

1
00:00:00,719 --> 00:00:17,189
wow

2
00:00:22,630 --> 00:00:19,750
welcome to shattered reality

3
00:00:24,230 --> 00:00:22,640
with your hosts kate valentine and

4
00:00:27,349 --> 00:00:24,240
ferocia

5
00:00:29,750 --> 00:00:27,359
prepare to have your paradigms shifted

6
00:00:31,429 --> 00:00:29,760
into truth questioned

7
00:00:35,910 --> 00:00:31,439
and now

8
00:00:40,950 --> 00:00:38,790
hi welcome back to shattered reality we

9
00:00:45,030 --> 00:00:40,960
are indeed the aforementioned host

10
00:00:47,990 --> 00:00:45,040
ferusha a very famous new york psychic

11
00:00:49,190 --> 00:00:48,000
also the authors of several fascinating

12
00:00:52,630 --> 00:00:49,200
blog posts

13
00:00:55,189 --> 00:00:52,640

i am kate valentine a longtime uh sort

14

00:00:58,389 --> 00:00:55,199

of studier of ufology

15

00:01:01,029 --> 00:00:58,399

with a few radio shows under my belt

16

00:01:05,030 --> 00:01:01,039

and we are both fortunate today to have

17

00:01:06,149 --> 00:01:05,040

as our guest uh the illustrious mr david

18

00:01:08,550 --> 00:01:06,159

the ending

19

00:01:11,670 --> 00:01:08,560

and ferusha if you will go over some of

20

00:01:13,670 --> 00:01:11,680

david's credentials well many people who

21

00:01:17,429 --> 00:01:13,680

may be listening to us

22

00:01:18,950 --> 00:01:17,439

probably remember david from his

23

00:01:19,910 --> 00:01:18,960

four-year

24

00:01:21,749 --> 00:01:19,920

term

25

00:01:23,910 --> 00:01:21,759

as the co-host

26

00:01:26,630 --> 00:01:23,920

on the paracast

27

00:01:30,230 --> 00:01:26,640

he was on for four years talking about

28

00:01:32,109 --> 00:01:30,240

all kinds of of phenomena and talking to

29

00:01:35,910 --> 00:01:32,119

people and sometimes

30

00:01:38,390 --> 00:01:35,920

eviscerating the fakers yes indeed and

31

00:01:41,830 --> 00:01:38,400

anna he is currently

32

00:01:46,149 --> 00:01:41,840

at an ivy league college being a teacher

33

00:01:48,469 --> 00:01:46,159

of digital media in the past he has been

34

00:01:50,310 --> 00:01:48,479

a multimedia expert

35

00:01:53,830 --> 00:01:50,320

and he has

36

00:01:55,030 --> 00:01:53,840

given info to the narcap report and he

37

00:01:58,469 --> 00:01:55,040

worked on

38

00:02:01,749 --> 00:01:58,479

the o'hare sighting in addition he was

39

00:02:05,350 --> 00:02:01,759

one of the original people

40

00:02:08,710 --> 00:02:05,360

who worked on photoshop and he actually

41

00:02:11,750 --> 00:02:08,720

wrote the first manual ever

42

00:02:12,550 --> 00:02:11,760

for the photoshop program

43

00:02:14,710 --> 00:02:12,560

so

44

00:02:16,550 --> 00:02:14,720

without further ado

45

00:02:18,390 --> 00:02:16,560

let me introduce

46

00:02:21,510 --> 00:02:18,400

my friend and

47

00:02:23,510 --> 00:02:21,520

very very interesting gentleman

48

00:02:26,150 --> 00:02:23,520

david biedny

49

00:02:27,350 --> 00:02:26,160

i hope i can live up to that uh to that

50

00:02:29,350 --> 00:02:27,360

that greeting

51
00:02:31,110 --> 00:02:29,360
david you can live up to that and more

52
00:02:33,830 --> 00:02:31,120
you are one of the more fascinating

53
00:02:35,990 --> 00:02:33,840
people i've ever spoken to oh man oh

54
00:02:39,589 --> 00:02:36,000
yeah well this is from a lady who can't

55
00:02:42,309 --> 00:02:39,599
even use her webcam or

56
00:02:45,350 --> 00:02:42,319
her little web camera i still have a

57
00:02:47,509 --> 00:02:45,360
tracfone so that's where i'm at

58
00:02:49,670 --> 00:02:47,519
but you know david i really wanted to

59
00:02:52,150 --> 00:02:49,680
speak to you because you're one of the

60
00:02:55,509 --> 00:02:52,160
few people that are interested in this

61
00:02:57,430 --> 00:02:55,519
field but you uh when i met you a long

62
00:03:00,550 --> 00:02:57,440
time ago you asked me

63
00:03:03,350 --> 00:03:00,560

if i had my drug druthers what would i

64

00:03:06,070 --> 00:03:03,360

want the ufos to turn out to be

65

00:03:07,990 --> 00:03:06,080

and i remember telling you i really had

66

00:03:10,149 --> 00:03:08,000

you know i could i would like this i

67

00:03:12,630 --> 00:03:10,159

would like that but i really didn't care

68

00:03:13,509 --> 00:03:12,640

as long as one day i found out what they

69

00:03:16,390 --> 00:03:13,519

were

70

00:03:18,550 --> 00:03:16,400

and you agreed with that and i i you are

71

00:03:21,110 --> 00:03:18,560

one of the few people in this field that

72

00:03:23,670 --> 00:03:21,120

i've met that really don't have an angle

73

00:03:25,750 --> 00:03:23,680

you just really attack it and sort of

74

00:03:28,710 --> 00:03:25,760

sort things out and do you find that to

75

00:03:30,789 --> 00:03:28,720

be true about yourself

76

00:03:33,270 --> 00:03:30,799

um

77

00:03:35,110 --> 00:03:33,280

i come at this from a weird place

78

00:03:36,710 --> 00:03:35,120

in that i'm

79

00:03:38,309 --> 00:03:36,720

someone who

80

00:03:42,070 --> 00:03:38,319

in the four years that i did the power

81

00:03:44,309 --> 00:03:42,080

cast 2006 to 2010

82

00:03:46,470 --> 00:03:44,319

uh interestingly enough i sort of got

83

00:03:48,149 --> 00:03:46,480

put in that box of

84

00:03:50,070 --> 00:03:48,159

debunking

85

00:03:51,990 --> 00:03:50,080

because part of what i did on that show

86

00:03:55,509 --> 00:03:52,000

was to take some of the

87

00:03:57,750 --> 00:03:55,519

sort of the holy cows of the

88

00:04:01,030 --> 00:03:57,760

of the field and and take them down just

89

00:04:03,030 --> 00:04:01,040

simply ask relevant logical questions

90

00:04:04,390 --> 00:04:03,040

um so i got put in that box it seems

91

00:04:06,390 --> 00:04:04,400

like everything

92

00:04:09,589 --> 00:04:06,400

that goes on in our culture nowadays is

93

00:04:10,710 --> 00:04:09,599

about this extreme polarization

94

00:04:12,309 --> 00:04:10,720

um

95

00:04:14,550 --> 00:04:12,319

whereas

96

00:04:16,469 --> 00:04:14,560

the reality is that i got into doing the

97

00:04:18,949 --> 00:04:16,479

paracast primarily

98

00:04:21,349 --> 00:04:18,959

because i wanted to have rational

99

00:04:22,710 --> 00:04:21,359

reasonable discussions about the

100

00:04:25,510 --> 00:04:22,720

lifetime

101
00:04:28,070 --> 00:04:25,520
of anomalous experiences that i had that

102
00:04:29,350 --> 00:04:28,080
i i couldn't talk about in mixed company

103
00:04:31,350 --> 00:04:29,360
and i also found i couldn't have

104
00:04:33,350 --> 00:04:31,360
reasonable conversations because

105
00:04:35,270 --> 00:04:33,360
everybody immediately had their

106
00:04:37,110 --> 00:04:35,280
conclusions which they

107
00:04:38,310 --> 00:04:37,120
wanted to sort of force down your throat

108
00:04:40,150 --> 00:04:38,320
when you would talk about so when i

109
00:04:41,430 --> 00:04:40,160
would talk about things people would say

110
00:04:44,870 --> 00:04:41,440
well it's this that or the other thing

111
00:04:47,830 --> 00:04:44,880
and i sort of came to understand that

112
00:04:49,110 --> 00:04:47,840
i walked this very weird middle line

113
00:04:51,350 --> 00:04:49,120

which is that you know i look at

114

00:04:53,350 --> 00:04:51,360

debunkers debunkers

115

00:04:54,469 --> 00:04:53,360

basically assume they make the

116

00:04:55,510 --> 00:04:54,479

assumption

117

00:04:58,150 --> 00:04:55,520

that

118

00:05:00,790 --> 00:04:58,160

everything is prosaic everything

119

00:05:02,310 --> 00:05:00,800

can be explained by science as science

120

00:05:04,150 --> 00:05:02,320

currently stands

121

00:05:06,629 --> 00:05:04,160

and that people who report

122

00:05:08,230 --> 00:05:06,639

having odd experiences are are basically

123

00:05:10,390 --> 00:05:08,240

just making the stuff up or they're

124

00:05:12,390 --> 00:05:10,400

suffering mental disease or

125

00:05:13,510 --> 00:05:12,400

any number of explanations that fall

126
00:05:15,189 --> 00:05:13,520
into the

127
00:05:17,350 --> 00:05:15,199
sort of the the expected and then you

128
00:05:18,870 --> 00:05:17,360
have on the other end of the spectrum

129
00:05:20,629 --> 00:05:18,880
the people who

130
00:05:21,510 --> 00:05:20,639
go by various names you know there's

131
00:05:23,909 --> 00:05:21,520
there's

132
00:05:24,870 --> 00:05:23,919
a term i constantly hear is the woo

133
00:05:25,670 --> 00:05:24,880
people

134
00:05:29,830 --> 00:05:25,680
um

135
00:05:31,990 --> 00:05:29,840
that

136
00:05:34,310 --> 00:05:32,000
they know what's going on with

137
00:05:36,469 --> 00:05:34,320
pick your pick your take your pick of

138
00:05:38,790 --> 00:05:36,479

whatever anomalous thing we're talking

139

00:05:40,710 --> 00:05:38,800

about they know what it is they

140

00:05:41,830 --> 00:05:40,720

understand the motivations of whatever

141

00:05:44,550 --> 00:05:41,840

it is

142

00:05:45,350 --> 00:05:44,560

and for a lot of those people the

143

00:05:49,270 --> 00:05:45,360

the

144

00:05:50,310 --> 00:05:49,280

anomalous is sort of like a proxy

145

00:05:52,150 --> 00:05:50,320

religion

146

00:05:54,150 --> 00:05:52,160

i stand right in the middle in that my

147

00:05:56,390 --> 00:05:54,160

assumption

148

00:05:57,909 --> 00:05:56,400

uh is that the human mind in its current

149

00:06:00,070 --> 00:05:57,919

state of evolution

150

00:06:02,230 --> 00:06:00,080

is not capable of understanding what is

151
00:06:04,150 --> 00:06:02,240
most likely the truth behind a lot of

152
00:06:05,990 --> 00:06:04,160
this stuff

153
00:06:08,070 --> 00:06:06,000
which is not a comfortable place people

154
00:06:10,070 --> 00:06:08,080
want to have answers

155
00:06:12,230 --> 00:06:10,080
they're very uncomfortable

156
00:06:14,950 --> 00:06:12,240
facing the prospect of not having any

157
00:06:17,430 --> 00:06:14,960
kind of answers or even being told even

158
00:06:19,430 --> 00:06:17,440
if you had the answers your brain and

159
00:06:21,590 --> 00:06:19,440
its current state of evolution all of

160
00:06:23,590 --> 00:06:21,600
our brains could not process this

161
00:06:25,590 --> 00:06:23,600
information

162
00:06:27,670 --> 00:06:25,600
well that's something that

163
00:06:29,830 --> 00:06:27,680

i've written about

164

00:06:32,629 --> 00:06:29,840

on my blog that people

165

00:06:35,510 --> 00:06:32,639

don't like the entire idea that

166

00:06:37,670 --> 00:06:35,520

something could be smarter than them and

167

00:06:39,749 --> 00:06:37,680

i don't mean that there isn't somebody

168

00:06:42,790 --> 00:06:39,759

who can do nuclear physics and they

169

00:06:45,110 --> 00:06:42,800

can't but somebody or some being that is

170

00:06:47,990 --> 00:06:45,120

so much smarter than them that that

171

00:06:50,230 --> 00:06:48,000

being looks on them like um you know

172

00:06:51,990 --> 00:06:50,240

like a flea or yeah like we look at an

173

00:06:55,510 --> 00:06:52,000

ant yeah sure

174

00:06:58,309 --> 00:06:55,520

so uh so since we may just simply be lab

175

00:07:00,629 --> 00:06:58,319

rats i'm almost going to jump into this

176

00:07:03,589 --> 00:07:00,639

because this is a question that i have

177

00:07:08,790 --> 00:07:03,599

been asking myself lately

178

00:07:14,070 --> 00:07:08,800

in terms of those persons who have had

179

00:07:17,270 --> 00:07:14,080

legitimate uh contact with an other

180

00:07:18,150 --> 00:07:17,280

and other intelligence outside of our

181

00:07:19,430 --> 00:07:18,160

ken

182

00:07:20,309 --> 00:07:19,440

so to speak

183

00:07:23,749 --> 00:07:20,319

um

184

00:07:27,589 --> 00:07:23,759

what's your position on the thought that

185

00:07:31,270 --> 00:07:27,599

these others might be lying to us versus

186

00:07:34,390 --> 00:07:31,280

the idea that what they tell us we just

187

00:07:35,510 --> 00:07:34,400

simply mis misunderstand

188

00:07:37,029 --> 00:07:35,520

i'm getting the feeling you were

189

00:07:38,230 --> 00:07:37,039

listening to some old power cast

190

00:07:41,110 --> 00:07:38,240

recently

191

00:07:42,469 --> 00:07:41,120

um well that was always that was a sort

192

00:07:45,589 --> 00:07:42,479

of a key

193

00:07:49,270 --> 00:07:45,599

position i took which is to assume

194

00:07:51,430 --> 00:07:49,280

that if you were dealing with an in a

195

00:07:53,270 --> 00:07:51,440

superior intelligence of any sort

196

00:07:54,790 --> 00:07:53,280

there's absolutely no reason to believe

197

00:07:56,869 --> 00:07:54,800

that it would be straightforward and

198

00:07:58,869 --> 00:07:56,879

honest there's every reason to believe

199

00:08:01,510 --> 00:07:58,879

that it would incorporate some level of

200

00:08:03,670 --> 00:08:01,520

deception in order to protect itself in

201

00:08:07,270 --> 00:08:03,680

the same way that humans do

202

00:08:09,510 --> 00:08:07,280

i i don't i i we now know that dogs will

203

00:08:11,189 --> 00:08:09,520

basically play games with each other to

204

00:08:14,469 --> 00:08:11,199

deceive each other

205

00:08:16,469 --> 00:08:14,479

uh i wrote a an essay years ago called

206

00:08:18,390 --> 00:08:16,479

the truth about lies

207

00:08:20,469 --> 00:08:18,400

uh that's floating around online right

208

00:08:22,629 --> 00:08:20,479

which is just about the fact that

209

00:08:24,710 --> 00:08:22,639

it seems i say the fact but it seems

210

00:08:25,510 --> 00:08:24,720

clear to me that humans to some degree

211

00:08:27,909 --> 00:08:25,520

are

212

00:08:30,629 --> 00:08:27,919

addicted to deception it's it's our

213

00:08:32,469 --> 00:08:30,639

default mode of being this is not a

214

00:08:35,190 --> 00:08:32,479

pleasant revelation

215

00:08:36,949 --> 00:08:35,200

um it's something that really kind of uh

216

00:08:38,790 --> 00:08:36,959

it's frustrating and it's it's a little

217

00:08:40,469 --> 00:08:38,800

little sickening in a way because we

218

00:08:41,990 --> 00:08:40,479

like to think all of us like to think

219

00:08:44,230 --> 00:08:42,000

that we are

220

00:08:45,910 --> 00:08:44,240

seeking the truth at all times

221

00:08:46,870 --> 00:08:45,920

i've come to believe that that's not the

222

00:08:47,829 --> 00:08:46,880

case

223

00:08:49,670 --> 00:08:47,839

and so

224

00:08:51,509 --> 00:08:49,680

the idea that if we had a superior

225

00:08:53,350 --> 00:08:51,519

intelligence and dealing dealing with us

226

00:08:56,230 --> 00:08:53,360

directly

227

00:08:57,829 --> 00:08:56,240

that it would be honest and truthful

228

00:08:59,509 --> 00:08:57,839

it wouldn't really be that intelligent

229

00:09:01,590 --> 00:08:59,519

if it was honest and truthful with us

230

00:09:04,949 --> 00:09:01,600

because again i don't know that we could

231

00:09:07,269 --> 00:09:04,959

handle the truth but the things that

232

00:09:08,389 --> 00:09:07,279

that appear to be lies

233

00:09:11,990 --> 00:09:08,399

that

234

00:09:14,550 --> 00:09:12,000

sometimes come out of these

235

00:09:16,630 --> 00:09:14,560

meetings of the mind shall we say

236

00:09:19,670 --> 00:09:16,640

would appear to be things that you don't

237

00:09:21,590 --> 00:09:19,680

necessarily need to lie about

238

00:09:25,190 --> 00:09:21,600

although some of the things like we come

239

00:09:28,150 --> 00:09:25,200

from venus to the to the

240

00:09:30,150 --> 00:09:28,160

to the contactees and and so forth well

241

00:09:32,230 --> 00:09:30,160

that certainly makes some sense that you

242

00:09:35,030 --> 00:09:32,240

know throw them off the throw them off

243

00:09:37,110 --> 00:09:35,040

the uh the scent

244

00:09:39,509 --> 00:09:37,120

well you know are you talking about

245

00:09:42,790 --> 00:09:39,519

abductees or people who say that they're

246

00:09:44,470 --> 00:09:42,800

abductees or i was talking specifically

247

00:09:46,870 --> 00:09:44,480

just i threw in a reference to the

248

00:09:49,430 --> 00:09:46,880

contactee movement where there were a

249

00:09:51,509 --> 00:09:49,440

number of people and the names

250

00:09:54,070 --> 00:09:51,519

sort of elude me at the moment who said

251

00:09:57,269 --> 00:09:54,080

that the okay the others said that they

252

00:09:59,670 --> 00:09:57,279

came from venus yeah and then clearly

253

00:10:02,470 --> 00:09:59,680

you know venus is extraordinarily hot

254

00:10:04,870 --> 00:10:02,480

and it's highly unlikely unless they're

255

00:10:06,630 --> 00:10:04,880

you know sulfur beings or something like

256

00:10:08,790 --> 00:10:06,640

that that they are actually living on

257

00:10:10,790 --> 00:10:08,800

venus those claims came out of a time

258

00:10:13,430 --> 00:10:10,800

when our scientific understanding of the

259

00:10:14,470 --> 00:10:13,440

solar system was compromised compared to

260

00:10:17,430 --> 00:10:14,480

now

261

00:10:19,670 --> 00:10:17,440

um and and it does seem i don't put any

262

00:10:20,949 --> 00:10:19,680

weight into any of that early contact t

263

00:10:23,269 --> 00:10:20,959

stuff at all

264

00:10:24,550 --> 00:10:23,279

to me it's just completely bogus i don't

265

00:10:25,509 --> 00:10:24,560

buy any of it

266

00:10:27,389 --> 00:10:25,519

um

267

00:10:29,750 --> 00:10:27,399

and that's not to say that i don't

268

00:10:32,470 --> 00:10:29,760

strongly suspect that

269

00:10:35,750 --> 00:10:32,480

humans throughout history

270

00:10:37,829 --> 00:10:35,760

have had ex direct interactions with

271

00:10:40,150 --> 00:10:37,839

non-human entities i think that is not

272

00:10:41,190 --> 00:10:40,160

only highly probable i i think that's

273

00:10:43,350 --> 00:10:41,200

indeed

274

00:10:44,310 --> 00:10:43,360

happened and is ongoing

275

00:10:46,470 --> 00:10:44,320

um

276

00:10:48,150 --> 00:10:46,480

but again to try to then come down to

277

00:10:49,430 --> 00:10:48,160

understanding the motivations for these

278

00:10:51,430 --> 00:10:49,440

interactions

279

00:10:52,870 --> 00:10:51,440

i think that is beyond our current level

280

00:10:55,670 --> 00:10:52,880

of understanding

281

00:10:57,829 --> 00:10:55,680

of reality in general

282

00:10:59,670 --> 00:10:57,839

i just i'm i'm

283

00:11:01,990 --> 00:10:59,680

as someone who's really motivated by

284

00:11:04,389 --> 00:11:02,000

understanding science

285

00:11:05,910 --> 00:11:04,399

i'm always fascinated about how much we

286

00:11:07,590 --> 00:11:05,920

don't know

287

00:11:10,069 --> 00:11:07,600

uh about everything pick take your

288

00:11:12,230 --> 00:11:10,079

choice well you know even up until what

289

00:11:14,470 --> 00:11:12,240

was it 20 years ago

290

00:11:16,870 --> 00:11:14,480

most astronomers would tell you well

291

00:11:19,509 --> 00:11:16,880

maybe there are other planets but right

292

00:11:20,790 --> 00:11:19,519

now we have no evidence of that which is

293

00:11:23,110 --> 00:11:20,800

like so

294

00:11:24,790 --> 00:11:23,120

ridiculous a statement even back then

295

00:11:26,630 --> 00:11:24,800

even as a child i said well how could

296

00:11:28,630 --> 00:11:26,640

that be no well they didn't want to go

297

00:11:30,949 --> 00:11:28,640

on a limb they were basically uh they

298

00:11:33,509 --> 00:11:30,959

were practicing sound science they

299

00:11:36,470 --> 00:11:33,519

didn't want to make assumptions

300

00:11:39,350 --> 00:11:36,480

okay but then again i think that's what

301
00:11:41,750 --> 00:11:39,360
keeps uh people who make a living doing

302
00:11:44,630 --> 00:11:41,760
science out of ufology because it is

303
00:11:47,430 --> 00:11:44,640
definitely a career killer i mean nobody

304
00:11:48,470 --> 00:11:47,440
is about that pretty much that's a fact

305
00:11:50,310 --> 00:11:48,480
oh yeah

306
00:11:52,389 --> 00:11:50,320
yeah yeah and i that was my own

307
00:11:54,470 --> 00:11:52,399
experience i found that to be true

308
00:11:56,470 --> 00:11:54,480
and i just uh wrote a response to

309
00:11:59,910 --> 00:11:56,480
somebody on our

310
00:12:02,870 --> 00:11:59,920
website there that the person was sort

311
00:12:03,990 --> 00:12:02,880
of talking about seth shaw stack and how

312
00:12:08,230 --> 00:12:04,000
he has

313
00:12:10,629 --> 00:12:08,240

distanced himself from the ufo field and

314

00:12:13,590 --> 00:12:10,639

while i think that that may be a mistake

315

00:12:16,150 --> 00:12:13,600

on his part i do think that he probably

316

00:12:16,870 --> 00:12:16,160

saw it as a career killer basically and

317

00:12:19,750 --> 00:12:16,880

he

318

00:12:22,790 --> 00:12:19,760

you know needed to distance himself from

319

00:12:26,389 --> 00:12:22,800

what the media portrays people who are

320

00:12:28,870 --> 00:12:26,399

were ufologists as crazy people wearing

321

00:12:31,190 --> 00:12:28,880

uh tinfoil hats you know yeah but that's

322

00:12:32,710 --> 00:12:31,200

shawstack zone making i saw shostak go

323

00:12:35,509 --> 00:12:32,720

on shows where he showed up with little

324

00:12:38,069 --> 00:12:35,519

alien head bubble yeah bobblehead dolls

325

00:12:40,710 --> 00:12:38,079

and he would just basically

326

00:12:43,269 --> 00:12:40,720

he's terrible just making fun of people

327

00:12:45,670 --> 00:12:43,279

uh not engaging in anything i'd call

328

00:12:47,509 --> 00:12:45,680

genuine scientific inquiry

329

00:12:49,509 --> 00:12:47,519

and you know i forget the fella's name

330

00:12:51,590 --> 00:12:49,519

now jeff some i can't think of his last

331

00:12:53,590 --> 00:12:51,600

name but he was the one astronomer that

332

00:12:55,509 --> 00:12:53,600

said look i have to be other planets and

333

00:12:57,030 --> 00:12:55,519

he was the one that found the pegasus

334

00:12:58,949 --> 00:12:57,040

planet and uh

335

00:13:01,590 --> 00:12:58,959

so you would think that some young

336

00:13:03,110 --> 00:13:01,600

person today that would want to make a

337

00:13:05,190 --> 00:13:03,120

name for themselves would say look

338

00:13:07,030 --> 00:13:05,200

there's enough evidence here that

339

00:13:09,670 --> 00:13:07,040

something is going on

340

00:13:12,790 --> 00:13:09,680

but again you know at least with the

341

00:13:15,269 --> 00:13:12,800

planet hunters they had some data some

342

00:13:17,750 --> 00:13:15,279

means of investigating it the problem

343

00:13:20,629 --> 00:13:17,760

with ufos has been stated a gazillion

344

00:13:22,790 --> 00:13:20,639

times is that there's no consistent data

345

00:13:24,470 --> 00:13:22,800

there's no one place you can go to

346

00:13:27,110 --> 00:13:24,480

investigate it's you know if you're

347

00:13:28,790 --> 00:13:27,120

happy and lucky enough to be there with

348

00:13:31,030 --> 00:13:28,800

one of your uh

349

00:13:32,230 --> 00:13:31,040

media cameras then great you get it if

350

00:13:37,430 --> 00:13:32,240

you're not

351

00:13:41,269 --> 00:13:39,430

yeah i don't think lucky is a good word

352

00:13:43,430 --> 00:13:41,279

uh and at this point

353

00:13:45,990 --> 00:13:43,440

we also have to just recognize and

354

00:13:48,629 --> 00:13:46,000

realize and i say this the day after

355

00:13:50,949 --> 00:13:48,639

we're we're recording this the day after

356

00:13:52,710 --> 00:13:50,959

the 25th anniversary of photoshops

357

00:13:54,470 --> 00:13:52,720

released in the market

358

00:13:57,829 --> 00:13:54,480

formally um

359

00:14:00,829 --> 00:13:57,839

at this point in time the uh validity

360

00:14:04,389 --> 00:14:00,839

veracity and usefulness of

361

00:14:06,550 --> 00:14:04,399

specifically still image evidence

362

00:14:09,910 --> 00:14:06,560

is pretty much out the window it's gone

363

00:14:11,110 --> 00:14:09,920

okay um photographic evidence is now so

364

00:14:13,990 --> 00:14:11,120

suspect

365

00:14:15,910 --> 00:14:14,000

uh because usually it it it lacks

366

00:14:17,509 --> 00:14:15,920

context usually it lacks any kind of

367

00:14:18,710 --> 00:14:17,519

triangulation

368

00:14:20,230 --> 00:14:18,720

um

369

00:14:22,310 --> 00:14:20,240

you know when i when i the day that i

370

00:14:24,389 --> 00:14:22,320

see the ufo photograph that's been shot

371

00:14:25,910 --> 00:14:24,399

by three separate people on their cell

372

00:14:27,670 --> 00:14:25,920

phones from three

373

00:14:30,949 --> 00:14:27,680

different positions

374

00:14:32,629 --> 00:14:30,959

that shows consistency three people who

375

00:14:35,189 --> 00:14:32,639

are willing to go on there on the record

376

00:14:37,030 --> 00:14:35,199

with their real names prove who they are

377

00:14:40,389 --> 00:14:37,040

um

378

00:14:41,269 --> 00:14:40,399

deliver uh uh images that

379

00:14:42,870 --> 00:14:41,279

uh

380

00:14:44,710 --> 00:14:42,880

clearly are not hoaxed that are

381

00:14:46,550 --> 00:14:44,720

legitimate that have the right kind of

382

00:14:48,470 --> 00:14:46,560

data in them to suggest that they're

383

00:14:51,509 --> 00:14:48,480

legitimate and so let's say you had

384

00:14:53,750 --> 00:14:51,519

those photos let's say you had that

385

00:14:55,670 --> 00:14:53,760

witness testimony okay

386

00:14:56,949 --> 00:14:55,680

let me tell you what you wouldn't have

387

00:14:59,030 --> 00:14:56,959

you wouldn't have any kind of

388

00:15:01,110 --> 00:14:59,040

information about the sourcing of let's

389

00:15:02,710 --> 00:15:01,120

say it's a ufo right you wouldn't know

390

00:15:03,990 --> 00:15:02,720

where the ufo came from you wouldn't

391

00:15:05,910 --> 00:15:04,000

know what it was made of you wouldn't

392

00:15:08,389 --> 00:15:05,920

know what was in it you wouldn't know

393

00:15:10,150 --> 00:15:08,399

what it was doing here um

394

00:15:12,230 --> 00:15:10,160

you pretty much know nothing except that

395

00:15:14,790 --> 00:15:12,240

there's some anomalous thing in the sky

396

00:15:16,389 --> 00:15:14,800

that has now been corroborated exactly

397

00:15:18,949 --> 00:15:16,399

so it's not like

398

00:15:20,470 --> 00:15:18,959

even like the discovery of other planets

399

00:15:22,150 --> 00:15:20,480

is not is not the same thing as the

400

00:15:24,150 --> 00:15:22,160

discovery of life on other planets

401
00:15:26,150 --> 00:15:24,160
because it's still there and other

402
00:15:28,870 --> 00:15:26,160
people can go back and verify the

403
00:15:31,990 --> 00:15:28,880
original investigation and that you

404
00:15:34,470 --> 00:15:32,000
don't have it's just maddening i find

405
00:15:36,230 --> 00:15:34,480
well and and that suggests to me i mean

406
00:15:37,509 --> 00:15:36,240
and this is something i've come to

407
00:15:39,189 --> 00:15:37,519
believe

408
00:15:40,949 --> 00:15:39,199
and i and i use the word belief when i

409
00:15:42,710 --> 00:15:40,959
emphasize it because

410
00:15:44,710 --> 00:15:42,720
the thing about beliefs is that you you

411
00:15:46,949 --> 00:15:44,720
can believe anything

412
00:15:48,389 --> 00:15:46,959
um on a personal level you don't even

413
00:15:50,389 --> 00:15:48,399

need to prove things to yourself you can

414

00:15:51,670 --> 00:15:50,399

simply believe them based on

415

00:15:53,509 --> 00:15:51,680

free will

416

00:15:55,990 --> 00:15:53,519

um so belief to me is kind of a

417

00:15:57,670 --> 00:15:56,000

problematic word it always has been

418

00:16:00,389 --> 00:15:57,680

um

419

00:16:05,189 --> 00:16:01,749

you know coming back that round to my

420

00:16:06,710 --> 00:16:05,199

original statement i want to make um

421

00:16:08,790 --> 00:16:06,720

in the end

422

00:16:10,230 --> 00:16:08,800

you can believe whatever you want and

423

00:16:11,829 --> 00:16:10,240

and and what was i going to say i was

424

00:16:13,509 --> 00:16:11,839

going to say something i believe and

425

00:16:15,430 --> 00:16:13,519

then i went off on a tangent to to

426

00:16:17,189 --> 00:16:15,440

discuss the context of the word belief i

427

00:16:19,990 --> 00:16:17,199

do that a lot by the way

428

00:16:21,350 --> 00:16:20,000

i have a very clean mind yeah

429

00:16:23,269 --> 00:16:21,360

it's not getting better as i get any

430

00:16:26,550 --> 00:16:23,279

older well i think we're talking about

431

00:16:29,430 --> 00:16:26,560

investigating science and being able to

432

00:16:32,629 --> 00:16:29,440

recapitulate an original discovery or

433

00:16:35,990 --> 00:16:32,639

investigation or goldilocks planets uh

434

00:16:37,910 --> 00:16:36,000

not necessarily having life yeah well

435

00:16:40,310 --> 00:16:37,920

and then then again oh they have life i

436

00:16:42,710 --> 00:16:40,320

mean you know dna i'm sure is universal

437

00:16:43,990 --> 00:16:42,720

to me and again okay here's the i'm not

438

00:16:46,389 --> 00:16:44,000

saying but you see you use the word

439

00:16:47,910 --> 00:16:46,399

you're sure i know i let me take that

440

00:16:50,150 --> 00:16:47,920

back i stopped right away if you'll

441

00:16:51,430 --> 00:16:50,160

notice

442

00:16:53,509 --> 00:16:51,440

but

443

00:16:55,990 --> 00:16:53,519

anyway that would be an aspect that i

444

00:16:57,110 --> 00:16:56,000

would definitely follow through with

445

00:16:59,350 --> 00:16:57,120

very good

446

00:17:00,389 --> 00:16:59,360

hope that it would bear fruit

447

00:17:02,790 --> 00:17:00,399

in other words there are some

448

00:17:05,270 --> 00:17:02,800

investigations like into ufos that you

449

00:17:07,189 --> 00:17:05,280

do as a pastime because to put a lot of

450

00:17:09,189 --> 00:17:07,199

time and money into it

451
00:17:12,230 --> 00:17:09,199
probably the payout is going to be zero

452
00:17:14,549 --> 00:17:12,240
by the time you hit the big one

453
00:17:18,150 --> 00:17:14,559
but something like investigating dna

454
00:17:20,150 --> 00:17:18,160
yeah i think that's possibility and um

455
00:17:22,549 --> 00:17:20,160
of course i don't know but that's that

456
00:17:24,309 --> 00:17:22,559
would be my belief that that would be a

457
00:17:27,350 --> 00:17:24,319
potentially fruitful line of

458
00:17:28,630 --> 00:17:27,360
investigation right whereas ufos again

459
00:17:30,710 --> 00:17:28,640
it just

460
00:17:33,350 --> 00:17:30,720
i would love to investigate them more

461
00:17:35,350 --> 00:17:33,360
closely but after a long time

462
00:17:37,990 --> 00:17:35,360
spending time in this field i think i've

463
00:17:39,830 --> 00:17:38,000

sort of given up hope a little bit so

464

00:17:41,270 --> 00:17:39,840

so here's the here's the problem with

465

00:17:42,710 --> 00:17:41,280

all of this right

466

00:17:44,230 --> 00:17:42,720

um

467

00:17:46,310 --> 00:17:44,240

in order to get someone who's going to

468

00:17:47,909 --> 00:17:46,320

be able to approach the topic of ufos in

469

00:17:49,909 --> 00:17:47,919

a level-headed way

470

00:17:51,510 --> 00:17:49,919

it's my belief that a

471

00:17:53,510 --> 00:17:51,520

you have to deal with somebody who's had

472

00:17:55,190 --> 00:17:53,520

a personal experience

473

00:17:58,070 --> 00:17:55,200

if not then you have people who

474

00:18:00,549 --> 00:17:58,080

basically are are thrilled

475

00:18:02,310 --> 00:18:00,559

or thrilled chasers uh you have people

476

00:18:04,470 --> 00:18:02,320

who and they come to it with their own

477

00:18:06,150 --> 00:18:04,480

preconceived set of notions for a lot of

478

00:18:08,470 --> 00:18:06,160

these people it's either become a proxy

479

00:18:09,830 --> 00:18:08,480

religion or just become another pastime

480

00:18:11,830 --> 00:18:09,840

it's just a hobby it's something they do

481

00:18:14,950 --> 00:18:11,840

for fun they like the thrill of it they

482

00:18:16,710 --> 00:18:14,960

like the unknown and oh that's fine um

483

00:18:19,029 --> 00:18:16,720

but that person is going to approach all

484

00:18:22,150 --> 00:18:19,039

of this with a very different level of

485

00:18:24,150 --> 00:18:22,160

vested interest in getting to

486

00:18:25,669 --> 00:18:24,160

my old tagline on the paracast was

487

00:18:28,310 --> 00:18:25,679

trying to separate the signal from the

488

00:18:30,549 --> 00:18:28,320

noise there's there's a ton of noise and

489

00:18:32,470 --> 00:18:30,559

in order to cut through the noise to get

490

00:18:34,470 --> 00:18:32,480

signal one has to have

491

00:18:36,710 --> 00:18:34,480

sort of a a certain type of i believe

492

00:18:39,190 --> 00:18:36,720

motivation which is about finding

493

00:18:40,710 --> 00:18:39,200

personal truth so right somebody doesn't

494

00:18:42,390 --> 00:18:40,720

have an anomalous let's say somebody who

495

00:18:43,909 --> 00:18:42,400

gets interested in ufos has never seen

496

00:18:45,669 --> 00:18:43,919

one

497

00:18:46,870 --> 00:18:45,679

it's fine from an entertainment point of

498

00:18:49,350 --> 00:18:46,880

view but

499

00:18:52,470 --> 00:18:49,360

i believe that that person does not have

500

00:18:55,750 --> 00:18:52,480

the kind of internal motivation that's

501
00:18:56,870 --> 00:18:55,760
going to lead them down things that are

502
00:18:58,230 --> 00:18:56,880
truthful it's going to lead them to

503
00:18:59,430 --> 00:18:58,240
things that are interesting maybe

504
00:19:02,070 --> 00:18:59,440
compelling

505
00:19:03,430 --> 00:19:02,080
uh maybe mystifying maybe a little scary

506
00:19:05,430 --> 00:19:03,440
because people like being scared that's

507
00:19:07,830 --> 00:19:05,440
why horror movies do so well

508
00:19:09,990 --> 00:19:07,840
um so now you have to have somebody you

509
00:19:11,990 --> 00:19:10,000
have to try to get somebody who's had an

510
00:19:14,390 --> 00:19:12,000
experience and what i can tell you from

511
00:19:16,710 --> 00:19:14,400
that is that when people have what i

512
00:19:18,549 --> 00:19:16,720
would consider to be genuine anomalous

513
00:19:21,750 --> 00:19:18,559

experiences

514

00:19:22,710 --> 00:19:21,760

it tends to damage them yes

515

00:19:24,630 --> 00:19:22,720

and so

516

00:19:26,310 --> 00:19:24,640

right and i've seen doing the power cast

517

00:19:28,310 --> 00:19:26,320

for four years i talked to some number

518

00:19:29,110 --> 00:19:28,320

of people over those four years

519

00:19:31,110 --> 00:19:29,120

who

520

00:19:33,430 --> 00:19:31,120

had had like one anomalous experience

521

00:19:35,350 --> 00:19:33,440

when they were kids and it screwed them

522

00:19:37,430 --> 00:19:35,360

up for the rest of their lives

523

00:19:40,390 --> 00:19:37,440

it basically really distorted their

524

00:19:41,430 --> 00:19:40,400

world view in many ways and so those

525

00:19:44,710 --> 00:19:41,440

people

526

00:19:46,630 --> 00:19:44,720

also the the idea of true objectivity

527

00:19:48,950 --> 00:19:46,640

and scientific clarity you're not going

528

00:19:50,789 --> 00:19:48,960

to find in most of those people because

529

00:19:52,710 --> 00:19:50,799

they've had this experience it's sort of

530

00:19:53,909 --> 00:19:52,720

the equivalent of a personal religious

531

00:19:55,270 --> 00:19:53,919

experience

532

00:19:57,029 --> 00:19:55,280

and so now they're looking to either

533

00:19:59,909 --> 00:19:57,039

recreate the experience because they

534

00:20:02,230 --> 00:19:59,919

want that thrill that that endorphin

535

00:20:04,230 --> 00:20:02,240

rush to the mind that happens when your

536

00:20:05,750 --> 00:20:04,240

brain sees something

537

00:20:08,150 --> 00:20:05,760

your eyes see something that your brain

538

00:20:09,430 --> 00:20:08,160

tells you cannot be there and yet your

539

00:20:11,510 --> 00:20:09,440

eyes are seeing it and then you have

540

00:20:13,270 --> 00:20:11,520

corroborating people standing next to

541

00:20:14,950 --> 00:20:13,280

you going i see that too

542

00:20:17,590 --> 00:20:14,960

um then you know it's

543

00:20:20,230 --> 00:20:17,600

this idea that there are consensual

544

00:20:22,470 --> 00:20:20,240

sort of mass hallucinations is very

545

00:20:24,070 --> 00:20:22,480

problematic it's very very rare if it's

546

00:20:25,990 --> 00:20:24,080

if it's happened at all it's kind of

547

00:20:27,669 --> 00:20:26,000

ludicrous actually well a little

548

00:20:29,350 --> 00:20:27,679

ludicrous i i think there are certain

549

00:20:30,950 --> 00:20:29,360

situations where you could possibly draw

550

00:20:32,870 --> 00:20:30,960

the potential of something like that

551
00:20:35,029 --> 00:20:32,880
happening but the idea that that happens

552
00:20:38,710 --> 00:20:35,039
on any kind of regular basis

553
00:20:39,990 --> 00:20:38,720
is sort of nonsensical david yes um

554
00:20:41,430 --> 00:20:40,000
i've had

555
00:20:44,230 --> 00:20:41,440
the uh

556
00:20:45,430 --> 00:20:44,240
experience of having people

557
00:20:46,830 --> 00:20:45,440
tell me

558
00:20:48,789 --> 00:20:46,840
that

559
00:20:51,110 --> 00:20:48,799
the raw

560
00:20:54,149 --> 00:20:51,120
biological terror

561
00:20:56,870 --> 00:20:54,159
that i have felt and i know that other

562
00:20:59,750 --> 00:20:56,880
experiences have felt

563
00:21:02,789 --> 00:20:59,760

is just fear and it can be conquered and

564

00:21:05,110 --> 00:21:02,799

when somebody says that to me i know

565

00:21:07,830 --> 00:21:05,120

they've never had that experience yeah

566

00:21:10,549 --> 00:21:07,840

because it has it's not it has nothing

567

00:21:12,630 --> 00:21:10,559

to do with your psychology and that

568

00:21:14,549 --> 00:21:12,640

you're fearing something happening

569

00:21:15,350 --> 00:21:14,559

because the onset

570

00:21:19,990 --> 00:21:15,360

is

571

00:21:22,710 --> 00:21:20,000

fear but

572

00:21:25,590 --> 00:21:22,720

like a raw biological terror well that's

573

00:21:27,350 --> 00:21:25,600

old programming in our brains it's that

574

00:21:28,950 --> 00:21:27,360

what i think is often referred to as the

575

00:21:31,430 --> 00:21:28,960

lizard brain

576

00:21:34,470 --> 00:21:31,440

uh you know it's it's the idea that you

577

00:21:36,149 --> 00:21:34,480

can use logic to conquer fear i have

578

00:21:37,750 --> 00:21:36,159

some problems with that especially when

579

00:21:38,549 --> 00:21:37,760

you're when you're witnessing something

580

00:21:39,669 --> 00:21:38,559

that

581

00:21:41,110 --> 00:21:39,679

again

582

00:21:42,950 --> 00:21:41,120

your brain

583

00:21:44,950 --> 00:21:42,960

is saying to your eyes there's there's

584

00:21:46,950 --> 00:21:44,960

just no way this is happening

585

00:21:49,430 --> 00:21:46,960

and and i discussed on the paracast

586

00:21:51,350 --> 00:21:49,440

publicly one particular episode

587

00:21:54,149 --> 00:21:51,360

uh involving a very old friend of mine

588

00:21:56,789 --> 00:21:54,159

in florida where we saw this

589

00:21:59,029 --> 00:21:56,799

really weird uh

590

00:22:01,430 --> 00:21:59,039

apparition of some sorts we interacted

591

00:22:03,510 --> 00:22:01,440

with it at close proximity

592

00:22:06,230 --> 00:22:03,520

and we watched this thing dematerialize

593

00:22:07,830 --> 00:22:06,240

we watched it would look like a human

594

00:22:09,669 --> 00:22:07,840

could you give us a little bit of

595

00:22:11,029 --> 00:22:09,679

background about that story that sounds

596

00:22:12,710 --> 00:22:11,039

really interesting

597

00:22:15,110 --> 00:22:12,720

it's um

598

00:22:16,390 --> 00:22:15,120

it's kind of a a drawn out story but the

599

00:22:18,070 --> 00:22:16,400

long and short of it is that an old

600

00:22:19,190 --> 00:22:18,080

friend of mine and myself in southern

601
00:22:21,350 --> 00:22:19,200
florida

602
00:22:22,549 --> 00:22:21,360
we're hanging out one day and we see

603
00:22:23,909 --> 00:22:22,559
this

604
00:22:25,990 --> 00:22:23,919
very odd

605
00:22:28,870 --> 00:22:26,000
apparition that looked like a human

606
00:22:31,510 --> 00:22:28,880
female sort of gliding across

607
00:22:34,310 --> 00:22:31,520
this walkway in this in this uh center

608
00:22:35,909 --> 00:22:34,320
part of a condo complex wow

609
00:22:37,669 --> 00:22:35,919
um

610
00:22:39,110 --> 00:22:37,679
and the thing that really and to this

611
00:22:40,390 --> 00:22:39,120
day this this happened a number of years

612
00:22:42,070 --> 00:22:40,400
ago and i still

613
00:22:43,430 --> 00:22:42,080

and just thinking about it my skin gets

614

00:22:44,390 --> 00:22:43,440

a little weird

615

00:22:46,549 --> 00:22:44,400

um

616

00:22:47,750 --> 00:22:46,559

well because the thing that immediately

617

00:22:49,590 --> 00:22:47,760

right well there were a couple of things

618

00:22:51,110 --> 00:22:49,600

that registered as completely off when

619

00:22:52,870 --> 00:22:51,120

we saw this thing

620

00:22:54,549 --> 00:22:52,880

which is that her legs were moving at

621

00:22:56,310 --> 00:22:54,559

one speed her body was moving much

622

00:22:58,789 --> 00:22:56,320

faster than the legs were moving

623

00:23:00,710 --> 00:22:58,799

so that was already you know visually

624

00:23:03,190 --> 00:23:00,720

especially as i'm i mean part of what i

625

00:23:05,909 --> 00:23:03,200

do in my life is i do animation

626

00:23:08,070 --> 00:23:05,919

and so i am intimately familiar with the

627

00:23:09,190 --> 00:23:08,080

idea of creating convincing motion and

628

00:23:10,630 --> 00:23:09,200

animation

629

00:23:13,270 --> 00:23:10,640

and when you're seeing something in the

630

00:23:15,270 --> 00:23:13,280

real world where the sink is off

631

00:23:17,990 --> 00:23:15,280

uh where again the legs are kind of

632

00:23:20,390 --> 00:23:18,000

moving slowly but the the the thing the

633

00:23:21,990 --> 00:23:20,400

legs are attached to is moving quickly

634

00:23:23,830 --> 00:23:22,000

immediately your brain goes oh no no

635

00:23:25,270 --> 00:23:23,840

that's

636

00:23:27,029 --> 00:23:25,280

something wrong there but then the thing

637

00:23:28,789 --> 00:23:27,039

that really stood out about this

638

00:23:29,830 --> 00:23:28,799

whatever it was

639

00:23:30,710 --> 00:23:29,840

was that

640

00:23:32,549 --> 00:23:30,720

where

641

00:23:33,830 --> 00:23:32,559

this was this happened outside in

642

00:23:36,870 --> 00:23:33,840

daylight

643

00:23:39,909 --> 00:23:36,880

uh where its eyes and its mouth were

644

00:23:42,630 --> 00:23:39,919

there was nothing it was just blackness

645

00:23:44,630 --> 00:23:42,640

there were no eyes there was no mouth

646

00:23:46,950 --> 00:23:44,640

and in the end this thing went and sort

647

00:23:49,190 --> 00:23:46,960

of seemed to sit down

648

00:23:51,350 --> 00:23:49,200

in this seating area

649

00:23:52,789 --> 00:23:51,360

and i dragged my friend out to get close

650

00:23:54,950 --> 00:23:52,799

to this thing we end up sitting like i

651
00:23:56,710 --> 00:23:54,960
don't know 15 feet away from it and

652
00:23:57,830 --> 00:23:56,720
we're both like what the hell is going

653
00:23:59,909 --> 00:23:57,840
on here and

654
00:24:01,510 --> 00:23:59,919
you know it was this fine balance this

655
00:24:04,070 --> 00:24:01,520
this balancing act of being really

656
00:24:07,270 --> 00:24:04,080
really scared but also really really

657
00:24:09,909 --> 00:24:07,280
fascinated like what is going on here

658
00:24:12,230 --> 00:24:09,919
and for me it was not my first anomalous

659
00:24:14,070 --> 00:24:12,240
experience by long shot

660
00:24:18,789 --> 00:24:14,080
so

661
00:24:19,909 --> 00:24:18,799
dealing with things that were really

662
00:24:21,190 --> 00:24:19,919
weird

663
00:24:23,350 --> 00:24:21,200

um

664

00:24:25,269 --> 00:24:23,360

and and the long and short of it is then

665

00:24:27,029 --> 00:24:25,279

this thing got up after a certain amount

666

00:24:29,110 --> 00:24:27,039

of time it got up and started drifting

667

00:24:32,390 --> 00:24:29,120

away and we watched it sort of

668

00:24:35,110 --> 00:24:32,400

dematerialize right into thin air

669

00:24:36,630 --> 00:24:35,120

now i don't know what this thing was

670

00:24:38,310 --> 00:24:36,640

like i can

671

00:24:40,630 --> 00:24:38,320

and and there's a episode of the

672

00:24:41,750 --> 00:24:40,640

paracast where my friend came on the

673

00:24:44,789 --> 00:24:41,760

show and

674

00:24:47,830 --> 00:24:44,799

identified himself by his real name wow

675

00:24:50,070 --> 00:24:47,840

uh and we we we we talked about this and

676
00:24:53,110 --> 00:24:50,080
we went through a large amount of detail

677
00:24:55,029 --> 00:24:53,120
which interestingly enough uh

678
00:24:57,110 --> 00:24:55,039
after that episode aired there were some

679
00:24:59,269 --> 00:24:57,120
people who said oh

680
00:25:00,549 --> 00:24:59,279
too much information way too much detail

681
00:25:02,950 --> 00:25:00,559
he could have made the story a lot

682
00:25:04,789 --> 00:25:02,960
shorter why should you well that's

683
00:25:07,029 --> 00:25:04,799
exactly that's clearly not somebody

684
00:25:09,510 --> 00:25:07,039
who's a researcher talking because it's

685
00:25:12,870 --> 00:25:09,520
like with too much detail huh

686
00:25:15,590 --> 00:25:12,880
um but but that's part of the reality of

687
00:25:16,390 --> 00:25:15,600
today's internet age there's an internet

688
00:25:17,590 --> 00:25:16,400

uh

689

00:25:19,190 --> 00:25:17,600

acronym

690

00:25:22,549 --> 00:25:19,200

tl

691

00:25:24,950 --> 00:25:22,559

colon dr which stands for too long

692

00:25:26,549 --> 00:25:24,960

didn't read oh and

693

00:25:28,710 --> 00:25:26,559

right it's like the standard response if

694

00:25:30,390 --> 00:25:28,720

somebody is on an online forum and

695

00:25:32,630 --> 00:25:30,400

somebody posts a long thing someone will

696

00:25:34,870 --> 00:25:32,640

put that little line up and then give

697

00:25:37,350 --> 00:25:34,880

their opinion which qualifies their

698

00:25:38,630 --> 00:25:37,360

opinion basically being useless

699

00:25:40,710 --> 00:25:38,640

um

700

00:25:43,430 --> 00:25:40,720

so so it was interesting in that some of

701

00:25:45,269 --> 00:25:43,440

the people who responded when my friend

702

00:25:46,950 --> 00:25:45,279

bill and i talked about that they were

703

00:25:48,630 --> 00:25:46,960

saying well you know they try to drag

704

00:25:50,470 --> 00:25:48,640

the story out and it's like well we're

705

00:25:52,149 --> 00:25:50,480

trying to give you guys all the details

706

00:25:54,870 --> 00:25:52,159

and information

707

00:25:56,390 --> 00:25:54,880

because maybe somebody can make use of

708

00:25:57,430 --> 00:25:56,400

that to help us figure out what the heck

709

00:26:01,269 --> 00:25:57,440

we saw

710

00:26:02,470 --> 00:26:01,279

so here's my my overall point about this

711

00:26:04,549 --> 00:26:02,480

um

712

00:26:05,909 --> 00:26:04,559

is that i've never made any

713

00:26:08,830 --> 00:26:05,919

sort of statement about what i thought

714

00:26:11,990 --> 00:26:08,840

this was i had some feelings that i

715

00:26:14,549 --> 00:26:12,000

might have shared about what i felt at

716

00:26:16,230 --> 00:26:14,559

the time seeing this but to say it's a

717

00:26:18,390 --> 00:26:16,240

ghost it was some

718

00:26:20,789 --> 00:26:18,400

it was a girl and she was dressed like

719

00:26:23,110 --> 00:26:20,799

in kind of 70s garb

720

00:26:25,430 --> 00:26:23,120

and this happened in the in the 90s so

721

00:26:27,669 --> 00:26:25,440

it was like well gee um

722

00:26:30,390 --> 00:26:27,679

you know maybe maybe it was a ghost i

723

00:26:31,830 --> 00:26:30,400

don't know what a ghost even is

724

00:26:33,750 --> 00:26:31,840

was it an apparition it was an

725

00:26:35,269 --> 00:26:33,760

apparition it de-materialized it looked

726

00:26:37,750 --> 00:26:35,279

human it didn't have eyes didn't have a

727

00:26:41,510 --> 00:26:39,590

that's what i know i don't know what it

728

00:26:43,510 --> 00:26:41,520

is i don't know where it came from i

729

00:26:45,190 --> 00:26:43,520

certainly don't know where it went

730

00:26:47,510 --> 00:26:45,200

um

731

00:26:49,190 --> 00:26:47,520

and i don't try to draw any conclusions

732

00:26:51,350 --> 00:26:49,200

about it because that's the part that's

733

00:26:53,830 --> 00:26:51,360

the step where i think people

734

00:26:55,909 --> 00:26:53,840

really impose their human insecurities

735

00:26:57,590 --> 00:26:55,919

on things and it's just about

736

00:26:59,590 --> 00:26:57,600

we want to be in control every human

737

00:27:01,430 --> 00:26:59,600

wants to be in control we want to be in

738

00:27:02,390 --> 00:27:01,440

control of our reality and as far as we

739

00:27:04,390 --> 00:27:02,400

can be

740

00:27:06,230 --> 00:27:04,400

and we don't want big questions

741

00:27:08,470 --> 00:27:06,240

unanswered questions hanging in front of

742

00:27:10,789 --> 00:27:08,480

us especially when it involves direct

743

00:27:12,630 --> 00:27:10,799

sensory experience

744

00:27:14,950 --> 00:27:12,640

we want to be able to to know what it is

745

00:27:16,549 --> 00:27:14,960

that happened so

746

00:27:19,110 --> 00:27:16,559

for me

747

00:27:21,110 --> 00:27:19,120

uh uh i look at that and i think

748

00:27:23,990 --> 00:27:21,120

to me it's it's a stand out experience

749

00:27:26,310 --> 00:27:24,000

but it's one of so many that i've had

750

00:27:28,390 --> 00:27:26,320

that quite frankly i've sort of lost

751
00:27:31,669 --> 00:27:28,400
track of all the things i've experienced

752
00:27:33,590 --> 00:27:31,679
yes yes i i can understand that have

753
00:27:36,789 --> 00:27:33,600
what has been

754
00:27:38,070 --> 00:27:36,799
the latest experience you may have

755
00:27:40,149 --> 00:27:38,080
had

756
00:27:42,070 --> 00:27:40,159
david

757
00:27:44,070 --> 00:27:42,080
that you would like to share that is oh

758
00:27:45,750 --> 00:27:44,080
i'm thinking i'm thinking what what

759
00:27:47,750 --> 00:27:45,760
you're thinking i you know it's

760
00:27:50,310 --> 00:27:47,760
interesting that ferusa is indeed a

761
00:27:52,470 --> 00:27:50,320
psychic and um can pick up things that i

762
00:27:55,430 --> 00:27:52,480
cannot i mean i'm about as far from

763
00:27:58,870 --> 00:27:55,440

being psychic as you get i'm pretty sure

764

00:28:02,389 --> 00:27:58,880

and uh i she and i have often speculated

765

00:28:03,909 --> 00:28:02,399

that it's sort of like uh and you might

766

00:28:06,310 --> 00:28:03,919

add to this too

767

00:28:07,830 --> 00:28:06,320

it's like the antenna like different

768

00:28:09,110 --> 00:28:07,840

people have can pick up different

769

00:28:11,590 --> 00:28:09,120

frequencies

770

00:28:13,269 --> 00:28:11,600

and when someone like yourself tells me

771

00:28:14,630 --> 00:28:13,279

that you've had a lot of anomalous

772

00:28:16,710 --> 00:28:14,640

experiences

773

00:28:19,350 --> 00:28:16,720

i sort of think that your

774

00:28:22,470 --> 00:28:19,360

antenna is more finely tuned than mine

775

00:28:24,310 --> 00:28:22,480

because i i haven't seen anything like a

776

00:28:25,990 --> 00:28:24,320

team well actually i did actually i've

777

00:28:28,389 --> 00:28:26,000

seen a lot of things

778

00:28:32,630 --> 00:28:28,399

yeah actually i did now comes yeah i saw

779

00:28:35,029 --> 00:28:32,640

this huge black caped figure of a some

780

00:28:37,750 --> 00:28:35,039

male figure that was just enormous with

781

00:28:40,070 --> 00:28:37,760

his arms crossed staring at me and

782

00:28:41,990 --> 00:28:40,080

i went ooh

783

00:28:44,630 --> 00:28:42,000

and he said don't worry i'm here to

784

00:28:47,830 --> 00:28:44,640

protect you and i said good to know and

785

00:28:50,149 --> 00:28:47,840

then it disappeared so i guess i have

786

00:28:52,710 --> 00:28:50,159

had some but you know not nowhere near

787

00:28:55,830 --> 00:28:52,720

the amount that uh varusha has had and

788

00:28:59,510 --> 00:28:55,840

that you seem to have had and uh what

789

00:29:01,909 --> 00:28:59,520

since you are in media and technology

790

00:29:03,909 --> 00:29:01,919

do you think that there's any

791

00:29:06,230 --> 00:29:03,919

whilst you're perusing what your latest

792

00:29:08,630 --> 00:29:06,240

experience would be well the thing is

793

00:29:10,149 --> 00:29:08,640

i'm hesitant to share experiences where

794

00:29:12,389 --> 00:29:10,159

i don't have

795

00:29:13,750 --> 00:29:12,399

corroborating witnesses oh that's okay

796

00:29:15,430 --> 00:29:13,760

we'll believe you

797

00:29:17,510 --> 00:29:15,440

well i wouldn't want you to actually i

798

00:29:19,830 --> 00:29:17,520

would i would hope you wouldn't no i

799

00:29:21,669 --> 00:29:19,840

wouldn't no i'm being serious well so

800

00:29:24,870 --> 00:29:21,679

why come on we'd love to hear

801
00:29:28,789 --> 00:29:26,870

i trust you

802
00:29:30,870 --> 00:29:28,799

well you shouldn't trust me well yeah i

803
00:29:32,549 --> 00:29:30,880

should because i've known you i love you

804
00:29:34,230 --> 00:29:32,559

for a long time and i guess this is

805
00:29:37,110 --> 00:29:34,240

where i'm a new yorker right i'm gonna

806
00:29:39,110 --> 00:29:37,120

serve as diehard brooklyn boy where

807
00:29:41,430 --> 00:29:39,120

i'm i i've learned to be much less

808
00:29:43,269 --> 00:29:41,440

trusting well i'm from yonkers and i

809
00:29:45,430 --> 00:29:43,279

still trust you

810
00:29:47,830 --> 00:29:45,440

well yonka's ain't brooklyn lady

811
00:29:49,990 --> 00:29:47,840

um it certainly is not

812
00:29:52,710 --> 00:29:50,000

oh yeah oh these days i think it's even

813
00:29:54,789 --> 00:29:52,720

a lot more affordable than brooklyn um

814

00:29:56,549 --> 00:29:54,799

which is just anyway okay we're not

815

00:29:58,070 --> 00:29:56,559

gonna go down that road okay so i'm

816

00:29:59,669 --> 00:29:58,080

trying i'm trying to think like what

817

00:30:02,310 --> 00:29:59,679

what could i point out that's been

818

00:30:03,909 --> 00:30:02,320

really truly

819

00:30:05,510 --> 00:30:03,919

uh and i know there's like something in

820

00:30:06,870 --> 00:30:05,520

my brain is saying well you just had

821

00:30:10,789 --> 00:30:06,880

something happen

822

00:30:13,029 --> 00:30:10,799

and literally they they start to sort of

823

00:30:16,230 --> 00:30:13,039

bleed together

824

00:30:19,990 --> 00:30:16,240

to the point where um

825

00:30:22,070 --> 00:30:20,000

i start to question my own senses

826

00:30:23,830 --> 00:30:22,080

and and and this is the this is this is

827

00:30:27,110 --> 00:30:23,840

where you can start to really lose it

828

00:30:29,990 --> 00:30:27,120

with this stuff yes um by basically just

829

00:30:32,389 --> 00:30:30,000

pondering it too much too much

830

00:30:34,389 --> 00:30:32,399

self ins introspection on this stuff

831

00:30:36,710 --> 00:30:34,399

will will will start to get to you and

832

00:30:38,470 --> 00:30:36,720

and this is the thing that i i work very

833

00:30:41,350 --> 00:30:38,480

hard

834

00:30:43,190 --> 00:30:41,360

at keeping myself interested in things

835

00:30:45,269 --> 00:30:43,200

other than this not that i keep i don't

836

00:30:46,789 --> 00:30:45,279

work very hard at it i just find that a

837

00:30:49,110 --> 00:30:46,799

lot of the time

838

00:30:50,230 --> 00:30:49,120

i don't obsess about these things and

839

00:30:52,310 --> 00:30:50,240

i'll give you an example of what i'm

840

00:30:54,389 --> 00:30:52,320

talking about when you go on

841

00:30:57,590 --> 00:30:54,399

social media websites like facebook

842

00:30:59,350 --> 00:30:57,600

which i'm very active on um

843

00:31:01,909 --> 00:30:59,360

it's it's interesting to me how so often

844

00:31:04,310 --> 00:31:01,919

you will see people who will have their

845

00:31:05,830 --> 00:31:04,320

personal webs their personal website or

846

00:31:07,669 --> 00:31:05,840

their facebook page

847

00:31:10,070 --> 00:31:07,679

and it will be completely devoted to

848

00:31:12,070 --> 00:31:10,080

let's say the ufo topic

849

00:31:13,909 --> 00:31:12,080

their their their avatar their profile

850

00:31:17,110 --> 00:31:13,919

picture is like a little manipulated

851
00:31:19,110 --> 00:31:17,120
gray being with their eyes or something

852
00:31:20,870 --> 00:31:19,120
everything they post is about this topic

853
00:31:22,549 --> 00:31:20,880
i think that's unhealthy

854
00:31:24,549 --> 00:31:22,559
i think it's really true i think it's

855
00:31:26,630 --> 00:31:24,559
very unhealthy to put that kind of a

856
00:31:28,789 --> 00:31:26,640
vibe out about oneself

857
00:31:32,470 --> 00:31:28,799
um i just think it's unhealthy to be

858
00:31:34,710 --> 00:31:32,480
that obsessed with any one topic uh i'm

859
00:31:37,430 --> 00:31:34,720
a man of many hobbies and many interests

860
00:31:38,789 --> 00:31:37,440
and people who read my online musings

861
00:31:41,430 --> 00:31:38,799
they know this

862
00:31:44,630 --> 00:31:41,440
i'm very political i'm very interested

863
00:31:46,870 --> 00:31:44,640

in art music i'm really into technology

864

00:31:48,470 --> 00:31:46,880

i love weird software that makes weird

865

00:31:50,710 --> 00:31:48,480

sounds that to me

866

00:31:52,549 --> 00:31:50,720

left my own devices it's all i'd ever do

867

00:31:55,750 --> 00:31:52,559

ever again is make weird sounds with

868

00:31:57,830 --> 00:31:55,760

computers and ipads and synthesizers and

869

00:32:01,029 --> 00:31:57,840

strange devices that i put my head into

870

00:32:03,509 --> 00:32:01,039

and think music and it comes out um

871

00:32:04,870 --> 00:32:03,519

and and and i try to sort of keep

872

00:32:06,310 --> 00:32:04,880

interested in a lot of different things

873

00:32:09,350 --> 00:32:06,320

just because

874

00:32:13,190 --> 00:32:09,360

otherwise one goes down this sort of

875

00:32:16,149 --> 00:32:14,789

oh clearly

876

00:32:19,590 --> 00:32:16,159

clearly um

877

00:32:22,230 --> 00:32:19,600

i know as since i was a child i have

878

00:32:24,710 --> 00:32:22,240

always had to

879

00:32:26,470 --> 00:32:24,720

meaningfully focus

880

00:32:29,590 --> 00:32:26,480

on being in

881

00:32:32,310 --> 00:32:29,600

the you know 4d reality that we

882

00:32:35,110 --> 00:32:32,320

purportedly share

883

00:32:38,870 --> 00:32:35,120

and i've always had to

884

00:32:41,110 --> 00:32:38,880

try absolutely try not to let

885

00:32:45,110 --> 00:32:41,120

it go

886

00:32:47,350 --> 00:32:45,120

that doesn't say much for my sanity

887

00:32:49,750 --> 00:32:47,360

i would never have guessed that

888

00:32:51,830 --> 00:32:49,760

well you know what what i find is that

889

00:32:53,830 --> 00:32:51,840

music will cure everything in the end

890

00:32:57,110 --> 00:32:53,840

making it listening to it

891

00:32:59,750 --> 00:32:57,120

uh it is truly is truly the thing that

892

00:33:01,909 --> 00:32:59,760

has saved me in my life and

893

00:33:03,590 --> 00:33:01,919

uh as far as i'm concerned it's the most

894

00:33:05,990 --> 00:33:03,600

noble thing that humans have ever come

895

00:33:09,269 --> 00:33:06,000

up with well if i could just interject a

896

00:33:12,870 --> 00:33:09,279

personal note here sure bill

897

00:33:16,070 --> 00:33:12,880

our our esteemed producer uh has also

898

00:33:18,389 --> 00:33:16,080

had a personal experience and it uh

899

00:33:19,750 --> 00:33:18,399

it was difficult for him i think if i'm

900

00:33:22,310 --> 00:33:19,760

right bill

901
00:33:26,630 --> 00:33:22,320
for him to express it and so what he did

902
00:33:28,710 --> 00:33:26,640
was translate into a musical piece

903
00:33:30,470 --> 00:33:28,720
yeah and when i heard the piece i

904
00:33:33,190 --> 00:33:30,480
thought ah you know

905
00:33:36,230 --> 00:33:33,200
that sounds just like it would be

906
00:33:38,470 --> 00:33:36,240
you know it was really so

907
00:33:40,950 --> 00:33:38,480
music is interesting you know it's it's

908
00:33:44,389 --> 00:33:40,960
been a part of human culture since i'm

909
00:33:45,909 --> 00:33:44,399
sure since the first cave guys ugh in

910
00:33:47,830 --> 00:33:45,919
unison you know

911
00:33:49,990 --> 00:33:47,840
what well organized religion figured

912
00:33:52,789 --> 00:33:50,000
that out a long time ago yeah yeah

913
00:33:54,950 --> 00:33:52,799

that's true thank you mr bach

914

00:33:57,590 --> 00:33:54,960

well it's true i mean they they they use

915

00:33:59,590 --> 00:33:57,600

the power of music in a way that yeah uh

916

00:34:01,029 --> 00:33:59,600

was very mesmerizing

917

00:34:02,230 --> 00:34:01,039

um

918

00:34:02,870 --> 00:34:02,240

and uh

919

00:34:03,909 --> 00:34:02,880

uh

920

00:34:05,590 --> 00:34:03,919

that's what

921

00:34:07,430 --> 00:34:05,600

bill had the microphone now he'd tell

922

00:34:09,109 --> 00:34:07,440

you about the evils what is it the

923

00:34:10,389 --> 00:34:09,119

seventh chord that you were telling me

924

00:34:12,550 --> 00:34:10,399

about

925

00:34:15,349 --> 00:34:12,560

that one

926
00:34:17,829 --> 00:34:15,359
the tritone tones yeah yeah which i i

927
00:34:20,230 --> 00:34:17,839
i'm sorry i'm first anyway just getting

928
00:34:22,470 --> 00:34:20,240
back on to topic

929
00:34:25,829 --> 00:34:22,480
could you tell us a little bit about the

930
00:34:27,750 --> 00:34:25,839
narcap report and what you are uh

931
00:34:30,149 --> 00:34:27,760
what your uh

932
00:34:32,950 --> 00:34:30,159
what you did with the narcap report so

933
00:34:35,030 --> 00:34:32,960
that narcap report that you referenced

934
00:34:38,230 --> 00:34:35,040
um had been

935
00:34:39,510 --> 00:34:38,240
created as an analysis of what happened

936
00:34:40,869 --> 00:34:39,520
in uh

937
00:34:42,710 --> 00:34:40,879
chicago at

938
00:34:44,310 --> 00:34:42,720

the o'hare airport

939

00:34:48,869 --> 00:34:44,320

um

940

00:34:51,030 --> 00:34:48,879

it was november of i want to say 2006

941

00:34:52,869 --> 00:34:51,040

uh i i i don't have it right in front of

942

00:34:54,950 --> 00:34:52,879

me um i think it was later but i

943

00:34:55,909 --> 00:34:54,960

couldn't tell you what yeah go ahead

944

00:34:57,990 --> 00:34:55,919

well

945

00:35:00,310 --> 00:34:58,000

uh now you're gonna make me look it up

946

00:35:04,710 --> 00:35:02,349

well it was it was a very

947

00:35:07,349 --> 00:35:04,720

popularized uh incident that had

948

00:35:09,750 --> 00:35:07,359

occurred yeah it was 2006 november of

949

00:35:10,710 --> 00:35:09,760

2006 november 7th

950

00:35:12,470 --> 00:35:10,720

um

951
00:35:13,750 --> 00:35:12,480
where uh there

952
00:35:16,870 --> 00:35:13,760
reportedly

953
00:35:18,790 --> 00:35:16,880
a number of people had seen a craft a

954
00:35:21,030 --> 00:35:18,800
circular disc shaped craft hovering

955
00:35:23,910 --> 00:35:21,040
above i believe it was the sea terminal

956
00:35:27,109 --> 00:35:23,920
at o'hare airport um

957
00:35:29,589 --> 00:35:27,119
it had been seen by supposedly uh

958
00:35:32,069 --> 00:35:29,599
crew on the ground united crew it had

959
00:35:32,950 --> 00:35:32,079
been seen supposedly by a pilot

960
00:35:34,790 --> 00:35:32,960
um

961
00:35:37,030 --> 00:35:34,800
some people who were at the airport had

962
00:35:38,390 --> 00:35:37,040
seen this thing it was hovering in the

963
00:35:40,390 --> 00:35:38,400

sky

964

00:35:41,430 --> 00:35:40,400

over this terminal for i think like 20

965

00:35:43,670 --> 00:35:41,440

minutes

966

00:35:44,470 --> 00:35:43,680

and then it basically it was an overcast

967

00:35:46,630 --> 00:35:44,480

day

968

00:35:48,790 --> 00:35:46,640

the thing shot straight up into the air

969

00:35:51,109 --> 00:35:48,800

so quickly and without any sound

970

00:35:53,190 --> 00:35:51,119

which is very interesting um

971

00:35:55,430 --> 00:35:53,200

it shot up so fast that it like left

972

00:35:57,109 --> 00:35:55,440

this hole in the cloud cover where

973

00:35:58,630 --> 00:35:57,119

people could see for just a few minutes

974

00:36:00,710 --> 00:35:58,640

or whatever the blue sky is showing

975

00:36:01,829 --> 00:36:00,720

through on the other side of the clouds

976

00:36:04,150 --> 00:36:01,839

um

977

00:36:05,270 --> 00:36:04,160

united tried to squelch this uh this

978

00:36:08,069 --> 00:36:05,280

episode

979

00:36:11,030 --> 00:36:08,079

um and there's been a lot of uh press

980

00:36:12,630 --> 00:36:11,040

coverage it was i believe john helkovic

981

00:36:13,990 --> 00:36:12,640

forget the guys the reporter's name at

982

00:36:15,990 --> 00:36:14,000

the um

983

00:36:17,109 --> 00:36:16,000

at the uh the [h__h] was it the chicago

984

00:36:18,310 --> 00:36:17,119

tribune

985

00:36:20,069 --> 00:36:18,320

uh

986

00:36:22,870 --> 00:36:20,079

who had written this thing up i believe

987

00:36:24,870 --> 00:36:22,880

it was the january after it happened

988

00:36:28,230 --> 00:36:24,880

um and it created a huge amount of

989

00:36:31,190 --> 00:36:28,240

interest and narcap being primarily

990

00:36:32,550 --> 00:36:31,200

interested in ufo phenomena that deal

991

00:36:38,950 --> 00:36:32,560

with

992

00:36:41,430 --> 00:36:38,960

they got on it and

993

00:36:43,829 --> 00:36:41,440

my involvement dealt with some image

994

00:36:46,630 --> 00:36:43,839

analysis with some

995

00:36:49,750 --> 00:36:46,640

uh with a particular image that surfaced

996

00:36:51,510 --> 00:36:49,760

that was supposedly supposed to be

997

00:36:53,829 --> 00:36:51,520

an image that was shot

998

00:36:55,430 --> 00:36:53,839

potentially by a pilot who saw this

999

00:36:59,430 --> 00:36:55,440

thing through the airplane

1000

00:37:06,470 --> 00:37:02,069

and myself and a former research partner

1001
00:37:09,670 --> 00:37:07,990
we took a look at this and we came up

1002
00:37:11,270 --> 00:37:09,680
with some interesting conclusions about

1003
00:37:13,589 --> 00:37:11,280
this image

1004
00:37:15,349 --> 00:37:13,599
but specifically primarily focusing on

1005
00:37:16,550 --> 00:37:15,359
my contention that the image had been

1006
00:37:20,870 --> 00:37:16,560
tampered with

1007
00:37:23,109 --> 00:37:20,880
way that seemed to indicate some very

1008
00:37:25,670 --> 00:37:23,119
sophisticated

1009
00:37:28,150 --> 00:37:25,680
attempts to to to not only spread

1010
00:37:29,670 --> 00:37:28,160
disinformation but potentially

1011
00:37:30,470 --> 00:37:29,680
discredit

1012
00:37:33,270 --> 00:37:30,480
uh

1013
00:37:35,270 --> 00:37:33,280

any image analyst who might come out and

1014

00:37:36,550 --> 00:37:35,280

proclaim that the image was legitimate

1015

00:37:39,910 --> 00:37:36,560

and genuine

1016

00:37:42,550 --> 00:37:39,920

um there i found the equivalent

1017

00:37:43,349 --> 00:37:42,560

of a digital fingerprint

1018

00:37:45,589 --> 00:37:43,359

uh

1019

00:37:49,109 --> 00:37:45,599

in the image that indicated that there

1020

00:37:51,349 --> 00:37:49,119

was something very nefarious going on

1021

00:37:53,190 --> 00:37:51,359

and at that point and and

1022

00:37:55,829 --> 00:37:53,200

this had been information i had shared

1023

00:37:58,390 --> 00:37:55,839

with the the narcap folks and so they

1024

00:38:02,950 --> 00:37:58,400

they put me in their report um

1025

00:38:05,829 --> 00:38:02,960

november 7th 2006 was the date of the

1026

00:38:07,589 --> 00:38:05,839

air just fyi yeah

1027

00:38:10,310 --> 00:38:07,599

so uh it was a very interesting

1028

00:38:12,870 --> 00:38:10,320

high-profile ufo case that

1029

00:38:14,150 --> 00:38:12,880

uh generated a certain amount of press

1030

00:38:17,510 --> 00:38:14,160

uh

1031

00:38:20,069 --> 00:38:17,520

interest it generated a huge amount of

1032

00:38:22,069 --> 00:38:20,079

use you know public interest

1033

00:38:23,670 --> 00:38:22,079

i think the uh the tribune said that it

1034

00:38:24,630 --> 00:38:23,680

was um

1035

00:38:26,390 --> 00:38:24,640

the most

1036

00:38:28,550 --> 00:38:26,400

they had the largest number of hits any

1037

00:38:31,589 --> 00:38:28,560

article it ever had on their site

1038

00:38:34,230 --> 00:38:31,599

um but again uh

1039

00:38:36,230 --> 00:38:34,240

what conclusions can we draw from that

1040

00:38:38,710 --> 00:38:36,240

episode let's let's assume for a moment

1041

00:38:40,710 --> 00:38:38,720

that it went down the way that certain

1042

00:38:43,430 --> 00:38:40,720

witnesses claimed it did

1043

00:38:47,670 --> 00:38:45,349

i'll make a statement to you that will

1044

00:38:50,230 --> 00:38:47,680

kind of underscore my own sort of

1045

00:38:51,750 --> 00:38:50,240

tendencies of thinking about the ufo

1046

00:38:54,470 --> 00:38:51,760

phenomena

1047

00:38:55,829 --> 00:38:54,480

which is uh

1048

00:38:58,870 --> 00:38:55,839

and there are many different forms of

1049

00:39:00,270 --> 00:38:58,880

it's not i say phenomena because

1050

00:39:01,829 --> 00:39:00,280

there are multiple types of

1051

00:39:03,910 --> 00:39:01,839

manifestations

1052

00:39:06,150 --> 00:39:03,920

of these things um and there are

1053

00:39:09,270 --> 00:39:06,160

different scales of it

1054

00:39:11,829 --> 00:39:09,280

but my contention is that if something

1055

00:39:13,430 --> 00:39:11,839

is clearly not human technology

1056

00:39:15,190 --> 00:39:13,440

we see it and it flies away from the

1057

00:39:17,910 --> 00:39:15,200

earth

1058

00:39:20,230 --> 00:39:17,920

that is not to say definitively that

1059

00:39:21,349 --> 00:39:20,240

it's not terrestrial

1060

00:39:23,190 --> 00:39:21,359

and that's where things get a little

1061

00:39:25,349 --> 00:39:23,200

complicated

1062

00:39:27,030 --> 00:39:25,359

and and my own line of thinking about a

1063

00:39:30,870 --> 00:39:27,040

lot of these things kept steering me in

1064

00:39:35,349 --> 00:39:32,870

kept telling me that there were levels

1065

00:39:37,430 --> 00:39:35,359

of deception going on here

1066

00:39:38,630 --> 00:39:37,440

that would make it very difficult to

1067

00:39:40,790 --> 00:39:38,640

have

1068

00:39:43,910 --> 00:39:40,800

any kind of statement that was

1069

00:39:46,069 --> 00:39:43,920

absolutely conclusive because i i s

1070

00:39:48,069 --> 00:39:46,079

it's my contention that

1071

00:39:49,910 --> 00:39:48,079

whatever is behind these things does not

1072

00:39:51,829 --> 00:39:49,920

want us to understand

1073

00:39:53,990 --> 00:39:51,839

what's going on

1074

00:39:56,630 --> 00:39:54,000

and that leads me down certain paths

1075

00:39:58,390 --> 00:39:56,640

that are uncomfortable

1076

00:40:01,190 --> 00:39:58,400

um

1077

00:40:03,109 --> 00:40:01,200

because it's it it

1078

00:40:05,030 --> 00:40:03,119

i kept coming up with this idea that by

1079

00:40:07,670 --> 00:40:05,040

the way i had many discussions about

1080

00:40:09,349 --> 00:40:07,680

this both on air and privately with a

1081

00:40:12,150 --> 00:40:09,359

fellow who passed away a number of years

1082

00:40:14,630 --> 00:40:12,160

ago absolutely mac tony's

1083

00:40:16,150 --> 00:40:14,640

um who ended up writing this very short

1084

00:40:18,230 --> 00:40:16,160

book in fact the book was published

1085

00:40:19,589 --> 00:40:18,240

after he died and i don't know that it

1086

00:40:21,990 --> 00:40:19,599

was really complete yet called the

1087

00:40:23,829 --> 00:40:22,000

cryptoterrestrials

1088

00:40:26,069 --> 00:40:23,839

where mac and i have been talking quite

1089

00:40:28,550 --> 00:40:26,079

a bit about the idea that perhaps we

1090

00:40:30,950 --> 00:40:28,560

were not at the top of the evolutionary

1091

00:40:33,990 --> 00:40:30,960

chain of on this planet i sure as hell

1092

00:40:37,349 --> 00:40:34,000

hope we're not because it's a sad

1093

00:40:40,390 --> 00:40:37,359

it's a sad idea if we are

1094

00:40:43,030 --> 00:40:40,400

yeah um but it's a little scary to think

1095

00:40:44,710 --> 00:40:43,040

that maybe if we're not

1096

00:40:47,510 --> 00:40:44,720

that we're not because we're not

1097

00:40:49,670 --> 00:40:47,520

supposed to know we're not

1098

00:40:52,069 --> 00:40:49,680

if this is all this is again

1099

00:40:54,470 --> 00:40:52,079

and part of the problem and having

1100

00:40:56,550 --> 00:40:54,480

useful practical constructive

1101

00:40:58,870 --> 00:40:56,560

discussions about this

1102

00:41:02,630 --> 00:40:58,880

is that if you don't play into

1103

00:41:05,030 --> 00:41:02,640

sort of story threads that already exist

1104

00:41:08,150 --> 00:41:05,040

it gets too weird for people

1105

00:41:08,870 --> 00:41:08,160

right to talk about let's say

1106

00:41:36,870 --> 00:41:08,880

a

1107

00:41:39,030 --> 00:41:36,880

our evolution which is

1108

00:41:42,470 --> 00:41:39,040

clearly points out that we are not an

1109

00:41:44,230 --> 00:41:42,480

advanced species we are not very evolved

1110

00:41:45,589 --> 00:41:44,240

uh nowhere near as much as we'd like to

1111

00:41:48,150 --> 00:41:45,599

think we are and i'm not even talking

1112

00:41:50,550 --> 00:41:48,160

about the religious people who believe

1113

00:41:53,589 --> 00:41:50,560

were some kind of definitive expression

1114

00:41:55,670 --> 00:41:53,599

of the grand mind and heart and creature

1115

00:41:58,230 --> 00:41:55,680

that created the universe

1116

00:42:00,790 --> 00:41:58,240

i just to me that's just so nonsensical

1117

00:42:01,670 --> 00:42:00,800

is to be really laughable at this point

1118

00:42:03,190 --> 00:42:01,680

um

1119

00:42:05,190 --> 00:42:03,200

but

1120

00:42:07,910 --> 00:42:05,200

we have not been doing science for a

1121

00:42:11,430 --> 00:42:07,920

long time as a species we've been doing

1122

00:42:13,430 --> 00:42:11,440

flight for just over 100 years it's not

1123

00:42:16,390 --> 00:42:13,440

very significant you know we made some

1124

00:42:17,829 --> 00:42:16,400

great strides in the last century you

1125

00:42:20,470 --> 00:42:17,839

know putting

1126

00:42:23,670 --> 00:42:20,480

humans on another planetary body

1127

00:42:26,870 --> 00:42:23,680

which happened in my lifetime was huge

1128

00:42:28,710 --> 00:42:26,880

sadly witnessed the fact that today

1129

00:42:30,230 --> 00:42:28,720

you have a significant number of people

1130

00:42:31,670 --> 00:42:30,240

who refuse to believe that actually

1131

00:42:33,430 --> 00:42:31,680

happened

1132

00:42:36,309 --> 00:42:33,440

you know every time i see the the the

1133

00:42:37,589 --> 00:42:36,319

apollo deniers which drives me nuts

1134

00:42:40,390 --> 00:42:37,599

um

1135

00:42:41,589 --> 00:42:40,400

ever done

1136

00:42:43,430 --> 00:42:41,599

since we

1137

00:42:46,150 --> 00:42:43,440

crawled out of the mud

1138

00:42:47,910 --> 00:42:46,160

and uh people don't want to believe it

1139

00:42:48,790 --> 00:42:47,920

just you know a few decades after it

1140

00:42:52,710 --> 00:42:48,800

happened

1141

00:42:54,470 --> 00:42:52,720

that's very very sad david yes i'm

1142

00:42:56,950 --> 00:42:54,480

wondering i have i have two questions

1143

00:43:00,069 --> 00:42:56,960

here for you that relate and one thing

1144

00:43:02,630 --> 00:43:00,079

is would you say that the general

1145

00:43:03,589 --> 00:43:02,640

direction that you and mactones were

1146

00:43:06,790 --> 00:43:03,599

going

1147

00:43:10,069 --> 00:43:06,800

along uh somewhat mirrored what

1148

00:43:11,990 --> 00:43:10,079

john keel and jacques valet have written

1149

00:43:14,470 --> 00:43:12,000

that's the first question and the second

1150

00:43:16,470 --> 00:43:14,480

question is why do you think we haven't

1151
00:43:18,630 --> 00:43:16,480
gone back to the moon is do you believe

1152
00:43:21,430 --> 00:43:18,640
it's totally financial or do you think

1153
00:43:23,270 --> 00:43:21,440
that perhaps other reasons

1154
00:43:27,190 --> 00:43:23,280
go to the second question first second

1155
00:43:30,630 --> 00:43:27,200
question first um

1156
00:43:31,589 --> 00:43:30,640
i i believe it's political and financial

1157
00:43:33,349 --> 00:43:31,599
um

1158
00:43:35,589 --> 00:43:33,359
when one looks at the context under

1159
00:43:37,829 --> 00:43:35,599
which the american space program played

1160
00:43:41,670 --> 00:43:37,839
out in the 50s and 60s

1161
00:43:43,670 --> 00:43:41,680
and then into the 70s um it was really

1162
00:43:45,349 --> 00:43:43,680
that was more political than anything

1163
00:43:48,550 --> 00:43:45,359

else ultimately

1164

00:43:50,309 --> 00:43:48,560

um you know we were in this grand race

1165

00:43:52,309 --> 00:43:50,319

with the russians

1166

00:43:54,230 --> 00:43:52,319

and it was about the frailty of human

1167

00:43:55,589 --> 00:43:54,240

egos i think more than anything else

1168

00:43:59,430 --> 00:43:55,599

there is a large amount of scientific

1169

00:44:03,270 --> 00:44:01,030

but i don't know that that's necessarily

1170

00:44:06,470 --> 00:44:03,280

what absolutely motivated

1171

00:44:07,829 --> 00:44:06,480

the missions later on the massive costs

1172

00:44:09,430 --> 00:44:07,839

involved

1173

00:44:11,990 --> 00:44:09,440

i think as

1174

00:44:14,470 --> 00:44:12,000

our culture sort of took a different bit

1175

00:44:16,550 --> 00:44:14,480

of a different turn

1176

00:44:19,910 --> 00:44:16,560

those were seen as just simply being

1177

00:44:21,190 --> 00:44:19,920

unsustainable and i think that nowadays

1178

00:44:22,390 --> 00:44:21,200

when you talk about going back to the

1179

00:44:23,270 --> 00:44:22,400

moon

1180

00:44:25,270 --> 00:44:23,280

um

1181

00:44:27,430 --> 00:44:25,280

it's it's a hard sell because of the

1182

00:44:30,309 --> 00:44:27,440

kind of costs involved

1183

00:44:32,069 --> 00:44:30,319

are just so fantastic uh

1184

00:44:33,510 --> 00:44:32,079

and it's it's sad to me because when you

1185

00:44:34,870 --> 00:44:33,520

think about what we could have done with

1186

00:44:38,390 --> 00:44:34,880

all the money that was burned let's say

1187

00:44:40,230 --> 00:44:38,400

in iraq and afghani and afghanistan

1188

00:44:42,470 --> 00:44:40,240

who knows what we could have done

1189

00:44:44,150 --> 00:44:42,480

constructively with that money to

1190

00:44:46,230 --> 00:44:44,160

not only go back to the moon but figure

1191

00:44:49,190 --> 00:44:46,240

out a really good set of reasons to go

1192

00:44:53,430 --> 00:44:51,589

of which there are a number i think that

1193

00:44:54,630 --> 00:44:53,440

the problem part of the problem with the

1194

00:44:56,309 --> 00:44:54,640

masses

1195

00:44:59,030 --> 00:44:56,319

is that they parse all of this and

1196

00:45:01,430 --> 00:44:59,040

through the the almost exclusively

1197

00:45:02,390 --> 00:45:01,440

through the lens of science fiction

1198

00:45:05,430 --> 00:45:02,400

um

1199

00:45:07,349 --> 00:45:05,440

which is all good and fine but it

1200

00:45:09,589 --> 00:45:07,359

you know asks somebody about the

1201

00:45:12,309 --> 00:45:09,599

logistics of actually putting

1202

00:45:14,550 --> 00:45:12,319

a few people on the moon

1203

00:45:18,630 --> 00:45:14,560

and they immediately think in terms of

1204

00:45:19,750 --> 00:45:18,640

sort of the the apollo 13 movie um when

1205

00:45:22,550 --> 00:45:19,760

they're not really thinking about the

1206

00:45:25,750 --> 00:45:22,560

real hardcore engineering involved

1207

00:45:28,230 --> 00:45:25,760

which is rather significant and

1208

00:45:29,829 --> 00:45:28,240

so i i think that that the moon issue is

1209

00:45:34,150 --> 00:45:29,839

just a problem of

1210

00:45:36,870 --> 00:45:34,160

uh uh of societal motivation are

1211

00:45:39,270 --> 00:45:36,880

our societies now much more wrapped up

1212

00:45:42,309 --> 00:45:39,280

with our experience on earth not so much

1213

00:45:45,910 --> 00:45:42,319

in space well i would ask you just

1214

00:45:49,030 --> 00:45:45,920

visually that about the chinese mission

1215

00:45:52,069 --> 00:45:49,040

recently of the jade rabbit that um they

1216

00:45:55,030 --> 00:45:52,079

were on the mission excited about

1217

00:45:57,430 --> 00:45:55,040

and uh they landed this little uh

1218

00:46:01,349 --> 00:45:57,440

robotic device on the moon

1219

00:46:03,430 --> 00:46:01,359

and then the excitement it malfunctioned

1220

00:46:06,230 --> 00:46:03,440

and the excitement disappeared

1221

00:46:07,510 --> 00:46:06,240

um i'm wondering whether there was any

1222

00:46:09,589 --> 00:46:07,520

other

1223

00:46:11,349 --> 00:46:09,599

reason for their you know lack of

1224

00:46:14,470 --> 00:46:11,359

interest or youtube like some nefarious

1225

00:46:17,430 --> 00:46:14,480

reason yes like somebody evil living on

1226

00:46:18,710 --> 00:46:17,440

the moon and saying get off our

1227

00:46:20,550 --> 00:46:18,720

moon

1228

00:46:23,190 --> 00:46:20,560

i think that's why most people think we

1229

00:46:25,190 --> 00:46:23,200

haven't gone back like well warned off

1230

00:46:26,710 --> 00:46:25,200

the moon from that point of view is

1231

00:46:29,750 --> 00:46:26,720

really important to earth i don't know

1232

00:46:31,670 --> 00:46:29,760

that it's important to anyone else

1233

00:46:33,030 --> 00:46:31,680

it's it's very important for us but as

1234

00:46:33,990 --> 00:46:33,040

far as

1235

00:46:36,630 --> 00:46:34,000

uh

1236

00:46:39,190 --> 00:46:36,640

well give me an example of this right

1237

00:46:44,069 --> 00:46:41,349

there are more productive places for

1238

00:46:46,309 --> 00:46:44,079

example to find water

1239

00:46:47,510 --> 00:46:46,319

uh in our solar system as well to the

1240

00:46:49,510 --> 00:46:47,520

moon right

1241

00:46:51,109 --> 00:46:49,520

there are more productive places i think

1242

00:46:55,510 --> 00:46:51,119

potentially to find

1243

00:46:59,670 --> 00:46:57,430

again the moon is really fascinating and

1244

00:47:02,150 --> 00:46:59,680

useful to earth because without it

1245

00:47:03,430 --> 00:47:02,160

uh we'd have a hard time with our tides

1246

00:47:04,470 --> 00:47:03,440

we'd have a

1247

00:47:06,470 --> 00:47:04,480

uh

1248

00:47:08,069 --> 00:47:06,480

our climate would look very different

1249

00:47:11,030 --> 00:47:08,079

yes um

1250

00:47:13,589 --> 00:47:11,040

but this idea that something else

1251
00:47:15,430 --> 00:47:13,599
is on the moon it doesn't want us there

1252
00:47:17,510 --> 00:47:15,440
i think that's a human way of seeing

1253
00:47:19,829 --> 00:47:17,520
things i don't necessarily know that i

1254
00:47:22,230 --> 00:47:19,839
would prescribe that to advanced beings

1255
00:47:23,670 --> 00:47:22,240
thinking that way what about as a as an

1256
00:47:26,470 --> 00:47:23,680
outpost

1257
00:47:27,349 --> 00:47:26,480
to observe us

1258
00:47:30,950 --> 00:47:27,359
rather

1259
00:47:34,150 --> 00:47:30,960
limited humans or even like a crypto

1260
00:47:35,990 --> 00:47:34,160
human or crypto-terrestrial or whatever

1261
00:47:39,190 --> 00:47:36,000
because i agree with you i mean it seems

1262
00:47:41,589 --> 00:47:39,200
like most of these things spring from

1263
00:47:43,510 --> 00:47:41,599

right around here if not just earth

1264

00:47:44,550 --> 00:47:43,520

maybe the moon as well

1265

00:47:46,790 --> 00:47:44,560

well

1266

00:47:48,069 --> 00:47:46,800

okay a couple of things first of all i

1267

00:47:50,950 --> 00:47:48,079

don't think that

1268

00:47:52,790 --> 00:47:50,960

humans at this point have a tremendously

1269

00:47:54,150 --> 00:47:52,800

excellent grasp on the true history of

1270

00:47:55,990 --> 00:47:54,160

our planet

1271

00:47:57,270 --> 00:47:56,000

i don't think we do i think that there

1272

00:48:00,710 --> 00:47:57,280

are

1273

00:48:03,109 --> 00:48:00,720

very likely more things that we suspect

1274

00:48:04,950 --> 00:48:03,119

are real are actually incorrect

1275

00:48:07,430 --> 00:48:04,960

about the history of this planet and

1276
00:48:09,349 --> 00:48:07,440
again i i come back to this simple idea

1277
00:48:11,430 --> 00:48:09,359
and this is based on

1278
00:48:12,710 --> 00:48:11,440
by the way humility when i would talk

1279
00:48:14,630 --> 00:48:12,720
about these things on the paracast

1280
00:48:15,829 --> 00:48:14,640
people would attack me saying

1281
00:48:17,829 --> 00:48:15,839
who do you think you know everything

1282
00:48:19,270 --> 00:48:17,839
it's like no i i think i actually assume

1283
00:48:21,589 --> 00:48:19,280
i know nothing

1284
00:48:23,750 --> 00:48:21,599
and so starting from that place i'm not

1285
00:48:24,630 --> 00:48:23,760
willing to to draw conclusions i just

1286
00:48:27,030 --> 00:48:24,640
want to

1287
00:48:28,710 --> 00:48:27,040
basically open up the thought process

1288
00:48:30,950 --> 00:48:28,720

around this

1289

00:48:34,230 --> 00:48:30,960

what are one of the things that you

1290

00:48:37,349 --> 00:48:34,240

think that are accept is accepted about

1291

00:48:38,710 --> 00:48:37,359

human history or the planet's history

1292

00:48:41,589 --> 00:48:38,720

that like some

1293

00:48:43,670 --> 00:48:41,599

quasi-scientific accepted

1294

00:48:45,910 --> 00:48:43,680

um

1295

00:48:47,510 --> 00:48:45,920

fact that is a factoid shall we say that

1296

00:48:48,950 --> 00:48:47,520

isn't really

1297

00:48:52,549 --> 00:48:48,960

likely

1298

00:48:54,710 --> 00:48:52,559

yeah that you think that you in other

1299

00:48:56,790 --> 00:48:54,720

words you had just said that that we're

1300

00:48:58,950 --> 00:48:56,800

going to come upon at some juncture that

1301
00:49:01,030 --> 00:48:58,960
many of the things that we've accepted

1302
00:49:03,430 --> 00:49:01,040
about the planetary history and humans

1303
00:49:06,150 --> 00:49:03,440
on the planet is going to prove to be

1304
00:49:08,549 --> 00:49:06,160
false um i'm not disputing that that may

1305
00:49:11,109 --> 00:49:08,559
very well be the case especially in the

1306
00:49:14,069 --> 00:49:11,119
case of certain artifacts that

1307
00:49:16,390 --> 00:49:14,079
appear to have been found and um you

1308
00:49:19,349 --> 00:49:16,400
know the the dating on the sphinx and

1309
00:49:22,950 --> 00:49:19,359
and and the new uh

1310
00:49:24,230 --> 00:49:22,960
findings out there in turkey of the um

1311
00:49:26,790 --> 00:49:24,240
of the uh

1312
00:49:28,950 --> 00:49:26,800
what's the twenty thousand-year-old oh i

1313
00:49:31,430 --> 00:49:28,960

can't think of it oh god b

1314

00:49:34,150 --> 00:49:31,440

to start with the b anyway

1315

00:49:35,030 --> 00:49:34,160

but what what a what are um

1316

00:49:37,750 --> 00:49:35,040

what are

1317

00:49:39,190 --> 00:49:37,760

one thing what is one thing that is is

1318

00:49:45,589 --> 00:49:39,200

significant

1319

00:49:49,190 --> 00:49:45,599

uh like the three-toed sloths once had

1320

00:49:50,710 --> 00:49:49,200

four toes or something like that

1321

00:49:53,349 --> 00:49:50,720

oh

1322

00:49:54,549 --> 00:49:53,359

well i'll give you one example okay

1323

00:49:55,829 --> 00:49:54,559

because you were talking about the moon

1324

00:49:58,950 --> 00:49:55,839

before right

1325

00:50:01,109 --> 00:49:58,960

yes um

1326
00:50:03,270 --> 00:50:01,119
there are many theories floating around

1327
00:50:04,630 --> 00:50:03,280
about how the moon got where it is where

1328
00:50:06,630 --> 00:50:04,640
it came from

1329
00:50:08,549 --> 00:50:06,640
why it has this sort of

1330
00:50:09,589 --> 00:50:08,559
incredible balance with respect to our

1331
00:50:11,589 --> 00:50:09,599
planet

1332
00:50:12,390 --> 00:50:11,599
um i don't think we're anywhere close to

1333
00:50:14,710 --> 00:50:12,400
having

1334
00:50:16,390 --> 00:50:14,720
real knowledge of the sourcing of our

1335
00:50:18,549 --> 00:50:16,400
moon it's older than the earth

1336
00:50:20,790 --> 00:50:18,559
apparently that's what they've

1337
00:50:22,069 --> 00:50:20,800
said

1338
00:50:24,309 --> 00:50:22,079

no

1339

00:50:29,030 --> 00:50:24,319

well possibly

1340

00:50:31,030 --> 00:50:29,040

based on one rock yeah uh uh

1341

00:50:32,950 --> 00:50:31,040

it's fascinating i'll tell you uh

1342

00:50:35,510 --> 00:50:32,960

actually ferrous and i tried to do a

1343

00:50:37,589 --> 00:50:35,520

show once on the moon and remember that

1344

00:50:39,750 --> 00:50:37,599

because there's so many

1345

00:50:42,150 --> 00:50:39,760

unanswered questions about well and

1346

00:50:44,309 --> 00:50:42,160

there's a lot of noise around the moon

1347

00:50:46,950 --> 00:50:44,319

suggesting you know for example

1348

00:50:49,030 --> 00:50:46,960

even recently there had been a a special

1349

00:50:49,910 --> 00:50:49,040

on one of the cable television channels

1350

00:50:52,150 --> 00:50:49,920

about

1351
00:50:54,549 --> 00:50:52,160
all of the anomalous imagery on the moon

1352
00:50:55,349 --> 00:50:54,559
and then they ended with that horrible

1353
00:50:56,470 --> 00:50:55,359
yeah

1354
00:50:58,549 --> 00:50:56,480
horrible

1355
00:51:01,109 --> 00:50:58,559
waxed dummies up there it was just an

1356
00:51:02,549 --> 00:51:01,119
asian woman it just just terrible the

1357
00:51:04,710 --> 00:51:02,559
whole thing was i think just a real

1358
00:51:07,910 --> 00:51:04,720
problem it was kivia wasn't it again

1359
00:51:09,829 --> 00:51:07,920
yeah bob kivia another complete bs

1360
00:51:12,230 --> 00:51:09,839
artist who at this point you know is

1361
00:51:14,150 --> 00:51:12,240
vetted we know who he is yes we know

1362
00:51:15,589 --> 00:51:14,160
he's an entertainer he's got nothing to

1363
00:51:17,670 --> 00:51:15,599

do with research

1364

00:51:19,430 --> 00:51:17,680

so he's tainted and we said we wouldn't

1365

00:51:21,430 --> 00:51:19,440

talk about tainted personality no we

1366

00:51:24,150 --> 00:51:21,440

won't i just i couldn't help saying it

1367

00:51:27,030 --> 00:51:24,160

because it just brought up such a i was

1368

00:51:29,270 --> 00:51:27,040

watching that and it was yeah there was

1369

00:51:31,670 --> 00:51:29,280

some interesting things and some not so

1370

00:51:34,829 --> 00:51:31,680

interesting things and then they dragged

1371

00:51:37,910 --> 00:51:34,839

out that folks figure of the asian woman

1372

00:51:39,510 --> 00:51:37,920

right so here's the thing um

1373

00:51:41,990 --> 00:51:39,520

the vast majority of what was on that

1374

00:51:44,069 --> 00:51:42,000

show to me was just absolute junk

1375

00:51:47,109 --> 00:51:44,079

there are a handful and in particular

1376

00:51:49,109 --> 00:51:47,119

there's one image in particular

1377

00:51:50,549 --> 00:51:49,119

of something of an artifact on the moon

1378

00:51:52,470 --> 00:51:50,559

now most of what they covered in that

1379

00:51:54,549 --> 00:51:52,480

show to me was very prosaic very

1380

00:51:56,950 --> 00:51:54,559

explainable a lot of it had to do with

1381

00:51:59,430 --> 00:51:56,960

old imagery they were looking at where

1382

00:52:01,109 --> 00:51:59,440

uh they were seeing degraded images and

1383

00:52:03,030 --> 00:52:01,119

they were they were making assumptions

1384

00:52:05,349 --> 00:52:03,040

based on degraded images

1385

00:52:07,270 --> 00:52:05,359

um a terrible problem but there is one

1386

00:52:09,829 --> 00:52:07,280

particular image

1387

00:52:11,910 --> 00:52:09,839

of and and the problem is i i've not

1388

00:52:14,309 --> 00:52:11,920

done the time to go and do the research

1389

00:52:15,190 --> 00:52:14,319

to find out what is the scale of this

1390

00:52:17,670 --> 00:52:15,200

thing

1391

00:52:19,430 --> 00:52:17,680

uh is it in a place where potentially

1392

00:52:21,430 --> 00:52:19,440

some maybe a russian

1393

00:52:23,750 --> 00:52:21,440

probe at some point crashed and put

1394

00:52:25,589 --> 00:52:23,760

itself on there but there is a one set

1395

00:52:27,270 --> 00:52:25,599

of structures on the moon that look to

1396

00:52:28,710 --> 00:52:27,280

me to my eye

1397

00:52:30,710 --> 00:52:28,720

like some kind of

1398

00:52:32,470 --> 00:52:30,720

cogs or wheels

1399

00:52:33,589 --> 00:52:32,480

where the image the the image of what

1400

00:52:35,109 --> 00:52:33,599

we're seeing

1401
00:52:37,670 --> 00:52:35,119
to my mind

1402
00:52:39,109 --> 00:52:37,680
is clearly manufactured it is not a

1403
00:52:40,870 --> 00:52:39,119
natural thing

1404
00:52:42,790 --> 00:52:40,880
and and i say this with the idea that

1405
00:52:45,430 --> 00:52:42,800
i've seen so many people put so many

1406
00:52:47,349 --> 00:52:45,440
images not just of the moon but of mars

1407
00:52:48,790 --> 00:52:47,359
things that definitely have prosaic

1408
00:52:51,510 --> 00:52:48,800
explanations where

1409
00:52:56,230 --> 00:52:53,910
a paradilia comes in and people see what

1410
00:52:59,430 --> 00:52:56,240
their brain tells them they want to see

1411
00:53:01,349 --> 00:52:59,440
um but there's one photo in particular

1412
00:53:03,270 --> 00:53:01,359
uh of this one thing structure on the

1413
00:53:04,950 --> 00:53:03,280

moon that to me

1414

00:53:06,150 --> 00:53:04,960

it it wants

1415

00:53:11,349 --> 00:53:06,160

further

1416

00:53:12,309 --> 00:53:11,359

sort of establish what what isn't it

1417

00:53:15,349 --> 00:53:12,319

um

1418

00:53:17,270 --> 00:53:15,359

which might suggest possibly

1419

00:53:19,750 --> 00:53:17,280

that maybe there had been a

1420

00:53:22,309 --> 00:53:19,760

technologically sophisticated

1421

00:53:23,349 --> 00:53:22,319

uh uh

1422

00:53:25,270 --> 00:53:23,359

visitors

1423

00:53:27,349 --> 00:53:25,280

no not visitor a

1424

00:53:29,349 --> 00:53:27,359

society on this planet

1425

00:53:30,470 --> 00:53:29,359

that at some point potentially destroyed

1426

00:53:33,030 --> 00:53:30,480

itself

1427

00:53:35,349 --> 00:53:33,040

oh on this planet on this planet okay i

1428

00:53:37,589 --> 00:53:35,359

was saying visitor to the moon

1429

00:53:39,109 --> 00:53:37,599

right from here would be visitors from

1430

00:53:42,069 --> 00:53:39,119

whoever from here

1431

00:53:44,630 --> 00:53:42,079

so that's i'm not saying i believe that

1432

00:53:46,790 --> 00:53:44,640

but i'm saying that it's as

1433

00:53:48,710 --> 00:53:46,800

possible as anything else from my point

1434

00:53:50,630 --> 00:53:48,720

of view because i keep coming back to

1435

00:53:52,069 --> 00:53:50,640

this idea that

1436

00:53:53,670 --> 00:53:52,079

what for example

1437

00:53:55,670 --> 00:53:53,680

understanding the history of life on the

1438

00:53:58,710 --> 00:53:55,680

planet right

1439

00:54:00,870 --> 00:53:58,720

right now the the biologist edward o

1440

00:54:03,030 --> 00:54:00,880

wilson is probably the the smartest

1441

00:54:04,790 --> 00:54:03,040

biologist on the face of the earth an

1442

00:54:06,790 --> 00:54:04,800

unsung hero

1443

00:54:08,790 --> 00:54:06,800

just a brilliant brilliant man

1444

00:54:11,430 --> 00:54:08,800

where a handful of years ago he was on

1445

00:54:12,950 --> 00:54:11,440

the bill moyers show and moyers says

1446

00:54:14,390 --> 00:54:12,960

some something like well you know we we

1447

00:54:17,190 --> 00:54:14,400

know about the majority of life on the

1448

00:54:19,270 --> 00:54:17,200

planet and and wilson's like no no no

1449

00:54:21,430 --> 00:54:19,280

no we we have not discovered the vast

1450

00:54:24,630 --> 00:54:21,440

majority of life on the planet

1451
00:54:27,030 --> 00:54:24,640
and wilson posited that it was probably

1452
00:54:28,710 --> 00:54:27,040
around 85 percent

1453
00:54:30,790 --> 00:54:28,720
of the life on the planet remains

1454
00:54:32,230 --> 00:54:30,800
unknown to us and yeah a bunch of it are

1455
00:54:35,510 --> 00:54:32,240
insects and

1456
00:54:38,549 --> 00:54:35,520
uh uh and microbial life but at the same

1457
00:54:39,990 --> 00:54:38,559
time we're still finding new mammals gee

1458
00:54:42,230 --> 00:54:40,000
underneath of the ice packs in the

1459
00:54:43,510 --> 00:54:42,240
arctic we're finding creatures that

1460
00:54:45,030 --> 00:54:43,520
aren't supposed to be able to live down

1461
00:54:47,430 --> 00:54:45,040
that deep under those kind of pressures

1462
00:54:49,910 --> 00:54:47,440
and that kind of cold um

1463
00:54:51,510 --> 00:54:49,920

so let's assume for a minute that

1464

00:54:52,870 --> 00:54:51,520

wilson is correct i'll give him the

1465

00:54:54,870 --> 00:54:52,880

benefit of the doubt because he's a

1466

00:54:56,950 --> 00:54:54,880

really smart guy who spent his entire

1467

00:54:58,790 --> 00:54:56,960

life studying this well you must like

1468

00:55:01,109 --> 00:54:58,800

him because he is i love him he's a

1469

00:55:03,349 --> 00:55:01,119

naturalist and he does exactly what you

1470

00:55:06,309 --> 00:55:03,359

do he just looks at things

1471

00:55:09,430 --> 00:55:06,319

and he goes okay this is x that's y so x

1472

00:55:11,910 --> 00:55:09,440

plus y oh it does equal z right and he

1473

00:55:14,710 --> 00:55:11,920

doesn't put any there's no overlapping

1474

00:55:17,270 --> 00:55:14,720

on it no no he's a true scientist yes he

1475

00:55:19,510 --> 00:55:17,280

is um uh uh so

1476
00:55:20,790 --> 00:55:19,520
if we assume that he's correct right now

1477
00:55:22,950 --> 00:55:20,800
we look at

1478
00:55:26,630 --> 00:55:22,960
our study of life on this planet

1479
00:55:28,549 --> 00:55:26,640
primarily based on the fossil record

1480
00:55:31,109 --> 00:55:28,559
so okay that's good and fine there are

1481
00:55:33,510 --> 00:55:31,119
tons of fossils of interesting creatures

1482
00:55:35,910 --> 00:55:33,520
but then one begins to understand that

1483
00:55:38,549 --> 00:55:35,920
in the case of fossils

1484
00:55:40,069 --> 00:55:38,559
fossils form under specific sets of

1485
00:55:42,710 --> 00:55:40,079
conditions

1486
00:55:44,950 --> 00:55:42,720
fossils are not universal

1487
00:55:46,309 --> 00:55:44,960
they show up more in certain places on

1488
00:55:48,950 --> 00:55:46,319

earth than others

1489

00:55:50,630 --> 00:55:48,960

and things that are likely to be

1490

00:55:52,870 --> 00:55:50,640

fossilized

1491

00:55:55,589 --> 00:55:52,880

probably ended up

1492

00:55:57,349 --> 00:55:55,599

collapsing into a bog there were certain

1493

00:56:00,309 --> 00:55:57,359

types of uh

1494

00:56:03,430 --> 00:56:00,319

ground that facilitated

1495

00:56:04,710 --> 00:56:03,440

the creatures with exoskeletons making

1496

00:56:07,990 --> 00:56:04,720

impressions

1497

00:56:09,990 --> 00:56:08,000

um the fossil record

1498

00:56:11,270 --> 00:56:10,000

is

1499

00:56:12,789 --> 00:56:11,280

in no way

1500

00:56:15,349 --> 00:56:12,799

in my mind

1501
00:56:18,390 --> 00:56:15,359
a complete accounting of life on earth

1502
00:56:20,230 --> 00:56:18,400
in fact if we assume that wilson is

1503
00:56:21,829 --> 00:56:20,240
right and we're not aware currently of

1504
00:56:23,109 --> 00:56:21,839
the majority of species that have lived

1505
00:56:25,030 --> 00:56:23,119
on the planet

1506
00:56:26,950 --> 00:56:25,040
then just statistically

1507
00:56:28,630 --> 00:56:26,960
one that looks at the amount of fossils

1508
00:56:30,309 --> 00:56:28,640
that have been collected

1509
00:56:31,670 --> 00:56:30,319
and the conditions under which shows

1510
00:56:35,030 --> 00:56:31,680
fossils

1511
00:56:36,950 --> 00:56:35,040
would have actually been created and one

1512
00:56:38,470 --> 00:56:36,960
realized that if there's a very good

1513
00:56:40,630 --> 00:56:38,480

likelihood

1514

00:56:42,230 --> 00:56:40,640

that the majority of life that has lived

1515

00:56:44,630 --> 00:56:42,240

on this planet

1516

00:56:45,910 --> 00:56:44,640

never produced fossils and is unknown to

1517

00:56:48,150 --> 00:56:45,920

us

1518

00:56:50,309 --> 00:56:48,160

it could you could very easily make this

1519

00:56:51,430 --> 00:56:50,319

argument and back it up with some real

1520

00:56:53,829 --> 00:56:51,440

data

1521

00:56:55,510 --> 00:56:53,839

so just assuming that the fossil record

1522

00:56:56,950 --> 00:56:55,520

gives us the full picture of what

1523

00:57:00,470 --> 00:56:56,960

happened here

1524

00:57:02,549 --> 00:57:00,480

i think is is extremely problematic and

1525

00:57:04,390 --> 00:57:02,559

and most likely

1526
00:57:06,390 --> 00:57:04,400
is erroneous

1527
00:57:08,309 --> 00:57:06,400
and and then i'm going to throw the my

1528
00:57:11,670 --> 00:57:08,319
big overlay on this which has always

1529
00:57:13,589 --> 00:57:11,680
been my my thought which is that

1530
00:57:15,109 --> 00:57:13,599
we tend to

1531
00:57:17,190 --> 00:57:15,119
parse life

1532
00:57:19,270 --> 00:57:17,200
based on our understanding and our

1533
00:57:22,710 --> 00:57:19,280
experience of what it is

1534
00:57:25,190 --> 00:57:22,720
and i think that that is very limiting

1535
00:57:27,510 --> 00:57:25,200
and it's a it's a limitation of our own

1536
00:57:28,710 --> 00:57:27,520
senses and our own evolution

1537
00:57:31,270 --> 00:57:28,720
all right

1538
00:57:33,109 --> 00:57:31,280

humans still have the you take most

1539

00:57:35,750 --> 00:57:33,119

scientific thinkers

1540

00:57:36,549 --> 00:57:35,760

and you throw the the gaia theory at

1541

00:57:38,230 --> 00:57:36,559

them

1542

00:57:39,190 --> 00:57:38,240

and they they kind of melt down they

1543

00:57:41,589 --> 00:57:39,200

don't

1544

00:57:44,069 --> 00:57:41,599

want to believe they have a huge problem

1545

00:57:45,349 --> 00:57:44,079

believing or accepting in any way the

1546

00:57:48,150 --> 00:57:45,359

idea

1547

00:57:50,230 --> 00:57:48,160

that maybe the planet is actually some

1548

00:57:52,630 --> 00:57:50,240

form of organization of life that has

1549

00:57:54,549 --> 00:57:52,640

some meta intelligence

1550

00:57:57,109 --> 00:57:54,559

and this is where we now tie back into

1551

00:58:00,150 --> 00:57:57,119

what jacques valet was positing

1552

00:58:02,950 --> 00:58:00,160

which is that made he thought maybe ufos

1553

00:58:05,910 --> 00:58:02,960

and the ufo phenomenon was

1554

00:58:08,069 --> 00:58:05,920

some attempt from some un misunderstood

1555

00:58:09,030 --> 00:58:08,079

or completely unknown mechanism in the

1556

00:58:11,589 --> 00:58:09,040

planet

1557

00:58:13,670 --> 00:58:11,599

to sort of jump start our evolution

1558

00:58:15,589 --> 00:58:13,680

and to get us to like quickly evolve

1559

00:58:17,589 --> 00:58:15,599

because maybe there's some dire stuff

1560

00:58:19,430 --> 00:58:17,599

happening that we need to like really

1561

00:58:20,950 --> 00:58:19,440

open up our minds about in order to

1562

00:58:23,190 --> 00:58:20,960

potentially

1563

00:58:25,030 --> 00:58:23,200

make some constructive moves

1564

00:58:27,750 --> 00:58:25,040

and that was that was one of the things

1565

00:58:29,750 --> 00:58:27,760

that valet put forward that maybe ufos

1566

00:58:32,470 --> 00:58:29,760

were some sort of a of a control

1567

00:58:34,870 --> 00:58:32,480

mechanism on the part of the planet

1568

00:58:38,390 --> 00:58:34,880

uh i don't know if i can

1569

00:58:40,470 --> 00:58:38,400

really can completely accept that

1570

00:58:42,069 --> 00:58:40,480

i have a few issues with it

1571

00:58:45,270 --> 00:58:42,079

um

1572

00:58:47,990 --> 00:58:45,280

but it's certainly possible well it kind

1573

00:58:50,390 --> 00:58:48,000

of uh i think the crux of the matter

1574

00:58:52,789 --> 00:58:50,400

that you began to speak about just

1575

00:58:54,870 --> 00:58:52,799

previous to mentioning valet and when

1576

00:58:58,630 --> 00:58:54,880

you started to talk about the gaia

1577

00:59:01,589 --> 00:58:58,640

principle and a lot of science not being

1578

00:59:02,950 --> 00:59:01,599

able to really uh get their uh head

1579

00:59:06,630 --> 00:59:02,960

around that

1580

00:59:08,870 --> 00:59:06,640

it comes down to me for the meaning of

1581

00:59:11,910 --> 00:59:08,880

life is life

1582

00:59:15,109 --> 00:59:11,920

have to be something that is breathing

1583

00:59:18,470 --> 00:59:15,119

or is life about consciousness

1584

00:59:20,630 --> 00:59:18,480

and that's where i think many in the

1585

00:59:22,470 --> 00:59:20,640

scientific fields

1586

00:59:24,950 --> 00:59:22,480

kind of boggle

1587

00:59:27,750 --> 00:59:24,960

over that because

1588

00:59:29,109 --> 00:59:27,760

science has not been able to

1589

00:59:33,510 --> 00:59:29,119

really

1590

00:59:35,589 --> 00:59:33,520

explain what consciousness is but to me

1591

00:59:38,230 --> 00:59:35,599

um you know you talk about the word

1592

00:59:40,870 --> 00:59:38,240

believe and i have a lot of problems

1593

00:59:42,630 --> 00:59:40,880

with it as well but when it comes to the

1594

00:59:45,670 --> 00:59:42,640

gaia principle

1595

00:59:47,349 --> 00:59:45,680

i'm i'm as close to believing that as i

1596

00:59:48,470 --> 00:59:47,359

am to believing

1597

00:59:50,230 --> 00:59:48,480

anything

1598

00:59:52,710 --> 00:59:50,240

and um

1599

00:59:53,670 --> 00:59:52,720

so i think that the real problem there

1600

00:59:54,950 --> 00:59:53,680

is

1601
00:59:57,589 --> 00:59:54,960
how do you

1602
01:00:03,190 --> 00:59:57,599
uh define life is it about

1603
01:00:06,870 --> 01:00:05,190
well my personal belief along these

1604
01:00:08,549 --> 01:00:06,880
lines based on

1605
01:00:10,870 --> 01:00:08,559
an experience that i've talked about in

1606
01:00:13,829 --> 01:00:10,880
multiple venues when my my mother passed

1607
01:00:16,390 --> 01:00:13,839
away right where she did something that

1608
01:00:18,549 --> 01:00:16,400
we had spoken about before she died

1609
01:00:20,390 --> 01:00:18,559
which was to give me some sort of sign

1610
01:00:22,309 --> 01:00:20,400
of continuance

1611
01:00:24,630 --> 01:00:22,319
um and we don't probably don't have time

1612
01:00:26,870 --> 01:00:24,640
in this show to get into that story but

1613
01:00:31,349 --> 01:00:26,880

she did something that to me strongly

1614

01:00:32,630 --> 01:00:31,359

indicated a persistence of identity post

1615

01:00:34,390 --> 01:00:32,640

post-death

1616

01:00:39,589 --> 01:00:34,400

um

1617

01:00:40,710 --> 01:00:39,599

it was something that i feel she did for

1618

01:00:44,789 --> 01:00:40,720

me

1619

01:00:47,109 --> 01:00:44,799

to address a request i had made of her

1620

01:00:49,510 --> 01:00:47,119

before she died um

1621

01:00:50,630 --> 01:00:49,520

now that to me would suggest

1622

01:00:52,309 --> 01:00:50,640

and again this is the kind of thing

1623

01:00:54,069 --> 01:00:52,319

where you know an atheist hears this and

1624

01:00:55,750 --> 01:00:54,079

immediately he's like oh what are you

1625

01:00:57,589 --> 01:00:55,760

some god breather so you believe there's

1626
01:00:59,589 --> 01:00:57,599
continuous after death that's like dude

1627
01:01:02,470 --> 01:00:59,599
dude slow down

1628
01:01:03,589 --> 01:01:02,480
this this connection

1629
01:01:07,190 --> 01:01:03,599
of

1630
01:01:10,390 --> 01:01:07,200
a interest in in in afterlife afterlife

1631
01:01:13,829 --> 01:01:10,400
defined as some sort of continuity

1632
01:01:16,470 --> 01:01:13,839
after death in my mind has no connection

1633
01:01:18,470 --> 01:01:16,480
to what religion considers to be god

1634
01:01:19,829 --> 01:01:18,480
i don't see why those two are always

1635
01:01:22,789 --> 01:01:19,839
tied together but

1636
01:01:24,549 --> 01:01:22,799
part of that is cultural conditioning

1637
01:01:26,150 --> 01:01:24,559
that's how people have been taught to

1638
01:01:27,349 --> 01:01:26,160

believe these things as far as life is

1639

01:01:30,710 --> 01:01:27,359

concerned

1640

01:01:32,390 --> 01:01:30,720

um if we look at individual human beings

1641

01:01:34,630 --> 01:01:32,400

now that we call a human being a

1642

01:01:36,630 --> 01:01:34,640

sentient being

1643

01:01:39,349 --> 01:01:36,640

but then we see

1644

01:01:41,829 --> 01:01:39,359

that humans and groups start to be start

1645

01:01:43,030 --> 01:01:41,839

to exhibit certain types of behavioral

1646

01:01:44,470 --> 01:01:43,040

patterns

1647

01:01:47,270 --> 01:01:44,480

that seem to

1648

01:01:48,630 --> 01:01:47,280

exist outside of the internal experience

1649

01:01:50,789 --> 01:01:48,640

of the individual

1650

01:01:52,870 --> 01:01:50,799

well is that group intelligence going on

1651
01:01:54,710 --> 01:01:52,880
what is what are those dynamics

1652
01:01:55,750 --> 01:01:54,720
and now if we sort of come away from

1653
01:01:57,430 --> 01:01:55,760
that

1654
01:01:59,190 --> 01:01:57,440
well uh

1655
01:02:01,510 --> 01:01:59,200
the earth is seems to be some kind of a

1656
01:02:04,789 --> 01:02:01,520
closed loop feedback system

1657
01:02:07,190 --> 01:02:04,799
uh stuff comes in from space and maybe

1658
01:02:08,549 --> 01:02:07,200
based on the panspermia theory maybe

1659
01:02:12,309 --> 01:02:08,559
that's how life started on earth by

1660
01:02:14,789 --> 01:02:12,319
something crashing into here and finding

1661
01:02:17,030 --> 01:02:14,799
a a hospitable environment and maybe

1662
01:02:18,870 --> 01:02:17,040
that's how the water got here we have

1663
01:02:20,950 --> 01:02:18,880

lots of theories about these things and

1664

01:02:24,950 --> 01:02:20,960

some are more viable than others

1665

01:02:26,069 --> 01:02:24,960

um but it's it's to me it it it still

1666

01:02:29,349 --> 01:02:26,079

gives us

1667

01:02:31,030 --> 01:02:29,359

i think a working model in that we can

1668

01:02:34,230 --> 01:02:31,040

start to think that there are

1669

01:02:37,510 --> 01:02:34,240

connections between life on the planet

1670

01:02:40,150 --> 01:02:37,520

different forms of life that we simply

1671

01:02:42,309 --> 01:02:40,160

are not in a position to understand our

1672

01:02:44,630 --> 01:02:42,319

science is simply

1673

01:02:45,430 --> 01:02:44,640

not that good yet

1674

01:02:46,870 --> 01:02:45,440

um

1675

01:02:48,870 --> 01:02:46,880

and it's part of it as a limit of

1676

01:02:51,910 --> 01:02:48,880

technology where we rely on

1677

01:02:55,030 --> 01:02:51,920

instrumentation for science we rely on

1678

01:02:57,270 --> 01:02:55,040

repeatability and consistency and there

1679

01:02:59,670 --> 01:02:57,280

are aspects of the study of for example

1680

01:03:02,789 --> 01:02:59,680

particle physics that start to suggest

1681

01:03:05,109 --> 01:03:02,799

that repeatability and consistency are

1682

01:03:07,270 --> 01:03:05,119

not as repeatable and consistent as we'd

1683

01:03:08,150 --> 01:03:07,280

like them to be

1684

01:03:09,750 --> 01:03:08,160

um

1685

01:03:12,390 --> 01:03:09,760

and that by the way is the problem in

1686

01:03:14,789 --> 01:03:12,400

trying to talk about the anomalous and

1687

01:03:17,029 --> 01:03:14,799

that the scientific mind says you've got

1688

01:03:18,549 --> 01:03:17,039

to be able to repeat something if you

1689

01:03:21,029 --> 01:03:18,559

can repeat it then i'm even willing to

1690

01:03:23,190 --> 01:03:21,039

listen to you and the problem being that

1691

01:03:25,750 --> 01:03:23,200

we don't control

1692

01:03:26,950 --> 01:03:25,760

how most anomalous events

1693

01:03:28,950 --> 01:03:26,960

genuine

1694

01:03:31,589 --> 01:03:28,960

quote-unquote anomalous events

1695

01:03:33,829 --> 01:03:31,599

humans have no control over them

1696

01:03:35,430 --> 01:03:33,839

and david i hate to say this because i

1697

01:03:37,589 --> 01:03:35,440

could go on talking to you for at least

1698

01:03:40,230 --> 01:03:37,599

another 10 hours we're out of time but

1699

01:03:43,190 --> 01:03:40,240

alpha has become omega and we have

1700

01:03:45,029 --> 01:03:43,200

agreed that there is just not enough

1701

01:03:47,510 --> 01:03:45,039

evidence well

1702

01:03:50,549 --> 01:03:47,520

can we say certainly that we would love

1703

01:03:53,190 --> 01:03:50,559

to have you back again and talk with us

1704

01:03:57,190 --> 01:03:53,200

again please come back and i wanted to

1705

01:03:59,829 --> 01:03:57,200

say that david also has his own podcast

1706

01:04:02,710 --> 01:03:59,839

which is called the angry human which is

1707

01:04:05,270 --> 01:04:02,720

also a radio show on rockland world

1708

01:04:07,829 --> 01:04:05,280

radio and if you want to give the time

1709

01:04:09,910 --> 01:04:07,839

of that show please feel free

1710

01:04:11,349 --> 01:04:09,920

is it a call-in show too uh it's not a

1711

01:04:12,950 --> 01:04:11,359

collins show though we get a lot of

1712

01:04:13,990 --> 01:04:12,960

requests for that

1713

01:04:17,510 --> 01:04:14,000

um

1714

01:04:20,309 --> 01:04:17,520

it's on uh wednesday nights at uh

1715

01:04:22,630 --> 01:04:20,319

uh it's typically 8 30 to 9 30 eastern

1716

01:04:24,950 --> 01:04:22,640

time actually i would just say anybody

1717

01:04:28,069 --> 01:04:24,960

go into any search engine right just

1718

01:04:30,549 --> 01:04:28,079

type the words angry human two words

1719

01:04:31,990 --> 01:04:30,559

and uh in the 200 something million hits

1720

01:04:34,710 --> 01:04:32,000

you'll get yeah

1721

01:04:36,950 --> 01:04:34,720

the show page is the very first tip

1722

01:04:39,829 --> 01:04:36,960

wow well that well thank you so very

1723

01:04:43,750 --> 01:04:39,839

much and uh i am sure that some of our

1724

01:04:47,029 --> 01:04:43,760

listeners will want to make comments at

1725

01:04:47,039 --> 01:04:50,950

that's shatteredrealitypodcast.com

1726

01:04:55,589 --> 01:04:52,630

please

1727

01:04:58,069 --> 01:04:55,599

write in ask questions

1728

01:05:00,549 --> 01:04:58,079

ask about having particular guests on

1729

01:05:01,349 --> 01:05:00,559

that you would like to hear and i just

1730

01:05:03,750 --> 01:05:01,359

know

1731

01:05:06,549 --> 01:05:03,760

that our listeners will want to hear

1732

01:05:08,950 --> 01:05:06,559

from you again mr david biedny

1733

01:05:12,789 --> 01:05:08,960

and um thank you

1734

01:05:14,710 --> 01:05:12,799

kate valentine and i'm ferocia and uh

1735

01:05:16,549 --> 01:05:14,720

really all i can say again is thanks a

1736

01:05:18,630 --> 01:05:16,559

lot david it's been a pleasure speaking

1737

01:05:36,069 --> 01:05:18,640

to you you're both very welcome okay

1738

01:05:41,589 --> 01:05:38,630

welcome to shattered reality

1739

01:05:43,190 --> 01:05:41,599

with your hosts kate valentine and

1740

01:05:46,230 --> 01:05:43,200

ferocia

1741

01:05:48,710 --> 01:05:46,240

prepare to have your paradigms shifted

1742

01:05:50,390 --> 01:05:48,720

into truth questioned
