hey Kate well it's another another

7

how are you doing for I'm doing

9
00:00:45,200 --> 00:00:43,350

pretty well and I'm enjoying this

10
00:00:49,910 --> 00:00:45,210

slightly cooler weather what I'm going

11
00:00:57,369 --> 00:00:49,920

to do right away is slate and say that

here we are and it is a September 27th

2016 and we have a fabulous show for you

14

00:01:07,910 --> 00:01:05,189

today something extremely interesting

15

00:01:10,700 --> 00:01:07,920

and I'm going to introduce our guest in

16

00:01:13,550 --> 00:01:10,710

one minute but I do want to remind our

17

00:01:17,179 --> 00:01:13,560

listeners that we have two more weeks

18

00:01:20,630 --> 00:01:17,189

left before we make our choices on the

19

00:01:26,240 --> 00:01:20,640

contestant winners of the three three

20

00:01:32,240 --> 00:01:26,250

book sets of books by Lisette Larkins

21

00:01:37,280 --> 00:01:32,250

and so please keep those comments coming

22

00:01:41,560 --> 00:01:37,290

in on both shattered reality podcast.com

23

00:01:46,090 --> 00:01:41,570

and shattered reality podcast

24

00:01:50,120 --> 00:01:46,100

wordpress.com our our mirror site and

25

00:01:52,090 --> 00:01:50,130

now we have a fabulous guest and I'm

26

00:01:55,550 --> 00:01:52,100

going to tell you why he's fabulous

27

00:01:57,709 --> 00:01:55,560

before I actually introduced him the

28

00:02:00,289 --> 00:01:57,719

reason why he's going to be extremely

29

00:02:03,100 --> 00:02:00,299

interesting is that there is no one who

30

00:02:05,899 --> 00:02:03,110

can fail to be interested by this

31

00:02:09,050 --> 00:02:05,909

subject this is a subject that affects

32

00:02:12,290 --> 00:02:09,060

each and every one of us it doesn't only

33

00:02:13,300 --> 00:02:12,300

affect people who have dreams or people

34

00:02:15,760 --> 00:02:13,310

who are psychic

35

00:02:19,600 --> 00:02:15,770

or people who want to do remote viewing

36

00:02:23,290 --> 00:02:19,610

this subject affects each and every one

37

00:02:27,880 --> 00:02:23,300

of us our guest today is mr. Robert

38

00:02:30,340 --> 00:02:27,890

Hastings he has a book called UFOs and

39

00:02:34,390 --> 00:02:30,350

nooks extraordinary encounters at

40

00:02:37,360 --> 00:02:34,400

nuclear weapons sites and now he has a

41

00:02:40,870 --> 00:02:37,370

brand new movie called UFOs and nukes

42

00:02:43,960 --> 00:02:40,880

the secret link revealed this is a new

43

00:02:47,860 --> 00:02:43,970

documentary film by Robert Hastings and

44

00:02:52,630 --> 00:02:47,870

it is extremely well documented with US

45

00:02:55,900 --> 00:02:52,640

Air Force FBI and CIA files that have

46

00:02:58,600 --> 00:02:55,910

been Declassified now Robert Hastings

47

00:03:02,790 --> 00:02:58,610

has degrees in photography and material

48

00:03:06,430 --> 00:03:02,800

science he was born at Sandia base in

49

00:03:08,949 --> 00:03:06,440

Albuquerque New Mexico in 1950 and he

50

00:03:13,180 --> 00:03:08,959

actually lived at Malstrom Air Force

51
00:03:18,060 --> 00:03:13,190
Base in Montana his father was a career

52
00:03:21,280 --> 00:03:18,070
military officer so Kate let's welcome

53
00:03:23,259 --> 00:03:21,290
Robert Hastings Robert great to talk to

54
00:03:25,630 --> 00:03:23,269
you again and I think tonight you

55
00:03:27,850 --> 00:03:25,640
forever nods it's a pleasure I think one

56
00:03:29,979 --> 00:03:27,860
of the most important things that Russia

57
00:03:32,920 --> 00:03:29,989
said was that the film is indeed a

58
00:03:36,759 --> 00:03:32,930
documentary this is not fiction this is

59
00:03:40,780 --> 00:03:36,769
not made-up what you have just gone to

60
00:03:43,180 --> 00:03:40,790
extreme lengths to document and and to

61
00:03:46,930 --> 00:03:43,190
prove your case in this one which is

62
00:03:49,060 --> 00:03:46,940
indeed incursions of UFOs over a nuclear

63
00:03:53,080 --> 00:03:49,070

basis not just in this country but in

64

00:03:54,789 --> 00:03:53,090

other countries as well my father as you

65

00:03:58,840 --> 00:03:54,799

mentioned was that Nam Sturm Air Force

66

00:04:02,530 --> 00:03:58,850

Base in 1966-67 he was a Senior Master

67

00:04:04,479 --> 00:04:02,540

Sergeant but not an officer but indeed

68

00:04:08,229 --> 00:04:04,489

that was the genesis of my interest in

69

00:04:10,150 --> 00:04:08,239

the subject of UFOs and nuke long story

70

00:04:12,190 --> 00:04:10,160

short he worked in large windowless

71

00:04:14,530 --> 00:04:12,200

concrete structure called the sage

72

00:04:18,009 --> 00:04:14,540

building which had military radar

73

00:04:20,860 --> 00:04:18,019

operations and in March of 67 he was

74

00:04:23,500 --> 00:04:20,870

aware from scuttlebutt around the sage

75

00:04:25,960 --> 00:04:23,510

building that unknown aerial objects

76
00:04:26,910 --> 00:04:25,970
were being tracked on multiple radars at

77
00:04:29,940 --> 00:04:26,920
Malmstrom Air Force

78
00:04:31,650 --> 00:04:29,950
space most alarmingly these objects were

79
00:04:34,920 --> 00:04:31,660
flying near the nuclear missile sites

80
00:04:36,360 --> 00:04:34,930
and he was only indirectly involved but

81
00:04:39,450 --> 00:04:36,370
there were enough rumors floating around

82
00:04:41,670 --> 00:04:39,460
that he knew that much at the same time

83
00:04:43,650 --> 00:04:41,680
I was a junior in high school but I

84
00:04:45,810 --> 00:04:43,660
worked as a janitor three nights a week

85
00:04:48,870 --> 00:04:45,820
at the base air traffic control tower

86
00:04:52,050 --> 00:04:48,880
just pushed a broom empty trash cans and

87
00:04:54,390 --> 00:04:52,060
so on and over the course of several

88
00:04:57,030 --> 00:04:54,400

months I made the acquaintance of an FAA

89

00:04:59,550 --> 00:04:57,040

controller actually a supervisor named

90

00:05:01,410 --> 00:04:59,560

Bob Grasser and he was quite generous

91

00:05:03,690 --> 00:05:01,420

with his time when he was in the break

92

00:05:04,050 --> 00:05:03,700

room explaining to me how radar work and

93

00:05:06,960 --> 00:05:04,060

so on

94

00:05:09,930 --> 00:05:06,970

and one night as best as we can

95

00:05:12,450 --> 00:05:09,940

determine mid to late March of 67 I

96

00:05:14,190 --> 00:05:12,460

walked into rapcon radar approaching

97

00:05:16,560 --> 00:05:14,200

control where he worked at the top of

98

00:05:17,910 --> 00:05:16,570

the tower and was going to empty trash

99

00:05:20,630 --> 00:05:17,920

cans and move on

100

00:05:23,220 --> 00:05:20,640

and he just nonchalantly as I recall

101
00:05:25,590 --> 00:05:23,230
motioned me over go scope and said we're

102
00:05:28,230 --> 00:05:25,600
tracking five and he either used the

103
00:05:30,510 --> 00:05:28,240
term unknowns which is the proper term

104
00:05:32,550 --> 00:05:30,520
radar term or he may have actually said

105
00:05:36,390 --> 00:05:32,560
UFOs and I knew what he was talking

106
00:05:37,260 --> 00:05:36,400
about and that was why I got interested

107
00:05:39,570 --> 00:05:37,270
in this topic

108
00:05:42,050 --> 00:05:39,580
I went home very excited told my father

109
00:05:44,550 --> 00:05:42,060
that the towers tracking UFOs and

110
00:05:46,410 --> 00:05:44,560
unbeknownst to me he made some inquiries

111
00:05:49,020 --> 00:05:46,420
around the stage building and found out

112
00:05:52,650 --> 00:05:49,030
that indeed the military radar personnel

113
00:05:54,330 --> 00:05:52,660

were tracking them too and I was a

114

00:05:56,370 --> 00:05:54,340

teenager I couldn't really do much with

115

00:06:00,180 --> 00:05:56,380

that information but when I graduated

116

00:06:02,640 --> 00:06:00,190

from college in 1972 and did a year's

117

00:06:04,500 --> 00:06:02,650

worth of graduate work around that time

118

00:06:07,260 --> 00:06:04,510

frame I became aware of published

119

00:06:10,380 --> 00:06:07,270

references the late dr. J Allen Hynek

120

00:06:13,580 --> 00:06:10,390

who was the Bluebook know a blue book

121

00:06:16,680 --> 00:06:13,590

scientific adviser Project Blue Book II

122

00:06:18,710 --> 00:06:16,690

made mention of UFO activity in your

123

00:06:21,570 --> 00:06:18,720

nuclear missile sites in North Dakota

124

00:06:24,810 --> 00:06:21,580

Ray Fowler who is a well known UFO

125

00:06:28,110 --> 00:06:24,820

researcher wrote a book in 1974 called

126
00:06:30,870 --> 00:06:28,120
UFOs interplanetary visitors in which he

127
00:06:33,300 --> 00:06:30,880
said that his liaison personnel at

128
00:06:35,850 --> 00:06:33,310
Malmstrom he was in the Minuteman

129
00:06:38,340 --> 00:06:35,860
program for Sylvania Corporation but his

130
00:06:39,960 --> 00:06:38,350
contacts at the base were confirming

131
00:06:40,680 --> 00:06:39,970
that UFOs were hovering over the

132
00:06:47,430 --> 00:06:40,690
missiles

133
00:06:49,350 --> 00:06:47,440
that point I went wow this is real this

134
00:06:51,510 --> 00:06:49,360
is important you know we need to get

135
00:06:53,700 --> 00:06:51,520
these veterans on the record and so I

136
00:06:55,500 --> 00:06:53,710
began seeking out persons who were

137
00:06:58,260 --> 00:06:55,510
involved in these incidents not only at

138
00:07:00,210 --> 00:06:58,270

Malmstrom but elsewhere involving UFO

139

00:07:03,900 --> 00:07:00,220

incursions at nuclear missile sites I

140

00:07:05,870 --> 00:07:03,910

now have over 150 services ranging from

141

00:07:09,060 --> 00:07:05,880

the rank of colonel down to airman

142

00:07:11,670 --> 00:07:09,070

persons who were where the UFOs hovered

143

00:07:14,520 --> 00:07:11,680

over missile sites over bombs storage

144

00:07:17,870 --> 00:07:14,530

depots at nuclear missile test sites

145

00:07:21,470 --> 00:07:17,880

just the whole spectrum of UFO

146

00:07:27,060 --> 00:07:21,480

incursions at nuclear weapons sites and

147

00:07:29,040 --> 00:07:27,070

by 1981 I felt you know I don't know why

148

00:07:31,080 --> 00:07:29,050

I'm so driven to do this but I quit a

149

00:07:33,510 --> 00:07:31,090

good-paying job and I went out on the

150

00:07:35,220 --> 00:07:33,520

college lecture circuit to try to Queen

151

00:07:38,760 --> 00:07:35,230

Americans with the reality of the

152

00:07:41,010 --> 00:07:38,770

situation and that was 30-some years ago

153

00:07:43,770 --> 00:07:41,020

I've spoken at over 500 colleges and

154

00:07:46,320 --> 00:07:43,780

universities I am finding a bit of a

155

00:07:48,750 --> 00:07:46,330

very receptive audience not only in this

156

00:07:51,060 --> 00:07:48,760

country but now that the internet is in

157

00:07:53,310 --> 00:07:51,070

existence I have contacts worldwide

158

00:07:55,920 --> 00:07:53,320

people are very obviously interested in

159

00:07:59,159 --> 00:07:55,930

the subject yes and and I can absolutely

160

00:08:02,280 --> 00:07:59,169

see why and Kate and I certainly

161

00:08:05,100 --> 00:08:02,290

understand why you're doing what you're

162

00:08:07,500 --> 00:08:05,110

doing because here we are making a

163

00:08:11,490 --> 00:08:07,510

podcast the totally non-commercial

164

00:08:13,409 --> 00:08:11,500

podcast totally free access for which we

165

00:08:15,960 --> 00:08:13,419

get paid absolutely nothing and we

166

00:08:18,180 --> 00:08:15,970

continue to do it because these are

167

00:08:20,820 --> 00:08:18,190

subjects this subject and allied

168

00:08:22,980 --> 00:08:20,830

subjects are things that we think people

169

00:08:25,290 --> 00:08:22,990

need to pay more attention to in the

170

00:08:28,950 --> 00:08:25,300

world and they're not paying enough

171

00:08:32,670 --> 00:08:28,960

attention to but to get back to you and

172

00:08:36,000 --> 00:08:32,680

the first of the first example that I

173

00:08:40,170 --> 00:08:36,010

think you talk about is the Roswell

174

00:08:43,260 --> 00:08:40,180

connection and how this was a dawn of a

175

00:08:46,080 --> 00:08:43,270

different era with the advent of nuclear

176

00:08:48,930 --> 00:08:46,090

weapons being tested in places and

177

00:08:50,060 --> 00:08:48,940

Roswell tell us why Roswell is important

178

00:08:54,030 --> 00:08:50,070

please

179

00:08:55,980 --> 00:08:54,040

well of all the Roswell witnesses in my

180

00:08:59,220 --> 00:08:55,990

view the most important is a man named

181

00:09:01,230 --> 00:08:59,230

general Arthur exon and he was a

182

00:09:02,880 --> 00:09:01,240

lieutenant colonel at right field later

183

00:09:05,910 --> 00:09:02,890

wright-patterson Air Force Base in

184

00:09:08,579 --> 00:09:05,920

Dayton Ohio in July of 47 when this

185

00:09:10,920 --> 00:09:08,589

incident occurred down in New Mexico

186

00:09:13,290 --> 00:09:10,930

Lieutenant Colonel exon was later

187

00:09:15,000 --> 00:09:13,300

general exon he was the base commander

188

00:09:17,310 --> 00:09:15,010

of wright-patterson Air Force Base in

189

00:09:19,500 --> 00:09:17,320

the early 60s quite an unimpeachable

190

00:09:21,690 --> 00:09:19,510

source and he has gone on the record

191

00:09:24,389 --> 00:09:21,700

with Kevin Randle research for Kevin

192

00:09:26,670 --> 00:09:24,399

Randle saying that he was there when the

193

00:09:28,949 --> 00:09:26,680

debris from the Roswell craft came in

194

00:09:31,650 --> 00:09:28,959

and was analyzed by engineers at

195

00:09:33,240 --> 00:09:31,660

wright-patterson and he said a couple of

196

00:09:35,550 --> 00:09:33,250

the people involved thought this might

197

00:09:38,010 --> 00:09:35,560

be advanced Soviet technology based on

198

00:09:40,019 --> 00:09:38,020

captured German technology at the end of

199

00:09:41,699 --> 00:09:40,029

the war he said the majority of the

200

00:09:44,910 --> 00:09:41,709

analysts were pretty sure that this

201
00:09:47,579 --> 00:09:44,920
debris was from an interplanetary craft

202
00:09:51,380 --> 00:09:47,589
and he has said on the record on

203
00:09:54,389 --> 00:09:51,390
audiotape and in written letters that

204
00:09:57,480 --> 00:09:54,399
after 24 hours of analysis of this

205
00:09:59,250 --> 00:09:57,490
debris everyone from President Truman on

206
00:10:02,370 --> 00:09:59,260
down knew that we had recovered an

207
00:10:05,040 --> 00:10:02,380
interplanetary spacecraft now the

208
00:10:07,230 --> 00:10:05,050
importance of the Roswell incident to

209
00:10:10,319 --> 00:10:07,240
the nuclear weapons-related cases is

210
00:10:12,870 --> 00:10:10,329
that at the time of the incident Roswell

211
00:10:15,810 --> 00:10:12,880
Army Airfield was the only base on the

212
00:10:18,389 --> 00:10:15,820
planet that had nuclear capable bombers

213
00:10:20,790 --> 00:10:18,399

the 500 9th Bomb Group which was the

214

00:10:23,310 --> 00:10:20,800

same Bomb Group that Japan that the

215

00:10:25,790 --> 00:10:23,320

Japanese cities experienced in World War

216

00:10:28,139 --> 00:10:25,800

2 they bombed Hiroshima and Nagasaki

217

00:10:30,210 --> 00:10:28,149

they were involved in some tests

218

00:10:33,630 --> 00:10:30,220

immediately after World War two in the

219

00:10:36,150 --> 00:10:33,640

South Pacific and literally at the time

220

00:10:38,880 --> 00:10:36,160

of the Roswell incident which Exxon

221

00:10:42,990 --> 00:10:38,890

general Exxon says the recovery of an

222

00:10:45,030 --> 00:10:43,000

alien spacecraft the nearby facility

223

00:10:47,400 --> 00:10:45,040

where all this took place was the only

224

00:10:50,519 --> 00:10:47,410

nuclear bomber base in the world at that

225

00:10:53,100 --> 00:10:50,529

time in my view that's not coincidental

226

00:10:55,230 --> 00:10:53,110

I think whoever were aboard this craft

227

00:10:56,819 --> 00:10:55,240

were involved in some sort of

228

00:11:00,120 --> 00:10:56,829

surveillance of the operations at

229

00:11:03,180 --> 00:11:00,130

Roswell that's also when the whole veil

230

00:11:06,150 --> 00:11:03,190

of secrecy over UFOs started to really

231

00:11:08,340 --> 00:11:06,160

into effect - that was part of Roswell

232

00:11:10,980 --> 00:11:08,350

as well all the cover-ups that the

233

00:11:15,300 --> 00:11:10,990

government you know just enforced on the

234

00:11:19,139 --> 00:11:15,310

public yes indeed now what we want just

235

00:11:22,410 --> 00:11:19,149

you know I think Robert really certainly

236

00:11:25,499 --> 00:11:22,420

no one disagrees that nuclear plants

237

00:11:27,629 --> 00:11:25,509

have attracted UFOs but I think what a

238

00:11:30,540 --> 00:11:27,639

lot of people don't understand is the

239

00:11:32,579 --> 00:11:30,550

size of these you know these flying

240

00:11:33,389 --> 00:11:32,589

vehicles these unidentified flying

241

00:11:35,550 --> 00:11:33,399

vehicles

242

00:11:37,590 --> 00:11:35,560

they're huge I mean they're really scary

243

00:11:39,780 --> 00:11:37,600

and they're fiery red and they're

244

00:11:41,850 --> 00:11:39,790

hanging there and you know there's just

245

00:11:46,290 --> 00:11:41,860

no communication with them it's it's

246

00:11:49,079 --> 00:11:46,300

sort of an odd sort of an object they're

247

00:11:50,759 --> 00:11:49,089

clearly not conventional aircraft the

248

00:11:54,360 --> 00:11:50,769

majority of the witnesses that I've

249

00:11:56,400 --> 00:11:54,370

spoken with primarily nuclear weapons

250

00:11:59,220 --> 00:11:56,410

security guards at various Air Force

251
00:12:00,689 --> 00:11:59,230
bases they're the one to be above ground

252
00:12:03,540 --> 00:12:00,699
level who would see something in the sky

253
00:12:05,360 --> 00:12:03,550
the vast majority of my sources have

254
00:12:07,829 --> 00:12:05,370
said that these were saucer shaped

255
00:12:10,139 --> 00:12:07,839
probably 30 to 50 feet in diameter

256
00:12:12,030 --> 00:12:10,149
brightly glowing if they're seen at

257
00:12:14,699 --> 00:12:12,040
night if they're seen in the day they're

258
00:12:16,710 --> 00:12:14,709
silver metallic discs there are a

259
00:12:19,280 --> 00:12:16,720
handful of cases where what are being

260
00:12:22,590 --> 00:12:19,290
described are much larger object objects

261
00:12:24,449 --> 00:12:22,600
like cylinder shaped objects perhaps the

262
00:12:27,990 --> 00:12:24,459
size of an aircraft carrier or even

263
00:12:30,150 --> 00:12:28,000

larger and there are even cases where

264

00:12:31,860 --> 00:12:30,160

small discs have been observed coming

265

00:12:34,290 --> 00:12:31,870

out of these larger cylinder shaped

266

00:12:37,139 --> 00:12:34,300

objects as if they're motherships so to

267

00:12:39,600 --> 00:12:37,149

speak but the witnesses you know what I

268

00:12:42,120 --> 00:12:39,610

what I've told people now for three

269

00:12:44,850 --> 00:12:42,130

decades both on the college lecture

270

00:12:47,370 --> 00:12:44,860

circuit my audiences and just when I do

271

00:12:49,460 --> 00:12:47,380

interviews like this but all the people

272

00:12:51,990 --> 00:12:49,470

that I've talked to over the years are

273

00:12:54,420 --> 00:12:52,000

entrusted by the US government to either

274

00:12:56,370 --> 00:12:54,430

guard or operate nuclear weapons they

275

00:12:58,710 --> 00:12:56,380

were thoroughly vetted they're not

276

00:13:01,170 --> 00:12:58,720

flakes they're not psychologically

277

00:13:02,879 --> 00:13:01,180

unstable they they don't drink they

278

00:13:05,220 --> 00:13:02,889

don't have drug problems they're just

279

00:13:07,650 --> 00:13:05,230

thoroughly vetted and there's a system

280

00:13:09,389 --> 00:13:07,660

in place that keeps them very in check

281

00:13:11,490 --> 00:13:09,399

when they're they're not only doing

282

00:13:14,910 --> 00:13:11,500

their jobs but in their off-duty hours

283

00:13:17,100 --> 00:13:14,920

and yet now I have over 150 launch

284

00:13:18,990 --> 00:13:17,110

officers targeting officers

285

00:13:21,600 --> 00:13:19,000

missile maintenance personnel missile

286

00:13:23,610 --> 00:13:21,610

security guards all saying that UFOs

287

00:13:26,700 --> 00:13:23,620

have monitored and even tampered with

288

00:13:28,950 --> 00:13:26,710

our nuclear missiles or weapons in

289

00:13:31,260 --> 00:13:28,960

general and I just think the public

290

00:13:33,270 --> 00:13:31,270

really needs to realize that there are

291

00:13:36,360 --> 00:13:33,280

this many credible people all saying

292

00:13:38,220 --> 00:13:36,370

that this has taken place even though at

293

00:13:40,560 --> 00:13:38,230

the end of the Cold War we and the

294

00:13:43,080 --> 00:13:40,570

Russians downsized our nuclear arsenals

295

00:13:44,730 --> 00:13:43,090

we by treaty still have plenty of

296

00:13:47,460 --> 00:13:44,740

weapons over a thousand deployed

297

00:13:49,710 --> 00:13:47,470

missiles for example in each country let

298

00:13:52,350 --> 00:13:49,720

alone the stockpiles that would more

299

00:13:54,600 --> 00:13:52,360

than you know adequately destroy human

300

00:13:57,060 --> 00:13:54,610

civilization if we ever blunder into a

301
00:13:59,070 --> 00:13:57,070
nuclear war so even though nuclear

302
00:14:02,730 --> 00:13:59,080
weapons are not at this point in our

303
00:14:04,860 --> 00:14:02,740
history as dire a situation as they were

304
00:14:07,320 --> 00:14:04,870
when we were not threatening to go to

305
00:14:09,780 --> 00:14:07,330
war with the Soviets for example during

306
00:14:12,450 --> 00:14:09,790
the Cuban Missile Crisis the potential

307
00:14:14,520 --> 00:14:12,460
for disaster still exists and it's clear

308
00:14:16,770 --> 00:14:14,530
based on the reports that I've gotten

309
00:14:18,930 --> 00:14:16,780
even in the last two or three years from

310
00:14:20,850 --> 00:14:18,940
namsan Air Force Base that UFOs are

311
00:14:22,770 --> 00:14:20,860
still monitoring our nuclear weapons

312
00:14:24,630 --> 00:14:22,780
so this really is a subject that

313
00:14:26,670 --> 00:14:24,640

everyone has a vested interest in

314

00:14:28,440 --> 00:14:26,680

learning about absolutely

315

00:14:30,270 --> 00:14:28,450

what sort of scared me in the debate

316

00:14:32,280 --> 00:14:30,280

last night which you know without

317

00:14:35,820 --> 00:14:32,290

getting into any politics or anything is

318

00:14:39,450 --> 00:14:35,830

that both participants agreed strongly

319

00:14:41,970 --> 00:14:39,460

that nuclear war nuclear weapons for our

320

00:14:44,160 --> 00:14:41,980

major threat and that surprised me I

321

00:14:45,690 --> 00:14:44,170

mean I was thinking you know like all

322

00:14:48,000 --> 00:14:45,700

the other different political talking

323

00:14:50,280 --> 00:14:48,010

points would have come up but they both

324

00:14:52,320 --> 00:14:50,290

were very much in agreement with that

325

00:14:54,930 --> 00:14:52,330

which I mean obviously it's a serious

326

00:14:57,990 --> 00:14:54,940

problem in a real threat but I was

327

00:15:00,740 --> 00:14:58,000

surprised if that was brought up it has

328

00:15:03,180 --> 00:15:00,750

there been like an increase in nuclear

329

00:15:07,020 --> 00:15:03,190

observations or anything along those

330

00:15:09,900 --> 00:15:07,030

lines that would make that trick well to

331

00:15:11,610 --> 00:15:09,910

follow up on your to follow up on your

332

00:15:14,220 --> 00:15:11,620

point you know humans are fallible

333

00:15:16,620 --> 00:15:14,230

creatures one just has to look at our

334

00:15:18,420 --> 00:15:16,630

history to know that even if we don't

335

00:15:21,060 --> 00:15:18,430

intentionally mean to do something well

336

00:15:23,490 --> 00:15:21,070

sometimes blunder into things and there

337

00:15:25,770 --> 00:15:23,500

have been so many in my book which is

338

00:15:29,430 --> 00:15:25,780

available at my website UFO Hastings

339

00:15:30,569 --> 00:15:29,440

comm there's a whole chapter devoted to

340

00:15:32,369 --> 00:15:30,579

near misses where

341

00:15:34,919 --> 00:15:32,379

either we or the Russians almost

342

00:15:36,929 --> 00:15:34,929

launched World War 3 and all of these

343

00:15:40,410 --> 00:15:36,939

dramatic incidents these near misses

344

00:15:44,009 --> 00:15:40,420

were kept classified until the late

345

00:15:46,739 --> 00:15:44,019

1990s the best well-known one is the

346

00:15:49,470 --> 00:15:46,749

most dramatic one was the Cuban Missile

347

00:15:52,019 --> 00:15:49,480

Crisis in 1962 but there are over 20

348

00:15:54,289 --> 00:15:52,029

cases that either our government or the

349

00:15:56,850 --> 00:15:54,299

Russian government has acknowledged as

350

00:15:58,619 --> 00:15:56,860

being where we were literally minutes

351
00:16:00,689 --> 00:15:58,629
away from nuclear destruction and

352
00:16:02,460 --> 00:16:00,699
compete the vast majority of the

353
00:16:05,759 --> 00:16:02,470
American public and other people don't

354
00:16:08,009 --> 00:16:05,769
even know it to this day - your second

355
00:16:11,309 --> 00:16:08,019
point what is the frequency of sightings

356
00:16:13,829 --> 00:16:11,319
today you know my research is based on

357
00:16:16,799 --> 00:16:13,839
catch-as-catch-can there's no way I can

358
00:16:18,809 --> 00:16:16,809
systematically get an idea of how many

359
00:16:21,389 --> 00:16:18,819
events took place in a given year at a

360
00:16:23,280 --> 00:16:21,399
given base because quite clearly these

361
00:16:25,859 --> 00:16:23,290
are classified at a high level

362
00:16:28,169 --> 00:16:25,869
most of my sources these veterans wait

363
00:16:30,449 --> 00:16:28,179

years sometimes decades before they feel

364

00:16:33,119 --> 00:16:30,459

comfortable talking about what they were

365

00:16:35,280 --> 00:16:33,129

involved in so something may have

366

00:16:37,109 --> 00:16:35,290

happened last night at one base or

367

00:16:39,780 --> 00:16:37,119

another there could have been the USO

368

00:16:41,669 --> 00:16:39,790

event at a missile site at Malmstrom or

369

00:16:44,759 --> 00:16:41,679

some other base and it may be decades

370

00:16:47,549 --> 00:16:44,769

people I know about a year certainly but

371

00:16:50,249 --> 00:16:47,559

the last one that that we can ascertain

372

00:16:53,369 --> 00:16:50,259

occurred would note with no doubt was in

373

00:16:56,129 --> 00:16:53,379

October of 2010 @fe Warren Air Force

374

00:16:58,499 --> 00:16:56,139

Base in Wyoming and it was

375

00:17:00,840 --> 00:16:58,509

coincidentally or not only a month after

376

00:17:04,319 --> 00:17:00,850

my press conference in which was by the

377

00:17:07,439 --> 00:17:04,329

way six years ago today 27 pounds of

378

00:17:10,139 --> 00:17:07,449

September 2010 so that kind of

379

00:17:14,399 --> 00:17:10,149

coincidental Wow not not even a month

380

00:17:15,929 --> 00:17:14,409

later on October 23rd the eppie Warren

381

00:17:18,360 --> 00:17:15,939

Air Force Base suddenly could not

382

00:17:21,319 --> 00:17:18,370

communicate with five of the missile

383

00:17:23,579 --> 00:17:21,329

launch control capsules each of which

384

00:17:25,710 --> 00:17:23,589

controlled 10 nuclear missiles so

385

00:17:28,529 --> 00:17:25,720

suddenly were reasons that were

386

00:17:31,830 --> 00:17:28,539

inexplicable initially the base could

387

00:17:34,080 --> 00:17:31,840

not communicate with 50 officers that

388

00:17:36,419 --> 00:17:34,090

would have launched 50 missiles now when

389

00:17:38,220 --> 00:17:36,429

I heard that the story broke in the

390

00:17:40,500 --> 00:17:38,230

Atlantic by the way of the Atlantic

391

00:17:42,529 --> 00:17:40,510

website and the Pentagon had to admit

392

00:17:44,520 --> 00:17:42,539

that what they claimed was a one-hour

393

00:17:46,980 --> 00:17:44,530

situation where they couldn't community

394

00:17:49,740 --> 00:17:46,990

these castles what I learned by

395

00:17:53,820 --> 00:17:49,750

contacting my sources at the base both

396

00:17:56,220 --> 00:17:53,830

millet of duty military and retired was

397

00:17:58,050 --> 00:17:56,230

that the incident actually lasted 25

398

00:17:59,700 --> 00:17:58,060

hours something the Pentagon did not

399

00:18:01,800 --> 00:17:59,710

want to admit that they were having

400

00:18:04,530 --> 00:18:01,810

trouble communicating with these launch

401
00:18:06,570 --> 00:18:04,540
capsules for more than a day but what

402
00:18:09,030 --> 00:18:06,580
they also obviously did not want to

403
00:18:11,670 --> 00:18:09,040
admit what my source is filming the film

404
00:18:13,170 --> 00:18:11,680
maintenance technicians was that during

405
00:18:15,150 --> 00:18:13,180
this day-long incident

406
00:18:17,340 --> 00:18:15,160
there were various maintenance teams out

407
00:18:19,080 --> 00:18:17,350
in the field trying to ascertain and

408
00:18:21,150 --> 00:18:19,090
ascertain the problem and bring the

409
00:18:23,310 --> 00:18:21,160
missiles back online effective

410
00:18:25,860 --> 00:18:23,320
communications with the base and all

411
00:18:27,960 --> 00:18:25,870
these teams independently went back to

412
00:18:30,300 --> 00:18:27,970
the base and reported seeing a huge

413
00:18:33,900 --> 00:18:30,310

cylinder shaped object lighting through

414

00:18:36,210 --> 00:18:33,910

the sky and one of the sources said that

415

00:18:38,940 --> 00:18:36,220

it was pretty clear shortly thereafter

416

00:18:41,250 --> 00:18:38,950

that this was not a blimp or something

417

00:18:43,800 --> 00:18:41,260

because the maintenance commander at the

418

00:18:46,590 --> 00:18:43,810

base got the entire squadron in a room

419

00:18:49,410 --> 00:18:46,600

and said you are not discussed with

420

00:18:51,810 --> 00:18:49,420

journalists or researchers or anyone

421

00:18:55,440 --> 00:18:51,820

what you quote may or may not have seen

422

00:18:58,350 --> 00:18:55,450

in the sky so quite clearly a high-level

423

00:19:01,380 --> 00:18:58,360

Air Force personnel if you are knew that

424

00:19:03,510 --> 00:19:01,390

this was a UFO incident or at least the

425

00:19:05,040 --> 00:19:03,520

UFO was sighted at the same time they

426
00:19:06,510 --> 00:19:05,050
were having problems problems

427
00:19:09,840 --> 00:19:06,520
communicating with the missile crews

428
00:19:12,570 --> 00:19:09,850
quite clearly in my view there - - were

429
00:19:14,880 --> 00:19:12,580
related and that you know roughly six

430
00:19:16,410 --> 00:19:14,890
years ago that that this occurred so

431
00:19:18,630 --> 00:19:16,420
it's still ongoing it's not ancient

432
00:19:23,730 --> 00:19:18,640
history it didn't go away at the end of

433
00:19:26,640 --> 00:19:23,740
the Cold War now moving away from what

434
00:19:31,650 --> 00:19:26,650
just happened I want to just kind of

435
00:19:35,490 --> 00:19:31,660
give our listeners a a general idea of

436
00:19:39,210 --> 00:19:35,500
the typical incursion that might occur

437
00:19:42,180 --> 00:19:39,220
at one of these air bases that have

438
00:19:45,180 --> 00:19:42,190

these missile silos in them there are

439

00:19:47,370 --> 00:19:45,190

tell me if I'm wrong there are generally

440

00:19:50,370 --> 00:19:47,380

two layers to this there are the guys

441

00:19:53,310 --> 00:19:50,380

underneath the ground in front of the

442

00:19:55,350 --> 00:19:53,320

screams and in charge of the missile

443

00:19:57,610 --> 00:19:55,360

silos and then there are another group

444

00:20:00,420 --> 00:19:57,620

of airmen

445

00:20:04,150 --> 00:20:00,430

that are above ground who are watching

446

00:20:06,700 --> 00:20:04,160

the missile silos and there they're

447

00:20:09,970 --> 00:20:06,710

doing things above ground and generally

448

00:20:12,580 --> 00:20:09,980

these two groups operate somewhat

449

00:20:15,040 --> 00:20:12,590

separately and what happens to them

450

00:20:17,710 --> 00:20:15,050

during these incursions are somewhat

451

00:20:22,630 --> 00:20:17,720

different in the typical incursion the

452

00:20:27,120 --> 00:20:22,640

the UFO comes over the fellows up up top

453

00:20:30,850 --> 00:20:27,130

see see the UFO the UFO may or may not

454

00:20:34,510 --> 00:20:30,860

seem to shoot down a beam of light that

455

00:20:37,540 --> 00:20:34,520

goes into the area where the missiles

456

00:20:40,360 --> 00:20:37,550

are stored and then the gentleman

457

00:20:43,630 --> 00:20:40,370

downstairs find that the missiles have

458

00:20:45,910 --> 00:20:43,640

gone offline is that generally the way

459

00:20:47,680 --> 00:20:45,920

that these things work I mean not all of

460

00:20:50,530 --> 00:20:47,690

them obviously there's aberrant and

461

00:20:53,140 --> 00:20:50,540

different ones but is that kind of

462

00:20:57,370 --> 00:20:53,150

generally the way the scenario takes

463

00:20:59,919 --> 00:20:57,380

place it is and the co-sponsor of my

464

00:21:02,169 --> 00:20:59,929

press conference which CNN streamed live

465

00:21:06,100 --> 00:21:02,179

by the way if one goes to my home page

466

00:21:08,560 --> 00:21:06,110

again UFO a Steans comm one can look at

467

00:21:11,320 --> 00:21:08,570

the I think it's about 75 minute long

468

00:21:13,120 --> 00:21:11,330

press conference that CNN streamed where

469

00:21:15,730 --> 00:21:13,130

veterans were talking about these kinds

470

00:21:18,160 --> 00:21:15,740

of incidents the one that is most

471

00:21:21,790 --> 00:21:18,170

publicized that is representative by

472

00:21:24,370 --> 00:21:21,800

Robert Salas who was a former Air Force

473

00:21:26,620 --> 00:21:24,380

captain a nuclear missile launch officer

474

00:21:31,000 --> 00:21:26,630

who was at Malmstrom the same time my

475

00:21:33,220 --> 00:21:31,010

father was there in 1967 for almost 20

476
00:21:36,340 --> 00:21:33,230
years now he has publicly been speaking

477
00:21:38,320 --> 00:21:36,350
about his experience he was one of the

478
00:21:40,360 --> 00:21:38,330
launch officers 50 feet 60 feet

479
00:21:43,240 --> 00:21:40,370
underground in the launch capsule

480
00:21:45,220 --> 00:21:43,250
another officer named Fred Maiwald who

481
00:21:48,370 --> 00:21:45,230
retired as an Air Force colonel was with

482
00:21:50,260 --> 00:21:48,380
him my world was on rest break they're

483
00:21:53,770 --> 00:21:50,270
down there for like 24 hours so they

484
00:21:56,830 --> 00:21:53,780
take turns sleeping Salas was at the

485
00:21:59,350 --> 00:21:56,840
launch console Maiwald was sleeping

486
00:22:00,880 --> 00:21:59,360
Salas gets a call from a security guard

487
00:22:04,299 --> 00:22:00,890
saying we're seeing a strange object

488
00:22:05,980 --> 00:22:04,309

doing zigzag maneuvers in the sky

489

00:22:07,810 --> 00:22:05,990

Salas didn't know what to make of this

490

00:22:10,120 --> 00:22:07,820

he said well you know if anything else

491

00:22:11,410 --> 00:22:10,130

develops let me know and he said about

492

00:22:13,270 --> 00:22:11,420

five minutes later he

493

00:22:16,060 --> 00:22:13,280

another call from the security guards

494

00:22:19,060 --> 00:22:16,070

topside screaming into the phone that

495

00:22:21,970 --> 00:22:19,070

this round glowing orange object had now

496

00:22:24,340 --> 00:22:21,980

hovered suddenly approached the launch

497

00:22:27,460 --> 00:22:24,350

control castle was hovering directly

498

00:22:29,020 --> 00:22:27,470

over the front gate to the site and was

499

00:22:30,820 --> 00:22:29,030

too scaring the hell out of the guards

500

00:22:33,370 --> 00:22:30,830

one guard apparently was so panicked

501
00:22:35,590 --> 00:22:33,380
that he dropped his weapon and tried to

502
00:22:37,660 --> 00:22:35,600
climb the barbed wire fence to get out

503
00:22:41,020 --> 00:22:37,670
there by injuring himself le

504
00:22:42,420 --> 00:22:41,030
panic-stricken do it and salla said you

505
00:22:45,910 --> 00:22:42,430
know while he's taking all this

506
00:22:47,740 --> 00:22:45,920
reporting over the phone as he's looking

507
00:22:49,120 --> 00:22:47,750
at his launch consoles one after the

508
00:22:51,580 --> 00:22:49,130
other the ten missiles that he

509
00:22:53,470 --> 00:22:51,590
controlled dropped off alert status

510
00:22:56,320 --> 00:22:53,480
meaning they malfunctioned in some

511
00:22:58,420 --> 00:22:56,330
manner and could not be launched shortly

512
00:23:01,390 --> 00:22:58,430
thereafter the guard screams you know

513
00:23:03,660 --> 00:23:01,400

the objects left you know and I'm going

514

00:23:06,400 --> 00:23:03,670

to go take care of the injured Airmen so

515

00:23:09,760 --> 00:23:06,410

that's you know Sally says meanwhile

516

00:23:11,890 --> 00:23:09,770

woken up my world they get an indication

517

00:23:13,600 --> 00:23:11,900

an alarm at one of the other missiles

518

00:23:16,450 --> 00:23:13,610

you know they're here at a centrally

519

00:23:18,250 --> 00:23:16,460

located facility underground scattered

520

00:23:20,080 --> 00:23:18,260

around and in the countryside are 10

521

00:23:22,900 --> 00:23:20,090

different silos with missiles and them

522

00:23:25,330 --> 00:23:22,910

they get an alarm indication after this

523

00:23:27,130 --> 00:23:25,340

object has left they sent out two men

524

00:23:29,530 --> 00:23:27,140

what was called a security alert team

525

00:23:32,740 --> 00:23:29,540

and a jeep actually not a Jeep but a

526

00:23:36,310 --> 00:23:32,750

like a crew cab vehicle a pickup truck

527

00:23:37,750 --> 00:23:36,320

kind of vehicle and Sela said and my

528

00:23:40,060 --> 00:23:37,760

world has confirmed this I have

529

00:23:42,340 --> 00:23:40,070

interviewed him that when they got out

530

00:23:44,140 --> 00:23:42,350

to the missile silo they saw either the

531

00:23:47,260 --> 00:23:44,150

same or a different UFO hovering

532

00:23:49,360 --> 00:23:47,270

directly over that silo some ten miles

533

00:23:51,880 --> 00:23:49,370

distant from where they the launch

534

00:23:53,560 --> 00:23:51,890

control capsule was they were so freaked

535

00:23:55,480 --> 00:23:53,570

out these two guards that they

536

00:23:58,840 --> 00:23:55,490

immediately raced back to the launch

537

00:24:01,090 --> 00:23:58,850

control capsule and on the way there was

538

00:24:03,160 --> 00:24:01,100

radio interference which is quite common

539

00:24:05,890 --> 00:24:03,170

for UFO reports they could not

540

00:24:07,750 --> 00:24:05,900

communicate but Salas and Maiwald have

541

00:24:10,000 --> 00:24:07,760

said when they got back to the main

542

00:24:12,070 --> 00:24:10,010

facility they were just you know nervous

543

00:24:15,070 --> 00:24:12,080

wrecks one of them could not even keep

544

00:24:16,840 --> 00:24:15,080

his composure to the point that he could

545

00:24:19,210 --> 00:24:16,850

do his work they had to send him back

546

00:24:21,580 --> 00:24:19,220

early to the base hospital for

547

00:24:23,110 --> 00:24:21,590

psychiatric treatment he was just you

548

00:24:25,810 --> 00:24:23,120

know hadn't had a nervous breakdown

549

00:24:28,270 --> 00:24:25,820

apparently he was so terrified

550

00:24:30,310 --> 00:24:28,280

now the interesting thing this was at

551

00:24:34,120 --> 00:24:30,320

Oscars flight we pinned down the date

552

00:24:35,590 --> 00:24:34,130

long story short from other sources we

553

00:24:41,140 --> 00:24:35,600

know that occurred on the evening of

554

00:24:44,130 --> 00:24:41,150

March 24 2009 teen 67 and continued on

555

00:24:47,080 --> 00:24:44,140

into the early hours of March 25th

556

00:24:49,720 --> 00:24:47,090

fortunately another Air Force officer

557

00:24:52,150 --> 00:24:49,730

who was a targeting officer named Robert

558

00:24:54,070 --> 00:24:52,160

Jameson has also gone on the record he

559

00:24:58,360 --> 00:24:54,080

spoke at my press conference you can see

560

00:25:00,700 --> 00:24:58,370

his testimony in the at my website from

561

00:25:03,760 --> 00:25:00,710

the CNN covered interviewed streamed

562

00:25:06,190 --> 00:25:03,770

interview Jamison Jamison confirmed all

563

00:25:08,110 --> 00:25:06,200

of this he said he was on call he got a

564

00:25:10,120 --> 00:25:08,120

report that there was a problem out at

565

00:25:12,280 --> 00:25:10,130

Oscar flight he went down to the missile

566

00:25:14,860 --> 00:25:12,290

maintenance hangar at the base and was

567

00:25:16,600 --> 00:25:14,870

told that a UFO had shut down all ten of

568

00:25:19,540 --> 00:25:16,610

the nuclear missiles associated with

569

00:25:21,700 --> 00:25:19,550

Oscar flight and you know he didn't you

570

00:25:24,820 --> 00:25:21,710

know I mean you can imagine he's going

571

00:25:26,560 --> 00:25:24,830

what what happened you know and but then

572

00:25:29,290 --> 00:25:26,570

sure enough it was what he called the

573

00:25:31,210 --> 00:25:29,300

special briefing right before the cruise

574

00:25:33,430 --> 00:25:31,220

left for that site way out in the

575

00:25:36,430 --> 00:25:33,440

Montana countryside they were told

576

00:25:39,040 --> 00:25:36,440

formally that UFOs had been quote messin

577

00:25:41,700 --> 00:25:39,050

with the missiles and that they had to

578

00:25:45,160 --> 00:25:41,710

go back and there and bring them back up

579

00:25:46,750 --> 00:25:45,170

the exact nature of the problem seemed

580

00:25:49,300 --> 00:25:46,760

to be what was called guidance and

581

00:25:51,340 --> 00:25:49,310

control failure part of the guidance

582

00:25:54,250 --> 00:25:51,350

system to the missile in all 10 missiles

583

00:25:57,520 --> 00:25:54,260

had been screwed up with screwed with

584

00:25:59,860 --> 00:25:57,530

you know and somehow the UFO in this

585

00:26:02,340 --> 00:25:59,870

case no one saw a beam come down onto

586

00:26:05,260 --> 00:26:02,350

the missiles but there clearly was an

587

00:26:06,520 --> 00:26:05,270

association with the UFO being in the

588

00:26:09,280 --> 00:26:06,530

vicinity and all the missiles

589

00:26:11,800 --> 00:26:09,290

simultaneously having these guidance and

590

00:26:14,350 --> 00:26:11,810

control problems so that's you know that

591

00:26:16,630 --> 00:26:14,360

I guess I should conclude by saying that

592

00:26:18,040 --> 00:26:16,640

Salas said that he and my Wold were

593

00:26:21,310 --> 00:26:18,050

rushed back to the base they were

594

00:26:23,680 --> 00:26:21,320

debriefed by what's called an OSI Office

595

00:26:26,680 --> 00:26:23,690

of Special Investigations agent were

596

00:26:28,210 --> 00:26:26,690

sworn to secrecy they had to sign what

597

00:26:30,640 --> 00:26:28,220

are called national security

598

00:26:32,020 --> 00:26:30,650

non-disclosure statements saying that

599

00:26:35,380 --> 00:26:32,030

they couldn't even a talk about this

600

00:26:37,840 --> 00:26:35,390

among themselves and you know silence

601
00:26:39,140 --> 00:26:37,850
Alice kept his silence for three decades

602
00:26:42,470 --> 00:26:39,150
he finally

603
00:26:44,000 --> 00:26:42,480
mid 90s felt that as I feel the public

604
00:26:46,160 --> 00:26:44,010
has a right to know the facts and he

605
00:26:52,790 --> 00:26:46,170
began speaking about this publicly had

606
00:26:54,380 --> 00:26:52,800
he any any repercussions from that none

607
00:26:56,750 --> 00:26:54,390
of the people that I've talked to you

608
00:26:57,560 --> 00:26:56,760
including Salas have ever had any legal

609
00:27:00,430 --> 00:26:57,570
problems

610
00:27:04,580 --> 00:27:00,440
the FBI has not shown up at their door

611
00:27:07,760 --> 00:27:04,590
you know what I think is going on is the

612
00:27:09,530 --> 00:27:07,770
Pentagon is thinking probably that if

613
00:27:11,390 --> 00:27:09,540

they leaned on these guys who are

614

00:27:14,000 --> 00:27:11,400

willing to come out and speak to CNN

615

00:27:15,350 --> 00:27:14,010

about all of this if they suddenly start

616

00:27:17,510 --> 00:27:15,360

harassing these veterans

617

00:27:19,820 --> 00:27:17,520

these guys are likely just to go to the

618

00:27:22,549 --> 00:27:19,830

New York Times or you know Washington

619

00:27:25,040 --> 00:27:22,559

Post and say you know I was involved in

620

00:27:27,080 --> 00:27:25,050

this incident and now the FBI or the Air

621

00:27:28,610 --> 00:27:27,090

Force is threatening me and that's just

622

00:27:33,080 --> 00:27:28,620

more unwanted publicity

623

00:27:34,970 --> 00:27:33,090

so again of all the people 150 plus at

624

00:27:38,090 --> 00:27:34,980

this point whom I've interviewed since

625

00:27:40,190 --> 00:27:38,100

1973 not one of them has ever said to me

626
00:27:43,610 --> 00:27:40,200
you know after I talk to you you know I

627
00:27:45,500 --> 00:27:43,620
was threatened by the government so the

628
00:27:49,790 --> 00:27:45,510
the active-duty guys that's a different

629
00:27:51,230 --> 00:27:49,800
story I have made it a point not to talk

630
00:27:53,570 --> 00:27:51,240
to active duty military personnel

631
00:27:56,270 --> 00:27:53,580
because I don't want to impact their

632
00:27:58,669 --> 00:27:56,280
careers negatively you know if their

633
00:28:00,940 --> 00:27:58,679
commanders or someone else's becomes

634
00:28:03,620 --> 00:28:00,950
aware of me talking to them and so on so

635
00:28:05,720 --> 00:28:03,630
but as far as the veterans the Pentagon

636
00:28:07,840 --> 00:28:05,730
and the intelligence community just

637
00:28:11,390 --> 00:28:07,850
seems to seem to leave these guys alone

638
00:28:12,980 --> 00:28:11,400

you know I think also other the the fact

639

00:28:16,040 --> 00:28:12,990

that you report these Airmen being

640

00:28:17,990 --> 00:28:16,050

terrified it's one thing to talk about

641

00:28:20,570 --> 00:28:18,000

this a read about it but something else

642

00:28:23,330 --> 00:28:20,580

to see a representation of this in your

643

00:28:27,820 --> 00:28:23,340

movie this is Robert Hastings that were

644

00:28:31,160 --> 00:28:27,830

speaking to and the movie was just a

645

00:28:32,960 --> 00:28:31,170

really excellent I mean it I think I

646

00:28:35,240 --> 00:28:32,970

like it because it's not very

647

00:28:37,910 --> 00:28:35,250

sensational at all it's just like these

648

00:28:41,600 --> 00:28:37,920

wraps bumbum documentary perfect

649

00:28:43,790 --> 00:28:41,610

documentary you want balls and nukes

650

00:28:46,220 --> 00:28:43,800

the secret link revealed this is the

651
00:28:48,590 --> 00:28:46,230
name of the documentary film available

652
00:28:52,610 --> 00:28:48,600
on Vimeo go ahead yeah no I was going to

653
00:28:53,030 --> 00:28:52,620
say by Robert Hayes yes but well over

654
00:28:55,340 --> 00:28:53,040
the

655
00:28:58,370 --> 00:28:55,350
relation you know I've gotten thousands

656
00:29:00,950 --> 00:28:58,380
of contacts especially now that people

657
00:29:04,220 --> 00:29:00,960
have email I mean prior to email I would

658
00:29:07,010 --> 00:29:04,230
get pandering letters from people all

659
00:29:09,080 --> 00:29:07,020
over the world actually saying why I

660
00:29:11,360 --> 00:29:09,090
like you you know what you do is that

661
00:29:13,460 --> 00:29:11,370
you're not sensationalistic you don't

662
00:29:14,930 --> 00:29:13,470
make claims that you can't verify you

663
00:29:16,730 --> 00:29:14,940

have credible witnesses you have

664

00:29:19,610 --> 00:29:16,740

documents to back up what you're saying

665

00:29:22,430 --> 00:29:19,620

and it's clear that this is all based in

666

00:29:25,550 --> 00:29:22,440

factual reality it's not speculative

667

00:29:30,140 --> 00:29:25,560

it's not you know fanciful and so on so

668

00:29:33,050 --> 00:29:30,150

yes my film in nineteen excuse me twenty

669

00:29:35,270 --> 00:29:33,060

twelve I was contacted by a man named

670

00:29:38,000 --> 00:29:35,280

Jared Carvel he was one of the

671

00:29:44,390 --> 00:29:38,010

cofounders of the Etsy website EPSA duck

672

00:29:47,000 --> 00:29:44,400

at sea ETS why.com yes and fortunately

673

00:29:48,860 --> 00:29:47,010

he read my book he was a UFO skeptic I

674

00:29:51,500 --> 00:29:48,870

turned him around completely I mean he

675

00:29:54,620 --> 00:29:51,510

was blown away by the book and he said

676

00:29:57,260 --> 00:29:54,630

you know I'm I'm well-to-do I have a lot

677

00:29:58,910 --> 00:29:57,270

of money can I help you and I said well

678

00:30:00,890 --> 00:29:58,920

you know I've never really taken money

679

00:30:02,660 --> 00:30:00,900

from people before and he basically

680

00:30:05,240 --> 00:30:02,670

wrote back and said you know listen

681

00:30:06,980 --> 00:30:05,250

Poole I am a millionaire you're probably

682

00:30:09,980 --> 00:30:06,990

not why don't you let me help you you

683

00:30:11,780 --> 00:30:09,990

know and so long story short he ended up

684

00:30:13,490 --> 00:30:11,790

eventually shelling out a hundred and

685

00:30:16,670 --> 00:30:13,500

fifty thousand dollars to make this

686

00:30:19,670 --> 00:30:16,680

documentary film anyone who's not made a

687

00:30:21,950 --> 00:30:19,680

film you would not believe how expensive

688

00:30:25,970 --> 00:30:21,960

this type of production can become very

689

00:30:29,090 --> 00:30:25,980

quickly in any case you know the film is

690

00:30:32,600 --> 00:30:29,100

48 minutes long it is available again at

691

00:30:36,050 --> 00:30:32,610

Demio com you just search for UFOs and

692

00:30:39,740 --> 00:30:36,060

nukes the feedback has been

693

00:30:41,530 --> 00:30:39,750

overwhelmingly favorable in just the two

694

00:30:45,950 --> 00:30:41,540

or three months that it's been available

695

00:30:48,350 --> 00:30:45,960

it's generated in terms of the responses

696

00:30:50,450 --> 00:30:48,360

I've gotten via email over a thousand

697

00:30:52,490 --> 00:30:50,460

responses two or three of which were

698

00:30:54,410 --> 00:30:52,500

critical the rest people just were

699

00:30:57,020 --> 00:30:54,420

diffusive and they're praised because it

700

00:30:59,960 --> 00:30:57,030

is documented it's not it's not

701
00:31:01,850 --> 00:30:59,970
sensationalistic and what many many

702
00:31:03,320 --> 00:31:01,860
people have commented on is the fact

703
00:31:05,600 --> 00:31:03,330
that you can see these veterans on

704
00:31:07,049 --> 00:31:05,610
camera discussing that length the

705
00:31:08,460 --> 00:31:07,059
incidents they were in go

706
00:31:10,980 --> 00:31:08,470
then you don't have to just read their

707
00:31:12,690 --> 00:31:10,990
testimony in an article in my book you

708
00:31:14,820 --> 00:31:12,700
know it seems to have an extra dimension

709
00:31:17,999 --> 00:31:14,830
of impact to see these guys who are all

710
00:31:20,879 --> 00:31:18,009
in their 70s and 80s very articulately

711
00:31:22,470 --> 00:31:20,889
speaking about one the UFO shut down

712
00:31:25,680 --> 00:31:22,480
their missiles and how they were told

713
00:31:29,220 --> 00:31:25,690

never to talk about it it's quite it has

714

00:31:31,110 --> 00:31:29,230

quite a bit of impact well for every for

715

00:31:33,960 --> 00:31:31,120

each one of these hundred and fifty

716

00:31:36,629 --> 00:31:33,970

gentlemen who have come out and told you

717

00:31:38,489 --> 00:31:36,639

these things there are probably at least

718

00:31:42,210 --> 00:31:38,499

ten others who have not would you

719

00:31:43,980 --> 00:31:42,220

suspect that that's it and at the end of

720

00:31:46,320 --> 00:31:43,990

the program at the end of the film I

721

00:31:48,269 --> 00:31:46,330

asked veterans to contact me I even have

722

00:31:51,840 --> 00:31:48,279

my website on the screen so people can

723

00:31:54,269 --> 00:31:51,850

read it I have always tried to generate

724

00:31:56,129 --> 00:31:54,279

new sources to you know further

725

00:31:59,669 --> 00:31:56,139

strengthen the argument that this is

726
00:32:01,739 --> 00:31:59,679
real and ongoing I'm aware of incidents

727
00:32:03,509 --> 00:32:01,749
just even in the last five years other

728
00:32:05,850 --> 00:32:03,519
than the one that I mentioned that Fe

729
00:32:08,190 --> 00:32:05,860
were in Air Force Base where UFO

730
00:32:11,039 --> 00:32:08,200
activity at either missile sites or

731
00:32:15,269 --> 00:32:11,049
nuclear warhead storage that those or

732
00:32:16,980 --> 00:32:15,279
bomb storage depots it's ongoing and you

733
00:32:19,739 --> 00:32:16,990
know there are veterans now security

734
00:32:21,629 --> 00:32:19,749
policemen and others who were with the

735
00:32:23,999 --> 00:32:21,639
Air Force for four years they're not now

736
00:32:26,489 --> 00:32:24,009
out there in their late 20s or early 30s

737
00:32:29,850 --> 00:32:26,499
and they're contacting me with some

738
00:32:32,310 --> 00:32:29,860

amazing stories unlike the older guys

739

00:32:34,289 --> 00:32:32,320

all of whom were you know involved in

740

00:32:36,720 --> 00:32:34,299

incident from the 60s and 70s and

741

00:32:38,310 --> 00:32:36,730

they're now retired these younger guys

742

00:32:40,049 --> 00:32:38,320

are a little more reluctant to come

743

00:32:42,090 --> 00:32:40,059

forward because they still have careers

744

00:32:44,909 --> 00:32:42,100

they have jobs and they're just afraid

745

00:32:47,009 --> 00:32:44,919

that you know by saying that you know

746

00:32:49,200 --> 00:32:47,019

UFOs are messing with our nukes is

747

00:32:51,029 --> 00:32:49,210

somehow going to come back to haunt them

748

00:32:53,970 --> 00:32:51,039

in terms of their professional careers

749

00:32:56,940 --> 00:32:53,980

so they're a little more reluctant might

750

00:32:59,639 --> 00:32:56,950

one of my goals is hopefully within five

751
00:33:01,529 --> 00:32:59,649
years to get some of the younger

752
00:33:03,299 --> 00:33:01,539
veterans willing to go again back to

753
00:33:05,789 --> 00:33:03,309
Washington to the National Press Club

754
00:33:08,129 --> 00:33:05,799
and have a repeat of my press conference

755
00:33:10,649 --> 00:33:08,139
but with younger veterans describing

756
00:33:13,259 --> 00:33:10,659
incidents that have taken place just in

757
00:33:15,480 --> 00:33:13,269
the last ten years you know the point I

758
00:33:17,609 --> 00:33:15,490
make again and again is this did not go

759
00:33:20,010 --> 00:33:17,619
away decades ago you know at the end of

760
00:33:22,400 --> 00:33:20,020
the Cold War we still have nukes

761
00:33:25,860 --> 00:33:22,410
Russians have nukes the North Korean

762
00:33:28,590 --> 00:33:25,870
North Koreans have nukes the UFOs are

763
00:33:32,160 --> 00:33:28,600

still very interested in the nuclear

764

00:33:34,830 --> 00:33:32,170

weapons situation and I just think I

765

00:33:36,330 --> 00:33:34,840

guess to my last dying day that this is

766

00:33:38,370 --> 00:33:36,340

something that should not be hidden from

767

00:33:41,190 --> 00:33:38,380

the public house only Americans but

768

00:33:44,760 --> 00:33:41,200

people everywhere have you at all looked

769

00:33:47,490 --> 00:33:44,770

into the biggest nuclear disaster of our

770

00:33:50,430 --> 00:33:47,500

time that keeps unfolding which is the

771

00:33:54,000 --> 00:33:50,440

Fukushima meltdown the the whole thing

772

00:33:58,070 --> 00:33:54,010

that happened there in in Japan and

773

00:34:00,410 --> 00:33:58,080

still continues to generate of gallons

774

00:34:03,240 --> 00:34:00,420

thousands of gallons of nuclear waste

775

00:34:05,310 --> 00:34:03,250

every day miss poisoning the ocean and

776

00:34:07,980 --> 00:34:05,320

probably killing a whole bunch of

777

00:34:10,620 --> 00:34:07,990

Japanese people at the same time as well

778

00:34:13,260 --> 00:34:10,630

as people on the islands and moving over

779

00:34:17,990 --> 00:34:13,270

to the west coast of the United States

780

00:34:22,020 --> 00:34:18,000

has there have been any of UFO sightings

781

00:34:24,690 --> 00:34:22,030

incursions anything involving that you

782

00:34:26,550 --> 00:34:24,700

know there have been us weather I've

783

00:34:30,270 --> 00:34:26,560

looked into it I really have not

784

00:34:32,639 --> 00:34:30,280

investigated it per se because of other

785

00:34:34,530 --> 00:34:32,649

factors I don't speak Japanese

786

00:34:36,300 --> 00:34:34,540

having good communications with people

787

00:34:38,880 --> 00:34:36,310

that might have information about that

788

00:34:40,860 --> 00:34:38,890

it would be a little difficult for me to

789

00:34:43,680 --> 00:34:40,870

really get some credible sources and go

790

00:34:47,850 --> 00:34:43,690

through the translation process among

791

00:34:50,190 --> 00:34:47,860

other factors however shortly after it

792

00:34:52,850 --> 00:34:50,200

occurred I'm aware of some hoaxes that

793

00:34:55,260 --> 00:34:52,860

appeared on the Internet where people

794

00:34:58,200 --> 00:34:55,270

allege that they had caught videos of

795

00:35:01,530 --> 00:34:58,210

UFOs above Fukushima every one of those

796

00:35:03,780 --> 00:35:01,540

that I saw early on after the accident

797

00:35:07,230 --> 00:35:03,790

in 2011 were fraudulent they were

798

00:35:09,690 --> 00:35:07,240

clearly other objects than bonafide UFOs

799

00:35:13,050 --> 00:35:09,700

so I became a little disenchanted with

800

00:35:15,690 --> 00:35:13,060

the whole Fukushima thing however not

801
00:35:17,370 --> 00:35:15,700
even a year ago I believe it was I was

802
00:35:20,940 --> 00:35:17,380
presented with a couple of security

803
00:35:22,620 --> 00:35:20,950
camera films caretaking at the Fukushima

804
00:35:24,750 --> 00:35:22,630
plant you can see it in the foreground

805
00:35:27,330 --> 00:35:24,760
in the field of the view of the cameras

806
00:35:29,400 --> 00:35:27,340
in which there are on these two films

807
00:35:32,070 --> 00:35:29,410
objects moving in the sky that clearly

808
00:35:33,960 --> 00:35:32,080
are not conventional aircraft so I think

809
00:35:36,120 --> 00:35:33,970
there are some legitimate tapes

810
00:35:38,820 --> 00:35:36,130
out there are some videos that would

811
00:35:41,609 --> 00:35:38,830
suggest the UFO presence at this site

812
00:35:45,000 --> 00:35:41,619
and based on everything I know about the

813
00:35:46,859 --> 00:35:45,010

situation going back decades you know

814

00:35:49,530 --> 00:35:46,869

this would not surprise me in the least

815

00:35:52,099 --> 00:35:49,540

the in my book I briefly discussed the

816

00:35:55,620 --> 00:35:52,109

fact that shortly after the Chernobyl

817

00:36:00,210 --> 00:35:55,630

reactor in Ukraine so that Ukraine

818

00:36:02,430 --> 00:36:00,220

exploded in April 1986 apparently there

819

00:36:05,670 --> 00:36:02,440

were Soviet radiation monitoring teams

820

00:36:08,790 --> 00:36:05,680

on site who observed what was described

821

00:36:10,950 --> 00:36:08,800

as a brass colored sphere hovering

822

00:36:13,620 --> 00:36:10,960

directly above the damaged rack reactor

823

00:36:15,420 --> 00:36:13,630

just a few hours after it exploded and

824

00:36:18,390 --> 00:36:15,430

these people were there monitoring

825

00:36:20,339 --> 00:36:18,400

monitoring the ambient radiation the

826

00:36:22,170 --> 00:36:20,349

reports that later appeared in the

827

00:36:25,109 --> 00:36:22,180

Soviet actually Russian by that point

828

00:36:27,599 --> 00:36:25,119

Russian media and Ukrainian media named

829

00:36:30,870 --> 00:36:27,609

one of these soviet radiation team

830

00:36:33,690 --> 00:36:30,880

members he described seeing the sphere

831

00:36:36,030 --> 00:36:33,700

that hovered above the plant sending

832

00:36:38,849 --> 00:36:36,040

down what he called to crimson colored

833

00:36:42,300 --> 00:36:38,859

beams of light into the reactor right

834

00:36:43,829 --> 00:36:42,310

into the damaged pile and he estimated

835

00:36:45,900 --> 00:36:43,839

for some three to five minutes this

836

00:36:48,240 --> 00:36:45,910

thing hovered above the site it raced

837

00:36:51,349 --> 00:36:48,250

away he said there were hundreds of

838

00:36:55,109 --> 00:36:51,359

witnesses and the most dramatic

839

00:36:57,599 --> 00:36:55,119

revelation was that based on their

840

00:36:59,790 --> 00:36:57,609

readings of the ambient radiation in the

841

00:37:01,740 --> 00:36:59,800

air when they first got there when this

842

00:37:04,050 --> 00:37:01,750

object left according to this source

843

00:37:08,040 --> 00:37:04,060

mentioned Vulcan the Soviet or Russian

844

00:37:10,950 --> 00:37:08,050

again and Ukrainian press he said that

845

00:37:14,550 --> 00:37:10,960

the radiant the ambient rather radiation

846

00:37:16,320 --> 00:37:14,560

level had dropped by two-thirds and when

847

00:37:18,800 --> 00:37:16,330

they when they next measured it in the

848

00:37:21,390 --> 00:37:18,810

air it seemingly the suggestion was that

849

00:37:23,310 --> 00:37:21,400

whatever this UFO did with these beams

850

00:37:26,700 --> 00:37:23,320

of light somehow it had lowered the

851
00:37:29,160 --> 00:37:26,710
radiation level did those being somehow

852
00:37:31,280 --> 00:37:29,170
coat the pile with like LED you know

853
00:37:33,750 --> 00:37:31,290
which would have made it less

854
00:37:35,910 --> 00:37:33,760
radioactive it you know the radiation

855
00:37:38,220 --> 00:37:35,920
can't get through lead or who knows what

856
00:37:42,960 --> 00:37:38,230
went on but all of this was described in

857
00:37:46,290 --> 00:37:42,970
a very cogent convincing fashion so I

858
00:37:47,500 --> 00:37:46,300
would not be surprised if whoever were

859
00:37:49,810 --> 00:37:47,510
flying these

860
00:37:53,140 --> 00:37:49,820
have would take an immediate and ongoing

861
00:37:55,390 --> 00:37:53,150
interest in Fukushima well it strikes me

862
00:37:59,140 --> 00:37:55,400
to it when you go back to the 60s and

863
00:38:02,380 --> 00:37:59,150

the technology the computers of that era

864

00:38:05,860 --> 00:38:02,390

were obviously in today's world very

865

00:38:07,870 --> 00:38:05,870

rudimentary and so it was always amazing

866

00:38:09,880 --> 00:38:07,880

that they could be shut down and yet

867

00:38:12,820 --> 00:38:09,890

with wireless technology which I'm

868

00:38:15,250 --> 00:38:12,830

pretty sure is available to a UFO it

869

00:38:18,550 --> 00:38:15,260

that's obviously what they did and as

870

00:38:21,280 --> 00:38:18,560

the technology has a technology

871

00:38:23,590 --> 00:38:21,290

increased with these I'd be ICBMs or are

872

00:38:26,470 --> 00:38:23,600

they sort of forced into keeping the

873

00:38:27,700 --> 00:38:26,480

same type because of just because they

874

00:38:31,750 --> 00:38:27,710

have to change absolutely everything

875

00:38:34,060 --> 00:38:31,760

over my understanding talking to the

876

00:38:36,040 --> 00:38:34,070

veterans is that the systems have

877

00:38:38,380 --> 00:38:36,050

progressed the the hardware and in the

878

00:38:40,300 --> 00:38:38,390

Phils themselves but it seems like the

879

00:38:42,010 --> 00:38:40,310

infrastructure for example the telephone

880

00:38:44,500 --> 00:38:42,020

systems down in the launch control

881

00:38:47,200 --> 00:38:44,510

capsules you know they're still being

882

00:38:49,720 --> 00:38:47,210

ruined by floppy discs and you know

883

00:38:50,710 --> 00:38:49,730

there's some current outcry about you

884

00:38:52,720 --> 00:38:50,720

know if we're going to have these nukes

885

00:38:57,250 --> 00:38:52,730

we really need to upgrade on the support

886

00:38:59,950 --> 00:38:57,260

systems but one of the one of the

887

00:39:02,290 --> 00:38:59,960

veterans Bruce Spencer mocker who was

888

00:39:05,020 --> 00:39:02,300

involved in an incident EFI warning I

889

00:39:06,910 --> 00:39:05,030

mentioned it in my film he was a launch

890

00:39:08,590 --> 00:39:06,920

officer got a report of this huge

891

00:39:11,440 --> 00:39:08,600

cigar-shaped out you're covering over

892

00:39:13,420 --> 00:39:11,450

his his launch control capsule and got

893

00:39:16,210 --> 00:39:13,430

these extended reports from the guards

894

00:39:17,950 --> 00:39:16,220

he ordered them out to chase this thing

895

00:39:20,140 --> 00:39:17,960

it was moving from this little missile

896

00:39:22,750 --> 00:39:20,150

he later learned that they were so

897

00:39:24,960 --> 00:39:22,760

terrified they kept making up excuses as

898

00:39:27,670 --> 00:39:24,970

to why they they could not go out there

899

00:39:29,320 --> 00:39:27,680

but I mentioned that he talked in the

900

00:39:31,960 --> 00:39:29,330

film about what happened there and being

901
00:39:35,800 --> 00:39:31,970
sworn to secrecy and so on but he told

902
00:39:37,120 --> 00:39:35,810
me that by the time the mid-70s came

903
00:39:39,370 --> 00:39:37,130
around when he was in the Air Force

904
00:39:43,200 --> 00:39:39,380
there were some efforts to further

905
00:39:46,210 --> 00:39:43,210
shield the systems from external radio

906
00:39:49,450 --> 00:39:46,220
electromagnetic pulses rather which they

907
00:39:52,840 --> 00:39:49,460
think the best analysis is that somehow

908
00:39:55,420 --> 00:39:52,850
an EMP or electromagnetic pulse was

909
00:39:57,130 --> 00:39:55,430
injected directly into the cables that

910
00:40:00,580 --> 00:39:57,140
connected all the missiles of it mounts

911
00:40:01,390 --> 00:40:00,590
from when they went down and former

912
00:40:03,550 --> 00:40:01,400
captain

913
00:40:05,410 --> 00:40:03,560

Gemara was saying that he was aware the

914

00:40:07,720 --> 00:40:05,420

Air Force was upgrading security in

915

00:40:09,870 --> 00:40:07,730

terms of shielding the cable so they

916

00:40:12,760 --> 00:40:09,880

would be more resistant to

917

00:40:14,680 --> 00:40:12,770

electromagnetic pulse and based on what

918

00:40:17,950 --> 00:40:14,690

I know about the situation I suspect

919

00:40:20,530 --> 00:40:17,960

those actions were a direct result to be

920

00:40:23,350 --> 00:40:20,540

Air Force knowing that the UFOs had used

921

00:40:27,160 --> 00:40:23,360

EMP to shut down the missiles some 10

922

00:40:29,560 --> 00:40:27,170

years earlier at the Nam strim but you

923

00:40:31,750 --> 00:40:29,570

know it's the other thing you know if

924

00:40:33,340 --> 00:40:31,760

one has sort of a passing interest in

925

00:40:35,800 --> 00:40:33,350

this or has read about this on the

926

00:40:37,360 --> 00:40:35,810

internet at one website or another the

927

00:40:40,360 --> 00:40:37,370

sense is that maybe there were one or

928

00:40:41,760 --> 00:40:40,370

two one or two incidents it's clear

929

00:40:44,260 --> 00:40:41,770

there have been hundreds if not

930

00:40:47,560 --> 00:40:44,270

thousands of these incidents since the

931

00:40:49,450 --> 00:40:47,570

late 40s of UFOs hovering over and even

932

00:40:53,380 --> 00:40:49,460

tampering with American nuclear weapons

933

00:40:55,540 --> 00:40:53,390

it's just rampant you know and again and

934

00:40:59,400 --> 00:40:55,550

robbing one's - I'm sorry - interested

935

00:41:01,570 --> 00:40:59,410

by in Russia yeah there's a

936

00:41:03,850 --> 00:41:01,580

investigative television reporter named

937

00:41:06,400 --> 00:41:03,860

George Knapp many of your listeners will

938

00:41:08,260 --> 00:41:06,410

have heard of George Knapp he was

939

00:41:11,410 --> 00:41:08,270

involved for example in bringing forward

940

00:41:14,830 --> 00:41:11,420

Bob Lazar who made claims about his work

941

00:41:17,820 --> 00:41:14,840

on an alien craft that's for that aside

942

00:41:20,650 --> 00:41:17,830

whatever the merits of those claims

943

00:41:22,560 --> 00:41:20,660

George Knapp was in Russia shortly after

944

00:41:25,000 --> 00:41:22,570

the collapse of the Soviet Union

945

00:41:25,740 --> 00:41:25,010

interviewing former Soviet Army

946

00:41:28,570 --> 00:41:25,750

personnel

947

00:41:31,300 --> 00:41:28,580

one of whom Boris Sokolov who was a

948

00:41:33,490 --> 00:41:31,310

colonel retired colonel had in his

949

00:41:36,700 --> 00:41:33,500

possession some still top-secret

950

00:41:40,600 --> 00:41:36,710

documents about UFO incursions at Soviet

951
00:41:45,310 --> 00:41:40,610
missile sites and amazingly and and with

952
00:41:47,650 --> 00:41:45,320
Colonel Sacco loves you know cooperation

953
00:41:51,010 --> 00:41:47,660
in effect or approval George Knapp

954
00:41:53,290 --> 00:41:51,020
smuggled these several hundred pages of

955
00:41:56,740 --> 00:41:53,300
secret documents about these nuclear

956
00:42:00,160 --> 00:41:56,750
missile cases and in Russia to the west

957
00:42:02,500 --> 00:42:00,170
and I presented two of them in my film

958
00:42:05,920 --> 00:42:02,510
where they're describing in one case a

959
00:42:09,370 --> 00:42:05,930
UFO sending down a beam laser light beam

960
00:42:12,100 --> 00:42:09,380
onto a nuclear warhead storage depot

961
00:42:13,860 --> 00:42:12,110
missile warhead storage Depot and there

962
00:42:15,220 --> 00:42:13,870
were hundreds of witnesses at this base

963
00:42:21,250 --> 00:42:15,230

at

964

00:42:24,880 --> 00:42:21,260

disc hovering above the nuclear Depot

965

00:42:28,349 --> 00:42:24,890

and sending down this beam directly onto

966

00:42:32,440 --> 00:42:28,359

the roof of the building another case in

967

00:42:35,530 --> 00:42:32,450

1982 in Soviet Ukraine where a huge disc

968

00:42:38,980 --> 00:42:35,540

disc shaped craft hovered above a

969

00:42:42,580 --> 00:42:38,990

intermediate intermediate range nuclear

970

00:42:44,440 --> 00:42:42,590

missile site in Soviet Ukraine and for

971

00:42:46,420 --> 00:42:44,450

15 seconds while this object was

972

00:42:49,090 --> 00:42:46,430

hovering above the missile base the

973

00:42:51,310 --> 00:42:49,100

missiles some unspecified number of

974

00:42:52,599 --> 00:42:51,320

missiles went into countdown mode they

975

00:42:55,060 --> 00:42:52,609

preparing the catch

976
00:42:59,109 --> 00:42:55,070
that was an end or a the best out of all

977
00:43:02,500 --> 00:42:59,119
of this thank God 15 seconds 15 seconds

978
00:43:04,270 --> 00:43:02,510
you know the missile security people one

979
00:43:06,370 --> 00:43:04,280
of the witnesses said that they look

980
00:43:09,010 --> 00:43:06,380
like old men he said their hair turned

981
00:43:13,060 --> 00:43:09,020
gray you know clearly trying to explain

982
00:43:14,859 --> 00:43:13,070
how terrified they were and from from

983
00:43:16,780 --> 00:43:14,869
one of the stories about that too the

984
00:43:18,670 --> 00:43:16,790
one guy was so terrified you know what

985
00:43:20,530 --> 00:43:18,680
to do he actually pulled the plugs out

986
00:43:22,870 --> 00:43:20,540
of the wall tried to disconnect

987
00:43:25,570 --> 00:43:22,880
everything I don't that's probably just

988
00:43:27,640 --> 00:43:25,580

hearsay but what careful situation I've

989

00:43:29,800 --> 00:43:27,650

not heard that but you know but I do

990

00:43:33,340 --> 00:43:29,810

know that they had no control over this

991

00:43:36,070 --> 00:43:33,350

countdown as I mentioned in my film I

992

00:43:38,190 --> 00:43:36,080

one of my veterans who I show in the

993

00:43:40,390 --> 00:43:38,200

film David Shore he was formerly a

994

00:43:42,430 --> 00:43:40,400

captain in the Air Force and nuclear

995

00:43:45,460 --> 00:43:42,440

missile launch officer at Minot Air

996

00:43:47,830 --> 00:43:45,470

Force Base North Dakota in the 60s he

997

00:43:50,290 --> 00:43:47,840

described a similar incident first to me

998

00:43:53,260 --> 00:43:50,300

on audio tape in my book and then later

999

00:43:55,810 --> 00:43:53,270

in the film saying that he got a call

1000

00:43:58,660 --> 00:43:55,820

from his guard top guard from ground

1001
00:44:00,910 --> 00:43:58,670
levels down to the capsule saying we're

1002
00:44:02,859 --> 00:44:00,920
looking at this bright disc shaped

1003
00:44:06,310 --> 00:44:02,869
object moving from missile to missile to

1004
00:44:07,599 --> 00:44:06,320
missile and captain Shaw said that when

1005
00:44:10,810 --> 00:44:07,609
the guard said it was over

1006
00:44:13,210 --> 00:44:10,820
efore suddenly ii4 down on his console

1007
00:44:15,460 --> 00:44:13,220
would light up and was clearly going

1008
00:44:18,820 --> 00:44:15,470
into countdown mode with some watch a

1009
00:44:20,849 --> 00:44:18,830
mode and sure-sure said that they would

1010
00:44:23,290 --> 00:44:20,859
flip what's called an inhibit switch and

1011
00:44:25,420 --> 00:44:23,300
then the guard would say it's now moved

1012
00:44:28,300 --> 00:44:25,430
on to e6 and suddenly down in the

1013
00:44:29,019 --> 00:44:28,310

capsule of light denoting e6 would move

1014

00:44:31,299 --> 00:44:29,029

on a

1015

00:44:33,519 --> 00:44:31,309

go on indicating that that missile was

1016

00:44:37,959 --> 00:44:33,529

now in countdown mode just very

1017

00:44:40,899 --> 00:44:37,969

terrifying stuff and you know sure said

1018

00:44:42,880 --> 00:44:40,909

that he you know he thinks out of the

1019

00:44:45,099 --> 00:44:42,890

ten missiles that he control probably

1020

00:44:46,870 --> 00:44:45,109

eight of them had this problem and in

1021

00:44:51,130 --> 00:44:46,880

each case they had to flip this inhibit

1022

00:44:53,409 --> 00:44:51,140

switch because to all indications these

1023

00:44:55,599 --> 00:44:53,419

missiles were preparing to launch if

1024

00:44:59,380 --> 00:44:55,609

they had of course it would have been

1025

00:45:02,890 --> 00:44:59,390

World War three uh what I what I say in

1026

00:45:05,499 --> 00:45:02,900

my film is I don't think those aboard

1027

00:45:07,809 --> 00:45:05,509

the UFO either in Russia or America

1028

00:45:09,789 --> 00:45:07,819

we're trying to start a war but what

1029

00:45:12,039 --> 00:45:09,799

they were probably doing was activating

1030

00:45:15,549 --> 00:45:12,049

the launch sequence to try to learn how

1031

00:45:17,499 --> 00:45:15,559

it worked electronically and and so you

1032

00:45:18,939 --> 00:45:17,509

know if in fact it ever came to at the

1033

00:45:21,849 --> 00:45:18,949

point where we were going to launch

1034

00:45:24,399 --> 00:45:21,859

nuclear war or the Russians were these

1035

00:45:27,039 --> 00:45:24,409

whoever these people are in this craft

1036

00:45:29,229 --> 00:45:27,049

they would have the ability to interfere

1037

00:45:31,899 --> 00:45:29,239

with the launch sequences that's my high

1038

00:45:35,709 --> 00:45:31,909

pot that's my hypothesis that brings me

1039

00:45:39,519 --> 00:45:35,719

to a two-part question the first part is

1040

00:45:44,859 --> 00:45:39,529

um it seems as though aside from the

1041

00:45:47,140 --> 00:45:44,869

people in the capsules when the the

1042

00:45:50,079 --> 00:45:47,150

missile seemed like that they were going

1043

00:45:53,799 --> 00:45:50,089

to launch aside from that form of terror

1044

00:45:56,799 --> 00:45:53,809

that the topside fellows they seem to

1045

00:46:00,120 --> 00:45:56,809

have had a lot of terror

1046

00:46:04,329 --> 00:46:00,130

going on just from having seen the UFOs

1047

00:46:06,039 --> 00:46:04,339

and they experienced such things as like

1048

00:46:10,449 --> 00:46:06,049

you said the gentlemen trying to climb

1049

00:46:14,620 --> 00:46:10,459

out of the out of the base and also in

1050

00:46:16,509 --> 00:46:14,630

one of your film of Clips there was a

1051

00:46:19,359 --> 00:46:16,519

fellow that went into a fetal position

1052

00:46:23,649 --> 00:46:19,369

and could not be coaxed out of it for

1053

00:46:25,749 --> 00:46:23,659

some about a time now there is a some

1054

00:46:29,949 --> 00:46:25,759

form of a directive that we have heard

1055

00:46:33,989 --> 00:46:29,959

about that people have done a study that

1056

00:46:38,469 --> 00:46:33,999

said that the entire fabric of society

1057

00:46:41,979 --> 00:46:38,479

would fray and perhaps collapse if it

1058

00:46:42,700 --> 00:46:41,989

will reveal that UFOs were visiting the

1059

00:46:45,160 --> 00:46:42,710

earth

1060

00:46:47,500 --> 00:46:45,170

there's been a lot of arguments to and

1061

00:46:50,440 --> 00:46:47,510

fro amongst you follow gist as to

1062

00:46:52,570 --> 00:46:50,450

whether this would actually happen and

1063

00:46:54,730 --> 00:46:52,580

what is your opinion having spoken to

1064

00:46:57,339 --> 00:46:54,740

some of these fellows who've seen these

1065

00:47:00,130 --> 00:46:57,349

UFOs and in fact panicked well don't

1066

00:47:01,750 --> 00:47:00,140

forget to I mean these they weren't

1067

00:47:03,460 --> 00:47:01,760

seeing in the middle of the city with

1068

00:47:05,050 --> 00:47:03,470

everyone however around saying yeah

1069

00:47:07,630 --> 00:47:05,060

what's that I mean they're out in the

1070

00:47:10,150 --> 00:47:07,640

middle of nowhere God's own country and

1071

00:47:11,980 --> 00:47:10,160

it's pitch dark and you know this

1072

00:47:13,870 --> 00:47:11,990

happens a lot to people out in the

1073

00:47:16,359 --> 00:47:13,880

middle of nowhere apparent well I know

1074

00:47:18,490 --> 00:47:16,369

they've got some little popgun of a

1075

00:47:20,770 --> 00:47:18,500

rifle out there and then this huge thing

1076

00:47:22,690 --> 00:47:20,780

comes over their head and shoots down

1077

00:47:24,370 --> 00:47:22,700

beams of light and missiles are going

1078

00:47:27,370 --> 00:47:24,380

off yeah they're scary and what are they

1079

00:47:31,260 --> 00:47:27,380

89 years old what what I mean exactly

1080

00:47:33,730 --> 00:47:31,270

wouldn't it change ine point yeah

1081

00:47:36,040 --> 00:47:33,740

actually in my book I mentioned for

1082

00:47:38,050 --> 00:47:36,050

example in 1959 the Brookings

1083

00:47:40,120 --> 00:47:38,060

Institution which is a think-tank

1084

00:47:42,670 --> 00:47:40,130

right did a study for NASA there was

1085

00:47:45,130 --> 00:47:42,680

another study by the RAND Corporation

1086

00:47:49,120 --> 00:47:45,140

which is a think tank for the Air Force

1087

00:47:51,849 --> 00:47:49,130

in 1966 fifty-eight both of those would

1088

00:47:54,099 --> 00:47:51,859

be classified in either case in both

1089

00:47:57,010 --> 00:47:54,109

cases I should say the analysts at these

1090

00:48:00,040 --> 00:47:57,020

think tanks told NASA and the Air Force

1091

00:48:03,760 --> 00:48:00,050

that there was potential for public

1092

00:48:06,190 --> 00:48:03,770

panic human systems such as economic

1093

00:48:08,200 --> 00:48:06,200

system could collapse opposed some

1094

00:48:10,900 --> 00:48:08,210

president gets on TV and says that

1095

00:48:12,910 --> 00:48:10,910

beings from another world or here you

1096

00:48:14,589 --> 00:48:12,920

know some number of people might take a

1097

00:48:16,500 --> 00:48:14,599

large number of people might take their

1098

00:48:19,120 --> 00:48:16,510

their stocks out of the stock market

1099

00:48:20,800 --> 00:48:19,130

bury their money in their backyard till

1100

00:48:22,680 --> 00:48:20,810

I see what happened you know I mean that

1101
00:48:25,120 --> 00:48:22,690
kind of thing where you suddenly have an

1102
00:48:26,349 --> 00:48:25,130
settled economic situation people

1103
00:48:28,780 --> 00:48:26,359
wondering you know what's going to

1104
00:48:31,540 --> 00:48:28,790
happen next and buying gold and silver

1105
00:48:32,140 --> 00:48:31,550
and all the rest of it but the the

1106
00:48:38,589 --> 00:48:32,150
Brookings

1107
00:48:41,290 --> 00:48:38,599
you know human religions could be

1108
00:48:42,820 --> 00:48:41,300
impacted suppose our visitors decide at

1109
00:48:45,099 --> 00:48:42,830
some point to share their knowledge of

1110
00:48:47,500 --> 00:48:45,109
the universe with us and their concept

1111
00:48:50,320 --> 00:48:47,510
of God it make it almost certainly

1112
00:48:51,940 --> 00:48:50,330
conflict with human beliefs or in my

1113
00:48:55,000 --> 00:48:51,950

view it would almost certainly conflict

1114

00:48:56,590 --> 00:48:55,010

with human beliefs about the deity you

1115

00:48:59,320 --> 00:48:56,600

know whatever we conceived God to be

1116

00:49:01,480 --> 00:48:59,330

etc so there were all these potential

1117

00:49:04,990 --> 00:49:01,490

dire consequences that both of these

1118

00:49:07,090 --> 00:49:05,000

think tanks were laying out categorizing

1119

00:49:10,300 --> 00:49:07,100

for you know the Air Force and NASA

1120

00:49:12,490 --> 00:49:10,310

saying you know if this you know it does

1121

00:49:14,470 --> 00:49:12,500

prove to be if UFOs proved to be

1122

00:49:16,180 --> 00:49:14,480

visitors from elsewhere you really want

1123

00:49:17,140 --> 00:49:16,190

to think twice about going public with

1124

00:49:19,750 --> 00:49:17,150

it

1125

00:49:22,690 --> 00:49:19,760

Victor Marchetti I mentioned that my

1126

00:49:24,940 --> 00:49:22,700

website and more than one article Victor

1127

00:49:27,850 --> 00:49:24,950

Marchetti is a former high-level CIA

1128

00:49:30,250 --> 00:49:27,860

official he left the agency in the late

1129

00:49:32,470 --> 00:49:30,260

60s because it was engaged in all sorts

1130

00:49:35,320 --> 00:49:32,480

of illegal and immoral activities and

1131

00:49:38,230 --> 00:49:35,330

wrote a best-seller an expose on the

1132

00:49:40,900 --> 00:49:38,240

agency called the CIA and cultural

1133

00:49:42,370 --> 00:49:40,910

intelligence the CIA took him all the

1134

00:49:44,920 --> 00:49:42,380

way to the Supreme Court to try to

1135

00:49:49,540 --> 00:49:44,930

prevent that being published and in any

1136

00:49:51,910 --> 00:49:49,550

case in May of 1979 Victor Marchetti

1137

00:49:55,030 --> 00:49:51,920

wrote an article called how the CIA

1138

00:49:57,070 --> 00:49:55,040

views the UFO phenomenon it's available

1139

00:49:59,920 --> 00:49:57,080

online but it's very hard to get ahold

1140

00:50:02,080 --> 00:49:59,930

of but if any of your listeners can't

1141

00:50:05,320 --> 00:50:02,090

find it they want to write my website

1142

00:50:07,800 --> 00:50:05,330

I'll send them a link to it or send them

1143

00:50:11,580 --> 00:50:07,810

or document with this article maybe

1144

00:50:14,050 --> 00:50:11,590

maybe we should put a link to it on your

1145

00:50:16,510 --> 00:50:14,060

what we're going to write up about you

1146

00:50:18,430 --> 00:50:16,520

for the website so it's right there you

1147

00:50:19,720 --> 00:50:18,440

know being Robert and things you being

1148

00:50:23,770 --> 00:50:19,730

Robert Hastings yes

1149

00:50:26,350 --> 00:50:23,780

so in Robert Hastings Erma you can just

1150

00:50:28,870 --> 00:50:26,360

send me the link and I will put it up as

1151

00:50:31,360 --> 00:50:28,880

soon as the podcast is ready for

1152

00:50:33,460 --> 00:50:31,370

publication it will be up along with all

1153

00:50:35,620 --> 00:50:33,470

your information I'm sure that a lot of

1154

00:50:38,950 --> 00:50:35,630

people will want to look at that and

1155

00:50:41,500 --> 00:50:38,960

there it is what I was going to say was

1156

00:50:45,100 --> 00:50:41,510

Victor Marchetti said that when he was

1157

00:50:47,440 --> 00:50:45,110

at CIA there were a rumor he said that

1158

00:50:48,940 --> 00:50:47,450

UFOs were such a sensitive topic that

1159

00:50:51,190 --> 00:50:48,950

you did not talk about it

1160

00:50:54,250 --> 00:50:51,200

unless you had you know some reason to

1161

00:50:56,260 --> 00:50:54,260

he said nevertheless humans being humans

1162

00:50:58,270 --> 00:50:56,270

there would be like water-cooler talk

1163

00:50:59,950 --> 00:50:58,280

there would be rumors swirling and he

1164

00:51:02,350 --> 00:50:59,960

said there were rumors about multiple

1165

00:51:05,230 --> 00:51:02,360

UFOs crashing wants some of which were

1166

00:51:07,540 --> 00:51:05,240

shot down by military aircraft he said

1167

00:51:10,240 --> 00:51:07,550

there were rumors of CIA's about what he

1168

00:51:12,580 --> 00:51:10,250

called bodies of little green men on ice

1169

00:51:14,950 --> 00:51:12,590

wright-patterson Air Force Base but then

1170

00:51:18,910 --> 00:51:14,960

he devotes most of this article saying

1171

00:51:21,130 --> 00:51:18,920

that if the CIA knows that UFOs are

1172

00:51:24,250 --> 00:51:21,140

visitors from elsewhere what they're

1173

00:51:27,280 --> 00:51:24,260

probably advising every administration

1174

00:51:29,200 --> 00:51:27,290

you know that comes into office is do

1175

00:51:31,210 --> 00:51:29,210

not talk about this do not go public

1176

00:51:33,790 --> 00:51:31,220

because the consequences are

1177

00:51:35,500 --> 00:51:33,800

unpredictable Marchetti is saying you

1178

00:51:37,630 --> 00:51:35,510

know if you're in power if you're in

1179

00:51:40,480 --> 00:51:37,640

charge of the government or part of the

1180

00:51:43,120 --> 00:51:40,490

status quo the economic you know movers

1181

00:51:45,520 --> 00:51:43,130

and shakers of any given country if you

1182

00:51:47,620 --> 00:51:45,530

know that aliens are here and your

1183

00:51:49,839 --> 00:51:47,630

public might respond not to well if they

1184

00:51:51,490 --> 00:51:49,849

were told the truth then you really

1185

00:51:52,990 --> 00:51:51,500

could your power base could be in

1186

00:51:55,270 --> 00:51:53,000

jeopardy your control of your own

1187

00:51:57,370 --> 00:51:55,280

citizens could be in jeopardy and so

1188

00:51:59,980 --> 00:51:57,380

Marchetti was seen as an intelligence

1189

00:52:02,290 --> 00:51:59,990

analyst his view is that intelligence

1190

00:52:04,720 --> 00:52:02,300

agencies in every country who's in on

1191

00:52:06,609 --> 00:52:04,730

the UFO secret are advising their

1192

00:52:08,710 --> 00:52:06,619

governments never to go public with this

1193

00:52:09,339 --> 00:52:08,720

just to wait and wait and wait and see

1194

00:52:11,950 --> 00:52:09,349

what happens

1195

00:52:15,430 --> 00:52:11,960

well what I don't have a dog in this

1196

00:52:19,240 --> 00:52:15,440

race both do you do you believe or do

1197

00:52:22,660 --> 00:52:19,250

you have some evidence that these these

1198

00:52:24,660 --> 00:52:22,670

vehicles are actually extraterrestrial

1199

00:52:29,920 --> 00:52:24,670

that they're not from a different

1200

00:52:32,230 --> 00:52:29,930

different time or a different job I

1201
00:52:35,079 --> 00:52:32,240
think there may very well be a different

1202
00:52:37,660 --> 00:52:35,089
civilization on this planet as well it's

1203
00:52:40,480 --> 00:52:37,670
been here for a long time and is

1204
00:52:40,870 --> 00:52:40,490
protecting either itself by limiting

1205
00:52:47,829 --> 00:52:40,880
nukes

1206
00:52:51,040 --> 00:52:47,839
I refer I refer to these guys as quote

1207
00:52:53,230 --> 00:52:51,050
visitors from elsewhere and I think it

1208
00:52:55,890 --> 00:52:53,240
would be presumptuous for me to say

1209
00:52:58,329 --> 00:52:55,900
they're extraterrestrials they're

1210
00:53:00,460 --> 00:52:58,339
interdimensional beings they're time

1211
00:53:02,530 --> 00:53:00,470
travelers what I've actually told people

1212
00:53:04,900 --> 00:53:02,540
in many of these radio interviews over

1213
00:53:08,380 --> 00:53:04,910

the years is all of the above you know

1214

00:53:11,320 --> 00:53:08,390

and our multiple choice of type DD is

1215

00:53:13,200 --> 00:53:11,330

always all of the above and that's what

1216

00:53:15,880 --> 00:53:13,210

I think is going on it's such a

1217

00:53:18,609 --> 00:53:15,890

fantastically large and complex universe

1218

00:53:20,710 --> 00:53:18,619

why couldn't we have beings traveling

1219

00:53:22,750 --> 00:53:20,720

within space time which is our universe

1220

00:53:24,020 --> 00:53:22,760

from other worlds why couldn't we have

1221

00:53:27,020 --> 00:53:24,030

other dimension

1222

00:53:29,270 --> 00:53:27,030

most physicists now say there are higher

1223

00:53:30,290 --> 00:53:29,280

dimensions of space other than our

1224

00:53:32,840 --> 00:53:30,300

universe

1225

00:53:35,150 --> 00:53:32,850

why couldn't some of these beans if not

1226
00:53:37,850 --> 00:53:35,160
from some other dimension at least

1227
00:53:41,030 --> 00:53:37,860
utilize that dimension to travel from

1228
00:53:43,100 --> 00:53:41,040
their world to ours but some of them you

1229
00:53:45,800 --> 00:53:43,110
know if humans do have a future and

1230
00:53:48,080 --> 00:53:45,810
evolve in the future why can't some of

1231
00:53:50,090 --> 00:53:48,090
these incidents involve humans from the

1232
00:53:52,940 --> 00:53:50,100
future coming back so I say all of the

1233
00:53:54,770 --> 00:53:52,950
above okay I think it's arrogant it's

1234
00:53:57,350 --> 00:53:54,780
arrogant for any of us that you know any

1235
00:53:59,630 --> 00:53:57,360
one of us to say that the data point to

1236
00:54:02,210 --> 00:53:59,640
one thing or another I think it's very

1237
00:54:04,640 --> 00:54:02,220
complex and yet most people feel it

1238
00:54:06,950 --> 00:54:04,650

obvious that if and when we go to Mars

1239

00:54:09,830 --> 00:54:06,960

which I think will be in the next decade

1240

00:54:13,010 --> 00:54:09,840

or two or three we will be UFOs to

1241

00:54:16,010 --> 00:54:13,020

Martians and everyone goes oh yeah

1242

00:54:18,260 --> 00:54:16,020

but no one thinks that UFOs are here I

1243

00:54:19,850 --> 00:54:18,270

mean just for us to do it it's ok but

1244

00:54:23,000 --> 00:54:19,860

nobody can come here do it well I think

1245

00:54:26,300 --> 00:54:23,010

kind of a twist in that mindset more and

1246

00:54:29,600 --> 00:54:26,310

more people have been enculturated to

1247

00:54:32,720 --> 00:54:29,610

the idea that UFOs can be here because

1248

00:54:35,930 --> 00:54:32,730

of the media has enculturated them to

1249

00:54:38,000 --> 00:54:35,940

that point one point to being that if

1250

00:54:39,890 --> 00:54:38,010

somebody's coming from the Pleiades

1251
00:54:42,620 --> 00:54:39,900
they're not coming using a chemical

1252
00:54:45,200 --> 00:54:42,630
rocket they're coming by doing something

1253
00:54:48,940 --> 00:54:45,210
else which might be vote unquote in two

1254
00:54:52,010 --> 00:54:48,950
dimensional so certainly that between

1255
00:54:54,680 --> 00:54:52,020
interdimensional and interstellar there

1256
00:54:57,890 --> 00:54:54,690
could be a clearly a cross going on

1257
00:54:59,750 --> 00:54:57,900
there but I like you I do not know I do

1258
00:55:02,150 --> 00:54:59,760
not pretend to know the answer if the

1259
00:55:04,580 --> 00:55:02,160
other thing too is that we got away a

1260
00:55:06,290 --> 00:55:04,590
long way away from those scare films or

1261
00:55:09,980 --> 00:55:06,300
the 50s you know when the saucer would

1262
00:55:11,690 --> 00:55:09,990
come down with the who who'd get up and

1263
00:55:14,030 --> 00:55:11,700

someone will get nabbed in the neck by

1264

00:55:16,430 --> 00:55:14,040

some creature I and those things sort of

1265

00:55:20,000 --> 00:55:16,440

went the way of whatever I mean they're

1266

00:55:23,960 --> 00:55:20,010

sort of funny now but you know I don't

1267

00:55:28,040 --> 00:55:23,970

independence day and well what would I

1268

00:55:29,720 --> 00:55:28,050

tell more on my life your audiences what

1269

00:55:33,130 --> 00:55:29,730

would I tell my lecture audiences at

1270

00:55:35,240 --> 00:55:33,140

colleges and universities is you know it

1271

00:55:37,340 --> 00:55:35,250

you have to consider all the

1272

00:55:37,880 --> 00:55:37,350

possibilities you know if anyone in the

1273

00:55:39,710 --> 00:55:37,890

Pentagon

1274

00:55:41,480 --> 00:55:39,720

or anyone in the Kremlin knows what's

1275

00:55:44,750 --> 00:55:41,490

going on I certainly don't know

1276

00:55:47,690 --> 00:55:44,760

so these incidents involving the nuclear

1277

00:55:50,090 --> 00:55:47,700

missile shutdowns is it some race or

1278

00:55:51,920 --> 00:55:50,100

multiple races trying to warn us that

1279

00:55:54,110 --> 00:55:51,930

we're playing with fire you know they're

1280

00:55:56,360 --> 00:55:54,120

slapping our hands in effect saying

1281

00:55:59,000 --> 00:55:56,370

think twice about using nukes is it that

1282

00:56:01,460 --> 00:55:59,010

or if they've been here for thousands of

1283

00:56:03,710 --> 00:56:01,470

years you do they have projects here do

1284

00:56:06,710 --> 00:56:03,720

they have underground bases that would

1285

00:56:07,910 --> 00:56:06,720

be impacted by human nuclear wars and

1286

00:56:10,460 --> 00:56:07,920

they don't want those types of

1287

00:56:12,650 --> 00:56:10,470

disruptions so in effect what they're

1288

00:56:15,110 --> 00:56:12,660

doing is in their own vested interest or

1289

00:56:16,910 --> 00:56:15,120

is it a combination of the two and then

1290

00:56:18,680 --> 00:56:16,920

I tell my audience you know if we're

1291

00:56:20,930 --> 00:56:18,690

looking at all the options we really

1292

00:56:23,000 --> 00:56:20,940

need to consider that one or more of

1293

00:56:24,920 --> 00:56:23,010

these reasons might be hostile they

1294

00:56:27,500 --> 00:56:24,930

might need this world for some reason or

1295

00:56:30,200 --> 00:56:27,510

have nefarious designs on humankind and

1296

00:56:32,960 --> 00:56:30,210

we really can't rule out that they're

1297

00:56:34,820 --> 00:56:32,970

not shutting down the nukes because they

1298

00:56:36,950 --> 00:56:34,830

want to inherit the earth and they don't

1299

00:56:40,280 --> 00:56:36,960

want to have a radioactive wasteland so

1300

00:56:42,080 --> 00:56:40,290

you know again I'm the person on the

1301
00:56:43,730 --> 00:56:42,090
planet you know it's just unbelievable

1302
00:56:46,100 --> 00:56:43,740
for me to say this out loud because it

1303
00:56:48,050 --> 00:56:46,110
sounds ridiculous but of all the human

1304
00:56:49,910 --> 00:56:48,060
race I'm the only fool that really

1305
00:56:52,850 --> 00:56:49,920
devoted his life to study in all of this

1306
00:56:56,510 --> 00:56:52,860
in great detail the detail involving the

1307
00:56:59,180 --> 00:56:56,520
nuclear weapons case and so I think as

1308
00:57:02,180 --> 00:56:59,190
the primary researcher of this now very

1309
00:57:05,390 --> 00:57:02,190
well-documented phenomenon one only has

1310
00:57:08,660 --> 00:57:05,400
to go to my website document page UFO

1311
00:57:11,540 --> 00:57:08,670
Hastings comm slash documents and read

1312
00:57:13,580 --> 00:57:11,550
all the documents that are there to know

1313
00:57:16,700 --> 00:57:13,590

that this is real and ongoing and I

1314

00:57:19,310 --> 00:57:16,710

myself cannot say you know what this all

1315

00:57:22,250 --> 00:57:19,320

represents it's it's clearly going on

1316

00:57:24,830 --> 00:57:22,260

but the motivation behind it the endgame

1317

00:57:28,430 --> 00:57:24,840

and so on I really think no one really

1318

00:57:31,280 --> 00:57:28,440

knows well we don't think that you are a

1319

00:57:33,410 --> 00:57:31,290

fool that's for sure Kate and I have a

1320

00:57:35,540 --> 00:57:33,420

very high regard for you and we're very

1321

00:57:39,650 --> 00:57:35,550

appreciative for all the work you've put

1322

00:57:42,170 --> 00:57:39,660

in we're almost out of time here but if

1323

00:57:45,260 --> 00:57:42,180

you mentioned a little bit about your

1324

00:57:48,260 --> 00:57:45,270

ongoing projects is there anything else

1325

00:57:51,650 --> 00:57:48,270

you'd like to say about that about what

1326

00:57:54,020 --> 00:57:51,660

you're doing out there now I

1327

00:57:56,569 --> 00:57:54,030

actively seeking new sources so any of

1328

00:58:00,140 --> 00:57:56,579

your listeners who are ex-military and

1329

00:58:02,089 --> 00:58:00,150

have knowledge of an incident you know I

1330

00:58:05,359 --> 00:58:02,099

would very much like to talk to you my

1331

00:58:07,460 --> 00:58:05,369

contact information is at my website no

1332

00:58:10,400 --> 00:58:07,470

one as I said earlier no one who's

1333

00:58:13,190 --> 00:58:10,410

contacted me over 40 years has had any

1334

00:58:15,470 --> 00:58:13,200

problems with being harassed so don't

1335

00:58:17,270 --> 00:58:15,480

worry about that if you want to tell me

1336

00:58:20,630 --> 00:58:17,280

something and keep it having me keep it

1337

00:58:22,370 --> 00:58:20,640

confidential I'll do that I'll honor

1338

00:58:24,620 --> 00:58:22,380

your request but I would certainly

1339

00:58:26,420 --> 00:58:24,630

prefer to publish what you've said to

1340

00:58:29,960 --> 00:58:26,430

add to the database so the public knows

1341

00:58:32,000 --> 00:58:29,970

that this is widespread and ongoing so I

1342

00:58:34,700 --> 00:58:32,010

would encourage people to do that also

1343

00:58:37,190 --> 00:58:34,710

you know if you want to support my

1344

00:58:39,109 --> 00:58:37,200

efforts by buying my book or watching my

1345

00:58:42,470 --> 00:58:39,119

film at Vimeo that would certainly be

1346

00:58:44,960 --> 00:58:42,480

appreciated UFO researchers are not the

1347

00:58:46,640 --> 00:58:44,970

richest people in the world and you know

1348

00:58:49,250 --> 00:58:46,650

I have bills to pay like everyone else

1349

00:58:51,260 --> 00:58:49,260

so if you wanted if you think what I'm

1350

00:58:53,210 --> 00:58:51,270

doing is worthwhile and deserves support

1351
00:58:56,150 --> 00:58:53,220
and perhaps he'll you'll help you out by

1352
00:58:59,269 --> 00:58:56,160
either buying the film or the book and

1353
00:59:01,370 --> 00:58:59,279
the name of the book in the film person

1354
00:59:04,130 --> 00:59:01,380
out of protest you want me I'll say it

1355
00:59:07,910 --> 00:59:04,140
okay at least yeah I chime alright good

1356
00:59:10,609 --> 00:59:07,920
mr. hasting some mud UFOs and nukes the

1357
00:59:14,750 --> 00:59:10,619
secret link revealed his new documentary

1358
00:59:17,630 --> 00:59:14,760
film and UFOs and nukes extraordinary

1359
00:59:21,200 --> 00:59:17,640
encounters at nuclear weapons sites is

1360
00:59:24,049 --> 00:59:21,210
the name of Robert Hastings book and I

1361
00:59:25,960 --> 00:59:24,059
just want to say that we are in complete

1362
00:59:28,460 --> 00:59:25,970
support of you when we encourage you to

1363
00:59:31,309 --> 00:59:28,470

continue for as long as you are able and

1364

00:59:35,960 --> 00:59:31,319

you look still quite able-bodied also

1365

00:59:38,329 --> 00:59:35,970

you know not good but a lot of people

1366

00:59:40,490 --> 00:59:38,339

are just starting you know for myself

1367

00:59:43,880 --> 00:59:40,500

and Ferruccio I guess we've been hacking

1368

00:59:46,279 --> 00:59:43,890

around with you Robert for a long time

1369

00:59:48,529 --> 00:59:46,289

in the UFO field and sometimes it gets

1370

00:59:50,900 --> 00:59:48,539

to be a little bit old hat but there are

1371

00:59:53,510 --> 00:59:50,910

people that are just starting and just

1372

00:59:56,180 --> 00:59:53,520

really now getting interested in it and

1373

00:59:58,490 --> 00:59:56,190

so I would highly recommend your book to

1374

01:00:01,400 --> 00:59:58,500

those people as opposed to some of the

1375

01:00:04,400 --> 01:00:01,410

more sensationalist for don't thank you

1376

01:00:05,240 --> 01:00:04,410

yes there's too many CGI things out

1377

01:00:08,710 --> 01:00:05,250

there on the end

1378

01:00:12,590 --> 01:00:08,720

Genet better than everyone in your field

1379

01:00:14,540 --> 01:00:12,600

I get I get very angry and certainly

1380

01:00:17,090 --> 01:00:14,550

frustrated about the amount of noise

1381

01:00:19,340 --> 01:00:17,100

that one has to deal with on the

1382

01:00:21,170 --> 01:00:19,350

Internet to get to the signal you know

1383

01:00:23,080 --> 01:00:21,180

the whole purpose of what I'm doing is

1384

01:00:27,350 --> 01:00:23,090

to separate the signal from the noise

1385

01:00:29,630 --> 01:00:27,360

you know there is valid UFO data this is

1386

01:00:32,420 --> 01:00:29,640

real this is not anything that man-made

1387

01:00:34,190 --> 01:00:32,430

and if you know where to look you can be

1388

01:00:36,020 --> 01:00:34,200

convinced of that by what's come out of

1389

01:00:38,510 --> 01:00:36,030

government files and these military

1390

01:00:40,670 --> 01:00:38,520

witnesses testimony but there's just so

1391

01:00:42,470 --> 01:00:40,680

much crap out there that that people

1392

01:00:45,110 --> 01:00:42,480

really get frustrated waiting to it I

1393

01:00:47,720 --> 01:00:45,120

should quickly mention that my book is

1394

01:00:51,260 --> 01:00:47,730

sold exclusively at my website UFO

1395

01:00:53,480 --> 01:00:51,270

Hastings comm scalpers buy it for twenty

1396

01:00:56,240 --> 01:00:53,490

four ninety five and then resell it on

1397

01:00:58,610 --> 01:00:56,250

Amazon for a hundred bucks sometimes so

1398

01:01:01,850 --> 01:00:58,620

don't fall into that trap it's directly

1399

01:01:03,350 --> 01:01:01,860

available for my website well thank you

1400

01:01:07,310 --> 01:01:03,360

so very much

1401

01:01:09,980 --> 01:01:07,320

and as we conclude this of this podcast

1402

01:01:13,250 --> 01:01:09,990

we want to thank you can't mr. Hastings

1403

01:01:16,880 --> 01:01:13,260

Robert Hastings deeply for being on the

1404

01:01:18,890 --> 01:01:16,890

show and Kate yeah oh listen I've been a

1405

01:01:20,750 --> 01:01:18,900

fan of yours for a long time and I'm

1406

01:01:23,390 --> 01:01:20,760

really glad to be at that conference

1407

01:01:26,230 --> 01:01:23,400

just a really quick note were you there

1408

01:01:29,750 --> 01:01:26,240

when Mike Gravel he was the retired

1409

01:01:32,960 --> 01:01:29,760

senator from Alaska slipped and sort of

1410

01:01:36,110 --> 01:01:32,970

a snide aside said to somebody of course

1411

01:01:39,080 --> 01:01:36,120

we have a space force and that always

1412

01:01:43,420 --> 01:01:39,090

stuck with me I said what did he just

1413

01:01:45,680 --> 01:01:43,430

say so I I so cool look into that know

1414

01:01:49,270 --> 01:01:45,690

you're going to give him a job Kate I

1415

01:01:52,130 --> 01:01:49,280

don't know I think a big job as it is I

1416

01:01:55,190 --> 01:01:52,140

wasn't there I never heard anyone say

1417

01:01:57,080 --> 01:01:55,200

that yeah so I don't like I prefer not

1418

01:01:58,850 --> 01:01:57,090

to chime in I prefer not to offer

1419

01:02:01,420 --> 01:01:58,860

opinions about things that I don't know

1420

01:02:04,070 --> 01:02:01,430

anything about so I'll report that now

1421

01:02:07,040 --> 01:02:04,080

it is an interesting thing as well as

1422

01:02:09,710 --> 01:02:07,050

that hacker from England that that

1423

01:02:12,470 --> 01:02:09,720

fellow who what hacked in is here in the

1424

01:02:15,200 --> 01:02:12,480

Canon yeah yes that is that is a very

1425

01:02:17,060 --> 01:02:15,210

interesting situation but we are not

1426

01:02:18,890 --> 01:02:17,070

going to go into that now no what we're

1427

01:02:22,880 --> 01:02:18,900

going to say now before we say

1428

01:02:25,460 --> 01:02:22,890

goodbye is that our next show is with an

1429

01:02:29,960 --> 01:02:25,470

author who has spoken to a lot of

1430

01:02:34,549 --> 01:02:29,970

quantum physicists on her radio show and

1431

01:02:37,849 --> 01:02:34,559

the author is Eva her and she is going

1432

01:02:41,029 --> 01:02:37,859

to talk to us about her conversations

1433

01:02:43,819 --> 01:02:41,039

with remarkable men and women and that

1434

01:02:48,049 --> 01:02:43,829

will be our next podcast

1435

01:02:52,130 --> 01:02:48,059

God willing we're all here and also that

1436

01:02:55,039 --> 01:02:52,140

our ongoing contest is still ongoing for

1437

01:02:58,250 --> 01:02:55,049

at least the next two weeks until the

1438

01:03:01,609 --> 01:02:58,260

beginning of October for winning the

1439

01:03:05,089 --> 01:03:01,619

podcasts that we're doing right now and

01:03:37,450 --> 01:03:33,960

finishing up okay that that's going to

01:03:40,880 --> 01:03:37,460
