

THE ZINE SCENE (CALIFORNIA) UFO MAGAZINE #2

1
00:00:06,720 --> 00:00:10,990
[Applause]

2
00:00:16,210 --> 00:00:14,350
I never got any money from you

3
00:00:18,890 --> 00:00:16,220
[Music]

4
00:00:21,360 --> 00:00:18,900
you have all my just as well stand for

5
00:00:24,070 --> 00:00:21,370
unprecedented Financial opportunity

6
00:00:27,710 --> 00:00:24,080
[Applause]

7
00:00:29,630 --> 00:00:27,720
be normal this is the saucer life a

8
00:00:31,250 --> 00:00:29,640
podcast in which we examine Concepts

9
00:00:33,950 --> 00:00:31,260
events for people orbiting the world of

10
00:00:36,530 --> 00:00:33,960
flying saucers few preconceptions snark

11
00:00:38,750 --> 00:00:36,540
when Justified no belief no debunking

12
00:00:41,270 --> 00:00:38,760
and it's another Zine scene installment

13
00:00:43,369 --> 00:00:41,280

which people seem to like for some

14

00:00:46,369 --> 00:00:43,379

reason and we're going to look at the

15

00:00:50,450 --> 00:00:46,379

second issue of UFO magazine or rather

16

00:00:51,889 --> 00:00:50,460

California UFO magazine now I should be

17

00:00:55,189 --> 00:00:51,899

clear that we're looking at the second

18

00:00:57,290 --> 00:00:55,199

issue available of California UFO

19

00:01:00,350 --> 00:00:57,300

magazine and this is the January

20

00:01:03,410 --> 00:01:00,360

February 1987 issue and on the cover

21

00:01:05,870 --> 00:01:03,420

it's designated Volume 2 number one

22

00:01:07,370 --> 00:01:05,880

which makes me think I mean I mean

23

00:01:10,190 --> 00:01:07,380

conventionally that would be the first

24

00:01:13,850 --> 00:01:10,200

episode of or first episode the first

25

00:01:16,789 --> 00:01:13,860

issue of the second year of a magazine

26

00:01:19,370 --> 00:01:16,799

but but everything in the um sort of

27

00:01:22,850 --> 00:01:19,380

context clues I get from Reading lead me

28

00:01:25,010 --> 00:01:22,860

to believe this is actually the second

29

00:01:27,350 --> 00:01:25,020

the second issue so if you haven't

30

00:01:30,230 --> 00:01:27,360

listened to our show on the first issue

31

00:01:32,630 --> 00:01:30,240

of UFO magazine don't worry it's not

32

00:01:35,450 --> 00:01:32,640

required to understand this one but just

33

00:01:38,330 --> 00:01:35,460

be aware that UFO magazine was a lot

34

00:01:41,149 --> 00:01:38,340

less nuts and bolts oriented than it

35

00:01:45,710 --> 00:01:41,159

would later become it's much more

36

00:01:49,609 --> 00:01:45,720

covering the entire weird spectrum of

37

00:01:50,130 --> 00:01:49,619

the UFO world so let's go ahead and dive

38

00:01:56,929 --> 00:01:50,140

in

39

00:02:01,730 --> 00:01:59,450

okay so let's start with the cover like

40

00:02:03,770 --> 00:02:01,740

the first issue it's it's printed in

41

00:02:06,950 --> 00:02:03,780

limited colors to keep costs down and

42

00:02:09,589 --> 00:02:06,960

and the guts of the magazine itself are

43

00:02:12,050 --> 00:02:09,599

um are are black and white and this time

44

00:02:17,270 --> 00:02:12,060

this issue it's purple and orange which

45

00:02:20,630 --> 00:02:17,280

is a very 1987 uh color combination uh

46

00:02:23,690 --> 00:02:20,640

the logo is uh sort of California in

47

00:02:26,390 --> 00:02:23,700

tiny letters and then UFO in a sort of

48

00:02:29,030 --> 00:02:26,400

LED style think

49

00:02:31,670 --> 00:02:29,040

um think old calculators

50

00:02:35,570 --> 00:02:31,680

it's the background's purple the word

51
00:02:39,650 --> 00:02:35,580
UFO is orange and in the bottom right

52
00:02:42,770 --> 00:02:39,660
corner is a shadowy figure contrasted

53
00:02:45,290 --> 00:02:42,780
against white sort of Blobby shapes that

54
00:02:47,390 --> 00:02:45,300
could either be aliens or they they I

55
00:02:51,410 --> 00:02:47,400
don't know they could be hands it's

56
00:02:52,970 --> 00:02:51,420
I'm not sure it's a strange cover and

57
00:02:56,449 --> 00:02:52,980
the first thing we see upon turning the

58
00:02:58,369 --> 00:02:56,459
page is an ad that is styled like a

59
00:03:01,369 --> 00:02:58,379
formal invitation

60
00:03:03,050 --> 00:03:01,379
VIP parties very important parties is

61
00:03:05,809 --> 00:03:03,060
holding a series of networking parties

62
00:03:08,809 --> 00:03:05,819
throughout 1987. a fundraising benefit

63
00:03:10,970 --> 00:03:08,819

party for California UFO is tentatively

64

00:03:13,330 --> 00:03:10,980

scheduled for late January at vertigo

65

00:03:15,130 --> 00:03:13,340

1024 South Grand at Olympic

66

00:03:17,869 --> 00:03:15,140

entertainment will include

67

00:03:21,410 --> 00:03:17,879

extraterrestrial channeling session UFO

68

00:03:24,410 --> 00:03:21,420

investigators videos art costume contest

69

00:03:28,850 --> 00:03:24,420

dance performance dancing networking

70

00:03:34,149 --> 00:03:31,250

I'm not sure there's anything that fills

71

00:03:37,070 --> 00:03:34,159

me with with Dread more than the phrase

72

00:03:40,670 --> 00:03:37,080

networking parties but this is a

73

00:03:42,470 --> 00:03:40,680

fundraising benefit Network party I

74

00:03:44,570 --> 00:03:42,480

guess for California UFO magazine

75

00:03:47,210 --> 00:03:44,580

there's some things that I I think are

76

00:03:50,089 --> 00:03:47,220

striking about this the first is that

77

00:03:53,509 --> 00:03:50,099

the the name of the

78

00:03:55,550 --> 00:03:53,519

company is VIP parties and then in

79

00:03:57,589 --> 00:03:55,560

parenthesis as you heard below that it

80

00:03:59,570 --> 00:03:57,599

says very important parties so that's

81

00:04:02,270 --> 00:03:59,580

what the VIP stands for

82

00:04:04,490 --> 00:04:02,280

so the name of the company is very

83

00:04:08,869 --> 00:04:04,500

important parties parties

84

00:04:10,850 --> 00:04:08,879

like ATM machine a small thing a thing

85

00:04:12,949 --> 00:04:10,860

that doesn't make me angry or doesn't

86

00:04:16,670 --> 00:04:12,959

get me upset it's just

87

00:04:18,890 --> 00:04:16,680

did nobody Who Loved These people catch

88

00:04:21,289 --> 00:04:18,900

that before this was printed another

89

00:04:25,189 --> 00:04:21,299

thing I really enjoy about this is that

90

00:04:26,409 --> 00:04:25,199

this is apparently in print in the UFO

91

00:04:28,969 --> 00:04:26,419

Journal of record

92

00:04:30,610 --> 00:04:28,979

confirmation that channeling and UFO

93

00:04:33,890 --> 00:04:30,620

investigation are officially

94

00:04:35,930 --> 00:04:33,900

entertainment which is a useful legal

95

00:04:39,110 --> 00:04:35,940

Dodge and I wonder if this was ever

96

00:04:42,050 --> 00:04:39,120

cited in any uh any fraud cases well I'm

97

00:04:45,170 --> 00:04:42,060

a UFO investigator but for entertainment

98

00:04:46,370 --> 00:04:45,180

purposes only it's it's very much like

99

00:04:50,390 --> 00:04:46,380

when

100

00:04:53,150 --> 00:04:50,400

um the WWF sort of it acknowledged in

101
00:04:55,550 --> 00:04:53,160
court that um that that wrestling was

102
00:04:59,930 --> 00:04:55,560
entertainment rather than Sports to get

103
00:05:02,629 --> 00:04:59,940
out of paying taxes in New Jersey so

104
00:05:04,310 --> 00:05:02,639
it's uh it's a fun thing and it's one of

105
00:05:09,050 --> 00:05:04,320
these parties that I wish I could have

106
00:05:13,249 --> 00:05:09,060
attended because I have a feeling it was

107
00:05:16,070 --> 00:05:13,259
very small and awkward and strange

108
00:05:19,850 --> 00:05:16,080
so there's an editorial that comes up

109
00:05:28,689 --> 00:05:19,860
next and it is entitled history report

110
00:05:31,610 --> 00:05:28,699
25 25 and it is a bit strange and a bit

111
00:05:34,249 --> 00:05:31,620
self-congratulatory and I think I'm just

112
00:05:35,749 --> 00:05:34,259
going to let you let you hear this for

113
00:05:37,670 --> 00:05:35,759

yourself

114

00:05:39,409 --> 00:05:37,680

in the middle of the next to last decade

115

00:05:41,450 --> 00:05:39,419

of the 20th century two female

116

00:05:44,270 --> 00:05:41,460

journalists started a magazine called

117

00:05:46,310 --> 00:05:44,280

California UFO named after a region

118

00:05:48,230 --> 00:05:46,320

known at the time for its tolerance of

119

00:05:50,330 --> 00:05:48,240

unusual ideas

120

00:05:52,070 --> 00:05:50,340

the subject of UFOs was clouded and

121

00:05:54,110 --> 00:05:52,080

sensationalism and ignorance during

122

00:05:55,490 --> 00:05:54,120

those years and the people who openly

123

00:05:57,050 --> 00:05:55,500

admitted to believing in them were

124

00:05:59,810 --> 00:05:57,060

looked at a scance by the rest of

125

00:06:02,390 --> 00:05:59,820

society it was a subject surreptitiously

126
00:06:04,070 --> 00:06:02,400
read about in Supermarket tabloids not a

127
00:06:06,650 --> 00:06:04,080
subject many serious folk would stand

128
00:06:08,570 --> 00:06:06,660
behind those few enlightened Souls who

129
00:06:10,909 --> 00:06:08,580
did openly accept and study the subject

130
00:06:12,350 --> 00:06:10,919
fell into two distinct categories Each

131
00:06:13,490 --> 00:06:12,360
of which attempted to keep its distance

132
00:06:15,529 --> 00:06:13,500
from the other

133
00:06:17,270 --> 00:06:15,539
the serious investigators don't like the

134
00:06:19,129 --> 00:06:17,280
stories we print about the psychic UFO

135
00:06:20,810 --> 00:06:19,139
channels or the contactees because

136
00:06:22,249 --> 00:06:20,820
they're trying to rise above the stigma

137
00:06:24,650 --> 00:06:22,259
of being Kooks in the scientific

138
00:06:26,930 --> 00:06:24,660

community and such stories negate the

139

00:06:28,249 --> 00:06:26,940

completely objective provable data they

140

00:06:29,930 --> 00:06:28,259

are bringing to light wrote the

141

00:06:31,370 --> 00:06:29,940

Magazine's Founders at the time of their

142

00:06:33,469 --> 00:06:31,380

second issue

143

00:06:35,330 --> 00:06:33,479

spiritual UFO Believers have a little

144

00:06:37,370 --> 00:06:35,340

less to lose in terms of worrying about

145

00:06:39,409 --> 00:06:37,380

their image or credibility with their

146

00:06:41,270 --> 00:06:39,419

peers but they do complain that we

147

00:06:43,370 --> 00:06:41,280

concentrate too much on the hardware

148

00:06:45,710 --> 00:06:43,380

aspects of the phenomenon

149

00:06:47,870 --> 00:06:45,720

they don't see any point in dwelling on

150

00:06:49,430 --> 00:06:47,880

the physical evidence UFOs may or may

151
00:06:50,650 --> 00:06:49,440
not leave because they feel the

152
00:06:53,029 --> 00:06:50,660
phenomenon is a psychic

153
00:06:54,529 --> 00:06:53,039
multi-dimensional area that might not be

154
00:06:55,790 --> 00:06:54,539
consistent with our knowledge of the

155
00:06:58,550 --> 00:06:55,800
material world

156
00:07:01,189 --> 00:06:58,560
California UFO managed to please both

157
00:07:03,050 --> 00:07:01,199
camps somewhat but neither completely

158
00:07:04,850 --> 00:07:03,060
the general public was even harder to

159
00:07:06,770 --> 00:07:04,860
win over groups that we thought would

160
00:07:08,570 --> 00:07:06,780
rally behind us because it seemed to us

161
00:07:10,309 --> 00:07:08,580
our interests would overlap were afraid

162
00:07:12,350 --> 00:07:10,319
of the stigma our magazine would cast on

163
00:07:14,150 --> 00:07:12,360

their own credibility some were just

164

00:07:16,309 --> 00:07:14,160

plain not interested the Magazine's

165

00:07:18,529 --> 00:07:16,319

Founders wrote science fiction people

166

00:07:20,210 --> 00:07:18,539

futurists and space exploration groups

167

00:07:22,370 --> 00:07:20,220

told us they had worked too hard and

168

00:07:24,050 --> 00:07:22,380

long to gain media credibility to

169

00:07:26,270 --> 00:07:24,060

endanger it by associating their names

170

00:07:29,330 --> 00:07:26,280

with us we were a hot potato to them

171

00:07:31,010 --> 00:07:29,340

because we were too far out on a limb it

172

00:07:33,110 --> 00:07:31,020

was one thing to talk abstractly about

173

00:07:35,150 --> 00:07:33,120

extraterrestrial life as an artistic

174

00:07:36,950 --> 00:07:35,160

theme or an idealized future Discovery

175

00:07:38,930 --> 00:07:36,960

but the possibility that it might

176
00:07:41,089 --> 00:07:38,940
already be within our grasp of knowledge

177
00:07:42,529 --> 00:07:41,099
was frightening or at least unacceptable

178
00:07:44,930 --> 00:07:42,539
to most people

179
00:07:47,150 --> 00:07:44,940
15 years later when the mass Landings

180
00:07:49,850 --> 00:07:47,160
started the space beings made all such

181
00:07:52,189 --> 00:07:49,860
factionalism moot they threw a big media

182
00:07:54,350 --> 00:07:52,199
party and invited everybody the

183
00:07:56,390 --> 00:07:54,360
scientists spiritualists government and

184
00:07:59,210 --> 00:07:56,400
military officials academics science

185
00:08:01,309 --> 00:07:59,220
fiction fans Skeptics metaphysicians and

186
00:08:03,050 --> 00:08:01,319
anyone else who was interested they sent

187
00:08:05,809 --> 00:08:03,060
a personalized invitation to California

188
00:08:07,070 --> 00:08:05,819

UFO with a scrawled message inside which

189

00:08:09,529 --> 00:08:07,080

the founders have framed in their

190

00:08:11,450 --> 00:08:09,539

offices to this day thanks for helping

191

00:08:15,890 --> 00:08:11,460

to start the party do you have Walter

192

00:08:20,930 --> 00:08:17,809

what I get out of this in apologies for

193

00:08:23,510 --> 00:08:20,940

that long uh clip but as you heard

194

00:08:26,450 --> 00:08:23,520

there's no good way to sort of

195

00:08:27,950 --> 00:08:26,460

trim this down it's a very strange sort

196

00:08:30,950 --> 00:08:27,960

of thing kind of a backward looking

197

00:08:33,469 --> 00:08:30,960

piece of fiction using quotations from

198

00:08:37,130 --> 00:08:33,479

the editorial that I believe is supposed

199

00:08:41,389 --> 00:08:37,140

to be the editorial that we are supposed

200

00:08:44,930 --> 00:08:41,399

to be reading for issue number two about

201

00:08:47,509 --> 00:08:44,940

all of this and and I I think

202

00:08:51,230 --> 00:08:47,519

this is speculation on my part I I think

203

00:08:54,530 --> 00:08:51,240

what happened is that there was

204

00:08:57,230 --> 00:08:54,540

a first draft of an editorial that was

205

00:09:00,650 --> 00:08:57,240

about the different opinions on that

206

00:09:04,190 --> 00:09:00,660

first episode of UFO magazine and

207

00:09:06,050 --> 00:09:04,200

sort of a a meditation on factionalism

208

00:09:09,949 --> 00:09:06,060

within the UFO community

209

00:09:12,470 --> 00:09:09,959

and it was probably very straightforward

210

00:09:15,470 --> 00:09:12,480

and boring and didn't really have an

211

00:09:17,509 --> 00:09:15,480

angle to it and other than most likely

212

00:09:21,590 --> 00:09:17,519

sounding defensive about their approach

213

00:09:25,509 --> 00:09:21,600

and so they said Vicky uh Cooper

214

00:09:28,850 --> 00:09:25,519

um said well why don't I reframe this as

215

00:09:32,449 --> 00:09:28,860

this voice from the future looking back

216

00:09:34,490 --> 00:09:32,459

and quoting little bits relevant bits of

217

00:09:36,050 --> 00:09:34,500

that editorial that I've decided I don't

218

00:09:39,410 --> 00:09:36,060

want to use I don't know if that's how

219

00:09:41,389 --> 00:09:39,420

it worked but that's sort of what I

220

00:09:44,990 --> 00:09:41,399

imagine happened and I'm not sure if

221

00:09:46,790 --> 00:09:45,000

this entirely works as uh as an

222

00:09:48,650 --> 00:09:46,800

editorial because

223

00:09:51,650 --> 00:09:48,660

um yeah I don't know

224

00:09:54,610 --> 00:09:51,660

I don't know I'm not sure I'm not sure I

225

00:09:57,829 --> 00:09:54,620

I like it but the letters to the editor

226

00:10:00,769 --> 00:09:57,839

certainly do reflect that

227

00:10:02,810 --> 00:10:00,779

um that very interesting uh conflict and

228

00:10:05,509 --> 00:10:02,820

and it does highlight the the ongoing

229

00:10:08,210 --> 00:10:05,519

tension between ufology's attempts to be

230

00:10:10,070 --> 00:10:08,220

scientific on the one hand and other

231

00:10:13,070 --> 00:10:10,080

elements of

232

00:10:16,009 --> 00:10:13,080

the field having a more freewheeling

233

00:10:18,710 --> 00:10:16,019

attitude for example bill Cox of Santa

234

00:10:20,690 --> 00:10:18,720

Barbara says this

235

00:10:22,610 --> 00:10:20,700

I recommend that you make your decision

236

00:10:24,470 --> 00:10:22,620

from the start to be as scientific as

237

00:10:26,870 --> 00:10:24,480

possible and to avoid sensationalism

238

00:10:28,490 --> 00:10:26,880

there are a lot of self-deluded and

239

00:10:31,130 --> 00:10:28,500

deluding persons out there who make

240

00:10:33,350 --> 00:10:31,140

unsubstantiated claims we are to believe

241

00:10:36,050 --> 00:10:33,360

what they say merely because they say so

242

00:10:38,449 --> 00:10:36,060

this we know as we have correspondence

243

00:10:40,550 --> 00:10:38,459

going back to the late 40s these people

244

00:10:42,949 --> 00:10:40,560

will put off serious contributors and

245

00:10:44,870 --> 00:10:42,959

supporters on the other hand if you go

246

00:10:46,550 --> 00:10:44,880

the straight academic route with too

247

00:10:48,769 --> 00:10:46,560

much math and psychology and too many

248

00:10:50,870 --> 00:10:48,779

phds who pretend to be for UFO

249

00:10:55,550 --> 00:10:50,880

investigation when they're really out to

250

00:10:59,210 --> 00:10:57,710

be rational and scientific but watch out

251
00:11:01,190 --> 00:10:59,220
for those people who are rational and

252
00:11:02,750 --> 00:11:01,200
scientific for a living because they're

253
00:11:06,769 --> 00:11:02,760
out to get you

254
00:11:10,490 --> 00:11:06,779
I guess in a similar vein Leon I want to

255
00:11:13,069 --> 00:11:10,500
pronounce this macashian of Santa Monica

256
00:11:14,930 --> 00:11:13,079
writes the following

257
00:11:17,030 --> 00:11:14,940
I have found this magazine in the

258
00:11:19,610 --> 00:11:17,040
24-hour UFO hotline to be full of

259
00:11:21,290 --> 00:11:19,620
fantasy without any careful analysis an

260
00:11:23,750 --> 00:11:21,300
unknown object seen in the sky is

261
00:11:26,210 --> 00:11:23,760
concluded to be a UFO because of this

262
00:11:28,850 --> 00:11:26,220
the public is being misled if all this

263
00:11:30,949 --> 00:11:28,860

nonsense is really taking place why

264

00:11:33,650 --> 00:11:30,959

isn't there a genuine photograph of a

265

00:11:35,090 --> 00:11:33,660

UFO anyone can just draw a picture of a

266

00:11:37,790 --> 00:11:35,100

flying saucer and publish it in a

267

00:11:39,670 --> 00:11:37,800

magazine even business is being made out

268

00:11:42,230 --> 00:11:39,680

of these absurd fictional reports

269

00:11:46,790 --> 00:11:42,240

hopefully this fantasy will soon be

270

00:11:51,230 --> 00:11:49,610

editor Vicki does respond to this letter

271

00:11:52,970 --> 00:11:51,240

um pointing out that when they have a

272

00:11:56,210 --> 00:11:52,980

larger staff and budget they are going

273

00:11:59,870 --> 00:11:56,220

to be able to investigate UFO cases on

274

00:12:03,110 --> 00:11:59,880

their own but until that time they are

275

00:12:05,449 --> 00:12:03,120

serving as a a sort of collection point

276

00:12:07,550 --> 00:12:05,459

and a forum uh printing the findings of

277

00:12:10,069 --> 00:12:07,560

others with quote as much evidence or

278

00:12:12,350 --> 00:12:10,079

supporting details as exist and letting

279

00:12:15,250 --> 00:12:12,360

our readers judge for themselves end

280

00:12:18,769 --> 00:12:15,260

quote Cooper also

281

00:12:21,650 --> 00:12:18,779

clarifies that UFO magazine or sorry

282

00:12:25,250 --> 00:12:21,660

California UFO and the UFO contact news

283

00:12:27,050 --> 00:12:25,260

line are not uh are not connected and

284

00:12:29,870 --> 00:12:27,060

she notes that this is an incorrect

285

00:12:32,990 --> 00:12:29,880

assumption that many readers have

286

00:12:36,050 --> 00:12:33,000

expressed so I don't know maybe not

287

00:12:38,030 --> 00:12:36,060

running a huge feature on it with the

288

00:12:40,970 --> 00:12:38,040

person running it listed under the

289

00:12:44,030 --> 00:12:40,980

Masthead on your staff was a great idea

290

00:12:45,949 --> 00:12:44,040

editor Cooper sort of might have

291

00:12:48,889 --> 00:12:45,959

contributed to that connection in some

292

00:12:50,990 --> 00:12:48,899

people's minds now those two letters

293

00:12:55,790 --> 00:12:51,000

were kind of negative but Keith Thompson

294

00:12:57,290 --> 00:12:55,800

of Mill Valley who I am 99.9 sure is the

295

00:12:59,509 --> 00:12:57,300

Keith Thompson who would later write the

296

00:13:02,389 --> 00:12:59,519

book angels and Aliens he applauded the

297

00:13:04,069 --> 00:13:02,399

approach laid out in the first issue

298

00:13:06,350 --> 00:13:04,079

congrats on the first issue of

299

00:13:08,509 --> 00:13:06,360

California UFO I like the tone you

300

00:13:10,310 --> 00:13:08,519

established throughout I think success

301
00:13:12,410 --> 00:13:10,320
is guaranteed if you live up to that

302
00:13:15,710 --> 00:13:12,420
promise of being willing to explore the

303
00:13:21,050 --> 00:13:18,230
I agree Mr Thompson

304
00:13:23,569 --> 00:13:21,060
so now we move on to some of the news

305
00:13:26,150 --> 00:13:23,579
stories that appeared in this issue and

306
00:13:28,550 --> 00:13:26,160
one that really struck me is that there

307
00:13:30,769 --> 00:13:28,560
was a contact Symposium the fourth

308
00:13:34,009 --> 00:13:30,779
annual contact Symposium was going to be

309
00:13:35,210 --> 00:13:34,019
held on February 27th through March 1st

310
00:13:36,129 --> 00:13:35,220
of

311
00:13:40,210 --> 00:13:36,139
um

312
00:13:44,990 --> 00:13:40,220
1987. in Rancho Cordova which is a

313
00:13:48,829 --> 00:13:45,000

Sacramento suburb this is how the

314

00:13:50,990 --> 00:13:48,839

contact Symposium is described

315

00:13:52,850 --> 00:13:51,000

contact is described as an

316

00:13:54,970 --> 00:13:52,860

interdisciplinary Forum on possibilities

317

00:13:56,870 --> 00:13:54,980

and problems of extraterrestrial contact

318

00:13:59,629 --> 00:13:56,880

bringing together science fiction

319

00:14:04,129 --> 00:13:59,639

enthusiasts and anthropology experts for

320

00:14:09,410 --> 00:14:07,190

now this just sounds fascinating and fun

321

00:14:12,290 --> 00:14:09,420

to me they're the authors that were

322

00:14:15,170 --> 00:14:12,300

scheduled to be there were um were

323

00:14:16,970 --> 00:14:15,180

Powell Anderson Greg bear Larry Niven

324

00:14:20,569 --> 00:14:16,980

these are these are Big names as well as

325

00:14:22,850 --> 00:14:20,579

uh NASA's Chief biological researcher a

326

00:14:24,650 --> 00:14:22,860

scientist named Richard Johnson and the

327

00:14:26,329 --> 00:14:24,660

topics they were going to cover

328

00:14:28,430 --> 00:14:26,339

um that were announced at least at the

329

00:14:30,769 --> 00:14:28,440

time this went to press where alien

330

00:14:34,009 --> 00:14:30,779

biology alien cultures World building

331

00:14:34,970 --> 00:14:34,019

and how environment affects culture at

332

00:14:37,550 --> 00:14:34,980

that

333

00:14:39,769 --> 00:14:37,560

this this might I would I would go to

334

00:14:43,670 --> 00:14:39,779

this gosh I would I would go to this um

335

00:14:46,189 --> 00:14:43,680

all day long so

336

00:14:48,230 --> 00:14:46,199

it's it's interesting that

337

00:14:50,030 --> 00:14:48,240

what is being discussed here in this

338

00:14:53,210 --> 00:14:50,040

contact Symposium which I mean contact

339

00:14:56,090 --> 00:14:53,220

Symposium is the most sort of UFO land

340

00:14:59,509 --> 00:14:56,100

name for an event ever right but this

341

00:15:02,629 --> 00:14:59,519

isn't a UFO event this is

342

00:15:04,250 --> 00:15:02,639

sort of a collaboration between people

343

00:15:06,590 --> 00:15:04,260

who

344

00:15:10,550 --> 00:15:06,600

make a living

345

00:15:12,350 --> 00:15:10,560

Conjuring up believable or plausible or

346

00:15:13,930 --> 00:15:12,360

identifiable

347

00:15:17,569 --> 00:15:13,940

um alien

348

00:15:19,550 --> 00:15:17,579

environments and getting input and

349

00:15:21,769 --> 00:15:19,560

interaction and

350

00:15:26,150 --> 00:15:21,779

um and sort of collaboration between

351
00:15:28,970 --> 00:15:26,160
fiction authors and scientists who might

352
00:15:30,410 --> 00:15:28,980
have like things to add this this isn't

353
00:15:33,769 --> 00:15:30,420
a UFO thing

354
00:15:34,790 --> 00:15:33,779
maybe that's why it's so interesting for

355
00:15:37,430 --> 00:15:34,800
me

356
00:15:39,110 --> 00:15:37,440
um but again fourth annual so this thing

357
00:15:39,710 --> 00:15:39,120
had been going on a while

358
00:15:43,189 --> 00:15:39,720
um

359
00:15:47,210 --> 00:15:43,199
a really really cool sounding thing next

360
00:15:48,490 --> 00:15:47,220
up we have a lawsuit yes a lawsuit with

361
00:15:50,990 --> 00:15:48,500
the headline

362
00:15:53,810 --> 00:15:51,000
washington-based cause exec files suit

363
00:15:55,910 --> 00:15:53,820

against U.S military

364

00:15:57,949 --> 00:15:55,920

Larry W Bryant director of the

365

00:16:00,470 --> 00:15:57,959

Washington DC office of citizens against

366

00:16:02,150 --> 00:16:00,480

UFO secrecy has filed suit against the

367

00:16:04,009 --> 00:16:02,160

Departments of Defense Army and Air

368

00:16:06,170 --> 00:16:04,019

Force in response to perceived injuries

369

00:16:07,069 --> 00:16:06,180

following publicity efforts on behalf of

370

00:16:09,290 --> 00:16:07,079

cause

371

00:16:10,730 --> 00:16:09,300

filed November 13th at the U.S District

372

00:16:13,069 --> 00:16:10,740

Court for the eastern district of

373

00:16:14,870 --> 00:16:13,079

Virginia in Alexandria the Free Speech

374

00:16:16,790 --> 00:16:14,880

lawsuit seeks relief on two counts

375

00:16:18,889 --> 00:16:16,800

stemming from an advertising campaign

376

00:16:21,710 --> 00:16:18,899

Bryant recently initiated in various

377

00:16:23,990 --> 00:16:21,720

military Publications Across the Nation

378

00:16:26,210 --> 00:16:24,000

in his suit Brian asserts that branches

379

00:16:28,370 --> 00:16:26,220

of the U.S military were instrumental in

380

00:16:30,410 --> 00:16:28,380

censoring or rejecting cause ads

381

00:16:32,870 --> 00:16:30,420

particularly One charging that military

382

00:16:34,910 --> 00:16:32,880

Medics performed secret autopsies on

383

00:16:37,790 --> 00:16:34,920

crew members of a UFO that crashed 30

384

00:16:39,470 --> 00:16:37,800

years ago the ad also asks witnesses to

385

00:16:41,749 --> 00:16:39,480

step forward and Aid in a Freedom of

386

00:16:44,090 --> 00:16:41,759

Information lawsuit to make the records

387

00:16:46,189 --> 00:16:44,100

public Bryant currently a writer and

388

00:16:48,650 --> 00:16:46,199

editor for the pentagon-based Army news

389

00:16:50,569 --> 00:16:48,660

service R news also claims that his

390

00:16:52,910 --> 00:16:50,579

attempts to exercise his constitutional

391

00:16:54,470 --> 00:16:52,920

rights led to an unsatisfactory job

392

00:16:57,350 --> 00:16:54,480

rating recently issued by his

393

00:16:59,210 --> 00:16:57,360

supervisors at our news if left

394

00:17:01,490 --> 00:16:59,220

unchallenged the official reprisal

395

00:17:03,290 --> 00:17:01,500

against me taken in the form of attacks

396

00:17:05,210 --> 00:17:03,300

upon my job performance and professional

397

00:17:07,490 --> 00:17:05,220

competence will send a negative message

398

00:17:09,890 --> 00:17:07,500

to all federal workers Bryant comments

399

00:17:11,929 --> 00:17:09,900

if you dare criticize government policy

400

00:17:14,329 --> 00:17:11,939

expect to incur the wrath of your

401
00:17:17,030 --> 00:17:14,339
employer this attitude must not Prevail

402
00:17:18,949 --> 00:17:17,040
in a democracy Bryant has been a

403
00:17:21,590 --> 00:17:18,959
pentagon employee for the past 28 years

404
00:17:24,530 --> 00:17:21,600
the Army has declined comment while the

405
00:17:27,049 --> 00:17:24,540
civil action is pending

406
00:17:29,690 --> 00:17:27,059
now as you might expect this sent me

407
00:17:31,549 --> 00:17:29,700
down a rabbit hole although I think it

408
00:17:33,830 --> 00:17:31,559
is best that we save that rabbit hole

409
00:17:40,810 --> 00:17:33,840
until after the break

410
00:17:46,850 --> 00:17:43,789
so coming up well actually by the time

411
00:17:49,250 --> 00:17:46,860
you hear this unless you're on the

412
00:17:51,289 --> 00:17:49,260
patreon and you heard this a few days

413
00:17:53,810 --> 00:17:51,299

ago by the time you hear this when this

414

00:17:58,090 --> 00:17:53,820

episode drops I will be

415

00:18:00,370 --> 00:17:58,100

um on the road to Missouri for my Samuel

416

00:18:03,409 --> 00:18:00,380

Samuel

417

00:18:05,990 --> 00:18:03,419

semi-annual-ish paranormal-ish road trip

418

00:18:07,909 --> 00:18:06,000

and I'm going to Missouri for a number

419

00:18:10,310 --> 00:18:07,919

of reasons initially I was going to

420

00:18:12,590 --> 00:18:10,320

check out Cape Girardeau where there was

421

00:18:16,970 --> 00:18:12,600

apparently a UFO crash back in the 40s

422

00:18:20,330 --> 00:18:16,980

but then I realized or remembered that

423

00:18:23,890 --> 00:18:20,340

Missouri was home for a while to Buck

424

00:18:28,669 --> 00:18:23,900

Nelson and his UFO

425

00:18:30,590 --> 00:18:28,679

Gathering and I decided to go to that

426

00:18:33,529 --> 00:18:30,600

area in the Ozarks and check that out

427

00:18:35,990 --> 00:18:33,539

I've got a stop scheduled at the State

428

00:18:38,090 --> 00:18:36,000

Historical Society of Missouri to look

429

00:18:41,570 --> 00:18:38,100

at some materials they have related to

430

00:18:44,810 --> 00:18:41,580

Buck Nelson's shows and um I'm also

431

00:18:46,730 --> 00:18:44,820

gonna swing through Piedmont which was

432

00:18:50,270 --> 00:18:46,740

uh the location of all sorts of

433

00:18:53,210 --> 00:18:50,280

weirdness over the years so

434

00:18:57,650 --> 00:18:53,220

um that uh a sort of road trip episode

435

00:18:59,150 --> 00:18:57,660

is what will be coming up next and if

436

00:19:01,190 --> 00:18:59,160

you like the show if you like the saucer

437

00:19:03,289 --> 00:19:01,200

life and and do you want more of the

438

00:19:05,450 --> 00:19:03,299

sort of thing I'm doing here you can

439

00:19:07,610 --> 00:19:05,460

support the show in exchange for bonus

440

00:19:09,770 --> 00:19:07,620

content and uh and all sorts of stuff

441

00:19:12,890 --> 00:19:09,780

patrons as I mentioned get the episodes

442

00:19:15,169 --> 00:19:12,900

early and there's a few pieces of bonus

443

00:19:16,909 --> 00:19:15,179

content every month and this month

444

00:19:19,490 --> 00:19:16,919

there's going to be a lot of fun stuff

445

00:19:22,610 --> 00:19:19,500

related to the trip there's also almost

446

00:19:25,310 --> 00:19:22,620

a year and a half of um previously

447

00:19:27,590 --> 00:19:25,320

released bonus material that that you'll

448

00:19:30,970 --> 00:19:27,600

have access to if you're interested

449

00:19:33,890 --> 00:19:30,980

you can check it out at

450

00:19:36,169 --> 00:19:33,900

patreon.comedia or via the link in the

451
00:19:37,909 --> 00:19:36,179
show notes and you can check out all of

452
00:19:39,650 --> 00:19:37,919
our regular past episodes at

453
00:19:42,350 --> 00:19:39,660
saucerlife.com or you're in your

454
00:19:44,750 --> 00:19:42,360
favorite podcast app we're on uh Twitter

455
00:19:48,830 --> 00:19:44,760
and Instagram at saucerlife and you can

456
00:19:51,770 --> 00:19:48,840
email us at thesaucerlife gmail.com you

457
00:19:56,350 --> 00:19:51,780
can contact us by post at chisomedia PO

458
00:19:59,750 --> 00:19:56,360
Box 68 Grand Blanc Michigan

459
00:20:01,730 --> 00:19:59,760
484-80 and

460
00:20:04,669 --> 00:20:01,740
um now I think

461
00:20:07,669 --> 00:20:04,679
um I think it's time to uh to get back

462
00:20:11,450 --> 00:20:07,679
to uh the the case of Larry Bryant

463
00:20:13,070 --> 00:20:11,460

versus the military but first I I do

464

00:20:15,529 --> 00:20:13,080

want to say that

465

00:20:16,430 --> 00:20:15,539

um I I appreciate the kind words

466

00:20:21,230 --> 00:20:16,440

um

467

00:20:23,750 --> 00:20:21,240

from uh from from you all as I uh uh as

468

00:20:26,150 --> 00:20:23,760

we dealt with uh with some stuff within

469

00:20:28,789 --> 00:20:26,160

our family and the loss of our son and

470

00:20:31,789 --> 00:20:28,799

it was very kind of you to um

471

00:20:33,289 --> 00:20:31,799

to say some very nice things uh to me

472

00:20:37,490 --> 00:20:33,299

and to be very understanding about the

473

00:20:39,590 --> 00:20:37,500

show uh taking a bit of a break and

474

00:20:42,350 --> 00:20:39,600

um thank you for uh for being back here

475

00:20:46,490 --> 00:20:42,360

with us uh if you are which if you're

476

00:20:48,409 --> 00:20:46,500

hearing this you are unless you aren't I

477

00:20:51,830 --> 00:20:48,419

guess anyway

478

00:20:54,890 --> 00:20:51,840

um back to uh back to the uh back to the

479

00:20:59,710 --> 00:20:54,900

fourth Circuit Court of Appeals

480

00:21:05,029 --> 00:21:02,390

so like I said this sent me down a

481

00:21:07,610 --> 00:21:05,039

rabbit hole which eventually led me to

482

00:21:09,590 --> 00:21:07,620

Larry W Bryant plaintiff appellant

483

00:21:12,230 --> 00:21:09,600

versus Dick Cheney Secretary of Defense

484

00:21:14,750 --> 00:21:12,240

John O Marsh Jr secretary Department of

485

00:21:17,570 --> 00:21:14,760

the army defendants appellis and Donald

486

00:21:20,029 --> 00:21:17,580

B rice Secretary of Air Force defendant

487

00:21:22,370 --> 00:21:20,039

this was a case decided by the fourth

488

00:21:26,810 --> 00:21:22,380

Circuit Court of Appeals on December

489

00:21:31,070 --> 00:21:29,029

Larry Bryant appeals a judgment against

490

00:21:32,870 --> 00:21:31,080

him after a bench trial in his action

491

00:21:35,690 --> 00:21:32,880

against the secretaries of defense and

492

00:21:37,850 --> 00:21:35,700

the Army his suit sought declaratory and

493

00:21:39,770 --> 00:21:37,860

injunctive relief against adverse

494

00:21:41,750 --> 00:21:39,780

employment actions and retaliation for

495

00:21:43,370 --> 00:21:41,760

his attempts to expose an alleged

496

00:21:46,610 --> 00:21:43,380

government cover-up of visits by

497

00:21:49,610 --> 00:21:46,620

unidentified flying objects or UFOs we

498

00:21:55,970 --> 00:21:53,529

so just from that at the beginning

499

00:21:59,149 --> 00:21:55,980

the we affirm the Judgment at the end

500

00:22:02,750 --> 00:21:59,159

just if you're not familiar with appeals

501
00:22:06,110 --> 00:22:02,760
cases that means basically Larry loses

502
00:22:07,549 --> 00:22:06,120
his appeal so Bryant was described as a

503
00:22:09,649 --> 00:22:07,559
civilian employee of the defense

504
00:22:11,630 --> 00:22:09,659
department who wrote for the print media

505
00:22:13,930 --> 00:22:11,640
section of our news the Army news

506
00:22:18,590 --> 00:22:13,940
Service as the UFO magazine article

507
00:22:22,070 --> 00:22:18,600
described so our news basically provided

508
00:22:25,490 --> 00:22:22,080
stories for newspapers that were

509
00:22:28,370 --> 00:22:25,500
published by companies that contracted

510
00:22:30,770 --> 00:22:28,380
with the defense department to provide

511
00:22:32,450 --> 00:22:30,780
local news for people living on military

512
00:22:35,570 --> 00:22:32,460
bases around the world

513
00:22:37,610 --> 00:22:35,580

Bryant had always gotten the the court

514

00:22:40,190 --> 00:22:37,620

decision talks about always gotten Job

515

00:22:42,470 --> 00:22:40,200

review ratings of exceptional except for

516

00:22:45,770 --> 00:22:42,480

his very first one which was

517

00:22:49,010 --> 00:22:45,780

unsatisfactory this was back in 1985 and

518

00:22:52,310 --> 00:22:49,020

as the court says quote the 1985 rating

519

00:22:54,049 --> 00:22:52,320

is The Genesis of this suit

520

00:22:56,810 --> 00:22:54,059

Bryant is convinced that the government

521

00:22:58,490 --> 00:22:56,820

has concealed evidence of UFO visits he

522

00:23:00,950 --> 00:22:58,500

is the director of the Washington DC

523

00:23:04,370 --> 00:23:00,960

office of citizens against UFO secrecy

524

00:23:06,770 --> 00:23:04,380

cause in 1983 Bryant on behalf of cause

525

00:23:09,169 --> 00:23:06,780

filed a civil action in District Court

526
00:23:11,990 --> 00:23:09,179
in the District of Columbia styled writ

527
00:23:13,789 --> 00:23:12,000
of habeas corpus extraterrestrial in

528
00:23:15,409 --> 00:23:13,799
this suit he sought to compel the Air

529
00:23:17,330 --> 00:23:15,419
Force to produce the bodies of space

530
00:23:20,149 --> 00:23:17,340
creatures retrieved from Crash saucers

531
00:23:22,310 --> 00:23:20,159
the suit was eventually dismissed but

532
00:23:25,549 --> 00:23:22,320
not until it generated a good deal of

533
00:23:31,610 --> 00:23:29,750
now throughout 1984 and 1985 Bryant had

534
00:23:34,010 --> 00:23:31,620
attempted to place classified ads in

535
00:23:36,529 --> 00:23:34,020
many of these R news supportive

536
00:23:38,630 --> 00:23:36,539
newspapers according to the court quote

537
00:23:40,549 --> 00:23:38,640
he sought information from the paper's

538
00:23:43,130 --> 00:23:40,559

military audience about the government's

539

00:23:46,310 --> 00:23:43,140

alleged cover-up of the UFO Menace end

540

00:23:47,750 --> 00:23:46,320

quote in these ads Bryant did not

541

00:23:49,669 --> 00:23:47,760

identify himself as a government

542

00:23:51,470 --> 00:23:49,679

employee or anything like that he wasn't

543

00:23:54,169 --> 00:23:51,480

abusing his position

544

00:23:56,450 --> 00:23:54,179

some were printed some ads were printed

545

00:23:59,149 --> 00:23:56,460

others were rejected

546

00:24:01,430 --> 00:23:59,159

now the rejections kind of irritated

547

00:24:03,470 --> 00:24:01,440

Bryant and in one case he wrote a letter

548

00:24:06,409 --> 00:24:03,480

to the public affairs officer at Fort

549

00:24:09,529 --> 00:24:06,419

Dix complaining about the fact that the

550

00:24:11,750 --> 00:24:09,539

base newspaper would not run his ad the

551
00:24:13,730 --> 00:24:11,760
recipient according to the court quote

552
00:24:14,810 --> 00:24:13,740
considered the letter rude and

553
00:24:18,529 --> 00:24:14,820
threatening

554
00:24:21,950 --> 00:24:18,539
now all of these activities on Brian's

555
00:24:24,289 --> 00:24:21,960
part coincided with editorial changes at

556
00:24:26,690 --> 00:24:24,299
rnews designed to improve the quality of

557
00:24:28,730 --> 00:24:26,700
stories a new layer of editorial

558
00:24:31,310 --> 00:24:28,740
oversight was added not because of

559
00:24:34,370 --> 00:24:31,320
Bryant this was a just an organizational

560
00:24:36,950 --> 00:24:34,380
wide change and this is

561
00:24:40,549 --> 00:24:36,960
what led to Bryant's unsatisfactory

562
00:24:43,310 --> 00:24:40,559
rating which was due both to his writing

563
00:24:44,390 --> 00:24:43,320

quality and his attitude toward the new

564

00:24:46,970 --> 00:24:44,400

editors

565

00:24:49,430 --> 00:24:46,980

with coaching Brian's next review

566

00:24:52,210 --> 00:24:49,440

reflected Improvement and the

567

00:24:55,730 --> 00:24:52,220

unsatisfactory rating from his 1985

568

00:24:58,909 --> 00:24:55,740

Employment Review was expunged from his

569

00:25:02,450 --> 00:24:58,919

personnel file nonetheless Bryant filed

570

00:25:04,130 --> 00:25:02,460

his lawsuit in 1987 claiming that he was

571

00:25:06,710 --> 00:25:04,140

being discriminated against and his

572

00:25:09,289 --> 00:25:06,720

rights were being violated because he

573

00:25:12,409 --> 00:25:09,299

was unfairly singled out because of his

574

00:25:15,770 --> 00:25:12,419

views about UFOs and his attempts to

575

00:25:18,110 --> 00:25:15,780

entice members of the military to assist

576

00:25:19,370 --> 00:25:18,120

him in his Freedom of Information Act

577

00:25:22,610 --> 00:25:19,380

efforts

578

00:25:25,310 --> 00:25:22,620

the lower courts had rejected this claim

579

00:25:27,049 --> 00:25:25,320

and initially the appeals court affirmed

580

00:25:30,169 --> 00:25:27,059

that rejection because among other

581

00:25:32,269 --> 00:25:30,179

things quote federal employees aggrieved

582

00:25:34,010 --> 00:25:32,279

by Personnel actions are limited to the

583

00:25:37,010 --> 00:25:34,020

remedies provided by the civil service

584

00:25:39,110 --> 00:25:37,020

reform act end quote thus a

585

00:25:41,630 --> 00:25:39,120

constitutional claim of free speech

586

00:25:44,510 --> 00:25:41,640

being violated was the wrong sort of

587

00:25:46,669 --> 00:25:44,520

venue for Brian's concerns now the

588

00:25:49,330 --> 00:25:46,679

Supreme Court kicked this back to the

589

00:25:51,409 --> 00:25:49,340

fourth circuit because during this time

590

00:25:54,350 --> 00:25:51,419

there had been

591

00:25:58,010 --> 00:25:54,360

other cases

592

00:26:01,789 --> 00:25:58,020

not really about Brian's at all but

593

00:26:03,890 --> 00:26:01,799

touching on the topic of

594

00:26:08,409 --> 00:26:03,900

whether or not

595

00:26:11,510 --> 00:26:08,419

could sue over

596

00:26:14,450 --> 00:26:11,520

civil liberties issues in the course of

597

00:26:17,690 --> 00:26:14,460

their employment there was a case in

598

00:26:19,549 --> 00:26:17,700

1998 that said that established a

599

00:26:22,909 --> 00:26:19,559

precedent that yes this this could be

600

00:26:25,010 --> 00:26:22,919

done so the case is kicked back to the

601
00:26:28,130 --> 00:26:25,020
appeals court for

602
00:26:30,289 --> 00:26:28,140
a redo which I'm not sure but I am

603
00:26:32,750 --> 00:26:30,299
almost positive Bryant

604
00:26:35,090 --> 00:26:32,760
um proclaimed as as the Supreme Court

605
00:26:38,870 --> 00:26:35,100
upholding his claims which absolutely

606
00:26:40,490 --> 00:26:38,880
wasn't the case so this new appeals

607
00:26:44,210 --> 00:26:40,500
ruling emerges the one that we're

608
00:26:46,970 --> 00:26:44,220
looking at now and they ruled that the

609
00:26:49,510 --> 00:26:46,980
lower court rejecting Brian's claims was

610
00:26:52,070 --> 00:26:49,520
correct and it's again affirmed because

611
00:26:54,110 --> 00:26:52,080
there were two other reasons for the

612
00:26:56,630 --> 00:26:54,120
rejection of his claims that did not

613
00:26:59,450 --> 00:26:56,640

rest on whether or not a disgruntled

614

00:27:02,930 --> 00:26:59,460

bureaucrat could use the Constitution as

615

00:27:06,049 --> 00:27:02,940

a defense against bad job reviews

616

00:27:08,870 --> 00:27:06,059

first was that Bryant lacked standing to

617

00:27:12,110 --> 00:27:08,880

seek the declaratory and injunctive

618

00:27:15,230 --> 00:27:12,120

relief that he sought precedent a case

619

00:27:17,390 --> 00:27:15,240

called lion States clearly that there

620

00:27:19,970 --> 00:27:17,400

has to be a real injury that could be

621

00:27:22,370 --> 00:27:19,980

relieved by the court not simply the

622

00:27:24,890 --> 00:27:22,380

potential for an injury as the court

623

00:27:27,230 --> 00:27:24,900

explained

624

00:27:29,870 --> 00:27:27,240

we agree with the appellis that Bryant

625

00:27:31,310 --> 00:27:29,880

lacks standing under Lions Brian's

626

00:27:33,289 --> 00:27:31,320

advertisements have been printed in the

627

00:27:35,810 --> 00:27:33,299

civilian Enterprise newspapers his

628

00:27:37,669 --> 00:27:35,820

unsatisfactory rating for 1985 has been

629

00:27:39,950 --> 00:27:37,679

expunged the author of that rating

630

00:27:41,750 --> 00:27:39,960

Captain surface has been reassigned and

631

00:27:44,029 --> 00:27:41,760

Brian's current supervisors have given

632

00:27:45,710 --> 00:27:44,039

him Stellar evaluations in essence

633

00:27:47,990 --> 00:27:45,720

Bryant is now asking us for a

634

00:27:50,390 --> 00:27:48,000

declaration that an expunged employment

635

00:27:51,830 --> 00:27:50,400

evaluation was unlawful and for an

636

00:27:53,630 --> 00:27:51,840

injunction against adverse treatment

637

00:27:54,710 --> 00:27:53,640

that he can show no indication will

638

00:27:56,870 --> 00:27:54,720

recur

639

00:27:58,850 --> 00:27:56,880

the injunctive and declaratory powers of

640

00:28:01,789 --> 00:27:58,860

the federal court are Broad and vital to

641

00:28:03,710 --> 00:28:01,799

justice but article 3 simply precludes

642

00:28:05,570 --> 00:28:03,720

their empty use to enjoin the

643

00:28:10,310 --> 00:28:05,580

conjectural or declare the fully

644

00:28:15,710 --> 00:28:12,649

basically the court does not have the

645

00:28:18,409 --> 00:28:15,720

power or really any reason to say you

646

00:28:20,210 --> 00:28:18,419

know that situation that was resolved to

647

00:28:22,370 --> 00:28:20,220

your benefit

648

00:28:23,690 --> 00:28:22,380

that was a messed up situation and they

649

00:28:25,490 --> 00:28:23,700

should have fixed it

650

00:28:27,049 --> 00:28:25,500

which they did

651
00:28:29,090 --> 00:28:27,059
so

652
00:28:31,430 --> 00:28:29,100
hooray

653
00:28:33,529 --> 00:28:31,440
there's another reason for rejecting

654
00:28:35,330 --> 00:28:33,539
Brian's claim as well

655
00:28:37,250 --> 00:28:35,340
though we affirm because of the

656
00:28:39,110 --> 00:28:37,260
constraints of article 3 we would be

657
00:28:40,549 --> 00:28:39,120
remiss if we did not note that Brian's

658
00:28:42,710 --> 00:28:40,559
claims were fully tried and found

659
00:28:44,570 --> 00:28:42,720
wanting on their merits The District

660
00:28:46,490 --> 00:28:44,580
Court found that Bryant failed to prove

661
00:28:48,049 --> 00:28:46,500
that his protected speech was a

662
00:28:50,029 --> 00:28:48,059
substantial or motivating factor

663
00:28:52,669 --> 00:28:50,039

prompting the adverse employment action

664

00:28:54,890 --> 00:28:52,679

the court then went on to find that even

665

00:28:56,630 --> 00:28:54,900

had Bryant made such a showing the

666

00:28:58,490 --> 00:28:56,640

defendants had satisfied their burden of

667

00:29:00,350 --> 00:28:58,500

proving that the same action would have

668

00:29:04,610 --> 00:29:00,360

been taken notwithstanding the protected

669

00:29:10,430 --> 00:29:07,789

in other words Larry Bryant got a bad

670

00:29:11,450 --> 00:29:10,440

performance review because he was bad at

671

00:29:20,389 --> 00:29:11,460

his job

672

00:29:23,389 --> 00:29:20,399

reflect that

673

00:29:25,490 --> 00:29:23,399

the UFOs had nothing to do with it they

674

00:29:27,649 --> 00:29:25,500

had enough documentation and enough

675

00:29:30,590 --> 00:29:27,659

proof to demonstrate that the

676
00:29:32,090 --> 00:29:30,600
unsatisfactory rating he was given was

677
00:29:36,049 --> 00:29:32,100
because

678
00:29:39,350 --> 00:29:36,059
of his actual job performance

679
00:29:41,570 --> 00:29:39,360
which you know is uh

680
00:29:44,690 --> 00:29:41,580
kind of disheartening if you're Larry

681
00:29:47,750 --> 00:29:44,700
Bryant I would imagine although

682
00:29:51,169 --> 00:29:47,760
you know it's the UFO field

683
00:29:54,049 --> 00:29:51,179
the the court was probably in on it now

684
00:29:55,549 --> 00:29:54,059
that earlier action that had generated a

685
00:29:58,669 --> 00:29:55,559
good deal of publicity in the Court's

686
00:30:01,610 --> 00:29:58,679
words the habeas corpus extraterrestrial

687
00:30:06,230 --> 00:30:01,620
Ploy it was covered by the UPI wire

688
00:30:08,570 --> 00:30:06,240

service on July 14 1983.

689

00:30:10,789 --> 00:30:08,580

citizens against those secrecy filed a

690

00:30:12,830 --> 00:30:10,799

writ of habeas corpus extraterrestrial

691

00:30:14,990 --> 00:30:12,840

to force the government to release more

692

00:30:16,730 --> 00:30:15,000

than a dozen ETS supposedly found in

693

00:30:19,070 --> 00:30:16,740

Crash flying saucers the group's

694

00:30:21,529 --> 00:30:19,080

director said on Thursday we want the

695

00:30:23,510 --> 00:30:21,539

bodies said Larry Bryant a 45 year old

696

00:30:25,010 --> 00:30:23,520

Alexandria writer but we'll take

697

00:30:26,930 --> 00:30:25,020

whatever information we can get

698

00:30:29,350 --> 00:30:26,940

including whether the bodies are dead or

699

00:30:31,669 --> 00:30:29,360

alive Bryant who heads the Washington

700

00:30:34,549 --> 00:30:31,679

dc-based Group he says is an umbrella

701
00:30:36,110 --> 00:30:34,559
Organization for various UFO groups said

702
00:30:37,789 --> 00:30:36,120
he filed the petition to get more

703
00:30:40,130 --> 00:30:37,799
information about the bodies reportedly

704
00:30:41,330 --> 00:30:40,140
found in saucer crashes most of them in

705
00:30:43,610 --> 00:30:41,340
New Mexico

706
00:30:46,190 --> 00:30:43,620
what our petition aims to do simply is

707
00:30:48,049 --> 00:30:46,200
to perform a citizen's dis arrest to

708
00:30:50,149 --> 00:30:48,059
make the government account formally and

709
00:30:52,610 --> 00:30:50,159
fully for their capture of one or more

710
00:30:57,409 --> 00:30:52,620
UFO crewmen that have had The Misfortune

711
00:31:03,950 --> 00:31:00,409
I would like to change you know the the

712
00:31:07,549 --> 00:31:03,960
legal sort of label of a writ of habeas

713
00:31:11,690 --> 00:31:07,559

corpus to a citizen's disaress I I think

714

00:31:14,389 --> 00:31:11,700

that has a nice sort of silly tone to it

715

00:31:18,110 --> 00:31:14,399

now the evidence on which

716

00:31:20,810 --> 00:31:18,120

Bryant was basing these claims was uh

717

00:31:24,289 --> 00:31:20,820

something we're going to have to look at

718

00:31:27,590 --> 00:31:24,299

at some point but it impinges slightly

719

00:31:31,549 --> 00:31:27,600

on being a potential Roswell episode and

720

00:31:32,889 --> 00:31:31,559

that is the the so-called guy Hotel memo

721

00:31:35,810 --> 00:31:32,899

um

722

00:31:37,730 --> 00:31:35,820

if you know about the guy Hotel memo you

723

00:31:39,710 --> 00:31:37,740

might know about this and are perhaps

724

00:31:41,990 --> 00:31:39,720

rolling your eyes or stroking your chin

725

00:31:45,049 --> 00:31:42,000

thoughtfully uh for everybody else it's

726

00:31:47,029 --> 00:31:45,059

one of briefly one of the many uh

727

00:31:49,010 --> 00:31:47,039

documents that have surfaced from time

728

00:31:52,909 --> 00:31:49,020

to time around the whole Roswell thing

729

00:31:55,250 --> 00:31:52,919

that is mired in controversy so we'll be

730

00:31:56,810 --> 00:31:55,260

covering that at some point actually I'm

731

00:31:59,389 --> 00:31:56,820

making a list of all these sort of

732

00:32:03,409 --> 00:31:59,399

episode topics for the coming months

733

00:32:07,070 --> 00:32:03,419

based on this issue of UFO magazine it's

734

00:32:09,409 --> 00:32:07,080

great so Bryant did this a lot in 2000

735

00:32:12,769 --> 00:32:09,419

he filed a lawsuit against the governor

736

00:32:13,970 --> 00:32:12,779

of Virginia James S Gilmore III in which

737

00:32:15,950 --> 00:32:13,980

he alleged that the governor's

738

00:32:19,070 --> 00:32:15,960

administer situation was ignoring the

739

00:32:21,830 --> 00:32:19,080

public safety issue of the ongoing alien

740

00:32:23,990 --> 00:32:21,840

incursion and failing quote to identify

741

00:32:27,049 --> 00:32:24,000

assess and repel this clandestine

742

00:32:28,909 --> 00:32:27,059

Invasion within Virginia indeed Governor

743

00:32:31,250 --> 00:32:28,919

Gilmore quote refused even to

744

00:32:34,130 --> 00:32:31,260

acknowledge the existence of the

745

00:32:36,409 --> 00:32:34,140

invasion end quote according to the

746

00:32:39,669 --> 00:32:36,419

Washington Post Bryant sought the

747

00:32:43,130 --> 00:32:39,679

following actions as relief for this

748

00:32:45,889 --> 00:32:43,140

horrible dereliction of Duty by the

749

00:32:48,590 --> 00:32:45,899

governor of Virginia

750

00:32:50,990 --> 00:32:48,600

convene a special State grand jury under

751
00:32:52,730 --> 00:32:51,000
the Alexandria Court's Jurisdiction to

752
00:32:55,190 --> 00:32:52,740
investigate the scope impact

753
00:32:57,110 --> 00:32:55,200
perpetrators and methodology of this

754
00:32:59,570 --> 00:32:57,120
clandestine invasion

755
00:33:01,070 --> 00:32:59,580
appoint a state police task force to

756
00:33:03,470 --> 00:33:01,080
analyze and publish all available

757
00:33:05,630 --> 00:33:03,480
Intelligence on the subject

758
00:33:07,610 --> 00:33:05,640
direct the Virginia National Guard to

759
00:33:10,549 --> 00:33:07,620
establish and operate a quick reaction

760
00:33:13,250 --> 00:33:10,559
force to impel these non-human humanoid

761
00:33:14,990 --> 00:33:13,260
alien entities yet to be apprehended and

762
00:33:17,269 --> 00:33:15,000
brought to Justice

763
00:33:19,370 --> 00:33:17,279

afford to Invasion victims the same

764

00:33:21,529 --> 00:33:19,380

victims rights counseling comfort and

765

00:33:25,389 --> 00:33:21,539

protective measures as any other victim

766

00:33:30,230 --> 00:33:29,269

okay as you might imagine this went

767

00:33:33,230 --> 00:33:30,240

nowhere

768

00:33:34,970 --> 00:33:33,240

Bryant died in 2020 and his papers are

769

00:33:37,310 --> 00:33:34,980

now in the possession of the Woodson

770

00:33:40,029 --> 00:33:37,320

Research Center at Rice University which

771

00:33:42,950 --> 00:33:40,039

is currently in the process of

772

00:33:44,450 --> 00:33:42,960

of processing them I didn't think those

773

00:33:46,970 --> 00:33:44,460

words through correctly it looked right

774

00:33:48,769 --> 00:33:46,980

when I was typing it out so that was a

775

00:33:51,110 --> 00:33:48,779

bit of a rabbit hole

776

00:33:53,990 --> 00:33:51,120

um and I think an episode dedicated to

777

00:33:56,509 --> 00:33:54,000

to citizens against UFO secrecy in

778

00:33:59,210 --> 00:33:56,519

general should be in our near future so

779

00:34:01,430 --> 00:33:59,220

I will I will pencil that in I I like

780

00:34:03,830 --> 00:34:01,440

things like this because because often

781

00:34:06,529 --> 00:34:03,840

you have a a very not always but often

782

00:34:09,409 --> 00:34:06,539

you can find a good paper trail of

783

00:34:12,950 --> 00:34:09,419

things like Appellate Court rulings that

784

00:34:15,770 --> 00:34:12,960

give you some insight to with which you

785

00:34:18,050 --> 00:34:15,780

can compare you know what the the courts

786

00:34:22,010 --> 00:34:18,060

thought of something as opposed to the

787

00:34:24,349 --> 00:34:22,020

the press release spin of we've got the

788

00:34:27,649 --> 00:34:24,359

killer lawsuit that's gonna I don't know

789

00:34:30,230 --> 00:34:27,659

bring us the alien uh the alien bodies

790

00:34:32,510 --> 00:34:30,240

so so definitely we're going to be

791

00:34:34,010 --> 00:34:32,520

getting into cause and more Larry Bryant

792

00:34:36,649 --> 00:34:34,020

and I think what's his name Peter

793

00:34:38,869 --> 00:34:36,659

Kirsten was part of that as well so

794

00:34:42,230 --> 00:34:38,879

we'll be getting into that in the future

795

00:34:45,109 --> 00:34:42,240

so go back to the magazine

796

00:34:47,869 --> 00:34:45,119

in one of the opinion columns Bill Moore

797

00:34:49,669 --> 00:34:47,879

of whom we've heard a bit in recent

798

00:34:52,430 --> 00:34:49,679

episodes had a piece that was critical

799

00:34:55,369 --> 00:34:52,440

of contact deism entitled The skeptic

800

00:34:57,890 --> 00:34:55,379

challenges space brother messages with

801
00:35:02,810 --> 00:34:57,900
space brother of course being encased

802
00:35:06,710 --> 00:35:04,670
one of the most curious cure headlights

803
00:35:08,630 --> 00:35:06,720
of modern UFO research especially in

804
00:35:10,790 --> 00:35:08,640
recent years since the alleged psychic

805
00:35:13,310 --> 00:35:10,800
channeling of messages or contacts from

806
00:35:15,890 --> 00:35:13,320
presumed space brothers or similar UFO

807
00:35:17,270 --> 00:35:15,900
connected entities too or through human

808
00:35:19,430 --> 00:35:17,280
beings

809
00:35:21,050 --> 00:35:19,440
literally thousands of individuals from

810
00:35:23,690 --> 00:35:21,060
all walks of life have claimed such

811
00:35:25,490 --> 00:35:23,700
experiences in most cases the alleged

812
00:35:27,050 --> 00:35:25,500
Communications are said to be for the

813
00:35:28,849 --> 00:35:27,060

general good of mankind

814

00:35:30,890 --> 00:35:28,859

many fall into the categories of

815

00:35:34,190 --> 00:35:30,900

mystical religious or semi-religious

816

00:35:36,470 --> 00:35:34,200

experiences almost invariably those who

817

00:35:38,030 --> 00:35:36,480

accept the content of such messages as

818

00:35:40,490 --> 00:35:38,040

being valid Communications from

819

00:35:42,710 --> 00:35:40,500

extraterrestrials do so solely on

820

00:35:45,710 --> 00:35:42,720

philosophical rather than scientific

821

00:35:51,010 --> 00:35:48,230

so it's something a strand of ufology

822

00:35:55,310 --> 00:35:51,020

that was there from almost the beginning

823

00:35:57,470 --> 00:35:55,320

that has thousands of claims of such

824

00:36:00,410 --> 00:35:57,480

experiences floating around but it's

825

00:36:02,690 --> 00:36:00,420

just a curious side light to the real

826

00:36:06,829 --> 00:36:02,700

scientific rigorous investigation of

827

00:36:10,670 --> 00:36:06,839

UFOs later on Moore engages with us in a

828

00:36:13,970 --> 00:36:10,680

thought experiment about contactee style

829

00:36:17,750 --> 00:36:16,010

in a malevolent race of Highly Advanced

830

00:36:20,270 --> 00:36:17,760

aliens whose sole purpose for whatever

831

00:36:21,950 --> 00:36:20,280

reasons is to completely conquer and

832

00:36:23,990 --> 00:36:21,960

enslave planet Earth

833

00:36:26,270 --> 00:36:24,000

there are of course a number of ways to

834

00:36:28,970 --> 00:36:26,280

go about this the messiest of which is

835

00:36:31,010 --> 00:36:28,980

wanton wholesale destruction more subtle

836

00:36:32,390 --> 00:36:31,020

however would be to quietly deceive a

837

00:36:34,849 --> 00:36:32,400

certain segment of the Native human

838

00:36:37,130 --> 00:36:34,859

population into believing that aliens

839

00:36:39,050 --> 00:36:37,140

are really benevolent space brothers who

840

00:36:41,450 --> 00:36:39,060

have come to save the planet and lead

841

00:36:43,670 --> 00:36:41,460

the human population into a utopian new

842

00:36:45,589 --> 00:36:43,680

age and knowing that a significant

843

00:36:47,750 --> 00:36:45,599

portion of the planet's population is

844

00:36:49,910 --> 00:36:47,760

already expecting their world to be

845

00:36:52,130 --> 00:36:49,920

saved by a second coming an expectation

846

00:36:54,410 --> 00:36:52,140

of many Christians what better way to

847

00:36:56,270 --> 00:36:54,420

accomplish such a takeover than to Stage

848

00:36:58,010 --> 00:36:56,280

just such an event at precisely the

849

00:36:59,630 --> 00:36:58,020

right moment thus setting the

850

00:37:01,609 --> 00:36:59,640

conditioned faithful effectively against

851

00:37:05,829 --> 00:37:01,619

the Heathen of the world who would

852

00:37:12,109 --> 00:37:09,650

hmm that's interesting what would it be

853

00:37:15,890 --> 00:37:12,119

like if a group of people decided to use

854

00:37:19,609 --> 00:37:15,900

a particular brand or style or Viewpoint

855

00:37:21,950 --> 00:37:19,619

about alien actions to deceive a certain

856

00:37:23,510 --> 00:37:21,960

segment of the the naive human

857

00:37:25,250 --> 00:37:23,520

population

858

00:37:29,210 --> 00:37:25,260

how would that go bill

859

00:37:30,890 --> 00:37:29,220

any idea any experience with using UFO

860

00:37:34,609 --> 00:37:30,900

stories to deceive part of the

861

00:37:38,870 --> 00:37:34,619

population I I don't know being a little

862

00:37:41,510 --> 00:37:38,880

bit snarky there but uh come on bill so

863

00:37:44,030 --> 00:37:41,520

also I think it's interesting that that

864

00:37:48,190 --> 00:37:44,040

this idea of of reconstructing or

865

00:37:51,829 --> 00:37:48,200

constructing a um a fake Second Coming

866

00:37:52,790 --> 00:37:51,839

is something that that did show up a

867

00:37:56,089 --> 00:37:52,800

little bit

868

00:37:59,030 --> 00:37:56,099

um hints of it in in some of the the

869

00:38:02,990 --> 00:37:59,040

John Learish type things that were

870

00:38:06,109 --> 00:38:03,000

influenced by Paul Benowitz's stories

871

00:38:08,650 --> 00:38:06,119

um they also

872

00:38:12,050 --> 00:38:08,660

these ideas also sort of prefigure

873

00:38:14,329 --> 00:38:12,060

search monaster's Project Blue beam

874

00:38:17,750 --> 00:38:14,339

ideas about a holographically

875

00:38:19,970 --> 00:38:17,760

constructed uh series of events and and

876

00:38:22,609 --> 00:38:19,980

things like that so

877

00:38:25,010 --> 00:38:22,619

um it's just it just jumped out at me a

878

00:38:28,310 --> 00:38:25,020

little bit that bill Moore might be

879

00:38:32,450 --> 00:38:28,320

telling on himself just a little bit

880

00:38:35,329 --> 00:38:32,460

um in in this column there's also a a q

881

00:38:37,010 --> 00:38:35,339

a with Uriel of the unarius society

882

00:38:40,730 --> 00:38:37,020

which we will save For an upcoming

883

00:38:43,569 --> 00:38:40,740

episode on eunarius yes it is it is on

884

00:38:46,910 --> 00:38:43,579

the list and yes there is a list and yes

885

00:38:49,069 --> 00:38:46,920

I do remember to look at it from time to

886

00:38:52,910 --> 00:38:49,079

time and there are also in this issue

887

00:38:55,130 --> 00:38:52,920

some first-hand contact the accounts

888

00:38:57,530 --> 00:38:55,140

as was promised in the first issue of

889

00:39:00,650 --> 00:38:57,540

UFO magazine and what I like about these

890

00:39:03,550 --> 00:39:00,660

is they're like a page each and they

891

00:39:06,290 --> 00:39:03,560

provide a forum for contact experiencers

892

00:39:09,290 --> 00:39:06,300

who might not have had enough to say to

893

00:39:10,910 --> 00:39:09,300

support a book or whatnot to be able to

894

00:39:13,970 --> 00:39:10,920

share their interesting stories

895

00:39:17,690 --> 00:39:13,980

nonetheless and the one that stood out

896

00:39:22,310 --> 00:39:17,700

to me in this issue was the story of two

897

00:39:25,750 --> 00:39:22,320

women Judy Wolcott and Bonnie Meyer just

898

00:39:28,490 --> 00:39:25,760

listen to this introduction

899

00:39:30,530 --> 00:39:28,500

Judy Wolcott and Bonnie Meyer are just

900

00:39:32,510 --> 00:39:30,540

your normal middle American women two

901
00:39:34,910 --> 00:39:32,520
cheerful types busily living in that

902
00:39:35,870 --> 00:39:34,920
normal middle American town of Menasha

903
00:39:38,510 --> 00:39:35,880
Wisconsin

904
00:39:40,190 --> 00:39:38,520
Judy and Bonnie are contactees they

905
00:39:42,109 --> 00:39:40,200
share an intense closeness that

906
00:39:44,690 --> 00:39:42,119
transcends the usual bonds of friendship

907
00:39:46,970 --> 00:39:44,700
claiming to be jointly experiencing the

908
00:39:49,430 --> 00:39:46,980
instruction and guidance of a 20 year

909
00:39:52,550 --> 00:39:49,440
old Earth time extraterrestrial woman

910
00:39:54,829 --> 00:39:52,560
named mon from the planet Sorak they've

911
00:39:57,410 --> 00:39:54,839
been abducted by her and other ETS at

912
00:40:01,990 --> 00:39:57,420
least seven times Judy says she tells

913
00:40:09,710 --> 00:40:06,290

so the planet sirak

914

00:40:15,430 --> 00:40:12,829

um sarak could refer to a few things

915

00:40:18,710 --> 00:40:15,440

um one is a city in Iran

916

00:40:22,510 --> 00:40:18,720

one is a mountain in South Korea

917

00:40:24,609 --> 00:40:22,520

Sorak is a surname ranked currently at

918

00:40:27,230 --> 00:40:24,619

94

919

00:40:31,550 --> 00:40:27,240

730th place in popularity in the United

920

00:40:37,310 --> 00:40:34,430

I don't think any of these are where the

921

00:40:39,589 --> 00:40:37,320

name Sorak for the planet came from

922

00:40:41,810 --> 00:40:39,599

um Sorak was

923

00:40:45,109 --> 00:40:41,820

an ancient revered

924

00:40:46,790 --> 00:40:45,119

leader among the people of Vulcan on

925

00:40:50,990 --> 00:40:46,800

Star Trek and it was Sorak who

926

00:40:54,470 --> 00:40:51,000

introduced the philosophy of of logic

927

00:40:58,790 --> 00:40:54,480

um as a way to help the Vulcan people

928

00:40:59,569 --> 00:40:58,800

overcome their their violent divisions

929

00:41:02,450 --> 00:40:59,579

um

930

00:41:04,670 --> 00:41:02,460

I I think I think that's what we're

931

00:41:07,430 --> 00:41:04,680

looking at here so how does Judy

932

00:41:11,089 --> 00:41:07,440

describe herself and Bonnie in terms of

933

00:41:12,710 --> 00:41:11,099

their their perspective on UFOs and UFO

934

00:41:14,930 --> 00:41:12,720

belief

935

00:41:16,490 --> 00:41:14,940

oh we're the girls who boldly used to

936

00:41:18,170 --> 00:41:16,500

say that if an alien landed in our

937

00:41:20,630 --> 00:41:18,180

backyard we'd invite him in for coffee

938

00:41:23,390 --> 00:41:20,640

sure we would we used to ride around

939

00:41:26,150 --> 00:41:23,400

after UFO meetings till 2 or 3 A.M

940

00:41:28,609 --> 00:41:26,160

Chasing UFOs of course we also found

941

00:41:30,770 --> 00:41:28,619

every radio tower light helicopter and

942

00:41:32,569 --> 00:41:30,780

low-flying aircraft in the area but we

943

00:41:35,930 --> 00:41:32,579

really did see hundreds of authentic

944

00:41:40,670 --> 00:41:38,210

amazing how if you look hard enough for

945

00:41:44,089 --> 00:41:40,680

a UFO sometimes you might just find one

946

00:41:44,990 --> 00:41:44,099

so where does the contact e angle come

947

00:41:47,510 --> 00:41:45,000

in

948

00:41:49,430 --> 00:41:47,520

mon our space friend has given us the

949

00:41:51,710 --> 00:41:49,440

go-ahead to work with you with others

950

00:41:53,569 --> 00:41:51,720

she's advised Extreme Caution we're very

951
00:41:55,670 --> 00:41:53,579
cautious about people juicing up a story

952
00:41:59,810 --> 00:41:55,680
to sell more Publications and the things

953
00:42:05,690 --> 00:42:02,870
so what has happened to them well it's

954
00:42:07,310 --> 00:42:05,700
the 1980s and it just wouldn't be right

955
00:42:10,150 --> 00:42:07,320
and it wouldn't make sense if there

956
00:42:13,490 --> 00:42:10,160
wasn't some kind of abductionist element

957
00:42:15,890 --> 00:42:13,500
to this contact story

958
00:42:17,569 --> 00:42:15,900
persons we refer to as bug people were

959
00:42:19,790 --> 00:42:17,579
the first to abduct us about 10 years

960
00:42:21,770 --> 00:42:19,800
ago as I write this I'm pouring over

961
00:42:23,930 --> 00:42:21,780
books of notes and scribbles and tapes

962
00:42:26,390 --> 00:42:23,940
from hypnotic sessions we go to a

963
00:42:27,890 --> 00:42:26,400

sympathetic hypnotist in Milwaukee one

964

00:42:29,990 --> 00:42:27,900

night when we were returning from a

965

00:42:32,329 --> 00:42:30,000

session in another city 35 miles from

966

00:42:33,650 --> 00:42:32,339

here Bonnie and I smelled cinnamon

967

00:42:36,290 --> 00:42:33,660

strange

968

00:42:38,750 --> 00:42:36,300

I had stopped to buy a bag of Cheetos my

969

00:42:40,370 --> 00:42:38,760

car runs on gas and eye on Cheetos and

970

00:42:41,990 --> 00:42:40,380

as we were driving down the highway I

971

00:42:42,710 --> 00:42:42,000

rolled up the bag and placed it on the

972

00:42:44,690 --> 00:42:42,720

floor

973

00:42:47,450 --> 00:42:44,700

but then I suddenly wanted more Cheetos

974

00:42:48,950 --> 00:42:47,460

and I saw a fog all around me not the

975

00:42:51,530 --> 00:42:48,960

car just me

976

00:42:53,450 --> 00:42:51,540

Bonnie said Gee that's funny we just

977

00:42:55,609 --> 00:42:53,460

left Fond du Lac and here we are at The

978

00:42:57,530 --> 00:42:55,619

Filling Station in Oshkosh already

979

00:43:00,109 --> 00:42:57,540

when I got home my husband was teasing

980

00:43:07,250 --> 00:43:00,119

me asking about our long ride it was 2

981

00:43:12,829 --> 00:43:10,790

my car runs on gas and I

982

00:43:17,230 --> 00:43:12,839

on Cheetos it is

983

00:43:19,730 --> 00:43:17,240

it is almost poetic in its Simplicity

984

00:43:21,770 --> 00:43:19,740

and indeed

985

00:43:23,030 --> 00:43:21,780

in its truth

986

00:43:24,530 --> 00:43:23,040

so

987

00:43:29,210 --> 00:43:24,540

mon

988

00:43:31,550 --> 00:43:29,220

because you've got this this contact e

989

00:43:34,670 --> 00:43:31,560

sort of thing they've got their their

990

00:43:36,890 --> 00:43:34,680

space friend but they're abducted by the

991

00:43:40,370 --> 00:43:36,900

bug people but we don't really hear much

992

00:43:42,530 --> 00:43:40,380

about that but we do hear more about mon

993

00:43:44,210 --> 00:43:42,540

months later man told us that the

994

00:43:46,069 --> 00:43:44,220

cinnamon smell was to alert us that

995

00:43:47,690 --> 00:43:46,079

something was about to happen we had

996

00:43:49,790 --> 00:43:47,700

been abducted and were taken for a ride

997

00:43:51,829 --> 00:43:49,800

on the craft when mon first started

998

00:43:53,510 --> 00:43:51,839

working with us about 10 years ago we

999

00:43:54,349 --> 00:43:53,520

got a lot of good aerial shows from The

1000

00:43:56,750 --> 00:43:54,359

Craft

1001

00:43:58,970 --> 00:43:56,760

Boomerang shaped the lights on the tip

1002

00:44:01,309 --> 00:43:58,980

of its wings are red and green the rest

1003

00:44:02,930 --> 00:44:01,319

as many as they want to use are only for

1004

00:44:05,210 --> 00:44:02,940

the purpose of camouflage to make people

1005

00:44:07,130 --> 00:44:05,220

think they're airplanes the craft has

1006

00:44:09,410 --> 00:44:07,140

two levels the first time I remember

1007

00:44:11,450 --> 00:44:09,420

seeing mon I was standing on board and

1008

00:44:13,609 --> 00:44:11,460

saw this beautiful blonde girl in a tall

1009

00:44:14,990 --> 00:44:13,619

good looking fellow at her side I

1010

00:44:17,089 --> 00:44:15,000

remember wondering why they kept looking

1011

00:44:18,950 --> 00:44:17,099

at me and not saying anything

1012

00:44:21,230 --> 00:44:18,960

it's taken quite a lot of hypnotic

1013

00:44:23,329 --> 00:44:21,240

sessions a lot of quiet time and a lot

1014

00:44:25,730 --> 00:44:23,339

of long sessions with mon to piece

1015

00:44:27,410 --> 00:44:25,740

together all this for you we had some

1016

00:44:29,390 --> 00:44:27,420

sessions with her that lasted as long as

1017

00:44:31,849 --> 00:44:29,400

eight hours we were not the only people

1018

00:44:33,470 --> 00:44:31,859

she works with man is a teacher who is

1019

00:44:35,930 --> 00:44:33,480

here to help train us to work with

1020

00:44:38,150 --> 00:44:35,940

people of Earth during the upcoming hard

1021

00:44:39,650 --> 00:44:38,160

times that's why when Bonnie and I are

1022

00:44:41,510 --> 00:44:39,660

on board the craft we never see each

1023

00:44:43,730 --> 00:44:41,520

other we're both in different areas

1024

00:44:46,010 --> 00:44:43,740

being taught different things

1025

00:44:48,290 --> 00:44:46,020

mon is now using telepathy and is coming

1026
00:44:51,170 --> 00:44:48,300
through Bonnie some call it channeling

1027
00:44:53,990 --> 00:44:51,180
she says it's like reading a ticker tape

1028
00:44:56,210 --> 00:44:54,000
I carry on a conversation with Mon and

1029
00:44:57,950 --> 00:44:56,220
Bonnie is the mouthpiece she's often

1030
00:44:59,990 --> 00:44:57,960
told us that anytime we work with aliens

1031
00:45:01,790 --> 00:45:00,000
or people in spirit form we should

1032
00:45:03,710 --> 00:45:01,800
protect ourselves from negative forces

1033
00:45:05,089 --> 00:45:03,720
by always using the White Light of

1034
00:45:07,130 --> 00:45:05,099
Christ for protection

1035
00:45:09,710 --> 00:45:07,140
we asked how to use the white light and

1036
00:45:11,030 --> 00:45:09,720
she said just to think it believe me it

1037
00:45:13,250 --> 00:45:11,040
works

1038
00:45:15,170 --> 00:45:13,260

we are always asking mon just when we

1039

00:45:16,670 --> 00:45:15,180

will get a ride that we can remember or

1040

00:45:19,490 --> 00:45:16,680

when we can meet her in the flesh and

1041

00:45:21,770 --> 00:45:19,500

just sit and talk we're ready we know we

1042

00:45:26,390 --> 00:45:21,780

are but it's back to our hypnotist for

1043

00:45:34,490 --> 00:45:30,710

I want to hear more about the bug people

1044

00:45:37,190 --> 00:45:34,500

but instead we get Judy talking a bit

1045

00:45:39,170 --> 00:45:37,200

more about the philosophical aspects of

1046

00:45:40,970 --> 00:45:39,180

her experiences

1047

00:45:43,069 --> 00:45:40,980

we thought we were ready for all this

1048

00:45:44,870 --> 00:45:43,079

after all we've studied flying saucers

1049

00:45:46,609 --> 00:45:44,880

in life in space for about 12 years now

1050

00:45:48,290 --> 00:45:46,619

we've worked with other people from

1051
00:45:50,990 --> 00:45:48,300
other planets who look Nothing Like Us

1052
00:45:53,210 --> 00:45:51,000
the bar rooms seen in Star Wars best

1053
00:45:55,250 --> 00:45:53,220
explains how we all differ the soul is

1054
00:45:57,050 --> 00:45:55,260
the same only the outer body looks

1055
00:45:59,030 --> 00:45:57,060
different but the soul of every person

1056
00:46:01,130 --> 00:45:59,040
is unique like a person's fingerprint

1057
00:46:03,290 --> 00:46:01,140
they have what they call a soul computer

1058
00:46:04,849 --> 00:46:03,300
and all they have to do is check the

1059
00:46:06,890 --> 00:46:04,859
computer to get the information they

1060
00:46:08,630 --> 00:46:06,900
need Bonnie and I just happen to have

1061
00:46:10,609 --> 00:46:08,640
made a commitment to all this in a past

1062
00:46:13,069 --> 00:46:10,619
life so here we are

1063
00:46:14,329 --> 00:46:13,079

I had a hologram of a UFO appeared in my

1064

00:46:16,609 --> 00:46:14,339

kitchen while I was on the phone with

1065

00:46:18,349 --> 00:46:16,619

Bonnie one day every time we get bored

1066

00:46:20,690 --> 00:46:18,359

with it all they do something to spark

1067

00:46:22,069 --> 00:46:20,700

our interest or to say don't give up

1068

00:46:24,290 --> 00:46:22,079

we're definitely working together

1069

00:46:26,150 --> 00:46:24,300

learning together laughing and crying

1070

00:46:27,950 --> 00:46:26,160

together there are a lot of things we

1071

00:46:30,410 --> 00:46:27,960

cannot share because some who might get

1072

00:46:33,890 --> 00:46:30,420

a copy of this magazine aren't ready for

1073

00:46:41,210 --> 00:46:38,809

no indeed we are not so I I tried to do

1074

00:46:43,970 --> 00:46:41,220

a little checking about uh about Judy

1075

00:46:46,849 --> 00:46:43,980

and Bonnie and there isn't a lot out

1076

00:46:48,890 --> 00:46:46,859

there there's a news story from the uh

1077

00:46:50,990 --> 00:46:48,900

the newspaper in Green Bay Wisconsin

1078

00:46:53,210 --> 00:46:51,000

where they they basically tell their

1079

00:46:56,990 --> 00:46:53,220

story and emphasize quote we are not

1080

00:46:58,250 --> 00:46:57,000

Kooks and there's another interesting

1081

00:47:00,170 --> 00:46:58,260

tie-in

1082

00:47:04,910 --> 00:47:00,180

between

1083

00:47:10,010 --> 00:47:04,920

um Judy Wolcott and the supposed UFO

1084

00:47:10,790 --> 00:47:10,020

crash in Kingman Arizona she claimed to

1085

00:47:15,170 --> 00:47:10,800

have

1086

00:47:17,569 --> 00:47:15,180

um had letters that or that that it's

1087

00:47:19,849 --> 00:47:17,579

it's a complicated story but she has

1088

00:47:20,809 --> 00:47:19,859

another little moment in the sun Beyond

1089

00:47:25,490 --> 00:47:20,819

her

1090

00:47:29,809 --> 00:47:25,500

gosh I'm gonna have to put a Kingman

1091

00:47:32,210 --> 00:47:29,819

episode on the schedule now aren't I so

1092

00:47:35,329 --> 00:47:32,220

um we will hear more about uh Judy

1093

00:47:36,530 --> 00:47:35,339

Woodruff in the future so we've got this

1094

00:47:40,250 --> 00:47:36,540

section of the magazine that has

1095

00:47:42,710 --> 00:47:40,260

contacty stories and in the same vein

1096

00:47:45,170 --> 00:47:42,720

we've got a feature that was in the last

1097

00:47:47,809 --> 00:47:45,180

uh issue called messages which is

1098

00:47:51,530 --> 00:47:47,819

basically pull quotes from prominent

1099

00:47:53,990 --> 00:47:51,540

space beings uh conveyed to us through

1100

00:47:56,270 --> 00:47:54,000

uh through their human contacts

1101

00:47:59,150 --> 00:47:56,280

um the first one they list is a group

1102

00:48:00,710 --> 00:47:59,160

message from the Council of planets that

1103

00:48:03,710 --> 00:48:00,720

was directed

1104

00:48:06,950 --> 00:48:03,720

um directly at UFO magazine or

1105

00:48:09,170 --> 00:48:06,960

California UFO magazine

1106

00:48:11,630 --> 00:48:09,180

this message is for the magazine in

1107

00:48:13,790 --> 00:48:11,640

California we of the Confederation greet

1108

00:48:15,410 --> 00:48:13,800

the people of Earth we are here in peace

1109

00:48:17,690 --> 00:48:15,420

to help you with your problems on the

1110

00:48:19,309 --> 00:48:17,700

planet now is the time for The Awakening

1111

00:48:21,650 --> 00:48:19,319

of all the souls who have come the

1112

00:48:23,569 --> 00:48:21,660

planet Earth these Souls have chosen to

1113

00:48:26,569 --> 00:48:23,579

come to help in the time of disaster and

1114

00:48:28,309 --> 00:48:26,579

turmoil The Awakening is upon us we are

1115

00:48:29,809 --> 00:48:28,319

here to help all that we can

1116

00:48:31,550 --> 00:48:29,819

the easiest way for this to be

1117

00:48:33,349 --> 00:48:31,560

accomplished is to have people born on

1118

00:48:35,690 --> 00:48:33,359

the planet as they can more easily

1119

00:48:37,190 --> 00:48:35,700

understand the problems of Earth we who

1120

00:48:39,170 --> 00:48:37,200

are born on other planets cannot

1121

00:48:40,550 --> 00:48:39,180

understand your problems we cannot

1122

00:48:42,650 --> 00:48:40,560

understand why you cannot live in

1123

00:48:44,569 --> 00:48:42,660

harmony with nature you must learn to

1124

00:48:46,790 --> 00:48:44,579

live at one with the universe if you are

1125

00:48:48,890 --> 00:48:46,800

to survive many will read this message

1126

00:48:50,150 --> 00:48:48,900

and it will mean nothing those of you

1127

00:48:52,849 --> 00:48:50,160

who hear this message and understand

1128

00:48:54,829 --> 00:48:52,859

will realize that you are the ones who

1129

00:48:56,870 --> 00:48:54,839

were born on planet Earth to help in its

1130

00:49:02,089 --> 00:48:56,880

time of trouble we will sign off now

1131

00:49:08,270 --> 00:49:05,690

I find it very interesting that we have

1132

00:49:10,790 --> 00:49:08,280

a an alien a space brother conveying a

1133

00:49:12,589 --> 00:49:10,800

message that's a bit different from a

1134

00:49:16,010 --> 00:49:12,599

lot of space brother messages we get

1135

00:49:19,010 --> 00:49:16,020

usually George damski and and all those

1136

00:49:21,410 --> 00:49:19,020

other guys their planets Venus Saturn

1137

00:49:25,550 --> 00:49:21,420

Clarion wherever they had gone through a

1138

00:49:27,710 --> 00:49:25,560

period of warfare and disunity like the

1139

00:49:29,690 --> 00:49:27,720

Earth is currently going through like

1140

00:49:31,910 --> 00:49:29,700

Vulcan went through before sorak's

1141

00:49:33,470 --> 00:49:31,920

teachings about logic showed them A

1142

00:49:35,870 --> 00:49:33,480

Better Way

1143

00:49:38,569 --> 00:49:35,880

um but but but this guy

1144

00:49:41,089 --> 00:49:38,579

he's just like we don't get you if if

1145

00:49:44,390 --> 00:49:41,099

you're not from Earth Earth doesn't make

1146

00:49:45,770 --> 00:49:44,400

any sense at all listen to the people

1147

00:49:48,829 --> 00:49:45,780

from Earth

1148

00:49:50,809 --> 00:49:48,839

they will they will help you there's

1149

00:49:54,589 --> 00:49:50,819

another one of these these short sort of

1150

00:49:58,130 --> 00:49:54,599

pull quote messages uh from monka who is

1151
00:50:01,370 --> 00:49:58,140
part of ashtar's Circle of Pals and and

1152
00:50:03,710 --> 00:50:01,380
this irked me to no end

1153
00:50:06,290 --> 00:50:03,720
my last life upon the planet Earth was

1154
00:50:09,470 --> 00:50:06,300
lived in the Peruvian age at that time I

1155
00:50:11,630 --> 00:50:09,480
was known as viracocha my life in Peru

1156
00:50:13,490 --> 00:50:11,640
was a very interesting life we had our

1157
00:50:15,950 --> 00:50:13,500
problems as did all the countries which

1158
00:50:18,410 --> 00:50:15,960
were pioneering and building the empires

1159
00:50:21,109 --> 00:50:18,420
to this day you have ruins to prove the

1160
00:50:22,910 --> 00:50:21,119
Magnificent unbelievable tasks performed

1161
00:50:27,589 --> 00:50:22,920
in the building of irrigation systems

1162
00:50:33,410 --> 00:50:30,589
okay the the irksome thing here is the

1163
00:50:36,710 --> 00:50:33,420

Peruvian age there was no Peruvian age

1164

00:50:39,710 --> 00:50:36,720

there were a number of states and

1165

00:50:43,130 --> 00:50:39,720

societies and empires in that region

1166

00:50:47,089 --> 00:50:43,140

from the Inca to the to the Chavin to

1167

00:50:49,609 --> 00:50:47,099

you know it's it's not just

1168

00:50:51,910 --> 00:50:49,619

one thing that this is

1169

00:50:53,990 --> 00:50:51,920

this is the the kind of

1170

00:50:55,569 --> 00:50:54,000

misrepresentation and misunderstanding

1171

00:50:58,849 --> 00:50:55,579

of of of

1172

00:51:02,750 --> 00:50:58,859

ancient cultures that that is that is

1173

00:51:04,450 --> 00:51:02,760

that is pervasive and I expect manka to

1174

00:51:07,549 --> 00:51:04,460

do better

1175

00:51:09,650 --> 00:51:07,559

what also irks me

1176

00:51:14,030 --> 00:51:09,660

about this entire column is that there's

1177

00:51:17,150 --> 00:51:14,040

no citations just names and and dates uh

1178

00:51:19,010 --> 00:51:17,160

monka 1985. where were these things

1179

00:51:20,450 --> 00:51:19,020

published where were they written who

1180

00:51:22,250 --> 00:51:20,460

did they Channel these messages through

1181

00:51:24,890 --> 00:51:22,260

I want to know more about this guy

1182

00:51:28,730 --> 00:51:24,900

calling himself the ruler of Mars or

1183

00:51:31,150 --> 00:51:28,740

voltra of Venus it's not

1184

00:51:33,650 --> 00:51:31,160

um it's not particularly

1185

00:51:36,349 --> 00:51:33,660

it's it's not particularly helpful why

1186

00:51:40,609 --> 00:51:36,359

am I looking at this as a serious

1187

00:51:42,230 --> 00:51:40,619

research tool to find out anything but

1188

00:51:44,530 --> 00:51:42,240

um I don't know it's my inner historian

1189

00:51:47,930 --> 00:51:44,540

coming out where's the footnotes to this

1190

00:51:50,930 --> 00:51:47,940

okay uh getting to the end here we've

1191

00:51:52,790 --> 00:51:50,940

got their gossip column and and this is

1192

00:51:55,430 --> 00:51:52,800

a longish thing but I only get the full

1193

00:51:57,470 --> 00:51:55,440

effect of this this is a page of of

1194

00:51:59,530 --> 00:51:57,480

little things that they said were hot

1195

00:52:03,049 --> 00:51:59,540

bits of gossip and and and and

1196

00:52:06,109 --> 00:52:03,059

underground Rumblings in the UFO scene

1197

00:52:08,630 --> 00:52:06,119

and some of these things are yes I knew

1198

00:52:11,470 --> 00:52:08,640

that some of these things are hmm that's

1199

00:52:14,870 --> 00:52:11,480

interesting and some of these things are

1200

00:52:16,970 --> 00:52:14,880

that's kind of dumb and I I assume if I

1201
00:52:20,089 --> 00:52:16,980
were to ask any one of you

1202
00:52:22,849 --> 00:52:20,099
um we would all have different ways of

1203
00:52:23,870 --> 00:52:22,859
categorizing each of these gossip bullet

1204
00:52:26,690 --> 00:52:23,880
points

1205
00:52:30,470 --> 00:52:26,700
um as you know being

1206
00:52:33,109 --> 00:52:30,480
obvious interesting or dumb

1207
00:52:34,910 --> 00:52:33,119
did you hear about the mysterious man

1208
00:52:37,069 --> 00:52:34,920
who appeared at Memorial services for

1209
00:52:38,809 --> 00:52:37,079
Challenger astronaut Ellison onizuka

1210
00:52:40,549 --> 00:52:38,819
presenting his widow with the actual

1211
00:52:42,710 --> 00:52:40,559
flag the astronaut had taken with him

1212
00:52:44,930 --> 00:52:42,720
into space Air Force officials in

1213
00:52:47,150 --> 00:52:44,940

attendance almost passed out

1214

00:52:50,270 --> 00:52:47,160

that's probably because if such a thing

1215

00:52:53,030 --> 00:52:50,280

actually happened it is the most

1216

00:52:54,589 --> 00:52:53,040

tasteless sort of joke I can possibly

1217

00:52:56,930 --> 00:52:54,599

imagine

1218

00:52:59,030 --> 00:52:56,940

did you hear that the awesome security

1219

00:53:01,010 --> 00:52:59,040

surrounding the top secret U.S bomber

1220

00:53:03,230 --> 00:53:01,020

which crashed in mid-california a while

1221

00:53:04,549 --> 00:53:03,240

back was so impenetrable for very

1222

00:53:05,930 --> 00:53:04,559

different reasons than the ones

1223

00:53:07,790 --> 00:53:05,940

publicized

1224

00:53:10,849 --> 00:53:07,800

did you hear that some people believe

1225

00:53:13,010 --> 00:53:10,859

Jesus's home planet is Venus

1226

00:53:14,750 --> 00:53:13,020

yes yes I have

1227

00:53:17,089 --> 00:53:14,760

did you hear about the conspiracy

1228

00:53:19,250 --> 00:53:17,099

between hostile aliens and the CIA to

1229

00:53:23,630 --> 00:53:19,260

take over the world yes but I would like

1230

00:53:26,510 --> 00:53:23,640

to see a sort of novel about a CIA mj-12

1231

00:53:30,650 --> 00:53:28,490

Professor who believes that aliens May

1232

00:53:31,490 --> 00:53:30,660

resemble fish more than any other life

1233

00:53:33,410 --> 00:53:31,500

form

1234

00:53:35,569 --> 00:53:33,420

did you hear about the reporter who was

1235

00:53:38,210 --> 00:53:35,579

a Douglas Adams fan who thought he would

1236

00:53:40,010 --> 00:53:38,220

ask professors what they think about the

1237

00:53:42,170 --> 00:53:40,020

ideas presented in so long and thanks

1238

00:53:44,630 --> 00:53:42,180

for all the fish I have a feeling that's

1239

00:53:46,549 --> 00:53:44,640

where that story emerged from

1240

00:53:48,470 --> 00:53:46,559

did you hear that the ETS and close

1241

00:53:51,109 --> 00:53:48,480

encounters were modeled after data from

1242

00:53:53,270 --> 00:53:51,119

an actual case that a prominent UFO

1243

00:53:55,490 --> 00:53:53,280

investigator was set up on false charges

1244

00:53:56,930 --> 00:53:55,500

and jailed for being too open with his

1245

00:53:58,430 --> 00:53:56,940

UFO info

1246

00:54:00,589 --> 00:53:58,440

did you hear that according to the

1247

00:54:03,170 --> 00:54:00,599

Theology of some ETS the Christian

1248

00:54:04,609 --> 00:54:03,180

Trinity is actually protons electrons

1249

00:54:05,930 --> 00:54:04,619

and neutrons

1250

00:54:08,089 --> 00:54:05,940

did you hear that the string of

1251

00:54:10,010 --> 00:54:08,099

earthquakes in California is a direct

1252

00:54:12,410 --> 00:54:10,020

result of underground nuclear testing

1253

00:54:14,329 --> 00:54:12,420

and ETS have expressed their disapproval

1254

00:54:16,790 --> 00:54:14,339

to the authorities here on Earth

1255

00:54:19,970 --> 00:54:16,800

that the late George adamsky contact D

1256

00:54:21,589 --> 00:54:19,980

was a stooge for corporate fascists I

1257

00:54:24,770 --> 00:54:21,599

really like that they slipped this one

1258

00:54:27,470 --> 00:54:24,780

in there no snark of any kind I love

1259

00:54:29,450 --> 00:54:27,480

that or that America's top UFO debunkers

1260

00:54:32,210 --> 00:54:29,460

the CIA operative

1261

00:54:34,670 --> 00:54:32,220

that field reporters for ABC TV plan to

1262

00:54:37,069 --> 00:54:34,680

join a UFO entrepreneur on a trip to

1263

00:54:39,109 --> 00:54:37,079

South America in hopes of catching a UFO

1264

00:54:40,790 --> 00:54:39,119

landing on tape and conducting an

1265

00:54:42,589 --> 00:54:40,800

interview with an ET

1266

00:54:44,329 --> 00:54:42,599

did you hear that earthlings were told

1267

00:54:46,609 --> 00:54:44,339

to quit messing around in outer space

1268

00:54:48,589 --> 00:54:46,619

until things are healed on Earth

1269

00:54:53,150 --> 00:54:48,599

did you hear that some of these rumors

1270

00:54:57,650 --> 00:54:55,609

actually those rumors were more fun than

1271

00:55:00,290 --> 00:54:57,660

I thought and and I I didn't have an

1272

00:55:02,569 --> 00:55:00,300

opinion on all of them but some of them

1273

00:55:05,210 --> 00:55:02,579

as you heard I did have an opinion on so

1274

00:55:08,270 --> 00:55:05,220

we're going to close this out with the

1275

00:55:10,030 --> 00:55:08,280

um the classified ads and one in

1276
00:55:12,770 --> 00:55:10,040
particular

1277
00:55:14,870 --> 00:55:12,780
galacticom planetary communique presents

1278
00:55:16,490 --> 00:55:14,880
the messages of ashtar commander of the

1279
00:55:19,190 --> 00:55:16,500
galactic fleets and representative of

1280
00:55:22,130 --> 00:55:19,200
the Confederation of free planets editor

1281
00:55:23,809 --> 00:55:22,140
Carol Hall AKA Alvin says she is the

1282
00:55:26,290 --> 00:55:23,819
designated spokesperson on this planet

1283
00:55:28,970 --> 00:55:26,300
for ashtar and the Confederation

1284
00:55:30,470 --> 00:55:28,980
galacticom is specifically designed to

1285
00:55:32,450 --> 00:55:30,480
keep the populace posted on special

1286
00:55:34,790 --> 00:55:32,460
Communications from the command and

1287
00:55:37,250 --> 00:55:34,800
increase awareness of the subtle effects

1288
00:55:39,530 --> 00:55:37,260

of Mankind's Collective energies on the

1289

00:55:42,770 --> 00:55:39,540

more etherealized ecosystems of our

1290

00:55:50,150 --> 00:55:42,780

planet contact Carol Hall galacticom P.O

1291

00:55:56,870 --> 00:55:53,809

first of all galacticom is is clearly

1292

00:56:01,190 --> 00:55:56,880

probably the name of a computer game

1293

00:56:02,530 --> 00:56:01,200

company that lasted from about 1988 to

1294

00:56:06,049 --> 00:56:02,540

about

1295

00:56:07,910 --> 00:56:06,059

1992 that had one game that you loved

1296

00:56:10,309 --> 00:56:07,920

that you can't remember the name of but

1297

00:56:13,190 --> 00:56:10,319

you can remember every other aspect

1298

00:56:16,670 --> 00:56:13,200

about it that's just what that name

1299

00:56:20,510 --> 00:56:16,680

galacticom sort of conjures for me but

1300

00:56:22,430 --> 00:56:20,520

uh the point of of playing you that out

1301

00:56:24,609 --> 00:56:22,440

was was basically just it's an

1302

00:56:28,309 --> 00:56:24,619

illustration of how in this age where

1303

00:56:30,890 --> 00:56:28,319

ashtar was represented in the the

1304

00:56:32,569 --> 00:56:30,900

published press mostly by uh by tuella

1305

00:56:35,150 --> 00:56:32,579

uh the the sweet little old lady

1306

00:56:37,549 --> 00:56:35,160

channeling ashtar you've got this person

1307

00:56:40,250 --> 00:56:37,559

out there saying no I'm the

1308

00:56:43,670 --> 00:56:40,260

representative of ashtar so a number of

1309

00:56:46,970 --> 00:56:43,680

of bootleg ashtars running around which

1310

00:56:50,690 --> 00:56:46,980

I always find fun

1311

00:56:52,430 --> 00:56:50,700

so this second issue of UFO magazine is

1312

00:56:54,410 --> 00:56:52,440

is very much like the first and there

1313

00:56:56,030 --> 00:56:54,420

are some some big stories in there that

1314

00:56:58,609 --> 00:56:56,040

we didn't touch because they're they're

1315

00:57:01,910 --> 00:56:58,619

going to be they're they're part of of

1316

00:57:04,490 --> 00:57:01,920

bigger episodes that may come along down

1317

00:57:06,829 --> 00:57:04,500

uh down the line so I don't want you to

1318

00:57:08,270 --> 00:57:06,839

get the impression that uh that it's

1319

00:57:11,270 --> 00:57:08,280

it's just

1320

00:57:14,569 --> 00:57:11,280

weird contacty stories and pull quotes

1321

00:57:16,430 --> 00:57:14,579

and classified ads but uh there were

1322

00:57:18,589 --> 00:57:16,440

stories there's this Brazilian case

1323

00:57:20,930 --> 00:57:18,599

that's spanning a few issues that we're

1324

00:57:23,390 --> 00:57:20,940

going to look at you know on its own

1325

00:57:26,630 --> 00:57:23,400

more in depth at some point

1326

00:57:29,870 --> 00:57:26,640

um the tuella Q a like I mentioned

1327

00:57:31,730 --> 00:57:29,880

um but also there's this um there's this

1328

00:57:33,829 --> 00:57:31,740

sense that

1329

00:57:35,329 --> 00:57:33,839

um that the magazine is still finding

1330

00:57:38,690 --> 00:57:35,339

its way which makes sense because it's

1331

00:57:40,250 --> 00:57:38,700

the second issue but they seem committed

1332

00:57:43,970 --> 00:57:40,260

to this idea

1333

00:57:46,910 --> 00:57:43,980

that you can examine all the different

1334

00:57:50,990 --> 00:57:46,920

aspects of this and give

1335

00:57:53,030 --> 00:57:51,000

um give page space to a wide variety of

1336

00:57:55,250 --> 00:57:53,040

opinions and that this is the best way

1337

00:57:57,950 --> 00:57:55,260

to do it and this is what a good UFO

1338

00:58:00,589 --> 00:57:57,960

magazine should do

1339

00:58:03,290 --> 00:58:00,599

as we throughout this year continue

1340

00:58:05,270 --> 00:58:03,300

looking at these early issues of UFO

1341

00:58:06,890 --> 00:58:05,280

magazine we're going to try to sense

1342

00:58:09,109 --> 00:58:06,900

when that changes

1343

00:58:11,930 --> 00:58:09,119

and why

1344

00:58:13,069 --> 00:58:11,940

but for now let's just enjoy the fact

1345

00:58:16,250 --> 00:58:13,079

that

1346

00:58:18,829 --> 00:58:16,260

you know there were some very sweet

1347

00:58:21,290 --> 00:58:18,839

ladies from Wisconsin who

1348

00:58:23,040 --> 00:58:21,300

had a friend from a planet named after a

1349

00:58:29,750 --> 00:58:23,050

Star Trek character

1350

00:58:34,089 --> 00:58:32,450

thank you for listening and send in your

1351
00:58:37,309 --> 00:58:34,099
questions and comments via the usual

1352
00:58:39,109 --> 00:58:37,319
channels social media email and I'll

1353
00:58:41,150 --> 00:58:39,119
I'll address those next time it had been

1354
00:58:44,809 --> 00:58:41,160
so long since the uh the last episode

1355
00:58:47,270 --> 00:58:44,819
that um I I didn't have my list of

1356
00:58:48,530 --> 00:58:47,280
questions from the the Victor episode

1357
00:58:50,210 --> 00:58:48,540
but

1358
00:58:52,190 --> 00:58:50,220
um

1359
00:58:55,010 --> 00:58:52,200
yeah I think that's fine

1360
00:58:57,410 --> 00:58:55,020
um but we'll get back on that that habit

1361
00:59:00,049 --> 00:58:57,420
of uh of addressing those

1362
00:59:02,210 --> 00:59:00,059
so again thanks for listening our

1363
00:59:04,069 --> 00:59:02,220

associate producer is Simpson J Hanover

1364

00:59:07,549 --> 00:59:04,079

Ill and the saucer life is a production

1365

00:59:11,750 --> 00:59:07,559

of chiso media LLC chisomedia our heart

1366

00:59:14,270 --> 00:59:11,760

is with the people until next time keep

1367

00:59:17,569 --> 00:59:14,280

watching the skies

1368

00:59:19,910 --> 00:59:17,579

and each other rest in peace Jerry

1369

00:59:22,670 --> 00:59:19,920

Springer I spent way too much time

1370

00:59:24,900 --> 00:59:22,680

watching your television show back in
