

**FIRST PUBLIC APPEARANCE—EVER  
COME AND HEAR...**

# VANCE DAVIS

Keynote  
Address:  
Saturday  
7:00 PM  
Session

Formerly of Military Intelligence  
Leader of the  
**GULF BREEZE SIX**

Workshop  
Saturday 3:00 PM

• Hosted by Sean David Morton •

**D**isgruntled Army Intelligence Specialist Vance Davis went AWOL from his post in 1990 with five other high-level operatives, all with Top Secret Clearance 20 levels above the President of the United States.

According to his own account, it all started when Davis and the others began to receive psychic warnings about forthcoming Earth Changes, and an attempt by "covert elements" within the military to establish a "Multiple Jurisdictional Task Force," that would remove "law and order" by breaching the U.S. Constitution and replacing the FBI, the National Guard, FDA, DEA and IRS with a "National Police Force" known as the "Black Guard." As Davis later revealed, "We were told we needed to get out of the military because they said, 'It's not going to be good in there. We asked 'Why?' and the response was, 'Because they are going to start marking soldiers,' and they didn't want us to be marked!'"

Headline stories—beamed around the globe—alleged the AWOL intelligence operatives had left their post in Germany, sneaked back into the U.S., and had headed straight for Gulf Breeze, Florida, in an attempt to destroy the destroyer who it is revealed by them would answer on the world scene.

**HERE IS THE ORIGINAL PRESS RELEASE THAT STUNNED THE WORLD. FIND OUT WHAT IS TRUTH AND WHAT IS DISINFORMATION.**

**AUGSBURG, West Germany—Six military intelligence soldiers who deserted their unit in Augsburg to find and fight the Antichrist in Florida have been under investigation for their activities for at least six months, a source close to the investigation said.**

The source, who spoke on the condition of anonymity, said that the soldiers, who belong to a group called "The End of the World," also left letters in their barracks from begging their command for leaving Germany.

Performance and the soldiers' files were also found, he said. The soldiers were picked up by police in Frankfurt and arrested and are charged with desertion. A counterintelligence investigation is also underway because they are said to have accessed to classified information within the last 70 months, officials said.

Earlier this week, military officials in the Pentagon said they were looking for

# THE GULF BREEZE SIX PART TWO

1  
00:00:16,510 --> 00:00:14,180  
I never got any money from you

2  
00:00:18,830 --> 00:00:16,520  
[Music]

3  
00:00:21,360 --> 00:00:18,840  
UFO might just as well stand for

4  
00:00:24,009 --> 00:00:21,370  
unprecedented Financial opportunity

5  
00:00:27,410 --> 00:00:24,019  
[Applause]

6  
00:00:29,330 --> 00:00:27,420  
be normal this is the saucer life a

7  
00:00:30,950 --> 00:00:29,340  
podcast in which we examine Concepts

8  
00:00:32,870 --> 00:00:30,960  
events or people orbiting the world of

9  
00:00:35,150 --> 00:00:32,880  
flying saucers a few preconceptions

10  
00:00:37,370 --> 00:00:35,160  
snark when Justified no belief no

11  
00:00:39,410 --> 00:00:37,380  
debunking today we're finishing up the

12  
00:00:42,350 --> 00:00:39,420  
story of the Gulf Breeze 6 and the

13  
00:00:43,790 --> 00:00:42,360

subsequent work of Vance Davis now if

14

00:00:45,410 --> 00:00:43,800

you missed the first part of our look at

15

00:00:47,750 --> 00:00:45,420

the Gulf Breeze six story go back and

16

00:00:49,670 --> 00:00:47,760

check that out otherwise you might be a

17

00:00:52,490 --> 00:00:49,680

little bit lost but just as a brief

18

00:00:54,170 --> 00:00:52,500

recap in the summer of 1990 six soldiers

19

00:00:56,330 --> 00:00:54,180

who were stationed at an army base in

20

00:00:58,430 --> 00:00:56,340

Augsburg West Germany as it was at the

21

00:01:00,350 --> 00:00:58,440

time abandoned their posts and headed to

22

00:01:02,569 --> 00:01:00,360

the United States eventually winding up

23

00:01:04,910 --> 00:01:02,579

in Gulf Breeze Florida they were

24

00:01:06,710 --> 00:01:04,920

subsequently arrested they claimed that

25

00:01:08,810 --> 00:01:06,720

messages received through a Ouija board

26

00:01:10,429 --> 00:01:08,820

predicted massive disasters in the

27

00:01:12,050 --> 00:01:10,439

coming months and years and they wanted

28

00:01:14,030 --> 00:01:12,060

to get that message to people in

29

00:01:16,190 --> 00:01:14,040

Authority they were released from their

30

00:01:17,450 --> 00:01:16,200

obligations to the Army and which is a

31

00:01:19,789 --> 00:01:17,460

nice way of saying kicked out of the

32

00:01:22,490 --> 00:01:19,799

army and given General discharges

33

00:01:24,830 --> 00:01:22,500

although this would be misrepresented in

34

00:01:26,870 --> 00:01:24,840

the years to come by the people involved

35

00:01:28,609 --> 00:01:26,880

and by many who have written about the

36

00:01:30,410 --> 00:01:28,619

subject as them having received

37

00:01:32,450 --> 00:01:30,420

honorable discharges which if you listen

38

00:01:34,249 --> 00:01:32,460

to our first part you'll find out is a

39

00:01:36,350 --> 00:01:34,259

very different thing now for the most

40

00:01:38,510 --> 00:01:36,360

part the Gulf Breeze 6 tried to get back

41

00:01:40,249 --> 00:01:38,520

to some kind of normal after that but

42

00:01:42,530 --> 00:01:40,259

Vance Davis kept running with the ball

43

00:01:45,469 --> 00:01:42,540

and seemed to have attempted to build

44

00:01:47,569 --> 00:01:45,479

some kind of post-army career out of the

45

00:01:49,429 --> 00:01:47,579

experiences that he had and that's what

46

00:01:53,650 --> 00:01:49,439

we're going to look at today

47

00:01:57,469 --> 00:01:55,069

[Music]

48

00:01:58,850 --> 00:01:57,479

not long after all of this occurred with

49

00:02:01,249 --> 00:01:58,860

the Gulf Breeze six we see some

50

00:02:04,609 --> 00:02:01,259

discussion of them in Jacques valet's

51  
00:02:06,289 --> 00:02:04,619  
book Revelations alien contact and human

52  
00:02:09,169 --> 00:02:06,299  
deception and he points out some things

53  
00:02:11,990 --> 00:02:09,179  
that are pretty interesting he does say

54  
00:02:15,050 --> 00:02:12,000  
that they got General discharges so good

55  
00:02:17,570 --> 00:02:15,060  
uh good for you Jacques proud of you for

56  
00:02:19,490 --> 00:02:17,580  
getting that detail right but he he

57  
00:02:21,229 --> 00:02:19,500  
asked some questions like

58  
00:02:23,809 --> 00:02:21,239  
um how did they know

59  
00:02:26,449 --> 00:02:23,819  
nearly one month in advance that war was

60  
00:02:28,910 --> 00:02:26,459  
about to erupt in the Middle East and

61  
00:02:31,430 --> 00:02:28,920  
this is something that comes up a lot

62  
00:02:35,390 --> 00:02:31,440  
that they predicted the Gulf War which

63  
00:02:39,170 --> 00:02:35,400

began just a month after this whole Gulf

64

00:02:42,229 --> 00:02:39,180

Breeze sixth thing happened but looking

65

00:02:44,210 --> 00:02:42,239

in the actual documents from the Army

66

00:02:45,890 --> 00:02:44,220

which are reproduced in the back of

67

00:02:48,170 --> 00:02:45,900

Vance Davis's book which we'll get to in

68

00:02:49,910 --> 00:02:48,180

a little bit they don't actually in

69

00:02:52,130 --> 00:02:49,920

those documents or in news stories and

70

00:02:55,009 --> 00:02:52,140

things talk about a war in the Middle

71

00:02:56,930 --> 00:02:55,019

East in specific enough terms to really

72

00:03:00,589 --> 00:02:56,940

make me think that that's what they were

73

00:03:03,110 --> 00:03:00,599

predicting so here's the thing

74

00:03:05,150 --> 00:03:03,120

those documents Vance Davis's affidavit

75

00:03:07,670 --> 00:03:05,160

in particular talk about terrorism

76  
00:03:10,550 --> 00:03:07,680  
against the United States from a Middle

77  
00:03:12,350 --> 00:03:10,560  
Eastern nation in the in the early 1990s

78  
00:03:15,290 --> 00:03:12,360  
bombings and things like that he said he

79  
00:03:19,250 --> 00:03:15,300  
could not predict a precise location

80  
00:03:21,770 --> 00:03:19,260  
now even if the prediction about the

81  
00:03:24,290 --> 00:03:21,780  
Gulf War in particular that he would

82  
00:03:25,670 --> 00:03:24,300  
talk about later that they did get this

83  
00:03:27,410 --> 00:03:25,680  
prediction right even if they had made

84  
00:03:31,250 --> 00:03:27,420  
that prediction at the time even if that

85  
00:03:33,949 --> 00:03:31,260  
was a prediction that came about in May

86  
00:03:36,770 --> 00:03:33,959  
or June of 1990.

87  
00:03:39,649 --> 00:03:36,780  
here's the thing valet asks how could

88  
00:03:42,530 --> 00:03:39,659

they have predicted the Gulf War well

89

00:03:46,430 --> 00:03:42,540

let's just look at some headlines around

90

00:03:48,949 --> 00:03:46,440

the world for May and June of 1990. June

91

00:03:50,509 --> 00:03:48,959

18th Midway mid East cauldron heats up

92

00:03:53,630 --> 00:03:50,519

again

93

00:03:56,449 --> 00:03:53,640

Iraqi uh June 1st Iraqi Summit offers

94

00:03:58,729 --> 00:03:56,459

old hostility May 27th Iraq's weapons

95

00:04:02,089 --> 00:03:58,739

craze threatens Middle East peace June

96

00:04:04,070 --> 00:04:02,099

2nd Iraq's nuclear clock keeps ticking

97

00:04:06,170 --> 00:04:04,080

May 1st

98

00:04:10,550 --> 00:04:06,180

um arms for the Middle East the foreign

99

00:04:12,530 --> 00:04:10,560

pipeline May 9 1990. Iraq says it can

100

00:04:13,910 --> 00:04:12,540

make nuclear triggers

101  
00:04:16,430 --> 00:04:13,920  
now

102  
00:04:19,310 --> 00:04:16,440  
and Israel takes Iraqi claim at face

103  
00:04:21,530 --> 00:04:19,320  
value now it may seem kind of cliché to

104  
00:04:24,230 --> 00:04:21,540  
say so but even if there were a very

105  
00:04:26,030 --> 00:04:24,240  
specific prediction about a war in the

106  
00:04:28,370 --> 00:04:26,040  
Middle East involving Iraq that was

107  
00:04:29,930 --> 00:04:28,380  
published before published so people

108  
00:04:32,450 --> 00:04:29,940  
could see it and we would have evidence

109  
00:04:34,610 --> 00:04:32,460  
of people seeing it before the actual

110  
00:04:36,550 --> 00:04:34,620  
Iraqi invasion of Kuwait in the late

111  
00:04:39,050 --> 00:04:36,560  
summer of 1990

112  
00:04:40,730 --> 00:04:39,060  
you know I'm not going to say it's an

113  
00:04:42,950 --> 00:04:40,740

even money bet that just paying

114

00:04:45,530 --> 00:04:42,960

attention to the news especially foreign

115

00:04:47,090 --> 00:04:45,540

policy uh press and what foreign policy

116

00:04:49,129 --> 00:04:47,100

analysts were saying I'm not saying it

117

00:04:53,270 --> 00:04:49,139

would be an even money bet or anything

118

00:04:58,249 --> 00:04:53,280

like that but it's a pretty

119

00:05:00,710 --> 00:04:58,259

safe prediction to make and as with all

120

00:05:02,870 --> 00:05:00,720

predictions and or prophecies you can

121

00:05:05,270 --> 00:05:02,880

always say that well something changed

122

00:05:09,290 --> 00:05:05,280

valet also questioned in Revelations

123

00:05:11,330 --> 00:05:09,300

about why the government was so lenient

124

00:05:13,129 --> 00:05:11,340

on them when they had when they had gone

125

00:05:15,290 --> 00:05:13,139

AWOL we talked about that in the last

126

00:05:16,909 --> 00:05:15,300

episode but he does he does raise some

127

00:05:19,310 --> 00:05:16,919

good points that there might be some

128

00:05:22,129 --> 00:05:19,320

collusion some manipulation going on

129

00:05:26,749 --> 00:05:22,139

with the whole situation which I I think

130

00:05:29,689 --> 00:05:26,759

is a a reasonable thing to think so

131

00:05:30,950 --> 00:05:29,699

what does Vance Davis do next well he uh

132

00:05:34,310 --> 00:05:30,960

he gets married they move out to

133

00:05:35,689 --> 00:05:34,320

Albuquerque and he starts lecturing and

134

00:05:37,790 --> 00:05:35,699

teaching and talking about his

135

00:05:41,749 --> 00:05:37,800

experiences on the on the local scene

136

00:05:44,629 --> 00:05:41,759

and then in 1994 he does a conference

137

00:05:46,550 --> 00:05:44,639

presentation at the let me make sure I

138

00:05:50,090 --> 00:05:46,560

get the name of this conference right

139

00:05:53,450 --> 00:05:50,100

the national New Age Cosmic conspiracies

140

00:05:56,570 --> 00:05:53,460

and UFO conference uh put on by Timothy

141

00:05:59,210 --> 00:05:56,580

Green Beckley at May 20th through the

142

00:06:01,610 --> 00:05:59,220

23rd at the Travel Lodge at the zoo San

143

00:06:03,950 --> 00:06:01,620

Diego California subjects include

144

00:06:06,170 --> 00:06:03,960

according to the official program alien

145

00:06:08,510 --> 00:06:06,180

implants UFO secrets of the Third Reich

146

00:06:10,870 --> 00:06:08,520

underground bases time travel Earth

147

00:06:14,629 --> 00:06:10,880

changes crop circles aromather

148

00:06:16,070 --> 00:06:14,639

aromatherapy channelers Area 51 and

149

00:06:18,650 --> 00:06:16,080

angels

150

00:06:21,490 --> 00:06:18,660

let's see if you can spot the thing that

151

00:06:24,529 --> 00:06:21,500

doesn't seem like it belongs like

152

00:06:26,450 --> 00:06:24,539

aromatherapy in any case Davis will be

153

00:06:29,210 --> 00:06:26,460

presenting the Saturday evening keynote

154

00:06:31,070 --> 00:06:29,220

in his first public appearance ever it

155

00:06:33,770 --> 00:06:31,080

is it is said here and he'll be doing a

156

00:06:35,210 --> 00:06:33,780

workshop on Saturday at 3 P.M

157

00:06:37,610 --> 00:06:35,220

guess who's helping him with the

158

00:06:39,950 --> 00:06:37,620

workshop it's a guy named Sean David

159

00:06:42,469 --> 00:06:39,960

Morton who had had some predictions of

160

00:06:44,990 --> 00:06:42,479

his own over the years we've got to do a

161

00:06:47,090 --> 00:06:45,000

Sean David Morton episode at some point

162

00:06:49,610 --> 00:06:47,100

I'm not sure I'm not sure my stomach's

163

00:06:51,170 --> 00:06:49,620

up to that but we should probably do

164

00:06:53,390 --> 00:06:51,180

that at some point according to the

165

00:06:54,350 --> 00:06:53,400

two-page spread in the official uh the

166

00:06:56,330 --> 00:06:54,360

official

167

00:06:58,670 --> 00:06:56,340

um program for the conference

168

00:07:00,830 --> 00:06:58,680

Vance Davis was the former formerly of

169

00:07:02,510 --> 00:07:00,840

military intelligence and leader of the

170

00:07:04,309 --> 00:07:02,520

Gulf Breeze six so what does the

171

00:07:06,710 --> 00:07:04,319

official program have to say about all

172

00:07:09,590 --> 00:07:06,720

this how does it describe what the Gulf

173

00:07:11,330 --> 00:07:09,600

Breeze six were up to

174

00:07:12,890 --> 00:07:11,340

according to his own account it all

175

00:07:14,390 --> 00:07:12,900

started when Davis and the others began

176

00:07:16,430 --> 00:07:14,400

to receive psychic warnings about

177

00:07:18,110 --> 00:07:16,440

forthcoming Earth changes and an attempt

178

00:07:20,510 --> 00:07:18,120

by covert elements within the military

179

00:07:22,550 --> 00:07:20,520

to establish a multiple jurisdictional

180

00:07:24,350 --> 00:07:22,560

task force that would restore Law and

181

00:07:26,749 --> 00:07:24,360

Order by breaching the U.S Constitution

182

00:07:30,350 --> 00:07:26,759

and replacing the FBI the National Guard

183

00:07:33,230 --> 00:07:30,360

FDA DEA and IRS with a national police

184

00:07:35,390 --> 00:07:33,240

force known as The Black Guard as Davis

185

00:07:36,830 --> 00:07:35,400

later revealed we were told we needed to

186

00:07:38,689 --> 00:07:36,840

get out of the military because they

187

00:07:40,790 --> 00:07:38,699

said it is not going to be good in there

188

00:07:42,830 --> 00:07:40,800

we asked why and the response was

189

00:07:44,870 --> 00:07:42,840

because they are going to start marking

190

00:07:47,390 --> 00:07:44,880

soldiers and they didn't want us to get

191

00:07:50,809 --> 00:07:49,010

the program goes on to explain that

192

00:07:52,969 --> 00:07:50,819

Davis still doesn't understand how the

193

00:07:55,490 --> 00:07:52,979

entire Affair got quote so far out of

194

00:07:57,230 --> 00:07:55,500

hand and he says that quote there's a

195

00:07:58,670 --> 00:07:57,240

possibility that force is loyal to the

196

00:08:00,230 --> 00:07:58,680

New World Order we're working hard

197

00:08:02,390 --> 00:08:00,240

behind the scenes to foster a

198

00:08:04,790 --> 00:08:02,400

disinformation campaign against the

199

00:08:06,890 --> 00:08:04,800

soldiers that went Way Beyond the norm

200

00:08:08,330 --> 00:08:06,900

clearly showing the near Mass hysteria

201  
00:08:10,909 --> 00:08:08,340  
that was being conveyed by the military

202  
00:08:14,150 --> 00:08:10,919  
in what was seen by them as a clearer

203  
00:08:16,129 --> 00:08:14,160  
breach of security end quote now

204  
00:08:18,650 --> 00:08:16,139  
I don't know it didn't seem like there

205  
00:08:20,930 --> 00:08:18,660  
was that much hysteria in the Press

206  
00:08:23,990 --> 00:08:20,940  
about it there were a few wire service

207  
00:08:27,050 --> 00:08:24,000  
reports some local news newspapers and

208  
00:08:29,330 --> 00:08:27,060  
Gulf Breeze talked about it but you know

209  
00:08:32,930 --> 00:08:29,340  
it was a weird little thing you got some

210  
00:08:36,490 --> 00:08:32,940  
Army folks who are kind of culty and

211  
00:08:39,589 --> 00:08:36,500  
they went AWOL and then they were caught

212  
00:08:42,469 --> 00:08:39,599  
that's about the whole story as far as

213  
00:08:44,449 --> 00:08:42,479

the Press was concerned but now four

214

00:08:46,970 --> 00:08:44,459

years later and without those newspaper

215

00:08:48,530 --> 00:08:46,980

reports to hand most people would just

216

00:08:49,610 --> 00:08:48,540

read that and think oh wow yeah it must

217

00:08:51,650 --> 00:08:49,620

have gotten really blown out of

218

00:08:53,990 --> 00:08:51,660

proportion if they say so like that the

219

00:08:57,470 --> 00:08:54,000

article in the official program Recaps

220

00:09:01,550 --> 00:08:57,480

Recaps Jacques valet's concerns from

221

00:09:04,370 --> 00:09:01,560

from the revelations book and then it it

222

00:09:05,930 --> 00:09:04,380

does quote this from valet that one of

223

00:09:08,870 --> 00:09:05,940

the things that happened that was very

224

00:09:10,790 --> 00:09:08,880

interesting was a local media outlets in

225

00:09:12,530 --> 00:09:10,800

Florida and I think uh Jim Mosley

226

00:09:14,930 --> 00:09:12,540

originally reported this local media

227

00:09:17,389 --> 00:09:14,940

outlets in Florida received a teletype

228

00:09:19,670 --> 00:09:17,399

that read U.S army free of the Gulf

229

00:09:22,130 --> 00:09:19,680

Breeze six we have the missing files the

230

00:09:24,650 --> 00:09:22,140

box of 500 Plus photos and plans you

231

00:09:27,290 --> 00:09:24,660

want back so there's some there's some

232

00:09:28,850 --> 00:09:27,300

indication or some suspicion that the

233

00:09:31,250 --> 00:09:28,860

Army released them because they didn't

234

00:09:34,430 --> 00:09:31,260

want this information whatever this box

235

00:09:38,090 --> 00:09:34,440

of 500 photos and plans was out in the

236

00:09:40,790 --> 00:09:38,100

public so Vance Davis also talks a

237

00:09:45,590 --> 00:09:40,800

little bit about what he sees as the

238

00:09:49,730 --> 00:09:47,870

all of us are very patriotic fans have

239

00:09:52,009 --> 00:09:49,740

stated I personally believe in the

240

00:09:53,449 --> 00:09:52,019

Constitution I believe in this country I

241

00:09:55,070 --> 00:09:53,459

will die for this country even to this

242

00:09:57,350 --> 00:09:55,080

day the true meaning of this country

243

00:09:59,870 --> 00:09:57,360

what the founding fathers did not what

244

00:10:01,550 --> 00:09:59,880

is now I believe in Freedom of thought I

245

00:10:03,410 --> 00:10:01,560

believe in freedom of choice and when

246

00:10:07,790 --> 00:10:03,420

that choice is taken away I will die for

247

00:10:11,990 --> 00:10:09,650

so it's not just about earthquakes and

248

00:10:15,290 --> 00:10:12,000

natural disasters and War in the Middle

249

00:10:20,410 --> 00:10:15,300

East or or anything like that it's also

250

00:10:24,290 --> 00:10:20,420

about this Vision or this idea that is

251  
00:10:25,910 --> 00:10:24,300  
circulating that maybe the country isn't

252  
00:10:27,829 --> 00:10:25,920  
going in the direction that the founding

253  
00:10:30,050 --> 00:10:27,839  
fathers wanted it to there's a political

254  
00:10:33,170 --> 00:10:30,060  
angle here that will will come out a

255  
00:10:34,850 --> 00:10:33,180  
little bit a little bit later as well

256  
00:10:36,889 --> 00:10:34,860  
um and then the the program explains

257  
00:10:39,470 --> 00:10:36,899  
that he will talk about how the Gulf

258  
00:10:41,449 --> 00:10:39,480  
Breeze six came to be involved he will

259  
00:10:43,070 --> 00:10:41,459  
reveal the possible identity of the

260  
00:10:44,930 --> 00:10:43,080  
Antichrist the existence of various

261  
00:10:46,730 --> 00:10:44,940  
races of alien beings who continue to

262  
00:10:49,250 --> 00:10:46,740  
arrive on Earth our economic future

263  
00:10:51,949 --> 00:10:49,260

collapse of society and much much more

264

00:10:53,569 --> 00:10:51,959

well after the collapse of society I I

265

00:10:55,490 --> 00:10:53,579

don't know

266

00:10:58,430 --> 00:10:55,500

what else much much more there might be

267

00:11:00,110 --> 00:10:58,440

and during the workshop that will be

268

00:11:02,569 --> 00:11:00,120

co-hosted by Sean David Morton Davis

269

00:11:04,790 --> 00:11:02,579

will quote try to draw upon the same

270

00:11:06,650 --> 00:11:04,800

energies that provided so much accurate

271

00:11:08,389 --> 00:11:06,660

information to the Gulf Breeze six in

272

00:11:10,009 --> 00:11:08,399

order to enable those intending to

273

00:11:12,650 --> 00:11:10,019

receive first-hand information about the

274

00:11:14,509 --> 00:11:12,660

times just ahead which will include many

275

00:11:16,550 --> 00:11:14,519

dramatic shifts in Awareness for each

276

00:11:19,069 --> 00:11:16,560

and every one of us this promise is to

277

00:11:21,710 --> 00:11:19,079

be an incredible experience no one

278

00:11:25,370 --> 00:11:21,720

should Miss end quote

279

00:11:27,889 --> 00:11:25,380

so he's going to bring a Ouija board I

280

00:11:30,410 --> 00:11:27,899

think is what they're saying so we also

281

00:11:35,569 --> 00:11:30,420

get a little a little biographical blurb

282

00:11:40,550 --> 00:11:38,449

I was born in Wichita Kansas I'm now 29

283

00:11:42,230 --> 00:11:40,560

years of age I'm a graduate of Silva

284

00:11:44,329 --> 00:11:42,240

mind control that is how Military

285

00:11:45,769 --> 00:11:44,339

Intelligence in the NSA knew about my

286

00:11:48,290 --> 00:11:45,779

abilities when I went into the military

287

00:11:50,210 --> 00:11:48,300

at age 18. I was in for around seven

288

00:11:51,829 --> 00:11:50,220

years until I went AWOL to bring events

289

00:11:53,090 --> 00:11:51,839

and happenings that are to occur in the

290

00:11:55,069 --> 00:11:53,100

next 20 years

291

00:11:57,230 --> 00:11:55,079

our true goal which is to start at this

292

00:11:58,730 --> 00:11:57,240

time is to share the new thought and

293

00:12:00,889 --> 00:11:58,740

prepare those in the world who are not

294

00:12:02,449 --> 00:12:00,899

in these groups in July of this year I

295

00:12:04,970 --> 00:12:02,459

am publishing a new magazine called the

296

00:12:07,310 --> 00:12:04,980

Keepsake Forum I'm also working on a 300

297

00:12:09,769 --> 00:12:07,320

page book about my wife and I and the

298

00:12:11,870 --> 00:12:09,779

events of 1990 and Beyond I hope to have

299

00:12:13,509 --> 00:12:11,880

it completed in May of this year I can

300

00:12:18,230 --> 00:12:13,519

be contacted at box

301  
00:12:22,910 --> 00:12:18,240  
13406 Albuquerque New Mexico 87692

302  
00:12:27,410 --> 00:12:25,490  
I have not been able to find any any

303  
00:12:29,329 --> 00:12:27,420  
issues of the Keepsake Journal when I

304  
00:12:30,889 --> 00:12:29,339  
search for it all I get are online

305  
00:12:33,889 --> 00:12:30,899  
discussion boards about Hallmark

306  
00:12:38,210 --> 00:12:33,899  
Christmas tree ornaments also something

307  
00:12:40,730 --> 00:12:38,220  
I can't find is the actual speech that

308  
00:12:42,769 --> 00:12:40,740  
um that Davis gave at the national New

309  
00:12:46,129 --> 00:12:42,779  
Age Cosmic conspiracies and UFO

310  
00:12:48,230 --> 00:12:46,139  
conference in 1994. if anybody has that

311  
00:12:50,329 --> 00:12:48,240  
somewhere I don't know why you would but

312  
00:12:52,129 --> 00:12:50,339  
if anybody has that please let me know I

313  
00:12:55,009 --> 00:12:52,139

would love to I would love to take a

314

00:12:59,150 --> 00:12:55,019

look at that a couple months after this

315

00:13:00,829 --> 00:12:59,160

Conference in June of nine actually a

316

00:13:03,710 --> 00:13:00,839

month after the conference rather in

317

00:13:05,629 --> 00:13:03,720

June of 1994. Vance Davis had the first

318

00:13:08,389 --> 00:13:05,639

of his what I believe are two

319

00:13:10,129 --> 00:13:08,399

appearances on Coast to Coast AM with

320

00:13:13,190 --> 00:13:10,139

Art Bell and this is this is early Coast

321

00:13:15,949 --> 00:13:13,200

to Coast back in 1994 so it's kind of

322

00:13:17,750 --> 00:13:15,959

interesting to um to see that and at the

323

00:13:20,150 --> 00:13:17,760

beginning of the episode art is you know

324

00:13:23,269 --> 00:13:20,160

talking about how he remembers all of

325

00:13:26,990 --> 00:13:23,279

this happening at the time in 1990.

326

00:13:29,509 --> 00:13:27,000

I wonder how many of you remember a

327

00:13:34,269 --> 00:13:29,519

story that was circulating a strange

328

00:13:38,509 --> 00:13:34,279

story that was circulating about six GIS

329

00:13:40,370 --> 00:13:38,519

six military folk who somehow and were

330

00:13:43,910 --> 00:13:40,380

about to get the story by the way got

331

00:13:45,889 --> 00:13:43,920

together used a Ouija board went off on

332

00:13:50,889 --> 00:13:45,899

some sort of Odyssey

333

00:13:53,329 --> 00:13:50,899

um AWOL and uh then were strangely

334

00:13:55,970 --> 00:13:53,339

inexplicably given an honorable

335

00:13:57,650 --> 00:13:55,980

discharge none of the story made any

336

00:13:59,810 --> 00:13:57,660

sense to me I was always trying to reach

337

00:14:01,129 --> 00:13:59,820

out and find out more this morning this

338

00:14:02,569 --> 00:14:01,139

evening this morning whatever we're

339

00:14:05,629 --> 00:14:02,579

going to do that we're going to find out

340

00:14:09,350 --> 00:14:05,639

more because I have a guest who was one

341

00:14:11,810 --> 00:14:09,360

of the six his name is Vance Davis oh

342

00:14:14,509 --> 00:14:11,820

again with the honorable discharge

343

00:14:17,329 --> 00:14:14,519

nonsense art I expect a higher standard

344

00:14:18,470 --> 00:14:17,339

of broadcast journalism from the man who

345

00:14:22,690 --> 00:14:18,480

brought us

346

00:14:25,550 --> 00:14:22,700

I don't know Mel's hole and too much AI

347

00:14:28,009 --> 00:14:25,560

bilik and John Lear

348

00:14:30,590 --> 00:14:28,019

in any case once Davis is on the show

349

00:14:32,210 --> 00:14:30,600

they they run down the uh that the basic

350

00:14:34,190 --> 00:14:32,220

story and they get to the Ouija board

351

00:14:37,670 --> 00:14:34,200

stuff and and art asks some questions

352

00:14:39,650 --> 00:14:37,680

about how these communications went and

353

00:14:40,790 --> 00:14:39,660

it's it's interesting because

354

00:14:42,590 --> 00:14:40,800

um it's nice to get this this sort of

355

00:14:45,769 --> 00:14:42,600

insight into the entire process because

356

00:14:48,650 --> 00:14:45,779

we didn't get that with the uh with the

357

00:14:51,230 --> 00:14:48,660

the government documents and the

358

00:14:53,810 --> 00:14:51,240

um the newspaper articles all right so

359

00:14:56,930 --> 00:14:53,820

tell me uh how did it go exactly I mean

360

00:15:00,170 --> 00:14:56,940

here it is moving around uh you ask no

361

00:15:02,509 --> 00:15:00,180

doubt who it is or what it is and what

362

00:15:04,970 --> 00:15:02,519

answer did you get well we got

363

00:15:07,490 --> 00:15:04,980

introduced uh basically she said and it

364

00:15:10,610 --> 00:15:07,500

was a woman that felt very womanly I

365

00:15:12,470 --> 00:15:10,620

guess the way it was moving uh a person

366

00:15:15,350 --> 00:15:12,480

named Sapphire

367

00:15:17,449 --> 00:15:15,360

and we asked who it was and and uh she

368

00:15:18,949 --> 00:15:17,459

you know where she was from and she

369

00:15:22,090 --> 00:15:18,959

basically said she used to be a woman

370

00:15:25,550 --> 00:15:22,100

from uh Georgia Believe It or Not

371

00:15:29,689 --> 00:15:25,560

Georgia yeah so someone in the other

372

00:15:31,670 --> 00:15:29,699

realm uh which had me and both Ken and

373

00:15:33,829 --> 00:15:31,680

most of us uh really spooked because we

374

00:15:36,230 --> 00:15:33,839

were talking so-called to a dead person

375

00:15:39,410 --> 00:15:36,240

stand your hair straight on end I'm sure

376

00:15:41,030 --> 00:15:39,420

uh yeah I think uh we we ended up

377

00:15:42,710 --> 00:15:41,040

getting a few more questions we quit for

378

00:15:45,650 --> 00:15:42,720

the rest of the night the name Sapphire

379

00:15:48,110 --> 00:15:45,660

did turn up in Ken beeson's affidavit as

380

00:15:50,210 --> 00:15:48,120

the name of the being that uh that the

381

00:15:52,250 --> 00:15:50,220

the six talked to through the Ouija

382

00:15:53,870 --> 00:15:52,260

board and here's another question we've

383

00:15:56,090 --> 00:15:53,880

got the spirit of this dead woman and

384

00:15:58,009 --> 00:15:56,100

this would change over time exactly who

385

00:16:00,889 --> 00:15:58,019

all they were talking to not just change

386

00:16:02,930 --> 00:16:00,899

but expand and get and get more complex

387

00:16:04,370 --> 00:16:02,940

at this point in the Art Bell interview

388

00:16:06,110 --> 00:16:04,380

they're not talking about talking to the

389

00:16:07,790 --> 00:16:06,120

Virgin Mary which was talked about in

390

00:16:09,470 --> 00:16:07,800

the original affidavits and reports and

391

00:16:12,350 --> 00:16:09,480

things like that but there's one really

392

00:16:15,370 --> 00:16:12,360

good question that art asks that

393

00:16:18,350 --> 00:16:15,380

advances answer for isn't terribly

394

00:16:21,290 --> 00:16:18,360

satisfying what did you ask by the way

395

00:16:24,350 --> 00:16:21,300

oh we basically and who she was where

396

00:16:26,870 --> 00:16:24,360

she was and what else and why why are

397

00:16:29,150 --> 00:16:26,880

they contacting us

398

00:16:31,310 --> 00:16:29,160

why were they talking to and we were

399

00:16:33,530 --> 00:16:31,320

basically given the answer because we

400

00:16:35,449 --> 00:16:33,540

wouldn't listen any other way the we

401  
00:16:37,069 --> 00:16:35,459  
there that he's referring to is Humanity

402  
00:16:39,110 --> 00:16:37,079  
wouldn't listen to the messages any

403  
00:16:41,990 --> 00:16:39,120  
other way without this means of

404  
00:16:44,030 --> 00:16:42,000  
communication which I I always think is

405  
00:16:46,069 --> 00:16:44,040  
such a strange thing well why why are

406  
00:16:47,870 --> 00:16:46,079  
you communicating with me

407  
00:16:52,310 --> 00:16:47,880  
um Sapphire from the Ouija board who

408  
00:16:56,030 --> 00:16:52,320  
used to to live in Georgia or orthon of

409  
00:16:57,590 --> 00:16:56,040  
Venus or whoever well you know you are

410  
00:17:00,050 --> 00:16:57,600  
somebody everybody will listen to We

411  
00:17:01,610 --> 00:17:00,060  
cannot go to the leaders we cannot go to

412  
00:17:04,370 --> 00:17:01,620  
the masses we need to speak through

413  
00:17:06,470 --> 00:17:04,380

people like you why why do you need to

414

00:17:09,110 --> 00:17:06,480

speak through people like whoever why

415

00:17:10,970 --> 00:17:09,120

not it's a cliché why not land on the

416

00:17:13,010 --> 00:17:10,980

White House lawn why not land in Times

417

00:17:14,809 --> 00:17:13,020

Square why not just sort of make

418

00:17:16,610 --> 00:17:14,819

yourself known to all of humanity at

419

00:17:18,970 --> 00:17:16,620

once and speak

420

00:17:22,490 --> 00:17:18,980

a message that everybody needs to hear

421

00:17:24,350 --> 00:17:22,500

why go through these various conduits

422

00:17:26,870 --> 00:17:24,360

after talking a little bit about the

423

00:17:30,470 --> 00:17:26,880

predictions that uh that that the six

424

00:17:32,990 --> 00:17:30,480

made including earthquakes in Iran and

425

00:17:34,730 --> 00:17:33,000

um war in the Middle East and terrorist

426

00:17:36,890 --> 00:17:34,740

attacks and and things like that we'll

427

00:17:39,770 --> 00:17:36,900

get to those descriptions or those

428

00:17:41,570 --> 00:17:39,780

predictions in uh in detail once we get

429

00:17:43,370 --> 00:17:41,580

to Vance Davis's book here in a little

430

00:17:45,529 --> 00:17:43,380

bit but

431

00:17:48,470 --> 00:17:45,539

um Davis does offer a distinction

432

00:17:50,390 --> 00:17:48,480

between a prophecy and a prediction uh

433

00:17:52,730 --> 00:17:50,400

as most people just to educate a little

434

00:17:53,870 --> 00:17:52,740

bit predictions are way different from

435

00:17:55,789 --> 00:17:53,880

prophecies

436

00:17:57,049 --> 00:17:55,799

uh there's rumors going around these are

437

00:17:59,750 --> 00:17:57,059

prophecies no they're predictions

438

00:18:01,909 --> 00:17:59,760

predictions are put out so that changes

439

00:18:03,950 --> 00:18:01,919

can be made so they won't happen he's

440

00:18:06,169 --> 00:18:03,960

going to educate all of us who don't

441

00:18:08,390 --> 00:18:06,179

know any better even though I think he

442

00:18:09,409 --> 00:18:08,400

actually has it backwards if you look at

443

00:18:13,190 --> 00:18:09,419

the

444

00:18:15,890 --> 00:18:13,200

and and things like that prophets are

445

00:18:18,590 --> 00:18:15,900

sent not just to to tell

446

00:18:21,169 --> 00:18:18,600

what might happen but to deliver

447

00:18:22,850 --> 00:18:21,179

warnings if you look at prophecies in

448

00:18:26,810 --> 00:18:22,860

the Hebrew Bible that's very much turn

449

00:18:29,270 --> 00:18:26,820

from your ways or else and and that's

450

00:18:31,970 --> 00:18:29,280

sort of what he's saying a prediction is

451

00:18:35,090 --> 00:18:31,980

um so he's he's a little he's a little

452

00:18:37,490 --> 00:18:35,100

backwards on that part art also asks

453

00:18:39,770 --> 00:18:37,500

some questions about why they decided to

454

00:18:42,830 --> 00:18:39,780

leave Germany and come to the United

455

00:18:44,330 --> 00:18:42,840

States if they had a message that had to

456

00:18:47,690 --> 00:18:44,340

get out why could they not broadcast

457

00:18:49,850 --> 00:18:47,700

that message from Augsburg I thought we

458

00:18:51,950 --> 00:18:49,860

we had a domestic enemy working within

459

00:18:54,350 --> 00:18:51,960

the government

460

00:18:56,630 --> 00:18:54,360

and I wanted to be I want we wanted to

461

00:18:59,029 --> 00:18:56,640

make an impact to let people know that

462

00:19:02,570 --> 00:18:59,039

things were going on or things could go

463

00:19:04,970 --> 00:19:02,580

on that weren't right all right why

464

00:19:06,710 --> 00:19:04,980

couldn't you do that from Germany well

465

00:19:08,270 --> 00:19:06,720

if you go to your chain of command and

466

00:19:09,890 --> 00:19:08,280

tell them you've been talking with the

467

00:19:12,770 --> 00:19:09,900

Ouija board yeah and you've done

468

00:19:15,289 --> 00:19:12,780

research I'm with you still

469

00:19:16,789 --> 00:19:15,299

are it's real funny in my view and my

470

00:19:18,950 --> 00:19:16,799

knowledge eight almost eight years in

471

00:19:20,810 --> 00:19:18,960

the military you make an example of

472

00:19:22,549 --> 00:19:20,820

soldiers that go AWOL you don't give

473

00:19:24,110 --> 00:19:22,559

them honorable discharges certainly true

474

00:19:26,630 --> 00:19:24,120

well hey you're right on fans because

475

00:19:29,150 --> 00:19:26,640

nobody gave you an honorable discharge

476

00:19:33,289 --> 00:19:29,160

you liar so that's not snark that's just

477

00:19:35,690 --> 00:19:33,299

me saying the truth so in addition to

478

00:19:38,390 --> 00:19:35,700

the usual Art Bell back and forth with

479

00:19:40,370 --> 00:19:38,400

the interviewee we also have some

480

00:19:43,850 --> 00:19:40,380

callers there are some callers who call

481

00:19:45,289 --> 00:19:43,860

in as is coast to coast am's basically

482

00:19:47,049 --> 00:19:45,299

that that's that's one of their best

483

00:19:50,570 --> 00:19:47,059

gimmicks right there's a reason Art Bell

484

00:19:52,730 --> 00:19:50,580

survived when other talk shows

485

00:19:54,770 --> 00:19:52,740

from the same era about the same topics

486

00:19:57,110 --> 00:19:54,780

didn't Thrive and survive as well as

487

00:19:59,210 --> 00:19:57,120

Coast to Coast AM and uh here's an

488

00:20:01,490 --> 00:19:59,220

example of a call who wanted to talk to

489

00:20:03,169 --> 00:20:01,500

Davis all right uh on the Wild Card line

490

00:20:07,549 --> 00:20:03,179

you're on the air with Vance Davis hello

491

00:20:11,930 --> 00:20:09,830

you sure shook everybody up in the UFO

492

00:20:13,909 --> 00:20:11,940

Community because you guys ended up in

493

00:20:16,370 --> 00:20:13,919

golf please of course as you know golf

494

00:20:18,890 --> 00:20:16,380

place is the number one hot spot in UFO

495

00:20:21,169 --> 00:20:18,900

sightings in North America yeah it is

496

00:20:23,630 --> 00:20:21,179

yeah and uh wait a minute was there any

497

00:20:25,789 --> 00:20:23,640

connection at all Vance we knew about it

498

00:20:27,470 --> 00:20:25,799

uh but it wasn't the purpose we just

499

00:20:29,270 --> 00:20:27,480

went there to visit a couple women that

500

00:20:31,450 --> 00:20:29,280

we wanted to come with us all right well

501  
00:20:35,029 --> 00:20:31,460  
there you are uh for it's

502  
00:20:36,650 --> 00:20:35,039  
any one of you had any UFO sightings uh

503  
00:20:38,029 --> 00:20:36,660  
I had one believe it or not in art

504  
00:20:41,270 --> 00:20:38,039  
Bell's hometown

505  
00:20:43,370 --> 00:20:41,280  
I was there about uh two weeks ago you

506  
00:20:45,770 --> 00:20:43,380  
were you were in Pahrump I was in I was

507  
00:20:48,830 --> 00:20:45,780  
in Las Vegas Las Vegas Las Vegas uh I

508  
00:20:51,710 --> 00:20:48,840  
saw an interesting I don't know UFO is a

509  
00:20:53,750 --> 00:20:51,720  
very catchy word I saw and I wasn't a

510  
00:20:55,789 --> 00:20:53,760  
plane and it was a weird light and a

511  
00:20:57,890 --> 00:20:55,799  
single light that moved probably I would

512  
00:21:00,470 --> 00:20:57,900  
guess about close to 8 000 miles an hour

513  
00:21:02,390 --> 00:21:00,480

because we're taught how to track planes

514

00:21:04,850 --> 00:21:02,400

and uh that thing moved faster than

515

00:21:06,890 --> 00:21:04,860

everything I've ever seen so and it was

516

00:21:08,870 --> 00:21:06,900

inside the atmosphere not outside the

517

00:21:11,390 --> 00:21:08,880

atmosphere I keep hooking up there all

518

00:21:13,370 --> 00:21:11,400

right thanks rich boy that's uh we are

519

00:21:15,950 --> 00:21:13,380

the center of that of answers no

520

00:21:17,810 --> 00:21:15,960

question about it I I love it uh just

521

00:21:20,090 --> 00:21:17,820

you know here's here's the Ouija board

522

00:21:21,650 --> 00:21:20,100

and the mysterious government stuff and

523

00:21:23,810 --> 00:21:21,660

predictions about the future that have

524

00:21:27,169 --> 00:21:23,820

that have come true and all of this very

525

00:21:29,210 --> 00:21:27,179

sort of dire stuff the first call have

526

00:21:31,669 --> 00:21:29,220

you seen a UFO is that why you went to

527

00:21:32,810 --> 00:21:31,679

Gulf Breeze you know it's it's thanks

528

00:21:34,669 --> 00:21:32,820

Fritz

529

00:21:37,190 --> 00:21:34,679

um it's

530

00:21:39,409 --> 00:21:37,200

oh it's it's delightful and of course of

531

00:21:42,230 --> 00:21:39,419

course Vance has to come up with a UFO

532

00:21:43,730 --> 00:21:42,240

story from there in um in in Vegas and

533

00:21:45,770 --> 00:21:43,740

you sort of hear art Bell's tone he's

534

00:21:47,090 --> 00:21:45,780

sort of put out when he's excited maybe

535

00:21:49,610 --> 00:21:47,100

this guy's been to Pahrump you know he

536

00:21:52,490 --> 00:21:49,620

said my hometown no Vegas and art was

537

00:21:54,890 --> 00:21:52,500

like oh you know Vegas right finally uh

538

00:21:57,470 --> 00:21:54,900

art has some theories some ideas about

539

00:21:59,990 --> 00:21:57,480

why the government might have gotten

540

00:22:02,690 --> 00:22:00,000

involved in this case and and why these

541

00:22:04,730 --> 00:22:02,700

six soldiers might have been set free I

542

00:22:08,210 --> 00:22:04,740

wonder with a high profile of your case

543

00:22:11,570 --> 00:22:08,220

if when they heard this they had uh as I

544

00:22:13,730 --> 00:22:11,580

said some other independent source and

545

00:22:15,649 --> 00:22:13,740

uh their view was for something that

546

00:22:18,710 --> 00:22:15,659

came to you you felt this strongly about

547

00:22:21,710 --> 00:22:18,720

that they also know about why would they

548

00:22:26,090 --> 00:22:23,570

that'd be my view I desire President

549

00:22:28,789 --> 00:22:26,100

Bush and I had intelligence that other

550

00:22:30,590 --> 00:22:28,799

sources had been giving this my

551

00:22:31,789 --> 00:22:30,600

inclination might not be to you know

552

00:22:34,909 --> 00:22:31,799

lock you up and throw away the key

553

00:22:36,770 --> 00:22:34,919

here's a couple of faxes dear art in

554

00:22:39,350 --> 00:22:36,780

order for these military people to have

555

00:22:41,510 --> 00:22:39,360

been let off easily at the direction of

556

00:22:43,549 --> 00:22:41,520

bush or Dole they may have been given

557

00:22:46,130 --> 00:22:43,559

some rather sensitive information by The

558

00:22:47,690 --> 00:22:46,140

Entity via the Ouija board perhaps

559

00:22:49,310 --> 00:22:47,700

potentially embarrassing information

560

00:22:52,370 --> 00:22:49,320

about the administration at the time

561

00:22:54,289 --> 00:22:52,380

please ask your guest if my guess is

562

00:22:58,130 --> 00:22:54,299

correct is it

563

00:23:00,230 --> 00:22:58,140

well uh the uh Gulf War was part of the

564

00:23:02,930 --> 00:23:00,240

predictions and exactly how long it

565

00:23:05,330 --> 00:23:02,940

would last and uh how far in the scene

566

00:23:07,669 --> 00:23:05,340

would not be heard or anything else

567

00:23:09,409 --> 00:23:07,679

during the Skirmish so uh there could

568

00:23:11,210 --> 00:23:09,419

have been things in there that were they

569

00:23:13,549 --> 00:23:11,220

would consider highly sensitive about

570

00:23:15,770 --> 00:23:13,559

many things that we had as usual

571

00:23:18,049 --> 00:23:15,780

everybody's making much more of a big

572

00:23:20,029 --> 00:23:18,059

deal about the fact that they didn't you

573

00:23:23,390 --> 00:23:20,039

know get life in prison for going AWOL

574

00:23:25,250 --> 00:23:23,400

then then actually was the case and and

575

00:23:27,409 --> 00:23:25,260

that's that's intentional you know you

576

00:23:29,570 --> 00:23:27,419

you sort of you want to Gin that up

577

00:23:31,430 --> 00:23:29,580

because you can you can sort of make

578

00:23:34,130 --> 00:23:31,440

yourself more mysterious and make things

579

00:23:36,830 --> 00:23:34,140

more of a conspiracy and and what's the

580

00:23:39,230 --> 00:23:36,840

real secret behind all this we'll see

581

00:23:42,710 --> 00:23:39,240

more of that after the break when we get

582

00:23:45,950 --> 00:23:42,720

to Vance Davis's book Unbroken promises

583

00:23:49,310 --> 00:23:45,960

a true story of courage and belief which

584

00:23:51,409 --> 00:23:49,320

is the most generic uh book title I have

585

00:23:53,870 --> 00:23:51,419

ever heard uh he wrote it along with a

586

00:23:55,909 --> 00:23:53,880

guy named Brian blashaw about whom I've

587

00:23:57,710 --> 00:23:55,919

been able to find nothing but according

588

00:23:59,990 --> 00:23:57,720

to the dust jacket he's a writer and

589

00:24:02,750 --> 00:24:00,000

researcher who lives near Seattle

590

00:24:04,490 --> 00:24:02,760

that's all I know about Brian Blashaw so

591

00:24:08,510 --> 00:24:04,500

after the break we're going to get into

592

00:24:10,370 --> 00:24:08,520

unbroken promises and Vance's second and

593

00:24:14,630 --> 00:24:10,380

I think final appearance on Coast to

594

00:24:16,980 --> 00:24:14,640

Coast AM in 1998 with none other than

595

00:24:22,850 --> 00:24:16,990

Richard Hoagland

596

00:24:27,710 --> 00:24:26,029

next time we are heading further east

597

00:24:29,570 --> 00:24:27,720

and going further back in time to look

598

00:24:33,049 --> 00:24:29,580

at the classic UFO sighting events in

599

00:24:35,149 --> 00:24:33,059

Exeter New Hampshire in 1965.

600

00:24:36,770 --> 00:24:35,159

if you like the saucer life and you want

601  
00:24:38,450 --> 00:24:36,780  
more you can support us in exchange for

602  
00:24:40,669 --> 00:24:38,460  
bonus content from both this show and

603  
00:24:41,990 --> 00:24:40,679  
our other chiso media show Great Lakes

604  
00:24:45,169 --> 00:24:42,000  
lore you can check that out at

605  
00:24:46,970 --> 00:24:45,179  
patreon.com Media or via the link in the

606  
00:24:49,310 --> 00:24:46,980  
show notes or just Google saucerlife

607  
00:24:50,810 --> 00:24:49,320  
patreon that'll all get you there and

608  
00:24:52,610 --> 00:24:50,820  
you can check out past episodes at

609  
00:24:55,310 --> 00:24:52,620  
saucerlife.com or your favorite podcast

610  
00:24:57,110 --> 00:24:55,320  
app as always we're on the Twitter and

611  
00:25:00,590 --> 00:24:57,120  
Instagram at saucer life and you can

612  
00:25:03,110 --> 00:25:00,600  
email us at theesaucerlife gmail.com or

613  
00:25:06,350 --> 00:25:03,120

you can send us nice things by post at

614

00:25:07,149 --> 00:25:06,360

chisomedia PO Box 68 Grand Blanc

615

00:25:10,190 --> 00:25:07,159

Michigan

616

00:25:12,590 --> 00:25:10,200

48480 and some feedback from our first

617

00:25:14,450 --> 00:25:12,600

part of the Gulf Breeze six Story red

618

00:25:15,710 --> 00:25:14,460

pill junkie says many things pop into my

619

00:25:18,350 --> 00:25:15,720

head when listening about the Gulf

620

00:25:20,450 --> 00:25:18,360

Breeze 6. on the one hand it is hard not

621

00:25:22,310 --> 00:25:20,460

to draw comparisons with Andrea harik

622

00:25:23,570 --> 00:25:22,320

and his Wild Goose chases when he was

623

00:25:25,190 --> 00:25:23,580

following the channeled directions of

624

00:25:26,630 --> 00:25:25,200

the nine on the other hand the

625

00:25:28,370 --> 00:25:26,640

possibility that these individuals are

626

00:25:30,710 --> 00:25:28,380

being clandestinely exploited in some

627

00:25:32,630 --> 00:25:30,720

sort of MK ultra-like experiment is

628

00:25:34,250 --> 00:25:32,640

difficult to disregard the fact they

629

00:25:35,690 --> 00:25:34,260

only receive the general discharge

630

00:25:37,370 --> 00:25:35,700

instead of a far more severe punishment

631

00:25:39,169 --> 00:25:37,380

is to me one of the most puzzling

632

00:25:40,490 --> 00:25:39,179

aspects of this whole tale although I

633

00:25:43,310 --> 00:25:40,500

can see it I may be falling into the

634

00:25:45,769 --> 00:25:43,320

same conspire conspiranoid trappings

635

00:25:47,390 --> 00:25:45,779

that the UFO boss suffered when reading

636

00:25:49,490 --> 00:25:47,400

about this story and tried to connect

637

00:25:50,630 --> 00:25:49,500

the dots too hard but there's also the

638

00:25:52,250 --> 00:25:50,640

fact that these guys worked in

639

00:25:53,330 --> 00:25:52,260

cryptology for Army intelligence they

640

00:25:55,250 --> 00:25:53,340

were literally trained to look for

641

00:25:57,169 --> 00:25:55,260

hidden messages and people involved in

642

00:25:59,149 --> 00:25:57,179

the military are just like us curious

643

00:26:01,070 --> 00:25:59,159

fallible subject to the same anxieties

644

00:26:02,630 --> 00:26:01,080

and uncertainties about the future and

645

00:26:04,430 --> 00:26:02,640

people nowadays don't understand how

646

00:26:06,169 --> 00:26:04,440

scary the 90s were the fall of the

647

00:26:08,630 --> 00:26:06,179

Soviet Union the LA riots Saddam

648

00:26:10,850 --> 00:26:08,640

invading Kuwait and just a susceptible

649

00:26:12,590 --> 00:26:10,860

and just as susceptible to psychological

650

00:26:14,029 --> 00:26:12,600

and psychic manipulation as the rest of

651  
00:26:16,250 --> 00:26:14,039  
us just look at some of the people

652  
00:26:18,409 --> 00:26:16,260  
responsible for the modern push toward

653  
00:26:19,730 --> 00:26:18,419  
disclosure well that second part

654  
00:26:21,169 --> 00:26:19,740  
absolutely

655  
00:26:22,430 --> 00:26:21,179  
um you you get involved with stuff you

656  
00:26:23,810 --> 00:26:22,440  
start looking for secrets you start

657  
00:26:26,029 --> 00:26:23,820  
looking for hidden meaning and hidden

658  
00:26:28,610 --> 00:26:26,039  
messages and you can go down some

659  
00:26:31,549 --> 00:26:28,620  
interesting rabbit holes or be led down

660  
00:26:34,310 --> 00:26:31,559  
some interesting rabbit holes and and

661  
00:26:35,810 --> 00:26:34,320  
yeah it does feel a little bit like and

662  
00:26:37,190 --> 00:26:35,820  
the nine and I wouldn't be surprised

663  
00:26:40,909 --> 00:26:37,200

like I said earlier

664

00:26:43,850 --> 00:26:40,919

if there was some manipulation uh being

665

00:26:47,029 --> 00:26:43,860

involved but as far as severe punishment

666

00:26:49,909 --> 00:26:47,039

I don't know in the end all they did was

667

00:26:52,370 --> 00:26:49,919

go AWOL they they didn't they didn't

668

00:26:54,769 --> 00:26:52,380

violate any security procedures they

669

00:26:57,470 --> 00:26:54,779

didn't take any documents there was a

670

00:26:59,149 --> 00:26:57,480

thorough investigation and I I think the

671

00:27:01,310 --> 00:26:59,159

the upshot was we just don't need these

672

00:27:03,110 --> 00:27:01,320

people they can't be trusted we can't

673

00:27:05,930 --> 00:27:03,120

trust them anymore they didn't do

674

00:27:08,269 --> 00:27:05,940

anything severely wrong but what they

675

00:27:09,950 --> 00:27:08,279

did was irresponsible enough and

676  
00:27:12,590 --> 00:27:09,960  
honestly kind of weird enough that that

677  
00:27:14,870 --> 00:27:12,600  
we don't need them around secure

678  
00:27:17,149 --> 00:27:14,880  
information but

679  
00:27:18,830 --> 00:27:17,159  
um but yeah I think they're they're very

680  
00:27:20,390 --> 00:27:18,840  
likely was

681  
00:27:23,090 --> 00:27:20,400  
some kind of weirdness going on

682  
00:27:24,710 --> 00:27:23,100  
somewhere this is all very strange and

683  
00:27:26,750 --> 00:27:24,720  
I'm not sure that weirdness was a sort

684  
00:27:29,149 --> 00:27:26,760  
of group think that might have been

685  
00:27:31,630 --> 00:27:29,159  
brought on by psychic events or some

686  
00:27:35,330 --> 00:27:31,640  
sort of you know Sinister more

687  
00:27:37,909 --> 00:27:35,340  
terrestrial normal scientific kind of

688  
00:27:40,549 --> 00:27:37,919

manipulation but things are things are

689

00:27:42,590 --> 00:27:40,559

very strange so speak strange things

690

00:27:46,080 --> 00:27:42,600

let's get back into it with Vance

691

00:27:52,610 --> 00:27:46,090

Davis's book Unbroken promises

692

00:27:59,930 --> 00:27:56,810

so in 1995 Vance Davis and the co-author

693

00:28:02,090 --> 00:27:59,940

Brian blashaw released unbroken promises

694

00:28:05,510 --> 00:28:02,100

a true story of courage and belief and

695

00:28:08,090 --> 00:28:05,520

there is a quote or a quotation rather a

696

00:28:10,909 --> 00:28:08,100

quote as a verb quotation is a noun on

697

00:28:12,649 --> 00:28:10,919

top of the Dust jacket that says

698

00:28:14,090 --> 00:28:12,659

I will support and defend the

699

00:28:17,690 --> 00:28:14,100

Constitution of the United States

700

00:28:20,930 --> 00:28:17,700

against all enemies foreign and domestic

701  
00:28:24,529 --> 00:28:20,940  
so you can tell this is going to have a

702  
00:28:26,029 --> 00:28:24,539  
little bit of a political bent like we

703  
00:28:28,370 --> 00:28:26,039  
saw in the

704  
00:28:29,990 --> 00:28:28,380  
um in some of the the earlier material

705  
00:28:32,810 --> 00:28:30,000  
now we're not going to go through this

706  
00:28:34,730 --> 00:28:32,820  
book extensively he said in that

707  
00:28:37,549 --> 00:28:34,740  
official program he was writing a 300

708  
00:28:39,950 --> 00:28:37,559  
page book this ended up being

709  
00:28:43,250 --> 00:28:39,960  
um exclusive of the photocopied

710  
00:28:46,730 --> 00:28:43,260  
government documents uh it ended up

711  
00:28:50,870 --> 00:28:46,740  
being a little over about 212 pages so

712  
00:28:53,810 --> 00:28:50,880  
he missed it by 100 pages but um it is a

713  
00:28:57,289 --> 00:28:53,820

slim volume 200 Pages the the pages the

714

00:28:59,870 --> 00:28:57,299

paper itself is thin it is a very plain

715

00:29:03,310 --> 00:28:59,880

book there are no illustrations on it

716

00:29:05,810 --> 00:29:03,320

besides the uh the photos of the authors

717

00:29:08,870 --> 00:29:05,820

and uh this book

718

00:29:10,669 --> 00:29:08,880

which is autographed by Vance Davis

719

00:29:12,409 --> 00:29:10,679

cost me

720

00:29:18,889 --> 00:29:12,419

seventy dollars

721

00:29:21,529 --> 00:29:18,899

hurt but I knew I probably couldn't do

722

00:29:23,690 --> 00:29:21,539

this episode without this book so

723

00:29:24,649 --> 00:29:23,700

that that was that was a this might have

724

00:29:26,570 --> 00:29:24,659

been the

725

00:29:29,210 --> 00:29:26,580

I'm not saying it's the UFO related

726

00:29:32,450 --> 00:29:29,220

purchase I regret the most but it is it

727

00:29:36,010 --> 00:29:32,460

is right up there so it begins with his

728

00:29:38,870 --> 00:29:36,020

um with his life as a child in in Kansas

729

00:29:41,149 --> 00:29:38,880

and he talks about the Silva mind

730

00:29:44,029 --> 00:29:41,159

control system he talks about how

731

00:29:46,610 --> 00:29:44,039

through meditation he creates like a

732

00:29:49,490 --> 00:29:46,620

room with a control panel and view

733

00:29:51,169 --> 00:29:49,500

screens where he sees what is coming and

734

00:29:53,090 --> 00:29:51,179

and what is and I've read the Silver

735

00:29:56,029 --> 00:29:53,100

mind control stuff that's how you're

736

00:30:00,529 --> 00:29:56,039

supposed to do it but he he conjured up

737

00:30:02,330 --> 00:30:00,539

a a guide named Kia like the Korean car

738

00:30:04,909 --> 00:30:02,340

company and

739

00:30:07,430 --> 00:30:04,919

um so Kia gives some information and

740

00:30:09,850 --> 00:30:07,440

it's usually pretty boring benign stuff

741

00:30:12,590 --> 00:30:09,860

but it is almost like a a contact

742

00:30:14,450 --> 00:30:12,600

experience sort of thing there are heavy

743

00:30:17,210 --> 00:30:14,460

religious overtones to this during one

744

00:30:21,169 --> 00:30:17,220

of his Silva mind control excursions he

745

00:30:22,909 --> 00:30:21,179

comes to get acquainted with a very sort

746

00:30:26,210 --> 00:30:22,919

of well put together man who he refers

747

00:30:29,389 --> 00:30:26,220

to as Mr Perfect not Kurt from his old

748

00:30:32,090 --> 00:30:29,399

WWF days but a a physically purse a

749

00:30:34,669 --> 00:30:32,100

perfect human and it turns out obviously

750

00:30:36,710 --> 00:30:34,679

that this is Satan

751

00:30:40,190 --> 00:30:36,720

um and whose real name cannot be

752

00:30:43,190 --> 00:30:40,200

mentioned so that assumes that uh Satan

753

00:30:45,470 --> 00:30:43,200

has a different name somewhere but

754

00:30:47,810 --> 00:30:45,480

um but Satan calls out Vance Davis as

755

00:30:50,570 --> 00:30:47,820

being one who will fight on the side of

756

00:30:52,909 --> 00:30:50,580

Jesus in The Great War that is to come

757

00:30:54,889 --> 00:30:52,919

so even earlier in the first 50 pages of

758

00:30:58,490 --> 00:30:54,899

the book Vance is sort of big upping

759

00:31:01,010 --> 00:30:58,500

himself as you know Jesus's uh sort of

760

00:31:03,590 --> 00:31:01,020

sort of corner man in the the battle

761

00:31:06,470 --> 00:31:03,600

against the devil for the most part the

762

00:31:08,330 --> 00:31:06,480

book tracks the the story that we've

763

00:31:10,490 --> 00:31:08,340

heard on Coast to Coast the story that

764

00:31:13,190 --> 00:31:10,500

we've heard uh in in the the official

765

00:31:15,950 --> 00:31:13,200

guide or program for that conference but

766

00:31:18,350 --> 00:31:15,960

it dwells more heavily on the religious

767

00:31:20,269 --> 00:31:18,360

aspects and the fact that they did uh

768

00:31:22,669 --> 00:31:20,279

they did sort of get communication from

769

00:31:27,769 --> 00:31:22,679

an entity claiming to be the Virgin Mary

770

00:31:31,909 --> 00:31:30,169

Mary expressed her concern about the

771

00:31:33,950 --> 00:31:31,919

statues and other images of her that are

772

00:31:35,570 --> 00:31:33,960

found in most churches it encourages

773

00:31:37,010 --> 00:31:35,580

people toward idolatry instead of

774

00:31:38,750 --> 00:31:37,020

focusing their attention on the Creator

775

00:31:40,970 --> 00:31:38,760

who alone is deserving of our worship

776

00:31:43,430 --> 00:31:40,980

she does appreciate our prayers though

777

00:31:45,230 --> 00:31:43,440

especially the rosary Mary said that

778

00:31:47,750 --> 00:31:45,240

prayer helps many souls to move up the

779

00:31:49,669 --> 00:31:47,760

ladder love is the strongest force in

780

00:31:52,310 --> 00:31:49,679

the universe she told us when someone

781

00:31:54,169 --> 00:31:52,320

passes from one space to another fond

782

00:31:55,970 --> 00:31:54,179

memories and prayers help push the soul

783

00:31:57,950 --> 00:31:55,980

forward negative thoughts on the other

784

00:31:59,990 --> 00:31:57,960

hand can sometimes trap a soul in this

785

00:32:02,930 --> 00:32:00,000

space without a body

786

00:32:05,630 --> 00:32:02,940

do you mean ghosts Annette asked Mary

787

00:32:07,610 --> 00:32:05,640

replied yes they cannot move forward on

788

00:32:09,470 --> 00:32:07,620

their own and must be helped she added

789

00:32:10,789 --> 00:32:09,480

that some can become very hurtful in

790

00:32:12,649 --> 00:32:10,799

this space

791

00:32:15,230 --> 00:32:12,659

why aren't they just sent to Hell Ken

792

00:32:17,690 --> 00:32:15,240

asked Mary replied the hell has not been

793

00:32:19,669 --> 00:32:17,700

created yet she urged us to read the

794

00:32:21,830 --> 00:32:19,679

Bible that was a very charitable way for

795

00:32:23,450 --> 00:32:21,840

her to say it since most of us hadn't a

796

00:32:25,549 --> 00:32:23,460

clue as to what most of the Bible said

797

00:32:27,289 --> 00:32:25,559

we did investigate it however and

798

00:32:29,870 --> 00:32:27,299

discovered that hell will not be created

799

00:32:31,190 --> 00:32:29,880

until the Judgment Mary reminded us that

800

00:32:33,409 --> 00:32:31,200

no one knows the time of the Judgment

801  
00:32:35,149 --> 00:32:33,419  
Day that even the Guardians were not

802  
00:32:37,549 --> 00:32:35,159  
privy to such information

803  
00:32:39,169 --> 00:32:37,559  
we were about to ask Mary about who or

804  
00:32:41,389 --> 00:32:39,179  
what these Guardians might be when she

805  
00:32:42,590 --> 00:32:41,399  
rather abruptly said her goodbyes she

806  
00:32:44,870 --> 00:32:42,600  
said that she would talk to us another

807  
00:32:47,029 --> 00:32:44,880  
time but more important business needed

808  
00:32:52,430 --> 00:32:47,039  
to be discussed that the Guardians were

809  
00:32:57,230 --> 00:32:55,490  
I'm not Catholic but I don't know it

810  
00:32:59,409 --> 00:32:57,240  
seems like the Virgin Mary would be you

811  
00:33:02,149 --> 00:32:59,419  
know down with the rosary and everything

812  
00:33:04,490 --> 00:33:02,159  
but I don't know it's weird that the

813  
00:33:08,269 --> 00:33:04,500

Virgin Mary would have a such a

814

00:33:11,810 --> 00:33:08,279

sort of heterodox conception of hell and

815

00:33:15,049 --> 00:33:11,820

judgment and you know

816

00:33:16,970 --> 00:33:15,059

it's such a I don't know it just seemed

817

00:33:19,850 --> 00:33:16,980

like very much a

818

00:33:23,870 --> 00:33:19,860

Protestants appropriating

819

00:33:26,149 --> 00:33:23,880

Catholic ideas kind of thing to hear not

820

00:33:28,370 --> 00:33:26,159

that I've really got a dog in the the

821

00:33:31,789 --> 00:33:28,380

Catholic appropriation fight but it just

822

00:33:35,149 --> 00:33:31,799

seems a bit odd there are others besides

823

00:33:37,850 --> 00:33:35,159

the Virgin Mary and Sapphire that talk

824

00:33:39,350 --> 00:33:37,860

to uh talk to the Gulf Breeze six one

825

00:33:41,570 --> 00:33:39,360

Spirit who talked to them through the

826

00:33:43,730 --> 00:33:41,580

Ouija board was a fellow named Timothy

827

00:33:45,470 --> 00:33:43,740

and Timothy was dropping some knowledge

828

00:33:48,529 --> 00:33:45,480

on them about what might be coming in

829

00:33:51,769 --> 00:33:50,750

Timothy began his part of the session by

830

00:33:53,389 --> 00:33:51,779

stating that the United States

831

00:33:55,070 --> 00:33:53,399

government was going to fall within the

832

00:33:56,810 --> 00:33:55,080

next 10 years to be replaced by

833

00:33:59,149 --> 00:33:56,820

something called the New World Order

834

00:34:00,889 --> 00:33:59,159

none of us had ever heard the phrase and

835

00:34:02,090 --> 00:34:00,899

we were all struggling with the idea

836

00:34:04,190 --> 00:34:02,100

that the greatest country in the world

837

00:34:06,590 --> 00:34:04,200

could go down the toilet especially in

838

00:34:08,690 --> 00:34:06,600

such a short period of time later after

839

00:34:10,849 --> 00:34:08,700

my arrest my grandparents gave me a book

840

00:34:13,430 --> 00:34:10,859

by Pat Robertson called you guessed it

841

00:34:15,770 --> 00:34:13,440

the new world order it was not pleasant

842

00:34:18,050 --> 00:34:15,780

reading nor was it fiction nor was it

843

00:34:20,210 --> 00:34:18,060

anything we can afford to ignore the

844

00:34:23,089 --> 00:34:20,220

more we learn about this order the more

845

00:34:24,770 --> 00:34:23,099

nightmarish it becomes a major problem

846

00:34:26,629 --> 00:34:24,780

lies in the fact that the United States

847

00:34:29,210 --> 00:34:26,639

is no longer the world power that it

848

00:34:31,129 --> 00:34:29,220

once was and has no security backing its

849

00:34:32,750 --> 00:34:31,139

money the United States for the last

850

00:34:34,369 --> 00:34:32,760

several decades has spent more than it

851  
00:34:35,750 --> 00:34:34,379  
earned and the same thing has happened

852  
00:34:37,310 --> 00:34:35,760  
to our government that happens to any

853  
00:34:40,190 --> 00:34:37,320  
other organization that is fiscally

854  
00:34:42,829 --> 00:34:40,200  
irresponsible the exact words were the

855  
00:34:45,169 --> 00:34:42,839  
USA is bankrupt the financial slide

856  
00:34:47,210 --> 00:34:45,179  
became apparent in the 50s so our August

857  
00:34:49,190 --> 00:34:47,220  
leaders in their Infinite Wisdom took

858  
00:34:50,869 --> 00:34:49,200  
our economy off the gold stand and the

859  
00:34:53,149 --> 00:34:50,879  
Federal Reserve brokered the sale of all

860  
00:34:54,589 --> 00:34:53,159  
the gold to various banking interests

861  
00:34:56,869 --> 00:34:54,599  
around the world

862  
00:34:58,730 --> 00:34:56,879  
soon became apparent however that those

863  
00:35:01,070 --> 00:34:58,740

various interests were actually closer

864

00:35:02,930 --> 00:35:01,080

knit than imagined the U.S was forced to

865

00:35:04,609 --> 00:35:02,940

borrow to pay its debts and then began

866

00:35:07,010 --> 00:35:04,619

to borrow to pay the interest on those

867

00:35:09,109 --> 00:35:07,020

debts all the while incurring more and

868

00:35:11,569 --> 00:35:09,119

more debt ever tried floating your

869

00:35:13,430 --> 00:35:11,579

credit cards same thing but on a

870

00:35:15,589 --> 00:35:13,440

Monumental scale

871

00:35:17,690 --> 00:35:15,599

Sapphire explained that Congress has no

872

00:35:23,329 --> 00:35:17,700

real power anymore and that the real

873

00:35:28,250 --> 00:35:26,150

you know you pick up a book or you've

874

00:35:30,109 --> 00:35:28,260

dropped 70 bucks on a book and you think

875

00:35:33,410 --> 00:35:30,119

you're getting the inside story of what

876

00:35:36,950 --> 00:35:33,420

these Intel insiders knew that made them

877

00:35:39,530 --> 00:35:36,960

flee their their assignment to go to the

878

00:35:41,329 --> 00:35:39,540

United States to tell people the truth

879

00:35:42,470 --> 00:35:41,339

about what they'd learned from the Ouija

880

00:35:44,150 --> 00:35:42,480

board and

881

00:35:46,190 --> 00:35:44,160

you get a bunch of stuff about the gold

882

00:35:49,010 --> 00:35:46,200

standard and the international bankers

883

00:35:51,230 --> 00:35:49,020

and the New World Order and you just

884

00:35:55,550 --> 00:35:51,240

sort of realize that time is a flat

885

00:35:57,470 --> 00:35:55,560

circle and nothing really matters

886

00:36:00,109 --> 00:35:57,480

um I'm not going to say that I was I was

887

00:36:02,930 --> 00:36:00,119

quite that bereft when I read this

888

00:36:05,030 --> 00:36:02,940

section when I got to this point because

889

00:36:06,770 --> 00:36:05,040

I've been doing this a while and I know

890

00:36:08,450 --> 00:36:06,780

that at some point

891

00:36:10,190 --> 00:36:08,460

eighty percent of people are going to

892

00:36:13,250 --> 00:36:10,200

bring up the gold standard and

893

00:36:15,829 --> 00:36:13,260

international Bankers no matter what the

894

00:36:18,230 --> 00:36:15,839

UFO or paranormal or conspiracy book is

895

00:36:20,990 --> 00:36:18,240

about it it's just eight out of ten

896

00:36:23,329 --> 00:36:21,000

times it's it's gonna be there it's like

897

00:36:26,630 --> 00:36:23,339

come on now you know you know it's there

898

00:36:28,849 --> 00:36:26,640

you can't be surprised other things we

899

00:36:31,010 --> 00:36:28,859

see other predictions we get

900

00:36:32,510 --> 00:36:31,020

um we get some earthquakes uh well and

901  
00:36:34,550 --> 00:36:32,520  
they sort of talk about the predictions

902  
00:36:37,670 --> 00:36:34,560  
and then in a later chapter he sort of

903  
00:36:39,530 --> 00:36:37,680  
coalesce collates all the predictions I

904  
00:36:42,290 --> 00:36:39,540  
guess that's a Time filler space we get

905  
00:36:44,510 --> 00:36:42,300  
the stuff about beginning in 1995 the

906  
00:36:48,170 --> 00:36:44,520  
military will begin marking its soldiers

907  
00:36:49,849 --> 00:36:48,180  
and they said or Vance Davis said you

908  
00:36:51,950 --> 00:36:49,859  
don't have to be a big believer in the

909  
00:36:55,609 --> 00:36:51,960  
Bible to not want the mark of the beast

910  
00:36:57,530 --> 00:36:55,619  
well you kind of literally do

911  
00:36:59,030 --> 00:36:57,540  
um other things oh another one of their

912  
00:37:00,829 --> 00:36:59,040  
their channels through the Ouija board

913  
00:37:03,710 --> 00:37:00,839

Zechariah

914

00:37:06,109 --> 00:37:03,720

um had uh had a bunch of information and

915

00:37:08,510 --> 00:37:06,119

Annette was having to keep notes and she

916

00:37:11,630 --> 00:37:08,520

couldn't keep up because it was just an

917

00:37:14,329 --> 00:37:11,640

endless barrage of predictions and

918

00:37:19,010 --> 00:37:16,250

U.S government closes borders with

919

00:37:21,589 --> 00:37:19,020

Canada and Mexico airspace over U.S is

920

00:37:23,690 --> 00:37:21,599

restricted airliners shot down 302

921

00:37:26,690 --> 00:37:23,700

passengers lost martial law declared

922

00:37:28,550 --> 00:37:26,700

Constitution suspended for 90 days some

923

00:37:30,470 --> 00:37:28,560

EC governments controlled by terrorist

924

00:37:33,410 --> 00:37:30,480

activity Safe House destroyed in

925

00:37:35,750 --> 00:37:33,420

Massachusetts 120 arrested 40 killed 36

926  
00:37:38,210 --> 00:37:35,760  
injured government reports 200 troops

927  
00:37:40,430 --> 00:37:38,220  
killed 140 terrorists captured in raid

928  
00:37:43,010 --> 00:37:40,440  
on crack house 20 major universities

929  
00:37:44,810 --> 00:37:43,020  
shut down social unrest in U.S worsens

930  
00:37:46,849 --> 00:37:44,820  
military forces shipped home from

931  
00:37:49,310 --> 00:37:46,859  
overseas military personnel in Europe

932  
00:37:51,290 --> 00:37:49,320  
restricted to post for 30 days explosion

933  
00:37:55,970 --> 00:37:51,300  
in Supermarket linked to terrorist 80

934  
00:38:00,290 --> 00:37:57,950  
so our military force is being shipped

935  
00:38:02,150 --> 00:38:00,300  
home from overseas or is every American

936  
00:38:05,089 --> 00:38:02,160  
Service person in Europe locked down on

937  
00:38:07,430 --> 00:38:05,099  
their base for 30 days pick one Vance

938  
00:38:11,150 --> 00:38:07,440

jeez both can't be true

939

00:38:12,410 --> 00:38:11,160

uh what else do we have here we find out

940

00:38:14,450 --> 00:38:12,420

that

941

00:38:16,310 --> 00:38:14,460

um one of their uh one of the the Gulf

942

00:38:19,130 --> 00:38:16,320

Breeze six who went from the nickname

943

00:38:21,349 --> 00:38:19,140

crispy his mom had mobilized a

944

00:38:23,810 --> 00:38:21,359

formidable force it says of senators and

945

00:38:25,730 --> 00:38:23,820

congresspersons and as we understood it

946

00:38:28,250 --> 00:38:25,740

our release had been ordered by none

947

00:38:30,170 --> 00:38:28,260

other than the president himself in some

948

00:38:32,630 --> 00:38:30,180

interviews Davis would would say that

949

00:38:34,250 --> 00:38:32,640

that President George H.W bush was in

950

00:38:35,390 --> 00:38:34,260

favor of releasing the Gulf Breeze six

951  
00:38:37,010 --> 00:38:35,400  
but

952  
00:38:39,290 --> 00:38:37,020  
um chairman of the Joint Chiefs Colin

953  
00:38:41,569 --> 00:38:39,300  
Powell was vehemently against it because

954  
00:38:44,030 --> 00:38:41,579  
he stood for military discipline but

955  
00:38:46,490 --> 00:38:44,040  
George H.W bush knew what the real story

956  
00:38:48,710 --> 00:38:46,500  
was what was the real story

957  
00:38:50,510 --> 00:38:48,720  
apparently that these predictions would

958  
00:38:51,890 --> 00:38:50,520  
embarrass them so what were these

959  
00:38:53,990 --> 00:38:51,900  
predictions

960  
00:38:56,450 --> 00:38:54,000  
um there's uh there's a few here that

961  
00:38:59,150 --> 00:38:56,460  
are interesting earthquake will occur in

962  
00:39:01,730 --> 00:38:59,160  
Iran over 300 000 will be injured and

963  
00:39:05,329 --> 00:39:01,740

killed this was received from sapphire

964

00:39:08,630 --> 00:39:05,339

in late 1990 or late May 1990 the Tehran

965

00:39:10,550 --> 00:39:08,640

earthquake occurred in June 1990. that

966

00:39:12,290 --> 00:39:10,560

earthquake did not kill over three

967

00:39:14,569 --> 00:39:12,300

hundred thousand it did not kill and

968

00:39:16,550 --> 00:39:14,579

injure over 300 000.

969

00:39:18,290 --> 00:39:16,560

um the total number of dead and injured

970

00:39:21,410 --> 00:39:18,300

if you take the top

971

00:39:24,890 --> 00:39:21,420

the top most amount of the estimates of

972

00:39:29,270 --> 00:39:24,900

dead and injured tops out at about 155

973

00:39:32,810 --> 00:39:29,280

000 which is absolutely horrific but you

974

00:39:35,390 --> 00:39:32,820

can't count it as a win sorry major UFO

975

00:39:38,089 --> 00:39:35,400

conferences canceled in Germany so yeah

976  
00:39:40,130 --> 00:39:38,099  
that did happen a war in the Middle East

977  
00:39:42,470 --> 00:39:40,140  
shall be a warning of Armageddon it will

978  
00:39:44,690 --> 00:39:42,480  
involve the U.S Iraq and Israel if

979  
00:39:47,329 --> 00:39:44,700  
Israel stays out then the war will be

980  
00:39:50,270 --> 00:39:47,339  
short with 45 days of fighting if not

981  
00:39:52,670 --> 00:39:50,280  
the nuclear exchange could occur and

982  
00:39:55,069 --> 00:39:52,680  
they said um this was received in May of

983  
00:39:57,050 --> 00:39:55,079  
1990 the Gulf War began in August when

984  
00:40:00,349 --> 00:39:57,060  
Saddam Hussein's forces invaded Kuwait

985  
00:40:03,589 --> 00:40:00,359  
the actual battle lasted 43 days

986  
00:40:05,270 --> 00:40:03,599  
again it would be more impressive if we

987  
00:40:08,770 --> 00:40:05,280  
had those words

988  
00:40:12,290 --> 00:40:08,780

somewhere before the actual event

989

00:40:13,849 --> 00:40:12,300

occurred and what wasn't Israel involved

990

00:40:17,810 --> 00:40:13,859

I mean Israel was attacked with scud

991

00:40:20,030 --> 00:40:17,820

missiles I remember the the I wasn't

992

00:40:21,770 --> 00:40:20,040

there but I remember

993

00:40:23,810 --> 00:40:21,780

um I guess Israel didn't go on the

994

00:40:25,310 --> 00:40:23,820

offensive and invade Iraq is what his

995

00:40:27,470 --> 00:40:25,320

point is

996

00:40:29,510 --> 00:40:27,480

shuttle will not be launched if a fuel

997

00:40:32,030 --> 00:40:29,520

leak is caught in time if not then the

998

00:40:34,130 --> 00:40:32,040

Challenger disaster will be repeated

999

00:40:36,530 --> 00:40:34,140

this was received by Vance and ought in

1000

00:40:39,109 --> 00:40:36,540

June of 1990 while at Annette's house in

1001

00:40:40,790 --> 00:40:39,119

August 1990 seconds before liftoff the

1002

00:40:43,069 --> 00:40:40,800

launch was aborted because a fuel leak

1003

00:40:46,010 --> 00:40:43,079

was discovered now my problem with this

1004

00:40:49,010 --> 00:40:46,020

prediction is that the Challenger was

1005

00:40:51,410 --> 00:40:49,020

not destroyed because of a a fuel leak

1006

00:40:53,270 --> 00:40:51,420

really I mean it it

1007

00:40:56,390 --> 00:40:53,280

it's it's a problem

1008

00:40:59,210 --> 00:40:56,400

uh let's see unification of Germany will

1009

00:41:00,890 --> 00:40:59,220

become a fact in late 1990 it was noted

1010

00:41:03,890 --> 00:41:00,900

by Vance several months before the event

1011

00:41:08,089 --> 00:41:03,900

yeah prove it riots in Los Angeles would

1012

00:41:13,910 --> 00:41:12,230

maybe again we we don't know I mean

1013

00:41:17,990 --> 00:41:13,920

here's the thing

1014

00:41:20,329 --> 00:41:18,000

I've said this before I'll say it again

1015

00:41:22,010 --> 00:41:20,339

the predictions that were in the

1016

00:41:24,410 --> 00:41:22,020

government documents that the public had

1017

00:41:27,230 --> 00:41:24,420

access to before the events occurred

1018

00:41:29,450 --> 00:41:27,240

were much blander and more vague than

1019

00:41:31,370 --> 00:41:29,460

this it's so much it's so easy to write

1020

00:41:33,410 --> 00:41:31,380

up and say look we had all these things

1021

00:41:35,750 --> 00:41:33,420

in our notes that were confiscated by

1022

00:41:37,430 --> 00:41:35,760

the government but we did we did predict

1023

00:41:40,609 --> 00:41:37,440

it absolutely

1024

00:41:43,430 --> 00:41:40,619

so it's not often I say this but this

1025

00:41:45,770 --> 00:41:43,440

book is unnecessary it's unnecessary for

1026

00:41:47,990 --> 00:41:45,780

you to buy it is unnecessary for you to

1027

00:41:50,690 --> 00:41:48,000

read the best part of the book The Most

1028

00:41:53,450 --> 00:41:50,700

Interesting part of the book are the the

1029

00:41:55,430 --> 00:41:53,460

documents from the questioning and

1030

00:41:57,349 --> 00:41:55,440

affidavits and the original reports that

1031

00:41:59,089 --> 00:41:57,359

were Declassified later and yes those

1032

00:42:01,490 --> 00:41:59,099

are floating around or you could file a

1033

00:42:02,870 --> 00:42:01,500

foia request to get those it's nice to

1034

00:42:04,990 --> 00:42:02,880

have them in one place it would have

1035

00:42:08,270 --> 00:42:05,000

been nicer if it hadn't cost me 70 bucks

1036

00:42:10,790 --> 00:42:08,280

to do so which is which is a problem

1037

00:42:12,410 --> 00:42:10,800

this book is not great this book was

1038

00:42:14,930 --> 00:42:12,420

published by

1039

00:42:18,230 --> 00:42:14,940

um white Mesa

1040

00:42:22,069 --> 00:42:18,240

publishing which I think existed only to

1041

00:42:25,190 --> 00:42:22,079

publish this book but after this Vance

1042

00:42:28,550 --> 00:42:25,200

Davis would sort of go away for a while

1043

00:42:30,050 --> 00:42:28,560

and then he would surface in the

1044

00:42:32,990 --> 00:42:30,060

strangest place

1045

00:42:37,430 --> 00:42:33,000

on Coast to Coast AM with Art Bell again

1046

00:42:40,609 --> 00:42:37,440

in 1998 this time sort of brought or

1047

00:42:44,450 --> 00:42:40,619

re-brought to Arts attention by Richard

1048

00:42:46,010 --> 00:42:44,460

Hoagland the face on Mars guy and we're

1049

00:42:48,050 --> 00:42:46,020

going to do a Richard Hoagland episode

1050

00:42:50,569 --> 00:42:48,060

at some point probably right before we

1051  
00:42:53,569 --> 00:42:50,579  
do that Roswell episode that will be the

1052  
00:42:57,770 --> 00:42:53,579  
harbinger of the end of the show but

1053  
00:42:59,390 --> 00:42:57,780  
um got some clips from this and it's

1054  
00:43:00,890 --> 00:42:59,400  
it's interesting because if you're

1055  
00:43:02,890 --> 00:43:00,900  
familiar at all with with Richard

1056  
00:43:04,790 --> 00:43:02,900  
hoagland's schtick about

1057  
00:43:07,130 --> 00:43:04,800  
hyperdimensional physics in the face on

1058  
00:43:09,589 --> 00:43:07,140  
Mars and NASA cover-ups and Freemasons

1059  
00:43:11,329 --> 00:43:09,599  
and things like that uh it's weird to

1060  
00:43:13,970 --> 00:43:11,339  
hear him talking about this kind of

1061  
00:43:17,089 --> 00:43:13,980  
stuff but he he works Vance Davis's

1062  
00:43:19,490 --> 00:43:17,099  
material into his whole uh into his

1063  
00:43:21,829 --> 00:43:19,500

whole shtick and uh to start off before

1064

00:43:24,470 --> 00:43:21,839

Vance even appeared on the show there

1065

00:43:27,109 --> 00:43:24,480

was a little bit where Hoagland talks

1066

00:43:29,569 --> 00:43:27,119

about what science is and how science

1067

00:43:31,069 --> 00:43:29,579

works and I want to bring on a couple of

1068

00:43:33,349 --> 00:43:31,079

colleagues who will work very hard

1069

00:43:35,510 --> 00:43:33,359

they're behind the scenes to provide

1070

00:43:37,309 --> 00:43:35,520

some of this evidence and we will let

1071

00:43:38,930 --> 00:43:37,319

the people decide because that's what

1072

00:43:41,210 --> 00:43:38,940

science is is putting the evidence on

1073

00:43:42,589 --> 00:43:41,220

the table and letting the body policy

1074

00:43:44,870 --> 00:43:42,599

come to a decision

1075

00:43:46,849 --> 00:43:44,880

I am almost positive that is not what

1076  
00:43:48,710 --> 00:43:46,859  
science is science isn't like we got two

1077  
00:43:52,270 --> 00:43:48,720  
options here folks let's just let's just

1078  
00:43:55,609 --> 00:43:52,280  
let the mass of people the body politic

1079  
00:43:57,309 --> 00:43:55,619  
decide what the truth is based on all of

1080  
00:44:00,230 --> 00:43:57,319  
these different interpretations

1081  
00:44:01,550 --> 00:44:00,240  
including the most Bonkers ones you can

1082  
00:44:04,490 --> 00:44:01,560  
imagine

1083  
00:44:06,109 --> 00:44:04,500  
um Richard Hoagland I must stress is not

1084  
00:44:07,670 --> 00:44:06,119  
a scientist and that had nothing to do

1085  
00:44:09,650 --> 00:44:07,680  
with the advanced Davis portion of

1086  
00:44:11,809 --> 00:44:09,660  
things I just thought it was really

1087  
00:44:15,230 --> 00:44:11,819  
important to um

1088  
00:44:17,450 --> 00:44:15,240

just illustrate what Hoagland's view of

1089

00:44:20,930 --> 00:44:17,460

science is but here Hoagland tells art

1090

00:44:23,329 --> 00:44:20,940

how he discovered Vance Davis and and

1091

00:44:26,089 --> 00:44:23,339

sort of sort of realizing that Vance

1092

00:44:27,950 --> 00:44:26,099

Davis was a thing and this Coast to

1093

00:44:29,690 --> 00:44:27,960

Coast episode this is not one that has

1094

00:44:33,109 --> 00:44:29,700

been re-released on the Art Bell

1095

00:44:35,030 --> 00:44:33,119

Somewhere in Time series uh this is a

1096

00:44:37,790 --> 00:44:35,040

digitization that someone made off of

1097

00:44:40,130 --> 00:44:37,800

their radio I've cleaned up the sort of

1098

00:44:43,670 --> 00:44:40,140

late night am static as well as I could

1099

00:44:46,190 --> 00:44:43,680

but uh the the quality is is not um

1100

00:44:47,930 --> 00:44:46,200

pristine all right I want to be clear

1101

00:44:50,510 --> 00:44:47,940

now about

1102

00:44:52,490 --> 00:44:50,520

um who you say Vance Davis is and we'll

1103

00:44:56,829 --> 00:44:52,500

do that by asking Nance Davis in a

1104

00:44:59,329 --> 00:44:56,839

moment but you say he is a former NSA

1105

00:45:01,609 --> 00:44:59,339

employee is that accurate that is

1106

00:45:04,010 --> 00:45:01,619

accurate all right

1107

00:45:06,890 --> 00:45:04,020

it turned out a year later that as I'm

1108

00:45:09,290 --> 00:45:06,900

sitting at my computer and CNN is coming

1109

00:45:11,390 --> 00:45:09,300

on with this rather remarkable set of

1110

00:45:14,030 --> 00:45:11,400

pictures of the World Trade Towers

1111

00:45:15,170 --> 00:45:14,040

that his words you know instantly came

1112

00:45:17,510 --> 00:45:15,180

back to mind

1113

00:45:19,550 --> 00:45:17,520

because the the events you know the

1114

00:45:22,670 --> 00:45:19,560

major explosion in New York City that he

1115

00:45:25,250 --> 00:45:22,680

had uh hit me to back had come to pass

1116

00:45:27,950 --> 00:45:25,260

well at that point I got very intrigued

1117

00:45:29,990 --> 00:45:27,960

with Davis and his associates there were

1118

00:45:32,270 --> 00:45:30,000

other members of this category that he

1119

00:45:34,670 --> 00:45:32,280

will refer to so hokey is referring to

1120

00:45:37,010 --> 00:45:34,680

there is Davis's prediction that the

1121

00:45:39,890 --> 00:45:37,020

World Trade Center would be bombed in

1122

00:45:42,829 --> 00:45:39,900

1993 and he made this and and that he

1123

00:45:44,990 --> 00:45:42,839

hipped me to this event he hipped me to

1124

00:45:49,250 --> 00:45:45,000

um Hoagland says trying to sound way

1125

00:45:50,870 --> 00:45:49,260

cooler than he ever was or ever will be

1126

00:45:53,630 --> 00:45:50,880

um

1127

00:45:55,910 --> 00:45:53,640

Davis if you recall from last time we

1128

00:45:59,569 --> 00:45:55,920

played those clips from the sightings TV

1129

00:46:01,490 --> 00:45:59,579

program he made those declarations on

1130

00:46:03,430 --> 00:46:01,500

the sightings TV program he didn't have

1131

00:46:07,490 --> 00:46:03,440

to hip Richard Hoagland to anything

1132

00:46:10,490 --> 00:46:07,500

personally so Hoagland has a way of

1133

00:46:13,069 --> 00:46:10,500

making things sound grander than what he

1134

00:46:15,829 --> 00:46:13,079

was than than what they were and

1135

00:46:17,690 --> 00:46:15,839

Grandeur making himself sound grander

1136

00:46:19,970 --> 00:46:17,700

than what he was another interesting

1137

00:46:21,589 --> 00:46:19,980

part of this episode is

1138

00:46:24,410 --> 00:46:21,599

um Davis talking about the Silver mind

1139

00:46:26,089 --> 00:46:24,420

control and sort of taking off and

1140

00:46:28,130 --> 00:46:26,099

continuing on from what he said in that

1141

00:46:30,290 --> 00:46:28,140

official conference program about the

1142

00:46:34,010 --> 00:46:30,300

Silva mind control training bringing him

1143

00:46:37,910 --> 00:46:34,020

to the attention of the government

1144

00:46:40,309 --> 00:46:37,920

uh taking Silver mind control yes by

1145

00:46:42,050 --> 00:46:40,319

Jose Silva out of Laredo Texas yeah I'm

1146

00:46:44,210 --> 00:46:42,060

familiar with it yeah I took that class

1147

00:46:45,170 --> 00:46:44,220

when I was a teenager when I was in high

1148

00:46:47,390 --> 00:46:45,180

school

1149

00:46:48,950 --> 00:46:47,400

my parents put all of us through it my

1150

00:46:51,829 --> 00:46:48,960

whole family took it all right so you're

1151  
00:46:54,410 --> 00:46:51,839  
now suggesting that that had some

1152  
00:46:56,510 --> 00:46:54,420  
bearing on why they pick you it had a

1153  
00:46:58,490 --> 00:46:56,520  
possibility and my mind I'm like wait a

1154  
00:47:01,250 --> 00:46:58,500  
minute how did they get the information

1155  
00:47:03,950 --> 00:47:01,260  
in some of the scores that I scored in

1156  
00:47:06,290 --> 00:47:03,960  
those courses all come now that's my

1157  
00:47:08,510 --> 00:47:06,300  
that was my thought part of the NSA they

1158  
00:47:10,130 --> 00:47:08,520  
can do that yeah well that's that's the

1159  
00:47:11,870 --> 00:47:10,140  
implication I didn't know I was 13 years

1160  
00:47:13,849 --> 00:47:11,880  
old that was stupid so just so you know

1161  
00:47:16,069 --> 00:47:13,859  
the Silver mind control program that the

1162  
00:47:19,430 --> 00:47:16,079  
basic book it was I think I think was

1163  
00:47:20,990 --> 00:47:19,440

pocketbooks published it the the one of

1164

00:47:24,230 --> 00:47:21,000

the original editions you you could buy

1165

00:47:26,990 --> 00:47:24,240

the Silva mind control technique book

1166

00:47:30,650 --> 00:47:27,000

in any bookstore on the paperback

1167

00:47:32,809 --> 00:47:30,660

spinner rack back in the 1980s it's not

1168

00:47:35,390 --> 00:47:32,819

like the sale maybe the sales of it were

1169

00:47:37,849 --> 00:47:35,400

all being tracked by the NSA through the

1170

00:47:40,130 --> 00:47:37,859

the bar codes the bookstores might scan

1171

00:47:42,890 --> 00:47:40,140

but if you paid with cash how would they

1172

00:47:45,349 --> 00:47:42,900

be able to trade anyway

1173

00:47:48,109 --> 00:47:45,359

um but you heard you heard Hoagie kind

1174

00:47:50,030 --> 00:47:48,119

of kind of wanting to talk as uh Davis

1175

00:47:51,530 --> 00:47:50,040

is finishing up that uh that little bit

1176  
00:47:53,390 --> 00:47:51,540  
because you you cannot stop Richard

1177  
00:47:56,150 --> 00:47:53,400  
Hoagland from talking

1178  
00:48:00,050 --> 00:47:56,160  
um and it's it's just frustrating but

1179  
00:48:02,450 --> 00:48:00,060  
amazing and and this is his explanation

1180  
00:48:05,690 --> 00:48:02,460  
for for what might have been going on

1181  
00:48:07,490 --> 00:48:05,700  
with the NSA being interested in what

1182  
00:48:10,550 --> 00:48:07,500  
Davis was doing with silver mind control

1183  
00:48:13,390 --> 00:48:10,560  
as a teenager yes can I interrupt for a

1184  
00:48:16,069 --> 00:48:13,400  
second sure there is a very well done

1185  
00:48:17,990 --> 00:48:16,079  
NBC television show

1186  
00:48:19,069 --> 00:48:18,000  
which is run now for a couple three

1187  
00:48:22,670 --> 00:48:19,079  
seasons

1188  
00:48:26,809 --> 00:48:22,680

called The Pretender yep and the concept

1189

00:48:29,990 --> 00:48:26,819

is young children singled out as having

1190

00:48:31,370 --> 00:48:30,000

special talents or abilities or or

1191

00:48:33,530 --> 00:48:31,380

potential

1192

00:48:36,650 --> 00:48:33,540

and brought up in an isolated

1193

00:48:38,990 --> 00:48:36,660

environment to serve something other

1194

00:48:42,170 --> 00:48:39,000

than normal society okay well that makes

1195

00:48:44,089 --> 00:48:42,180

sense no it doesn't that that's not what

1196

00:48:46,430 --> 00:48:44,099

Davis was talking about at all in The

1197

00:48:48,710 --> 00:48:46,440

Pretender you had kids taken from their

1198

00:48:50,569 --> 00:48:48,720

families and raised in this in this

1199

00:48:51,829 --> 00:48:50,579

horrible environment as much more akin

1200

00:48:54,530 --> 00:48:51,839

to

1201  
00:48:55,910 --> 00:48:54,540  
um more MK Ultra type things but uh

1202  
00:48:58,730 --> 00:48:55,920  
Hoagland just wants to make it clear

1203  
00:49:00,109 --> 00:48:58,740  
that that he watched TV and apparently

1204  
00:49:02,270 --> 00:49:00,119  
had a favorite show that he wanted to

1205  
00:49:04,670 --> 00:49:02,280  
shoehorn into the conversation which he

1206  
00:49:06,890 --> 00:49:04,680  
does incessantly

1207  
00:49:09,530 --> 00:49:06,900  
um his entire calling his entire face on

1208  
00:49:13,069 --> 00:49:09,540  
Mars thing the Enterprise mission was

1209  
00:49:15,890 --> 00:49:13,079  
just a dumb Star Trek riff uh calling

1210  
00:49:19,609 --> 00:49:15,900  
calling the webmaster Scotty

1211  
00:49:21,170 --> 00:49:19,619  
oh gosh I I just wanted to punch him I I

1212  
00:49:24,589 --> 00:49:21,180  
we're not going to get that Richard

1213  
00:49:28,010 --> 00:49:24,599

Hoagland episode I I just I get I get to

1214

00:49:29,630 --> 00:49:28,020

I get to head up so Hoagland is is

1215

00:49:30,470 --> 00:49:29,640

basically

1216

00:49:32,690 --> 00:49:30,480

um

1217

00:49:35,390 --> 00:49:32,700

just they're just going over Vance

1218

00:49:38,510 --> 00:49:35,400

Davis's story and Hoagland is is jumping

1219

00:49:40,430 --> 00:49:38,520

in here and it's really unfocused the

1220

00:49:42,410 --> 00:49:40,440

the file I have doesn't have what the

1221

00:49:45,589 --> 00:49:42,420

supposed topic of this Coast to Coast

1222

00:49:47,870 --> 00:49:45,599

episode was I I think it's just

1223

00:49:49,970 --> 00:49:47,880

it's Hoagland wanted art to talk to

1224

00:49:52,130 --> 00:49:49,980

Vance Davis and Hoagland wanted to talk

1225

00:49:54,589 --> 00:49:52,140

to Vance Davis it was very unclear and

1226

00:49:56,750 --> 00:49:54,599

what's interesting is to listen to it

1227

00:49:59,150 --> 00:49:56,760

when I first listened to this 1998

1228

00:50:01,010 --> 00:49:59,160

episode it really seemed like art had no

1229

00:50:02,930 --> 00:50:01,020

idea who Vance Davis was that he had

1230

00:50:05,030 --> 00:50:02,940

never talked to him before but then

1231

00:50:07,250 --> 00:50:05,040

Davis says well I did talk to you back

1232

00:50:10,010 --> 00:50:07,260

in 1994 and Art's like well of course I

1233

00:50:11,089 --> 00:50:10,020

remember that I really don't think art

1234

00:50:12,589 --> 00:50:11,099

did

1235

00:50:14,870 --> 00:50:12,599

um one thing about Art Bell is is when

1236

00:50:16,370 --> 00:50:14,880

you listen to these episodes

1237

00:50:18,710 --> 00:50:16,380

um there's

1238

00:50:20,270 --> 00:50:18,720

there's you really do get the sense and

1239

00:50:23,150 --> 00:50:20,280

I I think it's it's an honest thing and

1240

00:50:26,210 --> 00:50:23,160

I don't begrudge art this at all art was

1241

00:50:28,910 --> 00:50:26,220

not a deep devotee of any of these

1242

00:50:31,730 --> 00:50:28,920

topics he really looked into art was an

1243

00:50:34,490 --> 00:50:31,740

Entertainer and that's a wonderful

1244

00:50:37,430 --> 00:50:34,500

necessary thing uh but I think sometimes

1245

00:50:40,190 --> 00:50:37,440

people assume the Art Bell was a

1246

00:50:42,290 --> 00:50:40,200

Paranormal Investigator or a UFO

1247

00:50:46,010 --> 00:50:42,300

investigator of some kind and and he was

1248

00:50:46,910 --> 00:50:46,020

not he was a radio presenter here we

1249

00:50:50,150 --> 00:50:46,920

have

1250

00:50:52,490 --> 00:50:50,160

um Hoagland talking about how

1251  
00:50:54,650 --> 00:50:52,500  
Davis and the rest were discharged from

1252  
00:50:56,809 --> 00:50:54,660  
the Army because

1253  
00:50:59,750 --> 00:50:56,819  
might as well get to it

1254  
00:51:03,710 --> 00:50:59,760  
like so many stories of that sort it

1255  
00:51:06,290 --> 00:51:03,720  
died Kaboom yeah like that it did it's

1256  
00:51:08,510 --> 00:51:06,300  
like an axle on it and cut off let me

1257  
00:51:12,470 --> 00:51:08,520  
interrupt you okay when this was all

1258  
00:51:14,270 --> 00:51:12,480  
going down I was in Virginia I was

1259  
00:51:16,130 --> 00:51:14,280  
Consulting with one of your radio

1260  
00:51:17,270 --> 00:51:16,140  
colleagues all right we won't need to

1261  
00:51:20,150 --> 00:51:17,280  
mention the name but it was another

1262  
00:51:24,530 --> 00:51:20,160  
Network and the Gulf War was you know

1263  
00:51:27,650 --> 00:51:24,540

going on and this story flared briefly

1264

00:51:29,930 --> 00:51:27,660

six military you know enlisted personnel

1265

00:51:32,450 --> 00:51:29,940

in any sense of intelligence positions

1266

00:51:35,930 --> 00:51:32,460

yes suddenly going AWOL I remember

1267

00:51:37,910 --> 00:51:35,940

showing up in Florida being arrested and

1268

00:51:39,650 --> 00:51:37,920

everyone who was watching this with any

1269

00:51:40,390 --> 00:51:39,660

interest thought that their toast their

1270

00:51:44,270 --> 00:51:40,400

history

1271

00:51:46,730 --> 00:51:44,280

what makes this so astonishing

1272

00:51:49,609 --> 00:51:46,740

is that Vance Davis tonight is a free

1273

00:51:51,770 --> 00:51:49,619

man sitting in Phoenix Arizona his

1274

00:51:54,349 --> 00:51:51,780

colleagues are all free they were

1275

00:51:56,510 --> 00:51:54,359

cashiers out with honorable discharges

1276

00:51:59,089 --> 00:51:56,520

yeah the military somehow did this giant

1277

00:52:01,250 --> 00:51:59,099

turnaround honorable discharges Richard

1278

00:52:03,170 --> 00:52:01,260

Hoagland can confine the free Masonic

1279

00:52:06,109 --> 00:52:03,180

conspiracy within NASA

1280

00:52:07,790 --> 00:52:06,119

he can determine the the purpose of

1281

00:52:09,950 --> 00:52:07,800

hyperdimensional physics and its

1282

00:52:11,750 --> 00:52:09,960

connection to Mars and ancient Egypt but

1283

00:52:13,549 --> 00:52:11,760

the man cannot read damn newspaper can

1284

00:52:15,230 --> 00:52:13,559

he

1285

00:52:16,790 --> 00:52:15,240

I

1286

00:52:21,470 --> 00:52:16,800

Hoagland

1287

00:52:24,349 --> 00:52:21,480

Luthor he he really is he really is my

1288

00:52:26,150 --> 00:52:24,359

Lex Luthor so

1289

00:52:28,670 --> 00:52:26,160

he rails these things he keeps talking

1290

00:52:30,250 --> 00:52:28,680

he talks over Vance can I can I

1291

00:52:32,630 --> 00:52:30,260

interrupt can I interrupt here

1292

00:52:35,290 --> 00:52:32,640

constantly to the point where at the top

1293

00:52:39,170 --> 00:52:35,300

of the second hour art has to sort of

1294

00:52:42,170 --> 00:52:39,180

reset and and reboot the episode all

1295

00:52:45,170 --> 00:52:42,180

right let me relaunch the program this

1296

00:52:47,630 --> 00:52:45,180

way if I heard correctly and I do think

1297

00:52:49,910 --> 00:52:47,640

I heard correctly Vance Davis

1298

00:52:53,030 --> 00:52:49,920

who was former NSA

1299

00:52:54,710 --> 00:52:53,040

has said to Richard and myself and all

1300

00:52:57,770 --> 00:52:54,720

of you just now

1301  
00:53:01,069 --> 00:52:57,780  
that myself

1302  
00:53:02,410 --> 00:53:01,079  
as well as ants as well as Richard are

1303  
00:53:06,530 --> 00:53:02,420  
all

1304  
00:53:09,470 --> 00:53:06,540  
unwitting dupes of the government behind

1305  
00:53:12,349 --> 00:53:09,480  
the government uh that is what you said

1306  
00:53:15,049 --> 00:53:12,359  
is it not that is what I said and the

1307  
00:53:16,490 --> 00:53:15,059  
media falls into that category also so

1308  
00:53:20,329 --> 00:53:16,500  
art and Vance are trying to get it back

1309  
00:53:21,770 --> 00:53:20,339  
to to to Vance's original points at is

1310  
00:53:24,109 --> 00:53:21,780  
in his book in in his previous

1311  
00:53:27,650 --> 00:53:24,119  
appearance on Art Bell about the danger

1312  
00:53:29,750 --> 00:53:27,660  
presented to the nation by the fake

1313  
00:53:32,870 --> 00:53:29,760

government or what have you and and

1314

00:53:34,910 --> 00:53:32,880

Hoagland just keeps bringing it back to

1315

00:53:37,549 --> 00:53:34,920

uh to all sorts of other things and and

1316

00:53:41,569 --> 00:53:37,559

he wraps It Up by talking about

1317

00:53:44,329 --> 00:53:41,579

um about by addressing a concern that a

1318

00:53:45,589 --> 00:53:44,339

Coast-to-Coast listener raises

1319

00:53:48,829 --> 00:53:45,599

aren't

1320

00:53:50,630 --> 00:53:48,839

the Gulf Breeze six and that's what you

1321

00:53:52,609 --> 00:53:50,640

were called Vance you were one of the

1322

00:53:54,589 --> 00:53:52,619

six right of the Pensacola News Journal

1323

00:53:56,630 --> 00:53:54,599

yeah called called you the Gulf Breeze

1324

00:53:59,829 --> 00:53:56,640

six we're given we're given honorable

1325

00:54:02,750 --> 00:53:59,839

discharges after they handed over

1326

00:54:05,990 --> 00:54:02,760

1500 pages of notes these Pages

1327

00:54:09,430 --> 00:54:06,000

contained predictions that were made in

1328

00:54:13,250 --> 00:54:09,440

seven sessions using our Ouija board

1329

00:54:15,650 --> 00:54:13,260

clearly with all due respect Advance he

1330

00:54:17,990 --> 00:54:15,660

is not as credible as major Dames for

1331

00:54:21,230 --> 00:54:18,000

Richard to prop up Vance as a reliable

1332

00:54:26,150 --> 00:54:21,240

source is questionable

1333

00:54:31,010 --> 00:54:29,030

if we are dealing with an unconventional

1334

00:54:33,829 --> 00:54:31,020

physics that allows us

1335

00:54:35,930 --> 00:54:33,839

to finish space and time and View events

1336

00:54:37,809 --> 00:54:35,940

Halfway Around the World Russian

1337

00:54:40,370 --> 00:54:37,819

submarines all the interesting

1338

00:54:42,589 --> 00:54:40,380

skulduggery that Ed and his colleagues

1339

00:54:44,750 --> 00:54:42,599

were involved in and the people that I

1340

00:54:48,230 --> 00:54:44,760

survived before and helped put off

1341

00:54:50,809 --> 00:54:48,240

before that Advance after that and why

1342

00:54:52,849 --> 00:54:50,819

are we limiting the abnormal and

1343

00:54:55,670 --> 00:54:52,859

forbidding us to consider that Ouija

1344

00:54:58,790 --> 00:54:55,680

boards are also an another technological

1345

00:54:59,690 --> 00:54:58,800

tool of this hyperdimensional physics in

1346

00:55:01,870 --> 00:54:59,700

other words

1347

00:55:04,910 --> 00:55:01,880

the Ouija board is a hyperdimensional

1348

00:55:07,309 --> 00:55:04,920

tool just like remote viewing it's all

1349

00:55:09,170 --> 00:55:07,319

the same thing and and maybe it is all

1350

00:55:13,010 --> 00:55:09,180

the same thing but what's what's

1351

00:55:15,549 --> 00:55:13,020

glorious is is Hoagland declaring it to

1352

00:55:18,530 --> 00:55:15,559

all be his thing to all be

1353

00:55:21,290 --> 00:55:18,540

hyperdimensional physics much like the

1354

00:55:24,710 --> 00:55:21,300

Gulf Breeze 6 appropriated elements of

1355

00:55:27,530 --> 00:55:24,720

Catholicism and and and Marian reverence

1356

00:55:29,030 --> 00:55:27,540

to um bolster whatever point they were

1357

00:55:31,970 --> 00:55:29,040

trying to make so we have Richard

1358

00:55:34,130 --> 00:55:31,980

Hoagland appropriating uh the Ouija

1359

00:55:37,190 --> 00:55:34,140

board into his hyperdimensional physics

1360

00:55:39,049 --> 00:55:37,200

and appropriating major Ed Dames

1361

00:55:41,990 --> 00:55:39,059

um I'm not sure Ed Dames is a good topic

1362

00:55:45,290 --> 00:55:42,000

for the show but uh no he probably isn't

1363

00:55:47,690 --> 00:55:45,300

but the Ed Dames things are are fun as

1364

00:55:49,190 --> 00:55:47,700

well so after this Art Bell appearance I

1365

00:55:52,309 --> 00:55:49,200

couldn't find any trace of Vance Davis

1366

00:55:55,309 --> 00:55:52,319

after uh after this appearance and he he

1367

00:55:58,370 --> 00:55:55,319

really is one of those I I sort of a

1368

00:56:00,589 --> 00:55:58,380

misfire in the the UFO paranormal field

1369

00:56:01,329 --> 00:56:00,599

because he never really gets off the

1370

00:56:04,069 --> 00:56:01,339

ground

1371

00:56:06,290 --> 00:56:04,079

to any particular direction the the

1372

00:56:09,410 --> 00:56:06,300

predict he's not really an Earth changes

1373

00:56:11,750 --> 00:56:09,420

prediction guy he's not really a UFO guy

1374

00:56:13,730 --> 00:56:11,760

even those aliens on the periphery of

1375

00:56:17,390 --> 00:56:13,740

all this but it's never really fleshed

1376

00:56:20,270 --> 00:56:17,400

out he's he's not really a sort of

1377

00:56:22,190 --> 00:56:20,280

right-wing anti-new World Order bring

1378

00:56:24,710 --> 00:56:22,200

back the real Constitution and hard

1379

00:56:27,650 --> 00:56:24,720

money guy he he just he just sort of

1380

00:56:29,630 --> 00:56:27,660

dabbles in all of these things and never

1381

00:56:31,190 --> 00:56:29,640

really lands on any one of them in

1382

00:56:34,490 --> 00:56:31,200

particular and I think for that reason

1383

00:56:36,650 --> 00:56:34,500

he is he is very much just this this

1384

00:56:39,890 --> 00:56:36,660

epitome of

1385

00:56:43,730 --> 00:56:39,900

of the 90s of the the late 80s or the

1386

00:56:46,130 --> 00:56:43,740

early 90s and and the mid 90s and I wish

1387

00:56:49,670 --> 00:56:46,140

I had something more

1388

00:56:51,470 --> 00:56:49,680

um more profound to to say about him but

1389

00:56:53,750 --> 00:56:51,480

but I don't

1390

00:56:56,049 --> 00:56:53,760

um he's just this I don't want to say a

1391

00:56:59,329 --> 00:56:56,059

dilettante but there's a bit of of

1392

00:57:00,829 --> 00:56:59,339

dilettante to him and and it really is

1393

00:57:02,630 --> 00:57:00,839

kind of a

1394

00:57:04,970 --> 00:57:02,640

a letdown to the mystery of the Gulf

1395

00:57:07,970 --> 00:57:04,980

Breeze six because the the initial story

1396

00:57:10,549 --> 00:57:07,980

is so fascinating and so weird and then

1397

00:57:15,490 --> 00:57:10,559

like I said Davis keeps running with the

1398

00:57:18,589 --> 00:57:15,500

ball and he he runs it into the most 90s

1399

00:57:20,930 --> 00:57:18,599

paranormal parapolitical Quagmire you

1400

00:57:22,849 --> 00:57:20,940

can think of it's uh it's a little

1401

00:57:24,470 --> 00:57:22,859

disappointing I I admit it might have

1402

00:57:27,530 --> 00:57:24,480

been less disappointing had I paid less

1403

00:57:30,410 --> 00:57:27,540

for his book but uh it was it was

1404

00:57:33,890 --> 00:57:30,420

disappointing nonetheless but a a fun

1405

00:57:35,870 --> 00:57:33,900

kind of disappointing if uh if if that

1406

00:57:41,390 --> 00:57:35,880

makes sense

1407

00:57:44,870 --> 00:57:43,490

thanks for listening remember to send in

1408

00:57:46,970 --> 00:57:44,880

your questions and comments via this

1409

00:57:49,010 --> 00:57:46,980

usual social media or email channels and

1410

00:57:50,750 --> 00:57:49,020

we'll be addressing those next time our

1411

00:57:52,250 --> 00:57:50,760

associate producer is Simpson J Hanover

1412

00:57:55,490 --> 00:57:52,260

III and the saucer life is a production

1413

00:57:57,650 --> 00:57:55,500

of chisomedia LLC chisomedia our heart

1414

00:58:00,049 --> 00:57:57,660

is with the people until next time keep
