

THE  
SAUCER  
AFTERLIFE

LISTENER FEEDBACK:  
THE STRANGE CASE  
OF CARLOS ALLENDE

1  
00:00:15,350 --> 00:00:05,160

[Music]

2  
00:00:17,269 --> 00:00:15,360

[Applause]

3  
00:00:20,470 --> 00:00:17,279

hello and it's time for our listener

4  
00:00:23,189 --> 00:00:20,480

feedback episode on the strange case of

5  
00:00:25,109 --> 00:00:23,199

carlos allende and we've got a number of

6  
00:00:26,230 --> 00:00:25,119

things going on here

7  
00:00:28,150 --> 00:00:26,240

not just

8  
00:00:30,390 --> 00:00:28,160

some feedback from listeners but some

9  
00:00:33,270 --> 00:00:30,400

other contributions from listeners and

10  
00:00:34,229 --> 00:00:33,280

a little bit of a treat if you can call

11  
00:00:37,670 --> 00:00:34,239

it that

12  
00:00:39,990 --> 00:00:37,680

as we get to the end in the form of an

13  
00:00:44,069 --> 00:00:40,000

interview or conversation between grey

14

00:00:46,310 --> 00:00:44,079

barker and carlos allende from 1967

15

00:00:48,709 --> 00:00:46,320

it's not the epic 90 minute one that's

16

00:00:51,750 --> 00:00:48,719

out there but it is one that is out

17

00:00:53,270 --> 00:00:51,760

there and thank you to listener brian r

18

00:00:56,150 --> 00:00:53,280

for pointing me

19

00:00:58,630 --> 00:00:56,160

in the direction of that when i had not

20

00:01:00,709 --> 00:00:58,640

been able to find anything like that so

21

00:01:02,630 --> 00:01:00,719

cheers brian thanks a lot for that we're

22

00:01:06,550 --> 00:01:02,640

going to start off not with some

23

00:01:07,510 --> 00:01:06,560

listener feedback but a listener poem

24

00:01:08,630 --> 00:01:07,520

from

25

00:01:11,750 --> 00:01:08,640

listener

26

00:01:14,469 --> 00:01:11,760

zachary and zachary has a website full

27

00:01:17,109 --> 00:01:14,479

of uh full of things that he included a

28

00:01:18,550 --> 00:01:17,119

link to that i will put on the

29

00:01:20,950 --> 00:01:18,560

show notes and

30

00:01:22,630 --> 00:01:20,960

this is uh this is a good poet poem and

31

00:01:25,109 --> 00:01:22,640

he gave me permission

32

00:01:26,710 --> 00:01:25,119

to read it now warning i am not a

33

00:01:28,550 --> 00:01:26,720

trained

34

00:01:31,030 --> 00:01:28,560

poetry

35

00:01:31,749 --> 00:01:31,040

recitationist i i don't know if that's

36

00:01:34,390 --> 00:01:31,759

the

37

00:01:35,990 --> 00:01:34,400

right word um

38

00:01:38,870 --> 00:01:36,000

bard i don't know if that's a better

39

00:01:42,230 --> 00:01:38,880

word maybe but um

40

00:01:45,590 --> 00:01:43,910

the men are from mars

41

00:01:47,670 --> 00:01:45,600

at least that's what i wrote when behind

42

00:01:49,749 --> 00:01:47,680

bars they said atom bombs couldn't do

43

00:01:51,670 --> 00:01:49,759

much more than harm and before nuclear

44

00:01:54,069 --> 00:01:51,680

holocaust their red world had been

45

00:01:55,670 --> 00:01:54,079

nothing but farm of course as you'll see

46

00:01:57,830 --> 00:01:55,680

much as you might imagine you want to

47

00:01:59,190 --> 00:01:57,840

hear from the space people you don't

48

00:02:01,429 --> 00:01:59,200

want to be me

49

00:02:03,270 --> 00:02:01,439

because there are no men from mars

50

00:02:05,590 --> 00:02:03,280

no men at all come from the stars not

51  
00:02:08,389 --> 00:02:05,600  
from venus pleasant and perfect not from

52  
00:02:11,029 --> 00:02:08,399  
jupiter under holy masters elect trust

53  
00:02:13,110 --> 00:02:11,039  
me or not not my choice

54  
00:02:15,670 --> 00:02:13,120  
even behind bars i do have a voice not

55  
00:02:17,589 --> 00:02:15,680  
that i am a prisoner for any law broken

56  
00:02:19,589 --> 00:02:17,599  
though soon i imagine you will regret

57  
00:02:22,229 --> 00:02:19,599  
having let me spoken for the cell here

58  
00:02:24,150 --> 00:02:22,239  
dear listener is of my unmake

59  
00:02:26,710 --> 00:02:24,160  
i have the truth you cannot shake there

60  
00:02:27,910 --> 00:02:26,720  
are no men from mars no men from beyond

61  
00:02:30,790 --> 00:02:27,920  
the stars

62  
00:02:33,589 --> 00:02:30,800  
just silver threads that tug and pull

63  
00:02:34,710 --> 00:02:33,599

men with funny names all cold

64

00:02:36,710 --> 00:02:34,720

apple

65

00:02:39,030 --> 00:02:36,720

there are no men from mars

66

00:02:42,150 --> 00:02:39,040

no men from beyond the stars

67

00:02:51,430 --> 00:02:42,160

just lying truths spun as a web and the

68

00:02:55,990 --> 00:02:53,910

i liked that hope you did too

69

00:02:59,350 --> 00:02:56,000

okay on to some listener questions about

70

00:03:01,750 --> 00:02:59,360

our carlos allende episode and again if

71

00:03:04,470 --> 00:03:01,760

as i'm recording this your question had

72

00:03:07,030 --> 00:03:04,480

not reached me then i will address it

73

00:03:09,830 --> 00:03:07,040

later on so first of all

74

00:03:13,110 --> 00:03:09,840

kyle who's on the chiso media patreon

75

00:03:15,030 --> 00:03:13,120

over at patreon.com chiso media says my

76

00:03:16,869 --> 00:03:15,040

questions for that episode

77

00:03:18,869 --> 00:03:16,879

now that we've established a precedent

78

00:03:21,509 --> 00:03:18,879

for a more liberal usage of the term

79

00:03:24,630 --> 00:03:21,519

deathbed confession when do you plan on

80

00:03:28,070 --> 00:03:24,640

starting to issue your own

81

00:03:29,589 --> 00:03:28,080

probably by august of this year i'm

82

00:03:31,910 --> 00:03:29,599

going to

83

00:03:33,589 --> 00:03:31,920

start planning my pre-death bed

84

00:03:36,309 --> 00:03:33,599

confession hopefully that'll give me at

85

00:03:38,309 --> 00:03:36,319

least another 10 years or so kyle also

86

00:03:40,789 --> 00:03:38,319

asks if you could in fact reanimate a

87

00:03:43,430 --> 00:03:40,799

dead ufo writer to have lunch with

88

00:03:47,110 --> 00:03:43,440

who would it be don't say barker ah

89

00:03:49,110 --> 00:03:47,120

shoot i can't say barker okay um

90

00:03:50,789 --> 00:03:49,120

i that's a that's an interesting

91

00:03:53,990 --> 00:03:50,799

difficult question

92

00:03:58,149 --> 00:03:54,000

and i think

93

00:04:01,350 --> 00:03:58,159

oh boy i'd have to say george adamski

94

00:04:03,429 --> 00:04:01,360

but only if i could somehow compel him

95

00:04:05,429 --> 00:04:03,439

to tell me the truth

96

00:04:07,350 --> 00:04:05,439

about things that

97

00:04:09,750 --> 00:04:07,360

would be my sort of

98

00:04:13,429 --> 00:04:09,760

caveat on that

99

00:04:15,429 --> 00:04:13,439

otherwise oh dead ufo people

100

00:04:17,030 --> 00:04:15,439

well just because i've been enmeshed in

101  
00:04:18,870 --> 00:04:17,040  
this topic for

102  
00:04:21,830 --> 00:04:18,880  
a while now um

103  
00:04:23,350 --> 00:04:21,840  
i think i think morris k jessup would be

104  
00:04:25,670 --> 00:04:23,360  
interesting i'd

105  
00:04:27,350 --> 00:04:25,680  
i'd like to hear what he has to say

106  
00:04:29,430 --> 00:04:27,360  
because on the one hand we have people

107  
00:04:31,430 --> 00:04:29,440  
saying that well jessup was deeply

108  
00:04:33,350 --> 00:04:31,440  
involved in working on the philadelphia

109  
00:04:35,350 --> 00:04:33,360  
experiment when they came to get him

110  
00:04:37,830 --> 00:04:35,360  
after they read his book and other

111  
00:04:39,189 --> 00:04:37,840  
people like john keel sang

112  
00:04:41,830 --> 00:04:39,199  
jessup thought

113  
00:04:43,749 --> 00:04:41,840

all of those annotations were were bunk

114

00:04:45,909 --> 00:04:43,759

and just kind of

115

00:04:47,590 --> 00:04:45,919

a waste of time i would like to hear

116

00:04:49,830 --> 00:04:47,600

from him

117

00:04:50,629 --> 00:04:49,840

what he thought of those annotations and

118

00:04:52,390 --> 00:04:50,639

of

119

00:04:54,870 --> 00:04:52,400

the whole thing i think that would be

120

00:04:56,629 --> 00:04:54,880

interesting there's also

121

00:04:58,790 --> 00:04:56,639

oh just

122

00:05:00,710 --> 00:04:58,800

just some others truman bathroom i'd

123

00:05:03,990 --> 00:05:00,720

like to talk to truman bathroom

124

00:05:07,430 --> 00:05:04,000

i would like to

125

00:05:09,110 --> 00:05:07,440

talk to um

126

00:05:10,469 --> 00:05:09,120

jim mosley because i never got the

127

00:05:12,790 --> 00:05:10,479

chance to talk to him when he was alive

128

00:05:15,189 --> 00:05:12,800

and i i think if he had

129

00:05:16,870 --> 00:05:15,199

lived about five years longer or i'd

130

00:05:19,029 --> 00:05:16,880

been about five years older

131

00:05:21,670 --> 00:05:19,039

we probably would have crossed paths um

132

00:05:23,830 --> 00:05:21,680

we we knew enough people in common at

133

00:05:26,469 --> 00:05:23,840

least i do now that that would have been

134

00:05:28,310 --> 00:05:26,479

that would have been good um

135

00:05:30,230 --> 00:05:28,320

yeah so that's

136

00:05:32,950 --> 00:05:30,240

that's my list uh

137

00:05:35,029 --> 00:05:32,960

kirk also on the patreon says i too was

138

00:05:36,870 --> 00:05:35,039

impressed by the grit and humanity of ms

139

00:05:38,870 --> 00:05:36,880

dowers as well as her mastery of pros

140

00:05:41,189 --> 00:05:38,880

especially given her humble background

141

00:05:42,790 --> 00:05:41,199

so what's your personal opinion oh this

142

00:05:44,950 --> 00:05:42,800

question what's your first look with

143

00:05:46,790 --> 00:05:44,960

opinion as to why the onr employees in

144

00:05:48,790 --> 00:05:46,800

the vero manufacturing company took the

145

00:05:51,510 --> 00:05:48,800

trouble to publish jessup's book with

146

00:05:53,670 --> 00:05:51,520

allende's annotations an mj-12 style

147

00:05:55,830 --> 00:05:53,680

effort to muddy ufological waters a

148

00:05:57,909 --> 00:05:55,840

literary practical joke or could it be

149

00:05:59,749 --> 00:05:57,919

that a number of individuals at onr took

150

00:06:01,990 --> 00:05:59,759

the peculiar ideas expressed in it

151  
00:06:03,189 --> 00:06:02,000  
seriously after all over the years we

152  
00:06:05,510 --> 00:06:03,199  
have heard that there are strange

153  
00:06:07,270 --> 00:06:05,520  
pockets of people within the government

154  
00:06:08,550 --> 00:06:07,280  
and military that are into all sorts of

155  
00:06:11,830 --> 00:06:08,560  
strange stuff

156  
00:06:14,629 --> 00:06:11,840  
i think a little bit of a practical joke

157  
00:06:16,230 --> 00:06:14,639  
and a little bit of some weirdos taking

158  
00:06:17,749 --> 00:06:16,240  
some of the ideas seriously i think

159  
00:06:19,029 --> 00:06:17,759  
there are elements

160  
00:06:23,749 --> 00:06:19,039  
of

161  
00:06:27,510 --> 00:06:23,759  
there um that's that's my opinion it's

162  
00:06:29,189 --> 00:06:27,520  
somewhere between those two options red

163  
00:06:31,510 --> 00:06:29,199

pill junkie commenting on the website

164

00:06:32,950 --> 00:06:31,520

says great job on this one thank you i

165

00:06:34,390 --> 00:06:32,960

could almost hear the cogs inside your

166

00:06:35,990 --> 00:06:34,400

head starting to screech by the end of

167

00:06:39,350 --> 00:06:36,000

the recording getting too overwhelmed by

168

00:06:40,550 --> 00:06:39,360

the maniacal influence of carlos allen

169

00:06:44,070 --> 00:06:40,560

allende

170

00:06:45,670 --> 00:06:44,080

bamboozler who probably tried to bask in

171

00:06:47,830 --> 00:06:45,680

the questionable notoriety his sad

172

00:06:50,150 --> 00:06:47,840

little life ever managed to enjoy until

173

00:06:51,749 --> 00:06:50,160

the very end but in truth can we blame

174

00:06:53,510 --> 00:06:51,759

him for the way his tall tales have

175

00:06:56,070 --> 00:06:53,520

managed to endure and blossom for so

176

00:06:57,589 --> 00:06:56,080

many decades all this kind of reinforces

177

00:07:00,469 --> 00:06:57,599

my suspicions that many things in the

178

00:07:02,469 --> 00:07:00,479

world of ufology perhaps ufo themselves

179

00:07:05,589 --> 00:07:02,479

are some sort of memetic virus that

180

00:07:08,390 --> 00:07:05,599

spreads around from brain to brain

181

00:07:10,550 --> 00:07:08,400

maybe i mean that's i like that sort of

182

00:07:13,270 --> 00:07:10,560

sort of notion i will say that no we we

183

00:07:16,150 --> 00:07:13,280

cannot blame ayande for for the way his

184

00:07:19,189 --> 00:07:16,160

things his ideas were used absolutely

185

00:07:21,270 --> 00:07:19,199

not i'm not sure as i'd go as far as

186

00:07:23,270 --> 00:07:21,280

john keel did in um

187

00:07:25,510 --> 00:07:23,280

calling allende the philadelphia

188

00:07:27,670 --> 00:07:25,520

experiment's greatest victim i'm not

189

00:07:29,110 --> 00:07:27,680

sure i'd go that far although

190

00:07:33,430 --> 00:07:29,120

it's

191

00:07:35,589 --> 00:07:33,440

a case study in how

192

00:07:37,189 --> 00:07:35,599

you know your ideas can be used by all

193

00:07:38,790 --> 00:07:37,199

kinds of people in all sorts of ways for

194

00:07:40,070 --> 00:07:38,800

all kinds of profit that you don't

195

00:07:42,870 --> 00:07:40,080

necessarily

196

00:07:43,670 --> 00:07:42,880

get a uh get to participate in

197

00:07:47,589 --> 00:07:43,680

um

198

00:07:49,550 --> 00:07:47,599

but i i do think yeah he's no especially

199

00:07:52,469 --> 00:07:49,560

the way it's gone post

200

00:07:55,589 --> 00:07:52,479

1989 which is what we're going to see in

201

00:07:58,230 --> 00:07:55,599

the the next and probably final

202

00:08:02,150 --> 00:07:58,240

installment final and a half installment

203

00:08:04,469 --> 00:08:02,160

of the uh the philadelphia experiment um

204

00:08:06,550 --> 00:08:04,479

saga here or the saga of the people

205

00:08:07,990 --> 00:08:06,560

who've been part of the philadelphia

206

00:08:11,670 --> 00:08:08,000

experiment and don't worry we're going

207

00:08:13,270 --> 00:08:11,680

to get back to aliens um oh you know

208

00:08:15,110 --> 00:08:13,280

eventually actually in this next

209

00:08:17,749 --> 00:08:15,120

philadelphia experiment episode there

210

00:08:20,230 --> 00:08:17,759

are some aliens there as well so don't

211

00:08:23,270 --> 00:08:20,240

worry we're getting back to aliens but i

212

00:08:26,070 --> 00:08:23,280

think uh next time when we get people

213

00:08:29,749 --> 00:08:26,080

like albilio and preston nichols and the

214

00:08:32,790 --> 00:08:29,759

whole montauk thing involved yeah that i

215

00:08:34,790 --> 00:08:32,800

mean it it's it's a a splinter off of

216

00:08:37,350 --> 00:08:34,800

the philadelphia experiment

217

00:08:41,509 --> 00:08:37,360

and a a sort of retelling and retwisting

218

00:08:43,909 --> 00:08:41,519

of it that is is at odds with allende's

219

00:08:45,750 --> 00:08:43,919

account and they

220

00:08:49,190 --> 00:08:45,760

as we'll see go out of their way to

221

00:08:51,190 --> 00:08:49,200

minimize allende's contributions and um

222

00:08:53,269 --> 00:08:51,200

this didn't really come across well when

223

00:08:56,070 --> 00:08:53,279

i discussed the dowers book

224

00:08:59,430 --> 00:08:56,080

but uh allende and endoward had a very

225

00:09:01,430 --> 00:08:59,440

low opinion of the the post allende

226

00:09:02,630 --> 00:09:01,440

philadelphia experiment

227

00:09:04,389 --> 00:09:02,640

discussion

228

00:09:06,310 --> 00:09:04,399

lester via email says is the

229

00:09:08,870 --> 00:09:06,320

philadelphia experiment as phony as

230

00:09:09,829 --> 00:09:08,880

adamski's photographs

231

00:09:14,790 --> 00:09:09,839

yes

232

00:09:17,030 --> 00:09:14,800

things can be debunked you know eight

233

00:09:19,910 --> 00:09:17,040

ways from sunday but there are going to

234

00:09:24,150 --> 00:09:19,920

be people who who cling to that

235

00:09:26,710 --> 00:09:24,160

idea um lester also in a separate email

236

00:09:28,550 --> 00:09:26,720

talks about sort of allende and and

237

00:09:30,389 --> 00:09:28,560

jessup and says that that both were

238

00:09:31,670 --> 00:09:30,399

apparently gifted individuals who

239

00:09:33,910 --> 00:09:31,680

couldn't turn their gifts into money

240

00:09:36,070 --> 00:09:33,920

conventional careers etc ayande should

241

00:09:37,110 --> 00:09:36,080

have been a pulp sci-fi author anyone

242

00:09:39,430 --> 00:09:37,120

could get a story into the pulp

243

00:09:41,430 --> 00:09:39,440

magazines of the 20s to 40s by the 50s

244

00:09:43,990 --> 00:09:41,440

he had to crank out paperback books

245

00:09:47,190 --> 00:09:44,000

which took a lot more work absolutely i

246

00:09:50,550 --> 00:09:47,200

think i think allende's stories were

247

00:09:53,670 --> 00:09:50,560

were made for a 10 thousand word amazing

248

00:09:56,389 --> 00:09:53,680

stories novella i i think that is

249

00:09:58,550 --> 00:09:56,399

absolutely uh absolutely perfect

250

00:10:01,190 --> 00:09:58,560

and uh and finally at least as of as of

251  
00:10:02,870 --> 00:10:01,200  
right now doc pinko on twitter he says i

252  
00:10:04,710 --> 00:10:02,880  
have the philadelphia experiment book

253  
00:10:06,870 --> 00:10:04,720  
but haven't read it i first heard about

254  
00:10:09,110 --> 00:10:06,880  
it thanks to the 1984 movie with that

255  
00:10:10,870 --> 00:10:09,120  
guy who played a high school kid on the

256  
00:10:13,590 --> 00:10:10,880  
greatest american hero which i also

257  
00:10:15,990 --> 00:10:13,600  
watched yes i'm a huge greatest american

258  
00:10:17,670 --> 00:10:16,000  
hero mark uh more aliens don't worry

259  
00:10:20,630 --> 00:10:17,680  
they're coming they're coming in

260  
00:10:24,389 --> 00:10:20,640  
conjunction with um the philadelphia

261  
00:10:26,790 --> 00:10:24,399  
experiment and montauk and all of its

262  
00:10:28,710 --> 00:10:26,800  
sort of adjuncts there

263  
00:10:31,350 --> 00:10:28,720

so thanks for that uh thanks for that

264

00:10:33,670 --> 00:10:31,360

feedback thanks for that um that stuff

265

00:10:36,870 --> 00:10:33,680

right there just a little glimpse before

266

00:10:38,949 --> 00:10:36,880

we get to the gray barker um carlos

267

00:10:40,790 --> 00:10:38,959

allende conversation that we're going to

268

00:10:43,350 --> 00:10:40,800

end this with as a little treat for you

269

00:10:46,230 --> 00:10:43,360

um if that's the sort of thing you might

270

00:10:48,550 --> 00:10:46,240

define as a treat i don't know that's um

271

00:10:51,030 --> 00:10:48,560

that's kind of iffy but i do want to

272

00:10:53,590 --> 00:10:51,040

sort of say where we're going with this

273

00:10:55,670 --> 00:10:53,600

um the next philadelphia experiment

274

00:10:57,030 --> 00:10:55,680

installment is going to be

275

00:10:59,990 --> 00:10:57,040

um

276

00:11:02,470 --> 00:11:00,000

albilic and the montauk stuff and i am

277

00:11:04,870 --> 00:11:02,480

going to i'm gonna place some limits on

278

00:11:09,350 --> 00:11:04,880

myself with the montauk stuff because

279

00:11:12,790 --> 00:11:09,360

the montauk project stuff is its own

280

00:11:14,949 --> 00:11:12,800

podcast series not even a a

281

00:11:17,829 --> 00:11:14,959

bunch of episodes it's his own podcast

282

00:11:19,030 --> 00:11:17,839

series and there are a lot of

283

00:11:21,990 --> 00:11:19,040

sort of

284

00:11:24,310 --> 00:11:22,000

spin-offs even of that there are some

285

00:11:26,870 --> 00:11:24,320

philadelphia experiment things from

286

00:11:30,470 --> 00:11:26,880

earlier that i did not get to because

287

00:11:33,670 --> 00:11:30,480

books had not reached me yet so i think

288

00:11:36,630 --> 00:11:33,680

after the the be like montauk episode

289

00:11:39,990 --> 00:11:36,640

there's going to be a final wrap-up and

290

00:11:41,269 --> 00:11:40,000

that might be in the the post um the

291

00:11:43,910 --> 00:11:41,279

listener post thing or it might be its

292

00:11:47,030 --> 00:11:43,920

own episode i'm not sure um it's my show

293

00:11:50,310 --> 00:11:47,040

i can go ahead and not be sure but um

294

00:11:53,030 --> 00:11:50,320

things like brad steiger's 1968 book on

295

00:11:54,629 --> 00:11:53,040

the allende letters the novel thin air

296

00:11:57,990 --> 00:11:54,639

which was loosely based on the

297

00:12:01,030 --> 00:11:58,000

philadelphia experiment ideas

298

00:12:03,590 --> 00:12:01,040

there are some spin-offs of the montauk

299

00:12:06,389 --> 00:12:03,600

thing that get into a little more alien

300

00:12:08,629 --> 00:12:06,399

stuff and some really weird stuff

301  
00:12:10,629 --> 00:12:08,639  
books by a guy named stuart swerdlow for

302  
00:12:14,870 --> 00:12:10,639  
example we'll look at a few of those

303  
00:12:18,069 --> 00:12:14,880  
there is a book by alexandra bruce that

304  
00:12:19,829 --> 00:12:18,079  
ties in the philadelphia experiment with

305  
00:12:23,350 --> 00:12:19,839  
the death of phil schneider who is

306  
00:12:25,990 --> 00:12:23,360  
connected to the underground dulce bass

307  
00:12:27,990 --> 00:12:26,000  
that's a real thing folks so there's

308  
00:12:29,990 --> 00:12:28,000  
there's a lot here i i'm trying to get

309  
00:12:32,150 --> 00:12:30,000  
as much

310  
00:12:33,990 --> 00:12:32,160  
of this sort of

311  
00:12:36,310 --> 00:12:34,000  
out of the way so i never have to deal

312  
00:12:38,710 --> 00:12:36,320  
with this topic again i i don't think

313  
00:12:41,750 --> 00:12:38,720

i've bought this many books for an

314

00:12:44,629 --> 00:12:41,760

episode or series of episodes ever it's

315

00:12:46,870 --> 00:12:44,639

pretty amazing so that's all that's all

316

00:12:47,790 --> 00:12:46,880

i have for right now let's let's segue

317

00:12:54,310 --> 00:12:47,800

to

318

00:13:00,150 --> 00:12:54,320

carlos allende

319

00:13:02,470 --> 00:13:00,160

[Music]

320

00:13:03,750 --> 00:13:02,480

hello to my friends and correspondents

321

00:13:06,629 --> 00:13:03,760

everywhere

322

00:13:08,310 --> 00:13:06,639

this is grey barker and this tape is

323

00:13:11,590 --> 00:13:08,320

being made available

324

00:13:12,949 --> 00:13:11,600

as a part of the dissemination my

325

00:13:14,150 --> 00:13:12,959

research

326

00:13:16,069 --> 00:13:14,160

into

327

00:13:18,949 --> 00:13:16,079

the mysteries

328

00:13:21,990 --> 00:13:18,959

of the yendi letters the annotated

329

00:13:26,030 --> 00:13:22,000

edition of the case for the ufo

330

00:13:28,949 --> 00:13:26,040

the apparent suicide of dr mk jessup in

331

00:13:30,949 --> 00:13:28,959

1959 and other matters

332

00:13:34,069 --> 00:13:30,959

that still remain

333

00:13:36,470 --> 00:13:34,079

mysteries and are of great interest to

334

00:13:38,790 --> 00:13:36,480

various students of ufology now this

335

00:13:41,110 --> 00:13:38,800

recording is just being made informally

336

00:13:42,949 --> 00:13:41,120

it's not being read or it's just from a

337

00:13:46,310 --> 00:13:42,959

few notes so

338

00:13:49,030 --> 00:13:46,320

i hope you will uh pardon the way it's

339

00:13:51,430 --> 00:13:49,040

made but it's it's just as if i would be

340

00:13:54,150 --> 00:13:51,440

sitting here talking to you about this

341

00:13:56,389 --> 00:13:54,160

and that's how i would like to proceed

342

00:13:58,629 --> 00:13:56,399

some of you are listening to this tape

343

00:14:01,269 --> 00:13:58,639

has already read

344

00:14:05,269 --> 00:14:01,279

the annotated edition of the case for

345

00:14:08,069 --> 00:14:05,279

the ufo by dr mk jessup the facsimile

346

00:14:10,629 --> 00:14:08,079

edition that i reprinted and have been

347

00:14:13,189 --> 00:14:10,639

distributing for some years now

348

00:14:15,189 --> 00:14:13,199

those of you who have read this i'm sure

349

00:14:18,790 --> 00:14:15,199

this tape will mean a great deal more to

350

00:14:21,430 --> 00:14:18,800

you than those who haven't and to those

351

00:14:23,030 --> 00:14:21,440

who are thoroughly familiar with

352

00:14:26,310 --> 00:14:23,040

jessica yendi

353

00:14:28,629 --> 00:14:26,320

uh the alleged disappearing ship etc i

354

00:14:31,350 --> 00:14:28,639

hope that you will uh pardon me while i

355

00:14:33,030 --> 00:14:31,360

just sketch out some things briefly in

356

00:14:35,509 --> 00:14:33,040

case the person listening this tape is

357

00:14:36,949 --> 00:14:35,519

not too familiar with these things

358

00:14:39,110 --> 00:14:36,959

the mystery

359

00:14:42,710 --> 00:14:39,120

of the annotated edition i suppose

360

00:14:45,509 --> 00:14:42,720

started back in 1955 when banham books

361

00:14:47,829 --> 00:14:45,519

published a paperback of dr jessup's

362

00:14:50,550 --> 00:14:47,839

book the case for the ufo well that

363

00:14:52,629 --> 00:14:50,560

wasn't too mysterious but it was when a

364

00:14:54,949 --> 00:14:52,639

copy of this book was mailed into

365

00:14:57,910 --> 00:14:54,959

washington to the office of naval

366

00:15:01,030 --> 00:14:57,920

research there was a lot of peculiar

367

00:15:03,110 --> 00:15:01,040

scribbling in this book in three shades

368

00:15:06,389 --> 00:15:03,120

of blue ink

369

00:15:09,110 --> 00:15:06,399

evidently written by three different

370

00:15:11,509 --> 00:15:09,120

mysterious people are calling themselves

371

00:15:13,269 --> 00:15:11,519

mr a mr b

372

00:15:16,550 --> 00:15:13,279

and gemini

373

00:15:19,829 --> 00:15:16,560

these annotations were almost alien in

374

00:15:22,069 --> 00:15:19,839

their character very very strange and we

375

00:15:24,550 --> 00:15:22,079

don't know how it came about but for

376

00:15:27,990 --> 00:15:24,560

some reason uh possibly because of his

377

00:15:30,710 --> 00:15:28,000

allusions to a secret naval experiment

378

00:15:31,749 --> 00:15:30,720

this book surfaced in a very peculiar

379

00:15:34,870 --> 00:15:31,759

edition

380

00:15:36,949 --> 00:15:34,880

sometime afterward a company in garland

381

00:15:39,590 --> 00:15:36,959

texas named the vero manufacturing

382

00:15:43,110 --> 00:15:39,600

company was given this annotated edition

383

00:15:45,990 --> 00:15:43,120

by the military and in the office of

384

00:15:48,949 --> 00:15:46,000

this firm which manufactured

385

00:15:51,350 --> 00:15:48,959

electronics gear for the military

386

00:15:52,550 --> 00:15:51,360

it was laboriously typed out on offset

387

00:15:55,110 --> 00:15:52,560

stencils

388

00:15:57,350 --> 00:15:55,120

and the annotations were written in were

389

00:15:58,949 --> 00:15:57,360

printed in a different color of ink if

390

00:16:01,590 --> 00:15:58,959

you've seen the annotated edition you

391

00:16:03,350 --> 00:16:01,600

know what i mean uh then a limited

392

00:16:04,550 --> 00:16:03,360

number of copies of these were

393

00:16:08,069 --> 00:16:04,560

distributed

394

00:16:10,230 --> 00:16:08,079

also in this book were reproduced uh

395

00:16:11,670 --> 00:16:10,240

some very strange letters that joseph

396

00:16:12,470 --> 00:16:11,680

had received

397

00:16:16,310 --> 00:16:12,480

from

398

00:16:17,829 --> 00:16:16,320

a carl m allen or a carlos miguel

399

00:16:20,550 --> 00:16:17,839

allende

400

00:16:21,590 --> 00:16:20,560

previous to the annotations being sent

401  
00:16:25,269 --> 00:16:21,600  
in

402  
00:16:26,230 --> 00:16:25,279  
letters

403  
00:16:28,389 --> 00:16:26,240  
were

404  
00:16:31,910 --> 00:16:28,399  
that they described

405  
00:16:33,590 --> 00:16:31,920  
an experiment which allegedly took place

406  
00:16:35,590 --> 00:16:33,600  
at sea

407  
00:16:38,629 --> 00:16:35,600  
and during which

408  
00:16:40,230 --> 00:16:38,639  
a destroyer with all his crew

409  
00:16:43,030 --> 00:16:40,240  
became invisible

410  
00:16:45,749 --> 00:16:43,040  
due to the utilizing of the principle of

411  
00:16:46,870 --> 00:16:45,759  
principles of einstein's unified field

412  
00:16:48,790 --> 00:16:46,880  
theory

413  
00:16:51,749 --> 00:16:48,800

according to these letters

414

00:16:54,310 --> 00:16:51,759

the experiment went wrong in in some

415

00:16:56,470 --> 00:16:54,320

ways some of the crew froze or were

416

00:16:58,550 --> 00:16:56,480

unable to recover from the invisibility

417

00:17:00,710 --> 00:16:58,560

imposed of the strange field

418

00:17:03,269 --> 00:17:00,720

and they could be brought back by

419

00:17:05,590 --> 00:17:03,279

a strange laying on of hands ceremony by

420

00:17:07,909 --> 00:17:05,600

crew members or by sophisticated

421

00:17:09,990 --> 00:17:07,919

equipment they're hurriedly ready after

422

00:17:11,829 --> 00:17:10,000

the experiment went awry

423

00:17:12,710 --> 00:17:11,839

we don't have time to go into all that

424

00:17:15,429 --> 00:17:12,720

now

425

00:17:17,510 --> 00:17:15,439

but if you have read the letters you

426  
00:17:19,029 --> 00:17:17,520  
will know what we're talking about

427  
00:17:21,429 --> 00:17:19,039  
for years

428  
00:17:23,990 --> 00:17:21,439  
people had heard about copies of these

429  
00:17:27,909 --> 00:17:24,000  
of this book but had never seen one

430  
00:17:30,070 --> 00:17:27,919  
after i obtained a copy and reprinted it

431  
00:17:33,350 --> 00:17:30,080  
however it's uh

432  
00:17:35,590 --> 00:17:33,360  
more generally known and a great many uh

433  
00:17:38,789 --> 00:17:35,600  
questions begin to surface for one thing

434  
00:17:40,310 --> 00:17:38,799  
who was carlos miguel yendi did he

435  
00:17:43,909 --> 00:17:40,320  
actually exist

436  
00:17:44,710 --> 00:17:43,919  
was he one of the people who annotated

437  
00:17:48,470 --> 00:17:44,720  
the

438  
00:17:50,310 --> 00:17:48,480

washington

439

00:17:52,710 --> 00:17:50,320

well no one could prove anything because

440

00:17:54,070 --> 00:17:52,720

no one could locate a yendi

441

00:17:56,150 --> 00:17:54,080

and the mystery

442

00:17:57,350 --> 00:17:56,160

just went along

443

00:18:00,710 --> 00:17:57,360

however

444

00:18:01,669 --> 00:18:00,720

during the last couple of years a yendi

445

00:18:04,230 --> 00:18:01,679

or

446

00:18:07,590 --> 00:18:04,240

at least a man claiming to be a yendi

447

00:18:09,590 --> 00:18:07,600

suddenly surfaced and began to

448

00:18:11,350 --> 00:18:09,600

show up and talk to people and write

449

00:18:14,070 --> 00:18:11,360

letters to people

450

00:18:16,549 --> 00:18:14,080

finally i was able to have a meeting

451  
00:18:18,870 --> 00:18:16,559  
with a yendi in the company of fellow

452  
00:18:21,750 --> 00:18:18,880  
researcher james w mosley

453  
00:18:25,430 --> 00:18:21,760  
and we asked him some questions and he

454  
00:18:27,990 --> 00:18:25,440  
considered that we record his answers

455  
00:18:29,909 --> 00:18:28,000  
on a tape

456  
00:18:32,390 --> 00:18:29,919  
one of the amazing

457  
00:18:34,310 --> 00:18:32,400  
revelations that came from a yendi was

458  
00:18:36,549 --> 00:18:34,320  
that not only did he

459  
00:18:39,830 --> 00:18:36,559  
write the letters but that he did the

460  
00:18:42,310 --> 00:18:39,840  
complete annotations so he claimed by

461  
00:18:44,230 --> 00:18:42,320  
being able to change his handwriting and

462  
00:18:45,430 --> 00:18:44,240  
to write in three different handwriting

463  
00:18:47,270 --> 00:18:45,440

styles

464

00:18:49,190 --> 00:18:47,280

i don't know if this proves that this

465

00:18:51,190 --> 00:18:49,200

man that we're going to hear

466

00:18:54,310 --> 00:18:51,200

is the actual yendi

467

00:18:56,390 --> 00:18:54,320

the mystery of that and the research has

468

00:19:00,230 --> 00:18:56,400

been done would take up far too much

469

00:19:02,470 --> 00:19:00,240

time but anyhow here for your for you to

470

00:19:05,190 --> 00:19:02,480

use your own judgment on is that

471

00:19:07,830 --> 00:19:05,200

interview with a yandy

472

00:19:10,630 --> 00:19:07,840

whether there is a an agenda or whether

473

00:19:13,510 --> 00:19:10,640

a yen day has disappeared and what i

474

00:19:15,669 --> 00:19:13,520

would like for you to identify yourself

475

00:19:17,190 --> 00:19:15,679

on the tape so that people

476

00:19:19,830 --> 00:19:17,200

can be sure

477

00:19:35,669 --> 00:19:19,840

that they are indeed hearing agenda my

478

00:19:41,990 --> 00:19:38,230

has been associated in the minds of the

479

00:19:44,150 --> 00:19:42,000

great many ufologists as the author of

480

00:19:46,950 --> 00:19:44,160

certain annotations

481

00:19:48,470 --> 00:19:46,960

on the on the k in the book the case for

482

00:19:50,549 --> 00:19:48,480

the ufo

483

00:19:52,870 --> 00:19:50,559

would you identify yourself as the

484

00:19:55,350 --> 00:19:52,880

author of those annotations

485

00:19:57,510 --> 00:19:55,360

i can and i will

486

00:20:00,070 --> 00:19:57,520

see here on my right

487

00:20:03,029 --> 00:20:00,080

long finger yes it is

488

00:20:11,190 --> 00:20:03,039

as you two witnesses here

489

00:20:14,390 --> 00:20:13,350

this finger and you can see it is

490

00:20:15,990 --> 00:20:14,400

scarfed

491

00:20:17,590 --> 00:20:16,000

and the top of it is once off and the

492

00:20:20,310 --> 00:20:17,600

nail has been smashed

493

00:20:21,270 --> 00:20:20,320

and so evidently i could not use that

494

00:20:25,750 --> 00:20:21,280

finger

495

00:20:28,470 --> 00:20:25,760

write with in a normal fashion

496

00:20:31,350 --> 00:20:28,480

this finger was done and obtained

497

00:20:33,110 --> 00:20:31,360

and managed during a shipwreck of this

498

00:20:35,750 --> 00:20:33,120

aspiring mountain

499

00:20:38,870 --> 00:20:35,760

right below the sand island lighthouse

500

00:20:41,830 --> 00:20:38,880

in march the 6th of 1946

501  
00:20:44,149 --> 00:20:41,840  
and as being as this finger was in such

502  
00:20:45,830 --> 00:20:44,159  
bad condition the index finger of course

503  
00:20:49,990 --> 00:20:45,840  
that you see is functional

504  
00:20:51,110 --> 00:20:50,000  
and as this long finger rests on the

505  
00:20:53,510 --> 00:20:51,120  
surface

506  
00:20:56,149 --> 00:20:53,520  
of the table or desk with which i would

507  
00:20:58,310 --> 00:20:56,159  
be riding it obviously became necessary

508  
00:21:01,110 --> 00:20:58,320  
for me to shift the thing my the

509  
00:21:02,630 --> 00:21:01,120  
position of my pen saw that

510  
00:21:05,029 --> 00:21:02,640  
that finger would not

511  
00:21:07,830 --> 00:21:05,039  
tender in as painful as it was

512  
00:21:10,470 --> 00:21:07,840  
and not rest on that surface but be

513  
00:21:11,990 --> 00:21:10,480

lifted above the surfaces slightly so i

514

00:21:13,430 --> 00:21:12,000

shifted my

515

00:21:15,750 --> 00:21:13,440

pen

516

00:21:18,789 --> 00:21:15,760

and so that it would be between

517

00:21:21,669 --> 00:21:18,799

the long finger and the index finger and

518

00:21:24,149 --> 00:21:21,679

supported slightly with my thumb in this

519

00:21:27,270 --> 00:21:24,159

fashion i learned to write

520

00:21:31,029 --> 00:21:27,280

in three different handwritings

521

00:21:33,350 --> 00:21:31,039

and of course to emphasize that this is

522

00:21:35,510 --> 00:21:33,360

three different handwritings using

523

00:21:37,990 --> 00:21:35,520

different forms of

524

00:21:39,510 --> 00:21:38,000

capital and small letters

525

00:21:44,470 --> 00:21:39,520

and

526  
00:21:49,590 --> 00:21:44,480  
i

527  
00:21:53,909 --> 00:21:49,600  
colors

528  
00:21:57,270 --> 00:21:53,919  
to dramatize i deliberately

529  
00:22:02,390 --> 00:21:57,280  
deliberately dramatized what i wrote

530  
00:22:03,669 --> 00:22:02,400  
in those annotations so ash to cause

531  
00:22:06,789 --> 00:22:03,679  
science

532  
00:22:08,149 --> 00:22:06,799  
through its tender pride

533  
00:22:11,110 --> 00:22:08,159  
to feel

534  
00:22:14,390 --> 00:22:11,120  
awfully behind the times

535  
00:22:15,990 --> 00:22:14,400  
and to be urged and spurred on

536  
00:22:19,190 --> 00:22:16,000  
into greater

537  
00:22:21,510 --> 00:22:19,200  
uh efforts to advance

538  
00:22:22,549 --> 00:22:21,520

and to arrive raise its level of

539

00:22:24,310 --> 00:22:22,559

knowledge

540

00:22:25,430 --> 00:22:24,320

which they did

541

00:22:28,870 --> 00:22:25,440

during

542

00:22:31,029 --> 00:22:28,880

the igy years which followed only a

543

00:22:34,390 --> 00:22:31,039

couple years after i wrote my

544

00:22:36,470 --> 00:22:34,400

annotations and i discovered only a few

545

00:22:37,350 --> 00:22:36,480

years or so ago

546

00:22:39,909 --> 00:22:37,360

from

547

00:22:43,110 --> 00:22:39,919

members of the academic community which

548

00:22:44,390 --> 00:22:43,120

i regularly and often associate with

549

00:22:46,710 --> 00:22:44,400

this

550

00:22:48,149 --> 00:22:46,720

ideas igy years

551  
00:22:49,990 --> 00:22:48,159  
were caused

552  
00:22:52,390 --> 00:22:50,000  
mostly and mainly

553  
00:22:53,430 --> 00:22:52,400  
costs spurred on

554  
00:22:55,590 --> 00:22:53,440  
by

555  
00:22:58,310 --> 00:22:55,600  
those annotations that they're all

556  
00:23:00,390 --> 00:22:58,320  
claiming such superior knowledge well

557  
00:23:02,549 --> 00:23:00,400  
how did the academic and scientific

558  
00:23:04,950 --> 00:23:02,559  
community become aware of these

559  
00:23:06,830 --> 00:23:04,960  
annotations uh how

560  
00:23:10,789 --> 00:23:06,840  
how did they find out about

561  
00:23:12,310 --> 00:23:10,799  
them we must face the facts that in the

562  
00:23:13,510 --> 00:23:12,320  
prologue

563  
00:23:16,870 --> 00:23:13,520

of

564

00:23:18,310 --> 00:23:16,880

the

565

00:23:22,710 --> 00:23:18,320

navy

566

00:23:25,669 --> 00:23:22,720

bureau of research and development uh

567

00:23:27,029 --> 00:23:25,679

edition the so-called and a barrel

568

00:23:29,029 --> 00:23:27,039

edition

569

00:23:31,350 --> 00:23:29,039

of the annotated

570

00:23:33,350 --> 00:23:31,360

uh jessica book

571

00:23:36,549 --> 00:23:33,360

annotated by myself

572

00:23:38,870 --> 00:23:36,559

i'm getting out is to uh get you to tell

573

00:23:41,029 --> 00:23:38,880

us how that book was distributed and how

574

00:23:42,870 --> 00:23:41,039

the scientists became to know about it

575

00:23:43,909 --> 00:23:42,880

yes well

576  
00:23:45,990 --> 00:23:43,919  
in

577  
00:23:46,789 --> 00:23:46,000  
the front of that book

578  
00:23:50,630 --> 00:23:46,799  
they

579  
00:23:53,830 --> 00:23:50,640  
say that there were you know in the

580  
00:23:57,510 --> 00:23:53,840  
letters to jesus and through myself also

581  
00:23:58,549 --> 00:23:57,520  
the navy says that there who this book

582  
00:24:00,950 --> 00:23:58,559  
uh the

583  
00:24:05,269 --> 00:24:00,960  
naval reprints was

584  
00:24:06,149 --> 00:24:05,279  
made for the scientists of

585  
00:24:07,110 --> 00:24:06,159  
the

586  
00:24:09,990 --> 00:24:07,120  
old

587  
00:24:11,590 --> 00:24:10,000  
bureau of naval research and development

588  
00:24:15,029 --> 00:24:11,600

and for

589

00:24:17,750 --> 00:24:15,039

colleagues at his fellow professors

590

00:24:20,310 --> 00:24:17,760

or also in the rest of the enforce

591

00:24:23,350 --> 00:24:20,320

uh functions uh dynamics and force

592

00:24:25,350 --> 00:24:23,360

fields even as a physics how many copies

593

00:24:27,990 --> 00:24:25,360

this book was distributed

594

00:24:33,909 --> 00:24:28,000

as well as to friends

595

00:24:35,750 --> 00:24:33,919

to who meaning uh industrial industries

596

00:24:39,350 --> 00:24:35,760

and universities

597

00:24:41,269 --> 00:24:39,360

who were contracted to the

598

00:24:42,310 --> 00:24:41,279

old bureau of naval research and

599

00:24:43,660 --> 00:24:42,320

development

600

00:24:46,070 --> 00:24:43,670

all right

601  
00:24:47,510 --> 00:24:46,080

[Music]

602  
00:24:49,350 --> 00:24:47,520  
many people

603  
00:24:54,710 --> 00:24:49,360  
of the friends

604  
00:24:56,470 --> 00:24:54,720  
to the uh colleagues outside of the

605  
00:24:58,950 --> 00:24:56,480  
old bureau of research and development

606  
00:25:01,190 --> 00:24:58,960  
as well as all the scientists the inside

607  
00:25:04,710 --> 00:25:01,200  
of the bureau of research development

608  
00:25:07,750 --> 00:25:04,720  
received by the navy's own words

609  
00:25:09,909 --> 00:25:07,760  
by what they wrote in that prologue

610  
00:25:12,390 --> 00:25:09,919  
forward to the book

611  
00:25:13,269 --> 00:25:12,400  
copies of this book they all received

612  
00:25:14,470 --> 00:25:13,279  
this

613  
00:25:17,350 --> 00:25:14,480

and

614

00:25:18,230 --> 00:25:17,360

obviously logically considering that the

615

00:25:20,390 --> 00:25:18,240

navy

616

00:25:23,029 --> 00:25:20,400

then employed

617

00:25:24,549 --> 00:25:23,039

well over

618

00:25:25,350 --> 00:25:24,559

50

619

00:25:27,830 --> 00:25:25,360

uh

620

00:25:30,230 --> 00:25:27,840

scientists

621

00:25:33,029 --> 00:25:30,240

in there of

622

00:25:35,029 --> 00:25:33,039

a bigger partner it was well over 30

623

00:25:38,149 --> 00:25:35,039

scientists physicists physical

624

00:25:40,870 --> 00:25:38,159

scientists that's the

625

00:25:43,830 --> 00:25:40,880

bureau of naval research and development

626  
00:25:46,470 --> 00:25:43,840  
facilities they

627  
00:25:47,990 --> 00:25:46,480  
had to print more than 25 because there

628  
00:25:50,630 --> 00:25:48,000  
were more than 30

629  
00:25:53,669 --> 00:25:50,640  
in the o and r alone

630  
00:25:56,870 --> 00:25:53,679  
so logic informs you

631  
00:25:57,990 --> 00:25:56,880  
and all who thinking people

632  
00:26:01,190 --> 00:25:58,000  
that

633  
00:26:04,470 --> 00:26:01,200  
not only were there more than 25 because

634  
00:26:06,630 --> 00:26:04,480  
they printed them for one copy for each

635  
00:26:08,230 --> 00:26:06,640  
physical scientist there and there were

636  
00:26:09,269 --> 00:26:08,240  
more than 30.

637  
00:26:12,789 --> 00:26:09,279  
so

638  
00:26:13,669 --> 00:26:12,799

fast forth that quality outside

639

00:26:17,830 --> 00:26:13,679

of

640

00:26:19,909 --> 00:26:17,840

nato research

641

00:26:21,830 --> 00:26:19,919

should change its name from europe new

642

00:26:22,710 --> 00:26:21,840

research and development too what went

643

00:26:27,029 --> 00:26:22,720

on

644

00:26:29,590 --> 00:26:27,039

for

645

00:26:32,549 --> 00:26:29,600

friends that is people

646

00:26:35,750 --> 00:26:32,559

uh universities and companies even

647

00:26:38,630 --> 00:26:35,760

corporations that were contracted to

648

00:26:40,630 --> 00:26:38,640

the uh all the bureau naval research and

649

00:26:43,909 --> 00:26:40,640

development science coverage

650

00:26:47,750 --> 00:26:43,919

this means that there were a colossally

651  
00:26:51,029 --> 00:26:47,760  
larger number than 25. would you say a

652  
00:26:54,549 --> 00:26:51,039  
hundred copies no i would not say it on

653  
00:26:55,830 --> 00:26:54,559  
the copies i say more i will tell you

654  
00:26:58,630 --> 00:26:55,840  
what

655  
00:27:00,310 --> 00:26:58,640  
the president's or austin

656  
00:27:03,430 --> 00:27:00,320  
v stanton

657  
00:27:04,549 --> 00:27:03,440  
of the vero manufacturing company told

658  
00:27:08,630 --> 00:27:04,559  
me

659  
00:27:12,470 --> 00:27:08,640  
about the decade let's see

660  
00:27:16,390 --> 00:27:12,480  
14 to 15 years ago while he was still

661  
00:27:18,310 --> 00:27:16,400  
then president and at our first meeting

662  
00:27:21,070 --> 00:27:18,320  
he said

663  
00:27:25,830 --> 00:27:21,080

we printed

664

00:27:28,310 --> 00:27:25,840

116 copies i received a true

665

00:27:32,789 --> 00:27:28,320

yes it received three

666

00:27:35,909 --> 00:27:32,799

i destroyed my first copy because it was

667

00:27:38,389 --> 00:27:35,919

uh then and still possibly is today some

668

00:27:40,070 --> 00:27:38,399

of the world's most dangerous churches

669

00:27:41,669 --> 00:27:40,080

the only scientist specializing in

670

00:27:47,510 --> 00:27:41,679

fossil fuel activity

671

00:27:51,269 --> 00:27:47,520

there were logically at least 116.

672

00:27:54,630 --> 00:27:51,279

a minimum of 116 however i later

673

00:27:59,590 --> 00:27:54,640

discovered that there were additional on

674

00:28:03,110 --> 00:27:59,600

uh 25 figure 25 that were printed for

675

00:28:05,990 --> 00:28:03,120

the office of naval research many years

676  
00:28:08,470 --> 00:28:06,000  
after the old bureau of naval research

677  
00:28:10,549 --> 00:28:08,480  
and development had printed the first

678  
00:28:12,149 --> 00:28:10,559  
116.

679  
00:28:14,630 --> 00:28:12,159  
therefore

680  
00:28:16,789 --> 00:28:14,640  
the alt naval officer

681  
00:28:19,350 --> 00:28:16,799  
who swore

682  
00:28:22,389 --> 00:28:19,360  
he took on oath

683  
00:28:25,110 --> 00:28:22,399  
or on his words of honor

684  
00:28:27,029 --> 00:28:25,120  
as a gentleman and an officer

685  
00:28:29,909 --> 00:28:27,039  
and an afterwards trained man

686  
00:28:30,789 --> 00:28:29,919  
who swore to child's purge burnage

687  
00:28:32,789 --> 00:28:30,799  
that

688  
00:28:35,830 --> 00:28:32,799

the experimenting

689

00:28:39,750 --> 00:28:35,840

in invisibility that is absolute

690

00:28:42,830 --> 00:28:39,760

camouflage is still going on

691

00:28:45,269 --> 00:28:42,840

that officer was telling the logical

692

00:28:47,190 --> 00:28:45,279

truth and therefore

693

00:28:50,389 --> 00:28:47,200

when o and r says

694

00:28:53,430 --> 00:28:50,399

there were only 25 copies

695

00:28:56,389 --> 00:28:53,440

printed for all men are

696

00:28:58,950 --> 00:28:56,399

it is telling the literal truth

697

00:29:01,669 --> 00:28:58,960

but it is not mentioning the simple fact

698

00:29:03,750 --> 00:29:01,679

that for the old bureau of naval

699

00:29:06,070 --> 00:29:03,760

research and development scientists the

700

00:29:08,230 --> 00:29:06,080

self-same men but under a different name

701

00:29:11,430 --> 00:29:08,240

the self-same scientist just having a

702

00:29:14,870 --> 00:29:11,440

different name now called the oriental

703

00:29:17,269 --> 00:29:14,880

they're not mentioning that fact because

704

00:29:19,990 --> 00:29:17,279

the combined number

705

00:29:21,070 --> 00:29:20,000

would be more

706

00:29:24,950 --> 00:29:21,080

than

707

00:29:28,070 --> 00:29:24,960

125 and would be implicative

708

00:29:30,149 --> 00:29:28,080

all the simple factor research in this

709

00:29:31,750 --> 00:29:30,159

area of science is still going on

710

00:29:34,389 --> 00:29:31,760

especially

711

00:29:35,669 --> 00:29:34,399

since three july ago

712

00:29:37,430 --> 00:29:35,679

about

713

00:29:40,470 --> 00:29:37,440

25 months ago

714

00:29:41,430 --> 00:29:40,480  
during the soyuz apollo

715

00:29:43,430 --> 00:29:41,440  
mission

716

00:29:44,870 --> 00:29:43,440  
when an invisible star

717

00:29:46,310 --> 00:29:44,880  
was found

718

00:29:49,909 --> 00:29:46,320  
radiating

719

00:29:51,590 --> 00:29:49,919  
in the 390 angstrom region of the

720

00:29:52,470 --> 00:29:51,600  
ultraviolet

721

00:29:55,430 --> 00:29:52,480  
and

722

00:29:56,389 --> 00:29:55,440  
having such strong force field

723

00:29:57,750 --> 00:29:56,399  
uh

724

00:29:59,029 --> 00:29:57,760  
condensates

725

00:30:01,029 --> 00:29:59,039  
the density

726

00:30:03,830 --> 00:30:01,039

that it proved

727

00:30:06,310 --> 00:30:03,840

my own statements of the past quarter of

728

00:30:07,269 --> 00:30:06,320

a century or more

729

00:30:09,430 --> 00:30:07,279

that

730

00:30:12,549 --> 00:30:09,440

invisibility

731

00:30:14,789 --> 00:30:12,559

can be achieved by

732

00:30:17,190 --> 00:30:14,799

using force fields

733

00:30:20,470 --> 00:30:17,200

and knowledge from einstein's a second

734

00:30:22,950 --> 00:30:20,480

repeat settings unified field theory

735

00:30:25,029 --> 00:30:22,960

as well as the force field and unified

736

00:30:25,909 --> 00:30:25,039

and ultraviolet

737

00:30:26,950 --> 00:30:25,919

uh

738

00:30:29,190 --> 00:30:26,960

light

739

00:30:31,350 --> 00:30:29,200

my statement that this can be done

740

00:30:33,990 --> 00:30:31,360

invisibility achieved through uv light

741

00:30:36,310 --> 00:30:34,000

and foreskirs is proven to be true by

742

00:30:39,110 --> 00:30:36,320

the discovery of that star there is no

743

00:30:42,630 --> 00:30:39,120

reason therefore for me to remain

744

00:30:45,029 --> 00:30:42,640

hidden away in old mexico anymore i come

745

00:30:46,870 --> 00:30:45,039

forth and rise above the surface

746

00:30:48,950 --> 00:30:46,880

and present myself to the public for

747

00:30:50,870 --> 00:30:48,960

this reason because

748

00:30:53,669 --> 00:30:50,880

i want the public to know

749

00:30:56,389 --> 00:30:53,679

there really is a great benefit to be

750

00:30:57,990 --> 00:30:56,399

achieved from foster field

751  
00:31:01,590 --> 00:30:58,000  
research

752  
00:31:02,549 --> 00:31:01,600  
and to not condemn the name before

753  
00:31:03,430 --> 00:31:02,559  
trying

754  
00:31:06,230 --> 00:31:03,440  
to

755  
00:31:08,870 --> 00:31:06,240  
protect their secrets as even companies

756  
00:31:11,269 --> 00:31:08,880  
and corporations even your own selves

757  
00:31:13,029 --> 00:31:11,279  
have your own personal secrets that you

758  
00:31:16,389 --> 00:31:13,039  
too also protect

759  
00:31:19,669 --> 00:31:16,399  
why condemn someone else for having and

760  
00:31:22,789 --> 00:31:19,679  
protecting their secrets likewise in the

761  
00:31:25,669 --> 00:31:22,799  
same a similar manner i'd like to ask a

762  
00:31:29,110 --> 00:31:25,679  
question now what is your name

763  
00:31:30,230 --> 00:31:29,120

thank you yandy mr yandy

764

00:31:33,350 --> 00:31:30,240

there is

765

00:31:35,669 --> 00:31:33,360

talk that you saw

766

00:31:37,509 --> 00:31:35,679

a ship disappear

767

00:31:38,789 --> 00:31:37,519

during experiment which i believe some

768

00:31:40,310 --> 00:31:38,799

people have referred to as the

769

00:31:41,669 --> 00:31:40,320

philadelphia

770

00:31:44,310 --> 00:31:41,679

experiment

771

00:31:46,630 --> 00:31:44,320

and you were an actual witness

772

00:31:49,029 --> 00:31:46,640

to that i wonder if you would confirm

773

00:31:50,549 --> 00:31:49,039

that and if you can confirm it if you

774

00:31:53,110 --> 00:31:50,559

could describe

775

00:31:55,750 --> 00:31:53,120

the incident for us i would like to say

776

00:31:59,509 --> 00:31:55,760

here and now that anything and

777

00:32:01,669 --> 00:31:59,519

everything that i and only i say by

778

00:32:05,190 --> 00:32:01,679

myself alone

779

00:32:08,149 --> 00:32:05,200

will be regarded always and forever

780

00:32:10,149 --> 00:32:08,159

and forever by the scientific and

781

00:32:14,389 --> 00:32:10,159

academic community

782

00:32:15,669 --> 00:32:14,399

as merely nothing more than pure

783

00:32:17,509 --> 00:32:15,679

hearsay

784

00:32:18,870 --> 00:32:17,519

it has never been

785

00:32:23,110 --> 00:32:18,880

validated

786

00:32:24,870 --> 00:32:23,120

confirmed verified nor corroborated and

787

00:32:30,310 --> 00:32:24,880

that nobody

788

00:32:34,149 --> 00:32:30,320

not one of you so called the scientists

789

00:32:38,549 --> 00:32:34,159

in the pseudoscience of ufology has even

790

00:32:39,990 --> 00:32:38,559

needed a little finger to attempt to

791

00:32:43,509 --> 00:32:40,000

to confirm

792

00:32:46,310 --> 00:32:43,519

collaborate and verify and validate what

793

00:32:49,029 --> 00:32:46,320

i have been saying for almost a quarter

794

00:32:51,350 --> 00:32:49,039

of a century in print

795

00:32:54,149 --> 00:32:51,360

you will shift my word alone

796

00:32:56,789 --> 00:32:54,159

what am i a fountain of wisdom

797

00:32:59,590 --> 00:32:56,799

i am in authority

798

00:33:01,110 --> 00:32:59,600

let us face the simple fact

799

00:33:02,470 --> 00:33:01,120

what i tell you

800

00:33:03,750 --> 00:33:02,480

yes

801  
00:33:06,389 --> 00:33:03,760  
is true

802  
00:33:07,590 --> 00:33:06,399  
but you're going to be laughed at

803  
00:33:11,110 --> 00:33:07,600  
forever

804  
00:33:12,630 --> 00:33:11,120  
unless you yourselves go

805  
00:33:16,870 --> 00:33:12,640  
and do

806  
00:33:19,029 --> 00:33:16,880  
the research that logically needs to be

807  
00:33:21,590 --> 00:33:19,039  
done to

808  
00:33:22,789 --> 00:33:21,600  
verify confirm and corroborate and

809  
00:33:25,990 --> 00:33:22,799  
validate

810  
00:33:27,590 --> 00:33:26,000  
with the statements that i make

811  
00:33:28,950 --> 00:33:27,600  
and i know

812  
00:33:32,389 --> 00:33:28,960  
that you

813  
00:33:35,830 --> 00:33:32,399

are fastly caused to doubt

814

00:33:39,350 --> 00:33:35,840

what i said i want you to doubt and i

815

00:33:42,389 --> 00:33:39,360

want you to doubt enough so as

816

00:33:43,350 --> 00:33:42,399

go ahead and see for yourselves

817

00:33:44,549 --> 00:33:43,360

whether

818

00:33:46,549 --> 00:33:44,559

or not

819

00:33:49,269 --> 00:33:46,559

what i have been saying for nearly a

820

00:33:51,350 --> 00:33:49,279

quarter of a century is so

821

00:33:53,750 --> 00:33:51,360

or not so

822

00:33:56,389 --> 00:33:53,760

i say again

823

00:33:57,430 --> 00:33:56,399

in my old age in the 53rd year of my

824

00:34:00,389 --> 00:33:57,440

life

825

00:34:01,669 --> 00:34:00,399

a week emaciated sick

826  
00:34:05,269 --> 00:34:01,679  
and drive

827  
00:34:06,389 --> 00:34:05,279  
quite probably not too long to live

828  
00:34:13,750 --> 00:34:06,399  
i

829  
00:34:15,190 --> 00:34:13,760  
yes

830  
00:34:17,589 --> 00:34:15,200  
i saw

831  
00:34:19,669 --> 00:34:17,599  
the d173

832  
00:34:21,990 --> 00:34:19,679  
become invisible

833  
00:34:27,750 --> 00:34:22,000  
right before my eyes

834  
00:34:30,790 --> 00:34:27,760  
but i am not the only witness

835  
00:34:32,829 --> 00:34:30,800  
and you intelligent people

836  
00:34:35,349 --> 00:34:32,839  
you brilliant

837  
00:34:38,149 --> 00:34:35,359  
geniuses never thought that there would

838  
00:34:42,149 --> 00:34:38,159

be other witnesses in a whole convoy

839

00:34:44,950 --> 00:34:42,159

full of 107 or more ships

840

00:34:46,790 --> 00:34:44,960

right over my head in the gun tub just

841

00:34:48,470 --> 00:34:46,800

immediately behind my head

842

00:34:51,190 --> 00:34:48,480

worm navy

843

00:34:52,950 --> 00:34:51,200

a repeat navy

844

00:34:55,829 --> 00:34:52,960

gunners

845

00:34:57,510 --> 00:34:55,839

from the armed guards who sailed on the

846

00:34:59,510 --> 00:34:57,520

same ships with us

847

00:35:01,589 --> 00:34:59,520

there were army personnel aboard that

848

00:35:03,430 --> 00:35:01,599

ship two

849

00:35:05,829 --> 00:35:03,440

there were

850

00:35:08,390 --> 00:35:05,839

witnesses who witnessed this

851  
00:35:09,589 --> 00:35:08,400  
same thing they saw at the same time i

852  
00:35:11,589 --> 00:35:09,599  
did

853  
00:35:15,990 --> 00:35:11,599  
as approximately five

854  
00:35:18,069 --> 00:35:16,000  
oh five in the afternoon on a nice clear

855  
00:35:20,550 --> 00:35:18,079  
sunshiny day

856  
00:35:23,750 --> 00:35:20,560  
beautiful lovely day

857  
00:35:25,510 --> 00:35:23,760  
and not a cloud to speak of in the sky

858  
00:35:28,150 --> 00:35:25,520  
only usually

859  
00:35:29,349 --> 00:35:28,160  
or a few clouds are naturally small

860  
00:35:31,589 --> 00:35:29,359  
clouds

861  
00:35:34,390 --> 00:35:31,599  
we ship in front of us

862  
00:35:37,109 --> 00:35:34,400  
you travel in convoy each ship must be

863  
00:35:39,829 --> 00:35:37,119

500 feet apart from the other ship the

864

00:35:41,589 --> 00:35:39,839

stern must be 500 feet from the bow the

865

00:35:43,270 --> 00:35:41,599

ship behind it

866

00:35:46,150 --> 00:35:43,280

and vice versa

867

00:35:48,870 --> 00:35:46,160

no sailors on the ship in front of us

868

00:35:51,430 --> 00:35:48,880

whatever the name of that ship was

869

00:35:53,430 --> 00:35:51,440

and i saw them watching

870

00:35:55,030 --> 00:35:53,440

watching with their eyes

871

00:35:56,470 --> 00:35:55,040

the same thing

872

00:36:00,470 --> 00:35:56,480

that i saw

873

00:36:03,109 --> 00:36:00,480

occurring before my eyes to the da173

874

00:36:05,990 --> 00:36:03,119

as it became invisible

875

00:36:09,349 --> 00:36:06,000

within that five-minute period of time

876

00:36:11,030 --> 00:36:09,359

i am not the only witness in the world

877

00:36:13,270 --> 00:36:11,040

god christ

878

00:36:16,870 --> 00:36:13,280

man go

879

00:36:18,390 --> 00:36:16,880

find those other witnesses

880

00:36:20,150 --> 00:36:18,400

find the name

881

00:36:22,069 --> 00:36:20,160

of that convoy

882

00:36:23,270 --> 00:36:22,079

find the names of the ships in the

883

00:36:25,190 --> 00:36:23,280

convoy

884

00:36:26,230 --> 00:36:25,200

then they get

885

00:36:28,390 --> 00:36:26,240

list

886

00:36:34,470 --> 00:36:28,400

of all the true members and to do this

887

00:36:39,270 --> 00:36:37,910

ship's articles it is a pink piece of

888

00:36:41,349 --> 00:36:39,280

paper

889

00:36:44,470 --> 00:36:41,359

for a facebook

890

00:36:47,430 --> 00:36:44,480

it has the names of all the ships

891

00:36:48,950 --> 00:36:47,440

crew members of the merchant ships crew

892

00:36:51,589 --> 00:36:48,960

members

893

00:36:53,750 --> 00:36:51,599

and then yet they

894

00:36:57,190 --> 00:36:53,760

shipped a log

895

00:36:59,750 --> 00:36:57,200

in which the names and addresses of

896

00:37:03,670 --> 00:36:59,760

those people those crew members that

897

00:37:05,270 --> 00:37:03,680

were on my ship the uss andrew feuerseth

898

00:37:07,750 --> 00:37:05,280

are listed

899

00:37:09,670 --> 00:37:07,760

those addresses of all of the crew

900

00:37:12,150 --> 00:37:09,680

members

901  
00:37:15,430 --> 00:37:12,160  
i mean all of them

902  
00:37:19,670 --> 00:37:15,440  
then go into the navy records and find

903  
00:37:24,710 --> 00:37:19,680  
out for voice number three that began

904  
00:37:26,069 --> 00:37:24,720  
on the october the 18th 1943

905  
00:37:27,109 --> 00:37:26,079  
from

906  
00:37:30,150 --> 00:37:27,119  
the

907  
00:37:33,109 --> 00:37:30,160  
norfolk hampton roads

908  
00:37:37,589 --> 00:37:33,119  
shipping area around there

909  
00:37:41,430 --> 00:37:37,599  
find the navy records for the names and

910  
00:37:44,310 --> 00:37:41,440  
home addresses repeat home addresses of

911  
00:37:47,270 --> 00:37:44,320  
the navy armed guard gunner

912  
00:37:51,109 --> 00:37:47,280  
gunnery personnel that were on that ship

913  
00:37:52,790 --> 00:37:51,119

the ss andrew hurston and also witnessed

914

00:37:55,190 --> 00:37:52,800

this

915

00:37:58,470 --> 00:37:55,200

find the plot

916

00:38:00,710 --> 00:37:58,480

showing the position of each ship in

917

00:38:03,190 --> 00:38:00,720

that convoy

918

00:38:06,390 --> 00:38:03,200

and find the position of the asus of

919

00:38:07,750 --> 00:38:06,400

your says as we crossed eastward across

920

00:38:10,550 --> 00:38:07,760

the atlantic

921

00:38:11,829 --> 00:38:10,560

after that great hurricane

922

00:38:13,750 --> 00:38:11,839

and

923

00:38:19,030 --> 00:38:13,760

find the

924

00:38:22,870 --> 00:38:19,040

name of the ship in front of the ashes

925

00:38:24,710 --> 00:38:22,880

andrew furses and there on that ship you

926  
00:38:28,069 --> 00:38:24,720  
will find

927  
00:38:30,069 --> 00:38:28,079  
many other witnesses also

928  
00:38:31,750 --> 00:38:30,079  
and the ship immediately to the port

929  
00:38:33,510 --> 00:38:31,760  
side

930  
00:38:35,750 --> 00:38:33,520  
the throw ships immediately to the port

931  
00:38:39,270 --> 00:38:35,760  
side in the other lane

932  
00:38:41,270 --> 00:38:39,280  
of ships the other lane of ships you

933  
00:38:43,829 --> 00:38:41,280  
will get the names and addresses of this

934  
00:38:47,670 --> 00:38:43,839  
merchants and naval personnel aboard

935  
00:38:48,790 --> 00:38:47,680  
that ship as well as the army super

936  
00:38:51,030 --> 00:38:48,800  
cargo

937  
00:38:54,230 --> 00:38:51,040  
officer that always traveled on every

938  
00:38:56,870 --> 00:38:54,240

merchant ship is his name too

939

00:38:59,910 --> 00:38:56,880

and then the other army personnel being

940

00:39:02,230 --> 00:38:59,920

transported such as we had on estrous

941

00:39:04,550 --> 00:39:02,240

andrew fear said we had army personnel

942

00:39:06,470 --> 00:39:04,560

being taken to war

943

00:39:09,670 --> 00:39:06,480

hear their names too

944

00:39:11,109 --> 00:39:09,680

correct all i repeat all of these

945

00:39:14,710 --> 00:39:11,119

witnesses

946

00:39:15,829 --> 00:39:14,720

don't look at me as if i am a mountain

947

00:39:18,230 --> 00:39:15,839

of wisdom

948

00:39:19,190 --> 00:39:18,240

an authority to

949

00:39:22,470 --> 00:39:19,200

be

950

00:39:25,430 --> 00:39:22,480

uh accepted by all of science

951  
00:39:27,990 --> 00:39:25,440  
let us face the simple fact science

952  
00:39:29,990 --> 00:39:28,000  
regards my statements

953  
00:39:31,430 --> 00:39:30,000  
until two

954  
00:39:34,150 --> 00:39:31,440  
years ago

955  
00:39:35,589 --> 00:39:34,160  
during the soyuz july

956  
00:39:37,670 --> 00:39:35,599  
uh

957  
00:39:40,790 --> 00:39:37,680  
so use apollo

958  
00:39:42,790 --> 00:39:40,800  
mission rocket mission space mission

959  
00:39:43,910 --> 00:39:42,800  
when they discovered the invisible sore

960  
00:39:46,069 --> 00:39:43,920  
start

961  
00:39:48,550 --> 00:39:46,079  
until then science regardless of any

962  
00:39:51,829 --> 00:39:48,560  
statement that i made as absolutely

963  
00:39:54,069 --> 00:39:51,839

ridiculous and i repeat ludicrously

964

00:39:55,430 --> 00:39:54,079

ridiculous

965

00:39:56,790 --> 00:39:55,440

poppycock

966

00:39:59,030 --> 00:39:56,800

absurd

967

00:40:01,109 --> 00:39:59,040

preposterous

968

00:40:02,470 --> 00:40:01,119

let us face the simple fact that

969

00:40:06,069 --> 00:40:02,480

therefore

970

00:40:09,270 --> 00:40:06,079

science still is imbued and suffused

971

00:40:13,430 --> 00:40:09,280

impregnated with the idea that anything

972

00:40:16,309 --> 00:40:13,440

any ufologist says is there for

973

00:40:19,589 --> 00:40:16,319

a lot of tommy rashford

974

00:40:21,829 --> 00:40:19,599

you must do this research or you fail

975

00:40:23,670 --> 00:40:21,839

yourselves and make yourself look

976  
00:40:26,950 --> 00:40:23,680  
stupidly ridiculous

977  
00:40:30,710 --> 00:40:26,960  
as well as if you fail to validate

978  
00:40:32,790 --> 00:40:30,720  
and the science of ufology

979  
00:40:35,829 --> 00:40:32,800  
into a real science instead of the

980  
00:40:39,430 --> 00:40:35,839  
pseudoscience is now is

981  
00:40:42,069 --> 00:40:39,440  
that concludes the tape a yendi speaks

982  
00:40:46,390 --> 00:40:42,079  
for a complete list of tapes write to

983  
00:40:50,990 --> 00:40:46,400  
sausarian press incorporated box 2228

984  
00:40:55,510 --> 00:40:51,000  
clarksburg west virginia 26301

985  
00:40:57,510 --> 00:40:55,520  
[Music]

986  
00:40:59,349 --> 00:40:57,520  
allende has the greatest creepiest

987  
00:41:01,109 --> 00:40:59,359  
weirdest voice ever
