

1

00:00:00,000 --> 00:00:09,000

Their words hurled in the face of reason, yet they have the power to destroy.

2

00:00:09,000 --> 00:00:12,840

Her husband was committed to an insane asylum.

3

00:00:12,840 --> 00:00:16,800

Her nine-year-old son was run over by a car.

4

00:00:16,800 --> 00:00:23,680

They can reach beyond time, beyond space, tracking their victim through eternity.

5

00:00:23,680 --> 00:00:30,680

A curse is something that, of course, you cannot prove scientifically, but it destroys you.

6

00:00:30,680 --> 00:00:34,680

They don't require belief. They don't require acceptance.

7

00:00:34,680 --> 00:00:39,680

They only demand we obey their evil commands. They are curses.

8

00:00:53,680 --> 00:01:02,680

A land that knows no limits of time or space.

9

00:01:06,680 --> 00:01:11,680

From the dawn of discovery to the nightfall of catastrophe,

10

00:01:11,680 --> 00:01:18,680

journey through a universe of the unexplained, the unforeseen, the unbelievable.

11

00:01:19,680 --> 00:01:24,680

A place beyond reality where no question will go unanswered.

12

00:01:24,680 --> 00:01:29,680

A place where myth and legend are all superstition of science.

13

00:01:49,680 --> 00:01:54,680

It's time for our journey to begin.

14

00:01:59,680 --> 00:02:04,680

Your icy grip reaches beyond death, beyond life.

15

00:02:04,680 --> 00:02:08,680

A curse, an evil prayer.

16

00:02:09,680 --> 00:02:19,680

Knowledge surrounds these library walls, and with these instruments, that knowledge can be ours.

17

00:02:29,680 --> 00:02:36,680

We've all made declarations of anger, maybe even considered terrible revenge for real or imagined wrongs.

18

00:02:37,680 --> 00:02:40,680

Some of us have even invoked curses.

19

00:02:40,680 --> 00:02:46,680

But most of us slowly return to our senses, our anger fading with time.

20

00:02:48,680 --> 00:02:51,680

But what of curses that seem to live on forever?

21

00:02:51,680 --> 00:02:57,680

These words conjure up forces that hover over the real world, like evil spirits.

22

00:02:57,680 --> 00:03:01,680

Spirits that we ignore at our own peril.

23

00:03:02,680 --> 00:03:11,680

This is a way, a land of beauty, a land where time rests and then moves on.

24

00:03:11,680 --> 00:03:16,680

But under the surface of this beauty, there is something troubling, a force beyond comprehension.

25

00:03:16,680 --> 00:03:21,680

A curse that haunts those who remove stones from this sacred volcano.

26

00:03:23,680 --> 00:03:28,680

Each year, thousands of people send back rocks and letters to the National Park,

27

00:03:29,680 --> 00:03:31,680

wanting us to dispose of them.

28

00:03:31,680 --> 00:03:36,680

There are many, many people in Hawaii who still believe in the Goddess Pelle.

29

00:03:36,680 --> 00:03:40,680

So my very good friends still believe in the Goddess Pelle.

30

00:03:40,680 --> 00:03:42,680

And I'm not going to say I don't.

31

00:03:42,680 --> 00:03:44,680

Who is the Goddess Pelle?

32

00:03:44,680 --> 00:03:48,680

Quite simply, she is set to possess this volcano called Manaloa,

33

00:03:48,680 --> 00:03:54,680

and becomes angry if people desecrate her possession, anger that is set to reach around the world.

34

00:03:59,680 --> 00:04:03,680

This is Cho Park Lai, one of Hong Kong's foremost Feng Shuo experts,

35

00:04:03,680 --> 00:04:08,680

and his day-to-day job involves battling with demons and spirits.

36

00:04:08,680 --> 00:04:12,680

Loosely translated, Feng Shuo means wind and water,

37

00:04:12,680 --> 00:04:17,680

and very few buildings are constructed without obtaining expert advice.

38

00:04:17,680 --> 00:04:23,680

The Chinese believe that the design of a building can determine the fortunes of those who reside within.

39

00:04:23,680 --> 00:04:27,680

A structure out of harmony with the spirits risks a terrible fate,

40

00:04:27,680 --> 00:04:30,680

a curse that will affect all who work inside,

41

00:04:30,680 --> 00:04:33,680

and few architects risk building without their advice,

42

00:04:33,680 --> 00:04:38,680

and Feng Shuo rituals like these are as much a part of construction as laying a foundation.

43

00:04:40,680 --> 00:04:45,680

Is this superstition or prudence?

44

00:04:46,680 --> 00:04:51,680

Around the world in Washington, D.C. in the United States,

45

00:04:51,680 --> 00:04:55,680

one of the world's most dangerous and beautiful objects can be found.

46

00:04:55,680 --> 00:04:59,680

Every year, hundreds of thousands of people come to this gallery.

47

00:04:59,680 --> 00:05:01,680

They stand in awe in front of this display case,

48

00:05:01,680 --> 00:05:08,680

for inside, there sits a tiny object that has earned a frightening reputation, the Hope Diamond.

49

00:05:08,680 --> 00:05:14,680

There certainly appears to be a lot of stories about a curse that go with the Hope Diamond,

50

00:05:14,680 --> 00:05:18,680

and so many people have been affected by it adversely.

51

00:05:18,680 --> 00:05:22,680

Many authors have tried to disprove the curse.

52

00:05:22,680 --> 00:05:25,680

I myself am not sure if there's a curse,

53

00:05:25,680 --> 00:05:30,680

but everybody that had it has had tremendous problems.

54

00:05:30,680 --> 00:05:35,680

It is said that this glittering gem has driven men and women insane,

55

00:05:35,680 --> 00:05:39,680

and on occasion robbed them of their lives.

56

00:05:39,680 --> 00:05:45,680

It just seems to be something about this stone that brings misfortune to its owners,

57

00:05:45,680 --> 00:05:48,680

as a glance at its history will attest.

58

00:05:54,680 --> 00:05:57,680

Originally known as the French Blue Diamond,

59

00:05:57,680 --> 00:06:03,680

it once weighed over 112 carats and was found in India, when no one can say.

60

00:06:04,680 --> 00:06:08,680

Purchased by the French King Louis XIV and 1668,

61

00:06:08,680 --> 00:06:14,680

it was recut to a new shape and configuration of about 67 carats,

62

00:06:14,680 --> 00:06:19,680

and was promptly stolen after Louis XVI lost his head in the French Revolution.

63

00:06:19,680 --> 00:06:24,680

It next appeared in London and was purchased by Henry Hope in 1830.

64

00:06:24,680 --> 00:06:31,680

It stayed with his family until their fortune was wiped out and was quickly sold three more times,

65

00:06:31,680 --> 00:06:37,680

until it came to America in 1911, when it was purchased by a wealthy eccentric Evelyn McClain.

66

00:06:38,680 --> 00:06:42,680

It stayed in her hands until she was committed to a mental institution.

67

00:06:44,680 --> 00:06:49,680

Is there any truth to these theories that the diamond is cursed?

68

00:06:49,680 --> 00:06:54,680

Does the glitter and sparkle of the Hope Diamond obscure some dark and mysterious force?

69

00:06:59,680 --> 00:07:05,680

There is no real reasonable explanation for this trail of death and destruction

70

00:07:05,680 --> 00:07:09,680

that has accompanied the Hope Diamond in its history.

71

00:07:09,680 --> 00:07:16,680

No other diamond seemingly has had any effect on history, such as this stone.

72

00:07:16,680 --> 00:07:21,680

The Hope Diamond curse is surely just a fantasy.

73

00:07:21,680 --> 00:07:26,680

We don't know exactly when it started, how it came about, but it's been embellished over the years.

74

00:07:26,680 --> 00:07:30,680

Well, if you talk to me, I think you will come up with curses foiled again,

75

00:07:30,680 --> 00:07:34,680

because I don't really believe in the curses associated with the Hope Diamond.

76

00:07:34,680 --> 00:07:38,680

I will say that whoever owned the diamond had an awful lot of difficulty,

77

00:07:38,680 --> 00:07:45,680

whether it was Louis XVI, who was of course beheaded, who was wife Marie Antoinette, who was of course beheaded.

78

00:07:45,680 --> 00:07:51,680

Many people still say that the stone is still cursed, that they've written to the Smithsonian

79

00:07:51,680 --> 00:07:58,680

to please bring the diamond back to Mr. Winston, because since we donated it in 1958,

80

00:07:58,680 --> 00:08:00,680

things in America have gone downhill.

81

00:08:00,680 --> 00:08:05,680

Well, we always thank them for their concern when they write,

82

00:08:05,680 --> 00:08:08,680

and we tell them that we don't take the curse seriously.

83

00:08:08,680 --> 00:08:17,680

In and of itself, a 44 and a half carat blue diamond is so extremely rare as to make it an important stone.

84

00:08:17,680 --> 00:08:24,680

But the fact that the curse, or supposed curse, is on the stone does enhance it tremendously.

85

00:08:24,680 --> 00:08:28,680

It doubles its importance to the world.

86

00:08:29,680 --> 00:08:35,680

The curse of the Hope Diamond, if it exists, has been lethal for 400 years.

87

00:08:35,680 --> 00:08:42,680

But in the valley of the kings in Egypt, there may be a curse that has survived 5,000 years.

88

00:08:42,680 --> 00:08:49,680

It began when a boy in his late teens suddenly died from mysterious causes.

89

00:08:49,680 --> 00:08:52,680

His boy was no ordinary person, he was a king.

90

00:08:52,680 --> 00:08:57,680

His name was Tutankhamen.

91

00:08:57,680 --> 00:09:02,680

May the cobra on my head spit flames of fire into thy face,

92

00:09:02,680 --> 00:09:06,680

and may thy head be in the place of my feet.

93

00:09:06,680 --> 00:09:15,680

That curse was found over the mummy Kappa Arman, a high priest whose tomb was discovered 50 years before Tutankhamen.

94

00:09:15,680 --> 00:09:20,680

It describes the fate of anyone rash enough to have disturbed his final resting place.

95

00:09:20,680 --> 00:09:24,680

Alas, history has not recorded its accuracy.

96

00:09:24,680 --> 00:09:30,680

But history has illuminated the fate of the men and women who penetrated the gloom of antiquity,

97

00:09:30,680 --> 00:09:34,680

and brought King Tut out of the darkness.

98

00:09:34,680 --> 00:09:41,680

On November 26, 1922, history was rediscovered and made.

99

00:09:41,680 --> 00:09:44,680

On that day, Howard Carter, an American archaeologist,

100

00:09:44,680 --> 00:09:48,680

gazed for the first time upon the magnificent tomb of King Tutankhamen,

101

00:09:48,680 --> 00:09:53,680

an unparalleled discovery that has left its mark upon the world's imagination.

102

00:09:53,680 --> 00:09:59,680

On that day, Carter's wavering flashlight illuminated the chamber stuffed with treasures

103

00:09:59,680 --> 00:10:03,680

that would forever redefine the word priceless.

104

00:10:03,680 --> 00:10:06,680

Treasures truly fit for a king.

105

00:10:06,680 --> 00:10:11,680

The search for this tomb had gone on for years and cost many thousands of pounds,

106

00:10:11,680 --> 00:10:15,680

and Lord Kanaavan almost withdrew his financial backing.

107

00:10:15,680 --> 00:10:19,680

Carter convinced him to mount one last effort.

108

00:10:19,680 --> 00:10:24,680

Both men were awarded by world fame and a haunting legacy.

109

00:10:24,680 --> 00:10:27,680

Though the tomb was first opened in November,

110

00:10:27,680 --> 00:10:33,680

it took three months of painstaking evacuation before Carter was prepared to enter the innermost sanctum.

111

00:10:33,680 --> 00:10:38,680

On February the 17th, 1923, Carter was ready.

112

00:10:38,680 --> 00:10:42,680

Very carefully, he broke the sacred seal,

113

00:10:42,680 --> 00:10:47,680

with Lord Kanaavan by his side, gazed upon the golden riches of the boy king.

114

00:10:47,680 --> 00:10:52,680

And almost immediately thereafter, whispers of a curse began,

115

00:10:52,680 --> 00:10:56,680

as death seemed to stalk the men and women who were present on that day.

116

00:10:56,680 --> 00:11:00,680

This story came after King Tutankhamen's discovery.

117

00:11:00,680 --> 00:11:06,680

When the man called Lord Kanaavan, he was a very rich Englishman,

118

00:11:06,680 --> 00:11:15,680

and after he visited the tomb, after three years, he was suddenly dead through an unknown disease.

119

00:11:15,680 --> 00:11:21,680

In just six years, disease and accidents claimed twelve men and women,

120

00:11:21,680 --> 00:11:26,680

and the curse of King Tut entered modern legend.

121

00:11:26,680 --> 00:11:30,680

Twelve deaths in six years.

122

00:11:30,680 --> 00:11:35,680

It's not surprising that almost immediately whispers of a terrible curse began,

123

00:11:35,680 --> 00:11:39,680

but whispers that have become popular belief.

124

00:11:39,680 --> 00:11:47,680

What are the chances that these strange deaths occur naturally to this unfortunate group of men and women?

125

00:11:51,680 --> 00:11:56,680

When a legend is at stake, it is always difficult to separate fact from fiction,

126

00:11:56,680 --> 00:12:00,680

for belief has a way of defying evidences.

127

00:12:00,680 --> 00:12:05,680

For example, skeptics have pointed out that while many people visited the newly opened tomb,

128

00:12:05,680 --> 00:12:09,680

most did not die mysteriously.

129

00:12:09,680 --> 00:12:15,680

If we look closely at contemporary mortality rates and check the reported cause of death of the more famous victims of the curse,

130

00:12:15,680 --> 00:12:18,680

the odds do seem to defy the skeptics.

131

00:12:18,680 --> 00:12:22,680

Still, the data remains inconclusive.

132

00:12:24,680 --> 00:12:28,680

Is this proof of a curse or a coincidence?

133

00:12:28,680 --> 00:12:30,680

No, it's not.

134

00:12:30,680 --> 00:12:37,680

For the curse of King Tut and Kamen may be attributable to something equally mysterious and lethal.

135

00:12:37,680 --> 00:12:43,680

Killer inside the tomb may have been waiting silently for thousands of years,

136

00:12:43,680 --> 00:12:46,680

striking without warning, without mercy,

137

00:12:46,680 --> 00:12:50,680

but this mysterious killer may finally have an identity.

138

00:12:50,680 --> 00:12:55,680

For me as a lesbianologist, I excavated for the last twenty years everywhere.

139

00:12:55,680 --> 00:12:59,680

If you close this room for five thousand years, what's going to happen?

140

00:12:59,680 --> 00:13:02,680

This room will contain germs that no one can see.

141

00:13:02,680 --> 00:13:09,680

Ancient times, people opened tombs quickly, they get in, then they were hit by germs, always, and they die.

142

00:13:09,680 --> 00:13:14,680

But when I excavate now and I find a tomb which I found ten years ago a tomb,

143

00:13:14,680 --> 00:13:19,680

I always open it for the fresh air to get in, bad air to go out.

144

00:13:19,680 --> 00:13:22,680

Always advise my assistant to not shave,

145

00:13:22,680 --> 00:13:27,680

because if you shave early in the morning, this would be open for germs to hit you quickly.

146

00:13:27,680 --> 00:13:29,680

But if you have a beard, nothing can happen.

147

00:13:29,680 --> 00:13:34,680

I can speak for half an hour about the curse of the phael's.

148

00:13:34,680 --> 00:13:41,680

The pharaohs sometimes have written curse to the one who will open my tomb.

149

00:13:41,680 --> 00:13:45,680

At Tutankhamun's special, from whom came the curse of the pharaohs, said,

150

00:13:45,680 --> 00:13:51,680

Bless those who will make my name known forever.

151

00:13:51,680 --> 00:13:58,680

And those who have excavated tomb have made his name more living for them.

152

00:13:58,680 --> 00:14:05,680

The incredible media furor that accompanied this discovery obscured and then distorted him the real story.

153

00:14:05,680 --> 00:14:11,680

For example, it is widely believed that the curse was inscribed over the doorway to the tomb.

154

00:14:11,680 --> 00:14:13,680

And true.

155

00:14:13,680 --> 00:14:20,680

Howard Carter, the man most responsible for uncovering the treasures, lived to 1939 when he died of natural causes.

156

00:14:20,680 --> 00:14:26,680

If there was a curse, surely he would have been the first to suffer its deadly consequences.

157

00:14:26,680 --> 00:14:31,680

The mystery about the curse of the pharaohs, it's fascinating, made people look to believe in that.

158

00:14:31,680 --> 00:14:34,680

If anything happened to someone, it's the curse of the pharaohs.

159

00:14:34,680 --> 00:14:37,680

My opinion, there is no curse at all.

160

00:14:37,680 --> 00:14:42,680

The curse comes from us, not from the ancient religions.

161

00:14:42,680 --> 00:14:47,680

Still, a legend of King Tut lives on.

162

00:14:47,680 --> 00:14:53,680

As long as there are people who believe in a curse, it'll seem to have a life of its own.

163

00:14:53,680 --> 00:14:59,680

In Haiti, a small country in the Caribbean, belief in curses is a way of life.

164

00:14:59,680 --> 00:15:03,680

In fact, there are an integral part of the local religion.

165

00:15:03,680 --> 00:15:09,680

The mysterious and powerful religion known to the world as voodoo.

166

00:15:12,680 --> 00:15:18,680

The word voodoo has come to symbolize the mysterious, the dangerous and the forbidden.

167

00:15:18,680 --> 00:15:23,680

These strange charms are said to have powers of life and death.

168

00:15:23,680 --> 00:15:29,680

But recently, science has found an explanation for one of voodoo's most potent myths.

169

00:15:30,680 --> 00:15:33,680

That myth has a name, zombie.

170

00:15:36,680 --> 00:15:43,680

Haiti is a land torn apart by contrasts, between rich and poor, between myth and reality.

171

00:15:43,680 --> 00:15:52,680

And just underneath the outsider's perspective, a strange religion percolates to its own ancient rhythm, a religion called voodoo.

172

00:15:53,680 --> 00:15:59,680

Haiti was settled by slaves, the land made fertile by the blood and sweat of their labor.

173

00:15:59,680 --> 00:16:05,680

And voodoo comes from somewhere deep in their past, some uncharted land, a mysterious belief system

174

00:16:05,680 --> 00:16:11,680

that has led to some misconceptions from those not privy to its dark secrets.

175

00:16:11,680 --> 00:16:21,680

There is nothing as one has to be afraid regarding voodoo because you're not going to be harmed or killed.

176

00:16:21,680 --> 00:16:24,680

You have the religion to help you to solve your problems.

177

00:16:24,680 --> 00:16:28,680

So voodoo helps a great deal of people solve their problems.

178

00:16:29,680 --> 00:16:32,680

Curses are an undeniable part of voodoo.

179

00:16:32,680 --> 00:16:38,680

And one of the most feared curses is the command that can turn a man or woman into a zombie.

180

00:16:38,680 --> 00:16:40,680

A curse is real.

181

00:16:41,680 --> 00:16:47,680

And there are people who are good at it or could put a curse on someone.

182

00:16:47,680 --> 00:16:55,680

For instance, people who do have big plantations and would like to have zombies to work in those plantations.

183

00:16:55,680 --> 00:17:00,680

They have things to do to make people to become zombies.

184

00:17:00,680 --> 00:17:08,680

So those people will work for nothing and they will not speak, they will not move like any human being.

185

00:17:08,680 --> 00:17:12,680

So curse, you actually, is the curse real? Yes, it is extremely real.

186

00:17:12,680 --> 00:17:19,680

Recently, an American scientist named Wade Davis exploded some of the myths surrounding zombies

187

00:17:19,680 --> 00:17:25,680

and discovered that their genesis was not spiritual, but chemical.

188

00:17:25,680 --> 00:17:29,680

A specially mixed potion that can induce a catatonic state.

189

00:17:29,680 --> 00:17:35,680

To make a long story short, what we showed is that the drug that they're using in Haiti

190

00:17:35,680 --> 00:17:45,680

was not only theoretically capable of, but we knew for a fact had caused people to appear to be dead, even those people were not dead.

191

00:17:45,680 --> 00:17:50,680

What the zombie drug could do is make someone susceptible to a whole series of psychological pressures.

192

00:17:50,680 --> 00:17:52,680

They could make someone appear to be dead.

193

00:17:52,680 --> 00:17:56,680

But what creates a zombie was a whole world view and a set of beliefs.

194

00:17:56,680 --> 00:18:02,680

Those beliefs have reverberated throughout Haiti, with echoes being heard around the world.

195

00:18:02,680 --> 00:18:09,680

Voodoo has come to symbolize a shadow land where anything is possible and everything permitted.

196

00:18:09,680 --> 00:18:21,680

But to those who have studied Voodoo closely, this sadly misunderstood, with curses, a very small part of its existence.

197

00:18:21,680 --> 00:18:28,680

Truth is that Voodoo is a wonderfully benign, legitimate religion and it's a quintessentially democratic religion

198

00:18:28,680 --> 00:18:33,680

because a person not only has direct access to his spirit realm, he actually receives gods into his body.

199

00:18:33,680 --> 00:18:39,680

The Voodoo say the white man goes to church and speaks about God, we dance in the temple and become God.

200

00:18:39,680 --> 00:18:46,680

And those gods seem to be able to reach out to charm and occasionally enslave the living.

201

00:18:49,680 --> 00:18:54,680

Curses do exist. How their work has led to debate.

202

00:18:54,680 --> 00:19:03,680

Is it possible for belief alone to kill, for acceptance to lead to resignation and then death?

203

00:19:03,680 --> 00:19:07,680

Are curses only in our minds?

204

00:19:10,680 --> 00:19:19,680

If curses do exist, they exist in a shadow land caught between conjecture and belief, between myth

and imagination.

205

00:19:19,680 --> 00:19:25,680

There seems to be something in the human unconscious willingly responds to these dark powers of suggestion,

206

00:19:25,680 --> 00:19:31,680

meaning that curses may be a result of mind over matter, of unreason over reason.

207

00:19:31,680 --> 00:19:36,680

We're all creatures of habit and perhaps those habits remain locked away in our minds,

208

00:19:36,680 --> 00:19:41,680

a mystic doorway that is the key to understanding what curses are and can be.

209

00:19:41,680 --> 00:19:58,680

Science has proved that the mind is capable of almost anything. Curses can inhabit the mind and perhaps control and destroy it if we allow them to.

210

00:19:58,680 --> 00:20:09,680

We know that curses are created by man and rationalized by man, but it seems they may not have to

be obeyed by man,

211

00:20:09,680 --> 00:20:13,680

and in that lies hope.

212

00:20:13,680 --> 00:20:19,680

A curse may be a warning, not a verdict.

213

00:20:19,680 --> 00:20:23,680

That power may lie inside us all.

214

00:20:23,680 --> 00:20:41,680

Secrets and mysteries presents information based in part on theories and opinions, some of which are controversial.

215

00:20:41,680 --> 00:20:49,680

The producer's purpose is not to validate any side of an issue, but through the use of actualities and chromatic recreation relate a possible answer,

216

00:20:49,680 --> 00:20:53,680

but not the only answer to this material.

217

00:21:19,680 --> 00:21:47,680

According to a recent poll taken in the United States, half of its population believe that the universe is inhabited by other intelligent life.

218

00:21:47,680 --> 00:21:51,680

Rest of the world cannot be far behind.

219

00:21:51,680 --> 00:22:03,680

The 1950s witnessed a sharp increase in the number of sightings all around the world, and with it more and more evidence that something unusual was happening in our skies.

220

00:22:03,680 --> 00:22:10,680

Even the United States government took notice, beginning an official Air Force investigation called Project Blue Book.

221

00:22:10,680 --> 00:22:20,680

Their files soon overflowed with more than 12,000 sightings.

222

00:22:20,680 --> 00:22:27,680

These water beasts may well be the most ancient surviving inhabitants of our planet.

223

00:22:27,680 --> 00:22:48,680

Did I see the monster? I don't know, but I do believe that, you know, I saw, I obviously saw some things, and nobody's been able to tell me what I saw, so I think I must have seen the monster.

224

00:22:48,680 --> 00:22:59,680

Stonehenge, that place has become a metaphor for the magnificent, the unfathomable, and the mysterious.

225

00:22:59,680 --> 00:23:13,680

I have the feeling that the people who built it had something very strong in mind, maybe more than the astronomy and the worship, and I wish to goodness on you what it was, and maybe I never will.

226

00:23:18,680 --> 00:23:24,680

German scientist Fennel van Braum is considered to be the architect of America's space program.

227

00:23:24,680 --> 00:23:36,680

Van Braum and his team took the technology from the German V2 rocket, which had been created for destruction, and applied it to the development of the chariots that would take man to new worlds.

228

00:23:36,680 --> 00:23:52,680

There's never been an astronaut who got on a spacecraft, whether it was Mercury, Apollo, or even

Shuttle, who didn't fully understand the risk involved and who wasn't willing to take him.

229

00:23:52,680 --> 00:24:03,680

The only voyage of the Titanic was surrounded by bad luck that defies belief. Everything that could go wrong did go wrong. It was as if she was cursed.

230

00:24:04,680 --> 00:24:07,680

A cursed sunsday began when she was lost.

231

00:24:07,680 --> 00:24:12,680

When Captain B came back, he said, there's nothing much. They only struck a nice bird.

232

00:24:16,680 --> 00:24:29,680

This magnificent object is a symbol of genius, of ambition, and of dedication, for it is believed to have taken 30 years to construct, and that construction is not the least of its miracles.

233

00:24:29,680 --> 00:24:45,680

It stands as one of the most prominent monuments for its size and complexity, and also its lack of information about it, to be able to plan and economically accomplish such a large feat for the pharaoh is extraordinary.

234

00:24:46,680 --> 00:25:03,680

This is the mark of Sasquatch, taken from a set of tracks that covered a five mile stretch of dense forest. The depth of each print indicates that whatever made it weighed 800 pounds.

235

00:25:04,680 --> 00:25:25,680

And there's other, more dramatic evidence. On a hot afternoon in October, Roger Patterson and a friend were riding through some woods in Northern California. Suddenly their horses shied. They looked ahead and saw something squatting by the creek.

236

00:25:25,680 --> 00:25:34,680

As the creek ambled away, Patterson took this film, the film that has been analyzed, debated, and contested ever since.
