
housewife i can make this place a

258  
00:10:21,670 --> 00:10:19,519  
destination for flying saucer nuts look

259  
00:10:24,630 --> 00:10:21,680  
i'm not even sure who you are i'm

260  
00:10:26,790 --> 00:10:24,640  
rosalin pay attention so i don't know

261  
00:10:28,150 --> 00:10:26,800  
much about flying saucer stuff or do we

262  
00:10:31,430 --> 00:10:28,160  
call them ufos it's an interesting

263  
00:10:33,590 --> 00:10:31,440

question who cares so i do know people

264

00:10:35,750 --> 00:10:33,600

dig this stuff i know there's

265

00:10:37,590 --> 00:10:35,760

conferences and books and stuff it's in

266

00:10:39,030 --> 00:10:37,600

the news all the time but the stuff

267

00:10:40,230 --> 00:10:39,040

you're talking about sounds like a

268

00:10:42,150 --> 00:10:40,240

religion

269

00:10:44,069 --> 00:10:42,160

don't diminish it like that you make

270

00:10:46,550 --> 00:10:44,079

about as much sense as my dog whining

271

00:10:49,190 --> 00:10:46,560

back there that this is the truth this

272

00:10:52,150 --> 00:10:49,200

isn't some human belief it's fine it's

273

00:10:54,870 --> 00:10:52,160

the truth so are there any uh believers

274

00:10:57,829 --> 00:10:54,880

here no not yet um i keep hoping someone

275

00:10:58,949 --> 00:10:57,839

will stay after reading the

276

00:11:01,110 --> 00:10:58,959

pamphlet

277

00:11:03,430 --> 00:11:01,120

i i don't suppose you'd like to stay

278

00:11:05,110 --> 00:11:03,440

absolutely not it's just stop

279

00:11:07,110 --> 00:11:05,120

aren't you interested in the teachings

280

00:11:09,829 --> 00:11:07,120

of the agony no

281

00:11:11,430 --> 00:11:09,839

you'll come around no

282

00:11:13,829 --> 00:11:11,440

so do you think you can pull this off

283

00:11:15,509 --> 00:11:13,839

making this popular and everything okay

284

00:11:17,829 --> 00:11:15,519

so some of the stuff i've written the

285

00:11:21,110 --> 00:11:17,839

trashy stuff pulps that's what your

286

00:11:22,949 --> 00:11:21,120

story calls for that kind of approach i

287

00:11:25,990 --> 00:11:22,959

used to write for explosive action

288

00:11:27,670 --> 00:11:26,000

magazine called myself sheamus oh irish

289

00:11:29,829 --> 00:11:27,680

i can turn your story into something

290

00:11:31,430 --> 00:11:29,839

that'll get people here and i've got the

291

00:11:32,470 --> 00:11:31,440

connections to get this in front of

292

00:11:34,710 --> 00:11:32,480

people

293

00:11:36,550 --> 00:11:34,720

oh irish isn't even a real name no one

294

00:11:38,790 --> 00:11:36,560

who reads books like sorority pillow

295

00:11:41,269 --> 00:11:38,800

fight party cares what the author's name

296

00:11:44,150 --> 00:11:41,279

is what i'm saying is that i can make

297

00:11:46,630 --> 00:11:44,160

this something great exciting

298

00:11:49,030 --> 00:11:46,640

look we'll get money for the story i

299

00:11:51,110 --> 00:11:49,040

know a magazine guy will serialize it

300

00:11:53,110 --> 00:11:51,120

then maybe put it out in a book they do

301  
00:11:55,350 --> 00:11:53,120  
that kind of thing a lot you start

302  
00:11:57,110 --> 00:11:55,360  
giving talks here at the motel we're

303  
00:12:00,389 --> 00:11:57,120  
gonna need a name for this whole place

304  
00:12:03,350 --> 00:12:00,399  
like um agalon meditation center you're

305  
00:12:05,190 --> 00:12:03,360  
catching on i'll need 60 of whatever we

306  
00:12:08,389 --> 00:12:05,200  
bring in

307  
00:12:10,790 --> 00:12:08,399  
that seems like a lot it's uh standard

308  
00:12:13,670 --> 00:12:10,800  
for flying saucer-related work

309  
00:12:16,310 --> 00:12:13,680  
oh well if it's standard which it is

310  
00:12:18,310 --> 00:12:16,320  
then that's fine i guess wonderful time

311  
00:12:20,550 --> 00:12:18,320  
to get to work gonna have to make some

312  
00:12:22,389 --> 00:12:20,560  
expensive long distance calls you'll be

313  
00:12:23,750 --> 00:12:22,399

paying for that by the way i'm going to

314

00:12:25,990 --> 00:12:23,760

mind beam this development to the

315

00:12:29,590 --> 00:12:26,000

agonalian mothership whatever gets you

316

00:12:34,949 --> 00:12:32,790

gallipoli here talk quickly hey mr

317

00:12:36,470 --> 00:12:34,959

gulipolai it's roslyn

318

00:12:39,910 --> 00:12:36,480

who

319

00:12:41,750 --> 00:12:39,920

sheamus mcirish ah excellent sorority

320

00:12:44,069 --> 00:12:41,760

pillow fight party is still one of our

321

00:12:46,710 --> 00:12:44,079

best sellers need some work

322

00:12:49,829 --> 00:12:46,720

sort of i've got something for you

323

00:12:51,509 --> 00:12:49,839

flying saucers yeah they're russian why

324

00:12:54,069 --> 00:12:51,519

do you know something different

325

00:12:56,790 --> 00:12:54,079

no no i've got a guy who's met a space

326

00:12:58,150 --> 00:12:56,800

woman he's got a story it's dull but i'm

327

00:12:59,829 --> 00:12:58,160

working on that

328

00:13:02,069 --> 00:12:59,839

space woman huh

329

00:13:04,790 --> 00:13:02,079

that could work no one cares about space

330

00:13:07,350 --> 00:13:04,800

men anymore well my readers don't can

331

00:13:09,509 --> 00:13:07,360

you work in a vietnam angle

332

00:13:11,670 --> 00:13:09,519

see it's topical and honestly the true

333

00:13:12,790 --> 00:13:11,680

war stories are big sellers

334

00:13:15,750 --> 00:13:12,800

that

335

00:13:18,150 --> 00:13:15,760

might be possible any other requests

336

00:13:19,190 --> 00:13:18,160

she needs to be a redhead

337

00:13:21,110 --> 00:13:19,200

redhead

338

00:13:23,110 --> 00:13:21,120

our readers have preferences we did a

339

00:13:26,710 --> 00:13:23,120

survey okay

340

00:13:28,550 --> 00:13:26,720

there's a spiritual angle to it too and

341

00:13:31,110 --> 00:13:28,560

and we're going to want to promote the

342

00:13:32,150 --> 00:13:31,120

uh meditation center

343

00:13:34,470 --> 00:13:32,160

the what

344

00:13:36,790 --> 00:13:34,480

meditation center

345

00:13:38,790 --> 00:13:36,800

never took you for a hippie mcgirt just

346

00:13:40,310 --> 00:13:38,800

trying to get by sir

347

00:13:41,430 --> 00:13:40,320

well we've all done things we're not

348

00:13:43,590 --> 00:13:41,440

proud of

349

00:13:45,430 --> 00:13:43,600

i joined a union once

350

00:13:47,509 --> 00:13:45,440

you need to keep that to yourself

351

00:13:49,509 --> 00:13:47,519

obviously

352

00:13:53,670 --> 00:13:49,519

okay send me stuff and we'll probably be

353

00:13:56,230 --> 00:13:53,680

able to run it redhead vietnam got it

354

00:13:58,550 --> 00:13:56,240

and so the die was cast

355

00:14:00,069 --> 00:13:58,560

rosalind and owen must craft his tail

356

00:14:02,790 --> 00:14:00,079

into something that someone would pay

357

00:14:04,870 --> 00:14:02,800

money to read

358

00:14:07,910 --> 00:14:04,880

so hazlitt owen

359

00:14:09,430 --> 00:14:07,920

no i knew when owen once he was useless

360

00:14:12,150 --> 00:14:09,440

you're hazlitt

361

00:14:14,870 --> 00:14:12,160

okay so there are some ground rules

362

00:14:16,550 --> 00:14:14,880

sally needs to be a redhead i don't

363

00:14:18,949 --> 00:14:16,560

really recall her hair color so that's

364

00:14:21,990 --> 00:14:18,959

fine excellent and it needs to take

365

00:14:23,990 --> 00:14:22,000

place in vietnam we need a war angle

366

00:14:26,230 --> 00:14:24,000

doesn't that kind of work against the

367

00:14:27,829 --> 00:14:26,240

whole theme of love and understanding

368

00:14:29,990 --> 00:14:27,839

and peace the agolonians want us to

369

00:14:31,110 --> 00:14:30,000

embrace i have a duty to spread their

370

00:14:34,230 --> 00:14:31,120

message

371

00:14:35,110 --> 00:14:34,240

in a war how would that work yeah

372

00:14:36,870 --> 00:14:35,120

so

373

00:14:38,230 --> 00:14:36,880

how about

374

00:14:41,189 --> 00:14:38,240

st paul

375

00:14:43,509 --> 00:14:41,199

uh minnesota no no no no no

376

00:14:45,590 --> 00:14:43,519

the road to damascus a uh a conversion

377

00:14:48,470 --> 00:14:45,600

experience oh

378

00:14:50,629 --> 00:14:48,480

oh my guess yes that's a good idea

379

00:14:52,949 --> 00:14:50,639

you're a soldier no no no you're a

380

00:14:55,350 --> 00:14:52,959

mercenary these magazines love

381

00:14:57,189 --> 00:14:55,360

mercenaries oh okay if you think it's

382

00:14:59,990 --> 00:14:57,199

best now it seems weird that a flying

383

00:15:02,710 --> 00:15:00,000

saucer would change a mercenary's mind

384

00:15:04,230 --> 00:15:02,720

what about that kiss the kiss yeah you

385

00:15:05,829 --> 00:15:04,240

kissed her right

386

00:15:09,030 --> 00:15:05,839

i i guess i did

387

00:15:11,350 --> 00:15:09,040

so somehow that kiss altered your mind

388

00:15:13,829 --> 00:15:11,360

expanded your consciousness

389

00:15:16,710 --> 00:15:13,839

opened the doors of perception have you

390

00:15:18,870 --> 00:15:16,720

read the doors of perception what aldous

391

00:15:21,990 --> 00:15:18,880

huxley doors of perception about

392

00:15:24,069 --> 00:15:22,000

psychedelic stuff no why because that's

393

00:15:26,710 --> 00:15:24,079

what some of the sounds like you were

394

00:15:28,790 --> 00:15:26,720

massively altered right

395

00:15:31,670 --> 00:15:28,800

true it's it's kind of hard to convey

396

00:15:34,150 --> 00:15:31,680

how different i am now you're a new man

397

00:15:36,949 --> 00:15:34,160

and you're trying in your weird little

398

00:15:38,230 --> 00:15:36,959

way to help others have new lives in

399

00:15:41,030 --> 00:15:38,240

your

400

00:15:43,829 --> 00:15:41,040

real story you were just a guy who runs

401  
00:15:46,310 --> 00:15:43,839  
a hotel and after your encounter you're

402  
00:15:48,389 --> 00:15:46,320  
a guy who runs a hotel but now you want

403  
00:15:50,550 --> 00:15:48,399  
to tell guests about flying saucers

404  
00:15:53,030 --> 00:15:50,560  
there's nothing to grab people we can

405  
00:15:55,749 --> 00:15:53,040  
make the kiss the key to the whole thing

406  
00:15:57,670 --> 00:15:55,759  
oh but what about the drink the drink

407  
00:15:59,910 --> 00:15:57,680  
yeah the pill and the weird drink that

408  
00:16:02,069 --> 00:15:59,920  
was a huge part of it actually i think

409  
00:16:04,470 --> 00:16:02,079  
that's what probably affected my mind

410  
00:16:07,189 --> 00:16:04,480  
that opened the windows to the universe

411  
00:16:09,269 --> 00:16:07,199  
that no one cares hazlitt the kiss is

412  
00:16:11,350 --> 00:16:09,279  
what's going to hook people no one would

413  
00:16:13,829 --> 00:16:11,360

care about a drink i'm gonna go write

414

00:16:15,829 --> 00:16:13,839

this up kid we're gonna be

415

00:16:17,670 --> 00:16:15,839

well we're gonna be slightly less poor

416

00:16:20,310 --> 00:16:17,680

than we are now

417

00:16:22,949 --> 00:16:20,320

a reading from my sultry night with

418

00:16:25,990 --> 00:16:22,959

sally the space stunner from agalon

419

00:16:29,189 --> 00:16:26,000

explosive action magazine volume six

420

00:16:30,550 --> 00:16:29,199

number three march 1968.

421

00:16:32,310 --> 00:16:30,560

it was in the steamy jungles of

422

00:16:34,629 --> 00:16:32,320

southeast asia that i had an encounter

423

00:16:36,470 --> 00:16:34,639

with a vixen from beyond the stars

424

00:16:37,990 --> 00:16:36,480

it's not easy being a soldier a fortune

425

00:16:40,230 --> 00:16:38,000

in one of the most dangerous places on

426

00:16:41,749 --> 00:16:40,240

earth but it's what i do i just gotten

427

00:16:43,670 --> 00:16:41,759

done taking care of a little problem

428

00:16:45,829 --> 00:16:43,680

those lily-livered cia boys didn't want

429

00:16:47,829 --> 00:16:45,839

to dirty their hands with there i was

430

00:16:49,509 --> 00:16:47,839

having my 17th cigarette of the morning

431

00:16:54,710 --> 00:16:49,519

leaning up against a blood-stained tree

432

00:16:58,949 --> 00:16:56,870

turning i saw a strange craft it was

433

00:17:00,470 --> 00:16:58,959

circular silver in color i was just

434

00:17:03,110 --> 00:17:00,480

about to shoot it open and interrogate

435

00:17:06,230 --> 00:17:03,120

the owners when the door opened

436

00:17:07,270 --> 00:17:06,240

outstepped a real fox red-headed tall

437

00:17:09,110 --> 00:17:07,280

slim

438

00:17:11,270 --> 00:17:09,120

with a body to kill for

439

00:17:14,309 --> 00:17:11,280

and i've killed a lot

440

00:17:15,429 --> 00:17:14,319

what's your name earth man i'm owen owen

441

00:17:16,870 --> 00:17:15,439

hazlitt

442

00:17:18,549 --> 00:17:16,880

what's your deal don't see a lot of

443

00:17:19,750 --> 00:17:18,559

chicks like you in this jungle full of

444

00:17:22,069 --> 00:17:19,760

commies

445

00:17:23,590 --> 00:17:22,079

my name's sally and i'm from the planet

446

00:17:26,069 --> 00:17:23,600

algalon

447

00:17:28,549 --> 00:17:26,079

i just said that one my name's sally and

448

00:17:31,350 --> 00:17:28,559

i'm from the planet agalon we're looking

449

00:17:34,310 --> 00:17:31,360

for men our planet is dying and we need

450

00:17:36,390 --> 00:17:34,320

men well you've come to the right place

451

00:17:38,390 --> 00:17:36,400

i took her in my arms and kissed her at

452

00:17:41,029 --> 00:17:38,400

that moment my eyes were opened and i

453

00:17:43,510 --> 00:17:41,039

saw the universe in a new way

454

00:17:45,510 --> 00:17:43,520

i can feel things about people owen

455

00:17:47,430 --> 00:17:45,520

and i feel your hands are drenched in

456

00:17:49,750 --> 00:17:47,440

blood someone's got to make the world

457

00:17:50,710 --> 00:17:49,760

safe for democracy check guess i'm the

458

00:17:53,110 --> 00:17:50,720

guy

459

00:17:55,430 --> 00:17:53,120

what if i showed you a better way lay it

460

00:17:57,110 --> 00:17:55,440

on me sister if you've got a safer way

461

00:17:58,390 --> 00:17:57,120

to make this world worth living in i'm

462

00:18:00,470 --> 00:17:58,400

all ears

463

00:18:02,070 --> 00:18:00,480

there are three principles first

464

00:18:04,310 --> 00:18:02,080

universal love

465

00:18:06,950 --> 00:18:04,320

second universal peace

466

00:18:09,110 --> 00:18:06,960

third universal understanding

467

00:18:10,230 --> 00:18:09,120

all three principles work together yet

468

00:18:12,150 --> 00:18:10,240

separately

469

00:18:15,029 --> 00:18:12,160

if you implement these lessons in your

470

00:18:17,830 --> 00:18:15,039

lives you will be fulfilled

471

00:18:20,230 --> 00:18:17,840

you can become like the galonians and

472

00:18:22,310 --> 00:18:20,240

be able to travel among the stars my

473

00:18:23,990 --> 00:18:22,320

eyes were opened that night with sally i

474

00:18:25,590 --> 00:18:24,000

got out of the jungle warfare business

475

00:18:26,870 --> 00:18:25,600

and went back to the states

476

00:18:28,470 --> 00:18:26,880

settled down in a little place called

477

00:18:30,310 --> 00:18:28,480

river bend indiana

478

00:18:32,150 --> 00:18:30,320

i run the dreamland motor lodge and we

479

00:18:34,950 --> 00:18:32,160

welcome anyone who wants to learn what i

480

00:18:37,029 --> 00:18:34,960

learned from sally it wasn't just a kiss

481

00:18:38,870 --> 00:18:37,039

it was a joining of our spirits

482

00:18:41,350 --> 00:18:38,880

the act of love between man and woman

483

00:18:43,750 --> 00:18:41,360

has cosmic significance come see what i

484

00:18:45,990 --> 00:18:43,760

mean write to me in care of explosive

485

00:18:48,390 --> 00:18:46,000

action and we'll talk

486

00:18:50,390 --> 00:18:48,400

sally's coming back someday and together

487

00:18:53,510 --> 00:18:50,400

we'll all help usher in a new age of

488

00:18:55,350 --> 00:18:53,520

cosmic humanity

489

00:18:57,750 --> 00:18:55,360

listener we've known each other a while

490

00:18:59,270 --> 00:18:57,760

now so i'm going to level with you

491

00:19:01,590 --> 00:18:59,280

neither of the two accounts you've heard

492

00:19:02,549 --> 00:19:01,600

so far of owen's experience are strictly

493

00:19:04,870 --> 00:19:02,559

true

494

00:19:06,789 --> 00:19:04,880

they're not entirely false either but

495

00:19:08,390 --> 00:19:06,799

journalistic integrity compels me to

496

00:19:10,230 --> 00:19:08,400

reveal the truth

497

00:19:12,230 --> 00:19:10,240

let's leave earth behind for a moment

498

00:19:14,630 --> 00:19:12,240

and go far away to the agalonian

499

00:19:17,510 --> 00:19:14,640

mothership where commander elon and

500

00:19:19,110 --> 00:19:17,520

diplomatic relations officer salvariana

501  
00:19:21,510 --> 00:19:19,120  
are hard at work

502  
00:19:26,789 --> 00:19:21,520  
listener this is the truth

503  
00:19:32,710 --> 00:19:31,350  
ship's log space date fran 479 2700

504  
00:19:35,549 --> 00:19:32,720  
hours

505  
00:19:38,390 --> 00:19:35,559  
we continue our survey of sector

506  
00:19:40,470 --> 00:19:38,400  
00342 for planets suitable for the

507  
00:19:42,630 --> 00:19:40,480  
absorption process

508  
00:19:44,470 --> 00:19:42,640  
of particular note the ship's chef has

509  
00:19:47,110 --> 00:19:44,480  
started serving that one cake i like

510  
00:19:49,350 --> 00:19:47,120  
again so thanks for looking up

511  
00:19:51,750 --> 00:19:49,360  
the crew are restless and i'm especially

512  
00:19:53,669 --> 00:19:51,760  
concerned about sub leader salvariana

513  
00:19:57,270 --> 00:19:53,679

whose critique of my command style

514

00:19:59,990 --> 00:19:57,280

occasionally borders on insubordination

515

00:20:02,870 --> 00:20:00,000

oh well what can you do i'm going to

516

00:20:04,310 --> 00:20:02,880

take a nap and then eat lunch

517

00:20:08,310 --> 00:20:04,320

the next day

518

00:20:10,870 --> 00:20:08,320

salvariana you got any reports for me

519

00:20:13,270 --> 00:20:10,880

if i did would you read them

520

00:20:15,350 --> 00:20:13,280

look you need to write reports there's

521

00:20:16,789 --> 00:20:15,360

nothing in the regulations that says i

522

00:20:17,669 --> 00:20:16,799

have to read them

523

00:20:19,510 --> 00:20:17,679

so

524

00:20:21,990 --> 00:20:19,520

reports

525

00:20:24,310 --> 00:20:22,000

on your desk in your office that you

526

00:20:25,990 --> 00:20:24,320

haven't been inside for a week

527

00:20:28,149 --> 00:20:26,000

you know that i avoid my office when i

528

00:20:31,270 --> 00:20:28,159

know there's reports on my desk i'm

529

00:20:34,470 --> 00:20:31,280

retiring soon i'm taking things slow

530

00:20:35,909 --> 00:20:34,480

oh i know sir i know we're coming up on

531

00:20:38,230 --> 00:20:35,919

a slightly

532

00:20:40,149 --> 00:20:38,240

promising planet oh

533

00:20:42,950 --> 00:20:40,159

according to radio transmissions we've

534

00:20:45,510 --> 00:20:42,960

picked up they call it earth mass media

535

00:20:46,830 --> 00:20:45,520

saturation seems high at least in

536

00:20:49,909 --> 00:20:46,840

industrialized

537

00:20:51,830 --> 00:20:49,919

areas uh computing networks primitive

538

00:20:55,029 --> 00:20:51,840

and mostly confined to military and

539

00:20:56,710 --> 00:20:55,039

scientific elites well that's a shame

540

00:20:59,350 --> 00:20:56,720

sub leader why don't you explain the

541

00:21:01,190 --> 00:20:59,360

guidelines for absorption to me

542

00:21:03,510 --> 00:21:01,200

don't you know them sir

543

00:21:05,270 --> 00:21:03,520

of course i do but i want to make sure

544

00:21:07,190 --> 00:21:05,280

you do

545

00:21:08,789 --> 00:21:07,200

all right but this seems needlessly

546

00:21:11,430 --> 00:21:08,799

expository

547

00:21:14,230 --> 00:21:11,440

the goal of the absorption process is to

548

00:21:17,110 --> 00:21:14,240

bring a planet's population as well as

549

00:21:19,669 --> 00:21:17,120

its natural resources into the empire

550

00:21:21,270 --> 00:21:19,679

while expending a minimal amount of time

551  
00:21:23,830 --> 00:21:21,280  
and material

552  
00:21:26,070 --> 00:21:23,840  
and how do we do that

553  
00:21:28,149 --> 00:21:26,080  
we locate an individual who has a

554  
00:21:29,750 --> 00:21:28,159  
significant amount of influence within

555  
00:21:30,710 --> 00:21:29,760  
one of the dominant cultures of the

556  
00:21:32,630 --> 00:21:30,720  
planet

557  
00:21:34,870 --> 00:21:32,640  
we then implant a philosophical

558  
00:21:36,390 --> 00:21:34,880  
framework within their psyche that when

559  
00:21:38,789 --> 00:21:36,400  
adopted by enough members of the

560  
00:21:40,789 --> 00:21:38,799  
planet's culture will psychologically

561  
00:21:43,510 --> 00:21:40,799  
prepare them to voluntarily become

562  
00:21:45,430 --> 00:21:43,520  
subjects of the empire it usually takes

563  
00:21:47,190 --> 00:21:45,440

three or four space cycles for the

564

00:21:49,270 --> 00:21:47,200

process to complete

565

00:21:52,149 --> 00:21:49,280

now the message has to be customized for

566

00:21:54,470 --> 00:21:52,159

that planet obviously

567

00:21:57,270 --> 00:21:54,480

what do you think will work for this

568

00:22:00,870 --> 00:21:57,280

uh earth that's what it's called sorry i

569

00:22:05,430 --> 00:22:02,950

pacifism should work

570

00:22:07,510 --> 00:22:05,440

there's a lot of tension warfare

571

00:22:09,590 --> 00:22:07,520

usual primitive stuff going on i'm

572

00:22:11,990 --> 00:22:09,600

thinking the love piece understanding

573

00:22:13,830 --> 00:22:12,000

protocol should soften them up ah it's a

574

00:22:15,830 --> 00:22:13,840

classic good call

575

00:22:18,710 --> 00:22:15,840

you have a messenger picked out

576

00:22:20,789 --> 00:22:18,720

oh and how resource rich is this planet

577

00:22:23,190 --> 00:22:20,799

well it's at the bottom of the scale

578

00:22:25,110 --> 00:22:23,200

actually if we weren't in danger of

579

00:22:26,390 --> 00:22:25,120

not hitting our quota i probably would

580

00:22:28,390 --> 00:22:26,400

have ignored it

581

00:22:30,789 --> 00:22:28,400

as for a messenger that's a bit of an

582

00:22:33,029 --> 00:22:30,799

issue the brain scanner is acting up and

583

00:22:35,430 --> 00:22:33,039

the readings are all over the place

584

00:22:37,669 --> 00:22:35,440

we think we have one though regulations

585

00:22:39,990 --> 00:22:37,679

require both of us go down in the scout

586

00:22:41,909 --> 00:22:40,000

ship to do this can't you handle it by

587

00:22:43,669 --> 00:22:41,919

yourself you'll never make commander if

588

00:22:46,310 --> 00:22:43,679

you don't take the initiative i'll never

589

00:22:48,630 --> 00:22:46,320

make commander at all if people like you

590

00:22:50,950 --> 00:22:48,640

don't retire and get out of my way hey

591

00:22:53,190 --> 00:22:50,960

i'm going to retire soon but this visit

592

00:22:56,870 --> 00:22:53,200

is so easy i'd be an idiot to give it up

593

00:22:58,789 --> 00:22:56,880

now yeah i'll get the scout ship ready i

594

00:23:02,340 --> 00:22:58,799

better have time to eat lunch before we

595

00:23:02,350 --> 00:23:06,070

[Music]

596

00:23:12,149 --> 00:23:09,990

greetings earth man i am commander elon

597

00:23:14,950 --> 00:23:12,159

of the agolonian empire this is my

598

00:23:16,710 --> 00:23:14,960

associate sub leader salvariana

599

00:23:19,750 --> 00:23:16,720

am i to understand that you have a large

600

00:23:27,620 --> 00:23:19,760

degree of cultural influence on this

601  
00:23:27,630 --> 00:23:32,230

[Music]

602  
00:23:36,549 --> 00:23:34,070  
do you have a name

603  
00:23:37,669 --> 00:23:36,559  
what can we call you uh

604  
00:23:40,950 --> 00:23:37,679  
owen

605  
00:23:44,230 --> 00:23:40,960  
where's agalon

606  
00:23:46,630 --> 00:23:44,240  
are you from space what's going on

607  
00:23:48,390 --> 00:23:46,640  
sir do you want to give him the speech

608  
00:23:51,909 --> 00:23:48,400  
don't we haven't recorded i can never

609  
00:23:53,909 --> 00:23:51,919  
remember the whole thing my name is elon

610  
00:23:55,510 --> 00:23:53,919  
commanding the agalon mothership

611  
00:23:57,909 --> 00:23:55,520  
orbiting your world

612  
00:24:00,070 --> 00:23:57,919  
we have come to initiate your world into

613  
00:24:02,950 --> 00:24:00,080

the agolonian empire

614

00:24:05,990 --> 00:24:02,960

the empire a power far more advanced

615

00:24:07,990 --> 00:24:06,000

than your puny world is seeking a person

616

00:24:10,310 --> 00:24:08,000

from your world who is willing to be our

617

00:24:12,549 --> 00:24:10,320

voice and provide instruction to your

618

00:24:15,029 --> 00:24:12,559

people that will make your absorption

619

00:24:17,750 --> 00:24:15,039

into the empire less traumatic

620

00:24:19,750 --> 00:24:17,760

we have many lessons to share with you

621

00:24:21,990 --> 00:24:19,760

lessons that will lead your planet to a

622

00:24:24,710 --> 00:24:22,000

future that is less unpleasant than the

623

00:24:28,470 --> 00:24:24,720

destruction and subjugation to which we

624

00:24:30,789 --> 00:24:28,480

will if necessary resort our diplomatic

625

00:24:33,750 --> 00:24:30,799

acquisitions officer will prepare your

626

00:24:36,950 --> 00:24:33,760

mind for your role as our conduit we

627

00:24:40,230 --> 00:24:36,960

sincerely hope you'll not resist

628

00:24:42,630 --> 00:24:40,240

you're invading us not unless we have to

629

00:24:45,110 --> 00:24:42,640

eager subjects are so much easier to

630

00:24:47,430 --> 00:24:45,120

incorporate into the empire that's your

631

00:24:49,830 --> 00:24:47,440

job owen to make sure that your fellow

632

00:24:52,149 --> 00:24:49,840

humans are ready for us when we return

633

00:24:55,269 --> 00:24:52,159

if they aren't their blood will be on

634

00:24:57,269 --> 00:24:55,279

your hands i i don't have any idea how

635

00:24:59,269 --> 00:24:57,279

to do that of course you don't that's

636

00:25:01,350 --> 00:24:59,279

why i saw ariana is here

637

00:25:04,950 --> 00:25:01,360

subleader get the device

638

00:25:07,190 --> 00:25:04,960

now this part goes on your head

639

00:25:09,110 --> 00:25:07,200

sorry the probes sting a little going

640

00:25:11,669 --> 00:25:09,120

into the neural matter but it doesn't

641

00:25:15,140 --> 00:25:11,679

get too much worse worse

642

00:25:16,630 --> 00:25:15,150

a bit but only when i do this

643

00:25:19,110 --> 00:25:16,640

[Music]

644

00:25:20,149 --> 00:25:19,120

is the information implanted

645

00:25:21,350 --> 00:25:20,159

checking

646

00:25:22,390 --> 00:25:21,360

looks like it

647

00:25:25,590 --> 00:25:22,400

owen

648

00:25:28,950 --> 00:25:25,600

sally

649

00:25:30,950 --> 00:25:28,960

life

650

00:25:32,950 --> 00:25:30,960

i've never loved another woman like i

651  
00:25:35,190 --> 00:25:32,960

love you sally

652  
00:25:39,350 --> 00:25:35,200

please teach me the wonderful lessons of

653  
00:25:40,710 --> 00:25:39,360

agalonian cosmic thought what the hell

654  
00:25:43,269 --> 00:25:40,720

okay that's weird

655  
00:25:44,230 --> 00:25:43,279

owen what are the three key principles

656  
00:25:45,669 --> 00:25:44,240

love

657  
00:25:47,190 --> 00:25:45,679

peace

658  
00:25:48,870 --> 00:25:47,200

understanding

659  
00:25:51,190 --> 00:25:48,880

seems okay

660  
00:25:53,590 --> 00:25:51,200

and you'll share this message owen and

661  
00:25:56,390 --> 00:25:53,600

the further messages we beam to you of

662  
00:25:58,310 --> 00:25:56,400

course my love what

663  
00:25:59,590 --> 00:25:58,320

come on tell your earth boyfriend to get

664

00:26:01,909 --> 00:25:59,600

to work and let's get back to the

665

00:26:03,830 --> 00:26:01,919

motherhip i need a nap

666

00:26:06,310 --> 00:26:03,840

we'll be in touch

667

00:26:08,310 --> 00:26:06,320

get to work owen you have to use your

668

00:26:11,669 --> 00:26:08,320

influence to keep the people of earth

669

00:26:13,830 --> 00:26:11,679

safe wait i have so many questions

670

00:26:15,990 --> 00:26:13,840

darling wait

671

00:26:17,909 --> 00:26:16,000

fine we'll answer one of them

672

00:26:19,830 --> 00:26:17,919

how do you people know english

673

00:26:22,230 --> 00:26:19,840

we've been monitoring your communication

674

00:26:24,390 --> 00:26:22,240

media for some time and have programmed

675

00:26:26,149 --> 00:26:24,400

our translation units to interact

676

00:26:28,870 --> 00:26:26,159

effectively with you

677

00:26:31,110 --> 00:26:28,880

and what do you mean by influence use my

678

00:26:34,230 --> 00:26:31,120

influence you said sorry we said one

679

00:26:36,870 --> 00:26:34,240

question nap time goodbye

680

00:26:39,190 --> 00:26:36,880

wait the memory screen treatment i

681

00:26:41,269 --> 00:26:39,200

always forget that it hasn't been too

682

00:26:43,830 --> 00:26:41,279

long has it you have the pill

683

00:26:45,510 --> 00:26:43,840

yes i do because i'm a professional it

684

00:26:47,269 --> 00:26:45,520

should be fine even though we should

685

00:26:48,310 --> 00:26:47,279

have done it before the information and

686

00:26:51,029 --> 00:26:48,320

planting

687

00:26:53,830 --> 00:26:51,039

owen what's that you're drinking uh

688

00:26:56,470 --> 00:26:53,840

ginger ale here dissolve this pill in it

689

00:26:58,549 --> 00:26:56,480

and drink it it'll um provide you with

690

00:27:00,870 --> 00:26:58,559

some cosmic enlightenment i don't even

691

00:27:02,470 --> 00:27:00,880

know what's going on what's going on is

692

00:27:04,870 --> 00:27:02,480

that you're gonna drink that and do what

693

00:27:06,470 --> 00:27:04,880

we need you to do understand

694

00:27:14,230 --> 00:27:06,480

yes

695

00:27:18,950 --> 00:27:17,029

so you know the whole aglonian plan now

696

00:27:19,830 --> 00:27:18,960

let's drop in on the agalon meditation

697

00:27:20,950 --> 00:27:19,840

center

698

00:27:24,950 --> 00:27:20,960

it's

699

00:27:27,269 --> 00:27:24,960

dozens of adherents to the agalon

700

00:27:29,909 --> 00:27:27,279

philosophy of universal love peace and

701  
00:27:32,470 --> 00:27:29,919  
understanding have flocked to river bend

702  
00:27:34,230 --> 00:27:32,480  
to learn at the knee of owen hazlitt

703  
00:27:36,549 --> 00:27:34,240  
owen preaches messages to the men and

704  
00:27:38,789 --> 00:27:36,559  
women there and for an additional fee

705  
00:27:41,350 --> 00:27:38,799  
provides special lessons

706  
00:27:43,669 --> 00:27:41,360  
roslyn meanwhile manages the money books

707  
00:27:45,990 --> 00:27:43,679  
the lecture tours and is hard at work on

708  
00:27:47,430 --> 00:27:46,000  
a book length version of the story

709  
00:27:50,070 --> 00:27:47,440  
let's join our

710  
00:27:52,310 --> 00:27:50,080  
well not heroes but still they're all

711  
00:27:53,990 --> 00:27:52,320  
we've got okay hazlitt we're gonna have

712  
00:27:56,549 --> 00:27:54,000  
to look at your lecture schedule at some

713  
00:27:58,230 --> 00:27:56,559

point you got time tonight uh nope i've

714

00:28:00,470 --> 00:27:58,240

got a fundraising meeting with a group

715

00:28:02,710 --> 00:28:00,480

from muncie oh good do you think they'll

716

00:28:04,870 --> 00:28:02,720

contribute much i wanted to get a couple

717

00:28:07,110 --> 00:28:04,880

new cars for the next lecture tour we

718

00:28:08,630 --> 00:28:07,120

gotta look classy hazlitt no one is

719

00:28:10,710 --> 00:28:08,640

going to believe someone who drives a

720

00:28:12,630 --> 00:28:10,720

beater i think they'll realize that part

721

00:28:14,789 --> 00:28:12,640

of their calling as children of agalon

722

00:28:16,789 --> 00:28:14,799

is to financially support our mission

723

00:28:18,710 --> 00:28:16,799

well yeah churches and charities have

724

00:28:20,710 --> 00:28:18,720

been doing this forever about time the

725

00:28:22,070 --> 00:28:20,720

rest of us get in on some of the action

726

00:28:24,149 --> 00:28:22,080

and we're not ripping anybody off

727

00:28:26,549 --> 00:28:24,159

rosalind it's not some kind of scam the

728

00:28:28,470 --> 00:28:26,559

agilonians can't directly help because

729

00:28:31,350 --> 00:28:28,480

they don't use money they have a prior

730

00:28:33,350 --> 00:28:31,360

choice economic system uh what now it's

731

00:28:35,590 --> 00:28:33,360

really complicated sally explained it to

732

00:28:38,389 --> 00:28:35,600

me in her last transmission nothing here

733

00:28:40,789 --> 00:28:38,399

is illegal these are free will offerings

734

00:28:42,549 --> 00:28:40,799

and the tax stuff well i'm pretty sure

735

00:28:44,070 --> 00:28:42,559

we're safe on that front well in a

736

00:28:46,149 --> 00:28:44,080

little while when sally and her people

737

00:28:48,149 --> 00:28:46,159

return taxes won't matter

738

00:28:50,470 --> 00:28:48,159

yeah well now they matter and i don't

739

00:28:53,510 --> 00:28:50,480

want to do federal time again i mean

740

00:28:55,590 --> 00:28:53,520

what long story okay

741

00:28:57,590 --> 00:28:55,600

so how are we doing on money since we

742

00:28:59,669 --> 00:28:57,600

still need some for the time being not

743

00:29:02,070 --> 00:28:59,679

bad getting that widow to sign over her

744

00:29:04,230 --> 00:29:02,080

farm was brilliant hazlitt we're gonna

745

00:29:06,470 --> 00:29:04,240

sell it quick at least before the next

746

00:29:08,389 --> 00:29:06,480

property taxes are due so that's gonna

747

00:29:10,870 --> 00:29:08,399

pay off your mortgage on the meditation

748

00:29:12,470 --> 00:29:10,880

center here then the cash flow is gonna

749

00:29:14,389 --> 00:29:12,480

look really good

750

00:29:16,870 --> 00:29:14,399

but i think it's time to increase the

751  
00:29:18,789 --> 00:29:16,880  
fees across the board i wish we didn't

752  
00:29:20,470 --> 00:29:18,799  
have to charge people anything at all

753  
00:29:22,870 --> 00:29:20,480  
we'd probably get more believers if we

754  
00:29:25,190 --> 00:29:22,880  
didn't look if i've told you once i've

755  
00:29:27,110 --> 00:29:25,200  
told you a thousand times this isn't a

756  
00:29:29,990 --> 00:29:27,120  
charity

757  
00:29:32,549 --> 00:29:30,000  
then why do we accept donations i mean

758  
00:29:34,389 --> 00:29:32,559  
it's not a real charity we just sort of

759  
00:29:36,470 --> 00:29:34,399  
give the impression it is

760  
00:29:38,870 --> 00:29:36,480  
i'm not sure the agilonians would like

761  
00:29:41,269 --> 00:29:38,880  
that well they're not here are they no

762  
00:29:43,669 --> 00:29:41,279  
but they're on their way so

763  
00:29:46,310 --> 00:29:43,679

when do they arrive soon i've been in

764

00:29:49,190 --> 00:29:46,320

contact with sally she and elon will be

765

00:29:51,510 --> 00:29:49,200

here within one of our earth months

766

00:29:53,430 --> 00:29:51,520

sure whatever kid i'm gonna go call

767

00:29:55,590 --> 00:29:53,440

gallipoli and see if we can get some

768

00:29:57,029 --> 00:29:55,600

cheap ad space for the book i'm gonna go

769

00:29:58,389 --> 00:29:57,039

to the meditation center to meet with

770

00:29:59,830 --> 00:29:58,399

some of the new recruits these

771

00:30:01,510 --> 00:29:59,840

housewives from muncie say their

772

00:30:03,350 --> 00:30:01,520

husbands need to hide some money i'm not

773

00:30:05,510 --> 00:30:03,360

sure what that means but uh i think

774

00:30:09,669 --> 00:30:05,520

it'll work out in our favor i think this

775

00:30:11,350 --> 00:30:09,679

is all going to work out just fine

776

00:30:12,950 --> 00:30:11,360

so all of you are here because you want

777

00:30:14,470 --> 00:30:12,960

something new in your life

778

00:30:16,389 --> 00:30:14,480

you're tired of the way things have been

779

00:30:18,310 --> 00:30:16,399

going you're like i was when i was

780

00:30:19,909 --> 00:30:18,320

leaning up against that tree in vietnam

781

00:30:22,870 --> 00:30:19,919

before sally shared with me mystic

782

00:30:24,789 --> 00:30:22,880

revelations that experience changed me

783

00:30:26,630 --> 00:30:24,799

it opened my mind to possibilities that

784

00:30:28,389 --> 00:30:26,640

i had never before considered

785

00:30:30,549 --> 00:30:28,399

peace and love and understanding are

786

00:30:33,510 --> 00:30:30,559

available to all if they have the means

787

00:30:35,430 --> 00:30:33,520

to seek it and it's means i want to talk

788

00:30:37,190 --> 00:30:35,440

to you about some of you are able to

789

00:30:40,310 --> 00:30:37,200

contribute to the material needs of our

790

00:30:42,310 --> 00:30:40,320

work here in substantial ways for you

791

00:30:44,389 --> 00:30:42,320

enlightenment may come sooner

792

00:30:45,990 --> 00:30:44,399

for the agilonians recognize the value

793

00:30:47,590 --> 00:30:46,000

of your contributions

794

00:30:49,350 --> 00:30:47,600

for those of you who are unable to give

795

00:30:50,389 --> 00:30:49,360

because of the very modest fees we have

796

00:30:52,470 --> 00:30:50,399

to charge

797

00:30:54,950 --> 00:30:52,480

do not worry enlightenment will come to

798

00:30:56,230 --> 00:30:54,960

you as well it just may take a little

799

00:30:58,710 --> 00:30:56,240

longer

800

00:31:01,909 --> 00:30:58,720

now if you'll turn with me to page 32 in

801  
00:31:03,669 --> 00:31:01,919  
the study guide we'll begin

802  
00:31:04,389 --> 00:31:03,679  
so we can do a full page ad for that

803  
00:31:06,549 --> 00:31:04,399  
price

804  
00:31:08,950 --> 00:31:06,559  
maybe three issues

805  
00:31:10,710 --> 00:31:08,960  
yes that's fine mcirish

806  
00:31:12,710 --> 00:31:10,720  
so how are things going down in that

807  
00:31:15,669 --> 00:31:12,720  
hippie commune of yours

808  
00:31:18,070 --> 00:31:15,679  
well it's not mine but things are going

809  
00:31:19,909 --> 00:31:18,080  
okay everybody who's here is paying

810  
00:31:21,509 --> 00:31:19,919  
money and we're finding good ways to

811  
00:31:23,590 --> 00:31:21,519  
charge them extra for things that

812  
00:31:25,830 --> 00:31:23,600  
shouldn't cost any money at all

813  
00:31:27,990 --> 00:31:25,840

these deviant long hairs deserve to have

814

00:31:29,669 --> 00:31:28,000

every red scent taken from them what's

815

00:31:31,430 --> 00:31:29,679

the deal with this owen character does

816

00:31:33,430 --> 00:31:31,440

he believe any of this stuff

817

00:31:35,269 --> 00:31:33,440

i think he believes that what he says

818

00:31:37,990 --> 00:31:35,279

happened to him happened

819

00:31:40,389 --> 00:31:38,000

but i also think that at some level he

820

00:31:42,230 --> 00:31:40,399

knows that what we turned his story into

821

00:31:44,630 --> 00:31:42,240

is getting him a lot more financial

822

00:31:45,430 --> 00:31:44,640

benefit than what he originally came up

823

00:31:47,350 --> 00:31:45,440

with

824

00:31:49,350 --> 00:31:47,360

personally i'm pretty sure he's making

825

00:31:51,190 --> 00:31:49,360

the whole thing up but i'm getting my

826

00:31:54,710 --> 00:31:51,200

sixty percent so

827

00:31:56,710 --> 00:31:54,720

sixty percent uh good job mick irish

828

00:31:58,230 --> 00:31:56,720

soak this delusional nut for everything

829

00:32:00,149 --> 00:31:58,240

that he's got

830

00:32:01,750 --> 00:32:00,159

did i ever tell you about the time i ran

831

00:32:03,430 --> 00:32:01,760

a record company

832

00:32:05,269 --> 00:32:03,440

it only lasted a couple of years because

833

00:32:07,029 --> 00:32:05,279

i couldn't stand dealing with the freaks

834

00:32:09,430 --> 00:32:07,039

and weirdos that inhabit that scene

835

00:32:11,509 --> 00:32:09,440

always going on about creative freedom

836

00:32:12,389 --> 00:32:11,519

and other socialist nonsense had to get

837

00:32:16,230 --> 00:32:12,399

out

838

00:32:18,630 --> 00:32:16,240

sooner or later too you know that right

839

00:32:21,350 --> 00:32:18,640

why i'm making more money than i have in

840

00:32:23,830 --> 00:32:21,360

years and i have no expenses since i can

841

00:32:25,750 --> 00:32:23,840

live at the meditation center for free

842

00:32:27,590 --> 00:32:25,760

my god listen to yourself mick irish

843

00:32:29,190 --> 00:32:27,600

you're turning into one of them

844

00:32:31,430 --> 00:32:29,200

anyone who can put up with living at a

845

00:32:34,070 --> 00:32:31,440

ufo alien meditation center for any

846

00:32:36,630 --> 00:32:34,080

reason at all is in too deep i'll keep

847

00:32:38,310 --> 00:32:36,640

that in mind sir i'll have the ad copy

848

00:32:39,990 --> 00:32:38,320

to you by the end of the week

849

00:32:42,789 --> 00:32:40,000

i may have to come down to this place

850

00:32:44,230 --> 00:32:42,799

and see what's going on there personally

851

00:32:46,070 --> 00:32:44,240

remind myself what it is that i'm

852

00:32:48,470 --> 00:32:46,080

fighting for in this magazine the

853

00:32:50,149 --> 00:32:48,480

propagation of common sense red blooded

854

00:32:52,789 --> 00:32:50,159

american values and

855

00:32:56,310 --> 00:32:52,799

photo layouts of stunning redheads

856

00:32:58,549 --> 00:32:56,320

you're welcome anytime sir

857

00:33:00,549 --> 00:32:58,559

owen has a good thing going

858

00:33:02,470 --> 00:33:00,559

roslyn is making money

859

00:33:03,909 --> 00:33:02,480

mr gallipoli is selling lots of

860

00:33:06,470 --> 00:33:03,919

magazines

861

00:33:09,669 --> 00:33:06,480

but all good things come to an end

862

00:33:13,669 --> 00:33:09,679

the agilonians are returning

863

00:33:15,350 --> 00:33:13,679

so it's a year later and we're back at

864

00:33:18,549 --> 00:33:15,360

what's it called

865

00:33:19,990 --> 00:33:18,559

earth sir ah yes earth the one with your

866

00:33:22,470 --> 00:33:20,000

boyfriend

867

00:33:24,789 --> 00:33:22,480

anyway whatever have you located him

868

00:33:26,789 --> 00:33:24,799

does it seem like these people are ripe

869

00:33:29,190 --> 00:33:26,799

for joining the empire

870

00:33:31,430 --> 00:33:29,200

scanning now sir it looks like media

871

00:33:32,870 --> 00:33:31,440

penetration is less than total

872

00:33:35,190 --> 00:33:32,880

there's lots of chatters about the

873

00:33:36,950 --> 00:33:35,200

visitors from outer space but it's not

874

00:33:39,110 --> 00:33:36,960

that different from before we converted

875

00:33:40,389 --> 00:33:39,120

owen i mean the human

876

00:33:41,750 --> 00:33:40,399

explanation

877

00:33:43,990 --> 00:33:41,760

well

878

00:33:46,549 --> 00:33:44,000

maybe we're just not interpreting things

879

00:33:47,509 --> 00:33:46,559

correctly the protocol has never failed

880

00:33:48,870 --> 00:33:47,519

before

881

00:33:50,830 --> 00:33:48,880

i think i've located the humans

882

00:33:53,830 --> 00:33:50,840

headquarters it's

883

00:33:55,110 --> 00:33:53,840

unimpressive well that's disturbing i

884

00:33:56,710 --> 00:33:55,120

would have thought our representative

885

00:33:57,909 --> 00:33:56,720

would have done better for himself than

886

00:33:59,669 --> 00:33:57,919

this

887

00:34:01,990 --> 00:33:59,679

anyway let's go down there and see

888

00:34:03,830 --> 00:34:02,000

what's going on with all this if this

889

00:34:04,860 --> 00:34:03,840

all falls apart i'll never be able to

890

00:34:09,270 --> 00:34:04,870

retire

891

00:34:12,869 --> 00:34:11,430

thanks for coming everyone i just wanted

892

00:34:14,950 --> 00:34:12,879

to get us all together to go over the

893

00:34:17,510 --> 00:34:14,960

agenda for tonight rosalind here my

894

00:34:19,190 --> 00:34:17,520

press girl i'm not your press girl

895

00:34:21,030 --> 00:34:19,200

my press lady

896

00:34:23,909 --> 00:34:21,040

one of these days is going to fill you

897

00:34:25,829 --> 00:34:23,919

in on what's going on okay so as some of

898

00:34:27,829 --> 00:34:25,839

you have heard a tv news crew from

899

00:34:30,230 --> 00:34:27,839

indianapolis is coming up here to do a

900

00:34:33,510 --> 00:34:30,240

story on the meditation center and the

901  
00:34:35,669 --> 00:34:33,520  
agolonians teachings now they may want

902  
00:34:37,669 --> 00:34:35,679  
to talk to some of you and i may not

903  
00:34:39,829 --> 00:34:37,679  
always be there to

904  
00:34:41,589 --> 00:34:39,839  
deflect them from some of the more

905  
00:34:44,149 --> 00:34:41,599  
pointed or

906  
00:34:46,869 --> 00:34:44,159  
uncomfortable questions so i've got some

907  
00:34:50,069 --> 00:34:46,879  
ground rules for you to follow first do

908  
00:34:53,829 --> 00:34:50,079  
not and i mean do not mention outer

909  
00:34:56,629 --> 00:34:53,839  
space ufos anything like that we are a

910  
00:35:00,069 --> 00:34:56,639  
meditation center owen is your spiritual

911  
00:35:03,349 --> 00:35:00,079  
leader and it is all very very earthly

912  
00:35:07,750 --> 00:35:05,589  
look i know you all believe the alien

913  
00:35:10,870 --> 00:35:07,760

thing but it'll make you look crazy

914

00:35:13,910 --> 00:35:10,880

crazier and that's what they want so no

915

00:35:17,829 --> 00:35:13,920

aliens okay second do not mention

916

00:35:20,390 --> 00:35:17,839

anything about money not at all ever i

917

00:35:22,390 --> 00:35:20,400

can't emphasize this enough

918

00:35:24,950 --> 00:35:22,400

so roslyn is there anything they can

919

00:35:27,349 --> 00:35:24,960

talk about peace love universal

920

00:35:30,790 --> 00:35:27,359

understanding the bland stuff stay bland

921

00:35:32,870 --> 00:35:30,800

stay boring but not too boring

922

00:35:34,790 --> 00:35:32,880

right that's the tough part we have to

923

00:35:37,349 --> 00:35:34,800

prevent anyone from thinking this is

924

00:35:39,190 --> 00:35:37,359

some kind of weirdo space cult but still

925

00:35:41,990 --> 00:35:39,200

be interesting enough to attract new

926  
00:35:44,390 --> 00:35:42,000  
people and their money but remember no

927  
00:35:46,630 --> 00:35:44,400  
one mentioned money no one mentioned

928  
00:35:48,550 --> 00:35:46,640  
that they paid owen anything they'll use

929  
00:35:51,270 --> 00:35:48,560  
that information to destroy him to

930  
00:35:53,750 --> 00:35:51,280  
destroy all of us leave everything to me

931  
00:35:55,190 --> 00:35:53,760  
and owen we know how to do this stuff

932  
00:35:59,040 --> 00:35:55,200  
but the rest of you

933  
00:36:03,270 --> 00:35:59,050  
just say as little as possible

934  
00:36:07,030 --> 00:36:04,870  
what the hell

935  
00:36:10,069 --> 00:36:07,040  
they're they're back

936  
00:36:12,470 --> 00:36:10,079  
i knew it see see roslyn it's all real i

937  
00:36:15,410 --> 00:36:12,480  
have no idea what to say that i was

938  
00:36:20,430 --> 00:36:15,420

right all along never

939

00:36:28,230 --> 00:36:23,510

salvariana you handle all this i want to

940

00:36:32,390 --> 00:36:30,310

earth man owen

941

00:36:33,750 --> 00:36:32,400

are they ready

942

00:36:35,589 --> 00:36:33,760

for what

943

00:36:37,030 --> 00:36:35,599

oh

944

00:36:39,349 --> 00:36:37,040

shut up sir

945

00:36:42,630 --> 00:36:39,359

owen ready for peacefully entering the

946

00:36:45,829 --> 00:36:42,640

empire is humanity subdued pacified

947

00:36:47,430 --> 00:36:45,839

prepared oh wow not at all but we've got

948

00:36:49,670 --> 00:36:47,440

a good start there are about 30 of us

949

00:36:51,109 --> 00:36:49,680

here and more every day

950

00:36:52,630 --> 00:36:51,119

every month

951  
00:36:53,990 --> 00:36:52,640  
most months

952  
00:36:55,990 --> 00:36:54,000  
now that you and the commander are here

953  
00:36:58,470 --> 00:36:56,000  
to share more of your agalonian wisdom

954  
00:37:00,470 --> 00:36:58,480  
our numbers could could double

955  
00:37:03,670 --> 00:37:00,480  
now what's this empire you're talking

956  
00:37:05,510 --> 00:37:03,680  
about your boyfriend's an idiot

957  
00:37:07,750 --> 00:37:05,520  
he's not my

958  
00:37:08,710 --> 00:37:07,760  
anyway this is weird you've got that

959  
00:37:11,109 --> 00:37:08,720  
right

960  
00:37:12,950 --> 00:37:11,119  
and you are i'm roslyn and i've been

961  
00:37:13,910 --> 00:37:12,960  
helping him spread his

962  
00:37:16,470 --> 00:37:13,920  
your

963  
00:37:20,150 --> 00:37:16,480

someone's message are you really from

964

00:37:22,630 --> 00:37:20,160

space and what's all this pacifying us

965

00:37:25,190 --> 00:37:22,640

i don't need to respond to you human

966

00:37:27,829 --> 00:37:25,200

your only role here is to submit or die

967

00:37:30,310 --> 00:37:27,839

wait what hey now sally don't talk to

968

00:37:33,349 --> 00:37:30,320

her like that she's on our side

969

00:37:35,750 --> 00:37:33,359

do not call me sally owen do you really

970

00:37:36,790 --> 00:37:35,760

not understand what's at stake here at

971

00:37:38,390 --> 00:37:36,800

stake

972

00:37:43,589 --> 00:37:38,400

i thought you came back here to be with

973

00:37:46,630 --> 00:37:44,550

owen

974

00:37:48,790 --> 00:37:46,640

your job was to prepare humanity to get

975

00:37:50,870 --> 00:37:48,800

pulled into our empire

976  
00:37:52,710 --> 00:37:50,880  
otherwise we have to conquer you and

977  
00:37:54,310 --> 00:37:52,720  
that won't be pleasant

978  
00:37:57,349 --> 00:37:54,320  
are you saying that you don't remember

979  
00:37:59,510 --> 00:37:57,359  
that part of it no this is crazy go

980  
00:38:01,670 --> 00:37:59,520  
ahead and try to conquer us we've got

981  
00:38:03,990 --> 00:38:01,680  
nukes and your flying saucer looks like

982  
00:38:06,950 --> 00:38:04,000  
a piece of junk you fly through space in

983  
00:38:09,030 --> 00:38:06,960  
that thing well it's just a scout ship

984  
00:38:11,990 --> 00:38:09,040  
the mothership is much more impressive

985  
00:38:13,750 --> 00:38:12,000  
it would have to be in any case owen

986  
00:38:15,510 --> 00:38:13,760  
we've been counting on you to prepare

987  
00:38:17,349 --> 00:38:15,520  
earth for our arrival

988  
00:38:19,670 --> 00:38:17,359

selflessly and in the service of the

989

00:38:22,630 --> 00:38:19,680

agilonian empire which you have been

990

00:38:23,829 --> 00:38:22,640

conditioned and programmed to serve

991

00:38:26,150 --> 00:38:23,839

yikes

992

00:38:28,470 --> 00:38:26,160

sally what are you talking about

993

00:38:30,069 --> 00:38:28,480

what do you mean what am i talking about

994

00:38:31,510 --> 00:38:30,079

don't you remember

995

00:38:32,950 --> 00:38:31,520

remember what

996

00:38:36,870 --> 00:38:32,960

our kiss

997

00:38:39,030 --> 00:38:36,880

kiss what is wrong with you uh let's go

998

00:38:43,829 --> 00:38:39,040

inside and get away from the rest of the

999

00:38:47,670 --> 00:38:46,710

now you were saying owen you know when

1000

00:38:51,750 --> 00:38:47,680

we

1001

00:38:53,829 --> 00:38:51,760

this is going to be fun

1002

00:38:55,670 --> 00:38:53,839

when we kissed that's how you put the

1003

00:38:57,349 --> 00:38:55,680

information in my brain and i don't

1004

00:38:59,910 --> 00:38:57,359

remember anything about you taking over

1005

00:39:01,349 --> 00:38:59,920

the planet what about peace and love and

1006

00:39:04,069 --> 00:39:01,359

understanding

1007

00:39:08,630 --> 00:39:04,079

i don't know what kiss means so i'll

1008

00:39:12,790 --> 00:39:11,670

oh my goodness we absolutely did not do

1009

00:39:18,069 --> 00:39:12,800

that

1010

00:39:20,150 --> 00:39:18,079

to exaggerate must be tough to have your

1011

00:39:22,390 --> 00:39:20,160

reputation ruined on an interplanetary

1012

00:39:23,990 --> 00:39:22,400

scale though kissing every earth dope

1013

00:39:26,950 --> 00:39:24,000

you find

1014

00:39:28,550 --> 00:39:26,960

don't call me sally oh this will be the

1015

00:39:31,829 --> 00:39:28,560

talk of the fleet

1016

00:39:35,109 --> 00:39:31,839

sally and the earth dope so what about

1017

00:39:37,190 --> 00:39:35,119

this invasion so why do i remember what

1018

00:39:38,069 --> 00:39:37,200

didn't happen and can't remember what

1019

00:39:40,790 --> 00:39:38,079

did

1020

00:39:42,950 --> 00:39:40,800

i think my question is more important

1021

00:39:45,510 --> 00:39:42,960

it's not excuse me

1022

00:39:47,510 --> 00:39:45,520

owen's brain problem is the real problem

1023

00:39:50,150 --> 00:39:47,520

what might have happened is that we gave

1024

00:39:52,470 --> 00:39:50,160

him the memory treatment the what i

1025

00:39:54,630 --> 00:39:52,480

think she means the magic ginger ale

1026

00:39:56,870 --> 00:39:54,640

that was real

1027

00:39:58,710 --> 00:39:56,880

i'm not even sure anymore

1028

00:40:00,950 --> 00:39:58,720

anyway we must have given him the memory

1029

00:40:02,790 --> 00:40:00,960

treatment too late into the process

1030

00:40:06,069 --> 00:40:02,800

there can be complications

1031

00:40:07,910 --> 00:40:06,079

rare but they happen so wait uh

1032

00:40:09,190 --> 00:40:07,920

equipment failure

1033

00:40:11,990 --> 00:40:09,200

seems likely

1034

00:40:13,829 --> 00:40:12,000

so we have to shift to the conquest

1035

00:40:16,230 --> 00:40:13,839

protocol this is gonna wreck my

1036

00:40:17,910 --> 00:40:16,240

retirement plans so because owen

1037

00:40:20,550 --> 00:40:17,920

couldn't convince us to give up we get

1038

00:40:22,630 --> 00:40:20,560

conquered right can't you i don't know

1039

00:40:25,990 --> 00:40:22,640

just not

1040

00:40:27,990 --> 00:40:26,000

that's not an option human why not well

1041

00:40:30,470 --> 00:40:28,000

because we'd get in trouble earth's on

1042

00:40:32,950 --> 00:40:30,480

the list if i don't follow the list

1043

00:40:34,470 --> 00:40:32,960

there's consequences

1044

00:40:35,910 --> 00:40:34,480

unless

1045

00:40:38,150 --> 00:40:35,920

sir

1046

00:40:39,589 --> 00:40:38,160

are you familiar with the reversion

1047

00:40:41,750 --> 00:40:39,599

protocol

1048

00:40:43,829 --> 00:40:41,760

surely that doesn't apply here that's

1049

00:40:45,670 --> 00:40:43,839

only for the original messenger dying

1050

00:40:48,790 --> 00:40:45,680

before the mission is complete

1051

00:40:52,309 --> 00:40:48,800

well the mission isn't complete

1052

00:40:54,710 --> 00:40:52,319

but owen's life but does he have to be

1053

00:40:56,550 --> 00:40:54,720

wait are you going to kill him oh

1054

00:40:59,109 --> 00:40:56,560

they're going to kill me

1055

00:41:01,750 --> 00:40:59,119

sir that doesn't sound like you

1056

00:41:04,390 --> 00:41:01,760

i think it sounds just like you people

1057

00:41:07,109 --> 00:41:04,400

from what i've seen so far look it's

1058

00:41:08,630 --> 00:41:07,119

distasteful yes but if we eliminate your

1059

00:41:11,670 --> 00:41:08,640

boyfriend here then we can choose

1060

00:41:13,670 --> 00:41:11,680

another candidate get it right this time

1061

00:41:16,150 --> 00:41:13,680

submit the reversion paperwork and then

1062

00:41:18,550 --> 00:41:16,160

i retire earth will be someone else's

1063

00:41:20,390 --> 00:41:18,560

problem it's the easiest way for me to

1064

00:41:23,270 --> 00:41:20,400

get what i want

1065

00:41:26,390 --> 00:41:23,280

what about what i want what would i want

1066

00:41:28,710 --> 00:41:26,400

what do you want for you to go for you

1067

00:41:30,550 --> 00:41:28,720

to stop messing up this modest yet

1068

00:41:32,550 --> 00:41:30,560

workable money machine i've put together

1069

00:41:35,349 --> 00:41:32,560

here and i wouldn't want stuff too what

1070

00:41:36,390 --> 00:41:35,359

do you want owen sally i just want to be

1071

00:41:40,230 --> 00:41:36,400

with you

1072

00:41:41,109 --> 00:41:40,240

and our followers

1073

00:41:43,030 --> 00:41:41,119

sir

1074

00:41:45,510 --> 00:41:43,040

what do you want to do

1075

00:41:46,550 --> 00:41:45,520

well i want to shoot your boyfriend for

1076

00:41:49,670 --> 00:41:46,560

sure

1077

00:41:51,670 --> 00:41:49,680

as for the rest i need to figure it out

1078

00:41:56,710 --> 00:41:51,680

lock up the humans until we can get

1079

00:42:01,109 --> 00:41:59,109

i can't believe the agallonians are

1080

00:42:03,910 --> 00:42:01,119

going to kill me i can't believe there's

1081

00:42:06,470 --> 00:42:03,920

agilonians i can't believe this mission

1082

00:42:08,630 --> 00:42:06,480

went so wrong so quickly

1083

00:42:11,030 --> 00:42:08,640

we don't usually execute our messengers

1084

00:42:13,109 --> 00:42:11,040

owen we sometimes need to lobotomize

1085

00:42:15,190 --> 00:42:13,119

them and put them to work in the mines

1086

00:42:18,230 --> 00:42:15,200

or something but murder

1087

00:42:19,190 --> 00:42:18,240

this isn't the protocol

1088

00:42:20,870 --> 00:42:19,200

you know

1089

00:42:22,470 --> 00:42:20,880

you're the one doing all the work around

1090

00:42:24,550 --> 00:42:22,480

here sally

1091

00:42:25,750 --> 00:42:24,560

my name's not

1092

00:42:27,829 --> 00:42:25,760

never mind

1093

00:42:29,589 --> 00:42:27,839

and yes i'm aware of that what's it to

1094

00:42:31,990 --> 00:42:29,599

you human

1095

00:42:33,430 --> 00:42:32,000

how come you call him owen and you call

1096

00:42:35,349 --> 00:42:33,440

me human

1097

00:42:38,230 --> 00:42:35,359

because we're in love

1098

00:42:39,109 --> 00:42:38,240

no owen seems harmless and well-meaning

1099

00:42:50,630 --> 00:42:39,119

you

1100

00:42:51,829 --> 00:42:50,640

oh i don't mind killing people

1101

00:42:54,069 --> 00:42:51,839

rosalind

1102

00:42:56,230 --> 00:42:54,079

but this just seems like a waste and to

1103

00:42:57,670 --> 00:42:56,240

start over with a new messenger

1104

00:42:59,190 --> 00:42:57,680

when there are hundreds of people who

1105

00:43:01,589 --> 00:42:59,200

already know about us

1106

00:43:03,589 --> 00:43:01,599

this isn't how it's supposed to work

1107

00:43:04,790 --> 00:43:03,599

well if it helps it's probably more like

1108

00:43:07,270 --> 00:43:04,800

dozens

1109

00:43:08,470 --> 00:43:07,280

i just want a promotion i want elon's

1110

00:43:09,990 --> 00:43:08,480

job

1111

00:43:12,230 --> 00:43:10,000

i wouldn't have screwed it up like he

1112

00:43:15,030 --> 00:43:12,240

did you'd all be loyal subjects of

1113

00:43:17,190 --> 00:43:15,040

agonal now if i'd been in charge not

1114

00:43:19,750 --> 00:43:17,200

sure how that's better it'd be better

1115

00:43:21,270 --> 00:43:19,760

for me and owen he'd be safe you're

1116

00:43:23,670 --> 00:43:21,280

disruptive and would probably be

1117

00:43:26,630 --> 00:43:23,680

liquidated quickly hey she's all right

1118

00:43:28,630 --> 00:43:26,640

thanks owen if elon weren't in charge

1119

00:43:30,390 --> 00:43:28,640

i'd have some more options

1120

00:43:31,589 --> 00:43:30,400

so take over

1121

00:43:32,950 --> 00:43:31,599

what

1122

00:43:36,309 --> 00:43:32,960

take over

1123

00:43:39,270 --> 00:43:36,319

like a mutiny or just shoot the [h\_\_\h]

1124

00:43:41,270 --> 00:43:39,280

that's not a bad idea roslyn really i

1125

00:43:43,270 --> 00:43:41,280

was just sort of joking can't you think

1126

00:43:45,589 --> 00:43:43,280

of something more subtle

1127

00:43:47,910 --> 00:43:45,599

i'm not sure there's time owen what do

1128

00:43:49,510 --> 00:43:47,920

you think oh sally i think you probably

1129

00:43:53,349 --> 00:43:49,520

have a better idea of what's going on

1130

00:43:55,109 --> 00:43:53,359

than we do you're like a puppy owen

1131

00:43:58,150 --> 00:43:55,119

i have far more knowledge than either of

1132

00:43:59,430 --> 00:43:58,160

you and i think killing elon solves all

1133

00:44:01,990 --> 00:43:59,440

our problems

1134

00:44:04,390 --> 00:44:02,000

i can keep the earth safe just adjust a

1135

00:44:07,109 --> 00:44:04,400

few records on the ship i get a command

1136

00:44:08,550 --> 00:44:07,119

of my own and i can come with you really

1137

00:44:10,550 --> 00:44:08,560

perhaps someone perhaps

1138

00:44:12,470 --> 00:44:10,560

we do have an inner species exchange

1139

00:44:15,750 --> 00:44:12,480

program but earth would need to be a

1140

00:44:18,790 --> 00:44:15,760

member of the empire sounds great

1141

00:44:20,390 --> 00:44:18,800

whose side are you on sally's

1142

00:44:22,710 --> 00:44:20,400

look if it keeps us from getting

1143

00:44:24,950 --> 00:44:22,720

conquered you can make gugu eyes at her

1144

00:44:27,910 --> 00:44:24,960

for the rest of your life sally let's go

1145

00:44:31,270 --> 00:44:28,710

so

1146

00:44:33,430 --> 00:44:31,280

the agalon meditation center

1147

00:44:35,190 --> 00:44:33,440

wonder where mick irish is be nice to

1148

00:44:38,069 --> 00:44:35,200

get a tour

1149

00:44:39,589 --> 00:44:38,079

say are you a human

1150

00:44:41,270 --> 00:44:39,599

what kind of question is that you some

1151

00:44:44,150 --> 00:44:41,280

kind of weirdo

1152

00:44:47,109 --> 00:44:44,160

well from your perspective perhaps

1153

00:44:49,510 --> 00:44:47,119

my name is elon and i'm a commander at

1154

00:44:51,910 --> 00:44:49,520

the agalonian fleet

1155

00:44:54,710 --> 00:44:51,920

hmm good to meet you allen name's

1156

00:44:57,670 --> 00:44:54,720

gallipoli i'm in the magazine business

1157

00:44:59,670 --> 00:44:57,680

i have no idea what that means

1158

00:45:02,150 --> 00:44:59,680

is that supposed to be funny

1159

00:45:04,069 --> 00:45:02,160

i'm not a funny person

1160

00:45:05,109 --> 00:45:04,079

um that's something we have in common my

1161

00:45:08,790 --> 00:45:05,119

friend

1162

00:45:10,710 --> 00:45:08,800

so what's going on here i wish i knew we

1163

00:45:12,790 --> 00:45:10,720

were supposed to take over this planet

1164

00:45:15,349 --> 00:45:12,800

but everything's going wrong i'm

1165

00:45:16,870 --> 00:45:15,359

supposed to retire you know

1166

00:45:18,710 --> 00:45:16,880

take over the planet

1167

00:45:21,109 --> 00:45:18,720

use some kind of nut

1168

00:45:22,230 --> 00:45:21,119

i've taken over lots of planets at least

1169

00:45:23,670 --> 00:45:22,240

seven

1170

00:45:25,430 --> 00:45:23,680

eight baby

1171

00:45:26,390 --> 00:45:25,440

i forget

1172

00:45:29,349 --> 00:45:26,400

hmm

1173

00:45:31,430 --> 00:45:29,359

you sound like an interesting man alan

1174

00:45:32,870 --> 00:45:31,440

tell me have you been in outer space a

1175

00:45:35,190 --> 00:45:32,880

long time

1176

00:45:37,829 --> 00:45:35,200

oh spent my whole career on various

1177

00:45:40,390 --> 00:45:37,839

ships at the agalonian fleet i voted the

1178

00:45:42,230 --> 00:45:40,400

comet war too you probably don't know

1179

00:45:44,150 --> 00:45:42,240

what that is

1180

00:45:47,030 --> 00:45:44,160

no i don't but i i bet it's a

1181

00:45:48,550 --> 00:45:47,040

fascinating story do you have a lot of

1182

00:45:51,190 --> 00:45:48,560

stories

1183

00:45:53,030 --> 00:45:51,200

oh yes no one wants to hear them though

1184

00:45:54,390 --> 00:45:53,040

everyone thinks i'm just a boring old

1185

00:45:57,910 --> 00:45:54,400

has been

1186

00:45:59,750 --> 00:45:57,920

i mean i am but i wasn't always

1187

00:46:01,670 --> 00:45:59,760

i may have some opportunities for you

1188

00:46:03,270 --> 00:46:01,680

alan get you back on the straight and

1189

00:46:06,230 --> 00:46:03,280

narrow i can tell you've been through

1190

00:46:09,430 --> 00:46:06,240

some rough times drugs probably

1191

00:46:11,349 --> 00:46:09,440

drags still no matter drugs drink

1192

00:46:12,150 --> 00:46:11,359

whatever's laid you low we can overcome

1193

00:46:15,910 --> 00:46:12,160

it

1194

00:46:17,510 --> 00:46:15,920

okay whatever i'm going to go take a nap

1195

00:46:20,470 --> 00:46:17,520

elon

1196

00:46:23,030 --> 00:46:20,480

ah sub leader are you ready to take care

1197

00:46:24,150 --> 00:46:23,040

of that earth man of yours

1198

00:46:26,230 --> 00:46:24,160

wait

1199

00:46:29,109 --> 00:46:26,240

why are they with you

1200

00:46:32,230 --> 00:46:29,119

there's been a change of plans elon

1201

00:46:33,990 --> 00:46:32,240

put that down are you insane look sir

1202

00:46:37,270 --> 00:46:34,000

this way everything works out for the

1203

00:46:39,030 --> 00:46:37,280

best i get your job owen is safe and

1204

00:46:40,950 --> 00:46:39,040

earth gets left alone

1205

00:46:42,710 --> 00:46:40,960

i don't care about earth really but

1206

00:46:45,349 --> 00:46:42,720

covering all of this up would probably

1207

00:46:48,069 --> 00:46:45,359

be the best thing for my career you

1208

00:46:50,150 --> 00:46:48,079

you're going to kill me i argued for

1209

00:46:51,349 --> 00:46:50,160

something more subtle oh thank you i

1210

00:46:53,670 --> 00:46:51,359

guess

1211

00:46:56,150 --> 00:46:53,680

this has all gone so wrong

1212

00:46:58,470 --> 00:46:56,160

your career is as good as over mine's

1213

00:47:00,790 --> 00:46:58,480

not if you're out of the way then maybe

1214

00:47:02,309 --> 00:47:00,800

i can get everything back on track and

1215

00:47:05,109 --> 00:47:02,319

save the earth right

1216

00:47:06,550 --> 00:47:05,119

well yes of course i don't want to die

1217

00:47:08,550 --> 00:47:06,560

get in line

1218

00:47:10,470 --> 00:47:08,560

i wish there was another way

1219

00:47:13,349 --> 00:47:10,480

excuse me miss

1220

00:47:15,910 --> 00:47:13,359

i think i know what's going on here mr

1221

00:47:17,589 --> 00:47:15,920

gallipoli what are you doing here you

1222

00:47:18,550 --> 00:47:17,599

said i was welcome at any time mick

1223

00:47:21,109 --> 00:47:18,560

irish

1224

00:47:23,030 --> 00:47:21,119

i've been talking to alan here and uh

1225

00:47:25,270 --> 00:47:23,040

he's got a lot of stories

1226

00:47:27,349 --> 00:47:25,280

i think he's bonkers probably may have

1227

00:47:28,790 --> 00:47:27,359

done some of that lsd asset i've been

1228

00:47:30,870 --> 00:47:28,800

hearing about but

1229

00:47:32,470 --> 00:47:30,880

he's an entertaining guy

1230

00:47:34,790 --> 00:47:32,480

why does the good-looking woman in the

1231

00:47:37,670 --> 00:47:34,800

leopard suit need to shoot him

1232

00:47:38,630 --> 00:47:37,680

because he needs to go away hmm that's a

1233

00:47:40,309 --> 00:47:38,640

shame

1234

00:47:42,710 --> 00:47:40,319

i was going to use him for a series of

1235

00:47:44,470 --> 00:47:42,720

features on life in outer space

1236

00:47:46,309 --> 00:47:44,480

science fiction mick irish that's the

1237

00:47:49,750 --> 00:47:46,319

ticket is it

1238

00:47:51,670 --> 00:47:49,760

it is if i say it is you gun woman

1239

00:47:53,349 --> 00:47:51,680

sell ariana

1240

00:47:55,990 --> 00:47:53,359

sally yes

1241

00:47:57,430 --> 00:47:56,000

ellen is harmless he's a burnout

1242

00:47:59,990 --> 00:47:57,440

see him every day

1243

00:48:01,109 --> 00:48:00,000

poor character lack of self-control bad

1244

00:48:02,950 --> 00:48:01,119

upbringing

1245

00:48:05,190 --> 00:48:02,960

whatever the reason it's

1246

00:48:07,190 --> 00:48:05,200

clear he's no threat to you

1247

00:48:09,990 --> 00:48:07,200

let me make money off the insane

1248

00:48:12,790 --> 00:48:10,000

ramblings of this sad half-man think of

1249

00:48:16,309 --> 00:48:12,800

it like witness protection can he

1250

00:48:18,309 --> 00:48:16,319

actually write sad half-man

1251

00:48:20,870 --> 00:48:18,319

you'll polish it up mick irish don't

1252

00:48:23,030 --> 00:48:20,880

worry i uh okay

1253

00:48:25,190 --> 00:48:23,040

could this work sally

1254

00:48:28,230 --> 00:48:25,200

maybe so it would be preferable to

1255

00:48:30,069 --> 00:48:28,240

killing him to just pretend he was dead

1256

00:48:32,069 --> 00:48:30,079

then i could alter the ship's records

1257

00:48:34,390 --> 00:48:32,079

and erase all mention of earth and

1258

00:48:36,309 --> 00:48:34,400

that'll keep the earth safe

1259

00:48:37,670 --> 00:48:36,319

no it won't

1260

00:48:40,790 --> 00:48:37,680

what do you mean

1261

00:48:43,270 --> 00:48:40,800

i did the paperwork salvariana earth's

1262

00:48:45,990 --> 00:48:43,280

in the system if it isn't turned over to

1263

00:48:49,750 --> 00:48:46,000

aggilonian control in the next 24 hours

1264

00:48:52,549 --> 00:48:49,760

the invasion fleet launches well stop it

1265

00:48:54,870 --> 00:48:52,559

foolish human woman i'd never get the

1266

00:48:59,510 --> 00:48:54,880

forms filled out before the 24 hours was

1267

00:49:01,270 --> 00:48:59,520

up no this is absolutely happening so

1268

00:49:02,710 --> 00:49:01,280

earth is doomed

1269

00:49:14,470 --> 00:49:02,720

doomed

1270

00:49:16,549 --> 00:49:14,480

involve more explosions great thanks

1271

00:49:19,109 --> 00:49:16,559

i'm not worried i've got a bunker in

1272

00:49:21,510 --> 00:49:19,119

south dakota for just this kind of thing

1273

00:49:25,190 --> 00:49:21,520

alan you coming

1274

00:49:27,589 --> 00:49:25,200

might as well die in a bunker sure

1275

00:49:28,829 --> 00:49:27,599

i appreciate your fatalism alan

1276

00:49:32,069 --> 00:49:28,839

so long

1277

00:49:34,069 --> 00:49:32,079

hippies he is so weird

1278

00:49:35,430 --> 00:49:34,079

so what are we going to do about all

1279

00:49:37,990 --> 00:49:35,440

this

1280

00:49:40,069 --> 00:49:38,000

i'm not sure there's anything we can do

1281

00:49:41,990 --> 00:49:40,079

we have 24 hours to turn earth over to

1282

00:49:45,270 --> 00:49:42,000

the agolonian empire

1283

00:49:47,510 --> 00:49:45,280

or there's an invasion and we can't turn

1284

00:49:49,190 --> 00:49:47,520

earth over to the empire because owen

1285

00:49:51,829 --> 00:49:49,200

has all the social cultural and

1286

00:49:54,470 --> 00:49:51,839

political authority of well a motel

1287

00:49:56,309 --> 00:49:54,480

owner who runs a ufo cult so what

1288

00:50:00,230 --> 00:49:56,319

happens if earth were to become part of

1289

00:50:02,309 --> 00:50:00,240

the empire sally would would be would uh

1290

00:50:04,790 --> 00:50:02,319

would we be enslaved that the planet

1291

00:50:07,510 --> 00:50:04,800

gets strip mined or something

1292

00:50:09,349 --> 00:50:07,520

maybe at some point but earth earth is

1293

00:50:11,589 --> 00:50:09,359

barely worth the effort

1294

00:50:12,790 --> 00:50:11,599

in fact at this point it's not worth the

1295

00:50:15,109 --> 00:50:12,800

effort

1296

00:50:17,030 --> 00:50:15,119

i suspect that earth would be so far

1297

00:50:18,069 --> 00:50:17,040

down the list of absorbed planets to

1298

00:50:20,069 --> 00:50:18,079

process

1299

00:50:22,630 --> 00:50:20,079

that once i leave you wouldn't see

1300

00:50:25,670 --> 00:50:22,640

another agalonian for centuries we would

1301  
00:50:27,670 --> 00:50:25,680  
appoint someone usually our own figure

1302  
00:50:30,390 --> 00:50:27,680  
as a liaison and come back when we

1303  
00:50:32,470 --> 00:50:30,400  
needed what earth has to offer

1304  
00:50:33,430 --> 00:50:32,480  
which is what

1305  
00:50:40,470 --> 00:50:33,440  
water

1306  
00:50:42,790 --> 00:50:40,480  
from planets like this but you don't

1307  
00:50:45,109 --> 00:50:42,800  
have as much as a lot of planets so

1308  
00:50:47,510 --> 00:50:45,119  
honestly by the time we needed to drain

1309  
00:50:49,589 --> 00:50:47,520  
earth's oceans the empire would probably

1310  
00:50:51,990 --> 00:50:49,599  
be on its last legs

1311  
00:50:54,390 --> 00:50:52,000  
so you'd add us to your empire just

1312  
00:50:56,390 --> 00:50:54,400  
because that's what you do

1313  
00:50:58,069 --> 00:50:56,400

well it is an empire

1314

00:50:59,670 --> 00:50:58,079

too bad we can't just tell them earth

1315

00:51:01,109 --> 00:50:59,680

surrendered

1316

00:51:02,870 --> 00:51:01,119

what did you say

1317

00:51:03,990 --> 00:51:02,880

nothing darling just that

1318

00:51:05,750 --> 00:51:04,000

if they're not going to show up and

1319

00:51:08,309 --> 00:51:05,760

check it'd be great if we could just

1320

00:51:11,190 --> 00:51:08,319

send the message earth capitulates no

1321

00:51:13,910 --> 00:51:11,200

need to invade or something

1322

00:51:15,910 --> 00:51:13,920

that is not the worst idea any of us

1323

00:51:18,630 --> 00:51:15,920

have had today

1324

00:51:21,109 --> 00:51:18,640

look space empires aren't dumb they

1325

00:51:22,870 --> 00:51:21,119

aren't just going to say okay cross

1326

00:51:24,630 --> 00:51:22,880

earth off the list and carry on like

1327

00:51:27,430 --> 00:51:24,640

nothing's happening

1328

00:51:28,390 --> 00:51:27,440

actually that sounds just like what we

1329

00:51:30,870 --> 00:51:28,400

do

1330

00:51:32,870 --> 00:51:30,880

empires are bureaucracies rosalind and

1331

00:51:34,870 --> 00:51:32,880

our particular bureaucracy is the

1332

00:51:36,710 --> 00:51:34,880

happiest when everything happens as if

1333

00:51:39,510 --> 00:51:36,720

it's expected to happen

1334

00:51:41,349 --> 00:51:39,520

to be blunt the agalonian empire really

1335

00:51:44,470 --> 00:51:41,359

is incompetent and lazy enough for

1336

00:51:46,309 --> 00:51:44,480

owen's idea to work my idea

1337

00:51:47,430 --> 00:51:46,319

reporting earth as being part of the

1338

00:51:49,270 --> 00:51:47,440

empire

1339

00:51:51,190 --> 00:51:49,280

we can record it with my mission data

1340

00:51:53,910 --> 00:51:51,200

storage device and transmit it back to

1341

00:51:55,910 --> 00:51:53,920

headquarters there's sort of a ceremony

1342

00:51:58,390 --> 00:51:55,920

but probably no one will ever watch it

1343

00:52:01,190 --> 00:51:58,400

the computer algorithms will pick up on

1344

00:52:03,589 --> 00:52:01,200

key phrases and earth will be as roslyn

1345

00:52:05,990 --> 00:52:03,599

put it crossed off the list

1346

00:52:07,589 --> 00:52:06,000

i didn't understand most of that but if

1347

00:52:08,950 --> 00:52:07,599

you think it'll work

1348

00:52:11,349 --> 00:52:08,960

it's better than waiting for the

1349

00:52:13,510 --> 00:52:11,359

invasion fleet

1350

00:52:16,470 --> 00:52:13,520

in accordance with agilonian absorption

1351  
00:52:19,270 --> 00:52:16,480

president rosalind do you and your

1363

agolonian empire yes do you agree to the

1366

00:52:53,430 --> 00:52:51,520

agallonian empire's acquisition of any

1367

00:52:55,109 --> 00:52:53,440

material wealth or resource on the

1368

00:52:57,349 --> 00:52:55,119

planet yes

1369

00:52:59,270 --> 00:52:57,359

do you agree that all people of earth

1370

00:53:02,870 --> 00:52:59,280

will become subjects of the agolonian

1371

00:53:06,630 --> 00:53:02,880

empire yes except for the dutch

1372

00:53:08,630 --> 00:53:06,640

stop it now we have to do it again

1373

00:53:10,150 --> 00:53:08,640

do you agree that all the people of

1374

00:53:12,549 --> 00:53:10,160

earth will become subjects of the

1375

00:53:15,190 --> 00:53:12,559

agonalian empire yes

1376

00:53:17,430 --> 00:53:15,200

do you accept the position of agalonian

1377

00:53:19,510 --> 00:53:17,440

legate with the responsibility for

1378

00:53:22,549 --> 00:53:19,520

carrying out any agallonian policy

1379

00:53:25,430 --> 00:53:22,559

required on earth very much yes

1380

00:53:28,069 --> 00:53:25,440

yes will suffice yes

1381

00:53:29,910 --> 00:53:28,079

owen as the planetary representative do

1382

00:53:32,950 --> 00:53:29,920

you affirm that earth is ready for the

1383

00:53:34,630 --> 00:53:32,960

absorption into the empire yes i do

1384

00:53:36,870 --> 00:53:34,640

then by virtue of my authority as

1385

00:53:38,950 --> 00:53:36,880

agalonian commander i welcome earth into

1386

00:53:41,470 --> 00:53:38,960

the empire you will be contacted with

1387

00:53:44,630 --> 00:53:41,480

further instructions within the next

1388

00:53:46,950 --> 00:53:44,640

[Music]

1389

00:53:49,990 --> 00:53:46,960

7000 years

1390

00:53:52,069 --> 00:53:50,000

my first act as legate is to declare war

1391

00:53:52,870 --> 00:53:52,079

on the moon stop it

1392

00:53:53,910 --> 00:53:52,880

so

1393

00:53:55,510 --> 00:53:53,920

that's it

1394

00:53:56,950 --> 00:53:55,520

earth safe

1395

00:53:58,950 --> 00:53:56,960

it's all we can do

1396

00:54:01,349 --> 00:53:58,960

and it's time we were leaving

1397

00:54:03,750 --> 00:54:01,359

you're really going with her what about

1398

00:54:05,829 --> 00:54:03,760

the meditation center it's it's yours

1399

00:54:07,589 --> 00:54:05,839

rosalind keep the place going tell them

1400

00:54:08,950 --> 00:54:07,599

where i've gone and let everyone know

1401

00:54:11,190 --> 00:54:08,960

i'll be back

1402

00:54:13,670 --> 00:54:11,200

someday are you going to want some of

1403

00:54:15,910 --> 00:54:13,680

the money when you come back no the

1404

00:54:17,190 --> 00:54:15,920

agilonians don't believe in money of

1405

00:54:20,309 --> 00:54:17,200

course we do

1406

00:54:22,630 --> 00:54:20,319

that programming really was messed up

1407

00:54:24,790 --> 00:54:22,640

i'll keep the money if i ever see you

1408

00:54:26,870 --> 00:54:24,800

again i'll buy you dinner see you both

1409

00:54:28,069 --> 00:54:26,880

later maybe

1410

00:54:30,069 --> 00:54:28,079

goodbye

1411

00:54:31,430 --> 00:54:30,079

you became slightly less irritating over

1412

00:54:34,150 --> 00:54:31,440

time rosslyn

1413

00:54:36,790 --> 00:54:34,160

good luck with her owen bye roslyn

1414

00:54:44,970 --> 00:54:36,800

thanks for everything

1415

00:54:49,670 --> 00:54:46,789

[Music]

1416

00:54:51,990 --> 00:54:49,680

and so one of earth's many brushes with

1417

00:54:55,670 --> 00:54:52,000

alien life ended with a brief amount of

1418

00:54:57,589 --> 00:54:55,680

ceremony veiled insults and a cult being

1419

00:54:59,190 --> 00:54:57,599

under new ownership

1420

00:55:01,190 --> 00:54:59,200

we caught up with the principal figures

1421

00:55:03,430 --> 00:55:01,200

in these events several years later to

1422

00:55:05,270 --> 00:55:03,440

learn what happened next

1423

00:55:08,549 --> 00:55:05,280

well it was real change being on the

1424

00:55:10,309 --> 00:55:08,559

agolunian spaceship their philosophy

1425

00:55:11,349 --> 00:55:10,319

wasn't really like anything i'd been

1426

00:55:15,589 --> 00:55:11,359

taught

1427

00:55:17,430 --> 00:55:15,599

they implanted me with a fake philosophy

1428

00:55:19,349 --> 00:55:17,440

to help soften up the earth i was a

1429

00:55:20,870 --> 00:55:19,359

little angry about that at first but the

1430

00:55:22,710 --> 00:55:20,880

more i got to know sally and the other

1431

00:55:24,150 --> 00:55:22,720

agonalians the more i realized that they

1432

00:55:25,990 --> 00:55:24,160

were a lot like us

1433

00:55:27,670 --> 00:55:26,000

i don't know if that's good or bad but

1434

00:55:28,950 --> 00:55:27,680

it's just how it is

1435

00:55:30,870 --> 00:55:28,960

oh sally

1436

00:55:31,910 --> 00:55:30,880

oh i'm not sure she ever loved me like i

1437

00:55:33,670 --> 00:55:31,920

loved her

1438

00:55:34,950 --> 00:55:33,680

after a while i got lonely for earth and

1439

00:55:37,270 --> 00:55:34,960

came back

1440

00:55:39,750 --> 00:55:37,280

i stayed away from the meditation center

1441

00:55:41,670 --> 00:55:39,760

rosalind was doing weird things with it

1442

00:55:43,750 --> 00:55:41,680

and ended up here in chicago from time

1443

00:55:45,670 --> 00:55:43,760

to time sally comes back and i stay on

1444

00:55:48,069 --> 00:55:45,680

the ship for a while it's routine at

1445

00:55:50,230 --> 00:55:48,079

this point

1446

00:55:52,710 --> 00:55:50,240

people are idiots you know that

1447

00:55:55,750 --> 00:55:52,720

so i go with gallipoli to this bunker of

1448

00:55:57,270 --> 00:55:55,760

his he keeps me there for six

1449

00:55:59,270 --> 00:55:57,280

months

1450

00:56:01,190 --> 00:55:59,280

is that the one with the moon

1451

00:56:03,030 --> 00:56:01,200

uh it wasn't years but it was longer

1452

00:56:04,710 --> 00:56:03,040

than hours i don't know

1453

00:56:06,390 --> 00:56:04,720

anyway a long time

1454

00:56:08,309 --> 00:56:06,400

finally he's convinced that earth is

1455

00:56:10,230 --> 00:56:08,319

safe and he sets me up in a little house

1456

00:56:12,470 --> 00:56:10,240

and sends that rosalind woman around to

1457

00:56:14,710 --> 00:56:12,480

write down my memories of a career spent

1458

00:56:16,470 --> 00:56:14,720

in the agolonian fleet she turned them

1459

00:56:18,230 --> 00:56:16,480

into something bizarre and i think we

1460

00:56:21,030 --> 00:56:18,240

made a lot of money

1461

00:56:22,549 --> 00:56:21,040

is it how i pictured my retirement no

1462

00:56:23,990 --> 00:56:22,559

but it's not bad

1463

00:56:27,270 --> 00:56:24,000

probably better than things would have

1464

00:56:29,109 --> 00:56:27,280

gone if i'd executed owen

1465

00:56:30,630 --> 00:56:29,119

the first thing i did was change up the

1466

00:56:33,750 --> 00:56:30,640

meditation center

1467

00:56:35,990 --> 00:56:33,760

i revised owen's teachings to reflect a

1468

00:56:38,470 --> 00:56:36,000

sort of new testament

1469

00:56:41,030 --> 00:56:38,480

a new version based on his experiences

1470

00:56:42,710 --> 00:56:41,040

after the agolonians show up ditched a

1471

00:56:44,630 --> 00:56:42,720

lot of the philosophical stuff and

1472

00:56:46,950 --> 00:56:44,640

replaced it with a new emphasis on

1473

00:56:48,549 --> 00:56:46,960

manual labor we're growing fruit and

1474

00:56:51,270 --> 00:56:48,559

making preserves to sell in the gift

1475

00:56:52,950 --> 00:56:51,280

shop along with books and pamphlets

1476  
00:56:55,030 --> 00:56:52,960  
there are some kids here now and they

1477  
00:56:57,349 --> 00:56:55,040  
make little trinkets to sell people like

1478  
00:57:01,030 --> 00:56:57,359  
to throw around the term sweatshop but

1479  
00:57:03,910 --> 00:57:01,040  
it's fine really oh elon and his stories

1480  
00:57:06,470 --> 00:57:03,920  
that was weird he was weird and made

1481  
00:57:09,349 --> 00:57:06,480  
money but wow did i have to do a lot to

1482  
00:57:11,270 --> 00:57:09,359  
make his so-called stories entertaining

1483  
00:57:13,349 --> 00:57:11,280  
i never knew that space adventuring was

1484  
00:57:15,750 --> 00:57:13,359  
90 percent paperwork

1485  
00:57:17,990 --> 00:57:15,760  
i'll tell you what i think happened i

1486  
00:57:19,190 --> 00:57:18,000  
think the agolonians destroyed the earth

1487  
00:57:21,030 --> 00:57:19,200  
that day

1488  
00:57:24,789 --> 00:57:21,040

we all died and were brought back as

1489

00:57:26,789 --> 00:57:24,799

pure soul energy on a recreated earth

1490

00:57:29,349 --> 00:57:26,799

i've talked to alan about it

1491

00:57:31,270 --> 00:57:29,359

he may not be as crazy as he seems

1492

00:57:33,190 --> 00:57:31,280

mcgirish did a good job turning those

1493

00:57:34,710 --> 00:57:33,200

stories of his into books

1494

00:57:37,510 --> 00:57:34,720

made some good money

1495

00:57:40,710 --> 00:57:37,520

of course it's all an illusion in fact

1496

00:57:42,789 --> 00:57:40,720

some days i think i've gone quite mad

1497

00:57:44,950 --> 00:57:42,799

my career went very well after the earth

1498

00:57:47,349 --> 00:57:44,960

incident eventually moved up to a desk

1499

00:57:50,230 --> 00:57:47,359

job reviewing paperwork to ensure that

1500

00:57:53,030 --> 00:57:50,240

no one got away with doing what we did

1501

00:57:55,030 --> 00:57:53,040

i still see owen from time to time

1502

00:57:58,290 --> 00:57:55,040

such a strange man

1503

00:58:10,800 --> 00:57:58,300

even for a human

1504

00:58:19,750 --> 00:58:17,589

[Music]

1505

00:58:21,910 --> 00:58:19,760
