

1
00:00:00,000 --> 00:00:16,670

Wow

2
00:00:23,749 --> 00:00:20,160

welcome to shattered reality with their

3
00:00:26,970 --> 00:00:23,759

hosts kate valentine and Farrugia

4
00:00:31,769 --> 00:00:26,980

prepare to head her paradigms shifted in

5
00:00:34,139 --> 00:00:31,779

the truth questioned and now shattered

6
00:00:36,930 --> 00:00:34,149

reality hi and welcome to shattered

7
00:00:39,360 --> 00:00:36,940

reality I am Kate Valentine and I am

8
00:00:42,390 --> 00:00:39,370

Farrugia how are you today dear

9
00:00:45,840 --> 00:00:42,400

listeners it's a beautiful autumn day

10
00:00:49,310 --> 00:00:45,850

and we have a wonderful guest today as

11
00:00:52,410 --> 00:00:49,320

well but before we introduce our guest

12
00:00:55,560 --> 00:00:52,420

we're here to say that we're going to be

13
00:00:57,990 --> 00:00:55,570

making an effort to come on the air a

14

00:01:00,900 --> 00:00:58,000

little bit more often we were on our

15

00:01:03,420 --> 00:01:00,910

summer schedules so we had like one

16

00:01:07,230 --> 00:01:03,430

podcast a month but now we're going to

17

00:01:10,200 --> 00:01:07,240

up the ante to at least two so with that

18

00:01:13,770 --> 00:01:10,210

said I also would like to mention that

19

00:01:18,149 --> 00:01:13,780

we are putting all our podcasts up on

20

00:01:20,370 --> 00:01:18,159

YouTube and so we're excited about that

21

00:01:24,120 --> 00:01:20,380

so that just gives you all another way

22

00:01:27,779 --> 00:01:24,130

to listen to shattered reality podcast

23

00:01:33,389 --> 00:01:27,789

and now I want to introduce a gentleman

24

00:01:38,010 --> 00:01:33,399

who is a multiple e published author his

25

00:01:41,999 --> 00:01:38,020

name is Ron felber and he has written a

26

00:01:43,679 --> 00:01:42,009

variety of different books previous to

27

00:01:46,739 --> 00:01:43,689

this the book that we're going to be

28

00:01:49,980 --> 00:01:46,749

talking about today is called the Mojave

29

00:01:54,449 --> 00:01:49,990

incident it's inspired by a chilling

30

00:01:58,099 --> 00:01:54,459

story of alien abduction now Ron are you

31

00:02:03,359 --> 00:01:58,109

there yes I am oh that's wonderful um I

32

00:02:07,800 --> 00:02:03,369

understand that you met the people who

33

00:02:10,710 --> 00:02:07,810

were abducted threw a friend out in

34

00:02:13,559 --> 00:02:10,720

California is that the case yeah as a

35

00:02:15,660 --> 00:02:13,569

matter of fact you know it's probably an

36

00:02:16,400 --> 00:02:15,670

interesting story and maybe to your

37

00:02:18,710 --> 00:02:16,410

listeners

38

00:02:22,100 --> 00:02:18,720

it's of interest because really the

39

00:02:25,310 --> 00:02:22,110

whole topic of alien abductions UFOs etc

40

00:02:28,130 --> 00:02:25,320

was not something I did I was CEO of at

41

00:02:31,250 --> 00:02:28,140

the time of a of an industrial chemical

42

00:02:33,440 --> 00:02:31,260

company and one of the people that work

43

00:02:35,450 --> 00:02:33,450

for me as a sales representative in

44

00:02:39,400 --> 00:02:35,460

California and I was in the New York

45

00:02:42,230 --> 00:02:39,410

area we got to be very good friend and

46

00:02:44,690 --> 00:02:42,240

over a drink one night knowing that I

47

00:02:48,140 --> 00:02:44,700

was writer and that I've been writing

48

00:02:50,060 --> 00:02:48,150

for many many years suggested I meet a

49

00:02:52,370 --> 00:02:50,070

friend of his that he went to college

50

00:02:55,130 --> 00:02:52,380

with and played college football with

51
00:02:58,220 --> 00:02:55,140
was an all-state football player and

52
00:03:00,380 --> 00:02:58,230
have had an alien abduction experience

53
00:03:03,200 --> 00:03:00,390
so when he mentioned that to me I said

54
00:03:07,280 --> 00:03:03,210
well you know I you know I do true life

55
00:03:09,080 --> 00:03:07,290
things i do nonfiction i do some

56
00:03:11,390 --> 00:03:09,090
suspense thrillers and things of that

57
00:03:14,420 --> 00:03:11,400
nature I really this just isn't what I

58
00:03:17,330 --> 00:03:14,430
do so he said this story is so

59
00:03:19,040 --> 00:03:17,340
unbelievable that I think you have to

60
00:03:22,250 --> 00:03:19,050
meet these people they don't want to

61
00:03:25,820 --> 00:03:22,260
tell it they really kept it inside them

62
00:03:27,590 --> 00:03:25,830
for for a long time but I think would be

63
00:03:30,500 --> 00:03:27,600

good for them and I think would be good

64

00:03:32,270 --> 00:03:30,510

for you if you met so neither one of us

65

00:03:35,570 --> 00:03:32,280

really had any great interest in doing

66

00:03:40,130 --> 00:03:35,580

this story then because to them it was

67

00:03:42,650 --> 00:03:40,140

like a dark dark secret that that they

68

00:03:44,630 --> 00:03:42,660

held inside you know like nuclear waste

69

00:03:46,520 --> 00:03:44,640

or something now this was nineteen

70

00:03:51,080 --> 00:03:46,530

eighty nine if I'm correct that's

71

00:03:52,760 --> 00:03:51,090

correct and so I met them and it was

72

00:03:57,890 --> 00:03:52,770

more than you know just a meeting I mean

73

00:04:04,040 --> 00:03:57,900

we spent a long period of time and I was

74

00:04:05,870 --> 00:04:04,050

so so blown away by the story itself and

75

00:04:08,990 --> 00:04:05,880

by the credibility of these people here

76
00:04:12,440 --> 00:04:09,000
were two college graduates young family

77
00:04:16,340 --> 00:04:12,450
young professionals two kids third one

78
00:04:19,250 --> 00:04:16,350
on the way the last thing in their life

79
00:04:23,690 --> 00:04:19,260
that they needed was an alien abduction

80
00:04:25,400 --> 00:04:23,700
story and it happened so often and

81
00:04:27,650 --> 00:04:25,410
you're quite right when you described it

82
00:04:29,690 --> 00:04:27,660
as unbelievable because when these

83
00:04:31,910 --> 00:04:29,700
events occur all

84
00:04:35,120 --> 00:04:31,920
everybody believes the people that

85
00:04:38,030 --> 00:04:35,130
relate them it is indeed unbelievable

86
00:04:39,950 --> 00:04:38,040
it's just so out of the ordinary and it

87
00:04:43,060 --> 00:04:39,960
you know just as the title of the show

88
00:04:47,630 --> 00:04:43,070

suggest it shatters your reality it

89

00:04:49,220 --> 00:04:47,640

really just is unbelievable and yet it

90

00:04:51,770 --> 00:04:49,230

happens and it happens to some people

91

00:04:54,860 --> 00:04:51,780

that are otherwise very nice and very

92

00:04:57,350 --> 00:04:54,870

normal and it's nice of you to have

93

00:05:01,970 --> 00:04:57,360

helped them through this situation well

94

00:05:07,790 --> 00:05:01,980

you know I actually not nice is correct

95

00:05:12,020 --> 00:05:07,800

of a nice guy but this story was so it

96

00:05:15,290 --> 00:05:12,030

in my face and at the end of this this

97

00:05:17,900 --> 00:05:15,300

was not a like oh you know if you look

98

00:05:20,480 --> 00:05:17,910

at a Betty and Barney Hill story from

99

00:05:22,490 --> 00:05:20,490

the 60s where you know okay I but

100

00:05:24,830 --> 00:05:22,500

Hopkins or whoever retrogressive them

101
00:05:28,010 --> 00:05:24,840
and they recapture experiences this was

102
00:05:31,310 --> 00:05:28,020
eight hours of two individuals in a

103
00:05:32,900 --> 00:05:31,320
conscious experience and then four hours

104
00:05:36,440 --> 00:05:32,910
that were recovered through

105
00:05:39,590 --> 00:05:36,450
retrogressive hypnosis later so this was

106
00:05:41,420 --> 00:05:39,600
more like like a show where like you're

107
00:05:43,550 --> 00:05:41,430
looking in the audience and somebody

108
00:05:47,920 --> 00:05:43,560
removes the curtain and all of a sudden

109
00:05:51,080 --> 00:05:47,930
you see a total alternate reality now

110
00:05:53,540 --> 00:05:51,090
Ron I'm going to skip slightly ahead I

111
00:05:56,540 --> 00:05:53,550
do what I would like you to recapitulate

112
00:05:59,390 --> 00:05:56,550
a little bit of the story but skipping

113
00:06:02,570 --> 00:05:59,400

just a moment ahead you did have to

114

00:06:07,280 --> 00:06:02,580

recognize people in the field of

115

00:06:09,890 --> 00:06:07,290

psychiatry examine this couple and one

116

00:06:12,770 --> 00:06:09,900

of them gave them a clean bill of mental

117

00:06:17,390 --> 00:06:12,780

health and the other one basically um

118

00:06:19,820 --> 00:06:17,400

did a this regression of the missing for

119

00:06:21,470 --> 00:06:19,830

hours correct that's correct as a matter

120

00:06:23,960 --> 00:06:21,480

of fact I could hire I'm a graduate of

121

00:06:25,790 --> 00:06:23,970

Georgetown University in Washington DC

122

00:06:29,150 --> 00:06:25,800

and one of the fellows I went to school

123

00:06:31,790 --> 00:06:29,160

with was a Barnard vittone who is now

124

00:06:34,430 --> 00:06:31,800

director of the net was then and is now

125

00:06:37,660 --> 00:06:34,440

a director of the National Center for

126
00:06:41,540 --> 00:06:37,670
psychiatric disorders in Washington DC

127
00:06:43,010 --> 00:06:41,550
the other doctor was William anixter who

128
00:06:44,779 --> 00:06:43,020
is from the mountains

129
00:06:47,439 --> 00:06:44,789
theatrics enter in Asheville North

130
00:06:51,710 --> 00:06:47,449
Carolina who worked a lot with the FBI

131
00:06:55,460 --> 00:06:51,720
to recapture traumatic experiences that

132
00:06:57,260 --> 00:06:55,470
were buried you know inside people let's

133
00:06:59,659 --> 00:06:57,270
say a terrorist attack or this or that

134
00:07:01,939 --> 00:06:59,669
something traumatic where they may have

135
00:07:03,740 --> 00:07:01,949
seen a face or whatever and so they

136
00:07:07,909 --> 00:07:03,750
retrogressed them to try to get them to

137
00:07:11,240 --> 00:07:07,919
recall you know the the setting so for

138
00:07:14,149 --> 00:07:11,250

evidential reasons so these were two you

139

00:07:16,309 --> 00:07:14,159

know very substantial people in their

140

00:07:18,559 --> 00:07:16,319

field serious professional sites say

141

00:07:21,409 --> 00:07:18,569

yeah and returned to the field really

142

00:07:24,800 --> 00:07:21,419

its own said highly unusual traumatizing

143

00:07:28,040 --> 00:07:24,810

events outside the realm of normal human

144

00:07:30,770 --> 00:07:28,050

experience anixter said the most

145

00:07:34,610 --> 00:07:30,780

compelling case of its kind I have ever

146

00:07:37,839 --> 00:07:34,620

encountered Wow and he's and he out his

147

00:07:40,580 --> 00:07:37,849

cases would involve war victims too

148

00:07:43,520 --> 00:07:40,590

exactly Wow no you gotta understand

149

00:07:46,999 --> 00:07:43,530

these are like guys with sloppy pants

150

00:07:50,899 --> 00:07:47,009

and brown shoes they're not you know

151

00:07:52,969 --> 00:07:50,909

these are very academic kind of people

152

00:07:56,990 --> 00:07:52,979

uh-huh so when a guy like William

153

00:08:01,120 --> 00:07:57,000

anixter says you know who's like a bland

154

00:08:05,180 --> 00:08:01,130

fellow jeez Mark of Athena a student of

155

00:08:07,879 --> 00:08:05,190

human nature what he says I say to him

156

00:08:09,430 --> 00:08:07,889

so what do you think happen here's you

157

00:08:13,969 --> 00:08:09,440

know I've examined all the possibilities

158

00:08:16,279 --> 00:08:13,979

drugs hallucinations of botulism you

159

00:08:18,320 --> 00:08:16,289

know peyote whatever it could have

160

00:08:21,559 --> 00:08:18,330

happened by mistake or on purpose or

161

00:08:24,019 --> 00:08:21,569

whatever you guys at the end of it my

162

00:08:27,170 --> 00:08:24,029

conclusion is that what they say happen

163

00:08:30,110 --> 00:08:27,180

to them is what happens wow that is that

164

00:08:33,949 --> 00:08:30,120

is intense do you want to just um give

165

00:08:36,589 --> 00:08:33,959

us a short us synopsis of the story so

166

00:08:39,350 --> 00:08:36,599

that people will be extremely interested

167

00:08:41,750 --> 00:08:39,360

in run right out and buy your book book

168

00:08:44,690 --> 00:08:41,760

is the Mojave incident of course by

169

00:08:47,329 --> 00:08:44,700

Felber it it goes into much greater

170

00:08:50,600 --> 00:08:47,339

detail I'm sure then what you're going

171

00:08:53,620 --> 00:08:50,610

to relate to us right now but this is 0

172

00:08:56,610 --> 00:08:53,630

this really is a chilling story it

173

00:08:59,670 --> 00:08:56,620

absolute I I mean I

174

00:09:01,530 --> 00:08:59,680

leave you i believe the book I it's hard

175

00:09:04,050 --> 00:09:01,540

to imagine that something like this

176

00:09:07,710 --> 00:09:04,060

could have happened to somebody you know

177

00:09:11,280 --> 00:09:07,720

I said when I first when I first heard

178

00:09:13,560 --> 00:09:11,290

it and I'm you know I'm a business guy

179

00:09:17,310 --> 00:09:13,570

that business guy chemist you my back

180

00:09:21,510 --> 00:09:17,320

background is not UFOs I promise hmm but

181

00:09:24,750 --> 00:09:21,520

at the end when you meet these people

182

00:09:27,150 --> 00:09:24,760

and when you see that petone said these

183

00:09:28,950 --> 00:09:27,160

are like POWs these were people that had

184

00:09:31,590 --> 00:09:28,960

sexual dysfunction these were people

185

00:09:34,500 --> 00:09:31,600

that had chronic insomnia these were

186

00:09:36,780 --> 00:09:34,510

like people that came back from Hanoi or

187

00:09:39,660 --> 00:09:36,790

something after being you know in a

188

00:09:41,820 --> 00:09:39,670

prisoner of war camp 34 for a number of

189

00:09:44,400 --> 00:09:41,830

months or years that were really

190

00:09:48,870 --> 00:09:44,410

dysfunctional and rattled to the court

191

00:09:50,250 --> 00:09:48,880

huh yeah well I a view before we're

192

00:09:53,040 --> 00:09:50,260

going to get right into your your

193

00:09:57,060 --> 00:09:53,050

recapitulation but um have you ever had

194

00:09:59,760 --> 00:09:57,070

any UFO experiences yourself like might

195

00:10:02,370 --> 00:09:59,770

it be something such as simple as seeing

196

00:10:05,070 --> 00:10:02,380

unexplained lights in the sky or any

197

00:10:08,220 --> 00:10:05,080

sort of paranormal experiences yourself

198

00:10:09,720 --> 00:10:08,230

Ron no I haven't and I right in a way

199

00:10:13,170 --> 00:10:09,730

you know particular I mean I guess

200

00:10:15,060 --> 00:10:13,180

everybody in an odd way says she I you

201

00:10:16,910 --> 00:10:15,070

say I wish it happen to me I love I'd

202

00:10:19,440 --> 00:10:16,920

love to experience something like that

203

00:10:22,290 --> 00:10:19,450

when you meet the people that really did

204

00:10:24,269 --> 00:10:22,300

not so much it's not that so much it's

205

00:10:26,670 --> 00:10:24,279

what they always say be careful what you

206

00:10:29,430 --> 00:10:26,680

wish for right there well it's one thing

207

00:10:33,630 --> 00:10:29,440

I think to see an unidentified flying

208

00:10:35,160 --> 00:10:33,640

object from a distance and say wow can't

209

00:10:36,960 --> 00:10:35,170

imagine what that is it's a

210

00:10:40,320 --> 00:10:36,970

saucer-shaped or its boomerang-shaped

211

00:10:43,230 --> 00:10:40,330

it's like nothing the US has it suits

212

00:10:45,600 --> 00:10:43,240

non-terrestrial or whatever and it's

213

00:10:49,769 --> 00:10:45,610

another thing to get the as Kate would

214

00:10:52,940 --> 00:10:49,779

say whooped up absolutely but I mean I

215

00:10:55,680 --> 00:10:52,950

was I was so impressed just with the the

216

00:10:59,390 --> 00:10:55,690

personalities of these people and and

217

00:11:02,790 --> 00:10:59,400

also the detail I don't think there's

218

00:11:07,069 --> 00:11:02,800

frankly ever been a book with the detail

219

00:11:09,910 --> 00:11:07,079

of what these aliens look like what they

220

00:11:12,519 --> 00:11:09,920

wanted why they were

221

00:11:14,259 --> 00:11:12,529

here these are answers that probably

222

00:11:17,940 --> 00:11:14,269

people have been looking for for a long

223

00:11:21,460 --> 00:11:17,950

long time and and it came out

224

00:11:24,639 --> 00:11:21,470

particularly in the hypnotic sessions

225

00:11:27,430 --> 00:11:24,649

where literally alleys different almost

226
00:11:31,120 --> 00:11:27,440
turned into another person and started

227
00:11:37,210 --> 00:11:31,130
spewing like a very specific answers of

228
00:11:41,040 --> 00:11:37,220
like a robot oh wow okay so what

229
00:11:44,620 --> 00:11:41,050
happened yeah what's this about yeah

230
00:11:46,750 --> 00:11:44,630
well so let me just be like a light as

231
00:11:48,370 --> 00:11:46,760
you say i'm hoping i can read maybe a

232
00:11:49,509 --> 00:11:48,380
little bit from the transcripts and

233
00:11:53,290 --> 00:11:49,519
things which i think would be of great

234
00:11:55,689 --> 00:11:53,300
interest sure just as a general story so

235
00:11:58,660 --> 00:11:55,699
here is a woman with a couple of kids

236
00:12:02,199 --> 00:11:58,670
you know you know a two-year-old a

237
00:12:05,259 --> 00:12:02,209
four-year-old she got another baby on

238
00:12:07,269 --> 00:12:05,269

the way just announced pregnancy so few

239

00:12:09,009 --> 00:12:07,279

months out of the house you know she

240

00:12:10,720 --> 00:12:09,019

went out of the house she's tired of

241

00:12:14,980 --> 00:12:10,730

children she wants to have a good time

242

00:12:17,470 --> 00:12:14,990

so her husband year before so I had it

243

00:12:19,960 --> 00:12:17,480

was a hundred and he had been out with

244

00:12:22,329 --> 00:12:19,970

his father and his brother in the Mojave

245

00:12:25,000 --> 00:12:22,339

Desert hunting and he missed a shot at a

246

00:12:26,949 --> 00:12:25,010

mule deer so brother's being brothers

247

00:12:29,139 --> 00:12:26,959

and fathers being fathers they gave him

248

00:12:32,170 --> 00:12:29,149

a relentless hard time about it for

249

00:12:34,120 --> 00:12:32,180

missing the shot for a year so he

250

00:12:37,240 --> 00:12:34,130

desperately wanted to back to the Mojave

251
00:12:39,639 --> 00:12:37,250
Desert hunt and tried to get a mule deer

252
00:12:41,019 --> 00:12:39,649
maybe that mule deer the meantime of

253
00:12:42,910 --> 00:12:41,029
course his wife says well that's just

254
00:12:47,380 --> 00:12:42,920
great you know I have these two children

255
00:12:49,509 --> 00:12:47,390
etc etc maybe maybe you're hunting isn't

256
00:12:52,620 --> 00:12:49,519
the most important thing so they

257
00:12:56,259 --> 00:12:52,630
compromise and the idea is that the

258
00:13:00,040 --> 00:12:56,269
parents will watch the children and the

259
00:13:03,970 --> 00:13:00,050
two of them will go to a it towards the

260
00:13:06,040 --> 00:13:03,980
from La Mirada California to the Mojave

261
00:13:07,780 --> 00:13:06,050
Desert but prior to that they'll go to a

262
00:13:10,689 --> 00:13:07,790
place called whiskey petes which is a

263
00:13:12,579 --> 00:13:10,699

sort of gambling place where is sort of

264

00:13:14,530 --> 00:13:12,589

a casino or they have a band and you can

265

00:13:17,650 --> 00:13:14,540

dance and have a couple drinks and

266

00:13:19,480 --> 00:13:17,660

whatnot so that was his concession and

267

00:13:21,639 --> 00:13:19,490

her concession was fine from there we'll

268

00:13:23,879 --> 00:13:21,649

go camping and you can do your hunting

269

00:13:26,559 --> 00:13:23,889

for a day and then we'll go back

270

00:13:28,689 --> 00:13:26,569

what happened was that they went to

271

00:13:31,689 --> 00:13:28,699

whiskey pizza as planned but when they

272

00:13:34,120 --> 00:13:31,699

went to the mid Hills campground where

273

00:13:36,790 --> 00:13:34,130

they were supposed to stay for the night

274

00:13:40,420 --> 00:13:36,800

it was all booked up which is very

275

00:13:42,400 --> 00:13:40,430

unusual so this guy understands Tom

276

00:13:44,019 --> 00:13:42,410

gifford understands the desert we've

277

00:13:47,470 --> 00:13:44,029

been honey there with his father and

278

00:13:51,400 --> 00:13:47,480

when I and brothers for years he said

279

00:13:54,579 --> 00:13:51,410

look I know it's a it's dusk but let's

280

00:13:58,259 --> 00:13:54,589

go into the desert do a campfire we'll

281

00:14:00,790 --> 00:13:58,269

have a couple steaks the sky is

282

00:14:03,900 --> 00:14:00,800

unbelievable you know of course in the

283

00:14:07,780 --> 00:14:03,910

desert Milky Way as clear as it is and

284

00:14:10,360 --> 00:14:07,790

and and we'll just camp out and they

285

00:14:13,389 --> 00:14:10,370

have a camper meaning a truck with a

286

00:14:14,949 --> 00:14:13,399

camper in the back and the idea was you

287

00:14:16,930 --> 00:14:14,959

know they could sleep there and do what

288

00:14:19,210 --> 00:14:16,940

they needed to do the next day his wife

289

00:14:23,499 --> 00:14:19,220

is really a good sport I mean I would

290

00:14:26,889 --> 00:14:23,509

have been back at whiskey to the said so

291

00:14:29,860 --> 00:14:26,899

so anyway they go and and all of that

292

00:14:31,240 --> 00:14:29,870

happens but then while they're roasting

293

00:14:33,879 --> 00:14:31,250

marshmallows is one could imagine

294

00:14:37,540 --> 00:14:33,889

they're looking out into the horizon and

295

00:14:39,910 --> 00:14:37,550

and he's a easy you know fancies himself

296

00:14:42,129 --> 00:14:39,920

a sort of outdoorsmen and these are the

297

00:14:44,139 --> 00:14:42,139

different constellations and he point

298

00:14:46,420 --> 00:14:44,149

out to our goal and a double star and

299

00:14:49,179 --> 00:14:46,430

that's why it's so shiny and she says

300

00:14:52,230 --> 00:14:49,189

well that's a double star that must be a

301
00:14:58,499 --> 00:14:52,240
triple star look at how bright it is

302
00:15:03,220 --> 00:14:58,509
plain and from there it gets incredible

303
00:15:06,730 --> 00:15:03,230
incredible she says he says well maybe

304
00:15:08,980 --> 00:15:06,740
they're like weather balloons maybe

305
00:15:11,620 --> 00:15:08,990
they're you know to military exercise

306
00:15:15,490 --> 00:15:11,630
because he's seizing and then all of a

307
00:15:18,819 --> 00:15:15,500
sudden above the horizon nine of these

308
00:15:22,720 --> 00:15:18,829
things start forming the configuration

309
00:15:25,840 --> 00:15:22,730
of a huge em and blinking in coordinated

310
00:15:28,329 --> 00:15:25,850
patterns to one another huh so they talk

311
00:15:30,550 --> 00:15:28,339
about a military exercise and of course

312
00:15:32,319 --> 00:15:30,560
it's pretty chilling anyway because

313
00:15:34,870 --> 00:15:32,329

she's kind of in the back of her mind

314

00:15:37,100 --> 00:15:34,880

well you know hells angels come here

315

00:15:39,410 --> 00:15:37,110

with drugs and who knows

316

00:15:43,759 --> 00:15:39,420

we're by ourselves you know this is a

317

00:15:46,550 --> 00:15:43,769

daunting ya think anyway so he's talking

318

00:15:49,069 --> 00:15:46,560

about military exercises and it's not

319

00:15:51,410 --> 00:15:49,079

going over very well then all of a

320

00:15:53,930 --> 00:15:51,420

sudden now they start dropping to the

321

00:15:57,259 --> 00:15:53,940

ground but Wendy's lights to these

322

00:16:01,069 --> 00:15:57,269

lights do but now there's not nine of

323

00:16:03,710 --> 00:16:01,079

them there's hundreds of them they

324

00:16:07,250 --> 00:16:03,720

started dropping to the ground and was a

325

00:16:09,740 --> 00:16:07,260

great quote from mom from her that uh

326

00:16:11,930 --> 00:16:09,750

that I think bears mentioning when we

327

00:16:13,130 --> 00:16:11,940

first saw them dropping from the sky we

328

00:16:15,829 --> 00:16:13,140

thought it was some kind of military

329

00:16:18,440 --> 00:16:15,839

maneuver maybe for Operation Desert

330

00:16:20,810 --> 00:16:18,450

Storm but it was too massive even for

331

00:16:23,870 --> 00:16:20,820

that I mean there were thousands of them

332

00:16:26,210 --> 00:16:23,880

falling then rushing towards us class oh

333

00:16:28,400 --> 00:16:26,220

I kicked out the campfire grabbed my gun

334

00:16:30,880 --> 00:16:28,410

and ran into the back of the camper with

335

00:16:33,800 --> 00:16:30,890

the least then we SAT there indian-style

336

00:16:36,710 --> 00:16:33,810

until they came thousands of them

337

00:16:42,130 --> 00:16:36,720

thousands of pairs of tiny red eyes

338

00:16:45,019 --> 00:16:42,140

glowing in the dark around us that is

339

00:16:46,519 --> 00:16:45,029

very frightening out but honestly if

340

00:16:49,009 --> 00:16:46,529

Russia you know you and I have really

341

00:16:52,519 --> 00:16:49,019

gotten into a lot of UFO stories this is

342

00:16:56,720 --> 00:16:52,529

very unique the number is unit the

343

00:16:58,939 --> 00:16:56,730

number of yeah what is very unique so it

344

00:17:01,009 --> 00:16:58,949

almost sounds like that was in the North

345

00:17:03,050 --> 00:17:01,019

Carolina where some place where the

346

00:17:05,270 --> 00:17:03,060

family was in and then they were

347

00:17:08,030 --> 00:17:05,280

crawling all over the roof remember that

348

00:17:10,220 --> 00:17:08,040

yeah there was at Tennessee some

349

00:17:12,770 --> 00:17:10,230

somewhere in the south of us here in

350

00:17:16,400 --> 00:17:12,780

Appalachia but it I don't think it is

351

00:17:20,319 --> 00:17:16,410

that far way geographically from the

352

00:17:24,260 --> 00:17:20,329

Travis Walton abductions guys right

353

00:17:27,590 --> 00:17:24,270

geographically it's not that far away

354

00:17:31,220 --> 00:17:27,600

from northern Arizona am i right oh yeah

355

00:17:33,020 --> 00:17:31,230

actually you know this is so strange but

356

00:17:36,260 --> 00:17:33,030

you know as I say I can get into some

357

00:17:40,180 --> 00:17:36,270

very very detailed descriptions of the

358

00:17:42,680 --> 00:17:40,190

aliens etc and what occurred but

359

00:17:44,419 --> 00:17:42,690

actually after I interviewed them and

360

00:17:46,610 --> 00:17:44,429

spend a lot of time with them I just

361

00:17:48,290 --> 00:17:46,620

sort of browsing around in a library one

362

00:17:49,700 --> 00:17:48,300

day literally

363

00:17:51,290 --> 00:17:49,710

you know I was looking for other things

364

00:17:53,570 --> 00:17:51,300

maybe even waiting for somebody and

365

00:17:56,840 --> 00:17:53,580

there was a book about like wonders of

366

00:18:00,080 --> 00:17:56,850

the world and one of them was the Mojave

367

00:18:02,000 --> 00:18:00,090

twins and the petroglyphs first of all

368

00:18:04,160 --> 00:18:02,010

the Mojave twins that are that are drawn

369

00:18:07,580 --> 00:18:04,170

on the ground great okay and then in the

370

00:18:11,120 --> 00:18:07,590

caves huh and those drawings which were

371

00:18:13,700 --> 00:18:11,130

probably a thousand years old were

372

00:18:17,540 --> 00:18:13,710

identical to the descriptions of what

373

00:18:21,230 --> 00:18:17,550

the giffords described roof why don't

374

00:18:25,730 --> 00:18:21,240

have a map in front of me but um I know

375

00:18:30,530 --> 00:18:25,740

that Travis Walton was abducted in front

376

00:18:34,670 --> 00:18:30,540

of his work working comrades there about

377

00:18:38,120 --> 00:18:34,680

in Arizona northern Arizona probably not

378

00:18:40,700 --> 00:18:38,130

tremendously far from Flagstaff and I'm

379

00:18:44,210 --> 00:18:40,710

just thinking that's not tremendously

380

00:18:47,180 --> 00:18:44,220

far from from the Mojave Desert either

381

00:18:49,340 --> 00:18:47,190

but I wish I had a I was like one from

382

00:18:51,410 --> 00:18:49,350

what he describes one blue light one

383

00:18:54,680 --> 00:18:51,420

vehicle right one via good this isn't

384

00:18:57,440 --> 00:18:54,690

like that no no no massive this is like

385

00:19:00,410 --> 00:18:57,450

incredible so they they are literally

386

00:19:02,330 --> 00:19:00,420

pinching themselves yeah they may be our

387

00:19:05,360 --> 00:19:02,340

first wants to fight these things uh-huh

388

00:19:07,880 --> 00:19:05,370

he has a Browning shotgun and a

389

00:19:10,400 --> 00:19:07,890

Remington burr he's ready to it and

390

00:19:13,970 --> 00:19:10,410

there's a telepathic message that his

391

00:19:15,920 --> 00:19:13,980

wife gets tied him to eventually get in

392

00:19:19,910 --> 00:19:15,930

the back of the camper if you try to

393

00:19:21,650 --> 00:19:19,920

hurt us will kill you huh so here I

394

00:19:24,470 --> 00:19:21,660

would maybe like to read one thing about

395

00:19:27,080 --> 00:19:24,480

the craft itself sure gather they held

396

00:19:31,430 --> 00:19:27,090

one another sobbing as the gremlins

397

00:19:33,950 --> 00:19:31,440

these sort of like like monkey like

398

00:19:36,890 --> 00:19:33,960

beings malevolent frolic with reckless

399

00:19:38,780 --> 00:19:36,900

abandon seemingly stimulated by the wild

400

00:19:42,170 --> 00:19:38,790

rhythms of their elevated heartbeats

401
00:19:44,690 --> 00:19:42,180
pounding then Tom turned rigid what is

402
00:19:46,310 --> 00:19:44,700
it she asked what's wrong she looked up

403
00:19:48,830 --> 00:19:46,320
to him he stared over his shoulder

404
00:19:51,140 --> 00:19:48,840
wordlessly his eyes glistening were

405
00:19:53,930 --> 00:19:51,150
fixed in days are you all right she

406
00:19:57,650 --> 00:19:53,940
fretted turning her head to see it the

407
00:20:00,410 --> 00:19:57,660
spacecraft you descending from out of a

408
00:20:01,910 --> 00:20:00,420
dense cloud the object literally capped

409
00:20:03,740 --> 00:20:01,920
the valley

410
00:20:06,440 --> 00:20:03,750
and stop hovering perhaps a hundred

411
00:20:08,180 --> 00:20:06,450
yards above the desert floor the craft

412
00:20:10,940 --> 00:20:08,190
was larger than anything they ever

413
00:20:13,940 --> 00:20:10,950

imagined could fly more than a football

414

00:20:16,190 --> 00:20:13,950

field in diameter and shaped like a disc

415

00:20:18,800 --> 00:20:16,200

with an elevated dome that rose up from

416

00:20:20,720 --> 00:20:18,810

its center it was encircled by brilliant

417

00:20:22,730 --> 00:20:20,730

white lights flashing and what appeared

418

00:20:25,550 --> 00:20:22,740

to be coordinated coated rhythms

419

00:20:28,460 --> 00:20:25,560

together they watched in awe stunned as

420

00:20:30,350 --> 00:20:28,470

the huge craft shot of pro perhaps two

421

00:20:33,260 --> 00:20:30,360

hundred feet in diameter down to the

422

00:20:36,470 --> 00:20:33,270

ground then began transporting objects

423

00:20:38,900 --> 00:20:36,480

both into it out of the spacecraft from

424

00:20:40,940 --> 00:20:38,910

the discs underbelly hung six smaller

425

00:20:43,460 --> 00:20:40,950

units the size of helicopters and

426
00:20:45,500 --> 00:20:43,470
designed like miniature versions of the

427
00:20:47,990 --> 00:20:45,510
mother craft that suddenly became

428
00:20:49,850 --> 00:20:48,000
visible all of this was happening right

429
00:20:52,850 --> 00:20:49,860
before their eyes and it was

430
00:20:55,400 --> 00:20:52,860
overwhelming they actually start

431
00:20:58,040 --> 00:20:55,410
pinching themselves and say what do you

432
00:21:01,760 --> 00:20:58,050
see pinch me just proved to me that I'm

433
00:21:04,190 --> 00:21:01,770
really here what do you see and they go

434
00:21:08,900 --> 00:21:04,200
back and forth describing detail by

435
00:21:12,980 --> 00:21:08,910
detail what each of them see this is an

436
00:21:17,660 --> 00:21:12,990
amazing account and a do we want to get

437
00:21:19,700 --> 00:21:17,670
to you know to the part where they do we

438
00:21:21,770 --> 00:21:19,710

want to move on with this account as so

439

00:21:23,870 --> 00:21:21,780

we can when you're through we can ask

440

00:21:27,160 --> 00:21:23,880

you some questions about the story

441

00:21:31,640 --> 00:21:27,170

basically yeah whatever whatever you lie

442

00:21:33,230 --> 00:21:31,650

so what happened read I mean so okay so

443

00:21:35,480 --> 00:21:33,240

they're sitting in the back of the

444

00:21:38,060 --> 00:21:35,490

camper they've got thousands of these

445

00:21:40,430 --> 00:21:38,070

little Mel Evelyn monkeys hanging around

446

00:21:42,350 --> 00:21:40,440

them and then suddenly and by and by the

447

00:21:47,630 --> 00:21:42,360

way uh-huh they're blocked in by two

448

00:21:50,600 --> 00:21:47,640

sort of electrical fields Oh tries to

449

00:21:53,570 --> 00:21:50,610

move forward Oh all that is jolted

450

00:21:57,260 --> 00:21:53,580

backwards so it moves forward they move

451
00:21:58,970 --> 00:21:57,270
forward oh do you think they were picked

452
00:22:00,590 --> 00:21:58,980
out because they were alone or do you

453
00:22:02,600 --> 00:22:00,600
think that this thing was going why you

454
00:22:04,730 --> 00:22:02,610
don't know of course I'm sorry but um

455
00:22:08,000 --> 00:22:04,740
alright so they're out there and they're

456
00:22:10,100 --> 00:22:08,010
oh wow and you're surrounded by these

457
00:22:12,500 --> 00:22:10,110
beings and and then they begin to

458
00:22:13,670 --> 00:22:12,510
harvest their emotions they feel I mean

459
00:22:17,210 --> 00:22:13,680
that's solutely it

460
00:22:18,650 --> 00:22:17,220
time in the meantime there is a that

461
00:22:20,900 --> 00:22:18,660
they call a searcher I mean this is

462
00:22:23,300 --> 00:22:20,910
something they made up uh-huh and she

463
00:22:25,340 --> 00:22:23,310

says yes there's a triangle of light

464

00:22:27,320 --> 00:22:25,350

with the tip of the triangle touching

465

00:22:29,420 --> 00:22:27,330

down on the ground it seems to be

466

00:22:31,580 --> 00:22:29,430

combing the ground beneath the disk as

467

00:22:34,340 --> 00:22:31,590

if searching for something do you hear

468

00:22:36,980 --> 00:22:34,350

the rumblings deep inside the ground the

469

00:22:39,320 --> 00:22:36,990

triangles like a drill a huge drill of

470

00:22:41,840 --> 00:22:39,330

some kind it was then they became aware

471

00:22:44,120 --> 00:22:41,850

of the smell or rank chemical odor like

472

00:22:48,020 --> 00:22:44,130

phosphorous or burning rubber it was

473

00:22:49,880 --> 00:22:48,030

sulfur so basically so if you can

474

00:22:52,580 --> 00:22:49,890

imagine these things are frolicking

475

00:22:56,240 --> 00:22:52,590

around they're held in the back of this

476

00:23:00,010 --> 00:22:56,250

camper this huge craft is above them in

477

00:23:03,410 --> 00:23:00,020

the meantime another triangular cramp is

478

00:23:06,950 --> 00:23:03,420

mining it seems minerals in you know

479

00:23:11,270 --> 00:23:06,960

from the earth and that's when we these

480

00:23:15,140 --> 00:23:11,280

illuminated beings start to hover around

481

00:23:19,400 --> 00:23:15,150

them and and this is uh this is this is

482

00:23:21,680 --> 00:23:19,410

really the crux of things Tom knew

483

00:23:24,170 --> 00:23:21,690

immediately that these were the ones

484

00:23:26,840 --> 00:23:24,180

responsible for the telepathic messages

485

00:23:29,420 --> 00:23:26,850

they arrived in a group of nine circling

486

00:23:31,670 --> 00:23:29,430

the camper staring in the windows of its

487

00:23:35,060 --> 00:23:31,680

shell-like spectators observing animals

488

00:23:37,370 --> 00:23:35,070

in the zoo taller than the others they

489

00:23:39,470 --> 00:23:37,380

stood perhaps five feet in height with

490

00:23:42,260 --> 00:23:39,480

enormous raven black eyes and long

491

00:23:44,360 --> 00:23:42,270

spindly appendages connected to an

492

00:23:48,670 --> 00:23:44,370

underdeveloped torso the size of a

493

00:23:51,710 --> 00:23:48,680

three-year-old child and from there on

494

00:23:55,690 --> 00:23:51,720

basically what happens is their foot

495

00:23:59,090 --> 00:23:55,700

through an incredible series of mental

496

00:24:03,790 --> 00:23:59,100

exercises where and I don't want to get

497

00:24:07,430 --> 00:24:03,800

into this too in much detail but the

498

00:24:10,040 --> 00:24:07,440

leaves gifford it had a been sexually

499

00:24:13,220 --> 00:24:10,050

molested as a child and so that

500

00:24:17,240 --> 00:24:13,230

experience she was made to relive moment

501
00:24:21,140 --> 00:24:17,250
to moment ha and and she described it as

502
00:24:25,940 --> 00:24:21,150
like a syringe so he was made to relive

503
00:24:26,680 --> 00:24:25,950
exalting moment happy moment horrifying

504
00:24:30,100 --> 00:24:26,690
moment

505
00:24:33,730 --> 00:24:30,110
and she said it was like they put a

506
00:24:35,980 --> 00:24:33,740
syringe in their head they actually were

507
00:24:38,410 --> 00:24:35,990
reliving these things it wasn't memories

508
00:24:41,050 --> 00:24:38,420
they were actually reliving it and these

509
00:24:44,770 --> 00:24:41,060
beings were taking like with a syringe

510
00:24:47,230 --> 00:24:44,780
the the essence of their emotions to see

511
00:24:50,320 --> 00:24:47,240
how they reacted to things to put them

512
00:24:53,920 --> 00:24:50,330
through these gymnastics and and

513
00:24:57,430 --> 00:24:53,930

understand how human minds work this

514

00:25:02,050 --> 00:24:57,440

this is not this part particularly is

515

00:25:07,600 --> 00:25:02,060

not unprecedented in both spiritual and

516

00:25:13,660 --> 00:25:07,610

UFO studies I the harvesting of emotions

517

00:25:16,480 --> 00:25:13,670

by beings that either are regularly seen

518

00:25:19,450 --> 00:25:16,490

greys so-called Grey's or in this case

519

00:25:22,660 --> 00:25:19,460

similar sorts of beings or in a

520

00:25:26,170 --> 00:25:22,670

spiritual out-of-body State that there

521

00:25:28,150 --> 00:25:26,180

are sometimes beings harvesting the

522

00:25:31,800 --> 00:25:28,160

emotions and I'm not sure if you're

523

00:25:36,520 --> 00:25:31,810

familiar with the monroe institute in in

524

00:25:40,180 --> 00:25:36,530

outside of Charlottesville Virginia but

525

00:25:42,940 --> 00:25:40,190

the founder Robert Monroe writes up in

526

00:25:46,080 --> 00:25:42,950

his a book for journeys which I believe

527

00:25:49,180 --> 00:25:46,090

is the last of his three books about his

528

00:25:52,780 --> 00:25:49,190

out-of-body experiences where he finds

529

00:25:55,720 --> 00:25:52,790

that there are entities that well

530

00:25:57,940 --> 00:25:55,730

outside of the atmosphere of the earth

531

00:25:59,620 --> 00:25:57,950

let us say but he doesn't know where

532

00:26:02,950 --> 00:25:59,630

they come from but they're like

533

00:26:06,600 --> 00:26:02,960

surrounding the earth in in whatever

534

00:26:10,120 --> 00:26:06,610

whether these are physical ships or a

535

00:26:14,050 --> 00:26:10,130

metaphysical craft and they are

536

00:26:17,110 --> 00:26:14,060

harvesting emotions and he has a name

537

00:26:20,080 --> 00:26:17,120

for this which is called luchshe L oh oh

538

00:26:23,620 --> 00:26:20,090

Sh and I wondered if you had ever heard

539

00:26:26,770 --> 00:26:23,630

of that no no I haven't but you know III

540

00:26:30,760 --> 00:26:26,780

see where he's coming from because this

541

00:26:32,980 --> 00:26:30,770

may fit that paradigm because really if

542

00:26:35,470 --> 00:26:32,990

you look at what they experience and

543

00:26:38,440 --> 00:26:35,480

maybe if I can read again I'm sorry sure

544

00:26:38,830 --> 00:26:38,450

please do please still here now clearly

545

00:26:41,230 --> 00:26:38,840

there

546

00:26:43,510 --> 00:26:41,240

seemed in order to this realm of

547

00:26:46,300 --> 00:26:43,520

existence that it's so suddenly and

548

00:26:49,330 --> 00:26:46,310

pervasively enveloped them the gremlin

549

00:26:51,190 --> 00:26:49,340

so crude and frenetic the shortstop like

550

00:26:53,250 --> 00:26:51,200

Grace who monitored them and kept them

551

00:26:56,020 --> 00:26:53,260

in the craft the more intelligent

552

00:26:57,520 --> 00:26:56,030

scientific figures and really what

553

00:26:59,710 --> 00:26:57,530

happened when they were on the verge of

554

00:27:01,960 --> 00:26:59,720

heart attacks a kind of missed would

555

00:27:05,230 --> 00:27:01,970

fill the back of the camper that would

556

00:27:07,990 --> 00:27:05,240

calm them so it would be like anesthesia

557

00:27:11,410 --> 00:27:08,000

so it would calm them so they wouldn't

558

00:27:14,680 --> 00:27:11,420

die but when things get so out of hand

559

00:27:16,870 --> 00:27:14,690

like so chaotic where they're screaming

560

00:27:19,060 --> 00:27:16,880

both of them screaming in the back of

561

00:27:21,880 --> 00:27:19,070

the camper wanting to die they think

562

00:27:24,670 --> 00:27:21,890

they're in Hell a kind of presence comes

563

00:27:28,800 --> 00:27:24,680

an angelic almost like a Marian

564

00:27:32,770 --> 00:27:28,810

visitation yet feminine for sure and

565

00:27:36,160 --> 00:27:32,780

says don't worry don't worry this won't

566

00:27:38,950 --> 00:27:36,170

go on forever this is an experience it's

567

00:27:42,580 --> 00:27:38,960

not it will not go on forever and things

568

00:27:46,680 --> 00:27:42,590

took camp down from there and the she

569

00:27:52,570 --> 00:27:46,690

presents gentle powerful in nature a

570

00:27:56,740 --> 00:27:52,580

realm of existence not a not a exposure

571

00:27:58,720 --> 00:27:56,750

to one kind of existence they call they

572

00:28:00,400 --> 00:27:58,730

they described her of being that in

573

00:28:03,550 --> 00:28:00,410

other times may have been called an

574

00:28:06,250 --> 00:28:03,560

angel she was radiant exquisite in

575

00:28:08,950 --> 00:28:06,260

appearance in nature her lucid rope

576
00:28:11,950 --> 00:28:08,960
flowing as she floated gracefully toward

577
00:28:17,010 --> 00:28:11,960
them it's all right I'm here now to

578
00:28:21,070 --> 00:28:17,020
protect you be at peace it's almost over

579
00:28:24,610 --> 00:28:21,080
wow I feel figure what it seems to me as

580
00:28:28,870 --> 00:28:24,620
though there are a lot of clues here it

581
00:28:31,960 --> 00:28:28,880
seems to me that um just like comparing

582
00:28:34,030 --> 00:28:31,970
this is an unique I am NOT saying it is

583
00:28:39,040 --> 00:28:34,040
not a unique sighting but comparing in

584
00:28:41,380 --> 00:28:39,050
certain places where there are things

585
00:28:45,040 --> 00:28:41,390
that can you know have a congruence with

586
00:28:47,950 --> 00:28:45,050
other UFO incidences there was a

587
00:28:52,330 --> 00:28:47,960
gentleman I Kate I'm not sure you

588
00:28:52,780 --> 00:28:52,340

remember in the south of the south of

589

00:28:55,990 --> 00:28:52,790

calif

590

00:28:58,120 --> 00:28:56,000

fornia who was up a tree for a long time

591

00:29:03,310 --> 00:28:58,130

and the beings were all around him up a

592

00:29:05,680 --> 00:29:03,320

tree and they did also exuse a substance

593

00:29:08,260 --> 00:29:05,690

to you know sort of knock him out

594

00:29:09,910 --> 00:29:08,270

temporarily but he clung on to the tree

595

00:29:12,250 --> 00:29:09,920

so they they couldn't get up the tree

596

00:29:16,960 --> 00:29:12,260

for whatever reason to get him but this

597

00:29:18,910 --> 00:29:16,970

is a also a quite a well documented case

598

00:29:22,000 --> 00:29:18,920

because this fellow was in the forest

599

00:29:24,070 --> 00:29:22,010

and other people were looking for him I

600

00:29:26,530 --> 00:29:24,080

wish I could think of the gentleman's

601
00:29:30,070 --> 00:29:26,540
name but it is it is well known case in

602
00:29:32,380 --> 00:29:30,080
ufology where a a mist and I and if

603
00:29:36,640 --> 00:29:32,390
memory serves me correctly it was a

604
00:29:39,220 --> 00:29:36,650
green mist the other thing is that the

605
00:29:40,750 --> 00:29:39,230
others we can call them aliens we can

606
00:29:43,690 --> 00:29:40,760
call them others we can call them

607
00:29:46,060 --> 00:29:43,700
entities are known to lie they also

608
00:29:49,870 --> 00:29:46,070
control they seem to control the

609
00:29:52,720 --> 00:29:49,880
subjects brains so that while you know

610
00:29:54,460 --> 00:29:52,730
one minute you might see one thing that

611
00:29:57,280 --> 00:29:54,470
is terrifying in the next minute you

612
00:29:59,170 --> 00:29:57,290
might see this angelic presence now I'm

613
00:30:01,480 --> 00:29:59,180

not saying the angelic presence wasn't

614

00:30:03,490 --> 00:30:01,490

real but I'm not saying it was real

615

00:30:07,780 --> 00:30:03,500

either I'm saying it could be a way to

616

00:30:11,950 --> 00:30:07,790

evoked emotion yes yes yes indeed I would

617

00:30:13,720 --> 00:30:11,960

agree and um what this comes up to one

618

00:30:17,800 --> 00:30:13,730

of my questions that I was going to ask

619

00:30:21,010 --> 00:30:17,810

later on in the in the interview with

620

00:30:24,310 --> 00:30:21,020

you Ron but um the idea of good and bad

621

00:30:28,420 --> 00:30:24,320

seems to bounce around within this

622

00:30:31,210 --> 00:30:28,430

couple's mental state they just tried to

623

00:30:34,510 --> 00:30:31,220

decide if it's a good situation or a bad

624

00:30:36,670 --> 00:30:34,520

situation and and my thought on that was

625

00:30:38,100 --> 00:30:36,680

why would it have to be either let's

626

00:30:40,810 --> 00:30:38,110

just take the extra-terrestrial

627

00:30:43,360 --> 00:30:40,820

hypothesis for a second that these are

628

00:30:45,610 --> 00:30:43,370

extraterrestrial beings or even if there

629

00:30:47,680 --> 00:30:45,620

are interdimensional beings it doesn't

630

00:30:50,080 --> 00:30:47,690

really make much difference but who's to

631

00:30:53,770 --> 00:30:50,090

say they're good or bad because from the

632

00:30:56,050 --> 00:30:53,780

point of view of the dairy cat cow we're

633

00:30:59,200 --> 00:30:56,060

bad you know from the point of view of

634

00:31:02,470 --> 00:30:59,210

the the animal put up the slaughter

635

00:31:06,610 --> 00:31:02,480

we're a bad species but from our point

636

00:31:09,400 --> 00:31:06,620

of view its food so good or bad maine

637

00:31:11,940 --> 00:31:09,410

not in fact even come it's it's it may

638

00:31:16,840 --> 00:31:11,950

not come into the equation it's a

639

00:31:18,730 --> 00:31:16,850

judgment it's a yeah and they are alien

640

00:31:20,799 --> 00:31:18,740

and who's to say that they think like us

641

00:31:23,680 --> 00:31:20,809

right it's not it's neither good nor bad

642

00:31:26,080 --> 00:31:23,690

Mike my guess is it's just messes

643

00:31:28,060 --> 00:31:26,090

tomorrow's may have evolved completely

644

00:31:30,220 --> 00:31:28,070

different or if they have any moral so

645

00:31:32,590 --> 00:31:30,230

what we call morals yeah right it

646

00:31:34,270 --> 00:31:32,600

doesn't it doesn't follow that it still

647

00:31:37,570 --> 00:31:34,280

they realize they were scaring the crap

648

00:31:40,120 --> 00:31:37,580

out of these day and we realize when we

649

00:31:43,510 --> 00:31:40,130

sit down to our hamburger oh that we're

650

00:31:46,390 --> 00:31:43,520

eating another being right right so they

651
00:31:48,460 --> 00:31:46,400
look down on us like we look at ants

652
00:31:49,630 --> 00:31:48,470
yeah but it's it's like a little bit

653
00:31:52,240 --> 00:31:49,640
different thing we don't try to

654
00:31:53,919 --> 00:31:52,250
communicate with the cows and uh you

655
00:31:55,720 --> 00:31:53,929
know they just led to slaughter no one's

656
00:31:58,299 --> 00:31:55,730
trying to say you know it's going to be

657
00:32:01,570 --> 00:31:58,309
okay bossy punk all right maybe it

658
00:32:06,760 --> 00:32:01,580
wasn't next well you know I I just

659
00:32:08,830 --> 00:32:06,770
usually doctor I think that they're it

660
00:32:10,750 --> 00:32:08,840
you know there was a book by Nigel

661
00:32:12,850 --> 00:32:10,760
Kerner to get into that where he felt

662
00:32:15,010 --> 00:32:12,860
that the purpose of these was to harvest

663
00:32:18,430 --> 00:32:15,020

souls and souls are just like a

664

00:32:21,549 --> 00:32:18,440

reflection of a life experience and a

665

00:32:24,660 --> 00:32:21,559

lot of people suggest that these aliens

666

00:32:27,190 --> 00:32:24,670

are actually robotic beings androids and

667

00:32:29,380 --> 00:32:27,200

although they are full of knowledge

668

00:32:32,169 --> 00:32:29,390

they're not full of emotion and they

669

00:32:34,419 --> 00:32:32,179

realize that and they try to experience

670

00:32:37,150 --> 00:32:34,429

it and so they experience it by evoking

671

00:32:39,460 --> 00:32:37,160

emotions in humans but you know again

672

00:32:42,070 --> 00:32:39,470

that's that's a serie and now that's an

673

00:32:43,480 --> 00:32:42,080

astral morphix theory and who knows yeah

674

00:32:46,180 --> 00:32:43,490

we're just throwing out a few you know

675

00:32:48,220 --> 00:32:46,190

it really annoys me what is that they'll

676

00:32:49,570 --> 00:32:48,230

scare that crap out of you and then

677

00:32:51,100 --> 00:32:49,580

they'll disappear and they'll say well

678

00:32:53,890 --> 00:32:51,110

who are you where'd you come from what

679

00:32:56,140 --> 00:32:53,900

you do and sorry not telling you that

680

00:32:58,390 --> 00:32:56,150

and then they go away I mean come on

681

00:33:00,160 --> 00:32:58,400

it's ticklish the crap out of me at

682

00:33:02,919 --> 00:33:00,170

least let me you know something i am a

683

00:33:05,380 --> 00:33:02,929

hypnotic a session yeah there's there's

684

00:33:09,340 --> 00:33:05,390

some some some things just about that oh

685

00:33:11,950 --> 00:33:09,350

good what dr. anna at anixter accepted

686

00:33:14,620 --> 00:33:11,960

the ant oh he turned into seat orderlies

687

00:33:16,750 --> 00:33:14,630

who said her body lacks help tilted to

688

00:33:18,610 --> 00:33:16,760

one side lying on the right shoulder at

689

00:33:20,470 --> 00:33:18,620

least you have any idea what these beams

690

00:33:23,430 --> 00:33:20,480

want or why

691

00:33:26,080 --> 00:33:23,440

here it was macabre watching Ali's

692

00:33:28,510 --> 00:33:26,090

spring up in the chair suddenly animated

693

00:33:30,580 --> 00:33:28,520

and alert her voice rather than soft and

694

00:33:32,799 --> 00:33:30,590

emotional took on a new cadence huh

695

00:33:35,020 --> 00:33:32,809

which was clicked and direct quite

696

00:33:37,240 --> 00:33:35,030

unlike her they want to make contact

697

00:33:39,970 --> 00:33:37,250

with the population Tom and I are

698

00:33:42,370 --> 00:33:39,980

specimens imperfect like the human race

699

00:33:44,620 --> 00:33:42,380

when we're ready to communicate with

700

00:33:47,140 --> 00:33:44,630

them face-to-face then possibly the

701

00:33:49,330 --> 00:33:47,150

world will be two for action such as

702

00:33:51,970 --> 00:33:49,340

edging forward in her chair at the

703

00:33:54,070 --> 00:33:51,980

moment see mechanical as did a voice as

704

00:33:56,680 --> 00:33:54,080

she continued they have to study our

705

00:33:59,770 --> 00:33:56,690

reactions so they know how to approach

706

00:34:01,900 --> 00:33:59,780

us they don't have emotions like ours so

707

00:34:04,630 --> 00:34:01,910

they need us to teach them they need to

708

00:34:07,180 --> 00:34:04,640

understand humans do you have any sense

709

00:34:10,720 --> 00:34:07,190

as to who they are and where they come

710

00:34:13,180 --> 00:34:10,730

from there are five galaxies there's is

711

00:34:15,760 --> 00:34:13,190

the next closest in order for all five

712

00:34:17,649 --> 00:34:15,770

galaxies to work together one day they

713

00:34:21,639 --> 00:34:17,659

have to start and they're starting with

714

00:34:24,250 --> 00:34:21,649

us so we'll be united galaxies what else

715

00:34:26,530 --> 00:34:24,260

do you know anixter asked feeling as if

716

00:34:28,960 --> 00:34:26,540

he was in contact with someone other

717

00:34:31,750 --> 00:34:28,970

than a leads I know where the universe

718

00:34:34,270 --> 00:34:31,760

ends she said rattling the words off

719

00:34:36,820 --> 00:34:34,280

staccato is that something you can put

720

00:34:39,669 --> 00:34:36,830

into words now there was no denying

721

00:34:43,149 --> 00:34:39,679

something incredible was happening our

722

00:34:46,330 --> 00:34:43,159

universe ends where there's begins our

723

00:34:49,030 --> 00:34:46,340

universe ends when all its matter stops

724

00:34:51,849 --> 00:34:49,040

matter to us and starts mattering to

725

00:34:54,190 --> 00:34:51,859

them everyone in the room looked to one

726
00:34:57,190 --> 00:34:54,200
another's stunned at what they heard and

727
00:34:58,720 --> 00:34:57,200
what they were seeing for sitting on the

728
00:35:01,810 --> 00:34:58,730
edge of the out-of-date cushion

729
00:35:04,960 --> 00:35:01,820
armchairs at oles gifford her body rigid

730
00:35:08,859 --> 00:35:04,970
and vibrating with energy well that is

731
00:35:13,480 --> 00:35:08,869
that you know having read the book some

732
00:35:17,349 --> 00:35:13,490
places more than once I I have to say

733
00:35:19,690 --> 00:35:17,359
that that phrase that phrase did did

734
00:35:24,370 --> 00:35:19,700
arrest me I did find that very very

735
00:35:29,050 --> 00:35:24,380
arresting that brings up two things to

736
00:35:31,810 --> 00:35:29,060
me that brings up the part about the

737
00:35:34,270 --> 00:35:31,820
others who entities aliens whatever

738
00:35:37,510 --> 00:35:34,280

being Liars number one

739

00:35:40,090 --> 00:35:37,520

or be it brings up to me the david

740

00:35:43,000 --> 00:35:40,100

jacobs scenario i don't know if you are

741

00:35:46,960 --> 00:35:43,010

familiar with david jacobs but he was a

742

00:35:50,110 --> 00:35:46,970

he is a colleague of the late um but

743

00:35:52,450 --> 00:35:50,120

Hopkins budd hopkins and he has written

744

00:35:55,900 --> 00:35:52,460

a number of books on what he believes

745

00:36:01,110 --> 00:35:55,910

the quote unquote alien agenda is which

746

00:36:05,470 --> 00:36:01,120

is to infiltrate human society creating

747

00:36:09,190 --> 00:36:05,480

hybrids who will then live amongst us I

748

00:36:11,710 --> 00:36:09,200

neither agree nor disagree with dr.

749

00:36:14,500 --> 00:36:11,720

Jacobs I know that he has basically

750

00:36:17,710 --> 00:36:14,510

spent his life at this work and so I

751

00:36:19,240 --> 00:36:17,720

have to defer to him on a certain to a

752

00:36:25,020 --> 00:36:19,250

certain extent because I have not

753

00:36:29,290 --> 00:36:25,030

devoted my life to hypnotizing alien

754

00:36:32,680 --> 00:36:29,300

abductees though I am a an experiencer

755

00:36:34,450 --> 00:36:32,690

if not an abductee myself so I look at

756

00:36:36,520 --> 00:36:34,460

all these things that's why we're here

757

00:36:39,100 --> 00:36:36,530

the three of us here are all

758

00:36:42,400 --> 00:36:39,110

experiencers so from that point of view

759

00:36:44,230 --> 00:36:42,410

you this this interview and may be

760

00:36:46,060 --> 00:36:44,240

mistaken but this interview maybe a

761

00:36:47,830 --> 00:36:46,070

little bit different than some of the

762

00:36:51,670 --> 00:36:47,840

other interviews you may have given over

763

00:36:56,110 --> 00:36:51,680

the course of time so what do you think

764

00:36:58,030 --> 00:36:56,120

do you think that is there any now I'm

765

00:37:00,880 --> 00:36:58,040

going to bring up something else here I

766

00:37:04,330 --> 00:37:00,890

understand that the the woman of the

767

00:37:06,880 --> 00:37:04,340

couple after they after they were

768

00:37:08,530 --> 00:37:06,890

abducted and some time later when there

769

00:37:13,330 --> 00:37:08,540

was still feeling the presence around

770

00:37:16,030 --> 00:37:13,340

them that a she and her husband engaged

771

00:37:20,590 --> 00:37:16,040

in normal marital activities and the

772

00:37:23,650 --> 00:37:20,600

result was a third pregnancy and that

773

00:37:27,070 --> 00:37:23,660

they felt that the they felt that the

774

00:37:30,100 --> 00:37:27,080

child was I thought she was pregnant

775

00:37:32,350 --> 00:37:30,110

before they this happened right uh I

776

00:37:34,210 --> 00:37:32,360

don't think so oh yeah actually you're

777

00:37:36,550 --> 00:37:34,220

correct it was after it was actor it was

778

00:37:40,780 --> 00:37:36,560

after it happened and um you know I

779

00:37:43,500 --> 00:37:40,790

would wonder from you have you kept up

780

00:37:48,220 --> 00:37:43,510

with these people after all this was

781

00:37:51,240 --> 00:37:48,230

1989 and maybe 1991 then of this

782

00:37:57,780 --> 00:37:51,250

the story sort of unfolded correct yes

783

00:38:02,070 --> 00:37:57,790

they had a what happened was they

784

00:38:06,790 --> 00:38:02,080

experienced a number of odd things and

785

00:38:08,830 --> 00:38:06,800

for example they awakened in the middle

786

00:38:11,620 --> 00:38:08,840

of the night to every creak and sound in

787

00:38:15,790 --> 00:38:11,630

their house okay and now one time there

788

00:38:18,010 --> 00:38:15,800

their four-year-old was screaming so

789

00:38:23,109 --> 00:38:18,020

they ran into his room and he was

790

00:38:27,150 --> 00:38:23,119

spinning like a top oh and the mother of

791

00:38:30,160 --> 00:38:27,160

course goes in and and and hold him and

792

00:38:32,800 --> 00:38:30,170

comfort him and they are about to go

793

00:38:36,910 --> 00:38:32,810

back to bed and the kid says don't go

794

00:38:39,640 --> 00:38:36,920

don't go desperately and the mother says

795

00:38:43,930 --> 00:38:39,650

why it's just because when you leave the

796

00:38:48,010 --> 00:38:43,940

monsters with the red eyes come so they

797

00:38:51,070 --> 00:38:48,020

had what dr. vittone talked about is

798

00:38:53,890 --> 00:38:51,080

sort of post-traumatic stress now that's

799

00:38:55,930 --> 00:38:53,900

a very specific instance but everything

800

00:39:01,810 --> 00:38:55,940

you know they always felt like they were

801
00:39:06,930 --> 00:39:01,820
watched after this and so Elise who was

802
00:39:10,060 --> 00:39:06,940
a a a Mormon but not a devout Mormon and

803
00:39:13,210 --> 00:39:10,070
Tom was not religious you know to any

804
00:39:16,540 --> 00:39:13,220
great extent at all really I think were

805
00:39:21,400 --> 00:39:16,550
flown into religion as a kind of

806
00:39:23,200 --> 00:39:21,410
sanctuary and moved to a Utah Salt Lake

807
00:39:25,440 --> 00:39:23,210
City where they became devout Mormons

808
00:39:30,700 --> 00:39:25,450
and active members of the church for

809
00:39:32,950 --> 00:39:30,710
quite some long time and at this point

810
00:39:35,410 --> 00:39:32,960
they have other children a number of

811
00:39:37,990 --> 00:39:35,420
children they're not so affiliated with

812
00:39:40,300 --> 00:39:38,000
the church as they had been for a number

813
00:39:43,990 --> 00:39:40,310

of years now they're not active members

814

00:39:46,450 --> 00:39:44,000

but this really just through their whole

815

00:39:49,420 --> 00:39:46,460

life for loop the little girl who was

816

00:39:52,570 --> 00:39:49,430

conceived directly after the the

817

00:39:55,270 --> 00:39:52,580

abduction is she for all intents and

818

00:39:59,109 --> 00:39:55,280

purposes normal does she is she psychic

819

00:39:59,849 --> 00:39:59,119

is she um Ill don't know and by the way

820

00:40:02,700 --> 00:39:59,859

they

821

00:40:06,690 --> 00:40:02,710

not not discussed that with their

822

00:40:09,839 --> 00:40:06,700

youngest children I see I see um so um

823

00:40:12,839 --> 00:40:09,849

basically I take it wrong that you're

824

00:40:17,039 --> 00:40:12,849

not a Mormon is that is that there okay

825

00:40:21,630 --> 00:40:17,049

I'm not a Mormon either but it with all

826

00:40:26,579 --> 00:40:21,640

due respect the angel Moroni promised

827

00:40:30,720 --> 00:40:26,589

Joseph Smith that every devout Mormon

828

00:40:33,839 --> 00:40:30,730

would be given a planet now I'm going to

829

00:40:35,759 --> 00:40:33,849

make it a you know a sort of a general

830

00:40:37,319 --> 00:40:35,769

guess that this was around eighteen

831

00:40:40,589 --> 00:40:37,329

sixty it could have been a little bit

832

00:40:42,450 --> 00:40:40,599

aight later up in New York State Joseph

833

00:40:44,609 --> 00:40:42,460

Smith found that the order of Mormons

834

00:40:49,049 --> 00:40:44,619

because he or the church of the

835

00:40:51,930 --> 00:40:49,059

latter-day saint because he was visited

836

00:40:53,880 --> 00:40:51,940

by the this angel who he called Moroni

837

00:40:57,180 --> 00:40:53,890

which is sort of an unfortunate name

838

00:41:00,420 --> 00:40:57,190

yeah I you know try to respect

839

00:41:03,329 --> 00:41:00,430

everybody's beliefs and he purportedly

840

00:41:05,309 --> 00:41:03,339

was given these tablets of gold which he

841

00:41:09,210 --> 00:41:05,319

then buried and the promise was that

842

00:41:13,380 --> 00:41:09,220

every faithful Mormon upon death would

843

00:41:17,569 --> 00:41:13,390

be given a planet of their own um now I

844

00:41:20,519 --> 00:41:17,579

just wonder I mean that's it seems um

845

00:41:24,059 --> 00:41:20,529

uncanny in a certain sense because at

846

00:41:26,220 --> 00:41:24,069

the time of Joseph Smith you know

847

00:41:30,720 --> 00:41:26,230

probably only five planets were known

848

00:41:32,339 --> 00:41:30,730

about and obviously immediately

849

00:41:34,349 --> 00:41:32,349

thereafter there were a couple hundred

850

00:41:37,440 --> 00:41:34,359

Mormons heading out for salt lake city

851

00:41:40,499 --> 00:41:37,450

and so even then the idea of more

852

00:41:43,200 --> 00:41:40,509

planets then were known at the time is

853

00:41:48,539 --> 00:41:43,210

sort of a given to the Mormons do you

854

00:41:52,519 --> 00:41:48,549

think that this has any impression upon

855

00:41:54,749 --> 00:41:52,529

their experience you know I I you know

856

00:41:57,809 --> 00:41:54,759

because you were so eloquent in your

857

00:42:00,720 --> 00:41:57,819

explanation and I would like to say yes

858

00:42:04,140 --> 00:42:00,730

but no I don't think so i think that i

859

00:42:08,039 --> 00:42:04,150

think that Elise was a casual you know

860

00:42:10,650 --> 00:42:08,049

casual mormon and that by that i mean i

861

00:42:14,000 --> 00:42:10,660

don't know that she went to church all

862

00:42:17,430 --> 00:42:14,010

the time and the man

863

00:42:20,480 --> 00:42:17,440

tom is a football player he's a regular

864

00:42:23,430 --> 00:42:20,490

guy and not uh you know he's you know

865

00:42:25,770 --> 00:42:23,440

and they were drinking Chardonnay yeah

866

00:42:28,440 --> 00:42:25,780

this [h__h] is not this just was not

867

00:42:31,380 --> 00:42:28,450

really i don't think a major element of

868

00:42:33,600 --> 00:42:31,390

their life until afterward and I think

869

00:42:35,700 --> 00:42:33,610

really like a lot of people if they

870

00:42:37,770 --> 00:42:35,710

suffer let's just say some a horrible

871

00:42:40,080 --> 00:42:37,780

thing where their child dies in the

872

00:42:42,600 --> 00:42:40,090

young age you know the young parents and

873

00:42:44,640 --> 00:42:42,610

their kid gets hit by a car you find

874

00:42:47,520 --> 00:42:44,650

that oftentimes people that go through a

875

00:42:49,380 --> 00:42:47,530

trauma like that wind up becoming very

876

00:42:53,220 --> 00:42:49,390

religious at least for a period of time

877

00:42:56,880 --> 00:42:53,230

because it gives them super yes i would

878

00:42:59,970 --> 00:42:56,890

say i would say that that that that is

879

00:43:01,410 --> 00:42:59,980

more the story in terms of prob then

880

00:43:05,460 --> 00:43:01,420

going to religion and i would say that

881

00:43:07,170 --> 00:43:05,470

if if she was Catholic she would throw

882

00:43:09,000 --> 00:43:07,180

herself into the bosom of the Catholic

883

00:43:11,820 --> 00:43:09,010

Church or if she was a Lutheran

884

00:43:15,300 --> 00:43:11,830

yesterday yeah yes absolutely right it

885

00:43:19,310 --> 00:43:15,310

was one following the other I think it

886

00:43:21,990 --> 00:43:19,320

was the event driving them to write some

887

00:43:25,800 --> 00:43:22,000

sanctuary I just found it to be an

888

00:43:28,020 --> 00:43:25,810

interesting musing let's get that way

889

00:43:30,420 --> 00:43:28,030

knowing what I do about the Mormon

890

00:43:32,040 --> 00:43:30,430

Church which is not you know the Church

891

00:43:34,140 --> 00:43:32,050

of the latter-day Saint which I'm not

892

00:43:36,420 --> 00:43:34,150

really a hundred percent conversant on

893

00:43:38,760 --> 00:43:36,430

but I've I've read a little bit about it

894

00:43:40,200 --> 00:43:38,770

for two reasons and i'm going to share

895

00:43:43,290 --> 00:43:40,210

those right now and you know you can

896

00:43:47,850 --> 00:43:43,300

feel free to make a comment on it in in

897

00:43:52,140 --> 00:43:47,860

the looking at portal areas which the

898

00:43:59,700 --> 00:43:52,150

area of southern california into utah in

899

00:44:03,090 --> 00:43:59,710

two parts of Arizona and New Mexico is

900

00:44:06,930 --> 00:44:03,100

considered to be a portal area for of

901
00:44:10,010 --> 00:44:06,940
seeing UFOs and we've got the the ranch

902
00:44:12,660 --> 00:44:10,020
the skinwalker I didn't walk around now

903
00:44:14,640 --> 00:44:12,670
and then as Ron said they had the

904
00:44:16,640 --> 00:44:14,650
drawings on the case for thousands of

905
00:44:19,800 --> 00:44:16,650
years absolutely and the raytheon

906
00:44:23,790 --> 00:44:19,810
corporation has a big head quarters on

907
00:44:26,070 --> 00:44:23,800
near the town in northern Arizona that I

908
00:44:27,569 --> 00:44:26,080
was just talking about hopefully no well

909
00:44:30,150 --> 00:44:27,579
no it's it's right in northern

910
00:44:33,839 --> 00:44:30,160
Arizona its has been considered by many

911
00:44:35,759 --> 00:44:33,849
to be there because of its portal now

912
00:44:38,009 --> 00:44:35,769
these are conspiracy people and you know

913
00:44:40,160 --> 00:44:38,019

you might be true may not be true but

914

00:44:43,829 --> 00:44:40,170

then you've got upstate New York where

915

00:44:48,690 --> 00:44:43,839

we had here the the Hudson Valley

916

00:44:51,839 --> 00:44:48,700

sightings and where Joseph Smith I saw

917

00:44:56,339 --> 00:44:51,849

the angel which is also within a such a

918

00:45:00,120 --> 00:44:56,349

short space from where the Fox sisters

919

00:45:03,599 --> 00:45:00,130

the Fox sisters who ushered in the Grand

920

00:45:07,199 --> 00:45:03,609

age of American spiritualism with their

921

00:45:09,150 --> 00:45:07,209

rapping on the on the the table that you

922

00:45:13,910 --> 00:45:09,160

know too are you familiar with American

923

00:45:16,769 --> 00:45:13,920

spiritualism run yeah yeah and so the

924

00:45:20,549 --> 00:45:16,779

founder of Mormonism around the same

925

00:45:22,890 --> 00:45:20,559

time as the Fox sisters within like a 30

926
00:45:26,099 --> 00:45:22,900
mile radius they both came out of the

927
00:45:29,130 --> 00:45:26,109
same place at the same time which may

928
00:45:33,059 --> 00:45:29,140
might be a portal area it continues to

929
00:45:37,589 --> 00:45:33,069
be a place where UFOs are seen over the

930
00:45:40,529 --> 00:45:37,599
course of time as well as animals that

931
00:45:43,949 --> 00:45:40,539
are not supposedly native to the area

932
00:45:46,199 --> 00:45:43,959
like the Cougars in the any upstate

933
00:45:48,209 --> 00:45:46,209
areas are animals to what and bizarre

934
00:45:50,579 --> 00:45:48,219
animals and just like people claim to

935
00:45:52,199 --> 00:45:50,589
see little dinosaurs in the Mojave

936
00:45:55,650 --> 00:45:52,209
Desert and I don't know about these

937
00:45:57,599 --> 00:45:55,660
things but so I throw that out there but

938
00:45:59,400 --> 00:45:57,609

those portals are also described by the

939

00:46:02,489 --> 00:45:59,410

native people yes a Native American

940

00:46:05,069 --> 00:46:02,499

certainly were a very adept at nature

941

00:46:07,499 --> 00:46:05,079

and we're very observant and would

942

00:46:11,939 --> 00:46:07,509

report these things and the interesting

943

00:46:15,509 --> 00:46:11,949

fact of the matter is that um the in all

944

00:46:18,120 --> 00:46:15,519

of the Abrahamic religions um and to a

945

00:46:20,910 --> 00:46:18,130

lesser extent I suppose the the the

946

00:46:24,120 --> 00:46:20,920

Buddha SAT under the Bodhi tree and and

947

00:46:27,299 --> 00:46:24,130

and entities came to him but leaving him

948

00:46:30,930 --> 00:46:27,309

aside for the moment of these sightings

949

00:46:34,079 --> 00:46:30,940

of angels inside caves coming to people

950

00:46:36,539 --> 00:46:34,089

coming to Muhammad in the cave coming to

951
00:46:39,089 --> 00:46:36,549
Mary and Elizabeth to tell them that

952
00:46:41,040 --> 00:46:39,099
they were pregnant um there are these

953
00:46:44,490 --> 00:46:41,050
messengers that could

954
00:46:49,110 --> 00:46:44,500
very well be seen by a different kind of

955
00:46:52,890 --> 00:46:49,120
I as being alien visitors or the others

956
00:46:55,020 --> 00:46:52,900
right so um but then it comes back okay

957
00:46:57,420 --> 00:46:55,030
so they visit they influence but then

958
00:47:00,060 --> 00:46:57,430
why don't they tell us who they are and

959
00:47:01,980 --> 00:47:00,070
sometimes they do and again it's just

960
00:47:03,990 --> 00:47:01,990
unbelievable so you just think you're

961
00:47:07,050 --> 00:47:04,000
making it up in your own mind also they

962
00:47:09,830 --> 00:47:07,060
told the contactees um you know in the

963
00:47:13,710 --> 00:47:09,840

early to mid 50s the people that were

964

00:47:18,630 --> 00:47:13,720

contactees George Adamski and those

965

00:47:20,520 --> 00:47:18,640

folks at Truman bathroom and the who

966

00:47:23,040 --> 00:47:20,530

were out in the desert and and had

967

00:47:25,140 --> 00:47:23,050

complications in the desert probably not

968

00:47:27,960 --> 00:47:25,150

quite out as far as the Mojave but

969

00:47:31,140 --> 00:47:27,970

Southern California they told them they

970

00:47:34,830 --> 00:47:31,150

were from Venus and now these people are

971

00:47:39,990 --> 00:47:34,840

often mocked um and that they did

972

00:47:41,850 --> 00:47:40,000

perhaps fabricate some of what they said

973

00:47:43,770 --> 00:47:41,860

they saw embroidered it a little bit cuz

974

00:47:44,940 --> 00:47:43,780

once you have an experience sometimes

975

00:47:47,610 --> 00:47:44,950

it's nice to say you had another

976
00:47:49,650 --> 00:47:47,620
experience to keep the publicity or the

977
00:47:51,390 --> 00:47:49,660
interest going I'm not accusing them of

978
00:47:54,030 --> 00:47:51,400
anything I don't know what happened to

979
00:47:56,820 --> 00:47:54,040
them that Truman bathroom and and and

980
00:47:58,800 --> 00:47:56,830
George Adamski and several others but

981
00:48:03,090 --> 00:47:58,810
it's just it's just a very very

982
00:48:05,310 --> 00:48:03,100
interesting web that can be seen if we

983
00:48:07,560 --> 00:48:05,320
put these things a lot of these things

984
00:48:09,630 --> 00:48:07,570
together and certainly this book is a

985
00:48:11,940 --> 00:48:09,640
fantastic i was just going to say if you

986
00:48:14,400 --> 00:48:11,950
want to actually read about a real one

987
00:48:18,180 --> 00:48:14,410
it's the mojave instable javi incident

988
00:48:21,510 --> 00:48:18,190

by ron Felber and it's available on

989

00:48:25,890 --> 00:48:21,520

Amazon I'm I'm guessing it's yeah I

990

00:48:28,530 --> 00:48:25,900

don't are critics alone just be sure

991

00:48:30,300 --> 00:48:28,540

about the spirituality here's a section

992

00:48:33,600 --> 00:48:30,310

of transcript and I'm interested in what

993

00:48:35,010 --> 00:48:33,610

you think okay so at least why do you

994

00:48:37,200 --> 00:48:35,020

think there are things you don't want to

995

00:48:38,580 --> 00:48:37,210

remember I don't know is there something

996

00:48:40,980 --> 00:48:38,590

preventing you from sharing what you

997

00:48:42,690 --> 00:48:40,990

know I can't tell you if these days are

998

00:48:45,600 --> 00:48:42,700

in contact with you tell me what you

999

00:48:49,050 --> 00:48:45,610

know about them God created our world in

1000

00:48:51,120 --> 00:48:49,060

His image but not theirs Bob or any of

1001
00:48:53,610 --> 00:48:51,130
the others haha are the many different

1002
00:48:54,740 --> 00:48:53,620
kinds of beings yes different ones

1003
00:48:57,000 --> 00:48:54,750
different hybrid

1004
00:48:59,400 --> 00:48:57,010
when do you think this communication

1005
00:49:02,610 --> 00:48:59,410
will happen between the aliens and

1006
00:49:05,820 --> 00:49:02,620
humans I don't know in my lifetime how

1007
00:49:10,320 --> 00:49:05,830
long will you live in a normal man's

1008
00:49:14,040 --> 00:49:10,330
lifetime our children's hmm are we

1009
00:49:16,890 --> 00:49:14,050
watched as a population regularly yes by

1010
00:49:19,260 --> 00:49:16,900
many different kinds of beings sent on

1011
00:49:21,570 --> 00:49:19,270
missions from the one supreme she said

1012
00:49:24,180 --> 00:49:21,580
finishing my set huh what do you mean

1013
00:49:26,190 --> 00:49:24,190

there's one Supreme Being that controls

1014

00:49:28,100 --> 00:49:26,200

all of them he sends missions here

1015

00:49:31,590 --> 00:49:28,110

they're not here of their own accord

1016

00:49:35,280 --> 00:49:31,600

this is like a president or like a god

1017

00:49:37,410 --> 00:49:35,290

she responded directly hmm what else do

1018

00:49:39,480 --> 00:49:37,420

you know about the one supreme the

1019

00:49:41,870 --> 00:49:39,490

beings could care less if they were here

1020

00:49:44,190 --> 00:49:41,880

or not they're just following orders

1021

00:49:46,650 --> 00:49:44,200

where do I take this from here I'm

1022

00:49:49,530 --> 00:49:46,660

wondering you talked about the universe

1023

00:49:52,140 --> 00:49:49,540

and matter earlier you said our universe

1024

00:49:54,480 --> 00:49:52,150

ends where there's begins she finishes

1025

00:49:57,300 --> 00:49:54,490

our universe ends when it stops

1026
00:50:00,210 --> 00:49:57,310
mattering to us and starts mattering to

1027
00:50:02,880 --> 00:50:00,220
them what does that mean I don't know

1028
00:50:05,310 --> 00:50:02,890
the missions these aliens are on are

1029
00:50:07,890 --> 00:50:05,320
they friendly or unfriendly they're

1030
00:50:10,920 --> 00:50:07,900
neutral they could care less what does

1031
00:50:13,560 --> 00:50:10,930
the one supreme one for all the galaxies

1032
00:50:16,740 --> 00:50:13,570
to live harmoniously together do we have

1033
00:50:19,380 --> 00:50:16,750
a separate God from the one supreme know

1034
00:50:22,200 --> 00:50:19,390
what else do you know about this entity

1035
00:50:26,010 --> 00:50:22,210
is it a being like the others read the

1036
00:50:28,950 --> 00:50:26,020
Bible hmm Wow what would you make of

1037
00:50:31,110 --> 00:50:28,960
that Wow I tell you I I could look at it

1038
00:50:33,300 --> 00:50:31,120

two different ways run I could really

1039

00:50:38,220 --> 00:50:33,310

look at it two different ways one way

1040

00:50:41,220 --> 00:50:38,230

one could take it as it's spoken and I

1041

00:50:44,610 --> 00:50:41,230

have no doubt that your witnesses you

1042

00:50:47,340 --> 00:50:44,620

know took it like it was spoken on the

1043

00:50:50,370 --> 00:50:47,350

other hand I could look at it and go in

1044

00:50:53,880 --> 00:50:50,380

kate's route where she mentions that

1045

00:50:57,000 --> 00:50:53,890

there is a theory and it's been

1046

00:51:01,620 --> 00:50:57,010

promulgated by several UFO researchers

1047

00:51:04,830 --> 00:51:01,630

who have you know with reasonably well

1048

00:51:08,400 --> 00:51:04,840

thought about ufologists that on the

1049

00:51:11,580 --> 00:51:08,410

greys are mechanical beings

1050

00:51:14,610 --> 00:51:11,590

and for them it could be considered that

1051
00:51:16,590 --> 00:51:14,620
the one supreme is their maker in other

1052
00:51:22,830 --> 00:51:16,600
words like the person who made the first

1053
00:51:25,650 --> 00:51:22,840
computer like that that hello let's

1054
00:51:31,280 --> 00:51:25,660
there goes the one supreme yeah you're

1055
00:51:34,650 --> 00:51:31,290
getting cold wrong but that it could be

1056
00:51:36,990 --> 00:51:34,660
such a thing as as the maker of the

1057
00:51:39,360 --> 00:51:37,000
computer and that the one supreme could

1058
00:51:41,520 --> 00:51:39,370
be like I forgive me I'm not a real star

1059
00:51:43,890 --> 00:51:41,530
trekky and but the Borg is that with the

1060
00:51:46,590 --> 00:51:43,900
Borg was well not really not really okay

1061
00:51:50,490 --> 00:51:46,600
but anyway but but like this computer

1062
00:51:53,280 --> 00:51:50,500
that created that somebody had suggested

1063
00:51:54,540 --> 00:51:53,290

that a way to explore the universe for

1064

00:51:57,450 --> 00:51:54,550

human beings who were flesh-and-blood

1065

00:51:59,730 --> 00:51:57,460

and have limited life spans would be to

1066

00:52:03,030 --> 00:51:59,740

create these self-replicating robots

1067

00:52:06,360 --> 00:52:03,040

that would go well yeah perhaps that

1068

00:52:08,580 --> 00:52:06,370

that's that's probably it and so it

1069

00:52:11,580 --> 00:52:08,590

could be something like that but then

1070

00:52:15,300 --> 00:52:11,590

the other part that is kind of chilling

1071

00:52:18,450 --> 00:52:15,310

is the end when when when the world star

1072

00:52:21,810 --> 00:52:18,460

starts mattering less to us and more to

1073

00:52:23,760 --> 00:52:21,820

them that is sort of um that brings me

1074

00:52:25,890 --> 00:52:23,770

into david jacobs territory like a

1075

00:52:28,530 --> 00:52:25,900

thread almost isn't it yeah it is yeah

1076

00:52:31,290 --> 00:52:28,540

like are there are there aliens walking

1077

00:52:33,840 --> 00:52:31,300

amongst us are their hybrids walking

1078

00:52:36,630 --> 00:52:33,850

amongst us David Jacob says yes I say

1079

00:52:40,170 --> 00:52:36,640

maybe I don't like the idea but maybe

1080

00:52:42,420 --> 00:52:40,180

and then I think about us being um kind

1081

00:52:45,240 --> 00:52:42,430

of Angry Apes with guns and I wonder if

1082

00:52:47,400 --> 00:52:45,250

we deserve it but you know in a way it's

1083

00:52:51,600 --> 00:52:47,410

almost like imperialist looking at

1084

00:52:54,120 --> 00:52:51,610

Africa so yes you say when does Africa

1085

00:52:56,760 --> 00:52:54,130

matter well Africa matters to

1086

00:52:59,790 --> 00:52:56,770

imperialists what it matters right

1087

00:53:02,820 --> 00:52:59,800

register alrighty good mmm when you need

1088

00:53:04,650 --> 00:53:02,830

that oil or we have Skynyrd away

1089

00:53:08,550 --> 00:53:04,660

whatever horrible thing right now we

1090

00:53:11,760 --> 00:53:08,560

don't write when we do count on it we'll

1091

00:53:14,490 --> 00:53:11,770

be back you know yeah yeah that that

1092

00:53:16,530 --> 00:53:14,500

actually is a nice analogy because it

1093

00:53:19,620 --> 00:53:16,540

sort of brings two cultures into clash

1094

00:53:21,660 --> 00:53:19,630

and that's what may be going on here I

1095

00:53:22,380 --> 00:53:21,670

don't know what they'd want I always

1096

00:53:24,480 --> 00:53:22,390

think that

1097

00:53:26,819 --> 00:53:24,490

this planet happens to be extremely

1098

00:53:29,579 --> 00:53:26,829

fortunate as being temperate in many

1099

00:53:31,769 --> 00:53:29,589

ways well the water part in many ways

1100

00:53:33,809 --> 00:53:31,779

and I don't know that there are that

1101

00:53:35,819 --> 00:53:33,819

many you know just you know an

1102

00:53:38,400 --> 00:53:35,829

anthropologist have gotten into some lot

1103

00:53:40,730 --> 00:53:38,410

of different ways but many planets are

1104

00:53:43,829 --> 00:53:40,740

conducive to developing a

1105

00:53:45,509 --> 00:53:43,839

technologically capable being just that

1106

00:53:49,079 --> 00:53:45,519

there are harsh conditions and blah blah

1107

00:53:51,569 --> 00:53:49,089

and stuff and so I think we may actually

1108

00:53:54,839 --> 00:53:51,579

be something that sticks out on a lot of

1109

00:53:57,000 --> 00:53:54,849

people's maps weather for the area we

1110

00:53:59,880 --> 00:53:57,010

may be like in other words for this

1111

00:54:02,549 --> 00:53:59,890

quadrant so to speak we may be but when

1112

00:54:05,009 --> 00:54:02,559

you consider trillions of planets around

1113

00:54:08,039 --> 00:54:05,019

trillions of stars around millions of

1114

00:54:10,140 --> 00:54:08,049

galaxies mmm I'm not sure what in the

1115

00:54:11,549 --> 00:54:10,150

quadrant you could be absolutely all

1116

00:54:13,680 --> 00:54:11,559

right just that it took four billion

1117

00:54:16,049 --> 00:54:13,690

years as far as we know for life to do

1118

00:54:19,650 --> 00:54:16,059

it the technological life to develop

1119

00:54:21,839 --> 00:54:19,660

here as far as we know I end up with a

1120

00:54:24,150 --> 00:54:21,849

quote from Norman Mailer for you oh

1121

00:54:26,009 --> 00:54:24,160

great yeah I got it really here he

1122

00:54:28,880 --> 00:54:26,019

captures a little bit of what you know

1123

00:54:31,650 --> 00:54:28,890

we're talking about okay says the devil

1124

00:54:34,740 --> 00:54:31,660

might be a present from another universe

1125

00:54:37,499 --> 00:54:34,750

haha we might be fighting an implacable

1126

00:54:40,559 --> 00:54:37,509

enemy out there and the devil might be

1127

00:54:43,140 --> 00:54:40,569

the agent of the implacable enemy with

1128

00:54:47,519 --> 00:54:43,150

God is the tired general fighting that

1129

00:54:50,519 --> 00:54:47,529

war with his own agents of hope oh man

1130

00:54:53,579 --> 00:54:50,529

that is that is very chilling it's also

1131

00:54:59,039 --> 00:54:53,589

depressing god yes and I mean you know

1132

00:55:01,710 --> 00:54:59,049

win the fight as as an experimenter of a

1133

00:55:05,339 --> 00:55:01,720

different what appeared to me to be a

1134

00:55:09,720 --> 00:55:05,349

different form of entity but not an

1135

00:55:13,740 --> 00:55:09,730

unknown form of entity basically a you

1136

00:55:15,480 --> 00:55:13,750

know at all Arian looking being but I

1137

00:55:17,460 --> 00:55:15,490

have no way of knowing whether this was

1138

00:55:20,400 --> 00:55:17,470

a projection on my subconscious or

1139

00:55:23,279 --> 00:55:20,410

whether the being was actually had that

1140

00:55:26,819 --> 00:55:23,289

physicality so this is this is the

1141

00:55:30,269 --> 00:55:26,829

problem when you're dealing with someone

1142

00:55:34,890 --> 00:55:30,279

so much smarter is that then you that it

1143

00:55:36,300 --> 00:55:34,900

makes you seem like a flea by comparison

1144

00:55:37,800 --> 00:55:36,310

well you

1145

00:55:40,290 --> 00:55:37,810

look at a lot of these things in two

1146

00:55:42,630 --> 00:55:40,300

ways so let's take this this story you

1147

00:55:46,170 --> 00:55:42,640

can say that that these beings grew

1148

00:55:50,220 --> 00:55:46,180

these anthropomorphised characters of

1149

00:55:53,280 --> 00:55:50,230

God an angel you know a demon etc out of

1150

00:55:54,840 --> 00:55:53,290

their heads the glam lines etc because

1151
00:55:58,050 --> 00:55:54,850
they were familiar and because they were

1152
00:56:00,960 --> 00:55:58,060
there and they could use them to evoke

1153
00:56:02,790 --> 00:56:00,970
the emotions they wanted to draw out

1154
00:56:05,430 --> 00:56:02,800
just they were familiar and they were

1155
00:56:07,860 --> 00:56:05,440
scary or they were happy or whatever

1156
00:56:11,250 --> 00:56:07,870
they were or comforting on the other

1157
00:56:14,160 --> 00:56:11,260
hand maybe it was real huh on the other

1158
00:56:16,700 --> 00:56:14,170
hand may be exactly what they saw was

1159
00:56:19,950 --> 00:56:16,710
literal and exactly the way it was and

1160
00:56:23,460 --> 00:56:19,960
that's really the question as I see it

1161
00:56:25,830 --> 00:56:23,470
but but as I said before this is quite

1162
00:56:29,160 --> 00:56:25,840
unlike the glimpses you see into things

1163
00:56:31,710 --> 00:56:29,170

this is a full blown yes universe

1164

00:56:35,940 --> 00:56:31,720

exposed for a very short period of time

1165

00:56:40,230 --> 00:56:35,950

no before we end I want to bring up one

1166

00:56:42,240 --> 00:56:40,240

thing I assume and I I fairly well know

1167

00:56:45,930 --> 00:56:42,250

this that you change the names of the

1168

00:56:47,880 --> 00:56:45,940

people yes and you had mentioned that

1169

00:56:51,780 --> 00:56:47,890

they have children who don't know about

1170

00:56:53,880 --> 00:56:51,790

this so that you know there we have no

1171

00:56:56,160 --> 00:56:53,890

real reason to bring up their actual

1172

00:56:58,110 --> 00:56:56,170

names or anything else but can I assume

1173

00:57:00,030 --> 00:56:58,120

that you've also fallen out of touch

1174

00:57:01,620 --> 00:57:00,040

with them for whatever reason and you

1175

00:57:05,490 --> 00:57:01,630

don't know the outcome with them right

1176

00:57:06,870 --> 00:57:05,500

now no actually I can't say that we're

1177

00:57:09,150 --> 00:57:06,880

closed for anything like that but we've

1178

00:57:12,060 --> 00:57:09,160

been in contact with one another as

1179

00:57:15,600 --> 00:57:12,070

recently as maybe three weeks ago it's

1180

00:57:18,420 --> 00:57:15,610

just something that in there there you

1181

00:57:20,520 --> 00:57:18,430

know this is the way it is if you if you

1182

00:57:22,950 --> 00:57:20,530

meet somebody in a bar and they tell you

1183

00:57:25,140 --> 00:57:22,960

about the war experiences and their

1184

00:57:28,130 --> 00:57:25,150

heroics they were never in really a

1185

00:57:32,820 --> 00:57:28,140

battle people that were really in

1186

00:57:35,070 --> 00:57:32,830

gruesome war like scenarios don't talk

1187

00:57:37,560 --> 00:57:35,080

about it because they don't want to talk

1188

00:57:41,040 --> 00:57:37,570

about it that's what these people are

1189

00:57:44,900 --> 00:57:41,050

like ah ok they just want to forget it

1190

00:57:48,480 --> 00:57:44,910

ever had these experiences tend to be

1191

00:57:50,820 --> 00:57:48,490

multi-generational though run I mean

1192

00:57:53,460 --> 00:57:50,830

and certainly the one son seems to have

1193

00:57:56,100 --> 00:57:53,470

been affected too I wonder if their

1194

00:57:59,760 --> 00:57:56,110

parents had had experiences like that or

1195

00:58:02,940 --> 00:57:59,770

if well is the top Tom Gifford when he

1196

00:58:06,270 --> 00:58:02,950

was eight mm-hmm was fishing with a

1197

00:58:07,770 --> 00:58:06,280

friend and had just this just a UFO

1198

00:58:09,840 --> 00:58:07,780

xperia they're fishing they saw this

1199

00:58:12,030 --> 00:58:09,850

object they ran away from the object

1200

00:58:14,070 --> 00:58:12,040

they felt like the object was following

1201
00:58:18,810 --> 00:58:14,080
them and they had any had two missing

1202
00:58:22,410 --> 00:58:18,820
time huh so let's say 30 25 years later

1203
00:58:24,780 --> 00:58:22,420
or so when this happened this like drove

1204
00:58:28,680 --> 00:58:24,790
this back in his head like you know like

1205
00:58:30,690 --> 00:58:28,690
it was yes so well then there are no

1206
00:58:33,270 --> 00:58:30,700
coincidences I mean as far as the

1207
00:58:35,850 --> 00:58:33,280
campground being closed to further Gabby

1208
00:58:38,430 --> 00:58:35,860
debt you know you put up a tent I mean

1209
00:58:41,040 --> 00:58:38,440
so one more tent comes in you know that

1210
00:58:44,370 --> 00:58:41,050
seems a little I know a little odd to

1211
00:58:47,190 --> 00:58:44,380
the whole day seems in a way to a

1212
00:58:49,140 --> 00:58:47,200
business that scenario yes yes I want to

1213
00:58:51,270 --> 00:58:49,150

just bring up one other thing because

1214

00:58:53,760 --> 00:58:51,280

you had mentioned this a few minutes ago

1215

00:58:57,570 --> 00:58:53,770

Ron and that people don't want to

1216

00:59:00,120 --> 00:58:57,580

discuss it and I want to just tell you

1217

00:59:03,030 --> 00:59:00,130

something that's been happening of the

1218

00:59:06,680 --> 00:59:03,040

past up I would say 10 years and this

1219

00:59:09,630 --> 00:59:06,690

happened for Travis Walton as well and

1220

00:59:11,340 --> 00:59:09,640

to a much lesser extent because I didn't

1221

00:59:13,710 --> 00:59:11,350

have anywhere near as dramatic

1222

00:59:16,530 --> 00:59:13,720

experiences as the couple that you're

1223

00:59:19,349 --> 00:59:16,540

speaking about Nora Travis Walton but

1224

00:59:21,810 --> 00:59:19,359

people go through a period of time where

1225

00:59:24,690 --> 00:59:21,820

they bury this and then at some later

1226
00:59:26,520 --> 00:59:24,700
point and for me it was around 10 years

1227
00:59:29,490 --> 00:59:26,530
ago when it was like somebody just

1228
00:59:32,400 --> 00:59:29,500
turned a light switch on and i had to

1229
00:59:35,040 --> 00:59:32,410
get more and more involved in the you

1230
00:59:37,800 --> 00:59:35,050
valla g area and i happen to know a

1231
00:59:40,380 --> 00:59:37,810
number of men all of whom are

1232
00:59:42,950 --> 00:59:40,390
approximately in their late 50s shall we

1233
00:59:46,020 --> 00:59:42,960
say and this happened for them as well

1234
00:59:48,720 --> 00:59:46,030
that there was a point in time when they

1235
00:59:51,420 --> 00:59:48,730
just had to get re-involved and in terms

1236
00:59:53,760 --> 00:59:51,430
of Travis Walton he he did write his

1237
00:59:55,980 --> 00:59:53,770
book early on and they did make a movie

1238
00:59:57,630 --> 00:59:55,990

of it but then he went underground for a

1239

00:59:59,700 --> 00:59:57,640

number of years and it's only been in

1240

01:00:02,099 --> 00:59:59,710

the last what would you say Kate five

1241

01:00:04,380 --> 01:00:02,109

years ago that he came back out

1242

01:00:08,069 --> 01:00:04,390

and was prepared to start talking about

1243

01:00:10,950 --> 01:00:08,079

it um I myself are you know am still

1244

01:00:15,029 --> 01:00:10,960

traumatized by my much lesser experience

1245

01:00:17,430 --> 01:00:15,039

to the to the extent that i often feel

1246

01:00:20,549 --> 01:00:17,440

frightened and watched and don't care to

1247

01:00:23,160 --> 01:00:20,559

be alone in in circumstances to and i'm

1248

01:00:26,640 --> 01:00:23,170

a very you know 2 feet on the ground

1249

01:00:30,109 --> 01:00:26,650

sort of a person very practical i drive

1250

01:00:32,759 --> 01:00:30,119

a car you know I do have no particular

1251

01:00:35,670 --> 01:00:32,769

great fears in the regular world but

1252

01:00:39,180 --> 01:00:35,680

when it comes to this it's like it's

1253

01:00:42,150 --> 01:00:39,190

it's a fear that you can you can explain

1254

01:00:45,359 --> 01:00:42,160

because it's not a mental fear it's a

1255

01:00:47,970 --> 01:00:45,369

biological fear and we had spoken to a

1256

01:00:51,269 --> 01:00:47,980

guest at one point another woman who

1257

01:00:54,059 --> 01:00:51,279

spoke to this point as well that it's

1258

01:00:56,069 --> 01:00:54,069

it's it's Tara its raw Tara it's not

1259

01:00:58,380 --> 01:00:56,079

like a psychological fear like i'm a

1260

01:01:00,539 --> 01:00:58,390

i-i-i am afraid of snakes you know i am

1261

01:01:01,920 --> 01:01:00,549

literally afraid of snakes now I don't

1262

01:01:04,140 --> 01:01:01,930

go around thinking about them i don't

1263

01:01:06,089 --> 01:01:04,150

have a morbid obsession with them but

1264

01:01:09,660 --> 01:01:06,099

i'm afraid of snakes it's not that kind

1265

01:01:11,910 --> 01:01:09,670

of fear no it's a raw biological terror

1266

01:01:14,489 --> 01:01:11,920

that if someone hasn't had it they don't

1267

01:01:19,019 --> 01:01:14,499

know what it's like i I couldn't agree

1268

01:01:20,849 --> 01:01:19,029

more so um I guess our time has kind of

1269

01:01:23,640 --> 01:01:20,859

drawn to a close and we would like to

1270

01:01:27,059 --> 01:01:23,650

thank you very much yes and thank you

1271

01:01:30,299 --> 01:01:27,069

for for this book mohave incident again

1272

01:01:33,749 --> 01:01:30,309

I I would caution the listener do not

1273

01:01:37,079 --> 01:01:33,759

read this alone oh no seriously it

1274

01:01:38,910 --> 01:01:37,089

sounded so scared there was also you

1275

01:01:40,739 --> 01:01:38,920

know what it is you can read scary

1276
01:01:43,170 --> 01:01:40,749
things like I mean like the vampires and

1277
01:01:44,430 --> 01:01:43,180
stuff and they're scary but who cares

1278
01:01:47,039 --> 01:01:44,440
you know I don't stay up at night

1279
01:01:48,960 --> 01:01:47,049
worrying about vampires but something

1280
01:01:52,349 --> 01:01:48,970
like this really had a ring of truth to

1281
01:01:55,890 --> 01:01:52,359
it I know I know that's what captured me

1282
01:01:58,769 --> 01:01:55,900
yeah is the reactions yeah words they're

1283
01:02:00,630 --> 01:01:58,779
so human yeah and and you know it

1284
01:02:02,670 --> 01:02:00,640
happened to them and they're just you

1285
01:02:04,499 --> 01:02:02,680
know the why don't say run of the but

1286
01:02:06,150 --> 01:02:04,509
you know the average people and so

1287
01:02:08,370 --> 01:02:06,160
what's to say it couldn't happen to you

1288
01:02:10,319 --> 01:02:08,380

admitting the wrong Americans except I

1289

01:02:13,229 --> 01:02:10,329

can't infer she can I ask one just one

1290

01:02:15,990 --> 01:02:13,239

small favor sure of the people that do

1291

01:02:20,550 --> 01:02:17,790

they could post something on either

1292

01:02:22,380 --> 01:02:20,560

amazon or barnes & noble you know about

1293

01:02:24,180 --> 01:02:22,390

the book a review of the book what they

1294

01:02:26,340 --> 01:02:24,190

think that would be really very helpful

1295

01:02:28,890 --> 01:02:26,350

to me oh great well be happy to ask our

1296

01:02:30,630 --> 01:02:28,900

listeners to do that and likewise we

1297

01:02:34,110 --> 01:02:30,640

would like you to like us on facebook

1298

01:02:35,970 --> 01:02:34,120

and like us on our website because it

1299

01:02:38,040 --> 01:02:35,980

means a lot to us as well and and hey

1300

01:02:40,590 --> 01:02:38,050

you know these are stories that need to

1301
01:02:44,160 --> 01:02:40,600
be told absolutely there's changing the

1302
01:02:46,530 --> 01:02:44,170
shifting paradigms these you know what

1303
01:02:48,750 --> 01:02:46,540
is reality really this is what we want

1304
01:02:51,270 --> 01:02:48,760
to want to investigate also it's very

1305
01:02:53,120 --> 01:02:51,280
difficult to write about something like

1306
01:02:56,010 --> 01:02:53,130
this and you did a great job doing it

1307
01:02:58,380 --> 01:02:56,020
now seriously it is it's it's hard to

1308
01:03:00,180 --> 01:02:58,390
pull it all together in some sort of

1309
01:03:02,790 --> 01:03:00,190
chronological order you did very well

1310
01:03:04,410 --> 01:03:02,800
it's a great i'm sorry you know so so

1311
01:03:06,810 --> 01:03:04,420
funny i was thinking about it the other

1312
01:03:10,350 --> 01:03:06,820
day so somebody sabino president reagan

1313
01:03:12,510 --> 01:03:10,360

so I a UFO Jimmy Carter reported it so

1314

01:03:14,880 --> 01:03:12,520

there's no why don't know people but but

1315

01:03:16,410 --> 01:03:14,890

the Governor of Arizona recently came

1316

01:03:18,750 --> 01:03:16,420

out and said you know during the Phoenix

1317

01:03:20,730 --> 01:03:18,760

lights and he to Allied mm-hmm and that

1318

01:03:23,520 --> 01:03:20,740

really he had not only seen it but he

1319

01:03:25,320 --> 01:03:23,530

saw again on UFO the size of a football

1320

01:03:27,450 --> 01:03:25,330

field hovering over him and his son

1321

01:03:29,610 --> 01:03:27,460

which is like these are incredible these

1322

01:03:33,660 --> 01:03:29,620

are credible people he's are not sure

1323

01:03:36,120 --> 01:03:33,670

well if they use it people in power use

1324

01:03:39,300 --> 01:03:36,130

it to denigrate those who have seen it

1325

01:03:42,480 --> 01:03:39,310

often it's it's a it's a a power play

1326
01:03:44,820 --> 01:03:42,490
like the the senator who was running for

1327
01:03:47,940 --> 01:03:44,830
election for president he was running

1328
01:03:50,490 --> 01:03:47,950
back oh I guess it was eight years ago

1329
01:03:52,110 --> 01:03:50,500
what was his name hella silly guy the

1330
01:03:54,450 --> 01:03:52,120
one that they always make fun of well

1331
01:03:56,880 --> 01:03:54,460
they made fun of him why because i cor

1332
01:03:59,520 --> 01:03:56,890
UFO thank you he's not a silly guy yeah

1333
01:04:01,860 --> 01:03:59,530
so no he was some other stuff yeah

1334
01:04:05,280 --> 01:04:01,870
anyway a matter of opinion there are

1335
01:04:07,260 --> 01:04:05,290
other things not just that no but one

1336
01:04:08,730 --> 01:04:07,270
way or the other what else it's more and

1337
01:04:12,840 --> 01:04:08,740
more i think these things are getting

1338
01:04:16,350 --> 01:04:12,850

less babe uh-huh more concrete okay less

1339

01:04:18,150 --> 01:04:16,360

less glimpses and more sustained huh and

1340

01:04:20,580 --> 01:04:18,160

i think it's very clear that if you look

1341

01:04:23,430 --> 01:04:20,590

at the history of this from Betty and

1342

01:04:25,650 --> 01:04:23,440

Barney Hill and some flash camera of a

1343

01:04:28,059 --> 01:04:25,660

photo of you know you off alone the

1344

01:04:31,479 --> 01:04:28,069

Himalayas from the 50s

1345

01:04:36,329 --> 01:04:31,489

52 now this has really become something

1346

01:04:39,969 --> 01:04:36,339

very substantial and very much a part of

1347

01:04:43,059 --> 01:04:39,979

human human consciousness we would agree

1348

01:04:47,439 --> 01:04:43,069

yeah yeah so I just hope that we find

1349

01:04:51,099 --> 01:04:47,449

out in our lifetimes but nice maybe not

1350

01:04:56,739 --> 01:04:51,109

ever said in our children's ok I am

1351

01:05:00,099 --> 01:04:56,749

1352

say fare you well and we'll try to keep

1353

1358

01:05:18,759 --> 01:05:16,190
