

1  
00:00:23,740 --> 00:00:20,150  
welcome to shattered reality with your

2  
00:00:26,720 --> 00:00:23,750  
hosts kate valentine and Farrugia

3  
00:00:31,790 --> 00:00:26,730  
prepare to head her paradigms shifted

4  
00:00:34,910 --> 00:00:31,800  
into truths questioned and now shattered

5  
00:00:37,880 --> 00:00:34,920  
right I ferocious is he Valentine and

6  
00:00:40,790 --> 00:00:37,890  
we're very very happy to have an old

7  
00:00:44,450 --> 00:00:40,800  
friend on as our guest today Kathleen

8  
00:00:47,299 --> 00:00:44,460  
Martin a very well-known person in the

9  
00:00:49,670 --> 00:00:47,309  
you ufology field and the field of

10  
00:00:52,340 --> 00:00:49,680  
abductions in the field of more

11  
00:00:55,280 --> 00:00:52,350  
interestingly abduction research I think

12  
00:00:57,470 --> 00:00:55,290  
Kathleen was one of if not the only

13  
00:01:01,160 --> 00:00:57,480

person along with Denise stoner to

14

00:01:03,310 --> 00:01:01,170

actually try to quantify some details of

15

00:01:06,469 --> 00:01:03,320

abduction so that was very interesting

16

00:01:08,240 --> 00:01:06,479

but certainly I think the way and I

17

00:01:10,310 --> 00:01:08,250

think as they will agree with me the way

18

00:01:13,250 --> 00:01:10,320

she got started and all this and she

19

00:01:16,070 --> 00:01:13,260

happens to be the niece of betty and

20

00:01:18,320 --> 00:01:16,080

barney him is that correct kathleen that

21

00:01:22,090 --> 00:01:18,330

is correct yeah you really had some

22

00:01:25,760 --> 00:01:22,100

first-hand experience that was great I

23

00:01:28,399 --> 00:01:25,770

nice to speak with you again Kathleen we

24

00:01:31,580 --> 00:01:28,409

met a couple of times in the past first

25

00:01:35,210 --> 00:01:31,590

time at Kate Valentine's Atlantic Coast

26

00:01:36,890 --> 00:01:35,220

UFO convention in atlantic city at the

27

00:01:43,190 --> 00:01:36,900

cocktail party we had a lovely

28

00:01:47,450 --> 00:01:43,200

conversation and because of our show not

29

00:01:50,660 --> 00:01:47,460

being totally involved with UFOs because

30

00:01:53,210 --> 00:01:50,670

our show leans heavily on areas of

31

00:01:55,580 --> 00:01:53,220

consciousness and parapsychology and

32

00:01:58,039 --> 00:01:55,590

remote viewing and other things there

33

00:02:02,270 --> 00:01:58,049

may be people out in our listening

34

00:02:07,310 --> 00:02:02,280

audience who do not know the Betty and

35

00:02:11,569 --> 00:02:07,320

Barney Hill saga that you were a part of

36

00:02:14,710 --> 00:02:11,579

as a teenager and I wonder without going

37

00:02:16,960 --> 00:02:14,720

into every detail

38

00:02:19,870 --> 00:02:16,970

perhaps you can give these people a

39

00:02:22,660 --> 00:02:19,880

little heads-up about the you know the

40

00:02:26,020 --> 00:02:22,670

date and kind of the overview of what

41

00:02:29,260 --> 00:02:26,030

happened I'd be happy to the date was

42

00:02:31,030 --> 00:02:29,270

September nineteen nineteen sixty one my

43

00:02:33,250 --> 00:02:31,040

aunt and uncle Betty and Barney Hill

44

00:02:36,010 --> 00:02:33,260

were returning to their home in

45

00:02:38,740 --> 00:02:36,020

Portsmouth New Hampshire from a vacation

46

00:02:41,280 --> 00:02:38,750

to Niagara Falls they went to Toronto

47

00:02:43,780 --> 00:02:41,290

than to Montreal and we're driving home

48

00:02:46,690 --> 00:02:43,790

during the night when they had a close

49

00:02:50,100 --> 00:02:46,700

encounter with the UFO it was so close

50

00:02:53,170 --> 00:02:50,110

that it actually hovered a hundred feet

51  
00:02:57,130 --> 00:02:53,180  
approximately above their vehicle my

52  
00:02:59,830 --> 00:02:57,140  
uncle stopped the car got out the craft

53  
00:03:02,710 --> 00:02:59,840  
shifted to a field followed it into the

54  
00:03:06,340 --> 00:03:02,720  
field he observed individuals on the

55  
00:03:09,850 --> 00:03:06,350  
craft that he immediately stated were

56  
00:03:13,390 --> 00:03:09,860  
somehow not human they frightened him

57  
00:03:15,250 --> 00:03:13,400  
greatly he ran back to the vehicle was

58  
00:03:18,160 --> 00:03:15,260  
speeding down the road because he had

59  
00:03:20,490 --> 00:03:18,170  
the impression that if he didn't get out

60  
00:03:24,130 --> 00:03:20,500  
of there he was going to be captured and

61  
00:03:27,210 --> 00:03:24,140  
as he's driving down the road very

62  
00:03:30,580 --> 00:03:27,220  
rapidly he and my auntie a series of

63  
00:03:35,259 --> 00:03:30,590

code like buzzing Sam striking the trunk

64

00:03:37,870 --> 00:03:35,269

of the car they then feel a tingling

65

00:03:40,300 --> 00:03:37,880

sensation pass through their bodies the

66

00:03:42,940 --> 00:03:40,310

car is vibrating and the next thing they

67

00:03:45,310 --> 00:03:42,950

know the 35 miles down the road they

68

00:03:48,130 --> 00:03:45,320

have very little memory of what happened

69

00:03:50,670 --> 00:03:48,140

in the interim they remembered a

70

00:03:55,449 --> 00:03:50,680

roadblock somewhere along the way of

71

00:03:56,920 --> 00:03:55,459

fiery orb and that was about it they

72

00:03:58,720 --> 00:03:56,930

went home and they discovered that there

73

00:04:01,630 --> 00:03:58,730

was physical evidence that they could

74

00:04:03,640 --> 00:04:01,640

not explain my aunt's dress was torn in

75

00:04:06,160 --> 00:04:03,650

several places the tops of my uncle's

76  
00:04:08,710 --> 00:04:06,170  
best dress shoes were so deeply scraped

77  
00:04:12,910 --> 00:04:08,720  
he had to buy new shoes their watches

78  
00:04:15,430 --> 00:04:12,920  
had permanently stopped and there was a

79  
00:04:18,580 --> 00:04:15,440  
magnetic field around the trunk of the

80  
00:04:25,300 --> 00:04:18,590  
car and shiny spots where they heard

81  
00:04:27,550 --> 00:04:25,310  
those buzzing sounds they knew that

82  
00:04:28,540 --> 00:04:27,560  
something unusual had happened they

83  
00:04:31,030 --> 00:04:28,550  
didn't know

84  
00:04:33,510 --> 00:04:31,040  
actually what except for the sighting

85  
00:04:37,930 --> 00:04:33,520  
they reported it to Pease Air Force Base

86  
00:04:39,880 --> 00:04:37,940  
it was very distressing to my uncle who

87  
00:04:44,440 --> 00:04:39,890  
would actually observed the nonhumans

88  
00:04:48,670 --> 00:04:44,450

and this caused so much distress that he

89

00:04:51,790 --> 00:04:48,680

was referred to dr. Benjamin Simon in

90

00:04:54,460 --> 00:04:51,800

boston massachusetts and he and my aunt

91

00:04:58,240 --> 00:04:54,470

had separate hypnosis sessions with dr.

92

00:05:00,430 --> 00:04:58,250

Simon for a period of six months and he

93

00:05:03,430 --> 00:05:00,440

imposed amnesia at the end of each

94

00:05:07,780 --> 00:05:03,440

session and they came out with the same

95

00:05:10,300 --> 00:05:07,790

story of alien abduction their case was

96

00:05:15,240 --> 00:05:10,310

the first in the United States we were

97

00:05:18,100 --> 00:05:15,250

not aware of this before this occurred

98

00:05:20,710 --> 00:05:18,110

one question that I have and I think

99

00:05:23,380 --> 00:05:20,720

this would be of interest to many of our

100

00:05:27,340 --> 00:05:23,390

listeners who don't know the story can

101  
00:05:33,000 --> 00:05:27,350  
you give a description of said non-human

102  
00:05:37,360 --> 00:05:33,010  
entities I can my uncle said that they

103  
00:05:39,370 --> 00:05:37,370  
had large heads larger in proportion to

104  
00:05:43,660 --> 00:05:39,380  
their bodies and humans they were

105  
00:05:47,200 --> 00:05:43,670  
hairless their extremities he described

106  
00:05:51,420 --> 00:05:47,210  
as being spindly they were smaller than

107  
00:05:55,810 --> 00:05:51,430  
the average human and they spoke

108  
00:05:58,150 --> 00:05:55,820  
telepathically and that sort of said to

109  
00:05:59,950 --> 00:05:58,160  
seem and a lot of people say well they

110  
00:06:02,830 --> 00:05:59,960  
were just describing what a lot of other

111  
00:06:04,660 --> 00:06:02,840  
people had to had happened to a lot of

112  
00:06:08,290 --> 00:06:04,670  
other people but as you said they were

113  
00:06:12,330 --> 00:06:08,300

the first and they actually made life a

114

00:06:15,250 --> 00:06:12,340

magazine I believe look look okay and

115

00:06:18,520 --> 00:06:15,260

yeah they became quite well known at the

116

00:06:22,390 --> 00:06:18,530

time and there had been a movie made

117

00:06:24,010 --> 00:06:22,400

back then but then you I think speaking

118

00:06:26,740 --> 00:06:24,020

with you you said there was going to be

119

00:06:31,030 --> 00:06:26,750

a remake of that movie it's not a remake

120

00:06:34,720 --> 00:06:31,040

of that movie mm-hmm it is going to be a

121

00:06:38,680 --> 00:06:34,730

movie on the book I'm shirred the Betty

122

00:06:40,600 --> 00:06:38,690

and Barney Hill UFO that was the one you

123

00:06:42,420 --> 00:06:40,610

co-authored with Stan that my co

124

00:06:44,970 --> 00:06:42,430

authored with Stanton

125

00:06:47,610 --> 00:06:44,980

Friedman yes the movie has made been

126

00:06:51,050 --> 00:06:47,620

made on the the first book that was

127

00:06:53,690 --> 00:06:51,060

written by john g fuller back in 1915

128

00:06:56,490 --> 00:06:53,700

Stanton Friedman and I did a case study

129

00:07:00,630 --> 00:06:56,500

started out of the biography actually

130

00:07:03,960 --> 00:07:00,640

and I was writing the details of my aunt

131

00:07:07,560 --> 00:07:03,970

and uncle's lives after both of them had

132

00:07:10,320 --> 00:07:07,570

passed away but I discovered that there

133

00:07:13,590 --> 00:07:10,330

was so much fascinating information in

134

00:07:18,230 --> 00:07:13,600

their files that had never been reported

135

00:07:22,710 --> 00:07:18,240

to the public that I wrote about this in

136

00:07:26,910 --> 00:07:22,720

my book and this book is the book that

137

00:07:31,470 --> 00:07:26,920

has been optioned for a movie that's

138

00:07:38,520 --> 00:07:31,480

wonderful yes it is by Bryce is able yes

139

00:07:41,190 --> 00:07:38,530

Jackie is able and by Gotham principal

140

00:07:44,580 --> 00:07:41,200

producers there they produced Maze

141

00:07:47,820 --> 00:07:44,590

Runner and the Scorch Trials wow they're

142

00:07:49,470 --> 00:07:47,830

teaming up with Bryce to work on this

143

00:07:51,570 --> 00:07:49,480

movie and it's going to be a lot

144

00:07:54,420 --> 00:07:51,580

different from the first there's still a

145

00:07:57,060 --> 00:07:54,430

copyright on the first movie this movie

146

00:07:59,160 --> 00:07:57,070

is going to focus more on the lives of

147

00:08:02,870 --> 00:07:59,170

Betty and Barney Hill civil rights

148

00:08:06,390 --> 00:08:02,880

leaders they were an interracial couple

149

00:08:08,610 --> 00:08:06,400

she was a social worker they were both

150

00:08:12,050 --> 00:08:08,620

very committed to the civil rights

151

00:08:14,580 --> 00:08:12,060

movement and to Community Affairs

152

00:08:18,570 --> 00:08:14,590

prominent in the community they never

153

00:08:21,570 --> 00:08:18,580

wanted this story to get out to the

154

00:08:23,730 --> 00:08:21,580

public in the way that it did and so it

155

00:08:26,850 --> 00:08:23,740

would be more of a movie about their

156

00:08:30,210 --> 00:08:26,860

lives and the impact that this had on

157

00:08:32,790 --> 00:08:30,220

their lives and how it changed in a way

158

00:08:36,090 --> 00:08:32,800

the direction of their lives and it and

159

00:08:39,540 --> 00:08:36,100

your life as well clearly Oh clearly yes

160

00:08:41,640 --> 00:08:39,550

we did do you want to repeat the name of

161

00:08:44,070 --> 00:08:41,650

your book I am the owner of that book

162

00:08:46,950 --> 00:08:44,080

and I highly recommend it to our

163

00:08:48,660 --> 00:08:46,960

listeners and if you wanted to repeat

164

00:08:52,140 --> 00:08:48,670

the name of that book and how people

165

00:08:55,460 --> 00:08:52,150

could get a copy of the book either in

166

00:08:57,950 --> 00:08:55,470

an e-form or a

167

00:08:59,600 --> 00:08:57,960

a hard back for more soft back form

168

00:09:03,680 --> 00:08:59,610

maybe you could give us the information

169

00:09:08,000 --> 00:09:03,690

right now sure the book is captured the

170

00:09:12,290 --> 00:09:08,010

Betty and Barney Hill UFO experience by

171

00:09:16,280 --> 00:09:12,300

Kathleen Mardon and Stanton Friedman and

172

00:09:20,210 --> 00:09:16,290

Mardon is marden a lot of people think

173

00:09:25,010 --> 00:09:20,220

it's Martin but it's not and the book is

174

00:09:28,580 --> 00:09:25,020

available in barnes and noble or you can

175

00:09:31,460 --> 00:09:28,590

order it online through amazon or barnes

176

00:09:34,210 --> 00:09:31,470

and noble autographed copies are

177

00:09:39,670 --> 00:09:34,220

available at my website which is

178

00:09:42,890 --> 00:09:39,680

kathleen with a k dash Mardan ma rden

179

00:09:47,150 --> 00:09:42,900

dot-com and you can purchase those using

180

00:09:48,920 --> 00:09:47,160

paypal on my website great one of the

181

00:09:51,080 --> 00:09:48,930

interesting things that you brought out

182

00:09:54,110 --> 00:09:51,090

about your aunt and uncle is that they

183

00:09:56,660 --> 00:09:54,120

were actually at an inaugural ball which

184

00:10:00,130 --> 00:09:56,670

is an indication of how well thought of

185

00:10:05,500 --> 00:10:00,140

they were in the community absolutely

186

00:10:08,150 --> 00:10:05,510

they campaigned for Lyndon Johnson and

187

00:10:11,960 --> 00:10:08,160

Johnson was elected my uncle was a

188

00:10:17,360 --> 00:10:11,970

delegate and I also worked on that

189

00:10:21,070 --> 00:10:17,370

contain as a teenager and I to received

190

00:10:24,250 --> 00:10:21,080

an invitation to attend Lyndon Johnson's

191

00:10:27,800 --> 00:10:24,260

inauguration so Betty and Barney and I

192

00:10:31,430 --> 00:10:27,810

attended the inauguration well oh but

193

00:10:35,900 --> 00:10:31,440

what a fantastic experience I hope you

194

00:10:39,410 --> 00:10:35,910

have a pictures you know it must have

195

00:10:42,920 --> 00:10:39,420

pictures somewhere I do have one large

196

00:10:46,280 --> 00:10:42,930

photograph of the entire New Hampshire

197

00:10:48,830 --> 00:10:46,290

group which I tarish I that must have

198

00:10:54,650 --> 00:10:48,840

been such a thrill really at that age

199

00:10:59,270 --> 00:10:54,660

especially yeah so on so um you know I

200

00:11:04,310 --> 00:10:59,280

know that your aunt continued to be

201  
00:11:07,280 --> 00:11:04,320  
involved in the UFO area after your

202  
00:11:08,040 --> 00:11:07,290  
uncle unfortunately passed on and you

203  
00:11:11,460 --> 00:11:08,050  
also

204  
00:11:13,860 --> 00:11:11,470  
have continued as a researcher and with

205  
00:11:17,519 --> 00:11:13,870  
MUFON and you want a wonderful prize

206  
00:11:19,949 --> 00:11:17,529  
back in 2014 am i right or 2012 from

207  
00:11:22,710 --> 00:11:19,959  
MUFON you won the ufologist of the Year

208  
00:11:27,150 --> 00:11:22,720  
award did you yeah yes I believe it was

209  
00:11:31,350 --> 00:11:27,160  
2012 ok I won that award that was a very

210  
00:11:34,949 --> 00:11:31,360  
special moment in my life yes as it must

211  
00:11:37,470 --> 00:11:34,959  
be well MUFON is the mutual UFO network

212  
00:11:40,019 --> 00:11:37,480  
and it's probably one of the oldest and

213  
00:11:43,470 --> 00:11:40,029

best-known organizations there have been

214

00:11:46,110 --> 00:11:43,480

others but MUFON seems to survive and

215

00:11:49,800 --> 00:11:46,120

continue on and you've been very active

216

00:11:53,250 --> 00:11:49,810

in that I know and actually now you're

217

00:11:56,970 --> 00:11:53,260

even more active in their experience or

218

00:12:02,430 --> 00:11:56,980

field I believe yes I am I got a member

219

00:12:06,660 --> 00:12:02,440

of MUFON since 1991 no here we are Oh

220

00:12:11,310 --> 00:12:06,670

five years yeah and you can see by my

221

00:12:14,280 --> 00:12:11,320

longtime membership that I think that

222

00:12:19,380 --> 00:12:14,290

it's a very good organization primarily

223

00:12:23,160 --> 00:12:19,390

because in its investigations of events

224

00:12:26,190 --> 00:12:23,170

it attempts to follow scientific

225

00:12:30,300 --> 00:12:26,200

protocols we we tend to be as objective

226

00:12:36,480 --> 00:12:30,310

as possible and to collect physical

227

00:12:40,440 --> 00:12:36,490

evidence to eyewitness testimony and to

228

00:12:45,740 --> 00:12:40,450

analyze that evidence to come up with an

229

00:12:49,260 --> 00:12:45,750

impression of actually occurred so that

230

00:12:52,560 --> 00:12:49,270

has kept my interest also MUFON

231

00:12:54,780 --> 00:12:52,570

publishes a monthly magazine and the

232

00:12:58,319 --> 00:12:54,790

magazine contains very interesting

233

00:13:02,780 --> 00:12:58,329

articles it's now available online an

234

00:13:06,650 --> 00:13:02,790

hour in hard copy as well it's an

235

00:13:11,490 --> 00:13:06,660

organization that is funded by its

236

00:13:16,019 --> 00:13:11,500

members so we pay an annual fee for the

237

00:13:19,680 --> 00:13:16,029

the magazine for the membership and that

238

00:13:21,740 --> 00:13:19,690

helps to fund the organization and we

239

00:13:25,050 --> 00:13:21,750

have a

240

00:13:30,420 --> 00:13:25,060

symposium and that symposium is going to

241

00:13:36,210 --> 00:13:30,430

be held in Orlando a lot of this year so

242

00:13:42,540 --> 00:13:36,220

the website for MUFON is just WWF on mu

243

00:13:46,230 --> 00:13:42,550

fon com my current role with MUFON is as

244

00:13:48,690 --> 00:13:46,240

its director of experience or research

245

00:13:52,230 --> 00:13:48,700

we used to use the name abduction but I

246

00:13:55,050 --> 00:13:52,240

know I received so many comments that it

247

00:13:59,360 --> 00:13:55,060

was not politically correct anymore oh

248

00:14:04,080 --> 00:13:59,370

oh so we changed it yes we all do

249

00:14:08,550 --> 00:14:04,090

experiencer people said will implies a

250

00:14:11,970 --> 00:14:08,560

negative experience and well most of

251  
00:14:14,430 --> 00:14:11,980  
them have been and what yes and also one

252  
00:14:17,370 --> 00:14:14,440  
that fun receives our negative

253  
00:14:23,510 --> 00:14:17,380  
experience uh-huh but we have many many

254  
00:14:27,450 --> 00:14:23,520  
people now who are stating that their

255  
00:14:32,400 --> 00:14:27,460  
experiences are highly positive and

256  
00:14:35,610 --> 00:14:32,410  
spiritual and leading to the Ascension

257  
00:14:38,460 --> 00:14:35,620  
process and it's jen tener alee those

258  
00:14:41,040 --> 00:14:38,470  
people who are very very vocal and do

259  
00:14:44,790 --> 00:14:41,050  
not like the word abduction even though

260  
00:14:48,270 --> 00:14:44,800  
you know that's that's what we deal with

261  
00:14:51,690 --> 00:14:48,280  
primarily I I am moved on I am an

262  
00:14:55,730 --> 00:14:51,700  
experiencer and I know that from my

263  
00:14:58,530 --> 00:14:55,740

point of view that the contact is

264

00:15:02,250 --> 00:14:58,540

horrifyingly frightening I mean in a

265

00:15:07,320 --> 00:15:02,260

kind of physiological way it is just

266

00:15:11,280 --> 00:15:07,330

beyond terrifying the outcome in the

267

00:15:15,710 --> 00:15:11,290

looking back in the long haul the

268

00:15:18,000 --> 00:15:15,720

outcome is expanding of one's

269

00:15:23,310 --> 00:15:18,010

consciousness in a certain sense that

270

00:15:26,520 --> 00:15:23,320

you can see more of what it it means to

271

00:15:32,160 --> 00:15:26,530

be alive or that we're not alone in the

272

00:15:34,200 --> 00:15:32,170

universe kind of knowledge that is is

273

00:15:34,900 --> 00:15:34,210

imparted and i'm not talking about any

274

00:15:37,510 --> 00:15:34,910

particular

275

00:15:41,170 --> 00:15:37,520

secrets imparted but just the concept

276

00:15:42,970 --> 00:15:41,180

that there are other beings and that we

277

00:15:48,150 --> 00:15:42,980

may not be on the top of the food chain

278

00:15:52,600 --> 00:15:48,160

at all well that is absolutely correct

279

00:15:54,940 --> 00:15:52,610

and and I think everybody who has this

280

00:15:58,450 --> 00:15:54,950

type of experience comes to that

281

00:16:02,650 --> 00:15:58,460

realization but it is extremely

282

00:16:06,250 --> 00:16:02,660

frightening for many many people people

283

00:16:09,850 --> 00:16:06,260

are traumatized by these events and what

284

00:16:14,100 --> 00:16:09,860

we have done it move on is too it's

285

00:16:18,130 --> 00:16:14,110

multifaceted for one thing we have

286

00:16:22,120 --> 00:16:18,140

designed a specific protocols for

287

00:16:24,000 --> 00:16:22,130

investigation where we are looking for

288

00:16:28,350 --> 00:16:24,010

any evidence that we can possibly

289

00:16:31,900 --> 00:16:28,360

collect from the experimenter for

290

00:16:35,590 --> 00:16:31,910

laboratory analysis we have a second

291

00:16:39,820 --> 00:16:35,600

component to that and that is support

292

00:16:44,410 --> 00:16:39,830

for experiences because so many people

293

00:16:47,740 --> 00:16:44,420

have difficulty with this so muffins

294

00:16:52,030 --> 00:16:47,750

experience or research team has an

295

00:16:57,220 --> 00:16:52,040

online questionnaire it's 30 questions

296

00:17:01,450 --> 00:16:57,230

and all it is is an introduction to a

297

00:17:05,950 --> 00:17:01,460

member of the ERT so if somebody wants

298

00:17:09,310 --> 00:17:05,960

to discuss confidentially what occurred

299

00:17:12,190 --> 00:17:09,320

to them their concerns or anything else

300

00:17:16,120 --> 00:17:12,200

will have a person on the other end who

301

00:17:21,970 --> 00:17:16,130

will listen without passing judgment

302

00:17:25,240 --> 00:17:21,980

without being critical and if the person

303

00:17:28,170 --> 00:17:25,250

who is seeking help is looking for

304

00:17:33,430 --> 00:17:28,180

support group or looking for a hypnotist

305

00:17:36,270 --> 00:17:33,440

we do what we can to help them by

306

00:17:39,090 --> 00:17:36,280

providing a list of individuals

307

00:17:43,090 --> 00:17:39,100

unfortunately at this point we have only

308

00:17:46,990 --> 00:17:43,100

27 hypnotists in the entire United

309

00:17:48,520 --> 00:17:47,000

States on our list for referrals and

310

00:17:52,380 --> 00:17:48,530

we're looking for more

311

00:17:57,280 --> 00:17:52,390

and if anyone out there listening is

312

00:18:00,790 --> 00:17:57,290

certified hypnotherapist and is either

313

00:18:03,490 --> 00:18:00,800

licensed or certified and has

314

00:18:06,460 --> 00:18:03,500

malpractice insurance and experience in

315

00:18:09,490 --> 00:18:06,470

working with experiences we would

316

00:18:13,930 --> 00:18:09,500

appreciate it if you would get in touch

317

00:18:18,880 --> 00:18:13,940

with me my email address is on my

318

00:18:23,440 --> 00:18:18,890

website Kathleen Mardan calm we also

319

00:18:27,250 --> 00:18:23,450

have a short list of support groups we

320

00:18:29,770 --> 00:18:27,260

definitely need more of those but I and

321

00:18:33,670 --> 00:18:29,780

several other researchers are working on

322

00:18:37,480 --> 00:18:33,680

this problem because people need support

323

00:18:41,590 --> 00:18:37,490

too often experiencers have not been

324

00:18:43,840 --> 00:18:41,600

able to talk to anyone without ridicule

325

00:18:46,750 --> 00:18:43,850

without the possibility of losing their

326

00:18:51,460 --> 00:18:46,760

jobs without the possibility of being

327

00:18:53,530 --> 00:18:51,470

sent to a psychiatrist and it's time for

328

00:18:59,470 --> 00:18:53,540

that to end it's time for the ridicule

329

00:19:01,780 --> 00:18:59,480

to end and that's not ever I think it

330

00:19:03,640 --> 00:19:01,790

slowed down a bit though hasn't it and I

331

00:19:07,990 --> 00:19:03,650

think you've been one of the main

332

00:19:09,790 --> 00:19:08,000

reasons it has the ridicule yeah but the

333

00:19:13,180 --> 00:19:09,800

real i think that people are becoming

334

00:19:20,200 --> 00:19:13,190

more accepting mm-hmm for the most part

335

00:19:24,430 --> 00:19:20,210

and MO and less are not bullying let me

336

00:19:28,180 --> 00:19:24,440

put experiencers as much and there has

337

00:19:31,570 --> 00:19:28,190

been a movement by experiencers to gain

338

00:19:34,270 --> 00:19:31,580

strength in this as well and it doesn't

339

00:19:37,330 --> 00:19:34,280

really matter I mean a lot of people say

340

00:19:39,880 --> 00:19:37,340

show me the evidence surprise right the

341

00:19:43,450 --> 00:19:39,890

way that we perceive this is it doesn't

342

00:19:46,630 --> 00:19:43,460

really matter the individual believes

343

00:19:49,750 --> 00:19:46,640

that it is if that person is

344

00:19:53,350 --> 00:19:49,760

experiencing mental health issues don't

345

00:19:57,400 --> 00:19:53,360

they deserve respect are not we to

346

00:20:01,020 --> 00:19:57,410

respect our individuals our citizens who

347

00:20:02,320 --> 00:20:01,030

have mental health problems surely

348

00:20:04,240 --> 00:20:02,330

absolutely

349

00:20:06,580 --> 00:20:04,250

but I'll tell you as far as show me the

350

00:20:10,450 --> 00:20:06,590

evidence and these being a terrifying

351  
00:20:13,419 --> 00:20:10,460  
experience kudos to your aunt who stood

352  
00:20:16,600 --> 00:20:13,429  
up to these beings that had abducted her

353  
00:20:19,320 --> 00:20:16,610  
and said look I need some proof that

354  
00:20:22,480 --> 00:20:19,330  
i've been here and bullied one of the

355  
00:20:25,480 --> 00:20:22,490  
abductors into giving her something but

356  
00:20:28,600 --> 00:20:25,490  
then the whoever the head of abductor

357  
00:20:31,060 --> 00:20:28,610  
was took it back from her but I and

358  
00:20:33,909 --> 00:20:31,070  
having had the pleasure of meeting your

359  
00:20:35,950 --> 00:20:33,919  
aunt very briefly one time I think she

360  
00:20:37,480 --> 00:20:35,960  
was quite the forceful character that

361  
00:20:40,570 --> 00:20:37,490  
could have taught these little creatures

362  
00:20:42,519 --> 00:20:40,580  
into giving or something I always loved

363  
00:20:44,549 --> 00:20:42,529

that story that she stood up to him and

364

00:20:47,830 --> 00:20:44,559

said hey give me something to take home

365

00:20:50,620 --> 00:20:47,840

yes she I was great that was it was a

366

00:20:54,850 --> 00:20:50,630

very brave woman I would say so really

367

00:20:57,700 --> 00:20:54,860

um absolutely hats off but that's you

368

00:21:00,330 --> 00:20:57,710

following in her footsteps oh that again

369

00:21:04,060 --> 00:21:00,340

the website was Buffon dot-com

370

00:21:06,639 --> 00:21:04,070

experience or survey that well nature I

371

00:21:08,379 --> 00:21:06,649

was going to say that you started on to

372

00:21:11,529 --> 00:21:08,389

that's a new thing right the research

373

00:21:15,009 --> 00:21:11,539

project yes yes and that's what I wanted

374

00:21:19,899 --> 00:21:15,019

to speak of nests the experienter survey

375

00:21:22,799 --> 00:21:19,909

which is 118 questions and this is a

376

00:21:27,340 --> 00:21:22,809

survey to you identify commonalities

377

00:21:29,830 --> 00:21:27,350

among experiences and we are trying to

378

00:21:34,419 --> 00:21:29,840

make the scientific because we're going

379

00:21:37,659 --> 00:21:34,429

to in by doing so have several different

380

00:21:41,560 --> 00:21:37,669

phases of this study and some of this

381

00:21:45,690 --> 00:21:41,570

phase some of this will involve the work

382

00:21:48,180 --> 00:21:45,700

of dr. don don dairy who is a retired

383

00:21:52,600 --> 00:21:48,190

psychology professor from mcgill

384

00:21:57,310 --> 00:21:52,610

university and he has a questionnaire

385

00:22:01,590 --> 00:21:57,320

that we will use as well we have some of

386

00:22:05,019 --> 00:22:01,600

the experiencers who take part in this

387

00:22:07,210 --> 00:22:05,029

research project that we're working on

388

00:22:10,389 --> 00:22:07,220

right now right now we have a hundred

389

00:22:13,960 --> 00:22:10,399

and seventy participants i'd really love

390

00:22:16,150 --> 00:22:13,970

to have a thousand yeah dell has

391

00:22:19,060 --> 00:22:16,160

horrific did the professor

392

00:22:20,850 --> 00:22:19,070

self ever have any experience not that

393

00:22:24,460 --> 00:22:20,860

I'm aware of but he has a long-term

394

00:22:27,070 --> 00:22:24,470

interest in this topic and has worked on

395

00:22:29,290 --> 00:22:27,080

other research projects okay I

396

00:22:33,010 --> 00:22:29,300

understand that part of this research

397

00:22:36,550 --> 00:22:33,020

that professor Don dairy is involved

398

00:22:40,870 --> 00:22:36,560

with has to do with symbols that have

399

00:22:46,060 --> 00:22:40,880

been seen both by your your aunt and

400

00:22:48,700 --> 00:22:46,070

uncle and also by other experiencers I

401  
00:22:52,540 --> 00:22:48,710  
wondered how those those symbols

402  
00:22:57,040 --> 00:22:52,550  
correlated if they did at all with those

403  
00:23:02,980 --> 00:22:57,050  
seen by the people who were enlisted in

404  
00:23:05,110 --> 00:23:02,990  
the armed services at Rendlesham it's my

405  
00:23:10,210 --> 00:23:05,120  
understanding that the symbols that

406  
00:23:12,700 --> 00:23:10,220  
Rendlesham word binary code is that

407  
00:23:15,460 --> 00:23:12,710  
correct I think some of it was

408  
00:23:18,070 --> 00:23:15,470  
interpreted that way yes I think I think

409  
00:23:21,940 --> 00:23:18,080  
the one gentleman who touched the craft

410  
00:23:25,240 --> 00:23:21,950  
um felt that he had downloaded some

411  
00:23:28,360 --> 00:23:25,250  
binary sync signals but I don't know

412  
00:23:32,130 --> 00:23:28,370  
that the anything that was on written or

413  
00:23:34,750 --> 00:23:32,140

like embossed on the craft was binary I

414

00:23:38,110 --> 00:23:34,760

think I wanted like a triangle type

415

00:23:39,700 --> 00:23:38,120

thing with lettering inside it well that

416

00:23:42,700 --> 00:23:39,710

would be what I'm wondering about

417

00:23:45,610 --> 00:23:42,710

whether that part correlates it all with

418

00:23:48,700 --> 00:23:45,620

the professor's work I'd have to take a

419

00:23:53,140 --> 00:23:48,710

look at that again what we're seeing as

420

00:23:56,530 --> 00:23:53,150

symbols that seem to be repeated over

421

00:24:01,260 --> 00:23:56,540

and over again in such as the scientific

422

00:24:06,400 --> 00:24:01,270

study that dr. Don dairy did is our

423

00:24:08,380 --> 00:24:06,410

lines and dots essentially some of them

424

00:24:11,020 --> 00:24:08,390

are curved lines in some of them

425

00:24:16,110 --> 00:24:11,030

straight lines going in different

426

00:24:18,670 --> 00:24:16,120

directions if you order my books

427

00:24:22,210 --> 00:24:18,680

captured the Betty and Barney Hill UFO

428

00:24:25,930 --> 00:24:22,220

experience Betty's sketch of those

429

00:24:29,919 --> 00:24:25,940

symbols is in the book and her sketch

430

00:24:32,649 --> 00:24:29,929

was compared by dr. Don dairy to scale

431

00:24:36,879 --> 00:24:32,659

that were done by the experiencers who

432

00:24:39,159 --> 00:24:36,889

took part in his academic study and he

433

00:24:41,739 --> 00:24:39,169

said that the there were many

434

00:24:44,710 --> 00:24:41,749

similarities between Betty symbols and

435

00:24:49,049 --> 00:24:44,720

the symbols of from the individuals in

436

00:24:53,019 --> 00:24:49,059

his study and these symbols correlated

437

00:24:55,600 --> 00:24:53,029

whereas control groups of graduate

438

00:24:58,029 --> 00:24:55,610

students who were just imagining what

439

00:25:00,180 --> 00:24:58,039

symbols might look like we're nothing

440

00:25:10,090 --> 00:25:00,190

like the symbols drawn by the

441

00:25:12,899 --> 00:25:10,100

experiences in MUFON it may be I am not

442

00:25:17,259 --> 00:25:12,909

correct in this and perhaps you could

443

00:25:21,399 --> 00:25:17,269

straighten me out it seems to me that

444

00:25:26,409 --> 00:25:21,409

the focus is on nuts-and-bolts craft and

445

00:25:29,379 --> 00:25:26,419

on small Grey's not to the total

446

00:25:32,560 --> 00:25:29,389

exclusion of other types that might be

447

00:25:37,060 --> 00:25:32,570

seen but would that be a reasonably true

448

00:25:41,680 --> 00:25:37,070

statement I yes I I do think that that

449

00:25:45,700 --> 00:25:41,690

is a reasonably true statement MUFON

450

00:25:48,970 --> 00:25:45,710

uses instrumentation and is looking for

451  
00:25:51,249 --> 00:25:48,980  
physical evidence so the primary focus

452  
00:25:57,129 --> 00:25:51,259  
is MUFON is upon the collection of

453  
00:26:01,269 --> 00:25:57,139  
evidence so the so this sort of ideas

454  
00:26:05,649 --> 00:26:01,279  
promulgated if you will by people like

455  
00:26:08,200 --> 00:26:05,659  
Jacques valet and oh jeez honor the

456  
00:26:13,509 --> 00:26:08,210  
fellow who did the will help me here

457  
00:26:16,989 --> 00:26:13,519  
senior moment a fellow who lived in New

458  
00:26:21,279 --> 00:26:16,999  
York and did oh but Hopkins no did the

459  
00:26:25,960 --> 00:26:21,289  
story about the West Virginia bridge

460  
00:26:27,759 --> 00:26:25,970  
falling what man yes exactly on the tip

461  
00:26:33,820 --> 00:26:27,769  
of my tongue but in any case of

462  
00:26:36,879 --> 00:26:33,830  
something more of a not not not not

463  
00:26:41,190 --> 00:26:36,889

space but a little bit more a little

464

00:26:43,570 --> 00:26:41,200

less physical a little more paranormal

465

00:26:46,090 --> 00:26:43,580

presentation

466

00:26:48,940 --> 00:26:46,100

oh yeah Jack felt they felt that there

467

00:26:52,390 --> 00:26:48,950

was perhaps it was these beings were

468

00:26:57,600 --> 00:26:52,400

really like a we almost created them out

469

00:27:01,680 --> 00:26:57,610

of our own mind oh no I'm not sure about

470

00:27:04,720 --> 00:27:01,690

daddy is going to be lecturing at the

471

00:27:07,870 --> 00:27:04,730

international UFO Congress conference in

472

00:27:09,730 --> 00:27:07,880

phoenix arizona next month i'm going to

473

00:27:11,980 --> 00:27:09,740

be out there and i'm going to be really

474

00:27:14,380 --> 00:27:11,990

looking forward to hearing his lecture

475

00:27:18,070 --> 00:27:14,390

but it seems like he was ahead of his

476

00:27:20,680 --> 00:27:18,080

time because those of us who have done a

477

00:27:23,800 --> 00:27:20,690

lot of research on this realize that

478

00:27:30,480 --> 00:27:23,810

there are aspects to this phenomenon

479

00:27:36,010 --> 00:27:30,490

that cannot be explained by material

480

00:27:38,410 --> 00:27:36,020

scientists the idea that they can be

481

00:27:41,170 --> 00:27:38,420

solid but they seem to be able to fade

482

00:27:45,930 --> 00:27:41,180

in and out of existence in other words

483

00:27:50,170 --> 00:27:45,940

they can be translucent and and simply

484

00:27:54,910 --> 00:27:50,180

disappear also the same is reported of

485

00:27:57,700 --> 00:27:54,920

the extraterrestrial beings many people

486

00:28:02,130 --> 00:27:57,710

report that they see shadow beings as

487

00:28:06,240 --> 00:28:02,140

opposed to solid beings and perhaps they

488

00:28:09,610 --> 00:28:06,250

fade in and out of existence this is

489

00:28:14,490 --> 00:28:09,620

very very difficult very perplexing some

490

00:28:17,890 --> 00:28:14,500

material scientists indeed and there are

491

00:28:20,890 --> 00:28:17,900

theoretical physicists who are working

492

00:28:23,590 --> 00:28:20,900

on this through the foundation for

493

00:28:27,240 --> 00:28:23,600

research into extraterrestrial

494

00:28:30,150 --> 00:28:27,250

encounters they are more on the side of

495

00:28:34,150 --> 00:28:30,160

theoretical physics well interestingly

496

00:28:38,080 --> 00:28:34,160

enough if we look at the Travis Walton

497

00:28:42,340 --> 00:28:38,090

case he saw a number of different types

498

00:28:44,920 --> 00:28:42,350

of beings in his in his abduction

499

00:28:47,560 --> 00:28:44,930

experience in his experience her

500

00:28:49,510 --> 00:28:47,570

experience but definitely if you're

501  
00:28:52,960 --> 00:28:49,520  
standing somewhere in the forest than

502  
00:28:56,200 --> 00:28:52,970  
you and you get whooped up as Caedus

503  
00:28:57,470 --> 00:28:56,210  
want to say that doesn't seem to be in

504  
00:29:02,390 --> 00:28:57,480  
any way volition

505  
00:29:07,150 --> 00:29:02,400  
upon the experiences place however he

506  
00:29:11,620 --> 00:29:07,160  
did see more than one kind of being and

507  
00:29:16,520 --> 00:29:11,630  
myself as a person in the periphery of

508  
00:29:20,690 --> 00:29:16,530  
the remote viewing community and an

509  
00:29:24,710 --> 00:29:20,700  
experiencer many people such as Ingo

510  
00:29:29,630 --> 00:29:24,720  
Swann have seen inhabit I had

511  
00:29:32,090 --> 00:29:29,640  
experiences with a tall blond beings

512  
00:29:34,400 --> 00:29:32,100  
sometimes called Nordics sometimes

513  
00:29:36,560 --> 00:29:34,410

called tall blond types and I know that

514

00:29:38,810 --> 00:29:36,570

there are people playing their amann

515

00:29:41,480 --> 00:29:38,820

toises and reptilians and so forth and

516

00:29:45,110 --> 00:29:41,490

so on now you know this is just what

517

00:29:46,700 --> 00:29:45,120

people say and I tend to take people to

518

00:29:49,010 --> 00:29:46,710

some extent that their word and give

519

00:29:53,180 --> 00:29:49,020

them the opportunity to speak their mind

520

00:29:55,490 --> 00:29:53,190

about it so where would you fall in that

521

00:29:59,860 --> 00:29:55,500

in that area do you have any research

522

00:30:04,780 --> 00:29:59,870

let's say on the tall blonde alien types

523

00:30:10,120 --> 00:30:04,790

my research on different types is

524

00:30:14,780 --> 00:30:10,130

quantitative and I have looked for

525

00:30:19,220 --> 00:30:14,790

percentages of of individuals who have

526

00:30:21,440 --> 00:30:19,230

observed these various types and also on

527

00:30:25,010 --> 00:30:21,450

whether or not these various types of

528

00:30:30,260 --> 00:30:25,020

working together and if so who they're

529

00:30:34,820 --> 00:30:30,270

working for i also have done some

530

00:30:38,570 --> 00:30:34,830

research on the modus operandi the

531

00:30:43,490 --> 00:30:38,580

personality traits of the different

532

00:30:45,919 --> 00:30:43,500

types of beings so yes i have and i have

533

00:30:50,180 --> 00:30:45,929

in and in some of the cases that I've

534

00:30:53,810 --> 00:30:50,190

worked on for example the case of Denise

535

00:30:58,340 --> 00:30:53,820

donor and also of Thomas and Matthew

536

00:31:00,560 --> 00:30:58,350

Reed which are both mentioned and

537

00:31:03,919 --> 00:31:00,570

written about in my book with Denise

538

00:31:08,480 --> 00:31:03,929

donor the alien abduction files which is

539

00:31:11,299 --> 00:31:08,490

also available on my website we we see

540

00:31:16,509 --> 00:31:11,309

that mantis type

541

00:31:24,739 --> 00:31:20,180

it it you know it have you come to any

542

00:31:27,529 --> 00:31:24,749

sort of conclusions at all I you know

543

00:31:30,110 --> 00:31:27,539

there's so much information there but

544

00:31:33,200 --> 00:31:30,120

it's it's very frustrating it doesn't

545

00:31:35,239 --> 00:31:33,210

seem to point in any bingo direction

546

00:31:38,090 --> 00:31:35,249

like you can just say ah that's what it

547

00:31:39,860 --> 00:31:38,100

is you know it seems like it's all over

548

00:31:43,129 --> 00:31:39,870

the map almost as if it's done on

549

00:31:46,039 --> 00:31:43,139

purpose it could be and that's the

550

00:31:49,659 --> 00:31:46,049

reason for my attempts at quantitative

551  
00:31:53,509 --> 00:31:49,669  
analysis of this and and the reason that

552  
00:31:58,399 --> 00:31:53,519  
MUFON is doing another study Denise and

553  
00:32:02,090 --> 00:31:58,409  
I did a study in 2012 but we had only 45

554  
00:32:05,659 --> 00:32:02,100  
questions and 75 participants in the

555  
00:32:09,820 --> 00:32:05,669  
study including the control group MUFON

556  
00:32:12,590 --> 00:32:09,830  
study is going to be much more

557  
00:32:15,109 --> 00:32:12,600  
significant in terms of the number of

558  
00:32:20,299 --> 00:32:15,119  
participants and the number of questions

559  
00:32:23,419 --> 00:32:20,309  
and hopefully and we have people with

560  
00:32:26,810 --> 00:32:23,429  
MDS and phd's working on this so

561  
00:32:29,450 --> 00:32:26,820  
hopefully we will have some more

562  
00:32:33,019 --> 00:32:29,460  
information if I had all of the answers

563  
00:32:36,350 --> 00:32:33,029

I probably would stop researching this

564

00:32:40,789 --> 00:32:36,360

but I don't and what is so fascinating

565

00:32:43,100 --> 00:32:40,799

is the search for the answers yeah how

566

00:32:46,460 --> 00:32:43,110

do you validate that somebody is an

567

00:32:51,529 --> 00:32:46,470

experiencer and a good participant in

568

00:32:54,529 --> 00:32:51,539

this I'm sure you have criteria yes we

569

00:32:58,430 --> 00:32:54,539

do have criteria and some of that is

570

00:33:02,539 --> 00:32:58,440

what experiencers have in common with

571

00:33:06,259 --> 00:33:02,549

the experiences who participated in the

572

00:33:08,359 --> 00:33:06,269

first study we also as I said look for

573

00:33:12,379 --> 00:33:08,369

evidence but many people don't have

574

00:33:15,489 --> 00:33:12,389

evidence I can tell you though that in

575

00:33:18,350 --> 00:33:15,499

our first study we discovered that

576  
00:33:22,090 --> 00:33:18,360  
eighty-eight percent of those who

577  
00:33:25,230 --> 00:33:22,100  
participated stated that they had

578  
00:33:28,560 --> 00:33:25,240  
conscious recall of there

579  
00:33:31,110 --> 00:33:28,570  
abduction experience really that's

580  
00:33:34,260 --> 00:33:31,120  
pretty significant eighty-eight percent

581  
00:33:37,800 --> 00:33:34,270  
because initially it was that some sort

582  
00:33:39,800 --> 00:33:37,810  
of an amnesia would be you know brought

583  
00:33:42,720 --> 00:33:39,810  
to effect on these people but that's

584  
00:33:46,050 --> 00:33:42,730  
eighty percent that's eighty eight

585  
00:33:48,060 --> 00:33:46,060  
percent of part of it okay or at least

586  
00:33:50,190 --> 00:33:48,070  
they knew that something had happened

587  
00:33:57,420 --> 00:33:50,200  
but they were a little unclear about

588  
00:34:00,090 --> 00:33:57,430

some of the details yeah now sixty-seven

589

00:34:02,370 --> 00:34:00,100

percent said that they had observed in

590

00:34:06,800 --> 00:34:02,380

unconventional craft at less than a

591

00:34:09,450 --> 00:34:06,810

thousand feet prior to their abduction

592

00:34:12,180 --> 00:34:09,460

so those are those are pretty

593

00:34:15,810 --> 00:34:12,190

significant figures it means that it

594

00:34:19,130 --> 00:34:15,820

wasn't sleep paralysis many of them were

595

00:34:21,630 --> 00:34:19,140

outside in their natural environment

596

00:34:26,460 --> 00:34:21,640

they weren't sleeping they weren't

597

00:34:29,370 --> 00:34:26,470

inside their home yeah I think that you

598

00:34:31,980 --> 00:34:29,380

know possibly there are some episodes of

599

00:34:35,720 --> 00:34:31,990

sleep paralysis but basically I think

600

00:34:39,210 --> 00:34:35,730

you we could discount that entirely yes

601  
00:34:41,400 --> 00:34:39,220  
it's a pretty or you know as an

602  
00:34:44,220 --> 00:34:41,410  
explanation for what is occurring or

603  
00:34:46,170 --> 00:34:44,230  
that could be one type of experience and

604  
00:34:47,940 --> 00:34:46,180  
that's fine but what you're looking for

605  
00:34:50,190 --> 00:34:47,950  
is the type of experience that you can

606  
00:34:52,440 --> 00:34:50,200  
actually quantify with people

607  
00:34:54,180 --> 00:34:52,450  
remembering it and having a craft

608  
00:34:57,690 --> 00:34:54,190  
involved I mean there may be more than

609  
00:34:59,640 --> 00:34:57,700  
one type of experience but I'm with you

610  
00:35:03,060 --> 00:34:59,650  
I'd like to be able to actually quantify

611  
00:35:05,600 --> 00:35:03,070  
some of these results what was the

612  
00:35:09,180 --> 00:35:05,610  
overall characteristic on this did they

613  
00:35:11,490 --> 00:35:09,190

experience fear or I know you know

614

00:35:13,740 --> 00:35:11,500

Farrugia has said that there was some

615

00:35:18,840 --> 00:35:13,750

sort of an Enlightenment type experience

616

00:35:22,230 --> 00:35:18,850

but how did this impinge on their daily

617

00:35:26,250 --> 00:35:22,240

life the majority of individuals who

618

00:35:29,820 --> 00:35:26,260

took part in our study aided that they

619

00:35:34,020 --> 00:35:29,830

were fearful mm-hmm they were scared to

620

00:35:36,740 --> 00:35:34,030

death initially but they after the

621

00:35:39,120 --> 00:35:36,750

experience they were also very very

622

00:35:41,670 --> 00:35:39,130

curious okay

623

00:35:44,400 --> 00:35:41,680

you know I asked if they could end this

624

00:35:46,769 --> 00:35:44,410

experience would they and that wasn't on

625

00:35:49,769 --> 00:35:46,779

the first questionnaire but I have been

626  
00:35:51,660 --> 00:35:49,779  
asking people this I'm and the question

627  
00:35:55,230 --> 00:35:51,670  
on the second questionnaire that we're

628  
00:35:58,880 --> 00:35:55,240  
trying to quantify but it seems that

629  
00:36:03,299 --> 00:35:58,890  
many individuals are stating that they

630  
00:36:06,180 --> 00:36:03,309  
would choose to continue because of

631  
00:36:08,700 --> 00:36:06,190  
their curiosity because they're looking

632  
00:36:13,640 --> 00:36:08,710  
for answers to their questions hmm

633  
00:36:18,390 --> 00:36:13,650  
Kathleen I I would remind you of your

634  
00:36:23,279 --> 00:36:18,400  
co-writers famous statement that humans

635  
00:36:25,349 --> 00:36:23,289  
are angry Apes with guns and it's one of

636  
00:36:28,819 --> 00:36:25,359  
my favorite things that Stanton Friedman

637  
00:36:32,940 --> 00:36:28,829  
ever said and I think that um a

638  
00:36:37,380 --> 00:36:32,950

wonderful way to subdue angry apes with

639

00:36:41,870 --> 00:36:37,390

guns without killing them or locking

640

00:36:47,400 --> 00:36:41,880

them up is to use the natural biological

641

00:36:50,789 --> 00:36:47,410

state of sleep paralysis to keep humans

642

00:36:53,999 --> 00:36:50,799

from reacting so if you if you are an an

643

00:36:57,900 --> 00:36:54,009

alien or a higher intelligence and you

644

00:37:02,150 --> 00:36:57,910

are aware that all of the larger mammals

645

00:37:04,710 --> 00:37:02,160

on earth experience naturally

646

00:37:07,680 --> 00:37:04,720

biologically they naturally experience

647

00:37:11,579 --> 00:37:07,690

sleep paralysis so that they don't jump

648

00:37:15,450 --> 00:37:11,589

out the window when they dream that you

649

00:37:19,829 --> 00:37:15,460

as the higher intelligence could use the

650

00:37:26,849 --> 00:37:19,839

state of sleep paralysis to keep the

651  
00:37:31,410 --> 00:37:26,859  
human from acting violently or trying to

652  
00:37:34,380 --> 00:37:31,420  
get away and so forth yes absolutely and

653  
00:37:37,470 --> 00:37:34,390  
that it apparently is what happened to

654  
00:37:41,490 --> 00:37:37,480  
my uncle Barney and my aunt betty and

655  
00:37:45,029 --> 00:37:41,500  
has continued to occur even when the

656  
00:37:49,289 --> 00:37:45,039  
individual is wide awake and standing in

657  
00:37:52,890 --> 00:37:49,299  
a field the historically we see that

658  
00:37:55,290 --> 00:37:52,900  
they have been paralyzed and

659  
00:37:57,840 --> 00:37:55,300  
and even though they can remember part

660  
00:38:01,260 --> 00:37:57,850  
of the experience they usually develop

661  
00:38:03,690 --> 00:38:01,270  
amnesia for part of it as well no I was

662  
00:38:06,060 --> 00:38:03,700  
just saying that there actually was an

663  
00:38:08,160 --> 00:38:06,070

experience it was an only sleep

664

00:38:10,410 --> 00:38:08,170

paralysis which it's been tried to

665

00:38:13,260 --> 00:38:10,420

explain away by some of these but I'll

666

00:38:15,720 --> 00:38:13,270

so anyway just to get back to your one

667

00:38:19,290 --> 00:38:15,730

book alien abduction files that you did

668

00:38:22,440 --> 00:38:19,300

with Denise stoner that that's pretty

669

00:38:24,810 --> 00:38:22,450

fascinating stuff and you indicated that

670

00:38:27,420 --> 00:38:24,820

you may have come to a dead end know

671

00:38:32,970 --> 00:38:27,430

after all that research are you still

672

00:38:35,160 --> 00:38:32,980

going to soldier on I you know I there

673

00:38:40,280 --> 00:38:35,170

are times where I feel terribly

674

00:38:44,460 --> 00:38:40,290

frustrated with the research because oh

675

00:38:47,160 --> 00:38:44,470

the trends within the field and the

676

00:38:50,010 --> 00:38:47,170

direction that it's going in I'm going

677

00:38:55,680 --> 00:38:50,020

to continue to soldier on I'm good good

678

00:39:01,620 --> 00:38:55,690

I am doing this research project excuse

679

00:39:06,360 --> 00:39:01,630

me but at the same time I'm I'm seeing

680

00:39:09,390 --> 00:39:06,370

trends towards more involvement with the

681

00:39:12,720 --> 00:39:09,400

media as opposed to scientists and I

682

00:39:16,890 --> 00:39:12,730

think my greatest frustration is that so

683

00:39:22,230 --> 00:39:16,900

many of the great scientific minds who

684

00:39:26,280 --> 00:39:22,240

had worked in this field earlier people

685

00:39:29,220 --> 00:39:26,290

with with doctorates in their chosen

686

00:39:35,690 --> 00:39:29,230

field for example such as dr. James

687

00:39:39,360 --> 00:39:35,700

harder such as dr. Allen Hynek have and

688

00:39:44,480 --> 00:39:39,370

dr. James McDonald they have passed away

689

00:39:49,170 --> 00:39:44,490

and and then not being replaced by

690

00:39:52,200 --> 00:39:49,180

younger people who have a scientific

691

00:39:54,840 --> 00:39:52,210

interest in this and that is what

692

00:39:59,280 --> 00:39:54,850

disturbs me about the current trend is

693

00:40:03,540 --> 00:39:59,290

that the move away from science as I'm

694

00:40:06,120 --> 00:40:03,550

perceiving it toward sensationalism in

695

00:40:09,400 --> 00:40:06,130

the media and

696

00:40:14,920 --> 00:40:09,410

very little concern about the veracity

697

00:40:19,930 --> 00:40:14,930

of the claim sometimes the media would

698

00:40:23,440 --> 00:40:19,940

like to focus upon the the kookiest

699

00:40:26,410 --> 00:40:23,450

story that they can find or a domestic

700

00:40:30,600 --> 00:40:26,420

centric experience or that they can find

701  
00:40:32,950 --> 00:40:30,610  
because it plays well in the media the

702  
00:40:36,790 --> 00:40:32,960  
average family sitting at home watching

703  
00:40:39,430 --> 00:40:36,800  
TV like to see that sort of thing but it

704  
00:40:42,730 --> 00:40:39,440  
removes credibility from the subject

705  
00:40:46,360 --> 00:40:42,740  
matter and a person who like myself who

706  
00:40:50,740 --> 00:40:46,370  
is interested in the science of all of

707  
00:40:55,000 --> 00:40:50,750  
this can become very frustrated well the

708  
00:40:59,470 --> 00:40:55,010  
internet with CGI effects has also

709  
00:41:03,070 --> 00:40:59,480  
muddied the waters greatly I think yes

710  
00:41:06,070 --> 00:41:03,080  
yes that is definitely true anybody with

711  
00:41:08,980 --> 00:41:06,080  
a you know a little bit of knowledge of

712  
00:41:16,530 --> 00:41:08,990  
Photoshop and a picture of the night sky

713  
00:41:20,860 --> 00:41:16,540

can create some form of movie or video

714

00:41:25,210 --> 00:41:20,870

purportedly depicting something alien or

715

00:41:28,180 --> 00:41:25,220

paranormal and it's just a effect that

716

00:41:32,710 --> 00:41:28,190

that's being done through commute

717

00:41:36,220 --> 00:41:32,720

computer-generated effects yes that's

718

00:41:38,320 --> 00:41:36,230

very true and and that's more reason for

719

00:41:41,560 --> 00:41:38,330

an organization like the mutual UFO

720

00:41:43,740 --> 00:41:41,570

network to continue soldiering on with

721

00:41:46,990 --> 00:41:43,750

what it's been doing for so many years

722

00:41:51,160 --> 00:41:47,000

because they are an organization that

723

00:41:54,780 --> 00:41:51,170

focuses upon the science would you say

724

00:41:57,580 --> 00:41:54,790

that in recent years like say the past

725

00:42:02,130 --> 00:41:57,590

seven or eight years certainly that

726

00:42:04,990 --> 00:42:02,140

there has been a paucity of large-scale

727

00:42:09,490 --> 00:42:05,000

sightings in other words by a groups

728

00:42:13,660 --> 00:42:09,500

rather than individuals there has been

729

00:42:17,200 --> 00:42:13,670

as from as far as we know now the the

730

00:42:19,510 --> 00:42:17,210

large ones that I know of to place a

731

00:42:19,990 --> 00:42:19,520

while back with the Phoenix lights which

732

00:42:22,930 --> 00:42:20,000

is a very

733

00:42:26,160 --> 00:42:22,940

a compelling story where five simonton

734

00:42:29,410 --> 00:42:26,170

the the governor of arizona has come out

735

00:42:31,180 --> 00:42:29,420

and it will 10 years after the event and

736

00:42:33,970 --> 00:42:31,190

stated that it was real and more

737

00:42:36,820 --> 00:42:33,980

recently on television has aided that

738

00:42:40,540 --> 00:42:36,830

the military was aware of it he was on

739

00:42:44,170 --> 00:42:40,550

the phone with them and that it was a

740

00:42:46,930 --> 00:42:44,180

real event it was not military flares in

741

00:42:49,270 --> 00:42:46,940

that time frame so that was very

742

00:42:53,410 --> 00:42:49,280

important of course we had the O'Hare

743

00:42:57,160 --> 00:42:53,420

Airport event which was again covered up

744

00:43:01,240 --> 00:42:57,170

but then in the analysis of the weather

745

00:43:03,160 --> 00:43:01,250

pattern that day we found that the the

746

00:43:05,230 --> 00:43:03,170

hole in the cloud could not have been a

747

00:43:08,200 --> 00:43:05,240

naturally occurring punch hole plowed

748

00:43:11,410 --> 00:43:08,210

right that and there were so many

749

00:43:14,590 --> 00:43:11,420

credible witnesses to that UFO and then

750

00:43:17,590 --> 00:43:14,600

of course the Steven Stephenson cheese

751

00:43:22,210 --> 00:43:17,600

until yes even's vil sorry Texas

752

00:43:26,830 --> 00:43:22,220

sighting as well very important we

753

00:43:29,760 --> 00:43:26,840

haven't had another major event in in

754

00:43:34,210 --> 00:43:29,770

recent years like that but we do have

755

00:43:38,770 --> 00:43:34,220

reports of UFOs hovering low over

756

00:43:41,520 --> 00:43:38,780

individuals vehicle it always amazes me

757

00:43:45,460 --> 00:43:41,530

as to why that they should be covered up

758

00:43:47,650 --> 00:43:45,470

there's got to be a sort of a I almost

759

00:43:50,560 --> 00:43:47,660

suspect there's an agency with I mean

760

00:43:52,650 --> 00:43:50,570

not to be a conspiracy theory person but

761

00:43:55,570 --> 00:43:52,660

like an agency within the government

762

00:43:58,930 --> 00:43:55,580

that or within some government that is

763

00:44:01,150 --> 00:43:58,940

in charge of covering this up it's just

764

00:44:05,050 --> 00:44:01,160

fascinating to me that it happened so

765

00:44:07,330 --> 00:44:05,060

fast and so effectively that might be an

766

00:44:09,610 --> 00:44:07,340

area of interest of research like who's

767

00:44:11,620 --> 00:44:09,620

doing I'm very fascinated in that

768

00:44:15,010 --> 00:44:11,630

research and I'm turning a lot of

769

00:44:17,830 --> 00:44:15,020

attention to that because good if the

770

00:44:20,050 --> 00:44:17,840

evidence is being covered up if there is

771

00:44:23,170 --> 00:44:20,060

an obfuscation of what is actually going

772

00:44:28,300 --> 00:44:23,180

on then it then how do you really get

773

00:44:32,890 --> 00:44:28,310

down to the nitty-gritty oven when when

774

00:44:33,819 --> 00:44:32,900

you go and look at the history of

775

00:44:35,380 --> 00:44:33,829

government in vol

776

00:44:38,549 --> 00:44:35,390

hoffman in this you can see that there's

777

00:44:43,150 --> 00:44:38,559

been a lot of involvement and that in

778

00:44:45,609 --> 00:44:43,160

1953 the CIA robertson funded Robertson

779

00:44:49,390 --> 00:44:45,619

panel met the Durant report was written

780

00:44:53,049 --> 00:44:49,400

and they had made the decision that it

781

00:44:55,660 --> 00:44:53,059

would be best to cover this up to take

782

00:44:59,469 --> 00:44:55,670

the publish sub public's interest off

783

00:45:03,130 --> 00:44:59,479

this topic part of it was for national

784

00:45:07,829 --> 00:45:03,140

security over our cold war with Russia

785

00:45:10,599 --> 00:45:07,839

but part of it was because they

786

00:45:17,400 --> 00:45:10,609

considering what had happened in the

787

00:45:21,309 --> 00:45:17,410

past with war of the worlds and the

788

00:45:24,420 --> 00:45:21,319

broadcast of of that my gosh convenience

789

00:45:27,160 --> 00:45:24,430

when it was yes where there was so much

790

00:45:29,529 --> 00:45:27,170

disruption people who were frightened

791

00:45:31,349 --> 00:45:29,539

they they really had to consider the

792

00:45:34,239 --> 00:45:31,359

impact that it would have upon

793

00:45:37,239 --> 00:45:34,249

population and of course we had Project

794

00:45:39,039 --> 00:45:37,249

Blue Book that lasted for many many

795

00:45:42,009 --> 00:45:39,049

years until nineteen sixty-nine

796

00:45:44,650 --> 00:45:42,019

sometimes they did a better job at it

797

00:45:49,209 --> 00:45:44,660

than others sometimes it was merely a

798

00:45:52,239 --> 00:45:49,219

cover-up but there was also another

799

00:45:55,660 --> 00:45:52,249

agency that was receiving the most

800

00:45:59,709 --> 00:45:55,670

credible reports the reports that could

801  
00:46:02,829 --> 00:45:59,719  
affect national security and and there's

802  
00:46:05,109 --> 00:46:02,839  
no reason to believe that that agency

803  
00:46:08,099 --> 00:46:05,119  
closed along with Project Blue Book it

804  
00:46:11,109 --> 00:46:08,109  
appears that it is probably still

805  
00:46:15,759 --> 00:46:11,119  
occurring but the public is not involved

806  
00:46:18,160 --> 00:46:15,769  
and the files are not available well

807  
00:46:21,719 --> 00:46:18,170  
looking at that from two different

808  
00:46:25,180 --> 00:46:21,729  
vantage points we have the opinion of

809  
00:46:28,390 --> 00:46:25,190  
like say the former MUFON had James

810  
00:46:31,239 --> 00:46:28,400  
carrion that the government was

811  
00:46:37,380 --> 00:46:31,249  
interested merely because it provided

812  
00:46:45,339 --> 00:46:37,390  
the UFO field provided a neat cover for

813  
00:46:47,050 --> 00:46:45,349

testing military secret aircraft and so

814

00:46:49,390 --> 00:46:47,060

it would draw

815

00:46:52,600 --> 00:46:49,400

Russian agents if you will or you know

816

00:46:55,690 --> 00:46:52,610

any of the Chinese agents I suppose as

817

00:46:59,380 --> 00:46:55,700

well out of the woodwork to look at the

818

00:47:03,190 --> 00:46:59,390

UFOs in that way somehow the government

819

00:47:08,410 --> 00:47:03,200

would catch them as a part from the

820

00:47:10,990 --> 00:47:08,420

normal UFO interested American and then

821

00:47:15,490 --> 00:47:11,000

you can contrast that with two

822

00:47:20,140 --> 00:47:15,500

presidents in the late 20th century both

823

00:47:21,820 --> 00:47:20,150

of whom have made definite statements

824

00:47:24,700 --> 00:47:21,830

that they saw things that they could not

825

00:47:27,790 --> 00:47:24,710

explain that being Jimmy Carter and

826

00:47:30,070 --> 00:47:27,800

Ronald Reagan so you have you have

827

00:47:32,020 --> 00:47:30,080

things that you know you have to kind of

828

00:47:34,180 --> 00:47:32,030

come down in the middle with these

829

00:47:36,280 --> 00:47:34,190

things and not not really know what's

830

00:47:38,620 --> 00:47:36,290

going on there with the national

831

00:47:40,810 --> 00:47:38,630

security and what what does the

832

00:47:45,880 --> 00:47:40,820

government know I mean we can we can

833

00:47:48,420 --> 00:47:45,890

look at what Colonel John Alexander PhD

834

00:47:51,520 --> 00:47:48,430

who was a former guest of ours on on

835

00:47:54,940 --> 00:47:51,530

shattered reality here and he he seems

836

00:47:58,120 --> 00:47:54,950

to feel as though UFOs are real they're

837

00:48:01,660 --> 00:47:58,130

not they're not from any government on

838

00:48:04,330 --> 00:48:01,670

earth but no the government doesn't know

839

00:48:08,140 --> 00:48:04,340

much about them or we can you know go

840

00:48:12,940 --> 00:48:08,150

down another Road which is kind of the

841

00:48:17,770 --> 00:48:12,950

the Richard help me Dolan Richard Dolan

842

00:48:20,470 --> 00:48:17,780

a breakaway society kind of way that

843

00:48:22,540 --> 00:48:20,480

there is a whole subculture that knows

844

00:48:25,180 --> 00:48:22,550

about all these things and is keeping it

845

00:48:29,380 --> 00:48:25,190

from the rest of us and that's also the

846

00:48:32,610 --> 00:48:29,390

David Icke direction so it's it's hard

847

00:48:36,520 --> 00:48:32,620

as a thinking individual who tries to

848

00:48:38,200 --> 00:48:36,530

remain objective to an excerpt an extent

849

00:48:41,260 --> 00:48:38,210

but who has experienced certain things

850

00:48:44,320 --> 00:48:41,270

on on one hand and on the other hand you

851  
00:48:47,560 --> 00:48:44,330  
want to be objective and say where where

852  
00:48:49,930 --> 00:48:47,570  
does it come down in the middle yes I me

853  
00:48:52,660 --> 00:48:49,940  
and I would be suspicious if those who

854  
00:48:54,850 --> 00:48:52,670  
have radical thoughts about this that

855  
00:49:00,490 --> 00:48:54,860  
it's all or nothing there is evidence

856  
00:49:04,690 --> 00:49:00,500  
that the CIA did hoax some UFOs

857  
00:49:07,390 --> 00:49:04,700  
just for the public reaction but and

858  
00:49:09,700 --> 00:49:07,400  
there is definitely evidence that we do

859  
00:49:11,860 --> 00:49:09,710  
have military test vehicles that they

860  
00:49:14,320 --> 00:49:11,870  
were covering up that does not mean that

861  
00:49:17,590 --> 00:49:14,330  
everything that has been observed is a

862  
00:49:21,730 --> 00:49:17,600  
military test vehicle many of them do

863  
00:49:26,080 --> 00:49:21,740

not have the characteristics of anything

864

00:49:29,290 --> 00:49:26,090

that has been manufactured on earth and

865

00:49:33,670 --> 00:49:29,300

I'm going back historically here back

866

00:49:36,430 --> 00:49:33,680

into the 50s for example where the craft

867

00:49:40,480 --> 00:49:36,440

could out flying outmaneuver anything

868

00:49:42,730 --> 00:49:40,490

that we had on earth well even with

869

00:49:46,030 --> 00:49:42,740

Frank Ficino he had something along

870

00:49:47,890 --> 00:49:46,040

those lines too and I think he presents

871

00:49:53,140 --> 00:49:47,900

some pretty solid evidence that there

872

00:49:57,070 --> 00:49:53,150

was a war going on in 1952 that was with

873

00:49:58,840 --> 00:49:57,080

the flybys over DC and he has some

874

00:50:01,030 --> 00:49:58,850

pretty interesting theories to the

875

00:50:02,620 --> 00:50:01,040

problem is these are all theories you

876

00:50:04,870 --> 00:50:02,630

know until you capture one of these

877

00:50:08,410 --> 00:50:04,880

things as you said captured I hope it

878

00:50:11,290 --> 00:50:08,420

works in Reverse one day it's you know

879

00:50:13,330 --> 00:50:11,300

we're all just sort of well you're doing

880

00:50:15,190 --> 00:50:13,340

the best I think gathering as much data

881

00:50:19,540 --> 00:50:15,200

as you can otherwise roads are

882

00:50:22,030 --> 00:50:19,550

speculating that is true and you know

883

00:50:25,740 --> 00:50:22,040

speculation can be fun but it doesn't

884

00:50:29,380 --> 00:50:25,750

get them are in terms of reality right

885

00:50:31,480 --> 00:50:29,390

right but yeah I don't they're very

886

00:50:34,210 --> 00:50:31,490

cagey these things i'll tell you all

887

00:50:35,800 --> 00:50:34,220

these sightings all these abductions and

888

00:50:38,320 --> 00:50:35,810

you know something's happened somewhere

889

00:50:41,290 --> 00:50:38,330

to people i don't think anyone can deny

890

00:50:43,810 --> 00:50:41,300

that whatever it is something has

891

00:50:45,850 --> 00:50:43,820

happened but boy they're kg there's

892

00:50:49,090 --> 00:50:45,860

never been any solid evidence well i

893

00:50:52,570 --> 00:50:49,100

think that part of the reason is that as

894

00:50:55,450 --> 00:50:52,580

human beings we are dealing with a

895

00:50:58,810 --> 00:50:55,460

certain range of intelligence and I mean

896

00:51:00,880 --> 00:50:58,820

I don't want to talk about IQs but just

897

00:51:03,910 --> 00:51:00,890

using that as an example we have human

898

00:51:06,310 --> 00:51:03,920

beings with IQs of 60 let us say and

899

00:51:10,630 --> 00:51:06,320

then we have human beings with IQs of

900

00:51:14,410 --> 00:51:10,640

200 but we could be dealing with an

901  
00:51:16,990 --> 00:51:14,420  
alien race or a non-physical ray

902  
00:51:20,620 --> 00:51:17,000  
shall we say or an interdimensional race

903  
00:51:24,460 --> 00:51:20,630  
that their intelligence far surpasses

904  
00:51:27,130 --> 00:51:24,470  
ours and as a result of that we're not

905  
00:51:30,190 --> 00:51:27,140  
able to cognate eyes what it is that's

906  
00:51:33,309 --> 00:51:30,200  
going on regardless if as if we are

907  
00:51:36,160 --> 00:51:33,319  
considered on earth like a smart person

908  
00:51:38,500 --> 00:51:36,170  
or you know not that not the smartest

909  
00:51:40,030 --> 00:51:38,510  
crayon in the box yeah I would still got

910  
00:51:42,190 --> 00:51:40,040  
to be something out there I mean they

911  
00:51:43,720 --> 00:51:42,200  
exist in this world even if temporarily

912  
00:51:45,370 --> 00:51:43,730  
has got to be something someplace

913  
00:51:48,339 --> 00:51:45,380

someone's got to get a nut or bolt

914

00:51:51,460 --> 00:51:48,349

sometime well now we have we have

915

00:51:54,190 --> 00:51:51,470

thousands of pieces of physical trace

916

00:51:57,250 --> 00:51:54,200

evidence yes you do yes have

917

00:51:59,589 --> 00:51:57,260

physiological evidence a lot of this has

918

00:52:03,160 --> 00:51:59,599

been analyzed we have radar evidence

919

00:52:06,400 --> 00:52:03,170

photographic evidence a massive amount

920

00:52:10,170 --> 00:52:06,410

of evidence but it needs to be looked at

921

00:52:15,190 --> 00:52:10,180

by an interdisciplinary team take the

922

00:52:20,020 --> 00:52:15,200

1952 washington DC evidence for example

923

00:52:22,809 --> 00:52:20,030

we had blips on the radar screen we had

924

00:52:25,799 --> 00:52:22,819

a radar operator with 30 years

925

00:52:31,000 --> 00:52:25,809

experience who was highly knowledgeable

926  
00:52:33,130 --> 00:52:31,010  
about temperature inversion angels on

927  
00:52:36,430 --> 00:52:33,140  
the screen been caused by temperature

928  
00:52:39,220 --> 00:52:36,440  
inversion but on that case we also had

929  
00:52:44,140 --> 00:52:39,230  
military pilots who were scrambled who

930  
00:52:46,839 --> 00:52:44,150  
had visual sightings of these craft we

931  
00:52:49,510 --> 00:52:46,849  
had people on the ground who had visual

932  
00:52:52,270 --> 00:52:49,520  
sightings with these craft when it came

933  
00:52:55,839 --> 00:52:52,280  
down to the scientific analysis these

934  
00:52:59,319 --> 00:52:55,849  
things were picked apart the human

935  
00:53:03,789 --> 00:52:59,329  
beings were said to have possibly had

936  
00:53:06,099 --> 00:53:03,799  
perceptual errors and the blips on the

937  
00:53:09,880 --> 00:53:06,109  
radar screen were said to because

938  
00:53:12,579 --> 00:53:09,890

probably by inversions even though the

939

00:53:16,329 --> 00:53:12,589

radar operator was seeing inversions

940

00:53:18,640 --> 00:53:16,339

every night of the week no one ever put

941

00:53:21,849 --> 00:53:18,650

all of those pieces of evidence together

942

00:53:24,700 --> 00:53:21,859

and studied it the way that we would do

943

00:53:27,039 --> 00:53:24,710

a forensic investigation and that's what

944

00:53:28,390 --> 00:53:27,049

I think we really need to do we can't

945

00:53:31,900 --> 00:53:28,400

just separate

946

00:53:34,120 --> 00:53:31,910

into little parcel different pieces of

947

00:53:37,210 --> 00:53:34,130

information and not consider it as a

948

00:53:39,870 --> 00:53:37,220

whole I have one question for you about

949

00:53:42,940 --> 00:53:39,880

the evidence and it's very particular

950

00:53:48,160 --> 00:53:42,950

type of question and I am separating

951  
00:53:53,769 --> 00:53:48,170  
something out but I've read you speaking

952  
00:53:58,569 --> 00:53:53,779  
of or writing of magnetic evidence with

953  
00:54:00,730 --> 00:53:58,579  
cars and and Barney Hills car having a

954  
00:54:03,250 --> 00:54:00,740  
magnetic field how many of these

955  
00:54:06,789 --> 00:54:03,260  
magnetic fields are what known as

956  
00:54:10,660 --> 00:54:06,799  
monopole monopole magnetic fields and

957  
00:54:16,450 --> 00:54:10,670  
how many are you know just magnetic

958  
00:54:19,319 --> 00:54:16,460  
fields that we see elsewhere um what I

959  
00:54:22,089 --> 00:54:19,329  
can tell you was in on Barney Hills car

960  
00:54:24,730 --> 00:54:22,099  
there were shiny spots and when he

961  
00:54:27,880 --> 00:54:24,740  
placed a compass embedded as well placed

962  
00:54:30,220 --> 00:54:27,890  
a compass over the spot the the needle

963  
00:54:31,750 --> 00:54:30,230

would spin and spin they were on the

964

00:54:35,710 --> 00:54:31,760

trunk of the car it wasn't up near the

965

00:54:38,890 --> 00:54:35,720

battery this also happened in the case

966

00:54:45,309 --> 00:54:38,900

of Matthew Reed cases that happened in

967

00:54:49,809 --> 00:54:45,319

2009 in Indiana where he was had dropped

968

00:54:56,260 --> 00:54:49,819

off a coworker was returning home on a

969

00:54:59,440 --> 00:54:56,270

back road driving along suddenly he

970

00:55:03,450 --> 00:54:59,450

finds himself in a new location hours

971

00:55:07,120 --> 00:55:03,460

have passed his shoes or muddy this was

972

00:55:12,370 --> 00:55:07,130

this case was investigated by MUFON

973

00:55:14,829 --> 00:55:12,380

starting and they did record evidence of

974

00:55:17,710 --> 00:55:14,839

a magnetic field again around the trunk

975

00:55:22,799 --> 00:55:17,720

of the car that the needle on the

976

00:55:26,109 --> 00:55:22,809

compass would spin and there was no

977

00:55:29,140 --> 00:55:26,119

conventional reason why that should have

978

00:55:32,980 --> 00:55:29,150

occurred I think it also occurred in

979

00:55:36,359 --> 00:55:32,990

something in in New Jersey on the New

980

00:55:41,140 --> 00:55:36,369

Jersey Pennsylvania border with a

981

00:55:42,250 --> 00:55:41,150

sighting and a car that was affected the

982

00:55:44,970 --> 00:55:42,260

entire car

983

00:55:48,790 --> 00:55:44,980

was affected with this Magnus unusual

984

00:55:50,290 --> 00:55:48,800

monopole magnetic field I don't know if

985

00:55:54,010 --> 00:55:50,300

you know about that but I guess that's

986

00:55:56,740 --> 00:55:54,020

it's just such a small detail but yet to

987

00:55:58,810 --> 00:55:56,750

me somehow fascinating I would like to

988

00:56:01,810 --> 00:55:58,820

hear all of the cases that I can

989

00:56:04,600 --> 00:56:01,820

possibly hear about this because I find

990

00:56:07,180 --> 00:56:04,610

this fascinating and and you know I'm

991

00:56:11,380 --> 00:56:07,190

wondering if that is in association with

992

00:56:14,680 --> 00:56:11,390

the car being lifted into the air or why

993

00:56:17,130 --> 00:56:14,690

that magnetic field is there we we don't

994

00:56:19,780 --> 00:56:17,140

have the answer I hope some young

995

00:56:22,600 --> 00:56:19,790

physicist who's entering a PhD program

996

00:56:25,060 --> 00:56:22,610

hears this and says what's that all

997

00:56:26,440 --> 00:56:25,070

about and gets interested in I think

998

00:56:29,770 --> 00:56:26,450

that's what you need to and I think

999

00:56:32,530 --> 00:56:29,780

that's what you're getting at I think

1000

00:56:35,050 --> 00:56:32,540

that Ken Pfeifer probably has that case

1001  
00:56:37,540 --> 00:56:35,060  
that I'm speaking of that happened up in

1002  
00:56:41,100 --> 00:56:37,550  
Sussex County I think he probably has

1003  
00:56:44,110 --> 00:56:41,110  
access to that case he's the MUFON

1004  
00:56:48,480 --> 00:56:44,120  
coordinator here in New Jersey okay

1005  
00:56:53,260 --> 00:56:48,490  
great thank you so um before we let you

1006  
00:56:56,260 --> 00:56:53,270  
get on with your day uh I wonder if you

1007  
00:56:58,450 --> 00:56:56,270  
have anything of that you would like to

1008  
00:57:01,780 --> 00:56:58,460  
report to was something that is ongoing

1009  
00:57:04,420 --> 00:57:01,790  
now a particularly interesting case that

1010  
00:57:10,750 --> 00:57:04,430  
you have available to share with us or

1011  
00:57:13,570 --> 00:57:10,760  
anything like that I do not have an

1012  
00:57:16,510 --> 00:57:13,580  
interesting case right now part of my

1013  
00:57:19,180 --> 00:57:16,520

frustration was that I've had two very

1014

00:57:23,140 --> 00:57:19,190

very interesting cases that I have

1015

00:57:24,850 --> 00:57:23,150

worked on they seemed like big cases one

1016

00:57:27,090 --> 00:57:24,860

of them has been ongoing I've been

1017

00:57:31,770 --> 00:57:27,100

investigating this case for three years

1018

00:57:36,700 --> 00:57:31,780

finally we were able to have collect

1019

00:57:41,160 --> 00:57:36,710

what was possibly an alien implant it

1020

00:57:45,520 --> 00:57:41,170

was removed by this man's surgeon and

1021

00:57:47,230 --> 00:57:45,530

wrap packaged up and sent to MUFON and

1022

00:57:50,290 --> 00:57:47,240

then sent to our scientists for

1023

00:57:53,620 --> 00:57:50,300

evaluation by the time it ever had

1024

00:57:55,839 --> 00:57:53,630

arrived it had dissolved we've had this

1025

00:57:59,279 --> 00:57:55,849

happen to two implants that

1026

00:58:04,479 --> 00:57:59,289

aware of possible implants let me say

1027

00:58:06,819 --> 00:58:04,489

also I had collected pink discoloration

1028

00:58:09,999 --> 00:58:06,829

on this man's shirt I had the

1029

00:58:12,910 --> 00:58:10,009

photographs of it after he had placed it

1030

00:58:16,539 --> 00:58:12,920

in his closet in a paper bag in the dark

1031

00:58:20,140 --> 00:58:16,549

for two weeks he packaged it up he sent

1032

00:58:22,779 --> 00:58:20,150

it to me I looked at it by the time it

1033

00:58:25,839 --> 00:58:22,789

arrived at the scientist laboratory

1034

00:58:28,690 --> 00:58:25,849

there was not enough pink on it for

1035

00:58:31,599 --> 00:58:28,700

analysis that something is happening to

1036

00:58:33,940 --> 00:58:31,609

the evidence and that is terribly

1037

00:58:37,599 --> 00:58:33,950

frustrating and your Aunt Betty he'll

1038

00:58:40,839 --> 00:58:37,609

also had pink powder on her dress if I

1039

00:58:44,109 --> 00:58:40,849

recall that is correct and and that was

1040

00:58:47,170 --> 00:58:44,119

my reason for asking experiencers to

1041

00:58:50,769 --> 00:58:47,180

take part in this experiment to see if

1042

00:58:54,029 --> 00:58:50,779

we could find pink powder or create pink

1043

00:58:57,400 --> 00:58:54,039

powder so that it could undergo

1044

00:59:03,719 --> 00:58:57,410

laboratory analysis before it actually

1045

00:59:07,299 --> 00:59:03,729

died if in fact it is biological hmm

1046

00:59:09,190 --> 00:59:07,309

interesting but at anyway I guess we

1047

00:59:11,170 --> 00:59:09,200

have sort of come to the end Kathleen

1048

00:59:14,289 --> 00:59:11,180

but please let us hear all about your

1049

00:59:17,559 --> 00:59:14,299

books in your website and where people

1050

00:59:20,469 --> 00:59:17,569

can go to join in if they have had an

1051

00:59:22,359 --> 00:59:20,479

experience where they can contact you so

1052

00:59:25,620 --> 00:59:22,369

that they can share it with the other

1053

00:59:32,200 --> 00:59:25,630

people who have also had experiences

1054

00:59:37,479 --> 00:59:32,210

okay so so my website is Kathleen with a

1055

00:59:41,200 --> 00:59:37,489

k dash mardan ma rden calm in addition

1056

00:59:45,489 --> 00:59:41,210

to my ordering the three books that i

1057

00:59:46,979 --> 00:59:45,499

have had published you can read articles

1058

00:59:50,680 --> 00:59:46,989

that i have written that are absolutely

1059

00:59:53,200 --> 00:59:50,690

free and also my up scott upcoming

1060

00:59:55,870 --> 00:59:53,210

speaking engagements are listed on my

1061

00:59:59,920 --> 00:59:55,880

website so please visit the website if

1062

01:00:03,339 --> 00:59:59,930

you have an experience that you wish to

1063

01:00:06,609 --> 01:00:03,349

report please go to muffins website and

1064

01:00:09,039 --> 01:00:06,619

complete the experencer questionnaire

1065

01:00:09,640 --> 01:00:09,049

which is separate from the experience or

1066

01:00:12,880 --> 01:00:09,650

service

1067

01:00:16,720 --> 01:00:12,890

they're all on the main page at MUFON

1068

01:00:18,490 --> 01:00:16,730

com one is 30 questions that's the one

1069

01:00:21,519 --> 01:00:18,500

you want to complete if you'd like to

1070

01:00:24,670 --> 01:00:21,529

speak to a member of muffins experience

1071

01:00:27,760 --> 01:00:24,680

or research team and possibly make a

1072

01:00:30,849 --> 01:00:27,770

report that would be where you would be

1073

01:00:34,900 --> 01:00:30,859

interviewed by an investigator the other

1074

01:00:37,660 --> 01:00:34,910

one is the experience of survey and

1075

01:00:42,010 --> 01:00:37,670

please if you are an experencer and you

1076  
01:00:44,740 --> 01:00:42,020  
remember your experiences at all please

1077  
01:00:47,349 --> 01:00:44,750  
go there and fill that out it's part of

1078  
01:00:49,410 --> 01:00:47,359  
a really important scientific study that

1079  
01:00:52,059 --> 01:00:49,420  
we're doing for the benefit of

1080  
01:00:55,269 --> 01:00:52,069  
experiencers and also for the benefit of

1081  
01:00:57,880 --> 01:00:55,279  
the public and of course your books I

1082  
01:01:00,430 --> 01:00:57,890  
love captured that you're right that

1083  
01:01:04,420 --> 01:01:00,440  
really although obviously was based on

1084  
01:01:06,609 --> 01:01:04,430  
their abduction experience it it just

1085  
01:01:08,589 --> 01:01:06,619  
brought Betty and Barney Hill to life

1086  
01:01:11,799 --> 01:01:08,599  
they were no longer just a couple who

1087  
01:01:15,250 --> 01:01:11,809  
had been just abducted by some very

1088  
01:01:17,109 --> 01:01:15,260

strange beings but you know it and and

1089

01:01:19,120 --> 01:01:17,119

suddenly realized why they had to be

1090

01:01:22,240 --> 01:01:19,130

taken seriously they were very important

1091

01:01:25,480 --> 01:01:22,250

members of the community and I was that

1092

01:01:28,180 --> 01:01:25,490

was a great book captured and then this

1093

01:01:30,880 --> 01:01:28,190

newer one alien abduction files is great

1094

01:01:32,950 --> 01:01:30,890

too but mostly I'm looking forward to

1095

01:01:36,549 --> 01:01:32,960

seeing the movie I hope they get it done

1096

01:01:38,890 --> 01:01:36,559

me too and and thank you so much for

1097

01:01:41,500 --> 01:01:38,900

being on shattered reality Kathleen

1098

01:01:43,809 --> 01:01:41,510

Martin yeah thank you for having me I

1099

01:01:45,579 --> 01:01:43,819

appreciate oh you can't it's really been

1100

01:01:47,769 --> 01:01:45,589

great talking to you again we'll have to

1101

01:01:49,900 --> 01:01:47,779

get maybe we can make it out to phoenix

1102

01:01:52,480 --> 01:01:49,910

I don't know yeah that would be fine

1103

01:01:55,569 --> 01:01:52,490

right road trip yeah trip I'd be some

1104

01:01:58,359 --> 01:01:55,579

mood to open be there okay take care now

1105

01:02:03,190 --> 01:01:58,369

bye bye okay you too bye bye bye before

1106

01:02:08,710 --> 01:02:03,200

we go I wanted to just state that today

1107

01:02:13,630 --> 01:02:08,720

is January nineteenth 2016 we are

1108

01:02:17,859 --> 01:02:13,640

Farrugia okay Valentine yes and not only

1109

01:02:20,390 --> 01:02:17,869

that but this is free and uh this is

1110

01:02:24,650 --> 01:02:20,400

free reporting

1111

01:02:27,350 --> 01:02:24,660

of any commercial interests a free

1112

01:02:30,770 --> 01:02:27,360

internet we have nothing to do with the

1113

01:02:33,470 --> 01:02:30,780

mainstream media we have no overlords as

1114

01:02:35,660 --> 01:02:33,480

of yet unless they're aliens and we all

1115

01:02:37,520 --> 01:02:35,670

know it and if we hit on something

1116

01:02:39,650 --> 01:02:37,530

really interesting then we'll find out

1117

01:02:41,570 --> 01:02:39,660

who the overlords are but for right now

1118

01:02:44,690 --> 01:02:41,580

we haven't hit on anything terribly

1119

01:02:48,680 --> 01:02:44,700

interesting so help support us at free

1120

01:02:51,590 --> 01:02:48,690

and open Internet and like us at

1121

01:02:55,490 --> 01:02:51,600

shattered reality podcast on facebook

1122

01:03:02,800 --> 01:02:55,500

which is our our fanpage on facebook and

1123

01:03:06,050 --> 01:03:02,810

our two hour to websites which are

1124

01:03:09,050 --> 01:03:06,060

shattered reality podcast calm and

1125

01:03:11,960 --> 01:03:09,060

shattered reality podcast at

1126

01:03:15,380 --> 01:03:11,970

wordpress.com we're getting the show's

1127

01:03:17,750 --> 01:03:15,390

out on youtube and i think that's about

1128

01:03:20,270 --> 01:03:17,760

it for today oh yes don't forget right

1129

01:03:24,200 --> 01:03:20,280

the experiencers if you are experienced

1130

01:03:26,810 --> 01:03:24,210

or of paranormal phenomena we had a

1131

01:03:28,880 --> 01:03:26,820

woman with the bilocation experience

1132

01:03:32,390 --> 01:03:28,890

last week so it doesn't have to be

1133

01:03:36,020 --> 01:03:32,400

aliens paranormal phenomena experiencers

1134

01:03:37,700 --> 01:03:36,030

please let us know yes anytime we always

1135

01:03:39,740 --> 01:03:37,710

love to hear from you of course so I

1136

01:03:42,620 --> 01:03:39,750

guess that wraps up shattered reality
