

1  
00:00:22,810 --> 00:00:18,580  
welcome to shattered reality with their

2  
00:00:25,480 --> 00:00:22,820  
hosts Kate Valentine and faroush prepare

3  
00:00:29,259 --> 00:00:25,490  
to head of paradigms shifted in the

4  
00:00:33,370 --> 00:00:29,269  
truths questioned and now shattered

5  
00:00:35,920 --> 00:00:33,380  
reality hello and welcome this is Kate

6  
00:00:39,670 --> 00:00:35,930  
Valentine welcoming you to the program

7  
00:00:42,700 --> 00:00:39,680  
and I'm furusho welcome to shattered

8  
00:00:46,270 --> 00:00:42,710  
reality and we certainly hope you help

9  
00:00:47,980 --> 00:00:46,280  
us to shatter some paradigms today well

10  
00:00:51,270 --> 00:00:47,990  
if anyone will do it it will be our

11  
00:00:54,760 --> 00:00:51,280  
guest today mr. Mack Maloney Mack is a

12  
00:00:59,320 --> 00:00:54,770  
wonderful author of UFO books one of

13  
00:01:01,990 --> 00:00:59,330

them is beyond area 51 and the other is

14

00:01:04,929 --> 00:01:02,000

UFOs in wartime which is one of my

15

00:01:07,840 --> 00:01:04,939

all-time favorite UFO books loved it

16

00:01:09,730 --> 00:01:07,850

he has also written a series of I guess

17

00:01:13,330 --> 00:01:09,740

you would say fiction books under the

18

00:01:15,790 --> 00:01:13,340

wing man series and so with all that

19

00:01:18,790 --> 00:01:15,800

welcome to the show Mack thank you for

20

00:01:21,790 --> 00:01:18,800

being with us this hour well thanks for

21

00:01:25,630 --> 00:01:21,800

having me always a pleasure

22

00:01:29,020 --> 00:01:25,640

well I on both of your books I think the

23

00:01:34,020 --> 00:01:29,030

overwhelming impact that we get from it

24

00:01:36,280 --> 00:01:34,030

is that UFOs indeed do exist you sort of

25

00:01:39,730 --> 00:01:36,290

demonstrate that beyond any reasonable

26  
00:01:42,700 --> 00:01:39,740  
doubt and what you do not do in which I

27  
00:01:45,580 --> 00:01:42,710  
like is draw any conclusions as to what

28  
00:01:48,730 --> 00:01:45,590  
they are and until we gather more

29  
00:01:53,440 --> 00:01:48,740  
consistent data unfortunately that will

30  
00:01:54,730 --> 00:01:53,450  
remain the case I think oh yeah I agree

31  
00:01:56,530 --> 00:01:54,740  
with you it's um you know there's

32  
00:01:58,960 --> 00:01:56,540  
certainly a lot of theories as to what

33  
00:02:01,390 --> 00:01:58,970  
UFOs are out there but I think we can

34  
00:02:02,859 --> 00:02:01,400  
all agree that no one really knows what

35  
00:02:05,410 --> 00:02:02,869  
they yeah we've never really seen any

36  
00:02:07,810 --> 00:02:05,420  
proof that anyone knows we've heard a

37  
00:02:09,699 --> 00:02:07,820  
lot of conjecture and theories and I'm

38  
00:02:12,009 --> 00:02:09,709

just kind of out our fabrications in a

39

00:02:14,920 --> 00:02:12,019

lot of cases but I think that

40

00:02:16,750 --> 00:02:14,930

outstanding proof is yet to be found I

41

00:02:18,160 --> 00:02:16,760

think that sometime in our future is

42

00:02:21,319 --> 00:02:18,170

this open sadhana

43

00:02:24,729 --> 00:02:21,329

well yeah me too I'll tell you the older

44

00:02:27,619 --> 00:02:24,739

I get closer I hope the answers come but

45

00:02:31,099 --> 00:02:27,629

one of the things one of the points that

46

00:02:33,559 --> 00:02:31,109

another guest made is that we're keeping

47

00:02:35,509 --> 00:02:33,569

the UFO secret the UFOs are certainly

48

00:02:36,830 --> 00:02:35,519

not keeping themselves secret I mean

49

00:02:40,009 --> 00:02:36,840

they're all over the place

50

00:02:42,319 --> 00:02:40,019

and all through time really I mean you

51  
00:02:45,259 --> 00:02:42,329  
know obviously I'm sure a lot of our

52  
00:02:48,860 --> 00:02:45,269  
listeners know the biblical accounts are

53  
00:02:51,909 --> 00:02:48,870  
the medieval accounts the wartime which

54  
00:02:54,800 --> 00:02:51,919  
you've so well documented accounts and

55  
00:02:56,869 --> 00:02:54,810  
so they're right in your face it's just

56  
00:02:58,729 --> 00:02:56,879  
that we just don't they just don't give

57  
00:03:02,140 --> 00:02:58,739  
us enough information as to know what

58  
00:03:07,129 --> 00:03:02,150  
they are I think faroush a-- had some

59  
00:03:10,909 --> 00:03:07,139  
ideas um you know Mac I appreciate

60  
00:03:14,720 --> 00:03:10,919  
you're open-minded point that you are

61  
00:03:17,659 --> 00:03:14,730  
not going to come down definitively as

62  
00:03:21,289 --> 00:03:17,669  
to what UFOs are but I know that you

63  
00:03:25,399 --> 00:03:21,299

have shall we say a pet theory or your

64

00:03:28,819 --> 00:03:25,409

personal opinion which may involve time

65

00:03:30,589 --> 00:03:28,829

travelers is that the case well yeah yes

66

00:03:32,149 --> 00:03:30,599

it is to tell you the truth and I'm not

67

00:03:34,729 --> 00:03:32,159

the first one to come up with it but in

68

00:03:38,390 --> 00:03:34,739

just in researching the books especially

69

00:03:41,059 --> 00:03:38,400

UFOs in wartime it just seems like as

70

00:03:43,429 --> 00:03:41,069

we're saying just a minute ago that you

71

00:03:45,259 --> 00:03:43,439

opposed don't make any pretense of not

72

00:03:47,990 --> 00:03:45,269

being there people think UFOs kind of

73

00:03:50,259 --> 00:03:48,000

hide but they don't they they're always

74

00:03:53,960 --> 00:03:50,269

kind of there and they just seem to be

75

00:03:56,330 --> 00:03:53,970

you know watching us and in in it's

76

00:03:58,399 --> 00:03:56,340

proof that it has been true that they

77

00:03:59,809 --> 00:03:58,409

show up with historic events especially

78

00:04:01,759 --> 00:03:59,819

during World War two with the Foo

79

00:04:05,300 --> 00:04:01,769

Fighters and if you just keep reading

80

00:04:06,259 --> 00:04:05,310

that over and over you just pops into

81

00:04:09,319 --> 00:04:06,269

your head that hey maybe they're just

82

00:04:11,270 --> 00:04:09,329

time cars maybe they took their time

83

00:04:14,509 --> 00:04:11,280

machines from our own future coming back

84

00:04:17,479 --> 00:04:14,519

and watching history being made well

85

00:04:20,689 --> 00:04:17,489

that sounds like a very viable theory

86

00:04:23,930 --> 00:04:20,699

just going forward with that a little

87

00:04:27,230 --> 00:04:23,940

bit do you think that it's possible a

88

00:04:30,529 --> 00:04:27,240

that UFOs may be more than one thing

89

00:04:31,730 --> 00:04:30,539

which is to say that you know let's say

90

00:04:37,460 --> 00:04:31,740

80% of the

91

00:04:40,460 --> 00:04:37,470

UFOs that are actual real accounts as

92

00:04:45,140 --> 00:04:40,470

opposed to hoaxes or misinterpretations

93

00:04:49,580 --> 00:04:45,150

maybe 80% of those are time travelers do

94

00:04:53,570 --> 00:04:49,590

you hold out any thought that maybe the

95

00:04:56,990 --> 00:04:53,580

other 10 or 20% might be let us say

96

00:05:00,379 --> 00:04:57,000

extraterrestrial visitors or ultra

97

00:05:05,210 --> 00:05:00,389

terrestrials that is another race that

98

00:05:07,430 --> 00:05:05,220

may not be in our exactly in our view

99

00:05:11,480 --> 00:05:07,440

but that cohabits the earth with us

100

00:05:13,490 --> 00:05:11,490

perhaps in a different in a different

101  
00:05:16,670 --> 00:05:13,500  
dimensional plane or perhaps somehow

102  
00:05:18,559 --> 00:05:16,680  
hidden well you know anything is

103  
00:05:20,570 --> 00:05:18,569  
possible I mean just take for example

104  
00:05:24,080 --> 00:05:20,580  
the thing that we can closely associated

105  
00:05:26,480 --> 00:05:24,090  
to is what people go on safaris in

106  
00:05:28,189 --> 00:05:26,490  
Africa for instance and you know you

107  
00:05:30,050 --> 00:05:28,199  
ride around in the truck and people take

108  
00:05:32,300 --> 00:05:30,060  
pictures of the Lions and the elephants

109  
00:05:34,820 --> 00:05:32,310  
and so on those animals have no idea

110  
00:05:37,219 --> 00:05:34,830  
what the tourists are up to exactly

111  
00:05:40,879 --> 00:05:37,229  
Thanks you know they so they just go on

112  
00:05:42,200 --> 00:05:40,889  
with their you know daily life and and

113  
00:05:43,459 --> 00:05:42,210

there's just this thing kind of there

114

00:05:44,930 --> 00:05:43,469

that you know they can't understand so

115

00:05:46,370 --> 00:05:44,940

they they almost don't pay attention to

116

00:05:47,839 --> 00:05:46,380

it that's how it is here would you

117

00:05:49,310 --> 00:05:47,849

oppose you know we see them we hear

118

00:05:50,330 --> 00:05:49,320

about them all the times but says

119

00:05:52,670 --> 00:05:50,340

they're always there and they don't do

120

00:05:55,339 --> 00:05:52,680

anything except kind of appear you know

121

00:05:56,990 --> 00:05:55,349

they're not as to some people they just

122

00:05:59,209 --> 00:05:57,000

don't exist that they're just not

123

00:06:01,730 --> 00:05:59,219

exciting enough to kind of you know talk

124

00:06:03,589 --> 00:06:01,740

about our get interested in but you know

125

00:06:05,390 --> 00:06:03,599

there's look how many tourist companies

126

00:06:07,399 --> 00:06:05,400

there are that bring people all over the

127

00:06:09,920 --> 00:06:07,409

world so why wouldn't we think that you

128

00:06:11,839 --> 00:06:09,930

know especially since people see certain

129

00:06:13,879 --> 00:06:11,849

kinds of UFOs through the years through

130

00:06:16,129 --> 00:06:13,889

the hundreds of years people seeing

131

00:06:17,990 --> 00:06:16,139

flying saucers but they also see cigar

132

00:06:19,430 --> 00:06:18,000

shaped objects and they also see kind of

133

00:06:21,680 --> 00:06:19,440

balls of light so there are different

134

00:06:23,899 --> 00:06:21,690

kinds of repose so who's to say that all

135

00:06:24,439 --> 00:06:23,909

fit a different kind UFO comes from a

136

00:06:27,290 --> 00:06:24,449

different place

137

00:06:29,659 --> 00:06:27,300

well that's I'm glad that you are open

138

00:06:33,709 --> 00:06:29,669

to that idea and I think sometimes of

139

00:06:37,490 --> 00:06:33,719

the cargo cults famously of the South

140

00:06:40,850 --> 00:06:37,500

Pacific where people that were on

141

00:06:45,170 --> 00:06:40,860

isolated islands associated the actual

142

00:06:47,570 --> 00:06:45,180

war planes with cargo

143

00:06:51,290 --> 00:06:47,580

coming from God's you know that they

144

00:06:53,629 --> 00:06:51,300

might get chocolates from the John from

145

00:06:58,159 --> 00:06:53,639

America and then raised John from

146

00:07:00,260 --> 00:06:58,169

America to a God right and and you know

147

00:07:03,110 --> 00:07:00,270

you can really kind of take that example

148

00:07:07,159 --> 00:07:03,120

and stretch it out you know a lot

149

00:07:10,100 --> 00:07:07,169

because that's kind of like a testbed of

150

00:07:12,140 --> 00:07:10,110

what would happen if it will especially

151  
00:07:14,240 --> 00:07:12,150  
the ancient astronaut theory people who

152  
00:07:15,620 --> 00:07:14,250  
are into that theory really love what

153  
00:07:17,870 --> 00:07:15,630  
happened with the Congo codes because

154  
00:07:19,430 --> 00:07:17,880  
you can almost see it happening you know

155  
00:07:21,230 --> 00:07:19,440  
where there's people in the ground there

156  
00:07:23,629 --> 00:07:21,240  
they're very much people of the earth

157  
00:07:25,460 --> 00:07:23,639  
they're not you know technologically

158  
00:07:27,469 --> 00:07:25,470  
advanced something comes down that just

159  
00:07:28,969 --> 00:07:27,479  
kind of blows their minds they're going

160  
00:07:30,620 --> 00:07:28,979  
to think that it's you know some kind of

161  
00:07:32,629 --> 00:07:30,630  
a higher power and so on and so forth

162  
00:07:33,740 --> 00:07:32,639  
that's what happened in the Pacific when

163  
00:07:35,749 --> 00:07:33,750

we were fighting World War two and

164

00:07:38,719 --> 00:07:35,759

planes landed on these isolated islands

165

00:07:41,510 --> 00:07:38,729

could very well happen five thousand

166

00:07:43,760 --> 00:07:41,520

years ago when a flying saucer came down

167

00:07:45,080 --> 00:07:43,770

in them you know ancient Egypt is

168

00:07:48,140 --> 00:07:45,090

something like that

169

00:07:50,020 --> 00:07:48,150

one thing that was sure is that we're

170

00:07:52,719 --> 00:07:50,030

sure of is that you oppose have up here

171

00:07:54,740 --> 00:07:52,729

to humans throughout human history

172

00:07:56,629 --> 00:07:54,750

throughout children's history it just

173

00:07:58,040 --> 00:07:56,639

want a few things that has been with us

174

00:07:59,510 --> 00:07:58,050

from the very beginning and is still

175

00:08:02,779 --> 00:07:59,520

around today so I think that just adds

176  
00:08:05,510 --> 00:08:02,789  
to the mystery yeah and I also have

177  
00:08:08,180 --> 00:08:05,520  
always felt that this planet is almost

178  
00:08:10,879 --> 00:08:08,190  
like the paradise of Eden that was

179  
00:08:13,670 --> 00:08:10,889  
described in the Bible I mean as many PI

180  
00:08:16,010 --> 00:08:13,680  
exoplanets as they've discovered they

181  
00:08:19,089 --> 00:08:16,020  
all seem to have some glitch in it and

182  
00:08:22,810 --> 00:08:19,099  
as far as planets being friendly and

183  
00:08:25,339 --> 00:08:22,820  
stable enough to develop intelligent or

184  
00:08:26,870 --> 00:08:25,349  
technologically competent life I don't

185  
00:08:29,839 --> 00:08:26,880  
think they're very common I mean as far

186  
00:08:32,810 --> 00:08:29,849  
as we know it took four billion years

187  
00:08:34,790 --> 00:08:32,820  
for a technological society to exist on

188  
00:08:37,310 --> 00:08:34,800

this planet so I think they're fairly

189

00:08:39,800 --> 00:08:37,320

rare and I think they would indeed draw

190

00:08:42,920 --> 00:08:39,810

interest I mean after all we are the

191

00:08:46,160 --> 00:08:42,930

UFOs of Mars right now if Martians exist

192

00:08:49,190 --> 00:08:46,170

they take us as UFOs as extraterrestrial

193

00:08:54,250 --> 00:08:49,200

visitors so I I don't think it would be

194

00:08:57,290 --> 00:08:54,260

a huge leap of imagination to imagine

195

00:08:58,079 --> 00:08:57,300

archaeologists from Alpha Centauri being

196

00:09:00,299 --> 00:08:58,089

here

197

00:09:04,049 --> 00:09:00,309

but I mean it's fun but we sometimes

198

00:09:08,009 --> 00:09:04,059

forget to think about too is the drama

199

00:09:10,769 --> 00:09:08,019

of UFOs and I love this article about

200

00:09:13,980 --> 00:09:10,779

the Battle of Los Angeles and if I make

201  
00:09:18,420 --> 00:09:13,990  
quote from your book in the early

202  
00:09:21,720 --> 00:09:18,430  
morning hours of February 25th 1942 the

203  
00:09:25,019 --> 00:09:21,730  
city of Los Angeles was attacked by UFOs

204  
00:09:28,860 --> 00:09:25,029  
now that's a blunt factual statement mr.

205  
00:09:30,600 --> 00:09:28,870  
Maloney and it's backed up it says it

206  
00:09:32,819 --> 00:09:30,610  
might sound like the opening of a

207  
00:09:35,009 --> 00:09:32,829  
science fiction book or the first line

208  
00:09:38,460 --> 00:09:35,019  
from a movie script but it actually

209  
00:09:40,619 --> 00:09:38,470  
happened in front of 1 million witnesses

210  
00:09:43,710 --> 00:09:40,629  
and that's actually true and they have a

211  
00:09:46,009 --> 00:09:43,720  
wonderful photograph of the UFO being

212  
00:09:49,619 --> 00:09:46,019  
caught in searchlights at missiles

213  
00:09:52,889 --> 00:09:49,629

blowing up all around it and let's just

214

00:09:54,749 --> 00:09:52,899

say for let's just take all speculation

215

00:09:58,379 --> 00:09:54,759

aside and say yes this really happened

216

00:10:00,509 --> 00:09:58,389

and this is what it was right away the

217

00:10:02,419 --> 00:10:00,519

government hops in and said no don't

218

00:10:06,960 --> 00:10:02,429

move along nothing to see here

219

00:10:08,759 --> 00:10:06,970

and as I asked you before what are your

220

00:10:11,850 --> 00:10:08,769

thoughts as far as the government

221

00:10:14,129 --> 00:10:11,860

keeping this so you know the giggle

222

00:10:16,110 --> 00:10:14,139

factor and all that and anybody that

223

00:10:19,379 --> 00:10:16,120

brings it up is thought to be a little

224

00:10:21,960 --> 00:10:19,389

bit loose so what are your thoughts why

225

00:10:24,179 --> 00:10:21,970

would our our government and it seems

226

00:10:26,280 --> 00:10:24,189

all governments why do they cover this

227

00:10:30,360 --> 00:10:26,290

up so very carefully

228

00:10:31,769 --> 00:10:30,370

well it's speaking strictly look for the

229

00:10:34,169 --> 00:10:31,779

American you know government in the

230

00:10:36,749 --> 00:10:34,179

military it is just there this is the

231

00:10:38,220 --> 00:10:36,759

way that they started out in the early

232

00:10:41,220 --> 00:10:38,230

days actual and they said it out in the

233

00:10:44,460 --> 00:10:41,230

first six months or so of 1947 after

234

00:10:47,639 --> 00:10:44,470

Kenneth Donaldson citing actually the

235

00:10:49,319 --> 00:10:47,649

last six months was 1947 the yyyp was

236

00:10:50,970 --> 00:10:49,329

really looked into it they spent a lot

237

00:10:52,619 --> 00:10:50,980

of mine they had engineers and

238

00:10:54,329 --> 00:10:52,629

scientists bookends with their

239

00:10:56,819 --> 00:10:54,339

conclusion after that first six months

240

00:10:58,230 --> 00:10:56,829

was that UFOs are not of this earth we

241

00:11:00,329 --> 00:10:58,240

didn't make them the Russians didn't

242

00:11:01,679 --> 00:11:00,339

make them they could find no evidence of

243

00:11:03,749 --> 00:11:01,689

anyone around the world who could make

244

00:11:05,129 --> 00:11:03,759

you know these flying machines that

245

00:11:07,619 --> 00:11:05,139

people were seeing that do all these

246

00:11:10,259 --> 00:11:07,629

fantastic things so they actually

247

00:11:11,490 --> 00:11:10,269

brought that report to the Pentagon -

248

00:11:13,140 --> 00:11:11,500

the Pentagon you know

249

00:11:15,060 --> 00:11:13,150

their way said that well this isn't the

250

00:11:16,740 --> 00:11:15,070

conclusion we wanted so they went back

251  
00:11:19,440 --> 00:11:16,750  
and did another report and they

252  
00:11:21,240 --> 00:11:19,450  
whitewashed the whole thing and in that

253  
00:11:22,950 --> 00:11:21,250  
report they said that what they found

254  
00:11:24,540 --> 00:11:22,960  
they completely turned around their

255  
00:11:26,550 --> 00:11:24,550  
findings they said what they found was

256  
00:11:28,920 --> 00:11:26,560  
that they want to show you befo was

257  
00:11:30,630 --> 00:11:28,930  
someone who was hallucinating or there

258  
00:11:33,150 --> 00:11:30,640  
were a religious fanatic or they were

259  
00:11:35,370 --> 00:11:33,160  
someone who was causing a hoax and and

260  
00:11:37,650 --> 00:11:35,380  
that has been kind of like the the

261  
00:11:40,890 --> 00:11:37,660  
foundation of of them both the US

262  
00:11:43,560 --> 00:11:40,900  
military's response ever since that

263  
00:11:45,240 --> 00:11:43,570

moment you got to be crazy it's got to

264

00:11:48,180 --> 00:11:45,250

be a trick or you're some kind of a

265

00:11:49,890 --> 00:11:48,190

fanatic and you see with what didn't

266

00:11:51,810 --> 00:11:49,900

what real quick is what we're they ran

267

00:11:53,460 --> 00:11:51,820

into problems is in Korea the Korean

268

00:11:55,890 --> 00:11:53,470

once that's a couple of years later and

269

00:11:58,440 --> 00:11:55,900

our pilots not seeing North owes and

270

00:12:00,120 --> 00:11:58,450

they couldn't say well our pilots are

271

00:12:01,770 --> 00:12:00,130

either hoaxes or fanatics or you know

272

00:12:05,430 --> 00:12:01,780

they have something some mental

273

00:12:07,980 --> 00:12:05,440

instability so that's when the you know

274

00:12:12,390 --> 00:12:07,990

the US military just stopped commenting

275

00:12:15,870 --> 00:12:12,400

on UFOs completely to that point Mack it

276

00:12:18,360 --> 00:12:15,880

seems to me having gone to a few UFO

277

00:12:21,300 --> 00:12:18,370

conventions and having been a member of

278

00:12:24,450 --> 00:12:21,310

MUFON that a lot of the people who

279

00:12:27,450 --> 00:12:24,460

express interest in UFOs in terms of

280

00:12:30,600 --> 00:12:27,460

organizations at any rate our former

281

00:12:33,180 --> 00:12:30,610

military men and Air Force people and I

282

00:12:37,050 --> 00:12:33,190

don't suppose that they all could be

283

00:12:40,730 --> 00:12:37,060

disinformation agents no yeah that would

284

00:12:42,660 --> 00:12:40,740

be almost impossible with it I mean yes

285

00:12:46,460 --> 00:12:42,670

that's another thing too is that people

286

00:12:50,040 --> 00:12:46,470

are saying that and this goes kind of to

287

00:12:52,620 --> 00:12:50,050

the other side is that you know we think

288

00:12:55,230 --> 00:12:52,630

of you know you're typically a person

289

00:12:58,110 --> 00:12:55,240

who has UFO sighting as someone it's

290

00:12:59,940 --> 00:12:58,120

usually in a rural to rural area they're

291

00:13:02,370 --> 00:12:59,950

usually alone or only not a couple

292

00:13:04,590 --> 00:13:02,380

people with them there's you just you

293

00:13:04,950 --> 00:13:04,600

know no one else around for miles and

294

00:13:07,440 --> 00:13:04,960

miles

295

00:13:09,660 --> 00:13:07,450

this seems to be the place where you

296

00:13:11,970 --> 00:13:09,670

oppose choose to show themselves to us

297

00:13:14,700 --> 00:13:11,980

but but maybe some people forget is that

298

00:13:16,710 --> 00:13:14,710

airline pilots and military pilots see

299

00:13:19,760 --> 00:13:16,720

them all the time they see them all the

300

00:13:22,470 --> 00:13:19,770

time and now they see UFOs all the time

301  
00:13:24,660 --> 00:13:22,480  
but a lot of them are explained but you

302  
00:13:25,320 --> 00:13:24,670  
see these people because they see them

303  
00:13:27,600 --> 00:13:25,330  
they

304  
00:13:30,120 --> 00:13:27,610  
she's so much in the sky day in and day

305  
00:13:31,680 --> 00:13:30,130  
out they know that's Venus they know

306  
00:13:33,300 --> 00:13:31,690  
that's the moon they know that's a

307  
00:13:34,949 --> 00:13:33,310  
mountaintop with snow on it

308  
00:13:38,190 --> 00:13:34,959  
they know that's a reflection awesome

309  
00:13:40,560 --> 00:13:38,200  
you know oil fields in the desert and

310  
00:13:42,269 --> 00:13:40,570  
then they know when this thing looks

311  
00:13:45,750 --> 00:13:42,279  
like nothing else there's no machine so

312  
00:13:47,490 --> 00:13:45,760  
a military pilots and our airline pilots

313  
00:13:49,500 --> 00:13:47,500

see these things all the time that is

314

00:13:51,990 --> 00:13:49,510

there's no doubt about it the problem is

315

00:13:54,540 --> 00:13:52,000

is that in the military if you start

316

00:13:56,100 --> 00:13:54,550

time with UFOs you're probably not going

317

00:13:57,930 --> 00:13:56,110

to have very much flight time given to

318

00:14:00,540 --> 00:13:57,940

you afterwards and it's going to affect

319

00:14:03,060 --> 00:14:00,550

your advancement up there up the ranks

320

00:14:05,009 --> 00:14:03,070

it's just proven if you talk about UFOs

321

00:14:06,960 --> 00:14:05,019

you're not going to get promoted as

322

00:14:08,280 --> 00:14:06,970

quickly as if you didn't talk about it

323

00:14:10,290 --> 00:14:08,290

and in the in lines it's the same thing

324

00:14:12,060 --> 00:14:10,300

- they don't want pilots up there saying

325

00:14:14,310 --> 00:14:12,070

they seen UFOs because it seems unsafe

326

00:14:16,949 --> 00:14:14,320

that they'd be flying up in line for the

327

00:14:19,319 --> 00:14:16,959

passages that's true we're talking to

328

00:14:23,670 --> 00:14:19,329

mr. Mack Maloney he is the author of

329

00:14:26,040 --> 00:14:23,680

UFOs in wartime and beyond area 51 and

330

00:14:28,230 --> 00:14:26,050

and yeah I have to agree with you it's

331

00:14:30,569 --> 00:14:28,240

still giggle factor is enough it's a

332

00:14:32,910 --> 00:14:30,579

career killer if you were in science and

333

00:14:36,180 --> 00:14:32,920

you said you know I'm a physicist these

334

00:14:38,790 --> 00:14:36,190

objects exist they're showing flight

335

00:14:41,699 --> 00:14:38,800

criteria that do not exist today let's

336

00:14:43,920 --> 00:14:41,709

find out how to do it you have good luck

337

00:14:46,350 --> 00:14:43,930

getting a grant on that one and write it

338

00:14:49,949 --> 00:14:46,360

it would be so feasible I mean obviously

339

00:14:52,110 --> 00:14:49,959

they exist they are objects I mean there

340

00:14:54,060 --> 00:14:52,120

is a lot of you know speculation about

341

00:14:56,699 --> 00:14:54,070

them being interdimensional and

342

00:14:59,400 --> 00:14:56,709

spiritual and all that but some of them

343

00:15:02,040 --> 00:14:59,410

at least are absolutely objects I mean

344

00:15:05,910 --> 00:15:02,050

certainly the Phoenix lights that thing

345

00:15:10,680 --> 00:15:05,920

that flew over Sky Harbor was an object

346

00:15:12,930 --> 00:15:10,690

and it should be investigated or

347

00:15:15,480 --> 00:15:12,940

researched what what do you think of the

348

00:15:19,740 --> 00:15:15,490

some of the recent you know more or less

349

00:15:24,000 --> 00:15:19,750

21st century a well-known UFO sightings

350

00:15:25,439 --> 00:15:24,010

such as a Chicago O'Hare or Phoenix

351

00:15:28,259 --> 00:15:25,449

lights which was the end of I guess the

352

00:15:31,650 --> 00:15:28,269

20th century huh and Stephenville those

353

00:15:33,930 --> 00:15:31,660

those more prominent US cases what how

354

00:15:36,210 --> 00:15:33,940

do you come down on those men well

355

00:15:37,600 --> 00:15:36,220

something obviously happened at in both

356

00:15:40,990 --> 00:15:37,610

places something obviously

357

00:15:43,810 --> 00:15:41,000

happened in here yep Lloyd in Chicago

358

00:15:45,400 --> 00:15:43,820

because once again it was just an

359

00:15:48,130 --> 00:15:45,410

unusual case because it happened during

360

00:15:50,259 --> 00:15:48,140

the day for one thing yeah and plus you

361

00:15:53,620 --> 00:15:50,269

had a lot of people who worked at the

362

00:15:54,790 --> 00:15:53,630

airport sorry you know so once again you

363

00:15:56,199 --> 00:15:54,800

have people who are familiar with

364

00:15:57,730 --> 00:15:56,209

airplane certainly where the airplanes

365

00:15:59,680 --> 00:15:57,740

look like sound like what they look like

366

00:16:02,470 --> 00:15:59,690

20 miles up 10 miles out when they're

367

00:16:04,030 --> 00:16:02,480

landing in fog at night you know they

368

00:16:05,590 --> 00:16:04,040

know what these things look like and

369

00:16:06,639 --> 00:16:05,600

when they see something that doesn't

370

00:16:08,019 --> 00:16:06,649

look like something they've ever seen

371

00:16:09,850 --> 00:16:08,029

before then that is really you know

372

00:16:11,650 --> 00:16:09,860

that's that that's really quite an

373

00:16:14,620 --> 00:16:11,660

amazing sighting and that's what

374

00:16:17,230 --> 00:16:14,630

happened in Chicago obviously and and

375

00:16:19,690 --> 00:16:17,240

then in Phoenix same thing it's very

376

00:16:22,690 --> 00:16:19,700

interesting in Phoenix that you mean you

377

00:16:24,100 --> 00:16:22,700

will see film of lights kind of

378

00:16:26,530 --> 00:16:24,110

disappearing behind the mountain some

379

00:16:28,269 --> 00:16:26,540

gentleman had his video camera and they

380

00:16:30,449 --> 00:16:28,279

kind of you see the lights kind of

381

00:16:33,190 --> 00:16:30,459

blinking out and and there has been a

382

00:16:34,540 --> 00:16:33,200

explanation for that because they had

383

00:16:36,250 --> 00:16:34,550

you hand the video and you see that

384

00:16:38,980 --> 00:16:36,260

they're actually airplanes dropping

385

00:16:40,480 --> 00:16:38,990

flares and and what they're blinking out

386

00:16:41,769 --> 00:16:40,490

is that they're going down behind this

387

00:16:42,990 --> 00:16:41,779

mountain okay that's fine a lot of

388

00:16:45,340 --> 00:16:43,000

people see that they say well that's

389

00:16:46,689 --> 00:16:45,350

that was the reason for the that's the

390

00:16:48,490 --> 00:16:46,699

explanation for the Phoenix place but

391

00:16:50,829 --> 00:16:48,500

what they don't realize is that this

392

00:16:53,620 --> 00:16:50,839

enormous triangle-shaped object look

393

00:16:57,550 --> 00:16:53,630

over the heads of dozens if not hundreds

394

00:16:59,680 --> 00:16:57,560

of people during a 100-mile flight going

395

00:17:01,540 --> 00:16:59,690

you know in the Phoenix area people saw

396

00:17:03,009 --> 00:17:01,550

they weren't seeing lights they were

397

00:17:05,829 --> 00:17:03,019

seeing something the size of an aircraft

398

00:17:07,270 --> 00:17:05,839

carrier fly over them that's an object

399

00:17:09,579 --> 00:17:07,280

it was picked up on radar

400

00:17:11,530 --> 00:17:09,589

hundreds of people sirens the military

401  
00:17:14,169 --> 00:17:11,540  
is aware of it I mean that's one of the

402  
00:17:16,120 --> 00:17:14,179  
best sightings ever as well and because

403  
00:17:17,289 --> 00:17:16,130  
a lot of people have looked into it and

404  
00:17:18,610 --> 00:17:17,299  
there's a lot of literature about it

405  
00:17:21,130 --> 00:17:18,620  
that I think that proves that it's one

406  
00:17:23,319 --> 00:17:21,140  
the best sightings and you know this is

407  
00:17:25,120 --> 00:17:23,329  
the point that I always get stuck on two

408  
00:17:27,309 --> 00:17:25,130  
air traffic controllers are

409  
00:17:30,039 --> 00:17:27,319  
extraordinarily responsible people they

410  
00:17:32,710 --> 00:17:30,049  
have to be and there is some

411  
00:17:35,080 --> 00:17:32,720  
governmental force that quiets these

412  
00:17:38,110 --> 00:17:35,090  
people down that forces them to lie and

413  
00:17:40,240 --> 00:17:38,120

I don't think it's the the government

414

00:17:42,760 --> 00:17:40,250

that we come to know because I think

415

00:17:46,030 --> 00:17:42,770

there's too much of a risk of their

416

00:17:47,980 --> 00:17:46,040

being found out as far as sort of

417

00:17:51,010 --> 00:17:47,990

rushing up air traffic controllers I

418

00:17:53,320 --> 00:17:51,020

think this is a totally extra

419

00:17:55,510 --> 00:17:53,330

governmental force that will come in

420

00:17:57,670 --> 00:17:55,520

because they pop up within hours I mean

421

00:17:59,410 --> 00:17:57,680

we're not talking all week later you

422

00:18:02,110 --> 00:17:59,420

know I mean our government moves its

423

00:18:04,540 --> 00:18:02,120

snail pace and these people whoever they

424

00:18:06,340 --> 00:18:04,550

are they're like whoa I heard about this

425

00:18:07,960 --> 00:18:06,350

sighting two minutes later they're

426

00:18:10,570 --> 00:18:07,970

they're up in the tower with the air

427

00:18:13,380 --> 00:18:10,580

traffic controllers so there is some

428

00:18:16,690 --> 00:18:13,390

really highly regimented force out there

429

00:18:18,910 --> 00:18:16,700

beside the giggle factor to keep these

430

00:18:23,040 --> 00:18:18,920

things quiet and I always wonder why I

431

00:18:25,900 --> 00:18:23,050

mean what is it that they're hiding yeah

432

00:18:27,880 --> 00:18:25,910

yeah that's the question is but you know

433

00:18:31,780 --> 00:18:27,890

it's funny because I cannot look at that

434

00:18:33,790 --> 00:18:31,790

question from a different angle when we

435

00:18:35,770 --> 00:18:33,800

say what are they hiding I think what it

436

00:18:40,000 --> 00:18:35,780

is is I think they are trying to find

437

00:18:42,670 --> 00:18:40,010

out stuff I have the impression that the

438

00:18:44,770 --> 00:18:42,680

US military they know more about UFOs

439

00:18:46,930 --> 00:18:44,780

than than they're letting on but I am

440

00:18:49,600 --> 00:18:46,940

not convinced at all that they know what

441

00:18:52,060 --> 00:18:49,610

UFOs I think that they are just a bigger

442

00:18:54,130 --> 00:18:52,070

mystery to people in our government as

443

00:18:56,590 --> 00:18:54,140

they ought to you to us right now

444

00:19:00,670 --> 00:18:56,600

and because once again there is really

445

00:19:02,590 --> 00:19:00,680

no concrete evidence that that we had

446

00:19:04,990 --> 00:19:02,600

flying saucers that we have technology

447

00:19:06,790 --> 00:19:05,000

you know reverse engineers from from

448

00:19:09,550 --> 00:19:06,800

flying saucers and so on and so forth

449

00:19:12,580 --> 00:19:09,560

plus you here for instance I've talked

450

00:19:14,620 --> 00:19:12,590

on a number of radio shows and talked to

451  
00:19:16,600 --> 00:19:14,630  
people who have been interviewed and a

452  
00:19:19,360 --> 00:19:16,610  
lot of times they'll be interference on

453  
00:19:22,000 --> 00:19:19,370  
the line when UFO author is talking to a

454  
00:19:23,890 --> 00:19:22,010  
radio station like right now okay it's

455  
00:19:25,480 --> 00:19:23,900  
happened to me a number of times and

456  
00:19:27,190 --> 00:19:25,490  
it's happened to a lot of people have

457  
00:19:30,010 --> 00:19:27,200  
talked to and everyone always seems to

458  
00:19:31,360 --> 00:19:30,020  
think well you know they're there they

459  
00:19:32,740 --> 00:19:31,370  
want to know you know they're there

460  
00:19:33,940 --> 00:19:32,750  
they're listening in they're

461  
00:19:35,290 --> 00:19:33,950  
eavesdropping because they're the

462  
00:19:37,060 --> 00:19:35,300  
government they want to stop us how

463  
00:19:39,100 --> 00:19:37,070

about maybe they'll listen to me because

464

00:19:42,100 --> 00:19:39,110

they are trying to get information from

465

00:19:43,600 --> 00:19:42,110

us if you know what I mean maybe they

466

00:19:45,430 --> 00:19:43,610

think we know more than they do or they

467

00:19:47,950 --> 00:19:45,440

are just trying to pick up every kernel

468

00:19:49,810 --> 00:19:47,960

of information they can and if it comes

469

00:19:50,980 --> 00:19:49,820

from someone to plan a UFO book who did

470

00:19:52,360 --> 00:19:50,990

research there maybe someone in the

471

00:19:53,890 --> 00:19:52,370

government hasn't done or hasn't heard

472

00:19:58,120 --> 00:19:53,900

about then you're going to start you

473

00:20:01,120 --> 00:19:58,130

know eavesdropping on them I just am of

474

00:20:02,710 --> 00:20:01,130

the opinion that US military does not

475

00:20:04,690 --> 00:20:02,720

know as much as we think they know about

476

00:20:06,310 --> 00:20:04,700

them and I think that they

477

00:20:07,899 --> 00:20:06,320

puts them in the HUD seat because we

478

00:20:09,999 --> 00:20:07,909

spent so much money on defense in this

479

00:20:12,039 --> 00:20:10,009

country they cannot admit they don't

480

00:20:15,190 --> 00:20:12,049

know what things are flying around up

481

00:20:18,369 --> 00:20:15,200

there making a short detour into the

482

00:20:21,669 --> 00:20:18,379

world of ufology it you know they the

483

00:20:23,799 --> 00:20:21,679

people the UFO ufology people we would

484

00:20:27,279 --> 00:20:23,809

have to say then you come down more on

485

00:20:31,359 --> 00:20:27,289

the Colonel John B Alexander side then

486

00:20:35,979 --> 00:20:31,369

the Richard Dolan side well I know both

487

00:20:37,810 --> 00:20:35,989

of them and I I'm not on any one side I

488

00:20:41,560 --> 00:20:37,820

don't mean that you're taking sides I

489

00:20:43,149 --> 00:20:41,570

just know a poem I wrote like a little

490

00:20:45,879 --> 00:20:43,159

bit out in left field from both of those

491

00:20:47,889 --> 00:20:45,889

guys I've talked to both of them and I

492

00:20:50,979 --> 00:20:47,899

know that they kind of represent two

493

00:20:53,440 --> 00:20:50,989

points of view but you know I think that

494

00:20:55,749 --> 00:20:53,450

for both of them they're they raise

495

00:20:58,690 --> 00:20:55,759

points a lot of times that you know how

496

00:21:00,700 --> 00:20:58,700

worthy of a good solid debate I don't

497

00:21:02,489 --> 00:21:00,710

believe in the secret space program that

498

00:21:05,680 --> 00:21:02,499

I know Richard is very passionate about

499

00:21:08,200 --> 00:21:05,690

it just doesn't add up if it just isn't

500

00:21:10,389 --> 00:21:08,210

enough evidence out there or if you're

501  
00:21:13,769 --> 00:21:10,399  
really kind of look into it you would

502  
00:21:15,840 --> 00:21:13,779  
have to have this massive secret

503  
00:21:18,749 --> 00:21:15,850  
spaceport that the United States

504  
00:21:21,310 --> 00:21:18,759  
military has had for dozens of years

505  
00:21:22,899 --> 00:21:21,320  
with logistics that would involve tens

506  
00:21:25,269 --> 00:21:22,909  
of thousands of people and none of these

507  
00:21:27,340 --> 00:21:25,279  
people have ever talked Nevin has ever

508  
00:21:30,220 --> 00:21:27,350  
gone to the Enquirer on 60 minutes

509  
00:21:33,009 --> 00:21:30,230  
these days we can't even trust sift a

510  
00:21:34,989 --> 00:21:33,019  
SEAL team members from keeping quiet mr.

511  
00:21:37,239 --> 00:21:34,999  
wrote a book about shooting bin Laden

512  
00:21:38,619 --> 00:21:37,249  
what makes anyone think that the

513  
00:21:40,389 --> 00:21:38,629

thousands and thousands of people that

514

00:21:42,399 --> 00:21:40,399

would have to work for secret space

515

00:21:43,629 --> 00:21:42,409

program is exist how do you keep all

516

00:21:46,509 --> 00:21:43,639

those people quiet it would be

517

00:21:49,869 --> 00:21:46,519

impossible where do you come down on the

518

00:21:52,269 --> 00:21:49,879

deathbed type confessions of some of

519

00:21:55,180 --> 00:21:52,279

these former military people some of

520

00:21:58,869 --> 00:21:55,190

which were who were at Roswell other of

521

00:22:02,619 --> 00:21:58,879

whom are just random military guys want

522

00:22:05,560 --> 00:22:02,629

deathbed type confessions right well you

523

00:22:07,119 --> 00:22:05,570

know once again it's and there's a

524

00:22:08,950 --> 00:22:07,129

little bit of an emotional fact that

525

00:22:11,169 --> 00:22:08,960

when a story comes out that is a

526

00:22:13,839 --> 00:22:11,179

deathbed confession but you know just to

527

00:22:17,289 --> 00:22:13,849

look at it you know with a blank slate

528

00:22:18,350 --> 00:22:17,299

let's say you know did the person really

529

00:22:19,789 --> 00:22:18,360

say what he said

530

00:22:21,080 --> 00:22:19,799

I mean I hate to say it but when

531

00:22:22,789 --> 00:22:21,090

someone's dying you don't have a video

532

00:22:24,830 --> 00:22:22,799

camera running but you know there's no

533

00:22:27,560 --> 00:22:24,840

evidence like that you know it's always

534

00:22:29,659 --> 00:22:27,570

hearsay it's always hearsay definite

535

00:22:31,009 --> 00:22:29,669

confessions because we don't have very

536

00:22:33,409 --> 00:22:31,019

really other it is there electronic

537

00:22:34,820 --> 00:22:33,419

equipment there to record it so yeah you

538

00:22:36,799 --> 00:22:34,830

have to kind of think that just like as

539

00:22:38,539 --> 00:22:36,809

any other claim and it has to hold up

540

00:22:41,299 --> 00:22:38,549

the scrutiny if it isn't if it doesn't

541

00:22:43,279 --> 00:22:41,309

then you know you have to dispel it well

542

00:22:45,230 --> 00:22:43,289

coming into secrecy we're going to get

543

00:22:49,940 --> 00:22:45,240

right into your book mr. Mack Maloney

544

00:22:52,129 --> 00:22:49,950

Beyond area 51 where you talk about all

545

00:22:55,759 --> 00:22:52,139

these secret military bases that have

546

00:22:57,549 --> 00:22:55,769

gone on from again biblical times he

547

00:23:01,490 --> 00:22:57,559

talked about Megiddo which is

548

00:23:03,620 --> 00:23:01,500

fascinating and and so on but now

549

00:23:06,139 --> 00:23:03,630

Stanton Friedman always said that - he

550

00:23:08,210 --> 00:23:06,149

said look how many tens of thousands of

551  
00:23:11,299 --> 00:23:08,220  
people worked on the atomic bomb and

552  
00:23:14,060 --> 00:23:11,309  
that was kept secret but again as he

553  
00:23:16,009 --> 00:23:14,070  
mentioned as well that was a different

554  
00:23:18,409 --> 00:23:16,019  
time in history and people were much

555  
00:23:20,389 --> 00:23:18,419  
more patriotic that's a weapon kept

556  
00:23:22,430 --> 00:23:20,399  
secret there was four or five Soviet

557  
00:23:23,840 --> 00:23:22,440  
agents now that weren't leaking back

558  
00:23:25,279 --> 00:23:23,850  
information to restaurant all the time

559  
00:23:28,159 --> 00:23:25,289  
so I was actually a poorly kept secret

560  
00:23:29,180 --> 00:23:28,169  
yeah but it never made it out to the

561  
00:23:31,279 --> 00:23:29,190  
general public

562  
00:23:33,139 --> 00:23:31,289  
oh that's true of the Rosenbergs later

563  
00:23:35,389 --> 00:23:33,149

but it was a different time there's no

564

00:23:37,490 --> 00:23:35,399

National Enquirer there was no 24-hour

565

00:23:39,350 --> 00:23:37,500

news cycle and so on correct

566

00:23:41,750 --> 00:23:39,360

yeah it was a whole different time in

567

00:23:44,389 --> 00:23:41,760

history no you know talking about

568

00:23:46,009 --> 00:23:44,399

interference mr. Mack baloney how about

569

00:23:49,100 --> 00:23:46,019

that we're just sitting here the three

570

00:23:50,960 --> 00:23:49,110

of us everything's been going on is the

571

00:23:53,450 --> 00:23:50,970

way it has been going on and then boom

572

00:23:56,450 --> 00:23:53,460

it goes dead nobody no one touched

573

00:23:59,389 --> 00:23:56,460

anything we're all listening Wow well it

574

00:24:01,340 --> 00:23:59,399

happened you know it has happened many

575

00:24:03,830 --> 00:24:01,350

times it is it is you know we talk about

576

00:24:05,539 --> 00:24:03,840

fear you sure was the first one I was

577

00:24:08,240 --> 00:24:05,549

ever interviewed on it's probably three

578

00:24:09,250 --> 00:24:08,250

years ago now ah yeah yeah and I've been

579

00:24:11,600 --> 00:24:09,260

interviewed

580

00:24:15,080 --> 00:24:11,610

dozens of times and and I had to say

581

00:24:17,750 --> 00:24:15,090

that that has happened you know a good

582

00:24:20,149 --> 00:24:17,760

15 16 times to me over the past two

583

00:24:21,590 --> 00:24:20,159

years where you're just talking along

584

00:24:23,899 --> 00:24:21,600

and something happens the equipment

585

00:24:27,549 --> 00:24:23,909

doesn't happen when the radio stations

586

00:24:30,409 --> 00:24:27,559

talking to a florist or a sports person

587

00:24:30,770 --> 00:24:30,419

something about them doesn't happen you

588

00:24:32,780 --> 00:24:30,780

know

589

00:24:34,370 --> 00:24:32,790

stuff I don't believe happens but I will

590

00:24:36,590 --> 00:24:34,380

admit that that has happened to me a

591

00:24:38,300 --> 00:24:36,600

number of times so many times it has to

592

00:24:40,160 --> 00:24:38,310

be more than a coincidence okay well

593

00:24:41,840 --> 00:24:40,170

here's a real scary experiment and I'm

594

00:24:45,200 --> 00:24:41,850

going to put it out and this is just

595

00:24:47,900 --> 00:24:45,210

involving myself Kate Valentine but if

596

00:24:51,470 --> 00:24:47,910

you're listening I just want you to know

597

00:24:53,600 --> 00:24:51,480

I know what they are and I'm going to

598

00:24:58,100 --> 00:24:53,610

publish now let's see what they do about

599

00:25:01,400 --> 00:24:58,110

that one the most egregious example that

600

00:25:04,700 --> 00:25:01,410

I have ever encountered yeah is when

601  
00:25:06,710 --> 00:25:04,710  
anyone tries to interview Richard Sauter

602  
00:25:09,410 --> 00:25:06,720  
or sorter I don't know how he pronounces

603  
00:25:12,560 --> 00:25:09,420  
his name you don't even get him anymore

604  
00:25:14,840 --> 00:25:12,570  
no he is appeared just and he's tried to

605  
00:25:19,220 --> 00:25:14,850  
come on a few programs and the

606  
00:25:21,640 --> 00:25:19,230  
interference the the changing of the

607  
00:25:25,400 --> 00:25:21,650  
timbre of the voice and the whole thing

608  
00:25:27,740 --> 00:25:25,410  
you know wah wah wah out is unbelievable

609  
00:25:31,640 --> 00:25:27,750  
unbelievable he can never be gotten to

610  
00:25:33,620 --> 00:25:31,650  
for it very long right and then another

611  
00:25:35,330 --> 00:25:33,630  
thing that happened to fruition and a

612  
00:25:37,850 --> 00:25:35,340  
good friend of ours who unfortunately is

613  
00:25:41,900 --> 00:25:37,860

passed on but we were doing a whole show

614

00:25:44,390 --> 00:25:41,910

with the engineer Dave who is phenomenal

615

00:25:46,280 --> 00:25:44,400

bill was there and it was being recorded

616

00:25:49,340 --> 00:25:46,290

I think on three different things right

617

00:25:50,960 --> 00:25:49,350

though and at the end of the show you

618

00:25:52,880 --> 00:25:50,970

know I was going to give them both a

619

00:25:55,430 --> 00:25:52,890

copy of the recording and had completely

620

00:25:56,960 --> 00:25:55,440

disappeared and we were not talking

621

00:26:03,350 --> 00:25:56,970

about anything in particular

622

00:26:09,530 --> 00:26:03,360

but nothing and not like the secret I

623

00:26:11,480 --> 00:26:09,540

have I will indeed I know and when a

624

00:26:13,700 --> 00:26:11,490

bright blue light comes in the bedroom

625

00:26:16,930 --> 00:26:13,710

window tonight you're gonna see just how

626

00:26:22,420 --> 00:26:19,430

I'll just leave the dog behind

627

00:26:29,150 --> 00:26:22,430

I understand they don't like dogs but

628

00:26:35,060 --> 00:26:29,160

her name is Kate so anyway Mac sorry for

629

00:26:37,520 --> 00:26:35,070

that little diversion so you know you

630

00:26:42,200 --> 00:26:37,530

have chronic old and other people have

631

00:26:44,240 --> 00:26:42,210

chronicled how certain air bases have

632

00:26:48,110 --> 00:26:44,250

been shut down the this

633

00:26:50,660 --> 00:26:48,120

silos with the nuclear missiles in you

634

00:26:52,610 --> 00:26:50,670

know minute and a couple of the other

635

00:26:55,010 --> 00:26:52,620

maelstrom and minute i believe in there

636

00:26:58,960 --> 00:26:55,020

are probably others where the silos have

637

00:27:04,250 --> 00:26:58,970

been shut down by a UFO overhead and

638

00:27:06,410 --> 00:27:04,260

certainly i really do believe that that

639

00:27:09,620 --> 00:27:06,420

these things occurred and that no one

640

00:27:13,640 --> 00:27:09,630

knows who it was that did it and if we

641

00:27:17,360 --> 00:27:13,650

follow that through what happened then

642

00:27:24,260 --> 00:27:17,370

with the japanese problem that we have

643

00:27:27,320 --> 00:27:24,270

now the fukushima after the the reactor

644

00:27:30,800 --> 00:27:27,330

the reactor they are the three to five

645

00:27:33,350 --> 00:27:30,810

reactors there that have burned you know

646

00:27:36,140 --> 00:27:33,360

burned off and have created an

647

00:27:39,140 --> 00:27:36,150

incredible environmental mess here with

648

00:27:40,910 --> 00:27:39,150

the UFOs then yeah well they're not

649

00:27:42,620 --> 00:27:40,920

looking out for us I think that's it

650

00:27:45,560 --> 00:27:42,630

they're just here to see you know how

651  
00:27:47,330 --> 00:27:45,570  
badly we can mess things up I think

652  
00:27:49,760 --> 00:27:47,340  
they're having I think they have like a

653  
00:27:53,750 --> 00:27:49,770  
sort of a twisted sense of humor you

654  
00:27:56,210 --> 00:27:53,760  
know maybe they're like well you know I

655  
00:27:57,680 --> 00:27:56,220  
mean it could be just that it could be

656  
00:28:00,830 --> 00:27:57,690  
just some kind of sensing here I'm going

657  
00:28:02,870 --> 00:28:00,840  
back this idea of time to room yeah you

658  
00:28:05,030 --> 00:28:02,880  
know if there was some time in twenty

659  
00:28:07,670 --> 00:28:05,040  
years hundred years from now where we

660  
00:28:08,810 --> 00:28:07,680  
could go back in the future and see some

661  
00:28:10,670 --> 00:28:08,820  
kind of something that we've always

662  
00:28:13,370 --> 00:28:10,680  
wanted to see I mean who wouldn't do

663  
00:28:15,530 --> 00:28:13,380

that oh you know some people would they

664

00:28:17,750 --> 00:28:15,540

would want to go see World War two

665

00:28:19,430 --> 00:28:17,760

rethought you know for instance a lot of

666

00:28:20,780 --> 00:28:19,440

UFOs there you know someone said to me I

667

00:28:23,210 --> 00:28:20,790

would love to go see your shakespeare

668

00:28:24,680 --> 00:28:23,220

play real Shakespeare play I would like

669

00:28:26,480 --> 00:28:24,690

to go see the Battle of Troy I would

670

00:28:28,160 --> 00:28:26,490

like to go see you know all these

671

00:28:30,170 --> 00:28:28,170

different kind of historical events and

672

00:28:32,060 --> 00:28:30,180

and when you kind of you know kind of

673

00:28:33,800 --> 00:28:32,070

backfill that idea you say well let's

674

00:28:35,570 --> 00:28:33,810

see you know there's always been UFOs

675

00:28:37,700 --> 00:28:35,580

showing up at the struggle event and at

676

00:28:39,950 --> 00:28:37,710

other events you know maybe I don't know

677

00:28:42,140 --> 00:28:39,960

the whole time traveling thing kind of

678

00:28:43,430 --> 00:28:42,150

just fills in a lot of holes for me and

679

00:28:45,770 --> 00:28:43,440

maybe you know people want to go back

680

00:28:47,780 --> 00:28:45,780

and look at you know what happened at

681

00:28:49,520 --> 00:28:47,790

Fukushima you know what happened with

682

00:28:51,050 --> 00:28:49,530

the earthquake with the tidal wave and

683

00:28:52,760 --> 00:28:51,060

you know the disaster that they have now

684

00:28:56,300 --> 00:28:52,770

it's a big a disaster it's currently

685

00:28:57,240 --> 00:28:56,310

than Chernobyl and you know they once

686

00:29:00,030 --> 00:28:57,250

again getting back

687

00:29:01,830 --> 00:29:00,040

back to the the bottom line of UFOs date

688

00:29:04,550 --> 00:29:01,840

they look like they're observing they

689

00:29:08,400 --> 00:29:04,560

look like they're looking in on us yes

690

00:29:10,080 --> 00:29:08,410

and that no time travel just it feels a

691

00:29:12,750 --> 00:29:10,090

lot of holes for me for some reason well

692

00:29:14,910 --> 00:29:12,760

you know one thing that you've brought

693

00:29:16,650 --> 00:29:14,920

up I think that a lot of people who are

694

00:29:21,180 --> 00:29:16,660

interested in you or follow you follow

695

00:29:23,730 --> 00:29:21,190

gee are aware of of the the things going

696

00:29:25,950 --> 00:29:23,740

on with World War two not to the extent

697

00:29:28,530 --> 00:29:25,960

that you chronicled them but but are

698

00:29:30,450 --> 00:29:28,540

very much less familiar with the ghost

699

00:29:32,520 --> 00:29:30,460

rockets of World War one which you

700

00:29:34,650 --> 00:29:32,530

Chronicle so maybe you'd like to tell us

701  
00:29:36,660 --> 00:29:34,660  
a little bit about that because you know

702  
00:29:39,810 --> 00:29:36,670  
previous to looking at-at your

703  
00:29:44,180 --> 00:29:39,820  
literature here I was somewhat unaware

704  
00:29:47,850 --> 00:29:44,190  
of that phenomena well there was some

705  
00:29:51,690 --> 00:29:47,860  
there was the ghost fliers of 1932 and

706  
00:29:57,330 --> 00:29:51,700  
then the ghost rockets of 1946 and then

707  
00:29:59,820 --> 00:29:57,340  
in 1908 the huge huge blimp like objects

708  
00:30:01,860 --> 00:29:59,830  
airships were they called obscure ships

709  
00:30:04,290 --> 00:30:01,870  
were spotted over England now the

710  
00:30:06,330 --> 00:30:04,300  
interesting thing was that as far as

711  
00:30:08,520 --> 00:30:06,340  
descriptions are concerned there were no

712  
00:30:09,990 --> 00:30:08,530  
huge Zeppelin's in 1908 they'd been

713  
00:30:13,100 --> 00:30:10,000

making from Germany to England yet

714

00:30:16,380 --> 00:30:13,110

people saw these things in ghost fliers

715

00:30:19,500 --> 00:30:16,390

of 1932 people up in the very northern

716

00:30:21,780 --> 00:30:19,510

part of Sweden saw these very strange

717

00:30:23,130 --> 00:30:21,790

airplanes that no one has ever been able

718

00:30:25,590 --> 00:30:23,140

to figure out what they were they had

719

00:30:27,390 --> 00:30:25,600

eight engines they were flying over snow

720

00:30:29,190 --> 00:30:27,400

and tundra yet they had pontoons that

721

00:30:30,630 --> 00:30:29,200

you would need to land on water there

722

00:30:31,140 --> 00:30:30,640

wasn't any water around for hundreds of

723

00:30:34,620 --> 00:30:31,150

miles

724

00:30:36,540 --> 00:30:34,630

and then in 1946 over Sweden once again

725

00:30:40,230 --> 00:30:36,550

each ghost rocket that appeared at first

726

00:30:44,130 --> 00:30:40,240

to be like maybe v1 buzz bombs from

727

00:30:47,910 --> 00:30:44,140

world war ii german you know surplus but

728

00:30:49,620 --> 00:30:47,920

then a pilot swedish pilot actually rode

729

00:30:52,590 --> 00:30:49,630

alongside one of these things in the way

730

00:30:55,020 --> 00:30:52,600

his description reads is the exact

731

00:30:58,440 --> 00:30:55,030

description of a cruise missile from

732

00:31:00,150 --> 00:30:58,450

1985 or so so you take these three

733

00:31:01,740 --> 00:31:00,160

incidents it's almost like an offshoot

734

00:31:03,690 --> 00:31:01,750

of your clothes because they weren't the

735

00:31:05,930 --> 00:31:03,700

classic UFO saucer shaped dress the guy

736

00:31:08,310 --> 00:31:05,940

shaped objects it's just these strange

737

00:31:10,970 --> 00:31:08,320

pieces of technology that look like

738

00:31:14,490 --> 00:31:10,980

they're a little bit out of time

739

00:31:16,740 --> 00:31:14,500

19:08 has again you couldn't fly a

740

00:31:18,480 --> 00:31:16,750

Zeppelin from Germany to England they

741

00:31:22,049 --> 00:31:18,490

weren't advanced another four or five

742

00:31:23,669 --> 00:31:22,059

years later you could in 1932 there was

743

00:31:26,490 --> 00:31:23,679

no such thing as that eight engined

744

00:31:30,450 --> 00:31:26,500

plane for five years later the Russians

745

00:31:32,700 --> 00:31:30,460

built one you know in 1946 people are

746

00:31:35,000 --> 00:31:32,710

seeing what a montia cruise missiles that

747

00:31:37,560 --> 00:31:35,010

weren't invented for another forty years

748

00:31:39,360 --> 00:31:37,570

something about those three incidents

749

00:31:41,279 --> 00:31:39,370

almost looks like there was some kind of

750

00:31:44,399 --> 00:31:41,289

technology that was caught out of time

751  
00:31:45,960 --> 00:31:44,409  
or something right right and no one has

752  
00:31:47,399 --> 00:31:45,970  
ever explained no one has ever come

753  
00:31:48,870 --> 00:31:47,409  
forward on any of those patients say you

754  
00:31:50,789 --> 00:31:48,880  
know I was involved in that and so on

755  
00:31:52,500 --> 00:31:50,799  
they're complete blanking mysteries when

756  
00:31:55,529 --> 00:31:52,510  
the best industries and all of this kind

757  
00:31:57,029 --> 00:31:55,539  
of big UFO puzzle like like a sort of a

758  
00:32:00,269 --> 00:31:57,039  
time slip

759  
00:32:02,250 --> 00:32:00,279  
that's something yeah yep hmm yes very

760  
00:32:06,539 --> 00:32:02,260  
strange those three incidents well they

761  
00:32:09,419 --> 00:32:06,549  
had that in Texas too didn't they Texas

762  
00:32:12,029 --> 00:32:09,429  
in the Midwest I believe in the late

763  
00:32:14,940 --> 00:32:12,039

1890s and there were lots of people who

764

00:32:17,549 --> 00:32:14,950

purportedly saw them and the odd thing

765

00:32:20,130 --> 00:32:17,559

about that is if I recall correctly is

766

00:32:22,680 --> 00:32:20,140

that that the people within the ship

767

00:32:25,110 --> 00:32:22,690

would throw down an anchor and this also

768

00:32:28,680 --> 00:32:25,120

happened in the Middle Ages in England

769

00:32:30,960 --> 00:32:28,690

where an airship would be seen and the

770

00:32:33,299 --> 00:32:30,970

the occupants would throw down almost

771

00:32:36,029 --> 00:32:33,309

like a nautical anchor which was sort of

772

00:32:39,060 --> 00:32:36,039

really bizarre but it was reported more

773

00:32:40,889 --> 00:32:39,070

than once is that not the case yeah it's

774

00:32:43,080 --> 00:32:40,899

but that you know we all have our pet

775

00:32:45,389 --> 00:32:43,090

theories and mine is that I I do think

776

00:32:48,630 --> 00:32:45,399

there's another intelligent species on

777

00:32:51,419 --> 00:32:48,640

this planet that is not as numerous as

778

00:32:55,260 --> 00:32:51,429

we are and given our proclivities they

779

00:32:57,299 --> 00:32:55,270

realize if they exceed probably try to

780

00:32:59,880 --> 00:32:57,309

exterminate them almost immediately go

781

00:33:01,830 --> 00:32:59,890

the way the passenger pray there there

782

00:33:11,190 --> 00:33:01,840

you go or the Neanderthals for that

783

00:33:13,220 --> 00:33:11,200

matter you know so I really think there

784

00:33:16,590 --> 00:33:13,230

is something else here just another

785

00:33:19,680 --> 00:33:16,600

civilization somewhere that tends to be

786

00:33:22,770 --> 00:33:19,690

just not as populous as ours but is

787

00:33:24,470 --> 00:33:22,780

pretty scientifically oriented and

788

00:33:27,930 --> 00:33:24,480

pretty technologic

789

00:33:29,970 --> 00:33:27,940

do you think I like that theory do you

790

00:33:31,620 --> 00:33:29,980

think that they all know about each

791

00:33:34,139 --> 00:33:31,630

other or are they people who are just

792

00:33:36,210 --> 00:33:34,149

individuals or whatnot I don't know I

793

00:33:39,149 --> 00:33:36,220

seem to be you mean like highly

794

00:33:42,029 --> 00:33:39,159

individual individuals I stupid but you

795

00:33:44,009 --> 00:33:42,039

know I don't know no I was thinking of

796

00:33:46,880 --> 00:33:44,019

like a small civilization a small

797

00:33:49,350 --> 00:33:46,890

city-state almost ancient Greece but

798

00:33:53,669 --> 00:33:49,360

that would be interesting to just a

799

00:33:56,899 --> 00:33:53,679

pocket here in a pocket there I would

800

00:34:00,090 --> 00:33:56,909

fall more on the side of something being

801  
00:34:02,039 --> 00:34:00,100  
in a different vibrational pattern than

802  
00:34:04,950 --> 00:34:02,049  
we are so they could be right here

803  
00:34:07,289 --> 00:34:04,960  
amongst us but like vibrating at a

804  
00:34:09,510 --> 00:34:07,299  
faster level to the extent that we

805  
00:34:11,970 --> 00:34:09,520  
couldn't see them just as we generally

806  
00:34:15,419 --> 00:34:11,980  
don't see you know infrared and

807  
00:34:17,700 --> 00:34:15,429  
ultraviolet but maybe our cat scan right

808  
00:34:21,180 --> 00:34:17,710  
right I mean there's an incident that we

809  
00:34:23,070 --> 00:34:21,190  
just spoke to Paulina who is a UFO

810  
00:34:24,990 --> 00:34:23,080  
investigator and also has his own radio

811  
00:34:26,550 --> 00:34:25,000  
show he was telling me about this

812  
00:34:29,430 --> 00:34:26,560  
incident in the middle of Connecticut a

813  
00:34:31,710 --> 00:34:29,440

few years ago and it had it was like the

814

00:34:33,450 --> 00:34:31,720

perfect storm of the paranormal it

815

00:34:34,800 --> 00:34:33,460

started off with a haunted house a house

816

00:34:37,530 --> 00:34:34,810

that had been haunted for many many

817

00:34:39,270 --> 00:34:37,540

years people have been describing really

818

00:34:41,730 --> 00:34:39,280

and seeing really very strange bizarre

819

00:34:43,560 --> 00:34:41,740

ghost-like activity in this particular

820

00:34:45,810 --> 00:34:43,570

house and then all of a sudden people

821

00:34:48,750 --> 00:34:45,820

started seeing UFOs around this house

822

00:34:50,970 --> 00:34:48,760

right when they started to kind of redo

823

00:34:52,919 --> 00:34:50,980

it and kind of spruce the place up close

824

00:34:56,339 --> 00:34:52,929

that showing up around this place and

825

00:34:58,500 --> 00:34:56,349

then a little bit later people started

826

00:35:00,660 --> 00:34:58,510

seeing military people in the area and

827

00:35:03,630 --> 00:35:00,670

people were hiking and so on and they'd

828

00:35:05,130 --> 00:35:03,640

run into a couple army MPs who would

829

00:35:07,440 --> 00:35:05,140

tell them you can't go this way you got

830

00:35:08,940 --> 00:35:07,450

to turn around go back something was

831

00:35:13,829 --> 00:35:08,950

going on in the middle of Connecticut

832

00:35:16,050 --> 00:35:13,839

that has this this element of you know

833

00:35:18,020 --> 00:35:16,060

ghostly activity and also UFO activity

834

00:35:20,730 --> 00:35:18,030

and other people have talked to lately

835

00:35:22,260 --> 00:35:20,740

now kind of coming to grips maybe with

836

00:35:23,700 --> 00:35:22,270

the theory that all of the stuff is

837

00:35:26,599 --> 00:35:23,710

connected it's like you know the

838

00:35:29,820 --> 00:35:26,609

universal theory of universal United

839

00:35:32,339 --> 00:35:29,830

Universal field theory of the paranormal

840

00:35:33,750 --> 00:35:32,349

UFOs are connected to ghosts ghosts are

841

00:35:35,670 --> 00:35:33,760

connected to Bigfoot Bigfoot is

842

00:35:36,059 --> 00:35:35,680

connected to the Loch Ness so on and so

843

00:35:36,570 --> 00:35:36,069

forth

844

00:35:39,450 --> 00:35:36,580

Krypton

845

00:35:41,970 --> 00:35:39,460

yeah if it was all one big thing I think

846

00:35:44,190 --> 00:35:41,980

that would be unbelievably fascinating

847

00:35:45,900 --> 00:35:44,200

if it was just oh but all these things

848

00:35:47,250 --> 00:35:45,910

are just part of one big thing that we

849

00:35:49,560 --> 00:35:47,260

just don't know what it is yet

850

00:35:51,750 --> 00:35:49,570

I think that would be fascinating well

851

00:35:54,330 --> 00:35:51,760

that is especially fascinating I think

852

00:35:57,330 --> 00:35:54,340

decayed and I simply because that area

853

00:35:59,970 --> 00:35:57,340

is within striking distance of yeah of

854

00:36:01,920 --> 00:35:59,980

our location here and not only that what

855

00:36:04,890 --> 00:36:01,930

about the big cats that are seen in

856

00:36:06,600 --> 00:36:04,900

Connecticut sometimes do you think that

857

00:36:08,940 --> 00:36:06,610

could be possibly part of all of this

858

00:36:11,790 --> 00:36:08,950

sure you know you never know I mean the

859

00:36:14,910 --> 00:36:11,800

cats have been seen spotted in in

860

00:36:16,440 --> 00:36:14,920

England for hundreds of years and you

861

00:36:18,630 --> 00:36:16,450

know when people think big cats they

862

00:36:20,670 --> 00:36:18,640

think you know oh you know a tiger or a

863

00:36:22,380 --> 00:36:20,680

lion is a big cat now these are big cats

864

00:36:24,480 --> 00:36:22,390

and these are cats and the size of like

865

00:36:26,730 --> 00:36:24,490

horses and so on and they've been

866

00:36:28,920 --> 00:36:26,740

spotted throughout England for centuries

867

00:36:30,390 --> 00:36:28,930

no one can ever find them they can find

868

00:36:31,740 --> 00:36:30,400

their footprints but they never find

869

00:36:32,970 --> 00:36:31,750

these things they never find you know

870

00:36:35,160 --> 00:36:32,980

what they're eating or anything like

871

00:36:37,770 --> 00:36:35,170

that they just seem to be there and then

872

00:36:38,790 --> 00:36:37,780

they are not there anymore and I know

873

00:36:40,620 --> 00:36:38,800

that there was an incident in

874

00:36:43,950 --> 00:36:40,630

Connecticut where your people were

875

00:36:45,510 --> 00:36:43,960

driving along i-95 I think saw some huge

876

00:36:47,750 --> 00:36:45,520

and creatures standing at the side of

877

00:36:50,370 --> 00:36:47,760

the road for first few seconds big cat

878

00:36:52,410 --> 00:36:50,380

you know who knows you know but it all

879

00:36:55,500 --> 00:36:52,420

doesn't seem to be connected to this

880

00:36:57,000 --> 00:36:55,510

idea that we see things sometimes in a

881

00:36:58,860 --> 00:36:57,010

normal world that just shouldn't be

882

00:37:00,450 --> 00:36:58,870

there they don't last very long but they

883

00:37:02,610 --> 00:37:00,460

do happen people to see them more than

884

00:37:04,500 --> 00:37:02,620

one person sees them if they're UFOs

885

00:37:05,940 --> 00:37:04,510

they picked up on radar or whatever if

886

00:37:10,590 --> 00:37:05,950

they're something else they can be

887

00:37:13,170 --> 00:37:10,600

picked up on camera well you know it's

888

00:37:15,350 --> 00:37:13,180

we I had a very funny incident along

889

00:37:18,360 --> 00:37:15,360

that line my son at the time was about

890

00:37:20,220 --> 00:37:18,370

15 I just picked him up from school we

891

00:37:23,640 --> 00:37:20,230

were riding home this was out in Long

892

00:37:26,790 --> 00:37:23,650

Island in the Riverhead area and we're

893

00:37:29,460 --> 00:37:26,800

going back along a road that ran past a

894

00:37:32,670 --> 00:37:29,470

number of farms and as we passed one

895

00:37:35,610 --> 00:37:32,680

farm house out of the corner of my eye I

896

00:37:38,940 --> 00:37:35,620

saw a man who was wearing what looked

897

00:37:41,400 --> 00:37:38,950

like almost a pilgrim type clothes are

898

00:37:45,090 --> 00:37:41,410

very old clothes and right behind him

899

00:37:47,550 --> 00:37:45,100

was a Native American and not in full

900

00:37:49,920 --> 00:37:47,560

regalia but obviously not in western

901  
00:37:52,829 --> 00:37:49,930  
dress either and it came

902  
00:37:55,290 --> 00:37:52,839  
went so fast and I said I said that did

903  
00:37:57,299 --> 00:37:55,300  
you see that and he said yeah what was

904  
00:38:00,390 --> 00:37:57,309  
it at to the point where I turned around

905  
00:38:02,910 --> 00:38:00,400  
and actually drove back and there was no

906  
00:38:04,859 --> 00:38:02,920  
one there and at that time of day there

907  
00:38:07,440 --> 00:38:04,869  
really is anybody outside that

908  
00:38:09,720 --> 00:38:07,450  
particular farmhouse and we both looked

909  
00:38:11,579 --> 00:38:09,730  
at each other and you know and I think

910  
00:38:13,740 --> 00:38:11,589  
you're going to agree with me when you

911  
00:38:15,960 --> 00:38:13,750  
see something out of the ordinary it

912  
00:38:18,150 --> 00:38:15,970  
leaves an impression on your mind that

913  
00:38:21,420 --> 00:38:18,160

something sort of out of the ordinary

914

00:38:23,490 --> 00:38:21,430

but very readily explainable doesn't

915

00:38:26,040 --> 00:38:23,500

leave that same impression like you just

916

00:38:29,099 --> 00:38:26,050

instinctively know you've seen something

917

00:38:31,500 --> 00:38:29,109

that's bizarre right and I had the

918

00:38:33,960 --> 00:38:31,510

strong feeling that these two men just

919

00:38:36,900 --> 00:38:33,970

looped through time and then looped

920

00:38:39,799 --> 00:38:36,910

right back in certainly the settlers

921

00:38:42,150 --> 00:38:39,809

were there several hundred years ago and

922

00:38:44,069 --> 00:38:42,160

you know the two of us just had that

923

00:38:47,339 --> 00:38:44,079

same feeling it was just like that quick

924

00:38:49,670 --> 00:38:47,349

time flip lot of people who've

925

00:38:52,290 --> 00:38:49,680

experienced similar things you know

926  
00:38:53,819 --> 00:38:52,300  
through the years it isn't these things

927  
00:38:56,010 --> 00:38:53,829  
that we see all the time or the words

928  
00:38:57,420 --> 00:38:56,020  
that we're talking about now you know

929  
00:38:59,670 --> 00:38:57,430  
people seem to think that they're just

930  
00:39:01,500 --> 00:38:59,680  
kind of recent to our history and

931  
00:39:04,530 --> 00:39:01,510  
they're not people have seen these

932  
00:39:07,710 --> 00:39:04,540  
things over hundreds and hundreds of

933  
00:39:09,150 --> 00:39:07,720  
years there was a like in England back

934  
00:39:11,520 --> 00:39:09,160  
of three or four hundred years ago

935  
00:39:13,099 --> 00:39:11,530  
people used to see and this was always

936  
00:39:16,620 --> 00:39:13,109  
very strange they called them fetch

937  
00:39:19,559 --> 00:39:16,630  
fetches and what it was was you know you

938  
00:39:20,849 --> 00:39:19,569

would be in a room with your friend you

939

00:39:22,500 --> 00:39:20,859

would look out the window and here comes

940

00:39:24,960 --> 00:39:22,510

your friend walking up the pathway

941

00:39:28,140 --> 00:39:24,970

mm-hmm you happen to live in schools

942

00:39:29,900 --> 00:39:28,150

they would they would they would you

943

00:39:32,309 --> 00:39:29,910

know they have a classroom full of kids

944

00:39:35,579 --> 00:39:32,319

and look out the window and one of them

945

00:39:36,990 --> 00:39:35,589

would be outside playing very strange

946

00:39:38,819 --> 00:39:37,000

you know and it's almost like whoop

947

00:39:40,440 --> 00:39:38,829

that's not supposed to be there and as

948

00:39:44,880 --> 00:39:40,450

soon as you think that it's gone yeah

949

00:39:47,190 --> 00:39:44,890

yeah huh Wow it wouldn't it be great to

950

00:39:50,760 --> 00:39:47,200

be able to actually know what was behind

951  
00:39:53,130 --> 00:39:50,770  
all this stuff I mean it's just such

952  
00:39:55,500 --> 00:39:53,140  
fast I guess the fact that it is unknown

953  
00:40:00,150 --> 00:39:55,510  
is what makes it so fascinating I can

954  
00:40:04,230 --> 00:40:02,400  
I think more MORE about this I never saw

955  
00:40:06,690 --> 00:40:04,240  
the movie The Matrix but someone told me

956  
00:40:08,400 --> 00:40:06,700  
that it's kind of close to it what this

957  
00:40:11,819 --> 00:40:08,410  
person that was a futurist a

958  
00:40:14,069 --> 00:40:11,829  
professional futurist gray Scott as his

959  
00:40:15,900 --> 00:40:14,079  
name was down there in the arc and he

960  
00:40:18,510 --> 00:40:15,910  
writes a lot about the future and so on

961  
00:40:21,180 --> 00:40:18,520  
his idea is that what we are really

962  
00:40:23,220 --> 00:40:21,190  
living in us where look really living in

963  
00:40:26,339 --> 00:40:23,230

someone's computer simulations someone's

964

00:40:29,579 --> 00:40:26,349

unbelievably detailed computer

965

00:40:31,230 --> 00:40:29,589

simulation created by someone who is a

966

00:40:34,260 --> 00:40:31,240

higher power way higher power than we

967

00:40:36,299 --> 00:40:34,270

could ever you know imagine and and it's

968

00:40:39,480 --> 00:40:36,309

just been going along it's just been

969

00:40:41,130 --> 00:40:39,490

going along and but what happens is but

970

00:40:43,380 --> 00:40:41,140

something like that happens where you

971

00:40:44,370 --> 00:40:43,390

see something that shouldn't be there or

972

00:40:46,859 --> 00:40:44,380

when you have some kind of an

973

00:40:49,140 --> 00:40:46,869

extraordinary coincidence what that is

974

00:40:51,750 --> 00:40:49,150

it's a glitch in the program because no

975

00:40:54,690 --> 00:40:51,760

matter what every computer program has a

976  
00:40:56,400 --> 00:40:54,700  
glitch in it and and you know when you

977  
00:40:58,170 --> 00:40:56,410  
think about it you say well I mean I've

978  
00:41:00,960 --> 00:40:58,180  
had coincidences in my life that had

979  
00:41:03,210 --> 00:41:00,970  
just off the charts but you think you

980  
00:41:06,000 --> 00:41:03,220  
saw and look at how many people with

981  
00:41:09,120 --> 00:41:06,010  
coincidences all the time people that

982  
00:41:11,609 --> 00:41:09,130  
deja vu all the time you know maybe

983  
00:41:14,069 --> 00:41:11,619  
these are just things that proves that

984  
00:41:18,150 --> 00:41:14,079  
the computer program we're all living in

985  
00:41:19,950 --> 00:41:18,160  
isn't infallible and that's sort of

986  
00:41:21,000 --> 00:41:19,960  
upsetting now I'd rather not be in a

987  
00:41:24,150 --> 00:41:21,010  
computer program

988  
00:41:27,180 --> 00:41:24,160

well but it a gentleman that I studied

989

00:41:29,430 --> 00:41:27,190

with who was a former NASA rocket

990

00:41:33,210 --> 00:41:29,440

scientist a physicist and wrote a book

991

00:41:37,200 --> 00:41:33,220

called up my big toe comes to the same

992

00:41:39,870 --> 00:41:37,210

conclusion that we're living in a

993

00:41:42,720 --> 00:41:39,880

computer it's a binary world out there

994

00:41:45,029 --> 00:41:42,730

and he has some very advanced physics

995

00:41:48,180 --> 00:41:45,039

ways of proving that and he's a

996

00:41:53,220 --> 00:41:48,190

wonderful intelligent gentleman and I'm

997

00:41:55,109 --> 00:41:53,230

trying to think of his name okay and I'm

998

00:41:57,750 --> 00:41:55,119

gonna find it before the end of the show

999

00:42:00,390 --> 00:41:57,760

but his book is my big toe and it's it

1000

00:42:02,789 --> 00:42:00,400

really goes into great depth I mean it's

1001  
00:42:04,890 --> 00:42:02,799  
like one of these tomes it's three books

1002  
00:42:06,930 --> 00:42:04,900  
in one it's that's wonderful Anto

1003  
00:42:10,500 --> 00:42:06,940  
indicating theory of every single theory

1004  
00:42:12,299 --> 00:42:10,510  
of everything right right well I you

1005  
00:42:13,590 --> 00:42:12,309  
know there's just so much out there this

1006  
00:42:14,910 --> 00:42:13,600  
is great mac and

1007  
00:42:19,140 --> 00:42:14,920  
we're just sort of scratching the

1008  
00:42:22,800 --> 00:42:19,150  
surface itself so you had you had some

1009  
00:42:25,790 --> 00:42:22,810  
interesting insights about about what

1010  
00:42:29,630 --> 00:42:25,800  
happened to the poor gentleman down in

1011  
00:42:33,960 --> 00:42:29,640  
New Mexico who was a victim of

1012  
00:42:36,600 --> 00:42:33,970  
government disinformation and who was

1013  
00:42:38,460 --> 00:42:36,610

actually driven crazy by the by the

1014

00:42:40,740 --> 00:42:38,470

government do you want to talk to this

1015

00:42:44,540 --> 00:42:40,750

subject a little bit what what turned

1016

00:42:48,960 --> 00:42:44,550

out with the Dulce New Mexico that whole

1017

00:42:51,990 --> 00:42:48,970

sure this gentleman was a physicist and

1018

00:42:54,060 --> 00:42:52,000

he had an office right near Kirtland Air

1019

00:42:59,460 --> 00:42:54,070

Force Base which is in New Mexico then

1020

00:43:04,080 --> 00:42:59,470

we have tonight and what he was a very

1021

00:43:06,030 --> 00:43:04,090

smart guy and he noticed on a number of

1022

00:43:08,070 --> 00:43:06,040

occasions cuz he was so close to croman

1023

00:43:09,600 --> 00:43:08,080

F was babies he noticed two things he

1024

00:43:11,880 --> 00:43:09,610

knows strange things flying over the

1025

00:43:14,780 --> 00:43:11,890

base and he also noticed strange radio

1026  
00:43:17,490 --> 00:43:14,790  
signals developing around the base and

1027  
00:43:20,900 --> 00:43:17,500  
he put his the two and two he put

1028  
00:43:23,280 --> 00:43:20,910  
together was that there were UFOs over

1029  
00:43:24,900 --> 00:43:23,290  
nuclear bunkers that they had at

1030  
00:43:27,090 --> 00:43:24,910  
Kirtland Air Force Base it was a badly

1031  
00:43:29,730 --> 00:43:27,100  
cut secret that the USAF was stored a

1032  
00:43:31,440 --> 00:43:29,740  
lot of nuclear bombs there so he went to

1033  
00:43:35,660 --> 00:43:31,450  
the Air Force and he people at the base

1034  
00:43:38,190 --> 00:43:35,670  
and he gave them his theory and he said

1035  
00:43:39,990 --> 00:43:38,200  
and they said to him hey you know what

1036  
00:43:41,670 --> 00:43:40,000  
you're right and they gave him more

1037  
00:43:43,530 --> 00:43:41,680  
information they started feeding him

1038  
00:43:45,570 --> 00:43:43,540

this story that you know there was

1039

00:43:47,550 --> 00:43:45,580

aliens were involved the government was

1040

00:43:49,680 --> 00:43:47,560

you know aware of them and that they

1041

00:43:51,120 --> 00:43:49,690

were I mean at the very long end of this

1042

00:43:53,190 --> 00:43:51,130

kind of disinformation campaign they

1043

00:43:56,040 --> 00:43:53,200

played in the sky he they had him

1044

00:43:58,530 --> 00:43:56,050

convinced that there were 50,000 aliens

1045

00:44:00,090 --> 00:43:58,540

in a in a in a mountain about 90 miles

1046

00:44:04,140 --> 00:44:00,100

north of karlby Air Force Base called

1047

00:44:06,890 --> 00:44:04,150

Belcher Mountain and this poor guy went

1048

00:44:09,420 --> 00:44:06,900

can say he literally went insane he was

1049

00:44:12,810 --> 00:44:09,430

institutionalized three two or three

1050

00:44:15,600 --> 00:44:12,820

times he was you know went up and bought

1051

00:44:17,370 --> 00:44:15,610

a lot of guns he goes very paranoid and

1052

00:44:19,320 --> 00:44:17,380

it turned out to be not true of course I

1053

00:44:22,470 --> 00:44:19,330

mean what what he was seeing were the

1054

00:44:26,870 --> 00:44:22,480

early examples of stealth fighters in

1055

00:44:28,979 --> 00:44:26,880

the radio waves that he was picking

1056

00:44:32,009 --> 00:44:28,989

breeding frequencies they were there to

1057

00:44:35,400 --> 00:44:32,019

jam Russian satellites going over

1058

00:44:37,529 --> 00:44:35,410

Kirtland Air Force Base to to to ensure

1059

00:44:39,089 --> 00:44:37,539

that they didn't you know find evidence

1060

00:44:40,950 --> 00:44:39,099

that nuclear bombs were being kept there

1061

00:44:42,089 --> 00:44:40,960

now they could have easily told this guy

1062

00:44:43,829 --> 00:44:42,099

because he worked for the government at

1063

00:44:45,870 --> 00:44:43,839

some point you know listen this is

1064

00:44:49,109 --> 00:44:45,880

what's going on in sign and security and

1065

00:44:51,450 --> 00:44:49,119

you know vow and never speak of it again

1066

00:44:52,950 --> 00:44:51,460

but they chose to go the other way feed

1067

00:44:55,859 --> 00:44:52,960

him all this information throw him

1068

00:44:57,839 --> 00:44:55,869

completely off the off the track make

1069

00:44:59,969 --> 00:44:57,849

him the giggle fact of the poster boys

1070

00:45:03,269 --> 00:44:59,979

would giggle factor back then and it

1071

00:45:05,190 --> 00:45:03,279

wound up killing the guy mmm so somebody

1072

00:45:07,620 --> 00:45:05,200

was actually vicious enough to do that

1073

00:45:11,039 --> 00:45:07,630

on purpose they said open enough yeah

1074

00:45:13,829 --> 00:45:11,049

yeah it's just a big joke oh this is mr.

1075

00:45:17,549 --> 00:45:13,839

Mack Maloney the author of beyond area

1076

00:45:21,690 --> 00:45:17,559

51 and one of my favorite UFO books UFOs

1077

00:45:23,729 --> 00:45:21,700

and war time is so what what are your

1078

00:45:27,529 --> 00:45:23,739

opinions about these secret bases you

1079

00:45:29,910 --> 00:45:27,539

think they're out there beyond area 51

1080

00:45:31,349 --> 00:45:29,920

everyone that we mentioned in the book I

1081

00:45:33,660 --> 00:45:31,359

think we mentioned probably about 20 of

1082

00:45:36,029 --> 00:45:33,670

them are definitely out there you know

1083

00:45:39,779 --> 00:45:36,039

there's enough evidence to be found on

1084

00:45:43,049 --> 00:45:39,789

all of them that they do exist that the

1085

00:45:44,579 --> 00:45:43,059

unusual thing about them is that I think

1086

00:45:48,269 --> 00:45:44,589

we talked about eight or nine in the US

1087

00:45:50,839 --> 00:45:48,279

and then the rest our overseas almost

1088

00:45:53,459 --> 00:45:50,849

every single one of these secret bases

1089

00:45:55,049 --> 00:45:53,469

has some kind of a history with UFOs

1090

00:45:57,989 --> 00:45:55,059

that's very strange

1091

00:46:01,670 --> 00:45:57,999

I mean we always equate area 51 with

1092

00:46:04,259 --> 00:46:01,680

UFOs and so on but there's a place up in

1093

00:46:06,329 --> 00:46:04,269

there's a place up in the northern part

1094

00:46:10,229 --> 00:46:06,339

of Nevada called Tonopah Air Force Base

1095

00:46:13,499 --> 00:46:10,239

that is so secret that the people who

1096

00:46:15,900 --> 00:46:13,509

work there I'm allowed to go into the

1097

00:46:18,959 --> 00:46:15,910

town there's a town nearby Tonopah

1098

00:46:22,349 --> 00:46:18,969

Nevada they're not allowed to mix with

1099

00:46:24,269 --> 00:46:22,359

the locals let's say you can't spend a

1100

00:46:26,160 --> 00:46:24,279

credit card in tone of power if you work

1101  
00:46:29,099 --> 00:46:26,170  
at Thomas I talked about Air Force Base

1102  
00:46:30,959 --> 00:46:29,109  
this is where they tested the stealth

1103  
00:46:32,670 --> 00:46:30,969  
fighter for years for ten years without

1104  
00:46:35,519 --> 00:46:32,680  
anyone knowing about it

1105  
00:46:39,630 --> 00:46:35,529  
there were places down in st. Louis

1106  
00:46:39,840 --> 00:46:39,640  
Valley in southwest Colorado that it's

1107  
00:46:44,220 --> 00:46:39,850  
in

1108  
00:46:46,410 --> 00:46:44,230  
by military bases there's so much

1109  
00:46:49,230 --> 00:46:46,420  
paranormal activity going on there that

1110  
00:46:50,670 --> 00:46:49,240  
it's hard to keep up with it it's

1111  
00:46:53,250 --> 00:46:50,680  
unbelievable they see everything from

1112  
00:46:54,810 --> 00:46:53,260  
UFOs to Bigfoot to flying humans and

1113  
00:47:00,050 --> 00:46:54,820

stuff there's always military planes

1114

00:47:04,410 --> 00:47:00,060

around there's the places down in off of

1115

00:47:08,790 --> 00:47:04,420

Florida where the US Navy you know test

1116

00:47:11,640 --> 00:47:08,800

its captains - - who are taking over new

1117

00:47:13,500 --> 00:47:11,650

suits and nuclear submarines see how far

1118

00:47:15,300 --> 00:47:13,510

down they can go see how the equipment

1119

00:47:16,350 --> 00:47:15,310

works at a great depth they do it in

1120

00:47:19,280 --> 00:47:16,360

this kind of trench in the middle

1121

00:47:22,770 --> 00:47:19,290

atlantic ocean there's been hundreds

1122

00:47:24,900 --> 00:47:22,780

many hundreds of UFO reports down around

1123

00:47:27,690 --> 00:47:24,910

that place for the past 30 years or so

1124

00:47:30,240 --> 00:47:27,700

it's just very interesting that anywhere

1125

00:47:32,460 --> 00:47:30,250

there is one of these secret bases there

1126

00:47:34,440 --> 00:47:32,470

there's a UFO history attached to it and

1127

00:47:36,690 --> 00:47:34,450

you always say well what what came first

1128

00:47:38,070 --> 00:47:36,700

you know yeah we attract the UFO so do

1129

00:47:40,530 --> 00:47:38,080

we build the base there because UFOs

1130

00:47:42,990 --> 00:47:40,540

were there before and that was a does

1131

00:47:44,160 --> 00:47:43,000

amazing piece of research we came upon

1132

00:47:45,650 --> 00:47:44,170

while we were doing the book I don't

1133

00:47:49,170 --> 00:47:45,660

think anyone really realized people

1134

00:47:51,210 --> 00:47:49,180

fascinating really well the best example

1135

00:47:54,570 --> 00:47:51,220

was Rendell 'some everyone thinks that

1136

00:47:56,580 --> 00:47:54,580

was you know back in 1980 he was so you

1137

00:47:59,400 --> 00:47:56,590

know the Peter Robbins book left at

1138

00:48:02,130 --> 00:47:59,410

Eastgate but actually that whole forest

1139

00:48:05,220 --> 00:48:02,140

area Rendlesham forest was supposedly

1140

00:48:07,770 --> 00:48:05,230

haunted or different UFO activities and

1141

00:48:12,600 --> 00:48:07,780

so on many years before that right

1142

00:48:17,010 --> 00:48:12,610

secret nooks there as well yeah it's in

1143

00:48:20,040 --> 00:48:17,020

the East Anglia part of the Great

1144

00:48:21,360 --> 00:48:20,050

Britain and you just go back into their

1145

00:48:23,280 --> 00:48:21,370

history there was there were

1146

00:48:25,590 --> 00:48:23,290

unbelievable UFO sightings there in the

1147

00:48:29,220 --> 00:48:25,600

late fifties with the US would scramble

1148

00:48:30,870 --> 00:48:29,230

jets - they would see on their radar

1149

00:48:33,750 --> 00:48:30,880

would look like hundreds of Russian

1150

00:48:34,950 --> 00:48:33,760

bombers coming you know towards England

1151

00:48:36,830 --> 00:48:34,960

and they would scramble just saying look

1152

00:48:39,240 --> 00:48:36,840

there and there and there were UFOs

1153

00:48:42,270 --> 00:48:39,250

there's something but east anglia that

1154

00:48:44,790 --> 00:48:42,280

you know is a big in England they call

1155

00:48:48,090 --> 00:48:44,800

it an old place but meaning it's a place

1156

00:48:52,110 --> 00:48:48,100

where just odd things happen Rosslyn and

1157

00:48:53,680 --> 00:48:52,120

Scotland you know more UFOs are seen in

1158

00:48:55,780 --> 00:48:53,690

that area than any other place of

1159

00:48:57,370 --> 00:48:55,790

and it just happened to be where Rosslyn

1160

00:48:59,470 --> 00:48:57,380

Chapel is that's you know connected to

1161

00:49:00,940 --> 00:48:59,480

the Knights Templar so you know who

1162

00:49:03,190 --> 00:49:00,950

knows that's what I mean if you really

1163

00:49:05,230 --> 00:49:03,200

kind of look at it a lot of these places

1164

00:49:07,360 --> 00:49:05,240

have UFO histories and a lot of those

1165

00:49:09,340 --> 00:49:07,370

places where they built these bases have

1166

00:49:12,130 --> 00:49:09,350

his piece they go back further than the

1167

00:49:13,570 --> 00:49:12,140

base and so I don't know once again if

1168

00:49:15,520 --> 00:49:13,580

someone could just connect all these

1169

00:49:17,470 --> 00:49:15,530

died in the lines sometime in our

1170

00:49:20,380 --> 00:49:17,480

lifetimes I think it would be a very

1171

00:49:22,810 --> 00:49:20,390

very fascinating result well I read Dan

1172

00:49:25,330 --> 00:49:22,820

Brown's book of course the da Vinci Code

1173

00:49:28,210 --> 00:49:25,340

and so I was really captured by it and

1174

00:49:30,970 --> 00:49:28,220

did go to Rosslyn Chapel in Scotland and

1175

00:49:34,390 --> 00:49:30,980

the it is probably one of the oddest

1176

00:49:36,730 --> 00:49:34,400

religious institutions or buildings I've

1177

00:49:38,650 --> 00:49:36,740

ever been in but aside from that it's

1178

00:49:41,410 --> 00:49:38,660

way in the middle of nowhere is a very

1179

00:49:44,350 --> 00:49:41,420

small building and the walls are covered

1180

00:49:46,600 --> 00:49:44,360

with visiting dignitaries and what would

1181

00:49:49,660 --> 00:49:46,610

cause so many people to visit this

1182

00:49:51,430 --> 00:49:49,670

little tiny out-of-the-way place I mean

1183

00:49:53,230 --> 00:49:51,440

something had to have drawn them all

1184

00:49:55,630 --> 00:49:53,240

there and these are all various heads of

1185

00:49:57,760 --> 00:49:55,640

states and their pictures and the dates

1186

00:50:00,430 --> 00:49:57,770

that they were there on the wall so I

1187

00:50:02,320 --> 00:50:00,440

think at a higher governmental level

1188

00:50:05,740 --> 00:50:02,330

some of the people are aware of this and

1189

00:50:08,170 --> 00:50:05,750

actually pay homage to these whatever

1190

00:50:12,160 --> 00:50:08,180

they are all we're going in to build the

1191

00:50:17,650 --> 00:50:12,170

bird character well you know there's

1192

00:50:19,420 --> 00:50:17,660

still the burgers build-a-bear but it's

1193

00:50:22,180 --> 00:50:19,430

true I mean there is definitely some

1194

00:50:24,340 --> 00:50:22,190

sort of Wow to me a conspiracy is rich

1195

00:50:25,900 --> 00:50:24,350

powerful people getting together to stay

1196

00:50:27,160 --> 00:50:25,910

more rich or more power yeah well

1197

00:50:29,050 --> 00:50:27,170

there's a lot of that going on and

1198

00:50:31,060 --> 00:50:29,060

that's happened throughout history and

1199

00:50:32,980 --> 00:50:31,070

it will happen as long as there's humans

1200

00:50:36,040 --> 00:50:32,990

I mean that's just a part of a human

1201

00:50:37,810 --> 00:50:36,050

civilization somebody's gonna rise up

1202

00:50:40,600 --> 00:50:37,820

get money in power and they're gonna try

1203

00:50:44,010 --> 00:50:40,610

to keep it and that's that's our history

1204

00:50:46,660 --> 00:50:44,020

the thing about your idea of it being

1205

00:50:50,980 --> 00:50:46,670

somebody coming through history a time

1206

00:50:53,590 --> 00:50:50,990

traveller it's very it's very optimistic

1207

00:50:55,870 --> 00:50:53,600

view as far as I can see because we seem

1208

00:50:57,700 --> 00:50:55,880

to be making such a mess of things it's

1209

00:51:00,310 --> 00:50:57,710

encouraging to think that somebody might

1210

00:51:03,250 --> 00:51:00,320

be going back in time 200 years from now

1211

00:51:05,710 --> 00:51:03,260

when frankly you know my own view of

1212

00:51:07,500 --> 00:51:05,720

things somewhat says gee I wonder if

1213

00:51:09,750 --> 00:51:07,510

there will be any humans then

1214

00:51:11,610 --> 00:51:09,760

right I mean one of the people I talked

1215

00:51:14,010 --> 00:51:11,620

to when I was doing this second book

1216

00:51:15,420 --> 00:51:14,020

beyond the area 51 this young guy who

1217

00:51:18,180 --> 00:51:15,430

just happened to be a neighbor of mine

1218

00:51:20,010 --> 00:51:18,190

he was a physicist who is a veteran of

1219

00:51:21,480 --> 00:51:20,020

World War two is some really hard

1220

00:51:23,640 --> 00:51:21,490

fighting World War two and he says he

1221

00:51:25,320 --> 00:51:23,650

saw so much death and destruction that

1222

00:51:27,360 --> 00:51:25,330

when he came out of the service he

1223

00:51:29,340 --> 00:51:27,370

became a minister and then he became a

1224

00:51:31,230 --> 00:51:29,350

physicist and when he read the book he

1225

00:51:33,030 --> 00:51:31,240

said yogi he said the exact same thing

1226  
00:51:34,380 --> 00:51:33,040  
he says you have a very optimistic point

1227  
00:51:36,830 --> 00:51:34,390  
of view because if they're from the

1228  
00:51:38,250 --> 00:51:36,840  
future that means we have a future yeah

1229  
00:51:40,920 --> 00:51:38,260  
exactly

1230  
00:51:43,590 --> 00:51:40,930  
speaking of the future maybe you could

1231  
00:51:48,720 --> 00:51:43,600  
tell us what's on the burner now mr.

1232  
00:51:51,420 --> 00:51:48,730  
Mack Maloney yeah no you know no more

1233  
00:51:53,160 --> 00:51:51,430  
you were folks coming out and I do my

1234  
00:51:55,940 --> 00:51:53,170  
own I don't want to sound like I'm the

1235  
00:51:58,770 --> 00:51:55,950  
competition but I do my own radio show

1236  
00:52:01,170 --> 00:51:58,780  
indicated on the Military Appreciation

1237  
00:52:03,210 --> 00:52:01,180  
Channel and I'm forces radio network

1238  
00:52:05,670 --> 00:52:03,220

next year I've called the back morning

1239

00:52:08,280 --> 00:52:05,680

military x-files show but listen to Kate

1240

00:52:11,220 --> 00:52:08,290

show first and at night show second well

1241

00:52:13,350 --> 00:52:11,230

you know the way that I look at this you

1242

00:52:15,300 --> 00:52:13,360

know having working with Kate now on

1243

00:52:19,110 --> 00:52:15,310

shattered reality which is our program

1244

00:52:21,420 --> 00:52:19,120

that you're on right now is that by so

1245

00:52:25,460 --> 00:52:21,430

many people using the Internet to

1246

00:52:28,110 --> 00:52:25,470

disperse information if you are a

1247

00:52:31,470 --> 00:52:28,120

educated listener and you know can throw

1248

00:52:34,380 --> 00:52:31,480

out some of the dross there it gives an

1249

00:52:36,450 --> 00:52:34,390

opportunity for the average person to be

1250

00:52:40,050 --> 00:52:36,460

heard the average person with an opinion

1251  
00:52:43,170 --> 00:52:40,060  
of some sort and perhaps to disseminate

1252  
00:52:46,890 --> 00:52:43,180  
information that the mass media does not

1253  
00:52:48,630 --> 00:52:46,900  
wish to disseminate for a reason only

1254  
00:52:50,780 --> 00:52:48,640  
known to themselves I mean I'm not

1255  
00:52:53,640 --> 00:52:50,790  
saying it's all a conspiracy but

1256  
00:52:59,430 --> 00:52:53,650  
certainly the internet gives us this

1257  
00:53:01,170 --> 00:52:59,440  
option well I think that you know well

1258  
00:53:06,210 --> 00:53:01,180  
the end of one of the books we asked

1259  
00:53:08,040 --> 00:53:06,220  
five of the leading UFO authors what

1260  
00:53:09,660 --> 00:53:08,050  
they thought the UFO puzzle would be so

1261  
00:53:12,720 --> 00:53:09,670  
and it's funny because they all said it

1262  
00:53:14,880 --> 00:53:12,730  
in about 30 or 40 years they think that

1263  
00:53:17,250 --> 00:53:14,890

it will be at that point especially

1264

00:53:19,069 --> 00:53:17,260

Jerry Clark who I look at it as a very

1265

00:53:22,789 --> 00:53:19,079

respected partner

1266

00:53:27,920 --> 00:53:22,799

absolutely he said that he thinks up in

1267

00:53:29,959 --> 00:53:27,930

that time 2040 2050 that the stigma of

1268

00:53:32,660 --> 00:53:29,969

certain miracles will be gone for

1269

00:53:34,160 --> 00:53:32,670

scientists and as you're saying before

1270

00:53:36,739 --> 00:53:34,170

you know try to get a grant for that

1271

00:53:38,630 --> 00:53:36,749

well maybe it won't be that hot in you

1272

00:53:40,579 --> 00:53:38,640

know three or four decades to get a

1273

00:53:43,729 --> 00:53:40,589

grant to study UFOs to figure out what

1274

00:53:45,199 --> 00:53:43,739

they do who they are you know everything

1275

00:53:47,449 --> 00:53:45,209

we could possibly learn about them take

1276

00:53:48,890 --> 00:53:47,459

the stigma away from that and then maybe

1277

00:53:50,390 --> 00:53:48,900

you will just get to that one little

1278

00:53:52,489 --> 00:53:50,400

kernel of truth that is going to reveal

1279

00:53:54,709 --> 00:53:52,499

the whole thing the downside of that is

1280

00:53:56,839 --> 00:53:54,719

that it probably isn't going to be an

1281

00:53:57,949 --> 00:53:56,849

American scientist who does that there's

1282

00:54:00,019 --> 00:53:57,959

a better chance it's going to be a

1283

00:54:02,749 --> 00:54:00,029

Chinese scientist thought and Indian

1284

00:54:04,130 --> 00:54:02,759

scientist the intensity going forward in

1285

00:54:06,049 --> 00:54:04,140

their scientific programs and we're

1286

00:54:07,849 --> 00:54:06,059

going backwards it's too bad but that's

1287

00:54:09,019 --> 00:54:07,859

just that's just the fact that now

1288

00:54:11,359 --> 00:54:09,029

unless something turns around very

1289

00:54:13,039 --> 00:54:11,369

quickly you know the puzzle of UFOs

1290

00:54:14,599 --> 00:54:13,049

might not be solved by Americans it

1291

00:54:17,749 --> 00:54:14,609

might be so play something on someone in

1292

00:54:21,890 --> 00:54:17,759

Asia well they say that science moves

1293

00:54:25,339 --> 00:54:21,900

ahead one funeral at a time so I wonder

1294

00:54:28,130 --> 00:54:25,349

if this could be part of the the

1295

00:54:31,999 --> 00:54:28,140

prediction some of the people who have

1296

00:54:35,329 --> 00:54:32,009

tried to stigmatize the study will then

1297

00:54:37,989 --> 00:54:35,339

be passed out of existence and a lot of

1298

00:54:41,839 --> 00:54:37,999

the stigma is gone because of today's

1299

00:54:43,989 --> 00:54:41,849

all these various Xbox and games that

1300

00:54:45,890 --> 00:54:43,999

the children play all involve

1301

00:54:47,509 --> 00:54:45,900

extraterrestrials for them the idea of

1302

00:54:49,609 --> 00:54:47,519

an extraterrestrial is sort of

1303

00:54:52,729 --> 00:54:49,619

commonplace it they don't even think

1304

00:54:56,890 --> 00:54:52,739

twice about it I was fortunate enough to

1305

00:55:00,739 --> 00:54:56,900

be at a speech given by Edgar Mitchell

1306

00:55:05,359 --> 00:55:00,749

the former astronaut and the PhD from

1307

00:55:07,939 --> 00:55:05,369

MIT when he gave a speech to many of the

1308

00:55:09,949 --> 00:55:07,949

students from the Aeronautics High

1309

00:55:12,469 --> 00:55:09,959

School in Long Island City the New York

1310

00:55:13,670 --> 00:55:12,479

City I'm not quite getting the name of

1311

00:55:14,630 --> 00:55:13,680

the high school correct but it was I

1312

00:55:17,299 --> 00:55:14,640

think it's the high school of

1313

00:55:19,189 --> 00:55:17,309

Aeronautics but these were people young

1314

00:55:21,769 --> 00:55:19,199

men and women who were planning to

1315

00:55:25,969 --> 00:55:21,779

become pilots and maybe go in the Air

1316

00:55:29,959 --> 00:55:25,979

Force or a pursue career in aeronautics

1317

00:55:32,810 --> 00:55:29,969

and he spoke to them with that you know

1318

00:55:35,860 --> 00:55:32,820

no uncertain terms that part of their

1319

00:55:39,610 --> 00:55:35,870

future would have to be dealing with

1320

00:55:41,450 --> 00:55:39,620

extraterrestrial life or intelligence so

1321

00:55:44,540 --> 00:55:41,460

we'll see what happens

1322

00:55:46,850 --> 00:55:44,550

I mean free thinking people I mean the

1323

00:55:48,170 --> 00:55:46,860

world is becoming more populated with

1324

00:55:50,030 --> 00:55:48,180

free thinking people there's no doubt

1325

00:55:51,860 --> 00:55:50,040

about it the generations going to be

1326  
00:55:54,110 --> 00:55:51,870  
coming after this run and after the next

1327  
00:55:55,760 --> 00:55:54,120  
you know has had so much information at

1328  
00:55:57,530 --> 00:55:55,770  
their fingertips stuff that you know I

1329  
00:55:59,570 --> 00:55:57,540  
know when I was growing up we couldn't

1330  
00:56:01,550 --> 00:55:59,580  
even imagine you know now you're just

1331  
00:56:03,710 --> 00:56:01,560  
snap your fingers push a button and it's

1332  
00:56:06,290 --> 00:56:03,720  
there and I think that that gives people

1333  
00:56:10,790 --> 00:56:06,300  
the opportunity to kind of you know take

1334  
00:56:12,980 --> 00:56:10,800  
in ideas that maybe not you know be so I

1335  
00:56:14,510 --> 00:56:12,990  
don't know normal let's say you know

1336  
00:56:16,460 --> 00:56:14,520  
maybe they think there's people the idea

1337  
00:56:17,660 --> 00:56:16,470  
is that let's go out look at these

1338  
00:56:19,700 --> 00:56:17,670

strange things they've always been

1339

00:56:21,380 --> 00:56:19,710

around no one's ever really looked at

1340

00:56:22,250 --> 00:56:21,390

them in a scientific way why don't we do

1341

00:56:26,780 --> 00:56:22,260

it

1342

00:56:27,230 --> 00:56:26,790

Clark was probably right 30 to 40 years

1343

00:56:31,760 --> 00:56:27,240

from now

1344

00:56:36,800 --> 00:56:31,770

someplace in Beijing Bombay some will

1345

00:56:38,570 --> 00:56:36,810

kind of break the puzzle at 19 for our

1346

00:56:49,610 --> 00:56:38,580

2040 it's going to be a little late for

1347

00:56:52,910 --> 00:56:49,620

me so let's hope it's before then but

1348

00:56:55,670 --> 00:56:52,920

well I don't know I do suspect it's the

1349

00:56:57,980 --> 00:56:55,680

world you know everyone says oh this new

1350

00:56:59,240 --> 00:56:57,990

world order is such a horrible thing and

1351

00:57:01,760 --> 00:56:59,250

you know we're all going to be under

1352

00:57:04,790 --> 00:57:01,770

this system Universal dictator but I

1353

00:57:07,070 --> 00:57:04,800

think actually the computers is going to

1354

00:57:09,140 --> 00:57:07,080

be the ruler of the new world order and

1355

00:57:13,490 --> 00:57:09,150

the people are just going to be people

1356

00:57:15,230 --> 00:57:13,500

and I I don't think it's you know

1357

00:57:19,790 --> 00:57:15,240

obviously it could be a horrendous thing

1358

00:57:21,170 --> 00:57:19,800

you could also be a very good thing like

1359

00:57:27,110 --> 00:57:21,180

everything else in history it's going to

1360

00:57:28,940 --> 00:57:27,120

be a little bit of both no okay yeah but

1361

00:57:31,790 --> 00:57:28,950

I think it's almost unavoidable at this

1362

00:57:34,130 --> 00:57:31,800

point I think national boundaries are

1363

00:57:36,770 --> 00:57:34,140

starting to just fall apart the famous

1364

00:57:39,890 --> 00:57:36,780

physicist Stephen Hawking just recently

1365

00:57:42,730 --> 00:57:39,900

came out with a he felt that the

1366

00:57:45,260 --> 00:57:42,740

artificial intelligence might kind of

1367

00:57:46,340 --> 00:57:45,270

take us down the wrong path and become

1368

00:57:49,100 --> 00:57:46,350

our masters

1369

00:57:50,510 --> 00:57:49,110

did warn of that recently not that you

1370

00:57:53,390 --> 00:57:50,520

know I mean he's a brilliant man but not

1371

00:57:54,920 --> 00:57:53,400

that I take his word you know beyond

1372

00:57:57,710 --> 00:57:54,930

anything else but it's certainly when

1373

00:58:00,020 --> 00:57:57,720

somebody of that acumen comes to say

1374

00:58:03,140 --> 00:58:00,030

something you kind of pay attention and

1375

00:58:06,170 --> 00:58:03,150

by the way my friend and teacher from

1376  
00:58:08,690 --> 00:58:06,180  
the past is mr. Tom Campbell who wrote

1377  
00:58:10,790 --> 00:58:08,700  
my big toe so I want to be on wrong with

1378  
00:58:13,520 --> 00:58:10,800  
saying that he I hope he'll be our guest

1379  
00:58:15,680 --> 00:58:13,530  
someday too well you know certainly

1380  
00:58:19,280 --> 00:58:15,690  
kurtzweil agrees with you he wrote the

1381  
00:58:22,040 --> 00:58:19,290  
the coming singularity and to him it's

1382  
00:58:25,250 --> 00:58:22,050  
just a given that eventually we will not

1383  
00:58:27,440 --> 00:58:25,260  
we but the ruling class on this planet

1384  
00:58:30,530 --> 00:58:27,450  
will be silicon based not carbon-based

1385  
00:58:33,710 --> 00:58:30,540  
and maybe they're the ones that are the

1386  
00:58:35,690 --> 00:58:33,720  
travelers from the future maybe they

1387  
00:58:39,440 --> 00:58:35,700  
wanted to know how they evolve damn

1388  
00:58:41,330 --> 00:58:39,450

where they came from and you know if you

1389

00:58:43,970 --> 00:58:41,340

have enough intelligence I think

1390

00:58:46,370 --> 00:58:43,980

eventually you develop curiosity and

1391

00:58:49,730 --> 00:58:46,380

that may be the way they're expressing

1392

00:58:52,160 --> 00:58:49,740

it it could be and there's a lot more

1393

00:58:54,830 --> 00:58:52,170

intelligent people on the earth right

1394

00:58:57,530 --> 00:58:54,840

now than there were 20 years ago because

1395

00:58:59,870 --> 00:58:57,540

what we can get on our internet somebody

1396

00:59:02,300 --> 00:58:59,880

in the middle of Ghana can get on their

1397

00:59:04,190 --> 00:59:02,310

internet too you know and it's

1398

00:59:06,110 --> 00:59:04,200

everywhere you can just pull out pull

1399

00:59:07,310 --> 00:59:06,120

down anything you want and that's just

1400

00:59:09,470 --> 00:59:07,320

going to lead to a lot of people with a

1401

00:59:11,450 --> 00:59:09,480

lot of great ideas forward-thinking

1402

00:59:14,140 --> 00:59:11,460

hopefully more fluid thinking people

1403

00:59:17,360 --> 00:59:14,150

then you know politicians or whatever

1404

00:59:19,400 --> 00:59:17,370

it's going to be interesting you know

1405

00:59:22,640 --> 00:59:19,410

maybe we can be time-travel someday and

1406

00:59:26,000 --> 00:59:22,650

come back and see you know our our

1407

00:59:29,420 --> 00:59:26,010

descendants will be well I think on that

1408

00:59:31,520 --> 00:59:29,430

happy and hopeful and optimistic note at

1409

00:59:33,080 --> 00:59:31,530

this time of the year I don't know when

1410

00:59:35,480 --> 00:59:33,090

this recording will come out but right

1411

00:59:38,840 --> 00:59:35,490

now we're enjoying the whole holiday

1412

00:59:40,940 --> 00:59:38,850

season here and I would I would

1413

00:59:42,740 --> 00:59:40,950

certainly like to thank you so much for

1414

00:59:45,470 --> 00:59:42,750

speaking with you again it's always a

1415

00:59:47,330 --> 00:59:45,480

pleasure yes I would like to thank you

1416

00:59:50,090 --> 00:59:47,340

too and if you want to tell us your

1417

00:59:54,110 --> 00:59:50,100

website if you want to put that out if

1418

00:59:57,430 --> 00:59:54,120

for our listeners mm-hmm please do Mack

1419

00:59:59,360 --> 00:59:57,440

Maloney comm and that brings you to

1420

01:00:02,000 --> 00:59:59,370

everything else

1421

01:00:03,340 --> 01:00:02,010

terrific wonderful thanks again have a

1422

01:00:05,570 --> 01:00:03,350

great season

1423

01:00:07,250 --> 01:00:05,580

thanks very much to have me on I really

1424

01:00:10,910 --> 01:00:07,260

appreciate it always a pleasure take

1425

01:00:13,520 --> 01:00:10,920

care bye bye you'll agree with me

1426

01:00:16,100 --> 01:00:13,530

that Mac Bologna is one of our more

1427

01:00:17,930 --> 01:00:16,110

interesting or I guess all of our

1428

01:00:20,600 --> 01:00:17,940

speakers are interesting but he has such

1429

01:00:24,310 --> 01:00:20,610

a diverse and wide wealth of knowledge

1430

01:00:26,750 --> 01:00:24,320

and just just he seems to be very

1431

01:00:31,820 --> 01:00:26,760

versatile and almost all the fields of

1432

01:00:35,090 --> 01:00:31,830

ufology yes but uh our next guest coming

1433

01:00:38,390 --> 01:00:35,100

up in the first part of January is a lot

1434

01:00:41,810 --> 01:00:38,400

more specific it is mr. Robert Schroeder

1435

01:00:44,750 --> 01:00:41,820

and he will talk about solving the UFO

1436

01:00:46,970 --> 01:00:44,760

enigma Bob Schroeder is interesting and

1437

01:00:50,120 --> 01:00:46,980

that he is not a physicist but physics

1438

01:00:55,100 --> 01:00:50,130

is his hobby which is a little bit

1439

01:00:58,580 --> 01:00:55,110

different and he has an absolute I think

1440

01:01:01,310 --> 01:00:58,590

proof of how UFOs work and he calls his

1441

01:01:02,960 --> 01:01:01,320

proof the bulk the bulk was also

1442

01:01:05,720 --> 01:01:02,970

mentioned in that recent movie

1443

01:01:07,970 --> 01:01:05,730

interstellar so I'm looking forward very

1444

01:01:11,030 --> 01:01:07,980

much to speaking to Bob Schroeder again

1445

01:01:15,500 --> 01:01:11,040

well I'm looking forward to this new

1446

01:01:19,070 --> 01:01:15,510

adventure too in 2015 now I want to

1447

01:01:21,770 --> 01:01:19,080

Speak to our listeners and tell them

1448

01:01:24,740 --> 01:01:21,780

that your feedback is extremely

1449

01:01:27,530 --> 01:01:24,750

important to us so we would like to hear

1450

01:01:30,080 --> 01:01:27,540

from you and we'd also like to hear

1451  
01:01:33,560 --> 01:01:30,090  
about your experiences and to that end

1452  
01:01:37,190 --> 01:01:33,570  
we have two places for you to go the

1453  
01:01:40,280 --> 01:01:37,200  
first place is our actual webpage which

1454  
01:01:45,640 --> 01:01:40,290  
is and this is going to be the Internet

1455  
01:01:49,280 --> 01:01:45,650  
address shattered reality podcast dot

1456  
01:01:53,110 --> 01:01:49,290  
wordpress.com that's no spaces in there

1457  
01:01:56,390 --> 01:01:53,120  
shattered reality podcast dot

1458  
01:01:59,180 --> 01:01:56,400  
wordpress.com and that's the hub of our

1459  
01:02:02,120 --> 01:01:59,190  
show where you can listen to previous

1460  
01:02:05,810 --> 01:02:02,130  
episodes and hopefully future episodes

1461  
01:02:10,130 --> 01:02:05,820  
but it's also a place where you can have

1462  
01:02:12,630 --> 01:02:10,140  
a comment or you can write down your

1463  
01:02:15,359 --> 01:02:12,640

experience and we really

1464

01:02:17,370 --> 01:02:15,369

hear from you and for you to share share

1465

01:02:20,490 --> 01:02:17,380

things with us of that nature the other

1466

01:02:23,490 --> 01:02:20,500

place that we'd like you to go to is our

1467

01:02:27,029 --> 01:02:23,500

Facebook page where you can get to on

1468

01:02:31,400 --> 01:02:27,039

Facebook simply by typing in the words

1469

01:02:33,779 --> 01:02:31,410

shattered reality into the search bar in

1470

01:02:36,690 --> 01:02:33,789

Facebook and then you're going to come

1471

01:02:38,849 --> 01:02:36,700

up with several different pages one of

1472

01:02:43,140 --> 01:02:38,859

which is going to indicate that it is a

1473

01:02:47,009 --> 01:02:43,150

radio station in fact it is us strangely

1474

01:02:50,009 --> 01:02:47,019

enough Facebook which is you know of a

1475

01:02:53,009 --> 01:02:50,019

social media site of the 21st century

1476

01:02:55,170 --> 01:02:53,019

they're still back in the 20th century

1477

01:02:58,500 --> 01:02:55,180

instead of the 21st because they have no

1478

01:03:03,420 --> 01:02:58,510

designation for a podcast so I was

1479

01:03:05,370 --> 01:03:03,430

forced to designate our page as a radio

1480

01:03:07,920 --> 01:03:05,380

station the other the others shattered

1481

01:03:09,539 --> 01:03:07,930

realities are bands a couple of bands

1482

01:03:12,359 --> 01:03:09,549

1483
