

DR. BETER

# DR. BETER'S ORGANIC ROBOTIDS

1  
00:00:14,169 --> 00:00:03,169  
hello my friends this is Dr beader in

2  
00:00:19,450 --> 00:00:17,550  
I never got any money from you

3  
00:00:22,070 --> 00:00:19,460  
[Music]

4  
00:00:24,560 --> 00:00:22,080  
you have all my just as well stand for

5  
00:00:27,250 --> 00:00:24,570  
unprecedented Financial opportunity

6  
00:00:29,450 --> 00:00:27,260  
[Applause]

7  
00:00:32,030 --> 00:00:29,460  
be normal

8  
00:00:33,950 --> 00:00:32,040  
this is the saucer life a podcast in

9  
00:00:35,569 --> 00:00:33,960  
which we examine Concepts events or

10  
00:00:38,330 --> 00:00:35,579  
people orbiting the world of flying

11  
00:00:41,270 --> 00:00:38,340  
saucers few preconceptions snark when

12  
00:00:44,510 --> 00:00:41,280  
Justified no belief no debunking today

13  
00:00:47,630 --> 00:00:44,520

we're going to look at one of the

14

00:00:51,170 --> 00:00:47,640

one of the key conspiratorial figures of

15

00:00:53,330 --> 00:00:51,180

the mid to late 1970s into the early

16

00:00:54,950 --> 00:00:53,340

1980s and he's somebody who you might

17

00:00:56,930 --> 00:00:54,960

not have heard about or if you've heard

18

00:01:00,110 --> 00:00:56,940

about him you might not have read his

19

00:01:02,689 --> 00:01:00,120

material or listened to the

20

00:01:05,149 --> 00:01:02,699

nearly a hundred audio cassettes that he

21

00:01:09,230 --> 00:01:05,159

sent out over his career to his fever

22

00:01:13,910 --> 00:01:09,240

pitch fanatical listening audience but

23

00:01:17,330 --> 00:01:13,920

his name is Dr Peter David beader and he

24

00:01:19,789 --> 00:01:17,340

is a fascinating figure and this was a

25

00:01:21,950 --> 00:01:19,799

listener request and I've been wanting

26

00:01:25,010 --> 00:01:21,960

to cover Dr beader for a while and I

27

00:01:27,830 --> 00:01:25,020

also knew that after the the Epic Bill

28

00:01:30,230 --> 00:01:27,840

Moore mufon speech episode last time

29

00:01:32,090 --> 00:01:30,240

that I was be looking for something a

30

00:01:35,149 --> 00:01:32,100

little light-hearted

31

00:01:37,370 --> 00:01:35,159

simpler straightforward although it it

32

00:01:41,210 --> 00:01:37,380

really isn't I think shorter is the word

33

00:01:44,620 --> 00:01:41,220

I'm looking for here really so uh Dr

34

00:01:49,730 --> 00:01:44,630

beader Dr Peter beater let's go

35

00:01:53,749 --> 00:01:52,429

I probably shouldn't say Dr Peter Peter

36

00:01:55,789 --> 00:01:53,759

too often because I don't want the show

37

00:01:58,490 --> 00:01:55,799

to get flagged as explicit or be

38

00:02:02,090 --> 00:01:58,500

considered anything other than roughly

39

00:02:05,569 --> 00:02:02,100

family friendly so before we get into Dr

40

00:02:07,630 --> 00:02:05,579

Peter and his ideas we need to do a

41

00:02:10,190 --> 00:02:07,640

little bit of background on

42

00:02:11,690 --> 00:02:10,200

anti-communist conspiracy theories and

43

00:02:13,250 --> 00:02:11,700

anti

44

00:02:13,930 --> 00:02:13,260

oh gosh I don't even know what to call

45

00:02:18,229 --> 00:02:13,940

it

46

00:02:19,430 --> 00:02:18,239

in the Cold War

47

00:02:23,869 --> 00:02:19,440

period

48

00:02:27,350 --> 00:02:23,879

um it's fun it's fun really so

49

00:02:30,830 --> 00:02:27,360

in 1964 a book came out by a man named

50

00:02:34,449 --> 00:02:30,840

John Stormer called none dare call it

51  
00:02:37,309 --> 00:02:34,459  
treason and it became a classic of

52  
00:02:39,650 --> 00:02:37,319  
anti-communist conspiracism now to be

53  
00:02:42,770 --> 00:02:39,660  
clear I I need to make clear that by

54  
00:02:45,229 --> 00:02:42,780  
anti-communist conspiracism I I don't

55  
00:02:47,210 --> 00:02:45,239  
mean a sort of late 40s early 50s

56  
00:02:50,690 --> 00:02:47,220  
concerned that there were literal

57  
00:02:52,369 --> 00:02:50,700  
communist spies operating Espionage

58  
00:02:54,770 --> 00:02:52,379  
networks in the United States because

59  
00:02:58,970 --> 00:02:54,780  
there had been and although by the time

60  
00:03:00,650 --> 00:02:58,980  
of the mccarthiest sort of witch hunts a

61  
00:03:02,330 --> 00:03:00,660  
lot of those those things have been kind

62  
00:03:04,309 --> 00:03:02,340  
of cleared up already

63  
00:03:08,030 --> 00:03:04,319

um you know that that's a different sort

64

00:03:10,729 --> 00:03:08,040

of paranoia than the more sort of

65

00:03:14,089 --> 00:03:10,739

conspiracy theory-ish paranoia that

66

00:03:15,710 --> 00:03:14,099

would emerge later so in his book none

67

00:03:18,110 --> 00:03:15,720

dare call it treason

68

00:03:20,270 --> 00:03:18,120

Stormer asserted that the growth of the

69

00:03:22,009 --> 00:03:20,280

communist-controlled world had led to in

70

00:03:24,770 --> 00:03:22,019

his words the hidden tentacles of the

71

00:03:27,290 --> 00:03:24,780

Communist conspiracy exerting unmeasured

72

00:03:29,690 --> 00:03:27,300

influence over the rest of the world and

73

00:03:32,089 --> 00:03:29,700

he asks where have we failed

74

00:03:34,369 --> 00:03:32,099

Stormer argued that a number of factors

75

00:03:36,729 --> 00:03:34,379

contributed to a sense that the Soviet

76

00:03:40,729 --> 00:03:36,739

Union could perhaps win the Cold War

77

00:03:42,410 --> 00:03:40,739

these concerns included a lessening of

78

00:03:44,990 --> 00:03:42,420

anti-communist sentiments since the

79

00:03:46,789 --> 00:03:45,000

early 1950s American involvement in the

80

00:03:48,830 --> 00:03:46,799

United Nations and a lack of public

81

00:03:51,110 --> 00:03:48,840

information and education about the

82

00:03:53,509 --> 00:03:51,120

goals of international communism now

83

00:03:55,610 --> 00:03:53,519

these things Stormer argued paved the

84

00:03:58,850 --> 00:03:55,620

way for a slow but steady communist

85

00:04:01,910 --> 00:03:58,860

victory in the United States Stormer

86

00:04:06,949 --> 00:04:01,920

frames his concerns about the actual

87

00:04:10,970 --> 00:04:09,410

is there a conspiratorial plan to

88

00:04:13,550 --> 00:04:10,980

destroy the United States into which

89

00:04:15,530 --> 00:04:13,560

foreign aid planned inflation Distortion

90

00:04:18,110 --> 00:04:15,540

of treaty-making powers and disarmament

91

00:04:19,310 --> 00:04:18,120

all fit this question divides many

92

00:04:21,530 --> 00:04:19,320

knowledgeable and dedicated

93

00:04:23,090 --> 00:04:21,540

conservatives they waste time and effort

94

00:04:25,490 --> 00:04:23,100

and split their ranks with a senseless

95

00:04:27,050 --> 00:04:25,500

debate it doesn't really matter whether

96

00:04:29,030 --> 00:04:27,060

the parts have been planned for an

97

00:04:31,070 --> 00:04:29,040

assembly line Revolution or if they're

98

00:04:35,629 --> 00:04:31,080

the work of well-meaning but misguided

99

00:04:39,590 --> 00:04:37,730

so in something that is actually kind of

100

00:04:43,730 --> 00:04:39,600

unusual for a lot of conspiracy

101  
00:04:46,189 --> 00:04:43,740  
theorists Stormer is not concerned about

102  
00:04:49,790 --> 00:04:46,199  
the actual nature of the conspiracy for

103  
00:04:53,270 --> 00:04:49,800  
for him spending time on determining how

104  
00:04:55,129 --> 00:04:53,280  
exactly any conspiracy might work takes

105  
00:04:56,990 --> 00:04:55,139  
valuable time and resources away from

106  
00:04:59,090 --> 00:04:57,000  
educating the general public about the

107  
00:05:01,670 --> 00:04:59,100  
actual problem going on the actual

108  
00:05:04,189 --> 00:05:01,680  
communist influence around the world and

109  
00:05:06,770 --> 00:05:04,199  
in the United States which he sort of

110  
00:05:08,930 --> 00:05:06,780  
summarizes as things like sort of

111  
00:05:10,430 --> 00:05:08,940  
manufactured fake inflation to keep

112  
00:05:13,610 --> 00:05:10,440  
people poor

113  
00:05:15,650 --> 00:05:13,620

um treaties that are not properly

114

00:05:18,530 --> 00:05:15,660

negotiated and ratified to put the

115

00:05:21,170 --> 00:05:18,540

United States at a disadvantage and

116

00:05:23,450 --> 00:05:21,180

things like uh foreign aid and things

117

00:05:25,010 --> 00:05:23,460

like that so in something that is

118

00:05:27,890 --> 00:05:25,020

actually kind of unusual for a lot of

119

00:05:29,930 --> 00:05:27,900

conspiracy theorists Stormer is not

120

00:05:32,390 --> 00:05:29,940

concerned about

121

00:05:35,990 --> 00:05:32,400

the actual nature of the conspiracy for

122

00:05:39,469 --> 00:05:36,000

for him spending time on determining how

123

00:05:41,390 --> 00:05:39,479

exactly any conspiracy might work takes

124

00:05:43,189 --> 00:05:41,400

valuable time and resources away from

125

00:05:45,290 --> 00:05:43,199

educating the general public about the

126

00:05:47,870 --> 00:05:45,300

actual problem going on the actual

127

00:05:50,390 --> 00:05:47,880

communist influence around the world and

128

00:05:52,969 --> 00:05:50,400

in the United States which he sort of

129

00:05:55,129 --> 00:05:52,979

summarizes as things like sort of

130

00:05:56,629 --> 00:05:55,139

manufactured fake inflation to keep

131

00:05:59,749 --> 00:05:56,639

people poor

132

00:06:01,850 --> 00:05:59,759

um treaties that are not properly

133

00:06:04,730 --> 00:06:01,860

negotiated and ratified to put the

134

00:06:07,370 --> 00:06:04,740

United States at a disadvantage and

135

00:06:10,070 --> 00:06:07,380

things like uh foreign aid and things

136

00:06:13,010 --> 00:06:10,080

like that now other writers later would

137

00:06:16,370 --> 00:06:13,020

spend a huge amount of time looking into

138

00:06:20,450 --> 00:06:16,380

the detailed nature of the apparent

139

00:06:22,070 --> 00:06:20,460

conspiracy in 1971 oh I should say I

140

00:06:22,670 --> 00:06:22,080

should say this here

141

00:06:25,129 --> 00:06:22,680

um

142

00:06:28,309 --> 00:06:25,139

John stormer's book none dare call it

143

00:06:31,550 --> 00:06:28,319

treason was the first Conspiracy Theory

144

00:06:33,950 --> 00:06:31,560

Book I ever read I was

145

00:06:36,469 --> 00:06:33,960

um probably 15

146

00:06:40,850 --> 00:06:36,479

and I was a freshman in high school and

147

00:06:43,909 --> 00:06:40,860

it was in our school library

148

00:06:47,270 --> 00:06:43,919

um sort of buried in the back and kind

149

00:06:49,790 --> 00:06:47,280

of a beat up paperback and I remember

150

00:06:51,309 --> 00:06:49,800

reading it and this would have been this

151  
00:06:54,230 --> 00:06:51,319  
would have been

152  
00:06:56,749 --> 00:06:54,240  
1990 or so

153  
00:06:58,550 --> 00:06:56,759  
um so a lot of the stuff he said about

154  
00:07:00,529 --> 00:06:58,560  
communism you know being being

155  
00:07:03,409 --> 00:07:00,539  
triumphant and invading the United

156  
00:07:05,749 --> 00:07:03,419  
States you had you know begun to ring

157  
00:07:08,390 --> 00:07:05,759  
very Hollow by then so I didn't find it

158  
00:07:11,330 --> 00:07:08,400  
particularly particularly

159  
00:07:16,129 --> 00:07:11,340  
um persuasive at that point

160  
00:07:19,490 --> 00:07:16,139  
so anyway in 1971 Gary Allen wrote a

161  
00:07:21,469 --> 00:07:19,500  
book that sort of ripped off stormer's

162  
00:07:23,930 --> 00:07:21,479  
book tile he called it none dare call it

163  
00:07:25,850 --> 00:07:23,940

conspiracy and it focuses more

164

00:07:28,850 --> 00:07:25,860

extensively on what would become within

165

00:07:32,089 --> 00:07:28,860

a few decades the well-worn paranoid

166

00:07:34,550 --> 00:07:32,099

tropes of a Central Banking conspiracy

167

00:07:37,670 --> 00:07:34,560

pointing to the Rothschild and Warburg

168

00:07:39,589 --> 00:07:37,680

families and JP Morgan as key figures in

169

00:07:43,730 --> 00:07:39,599

an effort to create the Federal Reserve

170

00:07:46,850 --> 00:07:43,740

System long a bug bear of uh conspiracy

171

00:07:49,010 --> 00:07:46,860

thinkers Alan also adhered to a more

172

00:07:51,650 --> 00:07:49,020

conspiratorial view of History than

173

00:07:54,249 --> 00:07:51,660

Stormer did um Stormer was very focused

174

00:07:56,050 --> 00:07:54,259

on the post-world War II Cold War

175

00:07:59,570 --> 00:07:56,060

context

176

00:08:01,189 --> 00:07:59,580

Allen says quote well all the standard

177

00:08:03,950 --> 00:08:01,199

reasons given for the outbreak of World

178

00:08:05,749 --> 00:08:03,960

War One were doubtless factors that were

179

00:08:07,909 --> 00:08:05,759

also more important causes the

180

00:08:11,510 --> 00:08:07,919

conspiracy had been planning the war for

181

00:08:14,270 --> 00:08:11,520

over two decades yes the conspiracy who

182

00:08:17,029 --> 00:08:14,280

are the conspiracy Allen focuses on the

183

00:08:20,330 --> 00:08:17,039

role of political and cultural insiders

184

00:08:22,550 --> 00:08:20,340

that's his term insiders and he singles

185

00:08:24,650 --> 00:08:22,560

out the Council on Foreign Relations and

186

00:08:27,650 --> 00:08:24,660

the bilderberger organization

187

00:08:30,050 --> 00:08:27,660

singles out those insiders as having a

188

00:08:31,369 --> 00:08:30,060

role in shaping foreign policy in ways

189

00:08:34,070 --> 00:08:31,379

that are detrimental to the United

190

00:08:39,290 --> 00:08:34,080

States but beneficial for the goals of

191

00:08:43,430 --> 00:08:41,870

yes the Insiders have no aversion to

192

00:08:45,590 --> 00:08:43,440

working with the Communists whose

193

00:08:47,630 --> 00:08:45,600

ostensible goal is to destroy them while

194

00:08:49,370 --> 00:08:47,640

the Insiders are serving champagne and

195

00:08:51,590 --> 00:08:49,380

caviar to their guests in their summer

196

00:08:53,090 --> 00:08:51,600

Mansions at Newport or entertaining

197

00:08:55,130 --> 00:08:53,100

other members of the social Elites

198

00:08:57,290 --> 00:08:55,140

aboard their Yachts their agents are out

199

00:08:59,810 --> 00:08:57,300

enslaving and murdering people and you

200

00:09:01,670 --> 00:08:59,820

are next on their list it should not be

201  
00:09:03,290 --> 00:09:01,680  
surprising to learn that there is on the

202  
00:09:05,030 --> 00:09:03,300  
international level an organizational

203  
00:09:07,610 --> 00:09:05,040  
equivalent of the Council on Foreign

204  
00:09:10,009 --> 00:09:07,620  
Relations this group calls itself the

205  
00:09:12,410 --> 00:09:10,019  
Builder Burgers if scarcely one American

206  
00:09:15,110 --> 00:09:12,420  
and a thousand has any familiarity with

207  
00:09:16,670 --> 00:09:15,120  
the CFR it is doubtful that one in five

208  
00:09:19,670 --> 00:09:16,680  
thousand has any knowledge of the

209  
00:09:20,690 --> 00:09:19,680  
bilderbergers again this is not

210  
00:09:22,550 --> 00:09:20,700  
accidental

211  
00:09:24,350 --> 00:09:22,560  
[Music]

212  
00:09:25,850 --> 00:09:24,360  
so how do these International groups of

213  
00:09:28,070 --> 00:09:25,860

insiders the Council on Foreign

214

00:09:30,350 --> 00:09:28,080

Relations the the Builder Burgers how do

215

00:09:32,930 --> 00:09:30,360

these interface with American policy

216

00:09:35,449 --> 00:09:32,940

making and contribute to the plan to

217

00:09:37,250 --> 00:09:35,459

enslave us all Allen observes that

218

00:09:39,170 --> 00:09:37,260

prominent members of both the Republican

219

00:09:41,090 --> 00:09:39,180

and Democratic parties are members of

220

00:09:42,350 --> 00:09:41,100

the Council on Foreign Relations along

221

00:09:44,930 --> 00:09:42,360

with officials from many key

222

00:09:46,850 --> 00:09:44,940

corporations giving lie to the supposed

223

00:09:49,610 --> 00:09:46,860

division with the American political

224

00:09:51,769 --> 00:09:49,620

system if you've seen sort of complaints

225

00:09:53,449 --> 00:09:51,779

about it's a uniparty there's no

226

00:09:56,090 --> 00:09:53,459

difference between the two parties this

227

00:09:58,490 --> 00:09:56,100

is not a new a new issue or a new

228

00:10:01,190 --> 00:09:58,500

complaint a key part of this entire

229

00:10:03,290 --> 00:10:01,200

Insider system was the Rockefeller

230

00:10:05,870 --> 00:10:03,300

family from its roots with John D

231

00:10:08,030 --> 00:10:05,880

Rockefeller whom Alan connects with JP

232

00:10:09,530 --> 00:10:08,040

Morgan and the Rothschilds to its

233

00:10:11,110 --> 00:10:09,540

contemporary descendants and their

234

00:10:13,550 --> 00:10:11,120

influence in the Nixon Administration

235

00:10:16,370 --> 00:10:13,560

politicians like Nelson Rockefeller and

236

00:10:18,769 --> 00:10:16,380

David Rockefeller for example Allen

237

00:10:21,050 --> 00:10:18,779

identified individuals and organizations

238

00:10:23,329 --> 00:10:21,060

that readers could pretty easily track

239

00:10:25,550 --> 00:10:23,339

just by reading their daily newspapers

240

00:10:27,050 --> 00:10:25,560

so what he does and this is a pretty

241

00:10:29,030 --> 00:10:27,060

popular book this wasn't you know

242

00:10:32,210 --> 00:10:29,040

something just just sold at gun shows

243

00:10:35,570 --> 00:10:32,220

and and like in back alleys people are

244

00:10:37,490 --> 00:10:35,580

able to become their own conspiracy

245

00:10:40,610 --> 00:10:37,500

theorists in their own living rooms they

246

00:10:43,130 --> 00:10:40,620

could keep track of who is doing what

247

00:10:45,949 --> 00:10:43,140

and which Rockefellers are saying which

248

00:10:48,230 --> 00:10:45,959

things like for example when the

249

00:10:50,090 --> 00:10:48,240

Watergate scandal happens and Nixon

250

00:10:52,310 --> 00:10:50,100

resigns and Gerald Ford becomes

251  
00:10:54,470 --> 00:10:52,320  
president who does he appoint and who

252  
00:10:58,310 --> 00:10:54,480  
does the senate confirm as the new vice

253  
00:11:00,470 --> 00:10:58,320  
president Nelson Rockefeller so you know

254  
00:11:04,430 --> 00:11:00,480  
people are paying attention to these

255  
00:11:08,389 --> 00:11:04,440  
things and into this milieu Comes Peter

256  
00:11:11,990 --> 00:11:08,399  
David beader so he

257  
00:11:15,829 --> 00:11:12,000  
he he's an interesting guy he might have

258  
00:11:16,910 --> 00:11:15,839  
been considered one of these insiders at

259  
00:11:20,829 --> 00:11:16,920  
the time

260  
00:11:23,810 --> 00:11:20,839  
um this is the bio from the Peter

261  
00:11:27,290 --> 00:11:23,820  
davidbeader.com website which still

262  
00:11:28,550 --> 00:11:27,300  
exists and is a fantastic Resource as

263  
00:11:32,449 --> 00:11:28,560

long as all you're looking for is stuff

264

00:11:37,009 --> 00:11:34,670

Dr Peter was General Counsel for the

265

00:11:38,389 --> 00:11:37,019

export import Bank of Washington a

266

00:11:41,150 --> 00:11:38,399

candidate for the governorship of West

267

00:11:43,370 --> 00:11:41,160

Virginia co-founded so desmir a mineral

268

00:11:45,050 --> 00:11:43,380

exploration company in Zaire he

269

00:11:46,790 --> 00:11:45,060

represented American Gas Utilities

270

00:11:49,130 --> 00:11:46,800

building a pipeline under the length of

271

00:11:50,930 --> 00:11:49,140

Argentina represented mining interests

272

00:11:53,210 --> 00:11:50,940

in underwater manganese nodule

273

00:11:55,009 --> 00:11:53,220

exploration in the Pacific was featured

274

00:11:57,590 --> 00:11:55,019

at Financial seminars in New York City

275

00:11:59,630 --> 00:11:57,600

Los Angeles San Francisco Toronto

276

00:12:02,150 --> 00:11:59,640

Montreal Geneva and other International

277

00:12:04,130 --> 00:12:02,160

Financial Centers as a political and

278

00:12:05,930 --> 00:12:04,140

economic commentator Dr Peter worked

279

00:12:08,690 --> 00:12:05,940

with Wall Street luminaries including

280

00:12:11,750 --> 00:12:08,700

Franz pick Edward Darrell Colonel Curtis

281

00:12:13,610 --> 00:12:11,760

Dahl Norman Dodd Emmanuel Josephson and

282

00:12:15,769 --> 00:12:13,620

many others he wrote prolifically

283

00:12:18,110 --> 00:12:15,779

including his book conspiracy against

284

00:12:19,970 --> 00:12:18,120

the dollar through his tapes Peter

285

00:12:22,670 --> 00:12:19,980

influenced various people such as the

286

00:12:24,290 --> 00:12:22,680

1980s punk band The Wanderers in the

287

00:12:26,870 --> 00:12:24,300

controversial Crusaders comic book

288

00:12:29,930 --> 00:12:26,880

series published by Jack T chick double

289

00:12:32,210 --> 00:12:29,940

cross Alberto part two Peter Peter is

290

00:12:34,550 --> 00:12:32,220

cited as a reliable Authority on why the

291

00:12:37,790 --> 00:12:34,560

body account changed in the wake of the

292

00:12:43,310 --> 00:12:41,630

Dr Peter's doctorate was legitimate in

293

00:12:45,190 --> 00:12:43,320

the sense that he had a Juris doctor

294

00:12:48,590 --> 00:12:45,200

degree meaning he had been to law school

295

00:12:51,170 --> 00:12:48,600

generally lawyers with a JD are not

296

00:12:53,569 --> 00:12:51,180

referred to as doctor but sometimes they

297

00:12:56,389 --> 00:12:53,579

do because it kind of boosts their their

298

00:12:58,310 --> 00:12:56,399

profile a bit and also because we won't

299

00:13:01,310 --> 00:12:58,320

get to every one of Dr Peter's ideas

300

00:13:03,050 --> 00:13:01,320

here his theory or his the reference to

301  
00:13:05,090 --> 00:13:03,060  
the Jonestown Massacre he said that it

302  
00:13:08,509 --> 00:13:05,100  
was staged to camouflage a joint U.S

303  
00:13:10,490 --> 00:13:08,519  
Israeli military operation to take out a

304  
00:13:13,069 --> 00:13:10,500  
Soviet missile base in Guiana the the

305  
00:13:14,690 --> 00:13:13,079  
people who were killed at Jonestown were

306  
00:13:16,310 --> 00:13:14,700  
not part of any sort of death cult

307  
00:13:18,949 --> 00:13:16,320  
rather those were the bodies of

308  
00:13:21,590 --> 00:13:18,959  
everybody killed in the raid and this

309  
00:13:23,389 --> 00:13:21,600  
was a a scam to prevent people from

310  
00:13:25,490 --> 00:13:23,399  
knowing about the Soviet missile base

311  
00:13:27,769 --> 00:13:25,500  
Peter believed that the Western

312  
00:13:29,629 --> 00:13:27,779  
Hemisphere was filled with secret Soviet

313  
00:13:32,389 --> 00:13:29,639

nuclear missile bases all aimed at the

314

00:13:34,069 --> 00:13:32,399

United States that the Insiders were not

315

00:13:36,290 --> 00:13:34,079

telling us about because it was part of

316

00:13:38,030 --> 00:13:36,300

the Rockefeller plan to eventually

317

00:13:40,069 --> 00:13:38,040

destroy America

318

00:13:41,870 --> 00:13:40,079

his book conspiracy against the dollar

319

00:13:48,050 --> 00:13:41,880

basically

320

00:13:50,750 --> 00:13:48,060

the 1970s ask your parents kids

321

00:13:54,949 --> 00:13:50,760

um on the manipulation of gold and the

322

00:13:57,410 --> 00:13:54,959

actual sort of stealing of gold from the

323

00:14:00,350 --> 00:13:57,420

United States who stole the gold from

324

00:14:04,009 --> 00:14:00,360

the United States oh the Rockefeller

325

00:14:06,949 --> 00:14:04,019

family of course this was detailed in a

326

00:14:09,370 --> 00:14:06,959

newspaper article the California Desert

327

00:14:12,650 --> 00:14:09,380

Sun the October 7th

328

00:14:15,290 --> 00:14:12,660

1974 Edition there's an article about

329

00:14:16,970 --> 00:14:15,300

basically how the Rockefeller nobody

330

00:14:20,930 --> 00:14:16,980

likes the Rockefellers is basically the

331

00:14:25,190 --> 00:14:23,329

one Rockefeller detractor Peter Peter

332

00:14:27,050 --> 00:14:25,200

even charged that the golden Fort Knox

333

00:14:28,850 --> 00:14:27,060

had been Spirited Away in the dead of

334

00:14:31,430 --> 00:14:28,860

night only to wind up in the European

335

00:14:33,590 --> 00:14:31,440

vaults of David Rockefeller this charge

336

00:14:35,210 --> 00:14:33,600

was proved to be erroneous as Mary T

337

00:14:37,370 --> 00:14:35,220

Brooks director of the U.S mint

338

00:14:39,470 --> 00:14:37,380

conducted a group of congressmen on a

339

00:14:44,810 --> 00:14:39,480

rare visit to the Kentucky vaults yes

340

00:14:48,829 --> 00:14:46,910

Peter wood may be predictably claimed

341

00:14:52,189 --> 00:14:48,839

that this proved nothing because he was

342

00:14:55,910 --> 00:14:52,199

very mysteriously and suspiciously not

343

00:14:59,509 --> 00:14:55,920

allowed to go along on the inspection of

344

00:15:03,170 --> 00:14:59,519

the Fort Knox vaults so Dr beader would

345

00:15:04,310 --> 00:15:03,180

communicate with his followers his I

346

00:15:06,410 --> 00:15:04,320

don't want to say disciples but the

347

00:15:10,069 --> 00:15:06,420

people who paid attention to him through

348

00:15:12,230 --> 00:15:10,079

audio tapes these were a thing that used

349

00:15:14,329 --> 00:15:12,240

to exist and still do they're making a

350

00:15:17,090 --> 00:15:14,339

comeback which is deeply stupid it's not

351

00:15:19,790 --> 00:15:17,100

like vinyl vinyl had a distinct sound

352

00:15:22,250 --> 00:15:19,800

that was pleasant cassette tapes were

353

00:15:24,050 --> 00:15:22,260

stupid and anyway

354

00:15:28,189 --> 00:15:24,060

um Dr beater

355

00:15:30,050 --> 00:15:28,199

sent out tapes usually monthly but not

356

00:15:32,870 --> 00:15:30,060

always sometimes he would be waylaid by

357

00:15:35,889 --> 00:15:32,880

illness or conspirators or something but

358

00:15:38,269 --> 00:15:35,899

this is how his first audio letter began

359

00:15:40,910 --> 00:15:38,279

hello my friends

360

00:15:44,689 --> 00:15:40,920

this is Dr Peter speaking

361

00:15:46,910 --> 00:15:44,699

today is June 21 1975.

362

00:15:48,949 --> 00:15:46,920

and this is my monthly audio letter

363

00:15:50,689 --> 00:15:48,959

number one

364

00:15:52,310 --> 00:15:50,699

a lot of things have been happening

365

00:15:54,110 --> 00:15:52,320

lately they'll probably have you

366

00:15:57,050 --> 00:15:54,120

concerned and puzzled

367

00:15:59,449 --> 00:15:57,060

things like the Maya gas affair

368

00:16:02,030 --> 00:15:59,459

the prospect of financial collapse of

369

00:16:05,269 --> 00:16:02,040

New York City with Domino effects

370

00:16:08,569 --> 00:16:05,279

throughout the economy and so on

371

00:16:10,490 --> 00:16:08,579

and all these things are important

372

00:16:12,170 --> 00:16:10,500

but what I hope to do in my monthly

373

00:16:14,210 --> 00:16:12,180

reports to you

374

00:16:17,889 --> 00:16:14,220

is to try to focus your attention

375

00:16:20,569 --> 00:16:17,899

squarely on the most basic developments

376

00:16:22,009 --> 00:16:20,579

understanding these most basic matters

377

00:16:25,129 --> 00:16:22,019

will I believe

378

00:16:27,949 --> 00:16:25,139

enable you increasingly to grasp the

379

00:16:29,210 --> 00:16:27,959

significance of details in the news

380

00:16:31,490 --> 00:16:29,220

yourself

381

00:16:34,490 --> 00:16:31,500

and once the American public can see

382

00:16:37,370 --> 00:16:34,500

through the daily diet of clever subtle

383

00:16:40,490 --> 00:16:37,380

propaganda which is served up by the

384

00:16:43,670 --> 00:16:40,500

major media as news when it really is

385

00:16:45,710 --> 00:16:43,680

not news at all then The Jig will be up

386

00:16:49,670 --> 00:16:45,720

for those who are trying to take our

387

00:16:51,769 --> 00:16:49,680

country and our freedom away from us

388

00:16:54,170 --> 00:16:51,779

in this audio letter

389

00:16:55,569 --> 00:16:54,180

I therefore want to discuss just three

390

00:16:58,850 --> 00:16:55,579

topics

391

00:17:02,210 --> 00:16:58,860

one an important matter concerning

392

00:17:04,789 --> 00:17:02,220

evidence in the Fort Knox gold scandal

393

00:17:07,669 --> 00:17:04,799

two recent indications from President

394

00:17:09,970 --> 00:17:07,679

Ford that the plans for economic

395

00:17:13,429 --> 00:17:09,980

depression and dictatorship in America

396

00:17:16,490 --> 00:17:13,439

are still on track

397

00:17:17,870 --> 00:17:16,500

and an introduction to our next

398

00:17:20,169 --> 00:17:17,880

president

399

00:17:23,990 --> 00:17:20,179

and would be dictator

400

00:17:25,909 --> 00:17:24,000

Nelson Holdridge Rockefeller this is a

401

00:17:28,909 --> 00:17:25,919

pretty good sampling of the types of

402

00:17:31,310 --> 00:17:28,919

topics he covered especially early on in

403

00:17:33,409 --> 00:17:31,320

the series of audio letters there were

404

00:17:35,450 --> 00:17:33,419

there was Nelson Rockefeller is going to

405

00:17:37,730 --> 00:17:35,460

be a dictator there's an economic

406

00:17:40,730 --> 00:17:37,740

collapse and something about Fort Knox

407

00:17:44,870 --> 00:17:40,740

my favorite Peter beater Fort Knox

408

00:17:48,049 --> 00:17:44,880

theory is that there was a plan to use

409

00:17:50,750 --> 00:17:48,059

nuclear material to irradiate the gold

410

00:17:53,870 --> 00:17:50,760

in Fort Knox to crash the economy yes

411

00:17:56,690 --> 00:17:53,880

that is remarkably similar to aspects of

412

00:17:58,310 --> 00:17:56,700

the plot of the Bond film and novel

413

00:18:02,770 --> 00:17:58,320

Goldfinger

414

00:18:06,169 --> 00:18:02,780

so how is this economic crash

415

00:18:09,110 --> 00:18:06,179

Rockefeller takeover supposed to work

416

00:18:10,490 --> 00:18:09,120

this plan is for the United States to be

417

00:18:12,890 --> 00:18:10,500

manipulated

418

00:18:16,010 --> 00:18:12,900

into terrible economic Straits by

419

00:18:18,230 --> 00:18:16,020

election day 1976.

420

00:18:20,990 --> 00:18:18,240

so as to complete the collapse of

421

00:18:23,150 --> 00:18:21,000

confidence in our free way of life

422

00:18:26,090 --> 00:18:23,160

that has been fostered increasingly

423

00:18:27,650 --> 00:18:26,100

through educational and other means for

424

00:18:30,950 --> 00:18:27,660

decades

425

00:18:34,190 --> 00:18:30,960

on Election Day 1976

426

00:18:35,630 --> 00:18:34,200

we are to vote among other things in a

427

00:18:38,750 --> 00:18:35,640

referendum

428

00:18:39,890 --> 00:18:38,760

not a customary procedure at all here in

429

00:18:43,190 --> 00:18:39,900

America

430

00:18:46,669 --> 00:18:43,200

to scrap our present Constitution

431

00:18:49,010 --> 00:18:46,679

and accept a new one in its Stead

432

00:18:51,169 --> 00:18:49,020

the new constitution

433

00:18:53,990 --> 00:18:51,179

which is to be the subject of an audio

434

00:18:56,930 --> 00:18:54,000

book I plan to take soon

435

00:18:59,289 --> 00:18:56,940

has already been written and would

436

00:19:02,930 --> 00:18:59,299

totally reorganize our government along

437

00:19:03,970 --> 00:19:02,940

totalitarian lines and abolish Free

438

00:19:07,070 --> 00:19:03,980

## Enterprise

439

00:19:10,370 --> 00:19:07,080

in favor of total governmental control

440

00:19:12,890 --> 00:19:10,380

and regulation so as you may know Nelson

441

00:19:14,810 --> 00:19:12,900

Rockefeller never became president he

442

00:19:16,549 --> 00:19:14,820

was Gerald Ford's vice president during

443

00:19:19,750 --> 00:19:16,559

Gerald Ford's term and actually

444

00:19:22,310 --> 00:19:19,760

Rockefeller didn't even survive

445

00:19:26,390 --> 00:19:22,320

politically to be

446

00:19:29,750 --> 00:19:26,400

Ford's running mate when he ran in 1976

447

00:19:32,750 --> 00:19:29,760

Ford went with uh went with Bob Dole so

448

00:19:35,029 --> 00:19:32,760

Jimmy Carter gets elected in 1976 what's

449

00:19:36,289 --> 00:19:35,039

the deal with that why would Jimmy

450

00:19:38,270 --> 00:19:36,299

Carter be president when the

451  
00:19:40,490 --> 00:19:38,280  
Rockefellers are in control well because

452  
00:19:43,730 --> 00:19:40,500  
the Rockefellers were controlling Jimmy

453  
00:19:46,549 --> 00:19:43,740  
Carter obviously who was Carter's key

454  
00:19:48,590 --> 00:19:46,559  
foreign policy advisor that's right a

455  
00:19:50,510 --> 00:19:48,600  
guy named Brzezinski

456  
00:19:52,430 --> 00:19:50,520  
what does Brzezinski do in his spare

457  
00:19:54,650 --> 00:19:52,440  
time he's the director of the powerful

458  
00:19:57,430 --> 00:19:54,660  
trilateral Commission on behalf of David

459  
00:20:00,950 --> 00:19:57,440  
Rockefeller so

460  
00:20:02,390 --> 00:20:00,960  
you know the Rockefellers are behind

461  
00:20:05,090 --> 00:20:02,400  
everything but one of the things I like

462  
00:20:07,130 --> 00:20:05,100  
about beaters tapes is that he always

463  
00:20:09,409 --> 00:20:07,140

lays out at the beginning after a little

464

00:20:11,930 --> 00:20:09,419

introduction three things he's going to

465

00:20:13,430 --> 00:20:11,940

talk about here's some examples of those

466

00:20:15,950 --> 00:20:13,440

three things

467

00:20:18,010 --> 00:20:15,960

my three topics today are

468

00:20:21,350 --> 00:20:18,020

topic number one

469

00:20:23,470 --> 00:20:21,360

conspiracy for economic destruction

470

00:20:27,049 --> 00:20:23,480

topic number two

471

00:20:29,470 --> 00:20:27,059

conspiracy for political destruction

472

00:20:33,230 --> 00:20:29,480

and topic number three

473

00:20:36,289 --> 00:20:33,240

conspiracy to achieve destruction of

474

00:20:38,150 --> 00:20:36,299

human lives now unless you think this is

475

00:20:40,669 --> 00:20:38,160

all just sort of political and

476  
00:20:44,090 --> 00:20:40,679  
especially economic conspiracy I'm going

477  
00:20:46,970 --> 00:20:44,100  
to look at two topics in particular that

478  
00:20:48,409 --> 00:20:46,980  
Peter became probably the most well

479  
00:20:51,770 --> 00:20:48,419  
known for if anybody knows about Dr

480  
00:20:53,870 --> 00:20:51,780  
Peter they look at two things the first

481  
00:20:54,950 --> 00:20:53,880  
is something called the battle of the

482  
00:20:58,669 --> 00:20:54,960  
Harvest Moon

483  
00:21:01,850 --> 00:20:58,679  
and the second is something called The

484  
00:21:04,970 --> 00:21:01,860  
War of the doubles or the topic of

485  
00:21:08,340 --> 00:21:04,980  
organic robotoids and we're going to

486  
00:21:15,350 --> 00:21:08,350  
look at those two things after our break

487  
00:21:19,430 --> 00:21:17,450  
if you like the saucer life and you want

488  
00:21:21,830 --> 00:21:19,440

more you can support us in exchange for

489

00:21:23,870 --> 00:21:21,840

bonus content and all kinds of things

490

00:21:25,789 --> 00:21:23,880

patrons get the episodes before

491

00:21:27,529 --> 00:21:25,799

everybody else and there are a few

492

00:21:29,990 --> 00:21:27,539

pieces of bonus content that show up

493

00:21:32,570 --> 00:21:30,000

every month recently we've done some

494

00:21:35,090 --> 00:21:32,580

watch alongs of classic episodes of the

495

00:21:38,330 --> 00:21:35,100

Dragnet with flying saucers show project

496

00:21:41,029 --> 00:21:38,340

UFO we've explored the alien love life

497

00:21:42,830 --> 00:21:41,039

of Bob Bernard a bit more deeply and

498

00:21:46,190 --> 00:21:42,840

looked at what happens when you ask chat

499

00:21:47,690 --> 00:21:46,200

GPT to invent a contact e story if

500

00:21:50,210 --> 00:21:47,700

you're interested in supporting the show

501  
00:21:52,810 --> 00:21:50,220  
and getting more stuff you can check it

502  
00:21:58,610 --> 00:21:55,970  
patreon.comedia or via the link in the

503  
00:22:00,770 --> 00:21:58,620  
show notes you can also check out past

504  
00:22:04,070 --> 00:22:00,780  
episodes at saucerlife.com or your

505  
00:22:06,710 --> 00:22:04,080  
favorite podcast app there's gosh

506  
00:22:09,289 --> 00:22:06,720  
pushing 200 of them so far it's it's

507  
00:22:11,690 --> 00:22:09,299  
it's it's gotten out of control and as

508  
00:22:14,090 --> 00:22:11,700  
always we're on Twitter and Instagram at

509  
00:22:17,390 --> 00:22:14,100  
saucer life you can also email us at

510  
00:22:21,649 --> 00:22:17,400  
thesauce or life at gmail.com or contact

511  
00:22:24,130 --> 00:22:21,659  
us by post at chisomedia PO Box 68 Grand

512  
00:22:27,289 --> 00:22:24,140  
Blanc Michigan

513  
00:22:29,690 --> 00:22:27,299

48480 and one of the things we would

514

00:22:31,250 --> 00:22:29,700

like always in correspondence is

515

00:22:34,730 --> 00:22:31,260

feedback on the most recent episode

516

00:22:39,830 --> 00:22:34,740

which we sort of go over uh here during

517

00:22:46,270 --> 00:22:39,840

the Midway segment of the show and we

518

00:22:50,570 --> 00:22:46,280

got a lot of feedback from our mufon89

519

00:22:55,490 --> 00:22:50,580

episode so uh let's uh let's get into

520

00:22:58,130 --> 00:22:55,500

that and I did ask uh if for people to

521

00:23:00,890 --> 00:22:58,140

if they liked let us know what they

522

00:23:04,130 --> 00:23:00,900

would have done if they were in uh Bill

523

00:23:06,890 --> 00:23:04,140

Moore's situation there in the in the

524

00:23:09,409 --> 00:23:06,900

early 1980s would they have provided

525

00:23:10,970 --> 00:23:09,419

some feedback to the powers that be on

526

00:23:19,909 --> 00:23:10,980

the

527

00:23:24,110 --> 00:23:19,919

something done something different so

528

00:23:25,330 --> 00:23:24,120

let's go ahead and dive into uh dive

529

00:23:27,409 --> 00:23:25,340

into that

530

00:23:30,409 --> 00:23:27,419

correspondence and I'll try to keep

531

00:23:33,289 --> 00:23:30,419

track of where everybody uh is community

532

00:23:35,630 --> 00:23:33,299

what how everybody's communicating with

533

00:23:39,590 --> 00:23:35,640

me I think the screenshots I have here

534

00:23:41,630 --> 00:23:39,600

will allow me to do that so now in no

535

00:23:44,110 --> 00:23:41,640

particular order here we go

536

00:23:47,870 --> 00:23:44,120

um commenting on the softer life website

537

00:23:49,730 --> 00:23:47,880

Rob says have read project beta and

538

00:23:52,970 --> 00:23:49,740

Mirage mend and impuzzled as to why

539

00:23:54,409 --> 00:23:52,980

Dodie Moore Etc did this benowa worked

540

00:23:55,430 --> 00:23:54,419

as a government contractor and

541

00:23:57,710 --> 00:23:55,440

apparently was a traditional

542

00:23:59,930 --> 00:23:57,720

conservative patriotic pro-military type

543

00:24:02,029 --> 00:23:59,940

wouldn't it have made more sense to just

544

00:24:03,950 --> 00:24:02,039

say basically yeah we're experimenting

545

00:24:05,810 --> 00:24:03,960

with some fancy new tech here can't tell

546

00:24:07,669 --> 00:24:05,820

you about it but be quiet do your

547

00:24:09,350 --> 00:24:07,679

patriotic Duty and when we can we'll

548

00:24:10,370 --> 00:24:09,360

sort you out with some lucrative work in

549

00:24:12,230 --> 00:24:10,380

the future

550

00:24:13,909 --> 00:24:12,240

instead they waged a campaign of

551

00:24:16,370 --> 00:24:13,919

psychological warfare against the guy

552

00:24:18,230 --> 00:24:16,380

was it because he was already into UFO

553

00:24:20,210 --> 00:24:18,240

stuff and they ascertained secretly that

554

00:24:21,669 --> 00:24:20,220

he was prone to mental health issues and

555

00:24:25,909 --> 00:24:21,679

they just decided to push them along

556

00:24:29,210 --> 00:24:25,919

nothing really makes sense in the UFO

557

00:24:30,890 --> 00:24:29,220

intelligence crossover world that's a

558

00:24:34,190 --> 00:24:30,900

good question

559

00:24:36,470 --> 00:24:34,200

um I think part of it is

560

00:24:38,210 --> 00:24:36,480

that just just from what I read and how

561

00:24:40,310 --> 00:24:38,220

I read things and how things appeared to

562

00:24:44,529 --> 00:24:40,320

me as I read things and this might not

563

00:24:48,770 --> 00:24:44,539

be entirely correct I kind of wonder if

564

00:24:51,649 --> 00:24:48,780

benowitz would have already been

565

00:24:55,669 --> 00:24:51,659

so he was I feel was already all in on

566

00:24:58,610 --> 00:24:55,679

the UFO aspect of it with the work with

567

00:25:00,830 --> 00:24:58,620

the abductee he was he was involved with

568

00:25:04,070 --> 00:25:00,840

and and things like that I'm wondering

569

00:25:06,770 --> 00:25:04,080

if he would have believed them if they

570

00:25:09,470 --> 00:25:06,780

said you know it's it's you know secret

571

00:25:12,110 --> 00:25:09,480

keep keep it under your hat we'll hook

572

00:25:13,970 --> 00:25:12,120

you up with more work later I wonder if

573

00:25:16,130 --> 00:25:13,980

if they would have ended up having to to

574

00:25:19,010 --> 00:25:16,140

do something additional down the road if

575

00:25:22,669 --> 00:25:19,020

he was already sort of in that UFO Zone

576

00:25:24,230 --> 00:25:22,679

I think maybe perhaps there's an element

577

00:25:26,269 --> 00:25:24,240

of

578

00:25:30,430 --> 00:25:26,279

wanting to know

579

00:25:33,590 --> 00:25:30,440

sort of or to study or to examine how

580

00:25:36,649 --> 00:25:33,600

disinformation could spread within the

581

00:25:40,370 --> 00:25:36,659

UFO Community maybe just as a case study

582

00:25:44,630 --> 00:25:40,380

perhaps or or a way to have some Avenues

583

00:25:48,710 --> 00:25:44,640

set up in the future if and when they

584

00:25:49,789 --> 00:25:48,720

needed to disinform people maybe I don't

585

00:25:52,909 --> 00:25:49,799

know

586

00:25:55,070 --> 00:25:52,919

Paul over on the patreon says one

587

00:25:56,690 --> 00:25:55,080

question prior to Moore's speech why

588

00:25:59,210 --> 00:25:56,700

were John Lear and his flunkies so

589

00:26:01,070 --> 00:25:59,220

opposed to the mj-12 narrative seems

590

00:26:04,130 --> 00:26:01,080

like it would have validated their

591

00:26:06,049 --> 00:26:04,140

government conspiracy claims oh that's a

592

00:26:07,549 --> 00:26:06,059

good question as well

593

00:26:09,350 --> 00:26:07,559

um

594

00:26:11,210 --> 00:26:09,360

and it's it's one of those things where

595

00:26:12,890 --> 00:26:11,220

there's a lot of

596

00:26:14,750 --> 00:26:12,900

conversation and things going back and

597

00:26:17,090 --> 00:26:14,760

forth and in speeches and in Internet

598

00:26:20,409 --> 00:26:17,100

posts that's or pre-internet posts

599

00:26:25,970 --> 00:26:20,419

that's hard to um hard to piece together

600

00:26:30,470 --> 00:26:25,980

my impression has always been that the

601  
00:26:35,210 --> 00:26:30,480  
uh the Lear English Cooper wing of

602  
00:26:38,450 --> 00:26:35,220  
things believed mj-12 was it was kind of

603  
00:26:41,690 --> 00:26:38,460  
a a smoke screen to hide just how deep

604  
00:26:43,430 --> 00:26:41,700  
and wide the conspiracy was mj12 said

605  
00:26:45,769 --> 00:26:43,440  
there's a there's a control group that's

606  
00:26:47,510 --> 00:26:45,779  
that's managing these things

607  
00:26:50,149 --> 00:26:47,520  
um and that would people would go down

608  
00:26:54,169 --> 00:26:50,159  
that Avenue and and not maybe listen to

609  
00:26:56,450 --> 00:26:54,179  
the abduction implant underground base

610  
00:26:57,769 --> 00:26:56,460  
wing of it

611  
00:27:00,289 --> 00:26:57,779  
um honestly I think part of it's

612  
00:27:04,130 --> 00:27:00,299  
probably that it took it took attention

613  
00:27:06,409 --> 00:27:04,140

away from John Lear this is this is

614

00:27:08,750 --> 00:27:06,419

documentation more in Chandarav and and

615

00:27:10,669 --> 00:27:08,760

Friedman had documentation that they

616

00:27:13,610 --> 00:27:10,679

were actively investigating

617

00:27:14,330 --> 00:27:13,620

what what did Lear have Lear had you

618

00:27:16,190 --> 00:27:14,340

know

619

00:27:17,390 --> 00:27:16,200

lots of people are saying and things

620

00:27:20,029 --> 00:27:17,400

like that

621

00:27:22,610 --> 00:27:20,039

Paul continues what would I do in his

622

00:27:24,529 --> 00:27:22,620

shoes it's hard to say if it's the 1980s

623

00:27:26,330 --> 00:27:24,539

without decades and Decades of a crude

624

00:27:27,649 --> 00:27:26,340

cynicism about the government and

625

00:27:29,810 --> 00:27:27,659

everything we've learned since then

626  
00:27:31,909 --> 00:27:29,820  
about domestic Cold War disinformation

627  
00:27:33,769 --> 00:27:31,919  
then yeah I'd have shared his reasoning

628  
00:27:36,230 --> 00:27:33,779  
and taken the deal from the vantage

629  
00:27:37,789 --> 00:27:36,240  
point of 2023 I'd like to think I'd be

630  
00:27:40,070 --> 00:27:37,799  
more circumspect but given the right

631  
00:27:43,130 --> 00:27:40,080  
offer I don't know if that would be the

632  
00:27:45,230 --> 00:27:43,140  
case yeah yeah I I think especially in

633  
00:27:47,409 --> 00:27:45,240  
terms of UFO stuff we're a lot more

634  
00:27:51,950 --> 00:27:47,419  
cynical about government disinformation

635  
00:27:54,950 --> 00:27:51,960  
uh in 1980 we we'd had Vietnam and the

636  
00:27:57,649 --> 00:27:54,960  
Pentagon papers and Watergate and the

637  
00:28:00,470 --> 00:27:57,659  
church committee I think in general

638  
00:28:02,390 --> 00:28:00,480

um there's there's some cynicism that

639

00:28:04,610 --> 00:28:02,400

that had built

640

00:28:08,090 --> 00:28:04,620

about the government and about the

641

00:28:10,669 --> 00:28:08,100

intelligence Community but within that

642

00:28:13,970 --> 00:28:10,679

that actual sort of specific UFO context

643

00:28:17,630 --> 00:28:13,980

yeah I I can absolutely see that

644

00:28:19,970 --> 00:28:17,640

Laura also over on patreon says I view

645

00:28:21,890 --> 00:28:19,980

Moore's speech as a watershed moment for

646

00:28:23,810 --> 00:28:21,900

ufology because of the doubt he cast on

647

00:28:26,029 --> 00:28:23,820

big theories like underground bases and

648

00:28:28,010 --> 00:28:26,039

alien implants even if you think he was

649

00:28:29,750 --> 00:28:28,020

a crank or a double disinformation agent

650

00:28:31,250 --> 00:28:29,760

his Revelations should still make you

651  
00:28:33,470 --> 00:28:31,260  
think twice about the reality of the

652  
00:28:35,690 --> 00:28:33,480  
theories also his comments on ufology

653  
00:28:37,190 --> 00:28:35,700  
remain True to this day I recently

654  
00:28:39,649 --> 00:28:37,200  
listened to some current opinions on the

655  
00:28:41,510 --> 00:28:39,659  
2022 UAP report and thought those

656  
00:28:46,370 --> 00:28:41,520  
individuals would do well to revisit

657  
00:28:50,390 --> 00:28:46,380  
Moore's 1989 speech yes it is uncanny

658  
00:28:54,710 --> 00:28:50,400  
and a bit Eerie how relevant a lot of

659  
00:28:56,269 --> 00:28:54,720  
that remains today Laura continues

660  
00:28:58,250 --> 00:28:56,279  
as for what I would do in his shoes

661  
00:29:00,289 --> 00:28:58,260  
honestly I think I would probably do the

662  
00:29:01,850 --> 00:29:00,299  
same the stakes were so high can you

663  
00:29:04,010 --> 00:29:01,860

imagine being the person who finally

664

00:29:05,930 --> 00:29:04,020

achieved disclosure of course distrust

665

00:29:07,610 --> 00:29:05,940

of the Air Force already existed at the

666

00:29:09,230 --> 00:29:07,620

time but I don't think the culture of

667

00:29:11,630 --> 00:29:09,240

distrust was nearly as strong as it

668

00:29:12,710 --> 00:29:11,640

would become after the benowitz affair I

669

00:29:14,390 --> 00:29:12,720

would like to believe that I would have

670

00:29:16,250 --> 00:29:14,400

given up the gig earlier as soon as it

671

00:29:18,590 --> 00:29:16,260

became apparent that it was having such

672

00:29:20,330 --> 00:29:18,600

a negative effect on Paul the truth if

673

00:29:22,430 --> 00:29:20,340

it existed would still be there to be

674

00:29:23,630 --> 00:29:22,440

discovered another day and perhaps Paul

675

00:29:25,909 --> 00:29:23,640

could have remained a whole person

676  
00:29:27,769 --> 00:29:25,919  
indeed it seems that Moore's speech was

677  
00:29:29,990 --> 00:29:27,779  
motivated by his guilt

678  
00:29:31,310 --> 00:29:30,000  
as an aside I now have a life goal to be

679  
00:29:33,169 --> 00:29:31,320  
in a position to begin a speech

680  
00:29:35,450 --> 00:29:33,179  
addressing both my friends and my

681  
00:29:37,850 --> 00:29:35,460  
adversaries you and me both Laura

682  
00:29:38,750 --> 00:29:37,860  
absolutely

683  
00:29:40,730 --> 00:29:38,760  
um

684  
00:29:43,310 --> 00:29:40,740  
in email

685  
00:29:44,289 --> 00:29:43,320  
um an email Lester a correspondent

686  
00:29:46,430 --> 00:29:44,299  
Lester

687  
00:29:48,529 --> 00:29:46,440  
asks did the weekly world news cover

688  
00:29:51,590 --> 00:29:48,539

Moore's speech I can't remember was Ed

689

00:29:54,470 --> 00:29:51,600

anger Pig biting mad did Sophie sabac

690

00:29:56,570 --> 00:29:54,480

write I told you so I do not believe the

691

00:30:01,090 --> 00:29:56,580

weekly world news covered it I think by

692

00:30:03,710 --> 00:30:01,100

1989 they had moved on from

693

00:30:06,590 --> 00:30:03,720

legitimate journalism

694

00:30:09,289 --> 00:30:06,600

um they weren't covering

695

00:30:12,409 --> 00:30:09,299

those sorts of things as much but I

696

00:30:13,190 --> 00:30:12,419

would love to hear Ed anger's take on

697

00:30:15,950 --> 00:30:13,200

um

698

00:30:18,710 --> 00:30:15,960

on Bill Moore I think that would be uh

699

00:30:21,409 --> 00:30:18,720

that would be great red pill junkie

700

00:30:23,450 --> 00:30:21,419

comments on the website to me personally

701  
00:30:25,250 --> 00:30:23,460  
the situation becomes indefensible the

702  
00:30:27,230 --> 00:30:25,260  
moment benowitz started to deteriorate

703  
00:30:29,450 --> 00:30:27,240  
and became a danger to himself with

704  
00:30:31,130 --> 00:30:29,460  
others imagine if he'd committed suicide

705  
00:30:33,710 --> 00:30:31,140  
at his frustration of failing to stop

706  
00:30:35,450 --> 00:30:33,720  
the Alien Invasion or Worse imagine this

707  
00:30:37,730 --> 00:30:35,460  
whole thing had happened in the 2020s

708  
00:30:39,289 --> 00:30:37,740  
instead of the 1980s and benowitz had

709  
00:30:40,970 --> 00:30:39,299  
gone into a kind of shooting rampage

710  
00:30:42,370 --> 00:30:40,980  
that have turned all too common to even

711  
00:30:44,389 --> 00:30:42,380  
bother report in the United States

712  
00:30:46,850 --> 00:30:44,399  
far-fetched no one can say that in the

713  
00:30:48,230 --> 00:30:46,860

age of Q Anon anymore all of that would

714

00:30:49,789 --> 00:30:48,240

have been on Moore's hands because at

715

00:30:51,409 --> 00:30:49,799

the end of the day he valued his chance

716

00:30:53,630 --> 00:30:51,419

to learn whatever he could about how the

717

00:30:55,010 --> 00:30:53,640

government dealt with the UFO issue more

718

00:30:57,169 --> 00:30:55,020

than whatever repercussions would be

719

00:30:58,789 --> 00:30:57,179

fall Paul benowitz a man who considered

720

00:31:01,130 --> 00:30:58,799

him a friend and welcomed him into his

721

00:31:02,389 --> 00:31:01,140

home just how anyone can look at himself

722

00:31:04,130 --> 00:31:02,399

in the mirror after playing something

723

00:31:06,049 --> 00:31:04,140

like that is beyond me

724

00:31:08,090 --> 00:31:06,059

some would say that kind of grayscale

725

00:31:10,549 --> 00:31:08,100

attitude is what's needed to win Wars

726

00:31:12,110 --> 00:31:10,559

and be successful at Espionage which is

727

00:31:14,750 --> 00:31:12,120

why I'll never make good James Bond

728

00:31:16,370 --> 00:31:14,760

material I guess another comment on the

729

00:31:19,310 --> 00:31:16,380

website

730

00:31:22,070 --> 00:31:19,320

that then as now for uh let me start

731

00:31:24,230 --> 00:31:22,080

reading that again then as now folks

732

00:31:26,389 --> 00:31:24,240

sure do love their misinformation I love

733

00:31:28,730 --> 00:31:26,399

mine for misinformation as for the

734

00:31:30,169 --> 00:31:28,740

misinformation of others I'm not so sure

735

00:31:33,590 --> 00:31:30,179

but a very informative podcast

736

00:31:35,510 --> 00:31:33,600

installment as usual yeah it's

737

00:31:37,430 --> 00:31:35,520

it is a tricky question I think it's

738

00:31:39,889 --> 00:31:37,440

interesting that that a lot of people

739

00:31:42,529 --> 00:31:39,899

so far aren't really exactly sure what

740

00:31:45,769 --> 00:31:42,539

they do another I think this is the last

741

00:31:47,450 --> 00:31:45,779

comment from the website Matthew says I

742

00:31:49,490 --> 00:31:47,460

just finished my copy of wayward sons

743

00:31:51,110 --> 00:31:49,500

and of Mirage Men in the mail to me so

744

00:31:52,669 --> 00:31:51,120

the timing of this episode was spot on

745

00:31:55,669 --> 00:31:52,679

and is one of my all-time favorites well

746

00:31:57,769 --> 00:31:55,679

done thank you as to what would I do

747

00:32:00,409 --> 00:31:57,779

I'd like to pretend I'd be wiser but in

748

00:32:02,930 --> 00:32:00,419

the moment to be in to be an active

749

00:32:05,510 --> 00:32:02,940

participant and maybe learn something

750

00:32:09,350 --> 00:32:05,520

hard to say

751  
00:32:11,330 --> 00:32:09,360  
Alexandra over on the patreon says with

752  
00:32:13,490 --> 00:32:11,340  
friends like Bill Paul doesn't need

753  
00:32:16,250 --> 00:32:13,500  
enemies I hope that if I were ever in

754  
00:32:19,130 --> 00:32:16,260  
Moore's position I would decline the

755  
00:32:20,810 --> 00:32:19,140  
offer Michael on the patreon says I

756  
00:32:22,850 --> 00:32:20,820  
think on some level Moore seems to have

757  
00:32:24,590 --> 00:32:22,860  
done ufologists a bit of a favor at

758  
00:32:26,330 --> 00:32:24,600  
least the more skeptical ones for

759  
00:32:28,190 --> 00:32:26,340  
example I Found pilkington's book made

760  
00:32:29,930 --> 00:32:28,200  
me feel he was kind of replacing the

761  
00:32:32,269 --> 00:32:29,940  
hunt for aliens with a hunt for

762  
00:32:34,190 --> 00:32:32,279  
disinformation campaigns I also wonder

763  
00:32:35,930 --> 00:32:34,200

how much the disinformation actually

764

00:32:37,789 --> 00:32:35,940

contributed to benowitz's mental health

765

00:32:40,010 --> 00:32:37,799

troubles it doesn't change really change

766

00:32:42,169 --> 00:32:40,020

the ethics of the situation but I was

767

00:32:46,250 --> 00:32:42,179

left wondering if he'd had if he'd have

768

00:32:48,590 --> 00:32:46,260

ended up where he was on his own that is

769

00:32:49,310 --> 00:32:48,600

a good question

770

00:32:52,490 --> 00:32:49,320

um

771

00:32:54,529 --> 00:32:52,500

it it's it's a good question and some a

772

00:32:56,269 --> 00:32:54,539

question that is sort of raised and

773

00:32:59,029 --> 00:32:56,279

discussed in some of the literature

774

00:33:02,090 --> 00:32:59,039

that's out there and I I don't know I

775

00:33:04,970 --> 00:33:02,100

don't know either I don't think Moore's

776

00:33:06,649 --> 00:33:04,980

um or the disinformation campaign Moore

777

00:33:10,250 --> 00:33:06,659

was not the only one involved of course

778

00:33:13,490 --> 00:33:10,260

uh I don't think that helped in any case

779

00:33:14,930 --> 00:33:13,500

Baird on the patreon says uh based on

780

00:33:17,090 --> 00:33:14,940

everything that's happened ever since

781

00:33:18,830 --> 00:33:17,100

the Tic Tac video showed up it looks

782

00:33:20,990 --> 00:33:18,840

like the question to ask is who in the

783

00:33:25,909 --> 00:33:21,000

community wouldn't make a deal like more

784

00:33:27,649 --> 00:33:25,919

yeah yeah yes uh doc Pinko says I

785

00:33:29,389 --> 00:33:27,659

probably would have participated my

786

00:33:31,789 --> 00:33:29,399

thinking would be we make so many

787

00:33:34,610 --> 00:33:31,799

day-to-day compromises in our lives this

788

00:33:36,409 --> 00:33:34,620

is just another one plus I'd hoped I

789

00:33:39,230 --> 00:33:36,419

hoped I'd try to surreptitiously warn

790

00:33:42,049 --> 00:33:39,240

benowitz I'd be the Patsy unfortunately

791

00:33:43,669 --> 00:33:42,059

we've got one more comment from Sam on

792

00:33:45,889 --> 00:33:43,679

the website that came in just as I was

793

00:33:48,230 --> 00:33:45,899

getting ready to record this if I was

794

00:33:50,090 --> 00:33:48,240

Bill Moore I'd take it other comments on

795

00:33:51,830 --> 00:33:50,100

this webpage eloquently point out the

796

00:33:53,870 --> 00:33:51,840

shoddy ethics but in a field that

797

00:33:55,850 --> 00:33:53,880

largely consists of blind alleys rumors

798

00:33:57,529 --> 00:33:55,860

and fun house mirrors the desire to get

799

00:33:59,269 --> 00:33:57,539

info from what you desperately want to

800

00:34:01,430 --> 00:33:59,279

believe is the source would be

801  
00:34:03,110 --> 00:34:01,440  
incredibly powerful reinforcing my view

802  
00:34:05,450 --> 00:34:03,120  
here is that people in general get a

803  
00:34:07,850 --> 00:34:05,460  
kick out of the idea of being part of a

804  
00:34:09,829 --> 00:34:07,860  
secret privileged knowing Elite Everyone

805  
00:34:11,570 --> 00:34:09,839  
likes to feel special and I think there

806  
00:34:13,369 --> 00:34:11,580  
are a lot of paranormal researchers who

807  
00:34:14,869 --> 00:34:13,379  
would be sorely tempted if they were

808  
00:34:17,329 --> 00:34:14,879  
approached by the Men in Black and told

809  
00:34:21,109 --> 00:34:17,339  
you know too much now we need to recruit

810  
00:34:23,030 --> 00:34:21,119  
you here's your black suit yeah I I

811  
00:34:24,950 --> 00:34:23,040  
agree I think

812  
00:34:27,950 --> 00:34:24,960  
I was sort of thinking you know as I

813  
00:34:30,589 --> 00:34:27,960

posed this question to you all out there

814

00:34:33,649 --> 00:34:30,599

in audience land I was

815

00:34:35,810 --> 00:34:33,659

um thinking you know what would I do in

816

00:34:37,609 --> 00:34:35,820

that situation and

817

00:34:50,210 --> 00:34:37,619

I

818

00:34:52,190 --> 00:34:50,220

will give you information on the effect

819

00:34:57,109 --> 00:34:52,200

that this this information is having and

820

00:34:59,810 --> 00:34:57,119

what I'm hearing in the UFO Community I

821

00:35:02,810 --> 00:34:59,820

um I would probably through bad

822

00:35:05,150 --> 00:35:02,820

note-taking and laziness be really kind

823

00:35:07,430 --> 00:35:05,160

of bad at it

824

00:35:08,570 --> 00:35:07,440

um and they probably would find somebody

825

00:35:10,190 --> 00:35:08,580

else

826

00:35:11,810 --> 00:35:10,200

so I'm not sure I would get to the point

827

00:35:13,910 --> 00:35:11,820

where I would see benowitz's

828

00:35:16,550 --> 00:35:13,920

deterioration I probably would have been

829

00:35:18,770 --> 00:35:16,560

quietly dropped from the project by then

830

00:35:21,410 --> 00:35:18,780

as um I would probably be pretty late

831

00:35:24,170 --> 00:35:21,420

with filing reports and and things like

832

00:35:26,450 --> 00:35:24,180

that but I honestly I probably would I

833

00:35:28,130 --> 00:35:26,460

probably would say yes I probably would

834

00:35:30,829 --> 00:35:28,140

say hey I can

835

00:35:32,930 --> 00:35:30,839

this they wouldn't be asking me to do

836

00:35:34,490 --> 00:35:32,940

this if they didn't have a legitimate

837

00:35:38,569 --> 00:35:34,500

important reason

838

00:35:40,550 --> 00:35:38,579

to do so and I would like to be as one

839

00:35:42,589 --> 00:35:40,560

of you mentioned kind of an Insider that

840

00:35:45,829 --> 00:35:42,599

would be kind of cool

841

00:35:49,010 --> 00:35:45,839

um I would have a real problem seeing

842

00:35:50,990 --> 00:35:49,020

the effect on uh on benowitz though and

843

00:35:57,530 --> 00:35:51,000

I would probably

844

00:35:59,210 --> 00:35:57,540

um I don't think I'd become some sort of

845

00:36:01,910 --> 00:35:59,220

whistleblower telling everybody what

846

00:36:05,089 --> 00:36:01,920

happened I I don't think I would have

847

00:36:06,829 --> 00:36:05,099

you know done anything like that I would

848

00:36:09,050 --> 00:36:06,839

probably have a healthy respect for the

849

00:36:11,270 --> 00:36:09,060

way that people in certain positions can

850

00:36:13,130 --> 00:36:11,280

make people like me disappear pretty

851  
00:36:16,430 --> 00:36:13,140  
quickly but

852  
00:36:18,470 --> 00:36:16,440  
um I I think that uh I think that I

853  
00:36:19,970 --> 00:36:18,480  
probably would have taken the bait I I

854  
00:36:22,670 --> 00:36:19,980  
probably I probably would have been a

855  
00:36:26,450 --> 00:36:22,680  
patsy as well I I think

856  
00:36:29,329 --> 00:36:26,460  
a lot of people would okay thank you so

857  
00:36:31,430 --> 00:36:29,339  
much for your feedback and uh on that

858  
00:36:33,829 --> 00:36:31,440  
episode it seemed to be um seemed to go

859  
00:36:36,050 --> 00:36:33,839  
over well with people I'm glad I finally

860  
00:36:40,130 --> 00:36:36,060  
uh finally did it and got it out of the

861  
00:36:41,450 --> 00:36:40,140  
way so for now let's get back to Dr

862  
00:36:46,609 --> 00:36:41,460  
beater

863  
00:36:51,069 --> 00:36:48,349

the battle of the Harvest Moon is

864

00:36:57,050 --> 00:36:51,079

something that happened in September of

865

00:36:59,290 --> 00:36:57,060

1977 and it represents a real turd in

866

00:37:02,510 --> 00:36:59,300

beaters thinking about

867

00:37:06,950 --> 00:37:02,520

conspiracy and the Rockefellers and what

868

00:37:08,450 --> 00:37:06,960

is going on in 1976 beater had warned

869

00:37:11,930 --> 00:37:08,460

that things were not going as well for

870

00:37:14,630 --> 00:37:11,940

the Rockefellers as many suspected they

871

00:37:16,849 --> 00:37:14,640

would people who are on the boards of

872

00:37:18,650 --> 00:37:16,859

Trustees of major rockefeller-controlled

873

00:37:20,470 --> 00:37:18,660

foundations were worried that the

874

00:37:25,069 --> 00:37:20,480

rockefeller's plan for world domination

875

00:37:28,870 --> 00:37:25,079

was you know going off the tracks and

876

00:37:31,849 --> 00:37:28,880

they were right this month September

877

00:37:33,770 --> 00:37:31,859

1977 has witnessed the beginning of the

878

00:37:38,089 --> 00:37:33,780

end for the Rockefellers

879

00:37:39,829 --> 00:37:38,099

and also for America as we know it

880

00:37:43,370 --> 00:37:39,839

on the night of the Harvest Moon

881

00:37:45,829 --> 00:37:43,380

September 27 1977

882

00:37:49,490 --> 00:37:45,839

the most decisive battle of the 20th

883

00:37:52,790 --> 00:37:49,500

century ended in a stunning upset

884

00:37:55,430 --> 00:37:52,800

this battle known only to a handful of

885

00:37:58,010 --> 00:37:55,440

individuals in the world was the

886

00:38:00,829 --> 00:37:58,020

culmination of the great secret race and

887

00:38:05,329 --> 00:38:00,839

super weapons which I reveal to you in

888

00:38:09,290 --> 00:38:05,339

audio letter 20 for January 1977 and my

889

00:38:12,410 --> 00:38:09,300

friends the Soviet Union won

890

00:38:13,430 --> 00:38:12,420

now the Soviet Union is mobilizing for

891

00:38:16,849 --> 00:38:13,440

war

892

00:38:19,490 --> 00:38:16,859

confident at last the Rockefeller cartel

893

00:38:21,890 --> 00:38:19,500

can no longer stand in their way as they

894

00:38:25,370 --> 00:38:21,900

conquer the entire world

895

00:38:27,349 --> 00:38:25,380

the four Rockefeller brothers having set

896

00:38:31,310 --> 00:38:27,359

the word on its present disastrous

897

00:38:35,089 --> 00:38:31,320

course can no longer do anything about

898

00:38:42,530 --> 00:38:38,030

my three topics for today are topic

899

00:38:47,390 --> 00:38:42,540

number one war in Space the battle of

900

00:38:49,430 --> 00:38:47,400

the Harvest Moon September 27 1977.

901  
00:38:53,450 --> 00:38:49,440  
topic number two

902  
00:38:56,510 --> 00:38:53,460  
the last days of the Rockefeller Empire

903  
00:38:59,690 --> 00:38:56,520  
and topic number three the American

904  
00:39:01,790 --> 00:38:59,700  
dream in memoriam

905  
00:39:04,190 --> 00:39:01,800  
basically the story of the battle of the

906  
00:39:08,150 --> 00:39:04,200  
Harvest Moon is this

907  
00:39:11,329 --> 00:39:08,160  
the entire space race has been mostly

908  
00:39:14,450 --> 00:39:11,339  
for show it has been a contest between

909  
00:39:17,390 --> 00:39:14,460  
the Rockefeller family and the Soviet

910  
00:39:20,150 --> 00:39:17,400  
Union for Domination and one aspect of

911  
00:39:23,870 --> 00:39:20,160  
this domination was not the the race to

912  
00:39:25,849 --> 00:39:23,880  
build huge nuclear arsenals or Neutron

913  
00:39:28,970 --> 00:39:25,859

bombs or things like that it was the

914

00:39:31,069 --> 00:39:28,980

race to develop Laser Technology and

915

00:39:34,490 --> 00:39:31,079

beyond that particle beam technology

916

00:39:36,410 --> 00:39:34,500

which could be used as a weapon the

917

00:39:40,430 --> 00:39:36,420

Soviets were developing particle beam

918

00:39:42,950 --> 00:39:40,440

lasers that could pinpoint any Target on

919

00:39:45,890 --> 00:39:42,960

earth and the Rockefellers knowing that

920

00:39:47,990 --> 00:39:45,900

the Soviets had The High Ground with the

921

00:39:50,750 --> 00:39:48,000

satellites ever since they launched

922

00:39:54,609 --> 00:39:50,760

Sputnik back in the 50s knew that the

923

00:39:57,290 --> 00:39:54,619

only place that an American or rather

924

00:40:00,710 --> 00:39:57,300

rockefellerian uh particle beam weapon

925

00:40:03,170 --> 00:40:00,720

would be effective was on the moon so

926

00:40:05,690 --> 00:40:03,180

the Rockefellers began to use their

927

00:40:08,329 --> 00:40:05,700

power and influence to build a moon base

928

00:40:10,490 --> 00:40:08,339

in the Copernicus crater

929

00:40:13,490 --> 00:40:10,500

I was first alerted to the existence of

930

00:40:15,650 --> 00:40:13,500

a secret base on the Moon last November

931

00:40:17,870 --> 00:40:15,660

1976.

932

00:40:20,569 --> 00:40:17,880

but it has been one of the best kept of

933

00:40:22,790 --> 00:40:20,579

all Rockefeller secrets and it was only

934

00:40:25,609 --> 00:40:22,800

a few weeks ago that I was able to

935

00:40:26,990 --> 00:40:25,619

confirm its existence and learn the

936

00:40:30,230 --> 00:40:27,000

complete story

937

00:40:33,109 --> 00:40:30,240

and since that time events have moved

938

00:40:35,930 --> 00:40:33,119

with lightning speed throughout this

939

00:40:37,730 --> 00:40:35,940

year and unseen but deadly race has been

940

00:40:40,490 --> 00:40:37,740

underway to see who would get an

941

00:40:42,650 --> 00:40:40,500

operational particle beam first The

942

00:40:46,370 --> 00:40:42,660

Rockefellers at their secret moon base

943

00:40:49,849 --> 00:40:46,380

or the Soviet Union in Earth orbit

944

00:40:53,030 --> 00:40:49,859

in July 1977 the Soviets launched a

945

00:40:55,010 --> 00:40:53,040

large satellite called Cosmos 929

946

00:40:56,930 --> 00:40:55,020

satellite Watchers beater says were

947

00:40:59,690 --> 00:40:56,940

mystified because the radio signals

948

00:41:02,390 --> 00:40:59,700

didn't make sense but this was not any

949

00:41:03,770 --> 00:41:02,400

satellite it was a manned particle beam

950

00:41:07,069 --> 00:41:03,780

weapon

951  
00:41:08,690 --> 00:41:07,079  
and what's frightening is the Soviets

952  
00:41:11,569 --> 00:41:08,700  
had this particle beam weapon in orbit

953  
00:41:15,290 --> 00:41:11,579  
but the American Rockefeller moon base

954  
00:41:16,910 --> 00:41:15,300  
was not yet finished it wasn't yet fully

955  
00:41:19,310 --> 00:41:16,920  
constructed Timber

956  
00:41:21,349 --> 00:41:19,320  
while the American moon base is still

957  
00:41:23,930 --> 00:41:21,359  
being worked on and that particle beam

958  
00:41:27,829 --> 00:41:23,940  
weapon is not ready yet the Soviets were

959  
00:41:31,190 --> 00:41:27,839  
able to test Cosmos 929 they fired it

960  
00:41:34,670 --> 00:41:31,200  
into open space then they fired it at a

961  
00:41:37,550 --> 00:41:34,680  
target an American spy satellite it flew

962  
00:41:41,150 --> 00:41:37,560  
over Southern Finland it was blasted out

963  
00:41:43,970 --> 00:41:41,160

of the sky by Cosmos 929 the satellite

964

00:41:46,730 --> 00:41:43,980

erupted into what Peter called an

965

00:41:48,410 --> 00:41:46,740

immense Fireball of light it was

966

00:41:51,589 --> 00:41:48,420

reported in the news

967

00:41:54,370 --> 00:41:51,599

but not as a satellite attack

968

00:41:56,770 --> 00:41:54,380

news reports that day in this country

969

00:41:59,569 --> 00:41:56,780

dismissed it all as a curious

970

00:42:03,290 --> 00:41:59,579

jellyfish-like UFO

971

00:42:07,190 --> 00:42:03,300

so what happened to our Rockefeller moon

972

00:42:09,530 --> 00:42:07,200

base by the 26th of September American

973

00:42:12,650 --> 00:42:09,540

Personnel at the secret Rockefeller moon

974

00:42:15,410 --> 00:42:12,660

base nestled in Copernicus crater were

975

00:42:17,390 --> 00:42:15,420

almost ready their particle beam was

976

00:42:19,790 --> 00:42:17,400

almost operational

977

00:42:23,390 --> 00:42:19,800

but they were too late

978

00:42:25,670 --> 00:42:23,400

by late that day the Soviet Union began

979

00:42:28,609 --> 00:42:25,680

bombarding the moon base with a neutron

980

00:42:32,030 --> 00:42:28,619

particle beam through the night and all

981

00:42:34,190 --> 00:42:32,040

day on September 27 the moon base was

982

00:42:37,370 --> 00:42:34,200

bombarded without Mercy with Neutron

983

00:42:38,810 --> 00:42:37,380

radiation just like that produced by a

984

00:42:42,050 --> 00:42:38,820

neutron bomb

985

00:42:44,329 --> 00:42:42,060

and by that evening As Americans looked

986

00:42:46,490 --> 00:42:44,339

up at the peaceful full moon overhead

987

00:42:49,790 --> 00:42:46,500

known as the Harvest Moon

988

00:42:52,190 --> 00:42:49,800

the last few Americans on the moon were

989

00:42:55,430 --> 00:42:52,200

dying of neutron radiation

990

00:42:57,470 --> 00:42:55,440

America had lost the battle of the

991

00:42:59,390 --> 00:42:57,480

Harvest Moon

992

00:43:01,490 --> 00:42:59,400

well that doesn't sound good at all what

993

00:43:06,050 --> 00:43:01,500

are the consequences of this for the

994

00:43:08,329 --> 00:43:06,060

United States my friends in 1945 America

995

00:43:11,510 --> 00:43:08,339

became the first nation on Earth to

996

00:43:15,349 --> 00:43:11,520

possess an awesome new super weapon the

997

00:43:17,990 --> 00:43:15,359

atomic bomb but now it is the Soviet

998

00:43:21,349 --> 00:43:18,000

Union that has won the race for a new

999

00:43:24,589 --> 00:43:21,359

super weapon the particle beam that

1000

00:43:27,650 --> 00:43:24,599

could be as decisive today as the atomic

1001

00:43:30,490 --> 00:43:27,660

bomb was in 1945.

1002

00:43:33,050 --> 00:43:30,500

The Rockefellers have disarmed America

1003

00:43:34,010 --> 00:43:33,060

while betting everything on the moon

1004

00:43:37,069 --> 00:43:34,020

base

1005

00:43:40,670 --> 00:43:37,079

thinking they would win the race

1006

00:43:42,230 --> 00:43:40,680

but they made a terrible miscalculation

1007

00:43:46,790 --> 00:43:42,240

and now

1008

00:43:48,589 --> 00:43:46,800

we will all suffer the consequences

1009

00:43:51,470 --> 00:43:48,599

so there's two sets of bad guys here

1010

00:43:52,849 --> 00:43:51,480

right there's the Soviets Bad and The

1011

00:43:55,490 --> 00:43:52,859

Rockefellers

1012

00:43:59,450 --> 00:43:55,500

bad maybe worse so you've got a battle

1013

00:44:03,230 --> 00:43:59,460

between the two bad guys and no matter

1014

00:44:04,550 --> 00:44:03,240

who wins we lose right the battle of the

1015

00:44:07,210 --> 00:44:04,560

Harvest Moon was a turning point because

1016

00:44:09,890 --> 00:44:07,220

it showed the Rockefellers as vulnerable

1017

00:44:12,950 --> 00:44:09,900

there were other twists and turns to

1018

00:44:16,849 --> 00:44:12,960

come in the work that Dr Peter was doing

1019

00:44:20,150 --> 00:44:16,859

in 1979 there would be a few things that

1020

00:44:24,470 --> 00:44:20,160

would sort of throw a wrench into what

1021

00:44:28,490 --> 00:44:24,480

Peter was doing one thing was that in

1022

00:44:30,950 --> 00:44:28,500

um oh January yeah January of 79 Nelson

1023

00:44:32,690 --> 00:44:30,960

Rockefeller died actually the

1024

00:44:34,790 --> 00:44:32,700

circumstances surrounding rockefeller's

1025

00:44:37,609 --> 00:44:34,800

death are pretty interesting I won't go

1026

00:44:39,770 --> 00:44:37,619

into it here but um lots of rumors that

1027

00:44:43,370 --> 00:44:39,780

he was not alone but with a young woman

1028

00:44:46,309 --> 00:44:43,380

at the time of his heart attack Peter

1029

00:44:48,950 --> 00:44:46,319

would link this to Rockefeller being

1030

00:44:51,650 --> 00:44:48,960

assassinated and just like his brother

1031

00:44:53,750 --> 00:44:51,660

John D Rockefeller III a little while

1032

00:44:55,609 --> 00:44:53,760

earlier having died in an automobile

1033

00:44:59,210 --> 00:44:55,619

accident Peter says we may never know

1034

00:45:03,470 --> 00:44:59,220

the full story of what happened also in

1035

00:45:05,750 --> 00:45:03,480

1979 April 15 1979 to be more precise

1036

00:45:08,510 --> 00:45:05,760

there was a story by Rudy Maxa in the

1037

00:45:13,069 --> 00:45:08,520

Washington Post sort of a profile of Dr

1038

00:45:17,690 --> 00:45:15,770

the world Outlook is grim very Grimm

1039

00:45:19,190 --> 00:45:17,700

says Peter Peter but with the

1040

00:45:21,290 --> 00:45:19,200

government's Looting of the gold in Fort

1041

00:45:23,750 --> 00:45:21,300

Knox the toll cancer is taking on Jimmy

1042

00:45:25,790 --> 00:45:23,760

Carter's body The Murder By gun of

1043

00:45:28,190 --> 00:45:25,800

Nelson Rockefeller nefarious military

1044

00:45:30,589 --> 00:45:28,200

political and economic plots to numerous

1045

00:45:32,580 --> 00:45:30,599

to detail Peter holds out little hope

1046

00:45:34,550 --> 00:45:32,590

for average folks in the United States

1047

00:45:36,770 --> 00:45:34,560

[Music]

1048

00:45:38,210 --> 00:45:36,780

the article goes on to detail Peter's

1049

00:45:41,030 --> 00:45:38,220

ideas about the Battle of the Harvest

1050

00:45:43,370 --> 00:45:41,040

New Moon the Rockefeller assassination

1051  
00:45:44,750 --> 00:45:43,380  
or assassinations depending on how you

1052  
00:45:47,030 --> 00:45:44,760  
want to

1053  
00:45:50,510 --> 00:45:47,040  
um consider it and tells us a little bit

1054  
00:45:53,210 --> 00:45:50,520  
about his life outside of the conspiracy

1055  
00:45:57,410 --> 00:45:55,490  
Peter's world seems one of dark plots

1056  
00:45:58,910 --> 00:45:57,420  
and great vague forces and he

1057  
00:46:01,010 --> 00:45:58,920  
acknowledges that he is on a lonely

1058  
00:46:03,470 --> 00:46:01,020  
Patrol several weeks out of every month

1059  
00:46:05,809 --> 00:46:03,480  
he works alone at his K Street office or

1060  
00:46:07,790 --> 00:46:05,819  
Bethesda Home preparing his tapes then

1061  
00:46:09,710 --> 00:46:07,800  
he Jets via the Concord to Europe where

1062  
00:46:11,690 --> 00:46:09,720  
from an office in Monte Carlo he

1063  
00:46:13,970 --> 00:46:11,700

dispenses investment advice

1064

00:46:15,950 --> 00:46:13,980

he's a low-key and self-deprecating man

1065

00:46:17,770 --> 00:46:15,960

who seems apologetic as he tells a

1066

00:46:19,970 --> 00:46:17,780

luncheon companion all sorts of bad news

1067

00:46:22,190 --> 00:46:19,980

including word that the president has

1068

00:46:23,809 --> 00:46:22,200

terminal cancer Peter says he draws

1069

00:46:25,910 --> 00:46:23,819

strength from living well with his wife

1070

00:46:28,490 --> 00:46:25,920

and three children and daily meditation

1071

00:46:31,250 --> 00:46:28,500

sometimes on our Lord sometimes on

1072

00:46:32,990 --> 00:46:31,260

ramakrishna for fun sometimes he flies

1073

00:46:35,569 --> 00:46:33,000

up to Harvard to sit in on religion

1074

00:46:37,190 --> 00:46:35,579

classes every time I make a tape I pray

1075

00:46:39,950 --> 00:46:37,200

and meditate for about an hour before

1076

00:46:41,930 --> 00:46:39,960

says Peter it's more than just words

1077

00:46:44,450 --> 00:46:41,940

that go into the tapes it's spiritual

1078

00:46:47,210 --> 00:46:44,460

vibration people may say I don't believe

1079

00:46:52,010 --> 00:46:47,220

it this man is way out but once the seed

1080

00:46:59,630 --> 00:46:56,710

okay so what about these organic

1081

00:47:01,849 --> 00:46:59,640

robotoids I threw that phrase in the

1082

00:47:03,829 --> 00:47:01,859

title because it sounded

1083

00:47:05,089 --> 00:47:03,839

cooler than actually I'm not sure it

1084

00:47:07,430 --> 00:47:05,099

does sound cooler than Battle of the

1085

00:47:08,809 --> 00:47:07,440

Harvest Moon actually I never come up

1086

00:47:10,970 --> 00:47:08,819

with the title until after I'm done

1087

00:47:13,309 --> 00:47:10,980

recording things so it might be Battle

1088

00:47:16,490 --> 00:47:13,319

of the Harvest Moon I'm not sure

1089

00:47:18,410 --> 00:47:16,500

interesting I might have to I don't know

1090

00:47:21,170 --> 00:47:18,420

I was like I should have everybody vote

1091

00:47:22,910 --> 00:47:21,180

on it but it'll be too late by then you

1092

00:47:25,510 --> 00:47:22,920

know recording things out of sequence is

1093

00:47:29,329 --> 00:47:25,520

is kind of like time traveling anyway

1094

00:47:32,930 --> 00:47:29,339

what's with these organic robot toys

1095

00:47:35,690 --> 00:47:32,940

well in April of 1979 not too long after

1096

00:47:37,370 --> 00:47:35,700

that Washington Post profile Dr beader

1097

00:47:39,650 --> 00:47:37,380

began to

1098

00:47:42,950 --> 00:47:39,660

tell a story drop some hints about some

1099

00:47:45,290 --> 00:47:42,960

things that were deeply disturbing my

1100

00:47:48,109 --> 00:47:45,300

friends I realized that today as in the

1101

00:47:51,230 --> 00:47:48,119

past many people are skeptical about

1102

00:47:53,150 --> 00:47:51,240

what I have to reveal after all these

1103

00:47:55,430 --> 00:47:53,160

things are probably contrary to what

1104

00:47:57,950 --> 00:47:55,440

they have heard from friends family

1105

00:48:00,230 --> 00:47:57,960

teachers and the news media

1106

00:48:02,990 --> 00:48:00,240

they do not have my intelligent sources

1107

00:48:06,109 --> 00:48:03,000

and if I were to reveal these sources

1108

00:48:08,809 --> 00:48:06,119

they would dry up but I believe that my

1109

00:48:10,849 --> 00:48:08,819

duty is simply to reveal the truth not

1110

00:48:13,130 --> 00:48:10,859

covered up just because it may be hard

1111

00:48:14,809 --> 00:48:13,140

to accept I've listened to a lot of Dr

1112

00:48:17,930 --> 00:48:14,819

beater tapes over the years probably

1113

00:48:20,809 --> 00:48:17,940

more than any healthy well-adjusted

1114

00:48:22,250 --> 00:48:20,819

person should and it's not often at all

1115

00:48:24,890 --> 00:48:22,260

that you hear him say something like

1116

00:48:28,550 --> 00:48:24,900

this which basically amounts to I know

1117

00:48:29,990 --> 00:48:28,560

that what I'm about to say is absolutely

1118

00:48:31,250 --> 00:48:30,000

bonkers

1119

00:48:33,050 --> 00:48:31,260

but

1120

00:48:35,510 --> 00:48:33,060

take my word for it

1121

00:48:38,809 --> 00:48:35,520

my three topics this month are topic

1122

00:48:42,650 --> 00:48:38,819

number one the domestic Guyana at Three

1123

00:48:45,589 --> 00:48:42,660

Mile Island topic number two the secret

1124

00:48:49,430 --> 00:48:45,599

intelligence war of doubles all right

1125

00:48:53,390 --> 00:48:49,440

topic number three last call for a

1126

00:48:57,710 --> 00:48:53,400

pilgrimage for peace okay so the

1127

00:49:00,530 --> 00:48:57,720

intelligence war of doubles what is this

1128

00:49:04,309 --> 00:49:00,540

about with the Rockefeller family in

1129

00:49:06,950 --> 00:49:04,319

shambles as Nelson and John have been

1130

00:49:09,130 --> 00:49:06,960

killed the Bolshevik takeover the plan

1131

00:49:12,710 --> 00:49:09,140

Bolshevik takeover of the United States

1132

00:49:14,630 --> 00:49:12,720

is underway things are chaotic but as

1133

00:49:16,849 --> 00:49:14,640

far as beater is aware there's a plan to

1134

00:49:19,849 --> 00:49:16,859

cause a war in the Middle East or some

1135

00:49:23,089 --> 00:49:19,859

kind of crisis in order to

1136

00:49:25,849 --> 00:49:23,099

instigate some kind of mass takeover but

1137

00:49:28,370 --> 00:49:25,859

something has thrown a wrench into those

1138

00:49:30,710 --> 00:49:28,380

plants but these and other plans have

1139

00:49:33,530 --> 00:49:30,720

been thrown into question by recent

1140

00:49:35,450 --> 00:49:33,540

eruption of intelligence Warfare by

1141

00:49:38,510 --> 00:49:35,460

means of doubles look-alikes and

1142

00:49:41,210 --> 00:49:38,520

imposters look-alikes and imposters well

1143

00:49:43,329 --> 00:49:41,220

who was being looked alike and who is

1144

00:49:45,349 --> 00:49:43,339

being impostored

1145

00:49:46,309 --> 00:49:45,359

imposterized is that a word I don't know

1146

00:49:50,450 --> 00:49:46,319

it's

1147

00:49:51,349 --> 00:49:50,460

sure how words work but here is the

1148

00:49:53,990 --> 00:49:51,359

story

1149

00:49:56,569 --> 00:49:54,000

for example earlier this month on April

1150

00:49:59,630 --> 00:49:56,579

11th vice president Walter Mondale

1151  
00:50:02,210 --> 00:49:59,640  
reported he left Washington on a trip to

1152  
00:50:05,990 --> 00:50:02,220  
Iceland Scandinavia and the Netherlands

1153  
00:50:08,750 --> 00:50:06,000  
but my friends the man and woman on Air

1154  
00:50:11,210 --> 00:50:08,760  
Force 2 were not Mondale and his wife

1155  
00:50:14,329 --> 00:50:11,220  
but actually doubles

1156  
00:50:16,069 --> 00:50:14,339  
the real Walter and Joan Mondale had

1157  
00:50:18,770 --> 00:50:16,079  
been Spirited Away

1158  
00:50:21,410 --> 00:50:18,780  
the following day Jimmy Roseland and Amy

1159  
00:50:24,230 --> 00:50:21,420  
Carter the real ones left the White

1160  
00:50:27,349 --> 00:50:24,240  
House for a 10-day Easter vacation in

1161  
00:50:31,309 --> 00:50:27,359  
Georgia the first eight days were to be

1162  
00:50:34,370 --> 00:50:31,319  
spent offshore in seclusion at cepelo

1163  
00:50:37,309 --> 00:50:34,380

Island Carter was looking more Haggard

1164

00:50:39,109 --> 00:50:37,319

by the day wrecked by leukemia and

1165

00:50:41,690 --> 00:50:39,119

multiple cancers

1166

00:50:44,990 --> 00:50:41,700

his visible loss of weight lately had

1167

00:50:48,530 --> 00:50:45,000

prompted cover stories about his alleged

1168

00:50:51,290 --> 00:50:48,540

success at dieting he was fast losing

1169

00:50:53,930 --> 00:50:51,300

the ability to work at all and news

1170

00:50:55,609 --> 00:50:53,940

stories said he was going to Georgia to

1171

00:50:58,069 --> 00:50:55,619

seek solitude

1172

00:51:00,589 --> 00:50:58,079

and so for a week and a half surrounding

1173

00:51:02,690 --> 00:51:00,599

Easter the President and Vice President

1174

00:51:06,290 --> 00:51:02,700

of the United States were out of public

1175

00:51:08,390 --> 00:51:06,300

view a few low-key reports appeared in

1176  
00:51:12,530 --> 00:51:08,400  
the papers about the alleged activities

1177  
00:51:14,630 --> 00:51:12,540  
of Mondale on his trip otherwise all was

1178  
00:51:17,270 --> 00:51:14,640  
quiet here in Washington

1179  
00:51:20,150 --> 00:51:17,280  
the real purpose of the trip by mondal's

1180  
00:51:23,809 --> 00:51:20,160  
Bolshevik double was to try to obtain

1181  
00:51:26,990 --> 00:51:23,819  
oil for Israel but in this the Mondale

1182  
00:51:30,470 --> 00:51:27,000  
double failed because very recently

1183  
00:51:33,530 --> 00:51:30,480  
Russia's martial Dimitri Ustinov the man

1184  
00:51:36,829 --> 00:51:33,540  
now in charge in the Kremlin had visited

1185  
00:51:39,410 --> 00:51:36,839  
Norway personally and Norway has now

1186  
00:51:41,990 --> 00:51:39,420  
come to terms with Russia

1187  
00:51:45,250 --> 00:51:42,000  
okay there's a lot going on here but uh

1188  
00:51:48,230 --> 00:51:45,260

the upshot is Mondale ain't Mondale

1189

00:51:50,569 --> 00:51:48,240

Mondale is a double the Mondale you see

1190

00:51:53,870 --> 00:51:50,579

is not the real Mondale it's a fake

1191

00:51:55,790 --> 00:51:53,880

Mondale and Carter well there's you know

1192

00:51:57,829 --> 00:51:55,800

he's looking rough isn't he he's looking

1193

00:52:00,410 --> 00:51:57,839

rough it's not a diet it's the cancers

1194

00:52:03,049 --> 00:52:00,420

multiple Cancers and Leukemia he's eat

1195

00:52:05,630 --> 00:52:03,059

up with it he's gonna drop it's not the

1196

00:52:07,430 --> 00:52:05,640

stress of the job right I mean seriously

1197

00:52:09,230 --> 00:52:07,440

have you ever looked at a picture of

1198

00:52:11,329 --> 00:52:09,240

somebody the day they enter the

1199

00:52:13,010 --> 00:52:11,339

presidency and the day they leave it's

1200

00:52:16,849 --> 00:52:13,020

like they've been hit with an aging Ray

1201

00:52:19,370 --> 00:52:16,859

right it's a horribly stressful job I

1202

00:52:22,490 --> 00:52:19,380

can't imagine how anybody over the age

1203

00:52:25,849 --> 00:52:22,500

of about 40 is able to handle it without

1204

00:52:28,609 --> 00:52:25,859

just dropping dead the answer is they do

1205

00:52:31,690 --> 00:52:28,619

drop dead they've been replaced by a

1206

00:52:35,270 --> 00:52:31,700

double so if Mondale is not Mondale

1207

00:52:38,270 --> 00:52:35,280

where is Mondale I have never said the

1208

00:52:40,370 --> 00:52:38,280

word Mondale more times in my entire

1209

00:52:43,430 --> 00:52:40,380

life than I am this

1210

00:52:46,910 --> 00:52:43,440

the weekend after Easter things happen

1211

00:52:50,329 --> 00:52:46,920

fast completely unseen by the public

1212

00:52:53,510 --> 00:52:50,339

on Friday night April 20 the real Walter

1213

00:52:55,609 --> 00:52:53,520

Mondale was being held in comunicado by

1214

00:52:57,470 --> 00:52:55,619

Bolshevik keepers in New Richmond in

1215

00:53:00,470 --> 00:52:57,480

Western Wisconsin

1216

00:53:03,349 --> 00:53:00,480

sometime between 9 30 and 10 pm local

1217

00:53:06,950 --> 00:53:03,359

time the vice president Walter Mondale

1218

00:53:08,270 --> 00:53:06,960

was executed that's pretty grim and it's

1219

00:53:11,569 --> 00:53:08,280

interesting it happened in this this

1220

00:53:14,270 --> 00:53:11,579

Tiny Town of of New Richmond New

1221

00:53:15,829 --> 00:53:14,280

Richmond Wisconsin that is very strange

1222

00:53:18,530 --> 00:53:15,839

even even today New Richmond has about

1223

00:53:20,870 --> 00:53:18,540

10 000 people looks like a nice place in

1224

00:53:22,430 --> 00:53:20,880

Saint Croix County Wisconsin out in the

1225

00:53:25,609 --> 00:53:22,440

western part of the state beautiful

1226

00:53:27,650 --> 00:53:25,619

country out there so while all this is

1227

00:53:30,349 --> 00:53:27,660

going on what's what's been happening to

1228

00:53:32,089 --> 00:53:30,359

to Jimmy Carter I mean how long can he

1229

00:53:34,490 --> 00:53:32,099

survive being eat up with cancer like

1230

00:53:37,609 --> 00:53:34,500

that well maybe the Jimmy Carter we see

1231

00:53:41,150 --> 00:53:37,619

is not the real Jimmy Carter on Saturday

1232

00:53:43,970 --> 00:53:41,160

April 21 Jimmy Carter flew secretly from

1233

00:53:47,630 --> 00:53:43,980

Georgia to Camp David unaware that

1234

00:53:49,849 --> 00:53:47,640

Mondale was dead after lunch he went to

1235

00:53:52,370 --> 00:53:49,859

Bethesda naval hospital for a checkup on

1236

00:53:53,690 --> 00:53:52,380

his cancer and then to the White House

1237

00:53:56,390 --> 00:53:53,700

briefly

1238

00:53:59,030 --> 00:53:56,400

it was not until roughly 8 P.M that

1239

00:54:03,190 --> 00:53:59,040

night that the real Jimmy Carter

1240

00:54:05,990 --> 00:54:03,200

returned to planes there about 10 30 p.m

1241

00:54:09,589 --> 00:54:06,000

Jimmy Carter president of the United

1242

00:54:12,650 --> 00:54:09,599

States was shot between the eyes

1243

00:54:13,549 --> 00:54:12,660

but incredibly he retained some signs of

1244

00:54:16,190 --> 00:54:13,559

life

1245

00:54:18,190 --> 00:54:16,200

he was rushed from Planes to Andrews Air

1246

00:54:21,109 --> 00:54:18,200

Force Base outside of Washington

1247

00:54:24,710 --> 00:54:21,119

arriving shortly after midnight

1248

00:54:28,190 --> 00:54:24,720

by 2 a.m Sunday April 22nd he was in

1249

00:54:30,829 --> 00:54:28,200

surgery at Bethesda naval hospital

1250

00:54:34,370 --> 00:54:30,839

but it was hopeless just as it was in

1251

00:54:37,069 --> 00:54:34,380

1963 when President Kennedy was shot in

1252

00:54:39,230 --> 00:54:37,079

the head with Rosalind Carter in shock

1253

00:54:41,990 --> 00:54:39,240

the body of the late president of the

1254

00:54:44,510 --> 00:54:42,000

United States was disposed of quickly

1255

00:54:47,030 --> 00:54:44,520

that evening the real Rosalind Carter

1256

00:54:50,390 --> 00:54:47,040

was at the White House under heavy

1257

00:54:52,490 --> 00:54:50,400

sedation but shortly after midnight she

1258

00:54:53,930 --> 00:54:52,500

too was executed with a bullet between

1259

00:54:56,809 --> 00:54:53,940

the eyes

1260

00:54:59,450 --> 00:54:56,819

that's again very Grim this whole

1261

00:55:01,069 --> 00:54:59,460

doubles thing is in some ways just kind

1262

00:55:02,809 --> 00:55:01,079

of a I don't know if this is the best

1263

00:55:05,329 --> 00:55:02,819

way to say it but it's almost a dumbing

1264

00:55:07,790 --> 00:55:05,339

down of the old Manchurian Candidate

1265

00:55:10,490 --> 00:55:07,800

idea where somebody was brainwashed into

1266

00:55:13,010 --> 00:55:10,500

being an assassin or into to doing

1267

00:55:15,170 --> 00:55:13,020

things that that were harmful to the

1268

00:55:17,210 --> 00:55:15,180

United States or whichever country they

1269

00:55:19,730 --> 00:55:17,220

were aimed at in this case we don't have

1270

00:55:23,510 --> 00:55:19,740

to to mess with the the complicated

1271

00:55:25,430 --> 00:55:23,520

question of if and how mind control at

1272

00:55:28,430 --> 00:55:25,440

that level Works no we just kill the

1273

00:55:30,710 --> 00:55:28,440

person and replace them with a double

1274

00:55:33,230 --> 00:55:30,720

well the problem is one of the problems

1275

00:55:36,490 --> 00:55:33,240

is I mean among the many problems here

1276

00:55:40,970 --> 00:55:36,500

is the question of proof how do we know

1277

00:55:44,450 --> 00:55:40,980

that the Carter that we have now is not

1278

00:55:46,609 --> 00:55:44,460

the Carter that we had before

1279

00:55:49,069 --> 00:55:46,619

during the past several days Jimmy

1280

00:55:51,589 --> 00:55:49,079

Carter number two that is Carter's

1281

00:55:54,770 --> 00:55:51,599

double has been seen repeatedly in

1282

00:55:56,450 --> 00:55:54,780

public and what a change Jimmy Carter

1283

00:55:59,690 --> 00:55:56,460

number two looks and acts 10 years

1284

00:56:02,329 --> 00:55:59,700

younger than the real Carter did listen

1285

00:56:05,089 --> 00:56:02,339

now to the tired halting voice of the

1286

00:56:08,510 --> 00:56:05,099

old Carter as he read a prepared

1287

00:56:10,430 --> 00:56:08,520

statement just 17 days ago on April the

1288

00:56:12,290 --> 00:56:10,440

10th

1289

00:56:13,790 --> 00:56:12,300

we have already begun to hear a good

1290

00:56:15,710 --> 00:56:13,800

deal

1291

00:56:17,870 --> 00:56:15,720

of talk from the oil companies about

1292

00:56:20,270 --> 00:56:17,880

so-called plowbacks

1293

00:56:22,190 --> 00:56:20,280

but what this talk covers up

1294

00:56:24,109 --> 00:56:22,200

is that this proposal

1295

00:56:27,410 --> 00:56:24,119

as it will be presented with the

1296

00:56:30,650 --> 00:56:27,420

windfall profits tax already provides

1297

00:56:32,990 --> 00:56:30,660

six billion dollars in increased Revenue

1298

00:56:37,250 --> 00:56:33,000

now compare that with the more shrill

1299

00:56:40,370 --> 00:56:37,260

voice forceful vigorous and confident of

1300

00:56:42,349 --> 00:56:40,380

Carter number two just two days ago on

1301

00:56:45,950 --> 00:56:42,359

April the 25th

1302

00:56:49,910 --> 00:56:45,960

the bottom line is that if there is an

1303

00:56:52,790 --> 00:56:49,920

effort to cheat on the salt agreement

1304

00:56:57,470 --> 00:56:52,800

including the limits on modernizing

1305

00:57:01,010 --> 00:56:57,480

icbms we will detect it

1306

00:57:04,430 --> 00:57:01,020

my friends the flat awkward speaking

1307

00:57:07,549 --> 00:57:04,440

style of the old Carter is gone in its

1308

00:57:10,490 --> 00:57:07,559

place is a new style of delivery which

1309

00:57:13,010 --> 00:57:10,500

imitates the old Carter but has better

1310

00:57:14,049 --> 00:57:13,020

phrasing and more lively inflection of

1311

00:57:18,049 --> 00:57:14,059

the voice

1312

00:57:20,990 --> 00:57:18,059

I did not get that at all from what we

1313

00:57:22,609 --> 00:57:21,000

heard it's I guess if you want to hear

1314

00:57:25,309 --> 00:57:22,619

it you can hear it you can pick out

1315

00:57:27,470 --> 00:57:25,319

things that that sound more lively but

1316

00:57:29,809 --> 00:57:27,480

maybe because in the first clip he was

1317

00:57:31,849 --> 00:57:29,819

talking about tax policy and in the

1318

00:57:34,730 --> 00:57:31,859

second clip he was talking about

1319

00:57:36,230 --> 00:57:34,740

you know disarmament treaty violations I

1320

00:57:39,230 --> 00:57:36,240

mean I know for me one of those things

1321

00:57:41,930 --> 00:57:39,240

is is way more sort of

1322

00:57:45,349 --> 00:57:41,940

fun then Fun's not the right word um

1323

00:57:47,990 --> 00:57:45,359

energizing than the other so where do

1324

00:57:51,109 --> 00:57:48,000

these doubles come from what is what is

1325

00:57:52,609 --> 00:57:51,119

going on with them what are they is it

1326  
00:57:55,849 --> 00:57:52,619  
just somebody dressed up to look like

1327  
00:57:56,990 --> 00:57:55,859  
Jimmy Carter or is it more Insidious

1328  
00:57:59,690 --> 00:57:57,000  
than that

1329  
00:58:03,230 --> 00:57:59,700  
when I recorded audio letter 45 last

1330  
00:58:05,870 --> 00:58:03,240  
month the situation was confusing and my

1331  
00:58:09,349 --> 00:58:05,880  
information was still fragmentary

1332  
00:58:10,790 --> 00:58:09,359  
but I told you what I could and now I

1333  
00:58:12,950 --> 00:58:10,800  
can tell you more

1334  
00:58:15,049 --> 00:58:12,960  
the war of doubles involves not only the

1335  
00:58:17,870 --> 00:58:15,059  
Bolsheviks but the clandestine Services

1336  
00:58:19,910 --> 00:58:17,880  
of Russia Great Britain and Israel

1337  
00:58:22,910 --> 00:58:19,920  
but the basic battle lines are being

1338  
00:58:25,430 --> 00:58:22,920

drawn between Russia and the Bolsheviks

1339

00:58:28,250 --> 00:58:25,440

as of now the Russians appear to be

1340

00:58:30,890 --> 00:58:28,260

gradually gaining the upper hand thanks

1341

00:58:33,650 --> 00:58:30,900

to their use of an astonishing new

1342

00:58:37,750 --> 00:58:33,660

intelligence weapon so the Russians are

1343

00:58:42,829 --> 00:58:37,760

behind it in their battle against the

1344

00:58:45,289 --> 00:58:42,839

Bolsheviks I I don't understand entirely

1345

00:58:47,089 --> 00:58:45,299

basically there are two factions within

1346

00:58:48,950 --> 00:58:47,099

Russia there's the Russian government

1347

00:58:52,910 --> 00:58:48,960

and there's also the Bolsheviks which

1348

00:58:55,010 --> 00:58:52,920

represent World communism it's it's kind

1349

00:58:56,510 --> 00:58:55,020

of confusing and it gets a little a

1350

00:58:59,270 --> 00:58:56,520

little weirder than that so we've got

1351  
00:59:02,170 --> 00:58:59,280  
Russians behind the doubles what are the

1352  
00:59:04,370 --> 00:59:02,180  
doubles in Russia as well as in the west

1353  
00:59:07,970 --> 00:59:04,380  
research has been underway for many

1354  
00:59:10,849 --> 00:59:07,980  
years in biological synthesis that is

1355  
00:59:12,349 --> 00:59:10,859  
artificial life forms and according to

1356  
00:59:14,089 --> 00:59:12,359  
high intelligence a stunning

1357  
00:59:15,530 --> 00:59:14,099  
breakthrough took place in Russia some

1358  
00:59:17,510 --> 00:59:15,540  
years ago

1359  
00:59:20,450 --> 00:59:17,520  
the Russians refer to this breakthrough

1360  
00:59:23,150 --> 00:59:20,460  
as a providential discovery something

1361  
00:59:25,370 --> 00:59:23,160  
they learned almost by accident

1362  
00:59:28,190 --> 00:59:25,380  
they discovered the key to creating what

1363  
00:59:31,010 --> 00:59:28,200

are known as organic robotoids

1364

00:59:34,370 --> 00:59:31,020

and organic robotoid is an artificial

1365

00:59:37,430 --> 00:59:34,380

robot-like creature it looks and acts

1366

00:59:38,809 --> 00:59:37,440

exactly like a human being and yet it is

1367

00:59:41,390 --> 00:59:38,819

not human

1368

00:59:46,010 --> 00:59:41,400

a robotoid is alive in the biological

1369

00:59:50,930 --> 00:59:46,020

sense but it is an artificial life form

1370

00:59:53,150 --> 00:59:50,940

so okay these are basically clones so

1371

00:59:55,309 --> 00:59:53,160

how do you make one of these things

1372

00:59:58,010 --> 00:59:55,319

the pattern required is that of genetic

1373

00:59:59,809 --> 00:59:58,020

coding taken from a few cells from the

1374

01:00:02,390 --> 00:59:59,819

body of a human being

1375

01:00:04,730 --> 01:00:02,400

in this respect the Russian technique

1376

01:00:07,250 --> 01:00:04,740

sounds like cloning but the technique

1377

01:00:10,250 --> 01:00:07,260

itself is totally unrelated to genuine

1378

01:00:12,589 --> 01:00:10,260

cloning a robotoid is produced within a

1379

01:00:15,589 --> 01:00:12,599

matter of hours and it simulates the

1380

01:00:18,770 --> 01:00:15,599

human donor at his current age

1381

01:00:20,930 --> 01:00:18,780

like any man-made copy of anything a

1382

01:00:23,329 --> 01:00:20,940

robotoid is never a perfect copy of the

1383

01:00:25,250 --> 01:00:23,339

human that is to be simulated there's

1384

01:00:27,770 --> 01:00:25,260

always small discrepancies in appearance

1385

01:00:30,289 --> 01:00:27,780

and behavior but these are seldom great

1386

01:00:32,690 --> 01:00:30,299

enough to arouse any suspicion

1387

01:00:34,069 --> 01:00:32,700

and there you have it this is what's

1388

01:00:36,890 --> 01:00:34,079

going on and this would sort of be the

1389

01:00:41,210 --> 01:00:36,900

hobby horse that beater would ride for

1390

01:00:43,609 --> 01:00:41,220

the rest of his audio letter career that

1391

01:00:45,770 --> 01:00:43,619

there is a secret war between various

1392

01:00:48,770 --> 01:00:45,780

intelligence services and the

1393

01:00:51,230 --> 01:00:48,780

intelligence services and a conception

1394

01:00:53,809 --> 01:00:51,240

he has of a a Christian sort of good

1395

01:00:55,910 --> 01:00:53,819

Russia which is joining the battle

1396

01:00:58,309 --> 01:00:55,920

against the

1397

01:01:00,170 --> 01:00:58,319

um the the Bolshevik uh the Bolshevik

1398

01:01:01,789 --> 01:01:00,180

hordes and the Rockefellers had

1399

01:01:04,390 --> 01:01:01,799

kick-started this but the Rockefellers

1400

01:01:10,370 --> 01:01:04,400

were sort of eliminated along the way

1401

01:01:18,829 --> 01:01:14,990

um weird beater would die in 1987 and

1402

01:01:23,930 --> 01:01:18,839

gave up his audio letters in um in the

1403

01:01:27,109 --> 01:01:23,940

the mid-80s as um as his health began to

1404

01:01:29,210 --> 01:01:27,119

decline he would uh appear on other

1405

01:01:31,549 --> 01:01:29,220

shows uh he appeared with um a guy named

1406

01:01:35,710 --> 01:01:31,559

Sherman skolnick who was a conspiracy

1407

01:01:39,049 --> 01:01:35,720

guy who was around for a long time but

1408

01:01:41,690 --> 01:01:39,059

his influence is is interesting he's not

1409

01:01:44,750 --> 01:01:41,700

well known and

1410

01:01:46,130 --> 01:01:44,760

um I do think it's it's important to

1411

01:01:48,109 --> 01:01:46,140

recognize though that some of these

1412

01:01:52,730 --> 01:01:48,119

ideas that he has that he kind of

1413

01:01:55,130 --> 01:01:52,740

pioneered have been consistent the

1414

01:01:57,109 --> 01:01:55,140

battle of the Harvest Moon with the

1415

01:01:58,609 --> 01:01:57,119

particle weapons and space weapons and

1416

01:02:00,530 --> 01:01:58,619

moon bases

1417

01:02:07,490 --> 01:02:00,540

this is

1418

01:02:12,410 --> 01:02:07,500

style conspiracy that has become very

1419

01:02:15,230 --> 01:02:12,420

common in some aspects of UFO belief the

1420

01:02:17,569 --> 01:02:15,240

doubles are very similar to conspiracy

1421

01:02:20,150 --> 01:02:17,579

theories nowadays where so and so

1422

01:02:21,950 --> 01:02:20,160

President Biden or something has died

1423

01:02:23,809 --> 01:02:21,960

and been replaced by a double you see

1424

01:02:26,870 --> 01:02:23,819

these things a lot

1425

01:02:30,049 --> 01:02:26,880

Michael Salah exopolitics expert Michael

1426

01:02:33,589 --> 01:02:30,059

Salah has cited Dr beader in stories

1427

01:02:35,930 --> 01:02:33,599

about cloning and leaders being replaced

1428

01:02:38,630 --> 01:02:35,940

and his secret space program stuff he

1429

01:02:40,609 --> 01:02:38,640

uses Peter beater as a source you may

1430

01:02:43,190 --> 01:02:40,619

have gotten you know this hour into the

1431

01:02:46,130 --> 01:02:43,200

show and wondered where are the UFOs in

1432

01:02:48,890 --> 01:02:46,140

this episode apart from the UFO being a

1433

01:02:52,970 --> 01:02:48,900

cover story for the Soviet particle beam

1434

01:02:56,390 --> 01:02:52,980

test the answer is that while Dr Peter

1435

01:02:58,309 --> 01:02:56,400

may not have talked about UFOs the UFO

1436

01:03:01,309 --> 01:02:58,319

field and conspiracy theories

1437

01:03:03,950 --> 01:03:01,319

surrounding the UFO field have adopted

1438

01:03:07,190 --> 01:03:03,960

some of Dr beader's ideas over the years

1439

01:03:09,770 --> 01:03:07,200

and this doesn't mean that that Dr

1440

01:03:11,150 --> 01:03:09,780

beader is a UFO researcher he absolutely

1441

01:03:12,349 --> 01:03:11,160

is not

1442

01:03:14,089 --> 01:03:12,359

um but

1443

01:03:15,710 --> 01:03:14,099

I was a little

1444

01:03:17,150 --> 01:03:15,720

I was wondering a little bit whether or

1445

01:03:19,430 --> 01:03:17,160

not I could make this work into a saucer

1446

01:03:21,230 --> 01:03:19,440

Life episode this topic of Dr beater and

1447

01:03:23,329 --> 01:03:21,240

the battle of the Harvest Moon and the

1448

01:03:26,150 --> 01:03:23,339

organic robotoids and what is very much

1449

01:03:28,670 --> 01:03:26,160

a political conspiracy theory and then I

1450

01:03:31,370 --> 01:03:28,680

realized two things one yes I could work

1451

01:03:33,770 --> 01:03:31,380

it in and two I it doesn't really matter

1452

01:03:35,390 --> 01:03:33,780

if I can or not it's it's my show and

1453

01:03:38,390 --> 01:03:35,400

and we've veered away from sorcery

1454

01:03:40,130 --> 01:03:38,400

topics before but I think Dr Peter is

1455

01:03:43,010 --> 01:03:40,140

interesting because he does set us down

1456

01:03:47,210 --> 01:03:43,020

a course of these these strange ideas

1457

01:03:49,849 --> 01:03:47,220

that become kind of accepted down the

1458

01:03:51,490 --> 01:03:49,859

road secret space weapons

1459

01:03:54,829 --> 01:03:51,500

doubles

1460

01:03:56,569 --> 01:03:54,839

even even the the idea of of the

1461

01:04:00,289 --> 01:03:56,579

reptilians the Sherry Shriner style

1462

01:04:03,109 --> 01:04:00,299

reptilians mimicking our um mimicking

1463

01:04:05,630 --> 01:04:03,119

our leaders that this is these ideas get

1464

01:04:08,020 --> 01:04:05,640

get entrenched and I think it's

1465

01:04:13,849 --> 01:04:08,030

absolutely fascinating

1466

01:04:18,890 --> 01:04:17,270

thank you for listening remember to send

1467

01:04:20,690 --> 01:04:18,900

in any questions and comments you have

1468

01:04:22,789 --> 01:04:20,700

via the usual social media or email

1469

01:04:24,890 --> 01:04:22,799

channels and we'll be addressing those

1470

01:04:27,230 --> 01:04:24,900

next time our associate producer is

1471

01:04:29,750 --> 01:04:27,240

Simpson J Hanover III and the saucer

1472

01:04:32,809 --> 01:04:29,760

life is a production of chisomedia LLC

1473

01:04:35,030 --> 01:04:32,819

she's a media our heart is with the

1474

01:04:37,490 --> 01:04:35,040

people till next time keep watching the
