

Ted Owens, author of **HOW TO CONTACT SPACE PEOPLE** claims to have predicted east coast black-out with help of space people.

THE PK MAN

1
00:00:11,519 --> 00:00:16,710
i never got any money from you

2
00:00:21,360 --> 00:00:18,630
ufo might just as well stand for

3
00:00:21,800 --> 00:00:21,370
unprecedented financial opportunity

4
00:00:25,750 --> 00:00:21,810
[Applause]

5
00:00:27,830 --> 00:00:25,760
[Music]

6
00:00:29,669 --> 00:00:27,840
this is the saucer life a podcast in

7
00:00:31,269 --> 00:00:29,679
which we examine concepts events or

8
00:00:33,510 --> 00:00:31,279
people orbiting the world of flying

9
00:00:36,870 --> 00:00:33,520
saucers few preconceptions snark when

10
00:00:40,150 --> 00:00:36,880
justified no belief no debunking today

11
00:00:42,830 --> 00:00:40,160
we look at the story of ted owens who

12
00:00:45,029 --> 00:00:42,840
called himself the pk man for

13
00:00:46,950 --> 00:00:45,039

psychokinesis well known in

14

00:00:48,389 --> 00:00:46,960

psychokinesis circles

15

00:00:53,270 --> 00:00:48,399

but also

16

00:00:56,549 --> 00:00:53,280

a ufo contactee who talked to the sis

17

00:00:59,510 --> 00:00:56,559

or space intelligences and today we're

18

00:01:03,590 --> 00:00:59,520

going to look at his story and he is a

19

00:01:06,870 --> 00:01:03,600

very different sort of contact d now as

20

00:01:09,270 --> 00:01:06,880

far as sources for this episode go um

21

00:01:12,230 --> 00:01:09,280

his books uh two of his books are

22

00:01:13,750 --> 00:01:12,240

available online that i've found or two

23

00:01:14,550 --> 00:01:13,760

and a half books

24

00:01:22,550 --> 00:01:14,560

two

25

00:01:25,109 --> 00:01:22,560

sized things that we're going to uh

26

00:01:27,830 --> 00:01:25,119

we're going to use as primary sources

27

00:01:31,109 --> 00:01:27,840

he's also written about in saga magazine

28

00:01:35,030 --> 00:01:31,119

which had a lot of ufo content there in

29

00:01:38,630 --> 00:01:35,040

the 60s and 70s and in 2000

30

00:01:41,670 --> 00:01:38,640

jeffrey mishlov a psychologist wrote the

31

00:01:44,630 --> 00:01:41,680

book the pk man a true story of mind

32

00:01:45,910 --> 00:01:44,640

over matter about his interactions with

33

00:01:48,069 --> 00:01:45,920

ted owens

34

00:01:49,350 --> 00:01:48,079

that take place really after

35

00:01:51,270 --> 00:01:49,360

owens's

36

00:01:54,149 --> 00:01:51,280

own books sort of

37

00:01:55,749 --> 00:01:54,159

leave the story so there's a lot here

38

00:01:57,910 --> 00:01:55,759

and it's

39

00:02:00,210 --> 00:01:57,920

a strange one folks

40

00:02:06,550 --> 00:02:00,220

it's a strange one

41

00:02:08,309 --> 00:02:06,560

[Music]

42

00:02:09,669 --> 00:02:08,319

i misspoke a bit ago and i'm too lazy to

43

00:02:11,750 --> 00:02:09,679

go back and re-record that entire

44

00:02:13,910 --> 00:02:11,760

section jeffrey michelov is a according

45

00:02:17,270 --> 00:02:13,920

to the bio on the back cover of his book

46

00:02:20,470 --> 00:02:17,280

um jeffrey mitchell of phd is a renowned

47

00:02:22,309 --> 00:02:20,480

uh sorry respected parapsychologist not

48

00:02:23,830 --> 00:02:22,319

psychologist i wanted to make sure that

49

00:02:27,110 --> 00:02:23,840

was clear it would be very clear by the

50

00:02:28,470 --> 00:02:27,120

time we get to his work but just to

51

00:02:31,270 --> 00:02:28,480

point that out

52

00:02:33,830 --> 00:02:31,280

so ted owens little biographical

53

00:02:37,110 --> 00:02:33,840

information is born in bedford indiana

54

00:02:40,790 --> 00:02:37,120

in 1920 and according to mishlov's book

55

00:02:43,030 --> 00:02:40,800

owens had a family history of strange

56

00:02:45,589 --> 00:02:43,040

abilities sort of psychic

57

00:02:47,030 --> 00:02:45,599

abilities things like that there's one

58

00:02:50,390 --> 00:02:47,040

story where

59

00:02:53,990 --> 00:02:50,400

his his grandfather apparently

60

00:02:56,470 --> 00:02:54,000

cured in quotes a a man from drinking

61

00:02:58,390 --> 00:02:56,480

and and abusing his wife

62

00:03:00,309 --> 00:02:58,400

i i don't know if that's necessarily a

63

00:03:02,229 --> 00:03:00,319

psychic power but it's

64

00:03:04,229 --> 00:03:02,239

some kind of skill

65

00:03:06,149 --> 00:03:04,239

owens joined the navy during world war

66

00:03:07,830 --> 00:03:06,159

ii and trained at the electronics school

67

00:03:10,070 --> 00:03:07,840

which at the time one of them was at

68

00:03:11,350 --> 00:03:10,080

purdue university in west lafayette

69

00:03:13,670 --> 00:03:11,360

indiana

70

00:03:16,309 --> 00:03:13,680

while in the navy he began to experience

71

00:03:18,229 --> 00:03:16,319

spontaneous levitation episodes and

72

00:03:20,949 --> 00:03:18,239

after the war he went to north carolina

73

00:03:22,550 --> 00:03:20,959

and studied with jb rein the renowned

74

00:03:24,789 --> 00:03:22,560

parapsychologist

75

00:03:27,910 --> 00:03:24,799

while there he claimed he developed the

76

00:03:30,949 --> 00:03:27,920

ability to communicate with the dead now

77

00:03:34,229 --> 00:03:30,959

mishlov in his book the pk man did talk

78

00:03:36,470 --> 00:03:34,239

to people who were at uh ryan's offices

79

00:03:38,470 --> 00:03:36,480

and labs and institute during the same

80

00:03:40,710 --> 00:03:38,480

time owens was and while they can't

81

00:03:43,990 --> 00:03:40,720

confirm specifically

82

00:03:46,390 --> 00:03:44,000

any of owen's claims about his time

83

00:03:48,149 --> 00:03:46,400

there they do acknowledge that strange

84

00:03:50,470 --> 00:03:48,159

things seemed to happen

85

00:03:51,309 --> 00:03:50,480

when he was around despite

86

00:03:53,750 --> 00:03:51,319

these

87

00:03:55,429 --> 00:03:53,760

parapsychological abilities and

88

00:03:56,390 --> 00:03:55,439

levitation and things like that that he

89

00:03:59,270 --> 00:03:56,400

had

90

00:04:00,869 --> 00:03:59,280

previously during his life it's in the

91

00:04:02,470 --> 00:04:00,879

mid-1960s

92

00:04:04,149 --> 00:04:02,480

that owns

93

00:04:05,830 --> 00:04:04,159

begins his

94

00:04:08,789 --> 00:04:05,840

i don't know if career is the best way

95

00:04:10,949 --> 00:04:08,799

to say it but his career as a contactee

96

00:04:13,110 --> 00:04:10,959

and he details this the earliest place

97

00:04:16,390 --> 00:04:13,120

he details this i believe that was

98

00:04:18,789 --> 00:04:16,400

published is in his 1968 book how to

99

00:04:20,310 --> 00:04:18,799

contact space people which is something

100

00:04:22,870 --> 00:04:20,320

i'm sure we've all

101
00:04:24,550 --> 00:04:22,880
wanted to know from time to time owens

102
00:04:26,550 --> 00:04:24,560
explains that

103
00:04:28,390 --> 00:04:26,560
he's just like the reader he's not a

104
00:04:29,430 --> 00:04:28,400
scientist or professional like a doctor

105
00:04:32,469 --> 00:04:29,440
or a lawyer

106
00:04:34,950 --> 00:04:32,479
so it must be possible for anybody to

107
00:04:37,110 --> 00:04:34,960
talk to flying saucers if he's able to

108
00:04:39,590 --> 00:04:37,120
and so he gives then a run down a little

109
00:04:43,030 --> 00:04:39,600
description of how he first came into

110
00:04:45,990 --> 00:04:43,040
contact with what he will call the sis

111
00:04:47,670 --> 00:04:46,000
or space intelligences

112
00:04:49,909 --> 00:04:47,680
while living in fort worth texas in the

113
00:04:51,510 --> 00:04:49,919

late 1960s my daughter and i were out

114

00:04:53,670 --> 00:04:51,520

driving in the country one night when a

115

00:04:55,749 --> 00:04:53,680

cigar-shaped ufo suddenly appeared on

116

00:04:58,150 --> 00:04:55,759

our left over a field and came floating

117

00:04:59,990 --> 00:04:58,160

toward our car making no noise with red

118

00:05:02,629 --> 00:05:00,000

white blue and green colors flaming

119

00:05:04,629 --> 00:05:02,639

vividly from it its nose was tilted down

120

00:05:06,230 --> 00:05:04,639

toward the ground as we watched it

121

00:05:08,150 --> 00:05:06,240

approached close to our car then

122

00:05:09,350 --> 00:05:08,160

instantly vanished just like a light

123

00:05:11,110 --> 00:05:09,360

turned off

124

00:05:13,189 --> 00:05:11,120

from that day on my life changed

125

00:05:15,270 --> 00:05:13,199

radically i was working in the field of

126
00:05:17,029 --> 00:05:15,280
hypnotism specializing in teaching auto

127
00:05:19,590 --> 00:05:17,039
hypnosis to people from all walks of

128
00:05:21,270 --> 00:05:19,600
life ideas began to flood in on me

129
00:05:23,430 --> 00:05:21,280
pertaining to the healing of persons who

130
00:05:25,670 --> 00:05:23,440
were sick and unhappy until these ideas

131
00:05:27,590 --> 00:05:25,680
filled a large book i applied many of

132
00:05:29,749 --> 00:05:27,600
the ideas and saved many persons who

133
00:05:31,350 --> 00:05:29,759
could not be helped by orthodox means

134
00:05:32,790 --> 00:05:31,360
then the local medical fraternity

135
00:05:34,790 --> 00:05:32,800
accused me of practicing medicine

136
00:05:36,070 --> 00:05:34,800
without a license and we had to leave

137
00:05:39,749 --> 00:05:36,080
fort worth

138
00:05:41,670 --> 00:05:39,759

lorne several demonstrations of making

139

00:05:43,590 --> 00:05:41,680

lightning strike in certain areas during

140

00:05:45,189 --> 00:05:43,600

thunder showers i was playfully

141

00:05:47,590 --> 00:05:45,199

experimenting with the theory i had on

142

00:05:50,390 --> 00:05:47,600

the practical application of pk or

143

00:05:52,070 --> 00:05:50,400

psychokinetic power to nature's forces

144

00:05:54,070 --> 00:05:52,080

some time later our family moved to

145

00:05:56,070 --> 00:05:54,080

phoenix arizona which was in the midst

146

00:05:58,070 --> 00:05:56,080

of a terrible drought the idea to

147

00:05:59,990 --> 00:05:58,080

experiment with esp for weather control

148

00:06:01,430 --> 00:06:00,000

came to me again so i gathered my

149

00:06:04,309 --> 00:06:01,440

children together and showed them how i

150

00:06:05,990 --> 00:06:04,319

would make it storm it did so intensely

151

00:06:08,070 --> 00:06:06,000

that the city was declared a disaster

152

00:06:09,670 --> 00:06:08,080

area to make sure that it was i who had

153

00:06:11,990 --> 00:06:09,680

brought this about and not just a

154

00:06:13,909 --> 00:06:12,000

coincidence i announced to my family we

155

00:06:15,749 --> 00:06:13,919

would make a series of storms and i

156

00:06:18,309 --> 00:06:15,759

wrote into the local papers to that

157

00:06:19,990 --> 00:06:18,319

effect i produced eight terrible rocking

158

00:06:21,670 --> 00:06:20,000

thunderstorms complete with tremendous

159

00:06:25,350 --> 00:06:21,680

lightning displays within a period of

160

00:06:29,110 --> 00:06:27,029

so at this point he still has not

161

00:06:32,070 --> 00:06:29,120

communicated directly with the beings

162

00:06:33,110 --> 00:06:32,080

but he had a ufo encounter and then

163

00:06:37,749 --> 00:06:33,120

suddenly

164

00:06:39,430 --> 00:06:37,759

has the ability to control the weather

165

00:06:42,150 --> 00:06:39,440

which is

166

00:06:44,150 --> 00:06:42,160

i think i might be wrong

167

00:06:47,029 --> 00:06:44,160

some of you will let me know if i am

168

00:06:48,469 --> 00:06:47,039

i think that might be the first

169

00:06:50,950 --> 00:06:48,479

sort of

170

00:06:54,230 --> 00:06:50,960

encounter with this idea that i've seen

171

00:06:57,749 --> 00:06:54,240

that that after a a ufo encounter you've

172

00:07:00,710 --> 00:06:57,759

got weather control at the the sort of

173

00:07:03,110 --> 00:07:00,720

level that owens has now people have

174

00:07:04,710 --> 00:07:03,120

experienced like changes to

175

00:07:06,309 --> 00:07:04,720

you know their their abilities and

176

00:07:08,950 --> 00:07:06,319

psychic abilities and things like that

177

00:07:10,309 --> 00:07:08,960

after uh encounters with the paranormal

178

00:07:13,110 --> 00:07:10,319

of course but

179

00:07:16,469 --> 00:07:13,120

i'm not sure i'm familiar with any other

180

00:07:18,870 --> 00:07:16,479

sort of weather control on the scale

181

00:07:21,909 --> 00:07:18,880

of this so owens had been writing to

182

00:07:23,589 --> 00:07:21,919

newspapers without getting

183

00:07:26,230 --> 00:07:23,599

much sort of

184

00:07:28,790 --> 00:07:26,240

response he decides he needs to step up

185

00:07:30,710 --> 00:07:28,800

his game a little bit

186

00:07:32,390 --> 00:07:30,720

electrified by my success and knowing

187

00:07:33,830 --> 00:07:32,400

for certain that i had something i wrote

188

00:07:36,150 --> 00:07:33,840

to government agencies and many

189

00:07:38,230 --> 00:07:36,160

important people but to no avail no one

190

00:07:40,070 --> 00:07:38,240

would believe me we moved then to los

191

00:07:42,309 --> 00:07:40,080

angeles also in the middle of a drought

192

00:07:43,990 --> 00:07:42,319

and i made some tremendous storms there

193

00:07:45,589 --> 00:07:44,000

on our way we drove through las vegas

194

00:07:47,589 --> 00:07:45,599

and i made a terrible storm there just

195

00:07:48,629 --> 00:07:47,599

to keep in practice it nearly wrecked

196

00:07:50,710 --> 00:07:48,639

the town

197

00:07:52,150 --> 00:07:50,720

now i figured that somehow i had managed

198

00:07:54,469 --> 00:07:52,160

to contact the essence of the

199

00:07:56,070 --> 00:07:54,479

intelligence behind nature herself and

200

00:07:58,150 --> 00:07:56,080

while resting in myrtle beach an idea

201
00:08:00,230 --> 00:07:58,160
occurred to me a hurricane had appeared

202
00:08:01,510 --> 00:08:00,240
off florida so i called my kids together

203
00:08:03,189 --> 00:08:01,520
drew a map and a course for the

204
00:08:05,350 --> 00:08:03,199
hurricane to follow

205
00:08:06,869 --> 00:08:05,360
else no one would believe me later on

206
00:08:08,869 --> 00:08:06,879
and wrote to government agencies and

207
00:08:10,950 --> 00:08:08,879
scientists about what i was doing to the

208
00:08:12,790 --> 00:08:10,960
amazement of our family the hurricane

209
00:08:14,629 --> 00:08:12,800
followed my map to the letter if it

210
00:08:16,390 --> 00:08:14,639
would start to deviate from its target i

211
00:08:18,710 --> 00:08:16,400
would communicate with nature and get it

212
00:08:20,950 --> 00:08:18,720
back onto the course i prescribed during

213
00:08:22,790 --> 00:08:20,960

that season i successfully directed

214

00:08:26,469 --> 00:08:22,800

three hurricanes to our improvised

215

00:08:30,070 --> 00:08:28,230

so he gets the feeling at this point

216

00:08:31,350 --> 00:08:30,080

that he's communicating with something

217

00:08:33,509 --> 00:08:31,360

he doesn't

218

00:08:35,829 --> 00:08:33,519

really connect it at this point to

219

00:08:38,790 --> 00:08:35,839

the ufo encounter he had he thinks he's

220

00:08:40,949 --> 00:08:38,800

communicating with the essence or the

221

00:08:43,269 --> 00:08:40,959

spirit of nature itself

222

00:08:45,350 --> 00:08:43,279

he takes his family to washington dc and

223

00:08:47,430 --> 00:08:45,360

he meets with a man named george clark

224

00:08:49,430 --> 00:08:47,440

at the cia telling him who he was and

225

00:08:51,509 --> 00:08:49,440

what he'd been doing and and

226

00:08:54,310 --> 00:08:51,519

all of his powers and he'd been writing

227

00:08:56,470 --> 00:08:54,320

the agency but the agency hadn't uh

228

00:08:57,910 --> 00:08:56,480

hadn't gotten back to him and he told

229

00:08:59,590 --> 00:08:57,920

clark i wouldn't be surprised if you

230

00:09:01,590 --> 00:08:59,600

throw me out but clark's like no i'm

231

00:09:04,389 --> 00:09:01,600

interested and he talks with owens and

232

00:09:05,670 --> 00:09:04,399

his kids for a couple of hours however

233

00:09:08,630 --> 00:09:05,680

owens says

234

00:09:11,190 --> 00:09:08,640

i got no action on it and then they go

235

00:09:12,870 --> 00:09:11,200

to nasa and talk with a mr eastwood from

236

00:09:15,350 --> 00:09:12,880

the inventions department who was

237

00:09:17,509 --> 00:09:15,360

according to owens fascinated and spent

238

00:09:19,350 --> 00:09:17,519

a couple hours talking to him explaining

239

00:09:20,310 --> 00:09:19,360

the whole thing but again in owen's

240

00:09:22,230 --> 00:09:20,320

words

241

00:09:25,110 --> 00:09:22,240

no action the owens family settles down

242

00:09:27,110 --> 00:09:25,120

in washington dc and he receives a

243

00:09:29,990 --> 00:09:27,120

message he believes or some guidance

244

00:09:32,310 --> 00:09:30,000

from this nature intelligence that told

245

00:09:35,030 --> 00:09:32,320

him to write a letter to

246

00:09:37,350 --> 00:09:35,040

george clark of the cia explaining a

247

00:09:39,269 --> 00:09:37,360

prediction or prognostication he had of

248

00:09:40,949 --> 00:09:39,279

something that would happen in the near

249

00:09:43,110 --> 00:09:40,959

future

250

00:09:44,550 --> 00:09:43,120

nature has told me to tell you that to

251

00:09:45,990 --> 00:09:44,560

prove it is using me as its

252

00:09:48,630 --> 00:09:46,000

representative it will do something

253

00:09:51,350 --> 00:09:48,640

without my using pk or knowing any of

254

00:09:53,190 --> 00:09:51,360

its nature's workings nature will in the

255

00:09:55,350 --> 00:09:53,200

near future change the north and south

256

00:09:57,030 --> 00:09:55,360

poles as the message came to me i

257

00:09:58,949 --> 00:09:57,040

believe it will use extreme heat to

258

00:10:01,190 --> 00:09:58,959

affect those two places and change the

259

00:10:02,550 --> 00:10:01,200

magnetic condition of the poles nature

260

00:10:04,389 --> 00:10:02,560

added that you won't have to check with

261

00:10:06,230 --> 00:10:04,399

any bureau on it that the results will

262

00:10:09,430 --> 00:10:06,240

be strong enough to make the newspapers

263

00:10:14,949 --> 00:10:12,310

ah the old the old pole flip trick that

264

00:10:16,069 --> 00:10:14,959

one shows up shows up from time to time

265

00:10:17,030 --> 00:10:16,079

so

266

00:10:18,790 --> 00:10:17,040

he

267

00:10:20,790 --> 00:10:18,800

sent this letter this letter was written

268

00:10:23,829 --> 00:10:20,800

he sent a little after this he says but

269

00:10:26,470 --> 00:10:23,839

the letter was written on march 9 1965

270

00:10:29,590 --> 00:10:26,480

and on july 8th of that year

271

00:10:32,389 --> 00:10:29,600

he found out that he had been dealing

272

00:10:34,870 --> 00:10:32,399

with ufo intelligences not some

273

00:10:37,750 --> 00:10:34,880

intelligent essence behind the nature of

274

00:10:40,470 --> 00:10:37,760

weather because on july 8th he found a

275

00:10:42,710 --> 00:10:40,480

newspaper article about a flying saucer

276
00:10:45,269 --> 00:10:42,720
being reported over the south pole the

277
00:10:47,190 --> 00:10:45,279
article said that the ufo had caused

278
00:10:51,190 --> 00:10:47,200
electromagnetic

279
00:10:54,389 --> 00:10:51,200
problems with some apparatuses at a base

280
00:10:57,190 --> 00:10:54,399
manned by argentinian personnel

281
00:11:00,630 --> 00:10:57,200
and because electromagnetic

282
00:11:01,430 --> 00:11:00,640
charge was involved owens interpreted

283
00:11:02,389 --> 00:11:01,440
this

284
00:11:05,910 --> 00:11:02,399
as

285
00:11:07,829 --> 00:11:05,920
confirmation of his poll magnetic

286
00:11:11,030 --> 00:11:07,839
condition prediction

287
00:11:13,590 --> 00:11:11,040
so the connection with this event and

288
00:11:15,670 --> 00:11:13,600

ufos connecting to the message he

289

00:11:17,430 --> 00:11:15,680

received about the polls sort of puts

290

00:11:21,269 --> 00:11:17,440

the pieces together in his mind that

291

00:11:24,230 --> 00:11:21,279

he's communicating with ufo beings then

292

00:11:25,910 --> 00:11:24,240

owens sees another article this is in

293

00:11:27,269 --> 00:11:25,920

october

294

00:11:30,069 --> 00:11:27,279

actually

295

00:11:33,350 --> 00:11:30,079

1964 the year before that the headline

296

00:11:35,509 --> 00:11:33,360

said u.s waging weather war moscow says

297

00:11:37,829 --> 00:11:35,519

and it's basically a sort of nothing

298

00:11:39,910 --> 00:11:37,839

story about a soviet colonel

299

00:11:41,110 --> 00:11:39,920

in moscow claiming that the united

300

00:11:42,389 --> 00:11:41,120

states was using weather control

301
00:11:45,350 --> 00:11:42,399
technology to

302
00:11:46,630 --> 00:11:45,360
send hurricanes toward cuba

303
00:11:52,949 --> 00:11:46,640
and

304
00:11:56,710 --> 00:11:52,959
that was the hurricane that i was moving

305
00:12:00,470 --> 00:11:56,720
with my maps and and my and my mind so

306
00:12:03,590 --> 00:12:00,480
he realizes that that he he was possibly

307
00:12:05,910 --> 00:12:03,600
responsible for this but he thinks the

308
00:12:08,150 --> 00:12:05,920
russians are being silly because

309
00:12:10,230 --> 00:12:08,160
those hurricanes while they did affect

310
00:12:12,069 --> 00:12:10,240
cuba also affected the united states so

311
00:12:13,910 --> 00:12:12,079
why would the united states have

312
00:12:15,509 --> 00:12:13,920
anything to gain from such an operation

313
00:12:17,430 --> 00:12:15,519

because the the russians have thought

314

00:12:20,550 --> 00:12:17,440

about it they would have known

315

00:12:23,190 --> 00:12:20,560

it was actually an individual like well

316

00:12:27,110 --> 00:12:23,200

like ted owens and the owens then in

317

00:12:30,710 --> 00:12:27,120

july of 1965 writes to george clark his

318

00:12:33,430 --> 00:12:30,720

pal at the c.i.a again

319

00:12:34,949 --> 00:12:33,440

dear george one my little friends say

320

00:12:36,710 --> 00:12:34,959

they will appear over one of our major

321

00:12:38,710 --> 00:12:36,720

u.s cities soon in one of their flying

322

00:12:41,190 --> 00:12:38,720

machines they won't name the city for

323

00:12:43,430 --> 00:12:41,200

security reasons theirs

324

00:12:45,910 --> 00:12:43,440

two they also state they will begin an

325

00:12:47,750 --> 00:12:45,920

attack campaign on the us with lightning

326

00:12:49,430 --> 00:12:47,760

lightning attacks everywhere there will

327

00:12:51,509 --> 00:12:49,440

be an unusual abundance of lightning

328

00:12:52,389 --> 00:12:51,519

bolts striking everywhere everything

329

00:12:54,550 --> 00:12:52,399

soon

330

00:12:56,710 --> 00:12:54,560

the above is an effort to prove that pk

331

00:13:02,069 --> 00:12:56,720

man is the representative and that they

332

00:13:06,870 --> 00:13:04,150

i hope i'm not alone out there and

333

00:13:09,430 --> 00:13:06,880

wishing that pk man had

334

00:13:10,470 --> 00:13:09,440

dressed up as a superhero with a giant

335

00:13:13,269 --> 00:13:10,480

pk

336

00:13:15,990 --> 00:13:13,279

on his chest or something like that

337

00:13:19,430 --> 00:13:16,000

of course uh owen says he has proof for

338

00:13:22,389 --> 00:13:19,440

this he outlines a number of lightning

339

00:13:23,910 --> 00:13:22,399

strikes on people and facilities

340

00:13:25,829 --> 00:13:23,920

throughout the rest of the summer three

341

00:13:26,949 --> 00:13:25,839

marines were killed by lightning in

342

00:13:28,790 --> 00:13:26,959

vietnam

343

00:13:31,269 --> 00:13:28,800

two golfers were killed by lightning in

344

00:13:33,750 --> 00:13:31,279

louisville georgia auburn california a

345

00:13:36,150 --> 00:13:33,760

bolt of lightning struck and exploded a

346

00:13:39,430 --> 00:13:36,160

stock pile of dynamite

347

00:13:41,590 --> 00:13:39,440

killing three and injuring one

348

00:13:43,509 --> 00:13:41,600

there are other examples a polish

349

00:13:46,629 --> 00:13:43,519

airliner was struck by a bolt of

350

00:13:48,710 --> 00:13:46,639

lightning over belgium and exploded all

351

00:13:51,269 --> 00:13:48,720

of which proved that not only that his

352

00:13:53,670 --> 00:13:51,279

predictions were were true but that this

353

00:13:57,110 --> 00:13:53,680

this was the actions of the sis he said

354

00:13:58,629 --> 00:13:57,120

the sis have been busy and one thing

355

00:14:01,509 --> 00:13:58,639

that is

356

00:14:02,389 --> 00:14:01,519

interesting about the ted owens case is

357

00:14:07,430 --> 00:14:02,399

that

358

00:14:09,350 --> 00:14:07,440

the sis the space intelligences are

359

00:14:11,430 --> 00:14:09,360

doing things like

360

00:14:14,150 --> 00:14:11,440

warning america with lightning strikes

361

00:14:16,470 --> 00:14:14,160

is not to get america necessarily to

362

00:14:19,189 --> 00:14:16,480

change this policy or that policy or

363

00:14:21,269 --> 00:14:19,199

this or that way of life it's to accept

364

00:14:22,069 --> 00:14:21,279

that ted owens is their representative

365

00:14:24,150 --> 00:14:22,079

these

366

00:14:25,030 --> 00:14:24,160

demonstrations are

367

00:14:26,949 --> 00:14:25,040

to

368

00:14:28,829 --> 00:14:26,959

sort of bolster

369

00:14:31,590 --> 00:14:28,839

owens's position

370

00:14:33,110 --> 00:14:31,600

vis-a-vis the government

371

00:14:36,470 --> 00:14:33,120

now in addition to the lightning strikes

372

00:14:38,949 --> 00:14:36,480

he also had evidence for the ufo or the

373

00:14:41,910 --> 00:14:38,959

sis making an appearance over u.s city

374

00:14:44,949 --> 00:14:41,920

july 31st there were a number of

375

00:14:47,069 --> 00:14:44,959

sightings around the country a newspaper

376

00:14:48,790 --> 00:14:47,079

said the most numerous since

377

00:14:50,629 --> 00:14:48,800

1957.

378

00:14:54,629 --> 00:14:50,639

some there were some in washington d.c

379

00:14:57,750 --> 00:14:54,639

texas new mexico oklahoma kansas

380

00:15:01,430 --> 00:14:57,760

nebraska wyoming the dakotas a whole lot

381

00:15:04,710 --> 00:15:01,440

of ufo appearances some of them over u.s

382

00:15:07,030 --> 00:15:04,720

cities like owens had predicted so in

383

00:15:09,269 --> 00:15:07,040

light of this evidence provided by the

384

00:15:10,829 --> 00:15:09,279

saucer intelligence to in owens's words

385

00:15:13,269 --> 00:15:10,839

confirmed that i was their

386

00:15:16,470 --> 00:15:13,279

representative and in communication with

387

00:15:19,269 --> 00:15:16,480

them on august 6th of 1965 he writes to

388

00:15:21,509 --> 00:15:19,279

george clarke again plus he says my

389

00:15:24,389 --> 00:15:21,519

other contacts scientists government

390

00:15:26,389 --> 00:15:24,399

agencies etc he doesn't detail who all

391

00:15:28,069 --> 00:15:26,399

of those are

392

00:15:29,670 --> 00:15:28,079

now for your amusement and because

393

00:15:31,990 --> 00:15:29,680

you've been so good to listen to me for

394

00:15:33,990 --> 00:15:32,000

so long i will let you in on something

395

00:15:36,470 --> 00:15:34,000

i'm calling in fleets of ufos here to

396

00:15:38,470 --> 00:15:36,480

philadelphia from everywhere trouble is

397

00:15:40,470 --> 00:15:38,480

i do not know what they can do to prove

398

00:15:42,389 --> 00:15:40,480

to these people here that i'm for real

399

00:15:44,389 --> 00:15:42,399

but i will think of something

400

00:15:46,150 --> 00:15:44,399

i believe they're here already because i

401

00:15:48,069 --> 00:15:46,160

sent for them this afternoon with all

402

00:15:50,069 --> 00:15:48,079

that power whatever kind it is that they

403

00:15:51,350 --> 00:15:50,079

have and it seems to be miraculous

404

00:15:53,269 --> 00:15:51,360

judging from what they've accomplished

405

00:15:54,470 --> 00:15:53,279

this past year they should do something

406

00:15:56,470 --> 00:15:54,480

startling

407

00:15:58,310 --> 00:15:56,480

i'm trying to convey the idea to them of

408

00:16:00,389 --> 00:15:58,320

coming right down over the city and

409

00:16:02,230 --> 00:16:00,399

hovering but they give me the idea back

410

00:16:03,910 --> 00:16:02,240

that we might have some kind of raise

411

00:16:05,590 --> 00:16:03,920

they have or whatever it is they have

412

00:16:07,670 --> 00:16:05,600

and hurt them or something so that

413

00:16:09,509 --> 00:16:07,680

they're resistant to do this so i am

414

00:16:11,269 --> 00:16:09,519

trying to tell them we haven't any such

415

00:16:14,949 --> 00:16:11,279

thing and that it's safe for them to

416

00:16:19,749 --> 00:16:17,670

owens then produces more reports of ufo

417

00:16:22,870 --> 00:16:19,759

sightings of which there were many in

418

00:16:25,590 --> 00:16:22,880

the mid-1960s to bolster his claim that

419

00:16:28,550 --> 00:16:25,600

the sis are listening to him

420

00:16:30,949 --> 00:16:28,560

some of his claims are

421

00:16:33,430 --> 00:16:30,959

stranger than others you might remember

422

00:16:35,590 --> 00:16:33,440

a long time ago we talked about a a

423

00:16:37,030 --> 00:16:35,600

story that took place in monroe michigan

424

00:16:38,870 --> 00:16:37,040

the the monroe

425

00:16:40,470 --> 00:16:38,880

monster the monroe county monster sort

426

00:16:43,749 --> 00:16:40,480
of black furry creature that reached

427

00:16:45,990 --> 00:16:43,759
through a car window and mauled a a

428

00:16:47,189 --> 00:16:46,000
young woman named christine

429

00:16:48,710 --> 00:16:47,199
acker

430

00:16:49,670 --> 00:16:48,720
who was with her mother

431

00:16:54,550 --> 00:16:49,680
and

432

00:16:58,230 --> 00:16:54,560
letter into the editor of the

433

00:17:01,509 --> 00:16:58,240
philadelphia daily news in august of 65

434

00:17:03,189 --> 00:17:01,519
where he he responds to this story which

435

00:17:05,990 --> 00:17:03,199
although taking place in michigan had

436

00:17:08,390 --> 00:17:06,000
been syndicated or distributed by upi

437

00:17:10,230 --> 00:17:08,400
and so it appeared in the philadelphia

438

00:17:12,949 --> 00:17:10,240

daily news

439

00:17:16,150 --> 00:17:12,959

dear sir in your story blonde gets black

440

00:17:17,590 --> 00:17:16,160

eye as thing attacks carr in your 8 1765

441

00:17:19,270 --> 00:17:17,600

paper the mother of the girl who was

442

00:17:20,949 --> 00:17:19,280

attacked and they were both in the car

443

00:17:22,870 --> 00:17:20,959

during the attack by the seven foot four

444

00:17:25,350 --> 00:17:22,880

hundred pound monster has the name of

445

00:17:27,750 --> 00:17:25,360

rose owens the girl who was attacked was

446

00:17:29,430 --> 00:17:27,760

then named owens before her marriage

447

00:17:31,110 --> 00:17:29,440

a strange coincidence

448

00:17:33,510 --> 00:17:31,120

the wednesday previously i appeared on

449

00:17:35,830 --> 00:17:33,520

the jack mckinnia show stationed wcau

450

00:17:37,510 --> 00:17:35,840

here in philadelphia and mr mckinney was

451
00:17:39,270 --> 00:17:37,520
kind enough to read a three-page letter

452
00:17:41,350 --> 00:17:39,280
or message given to me by the ufo

453
00:17:42,310 --> 00:17:41,360
intelligences to pass on to the american

454
00:17:43,430 --> 00:17:42,320
people

455
00:17:45,350 --> 00:17:43,440
so what

456
00:17:49,750 --> 00:17:45,360
what's the coincidence

457
00:17:53,750 --> 00:17:51,669
there's a lot of weird stuff in this

458
00:17:56,230 --> 00:17:53,760
story but i think this letter to the

459
00:17:58,230 --> 00:17:56,240
editor sort of takes the cake for the

460
00:18:01,350 --> 00:17:58,240
sort of head scratchingist

461
00:18:03,669 --> 00:18:01,360
thing owens is not that uncommon a name

462
00:18:06,070 --> 00:18:03,679
and i don't believe that owens was

463
00:18:07,909 --> 00:18:06,080

talking about in his radio appearance or

464

00:18:11,029 --> 00:18:07,919

in his letter

465

00:18:12,870 --> 00:18:11,039

about a monster that wasn't really

466

00:18:15,029 --> 00:18:12,880

connected to a ufo

467

00:18:17,590 --> 00:18:15,039

attacking a girl in michigan it just

468

00:18:19,990 --> 00:18:17,600

seems very very strange but business was

469

00:18:24,150 --> 00:18:20,000

about to pick up and in october october

470

00:18:25,990 --> 00:18:24,160

26 1965 the sis communicated with owens

471

00:18:30,070 --> 00:18:26,000

that he needed to send a telegram to

472

00:18:33,110 --> 00:18:30,080

george clark at the cia immediately

473

00:18:35,669 --> 00:18:33,120

a rare warning sis and fury see copy

474

00:18:37,830 --> 00:18:35,679

letter nasa before gemini 6 shot keep in

475

00:18:39,669 --> 00:18:37,840

mind vanishing rocket unless u.s

476

00:18:41,590 --> 00:18:39,679

government complies with s-i wishes they

477

00:18:43,590 --> 00:18:41,600

will unleash terrible u.s catastrophe

478

00:18:46,310 --> 00:18:43,600

within 10 days don't know what they have

479

00:18:49,190 --> 00:18:46,320

in mind but let the government be warned

480

00:18:50,789 --> 00:18:49,200

pk man

481

00:18:53,750 --> 00:18:50,799

a few weeks later

482

00:18:57,190 --> 00:18:53,760

power blackout that covered seven states

483

00:18:58,310 --> 00:18:57,200

the massive 1965 east coast

484

00:18:59,990 --> 00:18:58,320

blackout

485

00:19:02,310 --> 00:19:00,000

that was

486

00:19:04,950 --> 00:19:02,320

owens believed the

487

00:19:06,070 --> 00:19:04,960

danger the warning the catastrophe

488

00:19:07,270 --> 00:19:06,080

that

489

00:19:09,510 --> 00:19:07,280

um

490

00:19:12,630 --> 00:19:09,520

that the aliens warned over the the

491

00:19:15,510 --> 00:19:12,640

space intelligence is warned of it was

492

00:19:18,630 --> 00:19:15,520

um a little more than 10 days so the

493

00:19:20,950 --> 00:19:18,640

telegram said within 10 days then owen

494

00:19:24,070 --> 00:19:20,960

says what followed on november 10th

495

00:19:26,630 --> 00:19:24,080

about 10 days later no not about mr

496

00:19:29,669 --> 00:19:26,640

owens you said within so yes it's a

497

00:19:31,510 --> 00:19:29,679

small thing but a little inconsistency

498

00:19:33,110 --> 00:19:31,520

there but

499

00:19:36,070 --> 00:19:33,120

i mean

500

00:19:38,150 --> 00:19:36,080

i can see why people might

501
00:19:40,390 --> 00:19:38,160
see this as as being connected and as

502
00:19:43,270 --> 00:19:40,400
we're going to see there are people who

503
00:19:45,750 --> 00:19:43,280
are very serious you know

504
00:19:50,230 --> 00:19:45,760
researchers in psychic abilities who are

505
00:19:53,029 --> 00:19:50,240
going to take a great interest in owen's

506
00:19:54,950 --> 00:19:53,039
abilities and activities at this point

507
00:19:56,950 --> 00:19:54,960
owens explains that there's clearly a

508
00:19:58,950 --> 00:19:56,960
pattern that's taking place the sis

509
00:20:01,110 --> 00:19:58,960
communicate with him he in turn

510
00:20:04,230 --> 00:20:01,120
communicates with the government and

511
00:20:06,789 --> 00:20:04,240
then the si action follows he says quote

512
00:20:08,630 --> 00:20:06,799
ingenious plan on the part of the sis to

513
00:20:10,470 --> 00:20:08,640

prove their reality their connection

514

00:20:12,870 --> 00:20:10,480

with me their human agent and our

515

00:20:16,390 --> 00:20:12,880

ability to communicate with each other

516

00:20:20,870 --> 00:20:16,400

end quote so this is again

517

00:20:22,549 --> 00:20:20,880

mostly about proving that owens is the

518

00:20:23,750 --> 00:20:22,559

conduit between

519

00:20:26,710 --> 00:20:23,760

humanity

520

00:20:30,070 --> 00:20:26,720

and uh and the aliens as another example

521

00:20:33,029 --> 00:20:30,080

of this he gives us a june 1st 1966

522

00:20:35,430 --> 00:20:33,039

letter he sent to guess who george clark

523

00:20:37,750 --> 00:20:35,440

of the cia

524

00:20:40,070 --> 00:20:37,760

dear george the sis today gave me some

525

00:20:41,510 --> 00:20:40,080

interesting information to pass on seems

526
00:20:43,190 --> 00:20:41,520
that when they flew near some police

527
00:20:44,950 --> 00:20:43,200
cars in a recent sighting the stupid

528
00:20:47,110 --> 00:20:44,960
policemen actually fired guns at their

529
00:20:48,789 --> 00:20:47,120
craft this was not made public and may

530
00:20:50,789 --> 00:20:48,799
even be kept a secret by the officers

531
00:20:52,549 --> 00:20:50,799
who committed this colossal blunder

532
00:20:53,990 --> 00:20:52,559
however the sis warned that if they

533
00:20:56,070 --> 00:20:54,000
approach in friendly fashion in the

534
00:20:58,149 --> 00:20:56,080
future and are fired upon or attacked in

535
00:21:01,270 --> 00:20:58,159
an unfriendly manner the police will be

536
00:21:03,730 --> 00:21:01,280
minus one car and officers the sis will

537
00:21:07,029 --> 00:21:03,740
eliminate it as a lesson to humans

538
00:21:11,029 --> 00:21:08,470

that sounds pretty intimidating and

539

00:21:12,470 --> 00:21:11,039

owens follows us up with evidence that

540

00:21:14,310 --> 00:21:12,480

this happened

541

00:21:18,870 --> 00:21:14,320

the headline this is from the akron

542

00:21:21,669 --> 00:21:18,880

beacon journal in october 1 1966

543

00:21:24,950 --> 00:21:21,679

i love this headline flying saucer named

544

00:21:27,350 --> 00:21:24,960

floyd is man's eternal tormentor and

545

00:21:31,029 --> 00:21:27,360

it's about a former

546

00:21:31,990 --> 00:21:31,039

portage county ohio deputy named dale

547

00:21:33,430 --> 00:21:32,000

spur

548

00:21:35,830 --> 00:21:33,440

who

549

00:21:40,070 --> 00:21:35,840

had a ufo encounter

550

00:21:41,590 --> 00:21:40,080

and um chased a ufo 86 miles

551
00:21:44,789 --> 00:21:41,600
and

552
00:21:46,390 --> 00:21:44,799
eventually because of his psychological

553
00:21:48,549 --> 00:21:46,400
damage from this

554
00:21:50,070 --> 00:21:48,559
lost his marriage his health is bad he's

555
00:21:52,549 --> 00:21:50,080
got no money

556
00:21:54,470 --> 00:21:52,559
and he blames the flying saucer for

557
00:21:56,789 --> 00:21:54,480
everything

558
00:22:00,149 --> 00:21:56,799
the story does not explain

559
00:22:01,190 --> 00:22:00,159
why the flying saucer is named

560
00:22:02,950 --> 00:22:01,200
floyd

561
00:22:05,270 --> 00:22:02,960
it says now spar

562
00:22:07,350 --> 00:22:05,280
hides in solon ohio a fugitive from a

563
00:22:09,350 --> 00:22:07,360

flying saucer named floyd he cannot

564

00:22:11,750 --> 00:22:09,360

escape the strange craft it remains with

565

00:22:13,669 --> 00:22:11,760

him locked in his mind reappearing in

566

00:22:17,190 --> 00:22:13,679

nightly sweating dreams that are a

567

00:22:19,909 --> 00:22:17,200

bizarre mixture of fantasy and reality

568

00:22:22,390 --> 00:22:19,919

it's actually a fascinating encounter

569

00:22:24,630 --> 00:22:22,400

story that we'll probably cover maybe

570

00:22:26,870 --> 00:22:24,640

next week on our sort of feedback

571

00:22:28,710 --> 00:22:26,880

episode about this it's it's an

572

00:22:31,590 --> 00:22:28,720

interesting interesting article in

573

00:22:33,830 --> 00:22:31,600

general now owens's prediction said that

574

00:22:36,070 --> 00:22:33,840

that the the police would shoot at the

575

00:22:37,110 --> 00:22:36,080

saucer and they were ordered to shoot at

576

00:22:38,870 --> 00:22:37,120

it but

577

00:22:42,230 --> 00:22:38,880

unless i'm missing it as i read the

578

00:22:44,950 --> 00:22:42,240

articles reprinted here in owens's book

579

00:22:48,870 --> 00:22:44,960

nobody actually shoots it although in

580

00:22:50,950 --> 00:22:48,880

his own commentary afterwards owens asks

581

00:22:52,230 --> 00:22:50,960

well reader i wonder which one shot at

582

00:22:54,630 --> 00:22:52,240

the saucer

583

00:22:56,390 --> 00:22:54,640

that was a mistake there is now no way

584

00:22:58,630 --> 00:22:56,400

no human way that we can injure or

585

00:23:01,350 --> 00:22:58,640

destroy the saucers

586

00:23:04,870 --> 00:23:01,360

however the sis fear our attacks so he's

587

00:23:07,669 --> 00:23:04,880

assuming since one of these

588

00:23:10,870 --> 00:23:07,679

sheriff's deputies lives was ruined and

589

00:23:14,149 --> 00:23:10,880

is no longer on the force that he must

590

00:23:16,950 --> 00:23:14,159

have shot at the ufo because that's what

591

00:23:18,789 --> 00:23:16,960

the sis predicted would happen

592

00:23:20,230 --> 00:23:18,799

it's a roundabout bit of logic that we

593

00:23:22,950 --> 00:23:20,240

can't really

594

00:23:25,909 --> 00:23:22,960

square one way or the other now earlier

595

00:23:29,029 --> 00:23:25,919

in april 1966 there had been another

596

00:23:32,870 --> 00:23:29,039

big prediction of a massive ufo sighting

597

00:23:35,029 --> 00:23:32,880

in once again a letter to george clark

598

00:23:37,350 --> 00:23:35,039

dear george something momentous is in

599

00:23:38,870 --> 00:23:37,360

the wind with the sis so big that

600

00:23:40,310 --> 00:23:38,880

they're actually going to attempt to

601
00:23:42,470 --> 00:23:40,320
bring one of their craft down into

602
00:23:43,909 --> 00:23:42,480
philadelphia to contact me one of the

603
00:23:45,510 --> 00:23:43,919
big ones that is

604
00:23:47,590 --> 00:23:45,520
for some reason i've been trying to get

605
00:23:48,870 --> 00:23:47,600
them to do just that but not until today

606
00:23:51,029 --> 00:23:48,880
did they signal that they were going to

607
00:23:53,590 --> 00:23:51,039
come into philadelphia into center city

608
00:23:54,950 --> 00:23:53,600
to try a contact with me that is how

609
00:23:56,630 --> 00:23:54,960
important it is to them to make a

610
00:23:59,190 --> 00:23:56,640
contact physically with their human

611
00:24:00,710 --> 00:23:59,200
contacts i understand from thinking with

612
00:24:03,269 --> 00:24:00,720
them that ordinarily they hate to go

613
00:24:05,110 --> 00:24:03,279

into a city down around buildings etc

614

00:24:06,470 --> 00:24:05,120

but frustrated over the us government's

615

00:24:08,950 --> 00:24:06,480

refusal to help me meet them in the

616

00:24:10,710 --> 00:24:08,960

michigan woods or an isolated european

617

00:24:12,789 --> 00:24:10,720

castle they will make an effort to find

618

00:24:14,230 --> 00:24:12,799

me here they know where i am at all

619

00:24:16,630 --> 00:24:14,240

times but reaching me with one of their

620

00:24:18,390 --> 00:24:16,640

large craft that's something else so

621

00:24:20,710 --> 00:24:18,400

when you read about the ufo seen in

622

00:24:26,070 --> 00:24:20,720

philadelphia in the days or weeks ahead

623

00:24:30,149 --> 00:24:29,190

and as you might expect ufos appeared

624

00:24:32,470 --> 00:24:30,159

over

625

00:24:34,549 --> 00:24:32,480

philadelphia now

626

00:24:36,470 --> 00:24:34,559

it seems like this is going on and on

627

00:24:38,870 --> 00:24:36,480

and on i understand that and i am i'm

628

00:24:40,950 --> 00:24:38,880

not detailing every

629

00:24:43,590 --> 00:24:40,960

sort of piece of of evidence for his

630

00:24:45,350 --> 00:24:43,600

predictions or the si's predictions that

631

00:24:48,549 --> 00:24:45,360

uh that that owes

632

00:24:52,549 --> 00:24:48,559

is is putting in this book but as we get

633

00:24:54,390 --> 00:24:52,559

into 1966 and 1967 things are going to

634

00:24:55,830 --> 00:24:54,400

begin to heat up a little bit because

635

00:24:56,630 --> 00:24:55,840

the sis

636

00:24:59,669 --> 00:24:56,640

are

637

00:25:03,669 --> 00:24:59,679

beginning to lose their patience this is

638

00:25:05,590 --> 00:25:03,679

a july 11 1966 letter to the cia's

639

00:25:07,909 --> 00:25:05,600

george clarke

640

00:25:09,350 --> 00:25:07,919

the sis are near this area and are about

641

00:25:11,269 --> 00:25:09,360

to make a move that will bring them to

642

00:25:13,510 --> 00:25:11,279

public notice again just in case people

643

00:25:14,950 --> 00:25:13,520

are forgetting them something startling

644

00:25:16,470 --> 00:25:14,960

they are getting restless because i'm

645

00:25:18,789 --> 00:25:16,480

not getting anywhere with the us

646

00:25:20,310 --> 00:25:18,799

government

647

00:25:22,470 --> 00:25:20,320

some more demonstrations are going to

648

00:25:23,830 --> 00:25:22,480

come and this time they're going to be a

649

00:25:28,549 --> 00:25:23,840

little bit more

650

00:25:32,230 --> 00:25:28,559

threatening

651
00:25:36,710 --> 00:25:32,240
june 21st owens writes to jack mckinney

652
00:25:38,870 --> 00:25:36,720
who was a host at the radio station wcau

653
00:25:40,950 --> 00:25:38,880
in philadelphia

654
00:25:42,470 --> 00:25:40,960
dear jack i've been fighting off writing

655
00:25:45,350 --> 00:25:42,480
this to you for several weeks but when

656
00:25:47,029 --> 00:25:45,360
the sis put on the pressure you're right

657
00:25:49,669 --> 00:25:47,039
what they want me to do is to give a

658
00:25:52,470 --> 00:25:49,679
practical demonstration at wcau of how

659
00:25:54,549 --> 00:25:52,480
pk or psi power works at cape kennedy

660
00:25:57,269 --> 00:25:54,559
and other places this will involve

661
00:25:59,110 --> 00:25:57,279
making a pk map my usual procedure the

662
00:26:00,549 --> 00:25:59,120
sis use this as a training procedure

663
00:26:02,549 --> 00:26:00,559

with me so that i can understand what

664

00:26:04,789 --> 00:26:02,559

they are doing i will send you a copy

665

00:26:07,269 --> 00:26:04,799

and keep a copy of this map then slowly

666

00:26:09,909 --> 00:26:07,279

the power will build up at wcau as the

667

00:26:12,789 --> 00:26:09,919

pk grows there and in the days weeks and

668

00:26:15,350 --> 00:26:12,799

months ahead this is what to expect

669

00:26:17,110 --> 00:26:15,360

high degree of human error electrical

670

00:26:19,269 --> 00:26:17,120

disturbances and breakdowns

671

00:26:22,310 --> 00:26:19,279

electromagnetic disturbances

672

00:26:24,470 --> 00:26:22,320

fires poltergeist phenomena of all types

673

00:26:27,830 --> 00:26:24,480

lightning hits employees out with the

674

00:26:29,669 --> 00:26:27,840

flu markedly unreasonable human behavior

675

00:26:31,990 --> 00:26:29,679

mechanical malfunction

676

00:26:32,950 --> 00:26:32,000

weird and unusual accidents of minor

677

00:26:35,510 --> 00:26:32,960

nature

678

00:26:37,669 --> 00:26:35,520

the sis are keeping in mind that wcau

679

00:26:39,430 --> 00:26:37,679

and jack mckinney are their friends so

680

00:26:41,510 --> 00:26:39,440

don't worry about this being devastating

681

00:26:43,830 --> 00:26:41,520

as their work is at other places they

682

00:26:45,590 --> 00:26:43,840

just want to show wcau what it is really

683

00:26:47,669 --> 00:26:45,600

like to be within the range of the sis

684

00:26:48,950 --> 00:26:47,679

for a period of time with the sis

685

00:26:50,950 --> 00:26:48,960

zeroing in

686

00:26:52,549 --> 00:26:50,960

let me spell it out they're punishing

687

00:26:54,789 --> 00:26:52,559

the air force currently with blood in

688

00:26:57,669 --> 00:26:54,799

their eye this is not the same they are

689

00:27:01,110 --> 00:26:57,679

giving wcau a practical demonstration in

690

00:27:02,470 --> 00:27:01,120

psi pk with friendship in their eye

691

00:27:06,630 --> 00:27:02,480

sincerely

692

00:27:12,390 --> 00:27:09,669

some of those things sound fairly scary

693

00:27:14,630 --> 00:27:12,400

um fires poltergeist activity uh

694

00:27:16,630 --> 00:27:14,640

employees out with the flu the ones that

695

00:27:19,430 --> 00:27:16,640

are the vague ones are the ones that

696

00:27:22,230 --> 00:27:19,440

bother me the most markedly unreasonable

697

00:27:25,350 --> 00:27:22,240

human behavior and weird and unusual

698

00:27:27,350 --> 00:27:25,360

accidents of minor nature and he he does

699

00:27:29,190 --> 00:27:27,360

make clear doesn't he that this is the

700

00:27:30,230 --> 00:27:29,200

the sis are not being mean they're just

701
00:27:31,269 --> 00:27:30,240

gonna

702
00:27:33,510 --> 00:27:31,279

i don't know

703
00:27:34,870 --> 00:27:33,520

slap you around a little bit to get your

704
00:27:36,789 --> 00:27:34,880

attention not like they're doing to the

705
00:27:39,590 --> 00:27:36,799

air force where bad things are

706
00:27:41,350 --> 00:27:39,600

apparently happening so there was

707
00:27:43,510 --> 00:27:41,360

shortly after this

708
00:27:44,710 --> 00:27:43,520

a lightning strike that

709
00:27:52,230 --> 00:27:44,720

took out

710
00:27:55,110 --> 00:27:52,240

you know owens took credit for that he

711
00:27:57,470 --> 00:27:55,120

also takes credit for a variety of

712
00:28:00,549 --> 00:27:57,480

blackouts that are happening throughout

713
00:28:03,830 --> 00:28:00,559

1966 up and down

714

00:28:05,990 --> 00:28:03,840

the east coast and into uh into

715

00:28:07,430 --> 00:28:06,000

the american midwest

716

00:28:10,070 --> 00:28:07,440

so

717

00:28:12,470 --> 00:28:10,080

this idea of demonstrating

718

00:28:13,110 --> 00:28:12,480

his ability to communicate and to sort

719

00:28:15,750 --> 00:28:13,120

of

720

00:28:16,950 --> 00:28:15,760

order the sis around or to request them

721

00:28:21,190 --> 00:28:16,960

to do things

722

00:28:24,230 --> 00:28:21,200

sort of crossed over in 1967

723

00:28:25,350 --> 00:28:24,240

with some well-known members of the ufo

724

00:28:27,510 --> 00:28:25,360

scene

725

00:28:28,470 --> 00:28:27,520

jim mosley was

726

00:28:30,789 --> 00:28:28,480

putting

727

00:28:34,389 --> 00:28:30,799

a convention on in new york city it was

728

00:28:37,909 --> 00:28:34,399

a big convention and owens was going to

729

00:28:41,269 --> 00:28:37,919

try and do something kind of spectacular

730

00:28:42,389 --> 00:28:41,279

apparently in early 1967 timothy green

731

00:28:45,190 --> 00:28:42,399

beckley

732

00:28:47,990 --> 00:28:45,200

had written to

733

00:28:50,549 --> 00:28:48,000

ted owens and asked that there be

734

00:28:52,950 --> 00:28:50,559

some good weather for the

735

00:28:55,350 --> 00:28:52,960

massive ufo convention that was going to

736

00:28:58,950 --> 00:28:55,360

be happening in new york later

737

00:29:01,590 --> 00:28:58,960

that year i suspect this letter to owens

738

00:29:05,590 --> 00:29:01,600

was written in a kind of tongue-in-cheek

739

00:29:08,950 --> 00:29:05,600
way but on february 19th 1967

740

00:29:10,070 --> 00:29:08,960
owens replied to beckley

741

00:29:12,389 --> 00:29:10,080
dear tim

742

00:29:14,230 --> 00:29:12,399
you requested i asked the sis to furnish

743

00:29:16,950 --> 00:29:14,240
good weather for your ufo meeting in new

744

00:29:18,389 --> 00:29:16,960
york this i cannot do for the sis have

745

00:29:20,630 --> 00:29:18,399
the u.s set up for rain and

746

00:29:22,389 --> 00:29:20,640
precipitation to eliminate the drought

747

00:29:25,350 --> 00:29:22,399
and this we would not want to tamper

748

00:29:27,590 --> 00:29:25,360
with but this we can do i will contact

749

00:29:29,430 --> 00:29:27,600
the sis immediately and ask them to

750

00:29:31,110 --> 00:29:29,440
appear strongly in the new york area

751

00:29:33,669 --> 00:29:31,120

through the ufo meeting to draw

752

00:29:35,510 --> 00:29:33,679

attention to new york area and to them

753

00:29:37,669 --> 00:29:35,520

i'll stress as best i can to them that

754

00:29:39,750 --> 00:29:37,679

they do something unusually spectacular

755

00:29:41,669 --> 00:29:39,760

at the time of the ufo meeting like

756

00:29:43,750 --> 00:29:41,679

another total new york blackout or

757

00:29:45,430 --> 00:29:43,760

something of that scope i trust this

758

00:29:47,510 --> 00:29:45,440

will meet your group's approval one

759

00:29:49,669 --> 00:29:47,520

important thing and please let me know

760

00:29:51,830 --> 00:29:49,679

if i bring the above about which will

761

00:29:58,070 --> 00:29:51,840

certainly help your ufo meeting will you

762

00:30:02,630 --> 00:30:00,230

yeah well do something to show off the

763

00:30:05,190 --> 00:30:02,640

si's abilities for your ufo convention

764

00:30:07,590 --> 00:30:05,200

like maybe a massive blackout

765

00:30:09,750 --> 00:30:07,600

there the matter seemed to sit for a

766

00:30:16,230 --> 00:30:09,760

while until

767

00:30:18,389 --> 00:30:16,240

may of 1967 when mosley wrote to owens

768

00:30:19,909 --> 00:30:18,399

dear mr owens i've just finished fixing

769

00:30:21,350 --> 00:30:19,919

up your ad for our forthcoming summer

770

00:30:22,789 --> 00:30:21,360

issue of saucer news we were also

771

00:30:24,870 --> 00:30:22,799

including your letter to the editor

772

00:30:26,149 --> 00:30:24,880

about possible sensational activity by

773

00:30:27,350 --> 00:30:26,159

the space people just before the

774

00:30:28,710 --> 00:30:27,360

convention

775

00:30:30,950 --> 00:30:28,720

yes that would be wonderful if you can

776

00:30:33,830 --> 00:30:30,960

arrange it let's see if you can

777

00:30:38,149 --> 00:30:36,230

and owens responds

778

00:30:40,149 --> 00:30:38,159

dear jim thanks for the card i'm

779

00:30:41,830 --> 00:30:40,159

contacting the sis immediately to do

780

00:30:43,510 --> 00:30:41,840

something sensational in their area of

781

00:30:45,909 --> 00:30:43,520

activity to point up the flying saucer

782

00:30:47,029 --> 00:30:45,919

convention and draw interest to it i

783

00:30:48,630 --> 00:30:47,039

will explain to them that this

784

00:30:50,149 --> 00:30:48,640

convention is in their interest and the

785

00:30:51,990 --> 00:30:50,159

people attending it who are sympathetic

786

00:30:53,669 --> 00:30:52,000

to them i'm going to ask them to bring

787

00:30:55,269 --> 00:30:53,679

about another great power blackout or

788

00:30:57,029 --> 00:30:55,279

something on that scale

789

00:30:58,950 --> 00:30:57,039

and if they will not do that then to

790

00:31:01,509 --> 00:30:58,960

appear in great numbers in and about new

791

00:31:03,590 --> 00:31:01,519

york from now until convention time as a

792

00:31:05,350 --> 00:31:03,600

signal that they are here are real and

793

00:31:07,269 --> 00:31:05,360

wish the humans in the u.s to focus

794

00:31:09,590 --> 00:31:07,279

their attention on the convention fair

795

00:31:12,710 --> 00:31:09,600

enough my batting average thus far which

796

00:31:14,630 --> 00:31:12,720

mac mckinney states is amazing is 88

797

00:31:15,830 --> 00:31:14,640

so i'm not worried that the sis might

798

00:31:16,830 --> 00:31:15,840

not respond

799

00:31:18,389 --> 00:31:16,840

pk

800

00:31:21,269 --> 00:31:18,399

man

801
00:31:22,870 --> 00:31:21,279
mosley replies again and is seemingly

802
00:31:26,149 --> 00:31:22,880
getting a little nervous about what the

803
00:31:28,070 --> 00:31:26,159
pk man might be cooking up

804
00:31:29,269 --> 00:31:28,080
dear ted owens thanks for the letters

805
00:31:30,789 --> 00:31:29,279
it's very interesting how you have

806
00:31:32,950 --> 00:31:30,799
apparently made many of your predictions

807
00:31:34,470 --> 00:31:32,960
come true i would be most sincerely

808
00:31:36,470 --> 00:31:34,480
impressed if you can indeed make

809
00:31:37,669 --> 00:31:36,480
something spectacular happen just before

810
00:31:39,750 --> 00:31:37,679
the convention

811
00:31:41,669 --> 00:31:39,760
let's not have a power failure in nyc

812
00:31:43,830 --> 00:31:41,679
too close to the convention date however

813
00:31:47,269 --> 00:31:43,840

as people might get scared or something

814

00:31:51,669 --> 00:31:49,350

owens says just to make sure there would

815

00:31:56,070 --> 00:31:51,679

be no misunderstanding i wrote back to

816

00:31:58,470 --> 00:31:56,080

jim on may 19th as follows

817

00:32:00,389 --> 00:31:58,480

dear jim i'm asking the sis to deal new

818

00:32:02,149 --> 00:32:00,399

york another power blackout or show

819

00:32:04,149 --> 00:32:02,159

their craft there in a striking way or

820

00:32:06,070 --> 00:32:04,159

do something big and mysterious before

821

00:32:08,070 --> 00:32:06,080

june 22nd new york to help boost

822

00:32:09,990 --> 00:32:08,080

interest in the convention i'm sure you

823

00:32:12,310 --> 00:32:10,000

will get powerful results something

824

00:32:15,340 --> 00:32:12,320

exciting and unusual should affect power

825

00:32:17,830 --> 00:32:15,350

and electricity when it happens pk man

826

00:32:20,789 --> 00:32:17,840

[Music]

827

00:32:22,950 --> 00:32:20,799

and then a few days later there was a

828

00:32:24,950 --> 00:32:22,960

blackout in queens

829

00:32:28,389 --> 00:32:24,960

the saint albans section of queens was

830

00:32:29,830 --> 00:32:28,399

blacked out for nearly 90 minutes

831

00:32:32,710 --> 00:32:29,840

owens

832

00:32:34,149 --> 00:32:32,720

sends a telegram or a letter back to jim

833

00:32:36,710 --> 00:32:34,159

mosley saying

834

00:32:39,909 --> 00:32:36,720

this seems to be a beginning

835

00:32:41,590 --> 00:32:39,919

and mosley responded

836

00:32:45,430 --> 00:32:41,600

thanks for the letter i'll look forward

837

00:32:51,269 --> 00:32:47,990

mosley doesn't seem to be too awfully

838

00:32:53,909 --> 00:32:51,279

impressed and then on june 5th there's

839

00:32:57,430 --> 00:32:53,919

you know the mass of the largest power

840

00:33:00,070 --> 00:32:57,440

outage of of that time hits

841

00:33:02,310 --> 00:33:00,080

owens sends a telegram to mosley he

842

00:33:04,789 --> 00:33:02,320

specifies after the power came back on

843

00:33:06,149 --> 00:33:04,799

which said the following

844

00:33:08,470 --> 00:33:06,159

you said i'll look forward to the

845

00:33:12,710 --> 00:33:08,480

blackout i gave it to you may i have

846

00:33:15,509 --> 00:33:12,720

confirmation please ted owens

847

00:33:18,789 --> 00:33:15,519

as far as confirmation goes mosley

848

00:33:21,350 --> 00:33:18,799

didn't respond but timothy green beckley

849

00:33:24,750 --> 00:33:21,360

who was the managing editor of saucer

850

00:33:29,269 --> 00:33:24,760

news at the time did respond on june 12

851

00:33:31,590 --> 00:33:29,279

1967 on saucer news letterhead

852

00:33:33,350 --> 00:33:31,600

dear ted many thanks for having the sis

853

00:33:34,950 --> 00:33:33,360

come through with that promised blackout

854

00:33:36,870 --> 00:33:34,960

i'm quite certain that this event and

855

00:33:38,470 --> 00:33:36,880

others which they shall perform before

856

00:33:40,230 --> 00:33:38,480

the convention will attract many persons

857

00:33:42,789 --> 00:33:40,240

who otherwise would not have come we're

858

00:33:44,230 --> 00:33:42,799

hoping for a ufo sighting a good one or

859

00:33:45,669 --> 00:33:44,240

landing about three days before the

860

00:33:48,230 --> 00:33:45,679

start of the convention to build press

861

00:33:49,909 --> 00:33:48,240

interest closer to new york the better

862

00:33:51,750 --> 00:33:49,919

i'm sorry jack mckinney wouldn't let jim

863

00:33:53,190 --> 00:33:51,760

mosely john keeler myself mentioned your

864

00:33:55,190 --> 00:33:53,200

prediction on the air on the evening of

865

00:33:57,269 --> 00:33:55,200

the blackout we had hoped to but he

866

00:33:58,789 --> 00:33:57,279

thought we'd best not mention it however

867

00:34:01,909 --> 00:33:58,799

you have been mentioned by name on the

868

00:34:04,070 --> 00:34:01,919

long john show last friday and on wbab

869

00:34:06,070 --> 00:34:04,080

by yours truly the same day we'll listen

870

00:34:07,430 --> 00:34:06,080

to the ed harvey show on the 19th don't

871

00:34:09,190 --> 00:34:07,440

forget to mention the convention if

872

00:34:11,669 --> 00:34:09,200

possible the evening sessions start at

873

00:34:13,030 --> 00:34:11,679

8pm and the afternoon ones at 2pm jim

874

00:34:15,190 --> 00:34:13,040

and i hope you'll be able to make it for

875

00:34:17,190 --> 00:34:15,200

at least the saturday or sunday sessions

876

00:34:19,109 --> 00:34:17,200

dr condon of the university of colorado

877

00:34:20,389 --> 00:34:19,119

is flying in for the event as are other

878

00:34:22,069 --> 00:34:20,399

noted officials

879

00:34:23,750 --> 00:34:22,079

probably the best boost for you is the

880

00:34:25,190 --> 00:34:23,760

fact that the summer convention issue of

881

00:34:26,869 --> 00:34:25,200

saucer news contains your letter

882

00:34:28,710 --> 00:34:26,879

predicting such a blackout before it

883

00:34:30,149 --> 00:34:28,720

actually occurred to avoid any

884

00:34:31,990 --> 00:34:30,159

misunderstanding i am writing this

885

00:34:33,990 --> 00:34:32,000

letter on a personal basis and my

886

00:34:36,310 --> 00:34:34,000

opinions do not necessarily agree with

887

00:34:38,310 --> 00:34:36,320

those of the entire staff of saucer news

888

00:34:41,510 --> 00:34:38,320

with kindest regards timothy green

889

00:34:43,669 --> 00:34:41,520

beckley managing editor

890

00:34:46,389 --> 00:34:43,679

owens actually included a facsimile of

891

00:34:48,950 --> 00:34:46,399

this letter itself in the appendix to

892

00:34:51,030 --> 00:34:48,960

the book which he didn't do with all of

893

00:34:53,510 --> 00:34:51,040

the correspondence he received so he

894

00:34:56,710 --> 00:34:53,520

believed clearly that this was

895

00:34:58,470 --> 00:34:56,720

a significant form of confirmation of

896

00:35:01,829 --> 00:34:58,480

his abilities or rather his

897

00:35:03,589 --> 00:35:01,839

relationships with the sis

898

00:35:05,990 --> 00:35:03,599

after the break we're going to come back

899

00:35:08,390 --> 00:35:06,000

and talk about how specifically he

900

00:35:09,990 --> 00:35:08,400

communicated with the sis and what he

901
00:35:12,950 --> 00:35:10,000
had to say about that what they had to

902
00:35:15,990 --> 00:35:12,960
say about some situations on earth and

903
00:35:19,589 --> 00:35:16,000
we'll look at sort of later in the 1970s

904
00:35:21,109 --> 00:35:19,599
and into the 1980s how parapsychologist

905
00:35:24,150 --> 00:35:21,119
jeffrey mishlov

906
00:35:25,620 --> 00:35:24,160
had some dealings with the pk man as

907
00:35:31,270 --> 00:35:25,630
well

908
00:35:34,390 --> 00:35:32,950
we'll be back in a week fielding your

909
00:35:37,030 --> 00:35:34,400
questions and comments about this

910
00:35:39,430 --> 00:35:37,040
episode as usual and maybe looking in a

911
00:35:42,470 --> 00:35:39,440
little more depth at that strange story

912
00:35:44,470 --> 00:35:42,480
about the sheriff's deputy in ohio then

913
00:35:46,950 --> 00:35:44,480

on the next regular episode we've got

914

00:35:48,390 --> 00:35:46,960

some john keel specifically we've got

915

00:35:50,710 --> 00:35:48,400

some interesting articles that kiel

916

00:35:52,870 --> 00:35:50,720

wrote for saga magazine a publication

917

00:35:56,069 --> 00:35:52,880

appearing here today and at various

918

00:35:58,150 --> 00:35:56,079

other times in our show's history if you

919

00:35:59,829 --> 00:35:58,160

like the saucer life and want more you

920

00:36:01,990 --> 00:35:59,839

can support us in exchange for bonus

921

00:36:03,910 --> 00:36:02,000

content from both the saucer life and

922

00:36:07,349 --> 00:36:03,920

our sister show great lakes lore check

923

00:36:09,349 --> 00:36:07,359

it out at patreon.com chiso media or via

924

00:36:11,190 --> 00:36:09,359

the link in the show notes or google

925

00:36:12,470 --> 00:36:11,200

saucerlife patreon

926
00:36:14,470 --> 00:36:12,480
numerous ways

927
00:36:16,069 --> 00:36:14,480
to find the patreon you have to sort of

928
00:36:17,990 --> 00:36:16,079
not be looking for it

929
00:36:19,510 --> 00:36:18,000
in order to not

930
00:36:20,710 --> 00:36:19,520
find it

931
00:36:22,630 --> 00:36:20,720
or something

932
00:36:25,109 --> 00:36:22,640
you can check out past episodes at

933
00:36:26,710 --> 00:36:25,119
saucerlife.com or your favorite podcast

934
00:36:29,030 --> 00:36:26,720
app and as always we're on twitter and

935
00:36:32,230 --> 00:36:29,040
instagram saucerlife and you can email

936
00:36:35,349 --> 00:36:32,240
us at thesaucerlife gmail.com you can

937
00:36:40,890 --> 00:36:35,359
contact us by post at chiso media po box

938
00:36:45,910 --> 00:36:40,900

68 grand blank michigan 484 80.

939

00:36:50,150 --> 00:36:48,550

so finally at the end of this first book

940

00:36:52,150 --> 00:36:50,160

we get to the chapter how you can

941

00:36:55,270 --> 00:36:52,160

contact the sis and it talks a little

942

00:36:59,109 --> 00:36:55,280

bit owens talks a little bit about the

943

00:37:01,349 --> 00:36:59,119

um the system he's used to communicate

944

00:37:03,589 --> 00:37:01,359

with them once he realized that he was

945

00:37:07,030 --> 00:37:03,599

talking to ufo people and not just the

946

00:37:10,150 --> 00:37:07,040

spirit of nature they gave him a system

947

00:37:12,230 --> 00:37:10,160

in his mind's eye he saw a small chamber

948

00:37:13,589 --> 00:37:12,240

with two small creatures resembling

949

00:37:15,270 --> 00:37:13,599

grasshoppers they would eventually

950

00:37:17,510 --> 00:37:15,280

become known as

951
00:37:19,990 --> 00:37:17,520
twitter and tweeter

952
00:37:22,870 --> 00:37:20,000
which seems like a very 21st century

953
00:37:24,710 --> 00:37:22,880
thing so insects standing on two legs

954
00:37:27,190 --> 00:37:24,720
and they look down into a large oval

955
00:37:29,270 --> 00:37:27,200
machine and in this machine through this

956
00:37:32,230 --> 00:37:29,280
oval window they could see

957
00:37:34,550 --> 00:37:32,240
him and if ted talked they would hear

958
00:37:38,230 --> 00:37:34,560
the sound and the machine translated it

959
00:37:40,310 --> 00:37:38,240
into symbols and high frequency sounds

960
00:37:42,230 --> 00:37:40,320
that the aliens could understand so he

961
00:37:43,910 --> 00:37:42,240
would talk to them in english and it

962
00:37:46,790 --> 00:37:43,920
would be translated

963
00:37:48,870 --> 00:37:46,800

for them and then occasionally owns

964

00:37:50,470 --> 00:37:48,880

would communicate with their boss or a

965

00:37:51,829 --> 00:37:50,480

higher intelligence who would be on the

966

00:37:53,190 --> 00:37:51,839

screen

967

00:37:55,349 --> 00:37:53,200

and

968

00:37:56,230 --> 00:37:55,359

that would happen like

969

00:37:57,030 --> 00:37:56,240

that

970

00:37:58,790 --> 00:37:57,040

he

971

00:38:00,630 --> 00:37:58,800

said quote it wasn't a face that

972

00:38:02,630 --> 00:38:00,640

appeared in the screen on the wall but a

973

00:38:04,230 --> 00:38:02,640

shadow which had the form of a face the

974

00:38:06,470 --> 00:38:04,240

only thing to be seen clearly were two

975

00:38:07,670 --> 00:38:06,480

green eyes shining from the screen they

976
00:38:09,750 --> 00:38:07,680
made me know that their higher

977
00:38:12,230 --> 00:38:09,760
intelligence is made up of what we call

978
00:38:14,069 --> 00:38:12,240
light no form at all but it had a face

979
00:38:15,990 --> 00:38:14,079
out of shadow on the screen to converse

980
00:38:18,470 --> 00:38:16,000
with me because that's what i'm used to

981
00:38:21,270 --> 00:38:18,480
talking to a human face

982
00:38:22,150 --> 00:38:21,280
so it's a contact experience but it's

983
00:38:23,270 --> 00:38:22,160
not

984
00:38:25,670 --> 00:38:23,280
um

985
00:38:27,510 --> 00:38:25,680
it's not a typical contact experience

986
00:38:29,589 --> 00:38:27,520
it's not channeling

987
00:38:31,430 --> 00:38:29,599
but it's it's psychic

988
00:38:32,870 --> 00:38:31,440

but there seems to be technology

989

00:38:33,829 --> 00:38:32,880

involved it's a

990

00:38:37,589 --> 00:38:33,839

very

991

00:38:40,390 --> 00:38:37,599

sort of unique contact situation so how

992

00:38:42,310 --> 00:38:40,400

can we do this how can how can readers

993

00:38:44,390 --> 00:38:42,320

of the of the book do this

994

00:38:46,069 --> 00:38:44,400

owen says the easiest thing to do we

995

00:38:47,190 --> 00:38:46,079

have a leg up on everybody because we

996

00:38:51,270 --> 00:38:47,200

can

997

00:38:54,230 --> 00:38:51,280

imitate what owens does but owens does

998

00:38:56,390 --> 00:38:54,240

discuss that he has had some extensive

999

00:38:59,270 --> 00:38:56,400

training he studied the roth memory

1000

00:39:02,470 --> 00:38:59,280

system which you can buy a book about

1001
00:39:05,030 --> 00:39:02,480
in a store he is a master of auto

1002
00:39:08,470 --> 00:39:05,040
hypnosis he says and he's been teaching

1003
00:39:09,510 --> 00:39:08,480
that technique to other people

1004
00:39:12,630 --> 00:39:09,520
he

1005
00:39:14,310 --> 00:39:12,640
said that a scientist zac howe said that

1006
00:39:16,390 --> 00:39:14,320
they did not believe the essays could

1007
00:39:19,470 --> 00:39:16,400
have reached owens mentally without his

1008
00:39:21,750 --> 00:39:19,480
deep experience and knowledge of

1009
00:39:22,790 --> 00:39:21,760
self-hypnosis so

1010
00:39:25,510 --> 00:39:22,800
learning

1011
00:39:27,270 --> 00:39:25,520
self-conditioning self-hypnosis the roth

1012
00:39:29,270 --> 00:39:27,280
system of memory

1013
00:39:32,150 --> 00:39:29,280

these things plus

1014

00:39:33,670 --> 00:39:32,160

what owens does will help you he says

1015

00:39:36,310 --> 00:39:33,680

quote if you want to try to meet their

1016

00:39:38,390 --> 00:39:36,320

craft go through the above and tell them

1017

00:39:41,109 --> 00:39:38,400

you will go out into the country and the

1018

00:39:42,790 --> 00:39:41,119

next day or in two days etc then go out

1019

00:39:44,710 --> 00:39:42,800

into the country preferably after dark

1020

00:39:45,910 --> 00:39:44,720

to an area where there are no people and

1021

00:39:47,670 --> 00:39:45,920

where you definitely won't be

1022

00:39:49,670 --> 00:39:47,680

interrupted switch on a strong

1023

00:39:51,990 --> 00:39:49,680

flashlight set it down upon the ground

1024

00:39:53,349 --> 00:39:52,000

with its beam up into the air and sit

1025

00:39:55,270 --> 00:39:53,359

down in the dark

1026

00:39:57,910 --> 00:39:55,280

if a ufo ever does come to you force

1027

00:39:59,910 --> 00:39:57,920

yourself to sit still put your hands out

1028

00:40:02,470 --> 00:39:59,920

palms outward on the ground by your side

1029

00:40:04,390 --> 00:40:02,480

or in your lap as it comes close or as

1030

00:40:06,950 --> 00:40:04,400

the intelligence gets close by you may

1031

00:40:09,349 --> 00:40:06,960

want to scream and a force or pressure

1032

00:40:11,829 --> 00:40:09,359

may make you want to run run run but if

1033

00:40:13,510 --> 00:40:11,839

you can stick it out you'll meet the sis

1034

00:40:15,510 --> 00:40:13,520

i went through that ordeal one time and

1035

00:40:17,670 --> 00:40:15,520

will never forget it as long as i live

1036

00:40:20,630 --> 00:40:17,680

my hair stood up on my head i could

1037

00:40:23,910 --> 00:40:20,640

hardly get my breath it was ghastly

1038

00:40:25,109 --> 00:40:23,920

but wouldn't it be worth it to meet nsi

1039

00:40:26,790 --> 00:40:25,119

end quote

1040

00:40:29,670 --> 00:40:26,800

so that's what you have to do and if

1041

00:40:32,790 --> 00:40:29,680

you're familiar with stephen greer's um

1042

00:40:34,069 --> 00:40:32,800

early attempts to go out and sort of ufo

1043

00:40:36,790 --> 00:40:34,079

watch there were some flashlights

1044

00:40:40,470 --> 00:40:36,800

involved so i'd be interested to know

1045

00:40:43,990 --> 00:40:40,480

if greer had done some of the uh sort of

1046

00:40:46,630 --> 00:40:44,000

psychic training and conditioning that

1047

00:40:48,230 --> 00:40:46,640

that ted owens was involved with now

1048

00:40:51,270 --> 00:40:48,240

there's a second book or booklet which

1049

00:40:53,589 --> 00:40:51,280

is questions and answers from the from

1050

00:40:54,870 --> 00:40:53,599

the sis and

1051

00:40:56,790 --> 00:40:54,880

it's i'm going to put a link to it in

1052

00:41:00,550 --> 00:40:56,800

the show notes it's a lot to go through

1053

00:41:04,309 --> 00:41:00,560

it's a little tedious but i excerpted

1054

00:41:06,069 --> 00:41:04,319

some of the ones that i thought was was

1055

00:41:07,270 --> 00:41:06,079

interesting one of the things we learn

1056

00:41:09,589 --> 00:41:07,280

is that

1057

00:41:11,270 --> 00:41:09,599

because of his interactions with them

1058

00:41:12,470 --> 00:41:11,280

owens is now

1059

00:41:18,230 --> 00:41:12,480

part

1060

00:41:21,270 --> 00:41:18,240

s eyes and the sis are

1061

00:41:22,870 --> 00:41:21,280

protecting him and this clip begins with

1062

00:41:25,190 --> 00:41:22,880

with the interviewer

1063

00:41:27,670 --> 00:41:25,200

character in this book asking you know

1064

00:41:30,150 --> 00:41:27,680

if that's because he's part s i now when

1065

00:41:32,790 --> 00:41:30,160

i recorded it it wasn't that clear but

1066

00:41:35,829 --> 00:41:32,800

there follows a story of how he's being

1067

00:41:38,630 --> 00:41:35,839

protected that owens tells that is that

1068

00:41:41,109 --> 00:41:38,640

it's just a little bit loony

1069

00:41:42,950 --> 00:41:41,119

since you are part s.i now

1070

00:41:44,309 --> 00:41:42,960

right and this sort of thing has gone on

1071

00:41:46,790 --> 00:41:44,319

through the years i should have been

1072

00:41:48,390 --> 00:41:46,800

killed about 15 times by now another

1073

00:41:49,750 --> 00:41:48,400

exciting incident occurred when a blonde

1074

00:41:51,510 --> 00:41:49,760

woman hired me to drive her down to

1075

00:41:52,950 --> 00:41:51,520

mexico city she paid me a thousand

1076

00:41:54,790 --> 00:41:52,960

dollars told me she was running away

1077

00:41:56,790 --> 00:41:54,800

from her cruel husband what she didn't

1078

00:41:58,390 --> 00:41:56,800

tell me until we were halfway there was

1079

00:42:00,150 --> 00:41:58,400

that she had stolen all the money out of

1080

00:42:01,990 --> 00:42:00,160

their joint bank account sold their home

1081

00:42:04,069 --> 00:42:02,000

in business and had the divorce papers

1082

00:42:06,230 --> 00:42:04,079

served on her husband the very day we

1083

00:42:08,069 --> 00:42:06,240

left for mexico city how she must have

1084

00:42:09,829 --> 00:42:08,079

hated him anyway i got her down to

1085

00:42:11,829 --> 00:42:09,839

mexico city safely and started back to

1086

00:42:13,589 --> 00:42:11,839

the states at the edge of durango i

1087

00:42:15,670 --> 00:42:13,599

stopped for gas at a filling station a

1088

00:42:17,270 --> 00:42:15,680

small boy was the attendant i went into

1089

00:42:19,430 --> 00:42:17,280

the station office to pay the boy when

1090

00:42:20,870 --> 00:42:19,440

suddenly two men came to the door one

1091

00:42:22,309 --> 00:42:20,880

just stood outside the door keeping

1092

00:42:23,990 --> 00:42:22,319

watch and the other came in pulling a

1093

00:42:25,670 --> 00:42:24,000

knife from his pocket the boy looked

1094

00:42:27,990 --> 00:42:25,680

petrified and told me these were very

1095

00:42:29,589 --> 00:42:28,000

bad men that he knew them instantly i

1096

00:42:31,030 --> 00:42:29,599

realized the blonde had decided to buy

1097

00:42:32,870 --> 00:42:31,040

some insurance that i wouldn't give her

1098

00:42:34,710 --> 00:42:32,880

hiding place away to her husband and had

1099

00:42:36,870 --> 00:42:34,720

sent these men after me i stared the

1100

00:42:38,309 --> 00:42:36,880

knife man in the eyes and he froze i

1101
00:42:40,069 --> 00:42:38,319
walked to the door and stared the other

1102
00:42:41,750 --> 00:42:40,079
man in the eyes then walked by him got

1103
00:42:44,069 --> 00:42:41,760
to my car and drove out of there as fast

1104
00:42:46,550 --> 00:42:44,079
as i could but just before i got to san

1105
00:42:48,309 --> 00:42:46,560
antonio still in mexico a truck with two

1106
00:42:50,390 --> 00:42:48,319
men in it rammed me from behind at full

1107
00:42:52,550 --> 00:42:50,400
speed whiplashing me violently and

1108
00:42:54,230 --> 00:42:52,560
knocking me out when i came to on the

1109
00:42:56,230 --> 00:42:54,240
ground outside my car where i'd been

1110
00:42:57,990 --> 00:42:56,240
thrown by the impact the truck was still

1111
00:43:00,710 --> 00:42:58,000
parked behind my car and the men were in

1112
00:43:02,470 --> 00:43:00,720
it i got up went up to them stared them

1113
00:43:04,710 --> 00:43:02,480

in their eyes and they drove off without

1114

00:43:06,150 --> 00:43:04,720

saying a word another time my daughter

1115

00:43:08,069 --> 00:43:06,160

lorney and i were walking along a

1116

00:43:10,470 --> 00:43:08,079

sidewalk in san antonio when suddenly a

1117

00:43:12,230 --> 00:43:10,480

man crossed the street walked toward me

1118

00:43:13,990 --> 00:43:12,240

pulled out a long knife and said over

1119

00:43:16,309 --> 00:43:14,000

and over that he was going to kill me i

1120

00:43:18,309 --> 00:43:16,319

put down my satchel i was selling bibles

1121

00:43:20,230 --> 00:43:18,319

and put lorne behind me as the man

1122

00:43:22,069 --> 00:43:20,240

approached i looked him in the eyes he

1123

00:43:23,829 --> 00:43:22,079

came up to within a few feet of me had

1124

00:43:26,069 --> 00:43:23,839

the knife on his right hip professional

1125

00:43:28,069 --> 00:43:26,079

style with the cutting edge up i stared

1126

00:43:30,470 --> 00:43:28,079

into his eyes suddenly he dropped the

1127

00:43:32,230 --> 00:43:30,480

knife got down on his knees and began to

1128

00:43:34,069 --> 00:43:32,240

pat lorney on the head she had etched

1129

00:43:36,150 --> 00:43:34,079

around to see what was going on he

1130

00:43:39,990 --> 00:43:36,160

apologized to lorney for threatening me

1131

00:43:43,510 --> 00:43:40,000

picked up the knife and ran away

1132

00:43:46,230 --> 00:43:43,520

whatever else you say about ted owens

1133

00:43:47,910 --> 00:43:46,240

i think it's clear that there is no

1134

00:43:51,510 --> 00:43:47,920

contact d at least that i've encountered

1135

00:43:54,950 --> 00:43:51,520

so far that had a story that

1136

00:43:56,950 --> 00:43:54,960

that crazy and wild it was it's it's fun

1137

00:43:59,670 --> 00:43:56,960

it's it's just fun but there are other

1138

00:44:02,710 --> 00:43:59,680

areas in which owens's knowledge gained

1139

00:44:05,510 --> 00:44:02,720

through the sis is um potentially you

1140

00:44:08,790 --> 00:44:05,520

know lacking in some ways this

1141

00:44:10,470 --> 00:44:08,800

exchange struck me as odd

1142

00:44:11,670 --> 00:44:10,480

how many planets are there in the solar

1143

00:44:12,630 --> 00:44:11,680

system

1144

00:44:14,710 --> 00:44:12,640

what

1145

00:44:16,230 --> 00:44:14,720

planets i wouldn't know about that i've

1146

00:44:16,970 --> 00:44:16,240

never discussed anything like that with

1147

00:44:20,470 --> 00:44:16,980

the sis

1148

00:44:23,190 --> 00:44:20,480

[Music]

1149

00:44:24,069 --> 00:44:23,200

i mean the answer at the time was like

1150

00:44:27,829 --> 00:44:24,079

nine

1151
00:44:31,030 --> 00:44:27,839
but um yeah just a strange gap in the

1152
00:44:32,150 --> 00:44:31,040
knowledge um he also gets into

1153
00:44:33,270 --> 00:44:32,160
some

1154
00:44:34,829 --> 00:44:33,280
um

1155
00:44:37,430 --> 00:44:34,839
geopolitical

1156
00:44:39,589 --> 00:44:37,440
prognostications that are

1157
00:44:41,829 --> 00:44:39,599
a bit strange again i will

1158
00:44:45,670 --> 00:44:41,839
tell you that that these words are ted

1159
00:44:48,150 --> 00:44:45,680
owens's they are not mine

1160
00:44:50,309 --> 00:44:48,160
you say the sis might destroy the us

1161
00:44:52,390 --> 00:44:50,319
could you enlarge on that no you're

1162
00:44:54,390 --> 00:44:52,400
wrong i didn't say that the sis will

1163
00:44:56,950 --> 00:44:54,400

allow russia and china to destroy us if

1164

00:44:59,270 --> 00:44:56,960

we don't cooperate with the sis think of

1165

00:45:00,790 --> 00:44:59,280

the world as a large field on a farm if

1166

00:45:02,550 --> 00:45:00,800

one section of the field won't grow

1167

00:45:04,150 --> 00:45:02,560

crops or be productive then the farmer

1168

00:45:06,230 --> 00:45:04,160

will just quit planting on it and let it

1169

00:45:08,230 --> 00:45:06,240

go to rot and that's what will happen to

1170

00:45:09,589 --> 00:45:08,240

the u.s if we don't pay attention to the

1171

00:45:11,270 --> 00:45:09,599

sis

1172

00:45:12,550 --> 00:45:11,280

you say the asians and blacks will

1173

00:45:13,829 --> 00:45:12,560

become the big powers in the world

1174

00:45:15,430 --> 00:45:13,839

eventually

1175

00:45:17,430 --> 00:45:15,440

yes that's right the asian race will

1176
00:45:19,270 --> 00:45:17,440
become the main chief power of the world

1177
00:45:21,270 --> 00:45:19,280
after the u.s is destroyed and the black

1178
00:45:22,870 --> 00:45:21,280
people become the second largest power

1179
00:45:24,550 --> 00:45:22,880
the asians will come pouring over the

1180
00:45:26,309 --> 00:45:24,560
alaskan straits incidentally into this

1181
00:45:27,990 --> 00:45:26,319
country to occupy it after we've been

1182
00:45:30,069 --> 00:45:28,000
destroyed and when that happens the

1183
00:45:31,670 --> 00:45:30,079
whites will practically be non-existent

1184
00:45:32,870 --> 00:45:31,680
if there are any whites left the asians

1185
00:45:34,390 --> 00:45:32,880
and blacks will pursue them and

1186
00:45:35,990 --> 00:45:34,400
eliminate them as if they were the

1187
00:45:37,430 --> 00:45:36,000
plague because the asians and blacks

1188
00:45:38,950 --> 00:45:37,440

have had enough of the whites in this

1189

00:45:40,150 --> 00:45:38,960

world

1190

00:45:42,069 --> 00:45:40,160

do you think they will put the whites

1191

00:45:43,430 --> 00:45:42,079

and colonies by themselves

1192

00:45:45,109 --> 00:45:43,440

no i don't think they'll allow the

1193

00:45:47,030 --> 00:45:45,119

whites to exist and risk the whites

1194

00:45:48,309 --> 00:45:47,040

becoming numerous and strong again i

1195

00:45:49,910 --> 00:45:48,319

think the whites will be attacked and

1196

00:45:51,670 --> 00:45:49,920

eliminated in the same way that we

1197

00:45:53,270 --> 00:45:51,680

attack and eliminate cancer in the body

1198

00:45:55,750 --> 00:45:53,280

when we find it

1199

00:45:57,190 --> 00:45:55,760

after the u.s is destroyed the sis will

1200

00:45:58,870 --> 00:45:57,200

still come down and try to help the

1201

00:46:00,390 --> 00:45:58,880

world won't they

1202

00:46:02,150 --> 00:46:00,400

no i don't think so

1203

00:46:04,390 --> 00:46:02,160

after the nuclear war that destroys the

1204

00:46:06,150 --> 00:46:04,400

us the sis will be so far behind in

1205

00:46:07,829 --> 00:46:06,160

their plans it will be pitiful that's

1206

00:46:09,589 --> 00:46:07,839

why they put such a high value on me

1207

00:46:11,750 --> 00:46:09,599

because i can communicate with the sis

1208

00:46:14,309 --> 00:46:11,760

and other humans the first human to be

1209

00:46:16,550 --> 00:46:14,319

able to do so since mooses's time now the

1210

00:46:18,950 --> 00:46:16,560

o i's want this to happen want us to be

1211

00:46:24,550 --> 00:46:18,960

destroyed want the sis held back unable

1212

00:46:29,670 --> 00:46:27,430

that's quite the prediction the ois by

1213

00:46:32,309 --> 00:46:29,680

the way are other intelligences sort of

1214

00:46:35,030 --> 00:46:32,319

the the bad guys to the sis good guys

1215

00:46:37,589 --> 00:46:35,040

although the sis don't strike me as good

1216

00:46:38,950 --> 00:46:37,599

guys in any particularly

1217

00:46:42,470 --> 00:46:38,960

traditional

1218

00:46:45,750 --> 00:46:42,480

good guy sort of uh sort of manner so

1219

00:46:48,470 --> 00:46:45,760

we've got some geopolitical predictions

1220

00:46:50,550 --> 00:46:48,480

here we've got some

1221

00:46:53,910 --> 00:46:50,560

international

1222

00:46:58,230 --> 00:46:53,920

racial and ethnic politics sort of sort

1223

00:46:59,589 --> 00:46:58,240

of playing out in an odd way and we also

1224

00:47:00,550 --> 00:46:59,599

have

1225

00:47:03,589 --> 00:47:00,560

just

1226

00:47:06,309 --> 00:47:03,599

other um other things that that he says

1227

00:47:08,790 --> 00:47:06,319

in this booklet of questions

1228

00:47:10,390 --> 00:47:08,800

and answers uh but one thing that that

1229

00:47:13,750 --> 00:47:10,400

comes across

1230

00:47:15,190 --> 00:47:13,760

over and over is is the importance of

1231

00:47:17,990 --> 00:47:15,200

owens's

1232

00:47:20,309 --> 00:47:18,000

position in this entire story he said in

1233

00:47:21,990 --> 00:47:20,319

that last excerpt that he's the first

1234

00:47:25,829 --> 00:47:22,000

human to be able to communicate between

1235

00:47:28,470 --> 00:47:25,839

the sis and humanity since moises's time

1236

00:47:29,270 --> 00:47:28,480

so basically he sets himself up as moises

1237

00:47:32,390 --> 00:47:29,280

which

1238

00:47:35,430 --> 00:47:32,400

i guess makes the sis the god of the

1239

00:47:38,150 --> 00:47:35,440

hebrew bible or at least that

1240

00:47:40,790 --> 00:47:38,160

figure in the story we also learn that

1241

00:47:42,950 --> 00:47:40,800

the flying saucers piloted by the sis

1242

00:47:45,349 --> 00:47:42,960

are impossible to destroy they never

1243

00:47:48,470 --> 00:47:45,359

have accidents

1244

00:47:51,510 --> 00:47:48,480

the beings the humanoid beings the human

1245

00:47:53,109 --> 00:47:51,520

appearing beings that contact these have

1246

00:47:55,510 --> 00:47:53,119

encountered

1247

00:47:57,190 --> 00:47:55,520

owens has asked about that he says that

1248

00:48:00,069 --> 00:47:57,200

the higher forms of

1249

00:48:03,349 --> 00:48:00,079

sis are taking the shape of humans or

1250

00:48:06,069 --> 00:48:03,359

another option is that the sis hypnotize

1251
00:48:09,190 --> 00:48:06,079
some humans into believing they have

1252
00:48:11,829 --> 00:48:09,200
human form so when george adamski meets

1253
00:48:14,309 --> 00:48:11,839
orthon in the california desert he's

1254
00:48:16,950 --> 00:48:14,319
probably meeting one of owens's sis who

1255
00:48:19,589 --> 00:48:16,960
has either conditioned adamski's mind to

1256
00:48:22,390 --> 00:48:19,599
see him in a certain way or is taking on

1257
00:48:25,829 --> 00:48:22,400
this sort of shape-shifted form

1258
00:48:28,950 --> 00:48:25,839
now owens is 1972 booklet it's about 35

1259
00:48:30,230 --> 00:48:28,960
pages uh flying saucer intelligence's

1260
00:48:33,349 --> 00:48:30,240
speak

1261
00:48:34,390 --> 00:48:33,359
goes into his well begins with rather

1262
00:48:38,470 --> 00:48:34,400
his

1263
00:48:40,230 --> 00:48:38,480

earliest experiences

1264

00:48:42,470 --> 00:48:40,240

but it does so in a way that's different

1265

00:48:45,349 --> 00:48:42,480

from the 1960

1266

00:48:48,470 --> 00:48:45,359

68 book because it deals more directly

1267

00:48:51,430 --> 00:48:48,480

with the messages he got from these

1268

00:48:54,150 --> 00:48:51,440

alien powers and it's

1269

00:48:55,430 --> 00:48:54,160

a lot of it goes into the predictions

1270

00:48:57,430 --> 00:48:55,440

and then the results of those

1271

00:48:58,710 --> 00:48:57,440

predictions but there is some really

1272

00:49:02,390 --> 00:48:58,720

interesting stuff

1273

00:49:05,829 --> 00:49:02,400

about the the earliest dialogues between

1274

00:49:07,670 --> 00:49:05,839

owens and the sis

1275

00:49:10,470 --> 00:49:07,680

first the triangle and rectangle popped

1276

00:49:12,230 --> 00:49:10,480

into my mind then the letters a b and c

1277

00:49:13,910 --> 00:49:12,240

i realized that had never happened

1278

00:49:16,069 --> 00:49:13,920

before and that the ufos must be

1279

00:49:17,670 --> 00:49:16,079

contacting me so i shushed the kids

1280

00:49:18,870 --> 00:49:17,680

grabbed a pencil and paper and began

1281

00:49:20,630 --> 00:49:18,880

making notes

1282

00:49:21,510 --> 00:49:20,640

the following is what came through at 10

1283

00:49:24,870 --> 00:49:21,520

pm

1284

00:49:26,950 --> 00:49:24,880

on february 6th 1965.

1285

00:49:28,390 --> 00:49:26,960

can't come later we'll go find them and

1286

00:49:30,549 --> 00:49:28,400

blot out

1287

00:49:33,349 --> 00:49:30,559

when can we meet we know you we are

1288

00:49:35,829 --> 00:49:33,359

friends tonight is late for us power low

1289

00:49:37,990 --> 00:49:35,839

keep open mind we will be back with you

1290

00:49:39,910 --> 00:49:38,000

your needs will be met a study is being

1291

00:49:41,670 --> 00:49:39,920

made of how to bring this about why are

1292

00:49:43,510 --> 00:49:41,680

your people crazy your earth is

1293

00:49:46,069 --> 00:49:43,520

disorganized we would like to help

1294

00:49:48,710 --> 00:49:46,079

organize it we did it once before long

1295

00:49:51,750 --> 00:49:48,720

ago in your time people wore robes as

1296

00:49:55,829 --> 00:49:51,760

you call them then and wore beards hair

1297

00:50:01,510 --> 00:49:58,870

so the sis communicate with owens and

1298

00:50:03,190 --> 00:50:01,520

they want owens to to track these

1299

00:50:04,710 --> 00:50:03,200

manifestations they're going to cause

1300

00:50:08,150 --> 00:50:04,720

that are that are proof

1301

00:50:09,109 --> 00:50:08,160

that they are who they say they are

1302

00:50:12,870 --> 00:50:09,119

but

1303

00:50:14,630 --> 00:50:12,880

owens has an issue with this

1304

00:50:16,230 --> 00:50:14,640

we will arrange in the next few days to

1305

00:50:17,750 --> 00:50:16,240

be seen by your people and by that

1306

00:50:19,750 --> 00:50:17,760

method you will know we are making a

1307

00:50:21,270 --> 00:50:19,760

signal for you count the number of

1308

00:50:22,950 --> 00:50:21,280

different places we are seen and this

1309

00:50:25,270 --> 00:50:22,960

will be the number of days before we are

1310

00:50:27,030 --> 00:50:25,280

able to contact you again a magnetic

1311

00:50:28,870 --> 00:50:27,040

condition makes it hard for us to get

1312

00:50:30,549 --> 00:50:28,880

through to you at all times

1313

00:50:32,470 --> 00:50:30,559

you have a question

1314

00:50:34,069 --> 00:50:32,480

yes i need money save five thousand

1315

00:50:35,430 --> 00:50:34,079

dollars to buy a car and go across

1316

00:50:39,190 --> 00:50:35,440

country to meet you

1317

00:50:42,630 --> 00:50:39,200

yes we know money but we do not use it

1318

00:50:47,589 --> 00:50:44,870

owens is pretty quick to inform them

1319

00:50:50,069 --> 00:50:47,599

that yes diamonds will do nicely you can

1320

00:50:52,309 --> 00:50:50,079

exchange diamonds for money and the sis

1321

00:50:54,230 --> 00:50:52,319

say that where they where they came from

1322

00:50:55,910 --> 00:50:54,240

we have all kinds of diamonds and owens

1323

00:50:58,069 --> 00:50:55,920

says that they need to fly over his

1324

00:50:59,510 --> 00:50:58,079

house and drop the diamonds

1325

00:51:02,710 --> 00:50:59,520

and um

1326

00:51:06,230 --> 00:51:04,710

we will think of it if we do we will

1327

00:51:08,390 --> 00:51:06,240

include the tool you need to prove to

1328

00:51:11,589 --> 00:51:08,400

your people there must be no people war

1329

00:51:13,670 --> 00:51:11,599

on earth with atomic weapons

1330

00:51:16,950 --> 00:51:13,680

i mostly included that for the phrase

1331

00:51:18,790 --> 00:51:16,960

people war with atomic weapons a month

1332

00:51:22,230 --> 00:51:18,800

later owens is in the house with his

1333

00:51:26,230 --> 00:51:22,240

kids and they are listening to the radio

1334

00:51:28,630 --> 00:51:26,240

and the sis communicate with him again

1335

00:51:31,349 --> 00:51:28,640

we have a plan please turn that machine

1336

00:51:34,309 --> 00:51:31,359

off can't get through very good

1337

00:51:36,390 --> 00:51:34,319

very well do you have a car machine

1338

00:51:38,549 --> 00:51:36,400

yes but it will not work it's broken

1339

00:51:41,190 --> 00:51:38,559

that's why i need money we are going to

1340

00:51:43,109 --> 00:51:41,200

take care of that money do not worry

1341

00:51:44,950 --> 00:51:43,119

about it you will be richer than anyone

1342

00:51:47,430 --> 00:51:44,960

in your country before long

1343

00:51:48,710 --> 00:51:47,440

we want to see you talk to you can we

1344

00:51:51,750 --> 00:51:48,720

come down

1345

00:51:53,270 --> 00:51:51,760

uh yeah in my backyard i'll let you in

1346

00:51:55,910 --> 00:51:53,280

will you be alone

1347

00:51:59,109 --> 00:51:55,920

yes i'll have my family upstairs

1348

00:52:00,710 --> 00:51:59,119

no harm will come to us no absolutely no

1349

00:52:02,790 --> 00:52:00,720

lower your flying machine near my back

1350

00:52:04,710 --> 00:52:02,800

door and step onto my back porch knock

1351

00:52:07,030 --> 00:52:04,720

loudly on the door i'll let you in and

1352

00:52:08,630 --> 00:52:07,040

we can communicate i'm very pleased and

1353

00:52:10,790 --> 00:52:08,640

anxious to meet you

1354

00:52:12,630 --> 00:52:10,800

yes we have what you need to convince

1355

00:52:15,829 --> 00:52:12,640

your crazy people your government that

1356

00:52:18,870 --> 00:52:15,839

we exist and can control your world if

1357

00:52:20,549 --> 00:52:18,880

you can use it it will be yours to keep

1358

00:52:21,430 --> 00:52:20,559

you need a car so that you can go far

1359

00:52:24,870 --> 00:52:21,440

away

1360

00:52:29,430 --> 00:52:27,270

owens does acknowledge that the one

1361

00:52:31,829 --> 00:52:29,440

promise that the sis have not kept is

1362

00:52:33,910 --> 00:52:31,839

that he will have more money than anyone

1363

00:52:35,670 --> 00:52:33,920

on earth but another thing that happens

1364

00:52:38,710 --> 00:52:35,680

here is that

1365

00:52:43,349 --> 00:52:38,720

one of owens's children um beau his son

1366

00:52:46,630 --> 00:52:43,359

beau had german measles and a friend

1367

00:52:49,589 --> 00:52:46,640

of theirs a young girl was in a hospital

1368

00:52:51,270 --> 00:52:49,599

and was was thought to be dying and the

1369

00:52:52,870 --> 00:52:51,280

saucer intelligences

1370

00:52:55,349 --> 00:52:52,880

make it clear that they will heal them

1371

00:52:56,870 --> 00:52:55,359

and later on in his career owens will

1372

00:52:59,510 --> 00:52:56,880

engage in

1373

00:53:01,109 --> 00:52:59,520

psychic healing activities

1374

00:53:03,030 --> 00:53:01,119

now in addition to

1375

00:53:05,510 --> 00:53:03,040

learning that they are able to heal

1376
00:53:06,470 --> 00:53:05,520
people remotely we also learn a little

1377
00:53:10,230 --> 00:53:06,480
bit

1378
00:53:11,750 --> 00:53:10,240
are from

1379
00:53:14,790 --> 00:53:11,760
where are you from

1380
00:53:16,870 --> 00:53:14,800
some jupiter others other places

1381
00:53:18,060 --> 00:53:16,880
even from inside this earth

1382
00:53:19,910 --> 00:53:18,070
goodbye now

1383
00:53:22,150 --> 00:53:19,920
[Music]

1384
00:53:25,670 --> 00:53:22,160
i like that they're not all from the

1385
00:53:28,950 --> 00:53:25,680
same place now at another point

1386
00:53:30,870 --> 00:53:28,960
owens is intending to go to

1387
00:53:32,710 --> 00:53:30,880
vietnam

1388
00:53:33,990 --> 00:53:32,720

through the government to

1389

00:53:35,349 --> 00:53:34,000

he doesn't really explain what he's

1390

00:53:38,069 --> 00:53:35,359

trying to do but

1391

00:53:39,510 --> 00:53:38,079

the intelligences are not keen on the

1392

00:53:41,270 --> 00:53:39,520

idea

1393

00:53:43,750 --> 00:53:41,280

do not go away far

1394

00:53:46,309 --> 00:53:43,760

vietnam your people will try to kill you

1395

00:53:48,230 --> 00:53:46,319

we need you alive listen carefully there

1396

00:53:50,549 --> 00:53:48,240

are others like us against us who could

1397

00:53:52,870 --> 00:53:50,559

cause you harm be careful of your life

1398

00:53:54,870 --> 00:53:52,880

of your shell it has taken us ages in

1399

00:53:56,470 --> 00:53:54,880

your time to find a shell like you who

1400

00:53:58,309 --> 00:53:56,480

can communicate with us

1401
00:54:00,150 --> 00:53:58,319
we do not want to lose you but remember

1402
00:54:03,109 --> 00:54:00,160
that you are every moment in great

1403
00:54:05,589 --> 00:54:03,119
danger from them who use shell bodies

1404
00:54:06,960 --> 00:54:05,599
they look like and seem like real people

1405
00:54:09,589 --> 00:54:06,970
but they are not

1406
00:54:13,270 --> 00:54:09,599
[Music]

1407
00:54:15,670 --> 00:54:13,280
from there it basically recounts owens's

1408
00:54:18,950 --> 00:54:15,680
claims of of having these messages from

1409
00:54:21,990 --> 00:54:18,960
the sis and then the proof that appears

1410
00:54:26,230 --> 00:54:22,000
in the various newspapers and this 30

1411
00:54:29,030 --> 00:54:26,240
some page pamphlet ends with a message

1412
00:54:32,870 --> 00:54:29,040
to the american people from the flying

1413
00:54:35,829 --> 00:54:32,880

saucer intelligence and in it a little

1414

00:54:38,710 --> 00:54:35,839

it's like four or five pages they give

1415

00:54:41,589 --> 00:54:38,720

some indication of what they're after

1416

00:54:44,870 --> 00:54:41,599

and how they're going to convince us

1417

00:54:46,630 --> 00:54:44,880

of their abilities

1418

00:54:48,390 --> 00:54:46,640

we are causing severe drought with our

1419

00:54:50,309 --> 00:54:48,400

machines in your skies so that we can

1420

00:54:52,309 --> 00:54:50,319

teach you a basic lesson which is that

1421

00:54:54,470 --> 00:54:52,319

our intelligence is far superior to that

1422

00:54:56,710 --> 00:54:54,480

of earth intelligence we can control

1423

00:54:57,670 --> 00:54:56,720

earth people because we can control what

1424

00:54:58,710 --> 00:54:57,680

you call

1425

00:55:01,270 --> 00:54:58,720

weather

1426

00:55:02,789 --> 00:55:01,280

when and not before our earth human has

1427

00:55:05,430 --> 00:55:02,799

been accepted by our government and put

1428

00:55:07,030 --> 00:55:05,440

to good use then and only then will we

1429

00:55:08,870 --> 00:55:07,040

release the drought conditions and let

1430

00:55:11,030 --> 00:55:08,880

rainfall come in abundance down onto

1431

00:55:13,190 --> 00:55:11,040

your thirsty earth we will also add

1432

00:55:13,910 --> 00:55:13,200

pestilence and sickness and what you

1433

00:55:15,030 --> 00:55:13,920

call

1434

00:55:16,710 --> 00:55:15,040

accidents

1435

00:55:18,390 --> 00:55:16,720

we will follow the structure of events

1436

00:55:20,549 --> 00:55:18,400

which we used as in the days of the

1437

00:55:22,309 --> 00:55:20,559

human you know as mooses as he strove

1438

00:55:24,630 --> 00:55:22,319

against the ruler of the great country

1439

00:55:27,190 --> 00:55:24,640

called egypt and we helped moises in that

1440

00:55:29,990 --> 00:55:27,200

day so shall we help the human friend we

1441

00:55:31,829 --> 00:55:30,000

know now as ted owens it may please him

1442

00:55:33,990 --> 00:55:31,839

to think that he is the rainmaker of

1443

00:55:35,910 --> 00:55:34,000

course we make the rain for him but what

1444

00:55:37,349 --> 00:55:35,920

is the difference so that you people of

1445

00:55:39,349 --> 00:55:37,359

the earth will believe the message we

1446

00:55:41,349 --> 00:55:39,359

send to you and we do not expect you to

1447

00:55:42,870 --> 00:55:41,359

believe it unless we show proof

1448

00:55:45,109 --> 00:55:42,880

listen carefully

1449

00:55:46,870 --> 00:55:45,119

from now on in time ahead we will lift

1450

00:55:49,190 --> 00:55:46,880

the drought for a little and let it rain

1451
00:55:51,510 --> 00:55:49,200
where it is needed then lest you think

1452
00:55:53,270 --> 00:55:51,520
it is perchance we will drop the curtain

1453
00:55:55,510 --> 00:55:53,280
once more with our machines and let the

1454
00:55:57,670 --> 00:55:55,520
rays of the sun penetrate the bowels of

1455
00:56:00,309 --> 00:55:57,680
the earth and dry up your rivers your

1456
00:56:01,190 --> 00:56:00,319
lakes your plants until you accept our

1457
00:56:05,270 --> 00:56:01,200
human

1458
00:56:12,230 --> 00:56:08,069
so again there's a heavy emphasis on

1459
00:56:16,630 --> 00:56:12,240
people accepting ted owens as a

1460
00:56:18,870 --> 00:56:16,640
you know messenger of the ufos or as the

1461
00:56:20,549 --> 00:56:18,880
first article about ted owens in saga

1462
00:56:23,829 --> 00:56:20,559
magazine in

1463
00:56:25,589 --> 00:56:23,839

august of 1970 would put it a spokesman

1464

00:56:27,430 --> 00:56:25,599

for the ufos

1465

00:56:29,510 --> 00:56:27,440

the article sort of has the little

1466

00:56:31,750 --> 00:56:29,520

heading have we been sent and ignored

1467

00:56:33,510 --> 00:56:31,760

messages from spacemen do the saucer

1468

00:56:35,670 --> 00:56:33,520

intelligences control our weather our

1469

00:56:38,309 --> 00:56:35,680

civilization our very lives with their

1470

00:56:40,630 --> 00:56:38,319

incredibly advanced science has one man

1471

00:56:42,950 --> 00:56:40,640

ted owens really been selected to relay

1472

00:56:45,270 --> 00:56:42,960

their warnings and predictions do we

1473

00:56:46,549 --> 00:56:45,280

have in our midst a spokesman for the

1474

00:56:49,109 --> 00:56:46,559

ufos

1475

00:56:51,109 --> 00:56:49,119

otto o binder

1476

00:56:53,270 --> 00:56:51,119

who has written some uh had written some

1477

00:56:55,589 --> 00:56:53,280

ufo books and we are there's gonna be an

1478

00:56:58,309 --> 00:56:55,599

auto binder episode in our future

1479

00:57:01,829 --> 00:56:58,319

long history of writing science fiction

1480

00:57:04,870 --> 00:57:01,839

writing um writing comic books huge huge

1481

00:57:06,150 --> 00:57:04,880

numbers of captain marvel and marvel

1482

00:57:08,870 --> 00:57:06,160

family

1483

00:57:12,470 --> 00:57:08,880

comics for fawcett comics back in the

1484

00:57:14,710 --> 00:57:12,480

day he also wrote for saga magazine

1485

00:57:17,190 --> 00:57:14,720

about various paranormal topics

1486

00:57:19,349 --> 00:57:17,200

including several articles about

1487

00:57:22,150 --> 00:57:19,359

ted owens and for the most part these

1488

00:57:23,990 --> 00:57:22,160

articles recap the stories and the

1489

00:57:25,510 --> 00:57:24,000

predictions and the results that were

1490

00:57:27,430 --> 00:57:25,520

told in

1491

00:57:29,430 --> 00:57:27,440

the book but there are a couple

1492

00:57:32,309 --> 00:57:29,440

interesting ones that i thought that i

1493

00:57:36,069 --> 00:57:32,319

thought would be fun to mention

1494

00:57:38,789 --> 00:57:36,079

owens wrote a letter in july of 1969 to

1495

00:57:40,870 --> 00:57:38,799

president nixon that said the sis told

1496

00:57:43,109 --> 00:57:40,880

me that there's already a plot underway

1497

00:57:45,190 --> 00:57:43,119

has been completely planned to kidnap

1498

00:57:47,430 --> 00:57:45,200

you at your key biscayne residence the

1499

00:57:49,109 --> 00:57:47,440

bad guys cubans know how well protected

1500

00:57:51,510 --> 00:57:49,119

you are but they're going to strike at

1501
00:57:53,510 --> 00:57:51,520
night by water with fast boats with a

1502
00:57:54,950 --> 00:57:53,520
highly skilled commando group of 50 to

1503
00:57:58,390 --> 00:57:54,960
100 men

1504
00:58:00,390 --> 00:57:58,400
signed ted owens pk man and

1505
00:58:01,430 --> 00:58:00,400
binder reports a month later the miami

1506
00:58:03,829 --> 00:58:01,440
herald

1507
00:58:06,630 --> 00:58:03,839
talks about a spy plot that

1508
00:58:09,270 --> 00:58:06,640
shatters prospects for renewing cuba and

1509
00:58:11,030 --> 00:58:09,280
u.s ties that castro's u.n diplomats

1510
00:58:13,990 --> 00:58:11,040
have been revealed to spies

1511
00:58:17,589 --> 00:58:14,000
as a lot of diplomats sometimes are this

1512
00:58:20,630 --> 00:58:17,599
was taken as a as a confirmation of

1513
00:58:23,349 --> 00:58:20,640

owens's uh owen's predictions one thing

1514

00:58:25,589 --> 00:58:23,359

that this initial article uh by binder

1515

00:58:27,910 --> 00:58:25,599

about owens and sort of some interview

1516

00:58:30,870 --> 00:58:27,920

stuff with him makes clear is that owens

1517

00:58:32,950 --> 00:58:30,880

is not a ufo person he's not a ufologist

1518

00:58:33,829 --> 00:58:32,960

he's not active in the ufo field in any

1519

00:58:35,750 --> 00:58:33,839

way

1520

00:58:39,190 --> 00:58:35,760

he's just a guy who has these abilities

1521

00:58:42,710 --> 00:58:39,200

because of a ufo and and from the space

1522

00:58:44,309 --> 00:58:42,720

intelligences and they they asked or

1523

00:58:46,470 --> 00:58:44,319

otto bender asked him some questions

1524

00:58:48,549 --> 00:58:46,480

about monster men and humanoids

1525

00:58:50,230 --> 00:58:48,559

and owens quote admitted he knew very

1526

00:58:51,910 --> 00:58:50,240

little about these creatures so often

1527

00:58:54,150 --> 00:58:51,920

seen during saucer landings but he

1528

00:58:56,549 --> 00:58:54,160

ventured this concept which binder said

1529

00:58:59,349 --> 00:58:56,559

should interest coral lorenzen who wrote

1530

00:59:02,870 --> 00:58:59,359

books about monster men and humanoids

1531

00:59:04,870 --> 00:59:02,880

owens said that the strange humanoids

1532

00:59:06,950 --> 00:59:04,880

that appear during some landings the

1533

00:59:09,349 --> 00:59:06,960

hairy dwarves and things like that are

1534

00:59:12,069 --> 00:59:09,359

the si's pets

1535

00:59:14,230 --> 00:59:12,079

so that is his uh his explanation for

1536

00:59:15,670 --> 00:59:14,240

that the next month in september there

1537

00:59:17,349 --> 00:59:15,680

were more

1538

00:59:19,430 --> 00:59:17,359

examples of

1539

00:59:21,510 --> 00:59:19,440

owens's predictions including this is

1540

00:59:24,069 --> 00:59:21,520

this is one that i think is really

1541

00:59:25,750 --> 00:59:24,079

interesting that uh president johnson

1542

00:59:28,789 --> 00:59:25,760

president lyndon b johnson was under

1543

00:59:30,710 --> 00:59:28,799

threat of a man uh planning to load a

1544

00:59:32,390 --> 00:59:30,720

small plane with high explosives and

1545

00:59:35,190 --> 00:59:32,400

send it into

1546

00:59:36,870 --> 00:59:35,200

the either the white house or johnson's

1547

00:59:39,270 --> 00:59:36,880

ranch in texas

1548

00:59:41,510 --> 00:59:39,280

and a year later

1549

00:59:43,670 --> 00:59:41,520

headline new york times flyer denied

1550

00:59:45,910 --> 00:59:43,680

bail on threat of crashing into the

1551
00:59:47,349 --> 00:59:45,920
white house a former air force pilot has

1552
00:59:49,430 --> 00:59:47,359
been jailed pending sentence because of

1553
00:59:52,710 --> 00:59:49,440
an alleged threat to plunge a plane

1554
00:59:53,589 --> 00:59:52,720
into the white house so things like that

1555
00:59:56,390 --> 00:59:53,599
made

1556
00:59:59,670 --> 00:59:56,400
people think that perhaps

1557
01:00:01,829 --> 00:59:59,680
ted owens might have more going on

1558
01:00:03,910 --> 01:00:01,839
psychically than some gave him credit

1559
01:00:05,349 --> 01:00:03,920
for which brings us

1560
01:00:07,990 --> 01:00:05,359
albeit briefly

1561
01:00:10,470 --> 01:00:08,000
to the book the pk man

1562
01:00:13,510 --> 01:00:10,480
a true story of mind over matter by

1563
01:00:17,030 --> 01:00:13,520

psychologist and parapsychologist he is

1564

01:00:18,470 --> 01:00:17,040

both um jeffrey mishlov phd who holds

1565

01:00:22,309 --> 01:00:18,480

according to the biography on his

1566

01:00:25,030 --> 01:00:22,319

website uh the only uh the only doctoral

1567

01:00:27,349 --> 01:00:25,040

diploma in parapsychology to be awarded

1568

01:00:29,510 --> 01:00:27,359

by an accredited american universities

1569

01:00:32,309 --> 01:00:29,520

from university of california at

1570

01:00:34,789 --> 01:00:32,319

berkeley and his doctoral dissertation

1571

01:00:35,670 --> 01:00:34,799

was about side development systems which

1572

01:00:40,829 --> 01:00:35,680

is

1573

01:00:42,750 --> 01:00:40,839

between

1574

01:00:45,990 --> 01:00:42,760

1976 and

1575

01:00:48,549 --> 01:00:46,000

1987 i believe which is when uh which is

1576
01:00:50,549 --> 01:00:48,559
when owens died and one of the things

1577
01:00:53,510 --> 01:00:50,559
about mishlov's

1578
01:00:57,030 --> 01:00:53,520
book the pk man that is very clear

1579
01:00:58,789 --> 01:00:57,040
is that if owens really did have the

1580
01:01:01,109 --> 01:00:58,799
psychokinetic powers

1581
01:01:03,910 --> 01:01:01,119
he said he did uh regardless of their

1582
01:01:06,390 --> 01:01:03,920
source whether it was ufo or space

1583
01:01:09,510 --> 01:01:06,400
intelligence based or not

1584
01:01:12,630 --> 01:01:09,520
his actions are ethically questionable

1585
01:01:15,109 --> 01:01:12,640
at one point if you recall as i do from

1586
01:01:16,870 --> 01:01:15,119
being like four the mount saint helens

1587
01:01:20,870 --> 01:01:16,880
volcano eruption

1588
01:01:23,670 --> 01:01:20,880

you know um owens apparently you know

1589

01:01:25,750 --> 01:01:23,680

did this he directed his children to

1590

01:01:28,789 --> 01:01:25,760

according to mishlov direct energy at

1591

01:01:31,109 --> 01:01:28,799

mount saint helens to make it explode

1592

01:01:31,910 --> 01:01:31,119

which is which is pretty bad

1593

01:01:36,950 --> 01:01:31,920

so

1594

01:01:39,910 --> 01:01:36,960

thinks there is merit in

1595

01:01:41,910 --> 01:01:39,920

in owens's claims he underwent owens's

1596

01:01:43,030 --> 01:01:41,920

training uh which is involved in a

1597

01:01:45,349 --> 01:01:43,040

chapter which

1598

01:01:46,309 --> 01:01:45,359

comprises a chapter of the book late in

1599

01:01:49,109 --> 01:01:46,319

the book

1600

01:01:50,829 --> 01:01:49,119

and it's interesting because we see the

1601

01:01:54,230 --> 01:01:50,839

development of

1602

01:01:56,230 --> 01:01:54,240

owens's personality and use of his

1603

01:01:59,029 --> 01:01:56,240

alleged abilities after the point where

1604

01:02:01,349 --> 01:01:59,039

he stops writing these letters he worked

1605

01:02:05,349 --> 01:02:01,359

briefly with with researchers like

1606

01:02:07,990 --> 01:02:05,359

russell targ and hal pudov initially and

1607

01:02:11,270 --> 01:02:08,000

who are you know renowned thinkers in in

1608

01:02:14,069 --> 01:02:11,280

the psy and remote viewing world and to

1609

01:02:16,470 --> 01:02:14,079

some degree the the ufo world later on

1610

01:02:19,109 --> 01:02:16,480

and this aspect of owens's life all

1611

01:02:19,990 --> 01:02:19,119

begins in 1976

1612

01:02:22,230 --> 01:02:20,000

when

1613

01:02:24,150 --> 01:02:22,240

he writes to

1614

01:02:25,910 --> 01:02:24,160

owen's rights to put off in targ and

1615

01:02:29,510 --> 01:02:25,920

tells them that he's going to show off

1616

01:02:33,029 --> 01:02:29,520

his powers and this is what he said to

1617

01:02:35,270 --> 01:02:33,039

them in 1976

1618

01:02:37,589 --> 01:02:35,280

last night on tv the evening news showed

1619

01:02:39,109 --> 01:02:37,599

a stricken california crops are dead and

1620

01:02:42,069 --> 01:02:39,119

dying and the animals are in pitiful

1621

01:02:43,349 --> 01:02:42,079

conditions now i ted owens pk man will

1622

01:02:45,109 --> 01:02:43,359

change all of that

1623

01:02:46,950 --> 01:02:45,119

within the next 90 days from the time of

1624

01:02:49,029 --> 01:02:46,960

this letter i will pour and pour and

1625

01:02:51,349 --> 01:02:49,039

pour rains onto and into the state of

1626

01:02:53,029 --> 01:02:51,359

california until it is swimming in water

1627

01:02:55,430 --> 01:02:53,039

and the dangerous drought is completely

1628

01:02:57,430 --> 01:02:55,440

over there will be storm after storm

1629

01:02:58,380 --> 01:02:57,440

lightning after lightning attacks and

1630

01:03:00,789 --> 01:02:58,390

high winds

1631

01:03:03,190 --> 01:03:00,799

[Music]

1632

01:03:06,390 --> 01:03:03,200

and then in true ted owens fashion what

1633

01:03:08,950 --> 01:03:06,400

happens a massive storm that causes

1634

01:03:10,390 --> 01:03:08,960

some pretty disastrous conditions in the

1635

01:03:13,670 --> 01:03:10,400

drought-stricken uh in the

1636

01:03:18,309 --> 01:03:13,680

drought-stricken area so mishlov

1637

01:03:20,470 --> 01:03:18,319

later in 1978 asks um asks owens to uh

1638

01:03:22,950 --> 01:03:20,480

to you know replicate

1639

01:03:25,990 --> 01:03:22,960

one of his ufo demonstrations this time

1640

01:03:28,470 --> 01:03:26,000

in the uh in the san francisco area and

1641

01:03:30,549 --> 01:03:28,480

this is uh this is how owens responds to

1642

01:03:32,230 --> 01:03:30,559

mishlov's request

1643

01:03:33,990 --> 01:03:32,240

in the interest of science i'm going to

1644

01:03:35,510 --> 01:03:34,000

give a demonstration of my psi force

1645

01:03:37,510 --> 01:03:35,520

abilities to the people who live in the

1646

01:03:39,430 --> 01:03:37,520

san francisco area 100 miles in

1647

01:03:41,029 --> 01:03:39,440

circumference using san francisco as the

1648

01:03:42,950 --> 01:03:41,039

bull's eye of my target

1649

01:03:45,190 --> 01:03:42,960

as of today and daily for the following

1650

01:03:46,710 --> 01:03:45,200

90 days i will telepath the living

1651
01:03:49,029 --> 01:03:46,720
entities in another dimension for them

1652
01:03:50,789 --> 01:03:49,039
to appear in the above target area so

1653
01:03:52,470 --> 01:03:50,799
that they may be seen by police

1654
01:03:54,309 --> 01:03:52,480
scientists or other responsible

1655
01:03:56,309 --> 01:03:54,319
observers who are qualified to report

1656
01:03:58,309 --> 01:03:56,319
the sightings also for them to cause

1657
01:04:00,630 --> 01:03:58,319
electromagnetic and magnetic anomalies

1658
01:04:02,870 --> 01:04:00,640
within the above described area it is my

1659
01:04:05,029 --> 01:04:02,880
intent to produce not one but at least

1660
01:04:07,670 --> 01:04:05,039
three major ufo sightings as described

1661
01:04:09,510 --> 01:04:07,680
above within the above name time period

1662
01:04:11,430 --> 01:04:09,520
to be reported in the newspapers in

1663
01:04:14,150 --> 01:04:11,440

order for the experiment to be a valid

1664

01:04:18,870 --> 01:04:16,069

now as michelle points out he had just

1665

01:04:21,109 --> 01:04:18,880

asked for a ufo demonstration

1666

01:04:22,549 --> 01:04:21,119

he says quote owens had given me no time

1667

01:04:24,549 --> 01:04:22,559

to design a properly controlled

1668

01:04:26,549 --> 01:04:24,559

experiment when i asked the psychic to

1669

01:04:28,630 --> 01:04:26,559

defer the test until i had more time to

1670

01:04:30,549 --> 01:04:28,640

work out an experimental design he

1671

01:04:32,789 --> 01:04:30,559

responded that once he had set his pk

1672

01:04:35,589 --> 01:04:32,799

forces in motion nothing could be done

1673

01:04:36,390 --> 01:04:35,599

to abort their manifestation it seemed

1674

01:04:38,309 --> 01:04:36,400

then

1675

01:04:40,470 --> 01:04:38,319

that i had to play the game by owens's

1676

01:04:41,430 --> 01:04:40,480

rules or not at all

1677

01:04:43,510 --> 01:04:41,440

and

1678

01:04:45,829 --> 01:04:43,520

that is that's the end of the quote

1679

01:04:48,150 --> 01:04:45,839

quotation and that is

1680

01:04:51,109 --> 01:04:48,160

here's the thing this is a a long

1681

01:04:53,589 --> 01:04:51,119

involved book that i found very useful

1682

01:04:55,270 --> 01:04:53,599

especially about understanding owens's

1683

01:04:56,950 --> 01:04:55,280

early life and i don't think we have

1684

01:04:58,470 --> 01:04:56,960

time to get into the whole book here but

1685

01:05:01,829 --> 01:04:58,480

there are some great things

1686

01:05:04,150 --> 01:05:01,839

that i urge you to check out um

1687

01:05:06,470 --> 01:05:04,160

if you read the book and uh or or

1688

01:05:09,029 --> 01:05:06,480

there's some or some youtube videos with

1689

01:05:10,950 --> 01:05:09,039

mish love talking about owens that i i

1690

01:05:14,069 --> 01:05:10,960

think would be useful that i'm going to

1691

01:05:17,589 --> 01:05:14,079

link to his youtube show new thinking

1692

01:05:19,829 --> 01:05:17,599

aloud is uh is always very insightful

1693

01:05:21,990 --> 01:05:19,839

and if you listen to this show there are

1694

01:05:24,230 --> 01:05:22,000

doubtless guests that he's interviewed

1695

01:05:26,470 --> 01:05:24,240

that you will find interesting but one

1696

01:05:27,589 --> 01:05:26,480

thing that that becomes very clear is as

1697

01:05:29,349 --> 01:05:27,599

owens

1698

01:05:33,670 --> 01:05:29,359

continued on towards the end of his life

1699

01:05:36,870 --> 01:05:33,680

in 1987 he seems to become more

1700

01:05:39,829 --> 01:05:36,880

angry more driven more vindictive in

1701

01:05:41,430 --> 01:05:39,839

using his powers and one of the sort of

1702

01:05:43,829 --> 01:05:41,440

vindictive but

1703

01:05:46,789 --> 01:05:43,839

i don't want to say um

1704

01:05:48,870 --> 01:05:46,799

benign things he does is he uses his

1705

01:05:52,309 --> 01:05:48,880

influence or claims to use his influence

1706

01:05:55,270 --> 01:05:52,319

to um punish sports teams who don't pay

1707

01:05:56,069 --> 01:05:55,280

him money in order for him to you know

1708

01:05:58,150 --> 01:05:56,079

hurt

1709

01:06:00,549 --> 01:05:58,160

their opponents so you know hire me as

1710

01:06:04,069 --> 01:06:00,559

your i don't know psychic

1711

01:06:06,950 --> 01:06:04,079

goon or something or else i will hobble

1712

01:06:08,789 --> 01:06:06,960

your team and so it's stuff like that

1713

01:06:11,270 --> 01:06:08,799

it's it's really interesting like i said

1714

01:06:14,950 --> 01:06:11,280

it's a little much to get into here but

1715

01:06:16,789 --> 01:06:14,960

regardless of the ufo or flying saucer

1716

01:06:19,029 --> 01:06:16,799

connection to all this regardless of his

1717

01:06:22,390 --> 01:06:19,039

claims about the sis

1718

01:06:24,549 --> 01:06:22,400

one thing that is very clear in reading

1719

01:06:26,710 --> 01:06:24,559

owens's accounts and and the newspaper

1720

01:06:29,589 --> 01:06:26,720

accounts of what happened after he made

1721

01:06:31,109 --> 01:06:29,599

his documented predictions and reading

1722

01:06:33,910 --> 01:06:31,119

what

1723

01:06:35,910 --> 01:06:33,920

experienced scientific researchers in

1724

01:06:37,589 --> 01:06:35,920

psychic phenomena have to say about

1725

01:06:38,870 --> 01:06:37,599

working with them

1726

01:06:40,789 --> 01:06:38,880

it seems like this is one of those

1727

01:06:42,630 --> 01:06:40,799

contact situations where regardless of

1728

01:06:44,150 --> 01:06:42,640

the alien or extraterrestrial nature of

1729

01:06:46,789 --> 01:06:44,160

whatever happened

1730

01:06:49,510 --> 01:06:46,799

something might have happened i'm

1731

01:06:50,630 --> 01:06:49,520

i'm not saying yes or no definitively

1732

01:06:51,829 --> 01:06:50,640

either way

1733

01:06:53,270 --> 01:06:51,839

but

1734

01:06:55,510 --> 01:06:53,280

you know sometimes

1735

01:06:57,349 --> 01:06:55,520

i wonder what the limit to coincidence

1736

01:07:00,710 --> 01:06:57,359

is with some of these things

1737

01:07:03,670 --> 01:07:00,720

i urge you to check out um mishlov's

1738

01:07:05,109 --> 01:07:03,680

book it's very interesting oh oh

1739

01:07:07,349 --> 01:07:05,119

speaking of books one thing i didn't

1740

01:07:08,950 --> 01:07:07,359

mention just before we close here is the

1741

01:07:11,670 --> 01:07:08,960

the stuff about the blackout and the

1742

01:07:13,190 --> 01:07:11,680

1967 new york flying saucer convention

1743

01:07:16,470 --> 01:07:13,200

or ufo convention

1744

01:07:18,950 --> 01:07:16,480

i was really hoping that mosley would

1745

01:07:21,910 --> 01:07:18,960

have talked about this in his uh memoir

1746

01:07:23,190 --> 01:07:21,920

shockingly close to the truth but um i

1747

01:07:24,470 --> 01:07:23,200

don't think he did there's there's a

1748

01:07:27,029 --> 01:07:24,480

whole i think there's a whole chapter

1749

01:07:29,349 --> 01:07:27,039

about the 1967 convention or at least a

1750

01:07:30,870 --> 01:07:29,359

section of a chapter about it and he

1751

01:07:33,430 --> 01:07:30,880

doesn't talk about

1752

01:07:36,069 --> 01:07:33,440

ted owens and the blackout threat at

1753

01:07:37,910 --> 01:07:36,079

least that i could remember seeing when

1754

01:07:40,549 --> 01:07:37,920

i looked at it again i was kind of

1755

01:07:43,589 --> 01:07:40,559

hoping to get to get his viewpoint there

1756

01:07:45,270 --> 01:07:43,599

in any case ted owens's case is

1757

01:07:47,270 --> 01:07:45,280

fascinating and

1758

01:07:49,910 --> 01:07:47,280

i i kind of wish there had been more of

1759

01:07:52,230 --> 01:07:49,920

the contact e stuff and less of the

1760

01:07:56,470 --> 01:07:52,240

psychic predictions but

1761

01:07:59,109 --> 01:07:56,480

it's a rare case where the contact-y

1762

01:08:02,950 --> 01:07:59,119

aspect and the contact-d message takes

1763

01:08:05,349 --> 01:08:02,960

an absolute backseat to a much more

1764

01:08:07,770 --> 01:08:05,359

interesting fascinating and truly

1765

01:08:12,230 --> 01:08:07,780

mysterious story

1766

01:08:15,510 --> 01:08:14,150

thanks for listening remember to send in

1767

01:08:17,669 --> 01:08:15,520

your questions and comments via the

1768

01:08:19,910 --> 01:08:17,679

usual social media or email channels and

1769

01:08:21,910 --> 01:08:19,920

we will try to address it on the saucer

1770

01:08:23,269 --> 01:08:21,920

after life segment next week

1771

01:08:25,349 --> 01:08:23,279

our associate producer is simpson

1772

01:08:27,990 --> 01:08:25,359

jahannove iii and the saucer life is a

1773

01:08:30,550 --> 01:08:28,000

production of chiso media llc chiso

1774

01:08:32,870 --> 01:08:30,560

media our heart is with the people till

1775

01:08:36,590 --> 01:08:32,880

next time keep watching the skies
