00:00:08,570 --> 00:00:17,179

[Music]

2
00:00:25,290 --> 00:00:20,670

welcome to shattered reality with your

3
00:00:28,230 --> 00:00:25,300

hosts Kate Valentine and furs prepared

4
00:00:32,280 --> 00:00:28,240

to had a paradigm is shifted and your

5
00:00:35,310 --> 00:00:32,290

truths questioned and now shattered

6
00:00:37,979 --> 00:00:35,320

reality hey another day and another

7
00:00:40,229 --> 00:00:37,989

reality to be shattered faroush a-- yes

8
00:00:41,670 --> 00:00:40,239

indeed Kate how are you today I'm fine

9
00:00:44,520 --> 00:00:41,680

thank you how have you been I've been

10
00:00:46,979 --> 00:00:44,530

I've been okay but I actually did have a

11
00:00:51,390 --> 00:00:46,989

very strange experience this morning

12
00:00:54,539 --> 00:00:51,400

that involves our next guest and I want

13
00:00:59,430 --> 00:00:54,549

to just slate before we start today is

14

00:01:02,340 --> 00:00:59,440

February 28th 2017 man I'm here to say

15

00:01:06,359 --> 00:01:02,350

that we have a marvelously interesting

16

00:01:09,530 --> 00:01:06,369

guest today we have mr. Tom Butler who

17

00:01:15,330 --> 00:01:09,540

is an expert on electronic voice

18

00:01:21,959 --> 00:01:15,340

production also known as EVP he has two

19

00:01:27,029 --> 00:01:21,969

websites one of which is a tra NSC org

20

00:01:32,149 --> 00:01:27,039

the other is etheric studies org he also

21

00:01:35,520 --> 00:01:32,159

has a book called your immortal self

22

00:01:38,669 --> 00:01:35,530

exploring the mindful way and this book

23

00:01:43,020 --> 00:01:38,679

is almost like three books in one it is

24

00:01:47,609 --> 00:01:43,030

a very it is a very compelling book it

25

00:01:49,649 --> 00:01:47,619

has loads of information in it not only

26

00:01:53,660 --> 00:01:49,659

about electronic voice production but

27

00:01:56,849 --> 00:01:53,670

other things he and his wife Lisa are

28

00:02:01,169 --> 00:01:56,859

the people in charge of a group called a

29

00:02:04,889 --> 00:02:01,179

trans C which is a publicly funded group

30

00:02:07,709 --> 00:02:04,899

that involves electronic voice

31

00:02:09,180 --> 00:02:07,719

production and let's say hello to Tom

32

00:02:10,970 --> 00:02:09,190

and he'll tell us more about it it

33

00:02:16,500 --> 00:02:10,980

sounds like a great idea

34

00:02:19,770 --> 00:02:16,510

hello so what we wanted to start off

35

00:02:20,500 --> 00:02:19,780

with with was maybe for you to explain

36

00:02:23,320 --> 00:02:20,510

to us

37

00:02:25,960 --> 00:02:23,330

little bit about these acronyms some of

38

00:02:28,089 --> 00:02:25,970

our listeners actually have met you and

39

00:02:30,789 --> 00:02:28,099

they have already one of them has a

40

00:02:33,069 --> 00:02:30,799

question for you other of our listeners

41

00:02:36,119 --> 00:02:33,079

I don't know all of our listeners we do

42

00:02:40,839 --> 00:02:36,129

have you know somewhat worldwide

43

00:02:44,140 --> 00:02:40,849

listenership certainly in the UK etc but

44

00:02:47,470 --> 00:02:44,150

not everybody is an expert on electronic

45

00:02:50,140 --> 00:02:47,480

voice production not or contraire so

46

00:02:53,830 --> 00:02:50,150

it's necessary for you to explain some

47

00:02:56,110 --> 00:02:53,840

of these acronyms if you don't mind ok

48

00:02:59,710 --> 00:02:56,120

well I'll start out with the the first

49

00:03:03,550 --> 00:02:59,720

one our association was started by a

50

00:03:05,979 --> 00:03:03,560

lady named Sarah II stepped 1982 and it

51
00:03:09,819 --> 00:03:05,989
was put together to help people who were

52
00:03:13,000 --> 00:03:09,829
working with what were really voices

53
00:03:15,789 --> 00:03:13,010
that shouldn't be on the recordings they

54
00:03:18,879 --> 00:03:15,799
were making there they would get in a

55
00:03:22,479 --> 00:03:18,889
very very quiet room and sometimes even

56
00:03:25,990 --> 00:03:22,489
put their recorder in a microwave oven

57
00:03:27,670 --> 00:03:26,000
to shield us from radio waves and they

58
00:03:30,220 --> 00:03:27,680
were still getting these voices and they

59
00:03:33,539 --> 00:03:30,230
they came to realise by the content of

60
00:03:35,650 --> 00:03:33,549
some of the words that there were often

61
00:03:39,520 --> 00:03:35,660
voices of people that are on the other

62
00:03:43,659 --> 00:03:39,530
side now loved ones we're it was common

63
00:03:47,080 --> 00:03:43,669

somebody would say like a good example I

64

00:03:53,309 --> 00:03:47,090

think is Martha Copeland's daughter

65

00:03:56,830 --> 00:03:53,319

Cathy transitioned very young and she

66

00:04:00,119 --> 00:03:56,840

started receiving when she recorded

67

00:04:03,250 --> 00:04:00,129

voices recorded with her audio recorder

68

00:04:05,949 --> 00:04:03,260

Cathy's voice would show up in the

69

00:04:08,699 --> 00:04:05,959

recording sometimes and we have one that

70

00:04:13,509 --> 00:04:08,709

I'm really proud of that she made were

71

00:04:16,000 --> 00:04:13,519

her Cathy's dog Martha inherited Cathy's

72

00:04:21,149 --> 00:04:16,010

dog when Cathy made her transition and

73

00:04:24,689 --> 00:04:21,159

the dog was home alone tearing things up

74

00:04:27,460 --> 00:04:24,699

Martha was of the habit of leaving a

75

00:04:28,990 --> 00:04:27,470

voice-activated recorder on because she

76
00:04:32,459 --> 00:04:29,000
always wanted to hear from our daughter

77
00:04:34,180 --> 00:04:32,469
and you get it in the recording it says

78
00:04:37,450 --> 00:04:34,190
doja No

79
00:04:39,850 --> 00:04:37,460
in Kathy's voice really scolding her dog

80
00:04:41,680 --> 00:04:39,860
that in the process of tearing up a

81
00:04:43,870 --> 00:04:41,690
house that's amazing that's kind of the

82
00:04:46,540 --> 00:04:43,880
nature of the voices and they're you

83
00:04:49,510 --> 00:04:46,550
know you're saying protection I only

84
00:04:53,260 --> 00:04:49,520
have to make one minor correction it's

85
00:04:57,150 --> 00:04:53,270
electronic voice phenomena oh and and

86
00:05:01,060 --> 00:04:57,160
did so that's the EVP and the

87
00:05:04,330 --> 00:05:01,070
instrumental transcommunication is a

88
00:05:08,550 --> 00:05:04,340

voice or is a acronym or a term coined

89

00:05:10,960 --> 00:05:08,560

to describe both voice and visual

90

00:05:13,600 --> 00:05:10,970

examples of this contact from the other

91

00:05:16,990 --> 00:05:13,610

side and the other one instrumental

92

00:05:19,420 --> 00:05:17,000

transcommunication is ITC yes

93

00:05:22,900 --> 00:05:19,430

what would the visual communications

94

00:05:27,300 --> 00:05:22,910

that would show up like on a TV a TV or

95

00:05:30,190 --> 00:05:27,310

something of that nature yeah more often

96

00:05:32,740 --> 00:05:30,200

something some of the early material and

97

00:05:35,470 --> 00:05:32,750

some that Lisa and I have recorded as

98

00:05:37,890 --> 00:05:35,480

you develop a video loop the idea is

99

00:05:43,000 --> 00:05:37,900

that you create a lot of the video

100

00:05:45,970 --> 00:05:43,010

frequency noise and the faces form in

101
00:05:50,830 --> 00:05:45,980
that noise just like voices form in the

102
00:05:55,240 --> 00:05:50,840
audio frequency noise and in some cases

103
00:05:58,000 --> 00:05:55,250
it's been people we've called on I have

104
00:06:00,100 --> 00:05:58,010
a fair likeness of my father there was

105
00:06:02,380 --> 00:06:00,110
one person that came through you can

106
00:06:06,159 --> 00:06:02,390
also create this audio or visual noise

107
00:06:08,409 --> 00:06:06,169
where there by rapidly moving water that

108
00:06:13,180 --> 00:06:08,419
has light reflected from it okay and

109
00:06:15,760 --> 00:06:13,190
then the that chaos that the whole idea

110
00:06:17,950 --> 00:06:15,770
seems like to come across all these

111
00:06:22,060 --> 00:06:17,960
phenomena is it looks like the

112
00:06:24,010 --> 00:06:22,070
impression of our intention causes more

113
00:06:27,460 --> 00:06:24,020

order to show up in a chaotic

114

00:06:30,490 --> 00:06:27,470

environment so basically these faces are

115

00:06:34,000 --> 00:06:30,500

what I call transform or the voices are

116

00:06:36,400 --> 00:06:34,010

transformed out of the noise a couple of

117

00:06:38,560 --> 00:06:36,410

shows ago one of our listeners a

118

00:06:40,840 --> 00:06:38,570

gentleman named Peter sometimes at the

119

00:06:42,640 --> 00:06:40,850

end of the show not today but sometimes

120

00:06:45,190 --> 00:06:42,650

at the end of the show we have something

121

00:06:47,440 --> 00:06:45,200

which is like listeners corner where

122

00:06:47,770 --> 00:06:47,450

some of our listeners will contact us

123

00:06:49,780 --> 00:06:47,780

about

124

00:06:52,200 --> 00:06:49,790

an experience that they have had and

125

00:06:55,390 --> 00:06:52,210

listener Peter a couple of shows ago

126

00:06:58,450 --> 00:06:55,400

came on and he was telling us about

127

00:07:00,460 --> 00:06:58,460

being out at the hotel in California

128

00:07:05,740 --> 00:07:00,470

famous hotel do you remember the name of

129

00:07:07,629 --> 00:07:05,750

a cait coronado or maybe so down in

130

00:07:10,120 --> 00:07:07,639

southern california and he was there

131

00:07:12,370 --> 00:07:10,130

with his son his young son who was like

132

00:07:15,220 --> 00:07:12,380

a teenager at the time if fellow's grown

133

00:07:17,050 --> 00:07:15,230

up now is probably around thirty but at

134

00:07:20,170 --> 00:07:17,060

the time he was a teenager and he

135

00:07:23,650 --> 00:07:20,180

stopped in there on his way to San Diego

136

00:07:27,400 --> 00:07:23,660

with his son and during the middle of

137

00:07:30,190 --> 00:07:27,410

the night Peter saw a the TV seemed to

138

00:07:33,190 --> 00:07:30,200

come on and a woman was asking for help

139

00:07:36,040 --> 00:07:33,200

and apparently she may have been one of

140

00:07:40,120 --> 00:07:36,050

the people who was killed in that hotel

141

00:07:42,310 --> 00:07:40,130

and in times past because the the people

142

00:07:45,490 --> 00:07:42,320

at the front desk were not that

143

00:07:47,860 --> 00:07:45,500

surprised by the fact that Peter had had

144

00:07:51,129 --> 00:07:47,870

an experience but his experience was

145

00:07:54,820 --> 00:07:51,139

rather lengthy with this woman on the TV

146

00:07:57,430 --> 00:07:54,830

box and he had pulled out the pulled out

147

00:08:00,040 --> 00:07:57,440

the connection to the wall and

148

00:08:02,590 --> 00:08:00,050

everything but she didn't go away until

149

00:08:05,080 --> 00:08:02,600

until the Sun came up I I believe that's

150

00:08:07,690 --> 00:08:05,090

what he told us in any case but that's

151
00:08:12,600 --> 00:08:07,700
would be a more of an ITC type of thing

152
00:08:16,029 --> 00:08:12,610
I take it yes the visual form of ITC

153
00:08:20,040 --> 00:08:16,039
you know every day I learned of a new

154
00:08:22,480 --> 00:08:20,050
way that these phenomena happened the

155
00:08:25,120 --> 00:08:22,490
one of the forms of phenomena that we

156
00:08:30,370 --> 00:08:25,130
get pretty frequently is what I refer to

157
00:08:33,579 --> 00:08:30,380
as face on turned off TV and very often

158
00:08:37,480 --> 00:08:33,589
there's a child in the picture or in the

159
00:08:40,870 --> 00:08:37,490
room and it's as if somebody is peering

160
00:08:44,530 --> 00:08:40,880
into the room and in relationship to

161
00:08:47,920 --> 00:08:44,540
this child and in some cases we've

162
00:08:50,070 --> 00:08:47,930
identified that it was like a aunt who

163
00:08:53,290 --> 00:08:50,080

is transitioned to the other side

164

00:08:56,590 --> 00:08:53,300

watching her child's first steps or that

165

00:09:01,049 --> 00:08:56,600

the little boys first steps and again

166

00:09:03,419 --> 00:09:01,059

the television set turned off and

167

00:09:04,559 --> 00:09:03,429

not visually the face not visible during

168

00:09:06,989 --> 00:09:04,569

the event

169

00:09:11,549 --> 00:09:06,999

but when pictures were taken in examined

170

00:09:14,909 --> 00:09:11,559

there's that face and it falls it

171

00:09:17,219 --> 00:09:14,919

doesn't follow any pattern of other

172

00:09:19,679 --> 00:09:17,229

kinds of phenomena it's all by itself

173

00:09:24,809 --> 00:09:19,689

and well you're describing from that

174

00:09:26,219 --> 00:09:24,819

Hotel sounds like a prolonged version of

175

00:09:28,769 --> 00:09:26,229

that I can see where they could be very

176

00:09:33,089 --> 00:09:28,779

unnerving for a person yeah especially

177

00:09:36,869 --> 00:09:33,099

since a she was he was alone with his

178

00:09:39,469 --> 00:09:36,879

young son wasn't a little child but he

179

00:09:45,259 --> 00:09:39,479

was and it was really right before

180

00:09:48,539 --> 00:09:45,269

cellphones were prominent with photo

181

00:09:52,199 --> 00:09:48,549

photographic capabilities so he has no

182

00:09:54,449 --> 00:09:52,209

photographic evidence but he sounded

183

00:10:00,199 --> 00:09:54,459

very credible and in or listener corner

184

00:10:03,539 --> 00:10:00,209

we never questioned the listener in a

185

00:10:05,639 --> 00:10:03,549

critical or parody disparaging way

186

00:10:09,629 --> 00:10:05,649

because everybody has their own

187

00:10:12,059 --> 00:10:09,639

experiences and it's not our duty to

188

00:10:14,609 --> 00:10:12,069

make light of them in any way shape or

189

00:10:17,639 --> 00:10:14,619

form if we've spoken to our listeners

190

00:10:20,489 --> 00:10:17,649

before our show we will never ever

191

00:10:24,029 --> 00:10:20,499

disparage them when they come on in

192

00:10:27,089 --> 00:10:24,039

terms of the listeners corner and wonder

193

00:10:29,399 --> 00:10:27,099

once in a while we do ask vaguely

194

00:10:33,469 --> 00:10:29,409

skeptical questions of our guests but

195

00:10:35,639 --> 00:10:33,479

it's not meant in any way to be sort of

196

00:10:37,169 --> 00:10:35,649

negative towards them but just that

197

00:10:39,149 --> 00:10:37,179

there are people who have questions that

198

00:10:42,089 --> 00:10:39,159

want to know that are not debunking but

199

00:10:44,389 --> 00:10:42,099

perhaps skeptical on some level I wonder

200

00:10:47,069 --> 00:10:44,399

if you could give us a little background

201
00:10:51,319 --> 00:10:47,079
and hope I say this gentleman's name

202
00:10:56,669 --> 00:10:51,329
correctly I believe that the foremost

203
00:11:07,349 --> 00:10:56,679
proponent of EVP early on was constant

204
00:11:09,719 --> 00:11:07,359
in a road I've thought of a ok so

205
00:11:11,549 --> 00:11:09,729
another country yes indeed EC Eastern

206
00:11:13,769 --> 00:11:11,559
European I believe I heard him speak

207
00:11:14,720 --> 00:11:13,779
once in German but German is not his

208
00:11:17,000 --> 00:11:14,730
first tongue

209
00:11:21,230 --> 00:11:17,010
I think you might have been a lefty and

210
00:11:26,470 --> 00:11:21,240
I'm not sure but in the Germanic area

211
00:11:30,490 --> 00:11:26,480
there yes he he was one actually

212
00:11:35,110 --> 00:11:30,500
Frederic Jorgensen is credited with

213
00:11:38,030 --> 00:11:35,120

discovering the phenomena 1959

214

00:11:39,650 --> 00:11:38,040

accidentally recording voices he was

215

00:11:42,410 --> 00:11:39,660

recording bird calls according to the

216

00:11:44,870 --> 00:11:42,420

story it's nighttime bird calls and he

217

00:11:49,900 --> 00:11:44,880

got on the recording that he listened to

218

00:11:53,560 --> 00:11:49,910

later his mother's voice and Virata they

219

00:11:57,680 --> 00:11:53,570

found out about his work and basically

220

00:12:00,790 --> 00:11:57,690

went to him to learn how to record these

221

00:12:04,759 --> 00:12:00,800

voices and the two of them study that

222

00:12:07,160 --> 00:12:04,769

Radha is credited with giving bringing

223

00:12:10,879 --> 00:12:07,170

EVP to the english-speaking world with

224

00:12:13,850 --> 00:12:10,889

the book called breakthrough and it all

225

00:12:18,400 --> 00:12:13,860

kind of began from there how did you

226

00:12:25,370 --> 00:12:21,860

I would not too long after we got

227

00:12:30,019 --> 00:12:25,380

married she picked up a book on by

228

00:12:32,150 --> 00:12:30,029

series two and started reading about EVP

229

00:12:34,900 --> 00:12:32,160

and it took her she said about a year

230

00:12:38,629 --> 00:12:34,910

before she started recording the first

231

00:12:41,870 --> 00:12:38,639

few messages that she listened had me

232

00:12:45,259 --> 00:12:41,880

listen to not only that I think that she

233

00:12:48,350 --> 00:12:45,269

I'm an engineer and I was really sure

234

00:12:49,850 --> 00:12:48,360

that she was mistaking and and I didn't

235

00:12:52,759 --> 00:12:49,860

hear anything with noise but then she

236

00:12:54,829 --> 00:12:52,769

finally recorded one that is probably

237

00:12:57,889 --> 00:12:54,839

one of the best messages I've ever heard

238

00:13:01,100 --> 00:12:57,899

and this says that a bird had fallen out

239

00:13:04,519 --> 00:13:01,110

of the nest by where she worked and then

240

00:13:06,800 --> 00:13:04,529

died and she asked her communicators

241

00:13:11,059 --> 00:13:06,810

during a VP session what she should have

242

00:13:14,180 --> 00:13:11,069

done and this angelic voice is the first

243

00:13:18,350 --> 00:13:14,190

EVP I ever heard said release and

244

00:13:21,139 --> 00:13:18,360

remember one voice and for that these

245

00:13:24,800 --> 00:13:21,149

messages are usually very short and for

246

00:13:27,290 --> 00:13:24,810

just a few syllables that is a world of

247

00:13:28,220 --> 00:13:27,300

information something for us to remember

248

00:13:30,680 --> 00:13:28,230

for all

249

00:13:33,710 --> 00:13:30,690

once on the other side so that's how

250

00:13:40,040 --> 00:13:33,720

kind of I got started mostly helping her

251
00:13:43,160 --> 00:13:40,050
and then later on Sara Estep she joined

252
00:13:45,470 --> 00:13:43,170
Sara's group and then Sara asked us if

253
00:13:48,320 --> 00:13:45,480
we would assume leadership of the group

254
00:13:51,950 --> 00:13:48,330
when she could no longer run it we said

255
00:13:56,750 --> 00:13:51,960
yes and took over in 2000 and that's

256
00:13:58,610 --> 00:13:56,760
kind of where we began we we just

257
00:14:00,740 --> 00:13:58,620
recently we changed the name from the

258
00:14:07,490 --> 00:14:00,750
American Association of electronic voice

259
00:14:12,440 --> 00:14:07,500
phenomena to insta was association

260
00:14:14,270 --> 00:14:12,450
transcommunication or a Trancy in 2010

261
00:14:17,510 --> 00:14:14,280
we did that because we had people from

262
00:14:21,260 --> 00:14:17,520
all around the world as members and we

263
00:14:24,730 --> 00:14:21,270

were studying many forms of transit

264

00:14:26,960 --> 00:14:24,740

Erica influence Lilia transcommunication

265

00:14:30,110 --> 00:14:26,970

following that definition mental

266

00:14:32,060 --> 00:14:30,120

mediumship is trans communication so we

267

00:14:35,570 --> 00:14:32,070

were studying all of that and to be able

268

00:14:37,880 --> 00:14:35,580

to broaden the audience and be more open

269

00:14:40,820 --> 00:14:37,890

to other countries we changed the name

270

00:14:43,880 --> 00:14:40,830

to Association trans communication and

271

00:14:45,950 --> 00:14:43,890

and unfortunately or I guess you could

272

00:14:48,260 --> 00:14:45,960

look at it as unfortunately people have

273

00:14:52,220 --> 00:14:48,270

different ways of looking at somebody's

274

00:14:54,560 --> 00:14:52,230

passing but and mrs. estep died last

275

00:14:56,270 --> 00:14:54,570

year is that correct there's a few years

276

00:15:01,040 --> 00:14:56,280

ago I'm not sure two years ago okay now

277

00:15:02,570 --> 00:15:01,050

but yeah it's been a few years and yeah

278

00:15:05,180 --> 00:15:02,580

we're still in touch with her her

279

00:15:07,190 --> 00:15:05,190

daughter and we have one of our books

280

00:15:09,710 --> 00:15:07,200

that you can download for free on the

281

00:15:12,320 --> 00:15:09,720

matter of fact the one that Lisa started

282

00:15:13,670 --> 00:15:12,330

but it's on the website you want to tell

283

00:15:16,550 --> 00:15:13,680

us the name of the book because many

284

00:15:17,390 --> 00:15:16,560

people who are listening may want to do

285

00:15:18,980 --> 00:15:17,400

exactly that

286

00:15:22,130 --> 00:15:18,990

so they'll know what to look for on your

287

00:15:23,180 --> 00:15:22,140

website now this is the a trancey org

288

00:15:26,350 --> 00:15:23,190

website correct

289

00:15:31,340 --> 00:15:26,360

all right under the year the resources

290

00:15:34,400 --> 00:15:31,350

and man I haven't looked at the word in

291

00:15:36,170 --> 00:15:34,410

her name it's a voice of eternity if I

292

00:15:39,500 --> 00:15:36,180

remember correctly she had another one

293

00:15:46,220 --> 00:15:44,629

there's other resources and but I find

294

00:15:49,310 --> 00:15:46,230

to time while you're looking for that

295

00:15:52,189 --> 00:15:49,320

that you know a lot of the so-called

296

00:15:56,000 --> 00:15:52,199

paranormal phenomena are relatively well

297

00:15:58,250 --> 00:15:56,010

known but EVP I've actually until

298

00:16:01,699 --> 00:15:58,260

Ferruccio brought it up I really was

299

00:16:03,230 --> 00:16:01,709

unfamiliar with it I just know it sounds

300

00:16:06,889 --> 00:16:03,240

fascinating but I just hadn't haven't

301

00:16:09,019 --> 00:16:06,899

really even heard of it well it's it's

302

00:16:12,290 --> 00:16:09,029

on the father that is voices of eternity

303

00:16:16,639 --> 00:16:12,300

your other book has roads to eternity

304

00:16:19,240 --> 00:16:16,649

but in the parapsychological community

305

00:16:22,220 --> 00:16:19,250

the people that study these phenomena

306

00:16:23,990 --> 00:16:22,230

EVPs kind of really low on the list of

307

00:16:27,350 --> 00:16:24,000

things they're going to study mm-hm

308

00:16:30,170 --> 00:16:27,360

it's the ITT in general both forms of

309

00:16:32,480 --> 00:16:30,180

the phenomena is just now beginning to

310

00:16:36,790 --> 00:16:32,490

get a little bit more recognition with

311

00:16:41,269 --> 00:16:36,800

with them prior to the movie white noise

312

00:16:43,759 --> 00:16:41,279

EVP was really it was so far out on the

313

00:16:46,400 --> 00:16:43,769

fringe of society that not too many

314

00:16:48,259 --> 00:16:46,410

people knew about it it's really it's

315

00:16:51,199 --> 00:16:48,269

incredible it's really difficult to say

316

00:16:54,680 --> 00:16:51,209

that it makes any kind of sense at all

317

00:16:58,579 --> 00:16:54,690

yet there it is and after the movie

318

00:17:00,829 --> 00:16:58,589

white noise that the producers told us

319

00:17:05,240 --> 00:17:00,839

that they wanted to make EVP a household

320

00:17:07,520 --> 00:17:05,250

term like crop circles and UFOs and so

321

00:17:10,579 --> 00:17:07,530

based on that we said okay we'll help

322

00:17:13,010 --> 00:17:10,589

advertise a book or a movie we had

323

00:17:16,610 --> 00:17:13,020

nothing to do with the movie itself so

324

00:17:21,620 --> 00:17:16,620

don't blame those Hollywood annihilation

325

00:17:23,809 --> 00:17:21,630

so to speak thanks yeah but since then

326

00:17:25,340 --> 00:17:23,819

you know every town has a few ghost

327

00:17:29,860 --> 00:17:25,350

hunting clubs and every ghost hunting

328

00:17:34,190 --> 00:17:29,870

club has a one or two EVP practitioners

329

00:17:36,020 --> 00:17:34,200

there's still a lot of people working

330

00:17:38,780 --> 00:17:36,030

with us privately you know the

331

00:17:40,850 --> 00:17:38,790

individual and small groups it's it

332

00:17:43,780 --> 00:17:40,860

actually has become pretty much of a

333

00:17:46,490 --> 00:17:43,790

common term amongst people

334

00:17:49,760 --> 00:17:46,500

paranormalists in general and it's

335

00:17:52,900 --> 00:17:49,770

little by little I was invited to help

336

00:17:55,150 --> 00:17:52,910

write a paragraph or a chapter rather

337

00:17:59,080 --> 00:17:55,160

a new handbook of metaphysics that came

338

00:18:01,450 --> 00:17:59,090

out a handbook of parapsychological 101

339

00:18:04,810 --> 00:18:01,460

grapes I forget the name of it anyway

340

00:18:07,540 --> 00:18:04,820

that the pair psychologist asked me to

341

00:18:09,250 --> 00:18:07,550

help him write the chapter on EVP and so

342

00:18:11,950 --> 00:18:09,260

there was actually a chapter in there

343

00:18:16,630 --> 00:18:11,960

for the first time ever on EVP so we're

344

00:18:19,210 --> 00:18:16,640

making progress good good now I know

345

00:18:22,290 --> 00:18:19,220

that you have had some difficulties with

346

00:18:26,170 --> 00:18:22,300

skeptics or really what I call debunkers

347

00:18:29,620 --> 00:18:26,180

and I feel like the people who are in

348

00:18:33,310 --> 00:18:29,630

the scientism crowd the people that are

349

00:18:36,460 --> 00:18:33,320

involved with Wikipedia who are just

350

00:18:40,090 --> 00:18:36,470

debunkers I you know am totally against

351

00:18:45,030 --> 00:18:40,100

that and a lot of our guests have had

352

00:18:50,860 --> 00:18:45,040

problems with their wiki pages such as

353

00:18:55,630 --> 00:18:50,870

dr. Russell Targ and so I'm really not a

354

00:18:58,180 --> 00:18:55,640

big fan of Wikipedia where it comes to

355

00:19:00,250 --> 00:18:58,190

anything having to do with metaphysics

356

00:19:05,410 --> 00:19:00,260

or the paranormal because they're the

357

00:19:09,190 --> 00:19:05,420

first ones who put a big heavy stone in

358

00:19:12,400 --> 00:19:09,200

your boat so to speak and but I do I

359

00:19:15,120 --> 00:19:12,410

just have I have one question which

360

00:19:20,230 --> 00:19:15,130

isn't skeptical exactly it's just

361

00:19:23,070 --> 00:19:20,240

something that sort of comes to my mind

362

00:19:25,210 --> 00:19:23,080

because of some experiences I have had

363

00:19:30,120 --> 00:19:25,220

specifically one with a particular

364

00:19:33,270 --> 00:19:30,130

client if you recall I do work as a

365

00:19:35,770 --> 00:19:33,280

intuitive reader I do not work

366

00:19:38,410 --> 00:19:35,780

specifically as a medium though I have

367

00:19:42,550 --> 00:19:38,420

had certain messages come through me

368

00:19:44,860 --> 00:19:42,560

though not certainly I am NOT a trance

369

00:19:47,230 --> 00:19:44,870

medium that has anybody speak through me

370

00:19:50,080 --> 00:19:47,240

and I don't claim to be able to speak to

371

00:19:52,870 --> 00:19:50,090

the dead per se but sometimes I do get

372

00:19:58,210 --> 00:19:52,880

messages and a woman came to me and she

373

00:20:01,000 --> 00:19:58,220

was getting a lot of messages from some

374

00:20:04,060 --> 00:20:01,010

entity that was claiming to be one or

375

00:20:04,980 --> 00:20:04,070

the other person in her life but then

376

00:20:08,580 --> 00:20:04,990

was telling her

377

00:20:12,529 --> 00:20:08,590

like 10 or 15 true things and then

378

00:20:15,630 --> 00:20:12,539

twisting things and when she came to me

379

00:20:18,630 --> 00:20:15,640

a ring that I was wearing started

380

00:20:20,940 --> 00:20:18,640

burning on my hand and it really kind of

381

00:20:26,490 --> 00:20:20,950

freaked me out to be honest with you and

382

00:20:31,560 --> 00:20:26,500

I actually sent her to have a a exorcism

383

00:20:36,360 --> 00:20:31,570

by a Buddhist healer that I am I know

384

00:20:39,180 --> 00:20:36,370

very well so I am wondering if and I am

385

00:20:41,580 --> 00:20:39,190

a believer that we really do not die

386

00:20:44,700 --> 00:20:41,590

that our consciousness goes on in some

387

00:20:48,060 --> 00:20:44,710

form do I know exactly what form no I

388

00:20:49,860 --> 00:20:48,070

can't tell you that but so I'm not like

389

00:20:52,680 --> 00:20:49,870

a person as I'm saying I'm not a

390

00:20:56,279 --> 00:20:52,690

debunker but how do we tell the

391

00:20:58,649 --> 00:20:56,289

difference between what I would call a

392

00:21:02,760 --> 00:20:58,659

dis incarnate entity a disembodied

393

00:21:05,639 --> 00:21:02,770

spirit maybe not a spirit of a person

394

00:21:08,100 --> 00:21:05,649

but nonetheless an entity how do we tell

395

00:21:11,070 --> 00:21:08,110

the difference between an entity like

396

00:21:15,090 --> 00:21:11,080

this woman seemed to have besieging her

397

00:21:19,380 --> 00:21:15,100

and you know you're you're dead you're

398

00:21:23,010 --> 00:21:19,390

dead grandmother let's say the current

399

00:21:26,690 --> 00:21:23,020

science mainstream psychology and

400

00:21:31,070 --> 00:21:26,700

increasingly with parapsychology is

401
00:21:34,669 --> 00:21:31,080
beginning to realize that we process

402
00:21:37,680 --> 00:21:34,679
information from our environment first

403
00:21:40,110 --> 00:21:37,690
unconsciously and then consciously I'll

404
00:21:43,980 --> 00:21:40,120
you know after it's been processed it's

405
00:21:46,740 --> 00:21:43,990
run through let's call it a way of a

406
00:21:49,620 --> 00:21:46,750
way of comparing the information with

407
00:21:52,409 --> 00:21:49,630
your worldview your memory of what's

408
00:21:54,779 --> 00:21:52,419
real and not real and if it doesn't fit

409
00:21:57,450 --> 00:21:54,789
with that then you might very well just

410
00:22:02,820 --> 00:21:57,460
reject it and never be consciously aware

411
00:22:06,600 --> 00:22:02,830
of it more likely what will happen is

412
00:22:08,450 --> 00:22:06,610
that it will match up some way with what

413
00:22:11,909 --> 00:22:08,460

you have in your memory your worldview

414

00:22:14,909 --> 00:22:11,919

and you will become conscious of that

415

00:22:17,750 --> 00:22:14,919

information based on your interpretation

416

00:22:20,600 --> 00:22:17,760

of it oh and and

417

00:22:23,140 --> 00:22:20,610

we they're beginning to realize that we

418

00:22:26,000 --> 00:22:23,150

go through every moment of our life

419

00:22:28,270 --> 00:22:26,010

basically doing that and that's things

420

00:22:31,040 --> 00:22:28,280

that we physically see those things that

421

00:22:36,230 --> 00:22:31,050

the working theory in parapsychology is

422

00:22:38,300 --> 00:22:36,240

that everything has a sigh or let's call

423

00:22:40,760 --> 00:22:38,310

it a psychic signature that it

424

00:22:42,350 --> 00:22:40,770

broadcasts out into the world and we're

425

00:22:45,110 --> 00:22:42,360

aware of all of those and we process

426

00:22:48,280 --> 00:22:45,120

them and ignore a lot of them and but

427

00:22:52,160 --> 00:22:48,290

all of them come to our conscious mind

428

00:22:54,670 --> 00:22:52,170

the way we understand them and so what

429

00:23:00,650 --> 00:22:54,680

happens I call it cultural contamination

430

00:23:03,680 --> 00:23:00,660

a good example is that whitey Schieffer

431

00:23:06,170 --> 00:23:03,690

had a cover on I think it was communion

432

00:23:10,370 --> 00:23:06,180

was this paperback yes

433

00:23:13,610 --> 00:23:10,380

an alien face on it before that book

434

00:23:15,950 --> 00:23:13,620

came out if aliens had it you know we're

435

00:23:19,640 --> 00:23:15,960

all shapes and sizes and colors you can

436

00:23:22,750 --> 00:23:19,650

imagine very happy now when people have

437

00:23:25,490 --> 00:23:22,760

an alien encounter it very typically

438

00:23:28,850 --> 00:23:25,500

matches up pretty closely with that book

439

00:23:31,100 --> 00:23:28,860

cover so right now when somebody says

440

00:23:31,790 --> 00:23:31,110

well I was abducted by aliens this what

441

00:23:35,000 --> 00:23:31,800

they look like

442

00:23:37,250 --> 00:23:35,010

my first thought is that the experience

443

00:23:39,170 --> 00:23:37,260

may very well be real but the way it's

444

00:23:42,260 --> 00:23:39,180

coming to me now the way the person is

445

00:23:45,770 --> 00:23:42,270

remembering and describing it to me has

446

00:23:49,340 --> 00:23:45,780

probably been changed because of his

447

00:23:51,350 --> 00:23:49,350

cultural upbringing yes well that's

448

00:23:53,030 --> 00:23:51,360

actually the way the body experiences

449

00:23:55,310 --> 00:23:53,040

pain too I mean there's the initial

450

00:23:58,130 --> 00:23:55,320

stimulus it goes into the spinal cord

451
00:24:00,110 --> 00:23:58,140
and the spinal cord then shoots it up to

452
00:24:02,660 --> 00:24:00,120
the cerebrum that will or will not

453
00:24:06,080 --> 00:24:02,670
reject that and so you have a three

454
00:24:07,850 --> 00:24:06,090
pathway of experiencing pain most of the

455
00:24:10,010 --> 00:24:07,860
time is just locally and it just shoots

456
00:24:11,570 --> 00:24:10,020
often that's that but that would be

457
00:24:13,970 --> 00:24:11,580
interesting because I'm sure the same

458
00:24:15,620 --> 00:24:13,980
pathway exists I think actually you're

459
00:24:17,750 --> 00:24:15,630
really onto something that makes perfect

460
00:24:20,600 --> 00:24:17,760
sense what you've been saying yes I

461
00:24:23,800 --> 00:24:20,610
agree where the way the trick is is

462
00:24:27,400 --> 00:24:23,810
being able to distinguish between yeah i

463
00:24:30,470 --> 00:24:27,410

okay yeah I know an awful lot about

464

00:24:31,400 --> 00:24:30,480

paranormal phenomena but I don't know

465

00:24:33,770 --> 00:24:31,410

enough about

466

00:24:35,960 --> 00:24:33,780

to say that no that's not real or that

467

00:24:38,390 --> 00:24:35,970

you you're mistaking about your

468

00:24:38,930 --> 00:24:38,400

experience and I don't think anybody

469

00:24:41,450 --> 00:24:38,940

does

470

00:24:43,520 --> 00:24:41,460

we're still learning it's knowable but

471

00:24:47,360 --> 00:24:43,530

we still have a lot to learn and when

472

00:24:50,930 --> 00:24:47,370

somebody has to let's say they're giving

473

00:24:52,730 --> 00:24:50,940

you a mediumship message it I know from

474

00:24:55,970 --> 00:24:52,740

personal experience because I give

475

00:25:02,540 --> 00:24:55,980

spirit greetings and spiritual society

476
00:25:04,970 --> 00:25:02,550
every Sunday that it's very easy for me

477
00:25:07,670 --> 00:25:04,980
to color my message to the person based

478
00:25:09,950 --> 00:25:07,680
on how I perceive the person if they

479
00:25:11,690 --> 00:25:09,960
look like they're really tired that I

480
00:25:13,910 --> 00:25:11,700
have to resist giving them a tired

481
00:25:17,390 --> 00:25:13,920
message now the message that's coming

482
00:25:19,580 --> 00:25:17,400
through might very well be a valid

483
00:25:21,730 --> 00:25:19,590
message it's just that by time I my

484
00:25:25,640 --> 00:25:21,740
unconscious mind gets through with it

485
00:25:28,310 --> 00:25:25,650
it's not so so accurate so what we talk

486
00:25:31,730 --> 00:25:28,320
about is lucidity meaning that I'm I'm

487
00:25:34,790 --> 00:25:31,740
more or less lucidly aware of my inner

488
00:25:37,610 --> 00:25:34,800

consciousness and and what I have a term

489

00:25:40,370 --> 00:25:37,620

life uses hyper lucidity meaning that I

490

00:25:43,790 --> 00:25:40,380

think I'm more or less aware but I'm not

491

00:25:47,120 --> 00:25:43,800

actually so one of the measures you can

492

00:25:52,550 --> 00:25:47,130

use is what I use for myself is is it a

493

00:25:55,430 --> 00:25:52,560

surprise to me if I'm thinking like worn

494

00:25:57,980 --> 00:25:55,440

out old man in front of me and instead

495

00:26:00,440 --> 00:25:57,990

I'm thinking wow you've got something

496

00:26:03,050 --> 00:26:00,450

really going on that's a surprise to me

497

00:26:04,550 --> 00:26:03,060

right and so I'll go with that and the

498

00:26:07,610 --> 00:26:04,560

same thing I think that if somebody

499

00:26:11,090 --> 00:26:07,620

tells you something if it sounds like

500

00:26:14,210 --> 00:26:11,100

them then I'll say oh okay well I'll

501
00:26:18,260 --> 00:26:14,220
keep that for future reference how do

502
00:26:20,390 --> 00:26:18,270
you feel about the concept that we are

503
00:26:23,990 --> 00:26:20,400
bombarded with a lot more information

504
00:26:27,010 --> 00:26:24,000
than we are actually able to process and

505
00:26:30,410 --> 00:26:27,020
that our minds are actually a

506
00:26:32,690 --> 00:26:30,420
transceiver of information from the

507
00:26:35,300 --> 00:26:32,700
consciousness which is larger so that

508
00:26:38,030 --> 00:26:35,310
our brains I mean are just a transceiver

509
00:26:42,170 --> 00:26:38,040
of that information and whittles down

510
00:26:43,330 --> 00:26:42,180
what we see so that we can continue to

511
00:26:45,970 --> 00:26:43,340
live in

512
00:26:47,710 --> 00:26:45,980
a world that might have predators or we

513
00:26:53,530 --> 00:26:47,720

have to watch out for not getting hit by

514

00:26:56,980 --> 00:26:53,540

a car etc etc the that emerging theory

515

00:26:59,470 --> 00:26:56,990

that has becoming widely accepted in

516

00:27:02,310 --> 00:26:59,480

parapsychology is written by James

517

00:27:05,830 --> 00:27:02,320

Carpenter he's is both mainstream

518

00:27:07,960 --> 00:27:05,840

psychologists I think the therapists and

519

00:27:10,750 --> 00:27:07,970

he's a he was president of the

520

00:27:13,090 --> 00:27:10,760

parapsychological Association for one

521

00:27:17,470 --> 00:27:13,100

year I think anyway he's written a book

522

00:27:19,450 --> 00:27:17,480

called first sight theory it's a

523

00:27:23,100 --> 00:27:19,460

difficult read Thursday if you if you

524

00:27:27,370 --> 00:27:23,110

google it with his name you'll find a

525

00:27:31,270 --> 00:27:27,380

pretty good PDF file on it I've I've got

526

00:27:32,800 --> 00:27:31,280

it on my etheric studies org if you

527

00:27:34,320 --> 00:27:32,810

search for a first sight there you can

528

00:27:37,360 --> 00:27:34,330

find it in a number of places and

529

00:27:40,630 --> 00:27:37,370

basically it just says what you just

530

00:27:45,160 --> 00:27:40,640

described and his piss operating species

531

00:27:49,210 --> 00:27:45,170

is that one everything produces the word

532

00:27:51,850 --> 00:27:49,220

psi sigh yes is the place keeper for

533

00:27:54,760 --> 00:27:51,860

psychic energy or it's likeif influence

534

00:27:58,210 --> 00:27:54,770

so everything produces a sign

535

00:28:00,930 --> 00:27:58,220

signal everything your dead Uncle John

536

00:28:06,640 --> 00:28:00,940

the chair in front of you everything oh

537

00:28:09,190 --> 00:28:06,650

and when you express your unconscious

538

00:28:12,510 --> 00:28:09,200

even before it becomes conscious to you

539

00:28:16,630 --> 00:28:12,520

your unconscious expression produces a

540

00:28:19,090 --> 00:28:16,640

psychokinetic signal or influence and so

541

00:28:20,740 --> 00:28:19,100

that's that's basically a force or

542

00:28:22,720 --> 00:28:20,750

influence that you're putting out into

543

00:28:25,510 --> 00:28:22,730

the environment so for instance when you

544

00:28:28,300 --> 00:28:25,520

think you know god I hate that car well

545

00:28:31,180 --> 00:28:28,310

you're sending a message out there that

546

00:28:34,110 --> 00:28:31,190

is certainly not helpful for your car no

547

00:28:36,910 --> 00:28:34,120

no no so so that's those are the two

548

00:28:39,490 --> 00:28:36,920

foundation ideas and then based on he's

549

00:28:41,830 --> 00:28:39,500

got thirteen corollaries that talk about

550

00:28:44,140 --> 00:28:41,840

well basically it's a rule set for how

551
00:28:47,230 --> 00:28:44,150
we think unconsciously and one of the

552
00:28:49,600 --> 00:28:47,240
things is that we turn toward ideas or

553
00:28:52,540 --> 00:28:49,610
we turn away from ideas unconsciously

554
00:28:54,700 --> 00:28:52,550
depending on our own interest we we

555
00:28:56,740 --> 00:28:54,710
switch back and forth very rapidly or

556
00:29:00,380 --> 00:28:56,750
not so rapidly

557
00:29:03,320 --> 00:29:00,390
the good news is that what I call

558
00:29:04,910 --> 00:29:03,330
mindful what mindfulness and not the

559
00:29:08,090 --> 00:29:04,920
mindful living they're teaching so much

560
00:29:09,950 --> 00:29:08,100
on the internet but being aware of the

561
00:29:15,050 --> 00:29:09,960
implications of your actions and

562
00:29:17,630 --> 00:29:15,060
thoughts you can actually control how

563
00:29:20,690 --> 00:29:17,640

you respond to these unconscious

564

00:29:23,150 --> 00:29:20,700

thoughts so if you're exactly right on

565

00:29:26,390 --> 00:29:23,160

you where you're going is the right side

566

00:29:30,680 --> 00:29:26,400

it's worth looking up I've tried to

567

00:29:33,920 --> 00:29:30,690

digest it and if I like I say search on

568

00:29:36,620 --> 00:29:33,930

ethic studies not org for first sight

569

00:29:38,090 --> 00:29:36,630

theory you know I've used I've applied

570

00:29:41,090 --> 00:29:38,100

it in there in a lot of different ways

571

00:29:44,150 --> 00:29:41,100

that will help people but it's to me

572

00:29:47,960 --> 00:29:44,160

it's a very powerful and important

573

00:29:54,520 --> 00:29:47,970

change to the paranormalist community

574

00:29:58,820 --> 00:29:54,530

because it gives you a foundation a good

575

00:30:02,090 --> 00:29:58,830

scientific foundation for why we need to

576

00:30:04,670 --> 00:30:02,100

be really careful about our channeling

577

00:30:06,680 --> 00:30:04,680

and our mediumship and our paranormal

578

00:30:08,710 --> 00:30:06,690

experiences because they're all being

579

00:30:11,450 --> 00:30:08,720

kind of translated by our unconscious

580

00:30:14,300 --> 00:30:11,460

expectations yes yes I could see where

581

00:30:18,730 --> 00:30:14,310

that would definitely be the case and I

582

00:30:23,300 --> 00:30:18,740

know that it within the community of

583

00:30:26,330 --> 00:30:23,310

near-death experiencers the the

584

00:30:31,030 --> 00:30:26,340

scientific people parapsychologists

585

00:30:34,310 --> 00:30:31,040

versus neuro scientists so to speak the

586

00:30:36,920 --> 00:30:34,320

parapsychologists often go with the idea

587

00:30:39,800 --> 00:30:36,930

which we just kind of spoke about

588

00:30:42,770 --> 00:30:39,810

whereas the neuroscientists many of them

589

00:30:46,250 --> 00:30:42,780

still believe that the brain is the

590

00:30:48,890 --> 00:30:46,260

center of the mind and unconsciousness

591

00:30:51,860 --> 00:30:48,900

whereas the parapsychologists are more

592

00:30:55,880 --> 00:30:51,870

taking the view that the consciousness

593

00:31:00,050 --> 00:30:55,890

is outside of the brain and the the

594

00:31:02,510 --> 00:31:00,060

brain is just relating as a transceiver

595

00:31:08,420 --> 00:31:02,520

of the information and sort of sorting

596

00:31:09,799 --> 00:31:08,430

the information out so right now with

597

00:31:12,589 --> 00:31:09,809

your

598

00:31:14,269 --> 00:31:12,599

group what is exactly what is going on

599

00:31:17,509 --> 00:31:14,279

right now that we should know about that

600

00:31:20,139 --> 00:31:17,519

our community should know about if they

601
00:31:24,320 --> 00:31:20,149
wish to interface with your community

602
00:31:27,889 --> 00:31:24,330
well we we stopped publishing a news

603
00:31:31,759 --> 00:31:27,899
journal a couple of years ago and one of

604
00:31:33,919 --> 00:31:31,769
the reasons why is that where our

605
00:31:38,629 --> 00:31:33,929
membership had dwindled a little bit and

606
00:31:41,829 --> 00:31:38,639
Facebook became websites like Facebook

607
00:31:46,339 --> 00:31:41,839
became very popular too for people to

608
00:31:49,549 --> 00:31:46,349
socialize really and so we just kind of

609
00:31:51,919 --> 00:31:49,559
felt like we were not doing as much good

610
00:31:53,839 --> 00:31:51,929
as we were originally and people pretty

611
00:31:57,560 --> 00:31:53,849
evolved into other areas plus I think

612
00:32:01,549 --> 00:31:57,570
Lisa and I we were due for a little bit

613
00:32:04,969 --> 00:32:01,559

of vacation time I think so we we've cut

614

00:32:07,879 --> 00:32:04,979

back the I have one research project

615

00:32:12,799 --> 00:32:07,889

that I'm still trying to put together

616

00:32:17,229 --> 00:32:12,809

that's studying the the energy content

617

00:32:21,680 --> 00:32:17,239

of EVP signals or some sound streams

618

00:32:25,339 --> 00:32:21,690

other than that I produce a an

619

00:32:27,320 --> 00:32:25,349

occasional update of what's going on and

620

00:32:31,070 --> 00:32:27,330

and it's there's a place on the website

621

00:32:36,169 --> 00:32:31,080

for a transit org to register for that

622

00:32:38,029 --> 00:32:36,179

and also we're maintaining the the idea

623

00:32:39,950 --> 00:32:38,039

exchange discussion board although right

624

00:32:43,070 --> 00:32:39,960

now it's kind of a ghost town but I

625

00:32:46,039 --> 00:32:43,080

maintain that primarily for people who

626

00:32:48,349 --> 00:32:46,049

want to come in and ask questions and

627

00:32:50,299 --> 00:32:48,359

share ideas and everything so I'm

628

00:32:51,619 --> 00:32:50,309

thinking that as people we're out on

629

00:32:53,509 --> 00:32:51,629

Facebook they're going to be coming

630

00:32:58,249 --> 00:32:53,519

around to that again so those are the

631

00:33:02,180 --> 00:32:58,259

two areas were who mike myself I'm I'm

632

00:33:03,769 --> 00:33:02,190

in the process of starting a another

633

00:33:05,719 --> 00:33:03,779

book that's focused on trans

634

00:33:08,719 --> 00:33:05,729

communications specifically it's going

635

00:33:10,789 --> 00:33:08,729

to still have some of the social

636

00:33:12,549 --> 00:33:10,799

environmental issues involved in it you

637

00:33:16,820 --> 00:33:12,559

can't get away from the way we perceive

638

00:33:20,660 --> 00:33:16,830

about that but also I want to get back

639

00:33:25,280 --> 00:33:20,670

to the video loop ITC

640

00:33:27,800 --> 00:33:25,290

and start working on collection of more

641

00:33:30,770 --> 00:33:27,810

modern technology brought to that now

642

00:33:35,630 --> 00:33:30,780

what would you say to somebody who has

643

00:33:36,460 --> 00:33:35,640

had an experience such as a an EVP or an

644

00:33:40,970 --> 00:33:36,470

ITC

645

00:33:44,720 --> 00:33:40,980

how can they look to preserve it or in

646

00:33:46,850 --> 00:33:44,730

some way document it what would be your

647

00:33:49,340 --> 00:33:46,860

basic not somebody who's gonna spend

648

00:33:54,410 --> 00:33:49,350

their life doing it but somebody who has

649

00:33:59,570 --> 00:33:54,420

this experience well this always has

650

00:34:01,430 --> 00:33:59,580

been an interesting point the electronic

651
00:34:04,790 --> 00:34:01,440
voice phenomena examples are really

652
00:34:08,240 --> 00:34:04,800
quite common and when you start looking

653
00:34:09,860 --> 00:34:08,250
for them and what we try to teach first

654
00:34:13,460 --> 00:34:09,870
of all is people how to be able to

655
00:34:16,130 --> 00:34:13,470
record these for themselves but the

656
00:34:18,770 --> 00:34:16,140
biggest thing I think is for people to

657
00:34:20,570 --> 00:34:18,780
try to the takeaway message on it

658
00:34:23,000 --> 00:34:20,580
electronic voice phenomena isn't the

659
00:34:26,659 --> 00:34:23,010
message so much is the fact that it's

660
00:34:29,540 --> 00:34:26,669
there the existence of it and I I think

661
00:34:32,600 --> 00:34:29,550
that every every generation or a few

662
00:34:35,180 --> 00:34:32,610
generations has its own spiritual

663
00:34:37,430 --> 00:34:35,190

revelation and you know you go back to

664

00:34:39,500 --> 00:34:37,440

Egypt and Hermes and you've got Christ

665

00:34:41,960 --> 00:34:39,510

and you've got cultural different

666

00:34:44,960 --> 00:34:41,970

teachers come in and provide a

667

00:34:48,940 --> 00:34:44,970

revelation of what we who we really are

668

00:34:54,020 --> 00:34:48,950

and our relationship to greater reality

669

00:34:56,090 --> 00:34:54,030

well I feel like the paranormal

670

00:34:59,540 --> 00:34:56,100

phenomena we're all experiencing these

671

00:35:03,470 --> 00:34:59,550

days is part of a new form of revelation

672

00:35:05,870 --> 00:35:03,480

and and and effect that it's teaching as

673

00:35:08,930 --> 00:35:05,880

far as a physical medium doesn't

674

00:35:11,600 --> 00:35:08,940

demonstrate to to give you a g-wiz that

675

00:35:14,780 --> 00:35:11,610

was fantastic experience he's teaching

676

00:35:17,720 --> 00:35:14,790

you that you continue after the same

677

00:35:20,300 --> 00:35:17,730

call death that's really the reason why

678

00:35:22,400 --> 00:35:20,310

he demonstrates same thing for

679

00:35:25,910 --> 00:35:22,410

mediumship you don't give a message to

680

00:35:27,470 --> 00:35:25,920

somebody to connect them to their loved

681

00:35:29,720 --> 00:35:27,480

one because he'll just turn around go

682

00:35:31,280 --> 00:35:29,730

find some somebody else and get

683

00:35:34,410 --> 00:35:31,290

connected again and it becomes almost

684

00:35:37,230 --> 00:35:34,420

obsessive what we do is we try to

685

00:35:39,510 --> 00:35:37,240

show the continuity of life that's the

686

00:35:42,809 --> 00:35:39,520

revelation well that's wonderful that is

687

00:35:46,680 --> 00:35:42,819

and I think the NDE people are kind of

688

00:35:49,020 --> 00:35:46,690

working on the same principles which

689

00:35:53,670 --> 00:35:49,030

brings me you sort of answered one of

690

00:35:59,640 --> 00:35:53,680

the questions that one of our listeners

691

00:36:03,180 --> 00:35:59,650

had which was that you had a June 2006

692

00:36:07,620 --> 00:36:03,190

conference which featured Allen botkin

693

00:36:10,440 --> 00:36:07,630

the late sarah SC step and Gary Schwartz

694

00:36:14,240 --> 00:36:10,450

Alec McCray from the Isle of Skye and

695

00:36:18,809 --> 00:36:14,250

some of the skull experiment people and

696

00:36:21,000 --> 00:36:18,819

my friend and and listener said he had

697

00:36:22,890 --> 00:36:21,010

met you there he was very impressed but

698

00:36:27,180 --> 00:36:22,900

he was surprised that you never had

699

00:36:29,010 --> 00:36:27,190

another conference and this may be part

700

00:36:32,910 --> 00:36:29,020

of the fact that you decided to take a

701
00:36:34,799 --> 00:36:32,920
little step backward and and take a

702
00:36:36,539 --> 00:36:34,809
vacation if you will is that is that the

703
00:36:40,109 --> 00:36:36,549
case because he was very impressed by

704
00:36:41,640 --> 00:36:40,119
your work at that conference that we

705
00:36:43,859 --> 00:36:41,650
were impressed too I mean the people

706
00:36:47,039 --> 00:36:43,869
that we were able to attract to that

707
00:36:55,579 --> 00:36:47,049
from around the world really it was it

708
00:37:02,579 --> 00:36:59,190
organisations money quite a bit actually

709
00:37:04,470 --> 00:37:02,589
and we attempted to have one a couple

710
00:37:08,930 --> 00:37:04,480
years later and actually had to cancel

711
00:37:10,920 --> 00:37:08,940
it because the lack of interest Wow it

712
00:37:12,630 --> 00:37:10,930
well there's a couple of things going on

713
00:37:14,460 --> 00:37:12,640

one of them Lisa iron probably not the

714

00:37:18,240 --> 00:37:14,470

most charismatic people in the world

715

00:37:21,809 --> 00:37:18,250

we're pragmatic and the majority people

716

00:37:25,349 --> 00:37:21,819

working with these phenomena it's more

717

00:37:26,970 --> 00:37:25,359

hobby level in its son if it isn't son

718

00:37:29,430 --> 00:37:26,980

they don't want to do it

719

00:37:30,870 --> 00:37:29,440

there's old phrasing and spiritual

720

00:37:35,250 --> 00:37:30,880

developments that you've got to do the

721

00:37:36,660 --> 00:37:35,260

work well we our organization kind of

722

00:37:40,440 --> 00:37:36,670

build up around the idea that you've got

723

00:37:44,370 --> 00:37:40,450

to do the work right and and there's no

724

00:37:47,069 --> 00:37:44,380

fun so I hear I didn't in danger of

725

00:37:47,640 --> 00:37:47,079

making excuses I don't know exactly what

726
00:37:50,910 --> 00:37:47,650
happened

727
00:37:55,370 --> 00:37:50,920
but it has time went on interest moved

728
00:37:58,710 --> 00:37:55,380
on to other areas and we just basically

729
00:38:03,450 --> 00:37:58,720
decided that we weren't real successful

730
00:38:06,210 --> 00:38:03,460
and recruiting board members and other

731
00:38:06,990 --> 00:38:06,220
leaders and stuff like that I'm in my

732
00:38:10,320 --> 00:38:07,000
70s

733
00:38:15,510 --> 00:38:10,330
Oh oh my god and I'm enjoying cruising

734
00:38:17,900 --> 00:38:15,520
and I'm writing books and we we've

735
00:38:21,720 --> 00:38:17,910
recruited recruited a couple people that

736
00:38:23,970 --> 00:38:21,730
disappeared one of them died and we kind

737
00:38:25,980 --> 00:38:23,980
of gave up so the way it stands right

738
00:38:27,810 --> 00:38:25,990

now is that we're thinking more in terms

739

00:38:29,430 --> 00:38:27,820

of legacy we were trying to preserve

740

00:38:32,880 --> 00:38:29,440

we've got all the newsletters on the

741

00:38:37,860 --> 00:38:32,890

website now but it's time for the next

742

00:38:40,620 --> 00:38:37,870

generation yes I hear you and it sort of

743

00:38:42,990 --> 00:38:40,630

sounds like the UFO conferences where

744

00:38:45,570 --> 00:38:43,000

the age group is getting older and older

745

00:38:48,330 --> 00:38:45,580

that attends these different UFO

746

00:38:51,050 --> 00:38:48,340

conferences and people want it to be fun

747

00:38:55,620 --> 00:38:51,060

rather than putting in the legwork and

748

00:38:58,500 --> 00:38:55,630

also the younger generation of people do

749

00:39:01,710 --> 00:38:58,510

everything online but my friend had said

750

00:39:04,350 --> 00:39:01,720

that your 2006 conference was very well

751

00:39:06,390 --> 00:39:04,360

attended and he was very pleased with it

752

00:39:09,510 --> 00:39:06,400

so that's a little Kudo to you at any

753

00:39:11,430 --> 00:39:09,520

rate yeah we appreciate that because it

754

00:39:14,430 --> 00:39:11,440

was hard work but it was also very

755

00:39:18,360 --> 00:39:14,440

rewarding for us because the the

756

00:39:20,490 --> 00:39:18,370

speakers and the attendees well I was

757

00:39:22,110 --> 00:39:20,500

going to say to that it's interesting

758

00:39:24,030 --> 00:39:22,120

that you look on the brain as a

759

00:39:26,130 --> 00:39:24,040

transceiver I mean that would explain

760

00:39:29,510 --> 00:39:26,140

the epiphanies that you see throughout

761

00:39:36,810 --> 00:39:29,520

history not just socially but also

762

00:39:39,930 --> 00:39:36,820

scientifically to showing that yeah I

763

00:39:42,480 --> 00:39:39,940

mean you know the Watson and Crick

764

00:39:45,000 --> 00:39:42,490

waking up thinking about a snake eating

765

00:39:47,700 --> 00:39:45,010

its tail and realizing that that's the

766

00:39:50,460 --> 00:39:47,710

RNA or DNA structure there's just so

767

00:39:52,920 --> 00:39:50,470

many examples Tesla used to go in these

768

00:39:55,620 --> 00:39:52,930

deep states and then come out and figure

769

00:39:58,710 --> 00:39:55,630

out how alternating current existed well

770

00:40:00,230 --> 00:39:58,720

it's almost as if the information exists

771

00:40:02,750 --> 00:40:00,240

out there

772

00:40:05,720 --> 00:40:02,760

and I've always had that feeling that

773

00:40:08,780 --> 00:40:05,730

that's you know animals know how to do

774

00:40:11,480 --> 00:40:08,790

things they know how to build a nest and

775

00:40:14,599 --> 00:40:11,490

we don't and that informations out there

776

00:40:16,820 --> 00:40:14,609

go ahead well just a rate radio company

777

00:40:20,089 --> 00:40:16,830

comes to me that radio was sort of

778

00:40:22,130 --> 00:40:20,099

simultaneously developed in various

779

00:40:24,020 --> 00:40:22,140

different places in the world not only

780

00:40:26,599 --> 00:40:24,030

by Marconi but other people were

781

00:40:29,589 --> 00:40:26,609

developing it at the same time so it was

782

00:40:33,520 --> 00:40:29,599

an idea whose time had come and somehow

783

00:40:37,520 --> 00:40:33,530

that information was put out on the

784

00:40:43,700 --> 00:40:37,530

psychic network so to speak so once

785

00:40:48,050 --> 00:40:43,710

again look up Rupert Sheldrake yes he

786

00:40:50,589 --> 00:40:48,060

has a theory actually I'm I'm barred for

787

00:40:54,740 --> 00:40:50,599

life from working on his website his

788

00:40:58,370 --> 00:40:54,750

Wikipedia article it's interesting

789

00:41:01,089 --> 00:40:58,380

because the skeptics just hate his work

790

00:41:04,430 --> 00:41:01,099

he's a wonderful man my fabulous

791

00:41:06,650 --> 00:41:04,440

formative causation basically gives you

792

00:41:10,609 --> 00:41:06,660

a model for why those birds know how to

793

00:41:13,670 --> 00:41:10,619

do that and why simultaneous discoveries

794

00:41:16,339 --> 00:41:13,680

occur it's one of the formative

795

00:41:18,530 --> 00:41:16,349

influences on the writing of my book so

796

00:41:20,630 --> 00:41:18,540

as an electronics engineer it would be

797

00:41:22,640 --> 00:41:20,640

interesting for you to figure out what

798

00:41:24,589 --> 00:41:22,650

the frequency of that transmission is

799

00:41:27,349 --> 00:41:24,599

because you could pick up knowing the

800

00:41:28,760 --> 00:41:27,359

frequency just lots of information and I

801
00:41:31,670 --> 00:41:28,770
think that's that's where you were so

802
00:41:35,240 --> 00:41:31,680
headed well we spend a lot of time

803
00:41:37,070 --> 00:41:35,250
looking for frequencies I mean literally

804
00:41:39,650 --> 00:41:37,080
we've tried we've looked under just

805
00:41:45,260 --> 00:41:39,660
about every rock you can imagine it's up

806
00:41:48,040 --> 00:41:45,270
and down the answer is one of my goals

807
00:41:51,410 --> 00:41:48,050
as an engineer you're always looking for

808
00:41:55,940 --> 00:41:51,420
the mechanics I live in a very

809
00:41:58,940 --> 00:41:55,950
actionable philosophy world and the

810
00:42:01,370 --> 00:41:58,950
etheric physical interface what Nick is

811
00:42:03,320 --> 00:42:01,380
I know how does this thought turn into a

812
00:42:08,150 --> 00:42:03,330
signal and it's up on your recorder

813
00:42:12,960 --> 00:42:08,160

well the etheric is conceptual and the

814

00:42:15,599 --> 00:42:12,970

physical is conceptual assigned has

815

00:42:18,210 --> 00:42:15,609

physical that's the you know if we're

816

00:42:19,620 --> 00:42:18,220

creating our own reality basically what

817

00:42:21,990 --> 00:42:19,630

it boils down to is that we as a

818

00:42:24,480 --> 00:42:22,000

collective understanding have decided

819

00:42:27,450 --> 00:42:24,490

that when we have an experience that's

820

00:42:31,859 --> 00:42:27,460

that is supposed to be physical then we

821

00:42:35,220 --> 00:42:31,869

assign physicality to what becomes part

822

00:42:37,410 --> 00:42:35,230

of our consciousness so in a matter of

823

00:42:42,599 --> 00:42:37,420

speaking that electronic voice phenomena

824

00:42:45,050 --> 00:42:42,609

is a concept that's been brought into

825

00:42:48,839 --> 00:42:45,060

the physical and the actual physical

826

00:42:51,359 --> 00:42:48,849

mechanism force appears to be a form of

827

00:42:53,940 --> 00:42:51,369

stochastic amplification basically

828

00:42:58,050 --> 00:42:53,950

that's a very broad spectrum large

829

00:43:01,410 --> 00:42:58,060

signal audio signal optical signal will

830

00:43:06,720 --> 00:43:01,420

amplify a weak signal so that it becomes

831

00:43:10,640 --> 00:43:06,730

visible or optical audio that interface

832

00:43:17,010 --> 00:43:10,650

has nothing to do with electromagnetic

833

00:43:20,820 --> 00:43:17,020

electricity frequency anything it's it's

834

00:43:23,520 --> 00:43:20,830

it's basically a conceptual influence on

835

00:43:27,359 --> 00:43:23,530

a physical process and the closest I can

836

00:43:31,980 --> 00:43:27,369

come to that is in the brain we don't

837

00:43:35,130 --> 00:43:31,990

see a neuron fire for recognition of a

838

00:43:37,770 --> 00:43:35,140

color we see a field of neurons firing

839

00:43:42,450 --> 00:43:37,780

and what they're doing is they're

840

00:43:45,540 --> 00:43:42,460

producing broad-spectrum energetic field

841

00:43:50,570 --> 00:43:45,550

very much like the noise in our EVP or

842

00:43:54,270 --> 00:43:50,580

the visible noise and our ITC visual ITC

843

00:43:56,210 --> 00:43:54,280

so the the same physical processes we're

844

00:43:58,680 --> 00:43:56,220

seeing here they're everywhere

845

00:44:02,210 --> 00:43:58,690

associated with these phenomena and

846

00:44:06,630 --> 00:44:02,220

again the it's very dangerous

847

00:44:09,260 --> 00:44:06,640

intellectually to try to explain these

848

00:44:11,460 --> 00:44:09,270

phenomena based on physical principles

849

00:44:13,440 --> 00:44:11,470

because basically what we see is a

850

00:44:15,300 --> 00:44:13,450

manifestation you just don't see the

851

00:44:18,210 --> 00:44:15,310

energy behind it it has to be an energy

852

00:44:20,700 --> 00:44:18,220

field somewhere there has to be if we

853

00:44:24,329 --> 00:44:20,710

influence thanks think influence instead

854

00:44:26,760 --> 00:44:24,339

of energy there's an influence but that

855

00:44:28,560 --> 00:44:26,770

still has to be it some sort of an

856

00:44:30,750 --> 00:44:28,570

you know when you say energy I'm not

857

00:44:32,550 --> 00:44:30,760

necessarily talking about electricity or

858

00:44:34,800 --> 00:44:32,560

whatever but there has to be some sort

859

00:44:37,290 --> 00:44:34,810

of it I don't know for one of a better

860

00:44:41,280 --> 00:44:37,300

word maybe a spiritual energy type thing

861

00:44:43,860 --> 00:44:41,290

but there has to be something that I I

862

00:44:49,500 --> 00:44:43,870

mean really I mean you just don't get

863

00:44:53,750 --> 00:44:49,510

something from nothing reason I make a

864

00:44:57,300 --> 00:44:53,760

point about that is because if if you

865

00:45:00,660 --> 00:44:57,310

can't start thinking in terms of

866

00:45:02,690 --> 00:45:00,670

perspective of your your your etheric

867

00:45:06,960 --> 00:45:02,700

self further than your physical self

868

00:45:09,210 --> 00:45:06,970

then that starts to open up the channel

869

00:45:14,040 --> 00:45:09,220

of communication between those two and

870

00:45:17,570 --> 00:45:14,050

if you if you still think like electro

871

00:45:21,380 --> 00:45:17,580

Matic energy is very physical self

872

00:45:24,270 --> 00:45:21,390

explanation were in the etheric world

873

00:45:28,020 --> 00:45:24,280

electromagnetic electromagnetic energy

874

00:45:30,000 --> 00:45:28,030

is a product of influence okay so and

875

00:45:32,220 --> 00:45:30,010

it's these are abstractions and I

876

00:45:34,880 --> 00:45:32,230

apologize for that but the only way I

877

00:45:38,490 --> 00:45:34,890

can find to help people start thinking

878

00:45:40,580 --> 00:45:38,500

as as not from the inside of their head

879

00:45:44,100 --> 00:45:40,590

but from the outside of their head you

880

00:45:46,170 --> 00:45:44,110

know actually it's it's too bad that you

881

00:45:47,970 --> 00:45:46,180

gave up on your studies because I think

882

00:45:49,800 --> 00:45:47,980

you were really on to something and as

883

00:45:52,290 --> 00:45:49,810

you said that revelations come as

884

00:45:55,800 --> 00:45:52,300

generations come and I think you may

885

00:45:57,990 --> 00:45:55,810

have been the forerunners there well I I

886

00:46:00,420 --> 00:45:58,000

really think that one way to look at it

887

00:46:02,580 --> 00:46:00,430

the way I look at it in any case of what

888

00:46:04,770 --> 00:46:02,590

Kate was talking about to you and you

889

00:46:08,010 --> 00:46:04,780

were answering her as I I kind of look

890

00:46:11,070 --> 00:46:08,020

at it in terms of quantum physics the

891

00:46:15,150 --> 00:46:11,080

way quantum physicists look at it in in

892

00:46:18,210 --> 00:46:15,160

that we're not really matter the matter

893

00:46:19,920 --> 00:46:18,220

isn't really you're going into virtual

894

00:46:23,550 --> 00:46:19,930

particles and stuff which is just what

895

00:46:24,750 --> 00:46:23,560

he was saying but Dad I verbalize it a

896

00:46:26,700 --> 00:46:24,760

little differently but I think we're

897

00:46:29,760 --> 00:46:26,710

coming from the same place what do you

898

00:46:32,130 --> 00:46:29,770

think time an interesting exercise is

899

00:46:33,900 --> 00:46:32,140

one of the chapters in the book I have

900

00:46:37,410 --> 00:46:33,910

the Mandelbrot set

901
00:46:39,859 --> 00:46:37,420
how are you familiar with fractal

902
00:46:44,499 --> 00:46:39,869
geometry the the man

903
00:46:47,599 --> 00:46:44,509
the broad set is an interesting model

904
00:46:52,190 --> 00:46:47,609
for what the greater reality I looked

905
00:46:53,599 --> 00:46:52,200
like it you have all this fantastic

906
00:46:56,359 --> 00:46:53,609
universe you can fly through

907
00:46:58,640 --> 00:46:56,369
mathematically or by changing changing

908
00:47:01,009 --> 00:46:58,650
the formulas because it's calculated a

909
00:47:03,410 --> 00:47:01,019
point at a time so what you do is you

910
00:47:06,200 --> 00:47:03,420
change the beginning point and you're in

911
00:47:08,109 --> 00:47:06,210
another part of it and the faster that

912
00:47:10,400 --> 00:47:08,119
the calculation goes to infinity

913
00:47:13,660 --> 00:47:10,410

determines the color that you assign to

914

00:47:17,620 --> 00:47:13,670

where you're anyway the whole thing is

915

00:47:21,799 --> 00:47:17,630

infinitely large mathematical universe

916

00:47:23,809 --> 00:47:21,809

is in an area that is only numerically

917

00:47:26,019 --> 00:47:23,819

it's what's an imaginary space it's

918

00:47:30,440 --> 00:47:26,029

numerically between one and two and

919

00:47:35,650 --> 00:47:30,450

imaginary number one or two so if you

920

00:47:39,499 --> 00:47:35,660

think of that the creation of our world

921

00:47:46,029 --> 00:47:39,509

is such a very simple idea can create

922

00:47:49,220 --> 00:47:46,039

such complexity that then can take on a

923

00:47:50,989 --> 00:47:49,230

reality of its own and if you're that

924

00:47:54,319 --> 00:47:50,999

point wandering random there with

925

00:47:58,279 --> 00:47:54,329

different assumptions it all gets to be

926
00:48:00,769 --> 00:47:58,289
the point where it's just an imaginary

927
00:48:04,640 --> 00:48:00,779
exercise right what I've come to say is

928
00:48:08,779 --> 00:48:04,650
that the most important formative

929
00:48:10,880 --> 00:48:08,789
principle we've got is perceptual

930
00:48:13,630 --> 00:48:10,890
agreement if you're not perceptually an

931
00:48:16,609 --> 00:48:13,640
agreement with an aspect of reality

932
00:48:19,099 --> 00:48:16,619
that's good but but that's one of the

933
00:48:20,599 --> 00:48:19,109
major arguments against creationism

934
00:48:22,700 --> 00:48:20,609
where they say oh the world is so

935
00:48:24,739 --> 00:48:22,710
complex that it couldn't possibly have

936
00:48:26,509 --> 00:48:24,749
just come into existence on its own

937
00:48:30,200 --> 00:48:26,519
someone would have had to create it but

938
00:48:31,819 --> 00:48:30,210

you know madman mathematics such as the

939

00:48:34,279 --> 00:48:31,829

Mandelbrot set would explain it

940

00:48:36,499 --> 00:48:34,289

but which also it's always always so

941

00:48:39,950 --> 00:48:36,509

annoying to me that they finally found a

942

00:48:41,989 --> 00:48:39,960

star with seven planets and I mean how

943

00:48:44,960 --> 00:48:41,999

could they not have expected to find

944

00:48:46,910 --> 00:48:44,970

something like that it's just such

945

00:48:49,339 --> 00:48:46,920

you're right the the whole universe is

946

00:48:51,620 --> 00:48:49,349

such a fractal patterning I mean of

947

00:48:53,569 --> 00:48:51,630

course I thought it's had to be there

948

00:48:58,430 --> 00:48:53,579

and you know that there's gonna be life

949

00:49:00,319 --> 00:48:58,440

there yeah oh you know that this I mean

950

00:49:01,460 --> 00:49:00,329

who knows what form but it's definitely

951
00:49:02,839 --> 00:49:01,470
some sort

952
00:49:06,710 --> 00:49:02,849
well like you were just saying that

953
00:49:09,170 --> 00:49:06,720
there's a force of some nature that

954
00:49:13,190 --> 00:49:09,180
manifests itself in different ways and

955
00:49:15,219 --> 00:49:13,200
maybe it's not an actual energetic force

956
00:49:18,979 --> 00:49:15,229
but it is something out there that is

957
00:49:20,299 --> 00:49:18,989
well create manifestations and it's

958
00:49:24,469 --> 00:49:20,309
throughout the universe so of course

959
00:49:26,390 --> 00:49:24,479
you're gonna see life forms yeah and

960
00:49:29,749 --> 00:49:26,400
what's interesting with within the model

961
00:49:32,210 --> 00:49:29,759
that I use for I describe it ourselves

962
00:49:33,769 --> 00:49:32,220
our relationship between ourselves and

963
00:49:40,819 --> 00:49:33,779

our physical body as an avatar

964

00:49:44,239 --> 00:49:40,829

relationship oh and the model doesn't

965

00:49:46,460 --> 00:49:44,249

restrict you to people to human beings

966

00:49:51,160 --> 00:49:46,470

there's nothing to say that your your

967

00:49:54,259 --> 00:49:51,170

cat is in a Avatar relationship with a

968

00:49:57,019 --> 00:49:54,269

non-physical personality as well and

969

00:49:59,029 --> 00:49:57,029

there's a universality that you really

970

00:50:01,609 --> 00:49:59,039

thought the most common denominator of

971

00:50:05,719 --> 00:50:01,619

all a reality is a combination of life

972

00:50:07,489 --> 00:50:05,729

field and intention somewhat this sounds

973

00:50:11,599 --> 00:50:07,499

a little bit like one of our previous

974

00:50:13,160 --> 00:50:11,609

guests Tom Campbell who wrote my big toe

975

00:50:17,289 --> 00:50:13,170

theory of everything are you familiar

976
00:50:32,499 --> 00:50:23,559
after examining four or five toes I

977
00:50:36,499 --> 00:50:32,509
finally got to the point where okay so

978
00:50:39,920 --> 00:50:36,509
just to finish out here we have one

979
00:50:42,529 --> 00:50:39,930
other question from somebody who knew

980
00:50:45,410 --> 00:50:42,539
that you were coming on and who is our

981
00:50:49,519 --> 00:50:45,420
listener and this question wanted to

982
00:50:53,599 --> 00:50:49,529
know if forever families still exists

983
00:50:56,059 --> 00:50:53,609
with dr. Julie by shell and dr. Gary

984
00:50:58,599 --> 00:50:56,069
Schwartz and if you had anything to do

985
00:51:02,569 --> 00:50:58,609
with them over the course of your

986
00:51:04,760 --> 00:51:02,579
experiences well we've we've spoke out

987
00:51:07,190 --> 00:51:04,770
the number of their conferences

988
00:51:09,080 --> 00:51:07,200

and in the past have been very

989

00:51:14,500 --> 00:51:09,090

supportive of them see there's their

990

00:51:19,300 --> 00:51:14,510

life and well they're the Guggenheim's

991

00:51:21,950 --> 00:51:19,310

wrong the wrong people there Fran and

992

00:51:26,330 --> 00:51:21,960

Bill yeah Guggenheim that's right

993

00:51:28,100 --> 00:51:26,340

they work as hard as anybody to bring

994

00:51:30,350 --> 00:51:28,110

these phenomena to the public and to

995

00:51:32,380 --> 00:51:30,360

help people understand what their

996

00:51:36,340 --> 00:51:32,390

experiences are their focus is mostly on

997

00:51:38,660 --> 00:51:36,350

mediumship they do an excellent job of

998

00:51:42,260 --> 00:51:38,670

testing mediums and trying to make sure

999

00:51:47,240 --> 00:51:42,270

that they're safe to be we've referred

1000

00:51:49,310 --> 00:51:47,250

for those people I think that Gary and

1001

00:51:51,650 --> 00:51:49,320

Julie still involved with and I'm not

1002

00:51:53,840 --> 00:51:51,660

sure we're Gary as these days but

1003

00:51:56,000 --> 00:51:53,850

they're still very much alive and well

1004

00:51:57,830 --> 00:51:56,010

yes the forever family's group is what

1005

00:52:01,520 --> 00:51:57,840

you're speaking about right because I've

1006

00:52:03,820 --> 00:52:01,530

met I've met the good doctor Julie at an

1007

00:52:05,930 --> 00:52:03,830

SSE Conference and she's a very very

1008

00:52:09,050 --> 00:52:05,940

interesting she and her husband are very

1009

00:52:12,530 --> 00:52:09,060

very interesting and their wind bridge

1010

00:52:14,900 --> 00:52:12,540

Institute is a fascinating concept I

1011

00:52:19,340 --> 00:52:14,910

don't know mr. Schwartz dr. Schwartz but

1012

00:52:20,720 --> 00:52:19,350

I have met dr. by shell and I just had

1013

00:52:23,060 --> 00:52:20,730

this question I don't know anything

1014

00:52:25,610 --> 00:52:23,070

about forever families except that they

1015

00:52:27,410 --> 00:52:25,620

give support to the parents of children

1016

00:52:30,860 --> 00:52:27,420

who died is that that would be the

1017

00:52:34,730 --> 00:52:30,870

general that's their their purpose they

1018

00:52:39,950 --> 00:52:34,740

they had lost lost a child too early and

1019

00:52:42,290 --> 00:52:39,960

as the story goes they went to meetings

1020

00:52:44,780 --> 00:52:42,300

for grief recovery and everything and

1021

00:52:46,970 --> 00:52:44,790

and talking about communication with a

1022

00:52:48,170 --> 00:52:46,980

dead loved one wasn't allowed in a

1023

00:52:49,580 --> 00:52:48,180

meeting so that they were finding

1024

00:52:52,160 --> 00:52:49,590

themselves out in the parking lot

1025

00:52:54,460 --> 00:52:52,170

talking about it and decided it was time

1026
00:52:57,560 --> 00:52:54,470
to start an organization dedicated that

1027
00:53:00,110 --> 00:52:57,570
you know Tom earlier you said that you

1028
00:53:01,910 --> 00:53:00,120
have to do the work if one of our

1029
00:53:03,650 --> 00:53:01,920
listeners gets interested in this field

1030
00:53:06,560 --> 00:53:03,660
and would like to do that how do they

1031
00:53:08,060 --> 00:53:06,570
start I mean it's certainly I don't

1032
00:53:10,370 --> 00:53:08,070
think there's any courses in the

1033
00:53:12,350 --> 00:53:10,380
colleges right now well I guess a few

1034
00:53:15,190 --> 00:53:12,360
but I mean how would you start

1035
00:53:18,070 --> 00:53:15,200
investigating this where does one start

1036
00:53:22,200 --> 00:53:18,080
well one of the things that

1037
00:53:25,000 --> 00:53:22,210
think is important is to realize the the

1038
00:53:29,230 --> 00:53:25,010

who the major players are in the sense

1039

00:53:32,470 --> 00:53:29,240

that the majority of parapsychologists

1040

00:53:37,690 --> 00:53:32,480

are actually mainstream psychologists

1041

00:53:39,400 --> 00:53:37,700

are and I'm animalistic psychology I

1042

00:53:44,190 --> 00:53:39,410

never pronounce that word correctly but

1043

00:53:47,740 --> 00:53:44,200

the psychology anomalous experiences

1044

00:53:50,340 --> 00:53:47,750

it's basically dedicated to showing that

1045

00:53:53,620 --> 00:53:50,350

these paranormal phenomena are actually

1046

00:53:55,390 --> 00:53:53,630

ordinary things mistaking as paranormal

1047

00:53:59,610 --> 00:53:55,400

so they're basically debunkers but

1048

00:54:02,830 --> 00:53:59,620

they're also probably a majority of the

1049

00:54:05,200 --> 00:54:02,840

parapsychologist the next larger group

1050

00:54:08,710 --> 00:54:05,210

is the exceptional experiences

1051
00:54:11,560 --> 00:54:08,720
psychology people and they support the

1052
00:54:18,180 --> 00:54:11,570
idea of the existence of a sigh field I

1053
00:54:22,510 --> 00:54:18,190
refer to them that super sigh and so and

1054
00:54:26,470 --> 00:54:22,520
they they accept a greater reality in

1055
00:54:29,950 --> 00:54:26,480
the sense that when you die the memory

1056
00:54:32,950 --> 00:54:29,960
your memory remains in the ethers

1057
00:54:39,100 --> 00:54:32,960
forever and it's somehow accessible by

1058
00:54:41,740 --> 00:54:39,110
other people that is a it's in from my

1059
00:54:44,860 --> 00:54:41,750
perspective as a survival person that's

1060
00:54:46,890 --> 00:54:44,870
an anti survival position and then a

1061
00:54:49,390 --> 00:54:46,900
very very small minority of the

1062
00:54:52,620 --> 00:54:49,400
parapsychologists are actually think

1063
00:54:54,850 --> 00:54:52,630

that survival is real and are working to

1064

00:54:56,470 --> 00:54:54,860

understand it and Julie for instance is

1065

00:55:00,820 --> 00:54:56,480

one of those mm-hmm

1066

00:55:02,890 --> 00:55:00,830

the I think that when a person studies

1067

00:55:06,010 --> 00:55:02,900

is you know they can take a course in

1068

00:55:07,630 --> 00:55:06,020

psychology at a university and probably

1069

00:55:10,090 --> 00:55:07,640

get talked out of thinking that these

1070

00:55:13,270 --> 00:55:10,100

phenomena are real so you really have to

1071

00:55:15,180 --> 00:55:13,280

be careful about that in terms of

1072

00:55:18,940 --> 00:55:15,190

learning how to work with the phenomena

1073

00:55:21,640 --> 00:55:18,950

one of the places I would go is the

1074

00:55:24,670 --> 00:55:21,650

first of all both both a transitory and

1075

00:55:28,360 --> 00:55:24,680

a thorough studies the CEREC studies is

1076
00:55:30,040 --> 00:55:28,370
my personal website and I feel free to

1077
00:55:31,930 --> 00:55:30,050
be a little bit more outlandish in it

1078
00:55:36,020 --> 00:55:31,940
than I can

1079
00:55:38,330 --> 00:55:36,030
so and in that there's there's a lot of

1080
00:55:39,890 --> 00:55:38,340
information that I think I try to offer

1081
00:55:43,430 --> 00:55:39,900
references so there's a lot of good

1082
00:55:45,530 --> 00:55:43,440
study guides there they try and see

1083
00:55:47,660 --> 00:55:45,540
there's a white paper if they google or

1084
00:55:51,080 --> 00:55:47,670
not Google you say if they search on the

1085
00:55:54,110 --> 00:55:51,090
website for a white paper they'll find a

1086
00:55:56,900 --> 00:55:54,120
really good rundown on how to what what

1087
00:55:59,480 --> 00:55:56,910
the both forms of ITC are and how to

1088
00:56:02,420 --> 00:55:59,490

work with them so that's kind of where

1089

00:56:04,460 --> 00:56:02,430

I'd start okay we're always happy to

1090

00:56:06,170 --> 00:56:04,470

answer questions there's a contact form

1091

00:56:09,020 --> 00:56:06,180

so again I guess we should give the

1092

00:56:11,480 --> 00:56:09,030

website and the book but that's so

1093

00:56:13,430 --> 00:56:11,490

you're uh if someone is interested and

1094

00:56:16,280 --> 00:56:13,440

they contact you via the website you're

1095

00:56:19,190 --> 00:56:16,290

happy to speak to them or or you

1096

00:56:19,790 --> 00:56:19,200

communicate with them okay that's nice

1097

00:56:22,490 --> 00:56:19,800

to know

1098

00:56:24,590 --> 00:56:22,500

well we will give the the book and the

1099

00:56:26,480 --> 00:56:24,600

website at the end we have more coming

1100

00:56:26,920 --> 00:56:26,490

or too close we're not quite finished

1101

00:56:33,050 --> 00:56:26,930

yet

1102

00:56:35,570 --> 00:56:33,060

and I guess I wanted to sort of ask you

1103

00:56:37,970 --> 00:56:35,580

a little bit about my experience this

1104

00:56:43,610 --> 00:56:37,980

morning and my one and only experience

1105

00:56:46,370 --> 00:56:43,620

with EVP I have lots and lots of psychic

1106

00:56:52,040 --> 00:56:46,380

experiences of various sorts but about a

1107

00:56:54,530 --> 00:56:52,050

month after 9/11 I have an apartment in

1108

00:56:57,470 --> 00:56:54,540

Manhattan and I was in that apartment

1109

00:57:00,350 --> 00:56:57,480

and I still had one of the older

1110

00:57:02,510 --> 00:57:00,360

fashioned answering machines which

1111

00:57:05,930 --> 00:57:02,520

basically most people don't have anymore

1112

00:57:09,560 --> 00:57:05,940

but that was 16 years ago and I had one

1113

00:57:12,620 --> 00:57:09,570

and between messages online on this

1114

00:57:15,850 --> 00:57:12,630

machine came a voice a man's voice that

1115

00:57:19,100 --> 00:57:15,860

I didn't recognize and it said get out

1116

00:57:20,510 --> 00:57:19,110

like that and it was a little bit

1117

00:57:24,170 --> 00:57:20,520

frightning and that was my only

1118

00:57:27,890 --> 00:57:24,180

experience with an actual phenomena that

1119

00:57:29,780 --> 00:57:27,900

was would have been perceivable to

1120

00:57:33,770 --> 00:57:29,790

anybody when the room I would expect

1121

00:57:35,870 --> 00:57:33,780

that came out of my machine and so that

1122

00:57:37,400 --> 00:57:35,880

was my single experience and and I

1123

00:57:38,060 --> 00:57:37,410

wonder if you could speak to that for a

1124

00:57:41,360 --> 00:57:38,070

second

1125

00:57:42,830 --> 00:57:41,370

the those you know first of all the you

1126

00:57:45,870 --> 00:57:42,840

know the characteristics have it all

1127

00:57:50,350 --> 00:57:45,880

pretty consistent free

1128

00:57:52,540 --> 00:57:50,360

we found zero reason to be afraid of EVP

1129

00:57:55,390 --> 00:57:52,550

and some of the the get out ones have

1130

00:58:01,570 --> 00:57:55,400

been actually pretty humorous we have

1131

00:58:04,720 --> 00:58:01,580

one EVP this is prepare to die anyway

1132

00:58:06,340 --> 00:58:04,730

that there's two things I would say one

1133

00:58:10,570 --> 00:58:06,350

of them it does sound like an EVP and

1134

00:58:13,510 --> 00:58:10,580

two is I would try to remember where

1135

00:58:15,660 --> 00:58:13,520

your head was at the time like if you

1136

00:58:19,960 --> 00:58:15,670

were thinking about moving out of there

1137

00:58:21,970 --> 00:58:19,970

that would be because we feel like you

1138

00:58:24,540 --> 00:58:21,980

know were the channel for these messages

1139

00:58:28,150 --> 00:58:24,550

with either ourselves or an entrance

1140

00:58:30,700 --> 00:58:28,160

interested observer it's possible for a

1141

00:58:32,950 --> 00:58:30,710

person liek Lisa doesn't believe in

1142

00:58:35,440 --> 00:58:32,960

demons doesn't believe in she's not

1143

00:58:37,600 --> 00:58:35,450

afraid of dirt she's very pragmatic she

1144

00:58:41,640 --> 00:58:37,610

recorded in that room along with a girl

1145

00:58:43,810 --> 00:58:41,650

that just loved to be afraid she's

1146

00:58:47,290 --> 00:58:43,820

history personality

1147

00:58:49,840 --> 00:58:47,300

they both recorded in this area together

1148

00:58:52,600 --> 00:58:49,850

different of course and that the scary

1149

00:58:54,220 --> 00:58:52,610

girl got get out I hate you

1150

00:58:56,620 --> 00:58:54,230

go away stuff like that at least I got

1151
00:59:00,880 --> 00:58:56,630
useful information about people who live

1152
00:59:03,070 --> 00:59:00,890
there and stuff we know with a high

1153
00:59:08,290 --> 00:59:03,080
degree of confidence that the the

1154
00:59:09,940 --> 00:59:08,300
message originates for real but we again

1155
00:59:12,100 --> 00:59:09,950
we transform it with our unconscious

1156
00:59:14,770 --> 00:59:12,110
mind we're the channel for the things

1157
00:59:17,530 --> 00:59:14,780
propagating into the physical that's the

1158
00:59:19,630 --> 00:59:17,540
model we're using anyway and so you're

1159
00:59:23,380 --> 00:59:19,640
what I do with that get out I would also

1160
00:59:26,020 --> 00:59:23,390
look at possibly some of the look what's

1161
00:59:28,720 --> 00:59:26,030
in your thoughts at the time I would be

1162
00:59:31,930 --> 00:59:28,730
a liar if I didn't say that almost

1163
00:59:34,750 --> 00:59:31,940

everyone that I came in contact with in

1164

00:59:37,990 --> 00:59:34,760

lower Manhattan within the months

1165

00:59:40,360 --> 00:59:38,000

directly after 9/11 didn't have thoughts

1166

00:59:45,370 --> 00:59:40,370

in their mind such as what am I doing

1167

00:59:47,650 --> 00:59:45,380

here why do I live here but I so I'm

1168

00:59:50,680 --> 00:59:47,660

sure that your explanation there would

1169

00:59:53,350 --> 00:59:50,690

ring very true to me now the second

1170

00:59:56,680 --> 00:59:53,360

thing was that this morning in the early

1171

00:59:57,910 --> 00:59:56,690

morning hours I was not the first time

1172

01:00:00,849 --> 00:59:57,920

such a thing has happened

1173

01:00:03,160 --> 01:00:00,859

me but I sometimes hear voices okay and

1174

01:00:05,140 --> 01:00:03,170

I kind of characterized those voices

1175

01:00:07,480 --> 01:00:05,150

differently and this is just it's not

1176

01:00:10,660 --> 01:00:07,490

meant to be when I say this I'm not

1177

01:00:12,849 --> 01:00:10,670

teaching so it's just what I do if

1178

01:00:15,730 --> 01:00:12,859

you're if the voice seems to come from

1179

01:00:17,349 --> 01:00:15,740

within my head like in my brain in my

1180

01:00:19,329 --> 01:00:17,359

mind whatever you want to say I

1181

01:00:22,390 --> 01:00:19,339

characterize that as possibly coming

1182

01:00:24,970 --> 01:00:22,400

from my higher self whereas if the voice

1183

01:00:27,490 --> 01:00:24,980

seems to come from outside my head I

1184

01:00:32,140 --> 01:00:27,500

characterize that as perhaps being a

1185

01:00:35,799 --> 01:00:32,150

message from another another entity on

1186

01:00:37,240 --> 01:00:35,809

some level so this morning I was laying

1187

01:00:43,030 --> 01:00:37,250

in bed it was the wee hours of the

1188

01:00:45,430 --> 01:00:43,040

morning and in my right ear I heard the

1189

01:00:50,020 --> 01:00:45,440

sound of a harpsichord only one or two

1190

01:00:52,270 --> 01:00:50,030

notes and I was like I sat up in bed I

1191

01:00:56,140 --> 01:00:52,280

mean I was kind of in a liminal state

1192

01:00:58,390 --> 01:00:56,150

but I wasn't asleep and I sat up in bed

1193

01:00:59,799 --> 01:00:58,400

and I sleep with two pillows and I

1194

01:01:02,260 --> 01:00:59,809

looked under the pillows and there was

1195

01:01:03,609 --> 01:01:02,270

nothing there to make a noise and so I

1196

01:01:05,890 --> 01:01:03,619

said wow that's weird

1197

01:01:08,710 --> 01:01:05,900

put my head back down again and very

1198

01:01:11,380 --> 01:01:08,720

shortly thereafter again and this time

1199

01:01:15,970 --> 01:01:11,390

it was clearly two different notes that

1200

01:01:18,069 --> 01:01:15,980

were hit and I sat up again looked again

1201

01:01:20,950 --> 01:01:18,079

and I thought to myself could it be an

1202

01:01:22,839 --> 01:01:20,960

insect in my pillow but in fact of other

1203

01:01:26,079 --> 01:01:22,849

times I've heard buzzers and stuff like

1204

01:01:27,819 --> 01:01:26,089

that so I lay back down again and I

1205

01:01:30,130 --> 01:01:27,829

would say five to ten minutes later

1206

01:01:35,220 --> 01:01:30,140

darned if it didn't happen again and

1207

01:01:38,200 --> 01:01:35,230

this time it was like the kind of almost

1208

01:01:41,500 --> 01:01:38,210

electronic Bell that's inside a child's

1209

01:01:44,609 --> 01:01:41,510

ball that's if has a very sweet sound to

1210

01:01:50,039 --> 01:01:44,619

it you might give such a ball to a

1211

01:01:52,599 --> 01:01:50,049

toddler or someone around that age and

1212

01:01:55,930 --> 01:01:52,609

after that I there's no point in trying

1213

01:01:58,660 --> 01:01:55,940

to sleep anymore because and I thought

1214

01:02:01,690 --> 01:01:58,670

how interesting since we're going to be

1215

01:02:03,520 --> 01:02:01,700

speaking to Tom Butler later and he is

1216

01:02:06,670 --> 01:02:03,530

very much involved in these different

1217

01:02:10,809 --> 01:02:06,680

sorts of voices so I just wanted to pass

1218

01:02:11,549 --> 01:02:10,819

that on to you and thank you so much for

1219

01:02:12,599 --> 01:02:11,559

being on

1220

01:02:14,339 --> 01:02:12,609

I don't know if you have anything to say

1221

01:02:15,809 --> 01:02:14,349

about that I don't blame you if you

1222

01:02:19,650 --> 01:02:15,819

don't it this is just the kind of a

1223

01:02:23,630 --> 01:02:19,660

personal experience but I would say one

1224

01:02:27,449 --> 01:02:23,640

thing one of things that you assigned

1225

01:02:29,789 --> 01:02:27,459

the meaning of the source of voices you

1226

01:02:31,469 --> 01:02:29,799

here bye-bye where you perceive them to

1227

01:02:33,929 --> 01:02:31,479

coming from yes that's actually a pretty

1228

01:02:37,109 --> 01:02:33,939

pretty good way of being a because yeah

1229

01:02:39,089 --> 01:02:37,119

in it again you're instructing your

1230

01:02:40,559 --> 01:02:39,099

unconscious mind that this is the way I

1231

01:02:44,309 --> 01:02:40,569

want to hear this and there's the way I

1232

01:02:46,259 --> 01:02:44,319

want to hear that so that's pretty valid

1233

01:02:50,519 --> 01:02:46,269

and there is you know of course you can

1234

01:02:54,569 --> 01:02:50,529

look at the the the traditional direct

1235

01:02:56,160 --> 01:02:54,579

voice is in the air and and it's one of

1236

01:02:59,969 --> 01:02:56,170

the ways that physical medium will

1237

01:03:05,099 --> 01:02:59,979

manifest a voice and often that voice

1238

01:03:07,739 --> 01:03:05,109

will be of unknown discounted

1239

01:03:11,880 --> 01:03:07,749

personality and with some very often

1240

01:03:16,769 --> 01:03:11,890

very good information so yeah I think

1241

01:03:18,959 --> 01:03:16,779

that that's subliminal state that hyper

1242

01:03:22,219 --> 01:03:18,969

cocky I think I'm saying all right said

1243

01:03:25,199 --> 01:03:22,229

that that state between sleep and awake

1244

01:03:27,029 --> 01:03:25,209

some really interesting lucid

1245

01:03:29,910 --> 01:03:27,039

experiences can occur

1246

01:03:32,419 --> 01:03:29,920

yes sure I do we can hear you know radio

1247

01:03:36,479 --> 01:03:32,429

stations in the air so like that so our

1248

01:03:40,109 --> 01:03:36,489

brains are very good at filling vacuums

1249

01:03:41,640 --> 01:03:40,119

with whatever comes to mind but sound

1250

01:03:44,699 --> 01:03:41,650

like you know that that kind of Bell

1251

01:03:47,969 --> 01:03:44,709

might not have any meaning but it

1252

01:03:50,609 --> 01:03:47,979

certainly is the kind of thing that

1253

01:03:51,949 --> 01:03:50,619

would trigger your thinking to pay more

1254

01:03:55,529 --> 01:03:51,959

attention

1255

01:04:00,079 --> 01:03:55,539

unroll uses something like that for okay

1256

01:04:03,319 --> 01:04:00,089

wake up listen up going on yes yes I

1257

01:04:07,349 --> 01:04:03,329

have frequented the Monroe Institute and

1258

01:04:09,749 --> 01:04:07,359

so that's a really wonderful place to to

1259

01:04:13,169 --> 01:04:09,759

visit but before we say goodbye could

1260

01:04:15,449 --> 01:04:13,179

you possibly recite to us here at the

1261

01:04:19,939 --> 01:04:15,459

name of your book and your websites for

1262

01:04:22,769 --> 01:04:19,949

our listening audience okay well it the

1263

01:04:24,730 --> 01:04:22,779

main website is the Association

1264

01:04:32,530 --> 01:04:24,740

transcommunication it's eight

1265

01:04:36,880 --> 01:04:32,540

and see a TR ans see at org and that's

1266

01:04:39,730 --> 01:04:36,890

that's got a contact page that is

1267

01:04:42,450 --> 01:04:39,740

accessible from every page and also I

1268

01:04:44,680 --> 01:04:42,460

have link to that a idea exchange

1269

01:04:48,250 --> 01:04:44,690

discussion forum that people are welcome

1270

01:04:51,010 --> 01:04:48,260

to join and then etheric studies org is

1271

01:04:55,540 --> 01:04:51,020

my own personal pages and it also has

1272

01:04:58,300 --> 01:04:55,550

contact information on it the the book

1273

01:05:02,650 --> 01:04:58,310

itself is your immortal self exploring

1274

01:05:05,620 --> 01:05:02,660

the mindful way and it's got primarily

1275

01:05:09,670 --> 01:05:05,630

it's a theory that I've talked about

1276

01:05:11,410 --> 01:05:09,680

some here trying to give you a model one

1277

01:05:13,420 --> 01:05:11,420

of the things that these two almost

1278

01:05:15,910 --> 01:05:13,430

everyday beat me up about when I was a

1279

01:05:17,590 --> 01:05:15,920

Wikipedia editor the skeptic could say

1280

01:05:20,410 --> 01:05:17,600

well you guys don't have even a theory

1281

01:05:23,790 --> 01:05:20,420

to explain this so this book is my

1282

01:05:27,490 --> 01:05:23,800

attempt to provide that theory and then

1283

01:05:30,280 --> 01:05:27,500

the three phases of a teacher one of the

1284

01:05:32,490 --> 01:05:30,290

phases is how you live so the the

1285

01:05:35,260 --> 01:05:32,500

environment in which we work with

1286

01:05:37,120 --> 01:05:35,270

paranormal phenomena is a second section

1287

01:05:40,840 --> 01:05:37,130

and the last section is how the theory

1288

01:05:43,720 --> 01:05:40,850

applies to the various forms of

1289

01:05:46,450 --> 01:05:43,730

phenomena a specifically EVP and IDC but

1290

01:05:50,740 --> 01:05:46,460

also healing intention stuff like that

1291

01:05:54,940 --> 01:05:50,750

so the book is is what I have tried to

1292

01:05:56,950 --> 01:05:54,950

do a if I'm not here and I want people

1293

01:05:59,320 --> 01:05:56,960

to learn things that I was been trying

1294

01:06:02,560 --> 01:05:59,330

to teach him all my life there's a book

1295

01:06:04,870 --> 01:06:02,570

it's a wonderful book and we barely

1296

01:06:07,210 --> 01:06:04,880

scratched the surface with it it is it

1297

01:06:10,630 --> 01:06:07,220

has so much information that it would

1298

01:06:13,240 --> 01:06:10,640

take many many podcasts time frames to

1299

01:06:15,730 --> 01:06:13,250

really delve into all the wonderful

1300

01:06:17,620 --> 01:06:15,740

information you have in there and and

1301
01:06:19,620 --> 01:06:17,630
and Tom Butler I want to thank you very

1302
01:06:23,109 --> 01:06:19,630
much for being on we send our best

1303
01:06:24,640 --> 01:06:23,119
regards to Lisa and go ahead yeah no I

1304
01:06:27,580 --> 01:06:24,650
was just saying that the book itself

1305
01:06:30,040 --> 01:06:27,590
proves your theory you you had this

1306
01:06:34,290 --> 01:06:30,050
information it manifested as a book and

1307
01:06:38,170 --> 01:06:34,300
they know that's it yeah it is

1308
01:06:41,230 --> 01:06:38,180
congratulations or beyond that I would

1309
01:06:43,960 --> 01:06:41,240
say to those folks at Wikipedia because

1310
01:06:46,540 --> 01:06:43,970
one doesn't have an explanation for a

1311
01:06:52,030 --> 01:06:46,550
phenomena doesn't mean it doesn't exist

1312
01:06:54,880 --> 01:06:52,040
and as we say in the Bronx we're a

1313
01:07:00,520 --> 01:06:54,890

little bit a little bit of reverent II

1314

01:07:02,740 --> 01:07:00,530

rats shattered reality bomb skeptics are

1315

01:07:04,960 --> 01:07:02,750

basically you're dealing with a

1316

01:07:12,130 --> 01:07:04,970

situation of where's problem scientism

1317

01:07:14,170 --> 01:07:12,140

as a religion yes yes a little healthy

1318

01:07:17,380 --> 01:07:14,180

skepticism is good but debunking

1319

01:07:21,160 --> 01:07:17,390

definitely stinks that's my opinion they

1320

01:07:26,500 --> 01:07:21,170

stole the term skeptic or skepticism so

1321

01:07:29,260 --> 01:07:26,510

I see a little bit of healthy yes yes I

1322

01:07:30,910 --> 01:07:29,270

agree so once again thank you so much

1323

01:07:33,790 --> 01:07:30,920

yeah a really appreciate a great

1324

01:07:35,620 --> 01:07:33,800

discussion it's a field that I really

1325

01:07:38,440 --> 01:07:35,630

had absolutely no knowledge of before

1326

01:07:41,080 --> 01:07:38,450

but now I am as they you say in the

1327

01:07:45,760 --> 01:07:41,090

spiritual world enlightened and I thank

1328

01:07:47,620 --> 01:07:45,770

you for that okay so take care now Tom

1329

01:07:52,240 --> 01:07:47,630

we hope to have you back sometime bye

1330

01:07:54,370 --> 01:07:52,250

now bye well that was a really that was

1331

01:07:56,770 --> 01:07:54,380

a really interesting conversation with

1332

01:07:58,510 --> 01:07:56,780

Tom Butler and he really is a fount of

1333

01:08:03,190 --> 01:07:58,520

knowledge what was it

1334

01:08:05,680 --> 01:08:03,200

did you hear that noise that is so funny

1335

01:08:09,700 --> 01:08:05,690

I honestly listeners or people out there

1336

01:08:11,740 --> 01:08:09,710

that was not staged no it wasn't I did

1337

01:08:14,350 --> 01:08:11,750

you hear the cat too and he was speaking

1338

01:08:19,090 --> 01:08:14,360

I heard something just now very very

1339

01:08:23,820 --> 01:08:19,100

well just now was yeah I wonder if it

1340

01:08:27,340 --> 01:08:23,830

did - we'll have to wait until ooh we we

1341

01:08:31,330 --> 01:08:27,350

work out our website and our podcast

1342

01:08:33,580 --> 01:08:31,340

here and see if it recorded on on well

1343

01:08:36,700 --> 01:08:33,590

the physical manifestation is the

1344

01:08:38,800 --> 01:08:36,710

goosebumps I just got there you go there

1345

01:08:43,960 --> 01:08:38,810

you go there was definitely a very

1346

01:08:47,260 --> 01:08:43,970

strange down there and Wow from

1347

01:08:50,050 --> 01:08:47,270

shattered reality mm-hmm I'm ferocious

1348

01:08:51,519 --> 01:08:50,060

yeah I am Kate Valentine and we hope to

1349

01:08:53,249 --> 01:08:51,529

hear from you

1350

01:08:55,959 --> 01:08:53,259

sinner out there if you have

1351

01:08:58,329 --> 01:08:55,969

experiences for our Leo please

1352

01:09:01,149 --> 01:08:58,339

you don't give us a buzz let us know

1353

01:09:05,079 --> 01:09:01,159

it's on the website yeah we have various

1354

01:09:10,720 --> 01:09:05,089

ways to contact us please do so and we

1355

01:09:13,059 --> 01:09:10,730

will be happy yeah more than happy in

1356

01:09:15,689 --> 01:09:13,069

our listeners corner yeah okay that was

1357

01:09:18,099 --> 01:09:15,699

weird well okay on another word of

1358

01:09:21,519 --> 01:09:18,109

recording of shattered reality we are

1359

01:09:32,769 --> 01:09:21,529

here to say I do goodbye goodbye from

1360

01:09:32,779 --> 01:09:43,360
