[Music]

2  
00:00:25,490 --> 00:00:20,659

welcome to shattered reality with their

3  
00:00:28,519 --> 00:00:25,500

hosts Kate Valentine and furs prepare to

4  
00:00:35,079 --> 00:00:28,529

have your paradigm shifted in the truths

5  
00:00:38,090 --> 00:00:35,089

questioned and now shattered reality oh

6  
00:00:41,660 --> 00:00:38,100

hi fruta here we are again here we are

7  
00:00:48,860 --> 00:00:41,670

and you go to Slater's today yes yes

8  
00:00:52,220 --> 00:00:48,870

today is April 25th ok 2017 and this is

9  
00:00:54,470 --> 00:00:52,230

our is it our 50th I don't run cast I

10  
00:00:57,200 --> 00:00:54,480

don't know if it's a 49th or 50th to

11  
00:00:59,540 --> 00:00:57,210

start to blend yes well they well this

12  
00:01:02,689 --> 00:00:59,550

is not going to blend because this is a

13  
00:01:04,790 --> 00:01:02,699

fabulous guest that we have here today

14

00:01:07,490 --> 00:01:04,800

yeah we're very fortunate to have with

15

00:01:09,950 --> 00:01:07,500

us today Leslie cane she is an author

16

00:01:11,930 --> 00:01:09,960

who has said in my opinion and certainly

17

00:01:14,889 --> 00:01:11,940

lots of other people's opinion a very

18

00:01:18,410 --> 00:01:14,899

high bar for investigative journalism

19

00:01:22,460 --> 00:01:18,420

her ability to do this was demonstrated

20

00:01:24,469 --> 00:01:22,470

by her last book UFOs generals pilots

21

00:01:27,020 --> 00:01:24,479

and government officials go on the

22

00:01:30,139 --> 00:01:27,030

record for anybody who is newly

23

00:01:32,570 --> 00:01:30,149

interested in UFOs this really should be

24

00:01:35,089 --> 00:01:32,580

your go-to book absolutely yeah

25

00:01:39,199 --> 00:01:35,099

but today our discussion is going to

26  
00:01:42,499 --> 00:01:39,209  
concern her new book surviving death and

27  
00:01:46,070 --> 00:01:42,509  
I would say death is probably the one

28  
00:01:48,020 --> 00:01:46,080  
thing that all humans have in common to

29  
00:01:49,639 --> 00:01:48,030  
most of us are passing leaves no

30  
00:01:52,249 --> 00:01:49,649  
apparent trace behind

31  
00:01:55,040 --> 00:01:52,259  
however Leslie Kane has investigated

32  
00:01:57,499 --> 00:01:55,050  
instances where this may not be the case

33  
00:02:00,740 --> 00:01:57,509  
and that is the theme of this

34  
00:02:04,070 --> 00:02:00,750  
extraordinary compendium of evidence for

35  
00:02:06,650 --> 00:02:04,080  
an afterlife so welcome to our show miss

36  
00:02:08,330 --> 00:02:06,660  
Leslie Kane oh it's great to be with

37  
00:02:10,820 --> 00:02:08,340  
both of you thanks for having me

38  
00:02:13,699 --> 00:02:10,830

ok it's our pleasure entirely and and

39

00:02:17,150 --> 00:02:13,709

for my part I have to say that this is

40

00:02:19,130 --> 00:02:17,160

really real I guess the word is magnum

41

00:02:21,460 --> 00:02:19,140

opus is that a good word yes that would

42

00:02:29,470 --> 00:02:25,930

it's really very complete in its scope I

43

00:02:33,520 --> 00:02:29,480

like the way you went from very simple

44

00:02:37,060 --> 00:02:33,530

things to more exotic things to like

45

00:02:39,460 --> 00:02:37,070

really exotic things at the event yeah

46

00:02:43,330 --> 00:02:39,470

physical mediumship is about as exotic

47

00:02:46,960 --> 00:02:43,340

as it gets you really did a wonderful

48

00:02:51,310 --> 00:02:46,970

job and thank you for doing it we do

49

00:02:54,490 --> 00:02:51,320

have questions for you and a lot of a

50

00:02:56,440 --> 00:02:54,500

lot of people who found out that we were

51  
00:02:59,800 --> 00:02:56,450  
having you on showed a great deal of

52  
00:03:03,130 --> 00:02:59,810  
interest and in the idea of hearing you

53  
00:03:05,860 --> 00:03:03,140  
speak on this subject after having done

54  
00:03:11,380 --> 00:03:05,870  
such a fabulous job with the UFOs

55  
00:03:14,830 --> 00:03:11,390  
because it is really one of maybe two or

56  
00:03:18,400 --> 00:03:14,840  
three go to books that that I own on

57  
00:03:21,490 --> 00:03:18,410  
UFOs I put it out there with Colonel

58  
00:03:24,190 --> 00:03:21,500  
John B Alexander's book and the

59  
00:03:28,540 --> 00:03:24,200  
historical books of Richard Dolan

60  
00:03:30,699 --> 00:03:28,550  
insofar as those books if you know he's

61  
00:03:32,860 --> 00:03:30,709  
got thousands of cases of people having

62  
00:03:35,350 --> 00:03:32,870  
sightings if just two or three of them

63  
00:03:39,040 --> 00:03:35,360

are real and I'm going to use your

64

00:03:41,920 --> 00:03:39,050

expression the white crow idea well then

65

00:03:43,509 --> 00:03:41,930

it's a done deal isn't it yeah doesn't

66

00:03:48,040 --> 00:03:43,519

it only takes a little bit of evidence

67

00:03:50,650 --> 00:03:48,050

that if it's right on to make the point

68

00:03:53,020 --> 00:03:50,660

that's right so you begin your study

69

00:03:56,740 --> 00:03:53,030

with instances of children with past

70

00:03:58,780 --> 00:03:56,750

life memories this I think is I don't

71

00:04:00,790 --> 00:03:58,790

know about you for sure but this is the

72

00:04:03,040 --> 00:04:00,800

thing that most of the people I spoke to

73

00:04:06,729 --> 00:04:03,050

about your book were most interested in

74

00:04:08,710 --> 00:04:06,739

and although I've had I have heard of

75

00:04:11,080 --> 00:04:08,720

this from time to time it to be honest

76

00:04:13,240 --> 00:04:11,090

it was never really a major source of

77

00:04:15,430 --> 00:04:13,250

interest to me but some of the instances

78

00:04:17,770 --> 00:04:15,440

that you mentioned are just unbelievable

79

00:04:18,400 --> 00:04:17,780

especially that one little fella James

80

00:04:22,030 --> 00:04:18,410

Leininger

81

00:04:23,710 --> 00:04:22,040

oh yeah that was if you could just tell

82

00:04:26,280 --> 00:04:23,720

the audience a little bit about that I'm

83

00:04:28,420 --> 00:04:26,290

sure they'd be fascinated and hearing

84

00:04:30,700 --> 00:04:28,430

absolutely and I agree with you these

85

00:04:32,680 --> 00:04:30,710

cases are extremely interesting and

86

00:04:33,410 --> 00:04:32,690

highly evidential partly because the

87

00:04:35,870 --> 00:04:33,420

children and

88

00:04:37,580 --> 00:04:35,880

alter Soyoung mm-hmm and in the case of

89

00:04:39,350 --> 00:04:37,590

James Leininger that you mentioned he

90

00:04:41,210 --> 00:04:39,360

was only two years old and literally

91

00:04:43,610 --> 00:04:41,220

from the time he was beginning to talk

92

00:04:45,830 --> 00:04:43,620

he was talking about these memories he

93

00:04:47,510 --> 00:04:45,840

had not only were they memories of the

94

00:04:51,320 --> 00:04:47,520

past life but he had a lot of knowledge

95

00:04:52,010 --> 00:04:51,330

about airplanes and he was obsessed with

96

00:04:53,990 --> 00:04:52,020

them

97

00:04:55,190 --> 00:04:54,000

and there was if this was knowledge that

98

00:04:57,830 --> 00:04:55,200

he couldn't possibly have learned

99

00:04:59,360 --> 00:04:57,840

anywhere from anybody and there were

100

00:05:00,680 --> 00:04:59,370

lots of things he told his parents I

101  
00:05:02,240 --> 00:05:00,690  
mean I'll have to give you a very

102  
00:05:05,390 --> 00:05:02,250  
thumbnail sketch because we don't have a

103  
00:05:08,540 --> 00:05:05,400  
lot of time but he ended up just

104  
00:05:10,670 --> 00:05:08,550  
describing the specific type of aircraft

105  
00:05:13,040 --> 00:05:10,680  
that he flew giving the name of it the

106  
00:05:16,580 --> 00:05:13,050  
name of his best friend in this previous

107  
00:05:18,920 --> 00:05:16,590  
life he described being shot in the

108  
00:05:22,040 --> 00:05:18,930  
front of his airplane by what he said

109  
00:05:24,230 --> 00:05:22,050  
what was by the Japanese and he just

110  
00:05:26,030 --> 00:05:24,240  
said the name of the the aircraft

111  
00:05:28,970 --> 00:05:26,040  
carrier that he flew from which was the

112  
00:05:32,000 --> 00:05:28,980  
Natoma and he also another interesting

113  
00:05:34,280 --> 00:05:32,010

thing was he had very very intensive

114

00:05:36,350 --> 00:05:34,290

nightmares for quite a period of time in

115

00:05:39,290 --> 00:05:36,360

which he relived the experience of this

116

00:05:41,330 --> 00:05:39,300

plane crash and was absolutely terrified

117

00:05:43,280 --> 00:05:41,340

and eventually he started to have the

118

00:05:44,870 --> 00:05:43,290

nightmares before he could even talk and

119

00:05:47,240 --> 00:05:44,880

once he could talk he started to

120

00:05:49,940 --> 00:05:47,250

describe what they what was going on he

121

00:05:52,520 --> 00:05:49,950

wake up screaming airplane crash on fire

122

00:05:54,200 --> 00:05:52,530

little man can't get out and when his

123

00:05:56,600 --> 00:05:54,210

parents asked him who was the little man

124

00:05:59,300 --> 00:05:56,610

he would say James they just thought he

125

00:06:01,610 --> 00:05:59,310

was talking about himself and so anyway

126  
00:06:03,140 --> 00:06:01,620  
lots of events happened over time he he

127  
00:06:05,420 --> 00:06:03,150  
revealed more and more very very

128  
00:06:07,550 --> 00:06:05,430  
specific information he he pointed to

129  
00:06:08,780 --> 00:06:07,560  
the location of the crash in a book when

130  
00:06:12,080 --> 00:06:08,790  
he was looking at a book with his dad

131  
00:06:14,810 --> 00:06:12,090  
and he also made a lot of drawings in

132  
00:06:17,480 --> 00:06:14,820  
which he drew that the aircraft being

133  
00:06:19,670 --> 00:06:17,490  
shot down and and signed them all James

134  
00:06:22,700 --> 00:06:19,680  
3 whose parents didn't know what the

135  
00:06:25,610 --> 00:06:22,710  
three meant and eventually after a lot

136  
00:06:27,230 --> 00:06:25,620  
of work with going to veterans meeting

137  
00:06:29,960 --> 00:06:27,240  
and trying to follow up on what his

138  
00:06:32,360 --> 00:06:29,970

child was telling him James's dad Bruce

139

00:06:34,850 --> 00:06:32,370

was able to find who this person was

140

00:06:38,090 --> 00:06:34,860

that there was a person and his name was

141

00:06:40,610 --> 00:06:38,100

actually James Houston jr. and what was

142

00:06:43,340 --> 00:06:40,620

fascinating about that was that the jr.

143

00:06:45,920 --> 00:06:43,350

meant that little James was James 3

144

00:06:47,090 --> 00:06:45,930

right and he when he had drawn all those

145

00:06:48,560 --> 00:06:47,100

pictures he

146

00:06:50,330 --> 00:06:48,570

parents would say why you signing him

147

00:06:53,690 --> 00:06:50,340

James three and he'd say I'm the third

148

00:06:55,250 --> 00:06:53,700

James so his dad was absolutely stunned

149

00:06:57,230 --> 00:06:55,260

when he went to a veteran's I mean he

150

00:07:00,050 --> 00:06:57,240

tracked down Jack Larson who was the

151  
00:07:02,480 --> 00:07:00,060  
name of the the friend that little James

152  
00:07:04,640 --> 00:07:02,490  
had given him and found out that James

153  
00:07:07,490 --> 00:07:04,650  
Houston jr. was a pilot who was killed

154  
00:07:09,710 --> 00:07:07,500  
in 1945 in World War two and matched all

155  
00:07:11,630 --> 00:07:09,720  
the information that little James had

156  
00:07:14,750 --> 00:07:11,640  
provided what matched this particular

157  
00:07:17,450 --> 00:07:14,760  
person James actually then they ended up

158  
00:07:19,460 --> 00:07:17,460  
meeting the family the sister of James

159  
00:07:21,860 --> 00:07:19,470  
Houston jr. who at the time was in her

160  
00:07:23,960 --> 00:07:21,870  
80s and little James told her all kinds

161  
00:07:26,240 --> 00:07:23,970  
of information about his childhood

162  
00:07:28,940 --> 00:07:26,250  
growing up in the family and things that

163  
00:07:30,590 --> 00:07:28,950

he couldn't possibly have known and so

164

00:07:32,540 --> 00:07:30,600

what's really important about this case

165

00:07:34,580 --> 00:07:32,550

is that the fact that the information he

166

00:07:37,520 --> 00:07:34,590

provided was so cific and then it could

167

00:07:39,050 --> 00:07:37,530

be verified as accurate because if

168

00:07:41,840 --> 00:07:39,060

somebody tells you they have a past life

169

00:07:43,370 --> 00:07:41,850

memory and you can't verify any of it

170

00:07:46,040 --> 00:07:43,380

you have no way of knowing whether the

171

00:07:47,960 --> 00:07:46,050

memory is means anything or not but in

172

00:07:50,360 --> 00:07:47,970

this case everything was was on the

173

00:07:52,700 --> 00:07:50,370

record before they located James Houston

174

00:07:55,220 --> 00:07:52,710

and all the information that he provided

175

00:07:57,530 --> 00:07:55,230

matched this person and so that's very

176

00:08:01,040 --> 00:07:57,540

significant and really what other

177

00:08:02,150 --> 00:08:01,050

explanation can there be I find it hard

178

00:08:04,610 --> 00:08:02,160

to come up with what I mean the only

179

00:08:06,070 --> 00:08:04,620

competing explanation might be that

180

00:08:08,900 --> 00:08:06,080

there was some kind of psychic

181

00:08:11,990 --> 00:08:08,910

perception that James Leininger had that

182

00:08:14,000 --> 00:08:12,000

for some reason plugged into the life of

183

00:08:15,950 --> 00:08:14,010

this person who lived you know who died

184

00:08:18,830 --> 00:08:15,960

50 years before he was born I mean it

185

00:08:21,380 --> 00:08:18,840

seems the harder explanation for me to

186

00:08:23,480 --> 00:08:21,390

accept but if somebody doesn't want to

187

00:08:24,950 --> 00:08:23,490

accept the possibility of the survival

188

00:08:27,440 --> 00:08:24,960

of consciousness they might argue that

189

00:08:29,990 --> 00:08:27,450

it was some bizarre psychic ability that

190

00:08:36,700 --> 00:08:30,000

he had or of course somebody could argue

191

00:08:41,870 --> 00:08:39,650

who's an expert in these cases spent has

192

00:08:43,459 --> 00:08:41,880

ruled that out it's just not possible

193

00:08:45,590 --> 00:08:43,469

and I'm not gonna go into all the

194

00:08:48,770 --> 00:08:45,600

reasons why but it isn't no I don't I

195

00:08:52,190 --> 00:08:48,780

don't think that we the focus of this

196

00:08:54,200 --> 00:08:52,200

show need to talk too much about the

197

00:08:57,710 --> 00:08:54,210

idea of a hoax

198

00:09:00,900 --> 00:08:57,720

I don't even want to kind of go there

199

00:09:04,440 --> 00:09:00,910

with this show I thought that

200

00:09:07,050 --> 00:09:04,450

it really isn't but I will point out one

201  
00:09:09,710 --> 00:09:07,060  
thing about that about the these past

202  
00:09:12,300 --> 00:09:09,720  
lives of young children which I think

203  
00:09:14,940 --> 00:09:12,310  
the children are reporting what they

204  
00:09:18,260 --> 00:09:14,950  
feel what they think but even to my

205  
00:09:21,000 --> 00:09:18,270  
knowledge Jim Tucker offers one other

206  
00:09:22,650 --> 00:09:21,010  
variant on the explanation and I'm not

207  
00:09:24,270 --> 00:09:22,660  
saying it's true or false I don't know

208  
00:09:27,050 --> 00:09:24,280  
what's true or false but the other

209  
00:09:30,920 --> 00:09:27,060  
variant that he had pointed out was that

210  
00:09:35,690 --> 00:09:30,930  
it's perhaps possible that the spirit of

211  
00:09:40,200 --> 00:09:35,700  
let's say James James the original

212  
00:09:43,520 --> 00:09:40,210  
fighter pilot that his spirit passed

213  
00:09:49,160 --> 00:09:43,530

through somehow the spirit of James

214

00:09:52,350 --> 00:09:49,170

Leininger and thereby gave him all this

215

00:09:55,200 --> 00:09:52,360

information and that is not exactly a

216

00:09:58,020 --> 00:09:55,210

psychic explanation like that that the

217

00:10:00,030 --> 00:09:58,030

little boy was a had super sigh as you

218

00:10:03,300 --> 00:10:00,040

mentioned in a book and it's not exactly

219

00:10:06,360 --> 00:10:03,310

that he was the direct born-again in

220

00:10:11,870 --> 00:10:06,370

other words that he had access to the

221

00:10:14,190 --> 00:10:11,880

spiritual knowledge of James the pilot

222

00:10:16,350 --> 00:10:14,200

right no I mean I suppose that's a

223

00:10:19,290 --> 00:10:16,360

possibility too it seems kind of bizarre

224

00:10:21,600 --> 00:10:19,300

why that would happen but I mean as far

225

00:10:23,370 --> 00:10:21,610

as little James was concerned and this

226

00:10:25,260 --> 00:10:23,380

went on until he's about four yeah he

227

00:10:28,890 --> 00:10:25,270

was absolutely convinced that he was

228

00:10:30,840 --> 00:10:28,900

that person and he had a lot of emotion

229

00:10:33,860 --> 00:10:30,850

around it it wasn't just sort of these

230

00:10:36,690 --> 00:10:33,870

memories it was actual reliving of

231

00:10:38,910 --> 00:10:36,700

things and you know so who knows I mean

232

00:10:40,860 --> 00:10:38,920

we can't say for sure but I think Jim

233

00:10:42,960 --> 00:10:40,870

Tucker does believe that and he actually

234

00:10:44,520 --> 00:10:42,970

wrote a chapter in my book the best a

235

00:10:47,100 --> 00:10:44,530

lot of different cases and he certainly

236

00:10:49,170 --> 00:10:47,110

believes that this is the most rational

237

00:10:52,200 --> 00:10:49,180

explanation for it but of course we

238

00:10:54,870 --> 00:10:52,210

can't prove it right but but you know it

239

00:10:57,000 --> 00:10:54,880

starts and then it points down a path

240

00:10:59,670 --> 00:10:57,010

and that's the path you start to follow

241

00:11:02,970 --> 00:10:59,680

yeah in the book and then you go from

242

00:11:06,150 --> 00:11:02,980

there into near-death experiences and I

243

00:11:09,750 --> 00:11:06,160

think that has been shown a lot on TV a

244

00:11:12,060 --> 00:11:09,760

lot of sort of these shows get into

245

00:11:14,280 --> 00:11:12,070

things like this you know the who shows

246

00:11:17,220 --> 00:11:14,290

on television

247

00:11:20,580 --> 00:11:17,230

I find those really really compelling

248

00:11:22,920 --> 00:11:20,590

because that is all within the same

249

00:11:25,620 --> 00:11:22,930

personality you know someone passes on

250

00:11:27,390 --> 00:11:25,630

for brief period of time describes what

251  
00:11:30,390 --> 00:11:27,400  
they saw and felt and then comes back to

252  
00:11:33,660 --> 00:11:30,400  
tell us and you give some very

253  
00:11:35,880 --> 00:11:33,670  
compelling stories about that yeah I

254  
00:11:37,920 --> 00:11:35,890  
mean I think that the the the

255  
00:11:41,610 --> 00:11:37,930  
reincarnation cases you know raise the

256  
00:11:44,280 --> 00:11:41,620  
question of if conscious you know is

257  
00:11:45,900 --> 00:11:44,290  
there some kind of a continuation that

258  
00:11:47,930 --> 00:11:45,910  
goes on of consciousness and what the

259  
00:11:50,160 --> 00:11:47,940  
interesting thing about the veridical

260  
00:11:52,590 --> 00:11:50,170  
out-of-body experiences and the

261  
00:11:54,480 --> 00:11:52,600  
near-death experiences are that they

262  
00:11:55,980 --> 00:11:54,490  
suggest or show really that

263  
00:11:59,040 --> 00:11:55,990

consciousness can function independently

264

00:12:01,620 --> 00:11:59,050

of the brain it doesn't show that we

265

00:12:05,370 --> 00:12:01,630

necessarily that happens necessarily at

266

00:12:07,650 --> 00:12:05,380

death but it certainly shows it makes

267

00:12:09,120 --> 00:12:07,660

that conceivable because if

268

00:12:10,290 --> 00:12:09,130

consciousness can function separately

269

00:12:13,110 --> 00:12:10,300

from the brain we can certainly

270

00:12:15,390 --> 00:12:13,120

hypothesize that that could happen when

271

00:12:17,700 --> 00:12:15,400

we die and there are some medical

272

00:12:20,460 --> 00:12:17,710

doctors such as sam par Nia who's an

273

00:12:24,000 --> 00:12:20,470

expert in resuscitation science who as

274

00:12:25,740 --> 00:12:24,010

far as he's concerned and I quote him I

275

00:12:28,320 --> 00:12:25,750

mean he's just he's an absolute expert

276

00:12:29,910 --> 00:12:28,330

on you know dealing with people who have

277

00:12:31,770 --> 00:12:29,920

died and if I hadn't and then I'm

278

00:12:33,860 --> 00:12:31,780

resuscitated and he believes that these

279

00:12:37,290 --> 00:12:33,870

people that have these experiences are

280

00:12:39,540 --> 00:12:37,300

actually as dead as anybody who actually

281

00:12:41,490 --> 00:12:39,550

dies and doesn't come back especially

282

00:12:43,950 --> 00:12:41,500

when you have cases in which the person

283

00:12:46,290 --> 00:12:43,960

is dead for let's say an hour or two

284

00:12:48,150 --> 00:12:46,300

which is good yeah it's more common now

285

00:12:49,140 --> 00:12:48,160

because they've learned that if somebody

286

00:12:51,360 --> 00:12:49,150

is frozen

287

00:12:54,870 --> 00:12:51,370

I'm not frozen but if they're in a very

288

00:12:57,210 --> 00:12:54,880

cool state mm-hmm such as if they fall

289

00:12:59,520 --> 00:12:57,220

into an icy River or something like that

290

00:13:02,160 --> 00:12:59,530

and their body is cooled down they can

291

00:13:04,020 --> 00:13:02,170

actually be dead for a lot longer and

292

00:13:06,120 --> 00:13:04,030

still be resuscitated and it this is a

293

00:13:07,470 --> 00:13:06,130

fairly new discovery because it used to

294

00:13:09,090 --> 00:13:07,480

be thought that you only had like five

295

00:13:09,960 --> 00:13:09,100

or ten minutes and then you were brain

296

00:13:12,030 --> 00:13:09,970

dead forever

297

00:13:14,220 --> 00:13:12,040

but these people as far as he's

298

00:13:16,920 --> 00:13:14,230

concerned they are a corpse for say two

299

00:13:18,510 --> 00:13:16,930

hours they're then revived and then

300

00:13:20,820 --> 00:13:18,520

within days they walk out of the

301  
00:13:22,500 --> 00:13:20,830  
hospital completely normal it's amazing

302  
00:13:24,329 --> 00:13:22,510  
right so he doesn't really raise any

303  
00:13:26,670 --> 00:13:24,339  
difference in he he thinks we should

304  
00:13:27,330 --> 00:13:26,680  
call them actual death experiences not

305  
00:13:30,360 --> 00:13:27,340  
near

306  
00:13:33,120 --> 00:13:30,370  
experiences so you know that really says

307  
00:13:35,940 --> 00:13:33,130  
something about some kind of functioning

308  
00:13:38,760 --> 00:13:35,950  
that is going on in people even when

309  
00:13:40,940 --> 00:13:38,770  
they are essentially dead and that's

310  
00:13:44,430 --> 00:13:40,950  
that's pretty intriguing yes it is and

311  
00:13:46,500 --> 00:13:44,440  
Leslie I would say that during this

312  
00:13:49,800 --> 00:13:46,510  
interview I'm going to kind of be

313  
00:13:52,800 --> 00:13:49,810

wearing two hats one hat is kind of my

314

00:13:56,130 --> 00:13:52,810

hat as just an interviewer and the other

315

00:13:59,070 --> 00:13:56,140

hat is my hat as a professional

316

00:14:01,740 --> 00:13:59,080

intuitive reader and a person who has

317

00:14:03,480 --> 00:14:01,750

had lots of psychic experiences that is

318

00:14:06,660 --> 00:14:03,490

what I have done for a living for a

319

00:14:08,940 --> 00:14:06,670

large part of my life so putting on the

320

00:14:11,790 --> 00:14:08,950

Hat of the professional interviewer for

321

00:14:15,330 --> 00:14:11,800

a moment I wanted to say that the

322

00:14:18,930 --> 00:14:15,340

veridical evidence that you present I

323

00:14:21,210 --> 00:14:18,940

think is possibly the most important

324

00:14:23,550 --> 00:14:21,220

part of the book from an outside point

325

00:14:26,610 --> 00:14:23,560

of view like for from the point of view

326

00:14:29,700 --> 00:14:26,620

of a person outside of this psychic

327

00:14:32,930 --> 00:14:29,710

interest group group because that

328

00:14:37,590 --> 00:14:32,940

veridical evidence points very

329

00:14:39,960 --> 00:14:37,600

definitely towards the fact that I

330

00:14:41,220 --> 00:14:39,970

consider a fact and or as close to a

331

00:14:45,990 --> 00:14:41,230

fact as anything

332

00:14:49,110 --> 00:14:46,000

that consciousness is not necessarily

333

00:14:51,330 --> 00:14:49,120

you know located in the brain alone and

334

00:14:55,290 --> 00:14:51,340

that the brain is a kind of a transducer

335

00:14:57,210 --> 00:14:55,300

of consciousness right right like PIM

336

00:14:59,010 --> 00:14:57,220

van Lommel has proposed it yeah and he's

337

00:15:02,430 --> 00:14:59,020

written a brilliant chapter in the book

338

00:15:04,200 --> 00:15:02,440

yes yes really really incredible about

339

00:15:06,240 --> 00:15:04,210

that very point that you know whether

340

00:15:08,130 --> 00:15:06,250

that how he has discovered through

341

00:15:10,890 --> 00:15:08,140

decades of research into this as a

342

00:15:12,720 --> 00:15:10,900

medical doctor that he doesn't believe

343

00:15:15,180 --> 00:15:12,730

that the brain is the generator of

344

00:15:19,740 --> 00:15:15,190

consciousness as you say well you know

345

00:15:23,790 --> 00:15:19,750

the scientist the German physicist now a

346

00:15:26,670 --> 00:15:23,800

deceased Max Planck said consciousness

347

00:15:29,580 --> 00:15:26,680

is fundamental you can't get behind it

348

00:15:33,840 --> 00:15:29,590

and right and he was you know the

349

00:15:38,040 --> 00:15:33,850

founder of of quantum physics basically

350

00:15:39,900 --> 00:15:38,050

along with a few other guys so that's

351

00:15:41,160 --> 00:15:39,910

pretty so willing but what they're

352

00:15:44,250 --> 00:15:41,170

saying here is though

353

00:15:46,410 --> 00:15:44,260

that the brain is just flatlined for all

354

00:15:49,590 --> 00:15:46,420

practical purposes and is no longer

355

00:15:52,259 --> 00:15:49,600

functioning in any any way that we would

356

00:15:55,290 --> 00:15:52,269

measure and there's no parameters listed

357

00:15:59,400 --> 00:15:55,300

on a recording machine but yet the

358

00:16:02,220 --> 00:15:59,410

person is aware and aware of the

359

00:16:04,740 --> 00:16:02,230

surroundings and aware of looking back

360

00:16:08,280 --> 00:16:04,750

down on a body and then coming back and

361

00:16:11,490 --> 00:16:08,290

so when they come back where do they

362

00:16:15,629 --> 00:16:11,500

come back to I guess then they start to

363

00:16:17,699 --> 00:16:15,639

use the brain to express consciousness

364

00:16:19,470 --> 00:16:17,709

is that it yeah I mean they're just back

365

00:16:21,629 --> 00:16:19,480

in their body so they sort of wake up

366

00:16:24,480 --> 00:16:21,639

and they're just like they were before

367

00:16:26,490 --> 00:16:24,490

in terms of how they're functioning but

368

00:16:29,009 --> 00:16:26,500

they have the memory of what just

369

00:16:30,480 --> 00:16:29,019

happened to them and the interesting

370

00:16:32,610 --> 00:16:30,490

thing about the what you want to talk

371

00:16:34,050 --> 00:16:32,620

about veridical out-of-body experiences

372

00:16:36,780 --> 00:16:34,060

what that means is that the person

373

00:16:39,780 --> 00:16:36,790

actually experiences themselves in a

374

00:16:41,910 --> 00:16:39,790

position in some physical space in the

375

00:16:44,160 --> 00:16:41,920

room mm-hmm and they're looking down on

376

00:16:47,400 --> 00:16:44,170

your on their bodies as as you mentioned

377

00:16:49,530 --> 00:16:47,410

and they can report back afterwards real

378

00:16:51,090 --> 00:16:49,540

things that occurred in the room or

379

00:16:52,769 --> 00:16:51,100

outside I just want you know and that's

380

00:16:55,710 --> 00:16:52,779

why it's veridical because it can be

381

00:16:57,480 --> 00:16:55,720

verified as real and sometimes they're

382

00:16:59,610 --> 00:16:57,490

there they're telling you things from a

383

00:17:03,079 --> 00:16:59,620

perspective of being up on the ceiling

384

00:17:06,000 --> 00:17:03,089

that they couldn't possibly have seen

385

00:17:07,500 --> 00:17:06,010

from lying down on a bed I mean

386

00:17:09,960 --> 00:17:07,510

certainly they're unconscious of course

387

00:17:12,240 --> 00:17:09,970

so that's enough but one person reported

388

00:17:14,130 --> 00:17:12,250

seeing that the medic was bald for

389

00:17:15,600 --> 00:17:14,140

instance you know lots of things that

390

00:17:16,919 --> 00:17:15,610

are from a different perspective and

391

00:17:18,840 --> 00:17:16,929

they can report things that they've

392

00:17:20,699 --> 00:17:18,850

heard and tools that have been used

393

00:17:22,130 --> 00:17:20,709

while they were being operated on and

394

00:17:24,600 --> 00:17:22,140

this is it at a time when they are

395

00:17:27,689 --> 00:17:24,610

absolutely no brain activity or

396

00:17:29,070 --> 00:17:27,699

heartbeat so and they also a lot of

397

00:17:31,169 --> 00:17:29,080

these experiences are very life

398

00:17:32,669 --> 00:17:31,179

transforming also they're not just like

399

00:17:35,250 --> 00:17:32,679

some kind of a dream that people

400

00:17:37,950 --> 00:17:35,260

experience them as being even more real

401  
00:17:39,510 --> 00:17:37,960  
than being in normal waking

402  
00:17:41,549 --> 00:17:39,520  
consciousness and it's something they

403  
00:17:43,500 --> 00:17:41,559  
never forget and it's something that

404  
00:17:46,770 --> 00:17:43,510  
takes away the fear of death for most

405  
00:17:49,919 --> 00:17:46,780  
people that have these experiences well

406  
00:17:52,350 --> 00:17:49,929  
but still you know when they're in these

407  
00:17:55,260 --> 00:17:52,360  
these states they're still using the

408  
00:17:58,620 --> 00:17:55,270  
senses they see a lot of people

409  
00:18:00,720 --> 00:17:58,630  
port odors they'll report warmth or at

410  
00:18:04,710 --> 00:18:00,730  
least so that there has to be some

411  
00:18:07,290 --> 00:18:04,720  
memory of senses no no no the blind can

412  
00:18:11,010 --> 00:18:07,300  
see in these experiences sometimes as

413  
00:18:13,740 --> 00:18:11,020

well if he port or blind birth so that

414

00:18:15,510 --> 00:18:13,750

would still that what what I've been

415

00:18:18,990 --> 00:18:15,520

trying to say is that there is a sense

416

00:18:22,260 --> 00:18:19,000

you know the five senses are also not

417

00:18:25,950 --> 00:18:22,270

just tied to organs but also somehow or

418

00:18:29,580 --> 00:18:25,960

other to this way being which brings a

419

00:18:31,620 --> 00:18:29,590

point up that we as human beings only

420

00:18:34,050 --> 00:18:31,630

perceive less than 1% of the

421

00:18:42,210 --> 00:18:34,060

electromagnetic spectrum in which we

422

00:18:43,770 --> 00:18:42,220

live well ok oh you can see when you

423

00:18:46,650 --> 00:18:43,780

don't have eyes right exactly that's

424

00:18:48,750 --> 00:18:46,660

what is the point you're raising it is

425

00:18:51,060 --> 00:18:48,760

it's a real quandary I mean if you're if

426  
00:18:54,150 --> 00:18:51,070  
you don't have the physical organs that

427  
00:18:56,430 --> 00:18:54,160  
we're all used to how do you it's some

428  
00:18:59,220 --> 00:18:56,440  
kind of perception that one has in the

429  
00:19:01,260 --> 00:18:59,230  
non-physical state and it is very hard

430  
00:19:03,150 --> 00:19:01,270  
to conceive of and I think it's that's a

431  
00:19:06,420 --> 00:19:03,160  
lot of reasons the scientific community

432  
00:19:08,850 --> 00:19:06,430  
has a hard time accepting it it is hard

433  
00:19:11,130 --> 00:19:08,860  
to figure it out how it happens I think

434  
00:19:15,050 --> 00:19:11,140  
what it is is maybe it's a memory of

435  
00:19:18,060 --> 00:19:15,060  
being able to and possibly as that state

436  
00:19:19,830 --> 00:19:18,070  
continues that memory starts to fade and

437  
00:19:22,770 --> 00:19:19,840  
then there's a whole different set of

438  
00:19:27,060 --> 00:19:22,780

senses that take over I don't know but I

439

00:19:30,000 --> 00:19:27,070

you know I don't know but again you know

440

00:19:31,230 --> 00:19:30,010

again you sort of build your case I

441

00:19:35,130 --> 00:19:31,240

think you would have been a very good

442

00:19:38,250 --> 00:19:35,140

lawyer too and you go from that to near

443

00:19:42,290 --> 00:19:38,260

death and then I didn't you as you say

444

00:19:45,270 --> 00:19:42,300

the after death experience is too and

445

00:19:47,370 --> 00:19:45,280

but before you got into that you really

446

00:19:50,250 --> 00:19:47,380

started to talk about mediums and how

447

00:19:52,650 --> 00:19:50,260

they could perceive people who had

448

00:19:55,440 --> 00:19:52,660

passed and I think Ferruccio has a lot

449

00:19:58,260 --> 00:19:55,450

to say about that I'm not very converts

450

00:20:00,030 --> 00:19:58,270

as with mediums and so on just to start

451  
00:20:02,640 --> 00:20:00,040  
that off I want to say that I thought

452  
00:20:06,540 --> 00:20:02,650  
that your choice of having Judy by shall

453  
00:20:08,529 --> 00:20:06,550  
write a a chapter was excellent I think

454  
00:20:11,409 --> 00:20:08,539  
that she

455  
00:20:14,950 --> 00:20:11,419  
showed a great deal of sensitivity to

456  
00:20:18,039 --> 00:20:14,960  
the idea of what mediums do okay

457  
00:20:21,519 --> 00:20:18,049  
yes terrific I agree you know I'm an

458  
00:20:23,529 --> 00:20:21,529  
associate member of the ssee and I've

459  
00:20:25,600 --> 00:20:23,539  
met some of these people in person and

460  
00:20:29,440 --> 00:20:25,610  
some of them are the people in the book

461  
00:20:33,190 --> 00:20:29,450  
have been on the show so you know

462  
00:20:35,350 --> 00:20:33,200  
basically I am you know just about a

463  
00:20:39,970 --> 00:20:35,360

hundred percent on your side but I do

464

00:20:42,970 --> 00:20:39,980

have a big question and and you sort

465

00:20:46,299 --> 00:20:42,980

of flirt with this idea at the end of

466

00:20:49,259 --> 00:20:46,309

the book and I'm not speaking

467

00:20:54,039 --> 00:20:49,269

specifically about physical mediumship

468

00:20:56,529 --> 00:20:54,049

but the thing that I kept saying to

469

00:20:59,049 --> 00:20:56,539

myself why while I was reading the book

470

00:21:01,330 --> 00:20:59,059

because as I say I do work as an

471

00:21:03,730 --> 00:21:01,340

intuitive I don't consider myself a

472

00:21:07,509 --> 00:21:03,740

medium though I have gotten mediumistic

473

00:21:10,090 --> 00:21:07,519

information from people sometimes and I

474

00:21:13,299 --> 00:21:10,100

haven't been tested like the people in

475

00:21:15,519 --> 00:21:13,309

your book and I don't want to be but

476  
00:21:17,440 --> 00:21:15,529  
because my my readings are much more

477  
00:21:21,759 --> 00:21:17,450  
free-flowing I sit with the person in

478  
00:21:23,590 --> 00:21:21,769  
person so forth and so on however I'm

479  
00:21:25,419 --> 00:21:23,600  
also a person who has had a lot of

480  
00:21:29,100 --> 00:21:25,429  
psychic experiences I had mentioned

481  
00:21:34,269 --> 00:21:29,110  
before in in talking with you just now

482  
00:21:36,820 --> 00:21:34,279  
so the big question I have is that it

483  
00:21:43,029 --> 00:21:36,830  
would seem to me that you sort of

484  
00:21:45,730 --> 00:21:43,039  
presented only two different options it

485  
00:21:48,190 --> 00:21:45,740  
was like a by not binary hypothesis

486  
00:21:51,850 --> 00:21:48,200  
either it's human spirit communication

487  
00:21:55,210 --> 00:21:51,860  
or it's super sigh okay and I'm not

488  
00:21:57,070 --> 00:21:55,220

saying it's not because I don't know I'm

489

00:21:59,889 --> 00:21:57,080

the first person to say I don't know

490

00:22:01,899 --> 00:21:59,899

many people they do readings of various

491

00:22:05,919 --> 00:22:01,909

sorts and they have controls like the

492

00:22:07,690 --> 00:22:05,929

the ones who are are not physical

493

00:22:09,430 --> 00:22:07,700

mediums the ones who are trans mediums

494

00:22:11,019 --> 00:22:09,440

they have controls and the physical

495

00:22:13,299 --> 00:22:11,029

mediums have controls and so forth and

496

00:22:15,909 --> 00:22:13,309

many readers who do this self same thing

497

00:22:17,739 --> 00:22:15,919

that I do they believe they have a

498

00:22:19,720 --> 00:22:17,749

spirit guide or something like that and

499

00:22:22,000 --> 00:22:19,730

I'm not saying they don't but what I'm

500

00:22:25,750 --> 00:22:22,010

saying is that there is

501

00:22:27,580 --> 00:22:25,760

least 1/3 large third possibility which

502

00:22:32,440 --> 00:22:27,590

I'm just going to outline for you very

503

00:22:35,110 --> 00:22:32,450

briefly here and that is that what if

504

00:22:38,430 --> 00:22:35,120

it's a third thing nobody really knows

505

00:22:41,260 --> 00:22:38,440

where super sight comes from people make

506

00:22:43,960 --> 00:22:41,270

remarks that it's like some pool of

507

00:22:47,380 --> 00:22:43,970

consciousness and heck it really may be

508

00:22:50,350 --> 00:22:47,390

that but what about if it's a third

509

00:22:52,330 --> 00:22:50,360

thing like a discarnate

510

00:22:55,780 --> 00:22:52,340

entity which you flirt with at the end

511

00:22:59,830 --> 00:22:55,790

but you don't ever say that some of this

512

00:23:03,040 --> 00:22:59,840

information that seems to be psychic or

513

00:23:06,370 --> 00:23:03,050

the person the dead person could really

514

00:23:08,650 --> 00:23:06,380

be a discarded entity kind of

515

00:23:10,990 --> 00:23:08,660

masquerading as the person and that's

516

00:23:13,920 --> 00:23:11,000

not as crazy as it seems when you think

517

00:23:18,130 --> 00:23:13,930

about what people have purported that

518

00:23:20,230 --> 00:23:18,140

aliens have done in two dimensional

519

00:23:23,110 --> 00:23:20,240

beings we could think about it as the

520

00:23:25,540 --> 00:23:23,120

trickster the Oversoul of plants a whale

521

00:23:27,550 --> 00:23:25,550

spirit the spirit of the earth could be

522

00:23:30,610 --> 00:23:27,560

angels could be demons could be jinn

523

00:23:32,950 --> 00:23:30,620

could be a free it could be a virtual

524

00:23:35,380 --> 00:23:32,960

reality game player or programmer like

525

00:23:37,870 --> 00:23:35,390

Tom Campbell says many of these

526

00:23:41,590 --> 00:23:37,880

possibilities as crazy as they are they

527

00:23:45,040 --> 00:23:41,600

positive belief system but what if it's

528

00:23:48,730 --> 00:23:45,050

a disc Arnot entity which we cannot

529

00:23:50,830 --> 00:23:48,740

identify what if that I I did I I felt

530

00:23:53,740 --> 00:23:50,840

like that could be a third possibility

531

00:23:55,540 --> 00:23:53,750

what do you think Leslie I I guess

532

00:23:57,730 --> 00:23:55,550

you're right I think what I was focusing

533

00:24:00,370 --> 00:23:57,740

on would what what seemed to be the two

534

00:24:02,640 --> 00:24:00,380

most likely possibilities and the ones

535

00:24:05,470 --> 00:24:02,650

that are sort of debated extensively

536

00:24:07,900 --> 00:24:05,480

among people who investigate these

537

00:24:10,240 --> 00:24:07,910

topics it's sort of like the current

538

00:24:12,760 --> 00:24:10,250

debate and revolves around the the you

539

00:24:15,430 --> 00:24:12,770

know the L of living agency hypothesis

540

00:24:17,020 --> 00:24:15,440

versus the survival hypothesis and so

541

00:24:19,060 --> 00:24:17,030

that's what I focused on I mean because

542

00:24:21,550 --> 00:24:19,070

I think you may have a point there but

543

00:24:23,740 --> 00:24:21,560

there's no way that I don't know I just

544

00:24:25,690 --> 00:24:23,750

seems like it's a little too obscure

545

00:24:27,730 --> 00:24:25,700

possibly for a book like this for me to

546

00:24:30,130 --> 00:24:27,740

get into that if mine there's no way one

547

00:24:32,980 --> 00:24:30,140

could ever really know and so I just

548

00:24:35,290 --> 00:24:32,990

find like I find it more useful to stick

549

00:24:36,010 --> 00:24:35,300

with the two major areas that seem to be

550

00:24:38,560 --> 00:24:36,020

the more like

551  
00:24:41,250 --> 00:24:38,570  
and I think that they are the more

552  
00:24:44,919 --> 00:24:41,260  
likely possibilities to a large extent

553  
00:24:47,530 --> 00:24:44,929  
the one place that from my experience

554  
00:24:51,520 --> 00:24:47,540  
and from what you say in the book in

555  
00:24:54,430 --> 00:24:51,530  
fact is that to me the stuff that seems

556  
00:24:56,380 --> 00:24:54,440  
to come from the actual spirit seems to

557  
00:24:58,660 --> 00:24:56,390  
come very shortly within a certain

558  
00:25:01,090 --> 00:24:58,670  
period after death

559  
00:25:03,880 --> 00:25:01,100  
in fact when personal experiences have

560  
00:25:06,419 --> 00:25:03,890  
happened to me people I know died they

561  
00:25:09,130 --> 00:25:06,429  
came to me sometimes almost immediately

562  
00:25:13,750 --> 00:25:09,140  
sometimes within two weeks afterwards

563  
00:25:15,850 --> 00:25:13,760

seldom months or years out and and then

564

00:25:18,549 --> 00:25:15,860

sometimes people have come to me who

565

00:25:21,760 --> 00:25:18,559

were clients and they would say they're

566

00:25:23,620 --> 00:25:21,770

getting messages from somebody that they

567

00:25:25,630 --> 00:25:23,630

knew that was dead and they would get

568

00:25:27,490 --> 00:25:25,640

message and message and this would be

569

00:25:29,950 --> 00:25:27,500

true and that would be true true and

570

00:25:33,520 --> 00:25:29,960

then suddenly they would get thrown a

571

00:25:36,940 --> 00:25:33,530

curveball like telling them something

572

00:25:39,910 --> 00:25:36,950

that was only partially true and so it

573

00:25:43,120 --> 00:25:39,920

would seem to me like if there is a part

574

00:25:46,870 --> 00:25:43,130

of it that could be a dis incarnate

575

00:25:49,210 --> 00:25:46,880

entity speaking it could be in that

576

00:25:51,400 --> 00:25:49,220

latter stage and I'm gonna let that go

577

00:25:52,810 --> 00:25:51,410

now I just really mean I have no way no

578

00:25:54,280 --> 00:25:52,820

way of knowing I think now you now

579

00:25:56,169 --> 00:25:54,290

you're talking about direct

580

00:25:57,400 --> 00:25:56,179

communications as to post it through a

581

00:26:00,190 --> 00:25:57,410

medium right you're talking about after

582

00:26:04,090 --> 00:26:00,200

death communications yes I am and I'm

583

00:26:06,340 --> 00:26:04,100

I'm also you know yes that's that's what

584

00:26:08,710 --> 00:26:06,350

I'm talking about and through mediums we

585

00:26:10,870 --> 00:26:08,720

don't the medium is I'm I consider the

586

00:26:13,030 --> 00:26:10,880

medium an honest broker the mediums that

587

00:26:16,780 --> 00:26:13,040

you're you saw absolutely honest brokers

588

00:26:19,150 --> 00:26:16,790

so I as I say totally discard the idea

589

00:26:22,780 --> 00:26:19,160

especially in terms of the mental

590

00:26:25,660 --> 00:26:22,790

mediums of any kind of hoaxing in terms

591

00:26:27,850 --> 00:26:25,670

of the map it's absolutely no chance or

592

00:26:30,400 --> 00:26:27,860

the way Julie does your stuff that there

593

00:26:33,010 --> 00:26:30,410

is any chance of hoaxing there however

594

00:26:34,990 --> 00:26:33,020

as you say you don't know and I don't

595

00:26:36,580 --> 00:26:35,000

know either and I'm the first one to say

596

00:26:39,880 --> 00:26:36,590

I don't know I don't know where the

597

00:26:41,500 --> 00:26:39,890

information comes from and so I just

598

00:26:45,750 --> 00:26:41,510

throw that out as a third possibility

599

00:26:48,370 --> 00:26:45,760

for all things that we are speaking of

600

00:26:49,970 --> 00:26:48,380

except okay well thank you for that okay

601

00:26:51,680 --> 00:26:49,980

we'll move on then I'm so so

602

00:26:53,840 --> 00:26:51,690

sorry okay you know what I was

603

00:26:56,120 --> 00:26:53,850

interesting in the lessees is like the

604

00:26:58,909 --> 00:26:56,130

mediums that you contacted seem to have

605

00:27:01,640 --> 00:26:58,919

a real gift for contact and I was

606

00:27:03,799 --> 00:27:01,650

wondering um did anyone ever do and I

607

00:27:07,039 --> 00:27:03,809

hate the word use hate they use the word

608

00:27:09,710 --> 00:27:07,049

scientific but sort of sort of like an

609

00:27:11,450 --> 00:27:09,720

EEG study just to see if there were any

610

00:27:14,090 --> 00:27:11,460

brain waves there anything that they

611

00:27:15,440 --> 00:27:14,100

were contacted on well that's a really

612

00:27:17,150 --> 00:27:15,450

interesting thing that needs to be done

613

00:27:19,039 --> 00:27:17,160

more of and as I write in the book the

614

00:27:20,990 --> 00:27:19,049

one of the mediums I saw whose name is

615

00:27:23,900 --> 00:27:21,000

Laura Lynn Jackson who's an absolutely

616

00:27:27,080 --> 00:27:23,910

superb medium who has since written an

617

00:27:29,450 --> 00:27:27,090

excellent book there was a scientist a

618

00:27:31,280 --> 00:27:29,460

brainwave scientist when I forget what

619

00:27:33,919 --> 00:27:31,290

you you know it calls specifically who

620

00:27:36,260 --> 00:27:33,929

did study her brain and what was really

621

00:27:39,080 --> 00:27:36,270

interesting about it was he that this

622

00:27:41,570 --> 00:27:39,090

was exploring the question of the two

623

00:27:45,500 --> 00:27:41,580

possibilities of of the information

624

00:27:47,720 --> 00:27:45,510

being either her own personal psy or or

625

00:27:49,400 --> 00:27:47,730

coming from a deceased person so we're

626

00:27:52,549 --> 00:27:49,410

looking at those two possibilities and

627

00:27:54,770 --> 00:27:52,559

he he he had her do both psychic

628

00:27:57,799 --> 00:27:54,780

readings and mediumistic readings and

629

00:28:01,400 --> 00:27:57,809

then he he tested her brain waves during

630

00:28:03,230 --> 00:28:01,410

the two different readings and was able

631

00:28:05,030 --> 00:28:03,240

to determine that they took place in two

632

00:28:07,580 --> 00:28:05,040

different parts of her brain which is

633

00:28:09,710 --> 00:28:07,590

very interesting because specifically

634

00:28:13,370 --> 00:28:09,720

because they correspond it to Laura's

635

00:28:15,320 --> 00:28:13,380

own description of the screen that she

636

00:28:17,000 --> 00:28:15,330

sees in front of her when she's doing

637

00:28:19,640 --> 00:28:17,010

these readings and she has often said

638

00:28:22,100 --> 00:28:19,650

that the psychic information or the

639

00:28:24,470 --> 00:28:22,110

information coming from her her own

640

00:28:27,440 --> 00:28:24,480

psychic abilities is on one side of her

641

00:28:29,390 --> 00:28:27,450

screen and the mediumistic information

642

00:28:31,280 --> 00:28:29,400

or information coming from the deceased

643

00:28:33,020 --> 00:28:31,290

beings is on the other side of her

644

00:28:34,640 --> 00:28:33,030

screen and she's very clear about the

645

00:28:37,990 --> 00:28:34,650

difference between the two of them and

646

00:28:40,820 --> 00:28:38,000

his brain charts of her brain actually

647

00:28:42,919 --> 00:28:40,830

correspond it to the exactly the the way

648

00:28:44,870 --> 00:28:42,929

Laura had described it in terms of the

649

00:28:47,060 --> 00:28:44,880

sides of her brain that these events

650

00:28:49,039 --> 00:28:47,070

took place so this this is really

651  
00:28:52,580 --> 00:28:49,049  
important because it shows that there is

652  
00:28:54,680 --> 00:28:52,590  
a difference between psychic psychic

653  
00:28:56,890 --> 00:28:54,690  
information information that is not does

654  
00:28:59,180 --> 00:28:56,900  
not involve deceased people and

655  
00:29:01,549 --> 00:28:59,190  
information that does involve deceased

656  
00:29:03,379 --> 00:29:01,559  
people as least as the meet at least in

657  
00:29:05,359 --> 00:29:03,389  
the way the mediums describe it

658  
00:29:07,219 --> 00:29:05,369  
they come they're two different two

659  
00:29:10,789 --> 00:29:07,229  
different types of information and I

660  
00:29:12,649 --> 00:29:10,799  
think Laura Laura Jackson was is really

661  
00:29:14,449 --> 00:29:12,659  
fundamental really excellent at being

662  
00:29:16,430 --> 00:29:14,459  
able to make that distinction

663  
00:29:19,039 --> 00:29:16,440

mm-hm and that was a question I was very

664

00:29:20,779 --> 00:29:19,049

interested in during my explorations of

665

00:29:23,509 --> 00:29:20,789

mental mediumship is how the mediums

666

00:29:25,129 --> 00:29:23,519

distinguish between the two because if

667

00:29:27,949 --> 00:29:25,139

we want to make the case that there is

668

00:29:29,690 --> 00:29:27,959

information that's coming from deceased

669

00:29:30,649 --> 00:29:29,700

beings which is what the mediums

670

00:29:32,539 --> 00:29:30,659

perceive it to be

671

00:29:35,329 --> 00:29:32,549

then you'd want to know that they can

672

00:29:38,329 --> 00:29:35,339

distinguish between the two types and

673

00:29:40,699 --> 00:29:38,339

Laura was very good at that and then the

674

00:29:43,549 --> 00:29:40,709

the brain waves the brain charts that

675

00:29:45,649 --> 00:29:43,559

the scientists made of her only just

676  
00:29:48,079 --> 00:29:45,659  
reinforced and and showed that what she

677  
00:29:50,209 --> 00:29:48,089  
was talking about was actually true it

678  
00:29:52,249 --> 00:29:50,219  
doesn't prove that she's speaking with

679  
00:29:54,349 --> 00:29:52,259  
dead people right but it shows that they

680  
00:29:56,119 --> 00:29:54,359  
are definitely two distinct types of

681  
00:29:57,109 --> 00:29:56,129  
psychic of information that's coming

682  
00:30:00,139 --> 00:29:57,119  
through to her and that's what's really

683  
00:30:02,209 --> 00:30:00,149  
important I was wondering if they ran a

684  
00:30:04,369 --> 00:30:02,219  
control at the same time because as

685  
00:30:07,399 --> 00:30:04,379  
these spirits were come or whatever you

686  
00:30:11,180 --> 00:30:07,409  
call it we're coming through to her I'm

687  
00:30:14,449 --> 00:30:11,190  
sure they also you know emitted some

688  
00:30:16,459 --> 00:30:14,459

form of transmission and she is

689

00:30:18,079 --> 00:30:16,469

obviously an excellent receiver for this

690

00:30:23,449 --> 00:30:18,089

I was wondering if there was some other

691

00:30:28,310 --> 00:30:23,459

way to detect it in the room but yeah I

692

00:30:30,859 --> 00:30:28,320

don't know with more it's expensive it's

693

00:30:32,599 --> 00:30:30,869

not an easy thing to do and I know Julie

694

00:30:34,879 --> 00:30:32,609

by shell is interested in trying to do

695

00:30:37,129 --> 00:30:34,889

more of this kind of thing herself it

696

00:30:39,589 --> 00:30:37,139

just takes a you know a certain amount

697

00:30:41,539 --> 00:30:39,599

of planning and financing and all of

698

00:30:45,259 --> 00:30:41,549

that but I I think it's an area that

699

00:30:47,209 --> 00:30:45,269

that really would be really excellent to

700

00:30:49,159 --> 00:30:47,219

pursue and could teach us a lot I think

701  
00:30:50,839 --> 00:30:49,169  
about what's going on well I'm pretty

702  
00:30:52,399 --> 00:30:50,849  
sure yeah because when you think what

703  
00:30:54,889 --> 00:30:52,409  
your cell phone can pick up with a

704  
00:30:58,069 --> 00:30:54,899  
pretty high which is a primitive

705  
00:31:00,859 --> 00:30:58,079  
receptor and all that information is out

706  
00:31:03,649 --> 00:31:00,869  
there if you could get a human brain to

707  
00:31:05,659 --> 00:31:03,659  
start accessing that information not

708  
00:31:08,479 --> 00:31:05,669  
necessarily from people who have passed

709  
00:31:11,119 --> 00:31:08,489  
on but in general it would be sort of

710  
00:31:12,649 --> 00:31:11,129  
fascinating to know and I think that's

711  
00:31:15,080 --> 00:31:12,659  
what the mediums do they have the like

712  
00:31:17,330 --> 00:31:15,090  
this antenna that it's able to see

713  
00:31:19,310 --> 00:31:17,340

information that a lot of us are not

714

00:31:22,430 --> 00:31:19,320

able to perceive so it's it's very

715

00:31:24,830 --> 00:31:22,440

fascinating and I was just really I was

716

00:31:27,410 --> 00:31:24,840

very careful to make sure that the

717

00:31:29,000 --> 00:31:27,420

mediums I visited had no idea who I was

718

00:31:31,190 --> 00:31:29,010

and they were phone and you know they

719

00:31:32,960 --> 00:31:31,200

were pretty carefully controlled as far

720

00:31:35,090 --> 00:31:32,970

as I was concerned and I was really

721

00:31:36,830 --> 00:31:35,100

stunned with the accuracy of the

722

00:31:38,390 --> 00:31:36,840

information that came through that was a

723

00:31:40,520 --> 00:31:38,400

real mind-opening

724

00:31:43,780 --> 00:31:40,530

experience for me you did an excellent

725

00:31:47,240 --> 00:31:43,790

job and you know having it be a blind

726

00:31:49,160 --> 00:31:47,250

experiment several of these readings it

727

00:31:51,800 --> 00:31:49,170

was a very excellent job you did of that

728

00:31:54,290 --> 00:31:51,810

I always wanted you I made sure to take

729

00:31:56,330 --> 00:31:54,300

a fake name and all of that fake address

730

00:31:59,090 --> 00:31:56,340

fake email address and everything else

731

00:32:01,070 --> 00:31:59,100

so it's just so annoying that when you

732

00:32:03,800 --> 00:32:01,080

deal with anything in the paranormal you

733

00:32:07,280 --> 00:32:03,810

have to be so uber cautious whereas in

734

00:32:09,440 --> 00:32:07,290

general science you know well 97% of our

735

00:32:11,660 --> 00:32:09,450

subjects with this the other 3% well we

736

00:32:15,680 --> 00:32:11,670

don't really know you know it's annoying

737

00:32:17,570 --> 00:32:15,690

to me you know like you have to be so

738

00:32:20,480 --> 00:32:17,580

extraordinary careful when you deal with

739

00:32:23,300 --> 00:32:20,490

the paranormal I mean right well it's

740

00:32:24,890 --> 00:32:23,310

true because it is so hard to accept you

741

00:32:26,990 --> 00:32:24,900

know you've got to be extra careful and

742

00:32:30,470 --> 00:32:27,000

you know that's I respect that I'm happy

743

00:32:32,900 --> 00:32:30,480

to be as careful as I can you were you

744

00:32:36,470 --> 00:32:32,910

know I tried to be in the book for the

745

00:32:40,150 --> 00:32:36,480

evidence for paranormal functioning SCI

746

00:32:46,160 --> 00:32:40,160

functioning if you will is much greater

747

00:32:49,340 --> 00:32:46,170

shows a lot more mathematical certainty

748

00:32:51,170 --> 00:32:49,350

than the idea that taking a baby aspirin

749

00:32:53,450 --> 00:32:51,180

will prevent you from having a heart

750

00:32:56,060 --> 00:32:53,460

attack and look at all the people all

751  
00:32:59,720 --> 00:32:56,070  
around the world who were taking baby

752  
00:33:03,140 --> 00:32:59,730  
aspirins to prevent heart attacks who

753  
00:33:04,610 --> 00:33:03,150  
don't believe inside functioning that's

754  
00:33:06,890 --> 00:33:04,620  
an interesting point I mean you know I

755  
00:33:08,420 --> 00:33:06,900  
think if you read this book and you know

756  
00:33:11,540 --> 00:33:08,430  
there's other places people can look as

757  
00:33:13,760 --> 00:33:11,550  
well but the big question is not whether

758  
00:33:17,180 --> 00:33:13,770  
psy functioning is real I mean it is

759  
00:33:19,070 --> 00:33:17,190  
absolutely undisputable that some kind

760  
00:33:21,110 --> 00:33:19,080  
of psychic functioning is occurring in

761  
00:33:23,180 --> 00:33:21,120  
the cases that I've presented the

762  
00:33:26,210 --> 00:33:23,190  
question is whether the origin of them

763  
00:33:29,080 --> 00:33:26,220

is from a deceased person or from human

764

00:33:31,940 --> 00:33:29,090

beings but you can't deny that

765

00:33:34,159 --> 00:33:31,950

abilities of these people to perceive

766

00:33:37,399 --> 00:33:34,169

things that beyond the five senses is

767

00:33:39,740 --> 00:33:37,409

absolutely genuine and even you know

768

00:33:41,060 --> 00:33:39,750

even that is something that scientist so

769

00:33:44,120 --> 00:33:41,070

many scientists have a hard time

770

00:33:46,490 --> 00:33:44,130

acknowledging is valid but it's just

771

00:33:48,380 --> 00:33:46,500

beyond my comprehension how they can

772

00:33:51,620 --> 00:33:48,390

look at some of these cases and deny

773

00:33:54,500 --> 00:33:51,630

that but they do well there are there

774

00:33:56,659 --> 00:33:54,510

are of course skeptics

775

00:33:58,159 --> 00:33:56,669

and then there are debunkers and as

776

00:34:00,649 --> 00:33:58,169

where I know they're not the same thing

777

00:34:02,240 --> 00:34:00,659

we know that I know that from the UFO

778

00:34:04,850 --> 00:34:02,250

topic too and it's very similar with

779

00:34:06,620 --> 00:34:04,860

this as well yeah I have one weird

780

00:34:10,399 --> 00:34:06,630

question to ask you just out of

781

00:34:13,639 --> 00:34:10,409

curiosity you said that you met Stuart

782

00:34:16,550 --> 00:34:13,649

Alexander the physical medium you said

783

00:34:20,540 --> 00:34:16,560

that you met him because he was giving a

784

00:34:22,790 --> 00:34:20,550

talk at a UFO presentation so just out

785

00:34:25,760 --> 00:34:22,800

of curiosity what was his connection to

786

00:34:28,310 --> 00:34:25,770

UFOs in addition to being a physical

787

00:34:30,710 --> 00:34:28,320

medium i-i-i was fascinated by that

788

00:34:33,139 --> 00:34:30,720

little today actually that wasn't the

789

00:34:35,570 --> 00:34:33,149

case he was giving a seminar which

790

00:34:37,700 --> 00:34:35,580

involves mediumship basically Oh which

791

00:34:39,320 --> 00:34:37,710

he does semi annual annually when other

792

00:34:42,260 --> 00:34:39,330

people organize it and he just invited

793

00:34:44,270 --> 00:34:42,270

me to give a talk there on UFOs because

794

00:34:46,460 --> 00:34:44,280

he thought his participants would be

795

00:34:48,950 --> 00:34:46,470

interested in the topic that was all but

796

00:34:52,639 --> 00:34:48,960

the focus was not on UFOs okay that I

797

00:34:56,450 --> 00:34:52,649

misread that yeah no that's okay and he

798

00:34:58,820 --> 00:34:56,460

he does these seminars twice a year and

799

00:35:01,220 --> 00:34:58,830

there's usually a group of people that

800

00:35:03,290 --> 00:35:01,230

come pretty regularly but they're

801  
00:35:05,810 --> 00:35:03,300  
becoming more and more popular more and

802  
00:35:08,030 --> 00:35:05,820  
more kind of known now so that was the

803  
00:35:09,410 --> 00:35:08,040  
yeah that was how it all happened and I

804  
00:35:10,730 --> 00:35:09,420  
didn't end up spending a lot of time

805  
00:35:11,359 --> 00:35:10,740  
with him and have since gotten to know

806  
00:35:14,210 --> 00:35:11,369  
him very well

807  
00:35:18,700 --> 00:35:14,220  
sounds very very fascinating also

808  
00:35:22,510 --> 00:35:18,710  
fascinating is the the Canadian

809  
00:35:25,070 --> 00:35:22,520  
experiment where they created this

810  
00:35:27,650 --> 00:35:25,080  
actually it would seem to me that they

811  
00:35:31,160 --> 00:35:27,660  
created a Tulpa you know one of those

812  
00:35:35,030 --> 00:35:31,170  
beings that once created continues to

813  
00:35:38,120 --> 00:35:35,040

have an existence outside of the person

814

00:35:40,670 --> 00:35:38,130

Aleister Crowley created a Tulpa

815

00:35:42,890 --> 00:35:40,680

I think some some British woman who

816

00:35:45,080 --> 00:35:42,900

travelled to India created a Tulpa

817

00:35:49,190 --> 00:35:45,090

other people could see but it would seem

818

00:35:53,420 --> 00:35:49,200

like this group in in in Canada created

819

00:35:54,110 --> 00:35:53,430

this being that then had it's a life of

820

00:35:57,650 --> 00:35:54,120

its own

821

00:35:59,780 --> 00:35:57,660

on some level yeah this court of like

822

00:36:02,960 --> 00:35:59,790

being a mini God these people were like

823

00:36:03,860 --> 00:36:02,970

many gods in a sense yeah well you think

824

00:36:06,650 --> 00:36:03,870

you're talking about the Philip

825

00:36:08,300 --> 00:36:06,660

experiments in the 1970s up in Canada

826

00:36:11,090 --> 00:36:08,310

where you mentioned it yeah yeah exactly

827

00:36:13,490 --> 00:36:11,100

and where this group as you said they

828

00:36:15,260 --> 00:36:13,500

they focused for many months probably at

829

00:36:18,890 --> 00:36:15,270

least six months on sort of creating

830

00:36:21,770 --> 00:36:18,900

this life of this person in their minds

831

00:36:23,900 --> 00:36:21,780

all the details of the person's life who

832

00:36:26,990 --> 00:36:23,910

they called Philip and and he had died

833

00:36:29,510 --> 00:36:27,000

and you know England some centuries

834

00:36:31,310 --> 00:36:29,520

earlier and yeah what was important was

835

00:36:33,770 --> 00:36:31,320

that then they were working with the

836

00:36:35,750 --> 00:36:33,780

table and they were getting this entity

837

00:36:37,870 --> 00:36:35,760

to respond to their questions through

838

00:36:41,420 --> 00:36:37,880

table tilting and knocks and things and

839

00:36:43,850 --> 00:36:41,430

the entity could not answer any question

840

00:36:46,280 --> 00:36:43,860

that they had not previously provided

841

00:36:48,170 --> 00:36:46,290

the information for so basically this

842

00:36:50,660 --> 00:36:48,180

was like a self-created kind of

843

00:36:53,780 --> 00:36:50,670

poltergeist entity and it what it

844

00:36:56,480 --> 00:36:53,790

illustrates is that human beings do have

845

00:36:59,150 --> 00:36:56,490

the capacity to have these kinds of

846

00:37:02,150 --> 00:36:59,160

psychokinetic events occur without

847

00:37:03,830 --> 00:37:02,160

tapping into any kind of dead person so

848

00:37:06,080 --> 00:37:03,840

a lot of people who will do table

849

00:37:07,880 --> 00:37:06,090

tilting you know might or things like

850

00:37:09,590 --> 00:37:07,890

Ouija boards and things like that where

851  
00:37:11,870 --> 00:37:09,600  
there's a lot of psychokinesis going on

852  
00:37:14,630 --> 00:37:11,880  
might assume that that can't happen

853  
00:37:16,670 --> 00:37:14,640  
without some kind of spirit being

854  
00:37:18,230 --> 00:37:16,680  
involved but actually these experiments

855  
00:37:20,780 --> 00:37:18,240  
have shown that that's not always the

856  
00:37:22,730 --> 00:37:20,790  
case that human beings can be

857  
00:37:24,440 --> 00:37:22,740  
facilitators for these kinds of events

858  
00:37:26,470 --> 00:37:24,450  
without any kind of spirit being

859  
00:37:29,300 --> 00:37:26,480  
involved this was like a self created

860  
00:37:31,160 --> 00:37:29,310  
entity that they so that that was a

861  
00:37:33,920 --> 00:37:31,170  
really interesting point I think it's

862  
00:37:37,100 --> 00:37:33,930  
important to note that um you know human

863  
00:37:39,080 --> 00:37:37,110

beings can also facilitate all kinds of

864

00:37:40,880 --> 00:37:39,090

psychic events that can occur and

865

00:37:43,190 --> 00:37:40,890

poltergeist is sort of an example of

866

00:37:44,750 --> 00:37:43,200

that and this is a more sort of advanced

867

00:37:46,840 --> 00:37:44,760

poltergeist scenario because they were

868

00:37:50,180 --> 00:37:46,850

able to actually create it themselves

869

00:37:51,650 --> 00:37:50,190

intentionally so yeah it's really that's

870

00:37:53,810 --> 00:37:51,660

why I wanted to sort of that was my

871

00:37:56,450 --> 00:37:53,820

chapter that sort of brings us gradually

872

00:37:58,250 --> 00:37:56,460

towards being able to accept

873

00:38:00,920 --> 00:37:58,260

the Sun kind of psychokinetic in vents

874

00:38:02,870 --> 00:38:00,930

that occur in the seance Remini as you

875

00:38:04,790 --> 00:38:02,880

mentioned I've been very careful how

876

00:38:07,460 --> 00:38:04,800

I've structured the book so that I take

877

00:38:10,160 --> 00:38:07,470

a person from the sort of simpler more

878

00:38:12,080 --> 00:38:10,170

easily acceptable things initially and

879

00:38:14,510 --> 00:38:12,090

then walk them through various stages of

880

00:38:17,030 --> 00:38:14,520

things and one thing leads to another

881

00:38:19,580 --> 00:38:17,040

very naturally and so by the end is when

882

00:38:21,530 --> 00:38:19,590

you get to the as you mentioned earlier

883

00:38:24,200 --> 00:38:21,540

the more you could use the word exotic I

884

00:38:26,630 --> 00:38:24,210

like that word exotic things that are

885

00:38:29,810 --> 00:38:26,640

harder to accept but they're just as

886

00:38:32,720 --> 00:38:29,820

real as anything that I I have described

887

00:38:35,180 --> 00:38:32,730

earlier in the book so well you do talk

888

00:38:37,790 --> 00:38:35,190

about your personal experiments and the

889

00:38:40,130 --> 00:38:37,800

first one sort of was I could sort of

890

00:38:42,350 --> 00:38:40,140

get but the second one with the hand of

891

00:38:44,870 --> 00:38:42,360

materializing you might want to discuss

892

00:38:47,390 --> 00:38:44,880

that for the sake of our audience but

893

00:38:52,250 --> 00:38:47,400

that one that was a little difficult for

894

00:38:54,650 --> 00:38:52,260

me to yeah I can understand that it was

895

00:38:59,120 --> 00:38:54,660

very real for you my goodness what

896

00:39:01,520 --> 00:38:59,130

happened many other people besides

897

00:39:03,230 --> 00:39:01,530

myself so when you when you actually

898

00:39:06,440 --> 00:39:03,240

have that experience and you're touching

899

00:39:08,870 --> 00:39:06,450

it and you're watching it form it's

900

00:39:10,760 --> 00:39:08,880

mind-blowing and I can understand why

901  
00:39:12,290 --> 00:39:10,770  
for anyone who hasn't had the experience

902  
00:39:14,720 --> 00:39:12,300  
it would be difficult to accept but I'm

903  
00:39:17,300 --> 00:39:14,730  
trying to sort of in the book show how

904  
00:39:19,700 --> 00:39:17,310  
other instances of hands being

905  
00:39:21,890 --> 00:39:19,710  
materialized have been documented in

906  
00:39:24,950 --> 00:39:21,900  
very very tightly controlled conditions

907  
00:39:26,900 --> 00:39:24,960  
by experts scientists and we have many

908  
00:39:29,810 --> 00:39:26,910  
cases of that having a Kurt so I'm

909  
00:39:31,640 --> 00:39:29,820  
hoping that having read that first that

910  
00:39:33,250 --> 00:39:31,650  
it might make it easier for the reader

911  
00:39:35,630 --> 00:39:33,260  
to accept it when I've actually

912  
00:39:36,830 --> 00:39:35,640  
experienced it myself but what

913  
00:39:40,660 --> 00:39:36,840

everybody's going to react differently

914

00:39:45,110 --> 00:39:40,670

to that what do you think of the idea of

915

00:39:48,040 --> 00:39:45,120

consensual reality in other words many

916

00:39:52,250 --> 00:39:48,050

people who are more philosophers than

917

00:39:55,790 --> 00:39:52,260

psychic readers or or parapsychologists

918

00:39:58,850 --> 00:39:55,800

are of the opinion that we all create

919

00:40:01,460 --> 00:39:58,860

our own consensual reality that that

920

00:40:03,860 --> 00:40:01,470

reality may not come just from you

921

00:40:08,420 --> 00:40:03,870

lesley cane or just from me for russia

922

00:40:10,360 --> 00:40:08,430

but is like we all accept that certain

923

00:40:13,720 --> 00:40:10,370

things are true so that they are

924

00:40:17,290 --> 00:40:13,730

we have created the world in some way

925

00:40:19,660 --> 00:40:17,300

like like little tiny pieces of God you

926

00:40:22,690 --> 00:40:19,670

know that we could all sort of create

927

00:40:26,410 --> 00:40:22,700

the world and therefore why not a

928

00:40:28,390 --> 00:40:26,420

physical hand yeah I mean I I can't

929

00:40:30,460 --> 00:40:28,400

speak to that again it's it's philosophy

930

00:40:32,020 --> 00:40:30,470

and it's in my book is so focused on

931

00:40:34,900 --> 00:40:32,030

journalism you know of just trying to

932

00:40:36,820 --> 00:40:34,910

present information and I just throw it

933

00:40:38,920 --> 00:40:36,830

out formation yeah it's it's absolutely

934

00:40:41,500 --> 00:40:38,930

right on and fascinating it's just

935

00:40:44,530 --> 00:40:41,510

something sort of beyond my capability

936

00:40:45,910 --> 00:40:44,540

to address I hate to tell you you you're

937

00:40:48,460 --> 00:40:45,920

both absolutely wonderful and I could

938

00:40:50,820 --> 00:40:48,470

talk to you for a long time but I have a

939

00:40:56,830 --> 00:40:50,830

I have to be going now unfortunately

940

00:40:58,690 --> 00:40:56,840

well thank them wanting more or less are

941

00:41:00,640 --> 00:40:58,700

just wonderful to speak with and I so

942

00:41:02,560 --> 00:41:00,650

much like talking to you I wish I didn't

943

00:41:04,630 --> 00:41:02,570

have this other appointment lined up you

944

00:41:07,270 --> 00:41:04,640

just say the name of your book yes

945

00:41:09,820 --> 00:41:07,280

publisher etc because otherwise you know

946

00:41:11,860 --> 00:41:09,830

we won't get any sales great absolutely

947

00:41:14,770 --> 00:41:11,870

the book is called surviving death a

948

00:41:18,010 --> 00:41:14,780

journalist investigates evidence for an

949

00:41:21,040 --> 00:41:18,020

afterlife and my last name is spelled ke

950

00:41:23,800 --> 00:41:21,050

a n and you can go to my website which

951  
00:41:28,450 --> 00:41:23,810  
is surviving death cane my last name

952  
00:41:30,100 --> 00:41:28,460  
attached dot-com and on that website you

953  
00:41:32,470 --> 00:41:30,110  
can find information about the book and

954  
00:41:34,150 --> 00:41:32,480  
my UFO book and I'm also very active on

955  
00:41:36,520 --> 00:41:34,160  
Facebook and would love people to visit

956  
00:41:39,190 --> 00:41:36,530  
me there and I thank you both so much

957  
00:41:40,150 --> 00:41:39,200  
for talking with me about this book it's

958  
00:41:43,060 --> 00:41:40,160  
meant a lot to me

959  
00:41:45,010 --> 00:41:43,070  
thank you thank you and best of luck

960  
00:41:47,050 --> 00:41:45,020  
forget everything really thank you again

961  
00:41:50,380 --> 00:41:47,060  
take care it I was like ok take care bye

962  
00:41:52,240 --> 00:41:50,390  
bye bye right well so what do you think

963  
00:41:55,510 --> 00:41:52,250

well I think I think it's a really

964

00:42:00,150 --> 00:41:55,520

wonderful book I was really read it yeah

965

00:42:04,840 --> 00:42:00,160

and I do understand her her reasons for

966

00:42:07,150 --> 00:42:04,850

structuring it as she did and I just

967

00:42:12,490 --> 00:42:07,160

wonder about that third idea well I

968

00:42:14,620 --> 00:42:12,500

guess you know it's it's I you know not

969

00:42:22,990 --> 00:42:14,630

to beat a dead horse to death but we are

970

00:42:24,160 --> 00:42:23,000

all time you know I I find it very

971

00:42:27,609 --> 00:42:24,170

interesting a lot of

972

00:42:30,099 --> 00:42:27,619

frontways for for example I think what

973

00:42:33,250 --> 00:42:30,109

we call instincts in animal is actually

974

00:42:35,410 --> 00:42:33,260

they have a receptor in their brain for

975

00:42:36,069 --> 00:42:35,420

information that is necessary for their

976

00:42:38,650 --> 00:42:36,079

survival

977

00:42:43,690 --> 00:42:38,660

yeah first I had to build nest you know

978

00:42:47,339 --> 00:42:43,700

I don't know many many things but

979

00:42:50,380 --> 00:42:47,349

someone had to create that information

980

00:42:53,980 --> 00:42:50,390

somewhere in somewhere somehow even

981

00:42:56,440 --> 00:42:53,990

something yeah and so I think there's

982

00:43:00,130 --> 00:42:56,450

just tons and tons of information out

983

00:43:02,980 --> 00:43:00,140

there and you have to wonder you know

984

00:43:04,180 --> 00:43:02,990

what we're it all came from absolutely I

985

00:43:06,430 --> 00:43:04,190

don't think we'll ever know

986

00:43:12,640 --> 00:43:06,440

well you might know but you might not be

987

00:43:15,010 --> 00:43:12,650

able to tell me right off yeah yeah well

988

00:43:18,309 --> 00:43:15,020

anyway I'm sorry you had some other

989

00:43:21,609 --> 00:43:18,319

information for us excuse me I'm sorry

990

00:43:24,220 --> 00:43:21,619

that's okay it had concerning our next

991

00:43:27,210 --> 00:43:24,230

guest which would be dr. Milton

992

00:43:32,950 --> 00:43:27,220

Wainwright right and he's a proponent of

993

00:43:34,900 --> 00:43:32,960

panspermia British professor I always

994

00:43:37,329 --> 00:43:34,910

wonder why they call it pants burger or

995

00:43:40,839 --> 00:43:37,339

not and okay I'm gonna take it yeah go

996

00:43:43,829 --> 00:43:40,849

right ahead anyway was I will say very

997

00:43:46,359 --> 00:43:43,839

nice things so I think you should really

998

00:43:48,579 --> 00:43:46,369

tune in for that particular one

999

00:43:51,430 --> 00:43:48,589

panspermia is basically the idea that

1000

00:43:53,470 --> 00:43:51,440

life permeates the universe right and is

1001  
00:43:56,829 --> 00:43:53,480  
spread throughout life is ubiquitous

1002  
00:44:00,039 --> 00:43:56,839  
throughout the universe see even if it's

1003  
00:44:03,609 --> 00:44:00,049  
in small doses like little little cells

1004  
00:44:05,620 --> 00:44:03,619  
little one celled organisms little well

1005  
00:44:07,960 --> 00:44:05,630  
you know what Arizona like well I like

1006  
00:44:11,589 --> 00:44:07,970  
in every life form on this planet has

1007  
00:44:13,809 --> 00:44:11,599  
DNA at its basis and my little theory on

1008  
00:44:17,530 --> 00:44:13,819  
that is that DNA is a molecule it

1009  
00:44:19,660 --> 00:44:17,540  
captures energy and then transforms it

1010  
00:44:21,549 --> 00:44:19,670  
into a life form suitable to the

1011  
00:44:25,510 --> 00:44:21,559  
environment in which it finds itself and

1012  
00:44:28,240 --> 00:44:25,520  
I think it has that much plasticity in

1013  
00:44:31,599 --> 00:44:28,250

its ability to do that so that I think

1014

00:44:35,380 --> 00:44:31,609

you I think DNA is ubiquitous as you say

1015

00:44:37,299 --> 00:44:35,390

and I think we're going to find if we

1016

00:44:37,880 --> 00:44:37,309

could look ahead a thousand years some

1017

00:44:40,490 --> 00:44:37,890

really

1018

00:44:42,740 --> 00:44:40,500

interesting and weird life-forms out I

1019

00:44:44,330 --> 00:44:42,750

mean if you go back on this planet 200

1020

00:44:45,920 --> 00:44:44,340

million years ago it would look like a

1021

00:44:49,340 --> 00:44:45,930

whole alien planet

1022

00:44:51,350 --> 00:44:49,350

absolutely so you know and and but

1023

00:44:54,050 --> 00:44:51,360

anyway so that that will be a very

1024

00:44:57,110 --> 00:44:54,060

interesting discussion because he's also

1025

00:44:59,180 --> 00:44:57,120

here you go up faroush it ready another

1026

00:45:03,950 --> 00:44:59,190

famous person that studies that is

1027

00:45:06,320 --> 00:45:03,960

Chandra look I promise I see and and not

1028

00:45:14,720 --> 00:45:06,330

only that but dr. Milton Wainwright

1029

00:45:17,060 --> 00:45:14,730

uh-huh knows Chandra it's good he has a

1030

00:45:18,980 --> 00:45:17,070

good sense to you but much more

1031

00:45:22,150 --> 00:45:18,990

importantly we have an upcoming event

1032

00:45:26,720 --> 00:45:22,160

where you can join us in that Pine Bush

1033

00:45:29,840 --> 00:45:26,730

Bush UFO Festival on May 20th 2017 it's

1034

00:45:35,240 --> 00:45:29,850

really fun we will be there now most of

1035

00:45:37,430 --> 00:45:35,250

the day is fun family stuff yeah you can

1036

00:45:39,800 --> 00:45:37,440

bring costumes and all people won't

1037

00:45:43,430 --> 00:45:39,810

think you're weird and actually they

1038

00:45:46,790 --> 00:45:43,440

have a UFO patrol car and a lot of

1039

00:45:50,630 --> 00:45:46,800

people dressed up as aliens and wear

1040

00:45:53,570 --> 00:45:50,640

your UFO costumes adults they do her

1041

00:45:56,090 --> 00:45:53,580

your UFO costumes and they have good

1042

00:45:59,660 --> 00:45:56,100

food too yeah they have the local

1043

00:46:03,440 --> 00:45:59,670

restaurants are serving and the cup and

1044

00:46:07,460 --> 00:46:03,450

saucer cafe which the saucer is a flying

1045

00:46:09,380 --> 00:46:07,470

saucer and there are other kinds of

1046

00:46:12,380 --> 00:46:09,390

foods are being served out of food

1047

00:46:16,070 --> 00:46:12,390

trucks mm-hmm in addition we may be

1048

00:46:18,410 --> 00:46:16,080

participating mm-hmm in besides of

1049

00:46:21,200 --> 00:46:18,420

having a table there we are expecting

1050

00:46:24,230 --> 00:46:21,210

that we will be interviewing people who

1051

00:46:27,650 --> 00:46:24,240

are experiences and some of the speakers

1052

00:46:32,540 --> 00:46:27,660

there is some small possibility that I

1053

00:46:37,370 --> 00:46:32,550

will be speaking on a group of theories

1054

00:46:39,740 --> 00:46:37,380

of surrounding alien possible alien

1055

00:46:42,140 --> 00:46:39,750

evolution and these are theories but

1056

00:46:44,150 --> 00:46:42,150

there is a decent possibility I'll be

1057

00:46:47,210 --> 00:46:44,160

speaking about that in the afternoon at

1058

00:46:51,570 --> 00:46:47,220

the afternoon group and so please come

1059

00:46:53,870 --> 00:46:51,580

on out May 20th and to

1060

00:46:57,150 --> 00:46:53,880

prior to that for dr. Milton Wainwright

1061

00:47:00,750 --> 00:46:57,160

proponent of panspermia and he does some

1062

00:47:04,380 --> 00:47:00,760

inexpensive experiments with weather

1063

00:47:08,030 --> 00:47:04,390

balloons where he sends up something

1064

00:47:11,460 --> 00:47:08,040

akin to a cassette player that is

1065

00:47:14,580 --> 00:47:11,470

wrapped up so it's hermetically sealed

1066

00:47:16,920 --> 00:47:14,590

and it opens when it gets above the

1067

00:47:21,720 --> 00:47:16,930

stratosphere when it gets into the edge

1068

00:47:26,700 --> 00:47:21,730

of space these dishes open up and they

1069

00:47:28,920 --> 00:47:26,710

collect samples of one celled organisms

1070

00:47:32,270 --> 00:47:28,930

and things that are living up there that

1071

00:47:36,120 --> 00:47:32,280

shouldn't be living up there and he then

1072

00:47:38,490 --> 00:47:36,130

closes the tray it reseals itself and he

1073

00:47:40,050 --> 00:47:38,500

brings the weather balloon down and so

1074

00:47:42,599 --> 00:47:40,060

he's going to share those experiments

1075

00:47:46,380 --> 00:47:42,609

with us which I think what could be more

1076

00:47:54,660 --> 00:47:46,390

fascinating than that of had nothing too

1077

00:47:58,230 --> 00:47:54,670

much nothing too much no okay it's Kate

1078

00:48:18,600 --> 00:47:58,240

Valentine and foucha and I will see you

1079

00:48:18,610 --> 00:48:29,370
