

# YEAR OF THE HUMANOIDS VOLUME 2

1  
00:00:16,710 --> 00:00:14,350  
i never got any money from you

2  
00:00:18,630 --> 00:00:16,720  
[Music]

3  
00:00:21,360 --> 00:00:18,640  
ufo might just as well stand for

4  
00:00:24,470 --> 00:00:21,370  
unprecedented financial opportunity

5  
00:00:26,150 --> 00:00:24,480  
[Applause]

6  
00:00:28,070 --> 00:00:26,160  
be normal

7  
00:00:29,830 --> 00:00:28,080  
this is the saucer life a podcast in

8  
00:00:31,429 --> 00:00:29,840  
which we examine concepts events or

9  
00:00:33,830 --> 00:00:31,439  
people orbiting the world of flying

10  
00:00:36,150 --> 00:00:33,840  
saucers few preconceptions snark when

11  
00:00:38,229 --> 00:00:36,160  
justified no belief no debunking

12  
00:00:40,630 --> 00:00:38,239  
today we take another look at some

13  
00:00:42,830 --> 00:00:40,640

reports from the center for ufo studies

14

00:00:47,300 --> 00:00:42,840

publication on

15

00:00:53,140 --> 00:00:47,310

1973. the year of the humanoids

16

00:00:59,349 --> 00:00:57,590

[Music]

17

00:01:00,869 --> 00:00:59,359

so if you haven't heard the first

18

00:01:02,389 --> 00:01:00,879

episode on this topic from a few years

19

00:01:04,070 --> 00:01:02,399

ago that's fine i'm going to cover some

20

00:01:05,670 --> 00:01:04,080

of the basics here for you and there's a

21

00:01:07,270 --> 00:01:05,680

link to the entire report in the show

22

00:01:09,350 --> 00:01:07,280

notes and a link back to that previous

23

00:01:11,190 --> 00:01:09,360

episode in the show notes so you can

24

00:01:12,710 --> 00:01:11,200

check all of that out and if you have

25

00:01:14,870 --> 00:01:12,720

listened to that first episode on the

26

00:01:15,910 --> 00:01:14,880

topic this is going to sound really

27

00:01:18,310 --> 00:01:15,920

familiar

28

00:01:20,710 --> 00:01:18,320

so this report 1973 year of the

29

00:01:23,749 --> 00:01:20,720

humanoids was compiled by a guy named

30

00:01:26,630 --> 00:01:23,759

david webb in may of 1976 and this was

31

00:01:28,870 --> 00:01:26,640

done under the auspices of kufos or the

32

00:01:31,190 --> 00:01:28,880

center for ufo studies which was the

33

00:01:33,990 --> 00:01:31,200

brainchild of j allen heineck the air

34

00:01:36,870 --> 00:01:34,000

force's scientific consultant on project

35

00:01:38,950 --> 00:01:36,880

blue book and kufos has done a lot of

36

00:01:40,630 --> 00:01:38,960

stuff and one of the things is sponsor

37

00:01:42,310 --> 00:01:40,640

publications of reports like this

38

00:01:44,469 --> 00:01:42,320

focusing on a trend or a series of

39

00:01:47,350 --> 00:01:44,479

sightings or encounters in really

40

00:01:51,350 --> 00:01:47,360

exhaustive detail so in general what was

41

00:01:53,270 --> 00:01:51,360

this 1973 humanoid year about is it like

42

00:01:55,350 --> 00:01:53,280

the international geophysical year where

43

00:01:58,789 --> 00:01:55,360

scientists all unite to work on

44

00:02:02,069 --> 00:01:58,799

geophysical projects no it was a massive

45

00:02:04,550 --> 00:02:02,079

year 73 was in terms of ufo sightings

46

00:02:08,389 --> 00:02:04,560

but also for sightings of and encounters

47

00:02:11,670 --> 00:02:08,399

with beings we call humanoids generally

48

00:02:13,830 --> 00:02:11,680

bipedal with a head and some limbs so in

49

00:02:15,990 --> 00:02:13,840

fall 1973 the period covered by this

50

00:02:19,430 --> 00:02:16,000

book people in the u.s experienced a

51  
00:02:21,350 --> 00:02:19,440  
huge number of encounters with bizarre

52  
00:02:23,270 --> 00:02:21,360  
periods and this isn't really a book

53  
00:02:25,830 --> 00:02:23,280  
it's not really a narrative it's a

54  
00:02:27,830 --> 00:02:25,840  
collection of narrative reports and then

55  
00:02:28,949 --> 00:02:27,840  
sort of statistical summaries of things

56  
00:02:31,910 --> 00:02:28,959  
that are in a

57  
00:02:34,470 --> 00:02:31,920  
computer-readable format for 1973 so you

58  
00:02:37,190 --> 00:02:34,480  
could feed data into like a mainframe or

59  
00:02:39,430 --> 00:02:37,200  
something and get some kind of analysis

60  
00:02:41,270 --> 00:02:39,440  
out of it and i said the word computer

61  
00:02:43,430 --> 00:02:41,280  
and my alexa started talking in the

62  
00:02:44,470 --> 00:02:43,440  
background so you might have heard a

63  
00:02:46,229 --> 00:02:44,480

little bit

64

00:02:49,990 --> 00:02:46,239

of that

65

00:02:51,830 --> 00:02:50,000

so webb in this uh collection report

66

00:02:54,550 --> 00:02:51,840

describes three types of cases there's

67

00:02:56,150 --> 00:02:54,560

humanoid occupants of ufo craft there

68

00:02:58,710 --> 00:02:56,160

are contact e reports where there's

69

00:03:01,190 --> 00:02:58,720

communication taking place and monster

70

00:03:02,869 --> 00:03:01,200

sightings but the monsters are are still

71

00:03:04,949 --> 00:03:02,879

humanoid

72

00:03:07,350 --> 00:03:04,959

webb explained that contact e-style

73

00:03:10,710 --> 00:03:07,360

reports were kept in unless an hoax

74

00:03:12,790 --> 00:03:10,720

seems possible the monster reports

75

00:03:15,430 --> 00:03:12,800

anthropoid monsters because these are

76  
00:03:17,509 --> 00:03:15,440  
humanoids these accounts were removed

77  
00:03:19,270 --> 00:03:17,519  
unless they were made in conjunction

78  
00:03:20,309 --> 00:03:19,280  
with a ufo

79  
00:03:24,390 --> 00:03:20,319  
sighting

80  
00:03:27,030 --> 00:03:24,400  
which i think is interesting because

81  
00:03:28,869 --> 00:03:27,040  
it kind of makes this a ufo thing rather

82  
00:03:30,149 --> 00:03:28,879  
than a general

83  
00:03:32,630 --> 00:03:30,159  
weird stuff

84  
00:03:35,430 --> 00:03:32,640  
report so if you saw

85  
00:03:37,509 --> 00:03:35,440  
some kind of cryptid type creature but

86  
00:03:40,149 --> 00:03:37,519  
there wasn't a ufo around it doesn't

87  
00:03:42,710 --> 00:03:40,159  
appear in this report which makes sense

88  
00:03:44,830 --> 00:03:42,720

if the report was called 1973 year of

89

00:03:48,149 --> 00:03:44,840

the ufo humanoids

90

00:03:50,149 --> 00:03:48,159

but i don't know maybe out there

91

00:03:51,990 --> 00:03:50,159

somewhere somebody's probably done this

92

00:03:54,710 --> 00:03:52,000

there's a more thorough report of

93

00:03:59,670 --> 00:03:54,720

humanoid sightings in 1973 the fall of

94

00:04:01,830 --> 00:03:59,680

1973 that happened with or without

95

00:04:02,630 --> 00:04:01,840

with or without ufos

96

00:04:03,589 --> 00:04:02,640

now

97

00:04:07,190 --> 00:04:03,599

webb

98

00:04:09,990 --> 00:04:07,200

does uh does say this which i

99

00:04:12,710 --> 00:04:10,000

think um think is is interesting he says

100

00:04:15,030 --> 00:04:12,720

quote however the anthropoid monster

101  
00:04:18,390 --> 00:04:15,040  
reports cannot be ignored despite the

102  
00:04:21,990 --> 00:04:18,400  
strong emotional distaste

103  
00:04:25,110 --> 00:04:22,000  
that many researchers have for them and

104  
00:04:27,350 --> 00:04:25,120  
i noted in the earlier episode that

105  
00:04:28,550 --> 00:04:27,360  
it's that phrase strong emotional

106  
00:04:31,909 --> 00:04:28,560  
distaste

107  
00:04:34,230 --> 00:04:31,919  
is a good indicator of

108  
00:04:36,870 --> 00:04:34,240  
of how the mainstream of ufo research at

109  
00:04:39,430 --> 00:04:36,880  
the time was was really not looking for

110  
00:04:42,390 --> 00:04:39,440  
correlations between ufo sightings and

111  
00:04:44,150 --> 00:04:42,400  
other types of paranormal events

112  
00:04:47,270 --> 00:04:44,160  
okay so with that said let's welcome the

113  
00:04:48,790 --> 00:04:47,280

saucer life to the studio

114

00:04:50,870 --> 00:04:48,800

good evening hey

115

00:04:52,310 --> 00:04:50,880

thanks for making the trip across town

116

00:04:54,870 --> 00:04:52,320

that's what we call

117

00:04:57,110 --> 00:04:54,880

walking down the stairs to the studio

118

00:04:59,830 --> 00:04:57,120

so we've got some

119

00:05:02,710 --> 00:04:59,840

humanoid stories here and what we're

120

00:05:04,469 --> 00:05:02,720

going to do is we are going to

121

00:05:06,310 --> 00:05:04,479

talk through them and

122

00:05:08,469 --> 00:05:06,320

talk about if we believe them how

123

00:05:11,110 --> 00:05:08,479

credible we think they are what would we

124

00:05:12,150 --> 00:05:11,120

do in this uh in this situation what do

125

00:05:14,550 --> 00:05:12,160

they make us think of what do they

126  
00:05:15,510 --> 00:05:14,560  
remind us of how do they make us feel

127  
00:05:18,070 --> 00:05:15,520  
about

128  
00:05:19,749 --> 00:05:18,080  
life and love and

129  
00:05:21,110 --> 00:05:19,759  
the universe

130  
00:05:23,270 --> 00:05:21,120  
sound good

131  
00:05:24,629 --> 00:05:23,280  
sounds great okay so if you want to know

132  
00:05:26,150 --> 00:05:24,639  
how this went the first time we tried it

133  
00:05:28,150 --> 00:05:26,160  
with some completely different stories

134  
00:05:29,749 --> 00:05:28,160  
you can subscribe to the patreon and get

135  
00:05:32,790 --> 00:05:29,759  
that as part of this month's bonus

136  
00:05:35,670 --> 00:05:32,800  
episode where um i get really pedantic

137  
00:05:37,909 --> 00:05:35,680  
about doctor who and uh she puts me in

138  
00:05:41,670 --> 00:05:37,919

my place all right so let's start with

139

00:05:43,590 --> 00:05:41,680

august 10th 1973 in colombia

140

00:05:46,230 --> 00:05:43,600

four grade school students and a

141

00:05:48,070 --> 00:05:46,240

policeman saw four humanoids beneath a

142

00:05:49,990 --> 00:05:48,080

bridge the beings were only 20

143

00:05:53,189 --> 00:05:50,000

centimeters tall and disappeared when

144

00:05:56,629 --> 00:05:53,199

the witnesses approached traces in

145

00:06:01,110 --> 00:05:56,639

quotes were left in mud and later

146

00:06:05,189 --> 00:06:01,909

um

147

00:06:06,870 --> 00:06:05,199

what are traces is that like scat

148

00:06:09,110 --> 00:06:06,880

humanoid scat i

149

00:06:11,350 --> 00:06:09,120

i like to think so

150

00:06:13,189 --> 00:06:11,360

but i have a feeling it's

151

00:06:14,550 --> 00:06:13,199

probably something boring like

152

00:06:17,270 --> 00:06:14,560

footprints

153

00:06:18,629 --> 00:06:17,280

okay and what are four grade school

154

00:06:20,469 --> 00:06:18,639

students doing hanging out with a

155

00:06:23,029 --> 00:06:20,479

policeman that's a that's a question i

156

00:06:25,350 --> 00:06:23,039

had um is it like a crossing guard they

157

00:06:27,189 --> 00:06:25,360

were walking home from school

158

00:06:29,590 --> 00:06:27,199

that makes sense

159

00:06:32,390 --> 00:06:29,600

that that actually makes sense to me um

160

00:06:34,710 --> 00:06:32,400

or they saw somebody and like

161

00:06:35,990 --> 00:06:34,720

went and fetched a policeman you know

162

00:06:38,230 --> 00:06:36,000

something like that

163

00:06:41,430 --> 00:06:38,240

but okay on on the surface it does seem

164

00:06:44,629 --> 00:06:41,440

kind of kind of forgive this um how like

165

00:06:48,150 --> 00:06:44,639

so how big is 20 centimeters um

166

00:06:50,629 --> 00:06:48,160

you you americans with your uh if you

167

00:06:51,550 --> 00:06:50,639

can hear my um very classy mechanical

168

00:06:53,830 --> 00:06:51,560

keyboard

169

00:06:55,390 --> 00:06:53,840

[Music]

170

00:06:58,550 --> 00:06:55,400

looking for the uh

171

00:07:01,589 --> 00:06:58,560

7.8 inches tall you'd have to be right

172

00:07:02,469 --> 00:07:01,599

on top of these things yeah it does not

173

00:07:04,629 --> 00:07:02,479

seem

174

00:07:07,110 --> 00:07:04,639

likely that that they would have been

175

00:07:09,029 --> 00:07:07,120

far enough away to notice that well you

176

00:07:11,749 --> 00:07:09,039

know you notice something you walk

177

00:07:14,230 --> 00:07:11,759

towards it it runs away

178

00:07:17,909 --> 00:07:14,240

i don't i'm not buying it you have to be

179

00:07:20,230 --> 00:07:17,919

pretty darn close to be able to stop

180

00:07:21,270 --> 00:07:20,240

no you are so skeptical

181

00:07:23,670 --> 00:07:21,280

okay

182

00:07:25,749 --> 00:07:23,680

so so am i actually of this one but if

183

00:07:28,469 --> 00:07:25,759

you like tiny humanoids check out our

184

00:07:31,029 --> 00:07:28,479

episode from late 2021 where we uh we

185

00:07:33,430 --> 00:07:31,039

looked at some cases from malaysia which

186

00:07:35,749 --> 00:07:33,440

had tiny humanoids some of which grew to

187

00:07:37,830 --> 00:07:35,759

giant size in a school bathroom stall in

188

00:07:39,430 --> 00:07:37,840

front of a witness are you kidding me no

189

00:07:40,870 --> 00:07:39,440

i'm not does this mean you haven't

190

00:07:42,790 --> 00:07:40,880

listened to every episode of the saucer

191

00:07:45,430 --> 00:07:42,800

line i can't even finish that sentence

192

00:07:46,990 --> 00:07:45,440

without laughing okay

193

00:07:49,990 --> 00:07:47,000

september

194

00:07:52,550 --> 00:07:50,000

1973 in australia the witness was a

195

00:07:55,110 --> 00:07:52,560

passenger in a semi-trailer on route 1

196

00:07:56,950 --> 00:07:55,120

on route to perth she awoke to observe a

197

00:07:59,270 --> 00:07:56,960

brightly lit egg-shaped object on the

198

00:08:00,950 --> 00:07:59,280

ground to the left of the road

199

00:08:03,270 --> 00:08:00,960

walking toward an open door was a

200

00:08:05,589 --> 00:08:03,280

normal-sized figure of human appearance

201  
00:08:07,909 --> 00:08:05,599  
a second occupant was seen seated within

202  
00:08:09,270 --> 00:08:07,919  
the object through a squarish window

203  
00:08:11,589 --> 00:08:09,280  
looking upward at something in the

204  
00:08:13,909 --> 00:08:11,599  
vehicle as the truck passed

205  
00:08:16,390 --> 00:08:13,919  
the light rapidly faded until by the

206  
00:08:19,029 --> 00:08:16,400  
time she got the driver to stop only a

207  
00:08:20,790 --> 00:08:19,039  
single white light was visible

208  
00:08:24,469 --> 00:08:20,800  
she said she had been awakened by a

209  
00:08:27,029 --> 00:08:24,479  
voice just prior to her observation and

210  
00:08:29,830 --> 00:08:27,039  
this was a first-hand

211  
00:08:32,389 --> 00:08:29,840  
investigation you know those travel like

212  
00:08:36,469 --> 00:08:32,399  
those camper trailers that are kind of

213  
00:08:40,870 --> 00:08:38,469

you know like they're a little happy

214

00:08:43,029 --> 00:08:40,880

she's making little like rectangular

215

00:08:45,509 --> 00:08:43,039

motions with her fingers rounded like a

216

00:08:47,030 --> 00:08:45,519

rounded rectangular they're more rounded

217

00:08:49,829 --> 00:08:47,040

that's the first what i thought it was

218

00:08:51,670 --> 00:08:49,839

like not like not like a gulf stream but

219

00:08:52,470 --> 00:08:51,680

it says a semi trailer

220

00:08:55,110 --> 00:08:52,480

no

221

00:08:56,389 --> 00:08:55,120

the object oh oh oh oh oh oh oh i

222

00:08:58,230 --> 00:08:56,399

thought you might have an egg-shaped

223

00:08:59,509 --> 00:08:58,240

object egg-shaped

224

00:09:01,269 --> 00:08:59,519

it could be like one of the little

225

00:09:03,829 --> 00:09:01,279

campers so you're thinking more like a

226

00:09:05,670 --> 00:09:03,839

rounded than a like a literal egg

227

00:09:06,949 --> 00:09:05,680

correct

228

00:09:12,710 --> 00:09:06,959

what is you what would be your

229

00:09:16,790 --> 00:09:14,710

very unusual for you to think egg shaped

230

00:09:18,470 --> 00:09:16,800

might mean like an egg um so that's my

231

00:09:20,310 --> 00:09:18,480

thought i thought oh okay it's just like

232

00:09:22,949 --> 00:09:20,320

a camping trailer

233

00:09:26,150 --> 00:09:22,959

um she just woke up

234

00:09:28,389 --> 00:09:26,160

right so things aren't clear

235

00:09:30,710 --> 00:09:28,399

she could have been having a dream

236

00:09:31,990 --> 00:09:30,720

maybe on some lsd

237

00:09:36,150 --> 00:09:32,000

wow

238

00:09:37,350 --> 00:09:36,160

psychedel delicious

239

00:09:38,949 --> 00:09:37,360

yeah

240

00:09:40,949 --> 00:09:38,959

so you know what jumped out at me first

241

00:09:43,750 --> 00:09:40,959

why is this woman in a semi-trailer a

242

00:09:46,150 --> 00:09:43,760

passenger in a semi-trailer is she being

243

00:09:47,190 --> 00:09:46,160

smuggled that's what i'm wondering

244

00:09:48,389 --> 00:09:47,200

and she wouldn't be able to see anything

245

00:09:49,350 --> 00:09:48,399

and she was in the trailer and she

246

00:09:51,430 --> 00:09:49,360

wouldn't be able to get the driver to

247

00:09:52,870 --> 00:09:51,440

stop

248

00:09:54,870 --> 00:09:52,880

correct

249

00:09:56,870 --> 00:09:54,880

i'm thinking they just got this wrong

250

00:09:59,190 --> 00:09:56,880

i'm thinking that they just meant like a

251  
00:10:00,230 --> 00:09:59,200  
semi i think she was just in like the

252  
00:10:02,389 --> 00:10:00,240  
sleeper

253  
00:10:05,350 --> 00:10:02,399  
compartment of the summit what's going

254  
00:10:06,949 --> 00:10:05,360  
on in that sleeper compartment

255  
00:10:08,870 --> 00:10:06,959  
it's weird i it's weird that she was

256  
00:10:10,710 --> 00:10:08,880  
awakened by a voice

257  
00:10:14,150 --> 00:10:10,720  
she could have been dreaming

258  
00:10:16,870 --> 00:10:14,160  
savannah georgia september 9th 1973

259  
00:10:19,350 --> 00:10:16,880  
this is how you lose listeners folks

260  
00:10:21,509 --> 00:10:19,360  
savannah georgia 1973 we're gonna sink

261  
00:10:23,269 --> 00:10:21,519  
this bridge let's we're gonna sink this

262  
00:10:26,150 --> 00:10:23,279  
[h\_\_\h] um

263  
00:10:29,509 --> 00:10:26,160

savannah georgia september 9th 1973.

264

00:10:32,710 --> 00:10:29,519

ten big black hairy dogs emerged from a

265

00:10:35,590 --> 00:10:32,720

landed ufo in laurel grove cemetery and

266

00:10:37,750 --> 00:10:35,600

ran through the cemetery the ufo turned

267

00:10:40,230 --> 00:10:37,760

out its lights after landing several

268

00:10:43,509 --> 00:10:40,240

youths made the report or

269

00:10:45,430 --> 00:10:43,519

utes several youths made the report

270

00:10:46,550 --> 00:10:45,440

that's all we have that's all we have

271

00:10:50,710 --> 00:10:46,560

okay

272

00:10:53,190 --> 00:10:50,720

ten big black hairy dogs out of a ufo

273

00:10:55,430 --> 00:10:53,200

that's outstanding

274

00:10:58,310 --> 00:10:55,440

there's like a long tradition of large

275

00:11:00,550 --> 00:10:58,320

and how is this a humanoid

276

00:11:03,030 --> 00:11:00,560

now that is a really

277

00:11:04,710 --> 00:11:03,040

okay i was so caught up in you know this

278

00:11:06,790 --> 00:11:04,720

long tradition in folklore of large

279

00:11:09,190 --> 00:11:06,800

black dogs being you know

280

00:11:10,710 --> 00:11:09,200

you know black shook from the uk and and

281

00:11:12,230 --> 00:11:10,720

and things like that there's no human

282

00:11:15,430 --> 00:11:12,240

rights i know i just realized that i

283

00:11:19,190 --> 00:11:16,630

you're right

284

00:11:21,190 --> 00:11:19,200

mm-hmm this shouldn't even be in here

285

00:11:21,829 --> 00:11:21,200

we shouldn't even be talking about it

286

00:11:33,350 --> 00:11:21,839

i

287

00:11:36,069 --> 00:11:33,360

yeah we can't even talk about that

288

00:11:38,310 --> 00:11:36,079

odyssey no we can't nope nope nope

289

00:11:41,030 --> 00:11:38,320

nope putting the kibosh on this next

290

00:11:43,990 --> 00:11:41,040

september 20th through 26th sydney north

291

00:11:46,470 --> 00:11:44,000

carolina a series of reports occurred

292

00:11:48,949 --> 00:11:46,480

between september 20th and 26th though

293

00:11:50,550 --> 00:11:48,959

several people reported seeing something

294

00:11:52,949 --> 00:11:50,560

the main witnesses were members of the

295

00:11:55,590 --> 00:11:52,959

williamson family of sydney they saw at

296

00:11:57,829 --> 00:11:55,600

least one monster with large glowing red

297

00:11:59,269 --> 00:11:57,839

eyes gray face long hair pointed ears

298

00:12:00,870 --> 00:11:59,279

and a hooked nose

299

00:12:03,430 --> 00:12:00,880

it was dressed in a brown shirt and

300

00:12:05,910 --> 00:12:03,440

black pants and a small brown cap on its

301  
00:12:07,990 --> 00:12:05,920  
head it walked with a limp and one hand

302  
00:12:10,550 --> 00:12:08,000  
was missing it was said to leave no

303  
00:12:13,910 --> 00:12:10,560  
tracks and to leap 50 to 60 feet in a

304  
00:12:16,230 --> 00:12:13,920  
single bound it had a metal medallion on

305  
00:12:17,670 --> 00:12:16,240  
the chest which was said to be used for

306  
00:12:19,990 --> 00:12:17,680  
communication

307  
00:12:22,150 --> 00:12:20,000  
and disappearing okay so again this

308  
00:12:24,470 --> 00:12:22,160  
isn't really humanoid is it well he's

309  
00:12:26,949 --> 00:12:24,480  
got a face he's got limbs he's got a

310  
00:12:27,910 --> 00:12:26,959  
nose and pointed ears it's it's way more

311  
00:12:29,910 --> 00:12:27,920  
human than

312  
00:12:31,190 --> 00:12:29,920  
a dog true

313  
00:12:33,190 --> 00:12:31,200

okay

314

00:12:36,629 --> 00:12:33,200

um he's missing a hand he is missing a

315

00:12:39,030 --> 00:12:36,639

hand sad i could just be really ugly man

316

00:12:41,509 --> 00:12:39,040

it could be a it could be a really ugly

317

00:12:43,750 --> 00:12:41,519

man what gets me is that he's wearing a

318

00:12:45,829 --> 00:12:43,760

hat and a medallion

319

00:12:47,030 --> 00:12:45,839

sounds very disco

320

00:12:47,990 --> 00:12:47,040

oh do you think he saw you think he was

321

00:12:49,590 --> 00:12:48,000

coming home from the distance he might

322

00:12:51,269 --> 00:12:49,600

have been coming home from the disco i

323

00:12:53,590 --> 00:12:51,279

don't know we're sitting lost a hand

324

00:12:56,389 --> 00:12:53,600

listeners if if you are in sydney north

325

00:12:58,310 --> 00:12:56,399

carolina let us know or near or near it

326

00:13:02,150 --> 00:12:58,320

let us know if there was a disco there

327

00:13:03,430 --> 00:13:02,160

in 1973 where a guy with a hook knows

328

00:13:04,790 --> 00:13:03,440

might have lost the hand of the hook

329

00:13:07,509 --> 00:13:04,800

nose thing

330

00:13:08,629 --> 00:13:07,519

very prominent anti-semitic

331

00:13:10,389 --> 00:13:08,639

sort of

332

00:13:13,350 --> 00:13:10,399

caricature so that might have been part

333

00:13:15,509 --> 00:13:13,360

of it i want to know what kind of hat he

334

00:13:18,150 --> 00:13:15,519

was wearing a small brownie please and

335

00:13:19,509 --> 00:13:18,160

don't put a brown shirt with black pants

336

00:13:22,470 --> 00:13:19,519

oh

337

00:13:24,470 --> 00:13:22,480

october 13th in the netherlands a woman

338

00:13:26,230 --> 00:13:24,480

arising from bed glanced out a window

339

00:13:28,230 --> 00:13:26,240

and clearly saw three little men outside

340

00:13:29,910 --> 00:13:28,240

of her house they were tall and were

341

00:13:31,910 --> 00:13:29,920

dressed in white outfits like monk's

342

00:13:34,230 --> 00:13:31,920

habits with tight belts around their

343

00:13:36,550 --> 00:13:34,240

waists on their head they were tiny

344

00:13:38,710 --> 00:13:36,560

cowls with two points that hung on their

345

00:13:40,470 --> 00:13:38,720

shoulders they seemed to be looking for

346

00:13:42,790 --> 00:13:40,480

something on the ground by the walkway

347

00:13:45,110 --> 00:13:42,800

between her house and a nearby school

348

00:13:47,509 --> 00:13:45,120

and had instruments in their hands they

349

00:13:49,030 --> 00:13:47,519

were wide blunt shoes

350

00:13:50,949 --> 00:13:49,040

one of the little men looked toward the

351  
00:13:53,030 --> 00:13:50,959  
house and apparently saw the witness

352  
00:13:55,269 --> 00:13:53,040  
with my nose against the window in her

353  
00:13:56,790 --> 00:13:55,279  
words for he appeared startled and said

354  
00:13:58,790 --> 00:13:56,800  
something to the other two unheard by

355  
00:14:00,389 --> 00:13:58,800  
the witnesses or the witness all three

356  
00:14:02,949 --> 00:14:00,399  
turned at once and moved off quickly

357  
00:14:04,470 --> 00:14:02,959  
with very small fast steps going to

358  
00:14:06,069 --> 00:14:04,480  
another window in the house to see if

359  
00:14:08,230 --> 00:14:06,079  
she could see more the witness

360  
00:14:11,509 --> 00:14:08,240  
discovered a glowing red spherical

361  
00:14:13,590 --> 00:14:11,519  
object of 2 or 2.5 meters in diameter at

362  
00:14:16,069 --> 00:14:13,600  
a distance from the house of 30 or 40

363  
00:14:18,150 --> 00:14:16,079

meters she went to wake up her husband

364

00:14:19,750 --> 00:14:18,160

when they looked for the object it had

365

00:14:21,670 --> 00:14:19,760

disappeared so the first thing that

366

00:14:22,870 --> 00:14:21,680

strikes me is that they were in quotes

367

00:14:24,949 --> 00:14:22,880

little men

368

00:14:27,829 --> 00:14:24,959

they were tall

369

00:14:33,269 --> 00:14:29,269

so

370

00:14:35,750 --> 00:14:33,279

now i'm asked i want to know for this

371

00:14:37,030 --> 00:14:35,760

woman what what is a little man to you

372

00:14:39,990 --> 00:14:37,040

and what

373

00:14:41,910 --> 00:14:40,000

makes a little man tall little men okay

374

00:14:43,990 --> 00:14:41,920

but now it's in a walkway between her

375

00:14:46,230 --> 00:14:44,000

home in a school right so maybe like

376

00:14:48,389 --> 00:14:46,240

some kids forgot something at school and

377

00:14:49,990 --> 00:14:48,399

they're going back to get it

378

00:14:51,670 --> 00:14:50,000

and they were wearing

379

00:14:54,150 --> 00:14:51,680

white outfits like monks habits with

380

00:14:55,590 --> 00:14:54,160

tight belts and and like cowls with

381

00:14:57,750 --> 00:14:55,600

pointy shoulders what is this they're

382

00:14:58,870 --> 00:14:57,760

getting ready for halloween

383

00:14:59,990 --> 00:14:58,880

oh

384

00:15:02,389 --> 00:15:00,000

it's like

385

00:15:04,470 --> 00:15:02,399

october 13th i know but they're they're

386

00:15:07,590 --> 00:15:04,480

doing a test run their moms want to make

387

00:15:08,949 --> 00:15:07,600

sure that their little outfits fit right

388

00:15:10,870 --> 00:15:08,959

and what were they what were they

389

00:15:12,949 --> 00:15:10,880

dressed as

390

00:15:15,269 --> 00:15:12,959

little men with

391

00:15:17,350 --> 00:15:15,279

monks habits and well no incredibly

392

00:15:22,629 --> 00:15:17,360

strong little men but they were dressed

393

00:15:28,230 --> 00:15:24,790

i get what you're saying okay

394

00:15:33,110 --> 00:15:31,269

why the blunt shoes that's what i wear

395

00:15:34,310 --> 00:15:33,120

um yeah because nothing else fits your

396

00:15:37,030 --> 00:15:34,320

face nope

397

00:15:39,189 --> 00:15:37,040

also on october 13th in amesbury

398

00:15:40,550 --> 00:15:39,199

massachusetts shout out to our friend

399

00:15:42,389 --> 00:15:40,560

tim benall

400

00:15:44,069 --> 00:15:42,399

a resident of massachusetts i don't know

401  
00:15:46,949 --> 00:15:44,079  
if amesbury is anywhere near where he

402  
00:15:49,350 --> 00:15:46,959  
lives but massachusetts isn't that big

403  
00:15:52,069 --> 00:15:49,360  
a married couple heard a strange inhuman

404  
00:15:53,670 --> 00:15:52,079  
conversation or in quotes argument

405  
00:15:54,710 --> 00:15:53,680  
outside their bedroom window late at

406  
00:15:56,470 --> 00:15:54,720  
night

407  
00:15:58,389 --> 00:15:56,480  
the conversation went on for 10 to 15

408  
00:16:01,030 --> 00:15:58,399  
minutes it was loud and similar to a

409  
00:16:03,509 --> 00:16:01,040  
very high pitched gibberish or babbling

410  
00:16:06,069 --> 00:16:03,519  
the couple were too afraid to look out

411  
00:16:11,189 --> 00:16:06,079  
possible landing traces were found

412  
00:16:15,670 --> 00:16:12,870  
okay do you know okay so when i was a

413  
00:16:19,030 --> 00:16:15,680

little girl we were at a sleepover and

414

00:16:20,949 --> 00:16:19,040

do you know the ruckus that cats and

415

00:16:23,350 --> 00:16:20,959

heat can make

416

00:16:24,949 --> 00:16:23,360

it sounds inhuman

417

00:16:27,430 --> 00:16:24,959

so we thought it was like

418

00:16:30,230 --> 00:16:27,440

aliens coming to get us

419

00:16:31,269 --> 00:16:30,240

seriously really yeah this is what that

420

00:16:32,790 --> 00:16:31,279

is

421

00:16:33,910 --> 00:16:32,800

it's two cats

422

00:16:36,870 --> 00:16:33,920

in heat

423

00:16:39,350 --> 00:16:36,880

underneath their window i i never got

424

00:16:41,509 --> 00:16:39,360

invited to sleepovers so well no because

425

00:16:44,629 --> 00:16:41,519

you'd want to tell these long ufo

426

00:16:46,310 --> 00:16:44,639

stories to people i would i

427

00:16:49,110 --> 00:16:46,320

would actually

428

00:16:51,910 --> 00:16:49,120

you know what that is um

429

00:16:53,590 --> 00:16:51,920

my my explanation was uh the phenomenon

430

00:16:55,910 --> 00:16:53,600

of the brain i read about this the brain

431

00:16:58,310 --> 00:16:55,920

translating white noise into something

432

00:17:00,790 --> 00:16:58,320

that it recognizes because because what

433

00:17:02,230 --> 00:17:00,800

you you you know i've talked about this

434

00:17:05,110 --> 00:17:02,240

is when we've got a white noise

435

00:17:08,150 --> 00:17:05,120

generator or a fan on at night

436

00:17:10,069 --> 00:17:08,160

i will hear what sounds like voices or

437

00:17:12,069 --> 00:17:10,079

music and it it just

438

00:17:14,150 --> 00:17:12,079

bugs me i change the frequency or just

439

00:17:16,390 --> 00:17:14,160

move the fan slightly and it disappears

440

00:17:18,630 --> 00:17:16,400

but i i googled this because i thought i

441

00:17:20,309 --> 00:17:18,640

was losing my mind right

442

00:17:24,150 --> 00:17:20,319

but it turns out it's almost like an

443

00:17:26,470 --> 00:17:24,160

audio paradolia where your your brain

444

00:17:29,750 --> 00:17:26,480

kind of tries to make

445

00:17:32,230 --> 00:17:29,760

sense out of what it's hearing so i but

446

00:17:34,710 --> 00:17:32,240

i like your your cats in heat story

447

00:17:37,029 --> 00:17:34,720

because that seems i mean even more

448

00:17:38,789 --> 00:17:37,039

likely than well maybe there was a white

449

00:17:40,950 --> 00:17:38,799

noise generator going on or somebody had

450

00:17:43,190 --> 00:17:40,960

a fan on oh a man might have had a fan

451  
00:17:45,190 --> 00:17:43,200  
on the white noise generators didn't

452  
00:17:46,390 --> 00:17:45,200  
exist then

453  
00:17:47,909 --> 00:17:46,400  
did they

454  
00:17:51,270 --> 00:17:47,919  
my mother

455  
00:17:54,230 --> 00:17:51,280  
had a white noise generator as long as i

456  
00:17:56,310 --> 00:17:54,240  
can remember ours is electronic but hers

457  
00:17:57,750 --> 00:17:56,320  
was like a little fan inside a little

458  
00:17:59,590 --> 00:17:57,760  
device was called the brand name was

459  
00:18:03,510 --> 00:17:59,600  
sleep mate

460  
00:18:04,630 --> 00:18:03,520  
so i wouldn't be surprised okay october

461  
00:18:07,909 --> 00:18:04,640  
6th

462  
00:18:09,750 --> 00:18:07,919  
saint matthias quebec canada shortly

463  
00:18:11,990 --> 00:18:09,760

after midnight a married couple saw

464

00:18:13,990 --> 00:18:12,000

bright lights on their property later in

465

00:18:16,630 --> 00:18:14,000

the morning they observed a dome-like

466

00:18:18,870 --> 00:18:16,640

tent about a third of a mile away a

467

00:18:20,470 --> 00:18:18,880

second smaller object emerged from it

468

00:18:22,630 --> 00:18:20,480

and moved across the ground to a

469

00:18:24,390 --> 00:18:22,640

distance of about 200 feet

470

00:18:26,070 --> 00:18:24,400

five figures of small stature wearing

471

00:18:27,590 --> 00:18:26,080

bright yellow garments and helmets moved

472

00:18:28,390 --> 00:18:27,600

quickly back and forth between the two

473

00:18:30,390 --> 00:18:28,400

objects

474

00:18:32,150 --> 00:18:30,400

for an undisclosed period

475

00:18:34,789 --> 00:18:32,160

when the witness's next look all had

476

00:18:37,909 --> 00:18:34,799

vanished ground traces of various

477

00:18:39,669 --> 00:18:37,919

descriptions were found at the site i

478

00:18:42,470 --> 00:18:39,679

find it interesting that they say that

479

00:18:44,630 --> 00:18:42,480

they're it's a married couple like that

480

00:18:46,789 --> 00:18:44,640

gives them more credibility because

481

00:18:50,070 --> 00:18:46,799

they're married

482

00:18:52,390 --> 00:18:50,080

and then okay ground traces of various

483

00:18:55,110 --> 00:18:52,400

descriptions what are the descriptions

484

00:18:57,110 --> 00:18:55,120

give me the descriptions describe them

485

00:18:59,190 --> 00:18:57,120

yeah so are we talking again are we

486

00:19:01,350 --> 00:18:59,200

talking scat are we talking footprints

487

00:19:03,110 --> 00:19:01,360

you are really obsessed with humanoid

488

00:19:05,190 --> 00:19:03,120

scat i am

489

00:19:06,549 --> 00:19:05,200

well okay but you know like what are

490

00:19:07,590 --> 00:19:06,559

what are we look what are we looking at

491

00:19:09,510 --> 00:19:07,600

here

492

00:19:11,750 --> 00:19:09,520

i know and and to be fair these are

493

00:19:13,430 --> 00:19:11,760

summaries you know but it says firsthand

494

00:19:15,430 --> 00:19:13,440

investigation which means i don't know

495

00:19:17,590 --> 00:19:15,440

somewhere in the file there's

496

00:19:18,870 --> 00:19:17,600

a more elaborate

497

00:19:19,669 --> 00:19:18,880

thing i don't know

498

00:19:20,470 --> 00:19:19,679

um

499

00:19:24,070 --> 00:19:20,480

but

500

00:19:25,669 --> 00:19:24,080

if you bought this copy of 1973 year of

501  
00:19:27,190 --> 00:19:25,679  
the humanoids from the center for ufo

502  
00:19:28,870 --> 00:19:27,200  
studies and you're reading this this is

503  
00:19:30,710 --> 00:19:28,880  
all you've got

504  
00:19:32,470 --> 00:19:30,720  
you know i'm sure if i went into the

505  
00:19:34,150 --> 00:19:32,480  
internet to various databases i could

506  
00:19:36,549 --> 00:19:34,160  
find more about this but

507  
00:19:39,990 --> 00:19:36,559  
i'm looking at what we've got in

508  
00:19:41,190 --> 00:19:40,000  
this you know coil bound yeah thing i'm

509  
00:19:42,630 --> 00:19:41,200  
reading in the description of the

510  
00:19:44,789 --> 00:19:42,640  
figures and it's almost sounds like

511  
00:19:46,150 --> 00:19:44,799  
they're minions i'm look i'm picturing a

512  
00:19:47,990 --> 00:19:46,160  
little minion

513  
00:19:50,070 --> 00:19:48,000

they're wearing bright yellow garments

514

00:19:51,990 --> 00:19:50,080

and helmets and they move quickly back

515

00:19:55,270 --> 00:19:52,000

and forth i do like the minion

516

00:19:58,150 --> 00:19:55,280

description and i i i share your concern

517

00:19:59,190 --> 00:19:58,160

about the um emphasis on it's a married

518

00:20:00,710 --> 00:19:59,200

couple

519

00:20:03,110 --> 00:20:00,720

so if you and i would have seen

520

00:20:04,830 --> 00:20:03,120

something on like may 2nd

521

00:20:07,990 --> 00:20:04,840

before we were married

522

00:20:11,510 --> 00:20:08,000

2003 we would only be an engaged couple

523

00:20:13,350 --> 00:20:11,520

right on may 3rd we would be a married

524

00:20:14,789 --> 00:20:13,360

couple and have much more credibility

525

00:20:15,990 --> 00:20:14,799

correct so it's a good thing we didn't

526

00:20:18,070 --> 00:20:16,000

see anything

527

00:20:21,190 --> 00:20:18,080

on may 2nd i mean i saw something on may

528

00:20:23,029 --> 00:20:21,200

2nd but not a ufo

529

00:20:24,149 --> 00:20:23,039

it was a cardboard cutout of jar jar

530

00:20:26,710 --> 00:20:24,159

binks

531

00:20:28,870 --> 00:20:26,720

with a hat

532

00:20:30,710 --> 00:20:28,880

that wasn't may 2nd yeah it was it was

533

00:20:33,430 --> 00:20:30,720

over at forrest's house your bachelor

534

00:20:35,430 --> 00:20:33,440

party wasn't may 2nd yeah it was no it

535

00:20:36,950 --> 00:20:35,440

wasn't our rehearsal dinner and after

536

00:20:38,390 --> 00:20:36,960

the rehearsal dinner i went over to

537

00:20:40,310 --> 00:20:38,400

forest's house

538

00:20:41,750 --> 00:20:40,320

do you want me to get simpson jahan over

539

00:20:44,149 --> 00:20:41,760

the third on the phone

540

00:20:47,510 --> 00:20:44,159

yeah okay

541

00:20:48,870 --> 00:20:47,520

okay simpson you are on the air with me

542

00:20:50,230 --> 00:20:48,880

and the saucer wife and i have a

543

00:20:53,110 --> 00:20:50,240

question for you

544

00:20:55,590 --> 00:20:53,120

okay all right um

545

00:20:57,909 --> 00:20:55,600

may 2nd 2003

546

00:21:00,310 --> 00:20:57,919

after our rehearsal dinner

547

00:21:02,070 --> 00:21:00,320

we went over to our buddy forest's house

548

00:21:04,149 --> 00:21:02,080

and there was a cardboard cutout of jar

549

00:21:06,310 --> 00:21:04,159

jar binks correct

550

00:21:08,870 --> 00:21:06,320

i believe so yes and that was the same

551  
00:21:10,310 --> 00:21:08,880  
night as the rehearsal dinner uh yes and

552  
00:21:12,630 --> 00:21:10,320  
it wouldn't have been any other night

553  
00:21:15,190 --> 00:21:12,640  
because you were only in town for that

554  
00:21:18,390 --> 00:21:15,200  
weekend that is correct

555  
00:21:20,710 --> 00:21:18,400  
and you have just proven me correct in

556  
00:21:23,909 --> 00:21:20,720  
front of the saucer wife and an audience

557  
00:21:27,430 --> 00:21:25,430  
i have a feeling this is going to blow

558  
00:21:32,630 --> 00:21:27,440  
back on me somehow

559  
00:21:39,029 --> 00:21:35,190  
your shadow may never cros

560  
00:21:45,029 --> 00:21:41,909  
i'll find a way to make it up to you

561  
00:21:47,190 --> 00:21:45,039  
thank you simpson we appreciate it a lot

562  
00:21:48,630 --> 00:21:47,200  
have a good evening you too bye

563  
00:21:52,070 --> 00:21:48,640

all right that was associate producer

564

00:21:55,270 --> 00:21:52,080

simpson johanna iii backing me up

565

00:21:57,350 --> 00:21:55,280

as i pay him to okay let's do one more

566

00:22:00,230 --> 00:21:57,360

story and then we'll do our

567

00:22:02,310 --> 00:22:00,240

midway break which may not be the midway

568

00:22:05,750 --> 00:22:02,320

but it's uh it's halfway this is october

569

00:22:08,710 --> 00:22:05,760

16th burbank california two children

570

00:22:11,110 --> 00:22:08,720

ages two and four reported a ufo with a

571

00:22:13,750 --> 00:22:11,120

pointed dome and rays emanating from the

572

00:22:16,070 --> 00:22:13,760

bottom it made a buzzing sound

573

00:22:17,669 --> 00:22:16,080

as many as four occupants were mentioned

574

00:22:19,669 --> 00:22:17,679

they invited the older boy to look in

575

00:22:21,350 --> 00:22:19,679

the object when the boy's father stepped

576

00:22:22,950 --> 00:22:21,360

into the backyard minutes after the

577

00:22:27,270 --> 00:22:22,960

sighting the family dog was barking

578

00:22:29,029 --> 00:22:27,280

furiously it's oddly specific for two

579

00:22:31,350 --> 00:22:29,039

and four-year-olds

580

00:22:33,430 --> 00:22:31,360

i guess they could say pointed they're

581

00:22:36,149 --> 00:22:33,440

not going to say the word dome

582

00:22:38,789 --> 00:22:36,159

they're not going to know what a ray and

583

00:22:42,390 --> 00:22:38,799

emanating

584

00:22:45,110 --> 00:22:42,400

i just somebody obviously you know

585

00:22:46,950 --> 00:22:45,120

put this into their own core correct

586

00:22:49,190 --> 00:22:46,960

so i would like to know what

587

00:22:50,950 --> 00:22:49,200

specifically the two and four-year-olds

588

00:22:53,110 --> 00:22:50,960

said i think this is very much an

589

00:22:55,510 --> 00:22:53,120

interpretation

590

00:22:58,390 --> 00:22:55,520

of what they said and you work with

591

00:23:00,470 --> 00:22:58,400

yes i work um i work in a preschool

592

00:23:01,750 --> 00:23:00,480

childhood correct i work with two and

593

00:23:05,830 --> 00:23:01,760

four-year-olds

594

00:23:09,190 --> 00:23:05,840

um and they do not speak like this

595

00:23:10,710 --> 00:23:09,200

yeah a buzzing sound yes

596

00:23:14,310 --> 00:23:10,720

now they also had testimony from the

597

00:23:16,230 --> 00:23:14,320

boys the the kid's father too so

598

00:23:19,430 --> 00:23:16,240

that's feeding into this yeah when the

599

00:23:21,270 --> 00:23:19,440

boy's father stepped into the backyard

600

00:23:24,870 --> 00:23:21,280

oh after the sighting yeah you're right

601  
00:23:26,789 --> 00:23:24,880  
um minutes after the sighting

602  
00:23:28,630 --> 00:23:26,799  
so yeah he wouldn't have seen it

603  
00:23:29,909 --> 00:23:28,640  
yeah he didn't see it the dog was

604  
00:23:30,860 --> 00:23:29,919  
barking

605  
00:23:32,230 --> 00:23:30,870  
i don't know

606  
00:23:34,070 --> 00:23:32,240  
[Music]

607  
00:23:36,230 --> 00:23:34,080  
okay suspect that best

608  
00:23:39,590 --> 00:23:36,240  
yeah i mean i would want i guess i would

609  
00:23:42,710 --> 00:23:39,600  
want to know exactly what the kids said

610  
00:23:45,110 --> 00:23:42,720  
not what the interpretation is

611  
00:23:46,870 --> 00:23:45,120  
but what the kids say that's that's fair

612  
00:23:49,350 --> 00:23:46,880  
enough all right let's uh let's take a

613  
00:23:51,420 --> 00:23:49,360

break and we will

614

00:23:55,990 --> 00:23:51,430

return

615

00:23:58,710 --> 00:23:57,590

we will be back in a week fielding your

616

00:24:00,950 --> 00:23:58,720

questions and comments about this

617

00:24:03,110 --> 00:24:00,960

episode and then on the next regular

618

00:24:06,870 --> 00:24:03,120

episode it is our fifth anniversary

619

00:24:09,430 --> 00:24:06,880

spectacular yes five years of the saucer

620

00:24:11,110 --> 00:24:09,440

life that's about four years and ten

621

00:24:13,590 --> 00:24:11,120

months more

622

00:24:14,950 --> 00:24:13,600

than i thought i would be doing

623

00:24:16,549 --> 00:24:14,960

this so

624

00:24:18,470 --> 00:24:16,559

we're gonna have some special stuff

625

00:24:21,350 --> 00:24:18,480

where you might have some special guests

626

00:24:23,909 --> 00:24:21,360

uh we'll have some um some thoughts from

627

00:24:25,590 --> 00:24:23,919

listeners there is a link in the show

628

00:24:27,669 --> 00:24:25,600

notes to a survey

629

00:24:30,630 --> 00:24:27,679

with some questions that i would like to

630

00:24:32,230 --> 00:24:30,640

get from uh from from listeners what's

631

00:24:33,750 --> 00:24:32,240

an example of a question that's on that

632

00:24:36,230 --> 00:24:33,760

survey oh well i can tell you exactly

633

00:24:37,669 --> 00:24:36,240

what's on that survey saucer wife um

634

00:24:39,669 --> 00:24:37,679

what are your favorite topics that we've

635

00:24:41,029 --> 00:24:39,679

covered what are some topics that you

636

00:24:42,070 --> 00:24:41,039

wish we would cover

637

00:24:44,870 --> 00:24:42,080

and

638

00:24:47,110 --> 00:24:44,880

you can ask us anything that's me or you

639

00:24:49,830 --> 00:24:47,120

you're just down the street or across

640

00:24:52,230 --> 00:24:49,840

town up the stairs so okay but i don't

641

00:24:53,269 --> 00:24:52,240

have to answer it right

642

00:24:56,630 --> 00:24:53,279

or am i

643

00:24:58,310 --> 00:24:56,640

bound by the laws of saucer life to

644

00:25:00,470 --> 00:24:58,320

to answer any questions it's only on the

645

00:25:03,430 --> 00:25:00,480

patreon that you you're contractually

646

00:25:05,110 --> 00:25:03,440

required to answer questions okay but if

647

00:25:07,350 --> 00:25:05,120

you have questions for the sauce or wife

648

00:25:09,669 --> 00:25:07,360

look she's she's an open box she's a

649

00:25:12,070 --> 00:25:09,679

sport she will she will answer stuff

650

00:25:14,070 --> 00:25:12,080

that i would probably prefer her not to

651  
00:25:17,430 --> 00:25:14,080  
so um anything yeah anything you want to

652  
00:25:19,350 --> 00:25:17,440  
know about our host here i'm open book

653  
00:25:20,950 --> 00:25:19,360  
good god okay so

654  
00:25:22,390 --> 00:25:20,960  
you can uh you can

655  
00:25:23,830 --> 00:25:22,400  
yeah fill that out or if you don't want

656  
00:25:25,590 --> 00:25:23,840  
to fill out a form it's a google form

657  
00:25:27,430 --> 00:25:25,600  
but i've sort of anonymized it as best i

658  
00:25:29,669 --> 00:25:27,440  
can and you don't have to be logged into

659  
00:25:31,909 --> 00:25:29,679  
google to answer it you can

660  
00:25:35,350 --> 00:25:31,919  
you know get at us at any of the usual

661  
00:25:37,269 --> 00:25:35,360  
communications method um and it which is

662  
00:25:38,789 --> 00:25:37,279  
um there's a contact form at

663  
00:25:40,470 --> 00:25:38,799

saucerlife.com

664

00:25:41,909 --> 00:25:40,480

uh we're on twitter and instagram at

665

00:25:44,470 --> 00:25:41,919

saucerlive you can email us at

666

00:25:46,390 --> 00:25:44,480

thesaucerlife gmail.com if you think

667

00:25:48,149 --> 00:25:46,400

your answer your question will get here

668

00:25:51,029 --> 00:25:48,159

soon enough you can mail it to us at

669

00:25:54,470 --> 00:25:51,039

chizomedia po box 68 graham lake

670

00:25:56,789 --> 00:25:54,480

michigan 48480 my gosh do you know how

671

00:25:58,149 --> 00:25:56,799

much a stamp costs if you like the

672

00:26:00,070 --> 00:25:58,159

saucer life and want more you can

673

00:26:01,750 --> 00:26:00,080

support us in exchange for bonus content

674

00:26:04,710 --> 00:26:01,760

from both this show and our sister show

675

00:26:06,310 --> 00:26:04,720

great lakes lore needs more saucer wife

676

00:26:08,310 --> 00:26:06,320

if you subscribe to the patreon you'll

677

00:26:11,269 --> 00:26:08,320

get bonus episodes of the saucer live

678

00:26:14,630 --> 00:26:11,279

each of which has had the saucer wife on

679

00:26:16,630 --> 00:26:14,640

it and i am hijacking this show she is

680

00:26:19,950 --> 00:26:16,640

she is going rogue

681

00:26:22,470 --> 00:26:19,960

you can check out the patreon at

682

00:26:25,110 --> 00:26:22,480

patreon.commedia or via the link in the

683

00:26:27,269 --> 00:26:25,120

show notes or google saucerlife patreon

684

00:26:29,700 --> 00:26:27,279

that'll get you there too let's get back

685

00:26:35,990 --> 00:26:29,710

to the show

686

00:26:40,950 --> 00:26:39,029

will we make it past year five folks

687

00:26:44,630 --> 00:26:40,960

it's an even money bet at this point

688

00:26:50,950 --> 00:26:46,390

okay

689

00:26:53,830 --> 00:26:50,960

next case october 17th falkville alabama

690

00:26:56,310 --> 00:26:53,840

police chief jeff greenhaw photographed

691

00:26:58,390 --> 00:26:56,320

a five and a half foot being in a

692

00:27:01,110 --> 00:26:58,400

silvery suit after investigating a

693

00:27:02,950 --> 00:27:01,120

reported ufo landing the chief stopped

694

00:27:06,390 --> 00:27:02,960

his car in the road and the thing moved

695

00:27:09,669 --> 00:27:06,400

slowly like a robot toward the car when

696

00:27:12,310 --> 00:27:09,679

10 feet away it turned and began running

697

00:27:15,029 --> 00:27:12,320

the chief pursued in the car but the

698

00:27:17,750 --> 00:27:15,039

being accelerated and disappeared when

699

00:27:18,950 --> 00:27:17,760

the car spun off the road this is a

700

00:27:21,350 --> 00:27:18,960

quote

701  
00:27:24,389 --> 00:27:21,360  
he was running in a very odd manner from

702  
00:27:26,310 --> 00:27:24,399  
side to side arms down to his sides and

703  
00:27:27,830 --> 00:27:26,320  
it looked as if he had springs under his

704  
00:27:30,710 --> 00:27:27,840  
feet to propel him

705  
00:27:31,830 --> 00:27:30,720  
he could take ten feet at one step

706  
00:27:33,510 --> 00:27:31,840  
okay so

707  
00:27:36,310 --> 00:27:33,520  
so the the

708  
00:27:37,909 --> 00:27:36,320  
police chief ran his car off the road

709  
00:27:40,310 --> 00:27:37,919  
it sounds like it yeah

710  
00:27:42,789 --> 00:27:40,320  
he's not a very good driver is he well

711  
00:27:45,190 --> 00:27:42,799  
he's the chief he's usually at a desk

712  
00:27:48,070 --> 00:27:45,200  
well then what is he out there doing

713  
00:27:49,909 --> 00:27:48,080

it's he's not it's folkville alabama

714

00:27:51,590 --> 00:27:49,919

let's um oh there's probably like two

715

00:27:52,870 --> 00:27:51,600

people on the police force

716

00:27:55,909 --> 00:27:52,880

let's uh

717

00:27:57,909 --> 00:27:55,919

throw this on a google machine

718

00:28:00,230 --> 00:27:57,919

folkville alabama

719

00:28:05,909 --> 00:28:00,240

right now population

720

00:28:11,190 --> 00:28:07,389

so

721

00:28:14,389 --> 00:28:11,200

demographics in 1973

722

00:28:16,310 --> 00:28:14,399

there were about 900 people living in

723

00:28:18,070 --> 00:28:16,320

falkville alabama oh he's the only one

724

00:28:21,110 --> 00:28:18,080

he is the only cop he is he is the

725

00:28:23,350 --> 00:28:21,120

police chief he's the deputy he's uh

726

00:28:27,029 --> 00:28:23,360

everything a traffic guy

727

00:28:30,149 --> 00:28:27,039

parking tickets falkville alabama is a

728

00:28:32,149 --> 00:28:30,159

a one cop town i probably don't even

729

00:28:33,430 --> 00:28:32,159

have a stop light

730

00:28:35,669 --> 00:28:33,440

i don't know

731

00:28:36,549 --> 00:28:35,679

there's nothing really sexy about this

732

00:28:38,389 --> 00:28:36,559

what

733

00:28:39,350 --> 00:28:38,399

i mean

734

00:28:44,870 --> 00:28:39,360

okay

735

00:28:47,190 --> 00:28:44,880

least it had something different this 20

736

00:28:48,630 --> 00:28:47,200

centimeter guy under a bridge that's hot

737

00:28:50,389 --> 00:28:48,640

okay but at least it's something

738

00:28:52,630 --> 00:28:50,399

different this is just your run in the

739

00:28:54,230 --> 00:28:52,640

middle oh i saw what this is you're

740

00:28:56,549 --> 00:28:54,240

running the mill five and a half foot

741

00:28:58,470 --> 00:28:56,559

tall being in a silvery suit

742

00:29:00,549 --> 00:28:58,480

you know what they don't get much

743

00:29:02,549 --> 00:29:00,559

excitement here in fockville maybe with

744

00:29:04,710 --> 00:29:02,559

some guy on a friday night trying to

745

00:29:07,350 --> 00:29:04,720

liven them living it up you know what i

746

00:29:08,230 --> 00:29:07,360

will say that at at many times in my

747

00:29:10,310 --> 00:29:08,240

life

748

00:29:12,070 --> 00:29:10,320

me and and simpson jay hannover iii

749

00:29:13,909 --> 00:29:12,080

would have put on silvery suits and

750

00:29:17,110 --> 00:29:13,919

wandered around at the side of the road

751  
00:29:19,669 --> 00:29:17,120  
october 17th same day locksley alabama

752  
00:29:22,470 --> 00:29:19,679  
clarence patterson and his pickup truck

753  
00:29:24,389 --> 00:29:22,480  
were sucked up into a huge cigar-shaped

754  
00:29:26,149 --> 00:29:24,399  
object with a green light

755  
00:29:28,230 --> 00:29:26,159  
he was pulled out of the truck by about

756  
00:29:30,310 --> 00:29:28,240  
six robot-like beings who seemed to read

757  
00:29:32,149 --> 00:29:30,320  
his mind the next thing he remembered he

758  
00:29:33,750 --> 00:29:32,159  
was back on the highway going about 90

759  
00:29:35,510 --> 00:29:33,760  
miles an hour in the truck

760  
00:29:36,389 --> 00:29:35,520  
he may have been on board for up to 30

761  
00:29:38,389 --> 00:29:36,399  
minutes

762  
00:29:39,350 --> 00:29:38,399  
a sulfury smell was noted during the

763  
00:29:41,029 --> 00:29:39,360

sighting

764

00:29:43,669 --> 00:29:41,039

and i'm sorry remind me again this is

765

00:29:45,350 --> 00:29:43,679

the 70s 1973. okay so how old do you

766

00:29:48,470 --> 00:29:45,360

think this pickup is i mean they don't

767

00:29:50,789 --> 00:29:48,480

say i mean it could be a new pickup

768

00:29:53,110 --> 00:29:50,799

90 miles an hour eh i think a pickup

769

00:29:55,510 --> 00:29:53,120

from the 70s could go 90. okay

770

00:29:57,190 --> 00:29:55,520

what if it was from the 50s or the 60s

771

00:29:59,909 --> 00:29:57,200

we don't know what year it was i know

772

00:30:01,669 --> 00:29:59,919

i'm getting fixated on silly things okay

773

00:30:04,310 --> 00:30:01,679

i would actually

774

00:30:06,870 --> 00:30:04,320

i think being sucked up into a

775

00:30:09,190 --> 00:30:06,880

cigar-shaped object might be interesting

776

00:30:11,350 --> 00:30:09,200

it would be and and this is this is like

777

00:30:13,830 --> 00:30:11,360

detailed and bizarre enough that that

778

00:30:14,789 --> 00:30:13,840

you wouldn't i mean yes you could make

779

00:30:17,669 --> 00:30:14,799

it up

780

00:30:19,269 --> 00:30:17,679

but why would you yeah i mean yeah this

781

00:30:24,310 --> 00:30:19,279

makes you sound

782

00:30:29,269 --> 00:30:25,830

yeah and

783

00:30:30,789 --> 00:30:29,279

nobody would say this unless

784

00:30:33,750 --> 00:30:30,799

you know what i mean i mean you got to

785

00:30:36,789 --> 00:30:33,760

believe it to say it right or

786

00:30:39,029 --> 00:30:36,799

you're just like having fun yeah but

787

00:30:40,870 --> 00:30:39,039

i don't know but a sulfury smell

788

00:30:42,950 --> 00:30:40,880

probably familiar with uh with with our

789

00:30:45,510 --> 00:30:42,960

good friend joshua cutchen who's written

790

00:30:47,510 --> 00:30:45,520

a book called the brimstone brimstone

791

00:30:50,070 --> 00:30:47,520

deceit about

792

00:30:53,190 --> 00:30:50,080

odd smells particularly sulfur smells

793

00:30:55,350 --> 00:30:53,200

during paranormal occurrences and i

794

00:30:57,190 --> 00:30:55,360

looked this up in that book and he

795

00:30:59,830 --> 00:30:57,200

didn't mention it so

796

00:31:01,909 --> 00:30:59,840

is this a rare case of something

797

00:31:04,789 --> 00:31:01,919

smelling like sulfur that josh cutchen

798

00:31:06,630 --> 00:31:04,799

didn't mention but i have if so it would

799

00:31:09,350 --> 00:31:06,640

be the first because

800

00:31:10,310 --> 00:31:09,360

josh cutchen is a meticulous researcher

801  
00:31:12,070 --> 00:31:10,320  
his

802  
00:31:15,110 --> 00:31:12,080  
new book

803  
00:31:17,350 --> 00:31:15,120  
the ecology of souls is out now and i've

804  
00:31:19,669 --> 00:31:17,360  
got a copy and i cannot wait to dive in

805  
00:31:21,430 --> 00:31:19,679  
so and nobody paid me to say that as i

806  
00:31:23,590 --> 00:31:21,440  
said this is some product placement it's

807  
00:31:26,549 --> 00:31:23,600  
it's product placement of a product i

808  
00:31:28,389 --> 00:31:26,559  
bought and i'm excited to read very nice

809  
00:31:30,830 --> 00:31:28,399  
it is nice of me isn't it oh you're such

810  
00:31:32,870 --> 00:31:30,840  
a sweetheart i am i am i'm a very nice

811  
00:31:34,710 --> 00:31:32,880  
man also

812  
00:31:36,310 --> 00:31:34,720  
on october 17th

813  
00:31:37,190 --> 00:31:36,320

busy night it

814

00:31:40,470 --> 00:31:37,200

right

815

00:31:43,269 --> 00:31:40,480

and alabama alabama this is mississippi

816

00:31:45,350 --> 00:31:43,279

a 50-foot wide ufo hovered two to three

817

00:31:48,310 --> 00:31:45,360

feet above highway 82 at twilight

818

00:31:49,350 --> 00:31:48,320

seemingly suspended quote on a beam of

819

00:31:52,710 --> 00:31:49,360

light

820

00:31:54,789 --> 00:31:52,720

out and the engine died when it was a

821

00:31:57,029 --> 00:31:54,799

hundred yards from the craft

822

00:31:59,509 --> 00:31:57,039

another car stopped just behind him a

823

00:32:02,310 --> 00:31:59,519

second ufo hovered 60 feet above the

824

00:32:03,830 --> 00:32:02,320

first illuminating it with a light both

825

00:32:05,750 --> 00:32:03,840

craft were similar

826  
00:32:06,789 --> 00:32:05,760  
like inverted

827  
00:32:10,310 --> 00:32:06,799  
cups

828  
00:32:13,669 --> 00:32:10,320  
and had greenish blue flashing lights

829  
00:32:16,470 --> 00:32:13,679  
a catfish like

830  
00:32:20,230 --> 00:32:16,480  
a catfish-like creature

831  
00:32:23,110 --> 00:32:20,240  
came out from the top of the lower ufo

832  
00:32:25,830 --> 00:32:23,120  
holding onto a handrail

833  
00:32:27,590 --> 00:32:25,840  
it had gray fish-like skin

834  
00:32:29,350 --> 00:32:27,600  
a wide mouth

835  
00:32:31,029 --> 00:32:29,360  
one glowing eye

836  
00:32:33,350 --> 00:32:31,039  
flipper-like feet

837  
00:32:35,269 --> 00:32:33,360  
and webbing between the legs like a

838  
00:32:38,149 --> 00:32:35,279

flying squirrel

839

00:32:41,830 --> 00:32:38,159

it had feather-like objects on its back

840

00:32:44,470 --> 00:32:41,840

which opened and closed when it moved

841

00:32:46,549 --> 00:32:44,480

this is outstanding

842

00:32:48,070 --> 00:32:46,559

this is what you want

843

00:32:49,990 --> 00:32:48,080

when you hear

844

00:32:52,389 --> 00:32:50,000

a ufo sighting

845

00:32:54,710 --> 00:32:52,399

this is this is what i want this isn't

846

00:32:55,549 --> 00:32:54,720

the freaking grail man

847

00:33:31,269 --> 00:32:55,559

a

848

00:33:33,110 --> 00:33:31,279

behind them so

849

00:33:34,470 --> 00:33:33,120

did they interview both people in both

850

00:33:36,149 --> 00:33:34,480

cars

851

00:33:38,149 --> 00:33:36,159

and came up with the story that is a

852

00:33:40,549 --> 00:33:38,159

good question um

853

00:33:43,430 --> 00:33:40,559

yeah the webbing between the legs like a

854

00:33:45,990 --> 00:33:43,440

flying squirrel that's like a detail

855

00:33:47,669 --> 00:33:46,000

right that you wouldn't necessarily

856

00:33:56,149 --> 00:33:47,679

i

857

00:33:57,029 --> 00:33:56,159

both cars or one car that's a good

858

00:34:01,350 --> 00:33:57,039

question

859

00:34:03,350 --> 00:34:01,360

gosh we've got three more we got three

860

00:34:04,830 --> 00:34:03,360

more just three more okay power through

861

00:34:06,710 --> 00:34:04,840

okay let's do

862

00:34:08,550 --> 00:34:06,720

this is gonna be like one of our

863

00:34:10,950 --> 00:34:08,560

shortest episodes but okay well

864

00:34:13,270 --> 00:34:10,960

hopefully your stamina lasts i'm sorry

865

00:34:15,270 --> 00:34:13,280

this is interrupting my dessert

866

00:34:16,629 --> 00:34:15,280

and it's almost now

867

00:34:18,629 --> 00:34:16,639

we're going on nine o'clock and i

868

00:34:20,550 --> 00:34:18,639

haven't had dessert no no you haven't

869

00:34:22,869 --> 00:34:20,560

i'm sorry

870

00:34:25,270 --> 00:34:22,879

october 19th near ashburn georgia a

871

00:34:28,069 --> 00:34:25,280

woman was driving on i-75

872

00:34:30,869 --> 00:34:28,079

i-75 when her engine power brakes and

873

00:34:32,950 --> 00:34:30,879

steering quit no ufo was seen but a

874

00:34:35,270 --> 00:34:32,960

small metallic man appeared after she

875

00:34:37,669 --> 00:34:35,280

had pulled the car to the roadside it

876  
00:34:39,990 --> 00:34:37,679  
had a bubble dome tet bubble dome head

877  
00:34:42,470 --> 00:34:40,000  
with rectangular eye openings the head

878  
00:34:44,149 --> 00:34:42,480  
moved like a robot from the elbows down

879  
00:34:46,790 --> 00:34:44,159  
the arms were narrow and wrinkled like a

880  
00:34:49,349 --> 00:34:46,800  
chicken's legs it moved around the car

881  
00:34:52,149 --> 00:34:49,359  
then was gone afterwards she found the

882  
00:34:54,389 --> 00:34:52,159  
engine billowing smoke and the hood

883  
00:34:57,270 --> 00:34:54,399  
intensely hot

884  
00:35:03,109 --> 00:34:57,280  
because her engine overheated

885  
00:35:07,990 --> 00:35:05,910  
one isn't necessarily with the other

886  
00:35:09,109 --> 00:35:08,000  
like it's making it sound like this

887  
00:35:11,670 --> 00:35:09,119  
person

888  
00:35:14,550 --> 00:35:11,680

did something to her car it doesn't have

889

00:35:16,390 --> 00:35:14,560

to necessarily be the case

890

00:35:19,190 --> 00:35:16,400

so her car could have overheated have

891

00:35:21,510 --> 00:35:19,200

you been in a 70s car

892

00:35:23,990 --> 00:35:21,520

like do you remember our s kids those

893

00:35:25,910 --> 00:35:24,000

cars we had an audi

894

00:35:28,150 --> 00:35:25,920

that had some issues correct you know

895

00:35:29,750 --> 00:35:28,160

where you know oh my god

896

00:35:31,670 --> 00:35:29,760

synchronicity

897

00:35:35,430 --> 00:35:31,680

one time

898

00:35:37,990 --> 00:35:35,440

our 1978 audi 5000 on family vacation

899

00:35:39,430 --> 00:35:38,000

had a heat related breakdown

900

00:35:41,030 --> 00:35:39,440

do you know where

901  
00:35:43,589 --> 00:35:41,040  
georgia

902  
00:35:45,510 --> 00:35:43,599  
no 75 i-75

903  
00:35:47,349 --> 00:35:45,520  
cincinnati yeah

904  
00:35:49,109 --> 00:35:47,359  
i think it's just an i-75 thing actually

905  
00:35:50,950 --> 00:35:49,119  
no i think it's a 70s car thing that it

906  
00:35:54,710 --> 00:35:50,960  
would overheat

907  
00:35:56,710 --> 00:35:54,720  
or have engine problems or whatever so

908  
00:35:59,190 --> 00:35:56,720  
so so let me get this straight you think

909  
00:36:03,589 --> 00:35:59,200  
her car overheated but because it was a

910  
00:36:06,870 --> 00:36:03,599  
70s car unrelated to the ufo with the

911  
00:36:08,310 --> 00:36:06,880  
chicken leg bubble dome head but

912  
00:36:10,790 --> 00:36:08,320  
i'm saying is

913  
00:36:12,870 --> 00:36:10,800

it these two things don't necessarily

914

00:36:14,069 --> 00:36:12,880

have to be connected but you agree they

915

00:36:15,109 --> 00:36:14,079

both happened

916

00:36:16,470 --> 00:36:15,119

correct but they don't have to be

917

00:36:19,430 --> 00:36:16,480

connected so

918

00:36:22,069 --> 00:36:19,440

your point of incredulity is not the

919

00:36:26,310 --> 00:36:22,079

chicken leg armed bubble domed head

920

00:36:29,829 --> 00:36:26,320

rectangular eyed robot moving creature

921

00:36:31,829 --> 00:36:29,839

i believe she believes that she saw it

922

00:36:33,349 --> 00:36:31,839

but your problem is

923

00:36:36,630 --> 00:36:33,359

you don't think it should be blamed for

924

00:36:40,710 --> 00:36:36,640

the car overheating that poor car

925

00:36:41,829 --> 00:36:40,720

did nothing wrong in this scenario oh

926

00:36:43,190 --> 00:36:41,839

wow

927

00:36:45,349 --> 00:36:43,200

this is because you used to drive an old

928

00:36:47,589 --> 00:36:45,359

buick station wagon isn't it i am a

929

00:36:49,270 --> 00:36:47,599

daughter of a general motors worker we

930

00:36:51,510 --> 00:36:49,280

don't we don't we don't know i'm just

931

00:36:52,790 --> 00:36:51,520

i'm a car this was

932

00:36:54,950 --> 00:36:52,800

i'm just this could have been like a

933

00:36:56,950 --> 00:36:54,960

renault or something i'm

934

00:36:59,430 --> 00:36:56,960

positive that this was probably an

935

00:37:01,750 --> 00:36:59,440

american-made car i'm pretty sure yeah

936

00:37:04,550 --> 00:37:01,760

and i'm just gonna stand in solidarity

937

00:37:05,670 --> 00:37:04,560

with the american auto worker correct

938

00:37:11,430 --> 00:37:05,680

but then

939

00:37:14,310 --> 00:37:11,440

shouldn't you blame the aliens so my

940

00:37:17,349 --> 00:37:14,320

whole argument here has come around and

941

00:37:21,030 --> 00:37:19,589

yes much like this chicken man probably

942

00:37:22,470 --> 00:37:21,040

would have done

943

00:37:24,390 --> 00:37:22,480

to this poor woman if she would have

944

00:37:25,990 --> 00:37:24,400

gotten out of the car oh it is breaking

945

00:37:29,430 --> 00:37:26,000

down in tulsa here in the sausage i'm

946

00:37:32,230 --> 00:37:29,440

just yeah okay i really want dessert

947

00:37:34,470 --> 00:37:32,240

two more october 28th arena nevada why

948

00:37:36,230 --> 00:37:34,480

did you okay on your notes here you have

949

00:37:37,430 --> 00:37:36,240

chicken legs did you talk about chicken

950

00:37:39,349 --> 00:37:37,440

legs

951

00:37:40,790 --> 00:37:39,359

i talked about the chicken leg his arms

952

00:37:42,230 --> 00:37:40,800

were like chicken legs i mentioned that

953

00:37:44,310 --> 00:37:42,240

seven okay i just want to make sure you

954

00:37:46,310 --> 00:37:44,320

get your your points in here you're just

955

00:37:48,829 --> 00:37:46,320

you're just too busy shooting uaw

956

00:37:51,990 --> 00:37:48,839

propaganda to notice that

957

00:37:55,430 --> 00:37:52,000

i've followed my own notes uaw

958

00:37:57,990 --> 00:37:55,440

propaganda fed and clothed me as a child

959

00:38:00,150 --> 00:37:58,000

unw propaganda paid for my wedding so

960

00:38:02,630 --> 00:38:00,160

there you go folks

961

00:38:05,030 --> 00:38:02,640

october 28th reno nevada

962

00:38:07,430 --> 00:38:05,040

during the early morning hours

963

00:38:09,910 --> 00:38:07,440

the whitners went to the window and saw

964

00:38:11,750 --> 00:38:09,920

three very large saucer-shaped objects

965

00:38:13,910 --> 00:38:11,760

hovering across the street

966

00:38:18,710 --> 00:38:13,920

a ground crew of 10 to 12 figures

967

00:38:20,630 --> 00:38:18,720

wearing dully glowing cube-like uniforms

968

00:38:22,950 --> 00:38:20,640

were milling around as if in search of

969

00:38:24,790 --> 00:38:22,960

something a very low-pitched hum was

970

00:38:26,710 --> 00:38:24,800

heard but no barking by the witnesses

971

00:38:29,109 --> 00:38:26,720

dogs or others in the neighborhood

972

00:38:30,950 --> 00:38:29,119

when two of them in quotes men

973

00:38:33,589 --> 00:38:30,960

approached her driveway the witness took

974

00:38:35,270 --> 00:38:33,599

alarm and returned to bed where she fell

975

00:38:36,790 --> 00:38:35,280

asleep immediately

976

00:38:38,870 --> 00:38:36,800

there was no confirmation of anything

977

00:38:40,630 --> 00:38:38,880

unusual from any of her neighbors and no

978

00:38:43,990 --> 00:38:40,640

traces were found

979

00:38:48,870 --> 00:38:45,750

so what we're gonna we're gonna assume

980

00:38:50,310 --> 00:38:48,880

that the the beings like vine controlled

981

00:38:51,510 --> 00:38:50,320

her so that she went to sleep

982

00:38:53,990 --> 00:38:51,520

immediately

983

00:38:55,030 --> 00:38:54,000

i mean because if you saw something like

984

00:38:56,790 --> 00:38:55,040

this

985

00:38:58,550 --> 00:38:56,800

you would not fall asleep so it would

986

00:39:00,390 --> 00:38:58,560

have to be an outside and outside

987

00:39:04,069 --> 00:39:00,400

influence yeah

988

00:39:06,310 --> 00:39:04,079

what is a cube like i was gonna do

989

00:39:08,390 --> 00:39:06,320

i don't know is it just like

990

00:39:09,910 --> 00:39:08,400

is it is it a uniform that had cubes on

991

00:39:11,990 --> 00:39:09,920

it is it a uniform that has a pattern

992

00:39:15,510 --> 00:39:12,000

that looks like three-dimensional cubes

993

00:39:17,349 --> 00:39:15,520

is it a uniform that is a giant box that

994

00:39:19,190 --> 00:39:17,359

you wear like the transformers costume i

995

00:39:22,390 --> 00:39:19,200

wore in third grade yeah and then there

996

00:39:26,390 --> 00:39:22,400

was no no nothing found i mean at least

997

00:39:28,150 --> 00:39:26,400

there's no scat there's no footprints

998

00:39:31,910 --> 00:39:28,160

you're into the humanoid scat and it

999

00:39:33,430 --> 00:39:31,920

disturbs me um so i i

1000

00:39:37,829 --> 00:39:33,440

don't know

1001  
00:39:39,270 --> 00:39:37,839  
and it's it's funny that these dogs

1002  
00:39:43,349 --> 00:39:39,280  
aren't barking

1003  
00:39:45,750 --> 00:39:43,359  
like the other dog he barked maybe they

1004  
00:39:46,870 --> 00:39:45,760  
they yeah they saw like they made her go

1005  
00:39:48,230 --> 00:39:46,880  
to sleep

1006  
00:39:49,910 --> 00:39:48,240  
maybe

1007  
00:39:52,950 --> 00:39:49,920  
all right

1008  
00:39:54,870 --> 00:39:52,960  
i liked the carp the man way better the

1009  
00:39:57,510 --> 00:39:54,880  
the what was it the carpet catfish

1010  
00:39:59,910 --> 00:39:57,520  
catfish man the catfish is is that's

1011  
00:40:01,589 --> 00:39:59,920  
that's that's a that's a top five

1012  
00:40:03,750 --> 00:40:01,599  
ufo you really want somebody can

1013  
00:40:06,550 --> 00:40:03,760

somebody draw us a catfish man

1014

00:40:09,349 --> 00:40:06,560

listeners we there's an open call for

1015

00:40:10,710 --> 00:40:09,359

catfish man drawings oh please that

1016

00:40:12,790 --> 00:40:10,720

would be awesome

1017

00:40:14,470 --> 00:40:12,800

we will we will promote you

1018

00:40:16,790 --> 00:40:14,480

without end that would make a great

1019

00:40:18,470 --> 00:40:16,800

t-shirt he needs to be ambling down a

1020

00:40:19,990 --> 00:40:18,480

ramp um

1021

00:40:20,950 --> 00:40:20,000

with feathers there needs to be the

1022

00:40:22,710 --> 00:40:20,960

feathers

1023

00:40:25,670 --> 00:40:22,720

and the webbing between the legs like a

1024

00:40:28,630 --> 00:40:25,680

flying squirrel yeah we've never done

1025

00:40:30,550 --> 00:40:28,640

we've never done chiso media t-shirts or

1026

00:40:32,630 --> 00:40:30,560

merch but

1027

00:40:34,630 --> 00:40:32,640

i'm really thinking a cat a feathered

1028

00:40:36,870 --> 00:40:34,640

catfish man with

1029

00:40:39,829 --> 00:40:36,880

flying saucer squirrel flying saucer

1030

00:40:41,030 --> 00:40:39,839

squirrel flying squirrel webbing yeah

1031

00:40:47,030 --> 00:40:41,040

yeah

1032

00:40:47,910 --> 00:40:47,040

armistice day greenville south carolina

1033

00:40:50,390 --> 00:40:47,920

home

1034

00:40:53,589 --> 00:40:50,400

of many fine jim crockett promotions pro

1035

00:40:55,829 --> 00:40:53,599

wrestling shows many uh many a war games

1036

00:40:57,829 --> 00:40:55,839

were held in greenville saucer wife a

1037

00:40:59,829 --> 00:40:57,839

three-foot being dressed in a light

1038

00:41:02,470 --> 00:40:59,839

brown coverall got into a cab and told

1039

00:41:04,550 --> 00:41:02,480

the driver to take him to greasy corners

1040

00:41:07,030 --> 00:41:04,560

a local intersection the head was

1041

00:41:09,030 --> 00:41:07,040

featureless except for goggles or large

1042

00:41:11,349 --> 00:41:09,040

eyes it had on gloves and gold boots

1043

00:41:12,870 --> 00:41:11,359

with gold buttons in the chest the being

1044

00:41:15,910 --> 00:41:12,880

paid for the fair with a dollar bill

1045

00:41:20,069 --> 00:41:15,920

which had the green green side

1046

00:41:22,630 --> 00:41:20,079

which had the green side colored yellow

1047

00:41:26,069 --> 00:41:22,640

aren't both sides of a dollar bill green

1048

00:41:27,030 --> 00:41:26,079

i don't know i i thought so

1049

00:41:30,150 --> 00:41:27,040

also

1050

00:41:35,109 --> 00:41:30,160

gold boots

1051  
00:41:36,870 --> 00:41:35,119  
3000 fans one of my favorite episodes is

1052  
00:41:38,470 --> 00:41:36,880  
the girl in gold boots i don't watch

1053  
00:41:41,750 --> 00:41:38,480  
that one in a long time you wanna watch

1054  
00:41:43,430 --> 00:41:41,760  
tonight no no okay but this is it it

1055  
00:41:45,910 --> 00:41:43,440  
gets in a cab

1056  
00:41:47,349 --> 00:41:45,920  
it greasy corners a local intersection i

1057  
00:41:49,829 --> 00:41:47,359  
love the fact that you know there are

1058  
00:41:51,990 --> 00:41:49,839  
some places where a just an intersection

1059  
00:41:54,230 --> 00:41:52,000  
has a name i thought at first i was like

1060  
00:41:55,109 --> 00:41:54,240  
okay greasy corners is like a diner you

1061  
00:41:57,990 --> 00:41:55,119  
know

1062  
00:42:00,230 --> 00:41:58,000  
so these are some humanoid stories what

1063  
00:42:02,390 --> 00:42:00,240

do you think saucer wife

1064

00:42:04,550 --> 00:42:02,400

some of them weren't humanoid

1065

00:42:07,109 --> 00:42:04,560

no how is a catfish humanoid

1066

00:42:08,710 --> 00:42:07,119

how are ten dogs ten dogs humanoid well

1067

00:42:10,069 --> 00:42:08,720

one dog wouldn't be human but you get

1068

00:42:11,510 --> 00:42:10,079

ten of them together

1069

00:42:13,670 --> 00:42:11,520

then it makes a humanoid and it makes a

1070

00:42:15,270 --> 00:42:13,680

humanoid yeah okay

1071

00:42:17,430 --> 00:42:15,280

what do you think some of them were

1072

00:42:19,750 --> 00:42:17,440

outlandish some of them were outlandish

1073

00:42:21,670 --> 00:42:19,760

so you know what i realized

1074

00:42:23,190 --> 00:42:21,680

this is the first time i think you've

1075

00:42:25,589 --> 00:42:23,200

been on the show

1076

00:42:27,589 --> 00:42:25,599

in the patreon era really

1077

00:42:30,150 --> 00:42:27,599

you've been on the patreon every month

1078

00:42:32,150 --> 00:42:30,160

whether or not you remember

1079

00:42:33,990 --> 00:42:32,160

but i think this might be

1080

00:42:35,510 --> 00:42:34,000

the first time maybe not you might have

1081

00:42:37,109 --> 00:42:35,520

been back one other time i'll have to

1082

00:42:39,270 --> 00:42:37,119

take your word for it i was obviously

1083

00:42:40,790 --> 00:42:39,280

proven wrong once this evening i don't

1084

00:42:43,670 --> 00:42:40,800

want to live through that again no it's

1085

00:42:44,390 --> 00:42:43,680

humiliating isn't it very much so yeah

1086

00:42:45,589 --> 00:42:44,400

yeah

1087

00:42:48,630 --> 00:42:45,599

the only thing that can make me feel

1088

00:42:50,390 --> 00:42:48,640

better is a catfish shirt

1089

00:42:53,430 --> 00:42:50,400

flying saucer

1090

00:42:55,670 --> 00:42:53,440

catfish walking down a ramp feathers

1091

00:42:57,589 --> 00:42:55,680

flying squirrel

1092

00:43:01,750 --> 00:42:57,599

membrane

1093

00:43:04,870 --> 00:43:01,760

it is a really gross word it's like

1094

00:43:06,710 --> 00:43:04,880

moist yeah it's like membrane no no do

1095

00:43:08,150 --> 00:43:06,720

not but you know what we mean like the

1096

00:43:11,270 --> 00:43:08,160

little sort of do you think you could

1097

00:43:13,510 --> 00:43:11,280

put the description of the um catfish up

1098

00:43:15,750 --> 00:43:13,520

maybe so that if somebody wanted to draw

1099

00:43:17,829 --> 00:43:15,760

it they would have the description

1100

00:43:19,990 --> 00:43:17,839

i will throw that out on um on social

1101  
00:43:21,670 --> 00:43:20,000  
media and i will do my best to remember

1102  
00:43:23,430 --> 00:43:21,680  
to put it in the show notes okay thank

1103  
00:43:25,589 --> 00:43:23,440  
you i'll see if there's a picture of it

1104  
00:43:27,829 --> 00:43:25,599  
already in the book

1105  
00:43:28,790 --> 00:43:27,839  
because some of them had illustrations

1106  
00:43:29,670 --> 00:43:28,800  
okay

1107  
00:43:31,190 --> 00:43:29,680  
all right

1108  
00:43:32,950 --> 00:43:31,200  
but i'd really like maybe not the

1109  
00:43:34,950 --> 00:43:32,960  
picture i don't want to i don't want

1110  
00:43:37,109 --> 00:43:34,960  
people to have like i want to know what

1111  
00:43:38,069 --> 00:43:37,119  
their interpretation is

1112  
00:43:39,750 --> 00:43:38,079  
okay

1113  
00:43:41,510 --> 00:43:39,760

does that make sense yeah oh and then

1114

00:43:43,990 --> 00:43:41,520

maybe we could compare it with if there

1115

00:43:46,390 --> 00:43:44,000

is a picture we could compare if we were

1116

00:43:50,230 --> 00:43:46,400

to be lucky enough to get pictures

1117

00:43:55,630 --> 00:43:51,750

why are you taking a picture of me

1118

00:43:58,790 --> 00:43:55,640

because of my photography hobby

1119

00:44:03,270 --> 00:43:58,800

[Laughter]

1120

00:44:07,250 --> 00:44:05,430

thank you

1121

00:44:14,069 --> 00:44:07,260

let's go to the close

1122

00:44:16,950 --> 00:44:15,670

thanks for listening remember to send in

1123

00:44:19,030 --> 00:44:16,960

your questions and comments via the

1124

00:44:23,109 --> 00:44:19,040

usual social media or email channel and

1125

00:44:25,430 --> 00:44:23,119

catfish pictures and will it oh

1126

00:44:26,870 --> 00:44:25,440

i will address them on the saucer uh

1127

00:44:29,670 --> 00:44:26,880

there's a segment

1128

00:44:32,950 --> 00:44:29,680

next week maybe i'll come back

1129

00:44:37,430 --> 00:44:34,550

that'd be a hell of a thing wouldn't it

1130

00:44:39,750 --> 00:44:37,440

our associate producer is uh and and an

1131

00:44:41,109 --> 00:44:39,760

expert witness is simpson j hanover the

1132

00:44:43,190 --> 00:44:41,119

third who's no longer welcome in our

1133

00:44:46,550 --> 00:44:43,200

home no the saucer life is a production

1134

00:44:48,230 --> 00:44:46,560

of chiso media llc chizo media our heart

1135

00:44:49,670 --> 00:44:48,240

is with the catfish

1136

00:44:52,150 --> 00:44:49,680

till next time

1137

00:44:54,150 --> 00:44:52,160

keep watching the skies because

1138

00:44:57,700 --> 00:44:54,160

there's a damn catfish coming down that
