[Music]

2
00:00:25,040 --> 00:00:20,210

welcome to shattered reality with your

3
00:00:28,070 --> 00:00:25,050

host a valentine and persia prepare to

4
00:00:34,120 --> 00:00:28,080

had a paradigm shifted in the truths

5
00:00:37,549 --> 00:00:34,130

questioned and now shattered realities

6
00:00:41,209 --> 00:00:37,559

hey Kate Hey crucia here we are back

7
00:00:44,569 --> 00:00:41,219

again after a long sabbatical the entire

8
00:00:46,490 --> 00:00:44,579

month of August we were off and I was

9
00:00:49,250 --> 00:00:46,500

lucky enough to go down to the monroe

10
00:00:54,500 --> 00:00:49,260

institute okay where I looked at some of

11
00:00:59,029 --> 00:00:54,510

my past lives in any case let us slate

12
00:01:04,460 --> 00:00:59,039

here today is sep tember 13th 2016 and

13
00:01:07,850 --> 00:01:04,470

this is podcast number 36 okay and we

14

00:01:10,789 --> 00:01:07,860

really have a very very interesting and

15

00:01:13,010 --> 00:01:10,799

unusual lady here with us today and

16

00:01:16,820 --> 00:01:13,020

lucky to ever was yes and she's very

17

00:01:20,060 --> 00:01:16,830

kind and generous and forthcoming it's

18

00:01:24,380 --> 00:01:20,070

Lisette Larkins she is a prolific author

19

00:01:29,620 --> 00:01:24,390

and experiencer her latest book is above

20

00:01:33,170 --> 00:01:29,630

and beyond the incredible true story of

21

00:01:35,870 --> 00:01:33,180

extraterrestrial contact so Lisette is a

22

00:01:40,190 --> 00:01:35,880

long term experiencer of the paranormal

23

00:01:43,700 --> 00:01:40,200

and of contact with beings not currently

24

00:01:48,020 --> 00:01:43,710

incarnated as humans who have identified

25

00:01:50,510 --> 00:01:48,030

to her as aliens so Lee said we're so

26

00:01:54,590 --> 00:01:50,520

happy to have you on welcome thank you

27

00:01:56,480 --> 00:01:54,600

for having me always a pleasure I read

28

00:01:58,940 --> 00:01:56,490

through you some of your books in

29

00:02:01,910 --> 00:01:58,950

through some of your videos and they

30

00:02:06,469 --> 00:02:01,920

were fascinating you are a little bit

31

00:02:09,979 --> 00:02:06,479

outside the house well you can't like

32

00:02:12,589 --> 00:02:09,989

yeah yeah it's not the average like

33

00:02:13,350 --> 00:02:12,599

experience or abductee type story so it

34

00:02:15,000 --> 00:02:13,360

was really sort of

35

00:02:19,230 --> 00:02:15,010

interesting for us because we hear a lot

36

00:02:24,210 --> 00:02:19,240

of the sort of live action yeah well you

37

00:02:25,890 --> 00:02:24,220

can't really call them humdrum no but

38

00:02:30,450 --> 00:02:25,900

they certainly were different from yours

39

00:02:32,220 --> 00:02:30,460

and I was sort of fascinating it it's

40

00:02:34,830 --> 00:02:32,230

hard enough to come forth from stories

41

00:02:38,910 --> 00:02:34,840

about abduction but to come forth with

42

00:02:41,190 --> 00:02:38,920

stories of this nature that are atypical

43

00:02:44,160 --> 00:02:41,200

is even more difficult so you're quite

44

00:02:46,350 --> 00:02:44,170

courageous yeah and and I just just to

45

00:02:49,370 --> 00:02:46,360

make one comment here is that we

46

00:02:52,590 --> 00:02:49,380

generally have three categories of

47

00:02:56,280 --> 00:02:52,600

people who have had this type of

48

00:03:00,060 --> 00:02:56,290

experience they can be called abductees

49

00:03:04,110 --> 00:03:00,070

they can be called experiencers or they

50

00:03:08,760 --> 00:03:04,120

can be called oh my gosh I just it but

51
00:03:11,940 --> 00:03:08,770
it's so it all senior moment oh ok put

52
00:03:15,990 --> 00:03:11,950
little third kind are the the people

53
00:03:18,570 --> 00:03:16,000
from back in the 50s and early 60s sees

54
00:03:21,690 --> 00:03:18,580
that contact these that's right and I

55
00:03:24,390 --> 00:03:21,700
just choose to use the word experience

56
00:03:26,160 --> 00:03:24,400
or myself you know having had some of

57
00:03:29,490 --> 00:03:26,170
those because everything to it

58
00:03:32,699 --> 00:03:29,500
encompasses the other two categories as

59
00:03:35,900 --> 00:03:32,709
well what do you prefer Lee said well in

60
00:03:39,360 --> 00:03:35,910
my books I to use the word experiencer

61
00:03:41,280 --> 00:03:39,370
good good and it's funny because really

62
00:03:43,580 --> 00:03:41,290
that's what we're all doing even in this

63
00:03:46,890 --> 00:03:43,590

realm which is like you know

64

00:03:48,660 --> 00:03:46,900

experiencing all kinds of stuff on the

65

00:03:50,070 --> 00:03:48,670

on the kind of the big roller coaster

66

00:03:52,259 --> 00:03:50,080

life were on the upswing or the

67

00:03:57,090 --> 00:03:52,269

downswing or but they do really or the

68

00:04:01,710 --> 00:03:57,100

ride is wild yes it is and i was i was

69

00:04:05,610 --> 00:04:01,720

very interested in your book that you

70

00:04:08,190 --> 00:04:05,620

had mentioned you know kind of looking

71

00:04:11,069 --> 00:04:08,200

to Eckart ola a little bit because i am

72

00:04:13,979 --> 00:04:11,079

also a fan of his and saw him over the

73

00:04:17,840 --> 00:04:13,989

summer but before we get too far afield

74

00:04:20,880 --> 00:04:17,850

perhaps you could lay out basically

75

00:04:23,690 --> 00:04:20,890

parts of your story that you think are a

76

00:04:26,740 --> 00:04:23,700

very pertinent and necessary for our

77

00:04:29,900 --> 00:04:26,750

listeners to understand and

78

00:04:32,659 --> 00:04:29,910

also because at the end of of our

79

00:04:36,080 --> 00:04:32,669

interview with you we are going to be

80

00:04:39,950 --> 00:04:36,090

conducting a contest with our listeners

81

00:04:42,800 --> 00:04:39,960

for a set of your books so let us know

82

00:04:45,770 --> 00:04:42,810

just give us a little backdrop on what

83

00:04:48,110 --> 00:04:45,780

happened with you here well my first

84

00:04:52,640 --> 00:04:48,120

kind of strange experience happened when

85

00:04:54,170 --> 00:04:52,650

I was about seven and I was just and I

86

00:04:56,420 --> 00:04:54,180

really don't remember too much about it

87

00:04:58,909 --> 00:04:56,430

other than I had some kind of

88

00:05:01,129 --> 00:04:58,919

interesting encounter as a child with

89

00:05:04,250 --> 00:05:01,139

some kind of different dimension or

90

00:05:06,680 --> 00:05:04,260

interdimensional being and then I kind

91

00:05:10,159 --> 00:05:06,690

of put it out of my memory and forgot

92

00:05:12,440 --> 00:05:10,169

all about it for almost you know for

93

00:05:15,140 --> 00:05:12,450

decades really and then it wasn't until

94

00:05:17,900 --> 00:05:15,150

twenty something years later when I was

95

00:05:21,050 --> 00:05:17,910

a young mother with a young infant and I

96

00:05:23,779 --> 00:05:21,060

was married at the time and I was really

97

00:05:25,909 --> 00:05:23,789

feeling a lot of stress I had difficulty

98

00:05:28,279 --> 00:05:25,919

with my marriage my husband and I were

99

00:05:30,860 --> 00:05:28,289

struggling with lots of different issues

100

00:05:32,900 --> 00:05:30,870

with respect to our relatively new

101
00:05:35,719 --> 00:05:32,910
marriage and having a young child down

102
00:05:41,000 --> 00:05:35,729
the house and you know all the stressors

103
00:05:43,270 --> 00:05:41,010
of that and I really started to seek

104
00:05:48,830 --> 00:05:43,280
something else I was seeking answers

105
00:05:52,520 --> 00:05:48,840
internally I hadn't yet started to read

106
00:05:55,520 --> 00:05:52,530
about these kinds of experiences my

107
00:05:58,430 --> 00:05:55,530
search at the time was just playful I

108
00:06:00,589 --> 00:05:58,440
just was aware enough to know that I

109
00:06:02,390 --> 00:06:00,599
needed some kind of a some kind of help

110
00:06:04,640 --> 00:06:02,400
because I knew that if the relationship

111
00:06:08,390 --> 00:06:04,650
continued like we were we probably would

112
00:06:10,550 --> 00:06:08,400
be separating and you know I generally

113
00:06:12,529 --> 00:06:10,560

didn't want that for my son now as it

114

00:06:15,710 --> 00:06:12,539

turned out we did end up separating as

115

00:06:17,480 --> 00:06:15,720

it you know actually at the point was

116

00:06:20,480 --> 00:06:17,490

that i was at a pool a place where i was

117

00:06:22,850 --> 00:06:20,490

prayerful i was looking searching

118

00:06:25,100 --> 00:06:22,860

internally and so in one of these nights

119

00:06:27,640 --> 00:06:25,110

in which my husband during which my

120

00:06:30,740 --> 00:06:27,650

husband was out of town traveling I

121

00:06:32,690 --> 00:06:30,750

again kind of gone to bed my son was now

122

00:06:35,120 --> 00:06:32,700

asleep and I was in one of those

123

00:06:36,530 --> 00:06:35,130

prayerful modes I just closed the book

124

00:06:39,470 --> 00:06:36,540

that I was reading and I would

125

00:06:42,530 --> 00:06:39,480

contemplating you know what what was the

126
00:06:45,650 --> 00:06:42,540
answer to my dilemma and in that kind of

127
00:06:48,110 --> 00:06:45,660
a prayerful state looking searching this

128
00:06:49,910 --> 00:06:48,120
kind of cone of light light burst

129
00:06:53,090 --> 00:06:49,920
through the ceiling envelops me

130
00:06:56,210 --> 00:06:53,100
completely and it was it was accompanied

131
00:07:00,560 --> 00:06:56,220
by all kinds of phenomena that means all

132
00:07:03,950 --> 00:07:00,570
my senses were blasted with kind of this

133
00:07:07,400 --> 00:07:03,960
visceral life shaking moment including

134
00:07:09,740 --> 00:07:07,410
an electromagnetic kind of feeling like

135
00:07:12,890 --> 00:07:09,750
I was being electrocuted electromagnetic

136
00:07:14,660 --> 00:07:12,900
speaking also there was a coat of white

137
00:07:17,450 --> 00:07:14,670
light so I felt blinded by this

138
00:07:20,090 --> 00:07:17,460

intensity of light and I could hear this

139

00:07:22,130 --> 00:07:20,100

loud loud almost the founder of a

140

00:07:24,380 --> 00:07:22,140

locomotive going through my bedroom it

141

00:07:26,150 --> 00:07:24,390

was almost deafening and I didn't know

142

00:07:28,580 --> 00:07:26,160

what was happening I had no idea what

143

00:07:31,420 --> 00:07:28,590

was happening and that started me on

144

00:07:33,830 --> 00:07:31,430

this long long journey beginning to

145

00:07:35,870 --> 00:07:33,840

recognize but it's infused to recognize

146

00:07:40,610 --> 00:07:35,880

what it was but beginning to unravel

147

00:07:42,850 --> 00:07:40,620

this whole adventure of what would

148

00:07:46,670 --> 00:07:42,860

happen if a human being could actually

149

00:07:48,710 --> 00:07:46,680

tap into interdimensional experiences

150

00:07:52,000 --> 00:07:48,720

and these beings they don't you know

151

00:07:56,450 --> 00:07:52,010

live on planet earth like we do they

152

00:07:58,220 --> 00:07:56,460

exist in a some other dimension in a way

153

00:08:00,860 --> 00:07:58,230

that I don't understand or comprehend

154

00:08:04,430 --> 00:08:00,870

from a scientific standpoint but I

155

00:08:06,290 --> 00:08:04,440

started having these encounters for a

156

00:08:07,760 --> 00:08:06,300

couple years I really didn't know I had

157

00:08:10,760 --> 00:08:07,770

no visual I didn't really know what was

158

00:08:14,540 --> 00:08:10,770

happening other than I was spontaneously

159

00:08:17,630 --> 00:08:14,550

starting to have kind of new abilities I

160

00:08:19,820 --> 00:08:17,640

started to become the psychic in some

161

00:08:23,660 --> 00:08:19,830

way I started to have second sight I

162

00:08:26,750 --> 00:08:23,670

started to be able to to see snippets of

163

00:08:28,490 --> 00:08:26,760

future events and so but these were

164

00:08:31,370 --> 00:08:28,500

upsetting to me at the time I wasn't

165

00:08:33,920 --> 00:08:31,380

they didn't encourage me I was upset

166

00:08:35,659 --> 00:08:33,930

because things were happening you know

167

00:08:38,540 --> 00:08:35,669

things were going bump in the night so

168

00:08:40,300 --> 00:08:38,550

to speak and yet as the encounters would

169

00:08:43,490 --> 00:08:40,310

begin like they did that first night

170

00:08:45,740 --> 00:08:43,500

with the barrages phenomena I would

171

00:08:48,680 --> 00:08:45,750

start to fall asleep so it was years

172

00:08:50,990 --> 00:08:48,690

before I stopped falling asleep and

173

00:08:54,380 --> 00:08:51,000

remained awake and then I saw really

174

00:08:59,990 --> 00:08:54,390

what was happening well it's it's the

175

00:09:03,680 --> 00:09:00,000

thing that drew me to your work some

176

00:09:08,270 --> 00:09:03,690

years ago when I was looking for answers

177

00:09:13,250 --> 00:09:08,280

and I found also Bob Monroe's work the

178

00:09:15,650 --> 00:09:13,260

the situation of having the electrical

179

00:09:19,870 --> 00:09:15,660

current running through your body and

180

00:09:23,980 --> 00:09:19,880

being paralyzed which is something that

181

00:09:27,530 --> 00:09:23,990

has happened to me numerous times

182

00:09:29,960 --> 00:09:27,540

sometimes it seems like there's et

183

00:09:33,890 --> 00:09:29,970

contact sometimes there seems as though

184

00:09:38,320 --> 00:09:33,900

there are other sorts of contact but I

185

00:09:41,990 --> 00:09:38,330

certainly shared that terrifying

186

00:09:44,180 --> 00:09:42,000

experience of being paralyzed and having

187

00:09:47,900 --> 00:09:44,190

the electrical current running through

188

00:09:52,040 --> 00:09:47,910

my body particularly coming in through

189

00:09:55,430 --> 00:09:52,050

the the upper lip the nose and the third

190

00:09:58,510 --> 00:09:55,440

eye area so much so and so painful and

191

00:10:01,760 --> 00:09:58,520

so frightening so I was very much

192

00:10:04,610 --> 00:10:01,770

attracted to your work because you

193

00:10:06,260 --> 00:10:04,620

described something which was not the

194

00:10:09,770 --> 00:10:06,270

same because I didn't have the light

195

00:10:12,950 --> 00:10:09,780

show but quite similar to what I had

196

00:10:15,290 --> 00:10:12,960

experienced and also similar to what Bob

197

00:10:18,620 --> 00:10:15,300

Monroe had experienced which drew me

198

00:10:22,610 --> 00:10:18,630

initially down to Virginia to the monroe

199

00:10:25,720 --> 00:10:22,620

institute and it was there that someone

200

00:10:28,880 --> 00:10:25,730

acquainted me with your books Oh

201
00:10:30,770 --> 00:10:28,890
beautiful okay i guess i actually have

202
00:10:33,860 --> 00:10:30,780
taught classes there before and i love

203
00:10:36,829 --> 00:10:33,870
and love both the property you know the

204
00:10:39,020 --> 00:10:36,839
actual location and the people there

205
00:10:41,660 --> 00:10:39,030
what a wonderful opportunity to

206
00:10:47,630 --> 00:10:41,670
experience that I love that myself that

207
00:10:50,320 --> 00:10:47,640
place so so after after that after you

208
00:10:54,760 --> 00:10:50,330
know you began to have these experiences

209
00:10:58,670 --> 00:10:54,770
than other events unfolded including

210
00:11:01,490 --> 00:10:58,680
your experience worrying or being

211
00:11:02,329 --> 00:11:01,500
concerned or having in a certain event

212
00:11:05,150 --> 00:11:02,339
occur

213
00:11:10,040 --> 00:11:05,160

her that made you worried about your

214

00:11:12,980 --> 00:11:10,050

sanity well I just reject really obvious

215

00:11:15,799 --> 00:11:12,990

I am sure some of the listeners are some

216

00:11:18,439 --> 00:11:15,809

of the not some of the skeptics let me

217

00:11:20,869 --> 00:11:18,449

say are going to ask it sounds as if

218

00:11:23,449 --> 00:11:20,879

this type of reaction could be due to a

219

00:11:25,699 --> 00:11:23,459

medical condition of some sort as well

220

00:11:27,739 --> 00:11:25,709

and I think you looked into all that

221

00:11:31,100 --> 00:11:27,749

didn't you from what I understand in

222

00:11:34,999 --> 00:11:31,110

your books yes yes so as my relationship

223

00:11:37,220 --> 00:11:35,009

worsened with my best and we agreed I

224

00:11:38,540 --> 00:11:37,230

should get some help because well I

225

00:11:40,160 --> 00:11:38,550

wasn't telling him everything that was

226
00:11:43,579 --> 00:11:40,170
happening I was telling him enough that

227
00:11:45,439 --> 00:11:43,589
he was alarmed so perhaps because in

228
00:11:48,259 --> 00:11:45,449
part because she was a ex military

229
00:11:51,049 --> 00:11:48,269
officer in the way that he thought you

230
00:11:52,850 --> 00:11:51,059
know it's black or white it's going to

231
00:11:56,269 --> 00:11:52,860
look something like we know that it's

232
00:11:58,970 --> 00:11:56,279
probably something crazy and so we

233
00:12:01,579 --> 00:11:58,980
decided that he encouraged me to and

234
00:12:04,069 --> 00:12:01,589
took me to a psychiatric hospital where

235
00:12:06,739 --> 00:12:04,079
I was admitted and they started doing

236
00:12:08,480 --> 00:12:06,749
extensive testing now at that time I

237
00:12:10,280 --> 00:12:08,490
still didn't really know what was

238
00:12:12,499 --> 00:12:10,290

happening to me and I was a model

239

00:12:14,419 --> 00:12:12,509

patient although at that Pope you know

240

00:12:16,549 --> 00:12:14,429

there was no medication that was

241

00:12:19,309 --> 00:12:16,559

prescribed I was there for three weeks

242

00:12:21,139 --> 00:12:19,319

and it was very traumatizing because it

243

00:12:25,400 --> 00:12:21,149

was there that men I lost custody of my

244

00:12:28,429 --> 00:12:25,410

child when I got out three weeks later

245

00:12:30,110 --> 00:12:28,439

that's when I started I really decided I

246

00:12:33,049 --> 00:12:30,120

had to rebuild my life because when I

247

00:12:36,139 --> 00:12:33,059

got out three weeks later with you know

248

00:12:37,780 --> 00:12:36,149

I had lost custody I was now my husband

249

00:12:40,519 --> 00:12:37,790

my then husband had filed for divorce

250

00:12:43,280 --> 00:12:40,529

you know checking account closed I

251

00:12:46,220 --> 00:12:43,290

really had hit a bottom so i started in

252

00:12:48,319 --> 00:12:46,230

earnest to find answers and it one of

253

00:12:51,739 --> 00:12:48,329

those one of the things that i was

254

00:12:53,419 --> 00:12:51,749

seeking was being willing and curtain

255

00:12:55,879 --> 00:12:53,429

and wanting the courage to be able to

256

00:12:58,309 --> 00:12:55,889

face if I did have an underlying mental

257

00:13:00,410 --> 00:12:58,319

disorder because I wanted to get tested

258

00:13:04,369 --> 00:13:00,420

in my child but I really didn't want him

259

00:13:07,489 --> 00:13:04,379

raised by me if I was crazy so I felt it

260

00:13:09,860 --> 00:13:07,499

was something that I had to do so I was

261

00:13:12,189 --> 00:13:09,870

lucky I really searched until I found a

262

00:13:14,770 --> 00:13:12,199

wonderful therapist and I started on a

263

00:13:19,850 --> 00:13:14,780

60-year intensive

264

00:13:21,700 --> 00:13:19,860

process of being both analyzed by an

265

00:13:23,840 --> 00:13:21,710

individual and a team of clinicians

266

00:13:26,810 --> 00:13:23,850

including individual therapy and group

267

00:13:29,110 --> 00:13:26,820

therapy and I submitted myself to an

268

00:13:33,260 --> 00:13:29,120

extensive evaluative process and

269

00:13:35,330 --> 00:13:33,270

interestingly enough my read clinician

270

00:13:38,000 --> 00:13:35,340

actually became a contributor to my

271

00:13:39,860 --> 00:13:38,010

first book talking the extraterrestrials

272

00:13:42,320 --> 00:13:39,870

there's an appendix in the back of the

273

00:13:46,280 --> 00:13:42,330

book which addresses this thing that

274

00:13:47,930 --> 00:13:46,290

happens where otherwise normal people of

275

00:13:49,550 --> 00:13:47,940

course people there are people who

276

00:13:52,130 --> 00:13:49,560

legitimately have a psychiatric

277

00:13:53,600 --> 00:13:52,140

condition who have visions and they hear

278

00:13:56,480 --> 00:13:53,610

voices of course we know that that

279

00:13:59,420 --> 00:13:56,490

happens but what also can happen is that

280

00:14:03,260 --> 00:13:59,430

otherwise normal people can open to

281

00:14:05,570 --> 00:14:03,270

these amazing extraordinary paranormal

282

00:14:08,300 --> 00:14:05,580

or other worldly experiences that can

283

00:14:11,990 --> 00:14:08,310

tap into an interdimensional experience

284

00:14:14,510 --> 00:14:12,000

and there is no underlying psychosis and

285

00:14:17,180 --> 00:14:14,520

so this is what I was told I was

286

00:14:19,190 --> 00:14:17,190

eventually told and this clinician

287

00:14:21,380 --> 00:14:19,200

shares and this forward by himself he

288

00:14:25,460 --> 00:14:21,390

has a practice in westlake California he

289

00:14:27,500 --> 00:14:25,470

still does that I was a sound mind so at

290

00:14:29,990 --> 00:14:27,510

that point after you know all of these

291

00:14:33,950 --> 00:14:30,000

years as I became more confident in

292

00:14:36,410 --> 00:14:33,960

which I was being told you know you have

293

00:14:40,280 --> 00:14:36,420

a sound mind well if I'm if I if I'm not

294

00:14:42,560 --> 00:14:40,290

crazy then what's happening see so then

295

00:14:45,020 --> 00:14:42,570

I really in earnest started to become

296

00:14:46,790 --> 00:14:45,030

more willing and courageous to go

297

00:14:50,930 --> 00:14:46,800

further because there was a two-year

298

00:14:54,440 --> 00:14:50,940

period then after which the experience

299

00:14:56,840 --> 00:14:54,450

has stopped and so and it was during

300

00:15:01,040 --> 00:14:56,850

this period in which I was really kind

301
00:15:04,100 --> 00:15:01,050
of almost apprehensively looking to find

302
00:15:06,350 --> 00:15:04,110
what was happening to me and so it's a

303
00:15:08,840 --> 00:15:06,360
certain point when I had done a lot of

304
00:15:12,350 --> 00:15:08,850
kind of personal growth work on myself

305
00:15:15,410 --> 00:15:12,360
meaning my self concept had improved

306
00:15:17,540 --> 00:15:15,420
because I was just stronger I was more

307
00:15:19,610 --> 00:15:17,550
mature I ain't had some therapy I was

308
00:15:21,560 --> 00:15:19,620
feeling better about my divorce and I

309
00:15:23,540 --> 00:15:21,570
was now working again and I was building

310
00:15:26,319 --> 00:15:23,550
back my life with my child I had

311
00:15:29,530 --> 00:15:26,329
regained custody then I was just

312
00:15:33,939 --> 00:15:29,540
all that more willing and able to then

313
00:15:35,619 --> 00:15:33,949

as to know and as that happened by gosh

314

00:15:40,119 --> 00:15:35,629

the experiencer started up all over

315

00:15:43,119 --> 00:15:40,129

again but this time instead of falling

316

00:15:46,799 --> 00:15:43,129

asleep and not being able to remember

317

00:15:49,660 --> 00:15:46,809

what was happening I remained awake and

318

00:15:51,759 --> 00:15:49,670

that was really really good fast started

319

00:15:53,949 --> 00:15:51,769

happening because now I was going

320

00:15:56,559 --> 00:15:53,959

forward with confidence I was going

321

00:15:58,960 --> 00:15:56,569

forward with an ability to want to kind

322

00:16:02,410 --> 00:15:58,970

of make a record of what I was learning

323

00:16:04,179 --> 00:16:02,420

and that of course makes up the content

324

00:16:06,069 --> 00:16:04,189

that my books which what did I learn

325

00:16:08,350 --> 00:16:06,079

what was I told you know how did it

326
00:16:12,249 --> 00:16:08,360
affect me why did the experiences happen

327
00:16:15,189 --> 00:16:12,259
and for me the experiences happened

328
00:16:17,229 --> 00:16:15,199
because first of all life is filled with

329
00:16:21,189 --> 00:16:17,239
these kinds of life-changing events

330
00:16:25,259 --> 00:16:21,199
whether paranormal in nature or very

331
00:16:27,629 --> 00:16:25,269
much of this world but we oftentimes are

332
00:16:30,249 --> 00:16:27,639
impacted by these life-changing

333
00:16:33,100 --> 00:16:30,259
initially traumatizing events and it is

334
00:16:35,319 --> 00:16:33,110
our duty to find a way to overcome them

335
00:16:37,059 --> 00:16:35,329
with strength and courage in order to

336
00:16:39,489 --> 00:16:37,069
move beyond them and to grow from them

337
00:16:43,979 --> 00:16:39,499
and that was what I set out to do that's

338
00:16:46,539 --> 00:16:43,989

a wonderful a wonderful Lee inspiring a

339

00:16:48,909 --> 00:16:46,549

way to look at these things certainly

340

00:16:51,639 --> 00:16:48,919

goofy frightening no I was frightening

341

00:16:54,519 --> 00:16:51,649

in and you know John Mack to the study

342

00:16:57,699 --> 00:16:54,529

of so many people that had similar

343

00:17:00,549 --> 00:16:57,709

experiences and problems to yours and

344

00:17:02,619 --> 00:17:00,559

the consistent finding was a totally

345

00:17:05,110 --> 00:17:02,629

normal people that are experiencing

346

00:17:07,480 --> 00:17:05,120

totally abnormal events that's right and

347

00:17:10,120 --> 00:17:07,490

you know I think one of the problems is

348

00:17:12,699 --> 00:17:10,130

that they happen sort of spontaneously

349

00:17:15,220 --> 00:17:12,709

and sporadically and they can't be

350

00:17:17,529 --> 00:17:15,230

uplicated and you know if you see

351
00:17:19,480 --> 00:17:17,539
something frightening in the ocean like

352
00:17:21,399 --> 00:17:19,490
the great white shark well that can be

353
00:17:23,529 --> 00:17:21,409
documented everybody else sees it

354
00:17:25,419 --> 00:17:23,539
everybody else knows if you see

355
00:17:27,370 --> 00:17:25,429
something like an extraterrestrial in

356
00:17:29,860 --> 00:17:27,380
the backwoods of New Hampshire on a dark

357
00:17:31,870 --> 00:17:29,870
night and you're all alone that can't be

358
00:17:34,149 --> 00:17:31,880
documented that is frightening people

359
00:17:36,129 --> 00:17:34,159
tend to because they're frightened say

360
00:17:38,289 --> 00:17:36,139
oh no no it never happened it's okay

361
00:17:38,910 --> 00:17:38,299
that's just a little ghost forget about

362
00:17:42,930 --> 00:17:38,920
it

363
00:17:45,600 --> 00:17:42,940

people that have experienced these

364

00:17:48,060 --> 00:17:45,610

things have it's horrible because

365

00:17:50,790 --> 00:17:48,070

everybody else looks at you as if you're

366

00:17:52,950 --> 00:17:50,800

really a little bit not everybody

367

00:17:56,010 --> 00:17:52,960

anymore i think we've usually live in a

368

00:17:58,800 --> 00:17:56,020

rarefied atmosphere you and I because

369

00:18:02,340 --> 00:17:58,810

we're involved in this in this community

370

00:18:05,160 --> 00:18:02,350

so to see I would like to speak to one

371

00:18:07,680 --> 00:18:05,170

thing that it's kind of my pet subject

372

00:18:10,860 --> 00:18:07,690

and you are just the right person to

373

00:18:13,980 --> 00:18:10,870

speak to about it because i myself have

374

00:18:18,110 --> 00:18:13,990

written a number of blog posts about it

375

00:18:21,930 --> 00:18:18,120

and this has to do with the concept of

376

00:18:27,720 --> 00:18:21,940

sleep paralysis which is in fact a

377

00:18:31,710 --> 00:18:27,730

normal biological adaptation that higher

378

00:18:35,490 --> 00:18:31,720

mammals at least have made to the dream

379

00:18:38,340 --> 00:18:35,500

process because we many people get sleep

380

00:18:42,870 --> 00:18:38,350

paralyzed cats and dogs and horses do it

381

00:18:47,520 --> 00:18:42,880

too and it's to an order to avoid acting

382

00:18:50,700 --> 00:18:47,530

out our dreams however my thesis is this

383

00:18:54,210 --> 00:18:50,710

and I would like to do a study about it

384

00:18:57,720 --> 00:18:54,220

at some juncture my thesis is that other

385

00:19:03,030 --> 00:18:57,730

beings other interdimensional or alien

386

00:19:08,160 --> 00:19:03,040

beings use the process of sleep

387

00:19:10,620 --> 00:19:08,170

paralysis in order to have the human

388

00:19:13,710 --> 00:19:10,630

mind open to them because we are

389

00:19:16,380 --> 00:19:13,720

actually quite violent individuals and

390

00:19:18,810 --> 00:19:16,390

if something comes down the road towards

391

00:19:23,100 --> 00:19:18,820

us that we don't like I'm not talking

392

00:19:25,800 --> 00:19:23,110

about you and I reset or or Kate there

393

00:19:27,720 --> 00:19:25,810

I'm talking about the average person if

394

00:19:30,060 --> 00:19:27,730

you see something that you're not

395

00:19:32,760 --> 00:19:30,070

familiar with and it comes over to you

396

00:19:35,100 --> 00:19:32,770

you're likely to strike out we're not

397

00:19:38,690 --> 00:19:35,110

called angry 8 Apes with guns for

398

00:19:43,530 --> 00:19:38,700

nothing so the natural biological

399

00:19:46,740 --> 00:19:43,540

process of sleep sleep paralysis is

400

00:19:50,940 --> 00:19:46,750

co-opted by the let's call them aliens

401
00:19:52,190 --> 00:19:50,950
for shorthand the aliens to subdue the

402
00:19:55,639 --> 00:19:52,200
human in in or

403
00:19:58,940 --> 00:19:55,649
that they might be communicated with

404
00:20:02,090 --> 00:19:58,950
what do you think about that you know I

405
00:20:04,850 --> 00:20:02,100
no expert on paralysis and I'm obviously

406
00:20:08,149 --> 00:20:04,860
not a physician or a clinician but from

407
00:20:10,580 --> 00:20:08,159
from my perspective and after you know

408
00:20:12,560 --> 00:20:10,590
thinking and contemplating and having

409
00:20:17,029 --> 00:20:12,570
these experiences for so many so many

410
00:20:20,210 --> 00:20:17,039
years because you know I agree with you

411
00:20:23,740 --> 00:20:20,220
that because we're having these

412
00:20:26,899 --> 00:20:23,750
experiences there interdimensional

413
00:20:30,080 --> 00:20:26,909

experiences and so when we start because

414

00:20:33,560 --> 00:20:30,090

as humans we are a spiritual minds that

415

00:20:36,139 --> 00:20:33,570

think that's melded with a human brain

416

00:20:39,289 --> 00:20:36,149

and so when we're living and were

417

00:20:41,570 --> 00:20:39,299

attached to the human body in this

418

00:20:46,340 --> 00:20:41,580

particular incarnation and somehow

419

00:20:48,710 --> 00:20:46,350

someway we have found a portal to an

420

00:20:50,899 --> 00:20:48,720

interdimensional experience which can be

421

00:20:53,000 --> 00:20:50,909

happening in a physical environment like

422

00:20:54,230 --> 00:20:53,010

Planet Earth definitely that it's not

423

00:20:56,269 --> 00:20:54,240

what we happened he doesn't mean it's

424

00:20:58,220 --> 00:20:56,279

only a figment of our imagination or

425

00:21:01,519 --> 00:20:58,230

that's only a dream we can be having a

426
00:21:03,680 --> 00:21:01,529
very real experience but it's happening

427
00:21:06,799 --> 00:21:03,690
in an interdimensional way in which we

428
00:21:09,730 --> 00:21:06,809
somehow tapped into interdimensional

429
00:21:11,509 --> 00:21:09,740
phenomena other beings who are living

430
00:21:15,139 --> 00:21:11,519
inter-dimensionally in the present and

431
00:21:18,200 --> 00:21:15,149
or tapping into the memories of

432
00:21:20,919 --> 00:21:18,210
ourselves having lived in a disk

433
00:21:22,460 --> 00:21:20,929
incarnation but where we experience at

434
00:21:26,000 --> 00:21:22,470
experiencing that interdimensional

435
00:21:28,610 --> 00:21:26,010
experience or thirdly that we're doing

436
00:21:30,590 --> 00:21:28,620
it currently meaning i'm living as a in

437
00:21:33,259 --> 00:21:30,600
life as a human being but I'm

438
00:21:35,480 --> 00:21:33,269

concurrently living a life as a

439

00:21:37,460 --> 00:21:35,490

different being with this other group of

440

00:21:40,129 --> 00:21:37,470

people or this other group of things in

441

00:21:42,950 --> 00:21:40,139

this different location and the two has

442

00:21:46,159 --> 00:21:42,960

kind of melded together in this moment

443

00:21:47,750 --> 00:21:46,169

of confusion I'm having a glimpse into

444

00:21:49,820 --> 00:21:47,760

another interdimensional experience

445

00:21:51,440 --> 00:21:49,830

which is happening concurrently so

446

00:21:55,009 --> 00:21:51,450

there's so many different possibilities

447

00:21:57,139 --> 00:21:55,019

and yet naturally when all this is going

448

00:21:59,000 --> 00:21:57,149

down it wouldn't think too out of the

449

00:22:01,570 --> 00:21:59,010

ordinary if we're dealing with other

450

00:22:04,880 --> 00:22:01,580

beings who have a heightened sense of

451

00:22:08,240 --> 00:22:04,890

evolution spiritually speaking

452

00:22:10,340 --> 00:22:08,250

this recognition that that let's kind of

453

00:22:13,670 --> 00:22:10,350

contain the physical body as one is

454

00:22:19,370 --> 00:22:13,680

experiencing this phenomenon now I do

455

00:22:22,010 --> 00:22:19,380

recognize that the people who are more a

456

00:22:23,870 --> 00:22:22,020

true to the so-called UFO abduction

457

00:22:25,580 --> 00:22:23,880

phenomena in which they saw that they've

458

00:22:27,350 --> 00:22:25,590

been violated and they feel that they've

459

00:22:29,960 --> 00:22:27,360

been kidnapped and make sure that

460

00:22:33,530 --> 00:22:29,970

they've been paralyzed you know and I'm

461

00:22:38,710 --> 00:22:33,540

speaking from the perspective of it in

462

00:22:42,020 --> 00:22:38,720

my particular opinion we're all open as

463

00:22:44,600 --> 00:22:42,030

beings and to having extraordinary

464

00:22:48,260 --> 00:22:44,610

experiences across all the domains so

465

00:22:50,090 --> 00:22:48,270

even human being or having experiences

466

00:22:52,370 --> 00:22:50,100

on planet earth in which they're harmed

467

00:22:54,500 --> 00:22:52,380

meaning whether they're kidnapped or

468

00:22:57,650 --> 00:22:54,510

they you know go to Syria and there

469

00:22:59,180 --> 00:22:57,660

their car is bombed or somebody breaks

470

00:23:02,000 --> 00:22:59,190

into the house and steal the television

471

00:23:05,200 --> 00:23:02,010

set you know because we have a mixed bag

472

00:23:08,540 --> 00:23:05,210

of spiritual growth but on this planet

473

00:23:11,780 --> 00:23:08,550

it also is reflect you know it reflects

474

00:23:14,270 --> 00:23:11,790

what's happening universally speaking we

475

00:23:15,920 --> 00:23:14,280

have all of these beings in lots of

476

00:23:18,140 --> 00:23:15,930

different locations both in this

477

00:23:21,080 --> 00:23:18,150

dimension and others in which there are

478

00:23:24,310 --> 00:23:21,090

various and varying degrees of spiritual

479

00:23:26,330 --> 00:23:24,320

attainment and so when that happened it

480

00:23:27,890 --> 00:23:26,340

doesn't mean that only one of those

481

00:23:30,680 --> 00:23:27,900

things that have is happening it means

482

00:23:33,170 --> 00:23:30,690

that all of it can be happening yes the

483

00:23:36,860 --> 00:23:33,180

only issue is that is when somebody

484

00:23:38,780 --> 00:23:36,870

experiences trauma or terror it doesn't

485

00:23:41,420 --> 00:23:38,790

always necessarily assume that

486

00:23:43,070 --> 00:23:41,430

wrongdoing is occurring and that's of

487

00:23:47,000 --> 00:23:43,080

course what I found out because I was

488

00:23:48,800 --> 00:23:47,010

traumatized yeah it was terrified and I

489

00:23:52,190 --> 00:23:48,810

know that when I even take my dog to the

490

00:23:54,650 --> 00:23:52,200

vet she is terrified and interestingly

491

00:23:57,410 --> 00:23:54,660

enough she's lost one I just from a

492

00:23:59,540 --> 00:23:57,420

hiking accident and we had to web

493

00:24:02,240 --> 00:23:59,550

surgery when I go to show up at that vet

494

00:24:04,940 --> 00:24:02,250

when she sees those vets with their with

495

00:24:08,750 --> 00:24:04,950

their lab coats or even the technicians

496

00:24:10,310 --> 00:24:08,760

with their scrubs she bolts she doesn't

497

00:24:14,540 --> 00:24:10,320

like him and so she attributes

498

00:24:16,880 --> 00:24:14,550

wrongdoing and harm to people who you

499

00:24:18,090 --> 00:24:16,890

know they're intended to help her yes

500

00:24:20,310 --> 00:24:18,100

you know human

501
00:24:23,159 --> 00:24:20,320
can't make sense of everything that's

502
00:24:26,610 --> 00:24:23,169
absolutely true and I am happy to say as

503
00:24:29,190 --> 00:24:26,620
having been an experimenter I'm here none

504
00:24:31,669 --> 00:24:29,200
the worse for wear and the experiences

505
00:24:33,720 --> 00:24:31,679
were very interesting and in some cases

506
00:24:35,909 --> 00:24:33,730
enlightening but at the time they are

507
00:24:40,620 --> 00:24:35,919
happening especially with the vibrations

508
00:24:42,870 --> 00:24:40,630
as you know can be you know the loss of

509
00:24:45,890 --> 00:24:42,880
control alone forget even the vibration

510
00:24:49,409 --> 00:24:45,900
is is is a really big pill to swallow

511
00:24:52,110 --> 00:24:49,419
yes and when something is happening it

512
00:24:54,090 --> 00:24:52,120
is not supposed to happen you know it

513
00:24:57,000 --> 00:24:54,100

when it's happening in a context of a

514

00:24:59,010 --> 00:24:57,010

society that you know doesn't believe

515

00:25:04,049 --> 00:24:59,020

that it's possible now you know I still

516

00:25:06,750 --> 00:25:04,059

even today I can go to social you know I

517

00:25:09,180 --> 00:25:06,760

can be a social environment whether at a

518

00:25:12,090 --> 00:25:09,190

party or a dinner party and this subject

519

00:25:15,529 --> 00:25:12,100

can come up and you better believe even

520

00:25:19,020 --> 00:25:15,539

in Los Angeles they're absolutely still

521

00:25:21,480 --> 00:25:19,030

even clinicians who are very aligned

522

00:25:24,120 --> 00:25:21,490

with faith the psychiatric field to say

523

00:25:27,450 --> 00:25:24,130

actually categorically that this is not

524

00:25:29,370 --> 00:25:27,460

possible it's only a some degree of you

525

00:25:30,899 --> 00:25:29,380

know insanity that's being expressed and

526

00:25:33,000 --> 00:25:30,909

then it's not possible that

527

00:25:35,549 --> 00:25:33,010

interdimensional beings from a

528

00:25:38,820 --> 00:25:35,559

scientific standpoint can interact with

529

00:25:41,880 --> 00:25:38,830

human beings so you know it's very much

530

00:25:43,919 --> 00:25:41,890

still refuted in many many circles one

531

00:25:46,620 --> 00:25:43,929

time we hope to think it and experience

532

00:25:48,380 --> 00:25:46,630

one night yes and that will that will

533

00:25:52,860 --> 00:25:48,390

set them in a different category

534

00:25:56,760 --> 00:25:52,870

entirely but I am also reminded of what

535

00:25:59,010 --> 00:25:56,770

the quantum physicist have said that

536

00:26:02,490 --> 00:25:59,020

consciousness is fundamental to

537

00:26:05,640 --> 00:26:02,500

everything it comes first and foremost

538

00:26:07,049 --> 00:26:05,650

before the world of matter but the hard

539

00:26:09,149 --> 00:26:07,059

line through the system but the

540

00:26:11,399 --> 00:26:09,159

materialists don't go for it yeah I know

541

00:26:13,470 --> 00:26:11,409

and you will not find an engineer that

542

00:26:18,180 --> 00:26:13,480

does that either I know I'm right here

543

00:26:20,610 --> 00:26:18,190

who does oh but you know honestly I have

544

00:26:22,409 --> 00:26:20,620

to agree with you and so you had these

545

00:26:24,990 --> 00:26:22,419

experiences and you said that they were

546

00:26:26,880 --> 00:26:25,000

helpful in your life do you think that

547

00:26:29,190 --> 00:26:26,890

they were helpful because they were

548

00:26:32,250 --> 00:26:29,200

intended to be helpful or that it was

549

00:26:35,950 --> 00:26:32,260

just a side effect of

550

00:26:40,120 --> 00:26:35,960

you know interestingly enough ultimately

551
00:26:44,140 --> 00:26:40,130
the purpose of my encounter experiences

552
00:26:47,590 --> 00:26:44,150
we're the same as the purpose of the

553
00:26:51,130 --> 00:26:47,600
process of the physical body human body

554
00:26:54,010 --> 00:26:51,140
dying and then transitioning to an inter

555
00:26:55,900 --> 00:26:54,020
life experience and then coming back oh

556
00:26:58,420 --> 00:26:55,910
and what am I saying there what I'm

557
00:27:01,300 --> 00:26:58,430
saying is that my extra-special contact

558
00:27:05,110 --> 00:27:01,310
experiences ultimately provided a

559
00:27:08,740 --> 00:27:05,120
context for me to rest and reflect on my

560
00:27:10,480 --> 00:27:08,750
actions and my motivations with respect

561
00:27:13,570 --> 00:27:10,490
to the life that I was living at that I

562
00:27:18,610 --> 00:27:13,580
am living right now and yet what I found

563
00:27:22,810 --> 00:27:18,620

is during these BTW encounters I somehow

564

00:27:25,390 --> 00:27:22,820

had this ability to be transitioned to

565

00:27:30,270 --> 00:27:25,400

this variant Earl if-- where we go when

566

00:27:32,560 --> 00:27:30,280

we die and to be able to again see these

567

00:27:36,100 --> 00:27:32,570

experiences of me both in the past

568

00:27:40,120 --> 00:27:36,110

meaning as a soul reviewing other lives

569

00:27:42,790 --> 00:27:40,130

and also to be benefited by information

570

00:27:45,280 --> 00:27:42,800

that was given to me by my wise counsel

571

00:27:48,460 --> 00:27:45,290

as to the girls of my soul in this

572

00:27:50,440 --> 00:27:48,470

particular life so talk about mind

573

00:27:53,020 --> 00:27:50,450

blowing all of a sudden now I'm

574

00:27:55,530 --> 00:27:53,030

experiencing what others who have

575

00:27:58,810 --> 00:27:55,540

written about the near death experiences

576

00:28:00,490 --> 00:27:58,820

alright and now i'm experiencing that so

577

00:28:02,500 --> 00:28:00,500

it's like one or wait a minute what

578

00:28:05,350 --> 00:28:02,510

aliens have to do with their death

579

00:28:09,400 --> 00:28:05,360

experiences and for what I know today

580

00:28:10,900 --> 00:28:09,410

is that somehow I I was able to enter

581

00:28:12,970 --> 00:28:10,910

this portal and have these

582

00:28:15,100 --> 00:28:12,980

interdimensional experiences but the

583

00:28:18,640 --> 00:28:15,110

experiences that experience did not stop

584

00:28:21,790 --> 00:28:18,650

with being able to perceive and conceive

585

00:28:23,200 --> 00:28:21,800

of these otherworldly beings and the

586

00:28:25,450 --> 00:28:23,210

information that they gave me and the

587

00:28:27,430 --> 00:28:25,460

communications that I had in fact it

588

00:28:31,480 --> 00:28:27,440

went further than that I was able to

589

00:28:35,100 --> 00:28:31,490

access recurring experience it in which

590

00:28:39,790 --> 00:28:35,110

I was in the inter life in which I was

591

00:28:43,020 --> 00:28:39,800

reinter life and so what I gained from

592

00:28:45,039 --> 00:28:43,030

that was this really wonderful

593

00:28:47,499 --> 00:28:45,049

perspective on

594

00:28:50,830 --> 00:28:47,509

what we're doing here as human beings in

595

00:28:53,499 --> 00:28:50,840

this in any given incarnation and how

596

00:28:56,139 --> 00:28:53,509

our goals vary from soul to soul which

597

00:28:59,320 --> 00:28:56,149

is why some of us have interdimensional

598

00:29:02,399 --> 00:28:59,330

experiences and others don't but also

599

00:29:05,320 --> 00:29:02,409

you know what was the overarching

600

00:29:09,100 --> 00:29:05,330

message and power of having that

601
00:29:11,049 --> 00:29:09,110
information so I just it's just

602
00:29:13,779 --> 00:29:11,059
astounding to me still is astounding to

603
00:29:16,539 --> 00:29:13,789
me to be able to have been provided a

604
00:29:19,989 --> 00:29:16,549
vehicle in which it all started to make

605
00:29:23,070 --> 00:29:19,999
sense to me meaning it all serves to

606
00:29:26,080 --> 00:29:23,080
make sense why we have such

607
00:29:29,080 --> 00:29:26,090
opportunities for joy and yet and yet

608
00:29:32,080 --> 00:29:29,090
there's there's experiences of great

609
00:29:33,789 --> 00:29:32,090
sorrow and there's and while we're

610
00:29:35,769 --> 00:29:33,799
sitting while we do the talking miss

611
00:29:38,470 --> 00:29:35,779
talking right now I'm looking at the

612
00:29:40,960 --> 00:29:38,480
Pacific Ocean wow so magnificently

613
00:29:44,919 --> 00:29:40,970

beautiful and where I am sitting is this

614

00:29:47,080 --> 00:29:44,929

is this vast view of the ocean and yet

615

00:29:50,229 --> 00:29:47,090

you know last night I was watching the

616

00:29:52,509 --> 00:29:50,239

children in the ceasefire in Aleppo and

617

00:29:55,479 --> 00:29:52,519

how heartbreaking it is and how did they

618

00:29:57,279 --> 00:29:55,489

get to be there in all that sorrow and I

619

00:30:00,159 --> 00:29:57,289

got to be here have one of the

620

00:30:02,019 --> 00:30:00,169

mechanisms that made all that happen why

621

00:30:04,989 --> 00:30:02,029

did those souls chew that and choose

622

00:30:10,149 --> 00:30:04,999

that and if indeed we have choice and so

623

00:30:12,609 --> 00:30:10,159

this is what became my interest these

624

00:30:15,070 --> 00:30:12,619

are my interest in the later part of my

625

00:30:16,769 --> 00:30:15,080

life which is right now which is having

626

00:30:20,249 --> 00:30:16,779

benefited from all these extraordinary

627

00:30:23,529 --> 00:30:20,259

encounter experiences and yet now i'm

628

00:30:26,830 --> 00:30:23,539

really really interested not in counting

629

00:30:29,950 --> 00:30:26,840

and qualifying and quantifying how many

630

00:30:34,330 --> 00:30:29,960

toes the aliens have or right all right

631

00:30:36,820 --> 00:30:34,340

but what is the right what is behind the

632

00:30:39,519 --> 00:30:36,830

veil of the universe itself what's

633

00:30:42,580 --> 00:30:39,529

important at all yes that's my interest

634

00:30:44,499 --> 00:30:42,590

wow that's that's sort of a that's a

635

00:30:46,389 --> 00:30:44,509

question that if you wish you come up

636

00:30:48,669 --> 00:30:46,399

with the answer to that one your books

637

00:30:52,539 --> 00:30:48,679

will be going off the shelf but you

638

00:30:57,369 --> 00:30:52,549

don't you speak of this inter life oh is

639

00:30:58,540 --> 00:30:57,379

that sort of is there something when you

640

00:31:00,640 --> 00:30:58,550

say enter I

641

00:31:03,100 --> 00:31:00,650

I imagine this life obviously that we're

642

00:31:05,440 --> 00:31:03,110

experiencing then there's the inter and

643

00:31:07,870 --> 00:31:05,450

what's beyond that is there another

644

00:31:11,770 --> 00:31:07,880

plane of existence so that the in thing

645

00:31:14,800 --> 00:31:11,780

between them are in the afterlife no

646

00:31:16,600 --> 00:31:14,810

just the other cookie yeah do we might

647

00:31:17,890 --> 00:31:16,610

call the interlaces to call of it

648

00:31:20,170 --> 00:31:17,900

there's going to be another life

649

00:31:23,500 --> 00:31:20,180

there'll be long so it's in between

650

00:31:27,190 --> 00:31:23,510

lives okay the afterlife where we're

651
00:31:29,620 --> 00:31:27,200
going we die weird fairies not dying you

652
00:31:32,350 --> 00:31:29,630
know the soul hasn't died and so you

653
00:31:34,780 --> 00:31:32,360
know here we go so it's getting very

654
00:31:37,150 --> 00:31:34,790
strange even to me today that Here I am

655
00:31:39,340 --> 00:31:37,160
having had extra social contact

656
00:31:41,590 --> 00:31:39,350
experiences but now I'm teaching and

657
00:31:44,290 --> 00:31:41,600
talking about what happens in the

658
00:31:47,920 --> 00:31:44,300
afterlife and how that all came together

659
00:31:50,260 --> 00:31:47,930
is surprising and extraordinary that I

660
00:31:52,300 --> 00:31:50,270
wouldn't have it any other way because

661
00:31:55,270 --> 00:31:52,310
to know what's happening in the

662
00:31:58,150 --> 00:31:55,280
afterlife it makes us able to know

663
00:32:00,340 --> 00:31:58,160

what's happening to us right now but I

664

00:32:02,170 --> 00:32:00,350

think you are almost not supposed to

665

00:32:05,860 --> 00:32:02,180

know right i mean because if you did

666

00:32:08,140 --> 00:32:05,870

know like oh well i'm just here for 85

667

00:32:10,450 --> 00:32:08,150

90 years and this and this will happen

668

00:32:12,940 --> 00:32:10,460

and i'll learn my lesson they'll go back

669

00:32:15,700 --> 00:32:12,950

and so it's all just a lesson learning

670

00:32:17,860 --> 00:32:15,710

thing if you don't know that there's an

671

00:32:20,850 --> 00:32:17,870

afterlife this becomes a lot more real

672

00:32:24,280 --> 00:32:20,860

and a lot the suffering and the

673

00:32:25,990 --> 00:32:24,290

happiness becomes a lot more real so i

674

00:32:28,060 --> 00:32:26,000

think we're actually not supposed to

675

00:32:29,920 --> 00:32:28,070

know that's just my opinion obviously i

676

00:32:37,530 --> 00:32:29,930

mean it's not based on anything of this

677

00:32:40,840 --> 00:32:37,540

net I agree okay from what I understand

678

00:32:42,730 --> 00:32:40,850

is that people individuals who need to

679

00:32:44,110 --> 00:32:42,740

know further for the sake of their own

680

00:32:46,600 --> 00:32:44,120

growth and where they are at the hot

681

00:32:48,010 --> 00:32:46,610

okay they will be drawn to the material

682

00:32:49,960 --> 00:32:48,020

because there's something very important

683

00:32:52,390 --> 00:32:49,970

that they're wanting to know and it will

684

00:32:55,600 --> 00:32:52,400

help them move to the next level of the

685

00:32:58,150 --> 00:32:55,610

growth you know conversely people who

686

00:33:00,220 --> 00:32:58,160

deny those experiences deny that there's

687

00:33:02,650 --> 00:33:00,230

an afterlife deny that there's anything

688

00:33:04,090 --> 00:33:02,660

else are going to place of their own

689

00:33:06,760 --> 00:33:04,100

girls where they're definitely not

690

00:33:10,270 --> 00:33:06,770

supposed to know we may that may change

691

00:33:11,700 --> 00:33:10,280

but he helps also have more patience and

692

00:33:15,120 --> 00:33:11,710

compassion for people

693

00:33:18,269 --> 00:33:15,130

were absolutely close-minded they're

694

00:33:20,789 --> 00:33:18,279

working on other things and really you

695

00:33:24,149 --> 00:33:20,799

know it's kind of like we don't expose

696

00:33:27,690 --> 00:33:24,159

our kindergartners to sophisticated

697

00:33:29,820 --> 00:33:27,700

concepts of anatomy sexuality and

698

00:33:32,010 --> 00:33:29,830

mathematics because they're just working

699

00:33:34,409 --> 00:33:32,020

on you know they're in the early stages

700

00:33:37,409 --> 00:33:34,419

of their program during the early stages

701
00:33:41,010 --> 00:33:37,419
of their development they may be may be

702
00:33:44,810 --> 00:33:41,020
their first 10 or 15 incarnations let

703
00:33:48,450 --> 00:33:44,820
alone their first five right verified

704
00:33:51,090 --> 00:33:48,460
what would necessarily keep them focused

705
00:33:52,590 --> 00:33:51,100
on just what they're doing and so they

706
00:33:54,720 --> 00:33:52,600
may be completely close to that and

707
00:33:56,639 --> 00:33:54,730
their guides want it that way so for

708
00:33:59,430 --> 00:33:56,649
example if somebody who's in their early

709
00:34:00,690 --> 00:33:59,440
stages of the development or even in the

710
00:34:02,279 --> 00:34:00,700
late eighties in their development and

711
00:34:04,130 --> 00:34:02,289
that's another I'll talk about that in a

712
00:34:06,750 --> 00:34:04,140
second there let's just say they go to

713
00:34:09,180 --> 00:34:06,760

psychotherapy and they want to be

714

00:34:11,159 --> 00:34:09,190

regressed so that they can access are

715

00:34:13,260 --> 00:34:11,169

there other lives and what's happening

716

00:34:15,470 --> 00:34:13,270

in the afterlife and let's just say they

717

00:34:18,060 --> 00:34:15,480

do that and they just get nothing

718

00:34:20,220 --> 00:34:18,070

there's no information because they're

719

00:34:22,980 --> 00:34:20,230

for whatever reason they're mine is

720

00:34:24,599 --> 00:34:22,990

close to that some experience it doesn't

721

00:34:27,030 --> 00:34:24,609

mean that there isn't that there are

722

00:34:28,919 --> 00:34:27,040

none doesn't mean that there may be have

723

00:34:31,169 --> 00:34:28,929

been no other lies it doesn't mean that

724

00:34:33,359 --> 00:34:31,179

there is no you know spiritual guidance

725

00:34:35,879 --> 00:34:33,369

or that there's no afterlife it just

726

00:34:38,419 --> 00:34:35,889

means that they for their own particular

727

00:34:41,520 --> 00:34:38,429

reasons they've been tested on certain

728

00:34:43,889 --> 00:34:41,530

abilities right now and it's important

729

00:34:46,530 --> 00:34:43,899

that they not that they're not aware

730

00:34:48,680 --> 00:34:46,540

that there's a council of liars elders

731

00:34:51,060 --> 00:34:48,690

you know looking over their shoulder

732

00:34:54,930 --> 00:34:51,070

evaluating what they're going to do next

733

00:34:57,870 --> 00:34:54,940

so it's like this amnesia we and you're

734

00:35:01,170 --> 00:34:57,880

right I in might my opinion we do agree

735

00:35:04,650 --> 00:35:01,180

to forget we do it but then some of us

736

00:35:06,240 --> 00:35:04,660

have these other experiences and then we

737

00:35:09,060 --> 00:35:06,250

talk about them and then those people

738

00:35:11,670 --> 00:35:09,070

who are looking on a certain area in a

739

00:35:14,310 --> 00:35:11,680

life in which they wanting certain

740

00:35:16,920 --> 00:35:14,320

memories job for the sake of their own

741

00:35:19,200 --> 00:35:16,930

growth they will be drawn to those radio

742

00:35:20,910 --> 00:35:19,210

interviews or those books that start to

743

00:35:22,920 --> 00:35:20,920

open them up because of what they're

744

00:35:24,400 --> 00:35:22,930

working on so it's kind of interesting

745

00:35:27,510 --> 00:35:24,410

there is this

746

00:35:32,980 --> 00:35:27,520

a crazy perfection of timing in timing

747

00:35:34,359 --> 00:35:32,990

as far as opening to other realities you

748

00:35:37,109 --> 00:35:34,369

know there's a right time for it and

749

00:35:40,210 --> 00:35:37,119

then there's also a time where it's not

750

00:35:43,240 --> 00:35:40,220

necessary for our growth such as you

751

00:35:44,740 --> 00:35:43,250

know the example of a kindergartner

752

00:35:46,960 --> 00:35:44,750

first grade we're not going to bombard

753

00:35:49,510 --> 00:35:46,970

them with serious subjects until they're

754

00:35:53,170 --> 00:35:49,520

ready for that they're still learning to

755

00:35:56,460 --> 00:35:53,180

share their cannons they are but you

756

00:35:58,690 --> 00:35:56,470

know on these aliens that you have

757

00:36:01,029 --> 00:35:58,700

discovered her than have communicated

758

00:36:03,130 --> 00:36:01,039

with you now are they forever in the

759

00:36:07,150 --> 00:36:03,140

afterlife as a sort of like guides or do

760

00:36:09,579 --> 00:36:07,160

they get reincarnated into forever my

761

00:36:11,819 --> 00:36:09,589

understanding is that all beings go

762

00:36:14,589 --> 00:36:11,829

through incarnation experiences because

763

00:36:17,789 --> 00:36:14,599

right it just is interested from my

764

00:36:22,020 --> 00:36:17,799

understanding and I talking about

765

00:36:25,120 --> 00:36:22,030

physical existences and then universally

766

00:36:27,760 --> 00:36:25,130

once we reach a certain level of

767

00:36:31,870 --> 00:36:27,770

attainment then we stopped needing to

768

00:36:35,140 --> 00:36:31,880

incarnate into a physical body and that

769

00:36:37,180 --> 00:36:35,150

goes along with certain places like

770

00:36:39,490 --> 00:36:37,190

planet Earth either we the parent body

771

00:36:42,609 --> 00:36:39,500

lives you know anywhere depending up

772

00:36:45,700 --> 00:36:42,619

until about a hundred if given certain

773

00:36:48,579 --> 00:36:45,710

factors and I'm aware that there are

774

00:36:50,859 --> 00:36:48,589

other existences physical existences

775

00:36:53,859 --> 00:36:50,869

where beings can live longer than that

776
00:36:56,260 --> 00:36:53,869
very much shorter than that some beings

777
00:36:59,920 --> 00:36:56,270
may incarnate in their early existences

778
00:37:02,589 --> 00:36:59,930
on planets in which they have different

779
00:37:07,450 --> 00:37:02,599
abilities they might be flying beings

780
00:37:10,539 --> 00:37:07,460
but with a conscious mind and they're an

781
00:37:14,430 --> 00:37:10,549
intelligent species and yet that cycle

782
00:37:17,380 --> 00:37:14,440
of life might be only you know a year so

783
00:37:20,289 --> 00:37:17,390
depends what that show is working on and

784
00:37:22,900 --> 00:37:20,299
where it is incarnated yes look at

785
00:37:26,559 --> 00:37:22,910
damselflies alright they live all just

786
00:37:30,130 --> 00:37:26,569
overnight mm-hmm so it's it's totally

787
00:37:33,519 --> 00:37:30,140
within the scope of even the biology

788
00:37:36,760 --> 00:37:33,529

that we know here on earth what about

789

00:37:37,870 --> 00:37:36,770

animals are just curious yes what is the

790

00:37:41,320 --> 00:37:37,880

feelings

791

00:37:45,070 --> 00:37:41,330

our I mean I I'll tell you I think my

792

00:37:48,130 --> 00:37:45,080

dog is nicer than a lot of people so but

793

00:37:50,200 --> 00:37:48,140

is that considered a solar is there a

794

00:37:54,670 --> 00:37:50,210

certain level of intelligence that's

795

00:37:57,730 --> 00:37:54,680

required my understanding is that yes

796

00:38:01,750 --> 00:37:57,740

there that all living beings have holes

797

00:38:05,980 --> 00:38:01,760

made different aspect the way that we

798

00:38:09,730 --> 00:38:05,990

know the soul the kind of the transition

799

00:38:12,970 --> 00:38:09,740

of souls moving towards attainment it

800

00:38:17,230 --> 00:38:12,980

may be slightly different but beings

801
00:38:22,840 --> 00:38:17,240
have some kind of soul and where they go

802
00:38:24,910 --> 00:38:22,850
after death may not be with us as humans

803
00:38:28,090 --> 00:38:24,920
but it doesn't mean that we're not able

804
00:38:30,880 --> 00:38:28,100
to experience them again so for my

805
00:38:34,990 --> 00:38:30,890
understanding even after death were able

806
00:38:37,000 --> 00:38:35,000
to still have encounters with those

807
00:38:40,960 --> 00:38:37,010
animals the full of animals that we

808
00:38:42,880 --> 00:38:40,970
loved I see I just want to discuss

809
00:38:46,240 --> 00:38:42,890
briefly with you a one of the

810
00:38:50,320 --> 00:38:46,250
experiences towards the end of above and

811
00:38:53,830 --> 00:38:50,330
beyond which was it was an experience

812
00:38:58,630 --> 00:38:53,840
where you were obtained aboard I craft

813
00:39:03,070 --> 00:38:58,640

and you saw something that was more

814

00:39:07,090 --> 00:39:03,080

typical of the abductees of experience

815

00:39:10,330 --> 00:39:07,100

in other words there were hybrids there

816

00:39:15,490 --> 00:39:10,340

and there were animals that were frozen

817

00:39:16,900 --> 00:39:15,500

in in the inside of the vehicle do you

818

00:39:18,550 --> 00:39:16,910

want to speak to that a minute because I

819

00:39:21,450 --> 00:39:18,560

thought that was very interesting and

820

00:39:25,150 --> 00:39:21,460

kind of explained some of the hybrid

821

00:39:27,700 --> 00:39:25,160

some of the abductees experienced with

822

00:39:29,920 --> 00:39:27,710

the thoughts about hybrids and so forth

823

00:39:32,050 --> 00:39:29,930

and I thought that that part was very

824

00:39:34,270 --> 00:39:32,060

very interesting and might be of great

825

00:39:38,500 --> 00:39:34,280

interest to our listeners who were many

826
00:39:41,590 --> 00:39:38,510
of whom are drawn to the UFO Southern

827
00:39:43,930 --> 00:39:41,600
culture but even before yes that before

828
00:39:45,880 --> 00:39:43,940
you answer we should tell our listening

829
00:39:48,730 --> 00:39:45,890
audience with this is Lysette Larkins

830
00:39:51,790 --> 00:39:48,740
yes and and the author of a book above

831
00:39:54,970 --> 00:39:51,800
and beyond talking to extraterrestrials

832
00:39:58,120 --> 00:39:54,980
and difficult people and to others

833
00:40:01,450 --> 00:39:58,130
listening to extraterrestrials and yeah

834
00:40:03,760 --> 00:40:01,460
what was that that's one can oh that was

835
00:40:06,850 --> 00:40:03,770
that we're going to have to ask you yes

836
00:40:08,740 --> 00:40:06,860
I i I'm sorry we'll have to but really

837
00:40:10,810 --> 00:40:08,750
this is what set Larkins is certain I'm

838
00:40:12,730 --> 00:40:10,820

sure you're on the internet and go out

839

00:40:15,550 --> 00:40:12,740

and get those books because they are

840

00:40:18,600 --> 00:40:15,560

really eye-opening yeah and in this

841

00:40:20,980 --> 00:40:18,610

short period of time you cannot really

842

00:40:23,440 --> 00:40:20,990

download the entire lifetime of

843

00:40:28,270 --> 00:40:23,450

experiences of course not that's why God

844

00:40:30,580 --> 00:40:28,280

invented books yes right you know I at

845

00:40:33,160 --> 00:40:30,590

this point in my life and because of all

846

00:40:36,280 --> 00:40:33,170

the kind of various and strange

847

00:40:39,250 --> 00:40:36,290

experiences that I've had you know I

848

00:40:42,280 --> 00:40:39,260

don't think you can kind of load one

849

00:40:44,620 --> 00:40:42,290

experience and then call that one good

850

00:40:46,300 --> 00:40:44,630

and the other one evil so I know what

851
00:40:50,530 --> 00:40:46,310
you're talking about though you're

852
00:40:52,360 --> 00:40:50,540
asking about you know typical to the UFO

853
00:40:54,730 --> 00:40:52,370
abduction model there are cattle

854
00:40:56,170 --> 00:40:54,740
mutilations for instance and so what

855
00:40:58,240 --> 00:40:56,180
does that mean for someone like me who

856
00:41:00,220 --> 00:40:58,250
is saying I don't feel that I was

857
00:41:03,460 --> 00:41:00,230
kidnapped abducted I don't feel these

858
00:41:06,400 --> 00:41:03,470
were evil aliens and yet I saw what you

859
00:41:08,650 --> 00:41:06,410
might consider to be livestock typical

860
00:41:11,320 --> 00:41:08,660
to the others reports of cattle

861
00:41:13,690 --> 00:41:11,330
mutilations well in my case first of all

862
00:41:15,880 --> 00:41:13,700
you know there are lots of places to

863
00:41:18,910 --> 00:41:15,890

incarnate other planets that have

864

00:41:21,490 --> 00:41:18,920

animals that look very much like the

865

00:41:23,950 --> 00:41:21,500

animals that we know here so it doesn't

866

00:41:26,560 --> 00:41:23,960

mean that just because we see a cow that

867

00:41:27,790 --> 00:41:26,570

we're on and we're having some

868

00:41:29,860 --> 00:41:27,800

perceptions of an interdimensional

869

00:41:31,120 --> 00:41:29,870

experience it doesn't necessarily mean

870

00:41:33,070 --> 00:41:31,130

that were you know that we're on

871

00:41:37,810 --> 00:41:33,080

calendars and aliens have come here and

872

00:41:39,670 --> 00:41:37,820

somehow harmed a cow here there is if

873

00:41:41,260 --> 00:41:39,680

there is a bleed-through and there can

874

00:41:42,760 --> 00:41:41,270

be with people who were expression

875

00:41:46,180 --> 00:41:42,770

experiencing interdimensional

876

00:41:49,000 --> 00:41:46,190

experiences if there is a mystery is and

877

00:41:51,970 --> 00:41:49,010

can be ably through in which are either

878

00:41:53,290 --> 00:41:51,980

experiencing past lives of ourselves in

879

00:41:55,780 --> 00:41:53,300

different living and different

880

00:41:59,980 --> 00:41:55,790

dimensions in other physical locations

881

00:42:02,500 --> 00:41:59,990

or concurrent experiences we can

882

00:42:04,970 --> 00:42:02,510

obviously experience and witness and see

883

00:42:08,960 --> 00:42:04,980

all kinds of creatures

884

00:42:13,070 --> 00:42:08,970

big and small human human like humanoid

885

00:42:15,800 --> 00:42:13,080

like and animal like and in my case I

886

00:42:17,540 --> 00:42:15,810

witnessed these these animals that look

887

00:42:19,370 --> 00:42:17,550

like the cows that we have here in the

888

00:42:21,410 --> 00:42:19,380

sheep that we have here but there were

889

00:42:24,380 --> 00:42:21,420

some startling differences and those

890

00:42:26,660 --> 00:42:24,390

differences were met were that their

891

00:42:30,320 --> 00:42:26,670

coat or there's the sheep's what do you

892

00:42:33,410 --> 00:42:30,330

call it their hair but it was

893

00:42:36,290 --> 00:42:33,420

extraordinary beautiful I mean it was

894

00:42:39,530 --> 00:42:36,300

extremely long and luxurious and I was

895

00:42:41,900 --> 00:42:39,540

struck by this so I can't say exactly

896

00:42:44,450 --> 00:42:41,910

where I was and what kind of experience

897

00:42:47,660 --> 00:42:44,460

I was having but I did notice that they

898

00:42:51,200 --> 00:42:47,670

couldn't move but whether they regarded

899

00:42:55,250 --> 00:42:51,210

they're alive they I felt that they were

900

00:42:58,010 --> 00:42:55,260

they had they had been um they were

901
00:42:59,930 --> 00:42:58,020
surrounded by this / fading light so

902
00:43:02,900 --> 00:42:59,940
it's possible that we're not even dead

903
00:43:05,060 --> 00:43:02,910
they were just there and I was amazed

904
00:43:06,920 --> 00:43:05,070
that you know what they were there

905
00:43:08,900 --> 00:43:06,930
because I was clearly having this

906
00:43:12,710 --> 00:43:08,910
interdimensional experience and I was

907
00:43:15,620 --> 00:43:12,720
seeing v's you know four foot tall this

908
00:43:17,990 --> 00:43:15,630
little grey alien head as we described

909
00:43:20,570 --> 00:43:18,000
them this inversed pear shaped head with

910
00:43:22,730 --> 00:43:20,580
the large black wraparound eyes and yet

911
00:43:25,609 --> 00:43:22,740
so there were cows they were aliens and

912
00:43:27,650 --> 00:43:25,619
yet you know what if something else is

913
00:43:30,230 --> 00:43:27,660

happening other than somebody's

914

00:43:31,880 --> 00:43:30,240

suggesting that the aliens have scooped

915

00:43:33,980 --> 00:43:31,890

up the cows and their mutilating the men

916

00:43:36,530 --> 00:43:33,990

there you know capture harvesting of

917

00:43:40,310 --> 00:43:36,540

body parts for some reason so I didn't

918

00:43:42,380 --> 00:43:40,320

see that I only saw other animals that I

919

00:43:46,940 --> 00:43:42,390

recognized on planet earth in the

920

00:43:48,730 --> 00:43:46,950

vicinity of these alien beings and from

921

00:43:52,670 --> 00:43:48,740

all that I have seen in all that I know

922

00:43:56,410 --> 00:43:52,680

now I'm more kind of visually aware of

923

00:44:00,020 --> 00:43:56,420

how many extraordinary extraordinarily

924

00:44:02,390 --> 00:44:00,030

large number of potential types of

925

00:44:06,380 --> 00:44:02,400

incarnation experiences that are open

926

00:44:09,859 --> 00:44:06,390

the whole that's that's lovely that's a

927

00:44:12,490 --> 00:44:09,869

very very nice way of putting it I also

928

00:44:16,550 --> 00:44:12,500

recall that you had mentioned that of

929

00:44:18,950 --> 00:44:16,560

the the others the visitors if you will

930

00:44:21,500 --> 00:44:18,960

had expressed to you that

931

00:44:23,960 --> 00:44:21,510

at all reproduction did not have to be

932

00:44:27,290 --> 00:44:23,970

through if you'll forgive the term

933

00:44:31,400 --> 00:44:27,300

carnal knowledge and that that there was

934

00:44:33,920 --> 00:44:31,410

there were sort of hybrid children that

935

00:44:36,109 --> 00:44:33,930

they kept up there I don't know where

936

00:44:39,079 --> 00:44:36,119

there is I we've gone through that so

937

00:44:41,839 --> 00:44:39,089

there's no need to you know speak to

938

00:44:46,630 --> 00:44:41,849

wear what there is there but that you

939

00:44:49,790 --> 00:44:46,640

you encountered of hybrid children and

940

00:44:53,960 --> 00:44:49,800

also that they had mentioned to you that

941

00:44:57,620 --> 00:44:53,970

they were keeping these children in case

942

00:45:00,920 --> 00:44:57,630

it was necessary to restock a planet

943

00:45:03,200 --> 00:45:00,930

with humans because humans may be doing

944

00:45:06,980 --> 00:45:03,210

something negative to the planet so

945

00:45:08,599 --> 00:45:06,990

there we come close to the the I'm

946

00:45:11,630 --> 00:45:08,609

forgetting to what they're called the

947

00:45:14,240 --> 00:45:11,640

50s people contact you to contact these

948

00:45:15,890 --> 00:45:14,250

what the contact he's the message that

949

00:45:19,190 --> 00:45:15,900

the contact these were always getting

950

00:45:21,410 --> 00:45:19,200

was that humans were destroying the

951

00:45:23,210 --> 00:45:21,420

earth and needed to be much more careful

952

00:45:26,630 --> 00:45:23,220

which I'd have to agree with that

953

00:45:29,089 --> 00:45:26,640

general concept but perhaps you bet but

954

00:45:30,920 --> 00:45:29,099

your your friends they said that that

955

00:45:34,099 --> 00:45:30,930

things we're not going to be ending

956

00:45:36,520 --> 00:45:34,109

shortly on earth so maybe you could

957

00:45:41,140 --> 00:45:36,530

speak to those two ideas a little bit

958

00:45:45,620 --> 00:45:41,150

you know if I love it when we try to

959

00:45:49,339 --> 00:45:45,630

clarify and classify a phenomena that is

960

00:45:51,290 --> 00:45:49,349

incomprehensible on earth I mean these

961

00:45:53,240 --> 00:45:51,300

are these are incomprehensible in many

962

00:45:56,570 --> 00:45:53,250

ways and they were even as I was

963

00:45:58,790 --> 00:45:56,580

experiencing them and so there's this

964

00:46:03,109 --> 00:45:58,800

really there's no short there's no

965

00:46:06,770 --> 00:46:03,119

shortage of experiential possibilities

966

00:46:09,260 --> 00:46:06,780

and having had these well near-death

967

00:46:11,720 --> 00:46:09,270

experiences without having died how they

968

00:46:14,720 --> 00:46:11,730

had these afterlife or inter life

969

00:46:19,849 --> 00:46:14,730

experiences without having lost my

970

00:46:23,960 --> 00:46:19,859

current body and having been introduced

971

00:46:27,770 --> 00:46:23,970

to in consciousness my kind of council

972

00:46:30,490 --> 00:46:27,780

of elders and my guys you know the soul

973

00:46:33,670 --> 00:46:30,500

it's just

974

00:46:37,030 --> 00:46:33,680

the opportunities for growth are there

975

00:46:39,100 --> 00:46:37,040

just abundant so usually from my

976
00:46:41,500 --> 00:46:39,110
understand is when a cell is rated for

977
00:46:44,470 --> 00:46:41,510
developing on earth they continue to

978
00:46:47,020 --> 00:46:44,480
come to earth but there are many souls

979
00:46:49,660 --> 00:46:47,030
particularly experiencers who didn't

980
00:46:51,460 --> 00:46:49,670
start on earth they started someplace

981
00:46:54,790 --> 00:46:51,470
else and in those dimensional

982
00:46:56,290 --> 00:46:54,800
experiences we you know moved in other

983
00:46:59,020 --> 00:46:56,300
observations there have been other

984
00:47:01,330 --> 00:46:59,030
beings in which other experiences in

985
00:47:03,280 --> 00:47:01,340
which different kinds of beings are

986
00:47:05,980 --> 00:47:03,290
creating different kinds of offspring

987
00:47:09,280 --> 00:47:05,990
and then when we retain those memories

988
00:47:11,230 --> 00:47:09,290

it also speaks to having experiences in

989

00:47:13,270 --> 00:47:11,240

which we're witnessing something in an

990

00:47:15,940 --> 00:47:13,280

interdimensional experience and yet we

991

00:47:18,880 --> 00:47:15,950

can't quite grasp how we're experiencing

992

00:47:20,050 --> 00:47:18,890

it how we're witnessing it and so you

993

00:47:22,390 --> 00:47:20,060

know it's through the human mind

994

00:47:26,110 --> 00:47:22,400

speaking right now that we're attempting

995

00:47:31,720 --> 00:47:26,120

to classify it and clarify these things

996

00:47:35,020 --> 00:47:31,730

and yet there's this kind of perfected

997

00:47:38,350 --> 00:47:35,030

an extraordinary perfection to the

998

00:47:41,440 --> 00:47:38,360

process of spiritual attainment of souls

999

00:47:44,940 --> 00:47:41,450

and what I what I learned was that

1000

00:47:49,120 --> 00:47:44,950

process happens for better or for worse

1001
00:47:54,010 --> 00:47:49,130
through the unfolding of experiencing

1002
00:47:57,070 --> 00:47:54,020
wrong doing wrong so wrong doing ah you

1003
00:48:00,460 --> 00:47:57,080
know and it doesn't necessarily mean

1004
00:48:02,500 --> 00:48:00,470
that there's quote bad karma it means

1005
00:48:06,100 --> 00:48:02,510
that it is through all of different

1006
00:48:08,260 --> 00:48:06,110
kinds of wrong doings in all of its

1007
00:48:10,540 --> 00:48:08,270
manifestations and sometimes you can

1008
00:48:13,510 --> 00:48:10,550
quote that you know in other words is

1009
00:48:16,480 --> 00:48:13,520
there wrongdoing if a child is born into

1010
00:48:17,950 --> 00:48:16,490
a body that has no legs and arms and we

1011
00:48:19,270 --> 00:48:17,960
know of human beings is that is

1012
00:48:21,460 --> 00:48:19,280
happening he chews them on the covers of

1013
00:48:23,530 --> 00:48:21,470

books and I you know I've heard of one

1014

00:48:25,530 --> 00:48:23,540

particular gentleman and he's like a

1015

00:48:27,940 --> 00:48:25,540

best-selling author and it's absolutely

1016

00:48:31,750 --> 00:48:27,950

phenomenal what he's accomplished and

1017

00:48:33,910 --> 00:48:31,760

what he speaks it out but when we see or

1018

00:48:36,160 --> 00:48:33,920

hear experiences like that we say she

1019

00:48:40,150 --> 00:48:36,170

you know how does this person survive

1020

00:48:41,740 --> 00:48:40,160

that so the ways that we experience

1021

00:48:45,760 --> 00:48:41,750

wrongdoing all

1022

00:48:50,770 --> 00:48:45,770

these necessarily eventually shape to

1023

00:48:53,590 --> 00:48:50,780

the soul now how long that takes and the

1024

00:48:59,650 --> 00:48:53,600

and the method that that soul goes

1025

00:49:03,280 --> 00:48:59,660

through in order to overcome all kind of

1026

00:49:05,320 --> 00:49:03,290

difficulties so all if we just had a

1027

00:49:08,110 --> 00:49:05,330

wonderful life with absolutely no

1028

00:49:12,550 --> 00:49:08,120

downside at all there's nothing to be

1029

00:49:14,860 --> 00:49:12,560

learned from it well I however it does

1030

00:49:17,020 --> 00:49:14,870

sounds for a nice I mean yes well I

1031

00:49:19,300 --> 00:49:17,030

always say that when I come back I'd

1032

00:49:22,450 --> 00:49:19,310

love to go to the giant pillow planet

1033

00:49:24,430 --> 00:49:22,460

with lots of furry pink kitten oh yeah

1034

00:49:26,620 --> 00:49:24,440

but I know that's not going to help my

1035

00:49:28,090 --> 00:49:26,630

growth experience too much Ethel aren't

1036

00:49:30,430 --> 00:49:28,100

about but that's an excellent point

1037

00:49:32,620 --> 00:49:30,440

though and it does make clear a lot of

1038

00:49:35,110 --> 00:49:32,630

things as as you said like why should

1039

00:49:37,960 --> 00:49:35,120

some soldiers to come back in a war-torn

1040

00:49:40,210 --> 00:49:37,970

country as opposed to someone that would

1041

00:49:41,980 --> 00:49:40,220

come to a country where there was lots

1042

00:49:44,170 --> 00:49:41,990

of leisure and ability to learn and

1043

00:49:47,350 --> 00:49:44,180

content meditate and think about things

1044

00:49:50,440 --> 00:49:47,360

so yeah that makes perfect sense it

1045

00:49:52,720 --> 00:49:50,450

really does in our we have a you know

1046

00:49:56,260 --> 00:49:52,730

like sort of one segment left here

1047

00:49:58,750 --> 00:49:56,270

available for us to talk to and I i

1048

00:50:02,500 --> 00:49:58,760

would like to give you an opportunity to

1049

00:50:05,440 --> 00:50:02,510

talk a little bit about what one of the

1050

00:50:08,830 --> 00:50:05,450

main lessons you apparently learned is

1051
00:50:11,080 --> 00:50:08,840
certainly exposed quite well in your

1052
00:50:13,510 --> 00:50:11,090
book difficult people a gateway to

1053
00:50:16,420 --> 00:50:13,520
enlightenment so this was one of I

1054
00:50:19,960 --> 00:50:16,430
believe you would say your major lessons

1055
00:50:22,720 --> 00:50:19,970
from from your experiences so difficult

1056
00:50:24,970 --> 00:50:22,730
people a gateway to enlightenment one of

1057
00:50:27,130 --> 00:50:24,980
one of your books one of your later

1058
00:50:29,560 --> 00:50:27,140
books I don't know which comes last

1059
00:50:31,360 --> 00:50:29,570
above and beyond or difficult people but

1060
00:50:33,910 --> 00:50:31,370
could you speak a little bit about the

1061
00:50:36,970 --> 00:50:33,920
the lessons you learned that brought you

1062
00:50:39,670 --> 00:50:36,980
to difficult people yes it was the place

1063
00:50:43,540 --> 00:50:39,680

where i was in my growth from what I now

1064

00:50:46,780 --> 00:50:43,550

understand of caring for a woman with

1065

00:50:48,550 --> 00:50:46,790

Alzheimer's disease and caring for her

1066

00:50:51,040 --> 00:50:48,560

through the end of her life was so

1067

00:50:52,510 --> 00:50:51,050

challenging and so difficult that I you

1068

00:50:54,940 --> 00:50:52,520

know that I had called

1069

00:50:56,470 --> 00:50:54,950

the experience to myself because at the

1070

00:50:58,450 --> 00:50:56,480

time I was actually looking for

1071

00:51:00,790 --> 00:50:58,460

spiritual teacher interestingly enough I

1072

00:51:03,070 --> 00:51:00,800

was ready to you know move to India or

1073

00:51:04,810 --> 00:51:03,080

live in an ashram or go to some place

1074

00:51:07,780 --> 00:51:04,820

where you know you had to kind of

1075

00:51:11,320 --> 00:51:07,790

meditate and not talk for for a month

1076
00:51:14,920 --> 00:51:11,330
and interestingly in me my prayers were

1077
00:51:17,490 --> 00:51:14,930
so you know deeply felt and I was also

1078
00:51:20,260 --> 00:51:17,500
longing to really kind of develop myself

1079
00:51:23,650 --> 00:51:20,270
next thing I knew I was I had a job

1080
00:51:26,350 --> 00:51:23,660
caring for a very difficult one and what

1081
00:51:29,260 --> 00:51:26,360
I found was it that was more potentially

1082
00:51:31,330 --> 00:51:29,270
enlightening than any any possible

1083
00:51:33,970 --> 00:51:31,340
awesome I could have gone to and you

1084
00:51:35,770 --> 00:51:33,980
know and kind of sequestered myself away

1085
00:51:39,070 --> 00:51:35,780
from the brewery and concerns of the

1086
00:51:43,450 --> 00:51:39,080
world and so in my experience I became

1087
00:51:45,760 --> 00:51:43,460
so aware of the goals of my soul and I

1088
00:51:49,270 --> 00:51:45,770

think that this is available for all of

1089

00:51:51,700 --> 00:51:49,280

us as we kind of behold really

1090

00:51:54,160 --> 00:51:51,710

challenging circumstances if we can step

1091

00:51:56,080 --> 00:51:54,170

back enough to see what the soul of

1092

00:51:58,300 --> 00:51:56,090

ourselves is up to what the goals of the

1093

00:52:00,880 --> 00:51:58,310

soul are up to what we're trying to

1094

00:52:04,230 --> 00:52:00,890

learn then we recognize that not only it

1095

00:52:07,870 --> 00:52:04,240

is is it incumbent upon us to face our

1096

00:52:11,980 --> 00:52:07,880

struggles with courage and dignity and

1097

00:52:13,840 --> 00:52:11,990

and kind of enthusiasm but that to bail

1098

00:52:17,620 --> 00:52:13,850

out of it whether it's through suicide

1099

00:52:21,790 --> 00:52:17,630

or using you know drugs or alcohol or

1100

00:52:23,680 --> 00:52:21,800

substances in order to numb ourselves we

1101
00:52:26,050 --> 00:52:23,690
really are selling ourselves short and

1102
00:52:30,820 --> 00:52:26,060
and by the way that's one of the reasons

1103
00:52:33,520 --> 00:52:30,830
why certain certain Souls do have the

1104
00:52:35,380 --> 00:52:33,530
amnesia listed and why we may be seeing

1105
00:52:38,080 --> 00:52:35,390
more of that on the on the planet where

1106
00:52:41,560 --> 00:52:38,090
the amnesia is listing more a little bit

1107
00:52:43,780 --> 00:52:41,570
more you know globally to some degree

1108
00:52:46,510 --> 00:52:43,790
because when you're talking about a

1109
00:52:49,480 --> 00:52:46,520
world population that is numbed out from

1110
00:52:52,870 --> 00:52:49,490
either pharmaceutical drugs alcohol or

1111
00:52:54,610 --> 00:52:52,880
or or any other substance when you're

1112
00:52:56,320 --> 00:52:54,620
talking about a greater and greater

1113
00:53:00,190 --> 00:52:56,330

percentage of the world population that

1114

00:53:02,740 --> 00:53:00,200

are numbed out maybe those individuals

1115

00:53:04,900 --> 00:53:02,750

become stuck in their growth and when it

1116

00:53:06,390 --> 00:53:04,910

becomes so significant you know the

1117

00:53:08,460 --> 00:53:06,400

spiritual realm see

1118

00:53:11,069 --> 00:53:08,470

that and it's important that is a

1119

00:53:14,430 --> 00:53:11,079

species we move forward in our growth

1120

00:53:15,870 --> 00:53:14,440

because it's true planet Earth is one of

1121

00:53:18,599 --> 00:53:15,880

the most difficult if not the most

1122

00:53:20,670 --> 00:53:18,609

difficult places to incarnate because

1123

00:53:23,609 --> 00:53:20,680

it's a it's a it's a planet of duality

1124

00:53:25,890 --> 00:53:23,619

meaning not the typical duality that

1125

00:53:29,880 --> 00:53:25,900

we're speaking about in you know in

1126
00:53:32,849 --> 00:53:29,890
eastern thought but rather we have both

1127
00:53:35,400 --> 00:53:32,859
physical challenges and we have mental

1128
00:53:38,099 --> 00:53:35,410
challenges and many planets places of

1129
00:53:41,309 --> 00:53:38,109
incarnation only have one one or the

1130
00:53:43,049 --> 00:53:41,319
other we have both and we have both you

1131
00:53:46,519 --> 00:53:43,059
know simultaneously and concurrent

1132
00:53:49,740 --> 00:53:46,529
concurrently and you know unrelentingly

1133
00:53:51,870 --> 00:53:49,750
so you know from birth until death we

1134
00:53:53,930 --> 00:53:51,880
have these opportunities in which we're

1135
00:53:56,789 --> 00:53:53,940
experiencing physical challenges and

1136
00:54:01,490 --> 00:53:56,799
emotional and mental challenges and it

1137
00:54:05,609 --> 00:54:01,500
is well challenging yes yes I'd say so

1138
00:54:08,279 --> 00:54:05,619

I'd say it's very challenging and the

1139

00:54:12,289 --> 00:54:08,289

duality and that mirrors the duality

1140

00:54:15,690 --> 00:54:12,299

between the materialists and the

1141

00:54:20,039 --> 00:54:15,700

consciousness folks it's a similar do

1142

00:54:23,069 --> 00:54:20,049

ality yes so is there anything else you

1143

00:54:25,380 --> 00:54:23,079

would like to tell us about the the

1144

00:54:27,779 --> 00:54:25,390

difficult people and and what you've

1145

00:54:29,819 --> 00:54:27,789

learned there before we because we're

1146

00:54:32,039 --> 00:54:29,829

just at about an hour now but we want to

1147

00:54:33,630 --> 00:54:32,049

give you full measure of your time since

1148

00:54:36,450 --> 00:54:33,640

you've been so interesting and wonderful

1149

00:54:38,309 --> 00:54:36,460

to come on our show well thank you i

1150

00:54:39,990 --> 00:54:38,319

think you know i can only speak to what

1151
00:54:42,660 --> 00:54:40,000
interests me and maybe interest others

1152
00:54:45,240 --> 00:54:42,670
too is it the difficult people point of

1153
00:54:47,029 --> 00:54:45,250
view meaning yes we have a difficult

1154
00:54:50,730 --> 00:54:47,039
situation we have difficult people and

1155
00:54:52,319 --> 00:54:50,740
you know to a global extent when we seal

1156
00:54:54,539 --> 00:54:52,329
this great grief because we've got

1157
00:54:57,870 --> 00:54:54,549
terrorists and we've got you know a

1158
00:54:59,670 --> 00:54:57,880
menace amount of homeless people who you

1159
00:55:02,670 --> 00:54:59,680
know how do we help the homeless and all

1160
00:55:05,660 --> 00:55:02,680
the questions that we often ask we can

1161
00:55:08,730 --> 00:55:05,670
better understand the nature of life

1162
00:55:12,029 --> 00:55:08,740
when we look at the nature of the soul

1163
00:55:15,000 --> 00:55:12,039

and so what I've seen in from what I've

1164

00:55:17,819 --> 00:55:15,010

been taught and from what I know is that

1165

00:55:19,280 --> 00:55:17,829

you know there are there are stages of

1166

00:55:21,620 --> 00:55:19,290

development for

1167

00:55:24,440 --> 00:55:21,630

in car nating soul and it's all playing

1168

00:55:26,270 --> 00:55:24,450

out right here on the planet and so

1169

00:55:31,450 --> 00:55:26,280

naturally we are going to necessarily

1170

00:55:34,340 --> 00:55:31,460

come up against the goals and activities

1171

00:55:38,740 --> 00:55:34,350

characteristic of a young immature soul

1172

00:55:41,870 --> 00:55:38,750

and the same with a little bit more

1173

00:55:44,990 --> 00:55:41,880

advancing soul or more precisely more

1174

00:55:47,120 --> 00:55:45,000

mature mature soles and those of more

1175

00:55:49,460 --> 00:55:47,130

advanced tools and so how those

1176

00:55:51,560 --> 00:55:49,470

different Souls live their life is

1177

00:55:54,590 --> 00:55:51,570

always characteristic of where they are

1178

00:55:57,380 --> 00:55:54,600

their own development and we know the

1179

00:55:59,570 --> 00:55:57,390

characteristics of a beginning soul an

1180

00:56:02,180 --> 00:55:59,580

intermediate soul and advanced soul in

1181

00:56:05,570 --> 00:56:02,190

my opinion every problem becomes

1182

00:56:08,060 --> 00:56:05,580

solvable because when we really identify

1183

00:56:09,320 --> 00:56:08,070

those characteristics then we know what

1184

00:56:11,510 --> 00:56:09,330

we're dealing with we know what we have

1185

00:56:14,990 --> 00:56:11,520

and we know how to do with it so for

1186

00:56:17,080 --> 00:56:15,000

example a young soul you can tell quite

1187

00:56:20,090 --> 00:56:17,090

often not all the time but quite often

1188

00:56:25,510 --> 00:56:20,100

the characters are there there tend to

1189

00:56:28,880 --> 00:56:25,520

be more you're striving for supremacy

1190

00:56:31,610 --> 00:56:28,890

supremacy there is more bickering they

1191

00:56:33,890 --> 00:56:31,620

hold the idea that love and trust only

1192

00:56:35,570 --> 00:56:33,900

bring hurt so their heart you know the

1193

00:56:37,820 --> 00:56:35,580

heart is closed their heart chakra is

1194

00:56:40,400 --> 00:56:37,830

closed they also because of their

1195

00:56:42,440 --> 00:56:40,410

relatives immaturity spiritually they

1196

00:56:45,020 --> 00:56:42,450

regularly engage in self-deception they

1197

00:56:47,000 --> 00:56:45,030

can't be aware of their of self

1198

00:56:48,950 --> 00:56:47,010

motivations because they're not that

1199

00:56:51,350 --> 00:56:48,960

mature yet just like a kindergartner is

1200

00:56:54,320 --> 00:56:51,360

not that mature yet they can't exhibit

1201

00:56:57,110 --> 00:56:54,330

much self-awareness and so when we look

1202

00:56:59,030 --> 00:56:57,120

at the more maturing soul they're

1203

00:57:01,730 --> 00:56:59,040

starting to have a higher adaptability

1204

00:57:04,250 --> 00:57:01,740

to change you know they're more willing

1205

00:57:06,920 --> 00:57:04,260

to start to help people they're more

1206

00:57:10,580 --> 00:57:06,930

able to find solutions to problems

1207

00:57:13,430 --> 00:57:10,590

unlike the young soul not able to find

1208

00:57:16,520 --> 00:57:13,440

solutions to problems hard change is

1209

00:57:18,740 --> 00:57:16,530

hard for them and then we also also

1210

00:57:21,410 --> 00:57:18,750

always recognize the more advancing soul

1211

00:57:23,930 --> 00:57:21,420

the mother teresa's the beings who are

1212

00:57:26,870 --> 00:57:23,940

putting their practical spirituality to

1213

00:57:28,810 --> 00:57:26,880

actually use their not isolating you

1214

00:57:32,490 --> 00:57:28,820

know they're not staying away from

1215

00:57:34,650 --> 00:57:32,500

relationships and and communicating

1216

00:57:37,170 --> 00:57:34,660

and the messiness of life they're right

1217

00:57:39,450 --> 00:57:37,180

in there you know the right in them and

1218

00:57:41,880 --> 00:57:39,460

they're helping the people who are most

1219

00:57:43,550 --> 00:57:41,890

affected by the movers and shakers of

1220

00:57:46,350 --> 00:57:43,560

the world rather than for example

1221

00:57:48,840 --> 00:57:46,360

preferring to only help the movers and

1222

00:57:50,850 --> 00:57:48,850

shakers of the world themselves and so

1223

00:57:53,730 --> 00:57:50,860

and their their reference is more

1224

00:57:55,380 --> 00:57:53,740

outward you know they're able to

1225

00:57:58,440 --> 00:57:55,390

interpret the struggles of their life

1226
00:58:01,740 --> 00:57:58,450
and use it to benefit others and so when

1227
00:58:03,930 --> 00:58:01,750
we are able to see people who upset us

1228
00:58:07,520 --> 00:58:03,940
and behold people who are upsetting us

1229
00:58:10,260 --> 00:58:07,530
and we can recognize the relative

1230
00:58:12,630 --> 00:58:10,270
beginning miss their relatives spiritual

1231
00:58:15,510 --> 00:58:12,640
immaturity it makes all the difference

1232
00:58:17,730 --> 00:58:15,520
because it helps us to comprehend the

1233
00:58:19,950 --> 00:58:17,740
cycles of life the cycle that's

1234
00:58:24,180 --> 00:58:19,960
happening on planet Earth the relative

1235
00:58:26,130 --> 00:58:24,190
suffering it in relation to the joy for

1236
00:58:29,340 --> 00:58:26,140
me that's where the power is because

1237
00:58:33,060 --> 00:58:29,350
everything makes sense what that's

1238
00:58:35,580 --> 00:58:33,070

that's great i would say I I can't

1239

00:58:38,190 --> 00:58:35,590

imagine adding anything to that I think

1240

00:58:41,820 --> 00:58:38,200

it sums it up terrifically I do too and

1241

00:58:45,900 --> 00:58:41,830

and once again reset thank you very much

1242

00:58:50,130 --> 00:58:45,910

for being on our show today and this

1243

00:58:52,980 --> 00:58:50,140

podcast will live on on the internet for

1244

00:58:57,030 --> 00:58:52,990

quite a while so our life to perhaps

1245

00:58:58,860 --> 00:58:57,040

have its own life so we're going to say

1246

00:59:02,460 --> 00:58:58,870

goodbye to you now with great

1247

00:59:05,070 --> 00:59:02,470

appreciation and gratitude and we're

1248

00:59:08,490 --> 00:59:05,080

going to discuss the contest that we are

1249

00:59:11,760 --> 00:59:08,500

about to embark upon with your books

1250

00:59:14,280 --> 00:59:11,770

that you have so so generously provided

1251
00:59:16,710 --> 00:59:14,290
thank you so much yea and perhaps the

1252
00:59:19,260 --> 00:59:16,720
winner of the contest it's funny how

1253
00:59:22,620 --> 00:59:19,270
there's so much serendipity will be

1254
00:59:24,660 --> 00:59:22,630
encouraged by those books to also shed

1255
00:59:28,830 --> 00:59:24,670
some light on other people's pass as

1256
00:59:30,720 --> 00:59:28,840
funny isn't it yes sir is yeah thank you

1257
00:59:33,150 --> 00:59:30,730
for having me it was my pleasure always

1258
00:59:36,420 --> 00:59:33,160
wonderful thank you so much thanks again

1259
00:59:40,760 --> 00:59:36,430
so that was Lisa at larkin author of

1260
00:59:44,790 --> 00:59:40,770
five books and she is going to be

1261
00:59:45,720 --> 00:59:44,800
gifting us with three sets of three

1262
00:59:50,010 --> 00:59:45,730
books

1263
00:59:53,370 --> 00:59:50,020

each for our lucky winners chosen up or

1264

00:59:56,820 --> 00:59:53,380

you undeveloped souls yes well what I'd

1265

01:00:00,480 --> 00:59:56,830

like to do first is to make note of

1266

01:00:05,010 --> 01:00:00,490

people that have made comments or ready

1267

01:00:07,590 --> 01:00:05,020

and then explain the contest I see is

1268

01:00:10,260 --> 01:00:07,600

that good cake that's go okay okay so we

1269

01:00:13,680 --> 01:00:10,270

go shut up reality podcast you wanna

1270

01:00:15,990 --> 01:00:13,690

drum roll but the wishes to express its

1271

01:00:19,020 --> 01:00:16,000

thanks and gratitude to our listeners

1272

01:00:21,660 --> 01:00:19,030

all our listeners but today we are

1273

01:00:24,060 --> 01:00:21,670

giving a special thanks to some of our

1274

01:00:27,109 --> 01:00:24,070

listeners who are brave and have made

1275

01:00:32,330 --> 01:00:27,119

comments they are Jerry and Roxanne

1276

01:00:37,140 --> 01:00:32,340

places where you can make a comment

1304

01:02:17,910 --> 01:02:10,989

about this particular show and this

1305

01:02:21,180 --> 01:02:17,920

particular broadcast are at ww shattered

1306

01:02:26,239 --> 01:02:21,190

reality podcast calm which is our main

1307

01:02:28,739 --> 01:02:26,249

site and shattered reality podcast dot

1308

01:02:32,370 --> 01:02:28,749

wordpress.com which is our sort of

1309

01:02:35,180 --> 01:02:32,380

mirror site and so those are the two

1310

01:02:39,229 --> 01:02:35,190

places I'm going to repeat it again

1311

01:02:44,819 --> 01:02:39,239

shattered reality podcast.com and

1312

01:02:46,799 --> 01:02:44,829

shattered reality podcast wordpress com

1313

01:02:49,079 --> 01:02:46,809

those are the only two places not on

1314

01:02:53,130 --> 01:02:49,089

Facebook not on YouTube not on stitcher

1315

01:02:55,799 --> 01:02:53,140

radio but those two places so who's

1316

01:02:58,769 --> 01:02:55,809

going to decide the comment you and me

1317

01:03:00,660 --> 01:02:58,779

oh okay well we'll let they'll have a

1318

01:03:02,849 --> 01:03:00,670

look times i squish you look bill

1319

01:03:06,390 --> 01:03:02,859

because that's sort of an impartial view

1320

01:03:10,410 --> 01:03:06,400

yes yes I we also of course thank our

1321

01:03:13,319 --> 01:03:10,420

wonderful audio engineer bill and in the

1322

01:03:14,999 --> 01:03:13,329

winner again will receive three well

1323

01:03:17,370 --> 01:03:15,009

there's going to be three winners okay

1324

01:03:20,969 --> 01:03:17,380

they're going it's the number three the

1325

01:03:25,469 --> 01:03:20,979

magic number three three winners will

1326
01:03:27,809 --> 01:03:25,479
receive three three books okay do they

1327
01:03:29,400 --> 01:03:27,819
select it no real select no we're going

1328
01:03:32,069 --> 01:03:29,410
to another we're going to send them to

1329
01:03:35,420 --> 01:03:32,079
the three books of all beyond each of

1330
01:03:37,620 --> 01:03:35,430
their local people and talking to

1331
01:03:39,599 --> 01:03:37,630
extraterrestrials Oh everybody's going

1332
01:03:41,999 --> 01:03:39,609
to fight for you probably so I believe

1333
01:03:44,190 --> 01:03:42,009
that is the case in toto then it'd be

1334
01:03:46,259 --> 01:03:44,200
nine books nine books are being given

1335
01:03:50,089 --> 01:03:46,269
out to three people so what we're

1336
01:03:53,940 --> 01:03:50,099
looking for is the most interesting

1337
01:03:57,630 --> 01:03:53,950
commenting on this show with Lisette

1338
01:04:01,469 --> 01:03:57,640

Larkins which is number 36 and you will

1339

01:04:03,180 --> 01:04:01,479

have one month right to make these

1340

01:04:06,569 --> 01:04:03,190

comments from the time that we're

1341

01:04:12,269 --> 01:04:06,579

recording them so we will be announcing

1342

01:04:13,329 --> 01:04:12,279

the winners on our not our next show but

1343

01:04:16,120 --> 01:04:13,339

our second

1344

01:04:18,339 --> 01:04:16,130

so not the next shall we record but the

1345

01:04:21,249 --> 01:04:18,349

one following that because if all goes

1346

01:04:24,309 --> 01:04:21,259

according to plan we will be recording

1347

01:04:27,269 --> 01:04:24,319

our next show in two weeks and and then

1348

01:04:32,650 --> 01:04:27,279

the one following that two weeks after

1349

01:04:35,829 --> 01:04:32,660

so amongst our guest upcoming we do have

1350

01:04:38,739 --> 01:04:35,839

either hair h er are I don't know if she

1351

1352

01:04:45,940 --> 01:04:43,910

manner and we have our d6 killer Clark

1353

01:04:50,009 --> 01:04:45,950

coming up in about a month and a half

1354

01:04:52,809 --> 01:04:50,019

was written a lot about star people and

1355

01:04:56,829 --> 01:04:52,819

experiences of Native Americans over the

1356

01:04:59,069 --> 01:04:56,839

course of of time from Alaska down to

1357

01:05:02,440 --> 01:04:59,079

South America and their experiences with

1358

01:05:05,799 --> 01:05:02,450

aliens so we're on a woman kick and a

1359

01:05:09,459 --> 01:05:05,809
