

1

00:00:00,000 --> 00:00:11,880

Throughout history there have been inexplicable phenomena.

2

00:00:11,880 --> 00:00:21,040

Paranormal experiences, mythical creatures, events that defy logic.

3

00:00:21,040 --> 00:00:26,920

Now SciFi Channel has assembled a team of investigators, four individuals with different

4

00:00:26,920 --> 00:00:34,560

expertise and very different perspectives.

5

00:00:34,560 --> 00:00:43,160

Together they will search for the truth behind mysteries old and new.

6

00:00:43,160 --> 00:00:50,040

Archaeologist Bill Doleman.

7

00:00:50,040 --> 00:00:54,920

Crime scene investigator Deborah DeBritney.

8

00:00:54,920 --> 00:00:59,560

Paranormal investigator Rich Dolan.

9

00:00:59,560 --> 00:01:01,600

I think that there is secret technology.

10

00:01:01,600 --> 00:01:06,360

Skeptic Rob Mariano.

11

00:01:06,360 --> 00:01:07,960

Kids finding errors already.

12

00:01:07,960 --> 00:01:11,040

And guest investigator Lisa Van Cam.

13

00:01:11,040 --> 00:01:20,800

The team behind SciFi Investigates.

14

00:01:20,800 --> 00:01:26,720

Tonight the team investigates paranormal hotspots, places where bizarre or supernatural

15

00:01:26,720 --> 00:01:30,280

things are reported with startling frequency.

16

00:01:30,280 --> 00:01:35,600

For decades the strange phenomenon at these locations have defied human understanding.

17

00:01:35,600 --> 00:01:41,880

Now to unravel the mystery SciFi Investigates heads first to Sedona, Arizona known for its

18

00:01:41,880 --> 00:01:46,160

natural beauty and mysterious energy vortexes.

19

00:01:46,160 --> 00:01:51,880

It's like a rush of electricity or energy shazam right through your body.

20

00:01:51,880 --> 00:01:54,160

I've never seen anything like that.

21

00:01:54,160 --> 00:01:58,120

Also known for stunning accounts of UFOs and alien encounters.

22

00:01:58,120 --> 00:02:02,000

I saw a saucer and it was kind of colored.

23

00:02:02,000 --> 00:02:06,080

There were beings coming through that could see us but we couldn't see them.

24

00:02:06,080 --> 00:02:12,720

Could this mystifying hotspot be a portal to another world?

25

00:02:12,720 --> 00:02:17,600

Using sophisticated scientific instruments, the team goes in search of the truth with

26

00:02:17,600 --> 00:02:19,080

astonishing results.

27

00:02:19,080 --> 00:02:25,280

Wow, there's actually something here that we can understand in terms of normal science.

28

00:02:25,280 --> 00:02:32,360

Then Dulce, New Mexico, a speck of a town on the map but a giant in the paranormal world.

29

00:02:32,360 --> 00:02:35,360

There's so much legend with this town.

30

00:02:35,360 --> 00:02:40,680

Shocking reports of cattle mutilations here have baffled authorities for three decades.

31

00:02:41,120 --> 00:02:43,400

They were using the aircraft killing the cattle.

32

00:02:43,400 --> 00:02:47,440

Many believe they are evidence of dark forces hiding within the town.

33

00:02:47,440 --> 00:02:51,680

You think that there are a large number of residents who believe that there is an alien

34

00:02:51,680 --> 00:02:53,320

slash human base?

35

00:02:53,320 --> 00:02:54,520

I think they do.

36

00:02:54,520 --> 00:02:59,560

With a rare look at first hand evidence from the cattle mutilation investigation and an

37

00:02:59,560 --> 00:03:03,360

unprecedented search for a top secret underground base.

38

00:03:03,360 --> 00:03:07,160

The peak of this mountain is pretty damn high.

39

00:03:08,160 --> 00:03:11,040

The team puts hotspots to the test.

40

00:03:11,040 --> 00:03:14,040

Tonight on Sci-Fi Investigates.

41

00:03:19,480 --> 00:03:24,560

For this investigation our first stop is Sedona, Arizona where we'll be looking into reports

42

00:03:24,560 --> 00:03:27,440

of energy vortices and UFOs.

43

00:03:27,440 --> 00:03:32,000

Since Debbie wasn't able to make this trip, Lisa Van Kemp, the forensic technician that

44

00:03:32,000 --> 00:03:36,320

worked with us in Roswell, is going to help us out in the second part of the hotspots

45

00:03:36,320 --> 00:03:39,080

investigation in Dulce, New Mexico.

46

00:03:41,800 --> 00:03:46,720

So here we are in Sedona, Arizona in the middle of the desert and we're investigating hotspots.

47

00:03:46,720 --> 00:03:48,920

A hotspot actually means a couple of things.

48

00:03:48,920 --> 00:03:51,640

In Sedona they have a long history of UFO sightings.

49

00:03:51,640 --> 00:03:53,720

This is a UFO hotspot where we are.

50

00:03:53,720 --> 00:03:58,040

The other thing about this area is that many people talk about unusual energy that they

51

00:03:58,040 --> 00:03:59,040

feel here.

52

00:03:59,040 --> 00:04:01,360

They call them vortexes of vortices.

53

00:04:01,360 --> 00:04:05,520

Many people say they feel unusual energy affecting them.

54

00:04:05,520 --> 00:04:07,920

So I think we want to check that out.

55

00:04:07,920 --> 00:04:12,320

My name is Richard Dolan and I'm a researcher and author on the topic of UFOs.

56

00:04:12,320 --> 00:04:16,120

So I think I'm well suited to be the team leader on this investigation.

57

00:04:16,120 --> 00:04:20,960

I've studied Arizona's history of UFO sightings, including the famous Phoenix Lights event

58

00:04:20,960 --> 00:04:26,800

in 1997 when thousands of people witnessed a string of orbs in the night sky.

59

00:04:26,800 --> 00:04:32,520

But Sedona in particular has a reputation as a real hotbed of strange activity and I'm

60

00:04:32,520 --> 00:04:35,560

excited to investigate it first hand.

61

00:04:35,560 --> 00:04:39,080

We've got a two-part plan here and one of it is to talk to people who've experienced

62

00:04:39,080 --> 00:04:42,680

this stuff and to see if we experience it ourselves.

63

00:04:42,680 --> 00:04:46,680

The other thing is bringing some scientific instruments to see if we can measure the phenomenon

64

00:04:46,680 --> 00:04:48,560

people claim that they experienced.

65

00:04:48,560 --> 00:04:52,760

I'm Bill Dolan, a scientist and an archeologist with the state of New Mexico.

66

00:04:52,760 --> 00:04:58,440

Sedona's hot spots include energy vortexes and UFO sightings and possibly other strange

67

00:04:58,440 --> 00:04:59,440

things.

68

00:04:59,440 --> 00:05:04,640

We're bringing in a geophysicist by the name of Dr. Dave Hindman and he's got an awful

69

00:05:04,640 --> 00:05:09,880

lot of experience measuring the kinds of physical phenomena that might well be responsible

70

00:05:09,880 --> 00:05:11,880

for the experiences that people say they have.

71

00:05:11,880 --> 00:05:14,960

Alright, I tell you what, we'll leave the technical stuff to you.

72

00:05:14,960 --> 00:05:17,920

Rich and I will go talk to some people and what do you say we meet up later on?

73

00:05:17,920 --> 00:05:18,920

I think so.

74

00:05:18,920 --> 00:05:19,920

Yeah.

75

00:05:19,920 --> 00:05:20,920

Sound good?

76

00:05:20,920 --> 00:05:21,920

That sounds great.

77

00:05:22,920 --> 00:05:28,680

I'm Rob Mariano and I'm the skeptic.

78

00:05:28,680 --> 00:05:32,440

What have I gotten myself into now?

79

00:05:32,440 --> 00:05:36,480

Sedona is known as a place where a large percentage of people see UFOs.

80

00:05:36,480 --> 00:05:41,000

So while Bill went to meet with Dr. Hindman, Rob and I went into town to talk to the locals

81

00:05:41,000 --> 00:05:44,320

and really to see if Sedona lived up to its reputation.

82

00:05:44,320 --> 00:05:47,360

I thought it was actually great that Rob and I did these things together because we're

83

00:05:47,360 --> 00:05:50,440

really coming at this from such a totally different point of view.

84

00:05:50,440 --> 00:05:54,840

I noticed that you have an information booth there.

85

00:05:54,840 --> 00:05:55,840

Correct.

86

00:05:55,840 --> 00:05:56,840

We're trying to get a little info.

87

00:05:56,840 --> 00:05:58,440

You're in the right place.

88

00:05:58,440 --> 00:06:00,400

Have you ever seen a UFO in this area?

89

00:06:00,400 --> 00:06:02,320

I have, as a matter of fact, twice.

90

00:06:02,320 --> 00:06:12,240

It was a silver sort of a craft and it just flashed right over to my left up in the sky

91

00:06:12,240 --> 00:06:14,400

and then completely disappeared.

92

00:06:14,400 --> 00:06:15,400

It was very brief.

93

00:06:15,400 --> 00:06:16,400

It was super fast.

94

00:06:16,440 --> 00:06:18,440

You feel you got a clear view of it?

95

00:06:18,440 --> 00:06:19,440

Definitely.

96

00:06:19,440 --> 00:06:20,440

Wow.

97

00:06:20,440 --> 00:06:24,920

It was like a ball of light just kind of not really exploding but just flaring out.

98

00:06:24,920 --> 00:06:31,080

It must have been a hundred feet in diameter with a solid light around it.

99

00:06:31,080 --> 00:06:34,640

It turns out that the town more than lived up to its reputation.

100

00:06:34,640 --> 00:06:40,720

I'd say nearly 80% of the people we randomly approached had seen something strange or unexplainable

101

00:06:40,720 --> 00:06:43,640

and I think it freaked Rob out.

102

00:06:43,640 --> 00:06:50,360

He had a very similar type of experience and you know, you can't really explain that.

103

00:06:50,360 --> 00:06:56,880

I saw a saucer and it was kind of colored and that was very cool and I went, oh, no

104

00:06:56,880 --> 00:06:59,360

that's not an airplane and I ran back inside.

105

00:06:59,360 --> 00:07:01,360

I was scared to death.

106

00:07:01,360 --> 00:07:02,360

Sounded familiar.

107

00:07:02,360 --> 00:07:03,360

Oh yeah.

108

00:07:03,360 --> 00:07:04,360

Yeah.

109

00:07:04,360 --> 00:07:05,360

Yeah.

110

00:07:05,360 --> 00:07:06,360

But I mean.

111

00:07:06,360 --> 00:07:07,360

So he doesn't believe anything?

112

00:07:07,360 --> 00:07:08,360

It's not that I don't believe anything.

113

00:07:08,360 --> 00:07:09,360

He doesn't.

114

00:07:09,360 --> 00:07:17,640

Probably the rich is predisposed to believe anything and anyone about UFOs or aliens or

115

00:07:17,640 --> 00:07:24,680

whatnot and in return I think he feels that I'm skeptical about everything which in fact

116

00:07:24,680 --> 00:07:27,760

probably is pretty accurate.

117

00:07:27,760 --> 00:07:30,840

So of course it's going to cause some tension.

118

00:07:30,840 --> 00:07:32,080

Are you trash talking again?

119

00:07:32,080 --> 00:07:33,080

I'm just saying.

120

00:07:33,080 --> 00:07:34,400

I'm just calling it like it is rich.

121

00:07:34,400 --> 00:07:37,560

You know, like we talked to a lot of people and a lot of people have seen stuff and there's

122

00:07:37,560 --> 00:07:44,240

a lot of stories but I mean there's still very little physical evidence.

123

00:07:44,240 --> 00:07:46,360

Where she's also lassoed UFO down?

124

00:07:46,360 --> 00:07:47,360

Show you?

125

00:07:47,360 --> 00:07:48,360

What do you want?

126

00:07:48,360 --> 00:07:49,360

I mean come on.

127

00:07:49,360 --> 00:07:50,360

Everybody sees them.

128

00:07:50,360 --> 00:07:51,360

Well, let's go look at something.

129

00:07:51,360 --> 00:07:52,360

Okay.

130

00:07:52,360 --> 00:07:53,360

No, no, let's go see something.

131

00:07:53,360 --> 00:07:59,280

When the portal opens up and I get beamed up into it then I'll be a believer.

132

00:07:59,280 --> 00:08:02,600

My gut feeling listening to these witnesses as they're telling the truth.

133

00:08:02,600 --> 00:08:04,560

Will Rob actually change his opinion?

134

00:08:04,560 --> 00:08:06,480

I don't know.

135

00:08:06,480 --> 00:08:10,520

While Rob and I were talking with the locals, Bill met up with Dr. Dave Heineman who's going

136

00:08:10,520 --> 00:08:15,480

to help us examine the energy vortexes with some sophisticated equipment.

137

00:08:15,480 --> 00:08:19,480

Many people say the vortexes make them feel unusual or different somehow.

138

00:08:19,480 --> 00:08:24,160

But some people believe the vortexes are connections to other dimensions and are associated with

139

00:08:24,160 --> 00:08:29,480

the large number of UFO sightings in the area.

140

00:08:29,480 --> 00:08:34,520

You've brought some scientific equipment here to help us see if we can detect the energy

141

00:08:34,520 --> 00:08:38,120

vortexes that are supposed to be around to sit down.

142

00:08:38,120 --> 00:08:39,120

Is that correct?

143

00:08:39,120 --> 00:08:40,120

Yes, indeed.

144

00:08:40,120 --> 00:08:49,040

I brought one method to map the electric field, one to map the magnetic field, and then do

145

00:08:49,040 --> 00:08:51,480

some seismic noise monitoring.

146

00:08:51,480 --> 00:08:56,200

So you're saying that the currents and the frequency in the Earth could actually create

147

00:08:56,200 --> 00:09:02,040

an electromagnetic phenomenon that people could feel because they have their own electromagnetic

148

00:09:02,040 --> 00:09:04,040

phenomenon going on inside them.

149

00:09:04,040 --> 00:09:05,040

Yes, indeed.

150

00:09:05,040 --> 00:09:10,080

And then we can go and use our heads and our bodies as instruments, and you're going to

151

00:09:10,080 --> 00:09:14,200

go use your scientific instruments to try and detect the same thing and see if there's

152

00:09:14,200 --> 00:09:17,040

maybe some basis for this story about energy vortexes.

153

00:09:17,040 --> 00:09:18,800

That's the hope.

154

00:09:18,800 --> 00:09:23,240

While Dr. Heineman went to set up his equipment at the vortexes, we wanted to dig deeper into

155

00:09:23,240 --> 00:09:25,560

the UFO phenomenon here.

156

00:09:25,560 --> 00:09:30,000

Rob and I got a lot of anecdotal evidence about sightings, but we wanted to find some

157

00:09:30,000 --> 00:09:31,840

actual evidence to back it up.

158

00:09:32,720 --> 00:09:37,640

We're going to be meeting with the UFO researcher and photographer Tom Dono.

159

00:09:37,640 --> 00:09:39,440

He has some pictures, doesn't he?

160

00:09:39,440 --> 00:09:40,680

We need to go find out.

161

00:09:40,680 --> 00:09:47,040

We're going to visit Tom Dono, who's a longtime researcher into UFOs here in Sedona.

162

00:09:47,040 --> 00:09:50,040

He's got a large collection of photographs.

163

00:09:50,040 --> 00:09:54,240

We're going to be very interested in taking a look at those.

164

00:09:54,240 --> 00:09:55,240

Coming up.

165

00:09:55,240 --> 00:09:58,280

These are some of my best that were taken here in Sedona.

166

00:09:58,280 --> 00:10:00,920

Dramatic photographic evidence of UFOs.

167

00:10:00,920 --> 00:10:04,520

I have to say, I've never seen anything like that.

168

00:10:04,520 --> 00:10:06,480

And reports of aliens in Sedona.

169

00:10:06,480 --> 00:10:10,320

It's the first authentic photograph of a male alien.

170

00:10:23,680 --> 00:10:24,680

Are you Tom?

171

00:10:24,680 --> 00:10:25,680

Yeah.

172

00:10:25,680 --> 00:10:26,680

Tom, Rich Dolan.

173

00:10:26,680 --> 00:10:27,680

Hey, nice to meet you, Rich.

174

00:10:27,680 --> 00:10:29,680

Bill Robin, I went to visit Tom Dono.

175

00:10:29,680 --> 00:10:30,680

Rob Mariano.

176

00:10:30,680 --> 00:10:32,440

Good to meet you, Tom.

177

00:10:32,440 --> 00:10:37,800

Tom is a Sedona resident, UFO researcher, writer.

178

00:10:37,800 --> 00:10:42,680

And for about 20 years, he's been photographing some very unusual things right here in this

179

00:10:42,680 --> 00:10:43,680

area.

180

00:10:43,680 --> 00:10:44,680

Come in.

181

00:10:48,440 --> 00:10:52,200

These are some of my best that were taken here in Sedona.

182

00:10:52,200 --> 00:10:54,880

And I'll start with this one right here.

183

00:10:54,880 --> 00:10:58,280

Some of the photographs that he had were definitely weird looking.

184

00:10:58,400 --> 00:11:01,720

UFO flew right over our house one night.

185

00:11:01,720 --> 00:11:03,440

It literally flew right over the roof.

186

00:11:03,440 --> 00:11:08,840

The first thing that you have to ask yourself when you see something that bizarre is, has

187

00:11:08,840 --> 00:11:10,480

this been hoaxed in any way?

188

00:11:10,480 --> 00:11:15,440

And this one was taken pretty much in the same general area.

189

00:11:15,440 --> 00:11:19,040

And this is one of the most phenomenal photographs I have.

190

00:11:19,040 --> 00:11:24,880

This light came up behind Castle Rock and continued on up and then disappeared.

191

00:11:24,880 --> 00:11:26,800

And people would say, well, that must be the moon.

192

00:11:26,800 --> 00:11:27,800

Well, it isn't.

193

00:11:27,840 --> 00:11:29,320

There's the moon over here.

194

00:11:29,320 --> 00:11:32,480

I have to say, I've never seen a human like that.

195

00:11:32,480 --> 00:11:36,160

In talking with Tom, I have to say, I don't get a sense that he was making these things

196

00:11:36,160 --> 00:11:37,160

up.

197

00:11:37,160 --> 00:11:38,280

I realize that's never enough to go on.

198

00:11:38,280 --> 00:11:42,160

So then you have to ask yourself, if you're not going to explain that by a hoax, how do

199

00:11:42,160 --> 00:11:43,160

you explain it?

200

00:11:43,160 --> 00:11:49,040

Well, you could explain it maybe to me and I don't know, but maybe some type of a plane

201

00:11:49,040 --> 00:11:51,880

taken off with a landing gear facing down.

202

00:11:51,880 --> 00:11:54,600

Actually, you have to rule it out because the object went straight up.

203

00:11:54,600 --> 00:11:55,600

But what if it were a helicopter?

204

00:11:55,600 --> 00:11:57,320

A helicopter can go straight up.

205

00:11:57,320 --> 00:11:59,200

You don't need a landing strip for it.

206

00:11:59,200 --> 00:12:00,200

There was no noise.

207

00:12:00,200 --> 00:12:01,200

No, she didn't.

208

00:12:01,200 --> 00:12:06,120

Tom Dango is a very sincere individual and he's very convinced of what he was seeing.

209

00:12:06,120 --> 00:12:09,400

And this is one of my pride and joy photographs here.

210

00:12:09,400 --> 00:12:12,120

This object of whatever it is is about six feet off the ground.

211

00:12:12,120 --> 00:12:15,120

And I have since seen similar photographs to this.

212

00:12:15,120 --> 00:12:17,480

They've been taken around the world.

213

00:12:17,480 --> 00:12:18,840

That's an amazing photograph.

214

00:12:18,840 --> 00:12:23,280

You know, I didn't feel like he tried to push the evidence on us or bend us to his will

215

00:12:23,280 --> 00:12:25,880

and believe in these things.

216

00:12:25,880 --> 00:12:28,240

He's not so easy to dismiss.

217

00:12:28,240 --> 00:12:32,000

I mean, unless you're just bent on dismissing anything that doesn't fit into your little

218

00:12:32,000 --> 00:12:33,520

box of reality there.

219

00:12:33,520 --> 00:12:36,640

Tom's information breaks that reality box.

220

00:12:36,640 --> 00:12:38,800

No question about it for many, many people.

221

00:12:38,800 --> 00:12:39,800

They're just pictures.

222

00:12:39,800 --> 00:12:40,800

They're not evidence.

223

00:12:40,800 --> 00:12:46,120

And I asked him straight out, you know, how can we prove that these are not hoaxes?

224

00:12:46,120 --> 00:12:49,200

And he quite honestly said that we can't.

225

00:12:49,200 --> 00:12:51,480

I appreciate it as honesty.

226

00:12:51,480 --> 00:12:53,440

This was taken on the Bradshaw Ranch.

227

00:12:53,440 --> 00:12:54,440

Where is the Bradshaw Ranch?

228

00:12:54,440 --> 00:12:55,640

About 10 miles from here.

229

00:12:55,640 --> 00:13:02,240

Some of the world's most incredible UFO and paranormal activity happened on the Bradshaw

230

00:13:02,240 --> 00:13:03,240

Ranch.

231

00:13:03,240 --> 00:13:07,600

Linda Bradshaw and I were standing side by side and she took some photographs.

232

00:13:07,600 --> 00:13:10,560

And the next day this appeared on her print.

233

00:13:10,560 --> 00:13:13,200

There was no one in front of her, but this showed up.

234

00:13:13,200 --> 00:13:19,440

And in my opinion, it's the first authentic photograph of a male alien or a male interdimensional.

235

00:13:19,440 --> 00:13:21,760

There was nobody there when she took that picture.

236

00:13:21,760 --> 00:13:25,640

So now here we have the ears completely different than most human.

237

00:13:25,640 --> 00:13:26,640

There's no hole.

238

00:13:26,640 --> 00:13:29,640

And there's blue hair or blue black hair.

239

00:13:29,640 --> 00:13:34,840

Well, if it's an interdimensional being, I mean, what do you, how do you understand

240

00:13:34,840 --> 00:13:35,840

such a concept?

241

00:13:35,840 --> 00:13:41,600

There's some sort of an interdimensional portal or thinness between dimensions.

242

00:13:41,600 --> 00:13:45,800

And it could be that there were beings coming through like this guy that could see us, but

243

00:13:45,800 --> 00:13:47,720

we couldn't see them, but the camera caught him.

244

00:13:48,080 --> 00:13:52,920

So you're saying that there's aliens that are walking among us right now, walking around

245

00:13:52,920 --> 00:13:54,800

and we just can't, we don't know it?

246

00:13:54,800 --> 00:13:55,800

Yeah, we don't see them.

247

00:13:55,800 --> 00:13:57,520

There's definitely a believer.

248

00:13:57,520 --> 00:14:00,880

He feels that there are aliens walking around among us.

249

00:14:00,880 --> 00:14:04,480

Do you think that some of these pictures that you've taken and the experiences that you

250

00:14:04,480 --> 00:14:09,120

had kind of go along with the whole vortex, is there a connection there?

251

00:14:09,120 --> 00:14:10,440

Yeah, probably.

252

00:14:10,440 --> 00:14:16,080

I had first hand opportunity to watch how vortexes affected people.

253

00:14:16,080 --> 00:14:18,200

They often dramatically affect people.

254

00:14:18,200 --> 00:14:19,440

And what are the vortexes?

255

00:14:19,440 --> 00:14:20,440

I don't know.

256

00:14:20,440 --> 00:14:24,120

It's probably magnetic energy mixed with something unexplainable.

257

00:14:24,120 --> 00:14:29,840

So the vortexes are probably in some way connected to UFOs and some of this extreme

258

00:14:29,840 --> 00:14:32,280

ultra paranormal stuff that happens around here.

259

00:14:32,280 --> 00:14:34,000

Well, seeing is believing.

260

00:14:34,000 --> 00:14:35,120

These pictures are great.

261

00:14:35,120 --> 00:14:38,240

I want to see some of this stuff for myself.

262

00:14:38,240 --> 00:14:44,080

Coming up, the team tests Sedona's energy vortexes first hand.

263

00:14:44,080 --> 00:14:47,320

And later, cattle mutilations in Dulce.

264

00:14:47,320 --> 00:15:07,480

Are they linked to reports of a secret alien base?

265

00:15:07,480 --> 00:15:13,600

After examining Tom Dongo's pictures, we wanted to investigate Sedona's energy vortexes.

266

00:15:13,600 --> 00:15:17,800

Some thinks the vortexes are interdimensional in nature and connected to the paranormal

267

00:15:17,800 --> 00:15:19,320

events reported here.

268

00:15:19,320 --> 00:15:20,800

Good afternoon.

269

00:15:20,800 --> 00:15:24,280

Pete, good to meet you.

270

00:15:24,280 --> 00:15:30,360

We met Pete Sanders, who is a local vortex guide and also an expert in them.

271

00:15:30,360 --> 00:15:31,360

He has written books.

272

00:15:31,360 --> 00:15:32,360

He has a foundation.

273

00:15:32,360 --> 00:15:34,800

He's a graduate of MIT.

274

00:15:34,800 --> 00:15:38,080

And he seems to have a fairly extensive knowledge of physics.

275

00:15:38,080 --> 00:15:39,080

Hello, Pete.

276

00:15:39,080 --> 00:15:40,080

He's a meditation expert.

277

00:15:40,080 --> 00:15:45,960

He's going to take us up to the vortex to see if there was any energy up there.

278

00:15:45,960 --> 00:15:50,640

We're going to go to Airport Mesa Vortex and we're going to teach you the science of

279

00:15:50,640 --> 00:15:52,440

how to tap the soul.

280

00:15:52,440 --> 00:15:57,640

What the latest in physics says about how you can use vortexes to tap into the beyond

281

00:15:57,640 --> 00:16:02,640

dimensions that we all exist in.

282

00:16:02,640 --> 00:16:13,040

All right, we're here at a site.

283

00:16:13,040 --> 00:16:18,920

We went up there to see if we could really experience it and see if there was any electrical

284

00:16:18,920 --> 00:16:21,480

energy there, something that was different.

285

00:16:21,480 --> 00:16:25,440

Now, people always say, what is a vortex?

286

00:16:25,440 --> 00:16:31,760

Vortex is an enhanced energy site that makes it easier to do meditation, prayer, or mind

287

00:16:31,760 --> 00:16:32,760

body healing.

288

00:16:32,760 --> 00:16:40,760

What goes on at vortex sites are energy flows in those deeper dimensions that the soul can

289

00:16:40,760 --> 00:16:41,760

soar on.

290

00:16:41,760 --> 00:16:43,240

I have a question for you.

291

00:16:43,240 --> 00:16:47,120

I'm just wondering, who says where the vortex is at?

292

00:16:47,120 --> 00:16:49,200

Is there an authority?

293

00:16:49,200 --> 00:16:53,960

Mostly it's from years and decades of people voting with their feet.

294

00:16:53,960 --> 00:16:58,960

Before the term vortex was coined, when I first came here in the 60s, it was, you got

295

00:16:58,960 --> 00:17:03,200

to go experience bell rock, get to airport mesa, get to cathedral rock.

296

00:17:03,200 --> 00:17:04,960

Oh, come on, does it really work?

297

00:17:04,960 --> 00:17:05,960

It does.

298

00:17:05,960 --> 00:17:10,800

And the technique I'm going to show you for how to shift up through the body to the soul

299

00:17:10,800 --> 00:17:16,320

as a minimum, you're going to feel the stress reduction effect.

300

00:17:16,320 --> 00:17:28,440

Okay, guys, I recommend for this, you have your own bubble of space, three or five feet

301

00:17:28,440 --> 00:17:29,440

around you.

302

00:17:29,440 --> 00:17:30,440

So just spread out a little bit.

303

00:17:30,440 --> 00:17:36,200

What he did was to guide us through a particular kind of meditation that was designed to open

304

00:17:36,200 --> 00:17:39,200

us up to higher energies and other dimensionalities.

305

00:17:39,200 --> 00:17:44,360

Take a deep breath, blow it out, relax and close your eyes.

306

00:17:44,360 --> 00:17:49,200

As you close your eyes, just start to be more aware of your own bubble of space.

307

00:17:49,200 --> 00:17:53,840

Just focus on your own inner environment.

308

00:17:53,840 --> 00:17:58,920

Just release and ride the breeze.

309

00:17:58,920 --> 00:18:07,560

Just go soul soaring on the up flow and see how far you can stretch.

310

00:18:07,560 --> 00:18:12,520

And when you feel comfortable, go ahead and gently open your eyes.

311

00:18:12,520 --> 00:18:17,640

Now before you move too much, how do you feel compared to when you start in your chest, in

312

00:18:17,640 --> 00:18:20,960

your blood pressure?

313

00:18:20,960 --> 00:18:22,400

I feel a little more low key.

314

00:18:22,400 --> 00:18:23,400

I'll say that.

315

00:18:23,680 --> 00:18:25,640

You get it?

316

00:18:25,640 --> 00:18:27,640

You feel the vorticee?

317

00:18:27,640 --> 00:18:33,120

I'd have to say no, but I got it in terms of a meditative feeling.

318

00:18:33,120 --> 00:18:34,120

I get it too.

319

00:18:34,120 --> 00:18:39,600

I mean, I feel like relaxed, more relaxed, but I mean what I'm saying is I don't feel

320

00:18:39,600 --> 00:18:46,040

that it's any different than if I were meditating in my backyard, looking at the ocean.

321

00:18:46,040 --> 00:18:49,320

In a vortex site, you can shift more easily.

322

00:18:49,320 --> 00:18:51,920

That's what's special about being in a vortex to meditate.

323

00:18:52,120 --> 00:18:54,800

I didn't feel like tingling or like anything weird.

324

00:18:54,800 --> 00:18:56,080

I felt peaceful.

325

00:18:56,080 --> 00:18:58,840

What's tough is you can't quantify it.

326

00:18:58,840 --> 00:19:03,520

Who's to say that, you know, my backyard pool isn't my vorticee?

327

00:19:03,520 --> 00:19:07,280

Because I feel comfortable and I feel good and I feel relaxed when I'm there, and that's

328

00:19:07,280 --> 00:19:09,400

serenity for me.

329

00:19:09,400 --> 00:19:14,160

While we were using meditation to try to tap into the energy at the vortex, Dr. Heineman

330

00:19:14,160 --> 00:19:18,160

used his equipment to see if he could measure the energy scientifically.

331

00:19:18,160 --> 00:19:23,800

He had a seismic recording system to detect airwave motions on the ground, a magnetometer

332

00:19:23,800 --> 00:19:29,280

which detects any distortion in the magnetic field, and a self-potential meter that detects

333

00:19:29,280 --> 00:19:30,280

electric current.

334

00:19:30,280 --> 00:19:37,680

Okay, we need to run that clip up there and that clip to here.

335

00:19:37,680 --> 00:19:39,760

We got odd measurements.

336

00:19:39,760 --> 00:19:46,640

We recognized what appears to be a small anomaly in the electric flow in the near surface

337

00:19:46,640 --> 00:19:48,640

of the earth.

338

00:19:48,640 --> 00:19:53,200

We need to take more measurements here before we really know what we have.

339

00:19:53,200 --> 00:19:56,960

When Dave told me that he had found an anomalous reading or a reading, well, I thought that

340

00:19:56,960 --> 00:19:59,240

was pretty interesting.

341

00:19:59,240 --> 00:20:03,800

We were intrigued by Dr. Heineman's unexpected findings, so we decided to examine another

342

00:20:03,800 --> 00:20:05,480

vortex.

343

00:20:05,480 --> 00:20:09,240

And this time, we're going to use a Native American shaman to help us connect with the

344

00:20:09,240 --> 00:20:11,400

earth's energy.

345

00:20:12,400 --> 00:20:19,400

A shaman takes the team in search of other dimensions.

346

00:20:19,400 --> 00:20:25,880

Plus, startling results from the scientific test of the vortex.

347

00:20:25,880 --> 00:20:31,400

And later, the teams daring search for a mysterious base hidden in a mountain.

348

00:20:41,400 --> 00:20:52,400

After we left airport maze, so we drove to Cathedral Rock, where we met with Uqwala,

349

00:20:52,400 --> 00:20:53,400

a Native American shaman.

350

00:20:53,400 --> 00:20:54,400

Uqwala, nice to meet you.

351

00:20:54,400 --> 00:20:55,400

That's my pleasure.

352

00:20:55,400 --> 00:21:01,080

As a team, we didn't feel any unusual energy at the first vortex we visited in Sedona.

353

00:21:01,080 --> 00:21:04,040

So we decided to try again at another vortex.

354

00:21:04,040 --> 00:21:07,800

An energy vortex is a modern-day word for what Native Americans would call a sacred

355

00:21:07,800 --> 00:21:12,800

place, where energy flows in and out of the earth in a more powerful way than other places.

356

00:21:12,800 --> 00:21:13,800

How are you?

357

00:21:13,800 --> 00:21:14,800

I'm Rob.

358

00:21:14,800 --> 00:21:16,800

Rob, good to meet you.

359

00:21:16,800 --> 00:21:21,800

Today, they know it as Sedona, but in our Native ways, we know it as Uqwala.

360

00:21:21,800 --> 00:21:27,720

We simply just met where the red rocks bubble up from the ground.

361

00:21:27,720 --> 00:21:35,320

Part of the ritual of ceremony is to get a sense of what is the energetics, the spirits

362

00:21:35,320 --> 00:21:37,080

that are surrounding.

363

00:21:37,080 --> 00:21:40,440

Part of this is for you to actually put some effort forth.

364

00:21:40,440 --> 00:21:42,840

For that reason, drums are brought.

365

00:21:42,840 --> 00:21:46,080

So we had to carry drums up the hill.

366

00:21:46,080 --> 00:21:50,080

All right, sir.

367

00:21:50,080 --> 00:21:51,080

Almost.

368

00:21:51,080 --> 00:21:53,080

Hang in there.

369

00:21:53,080 --> 00:21:55,080

Hang in there.

370

00:21:55,080 --> 00:21:56,080

Exercise.

371

00:21:56,080 --> 00:21:57,760

Gentlemen, we have made it.

372

00:21:57,760 --> 00:22:04,120

If I could have you sit in a semicircle.

373

00:22:04,120 --> 00:22:13,120

He took us through a ceremony that was designed to help us connect with the Mother Earth.

374

00:22:13,120 --> 00:22:20,800

The lip of this bandana is actually going over your nose just so that you can inhale

375

00:22:20,800 --> 00:22:25,720

the medicine fragrance of the sage.

376

00:22:25,720 --> 00:22:30,120

What he did was open us up to higher energies and other dimensionalities.

377

00:22:30,120 --> 00:22:37,040

We often wonder, what have I gotten myself into?

378

00:22:37,040 --> 00:22:43,160

What it was about for me was you leave the everyday world and you go into a magical place.

379

00:22:43,160 --> 00:22:45,600

That's really what he was creating here for us.

380

00:22:45,600 --> 00:22:47,320

It's easy to see why this works.

381

00:23:00,120 --> 00:23:03,360

That was good.

382

00:23:03,360 --> 00:23:06,160

You did beautiful.

383

00:23:06,160 --> 00:23:11,520

The drumming, the blindfold, the sage, it was all designed to help our bodies tap into

384

00:23:11,520 --> 00:23:16,800

the natural energy of the earth that is believed to flow in and out of these vortex sites.

385

00:23:16,800 --> 00:23:22,960

For some, that energy helps people achieve enlightenment or to have a spiritual experience.

386

00:23:22,960 --> 00:23:30,040

Others believe the energy helps them connect to different dimensions.

387

00:23:30,040 --> 00:23:35,760

We kind of ended the ceremony by each of us taking some dried sage and then essentially

388

00:23:35,760 --> 00:23:39,400

making a wish or expressing a desire.

389

00:23:39,400 --> 00:23:43,560

You've earned the right to be able to say, this is what I want in my journey.

390

00:23:43,560 --> 00:23:50,160

But as you do so, take of the sage, hold it up, ask for something.

391

00:23:50,160 --> 00:23:54,560

Once you do that, sprinkle it back out onto the land.

392

00:23:54,560 --> 00:23:58,360

Go your way.

393

00:23:58,360 --> 00:24:07,560

Go your way.

394

00:24:07,560 --> 00:24:09,240

My heart caught my throat.

395

00:24:09,240 --> 00:24:12,560

I became very emotional.

396

00:24:12,560 --> 00:24:15,160

I just don't want this moment to stop.

397

00:24:15,160 --> 00:24:22,360

I don't know if I've ever been quite so deeply touched by beauty.

398

00:24:22,360 --> 00:24:23,360

Wow.

399

00:24:23,360 --> 00:24:35,480

You know, it'd be entirely fair to call my experience there a spiritual, it was clearly

400

00:24:35,480 --> 00:24:37,720

emotional.

401

00:24:37,720 --> 00:24:41,400

What he did was help guide me to focus my thoughts.

402

00:24:41,400 --> 00:24:45,040

I don't think there's any magical energy out here.

403

00:24:45,040 --> 00:24:49,560

I think the magic is inside the machinery of my brain and my body.

404

00:24:49,560 --> 00:24:52,720

What I'm trying to do is try to experience.

405

00:24:52,720 --> 00:25:00,800

I've had a spiritual experience, one that I feel will be lasting.

406

00:25:00,800 --> 00:25:08,320

Being here in Sedona, in this place, at Cathedral Rock, Vortex, I think certainly was an important

407

00:25:08,320 --> 00:25:12,000

part of it.

408

00:25:12,000 --> 00:25:13,000

We welcome you back.

409

00:25:13,000 --> 00:25:18,400

I almost got beamed up there.

410

00:25:18,400 --> 00:25:23,440

I can guarantee you the one thing that I'm going to take away from today's ceremonies

411

00:25:23,440 --> 00:25:30,280

are more arguments with rich as far as the validity of this thing.

412

00:25:30,280 --> 00:25:33,960

What I find interesting is Sedona's energy vortexes are supposed to help people have

413

00:25:33,960 --> 00:25:39,960

a spiritual or other type of mind-body experience, and both Bill and I had such an experience

414

00:25:39,960 --> 00:25:42,600

at one of the vortexes.

415

00:25:42,600 --> 00:25:47,000

Bill doesn't think the vortex had anything to do with it, but I'm not so sure.

416

00:25:47,000 --> 00:25:55,240

I'm anxious to find out if Dr. Heimann's instruments can tell us more.

417

00:25:55,240 --> 00:25:59,480

While we were checking out the vortexes ourselves, Dr. Heimann continued to test renomalies with

418

00:25:59,480 --> 00:26:03,560

his instruments and to take really precise measurements.

419

00:26:03,560 --> 00:26:07,480

Dave Heimann is the real thing when it comes to being a scientist and a geophysicist.

420

00:26:07,480 --> 00:26:09,320

He has a degree in it.

421

00:26:09,320 --> 00:26:11,120

He makes his living at it.

422

00:26:11,120 --> 00:26:12,680

I absolutely trust his results.

423

00:26:12,680 --> 00:26:16,400

I know that he's completely unbiased.

424

00:26:16,400 --> 00:26:25,720

From the base electrode through the 220 azimuth, we point straight to the top of that little

425

00:26:25,720 --> 00:26:31,040

mesa over there where the guide said there was an energy vortex.

426

00:26:31,040 --> 00:26:38,160

We do have something which indicates a flow of electricity in the near surface.

427

00:26:38,160 --> 00:26:42,920

So Dave, can you review for us what you found yesterday and today?

428

00:26:42,920 --> 00:26:47,000

The electric potential measurements did reveal something.

429

00:26:47,000 --> 00:26:52,640

He actually found an electrical anomaly at Airport Mesa site where we were yesterday.

430

00:26:52,640 --> 00:26:57,360

And it was pointing directly to the top of the part where we meditated.

431

00:26:57,360 --> 00:27:03,600

We saw two to three times background in the strength of the electrical current or the

432

00:27:03,600 --> 00:27:08,120

electrical potential to be technically correct pointing right to the place where you had

433

00:27:08,120 --> 00:27:10,840

your meditation session yesterday.

434

00:27:10,840 --> 00:27:16,000

I'm building confidence that there is a flow of electricity there.

435

00:27:16,000 --> 00:27:18,000

That's really pretty cool.

436

00:27:18,000 --> 00:27:19,440

It's interesting on several levels.

437

00:27:19,440 --> 00:27:21,800

I mean A, why is the anomaly there?

438

00:27:21,800 --> 00:27:25,800

And B, would this account for what people often say they feel when they come up to that

439

00:27:25,800 --> 00:27:26,800

place?

440

00:27:26,800 --> 00:27:30,760

If you have an electric field there, could it be interacting with the electrical field

441

00:27:30,760 --> 00:27:34,960

of the human body, the nervous system which is based on electric impulses?

442

00:27:34,960 --> 00:27:43,520

We're talking earth currents that are approximately the same magnitude as the currents in the human

443

00:27:43,520 --> 00:27:44,520

body.

444

00:27:44,520 --> 00:27:48,800

We're least establishing that there are electric fields that are the same magnitude and frequency

445

00:27:48,800 --> 00:27:53,360

as those of the human body and the possibility that that might interact with the electric

446

00:27:53,360 --> 00:27:55,680

fields of the human body.

447

00:27:55,680 --> 00:28:01,400

So we came here to see if there was anything to energy vortexes as they're called.

448

00:28:01,400 --> 00:28:06,000

And wow, there's actually something here that we can understand in terms of normal science.

449

00:28:06,000 --> 00:28:11,520

Well the thing that I like about it the most is that it does have some scientific basis

450

00:28:11,520 --> 00:28:12,520

for it.

451

00:28:12,520 --> 00:28:17,800

He detected electrical current two to three times what he would have expected.

452

00:28:17,800 --> 00:28:19,400

We all found that very interesting.

453

00:28:19,400 --> 00:28:21,120

This of course isn't proof.

454

00:28:21,120 --> 00:28:25,880

This is the reason that people often claim to feel strong energy at Airport Mesa.

455

00:28:25,880 --> 00:28:29,720

But it's interesting and it doesn't rule it out.

456

00:28:29,720 --> 00:28:33,640

Coming up, disturbing accounts of cattle mutilations in dual-sea.

457

00:28:33,640 --> 00:28:37,280

They were using the aircraft to come in and kill the cattle.

458

00:28:37,280 --> 00:28:39,640

Will the team unravel the mystery?

459

00:28:39,640 --> 00:28:53,640

Is the government involved?

460

00:28:53,640 --> 00:28:56,840

Rob was called away at the last second and couldn't join us for the next part of the

461

00:28:56,840 --> 00:28:57,840

investigation.

462

00:28:58,120 --> 00:29:03,400

So Bill and I headed to New Mexico where we met up with Lisa Van Kemp, a forensic technician.

463

00:29:03,400 --> 00:29:11,240

We're hoping her background might help us analyze evidence at our second hotspot, dual-sea.

464

00:29:11,240 --> 00:29:17,040

When we say dual-sea, paranormal hotspot, we're really talking about three things that

465

00:29:17,040 --> 00:29:23,120

are tend to thread together stories of moving lights, unidentified flying objects, stories

466

00:29:23,120 --> 00:29:29,400

about a base under Archeleta Mesa that is either military or alien or both, and then

467

00:29:29,400 --> 00:29:34,920

finally the cattle mutilation.

468

00:29:34,920 --> 00:29:39,080

When we got to dual-sea, we met with Bobby V. Hill who works at the local Best Western

469

00:29:39,080 --> 00:29:43,720

and Gabe Valdez, a former New Mexico state police officer who investigated cattle mutilations

470

00:29:43,720 --> 00:29:44,720

in the area.

471

00:29:44,720 --> 00:29:46,920

We're from Sci-Fi Investigates.

472

00:29:46,920 --> 00:29:51,360

Do you know anyone that talked to you about the legends that we've been hearing?

473

00:29:51,800 --> 00:29:53,520

About the things that go on here?

474

00:29:53,520 --> 00:29:56,640

Everybody seems to have seen something that you don't know how to explain.

475

00:29:56,640 --> 00:30:00,080

Lots of people in this area have seen unexplained lights.

476

00:30:00,080 --> 00:30:06,040

Some of them people say that Archeleta's hollow and filled with different types of aliens.

477

00:30:06,040 --> 00:30:07,640

Is that the big Mesa that's up there?

478

00:30:07,640 --> 00:30:08,640

That's Archeleta Mesa.

479

00:30:08,640 --> 00:30:09,640

That's correct.

480

00:30:09,640 --> 00:30:12,520

It's right behind this building about three miles.

481

00:30:12,520 --> 00:30:16,760

You think that there are a large number of residents who believe that there is an alien

482

00:30:16,760 --> 00:30:18,280

slash human base?

483

00:30:18,280 --> 00:30:19,280

I think they do.

484

00:30:19,400 --> 00:30:22,000

I mean, they think they think there's something odd in the area.

485

00:30:22,000 --> 00:30:24,480

Well, anytime you start saying there's lights, then they're like, well, you know, there's

486

00:30:24,480 --> 00:30:26,000

a base or a toilet.

487

00:30:28,320 --> 00:30:32,760

I know from my research that during the Cold War, the government built several hidden facilities

488

00:30:32,760 --> 00:30:37,880

either underground or buried deep within a mountain like Norat in Colorado.

489

00:30:37,880 --> 00:30:41,640

It's entirely possible that it built a secret one here in dual-sea.

490

00:30:41,640 --> 00:30:45,240

What's your sense of what most dual-sea residents believe about this?

491

00:30:45,240 --> 00:30:47,200

I think most of them would like to believe.

492

00:30:47,200 --> 00:30:52,920

Probably military, but lots of times when people come in with these stories, they probably

493

00:30:52,920 --> 00:30:54,400

think it's something else.

494

00:30:54,400 --> 00:30:56,440

Like an alien kind of situation.

495

00:30:56,440 --> 00:30:57,440

Could be.

496

00:30:57,440 --> 00:31:02,400

When you cannot explain something that you see, it does flip through your mind.

497

00:31:02,400 --> 00:31:07,760

She also clearly acknowledged that there are people here who very definitely believe that

498

00:31:07,760 --> 00:31:14,520

they have seen something that cannot be explained and that they don't want to talk about it.

499

00:31:14,520 --> 00:31:20,680

We've had lots of unexplained situations and the attitude around here is to keep it more

500

00:31:20,680 --> 00:31:25,160

hush-hush and to not advertise it.

501

00:31:25,160 --> 00:31:31,800

This is a town that is living up to its reputation in the sense that there is some strange stuff

502

00:31:31,800 --> 00:31:32,800

going on here.

503

00:31:32,800 --> 00:31:39,760

And what makes it even stranger is that there's no official base anywhere nearby here.

504

00:31:39,760 --> 00:31:44,240

But even more bizarre are the cattle mutilations, which we discussed with the New Mexico State

505

00:31:44,240 --> 00:31:49,840

Police Officer, who investigated nearly 200 of the crimes.

506

00:31:49,840 --> 00:31:56,560

I know in your case, got involved in looking into some of the very strange mutilation cases.

507

00:31:56,560 --> 00:32:00,280

They were using the aircraft to come in and kill the cattle.

508

00:32:00,280 --> 00:32:01,600

Aircraft coming in to kill the cattle?

509

00:32:01,600 --> 00:32:02,600

Yes.

510

00:32:02,600 --> 00:32:03,600

Sophisticated aircraft?

511

00:32:03,600 --> 00:32:07,480

Do you have an idea of who was operating the aircraft?

512

00:32:07,480 --> 00:32:09,280

I do, but I cannot disclose it.

513

00:32:09,280 --> 00:32:11,040

They were the aircraft?

514

00:32:11,040 --> 00:32:13,640

By that you mean terrestrial aircraft?

515

00:32:14,040 --> 00:32:15,040

Aircraft.

516

00:32:16,040 --> 00:32:20,000

You really feel that it's due to an aircraft?

517

00:32:20,000 --> 00:32:21,000

I know it.

518

00:32:21,000 --> 00:32:22,000

From all of your cases?

519

00:32:22,000 --> 00:32:23,000

Yes.

520

00:32:23,000 --> 00:32:24,500

It took almost 27 years.

521

00:32:24,500 --> 00:32:29,040

He said it took him 27 years to find what he's looking for.

522

00:32:29,040 --> 00:32:37,560

One thing that always struck me about the mutilation phenomenon is that I'm not aware of any apprehensions

523

00:32:37,560 --> 00:32:38,560

being made.

524

00:32:38,560 --> 00:32:39,560

That's true.

525

00:32:39,560 --> 00:32:44,920

The government involved, they won't make a comment.

526

00:32:44,920 --> 00:32:46,080

There's something beneath him.

527

00:32:46,080 --> 00:32:48,600

There's something that I can see when I look into his eyes.

528

00:32:48,600 --> 00:32:52,840

There's more to what he's telling me and I'm getting that from him.

529

00:32:52,840 --> 00:32:58,640

He knows things and he's not sure when it will be appropriate for him to discuss some

530

00:32:58,640 --> 00:32:59,640

of those things.

531

00:32:59,640 --> 00:33:02,440

It's just very sensitive.

532

00:33:02,440 --> 00:33:06,560

After talking with Bobby V. Hill and Gabe Valdez, it sure sounded like people had seen

533

00:33:06,560 --> 00:33:10,240

some strange and unexplained things here.

534

00:33:10,240 --> 00:33:14,360

But we wanted to see some hard evidence, so we decided to go to the source of many of

535

00:33:14,360 --> 00:33:19,800

the cattle mutilations, the Gomez Ranch, to find out exactly what happened.

536

00:33:24,800 --> 00:33:31,720

I met Manuel and Edbundo Gomez, two father and son, from a long-lived ranching family

537

00:33:31,720 --> 00:33:34,800

in northern New Mexico.

538

00:33:34,800 --> 00:33:41,440

We have had some experiences with your cattle being victimized and being killed.

539

00:33:41,440 --> 00:33:46,480

We had about 50 animals that we lost.

540

00:33:46,480 --> 00:33:49,880

We're still trying to find out what happened.

541

00:33:49,880 --> 00:33:52,960

Why were they doing all of that to us?

542

00:33:52,960 --> 00:34:00,920

Talking to Manuel Gomez and his son Edbundo, talking directly to them is a much more convincing

543

00:34:00,920 --> 00:34:06,240

experience than talking to someone who has talked to people like that.

544

00:34:06,240 --> 00:34:07,240

What exactly happened?

545

00:34:07,240 --> 00:34:09,640

Could you give me in the most detail possible?

546

00:34:09,640 --> 00:34:16,360

The first animal, they had cored out, I guess, the rectum and the uterus and removed the

547

00:34:16,360 --> 00:34:17,360

udder.

548

00:34:17,360 --> 00:34:20,080

So we decided to come back into town and call the authorities.

549

00:34:20,080 --> 00:34:24,880

The mutilations themselves, whoever's doing it for whatever reason, you've got to remember,

550

00:34:24,880 --> 00:34:25,880

it's a crime.

551

00:34:26,320 --> 00:34:31,560

Gabe Valdez, the state police officer who investigated many of the deaths, told us there were usually

552

00:34:31,560 --> 00:34:37,000

no footprints or tracks around the carcasses and that he found aviation fuel at the scene

553

00:34:37,000 --> 00:34:38,000

of some of the crimes.

554

00:34:38,000 --> 00:34:39,000

You found some oil in the desert?

555

00:34:39,000 --> 00:34:40,000

Is it oily residue?

556

00:34:40,000 --> 00:34:41,000

Yes.

557

00:34:41,000 --> 00:34:42,000

Did anyone take a sample of that?

558

00:34:42,000 --> 00:34:43,000

Yes.

559

00:34:43,000 --> 00:34:45,000

Was high octane used on an aircraft?

560

00:34:45,000 --> 00:34:49,360

High octane that's used on aircraft.

561

00:34:49,360 --> 00:34:55,280

What we all, I think, came to the conclusion was that they were identifying these animals,

562

00:34:55,280 --> 00:35:00,040

taking them to wherever they were mutilating them, bring them back and drop them onto a

563

00:35:00,040 --> 00:35:01,200

pasture.

564

00:35:01,200 --> 00:35:05,800

So there was no tracks from that animal leading to where the animal was at.

565

00:35:05,800 --> 00:35:10,040

We just found them there.

566

00:35:10,040 --> 00:35:14,240

The Gomez has invited us inside to see pictures from the mutilations.

567

00:35:14,240 --> 00:35:15,240

They were actual photographs.

568

00:35:15,240 --> 00:35:16,720

I had no doubt about that.

569

00:35:16,720 --> 00:35:21,200

In here is just a collection of cattle that were mutilated.

570

00:35:21,200 --> 00:35:24,320

Is this a cut right here?

571

00:35:24,320 --> 00:35:26,840

Yes, that's where they court out her rectum.

572

00:35:26,840 --> 00:35:30,920

As you go through here, you'll notice they all look pretty much the same.

573

00:35:30,920 --> 00:35:33,400

It does look surgical to me.

574

00:35:33,400 --> 00:35:39,960

I have seen carcasses in the wild plenty of times and after they've been chewed on and

575

00:35:39,960 --> 00:35:42,680

they do not look like the pictures that they showed us.

576

00:35:42,680 --> 00:35:45,320

In this case, the cuts looked quite clean.

577

00:35:45,320 --> 00:35:48,880

They did not look ragged.

578

00:35:48,880 --> 00:35:52,520

We looked at dozens of pictures which were all very disturbing.

579

00:35:52,520 --> 00:35:56,960

Then the Gomez has showed us some artifacts they had collected.

580

00:35:56,960 --> 00:35:59,400

We found this at a mutilation site.

581

00:35:59,400 --> 00:36:00,880

Good grief.

582

00:36:00,880 --> 00:36:01,880

What?

583

00:36:01,880 --> 00:36:03,720

What are we looking at here?

584

00:36:03,720 --> 00:36:05,280

This is getting more unique, Richard.

585

00:36:05,280 --> 00:36:08,400

I don't know how much more unique I can...

586

00:36:08,400 --> 00:36:11,320

We're getting deeper and deeper here.

587

00:36:11,320 --> 00:36:19,680

Mr. Gomez showed us a gas mask that had been found only 75 feet from a mutilation site.

588

00:36:19,680 --> 00:36:21,880

Very weird.

589

00:36:21,880 --> 00:36:25,080

The Gomez has told us that when they tried to investigate what was happening to their

590

00:36:25,080 --> 00:36:28,240

cattle, they found themselves under surveillance.

591

00:36:28,240 --> 00:36:29,880

Your houses were bugged.

592

00:36:29,880 --> 00:36:35,640

Yes, we found electronic listening devices in our homes.

593

00:36:35,640 --> 00:36:38,240

We were extremely violated.

594

00:36:38,240 --> 00:36:40,520

There were death threats.

595

00:36:40,520 --> 00:36:46,840

That if we didn't stop this investigation, that harm would come to our family.

596

00:36:46,840 --> 00:36:48,920

I have it if you want to take a look at the real thing.

597

00:36:48,920 --> 00:36:49,920

We have it.

598

00:36:49,920 --> 00:36:50,920

Sure.

599

00:36:50,960 --> 00:36:51,960

Interesting.

600

00:36:51,960 --> 00:36:52,960

That's very interesting.

601

00:36:52,960 --> 00:36:53,960

I would like to see it.

602

00:36:53,960 --> 00:36:57,120

Actually, I have two that were found.

603

00:36:57,120 --> 00:37:03,440

This one here had this covering and that was removed.

604

00:37:03,440 --> 00:37:06,120

This is another one that we found.

605

00:37:06,120 --> 00:37:14,840

The mutilation phenomenon, at least in the case of the Gomez family, comes down to intervention

606

00:37:14,840 --> 00:37:21,920

by someone's technology, presumably a human covert group.

607

00:37:21,920 --> 00:37:28,720

When I asked Gabriel Valdez whether he thought this was an extraterrestrial event, he said

608

00:37:28,720 --> 00:37:32,640

categorically no.

609

00:37:32,640 --> 00:37:37,920

When the Gomez family was asked the same question, they said no, not extraterrestrial.

610

00:37:37,920 --> 00:37:44,440

Your sense, we're reading it right here, is that this is a fully human secret operation.

611

00:37:44,440 --> 00:37:45,440

Is that correct?

612

00:37:45,440 --> 00:37:47,480

Personally, I feel that is.

613

00:37:47,480 --> 00:37:49,480

We feel that way.

614

00:37:49,480 --> 00:37:54,560

Because I don't think that if it was aliens, they wouldn't bug our homes.

615

00:37:54,560 --> 00:37:56,560

But here's something that was really interesting.

616

00:37:56,560 --> 00:38:01,800

I asked Edmund Gomez whether he thought there was a secret base here in Dulce.

617

00:38:01,800 --> 00:38:06,280

He just as a matter of fact, said, oh yes, I believe that there is a base right at Mount

618

00:38:06,280 --> 00:38:07,280

Archuleta.

619

00:38:07,280 --> 00:38:13,280

Is your theory then that there was a base constructed in Mount Archuleta?

620

00:38:14,120 --> 00:38:15,120

Is that what you think?

621

00:38:15,120 --> 00:38:16,760

Do you think it's operational today?

622

00:38:16,760 --> 00:38:17,840

I believe it is.

623

00:38:17,840 --> 00:38:25,840

I believe it's part of an underground tunnel system that was built during the Cold War.

624

00:38:31,840 --> 00:38:39,280

Next, Rich and Bill go on an unprecedented search for a secret alien base.

625

00:38:39,280 --> 00:38:41,280

What will they uncover?

626

00:38:43,280 --> 00:38:50,280

Rich and I went up in a Cessna 172.

627

00:38:59,000 --> 00:39:04,400

Seeing if we could find any evidence of the claimed base.

628

00:39:04,400 --> 00:39:09,240

Some people think the base is inside Archuleta Mesa, while others say it is inside nearby

629

00:39:09,240 --> 00:39:10,240

Mount Archuleta.

630

00:39:10,680 --> 00:39:15,000

So Bill and I decided to fly over both and see if we could find the base either visually

631

00:39:15,000 --> 00:39:16,000

or with an infrared camera.

632

00:39:16,000 --> 00:39:17,000

So you'll have the binoculars.

633

00:39:17,000 --> 00:39:18,000

I'm going to use that infrared.

634

00:39:18,000 --> 00:39:23,760

We brought along this ex-thermal imaging camera.

635

00:39:23,760 --> 00:39:30,480

The idea being that if there were unusual activity below the surface of this region,

636

00:39:30,480 --> 00:39:37,480

that thermal imager would detect the heat signature coming up from there.

637

00:39:40,240 --> 00:39:47,240

So here we go to find the secret government base.

638

00:39:47,240 --> 00:39:50,240

This is too wild.

639

00:39:50,240 --> 00:39:58,240

Now, just kidding you, this camera, this search is coming across as a heavier federal signal.

640

00:39:58,240 --> 00:40:02,240

Water and trees are cooler.

641

00:40:02,240 --> 00:40:07,240

So now we're approaching Archuleta Mesa.

642

00:40:07,240 --> 00:40:14,240

There are all kinds of scattered hotter signals, something really hot.

643

00:40:15,240 --> 00:40:23,240

There are really quite a lot of thermal signals coming up from throughout the entire region

644

00:40:23,240 --> 00:40:25,240

that we can visit.

645

00:40:25,240 --> 00:40:28,240

Okay, this is Archuleta Mountain here.

646

00:40:28,240 --> 00:40:29,240

Bottom red.

647

00:40:29,240 --> 00:40:36,240

I got to tell you something, the peak of this mountain is pretty damn hot.

648

00:40:36,240 --> 00:40:47,240

Although the thermal imager did show a lot of red or heat at both Archuleta Mesa and

649

00:40:47,240 --> 00:40:53,240

Mount Archuleta, there was no way to tell if it was just a hot soil or something underneath

650

00:40:53,240 --> 00:40:55,240

it so the results are inconclusive.

651

00:40:55,240 --> 00:41:00,240

We've been here in Dulce for a couple of days now.

652

00:41:00,240 --> 00:41:01,240

Nice to meet you.

653

00:41:01,240 --> 00:41:06,240

I think that there is something significant that has been going on in Dulce.

654

00:41:06,240 --> 00:41:10,240

What I found most compelling were the photographs of the mutilated animals.

655

00:41:10,240 --> 00:41:13,240

No tracks around the carcasses, no signs of predators.

656

00:41:13,240 --> 00:41:15,240

They must have been dropped from the air.

657

00:41:15,240 --> 00:41:18,240

But who would do such gruesome acts and why?

658

00:41:18,240 --> 00:41:21,240

Could it be connected to a secret military base?

659

00:41:21,240 --> 00:41:26,240

Gabriel Valdez does not think that this was done by extraterrestrials.

660

00:41:26,240 --> 00:41:31,240

But if the mutilations are some type of government operation, wouldn't it be easier to just buy

661

00:41:31,240 --> 00:41:33,240

the cattle on the open market?

662

00:41:33,240 --> 00:41:39,240

And why not just keep the carcasses after they were mutilated instead of returning them to the ranch?

663

00:41:39,240 --> 00:41:45,240

Occam's razor states that the correct explanation of a phenomenon is the least complicated.

664

00:41:45,240 --> 00:41:50,240

And if I apply that to the mutilations, the UFO connection makes some sense.

665

00:41:50,240 --> 00:41:56,240

Cattle mutilations are going on, possible UFO sightings, possible military sightings,

666

00:41:56,240 --> 00:42:00,240

possible alien slash human base activity.

667

00:42:00,240 --> 00:42:05,240

There's something here, whatever it is, and there's some kind of cover up.

668

00:42:05,240 --> 00:42:11,240

I'm definitely closer to what's going on around here in terms of cattle mutilations.

669

00:42:11,240 --> 00:42:15,240

But we didn't see anything that represents evidence of an underground facility.

670

00:42:17,240 --> 00:42:19,240

And what about strange events in Sedona?

671

00:42:19,240 --> 00:42:25,240

I've been researching UFO sightings for over ten years and Tom Dongo's pictures are very compelling evidence.

672

00:42:25,240 --> 00:42:32,240

Plus, we made a real scientific discovery of an actual electrical anomaly at one of the vortexes.

673

00:42:32,240 --> 00:42:37,240

Could this phenomenon help create the vortexes or interdimensional portals?

674

00:42:37,240 --> 00:42:40,240

Could it explain UFO sightings?

675

00:42:40,240 --> 00:42:44,240

All I know is that there is something very strange going on out here in the desert.

00:42:44,240 --> 00:42:48,240

Something that one day, if we're lucky, we may understand.
