

1  
00:00:23,740 --> 00:00:20,150  
welcome to shattered reality with their

2  
00:00:26,720 --> 00:00:23,750  
hosts kate valentine and farrugia

3  
00:00:30,760 --> 00:00:26,730  
prepare to have your paradigms shifted

4  
00:00:36,319 --> 00:00:30,770  
in the truth questioned and now

5  
00:00:38,990 --> 00:00:36,329  
shattered reality hi and welcome to

6  
00:00:42,860 --> 00:00:39,000  
another episode of shattered reality i'm

7  
00:00:47,990 --> 00:00:42,870  
kate valentine and I am Farrugia today

8  
00:00:51,470 --> 00:00:48,000  
is March 29th 2016 and we have a

9  
00:00:56,299 --> 00:00:51,480  
wonderful guest here today who's going

10  
00:01:00,080 --> 00:00:56,309  
to be talking a lot about the UFO and

11  
00:01:02,630 --> 00:01:00,090  
contact he experiences but before we

12  
00:01:04,549 --> 00:01:02,640  
actually entry what we're introducing

13  
00:01:07,219 --> 00:01:04,559

her we're going to give you a little bit

14

00:01:10,100 --> 00:01:07,229

of background okay okay well actually

15

00:01:13,069 --> 00:01:10,110

we're really lucky to have her her name

16

00:01:15,849 --> 00:01:13,079

is Mary wat Rodwell and she's got an

17

00:01:19,429 --> 00:01:15,859

extensive background in the abduction

18

00:01:22,069 --> 00:01:19,439

phenomena uh for one thing she is the

19

00:01:25,999 --> 00:01:22,079

founder and principal of the Australian

20

00:01:28,569 --> 00:01:26,009

close encounter Resource Network she's

21

00:01:32,029 --> 00:01:28,579

also written a very fascinating book

22

00:01:35,269 --> 00:01:32,039

awakening how extraterrestrial contact

23

00:01:38,919 --> 00:01:35,279

can transform your life she's also the

24

00:01:42,949 --> 00:01:38,929

producer of an EBE award-winning

25

00:01:46,669 --> 00:01:42,959

documentaries expression of ET contact a

26

00:01:49,969 --> 00:01:46,679

visual blueprint and expressions of ET

27

00:01:52,819 --> 00:01:49,979

contact a communication and healing

28

00:01:55,099 --> 00:01:52,829

blueprint so Mary thank you so much for

29

00:01:57,800 --> 00:01:55,109

spending this next hour with us you know

30

00:02:01,039 --> 00:01:57,810

some fascinating stories to tell us I'm

31

00:02:02,410 --> 00:02:01,049

sure it's not salute pleasure and thank

32

00:02:04,749 --> 00:02:02,420

you for inviting me

33

00:02:06,789 --> 00:02:04,759

well I I think one of the more

34

00:02:10,240 --> 00:02:06,799

interesting things is that Mary is now

35

00:02:12,970 --> 00:02:10,250

talking to us from Australia that's just

36

00:02:16,900 --> 00:02:12,980

phenomenal to me yeah just off through

37

00:02:19,120 --> 00:02:16,910

the wonders of skype you know and it we

38

00:02:24,699 --> 00:02:19,130

apologize for the early hour in

39

00:02:27,220 --> 00:02:24,709

Australia but we do it at this time of

40

00:02:29,259 --> 00:02:27,230

day here well you know the interesting

41

00:02:31,390 --> 00:02:29,269

thing is that we sort of more or less

42

00:02:34,270 --> 00:02:31,400

wonder at it but we take it for granted

43

00:02:36,699 --> 00:02:34,280

that the skype a formulation will go

44

00:02:38,470 --> 00:02:36,709

through whereas maybe I'll it short is

45

00:02:41,590 --> 00:02:38,480

30 years ago this would be found to be

46

00:02:43,690 --> 00:02:41,600

impossible other than you remember the

47

00:02:46,809 --> 00:02:43,700

old long distance telephone calls you

48

00:02:49,059 --> 00:02:46,819

know operator yes and then what is the

49

00:02:53,830 --> 00:02:49,069

country's area code and all that stuff

50

00:02:56,080 --> 00:02:53,840

yes so I cost two thousand dollars but

51  
00:03:00,789 --> 00:02:56,090  
and I think what you're studying today

52  
00:03:03,059 --> 00:03:00,799  
Mary is sort of unbelievable as it may

53  
00:03:06,309 --> 00:03:03,069  
sound too many people in coming years

54  
00:03:07,810 --> 00:03:06,319  
the reaction will be well of course it

55  
00:03:11,560 --> 00:03:07,820  
was true i mean how could they have

56  
00:03:14,979 --> 00:03:11,570  
doubted it and Ill think you the number

57  
00:03:19,599 --> 00:03:14,989  
like I think you at one one thing you

58  
00:03:23,140 --> 00:03:19,609  
had 1600 abduction stories and that was

59  
00:03:26,800 --> 00:03:23,150  
you alone my lap in there yes that's

60  
00:03:29,530 --> 00:03:26,810  
right it's now about 3000 oh wow that

61  
00:03:32,380 --> 00:03:29,540  
sort of thing that's up the ante I mean

62  
00:03:34,930 --> 00:03:32,390  
to be honest I think the hardest thing

63  
00:03:39,220 --> 00:03:34,940

for me now being so involved in it for

64

00:03:42,550 --> 00:03:39,230

20-plus years is how common it is know

65

00:03:45,400 --> 00:03:42,560

many people across the globe are having

66

00:03:47,380 --> 00:03:45,410

these experiences and it's almost like

67

00:03:49,030 --> 00:03:47,390

you know everyone can see the elephant

68

00:03:51,340 --> 00:03:49,040

but nobody wants to say the elephant's

69

00:03:53,830 --> 00:03:51,350

there well yeah well because we see

70

00:03:57,130 --> 00:03:53,840

different aspects of the elephant I

71

00:03:59,110 --> 00:03:57,140

suppose just like in the story just to

72

00:04:03,340 --> 00:03:59,120

let you know it and I had mentioned this

73

00:04:06,599 --> 00:04:03,350

to you in our correspondents on the

74

00:04:09,190 --> 00:04:06,609

internet that all three of us here are

75

00:04:12,309 --> 00:04:09,200

experiences of sorts different kinds of

76

00:04:12,650 --> 00:04:12,319

experiences but everyone here in this

77

00:04:17,660 --> 00:04:12,660

room

78

00:04:19,850 --> 00:04:17,670

has had an ET type experience or UFO

79

00:04:22,760 --> 00:04:19,860

type experience and more than one I

80

00:04:25,850 --> 00:04:22,770

might add but what we want to get to

81

00:04:28,790 --> 00:04:25,860

with you right from the get-go is can

82

00:04:31,190 --> 00:04:28,800

you tell us fairly straightforwardly

83

00:04:33,950 --> 00:04:31,200

precisely how you got into it you were a

84

00:04:38,090 --> 00:04:33,960

nurse Anna and a midwife and how did

85

00:04:40,520 --> 00:04:38,100

that bring you to to studying this well

86

00:04:42,380 --> 00:04:40,530

I think we all know especially if you've

87

00:04:44,510 --> 00:04:42,390

had experiences and you'll have done a

88

00:04:48,200 --> 00:04:44,520

lot of journeying with that experience

89

00:04:50,240 --> 00:04:48,210

the it's almost like you get led into it

90

00:04:52,370 --> 00:04:50,250

from you know through your life and

91

00:04:54,770 --> 00:04:52,380

although I started out as a nurse and

92

00:04:57,320 --> 00:04:54,780

the Midwife I went into counseling

93

00:05:00,170 --> 00:04:57,330

because of a number of synchronous

94

00:05:02,570 --> 00:05:00,180

events where I found that counseling was

95

00:05:04,820 --> 00:05:02,580

better about prevention rather than cure

96

00:05:07,430 --> 00:05:04,830

which I felt a lot of conventional

97

00:05:09,380 --> 00:05:07,440

medicine really is just fixing things

98

00:05:11,390 --> 00:05:09,390

after they've happened whereas at least

99

00:05:13,340 --> 00:05:11,400

in counseling you're looking at the

100

00:05:16,490 --> 00:05:13,350

causes of summer business which is you

101  
00:05:18,950 --> 00:05:16,500  
know stress etc but what it also exposed

102  
00:05:21,590 --> 00:05:18,960  
me to in terms of all life experience

103  
00:05:25,520 --> 00:05:21,600  
whether it was grief and bereavement or

104  
00:05:28,060 --> 00:05:25,530  
whatever this you realize that people

105  
00:05:30,050 --> 00:05:28,070  
are having a lot of experiences that

106  
00:05:33,320 --> 00:05:30,060  
traditional psychology doesn't

107  
00:05:36,770 --> 00:05:33,330  
acknowledge or if it does consider this

108  
00:05:38,390 --> 00:05:36,780  
in an aberration and for me it was you

109  
00:05:40,070 --> 00:05:38,400  
know people were having extraordinary

110  
00:05:42,830 --> 00:05:40,080  
things happen you know they'd have a

111  
00:05:45,380 --> 00:05:42,840  
great issue and maybe was mum and they

112  
00:05:47,570 --> 00:05:45,390  
would feel or sense mum around or you

113  
00:05:49,940 --> 00:05:47,580

know smell her perfume or something and

114

00:05:52,400 --> 00:05:49,950

say am I going crazy when really all

115

00:05:55,730 --> 00:05:52,410

they were experiencing was more of our

116

00:05:57,920 --> 00:05:55,740

multi-dimensional nature which everyone

117

00:05:59,630 --> 00:05:57,930

on this planet has even if it's shut

118

00:06:02,750 --> 00:05:59,640

down or conditioned out of them a little

119

00:06:04,400 --> 00:06:02,760

bit answer me I've always seen there if

120

00:06:05,830 --> 00:06:04,410

it was weird and wonderful I always had

121

00:06:08,300 --> 00:06:05,840

a book on it because I would all

122

00:06:10,400 --> 00:06:08,310

fascinated with the mysteries of life

123

00:06:12,980 --> 00:06:10,410

you know right from a little child it is

124

00:06:15,710 --> 00:06:12,990

if it was unusual or strange it

125

00:06:18,400 --> 00:06:15,720

fascinated me and I didn't actually know

126

00:06:21,680 --> 00:06:18,410

about the whole thing to do with

127

00:06:25,190 --> 00:06:21,690

abductions contact but synchronously

128

00:06:26,930 --> 00:06:25,200

once again a few months before my

129

00:06:28,580 --> 00:06:26,940

very first client that came to me I've

130

00:06:31,600 --> 00:06:28,590

read a couple of books on the subject

131

00:06:34,160 --> 00:06:31,610

one with dr. John Maxie Harvard Sakaya

132

00:06:35,810 --> 00:06:34,170

that was that was a great book to have

133

00:06:38,870 --> 00:06:35,820

started with brilliant absolutely

134

00:06:40,220 --> 00:06:38,880

brilliant and of course communion by

135

00:06:41,690 --> 00:06:40,230

Whitley stream but those were the two

136

00:06:44,510 --> 00:06:41,700

that I picked up because they look

137

00:06:47,270 --> 00:06:44,520

fascinating two months later I mean I

138

00:06:49,490 --> 00:06:47,280

thought this was really rare a gentleman

139

00:06:51,170 --> 00:06:49,500

walked in my office he said Mary I've

140

00:06:52,790 --> 00:06:51,180

heard you're open-minded for this

141

00:06:54,260 --> 00:06:52,800

there's no support groups for this

142

00:06:56,810 --> 00:06:54,270

everybody just thinks you're a looney

143

00:06:59,440 --> 00:06:56,820

when this gentleman proceeded to tell me

144

00:07:02,030 --> 00:06:59,450

about his own experiences and his family

145

00:07:04,460 --> 00:07:02,040

so you know he would wake up with shaved

146

00:07:06,050 --> 00:07:04,470

areas marks on his body he said that the

147

00:07:08,570 --> 00:07:06,060

whole family is experiencing this and

148

00:07:11,750 --> 00:07:08,580

listen this took it to a level where it

149

00:07:14,090 --> 00:07:11,760

was very hard for me to dismiss when

150

00:07:15,980 --> 00:07:14,100

it's one thing one individual to say

151  
00:07:18,260 --> 00:07:15,990  
this is Mike spins but when you've got

152  
00:07:20,720 --> 00:07:18,270  
the whole family involved then this

153  
00:07:23,660 --> 00:07:20,730  
takes it to a whole new level and he was

154  
00:07:26,230 --> 00:07:23,670  
grounded he was articulate there was no

155  
00:07:29,180 --> 00:07:26,240  
question in my mind that this man was

156  
00:07:31,130 --> 00:07:29,190  
experiencing something very real and

157  
00:07:32,750 --> 00:07:31,140  
this is something you you know when

158  
00:07:35,090 --> 00:07:32,760  
you're working in counseling you get

159  
00:07:36,860 --> 00:07:35,100  
this gut feeling that you know you know

160  
00:07:39,020 --> 00:07:36,870  
when someone's speaking their truth and

161  
00:07:41,510 --> 00:07:39,030  
I don't care how strange it is it is

162  
00:07:44,330 --> 00:07:41,520  
there truth is there's a resonance to it

163  
00:07:47,330 --> 00:07:44,340

had sort of resonance to this to to

164

00:07:49,280 --> 00:07:47,340

Ellis and from that really and I he's

165

00:07:50,900 --> 00:07:49,290

actually become put my dearest friends

166

00:07:52,340 --> 00:07:50,910

and I always blame him to take me

167

00:07:54,350 --> 00:07:52,350

starting me down that rabbit hole

168

00:07:56,900 --> 00:07:54,360

because I've never been able to come up

169

00:07:59,690 --> 00:07:56,910

for air since but the bottom line is

170

00:08:02,630 --> 00:07:59,700

that two weeks later someone else came

171

00:08:05,300 --> 00:08:02,640

in with experiences and from that well

172

00:08:08,330 --> 00:08:05,310

the rest is history I really wanted to

173

00:08:10,280 --> 00:08:08,340

provide a professional resource because

174

00:08:12,830 --> 00:08:10,290

it was obvious to me with a lot of the

175

00:08:15,620 --> 00:08:12,840

UFO groups Goodis and kind as

176

00:08:17,180 --> 00:08:15,630

well-meaning as they are a lot of them

177

00:08:19,700 --> 00:08:17,190

are you know amateurs they're not

178

00:08:22,610 --> 00:08:19,710

trained to offer therapeutic support

179

00:08:25,130 --> 00:08:22,620

they may be able to help you with you

180

00:08:29,150 --> 00:08:25,140

know information and that the you know

181

00:08:31,940 --> 00:08:29,160

the UFO you know if you like information

182

00:08:34,100 --> 00:08:31,950

around seeing UFOs and what color and

183

00:08:37,430 --> 00:08:34,110

what shape what time the sector et

184

00:08:40,070 --> 00:08:37,440

cetera but you or as a group will know

185

00:08:41,839 --> 00:08:40,080

that this is so much bigger than the UFO

186

00:08:44,870 --> 00:08:41,849

that you've seen yeah there's anything

187

00:08:48,200 --> 00:08:44,880

about us as a species and our

188

00:08:50,390 --> 00:08:48,210

interactions with all these you know

189

00:08:52,640 --> 00:08:50,400

intelligences that have been interacting

190

00:08:55,220 --> 00:08:52,650

with us for millennia and who are in

191

00:08:57,740 --> 00:08:55,230

fact in my view our ancestors because

192

00:08:59,920 --> 00:08:57,750

it's pretty obvious they've been working

193

00:09:03,260 --> 00:08:59,930

with our DNA right from the get-go so

194

00:09:06,530 --> 00:09:03,270

for me it's the big picture stuff I and

195

00:09:08,540 --> 00:09:06,540

helping people to get the big picture in

196

00:09:12,740 --> 00:09:08,550

terms of understanding their experiences

197

00:09:15,230 --> 00:09:12,750

wow that's fascinating really and it's

198

00:09:18,560 --> 00:09:15,240

great that people do have a resource

199

00:09:20,330 --> 00:09:18,570

such as yours um because you're quite

200

00:09:22,460 --> 00:09:20,340

right i mean if you go up to the average

201  
00:09:25,040 --> 00:09:22,470  
person and say gee I was abducted last

202  
00:09:27,710 --> 00:09:25,050  
night and I had this really really idea

203  
00:09:29,720 --> 00:09:27,720  
put my head and it's like an awakening

204  
00:09:31,670 --> 00:09:29,730  
and I'm a changed person they're going

205  
00:09:33,500 --> 00:09:31,680  
to give you about 10 foot a distance I

206  
00:09:36,410 --> 00:09:33,510  
think at least didn't give you the hairy

207  
00:09:41,120 --> 00:09:36,420  
eyeball and move away so it's good and

208  
00:09:43,820 --> 00:09:41,130  
yet I I don't know I still have a little

209  
00:09:46,850 --> 00:09:43,830  
bit trouble myself coming to terms with

210  
00:09:50,320 --> 00:09:46,860  
abductions but I absolutely believe that

211  
00:09:53,930 --> 00:09:50,330  
people definitely experience something I

212  
00:09:57,050 --> 00:09:53,940  
I just don't know that it's necessarily

213  
00:09:58,400 --> 00:09:57,060

alien beings um what are your feelings

214

00:10:01,970 --> 00:09:58,410

about that what do you think they're

215

00:10:03,710 --> 00:10:01,980

experiencing I think it's it's actually

216

00:10:05,270 --> 00:10:03,720

you're quite right not just

217

00:10:08,110 --> 00:10:05,280

extraterrestrials there are

218

00:10:10,550 --> 00:10:08,120

interdimensional extra dimensionals a

219

00:10:12,800 --> 00:10:10,560

lot of you know those that are having

220

00:10:17,330 --> 00:10:12,810

experiences also experiencing spirits

221

00:10:19,640 --> 00:10:17,340

may angelic beings like beings and also

222

00:10:21,290 --> 00:10:19,650

there may even be those coming from our

223

00:10:23,600 --> 00:10:21,300

future as well I mean I've come to

224

00:10:26,570 --> 00:10:23,610

understand that it's all in the matrix

225

00:10:29,480 --> 00:10:26,580

that it's not a or b it's actually all

226

00:10:31,940 --> 00:10:29,490

of it and just depending on your lens of

227

00:10:34,300 --> 00:10:31,950

perception or how you wished turpin it

228

00:10:36,910 --> 00:10:34,310

is how you will interpret it and I me

229

00:10:38,650 --> 00:10:36,920

mediums and clairvoyance and they'll

230

00:10:40,030 --> 00:10:38,660

talk about their spirit guides or

231

00:10:42,160 --> 00:10:40,040

whatever and then they'll say oh I've

232

00:10:45,160 --> 00:10:42,170

got I've got one guide actually looks

233

00:10:49,870 --> 00:10:45,170

loo and gone hair and I'll say on what

234

00:10:52,300 --> 00:10:49,880

do you have a budget is so it's to me

235

00:10:54,310 --> 00:10:52,310

it's what it's really saying is that we

236

00:10:56,829 --> 00:10:54,320

are opening and awakening to our

237

00:10:59,980 --> 00:10:56,839

multi-dimensional nature which in the

238

00:11:02,290 --> 00:10:59,990

Western society is largely we are

239

00:11:05,290 --> 00:11:02,300  
conditioned or programmed out of

240

00:11:08,260 --> 00:11:05,300  
accepting know that it causes this

241

00:11:10,180 --> 00:11:08,270  
conflict of realities because you're

242

00:11:12,340 --> 00:11:10,190  
told that you know unless you can touch

243

00:11:15,630 --> 00:11:12,350  
feel see it and smell it it it's not

244

00:11:19,390 --> 00:11:15,640  
real when every one of us Intuit's and

245

00:11:21,070 --> 00:11:19,400  
senses feels knows things that they

246

00:11:23,890 --> 00:11:21,080  
haven't consciously learned that have a

247

00:11:26,440 --> 00:11:23,900  
knowing and all of this is part of our

248

00:11:29,560 --> 00:11:26,450  
multi-dimensional nature and I think

249

00:11:32,110 --> 00:11:29,570  
that a lot of the time the contact or

250

00:11:35,200 --> 00:11:32,120  
whether you call it a contact contact d

251  
00:11:38,079 --> 00:11:35,210  
experience abduction is is breaking down

252  
00:11:40,240 --> 00:11:38,089  
those barriers to us understanding that

253  
00:11:42,670 --> 00:11:40,250  
we are actually multi-dimensional and we

254  
00:11:45,579 --> 00:11:42,680  
are interacting with all these different

255  
00:11:48,100 --> 00:11:45,589  
types of intelligences you know from

256  
00:11:50,910 --> 00:11:48,110  
many different dimensions and it's just

257  
00:11:53,829 --> 00:11:50,920  
how we choose to interpret them that is

258  
00:11:56,020 --> 00:11:53,839  
the you know to me that's how I

259  
00:11:58,600 --> 00:11:56,030  
understand it at the moment okay well

260  
00:12:02,200 --> 00:11:58,610  
that sounds that sounds right to me I

261  
00:12:05,829 --> 00:12:02,210  
know that my experiences that started as

262  
00:12:09,000 --> 00:12:05,839  
a small child have changed my life and

263  
00:12:13,240 --> 00:12:09,010

changed the direction that I have

264

00:12:15,720 --> 00:12:13,250

traveled in my life certainly my

265

00:12:19,720 --> 00:12:15,730

experiences with non-physical beings and

266

00:12:22,270 --> 00:12:19,730

also having seen of several unidentified

267

00:12:25,620 --> 00:12:22,280

flying objects now whether these flying

268

00:12:29,199 --> 00:12:25,630

objects were from the Moon or Mars or

269

00:12:31,840 --> 00:12:29,209

Arcturus I have no way of knowing or

270

00:12:34,810 --> 00:12:31,850

they came from another dimension that's

271

00:12:37,240 --> 00:12:34,820

not within my purview to know that but I

272

00:12:39,880 --> 00:12:37,250

know it's like the old wasn't there a

273

00:12:41,800 --> 00:12:39,890

movie I know what I know what I saw or

274

00:12:43,720 --> 00:12:41,810

something like that

275

00:12:45,970 --> 00:12:43,730

but you know what I always found

276

00:12:48,340 --> 00:12:45,980

interesting too is like we always get

277

00:12:50,740 --> 00:12:48,350

sort of one side of the story like they

278

00:12:53,200 --> 00:12:50,750

certainly are whatever these beings are

279

00:12:55,390 --> 00:12:53,210

know our history know what we are but we

280

00:12:57,760 --> 00:12:55,400

got so little about them their history

281

00:13:00,579 --> 00:12:57,770

how they developed I mean I doubt if

282

00:13:02,890 --> 00:13:00,589

they sprang full-blown from the head of

283

00:13:05,650 --> 00:13:02,900

Zeus so they must have developed from

284

00:13:07,300 --> 00:13:05,660

something yeah did anybody ever tell you

285

00:13:10,300 --> 00:13:07,310

anything about the history of these

286

00:13:12,430 --> 00:13:10,310

beings well what's interesting and I

287

00:13:14,829 --> 00:13:12,440

know we're getting into and what I'm

288

00:13:17,800 --> 00:13:14,839

already writing about at the moment is a

289

00:13:20,860 --> 00:13:17,810

lot of the new generations and children

290

00:13:23,950 --> 00:13:20,870

have conscious recall but only its past

291

00:13:26,380 --> 00:13:23,960

lives being on other planets where they

292

00:13:29,470 --> 00:13:26,390

are very aware that the same beings that

293

00:13:31,480 --> 00:13:29,480

they were on those planets visiting them

294

00:13:33,280 --> 00:13:31,490

and supporting them and taking them back

295

00:13:35,829 --> 00:13:33,290

home occasionally so they don't get too

296

00:13:38,530 --> 00:13:35,839

homesick are actually explaining a lot

297

00:13:41,560 --> 00:13:38,540

of our history from that knowing and

298

00:13:44,290 --> 00:13:41,570

these are sometimes teenagers even you

299

00:13:46,030 --> 00:13:44,300

know children under 10 and some of the

300

00:13:48,700 --> 00:13:46,040

older generations that have allowed

301  
00:13:50,770 --> 00:13:48,710  
themselves to go there and you know will

302  
00:13:53,170 --> 00:13:50,780  
be aware they're taking to their their

303  
00:13:56,230 --> 00:13:53,180  
origins and explained why they've chosen

304  
00:13:59,890 --> 00:13:56,240  
to incarnated in human form this time to

305  
00:14:02,230 --> 00:13:59,900  
be part of what they see is a whole

306  
00:14:04,240 --> 00:14:02,240  
shift in human consciousness at the

307  
00:14:07,300 --> 00:14:04,250  
moment and it yes it's about our origins

308  
00:14:09,730 --> 00:14:07,310  
that you know there's a lot of those

309  
00:14:12,010 --> 00:14:09,740  
adults as well as children are taken off

310  
00:14:14,470 --> 00:14:12,020  
onto the craft and educated into the

311  
00:14:16,900 --> 00:14:14,480  
true origins of it they are where

312  
00:14:18,760 --> 00:14:16,910  
they're from and and how we came to be

313  
00:14:21,190 --> 00:14:18,770

you know the children will talk about

314

00:14:24,220 --> 00:14:21,200

you know and the DNA and how many

315

00:14:27,520 --> 00:14:24,230

different intelligences have had an

316

00:14:29,050 --> 00:14:27,530

input into our DNA and this is why you

317

00:14:30,760 --> 00:14:29,060

know some people will feel they're from

318

00:14:33,190 --> 00:14:30,770

the Pleiades or they'll feel they're

319

00:14:35,980 --> 00:14:33,200

from Arcturus although you know or

320

00:14:38,800 --> 00:14:35,990

whatever because that they're resonating

321

00:14:41,710 --> 00:14:38,810

to that part of their DNA that has has

322

00:14:44,680 --> 00:14:41,720

come from there and and this is giving

323

00:14:47,440 --> 00:14:44,690

us the clues if we're prepared to listen

324

00:14:49,380 --> 00:14:47,450

to that that knowing and that resonance

325

00:14:51,579 --> 00:14:49,390

that we have to this kind of information

326

00:14:54,519 --> 00:14:51,589

even though I think the government's

327

00:14:58,059 --> 00:14:54,529

know far more and they're not telling us

328

00:15:00,639 --> 00:14:58,069

it's left to us as those that are in

329

00:15:02,679 --> 00:15:00,649

touch or in contact to start trusting

330

00:15:05,769 --> 00:15:02,689

that kind of information because I think

331

00:15:07,389 --> 00:15:05,779

it has veracity mmm-hmm well I you know

332

00:15:10,689 --> 00:15:07,399

even saw as we've talked about

333

00:15:13,239 --> 00:15:10,699

technology with skype there's also a DNA

334

00:15:16,509 --> 00:15:13,249

technology now called Crispin which

335

00:15:19,509 --> 00:15:16,519

allows very relatively inexpensive ways

336

00:15:22,299 --> 00:15:19,519

to in a sense cut and paste sections of

337

00:15:24,699 --> 00:15:22,309

DNA and you can create almost anything

338

00:15:28,389 --> 00:15:24,709

you want to any chimera that you'd like

339

00:15:30,460 --> 00:15:28,399

to and that's unfortunately it is

340

00:15:34,210 --> 00:15:30,470

inexpensive and it can be done outside

341

00:15:36,489 --> 00:15:34,220

of you know universities of government

342

00:15:39,429 --> 00:15:36,499

facilities that would be open to private

343

00:15:42,790 --> 00:15:39,439

people as well it's pretty scary young

344

00:15:44,559 --> 00:15:42,800

this yeah I think being there before

345

00:15:46,480 --> 00:15:44,569

probably in our history but the

346

00:15:48,670 --> 00:15:46,490

interesting thing is it you know the

347

00:15:50,590 --> 00:15:48,680

indigenous tribes many of them will say

348

00:15:53,379 --> 00:15:50,600

that the gods were the little G I will

349

00:15:55,509 --> 00:15:53,389

say enough come down and interacted

350

00:15:58,720 --> 00:15:55,519

genetically with us the Dogon tribe in

351

00:16:00,249 --> 00:15:58,730

well yes oh and it helps about it that

352

00:16:02,829 --> 00:16:00,259

and some of the children will talk about

353

00:16:07,299 --> 00:16:02,839

the fact that our DNA has been altered

354

00:16:09,790 --> 00:16:07,309

we have 223 genes in our DNA they still

355

00:16:11,799 --> 00:16:09,800

can't explain because there are sideways

356

00:16:15,340 --> 00:16:11,809

insertion of genetic material we also

357

00:16:17,009 --> 00:16:15,350

have being spliced and moved around as

358

00:16:19,449 --> 00:16:17,019

some of them or whistleblower

359

00:16:22,660 --> 00:16:19,459

geneticists say there is no doubt that

360

00:16:25,960 --> 00:16:22,670

we have been modified if you like from

361

00:16:27,939 --> 00:16:25,970

the indigenous species that we were and

362

00:16:30,759 --> 00:16:27,949

we know we've got the missing link where

363

00:16:33,850 --> 00:16:30,769

we went from cro-magnon and Neanderthal

364

00:16:36,309 --> 00:16:33,860

to Homo sapiens sapiens with nice sized

365

00:16:39,269 --> 00:16:36,319

eggs etc I mean it doesn't take a genius

366

00:16:41,860 --> 00:16:39,279

to work out what what's happened there

367

00:16:45,999 --> 00:16:41,870

it's whether or not you you want to go

368

00:16:49,299 --> 00:16:46,009

there I suppose right well I so I guess

369

00:16:51,910 --> 00:16:49,309

we do want to go there today for sure I

370

00:16:54,369 --> 00:16:51,920

mean even just to carry that analogy a

371

00:16:56,619 --> 00:16:54,379

little bit further when you you could

372

00:16:59,019 --> 00:16:56,629

think of yourself as like a cell phone

373

00:17:01,179 --> 00:16:59,029

with the proper antenna picking up the

374

00:17:03,020 --> 00:17:01,189

frequencies of these beings that are

375

00:17:05,060 --> 00:17:03,030

different vibration you are

376

00:17:09,020 --> 00:17:05,070

and some people just have little better

377

00:17:12,560 --> 00:17:09,030

antennas and other people absolutely ah

378

00:17:14,390 --> 00:17:12,570

so I I think if we had this discussion a

379

00:17:16,160 --> 00:17:14,400

hundred years from now we'd be saying

380

00:17:20,090 --> 00:17:16,170

like and they didn't think it was

381

00:17:22,040 --> 00:17:20,100

possible yeah so if we're around 100

382

00:17:24,590 --> 00:17:22,050

years from now I'm not personally but

383

00:17:28,130 --> 00:17:24,600

well it seems to me that it's definitely

384

00:17:31,160 --> 00:17:28,140

a situation where life is ubiquitous in

385

00:17:34,220 --> 00:17:31,170

the universe it's not just confined to

386

00:17:37,130 --> 00:17:34,230

the earth and we become like the earth

387

00:17:39,440 --> 00:17:37,140

centric people during the Middle Ages

388

00:17:42,380 --> 00:17:39,450

who couldn't believe that the earth was

389

00:17:45,560 --> 00:17:42,390

revolving around the Sun so it's always

390

00:17:47,750 --> 00:17:45,570

been this idea that we're so special and

391

00:17:50,570 --> 00:17:47,760

we're the only planet where there could

392

00:17:53,030 --> 00:17:50,580

ever be life in fact when we grew up we

393

00:17:58,040 --> 00:17:53,040

were taught in schools as we have said

394

00:18:00,080 --> 00:17:58,050

before that the rest of the his sons had

395

00:18:02,000 --> 00:18:00,090

no planets the rest of the star said no

396

00:18:05,150 --> 00:18:02,010

planets and I remember thinking that's

397

00:18:07,850 --> 00:18:05,160

not possible even as a child I knew that

398

00:18:09,830 --> 00:18:07,860

there were there were other planets and

399

00:18:11,870 --> 00:18:09,840

there would no reason why there couldn't

400

00:18:13,670 --> 00:18:11,880

be life on other planets or just other

401

00:18:16,100 --> 00:18:13,680

kinds of life that didn't even need a

402

00:18:21,260 --> 00:18:16,110

planet to live on could live on a star

403

00:18:24,230 --> 00:18:21,270

or on them on a nebula somewhere so you

404

00:18:30,410 --> 00:18:24,240

you have done work with a lot of

405

00:18:33,110 --> 00:18:30,420

different of individuals which which

406

00:18:35,150 --> 00:18:33,120

person impressed you the most aside from

407

00:18:38,740 --> 00:18:35,160

I believe you said Ellis was the

408

00:18:42,950 --> 00:18:38,750

gentleman the initial person what what

409

00:18:46,340 --> 00:18:42,960

contact the experiencer abductee a story

410

00:18:47,600 --> 00:18:46,350

has impressed you the most there's

411

00:18:52,070 --> 00:18:47,610

something you might like to share with

412

00:18:54,740 --> 00:18:52,080

us now Mary oh gosh I've got such a rich

413

00:18:57,140 --> 00:18:54,750

tapestry because it's it's actually you

414

00:19:02,450 --> 00:18:57,150

know so many people have extraordinary

415

00:19:04,070 --> 00:19:02,460

stories it really is mind-blowing the

416

00:19:06,650 --> 00:19:04,080

range of them but one of the recent

417

00:19:08,390 --> 00:19:06,660

articles that I did and it's it's too

418

00:19:10,700 --> 00:19:08,400

you know one of the things that I've

419

00:19:12,560 --> 00:19:10,710

noticed is meeting a lot of older

420

00:19:14,000 --> 00:19:12,570

generations that have had experiences

421

00:19:15,299 --> 00:19:14,010

and never spoken about it all their

422

00:19:18,419 --> 00:19:15,309

lives right from

423

00:19:20,850 --> 00:19:18,429

you know and I've met I met a 79 year

424

00:19:23,610 --> 00:19:20,860

old lady in Norway last year when I was

425

00:19:25,860 --> 00:19:23,620

doing my tour of Scandinavia and you

426  
00:19:28,110 --> 00:19:25,870  
know interesting about Scandinavia is

427  
00:19:29,519 --> 00:19:28,120  
they're very technologically advanced

428  
00:19:32,100 --> 00:19:29,529  
you think they're a very highly

429  
00:19:33,539 --> 00:19:32,110  
civilized society which they are but one

430  
00:19:35,789 --> 00:19:33,549  
of the things that they struggle with

431  
00:19:38,249 --> 00:19:35,799  
believe it or not is this kind of

432  
00:19:40,320 --> 00:19:38,259  
experience in fact it's almost more

433  
00:19:42,269 --> 00:19:40,330  
acceptable to be a sexual predator than

434  
00:19:44,220 --> 00:19:42,279  
it is to be an experiencer and I was

435  
00:19:47,039 --> 00:19:44,230  
quite worried when I went to Norway

436  
00:19:48,810 --> 00:19:47,049  
because my mine is mine is pretty out

437  
00:19:51,570 --> 00:19:48,820  
there even though you've balaji and

438  
00:19:53,100 --> 00:19:51,580

talking about you know a lot of range of

439

00:19:55,200 --> 00:19:53,110

different things from the new

440

00:19:57,810 --> 00:19:55,210

generations that are coming in etc and I

441

00:20:00,989 --> 00:19:57,820

was a bit concerned about the response

442

00:20:05,310 --> 00:20:00,999

to my presentation in Norway but what I

443

00:20:07,019 --> 00:20:05,320

did it anyway I noticed was a lot of

444

00:20:09,180 --> 00:20:07,029

people in the audience were extremely

445

00:20:12,149 --> 00:20:09,190

emotional and one of them was a lady who

446

00:20:14,789 --> 00:20:12,159

came up me beautiful soul and she was

447

00:20:17,340 --> 00:20:14,799

said look I'm 79 years old I'm a

448

00:20:20,249 --> 00:20:17,350

farmer's wife everything you've spoken

449

00:20:22,350 --> 00:20:20,259

about has been my life and she said and

450

00:20:25,169 --> 00:20:22,360

I have never spoken about this to anyone

451

00:20:26,999 --> 00:20:25,179

oh and she said and one of the things

452

00:20:28,830 --> 00:20:27,009

that you were you know talking about

453

00:20:32,999 --> 00:20:28,840

communicating with animal she said I'm a

454

00:20:35,129 --> 00:20:33,009

farmer's wife and she said I called the

455

00:20:37,889 --> 00:20:35,139

sheep in with my mind and nobody knew

456

00:20:41,039 --> 00:20:37,899

how i did it and she said but for me

457

00:20:43,289 --> 00:20:41,049

hearing this the first time was that you

458

00:20:45,659 --> 00:20:43,299

know just an amazing thing after you

459

00:20:49,590 --> 00:20:45,669

know nearly being 80 years old and

460

00:20:52,889 --> 00:20:49,600

interestingly with that I was talking to

461

00:20:55,590 --> 00:20:52,899

a lady who had had chronic back pain for

462

00:20:58,259 --> 00:20:55,600

many years she was a teacher she said

463

00:21:00,239 --> 00:20:58,269

look Mary I was on opiates because I was

464

00:21:02,759 --> 00:21:00,249

in such pain I was headed for a

465

00:21:05,519 --> 00:21:02,769

wheelchair and when I first called she

466

00:21:07,950 --> 00:21:05,529

contact me she was 66 years old and she

467

00:21:09,859 --> 00:21:07,960

had experiences all her life and she

468

00:21:12,450 --> 00:21:09,869

woke up one morning after a levitating

469

00:21:14,129 --> 00:21:12,460

levitating experience with all her

470

00:21:16,470 --> 00:21:14,139

technology where all the battery's flat

471

00:21:18,930 --> 00:21:16,480

and whatever and said Mary but when I

472

00:21:21,450 --> 00:21:18,940

got up I didn't need any medication and

473

00:21:23,850 --> 00:21:21,460

I was feeling mobile and I couldn't work

474

00:21:26,039 --> 00:21:23,860

it out and I really didn't know what had

475

00:21:26,920 --> 00:21:26,049

happened and we did a regression I do

476  
00:21:29,320 --> 00:21:26,930  
regression

477  
00:21:31,720 --> 00:21:29,330  
obviously one to one but also over skype

478  
00:21:33,940 --> 00:21:31,730  
and she lives in melbourne and this is a

479  
00:21:36,100 --> 00:21:33,950  
66 year old lady that basically thought

480  
00:21:37,600 --> 00:21:36,110  
her life was over because she was headed

481  
00:21:40,210 --> 00:21:37,610  
as a safe for a wheelchair with her

482  
00:21:43,720 --> 00:21:40,220  
chronic back issues and jennifer to back

483  
00:21:46,240 --> 00:21:43,730  
issues um we did the regression and in

484  
00:21:49,180 --> 00:21:46,250  
the regression she's actually taken for

485  
00:21:51,430 --> 00:21:49,190  
healing she's taken to her planet and

486  
00:21:53,980 --> 00:21:51,440  
where she's from she was shown that

487  
00:21:56,920 --> 00:21:53,990  
she's now going to start her mission at

488  
00:21:59,200 --> 00:21:56,930

66 years old that they fixed her back

489

00:22:02,110 --> 00:21:59,210

because she had things to do she also

490

00:22:05,050 --> 00:22:02,120

had to talk about this and also because

491

00:22:06,490 --> 00:22:05,060

her family or her children and her adult

492

00:22:09,130 --> 00:22:06,500

children and her grandchildren were

493

00:22:12,490 --> 00:22:09,140

involved and this was at the start of

494

00:22:14,040 --> 00:22:12,500

her new life and when she when she came

495

00:22:17,140 --> 00:22:14,050

out of it she said Mary this is

496

00:22:18,910 --> 00:22:17,150

incredible and they killed me because

497

00:22:22,810 --> 00:22:18,920

now I've got things to do it I mean this

498

00:22:26,530 --> 00:22:22,820

is 66 at 69 years old I actually met her

499

00:22:28,960 --> 00:22:26,540

and when I went to Melbourne and to do

500

00:22:31,450 --> 00:22:28,970

an experienced a workshop she came up to

501  
00:22:34,330 --> 00:22:31,460  
me and we greeted each other like

502  
00:22:36,370 --> 00:22:34,340  
long-lost friends and she said Mary you

503  
00:22:38,850 --> 00:22:36,380  
will never believe what I'm doing I am

504  
00:22:41,440 --> 00:22:38,860  
under a pseudonym pseudonym I'm

505  
00:22:44,770 --> 00:22:41,450  
dialoguing with scientists she said I've

506  
00:22:47,560 --> 00:22:44,780  
never studied this chemtrails everything

507  
00:22:49,810 --> 00:22:47,570  
to do with you know what's actually

508  
00:22:51,790 --> 00:22:49,820  
happening on this planet now I'm able to

509  
00:22:54,400 --> 00:22:51,800  
talk dialogue with scientists about all

510  
00:22:56,350 --> 00:22:54,410  
this GMOs she said I have never learned

511  
00:22:58,690 --> 00:22:56,360  
this stuff but I know about it and they

512  
00:23:00,400 --> 00:22:58,700  
said you know I'm going under a

513  
00:23:02,530 --> 00:23:00,410

pseudonym because I don't my children to

514

00:23:05,110 --> 00:23:02,540

know I'm up to she's I could actually

515

00:23:07,300 --> 00:23:05,120

now I can still function at a midnight

516

00:23:11,020 --> 00:23:07,310

she said because I've got so much energy

517

00:23:13,900 --> 00:23:11,030

1 69 years old and my article is never

518

00:23:15,610 --> 00:23:13,910

too late what I'm hearing is that a lot

519

00:23:17,920 --> 00:23:15,620

of those that have spent their life of

520

00:23:20,680 --> 00:23:17,930

experiences and are in this more senior

521

00:23:22,540 --> 00:23:20,690

years as saying you know obviously you

522

00:23:25,480 --> 00:23:22,550

know for me you know there's nothing

523

00:23:28,330 --> 00:23:25,490

more ahead of me and I'm saying no you

524

00:23:30,160 --> 00:23:28,340

absolutely just don't know that there's

525

00:23:31,960 --> 00:23:30,170

been a reason why you've had those

526

00:23:33,790 --> 00:23:31,970

experiences all your life and you don't

527

00:23:36,640 --> 00:23:33,800

know they're going to come calling

528

00:23:39,060 --> 00:23:36,650

because this is one perfect example of

529

00:23:40,799 --> 00:23:39,070

someone who thought her life was over

530

00:23:42,960 --> 00:23:40,809

I had been fixed up because she's got a

531

00:23:44,370 --> 00:23:42,970

job to do and this is what she's doing

532

00:23:46,710 --> 00:23:44,380

now so I think that's a pretty

533

00:23:51,419 --> 00:23:46,720

incredible story yes it certainly is

534

00:23:55,769 --> 00:23:51,429

incredible but so you must hear these

535

00:23:58,200 --> 00:23:55,779

stories all the time then and if you do

536

00:24:00,539 --> 00:23:58,210

you ever meet someone who says to you

537

00:24:02,549 --> 00:24:00,549

yeah I had this experience I told all my

538

00:24:05,370 --> 00:24:02,559

friends and half of them believe in half

539

00:24:07,499 --> 00:24:05,380

the kaplan don't and I mean are they

540

00:24:11,399 --> 00:24:07,509

somewhat is there any experiences it's

541

00:24:13,200 --> 00:24:11,409

relatively open about it oh and there

542

00:24:15,480 --> 00:24:13,210

are and and there are certain

543

00:24:17,879 --> 00:24:15,490

generations of them where I will get a

544

00:24:19,499 --> 00:24:17,889

parent writing to me and saying look

545

00:24:21,899 --> 00:24:19,509

I've had experiences all my life my

546

00:24:24,690 --> 00:24:21,909

children are an upgrade they are even

547

00:24:27,389 --> 00:24:24,700

more consciously aware and and actually

548

00:24:30,629 --> 00:24:27,399

it's she said and I know you know my my

549

00:24:32,970 --> 00:24:30,639

parents and my grandparents but you know

550

00:24:35,549 --> 00:24:32,980

my grandmother was very intuitive for

551  
00:24:38,180 --> 00:24:35,559  
whatever so you can actually see the

552  
00:24:40,049 --> 00:24:38,190  
linkages of the genetic links I'm

553  
00:24:43,350 --> 00:24:40,059  
intergenerational links and inter

554  
00:24:44,940 --> 00:24:43,360  
cultural links as well because sometimes

555  
00:24:48,480 --> 00:24:44,950  
obviously there'll be a mix of cultures

556  
00:24:49,830 --> 00:24:48,490  
and and you can actually see almost like

557  
00:24:52,830 --> 00:24:49,840  
they're being brought together as a

558  
00:24:54,899 --> 00:24:52,840  
certain time because of the gym I think

559  
00:24:57,180 --> 00:24:54,909  
the genetic mix well you don't in

560  
00:25:00,539 --> 00:24:57,190  
faction memories could actually be

561  
00:25:02,549 --> 00:25:00,549  
stored in DNA and I'm wondering if a lot

562  
00:25:06,119 --> 00:25:02,559  
of the experiences are just sort of like

563  
00:25:10,289 --> 00:25:06,129

a time DNA or RNA in this case to go off

564

00:25:12,119 --> 00:25:10,299

of and the person enix well I mean this

565

00:25:14,220 --> 00:25:12,129

is just a theory just sort of popped in

566

00:25:16,440 --> 00:25:14,230

my head but it just sort of like a tape

567

00:25:18,119 --> 00:25:16,450

recorder type thing on the DNA that goes

568

00:25:20,369 --> 00:25:18,129

off in your mind you think you've

569

00:25:22,379 --> 00:25:20,379

experienced this but it's sort of been

570

00:25:24,240 --> 00:25:22,389

preloaded which I guess begs the issue

571

00:25:26,940 --> 00:25:24,250

whether it actually happens when it's

572

00:25:29,549 --> 00:25:26,950

promoted it still how still happens yeah

573

00:25:31,980 --> 00:25:29,559

so nevermind scratched by having I have

574

00:25:37,070 --> 00:25:31,990

a confession to make i am the daughter

575

00:25:41,279 --> 00:25:37,080

of a father who made an instrument to

576  
00:25:46,820 --> 00:25:41,289  
communicate with these other beings he

577  
00:25:50,940 --> 00:25:46,830  
made a sort of sculpture that showed

578  
00:25:54,230 --> 00:25:50,950  
basic two-dimensional shapes and he

579  
00:25:57,210 --> 00:25:54,240  
would activate this sculpture by

580  
00:25:59,430 --> 00:25:57,220  
striking it with a mallet let us say and

581  
00:26:01,919 --> 00:25:59,440  
it made a sound but it was more the

582  
00:26:04,860 --> 00:26:01,929  
vibration of the shapes and he believed

583  
00:26:08,549 --> 00:26:04,870  
that through this he was communicating

584  
00:26:14,070 --> 00:26:08,559  
with some others and certainly I owe

585  
00:26:16,080 --> 00:26:14,080  
part of my history and my story to

586  
00:26:20,060 --> 00:26:16,090  
having grown up in a household that

587  
00:26:24,330 --> 00:26:20,070  
never said there's no such thing as

588  
00:26:27,419 --> 00:26:24,340

anything anything is paranormal yeah and

589

00:26:29,879 --> 00:26:27,429

that is so important because I've met

590

00:26:32,789 --> 00:26:29,889

many that have been more damaged by

591

00:26:35,460 --> 00:26:32,799

being in it in a family whether it was

592

00:26:38,909 --> 00:26:35,470

in a very very religious for example or

593

00:26:41,129 --> 00:26:38,919

very very scientific and they have not

594

00:26:43,139 --> 00:26:41,139

been allowed to own their experiences

595

00:26:46,259 --> 00:26:43,149

and I always remember one beautiful lady

596

00:26:47,970 --> 00:26:46,269

saying to me Mary even as a child you

597

00:26:49,860 --> 00:26:47,980

know I was having these experiences and

598

00:26:52,169 --> 00:26:49,870

I talked to my mom and told her and

599

00:26:55,019 --> 00:26:52,179

she'd said that's not real that's just

600

00:26:58,139 --> 00:26:55,029

your imagination and she said I lived in

601  
00:27:01,259 --> 00:26:58,149  
conflict with my realities for many many

602  
00:27:03,480 --> 00:27:01,269  
years not knowing what was real so you

603  
00:27:05,850 --> 00:27:03,490  
know that is you know that can be a huge

604  
00:27:07,440 --> 00:27:05,860  
trauma for those that are you know are

605  
00:27:10,230 --> 00:27:07,450  
having experiences and for whatever

606  
00:27:12,539 --> 00:27:10,240  
reason the parents either are not open

607  
00:27:15,180 --> 00:27:12,549  
or can't be open or maybe more even

608  
00:27:17,850 --> 00:27:15,190  
fearful on what you know the child is

609  
00:27:20,700 --> 00:27:17,860  
saying well this is what I say to people

610  
00:27:23,070 --> 00:27:20,710  
who ask me how do you be psychic how can

611  
00:27:24,960 --> 00:27:23,080  
you become psychic is it just some

612  
00:27:27,359 --> 00:27:24,970  
people who are psychic and not others

613  
00:27:30,389 --> 00:27:27,369

and I say to them that the first thing

614

00:27:33,210 --> 00:27:30,399

that they have to do is allow that it

615

00:27:35,759 --> 00:27:33,220

may actually be real because if you've

616

00:27:37,909 --> 00:27:35,769

spent your whole life thinking that you

617

00:27:40,970 --> 00:27:37,919

you're not psychic and psychic

618

00:27:43,259 --> 00:27:40,980

functioning size function actually is

619

00:27:45,980 --> 00:27:43,269

impossible well then you're not going to

620

00:27:49,169 --> 00:27:45,990

experience it very often you have to

621

00:27:50,269 --> 00:27:49,179

accept it and encourage it what we have

622

00:27:53,930 --> 00:27:50,279

for you now

623

00:27:57,979 --> 00:27:53,940

Mary is a listener of ours a lovely lady

624

00:28:01,820 --> 00:27:57,989

who I happen to know who had an

625

00:28:05,209 --> 00:28:01,830

experience in Georgia and 2010 Georgia

626

00:28:07,789 --> 00:28:05,219

not Soviet former Soviet republic of

627

00:28:12,019 --> 00:28:07,799

Georgia but the state of Georgia in the

628

00:28:16,310 --> 00:28:12,029

United States and our trusty our trusty

629

00:28:18,799 --> 00:28:16,320

bill our bill here our audio engineer is

630

00:28:21,469 --> 00:28:18,809

going to cue it up and we're going to

631

00:28:22,969 --> 00:28:21,479

play it for you now okay and I think

632

00:28:25,249 --> 00:28:22,979

it's what about five million that's

633

00:28:27,709 --> 00:28:25,259

exactly five minutes or less and we'd

634

00:28:31,279 --> 00:28:27,719

love to hear your interpretation yes

635

00:28:34,999 --> 00:28:31,289

we'd like you to take on it hello hello

636

00:28:37,969 --> 00:28:35,009

Diane this is Farrugia calling from

637

00:28:41,839 --> 00:28:37,979

shattered reality podcast and now we

638

00:28:47,389 --> 00:28:41,849

have about five minutes to hear your

639

00:28:54,379 --> 00:28:47,399

story about how your your trip was

640

00:28:59,299 --> 00:28:54,389

waylaid so go right ahead ok I have been

641

00:29:03,619 --> 00:28:59,309

fine it was 2010 I was living on a farm

642

00:29:06,440 --> 00:29:03,629

outside of Athens Georgia and so a

643

00:29:10,219 --> 00:29:06,450

couple of days a week I would come into

644

00:29:13,940 --> 00:29:10,229

Athens to do air so this happened on one

645

00:29:15,889 --> 00:29:13,950

of my errands days i had finished about

646

00:29:21,589 --> 00:29:15,899

half the errands I had two more to go

647

00:29:23,930 --> 00:29:21,599

and i was on a four-lane highway heading

648

00:29:28,249 --> 00:29:23,940

back toward town it was an intersection

649

00:29:31,369 --> 00:29:28,259

ahead and the two errands were on either

650

00:29:36,109 --> 00:29:31,379

side of the highway if i were to go left

651  
00:29:38,779 --> 00:29:36,119  
I would go to my rental house and just

652  
00:29:40,489 --> 00:29:38,789  
check on it because I had some students

653  
00:29:43,700 --> 00:29:40,499  
in there that were a little less than

654  
00:29:46,070 --> 00:29:43,710  
what it's called hiding and if I were to

655  
00:29:50,749 --> 00:29:46,080  
go right I would go to the post office

656  
00:29:53,629 --> 00:29:50,759  
and pick up the mail okay it was kind of

657  
00:29:57,670 --> 00:29:53,639  
you know I was deciding what to do and I

658  
00:30:00,880 --> 00:29:57,680  
decided I think I should go left first

659  
00:30:03,610 --> 00:30:00,890  
so I got in middle turn lane the

660  
00:30:07,840 --> 00:30:03,620  
left-hand turn lane and there was a red

661  
00:30:11,470 --> 00:30:07,850  
light but stopped at the light now there

662  
00:30:13,270 --> 00:30:11,480  
was traffic stops to the right of me two

663  
00:30:17,170 --> 00:30:13,280

lanes of traffic as it looks traffic

664

00:30:19,330 --> 00:30:17,180

behind me and it's kind of important to

665

00:30:23,170 --> 00:30:19,340

remember that I did not go to the post

666

00:30:25,870 --> 00:30:23,180

office that was not my choice okay you

667

00:30:28,120 --> 00:30:25,880

chose to go to the rental house going to

668

00:30:29,800 --> 00:30:28,130

the left would be to the rental house

669

00:30:34,360 --> 00:30:29,810

into the right would be to the post

670

00:30:36,280 --> 00:30:34,370

office exactly okay so i looked up into

671

00:30:39,130 --> 00:30:36,290

the light the light was red of course I

672

00:30:43,990 --> 00:30:39,140

looked down at the clock in my car said

673

00:30:48,180 --> 00:30:44,000

11 11 a.m. and the next thing I know I'm

674

00:30:51,460 --> 00:30:48,190

driving on a two-lane country road I

675

00:30:53,530 --> 00:30:51,470

look to the left there's some horses

676  
00:30:56,620 --> 00:30:53,540  
grazing or pasture and there's another

677  
00:31:01,930 --> 00:30:56,630  
pasture for right I have no idea where I

678  
00:31:04,630 --> 00:31:01,940  
am now at this particular time in 2010 I

679  
00:31:08,140 --> 00:31:04,640  
did not have a GPS I did not have a

680  
00:31:11,650 --> 00:31:08,150  
smart foot so I really had no way to

681  
00:31:15,130 --> 00:31:11,660  
locate myself except to turn the car

682  
00:31:18,610 --> 00:31:15,140  
around and go back and try to figure out

683  
00:31:22,690 --> 00:31:18,620  
where I had come from okay I was very

684  
00:31:25,450 --> 00:31:22,700  
calm very collected I pulled the car

685  
00:31:29,590 --> 00:31:25,460  
over i turned it around i went a few

686  
00:31:31,630 --> 00:31:29,600  
miles and there was the post office so i

687  
00:31:35,860 --> 00:31:31,640  
pulled off into the post office parking

688  
00:31:40,120 --> 00:31:35,870

lot and immediately I lost it I started

689

00:31:43,480 --> 00:31:40,130

hyperventilating my heart was racing was

690

00:31:45,550 --> 00:31:43,490

like oh what just happened to me and all

691

00:31:48,400 --> 00:31:45,560

these thoughts were just running through

692

00:31:50,440 --> 00:31:48,410

my head like well did i black out did am

693

00:31:53,680 --> 00:31:50,450

i a multiple personality did somebody

694

00:31:55,810 --> 00:31:53,690

come in and take over my body how could

695

00:31:58,810 --> 00:31:55,820

this have happened and then I looked

696

00:32:04,630 --> 00:31:58,820

down at the clock and the clock said

697

00:32:07,150 --> 00:32:04,640

1104 and I said to myself it would have

698

00:32:10,150 --> 00:32:07,160

taken me about four minutes to turn the

699

00:32:13,300 --> 00:32:10,160

car around and to come back

700

00:32:15,910 --> 00:32:13,310

post office from where I found myself in

701  
00:32:21,430 --> 00:32:15,920  
the pasture area okay I could I could

702  
00:32:23,170 --> 00:32:21,440  
not have possibly turned left because if

703  
00:32:26,410 --> 00:32:23,180  
i turn the left i would have had to go

704  
00:32:28,660 --> 00:32:26,420  
quarter of a mile if it was a median in

705  
00:32:30,810 --> 00:32:28,670  
the road i was turning onto you i

706  
00:32:34,090 --> 00:32:30,820  
wouldn't have to go quarter of a mile I

707  
00:32:37,300 --> 00:32:34,100  
would have to make a u-turn go through

708  
00:32:39,460 --> 00:32:37,310  
five lane road and then drive another

709  
00:32:41,440 --> 00:32:39,470  
few miles to get to the country turn

710  
00:32:44,670 --> 00:32:41,450  
around again and then comes the post on

711  
00:32:48,520 --> 00:32:44,680  
their little bit minimum 10 15 minutes

712  
00:32:51,490 --> 00:32:48,530  
fine and how much time had elapsed four

713  
00:32:54,220 --> 00:32:51,500

minutes okay and I'm thinking the four

714

00:32:56,050 --> 00:32:54,230

minutes when I thought about it it took

715

00:32:58,930 --> 00:32:56,060

me about four minutes to turn the car

716

00:33:00,640 --> 00:32:58,940

around and drive back to those off that

717

00:33:05,140 --> 00:33:00,650

was probably for the four minutes so

718

00:33:07,300 --> 00:33:05,150

when my mind kind of populated it there

719

00:33:11,590 --> 00:33:07,310

was no time lapse between sitting at the

720

00:33:16,630 --> 00:33:11,600

light and driving in the country Wow no

721

00:33:20,620 --> 00:33:16,640

time at all I went home I decided to get

722

00:33:23,140 --> 00:33:20,630

the air consent of and it called a

723

00:33:27,220 --> 00:33:23,150

friend of mine do I knew that had some

724

00:33:30,100 --> 00:33:27,230

strange experiences to just ask her what

725

00:33:34,410 --> 00:33:30,110

she got she said she didn't know what

726  
00:33:39,390 --> 00:33:34,420  
has happened to me but she had had two

727  
00:33:43,840 --> 00:33:39,400  
sightings at that same location of UFOs

728  
00:33:48,280 --> 00:33:43,850  
well yes well one was at night and she

729  
00:33:50,680 --> 00:33:48,290  
saw unusual white guy so she assumed it

730  
00:33:54,100 --> 00:33:50,690  
was something that she couldn't you know

731  
00:33:57,820 --> 00:33:54,110  
figure out so call me UFO that one she

732  
00:34:00,280 --> 00:33:57,830  
was alone the other sightings she was

733  
00:34:03,280 --> 00:34:00,290  
with a friend it was during the day and

734  
00:34:06,940 --> 00:34:03,290  
they saw a slot what she described it as

735  
00:34:09,990 --> 00:34:06,950  
a sausage-shaped craft moving slowly in

736  
00:34:16,090 --> 00:34:10,000  
the sky that just suddenly vanished oh

737  
00:34:18,790 --> 00:34:16,100  
wow wow here's my story well Diane I

738  
00:34:21,040 --> 00:34:18,800

thank you very much on behalf of

739

00:34:26,620 --> 00:34:21,050

shattered reality

740

00:34:29,950 --> 00:34:26,630

and we're going to cut away now to put

741

00:34:34,180 --> 00:34:29,960

this segment into our longer broadcast

742

00:34:37,180 --> 00:34:34,190

with Mary rod well thank you very much

743

00:34:39,160 --> 00:34:37,190

thank you and I hope you can give me

744

00:34:42,880 --> 00:34:39,170

some clarity as to what happened to me

745

00:34:46,840 --> 00:34:42,890

we will try our best okay Diane thank

746

00:34:49,330 --> 00:34:46,850

you very much bye bye Mary you've heard

747

00:34:52,300 --> 00:34:49,340

this type of story many times I'm sure I

748

00:34:54,970 --> 00:34:52,310

have yes I happened yeah I'm sure what

749

00:34:57,190 --> 00:34:54,980

happened was the woman then with missing

750

00:34:59,710 --> 00:34:57,200

time I imagined no no missing time

751  
00:35:03,580 --> 00:34:59,720  
that's the interesting part about it she

752  
00:35:05,890 --> 00:35:03,590  
made a left turn when she really went

753  
00:35:09,220 --> 00:35:05,900  
after she made the left turn she found

754  
00:35:12,520 --> 00:35:09,230  
herself as though she had gone down the

755  
00:35:16,720 --> 00:35:12,530  
right road to the right but several

756  
00:35:19,480 --> 00:35:16,730  
miles beyond the post office now it was

757  
00:35:23,140 --> 00:35:19,490  
as she could as close as she could

758  
00:35:26,920 --> 00:35:23,150  
estimate it she and the car were

759  
00:35:28,600 --> 00:35:26,930  
teleported there instantaneously because

760  
00:35:30,730 --> 00:35:28,610  
by the time she got the car turned

761  
00:35:34,510 --> 00:35:30,740  
around and then she reached the post

762  
00:35:39,010 --> 00:35:34,520  
office she realized that only four

763  
00:35:42,010 --> 00:35:39,020

minutes had gone by so had she made a

764

00:35:46,240 --> 00:35:42,020

u-turn had she gone down the road and

765

00:35:49,480 --> 00:35:46,250

made a u-turn and then taking the next

766

00:35:52,750 --> 00:35:49,490

jug handle up to go to the post office

767

00:35:54,520 --> 00:35:52,760

instead and gone down the road past the

768

00:35:56,500 --> 00:35:54,530

post office turned around and then came

769

00:35:59,590 --> 00:35:56,510

back to the post office that should have

770

00:36:02,800 --> 00:35:59,600

taken at least 20 to 25 minutes to do

771

00:36:04,750 --> 00:36:02,810

all of that instead she drove to the

772

00:36:08,830 --> 00:36:04,760

post office from beyond the post office

773

00:36:11,110 --> 00:36:08,840

and was therefore minutes after she made

774

00:36:15,760 --> 00:36:11,120

the wrong way turn which is physically

775

00:36:18,190 --> 00:36:15,770

impossible yeah and furthermore she some

776

00:36:21,849 --> 00:36:18,200

friend of hers had seen some

777

00:36:24,319 --> 00:36:21,859

unidentified craft in the neighborhood

778

00:36:27,769 --> 00:36:24,329

cannot can I ask cuz she had any

779

00:36:30,349 --> 00:36:27,779

regression and over that incident not to

780

00:36:33,249 --> 00:36:30,359

my knowledge but she did have an

781

00:36:39,380 --> 00:36:33,259

out-of-body experience where she was

782

00:36:42,190 --> 00:36:39,390

taken up to a craft but not a I don't

783

00:36:45,440 --> 00:36:42,200

know that she's had a regression at all

784

00:36:47,299 --> 00:36:45,450

because that would that would be a way

785

00:36:49,459 --> 00:36:47,309

of understanding because what we're

786

00:36:51,559 --> 00:36:49,469

talking about here is it sounds like

787

00:36:53,719 --> 00:36:51,569

they needed to pick her up and that was

788

00:36:55,849 --> 00:36:53,729

why she felt herself going one way

789

00:36:58,670 --> 00:36:55,859

rather than another and they can

790

00:37:00,769 --> 00:36:58,680

manipulate time anyway so you know that

791

00:37:02,870 --> 00:37:00,779

you know on the craft you could be on

792

00:37:05,359 --> 00:37:02,880

the craft an hour and but it would

793

00:37:08,529 --> 00:37:05,369

appear like you've only been gone a few

794

00:37:12,799 --> 00:37:08,539

minutes and they can actually manipulate

795

00:37:14,839 --> 00:37:12,809

time in that way so that it would be the

796

00:37:16,999 --> 00:37:14,849

regression that would be able to explain

797

00:37:19,969 --> 00:37:17,009

exactly what occurred and the

798

00:37:21,859 --> 00:37:19,979

teleporting as well sometimes I think

799

00:37:24,109 --> 00:37:21,869

that they do that deliberately just to

800

00:37:26,150 --> 00:37:24,119

highlight to you that you have been

801  
00:37:29,180 --> 00:37:26,160  
picked up at you can't explain it away

802  
00:37:31,609 --> 00:37:29,190  
and it's like wake up guys you know if

803  
00:37:35,239 --> 00:37:31,619  
we are we are visiting you you know

804  
00:37:37,880 --> 00:37:35,249  
because I found experiences on a lot of

805  
00:37:40,549 --> 00:37:37,890  
experiences much to the misconception of

806  
00:37:42,799 --> 00:37:40,559  
the public are usually more skeptical

807  
00:37:47,120 --> 00:37:42,809  
than the most skeptical because they're

808  
00:37:50,329 --> 00:37:47,130  
so keen to be seen for themselves to not

809  
00:37:52,549 --> 00:37:50,339  
mislead themselves or to appear like

810  
00:37:54,890 --> 00:37:52,559  
they're too gullible so if anything they

811  
00:37:57,650 --> 00:37:54,900  
can even be more difficult to convince

812  
00:38:00,229 --> 00:37:57,660  
it this is really open I don't know if

813  
00:38:02,509 --> 00:38:00,239

you you feel that way to that you know

814

00:38:05,120 --> 00:38:02,519

sometimes you just want to look like

815

00:38:07,670 --> 00:38:05,130

you're being really really careful not

816

00:38:13,999 --> 00:38:07,680

to get carried away well one does look

817

00:38:16,489 --> 00:38:14,009

for a practical or ordinary explanation

818

00:38:20,029 --> 00:38:16,499

explanation of these things one does

819

00:38:22,789 --> 00:38:20,039

look well if I saw this you know pie

820

00:38:24,559 --> 00:38:22,799

shaped object in the sky with purple

821

00:38:28,700 --> 00:38:24,569

lights or something could it be

822

00:38:31,400 --> 00:38:28,710

something else or was I you know high at

823

00:38:33,590 --> 00:38:31,410

the time or whatever like that okay for

824

00:38:36,710 --> 00:38:33,600

those of you are just a tune into

825

00:38:39,170 --> 00:38:36,720

this blog cast uh we are speaking to

826

00:38:41,210 --> 00:38:39,180

marry Rodwell who is just an

827

00:38:44,500 --> 00:38:41,220

extraordinarily accomplished woman

828

00:38:47,570 --> 00:38:44,510

author producer of documentaries and

829

00:38:49,370 --> 00:38:47,580

Mary I'm going to let you tell the

830

00:38:52,400 --> 00:38:49,380

audience about the various books that

831

00:38:56,660 --> 00:38:52,410

you have written and the documentaries

832

00:38:59,300 --> 00:38:56,670

that you've made okay thank you well

833

00:39:02,240 --> 00:38:59,310

awakening was written primarily because

834

00:39:04,160 --> 00:39:02,250

I was very aware that there were not

835

00:39:05,900 --> 00:39:04,170

just thousands i believe millions of

836

00:39:08,420 --> 00:39:05,910

people around the globe having

837

00:39:11,120 --> 00:39:08,430

experiences often very frightened

838

00:39:12,980 --> 00:39:11,130

feeling very isolated often very wary of

839

00:39:16,130 --> 00:39:12,990

even telling their family in case their

840

00:39:18,650 --> 00:39:16,140

family you know misinterprets you know

841

00:39:21,260 --> 00:39:18,660

what's going on for them and some do so

842

00:39:24,560 --> 00:39:21,270

its hood you go to and if you go and see

843

00:39:25,970 --> 00:39:24,570

someone within you know psychology or

844

00:39:27,140 --> 00:39:25,980

whatever are they going to believe you

845

00:39:30,530 --> 00:39:27,150

or are they going to think you're crazy

846

00:39:33,200 --> 00:39:30,540

all these kinds of concerns so what I

847

00:39:35,870 --> 00:39:33,210

put I wanted to do was all the questions

848

00:39:38,360 --> 00:39:35,880

that i ever got asked was like am i

849

00:39:40,280 --> 00:39:38,370

crazy how do i know i'm not crazy how do

850

00:39:42,110 --> 00:39:40,290

i know if this is real what do i do

851  
00:39:44,390 --> 00:39:42,120  
about the fear what if my kids are

852  
00:39:47,360 --> 00:39:44,400  
having experiences missing pregnancies

853  
00:39:49,970 --> 00:39:47,370  
or you know how do i understand this so

854  
00:39:52,670 --> 00:39:49,980  
i wrote a book as a written as answering

855  
00:39:54,740 --> 00:39:52,680  
those questions as a resource for those

856  
00:39:57,200 --> 00:39:54,750  
that had encountered so that they could

857  
00:40:00,320 --> 00:39:57,210  
actually go through a process themselves

858  
00:40:03,230 --> 00:40:00,330  
of working out as much as possible with

859  
00:40:06,140 --> 00:40:03,240  
resources as well but also including

860  
00:40:08,210 --> 00:40:06,150  
some of the things that are not always

861  
00:40:10,730 --> 00:40:08,220  
acknowledged with in ufology the

862  
00:40:13,850 --> 00:40:10,740  
outcomes or the transformative outcomes

863  
00:40:17,060 --> 00:40:13,860

of having this experience which does and

864

00:40:18,770 --> 00:40:17,070

will ultimately change it because it

865

00:40:20,840 --> 00:40:18,780

can't help but change you when you have

866

00:40:22,810 --> 00:40:20,850

these kinds of experiences because

867

00:40:27,200 --> 00:40:22,820

there's an awareness a growing awareness

868

00:40:28,580 --> 00:40:27,210

within yourself of the you know that

869

00:40:32,420 --> 00:40:28,590

there is a multi-dimensional reality

870

00:40:34,640 --> 00:40:32,430

that you are communicating on some level

871

00:40:36,860 --> 00:40:34,650

with different intelligences perhaps

872

00:40:38,780 --> 00:40:36,870

having downloads of information for

873

00:40:40,550 --> 00:40:38,790

example you know you know things and you

874

00:40:41,120 --> 00:40:40,560

don't know how you know them for example

875

00:40:44,359 --> 00:40:41,130

right

876

00:40:46,130 --> 00:40:44,369

you know that's a big one it may be that

877

00:40:48,559 --> 00:40:46,140

you notice your psychic abilities are

878

00:40:50,720 --> 00:40:48,569

enhanced that you start to see energy

879

00:40:52,430 --> 00:40:50,730

fields around people for all getting

880

00:40:54,529 --> 00:40:52,440

very interested in energy work or

881

00:40:57,799 --> 00:40:54,539

healing you may find yourself riding

882

00:40:59,240 --> 00:40:57,809

strange scripts or cup of articulating

883

00:41:00,680 --> 00:40:59,250

an unusual language that you don't

884

00:41:02,749 --> 00:41:00,690

really understand but feels very

885

00:41:06,529 --> 00:41:02,759

familiar to you and very comforting to

886

00:41:09,499 --> 00:41:06,539

you may be doing the unusual artwork or

887

00:41:11,720 --> 00:41:09,509

complex artwork or or geometry or

888

00:41:14,450 --> 00:41:11,730

whatever and in a sense that you're

889

00:41:16,400 --> 00:41:14,460

connected to other intelligences that

890

00:41:18,799 --> 00:41:16,410

are other than humans and you may always

891

00:41:20,990 --> 00:41:18,809

feel you've never really belonged you've

892

00:41:22,849 --> 00:41:21,000

always felt different like you've almost

893

00:41:25,759 --> 00:41:22,859

been adopted by your family because you

894

00:41:28,400 --> 00:41:25,769

may feel very different to them and the

895

00:41:30,079 --> 00:41:28,410

sense of a mission I've got something to

896

00:41:32,900 --> 00:41:30,089

do and I really don't know what it is

897

00:41:34,400 --> 00:41:32,910

but you know all these kinds of feelings

898

00:41:37,069 --> 00:41:34,410

and you don't know what to do with them

899

00:41:39,230 --> 00:41:37,079

this is all part of the shift and and

900

00:41:41,990 --> 00:41:39,240

when I say it changes your life it is

901  
00:41:44,120 --> 00:41:42,000  
transformative because often many lose

902  
00:41:46,509 --> 00:41:44,130  
interest in things that they used to be

903  
00:41:49,339 --> 00:41:46,519  
interested in such as you know

904  
00:41:51,410 --> 00:41:49,349  
materialism they may change their diet

905  
00:41:53,779 --> 00:41:51,420  
they may want to have more holistic

906  
00:41:56,870 --> 00:41:53,789  
lifestyles and live more simply for

907  
00:41:59,240 --> 00:41:56,880  
example this seems to be very common to

908  
00:42:02,450 --> 00:41:59,250  
having some form of experience whether

909  
00:42:04,700 --> 00:42:02,460  
it's abduch abduction contact expect you

910  
00:42:07,670 --> 00:42:04,710  
know having these kinds of encounter

911  
00:42:11,150 --> 00:42:07,680  
experiences shift the whole reality

912  
00:42:13,400 --> 00:42:11,160  
spectrum so it is life changing and it's

913  
00:42:15,470 --> 00:42:13,410

one you can go into denial over and try

914

00:42:18,319 --> 00:42:15,480

and suppress and you may be able to do

915

00:42:20,089 --> 00:42:18,329

it for a while but ultimately it gets

916

00:42:21,980 --> 00:42:20,099

harder and harder to do that so you

917

00:42:24,200 --> 00:42:21,990

either decide to own your reality and

918

00:42:27,529 --> 00:42:24,210

realize that you can manage folks as

919

00:42:29,930 --> 00:42:27,539

long as you begin to understand it so my

920

00:42:31,640 --> 00:42:29,940

book is about helping you through that

921

00:42:34,549 --> 00:42:31,650

process and you've got no one there to

922

00:42:37,039 --> 00:42:34,559

help you it talks about all of this and

923

00:42:38,990 --> 00:42:37,049

it talks about the Caitlyn for cases of

924

00:42:41,089 --> 00:42:39,000

people that have had the experiences how

925

00:42:42,680 --> 00:42:41,099

did they deal with their fear how did

926  
00:42:45,440 --> 00:42:42,690  
they deal when they were aware of this

927  
00:42:47,059 --> 00:42:45,450  
how did they come to terms with you know

928  
00:42:49,370 --> 00:42:47,069  
that the fact that they may be having it

929  
00:42:51,620 --> 00:42:49,380  
and other don't understand so who do

930  
00:42:53,190 --> 00:42:51,630  
they talk to who do they resource so

931  
00:42:56,069 --> 00:42:53,200  
it's that kind of pros

932  
00:42:59,280 --> 00:42:56,079  
and the second book that I'm writing is

933  
00:43:01,589 --> 00:42:59,290  
really more about what I think is the

934  
00:43:04,349 --> 00:43:01,599  
big agenda and there's many agendas and

935  
00:43:07,020 --> 00:43:04,359  
many programs for sure but one of them

936  
00:43:09,740 --> 00:43:07,030  
seems to be what I call an upgrading of

937  
00:43:13,140 --> 00:43:09,750  
humanity in terms of their awareness and

938  
00:43:14,940 --> 00:43:13,150

unconsciousness itself and an awakening

939

00:43:16,500 --> 00:43:14,950

is the book the name of my first book

940

00:43:19,650 --> 00:43:16,510

because that's what it is it's almost

941

00:43:22,530 --> 00:43:19,660

like you've been asleep and as you have

942

00:43:25,910 --> 00:43:22,540

these experiences it way it wakens it it

943

00:43:29,520 --> 00:43:25,920

awakens you to a whole new broader

944

00:43:31,440 --> 00:43:29,530

multi-dimensional experience and so it's

945

00:43:33,660 --> 00:43:31,450

like you suddenly realize that reality

946

00:43:36,900 --> 00:43:33,670

isn't what you believed it to be that

947

00:43:39,480 --> 00:43:36,910

reality has many layers to it if you

948

00:43:40,920 --> 00:43:39,490

like and it can be confronting and it

949

00:43:43,410 --> 00:43:40,930

can be scary and if other people don't

950

00:43:45,510 --> 00:43:43,420

want to hear it it's very hard because

951  
00:43:47,819 --> 00:43:45,520  
you get isolated so it's all those

952  
00:43:50,790 --> 00:43:47,829  
things that with the children they have

953  
00:43:52,530 --> 00:43:50,800  
conscious recall they will talk about

954  
00:43:54,750 --> 00:43:52,540  
the beings that come and visit them they

955  
00:43:58,020 --> 00:43:54,760  
will actually talk about them as friends

956  
00:44:00,180 --> 00:43:58,030  
or you know that you're all their angels

957  
00:44:01,680 --> 00:44:00,190  
all their guides for example they are

958  
00:44:03,690 --> 00:44:01,690  
often talk about their past life

959  
00:44:07,380 --> 00:44:03,700  
memories of being on other planets they

960  
00:44:09,030 --> 00:44:07,390  
have conscious recall and why it's not

961  
00:44:11,099 --> 00:44:09,040  
all about the children but it's

962  
00:44:14,309 --> 00:44:11,109  
certainly about a lot about what the

963  
00:44:16,859 --> 00:44:14,319

children say because one of the reasons

964

00:44:19,140 --> 00:44:16,869

I give it a lot of credentials is

965

00:44:22,200 --> 00:44:19,150

because the children don't read books on

966

00:44:24,510 --> 00:44:22,210

this they don't watch talk shows their

967

00:44:27,960 --> 00:44:24,520

information has a purity and clarity

968

00:44:30,870 --> 00:44:27,970

that as we get older we get programs out

969

00:44:34,770 --> 00:44:30,880

of our experiences like that as a

970

00:44:37,230 --> 00:44:34,780

nine-year-old told me Mary when you go

971

00:44:40,410 --> 00:44:37,240

to school they program you out of your

972

00:44:43,020 --> 00:44:40,420

life is the way that she explained of

973

00:44:45,599 --> 00:44:43,030

what happens when we all know that we're

974

00:44:48,359 --> 00:44:45,609

conditioned into a 3d world we are

975

00:44:50,010 --> 00:44:48,369

conditioned out of that because it's not

976  
00:44:52,550 --> 00:44:50,020  
okay unless you're an indigenous person

977  
00:44:55,250 --> 00:44:52,560  
where it's still acknowledged as being

978  
00:44:57,900 --> 00:44:55,260  
okay it's not okay in the Western

979  
00:45:00,359 --> 00:44:57,910  
technological scientific world but these

980  
00:45:03,350 --> 00:45:00,369  
children will talk about why they come

981  
00:45:05,420 --> 00:45:03,360  
what their mission is and it

982  
00:45:07,550 --> 00:45:05,430  
profound some of the things they talked

983  
00:45:09,260 --> 00:45:07,560  
about going up on spacecraft what they

984  
00:45:11,630 --> 00:45:09,270  
learn on spacecrafts i'll talk about

985  
00:45:13,880 --> 00:45:11,640  
using brain waves as an eight-year-old

986  
00:45:16,100 --> 00:45:13,890  
told me with other children like himself

987  
00:45:18,290 --> 00:45:16,110  
some of his school friends plus other

988  
00:45:20,330 --> 00:45:18,300

children he said that were not human and

989

00:45:21,950 --> 00:45:20,340

he with i said how do you know that and

990

00:45:24,350 --> 00:45:21,960

he would say because their eyes are

991

00:45:26,390 --> 00:45:24,360

different and we all used our minds and

992

00:45:28,790 --> 00:45:26,400

we would learn things about the origin

993

00:45:31,730 --> 00:45:28,800

of the species and and very complex

994

00:45:34,520 --> 00:45:31,740

things and i was filming him saying this

995

00:45:37,280 --> 00:45:34,530

and I said um complex can you tell me

996

00:45:41,300 --> 00:45:37,290

some of the things you learn and he said

997

00:45:45,530 --> 00:45:41,310

to me very carefully I'm sorry but it's

998

00:45:47,300 --> 00:45:45,540

too complex for you to understand so

999

00:45:51,470 --> 00:45:47,310

that put me in my Flex well and truly

1000

00:45:54,970 --> 00:45:51,480

yeah I have a further a couple of

1001  
00:45:59,330 --> 00:45:54,980  
further questions for you one regarding

1002  
00:46:03,830 --> 00:45:59,340  
the fear not of being exposed as an

1003  
00:46:07,070 --> 00:46:03,840  
experiencer but what I experienced at

1004  
00:46:11,890 --> 00:46:07,080  
some point the raw Tara of losing

1005  
00:46:15,020 --> 00:46:11,900  
control in an experience or setting and

1006  
00:46:18,680 --> 00:46:15,030  
what do you do you speak to that in your

1007  
00:46:21,140 --> 00:46:18,690  
book The Awakening absolutely I mean

1008  
00:46:24,110 --> 00:46:21,150  
certainly in awakening it or what do you

1009  
00:46:25,790 --> 00:46:24,120  
do about the vir and also to understand

1010  
00:46:29,120 --> 00:46:25,800  
that often the fear is based on the

1011  
00:46:31,400 --> 00:46:29,130  
unknown not for known because when you

1012  
00:46:34,490 --> 00:46:31,410  
have a visitor coming in or visitors

1013  
00:46:37,100 --> 00:46:34,500

coming into your room at night that in

1014

00:46:38,810 --> 00:46:37,110

itself is pretty terrifying and it's

1015

00:46:41,660 --> 00:46:38,820

understandable that anyone will go into

1016

00:46:43,310 --> 00:46:41,670

raw terror at that point but often it is

1017

00:46:47,150 --> 00:46:43,320

because they don't know what's going to

1018

00:46:49,040 --> 00:46:47,160

happen they don't know you know whether

1019

00:46:51,290 --> 00:46:49,050

you know what what they're actually

1020

00:46:54,650 --> 00:46:51,300

going to do the whole thing around the

1021

00:46:57,050 --> 00:46:54,660

unknown is part of that so when I work

1022

00:46:59,390 --> 00:46:57,060

with someone who has that kind of terror

1023

00:47:01,070 --> 00:46:59,400

and it may be from even when there were

1024

00:47:03,170 --> 00:47:01,080

small child rather than adult

1025

00:47:04,790 --> 00:47:03,180

interactions by the way it may be as a

1026

00:47:07,430 --> 00:47:04,800

child that they haven't understood

1027

00:47:09,560 --> 00:47:07,440

what's going on and and understandably

1028

00:47:11,060 --> 00:47:09,570

you know if something's coming in your

1029

00:47:12,680 --> 00:47:11,070

room and it's taking you somewhere and

1030

00:47:15,440 --> 00:47:12,690

you don't understand that

1031

00:47:18,020 --> 00:47:15,450

one of the ways to one of the things

1032

00:47:20,569 --> 00:47:18,030

that the the chapter on fear is about is

1033

00:47:22,760 --> 00:47:20,579

what did other people do when they were

1034

00:47:25,220 --> 00:47:22,770

faced with that how did they deal with

1035

00:47:26,329 --> 00:47:25,230

it how did they manage it especially you

1036

00:47:28,339 --> 00:47:26,339

know when they you know if they've got

1037

00:47:30,740 --> 00:47:28,349

children that are going into the fear so

1038

00:47:34,370 --> 00:47:30,750

all the strategies that they would use

1039

00:47:36,530 --> 00:47:34,380

but primarily with adults if you can it

1040

00:47:39,740 --> 00:47:36,540

fear is the big one for them in in

1041

00:47:42,920 --> 00:47:39,750

hypnosis it's a really good way of

1042

00:47:44,839 --> 00:47:42,930

finding out exactly okay so something

1043

00:47:46,910 --> 00:47:44,849

terrifying you feel something terrifying

1044

00:47:49,880 --> 00:47:46,920

may have happened but you don't know

1045

00:47:52,309 --> 00:47:49,890

let's go there let's find out what it is

1046

00:47:54,770 --> 00:47:52,319

that scared you and it's often the

1047

00:47:56,410 --> 00:47:54,780

opposite to what they think they will

1048

00:47:58,609 --> 00:47:56,420

find themselves maybe having a procedure

1049

00:48:00,109 --> 00:47:58,619

but then they would find out what that

1050

00:48:02,089 --> 00:48:00,119

procedure was for and it may be a

1051  
00:48:04,400 --> 00:48:02,099  
healing crizzly see you know procedure

1052  
00:48:06,500 --> 00:48:04,410  
it may be collecting genetic material

1053  
00:48:07,880 --> 00:48:06,510  
and you would say to them so what what

1054  
00:48:11,599 --> 00:48:07,890  
is that about and the understanding

1055  
00:48:14,120 --> 00:48:11,609  
behind including one of the questions I

1056  
00:48:16,849 --> 00:48:14,130  
also ask is the risk is there any

1057  
00:48:18,890 --> 00:48:16,859  
consent there on any level and some of

1058  
00:48:20,990 --> 00:48:18,900  
them will say yes before I came here um

1059  
00:48:23,870 --> 00:48:21,000  
does that make me feel any better not

1060  
00:48:26,540 --> 00:48:23,880  
necessarily sometimes yes okay I get it

1061  
00:48:29,329 --> 00:48:26,550  
now I get because I was one of them they

1062  
00:48:32,240 --> 00:48:29,339  
say to me you know and I've undertaken

1063  
00:48:34,760 --> 00:48:32,250

to come on a mission to be in human form

1064

00:48:37,609 --> 00:48:34,770

because I'm assisting with the with this

1065

00:48:39,800 --> 00:48:37,619

program and it completely changes the

1066

00:48:41,690 --> 00:48:39,810

way that they will understand that

1067

00:48:43,819 --> 00:48:41,700

experience a hundred eighty degree turn

1068

00:48:46,099 --> 00:48:43,829

because they've understood it it's like

1069

00:48:47,839 --> 00:48:46,109

if you show somebody having a pen

1070

00:48:49,550 --> 00:48:47,849

deceptively and they don't know what the

1071

00:48:51,559 --> 00:48:49,560

appendectomy is there going to be

1072

00:48:53,359 --> 00:48:51,569

traumatized but if you say look if you

1073

00:48:55,730 --> 00:48:53,369

don't have that procedure you're going

1074

00:48:57,950 --> 00:48:55,740

to die because that is going to cause

1075

00:49:00,859 --> 00:48:57,960

your death how do you feel about that oh

1076

00:49:03,770 --> 00:49:00,869

well okay fair enough I get it I get it

1077

00:49:06,559 --> 00:49:03,780

you know so often that that's what needs

1078

00:49:08,690 --> 00:49:06,569

to happen and for some once they know

1079

00:49:10,849 --> 00:49:08,700

that and I talked about this in the book

1080

00:49:12,500 --> 00:49:10,859

that you know somebody having a

1081

00:49:13,970 --> 00:49:12,510

terrifying experience in one of them was

1082

00:49:16,700 --> 00:49:13,980

about a missing pregnancy with the lady

1083

00:49:20,839 --> 00:49:16,710

and she realized that the reason that

1084

00:49:23,900 --> 00:49:20,849

this child was taken was a deal she done

1085

00:49:27,200 --> 00:49:23,910

with these beings and it

1086

00:49:29,660 --> 00:49:27,210

he changed her anger and her trauma from

1087

00:49:34,849 --> 00:49:29,670

understanding to you know from this

1088

00:49:38,180 --> 00:49:34,859

total anger and frustration and you know

1089

00:49:41,870 --> 00:49:38,190

denial of everything in one session she

1090

00:49:43,370 --> 00:49:41,880

had a complete refrain so you know it

1091

00:49:46,609 --> 00:49:43,380

really is often because we don't

1092

00:49:48,890 --> 00:49:46,619

understand and we go into fear and part

1093

00:49:51,380 --> 00:49:48,900

of my work has been helping people to

1094

00:49:54,319 --> 00:49:51,390

come to a place of understanding however

1095

00:49:56,180 --> 00:49:54,329

that understanding you know needs to

1096

00:49:58,579 --> 00:49:56,190

happen for them and however ultimately

1097

00:50:01,670 --> 00:49:58,589

they choose to interpret that

1098

00:50:05,359 --> 00:50:01,680

understanding well that's that's a

1099

00:50:07,279 --> 00:50:05,369

wonderful explanation and and just to

1100

00:50:10,039 --> 00:50:07,289

add something from my point of view

1101  
00:50:12,859 --> 00:50:10,049  
having been multiple experiercer and

1102  
00:50:17,299 --> 00:50:12,869  
having been terrified out of my wits at

1103  
00:50:21,079 --> 00:50:17,309  
times I can say at this date in my life

1104  
00:50:24,020 --> 00:50:21,089  
that it has Jane changed my life and not

1105  
00:50:26,900 --> 00:50:24,030  
for the worse for the better on some

1106  
00:50:31,640 --> 00:50:26,910  
level though the experiences were very

1107  
00:50:34,519 --> 00:50:31,650  
terrifying to me and I actually talked

1108  
00:50:36,200 --> 00:50:34,529  
about it as a modern-day you're you know

1109  
00:50:38,870 --> 00:50:36,210  
the UF Oaks was a modern-day shamanic

1110  
00:50:41,630 --> 00:50:38,880  
experience because the shaman in in

1111  
00:50:44,120 --> 00:50:41,640  
previous times had to transcend their

1112  
00:50:46,519 --> 00:50:44,130  
fears to be able to operate as a shaman

1113  
00:50:48,799 --> 00:50:46,529

in a multi-dimensional reality so that

1114

00:50:51,140 --> 00:50:48,809

they literally have to face all their

1115

00:50:53,930 --> 00:50:51,150

human fears you know to get into that

1116

00:50:55,819 --> 00:50:53,940

other awareness and I said and I feel in

1117

00:50:59,809 --> 00:50:55,829

a way it's almost like that's what it is

1118

00:51:03,049 --> 00:50:59,819

for those that have you know a fear to

1119

00:51:04,789 --> 00:51:03,059

transcend today then they can operate in

1120

00:51:08,029 --> 00:51:04,799

a multi-dimensional reality because

1121

00:51:09,740 --> 00:51:08,039

they've got past those human fears that

1122

00:51:12,079 --> 00:51:09,750

we all have and often we're generating

1123

00:51:13,880 --> 00:51:12,089

them because it's it's because of an

1124

00:51:15,500 --> 00:51:13,890

unknown and to give you an example of

1125

00:51:18,079 --> 00:51:15,510

the gentleman who was terrified of the

1126

00:51:21,049 --> 00:51:18,089

eyes he said Mary every time I see those

1127

00:51:24,019 --> 00:51:21,059

big eyes I go into absolute you know

1128

00:51:26,059 --> 00:51:24,029

paralyzed with fear he was fine with all

1129

00:51:28,490 --> 00:51:26,069

his other experiences but the eyes got

1130

00:51:30,380 --> 00:51:28,500

to him and I remember saying well do you

1131

00:51:31,640 --> 00:51:30,390

want to find out what happened because I

1132

00:51:33,230 --> 00:51:31,650

said what do you think happens when you

1133

00:51:33,700 --> 00:51:33,240

see the eyes oh I think they're going to

1134

00:51:36,130 --> 00:51:33,710

take me

1135

00:51:38,470 --> 00:51:36,140

so I said what do you want to find out

1136

00:51:40,420 --> 00:51:38,480

what happened and he was brave enough

1137

00:51:42,970 --> 00:51:40,430

and courageous enough for me to

1138

00:51:44,710 --> 00:51:42,980

facilitate that and so we got him

1139

00:51:46,750 --> 00:51:44,720

gradually bringing your eyes towards

1140

00:51:48,339 --> 00:51:46,760

himself and it was you could see his

1141

00:51:50,710 --> 00:51:48,349

body language getting more and more

1142

00:51:52,420 --> 00:51:50,720

terrified as these eyes were getting

1143

00:51:54,460 --> 00:51:52,430

closer and closer I said look you all

1144

00:51:56,890 --> 00:51:54,470

right the eyes are coming closer be is

1145

00:51:59,560 --> 00:51:56,900

still okay you know and the color bit

1146

00:52:02,650 --> 00:51:59,570

close is still ok then all of a sudden

1147

00:52:04,270 --> 00:52:02,660

his whole body relaxed and I said well

1148

00:52:08,589 --> 00:52:04,280

what happened then you know did the I

1149

00:52:11,800 --> 00:52:08,599

take you over ah he said no he said as

1150

00:52:13,810 --> 00:52:11,810

it got closer it was actually giving me

1151  
00:52:17,020 --> 00:52:13,820  
information so he was gaining

1152  
00:52:19,359 --> 00:52:17,030  
information from that procedure of the

1153  
00:52:21,609 --> 00:52:19,369  
as the I came closer it was it was

1154  
00:52:24,099 --> 00:52:21,619  
downloading into make information into

1155  
00:52:26,440 --> 00:52:24,109  
him it wasn't doing anything else other

1156  
00:52:28,780 --> 00:52:26,450  
than that and once you realize that all

1157  
00:52:32,170 --> 00:52:28,790  
the fear went it was because he didn't

1158  
00:52:34,510 --> 00:52:32,180  
understand indeed indeed well I was

1159  
00:52:37,300 --> 00:52:34,520  
going to say that that working with the

1160  
00:52:40,240 --> 00:52:37,310  
fear is very important and you had

1161  
00:52:45,070 --> 00:52:40,250  
mentioned that you do experience or

1162  
00:52:48,640 --> 00:52:45,080  
workshops do you have them across across

1163  
00:52:50,800 --> 00:52:48,650

the world or mostly in probably in

1164

00:52:53,349 --> 00:52:50,810

Australia but do you have any plans to

1165

00:52:55,750 --> 00:52:53,359

visit the United States or Canada with

1166

00:52:58,839 --> 00:52:55,760

these experience or workshops in twenty

1167

00:53:01,450 --> 00:52:58,849

sixteen or twenty seventeen it's quite

1168

00:53:06,040 --> 00:53:01,460

possible in 2017 there is a possibility

1169

00:53:09,099 --> 00:53:06,050

at the end of the year in the US but as

1170

00:53:11,910 --> 00:53:09,109

yet it hasn't been finalized yes I

1171

00:53:15,040 --> 00:53:11,920

actually love doing workshops because

1172

00:53:17,890 --> 00:53:15,050

through those it's amazing the amount of

1173

00:53:19,839 --> 00:53:17,900

growth understanding connection that can

1174

00:53:24,070 --> 00:53:19,849

happen through workshops itself I mean I

1175

00:53:26,170 --> 00:53:24,080

enjoy the presentations but my main role

1176

00:53:28,990 --> 00:53:26,180

I feel as a therapist and as a

1177

00:53:31,900 --> 00:53:29,000

facilitator is to help people along on

1178

00:53:34,329 --> 00:53:31,910

their journey I'm with understanding and

1179

00:53:36,849 --> 00:53:34,339

that is that gives me the greatest joy

1180

00:53:38,020 --> 00:53:36,859

and it's amazing from even one workshop

1181

00:53:40,990 --> 00:53:38,030

I'm doing one in a couple of weeks

1182

00:53:41,819 --> 00:53:41,000

timing on the sunshine coast here and

1183

00:53:44,069 --> 00:53:41,829

what is

1184

00:53:46,259 --> 00:53:44,079

brilliant is that it's people connecting

1185

00:53:47,969 --> 00:53:46,269

with one another opening up maybe for

1186

00:53:50,279 --> 00:53:47,979

the first time in their lives and

1187

00:53:53,549 --> 00:53:50,289

finding others that understand and

1188

00:53:56,339 --> 00:53:53,559

hearing the same thing is so validating

1189

00:53:59,309 --> 00:53:56,349

and so empowering and so for me it's

1190

00:54:02,819 --> 00:53:59,319

always the most brilliant thing to be

1191

00:54:05,579 --> 00:54:02,829

able to do so for me that's my priority

1192

00:54:07,979 --> 00:54:05,589

and any chance I've got to do workshops

1193

00:54:10,380 --> 00:54:07,989

I will do do them I've done and some

1194

00:54:12,209 --> 00:54:10,390

things over skype as well but I am

1195

00:54:16,199 --> 00:54:12,219

actually going to Brazil this year and

1196

00:54:18,630 --> 00:54:16,209

to the fourth UFO contactee forum in

1197

00:54:21,599 --> 00:54:18,640

Brazil which is wonderful talking about

1198

00:54:25,380 --> 00:54:21,609

star kids because they're everywhere but

1199

00:54:28,289 --> 00:54:25,390

for me primarily it is about information

1200

00:54:31,559 --> 00:54:28,299

and it's about connecting people and

1201  
00:54:34,739 --> 00:54:31,569  
helping people to work through and

1202  
00:54:36,779 --> 00:54:34,749  
understand you know how I what this sort

1203  
00:54:39,479 --> 00:54:36,789  
is all about so that they can come to a

1204  
00:54:41,489 --> 00:54:39,489  
peace and an integration and they can

1205  
00:54:43,709 --> 00:54:41,499  
grow with it then when you're not afraid

1206  
00:54:46,079 --> 00:54:43,719  
of it anymore you can embrace it and you

1207  
00:54:49,130 --> 00:54:46,089  
can start working with what this means

1208  
00:54:51,599 --> 00:54:49,140  
to you in your life and your family and

1209  
00:54:53,339 --> 00:54:51,609  
often the only thing that it is is we're

1210  
00:54:55,140 --> 00:54:53,349  
afraid of judgment we're always afraid

1211  
00:54:56,759 --> 00:54:55,150  
someone is going to say whilst you know

1212  
00:54:58,380 --> 00:54:56,769  
what really doesn't matter what other

1213  
00:55:00,150 --> 00:54:58,390

people think because if they're

1214

00:55:02,640 --> 00:55:00,160

uninformed they're uninformed what

1215

00:55:04,769 --> 00:55:02,650

really matters and this is what I Satan

1216

00:55:07,259 --> 00:55:04,779

is you and your experience you are the

1217

00:55:09,239 --> 00:55:07,269

expert on your your human experience

1218

00:55:10,979 --> 00:55:09,249

nobody else is and nobody has the right

1219

00:55:13,529 --> 00:55:10,989

to tell you what to believe and what not

1220

00:55:16,199 --> 00:55:13,539

to believe because it's you and it's

1221

00:55:20,400 --> 00:55:16,209

your reality so am I gonna say anything

1222

00:55:23,069 --> 00:55:20,410

to anyone look you are you are the

1223

00:55:26,370 --> 00:55:23,079

expert on your world and your reality

1224

00:55:30,449 --> 00:55:26,380

nobody else's god boy can you give us

1225

00:55:33,269 --> 00:55:30,459

your website for people who want to find

1226  
00:55:37,650 --> 00:55:33,279  
out more about you just say it so people

1227  
00:55:46,019 --> 00:55:37,660  
can turn into you absolutely it's a CERN

1228  
00:55:48,359 --> 00:55:46,029  
which is WWE cbn.com au and we also

1229  
00:55:51,620 --> 00:55:48,369  
sorry I was just going to say and we

1230  
00:55:54,260 --> 00:55:51,630  
will put this up on the blog site of

1231  
00:55:58,690 --> 00:55:54,270  
shattered reality podcast

1232  
00:56:01,340 --> 00:55:58,700  
calm there will be a link to your site

1233  
00:56:03,590 --> 00:56:01,350  
that's wonderful i'm also on facebook of

1234  
00:56:06,380 --> 00:56:03,600  
course as well with their CERN so you

1235  
00:56:09,200 --> 00:56:06,390  
can access me to either of those as well

1236  
00:56:12,800 --> 00:56:09,210  
and lots of and I really hope that

1237  
00:56:14,570 --> 00:56:12,810  
people enjoy listening to this and to

1238  
00:56:16,670 --> 00:56:14,580

the fact that you've all been so

1239

00:56:19,280 --> 00:56:16,680

courageous and you know saying you know

1240

00:56:23,450 --> 00:56:19,290

that this is this is your world too and

1241

00:56:26,780 --> 00:56:23,460

it's everywhere it's it so is part of

1242

00:56:30,290 --> 00:56:26,790

you know this big shift in in realizing

1243

00:56:32,540 --> 00:56:30,300

went on alone yes yes absolutely and we

1244

00:56:35,660 --> 00:56:32,550

cannot begin to thank you enough for

1245

00:56:39,530 --> 00:56:35,670

being our guest on shattered reality

1246

00:56:42,260 --> 00:56:39,540

podcast just a fascinating power really

1247

00:56:45,080 --> 00:56:42,270

thank you so much I tend to be a little

1248

00:56:47,090 --> 00:56:45,090

bit more skeptical in ferocia but you

1249

00:56:49,730 --> 00:56:47,100

have named quite convinced well you've

1250

00:56:52,940 --> 00:56:49,740

had your experiences to you know I deny

1251

00:56:56,120 --> 00:56:52,950

themselves as Mary said if you're

1252

00:56:59,540 --> 00:56:56,130

denying them they ain't happening but uh

1253

00:57:00,980 --> 00:56:59,550

thank you again from k2 I really really

1254

00:57:03,770 --> 00:57:00,990

appreciate your spending with talk

1255

00:57:05,780 --> 00:57:03,780

business she's been an absolute pleasure

1256

00:57:07,820 --> 00:57:05,790

thank you Stefan you're welcome have a

1257

00:57:10,160 --> 00:57:07,830

warning posted on your on your

1258

00:57:13,010 --> 00:57:10,170

activities we want to hear more from you

1259

00:57:17,120 --> 00:57:13,020

thank you oh I will do thank you both

1260

00:57:20,450 --> 00:57:17,130

thank you bye bye bye bye know and I

1261

00:57:23,270 --> 00:57:20,460

want to thank our our wonderful engineer

1262

00:57:25,700 --> 00:57:23,280

bill yeah poor mr. bill had his ups and

1263

00:57:29,200 --> 00:57:25,710

downs today but no he's doing a great

1264

00:57:33,290 --> 00:57:29,210

job he he had something kind of

1265

00:57:36,490 --> 00:57:33,300

challenging to do and I wanted to also

1266

00:57:40,340 --> 00:57:36,500

mention about our next guests on

1267

00:57:44,270 --> 00:57:40,350

shattered reality podcast will be Andrew

1268

00:57:47,540 --> 00:57:44,280

chestnut talking to us from Virginia in

1269

00:57:52,250 --> 00:57:47,550

the United States and he will be talking

1270

00:57:57,230 --> 00:57:52,260

to us about Santa Muerte ooh st. death

1271

00:57:59,520 --> 00:57:57,240

who was usually pictured as a woman in a

1272

00:58:05,790 --> 00:57:59,530

wedding dress but a skeleton woman

1273

00:58:08,760 --> 00:58:05,800

and I had visited merida in mexico which

1274

00:58:12,720 --> 00:58:08,770

is in the Yucatan and I picked up a

1275

00:58:16,020 --> 00:58:12,730

little figure of death while I was there

1276

00:58:18,480 --> 00:58:16,030

it's it's a skeleton riding a motorcycle

1277

00:58:21,960 --> 00:58:18,490

and I may put it up on the blog a

1278

00:58:24,600 --> 00:58:21,970

picture of my own little boy thing see I

1279

00:58:26,910 --> 00:58:24,610

don't like what stuff well we'll find

1280

00:58:31,500 --> 00:58:26,920

out more about it well find out more

1281

00:58:34,670 --> 00:58:31,510

about it alright I like yeah okay don't

1282

00:58:37,980 --> 00:58:34,680

free judge on X yes alright alright

1283

00:58:40,730 --> 00:58:37,990

unfortunately Diane's experience was

1284

00:58:43,710 --> 00:58:40,740

sort of lost in an electronic whirl and

1285

00:58:47,430 --> 00:58:43,720

Mary was not able to hear it in

1286

00:58:49,830 --> 00:58:47,440

Australia we didn't get something of her

1287

00:58:52,680 --> 00:58:49,840

interpretation of the event that it

1288

00:58:56,070 --> 00:58:52,690

might have been teleportation and just a

1289

00:58:59,550 --> 00:58:56,080

sort of a wake-up call to Diane who

1290

00:59:02,280 --> 00:58:59,560

experiences as that it was a message of

1291

00:59:05,190 --> 00:59:02,290

some sort and she also Mary also felt

1292

00:59:09,630 --> 00:59:05,200

that there was a possibility of time

1293

00:59:11,820 --> 00:59:09,640

manipulation so I would also think my

1294

00:59:14,100 --> 00:59:11,830

own personal interpretation would be

1295

00:59:16,380 --> 00:59:14,110

sometimes I've driven and I have a

1296

00:59:18,390 --> 00:59:16,390

million things on my mind and suddenly I

1297

00:59:21,060 --> 00:59:18,400

wind up and I don't know how I even got

1298

00:59:24,150 --> 00:59:21,070

there and it's possible that this woman

1299

00:59:26,750 --> 00:59:24,160

also had that type of a just mundane

1300

00:59:29,430 --> 00:59:26,760

experience and we'd really appreciate

1301

00:59:32,370 --> 00:59:29,440

your opinion and your thoughts on this

1302

00:59:36,930 --> 00:59:32,380

and you can post it on our blog site and

1303

00:59:41,640 --> 00:59:36,940

you can do that by going to shattered

1304

00:59:45,150 --> 00:59:41,650

reality podcast.com and you can go to

1305

00:59:47,310 --> 00:59:45,160

the Mary Rodwell episode which at the

1306

00:59:50,670 --> 00:59:47,320

current time would be the first episode

1307

00:59:54,150 --> 00:59:50,680

up but if you're listening after March

1308

00:59:57,930 --> 00:59:54,160

or April of 2016 it's likely to be a

1309

01:00:02,250 --> 00:59:57,940

couple a couple of podcasts down on the

1310

01:00:05,730 --> 01:00:02,260

list so shattered reality podcast.com or

1311

01:00:09,360 --> 01:00:05,740

shattered reality podcast or press com
