

1  
00:00:25,010 --> 00:00:20,210  
welcome to shattered reality with their

2  
00:00:28,040 --> 00:00:25,020  
hosts Kate Valentine and FERS prepare to

3  
00:00:33,760 --> 00:00:28,050  
head of paradigms shifted in the truths

4  
00:00:37,160 --> 00:00:33,770  
questioned and now shattered reality

5  
00:00:39,380 --> 00:00:37,170  
well Kate here we are back again yeah

6  
00:00:42,260 --> 00:00:39,390  
and always looking forward to it yes

7  
00:00:44,240 --> 00:00:42,270  
indeed we have really really a wonderful

8  
00:00:47,270 --> 00:00:44,250  
guest with us today of miss Angela

9  
00:00:49,700 --> 00:00:47,280  
Thompson Smith since childhood Miss

10  
00:00:52,639 --> 00:00:49,710  
Smith has experienced out-of-body

11  
00:00:55,100 --> 00:00:52,649  
episodes that led her into remote

12  
00:00:57,530 --> 00:00:55,110  
viewing another paranormal past and

13  
00:01:00,229 --> 00:00:57,540

she's written about these experiences

14

00:01:03,380 --> 00:01:00,239

and her very fascinating books remote

15

00:01:06,080 --> 00:01:03,390

perceptions Diary of an objective an

16

00:01:08,330 --> 00:01:06,090

abduction and voices from the cosmos

17

00:01:10,670 --> 00:01:08,340

these are all really interesting not

18

00:01:13,100 --> 00:01:10,680

only to people who are interested in

19

00:01:15,550 --> 00:01:13,110

remote viewing and out-of-body episodes

20

00:01:19,160 --> 00:01:15,560

it has quite a lot to do with

21

00:01:22,039 --> 00:01:19,170

extraterrestrials and exobiology which

22

00:01:25,550 --> 00:01:22,049

was a subject I was always interested in

23

00:01:28,789 --> 00:01:25,560

but Ferruccio how did you get interested

24

00:01:31,700 --> 00:01:28,799

or how did you know of Miss Smith well

25

00:01:34,820 --> 00:01:31,710

you know about a year and a half ago I

26  
00:01:37,940 --> 00:01:34,830  
happen to have picked up the book remote

27  
00:01:40,969 --> 00:01:37,950  
perceptions which is Angela Thompson

28  
00:01:44,510 --> 00:01:40,979  
Smith's first book and published by

29  
00:01:48,410 --> 00:01:44,520  
Hampton Roads which happened was owned

30  
00:01:50,840 --> 00:01:48,420  
by a few friends of mine and it was just

31  
00:01:54,109 --> 00:01:50,850  
really really interesting and as I was

32  
00:01:57,410 --> 00:01:54,119  
reading about her life and she she grew

33  
00:02:01,550 --> 00:01:57,420  
up in England a very very long family

34  
00:02:04,490 --> 00:02:01,560  
history in in England there and then she

35  
00:02:07,069 --> 00:02:04,500  
became a nurse and then she was working

36  
00:02:11,119 --> 00:02:07,079  
for Prince then but during our

37  
00:02:13,750 --> 00:02:11,129  
experiences have involving other life to

38  
00:02:16,179 --> 00:02:13,760

possible other lifetimes are out-of-body

39

00:02:19,320 --> 00:02:16,189  
experiences our remote viewing

40

00:02:22,770 --> 00:02:19,330  
experiences and psychic direct sight

41

00:02:25,050 --> 00:02:22,780  
experiences I really resonated with it

42

00:02:27,420 --> 00:02:25,060  
because I felt like she was sort of like

43

00:02:30,390 --> 00:02:27,430  
super me because I've had a lot of

44

00:02:34,980 --> 00:02:30,400  
experiences myself but not anywhere as

45

00:02:36,810 --> 00:02:34,990  
many as she has but her experiences rang

46

00:02:39,330 --> 00:02:36,820  
true to me because they were very

47

00:02:41,550 --> 00:02:39,340  
similar in nature to the kind of

48

00:02:44,340 --> 00:02:41,560  
experiences that I have had and as a

49

00:02:47,160 --> 00:02:44,350  
result of that I sort of had a short

50

00:02:48,900 --> 00:02:47,170  
internet chat with her through email at

51  
00:02:51,720 --> 00:02:48,910  
the time I don't know if she remembers

52  
00:02:55,680 --> 00:02:51,730  
that but then when we were thinking

53  
00:02:58,380 --> 00:02:55,690  
about who should we have on our program

54  
00:03:02,070 --> 00:02:58,390  
and we and Kate and I we're talking

55  
00:03:04,620 --> 00:03:02,080  
about hey we're two women here and we

56  
00:03:07,080 --> 00:03:04,630  
want to have other women in the

57  
00:03:09,060 --> 00:03:07,090  
paranormal field that people who do

58  
00:03:11,070 --> 00:03:09,070  
similar things are interested in similar

59  
00:03:14,190 --> 00:03:11,080  
things to us I mean we're not going to

60  
00:03:16,770 --> 00:03:14,200  
exclude men by any means but we feel

61  
00:03:19,080 --> 00:03:16,780  
that at least if not every other every

62  
00:03:22,650 --> 00:03:19,090  
third guest should be a woman and I

63  
00:03:25,770 --> 00:03:22,660

thought what a wonderful person to to

64

00:03:29,420 --> 00:03:25,780

ask to speak to us and she so kindly has

65

00:03:33,120 --> 00:03:29,430

agreed so you have written three books

66

00:03:36,300 --> 00:03:33,130

remote perceptions diary of an abduction

67

00:03:41,370 --> 00:03:36,310

and voices from the cosmos which is the

68

00:03:45,030 --> 00:03:41,380

latest one with CB Scott Jones PhD can

69

00:03:48,810 --> 00:03:45,040

you tell us a little bit about how you

70

00:03:51,360 --> 00:03:48,820

started to how you started as a child

71

00:03:54,720 --> 00:03:51,370

what were your experiences as a child

72

00:03:56,550 --> 00:03:54,730

which led you to this or our readers or

73

00:04:00,630 --> 00:03:56,560

listeners rather will become your

74

00:04:03,030 --> 00:04:00,640

readers yeah I grew up in the Celtic

75

00:04:05,130 --> 00:04:03,040

South West of England restores my

76

00:04:10,050 --> 00:04:05,140

hometown and we lived very near

77

00:04:12,030 --> 00:04:10,060

Stonehenge and Avebury and had relatives

78

00:04:13,710 --> 00:04:12,040

that came from Brattain and Wiltshire

79

00:04:17,310 --> 00:04:13,720

were near where they have the white

80

00:04:20,159 --> 00:04:17,320

horses and the cross yes yes and I

81

00:04:23,550 --> 00:04:20,169

always was intuitive kid so I think

82

00:04:26,310 --> 00:04:23,560

that's where it all started that history

83

00:04:28,890 --> 00:04:26,320

that's area has quite a history in that

84

00:04:31,380 --> 00:04:28,900

though I believe my correct or not it

85

00:04:33,239 --> 00:04:31,390

does it does it the Celtic Southwest

86

00:04:37,399 --> 00:04:33,249

very close to Wales

87

00:04:40,379 --> 00:04:37,409

and you know that Celtic background and

88

00:04:41,879 --> 00:04:40,389

Felice so when you were a child these

89

00:04:45,689 --> 00:04:41,889

abilities wouldn't have seen that

90

00:04:47,069 --> 00:04:45,699

strange to your family my mother kind of

91

00:04:49,979 --> 00:04:47,079

downplayed them and said it was

92

00:04:54,959 --> 00:04:49,989

imagination because I don't think she

93

00:04:58,109 --> 00:04:54,969

wanted a different kid but it was

94

00:05:01,589 --> 00:04:58,119

accepted and was not ridiculed or

95

00:05:05,850 --> 00:05:01,599

downplayed so what was it like for you

96

00:05:08,989 --> 00:05:05,860

to experience a frightening or was did

97

00:05:12,839 --> 00:05:08,999

you just sort of take it as a cam or

98

00:05:15,029 --> 00:05:12,849

yeah I had a body expenses from as far

99

00:05:18,389 --> 00:05:15,039

back as I can remember and I thought

100

00:05:20,519 --> 00:05:18,399

everybody had them like dreams and that

101  
00:05:23,549 --> 00:05:20,529  
you just didn't talk about them mm-hmm

102  
00:05:26,189 --> 00:05:23,559  
and then in my twenties when I finally

103  
00:05:29,219 --> 00:05:26,199  
discovered that my body experiences were

104  
00:05:32,699 --> 00:05:29,229  
pretty rare and most people and the few

105  
00:05:35,789 --> 00:05:32,709  
people had many like myself that set me

106  
00:05:39,029 --> 00:05:35,799  
on a whole different path right well I

107  
00:05:41,009 --> 00:05:39,039  
think Ferruccio you've also had these

108  
00:05:42,029 --> 00:05:41,019  
out-of-body experiences but when did

109  
00:05:46,350 --> 00:05:42,039  
they start for you

110  
00:05:50,759 --> 00:05:46,360  
well my experiences started when I was a

111  
00:05:54,359 --> 00:05:50,769  
little child and I had again yeah I well

112  
00:05:57,659 --> 00:05:54,369  
like Angela you know I have a family

113  
00:06:01,979 --> 00:05:57,669

that did not really downplay it but and

114

00:06:04,679 --> 00:06:01,989

my father who is part Welsh was very

115

00:06:07,139 --> 00:06:04,689

psychic and saw dead people which I had

116

00:06:11,579 --> 00:06:07,149

mentioned before on the show something I

117

00:06:13,649 --> 00:06:11,589

never wanted to do but I had friends

118

00:06:16,619 --> 00:06:13,659

when I was a child who no one else could

119

00:06:20,719 --> 00:06:16,629

see and these friends were like little

120

00:06:24,929 --> 00:06:20,729

metal aliens and as time went by I

121

00:06:27,299 --> 00:06:24,939

levitated in my room and in the early

122

00:06:29,549 --> 00:06:27,309

morning hours and other strange things

123

00:06:36,809 --> 00:06:29,559

unlike Angela sometimes I had the

124

00:06:39,260 --> 00:06:36,819

bejesus scared so you mentioned a number

125

00:06:47,460 --> 00:06:43,589

past lives things that you thought were

126

00:06:51,330 --> 00:06:47,470

past lives or that maybe it was a case

127

00:06:52,850 --> 00:06:51,340

of race memory more or less like sort of

128

00:06:57,029 --> 00:06:52,860

that you thought maybe you were meant

129

00:06:59,249 --> 00:06:57,039

remembering lives of people who lived in

130

00:07:02,820 --> 00:06:59,259

your family and lived in the same area

131

00:07:06,089 --> 00:07:02,830

of England and I was wondering what the

132

00:07:08,670 --> 00:07:06,099

final analysis what final analysis did

133

00:07:11,070 --> 00:07:08,680

you come to regarding these past lives

134

00:07:12,830 --> 00:07:11,080

and perhaps you might want to tell us

135

00:07:16,020 --> 00:07:12,840

about one of them because I'm sure

136

00:07:18,510 --> 00:07:16,030

people will want to read you know you

137

00:07:20,879 --> 00:07:18,520

are five books including of course

138

00:07:23,189 --> 00:07:20,889

remote perceptions which is you know the

139

00:07:29,820 --> 00:07:23,199

book we are focusing on right this

140

00:07:31,709 --> 00:07:29,830

second yeah I can't when I finally

141

00:07:33,930 --> 00:07:31,719

discovered that not everybody could do

142

00:07:36,240 --> 00:07:33,940

I'd body experiences I did some study

143

00:07:38,939 --> 00:07:36,250

and came across a method called the

144

00:07:40,890 --> 00:07:38,949

christos experience that was developed

145

00:07:43,950 --> 00:07:40,900

by an Australian journalist it has

146

00:07:47,189 --> 00:07:43,960

nothing to do with Christianity is he

147

00:07:49,620 --> 00:07:47,199

put together all of the conditions that

148

00:07:52,050 --> 00:07:49,630

people might want to explore to go out

149

00:07:55,260 --> 00:07:52,060

of body and it's still available online

150

00:07:58,529 --> 00:07:55,270

the formula and called the Christoph's

151  
00:08:00,990 --> 00:07:58,539  
experience and so I started doing that

152  
00:08:05,969 --> 00:08:01,000  
in a group and then doing some for

153  
00:08:10,260 --> 00:08:05,979  
myself and going back in time and one of

154  
00:08:14,010 --> 00:08:10,270  
the lifetimes that I I can't say I lived

155  
00:08:17,749 --> 00:08:14,020  
but I remembered was as a woman in

156  
00:08:20,760 --> 00:08:17,759  
Yorkshire who was very well-to-do and

157  
00:08:23,969 --> 00:08:20,770  
she was married but very depressed which

158  
00:08:27,240 --> 00:08:23,979  
I'm not a depressed person she was very

159  
00:08:30,719 --> 00:08:27,250  
depressed and just unhappy in her

160  
00:08:34,230 --> 00:08:30,729  
marriage and a very strange life to go

161  
00:08:36,409 --> 00:08:34,240  
and experience but I recorded it put it

162  
00:08:40,920 --> 00:08:36,419  
all down on paper and put it in the book

163  
00:08:43,110 --> 00:08:40,930

and so different lifetimes some that

164

00:08:45,960 --> 00:08:43,120

felt right to me and some that didn't

165

00:08:50,490 --> 00:08:45,970

quite feel right like the Yorkshire

166

00:08:52,120 --> 00:08:50,500

woman from North and I came I hadn't

167

00:08:54,400 --> 00:08:52,130

really come down to any

168

00:08:58,390 --> 00:08:54,410

vision yet except that it's quite

169

00:09:00,850 --> 00:08:58,400

possible that we tap into some lifetime

170

00:09:02,860 --> 00:09:00,860

in the past man else's lifetime that

171

00:09:06,970 --> 00:09:02,870

feels right to us and answer some

172

00:09:07,770 --> 00:09:06,980

questions for us yes yes I would agree

173

00:09:10,840 --> 00:09:07,780

with that

174

00:09:13,870 --> 00:09:10,850

simply because you know having worked a

175

00:09:17,680 --> 00:09:13,880

little bit with past life experiences

176  
00:09:23,440 --> 00:09:17,690  
and having two that came to me without

177  
00:09:25,720 --> 00:09:23,450  
any bidding if you will from anything I

178  
00:09:29,500 --> 00:09:25,730  
just just came to me during my early

179  
00:09:32,470 --> 00:09:29,510  
years it occurred to me that they could

180  
00:09:36,100 --> 00:09:32,480  
be past lives or maybe somehow I had

181  
00:09:37,900 --> 00:09:36,110  
crossed someone's spirit somehow you

182  
00:09:41,110 --> 00:09:37,910  
know our spirits had crossed and I had

183  
00:09:43,210 --> 00:09:41,120  
experienced some days from the lives of

184  
00:09:45,460 --> 00:09:43,220  
these two women but you also had

185  
00:09:49,990 --> 00:09:45,470  
mentioned that most of your past lives

186  
00:09:53,110 --> 00:09:50,000  
were in fact as women and I noticed the

187  
00:09:55,990 --> 00:09:53,120  
same thing with myself that I didn't I

188  
00:09:59,020 --> 00:09:56,000

don't remember any male past lives but

189

00:10:01,930 --> 00:09:59,030

ostensibly you know I should have had

190

00:10:05,260 --> 00:10:01,940

them I guess and I also think that

191

00:10:08,890 --> 00:10:05,270

perhaps past lives aren't past but you

192

00:10:10,950 --> 00:10:08,900

know being that time is mutable maybe

193

00:10:13,900 --> 00:10:10,960

they're all occurring simultaneously

194

00:10:18,400 --> 00:10:13,910

somehow right I made the other

195

00:10:20,860 --> 00:10:18,410

dimensional no yes yes there was an

196

00:10:22,960 --> 00:10:20,870

interesting conversation in a movie I

197

00:10:27,100 --> 00:10:22,970

just saw Lucy was the name of the movie

198

00:10:30,370 --> 00:10:27,110

and the chief character had ingested

199

00:10:32,560 --> 00:10:30,380

some chemical let's say and that

200

00:10:34,090 --> 00:10:32,570

increased her brain power from the so

201  
00:10:37,060 --> 00:10:34,100  
called nine percent a hundred percent

202  
00:10:39,880 --> 00:10:37,070  
and at that point she said the time was

203  
00:10:42,160 --> 00:10:39,890  
an invention for humans because we could

204  
00:10:44,530 --> 00:10:42,170  
not perceive everything happening

205  
00:10:47,380 --> 00:10:44,540  
simultaneously it's not possible for the

206  
00:10:49,230 --> 00:10:47,390  
human brain to do that so we had to

207  
00:10:52,150 --> 00:10:49,240  
invent time to separate these

208  
00:10:54,700 --> 00:10:52,160  
experiences and that sounded about right

209  
00:10:59,080 --> 00:10:54,710  
to me because if everything happened

210  
00:11:01,120 --> 00:10:59,090  
simultaneously I'd be forget it just too

211  
00:11:03,970 --> 00:11:01,130  
much but okay I was wondering if you and

212  
00:11:05,650 --> 00:11:03,980  
Ferruccio could explain to me since I

213  
00:11:08,140 --> 00:11:05,660

haven't had this what do you

214

00:11:11,440 --> 00:11:08,150

mean by an out-of-body experience it's

215

00:11:13,570 --> 00:11:11,450

probably basic to you guys but I'll don't

216

00:11:21,160 --> 00:11:13,580

think that I know what you're talking

217

00:11:24,100 --> 00:11:21,170

about particularly go ahead Angela I can

218

00:11:27,100 --> 00:11:24,110

tell you from it's changed over the

219

00:11:29,620 --> 00:11:27,110

years as a child I would be put to bed

220

00:11:32,260 --> 00:11:29,630

now still wide awake and I would lie

221

00:11:35,950 --> 00:11:32,270

down then you I wasn't asleep and I

222

00:11:38,140 --> 00:11:35,960

would go up on my part of me would go up

223

00:11:39,970 --> 00:11:38,150

on the roof and look around and I travel

224

00:11:42,850 --> 00:11:39,980

around the neighborhood go to my

225

00:11:44,230 --> 00:11:42,860

grandmother's house see what she was

226  
00:11:47,320 --> 00:11:44,240  
doing

227  
00:11:48,880 --> 00:11:47,330  
I'd visit all sorts of places and then I

228  
00:11:51,370 --> 00:11:48,890  
can't Bank okay enough of that and I'm

229  
00:11:53,020 --> 00:11:51,380  
going to sleep now hid and I knew it was

230  
00:11:55,630 --> 00:11:53,030  
different from dreams because I was

231  
00:11:57,340 --> 00:11:55,640  
still awake did did your grandmother see

232  
00:12:00,580 --> 00:11:57,350  
you when you were there nobody ever saw

233  
00:12:03,880 --> 00:12:00,590  
me okay so it was you sort of traveling

234  
00:12:05,860 --> 00:12:03,890  
with your mind right yeah but I really

235  
00:12:08,290 --> 00:12:05,870  
thought I had a body I could to make

236  
00:12:12,430 --> 00:12:08,300  
decisions where I wanted to go okay that

237  
00:12:15,040 --> 00:12:12,440  
was it was purposeful and over the years

238  
00:12:17,380 --> 00:12:15,050

after a particularly went in my twenties

239

00:12:19,870 --> 00:12:17,390

when I decided okay this is something

240

00:12:23,680 --> 00:12:19,880

not everybody can do I started working

241

00:12:25,960 --> 00:12:23,690

with it and it was the forerunner really

242

00:12:28,630 --> 00:12:25,970

the the precedents to going into remote

243

00:12:31,680 --> 00:12:28,640

viewing training because I could decide

244

00:12:34,600 --> 00:12:31,690

okay my friends are going on vacation

245

00:12:35,500 --> 00:12:34,610

I've asked them if I could come and take

246

00:12:37,900 --> 00:12:35,510

a look because I did some

247

00:12:40,090 --> 00:12:37,910

experimentation I want to go and look

248

00:12:42,600 --> 00:12:40,100

where they are make some notes and when

249

00:12:45,940 --> 00:12:42,610

they come back I want to share what I

250

00:12:47,770 --> 00:12:45,950

perceived with them and I didn't get

251  
00:12:49,150 --> 00:12:47,780  
everything right but there was enough

252  
00:12:53,740 --> 00:12:49,160  
right that I thought there was really

253  
00:12:57,310 --> 00:12:53,750  
something going on well would you say in

254  
00:13:00,160 --> 00:12:57,320  
terms of like say remote viewing as as

255  
00:13:04,000 --> 00:13:00,170  
opposed to out-of-body experiences that

256  
00:13:06,450 --> 00:13:04,010  
they are related phenomena but

257  
00:13:10,060 --> 00:13:06,460  
out-of-body experience can be more like

258  
00:13:14,230 --> 00:13:10,070  
you know an astral travel where you are

259  
00:13:17,680 --> 00:13:14,240  
actually at the place where as a remote

260  
00:13:19,180 --> 00:13:17,690  
viewing you you see things at a distance

261  
00:13:22,140 --> 00:13:19,190  
it's like two

262  
00:13:26,170 --> 00:13:22,150  
remote viewing is a protocol for

263  
00:13:28,780 --> 00:13:26,180

clairvoyance yeah there are lots of

264

00:13:31,990 --> 00:13:28,790

overlaps and I like to think of

265

00:13:35,020 --> 00:13:32,000

out-of-body experience the more stream

266

00:13:39,670 --> 00:13:35,030

flow of consciousness type of experience

267

00:13:41,350 --> 00:13:39,680

as a lateral experience and the remote

268

00:13:44,530 --> 00:13:41,360

viewing where you sit down with pen and

269

00:13:46,720 --> 00:13:44,540

paper is more of a digital linear type

270

00:13:50,140 --> 00:13:46,730

of experience though there are lots of

271

00:13:53,530 --> 00:13:50,150

overlaps but they are different and some

272

00:13:56,200 --> 00:13:53,540

of the people who do work with

273

00:13:58,090 --> 00:13:56,210

out-of-body like Bill bule men do you

274

00:14:02,440 --> 00:13:58,100

know Bill Dielman I don't know any but I

275

00:14:04,300 --> 00:14:02,450

know Alton yes he works in a variety of

276

00:14:06,820 --> 00:14:04,310

different ways for people to go out of

277

00:14:10,990 --> 00:14:06,830

body but it seems to me like many of the

278

00:14:13,390 --> 00:14:11,000

times in working with him one enters

279

00:14:15,220 --> 00:14:13,400

sort of onto a different dimensional

280

00:14:17,620 --> 00:14:15,230

plane or a different state of matter

281

00:14:21,160 --> 00:14:17,630

like where you are in your etheric body

282

00:14:25,480 --> 00:14:21,170

and you're at in a different like a very

283

00:14:27,910 --> 00:14:25,490

similar but different locale and those

284

00:14:30,250 --> 00:14:27,920

kind of things can be accessed

285

00:14:32,530 --> 00:14:30,260

I believe kind of more easily through

286

00:14:34,840 --> 00:14:32,540

lucid dreams like starting in a lucid

287

00:14:38,190 --> 00:14:34,850

dream and then working it up to where

288

00:14:40,990 --> 00:14:38,200

you are you know very volitional and

289

00:14:45,280 --> 00:14:41,000

traveling around in spaces that you

290

00:14:48,520 --> 00:14:45,290

recognize almost yes and also through

291

00:14:51,760 --> 00:14:48,530

visualization exercises journeying yes

292

00:14:54,310 --> 00:14:51,770

you can actually go travel and visit

293

00:14:57,940 --> 00:14:54,320

places that you you want to go to and

294

00:15:01,240 --> 00:14:57,950

and more recently I'm jumping ahead here

295

00:15:04,840 --> 00:15:01,250

a little bit but you have become a

296

00:15:07,380 --> 00:15:04,850

shaman and are involved with shamanism

297

00:15:10,980 --> 00:15:07,390

isn't is that not the case that's right

298

00:15:13,840 --> 00:15:10,990

I'd always had a leaning towards

299

00:15:15,450 --> 00:15:13,850

shamanic experience from being a kid

300

00:15:17,620 --> 00:15:15,460

with my own garden and loving nature

301

00:15:21,250 --> 00:15:17,630

knowing the names of all the British

302

00:15:23,560 --> 00:15:21,260

plants and their uses and then 2010 I

303

00:15:26,380 --> 00:15:23,570

had the opportunity to go and do some

304

00:15:28,900 --> 00:15:26,390

training with vision seekers with high

305

00:15:32,110 --> 00:15:28,910

growth hormone and oh yes yes yeah

306

00:15:33,129 --> 00:15:32,120

wonderful teachers and so I've been

307

00:15:35,699 --> 00:15:33,139

working with them

308

00:15:41,919 --> 00:15:35,709

to their workshops and I became ordained

309

00:15:45,009 --> 00:15:41,929

in 2010 it took a lot of paperwork but

310

00:15:46,419 --> 00:15:45,019

that you know you have to justify where

311

00:15:48,489 --> 00:15:46,429

you've really been where you're coming

312

00:15:50,889 --> 00:15:48,499

from what you plan to do with it

313

00:15:53,079 --> 00:15:50,899

right so that's that's true I become a

314

00:15:56,259 --> 00:15:53,089

shaman well that's beautiful and you

315

00:15:59,889 --> 00:15:56,269

mentioned your garden in in England I

316

00:16:02,379 --> 00:15:59,899

guess and you knew all the names of the

317

00:16:06,099 --> 00:16:02,389

plants and so forth were you aware of

318

00:16:09,999 --> 00:16:06,109

the the Divas of the plants like the the

319

00:16:11,859 --> 00:16:10,009

group spirit of the plants not at that

320

00:16:14,409 --> 00:16:11,869

time I just knew that I was very

321

00:16:15,609 --> 00:16:14,419

connected to the earth and I would think

322

00:16:17,619 --> 00:16:15,619

you know when I was taking my little

323

00:16:20,799 --> 00:16:17,629

garden I would put my hands right into

324

00:16:24,999 --> 00:16:20,809

the soil and we would really feel part

325

00:16:29,069 --> 00:16:25,009

of it and loved my my little flowers and

326

00:16:32,650 --> 00:16:29,079

vegetables and that was more when I was

327

00:16:34,359 --> 00:16:32,660

growing up up until my teens and then of

328

00:16:37,449 --> 00:16:34,369

course I went traveling and training and

329

00:16:40,030 --> 00:16:37,459

doing other things and and you became a

330

00:16:44,729 --> 00:16:40,040

nurse and then you travel to the US

331

00:16:47,379 --> 00:16:44,739

correct well quite a bit in between okay

332

00:16:49,840 --> 00:16:47,389

I'll just give you a very brief

333

00:16:53,289 --> 00:16:49,850

I went trained as a nurse when I was 18

334

00:16:57,299 --> 00:16:53,299

and became a certified nurse state

335

00:16:59,650 --> 00:16:57,309

registered nurse from there I went on

336

00:17:01,809 --> 00:16:59,660

eventually after doing the you know

337

00:17:03,850 --> 00:17:01,819

working as a nurse to do a Social Work

338

00:17:07,029 --> 00:17:03,860

training and worked with maladjusted

339

00:17:10,569 --> 00:17:07,039

children as they called them then in

340

00:17:13,539 --> 00:17:10,579

children's homes and group homes went to

341

00:17:17,199 --> 00:17:13,549

Columbia in my twenties and worked at an

342

00:17:20,439 --> 00:17:17,209

orphanage for two years with kids little

343

00:17:24,970 --> 00:17:20,449

babies that have been abandoned oh and

344

00:17:26,500 --> 00:17:24,980

that was a story in itself then came

345

00:17:29,680 --> 00:17:26,510

back and realized I wanted a little bit

346

00:17:31,810 --> 00:17:29,690

more education so I had left school at

347

00:17:35,169 --> 00:17:31,820

16 and because that was the official

348

00:17:39,730 --> 00:17:35,179

leaving age in England at the time so I

349

00:17:41,769 --> 00:17:39,740

I went to the University of Cardiff and

350

00:17:44,799 --> 00:17:41,779

at the University of Wales at Cardiff

351  
00:17:46,990 --> 00:17:44,809  
applied there to do their undergraduate

352  
00:17:49,360 --> 00:17:47,000  
in psychology a training

353  
00:17:53,770 --> 00:17:49,370  
and after three years got my bachelor's

354  
00:17:56,649 --> 00:17:53,780  
there went to Manchester University got

355  
00:18:00,460 --> 00:17:56,659  
my masters and again working with

356  
00:18:02,830 --> 00:18:00,470  
children in laterality how how babies

357  
00:18:04,659 --> 00:18:02,840  
developed handedness and from there I

358  
00:18:07,570 --> 00:18:04,669  
came to the States

359  
00:18:11,620 --> 00:18:07,580  
so bit in between and yes well that's

360  
00:18:13,240 --> 00:18:11,630  
very impressive bit in between when you

361  
00:18:16,330 --> 00:18:13,250  
came to the States you came to New

362  
00:18:21,190 --> 00:18:16,340  
Jersey and which is where we are

363  
00:18:25,390 --> 00:18:21,200

broadcasting from just outside New York

364

00:18:27,100 --> 00:18:25,400

City and you but you came to the

365

00:18:31,950 --> 00:18:27,110

Princeton area am I correct

366

00:18:35,919 --> 00:18:31,960

I first of all came to the oranges ah

367

00:18:39,580 --> 00:18:35,929

and I was married and that unfortunately

368

00:18:41,560 --> 00:18:39,590

didn't work out but from there and when

369

00:18:43,299 --> 00:18:41,570

I came over of course I didn't have any

370

00:18:45,250 --> 00:18:43,309

American qualification so I couldn't

371

00:18:48,399 --> 00:18:45,260

work as a nurse or social worker or

372

00:18:50,919 --> 00:18:48,409

anything in my professions so it wasn't

373

00:18:56,140 --> 00:18:50,929

until I'd been in the state's a few

374

00:18:59,110 --> 00:18:56,150

years that I became hired in UMDNJ in

375

00:19:01,630 --> 00:18:59,120

New Brunswick again doing research with

376

00:19:04,510 --> 00:19:01,640

moms and babies which was my thing at

377

00:19:06,850 --> 00:19:04,520

the time and from there after working

378

00:19:09,940 --> 00:19:06,860

there for 3 years the project ended and

379

00:19:12,399 --> 00:19:09,950

I moved then down to Princeton where I

380

00:19:16,810 --> 00:19:12,409

stayed worked for 5 years with the pair

381

00:19:20,380 --> 00:19:16,820

lab well that is a fascinating episode

382

00:19:23,049 --> 00:19:20,390

in your life I think very interesting

383

00:19:25,560 --> 00:19:23,059

time ok it's just throwing one quick

384

00:19:28,419 --> 00:19:25,570

question here since you've worked with

385

00:19:30,399 --> 00:19:28,429

infants and very young children do you

386

00:19:32,799 --> 00:19:30,409

find that a lot of children have these

387

00:19:35,049 --> 00:19:32,809

experiences and then are told that there

388

00:19:39,460 --> 00:19:35,059

don't exist and so stop believing that

389

00:19:42,130 --> 00:19:39,470

they have them yeah yeah because yeah

390

00:19:43,419 --> 00:19:42,140

that was what I was told I don't know

391

00:19:48,250 --> 00:19:43,429

I've never worked with young children

392

00:19:51,490 --> 00:19:48,260

and groups certainly so no when you are

393

00:19:54,220 --> 00:19:51,500

working with these disturbed about it or

394

00:19:57,639 --> 00:19:54,230

whatever these children were you able to

395

00:20:00,580 --> 00:19:57,649

communicate with them less with words

396

00:20:02,799 --> 00:20:00,590

and more not telepathically but on some

397

00:20:05,409 --> 00:20:02,809

sort of that type of telepathically yes

398

00:20:08,799 --> 00:20:05,419

yeah yeah with some of three children

399

00:20:11,019 --> 00:20:08,809

the autistic children and some children

400

00:20:13,930 --> 00:20:11,029

who were aphasics it didn't have

401  
00:20:17,649 --> 00:20:13,940  
language there was a lot of nonverbal

402  
00:20:21,370 --> 00:20:17,659  
understanding communication that I

403  
00:20:23,769 --> 00:20:21,380  
didn't tell anybody else except you know

404  
00:20:25,750 --> 00:20:23,779  
because it just was not accepted and the

405  
00:20:27,850 --> 00:20:25,760  
professional feel it okay I'm sorry but

406  
00:20:30,220 --> 00:20:27,860  
back to your peer experiences because

407  
00:20:33,519 --> 00:20:30,230  
that is for now that's phenomenal that's

408  
00:20:36,100 --> 00:20:33,529  
a very respected Institute I don't know

409  
00:20:38,799 --> 00:20:36,110  
that much about it faroush I'm sorry but

410  
00:20:42,460 --> 00:20:38,809  
I know you do well you know most of my

411  
00:20:45,519 --> 00:20:42,470  
familiarity with pair has to do with the

412  
00:20:46,840 --> 00:20:45,529  
random number generators and so why

413  
00:20:50,470 --> 00:20:46,850

don't you tell us a little bit about

414

00:20:54,909 --> 00:20:50,480

what you did at pair hmm well I was

415

00:20:58,750 --> 00:20:54,919

hired basically as a technical

416

00:21:02,200 --> 00:20:58,760

assistance and I went in and worked with

417

00:21:05,010 --> 00:21:02,210

Brenda Don and the team at pair and I

418

00:21:09,070 --> 00:21:05,020

was really accepted as part of the team

419

00:21:12,610 --> 00:21:09,080

and the work that was being carried out

420

00:21:15,519 --> 00:21:12,620

was of course the random number

421

00:21:18,100 --> 00:21:15,529

generator work the remote perception

422

00:21:20,680 --> 00:21:18,110

work which was the civilian equivalent

423

00:21:25,840 --> 00:21:20,690

to what was going on in the Stargate

424

00:21:29,380 --> 00:21:25,850

remote viewing unit military we also did

425

00:21:31,029 --> 00:21:29,390

a little bit of other psychic work from

426  
00:21:33,960 --> 00:21:31,039  
time to time whenever there was an

427  
00:21:36,880 --> 00:21:33,970  
interest but those were the two main

428  
00:21:40,139 --> 00:21:36,890  
thrusts of the lab or the random number

429  
00:21:44,560 --> 00:21:40,149  
generator work and the remote perception

430  
00:21:46,299 --> 00:21:44,570  
okay just how successful is remote

431  
00:21:50,139 --> 00:21:46,309  
viewing because I don't know and

432  
00:21:52,570 --> 00:21:50,149  
honestly as an outsider you'd say well I

433  
00:21:55,360 --> 00:21:52,580  
don't know maybe it's true maybe it's

434  
00:21:58,029 --> 00:21:55,370  
not but you do have fairly good success

435  
00:22:01,299 --> 00:21:58,039  
rates with this right well I can speak

436  
00:22:03,340 --> 00:22:01,309  
to two perspectives one is the my

437  
00:22:06,580 --> 00:22:03,350  
personal perspective which is I've

438  
00:22:13,750 --> 00:22:06,590

interested in multiple labs and I'm

439

00:22:14,710 --> 00:22:13,760

about the 78% level well yeah I suppose

440

00:22:17,950 --> 00:22:14,720

over the years

441

00:22:20,380 --> 00:22:17,960

got pretty good at it much like a singer

442

00:22:25,240 --> 00:22:20,390

you know has a natural ability to become

443

00:22:28,600 --> 00:22:25,250

trained and practice right and I know

444

00:22:32,230 --> 00:22:28,610

you teach this as well so for myself

445

00:22:34,330 --> 00:22:32,240

let's say as an example who I don't

446

00:22:38,160 --> 00:22:34,340

believe has had any abilities along

447

00:22:44,320 --> 00:22:42,100

none that come to the fore but let's say

448

00:22:45,880 --> 00:22:44,330

I didn't but was interested in

449

00:22:48,790 --> 00:22:45,890

developing him do you believe most

450

00:22:52,300 --> 00:22:48,800

people would have the ability given the

451  
00:22:54,700 --> 00:22:52,310  
proper training for example you just

452  
00:22:56,770 --> 00:22:54,710  
spent you in singer I mean they could

453  
00:22:59,860 --> 00:22:56,780  
train me in singing until they turn blue

454  
00:23:02,890 --> 00:22:59,870  
and I would never ever sing well yeah

455  
00:23:05,290 --> 00:23:02,900  
but so that would not be my ability but

456  
00:23:07,960 --> 00:23:05,300  
you feel that most people would have the

457  
00:23:09,790 --> 00:23:07,970  
ability to remote for you to some extent

458  
00:23:11,400 --> 00:23:09,800  
like I mean I certainly could sing a

459  
00:23:14,560 --> 00:23:11,410  
little bit not professionally but

460  
00:23:17,320 --> 00:23:14,570  
certainly just some extent but uh but

461  
00:23:19,270 --> 00:23:17,330  
you feel most people can remote you you

462  
00:23:22,000 --> 00:23:19,280  
have because remote viewing occurs the

463  
00:23:24,640 --> 00:23:22,010

ability occurs on a continuum

464

00:23:26,910 --> 00:23:24,650

most people are intuitive and or remote

465

00:23:30,610 --> 00:23:26,920

viewing training does is it gets you

466

00:23:32,520 --> 00:23:30,620

gives you more access to that intuitive

467

00:23:34,990 --> 00:23:32,530

level so there are various methods

468

00:23:38,170 --> 00:23:35,000

various catch good there various

469

00:23:39,910 --> 00:23:38,180

protocols that enable you to do that and

470

00:23:43,440 --> 00:23:39,920

of course as you know there's some

471

00:23:46,210 --> 00:23:43,450

people who are psychically tone-deaf and

472

00:23:49,090 --> 00:23:46,220

they can they can achieve a little bit

473

00:23:55,300 --> 00:23:49,100

and some people who can who are very

474

00:23:58,300 --> 00:23:55,310

good in between and your your school

475

00:24:01,930 --> 00:23:58,310

which is in the Las Vegas area is mind

476

00:24:04,450 --> 00:24:01,940

wise consulting yes yes I'm in a little

477

00:24:06,970 --> 00:24:04,460

town called Ron Boulder City just

478

00:24:10,270 --> 00:24:06,980

outside Las Vegas on the way to Hoover

479

00:24:12,550 --> 00:24:10,280

Dam excellent excellent just we want to

480

00:24:16,360 --> 00:24:12,560

give you that plug you may hear somebody

481

00:24:20,350 --> 00:24:16,370

and we want them to know about all of

482

00:24:25,870 --> 00:24:20,360

your various you know businesses and

483

00:24:27,640 --> 00:24:25,880

books going on so did you meet Ingo

484

00:24:31,520 --> 00:24:27,650

Swann in that period

485

00:24:34,400 --> 00:24:31,530

not during the time I was at pair it

486

00:24:38,480 --> 00:24:34,410

wasn't until I left pair up to five

487

00:24:41,660 --> 00:24:38,490

years my part of the contracted finish

488

00:24:45,410 --> 00:24:41,670

so I moved out to Las Vegas and I worked

489

00:24:49,370 --> 00:24:45,420

for Robert Bigelow oh yeah and he sent

490

00:24:53,030 --> 00:24:49,380

me off to New York at one point to work

491

00:24:54,800 --> 00:24:53,040

with Budd Hopkins I and Bert was in

492

00:24:57,590 --> 00:24:54,810

poorhouse at the time and needed some

493

00:25:00,350 --> 00:24:57,600

assistance so I was loaned out too bad

494

00:25:02,690 --> 00:25:00,360

and during the time I was in Manhattan

495

00:25:05,630 --> 00:25:02,700

I contacted Ingo Swann I was writing

496

00:25:07,550 --> 00:25:05,640

remote perceptions at the time and said

497

00:25:10,940 --> 00:25:07,560

after myth he would write the foreword

498

00:25:12,890 --> 00:25:10,950

for me so we met in a diner and spent a

499

00:25:15,830 --> 00:25:12,900

couple of hours talking and he read the

500

00:25:18,800 --> 00:25:15,840

manuscript and he agreed you know he

501  
00:25:21,740 --> 00:25:18,810  
would write the foreword which I was so

502  
00:25:26,180 --> 00:25:21,750  
honored yes do that that's wonderful I

503  
00:25:28,820 --> 00:25:26,190  
mean I've lived in New York for you know

504  
00:25:30,380 --> 00:25:28,830  
most of my life at least in the

505  
00:25:30,800 --> 00:25:30,390  
metropolitan area and in the East

506  
00:25:34,520 --> 00:25:30,810  
Village

507  
00:25:37,460 --> 00:25:34,530  
and I knew lots of people who knew Ingo

508  
00:25:42,590 --> 00:25:37,470  
and I never got to meet him and it's one

509  
00:25:44,240 --> 00:25:42,600  
of the great regrets that I you know one

510  
00:25:48,320 --> 00:25:44,250  
of the people that I regret I've never

511  
00:25:50,210 --> 00:25:48,330  
met and so I've made it my my effort to

512  
00:25:53,120 --> 00:25:50,220  
meet other people that I would like to

513  
00:25:55,730 --> 00:25:53,130

meet I've put myself out to do so

514

00:25:58,040 --> 00:25:55,740

because he's one of the people that was

515

00:26:01,100 --> 00:25:58,050

available pretty much to me and I never

516

00:26:02,960 --> 00:26:01,110

met him so that's it was a great was a

517

00:26:05,660 --> 00:26:02,970

great disappointment but it has set me

518

00:26:10,820 --> 00:26:05,670

on a different course part of the reason

519

00:26:14,210 --> 00:26:10,830

that I was set on a different course if

520

00:26:16,550 --> 00:26:14,220

he liked you yes and whenever I went to

521

00:26:18,320 --> 00:26:16,560

Manhattan I'd call up and say hey can I

522

00:26:21,740 --> 00:26:18,330

come over and visit you go yeah sure

523

00:26:25,730 --> 00:26:21,750

come on you know and he shared a lot

524

00:26:29,690 --> 00:26:25,740

with me a lot of his his work so I feel

525

00:26:35,030 --> 00:26:29,700

very honored was he also an experierer

526

00:26:37,250 --> 00:26:35,040

since childhood oh yeah hmm yeah and he

527

00:26:39,800 --> 00:26:37,260

developed it more or less on his own too

528

00:26:43,520 --> 00:26:39,810

since oh I know

529

00:26:47,900 --> 00:26:43,530

yeah I think until the 70s late 70s

530

00:26:50,600 --> 00:26:47,910

early ages when 70 mid-70s yes I think

531

00:26:54,980 --> 00:26:50,610

yeah started working at Stanford

532

00:26:57,590 --> 00:26:54,990

Research Institute so forth yeah before

533

00:26:59,690 --> 00:26:57,600

that he was at the American Society for

534

00:27:02,620 --> 00:26:59,700

psychical risk all right in Manhattan

535

00:27:05,390 --> 00:27:02,630

and he was there for a couple of years

536

00:27:08,270 --> 00:27:05,400

actually taking part in research and

537

00:27:12,560 --> 00:27:08,280

then actually giving them some pointers

538

00:27:14,840 --> 00:27:12,570

as to to develop their obe research and

539

00:27:17,090 --> 00:27:14,850

he had that one really odd experience

540

00:27:20,200 --> 00:27:17,100

with the moon or something Oh

541

00:27:23,410 --> 00:27:20,210

penetration yes what was that all about

542

00:27:32,630 --> 00:27:23,420

okay I'm the UFO freak so I need to know

543

00:27:36,500 --> 00:27:32,640

I did mention it a couple of times in

544

00:27:38,840 --> 00:27:36,510

talks but he was contacting the

545

00:27:41,780 --> 00:27:38,850

contacted and higher than taken very

546

00:27:45,410 --> 00:27:41,790

clandestinely to a location an unknown

547

00:27:48,800 --> 00:27:45,420

location where he was given a an unknown

548

00:27:51,380 --> 00:27:48,810

target just a coordinate which is just

549

00:27:56,030 --> 00:27:51,390

like ago you know an address of a

550

00:27:59,270 --> 00:27:56,040

location but by numeric alphanumeric and

551  
00:28:02,690 --> 00:27:59,280  
he started remote viewing the moon's

552  
00:28:07,070 --> 00:28:02,700  
back of the moon and the back of the

553  
00:28:09,350 --> 00:28:07,080  
Moon yeah probably was and then as he

554  
00:28:11,990 --> 00:28:09,360  
was remote feeling he said something

555  
00:28:12,560 --> 00:28:12,000  
like well I am sorry I I don't think

556  
00:28:15,470 --> 00:28:12,570  
I've got it

557  
00:28:17,750 --> 00:28:15,480  
you know I we better stop this and the

558  
00:28:23,120 --> 00:28:17,760  
person that was there with in monitoring

559  
00:28:26,660 --> 00:28:23,130  
him said no no go ahead and so he gave

560  
00:28:28,370 --> 00:28:26,670  
them a lot of information and I'm not

561  
00:28:31,070 --> 00:28:28,380  
going to spoil it for readers that want

562  
00:28:35,300 --> 00:28:31,080  
to cuz tenna trations is now available

563  
00:28:37,460 --> 00:28:35,310

on Kindle yes yes which is fantastic yes

564

00:28:40,160 --> 00:28:37,470

it certainly is I've read it more than

565

00:28:45,960 --> 00:28:40,170

once and I found it to be a fascinating

566

00:28:52,330 --> 00:28:48,820

you know well you know again thinking

567

00:28:55,149 --> 00:28:52,340

the UFO nut on this when I was reading

568

00:28:57,940 --> 00:28:55,159

about the diary of abduction and voices

569

00:29:00,399 --> 00:28:57,950

from the cosmos you're absolutely in

570

00:29:04,930 --> 00:29:00,409

contact with races other than human race

571

00:29:09,399 --> 00:29:04,940

and that is something I would really

572

00:29:12,789 --> 00:29:09,409

love to do myself but on one hand you do

573

00:29:14,739 --> 00:29:12,799

have that sort of inborn xenophobia I

574

00:29:16,810 --> 00:29:14,749

guess you know like you think oops I'll

575

00:29:19,119 --> 00:29:16,820

get abducted if I speak to these beings

576  
00:29:23,739 --> 00:29:19,129  
and so maybe I better just shut up and

577  
00:29:25,629 --> 00:29:23,749  
but you have no fear of that no I did

578  
00:29:28,479 --> 00:29:25,639  
have a you know when I first started

579  
00:29:31,330 --> 00:29:28,489  
looking into all this but it kind of

580  
00:29:34,210 --> 00:29:31,340  
started from when I remember when I was

581  
00:29:36,580 --> 00:29:34,220  
in 16 and my brother and I we were

582  
00:29:39,070 --> 00:29:36,590  
living down in Dorset by that time south

583  
00:29:41,560 --> 00:29:39,080  
of England and something landed in the

584  
00:29:45,279 --> 00:29:41,570  
meadow at the back of our house lit up

585  
00:29:47,919 --> 00:29:45,289  
our rooms with this intense light I went

586  
00:29:50,859 --> 00:29:47,929  
under the bedclothes and my brother who

587  
00:29:52,690 --> 00:29:50,869  
was very brave looked at the window and

588  
00:29:58,749 --> 00:29:52,700

said oh this you are so landed in the

589

00:30:00,759 --> 00:29:58,759

ethereal and from then on I had a

590

00:30:03,789 --> 00:30:00,769

variety of experiences which are now

591

00:30:05,799 --> 00:30:03,799

classified as the you know out-of-body

592

00:30:09,570 --> 00:30:05,809

experiences which could really be

593

00:30:13,539 --> 00:30:09,580

classified as taking return yes really

594

00:30:17,049 --> 00:30:13,549

indeed no can we ask a question about

595

00:30:20,950 --> 00:30:17,059

those catch-and-release experiences

596

00:30:23,950 --> 00:30:20,960

because I have had some you know alien

597

00:30:28,169 --> 00:30:23,960

experiences myself and where did you

598

00:30:32,440 --> 00:30:28,179

find that you had any paralysis at the

599

00:30:35,019 --> 00:30:32,450

start of an experience no because of

600

00:30:38,019 --> 00:30:35,029

mine my expenses were just pushed into

601  
00:30:41,320 --> 00:30:38,029  
the back of my mind and didn't remember

602  
00:30:43,180 --> 00:30:41,330  
a huge amount about them until actually

603  
00:30:45,159 --> 00:30:43,190  
I was a parramatta woman who'd had

604  
00:30:48,669 --> 00:30:45,169  
similar experiences and that woke up

605  
00:30:52,239 --> 00:30:48,679  
this dear what have I been experiencing

606  
00:30:53,619 --> 00:30:52,249  
all these years so that was at that

607  
00:30:55,690 --> 00:30:53,629  
point where I started paying some

608  
00:30:56,810 --> 00:30:55,700  
serious attention to it but I really

609  
00:31:03,259 --> 00:30:56,820  
didn't have that

610  
00:31:05,600 --> 00:31:03,269  
versus it varied from one point when

611  
00:31:08,840 --> 00:31:05,610  
actually when I was at Princeton and in

612  
00:31:11,090 --> 00:31:08,850  
the night I woke up didn't open my eyes

613  
00:31:15,220 --> 00:31:11,100

I realized there were two beings by my

614

00:31:17,629 --> 00:31:15,230

bed and I put out my hand tentatively

615

00:31:20,779 --> 00:31:17,639

around the waist of one and going oh

616

00:31:22,249 --> 00:31:20,789

interesting and they were making a noise

617

00:31:25,610 --> 00:31:22,259

or one of them was making a noise I

618

00:31:30,350 --> 00:31:25,620

could I called it a Twitter piping I

619

00:31:32,899 --> 00:31:30,360

think it was panicking oh they were I

620

00:31:36,440 --> 00:31:32,909

was because I was actually touching them

621

00:31:40,730 --> 00:31:36,450

so I brought my arm back and said hey

622

00:31:43,669 --> 00:31:40,740

you know I mean to upset you or harm you

623

00:31:45,860 --> 00:31:43,679

and that was it I didn't remember

624

00:31:52,070 --> 00:31:45,870

anymore till the morning but I woke up

625

00:31:55,039 --> 00:31:52,080

going wow you are braver than I am you

626  
00:31:57,919 --> 00:31:55,049  
know in your voices from the cosmos you

627  
00:32:01,220 --> 00:31:57,929  
identify a number of different races of

628  
00:32:06,279 --> 00:32:01,230  
aliens that are have visited the earth

629  
00:32:10,220 --> 00:32:06,289  
or interested in the earth and in my

630  
00:32:14,419 --> 00:32:10,230  
late teens well into my 20s I had a

631  
00:32:19,220 --> 00:32:14,429  
number of experiences with a being that

632  
00:32:22,220 --> 00:32:19,230  
would be classified as a the tall Nordic

633  
00:32:25,129 --> 00:32:22,230  
blond but at the time I didn't know it

634  
00:32:28,460 --> 00:32:25,139  
and one day I was reading a magazine

635  
00:32:30,799 --> 00:32:28,470  
which I had purchased in Manhattan at

636  
00:32:32,269 --> 00:32:30,809  
the the virgin book store which is no

637  
00:32:35,779 --> 00:32:32,279  
longer there were run by the Virgin

638  
00:32:38,840 --> 00:32:35,789

Airlines fellow and I purchased a

639

00:32:40,639 --> 00:32:38,850

magazine and psychic phenomena type of

640

00:32:42,919 --> 00:32:40,649

magazine and in the back there were

641

00:32:45,440 --> 00:32:42,929

listing I believe of five different

642

00:32:47,450 --> 00:32:45,450

alien types and I was kind of you know

643

00:32:50,779 --> 00:32:47,460

just kind of generally interested and I

644

00:32:54,139 --> 00:32:50,789

must have been about you know in my late

645

00:32:57,139 --> 00:32:54,149

20s at the time and all of a sudden my

646

00:33:00,710 --> 00:32:57,149

eyes grew wide because they were talking

647

00:33:03,830 --> 00:33:00,720

about this Nordic alien type Nordic

648

00:33:07,730 --> 00:33:03,840

blonde alien large you know basically

649

00:33:09,470 --> 00:33:07,740

six and a half seven and a half feet you

650

00:33:11,659 --> 00:33:09,480

know being

651  
00:33:14,480 --> 00:33:11,669  
and all of a sudden I realized that

652  
00:33:16,820 --> 00:33:14,490  
other people had seen what I had seen

653  
00:33:20,240 --> 00:33:16,830  
which I was totally unaware of at the

654  
00:33:24,440 --> 00:33:20,250  
time I was you know I thought about UFOs

655  
00:33:26,720 --> 00:33:24,450  
as a as a teenager and so forth but had

656  
00:33:29,750 --> 00:33:26,730  
no concept that anybody had seen the

657  
00:33:32,240 --> 00:33:29,760  
type of alien that I had seen I know the

658  
00:33:35,600 --> 00:33:32,250  
question I want to ask you is that the

659  
00:33:38,480 --> 00:33:35,610  
second type of a being that I saw that I

660  
00:33:41,780 --> 00:33:38,490  
believe was an alien whether the small

661  
00:33:44,440 --> 00:33:41,790  
metal beings I saw when I was a little

662  
00:33:48,020 --> 00:33:44,450  
child who used to come and play with me

663  
00:33:49,940 --> 00:33:48,030

are they in your book at all would you

664

00:33:52,760 --> 00:33:49,950

classify them as a particular type of

665

00:33:55,760 --> 00:33:52,770

you had any contact they're not greys

666

00:33:59,659 --> 00:33:55,770

they're like metal they're made of metal

667

00:34:02,260 --> 00:33:59,669

almost I haven't had experience of them

668

00:34:06,620 --> 00:34:02,270

and I didn't contact them during the

669

00:34:09,530 --> 00:34:06,630

interviews that we did ok so I I have

670

00:34:12,770 --> 00:34:09,540

heard of them before from others but I

671

00:34:15,320 --> 00:34:12,780

have not counted it no experience I

672

00:34:18,169 --> 00:34:15,330

wonder that was a gentleman on a

673

00:34:20,149 --> 00:34:18,179

different show at one point who spoke

674

00:34:24,109 --> 00:34:20,159

about his childhood in having seen

675

00:34:27,109 --> 00:34:24,119

similar beings at that time when he was

676

00:34:30,950 --> 00:34:27,119

a child and I wonder if they might be

677

00:34:36,399 --> 00:34:30,960

sort of nannies like robot nan he's

678

00:34:37,960 --> 00:34:36,409

better sent by by some of these other

679

00:34:41,930 --> 00:34:37,970

interdimensional or extraterrestrial

680

00:34:45,320 --> 00:34:41,940

beings to be with earth children at

681

00:34:48,800 --> 00:34:45,330

times possibly and of course they in

682

00:34:51,740 --> 00:34:48,810

Russia that time piranhas they had at

683

00:34:56,470 --> 00:34:51,750

all metallic being seen in one of the

684

00:34:59,380 --> 00:34:56,480

parks so there have been other metallic

685

00:35:04,090 --> 00:34:59,390

Heights you know seen in various times

686

00:35:07,550 --> 00:35:04,100

yeah Kate what about the down in down in

687

00:35:11,480 --> 00:35:07,560

in it was it West Virginia you had a

688

00:35:14,270 --> 00:35:11,490

fellow on a number of times with the the

689

00:35:16,400 --> 00:35:14,280

the monster of Braxton County

690

00:35:20,810 --> 00:35:16,410

Braxton quite woods monster flatwoods

691

00:35:23,230 --> 00:35:20,820

monster yes which was a big flap of UFO

692

00:35:26,740 --> 00:35:23,240

sightings west of

693

00:35:28,690 --> 00:35:26,750

of the nation's capital Frank Hoshino

694

00:35:33,070 --> 00:35:28,700

because you know yeah Frank Ficino

695

00:35:35,560 --> 00:35:33,080

that they were metal also Wow well they

696

00:35:38,590 --> 00:35:35,570

were sort of partially metal they felt

697

00:35:40,330 --> 00:35:38,600

felt that there was a crash and that

698

00:35:43,660 --> 00:35:40,340

that was an escape pod

699

00:35:46,000 --> 00:35:43,670

and so the pod was what was seen as

700

00:35:49,720 --> 00:35:46,010

metallic where it almost sounds like

701  
00:35:52,060 --> 00:35:49,730  
they was like a see-through bubble on

702  
00:35:53,980 --> 00:35:52,070  
the top if you will yeah and that's

703  
00:35:57,070 --> 00:35:53,990  
where the being was coming out but

704  
00:36:00,609 --> 00:35:57,080  
certainly it really frightened people

705  
00:36:02,620 --> 00:36:00,619  
who ran into it and sure and Frank has

706  
00:36:04,810 --> 00:36:02,630  
just done a tremendous amount of

707  
00:36:09,070 --> 00:36:04,820  
research on that and in his book the

708  
00:36:14,490 --> 00:36:09,080  
monster owns excuse me the flatwoods

709  
00:36:19,140 --> 00:36:14,500  
monster or the rats again Braxton County

710  
00:36:22,720 --> 00:36:19,150  
you know what he did was he collected a

711  
00:36:24,910 --> 00:36:22,730  
gazillion reports of saucer sightings at

712  
00:36:27,880 --> 00:36:24,920  
the time and traced them all back to a

713  
00:36:30,940 --> 00:36:27,890

huge mothership over the Atlantic that

714

00:36:34,330 --> 00:36:30,950

then sent out these fleets of ships and

715

00:36:39,400 --> 00:36:34,340

it had to do in 1952 with the sightings

716

00:36:41,980 --> 00:36:39,410

over DC and the US Air Force of just

717

00:36:43,900 --> 00:36:41,990

developed E or the US Navy I believe I

718

00:36:46,270 --> 00:36:43,910

just developed a fighter jet that could

719

00:36:48,280 --> 00:36:46,280

actually shoot them down which is

720

00:36:50,530 --> 00:36:48,290

another title of his book shoot them

721

00:36:55,720 --> 00:36:50,540

down but as ferocious said we're talking

722

00:36:58,060 --> 00:36:55,730

to you so what are your feeling of this

723

00:36:59,950 --> 00:36:58,070

about aliens in general it just

724

00:37:03,420 --> 00:36:59,960

are they here out of curiosity out of

725

00:37:06,040 --> 00:37:03,430

what we might do if as if we developed

726

00:37:09,430 --> 00:37:06,050

abilities to travel to other worlds and

727

00:37:12,150 --> 00:37:09,440

in a acceptable period of time we would

728

00:37:14,830 --> 00:37:12,160

go more out of curiosity than anything

729

00:37:17,620 --> 00:37:14,840

is that about their reason for

730

00:37:22,620 --> 00:37:17,630

contacting you and other humans or do

731

00:37:25,180 --> 00:37:22,630

they have born nefarious schemes what I

732

00:37:28,720 --> 00:37:25,190

got from the interviews which was me

733

00:37:33,130 --> 00:37:28,730

contacting them contacting me know can I

734

00:37:36,130 --> 00:37:33,140

did it as a project for a client was

735

00:37:36,980 --> 00:37:36,140

that the consensus was they they had

736

00:37:39,109 --> 00:37:36,990

been here long

737

00:37:42,140 --> 00:37:39,119

for us and they were going to be here

738

00:37:45,590 --> 00:37:42,150

long after us and they'd always visited

739

00:37:48,920 --> 00:37:45,600

the earth and we consider themselves as

740

00:37:53,109 --> 00:37:48,930

co inhabitants of the earth huh ultra

741

00:37:56,780 --> 00:37:53,119

terrestrials if you will and some are

742

00:37:59,540 --> 00:37:56,790

visit periodically and there are races

743

00:38:04,160 --> 00:37:59,550

that came through in the interviews that

744

00:38:06,260 --> 00:38:04,170

are actually earth resident and but not

745

00:38:09,830 --> 00:38:06,270

very many of them you know better but

746

00:38:11,690 --> 00:38:09,840

the majority are visiting traveling

747

00:38:13,880 --> 00:38:11,700

through getting resources they

748

00:38:19,850 --> 00:38:13,890

considered the earth is a shared

749

00:38:22,430 --> 00:38:19,860

resource but not their home only to some

750

00:38:26,720 --> 00:38:22,440

of the ones who who decided to stay here

751

00:38:30,740 --> 00:38:26,730

Oh have you read Charles Hall's books

752

00:38:34,100 --> 00:38:30,750

about the tall whites out at Indian

753

00:38:37,160 --> 00:38:34,110

Springs no I was unaware of it now

754

00:38:43,430 --> 00:38:37,170

you're saying Charles Hall H ALL mantra

755

00:38:47,200 --> 00:38:43,440

hold of me oh okay because we also have

756

00:38:51,650 --> 00:38:47,210

Charles halt who was a big player at

757

00:38:55,790 --> 00:38:51,660

Bentwaters event in in Great Britain yes

758

00:38:57,470 --> 00:38:55,800

no no he'd written millennial I forget

759

00:38:59,900 --> 00:38:57,480

the actual name Tiger he wrote five

760

00:39:01,910 --> 00:38:59,910

books about how when he was an airman he

761

00:39:05,660 --> 00:39:01,920

was stationed out it Indian Springs

762

00:39:08,270 --> 00:39:05,670

which is now creature forces and his

763

00:39:11,740 --> 00:39:08,280

encounters there with groups of tall

764

00:39:14,870 --> 00:39:11,750

whites were kind of resident out there

765

00:39:18,109 --> 00:39:14,880

and and this this comes to a question I

766

00:39:21,140 --> 00:39:18,119

was about to ask you if you what your

767

00:39:27,700 --> 00:39:21,150

encounters have been with any physical

768

00:39:34,900 --> 00:39:27,710

aliens or just basically like a few

769

00:39:41,990 --> 00:39:36,980

okay they're doing a little

770

00:39:45,530 --> 00:39:42,000

communication of their own but is there

771

00:39:47,540 --> 00:39:45,540

like all of you will an or a planet

772

00:39:49,630 --> 00:39:47,550

somewhere like where all these races

773

00:39:52,569 --> 00:39:49,640

came from is there a starting point

774

00:39:55,509 --> 00:39:52,579

somewhere way back what do you think

775

00:39:58,329 --> 00:39:55,519

about the compact just the Milky Way

776

00:40:01,539 --> 00:39:58,339

doesn't it begin I mean its immense I

777

00:40:04,150 --> 00:40:01,549

hope and then that Milky Way has to be

778

00:40:05,589 --> 00:40:04,160

included in something else mm-hmm and

779

00:40:06,250 --> 00:40:05,599

that has to be included in something

780

00:40:09,609 --> 00:40:06,260

else

781

00:40:12,640 --> 00:40:09,619

mm-hmm you know it boggles the mind you

782

00:40:14,140 --> 00:40:12,650

know so you know we were kind of

783

00:40:16,779 --> 00:40:14,150

arrogant to think we're the only

784

00:40:19,480 --> 00:40:16,789

intelligence oh yes there's a lot of

785

00:40:22,630 --> 00:40:19,490

arrogance yeah one of the grades had

786

00:40:25,299 --> 00:40:22,640

said there are as many races out there

787

00:40:27,309 --> 00:40:25,309

are stars in the sky what just

788

00:40:30,339 --> 00:40:27,319

statistically that has that will prove

789

00:40:32,519 --> 00:40:30,349

to be true eventually but but is there

790

00:40:40,109 --> 00:40:32,529

one race that claims that they were the

791

00:40:45,160 --> 00:40:40,119

progenitors of them all the Anunnaki

792

00:40:48,029 --> 00:40:45,170

claimed some some credit for that but

793

00:40:52,319 --> 00:40:48,039

not in the way that was written about

794

00:40:55,960 --> 00:40:52,329

you know in some of the literature so

795

00:41:00,849 --> 00:40:55,970

you know they it's become over the years

796

00:41:03,249 --> 00:41:00,859

you know matters of interpretation and

797

00:41:06,069 --> 00:41:03,259

understanding and what they said was

798

00:41:09,460 --> 00:41:06,079

they the Anunnaki said well yes we know

799

00:41:12,220 --> 00:41:09,470

that humans were our children there's

800

00:41:14,140 --> 00:41:12,230

all these stories by such in that we

801  
00:41:16,990 --> 00:41:14,150  
were the slaves the original slaves of

802  
00:41:20,200 --> 00:41:17,000  
the Anunnaki you know going down mining

803  
00:41:22,990 --> 00:41:20,210  
gold for them in Africa oh yeah yeah but

804  
00:41:25,480 --> 00:41:23,000  
the Anunnaki that I contacted and

805  
00:41:27,670 --> 00:41:25,490  
interviewed said now that was just a

806  
00:41:33,269 --> 00:41:27,680  
matter of misunderstanding that the

807  
00:41:37,569 --> 00:41:35,890  
because you feel like every cell I don't

808  
00:41:39,279 --> 00:41:37,579  
know you know like as a human you think

809  
00:41:41,170 --> 00:41:39,289  
that everything has a beginning you

810  
00:41:42,910 --> 00:41:41,180  
think of the big bang and all but that

811  
00:41:46,140 --> 00:41:42,920  
that really hasn't been proven either

812  
00:41:52,420 --> 00:41:46,150  
it's just been it's been speculated

813  
00:41:54,970 --> 00:41:52,430

that's the way it is I'm sorry the the

814

00:42:01,349 --> 00:41:54,980

part that you know really struck home

815

00:42:04,470 --> 00:42:01,359

with me is the arrogance of humanity

816

00:42:06,960 --> 00:42:04,480

I sort of believe that it's because of

817

00:42:09,960 --> 00:42:06,970

the arrogance of many human beings

818

00:42:12,420 --> 00:42:09,970

thinking that they are you know one step

819

00:42:14,849 --> 00:42:12,430

away from God they were created in God's

820

00:42:17,069 --> 00:42:14,859

likeness and and all of that stuff

821

00:42:18,900 --> 00:42:17,079

meaning that there's you know there's

822

00:42:21,239 --> 00:42:18,910

there's the Supreme Being there might be

823

00:42:22,170 --> 00:42:21,249

a few angels floating around and then

824

00:42:25,799 --> 00:42:22,180

there's us

825

00:42:29,519 --> 00:42:25,809

you know there are us the angry Apes

826  
00:42:31,410 --> 00:42:29,529  
with guns the supreme beings and I think

827  
00:42:36,259 --> 00:42:31,420  
it's incredibly arrogant and I also

828  
00:42:42,930 --> 00:42:39,829  
humanity by and large has not accepted

829  
00:42:45,390 --> 00:42:42,940  
the extra-terrestrial or the ultra

830  
00:42:49,529 --> 00:42:45,400  
terrestrial presence what would you say

831  
00:42:51,779 --> 00:42:49,539  
about that I think you're correct we are

832  
00:42:56,089 --> 00:42:51,789  
I mean even though we are an arrogant

833  
00:42:59,009 --> 00:42:56,099  
aggressive species we are humans are

834  
00:43:01,799 --> 00:42:59,019  
wonderfully amazing we as a species are

835  
00:43:05,339 --> 00:43:01,809  
wonderfully amazing and that was

836  
00:43:07,140 --> 00:43:05,349  
acknowledged by the alien races that I

837  
00:43:09,809 --> 00:43:07,150  
interviewed except that they kept saying

838  
00:43:12,150 --> 00:43:09,819

humans are limited humans are limited

839

00:43:14,579 --> 00:43:12,160

not in the respect that we never have

840

00:43:19,410 --> 00:43:14,589

any potential to develop but we haven't

841

00:43:23,279 --> 00:43:19,420

developed that potential yet well it's

842

00:43:26,640 --> 00:43:23,289

that sort of that makes sense because

843

00:43:28,829 --> 00:43:26,650

you know you have tribes that have not

844

00:43:31,170 --> 00:43:28,839

been exposed to today's civilizations

845

00:43:33,569 --> 00:43:31,180

technology and so on and their children

846

00:43:37,739 --> 00:43:33,579

brought here rapidly adjust to it and

847

00:43:40,259 --> 00:43:37,749

come along and so I think one of the

848

00:43:42,239 --> 00:43:40,269

fears that it seems from what I've heard

849

00:43:44,460 --> 00:43:42,249

from various reports from people

850

00:43:47,039 --> 00:43:44,470

contacts with aliens is they're afraid

851  
00:43:49,920 --> 00:43:47,049  
to give us too much at one time that we

852  
00:43:53,190 --> 00:43:49,930  
would not adjust to it we could but it

853  
00:43:56,509 --> 00:43:53,200  
would be too much too soon so I don't

854  
00:43:59,789 --> 00:43:56,519  
know yeah there's a great idea that

855  
00:44:02,849 --> 00:43:59,799  
society is being acclimated to the

856  
00:44:07,380 --> 00:44:02,859  
concept of an alien presence you know

857  
00:44:11,370 --> 00:44:07,390  
with the movies and books and leaks that

858  
00:44:15,150 --> 00:44:11,380  
come out Android and I think currently

859  
00:44:18,300 --> 00:44:15,160  
in our our you know 2015

860  
00:44:20,070 --> 00:44:18,310  
I think that it would be okay if the

861  
00:44:21,990 --> 00:44:20,080  
truth came out

862  
00:44:24,090 --> 00:44:22,000  
the powers-that-be would probably have

863  
00:44:27,450 --> 00:44:24,100

some egg on their face for not having

864

00:44:29,190 --> 00:44:27,460

dealt with it or not admitted it but I'm

865

00:44:30,000 --> 00:44:29,200

sure there would be some spin to cover

866

00:44:35,570 --> 00:44:30,010

that up

867

00:44:43,010 --> 00:44:39,510

you are referencing perhaps Colonel

868

00:44:46,830 --> 00:44:43,020

Alexander and his you know sort of

869

00:44:49,220 --> 00:44:46,840

admissions of the in his book about the

870

00:44:52,230 --> 00:44:49,230

different ways that the government has

871

00:44:54,990 --> 00:44:52,240

acknowledged the the alien presence and

872

00:44:58,260 --> 00:44:55,000

maybe people like I guess it was Bob M

873

00:45:01,880 --> 00:44:58,270

and Eggert down in Southern California

874

00:45:05,850 --> 00:45:01,890

who was contacted by the government to

875

00:45:07,560 --> 00:45:05,860

make a film about the possible alien

876

00:45:09,870 --> 00:45:07,570

presence or something like that and then

877

00:45:11,790 --> 00:45:09,880

it was shown by Disney once and never

878

00:45:15,570 --> 00:45:11,800

shown again is that the kind of thing

879

00:45:19,320 --> 00:45:15,580

that you're referencing I think so I've

880

00:45:22,650 --> 00:45:19,330

been on the fringes of the the USO field

881

00:45:26,250 --> 00:45:22,660

for many years not been a known name in

882

00:45:29,070 --> 00:45:26,260

it and so been privy to a lot of

883

00:45:33,140 --> 00:45:29,080

information that you know I've kept my

884

00:45:37,080 --> 00:45:33,150

ear to the ground and there's an ongoing

885

00:45:39,960 --> 00:45:37,090

thought currently is that disclosure has

886

00:45:42,840 --> 00:45:39,970

already been made yeah it's just a

887

00:45:46,050 --> 00:45:42,850

matter now of you know acknowledging it

888

00:45:49,260 --> 00:45:46,060

and making it happen

889

00:45:54,060 --> 00:45:49,270

yeah that seems to be the current

890

00:45:58,380 --> 00:45:54,070

thought yeah I've written on my blog a

891

00:46:01,860 --> 00:45:58,390

little bit in that direction about how

892

00:46:06,720 --> 00:46:01,870

it was sort of seeing fossils that came

893

00:46:11,790 --> 00:46:06,730

from Mars and investigating the the

894

00:46:14,580 --> 00:46:11,800

comets for possible life and the

895

00:46:17,280 --> 00:46:14,590

panspermia theory of Chandra

896

00:46:19,770 --> 00:46:17,290

Wickramasinghe and and so forth being

897

00:46:22,340 --> 00:46:19,780

like the beginnings of disclosure by

898

00:46:25,080 --> 00:46:22,350

saying oh look there's little germs

899

00:46:26,280 --> 00:46:25,090

living on the far side of the Moon or

900

00:46:27,089 --> 00:46:26,290

something of that nature

901  
00:46:29,210 --> 00:46:27,099  
so

902  
00:46:32,670 --> 00:46:29,220  
you know break it to them gently

903  
00:46:35,789 --> 00:46:32,680  
approach right and new information to

904  
00:46:39,479 --> 00:46:35,799  
leaks all the time like I recently read

905  
00:46:41,940 --> 00:46:39,489  
from someone else that NASA has now just

906  
00:46:46,829 --> 00:46:41,950  
put out some photos that show actually

907  
00:46:50,940 --> 00:46:46,839  
blue pools blue areas that might contain

908  
00:46:53,069 --> 00:46:50,950  
water if I've always thought if the Miss

909  
00:46:57,690 --> 00:46:53,079  
Mars is missing

910  
00:46:59,039 --> 00:46:57,700  
Mars not Moon and Mars is rusty red then

911  
00:47:01,410 --> 00:46:59,049  
at one time there must have been water

912  
00:47:03,960 --> 00:47:01,420  
they must have been oxygen right because

913  
00:47:07,349 --> 00:47:03,970

the iron in the rocks rusts out with

914

00:47:11,039 --> 00:47:07,359

water and oxygen is there still water

915

00:47:14,960 --> 00:47:11,049

and oxygen there and so now there been

916

00:47:18,210 --> 00:47:14,970

these these new leaks now of some actual

917

00:47:21,630 --> 00:47:18,220

possibilities of water being on Mars and

918

00:47:24,029 --> 00:47:21,640

and certainly below the surface it is an

919

00:47:26,069 --> 00:47:24,039

indication that there's water below the

920

00:47:28,710 --> 00:47:26,079

surface what do you think of a Buzz

921

00:47:32,700 --> 00:47:28,720

Aldrin trying to send some people to

922

00:47:37,370 --> 00:47:32,710

Mars for a one-way trip yeah and this I

923

00:47:40,529 --> 00:47:37,380

think is being orchestrated partly by

924

00:47:43,019 --> 00:47:40,539

Robert Bigelow here in North Las Vegas

925

00:47:47,279 --> 00:47:43,029

he has a huge complex out there in North

926  
00:47:49,200 --> 00:47:47,289  
Las Vegas building inflatable pods to go

927  
00:47:51,359 --> 00:47:49,210  
up into space and actually he has

928  
00:47:54,180 --> 00:47:51,369  
launched them already and there was a

929  
00:47:55,739 --> 00:47:54,190  
plan to attach one to the International

930  
00:47:59,370 --> 00:47:55,749  
Space Station I don't know if that's

931  
00:48:01,349 --> 00:47:59,380  
occurred yet and he wants to put these

932  
00:48:05,430 --> 00:48:01,359  
in rotation around the moon and around

933  
00:48:07,799 --> 00:48:05,440  
the earth as sort of floating hotels Wow

934  
00:48:12,239 --> 00:48:07,809  
and I heard recently on the grapevine

935  
00:48:14,759 --> 00:48:12,249  
that he had hired astronauts in Las

936  
00:48:17,609 --> 00:48:14,769  
Vegas that were going to be trained

937  
00:48:19,769 --> 00:48:17,619  
you know perhaps for a Mars mission Wow

938  
00:48:23,009 --> 00:48:19,779

that is fascinating have you been out to

939

00:48:25,680 --> 00:48:23,019

the ranch mm-hmm which records the

940

00:48:28,049 --> 00:48:25,690

skinwalker ranch no no I have not she

941

00:48:31,079 --> 00:48:28,059

been there physically our group did some

942

00:48:35,249 --> 00:48:31,089

remote viewing for George Knapp and that

943

00:48:36,959 --> 00:48:35,259

was included in their book the search

944

00:48:38,430 --> 00:48:36,969

for the skinwalker is something that

945

00:48:39,370 --> 00:48:38,440

it's something of that nature

946

00:48:43,269 --> 00:48:39,380

what were you

947

00:48:45,160 --> 00:48:43,279

because that's a freaky place what we

948

00:48:48,339 --> 00:48:45,170

found was that there was a lot there was

949

00:48:52,960 --> 00:48:48,349

military activity there was a lot of

950

00:48:54,490 --> 00:48:52,970

stuff underground there was a normal is

951  
00:48:56,559 --> 00:48:54,500  
lights in the sky their Christmas was

952  
00:48:58,779 --> 00:48:56,569  
from remote viewers who were given

953  
00:49:00,700 --> 00:48:58,789  
what's called blind targets they didn't

954  
00:49:04,779 --> 00:49:00,710  
know what they were viewing they would

955  
00:49:07,420 --> 00:49:04,789  
just receive an alphanumeric code word

956  
00:49:09,640 --> 00:49:07,430  
code number for the what they were

957  
00:49:11,559 --> 00:49:09,650  
viewing so there was and that

958  
00:49:14,859 --> 00:49:11,569  
information is actually in the search

959  
00:49:16,900 --> 00:49:14,869  
for the skinwalker it's in the chapter

960  
00:49:19,990 --> 00:49:16,910  
coordinate the military you know I've

961  
00:49:21,970 --> 00:49:20,000  
read it and I I must have blanked on

962  
00:49:24,009 --> 00:49:21,980  
that part as you can hear on the bonnet

963  
00:49:28,900 --> 00:49:24,019

yeah drama Chronicles viewing is in

964

00:49:31,150 --> 00:49:28,910

there too so I'm mr. piccolo have you

965

00:49:32,650 --> 00:49:31,160

ever met him personally well I worked

966

00:49:35,170 --> 00:49:32,660

for him for a couple of years when I

967

00:49:38,099 --> 00:49:35,180

first came to Las Vegas but did you meet

968

00:49:41,319 --> 00:49:38,109

him oh yes oh okay all right thank you

969

00:49:43,329 --> 00:49:41,329

okay because so many people mention him

970

00:49:48,849 --> 00:49:43,339

but then they say no I've never met him

971

00:49:51,309 --> 00:49:48,859

so I was glad to know he does exist on a

972

00:49:54,160 --> 00:49:51,319

daily basis okay all right I was there

973

00:50:00,099 --> 00:49:54,170

yeah so he's done some very interesting

974

00:50:02,980 --> 00:50:00,109

research I think he seems to have almost

975

00:50:05,230 --> 00:50:02,990

two interest one financial and one pure

976  
00:50:07,299 --> 00:50:05,240  
research is that about the way you'd sum

977  
00:50:11,680 --> 00:50:07,309  
it up what he started off with the

978  
00:50:14,799 --> 00:50:11,690  
financial you know hotels motel right he

979  
00:50:18,160 --> 00:50:14,809  
would buy up either you know some land

980  
00:50:20,079 --> 00:50:18,170  
or a motel hotel that was going under

981  
00:50:23,680 --> 00:50:20,089  
and put up some throw some money at it

982  
00:50:27,519 --> 00:50:23,690  
and gradually over the years built up

983  
00:50:31,870 --> 00:50:27,529  
quite an investment in hotels and motels

984  
00:50:34,359 --> 00:50:31,880  
over several states so that gave him

985  
00:50:36,249 --> 00:50:34,369  
resources then to go off and do

986  
00:50:38,980 --> 00:50:36,259  
something that he really enjoyed which

987  
00:50:41,140 --> 00:50:38,990  
was the first of all it was the UFO

988  
00:50:43,779 --> 00:50:41,150

field he was very interested in now he's

989

00:50:46,630 --> 00:50:43,789

gone into aerospace and I'm so happy for

990

00:50:49,809 --> 00:50:46,640

him that he's really found a niche where

991

00:50:50,829 --> 00:50:49,819

he can really apply all of his funding

992

00:50:53,140 --> 00:50:50,839

and his interest

993

00:50:56,289 --> 00:50:53,150

quite a fascinating gentleman he

994

00:51:00,059 --> 00:50:56,299

was involved with MUFON for a while and

995

00:51:03,130 --> 00:51:00,069

he supplied the star team with a lot of

996

00:51:05,529 --> 00:51:03,140

interesting and good equipment I would

997

00:51:08,980 --> 00:51:05,539

dearly love to get my hands on a pair of

998

00:51:11,950 --> 00:51:08,990

those fifth-generation night-vision

999

00:51:16,750 --> 00:51:11,960

goggles and binoculars but I think

1000

00:51:18,339 --> 00:51:16,760

they're out of my league he's been

1001  
00:51:21,940 --> 00:51:18,349  
involved with many groups and

1002  
00:51:26,200 --> 00:51:21,950  
organizations seeing as though he's very

1003  
00:51:28,690 --> 00:51:26,210  
mercurial you know and he's very much a

1004  
00:51:32,380 --> 00:51:28,700  
man of his own ideas and his own timing

1005  
00:51:34,450 --> 00:51:32,390  
and if it doesn't match you know then

1006  
00:51:36,160 --> 00:51:34,460  
he's off on to something else so it's

1007  
00:51:38,680 --> 00:51:36,170  
why I said I'm very glad now that he's

1008  
00:51:41,230 --> 00:51:38,690  
found something that really captures all

1009  
00:51:45,430 --> 00:51:41,240  
his interest have you been involved

1010  
00:51:48,160 --> 00:51:45,440  
recently in any remote viewing projects

1011  
00:51:51,220 --> 00:51:48,170  
the of a commercial sort or a police

1012  
00:51:53,730 --> 00:51:51,230  
matter sort recently oh all the time I

1013  
00:51:58,359 --> 00:51:53,740

never know what's coming across my desk

1014

00:52:01,059 --> 00:51:58,369

yeah up until 2012 I was working mainly

1015

00:52:04,480 --> 00:52:01,069

for one businessman I worked with him

1016

00:52:07,210 --> 00:52:04,490

for nine years and we did a lot of

1017

00:52:09,819 --> 00:52:07,220

business type remote viewing including

1018

00:52:12,339 --> 00:52:09,829

going off target sometimes I'm doing

1019

00:52:18,099 --> 00:52:12,349

like the alien interviews and some work

1020

00:52:21,760 --> 00:52:18,109

on the Egyptian historical artifact but

1021

00:52:24,160 --> 00:52:21,770

then you know I'm currently writing up a

1022

00:52:27,250 --> 00:52:24,170

book 30 years of remote viewing cases

1023

00:52:30,190 --> 00:52:27,260

cool and I'm hired all the time for

1024

00:52:31,900 --> 00:52:30,200

different projects ranging from looking

1025

00:52:33,309 --> 00:52:31,910

yeah by physicists working with

1026

00:52:36,309 --> 00:52:33,319

physicists looking at subatomic

1027

00:52:39,339 --> 00:52:36,319

particles all the way up to the rings of

1028

00:52:41,049 --> 00:52:39,349

Saturn and exhale biology stuff

1029

00:52:42,910 --> 00:52:41,059

yes that's fascinating really

1030

00:52:44,950 --> 00:52:42,920

fascinating how when you mentioned the

1031

00:52:48,250 --> 00:52:44,960

Egyptian stuff were you working with

1032

00:52:50,200 --> 00:52:48,260

Stephen Schwartz no no these are some

1033

00:52:53,440 --> 00:52:50,210

questions that my client had about the

1034

00:52:56,740 --> 00:52:53,450

Sphinx ah and the history of the Sphinx

1035

00:52:58,690 --> 00:52:56,750

and how did it come about and what were

1036

00:53:03,099 --> 00:52:58,700

discovered from looking back with remote

1037

00:53:06,460 --> 00:53:03,109

viewing was that the original idea was

1038

00:53:08,530 --> 00:53:06,470

of lions that lived in the desert

1039

00:53:10,810 --> 00:53:08,540

and they would sit upon these what

1040

00:53:12,490 --> 00:53:10,820

record cop geez I think I'm not quite

1041

00:53:16,570 --> 00:53:12,500

sure how they're pronounced rocky

1042

00:53:19,180 --> 00:53:16,580

outcrops in Hazzard and they became data

1043

00:53:23,190 --> 00:53:19,190

deified you know they were worshipped

1044

00:53:25,270 --> 00:53:23,200

and because they were very dangerous and

1045

00:53:27,790 --> 00:53:25,280

you know they had to be treated with

1046

00:53:31,390 --> 00:53:27,800

respect and from that then the whole

1047

00:53:34,480 --> 00:53:31,400

lineage of sphinxes came came down to

1048

00:53:37,630 --> 00:53:34,490

carving of them and that there are many

1049

00:53:39,370 --> 00:53:37,640

singers out there in the desert that

1050

00:53:41,830 --> 00:53:39,380

have been covered up by sand and they

1051  
00:53:44,349 --> 00:53:41,840  
will eventually be uncovered so I'm just

1052  
00:53:46,540 --> 00:53:44,359  
waiting to hear the news wow that's

1053  
00:53:49,390 --> 00:53:46,550  
that's very exciting have you been to

1054  
00:53:51,160 --> 00:53:49,400  
Egypt I haven't I would love to one day

1055  
00:53:52,930 --> 00:53:51,170  
it's a wonderful place it was a

1056  
00:53:55,630 --> 00:53:52,940  
wonderful place I don't think I'd be

1057  
00:53:57,849 --> 00:53:55,640  
going back in this timeframe but I've

1058  
00:54:00,550 --> 00:53:57,859  
been there quite a few times and have

1059  
00:54:02,290 --> 00:54:00,560  
been to the antiquities and because I go

1060  
00:54:05,349 --> 00:54:02,300  
in search of the energy of ancient

1061  
00:54:09,040 --> 00:54:05,359  
places you know so yeah that was part of

1062  
00:54:10,320 --> 00:54:09,050  
all of that I have another question for

1063  
00:54:14,310 --> 00:54:10,330

you

1064

00:54:18,510 --> 00:54:14,320

remote viewing versus remote influencing

1065

00:54:21,460 --> 00:54:18,520

what's your take on remote influencing

1066

00:54:24,060 --> 00:54:21,470

they're two sides of the same coin the

1067

00:54:27,609 --> 00:54:24,070

remote influence remote viewing is

1068

00:54:29,680 --> 00:54:27,619

receiving information remote influence

1069

00:54:33,490 --> 00:54:29,690

or remote action is putting out

1070

00:54:35,440 --> 00:54:33,500

information and energy and we do it all

1071

00:54:37,960 --> 00:54:35,450

the time if we're you know putting out

1072

00:54:40,410 --> 00:54:37,970

proba for healing we social pray for you

1073

00:54:43,690 --> 00:54:40,420

or send you energy you're doing remote

1074

00:54:45,970 --> 00:54:43,700

energy remote action or remote influence

1075

00:54:49,660 --> 00:54:45,980

and it has its negative side and its

1076

00:54:54,910 --> 00:54:49,670

positive side the positive side is for

1077

00:54:57,579 --> 00:54:54,920

healing for intention for you know all

1078

00:55:01,510 --> 00:54:57,589

the positive stuff or the light but

1079

00:55:04,480 --> 00:55:01,520

there is a dark side to it and that is

1080

00:55:08,200 --> 00:55:04,490

little little known about it but you

1081

00:55:12,130 --> 00:55:08,210

know with hexes and hoodoo and people

1082

00:55:13,720 --> 00:55:12,140

using it for negative intent so with

1083

00:55:18,370 --> 00:55:13,730

everything there's a positive and

1084

00:55:19,880 --> 00:55:18,380

negative okay just to get back to

1085

00:55:22,039 --> 00:55:19,890

antiquities again

1086

00:55:25,210 --> 00:55:22,049

have you ever been asked about Atlantis

1087

00:55:28,069 --> 00:55:25,220

that's sort of a old interest of mine

1088

00:55:31,039 --> 00:55:28,079

yep I did quite a bit of viewing on that

1089

00:55:32,720 --> 00:55:31,049

for my nine year clients my business

1090

00:55:36,049 --> 00:55:32,730

client one of the ventures that we

1091

00:55:40,700 --> 00:55:36,059

ventured out from business RV for awhile

1092

00:55:45,950 --> 00:55:40,710

and he has me remote view individuals

1093

00:55:48,710 --> 00:55:45,960

and also the the location and you know

1094

00:55:52,069 --> 00:55:48,720

their energy you know that project

1095

00:55:54,200 --> 00:55:52,079

energy production so I've got all that

1096

00:56:00,140 --> 00:55:54,210

in my files at some point I'll put that

1097

00:56:02,720 --> 00:56:00,150

into a book form or a manuscript we had

1098

00:56:07,910 --> 00:56:02,730

a guest on the show once that John

1099

00:56:10,849 --> 00:56:07,920

Spencer I believe and he actually he

1100

00:56:14,329 --> 00:56:10,859

came about it and uh he was a Civil War

1101

00:56:17,210 --> 00:56:14,339

buff and a man with some money and sent

1102

00:56:19,430 --> 00:56:17,220

and started to photograph the eastern

1103

00:56:22,069 --> 00:56:19,440

seaboard the United States to find old

1104

00:56:25,099 --> 00:56:22,079

Civil War battlefields and and said

1105

00:56:27,789 --> 00:56:25,109

instead found a series of piers and

1106

00:56:30,529 --> 00:56:27,799

harbors all along the eastern seaboard

1107

00:56:32,630 --> 00:56:30,539

and then he followed those through and

1108

00:56:35,450 --> 00:56:32,640

without make just making a long story

1109

00:56:39,049 --> 00:56:35,460

short I sort of found similar things on

1110

00:56:40,670 --> 00:56:39,059

the western seaboard of Europe and felt

1111

00:56:43,759 --> 00:56:40,680

that perhaps in between was a

1112

00:56:45,920 --> 00:56:43,769

centralized civilization seafaring

1113

00:56:47,960 --> 00:56:45,930

civilization that he thought may have

1114

00:56:53,029 --> 00:56:47,970

been Atlantis so I was wondering if you

1115

00:56:55,279 --> 00:56:53,039

would agree with it I don't know I did

1116

00:56:58,249 --> 00:56:55,289

do some fad tried to produce a

1117

00:57:00,740 --> 00:56:58,259

fact-finding for my client and ten

1118

00:57:04,579 --> 00:57:00,750

pointed a half-dozen areas around the

1119

00:57:06,710 --> 00:57:04,589

the earth that people speculated you

1120

00:57:09,559 --> 00:57:06,720

know where that lantus was and it's

1121

00:57:13,430 --> 00:57:09,569

really speculation at this point yeah

1122

00:57:16,569 --> 00:57:13,440

and what's interesting is all the P all

1123

00:57:21,200 --> 00:57:16,579

the ancient groups up and down the

1124

00:57:23,990 --> 00:57:21,210

European seaboard there on the west you

1125

00:57:25,640 --> 00:57:24,000

got the count they Celts and Scot

1126  
00:57:29,960 --> 00:57:25,650  
you know the Gallic up and Scotland the

1127  
00:57:34,010 --> 00:57:29,970  
Celts and Wales the the Basque the

1128  
00:57:36,920 --> 00:57:34,020  
Cornish people all spoke a very soon

1129  
00:57:40,970 --> 00:57:36,930  
unknown language the rest didn't

1130  
00:57:45,500 --> 00:57:40,980  
understand and there was a speculation

1131  
00:57:49,310 --> 00:57:45,510  
that it came from a seafaring people so

1132  
00:57:52,280 --> 00:57:49,320  
there are lots of clumps of locations up

1133  
00:57:54,260 --> 00:57:52,290  
and down that seaboard that have the

1134  
00:57:57,050 --> 00:57:54,270  
customs and language and the languages

1135  
00:58:01,070 --> 00:57:57,060  
are gradually dying out particularly the

1136  
00:58:03,230 --> 00:58:01,080  
Basque and Cornish but of course the

1137  
00:58:09,020 --> 00:58:03,240  
Gallic and the Welsh are still pretty

1138  
00:58:11,840 --> 00:58:09,030

strong the last living speaker of Manx

1139

00:58:14,270 --> 00:58:11,850

died in the 20th century you know the

1140

00:58:17,720 --> 00:58:14,280

first the last person who was born

1141

00:58:19,460 --> 00:58:17,730

speaking Manx he died back I don't know

1142

00:58:22,580 --> 00:58:19,470

in the 40s or something like that they

1143

00:58:26,000 --> 00:58:22,590

still have some preservation of that

1144

00:58:28,100 --> 00:58:26,010

language but nobody is any longer born

1145

00:58:30,260 --> 00:58:28,110

speaking Manx apparently and I guess

1146

00:58:34,100 --> 00:58:30,270

that's one of the languages isn't it yes

1147

00:58:36,740 --> 00:58:34,110

yeah languages now whether they came

1148

00:58:39,440 --> 00:58:36,750

from Atlantis or some other similar

1149

00:58:42,020 --> 00:58:39,450

groups we don't know and and these are

1150

00:58:45,920 --> 00:58:42,030

the peoples who have built the stone

1151

00:58:53,480 --> 00:58:45,930

circles I've been down the the western

1152

00:58:58,040 --> 00:58:53,490

coast of Europe France and well you grew

1153

00:59:00,410 --> 00:58:58,050

up near stonehenge too and i was i I did

1154

00:59:03,050 --> 00:59:00,420

visit there I didn't get any particular

1155

00:59:05,080 --> 00:59:03,060

feelings about it though I you know I'm

1156

00:59:08,210 --> 00:59:05,090

sort of a clod when it comes

1157

00:59:09,110 --> 00:59:08,220

thanks I thought yeah looks good but

1158

00:59:10,910 --> 00:59:09,120

that's about it

1159

00:59:18,860 --> 00:59:10,920

I remember the pea soup they were

1160

00:59:22,460 --> 00:59:18,870

selling but I'm sorry go ahead

1161

00:59:26,780 --> 00:59:22,470

know your interpretation on yeah I got

1162

00:59:29,210 --> 00:59:26,790

more feelings from Avebury yeah it's a

1163

00:59:31,520 --> 00:59:29,220

kid we need my mum and dad used to take

1164

00:59:34,160 --> 00:59:31,530

us out to Stonehenge it was not fenced

1165

00:59:36,080 --> 00:59:34,170

in at that time it was just open on the

1166

00:59:39,110 --> 00:59:36,090

plains and we should go and eat jam

1167

00:59:42,560 --> 00:59:39,120

sandwiches and tea and have a picnic

1168

00:59:44,780 --> 00:59:42,570

there and play on the stones and you

1169

00:59:46,260 --> 00:59:44,790

know get some tea out from a little tea

1170

00:59:49,770 --> 00:59:46,270

hat that was there

1171

00:59:51,990 --> 00:59:49,780

and so growing up with it there I really

1172

00:59:52,940 --> 00:59:52,000

didn't know the significance of it until

1173

00:59:55,380 --> 00:59:52,950

I was older

1174

00:59:57,810 --> 00:59:55,390

that's marvelous what a marvelous

1175

01:00:01,230 --> 00:59:57,820

childhood I've been over a number of

1176

01:00:04,890 --> 01:00:01,240

times in search of stone circles in and

1177

01:00:08,010 --> 01:00:04,900

a kromm licks and I can't think of in

1178

01:00:11,690 --> 01:00:08,020

the almonds all over the British Isles

1179

01:00:15,270 --> 01:00:11,700

up into Ireland as well and just

1180

01:00:19,080 --> 01:00:15,280

wonderful wonderful energy and even have

1181

01:00:20,970 --> 01:00:19,090

taken some photos with you know I I

1182

01:00:24,630 --> 01:00:20,980

don't want to say orbs because they're

1183

01:00:26,700 --> 01:00:24,640

not the typical orbs but light a light

1184

01:00:31,109 --> 01:00:26,710

fluctuations that shouldn't have been

1185

01:00:34,080 --> 01:00:31,119

there let's say yes yeah I adore the the

1186

01:00:36,540 --> 01:00:34,090

stone circles I adore them so when you

1187

01:00:39,470 --> 01:00:36,550

sort of did remote viewing about them

1188

01:00:44,000 --> 01:00:39,480

did you have any perceptions of ancient

1189

01:00:48,060 --> 01:00:44,010

peoples or anything along those lines

1190

01:00:49,070 --> 01:00:48,070

when viewing of Atlantis no I'm sorry

1191

01:00:52,080 --> 01:00:49,080

Stonehenge

1192

01:00:53,640 --> 01:00:52,090

I never I really remote viewed

1193

01:00:57,420 --> 01:00:53,650

Stonehenge

1194

01:00:59,400 --> 01:00:57,430

I've had some intuitive insights about

1195

01:01:01,980 --> 01:00:59,410

it that at one time it was a huge

1196

01:01:03,630 --> 01:01:01,990

marketplace uh-huh that people would

1197

01:01:06,450 --> 01:01:03,640

come out you know a couple of times a

1198

01:01:10,590 --> 01:01:06,460

year sort of spring and autumn with with

1199

01:01:13,320 --> 01:01:10,600

all their cattle and produce and you

1200

01:01:16,170 --> 01:01:13,330

know salad offs and they've now found

1201

01:01:17,880 --> 01:01:16,180

that there's a settlement nearby hmm

1202

01:01:19,950 --> 01:01:17,890

that they uncovered there's a lot of

1203

01:01:23,370 --> 01:01:19,960

excavation going on now but a mile away

1204

01:01:25,080 --> 01:01:23,380

from Stonehenge but that's so funny that

1205

01:01:30,630 --> 01:01:25,090

you never remote whew that and I've

1206

01:01:35,700 --> 01:01:30,640

never visited the have you been up to

1207

01:01:39,090 --> 01:01:35,710

the Orkneys by chance no but every year

1208

01:01:42,780 --> 01:01:39,100

a couple of years I go up to Loch Lomond

1209

01:01:45,240 --> 01:01:42,790

ah and I have some friends there and I

1210

01:01:46,740 --> 01:01:45,250

go and teach and they get some students

1211

01:01:49,260 --> 01:01:46,750

together I go up there and teach remote

1212

01:01:52,740 --> 01:01:49,270

viewing wonderful hide behind their

1213

01:01:55,230 --> 01:01:52,750

house is a hill and it overlooks Loch

1214

01:01:58,020 --> 01:01:55,240

Lomond it's a pond of on the rise of

1215

01:01:58,720 --> 01:01:58,030

land and there's a wonderful big burial

1216

01:02:01,090 --> 01:01:58,730

mound

1217

01:02:04,450 --> 01:02:01,100

and you go further up through the woods

1218

01:02:08,620 --> 01:02:04,460

you get to these ancient ancient burial

1219

01:02:11,650 --> 01:02:08,630

cysts these stone boxes basically in the

1220

01:02:14,440 --> 01:02:11,660

ground that are incredibly ancient and I

1221

01:02:18,130 --> 01:02:14,450

get a great feeling from them you know

1222

01:02:21,730 --> 01:02:18,140

the antiquity and mystery well so you've

1223

01:02:26,770 --> 01:02:21,740

had an incredibly interesting varied

1224

01:02:31,270 --> 01:02:26,780

life a progression through the psychic

1225

01:02:33,520 --> 01:02:31,280

or it's a few little and and and what is

1226

01:02:35,740 --> 01:02:33,530

what's coming up for Angela Thompson

1227

01:02:40,359 --> 01:02:35,750

Smith oh let's see

1228

01:02:45,070 --> 01:02:40,369

well I'm going up to Canada in May to

1229

01:02:48,490 --> 01:02:45,080

teach in Toronto and going out to

1230

01:02:52,330 --> 01:02:48,500

Arizona later this month to meet up with

1231

01:02:56,650 --> 01:02:52,340

a UFO group a small group that's going

1232

01:02:58,390 --> 01:02:56,660

to do some exploration and June we have

1233

01:03:00,910 --> 01:02:58,400

the remote viewing conference the earth

1234

01:03:02,859 --> 01:03:00,920

a conference Oh will you be there yes

1235

01:03:04,810 --> 01:03:02,869

I'm going actually going to be giving a

1236

01:03:08,500 --> 01:03:04,820

presentation well perhaps I'll see you

1237

01:03:11,410 --> 01:03:08,510

there yeah in New Orleans yes yes yes

1238

01:03:13,500 --> 01:03:11,420

I'm going to talk about using remote

1239

01:03:18,790 --> 01:03:13,510

viewing a freaky manatorian work and

1240

01:03:22,720 --> 01:03:18,800

talking about a case that's about it but

1241

01:03:24,430 --> 01:03:22,730

I you know my my life is flexible and I

1242

01:03:27,760 --> 01:03:24,440

have all sorts of opportunities come

1243

01:03:30,400 --> 01:03:27,770

along well that's wonderful and I feel

1244

01:03:33,790 --> 01:03:30,410

that the opportunities do come if you

1245

01:03:35,500 --> 01:03:33,800

visualize them and I try to be careful

1246

01:03:37,590 --> 01:03:35,510

with what I visualize because you can

1247

01:03:41,640 --> 01:03:37,600

only take so much on your plate at once

1248

01:03:45,340 --> 01:03:41,650

yeah well when when my nine-year clients

1249

01:03:47,170 --> 01:03:45,350

we finished our contract I had to make a

1250

01:03:49,930 --> 01:03:47,180

decision you know what am I gonna do now

1251

01:03:52,000 --> 01:03:49,940

so still getting in other small projects

1252

01:03:53,950 --> 01:03:52,010

and teaching but as I made a decision

1253

01:03:56,980 --> 01:03:53,960

anything comes across my desk

1254

01:04:02,470 --> 01:03:56,990

that's not a moral unethical or illegal

1255

01:04:06,280 --> 01:04:02,480

I thank you for taking on this project

1256

01:04:08,470 --> 01:04:06,290

and we're going to say goodbye now but

1257

01:04:09,980 --> 01:04:08,480

we hope that you will join us again

1258

01:04:13,700 --> 01:04:09,990

sometime

1259

01:04:16,340 --> 01:04:13,710

and it's been a pleasure yeah absolutely

1260

01:04:18,740 --> 01:04:16,350

and although I don't Remote View or

1261

01:04:20,270 --> 01:04:18,750

ahold of body I feel I'm quite certain

1262
