

# THE GULF BREEZE SIX PART ONE

1  
00:00:11,000 --> 00:00:16,570  
I never got any money from you

2  
00:00:21,360 --> 00:00:18,830  
UFO might just as well stand for

3  
00:00:24,070 --> 00:00:21,370  
unprecedented Financial opportunity

4  
00:00:27,109 --> 00:00:24,080  
[Applause]

5  
00:00:28,970 --> 00:00:27,119  
be normal this is the saucer life a

6  
00:00:30,710 --> 00:00:28,980  
podcast in which we examine Concepts

7  
00:00:33,470 --> 00:00:30,720  
events for people orbiting the world of

8  
00:00:35,810 --> 00:00:33,480  
flying saucers few preconceptions snark

9  
00:00:39,049 --> 00:00:35,820  
when Justified no belief no debunking

10  
00:00:41,510 --> 00:00:39,059  
today we're going back to Florida by way

11  
00:00:43,430 --> 00:00:41,520  
of Augsburg West Germany as it was at

12  
00:00:46,670 --> 00:00:43,440  
the time to look at the very strange

13  
00:00:49,250 --> 00:00:46,680

story of the Gulf Breeze six and

14

00:00:50,990 --> 00:00:49,260

particularly the role of a man named

15

00:00:53,450 --> 00:00:51,000

Vance Davis

16

00:00:55,549 --> 00:00:53,460

on the surface this isn't a story that

17

00:00:57,830 --> 00:00:55,559

seems to fit solidly within the UFO

18

00:00:59,630 --> 00:00:57,840

realm but it occurred in the midst of

19

00:01:02,029 --> 00:00:59,640

some of the Gulf Breeze sightings milieu

20

00:01:03,830 --> 00:01:02,039

and as we'll see there are elements that

21

00:01:06,649 --> 00:01:03,840

definitely fit into some of the broader

22

00:01:09,690 --> 00:01:06,659

themes that we cover here on the show so

23

00:01:15,590 --> 00:01:09,700

without further Ado let's Dive In

24

00:01:19,730 --> 00:01:17,929

difficult to know how exactly to

25

00:01:21,230 --> 00:01:19,740

structure stories that take place from

26

00:01:23,390 --> 00:01:21,240

several points of view for the Gulf

27

00:01:25,249 --> 00:01:23,400

Breeze six story I decided to handle

28

00:01:27,050 --> 00:01:25,259

things in the usual saucer life manner

29

00:01:29,330 --> 00:01:27,060

rather than doing anything weird and

30

00:01:30,890 --> 00:01:29,340

non-linear so what that means is that

31

00:01:33,170 --> 00:01:30,900

we'll be looking at the story initially

32

00:01:35,450 --> 00:01:33,180

Through The Eyes of how the public would

33

00:01:37,609 --> 00:01:35,460

have seen it with contemporary primary

34

00:01:40,069 --> 00:01:37,619

sources inserted where appropriate as

35

00:01:42,350 --> 00:01:40,079

usual so in keeping with that approach

36

00:01:45,170 --> 00:01:42,360

let's turn to the newspapers of Florida

37

00:01:48,649 --> 00:01:45,180

and wire services around the country in

38

00:01:50,990 --> 00:01:48,659

July of 1990 and first where with our

39

00:01:56,030 --> 00:01:51,000

old friend the Gulf Breeze Sentinel for

40

00:01:58,609 --> 00:01:56,040

Thursday July 19th 1990 page 9A if you

41

00:02:01,969 --> 00:01:58,619

want to check it out

42

00:02:03,530 --> 00:02:01,979

six arrested for deserting U.S army six

43

00:02:05,270 --> 00:02:03,540

U.S army soldiers were taken into

44

00:02:07,190 --> 00:02:05,280

custody by military authorities for

45

00:02:09,350 --> 00:02:07,200

being AWOL and transported to Fort

46

00:02:10,729 --> 00:02:09,360

Benning Georgia last Saturday the six

47

00:02:13,309 --> 00:02:10,739

were apprehended after one of the

48

00:02:14,930 --> 00:02:13,319

soldiers Michael J hookstadt was stopped

49

00:02:16,750 --> 00:02:14,940

by Gulf Breeze police officer Don

50

00:02:19,130 --> 00:02:16,760

Stevens for a broken tail light

51  
00:02:20,809 --> 00:02:19,140  
hookstadt had no identification and a

52  
00:02:22,729 --> 00:02:20,819  
computer check found him to be one of

53  
00:02:25,729 --> 00:02:22,739  
six soldiers wanted for being absent

54  
00:02:27,470 --> 00:02:25,739  
without official leave or AWOL four of

55  
00:02:29,330 --> 00:02:27,480  
the soldiers were found at Anna Foster's

56  
00:02:31,369 --> 00:02:29,340  
Home on McClure drive and Gulf Breeze

57  
00:02:33,110 --> 00:02:31,379  
and one a female was staying at a

58  
00:02:34,910 --> 00:02:33,120  
campsite at Fort Pickens when police

59  
00:02:36,890 --> 00:02:34,920  
went to the foster home Saturday morning

60  
00:02:39,229 --> 00:02:36,900  
the soldiers had several duffel bags

61  
00:02:41,030 --> 00:02:39,239  
suitcases and briefcases and about four

62  
00:02:43,070 --> 00:02:41,040  
thousand dollars in cash the six

63  
00:02:44,990 --> 00:02:43,080

belonged to a group called the end of

64

00:02:46,729 --> 00:02:45,000

the world and claimed they came to this

65

00:02:49,790 --> 00:02:46,739

area for the Rapture which they believe

66

00:02:51,830 --> 00:02:49,800

will take place here in October

67

00:02:53,449 --> 00:02:51,840

soldiers have been sought by authorities

68

00:02:55,070 --> 00:02:53,459

since July 9th when they were found

69

00:02:57,350 --> 00:02:55,080

missing from their Military Intelligence

70

00:02:59,570 --> 00:02:57,360

unit in West Germany Gulf Breeze Police

71

00:03:01,070 --> 00:02:59,580

Chief Jerry Brown said that no arrests

72

00:03:03,170 --> 00:03:01,080

were made and they were turned over to

73

00:03:06,229 --> 00:03:03,180

the CIA and FBI before going to Fort

74

00:03:08,570 --> 00:03:06,239

Benning Michael J hooked 19 is from

75

00:03:10,729 --> 00:03:08,580

Farson Wyoming the other five soldiers

76

00:03:13,130 --> 00:03:10,739

are William n setterberg 20 of

77

00:03:15,830 --> 00:03:13,140

Pittsburgh Pennsylvania Kenneth G Beeson

78

00:03:18,949 --> 00:03:15,840

26 of Middlesboro Tennessee Vance A

79

00:03:21,830 --> 00:03:18,959

Davis 25 of Wichita Kansas Chris P

80

00:03:27,110 --> 00:03:21,840

perlock 20 of Hudson Wisconsin and

81

00:03:31,190 --> 00:03:29,330

the next day the Northwest Florida Daily

82

00:03:34,009 --> 00:03:31,200

News covered the story and had an even

83

00:03:38,509 --> 00:03:34,019

more alarming headline six AWOL soldiers

84

00:03:42,470 --> 00:03:40,729

six soldiers reported by an unofficial

85

00:03:44,210 --> 00:03:42,480

military newspaper to be on a mission to

86

00:03:45,649 --> 00:03:44,220

kill the Antichrist were charged

87

00:03:47,030 --> 00:03:45,659

Thursday with desertion from their

88

00:03:49,490 --> 00:03:47,040

intelligence unit in West Germany

89

00:03:51,170 --> 00:03:49,500

Pentagon spokesman said a friend also

90

00:03:52,430 --> 00:03:51,180

told another newspaper that one of the

91

00:03:54,770 --> 00:03:52,440

soldiers arrested in this Florida

92

00:03:56,930 --> 00:03:54,780

Panhandle City a hotbed for UFO

93

00:03:59,330 --> 00:03:56,940

sightings was interested in unidentified

94

00:04:04,610 --> 00:03:59,340

flying objects and wanted to attend a

95

00:04:08,449 --> 00:04:06,710

The Soldier's religion was said to be

96

00:04:11,149 --> 00:04:08,459

some kind of Christian fundamentalism

97

00:04:12,830 --> 00:04:11,159

but an army spokesman said that by law

98

00:04:14,270 --> 00:04:12,840

their religion doesn't really fall

99

00:04:16,189 --> 00:04:14,280

within the scope of the investigation

100

00:04:17,449 --> 00:04:16,199

there's currently also a

101  
00:04:19,370 --> 00:04:17,459  
counter-intelligence investigation

102  
00:04:22,129 --> 00:04:19,380  
underway to determine whether or not

103  
00:04:23,990 --> 00:04:22,139  
secure information had been leaked these

104  
00:04:26,210 --> 00:04:24,000  
were intelligence analysts who knew

105  
00:04:29,330 --> 00:04:26,220  
cryptological stuff they had access to

106  
00:04:31,430 --> 00:04:29,340  
some pretty sensitive information at

107  
00:04:34,189 --> 00:04:31,440  
that point it seemed that there wasn't

108  
00:04:36,770 --> 00:04:34,199  
any evidence of actual espionage

109  
00:04:39,530 --> 00:04:36,780  
actually things seem to be sounding much

110  
00:04:43,909 --> 00:04:39,540  
Stranger Than something as boring and

111  
00:04:47,390 --> 00:04:45,469  
a member of their unit told the

112  
00:04:49,249 --> 00:04:47,400  
newspaper Stars and Stripes the six were

113  
00:04:50,870 --> 00:04:49,259

out to find and destroy the Antichrist

114

00:04:53,210 --> 00:04:50,880

the figure the Bible says will challenge

115

00:04:55,310 --> 00:04:53,220

Christ he spoke on the condition his

116

00:04:56,749 --> 00:04:55,320

name would not be disclosed Padilla an

117

00:04:59,090 --> 00:04:56,759

army spokesman at the Pentagon Wednesday

118

00:05:00,770 --> 00:04:59,100

retracted an earlier statement that the

119

00:05:02,930 --> 00:05:00,780

six were members of a group known as the

120

00:05:04,370 --> 00:05:02,940

end of the world but Stars and Stripes

121

00:05:06,110 --> 00:05:04,380

quoted the soldier from the Augsburg

122

00:05:08,210 --> 00:05:06,120

unit as saying that the cult has

123

00:05:09,770 --> 00:05:08,220

additional members in the area

124

00:05:12,170 --> 00:05:09,780

there are others who are upset because

125

00:05:14,090 --> 00:05:12,180

they didn't get invited to go along in

126  
00:05:19,490 --> 00:05:14,100  
the search for Antichrist the newspaper

127  
00:05:25,010 --> 00:05:22,189  
so what do we know about these soldiers

128  
00:05:28,370 --> 00:05:25,020  
was there any indication that they might

129  
00:05:31,909 --> 00:05:28,380  
have been prone to engaging in this kind

130  
00:05:36,350 --> 00:05:31,919  
of bizarre and unexpected Behavior

131  
00:05:40,070 --> 00:05:38,210  
Beeson one of the group was interested

132  
00:05:42,230 --> 00:05:40,080  
in science fiction and UFOs and very

133  
00:05:43,730 --> 00:05:42,240  
gullible Stan Johnson told the Pensacola

134  
00:05:45,770 --> 00:05:43,740  
News Journal for a story published

135  
00:05:47,270 --> 00:05:45,780  
Thursday Johnson a Morristown

136  
00:05:49,370 --> 00:05:47,280  
photographer said in a telephone

137  
00:05:52,070 --> 00:05:49,380  
interview that he picked up Beeson and

138  
00:05:54,050 --> 00:05:52,080

hutchdot July 6th at the Tyson McGee

139

00:05:55,909 --> 00:05:54,060

airport in Knoxville Tennessee

140

00:05:57,469 --> 00:05:55,919

he was one of those people who believed

141

00:05:59,390 --> 00:05:57,479

anything someone would tell him Johnson

142

00:06:01,010 --> 00:05:59,400

said of Beeson the idea that he was

143

00:06:03,710 --> 00:06:01,020

arrested or that he was hanging out with

144

00:06:04,909 --> 00:06:03,720

cult-like groups didn't surprise me he

145

00:06:07,430 --> 00:06:04,919

kind of lived in a science fiction

146

00:06:09,409 --> 00:06:07,440

fantasy world sometimes Beeson told

147

00:06:14,150 --> 00:06:09,419

Johnson he was going to Pensacola for a

148

00:06:19,490 --> 00:06:17,390

ah so they were headed to that epic 1990

149

00:06:22,370 --> 00:06:19,500

mufon convention in Pensacola

150

00:06:25,430 --> 00:06:22,380

interesting or maybe not the convention

151

00:06:27,050 --> 00:06:25,440

took place July 6-8 but Gulf Breeze

152

00:06:28,850 --> 00:06:27,060

Police Chief Jerry Brown explained that

153

00:06:31,670 --> 00:06:28,860

the people had not been cited in Gulf

154

00:06:33,110 --> 00:06:31,680

Breeze until July 9th so if their

155

00:06:36,050 --> 00:06:33,120

intention was to go to the mufon

156

00:06:38,150 --> 00:06:36,060

convention they missed it but Beeson had

157

00:06:41,930 --> 00:06:38,160

told other people that the mufon

158

00:06:43,909 --> 00:06:41,940

convention was their destination

159

00:06:45,710 --> 00:06:43,919

Beeson told a similar story to his

160

00:06:47,150 --> 00:06:45,720

sister and her husband Carolee and

161

00:06:48,830 --> 00:06:47,160

Charles Reed when he spent the night

162

00:06:50,809 --> 00:06:48,840

July 7th at their home in Talbot

163

00:06:53,210 --> 00:06:50,819

Tennessee the Knoxville News Sentinel

164

00:06:55,070 --> 00:06:53,220

reported Thursday the reads said Beeson

165

00:06:57,110 --> 00:06:55,080

had met a woman named Anna when he was

166

00:06:58,730 --> 00:06:57,120

stationed in Pensacola and she got him

167

00:07:00,590 --> 00:06:58,740

involved with a group that believed the

168

00:07:02,809 --> 00:07:00,600

government was covering up alien visits

169

00:07:08,330 --> 00:07:02,819

to Earth part of the group's mission was

170

00:07:12,650 --> 00:07:10,550

the newspaper saw input from mufon

171

00:07:14,830 --> 00:07:12,660

official Donald Ware who we've heard of

172

00:07:17,809 --> 00:07:14,840

before in our other Gulf Breeze episodes

173

00:07:20,390 --> 00:07:17,819

where claimed that mufon has not made

174

00:07:21,230 --> 00:07:20,400

any such policy statement about the

175

00:07:23,570 --> 00:07:21,240

government

176

00:07:25,850 --> 00:07:23,580

covering up alien visits to Earth which

177

00:07:28,309 --> 00:07:25,860

is hair splitting of the highest order

178

00:07:30,650 --> 00:07:28,319

honestly because mufon was

179

00:07:33,290 --> 00:07:30,660

at many levels deeply committed to the

180

00:07:35,390 --> 00:07:33,300

notion that there was a cover-up going

181

00:07:37,370 --> 00:07:35,400

on whether or not they had issued an

182

00:07:39,650 --> 00:07:37,380

official statement specifically saying

183

00:07:41,330 --> 00:07:39,660

that at any given time about a week

184

00:07:44,089 --> 00:07:41,340

later there was more news of the six

185

00:07:46,430 --> 00:07:44,099

runaway soldiers on July 26th The Daily

186

00:07:48,830 --> 00:07:46,440

News carried the headline UFO soldiers

187

00:07:50,330 --> 00:07:48,840

won't face Court martial reporting that

188

00:07:54,650 --> 00:07:50,340

although they won't be court-martialed

189

00:07:59,270 --> 00:07:57,290

were the six five men and a woman acting

190

00:08:01,070 --> 00:07:59,280

on Psychic input from Biblical figures

191

00:08:03,350 --> 00:08:01,080

and preparing for the World's End as a

192

00:08:04,909 --> 00:08:03,360

friend of one suggested did they plan to

193

00:08:06,469 --> 00:08:04,919

move to the west and live like a

194

00:08:08,870 --> 00:08:06,479

survivalist group as a police captain

195

00:08:10,309 --> 00:08:08,880

said he was told by two in the group or

196

00:08:12,170 --> 00:08:10,319

was there another explanation of the

197

00:08:14,390 --> 00:08:12,180

events that began unfolding when the six

198

00:08:17,029 --> 00:08:14,400

who held top secret security clearances

199

00:08:19,189 --> 00:08:17,039

left the 701st military intelligence

200

00:08:20,210 --> 00:08:19,199

Brigade in Augsburg West Germany early

201

00:08:22,309 --> 00:08:20,220

this month

202

00:08:24,650 --> 00:08:22,319

don't judge them yet they have a right

203

00:08:26,450 --> 00:08:24,660

to defend themselves said Anna Foster at

204

00:08:29,330 --> 00:08:26,460

whose Gulf Breeze Florida home four of

205

00:08:31,430 --> 00:08:29,340

the six were arrested July 14th Foster a

206

00:08:33,829 --> 00:08:31,440

civilian described by authorities as a

207

00:08:36,290 --> 00:08:33,839

psychic is not charged in the case

208

00:08:38,389 --> 00:08:36,300

the Army offered the six non-judicial

209

00:08:40,310 --> 00:08:38,399

Punishment No trial by court-martial

210

00:08:42,409 --> 00:08:40,320

after an investigation by the Army

211

00:08:44,990 --> 00:08:42,419

intelligence and security command found

212

00:08:46,730 --> 00:08:45,000

no evidence of Espionage at Fort Knox

213

00:08:48,710 --> 00:08:46,740

Kentucky where the six were being held

214

00:08:50,630 --> 00:08:48,720

major Ron mazzius said they could

215

00:08:53,329 --> 00:08:50,640

receive reductions in pay or rank or

216

00:08:55,009 --> 00:08:53,339

both and could be fined specific terms

217

00:08:57,350 --> 00:08:55,019

will be determined by an officer acting

218

00:08:59,449 --> 00:08:57,360

as a sentencing judge having lost their

219

00:09:00,850 --> 00:08:59,459

security clearances the six might be

220

00:09:04,190 --> 00:09:00,860

discharged mazia said

221

00:09:05,990 --> 00:09:04,200

[Music]

222

00:09:08,509 --> 00:09:06,000

two days later it was reported that

223

00:09:12,170 --> 00:09:08,519

their fate had been decided the Army had

224

00:09:13,490 --> 00:09:12,180

discharged all six of them and they were

225

00:09:15,650 --> 00:09:13,500

out of the army there had been no

226

00:09:17,870 --> 00:09:15,660

evidence that the soldiers had been

227

00:09:20,690 --> 00:09:17,880

involved in any Espionage even though

228

00:09:22,509 --> 00:09:20,700

they were AWOL now Stan Johnson who we

229

00:09:25,430 --> 00:09:22,519

heard before who was a friend of uh

230

00:09:27,350 --> 00:09:25,440

specialist Beeson said that Beeson told

231

00:09:29,090 --> 00:09:27,360

him they had been quote chosen by divine

232

00:09:31,370 --> 00:09:29,100

intervention to help prepare for the end

233

00:09:34,070 --> 00:09:31,380

of the world which was supposed to occur

234

00:09:37,009 --> 00:09:34,080

in about eight years from now and quote

235

00:09:38,990 --> 00:09:37,019

Johnson also added that Jesus Christ was

236

00:09:41,750 --> 00:09:39,000

going to be coming back in a spaceship

237

00:09:44,090 --> 00:09:41,760

now he was relaying what Beeson had told

238

00:09:47,810 --> 00:09:44,100

him I do not know of Stan Johnson thinks

239

00:09:49,550 --> 00:09:47,820

Jesus is showing up in a spaceship a

240

00:09:52,130 --> 00:09:49,560

United Press International story from

241

00:09:54,470 --> 00:09:52,140

July 28 1990 provides a little more

242

00:09:57,470 --> 00:09:54,480

information about the final disposition

243

00:10:00,070 --> 00:09:57,480

of the six soldiers they were offered

244

00:10:02,389 --> 00:10:00,080

the opportunity to accept an Article 15

245

00:10:03,769 --> 00:10:02,399

non-judicial punishment process which is

246

00:10:05,930 --> 00:10:03,779

a phrase I could never say correctly

247

00:10:08,449 --> 00:10:05,940

they accept this and the counts of

248

00:10:10,730 --> 00:10:08,459

desertion were dropped in favor of a

249

00:10:12,889 --> 00:10:10,740

lesser charge of being AWOL they were

250

00:10:14,990 --> 00:10:12,899

also charged with possession of forged

251

00:10:17,150 --> 00:10:15,000

leave papers spokespeople for the

252

00:10:19,370 --> 00:10:17,160

Pentagon said that the six received a

253

00:10:21,650 --> 00:10:19,380

general discharge from the Army we which

254

00:10:24,470 --> 00:10:21,660

in the words of the news article Falls

255

00:10:26,889 --> 00:10:24,480

between an honorable discharge and a

256

00:10:29,630 --> 00:10:26,899

dishonorable one so it says a general

257

00:10:31,430 --> 00:10:29,640

discharge which I looked up did a little

258

00:10:32,990 --> 00:10:31,440

bit of research about this and because I

259

00:10:35,690 --> 00:10:33,000

I didn't really know much about General

260

00:10:37,550 --> 00:10:35,700

discharges and basically it's not an

261

00:10:38,810 --> 00:10:37,560

honorable discharge it doesn't mean you

262

00:10:40,310 --> 00:10:38,820

necessarily it's not it's not

263

00:10:42,350 --> 00:10:40,320

dishonorable it's not a less than

264

00:10:44,930 --> 00:10:42,360

honorable it's not you know it's it's

265

00:10:47,389 --> 00:10:44,940

not something that will you know ruin

266

00:10:49,009 --> 00:10:47,399

your life it just means that there is

267

00:10:51,110 --> 00:10:49,019

something about your term of service

268

00:10:54,350 --> 00:10:51,120

that the Army is just like thanks but no

269

00:10:56,389 --> 00:10:54,360

thanks you can leave now usually it's

270

00:10:59,150 --> 00:10:56,399

disciplinary issues

271

00:11:03,170 --> 00:10:59,160

um minor crimes that have been committed

272

00:11:05,870 --> 00:11:03,180

and punishments uh meted out and as the

273

00:11:07,610 --> 00:11:05,880

earlier story sort of intimated these

274

00:11:11,090 --> 00:11:07,620

six people were intelligence analysts

275

00:11:14,090 --> 00:11:11,100

who worked with cryptological stuff

276

00:11:17,090 --> 00:11:14,100

if you lose your security clearance as

277

00:11:18,769 --> 00:11:17,100

they did as a result of this process I'm

278

00:11:20,329 --> 00:11:18,779

not sure what you're going to do in the

279

00:11:22,430 --> 00:11:20,339

Army and you might be discharged because

280

00:11:25,610 --> 00:11:22,440

basically you're laid off it's like look

281

00:11:28,310 --> 00:11:25,620

you aren't able to do this job anymore

282

00:11:30,949 --> 00:11:28,320

um based on your actions and behavior we

283

00:11:34,009 --> 00:11:30,959

don't feel like completely retraining

284

00:11:36,470 --> 00:11:34,019

you for another job and so let's just

285

00:11:39,590 --> 00:11:36,480

let's just part company keep this in

286

00:11:41,990 --> 00:11:39,600

mind as we go through later iterations

287

00:11:44,930 --> 00:11:42,000

and retelling of this story particularly

288

00:11:46,790 --> 00:11:44,940

that General discharge thing

289

00:11:49,069 --> 00:11:46,800

if you were reading about this in

290

00:11:51,290 --> 00:11:49,079

newspapers back in 1990 this is pretty

291

00:11:52,970 --> 00:11:51,300

much where the story ends the six were

292

00:11:55,069 --> 00:11:52,980

left to go about their lives and try to

293

00:11:56,630 --> 00:11:55,079

rebuild them in some way one of the

294

00:11:58,790 --> 00:11:56,640

interesting things about the story as

295

00:12:00,889 --> 00:11:58,800

presented in the media is that we don't

296

00:12:03,410 --> 00:12:00,899

really get a good idea of what these six

297

00:12:04,970 --> 00:12:03,420

people's beliefs actually were or what

298

00:12:06,949 --> 00:12:04,980

they were up to or what their plan was

299

00:12:09,410 --> 00:12:06,959

you've got a lot of people interviewed

300

00:12:11,630 --> 00:12:09,420

who say what their beliefs are but we

301

00:12:13,910 --> 00:12:11,640

don't which is to say you get a lot of

302

00:12:16,430 --> 00:12:13,920

people interviewed who tell us what they

303

00:12:18,410 --> 00:12:16,440

say these six people's beliefs are but

304

00:12:20,690 --> 00:12:18,420

we don't get information directly from

305

00:12:22,670 --> 00:12:20,700

the people involved mostly because they

306

00:12:24,769 --> 00:12:22,680

were either at Fort Benning and Fort

307

00:12:26,990 --> 00:12:24,779

Knox and being subjected to lots of

308

00:12:29,090 --> 00:12:27,000

procedural stuff because they deserted

309

00:12:31,850 --> 00:12:29,100

so if the story had ended there it would

310

00:12:34,190 --> 00:12:31,860

probably be considered a Oddball adjunct

311

00:12:36,230 --> 00:12:34,200

to The Wider story of Gulf Breeze and

312

00:12:38,569 --> 00:12:36,240

the even wider story of the UFO

313

00:12:41,090 --> 00:12:38,579

phenomenon and belief in the phenomenon

314

00:12:43,490 --> 00:12:41,100

during the 1990s but sticking with this

315

00:12:45,650 --> 00:12:43,500

idea of looking at what's been written

316

00:12:48,590 --> 00:12:45,660

and said at the time all this was going

317

00:12:50,810 --> 00:12:48,600

on we can get a perspective of what some

318

00:12:53,329 --> 00:12:50,820

UFO oriented people were saying during

319

00:12:54,889 --> 00:12:53,339

all this and there's some out there on

320

00:12:56,569 --> 00:12:54,899

the bulletin board systems because those

321

00:12:59,509 --> 00:12:56,579

systems were very active at this time

322

00:13:02,030 --> 00:12:59,519

we've talked about UFO related bulletin

323

00:13:03,889 --> 00:13:02,040

board systems or bbs's before on the

324

00:13:05,389 --> 00:13:03,899

show so check out the archives if you

325

00:13:07,970 --> 00:13:05,399

have no idea what a bulletin board

326  
00:13:10,009 --> 00:13:07,980  
system is and I should say that as usual

327  
00:13:11,870 --> 00:13:10,019  
on the saucer life we are not examining

328  
00:13:13,970 --> 00:13:11,880  
every syllable of everything everybody

329  
00:13:15,889 --> 00:13:13,980  
said about something rather we're

330  
00:13:17,569 --> 00:13:15,899  
looking at representative examples of

331  
00:13:19,430 --> 00:13:17,579  
those things and providing a jumping on

332  
00:13:22,730 --> 00:13:19,440  
point for people who want to lose their

333  
00:13:24,650 --> 00:13:22,740  
minds going down various rabbit holes

334  
00:13:26,870 --> 00:13:24,660  
now as far as conversation within the

335  
00:13:29,030 --> 00:13:26,880  
UFO Community about the situation at the

336  
00:13:32,810 --> 00:13:29,040  
same time the situation was going on in

337  
00:13:34,790 --> 00:13:32,820  
July let's look at a July 22nd 1990 post

338  
00:13:37,490 --> 00:13:34,800

by one of our previous subjects of

339

00:13:39,410 --> 00:13:37,500

scrutiny Bill English

340

00:13:41,389 --> 00:13:39,420

English as you may remember was most

341

00:13:43,850 --> 00:13:41,399

well known for a supposed Grudge 13

342

00:13:45,530 --> 00:13:43,860

report that he saw while on duty in the

343

00:13:47,150 --> 00:13:45,540

United Kingdom copied down long hands

344

00:13:48,769 --> 00:13:47,160

smuggled out and then distributed

345

00:13:51,050 --> 00:13:48,779

despite people trying to kill him the

346

00:13:53,150 --> 00:13:51,060

whole time he later largely got out of

347

00:13:54,650 --> 00:13:53,160

the UFO field and got involved in the

348

00:13:57,530 --> 00:13:54,660

right-wing militia movement in New

349

00:13:59,930 --> 00:13:57,540

Mexico he also had a hilarious spat with

350

00:14:01,550 --> 00:13:59,940

Bill Cooper and most recently attempted

351  
00:14:04,009 --> 00:14:01,560  
to run for the New Mexico State

352  
00:14:06,410 --> 00:14:04,019  
Legislature English explains that he

353  
00:14:07,970 --> 00:14:06,420  
talked to Clifford Stone a retired army

354  
00:14:09,110 --> 00:14:07,980  
Sergeant who had become a figure in the

355  
00:14:10,790 --> 00:14:09,120  
UFO field

356  
00:14:12,410 --> 00:14:10,800  
Stone told English that he had been

357  
00:14:15,350 --> 00:14:12,420  
stationed shortly before his retirement

358  
00:14:18,470 --> 00:14:15,360  
with the exact same unit as the Gulf

359  
00:14:24,050 --> 00:14:18,480  
Breeze 6 in Augsburg West Germany what

360  
00:14:27,350 --> 00:14:25,910  
Clifford told me that on more than one

361  
00:14:29,150 --> 00:14:27,360  
occasion the three would come to his

362  
00:14:31,190 --> 00:14:29,160  
quarters after duty hours and discuss

363  
00:14:32,629 --> 00:14:31,200

with him the subject of UFOs and

364

00:14:34,370 --> 00:14:32,639

occasionally they would call him over to

365

00:14:35,690 --> 00:14:34,380

the tunnels at Brigade headquarters and

366

00:14:37,370 --> 00:14:35,700

show him bits of pieces of information

367

00:14:39,170 --> 00:14:37,380

they had gathered during the course of

368

00:14:41,329 --> 00:14:39,180

their duties that dealt specifically

369

00:14:43,730 --> 00:14:41,339

with UFOs Clifford knew these people

370

00:14:45,470 --> 00:14:43,740

intimately for over a year it is his

371

00:14:47,449 --> 00:14:45,480

contention that the story that is being

372

00:14:49,670 --> 00:14:47,459

publicized about them being a cult group

373

00:14:51,530 --> 00:14:49,680

who went AWOL to come to Gulf Breeze and

374

00:14:54,110 --> 00:14:51,540

meet the Antichrist on August the 6th

375

00:14:55,490 --> 00:14:54,120

and kill him is a bunch of crap as it

376

00:14:57,170 --> 00:14:55,500

has been pointed out by various other

377

00:14:59,210 --> 00:14:57,180

people it would seem that something is

378

00:15:01,250 --> 00:14:59,220

afoot and the Army is trying to cover it

379

00:15:02,689 --> 00:15:01,260

up either the individuals in question

380

00:15:04,790 --> 00:15:02,699

came across something that made them

381

00:15:06,110 --> 00:15:04,800

take the action they did or the

382

00:15:09,850 --> 00:15:06,120

government sent them there and are

383

00:15:15,230 --> 00:15:11,930

[Music]

384

00:15:18,290 --> 00:15:15,240

and on July 24 1990 a man named Vincent

385

00:15:21,050 --> 00:15:18,300

T miglioni wrote to an unnamed gentleman

386

00:15:23,990 --> 00:15:21,060

with his own well it's plural unnamed

387

00:15:26,449 --> 00:15:24,000

gentle men with his own speculations

388

00:15:29,269 --> 00:15:26,459

uh caveat I have no idea who Vincent T

389

00:15:33,230 --> 00:15:29,279

migliori is if you know who he is please

390

00:15:37,189 --> 00:15:35,090

gentlemen here's an interesting little

391

00:15:40,490 --> 00:15:37,199

tidbit from the San Francisco Examiner

392

00:15:42,050 --> 00:15:40,500

July 23 1990. six U.S intelligence

393

00:15:43,730 --> 00:15:42,060

officers in Germany go away while

394

00:15:46,090 --> 00:15:43,740

looking for the Antichrist and wind-up

395

00:15:48,710 --> 00:15:46,100

of all places in Gulf Breeze Florida

396

00:15:50,689 --> 00:15:48,720

where the well-known wave of UFO

397

00:15:52,610 --> 00:15:50,699

sightings is occurring they were

398

00:15:54,710 --> 00:15:52,620

arrested just after the mufon conference

399

00:15:56,629 --> 00:15:54,720

there I can't help wondering if there is

400

00:15:58,250 --> 00:15:56,639

a connection and as Intelligence

401  
00:16:05,090 --> 00:15:58,260  
Officers do they know something the rest

402  
00:16:08,449 --> 00:16:07,129  
Vincent should have read the newspaper

403  
00:16:11,030 --> 00:16:08,459  
articles more carefully since they were

404  
00:16:13,009 --> 00:16:11,040  
not officers but enlisted personnel now

405  
00:16:14,750 --> 00:16:13,019  
as soon as the story broke a man named

406  
00:16:17,509 --> 00:16:14,760  
Robert J Durant of Pennington New Jersey

407  
00:16:21,410 --> 00:16:17,519  
wrote to the leadership of mufon with

408  
00:16:25,910 --> 00:16:23,810  
dear mufon please pass this letter to

409  
00:16:27,470 --> 00:16:25,920  
your Gulf Breeze crew I noted the

410  
00:16:30,050 --> 00:16:27,480  
enclosed article in today's New York

411  
00:16:31,550 --> 00:16:30,060  
Times pardon my paranoia but I believe

412  
00:16:34,250 --> 00:16:31,560  
this story is worth very careful

413  
00:16:36,470 --> 00:16:34,260

scrutiny remember Watergate the first

414

00:16:38,509 --> 00:16:36,480

notice in the papers was a small article

415

00:16:40,009 --> 00:16:38,519

about the capture of several burglars

416

00:16:42,050 --> 00:16:40,019

attempting to break into the Watergate

417

00:16:44,689 --> 00:16:42,060

Hotel Business Center in Washington DC

418

00:16:46,550 --> 00:16:44,699

thanks to some luck a couple of very

419

00:16:48,710 --> 00:16:46,560

persistent investigative reporters and

420

00:16:52,249 --> 00:16:48,720

apparently some inside information the

421

00:16:53,689 --> 00:16:52,259

real story came out and out and out now

422

00:16:55,730 --> 00:16:53,699

we have a most unusual set of

423

00:16:59,650 --> 00:16:55,740

circumstances I key into certain words

424

00:17:02,210 --> 00:16:59,660

like intelligence van Gulf Breeze NSA

425

00:17:04,189 --> 00:17:02,220

also of interest is the fact that there

426  
00:17:06,590 --> 00:17:04,199  
is something called Corey station Naval

427  
00:17:08,569 --> 00:17:06,600  
electronic warfare center located within

428  
00:17:10,549 --> 00:17:08,579  
a saucer's throw of Gulf Breeze where

429  
00:17:11,449 --> 00:17:10,559  
two of the allegedly AWOL soldiers once

430  
00:17:13,490 --> 00:17:11,459  
trained

431  
00:17:15,169 --> 00:17:13,500  
then this crew of runaways happens to

432  
00:17:16,909 --> 00:17:15,179  
have four G's in cash and is living in

433  
00:17:19,250 --> 00:17:16,919  
an apartment and you guessed it Gulf

434  
00:17:21,650 --> 00:17:19,260  
Breeze with one more apology for my

435  
00:17:23,689 --> 00:17:21,660  
paranoia let me suggest this Bunch was

436  
00:17:25,850 --> 00:17:23,699  
not AWOL at all but on an assignment

437  
00:17:28,069 --> 00:17:25,860  
getting stopped by the cops somehow blew

438  
00:17:30,530 --> 00:17:28,079

it and now there's a frantic attempt to

439

00:17:32,510 --> 00:17:30,540

cover it up in every aspect of the story

440

00:17:34,490 --> 00:17:32,520

needs to be followed up it may turn out

441

00:17:36,470 --> 00:17:34,500

to be just as Wacko and innocent as the

442

00:17:38,690 --> 00:17:36,480

newspaper report indicates but there are

443

00:17:40,610 --> 00:17:38,700

other possibilities and mufon has the

444

00:17:46,789 --> 00:17:40,620

Manpower and smarts to look into them

445

00:17:52,070 --> 00:17:48,590

there are some other interesting mufon

446

00:17:55,250 --> 00:17:52,080

connections as well on August 16 1990

447

00:17:58,490 --> 00:17:55,260

after the case had been um had been

448

00:18:00,789 --> 00:17:58,500

settled Rex Salisbury who we heard about

449

00:18:03,650 --> 00:18:00,799

on the Ed Walters

450

00:18:06,529 --> 00:18:03,660

episodes wrote a letter to the editor of

451

00:18:09,409 --> 00:18:06,539

the mufon journal with a copy to Walt

452

00:18:12,409 --> 00:18:09,419

Andrus describing a meeting they had in

453

00:18:15,169 --> 00:18:12,419

uh in August August 11th with the with

454

00:18:17,210 --> 00:18:15,179

four of the six Gulf Breeze people there

455

00:18:20,150 --> 00:18:17,220

are some interesting tidbits in this

456

00:18:24,350 --> 00:18:22,010

the six had been studying the Bible

457

00:18:25,970 --> 00:18:24,360

particularly Revelations as a loose-knit

458

00:18:27,950 --> 00:18:25,980

group and had become quite religious

459

00:18:30,110 --> 00:18:27,960

they claimed to have not been members of

460

00:18:32,270 --> 00:18:30,120

any religious group or cult because of

461

00:18:34,310 --> 00:18:32,280

what were possibly paranormal events

462

00:18:36,289 --> 00:18:34,320

they all suddenly got the urge at the

463

00:18:38,510 --> 00:18:36,299

same time to get out of Germany which

464

00:18:40,430 --> 00:18:38,520

they did they relate that similar events

465

00:18:42,289 --> 00:18:40,440

have continued to occur in Germany since

466

00:18:43,909 --> 00:18:42,299

their departure reports in the local

467

00:18:45,230 --> 00:18:43,919

media have indicated that they may have

468

00:18:47,570 --> 00:18:45,240

come to Gulf Breeze to meet with Ed

469

00:18:49,070 --> 00:18:47,580

Walters which they firmly deny they

470

00:18:50,570 --> 00:18:49,080

claim to have had slight knowledge of

471

00:18:52,850 --> 00:18:50,580

Walters until they heard his comments

472

00:18:54,350 --> 00:18:52,860

concerning them on local TV they claimed

473

00:18:56,210 --> 00:18:54,360

to have read one of Bill Cooper's

474

00:18:57,529 --> 00:18:56,220

reports and found in it some bearing on

475

00:18:59,330 --> 00:18:57,539

what they had been studying in the Bible

476

00:19:00,890 --> 00:18:59,340

because of this they had hoped to meet

477

00:19:02,750 --> 00:19:00,900

with Cooper at some point to discuss

478

00:19:04,130 --> 00:19:02,760

this with him they relate that the

479

00:19:05,750 --> 00:19:04,140

experiences which triggered their

480

00:19:07,730 --> 00:19:05,760

compulsion to leave Germany had nothing

481

00:19:09,650 --> 00:19:07,740

to do with their jobs or the US Army

482

00:19:11,090 --> 00:19:09,660

they claimed to have had good attitudes

483

00:19:13,130 --> 00:19:11,100

toward their work in the Army and

484

00:19:15,110 --> 00:19:13,140

repeated several times that they had to

485

00:19:16,669 --> 00:19:15,120

leave Germany and not the army they

486

00:19:18,650 --> 00:19:16,679

claimed to know nothing of a so-called

487

00:19:19,850 --> 00:19:18,660

end of the world group they also claimed

488

00:19:22,010 --> 00:19:19,860

to know nothing of the Identity or

489

00:19:24,049 --> 00:19:22,020

locate nation of any Antichrist or

490

00:19:25,850 --> 00:19:24,059

anything about a scheduled Rapture they

491

00:19:27,950 --> 00:19:25,860

credit a misinterpretation by the sister

492

00:19:34,130 --> 00:19:27,960

of one of the group as the source of

493

00:19:38,630 --> 00:19:36,409

I probably should have realized that

494

00:19:40,070 --> 00:19:38,640

Bill Cooper was going to come up in this

495

00:19:43,730 --> 00:19:40,080

story but

496

00:19:45,409 --> 00:19:43,740

I didn't until I read some of these

497

00:19:47,450 --> 00:19:45,419

documents actually I first noticed the

498

00:19:49,909 --> 00:19:47,460

Bill Cooper Connection in a document

499

00:19:52,730 --> 00:19:49,919

we're going to be examining closer to

500

00:19:54,590 --> 00:19:52,740

the end of this episode but uh it's nice

501  
00:19:57,490 --> 00:19:54,600  
to see that that Bill Cooper was out

502  
00:20:00,890 --> 00:19:57,500  
there with his nonsense influencing

503  
00:20:03,230 --> 00:20:00,900  
deserters from the US Army also from

504  
00:20:07,610 --> 00:20:03,240  
August of 1990 there's a letter to the

505  
00:20:09,590 --> 00:20:07,620  
editor of I think a mufon journal signed

506  
00:20:11,990 --> 00:20:09,600  
by the letter is typed but it's signed

507  
00:20:14,090 --> 00:20:12,000  
by somebody who is illegible and I

508  
00:20:16,730 --> 00:20:14,100  
should say I am getting a lot of this

509  
00:20:20,390 --> 00:20:16,740  
information from a PDF of a massive

510  
00:20:22,549 --> 00:20:20,400  
massive 100 plus page PDF of Gulf Breeze

511  
00:20:25,310 --> 00:20:22,559  
six information compiled by former mufon

512  
00:20:28,510 --> 00:20:25,320  
director and all around uh sharp guy

513  
00:20:32,270 --> 00:20:28,520

James carrion and I found a link to that

514

00:20:34,970 --> 00:20:32,280

on the website of Jack Brewer the UFO

515

00:20:37,010 --> 00:20:34,980

Trail another sharp guy and an article

516

00:20:39,650 --> 00:20:37,020

he wrote on the Gulf Breeze six and

517

00:20:41,090 --> 00:20:39,660

there will be a link to that in the show

518

00:20:43,850 --> 00:20:41,100

notes so I just thought I'd mention

519

00:20:46,549 --> 00:20:43,860

where I got where I'm getting some of

520

00:20:49,130 --> 00:20:46,559

this stuff from as I'm talking about it

521

00:20:52,789 --> 00:20:49,140

but this this letter is uh is is a

522

00:20:56,630 --> 00:20:54,950

dear editor I was pleased to read your

523

00:20:58,250 --> 00:20:56,640

short article regarding the six soldiers

524

00:20:59,930 --> 00:20:58,260

reported missing from West Germany and

525

00:21:02,150 --> 00:20:59,940

were apprehended in Gulf Breeze after

526  
00:21:03,529 --> 00:21:02,160  
the muffon Symposium and closed our

527  
00:21:05,690 --> 00:21:03,539  
local news clippings regarding this

528  
00:21:08,090 --> 00:21:05,700  
interesting Affair from what I have read

529  
00:21:09,830 --> 00:21:08,100  
in between the lines it looks as if

530  
00:21:11,870 --> 00:21:09,840  
these men discovered bits and pieces of

531  
00:21:14,330 --> 00:21:11,880  
sensitive UFO data that should not have

532  
00:21:15,890 --> 00:21:14,340  
been seen whatever the data was it may

533  
00:21:18,169 --> 00:21:15,900  
have blew their minds to the point of

534  
00:21:20,210 --> 00:21:18,179  
escaping their posts secondly why were

535  
00:21:22,370 --> 00:21:20,220  
the men in Gulf Breeze of all the places

536  
00:21:24,350 --> 00:21:22,380  
on this planet true they missed the

537  
00:21:26,990 --> 00:21:24,360  
beautiful conference but maybe they were

538  
00:21:29,390 --> 00:21:27,000

attempting to reach the Pensacola mufon

539

00:21:31,549 --> 00:21:29,400

the news media probably enjoyed making

540

00:21:37,669 --> 00:21:31,559

these soldiers into wackos but there

541

00:21:42,830 --> 00:21:39,830

reading between the lines that's just

542

00:21:47,090 --> 00:21:42,840

making things up there was nothing to

543

00:21:49,430 --> 00:21:47,100

suggest any of that at all but

544

00:21:50,510 --> 00:21:49,440

why else would they be in Gulf Breeze I

545

00:21:52,010 --> 00:21:50,520

don't know maybe it's because one of the

546

00:21:54,110 --> 00:21:52,020

people had training there and had a

547

00:21:56,270 --> 00:21:54,120

friend in the area I don't know maybe

548

00:21:59,690 --> 00:21:56,280

that would be something to do with it

549

00:22:01,970 --> 00:21:59,700

ah on similar lines an August 15th

550

00:22:04,909 --> 00:22:01,980

letter from a

551  
00:22:09,049 --> 00:22:04,919  
um hey what's his name Monty canson of

552  
00:22:10,730 --> 00:22:09,059  
North Merrick New York to a Mr Stacy a

553  
00:22:12,890 --> 00:22:10,740  
mufon person

554  
00:22:15,590 --> 00:22:12,900  
um yes I I know all of you people

555  
00:22:19,070 --> 00:22:15,600  
probably know who a Mr Stacy associated

556  
00:22:22,130 --> 00:22:19,080  
with mufon in 1990 was but I do not and

557  
00:22:24,710 --> 00:22:22,140  
I have to get this episode done this is

558  
00:22:29,690 --> 00:22:24,720  
an interesting uh interesting letter uh

559  
00:22:33,950 --> 00:22:31,850  
six soldiers discharged from the Army

560  
00:22:35,510 --> 00:22:33,960  
who were found in Gulf Breeze had been

561  
00:22:36,950 --> 00:22:35,520  
listening in on foreign and alien

562  
00:22:39,230 --> 00:22:36,960  
Communications for the US government

563  
00:22:41,210 --> 00:22:39,240

they became aware of the aliens ideas

564

00:22:43,970 --> 00:22:41,220

and beliefs motives and activities by

565

00:22:45,890 --> 00:22:43,980

listening contrary to the U.S military's

566

00:22:47,510 --> 00:22:45,900

intentions these soldiers became

567

00:22:49,190 --> 00:22:47,520

converted to the alien's way of thinking

568

00:22:51,409 --> 00:22:49,200

which in accordance with its own very

569

00:22:53,270 --> 00:22:51,419

different logic is quite alien to

570

00:22:55,490 --> 00:22:53,280

Earthly modes of thought especially the

571

00:22:57,649 --> 00:22:55,500

values of contemporary U.S society in

572

00:22:59,510 --> 00:22:57,659

general and U.S military thinking in

573

00:23:01,370 --> 00:22:59,520

particular while Gorbachev's

574

00:23:02,810 --> 00:23:01,380

reinterpretation of Marx's ideas had

575

00:23:04,430 --> 00:23:02,820

little attraction for these soldiers

576

00:23:06,529 --> 00:23:04,440

they found the aliens thoughts

577

00:23:08,029 --> 00:23:06,539

irresistibly beautiful they joined the

578

00:23:09,529 --> 00:23:08,039

end of the world Group which is an

579

00:23:11,990 --> 00:23:09,539

international organization of earthlings

580

00:23:13,909 --> 00:23:12,000

who prefer the alien way of thinking to

581

00:23:16,430 --> 00:23:13,919

the various isms native to this planet

582

00:23:18,470 --> 00:23:16,440

the name end of the world refers to the

583

00:23:20,510 --> 00:23:18,480

end of the world as we know it the end

584

00:23:22,130 --> 00:23:20,520

of the Earthly worldview the end of the

585

00:23:24,350 --> 00:23:22,140

world of greed and strife competition

586

00:23:26,390 --> 00:23:24,360

and brutality the end of the world group

587

00:23:28,310 --> 00:23:26,400

looks forward to the end of this world

588

00:23:30,770 --> 00:23:28,320

and to the foundation of a new world

589

00:23:33,230 --> 00:23:30,780

order based upon a million beliefs and

590

00:23:35,810 --> 00:23:33,240

principles Gulf Breeze is a center of

591

00:23:40,310 --> 00:23:35,820

human alien contact and that's why the

592

00:23:44,390 --> 00:23:42,289

Mr canton's points are only slightly

593

00:23:47,390 --> 00:23:44,400

undermined by the fact that in the very

594

00:23:49,370 --> 00:23:47,400

second story about this back in July the

595

00:23:52,930 --> 00:23:49,380

connection to any sort of end of the

596

00:23:56,029 --> 00:23:52,940

world group was disavowed and retracted

597

00:23:58,909 --> 00:23:56,039

but there is another little gem from

598

00:24:00,890 --> 00:23:58,919

Monty canson here canson not Canton

599

00:24:05,029 --> 00:24:00,900

sorry another little gem that I think

600

00:24:09,710 --> 00:24:07,310

my mufon membership is about to expire

601  
00:24:10,850 --> 00:24:09,720  
and I do not intend to renew mufon's

602  
00:24:12,649 --> 00:24:10,860  
obsession with the wealth and

603  
00:24:14,450 --> 00:24:12,659  
credentials of informants and experts

604  
00:24:17,270 --> 00:24:14,460  
rather than their intelligence and

605  
00:24:19,310 --> 00:24:17,280  
competence so typical of the old Dying

606  
00:24:21,710 --> 00:24:19,320  
World Order I might add is completely

607  
00:24:23,810 --> 00:24:21,720  
unscientific and to me quite distasteful

608  
00:24:26,750 --> 00:24:23,820  
however in the interest of scientific

609  
00:24:28,970 --> 00:24:26,760  
knowledge I felt obligated to pass the

610  
00:24:30,529 --> 00:24:28,980  
above information on to you it is common

611  
00:24:32,570 --> 00:24:30,539  
knowledge in certain circles of course

612  
00:24:36,909 --> 00:24:32,580  
but your biased research methods cause

613  
00:24:42,710 --> 00:24:40,250

I I really like that your obsession with

614

00:24:45,649 --> 00:24:42,720

experts and money blinds you to the

615

00:24:48,350 --> 00:24:45,659

truth Buffon I don't know maybe not much

616

00:24:50,390 --> 00:24:48,360

has changed obviously I think that if

617

00:24:52,909 --> 00:24:50,400

those deserves had gone anywhere other

618

00:24:54,890 --> 00:24:52,919

than Gulf Breeze Florida in 1990 this

619

00:24:56,810 --> 00:24:54,900

wouldn't have been nearly the story that

620

00:24:58,669 --> 00:24:56,820

it ended up being there were lots of

621

00:25:01,190 --> 00:24:58,679

people out there connecting dots that

622

00:25:02,930 --> 00:25:01,200

might not have been there and to be fair

623

00:25:05,270 --> 00:25:02,940

those dots were scattered in the media

624

00:25:07,430 --> 00:25:05,280

not necessarily by the people involved

625

00:25:09,350 --> 00:25:07,440

in the actual case but others who were

626  
00:25:12,230 --> 00:25:09,360  
speculating about what their goals might

627  
00:25:15,169 --> 00:25:12,240  
be and Reporting quite a bit of hearsay

628  
00:25:17,029 --> 00:25:15,179  
so what did they believe and how did all

629  
00:25:19,610 --> 00:25:17,039  
of this come about we'll take a look at

630  
00:25:26,149 --> 00:25:19,620  
that after the break

631  
00:25:30,950 --> 00:25:27,890  
I would be remiss if I didn't mention

632  
00:25:32,269 --> 00:25:30,960  
that I and my Great Lakes Lord co-host

633  
00:25:34,490 --> 00:25:32,279

Michigan

663

00:26:49,430 --> 00:26:46,740

48480 now let's get to some feedback

664

00:26:53,149 --> 00:26:49,440

from our Trio of episodes on Ed Walters

665

00:26:55,010 --> 00:26:53,159

is this is his Gulf Breeze encounters

666

00:26:58,130 --> 00:26:55,020

there were too many to address to

667

00:26:59,450 --> 00:26:58,140

collect directly not correctly maybe

668

00:27:01,850 --> 00:26:59,460

correctly

669

00:27:03,409 --> 00:27:01,860

um and uh some overlap but I think this

670

00:27:05,330 --> 00:27:03,419

selection sort of gets to the guts of

671

00:27:08,269 --> 00:27:05,340

what most people had Notions or

672

00:27:11,450 --> 00:27:08,279

questions or thoughts about and these

673

00:27:14,090 --> 00:27:11,460

are in no particular order because I am

674

00:27:16,669 --> 00:27:14,100

very disorganized first off on Twitter

675

00:27:19,070 --> 00:27:16,679

both Rob and Wade pointed out that the

676

00:27:22,730 --> 00:27:19,080

big-eyed kids pictures that Francis

677

00:27:25,730 --> 00:27:22,740

Walter Walters remembered were very

678

00:27:29,750 --> 00:27:25,740

likely about the paintings by Margaret

679

00:27:31,250 --> 00:27:29,760

Keane and Wade included a um oh they

680

00:27:34,010 --> 00:27:31,260

both included pictures and Links of this

681

00:27:37,610 --> 00:27:34,020

and yes these are creepy kids these are

682

00:27:40,250 --> 00:27:37,620

these are sito's new friend level creepy

683

00:27:41,990 --> 00:27:40,260

kids uh yes much creepier than what did

684

00:27:44,510 --> 00:27:42,000

I what did I think it might be Precious

685

00:27:46,250 --> 00:27:44,520

Moments figurines or something like that

686

00:27:47,630 --> 00:27:46,260

um yeah yeah I think the Margaret Keane

687

00:27:52,250 --> 00:27:47,640

paintings are probably what they're

688

00:27:54,110 --> 00:27:52,260

talking about on patreon Laura says I

689

00:27:56,210 --> 00:27:54,120

want a Ned Walter's action figure with

690

00:27:59,090 --> 00:27:56,220

optional UFO model

691

00:28:01,850 --> 00:27:59,100

don't we all that would if somebody out

692

00:28:04,669 --> 00:28:01,860

there has connections to toy companies

693

00:28:07,070 --> 00:28:04,679

or toy prototyping and wants to put

694

00:28:10,370 --> 00:28:07,080

together a Kickstarter for us all to get

695

00:28:13,310 --> 00:28:10,380

Ed Walter's action figures I would be um

696

00:28:15,710 --> 00:28:13,320

I would be all over that Patron Kyle

697

00:28:17,330 --> 00:28:15,720

says I remember reading that one of Ed's

698

00:28:19,490 --> 00:28:17,340

attempted abduction experiences the

699

00:28:21,769 --> 00:28:19,500

aliens beamed a slideshow of dogs into

700

00:28:24,049 --> 00:28:21,779

his brain similar to the experience with

701  
00:28:25,549 --> 00:28:24,059  
nude women beamed into his brain I've

702  
00:28:27,169 --> 00:28:25,559  
always found this puzzling especially

703  
00:28:29,870 --> 00:28:27,179  
considering that it's clear it wasn't it

704  
00:28:31,310 --> 00:28:29,880  
was a hoax did Ed want to suggest that

705  
00:28:33,890 --> 00:28:31,320  
the aliens thought he had a physical

706  
00:28:35,810 --> 00:28:33,900  
attraction to dogs did he want them to

707  
00:28:37,310 --> 00:28:35,820  
see more alien by scripting well he

708  
00:28:39,830 --> 00:28:37,320  
seems to spend a lot of time with the

709  
00:28:42,470 --> 00:28:39,840  
female beam him out the whole library of

710  
00:28:45,049 --> 00:28:42,480  
naked females well that didn't work try

711  
00:28:46,610 --> 00:28:45,059  
the dogs I just want your opinion

712  
00:28:49,669 --> 00:28:46,620  
because this has haunted me for years

713  
00:28:52,130 --> 00:28:49,679

and I I just want to hear an opinion I

714

00:28:54,230 --> 00:28:52,140

think it's I think it's it's the the

715

00:28:57,010 --> 00:28:54,240

latter I I think he's trying to make

716

00:28:58,970 --> 00:28:57,020

them seem alien and bizarre and

717

00:29:00,370 --> 00:28:58,980

disturbing

718

00:29:02,990 --> 00:29:00,380

um and and

719

00:29:05,930 --> 00:29:03,000

there's so much of this that is that's

720

00:29:06,769 --> 00:29:05,940

really good that I really do like

721

00:29:08,750 --> 00:29:06,779

um

722

00:29:10,909 --> 00:29:08,760

and it's it's as at least it's a story

723

00:29:14,390 --> 00:29:10,919

not as a an attempt to get to the truth

724

00:29:15,470 --> 00:29:14,400

of the UFO phenomenon but it's it's just

725

00:29:19,690 --> 00:29:15,480

very

726  
00:29:23,810 --> 00:29:19,700  
of the

727  
00:29:26,210 --> 00:29:23,820  
made

728  
00:29:28,310 --> 00:29:26,220  
Patron Kirk says to my knowledge back in

729  
00:29:30,230 --> 00:29:28,320  
aprose Heyday there was a great deal of

730  
00:29:32,149 --> 00:29:30,240  
variety of alien types do Ed's

731  
00:29:34,610 --> 00:29:32,159  
descriptions hail from that era prior to

732  
00:29:36,590 --> 00:29:34,620  
the hegemony of the Grays the hegemony

733  
00:29:40,010 --> 00:29:36,600  
of the Grays that sounds like a great

734  
00:29:41,269 --> 00:29:40,020  
novel that you can pick up at the uh the

735  
00:29:43,370 --> 00:29:41,279  
discount bookstore after it gets

736  
00:29:45,889 --> 00:29:43,380  
remaindered or was that was my

737  
00:29:47,930 --> 00:29:45,899  
commentary or was he being Retro by not

738  
00:29:49,610 --> 00:29:47,940

sticking to a primary type that's

739

00:29:51,830 --> 00:29:49,620

interesting because they do have this

740

00:29:54,529 --> 00:29:51,840

sort of like retro blocky squared off

741

00:29:56,389 --> 00:29:54,539

roboty sort of look uh that's described

742

00:29:59,630 --> 00:29:56,399

in the drawings and then in the

743

00:30:02,750 --> 00:29:59,640

abductions book from 94 it seems to be a

744

00:30:04,669 --> 00:30:02,760

little more stereotypical gray in a lot

745

00:30:05,930 --> 00:30:04,679

of cases I I think he was going for

746

00:30:08,090 --> 00:30:05,940

something a little different something

747

00:30:10,669 --> 00:30:08,100

something that wouldn't immediately jump

748

00:30:13,310 --> 00:30:10,679

out to a reader as oh the guy from the

749

00:30:14,990 --> 00:30:13,320

cover of that communion book so I I

750

00:30:17,090 --> 00:30:15,000

think that might be what it is kind of a

751

00:30:19,130 --> 00:30:17,100

kind of like like the the beaming the

752

00:30:21,110 --> 00:30:19,140

dogs into his head an attempt to make

753

00:30:23,870 --> 00:30:21,120

something different than the norm

754

00:30:25,789 --> 00:30:23,880

similar to Laura's request for an act

755

00:30:27,889 --> 00:30:25,799

configure over on Twitter black wolf

756

00:30:30,590 --> 00:30:27,899

says can we get an ed Walter's one-man

757

00:30:32,870 --> 00:30:30,600

show or book of Ed's profanity latent

758

00:30:35,510 --> 00:30:32,880

monologues such as Ed Walter's 60

759

00:30:38,269 --> 00:30:35,520

monologues for young actors

760

00:30:40,610 --> 00:30:38,279

that would be great on Twitter cam

761

00:30:43,970 --> 00:30:40,620

Cashman says if he's still around I want

762

00:30:46,850 --> 00:30:43,980

Ed to design my house yeah he he seemed

763

00:30:49,070 --> 00:30:46,860

to have had a a pretty good solid career

764

00:30:51,830 --> 00:30:49,080

in that I mean not so solid that he

765

00:30:55,070 --> 00:30:51,840

didn't sort of jump at the chance to uh

766

00:30:57,889 --> 00:30:55,080

get on the UFO train but still yeah he

767

00:30:59,630 --> 00:30:57,899

had a he had a real career there Leslie

768

00:31:01,730 --> 00:30:59,640

says what are your thoughts about

769

00:31:03,049 --> 00:31:01,740

photography expert Bruce Maccabee and

770

00:31:05,210 --> 00:31:03,059

mufon declaring these cheap fake

771

00:31:06,889 --> 00:31:05,220

pictures to be authentic I wish I could

772

00:31:08,389 --> 00:31:06,899

hold mufon in higher regard but they

773

00:31:10,430 --> 00:31:08,399

just embarrassed themselves over and

774

00:31:12,350 --> 00:31:10,440

over again Matt could be ought to know

775

00:31:15,350 --> 00:31:12,360

better and that's a whole different

776

00:31:18,110 --> 00:31:15,360

issue the pictures are difficult because

777

00:31:20,330 --> 00:31:18,120

the the Walters pictures are a mess

778

00:31:22,370 --> 00:31:20,340

there are other pictures from the

779

00:31:23,570 --> 00:31:22,380

sightings that aren't Ed Walters that

780

00:31:26,330 --> 00:31:23,580

are really pretty interesting but

781

00:31:28,850 --> 00:31:26,340

Walters is sort of dominated the scene

782

00:31:32,210 --> 00:31:28,860

as far as why mufon

783

00:31:35,269 --> 00:31:32,220

would go along with this I

784

00:31:36,950 --> 00:31:35,279

um I don't know Walt Andrus was in

785

00:31:38,269 --> 00:31:36,960

charge of mufon at the time and if you

786

00:31:40,310 --> 00:31:38,279

read I was gonna say read between the

787

00:31:42,409 --> 00:31:40,320

lines of Jim Mosley's Memoir but you

788

00:31:46,490 --> 00:31:42,419

don't have to read between the lines

789

00:31:50,510 --> 00:31:46,500

um at all Andrus seemed to be very

790

00:31:53,029 --> 00:31:50,520

desperately Clinging On to power at

791

00:31:55,210 --> 00:31:53,039

mufon with a white knuckle grip no just

792

00:31:57,529 --> 00:31:55,220

from what I've read in various places

793

00:32:00,590 --> 00:31:57,539

and I think

794

00:32:03,830 --> 00:32:00,600

the the doubling down on the

795

00:32:07,789 --> 00:32:03,840

authenticity of uh of of the Walters

796

00:32:10,190 --> 00:32:07,799

photos even after you know his

797

00:32:13,490 --> 00:32:10,200

statements and and models come out I I

798

00:32:15,230 --> 00:32:13,500

think it's about not one desperately not

799

00:32:19,070 --> 00:32:15,240

wanting mufon to take the credibility

800

00:32:20,750 --> 00:32:19,080

hit of admitting they were duped so

801  
00:32:25,370 --> 00:32:20,760  
instead instead they take the

802  
00:32:26,930 --> 00:32:25,380  
credibility hit of saying that nope they

803  
00:32:29,630 --> 00:32:26,940  
haven't been duped everybody else is

804  
00:32:31,970 --> 00:32:29,640  
wrong which means at least the core of

805  
00:32:33,889 --> 00:32:31,980  
True Believers is gonna hang on if you

806  
00:32:36,230 --> 00:32:33,899  
say you're duped you lose the Skeptics

807  
00:32:37,850 --> 00:32:36,240  
and the new Believers so

808  
00:32:41,090 --> 00:32:37,860  
um I suspect it might have been kind of

809  
00:32:43,430 --> 00:32:41,100  
a cynical sort of Gambit to keep as much

810  
00:32:45,350 --> 00:32:43,440  
support as possible another question

811  
00:32:47,269 --> 00:32:45,360  
from Twitter from black wolf is Golf

812  
00:32:49,370 --> 00:32:47,279  
Breeze still a hot spot or is it mainly

813  
00:32:51,169 --> 00:32:49,380

passed over as fraudulent well the the

814

00:32:53,389 --> 00:32:51,179

frustrating thing is that there were

815

00:32:54,769 --> 00:32:53,399

other sightings at the time and there

816

00:32:56,389 --> 00:32:54,779

have been other sightings since then a

817

00:32:58,909 --> 00:32:56,399

little bit later in the 90s there was

818

00:33:00,950 --> 00:32:58,919

another wave of sightings is it 97 or 98

819

00:33:02,630 --> 00:33:00,960

there was another wave of sightings in

820

00:33:04,970 --> 00:33:02,640

Gulf Breeze that weren't related to Ed

821

00:33:07,490 --> 00:33:04,980

Walters at all but everything gets

822

00:33:10,789 --> 00:33:07,500

painted with the Ed Walters brush which

823

00:33:13,009 --> 00:33:10,799

is really kind of a shame

824

00:33:15,590 --> 00:33:13,019

DJ Maynard on Facebook says what does

825

00:33:17,509 --> 00:33:15,600

Wilbur have to say on the issue Wilbur

826  
00:33:20,210 --> 00:33:17,519  
could not be reached for comment he and

827  
00:33:22,029 --> 00:33:20,220  
Mr Ed have been estranged since the

828  
00:33:25,130 --> 00:33:22,039  
incident in

829  
00:33:26,690 --> 00:33:25,140  
1965. Kenny Mitchell on Facebook says

830  
00:33:28,789 --> 00:33:26,700  
I'm sure I've seen the model spaceship

831  
00:33:31,190 --> 00:33:28,799  
on display somewhere did finding that

832  
00:33:33,289 --> 00:33:31,200  
model not completely destroy any last

833  
00:33:34,269 --> 00:33:33,299  
shred of legitimacy his stories might

834  
00:33:37,850 --> 00:33:34,279  
have had

835  
00:33:39,409 --> 00:33:37,860  
apparently not uh and and the he he sort

836  
00:33:41,570 --> 00:33:39,419  
of had this

837  
00:33:43,070 --> 00:33:41,580  
um sort of out with the model that he

838  
00:33:45,529 --> 00:33:43,080

wasn't living in the house when it was

839

00:33:47,389 --> 00:33:45,539

found and it was planted there

840

00:33:51,169 --> 00:33:47,399

um if you want to believe this story

841

00:33:52,070 --> 00:33:51,179

enough you find ways to overlook the

842

00:33:55,850 --> 00:33:52,080

model

843

00:33:58,130 --> 00:33:55,860

um Steve asks wondering if you could

844

00:33:59,870 --> 00:33:58,140

clarify exactly what was alleged to be

845

00:34:01,549 --> 00:33:59,880

found in Ed Walter's attic was it

846

00:34:03,529 --> 00:34:01,559

blueprints for a Model A model and

847

00:34:05,210 --> 00:34:03,539

blueprints the allegations I've seen in

848

00:34:07,130 --> 00:34:05,220

media have been varying with most only

849

00:34:10,430 --> 00:34:07,140

mentioning a model

850

00:34:12,349 --> 00:34:10,440

okay it's kind of weird and I I probably

851  
00:34:15,710 --> 00:34:12,359  
wasn't clear enough about it on the show

852  
00:34:17,810 --> 00:34:15,720  
so what happens is there is a model that

853  
00:34:20,270 --> 00:34:17,820  
is made and it's made from wood and

854  
00:34:23,149 --> 00:34:20,280  
paper and things like that and part of

855  
00:34:26,329 --> 00:34:23,159  
the paper that it's made from

856  
00:34:29,629 --> 00:34:26,339  
um were blueprints of a house that Ed

857  
00:34:31,970 --> 00:34:29,639  
was involved in building and the date of

858  
00:34:33,889 --> 00:34:31,980  
the house that

859  
00:34:38,089 --> 00:34:33,899  
um was part of the house whose

860  
00:34:40,310 --> 00:34:38,099  
blueprints were part of the model uh Ed

861  
00:34:42,589 --> 00:34:40,320  
claimed was too late for the model to

862  
00:34:45,050 --> 00:34:42,599  
have been in use when the pictures were

863  
00:34:47,089 --> 00:34:45,060

taken I was going to say I hope that

864

00:34:49,190 --> 00:34:47,099

makes things clearer but I don't think

865

00:34:51,169 --> 00:34:49,200

it does but to make it as simple as I

866

00:34:53,510 --> 00:34:51,179

can there was a model found the

867

00:34:56,990 --> 00:34:53,520

blueprints involved were blueprints for

868

00:35:00,290 --> 00:34:57,000

a house not blueprints for a model if

869

00:35:02,930 --> 00:35:00,300

that makes sense Gabriel says one thing

870

00:35:05,630 --> 00:35:02,940

that strikes me about Ed Walters is how

871

00:35:07,849 --> 00:35:05,640

the UFO experience becomes for him an

872

00:35:09,710 --> 00:35:07,859

opportunity for wish fulfillment via a

873

00:35:11,329 --> 00:35:09,720

performance of masculine aggression you

874

00:35:13,010 --> 00:35:11,339

see the same thing in Travis Walton's

875

00:35:15,109 --> 00:35:13,020

account defending off his abductors with

876

00:35:17,150 --> 00:35:15,119

his Wicked karate moves and failed

877

00:35:19,010 --> 00:35:17,160

variation of it in Jon Stewart's UFO

878

00:35:20,930 --> 00:35:19,020

warning in which he unsuccessfully

879

00:35:23,030 --> 00:35:20,940

attempts to protect his Paramore slash

880

00:35:25,370 --> 00:35:23,040

research associate from extraterrestrial

881

00:35:27,349 --> 00:35:25,380

assault Walters and Walton's stories

882

00:35:29,390 --> 00:35:27,359

both have a strong sense of if them

883

00:35:33,770 --> 00:35:29,400

aliens tried to get me here's what I'd

884

00:35:36,770 --> 00:35:33,780

do absolutely I I absolutely agree and

885

00:35:39,410 --> 00:35:36,780

into that mix I would sort of throw a

886

00:35:42,950 --> 00:35:39,420

guy named Daryl Sims who styled himself

887

00:35:44,810 --> 00:35:42,960

the alien Hunter for his attempts to get

888

00:35:48,650 --> 00:35:44,820

them aliens that are abducting people

889

00:35:52,190 --> 00:35:48,660

but yeah very much very much trying to

890

00:35:53,630 --> 00:35:52,200

be an action hero in a lot of ways and

891

00:35:56,210 --> 00:35:53,640

and I I didn't think about in terms of

892

00:35:59,569 --> 00:35:56,220

uh of Walter's account uh Walton's

893

00:36:02,030 --> 00:35:59,579

account but yeah as well finally a a

894

00:36:04,010 --> 00:36:02,040

question a comment a uh a a plea for

895

00:36:06,530 --> 00:36:04,020

help from Ryan

896

00:36:08,210 --> 00:36:06,540

as a child I recall being terrified by

897

00:36:10,370 --> 00:36:08,220

one particular UFO witness that I

898

00:36:11,810 --> 00:36:10,380

believe was on Oprah in the 90s there

899

00:36:14,450 --> 00:36:11,820

are two clips on Oprah's YouTube channel

900

00:36:16,370 --> 00:36:14,460

of abductees from the episode in the mid

901  
00:36:18,170 --> 00:36:16,380  
90s but neither of these were the ones I

902  
00:36:19,970 --> 00:36:18,180  
remember your Gulf Breeze episode

903  
00:36:21,950 --> 00:36:19,980  
brought to light Ed Walter's earlier

904  
00:36:24,109 --> 00:36:21,960  
appearance on Oprah do you recall an

905  
00:36:26,030 --> 00:36:24,119  
Oprah guest saying that something along

906  
00:36:28,190 --> 00:36:26,040  
the lines of they were outside in their

907  
00:36:30,170 --> 00:36:28,200  
yard in broad daylight and were chased

908  
00:36:32,750 --> 00:36:30,180  
by a hairless alien dog before being

909  
00:36:35,030 --> 00:36:32,760  
abducted I have long researched for info

910  
00:36:37,430 --> 00:36:35,040  
on this tale I only I know this is only

911  
00:36:39,710 --> 00:36:37,440  
tangentially related to Gulf Breeze but

912  
00:36:41,450 --> 00:36:39,720  
I figure it's now or never well I mean I

913  
00:36:42,950 --> 00:36:41,460

barely remember it so it could turn out

914

00:36:46,490 --> 00:36:42,960

to be directly related when I get the

915

00:36:48,290 --> 00:36:46,500

full story thanks I do not Ryan but

916

00:36:50,810 --> 00:36:48,300

we've got thousands of people out there

917

00:36:54,410 --> 00:36:50,820

who may remember it and may have watched

918

00:36:56,690 --> 00:36:54,420

more Oprah than I did in the 90s the I

919

00:36:57,950 --> 00:36:56,700

did not watch Oprah in the 90s you know

920

00:36:59,930 --> 00:36:57,960

honestly if I would have known there

921

00:37:01,910 --> 00:36:59,940

were alien abductees on it and hairless

922

00:37:03,950 --> 00:37:01,920

dogs I probably would have paid more

923

00:37:06,050 --> 00:37:03,960

attention so if anybody has any

924

00:37:08,510 --> 00:37:06,060

information on this Oprah episode with

925

00:37:11,569 --> 00:37:08,520

an abductee and a hairless alien dog get

926  
00:37:13,310 --> 00:37:11,579  
in touch because that sounds wild and we

927  
00:37:15,650 --> 00:37:13,320  
can help out Ryan here

928  
00:37:18,349 --> 00:37:15,660  
all right thank you so much for your

929  
00:37:20,329 --> 00:37:18,359  
your feedback and questions about uh

930  
00:37:23,450 --> 00:37:20,339  
about the gulf the the Ed Walters

931  
00:37:25,490 --> 00:37:23,460  
experience in Gulf Breeze um I think

932  
00:37:27,470 --> 00:37:25,500  
this maybe finally puts a bow on Gulf

933  
00:37:29,450 --> 00:37:27,480  
Breeze that would be uh that would be

934  
00:37:32,030 --> 00:37:29,460  
nice at least once we're done with the

935  
00:37:33,770 --> 00:37:32,040  
Gulf Breeze six who we should probably

936  
00:37:40,130 --> 00:37:33,780  
get back to now

937  
00:37:43,730 --> 00:37:41,810  
while things might have seemed to have

938  
00:37:45,109 --> 00:37:43,740

died down after the six were discharged

939

00:37:47,510 --> 00:37:45,119

it wouldn't be long before the story

940

00:37:50,089 --> 00:37:47,520

resurfaced with some additional angles

941

00:37:52,250 --> 00:37:50,099

within a couple of years one of the Gulf

942

00:37:53,930 --> 00:37:52,260

Breeze 6 Vance Davis would increasingly

943

00:37:55,970 --> 00:37:53,940

be in the public eye with a slightly

944

00:37:59,030 --> 00:37:55,980

different story about what happened in

945

00:38:01,550 --> 00:37:59,040

July 27 1992 interview with Nancy plevin

946

00:38:03,470 --> 00:38:01,560

for the Associated Press Davis revealed

947

00:38:06,770 --> 00:38:03,480

much about what actually happened

948

00:38:09,589 --> 00:38:06,780

supposedly the headline Soldier gives

949

00:38:12,890 --> 00:38:09,599

reason he disappeared orders from Ouija

950

00:38:16,730 --> 00:38:14,810

when Vance Davis and five of his friends

951  
00:38:18,290 --> 00:38:16,740  
went AWOL it was reported that they had

952  
00:38:20,390 --> 00:38:18,300  
gone to a Florida beach to await the

953  
00:38:23,329 --> 00:38:20,400  
second coming of Jesus Christ in the UFO

954  
00:38:26,089 --> 00:38:23,339  
no way says Davis how ridiculous can you

955  
00:38:28,910 --> 00:38:26,099  
get he says Jesus Christ is Jesus Christ

956  
00:38:31,250 --> 00:38:28,920  
why would he come in a flying saucer

957  
00:38:33,950 --> 00:38:31,260  
no says Davis the reason they left their

958  
00:38:35,630 --> 00:38:33,960  
Army intelligence post was quite simple

959  
00:38:37,310 --> 00:38:35,640  
Ouija board Spirits told them they were

960  
00:38:38,730 --> 00:38:37,320  
needed to help lead the world through an

961  
00:38:41,270 --> 00:38:38,740  
impending cataclysm

962  
00:38:44,270 --> 00:38:41,280  
[Music]

963  
00:38:46,670 --> 00:38:44,280

so why speak up now why not right after

964

00:38:48,770 --> 00:38:46,680

being discharged because quote according

965

00:38:50,390 --> 00:38:48,780

to the Ouija Board race riots in Los

966

00:38:52,550 --> 00:38:50,400

Angeles were to be a signal the group

967

00:38:54,950 --> 00:38:52,560

should go public the others will come

968

00:38:59,089 --> 00:38:54,960

forward one by one depending on public

969

00:39:00,950 --> 00:38:59,099

reaction to what he has to say end quote

970

00:39:02,930 --> 00:39:00,960

the article recounts the basics of the

971

00:39:04,370 --> 00:39:02,940

story but adds Davis's account of why

972

00:39:06,890 --> 00:39:04,380

all of this might have happened in the

973

00:39:08,990 --> 00:39:06,900

first place Davis said we decided to do

974

00:39:10,190 --> 00:39:09,000

some experimentation into things we

975

00:39:13,490 --> 00:39:10,200

wanted to see if there was something

976  
00:39:16,250 --> 00:39:13,500  
actually to it ESP parapsychology ghosts

977  
00:39:18,050 --> 00:39:16,260  
tarot cards nothing really worked until

978  
00:39:21,470 --> 00:39:18,060  
they tried a Ouija board and then Davis

979  
00:39:23,810 --> 00:39:21,480  
explained someone showed up I'm talking

980  
00:39:25,670 --> 00:39:23,820  
spiritually the story of what happened

981  
00:39:27,730 --> 00:39:25,680  
next became part of an investigation

982  
00:39:30,710 --> 00:39:27,740  
into Ouija boards on the fox program

983  
00:39:32,630 --> 00:39:30,720  
sightings and it's nice to hear the

984  
00:39:34,490 --> 00:39:32,640  
voices of the people involved in these

985  
00:39:36,290 --> 00:39:34,500  
things sometimes you're going to hear

986  
00:39:39,050 --> 00:39:36,300  
from Vance Davis and you're going to

987  
00:39:41,450 --> 00:39:39,060  
hear from Annette Eccleston who by the

988  
00:39:43,730 --> 00:39:41,460

time the show is recorded was going as

989

00:39:45,770 --> 00:39:43,740

Annette Levesque perhaps the most

990

00:39:47,810 --> 00:39:45,780

bizarre case involving the use of a

991

00:39:50,930 --> 00:39:47,820

Ouija board occurred two years ago in

992

00:39:52,970 --> 00:39:50,940

Augsburg Germany six U.S Army enlisted

993

00:39:54,770 --> 00:39:52,980

personnel analysts with high-level

994

00:39:56,750 --> 00:39:54,780

security clearances claimed messages

995

00:39:58,910 --> 00:39:56,760

from a Ouija board encourage them to

996

00:40:00,410 --> 00:39:58,920

risk their careers and imprisonment to

997

00:40:02,690 --> 00:40:00,420

care carry out the directions of the

998

00:40:04,430 --> 00:40:02,700

board only now have two members of the

999

00:40:05,990 --> 00:40:04,440

group agreed to come forward basically

1000

00:40:07,370 --> 00:40:06,000

went to the Ouija board out of

1001  
00:40:09,890 --> 00:40:07,380  
frustration to find answers about

1002  
00:40:11,750 --> 00:40:09,900  
ourselves and other things Davis claims

1003  
00:40:13,910 --> 00:40:11,760  
the Ouija board's responses were almost

1004  
00:40:16,450 --> 00:40:13,920  
immediate and that they spelled out the

1005  
00:40:19,790 --> 00:40:16,460  
details of impending worldwide disasters

1006  
00:40:22,089 --> 00:40:19,800  
in a period of about six months we

1007  
00:40:24,770 --> 00:40:22,099  
really only used the board seven times

1008  
00:40:27,770 --> 00:40:24,780  
the entities predicted to us the Gulf

1009  
00:40:31,010 --> 00:40:27,780  
War in May of 1990. three months before

1010  
00:40:34,609 --> 00:40:31,020  
it happened as we got more involved with

1011  
00:40:38,150 --> 00:40:34,619  
using the board the information that we

1012  
00:40:39,430 --> 00:40:38,160  
had received reached levels beyond our

1013  
00:40:42,170 --> 00:40:39,440

imagination

1014

00:40:44,030 --> 00:40:42,180

over a six-month period the group

1015

00:40:46,609 --> 00:40:44,040

recorded predictions that foretold

1016

00:40:48,650 --> 00:40:46,619

increasingly catastrophic events they

1017

00:40:50,690 --> 00:40:48,660

believed the Ouija board was also urging

1018

00:40:53,930 --> 00:40:50,700

them to leave Germany and warn people

1019

00:40:55,849 --> 00:40:53,940

about these disasters we were told by

1020

00:40:58,630 --> 00:40:55,859

the spirits to leave

1021

00:41:01,849 --> 00:40:58,640

the phenomenal part of this whole

1022

00:41:05,150 --> 00:41:01,859

situation is that we as a group got

1023

00:41:08,750 --> 00:41:05,160

together and in only seven sessions we

1024

00:41:10,970 --> 00:41:08,760

had enough information that convinced us

1025

00:41:14,630 --> 00:41:10,980

that we needed to leave

1026

00:41:16,970 --> 00:41:14,640

on July 3rd 1990 all six soldiers went

1027

00:41:19,130 --> 00:41:16,980

AWOL their desertion triggered a

1028

00:41:20,930 --> 00:41:19,140

worldwide Manhunt and law enforcement

1029

00:41:22,550 --> 00:41:20,940

agencies around the world were told to

1030

00:41:26,150 --> 00:41:22,560

treat the deserters as if they were

1031

00:41:29,450 --> 00:41:26,160

terrorists in July of 1990 a group of

1032

00:41:30,589 --> 00:41:29,460

soldiers stationed in Germany left their

1033

00:41:34,130 --> 00:41:30,599

posts

1034

00:41:36,770 --> 00:41:34,140

and came to see me in Gulf Breeze to

1035

00:41:40,609 --> 00:41:36,780

discuss their paranormal experiences

1036

00:41:42,410 --> 00:41:40,619

I found that their experiences primarily

1037

00:41:44,690 --> 00:41:42,420

had to do with the Ouija board

1038

00:41:47,750 --> 00:41:44,700

within days the six soldiers were

1039

00:41:49,730 --> 00:41:47,760

arrested in Gulf Breeze Florida by local

1040

00:41:52,069 --> 00:41:49,740

authorities working with the FBI and

1041

00:41:53,870 --> 00:41:52,079

military police they were charged with

1042

00:41:56,569 --> 00:41:53,880

Espionage and taken to Fort Knox

1043

00:41:59,930 --> 00:41:56,579

Kentucky for interrogation we consider

1044

00:42:01,849 --> 00:41:59,940

ourselves dead gone we would not be seen

1045

00:42:04,190 --> 00:42:01,859

Again by our families and they had the

1046

00:42:06,109 --> 00:42:04,200

same feelings but that was not what

1047

00:42:08,089 --> 00:42:06,119

happened after the soldiers were

1048

00:42:10,670 --> 00:42:08,099

interrogated the case took a bizarre

1049

00:42:13,250 --> 00:42:10,680

twist in a break with standard procedure

1050

00:42:15,890 --> 00:42:13,260

the Army decided to release all six

1051  
00:42:17,030 --> 00:42:15,900  
Soldiers with honorable discharges was

1052  
00:42:19,370 --> 00:42:17,040  
there a connection between the

1053  
00:42:21,230 --> 00:42:19,380  
unprecedented discharges and the Ouija

1054  
00:42:23,210 --> 00:42:21,240  
board's predictions all of our

1055  
00:42:25,130 --> 00:42:23,220  
predictions were documented the military

1056  
00:42:27,890 --> 00:42:25,140  
confiscated Oliver written notes after

1057  
00:42:30,349 --> 00:42:27,900  
we were captured two and a half years

1058  
00:42:32,329 --> 00:42:30,359  
ago so the government knows that our

1059  
00:42:34,190 --> 00:42:32,339  
predictions are extremely accurate but

1060  
00:42:36,770 --> 00:42:34,200  
for them to admit that publicly of

1061  
00:42:39,130 --> 00:42:36,780  
course is a different matter okay so a

1062  
00:42:41,329 --> 00:42:39,140  
couple of things there one these are

1063  
00:42:43,550 --> 00:42:41,339

predictions of the future and they're

1064

00:42:46,190 --> 00:42:43,560

ones that have come true the Gulf War

1065

00:42:49,370 --> 00:42:46,200

the LA riots all kinds of interesting

1066

00:42:51,290 --> 00:42:49,380

things can't wait to get to those

1067

00:42:54,530 --> 00:42:51,300

writings that they have that are clearly

1068

00:42:56,569 --> 00:42:54,540

dated ahead of time in 1990 and can be

1069

00:42:59,030 --> 00:42:56,579

used to easily prove that these

1070

00:43:00,890 --> 00:42:59,040

predictions actually did occur so that's

1071

00:43:02,210 --> 00:43:00,900

one thing that's interesting the other

1072

00:43:04,550 --> 00:43:02,220

thing that's interesting and this is

1073

00:43:08,089 --> 00:43:04,560

something that was in that AP interview

1074

00:43:11,329 --> 00:43:08,099

with Vance Davis as well is the claim

1075

00:43:14,510 --> 00:43:11,339

that they were honorably discharged

1076

00:43:17,390 --> 00:43:14,520

and that is a claim that is going to

1077

00:43:18,950 --> 00:43:17,400

be made over and over again as one of

1078

00:43:21,890 --> 00:43:18,960

the reasons why what they're saying is

1079

00:43:24,589 --> 00:43:21,900

true because if the government hadn't

1080

00:43:26,270 --> 00:43:24,599

known that there was something to what

1081

00:43:28,250 --> 00:43:26,280

they were doing and that it was of vital

1082

00:43:30,530 --> 00:43:28,260

importance why would they have gotten

1083

00:43:33,050 --> 00:43:30,540

honorably discharged well the answer is

1084

00:43:34,970 --> 00:43:33,060

they weren't honorably discharged they

1085

00:43:37,609 --> 00:43:34,980

received General discharges which are

1086

00:43:40,490 --> 00:43:37,619

not dishonorable but they are not

1087

00:43:42,770 --> 00:43:40,500

honorable there are negatives to getting

1088

00:43:45,770 --> 00:43:42,780

a general discharge you may not be

1089

00:43:47,690 --> 00:43:45,780

eligible for certain GI benefits you

1090

00:43:50,450 --> 00:43:47,700

might not be able to serve on Veterans

1091

00:43:53,030 --> 00:43:50,460

commissions you might not be able to

1092

00:43:55,069 --> 00:43:53,040

re-enlist you do get your VA benefits

1093

00:43:59,150 --> 00:43:55,079

disability Health Care things like that

1094

00:44:01,609 --> 00:43:59,160

but it's not an honorable discharge and

1095

00:44:04,730 --> 00:44:01,619

to say it is is kind of shady in any

1096

00:44:08,510 --> 00:44:04,740

case back to the Ouija board and this

1097

00:44:11,329 --> 00:44:08,520

you know force or intelligence that told

1098

00:44:14,589 --> 00:44:11,339

them what was going to happen and that

1099

00:44:18,109 --> 00:44:14,599

they communicated with it's not aliens

1100

00:44:20,569 --> 00:44:18,119

necessarily but it is an alien-like

1101  
00:44:23,870 --> 00:44:20,579  
contact perhaps an encounter with some

1102  
00:44:26,870 --> 00:44:23,880  
kind of exotic other what might it have

1103  
00:44:29,450 --> 00:44:26,880  
been what power did the group really tap

1104  
00:44:32,030 --> 00:44:29,460  
into was it their Collective unconscious

1105  
00:44:34,370 --> 00:44:32,040  
at work or were otherworldly Spirits

1106  
00:44:36,650 --> 00:44:34,380  
using the soldiers as a conduit for

1107  
00:44:38,930 --> 00:44:36,660  
their cataclysmic predictions what

1108  
00:44:40,490 --> 00:44:38,940  
people tap into this is Anna Foster

1109  
00:44:42,530 --> 00:44:40,500  
talking about you're experiencing a real

1110  
00:44:44,690 --> 00:44:42,540  
negative phenomena with the board is

1111  
00:44:47,650 --> 00:44:44,700  
what we call inferior Spirits or

1112  
00:44:51,710 --> 00:44:47,660  
low-level intelligence these are people

1113  
00:44:55,569 --> 00:44:51,720

entities animals who have not migrated

1114

00:44:57,650 --> 00:44:55,579

to the next level of life so losers

1115

00:45:00,650 --> 00:44:57,660

apparently or people who have not

1116

00:45:03,170 --> 00:45:00,660

migrated Spirits or beings the short

1117

00:45:05,930 --> 00:45:03,180

answer is Anna Foster here is not

1118

00:45:08,990 --> 00:45:05,940

entirely sure what they're talking to so

1119

00:45:13,190 --> 00:45:09,000

what sorts of disasters might be coming

1120

00:45:15,349 --> 00:45:13,200

Davis and Levesque expanded on that a

1121

00:45:19,130 --> 00:45:15,359

little bit and Davis in particular

1122

00:45:21,829 --> 00:45:19,140

talked about why he felt a drive to sort

1123

00:45:25,910 --> 00:45:21,839

of get this information out there we

1124

00:45:30,109 --> 00:45:28,370

from different backgrounds and different

1125

00:45:32,270 --> 00:45:30,119

beliefs that came together and

1126

00:45:34,849 --> 00:45:32,280

experienced the same kind of phenomena

1127

00:45:36,770 --> 00:45:34,859

if I could make a difference in the

1128

00:45:38,870 --> 00:45:36,780

world and if meaning going AWOL and

1129

00:45:40,430 --> 00:45:38,880

giving my life for that would make a

1130

00:45:43,010 --> 00:45:40,440

difference then to me that's a good

1131

00:45:45,589 --> 00:45:43,020

sacrifice and I was willing to sacrifice

1132

00:45:48,650 --> 00:45:45,599

that also I felt the information we were

1133

00:45:50,690 --> 00:45:48,660

getting was important enough not to be

1134

00:45:53,150 --> 00:45:50,700

hidden if there's a possibility of it

1135

00:45:55,550 --> 00:45:53,160

happening people need to be told

1136

00:45:58,069 --> 00:45:55,560

so far the group's predictions have been

1137

00:46:00,650 --> 00:45:58,079

startlingly accurate if their accuracy

1138

00:46:03,109 --> 00:46:00,660

continues into 1993 they could be

1139

00:46:04,609 --> 00:46:03,119

tracking worldwide disaster the entities

1140

00:46:07,010 --> 00:46:04,619

that spoke to us on the Ouija board

1141

00:46:08,210 --> 00:46:07,020

predicted the LA riots two years before

1142

00:46:10,670 --> 00:46:08,220

they happened

1143

00:46:12,530 --> 00:46:10,680

looting and rioting did occur in Los

1144

00:46:14,690 --> 00:46:12,540

Angeles two years after the group's

1145

00:46:16,790 --> 00:46:14,700

original prediction and their

1146

00:46:18,890 --> 00:46:16,800

predictions for the coming year future

1147

00:46:20,630 --> 00:46:18,900

predictions the entities made to us

1148

00:46:23,329 --> 00:46:20,640

included a major earthquake in

1149

00:46:26,630 --> 00:46:23,339

California in 93 with a magnitude of

1150

00:46:28,550 --> 00:46:26,640

approximately 8.3 a major earthquake in

1151

00:46:31,430 --> 00:46:28,560

Seattle in 93 which will trigger the

1152

00:46:34,690 --> 00:46:31,440

eruption of Mount Rainier a major gas

1153

00:46:37,550 --> 00:46:34,700

leak an explosion in New York City in 93

1154

00:46:40,130 --> 00:46:37,560

also the collapse of European royalty in

1155

00:46:43,309 --> 00:46:40,140

93 the forming of the United States of

1156

00:46:45,349 --> 00:46:43,319

Europe in 93. as we're going to see far

1157

00:46:47,809 --> 00:46:45,359

more predictions would be forthcoming

1158

00:46:49,250 --> 00:46:47,819

but what's the end game here what are

1159

00:46:51,130 --> 00:46:49,260

they trying to do what's going to happen

1160

00:46:53,690 --> 00:46:51,140

after all of these catastrophes happen

1161

00:46:55,730 --> 00:46:53,700

back in the AP interview Davis said

1162

00:46:57,530 --> 00:46:55,740

quote when all this occurs we'll be gone

1163

00:46:59,690 --> 00:46:57,540

again the six of us will be somewhere

1164

00:47:01,790 --> 00:46:59,700

else people will be looking for us and

1165

00:47:03,290 --> 00:47:01,800

they won't be able to find us after the

1166

00:47:07,069 --> 00:47:03,300

thing occurs we'll come back out again

1167

00:47:10,450 --> 00:47:07,079

to help put the pieces back together so

1168

00:47:13,730 --> 00:47:10,460

Davis and the Gulf 36 are predicting our

1169

00:47:15,410 --> 00:47:13,740

catastrophes but they will also help

1170

00:47:17,569 --> 00:47:15,420

save us from them

1171

00:47:19,370 --> 00:47:17,579

but then at the very end there's some

1172

00:47:22,849 --> 00:47:19,380

other indication of what Davis's

1173

00:47:27,109 --> 00:47:25,069

but meanwhile Davis says the group May

1174

00:47:29,329 --> 00:47:27,119

write a book follow up on a possible

1175

00:47:31,730 --> 00:47:29,339

movie deal and if offered do an

1176

00:47:36,349 --> 00:47:31,740

advertisement for Parker Brothers maker

1177

00:47:41,450 --> 00:47:38,410

come on now you all know what's coming

1178

00:47:43,609 --> 00:47:41,460

you can't deny that this phrase is

1179

00:47:46,309 --> 00:47:43,619

running through your head right at this

1180

00:47:48,589 --> 00:47:46,319

very moment UFO might just as well stand

1181

00:47:50,690 --> 00:47:48,599

for unprecedented Financial opportunity

1182

00:47:54,170 --> 00:47:50,700

yeah yeah I know there aren't

1183

00:47:58,550 --> 00:47:54,180

technically UFOs involved but the the

1184

00:48:01,490 --> 00:47:58,560

awful sort of stink of the UFO Gulf

1185

00:48:03,950 --> 00:48:01,500

Breeze thing is is hanging heavy over

1186

00:48:05,690 --> 00:48:03,960

this like I said earlier if these people

1187

00:48:07,910 --> 00:48:05,700

were to turned up in Birmingham Alabama

1188

00:48:11,329 --> 00:48:07,920

I don't think there would have been

1189

00:48:13,370 --> 00:48:11,339

nearly as much fuss as there was

1190

00:48:15,890 --> 00:48:13,380

so that's what was going on on

1191

00:48:17,809 --> 00:48:15,900

television and in that AP interview but

1192

00:48:20,089 --> 00:48:17,819

there's also official documentation

1193

00:48:23,750 --> 00:48:20,099

about the Army's investigation which was

1194

00:48:25,910 --> 00:48:23,760

Declassified in 1992 and included in a

1195

00:48:28,609 --> 00:48:25,920

book that we're going to be talking

1196

00:48:30,770 --> 00:48:28,619

about the origins of all this are a bit

1197

00:48:32,690 --> 00:48:30,780

convoluted in the story and to my mind

1198

00:48:35,329 --> 00:48:32,700

the most pertinent documents are

1199

00:48:38,270 --> 00:48:35,339

affidavits from Vance Davis Annette

1200

00:48:40,550 --> 00:48:38,280

Eccleston and Kenneth Beeson as well as

1201

00:48:42,829 --> 00:48:40,560

the summary of the investigation that

1202

00:48:44,510 --> 00:48:42,839

was done by the army they Vance Davis

1203

00:48:46,130 --> 00:48:44,520

and his affidavit explains that his

1204

00:48:47,630 --> 00:48:46,140

decision to go AWOL was based on

1205

00:48:51,410 --> 00:48:47,640

messages and instructions from the

1206

00:48:53,329 --> 00:48:51,420

spirit world that he received via the

1207

00:48:54,890 --> 00:48:53,339

Ouija board he says that when he was a

1208

00:48:58,370 --> 00:48:54,900

teenager he realized he had special

1209

00:49:00,770 --> 00:48:58,380

powers related to parapsychology he took

1210

00:49:02,450 --> 00:49:00,780

mind control courses he said and in

1211

00:49:04,069 --> 00:49:02,460

later interviews and and talks we

1212

00:49:06,290 --> 00:49:04,079

learned that this was the Silva mind

1213

00:49:08,569 --> 00:49:06,300

control system available at better

1214

00:49:12,829 --> 00:49:08,579

bookstores and on Amazon

1215

00:49:15,710 --> 00:49:12,839

dot com as an aside I attempted to

1216

00:49:18,170 --> 00:49:15,720

engage in the Silva mind control system

1217

00:49:21,410 --> 00:49:18,180

and like anything that even approaches

1218

00:49:25,190 --> 00:49:21,420

self-hypnosis it mostly resulted in me

1219

00:49:28,790 --> 00:49:25,200

just falling asleep or getting bored

1220

00:49:30,829 --> 00:49:28,800

so later in Germany in the Army um Davis

1221

00:49:32,750 --> 00:49:30,839

and Beeson

1222

00:49:34,250 --> 00:49:32,760

who's in his unit experimented with

1223

00:49:36,710 --> 00:49:34,260

Ouija board that

1224

00:49:39,589 --> 00:49:36,720

that Beeson basically had purchased

1225

00:49:42,050 --> 00:49:39,599

mostly to disprove its power Davis said

1226  
00:49:43,370 --> 00:49:42,060  
let's try a Ouija board Beeson said no I

1227  
00:49:46,670 --> 00:49:43,380  
don't think Ouija boards are anything

1228  
00:49:49,069 --> 00:49:46,680  
but I'll buy one to prove to you I'm

1229  
00:49:51,170 --> 00:49:49,079  
right it turns out as Davis said that

1230  
00:49:52,910 --> 00:49:51,180  
the Ouija board is totally legit and it

1231  
00:49:55,250 --> 00:49:52,920  
provided information that corroborated

1232  
00:49:57,050 --> 00:49:55,260  
visions that Davis said he himself had

1233  
00:49:58,730 --> 00:49:57,060  
been having for a while that there would

1234  
00:50:01,309 --> 00:49:58,740  
be a middle eastern terrorist attack on

1235  
00:50:03,530 --> 00:50:01,319  
the east coast in 1990. he didn't know

1236  
00:50:05,450 --> 00:50:03,540  
what the targets were he believed there

1237  
00:50:08,210 --> 00:50:05,460  
were four of them or so Davis and his

1238  
00:50:11,150 --> 00:50:08,220

associates decided that they had to on

1239

00:50:13,190 --> 00:50:11,160

the advice of the Ouija board leave take

1240

00:50:16,550 --> 00:50:13,200

off head to the United States to warn

1241

00:50:18,770 --> 00:50:16,560

authorities about these attacks he

1242

00:50:20,770 --> 00:50:18,780

doesn't mention all of the other

1243

00:50:23,450 --> 00:50:20,780

predictions that he would mention later

1244

00:50:25,190 --> 00:50:23,460

interestingly but he does assert that he

1245

00:50:27,589 --> 00:50:25,200

had never removed any classified

1246

00:50:30,530 --> 00:50:27,599

materials and that he never shared or

1247

00:50:33,109 --> 00:50:30,540

showed classified materials with or to

1248

00:50:34,670 --> 00:50:33,119

anyone Annette eccleston's affidavit is

1249

00:50:36,230 --> 00:50:34,680

the shortest of them and in it actually

1250

00:50:38,150 --> 00:50:36,240

basically goes over the timeline of

1251  
00:50:40,430 --> 00:50:38,160  
going to the United States Tennessee

1252  
00:50:42,950 --> 00:50:40,440  
Florida their capture and everything

1253  
00:50:44,930 --> 00:50:42,960  
like that she also explains very very

1254  
00:50:47,270 --> 00:50:44,940  
clearly that her reasoning for leaving

1255  
00:50:49,970 --> 00:50:47,280  
without authorization was in order to in

1256  
00:50:51,950 --> 00:50:49,980  
her words fulfill God's will she

1257  
00:50:53,990 --> 00:50:51,960  
explains that she did not remove steal

1258  
00:50:55,849 --> 00:50:54,000  
or share any classified information

1259  
00:50:58,010 --> 00:50:55,859  
because none of the classified

1260  
00:51:01,370 --> 00:50:58,020  
information available had anything to do

1261  
00:51:03,470 --> 00:51:01,380  
with their mission from God now beeson's

1262  
00:51:05,990 --> 00:51:03,480  
affidavit was longer than Davis's or

1263  
00:51:08,569 --> 00:51:06,000

eccleston's and provides a bit more

1264

00:51:10,790 --> 00:51:08,579

detail Beeson explains that he had

1265

00:51:12,950 --> 00:51:10,800

experienced psychic and Supernatural

1266

00:51:15,410 --> 00:51:12,960

phenomenon since he was a child when he

1267

00:51:17,329 --> 00:51:15,420

was a child about five years old a ghost

1268

00:51:19,910 --> 00:51:17,339

appeared and gave him a glass of water

1269

00:51:21,589 --> 00:51:19,920

which seems pretty nice actually and he

1270

00:51:24,829 --> 00:51:21,599

was having dreams that were sent as

1271

00:51:27,290 --> 00:51:24,839

Visions from God but he also began to

1272

00:51:28,730 --> 00:51:27,300

believe or wonder if these dreams or

1273

00:51:31,430 --> 00:51:28,740

visions might have roots in the

1274

00:51:34,670 --> 00:51:31,440

Paranormal and psychic energy as well as

1275

00:51:37,010 --> 00:51:34,680

being spiritual so he and Davis and some

1276

00:51:40,910 --> 00:51:37,020

other of their group in Gulf Breeze

1277

00:51:43,849 --> 00:51:40,920

began to explore different means of

1278

00:51:46,730 --> 00:51:43,859

divination spiritual divination psychic

1279

00:51:48,829 --> 00:51:46,740

readings and things like that then they

1280

00:51:51,290 --> 00:51:48,839

hit on the Ouija board which she was

1281

00:51:53,450 --> 00:51:51,300

skeptical of first but then when they

1282

00:51:55,910 --> 00:51:53,460

began using it he says they came into

1283

00:51:59,030 --> 00:51:55,920

the presence of a spiritual being called

1284

00:52:01,250 --> 00:51:59,040

Sapphire and Sapphire explains to them

1285

00:52:03,410 --> 00:52:01,260

what's going on and horrible things that

1286

00:52:05,750 --> 00:52:03,420

are going to happen and based on this

1287

00:52:07,609 --> 00:52:05,760

they make the decision to leave when

1288

00:52:09,530 --> 00:52:07,619

they left they placed a letter in each

1289

00:52:12,589 --> 00:52:09,540

of their quarters that would be found by

1290

00:52:18,109 --> 00:52:12,599

investigators the letter explains things

1291

00:52:22,309 --> 00:52:21,109

to whom it concerns we are of Sound Mind

1292

00:52:24,589 --> 00:52:22,319

and Spirit

1293

00:52:26,089 --> 00:52:24,599

you will want to hide this letter but we

1294

00:52:28,130 --> 00:52:26,099

recommend that it be forwarded to the

1295

00:52:30,530 --> 00:52:28,140

highest possible command the following

1296

00:52:32,569 --> 00:52:30,540

letter may sound wild but what was said

1297

00:52:35,030 --> 00:52:32,579

about the apostles in Christ's time for

1298

00:52:36,950 --> 00:52:35,040

it is said in the end young men will see

1299

00:52:38,930 --> 00:52:36,960

visions of that to come and hide

1300

00:52:40,910 --> 00:52:38,940

themselves away for the battle

1301  
00:52:43,370 --> 00:52:40,920  
may you understand and take warning in

1302  
00:52:46,069 --> 00:52:43,380  
this time has come for a decision to be

1303  
00:52:47,630 --> 00:52:46,079  
made and they made theirs their Works

1304  
00:52:49,849 --> 00:52:47,640  
will be known throughout the lands and

1305  
00:52:51,950 --> 00:52:49,859  
many will be murdered for knowing them

1306  
00:52:53,930 --> 00:52:51,960  
you will search for these and thousands

1307  
00:52:55,970 --> 00:52:53,940  
more like them but you will be searching

1308  
00:52:58,490 --> 00:52:55,980  
for naught for God takes care of his

1309  
00:53:00,470 --> 00:52:58,500  
elect and those that follow them please

1310  
00:53:02,630 --> 00:53:00,480  
take heed to the warning mentioned above

1311  
00:53:05,270 --> 00:53:02,640  
these people that you will hunt for is

1312  
00:53:08,510 --> 00:53:05,280  
but a shadow to Blind Eyes you will find

1313  
00:53:11,329 --> 00:53:08,520

traces of the wind which hides their

1314

00:53:14,510 --> 00:53:11,339

very lives for you who believe and will

1315

00:53:16,849 --> 00:53:14,520

carry God's death to the those of evil

1316

00:53:19,730 --> 00:53:16,859

heart you of the world listen carefully

1317

00:53:22,130 --> 00:53:19,740

the time is now to wake up your spirits

1318

00:53:24,470 --> 00:53:22,140

and heed the warning I'm the last to

1319

00:53:26,809 --> 00:53:24,480

speak to you ever now the elect take

1320

00:53:28,870 --> 00:53:26,819

over the mission of the Apostles these

1321

00:53:31,670 --> 00:53:28,880

twelve were true to the gospel of Christ

1322

00:53:33,349 --> 00:53:31,680

these you must search and find the

1323

00:53:35,030 --> 00:53:33,359

spirit will guide you for safety to the

1324

00:53:37,250 --> 00:53:35,040

hidden places by God

1325

00:53:39,290 --> 00:53:37,260

surely they have ran upon God's orders

1326

00:53:41,329 --> 00:53:39,300

and will be written in the Book of Life

1327

00:53:42,950 --> 00:53:41,339

and it was said in the end that a great

1328

00:53:45,349 --> 00:53:42,960

shout would be heard around the land

1329

00:53:47,210 --> 00:53:45,359

then all would see the trembling of the

1330

00:53:50,089 --> 00:53:47,220

great king of the [h\_\_h]

1331

00:53:52,490 --> 00:53:50,099

then from the heart cometh a great cry

1332

00:53:54,589 --> 00:53:52,500

of the chosen of God and the Mighty

1333

00:53:56,390 --> 00:53:54,599

Warriors led by them

1334

00:53:58,670 --> 00:53:56,400

from the earth cometh the elect to

1335

00:54:01,609 --> 00:53:58,680

render the great king a murderous heart

1336

00:54:03,290 --> 00:54:01,619

toward the one called Jesus fire shall

1337

00:54:05,750 --> 00:54:03,300

not touch those pure of heart and soul

1338

00:54:07,549 --> 00:54:05,760

when the Great king Falls to him and the

1339

00:54:09,290 --> 00:54:07,559

mouth of God came open and swallowed

1340

00:54:11,450 --> 00:54:09,300

those Wicked of spirit and those not

1341

00:54:14,329 --> 00:54:11,460

believing the truth of the seven

1342

00:54:16,670 --> 00:54:14,339

thunders of the seven angels for the end

1343

00:54:19,849 --> 00:54:16,680

and I've heard not the Thunder spoken to

1344

00:54:25,370 --> 00:54:19,859

me now we say farewell till that time of

1345

00:54:28,910 --> 00:54:27,589

oh yes it's all it's all it's all very

1346

00:54:31,370 --> 00:54:28,920

clear now

1347

00:54:35,930 --> 00:54:31,380

um it's it's like Book of Revelation fan

1348

00:54:37,970 --> 00:54:35,940

fiction it makes almost no sense the

1349

00:54:40,750 --> 00:54:37,980

most we can get out of it I think or the

1350

00:54:44,089 --> 00:54:40,760

most I can get out of it is a sense that

1351  
00:54:47,089 --> 00:54:44,099  
we've got reasons for going there's bad

1352  
00:54:48,950 --> 00:54:47,099  
stuff coming but we're the good guys and

1353  
00:54:51,710 --> 00:54:48,960  
we are going to take care of all these

1354  
00:54:56,270 --> 00:54:51,720  
things and everything will be fine but

1355  
00:54:59,450 --> 00:54:56,280  
boy that that did not clarify things to

1356  
00:55:01,910 --> 00:54:59,460  
me I I do not believe it's very clear at

1357  
00:55:05,990 --> 00:55:01,920  
all so there's something else left in

1358  
00:55:08,930 --> 00:55:06,000  
the quarters of the people who left the

1359  
00:55:11,450 --> 00:55:08,940  
base in Augsburg West Germany in July of

1360  
00:55:13,250 --> 00:55:11,460  
1990 and if we look at some of the

1361  
00:55:16,190 --> 00:55:13,260  
reports from the army that are

1362  
00:55:18,710 --> 00:55:16,200  
reproduced in a certain book that I will

1363  
00:55:22,730 --> 00:55:18,720

talk about in a little bit we can see

1364

00:55:24,349 --> 00:55:22,740

that there might have been more of a UFO

1365

00:55:26,390 --> 00:55:24,359

connection between the Gulf Breeze six

1366

00:55:29,270 --> 00:55:26,400

and and

1367

00:55:31,130 --> 00:55:29,280

what they were doing then it might have

1368

00:55:32,930 --> 00:55:31,140

looked from the newspaper reports

1369

00:55:34,970 --> 00:55:32,940

there's more to it than the Gulf Breeze

1370

00:55:36,730 --> 00:55:34,980

connection I think Gulf Breeze might

1371

00:55:39,890 --> 00:55:36,740

have been just a place they went because

1372

00:55:42,290 --> 00:55:39,900

Ken Beeson had a friend there as we're

1373

00:55:45,470 --> 00:55:42,300

going to find out but and as we've

1374

00:55:47,650 --> 00:55:45,480

already heard actually but it's it's not

1375

00:55:49,670 --> 00:55:47,660

Gulf Breeze flying saucers that people

1376

00:55:52,670 --> 00:55:49,680

are that's the wrong connection

1377

00:55:55,910 --> 00:55:52,680

something different is going on part of

1378

00:55:59,089 --> 00:55:55,920

the army report talks about an event at

1379

00:56:02,870 --> 00:55:59,099

the end of June that Ken Beeson and

1380

00:56:04,490 --> 00:56:02,880

Vance Davis visited so for most of the

1381

00:56:07,370 --> 00:56:04,500

report they're talking about the Ouija

1382

00:56:08,870 --> 00:56:07,380

board experiences and it's things like

1383

00:56:10,370 --> 00:56:08,880

they're talking to a spirit named

1384

00:56:12,109 --> 00:56:10,380

Sapphire they think they might be

1385

00:56:14,750 --> 00:56:12,119

talking to the Virgin Mary and the

1386

00:56:16,549 --> 00:56:14,760

apostles hence the Apostle references in

1387

00:56:21,770 --> 00:56:16,559

the letter they left but there is

1388

00:56:26,750 --> 00:56:25,010

sometime in June 1990 while Beeson and

1389

00:56:28,970 --> 00:56:26,760

Davis were looking for the location of a

1390

00:56:31,430 --> 00:56:28,980

new wave store they came across a flyer

1391

00:56:33,349 --> 00:56:31,440

advertisement for a 27 June 1990

1392

00:56:35,270 --> 00:56:33,359

convention in Munich Germany about the

1393

00:56:37,010 --> 00:56:35,280

ashtar command the group's

1394

00:56:38,750 --> 00:56:37,020

Communications with the spirits revealed

1395

00:56:41,089 --> 00:56:38,760

that there were alien beings in outer

1396

00:56:43,370 --> 00:56:41,099

space and on Earth who had a role in The

1397

00:56:45,950 --> 00:56:43,380

Rapture and biblical description about

1398

00:56:48,290 --> 00:56:45,960

the end of the world the alien beings on

1399

00:56:49,549 --> 00:56:48,300

Earth tend to have an evil role and have

1400

00:56:51,589 --> 00:56:49,559

the ability to take on a human

1401

00:56:53,690 --> 00:56:51,599

appearance some of the world's leaders

1402

00:56:56,150 --> 00:56:53,700

may actually be evil alien beings in

1403

00:56:58,010 --> 00:56:56,160

Disguise the aliens in outer space tend

1404

00:57:02,809 --> 00:56:58,020

to have a good role and will come to

1405

00:57:09,290 --> 00:57:05,809

all right yes so ashtar command shows up

1406

00:57:13,069 --> 00:57:09,300

which is absolutely phenomenal now to be

1407

00:57:15,170 --> 00:57:13,079

clear in the file itself and this is a a

1408

00:57:18,710 --> 00:57:15,180

what I have is a A reproduction of it

1409

00:57:23,210 --> 00:57:18,720

like a photocopy of it it actually is is

1410

00:57:26,690 --> 00:57:23,220

about the ash ashtarian command and it

1411

00:57:30,049 --> 00:57:26,700

says in parentheses phonetic so but I

1412

00:57:32,990 --> 00:57:30,059

think it's I think it's ashtar so while

1413

00:57:35,089 --> 00:57:33,000

at this convention they get in touch

1414

00:57:38,569 --> 00:57:35,099

with a German National identified only

1415

00:57:40,849 --> 00:57:38,579

as Gabrielle she ran the conference when

1416

00:57:43,130 --> 00:57:40,859

she discovered that

1417

00:57:45,290 --> 00:57:43,140

Beeson and Davis were in the military

1418

00:57:47,450 --> 00:57:45,300

quote she asked them if they were

1419

00:57:48,890 --> 00:57:47,460

familiar with the Cooper report when

1420

00:57:50,870 --> 00:57:48,900

Beeson and Davis said they were not

1421

00:57:52,670 --> 00:57:50,880

Gabrielle explained that she assumed

1422

00:57:54,530 --> 00:57:52,680

they would know about this report since

1423

00:57:56,650 --> 00:57:54,540

they possessed top secret security

1424

00:58:00,109 --> 00:57:56,660

clearance

1425

00:58:02,150 --> 00:58:00,119

when I first read that I laughed so hard

1426  
00:58:04,370 --> 00:58:02,160  
because it's like here's this this woman

1427  
00:58:06,230 --> 00:58:04,380  
in German this Gabrielle in Germany he's

1428  
00:58:09,349 --> 00:58:06,240  
like oh you're high-ranking military

1429  
00:58:09,950 --> 00:58:09,359  
people or you're highly you know

1430  
00:58:12,650 --> 00:58:09,960  
um

1431  
00:58:14,870 --> 00:58:12,660  
cleared military people well you must

1432  
00:58:16,790 --> 00:58:14,880  
have read the Cooper report which is

1433  
00:58:19,309 --> 00:58:16,800  
interesting there's a new there's a

1434  
00:58:21,710 --> 00:58:19,319  
number of of Cooper reports so it talks

1435  
00:58:23,950 --> 00:58:21,720  
about the the Cooper report and the

1436  
00:58:26,930 --> 00:58:23,960  
Crash saucers and cover-ups and things

1437  
00:58:28,670 --> 00:58:26,940  
so what's interesting is they have a

1438  
00:58:31,130 --> 00:58:28,680

copy of the Cooper report they notice

1439

00:58:33,710 --> 00:58:31,140

coincidences they notice parallels with

1440

00:58:36,289 --> 00:58:33,720

the Book of Revelation and and things

1441

00:58:39,470 --> 00:58:36,299

that that they've heard from the spirits

1442

00:58:41,890 --> 00:58:39,480

relating to the aliens and spirits and

1443

00:58:45,829 --> 00:58:41,900

the Antichrist and what they do

1444

00:58:48,170 --> 00:58:45,839

is they they want to make sure that

1445

00:58:50,510 --> 00:58:48,180

people the people above them who

1446

00:58:54,289 --> 00:58:50,520

investigate their

1447

00:58:57,530 --> 00:58:54,299

desertion from the base in Augsburg

1448

00:58:59,510 --> 00:58:57,540

take things seriously and they want to

1449

00:59:02,030 --> 00:58:59,520

make sure that the Cooper report and the

1450

00:59:05,690 --> 00:59:02,040

letter that they wrote that we heard a

1451

00:59:08,510 --> 00:59:05,700

little bit ago are found and and you

1452

00:59:11,210 --> 00:59:08,520

know taken care of so what did they do

1453

00:59:13,250 --> 00:59:11,220

to ensure that their their writings and

1454

00:59:15,890 --> 00:59:13,260

these documents are not you know

1455

00:59:19,490 --> 00:59:15,900

discarded or overlooked

1456

00:59:21,829 --> 00:59:19,500

well they do this

1457

00:59:23,510 --> 00:59:21,839

realizing the extraordinary and unusual

1458

00:59:25,430 --> 00:59:23,520

nature of this information the group

1459

00:59:27,049 --> 00:59:25,440

wanted to make sure the US Army command

1460

00:59:28,670 --> 00:59:27,059

would take this message seriously and

1461

00:59:31,069 --> 00:59:28,680

avoid having some low ranking person

1462

00:59:33,109 --> 00:59:31,079

throw this information away as religious

1463

00:59:34,670 --> 00:59:33,119

nonsense for this reason the group

1464

00:59:36,650 --> 00:59:34,680

purchased a stamp that they could

1465

00:59:40,010 --> 00:59:36,660

compose their own words and fashion the

1466

00:59:42,530 --> 00:59:40,020

label quote Top Secret magic unquote

1467

00:59:44,690 --> 00:59:42,540

only the Cooper report was stamped in

1468

00:59:47,089 --> 00:59:44,700

red on the top and bottom of each page

1469

00:59:49,670 --> 00:59:47,099

with top secret magic classification

1470

00:59:51,049 --> 00:59:49,680

markings Beeson did not know if top

1471

00:59:53,089 --> 00:59:51,059

secret magic was an actual

1472

00:59:54,650 --> 00:59:53,099

classification marking they chose the

1473

00:59:56,270 --> 00:59:54,660

word magic because it was the project

1474

00:59:59,030 --> 00:59:56,280

name for the US government project

1475

01:00:00,650 --> 00:59:59,040

concerning UFOs Beeson understood the

1476

01:00:02,289 --> 01:00:00,660

nature of classification markings and

1477

01:00:04,549 --> 01:00:02,299

use of code words in sensitive

1478

01:00:06,049 --> 01:00:04,559

compartmentalized information he

1479

01:00:08,329 --> 01:00:06,059

understood the sensitivity of code words

1480

01:00:10,100 --> 01:00:08,339

and knew the code words themselves were

1481

01:00:13,210 --> 01:00:10,110

classified

1482

01:00:16,010 --> 01:00:13,220

[Music]

1483

01:00:19,609 --> 01:00:16,020

they bought a rubber stamp

1484

01:00:21,950 --> 01:00:19,619

they wrote top secret Magic on it and

1485

01:00:24,710 --> 01:00:21,960

stamped the top and bottom of each page

1486

01:00:26,569 --> 01:00:24,720

of Bill Cooper's report so people

1487

01:00:28,370 --> 01:00:26,579

wouldn't throw it out as something crazy

1488

01:00:31,130 --> 01:00:28,380

this might be the greatest thing I've

1489

01:00:33,230 --> 01:00:31,140

ever read in my entire

1490

01:00:35,569 --> 01:00:33,240

time doing I was gonna say in my entire

1491

01:00:38,690 --> 01:00:35,579

life that is not true in my entire time

1492

01:00:42,049 --> 01:00:38,700

doing this podcast so clearly there is

1493

01:00:44,750 --> 01:00:42,059

some alien belief Crossover with the

1494

01:00:47,870 --> 01:00:44,760

Gulf Breeze 6. even though it doesn't

1495

01:00:50,870 --> 01:00:47,880

really have much to do with Gulf Breeze

1496

01:00:54,289 --> 01:00:50,880

apart from some personal connections

1497

01:00:56,809 --> 01:00:54,299

people had to the area one last thing

1498

01:00:59,569 --> 01:00:56,819

that connects sort of alien culture

1499

01:01:02,150 --> 01:00:59,579

things to all of this Gulf Breeze 6

1500

01:01:07,490 --> 01:01:02,160

stuff in the official report we learned

1501

01:01:11,270 --> 01:01:09,349

personal interviews of beeson's

1502

01:01:13,069 --> 01:01:11,280

co-workers and one off duty associate

1503

01:01:14,930 --> 01:01:13,079

revealed he was a member of a group who

1504

01:01:16,970 --> 01:01:14,940

believed the Army was in Europe for

1505

01:01:19,309 --> 01:01:16,980

reasons involving contact with aliens

1506

01:01:20,809 --> 01:01:19,319

the group was going into hiding and

1507

01:01:23,270 --> 01:01:20,819

would surface to eliminate the

1508

01:01:25,130 --> 01:01:23,280

non-believers Beeson was paranoid and

1509

01:01:27,890 --> 01:01:25,140

living in a dream world that involved

1510

01:01:29,750 --> 01:01:27,900

aliens and UFOs Beeson believed the US

1511

01:01:32,329 --> 01:01:29,760

government was in contact with aliens

1512

01:01:34,490 --> 01:01:32,339

who they were providing humans for

1513

01:01:36,890 --> 01:01:34,500

experimentation and the Antichrist was

1514

01:01:39,109 --> 01:01:36,900

coming to Earth Beeson also believed the

1515

01:01:41,089 --> 01:01:39,119

U.S established a joint moon base on The

1516

01:01:43,730 --> 01:01:41,099

Far Side of the Moon with good aliens

1517

01:01:45,589 --> 01:01:43,740

Beeson practice hypnotism but not the

1518

01:01:50,390 --> 01:01:45,599

use of a Ouija board or tarot cards

1519

01:01:54,289 --> 01:01:53,270

it certainly sounds like the person we

1520

01:01:55,970 --> 01:01:54,299

talked about

1521

01:01:57,950 --> 01:01:55,980

near the beginning of the program who

1522

01:01:59,569 --> 01:01:57,960

said that Beeson had a predilection to

1523

01:02:01,609 --> 01:01:59,579

believe anything anybody told him about

1524

01:02:04,010 --> 01:02:01,619

anything especially about aliens science

1525

01:02:07,670 --> 01:02:04,020

fiction things like that might have been

1526

01:02:12,470 --> 01:02:10,130

so where do we go from here well on our

1527

01:02:15,230 --> 01:02:12,480

next episode we continue the story of

1528

01:02:18,650 --> 01:02:15,240

the Gulf Breeze six with a closer focus

1529

01:02:21,349 --> 01:02:18,660

on Vance Davis who we heard from the

1530

01:02:24,530 --> 01:02:21,359

sightings TV show we're going to be

1531

01:02:27,589 --> 01:02:24,540

looking at Vance Davis's appearances on

1532

01:02:30,970 --> 01:02:27,599

Coast to Coast AM with Art Bell in 1994

1533

01:02:33,230 --> 01:02:30,980

and 1998 and

1534

01:02:36,589 --> 01:02:33,240

significantly we are going to be looking

1535

01:02:39,650 --> 01:02:36,599

at his book that I got

1536

01:02:41,390 --> 01:02:39,660

these things from because he provided an

1537

01:02:43,210 --> 01:02:41,400

appendix with all of the documentation

1538

01:02:46,849 --> 01:02:43,220

about this case the book is called

1539

01:02:48,650 --> 01:02:46,859

unbroken promises a true story of

1540

01:02:51,650 --> 01:02:48,660

courage and belief and it is Vance

1541

01:02:54,589 --> 01:02:51,660

Davis's story of his life and The Saga

1542

01:02:56,990 --> 01:02:54,599

of the Gulf Breeze six and that is what

1543

01:02:58,849 --> 01:02:57,000

we'll look at next time on the saucer

1544

01:03:03,049 --> 01:02:58,859

life

1545

01:03:06,829 --> 01:03:05,030

thanks for listening remember to send in

1546

01:03:08,630 --> 01:03:06,839

questions and comments via the usual

1547

01:03:10,370 --> 01:03:08,640

social media or email channels we'll

1548

01:03:12,710 --> 01:03:10,380

address those next time when we finish

1549

01:03:15,230 --> 01:03:12,720

up Vance Davis and the Gulf Breeze six
