

SCOTIA

Martian Soda Taste Test!

1  
00:00:04,950 --> 00:00:03,030  
okay

2  
00:00:08,070 --> 00:00:04,960  
we are here on

3  
00:00:10,629 --> 00:00:08,080  
various platforms i think supposed to be

4  
00:00:13,509 --> 00:00:10,639  
little boxes and check marks up in the

5  
00:00:14,789 --> 00:00:13,519  
corner say facebook and twitter and

6  
00:00:17,750 --> 00:00:14,799  
youtube

7  
00:00:20,310 --> 00:00:17,760  
the

8  
00:00:24,470 --> 00:00:20,320  
accent on a different word i think so

9  
00:00:26,870 --> 00:00:24,480  
this is the saucer life martian soda

10  
00:00:28,150 --> 00:00:26,880  
taste test and some other updates and

11  
00:00:30,630 --> 00:00:28,160  
and some

12  
00:00:33,430 --> 00:00:30,640  
other things and

13  
00:00:36,069 --> 00:00:33,440

things like that so um

14

00:00:37,110 --> 00:00:36,079

i i don't really look broadcast ready i

15

00:00:38,229 --> 00:00:37,120

was out

16

00:00:40,470 --> 00:00:38,239

in the yard

17

00:00:42,229 --> 00:00:40,480

watering things because it is

18

00:00:45,510 --> 00:00:42,239

uh heat index of like

19

00:00:47,750 --> 00:00:45,520

103 today or something like that um but

20

00:00:49,510 --> 00:00:47,760

at least i have electricity um i have

21

00:00:52,470 --> 00:00:49,520

air conditioning

22

00:00:54,630 --> 00:00:52,480

so that's better than some people i know

23

00:00:56,630 --> 00:00:54,640

which is um i was gonna say which is

24

00:01:00,150 --> 00:00:56,640

nice it's nice for me it's not

25

00:01:02,630 --> 00:01:00,160

it's not nice uh not nice for them so

26

00:01:05,189 --> 00:01:02,640

martian soda what is this um

27

00:01:08,469 --> 00:01:05,199

this is uh from my sister she uh she

28

00:01:09,990 --> 00:01:08,479

gave it to me today and it uh it says it

29

00:01:14,710 --> 00:01:10,000

is

30

00:01:16,310 --> 00:01:14,720

kumquat flavor and it says taste mars

31

00:01:19,350 --> 00:01:16,320

and i think i don't know what mars

32

00:01:21,590 --> 00:01:19,360

tastes like probably um probably some

33

00:01:25,830 --> 00:01:21,600

kind of uh

34

00:01:27,990 --> 00:01:25,840

iron oxide based soil or something like

35

00:01:30,630 --> 00:01:28,000

that so this is uh this is manufactured

36

00:01:33,190 --> 00:01:30,640

by the um

37

00:01:37,030 --> 00:01:33,200

oh who was this manufactured by the

38

00:01:39,030 --> 00:01:37,040

rocket fizz soda pop and candy shops of

39

00:01:42,550 --> 00:01:39,040

uh

40

00:01:43,830 --> 00:01:42,560

something california my um my bifocals

41

00:01:44,950 --> 00:01:43,840

aren't really behaving

42

00:01:49,109 --> 00:01:44,960

so

43

00:01:50,310 --> 00:01:49,119

not certain about it a little suspect at

44

00:01:52,789 --> 00:01:50,320

best

45

00:01:54,389 --> 00:01:52,799

to be honest i don't think i've tasted a

46

00:01:57,270 --> 00:01:54,399

kumquat since

47

00:02:00,469 --> 00:01:57,280

the reagan administration and i was like

48

00:02:01,350 --> 00:02:00,479

four um wait no

49

00:02:03,270 --> 00:02:01,360

five

50

00:02:05,749 --> 00:02:03,280

and um

51  
00:02:08,949 --> 00:02:05,759  
yeah so i'm not sure i remember not

52  
00:02:09,990 --> 00:02:08,959  
liking them but not hating them so this

53  
00:02:13,910 --> 00:02:10,000  
is going to be

54  
00:02:16,550 --> 00:02:13,920  
an adventure here

55  
00:02:17,830 --> 00:02:16,560  
the uh the the martian soda taste test

56  
00:02:18,869 --> 00:02:17,840  
so

57  
00:02:20,070 --> 00:02:18,879  
we're going to do is we're going to open

58  
00:02:23,110 --> 00:02:20,080  
this up

59  
00:02:25,589 --> 00:02:23,120  
we did a little poppy hiss there and it

60  
00:02:27,830 --> 00:02:25,599  
says what does it say it says something

61  
00:02:30,790 --> 00:02:27,840  
in the um

62  
00:02:38,309 --> 00:02:32,949  
babe ruth rules

63  
00:02:40,710 --> 00:02:38,319

there inside the cap

64

00:02:42,070 --> 00:02:40,720

i don't know why but

65

00:02:43,190 --> 00:02:42,080

i don't hate it

66

00:02:44,550 --> 00:02:43,200

all right

67

00:02:46,150 --> 00:02:44,560

let's try this and then i'll then i'll

68

00:02:48,869 --> 00:02:46,160

have some um

69

00:02:50,390 --> 00:02:48,879

i i jonathan says i don't think i've

70

00:02:52,710 --> 00:02:50,400

ever eaten a kumquat i'm gonna need a

71

00:02:55,190 --> 00:02:52,720

description i will do my best to uh

72

00:02:58,149 --> 00:02:55,200

describe this using words other than

73

00:03:00,390 --> 00:02:58,159

than kumquat i will weird word kumquat

74

00:03:04,710 --> 00:03:00,400

um the saucer wife says taste it already

75

00:03:06,710 --> 00:03:04,720

look i'm vamping okay i'm vamping um so

76  
00:03:11,670 --> 00:03:06,720  
i'm scared okay i'm scared to taste the

77  
00:03:21,430 --> 00:03:11,680  
kumquat soda all right now let's

78  
00:03:25,030 --> 00:03:23,430  
it's weird

79  
00:03:28,070 --> 00:03:25,040  
it's very sugary

80  
00:03:29,030 --> 00:03:28,080  
it's made with with pure cane sugar

81  
00:03:35,910 --> 00:03:29,040  
um

82  
00:03:41,350 --> 00:03:37,990  
oh and this is i don't want to offend

83  
00:03:43,990 --> 00:03:41,360  
any kumquat fans out there it tastes

84  
00:03:47,270 --> 00:03:44,000  
kind of like

85  
00:03:49,990 --> 00:03:47,280  
if you take a plum

86  
00:03:51,910 --> 00:03:50,000  
and roll it in some dirt

87  
00:03:54,949 --> 00:03:51,920  
i'm not sure if that's um i'm not sure

88  
00:03:57,429 --> 00:03:54,959

if the kumquat council would approve of

89

00:03:58,470 --> 00:03:57,439

that description but uh but that's the

90

00:04:04,710 --> 00:03:58,480

best way

91

00:04:10,149 --> 00:04:07,750

it's not bad i mean it's it's not that

92

00:04:12,949 --> 00:04:10,159

plum rolled in dirt is probably sounds

93

00:04:15,190 --> 00:04:12,959

like a space pancake haha yes alex space

94

00:04:16,550 --> 00:04:15,200

pancakes kind of bland

95

00:04:17,349 --> 00:04:16,560

a little earthy

96

00:04:19,749 --> 00:04:17,359

um

97

00:04:21,509 --> 00:04:19,759

it's not bad and you know what

98

00:04:23,030 --> 00:04:21,519

this is the first

99

00:04:23,909 --> 00:04:23,040

non-diet

100

00:04:26,629 --> 00:04:23,919

pop

101

00:04:28,870 --> 00:04:26,639

i've had

102

00:04:30,390 --> 00:04:28,880

i don't even know when but uh it's not

103

00:04:35,990 --> 00:04:30,400

bad and i'm especially thirsty because

104

00:04:38,710 --> 00:04:37,510

okay so

105

00:04:40,230 --> 00:04:38,720

let's take a break from that for a

106

00:04:41,670 --> 00:04:40,240

minute and i've got some

107

00:04:42,790 --> 00:04:41,680

um

108

00:04:44,710 --> 00:04:42,800

some announcements some saucer

109

00:04:46,629 --> 00:04:44,720

announcements so the next uh next week's

110

00:04:49,270 --> 00:04:46,639

episode um or actually this week's

111

00:04:51,030 --> 00:04:49,280

episode um took a little recording break

112

00:04:52,870 --> 00:04:51,040

saucer life and great lakes lore did to

113

00:04:54,469 --> 00:04:52,880

get our um

114

00:04:56,790 --> 00:04:54,479

there goes the kumquat listeners i know

115

00:04:57,830 --> 00:04:56,800

i know steve i've lost the kumquat lobby

116

00:04:59,270 --> 00:04:57,840

um

117

00:05:01,029 --> 00:04:59,280

recording break for social life and

118

00:05:03,590 --> 00:05:01,039

great lakes lord to get recording

119

00:05:06,070 --> 00:05:03,600

schedules somewhat aligned and it's been

120

00:05:07,270 --> 00:05:06,080

really busy for um

121

00:05:09,029 --> 00:05:07,280

for everybody

122

00:05:10,870 --> 00:05:09,039

so um

123

00:05:14,310 --> 00:05:10,880

oh saucer wife says uh better than the

124

00:05:16,870 --> 00:05:14,320

coke yes it was um it was better than

125

00:05:18,710 --> 00:05:16,880

coke starlight absolutely jonathan i

126  
00:05:19,670 --> 00:05:18,720  
agree full sugar drinks after not having

127  
00:05:22,710 --> 00:05:19,680  
them

128  
00:05:23,670 --> 00:05:22,720  
it is it is overwhelming my my pancreas

129  
00:05:26,790 --> 00:05:23,680  
is like

130  
00:05:30,550 --> 00:05:26,800  
is tapping out right now but um

131  
00:05:35,110 --> 00:05:33,189  
over on the um

132  
00:05:37,590 --> 00:05:35,120  
the feed the regular saucer life feed

133  
00:05:40,870 --> 00:05:37,600  
what you'll be getting is a

134  
00:05:43,909 --> 00:05:40,880  
one of our i think our earliest um

135  
00:05:46,629 --> 00:05:43,919  
maybe our earliest patreon bonus episode

136  
00:05:49,189 --> 00:05:46,639  
of the saucer life um as a little sort

137  
00:05:51,909 --> 00:05:49,199  
of this is what's on the patreon as a as

138  
00:05:54,790 --> 00:05:51,919

a bonus episode people who are on the uh

139

00:05:56,950 --> 00:05:54,800

on the patreon already um we love you

140

00:05:59,590 --> 00:05:56,960

patreon people i mean we love all of you

141

00:06:02,070 --> 00:05:59,600

but we we really love our our patreon

142

00:06:04,950 --> 00:06:02,080

people there they got uh today

143

00:06:08,469 --> 00:06:04,960

me watching a sid and marty croft kids

144

00:06:10,070 --> 00:06:08,479

show called the lost saucer which was

145

00:06:12,550 --> 00:06:10,080

um

146

00:06:15,350 --> 00:06:12,560

just nuts but but everybody else will be

147

00:06:18,070 --> 00:06:15,360

getting a a free bonus episode during

148

00:06:19,990 --> 00:06:18,080

this during this off week and then next

149

00:06:21,110 --> 00:06:20,000

week when we we get back in the swing of

150

00:06:22,870 --> 00:06:21,120

things

151

00:06:25,670 --> 00:06:22,880

i was going to be

152

00:06:28,469 --> 00:06:25,680

looking at bill moore's speech at mufon

153

00:06:32,070 --> 00:06:28,479

89 but as i was working on that today

154

00:06:33,990 --> 00:06:32,080

what i realized was that it

155

00:06:36,230 --> 00:06:34,000

it just needs to be part of a bigger

156

00:06:39,029 --> 00:06:36,240

paul benowitz episode or sequence of

157

00:06:40,790 --> 00:06:39,039

episodes down the road and um oh glad

158

00:06:43,189 --> 00:06:40,800

you liked lost saucer steve yeah it was

159

00:06:45,110 --> 00:06:43,199

it was it was it was fun it was just

160

00:06:47,749 --> 00:06:45,120

weird stuff so there's probably going to

161

00:06:49,830 --> 00:06:47,759

be a a paul benowitz episode down the

162

00:06:53,270 --> 00:06:49,840

road and that will incorporate the bill

163

00:06:55,350 --> 00:06:53,280

more um the bill more stuff um

164

00:06:57,510 --> 00:06:55,360

instead of bill moore what i found was a

165

00:06:59,909 --> 00:06:57,520

contactee that i had heard the name of

166

00:07:03,029 --> 00:06:59,919

but didn't really know anything about

167

00:07:04,790 --> 00:07:03,039

and his name was ted owens and he

168

00:07:08,469 --> 00:07:04,800

believed that he had been

169

00:07:11,589 --> 00:07:08,479

altered to be given psychic powers by

170

00:07:13,909 --> 00:07:11,599

the sis or the space intelligences that

171

00:07:15,670 --> 00:07:13,919

let him affect the weather and

172

00:07:17,189 --> 00:07:15,680

well affect the weather and he would

173

00:07:18,870 --> 00:07:17,199

predict whether things and then whether

174

00:07:22,070 --> 00:07:18,880

things would happen and he would claim

175

00:07:23,749 --> 00:07:22,080

he or the space intelligences were doing

176  
00:07:26,790 --> 00:07:23,759  
these things um

177  
00:07:27,830 --> 00:07:26,800  
really interesting story um

178  
00:07:29,189 --> 00:07:27,840  
he wrote

179  
00:07:31,110 --> 00:07:29,199  
a couple books

180  
00:07:34,150 --> 00:07:31,120  
and uh his story was written up

181  
00:07:35,909 --> 00:07:34,160  
extensively in saga magazine by otto

182  
00:07:37,909 --> 00:07:35,919  
binder who

183  
00:07:40,629 --> 00:07:37,919  
was an early ancient aliens person or

184  
00:07:41,670 --> 00:07:40,639  
ancient astronaut person rather and also

185  
00:07:47,189 --> 00:07:41,680  
you know

186  
00:07:51,430 --> 00:07:49,029  
so we'll probably get a little into auto

187  
00:07:53,990 --> 00:07:51,440  
bender as well during that episode so

188  
00:07:55,670 --> 00:07:54,000

that's uh that's going to be fun um

189

00:07:57,990 --> 00:07:55,680

then later on i think this summer i'm

190

00:07:59,670 --> 00:07:58,000

finally going to get to the gulf breeze

191

00:08:02,150 --> 00:07:59,680

six which

192

00:08:10,550 --> 00:08:02,160

people have been asking for off and on

193

00:08:15,670 --> 00:08:13,029

and now it's gone

194

00:08:17,830 --> 00:08:15,680

the earthiness of the plum or the

195

00:08:18,790 --> 00:08:17,840

earthiness of it sort of dissipated i

196

00:08:20,710 --> 00:08:18,800

think that was

197

00:08:23,029 --> 00:08:20,720

maybe a bit of um

198

00:08:26,309 --> 00:08:23,039

it was a bit full on there but uh but

199

00:08:30,469 --> 00:08:26,319

yeah good good good stuff um so gulf

200

00:08:32,550 --> 00:08:30,479

breeze six is coming um probably

201  
00:08:35,589 --> 00:08:32,560  
have this topic floating around just a

202  
00:08:38,550 --> 00:08:35,599  
title um sort of space nephilim from

203  
00:08:40,949 --> 00:08:38,560  
hell something like that so a little bit

204  
00:08:43,350 --> 00:08:40,959  
of the um

205  
00:08:45,509 --> 00:08:43,360  
what the the sort of what i've called

206  
00:08:47,750 --> 00:08:45,519  
the para evangelical

207  
00:08:49,750 --> 00:08:47,760  
fringe a little bit uh alex says have

208  
00:08:52,070 --> 00:08:49,760  
you tried that alien jerky from baker

209  
00:08:53,590 --> 00:08:52,080  
california i have not tried the alien

210  
00:08:55,910 --> 00:08:53,600  
jerky um

211  
00:08:58,389 --> 00:08:55,920  
that was uh that that does

212  
00:09:01,110 --> 00:08:58,399  
i'm not a big jerky guy but uh

213  
00:09:04,389 --> 00:09:01,120

yeah i would try i would try alien jerky

214

00:09:09,670 --> 00:09:04,399

probably um depends on the alien

215

00:09:12,150 --> 00:09:09,680

i don't know grays are are kind of um um

216

00:09:14,150 --> 00:09:12,160

grays are kind of gamey a little bit uh

217

00:09:16,070 --> 00:09:14,160

somebody from arcturus i eat jerky made

218

00:09:17,910 --> 00:09:16,080

of them the saucer wife says maybe the

219

00:09:19,030 --> 00:09:17,920

earthiness is garden soil spray from

220

00:09:22,310 --> 00:09:19,040

watering yeah there might have been some

221

00:09:25,190 --> 00:09:22,320

like dirt on my face that sort of got

222

00:09:27,030 --> 00:09:25,200

into the uh got into the pop here um but

223

00:09:30,310 --> 00:09:27,040

no it was it was good stuff the saucer

224

00:09:32,949 --> 00:09:30,320

sister did uh did a good job um yeah

225

00:09:34,630 --> 00:09:32,959

yeah i agree alex grays are

226

00:09:35,990 --> 00:09:34,640

very gamey i i think it's all the

227

00:09:39,110 --> 00:09:36,000

chemicals they got flowing through their

228

00:09:42,070 --> 00:09:39,120

system from that sort of chlorophyll

229

00:09:44,389 --> 00:09:42,080

sort of deal they've got going on

230

00:09:46,949 --> 00:09:44,399

so um oh

231

00:09:49,509 --> 00:09:46,959

since i finished my my pop and i'm still

232

00:09:51,670 --> 00:09:49,519

i'm still thirsty uh we've got a bonus

233

00:09:53,670 --> 00:09:51,680

taste test it's not saucer related but

234

00:09:57,269 --> 00:09:53,680

the saucer wife today picked up for me a

235

00:10:01,269 --> 00:09:57,279

can of uh rainbow sherbet

236

00:10:06,230 --> 00:10:01,279

sherbet i would say sherbet sherbet um

237

00:10:08,470 --> 00:10:06,240

sour ale from prairie artisanals in

238

00:10:11,350 --> 00:10:08,480

macalester oklahoma they're brewing beer

239

00:10:13,590 --> 00:10:11,360

in oklahoma now that sounds

240

00:10:14,790 --> 00:10:13,600

i don't know i guess i guess it's okay

241

00:10:17,190 --> 00:10:14,800

but uh

242

00:10:19,670 --> 00:10:17,200

let's try this i'm a little nervous i

243

00:10:22,710 --> 00:10:19,680

sort of sweet sounding beers kind of

244

00:10:25,590 --> 00:10:22,720

concern me but i love sours and i love

245

00:10:27,509 --> 00:10:25,600

rainbow sherbet so let's see

246

00:10:30,150 --> 00:10:27,519

how this goes

247

00:10:34,230 --> 00:10:30,160

nice bouquet it smells kind of kind of

248

00:10:41,670 --> 00:10:36,069

oh wow

249

00:10:44,069 --> 00:10:41,680

um if you like sour things not just sour

250

00:10:45,430 --> 00:10:44,079

beers but just sour things

251  
00:10:47,269 --> 00:10:45,440  
and um

252  
00:10:50,790 --> 00:10:47,279  
and uh

253  
00:10:52,470 --> 00:10:50,800  
and the saucer wife says and me um

254  
00:10:54,550 --> 00:10:52,480  
i'm not sure with that honey i'm not

255  
00:10:56,870 --> 00:10:54,560  
sure what that means um

256  
00:10:59,269 --> 00:10:56,880  
i mean it's it's from the saucer wife if

257  
00:11:01,590 --> 00:10:59,279  
i didn't mention that but uh oh oh i

258  
00:11:02,949 --> 00:11:01,600  
love sure i i love i love rainbow

259  
00:11:04,949 --> 00:11:02,959  
sherbet i love sour beers and i love the

260  
00:11:06,470 --> 00:11:04,959  
saucer wife that's

261  
00:11:09,110 --> 00:11:06,480  
i think that's what she was trying to

262  
00:11:11,829 --> 00:11:09,120  
prompt out of me um

263  
00:11:14,870 --> 00:11:11,839

but uh but if you just if this tastes

264

00:11:18,949 --> 00:11:14,880

like the best sour candy

265

00:11:23,110 --> 00:11:20,389

i'm not gonna drink this as fast as i

266

00:11:24,550 --> 00:11:23,120

did the soda that's that's really really

267

00:11:28,870 --> 00:11:24,560

good

268

00:11:32,069 --> 00:11:28,880

all right so that's some uh that's some

269

00:11:35,269 --> 00:11:32,079

taste testing right there and um we are

270

00:11:37,990 --> 00:11:35,279

going to uh sign off here in a second so

271

00:11:43,430 --> 00:11:41,509

space nephilim um

272

00:11:45,990 --> 00:11:43,440

gulf breeze six at some point this

273

00:11:48,470 --> 00:11:46,000

summer uh probably some more uh some

274

00:11:50,069 --> 00:11:48,480

more goofy uh goofy contactees um it

275

00:11:52,150 --> 00:11:50,079

feels like a

276

00:11:54,470 --> 00:11:52,160

summer of goofy contact ease is

277

00:11:57,030 --> 00:11:54,480

something that uh that needs to be on

278

00:11:58,790 --> 00:11:57,040

the agenda so thanks everybody for uh
