[Music]

2
00:00:25,210 --> 00:00:20,620

welcome to share with reality with your

3
00:00:28,179 --> 00:00:25,220

host Kate Valentine and Persia prepare

4
00:00:32,259 --> 00:00:28,189

to have a paradigm shifted in your

5
00:00:37,240 --> 00:00:32,269

truths questioned and now shattered

6
00:00:40,810 --> 00:00:37,250

reality well hi Felicia

7
00:00:44,530 --> 00:00:40,820

hello there Kate Valentine it's good to

8
00:00:47,560 --> 00:00:44,540

be speaking to you again it is and we

9
00:00:49,180 --> 00:00:47,570

have a wonderful show today but let's

10
00:00:54,060 --> 00:00:49,190

slate okay

11
00:00:57,280 --> 00:00:54,070

is Tuesday December 6th okay when he

12
00:00:59,469 --> 00:00:57,290

16:10 we're back with shattered reality

13
00:01:03,490 --> 00:00:59,479

today's show we have a very interesting

14

00:01:08,620 --> 00:01:03,500

guest a gentleman who has been in the

15

00:01:13,359 --> 00:01:08,630

field of spirituality edge science

16

00:01:14,349 --> 00:01:13,369

health and all sorts of interesting

17

00:01:17,440 --> 00:01:14,359

things

18

00:01:21,160 --> 00:01:17,450

his name is Alan steinfeldt

19

00:01:24,639 --> 00:01:21,170

he is from New York City and he is

20

00:01:27,099 --> 00:01:24,649

involved with new realities that's the

21

00:01:30,880 --> 00:01:27,109

name he shares one word with us the

22

00:01:32,919 --> 00:01:30,890

reality word and in fact many of the

23

00:01:35,529 --> 00:01:32,929

things that he is involved with are

24

00:01:39,999 --> 00:01:35,539

similar but he has a bigger umbrella I

25

00:01:42,520 --> 00:01:40,009

would say he has done programs in New

26

00:01:46,779 --> 00:01:42,530

York City that I have participated in as

27

00:01:49,929 --> 00:01:46,789

well as he had me on an audio podcast of

28

00:01:54,309 --> 00:01:49,939

his and he has videos on YouTube so

29

00:01:58,209 --> 00:01:54,319

let's welcome mr. Alan Steinfeld welcome

30

00:02:00,069 --> 00:01:58,219

Alan so good I hear I do both this is

31

00:02:04,149 --> 00:02:00,079

really an honor because I know I'm

32

00:02:09,010 --> 00:02:04,159

talking to like-minded people and yeah

33

00:02:11,890 --> 00:02:09,020

yeah good start I I was very very well

34

00:02:15,100 --> 00:02:11,900

Alan has figured in my life in a couple

35

00:02:17,350 --> 00:02:15,110

of ways we know each other for a while

36

00:02:20,160 --> 00:02:17,360

and we see each other sometimes at a

37

00:02:22,320 --> 00:02:20,170

vegetarian restaurant here are there or

38

00:02:24,540 --> 00:02:22,330

bump into one another but and and we're

39

00:02:27,330 --> 00:02:24,550

always really friendly but that's not

40

00:02:28,890 --> 00:02:27,340

the basis about this he has done two

41

00:02:31,500 --> 00:02:28,900

things in my life which are very

42

00:02:34,710 --> 00:02:31,510

important firstly the first thing he did

43

00:02:38,790 --> 00:02:34,720

was he was the the point of contact

44

00:02:44,610 --> 00:02:38,800

initially between myself and Russell

45

00:02:48,360 --> 00:02:44,620

Targ he had a program for about about

46

00:02:52,140 --> 00:02:48,370

one of Russell parks books and we spoke

47

00:02:54,690 --> 00:02:52,150

about remote viewing and I did a remote

48

00:02:57,479 --> 00:02:54,700

viewing session with Russell Targ

49

00:02:59,699 --> 00:02:57,489

because of Alan Steinfeld that was the

50

00:03:01,830 --> 00:02:59,709

first thing and that was wonderful so he

51
00:03:04,110 --> 00:03:01,840
was a he was a he was the person who

52
00:03:07,920 --> 00:03:04,120
connected me to my friend Russell Park

53
00:03:11,729 --> 00:03:07,930
and then I actually went on a trip to

54
00:03:16,320 --> 00:03:11,739
Italy to dominar with Alan Steinfeld

55
00:03:18,600 --> 00:03:16,330
Alan so what's up with you today

56
00:03:20,910 --> 00:03:18,610
what happened that I forgot about the

57
00:03:23,580 --> 00:03:20,920
Russell Targ connection I didn't forget

58
00:03:25,380 --> 00:03:23,590
about our trip to Italy with a whole

59
00:03:28,350 --> 00:03:25,390
bunch of other really interesting people

60
00:03:31,140 --> 00:03:28,360
where what was the purpose of the tow I

61
00:03:33,569 --> 00:03:31,150
mean those kind of the purpose of the

62
00:03:35,370 --> 00:03:33,579
trip yeah what was it a question yeah

63
00:03:37,920 --> 00:03:35,380

that's a question for Kate that's a

64

00:03:39,960 --> 00:03:37,930

question was there a topic I'm assuming

65

00:03:42,600 --> 00:03:39,970

there was a topic and people were

66

00:03:45,390 --> 00:03:42,610

meeting to discuss it well I'm getting

67

00:03:48,630 --> 00:03:45,400

an overview that includes that my job my

68

00:03:51,150 --> 00:03:48,640

vision my my company ascents new

69

00:03:53,819 --> 00:03:51,160

realities new realities is about

70

00:03:55,770 --> 00:03:53,829

connecting the dots of a greater

71

00:03:58,199 --> 00:03:55,780

spiritual reality that we're actually

72

00:04:00,630 --> 00:03:58,209

living in that most people don't know

73

00:04:05,460 --> 00:04:00,640

about so whether that's remote viewing

74

00:04:07,410 --> 00:04:05,470

or spiritual community and or or my

75

00:04:10,350 --> 00:04:07,420

television program my interview channels

76
00:04:13,110 --> 00:04:10,360
and a lot of UFO research it's all about

77
00:04:15,360 --> 00:04:13,120
the same thing that reality as we know

78
00:04:19,349 --> 00:04:15,370
it as we've been conditioned to think

79
00:04:21,900 --> 00:04:19,359
about it isn't what is real isn't what

80
00:04:24,240 --> 00:04:21,910
it's true there's another level which

81
00:04:26,700 --> 00:04:24,250
I'm sure you're both aware of a

82
00:04:29,100 --> 00:04:26,710
spiritual essence which is the

83
00:04:32,400 --> 00:04:29,110
overriding factor really in people's

84
00:04:33,660 --> 00:04:32,410
lives or should be and this is the time

85
00:04:37,440 --> 00:04:33,670
that we're coming in

86
00:04:39,270 --> 00:04:37,450
- this is a reality's unfoldment that we

87
00:04:44,220 --> 00:04:39,280
are moving into collectively all the

88
00:04:47,160 --> 00:04:44,230

food by the last election but it is it

89

00:04:51,450 --> 00:04:47,170

is I think things like the national

90

00:04:54,090 --> 00:04:51,460

election show us the dark areas we have

91

00:04:56,070 --> 00:04:54,100

to move through collectively in order to

92

00:04:59,940 --> 00:04:56,080

come to this greater civilization that

93

00:05:03,090 --> 00:04:59,950

we all know exists so that sort of

94

00:05:05,390 --> 00:05:03,100

connected us we are kind of we are like

95

00:05:08,700 --> 00:05:05,400

our focus is a little bit different here

96

00:05:10,890 --> 00:05:08,710

insofar as we don't talk too much about

97

00:05:12,630 --> 00:05:10,900

spirituality though we're not against

98

00:05:15,720 --> 00:05:12,640

spirituality in any way shape or form

99

00:05:18,150 --> 00:05:15,730

but we are more about looking at it from

100

00:05:21,810 --> 00:05:18,160

the other side which is consciousness

101
00:05:25,590 --> 00:05:21,820
and how consciousness is ubiquitous in

102
00:05:27,690 --> 00:05:25,600
in the universe and that sort of

103
00:05:29,850 --> 00:05:27,700
connects it so we can yes well two

104
00:05:32,040 --> 00:05:29,860
people who are like edge science people

105
00:05:35,040 --> 00:05:32,050
which is kind of what we're about but I

106
00:05:38,580 --> 00:05:35,050
think what Kate was asking you Alan is I

107
00:05:40,400 --> 00:05:38,590
know why we went to Domino but maybe you

108
00:05:44,120 --> 00:05:40,410
would like to tell our audience about

109
00:05:47,760 --> 00:05:44,130
why we went to Domino and we're well I

110
00:05:50,940 --> 00:05:47,770
mostly in Italy but we're in Italy its

111
00:05:53,460 --> 00:05:50,950
northern Italy north of Torino but for

112
00:05:55,800 --> 00:05:53,470
me I just want to say there's not really

113
00:05:58,580 --> 00:05:55,810

a big difference between consciousness

114

00:06:01,920 --> 00:05:58,590

and spirituality I don't see that as

115

00:06:05,070 --> 00:06:01,930

distinct in my understanding of the term

116

00:06:06,990 --> 00:06:05,080

I see consciousness spirituality

117

00:06:10,140 --> 00:06:07,000

whatever you want to call it all part of

118

00:06:12,270 --> 00:06:10,150

a bigger framework about perceptions so

119

00:06:14,820 --> 00:06:12,280

this is really where I jump in are you

120

00:06:17,340 --> 00:06:14,830

tired of you I agree with you but if you

121

00:06:19,410 --> 00:06:17,350

if you want to speak to a scientist most

122

00:06:21,690 --> 00:06:19,420

scientists if you turn around and say

123

00:06:23,220 --> 00:06:21,700

spirituality they don't want to talk to

124

00:06:27,510 --> 00:06:23,230

you but if you turn around and say

125

00:06:30,300 --> 00:06:27,520

consciousness if you say consciousness

126

00:06:32,910 --> 00:06:30,310

and and talk about from the point of

127

00:06:34,920 --> 00:06:32,920

view of consciousness and how like Max

128

00:06:36,750 --> 00:06:34,930

Planck said you can't get behind

129

00:06:41,670 --> 00:06:36,760

consciousness because everything that

130

00:06:42,900 --> 00:06:41,680

science does is sort of like um is it is

131

00:06:44,160 --> 00:06:42,910

done from a point of view of

132

00:06:47,230 --> 00:06:44,170

consciousness you have to have

133

00:06:50,890 --> 00:06:47,240

consciousness to experiment

134

00:06:52,990 --> 00:06:50,900

in science and so that's the reason I'm

135

00:06:55,570 --> 00:06:53,000

you know I agree there was a lot the

136

00:06:57,730 --> 00:06:55,580

same about it okay I understand what

137

00:06:59,680 --> 00:06:57,740

you're saying but I think no even from a

138

00:07:01,749 --> 00:06:59,690

scientific point of view I think the

139

00:07:04,540 --> 00:07:01,759

word consciousness is actually a little

140

00:07:06,640 --> 00:07:04,550

vague I mean what I think I would say

141

00:07:10,150 --> 00:07:06,650

and that includes this idea of reality

142

00:07:12,730 --> 00:07:10,160

is perception good perception is a word

143

00:07:16,320 --> 00:07:12,740

we can all sort of understand absolutely

144

00:07:17,580 --> 00:07:16,330

and this is really if we want to kind of

145

00:07:21,219 --> 00:07:17,590

[Music]

146

00:07:23,800 --> 00:07:21,229

what I I meant I'm trying to expand

147

00:07:26,560 --> 00:07:23,810

people's perception which also includes

148

00:07:29,650 --> 00:07:26,570

a consciousness of what is possible and

149

00:07:32,230 --> 00:07:29,660

what is you know the whole idea behind

150

00:07:35,620 --> 00:07:32,240

shattered reality is that the reality of

151
00:07:38,230 --> 00:07:35,630
you thought was existing is not the

152
00:07:41,350 --> 00:07:38,240
reality that truly is so absolutely

153
00:07:46,990 --> 00:07:41,360
which shattering paradigms here and so

154
00:07:49,059 --> 00:07:47,000
are you exactly so my whole awakening to

155
00:07:52,510 --> 00:07:49,069
that happens because my reality was

156
00:07:55,600 --> 00:07:52,520
shattered by some type of contact UFO et

157
00:08:00,430 --> 00:07:55,610
type contact I mean I you know had no

158
00:08:02,860 --> 00:08:00,440
reference points what was happening to

159
00:08:04,649 --> 00:08:02,870
me I mean I don't know if we want to get

160
00:08:07,209 --> 00:08:04,659
jump into that but we could you know I

161
00:08:09,730 --> 00:08:07,219
don't want to get into that Allen but I

162
00:08:12,760 --> 00:08:09,740
want you to answer just for the sake of

163
00:08:16,089 --> 00:08:12,770

our listeners talk to talk to the

164

00:08:18,730 --> 00:08:16,099

question about going to Domino ER and

165

00:08:21,520 --> 00:08:18,740

why don't we went to Nam and we're now

166

00:08:24,550 --> 00:08:21,530

how it is the kind of community that it

167

00:08:26,620 --> 00:08:24,560

is and what it is anything well don't

168

00:08:28,330 --> 00:08:26,630

want to fill in I can fill in - yeah

169

00:08:30,370 --> 00:08:28,340

you're telling what your piece because I

170

00:08:33,370 --> 00:08:30,380

think the reason I went was because I

171

00:08:37,510 --> 00:08:33,380

was really excited about a group of

172

00:08:39,760 --> 00:08:37,520

people I was back 10 500 maybe a

173

00:08:41,500 --> 00:08:39,770

thousand living in community with the

174

00:08:43,420 --> 00:08:41,510

folks with unconsciousness the focus was

175

00:08:44,380 --> 00:08:43,430

on a collective awareness they were

176

00:08:47,050 --> 00:08:44,390

living differently

177

00:08:48,760 --> 00:08:47,060

damas looking at different yes they were

178

00:08:50,590 --> 00:08:48,770

living in a different way than normal

179

00:08:51,970 --> 00:08:50,600

society and that was really attractive

180

00:08:54,880 --> 00:08:51,980

to me what were you going to say I was

181

00:08:58,360 --> 00:08:54,890

going to say da manure is physically a

182

00:09:00,670 --> 00:08:58,370

place as you know which is in the Val de

183

00:09:03,340 --> 00:09:00,680

que cela in northern Italy

184

00:09:07,480 --> 00:09:03,350

just above Torino and it's at the

185

00:09:10,930 --> 00:09:07,490

foothills of the Italian Alps it was

186

00:09:14,260 --> 00:09:10,940

started by a man named I Berto IOT I

187

00:09:17,880 --> 00:09:14,270

hope I'm saying alberto iot who is also

188

00:09:22,420 --> 00:09:17,890

known as falco he and a group of

189

00:09:24,519 --> 00:09:22,430

individuals about 30 years ago went up

190

00:09:27,310 --> 00:09:24,529

to this area they had purchased some

191

00:09:31,030 --> 00:09:27,320

land they dug under the ground and they

192

00:09:32,829 --> 00:09:31,040

dug out these magnificent caves caverns

193

00:09:35,980 --> 00:09:32,839

in the ground they dug them out of the

194

00:09:40,150 --> 00:09:35,990

dolomite there and they painted them and

195

00:09:42,880 --> 00:09:40,160

they put in art so uhm it was secret for

196

00:09:46,240 --> 00:09:42,890

many years and then about or 20 years

197

00:09:50,519 --> 00:09:46,250

yeah secret for then about 10-12 years

198

00:09:53,829 --> 00:09:50,529

ago it became open to the public because

199

00:09:57,040 --> 00:09:53,839

the government wanted to shut it down as

200

00:09:59,790 --> 00:09:57,050

I recall but then one of the person who

201
00:10:02,260 --> 00:09:59,800
came up there to look at it was so

202
00:10:06,699 --> 00:10:02,270
overwhelmed by the beauty of the place

203
00:10:08,140 --> 00:10:06,709
that he he reported back to the

204
00:10:10,960 --> 00:10:08,150
government that it should be a national

205
00:10:13,870 --> 00:10:10,970
treasure and not be shut down am i but

206
00:10:15,699 --> 00:10:13,880
about correct on this Ellen yeah the

207
00:10:18,010 --> 00:10:15,709
other thing I would just add is that

208
00:10:21,250 --> 00:10:18,020
they actually just did capped a hollow

209
00:10:24,340 --> 00:10:21,260
out the whole inside of a mountain and

210
00:10:26,199 --> 00:10:24,350
built a temple they built many temples

211
00:10:30,550 --> 00:10:26,209
inside these mountains and temples to

212
00:10:32,980 --> 00:10:30,560
different types of energy so yeah there

213
00:10:36,370 --> 00:10:32,990

were about there were lots of different

214

00:10:38,800 --> 00:10:36,380

rooms in this huge inside mountain

215

00:10:40,300 --> 00:10:38,810

inside this mountain and so each of

216

00:10:42,460 --> 00:10:40,310

these rooms what was one of them the

217

00:10:45,910 --> 00:10:42,470

hall of ancestors the Hall of Mirrors

218

00:10:47,920 --> 00:10:45,920

the Hall of dreams and each one had a

219

00:10:51,400 --> 00:10:47,930

very powerful essence and have to also

220

00:10:54,160 --> 00:10:51,410

say Falco and then who knows that he was

221

00:10:57,400 --> 00:10:54,170

from the future and who was directed to

222

00:11:03,010 --> 00:10:57,410

come back in time and build this as a

223

00:11:05,889 --> 00:11:03,020

kind of forward invitation to how we

224

00:11:07,269 --> 00:11:05,899

might live on planet Earth so all the

225

00:11:08,620 --> 00:11:07,279

people coming around if you don't want

226

00:11:10,510 --> 00:11:08,630

to use the word spiritual we're very

227

00:11:12,340 --> 00:11:10,520

kawaii we're happy to use the word

228

00:11:14,139 --> 00:11:12,350

spiritual I've just said that this is

229

00:11:16,970 --> 00:11:14,149

not about per se

230

00:11:18,949 --> 00:11:16,980

spirituality but it's more about about

231

00:11:21,499 --> 00:11:18,959

edge science and stuff like that but

232

00:11:23,689 --> 00:11:21,509

what go forward I am having to use the

233

00:11:25,639 --> 00:11:23,699

word spiritual I'm sorry no I would say

234

00:11:26,600 --> 00:11:25,649

no dummies are no way I understand where

235

00:11:28,340 --> 00:11:26,610

you're coming right so anyway this

236

00:11:31,059 --> 00:11:28,350

community was about a spiritual

237

00:11:34,569 --> 00:11:31,069

awareness a conscious awareness and oh

238

00:11:37,489 --> 00:11:34,579

at is the awareness that there's other

239

00:11:39,769 --> 00:11:37,499

dimensional realities that we interface

240

00:11:44,030 --> 00:11:39,779

with so a big part of their work was

241

00:11:46,489 --> 00:11:44,040

dreaming time travel they said in my

242

00:11:48,379 --> 00:11:46,499

interview with Falco I was there and and

243

00:11:50,479 --> 00:11:48,389

of course we were really lucky to see

244

00:11:53,929 --> 00:11:50,489

him you know lutely before he passed on

245

00:11:57,199 --> 00:11:53,939

absolutely so the one thing I remembered

246

00:11:58,850 --> 00:11:57,209

about that interview I asked him about

247

00:12:01,369 --> 00:11:58,860

time travel because they claim to have

248

00:12:04,669 --> 00:12:01,379

time travel chambers there at Diamond

249

00:12:08,410 --> 00:12:04,679

and he said that time is a matter

250

00:12:11,179 --> 00:12:08,420

of property like every place at the time

251

00:12:13,970 --> 00:12:11,189

kind of signature to it so you have like

252

00:12:17,590 --> 00:12:13,980

a table in your room there that table is

253

00:12:21,739 --> 00:12:17,600

round and it's tall and sit but it also

254

00:12:24,799 --> 00:12:21,749

exists in a time that's a signature of

255

00:12:29,119 --> 00:12:24,809

that thing so if you could somehow

256

00:12:32,809 --> 00:12:29,129

transfer the temporal signature of an

257

00:12:34,519 --> 00:12:32,819

object you could also trap make it

258

00:12:36,619 --> 00:12:34,529

travel in time that's sort of what I

259

00:12:38,629 --> 00:12:36,629

remember that make sense yeah I said

260

00:12:41,389 --> 00:12:38,639

that that basically that's basically

261

00:12:44,840 --> 00:12:41,399

what they were saying I kind of

262

00:12:49,460 --> 00:12:44,850

psychically got a connection for them to

263

00:12:52,400 --> 00:12:49,470

the Cather's in France and when I got a

264

00:12:54,980 --> 00:12:52,410

chance to speak to Falco when I was

265

00:12:57,199 --> 00:12:54,990

able to get up and as my question I

266

00:13:00,470 --> 00:12:57,209

asked him about that and he indicated

267

00:13:02,449 --> 00:13:00,480

that yes in fact that was true that he

268

00:13:04,909 --> 00:13:02,459

was somehow connected to the Cather's

269

00:13:08,150 --> 00:13:04,919

but he didn't he didn't go on and tell

270

00:13:10,189 --> 00:13:08,160

us that however one thing that I want to

271

00:13:13,729 --> 00:13:10,199

be clear is that there are multi

272

00:13:17,090 --> 00:13:13,739

dimensions to the the Domino experience

273

00:13:22,159 --> 00:13:17,100

it was artistic it was spiritual

274

00:13:24,289 --> 00:13:22,169

it was ecological and more and political

275

00:13:27,540 --> 00:13:24,299

also because they had their own money

276

00:13:31,500 --> 00:13:27,550

they was separate from from the

277

00:13:34,080 --> 00:13:31,510

the country of Italy in certain ways but

278

00:13:36,870 --> 00:13:34,090

I just I don't want to go up too long on

279

00:13:38,730 --> 00:13:36,880

doable socially they were different too

280

00:13:41,820 --> 00:13:38,740

because they busy communities of twenty

281

00:13:43,980 --> 00:13:41,830

people not in nuclear families they were

282

00:13:46,110 --> 00:13:43,990

really creating and this is what

283

00:13:49,680 --> 00:13:46,120

attracted me is that they were really

284

00:13:52,610 --> 00:13:49,690

creating a new way of living with each

285

00:13:54,810 --> 00:13:52,620

other in community within society and

286

00:13:58,500 --> 00:13:54,820

doing things differently that that's

287

00:14:01,260 --> 00:13:58,510

what was so special about visiting them

288

00:14:04,500 --> 00:14:01,270

yeah I agree and I'm so glad that I went

289

00:14:06,900 --> 00:14:04,510

and I'm so glad that you instituted that

290

00:14:09,060 --> 00:14:06,910

trip it was a it was a fantastic

291

00:14:11,910 --> 00:14:09,070

experience and I want to thank you for

292

00:14:14,400 --> 00:14:11,920

that and also for kind of making it

293

00:14:17,540 --> 00:14:14,410

possible for me to first time meet

294

00:14:22,610 --> 00:14:17,550

Russell Targ who has become you know a

295

00:14:27,590 --> 00:14:22,620

friend so great moving on from there we

296

00:14:32,340 --> 00:14:27,600

are coming up to it's asking you about

297

00:14:36,680 --> 00:14:32,350

what it is right now that you want to

298

00:14:40,080 --> 00:14:36,690

tell us about your experience with of

299

00:14:43,980 --> 00:14:40,090

aliens with UFOs you are an experiercer

300

00:14:47,930 --> 00:14:43,990

and I wonder if you could tell us that

301
00:14:51,000 --> 00:14:47,940
whole situation tell us what happened I

302
00:14:55,860 --> 00:14:51,010
will I mean there's so many at when

303
00:14:59,040 --> 00:14:55,870
you're an experimenter as you know the

304
00:15:03,810 --> 00:14:59,050
time lapse and interactions and it's

305
00:15:07,280 --> 00:15:03,820
hard to get it all in a kind of

306
00:15:09,300 --> 00:15:07,290
chronological order but my earliest

307
00:15:11,520 --> 00:15:09,310
experiences and I think I've shared this

308
00:15:14,360 --> 00:15:11,530
with you before and from something you

309
00:15:18,150 --> 00:15:14,370
wrote on one of your blog's yes was wake

310
00:15:20,490 --> 00:15:18,160
waking up like when I was maybe 13 or 14

311
00:15:23,000 --> 00:15:20,500
and not being able to move and at the

312
00:15:28,350 --> 00:15:23,010
same time hearing a really loud sound

313
00:15:31,080 --> 00:15:28,360

feeling like I was being pulled by the

314

00:15:33,180 --> 00:15:31,090

back of my neck now I don't know if that

315

00:15:36,690 --> 00:15:33,190

was UFO related but it was related to

316

00:15:41,580 --> 00:15:36,700

something out of I out of body but out

317

00:15:45,390 --> 00:15:41,590

of body with a presence that was

318

00:15:49,370 --> 00:15:45,400

a kind of creepy eerie sort of probably

319

00:15:53,850 --> 00:15:49,380

the greys I would say were part of this

320

00:15:56,310 --> 00:15:53,860

interface between this kind of

321

00:15:58,410 --> 00:15:56,320

experience that I had and then I also

322

00:16:03,720 --> 00:15:58,420

had a trip cross-country that was one

323

00:16:05,850 --> 00:16:03,730

level and then one in 1987 you remember

324

00:16:11,040 --> 00:16:05,860

that year 87 the year the harmonic

325

00:16:13,500 --> 00:16:11,050

convert yes when when a lot of them I

326

00:16:15,690 --> 00:16:13,510

would say awareness of consciousness was

327

00:16:19,410 --> 00:16:15,700

sort of a dawning of a new time I mean

328

00:16:24,090 --> 00:16:19,420

the 60s of course was a dawning of a age

329

00:16:25,910 --> 00:16:24,100

but 80s the mid 80s was a kind of coming

330

00:16:29,250 --> 00:16:25,920

together what was called new age

331

00:16:30,870 --> 00:16:29,260

although by the time in the 80s ended no

332

00:16:33,270 --> 00:16:30,880

one wanted to be called new age goes

333

00:16:36,000 --> 00:16:33,280

twenty somehow got a bad name I don't

334

00:16:38,400 --> 00:16:36,010

know why I liked the term new age I mean

335

00:16:40,530 --> 00:16:38,410

it was kind of a referred to flux

336

00:16:43,320 --> 00:16:40,540

spirituality which it really wasn't it

337

00:16:46,680 --> 00:16:43,330

was about people trying to understand

338

00:16:48,510 --> 00:16:46,690

what consciousness is but anyway in 1987

339

00:16:50,100 --> 00:16:48,520

there was something called the harmonic

340

00:16:51,960 --> 00:16:50,110

convergence a lot of people were coming

341

00:16:56,030 --> 00:16:51,970

together on a global level I would say

342

00:16:59,240 --> 00:16:56,040

was the first truly global conscious

343

00:17:02,400 --> 00:16:59,250

awakening collective conscious awakening

344

00:17:04,650 --> 00:17:02,410

so I was traveling that summer checking

345

00:17:06,990 --> 00:17:04,660

out a lot of places that were focused on

346

00:17:10,550 --> 00:17:07,000

the harmonic convergence I was in Sedona

347

00:17:14,280 --> 00:17:10,560

for the first time Santa Fe I went to

348

00:17:17,340 --> 00:17:14,290

Washington State in Oregon and then I

349

00:17:20,280 --> 00:17:17,350

was driving back cross-country from

350

00:17:24,240 --> 00:17:20,290

Oregon the Oregon Country Fair I was at

351

00:17:26,460 --> 00:17:24,250

in 1987 and had this girl or friend we

352

00:17:28,650 --> 00:17:26,470

were driving in my van and we driving

353

00:17:30,450 --> 00:17:28,660

all day long like 12 hours and we were

354

00:17:34,560 --> 00:17:30,460

going more into the East Coast so we

355

00:17:36,290 --> 00:17:34,570

stopped at this little place and I to

356

00:17:39,180 --> 00:17:36,300

remember it was North Platte Nebraska

357

00:17:42,300 --> 00:17:39,190

which is western Nebraska and it was

358

00:17:44,880 --> 00:17:42,310

like by these canals these little mmm

359

00:17:47,700 --> 00:17:44,890

deserted canals and and we were just

360

00:17:50,970 --> 00:17:47,710

really tired we just passed out we just

361

00:17:53,820 --> 00:17:50,980

kind of went right to bed right we just

362

00:17:54,830 --> 00:17:53,830

fell right to sleep and then we woke up

363

00:17:57,080 --> 00:17:54,840

in the same

364

00:17:59,090 --> 00:17:57,090

in the morning that following morning in

365

00:18:02,210 --> 00:17:59,100

the same position we went to bed and

366

00:18:08,049 --> 00:18:02,220

like as if we were frozen as if we were

367

00:18:10,820 --> 00:18:08,059

just you know I don't know drugged or

368

00:18:12,799 --> 00:18:10,830

unmovable or something but it was

369

00:18:14,239 --> 00:18:12,809

strange you never wake up in the same

370

00:18:16,159 --> 00:18:14,249

position you go to sleep and you don't

371

00:18:17,840 --> 00:18:16,169

even remember what position you go to

372

00:18:19,580 --> 00:18:17,850

sleep then but you know right anyway

373

00:18:22,039 --> 00:18:19,590

there was something very strange and

374

00:18:24,590 --> 00:18:22,049

there was something very again eerie or

375

00:18:29,359 --> 00:18:24,600

creepy about that so anyway I drove we

376

00:18:32,450 --> 00:18:29,369

drove back and then it was the summer

377

00:18:34,669 --> 00:18:32,460

time as time before the Augustana mind

378

00:18:36,919 --> 00:18:34,679

converges and I'm at the pool and my

379

00:18:38,989 --> 00:18:36,929

mother who I think has a part of a

380

00:18:41,600 --> 00:18:38,999

history of abductions noticed this mark

381

00:18:45,080 --> 00:18:41,610

on the back of my leg which was a four

382

00:18:47,389 --> 00:18:45,090

prong puncture mark haha and she said

383

00:18:48,799 --> 00:18:47,399

and she said what is that I said I don't

384

00:18:53,210 --> 00:18:48,809

know I mean who looks at the back of

385

00:18:55,190 --> 00:18:53,220

their knee and I said I don't know what

386

00:18:56,869 --> 00:18:55,200

that is it's probably a spider bite and

387

00:18:59,269 --> 00:18:56,879

then I started to get involved at that

388

00:19:02,210 --> 00:18:59,279

point with Budd Hopkins and the intruder

389

00:19:04,810 --> 00:19:02,220

Foundation and I actually did it was

390

00:19:07,159 --> 00:19:04,820

doing a video for a woman with some

391

00:19:09,639 --> 00:19:07,169

choreographing for abduction experience

392

00:19:12,470 --> 00:19:09,649

so I told her about this and she said

393

00:19:15,710 --> 00:19:12,480

about this mark on back my legs and she

394

00:19:18,470 --> 00:19:15,720

said that is a mark of abduction and

395

00:19:21,049 --> 00:19:18,480

that just freaked me out I mean I'm so

396

00:19:24,529 --> 00:19:21,059

low free I couldn't comprehend that I

397

00:19:26,539 --> 00:19:24,539

couldn't done not except I mean sort of

398

00:19:29,840 --> 00:19:26,549

accept it but I couldn't integrate it

399

00:19:33,680 --> 00:19:29,850

because there was no memory consciously

400

00:19:34,999 --> 00:19:33,690

of that experience so I called the store

401
00:19:36,859 --> 00:19:35,009
friend of mine up I said you remember

402
00:19:39,560 --> 00:19:36,869
that time we were slept at this thing I

403
00:19:42,200 --> 00:19:39,570
think I I think we were taken aboard and

404
00:19:43,700 --> 00:19:42,210
she was regressed I couldn't be real

405
00:19:46,129 --> 00:19:43,710
someone tried to regress me but anyway

406
00:19:47,480 --> 00:19:46,139
she was regarde saw the whole thing we

407
00:19:50,779 --> 00:19:47,490
were taking a board and were floated

408
00:19:52,609 --> 00:19:50,789
aboard this ship and my my my back of my

409
00:19:55,669 --> 00:19:52,619
leg was connected to her ankle and they

410
00:19:58,519 --> 00:19:55,679
were kind of wiring us for for something

411
00:20:05,029 --> 00:19:58,529
some some kind of extraterrestrial

412
00:20:08,450 --> 00:20:05,039
experiment one phase and then the

413
00:20:11,050 --> 00:20:08,460

following summer I think it was

414

00:20:13,240 --> 00:20:11,060

I remember having strange dreams about

415

00:20:17,930 --> 00:20:13,250

extraterrestrials one where they took

416

00:20:21,650 --> 00:20:17,940

sperm from me and I think it was like a

417

00:20:24,320 --> 00:20:21,660

few weeks later they this is the

418

00:20:25,670 --> 00:20:24,330

weirdest part they these beings whoever

419

00:20:28,000 --> 00:20:25,680

they were I couldn't actually see them

420

00:20:32,270 --> 00:20:28,010

woke me up in the middle of the night by

421

00:20:34,070 --> 00:20:32,280

tickling the inside of my thigh and they

422

00:20:36,950 --> 00:20:34,080

did that three times and then when I

423

00:20:42,350 --> 00:20:36,960

finally came to they put this little I

424

00:20:45,080 --> 00:20:42,360

guess it was a hybrid being in it looked

425

00:20:46,910 --> 00:20:45,090

like a little deer with big eyes and do

426

00:20:48,320 --> 00:20:46,920

it didn't look like an et to me and my

427

00:20:50,030 --> 00:20:48,330

screen memory of course if you've been

428

00:20:52,790 --> 00:20:50,040

talking to abductees you know that

429

00:20:56,120 --> 00:20:52,800

screen memory the way your mind creates

430

00:20:59,810 --> 00:20:56,130

some events to make it more accessible

431

00:21:02,990 --> 00:20:59,820

to to the body people fighting owls and

432

00:21:08,260 --> 00:21:03,000

raccoons typically I imagine a deer is

433

00:21:10,070 --> 00:21:08,270

it is in there deers are common lots of

434

00:21:12,710 --> 00:21:10,080

animals are common because you don't

435

00:21:14,810 --> 00:21:12,720

want to see any tea I mean you could if

436

00:21:17,450 --> 00:21:14,820

you were integrated not for

437

00:21:18,920 --> 00:21:17,460

consciousness but this is what I saw and

438

00:21:22,100 --> 00:21:18,930

I thought that was weird enough I said

439

00:21:24,440 --> 00:21:22,110

what what I to myself what is this I had

440

00:21:26,870 --> 00:21:24,450

know some people have emotional

441

00:21:30,110 --> 00:21:26,880

connections to these hybrid offspring

442

00:21:31,130 --> 00:21:30,120

months I feel anything I just said this

443

00:21:33,260 --> 00:21:31,140

is really weird

444

00:21:36,620 --> 00:21:33,270

and then I sort of went back to sleep

445

00:21:39,110 --> 00:21:36,630

these these events take place and I

446

00:21:40,910 --> 00:21:39,120

would say for most abductees I can't

447

00:21:43,970 --> 00:21:40,920

speak really but the ones the

448

00:21:46,640 --> 00:21:43,980

experiences I've had with contact it

449

00:21:49,040 --> 00:21:46,650

takes place in an altered state of

450

00:21:51,800 --> 00:21:49,050

consciousness and an altered awareness

451
00:21:53,540 --> 00:21:51,810
it doesn't like wearing one awareness

452
00:21:56,800 --> 00:21:53,550
for talking you know and that's great

453
00:22:01,340 --> 00:21:56,810
this is more of a beta state right

454
00:22:03,110 --> 00:22:01,350
fractions with ETS do not take place in

455
00:22:05,930 --> 00:22:03,120
this level of continents you get you get

456
00:22:09,890 --> 00:22:05,940
that I would say that that is largely

457
00:22:13,280 --> 00:22:09,900
true I would have to agree with you on

458
00:22:15,770 --> 00:22:13,290
that my experiences have been we're all

459
00:22:21,049 --> 00:22:15,780
experiences here at shattered reality on

460
00:22:24,419 --> 00:22:21,059
some level good I would have to say that

461
00:22:26,840 --> 00:22:24,429
my early experiences were very much the

462
00:22:30,090 --> 00:22:26,850
same as yours which you had mentioned

463
00:22:33,240 --> 00:22:30,100

being taken out of your body you thought

464

00:22:35,730 --> 00:22:33,250

by Gray's I never saw Gray's but I did

465

00:22:38,760 --> 00:22:35,740

have the feeling that not being alone

466

00:22:44,280 --> 00:22:38,770

being forced out of my body being taken

467

00:22:48,049 --> 00:22:44,290

elsewhere um it's just really an unusual

468

00:22:51,960 --> 00:22:48,059

circumstance that is shared by so many

469

00:22:56,310 --> 00:22:51,970

human beings across the planet and if

470

00:23:00,150 --> 00:22:56,320

you know of our friend Stanton Friedman

471

00:23:02,640 --> 00:23:00,160

there when he goes and he's you know who

472

00:23:05,370 --> 00:23:02,650

Stanton Friedman is right Alan yes I've

473

00:23:09,299 --> 00:23:05,380

interview in my okay and so when he goes

474

00:23:13,350 --> 00:23:09,309

into a place and to give a lecture he

475

00:23:17,070 --> 00:23:13,360

says how many people have seen UFOs out

476

00:23:19,590 --> 00:23:17,080

there and you know people about it

477

00:23:22,289 --> 00:23:19,600

depends on the group anywhere from 25 to

478

00:23:24,659 --> 00:23:22,299

75 percent of the people there will

479

00:23:29,070 --> 00:23:24,669

raise their hands and then he says to

480

00:23:32,220 --> 00:23:29,080

them okay how many of you reported that

481

00:23:34,950 --> 00:23:32,230

incident and maybe one or two hands goes

482

00:23:38,220 --> 00:23:34,960

up because most people are afraid of the

483

00:23:41,190 --> 00:23:38,230

ridicule they don't want to be labeled

484

00:23:44,490 --> 00:23:41,200

they don't want to be stigmatized up in

485

00:23:47,039 --> 00:23:44,500

their jobs or in their community so they

486

00:23:49,350 --> 00:23:47,049

don't go out and report this stuff so if

487

00:23:52,560 --> 00:23:49,360

you consider the people that report as

488

00:23:55,350 --> 00:23:52,570

only the tip of the iceberg people like

489

00:23:57,570 --> 00:23:55,360

you and I and Kate we're you know sort

490

00:24:00,900 --> 00:23:57,580

of at the vanguard here because we're

491

00:24:02,700 --> 00:24:00,910

willing to to talk about this stuff but

492

00:24:05,940 --> 00:24:02,710

I think that this is really going to

493

00:24:09,090 --> 00:24:05,950

grow and grow throughout the 21st

494

00:24:12,750 --> 00:24:09,100

century as long as humanity manages to

495

00:24:14,490 --> 00:24:12,760

survive so I'm well I just want to say

496

00:24:17,940 --> 00:24:14,500

one thing about that it looked like we

497

00:24:22,799 --> 00:24:17,950

were on a really good track with Hillary

498

00:24:25,260 --> 00:24:22,809

Clinton about up John Podesta was really

499

00:24:27,180 --> 00:24:25,270

on top of disclosure and then I have to

500

00:24:29,669 --> 00:24:27,190

say and people like Steve ambassador

501
00:24:32,070 --> 00:24:29,679
amazing they the whole movement to seem

502
00:24:34,800 --> 00:24:32,080
to be derailed by the change in the

503
00:24:37,350 --> 00:24:34,810
election which was very disappointing

504
00:24:40,500 --> 00:24:37,360
for for a lot of us you know what I'm

505
00:24:43,710 --> 00:24:40,510
saying yes we'll hop that we'll have to

506
00:24:45,960 --> 00:24:43,720
see where this goes now we try to stay

507
00:24:48,000 --> 00:24:45,970
away from politics on the show here no

508
00:24:51,840 --> 00:24:48,010
I'm not saying it was wrong or right I

509
00:24:54,750 --> 00:24:51,850
said I was just looking forward to yes

510
00:24:57,270 --> 00:24:54,760
possible disclosure with Mao laughter

511
00:24:59,610 --> 00:24:57,280
yes we all work and John Podesta seemed

512
00:25:02,550 --> 00:24:59,620
to show an incredible interest in the

513
00:25:06,080 --> 00:25:02,560

subject of UFOs so he wrote the ad for

514

00:25:09,960 --> 00:25:06,090

Leslie Cain's book yes he did exactly

515

00:25:14,160 --> 00:25:09,970

but I guess he was silenced as well but

516

00:25:16,500 --> 00:25:14,170

before the or your experiences then you

517

00:25:18,450 --> 00:25:16,510

were not a particularly spiritual person

518

00:25:20,730 --> 00:25:18,460

is that it the dis sort of awakened it

519

00:25:25,890 --> 00:25:20,740

in you mm that's a really good question

520

00:25:28,860 --> 00:25:25,900

so let me see Alan so I think the whole

521

00:25:30,150 --> 00:25:28,870

idea of these early contact and I don't

522

00:25:32,130 --> 00:25:30,160

know if they were graves either because

523

00:25:36,540 --> 00:25:32,140

I actually have never seen graves I just

524

00:25:39,090 --> 00:25:36,550

felt a presence so oh great I don't know

525

00:25:44,160 --> 00:25:39,100

if maybe even ready but I think because

526

00:25:47,000 --> 00:25:44,170

my reality was shattered or altered as a

527

00:25:50,640 --> 00:25:47,010

child would be sort of out of body type

528

00:25:53,700 --> 00:25:50,650

experiences it made me aware that I was

529

00:25:56,760 --> 00:25:53,710

not my body and when you know that

530

00:26:01,500 --> 00:25:56,770

you're more consciousness and I'm just

531

00:26:03,270 --> 00:26:01,510

the body it directs you to the kind of

532

00:26:05,700 --> 00:26:03,280

spiritual material because those are the

533

00:26:08,460 --> 00:26:05,710

people writing about that yeah those are

534

00:26:12,080 --> 00:26:08,470

so it kind of went hand-in-hand that's

535

00:26:14,670 --> 00:26:12,090

why I think people who separate mental

536

00:26:17,370 --> 00:26:14,680

spiritual communities and they say no

537

00:26:19,140 --> 00:26:17,380

UFOs are not par they don't feel like

538

00:26:21,000 --> 00:26:19,150

there's a connection spiritual Anna I

539

00:26:23,340 --> 00:26:21,010

think they're totally wrong for me there

540

00:26:25,770 --> 00:26:23,350

they're absolutely connected the whole

541

00:26:28,770 --> 00:26:25,780

idea of these other beings these other

542

00:26:30,930 --> 00:26:28,780

dimensions and for spirituality is

543

00:26:33,530 --> 00:26:30,940

nothing but another dimension it's

544

00:26:36,810 --> 00:26:33,540

another level of consciousness so they

545

00:26:38,370 --> 00:26:36,820

they they are absolutely connected so I

546

00:26:39,240 --> 00:26:38,380

think does that answer your question

547

00:26:41,550 --> 00:26:39,250

Kate

548

00:26:43,680 --> 00:26:41,560

yeah but very much yeah yeah that is it

549

00:26:45,900 --> 00:26:43,690

so in other words it was always there

550

00:26:47,090 --> 00:26:45,910

and it just sort of awakened it in you

551

00:26:51,740 --> 00:26:47,100

or made you more aware

552

00:26:55,370 --> 00:26:51,750

this chair by having me fun I just

553

00:26:58,010 --> 00:26:55,380

brought it out the eetzi possibility yes

554

00:26:59,750 --> 00:26:58,020

and the spiritual I mean for me I was

555

00:27:02,120 --> 00:26:59,760

looking for answers so wherever I could

556

00:27:04,730 --> 00:27:02,130

find answers was that that was in the

557

00:27:07,190 --> 00:27:04,740

UFO literature or many people like Budd

558

00:27:09,830 --> 00:27:07,200

Hopkins or people like John Mack who was

559

00:27:12,620 --> 00:27:09,840

really I think someone who pulled it all

560

00:27:15,080 --> 00:27:12,630

together on there yeah yeah it was great

561

00:27:17,150 --> 00:27:15,090

I have one question a sport black

562

00:27:20,299 --> 00:27:17,160

anything like I have one question about

563

00:27:23,330 --> 00:27:20,309

that about how you feel about one aspect

564

00:27:25,970 --> 00:27:23,340

of that we had Budd Hopkins he was um I

565

00:27:29,120 --> 00:27:25,980

think well he's passed on as has John

566

00:27:32,210 --> 00:27:29,130

Mack as have a number of other people

567

00:27:34,720 --> 00:27:32,220

now but Hopkins was ill and he was a man

568

00:27:39,049 --> 00:27:34,730

oh how old was he we both went to his

569

00:27:40,880 --> 00:27:39,059

about 70 issues but you and I you and I

570

00:27:44,360 --> 00:27:40,890

saw each other at his memorial service

571

00:27:47,570 --> 00:27:44,370

at the friends the friends seminary

572

00:27:50,840 --> 00:27:47,580

there on that day yeah and that was a

573

00:27:54,740 --> 00:27:50,850

very sad occasion but how many of these

574

00:27:58,460 --> 00:27:54,750

people like Carl aterna and Budd Hopkins

575

00:28:00,980 --> 00:27:58,470

and John Mac they have they have died up

576

00:28:03,169 --> 00:28:00,990

perhaps prematurely I'm not saying so

577

00:28:06,049 --> 00:28:03,179

much about poor buddy he was physically

578

00:28:09,169 --> 00:28:06,059

ill requites of but what do you think

579

00:28:10,940 --> 00:28:09,179

about the passing of John Mac and Carla

580

00:28:13,310 --> 00:28:10,950

Turner are you familiar with Carla

581

00:28:15,260 --> 00:28:13,320

Turner I know Carla Turner's books

582

00:28:17,600 --> 00:28:15,270

actually don't know what happened to her

583

00:28:21,500 --> 00:28:17,610

but I was a surprise that she did die I

584

00:28:24,140 --> 00:28:21,510

think John Maxo was an accident I do I

585

00:28:26,690 --> 00:28:24,150

don't think anyone I think you know it

586

00:28:28,460 --> 00:28:26,700

was sort of five or seven years after

587

00:28:31,340 --> 00:28:28,470

the fact where he first came out with

588

00:28:32,990 --> 00:28:31,350

his book so I think it was unfortunate

589

00:28:35,029 --> 00:28:33,000

but I think I don't know what happened

590

00:28:37,669 --> 00:28:35,039

with Carla Turner whose books I really

591

00:28:40,010 --> 00:28:37,679

love but yes yes well Carla Turner I

592

00:28:44,029 --> 00:28:40,020

mean I'm not intimately familiar with

593

00:28:48,649 --> 00:28:44,039

her but I know that she had a tremendous

594

00:28:52,130 --> 00:28:48,659

amount of paranormal activity around her

595

00:28:54,890 --> 00:28:52,140

and that she moved I believe it was she

596

00:28:56,810 --> 00:28:54,900

was in Florida or Texas and she was she

597

00:28:59,030 --> 00:28:56,820

and her husband were both involved in

598

00:29:00,830 --> 00:28:59,040

teaching and then they ended up moving

599

00:29:03,409 --> 00:29:00,840

to Arkansas

600

00:29:05,960 --> 00:29:03,419

and then stuff started happening to them

601
00:29:08,149 --> 00:29:05,970
where they lived and then she she got

602
00:29:10,370 --> 00:29:08,159
very sick and she died very prematurely

603
00:29:13,220 --> 00:29:10,380
I mean I think she was a reasonably

604
00:29:15,140 --> 00:29:13,230
young woman certainly young for death I

605
00:29:18,230 --> 00:29:15,150
was she in her late 40s or something

606
00:29:21,200 --> 00:29:18,240
like that and she passed on but she was

607
00:29:24,669 --> 00:29:21,210
a sort of exposing the underbelly of

608
00:29:27,980 --> 00:29:24,679
some of this et contact which wasn't

609
00:29:31,039 --> 00:29:27,990
particularly positive so I guess there's

610
00:29:34,519 --> 00:29:31,049
a positive and negative side to the et

611
00:29:35,779 --> 00:29:34,529
contact and I don't you know I don't

612
00:29:40,399 --> 00:29:35,789
want to dwell on the negative side

613
00:29:42,470 --> 00:29:40,409

myself so I guess we don't think it was

614

00:29:45,080 --> 00:29:42,480

a conspiracy I mean so many people have

615

00:29:47,240 --> 00:29:45,090

exposed part I mean Betty Andreassen is

616

00:29:49,490 --> 00:29:47,250

still around Whitley Strieber I just had

617

00:29:53,000 --> 00:29:49,500

lunch with the summer there's so many

618

00:29:55,399 --> 00:29:53,010

people that are exposing this that have

619

00:29:58,820 --> 00:29:55,409

been around a long time and they're

620

00:30:01,100 --> 00:29:58,830

still too David Jacobs is still around

621

00:30:03,260 --> 00:30:01,110

where I don't entirely agree with him

622

00:30:05,510 --> 00:30:03,270

so I don't like to be too much of a

623

00:30:07,940 --> 00:30:05,520

conspiracy person I think you know

624

00:30:09,590 --> 00:30:07,950

that's a rational way to look at it I

625

00:30:12,440 --> 00:30:09,600

just wondered if you had any thoughts

626
00:30:15,169 --> 00:30:12,450
about it I my jury now I don't you know

627
00:30:18,470 --> 00:30:15,179
John that was right no I don't I don't

628
00:30:20,389 --> 00:30:18,480
die on ten Lords conspiracy I think of

629
00:30:23,659 --> 00:30:20,399
course there's a conspiracy to keep the

630
00:30:25,730 --> 00:30:23,669
UFO thing secret and that's going to be

631
00:30:28,580 --> 00:30:25,740
exposed but I don't know if they're

632
00:30:30,919 --> 00:30:28,590
really naughty I doubt that I got that I

633
00:30:33,320 --> 00:30:30,929
mean you know they were should have you

634
00:30:35,419 --> 00:30:33,330
know anyway there's too much guy and I

635
00:30:38,120 --> 00:30:35,429
think we're cracking the code I think

636
00:30:40,070 --> 00:30:38,130
you know if you listen to like Tom

637
00:30:41,690 --> 00:30:40,080
DeLonge and some of these other people

638
00:30:44,480 --> 00:30:41,700

got started to get involved in

639

00:30:47,450 --> 00:30:44,490

disclosure this seems to be a break

640

00:30:49,940 --> 00:30:47,460

within the top secret intelligence where

641

00:30:53,049 --> 00:30:49,950

some of these people are trying to bring

642

00:30:55,490 --> 00:30:53,059

this out to the open I think Obama was

643

00:30:58,070 --> 00:30:55,500

hinting at it I think Bill Clinton which

644

00:31:02,389 --> 00:30:58,080

I think Hillary Clinton were hinting at

645

00:31:04,070 --> 00:31:02,399

it yes and I think not to get into

646

00:31:06,740 --> 00:31:04,080

politics but I don't think Donald Trump

647

00:31:11,500 --> 00:31:06,750

really cares about this subject cause he

648

00:31:13,789 --> 00:31:11,510

really just cares about his own so but I

649

00:31:14,749 --> 00:31:13,799

think he cares about it I don't think

650

00:31:17,119 --> 00:31:14,759

it's of interest

651
00:31:19,339 --> 00:31:17,129
him to my understanding it's not about a

652
00:31:23,959 --> 00:31:19,349
lot of other interests them first

653
00:31:26,689 --> 00:31:23,969
but I do think that I do think that the

654
00:31:32,089 --> 00:31:26,699
question I wanted to talk about was Tom

655
00:31:34,519 --> 00:31:32,099
DeLonge yeah he he's very interesting

656
00:31:36,499 --> 00:31:34,529
fellow he is of course was with a band

657
00:31:38,659 --> 00:31:36,509
he may still be with that band I'm not

658
00:31:41,539 --> 00:31:38,669
so sure if he's with the band still or

659
00:31:44,149 --> 00:31:41,549
not if he's doing other things now but I

660
00:31:48,319 --> 00:31:44,159
it has been brought up that he may be

661
00:31:50,059 --> 00:31:48,329
the victim of disinformation and I don't

662
00:31:53,539 --> 00:31:50,069
know if he is or not I mean I'm not

663
00:31:55,399 --> 00:31:53,549

privy to that inside information but we

664

00:31:57,889 --> 00:31:55,409

can think of people who were who have

665

00:32:00,109 --> 00:31:57,899

started out with all the best interests

666

00:32:03,289 --> 00:32:00,119

in mind people like Linda Moulton Howe

667

00:32:08,389 --> 00:32:03,299

who got involved and then was taken into

668

00:32:10,519 --> 00:32:08,399

a disinformation project by the American

669

00:32:13,039 --> 00:32:10,529

military they brought her onto a base

670

00:32:14,569 --> 00:32:13,049

they gave her a little bit of real

671

00:32:16,549 --> 00:32:14,579

information a little bit of fake

672

00:32:19,879 --> 00:32:16,559

information and they they sent her out

673

00:32:21,379 --> 00:32:19,889

with it and uh you know I am really

674

00:32:23,209 --> 00:32:21,389

because I don't know about this

675

00:32:25,729 --> 00:32:23,219

information that I think Linda is a

676

00:32:28,459 --> 00:32:25,739

great resource I do too I don't know

677

00:32:31,189 --> 00:32:28,469

what disinformation she has but as far

678

00:32:33,829 --> 00:32:31,199

as Tom's along I talked to people who

679

00:32:36,799 --> 00:32:33,839

made this their lives I mean sort of our

680

00:32:39,919 --> 00:32:36,809

life too but they these people are Grant

681

00:32:42,739 --> 00:32:39,929

Cameron has the UFO presidential web we

682

00:32:44,899 --> 00:32:42,749

know grandma sure and Stephen Bassett I

683

00:32:48,169 --> 00:32:44,909

talked to both of those people about Tom

684

00:32:52,699 --> 00:32:48,179

DeLonge and they especially grant we

685

00:32:56,539 --> 00:32:52,709

went to ours he said grant was really

686

00:32:59,089 --> 00:32:56,549

brought in on the inside and he had he

687

00:33:02,089 --> 00:32:59,099

will he is given some false information

688

00:33:04,759 --> 00:33:02,099

to make him look ridiculous but enough

689

00:33:06,649 --> 00:33:04,769

true information to bring out some of

690

00:33:09,019 --> 00:33:06,659

the secrets and I got things done right

691

00:33:12,969 --> 00:33:09,029

that's what this information is this

692

00:33:15,559 --> 00:33:12,979

combination of real stuff versus

693

00:33:17,959 --> 00:33:15,569

misinformation and the stuff that is

694

00:33:20,299 --> 00:33:17,969

patently misinformation is put in there

695

00:33:23,979 --> 00:33:20,309

to make the researchers look like

696

00:33:25,759 --> 00:33:23,989

forgive the expression horses asses I

697

00:33:28,190 --> 00:33:25,769

agree there's lots of information

698

00:33:30,430 --> 00:33:28,200

disinformation I think Linda

699

00:33:33,889 --> 00:33:30,440

I'm not like London I do to my authority

700

00:33:36,680 --> 00:33:33,899

so I'm not sure what disinformation she

701
00:33:39,889 --> 00:33:36,690
was involved with well she was given so

702
00:33:44,029 --> 00:33:39,899
she was not the perpetrator of the

703
00:33:46,460 --> 00:33:44,039
disinformation but she was and she will

704
00:33:49,190 --> 00:33:46,470
probably tell you this herself I'm

705
00:33:51,430 --> 00:33:49,200
guessing that they brought her in they

706
00:33:55,070 --> 00:33:51,440
gave her a whole bunch of information a

707
00:33:58,610 --> 00:33:55,080
good portion of which was incorrect and

708
00:34:01,430 --> 00:33:58,620
it sort of the effect was to make her

709
00:34:03,139 --> 00:34:01,440
look foolish at the time because she

710
00:34:03,950 --> 00:34:03,149
didn't know which was real and which

711
00:34:05,930 --> 00:34:03,960
wasn't real

712
00:34:08,180 --> 00:34:05,940
you just don't when you're in that

713
00:34:10,730 --> 00:34:08,190

position and I'm I can't think of the

714

00:34:14,659 --> 00:34:10,740

two guys that were in on it right they

715

00:34:16,430 --> 00:34:14,669

involved too in that incident up in you

716

00:34:18,829 --> 00:34:16,440

know I can't think of it now you know at

717

00:34:21,800 --> 00:34:18,839

the yellow foam and all that in a boat

718

00:34:23,869 --> 00:34:21,810

and it was in Canada are you talking

719

00:34:26,780 --> 00:34:23,879

about Maury island yeah yeah I think

720

00:34:29,180 --> 00:34:26,790

that Maury island is before Linda mo how

721

00:34:31,310 --> 00:34:29,190

much yeah I think that the men well I

722

00:34:33,079 --> 00:34:31,320

never heard of Maury island with Maury

723

00:34:36,109 --> 00:34:33,089

island you hadn't heard about the Maury

724

00:34:39,619 --> 00:34:36,119

Island incident I'm not sure I can do a

725

00:34:44,200 --> 00:34:39,629

job okay but I will research I will just

726
00:34:50,629 --> 00:34:44,210
send a URI ma you are why emori Island

727
00:34:54,319 --> 00:34:50,639
it involved the report of a UFO that

728
00:34:58,730 --> 00:34:54,329
dropped slag from it looked like one of

729
00:35:03,710 --> 00:34:58,740
the UFOs of was up in the sky and kind

730
00:35:07,069 --> 00:35:03,720
of was not navigating properly and it it

731
00:35:10,130 --> 00:35:07,079
dropped slag onto a boat which killed

732
00:35:13,880 --> 00:35:10,140
the fellows dog reported waning boat lag

733
00:35:16,849 --> 00:35:13,890
and I go yell at all or they described

734
00:35:19,040 --> 00:35:16,859
it to as a yellow foamy substance okay

735
00:35:22,010 --> 00:35:19,050
they killed well there must be evidence

736
00:35:24,380 --> 00:35:22,020
of that then of that um and well it

737
00:35:27,620 --> 00:35:24,390
turned into a whole dog-and-pony show

738
00:35:30,559 --> 00:35:27,630

where the military went there including

739

00:35:33,800 --> 00:35:30,569

some Air Force people who then later

740

00:35:36,230 --> 00:35:33,810

went up in a plane and and died because

741

00:35:37,970 --> 00:35:36,240

they were carrying this slag there may

742

00:35:43,430 --> 00:35:37,980

have been yellow foam but there was also

743

00:35:50,480 --> 00:35:48,980

these physical this physical evidence

744

00:35:52,070 --> 00:35:50,490

evidence yes that's the word I was

745

00:35:54,080 --> 00:35:52,080

looking for they were bringing this

746

00:35:56,890 --> 00:35:54,090

physical evidence back to the Air Force

747

00:35:59,750 --> 00:35:56,900

Base and there were two fairly high

748

00:36:03,200 --> 00:35:59,760

military officers and they were killed

749

00:36:05,960 --> 00:36:03,210

in this plane that went down with the

750

00:36:09,380 --> 00:36:05,970

slide here was this young boy nineteen

751

00:36:11,780 --> 00:36:09,390

fifty fifty two four in that somewhere

752

00:36:14,720 --> 00:36:11,790

was shortly active all vaguely familiar

753

00:36:18,290 --> 00:36:14,730

but so they never recovered the flag now

754

00:36:23,110 --> 00:36:18,300

they never recovered the slag and the

755

00:36:26,450 --> 00:36:23,120

fellow that was implicated in this

756

00:36:31,730 --> 00:36:26,460

situation was also seen on the grassy

757

00:36:34,900 --> 00:36:31,740

knoll yeah when Kennedy was shot and so

758

00:36:38,660 --> 00:36:34,910

you if you look it up you'll Chrisman

759

00:36:42,620 --> 00:36:38,670

chrismad Fred Fred Lee Chrisman is the

760

00:36:45,650 --> 00:36:42,630

perpetrator his I pulled that right out

761

00:36:49,190 --> 00:36:45,660

of my nose I'm telling you Oh Fred Lee

762

00:36:52,700 --> 00:36:49,200

Chrisman was this person who were part

763

00:36:55,970 --> 00:36:52,710

of the Mori Island incident and he is

764

00:36:58,760 --> 00:36:55,980

the one who people say that they saw on

765

00:37:01,460 --> 00:36:58,770

the grassy knoll he might be a

766

00:37:03,320 --> 00:37:01,470

disinformation operative from the

767

00:37:05,900 --> 00:37:03,330

government I thought I don't know this

768

00:37:08,090 --> 00:37:05,910

is all in enshrouded and certainly was

769

00:37:11,510 --> 00:37:08,100

Linda Mellon I mean that would make the

770

00:37:13,340 --> 00:37:11,520

man like very old but I don't have

771

00:37:15,170 --> 00:37:13,350

something to do with Linda Moulton Howe

772

00:37:17,150 --> 00:37:15,180

yeah I don't think so I don't know well

773

00:37:19,100 --> 00:37:17,160

the book we may maybe it's not but I

774

00:37:22,520 --> 00:37:19,110

need to disagree I don't know yeah sure

775

00:37:24,160 --> 00:37:22,530

I did maybe like charettes involved with

776

00:37:29,380 --> 00:37:24,170

the can anything on the grassy knoll

777

00:37:32,480 --> 00:37:29,390

that could be a whole timeline see you

778

00:37:34,550 --> 00:37:32,490

know I mean there's a lot of paranormal

779

00:37:36,950 --> 00:37:34,560

stuff that I don't think can be

780

00:37:38,480 --> 00:37:36,960

explained from the old way of looking at

781

00:37:41,030 --> 00:37:38,490

things so that's really what's so

782

00:37:43,220 --> 00:37:41,040

exciting about what I'm doing is trying

783

00:37:46,970 --> 00:37:43,230

to understand reality in a different way

784

00:37:50,120 --> 00:37:46,980

was not linear right it's not what we've

785

00:37:52,640 --> 00:37:50,130

been told it is you know William that's

786

00:37:55,410 --> 00:37:52,650

the truth that time passes at different

787

00:37:57,870 --> 00:37:55,420

speeds and we are

788

00:38:00,390 --> 00:37:57,880

and time and abaya as biological

789

00:38:02,910 --> 00:38:00,400

entities but if we were not biological

790

00:38:05,280 --> 00:38:02,920

entities just our consciousness does not

791

00:38:07,620 --> 00:38:05,290

have to be rooted in time I would say

792

00:38:12,180 --> 00:38:07,630

exactly that that's what the whole that

793

00:38:14,400 --> 00:38:12,190

movie arrival Oh having a rival yes yes

794

00:38:18,000 --> 00:38:14,410

it's a good movie I saw oh is he all

795

00:38:21,230 --> 00:38:18,010

right like it's it's all about time it's

796

00:38:24,240 --> 00:38:21,240

really not about ETS it's about the

797

00:38:27,440 --> 00:38:24,250

transmutation of time and consciousness

798

00:38:30,059 --> 00:38:27,450

and awareness and and a loop of time

799

00:38:31,920 --> 00:38:30,069

very good movie it's a very good movie

800

00:38:37,319 --> 00:38:31,930

and I recommend it highly

801
00:38:40,650 --> 00:38:37,329
so right now you're about to do a show a

802
00:38:44,030 --> 00:38:40,660
not a show but a lecture a presentation

803
00:38:48,720 --> 00:38:44,040
at the New York

804
00:38:51,030 --> 00:38:48,730
MUFON chapter up in Cary town and you're

805
00:38:53,339 --> 00:38:51,040
going to be speaking about a particular

806
00:38:56,430 --> 00:38:53,349
crop circle is that the case go would

807
00:38:58,049 --> 00:38:56,440
you like to flush it yeah well I'll tell

808
00:39:00,930 --> 00:38:58,059
you that but let me tell you what also

809
00:39:04,020 --> 00:39:00,940
I'm doing I'm actually writing about a

810
00:39:07,440 --> 00:39:04,030
book about this whole idea about ETS and

811
00:39:08,250 --> 00:39:07,450
perception okay how our reality is

812
00:39:14,010 --> 00:39:08,260
distorted

813
00:39:17,130 --> 00:39:14,020

so I'm trying yes I was I said so I you

814

00:39:20,730 --> 00:39:17,140

know obviously we have sort of the

815

00:39:23,700 --> 00:39:20,740

everyday idea of what reality is so what

816

00:39:25,799 --> 00:39:23,710

exactly is your description of the okay

817

00:39:28,410 --> 00:39:25,809

well it's like when you're in the

818

00:39:32,549 --> 00:39:28,420

presence of these beings or even if you

819

00:39:35,400 --> 00:39:32,559

see a UFO there's a time distortion like

820

00:39:37,890 --> 00:39:35,410

we just said there's a a sense of

821

00:39:40,309 --> 00:39:37,900

reality of you actually kind of being

822

00:39:43,589 --> 00:39:40,319

separated from your body or your

823

00:39:46,500 --> 00:39:43,599

consciousness being bigger because when

824

00:39:50,640 --> 00:39:46,510

you're in contact with these beings

825

00:39:53,849 --> 00:39:50,650

they're in such a field of awareness it

826

00:39:55,890 --> 00:39:53,859

brings you to their field so for

827

00:39:57,720 --> 00:39:55,900

instance did you ever meet like a some

828

00:39:59,730 --> 00:39:57,730

high spiritual teacher some guru and

829

00:40:02,520 --> 00:39:59,740

when you're in that presence there's a

830

00:40:05,460 --> 00:40:02,530

level of clarity and awareness that you

831

00:40:07,470 --> 00:40:05,470

don't have around ordinary people well

832

00:40:08,220 --> 00:40:07,480

the same thing in a way is true when

833

00:40:11,790 --> 00:40:08,230

you're around

834

00:40:14,880 --> 00:40:11,800

ts your perception of my perception has

835

00:40:17,330 --> 00:40:14,890

been distorted it's been as if the

836

00:40:21,330 --> 00:40:17,340

gravity of their consciousness

837

00:40:25,849 --> 00:40:21,340

overshadows our basic human awareness so

838

00:40:29,460 --> 00:40:25,859

time bends colors look different the

839

00:40:31,380 --> 00:40:29,470

fabric of space-time itself is distorted

840

00:40:34,109 --> 00:40:31,390

it's as if you're on drugs it's as if

841

00:40:37,740 --> 00:40:34,119

you're in an altered state because of

842

00:40:40,640 --> 00:40:37,750

the emanations of their conscious field

843

00:40:43,800 --> 00:40:40,650

we're talking about field dynamics here

844

00:40:49,290 --> 00:40:43,810

distorts and it's not really but it

845

00:40:51,690 --> 00:40:49,300

distorts our human human Morpho genetic

846

00:40:56,210 --> 00:40:51,700

field so we because we're not in as

847

00:41:00,390 --> 00:40:56,220

great a field it has to bend towards the

848

00:41:02,820 --> 00:41:00,400

ET consciousness and that can either if

849

00:41:03,780 --> 00:41:02,830

you're really not a conscious being that

850

00:41:06,420 --> 00:41:03,790

just knocks you out

851
00:41:09,390 --> 00:41:06,430
there's no way to stay in awareness when

852
00:41:11,430 --> 00:41:09,400
you're in the ET space but if you are or

853
00:41:15,859 --> 00:41:11,440
where if you have worked on lucid

854
00:41:19,290 --> 00:41:15,869
dreaming or or more of a conscious

855
00:41:22,710 --> 00:41:19,300
expansion then you could stay more lucid

856
00:41:26,849 --> 00:41:22,720
and more conscious in the ET space and

857
00:41:31,349 --> 00:41:26,859
have an awareness of those reality

858
00:41:33,690 --> 00:41:31,359
but if I dream like but this is just I

859
00:41:36,330 --> 00:41:33,700
agree are the sciences I definitely a

860
00:41:39,630 --> 00:41:36,340
great Allen and I think this is such an

861
00:41:44,160 --> 00:41:39,640
important thing as disclosure comes

862
00:41:46,530 --> 00:41:44,170
closer to realize that it's not like

863
00:41:48,540 --> 00:41:46,540

like actually Linda Moulton Howe said

864

00:41:50,790 --> 00:41:48,550

when she was talking to John Mac it's

865

00:41:53,880 --> 00:41:50,800

not going to happen over a cup of coffee

866

00:41:55,590 --> 00:41:53,890

when we're in that field she said this

867

00:41:59,430 --> 00:41:55,600

at the citizens hearing for UFO

868

00:42:02,790 --> 00:41:59,440

disclosure in Washington when we are

869

00:42:07,680 --> 00:42:02,800

meeting the other these beings our whole

870

00:42:11,520 --> 00:42:07,690

sense of reality shifts and this is why

871

00:42:13,560 --> 00:42:11,530

disclosure is such a difficult topic and

872

00:42:17,940 --> 00:42:13,570

this is what I'll be talking about at

873

00:42:21,000 --> 00:42:17,950

the UFO Roundtable up in Yonkers this

874

00:42:21,599 --> 00:42:21,010

week the distortion of reality that

875

00:42:25,910 --> 00:42:21,609

we're going to

876

00:42:32,729 --> 00:42:29,700

acclimate to as the et presence gets

877

00:42:35,430 --> 00:42:32,739

closer the the notion of consciousness

878

00:42:38,729 --> 00:42:35,440

itself comes into question and this is

879

00:42:41,069 --> 00:42:38,739

this is the dress rehearsal for contact

880

00:42:44,009 --> 00:42:41,079

we have to start you're aware be aware

881

00:42:46,799 --> 00:42:44,019

that we are multi-dimensional that we

882

00:42:50,220 --> 00:42:46,809

exist on all levels at once that reality

883

00:42:53,370 --> 00:42:50,230

is not linear that these ETS can bend

884

00:42:55,680 --> 00:42:53,380

time and space and actually our

885

00:42:58,769 --> 00:42:55,690

awareness itself so if we're going to

886

00:43:01,309 --> 00:42:58,779

make contact in a conscious way we have

887

00:43:05,009 --> 00:43:01,319

to realize that consciousness is

888

00:43:08,430 --> 00:43:05,019

malleable it's plastic it's fluid it

889

00:43:11,849 --> 00:43:08,440

bends and we have to become aware beings

890

00:43:14,069 --> 00:43:11,859

that can bend with consciousness itself

891

00:43:17,039 --> 00:43:14,079

I don't make sense I agree with you

892

00:43:20,339 --> 00:43:17,049

largely and I would have to say that as

893

00:43:23,700 --> 00:43:20,349

Robert Monroe famously said we are more

894

00:43:25,950 --> 00:43:23,710

than our physical bodies and that is

895

00:43:29,130 --> 00:43:25,960

something that people have to understand

896

00:43:32,819 --> 00:43:29,140

but let's take that a little bit further

897

00:43:36,870 --> 00:43:32,829

and ask what your opinion is and I know

898

00:43:42,420 --> 00:43:36,880

that that Whitley Strieber has come in

899

00:43:44,579 --> 00:43:42,430

on this as well that when the idea of

900

00:43:48,660 --> 00:43:44,589

disclosure talking about disclosure is

901
00:43:50,849 --> 00:43:48,670
it possible that the government are at

902
00:43:54,210 --> 00:43:50,859
least the black ops people that may know

903
00:43:57,660 --> 00:43:54,220
more about the of the et presence then

904
00:44:01,220 --> 00:43:57,670
we're given information on is it

905
00:44:03,720 --> 00:44:01,230
possible that they are moving away from

906
00:44:08,880 --> 00:44:03,730
disclosing because of the idea that

907
00:44:11,069 --> 00:44:08,890
maybe an average person who isn't up to

908
00:44:12,900 --> 00:44:11,079
speed on these things just the you know

909
00:44:15,890 --> 00:44:12,910
the guy down the street mowing his lawn

910
00:44:21,509 --> 00:44:15,900
or the woman cooking dinner is not ready

911
00:44:23,160 --> 00:44:21,519
for to become aware of ETS because they

912
00:44:25,650 --> 00:44:23,170
could bring that they could to burn out

913
00:44:27,269 --> 00:44:25,660

your circuits and in your mind if they

914

00:44:30,450 --> 00:44:27,279

are not ready for it and they probably

915

00:44:31,890 --> 00:44:30,460

don't even care well I think some of

916

00:44:34,910 --> 00:44:31,900

them care I think that here because

917

00:44:37,549 --> 00:44:34,920

there's only I don't know but i'ma I

918

00:44:39,230 --> 00:44:37,559

I really think you know you may get

919

00:44:41,299 --> 00:44:39,240

disclosure and there may be all these

920

00:44:43,250 --> 00:44:41,309

wonderful creatures and I think these

921

00:44:45,049 --> 00:44:43,260

average people go yeah that's great and

922

00:44:47,780 --> 00:44:45,059

they'll go I'm mowing the lawn and

923

00:44:49,789 --> 00:44:47,790

cooking their dinner and ten percent you

924

00:44:51,530 --> 00:44:49,799

know it's the old bell curve thing ten

925

00:44:53,930 --> 00:44:51,540

percent will be really interested ten

926
00:44:56,150 --> 00:44:53,940
percent use it for evil purposes and the

927
00:44:58,160 --> 00:44:56,160
other 80 percent oh go on mowing their

928
00:45:00,770 --> 00:44:58,170
lawns and cooking dinner but if they

929
00:45:02,720 --> 00:45:00,780
have like I agree with that yes I would

930
00:45:05,150 --> 00:45:02,730
thought you said the ETS and care about

931
00:45:08,210 --> 00:45:05,160
me oh yeah me too you care they wouldn't

932
00:45:11,870 --> 00:45:08,220
be here well I think the ETS are giving

933
00:45:14,569 --> 00:45:11,880
us a very slow burning disclosure this

934
00:45:17,660 --> 00:45:14,579
is what Robert Hastings it is that they

935
00:45:19,490 --> 00:45:17,670
will come and go and it's even taken

936
00:45:20,900 --> 00:45:19,500
place over the centuries I mean what

937
00:45:23,890 --> 00:45:20,910
you're describing is religious

938
00:45:27,859 --> 00:45:23,900

experiences from the days of the caveman

939

00:45:30,650 --> 00:45:27,869

yes so I I mean you're exactly disco and

940

00:45:32,539 --> 00:45:30,660

biologist experience yes it's religious

941

00:45:35,240 --> 00:45:32,549

experiences and I think there are really

942

00:45:39,620 --> 00:45:35,250

there's a distinction the physics of it

943

00:45:41,539 --> 00:45:39,630

which this experiences and ET

944

00:45:43,910 --> 00:45:41,549

experiences although some people would

945

00:45:45,620 --> 00:45:43,920

claim may be in the past and an eating

946

00:45:47,450 --> 00:45:45,630

experience was a religious experience

947

00:45:51,490 --> 00:45:47,460

like Whitley sort of there is that

948

00:45:57,650 --> 00:45:51,500

bridge between the two but I do think

949

00:46:02,620 --> 00:45:57,660

UFO contact UFO sightings are up I think

950

00:46:04,849 --> 00:46:02,630

there's an increase in the level of

951
00:46:06,470 --> 00:46:04,859
awakenings and general spiritual

952
00:46:09,380 --> 00:46:06,480
awakenings people or night I've met

953
00:46:11,539 --> 00:46:09,390
about I don't know half a dozen people

954
00:46:13,190 --> 00:46:11,549
in the last few years suddenly they have

955
00:46:15,230 --> 00:46:13,200
this out of nowhere

956
00:46:19,370 --> 00:46:15,240
boom they have this awakening a lots of

957
00:46:23,420 --> 00:46:19,380
times they connected to the the et

958
00:46:25,849 --> 00:46:23,430
towards the Syrians or whatever kind of

959
00:46:28,250 --> 00:46:25,859
group you you seem to identify with but

960
00:46:31,640 --> 00:46:28,260
the other part of the question is yes I

961
00:46:34,160 --> 00:46:31,650
think like Copernicus who said that the

962
00:46:37,250 --> 00:46:34,170
earth was not the center of the universe

963
00:46:39,049 --> 00:46:37,260

and only a small percentage really care

964

00:46:41,569 --> 00:46:39,059

and was affected most people went on

965

00:46:44,210 --> 00:46:41,579

with their lives and said right oh so

966

00:46:47,510 --> 00:46:44,220

what I think that will be the same with

967

00:46:48,829 --> 00:46:47,520

the majority of people who don't see the

968

00:46:50,420 --> 00:46:48,839

reality that we're

969

00:46:52,249 --> 00:46:50,430

actually connected to something bigger

970

00:46:53,930 --> 00:46:52,259

and this is where the issue of

971

00:46:58,009 --> 00:46:53,940

spirituality of consciousness and the

972

00:47:01,219 --> 00:46:58,019

ETS Doomer yes first us when we are

973

00:47:04,069 --> 00:47:01,229

aware we're part of something bigger

974

00:47:07,069 --> 00:47:04,079

than our own little petty dramas it

975

00:47:09,440 --> 00:47:07,079

wakes us up to the greater capacity of

976

00:47:12,319 --> 00:47:09,450

who we are as human being then there's a

977

00:47:16,969 --> 00:47:12,329

greater cosmos to interface with and

978

00:47:20,209 --> 00:47:16,979

more of our neural physiology get

979

00:47:23,059 --> 00:47:20,219

knighted in the exchange of a greater

980

00:47:24,680 --> 00:47:23,069

possibility okay I'm I'm on board with

981

00:47:27,950 --> 00:47:24,690

all of that I want to take it a step

982

00:47:30,829 --> 00:47:27,960

back just for our listeners to sort of

983

00:47:34,459 --> 00:47:30,839

change definitions in a certain way

984

00:47:36,890 --> 00:47:34,469

because Kate's a religious experience of

985

00:47:39,709 --> 00:47:36,900

spiritual expression okay but I use it I

986

00:47:43,339 --> 00:47:39,719

gender I don't mean a organizer I get

987

00:47:46,370 --> 00:47:43,349

that I get that but I would just go I

988

00:47:50,049 --> 00:47:46,380

would call it if no one Minds just for

989

00:47:53,029 --> 00:47:50,059

the sake of of definition a transcendent

990

00:47:55,640 --> 00:47:53,039

experience okay and my people have

991

00:47:57,979 --> 00:47:55,650

called those religious okay let me stop

992

00:48:00,890 --> 00:47:57,989

you right there let me stop you right

993

00:48:06,249 --> 00:48:00,900

there for a second because to me and it

994

00:48:12,140 --> 00:48:06,259

to use the word religious indicates a

995

00:48:14,839 --> 00:48:12,150

higher dogma or a set of a belief it's a

996

00:48:18,579 --> 00:48:14,849

belief system a religion is a belief

997

00:48:21,920 --> 00:48:18,589

system and often people who have

998

00:48:24,219 --> 00:48:21,930

transcendent experiences come back from

999

00:48:28,640 --> 00:48:24,229

the transcendent experience and

1000

00:48:32,209 --> 00:48:28,650

institute a system of beliefs that might

1001
00:48:35,450 --> 00:48:32,219
not be really contained in the actual

1002
00:48:39,620 --> 00:48:35,460
transcendent experience it is what they

1003
00:48:42,709 --> 00:48:39,630
they have done with it so I although I

1004
00:48:44,989 --> 00:48:42,719
don't have anything against someone

1005
00:48:47,120 --> 00:48:44,999
having a religion you're all welcome to

1006
00:48:51,019 --> 00:48:47,130
whatever religion you choose as long as

1007
00:48:53,329 --> 00:48:51,029
it doesn't hurt anyone but I would say

1008
00:48:55,640 --> 00:48:53,339
that using the word religion in this

1009
00:48:56,930 --> 00:48:55,650
context is probably just confusing

1010
00:48:58,969 --> 00:48:56,940
things you're not wrong right

1011
00:49:01,599 --> 00:48:58,979
no let me just clarify I think what

1012
00:49:02,750 --> 00:49:01,609
you're saying I would say that if you're

1013
00:49:05,690 --> 00:49:02,760

already

1014

00:49:07,760 --> 00:49:05,700

involved in sort of a dogmatic religion

1015

00:49:09,800 --> 00:49:07,770

if you have one of these contact and you

1016

00:49:12,710 --> 00:49:09,810

see a light flashing or something you

1017

00:49:15,610 --> 00:49:12,720

call it religious but all religious

1018

00:49:18,230 --> 00:49:15,620

experiences are actually transcendence

1019

00:49:21,200 --> 00:49:18,240

experiences it just depends what frame

1020

00:49:23,450 --> 00:49:21,210

you put around it and of course there I

1021

00:49:25,190 --> 00:49:23,460

mean not all but I think a lot of the

1022

00:49:27,320 --> 00:49:25,200

what people call really I mean I would

1023

00:49:30,170 --> 00:49:27,330

say all these experiences

1024

00:49:32,540 --> 00:49:30,180

you see Jesus maybe that's not a really

1025

00:49:34,610 --> 00:49:32,550

that's really an ET in disguise that's a

1026

00:49:36,830 --> 00:49:34,620

transcendent experience that you're

1027

00:49:38,240 --> 00:49:36,840

limited psychology not yours but

1028

00:49:40,820 --> 00:49:38,250

people's limited psychology

1029

00:49:43,220 --> 00:49:40,830

calls religion there are no religious

1030

00:49:45,800 --> 00:49:43,230

experiences are all transcendent right

1031

00:49:48,290 --> 00:49:45,810

that's where because religion well it

1032

00:49:50,180 --> 00:49:48,300

centers around a particular dogma I just

1033

00:49:52,400 --> 00:49:50,190

want to be clear so people listening to

1034

00:49:55,070 --> 00:49:52,410

us don't misunderstand what we're saying

1035

00:49:58,220 --> 00:49:55,080

and I'm with both of you want on this

1036

00:50:00,170 --> 00:49:58,230

subject although I would say pointing to

1037

00:50:02,930 --> 00:50:00,180

Whitley's last book which I really

1038

00:50:05,290 --> 00:50:02,940

recommend reading this is the natural

1039

00:50:09,650 --> 00:50:05,300

but he did Whitman at Jeffrey Kerr Paul

1040

00:50:12,080 --> 00:50:09,660

yes even calling it an ET experience is

1041

00:50:14,630 --> 00:50:12,090

a level of dogma yeah this is what

1042

00:50:16,610 --> 00:50:14,640

they're making point of and I agree

1043

00:50:18,860 --> 00:50:16,620

you know we're calling it ETS we're

1044

00:50:21,980 --> 00:50:18,870

calling these things experience we at

1045

00:50:25,130 --> 00:50:21,990

ETS but that's based on a very limited

1046

00:50:27,770 --> 00:50:25,140

belief system we actually don't know

1047

00:50:29,960 --> 00:50:27,780

what these things are we have no idea we

1048

00:50:32,510 --> 00:50:29,970

have no friends so we call them ETS but

1049

00:50:34,760 --> 00:50:32,520

that's fits into a box a banjo

1050

00:50:36,440 --> 00:50:34,770

terrestrial doesn't necessarily mean

1051

00:50:39,650 --> 00:50:36,450

that they're from a particular star

1052

00:50:42,140 --> 00:50:39,660

system this doesn't mean we understand I

1053

00:50:46,040 --> 00:50:42,150

mean this is the truth I mean as I see

1054

00:50:47,540 --> 00:50:46,050

it anything about what they are who they

1055

00:50:50,420 --> 00:50:47,550

are what they're here for

1056

00:50:52,880 --> 00:50:50,430

we know nothing about it's as much as

1057

00:50:55,790 --> 00:50:52,890

how I see it your dog or your cat

1058

00:50:58,310 --> 00:50:55,800

looking at you at the computer they have

1059

00:51:02,420 --> 00:50:58,320

no idea they don't have the capacity

1060

00:51:05,270 --> 00:51:02,430

this is my theory about us and these ETS

1061

00:51:07,130 --> 00:51:05,280

or living at a greater capacity doesn't

1062

00:51:09,140 --> 00:51:07,140

mean that better than us or even greater

1063

00:51:13,060 --> 00:51:09,150

than us because I think on a soul level

1064

00:51:15,830 --> 00:51:13,070

they're equal to us but the capacity to

1065

00:51:16,670 --> 00:51:15,840

to maneuver through reality just like

1066

00:51:19,220 --> 00:51:16,680

our capacity

1067

00:51:22,880 --> 00:51:19,230

as we compare to our animals is much

1068

00:51:24,260 --> 00:51:22,890

greater that's how much far in advance

1069

00:51:26,480 --> 00:51:24,270

these beings

1070

00:51:28,609 --> 00:51:26,490

whoever they are are to us that's my

1071

00:51:31,280 --> 00:51:28,619

period well yeah it sounds if that

1072

00:51:35,359 --> 00:51:31,290

sounds rational and it sounds as though

1073

00:51:38,059 --> 00:51:35,369

it's probably largely true how do you

1074

00:51:40,339 --> 00:51:38,069

come down on the part though I know

1075

00:51:45,980 --> 00:51:40,349

Whitley Strieber has mentioned a number

1076

00:51:49,280 --> 00:51:45,990

of times that the UFO or ET reality if

1077

00:51:54,520 --> 00:51:49,290

we find out about these these beings

1078

00:51:57,980 --> 00:51:54,530

that it sort of changes the paradigm

1079

00:52:03,200 --> 00:51:57,990

entirely and that on some level it might

1080

00:52:04,430 --> 00:52:03,210

be dangerous for us as humans no I don't

1081

00:52:06,890 --> 00:52:04,440

know if Whitley ever said it was

1082

00:52:09,140 --> 00:52:06,900

dangerous I think I never heard him say

1083

00:52:13,670 --> 00:52:09,150

that if I I think if we do find out

1084

00:52:16,730 --> 00:52:13,680

about it it does change the paradigm but

1085

00:52:20,180 --> 00:52:16,740

it also it may take us into a little bit

1086

00:52:22,099 --> 00:52:20,190

of a downside a little bit of a shock of

1087

00:52:25,370 --> 00:52:22,109

a shattered reality if you want to call

1088

00:52:28,640 --> 00:52:25,380

it that but the upside of that is to

1089

00:52:30,829 --> 00:52:28,650

gain greater awareness to and creativity

1090

00:52:37,309 --> 00:52:30,839

it's sort of like when Columbus

1091

00:52:40,880 --> 00:52:37,319

discovered the new world it brought more

1092

00:52:43,700 --> 00:52:40,890

invention it create I mean Columbus's

1093

00:52:45,799 --> 00:52:43,710

whole thing and Sogeti the movement of

1094

00:52:47,870 --> 00:52:45,809

the printing press and and religious

1095

00:52:52,089 --> 00:52:47,880

freedoms and the Protestant Reformation

1096

00:52:55,220 --> 00:52:52,099

and this whole idea of this new world

1097

00:52:57,890 --> 00:52:55,230

increase the creative movement of

1098

00:53:02,630 --> 00:52:57,900

Renaissance this is my theory so there's

1099

00:53:06,170 --> 00:53:02,640

a the upside to finding out about or the

1100

00:53:10,430 --> 00:53:06,180

politic acknowledgement of ET situation

1101
00:53:11,990 --> 00:53:10,440
will expand us in ways we cannot fathom

1102
00:53:15,079 --> 00:53:12,000
at this point because we're not

1103
00:53:16,460 --> 00:53:15,089
expanding you know we interesting it

1104
00:53:20,000 --> 00:53:16,470
should be very very very very

1105
00:53:22,160 --> 00:53:20,010
interesting exciting new reality okay

1106
00:53:24,140 --> 00:53:22,170
it'll be a new reality as that it will

1107
00:53:26,299 --> 00:53:24,150
be it that it will basically well

1108
00:53:28,490 --> 00:53:26,309
because it will on some level even

1109
00:53:30,650 --> 00:53:28,500
affect the guy mowing the lawn the woman

1110
00:53:32,540 --> 00:53:30,660
cooking dinner because suddenly

1111
00:53:35,000 --> 00:53:32,550
a dinner will be a little bit different

1112
00:53:37,070 --> 00:53:35,010
maybe it will be vegetarian and maybe

1113
00:53:39,350 --> 00:53:37,080

beet will seem funny and then the guy

1114

00:53:40,750 --> 00:53:39,360

mowing the lawn will think oh maybe I

1115

00:53:43,880 --> 00:53:40,760

shouldn't be destroying all these

1116

00:53:48,290 --> 00:53:43,890

chloroplasts you know and then yes or

1117

00:53:50,630 --> 00:53:48,300

maybe one more thing I think it's really

1118

00:53:53,780 --> 00:53:50,640

and I think this is the biggest threat

1119

00:53:56,000 --> 00:53:53,790

that disclosure faces it means is ever

1120

00:53:58,010 --> 00:53:56,010

these flying these et whatever these

1121

00:54:01,550 --> 00:53:58,020

UFOs are running on they're not filling

1122

00:54:03,980 --> 00:54:01,560

up their gas tank with oil based product

1123

00:54:06,380 --> 00:54:03,990

they are this is the free energy matter

1124

00:54:09,350 --> 00:54:06,390

that the movie Thrive got into after it

1125

00:54:13,010 --> 00:54:09,360

took off from the this is the revolution

1126
00:54:16,640 --> 00:54:13,020
the free energy revolution that that it

1127
00:54:19,700 --> 00:54:16,650
rides on the coattails of et disclosure

1128
00:54:21,650 --> 00:54:19,710
this is what the shake-up is about and

1129
00:54:27,980 --> 00:54:21,660
this is what it's going to reform

1130
00:54:29,450 --> 00:54:27,990
economic it has to be here that's the

1131
00:54:31,580 --> 00:54:29,460
only way to break the power the Middle

1132
00:54:33,260 --> 00:54:31,590
East is to get rid of the oil so I'm

1133
00:54:36,500 --> 00:54:33,270
sure it's but it's not happening but

1134
00:54:39,620 --> 00:54:36,510
it's okay are you how is it happening I

1135
00:54:42,500 --> 00:54:39,630
already tell me how many hybrid powers

1136
00:54:46,220 --> 00:54:42,510
do you see now compared to ten years now

1137
00:54:47,660 --> 00:54:46,230
how many why the hell others I would say

1138
00:54:50,000 --> 00:54:47,670

ten percent of the roots here in New

1139

00:54:52,430 --> 00:54:50,010

Jersey have solar panels on them are

1140

00:54:55,730 --> 00:54:52,440

they running off the grid on solar power

1141

00:54:58,520 --> 00:54:55,740

yeah I think they are local is going is

1142

00:55:02,180 --> 00:54:58,530

e AG has solar powers they go going up

1143

00:55:04,250 --> 00:55:02,190

and down it's going off so far it's

1144

00:55:05,750 --> 00:55:04,260

going to be a hundred Reagan care not

1145

00:55:07,820 --> 00:55:05,760

because the oil companies still

1146

00:55:09,920 --> 00:55:07,830

manipulate politics well yeah but

1147

00:55:12,320 --> 00:55:09,930

petrochemicals used in plastic and other

1148

00:55:14,990 --> 00:55:12,330

things as well but why do you need to

1149

00:55:16,580 --> 00:55:15,000

replace all that oil is still big

1150

00:55:18,920 --> 00:55:16,590

business that was the whole Dakota

1151
00:55:21,530 --> 00:55:18,930
pipeline thing yeah they want more oil

1152
00:55:24,350 --> 00:55:21,540
they want to lower the price of gas rigs

1153
00:55:26,180 --> 00:55:24,360
they don't have goodbye yeah it's still

1154
00:55:28,730 --> 00:55:26,190
there but it's obsolescent already it's

1155
00:55:31,220 --> 00:55:28,740
on its way out not yet it's really not I

1156
00:55:32,840 --> 00:55:31,230
think we need a I don't think that how

1157
00:55:34,790 --> 00:55:32,850
of course you do but how could you

1158
00:55:37,940 --> 00:55:34,800
expect something that basic to the major

1159
00:55:40,400 --> 00:55:37,950
economies worldwide to go overnight I

1160
00:55:42,329 --> 00:55:40,410
mean obviously when we find out there

1161
00:55:45,029 --> 00:55:42,339
are ETS flying there

1162
00:55:47,969 --> 00:55:45,039
on zero-point energy field dynamic

1163
00:55:49,620 --> 00:55:47,979

trusting that Oh nah nah no it'll still

1164

00:55:52,920 --> 00:55:49,630

be you have to you can't just suddenly

1165

00:55:55,289 --> 00:55:52,930

go off the gold standard it just it just

1166

00:55:58,259 --> 00:55:55,299

doesn't happen economically it'll happen

1167

00:56:00,449 --> 00:55:58,269

whether they can happen Rapids Howell is

1168

00:56:02,160 --> 00:56:00,459

doing a good job of doing it what how

1169

00:56:04,049 --> 00:56:02,170

put all that needed is what the

1170

00:56:07,319 --> 00:56:04,059

Department of Defense working on oh look

1171

00:56:10,170 --> 00:56:07,329

how horribly non-defense poo-pooed Tesla

1172

00:56:12,509 --> 00:56:10,180

back in 19 well 1910 a concluded

1173

00:56:15,329 --> 00:56:12,519

publicly but they don't do that

1174

00:56:18,390 --> 00:56:15,339

privately we can't we can't take both a

1175

00:56:21,900 --> 00:56:18,400

say is there is room there is some free

1176

00:56:24,900 --> 00:56:21,910

and forth oh my god leaving off with

1177

00:56:27,089 --> 00:56:24,910

partners and runs are words and more the

1178

00:56:29,729 --> 00:56:27,099

Department of Defense developing free

1179

00:56:33,420 --> 00:56:29,739

energy systems oh and they go and they

1180

00:56:35,099 --> 00:56:33,430

go into meetings every say dzo that's

1181

00:56:36,929 --> 00:56:35,109

why said they've already cut the legs

1182

00:56:38,910 --> 00:56:36,939

out from over the oil and do they

1183

00:56:41,099 --> 00:56:38,920

haven't just hang out in there still

1184

00:56:43,049 --> 00:56:41,109

yeah there are just present falling over

1185

00:56:45,449 --> 00:56:43,059

here I guess I want to take I mean I

1186

00:56:47,579 --> 00:56:45,459

think this I think this ended I'm sorry

1187

00:56:49,529 --> 00:56:47,589

we really I really have no basis to

1188

00:56:51,479 --> 00:56:49,539

argue with you I know I'll be quiet now

1189

00:56:53,549 --> 00:56:51,489

no it's not a matter of being quiet i

1190

00:56:56,099 --> 00:56:53,559

guy there yet I'd like it to be there I

1191

00:56:58,679 --> 00:56:56,109

think that it's way we're all on the

1192

00:57:01,169 --> 00:56:58,689

same page here it's just a matter of is

1193

00:57:03,449 --> 00:57:01,179

it is it already happening has it

1194

00:57:05,549 --> 00:57:03,459

happened is it about to happen but we

1195

00:57:06,569 --> 00:57:05,559

know we all know it's going to happen if

1196

00:57:08,969 --> 00:57:06,579

it hasn't happened yet

1197

00:57:11,459 --> 00:57:08,979

why but it has nothing yet this bill

1198

00:57:13,979 --> 00:57:11,469

addresses think of it this way to I mean

1199

00:57:16,799 --> 00:57:13,989

the internal combustion engine really

1200

00:57:18,719 --> 00:57:16,809

took place what 1910 so 110 hundred

1201

00:57:20,969 --> 00:57:18,729

fifteen years ago there were no cars

1202

00:57:22,949 --> 00:57:20,979

there were no planes there were no jet

1203

00:57:26,189 --> 00:57:22,959

engines it's open the last hundred years

1204

00:57:28,499 --> 00:57:26,199

so within a hundred years we have

1205

00:57:30,599 --> 00:57:28,509

evolved from the Wright brothers winding

1206

00:57:32,549 --> 00:57:30,609

up a toy airplane to going on the moon

1207

00:57:33,749 --> 00:57:32,559

so in the next hundred years I think

1208

00:57:35,729 --> 00:57:33,759

you're going to see the same

1209

00:57:37,919 --> 00:57:35,739

acceleration of change if we managed to

1210

00:57:39,989 --> 00:57:37,929

live through it you'll live through it

1211

00:57:42,059 --> 00:57:39,999

the only thing that will come in the way

1212

00:57:44,400 --> 00:57:42,069

will be a plague other than that idly

1213

00:57:45,630 --> 00:57:44,410

through it but too bad there's been 40

1214

00:57:47,880 --> 00:57:45,640

years since we've landed on the moon

1215

00:57:50,069 --> 00:57:47,890

which is a kind of that's another hole

1216

00:57:52,769 --> 00:57:50,079

isn't it that's enough boy we could go

1217

00:57:55,060 --> 00:57:52,779

into that for another I know but I don't

1218

00:57:56,770 --> 00:57:55,070

buy laude any of

1219

00:57:59,050 --> 00:57:56,780

stuff around that although I do buy some

1220

00:58:01,210 --> 00:57:59,060

of it like I think it will take time

1221

00:58:04,150 --> 00:58:01,220

people didn't want to give it a better

1222

00:58:05,200 --> 00:58:04,160

horse and buggy when ya car came along

1223

00:58:07,990 --> 00:58:05,210

exactly

1224

00:58:09,970 --> 00:58:08,000

I can't get still being suppressed well

1225

00:58:13,990 --> 00:58:09,980

I signed a letter Tesla if it makes you

1226

00:58:16,240 --> 00:58:14,000

feel better well go Kate go they're so

1227

00:58:19,270 --> 00:58:16,250

expensive it's hardly worth it you know

1228

00:58:25,180 --> 00:58:19,280

like I asked well listen I'm supporting

1229

00:58:28,600 --> 00:58:25,190

exactly well free I think have free

1230

00:58:30,490 --> 00:58:28,610

energy the whole society will change the

1231

00:58:32,410 --> 00:58:30,500

whole comics of the Middle East Oprah

1232

00:58:33,850 --> 00:58:32,420

tank so that everything would think so

1233

00:58:35,140 --> 00:58:33,860

that's really what you're trying to

1234

00:58:36,850 --> 00:58:35,150

bring about a change for the better

1235

00:58:40,660 --> 00:58:36,860

through your understanding of

1236

00:58:44,860 --> 00:58:40,670

spirituality and ETS ETS are a major

1237

00:58:46,930 --> 00:58:44,870

major part of understanding the paradigm

1238

00:58:50,380 --> 00:58:46,940

of the future we're a part of something

1239

00:58:52,780 --> 00:58:50,390

bigger and we are not limited by fossil

1240

00:58:55,630 --> 00:58:52,790

fuels for one Deaton you do not have a

1241

00:58:57,640 --> 00:58:55,640

good message do you think we're part of

1242

00:58:59,380 --> 00:58:57,650

the ETS you think they happen to

1243

00:59:00,820 --> 00:58:59,390

discover us as another sentient

1244

00:59:04,000 --> 00:59:00,830

life-form or do you think we were

1245

00:59:05,310 --> 00:59:04,010

connected way back when well my personal

1246

00:59:07,810 --> 00:59:05,320

theory is I think we were already

1247

00:59:11,110 --> 00:59:07,820

genetically manipulated you can call it

1248

00:59:17,110 --> 00:59:11,120

Anunnaki you can call it whatever but we

1249

00:59:20,050 --> 00:59:17,120

did be it's worthy of losing you instant

1250

00:59:21,730 --> 00:59:20,060

upgrade hello I think we want to do a

1251

00:59:23,530 --> 00:59:21,740

little bit I think that you have to

1252

00:59:25,750 --> 00:59:23,540

repeat the last sentence because we you

1253

00:59:28,900 --> 00:59:25,760

went on and out the question was I think

1254

00:59:31,450 --> 00:59:28,910

the ETS have known about us they let us

1255

00:59:35,110 --> 00:59:31,460

go about and devise our own little thing

1256

00:59:38,020 --> 00:59:35,120

but I think the Anunnaki upgraded the

1257

00:59:41,170 --> 00:59:38,030

evolving primates to hundred thousand

1258

00:59:44,470 --> 00:59:41,180

years ago and civilization begun and we

1259

00:59:46,630 --> 00:59:44,480

got you know we started to be creative

1260

00:59:48,910 --> 00:59:46,640

inventive beings that separated us from

1261

00:59:51,820 --> 00:59:48,920

the rest of the animals were here we

1262

00:59:56,110 --> 00:59:51,830

still have 99 percent earth genes but is

1263

00:59:58,180 --> 00:59:56,120

that 1% of et chromosomes that have made

1264

01:00:01,150 --> 00:59:58,190

us different than all the other

1265

01:00:06,430 --> 01:00:01,160

life-forms here and we've been monitored

1266

01:00:09,030 --> 01:00:06,440

and place where at now we're you know

1267

01:00:11,730 --> 01:00:09,040

we'll the full capacity of our brain

1268

01:00:14,220 --> 01:00:11,740

be activated so we can start to

1269

01:00:17,550 --> 01:00:14,230

interface telepathically with the

1270

01:00:18,720 --> 01:00:17,560

evolving cosmos that's all around us

1271

01:00:20,910 --> 01:00:18,730

we're not separate from the universe

1272

01:00:23,550 --> 01:00:20,920

we're going to Utley not you're right

1273

01:00:26,310 --> 01:00:23,560

we've not the lonely Bassets of a

1274

01:00:28,200 --> 01:00:26,320

lifeless universe I used to say but

1275

01:00:31,260 --> 01:00:28,210

we're not life is not an accident

1276

01:00:32,820 --> 01:00:31,270

there's life on every single planet that

1277

01:00:34,260 --> 01:00:32,830

I mean not every single but the ones

1278

01:00:37,670 --> 01:00:34,270

that can support life which are

1279

01:00:39,810 --> 01:00:37,680

trillions throughout this throughout the

1280

01:00:42,090 --> 01:00:39,820

galaxies with throughout the universe

1281

01:00:44,430 --> 01:00:42,100

throughout the multiverse there are life

1282

01:00:47,880 --> 01:00:44,440

ones everywhere lots of life more so we

1283

01:00:51,030 --> 01:00:47,890

we're part of something way way bigger

1284

01:00:53,910 --> 01:00:51,040

and we need to come together in harmony

1285

01:00:56,550 --> 01:00:53,920

and whether we're at this crossroads are

1286

01:00:58,740 --> 01:00:56,560

we going to reach the place where we can

1287

01:01:01,860 --> 01:00:58,750

make contact with these ETS or we're

1288

01:01:06,480 --> 01:01:01,870

going to self-destruct under own greed

1289

01:01:09,060 --> 01:01:06,490

and and violence and limited thinking

1290

01:01:10,710 --> 01:01:09,070

this is the crossroads we're at I think

1291

01:01:14,550 --> 01:01:10,720

we goodness I think we're going to make

1292

01:01:17,580 --> 01:01:14,560

it I mean it's why well I feel I thank

1293

01:01:19,710 --> 01:01:17,590

you so much I agree with your ideas on

1294

01:01:22,320 --> 01:01:19,720

that and I thank you so much for being

1295

01:01:24,600 --> 01:01:22,330

with us on a shattered reality Allen and

1296

01:01:26,640 --> 01:01:24,610

I'm sorry if we gave you a little bit of

1297

01:01:29,190 --> 01:01:26,650

a hard time in there but I think that

1298

01:01:31,590 --> 01:01:29,200

this discussion and sort of bouncing

1299

01:01:34,340 --> 01:01:31,600

things back and forth is very important

1300

01:01:37,500 --> 01:01:34,350

to a greater understanding we are a

1301
01:01:40,020 --> 01:01:37,510
conversational podcast so please I hope

1302
01:01:42,600 --> 01:01:40,030
that you understand that we were you

1303
01:01:45,660 --> 01:01:42,610
know I know it's always fun it's fun fun

1304
01:01:48,030 --> 01:01:45,670
fun to discuss to disagree to agree this

1305
01:01:50,730 --> 01:01:48,040
is how communication works and this is

1306
01:01:53,070 --> 01:01:50,740
why we're here to all of us all three of

1307
01:01:55,920 --> 01:01:53,080
us to evolve civilization because we can

1308
01:01:58,770 --> 01:01:55,930
agree and disagree and how it is is what

1309
01:02:00,450 --> 01:01:58,780
it's about absolutely couldn't agree

1310
01:02:02,850 --> 01:02:00,460
more but thank you so much for sharing

1311
01:02:03,780 --> 01:02:02,860
your ideas with us there really as good

1312
01:02:06,570 --> 01:02:03,790
food for thought

1313
01:02:08,430 --> 01:02:06,580

yes and and I'd have to say that I

1314

01:02:10,680 --> 01:02:08,440

really enjoyed speaking with you and

1315

01:02:13,770 --> 01:02:10,690

agree largely with what you're saying

1316

01:02:16,500 --> 01:02:13,780

your YouTube channel correct yes yes

1330

yeah absolutely

1331

01:02:53,930 --> 01:02:52,110

okay thank you so much thank you very

1332

01:02:54,830 --> 01:02:53,940

lively discussion thank you thank you

1333

01:02:57,380 --> 01:02:54,840

thank you Kay

1334

01:02:58,730 --> 01:02:57,390

nice to meet you take the same here okay

1335

01:03:03,650 --> 01:02:58,740

see you soon Ellen

1336

01:03:06,500 --> 01:03:03,660

bye bye bye so that was nice that would

1337

01:03:08,510 --> 01:03:06,510

water think it was on it's surprising

1338

01:03:11,540 --> 01:03:08,520

how all these people eventually come to

1339

01:03:13,700 --> 01:03:11,550

the same point from different different

1340

01:03:16,100 --> 01:03:13,710

perspectives that's why I that is

1341

01:03:18,500 --> 01:03:16,110

specifically why I took issue with the

1342

01:03:20,390 --> 01:03:18,510

word because I wanted to get rid of a

1343

01:03:22,760 --> 01:03:20,400

word that I would see and and like

1344

01:03:24,790 --> 01:03:22,770

trying to put it on on something we

1345

01:03:27,650 --> 01:03:24,800

could all agree with which was a

1346

01:03:30,170 --> 01:03:27,660

transcendent experience from wherever it

1347

01:03:34,730 --> 01:03:30,180

originates and we sure as heck don't

1348

01:03:37,280 --> 01:03:34,740

have the facts on that no no we nice but

1349

01:03:39,590 --> 01:03:37,290

no we don't I want to announce a couple

1350

01:03:42,410 --> 01:03:39,600

of things and the first thing I wanted

1351

01:03:45,740 --> 01:03:42,420

to announce is that our friends at the

1352

01:03:48,260 --> 01:03:45,750

Pine Bush UFO festival in Pine Bush New

1353

01:03:51,260 --> 01:03:48,270

York this is a biggie so listen up yes

1354

01:03:55,520 --> 01:03:51,270

this they have announced the date which

1355

01:03:58,730 --> 01:03:55,530

is May 20th and May 21st and here's a

1356

01:04:00,920 --> 01:03:58,740

little secret part we might very well be

1357

01:04:03,320 --> 01:04:00,930

involved on those days we've kind of

1358

01:04:05,870 --> 01:04:03,330

gotten an invitation there we have to

1359

01:04:10,160 --> 01:04:05,880

iron out the details but it looks like a

1360

01:04:14,320 --> 01:04:10,170

big go on that thanks to miss domani

1361

01:04:18,920 --> 01:04:14,330

Rodney and our friend Big Al Santa Rita

1362

01:04:21,620 --> 01:04:18,930

of the Bronxville Paranormal Society so

1363

01:04:23,600 --> 01:04:21,630

we want to thank them and tell you to

1364

01:04:25,880 --> 01:04:23,610

hold the date if you're in the Northeast

1365

01:04:29,240 --> 01:04:25,890

all of the day it's a lot of fun it's a

1366

01:04:32,780 --> 01:04:29,250

lot of it is a great it's a great event

1367

01:04:35,880 --> 01:04:32,790

there's food there's all kinds of fun

1368

01:04:38,279 --> 01:04:35,890

stuff for families and then there are

1369

01:04:41,670 --> 01:04:38,289

but the more serious individuals there

1370

01:04:43,980 --> 01:04:41,680

are the very very serious discussions in

1371

01:04:45,599 --> 01:04:43,990

the afternoon and lectures at night and

1372

01:04:48,210 --> 01:04:45,609

we're going to be a part of all that I

1373

01:04:51,120 --> 01:04:48,220

think so we'll have to let you know more

1374

01:04:54,630 --> 01:04:51,130

about that any other thing on a personal

1375

01:04:57,180 --> 01:04:54,640

not exactly personal note but somewhat

1376

01:04:59,970 --> 01:04:57,190

personal note I wrote a a blogspot

1377

01:05:04,319 --> 01:04:59,980

that's getting a lot of coverage which

1378

01:05:06,359 --> 01:05:04,329

is extraterrestrial evolution and a lot

1379

01:05:09,210 --> 01:05:06,369

of other people have picked up on it and

1380

01:05:12,289 --> 01:05:09,220

they're reprinting it and they're so if

1381

01:05:16,410 --> 01:05:12,299

you have a chance go to faroush a-- dot

1382

01:05:20,910 --> 01:05:16,420

wordpress.com and the latest a blogspot

1383

01:05:24,089 --> 01:05:20,920

is extraterrestrial evolution so I think

1384

01:05:26,670 --> 01:05:24,099

it do you have Avenue notices Kate no I

1385

01:05:30,359 --> 01:05:26,680

don't just that the holiday season is

1386

01:05:33,539 --> 01:05:30,369

upon us and so a Happy Holidays Merry

1387

01:05:36,870 --> 01:05:33,549

Christmas Happy New Year Hanukkah happy

1388

01:05:38,910 --> 01:05:36,880

whatever hat yes I don't know whatever

1389

01:05:40,799 --> 01:05:38,920

your particular preference is along

1390

01:05:43,319 --> 01:05:40,809

those lines we hope you have a good one

1391

01:05:47,279 --> 01:05:43,329

yes merry merry happy happy

1392

01:05:59,510 --> 01:05:47,289

jingle jingle whatever and and goodbye
