

1
00:00:24,970 --> 00:00:20,170
welcome to shattered reality with your

2
00:00:27,999 --> 00:00:24,980
hosts Kate Valentine and furs prepare to

3
00:00:34,900 --> 00:00:28,009
head of paradigms shifted in the truths

4
00:00:37,420 --> 00:00:34,910
questioned and now shattered reality hi

5
00:00:40,389 --> 00:00:37,430
everyone welcome to another podcast of

6
00:00:42,760 --> 00:00:40,399
shattered reality we are here with you

7
00:00:46,209 --> 00:00:42,770
again on Kate Valentine and this is

8
00:00:49,090 --> 00:00:46,219
faroush a-- hi and today we are most

9
00:00:54,880 --> 00:00:49,100
honored to have as our guest mr. Albert

10
00:00:58,419 --> 00:00:54,890
Rosales a true true hero of ufology the

11
00:01:01,930 --> 00:00:58,429
man has amassed an incredible monumental

12
00:01:04,049 --> 00:01:01,940
amount of work on humanoids not only is

13
00:01:07,420 --> 00:01:04,059

a lot of work but it's entirely

14

00:01:11,319 --> 00:01:07,430

fascinating and very essential to a good

15

00:01:14,260 --> 00:01:11,329

study of ufology indeed and you know I

16

00:01:16,840 --> 00:01:14,270

just want to speak about his work a

17

00:01:19,690 --> 00:01:16,850

moment before we introduced him and how

18

00:01:23,770 --> 00:01:19,700

incredibly impressed I am by his

19

00:01:26,590 --> 00:01:23,780

dedication and even if a person should

20

00:01:29,590 --> 00:01:26,600

listen to this podcast and be a total

21

00:01:32,380 --> 00:01:29,600

debunker you still cannot discount

22

00:01:35,230 --> 00:01:32,390

Albert's work and the reason for this is

23

00:01:38,580 --> 00:01:35,240

he may not actually realize it himself

24

00:01:41,200 --> 00:01:38,590

but he is a phenomenal anthropologist

25

00:01:43,660 --> 00:01:41,210

even from the viewpoint of a debunker

26

00:01:46,120 --> 00:01:43,670

now Kate and I here we're both

27

00:01:48,700 --> 00:01:46,130

experiencers so we're the furthest thing

28

00:01:51,819 --> 00:01:48,710

from debunkers we look at things with a

29

00:01:54,340 --> 00:01:51,829

skeptical eye to a certain extent but

30

00:01:56,740 --> 00:01:54,350

even if a person were debunker they

31

00:01:59,700 --> 00:01:56,750

would have to acknowledge that mr.

32

00:02:03,429 --> 00:01:59,710

Albert Rosales is a premier

33

00:02:07,389 --> 00:02:03,439

anthropologist similar to our d6 killer

34

00:02:10,270 --> 00:02:07,399

Clark who does the star people research

35

00:02:14,530 --> 00:02:10,280

and he has amassed tell me if this is

36

00:02:18,190 --> 00:02:14,540

right about 17,000 reports of humanoids

37

00:02:19,050 --> 00:02:18,200

so please welcome with me mr. Albert

38

00:02:28,080 --> 00:02:19,060

Rosales

39

00:02:30,350 --> 00:02:28,090

hi Albert hi hi I'm honored to be in the

40

00:02:33,300 --> 00:02:30,360

show here with you guys today and

41

00:02:35,310 --> 00:02:33,310

hopefully I'll be interesting guests I

42

00:02:38,190 --> 00:02:35,320

don't do too many of these but well

43

00:02:40,260 --> 00:02:38,200

that's right that's exactly why we love

44

00:02:42,480 --> 00:02:40,270

having you on because what's the point

45

00:02:45,630 --> 00:02:42,490

of having somebody on for the fifth time

46

00:02:47,490 --> 00:02:45,640

who's going to say the same thing and

47

00:02:49,680 --> 00:02:47,500

also really your work should be

48

00:02:52,800 --> 00:02:49,690

recognized you should you should be on a

49

00:02:55,860 --> 00:02:52,810

lot of these shows and podcasts and so

50

00:02:58,410 --> 00:02:55,870

on and conferences but you know to get

51
00:03:02,040 --> 00:02:58,420
right down to it how did you ever get

52
00:03:06,770 --> 00:03:02,050
started down this path Albert well like

53
00:03:10,820 --> 00:03:06,780
you and MKT I am an experience in myself

54
00:03:13,470 --> 00:03:10,830
as a young young man I had several and

55
00:03:17,310 --> 00:03:13,480
experiences and encounters with strange

56
00:03:19,790 --> 00:03:17,320
beings with a I called humanoids or

57
00:03:24,180 --> 00:03:19,800
entities whatever you want to call him

58
00:03:28,470 --> 00:03:24,190
he started collecting this type of

59
00:03:31,920 --> 00:03:28,480
reports I would say in the 1990s early

60
00:03:35,600 --> 00:03:31,930
1990s now I already have over 17,000

61
00:03:39,300 --> 00:03:35,610
cases taken from sources worldwide

62
00:03:43,080 --> 00:03:39,310
researchers from as far as Ukraine

63
00:03:46,430 --> 00:03:43,090

Australia New Zealand Poland all over

64

00:03:48,750 --> 00:03:46,440

the world South America many places that

65

00:03:53,190 --> 00:03:48,760

the research there is that not

66

00:03:55,380 --> 00:03:53,200

well-known I have translated hundreds of

67

00:03:58,650 --> 00:03:55,390

cases from different languages and

68

00:04:04,350 --> 00:03:58,660

they're all in my oh my in my files

69

00:04:06,900 --> 00:04:04,360

which I everyone can see at the UFO

70

00:04:10,740 --> 00:04:06,910

lymphocyte and a wall completely not to

71

00:04:14,420 --> 00:04:10,750

browse through them and I'm always ready

72

00:04:16,860 --> 00:04:14,430

to receive new information from

73

00:04:19,080 --> 00:04:16,870

experiences like yourself experiences

74

00:04:22,680 --> 00:04:19,090

that I haven't you know had encounters

75

00:04:26,130 --> 00:04:22,690

and I've seen strange entities and I get

76

00:04:29,219 --> 00:04:26,140

emails almost daily so this is really a

77

00:04:32,130 --> 00:04:29,229

worldwide phenomenon it seems so yeah it

78

00:04:32,820 --> 00:04:32,140

goes through and not just in recent days

79

00:04:36,810 --> 00:04:32,830

but

80

00:04:44,190 --> 00:04:36,820

throughout history as well I have cases

81

00:04:46,740 --> 00:04:44,200

dating back from 4000 BC oh I have you

82

00:04:49,260 --> 00:04:46,750

know I you mentioned our d6 killer and I

83

00:04:52,200 --> 00:04:49,270

did I was in contact with our recently

84

00:04:56,550 --> 00:04:52,210

and I have her latest work which is

85

00:04:59,640 --> 00:04:56,560

excellent and she covered location which

86

00:05:02,340 --> 00:04:59,650

has haven't been covered before and then

87

00:05:04,950 --> 00:05:02,350

the very little information is available

88

00:05:09,510 --> 00:05:04,960

there and I commend her for her work

89

00:05:13,380 --> 00:05:09,520

yes me too and anyway the address to

90

00:05:20,610 --> 00:05:13,390

contact Albert is and Garuda spelled G a

91

00:05:22,530 --> 00:05:20,620

ru d as a dog a Garuda 79 at att.net but

92

00:05:31,260 --> 00:05:22,540

that's on his website as well his

93

00:05:34,080 --> 00:05:31,270

website WWF Oh info UFO infl comm

94

00:05:37,500 --> 00:05:34,090

correct Albert correct and then you go

95

00:05:39,720 --> 00:05:37,510

to the subcategory of humanoid and

96

00:05:44,030 --> 00:05:39,730

that's that's where you can find all my

97

00:05:49,050 --> 00:05:44,040

files there I know I noticed that you

98

00:05:53,820 --> 00:05:49,060

categorize by letter the different types

99

00:05:55,650 --> 00:05:53,830

of humanoids that you are you are

100

00:05:59,010 --> 00:05:55,660

discussing and you put them into

101
00:06:02,580 --> 00:05:59,020
categories and you also have them listed

102
00:06:03,720 --> 00:06:02,590
by the year in which they they came up

103
00:06:06,210 --> 00:06:03,730
so you have them sort of

104
00:06:10,650 --> 00:06:06,220
cross-referenced which is an excellent

105
00:06:12,480 --> 00:06:10,660
idea maybe you want to first tell us a

106
00:06:15,450 --> 00:06:12,490
little bit about those categories and

107
00:06:17,790 --> 00:06:15,460
then I want to tell you how you know I

108
00:06:19,770 --> 00:06:17,800
have divided up certain categories for

109
00:06:23,090 --> 00:06:19,780
myself and I want to ask you what you

110
00:06:25,860 --> 00:06:23,100
think of that but please first tell us

111
00:06:30,210 --> 00:06:25,870
about the different categories other

112
00:06:33,680 --> 00:06:30,220
than the year in which the I use I use

113
00:06:37,950 --> 00:06:33,690

the old what they call Allen Hynek

114

00:06:41,280 --> 00:06:37,960

category which of course Allen Hynek was

115

00:06:42,870 --> 00:06:41,290

a late great researcher astronomer from

116

00:06:46,110 --> 00:06:42,880

the University of Northwestern which

117

00:06:46,770 --> 00:06:46,120

used to he started off with the Air

118

00:06:49,770 --> 00:06:46,780

Force with

119

00:06:51,990 --> 00:06:49,780

Project Blue Book and many change his

120

00:06:56,700 --> 00:06:52,000

mind about the the phenomenon and became

121

00:07:00,510 --> 00:06:56,710

a fantastic researcher but but anyway he

122

00:07:03,830 --> 00:07:00,520

yeah and the cd3 category which is its

123

00:07:07,800 --> 00:07:03,840

Close Encounters of the Third Kind their

124

00:07:11,610 --> 00:07:07,810

subcategory and the and concede threes

125

00:07:14,460 --> 00:07:11,620

we got category a which is uh when you

126

00:07:17,490 --> 00:07:14,470

my know it is seen on board or on a a

127

00:07:20,400 --> 00:07:17,500

UFO any type of on an unidentified

128

00:07:23,040 --> 00:07:20,410

flying up it B is when a human or

129

00:07:26,730 --> 00:07:23,050

humanoid entities are seen coming in and

130

00:07:30,510 --> 00:07:26,740

out of a UFO when it's on the ground see

131

00:07:33,260 --> 00:07:30,520

is when there's a UFO on the ground and

132

00:07:35,370 --> 00:07:33,270

entities are singing nearby

133

00:07:39,750 --> 00:07:35,380

unnecessarily thing going in and out of

134

00:07:43,350 --> 00:07:39,760

the object then you got B which is let's

135

00:07:47,580 --> 00:07:43,360

say there's been a a number of sightings

136

00:07:51,870 --> 00:07:47,590

in uh at a location and some an entity

137

00:07:54,360 --> 00:07:51,880

seen alone in the field or in whatever

138

00:07:58,230 --> 00:07:54,370

might be seen that but not accompanied

139

00:08:01,080 --> 00:07:58,240

by a knob here or a year for no B P and

140

00:08:04,320 --> 00:08:01,090

then you have a category E which is I

141

00:08:06,840 --> 00:08:04,330

said a most common nowadays when these

142

00:08:10,860 --> 00:08:06,850

young people or the witness encounters

143

00:08:13,590 --> 00:08:10,870

on an entity alone or maybe more than

144

00:08:18,029 --> 00:08:13,600

one entity either in the bedroom in the

145

00:08:20,010 --> 00:08:18,039

house in the field on the roadway any

146

00:08:23,400 --> 00:08:20,020

type of entity and then you have after

147

00:08:25,140 --> 00:08:23,410

that I have category F which is more

148

00:08:27,360 --> 00:08:25,150

like a psychic connection maybe

149

00:08:30,540 --> 00:08:27,370

telepathic communication with between

150

00:08:32,570 --> 00:08:30,550

the the witness and the object man

151
00:08:36,510 --> 00:08:32,580
that's not necessarily been an entity

152
00:08:38,839 --> 00:08:36,520
then you have category G which is also

153
00:08:44,120 --> 00:08:38,849
very common now as the abduction

154
00:08:47,760 --> 00:08:44,130
scenario or contact scenario I added a

155
00:08:50,790 --> 00:08:47,770
territory H which is supposedly a crash

156
00:08:55,280 --> 00:08:50,800
or retrieval of an object or an entity

157
00:08:58,380 --> 00:08:55,290
by either government or other sources

158
00:09:00,780 --> 00:08:58,390
then I there's another category which is

159
00:09:05,040 --> 00:09:00,790
I called carefully act

160
00:09:08,580 --> 00:09:05,050
which is one the incident is so strange

161
00:09:11,190 --> 00:09:08,590
and so uncommon that doesn't really fit

162
00:09:15,030 --> 00:09:11,200
in TV land to the other territory so I I

163
00:09:17,190 --> 00:09:15,040

just made up not X well X is really is

164

00:09:19,650 --> 00:09:17,200

really a fascinating category and I've

165

00:09:23,100 --> 00:09:19,660

I've read through a lot of the X's I

166

00:09:24,540 --> 00:09:23,110

wish that I had read through all 17,000

167

00:09:27,600 --> 00:09:24,550

but I think it would take me a very long

168

00:09:30,810 --> 00:09:27,610

time but I have read through quite a few

169

00:09:33,030 --> 00:09:30,820

of them and you know you're being an

170

00:09:36,630 --> 00:09:33,040

experience there are both of us being

171

00:09:38,580 --> 00:09:36,640

experiencers I have a slightly different

172

00:09:42,810 --> 00:09:38,590

breakdown just for myself and let me

173

00:09:48,180 --> 00:09:42,820

know what you think of this okay I sort

174

00:09:53,730 --> 00:09:48,190

of categorize it into three parts one

175

00:09:56,790 --> 00:09:53,740

part being a something that is very much

176

00:10:01,230 --> 00:09:56,800

flesh and blood where we're not exactly

177

00:10:07,500 --> 00:10:01,240

sure whether it is in fact an entity or

178

00:10:10,770 --> 00:10:07,510

a human being who is like a dwarf or in

179

00:10:13,950 --> 00:10:10,780

some way not the average looking person

180

00:10:15,750 --> 00:10:13,960

you know like has a disability perhaps

181

00:10:18,030 --> 00:10:15,760

and I'm not talking about somebody who

182

00:10:20,780 --> 00:10:18,040

limps I mean I'm talking about a major

183

00:10:25,800 --> 00:10:20,790

difference yeah whether the right folks

184

00:10:29,040 --> 00:10:25,810

might be you know perhaps a hybrid I

185

00:10:32,810 --> 00:10:29,050

find that to be incredibly interesting

186

00:10:35,490 --> 00:10:32,820

and then the there is a category that I

187

00:10:38,160 --> 00:10:35,500

understand that you've had an experience

188

00:10:38,930 --> 00:10:38,170

of like something occurring in the

189

00:10:42,690 --> 00:10:38,940

bedroom

190

00:10:45,000 --> 00:10:42,700

where you're not sure if it's if it's a

191

00:10:47,520 --> 00:10:45,010

physical manifestation or almost like a

192

00:10:48,900 --> 00:10:47,530

spiritual manifestation in other words

193

00:10:50,820 --> 00:10:48,910

something that you wonder if you could

194

00:10:53,010 --> 00:10:50,830

put your hand through but it's still

195

00:10:55,110 --> 00:10:53,020

there and then the category in the

196

00:10:58,920 --> 00:10:55,120

middle that seems quite flesh and blood

197

00:11:00,780 --> 00:10:58,930

but really nothing human well you're

198

00:11:05,940 --> 00:11:00,790

right I especially about that hybrid

199

00:11:08,870 --> 00:11:05,950

type of entity which you it looks like a

200

00:11:11,940 --> 00:11:08,880

human but it's not exactly there's some

201
00:11:14,190 --> 00:11:11,950
subtle differences maybe in the eyes or

202
00:11:16,380 --> 00:11:14,200
and in

203
00:11:20,580 --> 00:11:16,390
coloring there and you know I do believe

204
00:11:24,870 --> 00:11:20,590
that their their hybrid type entities

205
00:11:29,100 --> 00:11:24,880
around a friend of mine that had been

206
00:11:33,050 --> 00:11:29,110
abducted at one time claimed that that

207
00:11:36,240 --> 00:11:33,060
there were indeed quite a few I guess

208
00:11:39,150 --> 00:11:36,250
ETS maybe not but certainly humanoids

209
00:11:41,400 --> 00:11:39,160
among us and that she could detect them

210
00:11:43,950 --> 00:11:41,410
because there were as she said very

211
00:11:48,510 --> 00:11:43,960
subtle differences but in your

212
00:11:51,210 --> 00:11:48,520
experiences that you mentioned did any

213
00:11:54,030 --> 00:11:51,220

of these tend to push you down this path

214

00:12:00,480 --> 00:11:54,040

or did you just try to explain them and

215

00:12:03,810 --> 00:12:00,490

in so doing start down this path I in

216

00:12:06,870 --> 00:12:03,820

the 70s and I was saying that middle 70s

217

00:12:13,760 --> 00:12:06,880

our house and the service I was in the

218

00:12:20,130 --> 00:12:13,770

Navy and I recall being at home leave at

219

00:12:22,440 --> 00:12:20,140

like a 15 I encountered a group of

220

00:12:26,370 --> 00:12:22,450

people or it looked like a family to me

221

00:12:28,380 --> 00:12:26,380

that that stopped and they were driving

222

00:12:31,560 --> 00:12:28,390

what I remember was a black vehicle

223

00:12:33,840 --> 00:12:31,570

maybe I Mercedes and they stopped them

224

00:12:35,880 --> 00:12:33,850

on the side I was walking in my house

225

00:12:39,060 --> 00:12:35,890

they stopped the side of the road and

226

00:12:40,050 --> 00:12:39,070

they ask for directions but they didn't

227

00:12:42,660 --> 00:12:40,060

think they didn't really pay attention

228

00:12:44,550 --> 00:12:42,670

to I told her they seemed to be staring

229

00:12:47,010 --> 00:12:44,560

at me or looking around and they'll like

230

00:12:49,950 --> 00:12:47,020

wear what I remember there are like

231

00:12:52,110 --> 00:12:49,960

blonde the whole family channels can be

232

00:12:55,920 --> 00:12:52,120

made him looking but the hair was kind

233

00:12:57,840 --> 00:12:55,930

of sparse and they were very pale and

234

00:13:00,750 --> 00:12:57,850

they were tall and they're all in the

235

00:13:05,520 --> 00:13:00,760

car and a big thing people I saw later

236

00:13:08,120 --> 00:13:05,530

on at a grocery store which I visited

237

00:13:11,780 --> 00:13:08,130

and they were all at the grocery store

238

00:13:15,780 --> 00:13:11,790

and I was their spy sitting there again

239

00:13:18,870 --> 00:13:15,790

sounds ha he said I will think there

240

00:13:23,010 --> 00:13:18,880

were maybe some kind of hybrid sounds

241

00:13:25,740 --> 00:13:23,020

like what it was experienced by Ingo

242

00:13:26,930 --> 00:13:25,750

Swann and he related that he had such an

243

00:13:31,250 --> 00:13:26,940

experience

244

00:13:33,500 --> 00:13:31,260

with a blonde female humanoid in Las

245

00:13:36,050 --> 00:13:33,510

Vegas in the book penetration

246

00:13:38,360 --> 00:13:36,060

penetration death Road and so that

247

00:13:40,820 --> 00:13:38,370

sounds sort of reminiscent and it does

248

00:13:43,700 --> 00:13:40,830

sound like that they were some form of

249

00:13:45,230 --> 00:13:43,710

hybrid like maybe with the Nordic type

250

00:13:48,170 --> 00:13:45,240

alien what'd you say

251

00:13:51,380 --> 00:13:48,180

I would I would think so maybe not

252

00:13:55,430 --> 00:13:51,390

exactly the Nordic type but the flinging

253

00:13:58,790 --> 00:13:55,440

blonde maybe the tall white yes that's

254

00:14:02,000 --> 00:13:58,800

what they look more like to me I in goes

255

00:14:04,070 --> 00:14:02,010

Swan has a vast range not a maybe at one

256

00:14:06,200 --> 00:14:04,080

eye I'm not back in the seventies I had

257

00:14:08,960 --> 00:14:06,210

no idea Winkle Swan was I know he was

258

00:14:11,330 --> 00:14:08,970

already involved and type of you know

259

00:14:14,420 --> 00:14:11,340

paranormal research during that time I

260

00:14:18,470 --> 00:14:14,430

remember being a young man at that time

261

00:14:21,440 --> 00:14:18,480

I woke up one morning and I had his name

262

00:14:24,020 --> 00:14:21,450

in might like him in my mind

263

00:14:27,710 --> 00:14:24,030

Wingull one and I repeated his name

264

00:14:29,840 --> 00:14:27,720

couple times and I was I was maybe 18 or

265

00:14:32,150 --> 00:14:29,850

19 I had no idea where he was back then

266

00:14:36,050 --> 00:14:32,160

I didn't have a computer to you know to

267

00:14:38,630 --> 00:14:36,060

google his name yeah and later on I I

268

00:14:40,640 --> 00:14:38,640

learn who he was but for some reason his

269

00:14:44,570 --> 00:14:40,650

name came to my mind during that time

270

00:14:47,720 --> 00:14:44,580

and I had no idea why not I never I

271

00:14:50,840 --> 00:14:47,730

never did contact him lived in New York

272

00:14:53,090 --> 00:14:50,850

City and in the West Village and not so

273

00:14:55,190 --> 00:14:53,100

far away from where I was in the East

274

00:14:57,620 --> 00:14:55,200

Village and I believe it or not I knew

275

00:14:59,510 --> 00:14:57,630

many people who knew him both on the

276

00:15:01,640 --> 00:14:59,520

East Coast and the west coast and I

277

00:15:03,410 --> 00:15:01,650

could never make his acquaintance but I

278

00:15:06,020 --> 00:15:03,420

do understand that he was one of the

279

00:15:08,110 --> 00:15:06,030

most powerful psychics out there in fact

280

00:15:11,750 --> 00:15:08,120

during the remote viewing program at

281

00:15:15,140 --> 00:15:11,760

Stanford Research Institute he was the

282

00:15:19,700 --> 00:15:15,150

only remote viewer of many powerful

283

00:15:23,060 --> 00:15:19,710

psychics who could read numbers and that

284

00:15:25,430 --> 00:15:23,070

were hidden from him it's it's very hard

285

00:15:28,490 --> 00:15:25,440

to like read numbers for a remote viewer

286

00:15:30,950 --> 00:15:28,500

this is just by the by but he was able

287

00:15:33,740 --> 00:15:30,960

to do so so I wonder if he was

288

00:15:36,320 --> 00:15:33,750

projecting his name you know who your

289

00:15:39,170 --> 00:15:36,330

consciousness because I would not

290

00:15:40,759 --> 00:15:39,180

suspect most people of being able to do

291

00:15:43,280 --> 00:15:40,769

that but him

292

00:15:45,169 --> 00:15:43,290

maybe so and Ingo Swann is such an

293

00:15:48,319 --> 00:15:45,179

unusual name I mean it's not like I

294

00:15:51,049 --> 00:15:48,329

think yeah it is and not a celebrity at

295

00:15:53,090 --> 00:15:51,059

that time right right Wow I kept saying

296

00:15:56,629 --> 00:15:53,100

to myself Ingo Swann

297

00:15:59,079 --> 00:15:56,639

what is that was that and right before

298

00:16:02,030 --> 00:15:59,089

before I join the Navy and after that I

299

00:16:04,699 --> 00:16:02,040

maybe I heard about him but much later

300

00:16:06,710 --> 00:16:04,709

on but yet it's so I never forget that

301
00:16:08,720 --> 00:16:06,720
and it's so impressed you that you

302
00:16:10,819 --> 00:16:08,730
didn't forget it and you know it sounds

303
00:16:12,590 --> 00:16:10,829
like almost a silly dream you wake up

304
00:16:14,329 --> 00:16:12,600
nothing what kind of name was that and

305
00:16:14,869 --> 00:16:14,339
then you'd forget about it but you did

306
00:16:19,609 --> 00:16:14,879
not

307
00:16:21,139 --> 00:16:19,619
so that centrosome was that right around

308
00:16:24,079 --> 00:16:21,149
the time that you had these other

309
00:16:27,199 --> 00:16:24,089
encounters we had encounters it

310
00:16:30,139 --> 00:16:27,209
I'm originally from Cuba and when I was

311
00:16:33,009 --> 00:16:30,149
a young man there maybe and six or five

312
00:16:35,889 --> 00:16:33,019
years old I had several encountered with

313
00:16:40,400 --> 00:16:35,899

maybe they they fall in the end the

314

00:16:42,199 --> 00:16:40,410

category of maybe ghosts I'm not sure

315

00:16:44,809 --> 00:16:42,209

maybe they're they're they're the same

316

00:16:47,569 --> 00:16:44,819

thing there I'm not sure but I a member

317

00:16:49,699 --> 00:16:47,579

one day maybe I was five or six years

318

00:16:52,309 --> 00:16:49,709

old there was a hallway in my house

319

00:16:54,439 --> 00:16:52,319

where I lived and there was a mirror I

320

00:16:56,590 --> 00:16:54,449

walk by the mirror and I looked at the

321

00:17:00,439 --> 00:16:56,600

mirror and there was a man oh wow

322

00:17:02,389 --> 00:17:00,449

staring at me he looked like a beard and

323

00:17:04,429 --> 00:17:02,399

he looked like your typical you know the

324

00:17:06,379 --> 00:17:04,439

what you see in the movie when you see

325

00:17:08,720 --> 00:17:06,389

that all Spanish soldiers at

326

00:17:11,000 --> 00:17:08,730

conquistador with a helmet yes helmet

327

00:17:12,289 --> 00:17:11,010

and a beard and he looked he was looked

328

00:17:15,260 --> 00:17:12,299

at me grinning at me

329

00:17:18,079 --> 00:17:15,270

no score I was frightened now you ran I

330

00:17:20,179 --> 00:17:18,089

told my mom Corps of course that she

331

00:17:22,720 --> 00:17:20,189

dismissed what didn't you know when I

332

00:17:24,919 --> 00:17:22,730

what I told her she didn't believe me I

333

00:17:26,419 --> 00:17:24,929

was one of the one of the experiences

334

00:17:30,139 --> 00:17:26,429

that I had I I remember another

335

00:17:31,940 --> 00:17:30,149

experience also it was kind of one of

336

00:17:35,419 --> 00:17:31,950

those when you have one of those lucid

337

00:17:37,220 --> 00:17:35,429

dreams are you very very real but if you

338

00:17:38,690 --> 00:17:37,230

think it's only a dream but I was

339

00:17:41,690 --> 00:17:38,700

sitting in the kitchen there were

340

00:17:44,870 --> 00:17:41,700

several what I can only describe to your

341

00:17:46,250 --> 00:17:44,880

Oh shows that were beans and I couldn't

342

00:17:49,340 --> 00:17:46,260

see no features because there they were

343

00:17:50,990 --> 00:17:49,350

like white and luminous Wow and they

344

00:17:52,580 --> 00:17:51,000

were like talking to me I know they were

345

00:17:54,620 --> 00:17:52,590

talking to me about something important

346

00:17:56,840 --> 00:17:54,630

but I don't know

347

00:17:58,760 --> 00:17:56,850

never didn't remember or never did that

348

00:18:00,560 --> 00:17:58,770

recall what they were talking to me

349

00:18:02,870 --> 00:18:00,570

about perhaps think maybe doesn't that's

350

00:18:05,960 --> 00:18:02,880

why I don't know but that's one of the

351

00:18:08,450 --> 00:18:05,970

reasons later on in life maybe I became

352

00:18:10,730 --> 00:18:08,460

so interested in this subject well I

353

00:18:13,400 --> 00:18:10,740

think that's the case with the two of us

354

00:18:15,500 --> 00:18:13,410

as well I was going to say perhaps they

355

00:18:18,800 --> 00:18:15,510

were speaking to your higher self and

356

00:18:21,010 --> 00:18:18,810

that on some level your soul remembers

357

00:18:24,770 --> 00:18:21,020

what they had to say to you but when you

358

00:18:27,140 --> 00:18:24,780

came into the 4d a reality that we

359

00:18:29,240 --> 00:18:27,150

experience here on earth that was hidden

360

00:18:31,700 --> 00:18:29,250

from you much like you know possibly

361

00:18:33,290 --> 00:18:31,710

your past lives or you you know your

362

00:18:35,750 --> 00:18:33,300

soul group and you know are not

363

00:18:41,120 --> 00:18:35,760

communicating with you on the conscious

364

00:18:44,480 --> 00:18:41,130

level in 4d also I just want to quickly

365

00:18:46,280 --> 00:18:44,490

mention that a lot of us are sort of we

366

00:18:48,740 --> 00:18:46,290

don't talk about these things unless we

367

00:18:51,680 --> 00:18:48,750

know someone really well which is

368

00:18:53,900 --> 00:18:51,690

another reason that they keep hidden so

369

00:18:55,640 --> 00:18:53,910

yours is a wonderful place to have

370

00:19:01,510 --> 00:18:55,650

everybody come and recount their

371

00:19:04,940 --> 00:19:01,520

experiences it's a Garuda g AR UDA 79 at

372

00:19:09,080 --> 00:19:04,950

att.net you've you're brave guy to put

373

00:19:11,180 --> 00:19:09,090

this all out in public Albert listen I

374

00:19:13,660 --> 00:19:11,190

want everybody to share their

375

00:19:16,550 --> 00:19:13,670

experiences I know that there's been

376

00:19:17,690 --> 00:19:16,560

many people maybe perhaps thousands of

377

00:19:19,610 --> 00:19:17,700

people that have gone through their

378

00:19:22,030 --> 00:19:19,620

grades without sharing what what had

379

00:19:24,560 --> 00:19:22,040

happened to them and I think everything

380

00:19:27,110 --> 00:19:24,570

everyone should know once you share

381

00:19:29,870 --> 00:19:27,120

their experiences with others so they

382

00:19:31,580 --> 00:19:29,880

know they're not alone yes it happened

383

00:19:34,430 --> 00:19:31,590

to look to other people and every

384

00:19:37,010 --> 00:19:34,440

everything should be known to see what's

385

00:19:39,770 --> 00:19:37,020

really going on about the mirror

386

00:19:41,900 --> 00:19:39,780

experience that you had I just want to

387

00:19:44,780 --> 00:19:41,910

share with you that when I was a little

388

00:19:47,270 --> 00:19:44,790

girl I had to spend a lot of time with

389

00:19:49,010 --> 00:19:47,280

my grandmother when my parents were out

390

00:19:50,240 --> 00:19:49,020

of out of the house and she lived

391

00:19:52,760 --> 00:19:50,250

upstairs from me

392

00:19:56,330 --> 00:19:52,770

and she had a variety of antique mirrors

393

00:19:58,580 --> 00:19:56,340

there and when I was up there alone like

394

00:20:00,950 --> 00:19:58,590

if she was not home for whatever going

395

00:20:04,580 --> 00:20:00,960

out getting groceries or whatever I

396

00:20:08,150 --> 00:20:04,590

would take like towels and cover the

397

00:20:08,480 --> 00:20:08,160

mirrors because I felt that I could see

398

00:20:12,260 --> 00:20:08,490

some

399

00:20:14,390 --> 00:20:12,270

then watching me from inside those those

400

00:20:18,710 --> 00:20:14,400

antique mirrors and it wasn't until I

401
00:20:22,000 --> 00:20:18,720
was an adult and I met some Jewish folks

402
00:20:25,130 --> 00:20:22,010
who told me that when a person dies in a

403
00:20:27,590 --> 00:20:25,140
traditional Jewish household that they

404
00:20:31,280 --> 00:20:27,600
cover all the mirrors during the period

405
00:20:33,710 --> 00:20:31,290
of mourning and I felt that because it's

406
00:20:36,680 --> 00:20:33,720
a very old tradition you know predating

407
00:20:39,770 --> 00:20:36,690
Christianity even that this might be a

408
00:20:42,980 --> 00:20:39,780
meaningful a meaningful tradition and

409
00:20:45,669 --> 00:20:42,990
that I somehow intuitively felt the same

410
00:20:49,040 --> 00:20:45,679
way what do you think about that Albert

411
00:20:52,160 --> 00:20:49,050
well you know mirror the always

412
00:20:55,520 --> 00:20:52,170
fascinated me you know it is if you

413
00:20:58,540 --> 00:20:55,530

stare into a mirror it is said that if

414

00:21:03,890 --> 00:20:58,550

you stare long enough you could see

415

00:21:06,049 --> 00:21:03,900

either your future self or other other

416

00:21:07,850 --> 00:21:06,059

beings or other events that that's you

417

00:21:10,970 --> 00:21:07,860

have to concentrate and stare at it I

418

00:21:15,110 --> 00:21:10,980

try to several times and to be maybe

419

00:21:18,140 --> 00:21:15,120

dark but I'm but but yeah I II I think

420

00:21:21,290 --> 00:21:18,150

nerves are like I don't know maybe

421

00:21:23,390 --> 00:21:21,300

they're gay through through other

422

00:21:26,650 --> 00:21:23,400

dimensions you get I do I do a portal I

423

00:21:30,440 --> 00:21:26,660

do believe in other dimension places and

424

00:21:32,810 --> 00:21:30,450

and realms what which I think most most

425

00:21:35,169 --> 00:21:32,820

of the humanoids come from other

426

00:21:38,120 --> 00:21:35,179

dimensions which sometimes they're like

427

00:21:41,570 --> 00:21:38,130

they're like you say portals are open

428

00:21:46,940 --> 00:21:41,580

and they briefly come into our reality

429

00:21:49,340 --> 00:21:46,950

and that's what happens we see human and

430

00:21:54,590 --> 00:21:49,350

I also believe that all there's also

431

00:21:57,020 --> 00:21:54,600

what you call the UFOs I believe there

432

00:22:00,620 --> 00:21:57,030

is an extract extraterrestrial presence

433

00:22:05,020 --> 00:22:00,630

here and on earth also as do we I

434

00:22:08,930 --> 00:22:05,030

believe can you give us an example of

435

00:22:10,760 --> 00:22:08,940

like say one of your favorite things

436

00:22:13,370 --> 00:22:10,770

from the past several months one of your

437

00:22:15,110 --> 00:22:13,380

favorite humanoid sightings from the

438

00:22:17,900 --> 00:22:15,120

past several months what you think is

439

00:22:21,489 --> 00:22:17,910

really kind of a almost like an open

440

00:22:30,439 --> 00:22:25,519

internal like I said IIE my recent files

441

00:22:33,889 --> 00:22:30,449

are I'm unable to open my laptop today

442

00:22:41,239 --> 00:22:33,899

for some reason is it my laptop is not

443

00:22:44,149 --> 00:22:41,249

working we have had more glitches while

444

00:22:46,279 --> 00:22:44,159

doing this and it's so unexplained and

445

00:22:49,669 --> 00:22:46,289

we all look at each other and go we've

446

00:22:52,309 --> 00:22:49,679

come to call it the Tesla effect I don't

447

00:22:54,139 --> 00:22:52,319

know I I got up this morning at 4:30 I

448

00:22:57,229 --> 00:22:54,149

go to work early I turn on my computer

449

00:23:02,299 --> 00:22:57,239

is working fine no problem I get back

450

00:23:04,429 --> 00:23:02,309

home today at 2:30 3 o'clock it's not

451
00:23:07,189 --> 00:23:04,439
working and I tried everything that's

452
00:23:09,409 --> 00:23:07,199
not turning on and it's early--you

453
00:23:11,539 --> 00:23:09,419
firmly locked up and then you don't know

454
00:23:13,309 --> 00:23:11,549
how frustrating it is but it is

455
00:23:14,779 --> 00:23:13,319
frustrating because I have a lot of

456
00:23:21,609 --> 00:23:14,789
files there which I haven't backed up

457
00:23:24,349 --> 00:23:21,619
yet I'm hope yeah I'm hoping I could

458
00:23:26,779 --> 00:23:24,359
copy the files if there's something

459
00:23:29,179 --> 00:23:26,789
wrong with it that it's not stable maybe

460
00:23:31,519 --> 00:23:29,189
I could save this file hoping we'll see

461
00:23:33,679 --> 00:23:31,529
but I could tell you a report that's

462
00:23:36,559 --> 00:23:33,689
always fascinated me oh not a recent

463
00:23:40,699 --> 00:23:36,569

report but it's one that occurred back

464

00:23:42,649 --> 00:23:40,709

in 1973 and remember 73 was a very

465

00:23:45,139 --> 00:23:42,659

important years as far as encounters and

466

00:23:46,819 --> 00:23:45,149

humanoids most all over the world in the

467

00:23:49,399 --> 00:23:46,829

United States thingy but it also in

468

00:23:55,249 --> 00:23:49,409

other parts of the world now this report

469

00:23:59,299 --> 00:23:55,259

occurred in France and the location of

470

00:23:59,809 --> 00:23:59,309

the November 26 1973 around 1:00 in the

471

00:24:03,079 --> 00:23:59,819

morning

472

00:24:06,259 --> 00:24:03,089

a place called Mario's weekly Mario's

473

00:24:10,339 --> 00:24:06,269

ambough baked in the in the north region

474

00:24:12,789 --> 00:24:10,349

of France and this is a man and a woman

475

00:24:15,529 --> 00:24:12,799

they were parking in a vehicle on a road

476
00:24:19,279 --> 00:24:15,539
near near that between those two small

477
00:24:23,379 --> 00:24:19,289
city towns they noticed on a nearby at a

478
00:24:26,779 --> 00:24:23,389
nearby field he a large metallic

479
00:24:29,329 --> 00:24:26,789
spherical hemispherical object about 50

480
00:24:31,789 --> 00:24:29,339
feet wide and the fields covered with

481
00:24:34,760 --> 00:24:31,799
snow and the option was there about a

482
00:24:39,470 --> 00:24:34,770
hundred yards away they stare at the

483
00:24:43,340 --> 00:24:39,480
deserted a dark opening appeared and

484
00:24:47,330 --> 00:24:43,350
from this opening from the door or the

485
00:24:50,060 --> 00:24:47,340
portal six beans came out you know there

486
00:24:52,970 --> 00:24:50,070
were yeah beans their entities three

487
00:24:55,760 --> 00:24:52,980
years yeah being done sorry I just

488
00:24:57,769 --> 00:24:55,770

misunderstood actually human oh it's

489

00:25:01,430 --> 00:24:57,779

answer and and there were three

490

00:25:03,080 --> 00:25:01,440

different kinds of entities of beans

491

00:25:05,750 --> 00:25:03,090

there is first there were three small

492

00:25:08,299 --> 00:25:05,760

humanoids the the first three was they

493

00:25:11,409 --> 00:25:08,309

had the large head about four feet tall

494

00:25:15,350 --> 00:25:11,419

and they have protruding eyes and with

495

00:25:17,690 --> 00:25:15,360

whites and also another narrow mouth and

496

00:25:20,500 --> 00:25:17,700

bulky cheeks and their artwork very long

497

00:25:22,460 --> 00:25:20,510

and they were dressed in tight-fitting

498

00:25:25,850 --> 00:25:22,470

tight-fitting one-piece

499

00:25:31,070 --> 00:25:25,860

metallic suits and each of those carried

500

00:25:35,930 --> 00:25:31,080

a whatever II am a dark box about six

501
00:25:37,789 --> 00:25:35,940
inches and on the side of the Box there

502
00:25:39,889 --> 00:25:37,799
were what appear to be white luminous

503
00:25:44,919 --> 00:25:39,899
screen on the box

504
00:25:48,260 --> 00:25:44,929
these are pre painted for the or slowly

505
00:25:50,510 --> 00:25:48,270
stiffly and fanned around like if they

506
00:25:52,220 --> 00:25:50,520
were searching for something and

507
00:25:54,049 --> 00:25:52,230
gradually they approach to the road

508
00:25:56,720 --> 00:25:54,059
until they were about fifty view from

509
00:25:59,120 --> 00:25:56,730
the witness and they stood there behind

510
00:26:01,250 --> 00:25:59,130
them near to the object that was on the

511
00:26:04,880 --> 00:26:01,260
ground appeared out of the object to

512
00:26:08,450 --> 00:26:04,890
human figures also these were about six

513
00:26:10,519 --> 00:26:08,460

and a half feet tall these human figures

514

00:26:13,730 --> 00:26:10,529

were like like complexion and blond

515

00:26:16,490 --> 00:26:13,740

shoulder-length hair there's like porn

516

00:26:19,269 --> 00:26:16,500

or the full nordic type beans and they

517

00:26:24,529 --> 00:26:19,279

were dressing like scuse me like theis

518

00:26:27,049 --> 00:26:24,539

putting metallic suits also and they

519

00:26:29,240 --> 00:26:27,059

stood on closest to the object but then

520

00:26:33,440 --> 00:26:29,250

this is the weird part closest to me out

521

00:26:36,740 --> 00:26:33,450

the next to the door appeared a a squat

522

00:26:40,070 --> 00:26:36,750

figure a very strange version with long

523

00:26:41,950 --> 00:26:40,080

dangling arms and it was apparently

524

00:26:44,830 --> 00:26:41,960

covered with dark fur

525

00:26:48,049 --> 00:26:44,840

according to the witnesses this creature

526

00:26:48,530 --> 00:26:48,059

whatever it was resemble on a bear or

527

00:26:54,290 --> 00:26:48,540

gray

528

00:26:56,210 --> 00:26:54,300

eight Wow yeah yes that's what I'm

529

00:26:58,150 --> 00:26:56,220

saying it appear to be guarding the

530

00:27:00,800 --> 00:26:58,160

entrance of the up - just stood there

531

00:27:03,590 --> 00:27:00,810

after about 10 minutes the small beans

532

00:27:05,720 --> 00:27:03,600

begin to approach the car and the woman

533

00:27:10,240 --> 00:27:05,730

the young woman began became frightened

534

00:27:13,340 --> 00:27:10,250

and jumped out and slamming the door and

535

00:27:18,110 --> 00:27:13,350

ran Bank - ran back to her own vehicle

536

00:27:21,350 --> 00:27:18,120

which is parked nearby when this

537

00:27:24,800 --> 00:27:21,360

happened the man saw that the figures

538

00:27:29,150 --> 00:27:24,810

are little beans re-entered the optic

539

00:27:31,820 --> 00:27:29,160

first when the animal type indicate went

540

00:27:33,410 --> 00:27:31,830

in followed followed by the two toll

541

00:27:37,880 --> 00:27:33,420

humans and then by the three small

542

00:27:40,970 --> 00:27:37,890

humanoids after that you have two worlds

543

00:27:44,330 --> 00:27:40,980

up into the air and disappear / - clean

544

00:27:46,250 --> 00:27:44,340

then westwards very high speed later on

545

00:27:52,490 --> 00:27:46,260

there they found strange tracks in the

546

00:27:55,130 --> 00:27:52,500

snow in the morning and and and you know

547

00:27:56,840 --> 00:27:55,140

footprints this is a very was

548

00:28:00,710 --> 00:27:56,850

investigated but being french

549

00:28:04,370 --> 00:28:00,720

researchers joel Mesnard he's the one

550

00:28:07,640 --> 00:28:04,380

that's involved with the French struggle

551
00:28:09,560 --> 00:28:07,650
for do follow G uh Lumiere still has new

552
00:28:13,430 --> 00:28:09,570
lights in the nights been on for years

553
00:28:15,050 --> 00:28:13,440
and Jan might eat the corn now this this

554
00:28:18,280 --> 00:28:15,060
case is I always found it fascinating

555
00:28:20,960 --> 00:28:18,290
because different types of NTPC

556
00:28:23,930 --> 00:28:20,970
apparently working together interesting

557
00:28:28,120 --> 00:28:23,940
that's who - tall humans long incre

558
00:28:31,190 --> 00:28:28,130
blond hair of course a three type

559
00:28:33,230 --> 00:28:31,200
humanoid with a large head and most

560
00:28:36,890 --> 00:28:33,240
interesting that the ape-like creature

561
00:28:40,490 --> 00:28:36,900
yes which apparently you know will you

562
00:28:41,330 --> 00:28:40,500
know accompanying the the other that is

563
00:28:44,300 --> 00:28:41,340

fascinating

564

00:28:47,240 --> 00:28:44,310

it reminds me a little bit of the fact

565

00:28:50,300 --> 00:28:47,250

that Travis Walton reports in his

566

00:28:52,430 --> 00:28:50,310

abduction scenario that towards the end

567

00:28:55,970 --> 00:28:52,440

he was in an area where there were a

568

00:28:59,480 --> 00:28:55,980

variety of different types of aliens as

569

00:29:02,120 --> 00:28:59,490

well yeah it kind of

570

00:29:05,150 --> 00:29:02,130

makes you think that either the little

571

00:29:10,490 --> 00:29:05,160

guys are like Androids

572

00:29:11,960 --> 00:29:10,500

perhaps or perhaps they could be they

573

00:29:15,640 --> 00:29:11,970

could it could be like a League of

574

00:29:19,040 --> 00:29:15,650

Nations sort of a thing of space a space

575

00:29:22,570 --> 00:29:19,050

League of Nations where there are

576

00:29:24,740 --> 00:29:22,580

different civilizations working together

577

00:29:26,510 --> 00:29:24,750

maybe that's what I think there are

578

00:29:28,700 --> 00:29:26,520

different types of species and they have

579

00:29:31,160 --> 00:29:28,710

their own their own the same objective

580

00:29:33,950 --> 00:29:31,170

here and on earth I mean if you look at

581

00:29:36,530 --> 00:29:33,960

hers we're like in the back waters of

582

00:29:42,560 --> 00:29:36,540

the galaxy a little speck of dust in

583

00:29:46,010 --> 00:29:42,570

middle nowhere yeah I mean and now it's

584

00:29:47,870 --> 00:29:46,020

just I'm thinking that there's like in

585

00:29:49,610 --> 00:29:47,880

like in science fiction story there

586

00:29:51,650 --> 00:29:49,620

there's got to be thousands of

587

00:29:55,240 --> 00:29:51,660

civilizations in our galaxy alone and

588

00:29:57,919 --> 00:29:55,250

they and they must have some kind of

589

00:30:00,860 --> 00:29:57,929

cooperation or Federation and you know

590

00:30:04,640 --> 00:30:00,870

which maybe in the future will we will

591

00:30:07,880 --> 00:30:04,650

be allowed to join in when we stop being

592

00:30:09,650 --> 00:30:07,890

so mean as human beings we stop we've

593

00:30:22,160 --> 00:30:09,660

got destroyed our planet and killing

594

00:30:23,900 --> 00:30:22,170

each other but obviously um you know

595

00:30:24,890 --> 00:30:23,910

when you see all these people and I

596

00:30:28,970 --> 00:30:24,900

asked

597

00:30:32,030 --> 00:30:28,980

we had Denise stoner on and she's had a

598

00:30:35,240 --> 00:30:32,040

fortune or misfortune of being abducted

599

00:30:37,430 --> 00:30:35,250

many many times and actually after she

600

00:30:41,210 --> 00:30:37,440

got over her fear would actually have

601
00:30:43,370 --> 00:30:41,220
conversations with the abductors and I

602
00:30:45,590 --> 00:30:43,380
had asked her if she had any sense of

603
00:30:49,070 --> 00:30:45,600
their history and in other words I'm

604
00:30:52,700 --> 00:30:49,080
sure they evolved from earlier organisms

605
00:30:54,680 --> 00:30:52,710
and you know their civilization probably

606
00:30:56,720 --> 00:30:54,690
went through several growing stages I

607
00:30:58,850 --> 00:30:56,730
don't think you become an enormous

608
00:31:01,130 --> 00:30:58,860
technology overnight you have to go

609
00:31:04,460 --> 00:31:01,140
through certain phases do you ever get

610
00:31:08,590 --> 00:31:04,470
that sense from the beings that you've

611
00:31:11,320 --> 00:31:08,600
had interactions with that perhaps

612
00:31:13,280 --> 00:31:11,330
they're trying to help us along a bit

613
00:31:17,510 --> 00:31:13,290

like you know like

614

00:31:19,820 --> 00:31:17,520

Dumbo well I I think that that

615

00:31:22,730 --> 00:31:19,830

throughout our history we've been

616

00:31:26,210 --> 00:31:22,740

influenced by outside forces either

617

00:31:28,910 --> 00:31:26,220

either being humanoids or being from

618

00:31:32,480 --> 00:31:28,920

other planets or dimensions but I think

619

00:31:37,340 --> 00:31:32,490

we've written within times helped along

620

00:31:40,510 --> 00:31:37,350

we they have prevented catastrophes and

621

00:31:44,060 --> 00:31:40,520

they I think that we've been we've been

622

00:31:46,280 --> 00:31:44,070

at least watched broke for a long time

623

00:31:47,780 --> 00:31:46,290

through all our history if you consider

624

00:31:49,520 --> 00:31:47,790

all the accounts of the you know

625

00:31:52,760 --> 00:31:49,530

encounters and hiding throughout history

626
00:31:56,320 --> 00:31:52,770
over you know strange events even during

627
00:31:58,820 --> 00:31:56,330
the Dark Ages during the platen place

628
00:32:01,370 --> 00:31:58,830
there were reports of you know and

629
00:32:03,050 --> 00:32:01,380
strange encounters uh I don't know maybe

630
00:32:06,740 --> 00:32:03,060
that there there's some time

631
00:32:08,600 --> 00:32:06,750
manipulation going out of the human race

632
00:32:10,340 --> 00:32:08,610
maybe there maybe maybe there positive

633
00:32:11,780 --> 00:32:10,350
forces and their negative forces and

634
00:32:14,780 --> 00:32:11,790
maybe there there's some kind of

635
00:32:17,420 --> 00:32:14,790
struggle between them where we're stuck

636
00:32:19,490 --> 00:32:17,430
in the middle one of the problems in

637
00:32:21,560 --> 00:32:19,500
ufology is that you just never get

638
00:32:24,770 --> 00:32:21,570

enough consistent data to come to any

639

00:32:26,930 --> 00:32:24,780

conclusions but and for example with you

640

00:32:30,320 --> 00:32:26,940

you have consistently reported these

641

00:32:33,020 --> 00:32:30,330

cases now you have 17,000 that's a lot

642

00:32:35,240 --> 00:32:33,030

of data and yet it's this pretty enough

643

00:32:38,480 --> 00:32:35,250

where it doesn't lead to any particular

644

00:32:39,020 --> 00:32:38,490

conclusion other than that there are you

645

00:32:42,520 --> 00:32:39,030

monoids

646

00:32:45,800 --> 00:32:42,530

aside from humans on this planet and I

647

00:32:47,930 --> 00:32:45,810

but what but that's quite a conclusion

648

00:32:52,160 --> 00:32:47,940

that alone you don't have to explain it

649

00:32:54,230 --> 00:32:52,170

just that alone is enough i yes i I

650

00:32:57,020 --> 00:32:54,240

don't try to find a solution to the

651
00:32:59,540 --> 00:32:57,030
youthful what quote-unquote problem I

652
00:33:01,580 --> 00:32:59,550
know I don't I gave up doing that a long

653
00:33:04,880 --> 00:33:01,590
time ago I the problem with many of

654
00:33:07,280 --> 00:33:04,890
these researches and beautiful groups

655
00:33:09,050 --> 00:33:07,290
that they think they're gonna find a

656
00:33:10,670 --> 00:33:09,060
solution they're gonna solve the useful

657
00:33:14,180 --> 00:33:10,680
problem but there's no I don't think

658
00:33:16,520 --> 00:33:14,190
that's ever going to happen I think all

659
00:33:22,910 --> 00:33:16,530
you can do is collect the data and see

660
00:33:25,100 --> 00:33:22,920
and see and report and the the I think

661
00:33:27,260 --> 00:33:25,110
the solution they're the only ones can

662
00:33:29,900 --> 00:33:27,270
they can tell us

663
00:33:31,460 --> 00:33:29,910

really going on Oh what's happening I

664

00:33:34,100 --> 00:33:31,470

don't know the government the government

665

00:33:36,950 --> 00:33:34,110

might have more information that we do

666

00:33:39,290 --> 00:33:36,960

but uh another be sure they really know

667

00:33:41,770 --> 00:33:39,300

exactly what's what's going on it's

668

00:33:44,990 --> 00:33:41,780

possible that our human minds can't

669

00:33:48,560 --> 00:33:45,000

quite comprehend the entirety of the

670

00:33:51,200 --> 00:33:48,570

situation and that it involves things

671

00:33:53,440 --> 00:33:51,210

that are beyond our understanding simply

672

00:33:56,960 --> 00:33:53,450

because we don't experience them

673

00:33:59,299 --> 00:33:56,970

directly I was wondering what you

674

00:34:03,890 --> 00:33:59,309

thought about the Nephilim you know did

675

00:34:06,799 --> 00:34:03,900

do do you have any interest in the the

676

00:34:09,580 --> 00:34:06,809

ancient the really ancient aliens and

677

00:34:14,270 --> 00:34:09,590

the Giants that were the Nephilim oh

678

00:34:18,379 --> 00:34:14,280

yeah yeah definitely I think I read I

679

00:34:22,310 --> 00:34:18,389

think most of sakurai a-- searching

680

00:34:25,520 --> 00:34:22,320

books and like he called e---coli the

681

00:34:29,629 --> 00:34:25,530

Anunnaki and I think then the fillin the

682

00:34:31,129 --> 00:34:29,639

Nephilim were I believe they're me my

683

00:34:36,590 --> 00:34:31,139

opinion maybe there was some kind of

684

00:34:37,940 --> 00:34:36,600

human-alien hybrids that that uh for

685

00:34:41,389 --> 00:34:37,950

some reason they were they were wiped

686

00:34:44,720 --> 00:34:41,399

out by more powerful forces perhaps the

687

00:34:47,300 --> 00:34:44,730

the aliens themselves but uh but I

688

00:34:51,020 --> 00:34:47,310

believe that like I said throughout our

689

00:34:55,609 --> 00:34:51,030

history we've been we've been interfere

690

00:34:57,560 --> 00:34:55,619

with and directed by by other forces you

691

00:35:02,510 --> 00:34:57,570

know beyond our understanding

692

00:35:05,810 --> 00:35:02,520

for most people I believe can you can

693

00:35:10,099 --> 00:35:05,820

you recall any of the other sort of

694

00:35:14,240 --> 00:35:10,109

hybrid kind of experiences that you have

695

00:35:16,940 --> 00:35:14,250

recorded there because I had a one

696

00:35:19,940 --> 00:35:16,950

question about something that I

697

00:35:23,510 --> 00:35:19,950

encountered in the East Village a couple

698

00:35:26,150 --> 00:35:23,520

of years ago so it just wondering if you

699

00:35:27,880 --> 00:35:26,160

have any others on tap there or whether

700

00:35:34,280 --> 00:35:27,890

I should go forward and ask you about

701
00:35:36,980 --> 00:35:34,290
one particular experience of mine like I

702
00:35:40,850 --> 00:35:36,990
have so many cases around like I said I

703
00:35:44,690 --> 00:35:40,860
try to a lot of

704
00:35:46,400 --> 00:35:44,700
hybrid type cases that I have being like

705
00:35:51,050 --> 00:35:46,410
I said I appear to be human but not

706
00:35:56,630 --> 00:35:51,060
completely human and I know some cases

707
00:36:00,140 --> 00:35:56,640
like in them and Mexico lady and her

708
00:36:02,660 --> 00:36:00,150
daughter encounter very tall entity at a

709
00:36:05,420 --> 00:36:02,670
supermarket at a market grocery store

710
00:36:07,400 --> 00:36:05,430
that appeared a bit of extending they're

711
00:36:10,880 --> 00:36:07,410
looking around and very tall wearing a

712
00:36:13,790 --> 00:36:10,890
tight-fitting green collar oh it was

713
00:36:17,360 --> 00:36:13,800

blonde and apparently they were their

714

00:36:19,520 --> 00:36:17,370

only ones that heard the see him and he

715

00:36:22,160 --> 00:36:19,530

just stood there and they try to get the

716

00:36:25,490 --> 00:36:22,170

other people attention and no one really

717

00:36:27,220 --> 00:36:25,500

pay attention to them I sometimes I

718

00:36:29,420 --> 00:36:27,230

think that this entities are able to

719

00:36:31,250 --> 00:36:29,430

when they manifest they're able to

720

00:36:33,320 --> 00:36:31,260

control their environment around them

721

00:36:35,510 --> 00:36:33,330

and they maybe they choose who who's

722

00:36:38,390 --> 00:36:35,520

able to see them or not or how they're

723

00:36:41,510 --> 00:36:38,400

seen maybe they're projecting their even

724

00:36:44,180 --> 00:36:41,520

their tall blonde as well as other

725

00:36:47,000 --> 00:36:44,190

things my experience about three years

726

00:36:48,950 --> 00:36:47,010

ago on the streets of New York in the

727

00:36:51,620 --> 00:36:48,960

East Village and if you know what the

728

00:36:55,670 --> 00:36:51,630

East Village is like it's filled with

729

00:37:00,410 --> 00:36:55,680

people wearing unusual clothing maybe

730

00:37:02,570 --> 00:37:00,420

with various piercings and tattoos and

731

00:37:05,780 --> 00:37:02,580

so something like that would not be

732

00:37:08,090 --> 00:37:05,790

unusual for me to see okay in fact there

733

00:37:12,380 --> 00:37:08,100

was even a fellow walking around who had

734

00:37:14,150 --> 00:37:12,390

implanted in his forehead horns yes he

735

00:37:16,520 --> 00:37:14,160

had horns implanted in his forehead

736

00:37:18,590 --> 00:37:16,530

don't ask why I didn't and I did run

737

00:37:20,540 --> 00:37:18,600

into him in the supermarket but I knew

738

00:37:24,170 --> 00:37:20,550

he was a human being because I knew I

739

00:37:26,810 --> 00:37:24,180

knew about him however well I was on the

740

00:37:30,680 --> 00:37:26,820

street a couple of times actually three

741

00:37:34,100 --> 00:37:30,690

times this one summer and twice I saw

742

00:37:36,560 --> 00:37:34,110

what appeared to be a man and the other

743

00:37:40,760 --> 00:37:36,570

time a couple now the man that I saw

744

00:37:43,340 --> 00:37:40,770

twice he was walking with a couple of

745

00:37:47,660 --> 00:37:43,350

other fellows normal college-age maybe a

746

00:37:49,550 --> 00:37:47,670

little bit older young man and he had a

747

00:37:51,680 --> 00:37:49,560

head the size of a grapefruit

748

00:37:53,450 --> 00:37:51,690

I don't mean he had a small head Albert

749

00:37:54,410 --> 00:37:53,460

I mean he had a head the size of a

750

00:37:57,740 --> 00:37:54,420

grapefruit

751
00:38:00,410 --> 00:37:57,750
now I mean I was really done struck when

752
00:38:03,170 --> 00:38:00,420
I saw him I stared at him I didn't mean

753
00:38:05,000 --> 00:38:03,180
to I looked away thinking my god this

754
00:38:07,099 --> 00:38:05,010
poor guy what's going on with him and

755
00:38:09,140 --> 00:38:07,109
then I look back and and these other

756
00:38:10,819 --> 00:38:09,150
fellows who are with him you know they

757
00:38:12,680 --> 00:38:10,829
didn't seem to make notice nor did

758
00:38:14,870 --> 00:38:12,690
anybody on the street seem to notice

759
00:38:17,299 --> 00:38:14,880
that this poor fella had the head the

760
00:38:19,220 --> 00:38:17,309
size of a grapefruit or smaller now I

761
00:38:22,180 --> 00:38:19,230
wonder that's what I was getting to I

762
00:38:25,490 --> 00:38:22,190
wondered whether I was just being rude

763
00:38:28,849 --> 00:38:25,500

or whether I was the only one who could

764

00:38:31,849 --> 00:38:28,859

see what he really looked like what no

765

00:38:35,120 --> 00:38:31,859

one else no one else seemed to notice no

766

00:38:36,829 --> 00:38:35,130

one else yes yes like I guess like I

767

00:38:40,190 --> 00:38:36,839

mentioned that case in Mexico there that

768

00:38:44,630 --> 00:38:40,200

these people saw this like seven-foot

769

00:38:47,390 --> 00:38:44,640

tall man blond and you mean that not

770

00:38:49,970 --> 00:38:47,400

just typical person you'll see in a

771

00:38:51,559 --> 00:38:49,980

Mexican supermarket and these people

772

00:38:54,190 --> 00:38:51,569

that they were trying to get everybody

773

00:38:57,410 --> 00:38:54,200

else attention and they and everybody

774

00:39:00,170 --> 00:38:57,420

ignored them there was a parent that the

775

00:39:01,819 --> 00:39:00,180

only ones who's able to see me while his

776

00:39:03,799 --> 00:39:01,829

friends were talking seemed to be

777

00:39:05,779 --> 00:39:03,809

talking with him and so forth but what I

778

00:39:07,160 --> 00:39:05,789

think they couldn't see was that his

779

00:39:09,829 --> 00:39:07,170

head was only the size of a grapefruit

780

00:39:12,920 --> 00:39:09,839

and the other people on the street who

781

00:39:15,950 --> 00:39:12,930

were passing him by you know didn't see

782

00:39:18,349 --> 00:39:15,960

that he had this like really peculiar

783

00:39:20,480 --> 00:39:18,359

lately small head and you know who knows

784

00:39:22,849 --> 00:39:20,490

I don't know to this day if it was some

785

00:39:26,420 --> 00:39:22,859

form of an unfortunate affliction like a

786

00:39:28,190 --> 00:39:26,430

birth issue that he had but even at that

787

00:39:30,400 --> 00:39:28,200

I would think that other people would

788

00:39:32,870 --> 00:39:30,410

have been looking at him strangely

789

00:39:35,240 --> 00:39:32,880

because people are just not I mean

790

00:39:36,710 --> 00:39:35,250

people try to be kind sometimes but

791

00:39:39,859 --> 00:39:36,720

they're not you know they would have

792

00:39:43,539 --> 00:39:39,869

been just gobsmacked seeing that I'm

793

00:39:46,970 --> 00:39:43,549

sure that I mean that's completely

794

00:39:48,410 --> 00:39:46,980

completely unnatural and then maybe they

795

00:39:51,319 --> 00:39:48,420

didn't that they couldn't see what you

796

00:39:53,930 --> 00:39:51,329

were seeing and I saw him more than once

797

00:39:57,140 --> 00:39:53,940

and I also saw that at the same time

798

00:39:58,700 --> 00:39:57,150

frame I saw a couple walking down the

799

00:40:02,359 --> 00:39:58,710

street on 14th Street in the East

800

00:40:06,319 --> 00:40:02,369

Village and they also had peculiarly

801
00:40:07,579 --> 00:40:06,329
small heads and I wondered at the time

802
00:40:10,579 --> 00:40:07,589
perhaps

803
00:40:13,339 --> 00:40:10,589
this was like some form of a group that

804
00:40:14,959 --> 00:40:13,349
had come and you know just were hanging

805
00:40:16,880 --> 00:40:14,969
out in the East Village a group of

806
00:40:20,499 --> 00:40:16,890
humanoids or something and then they

807
00:40:22,729 --> 00:40:20,509
disappeared but I guess I don't know

808
00:40:27,979 --> 00:40:22,739
it's hard to find the answer to these

809
00:40:29,239 --> 00:40:27,989
things the weird thing is the your I

810
00:40:32,469 --> 00:40:29,249
don't know if you remember back in the

811
00:40:35,150 --> 00:40:32,479
in the 1989 when the yeah and

812
00:40:38,329 --> 00:40:35,160
lawlessness in Russia when the aliens

813
00:40:40,999 --> 00:40:38,339

were there reported some of the first

814

00:40:44,630 --> 00:40:41,009

reports of UFOs landings and sightings

815

00:40:47,059 --> 00:40:44,640

in Russia and 8089 the aliens that were

816

00:40:49,910 --> 00:40:47,069

reported there according to many

817

00:40:53,870 --> 00:40:49,920

witnesses like in the park a UFO landed

818

00:40:56,239 --> 00:40:53,880

and a giant beam came out a creature and

819

00:40:58,429 --> 00:40:56,249

as is hair was small compared to his

820

00:41:02,469 --> 00:40:58,439

body they said it was small and round

821

00:41:08,029 --> 00:41:05,749

yeah they had large buddy bodies whether

822

00:41:09,620 --> 00:41:08,039

heads worked like round and small maybe

823

00:41:14,890 --> 00:41:09,630

like a graceful a little maybe a little

824

00:41:21,799 --> 00:41:20,359

I mean just yeah and I'm sure some of

825

00:41:24,039 --> 00:41:21,809

them weren't they they said that the

826

00:41:27,049 --> 00:41:24,049

heads were like like a like a stump

827

00:41:33,140 --> 00:41:27,059

maybe not completely like a head but

828

00:41:35,779 --> 00:41:33,150

they very small Wow this was an 89 was

829

00:41:39,650 --> 00:41:35,789

that the one where the UFO landed in the

830

00:41:41,900 --> 00:41:39,660

school yard and a park you know in a

831

00:41:49,150 --> 00:41:41,910

park and there were a lot of doing owls

832

00:41:52,219 --> 00:41:49,160

or students that there were reports ever

833

00:41:54,650 --> 00:41:52,229

yes and September there were several

834

00:41:57,140 --> 00:41:54,660

incidents actually all the way covering

835

00:41:59,989 --> 00:41:57,150

from September all the way to December

836

00:42:03,620 --> 00:41:59,999

in that same area and there were like

837

00:42:06,410 --> 00:42:03,630

landings and reports of UFOs and

838

00:42:07,819 --> 00:42:06,420

contacts all the kinds of incidents and

839

00:42:10,339 --> 00:42:07,829

actually the government at that time

840

00:42:12,079 --> 00:42:10,349

they had no real effort to cover it up I

841

00:42:15,169 --> 00:42:12,089

believe it was fairly well covered in

842

00:42:19,249 --> 00:42:15,179

the press - it was well the first time

843

00:42:21,499 --> 00:42:19,259

that the Russian newspaper news agency

844

00:42:24,409 --> 00:42:21,509

Tass can I was such a

845

00:42:24,979 --> 00:42:24,419

report which is running to price a lot

846

00:42:27,769 --> 00:42:24,989

of people

847

00:42:30,319 --> 00:42:27,779

I remember they seem very much more open

848

00:42:34,159 --> 00:42:30,329

to it over on on that side of the globe

849

00:42:36,379 --> 00:42:34,169

then we are here in America so much so

850

00:42:40,519 --> 00:42:36,389

that in one of the stands

851
00:42:46,009 --> 00:42:40,529
maybe Kazakhstan what had jika Stan they

852
00:42:49,279 --> 00:42:46,019
have built a UFO landing port and one of

853
00:42:53,539 --> 00:42:49,289
the former presidents of Russia came out

854
00:42:57,829 --> 00:42:53,549
there's a there's a contact II yes yeah

855
00:43:00,370 --> 00:42:57,839
yes he was a former president of a

856
00:43:03,969 --> 00:43:00,380
Russian Republic's

857
00:43:07,669 --> 00:43:03,979
kalmykia we according to him he was

858
00:43:10,789 --> 00:43:07,679
abducted I can in the 90s I believe and

859
00:43:14,059 --> 00:43:10,799
he was contacted and and yeah you know a

860
00:43:18,620 --> 00:43:14,069
lot of people taken surgery over there

861
00:43:22,939 --> 00:43:18,630
he but they consider him I mean a normal

862
00:43:26,809 --> 00:43:22,949
person and a very respected man he even

863
00:43:29,929 --> 00:43:26,819

met the current Russian President Putin

864

00:43:32,589 --> 00:43:29,939

and I saying Putin was a very good but

865

00:43:35,359 --> 00:43:32,599

you know he's are apparently he's uh

866

00:43:39,409 --> 00:43:35,369

someone that was taken seriously over

867

00:43:41,569 --> 00:43:39,419

there yes yes and one of the other

868

00:43:44,089 --> 00:43:41,579

fellows who was actually the President

869

00:43:48,620 --> 00:43:44,099

of Russia not the Prime Minister but the

870

00:43:51,969 --> 00:43:48,630

President of Russia he he said that when

871

00:43:56,179 --> 00:43:51,979

he became president they gave him two

872

00:43:58,849 --> 00:43:56,189

briefcases and one briefcase had in it

873

00:44:02,419 --> 00:43:58,859

like secrets of the Cold War you know

874

00:44:04,159 --> 00:44:02,429

about the US and the different thing the

875

00:44:06,289 --> 00:44:04,169

different countries that they felt were

876

00:44:09,709 --> 00:44:06,299

kind of enemy countries and the other

877

00:44:13,969 --> 00:44:09,719

briefcase can can had an inside of it

878

00:44:19,999 --> 00:44:13,979

all the UFO reports that they deemed to

879

00:44:23,659 --> 00:44:20,009

be real so I yeah there's there's a

880

00:44:26,929 --> 00:44:23,669

report about the secret KGB files

881

00:44:30,859 --> 00:44:26,939

beginning with UFOs and and encounters

882

00:44:33,849 --> 00:44:30,869

yes one of the funniest stories I recall

883

00:44:35,510 --> 00:44:33,859

is the late Budd Hopkins was on once and

884

00:44:37,370 --> 00:44:35,520

when he

885

00:44:40,100 --> 00:44:37,380

was living I guess and Chelsea in New

886

00:44:42,860 --> 00:44:40,110

York of course the street from him there

887

00:44:45,110 --> 00:44:42,870

was a sort of a liquor store I guess

888

00:44:47,300 --> 00:44:45,120

like where he would buy wine and so on

889

00:44:51,200 --> 00:44:47,310

and he became friendly with the man be

890

00:44:54,140 --> 00:44:51,210

who's you know the owner and the guy

891

00:44:55,730 --> 00:44:54,150

eventually told him this story which he

892

00:44:57,830 --> 00:44:55,740

said listen even though I have this

893

00:45:01,160 --> 00:44:57,840

establishment I tend I'm just not a

894

00:45:04,160 --> 00:45:01,170

drinker and so I said everyone thinks I

895

00:45:07,550 --> 00:45:04,170

was when I told them this story he drove

896

00:45:10,400 --> 00:45:07,560

home from New York City to New Jersey

897

00:45:13,190 --> 00:45:10,410

one night and I think it was over in the

898

00:45:16,460 --> 00:45:13,200

Clifton area and as he's coming up along

899

00:45:19,010 --> 00:45:16,470

the Palisades this saucer type this egg

900

00:45:21,830 --> 00:45:19,020

shy egg-shaped saucer lands in front of

901
00:45:24,470 --> 00:45:21,840
him the man was so amazed he stopped it

902
00:45:27,730 --> 00:45:24,480
was one of the parks along the Hudson I

903
00:45:30,530 --> 00:45:27,740
forget which one anyway beings come out

904
00:45:33,200 --> 00:45:30,540
they start thinking up some dirt and

905
00:45:35,750 --> 00:45:33,210
they look at him wave and get back in

906
00:45:38,030 --> 00:45:35,760
the craft and leave and the guy was

907
00:45:40,640 --> 00:45:38,040
absolutely flummoxed he goes it's 2:00

908
00:45:42,440 --> 00:45:40,650
in the morning as it turned out a

909
00:45:44,810 --> 00:45:42,450
doorman of one of the high-rises

910
00:45:47,450 --> 00:45:44,820
actually saw the same thing too so there

911
00:45:49,850 --> 00:45:47,460
were two witnesses to this event but it

912
00:45:52,550 --> 00:45:49,860
took him years to finally tell foot

913
00:45:54,710 --> 00:45:52,560

Hopkins about it but that is so bizarre

914

00:45:57,530 --> 00:45:54,720

I mean you know in the middle of a

915

00:45:59,720 --> 00:45:57,540

metropolitan area and one of the few

916

00:46:05,690 --> 00:45:59,730

parks that we have here this thing lands

917

00:46:10,010 --> 00:46:05,700

digs dirt it goes back I think I heard

918

00:46:15,410 --> 00:46:10,020

of that report yeah yeah exactly I

919

00:46:24,260 --> 00:46:15,420

couldn't recall it all it's almost

920

00:46:29,870 --> 00:46:24,270

laughable really the guy was not like a

921

00:46:35,060 --> 00:46:29,880

joker a lot of it's true a lot of the

922

00:46:36,890 --> 00:46:35,070

encounters completely I mean you say

923

00:46:39,350 --> 00:46:36,900

that laughable they're they're strange

924

00:46:42,710 --> 00:46:39,360

they're not going either they're they're

925

00:46:46,010 --> 00:46:42,720

like like like a lot of people are left

926

00:46:47,450 --> 00:46:46,020

you know completely confused I don't

927

00:46:49,490 --> 00:46:47,460

know if there's yeah I don't know if

928

00:46:52,700 --> 00:46:49,500

there's something

929

00:46:54,050 --> 00:46:52,710

that as part of a planner I'm not sure

930

00:46:56,870 --> 00:46:54,060

but a lot of the encounters are

931

00:47:01,280 --> 00:46:56,880

completely yeah I mean that'll make any

932

00:47:02,570 --> 00:47:01,290

sense bottom line well and then everyone

933

00:47:04,370 --> 00:47:02,580

tells you well yeah that's because

934

00:47:06,170 --> 00:47:04,380

they're not human and it doesn't make

935

00:47:16,400 --> 00:47:06,180

sense to us but it makes sense to him

936

00:47:19,610 --> 00:47:16,410

but the guy from SETI says Shaw stack

937

00:47:21,650 --> 00:47:19,620

yeah contract yep szostak yeah you know

938

00:47:24,830 --> 00:47:21,660

I mean here they are looking for aliens

939

00:47:26,840 --> 00:47:24,840

but if you mention UFOs they tell you no

940

00:47:28,640 --> 00:47:26,850

they can't exist so I mean it's sort of

941

00:47:31,370 --> 00:47:28,650

a little bit hypocritical but anyway

942

00:47:34,010 --> 00:47:31,380

said he does not recognize UFOs but they

943

00:47:36,650 --> 00:47:34,020

want to send they want to send beams now

944

00:47:39,950 --> 00:47:36,660

not only listen to beams from from space

945

00:47:42,830 --> 00:47:39,960

but they want to send a message to space

946

00:47:44,270 --> 00:47:42,840

and there's a big disagreement on

947

00:47:46,970 --> 00:47:44,280

whether or not they should do that

948

00:47:49,730 --> 00:47:46,980

because there are a number of people who

949

00:47:53,360 --> 00:47:49,740

believe that it's very highly dangerous

950

00:47:56,750 --> 00:47:53,370

and one of those people is of course the

951
00:48:00,290 --> 00:47:56,760
the physicist and you know major genius

952
00:48:02,120 --> 00:48:00,300
Stephen Hawking says Norman look what

953
00:48:04,430 --> 00:48:02,130
happened to the Native Americans the

954
00:48:07,250 --> 00:48:04,440
first people in this country and in

955
00:48:09,470 --> 00:48:07,260
Canada and Latin America a lot of them

956
00:48:12,110 --> 00:48:09,480
got massacred when they were introduced

957
00:48:14,510 --> 00:48:12,120
to it's a civilization whose technology

958
00:48:19,820 --> 00:48:14,520
was a bit advanced and they only

959
00:48:21,830 --> 00:48:19,830
slightly advanced exactly Incas and the

960
00:48:25,490 --> 00:48:21,840
Aztecs in South America are wiped out by

961
00:48:28,190 --> 00:48:25,500
a handful of Spanish yeah and the

962
00:48:30,320 --> 00:48:28,200
conquistadors they were not so far

963
00:48:32,620 --> 00:48:30,330

advanced they were a hundred years

964

00:48:35,420 --> 00:48:32,630

advanced they had firearms or whatever

965

00:48:37,640 --> 00:48:35,430

other than that the Mayas had a great

966

00:48:40,100 --> 00:48:37,650

civilization they weren't back in the

967

00:48:42,500 --> 00:48:40,110

Dark Ages they had their you know quite

968

00:48:44,450 --> 00:48:42,510

a vibrant the Aztecs and the Mayas had

969

00:48:47,480 --> 00:48:44,460

quite a vibrant sibling the civilization

970

00:48:49,990 --> 00:48:47,490

and yet they were they were wiped out by

971

00:48:53,690 --> 00:48:50,000

just by a slight technological

972

00:48:57,770 --> 00:48:53,700

advancement so right so Stephen Hawking

973

00:49:02,330 --> 00:48:57,780

is says that we are very rational to

974

00:49:03,079 --> 00:49:02,340

believe that there are beings in another

975

00:49:08,089 --> 00:49:03,089

world

976

00:49:10,670 --> 00:49:08,099

but it is a very bad idea for us to say

977

00:49:13,549 --> 00:49:10,680

howdy got a contract try to contact them

978

00:49:15,859 --> 00:49:13,559

by by saying hey we're over here we're

979

00:49:17,930 --> 00:49:15,869

still sort of dumb and a wonderful a

980

00:49:23,029 --> 00:49:17,940

wonderful woman I know who is a

981

00:49:25,930 --> 00:49:23,039

veterinarian said to me that that you

982

00:49:29,210 --> 00:49:25,940

know if you look at most of the higher

983

00:49:33,130 --> 00:49:29,220

developed animals on the planet most of

984

00:49:36,710 --> 00:49:33,140

the ones with you know more intelligence

985

00:49:39,079 --> 00:49:36,720

may be accepting the bonobo the the

986

00:49:43,059 --> 00:49:39,089

great little ape that is a vegetarian

987

00:49:46,730 --> 00:49:43,069

most of the higher animals are in fact

988

00:49:49,279 --> 00:49:46,740

carnivores or omnivores like humans are

989

00:49:52,339 --> 00:49:49,289

omnivorous but the Tigers Alliance the

990

00:49:57,829 --> 00:49:52,349

dogs for instance dogs even are

991

00:50:02,510 --> 00:49:57,839

carnivores so if evolution proceeded on

992

00:50:05,960 --> 00:50:02,520

such a level in other places in the

993

00:50:09,079 --> 00:50:05,970

galaxy it's likely that the carnivores

994

00:50:16,670 --> 00:50:09,089

are the ones who succeeded to serve man

995

00:50:19,700 --> 00:50:16,680

yes yeah episode from the Twilight Zone

996

00:50:22,220 --> 00:50:19,710

yeah yes but since Joe Terra went on to

997

00:50:25,250 --> 00:50:22,230

say and this is the reason he doubts

998

00:50:29,269 --> 00:50:25,260

UFOs he goes okay I guess no matter how

999

00:50:33,470 --> 00:50:29,279

you get here it has to cost something in

1000

00:50:37,039 --> 00:50:33,480

energy and energy will because something

1001

00:50:40,160 --> 00:50:37,049

to a civilization so he goes so now you

1002

00:50:43,970 --> 00:50:40,170

have a whole planet sending exploration

1003

00:50:47,900 --> 00:50:43,980

yes so and he goes and they're coming

1004

00:50:49,789 --> 00:50:47,910

here to form hybrids with humans and he

1005

00:50:52,279 --> 00:50:49,799

goes you mean to tell me this is gonna

1006

00:50:55,069 --> 00:50:52,289

pass a parliament somewhere on some

1007

00:50:57,470 --> 00:50:55,079

planet we're going to spend seven

1008

00:50:59,930 --> 00:50:57,480

trillion dollars so our reps can go down

1009

00:51:02,630 --> 00:50:59,940

to this dingy little planet and have

1010

00:51:05,569 --> 00:51:02,640

humanoid creatures reproduced he goes

1011

00:51:07,910 --> 00:51:05,579

not gonna fly it just the government's

1012

00:51:09,500 --> 00:51:07,920

are not gonna pass it so that's why he

1013

00:51:11,870 --> 00:51:09,510

thinks that they're not coming here

1014

00:51:14,559 --> 00:51:11,880

well his premise is wrong because how

1015

00:51:16,700 --> 00:51:14,569

he's assuming that they're like us

1016

00:51:19,310 --> 00:51:16,710

they could be completely too

1017

00:51:21,050 --> 00:51:19,320

from us right totally maybe they don't

1018

00:51:24,140 --> 00:51:21,060

have the same type of government or they

1019

00:51:25,849 --> 00:51:24,150

don't need to be going to Parliament to

1020

00:51:28,880 --> 00:51:25,859

be approved to do anything maybe they're

1021

00:51:30,020 --> 00:51:28,890

so far ahead of dances they don't they

1022

00:51:32,839 --> 00:51:30,030

don't meet that they're beyond that

1023

00:51:36,770 --> 00:51:32,849

they're beyond any any comprehension any

1024

00:51:39,109 --> 00:51:36,780

human type comprehend comprehension so I

1025

00:51:41,630 --> 00:51:39,119

think that thinking still would be wrong

1026
00:51:43,430 --> 00:51:41,640
you don't have radio signal see there

1027
00:51:45,260 --> 00:51:43,440
which says it's looking south is out

1028
00:51:48,050 --> 00:51:45,270
there looking for the radio signals

1029
00:51:50,630 --> 00:51:48,060
which one yeah for about the last 40

1030
00:51:52,820 --> 00:51:50,640
years and it's fading out now we're not

1031
00:51:55,730 --> 00:51:52,830
on the radio we're on the internet right

1032
00:51:57,800 --> 00:51:55,740
now talking to you radio yeah they're

1033
00:52:01,940 --> 00:51:57,810
looking for people that have radios like

1034
00:52:07,400 --> 00:52:01,950
us out there I mean a completely

1035
00:52:09,109 --> 00:52:07,410
completely wrong completely so they also

1036
00:52:12,500 --> 00:52:09,119
say that that there yeah there was to

1037
00:52:15,560 --> 00:52:12,510
say there technology so far advantage

1038
00:52:18,589 --> 00:52:15,570

that they already been through that

1039

00:52:20,810 --> 00:52:18,599

stage of radio or astronomy in and for

1040

00:52:23,440 --> 00:52:20,820

you know million years I had a lot I

1041

00:52:27,770 --> 00:52:23,450

don't know

1042

00:52:31,160 --> 00:52:27,780

well all the all the people that we see

1043

00:52:33,530 --> 00:52:31,170

here or the people that are the beings

1044

00:52:36,740 --> 00:52:33,540

that have been reported to you certainly

1045

00:52:39,710 --> 00:52:36,750

do seem to be had some sort of an

1046

00:52:42,170 --> 00:52:39,720

advanced level to but what always struck

1047

00:52:44,329 --> 00:52:42,180

me - as far as like faroush you brought

1048

00:52:47,829 --> 00:52:44,339

up at you being an anthropologist which

1049

00:52:50,359 --> 00:52:47,839

you really are very well informed one -

1050

00:52:52,910 --> 00:52:50,369

every civilization on earth seems to

1051
00:52:55,550 --> 00:52:52,920
have reports of little people like the

1052
00:52:58,099 --> 00:52:55,560
Hawaiians have them in honey and the

1053
00:53:01,490 --> 00:52:58,109
Irish have leprechauns and you know

1054
00:53:09,250 --> 00:53:01,500
various cultures do report these small

1055
00:53:18,050 --> 00:53:14,060
oh yeah the American Indians the

1056
00:53:22,460 --> 00:53:18,060
charities different American tribes the

1057
00:53:25,660 --> 00:53:22,470
Amerindians they all of that all have

1058
00:53:29,810 --> 00:53:25,670
their tails and their their culture

1059
00:53:30,860 --> 00:53:29,820
revolve about revolving around you know

1060
00:53:33,800 --> 00:53:30,870
tales of

1061
00:53:36,080 --> 00:53:33,810
people even even Giants also but mostly

1062
00:53:39,170 --> 00:53:36,090
little people and Mexico you find

1063
00:53:41,840 --> 00:53:39,180

different reports of little people

1064

00:53:44,320 --> 00:53:41,850

someone of that flew I mean even they

1065

00:53:45,550 --> 00:53:44,330

asked them also all white thing

1066

00:53:49,340 --> 00:53:45,560

Australians

1067

00:53:50,750 --> 00:53:49,350

they'll have their uh I I say this but I

1068

00:53:52,790 --> 00:53:50,760

don't think if they're really in this

1069

00:53:57,380 --> 00:53:52,800

because most of these are based on real

1070

00:54:00,160 --> 00:53:57,390

banks anyway yes but uh and and you know

1071

00:54:03,820 --> 00:54:00,170

I still get a reports of modern-day

1072

00:54:07,760 --> 00:54:03,830

leprechaun encounters believe it or not

1073

00:54:10,490 --> 00:54:07,770

Ill don't I can't say what what they're

1074

00:54:12,140 --> 00:54:10,500

where they're from or what means but

1075

00:54:16,120 --> 00:54:12,150

there there are people that still report

1076

00:54:18,920 --> 00:54:16,130

them good thing and and one other

1077

00:54:21,830 --> 00:54:18,930

phenomena that I would like you to maybe

1078

00:54:26,180 --> 00:54:21,840

talk to us a little bit about is

1079

00:54:31,250 --> 00:54:26,190

something that seems relatively new and

1080

00:54:35,930 --> 00:54:31,260

that is these black-eyed children the

1081

00:54:39,290 --> 00:54:35,940

this the phenomena where one or two kids

1082

00:54:43,130 --> 00:54:39,300

comes to the door of people and and they

1083

00:54:45,230 --> 00:54:43,140

are they have no their whole eye is like

1084

00:54:49,550 --> 00:54:45,240

the pupil and they're black

1085

00:54:51,890 --> 00:54:49,560

yeah the Bek seems to be like at first I

1086

00:54:55,640 --> 00:54:51,900

thought he was some kind of uh like

1087

00:54:58,760 --> 00:54:55,650

urban myth urban legend like surrender

1088

00:55:01,250 --> 00:54:58,770

man or whatever but I've been getting a

1089

00:55:03,860 --> 00:55:01,260

lot of reports about these type of

1090

00:55:05,900 --> 00:55:03,870

incidents also and I recently another

1091

00:55:09,770 --> 00:55:05,910

researcher he said me about a hundred

1092

00:55:11,900 --> 00:55:09,780

pages of cases dealing with eating with

1093

00:55:15,470 --> 00:55:11,910

you know different encounters from this

1094

00:55:17,030 --> 00:55:15,480

type of beans or whatever they are all I

1095

00:55:19,510 --> 00:55:17,040

can tell you is that there I think there

1096

00:55:23,090 --> 00:55:19,520

are there are not uh

1097

00:55:25,730 --> 00:55:23,100

friendly I think there dangers if

1098

00:55:28,160 --> 00:55:25,740

they're real I think if somebody ever

1099

00:55:30,110 --> 00:55:28,170

encountered one of these don't because

1100

00:55:32,510 --> 00:55:30,120

it's a knocking your door don't don't

1101
00:55:35,150 --> 00:55:32,520
let them in don't do what I tell you you

1102
00:55:39,320 --> 00:55:35,160
have to shut the door and hope hope they

1103
00:55:41,840 --> 00:55:39,330
did be quick my advice I don't know

1104
00:55:44,160 --> 00:55:41,850
anything about this for sure what this

1105
00:55:45,630 --> 00:55:44,170
is sort of it's a

1106
00:55:47,910 --> 00:55:45,640
thing that has come up what would you

1107
00:55:52,829 --> 00:55:47,920
say Albert in the last 8 to 10 years and

1108
00:55:55,740 --> 00:55:52,839
it's always involves kids that are like

1109
00:55:59,339 --> 00:55:55,750
10 to 18 years old coming to your door

1110
00:56:02,579 --> 00:55:59,349
and in twos and threes and asking to

1111
00:56:08,730 --> 00:56:02,589
come in right and their eyes are totally

1112
00:56:12,059 --> 00:56:08,740
black and the witness usually feels a

1113
00:56:13,410 --> 00:56:12,069

lot of apprehension and fear terror some

1114

00:56:15,510 --> 00:56:13,420

of the witnesses have told me that

1115

00:56:19,319 --> 00:56:15,520

terror they they feel like they that if

1116

00:56:21,089 --> 00:56:19,329

he didn't leave or shut the door or they

1117

00:56:29,520 --> 00:56:21,099

would they would have died some of these

1118

00:56:32,220 --> 00:56:29,530

people told me this is I think it's a

1119

00:56:34,530 --> 00:56:32,230

real phenomenon I think it's not well

1120

00:56:38,849 --> 00:56:34,540

understood yet I think it's part of the

1121

00:56:40,890 --> 00:56:38,859

humanoid think but uh I don't know I

1122

00:56:49,589 --> 00:56:40,900

don't think they're they're a positive

1123

00:56:54,750 --> 00:56:49,599

positive couple of being you have seen

1124

00:56:56,400 --> 00:56:54,760

like an upswing in anything else there's

1125

00:57:00,900 --> 00:56:56,410

been a lot of recent encounters lately

1126

00:57:03,839 --> 00:57:00,910

it was a humanoids and craft it seems to

1127

00:57:07,559 --> 00:57:03,849

be all ready for 2015 I know several

1128

00:57:10,620 --> 00:57:07,569

cases already and seems I guess

1129

00:57:11,150 --> 00:57:10,630

something has been picking up a lot

1130

00:57:19,530 --> 00:57:11,160

lately

1131

00:57:21,900 --> 00:57:19,540

and you know it may be are they in in

1132

00:57:25,460 --> 00:57:21,910

the United States in Argentina in the

1133

00:57:28,020 --> 00:57:25,470

northwest or or not a particular place

1134

00:57:31,289 --> 00:57:28,030

always in Argentina as always cases

1135

00:57:36,000 --> 00:57:31,299

there that come out are the recent cases

1136

00:57:41,569 --> 00:57:36,010

in Puerto Rico and now in Florida and

1137

00:57:45,599 --> 00:57:41,579

Washington Washington State and New York

1138

00:57:47,640 --> 00:57:45,609

has been recent cases and I hope I could

1139

00:57:49,799 --> 00:57:47,650

retrieve because all my latest

1140

00:57:52,319 --> 00:57:49,809

information is the mahkum title myself

1141

00:57:54,359 --> 00:57:52,329

hopefully I could get that fix and

1142

00:57:55,710 --> 00:57:54,369

retrieve all that information oh gosh I

1143

00:58:00,420 --> 00:57:55,720

hope so

1144

00:58:02,760 --> 00:58:00,430

that you've enjoyed speaking with us and

1145

00:58:05,730 --> 00:58:02,770

that you will agree to come on again

1146

00:58:09,750 --> 00:58:05,740

with us sometime definitely today is

1147

00:58:11,250 --> 00:58:09,760

been one of those days for me I had no

1148

00:58:13,410 --> 00:58:11,260

idea what's going to happen with my

1149

00:58:16,770 --> 00:58:13,420

laptop I'm sitting in a different room

1150

00:58:18,809 --> 00:58:16,780

with the other old computer really with

1151

00:58:29,010 --> 00:58:18,819

and not with the latest information in

1152

00:58:34,650 --> 00:58:29,020

front of me and I apologize yeah totally

1153

00:58:37,500 --> 00:58:34,660

well thank you it's certainly everybody

1154

00:58:39,030 --> 00:58:37,510

that does this and it's always a joke

1155

00:58:40,500 --> 00:58:39,040

when someone says oh they're just doing

1156

00:58:43,020 --> 00:58:40,510

it for the money or the attention

1157

00:58:52,339 --> 00:58:43,030

because the attention you get is not

1158

00:58:55,319 --> 00:58:52,349

welcome zippo or - and so people do this

1159

00:58:57,660 --> 00:58:55,329

yeah and to try to spread knowledge and

1160

00:59:03,240 --> 00:58:57,670

to awaken other people up that there are

1161

00:59:05,010 --> 00:59:03,250

things beside us and I know I was going

1162

00:59:08,099 --> 00:59:05,020

to say just besides everything else

1163

00:59:10,380 --> 00:59:08,109

we've said about you positive Albert one

1164

00:59:13,140 --> 00:59:10,390

more thing that I want to say is that

1165

00:59:17,040 --> 00:59:13,150

you are multilingual and I think it's

1166

00:59:21,420 --> 00:59:17,050

very important that we make inroads into

1167

00:59:23,520 --> 00:59:21,430

other other countries where people speak

1168

00:59:27,030 --> 00:59:23,530

other languages and that we're able to

1169

00:59:29,910 --> 00:59:27,040

share so people like yourself and aj

1170

00:59:32,460 --> 00:59:29,920

gevaerd in brazil who you know speaks

1171

00:59:35,370 --> 00:59:32,470

English Portuguese I think that this is

1172

00:59:39,180 --> 00:59:35,380

very very important for the study of

1173

00:59:42,290 --> 00:59:39,190

humanoids and and apology that's one of

1174

00:59:45,329 --> 00:59:42,300

the things I have tried to do is expose

1175

00:59:48,660 --> 00:59:45,339

cases that a man known at all here in

1176

00:59:52,380 --> 00:59:48,670

the West from different countries like

1177

00:59:54,260 --> 00:59:52,390

in the Eastern Europe and and the Middle

1178

00:59:56,730 --> 00:59:54,270

East

1179

00:59:59,130 --> 00:59:56,740

different countries that I have

1180

01:00:02,370 --> 00:59:59,140

translated translated under so reports

1181

01:00:04,890 --> 01:00:02,380

and I want to you know compare cases

1182

01:00:06,780 --> 01:00:04,900

from different parts of the world and

1183

01:00:10,490 --> 01:00:06,790

you know Express expressing information

1184

01:00:17,430 --> 01:00:15,630

and tonight I had a conversation with

1185

01:00:22,320 --> 01:00:17,440

you ladies and I hope to do it again oh

1186

01:00:25,320 --> 01:00:22,330

absolutely we really want to do you will

1187

01:00:31,170 --> 01:00:25,330

repeat your your your website

1188

01:00:33,300 --> 01:00:31,180

information I believe it's correct how

1189

01:00:35,820 --> 01:00:33,310

would people really let you know about

1190

01:00:40,440 --> 01:00:35,830

an experience I know how they get

1191

01:00:46,080 --> 01:00:40,450

emailed me and my email Garuda 79 at

1192

01:00:51,630 --> 01:00:46,090

AT&T met Garuda spelled GA are you da

1193

01:00:54,470 --> 01:00:51,640

and then 79 at 18th Ethernet and also

1194

01:00:58,020 --> 01:00:54,480

everybody who wants to read this

1195

01:01:05,040 --> 01:00:58,030

multitude of fabulous reporting of

1196

01:01:10,740 --> 01:01:05,050

sightings they would go to WWF OH info

1197

01:01:14,280 --> 01:01:10,750

info and then slash humanoid which has

1198

01:01:16,440 --> 01:01:14,290

promote my researches been there thanks

1199

01:01:17,970 --> 01:01:16,450

again Elber really appreciate it thank

1200

01:01:20,010 --> 01:01:17,980

you thank you very much

1201
01:01:25,200 --> 01:01:20,020
and I thank you for giving me the

1202
01:01:27,240 --> 01:01:25,210
opportunity oh absolutely

1203
01:01:29,640 --> 01:01:27,250
listen for anyone listening to this

1204
01:01:31,500 --> 01:01:29,650
podcast we'd love to hear your comments

1205
01:01:33,750 --> 01:01:31,510
on it and I'm sure Albert would like to

1206
01:01:36,920 --> 01:01:33,760
as well so as well as contacting Albert

1207
01:01:42,540 --> 01:01:36,930
you can always contact us through

1208
01:01:46,290 --> 01:01:42,550
reality shattered reality podcast.com

1209
01:01:50,430 --> 01:01:46,300
like us on Facebook please make

1210
01:01:53,520 --> 01:01:50,440
suggestions to us talk to us we want to

1211
01:01:56,010 --> 01:01:53,530
hear what you have to say and we are

1212
01:01:57,960 --> 01:01:56,020
thrilled to have had Albert on today and

1213
01:02:01,170 --> 01:01:57,970

if you'd like to hear from anybody else

1214

01:02:04,500 --> 01:02:01,180

please let us know our next podcast will

1215

01:02:06,570 --> 01:02:04,510

feature david the Edney that's going to

1216

01:02:26,630 --> 01:02:06,580

be a conversation not to be missed

1217

01:02:34,920 --> 01:02:30,120

welcome to shattered reality with your

1218

01:02:37,950 --> 01:02:34,930

hosts Kate Valentine and furs prepare to
