

Flying Saucers

at 1954

Edwards AFB

EISENHOWER AT EDWARDS

1
00:00:16,710 --> 00:00:14,350
i never got any money from you

2
00:00:18,630 --> 00:00:16,720
[Music]

3
00:00:21,360 --> 00:00:18,640
ufo might just as well stand for

4
00:00:24,470 --> 00:00:21,370
unprecedented financial opportunity

5
00:00:26,310 --> 00:00:24,480
[Applause]

6
00:00:28,070 --> 00:00:26,320
be normal

7
00:00:29,910 --> 00:00:28,080
this is the saucer life a podcast in

8
00:00:31,589 --> 00:00:29,920
which we examine concepts events or

9
00:00:33,830 --> 00:00:31,599
people orbiting the world of flying

10
00:00:35,590 --> 00:00:33,840
saucers few preconceptions snark when

11
00:00:39,670 --> 00:00:35,600
justified no belief

12
00:00:43,190 --> 00:00:39,680
no debunking this is eisenhower at

13
00:00:46,229 --> 00:00:43,200

edwards and we are finally tackling the

14

00:00:48,470 --> 00:00:46,239

actually somewhat threadbare topic of

15

00:00:50,709 --> 00:00:48,480

eisenhower president dwight d eisenhower

16

00:00:54,389 --> 00:00:50,719

supposedly visiting with aliens at

17

00:00:56,790 --> 00:00:54,399

edwards air force base in early 1954.

18

00:00:58,389 --> 00:00:56,800

now we touched on this briefly in our

19

00:01:00,630 --> 00:00:58,399

episode about

20

00:01:02,549 --> 00:01:00,640

the borderline science research

21

00:01:04,869 --> 00:01:02,559

associates because that's where this

22

00:01:07,670 --> 00:01:04,879

rumor initially started but we're going

23

00:01:09,990 --> 00:01:07,680

to look more at their actual publication

24

00:01:12,070 --> 00:01:10,000

that came out in 1973 of the

25

00:01:13,750 --> 00:01:12,080

documentation surrounding that and the

26
00:01:15,910 --> 00:01:13,760
channeled messages that followed and

27
00:01:17,429 --> 00:01:15,920
then we're going to look at some of the

28
00:01:20,149 --> 00:01:17,439
ways the

29
00:01:22,469 --> 00:01:20,159
rumor the theory the claim that

30
00:01:24,550 --> 00:01:22,479
eisenhower met with aliens at edwards

31
00:01:26,469 --> 00:01:24,560
air force base developed

32
00:01:28,710 --> 00:01:26,479
over the years so that's what we're

33
00:01:30,440 --> 00:01:28,720
going to be doing we might as well get

34
00:01:36,469 --> 00:01:30,450
started

35
00:01:41,270 --> 00:01:38,310
so it's been a few years since we looked

36
00:01:43,990 --> 00:01:41,280
at mead lane and his friend gerald light

37
00:01:45,749 --> 00:01:44,000
who wrote the letter explaining what had

38
00:01:48,710 --> 00:01:45,759

happened at edwards air force base we

39

00:01:51,109 --> 00:01:48,720

talked about them in our episode on the

40

00:01:54,630 --> 00:01:51,119

borderland science research associates

41

00:01:56,149 --> 00:01:54,640

oh gosh four years ago probably four

42

00:01:58,870 --> 00:01:56,159

years ago it's called a good

43

00:02:00,630 --> 00:01:58,880

old-fashioned ether frolic and you can

44

00:02:02,709 --> 00:02:00,640

find a link to that episode in the show

45

00:02:06,149 --> 00:02:02,719

notes but basically this was an

46

00:02:08,949 --> 00:02:06,159

organization that was very much of a

47

00:02:11,589 --> 00:02:08,959

spiritualist bent it began in the 1940s

48

00:02:14,869 --> 00:02:11,599

it actually predated the flying saucer

49

00:02:16,710 --> 00:02:14,879

craze by a few years and basically the

50

00:02:20,470 --> 00:02:16,720

borderlands science research associates

51
00:02:22,470 --> 00:02:20,480
were investigating the then new flying

52
00:02:24,790 --> 00:02:22,480
saucer phenomenon from the perspective

53
00:02:27,350 --> 00:02:24,800
of these ships not being from outer

54
00:02:29,830 --> 00:02:27,360
space but rather from the ether from

55
00:02:32,390 --> 00:02:29,840
some dimension between

56
00:02:34,309 --> 00:02:32,400
our dimension and a higher dimension

57
00:02:36,470 --> 00:02:34,319
sort of pushing through and they had

58
00:02:39,030 --> 00:02:36,480
contact with a number of what they

59
00:02:41,430 --> 00:02:39,040
called controls um

60
00:02:44,070 --> 00:02:41,440
people beings ascended masters what have

61
00:02:46,229 --> 00:02:44,080
you who would communicate to them by

62
00:02:48,949 --> 00:02:46,239
channeling through a man usually through

63
00:02:51,110 --> 00:02:48,959

a man named mark probert and there were

64

00:02:54,229 --> 00:02:51,120

a number of these of these individuals

65

00:02:56,229 --> 00:02:54,239

we'll hear from two of them today

66

00:02:58,070 --> 00:02:56,239

in that episode we did talk about the

67

00:03:00,390 --> 00:02:58,080

letter that a man named gerald light

68

00:03:03,750 --> 00:03:00,400

sent to meadlane explaining that he had

69

00:03:07,589 --> 00:03:03,760

been at edwards air force base when ufos

70

00:03:09,350 --> 00:03:07,599

had landed but in 1973 a booklet sort of

71

00:03:12,309 --> 00:03:09,360

spiral bound booklet called flying

72

00:03:15,750 --> 00:03:12,319

saucers at edwards air force base 1954

73

00:03:18,309 --> 00:03:15,760

was published by the bsra at that point

74

00:03:20,869 --> 00:03:18,319

under the leadership of a guy named i

75

00:03:23,509 --> 00:03:20,879

think at that time riley crabb

76

00:03:25,430 --> 00:03:23,519

and i got a pdf of this booklet from a

77

00:03:28,070 --> 00:03:25,440

listener on twitter which i'm very

78

00:03:29,190 --> 00:03:28,080

grateful for and the booklet starts out

79

00:03:30,869 --> 00:03:29,200

with a

80

00:03:34,550 --> 00:03:30,879

somewhat

81

00:03:38,390 --> 00:03:34,560

rosy optimistic look back at what the

82

00:03:40,789 --> 00:03:38,400

1950s were like for ufology

83

00:03:43,110 --> 00:03:40,799

the early 1950s were exciting years for

84

00:03:44,630 --> 00:03:43,120

the ufo awakened in california george

85

00:03:46,229 --> 00:03:44,640

adamski was having his sightings and

86

00:03:48,229 --> 00:03:46,239

contacts at palomar and out in the

87

00:03:50,229 --> 00:03:48,239

desert orpheo angelucci was using

88

00:03:52,390 --> 00:03:50,239

glendale for a takeoff for space trips

89

00:03:53,910 --> 00:03:52,400

to one of the asteroids paul vest had

90

00:03:56,229 --> 00:03:53,920

his interview with a venusian in santa

91

00:03:58,229 --> 00:03:56,239

monica visitors to giant rock were being

92

00:04:00,390 --> 00:03:58,239

taken up into hovering spaceships via a

93

00:04:02,470 --> 00:04:00,400

magnetic etheric tube through george van

94

00:04:03,910 --> 00:04:02,480

tassel's mediumship and mead lane was

95

00:04:08,550 --> 00:04:03,920

being overwhelmed with sighting and

96

00:04:13,190 --> 00:04:10,869

what's fun is i think we have covered

97

00:04:15,990 --> 00:04:13,200

all of those things on various episodes

98

00:04:18,069 --> 00:04:16,000

even journalist in quotes paul vest and

99

00:04:20,710 --> 00:04:18,079

his interview with a venusian i think

100

00:04:23,990 --> 00:04:20,720

that was part of our orpheo angelucci

101
00:04:27,189 --> 00:04:24,000
episode and then crab launches into the

102
00:04:28,629 --> 00:04:27,199
subject of this booklet

103
00:04:30,629 --> 00:04:28,639
then there was the saucer flap at

104
00:04:32,870 --> 00:04:30,639
edwards air force base in the murak dry

105
00:04:35,270 --> 00:04:32,880
lake area of the high desert this was in

106
00:04:37,270 --> 00:04:35,280
the spring of 1954 and apparently lasted

107
00:04:39,350 --> 00:04:37,280
for months frank edwards radio

108
00:04:41,909 --> 00:04:39,360
newscaster in the midwest had word of a

109
00:04:44,629 --> 00:04:41,919
january landing of ufos at some military

110
00:04:47,270 --> 00:04:44,639
base in california

111
00:04:50,150 --> 00:04:47,280
crab goes on to recount the story which

112
00:04:52,870 --> 00:04:50,160
he has not actually presented in full in

113
00:04:55,110 --> 00:04:52,880

the form of light's original letter it's

114

00:04:57,270 --> 00:04:55,120

a weird sort of out of order telling of

115

00:04:58,710 --> 00:04:57,280

the story but he makes it clear that

116

00:05:01,830 --> 00:04:58,720

even though

117

00:05:04,469 --> 00:05:01,840

gerald light or dr light not the villain

118

00:05:07,430 --> 00:05:04,479

and or hero from dc comics but gerald

119

00:05:09,909 --> 00:05:07,440

light the medium even though he broke

120

00:05:11,110 --> 00:05:09,919

security by telling people this he was

121

00:05:13,749 --> 00:05:11,120

the only one even though there were

122

00:05:15,749 --> 00:05:13,759

other witnesses he was the only one who

123

00:05:17,430 --> 00:05:15,759

would talk

124

00:05:19,830 --> 00:05:17,440

others who made the privileged visit to

125

00:05:22,150 --> 00:05:19,840

edwards in the spring of 1954 told the

126
00:05:23,590 --> 00:05:22,160
truth to close friends no doubt and some

127
00:05:24,469 --> 00:05:23,600
even made a few guarded remarks in

128
00:05:26,070 --> 00:05:24,479
public

129
00:05:27,350 --> 00:05:26,080
there is no use trying to get anything

130
00:05:29,350 --> 00:05:27,360
out of the three angelinos who

131
00:05:31,430 --> 00:05:29,360
accompanied light to edwards other

132
00:05:35,990 --> 00:05:31,440
saucer researchers have tried letters

133
00:05:40,950 --> 00:05:38,629
crab continues by explaining what

134
00:05:43,189 --> 00:05:40,960
corroborating evidence there was for

135
00:05:45,029 --> 00:05:43,199
this and this corroborating evidence is

136
00:05:50,390 --> 00:05:45,039
is fairly

137
00:05:52,629 --> 00:05:50,400
takes the form of other people having

138
00:05:53,909 --> 00:05:52,639

talked about the stuff that's in light's

139

00:05:55,430 --> 00:05:53,919

letter even though light's letter was

140

00:05:57,189 --> 00:05:55,440

the only place where

141

00:05:59,110 --> 00:05:57,199

these things were published one example

142

00:06:01,430 --> 00:05:59,120

is desmond leslie

143

00:06:04,710 --> 00:06:01,440

george adamski's co-author on his first

144

00:06:08,070 --> 00:06:04,720

book and friend of contactees did an

145

00:06:10,950 --> 00:06:08,080

interview with george hunt williamson in

146

00:06:13,350 --> 00:06:10,960

guess what valor magazine from the

147

00:06:14,950 --> 00:06:13,360

soulcraft organization from about a

148

00:06:16,870 --> 00:06:14,960

month ago or two months ago when we

149

00:06:19,189 --> 00:06:16,880

talked about william dudley pelly he

150

00:06:21,110 --> 00:06:19,199

sort of talked about an expanded version

151
00:06:23,110 --> 00:06:21,120
of what happened at edwards air force

152
00:06:25,029 --> 00:06:23,120
base said that

153
00:06:26,710 --> 00:06:25,039
leslie had done a little saucer research

154
00:06:29,029 --> 00:06:26,720
and discovered that the saucer at

155
00:06:32,629 --> 00:06:29,039
edwards was actually there kept under

156
00:06:34,790 --> 00:06:32,639
guard in hangar 27 so

157
00:06:36,230 --> 00:06:34,800
hangar 18 plus nine or something like

158
00:06:39,029 --> 00:06:36,240
that he spoke to an air force man who

159
00:06:40,950 --> 00:06:39,039
had seen the craft and um said that

160
00:06:43,670 --> 00:06:40,960
there was a lot of

161
00:06:45,350 --> 00:06:43,680
secrecy and after talking about some

162
00:06:48,230 --> 00:06:45,360
other things mostly about the planet

163
00:06:50,469 --> 00:06:48,240

mars and cedric allingham's book where

164

00:06:54,150 --> 00:06:50,479

he met a man from mars we covered cedric

165

00:06:57,510 --> 00:06:54,160

ellingham um a long time ago he finishes

166

00:07:00,830 --> 00:06:57,520

up and leads into the actual letter from

167

00:07:02,469 --> 00:07:00,840

gerald light with this little bit of

168

00:07:04,150 --> 00:07:02,479

paranoia

169

00:07:06,550 --> 00:07:04,160

it's a good bet that the home of every

170

00:07:08,629 --> 00:07:06,560

ufo researcher and every known contactee

171

00:07:10,710 --> 00:07:08,639

is pinpointed on detailed area maps of

172

00:07:12,230 --> 00:07:10,720

this nation if a magnetic vortex or

173

00:07:13,909 --> 00:07:12,240

space work triggers the surveillance

174

00:07:15,850 --> 00:07:13,919

system government agents know it

175

00:07:18,950 --> 00:07:15,860

immediately and are on their way

176

00:07:21,990 --> 00:07:18,960

[Music]

177

00:07:23,430 --> 00:07:22,000

sadly as this was written in 1973 we

178

00:07:26,309 --> 00:07:23,440

don't have a reference to black

179

00:07:28,710 --> 00:07:26,319

helicopters being dispatched to

180

00:07:30,950 --> 00:07:28,720

the homes of contactees and ufo

181

00:07:34,710 --> 00:07:30,960

witnesses and sort of a side note there

182

00:07:37,749 --> 00:07:34,720

was a black helicopter flying a little

183

00:07:39,749 --> 00:07:37,759

low over the chiso media studios

184

00:07:41,510 --> 00:07:39,759

two days ago i think it was just a

185

00:07:43,430 --> 00:07:41,520

helicopter that was black and not a true

186

00:07:44,869 --> 00:07:43,440

black helicopter but

187

00:07:48,070 --> 00:07:44,879

i'm wondering if there was a magnetic

188

00:07:50,790 --> 00:07:48,080

vortex or a space warp that happened

189

00:07:52,869 --> 00:07:50,800

here that brought the government agents

190

00:07:53,670 --> 00:07:52,879

in to investigate

191

00:07:56,309 --> 00:07:53,680

so

192

00:07:59,029 --> 00:07:56,319

we're five pages in to this

193

00:07:59,990 --> 00:07:59,039

booklet and we get to the

194

00:08:03,029 --> 00:08:00,000

letter

195

00:08:04,790 --> 00:08:03,039

to meadlane from gerald light which

196

00:08:05,990 --> 00:08:04,800

according to the notes on the copy of

197

00:08:09,830 --> 00:08:06,000

the letter

198

00:08:11,990 --> 00:08:09,840

lane received april 16th 1954 and we

199

00:08:15,029 --> 00:08:12,000

covered this in our episode about the

200

00:08:16,390 --> 00:08:15,039

bsra so i'm using the audio clip of the

201

00:08:17,749 --> 00:08:16,400

letter from that so if it's a little

202

00:08:21,350 --> 00:08:17,759

different style or a little different

203

00:08:24,309 --> 00:08:21,360

quality that's the reason this is what

204

00:08:26,950 --> 00:08:24,319

gerald light said to me lane my dear

205

00:08:28,550 --> 00:08:26,960

friend i've just returned from murak the

206

00:08:30,629 --> 00:08:28,560

report is true

207

00:08:32,230 --> 00:08:30,639

devastatingly true

208

00:08:34,389 --> 00:08:32,240

i made the journey in company with

209

00:08:36,389 --> 00:08:34,399

franklin allen of the hearst papers and

210

00:08:38,469 --> 00:08:36,399

edward norris of brookings institute and

211

00:08:40,310 --> 00:08:38,479

bishop mcintyre of los angeles

212

00:08:42,070 --> 00:08:40,320

confidential names for the present

213

00:08:43,350 --> 00:08:42,080

please

214

00:08:45,590 --> 00:08:43,360

when we were allowed to enter the

215

00:08:46,870 --> 00:08:45,600

restricted section after about six hours

216

00:08:49,509 --> 00:08:46,880

in which we were checked on every

217

00:08:51,910 --> 00:08:49,519

possible item event incident and aspect

218

00:08:53,430 --> 00:08:51,920

of our personal and public lives i had

219

00:08:56,150 --> 00:08:53,440

the distinct feeling that the world had

220

00:08:58,310 --> 00:08:56,160

come to an end with fantastic realism

221

00:09:00,230 --> 00:08:58,320

for i have never seen so many human

222

00:09:02,389 --> 00:09:00,240

beings in a state of complete collapse

223

00:09:04,230 --> 00:09:02,399

and confusion as they realized that

224

00:09:07,110 --> 00:09:04,240

their own world had indeed ended with

225

00:09:09,269 --> 00:09:07,120

such finality as to beggar description

226

00:09:11,910 --> 00:09:09,279

the reality of the other plain arrow

227

00:09:13,829 --> 00:09:11,920

forms is now and forever removed from

228

00:09:16,070 --> 00:09:13,839

the realms of speculation and made a

229

00:09:17,670 --> 00:09:16,080

rather painful part

230

00:09:20,070 --> 00:09:17,680

of the consciousness

231

00:09:22,070 --> 00:09:20,080

of every responsible scientific and

232

00:09:24,070 --> 00:09:22,080

political group

233

00:09:26,070 --> 00:09:24,080

during my two days visit i saw five

234

00:09:27,750 --> 00:09:26,080

separate and distinct types of aircraft

235

00:09:30,230 --> 00:09:27,760

being studied and handled by our air

236

00:09:32,389 --> 00:09:30,240

force officials with the assistance and

237

00:09:35,110 --> 00:09:32,399

permission of the ethereans

238

00:09:37,670 --> 00:09:35,120

i have no words to express my reactions

239

00:09:39,750 --> 00:09:37,680

it finally happened it is now a matter

240

00:09:41,590 --> 00:09:39,760

of history

241

00:09:43,670 --> 00:09:41,600

president eisenhower as you may already

242

00:09:45,670 --> 00:09:43,680

know was spirited over to murak one

243

00:09:46,949 --> 00:09:45,680

night during his visit to palm springs

244

00:09:48,870 --> 00:09:46,959

recently

245

00:09:50,630 --> 00:09:48,880

it's my conviction that he will ignore

246

00:09:53,350 --> 00:09:50,640

the terrific conflict between the

247

00:09:55,750 --> 00:09:53,360

various authorities and go directly to

248

00:09:58,150 --> 00:09:55,760

the people via radio and television if

249

00:10:00,070 --> 00:09:58,160

the impasse continues much longer

250

00:10:01,430 --> 00:10:00,080

from what i could gather an official

251
00:10:07,750 --> 00:10:01,440
statement to the country is being

252
00:10:10,790 --> 00:10:09,269
from what i could gather an official

253
00:10:12,710 --> 00:10:10,800
statement to the country is being

254
00:10:14,790 --> 00:10:12,720
prepared for delivery about the middle

255
00:10:16,310 --> 00:10:14,800
of may

256
00:10:17,910 --> 00:10:16,320
i will leave it to your own excellent

257
00:10:19,670 --> 00:10:17,920
powers of deduction to construct a

258
00:10:21,509 --> 00:10:19,680
fitting picture of the mental and

259
00:10:23,269 --> 00:10:21,519
emotional pandemonium that is now

260
00:10:25,670 --> 00:10:23,279
shattering the consciousness of hundreds

261
00:10:27,750 --> 00:10:25,680
of our scientific authorities and all

262
00:10:29,350 --> 00:10:27,760
the pundits of the various specialized

263
00:10:30,630 --> 00:10:29,360

knowledges that make up our current

264

00:10:36,630 --> 00:10:30,640

physics

265

00:10:40,710 --> 00:10:38,630

in some instance i could not stifle a

266

00:10:42,710 --> 00:10:40,720

wave of pity that arose in my own being

267

00:10:45,110 --> 00:10:42,720

as i watched the pathetic bewilderment

268

00:10:47,509 --> 00:10:45,120

of rather brilliant brains struggling to

269

00:10:49,269 --> 00:10:47,519

make some sort of rational explanation

270

00:10:51,910 --> 00:10:49,279

which would enable them to retain their

271

00:10:54,069 --> 00:10:51,920

familiar theories and concepts

272

00:10:56,389 --> 00:10:54,079

and i thanked my own destiny for having

273

00:10:57,269 --> 00:10:56,399

long ago pushed me into the metaphysical

274

00:10:59,990 --> 00:10:57,279

woods

275

00:11:02,630 --> 00:11:00,000

and compelled me to find my way out to

276

00:11:05,590 --> 00:11:02,640

watch strong minds cringe before totally

277

00:11:07,269 --> 00:11:05,600

irreconcilable aspects of science is not

278

00:11:09,509 --> 00:11:07,279

a pleasant thing

279

00:11:10,389 --> 00:11:09,519

i had forgotten how commonplace things

280

00:11:15,910 --> 00:11:10,399

as

281

00:11:20,470 --> 00:11:17,990

i had forgotten how commonplace things

282

00:11:22,470 --> 00:11:20,480

as dematerialization of solid objects

283

00:11:24,630 --> 00:11:22,480

has become to my own mind

284

00:11:26,949 --> 00:11:24,640

the coming and going of an etheric or

285

00:11:28,550 --> 00:11:26,959

spirit body has been so familiar to me

286

00:11:30,550 --> 00:11:28,560

these many years that forgotten that

287

00:11:33,269 --> 00:11:30,560

such a manifestation could snap the

288

00:11:34,630 --> 00:11:33,279

mental balance of a man not so

289

00:11:37,190 --> 00:11:34,640

conditioned

290

00:11:40,310 --> 00:11:37,200

i shall never forget those 48 hours of

291

00:11:43,350 --> 00:11:40,320

murak and so that's the story and it's

292

00:11:45,990 --> 00:11:43,360

pretty basic um

293

00:11:49,670 --> 00:11:46,000

there's nothing about

294

00:11:51,670 --> 00:11:49,680

agreements or we don't know any details

295

00:11:53,910 --> 00:11:51,680

about the conversation

296

00:11:55,269 --> 00:11:53,920

there's a sense that

297

00:11:57,430 --> 00:11:55,279

the government is going to reveal

298

00:11:59,990 --> 00:11:57,440

everything but we know that never

299

00:12:02,150 --> 00:12:00,000

happened it's interesting especially

300

00:12:05,750 --> 00:12:02,160

when we consider how things are going to

301
00:12:08,870 --> 00:12:05,760
develop in the future so at the same

302
00:12:11,750 --> 00:12:08,880
time the same date april 16th

303
00:12:14,389 --> 00:12:11,760
1954 that

304
00:12:16,870 --> 00:12:14,399
that um this letter was uh was was

305
00:12:18,790 --> 00:12:16,880
composed there's another letter or was

306
00:12:22,150 --> 00:12:18,800
received by lane another letter is being

307
00:12:24,870 --> 00:12:22,160
composed on april 16th by gerald light

308
00:12:26,949 --> 00:12:24,880
to send to meadlane where he's talking

309
00:12:29,590 --> 00:12:26,959
about the newsletter he's getting ready

310
00:12:32,949 --> 00:12:29,600
to send out to his readers gerald light

311
00:12:35,190 --> 00:12:32,959
had a a newsletter about etheric and

312
00:12:38,870 --> 00:12:35,200
flying saucer subjects

313
00:12:41,190 --> 00:12:38,880

and things take a very sort of political

314

00:12:45,030 --> 00:12:41,200

turn that isn't at all

315

00:12:46,870 --> 00:12:45,040

evident in the initial letter

316

00:12:48,949 --> 00:12:46,880

i am now preparing bulletin number two

317

00:12:50,710 --> 00:12:48,959

for mailing about monday i will add my

318

00:12:52,389 --> 00:12:50,720

testimony of the murak episode for

319

00:12:54,230 --> 00:12:52,399

whatever it may be worth and then go

320

00:12:55,750 --> 00:12:54,240

into some length about the big move of

321

00:12:58,069 --> 00:12:55,760

the commies to take advantage of the

322

00:12:59,670 --> 00:12:58,079

present public concern about the bomb

323

00:13:01,590 --> 00:12:59,680

my information is that a vigorous

324

00:13:03,110 --> 00:13:01,600

campaign will be started immediately to

325

00:13:04,790 --> 00:13:03,120

persuade america that communist

326

00:13:06,870 --> 00:13:04,800

domination is much better than total

327

00:13:08,310 --> 00:13:06,880

annihilation this will emanate from

328

00:13:10,550 --> 00:13:08,320

various groups of intellectuals who

329

00:13:12,150 --> 00:13:10,560

certainly have a case to present

330

00:13:13,829 --> 00:13:12,160

the purpose behind this campaign is

331

00:13:16,069 --> 00:13:13,839

something i was warned about nearly 30

332

00:13:17,590 --> 00:13:16,079

years ago its particular intent among

333

00:13:19,110 --> 00:13:17,600

other things is to split the country

334

00:13:21,110 --> 00:13:19,120

into as many warring sections as

335

00:13:22,949 --> 00:13:21,120

possible there is of course the ancient

336

00:13:25,110 --> 00:13:22,959

prophecy of america becoming a land of

337

00:13:26,949 --> 00:13:25,120

four separate nations or peoples these

338

00:13:28,790 --> 00:13:26,959

have sometimes rather simply been

339

00:13:29,829 --> 00:13:28,800

itemized as a north south east west

340

00:13:31,350 --> 00:13:29,839

division

341

00:13:33,350 --> 00:13:31,360

and anyone with an ounce of ingenuity

342

00:13:35,190 --> 00:13:33,360

can easily fan local differences into a

343

00:13:37,110 --> 00:13:35,200

terrible hate this is the time for a

344

00:13:39,189 --> 00:13:37,120

display of that christian idealism about

345

00:13:40,790 --> 00:13:39,199

which we are so proud lest the jungle

346

00:13:43,269 --> 00:13:40,800

consciousness in each of us destroys

347

00:13:44,550 --> 00:13:43,279

every vestige of our sanity i am working

348

00:13:45,990 --> 00:13:44,560

against the deadline to have another

349

00:13:48,550 --> 00:13:46,000

pamphlet on ethereum to serve as a

350

00:13:50,389 --> 00:13:48,560

companion book to sing skies when the

351

00:13:52,310 --> 00:13:50,399

news breaks next month and mob hysteria

352

00:13:53,829 --> 00:13:52,320

follows its traditional course

353

00:13:55,509 --> 00:13:53,839

this is just a hasty roundup of the

354

00:13:56,550 --> 00:13:55,519

matter as it stands now and i will keep

355

00:13:58,629 --> 00:13:56,560

in touch with you for further

356

00:14:00,310 --> 00:13:58,639

cooperation will you please send me your

357

00:14:02,310 --> 00:14:00,320

phone number it has vanished from my

358

00:14:08,150 --> 00:14:02,320

files and the confusion around here

359

00:14:14,150 --> 00:14:11,189

now until i received this and read

360

00:14:16,470 --> 00:14:14,160

through it a few times i had no idea

361

00:14:19,269 --> 00:14:16,480

that the edwards air force base stuff

362

00:14:21,590 --> 00:14:19,279

would would sort of be be dropped fairly

363

00:14:24,790 --> 00:14:21,600

quickly in this correspondence between

364

00:14:27,750 --> 00:14:24,800

light and lane we we sort of forget

365

00:14:28,550 --> 00:14:27,760

about the landing itself and talk about

366

00:14:31,430 --> 00:14:28,560

this

367

00:14:34,230 --> 00:14:31,440

the threat of a better red than dead

368

00:14:36,389 --> 00:14:34,240

campaign to dredge up that old phrase

369

00:14:39,590 --> 00:14:36,399

from the cold war that nuclear

370

00:14:43,189 --> 00:14:39,600

annihilation is a worse option than the

371

00:14:45,430 --> 00:14:43,199

communists winning but there is some

372

00:14:49,110 --> 00:14:45,440

some political stuff here that i was i

373

00:14:50,949 --> 00:14:49,120

was honestly uh honestly not expecting

374

00:14:53,350 --> 00:14:50,959

from here the book is going to go into

375

00:14:56,150 --> 00:14:53,360

some material about this with the

376

00:14:59,430 --> 00:14:56,160

channeled entities being uh being in

377

00:15:02,470 --> 00:14:59,440

communication with members of the bsra

378

00:15:04,790 --> 00:15:02,480

but before that i want to just give you

379

00:15:07,030 --> 00:15:04,800

a little taste of how some other saucer

380

00:15:09,910 --> 00:15:07,040

publications handled news of this there

381

00:15:12,230 --> 00:15:09,920

was a reference to the supposed edwards

382

00:15:15,269 --> 00:15:12,240

air force base landing in the very first

383

00:15:18,629 --> 00:15:15,279

issue of nexus jim mosley's first

384

00:15:20,550 --> 00:15:18,639

attempt at a flying saucer magazine or

385

00:15:22,310 --> 00:15:20,560

newsletter

386

00:15:24,150 --> 00:15:22,320

interesting of true department latest

387

00:15:26,150 --> 00:15:24,160

wild rumor from the coast is that five

388

00:15:27,829 --> 00:15:26,160

saucers landed voluntarily out there at

389

00:15:29,430 --> 00:15:27,839

an airbase and that the little men

390

00:15:31,670 --> 00:15:29,440

piloting them hung around long enough to

391

00:15:33,350 --> 00:15:31,680

be questioned by top brass the story

392

00:15:34,550 --> 00:15:33,360

goes on that ike made a secret visit to

393

00:15:37,030 --> 00:15:34,560

those gentlemen from space while

394

00:15:38,790 --> 00:15:37,040

supposedly vacationing at palm springs

395

00:15:40,470 --> 00:15:38,800

we can't say that we believe this one

396

00:15:42,150 --> 00:15:40,480

but lots of rumors lately all point to

397

00:15:44,069 --> 00:15:42,160

the fact that the government does know a

398

00:15:45,110 --> 00:15:44,079

whole lot more about saucers than

399

00:15:50,389 --> 00:15:45,120

they're telling

400

00:15:55,749 --> 00:15:52,790

seems to me to be a very sensible take

401
00:15:58,150 --> 00:15:55,759
on the entire topic from jim mosley as

402
00:16:00,230 --> 00:15:58,160
is to be expected we're big fans around

403
00:16:02,470 --> 00:16:00,240
here as most of you know

404
00:16:05,350 --> 00:16:02,480
so then the book flying saucers at

405
00:16:08,949 --> 00:16:05,360
edwards air force base 1954 goes into

406
00:16:11,670 --> 00:16:08,959
the channeling section which takes up a

407
00:16:14,310 --> 00:16:11,680
good three quarters of the book the

408
00:16:16,870 --> 00:16:14,320
first channel uh first being being

409
00:16:19,829 --> 00:16:16,880
channeled is ramon natalie

410
00:16:23,269 --> 00:16:19,839
and ramone goes into

411
00:16:25,509 --> 00:16:23,279
oh details about nuclear bombs and the

412
00:16:26,790 --> 00:16:25,519
hydrogen bomb and how it will mess up

413
00:16:28,150 --> 00:16:26,800

gravity and

414

00:16:29,670 --> 00:16:28,160

general

415

00:16:32,790 --> 00:16:29,680

sort of

416

00:16:35,269 --> 00:16:32,800

contact-ish kind of things and then mead

417

00:16:37,350 --> 00:16:35,279

lane who is there taking part in this i

418

00:16:41,509 --> 00:16:37,360

almost said seance in this channeling

419

00:16:43,509 --> 00:16:41,519

session asks about the issue of

420

00:16:46,069 --> 00:16:43,519

edwards air force base which is near

421

00:16:47,749 --> 00:16:46,079

murak dry lake bed so sometimes what

422

00:16:49,829 --> 00:16:47,759

you'll see in stories like this is that

423

00:16:52,069 --> 00:16:49,839

edwards and murak get used

424

00:16:54,310 --> 00:16:52,079

interchangeably but it was officially

425

00:16:56,310 --> 00:16:54,320

edwards air force base by this point

426

00:16:58,470 --> 00:16:56,320

even if people didn't necessarily call

427

00:17:01,509 --> 00:16:58,480

it that and another thing i should

428

00:17:03,590 --> 00:17:01,519

mention is that we did get secret

429

00:17:06,789 --> 00:17:03,600

recordings of these channeling sessions

430

00:17:09,669 --> 00:17:06,799

but the channeled audio is a little

431

00:17:13,110 --> 00:17:09,679

weird and glitchy and etheric as befits

432

00:17:14,870 --> 00:17:13,120

ethereans so we are aware of the um of

433

00:17:17,750 --> 00:17:14,880

the of the

434

00:17:19,829 --> 00:17:17,760

effect that it seems to have and we did

435

00:17:21,829 --> 00:17:19,839

our best to clean it up but we did

436

00:17:24,230 --> 00:17:21,839

receive these recordings in a

437

00:17:27,750 --> 00:17:24,240

nondescript box from a man wearing all

438

00:17:29,270 --> 00:17:27,760

black who called himself

439

00:17:31,430 --> 00:17:29,280

he didn't call himself anything actually

440

00:17:33,750 --> 00:17:31,440

it was very strange

441

00:17:35,270 --> 00:17:33,760

have you been present at murak lately we

442

00:17:37,270 --> 00:17:35,280

have been there many times and have

443

00:17:38,950 --> 00:17:37,280

known what was going on there several

444

00:17:40,630 --> 00:17:38,960

months ago there were certain things we

445

00:17:42,310 --> 00:17:40,640

had to say to you but conditions could

446

00:17:44,390 --> 00:17:42,320

not be arranged so we could get together

447

00:17:46,390 --> 00:17:44,400

however it was better sound and i'm of

448

00:17:47,990 --> 00:17:46,400

the opinion and i know all of us in the

449

00:17:49,990 --> 00:17:48,000

inner circle are of the same opinion

450

00:17:51,909 --> 00:17:50,000

that it would be wiser not to put any of

451
00:17:53,669 --> 00:17:51,919
this out to the public

452
00:17:56,230 --> 00:17:53,679
that includes what is in dr light's

453
00:17:58,070 --> 00:17:56,240
letter that is what i am saying

454
00:18:00,549 --> 00:17:58,080
i believe dr light is intending to

455
00:18:02,230 --> 00:18:00,559
publish in some form a statement not all

456
00:18:04,070 --> 00:18:02,240
of it was in that letter which i read

457
00:18:07,190 --> 00:18:04,080
which perhaps you heard but there are

458
00:18:09,190 --> 00:18:07,200
some portions of it at any rate

459
00:18:10,870 --> 00:18:09,200
i would suggest that you and he arrive

460
00:18:13,350 --> 00:18:10,880
at what you think is possible to certain

461
00:18:14,950 --> 00:18:13,360
individuals and that will be enough

462
00:18:17,270 --> 00:18:14,960
of course it's quite plain that what has

463
00:18:19,029 --> 00:18:17,280

taken place at murak will leak out

464

00:18:21,350 --> 00:18:19,039

it is better sir than it leaks out

465

00:18:22,870 --> 00:18:21,360

through somebody else

466

00:18:25,350 --> 00:18:22,880

what leaks out is almost certain to be

467

00:18:28,310 --> 00:18:25,360

distorted misunderstood that is also to

468

00:18:30,230 --> 00:18:28,320

be reckoned with that is correct i agree

469

00:18:32,470 --> 00:18:30,240

but if you do give out this thing these

470

00:18:34,549 --> 00:18:32,480

writings of good dr light it would be

471

00:18:35,909 --> 00:18:34,559

better that you send them only to a very

472

00:18:37,669 --> 00:18:35,919

chosen view

473

00:18:39,350 --> 00:18:37,679

that was my intention if we printed

474

00:18:41,270 --> 00:18:39,360

anything at all after consultation with

475

00:18:43,190 --> 00:18:41,280

dr light we would send it only to

476
00:18:45,029 --> 00:18:43,200
members of our group our associates and

477
00:18:47,430 --> 00:18:45,039
particularly those who we consider

478
00:18:54,230 --> 00:18:47,440
responsible and i am suggesting that one

479
00:18:58,470 --> 00:18:55,750
so you've got to be really careful you

480
00:19:00,390 --> 00:18:58,480
tell about this but if you tell anybody

481
00:19:02,789 --> 00:19:00,400
one of the people has to be desmond

482
00:19:04,789 --> 00:19:02,799
leslie which presumably is how desmond

483
00:19:06,390 --> 00:19:04,799
leslie got the information to tell

484
00:19:07,909 --> 00:19:06,400
george hunt williamson

485
00:19:11,830 --> 00:19:07,919
in valor

486
00:19:13,669 --> 00:19:11,840
magazine so i guess they were okay with

487
00:19:16,470 --> 00:19:13,679
telling a bunch of uh spiritualist

488
00:19:19,510 --> 00:19:16,480

fascists who read soulcraft publications

489

00:19:21,510 --> 00:19:19,520

about what happened mead also asks ramon

490

00:19:24,390 --> 00:19:21,520

whether or not he thinks eisenhower is

491

00:19:26,470 --> 00:19:24,400

sincere in his attempts to do what he's

492

00:19:27,830 --> 00:19:26,480

trying to do and what kinds of pressure

493

00:19:30,230 --> 00:19:27,840

might be

494

00:19:34,150 --> 00:19:30,240

exerted on the president during this

495

00:19:35,830 --> 00:19:34,160

very crucial time in human history

496

00:19:37,510 --> 00:19:35,840

this man like all men of his kind in

497

00:19:39,190 --> 00:19:37,520

your high government positions is the

498

00:19:41,510 --> 00:19:39,200

leader or as a symbol of such in your

499

00:19:43,909 --> 00:19:41,520

country they are always under pressure

500

00:19:45,909 --> 00:19:43,919

they cannot act alone back of him in the

501
00:19:48,470 --> 00:19:45,919
shadows stands such individuals as

502
00:19:49,830 --> 00:19:48,480
bernard baruch and next a high roman

503
00:19:52,150 --> 00:19:49,840
catholic church

504
00:19:53,510 --> 00:19:52,160
these are the two main forces next in

505
00:19:55,480 --> 00:19:53,520
line are the powerful dictators of

506
00:19:57,350 --> 00:19:55,490
communism

507
00:19:59,909 --> 00:19:57,360
[Music]

508
00:20:03,669 --> 00:19:59,919
so now we're getting into some fairly

509
00:20:06,230 --> 00:20:03,679
deep conspiratorial waters of the 1950s

510
00:20:08,470 --> 00:20:06,240
we've got anti-catholic

511
00:20:11,430 --> 00:20:08,480
conspiracy we've got the powerful

512
00:20:14,390 --> 00:20:11,440
dictators of communism but um sort of

513
00:20:17,270 --> 00:20:14,400

head of the class is bernard baruch and

514

00:20:19,190 --> 00:20:17,280

bernard barrack was an advisor to

515

00:20:21,750 --> 00:20:19,200

president franklin d roosevelt during

516

00:20:25,510 --> 00:20:21,760

the 1930s he was a powerful figure in

517

00:20:28,789 --> 00:20:25,520

finance and politics and he was jewish

518

00:20:32,230 --> 00:20:28,799

so we've and usually in the 1950s 40s

519

00:20:34,230 --> 00:20:32,240

and 50s you see burrick's name being

520

00:20:36,310 --> 00:20:34,240

attached to various shadowy

521

00:20:37,990 --> 00:20:36,320

international finance conspiracy

522

00:20:39,750 --> 00:20:38,000

theories so

523

00:20:43,110 --> 00:20:39,760

yeah we can kind of lump some of the

524

00:20:46,310 --> 00:20:43,120

bsra stuff in with this political

525

00:20:48,390 --> 00:20:46,320

conspiracy system conspiracism

526

00:20:51,029 --> 00:20:48,400

conspiracism is the word

527

00:20:52,789 --> 00:20:51,039

i'm looking for so that was a surprise

528

00:20:55,430 --> 00:20:52,799

to me because i didn't pick up a lot of

529

00:20:58,070 --> 00:20:55,440

that in the stuff i looked at for our

530

00:21:01,350 --> 00:20:58,080

previous episode about these folks now

531

00:21:03,830 --> 00:21:01,360

the next question lane has for ramon is

532

00:21:06,470 --> 00:21:03,840

whether or not communism will in fact

533

00:21:08,390 --> 00:21:06,480

take over as an alternative to the utter

534

00:21:09,990 --> 00:21:08,400

destruction of humankind through atomic

535

00:21:11,990 --> 00:21:10,000

horror

536

00:21:13,830 --> 00:21:12,000

there will be no such thing under no

537

00:21:15,909 --> 00:21:13,840

circumstances will this take place it

538

00:21:17,510 --> 00:21:15,919

will be russia that must go down and i

539

00:21:19,750 --> 00:21:17,520

do not mean the russian people i mean

540

00:21:22,149 --> 00:21:19,760

the communistic regime this is a deadly

541

00:21:23,430 --> 00:21:22,159

force to the individual's existence but

542

00:21:26,710 --> 00:21:23,440

so is catholicism

543

00:21:28,230 --> 00:21:26,720

[Music]

544

00:21:30,870 --> 00:21:28,240

the communists are bad but so are the

545

00:21:32,870 --> 00:21:30,880

catholics right so it's

546

00:21:35,230 --> 00:21:32,880

it's tempting to sort of sort of

547

00:21:36,870 --> 00:21:35,240

historically look at this and say well

548

00:21:39,909 --> 00:21:36,880

anti-communism

549

00:21:41,830 --> 00:21:39,919

and anti-catholicism do those go

550

00:21:43,870 --> 00:21:41,840

together or not because the roman

551

00:21:47,350 --> 00:21:43,880

catholic church was fairly

552

00:21:49,270 --> 00:21:47,360

anti-communist during the 20th century

553

00:21:52,149 --> 00:21:49,280

on the other hand american right-wing

554

00:21:54,710 --> 00:21:52,159

elements were opposed to both

555

00:21:56,950 --> 00:21:54,720

catholicism and communism so there are

556

00:21:59,990 --> 00:21:56,960

there's a ven there are various venn

557

00:22:02,870 --> 00:22:00,000

diagrams overlapping here

558

00:22:05,350 --> 00:22:02,880

also in the prognostication and prophecy

559

00:22:06,710 --> 00:22:05,360

category lane has a question about

560

00:22:08,710 --> 00:22:06,720

whether or not

561

00:22:10,789 --> 00:22:08,720

things are going to go wrong in

562

00:22:12,710 --> 00:22:10,799

southeast asia

563

00:22:15,990 --> 00:22:12,720

do you foresee are being drawn into the

564

00:22:17,909 --> 00:22:16,000

indo-chinese conflict armed intervention

565

00:22:18,950 --> 00:22:17,919

no not armed intervention that's what i

566

00:22:20,710 --> 00:22:18,960

do

567

00:22:22,630 --> 00:22:20,720

i see great supplies and occasional

568

00:22:24,870 --> 00:22:22,640

individuals advisors and those who are

569

00:22:27,590 --> 00:22:24,880

adventurers joining up but as for your

570

00:22:30,230 --> 00:22:27,600

country sending troops and such no not

571

00:22:32,630 --> 00:22:30,240

unless china and russia join forces

572

00:22:34,549 --> 00:22:32,640

that's not too likely though is it no it

573

00:22:35,990 --> 00:22:34,559

is not because the chinese communism is

574

00:22:37,990 --> 00:22:36,000

not on the same level as russian

575

00:22:39,590 --> 00:22:38,000

communism and whether the western world

576

00:22:41,430 --> 00:22:39,600

makes these facts known or not as of

577

00:22:42,789 --> 00:22:41,440

little difference before the tsars and

578

00:22:44,549 --> 00:22:42,799

priests of the russian churches were

579

00:22:47,110 --> 00:22:44,559

thrown out the russian people lived in

580

00:22:48,950 --> 00:22:47,120

total slavery communism as a government

581

00:22:50,390 --> 00:22:48,960

has brought great relief to the masses

582

00:22:51,750 --> 00:22:50,400

though it has also meant a great deal of

583

00:22:54,230 --> 00:22:51,760

pressure to the individual's way of

584

00:22:56,310 --> 00:22:54,240

growth remember the russian people are

585

00:22:58,789 --> 00:22:56,320

almost entirely illiterate in those past

586

00:23:00,870 --> 00:22:58,799

times now are largely educated at least

587

00:23:02,950 --> 00:23:00,880

academically sound the modes of action

588

00:23:04,710 --> 00:23:02,960

of the individual are greatly impeded

589

00:23:06,630 --> 00:23:04,720

but its economic way of life is far

590

00:23:08,950 --> 00:23:06,640

superior to what it was under the iron

591

00:23:12,280 --> 00:23:08,960

rule of tsarism and the russian orthodox

592

00:23:17,590 --> 00:23:14,870

[Music]

593

00:23:19,270 --> 00:23:17,600

so that one didn't age well the united

594

00:23:21,510 --> 00:23:19,280

states would be drawn into armed

595

00:23:24,310 --> 00:23:21,520

conflict in southeast asia today we call

596

00:23:27,590 --> 00:23:24,320

it the vietnam war but regardless of

597

00:23:29,909 --> 00:23:27,600

what it's called ramon natalie did not

598

00:23:32,630 --> 00:23:29,919

uh did not foresee that so here's the

599

00:23:35,590 --> 00:23:32,640

big question are we gonna find out about

600

00:23:37,029 --> 00:23:35,600

the aliens or ethereans or whatever you

601
00:23:38,870 --> 00:23:37,039
want to call them

602
00:23:40,390 --> 00:23:38,880
is president eisenhower at the moment

603
00:23:41,990 --> 00:23:40,400
planning to release information about

604
00:23:44,789 --> 00:23:42,000
the arrival of the ethereans in the

605
00:23:46,950 --> 00:23:44,799
coming months he is but in doing so

606
00:23:48,390 --> 00:23:46,960
providing pressure is not put upon it he

607
00:23:50,390 --> 00:23:48,400
will have to be very careful how he

608
00:23:52,149 --> 00:23:50,400
words his thoughts otherwise you'll have

609
00:23:54,149 --> 00:23:52,159
widespread panic

610
00:23:55,830 --> 00:23:54,159
i just wanted to ask if his so-called

611
00:23:57,269 --> 00:23:55,840
rulers would allow him to express

612
00:23:58,470 --> 00:23:57,279
himself as freely as he thought

613
00:23:59,909 --> 00:23:58,480

advisable

614

00:24:04,950 --> 00:23:59,919

this will be up to him

615

00:24:08,870 --> 00:24:07,430

so as we know from studying contacty

616

00:24:10,870 --> 00:24:08,880

stuff for the last

617

00:24:12,149 --> 00:24:10,880

gosh almost five years here on the

618

00:24:14,230 --> 00:24:12,159

saucer life

619

00:24:16,230 --> 00:24:14,240

sometimes the space brothers or the

620

00:24:18,870 --> 00:24:16,240

aetherians or the aliens whoever have

621

00:24:21,830 --> 00:24:18,880

some wisdom for us what are the odds

622

00:24:23,350 --> 00:24:21,840

that people in charge would heed that

623

00:24:25,029 --> 00:24:23,360

wisdom

624

00:24:26,630 --> 00:24:25,039

is it your opinion that our governmental

625

00:24:28,310 --> 00:24:26,640

authorities and also the great ones in

626

00:24:30,149 --> 00:24:28,320

the world of science will conform to

627

00:24:31,830 --> 00:24:30,159

ideas and restrictions suggested or

628

00:24:33,190 --> 00:24:31,840

urged on them or commanded by the

629

00:24:34,470 --> 00:24:33,200

aetherians

630

00:24:36,470 --> 00:24:34,480

yes they will

631

00:24:38,310 --> 00:24:36,480

so that research on the high explosives

632

00:24:39,110 --> 00:24:38,320

will at least have some limit put upon

633

00:24:40,870 --> 00:24:39,120

them

634

00:24:42,630 --> 00:24:40,880

yes i do but in order to do this

635

00:24:44,390 --> 00:24:42,640

catholicism will have to be taken in

636

00:24:46,870 --> 00:24:44,400

hand it will have to cease as a

637

00:24:48,950 --> 00:24:46,880

threatening faction against communism

638

00:24:50,149 --> 00:24:48,960

i don't understand natalie what we'll

639

00:24:53,510 --> 00:24:50,159

have to cease

640

00:24:55,669 --> 00:24:53,520

constant threatening faction against

641

00:24:57,990 --> 00:24:55,679

communism before any real lasting peace

642

00:24:59,909 --> 00:24:58,000

can be made catholicism acts as a

643

00:25:01,909 --> 00:24:59,919

constant irritant and will not let the

644

00:25:03,510 --> 00:25:01,919

political leaders bring peace

645

00:25:05,430 --> 00:25:03,520

do you think there is any power able to

646

00:25:07,669 --> 00:25:05,440

enforce that upon the catholic hierarchy

647

00:25:09,269 --> 00:25:07,679

without extreme violence it is in the

648

00:25:10,870 --> 00:25:09,279

scheme of things that certain measures

649

00:25:13,029 --> 00:25:10,880

will be taken by the aetherius to

650

00:25:15,269 --> 00:25:13,039

disseminate the ideas of catholicism

651
00:25:17,750 --> 00:25:15,279
being the only godly force on earth and

652
00:25:20,310 --> 00:25:17,760
then destroy the teachings in using the

653
00:25:22,470 --> 00:25:20,320
word disseminate you mean nullifying or

654
00:25:28,390 --> 00:25:22,480
scattering the catholic dogma

655
00:25:34,470 --> 00:25:32,870
and that's the end of the ramon natalie

656
00:25:35,909 --> 00:25:34,480
part of this also that's not what

657
00:25:37,909 --> 00:25:35,919
disseminate means but i think it's

658
00:25:42,310 --> 00:25:37,919
interesting that we do have this thread

659
00:25:44,070 --> 00:25:42,320
of anti-catholicism that emerges in this

660
00:25:45,350 --> 00:25:44,080
channeled information that's going to

661
00:25:48,230 --> 00:25:45,360
expand

662
00:25:51,029 --> 00:25:48,240
from catholicism to christianity more

663
00:25:52,230 --> 00:25:51,039

broadly when we come back from the break

664

00:25:55,029 --> 00:25:52,240

and the

665

00:25:57,750 --> 00:25:55,039

ramon natalie control is replaced by the

666

00:25:59,190 --> 00:25:57,760

yada di shiite who is a different sort

667

00:26:01,669 --> 00:25:59,200

of character

668

00:26:03,990 --> 00:26:01,679

and then we're going to look at how this

669

00:26:06,549 --> 00:26:04,000

eisenhower some snapshots of how the

670

00:26:08,789 --> 00:26:06,559

eisenhower edwards air force thing

671

00:26:11,029 --> 00:26:08,799

edwards air force base thing rather

672

00:26:12,470 --> 00:26:11,039

developed over the years we'll be right

673

00:26:20,230 --> 00:26:12,480

back

674

00:26:22,630 --> 00:26:20,240

questions and comments about this

675

00:26:25,750 --> 00:26:22,640

episode and then on the next regular

676

00:26:28,710 --> 00:26:25,760

episode i'm not sure yet i've got a

677

00:26:32,149 --> 00:26:28,720

couple options i think we're going to be

678

00:26:35,830 --> 00:26:32,159

looking at bill moore's speech

679

00:26:38,149 --> 00:26:35,840

at the mufon conference in 1989.

680

00:26:40,390 --> 00:26:38,159

somebody threw it up online saying just

681

00:26:41,750 --> 00:26:40,400

discovered the the text of the speech

682

00:26:43,430 --> 00:26:41,760

from the mufon newsletter and i'm

683

00:26:46,070 --> 00:26:43,440

sitting here looking at my hard drive

684

00:26:48,310 --> 00:26:46,080

seeing my pdfs of it from like 10 years

685

00:26:50,230 --> 00:26:48,320

ago and thinking is this new but i also

686

00:26:53,110 --> 00:26:50,240

have the the audio of it it's a fun

687

00:26:55,510 --> 00:26:53,120

story yeah i've decided i think we are

688

00:26:58,630 --> 00:26:55,520

going to be doing that one now when that

689

00:27:01,669 --> 00:26:58,640

next episode will appear is going to be

690

00:27:04,310 --> 00:27:01,679

a bit later than usual june is very

691

00:27:06,070 --> 00:27:04,320

packed and so we here at chizomedia are

692

00:27:07,350 --> 00:27:06,080

readjusting schedules and reshuffling

693

00:27:09,909 --> 00:27:07,360

and doing some planning we haven't had a

694

00:27:11,269 --> 00:27:09,919

break in a while so um it's sort of our

695

00:27:13,750 --> 00:27:11,279

mid-year break as opposed to our

696

00:27:17,430 --> 00:27:13,760

year-end break so next week questions

697

00:27:19,269 --> 00:27:17,440

and comments and then probably a week

698

00:27:21,830 --> 00:27:19,279

off there's gonna be something coming in

699

00:27:23,669 --> 00:27:21,840

the feed i'm not sure what it is but

700

00:27:25,990 --> 00:27:23,679

it's not going to be one of our regular

701
00:27:28,149 --> 00:27:26,000
episodes and then back on the regular

702
00:27:29,669 --> 00:27:28,159
schedule after that

703
00:27:31,590 --> 00:27:29,679
if you like the saucer life and want

704
00:27:34,470 --> 00:27:31,600
more you can support us in exchange for

michigan

723

00:28:20,040 --> 00:28:17,360

484-80 and now let's get back to the

724

00:28:24,630 --> 00:28:20,050

yada di shiite

725

00:28:30,870 --> 00:28:27,590

so the yada dashite really has almost

726

00:28:33,110 --> 00:28:30,880

nothing to say about the murak edwards

727

00:28:35,669 --> 00:28:33,120

air force base thing but we've got some

728

00:28:39,029 --> 00:28:35,679

interesting information about communism

729

00:28:42,230 --> 00:28:39,039

and the political machinations of

730

00:28:45,590 --> 00:28:42,240

the planet and this is just i don't know

731

00:28:47,190 --> 00:28:45,600

how many times i can say this i was not

732

00:28:48,630 --> 00:28:47,200

expecting this and don't worry we're

733

00:28:50,549 --> 00:28:48,640

going to get back to eisenhower and

734

00:28:52,950 --> 00:28:50,559

edwards air force base and things like

735

00:28:54,710 --> 00:28:52,960

that again but yeah not expecting this

736

00:28:56,070 --> 00:28:54,720

at all

737

00:28:58,149 --> 00:28:56,080

there is a great strain between

738

00:28:59,830 --> 00:28:58,159

communism and the democracies but this

739

00:29:01,430 --> 00:28:59,840

is because the political factions that

740

00:29:03,269 --> 00:29:01,440

exist do not want the russian way of

741

00:29:05,269 --> 00:29:03,279

life to be at all associated with those

742

00:29:07,510 --> 00:29:05,279

of the democratic way because this will

743

00:29:09,430 --> 00:29:07,520

lead to free thinking and free thinking

744

00:29:10,630 --> 00:29:09,440

becomes a danger to those of you who

745

00:29:11,990 --> 00:29:10,640

rule you

746

00:29:14,950 --> 00:29:12,000

we have the inner circle have no

747

00:29:17,590 --> 00:29:14,960

feelings about isms communism democracy

748

00:29:19,430 --> 00:29:17,600

socialism fascism they're all isms and

749

00:29:22,310 --> 00:29:19,440

they're not worth a damn there's only

750

00:29:24,149 --> 00:29:22,320

one and only one that is worthwhile for

751

00:29:26,789 --> 00:29:24,159

man's growth and that is the ism of

752

00:29:29,110 --> 00:29:26,799

understanding of love which gives the

753

00:29:31,110 --> 00:29:29,120

whole human race a chance to grow

754

00:29:33,590 --> 00:29:31,120

christianity has never given anything to

755

00:29:35,669 --> 00:29:33,600

the people as it is it has caused more

756

00:29:38,230 --> 00:29:35,679

war more bloodshed than anything else we

757

00:29:40,070 --> 00:29:38,240

know of if it were not for catholicism

758

00:29:45,830 --> 00:29:40,080

communism and the democracies could get

759

00:29:52,870 --> 00:29:49,269

so once again catholicism is the problem

760

00:29:56,470 --> 00:29:52,880

but communism is bad too but not as bad

761

00:30:01,029 --> 00:29:56,480

as not just catholicism but

762

00:30:03,510 --> 00:30:01,039

everything associated with catholicism

763

00:30:05,669 --> 00:30:03,520

communism one can get over it is a mild

764

00:30:07,909 --> 00:30:05,679

ailment but catholicism in the whole

765

00:30:09,350 --> 00:30:07,919

christian religion as it is and has been

766

00:30:11,590 --> 00:30:09,360

for several hundreds and hundreds of

767

00:30:13,350 --> 00:30:11,600

years is a very deadly disease eating

768

00:30:15,990 --> 00:30:13,360

like cancer the brain and controlling

769

00:30:19,080 --> 00:30:16,000

the mind there is no escape from it even

770

00:30:22,549 --> 00:30:19,090

into the what you call death state

771

00:30:23,750 --> 00:30:22,559

[Music]

772

00:30:26,230 --> 00:30:23,760

the anti-catholicism and

773

00:30:28,710 --> 00:30:26,240

anti-christianity seems a little a

774

00:30:31,669 --> 00:30:28,720

little extreme compared to some contact

775

00:30:34,230 --> 00:30:31,679

east stuff but it does kind of seem in

776

00:30:36,710 --> 00:30:34,240

line with some of the more politically

777

00:30:39,269 --> 00:30:36,720

extreme spiritualism that we've seen

778

00:30:42,310 --> 00:30:39,279

especially from william dudley pele who

779

00:30:45,269 --> 00:30:42,320

of course claimed a christian viewpoint

780

00:30:48,149 --> 00:30:45,279

but developed a spiritual tradition that

781

00:30:50,389 --> 00:30:48,159

bore only a slight sort of passing

782

00:30:53,190 --> 00:30:50,399

resemblance to christianity and sort of

783

00:30:55,110 --> 00:30:53,200

round out our coverage of the yada di

784

00:30:56,950 --> 00:30:55,120

shiite we've got we've had the

785

00:31:00,070 --> 00:30:56,960

anti-catholicism we had the

786

00:31:03,909 --> 00:31:00,080

anti-communism now let's have a little

787

00:31:07,029 --> 00:31:03,919

bit of anti-semitism cloaked in concern

788

00:31:08,549 --> 00:31:07,039

about the arab-israeli conflict

789

00:31:10,310 --> 00:31:08,559

we read much of the arab trouble with

790

00:31:12,070 --> 00:31:10,320

the jews and of course our papers over

791

00:31:13,909 --> 00:31:12,080

here aren't allowed to give us the arab

792

00:31:15,909 --> 00:31:13,919

side of it only the jewish side because

793

00:31:17,990 --> 00:31:15,919

of the power money and advertising such

794

00:31:19,430 --> 00:31:18,000

as you know what is the actual condition

795

00:31:20,630 --> 00:31:19,440

over there as far as the troubles are

796

00:31:22,470 --> 00:31:20,640

concerned

797

00:31:24,230 --> 00:31:22,480

very bad because the jewish people want

798

00:31:26,789 --> 00:31:24,240

to spread out and possess as much land

799

00:31:28,470 --> 00:31:26,799

as possible they want full control they

800

00:31:30,789 --> 00:31:28,480

feel strong now because they do have a

801

00:31:32,389 --> 00:31:30,799

foothold in the holy land so called it

802

00:31:33,830 --> 00:31:32,399

was predicted in your christian bible

803

00:31:34,630 --> 00:31:33,840

that they would return to the holy land

804

00:31:36,950 --> 00:31:34,640

huh

805

00:31:38,870 --> 00:31:36,960

times have changed reason and purposes

806

00:31:41,029 --> 00:31:38,880

each race of people desires to dominate

807

00:31:42,549 --> 00:31:41,039

other races of people the jewish people

808

00:31:44,549 --> 00:31:42,559

and the arabs have been enemies since

809

00:31:46,070 --> 00:31:44,559

time that i can remember when they came

810

00:31:48,149 --> 00:31:46,080

down out of the himalaya mountains the

811

00:31:49,509 --> 00:31:48,159

jewish people or the black people the

812

00:31:51,669 --> 00:31:49,519

crimes they committed everywhere they

813

00:31:53,190 --> 00:31:51,679

went were of an atrocious nature they

814

00:31:54,870 --> 00:31:53,200

attempted to rule by force and

815

00:31:56,470 --> 00:31:54,880

enslavement that is why they were

816

00:31:58,870 --> 00:31:56,480

enslaved when they attempted to attack

817

00:32:00,230 --> 00:31:58,880

and enslaved the babylonians everywhere

818

00:32:01,990 --> 00:32:00,240

they went they have caused terrible

819

00:32:03,750 --> 00:32:02,000

suffering for they have no belief in a

820

00:32:05,830 --> 00:32:03,760

higher self though the rulers in the

821

00:32:07,830 --> 00:32:05,840

beginning such men as moises tried to

822

00:32:09,669 --> 00:32:07,840

bring them this idea the thought lasted

823

00:32:11,830 --> 00:32:09,679

for a period of time and they held them

824

00:32:14,389 --> 00:32:11,840

under some control but it is not there

825

00:32:16,549 --> 00:32:14,399

anymore they have no belief in survival

826

00:32:18,549 --> 00:32:16,559

therefore they will have no reason to do

827

00:32:20,070 --> 00:32:18,559

anything to better their condition there

828

00:32:22,230 --> 00:32:20,080

will be much trouble yet between the

829

00:32:24,230 --> 00:32:22,240

jewish people and the arabs india must

830

00:32:26,710 --> 00:32:24,240

lose a great number of her people if she

831

00:32:28,789 --> 00:32:26,720

expects to survive as a nation

832

00:32:30,070 --> 00:32:28,799

she can't feed as many as she has is

833

00:32:32,470 --> 00:32:30,080

that right

834

00:32:33,669 --> 00:32:32,480

that is right nor can the world continue

835

00:32:35,669 --> 00:32:33,679

to feed her

836

00:32:37,509 --> 00:32:35,679

this is also true of china

837

00:32:39,190 --> 00:32:37,519

i thought you had said here quite some

838

00:32:40,789 --> 00:32:39,200

time ago though that great numbers of

839

00:32:43,669 --> 00:32:40,799

the chinese and the indians would be

840

00:32:45,350 --> 00:32:43,679

annihilated they still will this must

841

00:32:47,029 --> 00:32:45,360

take place if these nations expect to

842

00:32:49,990 --> 00:32:47,039

come back but i do not see them coming

843

00:32:54,389 --> 00:32:50,000

back i see these nations dying more and

844

00:32:58,870 --> 00:32:56,789

now i'm in the loop on most anti-semitic

845

00:33:01,590 --> 00:32:58,880

conspiracy theories and sort of bad

846

00:33:03,909 --> 00:33:01,600

historical takes on things but this is

847

00:33:06,149 --> 00:33:03,919

the the first time i think that i've

848

00:33:09,909 --> 00:33:06,159

heard that the uh the babylonian

849

00:33:11,909 --> 00:33:09,919

captivity was the result of the ancient

850

00:33:13,909 --> 00:33:11,919

israelites attempting to attack the

851
00:33:14,710 --> 00:33:13,919
babylonians um

852
00:33:19,110 --> 00:33:14,720
i'm

853
00:33:21,669 --> 00:33:19,120
if it was a sort of war that led the

854
00:33:23,350 --> 00:33:21,679
enslavement i don't know it

855
00:33:25,350 --> 00:33:23,360
that strikes me as

856
00:33:27,909 --> 00:33:25,360
as kind of uh as kind of wrong but

857
00:33:30,789 --> 00:33:27,919
that's the the yad de shiites point of

858
00:33:32,549 --> 00:33:30,799
view of these things and again nothing

859
00:33:35,430 --> 00:33:32,559
in his portion of the channeling about

860
00:33:36,870 --> 00:33:35,440
eisenhower and edwards air force base so

861
00:33:38,470 --> 00:33:36,880
why did i go into this political stuff

862
00:33:40,950 --> 00:33:38,480
why didn't i just end it with gerald

863
00:33:43,190 --> 00:33:40,960

light's letters because this you know

864

00:33:44,870 --> 00:33:43,200

and i might have not have done it this

865

00:33:47,590 --> 00:33:44,880

way if we hadn't already covered william

866

00:33:50,789 --> 00:33:47,600

dudley pally and and sort of teasing out

867

00:33:53,590 --> 00:33:50,799

these um more politically conspiratorial

868

00:33:56,310 --> 00:33:53,600

and um you know anti-semitic and

869

00:33:58,950 --> 00:33:56,320

anti-communist and this sort of strand

870

00:34:02,230 --> 00:33:58,960

of conspiratorial thought that has some

871

00:34:04,870 --> 00:34:02,240

crossover with the ufo

872

00:34:06,950 --> 00:34:04,880

field and the bsra folks are kind of

873

00:34:09,349 --> 00:34:06,960

tangential to the ufo field again we've

874

00:34:13,270 --> 00:34:09,359

got we got like many different venn

875

00:34:16,710 --> 00:34:13,280

diagrams going on but um an interesting

876

00:34:19,909 --> 00:34:16,720

angle i think so the mead lane letter

877

00:34:22,389 --> 00:34:19,919

story sort of percolates and and simmers

878

00:34:25,190 --> 00:34:22,399

in various ufo books during the 1950s

879

00:34:27,589 --> 00:34:25,200

and 1960s and even into the 1970s

880

00:34:29,510 --> 00:34:27,599

usually just presented as a did this

881

00:34:30,710 --> 00:34:29,520

happen we don't really know

882

00:34:31,589 --> 00:34:30,720

sort of thing

883

00:34:35,829 --> 00:34:31,599

but

884

00:34:38,710 --> 00:34:35,839

then in the late 1970s or 1980 actually

885

00:34:41,589 --> 00:34:38,720

in a book about the roswell incident by

886

00:34:43,349 --> 00:34:41,599

bill moore and charles burlitz we get

887

00:34:45,990 --> 00:34:43,359

the mead lane gerald light

888

00:34:49,190 --> 00:34:46,000

correspondence dredged up again

889

00:34:52,389 --> 00:34:49,200

and connected to the supposed crash at

890

00:34:55,669 --> 00:34:52,399

roswell and the collection of the alien

891

00:34:58,710 --> 00:34:55,679

bodies and the crashed craft so we we've

892

00:35:02,710 --> 00:34:58,720

got some venn diagrams overlapping again

893

00:35:04,710 --> 00:35:02,720

this story from the 50s and this new ufo

894

00:35:07,670 --> 00:35:04,720

mythology that is taking shape in the

895

00:35:08,630 --> 00:35:07,680

late 70s and 1980s and will dominate

896

00:35:09,670 --> 00:35:08,640

things

897

00:35:12,870 --> 00:35:09,680

into

898

00:35:15,030 --> 00:35:12,880

the 21st century

899

00:35:16,630 --> 00:35:15,040

eisenhower however eventually learned of

900

00:35:19,190 --> 00:35:16,640

the rumors of the allegedly crashed

901
00:35:21,349 --> 00:35:19,200
saucer and proceeded to take some action

902
00:35:23,430 --> 00:35:21,359
not surprisingly according to sources as

903
00:35:25,190 --> 00:35:23,440
close to the topic as we can get he

904
00:35:26,630 --> 00:35:25,200
repeatedly encountered a split within

905
00:35:28,550 --> 00:35:26,640
the military establishment on this

906
00:35:30,710 --> 00:35:28,560
matter we can imagine the reasoning

907
00:35:32,310 --> 00:35:30,720
among opponents of declassification it

908
00:35:34,150 --> 00:35:32,320
would be advisable to keep the saucer

909
00:35:35,670 --> 00:35:34,160
incident silent it is supremely

910
00:35:37,510 --> 00:35:35,680
important not just for scientific

911
00:35:39,589 --> 00:35:37,520
interests in extraterrestrials but for

912
00:35:41,510 --> 00:35:39,599
national security any nation that could

913
00:35:43,270 --> 00:35:41,520

figure out how the disks operated and

914

00:35:44,470 --> 00:35:43,280

could duplicate their maneuverability

915

00:35:46,630 --> 00:35:44,480

would have a missile defense and

916

00:35:48,550 --> 00:35:46,640

delivery system inestimably in advance

917

00:35:50,630 --> 00:35:48,560

of the systems presently developed or

918

00:35:52,470 --> 00:35:50,640

even logically contemplated and would

919

00:35:56,950 --> 00:35:52,480

therefore be in a position to control

920

00:35:59,990 --> 00:35:58,630

so we're getting elements of what is

921

00:36:03,030 --> 00:36:00,000

going to be

922

00:36:05,270 --> 00:36:03,040

the developing conspiracy theory about

923

00:36:06,630 --> 00:36:05,280

ufos and the government in the 1950s

924

00:36:08,390 --> 00:36:06,640

that eisenhower knew something

925

00:36:09,910 --> 00:36:08,400

eisenhower might have seen something but

926
00:36:11,430 --> 00:36:09,920
there is a split between different

927
00:36:13,670 --> 00:36:11,440
factions of the military and

928
00:36:16,230 --> 00:36:13,680
intelligence worlds that want

929
00:36:19,510 --> 00:36:16,240
different things different levels

930
00:36:21,829 --> 00:36:19,520
of cover-up or disclosure or things

931
00:36:24,390 --> 00:36:21,839
along those lines burlitz and more go

932
00:36:26,470 --> 00:36:24,400
into detail with extensive quotations

933
00:36:30,230 --> 00:36:26,480
from gerald light's letter and then

934
00:36:32,150 --> 00:36:30,240
discuss its startling implications

935
00:36:33,750 --> 00:36:32,160
assuming that this letter is not a hoax

936
00:36:35,589 --> 00:36:33,760
there are several key points which seem

937
00:36:37,190 --> 00:36:35,599
to emerge as one examines it not the

938
00:36:39,030 --> 00:36:37,200

least of which is the question of who

939

00:36:40,630 --> 00:36:39,040

this gerald light might be and what he

940

00:36:42,870 --> 00:36:40,640

was doing at edwards with the three

941

00:36:44,710 --> 00:36:42,880

reasonably well-known figures he names

942

00:36:46,470 --> 00:36:44,720

unfortunately almost nothing is known

943

00:36:48,630 --> 00:36:46,480

about light himself aside from the fact

944

00:36:50,630 --> 00:36:48,640

that mead lane recipient of the letter

945

00:36:52,390 --> 00:36:50,640

described him once in an early bsrif

946

00:36:54,490 --> 00:36:52,400

publication as a gifted and highly

947

00:36:56,310 --> 00:36:54,500

educated writer and lecturer

948

00:36:58,310 --> 00:36:56,320

[Music]

949

00:37:00,630 --> 00:36:58,320

i was going to take burlitz and more to

950

00:37:02,790 --> 00:37:00,640

task a little bit for their we don't

951
00:37:05,190 --> 00:37:02,800
know anything about gerald light cop out

952
00:37:07,349 --> 00:37:05,200
but we really don't know a lot about

953
00:37:09,670 --> 00:37:07,359
gerald light i'm going to put a link in

954
00:37:12,310 --> 00:37:09,680
the show notes to an article about

955
00:37:14,630 --> 00:37:12,320
gerald light and the ethereans from

956
00:37:17,270 --> 00:37:14,640
hakan blomquist's

957
00:37:19,109 --> 00:37:17,280
blog i i can never pronounce his name

958
00:37:21,190 --> 00:37:19,119
but he has a very interesting blog that

959
00:37:23,109 --> 00:37:21,200
covers a lot of contact these subjects

960
00:37:25,750 --> 00:37:23,119
and this is a good article that

961
00:37:27,910 --> 00:37:25,760
kind of goes down the gerald light

962
00:37:30,790 --> 00:37:27,920
rabbit hole in a way that i'm

963
00:37:33,190 --> 00:37:30,800

not prepared to do so i will definitely

964

00:37:36,470 --> 00:37:33,200

throw a link out there to that so there

965

00:37:38,550 --> 00:37:36,480

things were in the 1980s with eisenhower

966

00:37:41,109 --> 00:37:38,560

possibly going to california to look at

967

00:37:43,670 --> 00:37:41,119

wreckage and then in the late 80s we get

968

00:37:45,910 --> 00:37:43,680

john lear's claims where you have

969

00:37:48,630 --> 00:37:45,920

eisenhower going to holloman air force

970

00:37:52,550 --> 00:37:48,640

base in the 60s and later he adjusts

971

00:37:55,190 --> 00:37:52,560

this to 1954 at edwards air force base

972

00:37:58,790 --> 00:37:55,200

you get bill cooper basically echoing

973

00:38:00,390 --> 00:37:58,800

lear's claims and adding the wrinkle of

974

00:38:02,470 --> 00:38:00,400

both of these men adding the wrinkle

975

00:38:05,030 --> 00:38:02,480

that eisenhower made a deal with the

976

00:38:07,670 --> 00:38:05,040

aliens we got their technology in

977

00:38:08,790 --> 00:38:07,680

exchange they could mutilate cattle and

978

00:38:12,950 --> 00:38:08,800

abduct

979

00:38:15,349 --> 00:38:12,960

humans and then in the mid-1990s we get

980

00:38:17,349 --> 00:38:15,359

a guy named phil schneider who we talked

981

00:38:18,630 --> 00:38:17,359

about in our episode on underground

982

00:38:21,270 --> 00:38:18,640

bases

983

00:38:23,910 --> 00:38:21,280

i urge you to get adam go rightly's new

984

00:38:26,550 --> 00:38:23,920

book saucers spooks and kooks for more

985

00:38:28,950 --> 00:38:26,560

on phil schneider but he gave a speech

986

00:38:33,829 --> 00:38:28,960

which was heavily circulated where he

987

00:38:36,710 --> 00:38:33,839

gives this treaty an actual name anyway

988

00:38:39,910 --> 00:38:36,720

this all led up to uh

989

00:38:42,310 --> 00:38:39,920

later on about six eight years later in

990

00:38:44,470 --> 00:38:42,320

1954

991

00:38:47,829 --> 00:38:44,480

during the eisenhower administration led

992

00:38:51,109 --> 00:38:47,839

to a uh interesting treaty

993

00:38:54,310 --> 00:38:51,119

uh called the greater 1954 treaty that

994

00:38:55,910 --> 00:38:54,320

was the alien human treaty

995

00:39:05,670 --> 00:38:55,920

and

996

00:39:09,109 --> 00:39:05,680

accurate books were supposedly to be

997

00:39:11,750 --> 00:39:09,119

kept and all this kind of stuff and

998

00:39:13,109 --> 00:39:11,760

of course eventually all that broke down

999

00:39:15,829 --> 00:39:13,119

and

1000

00:39:17,670 --> 00:39:15,839

aliens are notorious for being

1001

00:39:21,349 --> 00:39:17,680

liars even greater liars than uh

1002

00:39:22,630 --> 00:39:21,359

so-called in quote we humans are

1003

00:39:24,710 --> 00:39:22,640

so

1004

00:39:25,589 --> 00:39:24,720

alien treaties are often

1005

00:39:27,430 --> 00:39:25,599

just

1006

00:39:28,710 --> 00:39:27,440

not even the pieces of paper they're

1007

00:39:29,750 --> 00:39:28,720

written on they're just really kind of

1008

00:39:31,829 --> 00:39:29,760

worthless

1009

00:39:33,190 --> 00:39:31,839

remember that folks alien treaties not

1010

00:39:36,150 --> 00:39:33,200

worth the paper they're printed on

1011

00:39:38,470 --> 00:39:36,160

because the aliens are totally using

1012

00:39:40,630 --> 00:39:38,480

paper so what

1013

00:39:43,750 --> 00:39:40,640

phil schneider is doing there i think is

1014

00:39:45,750 --> 00:39:43,760

taking the john lear bill cooper stuff

1015

00:39:48,310 --> 00:39:45,760

and claiming that you know this is his

1016

00:39:51,910 --> 00:39:48,320

own original knowledge adding his own

1017

00:39:55,190 --> 00:39:51,920

twist to it in some ways the the word

1018

00:39:58,230 --> 00:39:55,200

the griata treaty the name i can't prove

1019

00:39:59,910 --> 00:39:58,240

this um i saw some stuff some documents

1020

00:40:01,829 --> 00:39:59,920

and i sound like i sound like one of

1021

00:40:03,030 --> 00:40:01,839

these guys right i saw some documents

1022

00:40:05,270 --> 00:40:03,040

now but i mean

1023

00:40:07,190 --> 00:40:05,280

like you know things on the internet and

1024

00:40:09,349 --> 00:40:07,200

i have a feeling at some point somebody

1025

00:40:12,710 --> 00:40:09,359

called this the granada treaty like

1026
00:40:14,550 --> 00:40:12,720
granada an actual place and i've seen

1027
00:40:17,349 --> 00:40:14,560
copies of this where it's clearly

1028
00:40:20,870 --> 00:40:17,359
there's a typo and grieda sort of look

1029
00:40:22,870 --> 00:40:20,880
with the n missing from granada is used

1030
00:40:25,109 --> 00:40:22,880
in a document and i think schneider sort

1031
00:40:26,870 --> 00:40:25,119
of latched on to this typo and thought

1032
00:40:29,589 --> 00:40:26,880
this was the real name i can't prove

1033
00:40:31,030 --> 00:40:29,599
that that that's what happened

1034
00:40:34,630 --> 00:40:31,040
but um

1035
00:40:37,430 --> 00:40:34,640
i i think it was so in february 2004 for

1036
00:40:39,990 --> 00:40:37,440
the 50th anniversary of the uh the

1037
00:40:43,109 --> 00:40:40,000
supposed meeting between eisenhower and

1038
00:40:45,670 --> 00:40:43,119

the aliens at edwards the washington

1039

00:40:49,109 --> 00:40:45,680

post did a story highlighting the

1040

00:40:51,109 --> 00:40:49,119

theories of michael sala who

1041

00:40:53,990 --> 00:40:51,119

you might know as one of the leading

1042

00:40:56,230 --> 00:40:54,000

exponents of exopolitics in fact i think

1043

00:40:59,589 --> 00:40:56,240

he claims to have coined the term

1044

00:41:01,910 --> 00:40:59,599

exo politics and and his theories about

1045

00:41:04,470 --> 00:41:01,920

uh about eisenhower and they're sort of

1046

00:41:06,309 --> 00:41:04,480

looking at salah's ideas about this

1047

00:41:08,470 --> 00:41:06,319

meeting which are sort of a mix of

1048

00:41:10,870 --> 00:41:08,480

everything that had come before about

1049

00:41:14,309 --> 00:41:10,880

the meeting or almost everything as

1050

00:41:16,630 --> 00:41:14,319

we'll see and some of his own ideas but

1051
00:41:18,950 --> 00:41:16,640
they also take a more balanced view

1052
00:41:21,030 --> 00:41:18,960
they're not just giving salah a platform

1053
00:41:22,710 --> 00:41:21,040
to talk about eisenhower at edwards air

1054
00:41:24,550 --> 00:41:22,720
force base because there's also another

1055
00:41:27,030 --> 00:41:24,560
side of the story the side of the story

1056
00:41:28,550 --> 00:41:27,040
that what eisenhower was doing that

1057
00:41:29,990 --> 00:41:28,560
night in california when he was

1058
00:41:32,550 --> 00:41:30,000
supposedly

1059
00:41:34,950 --> 00:41:32,560
meeting with aliens was that it's what

1060
00:41:37,510 --> 00:41:34,960
was claimed later at the time

1061
00:41:39,990 --> 00:41:37,520
that he was having some dental work done

1062
00:41:42,150 --> 00:41:40,000
of course the associated press sent out

1063
00:41:45,109 --> 00:41:42,160

accidentally sent out supposedly a hoax

1064

00:41:46,390 --> 00:41:45,119

story that ike was dead um which is kind

1065

00:41:48,710 --> 00:41:46,400

of funny

1066

00:41:51,589 --> 00:41:48,720

fake news right but the washington post

1067

00:41:53,270 --> 00:41:51,599

is taking a balanced approach to this

1068

00:41:55,349 --> 00:41:53,280

story

1069

00:41:57,190 --> 00:41:55,359

the ike met with et's theory is advanced

1070

00:41:58,870 --> 00:41:57,200

by michael sala a former american

1071

00:42:01,030 --> 00:41:58,880

university professor who now runs the

1072

00:42:03,190 --> 00:42:01,040

peace ambassador program at au's center

1073

00:42:05,190 --> 00:42:03,200

for global peace the iquent to the

1074

00:42:07,109 --> 00:42:05,200

dentist theory is advanced by the folks

1075

00:42:10,150 --> 00:42:07,119

at the dwight d eisenhower library in

1076

00:42:12,069 --> 00:42:10,160

abilene kansas and by james m mixon a

1077

00:42:16,230 --> 00:42:12,079

dentist professor of dentistry and

1078

00:42:18,550 --> 00:42:16,240

historian of presidential dental work

1079

00:42:21,109 --> 00:42:18,560

i've often wondered how one gets to be a

1080

00:42:22,230 --> 00:42:21,119

historian of presidential dental work i

1081

00:42:25,109 --> 00:42:22,240

think that's

1082

00:42:26,630 --> 00:42:25,119

pretty uh pretty interesting so the

1083

00:42:28,390 --> 00:42:26,640

washington post story says that there

1084

00:42:30,150 --> 00:42:28,400

are some facts that are absolutely part

1085

00:42:32,230 --> 00:42:30,160

of the record eisenhower went to palm

1086

00:42:35,270 --> 00:42:32,240

springs on a golf vacation in february

1087

00:42:37,910 --> 00:42:35,280

1954 on the night of the 20th after

1088

00:42:39,589 --> 00:42:37,920

dinner he made an unscheduled departure

1089

00:42:41,270 --> 00:42:39,599

from the ranch where he was staying the

1090

00:42:43,910 --> 00:42:41,280

next morning he was at church in los

1091

00:42:45,510 --> 00:42:43,920

angeles and his spokesman said that ike

1092

00:42:47,829 --> 00:42:45,520

had visited the dentist the previous

1093

00:42:51,270 --> 00:42:47,839

night now because of supposedly some

1094

00:42:53,030 --> 00:42:51,280

records missing from the eisenhower

1095

00:42:55,349 --> 00:42:53,040

papers or no mention of this in the

1096

00:42:57,109 --> 00:42:55,359

eisenhower papers when supposedly every

1097

00:42:58,390 --> 00:42:57,119

little thing a president ever does is

1098

00:43:01,190 --> 00:42:58,400

written down

1099

00:43:03,109 --> 00:43:01,200

people have ceased on this as

1100

00:43:05,109 --> 00:43:03,119

evidence that he was doing something

1101
00:43:06,390 --> 00:43:05,119
secret and if he was doing something

1102
00:43:08,710 --> 00:43:06,400
secret on the same night that he

1103
00:43:11,270 --> 00:43:08,720
supposedly met with aliens then he must

1104
00:43:12,470 --> 00:43:11,280
have met with aliens so the post then

1105
00:43:15,270 --> 00:43:12,480
goes on to

1106
00:43:17,589 --> 00:43:15,280
explain who salah is and what his views

1107
00:43:19,510 --> 00:43:17,599
of the situation are

1108
00:43:20,870 --> 00:43:19,520
salah who has a phd in government from

1109
00:43:23,109 --> 00:43:20,880
the university of queensland in his

1110
00:43:24,470 --> 00:43:23,119
native australia doesn't believe it he

1111
00:43:26,390 --> 00:43:24,480
figures the dentist trip was just a

1112
00:43:27,990 --> 00:43:26,400
cover story he believes ike went to

1113
00:43:30,150 --> 00:43:28,000

edwards air force base where he met with

1114

00:43:32,309 --> 00:43:30,160

two et's with white hair pale blue eyes

1115

00:43:34,630 --> 00:43:32,319

and colorless lips these aliens

1116

00:43:36,630 --> 00:43:34,640

nicknamed nordics in ufo circles because

1117

00:43:38,150 --> 00:43:36,640

they resemble scandinavian humans

1118

00:43:40,550 --> 00:43:38,160

traveled to edwards from another solar

1119

00:43:42,150 --> 00:43:40,560

system in a flying saucer and salla says

1120

00:43:44,150 --> 00:43:42,160

they spoke to eisenhower there was

1121

00:43:45,750 --> 00:43:44,160

telepathic communication says salah as

1122

00:43:47,030 --> 00:43:45,760

he sits in his suburban falls church

1123

00:43:48,390 --> 00:43:47,040

living room it's as though you're

1124

00:43:49,430 --> 00:43:48,400

hearing a person but they're not

1125

00:43:50,710 --> 00:43:49,440

speaking

1126

00:43:52,550 --> 00:43:50,720

the nordics offered to share their

1127

00:43:54,230 --> 00:43:52,560

superior technology and their spiritual

1128

00:43:56,630 --> 00:43:54,240

wisdom with ike if he would agree to

1129

00:43:58,150 --> 00:43:56,640

eliminate america's nuclear weapons they

1130

00:43:59,990 --> 00:43:58,160

were afraid we might blow up some of our

1131

00:44:01,589 --> 00:44:00,000

nuclear technology salus says and

1132

00:44:03,190 --> 00:44:01,599

apparently that does something to time

1133

00:44:05,589 --> 00:44:03,200

and space and impacts on

1134

00:44:07,670 --> 00:44:05,599

extraterrestrial races on other planets

1135

00:44:09,589 --> 00:44:07,680

ike declined the et's offer because he

1136

00:44:11,990 --> 00:44:09,599

did not want to give up the nukes

1137

00:44:13,030 --> 00:44:12,000

sometime later in 1954 ike reached a

1138

00:44:14,710 --> 00:44:13,040

deal with another race of

1139

00:44:16,230 --> 00:44:14,720

extraterrestrials known as the grays

1140

00:44:17,510 --> 00:44:16,240

allowing them to capture earthling

1141

00:44:19,349 --> 00:44:17,520

cattle and humans for medical

1142

00:44:21,829 --> 00:44:19,359

experiments provided that they returned

1143

00:44:24,150 --> 00:44:21,839

the humans safely home since then salla

1144

00:44:26,950 --> 00:44:24,160

says the greys have kidnapped millions

1145

00:44:33,190 --> 00:44:30,390

this is just the same story rewarmed

1146

00:44:34,870 --> 00:44:33,200

from lear and cooper with

1147

00:44:36,870 --> 00:44:34,880

a little bit of a twist that there are

1148

00:44:38,510 --> 00:44:36,880

two different alien races one more

1149

00:44:40,710 --> 00:44:38,520

friendly than the other this is the

1150

00:44:42,710 --> 00:44:40,720

exopolitics way right you remember when

1151

00:44:44,309 --> 00:44:42,720

we talked about richard boylan back in

1152

00:44:46,710 --> 00:44:44,319

the day there's a whole galaxy

1153

00:44:49,349 --> 00:44:46,720

federation of different of different

1154

00:44:52,630 --> 00:44:49,359

groups that are out there now beginning

1155

00:44:55,990 --> 00:44:52,640

in the 1980s the eisenhower library in

1156

00:44:58,790 --> 00:44:56,000

abilene kansas started getting so many

1157

00:45:01,750 --> 00:44:58,800

requests about this supposed meeting

1158

00:45:04,630 --> 00:45:01,760

between ike and the aliens that they had

1159

00:45:07,030 --> 00:45:04,640

to sort of assign a person to

1160

00:45:10,710 --> 00:45:07,040

um to to look at those things his name

1161

00:45:12,470 --> 00:45:10,720

is herb pancratz i think that's how you

1162

00:45:14,069 --> 00:45:12,480

pronounce it and he specialized in

1163

00:45:15,990 --> 00:45:14,079

transportation and and then they said

1164

00:45:17,670 --> 00:45:16,000

well you're the transportation guy ike's

1165

00:45:18,950 --> 00:45:17,680

a big transportation guy the the

1166

00:45:20,390 --> 00:45:18,960

interstate highway system and things

1167

00:45:23,270 --> 00:45:20,400

like that so they just sort of added

1168

00:45:25,589 --> 00:45:23,280

ufos to his portfolio of things he was

1169

00:45:28,390 --> 00:45:25,599

paying attention to and he explained to

1170

00:45:32,069 --> 00:45:28,400

the post what he thought was interesting

1171

00:45:33,349 --> 00:45:32,079

about these stories over the years it's

1172

00:45:35,270 --> 00:45:33,359

interesting how these stories have

1173

00:45:36,550 --> 00:45:35,280

changed pancreas noted in an email

1174

00:45:38,069 --> 00:45:36,560

initially the accounts claimed the

1175

00:45:39,510 --> 00:45:38,079

president made a secret trip to edwards

1176

00:45:41,109 --> 00:45:39,520

air force base to view the remains of

1177

00:45:43,829 --> 00:45:41,119

aliens who'd crashed at roswell new

1178

00:45:45,270 --> 00:45:43,839

mexico in 1947. later stories then

1179

00:45:46,270 --> 00:45:45,280

claimed he had actually visited with

1180

00:45:48,230 --> 00:45:46,280

live aliens

1181

00:45:49,670 --> 00:45:48,240

[Music]

1182

00:45:51,030 --> 00:45:49,680

so that's what the archivist finds

1183

00:45:54,870 --> 00:45:51,040

interesting what i find interesting is

1184

00:45:56,630 --> 00:45:54,880

that somehow some when somewhere i think

1185

00:45:58,950 --> 00:45:56,640

around the mid 90s when phil schneider

1186

00:46:00,550 --> 00:45:58,960

began telling the story gerald light

1187

00:46:02,550 --> 00:46:00,560

kind of disappears from the scene

1188

00:46:04,870 --> 00:46:02,560

doesn't he you see references to gerald

1189

00:46:07,670 --> 00:46:04,880

light in historical overviews of the

1190

00:46:09,990 --> 00:46:07,680

eisenhower edwards phenomenon like this

1191

00:46:12,790 --> 00:46:10,000

like an article from magonia magazine by

1192

00:46:15,190 --> 00:46:12,800

curtis peeples who wrote the fairly good

1193

00:46:17,109 --> 00:46:15,200

book watch the skies several years ago

1194

00:46:20,309 --> 00:46:17,119

i'll include a link to that article in

1195

00:46:21,829 --> 00:46:20,319

the show notes as well but as far as the

1196

00:46:24,470 --> 00:46:21,839

places where there are claims that

1197

00:46:26,710 --> 00:46:24,480

eisenhower actually met with aliens

1198

00:46:28,470 --> 00:46:26,720

you don't see light out there anymore

1199

00:46:30,150 --> 00:46:28,480

and another connection that just

1200

00:46:31,270 --> 00:46:30,160

occurred to me as i was working on this

1201

00:46:33,910 --> 00:46:31,280

and i don't know why it didn't occur to

1202

00:46:36,630 --> 00:46:33,920

me before i wonder to what degree the

1203

00:46:39,270 --> 00:46:36,640

whole narrative of eisenhower at one

1204

00:46:41,750 --> 00:46:39,280

point turning down an offer of help from

1205

00:46:44,150 --> 00:46:41,760

the aliens for one reason or another to

1206

00:46:47,030 --> 00:46:44,160

what degree was that lifted from frank

1207

00:46:49,030 --> 00:46:47,040

strange's valiant thor stories where

1208

00:46:51,670 --> 00:46:49,040

eisenhower and nixon

1209

00:46:54,309 --> 00:46:51,680

refused alien help in reforming

1210

00:46:57,349 --> 00:46:54,319

america's economic system because they

1211

00:46:59,430 --> 00:46:57,359

didn't want it to affect the economic

1212

00:47:01,829 --> 00:46:59,440

system if you'll remember that from our

1213

00:47:04,309 --> 00:47:01,839

valiant thor episode but now gerald

1214

00:47:07,109 --> 00:47:04,319

light seems to have vanished from the

1215

00:47:09,270 --> 00:47:07,119

scene so the article goes on to talk

1216

00:47:10,550 --> 00:47:09,280

about the the dental history of

1217

00:47:12,309 --> 00:47:10,560

eisenhower and then the fact that

1218

00:47:14,710 --> 00:47:12,319

there's an article that talks about his

1219

00:47:17,030 --> 00:47:14,720

many dental problems including the one

1220

00:47:18,790 --> 00:47:17,040

uh broken it was a broken crown that he

1221

00:47:21,109 --> 00:47:18,800

suffered when he was in palm springs not

1222

00:47:22,950 --> 00:47:21,119

meeting with aliens there's an article a

1223

00:47:25,030 --> 00:47:22,960

history of dwight d eisenhower's oral

1224

00:47:27,510 --> 00:47:25,040

health published in the november 95

1225

00:47:30,630 --> 00:47:27,520

issue of the bulletin of dental history

1226

00:47:33,510 --> 00:47:30,640

now they did reach out to the family

1227

00:47:35,510 --> 00:47:33,520

they uh talked to eisenhower's son john

1228

00:47:37,430 --> 00:47:35,520

s d eisenhower

1229

00:47:40,470 --> 00:47:37,440

retired army general and author of

1230

00:47:42,549 --> 00:47:40,480

several books on history including i

1231

00:47:45,589 --> 00:47:42,559

think my favorite history of the mexican

1232

00:47:47,430 --> 00:47:45,599

war so far from god which is a really

1233

00:47:49,670 --> 00:47:47,440

good history of the mexican war

1234

00:47:52,230 --> 00:47:49,680

they reached out via email to

1235

00:47:53,990 --> 00:47:52,240

retired general eisenhower and asked if

1236

00:47:56,870 --> 00:47:54,000

his father had ever mentioned meeting

1237

00:47:58,870 --> 00:47:56,880

with aliens and eisenhower had this

1238

00:48:01,349 --> 00:47:58,880

response

1239

00:48:04,950 --> 00:48:03,349
and that was the entirety of the

1240

00:48:06,790 --> 00:48:04,960
statement so

1241

00:48:09,510 --> 00:48:06,800
as we've seen or what we've seen is that

1242

00:48:12,150 --> 00:48:09,520
at some point gerald light vanishes from

1243

00:48:13,109 --> 00:48:12,160
the scene here and the people who claim

1244

00:48:16,309 --> 00:48:13,119
this

1245

00:48:18,390 --> 00:48:16,319
meeting are either reporting what later

1246

00:48:20,230 --> 00:48:18,400
people have claimed people like john

1247

00:48:22,069 --> 00:48:20,240
lear bill cooper although you never hear

1248

00:48:24,309 --> 00:48:22,079
those names because those names have to

1249

00:48:27,109 --> 00:48:24,319
a degree been discredited especially

1250

00:48:29,109 --> 00:48:27,119
cooper in many circles but you also hear

1251
00:48:32,630 --> 00:48:29,119
from whistleblowers who sometimes say

1252
00:48:34,710 --> 00:48:32,640
that they have seen papers about this

1253
00:48:36,870 --> 00:48:34,720
or experienced it themselves people like

1254
00:48:39,349 --> 00:48:36,880
schneider but we also have other

1255
00:48:41,030 --> 00:48:39,359
whistleblowers who i've had never heard

1256
00:48:44,870 --> 00:48:41,040
of until i started googling around

1257
00:48:47,190 --> 00:48:44,880
including henry w mcelroy jr who was a

1258
00:48:49,829 --> 00:48:47,200
state representative from new hampshire

1259
00:48:52,549 --> 00:48:49,839
who is also an eisenhower alien

1260
00:48:54,470 --> 00:48:52,559
whistleblower the document i saw

1261
00:48:57,589 --> 00:48:54,480
was an official brief

1262
00:48:59,910 --> 00:48:57,599
to president eisenhower

1263
00:49:03,750 --> 00:48:59,920

to the best of my memory

1264

00:49:05,270 --> 00:49:03,760

this brief was pervaded with a sense of

1265

00:49:08,630 --> 00:49:05,280

hope

1266

00:49:11,190 --> 00:49:08,640

and it informed president eisenhower

1267

00:49:13,829 --> 00:49:11,200

of the continued presence

1268

00:49:17,910 --> 00:49:13,839

of extraterrestrial beings

1269

00:49:23,030 --> 00:49:20,309

the brief seemed to indicate that a

1270

00:49:24,549 --> 00:49:23,040

meeting between the president and some

1271

00:49:26,710 --> 00:49:24,559

of these visitors

1272

00:49:28,790 --> 00:49:26,720

could be arranged

1273

00:49:31,910 --> 00:49:28,800

as appropriate

1274

00:49:38,710 --> 00:49:34,470

the tone of the brief indicated to me

1275

00:49:41,990 --> 00:49:38,720

that there was no need for concern

1276

00:49:44,950 --> 00:49:42,000

since these visitors were in no way

1277

00:49:48,710 --> 00:49:44,960

causing any harm

1278

00:49:51,030 --> 00:49:48,720

or had any intentions whatsoever

1279

00:49:53,430 --> 00:49:51,040

of causing any disruption

1280

00:50:00,309 --> 00:49:56,309

or in the future

1281

00:50:03,190 --> 00:50:00,319

while i can't verify the times or places

1282

00:50:05,430 --> 00:50:03,200

or that any meeting or meetings occurred

1283

00:50:08,790 --> 00:50:05,440

directly between eisenhower and these

1284

00:50:15,030 --> 00:50:11,910

because of his optimism in his farewell

1285

00:50:20,230 --> 00:50:15,040

address in 1961

1286

00:50:24,829 --> 00:50:23,589

indeed meet with these extraterrestrial

1287

00:50:26,710 --> 00:50:24,839

off-world

1288

00:50:29,109 --> 00:50:26,720

astronauts

1289

00:50:31,030 --> 00:50:29,119

so somebody showed this poor guy a copy

1290

00:50:32,309 --> 00:50:31,040

of the eisenhower briefing document

1291

00:50:33,910 --> 00:50:32,319

that's been floating around since the

1292

00:50:35,670 --> 00:50:33,920

1980s which we're probably going to

1293

00:50:39,030 --> 00:50:35,680

cover on an episode where we talk about

1294

00:50:41,510 --> 00:50:39,040

mj12 if i decide to wade into that it'll

1295

00:50:43,349 --> 00:50:41,520

pro if you hear an episode about mj 12

1296

00:50:44,790 --> 00:50:43,359

much like if i ever do an episode on

1297

00:50:47,109 --> 00:50:44,800

roswell you'll know the end is near

1298

00:50:49,190 --> 00:50:47,119

because i really don't want to wade into

1299

00:50:51,349 --> 00:50:49,200

that but mcilroy isn't the only

1300

00:50:53,990 --> 00:50:51,359

whistleblower there's one who's very

1301
00:50:56,630 --> 00:50:54,000
very important and significant and that

1302
00:50:59,030 --> 00:50:56,640
is a woman named laura eisenhower that's

1303
00:51:01,670 --> 00:50:59,040
right eisenhower she is president

1304
00:51:04,069 --> 00:51:01,680
eisenhower's great granddaughter and

1305
00:51:07,750 --> 00:51:04,079
some youtubers reached out to her for

1306
00:51:09,670 --> 00:51:07,760
her opinion on what happened in 1954.

1307
00:51:11,589 --> 00:51:09,680
there's a widespread rumor in ufology

1308
00:51:13,510 --> 00:51:11,599
circles that i've always been curious

1309
00:51:15,589 --> 00:51:13,520
about it's believed that president

1310
00:51:19,190 --> 00:51:15,599
dwight d eisenhower signed a peace

1311
00:51:21,430 --> 00:51:19,200
treaty with an alien race in 1954 that

1312
00:51:23,270 --> 00:51:21,440
might have allowed for human abductions

1313
00:51:25,990 --> 00:51:23,280

i mean if this is true

1314

00:51:27,589 --> 00:51:26,000

it would be an explosive revelation so

1315

00:51:29,829 --> 00:51:27,599

i'm going to continue my investigation

1316

00:51:31,270 --> 00:51:29,839

by speaking with laura eisenhower

1317

00:51:35,430 --> 00:51:31,280

president eisenhower's great

1318

00:51:38,470 --> 00:51:36,390

hi there

1319

00:51:40,870 --> 00:51:38,480

hey laura how's it going pretty good how

1320

00:51:42,069 --> 00:51:40,880

are you good good hey thank you for

1321

00:51:43,910 --> 00:51:42,079

meeting with me

1322

00:51:46,710 --> 00:51:43,920

i've heard a lot about

1323

00:51:49,670 --> 00:51:46,720

some some rumors that i'm hoping you can

1324

00:51:51,750 --> 00:51:49,680

either confirm or deny for me i'm just

1325

00:51:53,109 --> 00:51:51,760

gonna come right out and ask you

1326

00:51:56,150 --> 00:51:53,119

do you believe that your

1327

00:52:01,109 --> 00:51:56,160

great-grandfather dwight d eisenhower

1328

00:52:05,589 --> 00:52:03,510

it's a true story

1329

00:52:07,910 --> 00:52:05,599

what i've learned about eisenhower's

1330

00:52:09,829 --> 00:52:07,920

relationship to extraterrestrial beings

1331

00:52:12,870 --> 00:52:09,839

and e.t government treaties is that

1332

00:52:14,850 --> 00:52:12,880

supposedly in 1954 there was a meeting

1333

00:52:16,230 --> 00:52:14,860

at edwards air force base right

1334

00:52:18,710 --> 00:52:16,240

[Music]

1335

00:52:20,470 --> 00:52:18,720

they seemed to have

1336

00:52:22,150 --> 00:52:20,480

diplomatic intention

1337

00:52:24,549 --> 00:52:22,160

the treaties had to do with bartering

1338

00:52:27,270 --> 00:52:24,559

exchanges of planetary goods uh natural

1339

00:52:29,670 --> 00:52:27,280

resources elements and compounds

1340

00:52:32,390 --> 00:52:29,680

and it was in exchange for like things

1341

00:52:35,430 --> 00:52:32,400

like abduction

1342

00:52:37,430 --> 00:52:35,440

why would they want to abduct humans

1343

00:52:38,230 --> 00:52:37,440

what are they doing with that but they

1344

00:52:43,030 --> 00:52:38,240

need

1345

00:52:45,270 --> 00:52:43,040

our dna we have a treasure of dna that

1346

00:52:47,270 --> 00:52:45,280

is basically a living library

1347

00:52:49,910 --> 00:52:47,280

and yes we will have a laura eisenhower

1348

00:52:52,549 --> 00:52:49,920

episode at some point because she is a

1349

00:52:54,470 --> 00:52:52,559

fascinating person but here she's kind

1350

00:52:56,309 --> 00:52:54,480

of just reiterating the same stories

1351

00:53:00,470 --> 00:52:56,319

that have been floating around

1352

00:53:02,309 --> 00:53:00,480

since the late 1980s 1987 88 or so with

1353

00:53:04,950 --> 00:53:02,319

john lear and that's the thing about

1354

00:53:08,230 --> 00:53:04,960

eisenhower at edwards

1355

00:53:10,950 --> 00:53:08,240

is that the initial letter from light to

1356

00:53:13,670 --> 00:53:10,960

mead didn't have a lot of detail and so

1357

00:53:15,910 --> 00:53:13,680

this detail gets filled in over the

1358

00:53:18,230 --> 00:53:15,920

years and it gets appropriated

1359

00:53:21,430 --> 00:53:18,240

by for example moore and burlitz into

1360

00:53:23,990 --> 00:53:21,440

being part of the roswell experience and

1361

00:53:25,910 --> 00:53:24,000

lear and cooper mix up which air base

1362

00:53:28,390 --> 00:53:25,920

they're talking about at various times

1363

00:53:31,109 --> 00:53:28,400

and it just keeps going i think it's a

1364

00:53:33,430 --> 00:53:31,119

fascinating story the magonia article i

1365

00:53:35,589 --> 00:53:33,440

mentioned goes into it in in a more

1366

00:53:38,390 --> 00:53:35,599

textual way because it's an article not

1367

00:53:41,510 --> 00:53:38,400

a podcast and um it's wonderful because

1368

00:53:43,349 --> 00:53:41,520

curtis peoples did what i always sort of

1369

00:53:44,950 --> 00:53:43,359

thought about doing but now i don't have

1370

00:53:46,710 --> 00:53:44,960

to write some sort of massive article

1371

00:53:48,950 --> 00:53:46,720

about eisenhower at edwards because it's

1372

00:53:51,430 --> 00:53:48,960

been done and i don't have to do another

1373

00:53:54,420 --> 00:53:51,440

podcast episode about it because it's

1374

00:53:59,349 --> 00:53:54,430

been done here as well

1375

00:54:02,549 --> 00:54:01,190

thank you for listening remember to send

1376

00:54:04,309 --> 00:54:02,559
