

MILABS  
PART TWO

1  
00:00:11,519 --> 00:00:16,630  
i never got any money from you

2  
00:00:21,350 --> 00:00:18,630  
ufo might just as well stand for

3  
00:00:24,470 --> 00:00:21,360  
unprecedented financial opportunity

4  
00:00:25,990 --> 00:00:24,480  
[Applause]

5  
00:00:28,150 --> 00:00:26,000  
be normal

6  
00:00:30,310 --> 00:00:28,160  
this is the saucer life a podcast in

7  
00:00:31,910 --> 00:00:30,320  
which we examine concepts events or

8  
00:00:34,150 --> 00:00:31,920  
people orbiting the world of fine

9  
00:00:36,549 --> 00:00:34,160  
saucers few preconceptions snark when

10  
00:00:38,310 --> 00:00:36,559  
justified no belief no debunking this is

11  
00:00:40,310 --> 00:00:38,320  
the second part of our look at helmut

12  
00:00:41,990 --> 00:00:40,320  
and marion lammer's book millaps

13  
00:00:43,030 --> 00:00:42,000

military mind control and alien

14

00:00:44,630 --> 00:00:43,040

abduction

15

00:00:46,549 --> 00:00:44,640

if you haven't listened to part one yet

16

00:00:48,150 --> 00:00:46,559

go back and do that we'll still be here

17

00:00:49,430 --> 00:00:48,160

when you're done if you choose to plow

18

00:00:51,189 --> 00:00:49,440

ahead without listening to the first

19

00:00:52,470 --> 00:00:51,199

part i'm not going to stop you but

20

00:00:54,790 --> 00:00:52,480

neither am i going to take any

21

00:00:57,189 --> 00:00:54,800

responsibility for any confusion on your

22

00:00:59,990 --> 00:00:57,199

part so this is where we left off

23

00:01:01,750 --> 00:01:00,000

in late 1996 austrian physicist and ufo

24

00:01:03,430 --> 00:01:01,760

researcher helmut lammer published an

25

00:01:05,590 --> 00:01:03,440

article in the mufon journal exploring

26

00:01:07,350 --> 00:01:05,600

the possibility that some alien

27

00:01:09,350 --> 00:01:07,360

abduction experiences were the result of

28

00:01:11,510 --> 00:01:09,360

military and intelligence agency mind

29

00:01:13,109 --> 00:01:11,520

control experimentation the article

30

00:01:15,270 --> 00:01:13,119

generated debate between those who are

31

00:01:17,190 --> 00:01:15,280

willing to consider lammers position and

32

00:01:20,930 --> 00:01:17,200

those who are not and we're picking up

33

00:01:25,429 --> 00:01:20,940

the story in november 1997.

34

00:01:29,270 --> 00:01:27,510

in the november 1997 edition of the

35

00:01:31,749 --> 00:01:29,280

mufon journal lammer published a

36

00:01:34,069 --> 00:01:31,759

follow-up article entitled more findings

37

00:01:36,789 --> 00:01:34,079

of project milab looking behind the

38

00:01:38,550 --> 00:01:36,799

alien military abduction agenda lammer

39

00:01:40,870 --> 00:01:38,560

begins the article by giving readers an

40

00:01:45,030 --> 00:01:40,880

update on what's happened since his

41

00:01:48,630 --> 00:01:46,630

since i published my preliminary

42

00:01:50,389 --> 00:01:48,640

findings of alleged alien abductees who

43

00:01:52,630 --> 00:01:50,399

experienced possible kidnappings by

44

00:01:54,310 --> 00:01:52,640

special military intelligence units i

45

00:01:56,069 --> 00:01:54,320

received new information especially from

46

00:01:58,149 --> 00:01:56,079

north american abductees and abduction

47

00:02:00,230 --> 00:01:58,159

researchers most of this information has

48

00:02:01,910 --> 00:02:00,240

not been previously published the

49

00:02:03,510 --> 00:02:01,920

responses i received after the first

50

00:02:05,350 --> 00:02:03,520

article was published show that there

51  
00:02:07,510 --> 00:02:05,360  
are more alleged alien abductees who

52  
00:02:10,790 --> 00:02:07,520  
have experienced unwanted human military

53  
00:02:13,589 --> 00:02:10,800  
contacts millabs during their lives

54  
00:02:15,750 --> 00:02:13,599  
in august 1997 i published an overview

55  
00:02:17,910 --> 00:02:15,760  
of the study co-authored by my wife in a

56  
00:02:22,070 --> 00:02:17,920  
comprehensive book entitled covert

57  
00:02:26,150 --> 00:02:23,750  
this is one of those things that has led

58  
00:02:29,270 --> 00:02:26,160  
to some confusion at least for me the

59  
00:02:31,430 --> 00:02:29,280  
subtitle of this book covert operations

60  
00:02:33,350 --> 00:02:31,440  
was military involvement in ufo

61  
00:02:35,990 --> 00:02:33,360  
abductions and as close as i can figure

62  
00:02:37,910 --> 00:02:36,000  
out this is an earlier german language

63  
00:02:41,110 --> 00:02:37,920

version of the book that would become

64

00:02:43,350 --> 00:02:41,120

millabs military mind control and alien

65

00:02:45,509 --> 00:02:43,360

abduction he goes on to recap the

66

00:02:46,790 --> 00:02:45,519

findings from his first article and says

67

00:02:49,509 --> 00:02:46,800

that he believes there are three

68

00:02:51,990 --> 00:02:49,519

questions that open-minded researchers

69

00:02:55,830 --> 00:02:52,000

will want to explore after reading his

70

00:02:58,229 --> 00:02:55,840

update on the millab's research

71

00:03:00,390 --> 00:02:58,239

one is it possible that secret human

72

00:03:02,790 --> 00:03:00,400

experiments or covert operations are

73

00:03:05,030 --> 00:03:02,800

occurring in western democracies

74

00:03:06,550 --> 00:03:05,040

two what is the human agenda which seems

75

00:03:08,390 --> 00:03:06,560

to be involved in the alien abduction

76  
00:03:10,149 --> 00:03:08,400  
phenomenon and what is the purpose of

77  
00:03:11,509 --> 00:03:10,159  
mill labs military abductions of

78  
00:03:13,509 --> 00:03:11,519  
abductees

79  
00:03:15,430 --> 00:03:13,519  
three is there a military interest in

80  
00:03:17,509 --> 00:03:15,440  
developing brain implants virtual

81  
00:03:19,430 --> 00:03:17,519  
reality biochips holographic image

82  
00:03:21,670 --> 00:03:19,440  
projection cloaking devices and

83  
00:03:24,229 --> 00:03:21,680  
mind-altering weapons

84  
00:03:26,869 --> 00:03:24,239  
[Music]

85  
00:03:29,350 --> 00:03:26,879  
despite the fact that question 2 seems

86  
00:03:32,149 --> 00:03:29,360  
to just go ahead and assume the answer

87  
00:03:34,390 --> 00:03:32,159  
to question 1 is yes these are some

88  
00:03:36,630 --> 00:03:34,400

pretty good questions if you are

89

00:03:37,830 --> 00:03:36,640

sort of invested in the military

90

00:03:40,550 --> 00:03:37,840

abduction

91

00:03:41,670 --> 00:03:40,560

paradigm that lammer has laid out and he

92

00:03:43,190 --> 00:03:41,680

argues

93

00:03:46,070 --> 00:03:43,200

at the end of this introduction that the

94

00:03:48,550 --> 00:03:46,080

existence of these technologies would

95

00:03:50,470 --> 00:03:48,560

quote support the hypothesis that such

96

00:03:52,550 --> 00:03:50,480

secret experiments could

97

00:03:53,990 --> 00:03:52,560

occur on humans and these experiments

98

00:03:56,229 --> 00:03:54,000

are being hidden from congress and the

99

00:04:00,070 --> 00:03:56,239

public by placing the funding inside

100

00:04:01,990 --> 00:04:00,080

secret or black budgets end quote we

101  
00:04:04,149 --> 00:04:02,000  
then get to the new material that lammer

102  
00:04:06,869 --> 00:04:04,159  
has for his mufon readers and the first

103  
00:04:09,110 --> 00:04:06,879  
section is headed documented history of

104  
00:04:10,309 --> 00:04:09,120  
secret mind and behavior control

105  
00:04:12,630 --> 00:04:10,319  
experiments

106  
00:04:16,550 --> 00:04:12,640  
and he puts his cards on the table

107  
00:04:18,390 --> 00:04:16,560  
pretty quickly and pretty resolutely

108  
00:04:20,629 --> 00:04:18,400  
everyone who refuses to believe that

109  
00:04:22,310 --> 00:04:20,639  
secret experiments and covert operations

110  
00:04:24,150 --> 00:04:22,320  
have been performed on people including

111  
00:04:25,670 --> 00:04:24,160  
children should look at the documented

112  
00:04:27,909 --> 00:04:25,680  
history of military intelligence

113  
00:04:29,830 --> 00:04:27,919

radiation experiments as well as mind

114

00:04:31,830 --> 00:04:29,840

and behavior control experiments which

115

00:04:33,430 --> 00:04:31,840

are now known to the public in addition

116

00:04:35,030 --> 00:04:33,440

to the united states and canada the

117

00:04:36,870 --> 00:04:35,040

british press reported that even the

118

00:04:39,030 --> 00:04:36,880

ministry of defense has carried out

119

00:04:42,950 --> 00:04:39,040

secret radiation experiments on humans

120

00:04:45,189 --> 00:04:42,960

during the last 40 years

121

00:04:47,590 --> 00:04:45,199

so this is an argument that i don't

122

00:04:49,749 --> 00:04:47,600

necessarily like i get it i i don't

123

00:04:50,790 --> 00:04:49,759

necessarily like though

124

00:04:56,469 --> 00:04:50,800

the

125

00:04:58,070 --> 00:04:56,479

presumption maybe that

126  
00:05:00,870 --> 00:04:58,080  
because

127  
00:05:02,870 --> 00:05:00,880  
undisclosed secret horrible experiments

128  
00:05:05,110 --> 00:05:02,880  
have taken place in the past

129  
00:05:07,830 --> 00:05:05,120  
that the answer to the abduction

130  
00:05:08,950 --> 00:05:07,840  
question must be secret horrible

131  
00:05:10,629 --> 00:05:08,960  
horrific

132  
00:05:12,790 --> 00:05:10,639  
experiment so i'm not saying it's not

133  
00:05:14,710 --> 00:05:12,800  
possible but i'm just saying it's

134  
00:05:16,150 --> 00:05:14,720  
it's not necessarily

135  
00:05:18,150 --> 00:05:16,160  
a

136  
00:05:21,029 --> 00:05:18,160  
syllogism i guess if i'm using the word

137  
00:05:22,870 --> 00:05:21,039  
syllogism correctly which i might not be

138  
00:05:24,390 --> 00:05:22,880

one of the things i liked about this

139

00:05:25,830 --> 00:05:24,400

little bit here was that

140

00:05:28,070 --> 00:05:25,840

you know in addition to the us and

141

00:05:31,110 --> 00:05:28,080

canada even the british ministry of

142

00:05:33,029 --> 00:05:31,120

defense why the emphasis on even the

143

00:05:34,710 --> 00:05:33,039

ministry of defense i mean

144

00:05:36,710 --> 00:05:34,720

are we somehow surprised that the

145

00:05:38,390 --> 00:05:36,720

british have done things that are as

146

00:05:41,270 --> 00:05:38,400

reprehensible as the americans and

147

00:05:43,029 --> 00:05:41,280

canadians have done does lammer here

148

00:05:45,029 --> 00:05:43,039

exhibit some kind of

149

00:05:46,710 --> 00:05:45,039

european sensibility that oh my gosh

150

00:05:49,189 --> 00:05:46,720

we're not nearly as bad as those

151  
00:05:51,430 --> 00:05:49,199  
colonials over in the western hemisphere

152  
00:05:52,390 --> 00:05:51,440  
but even the british have done things

153  
00:05:54,310 --> 00:05:52,400  
like this

154  
00:05:55,110 --> 00:05:54,320  
lamr goes through a number of things

155  
00:05:58,070 --> 00:05:55,120  
that

156  
00:05:59,909 --> 00:05:58,080  
in 2022 are

157  
00:06:02,909 --> 00:05:59,919  
fairly well known by people who pay

158  
00:06:05,749 --> 00:06:02,919  
attention to things like this but in

159  
00:06:06,629 --> 00:06:05,759  
1997 were a little

160  
00:06:08,309 --> 00:06:06,639  
newer

161  
00:06:11,189 --> 00:06:08,319  
they hadn't been some of them hadn't

162  
00:06:13,749 --> 00:06:11,199  
been declassified for as long so

163  
00:06:16,870 --> 00:06:13,759

radiation experiments nerve gas

164

00:06:18,870 --> 00:06:16,880

experiments lsd and biological agent

165

00:06:20,790 --> 00:06:18,880

experiments hammer points out that the

166

00:06:23,350 --> 00:06:20,800

people on whom these experiments were

167

00:06:24,950 --> 00:06:23,360

conducted were prisoners soldiers

168

00:06:26,950 --> 00:06:24,960

people with mental and physical

169

00:06:29,510 --> 00:06:26,960

disabilities hospital patients with

170

00:06:31,189 --> 00:06:29,520

terminal illnesses pregnant women often

171

00:06:33,350 --> 00:06:31,199

poor

172

00:06:35,749 --> 00:06:33,360

which we we know we know that and it's

173

00:06:37,590 --> 00:06:35,759

it's awful he um

174

00:06:40,790 --> 00:06:37,600

doesn't pull any punches he refers to

175

00:06:42,870 --> 00:06:40,800

these experiments as nazi-like uh he

176  
00:06:45,270 --> 00:06:42,880  
name drops one of the

177  
00:06:47,670 --> 00:06:45,280  
significant names in this whole sorry

178  
00:06:50,390 --> 00:06:47,680  
history dr ewan cameron

179  
00:06:52,710 --> 00:06:50,400  
at mcgill university which was

180  
00:06:54,629 --> 00:06:52,720  
funded by the cia or these experiments

181  
00:06:57,589 --> 00:06:54,639  
were funded by the cia i'm not saying

182  
00:06:59,430 --> 00:06:57,599  
mcgill was completely funded by the cia

183  
00:07:02,070 --> 00:06:59,440  
talks about electroconvulsive therapy

184  
00:07:05,350 --> 00:07:02,080  
all sorts of things in the united states

185  
00:07:08,230 --> 00:07:05,360  
canada and great britain that

186  
00:07:10,710 --> 00:07:08,240  
you know sort of went on during

187  
00:07:13,749 --> 00:07:10,720  
the 40s through

188  
00:07:16,390 --> 00:07:13,759

you know into into the 80s in some cases

189

00:07:17,350 --> 00:07:16,400

he also describes a 1997

190

00:07:18,390 --> 00:07:17,360

video

191

00:07:21,189 --> 00:07:18,400

sort of

192

00:07:23,270 --> 00:07:21,199

set of or set of video depositions or

193

00:07:25,189 --> 00:07:23,280

testimony sent to president clinton by

194

00:07:27,189 --> 00:07:25,199

an organization called the advocacy

195

00:07:30,390 --> 00:07:27,199

committee for human experimentation

196

00:07:33,189 --> 00:07:30,400

survivors hyphen mind control and this

197

00:07:35,510 --> 00:07:33,199

was sort of horrific testimony from

198

00:07:37,510 --> 00:07:35,520

people who believed themselves to be

199

00:07:39,189 --> 00:07:37,520

victims of government mind control

200

00:07:40,629 --> 00:07:39,199

experiments children

201  
00:07:42,950 --> 00:07:40,639  
and adults

202  
00:07:45,670 --> 00:07:42,960  
lammer admits that

203  
00:07:47,990 --> 00:07:45,680  
quote their victims do not report

204  
00:07:50,629 --> 00:07:48,000  
alleged alien ufo contacts like milab

205  
00:07:52,469 --> 00:07:50,639  
victims report but some of the milab

206  
00:07:55,029 --> 00:07:52,479  
experiences also fit the pattern of

207  
00:07:57,990 --> 00:07:55,039  
abuse described by alleged mind control

208  
00:08:00,309 --> 00:07:58,000  
victims so lammer is being very upfront

209  
00:08:02,390 --> 00:08:00,319  
about the fact that no this videotape

210  
00:08:04,469 --> 00:08:02,400  
full of testimony from mind control

211  
00:08:07,270 --> 00:08:04,479  
experimentation victims does not

212  
00:08:09,589 --> 00:08:07,280  
describe a bunch of abduction scenarios

213  
00:08:13,189 --> 00:08:09,599

but there are similarities in the

214

00:08:15,749 --> 00:08:13,199

pattern of abuse that both groups of

215

00:08:16,629 --> 00:08:15,759

victims have experienced

216

00:08:18,710 --> 00:08:16,639

and then

217

00:08:20,950 --> 00:08:18,720

in the next section he moves on to

218

00:08:22,550 --> 00:08:20,960

address a possible purpose of the

219

00:08:24,550 --> 00:08:22,560

millaps and he acknowledges that the

220

00:08:27,430 --> 00:08:24,560

issue might be more complex than he

221

00:08:29,350 --> 00:08:27,440

believed at first and he believes that

222

00:08:32,149 --> 00:08:29,360

there are possibly three different

223

00:08:35,670 --> 00:08:32,159

groups with differing agendas that are

224

00:08:37,350 --> 00:08:35,680

behind the military abduction phenomenon

225

00:08:39,029 --> 00:08:37,360

it seems to me that the first group is

226

00:08:41,110 --> 00:08:39,039

interested in mind and behavior control

227

00:08:43,110 --> 00:08:41,120

experiments i found indications of

228

00:08:44,949 --> 00:08:43,120

sensory deprivation experiments liquid

229

00:08:46,949 --> 00:08:44,959

breathing experiments experiments on

230

00:08:49,509 --> 00:08:46,959

electromagnetic stimulation of temporal

231

00:08:50,170 --> 00:08:49,519

lobes brain research and implant

232

00:08:53,430 --> 00:08:50,180

research

233

00:08:55,829 --> 00:08:53,440

[Music]

234

00:08:57,590 --> 00:08:55,839

so this group is the straight-up

235

00:08:59,430 --> 00:08:57,600

old-fashioned

236

00:09:00,949 --> 00:08:59,440

what you think of when you think of mind

237

00:09:02,310 --> 00:09:00,959

control we are going to mess with your

238

00:09:05,030 --> 00:09:02,320

brain we're going to mess with the

239

00:09:06,710 --> 00:09:05,040

biological things in your

240

00:09:08,790 --> 00:09:06,720

head

241

00:09:10,790 --> 00:09:08,800

psychological physical

242

00:09:13,269 --> 00:09:10,800

whatever and we are going to

243

00:09:14,150 --> 00:09:13,279

figure out how to control or manipulate

244

00:09:16,150 --> 00:09:14,160

or

245

00:09:17,030 --> 00:09:16,160

you know get what we want from your

246

00:09:19,190 --> 00:09:17,040

brain

247

00:09:21,670 --> 00:09:19,200

there's a second group and

248

00:09:23,430 --> 00:09:21,680

their objectives might be a little

249

00:09:25,269 --> 00:09:23,440

different

250

00:09:27,750 --> 00:09:25,279

a second group seems to be interested in

251  
00:09:29,910 --> 00:09:27,760  
biological or genetic research

252  
00:09:31,350 --> 00:09:29,920  
some milab victims recall seeing humans

253  
00:09:33,190 --> 00:09:31,360  
and tubes filled with liquid and

254  
00:09:35,509 --> 00:09:33,200  
genetically altered animals in cages

255  
00:09:37,590 --> 00:09:35,519  
during their alleged kidnappings inside

256  
00:09:39,350 --> 00:09:37,600  
military underground facilities it

257  
00:09:42,070 --> 00:09:39,360  
should be noted that alien abductees

258  
00:09:44,949 --> 00:09:42,080  
without military contacts also remember

259  
00:09:50,389 --> 00:09:44,959  
similar scenarios inside ufos or alleged

260  
00:09:55,190 --> 00:09:52,949  
so this one very much reminds me of of

261  
00:09:57,269 --> 00:09:55,200  
things like stories of the dulce

262  
00:09:59,829 --> 00:09:57,279  
underground base the dulce report and

263  
00:10:00,949 --> 00:09:59,839

things like that with strange hybrid

264

00:10:04,150 --> 00:10:00,959

creatures

265

00:10:06,790 --> 00:10:04,160

being kept in cages and suspended in

266

00:10:09,430 --> 00:10:06,800

tubes of liquid yeah really sort of

267

00:10:12,069 --> 00:10:09,440

reminds me of that in a lot of ways

268

00:10:13,829 --> 00:10:12,079

there's a third group as well

269

00:10:15,350 --> 00:10:13,839

the third group seems to be a military

270

00:10:17,509 --> 00:10:15,360

task force which has been operating

271

00:10:19,190 --> 00:10:17,519

since the 80s this group appears to be

272

00:10:20,949 --> 00:10:19,200

interested in the ufo alien abduction

273

00:10:22,790 --> 00:10:20,959

phenomenon for information gathering

274

00:10:24,550 --> 00:10:22,800

purposes this would be a logical

275

00:10:26,310 --> 00:10:24,560

consequence of someone or a group of

276

00:10:28,630 --> 00:10:26,320

people with the need to know considers

277

00:10:30,230 --> 00:10:28,640

alien abductions to be real it seems to

278

00:10:31,910 --> 00:10:30,240

me that the leaders of this military

279

00:10:33,670 --> 00:10:31,920

task force believe that some alien

280

00:10:36,069 --> 00:10:33,680

abductions are real and that they have

281

00:10:37,670 --> 00:10:36,079

national security implications it could

282

00:10:39,269 --> 00:10:37,680

be that the second and third group are

283

00:10:41,110 --> 00:10:39,279

working together because they could

284

00:10:43,030 --> 00:10:41,120

share their interest in genetic studies

285

00:10:47,910 --> 00:10:43,040

and their findings from alleged alien

286

00:10:52,470 --> 00:10:49,990

all right it might be a little early in

287

00:10:53,190 --> 00:10:52,480

the episode for this kind of analysis

288

00:10:55,269 --> 00:10:53,200

but

289

00:10:57,910 --> 00:10:55,279

what i'm looking at here with these

290

00:11:00,870 --> 00:10:57,920

three groups or these three groups with

291

00:11:03,590 --> 00:11:00,880

competing agendas we have mind control

292

00:11:05,750 --> 00:11:03,600

experiments including implants

293

00:11:07,829 --> 00:11:05,760

we've got

294

00:11:09,829 --> 00:11:07,839

genetic experimentation

295

00:11:11,030 --> 00:11:09,839

some underground bases

296

00:11:13,269 --> 00:11:11,040

we've got

297

00:11:15,350 --> 00:11:13,279

tubes filled with liquid and beings

298

00:11:17,750 --> 00:11:15,360

inside we've got strange creatures and

299

00:11:19,509 --> 00:11:17,760

cages and we've got the military seeking

300

00:11:22,310 --> 00:11:19,519

intelligence and all this because deep

301  
00:11:24,949 --> 00:11:22,320  
down they know that abductions are real

302  
00:11:28,310 --> 00:11:24,959  
and a threat to national security

303  
00:11:29,829 --> 00:11:28,320  
i'm seeing a lot of similarities in some

304  
00:11:34,630 --> 00:11:29,839  
ways with

305  
00:11:35,670 --> 00:11:34,640  
the classic late 1980s early 1990s oh

306  
00:11:36,949 --> 00:11:35,680  
krill

307  
00:11:40,550 --> 00:11:36,959  
john lear

308  
00:11:42,389 --> 00:11:40,560  
sort of scenario it's not identical

309  
00:11:45,430 --> 00:11:42,399  
the motives are different the players

310  
00:11:48,389 --> 00:11:45,440  
are different you're missing some of the

311  
00:11:51,990 --> 00:11:48,399  
big picture cosmic scale globalist

312  
00:11:54,470 --> 00:11:52,000  
conspiracy type of thing that's going on

313  
00:11:55,269 --> 00:11:54,480

in those other documents

314

00:11:57,590 --> 00:11:55,279

but

315

00:11:59,670 --> 00:11:57,600

all the pieces are there if that makes

316

00:12:01,829 --> 00:11:59,680

sense all the pieces are there ready to

317

00:12:05,110 --> 00:12:01,839

be rearranged or having been rearranged

318

00:12:07,190 --> 00:12:05,120

rather from the earlier scenario um i'm

319

00:12:08,870 --> 00:12:07,200

not saying that lammer is

320

00:12:10,550 --> 00:12:08,880

sort of consciously

321

00:12:13,829 --> 00:12:10,560

remixing

322

00:12:17,430 --> 00:12:13,839

things into a different theory i'm sort

323

00:12:19,670 --> 00:12:17,440

of saying that it's incredibly hard to

324

00:12:23,269 --> 00:12:19,680

get away from

325

00:12:24,949 --> 00:12:23,279

the basics of the scenario and

326

00:12:26,710 --> 00:12:24,959

you've got testimony coming from people

327

00:12:29,350 --> 00:12:26,720

under hypnosis as we're going to hear

328

00:12:31,350 --> 00:12:29,360

some examples of very quickly here or

329

00:12:32,150 --> 00:12:31,360

very soon not very quickly

330

00:12:33,269 --> 00:12:32,160

and

331

00:12:36,069 --> 00:12:33,279

i don't know

332

00:12:39,269 --> 00:12:36,079

as as much as the the mind control

333

00:12:40,629 --> 00:12:39,279

aspect of this appeals to me as a

334

00:12:42,949 --> 00:12:40,639

possibly more

335

00:12:44,870 --> 00:12:42,959

logical realistic explanation than

336

00:12:45,750 --> 00:12:44,880

straight up alien abduction

337

00:12:55,269 --> 00:12:45,760

i

338

00:12:57,670 --> 00:12:55,279

that

339

00:13:00,069 --> 00:12:57,680

we don't necessarily know what people

340

00:13:01,269 --> 00:13:00,079

experienced and hypnosis is not always

341

00:13:03,670 --> 00:13:01,279

the best way

342

00:13:05,829 --> 00:13:03,680

to get it but let's move on to the next

343

00:13:08,790 --> 00:13:05,839

section where he he talks about tank and

344

00:13:11,110 --> 00:13:08,800

tube experiences and in this section he

345

00:13:13,590 --> 00:13:11,120

shares the story of a woman known as

346

00:13:15,829 --> 00:13:13,600

Michelle now Lammer starts off his

347

00:13:17,829 --> 00:13:15,839

explanation of Michelle's experiences by

348

00:13:19,509 --> 00:13:17,839

saying that she had been abducted by

349

00:13:22,870 --> 00:13:19,519

aliens all the way back to the age of

350

00:13:24,550 --> 00:13:22,880

eight being sort of taken by beings who

351

00:13:27,110 --> 00:13:24,560

are three to four feet tall with large

352

00:13:29,990 --> 00:13:27,120

heads she he calls them classic alien

353

00:13:32,069 --> 00:13:30,000

abduction experiences but he says that

354

00:13:34,629 --> 00:13:32,079

what happened to her that brought her to

355

00:13:37,750 --> 00:13:34,639

his attention had nothing to do with

356

00:13:40,230 --> 00:13:37,760

alien experiences but were

357

00:13:42,069 --> 00:13:40,240

consciously remembered milab events he

358

00:13:45,030 --> 00:13:42,079

says quote the memory gaps were

359

00:13:47,189 --> 00:13:45,040

investigated by a phd hypnotherapist and

360

00:13:49,430 --> 00:13:47,199

mufon consultant with the use of

361

00:13:52,550 --> 00:13:49,440

regressive hypnosis

362

00:13:55,189 --> 00:13:52,560

this hypnotherapist does have a name we

363

00:13:58,310 --> 00:13:55,199

will get to that name later and some of

364

00:14:00,629 --> 00:13:58,320

the things he has said later it's uh

365

00:14:03,030 --> 00:14:00,639

it's nobody i had ever heard of um when

366

00:14:05,990 --> 00:14:03,040

i first read this article and it just

367

00:14:07,990 --> 00:14:06,000

said an unnamed phd hypnotherapist my

368

00:14:09,509 --> 00:14:08,000

mind instantly went to the late leo

369

00:14:11,910 --> 00:14:09,519

sprinkle because he seems to show up

370

00:14:13,910 --> 00:14:11,920

everywhere um where the stuff uh where

371

00:14:16,310 --> 00:14:13,920

this stuff happens but back to the story

372

00:14:18,710 --> 00:14:16,320

of michelle so michelle and a boyfriend

373

00:14:22,230 --> 00:14:18,720

had a missing time slash kidnapping

374

00:14:23,670 --> 00:14:22,240

experience in 1970 near

375

00:14:27,189 --> 00:14:23,680

a campsite

376

00:14:29,110 --> 00:14:27,199

in montauk new york yes that montauk

377

00:14:32,230 --> 00:14:29,120

montauk experiment

378

00:14:33,350 --> 00:14:32,240

montauk um a listener emailed me saying

379

00:14:35,590 --> 00:14:33,360

did you know

380

00:14:38,550 --> 00:14:35,600

that this article talks about montauk

381

00:14:41,269 --> 00:14:38,560

and i um i said yes i've never really

382

00:14:43,269 --> 00:14:41,279

gotten into the montauk thing and um he

383

00:14:45,590 --> 00:14:43,279

and i corresponded a bit and the upshot

384

00:14:47,829 --> 00:14:45,600

is i've ordered a bunch of montauk books

385

00:14:49,189 --> 00:14:47,839

by um

386

00:14:50,870 --> 00:14:49,199

preston nichols i can't remember his

387

00:14:53,110 --> 00:14:50,880

name but they're on their way i will

388

00:14:55,670 --> 00:14:53,120

probably be doing a montauk episode at

389

00:14:57,990 --> 00:14:55,680

some point um it's a really fun story

390

00:15:00,230 --> 00:14:58,000

i've just never sort of had time to get

391

00:15:02,310 --> 00:15:00,240

into it so i'll make the time you make

392

00:15:05,110 --> 00:15:02,320

time for things that matter right so

393

00:15:07,269 --> 00:15:05,120

back to michelle she recalls that

394

00:15:09,189 --> 00:15:07,279

both she and her boyfriend were taken by

395

00:15:11,750 --> 00:15:09,199

armed military personnel to the now

396

00:15:13,750 --> 00:15:11,760

closed montauk base i think camp hero is

397

00:15:16,150 --> 00:15:13,760

that the name i think after they were

398

00:15:18,310 --> 00:15:16,160

separated michelle was escorted inside

399

00:15:21,829 --> 00:15:18,320

an underground facility where she had

400

00:15:23,910 --> 00:15:21,839

several frightening experiences

401  
00:15:25,750 --> 00:15:23,920  
she remembers being in an examination

402  
00:15:28,069 --> 00:15:25,760  
room with machines stainless steel

403  
00:15:29,509 --> 00:15:28,079  
equipment and a table covered in white

404  
00:15:31,670 --> 00:15:29,519  
michelle was placed on the table and

405  
00:15:33,350 --> 00:15:31,680  
strapped down after a few minutes a

406  
00:15:35,350 --> 00:15:33,360  
group of five to six people including

407  
00:15:36,710 --> 00:15:35,360  
one female came into the room

408  
00:15:39,189 --> 00:15:36,720  
all of them were medical clothes

409  
00:15:41,350 --> 00:15:39,199  
consisting of white gowns surgical masks

410  
00:15:43,030 --> 00:15:41,360  
covered their faces they turned her head

411  
00:15:45,269 --> 00:15:43,040  
sideways and shaved a small portion of

412  
00:15:47,509 --> 00:15:45,279  
her head behind her right ear she was

413  
00:15:49,509 --> 00:15:47,519

completely conscious but was immobilized

414

00:15:50,949 --> 00:15:49,519

and she could not speak

415

00:15:52,629 --> 00:15:50,959

Michelle remembers that someone was

416

00:15:54,870 --> 00:15:52,639

writing something on the skin behind her

417

00:15:57,030 --> 00:15:54,880

ear after this she got an intravenous

418

00:15:58,550 --> 00:15:57,040

injection she felt a prick in her arm

419

00:16:00,550 --> 00:15:58,560

and lost consciousness and awoke with

420

00:16:02,310 --> 00:16:00,560

her boyfriend who was also kidnapped

421

00:16:04,069 --> 00:16:02,320

later on the beach

422

00:16:06,069 --> 00:16:04,079

the next hypnosis session revealed more

423

00:16:07,509 --> 00:16:06,079

traumatic flashbacks of being in an

424

00:16:08,710 --> 00:16:07,519

isolation tank

425

00:16:10,069 --> 00:16:08,720

the following experience was

426

00:16:12,629 --> 00:16:10,079

investigated during an emotional

427

00:16:14,150 --> 00:16:12,639

hypnosis regression session michelle has

428

00:16:16,470 --> 00:16:14,160

never had this experience while under

429

00:16:18,310 --> 00:16:16,480

hypnosis before she recalled being in a

430

00:16:19,829 --> 00:16:18,320

dark place while she floated in

431

00:16:21,509 --> 00:16:19,839

something that felt slightly heavier

432

00:16:23,350 --> 00:16:21,519

than warm water

433

00:16:25,590 --> 00:16:23,360

before this experience michelle recalled

434

00:16:27,670 --> 00:16:25,600

being naked on a table she had wires

435

00:16:29,590 --> 00:16:27,680

attached all over her body and she saw a

436

00:16:31,910 --> 00:16:29,600

doctor in a white lab coat standing next

437

00:16:34,150 --> 00:16:31,920

to her the next experience was uncovered

438

00:16:36,629 --> 00:16:34,160

via a deep trans regression which probed

439

00:16:38,230 --> 00:16:36,639

again into the isolation tank experience

440

00:16:40,230 --> 00:16:38,240

Michelle remembered once again that she

441

00:16:42,470 --> 00:16:40,240

was in a black enclosed area where she

442

00:16:44,550 --> 00:16:42,480

struggled and was afraid of drowning

443

00:16:46,629 --> 00:16:44,560

the experience scared her a lot and she

444

00:16:48,790 --> 00:16:46,639

wanted out of the tank she felt that the

445

00:16:51,189 --> 00:16:48,800

liquid was heavier than water was warm

446

00:16:52,710 --> 00:16:51,199

and smelled of a minty odor she was able

447

00:16:54,790 --> 00:16:52,720

to move her arms and legs slightly as

448

00:16:56,550 --> 00:16:54,800

well as her head she felt the smooth

449

00:16:58,629 --> 00:16:56,560

surface of the isolation tank on her

450

00:17:00,710 --> 00:16:58,639

right when she stretched out her arm she

451  
00:17:02,470 --> 00:17:00,720  
was completely isolated in the dark tank

452  
00:17:05,350 --> 00:17:02,480  
when a kind of artificially induced out

453  
00:17:09,909 --> 00:17:05,360  
of body experience began or she began to

454  
00:17:13,590 --> 00:17:11,829  
lammer segues from there into a

455  
00:17:16,829 --> 00:17:13,600  
discussion of

456  
00:17:19,990 --> 00:17:16,839  
liquid breathing experiments and sensory

457  
00:17:22,230 --> 00:17:20,000  
deprivation tank experiences and or

458  
00:17:26,150 --> 00:17:22,240  
experiments rather which could also be

459  
00:17:28,630 --> 00:17:26,160  
experiences and he argues that it sounds

460  
00:17:29,990 --> 00:17:28,640  
a lot like what michelle

461  
00:17:32,150 --> 00:17:30,000  
experienced

462  
00:17:34,630 --> 00:17:32,160  
he also talks about michelle's

463  
00:17:36,789 --> 00:17:34,640

experiences another aspect of it where

464

00:17:38,630 --> 00:17:36,799

she described being taken by military

465

00:17:41,430 --> 00:17:38,640

personnel into a dark

466

00:17:44,310 --> 00:17:41,440

room like an office and she was raped by

467

00:17:46,310 --> 00:17:44,320

a reptiloid creature

468

00:17:48,950 --> 00:17:46,320

lammer says quote i don't know what this

469

00:17:50,630 --> 00:17:48,960

traumatic experience means i don't think

470

00:17:52,710 --> 00:17:50,640

however that the military worked with

471

00:17:54,470 --> 00:17:52,720

this reptoid creature

472

00:17:55,830 --> 00:17:54,480

it could be possible that michelle was

473

00:17:57,590 --> 00:17:55,840

drugged with a hallucinogen and

474

00:17:59,750 --> 00:17:57,600

projected the reptoid as a kind of

475

00:18:02,070 --> 00:17:59,760

screen memory although she described the

476

00:18:04,390 --> 00:18:02,080

skin and other features of the creature

477

00:18:06,870 --> 00:18:04,400

quite realistically end quote and we

478

00:18:08,549 --> 00:18:06,880

will have more of that explanation of

479

00:18:11,110 --> 00:18:08,559

the creature's appearance

480

00:18:13,350 --> 00:18:11,120

later when we get to the milabs book

481

00:18:16,789 --> 00:18:13,360

itself and i do want to point out i did

482

00:18:20,390 --> 00:18:16,799

not misspeak he says reptiloid

483

00:18:22,549 --> 00:18:20,400

first and then reptoid twice so that

484

00:18:24,950 --> 00:18:22,559

bugged me i went back and checked that i

485

00:18:26,710 --> 00:18:24,960

wasn't misspeaking he used two different

486

00:18:29,590 --> 00:18:26,720

words so i just want to make sure that

487

00:18:31,110 --> 00:18:29,600

you all know that i am quoting him

488

00:18:33,590 --> 00:18:31,120

correctly

489

00:18:35,590 --> 00:18:33,600

he goes on to discuss other known

490

00:18:38,390 --> 00:18:35,600

experimentation that has taken place by

491

00:18:40,710 --> 00:18:38,400

scientists that could mimic elements of

492

00:18:42,470 --> 00:18:40,720

the alien abduction experience and one

493

00:18:44,070 --> 00:18:42,480

citation he has is the work of dr

494

00:18:46,950 --> 00:18:44,080

michael persinger

495

00:18:48,310 --> 00:18:46,960

of um canada laurentian university who

496

00:18:49,669 --> 00:18:48,320

quote demonstrated that one can

497

00:18:51,750 --> 00:18:49,679

artificially produce mystical

498

00:18:54,070 --> 00:18:51,760

experiences out of body excursions and

499

00:18:55,990 --> 00:18:54,080

other psychic experiences by stimulating

500

00:18:59,190 --> 00:18:56,000

the temporal lobes with an application

501  
00:19:02,150 --> 00:18:59,200  
of magnetic fields across the brain so

502  
00:19:04,710 --> 00:19:02,160  
there is precedent for

503  
00:19:07,830 --> 00:19:04,720  
strange brain events being

504  
00:19:08,870 --> 00:19:07,840  
elicited in laboratory situations

505  
00:19:12,710 --> 00:19:08,880  
so

506  
00:19:14,630 --> 00:19:12,720  
literature about liquid breathing you

507  
00:19:16,630 --> 00:19:14,640  
know beings in these sort of sealed

508  
00:19:19,029 --> 00:19:16,640  
liquid tanks there's lots of information

509  
00:19:21,110 --> 00:19:19,039  
about sensory deprivation experiences he

510  
00:19:23,270 --> 00:19:21,120  
talks about other abductees like betty

511  
00:19:26,150 --> 00:19:23,280  
andreasen who reported being placed

512  
00:19:27,270 --> 00:19:26,160  
inside a tube filled with liquid

513  
00:19:29,110 --> 00:19:27,280

so

514

00:19:33,590 --> 00:19:29,120

he says basically

515

00:19:38,390 --> 00:19:36,950

terrestrial scientific experimentation

516

00:19:40,630 --> 00:19:38,400

that at least

517

00:19:43,190 --> 00:19:40,640

reflects or

518

00:19:44,630 --> 00:19:43,200

mimics or is a bit like

519

00:19:46,870 --> 00:19:44,640

what's going on

520

00:19:49,110 --> 00:19:46,880

on these spaceships

521

00:19:51,909 --> 00:19:49,120

we work towards the conclusion at this

522

00:19:54,870 --> 00:19:51,919

point um turk talks a bit about virtual

523

00:19:55,909 --> 00:19:54,880

reality brain implants because it's 1997

524

00:19:58,710 --> 00:19:55,919

and of course we're talking about

525

00:20:01,990 --> 00:19:58,720

virtual reality and he

526  
00:20:03,590 --> 00:20:02,000  
eventually gets to a conclusion

527  
00:20:05,270 --> 00:20:03,600  
one can assume that similar secret

528  
00:20:06,950 --> 00:20:05,280  
military research projects are being

529  
00:20:09,430 --> 00:20:06,960  
conducted for biological and genetic

530  
00:20:11,110 --> 00:20:09,440  
warfare projects if we speculate that a

531  
00:20:13,190 --> 00:20:11,120  
core of the alien abduction phenomenon

532  
00:20:14,549 --> 00:20:13,200  
is indeed real the same people who are

533  
00:20:17,029 --> 00:20:14,559  
behind these projects would have an

534  
00:20:18,789 --> 00:20:17,039  
interest in alien biology genetics and

535  
00:20:20,390 --> 00:20:18,799  
mind control procedures

536  
00:20:22,630 --> 00:20:20,400  
since these research operations appear

537  
00:20:24,149 --> 00:20:22,640  
to be hidden behind deep black projects

538  
00:20:25,510 --> 00:20:24,159

only certain people with the right need

539

00:20:26,310 --> 00:20:25,520

to know would really know what's going

540

00:20:27,750 --> 00:20:26,320

on

541

00:20:29,350 --> 00:20:27,760

there's also the main problem for

542

00:20:31,190 --> 00:20:29,360

organizations who push for congressional

543

00:20:33,350 --> 00:20:31,200

hearings concerning such experiments on

544

00:20:34,950 --> 00:20:33,360

humans secret genetic research and

545

00:20:36,789 --> 00:20:34,960

military involvement in the alien

546

00:20:38,789 --> 00:20:36,799

abduction phenomenon

547

00:20:40,390 --> 00:20:38,799

such projects are unacknowledged special

548

00:20:42,390 --> 00:20:40,400

access programs like the stealth

549

00:20:44,390 --> 00:20:42,400

projects were therefore most of the

550

00:20:46,789 --> 00:20:44,400

elected politicians do not know that

551  
00:20:48,470 --> 00:20:46,799  
this kind of research is being conducted

552  
00:20:49,990 --> 00:20:48,480  
we must keep in mind that most milab

553  
00:20:51,669 --> 00:20:50,000  
victims claim they have seen alien

554  
00:20:53,510 --> 00:20:51,679  
beings and human military personnel

555  
00:20:54,710 --> 00:20:53,520  
working side by side

556  
00:20:56,870 --> 00:20:54,720  
these claims should be carefully

557  
00:20:58,950 --> 00:20:56,880  
investigated we need more research

558  
00:21:01,430 --> 00:20:58,960  
before one definitely concludes that

559  
00:21:04,870 --> 00:21:01,440  
alien beings and military personnel are

560  
00:21:10,710 --> 00:21:08,149  
well yes of course we should but

561  
00:21:12,870 --> 00:21:10,720  
it's easy to say that at the end of your

562  
00:21:14,070 --> 00:21:12,880  
two very long articles where you

563  
00:21:16,950 --> 00:21:14,080

basically

564

00:21:18,630 --> 00:21:16,960

sort of set this whole thing up

565

00:21:21,110 --> 00:21:18,640

i don't know i mean i

566

00:21:22,950 --> 00:21:21,120

i'm not calling into question his

567

00:21:23,909 --> 00:21:22,960

sort of motives or anything but it just

568

00:21:26,070 --> 00:21:23,919

seems like

569

00:21:28,789 --> 00:21:26,080

you throw out all of this

570

00:21:30,710 --> 00:21:28,799

very kind of sinister sexy

571

00:21:33,430 --> 00:21:30,720

government mind control stuff the

572

00:21:34,789 --> 00:21:33,440

parallel to aliens and alien abduction

573

00:21:35,669 --> 00:21:34,799

experiences

574

00:21:40,390 --> 00:21:35,679

the

575

00:21:42,789 --> 00:21:40,400

alien abductees but also have been

576

00:21:44,149 --> 00:21:42,799

subject to these mill abs and then at

577

00:21:47,110 --> 00:21:44,159

the end of it you say yeah but we should

578

00:21:49,270 --> 00:21:47,120

be careful which yes you should

579

00:21:52,230 --> 00:21:49,280

but um and i'm not saying he presented

580

00:21:54,710 --> 00:21:52,240

it in a super lurid way or anything like

581

00:21:57,190 --> 00:21:54,720

that i'm just saying you're letting some

582

00:21:59,110 --> 00:21:57,200

genies out of some bottles here dr

583

00:22:01,669 --> 00:21:59,120

hammer and

584

00:22:03,350 --> 00:22:01,679

it might not be enough to just say but

585

00:22:06,630 --> 00:22:03,360

you know we should all be very careful

586

00:22:07,669 --> 00:22:06,640

before we speculate too much

587

00:22:09,350 --> 00:22:07,679

so

588

00:22:12,710 --> 00:22:09,360

let's take a break and then we're going

589

00:22:14,310 --> 00:22:12,720

to come back and look at the book itself

590

00:22:16,950 --> 00:22:14,320

and

591

00:22:20,260 --> 00:22:16,960

talk about some of the response to the

592

00:22:24,950 --> 00:22:20,270

book from various quarters

593

00:22:27,909 --> 00:22:26,549

we'll be back in a week fielding your

594

00:22:29,909 --> 00:22:27,919

questions and comments about this

595

00:22:31,270 --> 00:22:29,919

episode so be sure to get those into us

596

00:22:33,750 --> 00:22:31,280

in the comments under this episode on

597

00:22:37,070 --> 00:22:33,760

the website on social media or through

598

00:22:39,190 --> 00:22:37,080

email at thesaucerlife

599

00:22:40,470 --> 00:22:39,200

gmail.com and of course we're on social

600

00:22:43,510 --> 00:22:40,480

media on twitter

601  
00:22:45,350 --> 00:22:43,520  
on instagram at saucerlife and if you go

602  
00:22:47,750 --> 00:22:45,360  
to facebook and search for the

603  
00:22:48,549 --> 00:22:47,760  
saucerlife podcast you'll find us that

604  
00:22:50,230 --> 00:22:48,559  
way

605  
00:22:52,789 --> 00:22:50,240  
then on our next regular episode we're

606  
00:22:55,830 --> 00:22:52,799  
going to begin our periodic look at the

607  
00:22:57,830 --> 00:22:55,840  
story of shoichi harakawa a japanese

608  
00:23:00,070 --> 00:22:57,840  
contactee whose accounts were collected

609  
00:23:02,230 --> 00:23:00,080  
in the newsletter of japan's branch of

610  
00:23:04,630 --> 00:23:02,240  
the adamski get acquainted program we

611  
00:23:07,190 --> 00:23:04,640  
looked at some issues of this magazine

612  
00:23:10,630 --> 00:23:07,200  
or newsletter back in

613  
00:23:13,430 --> 00:23:10,640

late 2021 it's too much for one episode

614

00:23:15,190 --> 00:23:13,440

but a bunch of these in a row would get

615

00:23:17,430 --> 00:23:15,200

sort of tedious so i'm going to be

616

00:23:20,830 --> 00:23:17,440

sprinkling bits of the story of shoiichi

617

00:23:23,110 --> 00:23:20,840

harakawa in your podcast feed throughout

618

00:23:25,430 --> 00:23:23,120

2022 and we doubt you've missed it but

619

00:23:27,750 --> 00:23:25,440

the chiso media patreon has launched

620

00:23:29,270 --> 00:23:27,760

over at patreon.com

621

00:23:31,110 --> 00:23:29,280

chiso media or if you go to

622

00:23:33,430 --> 00:23:31,120

chizzomedia.com

623

00:23:34,630 --> 00:23:33,440

you can find it there as well and just

624

00:23:35,669 --> 00:23:34,640

to tell you some of the stuff that's

625

00:23:36,630 --> 00:23:35,679

coming up

626

00:23:42,549 --> 00:23:36,640

on the

627

00:23:44,390 --> 00:23:42,559

bonus episode for february is me

628

00:23:46,470 --> 00:23:44,400

i don't say torturing the saucer wife

629

00:23:49,269 --> 00:23:46,480

but maybe torturing the saucer wife by

630

00:23:52,070 --> 00:23:49,279

making her watch and comment on

631

00:23:53,669 --> 00:23:52,080

both the the old found footage film the

632

00:23:58,149 --> 00:23:53,679

macpherson tape

633

00:24:00,630 --> 00:23:58,159

as well as the 1997-1998

634

00:24:04,149 --> 00:24:00,640

remake of the mcpherson tape that was

635

00:24:07,350 --> 00:24:04,159

broadcast on upn if anybody else

636

00:24:10,149 --> 00:24:07,360

remembers upn there is a video field

637

00:24:12,390 --> 00:24:10,159

trip this month as my great lakes lore

638

00:24:15,269 --> 00:24:12,400

co-host samantha and i

639

00:24:17,750 --> 00:24:15,279

assess the state of the paranormal and

640

00:24:19,350 --> 00:24:17,760

ufological

641

00:24:21,750 --> 00:24:19,360

selection in

642

00:24:24,230 --> 00:24:21,760

mid-michigan uh spoiler

643

00:24:26,630 --> 00:24:24,240

i found some really cool stuff but i was

644

00:24:28,390 --> 00:24:26,640

worried for a bit that i wouldn't uh

645

00:24:31,029 --> 00:24:28,400

there's also um

646

00:24:33,510 --> 00:24:31,039

sort of post-recording wrap-ups of sort

647

00:24:36,310 --> 00:24:33,520

of extended episode material and things

648

00:24:38,710 --> 00:24:36,320

like that a lot of great stuff research

649

00:24:41,190 --> 00:24:38,720

blog posts some photos

650

00:24:43,029 --> 00:24:41,200

check it out if you uh if you like and

651

00:24:45,350 --> 00:24:43,039

thank you to those who are currently

652

00:24:47,029 --> 00:24:45,360

supporting us you can as always check

653

00:24:49,750 --> 00:24:47,039

out past episodes of the show in your

654

00:24:51,750 --> 00:24:49,760

podcast app or at saucerlife.com i told

655

00:24:54,710 --> 00:24:51,760

you where we are on the social media but

656

00:24:57,830 --> 00:24:54,720

you can also send us postal mail at

657

00:25:01,110 --> 00:24:57,840

chiso media po box 68 grand blank

658

00:25:03,350 --> 00:25:01,120

michigan 484

659

00:25:05,590 --> 00:25:03,360

and now back to the program

660

00:25:07,460 --> 00:25:05,600

the disturbing government mind control

661

00:25:12,470 --> 00:25:07,470

program

662

00:25:18,070 --> 00:25:15,190

all right now on to the book itself

663

00:25:19,830 --> 00:25:18,080

finally although i've got to say

664

00:25:23,590 --> 00:25:19,840

that

665

00:25:26,710 --> 00:25:23,600

as a proportion of the episodes about

666

00:25:28,390 --> 00:25:26,720

millabs by helmut and marion lammer

667

00:25:31,590 --> 00:25:28,400

i think the least

668

00:25:33,990 --> 00:25:31,600

big chunk of the content is going to be

669

00:25:36,710 --> 00:25:34,000

about the book itself now partially this

670

00:25:38,710 --> 00:25:36,720

is because well not partially mostly

671

00:25:40,789 --> 00:25:38,720

absolutely it's because the structure of

672

00:25:43,269 --> 00:25:40,799

the book the basic argument

673

00:25:45,990 --> 00:25:43,279

most of the evidence is the same as what

674

00:25:48,230 --> 00:25:46,000

lammer presented in his mufon journal

675

00:25:50,390 --> 00:25:48,240

articles um and he throws in his

676  
00:25:52,149 --> 00:25:50,400  
rejoinders to victoria alexander and his

677  
00:25:53,909 --> 00:25:52,159  
counter arguments to her critiques of

678  
00:25:55,350 --> 00:25:53,919  
his work there are some good additions

679  
00:25:58,470 --> 00:25:55,360  
and expansions that we're going to look

680  
00:26:01,029 --> 00:25:58,480  
at but the thing i want to mention first

681  
00:26:02,870 --> 00:26:01,039  
and you can sort of follow along on some

682  
00:26:04,630 --> 00:26:02,880  
social media posts or at the website if

683  
00:26:08,230 --> 00:26:04,640  
you want to take a look at this is

684  
00:26:10,390 --> 00:26:08,240  
the cover of this book is something to

685  
00:26:12,789 --> 00:26:10,400  
behold um

686  
00:26:15,029 --> 00:26:12,799  
at the top we have millabs colon and

687  
00:26:17,269 --> 00:26:15,039  
then at the bottom military mind control

688  
00:26:19,190 --> 00:26:17,279

and alien abduction

689

00:26:21,110 --> 00:26:19,200

the bottom half of the title the

690

00:26:22,789 --> 00:26:21,120

subtitle is

691

00:26:25,350 --> 00:26:22,799

very heavily

692

00:26:27,669 --> 00:26:25,360

drop shadowed it's like somebody figured

693

00:26:30,710 --> 00:26:27,679

out the drop shadow tool on a graphic

694

00:26:31,590 --> 00:26:30,720

editing program and just lost their tiny

695

00:26:33,909 --> 00:26:31,600

mind

696

00:26:35,029 --> 00:26:33,919

and the graphic

697

00:26:37,350 --> 00:26:35,039

is

698

00:26:39,750 --> 00:26:37,360

sort of i think it took me a while of

699

00:26:41,510 --> 00:26:39,760

staring at this to finally figure out

700

00:26:43,830 --> 00:26:41,520

what i was looking at but what this is

701  
00:26:46,630 --> 00:26:43,840  
is it looks like a military helicopter

702  
00:26:49,350 --> 00:26:46,640  
pilot sort of got the the helmet with

703  
00:26:51,750 --> 00:26:49,360  
the sort of heavy duty microphone

704  
00:26:55,990 --> 00:26:51,760  
curving down um

705  
00:26:58,310 --> 00:26:56,000  
except it's a gray alien face wearing or

706  
00:27:00,390 --> 00:26:58,320  
head wearing the helmet except the grey

707  
00:27:02,549 --> 00:27:00,400  
alien is sort of a

708  
00:27:04,710 --> 00:27:02,559  
pinkish peachy

709  
00:27:07,669 --> 00:27:04,720  
white person flesh tone

710  
00:27:08,789 --> 00:27:07,679  
color which is really really

711  
00:27:10,470 --> 00:27:08,799  
troubling

712  
00:27:12,870 --> 00:27:10,480  
another thing that gets me about this

713  
00:27:16,149 --> 00:27:12,880

cover it's not just the

714

00:27:18,549 --> 00:27:16,159

design choice of the not quite a gray

715

00:27:22,549 --> 00:27:18,559

alien and military helicopter pilot

716

00:27:25,669 --> 00:27:22,559

outfit it's the fact that the image is

717

00:27:29,909 --> 00:27:25,679

horribly pixelated it is

718

00:27:32,389 --> 00:27:29,919

to the point where i wondered if they

719

00:27:34,549 --> 00:27:32,399

were going for some sort of french

720

00:27:36,549 --> 00:27:34,559

impressionist thing

721

00:27:39,669 --> 00:27:36,559

it's weird but

722

00:27:41,510 --> 00:27:39,679

i've got to say that i own a lot of

723

00:27:43,510 --> 00:27:41,520

books that were published by illuminet

724

00:27:45,990 --> 00:27:43,520

press back in the day and they are some

725

00:27:49,430 --> 00:27:46,000

of my some of my absolute favorite and

726  
00:27:50,870 --> 00:27:49,440  
most treasured pieces of ufological and

727  
00:27:52,950 --> 00:27:50,880  
parapolitical

728  
00:27:54,870 --> 00:27:52,960  
content that i own

729  
00:27:56,950 --> 00:27:54,880  
but i do have to say with very few

730  
00:27:59,190 --> 00:27:56,960  
exceptions

731  
00:28:01,990 --> 00:27:59,200  
the book covers were not

732  
00:28:04,789 --> 00:28:02,000  
were not great i think and i don't know

733  
00:28:07,269 --> 00:28:04,799  
if there's a reason for this but i think

734  
00:28:08,870 --> 00:28:07,279  
ken thomas's books with them i always

735  
00:28:11,430 --> 00:28:08,880  
liked the

736  
00:28:13,350 --> 00:28:11,440  
the illustrations on those but but some

737  
00:28:14,950 --> 00:28:13,360  
of them some of the jim keith books the

738  
00:28:17,269 --> 00:28:14,960

covers were just

739

00:28:20,470 --> 00:28:17,279

we're just not great and i think the

740

00:28:22,070 --> 00:28:20,480

millaps book is the not greatest of them

741

00:28:24,149 --> 00:28:22,080

all okay

742

00:28:26,710 --> 00:28:24,159

complaining about the cover aside like i

743

00:28:29,190 --> 00:28:26,720

said it's it's very much structurally

744

00:28:30,470 --> 00:28:29,200

evidence-wise argument-wise the same as

745

00:28:32,710 --> 00:28:30,480

what was presented

746

00:28:33,750 --> 00:28:32,720

in those original articles in the mufon

747

00:28:36,149 --> 00:28:33,760

journal

748

00:28:38,630 --> 00:28:36,159

the introduction in the illuminate press

749

00:28:40,549 --> 00:28:38,640

published united states version of the

750

00:28:43,110 --> 00:28:40,559

book is by

751  
00:28:45,430 --> 00:28:43,120  
underground base expert richard souter

752  
00:28:46,950 --> 00:28:45,440  
and in my opinion it's a little dull it

753  
00:28:48,549 --> 00:28:46,960  
mostly talks about

754  
00:28:50,230 --> 00:28:48,559  
underground bases

755  
00:28:52,870 --> 00:28:50,240  
but the original introduction from the

756  
00:28:55,190 --> 00:28:52,880  
german version was by abductee katharina

757  
00:28:56,470 --> 00:28:55,200  
wilson and somehow this introduction

758  
00:28:59,909 --> 00:28:56,480  
found its way

759  
00:29:01,430 --> 00:28:59,919  
onto the internet back in 1999 and it's

760  
00:29:03,350 --> 00:29:01,440  
good it talks about you know a little

761  
00:29:06,870 --> 00:29:03,360  
bit about her experiences and things and

762  
00:29:09,510 --> 00:29:06,880  
she closes it with a sort of selection

763  
00:29:11,669 --> 00:29:09,520

well designed to ramp up tension in

764

00:29:13,590 --> 00:29:11,679

readers

765

00:29:15,190 --> 00:29:13,600

millaps is a well-researched chronicle

766

00:29:17,110 --> 00:29:15,200

of clandestine activities that have been

767

00:29:18,710 --> 00:29:17,120

occurring for many decades helmut and

768

00:29:20,310 --> 00:29:18,720

marion lammer have been resolute in

769

00:29:21,909 --> 00:29:20,320

their search for the truth from the

770

00:29:24,230 --> 00:29:21,919

pages of mill labs will emerge the

771

00:29:26,389 --> 00:29:24,240

voices of the survivors the survivors of

772

00:29:27,830 --> 00:29:26,399

manipulation in its worst form

773

00:29:29,350 --> 00:29:27,840

in these pages you will learn how

774

00:29:31,669 --> 00:29:29,360

physiological and psychological

775

00:29:33,590 --> 00:29:31,679

experiments were and still are performed

776

00:29:36,230 --> 00:29:33,600

on the unwitting the innocent and the

777

00:29:38,230 --> 00:29:36,240

unsuspecting who are these victims we

778

00:29:40,470 --> 00:29:38,240

are people just like you we are your

779

00:29:42,470 --> 00:29:40,480

neighbors your co-workers your brothers

780

00:29:44,310 --> 00:29:42,480

and sisters and even your children

781

00:29:46,230 --> 00:29:44,320

after reading millaps you will never

782

00:29:53,110 --> 00:29:46,240

take the truth or your freedom for

783

00:29:57,909 --> 00:29:55,669

so this is good it generates empathy in

784

00:30:00,470 --> 00:29:57,919

the reader you know we're not weirdos

785

00:30:01,750 --> 00:30:00,480

we're not just out here looking for

786

00:30:03,110 --> 00:30:01,760

attention

787

00:30:12,070 --> 00:30:03,120

we could be

788

00:30:14,630 --> 00:30:12,080

you meet anybody you know could be one

789

00:30:16,389 --> 00:30:14,640

of the people who's been victimized in

790

00:30:17,909 --> 00:30:16,399

this way

791

00:30:19,750 --> 00:30:17,919

hammer also

792

00:30:21,669 --> 00:30:19,760

talks about the

793

00:30:23,510 --> 00:30:21,679

the work of dan wright and he does this

794

00:30:25,830 --> 00:30:23,520

in the mufon journal as well dan wright

795

00:30:28,630 --> 00:30:25,840

was the head of mufon's abduction

796

00:30:29,909 --> 00:30:28,640

transcription project which sort of

797

00:30:33,750 --> 00:30:29,919

catalogued

798

00:30:36,549 --> 00:30:33,760

all kinds of accounts of alien abduction

799

00:30:39,190 --> 00:30:36,559

hypnos hypnosis and testimony and things

800

00:30:41,510 --> 00:30:39,200

like that and here in sort of the

801  
00:30:44,149 --> 00:30:41,520  
opening chapter of the mill lapse book

802  
00:30:49,430 --> 00:30:44,159  
lammer presents something from wright

803  
00:30:52,230 --> 00:30:49,440  
about common themes in abduction cases

804  
00:30:53,750 --> 00:30:52,240  
one a strong interest in human sexuality

805  
00:30:56,310 --> 00:30:53,760  
and reproduction

806  
00:30:58,149 --> 00:30:56,320  
two a belief in an alien connection born

807  
00:30:59,509 --> 00:30:58,159  
in a realm ostensibly outside this

808  
00:31:02,230 --> 00:30:59,519  
conscious life

809  
00:31:05,509 --> 00:31:02,240  
three a mission to perform at some point

810  
00:31:07,269 --> 00:31:05,519  
in the near future four geophysical and

811  
00:31:09,350 --> 00:31:07,279  
other dramatic changes to the earth are

812  
00:31:11,750 --> 00:31:09,360  
shown to abductees

813  
00:31:14,630 --> 00:31:11,760

five the us government's involvement and

814

00:31:16,470 --> 00:31:14,640

or acquiescence in alien abductions

815

00:31:18,710 --> 00:31:16,480

one can see from dan wright's analysis

816

00:31:20,149 --> 00:31:18,720

that he also came across milab cases and

817

00:31:21,669 --> 00:31:20,159

that he also believes that some

818

00:31:23,990 --> 00:31:21,679

government group is involved in the

819

00:31:25,269 --> 00:31:24,000

alien abduction phenomenon

820

00:31:27,350 --> 00:31:25,279

in the following chapters we will

821

00:31:29,350 --> 00:31:27,360

present more details and cases that

822

00:31:36,630 --> 00:31:29,360

provide insights into a secret human

823

00:31:41,190 --> 00:31:38,549

so i think what lammer or the lammers

824

00:31:43,669 --> 00:31:41,200

rather are doing here in presenting the

825

00:31:44,549 --> 00:31:43,679

findings of of dan wright

826  
00:31:49,029 --> 00:31:44,559  
are

827  
00:31:51,750 --> 00:31:49,039  
not the only ones who have seen this

828  
00:31:54,389 --> 00:31:51,760  
overlap between the military aspect and

829  
00:31:57,029 --> 00:31:54,399  
the extraterrestrial aspect

830  
00:31:58,630 --> 00:31:57,039  
of alien abductions or the abduction

831  
00:32:00,389 --> 00:31:58,640  
phenomenon let's leave the word alien

832  
00:32:01,190 --> 00:32:00,399  
out of it just right there

833  
00:32:02,230 --> 00:32:01,200  
and

834  
00:32:04,149 --> 00:32:02,240  
that

835  
00:32:06,870 --> 00:32:04,159  
there are others who have experienced

836  
00:32:09,590 --> 00:32:06,880  
these things and if not

837  
00:32:14,310 --> 00:32:09,600  
being endemic to the abduction

838  
00:32:15,750 --> 00:32:14,320

phenomenon a terrestrial military aspect

839

00:32:17,269 --> 00:32:15,760

is not

840

00:32:19,509 --> 00:32:17,279

unheard of

841

00:32:21,110 --> 00:32:19,519

so one of the things that the lammers

842

00:32:22,549 --> 00:32:21,120

expand upon

843

00:32:25,430 --> 00:32:22,559

from the

844

00:32:29,669 --> 00:32:25,440

mufon articles to this book form is the

845

00:32:31,350 --> 00:32:29,679

story of michelle that we learned about

846

00:32:33,750 --> 00:32:31,360

we learned additional things we learned

847

00:32:35,830 --> 00:32:33,760

for example that the phd hypnotherapist

848

00:32:37,509 --> 00:32:35,840

and mufon consultant mentioned in the

849

00:32:38,710 --> 00:32:37,519

article was a doctor

850

00:32:41,110 --> 00:32:38,720

kuguel

851  
00:32:43,190 --> 00:32:41,120  
no first name given in the book and i do

852  
00:32:48,470 --> 00:32:43,200  
not know if i am pronouncing that name

853  
00:32:50,389 --> 00:32:49,190  
so

854  
00:32:54,230 --> 00:32:50,399  
kaguel

855  
00:32:55,909 --> 00:32:54,240  
is um how i interpreted it

856  
00:32:58,389 --> 00:32:55,919  
with my luck it's probably something

857  
00:33:00,070 --> 00:32:58,399  
extremely straightforward like kogel or

858  
00:33:03,269 --> 00:33:00,080  
something like that

859  
00:33:05,029 --> 00:33:03,279  
so who is dr cagwell we don't learn much

860  
00:33:08,149 --> 00:33:05,039  
about him in the book but

861  
00:33:10,710 --> 00:33:08,159  
i did some deep investigation

862  
00:33:12,710 --> 00:33:10,720  
by which i threw the words kaguel and

863  
00:33:15,750 --> 00:33:12,720

alien abduction into

864

00:33:19,269 --> 00:33:15,760

the google machine and i figured out i

865

00:33:22,070 --> 00:33:19,279

learned that dr coogwell is

866

00:33:24,789 --> 00:33:22,080

very probably in fact not probably is

867

00:33:27,029 --> 00:33:24,799

absolutely dr maurice coogwell a

868

00:33:29,430 --> 00:33:27,039

hypnotherapist who founded the brookside

869

00:33:31,830 --> 00:33:29,440

center for counseling and hypnotherapy

870

00:33:33,350 --> 00:33:31,840

in exeter new hampshire which reminds me

871

00:33:36,149 --> 00:33:33,360

we're going to have an exeter new

872

00:33:37,909 --> 00:33:36,159

hampshire episode at some point not

873

00:33:39,590 --> 00:33:37,919

about the brookside center for

874

00:33:42,310 --> 00:33:39,600

counseling and hypnotherapy about the

875

00:33:45,029 --> 00:33:42,320

the ufo sighting there so this is a bit

876

00:33:47,750 --> 00:33:45,039

of a digression which of course we know

877

00:33:50,070 --> 00:33:47,760

are not a saucer life thing but i found

878

00:33:52,230 --> 00:33:50,080

some interesting stuff on the brookside

879

00:33:55,110 --> 00:33:52,240

center for counseling and hypnotherapy

880

00:33:58,470 --> 00:33:55,120

website in particular i was drawn to the

881

00:34:00,230 --> 00:33:58,480

hypnosis frequently asked questions page

882

00:34:02,710 --> 00:34:00,240

for example this question jumped out at

883

00:34:05,269 --> 00:34:02,720

me is it possible to have thoughts

884

00:34:07,269 --> 00:34:05,279

implanted in my mind

885

00:34:09,349 --> 00:34:07,279

the capacity to influence people to do

886

00:34:10,950 --> 00:34:09,359

something against their will exists

887

00:34:12,550 --> 00:34:10,960

there is no doubt that people can be

888

00:34:13,990 --> 00:34:12,560

manipulated into doing things against

889

00:34:15,990 --> 00:34:14,000

their will and even against their

890

00:34:17,510 --> 00:34:16,000

systems of value and belief

891

00:34:19,270 --> 00:34:17,520

although techniques of brainwashing

892

00:34:21,109 --> 00:34:19,280

exist they are not in the realm of

893

00:34:23,349 --> 00:34:21,119

clinical hypnosis and the ethics as

894

00:34:24,869 --> 00:34:23,359

practiced in clinical situations

895

00:34:26,470 --> 00:34:24,879

it is known that people have done things

896

00:34:31,589 --> 00:34:26,480

against their will when mechanical

897

00:34:36,149 --> 00:34:33,510

well that's comforting you go in for

898

00:34:38,389 --> 00:34:36,159

some clinical hypnotherapy and you say

899

00:34:40,629 --> 00:34:38,399

you know is it possible to have thoughts

900

00:34:42,790 --> 00:34:40,639

implanted in my mind oh heck yeah we do

901  
00:34:44,950 --> 00:34:42,800  
that you know well we don't but people

902  
00:34:47,109 --> 00:34:44,960  
can and if we put a little gimmick in

903  
00:34:49,589 --> 00:34:47,119  
your head we can make you do almost

904  
00:34:52,149 --> 00:34:49,599  
anything of course i would never do that

905  
00:34:53,669 --> 00:34:52,159  
i am a ethical clinician

906  
00:34:55,990 --> 00:34:53,679  
it just seems

907  
00:34:57,510 --> 00:34:56,000  
kind of weird to talk about the mind

908  
00:34:59,030 --> 00:34:57,520  
control

909  
00:35:02,069 --> 00:34:59,040  
machines

910  
00:35:04,230 --> 00:35:02,079  
on your hypnotherapy practices website i

911  
00:35:05,990 --> 00:35:04,240  
don't know i didn't do a whole bunch of

912  
00:35:07,349 --> 00:35:06,000  
sort of control testing to see if this

913  
00:35:09,430 --> 00:35:07,359

is a standard question on all

914

00:35:11,750 --> 00:35:09,440

hypnotherapy websites

915

00:35:14,470 --> 00:35:11,760

i just assume it's not this is followed

916

00:35:16,470 --> 00:35:14,480

up with another question what is the

917

00:35:19,030 --> 00:35:16,480

false memory syndrome and i love how

918

00:35:22,630 --> 00:35:19,040

it's the false memory syndrome i just

919

00:35:24,790 --> 00:35:22,640

think that's a clever touch

920

00:35:26,950 --> 00:35:24,800

the idea some people can be coaxed or

921

00:35:28,630 --> 00:35:26,960

fooled into remembering events that

922

00:35:30,310 --> 00:35:28,640

never happened has become the platform

923

00:35:32,310 --> 00:35:30,320

for some groups to diminish claims of

924

00:35:33,829 --> 00:35:32,320

childhood sexual abuse that surface

925

00:35:35,109 --> 00:35:33,839

sometimes during psychotherapy or

926  
00:35:37,430 --> 00:35:35,119  
hypnotherapy

927  
00:35:39,349 --> 00:35:37,440  
it seems that the false memory syndrome

928  
00:35:40,870 --> 00:35:39,359  
institute was created by parents facing

929  
00:35:43,190 --> 00:35:40,880  
charges of abuse by their adult

930  
00:35:44,870 --> 00:35:43,200  
offspring who had undergone therapy

931  
00:35:46,950 --> 00:35:44,880  
these parents felt they had been falsely

932  
00:35:48,950 --> 00:35:46,960  
accused and claimed that the accusations

933  
00:35:50,550 --> 00:35:48,960  
stemmed from ideas or suggestions

934  
00:35:53,349 --> 00:35:50,560  
implanted in their minds by the

935  
00:35:58,310 --> 00:35:55,510  
a scenario which the previous question

936  
00:36:01,510 --> 00:35:58,320  
made very clear is probably highly

937  
00:36:03,190 --> 00:36:01,520  
possible um what's false memory syndrome

938  
00:36:04,550 --> 00:36:03,200

something some perverts came up with to

939

00:36:07,030 --> 00:36:04,560

keep out of jail

940

00:36:10,069 --> 00:36:07,040

so that's me making light of it a bit

941

00:36:12,150 --> 00:36:10,079

but but still this is a little odd to me

942

00:36:14,470 --> 00:36:12,160

and oh speaking of things that are odd

943

00:36:16,550 --> 00:36:14,480

on a hypnotherapist's website um

944

00:36:18,390 --> 00:36:16,560

especially one with a name as innocuous

945

00:36:20,069 --> 00:36:18,400

as the brookside center for counseling

946

00:36:22,550 --> 00:36:20,079

and hypnotherapy

947

00:36:24,630 --> 00:36:22,560

there's a page entitled hypnosis and

948

00:36:31,750 --> 00:36:24,640

alien abductions

949

00:36:33,750 --> 00:36:31,760

abductions and his definition of the

950

00:36:36,150 --> 00:36:33,760

abduction phenomenon is pretty

951  
00:36:38,230 --> 00:36:36,160  
straightforward

952  
00:36:40,230 --> 00:36:38,240  
an alien abduction is the removal of an

953  
00:36:42,069 --> 00:36:40,240  
individual or individuals without their

954  
00:36:43,030 --> 00:36:42,079  
consent from one physical location to

955  
00:36:44,710 --> 00:36:43,040  
another

956  
00:36:46,710 --> 00:36:44,720  
during this procedure the individual may

957  
00:36:48,790 --> 00:36:46,720  
feel helpless paralyzed and unable to

958  
00:36:50,630 --> 00:36:48,800  
control their wishes the purpose of the

959  
00:36:52,710 --> 00:36:50,640  
abduction is reported as being part of a

960  
00:36:54,630 --> 00:36:52,720  
physical or psychological experiment

961  
00:36:56,470 --> 00:36:54,640  
performed by non-humans

962  
00:36:57,829 --> 00:36:56,480  
at the conclusion of the procedure the

963  
00:37:00,550 --> 00:36:57,839

individuals are returned to their

964

00:37:03,360 --> 00:37:00,560

original location the individuals may or

965

00:37:05,910 --> 00:37:03,370

may not remember their experiences

966

00:37:08,390 --> 00:37:05,920

[Music]

967

00:37:10,150 --> 00:37:08,400

so he's not exactly

968

00:37:13,670 --> 00:37:10,160

hiding or concealing the fact that this

969

00:37:16,630 --> 00:37:13,680

is one area of his practice he does on

970

00:37:19,510 --> 00:37:16,640

this page briefly discuss the case of

971

00:37:21,190 --> 00:37:19,520

michelle and links to a relevant excerpt

972

00:37:23,190 --> 00:37:21,200

from the book millabs and we'll leave

973

00:37:25,109 --> 00:37:23,200

that there or we'll leave that here

974

00:37:26,390 --> 00:37:25,119

because this is a whole other rabbit

975

00:37:28,310 --> 00:37:26,400

hole and maybe

976  
00:37:30,870 --> 00:37:28,320  
i don't know maybe on a patreon bonus

977  
00:37:33,829 --> 00:37:30,880  
episode we'll look at the michelle story

978  
00:37:36,390 --> 00:37:33,839  
in depth at some point but

979  
00:37:39,750 --> 00:37:36,400  
for now let's look at how the michelle

980  
00:37:41,670 --> 00:37:39,760  
story is expanded in the milabs book

981  
00:37:43,349 --> 00:37:41,680  
version now in the mufon article version

982  
00:37:45,430 --> 00:37:43,359  
we learned that she recalled being raped

983  
00:37:48,390 --> 00:37:45,440  
by a reptoid creature or reptiloid

984  
00:37:49,670 --> 00:37:48,400  
creature the book version expands on the

985  
00:37:51,910 --> 00:37:49,680  
description of the creature but

986  
00:37:55,589 --> 00:37:51,920  
thankfully doesn't go into additional

987  
00:37:57,510 --> 00:37:55,599  
lurid detail about the assault episode

988  
00:37:59,270 --> 00:37:57,520

itself

989

00:38:00,950 --> 00:37:59,280

michelle described being escorted by

990

00:38:02,310 --> 00:38:00,960

military personnel into a dark

991

00:38:03,990 --> 00:38:02,320

office-like room where she had a

992

00:38:05,430 --> 00:38:04,000

traumatic encounter with a non-human

993

00:38:07,270 --> 00:38:05,440

being

994

00:38:08,470 --> 00:38:07,280

there is almost no furniture in it

995

00:38:10,150 --> 00:38:08,480

there's something that looks like a

996

00:38:12,710 --> 00:38:10,160

padded table they put me on it and lay

997

00:38:14,790 --> 00:38:12,720

me down now i'm really cold they leave

998

00:38:16,870 --> 00:38:14,800

the room i can't seem to move anything

999

00:38:19,109 --> 00:38:16,880

but my eyes why am i here

1000

00:38:21,109 --> 00:38:19,119

i don't like this over to my left

1001  
00:38:25,430 --> 00:38:21,119  
something moves it's coming closer i can

1002  
00:38:27,270 --> 00:38:25,440  
see it better oh god it's a monster

1003  
00:38:28,870 --> 00:38:27,280  
at this point michelle got so agitated

1004  
00:38:31,030 --> 00:38:28,880  
that she almost jumped from the recliner

1005  
00:38:32,710 --> 00:38:31,040  
in dr coogwell's office she got very

1006  
00:38:35,510 --> 00:38:32,720  
emotional and couldn't stop shaking and

1007  
00:38:37,510 --> 00:38:35,520  
crying after dr kaguel calmed her down

1008  
00:38:39,349 --> 00:38:37,520  
she remembered the following

1009  
00:38:41,750 --> 00:38:39,359  
what i see is a creature about six to

1010  
00:38:44,069 --> 00:38:41,760  
seven feet tall his ears are large and

1011  
00:38:46,790 --> 00:38:44,079  
pointed at the top his eyes are bright

1012  
00:38:48,230 --> 00:38:46,800  
yellow and seem to glow he has pointy

1013  
00:38:50,630 --> 00:38:48,240

teeth and a large wrinkle on his

1014

00:38:51,670 --> 00:38:50,640

forehead and he has a tail

1015

00:38:53,510 --> 00:38:51,680

after the description of the

1016

00:38:55,670 --> 00:38:53,520

reptoid-like being she remembered how

1017

00:38:57,190 --> 00:38:55,680

she was raped by this creature we don't

1018

00:38:58,950 --> 00:38:57,200

know what this traumatic experience

1019

00:39:00,710 --> 00:38:58,960

means we don't think however that the

1020

00:39:02,550 --> 00:39:00,720

military worked with this reptoid

1021

00:39:04,630 --> 00:39:02,560

creature it could be possible that

1022

00:39:06,470 --> 00:39:04,640

michelle was drugged with a hallucinogen

1023

00:39:08,630 --> 00:39:06,480

raped by a human and projected the

1024

00:39:10,230 --> 00:39:08,640

reptoid as a kind of screen memory

1025

00:39:11,829 --> 00:39:10,240

although she described the skin and

1026

00:39:15,030 --> 00:39:11,839

other features of the creature quite

1027

00:39:18,950 --> 00:39:17,190

as in the mufon article lamar presents

1028

00:39:21,030 --> 00:39:18,960

the view that the reptoid aspect of the

1029

00:39:23,670 --> 00:39:21,040

encounter could have been induced by

1030

00:39:25,510 --> 00:39:23,680

some sort of artificial means he cites

1031

00:39:27,750 --> 00:39:25,520

in particular this time around being

1032

00:39:30,630 --> 00:39:27,760

dosed with lsd and he refers to the

1033

00:39:32,950 --> 00:39:30,640

research of a dr stanislav groth he

1034

00:39:34,550 --> 00:39:32,960

continues michelle's story which mirrors

1035

00:39:36,150 --> 00:39:34,560

what appeared in the mufon journal and

1036

00:39:38,470 --> 00:39:36,160

discusses the possibility that her

1037

00:39:41,589 --> 00:39:38,480

experiences were very real but that they

1038

00:39:43,109 --> 00:39:41,599

were entirely at the hands of military

1039

00:39:45,910 --> 00:39:43,119

or intelligence officials and that the

1040

00:39:46,950 --> 00:39:45,920

alien aspects were manufactured or

1041

00:39:48,150 --> 00:39:46,960

somehow

1042

00:39:49,670 --> 00:39:48,160

implanted

1043

00:39:53,109 --> 00:39:49,680

there are some chapters then that move

1044

00:39:57,510 --> 00:39:53,119

into the genetic manipulation

1045

00:39:59,750 --> 00:39:57,520

material again very much like the mufon

1046

00:40:02,630 --> 00:39:59,760

journal articles but

1047

00:40:05,829 --> 00:40:02,640

expanded upon the descriptions are a

1048

00:40:08,470 --> 00:40:05,839

little more extensive the arguments are

1049

00:40:10,390 --> 00:40:08,480

sort of explained in a bit more detail

1050

00:40:12,150 --> 00:40:10,400

and we get some additional description

1051

00:40:15,190 --> 00:40:12,160

of the kinds of equipment and

1052

00:40:18,309 --> 00:40:15,200

experiments that abductees had noted in

1053

00:40:20,069 --> 00:40:18,319

their um in their hypnotic regressions

1054

00:40:22,230 --> 00:40:20,079

and and their accounts thing and some of

1055

00:40:25,190 --> 00:40:22,240

these are from dan wright's mufon

1056

00:40:27,430 --> 00:40:25,200

transcription project one abductee

1057

00:40:29,430 --> 00:40:27,440

observed quote several tubes with

1058

00:40:31,349 --> 00:40:29,440

different bodies inside and was placed

1059

00:40:33,670 --> 00:40:31,359

in front of a tube with a body of a tall

1060

00:40:36,069 --> 00:40:33,680

blonde human woman inside

1061

00:40:39,349 --> 00:40:36,079

end quote and it was the tube was glass

1062

00:40:42,150 --> 00:40:39,359

or plexiglas and this was aboard a

1063

00:40:45,349 --> 00:40:42,160

aboard a ufo so this is the sort of

1064

00:40:47,030 --> 00:40:45,359

thing we're seeing we also see abductees

1065

00:40:50,150 --> 00:40:47,040

who report

1066

00:40:52,630 --> 00:40:50,160

having come face to face with

1067

00:40:56,550 --> 00:40:52,640

embryonic or fetal

1068

00:40:59,990 --> 00:40:56,560

gray aliens suspended in liquid in jars

1069

00:41:02,630 --> 00:41:00,000

and in clear cylinders and i just like i

1070

00:41:05,510 --> 00:41:02,640

said earlier i just keep flashing back

1071

00:41:07,109 --> 00:41:05,520

to dulce underground base

1072

00:41:09,910 --> 00:41:07,119

stories and things like that and i'm

1073

00:41:13,109 --> 00:41:09,920

sure lammer's argument would be that you

1074

00:41:14,069 --> 00:41:13,119

know the dulce bass story is completely

1075

00:41:18,069 --> 00:41:14,079

tainted

1076

00:41:20,230 --> 00:41:18,079

with all sorts of of alien conspiracy

1077

00:41:22,150 --> 00:41:20,240

nonsense that's accreted around it

1078

00:41:23,829 --> 00:41:22,160

probably intentionally is disinformation

1079

00:41:25,430 --> 00:41:23,839

but what if the core

1080

00:41:27,829 --> 00:41:25,440

story of it is true there is an

1081

00:41:30,069 --> 00:41:27,839

underground base where experimentation

1082

00:41:32,630 --> 00:41:30,079

genetic experimentation is taking place

1083

00:41:34,390 --> 00:41:32,640

involving humans and aliens and that the

1084

00:41:36,150 --> 00:41:34,400

american military

1085

00:41:38,230 --> 00:41:36,160

is involved with it we get a whole

1086

00:41:41,349 --> 00:41:38,240

chapter on underground basis which makes

1087

00:41:43,910 --> 00:41:41,359

the uh richard souter uh introduction

1088

00:41:45,990 --> 00:41:43,920

sort of uh sort of smart what's weird to

1089

00:41:47,910 --> 00:41:46,000

me at least is that the underground base

1090

00:41:48,950 --> 00:41:47,920

chapter which is actually entitled let

1091

00:41:51,589 --> 00:41:48,960

me look and make sure i've got this

1092

00:41:54,309 --> 00:41:51,599

correct here otherworldly journeys and

1093

00:41:57,190 --> 00:41:54,319

military underground facilities is only

1094

00:41:59,430 --> 00:41:57,200

a couple pages long but one thing really

1095

00:42:02,470 --> 00:41:59,440

interesting is that

1096

00:42:04,069 --> 00:42:02,480

lammer reviews the uh the research by dr

1097

00:42:06,150 --> 00:42:04,079

thomas bullard

1098

00:42:06,950 --> 00:42:06,160

who talked about otherworldly journeys

1099

00:42:08,069 --> 00:42:06,960

and

1100

00:42:11,109 --> 00:42:08,079

bullard

1101  
00:42:13,510 --> 00:42:11,119  
sort of pulled out a pattern from some

1102  
00:42:15,270 --> 00:42:13,520  
abduction accounts where there's a phase

1103  
00:42:16,870 --> 00:42:15,280  
of preparation where the alien is

1104  
00:42:19,349 --> 00:42:16,880  
putting the abductee

1105  
00:42:21,510 --> 00:42:19,359  
into a protective environment travel

1106  
00:42:24,630 --> 00:42:21,520  
which is the actual transit an

1107  
00:42:27,030 --> 00:42:24,640  
underground element and a landscape

1108  
00:42:28,910 --> 00:42:27,040  
the abductee sees the surface of the

1109  
00:42:31,990 --> 00:42:28,920  
other world there's often a museum

1110  
00:42:34,390 --> 00:42:32,000  
museum-like aspect to it as well and i

1111  
00:42:36,870 --> 00:42:34,400  
like this because there are parallels to

1112  
00:42:39,910 --> 00:42:36,880  
a lot of contact-d things we've seen and

1113  
00:42:42,550 --> 00:42:39,920

i would argue that there is not

1114

00:42:46,150 --> 00:42:42,560

necessarily as much of a divide between

1115

00:42:49,670 --> 00:42:46,160

the abduction phenomenon and the contact

1116

00:42:52,309 --> 00:42:49,680

phenomenon as we have come to know and

1117

00:42:53,829 --> 00:42:52,319

defined them and described them over the

1118

00:42:56,550 --> 00:42:53,839

decades there are

1119

00:42:58,870 --> 00:42:56,560

overlaps and these things that bullard

1120

00:43:00,069 --> 00:42:58,880

explains that lammer relates to us in

1121

00:43:00,950 --> 00:43:00,079

this chapter

1122

00:43:02,950 --> 00:43:00,960

are

1123

00:43:04,390 --> 00:43:02,960

sort of emblematic of that

1124

00:43:06,150 --> 00:43:04,400

if you were to take some of those things

1125

00:43:08,150 --> 00:43:06,160

especially the otherworldly journey

1126  
00:43:09,910 --> 00:43:08,160  
aspect that's not something i would

1127  
00:43:11,190 --> 00:43:09,920  
necessarily

1128  
00:43:13,750 --> 00:43:11,200  
pull out of

1129  
00:43:14,870 --> 00:43:13,760  
my head when i think of abductees but

1130  
00:43:15,990 --> 00:43:14,880  
once you think about it once you think

1131  
00:43:18,790 --> 00:43:16,000  
about some of the stories that we've

1132  
00:43:21,349 --> 00:43:18,800  
seen over the years yeah it does make

1133  
00:43:23,670 --> 00:43:21,359  
does make a kind of sense an abductee

1134  
00:43:26,150 --> 00:43:23,680  
named evelyn not her real name it's a

1135  
00:43:29,030 --> 00:43:26,160  
pseudonym described her experience and

1136  
00:43:30,790 --> 00:43:29,040  
what she saw this way

1137  
00:43:32,470 --> 00:43:30,800  
i can remember flying in a beautiful

1138  
00:43:34,309 --> 00:43:32,480

golden ship and it went into a

1139

00:43:36,550 --> 00:43:34,319

mountainside and flew under the ground

1140

00:43:38,550 --> 00:43:36,560

into a huge cavernous room where to my

1141

00:43:40,470 --> 00:43:38,560

surprise were human beings dressed in

1142

00:43:42,150 --> 00:43:40,480

military uniforms with machine guns

1143

00:43:43,589 --> 00:43:42,160

slung behind their backs

1144

00:43:44,790 --> 00:43:43,599

i walked in a line with some other

1145

00:43:46,630 --> 00:43:44,800

people and we passed through an

1146

00:43:48,630 --> 00:43:46,640

energized gate that somehow does

1147

00:43:51,109 --> 00:43:48,640

something to your atoms i remarked to

1148

00:43:54,230 --> 00:43:51,119

myself the military must have some alien

1149

00:43:59,510 --> 00:43:57,270

so very much an otherworldly very ufo

1150

00:44:02,790 --> 00:43:59,520

type situation but

1151  
00:44:05,430 --> 00:44:02,800  
with that military aspect again we then

1152  
00:44:09,030 --> 00:44:05,440  
move into a chapter called toward a

1153  
00:44:12,309 --> 00:44:09,040  
controlled society in which we

1154  
00:44:15,190 --> 00:44:12,319  
really get a lot of what was in the

1155  
00:44:17,910 --> 00:44:15,200  
mufon articles about comparing the

1156  
00:44:20,550 --> 00:44:17,920  
experiences of abductees with the known

1157  
00:44:22,309 --> 00:44:20,560  
limits of technology or the speculated

1158  
00:44:25,190 --> 00:44:22,319  
limits of technology described and

1159  
00:44:26,870 --> 00:44:25,200  
declassified documents and like i said a

1160  
00:44:29,190 --> 00:44:26,880  
lot of speculation based on

1161  
00:44:31,430 --> 00:44:29,200  
technological knowledge

1162  
00:44:34,710 --> 00:44:31,440  
theorizing things like that especially

1163  
00:44:37,750 --> 00:44:34,720

implants especially the ability of

1164

00:44:40,950 --> 00:44:37,760

other entities earthly entities to

1165

00:44:43,510 --> 00:44:40,960

use various types of electromagnetic

1166

00:44:46,710 --> 00:44:43,520

energy to generate thoughts

1167

00:44:49,109 --> 00:44:46,720

images experiences things like that sort

1168

00:44:51,750 --> 00:44:49,119

of the mind control

1169

00:44:52,950 --> 00:44:51,760

melting into that virtual reality

1170

00:44:54,069 --> 00:44:52,960

scenario

1171

00:44:56,150 --> 00:44:54,079

type thing

1172

00:44:59,510 --> 00:44:56,160

there's also a chapter on

1173

00:45:01,750 --> 00:44:59,520

what it calls military interrogations of

1174

00:45:03,030 --> 00:45:01,760

alien abductees

1175

00:45:04,309 --> 00:45:03,040

but

1176

00:45:07,510 --> 00:45:04,319

i i don't know it doesn't really

1177

00:45:09,270 --> 00:45:07,520

describe interrogations as much as

1178

00:45:10,710 --> 00:45:09,280

in some cases like the case of katharina

1179

00:45:13,910 --> 00:45:10,720

wilson almost a

1180

00:45:15,829 --> 00:45:13,920

second life uh to sort of is that the

1181

00:45:17,349 --> 00:45:15,839

secret life was the david jacob's book

1182

00:45:18,950 --> 00:45:17,359

second life was the virtual reality

1183

00:45:21,670 --> 00:45:18,960

thing on the internet right but a sort

1184

00:45:23,750 --> 00:45:21,680

of second parallel life she lived um

1185

00:45:26,470 --> 00:45:23,760

sort of in a military

1186

00:45:28,870 --> 00:45:26,480

situation or a military circumstance

1187

00:45:31,750 --> 00:45:28,880

which was very interesting and sort of

1188

00:45:35,190 --> 00:45:31,760

suggests the fairly well-worn idea of

1189

00:45:38,550 --> 00:45:35,200

mind control manipulation creating um

1190

00:45:40,630 --> 00:45:38,560

dissociative identities in people

1191

00:45:42,710 --> 00:45:40,640

so the book sort of

1192

00:45:44,790 --> 00:45:42,720

ends it doesn't have a great conclusion

1193

00:45:47,910 --> 00:45:44,800

honestly it just sort of

1194

00:45:50,550 --> 00:45:47,920

ends and um with guidelines for future

1195

00:45:52,470 --> 00:45:50,560

research which again is is very sort of

1196

00:45:53,270 --> 00:45:52,480

speculative as well as you know let's

1197

00:45:57,270 --> 00:45:53,280

not

1198

00:45:59,910 --> 00:45:57,280

the horse here there's still a lot of

1199

00:46:01,109 --> 00:45:59,920

actual scientific work that needs to be

1200

00:46:01,910 --> 00:46:01,119

done

1201  
00:46:03,910 --> 00:46:01,920  
so

1202  
00:46:05,349 --> 00:46:03,920  
that's kind of the book and we're going

1203  
00:46:07,190 --> 00:46:05,359  
to talk about the reactions of the book

1204  
00:46:09,270 --> 00:46:07,200  
and things like that but i just want to

1205  
00:46:11,270 --> 00:46:09,280  
say if you have felt

1206  
00:46:12,390 --> 00:46:11,280  
like you have missed out

1207  
00:46:13,430 --> 00:46:12,400  
by not

1208  
00:46:16,710 --> 00:46:13,440  
reading

1209  
00:46:19,589 --> 00:46:16,720  
or owning the millaps book i feel i can

1210  
00:46:22,309 --> 00:46:19,599  
tell you authoritatively that if you

1211  
00:46:27,190 --> 00:46:22,319  
read lammer's articles in the mufon

1212  
00:46:29,670 --> 00:46:27,200  
journal in 1996 and 1997 you will be in

1213  
00:46:31,589 --> 00:46:29,680

quite good shape and they're out there

1214

00:46:33,670 --> 00:46:31,599

on the internet i will

1215

00:46:36,390 --> 00:46:33,680

i will get some links up for you because

1216

00:46:38,630 --> 00:46:36,400

they are out there so i will make sure

1217

00:46:40,230 --> 00:46:38,640

that you uh that you have those

1218

00:46:41,589 --> 00:46:40,240

so i'll put those in the show notes or

1219

00:46:42,950 --> 00:46:41,599

something like that

1220

00:46:44,470 --> 00:46:42,960

so

1221

00:46:46,230 --> 00:46:44,480

after the book was published actually

1222

00:46:48,230 --> 00:46:46,240

before the book was published there was

1223

00:46:49,829 --> 00:46:48,240

a lot of buzz about this on various

1224

00:46:52,069 --> 00:46:49,839

internet platforms it was eagerly

1225

00:46:54,710 --> 00:46:52,079

awaited with various lammer articles

1226  
00:46:57,109 --> 00:46:54,720  
being recirculated and given that it was

1227  
00:46:58,630 --> 00:46:57,119  
the late 1990s i have to think that some

1228  
00:47:00,630 --> 00:46:58,640  
of these articles might have just been

1229  
00:47:03,670 --> 00:47:00,640  
typed in by hand

1230  
00:47:05,670 --> 00:47:03,680  
from the um from the mufon journal which

1231  
00:47:07,670 --> 00:47:05,680  
is pretty wild

1232  
00:47:10,630 --> 00:47:07,680  
and the excitement wasn't confined to

1233  
00:47:13,829 --> 00:47:10,640  
alien and ufo groups take for example

1234  
00:47:16,309 --> 00:47:13,839  
this post from the usenet group alt dot

1235  
00:47:18,870 --> 00:47:16,319  
privacy um

1236  
00:47:20,390 --> 00:47:18,880  
content warning for some

1237  
00:47:24,390 --> 00:47:20,400  
fairly

1238  
00:47:26,230 --> 00:47:24,400

racist and homophobic content

1239

00:47:27,990 --> 00:47:26,240

mind control is a growing problem in the

1240

00:47:29,990 --> 00:47:28,000

us and can only be stopped if the

1241

00:47:31,750 --> 00:47:30,000

general public is made aware of it the

1242

00:47:33,349 --> 00:47:31,760

controlled media in the u.s will not

1243

00:47:35,510 --> 00:47:33,359

report on such atrocities since they are

1244

00:47:37,349 --> 00:47:35,520

part of an ongoing non-lethal ethnic

1245

00:47:39,990 --> 00:47:37,359

cleansing program of the us government

1246

00:47:41,510 --> 00:47:40,000

against heterosexual white u.s citizens

1247

00:47:43,190 --> 00:47:41,520

their genes were right but had the

1248

00:47:44,470 --> 00:47:43,200

misfortune to be deemed politically

1249

00:47:46,150 --> 00:47:44,480

incorrect

1250

00:47:47,670 --> 00:47:46,160

that such outrages can be occurring

1251

00:47:49,349 --> 00:47:47,680

without the public being aware of it as

1252

00:47:51,270 --> 00:47:49,359

also due to the dumbing down which has

1253

00:47:53,510 --> 00:47:51,280

occurred in our educational system as a

1254

00:47:55,750 --> 00:47:53,520

result of affirmative action programs

1255

00:47:57,829 --> 00:47:55,760

such underrepresented minority promoting

1256

00:47:59,430 --> 00:47:57,839

programs must be fought since the net

1257

00:48:01,270 --> 00:47:59,440

effect of such programs is not to

1258

00:48:03,109 --> 00:48:01,280

promote the targeted minorities but to

1259

00:48:05,190 --> 00:48:03,119

lower the intellectual moral and ethical

1260

00:48:06,870 --> 00:48:05,200

standards of the institutions involved

1261

00:48:08,710 --> 00:48:06,880

though a case can and should be made for

1262

00:48:11,190 --> 00:48:08,720

a female quota like in germany and other

1263

00:48:12,710 --> 00:48:11,200

European countries since such systems

1264

00:48:15,270 --> 00:48:12,720

achieve their goals without lowering the

1265

00:48:17,270 --> 00:48:15,280

intellectual level of affected programs

1266

00:48:19,109 --> 00:48:17,280

thus it is incumbent on netizens to take

1267

00:48:22,230 --> 00:48:19,119

the initiative on their own and become

1268

00:48:27,030 --> 00:48:24,630

and then the author segues to the press

1269

00:48:29,109 --> 00:48:27,040

release for the forthcoming milabs book

1270

00:48:31,109 --> 00:48:29,119

despite lammer's book or the lammers

1271

00:48:33,430 --> 00:48:31,119

book sorry not

1272

00:48:35,750 --> 00:48:33,440

reflecting in any way the racist

1273

00:48:37,030 --> 00:48:35,760

homophobic themes taken for granted by

1274

00:48:39,430 --> 00:48:37,040

the poster

1275

00:48:42,150 --> 00:48:39,440

noted social scientist going by the name

1276

00:48:44,710 --> 00:48:42,160

bpm mixmaster

1277

00:48:46,870 --> 00:48:44,720

ridiculous and horrible stuff

1278

00:48:49,430 --> 00:48:46,880

so lambert did receive some unwanted

1279

00:48:51,750 --> 00:48:49,440

attention as a result of writing this

1280

00:48:54,150 --> 00:48:51,760

book and he issued a statement entitled

1281

00:48:57,030 --> 00:48:54,160

millab's book ruffles feathers during

1282

00:48:58,870 --> 00:48:57,040

the summer of 1999.

1283

00:49:00,710 --> 00:48:58,880

the anti-milap group has made an attempt

1284

00:49:02,870 --> 00:49:00,720

to connect my private research interests

1285

00:49:04,150 --> 00:49:02,880

with my workplace therefore i'm

1286

00:49:05,829 --> 00:49:04,160

informing all readers and other

1287

00:49:07,670 --> 00:49:05,839

researchers that my research of ufo

1288

00:49:09,270 --> 00:49:07,680

phenomenon abductions and mill labs is

1289

00:49:11,030 --> 00:49:09,280

not connected with my work as a space

1290

00:49:13,349 --> 00:49:11,040

scientist it does not represent the

1291

00:49:15,430 --> 00:49:13,359

opinion of my department my director etc

1292

00:49:17,030 --> 00:49:15,440

and is not supported by them my research

1293

00:49:18,630 --> 00:49:17,040

is private and is based on my own

1294

00:49:21,109 --> 00:49:18,640

hypothesis which is supported by

1295

00:49:22,470 --> 00:49:21,119

investigative journalism i also do not

1296

00:49:24,150 --> 00:49:22,480

claim that the whole united states

1297

00:49:25,510 --> 00:49:24,160

military or related intelligence

1298

00:49:28,069 --> 00:49:25,520

agencies are involved in alien

1299

00:49:31,190 --> 00:49:28,079

abductions ufo research kidnappings of

1300

00:49:32,710 --> 00:49:31,200

abductees examinations etc and i'm not

1301

00:49:34,870 --> 00:49:32,720

an anti-american

1302

00:49:36,870 --> 00:49:34,880

however it is my democratic opinion that

1303

00:49:39,109 --> 00:49:36,880

there are indications that covert human

1304

00:49:41,589 --> 00:49:39,119

forces may be involved in the abduction

1305

00:49:43,030 --> 00:49:41,599

phenomenon this is only an hypothesis

1306

00:49:45,030 --> 00:49:43,040

and the discussion about this should not

1307

00:49:47,270 --> 00:49:45,040

be forbidden or censored in democratic

1308

00:49:49,030 --> 00:49:47,280

societies if attempts continue to be

1309

00:49:51,270 --> 00:49:49,040

made we should remind ourselves and the

1310

00:49:53,430 --> 00:49:51,280

anti-milap group that we do not live in

1311

00:49:55,510 --> 00:49:53,440

the former soviet union or serbia we

1312

00:49:57,349 --> 00:49:55,520

live in a democratic society it is a

1313

00:49:59,109 --> 00:49:57,359

known published fact that segments of

1314

00:50:01,030 --> 00:49:59,119

the united states military intelligence

1315

00:50:02,630 --> 00:50:01,040

agencies experimented on unwitting

1316

00:50:04,710 --> 00:50:02,640

people during the cold war even though

1317

00:50:06,790 --> 00:50:04,720

it was illegal i do not believe that our

1318

00:50:11,270 --> 00:50:06,800

milab critics can guarantee or prove

1319

00:50:14,950 --> 00:50:12,950

to be fair

1320

00:50:17,270 --> 00:50:14,960

asking the mill lab critics to prove

1321

00:50:19,349 --> 00:50:17,280

experiments have ended is dangerously

1322

00:50:21,910 --> 00:50:19,359

close to the logical impossibility of

1323

00:50:24,150 --> 00:50:21,920

asking somebody to prove a negative so i

1324

00:50:26,630 --> 00:50:24,160

got to take off some points there but

1325

00:50:27,589 --> 00:50:26,640

in general i mean yeah you can't really

1326

00:50:28,790 --> 00:50:27,599

deny

1327

00:50:30,790 --> 00:50:28,800

that

1328

00:50:33,109 --> 00:50:30,800

you know horrible horrible things have

1329

00:50:35,750 --> 00:50:33,119

been done to people at the hands of the

1330

00:50:37,990 --> 00:50:35,760

government uh but maybe there's a reason

1331

00:50:40,790 --> 00:50:38,000

and that sort of feeds into the biggest

1332

00:50:43,670 --> 00:50:40,800

and most vociferous response to millaps

1333

00:50:45,670 --> 00:50:43,680

which was from colonel john alexander

1334

00:50:48,870 --> 00:50:45,680

superstar of the non-lethal weapons

1335

00:50:51,270 --> 00:50:48,880

scene and as we saw last time noted

1336

00:50:53,109 --> 00:50:51,280

world traveler he took to the nascent

1337

00:50:55,349 --> 00:50:53,119

interwebs in an attempt to debunk

1338

00:50:56,470 --> 00:50:55,359

lammer's work and he starts with this

1339

00:50:58,870 --> 00:50:56,480

frankly

1340

00:51:01,510 --> 00:50:58,880

masterful statement that

1341

00:51:05,109 --> 00:51:01,520

in just a few sentences trashes lammer's

1342

00:51:06,710 --> 00:51:05,119

work and plugs his own forthcoming book

1343

00:51:08,470 --> 00:51:06,720

lammer has displayed with a lack of

1344

00:51:10,710 --> 00:51:08,480

understanding of technical knowledge and

1345

00:51:12,870 --> 00:51:10,720

the ability to competently analyze

1346

00:51:15,349 --> 00:51:12,880

information unfortunately he is not

1347

00:51:16,710 --> 00:51:15,359

alone this topic is quite important and

1348

00:51:19,430 --> 00:51:16,720

is covered in some detail in my

1349

00:51:22,549 --> 00:51:19,440

forthcoming book future war non-lethal

1350

00:51:23,990 --> 00:51:22,559

weapons and 21st century warfare however

1351

00:51:26,470 --> 00:51:24,000

given his current position in the

1352

00:51:30,230 --> 00:51:26,480

austrian space research institute this

1353

00:51:32,630 --> 00:51:30,240

obvious lapse is very disconcerting

1354

00:51:35,109 --> 00:51:32,640

that sort of snide condescending tone is

1355

00:51:36,790 --> 00:51:35,119

going to be a staple of the john

1356

00:51:40,069 --> 00:51:36,800

alexander experience we're going to work

1357

00:51:41,829 --> 00:51:40,079

our way through this critique here and i

1358

00:51:44,710 --> 00:51:41,839

should say i am aware that he does

1359

00:51:47,190 --> 00:51:44,720

discuss the lammer hypothesis in his

1360

00:51:48,870 --> 00:51:47,200

book that he mentioned um i've looked at

1361

00:51:51,109 --> 00:51:48,880

it i've looked through that section and

1362

00:51:53,109 --> 00:51:51,119

he doesn't really unless i missed it he

1363

00:51:55,910 --> 00:51:53,119

doesn't really make any points in there

1364

00:51:58,790 --> 00:51:55,920

that he doesn't make in this initial

1365

00:52:01,109 --> 00:51:58,800

critique so in the interests of time i'm

1366

00:52:04,230 --> 00:52:01,119

just going to deal with this initial

1367

00:52:06,230 --> 00:52:04,240

critique here's another bit

1368

00:52:07,670 --> 00:52:06,240

even if this mystical and unattained

1369

00:52:10,069 --> 00:52:07,680

technology were available the

1370

00:52:12,069 --> 00:52:10,079

organizational aspects are illogical if

1371

00:52:13,829 --> 00:52:12,079

the three-car system proposed by lammer

1372

00:52:16,069 --> 00:52:13,839

were used by the offenders the logic

1373

00:52:17,750 --> 00:52:16,079

still fails assuming there are a minimum

1374

00:52:19,589 --> 00:52:17,760

of two people per car and we know that

1375

00:52:21,829 --> 00:52:19,599

it takes five shifts to man any given

1376

00:52:23,430 --> 00:52:21,839

position we are led to assume that 30

1377

00:52:24,950 --> 00:52:23,440

people are assigned to continuously

1378

00:52:26,710 --> 00:52:24,960

track each mill lab

1379

00:52:28,630 --> 00:52:26,720

of course that doesn't count supervisors

1380

00:52:30,549 --> 00:52:28,640

and administrative personnel remember

1381

00:52:32,630 --> 00:52:30,559

the helicopters where did they come from

1382

00:52:34,710 --> 00:52:32,640

who flew them who conducted the medical

1383

00:52:37,030 --> 00:52:34,720

tests who maintained these yet to be

1384

00:52:39,430 --> 00:52:37,040

identified bases the list of involved

1385

00:52:41,109 --> 00:52:39,440

personnel goes on and on since it is

1386

00:52:43,030 --> 00:52:41,119

claimed that these illegal operations

1387

00:52:44,870 --> 00:52:43,040

have been conducted for many years and

1388

00:52:46,549 --> 00:52:44,880

since military personnel rotate on a

1389

00:52:48,230 --> 00:52:46,559

frequent basis there would have to be

1390

00:52:50,870 --> 00:52:48,240

thousands if not tens of thousands of

1391

00:52:52,309 --> 00:52:50,880

people involved over time where are they

1392

00:52:54,309 --> 00:52:52,319

when you add up all of the people who

1393

00:52:56,069 --> 00:52:54,319

say they are mlab victims the number of

1394

00:52:58,470 --> 00:52:56,079

people involved in this operation would

1395

00:53:00,549 --> 00:52:58,480

be non-trivial at a time when military

1396

00:53:02,230 --> 00:53:00,559

strength is cut to the bone are we to

1397

00:53:03,829 --> 00:53:02,240

believe this mission without purpose

1398

00:53:05,829 --> 00:53:03,839

takes precedence over other critical

1399

00:53:07,910 --> 00:53:05,839

functions with all the questionable

1400

00:53:09,510 --> 00:53:07,920

projects that have been exposed why have

1401  
00:53:11,829 --> 00:53:09,520  
we not heard from one whistleblower

1402  
00:53:18,230 --> 00:53:11,839  
about millab the reason is because it

1403  
00:53:22,950 --> 00:53:20,390  
the thing is

1404  
00:53:25,589 --> 00:53:22,960  
i think you could say just about

1405  
00:53:28,710 --> 00:53:25,599  
any of this about any

1406  
00:53:30,630 --> 00:53:28,720  
of the many documented

1407  
00:53:31,910 --> 00:53:30,640  
proven

1408  
00:53:33,349 --> 00:53:31,920  
covert

1409  
00:53:35,430 --> 00:53:33,359  
investigation

1410  
00:53:38,390 --> 00:53:35,440  
experimentation things

1411  
00:53:43,030 --> 00:53:41,109  
people don't tend to talk

1412  
00:53:44,630 --> 00:53:43,040  
even in large systems like this

1413  
00:53:45,430 --> 00:53:44,640

whistleblowers

1414

00:53:53,030 --> 00:53:45,440

are

1415

00:53:55,109 --> 00:53:53,040

elimination because you know who they

1416

00:53:56,390 --> 00:53:55,119

are because oh gosh that guy's talking

1417

00:53:57,510 --> 00:53:56,400

shut him down

1418

00:54:01,030 --> 00:53:57,520

um

1419

00:54:02,470 --> 00:54:01,040

i don't know it just seems like the

1420

00:54:04,150 --> 00:54:02,480

like there couldn't have been a

1421

00:54:06,069 --> 00:54:04,160

conspiracy to assassinate kennedy

1422

00:54:08,230 --> 00:54:06,079

somebody would have talked well really i

1423

00:54:11,670 --> 00:54:08,240

don't know i just i just don't buy it it

1424

00:54:15,430 --> 00:54:11,680

seems like a very sort of generic

1425

00:54:18,069 --> 00:54:15,440

argument that trades heavily on the

1426

00:54:20,150 --> 00:54:18,079

um let me tell you how these things work

1427

00:54:21,510 --> 00:54:20,160

kind of attitude when you know why

1428

00:54:23,990 --> 00:54:21,520

should i believe that you're telling me

1429

00:54:26,630 --> 00:54:24,000

the truth about the way things work

1430

00:54:29,510 --> 00:54:26,640

you're part of this military

1431

00:54:32,150 --> 00:54:29,520

intelligence system retired colonel

1432

00:54:33,510 --> 00:54:32,160

alexander of the non-lethal weapons

1433

00:54:34,710 --> 00:54:33,520

projects

1434

00:54:36,710 --> 00:54:34,720

i don't know

1435

00:54:38,630 --> 00:54:36,720

next

1436

00:54:40,470 --> 00:54:38,640

there is no logical purpose in tracking

1437

00:54:41,910 --> 00:54:40,480

the people who make these claims they do

1438

00:54:43,510 --> 00:54:41,920

not appear to have any significant

1439

00:54:45,589 --> 00:54:43,520

attributes that would make them worthy

1440

00:54:47,589 --> 00:54:45,599

of special study there's no indication

1441

00:54:49,670 --> 00:54:47,599

that they are extremely intelligent nor

1442

00:54:51,510 --> 00:54:49,680

is there physical prowess of note no

1443

00:54:52,950 --> 00:54:51,520

nobel laureate or person of publicly

1444

00:54:54,710 --> 00:54:52,960

acclaimed accomplishments has ever

1445

00:54:56,309 --> 00:54:54,720

claimed to be a millap it therefore

1446

00:54:58,470 --> 00:54:56,319

remains a mystery as to why these

1447

00:55:00,710 --> 00:54:58,480

relatively non-descript people are

1448

00:55:02,870 --> 00:55:00,720

reportedly chosen to be unwilling milab

1449

00:55:04,390 --> 00:55:02,880

participants there are however many

1450

00:55:06,549 --> 00:55:04,400

well-known medical conditions that

1451

00:55:08,309 --> 00:55:06,559

describe these signs and symptoms these

1452

00:55:09,990 --> 00:55:08,319

observed or perceived contentions

1453

00:55:12,230 --> 00:55:10,000

maintain that some person or group of

1454

00:55:14,150 --> 00:55:12,240

persons is after them are indeed found

1455

00:55:15,510 --> 00:55:14,160

amongst 10 million persons per year who

1456

00:55:17,750 --> 00:55:15,520

are seen by clinicians who include

1457

00:55:19,910 --> 00:55:17,760

social workers clinical psychologists

1458

00:55:21,670 --> 00:55:19,920

neurologists general practitioners and

1459

00:55:24,069 --> 00:55:21,680

other primary care practitioners and

1460

00:55:25,910 --> 00:55:24,079

sometimes by psychiatrists the vast

1461

00:55:28,230 --> 00:55:25,920

majority of these persons over 90

1462

00:55:30,470 --> 00:55:28,240

percent function very well within

1463

00:55:32,390 --> 00:55:30,480

activities of daily life outside of a

1464

00:55:34,630 --> 00:55:32,400

narrow highly circumscribed paranoid

1465

00:55:37,270 --> 00:55:34,640

delusion concern or worry that while not

1466

00:55:38,710 --> 00:55:37,280

real these delusions are not disabling

1467

00:55:41,510 --> 00:55:38,720

most common are beliefs of other

1468

00:55:43,670 --> 00:55:41,520

entities voices bedroom-related visions

1469

00:55:45,510 --> 00:55:43,680

and hypnagogic experiences

1470

00:55:47,990 --> 00:55:45,520

often they are accompanied over time by

1471

00:55:50,069 --> 00:55:48,000

exaggerated notions of self-importance

1472

00:55:51,750 --> 00:55:50,079

clinical estimates are that over 100

1473

00:55:53,589 --> 00:55:51,760

million of these persons are alive today

1474

00:55:55,670 --> 00:55:53,599

worldwide they are found in all

1475

00:55:57,670 --> 00:55:55,680

countries and all cultures generally

1476

00:55:58,950 --> 00:55:57,680

speaking the demography of these persons

1477

00:56:01,270 --> 00:55:58,960

does not match that of a normal

1478

00:56:03,190 --> 00:56:01,280

population these observations are not

1479

00:56:04,789 --> 00:56:03,200

new they have been diagnosed or more

1480

00:56:06,950 --> 00:56:04,799

likely merely observed for more than a

1481

00:56:08,870 --> 00:56:06,960

century it is a much more simplistic

1482

00:56:11,109 --> 00:56:08,880

answer than the bizarre scenario being

1483

00:56:17,349 --> 00:56:11,119

portrayed by lammer and his supporters

1484

00:56:22,470 --> 00:56:19,430

well no they're not going to

1485

00:56:25,270 --> 00:56:22,480

surreptitiously abduct people that

1486

00:56:28,069 --> 00:56:25,280

everybody would notice are missing

1487

00:56:30,390 --> 00:56:28,079

for these things where are the nobel

1488

00:56:31,510 --> 00:56:30,400

laureates in this group of millaps oh

1489

00:56:34,230 --> 00:56:31,520

shut up

1490

00:56:34,950 --> 00:56:34,240

out this this really really irks me and

1491

00:56:37,270 --> 00:56:34,960

then

1492

00:56:39,750 --> 00:56:37,280

sort of goes into a you know you know

1493

00:56:42,470 --> 00:56:39,760

who does have these things happen at a

1494

00:56:45,510 --> 00:56:42,480

high rate are people with mental

1495

00:56:48,549 --> 00:56:45,520

problems um it's

1496

00:56:49,589 --> 00:56:48,559

it's distasteful um i don't like his

1497

00:56:52,309 --> 00:56:49,599

attitude

1498

00:56:56,150 --> 00:56:52,319

very much at all at least victoria

1499

00:56:57,030 --> 00:56:56,160

alexander was kind of funny and humorous

1500

00:56:59,510 --> 00:56:57,040

in her

1501  
00:57:01,910 --> 00:56:59,520  
sort of dismissal of of these things

1502  
00:57:02,710 --> 00:57:01,920  
alexander is just

1503  
00:57:05,829 --> 00:57:02,720  
uh

1504  
00:57:08,470 --> 00:57:05,839  
i don't know it's just just oily and

1505  
00:57:10,549 --> 00:57:08,480  
anxious and kind of

1506  
00:57:12,470 --> 00:57:10,559  
i don't i don't like him at all but

1507  
00:57:14,950 --> 00:57:12,480  
we're we're gonna keep going we're gonna

1508  
00:57:16,630 --> 00:57:14,960  
get through this

1509  
00:57:18,069 --> 00:57:16,640  
it cannot be denied that the system has

1510  
00:57:20,309 --> 00:57:18,079  
been abused in the past and the

1511  
00:57:22,230 --> 00:57:20,319  
individuals rights were violated however

1512  
00:57:23,990 --> 00:57:22,240  
in each of the cases listed a reason for

1513  
00:57:26,150 --> 00:57:24,000

the experiments could be made in

1514

00:57:27,510 --> 00:57:26,160

tuskegee doctors wanted to determine how

1515

00:57:30,150 --> 00:57:27,520

syphilis would progress if left

1516

00:57:32,710 --> 00:57:30,160

untreated most but not all participants

1517

00:57:34,390 --> 00:57:32,720

in mkultra were volunteers who signed

1518

00:57:35,990 --> 00:57:34,400

statements to that effect

1519

00:57:37,670 --> 00:57:36,000

forgotten in the clamor over those

1520

00:57:39,750 --> 00:57:37,680

experiments is the grave concern that

1521

00:57:41,430 --> 00:57:39,760

had been generated by our pows who

1522

00:57:43,750 --> 00:57:41,440

showed signs of brainwashing when they

1523

00:57:45,430 --> 00:57:43,760

returned from north korean camps

1524

00:57:47,430 --> 00:57:45,440

the radiation experiments were also

1525

00:57:49,349 --> 00:57:47,440

conducted in a time of extreme anxiety

1526  
00:57:51,030 --> 00:57:49,359  
about the effects of exposure and were

1527  
00:57:52,870 --> 00:57:51,040  
based on the concerns for our very

1528  
00:57:55,030 --> 00:57:52,880  
national survival

1529  
00:57:56,309 --> 00:57:55,040  
i'm not making excuses or apologies for

1530  
00:57:58,309 --> 00:57:56,319  
these experiments

1531  
00:58:00,630 --> 00:57:58,319  
however in each case the designers

1532  
00:58:03,030 --> 00:58:00,640  
conducted a risk benefits analysis and

1533  
00:58:04,950 --> 00:58:03,040  
chose to proceed the proposed mill lab

1534  
00:58:06,230 --> 00:58:04,960  
projects failed that simple test of

1535  
00:58:08,390 --> 00:58:06,240  
common sense

1536  
00:58:09,829 --> 00:58:08,400  
there is just no reason to conduct them

1537  
00:58:12,390 --> 00:58:09,839  
however since there is no statute of

1538  
00:58:13,750 --> 00:58:12,400

limitation on kidnapping i also highly

1539

00:58:15,589 --> 00:58:13,760

recommend that any person who

1540

00:58:17,589 --> 00:58:15,599

experiences an abduction at the hands of

1541

00:58:19,589 --> 00:58:17,599

anyone including purported government

1542

00:58:22,069 --> 00:58:19,599

agents report them to multiple law

1543

00:58:24,470 --> 00:58:22,079

enforcement agencies that will ensure no

1544

00:58:26,789 --> 00:58:24,480

single agency can quash the report while

1545

00:58:31,510 --> 00:58:26,799

immediacy would be preferred old cases

1546

00:58:36,630 --> 00:58:34,549

well of course it's regrettable that we

1547

00:58:38,789 --> 00:58:36,640

targeted some of the most vulnerable

1548

00:58:41,470 --> 00:58:38,799

members of our society for

1549

00:58:44,309 --> 00:58:41,480

unspeakably inhumane treatment and

1550

00:58:47,109 --> 00:58:44,319

experimentation but i think most of them

1551  
00:58:48,710 --> 00:58:47,119  
signed waivers of some kind

1552  
00:58:50,710 --> 00:58:48,720  
probably

1553  
00:58:55,109 --> 00:58:50,720  
you know

1554  
00:58:57,030 --> 00:58:55,119  
it's understandable that these horrible

1555  
00:58:58,309 --> 00:58:57,040  
things occurred because you have to

1556  
00:59:00,150 --> 00:58:58,319  
understand

1557  
00:59:03,030 --> 00:59:00,160  
people in the government were kind of

1558  
00:59:04,710 --> 00:59:03,040  
nervous about some scary things so

1559  
00:59:07,270 --> 00:59:04,720  
that means you have to give lots of

1560  
00:59:08,630 --> 00:59:07,280  
people syphilis

1561  
00:59:12,789 --> 00:59:08,640  
this is

1562  
00:59:14,870 --> 00:59:12,799  
i'm not the only person who thinks this

1563  
00:59:15,670 --> 00:59:14,880

is awful there is there's some backlash

1564

00:59:19,190 --> 00:59:15,680

from

1565

00:59:22,309 --> 00:59:19,200

other people as well we're almost we're

1566

00:59:24,870 --> 00:59:22,319

almost through this this very dark patch

1567

00:59:27,030 --> 00:59:24,880

of material here

1568

00:59:29,670 --> 00:59:27,040

the millab concoction fails every known

1569

00:59:31,750 --> 00:59:29,680

test of knowledge proof and common sense

1570

00:59:34,150 --> 00:59:31,760

not one scintilla of concrete evidence

1571

00:59:36,069 --> 00:59:34,160

exists to support the hypothesis

1572

00:59:38,069 --> 00:59:36,079

lammer's arguments fail in technology

1573

00:59:39,910 --> 00:59:38,079

political science military science

1574

00:59:42,309 --> 00:59:39,920

government budget and finance

1575

00:59:44,870 --> 00:59:42,319

organizational sociology and psychology

1576  
00:59:46,549 --> 00:59:44,880  
or psychiatry no one supporting the mlap

1577  
00:59:48,630 --> 00:59:46,559  
hypothesis can explain why critical

1578  
00:59:50,470 --> 00:59:48,640  
resources if they existed would be

1579  
00:59:52,950 --> 00:59:50,480  
employed for this nonsense versus some

1580  
00:59:55,030 --> 00:59:52,960  
issue of vital national importance at

1581  
00:59:57,349 --> 00:59:55,040  
the end of the day all we are left with

1582  
00:59:59,910 --> 00:59:57,359  
is obstruct totally unsubstantiated

1583  
01:00:04,549 --> 00:59:59,920  
conspiracy theory but that does sell

1584  
01:00:08,950 --> 01:00:06,230  
i enjoy the part where he's just

1585  
01:00:10,549 --> 01:00:08,960  
rattling off various unrelated fields of

1586  
01:00:12,710 --> 01:00:10,559  
study saying lamra has failed to

1587  
01:00:15,109 --> 01:00:12,720  
consider all of these fields or fails in

1588  
01:00:18,789 --> 01:00:15,119

all of these ways well

1589

01:00:21,510 --> 01:00:18,799

so does your critique of him um it's

1590

01:00:23,589 --> 01:00:21,520

oh well it's over now so there were some

1591

01:00:25,510 --> 01:00:23,599

critiques of

1592

01:00:28,630 --> 01:00:25,520

alexander's critique and the one i want

1593

01:00:33,109 --> 01:00:28,640

to focus on is by conspiracy writer alex

1594

01:00:34,789 --> 01:00:33,119

constantine and constantine had some

1595

01:00:36,230 --> 01:00:34,799

interesting things to say

1596

01:00:38,150 --> 01:00:36,240

about

1597

01:00:39,270 --> 01:00:38,160

alexander and

1598

01:00:40,870 --> 01:00:39,280

his

1599

01:00:43,990 --> 01:00:40,880

critique

1600

01:00:47,190 --> 01:00:44,000

in relation to his position and the work

1601

01:00:50,549 --> 01:00:47,200

that he had done over the years

1602

01:00:51,829 --> 01:00:50,559

mengele slurring meekly the uh did

1603

01:00:53,829 --> 01:00:51,839

nothing

1604

01:00:55,750 --> 01:00:53,839

john alexander is distancing himself

1605

01:00:57,589 --> 01:00:55,760

from horrific acts of experimentation on

1606

01:00:59,430 --> 01:00:57,599

humans and his categorical denial

1607

01:01:01,430 --> 01:00:59,440

originating as it does from inside the

1608

01:01:03,349 --> 01:01:01,440

intelligence community is a statement

1609

01:01:05,109 --> 01:01:03,359

for the record from the big boys

1610

01:01:06,710 --> 01:01:05,119

but there is high-handed irony in the

1611

01:01:08,309 --> 01:01:06,720

fact that is the only position he can

1612

01:01:10,390 --> 01:01:08,319

possibly take without incriminating

1613

01:01:12,630 --> 01:01:10,400

himself if he acknowledges facts that

1614

01:01:14,470 --> 01:01:12,640

lammer many abductees targeted political

1615

01:01:16,789 --> 01:01:14,480

dissidents and other categories of abuse

1616

01:01:19,270 --> 01:01:16,799

know by direct and indirect experience

1617

01:01:24,549 --> 01:01:19,280

to be true then he implicates himself in

1618

01:01:30,230 --> 01:01:26,950

strong words you start throwing the word

1619

01:01:33,270 --> 01:01:30,240

mengele around you know you're in it for

1620

01:01:35,510 --> 01:01:33,280

the long haul and he does um

1621

01:01:37,270 --> 01:01:35,520

sort of talk also about alexander's

1622

01:01:38,390 --> 01:01:37,280

position within the military

1623

01:01:39,589 --> 01:01:38,400

intelligence

1624

01:01:42,549 --> 01:01:39,599

complex

1625

01:01:43,589 --> 01:01:42,559

and that his his denial is

1626  
01:01:46,069 --> 01:01:43,599  
sort of

1627  
01:01:47,589 --> 01:01:46,079  
as he says a statement for the record

1628  
01:01:49,510 --> 01:01:47,599  
but

1629  
01:01:53,109 --> 01:01:49,520  
it's the only thing he can say

1630  
01:01:56,230 --> 01:01:53,119  
is what constantine is saying and it is

1631  
01:01:58,470 --> 01:01:56,240  
not necessarily an effective

1632  
01:02:01,270 --> 01:01:58,480  
rebuttal of lammer's arguments it's more

1633  
01:02:03,430 --> 01:02:01,280  
of an official refusal and a very

1634  
01:02:05,910 --> 01:02:03,440  
cynical one at that

1635  
01:02:08,710 --> 01:02:05,920  
next constantine takes aim at the fact

1636  
01:02:11,029 --> 01:02:08,720  
that alexander says there is you know

1637  
01:02:13,750 --> 01:02:11,039  
not one scintilla of evidence that

1638  
01:02:15,829 --> 01:02:13,760

anything lammer says is true

1639

01:02:17,510 --> 01:02:15,839

not one scintilla i don't know what a

1640

01:02:19,349 --> 01:02:17,520

cintilla is but anyone who has been

1641

01:02:21,990 --> 01:02:19,359

subjected to a millab experience with

1642

01:02:23,589 --> 01:02:22,000

fume only a dod prick would make a claim

1643

01:02:25,349 --> 01:02:23,599

that sweeping to an audience that has

1644

01:02:27,349 --> 01:02:25,359

poured over all scraps of research on

1645

01:02:29,990 --> 01:02:27,359

non-lethal weapons technology available

1646

01:02:32,309 --> 01:02:30,000

particularly the em variety the torture

1647

01:02:34,309 --> 01:02:32,319

of civilians goes on and nitpicking over

1648

01:02:36,390 --> 01:02:34,319

rf triangulation loci based on the

1649

01:02:38,630 --> 01:02:36,400

anachronistic mainstream data available

1650

01:02:39,829 --> 01:02:38,640

in the unclassified sector is futile and

1651

01:02:42,150 --> 01:02:39,839

distracting

1652

01:02:44,150 --> 01:02:42,160

Alexander denies not only his role in

1653

01:02:45,829 --> 01:02:44,160

but the very existence of the atrocities

1654

01:02:47,910 --> 01:02:45,839

because they are every bit as black as

1655

01:02:52,069 --> 01:02:47,920

those endured by victims of fascist war

1656

01:02:56,789 --> 01:02:53,910

which as we know Alexander would

1657

01:02:58,309 --> 01:02:56,799

probably sort of dismiss as necessary if

1658

01:03:01,190 --> 01:02:58,319

you knew the whole story about how

1659

01:03:03,990 --> 01:03:01,200

worried people were about everything

1660

01:03:05,829 --> 01:03:04,000

Constantine sort of says this

1661

01:03:08,309 --> 01:03:05,839

sort of parallel between the millaps

1662

01:03:10,549 --> 01:03:08,319

thing and other atrocities that have

1663

01:03:12,390 --> 01:03:10,559

been committed by governments is kind of

1664

01:03:14,390 --> 01:03:12,400

the whole point

1665

01:03:16,549 --> 01:03:14,400

but this is the issue here isn't it

1666

01:03:18,950 --> 01:03:16,559

alexander the intelligence agencies you

1667

01:03:22,390 --> 01:03:18,960

work for are beyond criminal journalist

1668

01:03:24,309 --> 01:03:22,400

penny lerneux reported that 1967 the cia

1669

01:03:25,910 --> 01:03:24,319

dropped napalm on guatemalan indians

1670

01:03:27,990 --> 01:03:25,920

because the oil companies wanted to pump

1671

01:03:29,829 --> 01:03:28,000

the petroleum beneath their land the

1672

01:03:31,270 --> 01:03:29,839

natives were burned alive and the oil

1673

01:03:32,710 --> 01:03:31,280

companies purchased the extraction

1674

01:03:34,870 --> 01:03:32,720

rights from puppets in the guatemalan

1675

01:03:36,870 --> 01:03:34,880

government at low cost when asked about

1676  
01:03:38,950 --> 01:03:36,880  
this episode the cia does not shrug and

1677  
01:03:41,270 --> 01:03:38,960  
admit yes we killed those indians for

1678  
01:03:43,349 --> 01:03:41,280  
the oil the response is

1679  
01:03:47,510 --> 01:03:43,359  
there is not one scintilla of concrete

1680  
01:03:52,309 --> 01:03:50,150  
he's not wrong and and here's the thing

1681  
01:03:54,230 --> 01:03:52,319  
you can almost look at it as though or

1682  
01:03:55,270 --> 01:03:54,240  
as if the millaps

1683  
01:03:56,230 --> 01:03:55,280  
stuff

1684  
01:03:59,029 --> 01:03:56,240  
is not

1685  
01:04:00,390 --> 01:03:59,039  
the main event the millabs thing is a

1686  
01:04:01,270 --> 01:04:00,400  
symptom

1687  
01:04:03,829 --> 01:04:01,280  
of

1688  
01:04:07,190 --> 01:04:03,839

a systemic

1689

01:04:08,630 --> 01:04:07,200

horribleness in the military

1690

01:04:09,829 --> 01:04:08,640

intelligence

1691

01:04:11,270 --> 01:04:09,839

industrial

1692

01:04:14,150 --> 01:04:11,280

complex

1693

01:04:17,670 --> 01:04:14,160

constantine finishes with

1694

01:04:19,670 --> 01:04:17,680

a flourish i guess we could call it

1695

01:04:21,750 --> 01:04:19,680

alexander's denial has been circulated

1696

01:04:23,990 --> 01:04:21,760

to some of the victims of milab he would

1697

01:04:26,309 --> 01:04:24,000

appear less a nazi i suppose if he

1698

01:04:28,630 --> 01:04:26,319

refused comment but to expose himself in

1699

01:04:30,789 --> 01:04:28,640

mengele ease as a liar snatching at the

1700

01:04:32,390 --> 01:04:30,799

no evidence straw well only a

1701

01:04:34,230 --> 01:04:32,400

representative from the criminalized

1702

01:04:36,230 --> 01:04:34,240

intelligence services would protest too

1703

01:04:37,670 --> 01:04:36,240

much because any other course would

1704

01:04:39,829 --> 01:04:37,680

expose the rot

1705

01:04:42,150 --> 01:04:39,839

why waste our time climb back in your

1706

01:04:43,829 --> 01:04:42,160

hole john alexander and exercise your

1707

01:04:46,230 --> 01:04:43,839

pathologies with an understanding that

1708

01:04:48,309 --> 01:04:46,240

many of us out here on the net know you

1709

01:04:51,990 --> 01:04:48,319

as an occultic concubine of fascist

1710

01:04:56,349 --> 01:04:55,510

concubine of fascist sugar daddies that

1711

01:04:57,910 --> 01:04:56,359

is

1712

01:04:58,710 --> 01:04:57,920

outstanding

1713

01:05:01,029 --> 01:04:58,720

um

1714

01:05:02,950 --> 01:05:01,039

he really does go for it here and

1715

01:05:04,470 --> 01:05:02,960

there's an anger

1716

01:05:07,190 --> 01:05:04,480

i was gonna say beneath the surface but

1717

01:05:09,750 --> 01:05:07,200

no the anger is is very much right there

1718

01:05:12,549 --> 01:05:09,760

on top of the surface absolutely no

1719

01:05:15,270 --> 01:05:12,559

question about that it's very

1720

01:05:18,470 --> 01:05:15,280

very fascinating to see

1721

01:05:21,270 --> 01:05:18,480

and i should note you know alongside

1722

01:05:23,750 --> 01:05:21,280

alexander's denials that anything like

1723

01:05:25,270 --> 01:05:23,760

what lammer talks about exists that

1724

01:05:27,510 --> 01:05:25,280

around the same time lamer's book came

1725

01:05:30,150 --> 01:05:27,520

out illuminet also published a book by

1726

01:05:33,270 --> 01:05:30,160

jim keith mass control engineering human

1727

01:05:35,349 --> 01:05:33,280

consciousness which identified work that

1728

01:05:37,750 --> 01:05:35,359

alexander was doing at the time and

1729

01:05:39,270 --> 01:05:37,760

presenting at conferences on and it's

1730

01:05:41,430 --> 01:05:39,280

very much in line with some of the

1731

01:05:42,549 --> 01:05:41,440

things lammer discussed in his mill labs

1732

01:05:45,750 --> 01:05:42,559

work

1733

01:05:47,910 --> 01:05:45,760

for a little while i thought about

1734

01:05:50,630 --> 01:05:47,920

doing an episode about john alexander

1735

01:05:53,109 --> 01:05:50,640

but after doing this episode

1736

01:05:54,309 --> 01:05:53,119

um just with with this amount that i've

1737

01:05:55,750 --> 01:05:54,319

i've

1738

01:05:57,670 --> 01:05:55,760

looked into

1739

01:05:59,430 --> 01:05:57,680

this stuff i don't want to spend any

1740

01:06:01,510 --> 01:05:59,440

more time with john alexander i just

1741

01:06:04,950 --> 01:06:01,520

don't feel like that's something that

1742

01:06:06,710 --> 01:06:04,960

would be good for my uh for my mental or

1743

01:06:08,870 --> 01:06:06,720

emotional health

1744

01:06:10,630 --> 01:06:08,880

so to conclude this look at

1745

01:06:13,190 --> 01:06:10,640

helmut lammer's mill labs someone on

1746

01:06:16,230 --> 01:06:13,200

facebook after the first part of the

1747

01:06:17,990 --> 01:06:16,240

sequence on this asked if we're sure

1748

01:06:20,390 --> 01:06:18,000

that this is the same lammer who is a

1749

01:06:22,230 --> 01:06:20,400

space scientist in austria and i believe

1750

01:06:23,829 --> 01:06:22,240

alexander connecting the two jobs and

1751

01:06:27,430 --> 01:06:23,839

the ruffled feathers press really sort

1752

01:06:30,150 --> 01:06:27,440

of confirmed that but to be clear lammer

1753

01:06:33,910 --> 01:06:30,160

space scientist lammer is out of the ufo

1754

01:06:37,510 --> 01:06:33,920

abduction field back in 2011 or so

1755

01:06:40,069 --> 01:06:37,520

somebody from the old ufo updates email

1756

01:06:41,910 --> 01:06:40,079

list that was run by errol bruce knapp

1757

01:06:44,789 --> 01:06:41,920

got in touch with lammer and asked his

1758

01:06:46,630 --> 01:06:44,799

opinion about an article that he had

1759

01:06:48,710 --> 01:06:46,640

written which is you know one of the

1760

01:06:52,230 --> 01:06:48,720

sort of condensed internet versions of

1761

01:06:55,670 --> 01:06:52,240

the mufon article and lammer did reply

1762

01:06:57,190 --> 01:06:55,680

explaining his current situation

1763

01:06:58,710 --> 01:06:57,200

please note that i've not been involved

1764

01:07:00,870 --> 01:06:58,720

in this kind of private research for

1765

01:07:02,630 --> 01:07:00,880

more than 10 years and the content of

1766

01:07:05,610 --> 01:07:02,640

the article does not reflect my present

1767

01:07:08,230 --> 01:07:05,620

day opinion best wishes helmut lammer

1768

01:07:09,990 --> 01:07:08,240

[Music]

1769

01:07:12,549 --> 01:07:10,000

and further to that

1770

01:07:15,349 --> 01:07:12,559

in addition to it not being you know his

1771

01:07:17,430 --> 01:07:15,359

current opinion a few years later hakan

1772

01:07:19,910 --> 01:07:17,440

blomquist of the archives for the

1773

01:07:22,630 --> 01:07:19,920

unexplained and i butchered that name um

1774

01:07:25,510 --> 01:07:22,640

if anybody knows the fella and he hears

1775

01:07:28,470 --> 01:07:25,520

this tell him i'm sorry um

1776

01:07:31,829 --> 01:07:28,480

so mr blomquist of the archives for the

1777

01:07:34,470 --> 01:07:31,839

unexplained got in contact with lammer

1778

01:07:37,190 --> 01:07:34,480

inquiring about his records and whether

1779

01:07:39,430 --> 01:07:37,200

they might be donatable

1780

01:07:41,670 --> 01:07:39,440

in april 2011 i wrote to dr lammer

1781

01:07:42,870 --> 01:07:41,680

asking for more data on his research he

1782

01:07:44,630 --> 01:07:42,880

very kindly told me that he had

1783

01:07:46,630 --> 01:07:44,640

abandoned all research on abductions and

1784

01:07:48,710 --> 01:07:46,640

mind control and had no further interest

1785

01:07:50,549 --> 01:07:48,720

in the subject i then asked if he would

1786

01:07:53,349 --> 01:07:50,559

consider donating his research material

1787

01:07:54,950 --> 01:07:53,359

and archive to afu i was quite surprised

1788

01:07:57,109 --> 01:07:54,960

when told that his entire archive had

1789

01:07:58,630 --> 01:07:57,119

been thrown away why would a scientist

1790

01:08:01,450 --> 01:07:58,640

destroy the result of many years of

1791

01:08:03,829 --> 01:08:01,460

research was the subject too sensitive

1792

01:08:06,710 --> 01:08:03,839

[Music]

1793

01:08:10,150 --> 01:08:06,720

now i'm not saying that this is

1794

01:08:12,470 --> 01:08:10,160

on the same level as al bender's we

1795

01:08:15,029 --> 01:08:12,480

advise those engaged in saucer research

1796

01:08:17,829 --> 01:08:15,039

to please be very careful

1797

01:08:20,149 --> 01:08:17,839

but it is kind of it is kind of strange

1798

01:08:22,550 --> 01:08:20,159

and people have in various places on the

1799

01:08:24,709 --> 01:08:22,560

internet played the whole was he being

1800

01:08:26,470 --> 01:08:24,719

threatened card and

1801

01:08:27,990 --> 01:08:26,480

i don't have any evidence of that i

1802

01:08:30,309 --> 01:08:28,000

don't have any evidence that that

1803

01:08:32,950 --> 01:08:30,319

anything untoward happened to him i

1804

01:08:34,630 --> 01:08:32,960

think it probably brought more attention

1805

01:08:37,349 --> 01:08:34,640

to him than he would have liked

1806

01:08:40,309 --> 01:08:37,359

especially with his very sort of

1807

01:08:42,630 --> 01:08:40,319

prestigious scientific and academic

1808

01:08:44,149 --> 01:08:42,640

appointments that could be really

1809

01:08:46,149 --> 01:08:44,159

irritating on a personal and

1810

01:08:47,430 --> 01:08:46,159

professional level to deal with

1811

01:08:49,829 --> 01:08:47,440

um

1812

01:08:53,110 --> 01:08:49,839

i think it's well established that

1813

01:08:54,870 --> 01:08:53,120

working in the ufo field

1814

01:08:57,590 --> 01:08:54,880

if especially if you're not somebody

1815

01:09:00,950 --> 01:08:57,600

who's you know who's decided to make a

1816

01:09:02,550 --> 01:09:00,960

living at being in the ufo field can be

1817

01:09:05,030 --> 01:09:02,560

very sort of

1818

01:09:08,309 --> 01:09:05,040

arduous and stressful and you deal with

1819

01:09:10,870 --> 01:09:08,319

a lot of interesting people and

1820

01:09:12,950 --> 01:09:10,880

i can imagine that he just got tired of

1821

01:09:13,910 --> 01:09:12,960

dealing with these very interesting

1822

01:09:15,269 --> 01:09:13,920

people

1823

01:09:17,349 --> 01:09:15,279

so at the end of all this what do i

1824

01:09:20,229 --> 01:09:17,359

think not that you need me to think

1825

01:09:22,390 --> 01:09:20,239

anything i'm not here to solve the mlab

1826

01:09:25,910 --> 01:09:22,400

question i'm here to present this little

1827

01:09:29,349 --> 01:09:25,920

slice of research uh to the best of my

1828

01:09:31,590 --> 01:09:29,359

ability and because listener mark asked

1829

01:09:32,630 --> 01:09:31,600

me to and bought me the book

1830

01:09:35,189 --> 01:09:32,640

but i think

1831

01:09:36,470 --> 01:09:35,199

what i come away from this thinking is

1832

01:09:38,709 --> 01:09:36,480

that

1833

01:09:40,149 --> 01:09:38,719

the millabs project much like

1834

01:09:43,349 --> 01:09:40,159

constantine's

1835

01:09:45,349 --> 01:09:43,359

response to john alexander the millaps

1836

01:09:46,149 --> 01:09:45,359

project highlights

1837

01:09:47,590 --> 01:09:46,159

the

1838

01:09:48,789 --> 01:09:47,600

long history

1839

01:09:50,709 --> 01:09:48,799

of

1840

01:09:51,990 --> 01:09:50,719

government and military and intelligence

1841

01:09:53,349 --> 01:09:52,000

chicanery

1842

01:09:55,669 --> 01:09:53,359

and

1843

01:09:58,950 --> 01:09:55,679

i kind of wonder if

1844

01:10:01,350 --> 01:09:58,960

that's a story that is best told

1845

01:10:04,470 --> 01:10:01,360

by people who have no interest in or

1846

01:10:07,510 --> 01:10:04,480

connection to the ufo or alien question

1847

01:10:09,110 --> 01:10:07,520

whatsoever because i'm not saying this

1848

01:10:10,550 --> 01:10:09,120

is a good thing i'm not saying this is a

1849

01:10:11,430 --> 01:10:10,560

virtuous thing

1850

01:10:15,350 --> 01:10:11,440

but

1851  
01:10:18,630 --> 01:10:15,360  
anytime you connect a topic to ufos and

1852  
01:10:21,830 --> 01:10:18,640  
alien abductions and hypnotic regression

1853  
01:10:24,310 --> 01:10:21,840  
you run the risk of discrediting

1854  
01:10:26,790 --> 01:10:24,320  
that topic and

1855  
01:10:28,630 --> 01:10:26,800  
some things are too serious to be mixed

1856  
01:10:31,110 --> 01:10:28,640  
up with flying saucers

1857  
01:10:33,510 --> 01:10:31,120  
that's just my opinion um

1858  
01:10:35,350 --> 01:10:33,520  
but the book did make me think the

1859  
01:10:37,110 --> 01:10:35,360  
articles the mufon articles in the book

1860  
01:10:39,669 --> 01:10:37,120  
did make me think i found them

1861  
01:10:41,990 --> 01:10:39,679  
intriguing and i urge you to check out

1862  
01:10:48,310 --> 01:10:42,000  
those mufon articles and i will try to

1863  
01:10:52,630 --> 01:10:50,950

next time contact these in japan thank

1864

01:10:53,990 --> 01:10:52,640
