THE ZINE SCENE  
(CALIFORNIA) UFO MAGAZINE #1

1  
00:00:16,570 --> 00:00:14,350  
I never got any money from you

2  
00:00:18,830 --> 00:00:16,580  
[Music]

3  
00:00:21,360 --> 00:00:18,840  
UFO might just as well stand for

4  
00:00:24,009 --> 00:00:21,370  
unprecedented Financial opportunity

5  
00:00:27,769 --> 00:00:24,019  
[Applause]

6  
00:00:29,890 --> 00:00:27,779  
be normal this is the saucer life a

7  
00:00:33,110 --> 00:00:29,900  
podcast in which we examine Concepts

8  
00:00:35,690 --> 00:00:33,120  
events or people orbiting the world of

9  
00:00:38,990 --> 00:00:35,700  
flying saucers few preconceptions snark

10  
00:00:41,750 --> 00:00:39,000  
when Justified no belief no debunking in

11  
00:00:44,869 --> 00:00:41,760  
this episode we look back at the

12  
00:00:46,670 --> 00:00:44,879  
earliest days of UFO magazine when it

13  
00:00:48,889 --> 00:00:46,680

was called I was going to say simply

14

00:00:52,010 --> 00:00:48,899

called but no it's more complex when it

15

00:00:55,369 --> 00:00:52,020

was called California magazine

16

00:00:58,130 --> 00:00:55,379

subtitle a forum on extraterrestrial

17

00:01:02,750 --> 00:00:58,140

theories and phenomena

18

00:01:05,750 --> 00:01:02,760

and I got this this first issue Volume 1

19

00:01:10,370 --> 00:01:05,760

Number One of California UFO September

20

00:01:12,590 --> 00:01:10,380

October 1986 from ufomag.com the UFO

21

00:01:16,550 --> 00:01:12,600

magazine website they've got the first

22

00:01:19,749 --> 00:01:16,560

few issues up as downloadable PDFs for

23

00:01:22,510 --> 00:01:19,759

the very low cost of

24

00:01:26,570 --> 00:01:22,520

250 three dollars something like that

25

00:01:28,910 --> 00:01:26,580

very very affordable wonderful deal and

26

00:01:31,429 --> 00:01:28,920

the link is in the show notes to um to

27

00:01:33,890 --> 00:01:31,439

grab that not that this is some sort of

28

00:01:35,090 --> 00:01:33,900

advertisement or anything it's not there

29

00:01:37,609 --> 00:01:35,100

is no

30

00:01:40,850 --> 00:01:37,619

commercial consideration provided I'm

31

00:01:45,230 --> 00:01:40,860

just a fan of places putting old

32

00:01:47,990 --> 00:01:45,240

magazines up online and I'm happy to pay

33

00:01:49,969 --> 00:01:48,000

some money for that because stuff costs

34

00:01:52,929 --> 00:01:49,979

money you know so this first issue is

35

00:01:57,590 --> 00:01:52,939

from September and October

36

00:01:59,450 --> 00:01:57,600

1986 1986 that was a long long time ago

37

00:02:00,530 --> 00:01:59,460

and

38

00:02:02,870 --> 00:02:00,540

um I think we're going to see some

39

00:02:05,630 --> 00:02:02,880

differences between what was in UFO

40

00:02:08,809 --> 00:02:05,640

magazine in 1986 and what would be in

41

00:02:10,309 --> 00:02:08,819

UFO magazine in later years I I came to

42

00:02:12,290 --> 00:02:10,319

the magazine and

43

00:02:15,050 --> 00:02:12,300

um the late 90s I think I found the

44

00:02:17,330 --> 00:02:15,060

first issue I ever purchased it was 1998

45

00:02:19,790 --> 00:02:17,340

not that I wasn't interested in UFOs

46

00:02:21,170 --> 00:02:19,800

before that but honestly I didn't really

47

00:02:24,110 --> 00:02:21,180

live in places where I could get my

48

00:02:25,970 --> 00:02:24,120

hands on UFO magazine usually when I

49

00:02:28,130 --> 00:02:25,980

bought magazines that were related to

50

00:02:31,250 --> 00:02:28,140

UFOs earlier than that it was usually

51  
00:02:33,170 --> 00:02:31,260  
Omni I really liked Omni magazine we

52  
00:02:35,930 --> 00:02:33,180  
should do a Zine scene on Omni that

53  
00:02:38,890 --> 00:02:35,940  
would be fun anyway let's dive into

54  
00:02:45,110 --> 00:02:38,900  
California UFO

55  
00:02:52,009 --> 00:02:47,990  
so on the cover which you can see in the

56  
00:02:54,830 --> 00:02:52,019  
episode art in your podcast app or on

57  
00:02:57,890 --> 00:02:54,840  
the website or wherever else you see

58  
00:02:59,270 --> 00:02:57,900  
I don't know podcast art the cover is

59  
00:03:03,110 --> 00:02:59,280  
sort of

60  
00:03:06,170 --> 00:03:03,120  
beige a very light beige and it has

61  
00:03:07,670 --> 00:03:06,180  
three classic flying saucers sort of

62  
00:03:11,869 --> 00:03:07,680  
stacked vertically

63  
00:03:14,570 --> 00:03:11,879

and they are various shades of teal as

64

00:03:18,410 --> 00:03:14,580

is the Highlight lettering and the

65

00:03:21,530 --> 00:03:18,420

headline lettering on the the beige

66

00:03:24,350 --> 00:03:21,540

um it very much looks like you know they

67

00:03:26,990 --> 00:03:24,360

they paid for a certain sort of set of

68

00:03:28,490 --> 00:03:27,000

colors number of colors on the uh the

69

00:03:31,550 --> 00:03:28,500

printing because printing used to be

70

00:03:33,949 --> 00:03:31,560

much more expensive than um than it

71

00:03:36,949 --> 00:03:33,959

would later become so the headlines are

72

00:03:41,210 --> 00:03:36,959

the following the 976 UFOs hotline

73

00:03:45,410 --> 00:03:41,220

24-hour news on UFOs Brazilian UFO cases

74

00:03:50,390 --> 00:03:45,420

examined Brad steiger's 18 UFO theories

75

00:03:53,750 --> 00:03:50,400

18 18 UFO theories Soviets released

76  
00:03:57,190 --> 00:03:53,760  
story about salute sightings and Nicola

77  
00:04:01,309 --> 00:03:57,200  
Tesla sorry I guess Nicola Tesla

78  
00:04:03,530 --> 00:04:01,319  
Symposium set well that's

79  
00:04:05,990 --> 00:04:03,540  
that sounds very very sciencey we've got

80  
00:04:08,869 --> 00:04:06,000  
UFO theories 18 of them we've got

81  
00:04:10,429 --> 00:04:08,879  
Brazilian UFO cases we've got a Soviet

82  
00:04:12,110 --> 00:04:10,439  
story about

83  
00:04:15,470 --> 00:04:12,120  
um some sightings and we've got a

84  
00:04:18,590 --> 00:04:15,480  
symposium about famed scientist Nikola

85  
00:04:20,270 --> 00:04:18,600  
Tesla when we open up the cover what's

86  
00:04:23,409 --> 00:04:20,280  
the first thing we say

87  
00:04:27,350 --> 00:04:23,419  
we see an ad from UFO contact newslite

88  
00:04:30,110 --> 00:04:27,360

for the book UFO contact from planet

89

00:04:34,850 --> 00:04:30,120

called us a cosmic dialogue remember

90

00:04:37,670 --> 00:04:34,860

that we did we did an episode about that

91

00:04:39,110 --> 00:04:37,680

um yeah so they're selling

92

00:04:42,650 --> 00:04:39,120

um the first ad the first thing you see

93

00:04:43,790 --> 00:04:42,660

is is contact e ads and and just for

94

00:04:46,610 --> 00:04:43,800

comparison

95

00:04:50,270 --> 00:04:46,620

I'm grabbing what I think is the most

96

00:04:54,490 --> 00:04:50,280

recent issue of UFO magazine that I ever

97

00:04:57,950 --> 00:04:54,500

owned which is from August and September

98

00:05:01,129 --> 00:04:57,960

2005. uh the cover is uh of some ice on

99

00:05:03,409 --> 00:05:01,139

I think Mars and the big headline says

100

00:05:07,310 --> 00:05:03,419

ice ice Maybe

101  
00:05:11,270 --> 00:05:07,320  
which I hate but the um the first ad we

102  
00:05:13,850 --> 00:05:11,280  
see in this 2005 UFO magazine is

103  
00:05:16,610 --> 00:05:13,860  
um from herbalhealer.com healing the

104  
00:05:18,409 --> 00:05:16,620  
world with nature so one person and pet

105  
00:05:21,590 --> 00:05:18,419  
at a time well nothing uh nothing wrong

106  
00:05:23,270 --> 00:05:21,600  
with that provided that uh you engage in

107  
00:05:26,150 --> 00:05:23,280  
Natural Health Care under the direction

108  
00:05:29,510 --> 00:05:26,160  
of qualified professionals I think I

109  
00:05:32,689 --> 00:05:29,520  
prefer this first ad from 1986 better I

110  
00:05:35,270 --> 00:05:32,699  
I think it strikes a more UFO tone even

111  
00:05:37,969 --> 00:05:35,280  
if it is pretty heavily on the contact

112  
00:05:39,590 --> 00:05:37,979  
East Side continuing on we have the

113  
00:05:42,469 --> 00:05:39,600

first letter from the editor and the

114

00:05:45,170 --> 00:05:42,479

editor Was Vicki Cooper who would be the

115

00:05:47,270 --> 00:05:45,180

long time sort of person running UFO

116

00:05:50,210 --> 00:05:47,280

magazine as Vicki Cooper and then as

117

00:05:52,010 --> 00:05:50,220

Vicky Cooper Ecker and she is joined by

118

00:05:53,810 --> 00:05:52,020

long time collaborator who would be

119

00:05:56,210 --> 00:05:53,820

there for a long time

120

00:05:59,450 --> 00:05:56,220

which is kind of redundant uh creative

121

00:06:01,790 --> 00:05:59,460

director Sherry Stark one important UFO

122

00:06:05,749 --> 00:06:01,800

magazine figure is not present and that

123

00:06:08,629 --> 00:06:05,759

is the um director of Investigations uh

124

00:06:10,550 --> 00:06:08,639

don Ecker he is not on the scene yet

125

00:06:13,189 --> 00:06:10,560

um but he would be he would be later but

126

00:06:15,050 --> 00:06:13,199

in these early issues it's uh it's

127

00:06:17,450 --> 00:06:15,060

there's four people on staff Vicki

128

00:06:20,090 --> 00:06:17,460

Cooper Sherry Stark Paul Shepard uh

129

00:06:23,090 --> 00:06:20,100

who's an editorial consultant and Edwin

130

00:06:25,010 --> 00:06:23,100

stock the editorial assistant and so we

131

00:06:28,249 --> 00:06:25,020

have a letter from Vicki Cooper

132

00:06:32,629 --> 00:06:28,259

explaining basically why the world needs

133

00:06:37,610 --> 00:06:35,330

editing a UFO magazine is a calculated

134

00:06:40,070 --> 00:06:37,620

risk I calculate that more people

135

00:06:42,469 --> 00:06:40,080

believe in UFOs than don't I believe

136

00:06:45,110 --> 00:06:42,479

that you might be one of them or one of

137

00:06:46,550 --> 00:06:45,120

them I want to hear from all of you no

138

00:06:47,570 --> 00:06:46,560

matter what part of the universe you

139

00:06:49,670 --> 00:06:47,580

call home

140

00:06:51,050 --> 00:06:49,680

I also calculate that a good percentage

141

00:06:53,390 --> 00:06:51,060

of those who are interested in the

142

00:06:55,610 --> 00:06:53,400

subject see extraterrestrial benevolence

143

00:06:58,309 --> 00:06:55,620

as a metaphor for Hope for the new age

144

00:07:00,770 --> 00:06:58,319

deftly pirouetting between hard 21st

145

00:07:03,409 --> 00:07:00,780

century technology and utopian dreams

146

00:07:06,110 --> 00:07:03,419

quite a few spiritually oriented UFO

147

00:07:07,909 --> 00:07:06,120

Bufs believe that the who out there is

148

00:07:10,129 --> 00:07:07,919

nothing more than our future selves come

149

00:07:12,529 --> 00:07:10,139

back to guide us over the hump evidence

150

00:07:15,650 --> 00:07:12,539

points to other agile players in the UFO

151  
00:07:17,990 --> 00:07:15,660  
game too clinicians and Boogeyman Angels

152  
00:07:20,510 --> 00:07:18,000  
Devils prophets protectors and Priests

153  
00:07:23,270 --> 00:07:20,520  
choose your co-conspiratorial life form

154  
00:07:25,790 --> 00:07:23,280  
in this transition to Aquarian time and

155  
00:07:27,830 --> 00:07:25,800  
space a strictly UFO oriented

156  
00:07:29,570 --> 00:07:27,840  
publication also Taps the Mythic

157  
00:07:32,210 --> 00:07:29,580  
fantasies many people around this world

158  
00:07:34,550 --> 00:07:32,220  
continue to grasp if only metaphysically

159  
00:07:36,830 --> 00:07:34,560  
as they coily roam the Disneyland of our

160  
00:07:38,390 --> 00:07:36,840  
Collective unconscious visions that

161  
00:07:40,670 --> 00:07:38,400  
whatever might be out there can

162  
00:07:42,830 --> 00:07:40,680  
conceivably enrich our lives and perhaps

163  
00:07:45,650 --> 00:07:42,840

prevent imminent planetary catastrophe

164

00:07:48,350 --> 00:07:45,660

within the last few Generations within

165

00:07:50,469 --> 00:07:48,360

my generation that predicted cataclysm

166

00:07:52,809 --> 00:07:50,479

has come to seem irrevocably final

167

00:07:55,730 --> 00:07:52,819

just in the nick of time

171

00:08:04,909 --> 00:08:02,340

that's not necessarily the dream UFO the

172

00:08:07,010 --> 00:08:04,919

magazine promotes this magazine simply

173

00:08:09,650 --> 00:08:07,020

Collective archetype Savior and friend

180  
00:08:29,029 --> 00:08:26,819  
we view UFOs and ETS as unequivocally

181  
00:08:31,969 --> 00:08:29,039  
worthy newsmakers bearing an

182

irresistible pan species Invitation to

184

truly open to other Concepts whatever

185  
00:08:41,570 --> 00:08:39,060  
else they are UFOs are fun and

186  
00:08:43,310 --> 00:08:41,580  
fascinating the time has come for these

187  
00:08:45,230 --> 00:08:43,320  
wondrous perplexing objects and their

188  
00:08:47,630 --> 00:08:45,240

drivers to really have their day on

189

00:08:50,090 --> 00:08:47,640

their planet and their say on the pages

190

00:08:52,130 --> 00:08:50,100

of this magazine we intend to do our job

191

00:08:56,810 --> 00:08:52,140

with a lot of heart power and always

192

00:09:01,370 --> 00:08:58,790

you ever come across a piece of writing

193

00:09:04,430 --> 00:09:01,380

that is fun and interesting and used as

194

00:09:07,790 --> 00:09:04,440

a great vocabulary but clearly wasn't

195

00:09:09,850 --> 00:09:07,800

intended to be read out loud by any

196

00:09:13,190 --> 00:09:09,860

human at any time that's what I feel

197

00:09:15,829 --> 00:09:13,200

that it was like recording that

198

00:09:18,889 --> 00:09:15,839

definitely pure wedding I there's some

199

00:09:21,829 --> 00:09:18,899

things I can't say very well uh

200

00:09:24,530 --> 00:09:21,839

including the word irrevocably

201  
00:09:27,710 --> 00:09:24,540  
that okay yes I just said it there but

202  
00:09:31,070 --> 00:09:27,720  
anyway so the impression this letter

203  
00:09:34,130 --> 00:09:31,080  
from Vicki Cooper gives us is that this

204  
00:09:37,250 --> 00:09:34,140  
is going to be a magazine that is

205  
00:09:40,430 --> 00:09:37,260  
um very Broad in its approach in my

206  
00:09:43,430 --> 00:09:40,440  
notes in the margin I wrote very woo and

207  
00:09:44,449 --> 00:09:43,440  
I don't mean that in a a a derogatory

208  
00:09:49,009 --> 00:09:44,459  
way

209  
00:09:51,769 --> 00:09:49,019  
um Wu is more fun much more fun than any

210  
00:09:54,350 --> 00:09:51,779  
video that uh is named after a breath

211  
00:09:57,470 --> 00:09:54,360  
mint for example that we've seen lately

212  
00:10:00,050 --> 00:09:57,480  
or Chinese balloons or or what have you

213  
00:10:03,230 --> 00:10:00,060

this is a magazine that's going to to

214

00:10:06,170 --> 00:10:03,240

take a fairly far out approach to these

215

00:10:09,050 --> 00:10:06,180

things so what more do we have as we

216

00:10:11,030 --> 00:10:09,060

dive in beyond that opening introduction

217

00:10:13,310 --> 00:10:11,040

we've got some letters to the editor

218

00:10:14,870 --> 00:10:13,320

which is always strange to me in the

219

00:10:17,690 --> 00:10:14,880

first issue I assume they send out

220

00:10:20,690 --> 00:10:17,700

sample issues or preview copies and get

221

00:10:22,730 --> 00:10:20,700

some get some responses I think the most

222

00:10:25,490 --> 00:10:22,740

interesting one of the these these sort

223

00:10:30,889 --> 00:10:25,500

of preview letters comes from an Earl

224

00:10:34,550 --> 00:10:33,170

dear editor I would very much like to

225

00:10:36,590 --> 00:10:34,560

share with everybody the moving

226

00:10:38,630 --> 00:10:36,600

experience I had with extraterrestrials

227

00:10:40,490 --> 00:10:38,640

and the wonderful six-pointed star that

228

00:10:42,949 --> 00:10:40,500

appeared on my hand after the encounter

229

00:10:44,630 --> 00:10:42,959

I'm a screenwriter and although several

230

00:10:47,389 --> 00:10:44,640

production companies are reading my

231

00:10:48,889 --> 00:10:47,399

material I'm waiting for the big break I

232

00:10:50,690 --> 00:10:48,899

never get discouraged because of the

233

00:10:53,509 --> 00:10:50,700

special guidance I feel every single day

234

00:10:55,970 --> 00:10:53,519

at least by reading about my experience

235

00:10:59,630 --> 00:10:55,980

your readers may be able to feel closer

236

00:11:04,009 --> 00:11:01,790

there's an editorial note that they will

237

00:11:06,230 --> 00:11:04,019

be running blakesley's story in the

238

00:11:08,870 --> 00:11:06,240

contact e section of their next issue

239

00:11:11,090 --> 00:11:08,880

yes there is a contact e-section or

240

00:11:14,090 --> 00:11:11,100

there's going to be in the next issue

241

00:11:16,310 --> 00:11:14,100

next we have the news section with the

242

00:11:20,810 --> 00:11:16,320

headline Tesla Symposium to benefit

243

00:11:23,810 --> 00:11:20,820

comma rejuvenate Integratron yes the

244

00:11:25,970 --> 00:11:23,820

Integratron the multi-sided domed

245

00:11:27,829 --> 00:11:25,980

building where energies would flow

246

00:11:31,190 --> 00:11:27,839

through and and

247

00:11:34,009 --> 00:11:31,200

um George Van Tassel got the plans from

248

00:11:35,870 --> 00:11:34,019

ashtar or something I can't quite

249

00:11:40,069 --> 00:11:35,880

remember it's been a long time since we

250

00:11:42,550 --> 00:11:40,079

did our uh George Van Tassel ashtar

251  
00:11:46,150 --> 00:11:42,560  
episode but it's a three-day Symposium

252  
00:11:48,769 --> 00:11:46,160  
exploring Nikola Tesla's Advanced

253  
00:11:51,170 --> 00:11:48,779  
electromagnetic theories it's being

254  
00:11:53,630 --> 00:11:51,180  
hosted by the Borderlands Sciences

255  
00:11:56,329 --> 00:11:53,640  
Research Foundation who we've heard of

256  
00:11:59,630 --> 00:11:56,339  
before and we get a little rundown of

257  
00:12:02,210 --> 00:11:59,640  
the the Integratron there in in Yucca

258  
00:12:06,110 --> 00:12:02,220  
Valley and um we learn a little bit

259  
00:12:08,810 --> 00:12:06,120  
about the device itself

260  
00:12:10,910 --> 00:12:08,820  
designed for cellular revitalization and

261  
00:12:12,490 --> 00:12:10,920  
anti-gravity research the Integratron

262  
00:12:15,650 --> 00:12:12,500  
originated with the late California

263  
00:12:17,449 --> 00:12:15,660

contactee George Van Tassel Van Tassel

264

00:12:19,310 --> 00:12:17,459

had claimed that space beings were the

265

00:12:21,710 --> 00:12:19,320

source of technological instructions for

266

00:12:23,930 --> 00:12:21,720

the unit's initial construction he died

267

00:12:25,790 --> 00:12:23,940

before the Integratron was completed in

268

00:12:27,470 --> 00:12:25,800

the last several years the project has

269

00:12:29,630 --> 00:12:27,480

been slowed by lack of funds and

270

00:12:31,490 --> 00:12:29,640

prolonged internal conflicts current

271

00:12:33,949 --> 00:12:31,500

sponsors approach it from both a

272

00:12:35,930 --> 00:12:33,959

mechanical and spiritual standpoint

273

00:12:37,670 --> 00:12:35,940

most of those involved feel that the

274

00:12:39,829 --> 00:12:37,680

correct application of Tesla's theories

275

00:12:42,290 --> 00:12:39,839

will hasten the integratron's final

276

00:12:44,690 --> 00:12:42,300

completion it's a big Rejuvenation

277

00:12:46,310 --> 00:12:44,700

machine Brown says adding that some

278

00:12:48,170 --> 00:12:46,320

Tesla proponents found ways of

279

00:12:50,389 --> 00:12:48,180

mechanically driving cancers out of

280

00:12:52,190 --> 00:12:50,399

people's bodies although other diseases

281

00:12:56,030 --> 00:12:52,200

took over when there wasn't a spiritual

282

00:13:00,350 --> 00:12:58,129

I would be much obliged if some

283

00:13:03,110 --> 00:13:00,360

listeners from out near that area or who

284

00:13:05,810 --> 00:13:03,120

are hooked up with Integratron stuff can

285

00:13:09,050 --> 00:13:05,820

let me know if that fundraising effort

286

00:13:11,269 --> 00:13:09,060

was at all successful also in the news

287

00:13:14,389 --> 00:13:11,279

we have this headline resolution

288

00:13:16,930 --> 00:13:14,399

proposes open UFO landing it starts off

289

00:13:19,610 --> 00:13:16,940

a joint resolution directly addressing

290

00:13:22,730 --> 00:13:19,620

extraterrestrials has been drafted by an

291

00:13:25,730 --> 00:13:22,740

international Triad of UFO research

292

00:13:28,670 --> 00:13:25,740

organizations this sounds interesting

293

00:13:31,009 --> 00:13:28,680

there's a UFO team from Cleveland the

294

00:13:33,769 --> 00:13:31,019

Cleveland ufology project and teams from

295

00:13:36,170 --> 00:13:33,779

Denmark and West Germany as well as the

296

00:13:38,629 --> 00:13:36,180

new york-based InterContinental UFO

297

00:13:40,910 --> 00:13:38,639

Galactic spacecraft research and

298

00:13:44,569 --> 00:13:40,920

analytic Network and they are calling

299

00:13:48,350 --> 00:13:44,579

for an open Landing by homo cosmicus

300

00:13:51,530 --> 00:13:48,360

which I suppose is the cosmic man

301  
00:13:54,230 --> 00:13:51,540  
um I've never homo cosmicus I've I like

302  
00:13:57,470 --> 00:13:54,240  
that I like that it's sort of a a sort

303  
00:14:00,530 --> 00:13:57,480  
of sciency name for space brothers and

304  
00:14:04,730 --> 00:14:02,930  
the resolution also urges all the powers

305  
00:14:06,710 --> 00:14:04,740  
of outer space representing human

306  
00:14:08,810 --> 00:14:06,720  
intelligence of superior civilizations

307  
00:14:10,790 --> 00:14:08,820  
to give advanced notice to the media of

308  
00:14:13,129 --> 00:14:10,800  
their arrival and to maintain a steady

309  
00:14:13,790 --> 00:14:13,139  
open communication with the nations of

310  
00:14:16,069 --> 00:14:13,800  
Earth

311  
00:14:18,290 --> 00:14:16,079  
drafted on March 17th in Cleveland Ohio

312  
00:14:21,050 --> 00:14:18,300  
the document is based on what UFO

313  
00:14:23,030 --> 00:14:21,060

activists claim is 16 years of failed

314

00:14:25,850 --> 00:14:23,040

governmental attempts to establish

315

00:14:29,090 --> 00:14:25,860

communication with ET or Galactic

316

00:14:30,530 --> 00:14:29,100

Civilization along with the icufon the

317

00:14:33,650 --> 00:14:30,540

international get acquainted program

318

00:14:35,870 --> 00:14:33,660

Europe research and contact Network and

319

00:14:40,069 --> 00:14:35,880

the German international UFO research

320

00:14:45,710 --> 00:14:43,069

the get acquainted program the the

321

00:14:49,370 --> 00:14:45,720

European get acquainted program these

322

00:14:51,769 --> 00:14:49,380

are Georgia damsky people it all makes

323

00:14:55,550 --> 00:14:51,779

sense well it doesn't all make sense but

324

00:14:58,189 --> 00:14:55,560

some of it makes a little more sense

325

00:14:59,870 --> 00:14:58,199

let's see what else do we have here oh

326

00:15:02,569 --> 00:14:59,880

there's a new local chairman of the

327

00:15:05,509 --> 00:15:02,579

National UFO conference and his name is

328

00:15:08,090 --> 00:15:05,519

William L Moore yeah we saw a couple

329

00:15:11,509 --> 00:15:08,100

weeks ago or about a month ago what

330

00:15:14,269 --> 00:15:11,519

became of Bill Moore and then we get to

331

00:15:16,970 --> 00:15:14,279

one of the major stories its headline is

332

00:15:19,430 --> 00:15:16,980

Paul Shepard bringing UFO news to the

333

00:15:21,470 --> 00:15:19,440

masses and Paul Shepard's name came up

334

00:15:24,949 --> 00:15:21,480

earlier Paul Shepard is the editorial

335

00:15:27,889 --> 00:15:24,959

consultant to UFO magazine and you can

336

00:15:29,629 --> 00:15:27,899

always tell when when it is a a small

337

00:15:33,350 --> 00:15:29,639

startup magazine when you have major

338

00:15:36,290 --> 00:15:33,360

stories focused around members of of the

339

00:15:39,230 --> 00:15:36,300

staff so this photo of Paul Shepard he's

340

00:15:41,990 --> 00:15:39,240

a a young guy he's in a suit a very sort

341

00:15:44,870 --> 00:15:42,000

of 80s looking pinstripe suit which you

342

00:15:47,269 --> 00:15:44,880

can't be mad at because it's 1986 he's

343

00:15:52,430 --> 00:15:47,279

sitting in front of what looks like the

344

00:15:53,350 --> 00:15:52,440

original IBM PC although it might be an

345

00:15:57,889 --> 00:15:53,360

XT

346

00:16:00,170 --> 00:15:57,899

maybe an at I'm not sure there is uh

347

00:16:03,170 --> 00:16:00,180

behind him on an elevated shelf a copy

348

00:16:08,150 --> 00:16:03,180

of UFO contact for Planet called us and

349

00:16:10,009 --> 00:16:08,160

a um a giant ass dot matrix printer so

350

00:16:11,449 --> 00:16:10,019

um and and those little filing cabinets

351

00:16:15,949 --> 00:16:11,459

of a bunch of five and a quarter inch

352

00:16:19,189 --> 00:16:15,959

floppies so what Paul Shepard is doing

353

00:16:24,410 --> 00:16:19,199

is running something called the UFO

354

00:16:28,730 --> 00:16:24,420

contact newslines this is a UFO news

355

00:16:32,090 --> 00:16:28,740

service that includes news sightings

356

00:16:33,949 --> 00:16:32,100

information contact stories and it

357

00:16:36,769 --> 00:16:33,959

involves somebody we've heard about

358

00:16:41,150 --> 00:16:36,779

before on this program Bill Jenkins who

359

00:16:44,389 --> 00:16:41,160

had the show open mind on KABC radio I

360

00:16:49,310 --> 00:16:44,399

think we covered yeah we covered open

361

00:16:51,590 --> 00:16:49,320

mind on our Radio Days episode I

362

00:16:57,230 --> 00:16:51,600

believe and people in Southern

363

00:17:01,129 --> 00:16:57,240

California can call 976 UFOs and get

364

00:17:04,130 --> 00:17:01,139

daily updates about whatever the UFOs

365

00:17:07,449 --> 00:17:04,140

are doing I don't know if any of you are

366

00:17:09,710 --> 00:17:07,459

of the right age to remember

367

00:17:10,370 --> 00:17:09,720

976 numbers

368

00:17:12,949 --> 00:17:10,380

um

369

00:17:15,710 --> 00:17:12,959

hearing about them as a kid on the news

370

00:17:17,990 --> 00:17:15,720

and things like that I was under well

371

00:17:20,929 --> 00:17:18,000

not a kid I would have been

372

00:17:23,390 --> 00:17:20,939

11 12. yeah that's okay yeah 12. that's

373

00:17:26,809 --> 00:17:23,400

a kid um as a kid I was always under the

374

00:17:28,429 --> 00:17:26,819

impression it was very much the what

375

00:17:31,669 --> 00:17:28,439

were referred to at least in the midwest

376

00:17:34,789 --> 00:17:31,679

as dial-a-porn numbers this was adult

377

00:17:36,710 --> 00:17:34,799

programming sex chat lines things like

378

00:17:38,750 --> 00:17:36,720

this is those 976 numbers and they

379

00:17:40,490 --> 00:17:38,760

charged like you know a thousand bucks a

380

00:17:43,690 --> 00:17:40,500

minute or something

381

00:17:47,270 --> 00:17:43,700

um but I guess you could also call

382

00:17:50,930 --> 00:17:47,280

213-976 UFOs and

383

00:17:55,370 --> 00:17:50,940

um get the latest UFO news and they got

384

00:17:59,450 --> 00:17:55,380

funding from a uh a celebrity Source a a

385

00:18:03,169 --> 00:17:59,460

celebrity named Rusty Weaver he's he was

386

00:18:05,690 --> 00:18:03,179

a musician whose father was actor Dennis

387

00:18:08,390 --> 00:18:05,700

Weaver and Rusty

388

00:18:13,010 --> 00:18:08,400

um produced the uh daily segments for

389

00:18:15,830 --> 00:18:13,020

the UFO news contact line and appeared

390

00:18:18,710 --> 00:18:15,840

as the announcer or introduction guy

391

00:18:21,470 --> 00:18:18,720

before throwing to Bill Jenkins or

392

00:18:24,950 --> 00:18:21,480

somebody else for the the bulk of that

393

00:18:27,110 --> 00:18:24,960

day's report now Dennis Weaver was a

394

00:18:28,310 --> 00:18:27,120

phenomenal actor with an amazing career

395

00:18:32,690 --> 00:18:28,320

he was the president of the Screen

396

00:18:36,470 --> 00:18:32,700

Actors Guild in in the early 1970s he

397

00:18:38,930 --> 00:18:36,480

was in Gunsmoke he was in I'm just

398

00:18:42,470 --> 00:18:38,940

looking down the list here the bridges

399

00:18:46,310 --> 00:18:42,480

at Toko re seven angry men uh Navy Wife

400

00:18:49,130 --> 00:18:46,320

that sounds a little 976. he was in an

401  
00:18:50,510 --> 00:18:49,140  
episode of The Twilight Zone he was in

402  
00:18:53,630 --> 00:18:50,520  
something called the Great man's

403  
00:18:56,390 --> 00:18:53,640  
whiskers oh it's about Abraham Lincoln

404  
00:18:58,610 --> 00:18:56,400  
um disaster at Silo seven

405  
00:19:02,150 --> 00:18:58,620  
um he was he was the voice of buck McCoy

406  
00:19:06,650 --> 00:19:02,160  
on an episode of The Simpsons he was

407  
00:19:09,950 --> 00:19:06,660  
um he's in Magnum PI for an episode it

408  
00:19:12,169 --> 00:19:09,960  
a lot of stuff his son Rusty Weaver is

409  
00:19:14,690 --> 00:19:12,179  
discussed in this Wikipedia article as

410  
00:19:17,270 --> 00:19:14,700  
being among his children Rustin Weaver

411  
00:19:18,910 --> 00:19:17,280  
there is no I did not believe Rusty

412  
00:19:21,890 --> 00:19:18,920  
Weaver has his own

413  
00:19:25,130 --> 00:19:21,900

[Laughter]

414

00:19:29,330 --> 00:19:25,140

Wikipedia page he does not do did you

415

00:19:32,150 --> 00:19:29,340

mean rugby Weaver no no I did not so

416

00:19:34,010 --> 00:19:32,160

real time real time research here on the

417

00:19:35,750 --> 00:19:34,020

the saucer life let's see what I can

418

00:19:38,090 --> 00:19:35,760

find out about Rusty Weaver should I

419

00:19:41,510 --> 00:19:38,100

have done this before yeah maybe

420

00:19:44,270 --> 00:19:41,520

um it's uh it's it's it's been a week

421

00:19:47,750 --> 00:19:44,280

um Rusty Weaver uh on IMDb he was born

422

00:19:52,250 --> 00:19:47,760

in 1959 he was uh on an episode of

423

00:19:53,770 --> 00:19:52,260

Magnum PI he was also in an episode of

424

00:19:55,730 --> 00:19:53,780

Gentle Ben

425

00:20:02,210 --> 00:19:55,740

he was

426  
00:20:05,450 --> 00:20:02,220  
for Magnum PI 1980 and Gentle Ben so

427  
00:20:07,250 --> 00:20:05,460  
this Magnum PI episode also starred his

428  
00:20:10,490 --> 00:20:07,260  
um his father

429  
00:20:12,169 --> 00:20:10,500  
um Robert Weaver and uh his or his

430  
00:20:15,289 --> 00:20:12,179  
brother Robert Weaver and his father

431  
00:20:19,490 --> 00:20:15,299  
Dennis Weaver and guest starred Susan

432  
00:20:21,650 --> 00:20:19,500  
Oliver who was in the original pilot

433  
00:20:23,810 --> 00:20:21,660  
um the cage that pilot episode of Star

434  
00:20:27,730 --> 00:20:23,820  
Trek okay so that's enough um enough

435  
00:20:30,770 --> 00:20:27,740  
Rusty Weaver so I looked all around

436  
00:20:33,850 --> 00:20:30,780  
anywhere I could find to find more about

437  
00:20:37,070 --> 00:20:33,860  
Paul Shepard more about this this UFO

438  
00:20:41,390 --> 00:20:37,080

newslines and I could not find anything

439

00:20:45,650 --> 00:20:41,400

however this issue of UFO magazine did

440

00:20:51,230 --> 00:20:45,660

include a transcript of one of these

441

00:20:54,770 --> 00:20:52,669

you have breaking eyewitness contact

442

00:20:57,650 --> 00:20:54,780

news and inside stories concerning

443

00:21:00,110 --> 00:20:57,660

actual UFO and contact events reported

444

00:21:01,909 --> 00:21:00,120

Nationwide and around the world you'll

445

00:21:03,590 --> 00:21:01,919

hear them as they happen so stay on the

446

00:21:06,590 --> 00:21:03,600

line for Bill Jenkins with today's

447

00:21:08,330 --> 00:21:06,600

report thank you Dennis this week we are

448

00:21:10,669 --> 00:21:08,340

featuring The ongoing contacts with

449

00:21:12,289 --> 00:21:10,679

people from the planet oboe as this week

450

00:21:14,210 --> 00:21:12,299

progresses you will know why they have

451  
00:21:15,770 --> 00:21:14,220  
landed here what they look like and

452  
00:21:17,990 --> 00:21:15,780  
about their dealings with governments of

453  
00:21:20,029 --> 00:21:18,000  
the world but today our entire report

454  
00:21:21,830 --> 00:21:20,039  
comes directly from the transcripts of

455  
00:21:24,110 --> 00:21:21,840  
the ammo investigation

456  
00:21:25,789 --> 00:21:24,120  
these are the words of an ammo leader as

457  
00:21:27,830 --> 00:21:25,799  
he addresses all the people of planet

458  
00:21:29,690 --> 00:21:27,840  
Earth although this message was

459  
00:21:31,190 --> 00:21:29,700  
delivered a couple years ago the

460  
00:21:33,529 --> 00:21:31,200  
significance of the Extraterrestrial

461  
00:21:34,370 --> 00:21:33,539  
message has never been more timely we

462  
00:21:36,350 --> 00:21:34,380  
quote

463  
00:21:38,870 --> 00:21:36,360

for 30 years we have studied your

464

00:21:41,090 --> 00:21:38,880

Sciences your culture your history and

465

00:21:43,430 --> 00:21:41,100

your civilizations all this information

466

00:21:46,010 --> 00:21:43,440

we have carried from your Earth to ammo

467

00:21:46,970 --> 00:21:46,020

in our titanium crystals codified with

468

00:21:49,010 --> 00:21:46,980

data

469

00:21:51,770 --> 00:21:49,020

we have demonstrated to you our culture

470

00:21:54,110 --> 00:21:51,780

and our technology in purely descriptive

471

00:21:56,450 --> 00:21:54,120

form so you cannot convert them or

472

00:21:58,730 --> 00:21:56,460

realize them practically we have done

473

00:22:00,890 --> 00:21:58,740

this because we note with sadness that

474

00:22:02,870 --> 00:22:00,900

you employ your Sciences primarily for

475

00:22:05,390 --> 00:22:02,880

War and the destruction of your own

476  
00:22:07,970 --> 00:22:05,400  
selves which continues as your principal

477  
00:22:10,010 --> 00:22:07,980  
objective you are like children playing

478  
00:22:12,710 --> 00:22:10,020  
with terrible and dangerous toys which

479  
00:22:15,049 --> 00:22:12,720  
will destroy you we can do nothing

480  
00:22:17,210 --> 00:22:15,059  
a cosmic law says that each world must

481  
00:22:19,909 --> 00:22:17,220  
make its own path to survive or to

482  
00:22:22,070 --> 00:22:19,919  
perish you have chosen the second you

483  
00:22:23,930 --> 00:22:22,080  
are destroying your planet annihilating

484  
00:22:26,690 --> 00:22:23,940  
your species and contaminating your

485  
00:22:29,210 --> 00:22:26,700  
atmosphere and your Seas until now this

486  
00:22:31,370 --> 00:22:29,220  
is irreversible with sadness we

487  
00:22:34,490 --> 00:22:31,380  
contemplate your insanity and understand

488  
00:22:36,110 --> 00:22:34,500

that the remedy is only in yourselves we

489

00:22:38,270 --> 00:22:36,120

cannot look forward a great distance

490

00:22:40,130 --> 00:22:38,280

into your future because your psyches

491

00:22:43,490 --> 00:22:40,140

are completely unpredictable and

492

00:22:45,710 --> 00:22:43,500

capricious bordering on paranoia as your

493

00:22:47,570 --> 00:22:45,720

Elder Brothers in this Cosmos we

494

00:22:50,149 --> 00:22:47,580

urgently Desire with all our hearts your

495

00:22:52,669 --> 00:22:50,159

salvation do not destroy your beautiful

496

00:22:55,430 --> 00:22:52,679

blue planet a rare atmospheric world

497

00:22:58,310 --> 00:22:55,440

that floats so majestically in space so

498

00:23:00,770 --> 00:22:58,320

full of life it is your choice

499

00:23:03,230 --> 00:23:00,780

tomorrow our special report will to

500

00:23:05,810 --> 00:23:03,240

close how an ammo spacecraft halted a

501  
00:23:09,169 --> 00:23:05,820  
U.S naval Atomic test off the coast of

502  
00:23:10,789 --> 00:23:09,179  
California until then Dennis if you'd

503  
00:23:12,770 --> 00:23:10,799  
like to receive transcripts of today's

504  
00:23:18,890 --> 00:23:12,780  
report and more information about this

505  
00:23:22,490 --> 00:23:20,690  
I'm trying to imagine how irritated I

506  
00:23:24,470 --> 00:23:22,500  
would have been if I would have paid I

507  
00:23:29,510 --> 00:23:24,480  
don't know 3.99 a minute or whatever to

508  
00:23:33,230 --> 00:23:29,520  
hear a little bit of ammo now the the

509  
00:23:35,630 --> 00:23:33,240  
the phone dialing in aspect of it aside

510  
00:23:37,669 --> 00:23:35,640  
I think it's interesting that what Paul

511  
00:23:40,549 --> 00:23:37,679  
Shepard is doing is is in addition to

512  
00:23:41,810 --> 00:23:40,559  
providing this information to uh to

513  
00:23:43,850 --> 00:23:41,820

people for

514

00:23:46,130 --> 00:23:43,860

um you know the phone service or through

515

00:23:50,570 --> 00:23:46,140

the phone service he's using his

516

00:23:52,310 --> 00:23:50,580

computer to catalog and organize citing

517

00:23:54,230 --> 00:23:52,320

reports and and working with various

518

00:23:58,070 --> 00:23:54,240

hotlines to get this information sort of

519

00:24:00,669 --> 00:23:58,080

collected and collated and sort of sort

520

00:24:03,649 --> 00:24:00,679

of organized which is which is neat

521

00:24:05,870 --> 00:24:03,659

although you can sort of see it as a

522

00:24:08,570 --> 00:24:05,880

we've got this new tool we can use this

523

00:24:10,490 --> 00:24:08,580

to you know easily you know crack the

524

00:24:13,730 --> 00:24:10,500

UFO case or at least understand it

525

00:24:16,850 --> 00:24:13,740

better but really is a stack of floppy

526  
00:24:19,430 --> 00:24:16,860  
disks any more likely to get you closer

527  
00:24:22,370 --> 00:24:19,440  
to the truth about the flying saucers

528  
00:24:23,390 --> 00:24:22,380  
than a metal filing cabinet I'm not

529  
00:24:27,110 --> 00:24:23,400  
really sure

530  
00:24:30,049 --> 00:24:27,120  
let's take our Midway break and then

531  
00:24:32,690 --> 00:24:30,059  
we'll come back and explore more of UFO

532  
00:24:36,350 --> 00:24:32,700  
magazine Volume 1 Number One sorry

533  
00:24:38,300 --> 00:24:36,360  
California UFO magazine volume one

534  
00:24:44,570 --> 00:24:38,310  
number one

535  
00:24:49,070 --> 00:24:47,149

556  
00:25:52,789 --> 00:25:47,700  
48480 okay let's look at some listener

557  
00:25:56,990 --> 00:25:52,799  
feedback about Dr Peter beater

558  
00:25:59,390 --> 00:25:57,000  
um yes uh over on patreon uh Donnie said

559  
00:26:02,690 --> 00:25:59,400  
wasn't Battle of the Harvest Moon and

560  
00:26:04,730 --> 00:26:02,700  
Ewok Adventure TV film in the 80s and it

561  
00:26:05,390 --> 00:26:04,740  
sure sounds like it doesn't it or one of

562  
00:26:07,490 --> 00:26:05,400  
those

563  
00:26:09,529 --> 00:26:07,500

um read-along books with all sorts of

564

00:26:11,690 --> 00:26:09,539

various you know non-canonical Star Wars

565

00:26:13,610 --> 00:26:11,700

stories you'd get from the library if

566

00:26:16,010 --> 00:26:13,620

you are my age and that have a little

567

00:26:17,269 --> 00:26:16,020

tape and it you know it would beep when

568

00:26:20,029 --> 00:26:17,279

you turn the page there's always some

569

00:26:22,789 --> 00:26:20,039

sort of crazy Star Wars thing with those

570

00:26:24,590 --> 00:26:22,799

uh Vincent very humorously chimes in

571

00:26:26,810 --> 00:26:24,600

will the real Walter Mondale please

572

00:26:29,810 --> 00:26:26,820

stand up please stand up

573

00:26:31,430 --> 00:26:29,820

Laura beat everybody else who had the

574

00:26:33,950 --> 00:26:31,440

same comment to the punch and there were

575

00:26:36,890 --> 00:26:33,960

a lot of you who said something along

576

00:26:38,330 --> 00:26:36,900

the lines of what she did Laura says did

577

00:26:40,789 --> 00:26:38,340

Dr beader take lessons on public

578

00:26:43,750 --> 00:26:40,799

speaking from Criswell that's all I hear

579

00:26:47,149 --> 00:26:43,760

whenever he speaks for some reason yes

580

00:26:51,529 --> 00:26:47,159

several of you mentioned the uh the the

581

00:26:55,370 --> 00:26:51,539

Criswell sound that Dr Peter's voice had

582

00:26:57,169 --> 00:26:55,380

with uh with somebody let me see if I

583

00:27:00,710 --> 00:26:57,179

can uh if I can scroll down here and

584

00:27:02,870 --> 00:27:00,720

find it oh yeah Tim on Twitter says uh

585

00:27:04,549 --> 00:27:02,880

Dr Peter's voice gave me serious the

586

00:27:06,470 --> 00:27:04,559

amazing Criswell Vibes I expected to

587

00:27:07,789 --> 00:27:06,480

hear him say Greetings my friends we

588

00:27:09,470 --> 00:27:07,799

were all interested in the future for

589

00:27:12,350 --> 00:27:09,480

that is where you and I are going to be

590

00:27:15,350 --> 00:27:12,360

spending the rest of our lives uh

591

00:27:17,269 --> 00:27:15,360

Michael also on Twitter said every time

592

00:27:18,769 --> 00:27:17,279

he said my friends I was expecting can

593

00:27:21,950 --> 00:27:18,779

your heart stand the shocking facts

594

00:27:25,789 --> 00:27:21,960

about radio misterioso Greg Bishop's

595

00:27:28,250 --> 00:27:25,799

wonderful show so a lot of people

596

00:27:30,169 --> 00:27:28,260

um a lot of people sort of sort of got

597

00:27:33,490 --> 00:27:30,179

that Criswell Vibe which didn't occur to

598

00:27:37,730 --> 00:27:33,500

me at all until I saw Laura's comment

599

00:27:39,289 --> 00:27:37,740

initially Paul on patreon says I could

600

00:27:41,330 --> 00:27:39,299

totally see myself listening to Dr

601  
00:27:43,010 --> 00:27:41,340  
beader in the background while I work I

602  
00:27:45,409 --> 00:27:43,020  
wonder if he had seen the Westworld

603  
00:27:48,049 --> 00:27:45,419  
sequel future world which has basically

604  
00:27:50,570 --> 00:27:48,059  
the same premise premise as his organic

605  
00:27:52,730 --> 00:27:50,580  
robotoids you definitely called it as

606  
00:27:55,610 --> 00:27:52,740  
sort of a diluted sci-fi version of The

607  
00:27:57,169 --> 00:27:55,620  
Manchurian Candidate premise I had

608  
00:27:58,909 --> 00:27:57,179  
thought that alternative three was the

609  
00:28:01,549 --> 00:27:58,919  
source of the secret space stuff but

610  
00:28:04,269 --> 00:28:01,559  
looks like that idea went back went

611  
00:28:06,890 --> 00:28:04,279  
further back to Dr beader or before

612  
00:28:10,750 --> 00:28:06,900  
I think there are hints of it before

613  
00:28:16,070 --> 00:28:10,760

with some of the

614

00:28:20,090 --> 00:28:16,080

Nazi UFO operation high jump Antarctica

615

00:28:21,789 --> 00:28:20,100

things but the timeline is all there's

616

00:28:24,710 --> 00:28:21,799

there's a lot of stuff that sort of hits

617

00:28:26,149 --> 00:28:24,720

at the same time

618

00:28:27,769 --> 00:28:26,159

Stuart

619

00:28:29,510 --> 00:28:27,779

um says Dr beader seems like the

620

00:28:31,669 --> 00:28:29,520

progenitor of many more famous and

621

00:28:32,870 --> 00:28:31,679

fleshed out conspiracy theories I've

622

00:28:34,370 --> 00:28:32,880

certainly heard of The Secret war

623

00:28:36,409 --> 00:28:34,380

between various people from other

624

00:28:38,390 --> 00:28:36,419

conspiracy theorists it's a shame he

625

00:28:40,549 --> 00:28:38,400

doesn't get more credit really also I

626

00:28:42,409 --> 00:28:40,559

love tapes as a kid I could record songs

627

00:28:44,269 --> 00:28:42,419

from the radio and also phone up local

628

00:28:47,090 --> 00:28:44,279

radio stations and record my 15 minutes

629

00:28:49,010 --> 00:28:47,100

of fame but they are dumb now yes

630

00:28:51,130 --> 00:28:49,020

cassettes are dumb

631

00:28:54,529 --> 00:28:51,140

um because it is

632

00:28:56,450 --> 00:28:54,539

2023. Doc Pinko says he should be known

633

00:28:58,130 --> 00:28:56,460

for the fact that he has names that

634

00:29:00,409 --> 00:28:58,140

rhyme if for nothing else yes and

635

00:29:03,590 --> 00:29:00,419

several people pointed out my my

636

00:29:06,409 --> 00:29:03,600

incredible Equanimity in not giggling

637

00:29:08,990 --> 00:29:06,419

when I would talk about Dr Peter Peter

638

00:29:11,149 --> 00:29:09,000

another Patron says

639

00:29:12,950 --> 00:29:11,159

it's very interesting before I knew much

640

00:29:14,810 --> 00:29:12,960

about it I had thought UFO communities

641

00:29:16,730 --> 00:29:14,820

were mostly crunchy New Age types but

642

00:29:19,010 --> 00:29:16,740

the more I learned the more they seem to

643

00:29:20,750 --> 00:29:19,020

tend toward the hard right then again I

644

00:29:22,130 --> 00:29:20,760

guess Q Anon has demonstrated that the

645

00:29:24,049 --> 00:29:22,140

difference between those is sometimes

646

00:29:26,450 --> 00:29:24,059

very narrow you've covered people like

647

00:29:28,909 --> 00:29:26,460

this in the past but I'm curious what

648

00:29:31,850 --> 00:29:28,919

your thoughts are on the dynamic as a

649

00:29:34,490 --> 00:29:31,860

whole yes and actually

650

00:29:38,389 --> 00:29:34,500

um just this week on Twitter that came

651  
00:29:41,510 --> 00:29:38,399  
up as well someone asked Greg Newkirk of

652  
00:29:43,130 --> 00:29:41,520  
Hellyer Fame what he thought about about

653  
00:29:46,909 --> 00:29:43,140  
this topic and he said there's you know

654  
00:29:49,190 --> 00:29:46,919  
there's definitely some some overlap

655  
00:29:51,889 --> 00:29:49,200  
um I I think

656  
00:29:54,230 --> 00:29:51,899  
I think one of the things that we tend

657  
00:29:56,750 --> 00:29:54,240  
to do sometimes is

658  
00:29:59,090 --> 00:29:56,760  
sometimes we can be a little blind to

659  
00:30:01,310 --> 00:29:59,100  
conspiratorial thinking when the

660  
00:30:04,909 --> 00:30:01,320  
conspiracy theory is you know sort of

661  
00:30:08,389 --> 00:30:04,919  
angled toward our our personal political

662  
00:30:10,549 --> 00:30:08,399  
views I know I sometimes catch myself

663  
00:30:12,289 --> 00:30:10,559

um thinking well yeah this makes a lot

664

00:30:15,110 --> 00:30:12,299

of sense oh well actually that doesn't

665

00:30:18,590 --> 00:30:15,120

but um but I want it to be true right

666

00:30:22,850 --> 00:30:18,600

because it feeds my particular fears and

667

00:30:25,970 --> 00:30:22,860

uh and needs and desires I think

668

00:30:27,590 --> 00:30:25,980

I think one of the things that

669

00:30:29,930 --> 00:30:27,600

um that that

670

00:30:33,769 --> 00:30:29,940

can connect

671

00:30:38,510 --> 00:30:33,779

the right of Center conspiracy world to

672

00:30:41,149 --> 00:30:38,520

UFOs is this um the sort of very deep

673

00:30:44,269 --> 00:30:41,159

distrust of

674

00:30:45,549 --> 00:30:44,279

um of government of Experts of

675

00:30:49,669 --> 00:30:45,559

um of

676

00:30:51,830 --> 00:30:49,679

entrenched bureaucracy and that you know

677

00:30:54,470 --> 00:30:51,840

the UFO cover-up is managed by one of

678

00:30:56,930 --> 00:30:54,480

these entrenched bureaucracies and and

679

00:30:59,750 --> 00:30:56,940

this has been a a common conspiratorial

680

00:31:01,909 --> 00:30:59,760

Trope as we heard the the Peter Peter

681

00:31:04,909 --> 00:31:01,919

stuff I mean long before you know the

682

00:31:07,909 --> 00:31:04,919

the label deep State got applied to it

683

00:31:11,930 --> 00:31:07,919

it's it's too big of a topic to get into

684

00:31:13,730 --> 00:31:11,940

uh to get into here but um I I will

685

00:31:16,310 --> 00:31:13,740

probably get into it more at some point

686

00:31:18,649 --> 00:31:16,320

but I I will say that that one thing I

687

00:31:22,070 --> 00:31:18,659

found very interesting is is that

688

00:31:25,010 --> 00:31:22,080

the the world of conspiracy theory used

689

00:31:29,810 --> 00:31:25,020

to span much more of the political

690

00:31:34,310 --> 00:31:29,820

Spectrum than it seems to in the last 15

691

00:31:38,289 --> 00:31:34,320

to 20 years and I've got I've got

692

00:31:40,669 --> 00:31:38,299

Notions about that but um

693

00:31:42,049 --> 00:31:40,679

it's it's too big to get into here but

694

00:31:45,049 --> 00:31:42,059

but yes

695

00:31:46,549 --> 00:31:45,059

um there there certainly is that um that

696

00:31:49,010 --> 00:31:46,559

connection

697

00:31:51,230 --> 00:31:49,020

um and also

698

00:31:52,549 --> 00:31:51,240

no not also um

699

00:31:55,190 --> 00:31:52,559

yeah we've got to get back to the

700

00:31:57,409 --> 00:31:55,200

magazine and to other comments um but

701  
00:31:58,850 --> 00:31:57,419  
um yeah there's there's a lot that could

702  
00:32:01,070 --> 00:31:58,860  
be said there

703  
00:32:03,889 --> 00:32:01,080  
um also over on the patreon Karen and

704  
00:32:07,250 --> 00:32:03,899  
Baird both remember reading

705  
00:32:10,190 --> 00:32:07,260  
um none dare call it treason and none

706  
00:32:12,169 --> 00:32:10,200  
dare call it conspiracy uh nice to know

707  
00:32:14,269 --> 00:32:12,179  
that uh that there are others out there

708  
00:32:15,950 --> 00:32:14,279  
who at a young age were were reading

709  
00:32:16,549 --> 00:32:15,960  
those sorts of things

710  
00:32:19,490 --> 00:32:16,559  
um

711  
00:32:21,590 --> 00:32:19,500  
and until I I read these articles that

712  
00:32:24,830 --> 00:32:21,600  
that are in books that mentioned none

713  
00:32:26,750 --> 00:32:24,840

dare call it treason I kind of wondered

714

00:32:29,149 --> 00:32:26,760

if I'd imagined that book

715

00:32:33,889 --> 00:32:29,159

um if it was real or not

716

00:32:36,950 --> 00:32:33,899

um over on the saucer life website

717

00:32:38,870 --> 00:32:36,960

um uh flying lemon commented I like the

718

00:32:41,210 --> 00:32:38,880

idea that Peter beater had to come up

719

00:32:43,250 --> 00:32:41,220

with human body doubles in order to make

720

00:32:47,090 --> 00:32:43,260

his conspiracies fit with Jimmy Carter's

721

00:32:47,750 --> 00:32:47,100

now legendary physical resiliency well I

722

00:32:49,850 --> 00:32:47,760

don't know what you're talking about

723

00:32:52,430 --> 00:32:49,860

because he died of cancer back in the

724

00:32:55,310 --> 00:32:52,440

70s but no I'm I'm just kidding

725

00:32:56,750 --> 00:32:55,320

um uh Jimmy Carter is a a physical

726

00:33:00,049 --> 00:32:56,760

Marvel

727

00:33:02,029 --> 00:33:00,059

um jfe 1138 asks so has it been Jimmy

728

00:33:04,250 --> 00:33:02,039

Carter's organic robotoid double doing

729

00:33:08,049 --> 00:33:04,260

all that Habitat for Humanity work these

730

00:33:10,370 --> 00:33:08,059

last uh decades interesting uh James

731

00:33:12,049 --> 00:33:10,380

says I don't know if you mentioned it on

732

00:33:13,850 --> 00:33:12,059

the podcast and I missed hearing it but

733

00:33:15,950 --> 00:33:13,860

I looked beat her up and saw he was

734

00:33:19,149 --> 00:33:15,960

General Counsel for the export import

735

00:33:21,289 --> 00:33:19,159

Bank in the 60s and was appointed by JFK

736

00:33:23,210 --> 00:33:21,299

so you could say this about him his

737

00:33:24,529 --> 00:33:23,220

listeners probably had good reason to

738

00:33:27,169 --> 00:33:24,539

believe that he had excellent inside

739

00:33:29,830 --> 00:33:27,179

information connections and sources as

740

00:33:33,230 --> 00:33:29,840

he was an establishment Insider himself

741

00:33:35,149 --> 00:33:33,240

yeah I I glossed over the import export

742

00:33:38,389 --> 00:33:35,159

stuff I think I read it in the official

743

00:33:41,149 --> 00:33:38,399

bio but yeah his appointment by uh by by

744

00:33:42,590 --> 00:33:41,159

Kennedy was was sort of a a patronage

745

00:33:44,149 --> 00:33:42,600

thing for

746

00:33:46,970 --> 00:33:44,159

um some solid party work in West

747

00:33:50,570 --> 00:33:46,980

Virginia that helped Kennedy

748

00:33:53,029 --> 00:33:50,580

um out in uh in in that state red pill

749

00:33:54,769 --> 00:33:53,039

junkie says the epic battles between the

750

00:33:56,570 --> 00:33:54,779

Communists and the Rockefellers narrated

751

00:33:59,389 --> 00:33:56,580

by beater feel like some weird

752

00:34:01,610 --> 00:33:59,399

conspiranoid version of a Kaiju movie am

753

00:34:05,210 --> 00:34:01,620

I supposed to be rooting for Godzilla or

754

00:34:08,089 --> 00:34:05,220

Mothra here the answer is always Gamera

755

00:34:10,730 --> 00:34:08,099

the answer is always to root for Gamera

756

00:34:12,589 --> 00:34:10,740

uh Lester says if all these people were

757

00:34:15,230 --> 00:34:12,599

being shot how come no one shot Dr

758

00:34:17,990 --> 00:34:15,240

beater well then everybody would know he

759

00:34:20,629 --> 00:34:18,000

was telling the true truth

760

00:34:22,190 --> 00:34:20,639

um Martin cottmeyer says I thought you

761

00:34:25,070 --> 00:34:22,200

might enjoy a little of the cultural

762

00:34:27,470 --> 00:34:25,080

backstory robotoid appeared earlier in

763

00:34:29,329 --> 00:34:27,480

science fiction and he has a link to an

764

00:34:30,829 --> 00:34:29,339

engram chart the Google engram chart

765

00:34:33,710 --> 00:34:30,839

that shows

766

00:34:37,550 --> 00:34:33,720

um that you know where words appear in

767

00:34:41,570 --> 00:34:37,560

books robotoid appears in the February

768

00:34:44,930 --> 00:34:41,580

9th 1966 Lost in Space episode War of

769

00:34:47,089 --> 00:34:44,940

the robots it says the idea of replacing

770

00:34:51,109 --> 00:34:47,099

Leaders with um

771

00:34:53,570 --> 00:34:51,119

it it's had a high profile in the 1967

772

00:34:56,329 --> 00:34:53,580

Bond parody Casino Royale that clip has

773

00:34:58,130 --> 00:34:56,339

Dr Noah Woody Allen bragging that he has

774

00:35:00,349 --> 00:34:58,140

already replaced several Leaders with

775

00:35:02,450 --> 00:35:00,359

robot doubles which leads to his lady

776

00:35:05,329 --> 00:35:02,460

abductee remarking that explains a lot

777

00:35:07,130 --> 00:35:05,339

of things Dr Noah also invented a flying

778

00:35:09,170 --> 00:35:07,140

saucer which is in some earlier scenes

779

00:35:10,550 --> 00:35:09,180

thus this is an earlier intersection of

780

00:35:12,589 --> 00:35:10,560

saucers and doubles should you need

781

00:35:15,589 --> 00:35:12,599

justification for the saucer life taking

782

00:35:18,710 --> 00:35:15,599

on the topic of beater's robotoids

783

00:35:21,170 --> 00:35:18,720

I will say that when um when I was in

784

00:35:23,450 --> 00:35:21,180

grade school in junior high I was I was

785

00:35:26,270 --> 00:35:23,460

a huge James Bond fan and me and my

786

00:35:28,250 --> 00:35:26,280

friend Andy were huge James Bond fans we

787

00:35:29,990 --> 00:35:28,260

would we would hang out and and just

788

00:35:32,569 --> 00:35:30,000

watch the movies on Friday nights like

789

00:35:34,609 --> 00:35:32,579

like our his parents would take us we'd

790

00:35:36,770 --> 00:35:34,619

rent like two or three James Bond movies

791

00:35:40,069 --> 00:35:36,780

and stay up watching these things as as

792

00:35:41,270 --> 00:35:40,079

like 12 and 13 year olds and I had found

793

00:35:49,430 --> 00:35:41,280

the

794

00:35:51,170 --> 00:35:49,440

um at a thrift store for a dime by Herb

795

00:35:53,290 --> 00:35:51,180

Alpert and the Tijuana Brass Dusty

796

00:35:55,730 --> 00:35:53,300

Springfield is on it it's a great record

797

00:35:58,010 --> 00:35:55,740

and you know sort of coincidentally so

798

00:36:00,470 --> 00:35:58,020

sad to have lost Herb Alpert

799

00:36:01,910 --> 00:36:00,480

um this week as well but it always

800

00:36:04,730 --> 00:36:01,920

confused me because I didn't know much

801  
00:36:08,150 --> 00:36:04,740  
about the complicated rights situation

802  
00:36:10,790 --> 00:36:08,160  
surrounding Casino Royale and so when

803  
00:36:12,589 --> 00:36:10,800  
Andy and I first saw the Casino Royale

804  
00:36:14,690 --> 00:36:12,599  
movie with

805  
00:36:18,109 --> 00:36:14,700  
um with David Niven as Sir James Bond

806  
00:36:21,290 --> 00:36:18,119  
and Woody Allen as Dr Noah the bad guy

807  
00:36:22,430 --> 00:36:21,300  
but who's also James Bond's nephew Ginny

808  
00:36:25,430 --> 00:36:22,440  
Bond

809  
00:36:28,069 --> 00:36:25,440  
um I was completely confused and

810  
00:36:31,490 --> 00:36:28,079  
bewildered and I appreciate it much more

811  
00:36:33,290 --> 00:36:31,500  
now than I did as someone who thought

812  
00:36:36,470 --> 00:36:33,300  
that that good grief this is even

813  
00:36:39,410 --> 00:36:36,480

sillier than the Roger Moore movies how

814

00:36:41,990 --> 00:36:39,420

can this possibly be okay and that's

815

00:36:44,810 --> 00:36:42,000

probably a good place to end the comment

816

00:36:46,849 --> 00:36:44,820

section lots of great comments about uh

817

00:36:48,349 --> 00:36:46,859

about the Peter Peter episode if I

818

00:36:52,310 --> 00:36:48,359

didn't get to your comments sorry I did

819

00:36:55,550 --> 00:36:52,320

read them all but um I just had to uh to

820

00:36:59,030 --> 00:36:55,560

trim some things down so now let's get

821

00:37:01,260 --> 00:36:59,040

back to UFO sorry California UFO

822

00:37:07,670 --> 00:37:01,270

magazine number one

823

00:37:13,430 --> 00:37:10,010

next up we have

824

00:37:16,250 --> 00:37:13,440

18 theories on UFOs from Brad Steiger

825

00:37:18,710 --> 00:37:16,260

now these do have extensive explanations

826

00:37:20,349 --> 00:37:18,720

with them but I'm just going to run

827

00:37:23,030 --> 00:37:20,359

through them and let let you imagine

828

00:37:25,910 --> 00:37:23,040

what the definition of these things are

829

00:37:29,089 --> 00:37:25,920

because these are are pretty interesting

830

00:37:32,089 --> 00:37:29,099

there is a sort of introductory

831

00:37:37,730 --> 00:37:32,099

paragraph to this that is

832

00:37:40,190 --> 00:37:37,740

I don't know it just seems a bit much

833

00:37:42,710 --> 00:37:40,200

in these final stages of the reality

834

00:37:45,050 --> 00:37:42,720

game man is urged on by an endless

835

00:37:47,329 --> 00:37:45,060

stream of Clues regarding his place in

836

00:37:50,150 --> 00:37:47,339

the cosmos perhaps getting through the

837

00:37:53,210 --> 00:37:50,160

foil of UFO will single out that one

838

00:37:55,550 --> 00:37:53,220

decisive clue players get ready here

839

00:37:57,890 --> 00:37:55,560

author Brad Steiger lays out some

840

00:38:00,230 --> 00:37:57,900

tenable leads to follow during this

841

00:38:03,349 --> 00:38:00,240

particularly intriguing phase of the

842

00:38:08,750 --> 00:38:05,930

okay here are the theories here we go

843

00:38:11,270 --> 00:38:08,760

the Extraterrestrial hypothesis military

844

00:38:13,790 --> 00:38:11,280

secret hypothesis secret society

845

00:38:16,670 --> 00:38:13,800

hypothesis the hollow Earth hypothesis

846

00:38:19,150 --> 00:38:16,680

program deceit and delusion hypothesis

847

00:38:22,190 --> 00:38:19,160

unknown terrestrial life hypothesis

848

00:38:24,650 --> 00:38:22,200

astronauts from Atlantis hypothesis time

849

00:38:27,050 --> 00:38:24,660

traveler hypothesis other dimensions

850

00:38:30,349 --> 00:38:27,060

hypothesis planetary Poltergeist

851  
00:38:33,770 --> 00:38:30,359  
hypothesis protein psychoid hypothesis

852  
00:38:36,589 --> 00:38:33,780  
psychic need hypothesis euphonauts as

853  
00:38:39,170 --> 00:38:36,599  
archetypes hypothesis extraterrestrial

854  
00:38:42,470 --> 00:38:39,180  
trickster's hypothesis Magic Theater

855  
00:38:45,170 --> 00:38:42,480  
hypothesis Supernatural hypothesis the

856  
00:38:46,849 --> 00:38:45,180  
overlords hypothesis the reality game

857  
00:38:49,069 --> 00:38:46,859  
hypothesis

858  
00:38:51,470 --> 00:38:49,079  
and apparently Steiger wrote a book

859  
00:38:54,890 --> 00:38:51,480  
called The Reality game and how to win

860  
00:38:58,190 --> 00:38:54,900  
it so I think reality game hypothesis is

861  
00:39:00,650 --> 00:38:58,200  
just kind of something that is there in

862  
00:39:02,990 --> 00:39:00,660  
order to segue into plugging his new

863  
00:39:04,970 --> 00:39:03,000

book UFO might just as well stand for

864

00:39:06,829 --> 00:39:04,980

unprecedented Financial opportunity

865

00:39:10,310 --> 00:39:06,839

thank you Jen

866

00:39:13,430 --> 00:39:10,320

next a recurring segment in these early

867

00:39:16,210 --> 00:39:13,440

issues messages what are they saying and

868

00:39:18,770 --> 00:39:16,220

this is sound bites

869

00:39:26,750 --> 00:39:18,780

I love this this is

870

00:39:30,589 --> 00:39:28,910

there is no place in the new age for

871

00:39:32,569 --> 00:39:30,599

entities who individually or

872

00:39:35,329 --> 00:39:32,579

collectively continue in their Pursuits

873

00:39:36,890 --> 00:39:35,339

of power and profit and it's likely that

874

00:39:38,930 --> 00:39:36,900

incidents will become more and more

875

00:39:41,270 --> 00:39:38,940

dramatic until the peoples of Earth

876

00:39:43,490 --> 00:39:41,280

awaken from their slumber

877

00:39:45,230 --> 00:39:43,500

Apollo Atlantean Starfleet Commander

878

00:39:47,390 --> 00:39:45,240

1986.

879

00:39:49,609 --> 00:39:47,400

you know that when you join the

880

00:39:51,290 --> 00:39:49,619

Confederation you will once again be in

881

00:39:53,990 --> 00:39:51,300

the Brotherhood of your planetary

883

00:39:58,970 --> 00:39:57,000

of travel and life they are numerous and

884

00:40:01,310 --> 00:39:58,980

you will be in their availability as

885

00:40:04,130 --> 00:40:01,320

soon as your planet understands its

886

00:40:08,930 --> 00:40:04,140

to complete special missions but many

890

00:40:16,810 --> 00:40:15,420

897

00:40:35,630 --> 00:40:33,000

the greatest need of your race your

898

00:40:38,030 --> 00:40:35,640

civilization and your society today is

899

00:40:40,730 --> 00:40:38,040

simple basic understanding between man

900

00:40:43,190 --> 00:40:40,740

and fellow man between nation and nation

901  
00:40:45,109 --> 00:40:43,200  
and between all men and that greater

902  
00:40:46,870 --> 00:40:45,119  
power and intelligence that pervades and

903  
00:40:49,730 --> 00:40:46,880  
controls all nature

904  
00:40:51,170 --> 00:40:49,740  
understanding is the key to survival for

905  
00:40:57,349 --> 00:40:51,180  
your race

906  
00:41:02,150 --> 00:40:59,630  
so that last one I'm pretty sure that's

907  
00:41:03,770 --> 00:41:02,160  
Alan not Allen the way it was spelled

908  
00:41:07,790 --> 00:41:03,780  
and that was

909  
00:41:10,430 --> 00:41:07,800  
um the uh Don Frye Donald Frye

910  
00:41:12,950 --> 00:41:10,440  
um contacts a Daniel fry not Donald

911  
00:41:15,170 --> 00:41:12,960  
what's wrong with me Daniel fry contacts

912  
00:41:17,510 --> 00:41:15,180  
but I I did find it amusing that they

913  
00:41:19,730 --> 00:41:17,520

listed him as spacecraft native as

914

00:41:22,130 --> 00:41:19,740

though he just lives in his ship

915

00:41:24,470 --> 00:41:22,140

um like it's a Winnebago trailer or

916

00:41:26,810 --> 00:41:24,480

something and he's just sort of just

917

00:41:28,130 --> 00:41:26,820

sort of living in a a flying saucer down

918

00:41:28,970 --> 00:41:28,140

by the river

919

00:41:32,870 --> 00:41:28,980

so

920

00:41:35,030 --> 00:41:32,880

well there are a couple really good

921

00:41:37,790 --> 00:41:35,040

stories about cases in Brazil and in the

922

00:41:39,890 --> 00:41:37,800

Soviet Union but um actually those are

923

00:41:43,069 --> 00:41:39,900

better fodder for actual full episodes

924

00:41:45,410 --> 00:41:43,079

based on those cases one of my favorite

925

00:41:47,030 --> 00:41:45,420

things in this magazine however is

926

00:41:48,890 --> 00:41:47,040

something you get in a magazine not

927

00:41:50,870 --> 00:41:48,900

something you get in a book or in a

928

00:41:54,849 --> 00:41:50,880

documentary or something like that it's

929

00:41:57,950 --> 00:41:54,859

basically the want ads and one of the

930

00:41:59,810 --> 00:41:57,960

the sort of centerpiece of the want ads

931

00:42:02,510 --> 00:41:59,820

is and I don't know how they got this

932

00:42:03,349 --> 00:42:02,520

many ads for their first issue

933

00:42:06,770 --> 00:42:03,359

um

934

00:42:09,730 --> 00:42:06,780

I'm sure they they solicited this but

935

00:42:12,710 --> 00:42:09,740

it's the contact e and networking

936

00:42:15,770 --> 00:42:12,720

opportunities a lot of these are

937

00:42:19,510 --> 00:42:15,780

938

researcher and hypnotist Dr Leo sprinkle

974

00:44:14,690 --> 00:44:12,420

the purpose of ifufocs says sprinkle is

975

00:44:16,250 --> 00:44:14,700

to research contact e phenomena and

976  
00:44:18,650 --> 00:44:16,260  
bring to light the nature of their

977  
00:44:22,309 --> 00:44:18,660  
experiences conference proceedings are

978  
00:44:24,890 --> 00:44:22,319  
available in booklet form

979  
00:44:27,770 --> 00:44:24,900  
so sprinkle as you know was one of the

980  
00:44:31,069 --> 00:44:27,780  
earliest hypnotists who worked with what

981  
00:44:33,349 --> 00:44:31,079  
I always thought were UFO abductees and

982  
00:44:36,890 --> 00:44:33,359  
I think it's interesting that the word

983  
00:44:41,630 --> 00:44:36,900  
abductee might not have

984  
00:44:43,190 --> 00:44:41,640  
the use in late 1986 that it uh that it

985  
00:44:44,510 --> 00:44:43,200  
later would so I found that very

986  
00:44:47,210 --> 00:44:44,520  
interesting

987  
00:44:49,250 --> 00:44:47,220  
um Bill Moore has an ad in here offering

988  
00:44:50,930 --> 00:44:49,260

his Publications and research through

989

00:44:54,230 --> 00:44:50,940

990

991

00:45:01,190 --> 00:44:58,380

be interested there's even an ad for The

992

993

00:45:06,530 --> 00:45:02,520

America

994

00:45:09,109 --> 00:45:06,540

yes Gabe Green's outfit and Gabe green

995

00:45:10,910 --> 00:45:09,119

is still running it we also learned that

996

00:45:13,490 --> 00:45:10,920

he is now facilitating past life

997

00:45:16,190 --> 00:45:13,500

regressions utilizing a technique that

998

00:45:18,950 --> 00:45:16,200

the aliens gave him and he is quote

999

00:45:22,609 --> 00:45:18,960

known for advocating an egalitarian New

1000

00:45:25,730 --> 00:45:22,619

Age ideology called universalism he is

1001

00:45:28,370 --> 00:45:25,740

very smart to rename it that and not

1002

00:45:32,270 --> 00:45:28,380

throw around the very confusing term

1003

00:45:33,890 --> 00:45:32,280

prior Choice economics that's uh that's

1004

00:45:36,109 --> 00:45:33,900

not gonna sell prior to his economics

1005

00:45:40,250 --> 00:45:36,119

nobody cares he calls something

1006

00:45:43,609 --> 00:45:40,260

on the other hand universalism yeah yeah

1007

00:45:46,670 --> 00:45:43,619

that uh that will fly there's a lot of

1008

00:45:48,589 --> 00:45:46,680

interesting things here there's an ad

1009

00:45:51,349 --> 00:45:48,599

from a woman named Catherine so long

1010

00:45:53,089 --> 00:45:51,359

that says contact ease are you having

1011

00:45:54,589 --> 00:45:53,099

trouble integrating your experiences

1012

00:45:56,510 --> 00:45:54,599

into your daily life

1013

00:45:58,790 --> 00:45:56,520

et's in human form are you having

1014

00:46:00,410 --> 00:45:58,800

trouble adjusting to life on Earth and

1015

00:46:02,930 --> 00:46:00,420

understanding listener and skilled

1016

00:46:05,990 --> 00:46:02,940

therapist can help so Catherine's so

1017

00:46:09,050 --> 00:46:06,000

long PHD is offering counseling and

1018

00:46:13,130 --> 00:46:09,060

therapy for not just contact ease but

1019

00:46:16,130 --> 00:46:13,140

also aliens who are stuck here on Earth

1020

00:46:19,790 --> 00:46:16,140

and finally my my favorite ad of the

1021

00:46:24,650 --> 00:46:22,069

Millennium colonization Corporation

1022

00:46:26,510 --> 00:46:24,660

1023

00:46:28,790 --> 00:46:26,520

futurists with a working knowledge of

1024

00:46:31,010 --> 00:46:28,800

Mormonism in keeping with the Mormon

1025

00:46:33,130 --> 00:46:31,020

Doctrine Millennium colonists foresee

1026

00:46:35,390 --> 00:46:33,140

and expect to build an autonomous

1027

00:46:37,370 --> 00:46:35,400

Interstellar Community called New

1028

00:46:39,530 --> 00:46:37,380

Jerusalem which will link up with the

1029

00:46:41,450 --> 00:46:39,540

original space-going city of Enoch

1030

00:46:43,910 --> 00:46:41,460

applications are now being taken for

1031

00:46:45,770 --> 00:46:43,920

like-minded Interstellar colonists with

1032

00:46:48,890 --> 00:46:45,780

their sights set on the Celestial

1033

00:46:52,730 --> 00:46:48,900

1034

00:46:57,290 --> 00:46:55,309

and people are urged to contact Robert J

1035

00:46:58,970 --> 00:46:57,300

spanville the coordinator of colonist

1036

00:47:02,630 --> 00:46:58,980

recruiting Millennium colonization

1037

00:47:04,450 --> 00:47:02,640

Corporation 60 West 57th Street New York

1038

00:47:09,050 --> 00:47:04,460

New York

1039

00:47:11,990 --> 00:47:09,060

10019 maybe it maybe I'm just being very

1040

00:47:13,849 --> 00:47:12,000

sort of Prejudiced and stereotypical I

1041

00:47:17,089 --> 00:47:13,859

was really expecting a Salt Lake City

1042

00:47:20,450 --> 00:47:17,099

address with that I don't know why so

1043

00:47:23,150 --> 00:47:20,460

kind of in summary this first issue of

1044

00:47:24,770 --> 00:47:23,160

of California UFO magazine I got it

1045

00:47:28,390 --> 00:47:24,780

right the first time California UFO

1046

00:47:32,210 --> 00:47:28,400

magazine is much more

1047

00:47:35,109 --> 00:47:32,220

much much more woo than I expected it to

1048

00:47:40,370 --> 00:47:35,119

be and I find it very interesting that

1049

00:47:43,309 --> 00:47:40,380

the UFO Reporting News contact hotline

1050

00:47:45,890 --> 00:47:43,319

was not just selling

1051  
00:47:48,230 --> 00:47:45,900  
contact ebooks like contact from planet

1052  
00:47:51,170 --> 00:47:48,240  
coldest these were the contact ebooks

1053  
00:47:53,290 --> 00:47:51,180  
that were edited by Wendell Stevens that

1054  
00:47:56,089 --> 00:47:53,300  
were brought over from Europe and and

1055  
00:47:58,550 --> 00:47:56,099  
translated through and and edited by

1056  
00:48:01,190 --> 00:47:58,560  
Wendell Stevens and on the last page

1057  
00:48:04,430 --> 00:48:01,200  
there's another ad from UFO contact

1058  
00:48:08,930 --> 00:48:04,440  
newslines they're presenting

1059  
00:48:12,410 --> 00:48:08,940  
videos on VHS or beta the beam ship

1060  
00:48:15,710 --> 00:48:12,420  
trilogy that's right palladian beam

1061  
00:48:17,930 --> 00:48:15,720  
ships it's the Billy Meyer thing so this

1062  
00:48:21,050 --> 00:48:17,940  
Paul Shepard guy who's running UFO

1063  
00:48:22,550 --> 00:48:21,060

contact newslines who is a production

1064

00:48:26,050 --> 00:48:22,560

associate

1065

00:48:29,390 --> 00:48:26,060

at UFO magazine is

1066

00:48:31,849 --> 00:48:29,400

his company is pushing the Billy Meyer

1067

00:48:32,750 --> 00:48:31,859

stuff in the United States sort of I

1068

00:48:35,690 --> 00:48:32,760

don't know if it was the main

1069

00:48:38,809 --> 00:48:35,700

distributor but in 1986 had to be one of

1070

00:48:41,809 --> 00:48:38,819

the earliest Distributors of this I find

1071

00:48:43,010 --> 00:48:41,819

that very interesting because

1072

00:48:45,349 --> 00:48:43,020

um

1073

00:48:47,690 --> 00:48:45,359

we've not covered the Meyer Material on

1074

00:48:49,130 --> 00:48:47,700

this uh on this show you can throw that

1075

00:48:50,990 --> 00:48:49,140

in your Google machine and find out all

1076

00:48:51,530 --> 00:48:51,000

you want about it but

1077

00:48:53,270 --> 00:48:51,540

um

1078

00:48:55,670 --> 00:48:53,280

when I I

1079

00:48:57,650 --> 00:48:55,680

bought my first issue of UFO magazine in

1080

00:48:59,930 --> 00:48:57,660

the summer of 1998

1081

00:49:02,690 --> 00:48:59,940

I'm pretty sure that it didn't have

1082

00:49:05,450 --> 00:49:02,700

Billy Meyer Material so the tone of UFO

1083

00:49:07,730 --> 00:49:05,460

magazine would change over time

1084

00:49:09,589 --> 00:49:07,740

and at first I thought that might be due

1085

00:49:11,510 --> 00:49:09,599

to a change in Personnel but Vicky

1086

00:49:13,550 --> 00:49:11,520

Cooper was there

1087

00:49:16,490 --> 00:49:13,560

for the whole run Sherry Stark was there

1088

00:49:18,650 --> 00:49:16,500

for a very long time Don Ecker would

1089

00:49:19,970 --> 00:49:18,660

come in and if you've listened to any

1090

00:49:21,370 --> 00:49:19,980

interview with Don Ecker you know he's

1091

00:49:23,750 --> 00:49:21,380

much more

1092

00:49:26,390 --> 00:49:23,760

hard-nosed than not I would not expect

1093

00:49:31,010 --> 00:49:26,400

Don Acker to be a fan of

1094

00:49:32,750 --> 00:49:31,020

um of of Bill Billy Billy Meyer Material

1095

00:49:34,250 --> 00:49:32,760

um but

1096

00:49:37,430 --> 00:49:34,260

I don't know if it's Personnel that

1097

00:49:39,770 --> 00:49:37,440

changed or if ufology changed because as

1098

00:49:40,970 --> 00:49:39,780

we get into 1987 and 1988 and on

1099

00:49:44,150 --> 00:49:40,980

subsequent episodes we're gonna be

1100

00:49:46,670 --> 00:49:44,160

looking at more of these old UFO

1101  
00:49:49,970 --> 00:49:46,680  
magazines we're gonna we're gonna see

1102  
00:49:52,190 --> 00:49:49,980  
that ufology changes dramatically

1103  
00:49:54,410 --> 00:49:52,200  
through these you see you follow these

1104  
00:49:57,230 --> 00:49:54,420  
change through these issues and it's not

1105  
00:49:59,569 --> 00:49:57,240  
maybe that there was an editorial

1106  
00:50:01,550 --> 00:49:59,579  
decision no we are we are not going to

1107  
00:50:03,589 --> 00:50:01,560  
cover contact ease as much it's just

1108  
00:50:06,109 --> 00:50:03,599  
that there was so much other stuff that

1109  
00:50:09,170 --> 00:50:06,119  
came in we're going to have the mj12

1110  
00:50:11,569 --> 00:50:09,180  
thing break huge we're going to have the

1111  
00:50:13,970 --> 00:50:11,579  
abduction phenomenon break huge with

1112  
00:50:16,550 --> 00:50:13,980  
Whitley streeper's communion coming out

1113  
00:50:18,710 --> 00:50:16,560

not very long after this we're going to

1114

00:50:20,750 --> 00:50:18,720

have more Roswell stuff we're going to

1115

00:50:24,290 --> 00:50:20,760

have John Lear and Bill Cooper and Bill

1116

00:50:27,170 --> 00:50:24,300

English and that whole thing that

1117

00:50:30,109 --> 00:50:27,180

happens that sort of you know turns

1118

00:50:33,290 --> 00:50:30,119

ufology on its axis a little bit and and

1119

00:50:35,750 --> 00:50:33,300

kind of reorients it because in late

1120

00:50:38,390 --> 00:50:35,760

1986 here we are we are still very much

1121

00:50:40,010 --> 00:50:38,400

in the mode of you know there's contact

1122

00:50:42,410 --> 00:50:40,020

e stuff and there's lights in the sky

1123

00:50:46,849 --> 00:50:42,420

stuff and never the twain she'll meet

1124

00:50:49,790 --> 00:50:46,859

but at this point forward

1125

00:50:53,990 --> 00:50:49,800

UFO magazine will change

1126  
00:50:56,450 --> 00:50:54,000  
but ufology changes as well and as a

1127  
00:50:57,950 --> 00:50:56,460  
magazine tracking the UFO phenomenon and

1128  
00:50:59,690 --> 00:50:57,960  
those debates

1129  
00:51:07,849 --> 00:50:59,700  
that's going to be

1130  
00:51:11,510 --> 00:51:09,890  
thank you for listening remember to send
