

MILABS PART ONE

1
00:00:11,519 --> 00:00:16,710
i never got any money from you

2
00:00:22,850 --> 00:00:18,630
ufo might just as well stand for

3
00:00:28,470 --> 00:00:26,070
[Music]

4
00:00:30,310 --> 00:00:28,480
this is the saucer life a podcast in

5
00:00:31,990 --> 00:00:30,320
which we examine concepts events or

6
00:00:34,389 --> 00:00:32,000
people orbiting the world of flying

7
00:00:37,670 --> 00:00:34,399
saucers few preconceptions snark when

8
00:00:41,910 --> 00:00:37,680
justified no belief no debunking this is

9
00:00:45,110 --> 00:00:41,920
lammers millabs so this topic came about

10
00:00:47,990 --> 00:00:45,120
in an interesting way there's a book

11
00:00:49,190 --> 00:00:48,000
milabs military mind control and alien

12
00:00:52,389 --> 00:00:49,200
abduction

13
00:00:54,549 --> 00:00:52,399

that was published in 1999 by illuminate

14

00:00:56,389 --> 00:00:54,559

press and as many of you know illumina

15

00:00:59,029 --> 00:00:56,399

press was a

16

00:01:01,590 --> 00:00:59,039

critically interesting publisher of

17

00:01:04,149 --> 00:01:01,600

paranormal and parapolitical books back

18

00:01:05,590 --> 00:01:04,159

in the 90s but this book is extremely

19

00:01:08,469 --> 00:01:05,600

hard to find

20

00:01:10,630 --> 00:01:08,479

i received my copy as a gift from a

21

00:01:12,630 --> 00:01:10,640

listener mark in the uk

22

00:01:14,310 --> 00:01:12,640

with the promise that i would do an

23

00:01:15,030 --> 00:01:14,320

episode about it

24

00:01:16,520 --> 00:01:15,040

so

25

00:01:23,109 --> 00:01:16,530

here it is

26

00:01:26,870 --> 00:01:23,119

[Music]

27

00:01:29,670 --> 00:01:26,880

okay so just to lay it out there in case

28

00:01:31,030 --> 00:01:29,680

you don't know the term millabs is a

29

00:01:34,230 --> 00:01:31,040

term that

30

00:01:37,670 --> 00:01:34,240

this man helmet lamer came up with as a

31

00:01:40,069 --> 00:01:37,680

sort of portmanteau of military

32

00:01:42,069 --> 00:01:40,079

abductions and there's overtones of mind

33

00:01:44,789 --> 00:01:42,079

control with it and we've touched on

34

00:01:46,310 --> 00:01:44,799

this topic of mind control and

35

00:01:48,789 --> 00:01:46,320

alien abductions

36

00:01:50,469 --> 00:01:48,799

and possible government

37

00:01:53,830 --> 00:01:50,479

involvement in it

38

00:01:56,950 --> 00:01:53,840

in a number of previous episodes in one

39

00:01:59,670 --> 00:01:56,960

way or another probably the most

40

00:02:02,469 --> 00:01:59,680

prominent one is our episode we did on

41

00:02:06,230 --> 00:02:02,479

martin cannon's essay the controllers it

42

00:02:09,350 --> 00:02:06,240

also came up in the works of leah haley

43

00:02:13,190 --> 00:02:09,360

that we looked at a couple years ago so

44

00:02:14,390 --> 00:02:13,200

who is helmut lammer well he's billed

45

00:02:17,110 --> 00:02:14,400

whenever he's mentioned as an

46

00:02:19,190 --> 00:02:17,120

atmospheric scientist back in the 90s

47

00:02:21,430 --> 00:02:19,200

that's how he was introduced

48

00:02:22,710 --> 00:02:21,440

atmospheric scientist helmut lammer he

49

00:02:25,190 --> 00:02:22,720

lives in

50

00:02:27,510 --> 00:02:25,200

europa and i googled him i think he's on

51
00:02:30,949 --> 00:02:27,520
linkedin i think that no no i found his

52
00:02:33,910 --> 00:02:30,959
homepage or his staff page at his job at

53
00:02:36,790 --> 00:02:33,920
the austrian academy of sciences where

54
00:02:38,790 --> 00:02:36,800
he continues to work on stuff about

55
00:02:41,509 --> 00:02:38,800
atmospheres particularly

56
00:02:42,630 --> 00:02:41,519
exo atmospheres i think that was the

57
00:02:44,229 --> 00:02:42,640
term

58
00:02:46,070 --> 00:02:44,239
atmospheres and other planets if i

59
00:02:47,750 --> 00:02:46,080
understand all the different scientific

60
00:02:49,430 --> 00:02:47,760
terminology

61
00:02:51,830 --> 00:02:49,440
he is

62
00:02:54,869 --> 00:02:51,840
he's a legit scientist he's

63
00:02:57,350 --> 00:02:54,879

authored and co-authored dozens and

64

00:03:00,309 --> 00:02:57,360

dozens and dozens of scientific papers

65

00:03:01,190 --> 00:03:00,319

all with titles that are way over my

66

00:03:05,350 --> 00:03:01,200

head

67

00:03:07,670 --> 00:03:05,360

so his background is not in

68

00:03:09,830 --> 00:03:07,680

really anything that has to do with the

69

00:03:11,110 --> 00:03:09,840

topic about which he wrote

70

00:03:13,910 --> 00:03:11,120

this book

71

00:03:16,309 --> 00:03:13,920

about he's not a neurosurgeon he's not a

72

00:03:19,830 --> 00:03:16,319

neuroscientist he's not a psychologist

73

00:03:21,030 --> 00:03:19,840

he's not uh he's really not a ufologist

74

00:03:22,790 --> 00:03:21,040

really it's a different sort of

75

00:03:24,229 --> 00:03:22,800

background and

76

00:03:25,190 --> 00:03:24,239

one could argue

77

00:03:27,030 --> 00:03:25,200

that

78

00:03:30,149 --> 00:03:27,040

as an atmospheric scientist he doesn't

79

00:03:32,309 --> 00:03:30,159

really have expertise in

80

00:03:34,149 --> 00:03:32,319

these sort of ufological topics but to

81

00:03:36,869 --> 00:03:34,159

be fair nobody really has expertise in

82

00:03:38,789 --> 00:03:36,879

ufological topics uh unless they've

83

00:03:40,550 --> 00:03:38,799

gotten it by reading a bunch of ufo

84

00:03:43,830 --> 00:03:40,560

books right

85

00:03:45,110 --> 00:03:43,840

now what i like about lammer is that he

86

00:03:46,869 --> 00:03:45,120

doesn't

87

00:03:48,630 --> 00:03:46,879

really throw around

88

00:03:50,949 --> 00:03:48,640

at least that i noticed throw around the

89

00:03:52,550 --> 00:03:50,959

fact that he's a scientist as proof that

90

00:03:55,190 --> 00:03:52,560

his ideas are

91

00:03:57,270 --> 00:03:55,200

the right ones so i liked that now as

92

00:03:59,990 --> 00:03:57,280

for his wife marion his co-author on

93

00:04:02,869 --> 00:04:00,000

this i could not find other information

94

00:04:05,350 --> 00:04:02,879

on her at all except her role

95

00:04:07,990 --> 00:04:05,360

working with him on this book if anybody

96

00:04:10,710 --> 00:04:08,000

has any marian lammer

97

00:04:12,070 --> 00:04:10,720

bio scoop out there

98

00:04:14,550 --> 00:04:12,080

feel free to

99

00:04:17,030 --> 00:04:14,560

hit me with that information

100

00:04:20,310 --> 00:04:17,040

he did author other books on ufo

101

00:04:22,550 --> 00:04:20,320

subjects primarily in german but the

102

00:04:25,189 --> 00:04:22,560

milabs book is really the one he is the

103

00:04:27,590 --> 00:04:25,199

most known for or the one for which he

104

00:04:29,430 --> 00:04:27,600

is the most known if we want to be

105

00:04:33,110 --> 00:04:29,440

really really picky about our

106

00:04:35,270 --> 00:04:33,120

prepositions this episode is about this

107

00:04:37,590 --> 00:04:35,280

particular book millabs and its

108

00:04:39,350 --> 00:04:37,600

precursors and responses to it i just

109

00:04:42,710 --> 00:04:39,360

want to make sure you know this is not

110

00:04:45,350 --> 00:04:42,720

about the millab mind control angle on

111

00:04:47,990 --> 00:04:45,360

abductions in general because we'd be

112

00:04:50,310 --> 00:04:48,000

here all day with that we might be here

113

00:04:52,790 --> 00:04:50,320

all day anyway and i think that looking

114

00:04:55,110 --> 00:04:52,800

at the millabs concept works better in

115

00:04:58,710 --> 00:04:55,120

the context of examining sort of the

116

00:05:00,310 --> 00:04:58,720

totality of an individual experienter's

117

00:05:01,590 --> 00:05:00,320

story so

118

00:05:04,230 --> 00:05:01,600

rather than

119

00:05:07,590 --> 00:05:04,240

this is all about millabs and everybody

120

00:05:09,270 --> 00:05:07,600

who's claimed in a millab experience i

121

00:05:11,830 --> 00:05:09,280

think it works better sort of like we

122

00:05:14,150 --> 00:05:11,840

did with the leah haley thing this is

123

00:05:16,870 --> 00:05:14,160

leah haley's story and how she described

124

00:05:19,430 --> 00:05:16,880

it and in the course of that she comes

125

00:05:22,790 --> 00:05:19,440

to this conclusion about the government

126

00:05:25,029 --> 00:05:22,800

and military angle with regard to

127

00:05:26,790 --> 00:05:25,039

alien abduction experiences

128

00:05:30,070 --> 00:05:26,800

and this book is

129

00:05:33,029 --> 00:05:30,080

significant really because lammer

130

00:05:35,749 --> 00:05:33,039

develops this term milabs he begins this

131

00:05:38,310 --> 00:05:35,759

argument about it or his

132

00:05:40,710 --> 00:05:38,320

theorizing about it before the book is

133

00:05:43,270 --> 00:05:40,720

written and we'll talk about an essay in

134

00:05:44,950 --> 00:05:43,280

the mufon ufo journal that led this off

135

00:05:47,189 --> 00:05:44,960

and another significant thing about the

136

00:05:50,710 --> 00:05:47,199

story is not just his theory but about

137

00:05:52,469 --> 00:05:50,720

the people who came out sort of strongly

138

00:05:53,270 --> 00:05:52,479

against it because there were some

139

00:05:55,670 --> 00:05:53,280

pretty

140

00:05:57,830 --> 00:05:55,680

interesting names as we're going to find

141

00:05:58,710 --> 00:05:57,840

out so just to give you a rundown of how

142

00:06:00,629 --> 00:05:58,720

we're going to do this we're going to

143

00:06:01,830 --> 00:06:00,639

look at the

144

00:06:04,790 --> 00:06:01,840

essay

145

00:06:06,790 --> 00:06:04,800

that lammer writes that kicks off the

146

00:06:08,550 --> 00:06:06,800

mlabs discussion

147

00:06:10,390 --> 00:06:08,560

we're going to look at responses to that

148

00:06:13,590 --> 00:06:10,400

essay and then we're going to look at

149

00:06:15,189 --> 00:06:13,600

his book responses to that and responses

150

00:06:18,629 --> 00:06:15,199

are going to be drawn from

151
00:06:20,469 --> 00:06:18,639
some big names and also some ufo buff on

152
00:06:22,550 --> 00:06:20,479
the street sorts of things

153
00:06:25,430 --> 00:06:22,560
or at least some examples i was able to

154
00:06:27,510 --> 00:06:25,440
find on some of the darker dustier older

155
00:06:30,029 --> 00:06:27,520
corners of the internet

156
00:06:31,590 --> 00:06:30,039
so the story begins in december

157
00:06:37,029 --> 00:06:31,600
1996

158
00:06:39,430 --> 00:06:37,039
the mufon ufo journal where hamlet

159
00:06:42,550 --> 00:06:39,440
lammer published an article called

160
00:06:44,629 --> 00:06:42,560
preliminary findings of project millab

161
00:06:47,430 --> 00:06:44,639
evidence for military kidnappings of

162
00:06:49,909 --> 00:06:47,440
alleged ufo abductees it's a page

163
00:06:52,469 --> 00:06:49,919

article and it would form the core of

164

00:06:54,950 --> 00:06:52,479

what lammer would later write about in

165

00:06:57,749 --> 00:06:54,960

his book but this is a preliminary

166

00:06:59,189 --> 00:06:57,759

report so we should not be surprised if

167

00:07:01,990 --> 00:06:59,199

there is some

168

00:07:03,589 --> 00:07:02,000

difference some development between this

169

00:07:05,830 --> 00:07:03,599

version of his argument and what

170

00:07:08,309 --> 00:07:05,840

eventually appears in his book this

171

00:07:10,710 --> 00:07:08,319

article would be transcribed and find

172

00:07:14,390 --> 00:07:10,720

itself posted and reposted all over the

173

00:07:17,749 --> 00:07:14,400

internet which made it a handy pracy of

174

00:07:18,629 --> 00:07:17,759

his ideas about this topic that was

175

00:07:21,029 --> 00:07:18,639

you know

176

00:07:22,710 --> 00:07:21,039

easily obtainable for people

177

00:07:25,270 --> 00:07:22,720

because the book itself would end up

178

00:07:27,350 --> 00:07:25,280

being so difficult to find i think if

179

00:07:29,189 --> 00:07:27,360

lammer's mufon article hadn't made it

180

00:07:31,430 --> 00:07:29,199

out there onto the internet in various

181

00:07:33,749 --> 00:07:31,440

forms we wouldn't really hear that much

182

00:07:35,589 --> 00:07:33,759

about him except that he wrote this book

183

00:07:38,390 --> 00:07:35,599

but because this article had quite a bit

184

00:07:40,710 --> 00:07:38,400

of circulation on usenet and websites

185

00:07:42,390 --> 00:07:40,720

and things like that people became more

186

00:07:45,270 --> 00:07:42,400

familiar with his ideas than they would

187

00:07:46,950 --> 00:07:45,280

have if it were only available in the

188

00:07:49,430 --> 00:07:46,960

book since that book would go out of

189

00:07:51,589 --> 00:07:49,440

print and indeed illuminate press would

190

00:07:53,510 --> 00:07:51,599

cease to exist not long after it was

191

00:07:56,390 --> 00:07:53,520

published and remaining copies of the

192

00:07:58,230 --> 00:07:56,400

book would be rare and expensive lammer

193

00:08:00,469 --> 00:07:58,240

begins the article by introducing the

194

00:08:02,869 --> 00:08:00,479

concept of military abductions and

195

00:08:05,909 --> 00:08:02,879

asserting that such claims are becoming

196

00:08:08,309 --> 00:08:05,919

more common all the time

197

00:08:10,390 --> 00:08:08,319

the core of the ufo abduction phenomenon

198

00:08:12,710 --> 00:08:10,400

cannot be explained psychologically as

199

00:08:14,390 --> 00:08:12,720

hallucinations or mass delusions

200

00:08:16,629 --> 00:08:14,400

the passing decades of abduction

201
00:08:19,350 --> 00:08:16,639
research brought other changes

202
00:08:21,029 --> 00:08:19,360
recently some ufo abductees have alleged

203
00:08:23,589 --> 00:08:21,039
that they were also being kidnapped by

204
00:08:26,309 --> 00:08:23,599
the military intelligence personnel

205
00:08:28,950 --> 00:08:26,319
a millab and taken to hospitals and or

206
00:08:30,710 --> 00:08:28,960
military underground facilities

207
00:08:32,389 --> 00:08:30,720
few of the popular books on the subject

208
00:08:33,750 --> 00:08:32,399
of ufo abductions mentioned these

209
00:08:35,350 --> 00:08:33,760
experiences

210
00:08:37,350 --> 00:08:35,360
especially disconcerting is the fact

211
00:08:39,670 --> 00:08:37,360
that abductees recalled seeing military

212
00:08:41,909 --> 00:08:39,680
intelligence personnel working side by

213
00:08:43,990 --> 00:08:41,919

side with alien beings in these secret

214

00:08:45,990 --> 00:08:44,000

facilities the presence of human

215

00:08:47,990 --> 00:08:46,000

military and or civilian personnel

216

00:08:50,070 --> 00:08:48,000

inhabiting the same physical reality as

217

00:08:52,310 --> 00:08:50,080

the alien beings exceeds both the

218

00:08:54,870 --> 00:08:52,320

mindsets of the skeptic and open-minded

219

00:09:01,110 --> 00:08:54,880

researcher alike by several orders of

220

00:09:04,710 --> 00:09:02,470

hammer laments that abduction

221

00:09:06,710 --> 00:09:04,720

researchers tend not to focus on such

222

00:09:08,630 --> 00:09:06,720

cases because they are relatively few in

223

00:09:10,710 --> 00:09:08,640

number and notes that mind control

224

00:09:12,870 --> 00:09:10,720

researchers quote suggest that these

225

00:09:14,630 --> 00:09:12,880

cases are evidence that the whole ufo

226

00:09:16,710 --> 00:09:14,640

abduction phenomenon is staged by the

227

00:09:19,350 --> 00:09:16,720

intelligence community as a cover for

228

00:09:21,269 --> 00:09:19,360

their illegal experiments end quote so

229

00:09:22,670 --> 00:09:21,279

basically we're in a situation where

230

00:09:24,949 --> 00:09:22,680

these

231

00:09:28,550 --> 00:09:24,959

military-flavored abductions are either

232

00:09:31,829 --> 00:09:28,560

being ignored or used to marginalize or

233

00:09:33,670 --> 00:09:31,839

eliminate an alien explanation entirely

234

00:09:35,670 --> 00:09:33,680

lammer also believes that quote

235

00:09:38,310 --> 00:09:35,680

abduction cases in which the abductee

236

00:09:40,949 --> 00:09:38,320

reports that he or she was also abducted

237

00:09:45,269 --> 00:09:40,959

by the military are very important for

238

00:09:49,990 --> 00:09:47,829

one if the ufo community has evidence

239

00:09:51,910 --> 00:09:50,000

that a covert military intelligence task

240

00:09:54,070 --> 00:09:51,920

force is involved in the ufo abduction

241

00:09:55,750 --> 00:09:54,080

phenomenon we would then know that this

242

00:09:57,670 --> 00:09:55,760

phenomenon represents a matter of

243

00:09:58,470 --> 00:09:57,680

national security

244

00:10:00,389 --> 00:09:58,480

two

245

00:10:02,389 --> 00:10:00,399

the alleged military involvement in the

246

00:10:04,389 --> 00:10:02,399

abduction phenomenon could be evidence

247

00:10:06,550 --> 00:10:04,399

that they use abductees for mind control

248

00:10:08,790 --> 00:10:06,560

experiments as test targets for

249

00:10:10,790 --> 00:10:08,800

microwave weapons or that they monitor

250

00:10:13,030 --> 00:10:10,800

and kidnap abductees for information

251
00:10:14,870 --> 00:10:13,040
gathering purposes during a ufo

252
00:10:17,030 --> 00:10:14,880
abduction experience

253
00:10:19,190 --> 00:10:17,040
if one of these points is correct one

254
00:10:21,030 --> 00:10:19,200
can expect to run into early resistance

255
00:10:22,470 --> 00:10:21,040
when proposing congressional hearings

256
00:10:24,550 --> 00:10:22,480
about ufos

257
00:10:27,269 --> 00:10:24,560
for these reasons i started project

258
00:10:32,949 --> 00:10:27,279
millap and present in this article my

259
00:10:37,590 --> 00:10:35,590
in this article of preliminary findings

260
00:10:39,269 --> 00:10:37,600
there are seven sections including the

261
00:10:41,910 --> 00:10:39,279
introduction which we discovered that

262
00:10:44,790 --> 00:10:41,920
was section one and section seven is a

263
00:10:45,670 --> 00:10:44,800

sort of concluding discussion section

264

00:10:49,030 --> 00:10:45,680

and

265

00:10:51,509 --> 00:10:49,040

the intervening five sections correspond

266

00:10:53,910 --> 00:10:51,519

to chapters in the millab's book that

267

00:10:57,110 --> 00:10:53,920

would come a couple years later so this

268

00:10:59,990 --> 00:10:57,120

article in the december 96 mufon journal

269

00:11:02,870 --> 00:11:00,000

really is a sort of outline of what his

270

00:11:03,829 --> 00:11:02,880

final report would be and would expand

271

00:11:07,750 --> 00:11:03,839

upon

272

00:11:10,470 --> 00:11:07,760

so section two is entitled helicopter

273

00:11:13,949 --> 00:11:10,480

activity in connection with millaps

274

00:11:16,230 --> 00:11:13,959

and i am not sure there is a more

275

00:11:19,030 --> 00:11:16,240

1990s thing

276

00:11:20,630 --> 00:11:19,040

possible to find in a book about any of

277

00:11:24,230 --> 00:11:20,640

these topics

278

00:11:25,750 --> 00:11:24,240

other than this because i mean honestly

279

00:11:27,269 --> 00:11:25,760

helicopters

280

00:11:29,430 --> 00:11:27,279

and guess what

281

00:11:31,990 --> 00:11:29,440

i think they might be dark colored and

282

00:11:34,470 --> 00:11:32,000

unmarked

283

00:11:36,790 --> 00:11:34,480

1. the helicopter mystery starts during

284

00:11:38,870 --> 00:11:36,800

the late 60s early 70s in connection

285

00:11:41,509 --> 00:11:38,880

with animal mutilations

286

00:11:43,590 --> 00:11:41,519

2. during these times the agenda behind

287

00:11:45,910 --> 00:11:43,600

the helicopters showed a minor interest

288

00:11:48,389 --> 00:11:45,920

in ufo abductees

289

00:11:50,230 --> 00:11:48,399

3. the helicopters began to increase

290

00:11:52,550 --> 00:11:50,240

their interest in ufo abductees during

291

00:11:54,629 --> 00:11:52,560

the 80s up to the present but were also

292

00:11:57,430 --> 00:11:54,639

reported near animal mutilation sites

293

00:11:59,990 --> 00:11:57,440

and other areas in northern america

294

00:12:02,230 --> 00:12:00,000

four at present many north american

295

00:12:03,670 --> 00:12:02,240

abduction researchers have some cases in

296

00:12:06,069 --> 00:12:03,680

their files

297

00:12:07,990 --> 00:12:06,079

five there were reports of phantom

298

00:12:10,389 --> 00:12:08,000

helicopter activity in england during

299

00:12:13,030 --> 00:12:10,399

the 70s but it seems that their interest

300

00:12:21,590 --> 00:12:13,040

in animal mutilations and abductees is

301

00:12:25,829 --> 00:12:23,670

just so you know we will get into more

302

00:12:27,750 --> 00:12:25,839

depth on these ideas when we get to the

303

00:12:29,750 --> 00:12:27,760

actual book but for now i think it's

304

00:12:31,990 --> 00:12:29,760

good just to get an idea of his basic

305

00:12:34,310 --> 00:12:32,000

arguments and conclusion you know i like

306

00:12:36,870 --> 00:12:34,320

sort of going through these things

307

00:12:39,190 --> 00:12:36,880

in chronological order

308

00:12:40,949 --> 00:12:39,200

in the same way that people who were

309

00:12:42,629 --> 00:12:40,959

first being exposed to the ideas and

310

00:12:44,710 --> 00:12:42,639

things like the mufon journal and these

311

00:12:47,030 --> 00:12:44,720

books would have experienced them the

312

00:12:49,110 --> 00:12:47,040

next section is entitled alleged

313

00:12:51,430 --> 00:12:49,120

kidnappings by military slash

314

00:12:54,230 --> 00:12:51,440

intelligence personnel lammer points to

315

00:12:56,949 --> 00:12:54,240

the abduction experiences that were

316

00:12:59,910 --> 00:12:56,959

experienced by leah haley katharina

317

00:13:03,350 --> 00:12:59,920

wilson and carla turner and reports that

318

00:13:05,590 --> 00:13:03,360

quote a worldwide survey

319

00:13:07,350 --> 00:13:05,600

and and this this might be addressed in

320

00:13:09,190 --> 00:13:07,360

the book i'm going through these things

321

00:13:11,670 --> 00:13:09,200

in chronological order so if i was just

322

00:13:13,910 --> 00:13:11,680

reading this i would note that

323

00:13:15,590 --> 00:13:13,920

and i'll finish this sentence in a bit i

324

00:13:18,150 --> 00:13:15,600

would just note that there are lots of

325

00:13:20,629 --> 00:13:18,160

footnotes for the various claims that

326

00:13:22,870 --> 00:13:20,639

hammer is making but there is no

327

00:13:26,389 --> 00:13:22,880

footnote denoting

328

00:13:28,790 --> 00:13:26,399

who did this worldwide survey and when

329

00:13:31,110 --> 00:13:28,800

it was done but he reports that there is

330

00:13:32,310 --> 00:13:31,120

a worldwide survey done of abduction

331

00:13:35,269 --> 00:13:32,320

researchers

332

00:13:37,590 --> 00:13:35,279

and he found that quote most north

333

00:13:39,910 --> 00:13:37,600

american abduction researchers have on

334

00:13:42,470 --> 00:13:39,920

average two to five millab cases in

335

00:13:45,030 --> 00:13:42,480

their files at present it seems to me

336

00:13:48,629 --> 00:13:45,040

that there are no ufo-related mill labs

337

00:13:51,829 --> 00:13:48,639

in australia south america africa europe

338

00:13:52,870 --> 00:13:51,839

england or ireland end quote

339

00:13:57,910 --> 00:13:52,880

so

340

00:14:00,069 --> 00:13:57,920

data science and that's overselling what

341

00:14:01,350 --> 00:14:00,079

i know about data science but some data

342

00:14:03,189 --> 00:14:01,360

sciency

343

00:14:04,870 --> 00:14:03,199

observations about this north american

344

00:14:07,670 --> 00:14:04,880

abduction researchers have on average

345

00:14:10,389 --> 00:14:07,680

two to five millab cases in their files

346

00:14:12,310 --> 00:14:10,399

that is an almost entirely meaningless

347

00:14:13,750 --> 00:14:12,320

statement unless we know

348

00:14:15,030 --> 00:14:13,760

the actual

349

00:14:17,990 --> 00:14:15,040

total number

350

00:14:20,310 --> 00:14:18,000

of abduction cases in their files if

351
00:14:22,710 --> 00:14:20,320
they have two to five mlab cases in

352
00:14:24,949 --> 00:14:22,720
their files and their entire collection

353
00:14:27,910 --> 00:14:24,959
of case files is

354
00:14:29,269 --> 00:14:27,920
a hundred and fifty yeah that's a small

355
00:14:31,829 --> 00:14:29,279
percentage

356
00:14:34,310 --> 00:14:31,839
if however they've got two to five mlab

357
00:14:35,990 --> 00:14:34,320
cases in their files and they've got a

358
00:14:37,829 --> 00:14:36,000
total of

359
00:14:41,430 --> 00:14:37,839
seven files

360
00:14:42,949 --> 00:14:41,440
then my gosh the millab thing is

361
00:14:45,350 --> 00:14:42,959
taking over

362
00:14:47,750 --> 00:14:45,360
so these cases are present they're not

363
00:14:50,230 --> 00:14:47,760

predominating by any stretch of the

364

00:14:52,069 --> 00:14:50,240

imagination but they are

365

00:14:55,430 --> 00:14:52,079

there and they are

366

00:14:57,350 --> 00:14:55,440

a north american thing for the most part

367

00:14:59,590 --> 00:14:57,360

in summarizing this section lammer

368

00:15:01,829 --> 00:14:59,600

explains that there are some significant

369

00:15:04,389 --> 00:15:01,839

differences between milabs as he has

370

00:15:08,949 --> 00:15:04,399

come to understand and define them and

371

00:15:11,350 --> 00:15:08,959

the typical alien abduction scenario

372

00:15:14,069 --> 00:15:11,360

milabs involved the following elements

373

00:15:16,230 --> 00:15:14,079

activity of dark unmarked helicopters

374

00:15:18,470 --> 00:15:16,240

the appearance of strange vans or buses

375

00:15:20,790 --> 00:15:18,480

outside the houses of abductees

376

00:15:23,269 --> 00:15:20,800

exposure to disorienting electromagnetic

377

00:15:25,430 --> 00:15:23,279

fields drugging transport with a

378

00:15:27,509 --> 00:15:25,440

helicopter bus or truck to an unknown

379

00:15:28,870 --> 00:15:27,519

building or an underground military

380

00:15:31,269 --> 00:15:28,880

facility

381

00:15:33,189 --> 00:15:31,279

usually there are physical after effects

382

00:15:35,430 --> 00:15:33,199

like grogginess and sometimes nausea

383

00:15:37,509 --> 00:15:35,440

after the kidnappings there is also a

384

00:15:39,670 --> 00:15:37,519

difference when the abductors appear in

385

00:15:41,590 --> 00:15:39,680

most ufo cases the beings appear through

386

00:15:43,509 --> 00:15:41,600

a closed window or wall where the

387

00:15:44,470 --> 00:15:43,519

abductee feels a strange presence in the

388

00:15:45,910 --> 00:15:44,480

room

389

00:15:47,670 --> 00:15:45,920

most abductees report that they are

390

00:15:50,949 --> 00:15:47,680

paralyzed from the mental power of the

391

00:15:52,629 --> 00:15:50,959

alien beings in millaps the abductee

392

00:15:54,550 --> 00:15:52,639

reports that the kidnappers give him or

393

00:15:55,910 --> 00:15:54,560

her a shot with a syringe

394

00:15:57,430 --> 00:15:55,920

it is interesting that millab

395

00:15:59,829 --> 00:15:57,440

experiencers report that they are

396

00:16:03,110 --> 00:15:59,839

examined by human doctors in rectangular

397

00:16:05,670 --> 00:16:03,120

rooms and not in round sterile rooms as

398

00:16:08,230 --> 00:16:05,680

in descriptions of ufo abductees the

399

00:16:10,310 --> 00:16:08,240

described rooms halls and furniture are

400

00:16:12,710 --> 00:16:10,320

similar to terrestrial hospital rooms

401
00:16:17,990 --> 00:16:12,720
laboratories or research facilities and

402
00:16:23,990 --> 00:16:20,389
but despite these differences there are

403
00:16:28,550 --> 00:16:25,829
the examination is somewhat similar to

404
00:16:30,629 --> 00:16:28,560
ufo abductions the millab victim is not

405
00:16:32,949 --> 00:16:30,639
paralyzed but tied to an examination

406
00:16:34,870 --> 00:16:32,959
table or a gynecological chair

407
00:16:36,790 --> 00:16:34,880
sometimes the abductee gets a strong

408
00:16:38,710 --> 00:16:36,800
drink before an examination

409
00:16:39,829 --> 00:16:38,720
this is perhaps a contrast enhancing

410
00:16:41,670 --> 00:16:39,839
fluid

411
00:16:43,590 --> 00:16:41,680
millap doctors are mostly dressed in

412
00:16:45,430 --> 00:16:43,600
white lab coats and show an interest in

413
00:16:46,790 --> 00:16:45,440

implants and or gynecological

414

00:16:49,350 --> 00:16:46,800

examinations

415

00:16:51,430 --> 00:16:49,360

in some milab cases a military doctor

416

00:16:53,269 --> 00:16:51,440

allegedly searches for implants and

417

00:16:54,870 --> 00:16:53,279

sometimes implants the abductee with a

418

00:16:56,870 --> 00:16:54,880

military device

419

00:16:59,269 --> 00:16:56,880

therefore surgeons seeking advanced

420

00:17:06,230 --> 00:16:59,279

alien implants should also be prepared

421

00:17:10,870 --> 00:17:08,630

we'll get to this notion a bit later but

422

00:17:13,909 --> 00:17:10,880

i noted at this point in my own initial

423

00:17:16,390 --> 00:17:13,919

reading that this concept of screen

424

00:17:18,630 --> 00:17:16,400

memories or other kind of mind

425

00:17:20,710 --> 00:17:18,640

manipulation could account for some of

426

00:17:21,669 --> 00:17:20,720

these differences and similarities

427

00:17:23,750 --> 00:17:21,679

between

428

00:17:25,829 --> 00:17:23,760

so-called milabs and

429

00:17:29,430 --> 00:17:25,839

now let's say so-called

430

00:17:32,549 --> 00:17:29,440

traditional alien abductions

431

00:17:35,190 --> 00:17:32,559

the next section is entitled terrestrial

432

00:17:38,150 --> 00:17:35,200

implants and here lammer talks about

433

00:17:39,909 --> 00:17:38,160

rfid tags the size of a grain of rice

434

00:17:42,630 --> 00:17:39,919

that are being developed that could

435

00:17:44,549 --> 00:17:42,640

possibly be modified to track humans and

436

00:17:46,870 --> 00:17:44,559

he also explains that some abductees

437

00:17:49,270 --> 00:17:46,880

like leah haley have had such items

438

00:17:51,669 --> 00:17:49,280

removed from their ears one example of

439

00:17:54,549 --> 00:17:51,679

these devices he says can be tracked by

440

00:17:56,950 --> 00:17:54,559

equipment on military helicopters he

441

00:18:00,549 --> 00:17:56,960

also briefly discusses the work back in

442

00:18:02,230 --> 00:18:00,559

the 1950s and 60s of dr jose delgado who

443

00:18:03,590 --> 00:18:02,240

patented devices

444

00:18:04,950 --> 00:18:03,600

to

445

00:18:07,270 --> 00:18:04,960

basically

446

00:18:11,270 --> 00:18:07,280

control motor functions and things like

447

00:18:14,710 --> 00:18:11,280

that in human beings and jose

448

00:18:19,669 --> 00:18:14,720

can't say it jose delgado's work has

449

00:18:22,470 --> 00:18:19,679

been discussed i think in every

450

00:18:23,830 --> 00:18:22,480

treatise essay book

451
00:18:26,789 --> 00:18:23,840
chapter

452
00:18:30,470 --> 00:18:26,799
web post youtube rant about

453
00:18:32,230 --> 00:18:30,480
mind control implantation that i've ever

454
00:18:34,870 --> 00:18:32,240
happened across i think i first heard

455
00:18:37,669 --> 00:18:34,880
about jose delgado's work in an

456
00:18:40,310 --> 00:18:37,679
interview that jim keith did when he was

457
00:18:43,669 --> 00:18:40,320
promoting his book also from illuminet

458
00:18:46,150 --> 00:18:43,679
press mind control world control lammer

459
00:18:47,669 --> 00:18:46,160
also explains that investigation into

460
00:18:50,870 --> 00:18:47,679
these devices

461
00:18:54,470 --> 00:18:50,880
has been ongoing but not necessarily

462
00:18:56,310 --> 00:18:54,480
within the ufo community

463
00:18:58,710 --> 00:18:56,320

implants were being used on unwitting

464

00:19:00,549 --> 00:18:58,720

persons as early as 50 years ago

465

00:19:02,390 --> 00:19:00,559

one well-documented case of the

466

00:19:04,470 --> 00:19:02,400

implantation of an electronic device

467

00:19:06,789 --> 00:19:04,480

into a victim is the case of robert

468

00:19:08,310 --> 00:19:06,799

nasland mr naisland claims he was

469

00:19:10,470 --> 00:19:08,320

unwittingly implanted during an

470

00:19:12,150 --> 00:19:10,480

operation in stockholm sweden

471

00:19:14,630 --> 00:19:12,160

he has x-rays which show clearly a

472

00:19:16,310 --> 00:19:14,640

mushroom-shaped device in his brain

473

00:19:19,110 --> 00:19:16,320

he claims that the operation was

474

00:19:20,710 --> 00:19:19,120

performed by dr kurt strand who inserted

475

00:19:22,150 --> 00:19:20,720

the device in his head through the right

476

00:19:24,630 --> 00:19:22,160

nasal passage

477

00:19:26,549 --> 00:19:24,640

interestingly ufo abductees since the

478

00:19:28,549 --> 00:19:26,559

60s have reported how alien beings

479

00:19:30,549 --> 00:19:28,559

implanted small objects up their nose

480

00:19:32,630 --> 00:19:30,559

through the nasal passage and sinus

481

00:19:34,230 --> 00:19:32,640

cavity the transnasal approach of

482

00:19:35,669 --> 00:19:34,240

implants is in common use in

483

00:19:37,830 --> 00:19:35,679

neurosurgery

484

00:19:40,150 --> 00:19:37,840

robert naisland is not the only victim

485

00:19:41,909 --> 00:19:40,160

he is now a researcher of groupin an

486

00:19:44,549 --> 00:19:41,919

organization against illegal mind

487

00:19:46,070 --> 00:19:44,559

control experiments groupin and other

488

00:19:47,909 --> 00:19:46,080

organizations like the freedom of

489

00:19:49,750 --> 00:19:47,919

thought foundation have collected a lot

490

00:19:51,350 --> 00:19:49,760

of evidence that a secret implantation

491

00:19:53,270 --> 00:19:51,360

program is going on

492

00:19:54,950 --> 00:19:53,280

these organizations are in contact with

493

00:19:57,350 --> 00:19:54,960

many victims all over the world who have

494

00:19:59,190 --> 00:19:57,360

reported similar effects as nasal and but

495

00:20:03,110 --> 00:19:59,200

have nothing to do with the ufo

496

00:20:07,350 --> 00:20:05,029

this is something i find fairly

497

00:20:09,590 --> 00:20:07,360

interesting because when i was working

498

00:20:11,669 --> 00:20:09,600

on i think my first conspiracy theory

499

00:20:14,789 --> 00:20:11,679

book back in

500

00:20:17,909 --> 00:20:14,799

some year that i can't remember i

501
00:20:18,710 --> 00:20:17,919
was kind of astounded to find that there

502
00:20:21,669 --> 00:20:18,720
are

503
00:20:24,149 --> 00:20:21,679
a number of organizations

504
00:20:27,029 --> 00:20:24,159
sort of advocating for victims of

505
00:20:27,909 --> 00:20:27,039
government mind control experimentation

506
00:20:37,830 --> 00:20:27,919
and

507
00:20:38,870 --> 00:20:37,840
been for a very long time

508
00:20:41,110 --> 00:20:38,880
but

509
00:20:43,510 --> 00:20:41,120
the ufo community

510
00:20:46,789 --> 00:20:43,520
the sort of traditional ufo community

511
00:20:48,470 --> 00:20:46,799
back in the 80s and 90s that was all in

512
00:20:50,710 --> 00:20:48,480
on abductions

513
00:20:52,710 --> 00:20:50,720

wasn't really looking at this they were

514

00:20:55,909 --> 00:20:52,720

talking about implants yet people like

515

00:20:59,029 --> 00:20:55,919

roger lear extracting implants and bits

516

00:21:03,029 --> 00:20:59,039

of metal and things from so-called

517

00:21:04,630 --> 00:21:03,039

alleged alien abductees but rarely was

518

00:21:11,990 --> 00:21:04,640

the

519

00:21:14,950 --> 00:21:12,000

terrestrial objects discussed very much

520

00:21:17,669 --> 00:21:14,960

section five is virtual reality

521

00:21:19,990 --> 00:21:17,679

scenarios and microwave hearing now

522

00:21:23,029 --> 00:21:20,000

virtual reality or vr

523

00:21:25,909 --> 00:21:23,039

is also a huge 90s thing kind of the

524

00:21:29,350 --> 00:21:25,919

leftover remnants of cyberpunk and i

525

00:21:31,669 --> 00:21:29,360

recall particularly the doctor who

526

00:21:33,350 --> 00:21:31,679

novels spin-off novels of the early

527

00:21:36,310 --> 00:21:33,360

1990s

528

00:21:37,190 --> 00:21:36,320

every other one seemed to have some kind

529

00:21:39,110 --> 00:21:37,200

of

530

00:21:41,669 --> 00:21:39,120

virtual reality

531

00:21:44,549 --> 00:21:41,679

element to it you had

532

00:21:45,510 --> 00:21:44,559

similar things pop up in episodes of red

533

00:21:47,830 --> 00:21:45,520

dwarf

534

00:21:50,870 --> 00:21:47,840

we're just now getting to the point

535

00:21:52,470 --> 00:21:50,880

where where virtual reality is

536

00:21:54,230 --> 00:21:52,480

anywhere close to the form that was

537

00:21:56,390 --> 00:21:54,240

promised decades ago and i'm not saying

538

00:21:58,950 --> 00:21:56,400

that's a good thing also this phrase

539

00:22:01,830 --> 00:21:58,960

virtual reality scenarios lammer does

540

00:22:03,430 --> 00:22:01,840

give credit to uh carla turner who

541

00:22:04,630 --> 00:22:03,440

coined that term and and these are

542

00:22:06,789 --> 00:22:04,640

basically

543

00:22:08,630 --> 00:22:06,799

i think of them in terms of that notion

544

00:22:11,110 --> 00:22:08,640

of screen memories if you're familiar

545

00:22:14,549 --> 00:22:11,120

with that abduction term a

546

00:22:16,390 --> 00:22:14,559

new memory a new experience kind of

547

00:22:19,909 --> 00:22:16,400

grafted over

548

00:22:24,149 --> 00:22:19,919

um what actually happened if you recall

549

00:22:26,149 --> 00:22:24,159

our episode on the book the janos people

550

00:22:28,950 --> 00:22:26,159

you know the the family who was driving

551
00:22:30,149 --> 00:22:28,960
along saw a ufo by a barn and just kept

552
00:22:31,909 --> 00:22:30,159
driving

553
00:22:34,390 --> 00:22:31,919
under hypnosis they

554
00:22:35,590 --> 00:22:34,400
have a completely different memory of

555
00:22:36,470 --> 00:22:35,600
what happened

556
00:22:38,950 --> 00:22:36,480
so

557
00:22:41,029 --> 00:22:38,960
lammer says that false memories and

558
00:22:43,270 --> 00:22:41,039
experiences may be able to be

559
00:22:46,310 --> 00:22:43,280
transmitted through these very

560
00:22:48,630 --> 00:22:46,320
terrestrial implants in the victim and

561
00:22:53,750 --> 00:22:48,640
while it sounds like it this is not

562
00:22:55,590 --> 00:22:53,760
necessarily a science fictional idea

563
00:22:57,669 --> 00:22:55,600

the new world vistas was a major

564

00:23:00,310 --> 00:22:57,679

undertaking for the usaf scientific

565

00:23:02,789 --> 00:23:00,320

advisory board this military publication

566

00:23:04,549 --> 00:23:02,799

was published in june 1996 and is a

567

00:23:06,950 --> 00:23:04,559

forecast of possible military

568

00:23:09,590 --> 00:23:06,960

developments over the next 50 years

569

00:23:11,510 --> 00:23:09,600

in it military scientists suggest the

570

00:23:13,909 --> 00:23:11,520

development of electromagnetic energy

571

00:23:14,870 --> 00:23:13,919

sources the output of which can be

572

00:23:17,029 --> 00:23:14,880

pulsed

573

00:23:19,029 --> 00:23:17,039

shaped focused and coupled with the

574

00:23:21,750 --> 00:23:19,039

human body in a fashion that will allow

575

00:23:24,230 --> 00:23:21,760

one to prevent voluntary muscular

576

00:23:26,950 --> 00:23:24,240

movements control emotions and actions

577

00:23:28,549 --> 00:23:26,960

produce sleep transmit suggestions

578

00:23:31,029 --> 00:23:28,559

interfere with both short-term and

579

00:23:33,830 --> 00:23:31,039

long-term memory and produce an

580

00:23:34,870 --> 00:23:33,840

experience set or delete an experience

581

00:23:36,950 --> 00:23:34,880

set

582

00:23:39,270 --> 00:23:36,960

the military scientists argue that the

583

00:23:42,230 --> 00:23:39,280

concept of imprinting a virtual reality

584

00:23:44,310 --> 00:23:42,240

experience act is highly speculative but

585

00:23:46,230 --> 00:23:44,320

nonetheless highly exciting

586

00:23:48,950 --> 00:23:46,240

if such a technology was developed in

587

00:23:50,950 --> 00:23:48,960

secret and exists today the remarkable

588

00:23:53,669 --> 00:23:50,960

vividness of some abduction accounts may

589

00:23:56,149 --> 00:23:53,679

be explained by the implantation of an

590

00:24:00,390 --> 00:23:56,159

experienced set into the brain of an

591

00:24:05,830 --> 00:24:02,630

he also discusses the fry effect or

592

00:24:07,909 --> 00:24:05,840

microwave hearing which is sort of words

593

00:24:09,909 --> 00:24:07,919

or ideas transmitted via microwave

594

00:24:11,269 --> 00:24:09,919

brains in microwave

595

00:24:12,950 --> 00:24:11,279

microwave

596

00:24:15,190 --> 00:24:12,960

beams into

597

00:24:17,190 --> 00:24:15,200

the brain or into a transmitter that has

598

00:24:19,110 --> 00:24:17,200

been placed in the brain and he says

599

00:24:20,070 --> 00:24:19,120

these could account for some abductee's

600

00:24:23,190 --> 00:24:20,080

claims

601
00:24:26,390 --> 00:24:23,200
that they hear voices now often

602
00:24:28,470 --> 00:24:26,400
these voices that abductees heard were

603
00:24:30,830 --> 00:24:28,480
dismissed as

604
00:24:34,789 --> 00:24:30,840
schizophrenia

605
00:24:37,190 --> 00:24:34,799
but if these abductees had no history of

606
00:24:39,430 --> 00:24:37,200
schizophrenia before their experience

607
00:24:41,669 --> 00:24:39,440
well that's a different sort of thing

608
00:24:44,310 --> 00:24:41,679
maybe this fry effect this ability to

609
00:24:45,669 --> 00:24:44,320
transmit signals into the brain could be

610
00:24:47,029 --> 00:24:45,679
a possible

611
00:24:49,510 --> 00:24:47,039
explanation

612
00:24:52,070 --> 00:24:49,520
it's important to note that lammer is

613
00:24:55,110 --> 00:24:52,080

very careful to explain that quote these

614

00:24:57,590 --> 00:24:55,120

scenarios cannot be the case for all ufo

615

00:24:59,669 --> 00:24:57,600

abductions like multiple abductions but

616

00:25:02,549 --> 00:24:59,679

it may explain a small portion or may

617

00:25:04,710 --> 00:25:02,559

play a significant role in millab's end

618

00:25:07,669 --> 00:25:04,720

quote he's not attempting to explain

619

00:25:10,470 --> 00:25:07,679

away the entire phenomenon just account

620

00:25:12,390 --> 00:25:10,480

for some aspects of it

621

00:25:14,950 --> 00:25:12,400

the final section before his conclusion

622

00:25:17,430 --> 00:25:14,960

is entitled otherworldly journeys and

623

00:25:19,750 --> 00:25:17,440

military underground facilities and here

624

00:25:22,070 --> 00:25:19,760

lammer refers to the work of dr richard

625

00:25:24,390 --> 00:25:22,080

souter and his work on underground bases

626

00:25:26,470 --> 00:25:24,400

now we did an episode about underground

627

00:25:28,470 --> 00:25:26,480

bases a while back and i think we talked

628

00:25:30,310 --> 00:25:28,480

about richard souter so be sure to check

629

00:25:32,549 --> 00:25:30,320

that out in the archives

630

00:25:34,390 --> 00:25:32,559

if you have not thus we know what

631

00:25:36,310 --> 00:25:34,400

underground bases are but what about

632

00:25:39,029 --> 00:25:36,320

otherworldly journeys now this is not

633

00:25:41,269 --> 00:25:39,039

just a generic term for a journey to

634

00:25:42,470 --> 00:25:41,279

another world here lammer is referring

635

00:25:45,350 --> 00:25:42,480

to a specific

636

00:25:49,430 --> 00:25:45,360

pattern undergone by abductees as

637

00:25:52,630 --> 00:25:49,440

described by researcher thomas bullard

638

00:25:54,950 --> 00:25:52,640

one preparation the alien beings put the

639

00:25:57,190 --> 00:25:54,960

abductee into a protective environment

640

00:25:59,909 --> 00:25:57,200

for the trip two

641

00:26:01,110 --> 00:25:59,919

travel actual transit to the other world

642

00:26:02,070 --> 00:26:01,120

occurs

643

00:26:03,269 --> 00:26:02,080

three

644

00:26:07,669 --> 00:26:03,279

underground

645

00:26:09,669 --> 00:26:07,679

four landscape

646

00:26:11,110 --> 00:26:09,679

the abductee sees the surface of the

647

00:26:17,120 --> 00:26:11,120

other world

648

00:26:20,230 --> 00:26:17,130

includes a stop at a museum or zoo

649

00:26:22,310 --> 00:26:20,240

[Music]

650

00:26:23,990 --> 00:26:22,320

he goes on to cite several abductee

651
00:26:26,549 --> 00:26:24,000
accounts including those of betty

652
00:26:28,470 --> 00:26:26,559
andreas and carla turner that

653
00:26:29,990 --> 00:26:28,480
exhibit these things but acknowledges

654
00:26:32,789 --> 00:26:30,000
that the flashbacks in which the

655
00:26:36,630 --> 00:26:32,799
abductees describe such journeys need to

656
00:26:38,789 --> 00:26:36,640
be investigated very carefully

657
00:26:40,549 --> 00:26:38,799
such flashbacks should be investigated

658
00:26:42,390 --> 00:26:40,559
very carefully since they could be a

659
00:26:44,950 --> 00:26:42,400
mixture of an otherworldly journey

660
00:26:47,029 --> 00:26:44,960
entering a welded underground city and a

661
00:26:48,710 --> 00:26:47,039
millab underground experience seeing

662
00:26:50,470 --> 00:26:48,720
military personnel

663
00:26:52,470 --> 00:26:50,480

it is also important to note that some

664

00:26:54,470 --> 00:26:52,480

abductees have flashbacks during which

665

00:26:56,549 --> 00:26:54,480

they see aliens and military personnel

666

00:26:58,470 --> 00:26:56,559

together but during hypnosis the

667

00:26:59,830 --> 00:26:58,480

abductee remembers only the military

668

00:27:01,830 --> 00:26:59,840

personnel

669

00:27:03,830 --> 00:27:01,840

perhaps the abductee mixed a ufo

670

00:27:06,549 --> 00:27:03,840

abduction experience and the millap

671

00:27:08,470 --> 00:27:06,559

scenario or the abductee underwent some

672

00:27:10,870 --> 00:27:08,480

kind of hypno programming by military

673

00:27:12,950 --> 00:27:10,880

psychiatrists during the kidnapping

674

00:27:15,269 --> 00:27:12,960

perhaps the military uses something like

675

00:27:16,789 --> 00:27:15,279

electronic dissolution of memory which

676
00:27:18,470 --> 00:27:16,799
is accomplished by electronically

677
00:27:20,389 --> 00:27:18,480
jamming the brain causing the

678
00:27:22,630 --> 00:27:20,399
neurotransmitter acetylcholine

679
00:27:23,990 --> 00:27:22,640
to create static which blocks out sights

680
00:27:26,070 --> 00:27:24,000
and sounds

681
00:27:28,149 --> 00:27:26,080
after this mind control procedure a

682
00:27:30,870 --> 00:27:28,159
millap abductee would have no memory of

683
00:27:35,430 --> 00:27:30,880
what he she saw or heard the mind of the

684
00:27:39,590 --> 00:27:37,350
there's a lot of maybe in there a lot of

685
00:27:41,510 --> 00:27:39,600
perhaps but lammer is smart enough not

686
00:27:42,950 --> 00:27:41,520
to try and be too definitive about this

687
00:27:45,029 --> 00:27:42,960
stuff at this point

688
00:27:46,870 --> 00:27:45,039

it's preliminary after all and he does

689

00:27:49,510 --> 00:27:46,880

admit that there's a possibility that

690

00:27:51,350 --> 00:27:49,520

milabs are reporting or that what milabs

691

00:27:53,750 --> 00:27:51,360

are reporting are actually quote cover

692

00:27:56,389 --> 00:27:53,760

stories induced by the hypno programming

693

00:27:58,310 --> 00:27:56,399

processes of military psychiatrists end

694

00:27:59,990 --> 00:27:58,320

quote he does acknowledge that some

695

00:28:02,070 --> 00:28:00,000

people claim that military folks could

696

00:28:04,310 --> 00:28:02,080

be dressing up as aliens and that there

697

00:28:06,549 --> 00:28:04,320

are no alien abductions at all he doubts

698

00:28:09,029 --> 00:28:06,559

this is the case noting the military

699

00:28:10,950 --> 00:28:09,039

aspect shows up primarily after the

700

00:28:13,029 --> 00:28:10,960

1980s not before

701
00:28:15,510 --> 00:28:13,039
also there are mind control victims that

702
00:28:17,510 --> 00:28:15,520
report the same effects as abductees

703
00:28:19,669 --> 00:28:17,520
without the ufo aspect and he wonders

704
00:28:22,310 --> 00:28:19,679
why if abductions are just a cover for

705
00:28:25,430 --> 00:28:22,320
mind control there's the reproductive

706
00:28:27,909 --> 00:28:25,440
aspect to many abductee experiences so

707
00:28:28,789 --> 00:28:27,919
he concludes that

708
00:28:30,630 --> 00:28:28,799
you know

709
00:28:32,630 --> 00:28:30,640
it's not just

710
00:28:35,190 --> 00:28:32,640
all abductions are fake because it's

711
00:28:37,830 --> 00:28:35,200
just mind control experimentation right

712
00:28:40,549 --> 00:28:37,840
and he concludes the whole thing

713
00:28:43,269 --> 00:28:40,559

by providing a rundown of his current

714

00:28:45,190 --> 00:28:43,279

hypothesis

715

00:28:47,190 --> 00:28:45,200

milabs may be evidence that a secret

716

00:28:49,190 --> 00:28:47,200

military intelligence task force has

717

00:28:51,190 --> 00:28:49,200

been in operation in north america since

718

00:28:53,590 --> 00:28:51,200

the early 80s and is involved in the

719

00:28:54,870 --> 00:28:53,600

monitoring and kidnapping of alleged ufo

720

00:28:56,549 --> 00:28:54,880

abductees

721

00:28:58,149 --> 00:28:56,559

in the beginning of the 80s a lot of

722

00:29:00,630 --> 00:28:58,159

money became available under black

723

00:29:02,789 --> 00:29:00,640

budgets for top secret military projects

724

00:29:04,870 --> 00:29:02,799

like the strategic defense initiative

725

00:29:06,470 --> 00:29:04,880

this task force might be financed by a

726

00:29:08,470 --> 00:29:06,480

portion of this money

727

00:29:11,269 --> 00:29:08,480

it seems to me that they are interested

728

00:29:13,029 --> 00:29:11,279

in well-investigated ufo abduction cases

729

00:29:15,110 --> 00:29:13,039

they are monitoring the houses of their

730

00:29:17,430 --> 00:29:15,120

victims kidnapping and possibly

731

00:29:19,830 --> 00:29:17,440

implanting them with military devices

732

00:29:21,190 --> 00:29:19,840

sometimes shortly after a ufo abduction

733

00:29:23,110 --> 00:29:21,200

experience

734

00:29:25,590 --> 00:29:23,120

it appears to me that they are searching

735

00:29:27,350 --> 00:29:25,600

for possible alien implants too their

736

00:29:29,830 --> 00:29:27,360

gynecological interest in female

737

00:29:31,669 --> 00:29:29,840

abductees could be explained if they are

738

00:29:33,750 --> 00:29:31,679

searching for alleged alien hybrid

739

00:29:35,830 --> 00:29:33,760

embryos since many of the abducted

740

00:29:37,269 --> 00:29:35,840

females report missing embryo fetus

741

00:29:39,669 --> 00:29:37,279

experiences

742

00:29:41,110 --> 00:29:39,679

it seems equally probable that the force

743

00:29:43,750 --> 00:29:41,120

or the people who are behind these

744

00:29:45,669 --> 00:29:43,760

kidnappings employ advanced mind control

745

00:29:47,909 --> 00:29:45,679

technology which is currently being

746

00:29:52,870 --> 00:29:47,919

tested illegally on people who have

747

00:29:57,510 --> 00:29:55,269

he's threading

748

00:29:59,510 --> 00:29:57,520

very carefully the needle between

749

00:30:00,950 --> 00:29:59,520

acknowledging the terrestrial aspects of

750

00:30:02,789 --> 00:30:00,960

some abductions

751
00:30:04,549 --> 00:30:02,799
but also

752
00:30:06,710 --> 00:30:04,559
connecting them to

753
00:30:10,230 --> 00:30:06,720
the possibility of

754
00:30:12,549 --> 00:30:10,240
actual alien abductions it's not an

755
00:30:14,149 --> 00:30:12,559
either or thing it's not all mind

756
00:30:16,870 --> 00:30:14,159
control or all

757
00:30:18,549 --> 00:30:16,880
alien abductions there are some of each

758
00:30:20,149 --> 00:30:18,559
that are on those extreme one or the

759
00:30:22,950 --> 00:30:20,159
other end but there are many in the

760
00:30:25,590 --> 00:30:22,960
middle that might have elements of both

761
00:30:28,470 --> 00:30:25,600
in a way it's not entirely dissimilar to

762
00:30:30,710 --> 00:30:28,480
the john keel o-h krill hypothesis

763
00:30:32,870 --> 00:30:30,720

of the military-industrial complex or

764

00:30:34,870 --> 00:30:32,880

the military intelligence complex rather

765

00:30:36,950 --> 00:30:34,880

being in league with the aliens although

766

00:30:38,789 --> 00:30:36,960

here it's less being in league with the

767

00:30:41,590 --> 00:30:38,799

aliens and more being

768

00:30:45,029 --> 00:30:41,600

suspiciously curious about them so that

769

00:30:48,549 --> 00:30:45,039

brings us to the end of lammer's initial

770

00:30:52,149 --> 00:30:48,559

december 1996 article in the mufon

771

00:30:53,430 --> 00:30:52,159

ufo journal and it would receive some

772

00:30:56,470 --> 00:30:53,440

responses

773

00:30:57,430 --> 00:30:56,480

from people and one response from one

774

00:30:59,990 --> 00:30:57,440

person

775

00:31:02,549 --> 00:31:00,000

in particular in the mufon journal and

776

00:31:04,789 --> 00:31:02,559

another response from that person that

777

00:31:07,750 --> 00:31:04,799

was not in the ufo

778

00:31:10,310 --> 00:31:07,760

journal and that is an interesting story

779

00:31:12,710 --> 00:31:10,320

as well so in the next issue

780

00:31:17,029 --> 00:31:12,720

of the mufon ufo journal which was

781

00:31:18,389 --> 00:31:17,039

february 1997 a woman named victoria

782

00:31:26,470 --> 00:31:18,399

alexander

783

00:31:30,710 --> 00:31:28,389

we'll be back in a week as usual

784

00:31:32,789 --> 00:31:30,720

fielding your questions

785

00:31:34,710 --> 00:31:32,799

and comments about this episode so be

786

00:31:37,830 --> 00:31:34,720

sure to get those to us in the comments

787

00:31:39,669 --> 00:31:37,840

under this episode on the website or on

788

00:31:43,509 --> 00:31:39,679

social media like facebook or twitter or

789

00:31:45,110 --> 00:31:43,519

instagram or through email for you

790

00:31:48,389 --> 00:31:45,120

email types

791

00:31:50,870 --> 00:31:48,399

and announcement time again following up

792

00:31:53,190 --> 00:31:50,880

next week february 1st seize the launch

793

00:31:54,789 --> 00:31:53,200

of the chiso media patreon and we've got

794

00:31:56,710 --> 00:31:54,799

some treats for you and i just wanted to

795

00:31:58,310 --> 00:31:56,720

explain in a little more detail about

796

00:32:01,190 --> 00:31:58,320

what's going to be there and i promise i

797

00:32:02,950 --> 00:32:01,200

won't talk about this much going forward

798

00:32:03,750 --> 00:32:02,960

i'll sort of mention what might be on

799

00:32:06,549 --> 00:32:03,760

there

800

00:32:09,509 --> 00:32:06,559

you know recently as a little enticement

801

00:32:11,590 --> 00:32:09,519

but i just wanted to sort of lay it out

802

00:32:14,149 --> 00:32:11,600

there will be a two dollar a month level

803

00:32:16,070 --> 00:32:14,159

and that will provide regular text and

804

00:32:18,389 --> 00:32:16,080

photo updates on the research and

805

00:32:19,750 --> 00:32:18,399

recording process that goes into

806

00:32:21,350 --> 00:32:19,760

our shows

807

00:32:23,830 --> 00:32:21,360

think of it almost as little sort of

808

00:32:25,669 --> 00:32:23,840

extended bloggy type things i'll

809

00:32:27,990 --> 00:32:25,679

doubtlessly be showing off weird books

810

00:32:29,909 --> 00:32:28,000

i've spent way too much money on and

811

00:32:31,990 --> 00:32:29,919

samantha's really looking forward to

812

00:32:33,909 --> 00:32:32,000

talking about the angle we approach

813

00:32:36,710 --> 00:32:33,919

things as we research things

814

00:32:38,710 --> 00:32:36,720

as historians sort of an outlet for also

815

00:32:41,430 --> 00:32:38,720

conversation about those things

816

00:32:43,669 --> 00:32:41,440

you'll also get episodes of uh both

817

00:32:46,310 --> 00:32:43,679

shows saucer life and great lakes lore

818

00:32:49,029 --> 00:32:46,320

as soon as they're ready and with all

819

00:32:50,870 --> 00:32:49,039

the patreon talk excised so you don't

820

00:32:52,470 --> 00:32:50,880

have to hear about it we don't carry

821

00:32:54,149 --> 00:32:52,480

actual ads so

822

00:32:56,310 --> 00:32:54,159

getting rid of the patreon pitch in the

823

00:32:57,750 --> 00:32:56,320

episodes will be our version of an

824

00:32:58,870 --> 00:32:57,760

ad-free

825

00:33:01,350 --> 00:32:58,880

show

826

00:33:03,190 --> 00:33:01,360

so at the five dollar a month level in

827

00:33:06,389 --> 00:33:03,200

addition to to that stuff there will be

828

00:33:08,389 --> 00:33:06,399

a bonus episode of the saucer life and a

829

00:33:09,430 --> 00:33:08,399

bonus episode of great lakes lore every

830

00:33:14,789 --> 00:33:09,440

month

831

00:33:16,789 --> 00:33:14,799

video content for each episode we've

832

00:33:18,950 --> 00:33:16,799

been playing around in the last couple

833

00:33:19,750 --> 00:33:18,960

episodes of having

834

00:33:22,870 --> 00:33:19,760

just

835

00:33:25,590 --> 00:33:22,880

video immediately after record

836

00:33:28,470 --> 00:33:25,600

stops uh or recording stops on the

837

00:33:31,269 --> 00:33:28,480

episode and just um either on great

838

00:33:32,710 --> 00:33:31,279

lakes lore sam and i talking about uh

839

00:33:34,950 --> 00:33:32,720

what we liked what we didn't like what

840

00:33:37,909 --> 00:33:34,960

was frustrating or fun about the episode

841

00:33:41,269 --> 00:33:37,919

and what our favorite parts of it were

842

00:33:43,190 --> 00:33:41,279

and in the case of

843

00:33:45,509 --> 00:33:43,200

the saucer life it's it's me sort of

844

00:33:47,909 --> 00:33:45,519

staring into the camera and going my god

845

00:33:49,750 --> 00:33:47,919

what have i done what have i done or at

846

00:33:51,669 --> 00:33:49,760

least that was the gist of the one

847

00:33:54,389 --> 00:33:51,679

i did for the

848

00:33:56,470 --> 00:33:54,399

george damsky's cosmic philosophy

849

00:33:58,310 --> 00:33:56,480

episode which makes sense if you've

850

00:34:00,310 --> 00:33:58,320

heard the episode

851
00:34:02,389 --> 00:34:00,320
so there will be that there will be

852
00:34:03,990 --> 00:34:02,399
additional video content

853
00:34:06,630 --> 00:34:04,000
like outtakes

854
00:34:08,310 --> 00:34:06,640
listener questions and answers field

855
00:34:10,470 --> 00:34:08,320
trips we've uh we've done some field

856
00:34:12,550 --> 00:34:10,480
trips so sort of like when we went to

857
00:34:14,550 --> 00:34:12,560
the uh the michigan bigfoot conference

858
00:34:17,030 --> 00:34:14,560
last summer for the saucer life or

859
00:34:19,510 --> 00:34:17,040
things like that and other interesting

860
00:34:20,950 --> 00:34:19,520
stuff on a regular basis the way we've

861
00:34:23,349 --> 00:34:20,960
got it planned out we think it's good

862
00:34:24,790 --> 00:34:23,359
value for money and we're excited about

863
00:34:27,510 --> 00:34:24,800

some of the extra stuff we've got coming

864

00:34:29,909 --> 00:34:27,520

up and this is also just a way to

865

00:34:32,069 --> 00:34:29,919

to do some interesting more experimental

866

00:34:34,470 --> 00:34:32,079

things that i've been especially with

867

00:34:36,230 --> 00:34:34,480

the saucer life that i've been wanting

868

00:34:37,990 --> 00:34:36,240

to try out

869

00:34:40,310 --> 00:34:38,000

as always you can check out past

870

00:34:42,230 --> 00:34:40,320

episodes of the show in your podcast app

871

00:34:43,589 --> 00:34:42,240

or at saucerlife.com

872

00:34:45,829 --> 00:34:43,599

and we are

873

00:34:48,790 --> 00:34:45,839

still on twitter and instagram at

874

00:34:52,069 --> 00:34:48,800

saucerlife and you can email us at

875

00:34:53,829 --> 00:34:52,079

thesaucerlife gmail.com oh and we are on

876

00:34:56,710 --> 00:34:53,839

facebook if you search for saucer life

877

00:34:59,510 --> 00:34:56,720

podcast our page there shows up you can

878

00:35:03,390 --> 00:34:59,520

also contact us by post at chiso media

879

00:35:05,990 --> 00:35:03,400

po box 68 grand blank michigan

880

00:35:14,150 --> 00:35:06,000

48480 and now

881

00:35:18,710 --> 00:35:16,150

in the next issue of the mufon journal

882

00:35:20,950 --> 00:35:18,720

the february 1997 issue lammer's article

883

00:35:23,109 --> 00:35:20,960

had generated some reader response

884

00:35:24,150 --> 00:35:23,119

one letter in particular was interesting

885

00:35:26,470 --> 00:35:24,160

for

886

00:35:28,550 --> 00:35:26,480

a number of reasons

887

00:35:30,790 --> 00:35:28,560

i would like to respond to preliminary

888

00:35:33,670 --> 00:35:30,800

findings of project millab by helmut

889

00:35:35,510 --> 00:35:33,680

lammer in a word horse droppings the

890

00:35:37,829 --> 00:35:35,520

stories of alleged abductions and

891

00:35:39,910 --> 00:35:37,839

medical examinations by the us military

892

00:35:42,230 --> 00:35:39,920

black budget or otherwise are merely the

893

00:35:44,710 --> 00:35:42,240

latest twist in abduction folklore

894

00:35:46,710 --> 00:35:44,720

abductees like madonna know how to

895

00:35:48,550 --> 00:35:46,720

constantly reinvent themselves so as to

896

00:35:51,990 --> 00:35:48,560

keep us with our tongues hanging out

897

00:35:53,910 --> 00:35:52,000

[Music]

898

00:35:55,510 --> 00:35:53,920

so the argument seems to be heading in

899

00:35:57,829 --> 00:35:55,520

the direction of abductions aren't a

900

00:35:59,510 --> 00:35:57,839

real thing so this argument about what

901
00:36:00,870 --> 00:35:59,520
some abductions might be

902
00:36:02,550 --> 00:36:00,880
must be wrong

903
00:36:04,790 --> 00:36:02,560
and there's also i think it's safe to

904
00:36:07,829 --> 00:36:04,800
say an ill-fitting emphasis on abductees

905
00:36:09,670 --> 00:36:07,839
being attention-seeking and honestly i

906
00:36:12,230 --> 00:36:09,680
think it's safe to say that the most

907
00:36:15,030 --> 00:36:12,240
attention-seeking people in any sort of

908
00:36:17,589 --> 00:36:15,040
abduction research situation are usually

909
00:36:19,109 --> 00:36:17,599
the abduction researchers rather than

910
00:36:21,510 --> 00:36:19,119
the abductees

911
00:36:24,470 --> 00:36:21,520
also horse droppings

912
00:36:27,109 --> 00:36:24,480
cutesy fake vulgarities are probably

913
00:36:28,870 --> 00:36:27,119

second only to quotation marks to denote

914

00:36:31,589 --> 00:36:28,880

emphasis on the list of things that make

915

00:36:33,750 --> 00:36:31,599

me irrationally angry also her sentence

916

00:36:35,270 --> 00:36:33,760

construction of

917

00:36:38,550 --> 00:36:35,280

what was it

918

00:36:40,470 --> 00:36:38,560

abductees comma like madonna comma know

919

00:36:42,150 --> 00:36:40,480

how to constantly reinvent themselves so

920

00:36:43,190 --> 00:36:42,160

as to keep us with our tongues hanging

921

00:36:46,310 --> 00:36:43,200

out

922

00:36:48,150 --> 00:36:46,320

is she saying that madonna likes to

923

00:36:49,270 --> 00:36:48,160

reinvent herself to keep our tongues

924

00:36:53,430 --> 00:36:49,280

hanging out

925

00:36:55,510 --> 00:36:53,440

or is she saying madonna is an abductee

926
00:36:58,310 --> 00:36:55,520
because honestly the construction of

927
00:37:01,510 --> 00:36:58,320
that sentence makes it really really

928
00:37:03,190 --> 00:37:01,520
ambiguous and kind of confusing

929
00:37:06,150 --> 00:37:03,200
now the author of this letter goes on to

930
00:37:09,910 --> 00:37:06,160
say that quote since we are all acronym

931
00:37:11,910 --> 00:37:09,920
possessed may i propose aaa for an alien

932
00:37:14,950 --> 00:37:11,920
apparition end quote

933
00:37:16,470 --> 00:37:14,960
with this tremendously lame joke behind

934
00:37:18,630 --> 00:37:16,480
us the letter writer transitions to

935
00:37:20,550 --> 00:37:18,640
focusing on the fact that lammer used

936
00:37:23,109 --> 00:37:20,560
the account of an abductee named debbie

937
00:37:25,510 --> 00:37:23,119
jordan as one of his examples and this

938
00:37:27,430 --> 00:37:25,520

author gives a fairly slanted recounting

939

00:37:29,750 --> 00:37:27,440

of jordan's story including the

940

00:37:31,349 --> 00:37:29,760

astoundingly petty comment quote i went

941

00:37:33,670 --> 00:37:31,359

to three bookstores looking for miss

942

00:37:36,310 --> 00:37:33,680

jordan's book and finally found it in a

943

00:37:37,750 --> 00:37:36,320

local library end quote in this

944

00:37:39,349 --> 00:37:37,760

recounting the letter writer

945

00:37:41,270 --> 00:37:39,359

concentrated on jordan's harrowing

946

00:37:44,230 --> 00:37:41,280

experiences of being with her friend

947

00:37:46,150 --> 00:37:44,240

dave being kidnapped examined probed and

948

00:37:48,230 --> 00:37:46,160

having an implant removed from her nose

949

00:37:49,990 --> 00:37:48,240

instead of calling the police the writer

950

00:37:52,150 --> 00:37:50,000

snarks jordan called abduction

951
00:37:55,190 --> 00:37:52,160
researcher bud hopkins now

952
00:37:57,270 --> 00:37:55,200
actually i don't have a huge problem

953
00:38:00,310 --> 00:37:57,280
with that amount of snark right there

954
00:38:02,630 --> 00:38:00,320
it's a completely reasonable thing to

955
00:38:03,430 --> 00:38:02,640
sort of say or wonder about

956
00:38:06,390 --> 00:38:03,440
but

957
00:38:09,270 --> 00:38:06,400
the way the writer closes this letter

958
00:38:11,430 --> 00:38:09,280
just kind of irks me

959
00:38:13,510 --> 00:38:11,440
when will someone separate the sexually

960
00:38:15,349 --> 00:38:13,520
repressed fantasies of lonely women from

961
00:38:17,589 --> 00:38:15,359
the abduction genre and sort out what

962
00:38:19,190 --> 00:38:17,599
belongs in therapy and what belongs in

963
00:38:21,690 --> 00:38:19,200

the mufon journal

964

00:38:24,950 --> 00:38:21,700

victoria alexander las vegas nevada

965

00:38:27,109 --> 00:38:24,960

[Music]

966

00:38:29,030 --> 00:38:27,119

now leaving aside the dismissive and

967

00:38:30,710 --> 00:38:29,040

stereotypical view of abductions let's

968

00:38:33,910 --> 00:38:30,720

ask ourselves about the author a bunch

969

00:38:36,069 --> 00:38:33,920

of you probably are saying i knew it

970

00:38:38,390 --> 00:38:36,079

when you heard victoria alexander's name

971

00:38:40,390 --> 00:38:38,400

but for the rest of you she did some ufo

972

00:38:41,990 --> 00:38:40,400

research and is married to john

973

00:38:46,390 --> 00:38:42,000

alexander

974

00:38:50,230 --> 00:38:46,400

well this is what his

975

00:38:52,230 --> 00:38:50,240

website biography currently says

976

00:38:53,430 --> 00:38:52,240

dr john alexander has been a leading

977

00:38:55,190 --> 00:38:53,440

advocate for the development of

978

00:38:56,630 --> 00:38:55,200

non-lethal weapons since he created

979

00:38:59,990 --> 00:38:56,640

renewed interest in the field starting

980

00:39:01,829 --> 00:39:00,000

in 1989. in 2003 he served as a mentor

981

00:39:03,430 --> 00:39:01,839

to afghan ministry of defense senior

982

00:39:05,829 --> 00:39:03,440

officials through the office of military

983

00:39:07,750 --> 00:39:05,839

cooperation he has traveled to all of

984

00:39:09,589 --> 00:39:07,760

the continents on earth he trekked the

985

00:39:12,150 --> 00:39:09,599

remote areas of tibet including the

986

00:39:14,230 --> 00:39:12,160

mount everest base camp went to timbuktu

987

00:39:16,390 --> 00:39:14,240

in the sahel in west africa tracked

988

00:39:18,710 --> 00:39:16,400

gorillas in rwanda met shamans in the

989

00:39:21,510 --> 00:39:18,720

amazon mongolia and voodoo witch doctors

990

00:39:23,510 --> 00:39:21,520

in togo and benin traveled across cartel

991

00:39:26,069 --> 00:39:23,520

controlled areas of central america

992

00:39:28,550 --> 00:39:26,079

visited ancient temples in burma laos

993

00:39:30,390 --> 00:39:28,560

thailand and cambodia in new guinea he

994

00:39:32,150 --> 00:39:30,400

witnessed the emergence of stone age

995

00:39:35,030 --> 00:39:32,160

tribes people who still practice

996

00:39:36,790 --> 00:39:35,040

cannibalism on occasion and in 2014 was

997

00:39:38,790 --> 00:39:36,800

swimming in the open ocean with humpback

998

00:39:41,349 --> 00:39:38,800

whales in the kingdom of tonga

999

00:39:44,230 --> 00:39:41,359

in 2015 he attended kumbay mela and

1000

00:39:46,230 --> 00:39:44,240

nishik india visited bali and borobudur

1001
00:39:49,270 --> 00:39:46,240
in indonesia and was diving on the great

1002
00:39:50,950 --> 00:39:49,280
barrier reef off australia in 2016 a

1003
00:39:56,550 --> 00:39:50,960
highlight was diving with great white

1004
00:40:01,030 --> 00:39:59,430
i'm pretty sure which doctor isn't a

1005
00:40:02,069 --> 00:40:01,040
currently accepted

1006
00:40:04,790 --> 00:40:02,079
term

1007
00:40:08,230 --> 00:40:04,800
so anyway that's john alexander noted

1008
00:40:11,190 --> 00:40:08,240
expert on non-lethal weaponry who is

1009
00:40:14,390 --> 00:40:11,200
deeply involved in ufos near-death

1010
00:40:15,670 --> 00:40:14,400
experience research and all sorts of

1011
00:40:18,390 --> 00:40:15,680
other things

1012
00:40:19,670 --> 00:40:18,400
you may also remember victoria alexander

1013
00:40:21,270 --> 00:40:19,680

as the woman who called and left a

1014

00:40:23,430 --> 00:40:21,280

threatening message for researcher

1015

00:40:25,190 --> 00:40:23,440

martin cannon as discussed on our

1016

00:40:27,349 --> 00:40:25,200

episode about the controllers a couple

1017

00:40:29,589 --> 00:40:27,359

years ago now that incident took place

1018

00:40:31,670 --> 00:40:29,599

earlier in the 1990s it's almost like

1019

00:40:33,270 --> 00:40:31,680

victoria alexander has some kind of

1020

00:40:36,150 --> 00:40:33,280

pre-existing

1021

00:40:38,550 --> 00:40:36,160

axe to grind about mind control research

1022

00:40:42,630 --> 00:40:38,560

intersecting with the ufo world

1023

00:40:43,630 --> 00:40:42,640

and as an aside i found this which i got

1024

00:40:45,910 --> 00:40:43,640

on the

1025

00:40:48,150 --> 00:40:45,920

whale.t.o website

1026

00:40:53,510 --> 00:40:48,160

this is a discussion of the alexanders

1027

00:40:57,109 --> 00:40:55,430

colonel john alexander also called

1028

00:40:58,470 --> 00:40:57,119

doctor who has been living in arizona

1029

00:41:00,710 --> 00:40:58,480

and who has been in charge of making

1030

00:41:02,150 --> 00:41:00,720

psychic warriors for the us army has the

1031

00:41:04,950 --> 00:41:02,160

inside reputation of being the

1032

00:41:06,790 --> 00:41:04,960

illuminati's top mind control programmer

1033

00:41:09,190 --> 00:41:06,800

the scotland sinclair family of the

1034

00:41:11,750 --> 00:41:09,200

magdalen line not of immanuel so-called

1035

00:41:13,589 --> 00:41:11,760

jesus are vampires colonel john

1036

00:41:16,069 --> 00:41:13,599

alexander and lieutenant colonel aquino

1037

00:41:17,990 --> 00:41:16,079

both have vampiric wives i hope you can

1038

00:41:19,910 --> 00:41:18,000

find photos of them i saw colonel

1039

00:41:21,589 --> 00:41:19,920

alexander's last night he was the head

1040

00:41:23,829 --> 00:41:21,599

of los alamos and it's called doctor

1041

00:41:25,910 --> 00:41:23,839

death he has a doctorate in thanatology

1042

00:41:27,750 --> 00:41:25,920

and wrote the book non-lethal weapons

1043

00:41:29,670 --> 00:41:27,760

chris o'brien who was lecturing last

1044

00:41:31,990 --> 00:41:29,680

night in sedona said his wife doesn't

1045

00:41:34,069 --> 00:41:32,000

eat hell no she drinks human blood

1046

00:41:36,150 --> 00:41:34,079

please see my page on aquino sinclair

1047

00:41:38,309 --> 00:41:36,160

wifey by the way the da vinci code made

1048

00:41:40,150 --> 00:41:38,319

the sinclairs into heroin gods did you

1049

00:41:43,589 --> 00:41:40,160

see the movie dan brown got away

1050

00:41:45,030 --> 00:41:43,599

scot-free notice scott free even though

1051
00:41:47,109 --> 00:41:45,040
he stole the ideas from the book's

1052
00:41:48,950 --> 00:41:47,119
genesis and holy blood holy grail but

1053
00:41:50,790 --> 00:41:48,960
the judges at the court of snakes didn't

1054
00:41:52,870 --> 00:41:50,800
find him or sue him but let him go since

1055
00:41:55,430 --> 00:41:52,880
he did their bidding of making them the

1056
00:41:59,670 --> 00:41:55,440
children of jesus i.e emmanuel via

1057
00:42:03,589 --> 00:42:02,470
note i do not endorse anything you just

1058
00:42:05,670 --> 00:42:03,599
heard

1059
00:42:08,630 --> 00:42:05,680
another note i barely understand

1060
00:42:10,550 --> 00:42:08,640
anything you just heard now in the next

1061
00:42:13,750 --> 00:42:10,560
issue of the mufon journal

1062
00:42:16,550 --> 00:42:13,760
lammer himself would respond to victoria

1063
00:42:18,069 --> 00:42:16,560

alexander's letter

1064

00:42:20,550 --> 00:42:18,079

it is interesting to hear victoria

1065

00:42:22,150 --> 00:42:20,560

alexander using fecal language horse

1066

00:42:23,589 --> 00:42:22,160

droppings to criticize an article of

1067

00:42:24,790 --> 00:42:23,599

which she has obviously read the first

1068

00:42:26,710 --> 00:42:24,800

two pages

1069

00:42:28,870 --> 00:42:26,720

perhaps it is easier for mrs alexander

1070

00:42:30,630 --> 00:42:28,880

to ridicule an abductee than comment on

1071

00:42:32,950 --> 00:42:30,640

the evidence that i presented in project

1072

00:42:34,550 --> 00:42:32,960

millap for example black helicopter

1073

00:42:36,790 --> 00:42:34,560

harassment near the homes of millap

1074

00:42:38,630 --> 00:42:36,800

victims similarities between terrestrial

1075

00:42:40,710 --> 00:42:38,640

implant procedures and devices and the

1076
00:42:42,470 --> 00:42:40,720
reports of alleged mind control victims

1077
00:42:44,550 --> 00:42:42,480
and hypnosis transcripts containing

1078
00:42:45,670 --> 00:42:44,560
descriptions of human military

1079
00:42:47,589 --> 00:42:45,680
involvement

1080
00:42:49,349 --> 00:42:47,599
is mrs alexander an expert in the

1081
00:42:51,349 --> 00:42:49,359
sexually repressed fantasies of lonely

1082
00:42:53,030 --> 00:42:51,359
women or does she simply discount all

1083
00:42:55,190 --> 00:42:53,040
reports of abductions during which

1084
00:42:58,630 --> 00:42:55,200
anything other than a sexually related

1085
00:43:00,550 --> 00:42:58,640
event occurs i eagerly await an aaa

1086
00:43:02,630 --> 00:43:00,560
another alexander announcement

1087
00:43:03,990 --> 00:43:02,640
containing a more rational evaluation of

1088
00:43:06,160 --> 00:43:04,000

my article

1089

00:43:09,510 --> 00:43:06,170

more science please less polemic

1090

00:43:13,589 --> 00:43:11,349

debbie jordan would also fire back

1091

00:43:16,470 --> 00:43:13,599

focusing especially on the sexually

1092

00:43:18,950 --> 00:43:16,480

repressed characterization of abductees

1093

00:43:21,109 --> 00:43:18,960

on which alexander based a lot of her

1094

00:43:22,710 --> 00:43:21,119

argument

1095

00:43:24,390 --> 00:43:22,720

i would also like to inform mrs

1096

00:43:26,309 --> 00:43:24,400

alexander that i've been happily married

1097

00:43:28,069 --> 00:43:26,319

to my husband for 10 years if she has

1098

00:43:29,829 --> 00:43:28,079

any suspicions that i am a lonely woman

1099

00:43:31,910 --> 00:43:29,839

who is experiencing sexually repressed

1100

00:43:33,990 --> 00:43:31,920

fantasies i encourage her to contact my

1101

00:43:35,069 --> 00:43:34,000

husband herself by writing to eric

1102

00:43:37,270 --> 00:43:35,079

ewilson

1103

00:43:39,030 --> 00:43:37,280

alienjigsaw.com he would be happy to set

1104

00:43:40,870 --> 00:43:39,040

the record straight and tell mrs

1105

00:43:43,190 --> 00:43:40,880

alexander how incorrect her outdated

1106

00:43:43,910 --> 00:43:43,200

freudian hypothesis is as it relates to

1107

00:43:46,150 --> 00:43:43,920

me

1108

00:43:48,230 --> 00:43:46,160

mrs alexander is incorrect again when

1109

00:43:50,069 --> 00:43:48,240

she accuses us of being acronym

1110

00:43:52,790 --> 00:43:50,079

possessed referring to the title of dr

1111

00:43:54,870 --> 00:43:52,800

lammer's article project millap i'm just

1112

00:43:57,349 --> 00:43:54,880

guessing but perhaps it is she who is

1113

00:43:59,270 --> 00:43:57,359

accurate and obsessed after all she's

1114

00:44:03,910 --> 00:43:59,280

the one married to a retired colonel of

1115

00:44:08,230 --> 00:44:05,990

ooh shots fired there's also another

1116

00:44:10,710 --> 00:44:08,240

nice little dig at the end of debbie

1117

00:44:12,870 --> 00:44:10,720

jordan's letter

1118

00:44:14,470 --> 00:44:12,880

finally and most importantly what does

1119

00:44:16,630 --> 00:44:14,480

stories of alleged abductions and

1120

00:44:18,870 --> 00:44:16,640

medical examinations by the us military

1121

00:44:21,109 --> 00:44:18,880

black budget or otherwise have to do

1122

00:44:22,870 --> 00:44:21,119

with sexually repressed fantasies

1123

00:44:23,930 --> 00:44:22,880

is there something we should know about

1124

00:44:26,390 --> 00:44:23,940

mrs alexander

1125

00:44:28,069 --> 00:44:26,400

[Music]

1126

00:44:30,870 --> 00:44:28,079

now i'm not entirely sure what that

1127

00:44:32,630 --> 00:44:30,880

means but it sounds pretty spicy

1128

00:44:34,470 --> 00:44:32,640

victoria alexander would expand her

1129

00:44:36,630 --> 00:44:34,480

thoughts about millabs and abductions in

1130

00:44:38,069 --> 00:44:36,640

general in an essay entitled what would

1131

00:44:40,309 --> 00:44:38,079

freud say

1132

00:44:42,550 --> 00:44:40,319

probably something in german it's my

1133

00:44:44,630 --> 00:44:42,560

guess but this was apparently submitted

1134

00:44:47,829 --> 00:44:44,640

to but subsequently

1135

00:44:50,069 --> 00:44:47,839

not published by mufon it circulated

1136

00:44:52,950 --> 00:44:50,079

online and eventually reached a wider

1137

00:44:55,750 --> 00:44:52,960

audience on the website of cause

1138

00:44:58,390 --> 00:44:55,760

citizens against ufo secrecy in march

1139

00:45:00,230 --> 00:44:58,400

1999. this is before the millaps book

1140

00:45:03,190 --> 00:45:00,240

was published i'm fairly sure i think

1141

00:45:05,510 --> 00:45:03,200

that was later in 1999. the essay had

1142

00:45:07,430 --> 00:45:05,520

appeared earlier like i said and the

1143

00:45:08,630 --> 00:45:07,440

earliest version i found floating around

1144

00:45:10,230 --> 00:45:08,640

i'm not saying this is the earliest

1145

00:45:12,470 --> 00:45:10,240

version but this is just an earlier

1146

00:45:14,069 --> 00:45:12,480

version i found it's from november of

1147

00:45:17,349 --> 00:45:14,079

1998.

1148

00:45:20,069 --> 00:45:17,359

now the citizens against ufo secrecy

1149

00:45:22,069 --> 00:45:20,079

intro to this piece is in my opinion

1150

00:45:25,030 --> 00:45:22,079

kind of annoyingly

1151
00:45:27,109 --> 00:45:25,040
gushing i guess

1152
00:45:29,349 --> 00:45:27,119
cause presents a commentary by victoria

1153
00:45:31,190 --> 00:45:29,359
alexander the female energy behind the

1154
00:45:33,430 --> 00:45:31,200
man known for his work with non-lethal

1155
00:45:36,550 --> 00:45:33,440
weapons and allegedly a present member

1156
00:45:38,390 --> 00:45:36,560
of mj12 her husband john alexander

1157
00:45:40,470 --> 00:45:38,400
victoria has written extensively about

1158
00:45:42,790 --> 00:45:40,480
her controversial opinions about certain

1159
00:45:47,430 --> 00:45:42,800
aspects of the ufo phenomenon and

1160
00:45:50,550 --> 00:45:48,950
i'm going to start referring to the

1161
00:45:53,589 --> 00:45:50,560
saucer wife when i introduce her to

1162
00:45:55,430 --> 00:45:53,599
people as the female energy behind the

1163
00:45:56,550 --> 00:45:55,440

host of

1164

00:45:58,230 --> 00:45:56,560

several

1165

00:46:01,030 --> 00:45:58,240

podcasts

1166

00:46:02,550 --> 00:46:01,040

what a strange way to put something i

1167

00:46:04,710 --> 00:46:02,560

don't know that's just

1168

00:46:06,790 --> 00:46:04,720

it just sounds very strange to me

1169

00:46:09,270 --> 00:46:06,800

alexander opens by

1170

00:46:11,349 --> 00:46:09,280

honestly denouncing the entire alien

1171

00:46:13,309 --> 00:46:11,359

abduction concept

1172

00:46:15,430 --> 00:46:13,319

at this time there's absolutely no

1173

00:46:17,670 --> 00:46:15,440

incontrovertible proof that aliens are

1174

00:46:19,430 --> 00:46:17,680

abducting experimenting on sexually

1175

00:46:21,109 --> 00:46:19,440

abusing and mating with humans to

1176

00:46:23,430 --> 00:46:21,119

produce a hybrid race

1177

00:46:25,270 --> 00:46:23,440

ongoing fast track advances in genetic

1178

00:46:27,510 --> 00:46:25,280

engineering clearly indicates that

1179

00:46:30,390 --> 00:46:27,520

physical intercourse to produce hybrids

1180

00:46:31,910 --> 00:46:30,400

is extremely inefficient and unnecessary

1181

00:46:34,230 --> 00:46:31,920

as we have seen with the preliminary

1182

00:46:36,150 --> 00:46:34,240

work and cloning earth scientists do not

1183

00:46:38,230 --> 00:46:36,160

even need sperm or ova to reproduce

1184

00:46:40,790 --> 00:46:38,240

offspring yet we are asked to believe

1185

00:46:47,349 --> 00:46:40,800

clumsy archaic procedures are conducted

1186

00:46:51,589 --> 00:46:49,030

what i find so strange about this and

1187

00:46:52,790 --> 00:46:51,599

about this entire article in particular

1188

00:46:54,870 --> 00:46:52,800

is that

1189

00:46:57,829 --> 00:46:54,880

you know it's sort of

1190

00:47:00,790 --> 00:46:57,839

focused on lammers stuff but also on the

1191

00:47:03,270 --> 00:47:00,800

alien abductions in general and those

1192

00:47:06,470 --> 00:47:03,280

are two very different narratives about

1193

00:47:08,069 --> 00:47:06,480

what is going on so

1194

00:47:10,950 --> 00:47:08,079

she's she's

1195

00:47:13,510 --> 00:47:10,960

it seems like a giant bundle of various

1196

00:47:16,309 --> 00:47:13,520

straw man arguments none of which

1197

00:47:18,150 --> 00:47:16,319

really get close to

1198

00:47:21,030 --> 00:47:18,160

very logically

1199

00:47:21,750 --> 00:47:21,040

attacking what lammer is actually doing

1200

00:47:24,549 --> 00:47:21,760

so

1201
00:47:26,630 --> 00:47:24,559
abductions no evidence all we have she

1202
00:47:29,910 --> 00:47:26,640
says are stories but if the stories

1203
00:47:31,349 --> 00:47:29,920
aren't factually real what purpose do

1204
00:47:33,990 --> 00:47:31,359
abduction

1205
00:47:36,069 --> 00:47:34,000
accounts serve she asks and her

1206
00:47:38,390 --> 00:47:36,079
explanation or argument about what

1207
00:47:40,549 --> 00:47:38,400
abduction accounts really are for and

1208
00:47:41,910 --> 00:47:40,559
what purpose they serve is a bit of an

1209
00:47:44,069 --> 00:47:41,920
expansion

1210
00:47:47,750 --> 00:47:44,079
on the direction in which she was going

1211
00:47:49,990 --> 00:47:47,760
in her letter to the mufon journal

1212
00:47:51,670 --> 00:47:50,000
i propose that the abduction experience

1213
00:47:53,510 --> 00:47:51,680

in some way enriches the lives of

1214

00:47:55,430 --> 00:47:53,520

abductees by either purging their

1215

00:47:57,829 --> 00:47:55,440

troubled psyches or allows them to

1216

00:47:59,510 --> 00:47:57,839

undergo an arthritic sci-fi shamanic

1217

00:48:01,349 --> 00:47:59,520

jaunt without the burden of leaving the

1218

00:48:03,270 --> 00:48:01,359

comfort of bedroom at home

1219

00:48:05,910 --> 00:48:03,280

they undergo a self-described horrific

1220

00:48:08,150 --> 00:48:05,920

ordeal which sets them apart identifies

1221

00:48:09,829 --> 00:48:08,160

them and regardless of angry denials

1222

00:48:12,549 --> 00:48:09,839

makes them special either to

1223

00:48:13,750 --> 00:48:12,559

investigators researchers the media or

1224

00:48:17,030 --> 00:48:13,760

their circle of friends

1225

00:48:18,870 --> 00:48:17,040

[Music]

1226

00:48:20,950 --> 00:48:18,880

so we're back at this notion of the

1227

00:48:23,589 --> 00:48:20,960

sharing of abduction stories basically

1228

00:48:25,190 --> 00:48:23,599

being attention-seeking behavior

1229

00:48:27,030 --> 00:48:25,200

but what about those who aren't really

1230

00:48:27,750 --> 00:48:27,040

seeking attention who are anonymous who

1231

00:48:29,829 --> 00:48:27,760

are

1232

00:48:31,750 --> 00:48:29,839

simply names in a file in some

1233

00:48:33,030 --> 00:48:31,760

researchers filing cabinet whose stories

1234

00:48:34,630 --> 00:48:33,040

are never shared

1235

00:48:37,349 --> 00:48:34,640

what about them they're not seeking

1236

00:48:39,349 --> 00:48:37,359

attention are they

1237

00:48:41,510 --> 00:48:39,359

an anticipated response to the claim

1238

00:48:43,589 --> 00:48:41,520

that when abductees refuse to go public

1239

00:48:46,309 --> 00:48:43,599

request anonymity do not pursue a book

1240

00:48:48,549 --> 00:48:46,319

contract or appear on tv shows this in

1241

00:48:50,710 --> 00:48:48,559

any way automatically anoints the story

1242

00:48:52,790 --> 00:48:50,720

truthful i submit that writing to a

1243

00:48:54,870 --> 00:48:52,800

researcher having a prominent ufo

1244

00:48:57,109 --> 00:48:54,880

personality read one's diaries letters

1245

00:48:58,870 --> 00:48:57,119

and poems to be counseled and comforted

1246

00:49:00,790 --> 00:48:58,880

by interested parties for hours and

1247

00:49:03,109 --> 00:49:00,800

discussing one's entire life in detail

1248

00:49:05,109 --> 00:49:03,119

is enough satisfaction already and quite

1249

00:49:06,950 --> 00:49:05,119

flattering without the taxing demands of

1250

00:49:13,750 --> 00:49:06,960

a book deal or an appearance on the

1251
00:49:19,430 --> 00:49:15,109
this is

1252
00:49:21,589 --> 00:49:19,440
root cause of abduction experiences it's

1253
00:49:23,670 --> 00:49:21,599
often evident at least to me

1254
00:49:25,910 --> 00:49:23,680
that in a lot of cases there's some

1255
00:49:27,670 --> 00:49:25,920
trauma at the heart of it and it's it's

1256
00:49:30,549 --> 00:49:27,680
real and sometimes that trauma is

1257
00:49:33,109 --> 00:49:30,559
exacerbated by the abduction hypnosis

1258
00:49:35,510 --> 00:49:33,119
research process depending on

1259
00:49:36,390 --> 00:49:35,520
who might be involved alexander seems

1260
00:49:39,190 --> 00:49:36,400
almost

1261
00:49:41,270 --> 00:49:39,200
gleefully dismissive of abductees here

1262
00:49:43,190 --> 00:49:41,280
she then cherry-picks some examples from

1263
00:49:44,870 --> 00:49:43,200

abductee literature focusing her

1264

00:49:46,870 --> 00:49:44,880

attention on passages that highlight

1265

00:49:48,470 --> 00:49:46,880

sexual aspects of the phenomenon

1266

00:49:51,109 --> 00:49:48,480

psychological issues suffered by

1267

00:49:54,150 --> 00:49:51,119

abductees and at one point basically

1268

00:49:55,910 --> 00:49:54,160

mocking an abductee's obesity

1269

00:49:58,309 --> 00:49:55,920

of course not all abductees are

1270

00:49:59,990 --> 00:49:58,319

overweight psychosexually incapacitated

1271

00:50:02,470 --> 00:50:00,000

or suffering from a life tormented by

1272

00:50:04,950 --> 00:50:02,480

illnesses yet with few exceptions this

1273

00:50:07,270 --> 00:50:04,960

is the alien abduction foundation these

1274

00:50:09,030 --> 00:50:07,280

abductee pioneers laid the groundwork

1275

00:50:11,430 --> 00:50:09,040

and introduced a scenario that offers a

1276

00:50:13,510 --> 00:50:11,440

myriad of psychological benefits the

1277

00:50:15,430 --> 00:50:13,520

experience is indeed being reshaped and

1278

00:50:20,630 --> 00:50:15,440

redesigned to fit a person's peculiar

1279

00:50:24,870 --> 00:50:22,870

she finally eventually turns her

1280

00:50:26,870 --> 00:50:24,880

attention to lammer's milabs thesis and

1281

00:50:29,670 --> 00:50:26,880

accuses him of basically having no idea

1282

00:50:31,589 --> 00:50:29,680

what he's talking about about anything

1283

00:50:33,349 --> 00:50:31,599

and for example with regard to black

1284

00:50:34,950 --> 00:50:33,359

budgets and budgetary structures that

1285

00:50:37,270 --> 00:50:34,960

would be needed to deceive lawmakers and

1286

00:50:39,910 --> 00:50:37,280

bureaucrats in order to carry out such

1287

00:50:43,349 --> 00:50:39,920

projects she also has strong doubts

1288

00:50:44,710 --> 00:50:43,359

about his technical knowledge

1289

00:50:46,309 --> 00:50:44,720

throughout lammer's paper he

1290

00:50:48,230 --> 00:50:46,319

consistently attributes technical

1291

00:50:50,309 --> 00:50:48,240

capabilities far beyond the state of the

1292

00:50:52,069 --> 00:50:50,319

art he believes everything he's told by

1293

00:50:54,150 --> 00:50:52,079

millab's assuming such technology has

1294

00:50:56,710 --> 00:50:54,160

been perfected employed and has been

1295

00:50:58,230 --> 00:50:56,720

operational for decades while abductees

1296

00:51:00,390 --> 00:50:58,240

have been reporting their experiences

1297

00:51:02,549 --> 00:51:00,400

over long periods of time and in some

1298

00:51:04,870 --> 00:51:02,559

cases from generation to generation the

1299

00:51:07,750 --> 00:51:04,880

first operational gps satellite was not

1300

00:51:10,309 --> 00:51:07,760

launched until february 1989 the 24

1301
00:51:15,990 --> 00:51:10,319
satellites of the gps constellation was

1302
00:51:22,390 --> 00:51:19,630
this is just willfully

1303
00:51:23,990 --> 00:51:22,400
obfuscatory um

1304
00:51:27,510 --> 00:51:24,000
i did some checking

1305
00:51:29,030 --> 00:51:27,520
the first gps test satellites that we

1306
00:51:30,230 --> 00:51:29,040
know of here in

1307
00:51:33,829 --> 00:51:30,240
the public

1308
00:51:37,270 --> 00:51:33,839
went into orbit in the 1970s

1309
00:51:38,710 --> 00:51:37,280
and i'm sure the government the military

1310
00:51:40,630 --> 00:51:38,720
anybody who would be doing the sorts of

1311
00:51:41,589 --> 00:51:40,640
things lammer suspects they might be

1312
00:51:42,390 --> 00:51:41,599
doing

1313
00:51:45,430 --> 00:51:42,400

would

1314

00:51:47,589 --> 00:51:45,440

be having access to these things far

1315

00:51:49,910 --> 00:51:47,599

before even

1316

00:51:52,309 --> 00:51:49,920

the rest of the sort of in quotes normal

1317

00:51:53,990 --> 00:51:52,319

military would

1318

00:51:55,190 --> 00:51:54,000

also

1319

00:51:58,710 --> 00:51:55,200

lammer

1320

00:52:01,750 --> 00:51:58,720

says many times in that initial mufon

1321

00:52:05,190 --> 00:52:01,760

article that the millaps thing is very

1322

00:52:07,430 --> 00:52:05,200

much a 1980s and onward phenomenon

1323

00:52:09,349 --> 00:52:07,440

i don't know kind of right around the

1324

00:52:11,510 --> 00:52:09,359

time that some of the technology he was

1325

00:52:13,190 --> 00:52:11,520

talking about would have been available

1326
00:52:14,309 --> 00:52:13,200
to somebody

1327
00:52:15,750 --> 00:52:14,319
maybe

1328
00:52:17,750 --> 00:52:15,760
i don't know

1329
00:52:20,230 --> 00:52:17,760
she moves toward her conclusion with a

1330
00:52:22,710 --> 00:52:20,240
final condemnation of lammer's work and

1331
00:52:25,270 --> 00:52:22,720
a reiteration of the psychological basis

1332
00:52:27,030 --> 00:52:25,280
of abduction claims

1333
00:52:29,270 --> 00:52:27,040
in summary lammer's conclusions are

1334
00:52:31,670 --> 00:52:29,280
totally unsubstantiated and therefore

1335
00:52:33,750 --> 00:52:31,680
unreliable he juxtaposes scientific

1336
00:52:36,309 --> 00:52:33,760
sources with junk logic and tabloid

1337
00:52:38,950 --> 00:52:36,319
style journalism the millab hypothesis

1338
00:52:40,390 --> 00:52:38,960

supports a psychological explanation if

1339

00:52:42,710 --> 00:52:40,400

veritcal evidence for physical

1340

00:52:44,950 --> 00:52:42,720

abduction exists it is incumbent on the

1341

00:52:50,230 --> 00:52:44,960

victims to report it if psychological

1342

00:52:53,990 --> 00:52:51,430

and then

1343

00:52:56,549 --> 00:52:54,000

she moves into a final condemnation of

1344

00:52:59,109 --> 00:52:56,559

abductees and it's

1345

00:53:01,030 --> 00:52:59,119

it's a doozy

1346

00:53:02,870 --> 00:53:01,040

society applauds and encourages

1347

00:53:05,270 --> 00:53:02,880

individuals to come forward and report

1348

00:53:07,030 --> 00:53:05,280

domestic abuse rape child abuse and

1349

00:53:09,510 --> 00:53:07,040

sexual harassment in the workplace and

1350

00:53:11,430 --> 00:53:09,520

the military we support people who fight

1351
00:53:13,190 --> 00:53:11,440
drug dealers in their neighborhoods we

1352
00:53:15,510 --> 00:53:13,200
recognize the peril these individuals

1353
00:53:17,190 --> 00:53:15,520
put themselves in by coming forward in

1354
00:53:20,230 --> 00:53:17,200
these cases violence is not a mere

1355
00:53:22,470 --> 00:53:20,240
threat but a likely outcome however we

1356
00:53:24,470 --> 00:53:22,480
allow abductees to be absolved from

1357
00:53:26,790 --> 00:53:24,480
publicly reporting gross injustices

1358
00:53:28,470 --> 00:53:26,800
against them by our military personnel

1359
00:53:30,150 --> 00:53:28,480
if indeed there are hundreds even

1360
00:53:31,829 --> 00:53:30,160
thousands of women who are victims of

1361
00:53:33,670 --> 00:53:31,839
unwanted military surveillance and

1362
00:53:36,069 --> 00:53:33,680
criminal activities their impressive

1363
00:53:37,510 --> 00:53:36,079

numbers will prevail to effect change

1364

00:53:38,870 --> 00:53:37,520

they must stand up and present their

1365

00:53:40,710 --> 00:53:38,880

case to the public

1366

00:53:42,549 --> 00:53:40,720

if law-abiding high-functioning

1367

00:53:44,710 --> 00:53:42,559

tax-paying citizens come forward with

1368

00:53:47,510 --> 00:53:44,720

their allegations and provide credible

1369

00:53:49,270 --> 00:53:47,520

testimony they'll be listened to or have

1370

00:53:51,190 --> 00:53:49,280

we forgotten the fact that we live in a

1371

00:53:53,349 --> 00:53:51,200

democratic society with laws against

1372

00:53:54,710 --> 00:53:53,359

kidnapping and medically experimenting

1373

00:53:56,390 --> 00:53:54,720

on its citizens

1374

00:53:59,030 --> 00:53:56,400

i urge all men and women who have been

1375

00:54:01,349 --> 00:53:59,040

harassed abused and kidnapped by

1376

00:54:05,910 --> 00:54:01,359

military personnel to publicly come

1377

00:54:10,230 --> 00:54:08,309

in case you had any sort of illusion

1378

00:54:12,710 --> 00:54:10,240

left that this was a good faith effort

1379

00:54:14,950 --> 00:54:12,720

to make an argument against what lammer

1380

00:54:17,510 --> 00:54:14,960

was proposing and there are arguments to

1381

00:54:19,670 --> 00:54:17,520

be made against what lammer is proposing

1382

00:54:21,910 --> 00:54:19,680

he hadn't at this point proven anything

1383

00:54:25,270 --> 00:54:21,920

conclusively but if you thought that's

1384

00:54:27,589 --> 00:54:25,280

what victoria alexander was doing

1385

00:54:29,430 --> 00:54:27,599

yikes yeah i mean come on i mean if

1386

00:54:32,630 --> 00:54:29,440

you're being mind controlled by the

1387

00:54:34,630 --> 00:54:32,640

government why don't you say something

1388

00:54:35,589 --> 00:54:34,640

okay to whom

1389

00:54:36,950 --> 00:54:35,599

right

1390

00:54:39,069 --> 00:54:36,960

there are

1391

00:54:42,390 --> 00:54:39,079

at this point in

1392

00:54:44,309 --> 00:54:42,400

1998 or 99 when she's writing this there

1393

00:54:45,990 --> 00:54:44,319

are multiple documented cases of

1394

00:54:47,349 --> 00:54:46,000

government mind control experimentation

1395

00:54:48,710 --> 00:54:47,359

we've talked about this sort of thing on

1396

00:54:50,630 --> 00:54:48,720

the show before

1397

00:54:55,270 --> 00:54:50,640

this is

1398

00:54:58,470 --> 00:54:55,280

column is

1399

00:55:01,190 --> 00:54:58,480

is really really irritating and then and

1400

00:55:03,670 --> 00:55:01,200

then she sort of gets sort of snarky at

1401

00:55:08,549 --> 00:55:03,680

debbie jordan and debbie jordan's

1402

00:55:10,309 --> 00:55:08,559

response in the mufon journal

1403

00:55:12,309 --> 00:55:10,319

in furtherance of the comments addressed

1404

00:55:14,309 --> 00:55:12,319

to me in the mufon journal i intend to

1405

00:55:16,390 --> 00:55:14,319

avail myself of katherine wilson's

1406

00:55:17,910 --> 00:55:16,400

generous suggestion that i contact her

1407

00:55:20,069 --> 00:55:17,920

husband by email to discuss her

1408

00:55:21,829 --> 00:55:20,079

sexuality though aren't there internet

1409

00:55:22,340 --> 00:55:21,839

chat rooms already set up for that kind

1410

00:55:24,230 --> 00:55:22,350

of stuff

1411

00:55:26,710 --> 00:55:24,240

[Music]

1412

00:55:28,549 --> 00:55:26,720

that doesn't make any sense and it

1413

00:55:30,230 --> 00:55:28,559

wasn't katharina wilson it was debbie

1414

00:55:32,549 --> 00:55:30,240

jordan she was responding to catherine

1415

00:55:34,870 --> 00:55:32,559

wilson was i think debbie jordan's

1416

00:55:36,950 --> 00:55:34,880

co-author in her abduction book but at

1417

00:55:38,630 --> 00:55:36,960

the same time what what is is

1418

00:55:40,390 --> 00:55:38,640

alexander saying that aren't there

1419

00:55:42,069 --> 00:55:40,400

internet chat rooms to discuss debbie

1420

00:55:42,950 --> 00:55:42,079

jordan's sexuality with her husband i

1421

00:55:45,990 --> 00:55:42,960

don't know

1422

00:55:48,630 --> 00:55:46,000

it makes no sense and then she signs off

1423

00:55:50,710 --> 00:55:48,640

with this little gem

1424

00:55:53,910 --> 00:55:50,720

i'd like to thank my husband john b

1425

00:55:55,960 --> 00:55:53,920

alexander phd for his support review and

1426
00:55:58,470 --> 00:55:55,970
insightful contributions to this article

1427
00:56:00,549 --> 00:55:58,480
[Music]

1428
00:56:04,309 --> 00:56:00,559
in case any of you thought that victoria

1429
00:56:05,190 --> 00:56:04,319
alexander was an expert on gps history

1430
00:56:07,589 --> 00:56:05,200
and

1431
00:56:09,670 --> 00:56:07,599
budgetary structure in the

1432
00:56:12,230 --> 00:56:09,680
defense intelligence sector i think we

1433
00:56:13,030 --> 00:56:12,240
know who really wrote this or who really

1434
00:56:15,990 --> 00:56:13,040
wrote

1435
00:56:18,230 --> 00:56:16,000
significant bits of it and this is where

1436
00:56:20,710 --> 00:56:18,240
we're going to end this which is part

1437
00:56:22,789 --> 00:56:20,720
one we're going to be doing part two

1438
00:56:24,470 --> 00:56:22,799

next time and we are actually going to

1439

00:56:27,750 --> 00:56:24,480

get to

1440

00:56:29,750 --> 00:56:27,760

i'm pretty sure the actual millabs book

1441

00:56:31,109 --> 00:56:29,760

it's a wild ride isn't it because

1442

00:56:33,670 --> 00:56:31,119

there's a lot of back and forth there's

1443

00:56:35,430 --> 00:56:33,680

a lot of arguments but it's one of those

1444

00:56:38,069 --> 00:56:35,440

things where the deeper i dug into this

1445

00:56:39,670 --> 00:56:38,079

the more there was and so this is going

1446

00:56:42,470 --> 00:56:39,680

to be one of our

1447

00:56:45,190 --> 00:56:42,480

maybe not rare anymore but less common

1448

00:56:47,670 --> 00:56:45,200

two-part episodes so come back next time

1449

00:56:53,670 --> 00:56:47,680

for the rest of the story

1450

00:56:57,270 --> 00:56:55,589

next time more millabs thanks for

1451

00:56:58,870 --> 00:56:57,280

listening remember to send in your

1452

00:57:00,630 --> 00:56:58,880

questions and comments via the usual

1453

00:57:02,390 --> 00:57:00,640

social media or email channels and we'll

1454

00:57:04,309 --> 00:57:02,400

address it on our feedback episode next

1455

00:57:06,390 --> 00:57:04,319

week where hopefully i won't have to

1456

00:57:07,190 --> 00:57:06,400

answer every question with wait for part

1457

00:57:08,950 --> 00:57:07,200
