00:00:08,430 --> 00:00:17,190

[Music]

2
00:00:25,479 --> 00:00:20,679

welcome to shattered reality with your

3
00:00:28,510 --> 00:00:25,489

hosts Kate Valentine and furs prepare to

4
00:00:33,930 --> 00:00:28,520

have your paradigm shifted in the truths

5
00:00:37,030 --> 00:00:33,940

questioned and now shattered reality

6
00:00:39,099 --> 00:00:37,040

well Kate all right here we are good

7
00:00:41,220 --> 00:00:39,109

that's right uh-huh and it's

8
00:00:44,650 --> 00:00:41,230

unbelievable because this is show number

9
00:00:47,410 --> 00:00:44,660

55 it's even more unbelievable room list

10
00:00:49,479 --> 00:00:47,420

at the end of September yeah yeah that's

11
00:00:52,180 --> 00:00:49,489

three months to Christmas I mean this is

12
00:00:56,020 --> 00:00:52,190

crazy fast stuff going past yeah I think

13
00:00:58,899 --> 00:00:56,030

time does pass at different speeds it

14

00:01:02,649 --> 00:00:58,909

certainly does things differently over

15

00:01:06,460 --> 00:01:02,659

the you know of the vast reaches of

16

00:01:09,670 --> 00:01:06,470

space but that notwithstanding what do

17

00:01:12,930 --> 00:01:09,680

we have to do first we need to slate yes

18

00:01:20,200 --> 00:01:12,940

slating things good yes today is

19

00:01:23,470 --> 00:01:20,210

September 26th 2017 and we are shattered

20

00:01:28,680 --> 00:01:23,480

reality podcast and we have an extra

21

00:01:31,960 --> 00:01:28,690

special show for you today the first

22

00:01:33,550 --> 00:01:31,970

part of our show is going to be with a

23

00:01:37,030 --> 00:01:33,560

wonderful woman who I'm going to

24

00:01:43,180 --> 00:01:37,040

introduce in a minute who this woman is

25

00:01:46,420 --> 00:01:43,190

a doctor and a UFO specialist and she is

26
00:01:48,460 --> 00:01:46,430
really an impressive person our second

27
00:01:50,800 --> 00:01:48,470
guest is in our listeners corner at the

28
00:01:54,610 --> 00:01:50,810
very end of the show where people who

29
00:01:57,100 --> 00:01:54,620
are listeners get an opportunity to tell

30
00:01:59,110 --> 00:01:57,110
their stories and I'm going to tell you

31
00:02:01,870 --> 00:01:59,120
who that is right away before I get into

32
00:02:05,400 --> 00:02:01,880
introducing our main guest that's going

33
00:02:09,759 --> 00:02:05,410
to be Anthony sands who also who is a

34
00:02:14,110 --> 00:02:09,769
well-known painter in the magical

35
00:02:17,050 --> 00:02:14,120
realism school and a long-term teacher

36
00:02:19,839 --> 00:02:17,060
at the Fashion Institute of Technology

37
00:02:20,080 --> 00:02:19,849
in painting drawing and two-dimensional

38
00:02:27,550 --> 00:02:20,090

to

39

00:02:31,320 --> 00:02:27,560

of the show but right now we are really

40

00:02:35,400 --> 00:02:31,330

really proud to present the author of

41

00:02:39,150 --> 00:02:35,410

UFOs today 70 years of lies

42

00:02:43,960 --> 00:02:39,160

misinformation and government cover-up

43

00:02:47,830 --> 00:02:43,970

let's all welcome dr. Irene McCammon

44

00:02:52,690 --> 00:02:47,840

Scott Irina McCammon Scott dr. Irina

45

00:02:55,569 --> 00:02:52,700

McCammon Scott okay dr. Scott welcome to

46

00:02:58,809 --> 00:02:55,579

the show yes well thank you for inviting

47

00:03:01,539 --> 00:02:58,819

me I'm glad to be here I I guess the

48

00:03:04,300 --> 00:03:01,549

first question that we almost always ask

49

00:03:07,420 --> 00:03:04,310

people is how did you get interested in

50

00:03:12,670 --> 00:03:07,430

this what was the draw into ufology for

51
00:03:16,930 --> 00:03:12,680
you well I'm I'm not you I follow just

52
00:03:19,960 --> 00:03:16,940
exactly as like nobody makes a living at

53
00:03:22,390 --> 00:03:19,970
this I've been in something else but I

54
00:03:26,530 --> 00:03:22,400
was always interested in astronomy ever

55
00:03:29,259 --> 00:03:26,540
since I remember as a small child and I

56
00:03:34,420 --> 00:03:29,269
went to school and astronomy and went to

57
00:03:36,220 --> 00:03:34,430
Ohio State University and graduated but

58
00:03:40,479 --> 00:03:36,230
I couldn't get a job in astronomy

59
00:03:42,759 --> 00:03:40,489
because I was a female mm-hmm all the

60
00:03:45,879 --> 00:03:42,769
places I applied to wouldn't give me an

61
00:03:49,059 --> 00:03:45,889
application because it was male only Wow

62
00:03:57,780 --> 00:03:49,069
and so I had to go into something else

63
00:04:03,550 --> 00:03:57,790

and so they were mapping the moon and

64

00:04:05,470 --> 00:04:03,560

other planets and they took females so

65

00:04:08,500 --> 00:04:05,480

that kind of worked for mapping and

66

00:04:11,650 --> 00:04:08,510

cartography and so I played for that and

67

00:04:15,610 --> 00:04:11,660

got into it but I got a high security

68

00:04:20,050 --> 00:04:15,620

clearances and they and I transferred to

69

00:04:24,460 --> 00:04:20,060

the Defense Intelligence Agency but I

70

00:04:27,190 --> 00:04:24,470

wound up map doing satellite photography

71

00:04:31,149 --> 00:04:27,200

on earth instead of other worlds like I

72

00:04:33,850 --> 00:04:31,159

wanted to yeah and at that time I got

73

00:04:39,070 --> 00:04:33,860

married and moved away and I had a

74

00:04:41,350 --> 00:04:39,080

offer a fellowship to go into physiology

75

00:04:44,939 --> 00:04:41,360

and get a PhD so that's what he did and

76

00:04:49,300 --> 00:04:44,949

I was a professor and worked in a number

77

00:04:52,420 --> 00:04:49,310

get worked in a number of institutions

78

00:04:56,110 --> 00:04:52,430

and research such as Cornell and Ohio

79

00:04:59,110 --> 00:04:56,120

State in different places that's quite a

80

00:05:01,050 --> 00:04:59,120

jump from astronomy into physiology yeah

81

00:05:03,640 --> 00:05:01,060

and well you were you an actual

82

00:05:07,059 --> 00:05:03,650

veterinarian or did I misunderstand that

83

00:05:10,719 --> 00:05:07,069

somewhere in your bio I graduated from

84

00:05:14,019 --> 00:05:10,729

the University of Missouri asks College

85

00:05:17,679 --> 00:05:14,029

of Veterinary Medicine but I got a PhD

86

00:05:20,230 --> 00:05:17,689

instead of a vet degree I see that

87

00:05:21,550 --> 00:05:20,240

wasn't easy back then either to get into

88

00:05:25,600 --> 00:05:21,560

vet school for a woman either

89

00:05:28,269 --> 00:05:25,610

no now if you didn't want to be a

90

00:05:34,179 --> 00:05:28,279

secretary gym teacher a nurse he was

91

00:05:36,429 --> 00:05:34,189

sort of yeah anyway so yeah you know

92

00:05:38,559 --> 00:05:36,439

it's funny people I was very interested

93

00:05:41,079 --> 00:05:38,569

in UFOs too and people would always ask

94

00:05:43,269 --> 00:05:41,089

me well how did you get into UFOs and I

95

00:05:46,329 --> 00:05:43,279

never liked you I never really hadn't

96

00:05:48,670 --> 00:05:46,339

like an epiphany like a real solid

97

00:05:49,930 --> 00:05:48,680

answer like you know one day I saw one

98

00:05:53,439 --> 00:05:49,940

and then from there on and I was

99

00:05:55,779 --> 00:05:53,449

interested and and I sense that with you

100

00:05:58,439 --> 00:05:55,789

to like it was something that was always

101
00:06:02,499 --> 00:05:58,449
on the back burner from childhood up

102
00:06:07,869 --> 00:06:02,509
right and and you finally really looked

103
00:06:10,779 --> 00:06:07,879
into it yeah what does I mean you know

104
00:06:14,079 --> 00:06:10,789
it's it's sort of a thankless haleys

105
00:06:17,379 --> 00:06:14,089
the hobby interest more than anything I

106
00:06:20,920 --> 00:06:17,389
just want to mention how interesting

107
00:06:24,159 --> 00:06:20,930
your book is for not only it's just this

108
00:06:28,329 --> 00:06:24,169
a compendium of knowledge there about

109
00:06:32,519 --> 00:06:28,339
the UFO subject but it's from a real

110
00:06:35,529 --> 00:06:32,529
insider perspective and even the cases

111
00:06:37,779 --> 00:06:35,539
many of the cases that people who have

112
00:06:42,070 --> 00:06:37,789
read other ufology books have read about

113
00:06:46,730 --> 00:06:42,080

such as Roswell and the flatwoods

114

00:06:49,400 --> 00:06:46,740

monster and the chase over

115

00:06:51,770 --> 00:06:49,410

Ohio into Pennsylvania with the police

116

00:06:54,200 --> 00:06:51,780

officers that the police officers all

117

00:06:56,960 --> 00:06:54,210

kind of have difficult lives after that

118

00:07:00,860 --> 00:06:56,970

the detail and the insider information

119

00:07:08,900 --> 00:07:00,870

that you added to those accounts was

120

00:07:10,820 --> 00:07:08,910

truly amazing well that's one reason I

121

00:07:14,360 --> 00:07:10,830

wrote the book is I had actually worked

122

00:07:18,080 --> 00:07:14,370

on the inside of some of the places that

123

00:07:20,210 --> 00:07:18,090

were exploring UFOs such as I had been

124

00:07:22,490 --> 00:07:20,220

stationed off and on at wright-patterson

125

00:07:24,469 --> 00:07:22,500

I knew somebody and their

126

00:07:27,740 --> 00:07:24,479

wright-patterson Air Force Base and

127

00:07:32,080 --> 00:07:27,750

they're heavily involved in UFOs they

128

00:07:35,029 --> 00:07:32,090

were housed Bluebook and those

129

00:07:37,969 --> 00:07:35,039

organizations and I'd also worked at

130

00:07:40,610 --> 00:07:37,979

Mattel Memorial Institute and they had

131

00:07:43,219 --> 00:07:40,620

done a study of UFOs and I worked for

132

00:07:46,490 --> 00:07:43,229

the Defense Intelligence Agency and they

133

00:07:49,070 --> 00:07:46,500

were working on UFOs Eida I never worked

134

00:07:52,670 --> 00:07:49,080

directly on UFOs but I was there and

135

00:07:54,589 --> 00:07:52,680

kind of knew the ins and outs and gossip

136

00:07:57,469 --> 00:07:54,599

and different things like that I think

137

00:08:00,560 --> 00:07:57,479

everybody or not maybe everybody but the

138

00:08:04,010 --> 00:08:00,570

majority of the listeners have some clue

139

00:08:06,140 --> 00:08:04,020

as to what went on at wright-patterson I

140

00:08:08,300 --> 00:08:06,150

mean they not they might not be

141

00:08:11,060 --> 00:08:08,310

obviously probably if they haven't read

142

00:08:13,189 --> 00:08:11,070

their book your book would have the kind

143

00:08:15,649 --> 00:08:13,199

of knowledge that you are exploring with

144

00:08:18,980 --> 00:08:15,659

wright-patterson but I think that people

145

00:08:22,279 --> 00:08:18,990

have heard of Wright Field at becoming

146

00:08:24,860 --> 00:08:22,289

bright Patterson field and how probably

147

00:08:30,080 --> 00:08:24,870

they have debris from Roswell was

148

00:08:32,449 --> 00:08:30,090

transported there but could you give us

149

00:08:35,930 --> 00:08:32,459

a little bit more information about what

150

00:08:38,480 --> 00:08:35,940

Patel Institute is exactly because I

151
00:08:42,829 --> 00:08:38,490
believe that many of our listeners have

152
00:08:46,389 --> 00:08:42,839
never heard of it it's a I think it's

153
00:08:48,860 --> 00:08:46,399
the world's largest let me say

154
00:08:51,230 --> 00:08:48,870
independent research organization or

155
00:08:53,329 --> 00:08:51,240
nonprofit research organization it's

156
00:08:55,400 --> 00:08:53,339
right across the street from Ohio State

157
00:08:59,180 --> 00:08:55,410
University and well connected with them

158
00:09:00,680 --> 00:08:59,190
and it's done a whole lot in innovation

159
00:09:05,770 --> 00:09:00,690
it was the

160
00:09:09,550 --> 00:09:05,780
developers of the Xerox and of the CD

161
00:09:14,090 --> 00:09:09,560
and it was heavily involved in the

162
00:09:18,080 --> 00:09:14,100
Manhattan Project developing the atomic

163
00:09:21,610 --> 00:09:18,090

bomb and it's been real active and a lot

164

00:09:26,210 --> 00:09:21,620

of things that in our everyday world

165

00:09:29,780 --> 00:09:26,220

interesting especially about a part the

166

00:09:32,180 --> 00:09:29,790

part about the Xerox stuff because if

167

00:09:36,550 --> 00:09:32,190

memory serves me correctly and I could

168

00:09:39,470 --> 00:09:36,560

be wrong about this that the the UVA

169

00:09:41,480 --> 00:09:39,480

division of perceptual studies down in

170

00:09:44,390 --> 00:09:41,490

Virginia you know university of virginia

171

00:09:48,640 --> 00:09:44,400

department of perceptual studies I

172

00:09:54,530 --> 00:09:48,650

believe was largely funded by the man

173

00:09:57,290 --> 00:09:54,540

who was behind Xerox are you aware of

174

00:10:01,570 --> 00:09:57,300

that no I wasn't that's interesting

175

00:10:05,240 --> 00:10:01,580

because um they do a lot of work on

176

00:10:09,290 --> 00:10:05,250

psychokinesis people that I kind of know

177

00:10:12,890 --> 00:10:09,300

and also they do a bunch of work on past

178

00:10:16,970 --> 00:10:12,900

lives with dr. Ian Stevenson

179

00:10:19,850 --> 00:10:16,980

and now today with dr. Jim Tucker but

180

00:10:22,550 --> 00:10:19,860

they got a huge grant to my knowledge

181

00:10:24,830 --> 00:10:22,560

from the gentleman whose name whose

182

00:10:26,360 --> 00:10:24,840

first name was like Clarence or

183

00:10:29,450 --> 00:10:26,370

something of that nature who was the

184

00:10:33,950 --> 00:10:29,460

Xerox just you know what scientist I

185

00:10:35,270 --> 00:10:33,960

don't know but that's that's what I

186

00:10:38,120 --> 00:10:35,280

think but I don't want to go too far

187

00:10:41,000 --> 00:10:38,130

afield with that but we grow interested

188

00:10:42,890 --> 00:10:41,010

in more information to me later I

189

00:10:46,090 --> 00:10:42,900

absolutely will send you more

190

00:10:49,460 --> 00:10:46,100

information on that I absolutely will I

191

00:10:51,680 --> 00:10:49,470

was particularly interested in part of

192

00:10:55,010 --> 00:10:51,690

the things that you were talking about

193

00:10:58,280 --> 00:10:55,020

when you work for the DIA where there

194

00:11:00,770 --> 00:10:58,290

was information coming in to you not you

195

00:11:03,620 --> 00:11:00,780

particularly but to your office so to

196

00:11:06,800 --> 00:11:03,630

speak about objects that there were

197

00:11:10,040 --> 00:11:06,810

photographs of that everybody concluded

198

00:11:12,680 --> 00:11:10,050

were actual physical objects and the DIA

199

00:11:13,759 --> 00:11:12,690

and the CIA were kind of disagreeing and

200

00:11:16,160 --> 00:11:13,769

the CIA

201

00:11:18,109 --> 00:11:16,170

was talking about it being an optical

202

00:11:21,829 --> 00:11:18,119

illusion and everybody knew it wasn't

203

00:11:25,249 --> 00:11:21,839

can you elaborate on that yes I was

204

00:11:31,910 --> 00:11:25,259

working in section called the air order

205

00:11:36,139 --> 00:11:31,920

of battle this was a section where we

206

00:11:39,199 --> 00:11:36,149

looked at a certain territory in the

207

00:11:43,429 --> 00:11:39,209

world and we were supposed to identify

208

00:11:46,669 --> 00:11:43,439

any type of aircraft in that area it was

209

00:11:48,859 --> 00:11:46,679

really highly classified work with

210

00:11:53,929 --> 00:11:48,869

security clearances about above

211

00:11:56,720 --> 00:11:53,939

top-secret and so we went about our

212

00:11:59,749 --> 00:11:56,730

normal work of identifying aircraft and

213

00:12:02,499 --> 00:11:59,759

we generally knew what aircraft we were

214

00:12:06,350 --> 00:12:02,509

looking at we were supposed to look at

215

00:12:09,169 --> 00:12:06,360

different types and know what target

216

00:12:13,699 --> 00:12:09,179

them which meant no say where they were

217

00:12:17,359 --> 00:12:13,709

and that sort of thing and that would be

218

00:12:20,210 --> 00:12:17,369

if UFOs were craft that would be you

219

00:12:24,799 --> 00:12:20,220

think that would be a place where the

220

00:12:29,809 --> 00:12:24,809

government would be studying the

221

00:12:34,639 --> 00:12:29,819

photography to look for crafts yes but

222

00:12:38,389 --> 00:12:34,649

in my work and in my section of work

223

00:12:40,489 --> 00:12:38,399

there was nothing said about UFOs we

224

00:12:44,629 --> 00:12:40,499

were supposed to identify everything as

225

00:12:48,679 --> 00:12:44,639

an airplane or whatever and so my

226

00:12:55,009 --> 00:12:48,689

supervisors saw what they thought was a

227

00:12:57,769 --> 00:12:55,019

UFO and I thought so too they reported

228

00:12:59,900 --> 00:12:57,779

it to their higher-ups and we were

229

00:13:03,409 --> 00:12:59,910

supposed to be the experts I mean we

230

00:13:05,600 --> 00:13:03,419

were the experts on this territory of

231

00:13:07,549 --> 00:13:05,610

the world

232

00:13:10,669 --> 00:13:07,559

we were supposed to be the top experts

233

00:13:15,439 --> 00:13:10,679

and our identification zwarst supposed

234

00:13:20,090 --> 00:13:15,449

to be correct so my supervisors reported

235

00:13:23,239 --> 00:13:20,100

this as a UFO and I saw the pictures and

236

00:13:26,960 --> 00:13:23,249

everything and it was on at least two

237

00:13:27,680 --> 00:13:26,970

missions not exactly the same place but

238

00:13:31,760 --> 00:13:27,690

then looking

239

00:13:36,260 --> 00:13:31,770

me at all and I could sit in sterile

240

00:13:40,400 --> 00:13:36,270

still stereoscopically and things and so

241

00:13:43,430 --> 00:13:40,410

anyway the superiors got back to my

242

00:13:46,520 --> 00:13:43,440

supervisors and said no it wasn't it was

243

00:13:49,850 --> 00:13:46,530

a flaw in the film which made no sense

244

00:13:51,860 --> 00:13:49,860

to anybody because it wasn't a flaw in

245

00:13:54,110 --> 00:13:51,870

the film for one thing was on two films

246

00:13:58,160 --> 00:13:54,120

and you could see him and look at him

247

00:14:00,410 --> 00:13:58,170

and see you know reducer enlarge the

248

00:14:04,630 --> 00:14:00,420

image of one or the other and see him in

249

00:14:09,740 --> 00:14:04,640

stereo seem stereoscopically was how

250

00:14:15,110 --> 00:14:09,750

definite was and so the supervisors went

251
00:14:16,550 --> 00:14:15,120
to some other experts that were told it

252
00:14:19,100 --> 00:14:16,560
could tell whether something was a flaw

253
00:14:21,230 --> 00:14:19,110
on the film or not and the people said

254
00:14:24,860 --> 00:14:21,240
no this isn't the specialist said no

255
00:14:27,020 --> 00:14:24,870
this is not a flaw in film it's real but

256
00:14:29,420 --> 00:14:27,030
the supervisors kept right on saying

257
00:14:32,060 --> 00:14:29,430
it's a flaw on the film which was pretty

258
00:14:35,780 --> 00:14:32,070
insulting because we were supposedly in

259
00:14:39,890 --> 00:14:35,790
heat and they treated us just like we

260
00:14:42,410 --> 00:14:39,900
were nobodies so they the CIA and the

261
00:14:45,470 --> 00:14:42,420
DIA disagreed you being with the DIA I

262
00:14:48,560 --> 00:14:45,480
can you in some way describe for us what

263
00:14:50,840 --> 00:14:48,570

the object looked like on the film well

264

00:14:52,790 --> 00:14:50,850

I don't know if it was a CIA I mean I

265

00:14:57,320 --> 00:14:52,800

was working for the DIA and I think our

266

00:14:59,420 --> 00:14:57,330

our reports went to the CIA but it

267

00:15:04,580 --> 00:14:59,430

wasn't the whole DIA it was just our

268

00:15:11,180 --> 00:15:04,590

section of air or battle and I see in

269

00:15:13,490 --> 00:15:11,190

the DIA what it looked like was a it

270

00:15:16,400 --> 00:15:13,500

looked basically kind of like the saucer

271

00:15:21,860 --> 00:15:16,410

shape it was round with a real big dome

272

00:15:25,610 --> 00:15:21,870

and no features aside from that okay so

273

00:15:28,670 --> 00:15:25,620

yeah its surface look like you know an

274

00:15:31,040 --> 00:15:28,680

airplane or a craft or something is it

275

00:15:34,910 --> 00:15:31,050

that typical brushed aluminum look that

276

00:15:35,900 --> 00:15:34,920

so widely mentioned I think in general

277

00:15:38,900 --> 00:15:35,910

it was

278

00:15:41,190 --> 00:15:38,910

I don't exactly but I remember it looked

279

00:15:43,980 --> 00:15:41,200

like a craft anyway

280

00:15:47,160 --> 00:15:43,990

and I think in in your book you kind of

281

00:15:50,639 --> 00:15:47,170

describe it as that but that the dome

282

00:15:54,379 --> 00:15:50,649

was rather higher than the average UFO

283

00:15:56,699 --> 00:15:54,389

sighting was in general in in those days

284

00:15:59,759 --> 00:15:56,709

it looked like it but I wasn't sure

285

00:16:04,470 --> 00:15:59,769

because I could use a photography from

286

00:16:06,090 --> 00:16:04,480

two different missions and gotten so the

287

00:16:08,069 --> 00:16:06,100

same size and I could look at it in

288

00:16:11,430 --> 00:16:08,079

stereo but that was kind of a different

289

00:16:14,790 --> 00:16:11,440

way of looking at it from usual but I so

290

00:16:17,490 --> 00:16:14,800

I wasn't real sure it was there any idea

291

00:16:20,370 --> 00:16:17,500

how fast it was going it was on to the

292

00:16:21,900 --> 00:16:20,380

missions and it had shifted it was over

293

00:16:24,210 --> 00:16:21,910

water and you could tell it wasn't in

294

00:16:26,009 --> 00:16:24,220

the water it had shifted its position a

295

00:16:31,620 --> 00:16:26,019

little bit each mission was 90 minutes

296

00:16:34,050 --> 00:16:31,630

and we just saw um two missions but for

297

00:16:37,800 --> 00:16:34,060

90 minutes it was in the same general

298

00:16:42,360 --> 00:16:37,810

area why don't we take a stop right now

299

00:16:44,670 --> 00:16:42,370

and let Irina mention the name of her

300

00:16:46,530 --> 00:16:44,680

book again and all of that because we

301

00:16:49,500 --> 00:16:46,540

like to make sure that our listeners

302

00:16:54,660 --> 00:16:49,510

hear that a couple of three times you

303

00:16:57,060 --> 00:16:54,670

know okay the name is UFOs today 70

304

00:17:00,509 --> 00:16:57,070

years of lies misinformation and

305

00:17:03,660 --> 00:17:00,519

government cover-up and you can order it

306

00:17:05,850 --> 00:17:03,670

from Amazon comm and it's pretty easy to

307

00:17:11,689 --> 00:17:05,860

find on the Internet just put irina

308

00:17:16,140 --> 00:17:11,699

scott and it should pop up okay okay so

309

00:17:18,510 --> 00:17:16,150

another thing that interested me for

310

00:17:23,429 --> 00:17:18,520

particularly personal reasons because I

311

00:17:26,819 --> 00:17:23,439

am an experienced er it was the teenage

312

00:17:33,570 --> 00:17:26,829

boys in two different locations during

313

00:17:39,299 --> 00:17:33,580

around the same time who saw craft and

314

00:17:45,240 --> 00:17:39,309

then saw beings come out of those craft

315

00:17:49,230 --> 00:17:45,250

and then they reported this are they

316

00:17:52,289 --> 00:17:49,240

were teenagers and then the the people

317

00:17:54,950 --> 00:17:52,299

from the government purportedly called

318

00:17:57,620 --> 00:17:54,960

them up or contacted them

319

00:17:59,630 --> 00:17:57,630

and ask them about their dreams later on

320

00:18:03,590 --> 00:17:59,640

and whether they were out-of-body

321

00:18:06,080 --> 00:18:03,600

whether they went out of body this with

322

00:18:11,680 --> 00:18:06,090

two different sightings the one where

323

00:18:14,779 --> 00:18:11,690

the government called people up were the

324

00:18:18,350 --> 00:18:14,789

pilots of a helicopter oh okay

325

00:18:20,690 --> 00:18:18,360

oh the coin helicopter okay I guess I

326

00:18:22,600 --> 00:18:20,700

conflated the two two different parts

327

00:18:28,190 --> 00:18:22,610

there sorry about that

328

00:18:29,330 --> 00:18:28,200

but that happened I don't know if you

329

00:18:34,549 --> 00:18:29,340

don't know anything about coin

330

00:18:38,419 --> 00:18:34,559

helicopter do you no I don't actually

331

00:18:39,980 --> 00:18:38,429

oh no that's fine well know what kind of

332

00:18:43,340 --> 00:18:39,990

helicopter are they there's something

333

00:18:45,620 --> 00:18:43,350

special about them they were on there

334

00:18:51,200 --> 00:18:45,630

they were on a trip from I think

335

00:18:53,990 --> 00:18:51,210

Columbus to Mansfield Ohio and they saw

336

00:18:57,010 --> 00:18:54,000

a light and didn't pay attention to it

337

00:19:00,799 --> 00:18:57,020

and then it got nearer and nearer and

338

00:19:04,639 --> 00:19:00,809

finally it was over him and their

339

00:19:08,110 --> 00:19:04,649

cockpit turned green and there were I

340

00:19:12,139 --> 00:19:08,120

think there was some other effects and

341

00:19:14,980 --> 00:19:12,149

then then the object went away but for

342

00:19:17,720 --> 00:19:14,990

some reason their helicopter

343

00:19:20,630 --> 00:19:17,730

risen like several thousand feet and

344

00:19:22,310 --> 00:19:20,640

when they tried to get control of it

345

00:19:24,799 --> 00:19:22,320

again they almost crashed into the

346

00:19:27,260 --> 00:19:24,809

ground and there were other people that

347

00:19:32,830 --> 00:19:27,270

witnessed that and so it was a pretty

348

00:19:36,560 --> 00:19:32,840

well known sighting and coin was the

349

00:19:38,990 --> 00:19:36,570

pilot and later on the government had

350

00:19:43,760 --> 00:19:39,000

called him several times and asked about

351

00:19:46,310 --> 00:19:43,770

his dreams well that sort of gets into

352

00:19:48,380 --> 00:19:46,320

your final conclusion to that rather

353

00:19:51,320 --> 00:19:48,390

than continue to study along the

354

00:19:53,240 --> 00:19:51,330

nuts-and-bolts line I have to get more

355

00:19:57,529 --> 00:19:53,250

into like a quantum mechanics

356

00:20:01,639 --> 00:19:57,539

consciousness type of a line yeah I

357

00:20:05,690 --> 00:20:01,649

agree I think it's a lot more I mean if

358

00:20:08,540 --> 00:20:05,700

you go the idea of spaceships or

359

00:20:11,540 --> 00:20:08,550

something from space or other planets

360

00:20:13,430 --> 00:20:11,550

complicated enough but I think you the

361

00:20:14,660 --> 00:20:13,440

UFO phenomena might be a lot more

362

00:20:18,740 --> 00:20:14,670

complicated than that

363

00:20:20,630 --> 00:20:18,750

yes it seems to be you know and everyone

364

00:20:23,060 --> 00:20:20,640

says oh it's a government cover-up but

365

00:20:25,010 --> 00:20:23,070

and I think a lot of information is

366

00:20:30,980 --> 00:20:25,020

perhaps shielded by the government but

367

00:20:32,900 --> 00:20:30,990

you know I I I it's hard enough I just

368

00:20:35,960 --> 00:20:32,910

don't think the government is capable of

369

00:20:39,890 --> 00:20:35,970

covering up the entire story I I think

370

00:20:41,450 --> 00:20:39,900

the the various information is so

371

00:20:45,110 --> 00:20:41,460

dispersed throughout the government

372

00:20:48,320 --> 00:20:45,120

there's so little desire to share it

373

00:20:49,850 --> 00:20:48,330

that I just can't believe in a

374

00:20:51,500 --> 00:20:49,860

government cover-up not that they

375

00:20:53,480 --> 00:20:51,510

wouldn't do it but I just don't think

376
00:20:56,510 --> 00:20:53,490
they're capable of it to any great

377
00:21:00,190 --> 00:20:56,520
extent I have to go back here Kate to

378
00:21:04,700 --> 00:21:00,200
our former guest dr. John B Alexander

379
00:21:07,640 --> 00:21:04,710
mm-hm and say that the government isn't

380
00:21:11,210 --> 00:21:07,650
one thing as you know I mean it may not

381
00:21:13,820 --> 00:21:11,220
be that like the vice president knows

382
00:21:16,730 --> 00:21:13,830
all the secrets and is keeping them at

383
00:21:18,260 --> 00:21:16,740
the Naval Observatory from us but that

384
00:21:20,660 --> 00:21:18,270
there are lots of pockets of the

385
00:21:23,180 --> 00:21:20,670
government which are black ops projects

386
00:21:25,790 --> 00:21:23,190
that never see the light of day and many

387
00:21:29,240 --> 00:21:25,800
of which are transferred over into the

388
00:21:32,510 --> 00:21:29,250

private sector into places like you know

389

00:21:35,720 --> 00:21:32,520

Bigelow Aerospace or who was the guy who

390

00:21:39,920 --> 00:21:35,730

said Ben Ben rich we can bring them you

391

00:21:43,610 --> 00:21:39,930

know the rich fellow I I skunk or skunk

392

00:21:45,110 --> 00:21:43,620

works exactly so you know where I I

393

00:21:47,390 --> 00:21:45,120

don't believe the government like the

394

00:21:49,160 --> 00:21:47,400

person at the Department of that's the

395

00:21:51,800 --> 00:21:49,170

head of the Department of Agriculture or

396

00:21:53,960 --> 00:21:51,810

something has probably no idea about any

397

00:21:55,760 --> 00:21:53,970

kind of government cover-up about UFOs

398

00:21:57,740 --> 00:21:55,770

would be my guess you know what I'm

399

00:21:59,600 --> 00:21:57,750

saying okay yeah well yeah exactly

400

00:22:02,600 --> 00:21:59,610

that's the point but I think that's the

401
00:22:04,520 --> 00:22:02,610
point dr. Scott is making too that there

402
00:22:08,630 --> 00:22:04,530
has to be a whole different approach to

403
00:22:10,460 --> 00:22:08,640
it yes and but you also sort of hinted

404
00:22:13,460 --> 00:22:10,470
the fact that even though another

405
00:22:16,550 --> 00:22:13,470
approach would be called for you don't

406
00:22:19,130 --> 00:22:16,560
think that possibly we're not capable of

407
00:22:20,350 --> 00:22:19,140
it at this particular point in time is

408
00:22:23,980 --> 00:22:20,360
that so or that

409
00:22:26,860 --> 00:22:23,990
misunderstand well it was my impression

410
00:22:29,980 --> 00:22:26,870
after working for the government the

411
00:22:34,080 --> 00:22:29,990
government isn't in unison and it was my

412
00:22:36,130 --> 00:22:34,090
impression that there's what your

413
00:22:38,440 --> 00:22:36,140

clearances are top secret

414

00:22:40,120 --> 00:22:38,450

and then there's Kobler word clearances

415

00:22:43,539 --> 00:22:40,130

above those and those are

416

00:22:46,750 --> 00:22:43,549

compartmentalized so one codeword maybe

417

00:22:48,640 --> 00:22:46,760

for something and another maybe for

418

00:22:50,080 --> 00:22:48,650

something else and you don't find out

419

00:22:52,630 --> 00:22:50,090

what

420

00:22:56,289 --> 00:22:52,640

maybe somebody way at the top finds out

421

00:22:57,940 --> 00:22:56,299

what all code words are but the people

422

00:23:03,130 --> 00:22:57,950

that are working under the clearances

423

00:23:04,840 --> 00:23:03,140

don't so if there's some place in the

424

00:23:07,720 --> 00:23:04,850

government that knows about UFOs which

425

00:23:10,659 --> 00:23:07,730

I'm sure there is they would be in a

426

00:23:14,890 --> 00:23:10,669

compartmentalized place with a certain

427

00:23:16,600 --> 00:23:14,900

code word and it wouldn't be a general

428

00:23:22,539 --> 00:23:16,610

government thing it would just be a few

429

00:23:24,310 --> 00:23:22,549

people you know it's just well I do

430

00:23:25,360 --> 00:23:24,320

think that always struck me is that when

431

00:23:28,060 --> 00:23:25,370

there was a sighting

432

00:23:30,340 --> 00:23:28,070

it seems that past Roswell that there's

433

00:23:32,560 --> 00:23:30,350

been some other crashes that out of

434

00:23:34,930 --> 00:23:32,570

nowhere you suddenly get this government

435

00:23:36,669 --> 00:23:34,940

force they're within hours I mean maybe

436

00:23:39,130 --> 00:23:36,679

an hour right right right

437

00:23:41,500 --> 00:23:39,140

you know like expert yeah exactly and I

438

00:23:43,480 --> 00:23:41,510

mean these people come in there I mean

439

00:23:46,780 --> 00:23:43,490

but that means you have to have a whole

440

00:23:49,720 --> 00:23:46,790

division ready to go in a second

441

00:23:52,240 --> 00:23:49,730

notice that may not be utilized for a

442

00:23:55,240 --> 00:23:52,250

year or two or three so the whole thing

443

00:23:57,520 --> 00:23:55,250

is rather bizarre I think I don't know

444

00:23:59,380 --> 00:23:57,530

it sure is bizarre

445

00:24:02,380 --> 00:23:59,390

well you know like you dr. Scott ins

446

00:24:04,390 --> 00:24:02,390

who's like I read all the stories every

447

00:24:06,460 --> 00:24:04,400

time someone says Roswell I almost feel

448

00:24:08,650 --> 00:24:06,470

like there should be a mm-hmm you know

449

00:24:12,580 --> 00:24:08,660

like a musical background like like the

450

00:24:14,740 --> 00:24:12,590

Holy Grail but I've never came to any

451
00:24:17,350 --> 00:24:14,750
conclusion never ever

452
00:24:20,710 --> 00:24:17,360
well I've got to come to the conclusion

453
00:24:24,730 --> 00:24:20,720
that it's not all one thing and even

454
00:24:30,549 --> 00:24:24,740
when like in your book that dr. Irena

455
00:24:32,620 --> 00:24:30,559
Scott there there is the fact that two

456
00:24:33,550 --> 00:24:32,630
people such as you have mentioned two

457
00:24:36,910 --> 00:24:33,560
sisters

458
00:24:39,070 --> 00:24:36,920
who saw two different things they both

459
00:24:42,130 --> 00:24:39,080
saw something but they saw two different

460
00:24:45,190 --> 00:24:42,140
things so I've got to believe that the

461
00:24:48,850 --> 00:24:45,200
the non-human intelligences that are

462
00:24:52,570 --> 00:24:48,860
involved with these sightings and with

463
00:24:55,720 --> 00:24:52,580

these proposed crafts are taking

464

00:24:59,770 --> 00:24:55,730

advantage of things that are already in

465

00:25:03,160 --> 00:24:59,780

our minds and using those images and

466

00:25:06,490 --> 00:25:03,170

portraying those images to us where the

467

00:25:09,310 --> 00:25:06,500

real truth could be something else in

468

00:25:11,050 --> 00:25:09,320

other words they may be projecting that

469

00:25:14,020 --> 00:25:11,060

they look like humanoids when they

470

00:25:17,730 --> 00:25:14,030

really look like lobsters or they're

471

00:25:21,100 --> 00:25:17,740

just protoplasm or whatever like that

472

00:25:23,740 --> 00:25:21,110

and and the the particular sighting that

473

00:25:26,350 --> 00:25:23,750

you had mentioned about the two sisters

474

00:25:29,350 --> 00:25:26,360

seeing two entirely separate things

475

00:25:32,920 --> 00:25:29,360

brought that to mind but I am really

476

00:25:36,430 --> 00:25:32,930

personally interested in the the fellows

477

00:25:38,110 --> 00:25:36,440

on the helicopter where and I confused

478

00:25:40,000 --> 00:25:38,120

that with the story before which was

479

00:25:41,680 --> 00:25:40,010

about the two teenagers in two different

480

00:25:46,540 --> 00:25:41,690

parts of the country so I apologize for

481

00:25:50,250 --> 00:25:46,550

that but but that they somebody asked

482

00:25:53,320 --> 00:25:50,260

them about their dreams and if they were

483

00:25:57,070 --> 00:25:53,330

going out-of-body because as I said I'm

484

00:25:59,710 --> 00:25:57,080

an experiencer I saw stuff I got dreams

485

00:26:01,770 --> 00:25:59,720

I felt like I was being pulled out of my

486

00:26:07,300 --> 00:26:01,780

body at different time so that's all

487

00:26:09,970 --> 00:26:07,310

really seminal information for me what

488

00:26:12,010 --> 00:26:09,980

was it was very interesting to me too

489

00:26:14,020 --> 00:26:12,020

because the government if they're

490

00:26:16,840 --> 00:26:14,030

exploring things like that they don't

491

00:26:20,440 --> 00:26:16,850

let it be known and they actually called

492

00:26:22,660 --> 00:26:20,450

the pilot and asked him and called

493

00:26:26,520 --> 00:26:22,670

several times what his dreams were and

494

00:26:30,880 --> 00:26:26,530

they wanted to know specific things and

495

00:26:34,840 --> 00:26:30,890

what I one thing I was interested in was

496

00:26:38,050 --> 00:26:34,850

when they the object was above their

497

00:26:43,080 --> 00:26:38,060

helicopter the cockpit lit up in green

498

00:26:46,690 --> 00:26:43,090

yes and I've noticed in other instances

499

00:26:47,470 --> 00:26:46,700

where there's green tractor beams or

500

00:26:50,890 --> 00:26:47,480

work

501
00:26:54,220 --> 00:26:50,900
there's green events on an airplane or

502
00:26:57,330 --> 00:26:54,230
something yes the electronics go haywire

503
00:27:00,610 --> 00:26:57,340
and different things like that and so

504
00:27:03,100 --> 00:27:00,620
and also in the case of the helicopter

505
00:27:05,650 --> 00:27:03,110
it seemed to rise up in the air and

506
00:27:07,870 --> 00:27:05,660
nobody knew anything about it and so I

507
00:27:11,110 --> 00:27:07,880
was wondering if there might have just

508
00:27:12,490 --> 00:27:11,120
been some type of abduction taking place

509
00:27:15,730 --> 00:27:12,500
then although it would have been quite

510
00:27:18,730 --> 00:27:15,740
fast and that maybe the government

511
00:27:22,060 --> 00:27:18,740
thought that it was investigating well I

512
00:27:24,130 --> 00:27:22,070
guess I guess it might have and the time

513
00:27:26,620 --> 00:27:24,140

dimension may have been breached in

514

00:27:29,920 --> 00:27:26,630

other words they could have been gone

515

00:27:33,880 --> 00:27:29,930

out of the helicopter for forty-five

516

00:27:36,850 --> 00:27:33,890

seconds but if they were somehow made to

517

00:27:40,930 --> 00:27:36,860

remember and I have mixed very mixed

518

00:27:43,900 --> 00:27:40,940

feelings on hypnotic regression but if

519

00:27:47,380 --> 00:27:43,910

somehow that could be done in a in a

520

00:27:50,440 --> 00:27:47,390

careful and very professional way that

521

00:27:54,360 --> 00:27:50,450

we might find out something else but

522

00:27:58,000 --> 00:27:54,370

it's amazing how many people report

523

00:28:01,930 --> 00:27:58,010

being pulled out of their body after a

524

00:28:07,810 --> 00:28:01,940

UFO sighting I guess was my main point

525

00:28:10,900 --> 00:28:07,820

of that yeah and in terms of of green

526

00:28:12,910 --> 00:28:10,910

the green light and and also the

527

00:28:15,160 --> 00:28:12,920

something else you mentioned about a

528

00:28:17,530 --> 00:28:15,170

gentleman who was a scientist who began

529

00:28:19,660 --> 00:28:17,540

to see a number of UFOs and I kind of

530

00:28:22,150 --> 00:28:19,670

feel a little bit to a much lesser

531

00:28:24,730 --> 00:28:22,160

degree in that category because I have

532

00:28:27,010 --> 00:28:24,740

seen small green orbs that were

533

00:28:31,960 --> 00:28:27,020

fluorescent green on two or three

534

00:28:34,870 --> 00:28:31,970

different occasions so and and some of

535

00:28:39,720 --> 00:28:34,880

them were in the context of a woman that

536

00:28:43,300 --> 00:28:39,730

I have known who was involved with

537

00:28:47,050 --> 00:28:43,310

ritual rather than UFOs she was more

538

00:28:50,530 --> 00:28:47,060

involved with ritual practices but there

539

00:28:54,910 --> 00:28:50,540

were definitely green orbs and in her

540

00:28:57,010 --> 00:28:54,920

context in more than one time when I was

541

00:29:00,760 --> 00:28:57,020

at two different houses which she

542

00:29:02,860 --> 00:29:00,770

inhabited at both times I saw orbs

543

00:29:05,919 --> 00:29:02,870

you know one time in the house one time

544

00:29:08,169 --> 00:29:05,929

outside the other house so the green the

545

00:29:11,160 --> 00:29:08,179

green coloring it does hit a spot for me

546

00:29:15,370 --> 00:29:11,170

because because of my own experiences

547

00:29:20,680 --> 00:29:15,380

well there's been a number of cases such

548

00:29:29,140 --> 00:29:20,690

as green beams that appear to be tractor

549

00:29:31,120 --> 00:29:29,150

beams pull somebody in or across and did

550

00:29:34,120 --> 00:29:31,130

you try to take videos or anything in

551
00:29:37,330 --> 00:29:34,130
the green orbs no I was you know I was a

552
00:29:40,960 --> 00:29:37,340
social visitor both times to her home

553
00:29:44,740 --> 00:29:40,970
one of which was near Monroe New York

554
00:29:49,090 --> 00:29:44,750
the other of which was in Tucson Arizona

555
00:29:52,720 --> 00:29:49,100
I also experienced green or that went

556
00:29:55,840 --> 00:29:52,730
along a during the middle of the night

557
00:29:58,600 --> 00:29:55,850
that went along both twice in fact once

558
00:30:01,690 --> 00:29:58,610
at the place in Arizona at her her

559
00:30:04,270 --> 00:30:01,700
living quarters there in Tucson and once

560
00:30:08,169 --> 00:30:04,280
in my own apartment in the East Village

561
00:30:10,870 --> 00:30:08,179
of Manhattan I saw a green orbs that

562
00:30:12,280 --> 00:30:10,880
went along the where you would say the

563
00:30:15,940 --> 00:30:12,290

electrical lines were probably

564

00:30:21,370 --> 00:30:15,950

underneath the wall you know what I'm

565

00:30:23,410 --> 00:30:21,380

trying to say yeah it was prior to the

566

00:30:31,030 --> 00:30:23,420

age of everybody having a cell phone in

567

00:30:33,070 --> 00:30:31,040

their back pocket yeah that a lot of the

568

00:30:37,299 --> 00:30:33,080

good sightings unfortunately were then

569

00:30:40,060 --> 00:30:37,309

yes and it's and now with all the

570

00:30:41,620 --> 00:30:40,070

electronics when you do get a cell phone

571

00:30:44,200 --> 00:30:41,630

picture something you don't know if it's

572

00:30:49,900 --> 00:30:44,210

right or faked because it's so easy to

573

00:30:53,980 --> 00:30:49,910

fake them yes in today's world let me

574

00:30:57,150 --> 00:30:53,990

say I was gonna say something like the

575

00:30:59,940 --> 00:30:57,160

tractor beams you were talking about

576
00:31:02,740 --> 00:30:59,950
well maybe it'll come to me in a minute

577
00:31:05,890 --> 00:31:02,750
it well it does bring to mind something

578
00:31:10,390 --> 00:31:05,900
else that happened recently that was

579
00:31:13,060 --> 00:31:10,400
more prosaic if you will I was up at at

580
00:31:14,380 --> 00:31:13,070
something called firewater I believe

581
00:31:16,960 --> 00:31:14,390
it's called or River

582
00:31:18,760 --> 00:31:16,970
fire fire fire water River something of

583
00:31:21,580 --> 00:31:18,770
that nature been there a couple of three

584
00:31:24,430 --> 00:31:21,590
times up in Providence Rhode Island did

585
00:31:28,090 --> 00:31:24,440
something that happens around midsummer

586
00:31:31,300 --> 00:31:28,100
night they put these fire barges on the

587
00:31:33,460 --> 00:31:31,310
water and people have kind of

588
00:31:36,190 --> 00:31:33,470

Renaissance II costumes on and they

589

00:31:38,560 --> 00:31:36,200

float these fire things up and down the

590

00:31:40,540 --> 00:31:38,570

river in Providence Rhode Island so I

591

00:31:43,390 --> 00:31:40,550

have was there this summer and I've

592

00:31:46,600 --> 00:31:43,400

visited that and I looked up in the sky

593

00:31:49,230 --> 00:31:46,610

as is my want to do and what do I see in

594

00:31:52,480 --> 00:31:49,240

the sky but a multicolored lit

595

00:31:54,810 --> 00:31:52,490

multicolored lights that were moving in

596

00:31:58,300 --> 00:31:54,820

an erratic pattern stopping and starting

597

00:32:01,240 --> 00:31:58,310

and moving like it seemed to be they

598

00:32:04,090 --> 00:32:01,250

whatever whoever was in this thing was

599

00:32:08,230 --> 00:32:04,100

surveying the fire water demonstration

600

00:32:10,720 --> 00:32:08,240

at what altitude I couldn't be sure but

601
00:32:13,420 --> 00:32:10,730
I would say at least that the altitude

602
00:32:15,070 --> 00:32:13,430
of a low-flying plane shall we say and I

603
00:32:17,020 --> 00:32:15,080
pointed it out to the people that were

604
00:32:19,360 --> 00:32:17,030
accompanying me along with somebody who

605
00:32:23,080 --> 00:32:19,370
was just standing there and that person

606
00:32:25,870 --> 00:32:23,090
said oh that's got to be a help me here

607
00:32:28,300 --> 00:32:25,880
Kate like a helicopter no not a

608
00:32:30,010 --> 00:32:28,310
helicopter whatever is a drone they said

609
00:32:33,550 --> 00:32:30,020
that's got to be a drone nobody

610
00:32:36,040 --> 00:32:33,560
exhibited any interest whatsoever in

611
00:32:39,970 --> 00:32:36,050
this thing I did take a picture or two

612
00:32:42,460 --> 00:32:39,980
of this and Irina they did not come out

613
00:32:44,860 --> 00:32:42,470

although I was taking pictures of a lot

614

00:32:47,080 --> 00:32:44,870

of other things now was it a UFO was it

615

00:32:50,050 --> 00:32:47,090

a drone I'd hardly say I don't know

616

00:32:51,940 --> 00:32:50,060

could have been either but the people

617

00:32:54,850 --> 00:32:51,950

around me they were blase they say oh

618

00:32:56,890 --> 00:32:54,860

that's a drone you know and they you

619

00:32:58,870 --> 00:32:56,900

know they couldn't really see it see it

620

00:33:01,240 --> 00:32:58,880

see thee but you could see the lights

621

00:33:04,930 --> 00:33:01,250

you could see it moving erratically and

622

00:33:07,360 --> 00:33:04,940

they just fluffed it off like par for

623

00:33:09,880 --> 00:33:07,370

the course so to speak well I'll think

624

00:33:11,560 --> 00:33:09,890

what what else can you say though that's

625

00:33:14,710 --> 00:33:11,570

the whole thing they're objects are

626

00:33:17,050 --> 00:33:14,720

flying there unidentified it you know

627

00:33:20,440 --> 00:33:17,060

it's a very frustrating field I'll tell

628

00:33:22,360 --> 00:33:20,450

you I I'm quite impressed by your work

629

00:33:24,490 --> 00:33:22,370

in that you really followed through on

630

00:33:27,640 --> 00:33:24,500

all your but what was your final

631

00:33:34,450 --> 00:33:30,340

conclusion fortunately I have no idea

632

00:33:36,490 --> 00:33:34,460

what your comment is yeah usually is a

633

00:33:39,370 --> 00:33:36,500

peach do you study things and then you

634

00:33:41,020 --> 00:33:39,380

know more about them uh-huh UFOs and I

635

00:33:43,150 --> 00:33:41,030

don't know anything about them there's

636

00:33:48,340 --> 00:33:43,160

no data you know there's no consistent

637

00:33:53,260 --> 00:33:48,350

data it's a problem do you feel good I'm

638

00:33:58,080 --> 00:33:53,270

sure I was going to say is do you feel

639

00:34:02,700 --> 00:33:58,090

like there are fewer sightings now or

640

00:34:07,090 --> 00:34:02,710

like my possible sighting of the drone

641

00:34:09,250 --> 00:34:07,100

that the because of the technology it's

642

00:34:13,210 --> 00:34:09,260

getting harder to term determine the

643

00:34:16,750 --> 00:34:13,220

difference between a UFO and some other

644

00:34:19,270 --> 00:34:16,760

modern technology I think that might be

645

00:34:21,570 --> 00:34:19,280

part of the trouble and part of the

646

00:34:25,120 --> 00:34:21,580

trouble is it's so easy to think things

647

00:34:26,740 --> 00:34:25,130

that back in the old days if you had the

648

00:34:28,210 --> 00:34:26,750

camera with film and stuff you couldn't

649

00:34:32,350 --> 00:34:28,220

really fake things because they could

650

00:34:34,120 --> 00:34:32,360

study him today you know exactly what's

651
00:34:36,639 --> 00:34:34,130
going on and I'm not saying everybody's

652
00:34:41,740 --> 00:34:36,649
a fake or anything like that but it's

653
00:34:45,880 --> 00:34:41,750
still very difficult to study

654
00:34:49,480 --> 00:34:45,890
photography and things what was the the

655
00:34:54,360 --> 00:34:49,490
latest UFO incident that you have

656
00:34:56,680 --> 00:34:54,370
personally studied well well obviously

657
00:35:02,110 --> 00:34:56,690
I'm still working on Roswell

658
00:35:05,890 --> 00:35:02,120
and we announced in the book that we had

659
00:35:08,980 --> 00:35:05,900
a possible other new witness yes well

660
00:35:10,540 --> 00:35:08,990
event and I guess that's the most

661
00:35:13,330 --> 00:35:10,550
current because we're still working on

662
00:35:17,410 --> 00:35:13,340
it now and have found out some more

663
00:35:20,860 --> 00:35:17,420

things since I published the book but it

664

00:35:22,960 --> 00:35:20,870

was this man that he was a deputy

665

00:35:25,660 --> 00:35:22,970

sheriff and he was traveling with

666

00:35:31,480 --> 00:35:25,670

probably a sheriff from Big Springs

667

00:35:34,110 --> 00:35:31,490

Texas to Rustler and I had the

668

00:35:36,340 --> 00:35:34,120

impression had never heard of UFOs and

669

00:35:39,130 --> 00:35:36,350

they heard on the police radio that

670

00:35:41,230 --> 00:35:39,140

there was a crash and they found the

671

00:35:49,089 --> 00:35:41,240

roads some way and got too

672

00:35:51,790 --> 00:35:49,099

area and saw a craft that was it was

673

00:35:56,319 --> 00:35:51,800

approximately 100 feet in diameter and

674

00:35:58,599 --> 00:35:56,329

round and then they saw four bodies and

675

00:36:00,099 --> 00:35:58,609

they were wrapped up but they could sort

676
00:36:02,290 --> 00:36:00,109
of look at and when the wind blew and

677
00:36:03,910 --> 00:36:02,300
things and they said they look kinda

678
00:36:04,420 --> 00:36:03,920
like people but not a whole lot like

679
00:36:06,819 --> 00:36:04,430
people

680
00:36:13,450 --> 00:36:06,829
mm-hmm he had a lift and they were

681
00:36:16,329 --> 00:36:13,460
lifting him into trucks and so we put

682
00:36:18,790 --> 00:36:16,339
that in the book just where we were we

683
00:36:21,760 --> 00:36:18,800
weren't saying is proving anything we

684
00:36:25,390 --> 00:36:21,770
just put it in for to put it in the

685
00:36:28,780 --> 00:36:25,400
public domain because there was a video

686
00:36:32,020 --> 00:36:28,790
of the man that saw it it was taken in

687
00:36:34,030 --> 00:36:32,030
1999 he and the other person and the

688
00:36:39,790 --> 00:36:34,040

person that made the video and the first

689

00:36:43,410 --> 00:36:39,800

people that that examined everything are

690

00:36:48,069 --> 00:36:43,420

all dead it came to my publisher

691

00:36:54,549 --> 00:36:48,079

he felt mantle and he had the material

692

00:36:57,180 --> 00:36:54,559

and we decided put in the book well we

693

00:37:01,150 --> 00:36:57,190

did find some people that knew him

694

00:37:03,280 --> 00:37:01,160

advance phrase honesty and we're still

695

00:37:05,589 --> 00:37:03,290

looking at that so that's new

696

00:37:08,289 --> 00:37:05,599

information that we didn't have in the

697

00:37:10,870 --> 00:37:08,299

book well that that's gonna be

698

00:37:16,839 --> 00:37:10,880

interesting to read about are you

699

00:37:19,120 --> 00:37:16,849

planning another book I don't know I'd

700

00:37:22,260 --> 00:37:19,130

like to plan another book maybe but I

701
00:37:24,940 --> 00:37:22,270
haven't I don't have definite plans

702
00:37:27,039 --> 00:37:24,950
okay well that's fair enough I've I've

703
00:37:29,079 --> 00:37:27,049
dreamed about writing several books that

704
00:37:29,859 --> 00:37:29,089
yes I have to get around to it I know

705
00:37:33,039 --> 00:37:29,869
what that's about

706
00:37:34,990 --> 00:37:33,049
so what is your final take on Roswell do

707
00:37:39,579 --> 00:37:35,000
you think something happened or nothing

708
00:37:41,289 --> 00:37:39,589
or maybe you're maybe not or I my

709
00:37:43,299 --> 00:37:41,299
conclusion on that was something

710
00:37:45,099 --> 00:37:43,309
definitely landed there and was taken

711
00:37:48,099 --> 00:37:45,109
away by the United States government to

712
00:37:50,410 --> 00:37:48,109
wright-patterson but what it was is sort

713
00:37:53,820 --> 00:37:50,420

of up in the air and the whole question

714

00:37:55,800 --> 00:37:53,830

of bodies there's a lot of people that

715

00:37:59,900 --> 00:37:55,810

really have you know the old story

716

00:38:02,130 --> 00:37:59,910

nothing to gain and and so it has to be

717

00:38:04,110 --> 00:38:02,140

forced out of them that they were

718

00:38:08,540 --> 00:38:04,120

witnesses and I think a lot of them were

719

00:38:10,710 --> 00:38:08,550

threatened with some nasty things but

720

00:38:12,360 --> 00:38:10,720

well you know you have a lot of

721

00:38:15,750 --> 00:38:12,370

information and what was your conclusion

722

00:38:19,920 --> 00:38:15,760

on Roswell well I think something did

723

00:38:22,620 --> 00:38:19,930

happen and idea that gave me firm you

724

00:38:26,820 --> 00:38:22,630

know pretty firm idea is that they had a

725

00:38:32,300 --> 00:38:26,830

recording of a broadcast from Roswell

726

00:38:35,340 --> 00:38:32,310

that made while they were transporting

727

00:38:38,460 --> 00:38:35,350

the artifacts to wright-patterson and

728

00:38:40,890 --> 00:38:38,470

this was just a radio announcer from

729

00:38:42,440 --> 00:38:40,900

Roswell he's doing his regular thing and

730

00:38:44,850 --> 00:38:42,450

he stopped right in the middle

731

00:38:47,520 --> 00:38:44,860

broadcasts and said he had called

732

00:38:49,320 --> 00:38:47,530

wright-patterson and the airplane was on

733

00:38:51,750 --> 00:38:49,330

its way and about to land or something

734

00:38:54,830 --> 00:38:51,760

yes that was pretty concrete evidence

735

00:38:58,560 --> 00:38:54,840

that they sent something to right there

736

00:39:01,610 --> 00:38:58,570

absolutely I had I had the great good

737

00:39:04,830 --> 00:39:01,620

fortune of having a one-on-one

738

00:39:09,750 --> 00:39:04,840

conversation with dr. Edgar Mitchell

739

00:39:12,900 --> 00:39:09,760

dove the Apollo 14 astronaut who was

740

00:39:15,570 --> 00:39:12,910

actually as luck would have it he grew

741

00:39:17,640 --> 00:39:15,580

up in Roswell long before the well not

742

00:39:20,850 --> 00:39:17,650

long before but somewhat before no

743

00:39:23,010 --> 00:39:20,860

coincidence no coincidences right but he

744

00:39:26,220 --> 00:39:23,020

told me in a small group of people that

745

00:39:28,860 --> 00:39:26,230

I was with he told us that absolutely

746

00:39:32,370 --> 00:39:28,870

beyond the shadow of a doubt he had a

747

00:39:35,490 --> 00:39:32,380

conversation with several people from

748

00:39:38,040 --> 00:39:35,500

Roswell who knew his father who knew him

749

00:39:39,930 --> 00:39:38,050

who respected him sort of as the

750

00:39:44,550 --> 00:39:39,940

all-american boy who made good and

751
00:39:48,030 --> 00:39:44,560
walked on the moon and that the funeral

752
00:39:50,610 --> 00:39:48,040
parlor director told him in no uncertain

753
00:39:54,270 --> 00:39:50,620
terms that he made these little coffins

754
00:39:56,700 --> 00:39:54,280
so that's you know I I respect him more

755
00:40:02,570 --> 00:39:56,710
than most people and I have to go along

756
00:40:07,650 --> 00:40:05,700
sounds good to me well the other thing

757
00:40:10,710 --> 00:40:07,660
too is I was at a conference and some

758
00:40:13,140 --> 00:40:10,720
stood up with Mitchell and said all

759
00:40:15,510 --> 00:40:13,150
right you know we're just a bunch of UFO

760
00:40:17,549 --> 00:40:15,520
nuts here you know no one's gonna listen

761
00:40:20,309 --> 00:40:17,559
to anything that goes on here so please

762
00:40:23,059 --> 00:40:20,319
give us a straight story and he looked

763
00:40:28,200 --> 00:40:23,069

right at the phone and said they're here

764

00:40:31,079 --> 00:40:28,210

so I again it was a type of man that you

765

00:40:33,029 --> 00:40:31,089

really believed for whatever reason well

766

00:40:37,160 --> 00:40:33,039

the the other thing that happened about

767

00:40:40,470 --> 00:40:37,170

him was that he gave a lecture in

768

00:40:43,109 --> 00:40:40,480

downtown Manhattan on the 28th Street or

769

00:40:46,859 --> 00:40:43,119

something back a few years before he

770

00:40:49,220 --> 00:40:46,869

passed on and the invited guests to this

771

00:40:51,990 --> 00:40:49,230

lecture beyond people who were

772

00:40:55,020 --> 00:40:52,000

ufologists and so forth were the

773

00:40:58,950 --> 00:40:55,030

graduating class of aviation high school

774

00:41:02,039 --> 00:40:58,960

in Garden City Queens Long Island and he

775

00:41:04,470 --> 00:41:02,049

told them that they had better you know

776

00:41:06,779 --> 00:41:04,480

up their game to the point where they

777

00:41:10,849 --> 00:41:06,789

realized that in the future when they

778

00:41:13,200 --> 00:41:10,859

were 40 years old and working on on

779

00:41:14,519 --> 00:41:13,210

avionics of some sort that this was

780

00:41:16,769 --> 00:41:14,529

going to be something that they were

781

00:41:19,380 --> 00:41:16,779

going to have to deal with and that yes

782

00:41:25,589 --> 00:41:19,390

in fact that they were here so I agree

783

00:41:28,440 --> 00:41:25,599

with Kate on that so in terms of what's

784

00:41:32,099 --> 00:41:28,450

your opinion on recent UFOs besides the

785

00:41:34,680 --> 00:41:32,109

fact that you can't you can't really

786

00:41:37,829 --> 00:41:34,690

tell if a photograph has been doctored

787

00:41:41,250 --> 00:41:37,839

too easily well there seem to be

788

00:41:43,829 --> 00:41:41,260

actually more reports now than there had

789

00:41:47,549 --> 00:41:43,839

been in the past but there's more people

790

00:41:50,010 --> 00:41:47,559

and more objects that you can see and

791

00:41:54,240 --> 00:41:50,020

not identify and people so have more

792

00:41:58,470 --> 00:41:54,250

cameras so and also a big difference is

793

00:42:02,160 --> 00:41:58,480

the internet so that people used to just

794

00:42:05,279 --> 00:42:02,170

have like groups and you would contact

795

00:42:07,890 --> 00:42:05,289

the group and a lot of groups because

796

00:42:09,390 --> 00:42:07,900

this is sort of an off topic but now

797

00:42:10,740 --> 00:42:09,400

there's the internet and anybody can say

798

00:42:13,710 --> 00:42:10,750

anything on the Internet

799

00:42:17,130 --> 00:42:13,720

so there's a lot more and it's a lot

800

00:42:19,730 --> 00:42:17,140

more possible to report things too now

801
00:42:21,040 --> 00:42:19,740
you have you have looked at photographs

802
00:42:25,690 --> 00:42:21,050
professionally

803
00:42:31,300 --> 00:42:25,700
your career at the DIA and also when you

804
00:42:34,390 --> 00:42:31,310
were with Patel I assume and today we

805
00:42:36,820 --> 00:42:34,400
have digital photographs and the digital

806
00:42:40,780 --> 00:42:36,830
photographs when photographing an

807
00:42:44,170 --> 00:42:40,790
anomalous object often there they seem

808
00:42:48,120 --> 00:42:44,180
to give off a signature wave pattern

809
00:42:52,510 --> 00:42:48,130
that's around the UFO we'll call it and

810
00:42:55,540 --> 00:42:52,520
and that it concludes some people to

811
00:42:58,780 --> 00:42:55,550
believe that the photograph was doctored

812
00:43:01,330 --> 00:42:58,790
but it leads other people to conclude

813
00:43:04,780 --> 00:43:01,340

that there is some form of a maybe a

814

00:43:06,880 --> 00:43:04,790

heat pattern or something of a cosmic

815

00:43:10,840 --> 00:43:06,890

wave pattern I don't know coming off the

816

00:43:14,290 --> 00:43:10,850

object can you speak to that all I think

817

00:43:17,770 --> 00:43:14,300

it's possible I had worked for Popular

818

00:43:23,440 --> 00:43:17,780

Mechanics writing articles and one thing

819

00:43:25,800 --> 00:43:23,450

I wrote about was how it was the process

820

00:43:29,740 --> 00:43:25,810

they were using to develop the stealth

821

00:43:32,620 --> 00:43:29,750

and I went to a stealth lab and watched

822

00:43:35,230 --> 00:43:32,630

how they very carefully tested materials

823

00:43:37,900 --> 00:43:35,240

for the outside of the plane so that it

824

00:43:40,090 --> 00:43:37,910

would reflect radar and how they tested

825

00:43:43,450 --> 00:43:40,100

the shape of the plane and things like

826

00:43:48,760 --> 00:43:43,460

that and so now they have stealth that

827

00:43:52,360 --> 00:43:48,770

we have and it's possible that the

828

00:43:55,330 --> 00:43:52,370

objects have been employing stealth for

829

00:43:57,430 --> 00:43:55,340

a long time and they have you know some

830

00:43:58,900 --> 00:43:57,440

surface or some kind of electronics

831

00:44:03,520 --> 00:43:58,910

around the surface or anything else that

832

00:44:06,190 --> 00:44:03,530

might interfere with radar just the

833

00:44:10,630 --> 00:44:06,200

shaper and that sort of thing so have

834

00:44:12,670 --> 00:44:10,640

you ever seen one yourself I I don't

835

00:44:15,220 --> 00:44:12,680

know I saw something once but I didn't

836

00:44:16,930 --> 00:44:15,230

read have you ever heard of Marfa Texas

837

00:44:23,440 --> 00:44:16,940

yes ma'am

838

00:44:27,900 --> 00:44:23,450

there a number of times because I have

839

00:44:31,510 --> 00:44:27,910

friends who live around there and have

840

00:44:33,190 --> 00:44:31,520

looked at them but anyway in Marfa

841

00:44:34,120 --> 00:44:33,200

there's these repeating lights and

842

00:44:36,539 --> 00:44:34,130

they've been

843

00:44:40,450 --> 00:44:36,549

see never since the eighteen hundreds

844

00:44:44,279 --> 00:44:40,460

there so they don't repeat in a regular

845

00:44:47,620 --> 00:44:44,289

pattern but they people see lights and

846

00:44:51,640 --> 00:44:47,630

usually in the mountains south of Martha

847

00:44:55,839 --> 00:44:51,650

and Martha even put in a big expensive

848

00:44:57,729 --> 00:44:55,849

viewing area for people watch I've been

849

00:45:01,410 --> 00:44:57,739

at the viewing area and I've seen lights

850

00:45:05,620 --> 00:45:01,420

but I thought they reads people cars on

851

00:45:09,370 --> 00:45:05,630

trails in the mountains and it didn't

852

00:45:12,969 --> 00:45:09,380

really impress me but my friends lived

853

00:45:15,940 --> 00:45:12,979

it in a house that was north of Market

854

00:45:17,829 --> 00:45:15,950

quite a ways north about 20 miles but it

855

00:45:19,749 --> 00:45:17,839

was on a high mountain actually it was

856

00:45:24,069 --> 00:45:19,759

on top of an extinct volcano which is

857

00:45:26,019 --> 00:45:24,079

interesting but they had a patio that

858

00:45:29,979 --> 00:45:26,029

overlooked where he could see often

859

00:45:31,749 --> 00:45:29,989

existence in see Martha and a porch in a

860

00:45:33,999 --> 00:45:31,759

big picture windows so I saw a lot of

861

00:45:37,089 --> 00:45:34,009

Marshall while I was there and I'd been

862

00:45:39,940 --> 00:45:37,099

there several times and one night very

863

00:45:43,719 --> 00:45:39,950

late at night like about 11:30 I saw

864

00:45:45,190 --> 00:45:43,729

this big light over Martha and I thought

865

00:45:47,079 --> 00:45:45,200

well that's not gonna stay there very

866

00:45:50,440 --> 00:45:47,089

long there's not a whole lot of planes

867

00:45:52,809 --> 00:45:50,450

it was sort of deserted area but I ran

868

00:45:54,190 --> 00:45:52,819

from my camcorder and got up to come

869

00:45:56,979 --> 00:45:54,200

back and it was still there

870

00:45:59,170 --> 00:45:56,989

and so I worried for a while I was

871

00:46:03,099 --> 00:45:59,180

really tired and I finally just quit

872

00:46:06,489 --> 00:46:03,109

because I was going to sleep but it was

873

00:46:08,380 --> 00:46:06,499

a big light over Martha and I called the

874

00:46:10,959 --> 00:46:08,390

airport and they said they hadn't seen

875

00:46:13,029 --> 00:46:10,969

anything but it's a local airport where

876

00:46:16,359 --> 00:46:13,039

they closed it like 5:30 and everybody

877

00:46:19,209 --> 00:46:16,369

goes home so I never knew I didn't

878

00:46:21,370 --> 00:46:19,219

really report it but I did film it well

879

00:46:25,569 --> 00:46:21,380

that's that's that's very interesting

880

00:46:28,209 --> 00:46:25,579

and I read that account in your book and

881

00:46:32,349 --> 00:46:28,219

you also I believe mentioned a place in

882

00:46:35,079 --> 00:46:32,359

New Hampshire that also had similar a

883

00:46:37,450 --> 00:46:35,089

similar place where people viewed such

884

00:46:39,759 --> 00:46:37,460

lights and I and I know there's also one

885

00:46:43,839 --> 00:46:39,769

I don't know if it's in North Carolina

886

00:46:45,640 --> 00:46:43,849

or Virginia as that that occurs as well

887

00:46:47,600 --> 00:46:45,650

but I'd be very interested in finding

888

00:46:49,880 --> 00:46:47,610

more information about then

889

00:46:51,800 --> 00:46:49,890

Hampshire one because I'm more than

890

00:46:54,410 --> 00:46:51,810

likely to be in New Hampshire more often

891

00:46:58,040 --> 00:46:54,420

than than Martha for sure but what about

892

00:46:59,630 --> 00:46:58,050

the the criticism of Marfa lights and

893

00:47:02,500 --> 00:46:59,640

general not a criticism but alternate

894

00:47:07,100 --> 00:47:02,510

explanation that it's like some form of

895

00:47:09,290 --> 00:47:07,110

piezoelectric or magnetic anomaly in the

896

00:47:11,840 --> 00:47:09,300

earth that's caused by quartz crystals

897

00:47:13,490 --> 00:47:11,850

in the ground yada yada I don't know if

898

00:47:18,110 --> 00:47:13,500

I have that quite right but firstly if

899

00:47:19,880 --> 00:47:18,120

there's an extinct volcano what do you

900

00:47:23,450 --> 00:47:19,890

say did that is that a possibility in

901
00:47:27,170 --> 00:47:23,460
your mind or not I don't know because I

902
00:47:31,160 --> 00:47:27,180
never studied the and they have

903
00:47:34,850 --> 00:47:31,170
earthquake flights yes people seem to be

904
00:47:36,350 --> 00:47:34,860
pretty definite but I don't think there

905
00:47:38,810 --> 00:47:36,360
were any earthquake so I didn't really

906
00:47:41,780 --> 00:47:38,820
study the geology even have an idea

907
00:47:45,050 --> 00:47:41,790
where I was was a group of extinct

908
00:47:46,670 --> 00:47:45,060
volcanoes and I was on volcano that it

909
00:47:51,560 --> 00:47:46,680
was extinct for a long time it sure

910
00:47:53,510 --> 00:47:51,570
looked like a volcano and I didn't even

911
00:47:57,530 --> 00:47:53,520
know that there were extinct volcanoes

912
00:47:59,900 --> 00:47:57,540
in Texas did you I knew that there were

913
00:48:02,360 --> 00:47:59,910

there are extinct volcanoes and the

914

00:48:04,970 --> 00:48:02,370

Southwest because I've seen some of them

915

00:48:07,610 --> 00:48:04,980

I didn't you know I haven't explored

916

00:48:12,050 --> 00:48:07,620

Texas as fully as I probably should have

917

00:48:16,990 --> 00:48:12,060

at this point in my life but that's

918

00:48:21,170 --> 00:48:17,000

interesting yes so aside from Roswell

919

00:48:26,570 --> 00:48:21,180

what is your day you go Kate aside from

920

00:48:29,510 --> 00:48:26,580

Roswell what is your favorite you know

921

00:48:32,720 --> 00:48:29,520

the or most my favorite I mean the the

922

00:48:36,970 --> 00:48:32,730

most compelling case that you could

923

00:48:39,800 --> 00:48:36,980

mention well the most compelling to me

924

00:48:40,640 --> 00:48:39,810

have you ever heard of Hartley hardly

925

00:48:44,990 --> 00:48:40,650

Hartley

926
00:48:48,410 --> 00:48:45,000
Rutledge no no that's a new one on me

927
00:48:51,170 --> 00:48:48,420
he was a physics professor in head of

928
00:48:53,090 --> 00:48:51,180
the department is he that I who had all

929
00:48:57,590 --> 00:48:53,100
the UFO experiences that are referenced

930
00:48:59,180 --> 00:48:57,600
before yes okay so I did it I remember

931
00:48:59,870 --> 00:48:59,190
right I recall reading about him in the

932
00:49:01,400 --> 00:48:59,880
book yes

933
00:49:04,330 --> 00:49:01,410
so go forward with that I'm sorry

934
00:49:07,310 --> 00:49:04,340
interrupted really well he was a

935
00:49:08,660 --> 00:49:07,320
physicist with training and physics and

936
00:49:11,090 --> 00:49:08,670
head of the department and everything

937
00:49:14,810 --> 00:49:11,100
else and people were telling him about

938
00:49:19,160 --> 00:49:14,820

UFO sightings in Missouri where he lived

939

00:49:21,170 --> 00:49:19,170

and he was a skeptic and so he decided

940

00:49:24,500 --> 00:49:21,180

to go out with instruments and people

941

00:49:26,390 --> 00:49:24,510

and explore and so he did and he was

942

00:49:28,940 --> 00:49:26,400

going to prove I'm wrong in two weeks

943

00:49:32,080 --> 00:49:28,950

and get back to business well he went

944

00:49:39,050 --> 00:49:32,090

out and for the rest of his life

945

00:49:41,390 --> 00:49:39,060

studying he made one of the best studies

946

00:49:44,420 --> 00:49:41,400

ever though because he did it in a

947

00:49:47,030 --> 00:49:44,430

scientific way of like I've been in

948

00:49:48,740 --> 00:49:47,040

biology and if you want to study animals

949

00:49:51,020 --> 00:49:48,750

you do field studies and you may go out

950

00:49:52,850 --> 00:49:51,030

see what time of day they come out and

951
00:49:55,130 --> 00:49:52,860
when they go back in their burrows and

952
00:49:57,500 --> 00:49:55,140
things we set up sir like that with

953
00:50:00,580 --> 00:49:57,510
field stations and all kinds of

954
00:50:03,410 --> 00:50:00,590
equipment photographic equipment and

955
00:50:07,820 --> 00:50:03,420
magnetometers and everything you can

956
00:50:12,170 --> 00:50:07,830
think of so that they can watch if a UFO

957
00:50:14,930 --> 00:50:12,180
came and they had ways of telling UFOs

958
00:50:18,050 --> 00:50:14,940
of guessing which were UFOs and which

959
00:50:23,390 --> 00:50:18,060
weren't it was during a flap there there

960
00:50:26,960 --> 00:50:23,400
were a whole lot of sightings and he so

961
00:50:31,370 --> 00:50:26,970
that they actually did studies real time

962
00:50:33,350 --> 00:50:31,380
on UFOs which I don't think anybody

963
00:50:35,890 --> 00:50:33,360

really has ever done because they're

964

00:50:40,400 --> 00:50:35,900

unpredictable but there were a lot

965

00:50:45,350 --> 00:50:40,410

happening then and they got recordings

966

00:50:48,410 --> 00:50:45,360

of kind of interaction of UFOs such as

967

00:50:51,380 --> 00:50:48,420

when they would come to a station they

968

00:50:58,040 --> 00:50:51,390

might go around it instead of right past

969

00:51:01,070 --> 00:50:58,050

it they he said that when they tried to

970

00:51:02,510 --> 00:51:01,080

take pictures of UFOs if that wasn't

971

00:51:05,810 --> 00:51:02,520

like taking a picture of a tree or

972

00:51:07,700 --> 00:51:05,820

something that the pictures didn't turn

973

00:51:10,550 --> 00:51:07,710

out like what they expected at all

974

00:51:13,790 --> 00:51:10,560

sometimes and it was as if the UFOs

975

00:51:16,040 --> 00:51:13,800

could kind of control their cameras

976

00:51:20,170 --> 00:51:16,050

and he wrote a book project

977

00:51:24,290 --> 00:51:20,180

identification but this was real time

978

00:51:27,830 --> 00:51:24,300

study done by a physicist and other

979

00:51:29,210 --> 00:51:27,840

scientists using scientific method and

980

00:51:33,470 --> 00:51:29,220

that sort of thing so I think it was a

981

00:51:37,250 --> 00:51:33,480

real good study and pretty well showed

982

00:51:39,230 --> 00:51:37,260

something's going on but it also

983

00:51:41,960 --> 00:51:39,240

explained things there seemed to be some

984

00:51:44,450 --> 00:51:41,970

high mental interaction where the UFO

985

00:51:48,920 --> 00:51:44,460

would disguise itself as a star or

986

00:51:50,870 --> 00:51:48,930

something and that sort of thing but it

987

00:51:54,650 --> 00:51:50,880

also kind of explained why there's not a

988

00:51:58,670 --> 00:51:54,660

lot of pictures of UFOs yes yes indeed

989

00:52:02,210 --> 00:51:58,680

well that brings me to some stuff that

990

00:52:04,550 --> 00:52:02,220

has happened both on this show and the

991

00:52:08,600 --> 00:52:04,560

Kate Valentine UFO show which our

992

00:52:11,390 --> 00:52:08,610

co-host here Kate Valentine hosted prior

993

00:52:17,230 --> 00:52:11,400

to the shattered reality podcast which

994

00:52:21,560 --> 00:52:17,240

we're now broadcasting and that is that

995

00:52:24,650 --> 00:52:21,570

inexplicably we have had things cut in

996

00:52:27,080 --> 00:52:24,660

and out and on the Kate Valentine UFO

997

00:52:29,690 --> 00:52:27,090

show we're at that moment I was a guest

998

00:52:33,620 --> 00:52:29,700

along with another now deceased woman

999

00:52:35,930 --> 00:52:33,630

who was also a UFO experience er she was

1000

00:52:40,370 --> 00:52:35,940

interviewing the both of us and there

1001
00:52:43,280 --> 00:52:40,380
was two engineers not just a friend mr.

1002
00:52:46,460 --> 00:52:43,290
bill but another engineer was on the

1003
00:52:49,340 --> 00:52:46,470
scene as well and the and made three

1004
00:52:52,280 --> 00:52:49,350
copies if I'm right is that right yep

1005
00:52:54,800 --> 00:52:52,290
made three copies of the show and it

1006
00:52:57,980 --> 00:52:54,810
completely disappeared from a

1007
00:53:01,040 --> 00:52:57,990
professional radio station recording

1008
00:53:06,590 --> 00:53:01,050
studio and then we had a MUFON

1009
00:53:11,360 --> 00:53:06,600
investigator on on the chase klutz key

1010
00:53:15,200 --> 00:53:11,370
we had a more Phonics investigator on

1011
00:53:18,500 --> 00:53:15,210
and it was like one of our it was one of

1012
00:53:19,850 --> 00:53:18,510
the show's prior to the 20th show I

1013
00:53:22,640 --> 00:53:19,860

don't remember what the number would

1014

00:53:24,620 --> 00:53:22,650

have been and we you know read her

1015

00:53:27,170 --> 00:53:24,630

accounts and we were really excited to

1016

00:53:31,280 --> 00:53:27,180

speak with her and again the

1017

00:53:33,890 --> 00:53:31,290

entire broadcast disappeared in addition

1018

00:53:37,370 --> 00:53:33,900

we've had other other anomalous things

1019

00:53:39,710 --> 00:53:37,380

happen which makes you think either is

1020

00:53:41,299 --> 00:53:39,720

is the government doing something I

1021

00:53:45,020 --> 00:53:41,309

don't know we don't we're very small

1022

00:53:50,809 --> 00:53:45,030

potatoes in terms of that or is it this

1023

00:53:54,859 --> 00:53:50,819

kind of telepathic issues with UFO

1024

00:53:59,390 --> 00:53:54,869

studies and how you know like at the the

1025

00:54:04,130 --> 00:53:59,400

Sherman skinwalker ranch the the cameras

1026
00:54:06,829 --> 00:54:04,140
get go defunct even when another camera

1027
00:54:08,930 --> 00:54:06,839
is watching them they they sure doubt

1028
00:54:12,230 --> 00:54:08,940
and stuff it with no reason whatsoever

1029
00:54:14,089 --> 00:54:12,240
and the wires are cut even while cameras

1030
00:54:16,490 --> 00:54:14,099
are watching and no one's there to cut

1031
00:54:20,480 --> 00:54:16,500
the wires it's like really baffling

1032
00:54:26,569 --> 00:54:20,490
stuff yeah I remember that reading that

1033
00:54:29,799 --> 00:54:26,579
and Harley Rutledge he said he got so he

1034
00:54:32,660 --> 00:54:29,809
could identify UFOs and I mean you know

1035
00:54:34,609 --> 00:54:32,670
airplanes have lights and sounds and

1036
00:54:36,770 --> 00:54:34,619
things and he could distinguish

1037
00:54:39,440 --> 00:54:36,780
airplanes from them and he saw quite a

1038
00:54:41,660 --> 00:54:39,450

few and he was a trained scientist when

1039

00:54:43,970 --> 00:54:41,670

they say scientists don't believe in

1040

00:54:47,510 --> 00:54:43,980

UFOs or they didn't see him well they do

1041

00:54:52,609 --> 00:54:47,520

and he admitted it he got harassed but

1042

00:54:56,450 --> 00:54:52,619

he still think the astronomer Clyde

1043

00:55:00,829 --> 00:54:56,460

Tombaugh saw was the discoverer of the

1044

00:55:03,620 --> 00:55:00,839

planet Pluto I believe that he he saw I

1045

00:55:07,579 --> 00:55:03,630

mean I think he was a an experierer of

1046

00:55:09,410 --> 00:55:07,589

seeing UFOs was he not yes he was I

1047

00:55:13,640 --> 00:55:09,420

think he saw more than one who or

1048

00:55:15,950 --> 00:55:13,650

reported more than one in the dark yeah

1049

00:55:18,349 --> 00:55:15,960

I think another reason for droppin

1050

00:55:25,250 --> 00:55:18,359

sightings is that the sky is so light

1051

00:55:26,809 --> 00:55:25,260

these days yeah and people don't look up

1052

00:55:28,190 --> 00:55:26,819

anymore because there's nothing to see

1053

00:55:31,630 --> 00:55:28,200

so they're staring down at their

1054

00:55:34,069 --> 00:55:31,640

cellphones yeah well yeah that too but

1055

00:55:35,930 --> 00:55:34,079

but then again but that's good too

1056

00:55:37,860 --> 00:55:35,940

because if they do see something it's

1057

00:55:41,580 --> 00:55:37,870

instant communication too

1058

00:55:46,080 --> 00:55:41,590

I guess well I tried to take a picture

1059

00:55:48,330 --> 00:55:46,090

of the thing up in Providence and you

1060

00:55:51,030 --> 00:55:48,340

know all I got was like a smear of light

1061

00:55:53,520 --> 00:55:51,040

and none of my other pictures of the

1062

00:55:56,760 --> 00:55:53,530

fire water and everything else turned

1063

00:55:58,800 --> 00:55:56,770

out they all turned out well so it's a

1064

00:56:00,630 --> 00:55:58,810

mystery so and it's it's a mystery it's

1065

00:56:05,100 --> 00:56:00,640

driving us all nuts do you think we'll

1066

00:56:11,130 --> 00:56:05,110

ever really know just what these things

1067

00:56:14,100 --> 00:56:11,140

are it's just driving me crazy it's been

1068

00:56:16,830 --> 00:56:14,110

for what Oh way over 50 years I've been

1069

00:56:19,710 --> 00:56:16,840

looking at this stuff and just nothing

1070

00:56:21,570 --> 00:56:19,720

that you can put together my son always

1071

00:56:23,580 --> 00:56:21,580

kids me he said you know I'm good he's

1072

00:56:33,570 --> 00:56:23,590

gonna be rounding the hall in some

1073

00:56:37,530 --> 00:56:33,580

Hospital somewhere go what is every what

1074

00:56:39,900 --> 00:56:37,540

can be what's the point of keeping it

1075

00:56:42,030 --> 00:56:39,910

secret I mean yeah I know you know it's

1076
00:56:44,430 --> 00:56:42,040
gonna panic the general population yadda

1077
00:56:46,920 --> 00:56:44,440
yadda yadda but I mean really what is

1078
00:56:48,510 --> 00:56:46,930
the point is it just that knowledge is

1079
00:56:52,920 --> 00:56:48,520
power and they're keeping all the

1080
00:56:57,120 --> 00:56:52,930
knowledge to themselves I just let us

1081
00:56:59,280 --> 00:56:57,130
know please I think there's a couple of

1082
00:57:01,350 --> 00:56:59,290
things going on okay I mean in terms of

1083
00:57:03,780 --> 00:57:01,360
everybody panicking there's the idea

1084
00:57:05,970 --> 00:57:03,790
that there's eight billion people on the

1085
00:57:09,300 --> 00:57:05,980
face of the earth and it may be only one

1086
00:57:10,950 --> 00:57:09,310
in a hundred or one in a thousand would

1087
00:57:13,620 --> 00:57:10,960
panic but that's a hell of a lot of

1088
00:57:15,360 --> 00:57:13,630

people you know that's one thing and the

1089

00:57:17,840 --> 00:57:15,370

other thing that's more personal to me I

1090

00:57:21,290 --> 00:57:17,850

think that some people who have been

1091

00:57:23,460 --> 00:57:21,300

contacted the brains get fried from it

1092

00:57:24,840 --> 00:57:23,470

well you know that that was the point

1093

00:57:27,210 --> 00:57:24,850

I've just got toward the end of your

1094

00:57:29,220 --> 00:57:27,220

conclusion saying that perhaps it is not

1095

00:57:31,470 --> 00:57:29,230

nuts and bolts but that it's something

1096

00:57:34,110 --> 00:57:31,480

that's going to lead to an evolution in

1097

00:57:36,980 --> 00:57:34,120

humanity and I think you were leading

1098

00:57:42,150 --> 00:57:36,990

toward that line am I correct

1099

00:57:45,000 --> 00:57:42,160

yeah after investigating and talking to

1100

00:57:47,490 --> 00:57:45,010

people and things it's like the two

1101
00:57:49,470 --> 00:57:47,500
sisters one saw one thing and one saw

1102
00:57:52,020 --> 00:57:49,480
another and I've had a number of

1103
00:57:55,680 --> 00:57:52,030
examples of that and I also have exam

1104
00:57:58,890 --> 00:57:55,690
those of things merging and coming apart

1105
00:58:02,910 --> 00:57:58,900
and things like that in reports I've

1106
00:58:06,120 --> 00:58:02,920
received from people and so I can't

1107
00:58:09,450 --> 00:58:06,130
really picture I mean I know I think UFO

1108
00:58:12,060 --> 00:58:09,460
phenomena is a big includes all kinds of

1109
00:58:13,740 --> 00:58:12,070
things but I think one thing it includes

1110
00:58:17,210 --> 00:58:13,750
is something that we just don't

1111
00:58:20,550 --> 00:58:17,220
understand it's not like a craft that's

1112
00:58:24,570 --> 00:58:20,560
more like some form of interaction or

1113
00:58:29,370 --> 00:58:24,580

intelligence but that it's not like us

1114

00:58:31,350 --> 00:58:29,380

at all right right well you know well

1115

00:58:33,330 --> 00:58:31,360

know if they're aliens they're aliens

1116

00:58:38,670 --> 00:58:33,340

and they're not us so they wouldn't be

1117

00:58:42,510 --> 00:58:38,680

like us but but that whole mental state

1118

00:58:45,210 --> 00:58:42,520

was that was interesting it's a whole

1119

00:58:47,070 --> 00:58:45,220

different approach myself I'd just like

1120

00:58:49,290 --> 00:58:47,080

nuts and bolts I really hope it's

1121

00:58:51,690 --> 00:58:49,300

something you know once you get past

1122

00:58:56,100 --> 00:58:51,700

nuts and bolts it's something can the

1123

00:58:58,140 --> 00:58:56,110

average human really really I mean well

1124

00:59:01,860 --> 00:58:58,150

even if you think of something coming

1125

00:59:07,710 --> 00:59:01,870

from let's say for some reason it's from

1126

00:59:09,780 --> 00:59:07,720

a different star system that's 300 light

1127

00:59:12,720 --> 00:59:09,790

years away which isn't that far away in

1128

00:59:18,020 --> 00:59:12,730

terms of the universe but let's say it

1129

00:59:22,020 --> 00:59:18,030

was somebody from 300 light years away

1130

00:59:24,720 --> 00:59:22,030

what what would happen then is it's not

1131

00:59:28,980 --> 00:59:24,730

likely they'd be coming in a rocket

1132

00:59:35,790 --> 00:59:28,990

chemical rocket ship and so they may

1133

00:59:37,890 --> 00:59:35,800

take some sort of a wormhole the physics

1134

00:59:40,230 --> 00:59:37,900

I'm not good at I mean where most people

1135

00:59:42,000 --> 00:59:40,240

are not there on physics to be able to

1136

00:59:44,790 --> 00:59:42,010

explain it but there must be an

1137

00:59:49,140 --> 00:59:44,800

alternate way for them to come here and

1138

00:59:51,960 --> 00:59:49,150

therefore it could be using something

1139

00:59:53,970 --> 00:59:51,970

that's some type of interstellar drive

1140

00:59:58,770 --> 00:59:53,980

that we're not aware of and that they

1141

01:00:00,510 --> 00:59:58,780

they come in as ephemeral objects and do

1142

01:00:02,880 --> 01:00:00,520

all kinds of strange things physically

1143

01:00:05,319 --> 01:00:02,890

that we're not able to well yeah I mean

1144

01:00:07,479 --> 01:00:05,329

Columbus couldn't they

1145

01:00:10,630 --> 01:00:07,489

a jet going across the ocean in a few

1146

01:00:12,789 --> 01:00:10,640

hours you know he was struggling through

1147

01:00:14,049 --> 01:00:12,799

a three thank you little fishing boats I

1148

01:00:17,229 --> 01:00:14,059

don't think these things are mutually

1149

01:00:18,640 --> 01:00:17,239

exclusive and as we had stated at the

1150

01:00:20,940 --> 01:00:18,650

beginning of the show that these things

1151

01:00:26,670 --> 01:00:20,950

could be more than one thing right Irena

1152

01:00:30,370 --> 01:00:26,680

yes and you were talking about the green

1153

01:00:33,640 --> 01:00:30,380

form well they made their form of UFO

1154

01:00:35,709 --> 01:00:33,650

too and if they're like little orbs are

1155

01:00:40,900 --> 01:00:35,719

called orbs if they're big things they

1156

01:00:43,239 --> 01:00:40,910

might be called UFOs right I they don't

1157

01:00:48,400 --> 01:00:43,249

seem to be physical like us they seem to

1158

01:00:50,259 --> 01:00:48,410

be more like I mean we're molecular and

1159

01:00:53,309 --> 01:00:50,269

they don't impress me it's being

1160

01:00:56,890 --> 01:00:53,319

molecular like us but they're still

1161

01:00:59,319 --> 01:00:56,900

belong to the UFO phenomena and can

1162

01:01:01,989 --> 01:00:59,329

behave in intelligent ways they're

1163

01:01:07,930 --> 01:01:01,999

energy it seems like they are like some

1164

01:01:10,660 --> 01:01:07,940

form of energy uh-huh yeah so go ahead I

1165

01:01:14,109 --> 01:01:10,670

think that's part of it too so I think

1166

01:01:18,729 --> 01:01:14,119

it's a very complex mixture but I don't

1167

01:01:21,459 --> 01:01:18,739

think it's all cracked yes it's going to

1168

01:01:24,059 --> 01:01:21,469

be a mystery do you do you have anything

1169

01:01:26,949 --> 01:01:24,069

that we're coming towards a close here

1170

01:01:29,920 --> 01:01:26,959

having been with you for about an hour

1171

01:01:31,900 --> 01:01:29,930

now so do you have anything you'd like

1172

01:01:34,120 --> 01:01:31,910

to say beside you should give us once

1173

01:01:35,859 --> 01:01:34,130

again the title of the book you can get

1174

01:01:39,249 --> 01:01:35,869

it at Barnes & Noble you can get it on

1175

01:01:41,289 --> 01:01:39,259

Amazon give us once again the title of

1176

01:01:43,209 --> 01:01:41,299

the book because we really recommend

1177

01:01:46,180 --> 01:01:43,219

this book highly and we're particularly

1178

01:01:48,819 --> 01:01:46,190

impressed with you because women have a

1179

01:01:52,630 --> 01:01:48,829

hard time in the UFO field as well as in

1180

01:01:54,430 --> 01:01:52,640

astronomy and in other fields and they

1181

01:01:58,449 --> 01:01:54,440

still have a hard time in the UFO field

1182

01:02:03,549 --> 01:01:58,459

so lay it on us Irena regulations to

1183

01:02:06,189 --> 01:02:03,559

YouTube thank you it's UFOs today

1184

01:02:09,219 --> 01:02:06,199

seventy years of Lies misinformation and

1185

01:02:15,609 --> 01:02:09,229

government cover-up and if you just put

1186

01:02:17,589 --> 01:02:15,619

Irena Scott Eyre en ASCO TT in the on

1187

01:02:19,270 --> 01:02:17,599

the internet under Google or something

1188

01:02:21,880 --> 01:02:19,280

you should be able to find it

1189

01:02:24,670 --> 01:02:21,890

and be able to order it right then I

1190

01:02:28,090 --> 01:02:24,680

have a webpage called

1191

01:02:37,900 --> 01:02:28,100

Irina Scott dot-com and it tells how to

1192

01:02:42,070 --> 01:02:37,910

order it I'm on Facebook and and it's

1193

01:02:44,860 --> 01:02:42,080

where we're selling it as amazon.com and

1194

01:02:46,690 --> 01:02:44,870

so if people do have sightings or wanted

1195

01:02:48,280 --> 01:02:46,700

to get in touch with you they can get in

1196

01:02:49,030 --> 01:02:48,290

touch with you through your Facebook

1197

01:02:53,290 --> 01:02:49,040

itself

1198

01:02:55,330 --> 01:02:53,300

yes Facebook I think you sent a message

1199

01:02:57,100 --> 01:02:55,340

to somebody that's not gonna face yes

1200

01:02:59,200 --> 01:02:57,110

well that's messenger there they've got

1201
01:03:03,400 --> 01:02:59,210
messenger there for facebook for that

1202
01:03:06,880 --> 01:03:03,410
purpose direct messages and and so forth

1203
01:03:09,190 --> 01:03:06,890
so I'll before we say goodbye anything

1204
01:03:12,040 --> 01:03:09,200
you want to add to what we've talked

1205
01:03:19,200 --> 01:03:12,050
about we'd love to hear it well I think

1206
01:03:22,270 --> 01:03:19,210
it's very very very complicated and that

1207
01:03:24,460 --> 01:03:22,280
part of it's probably something that we

1208
01:03:26,550 --> 01:03:24,470
don't understand very well but it may

1209
01:03:29,580 --> 01:03:26,560
have something to do with quantum

1210
01:03:35,620 --> 01:03:29,590
mechanics and that type of new physics

1211
01:03:37,540 --> 01:03:35,630
we're just now learning about well we'd

1212
01:03:39,610 --> 01:03:37,550
like to thank you so much for being with

1213
01:03:41,620 --> 01:03:39,620

us today really for taking the time I

1214

01:03:44,410 --> 01:03:41,630

was so appreciated it's an honor and

1215

01:03:47,380 --> 01:03:44,420

wonderful job to you yeah it's really an

1216

01:03:52,720 --> 01:03:47,390

honor you know a person of science such

1217

01:03:56,140 --> 01:03:52,730

as yourself and we really applaud you so

1218

01:03:57,850 --> 01:03:56,150

thanks so much dr. irina scott and good

1219

01:03:59,110 --> 01:03:57,860

luck with your studies if you find

1220

01:04:01,270 --> 01:03:59,120

something definitive

1221

01:04:02,680 --> 01:04:01,280

give us a call yeah give us a call

1222

01:04:04,570 --> 01:04:02,690

anyway we're always happy to hear that

1223

01:04:08,560 --> 01:04:04,580

you probably read about you first though

1224

01:04:12,790 --> 01:04:08,570

right okay I suppose thanks again bye

1225

01:04:14,590 --> 01:04:12,800

now iein thank you and we of course

1226

01:04:18,010 --> 01:04:14,600

would like to thank dr. Irene is Scott

1227

01:04:23,710 --> 01:04:18,020

for being with us but now mr. Anthony

1228

01:04:27,010 --> 01:04:23,720

Santos oh who is a well-known figurative

1229

01:04:31,330 --> 01:04:27,020

artist in the magic realism school of

1230

01:04:33,040 --> 01:04:31,340

painting really somebody whose artwork

1231

01:04:34,720 --> 01:04:33,050

you should get to know

1232

01:04:39,640 --> 01:04:34,730

and could you mention your website

1233

01:04:41,380 --> 01:04:39,650

Anthony well there's no website it's

1234

01:04:46,030 --> 01:04:41,390

just a blog you just type in my name

1235

01:04:48,220 --> 01:04:46,040

Anthony Santo so dot blog spot.com yes

1236

01:04:50,140 --> 01:04:48,230

okay do you want to spell Santa well so

1237

01:04:50,970 --> 01:04:50,150

because not everybody knows how to spell

1238

01:04:55,750 --> 01:04:50,980

it

1239

01:04:59,590 --> 01:04:55,760

Anthony spelled anth ony and Santa also

1240

01:05:01,270 --> 01:04:59,600

is about si and tu o as well I've seen

1241

01:05:05,140 --> 01:05:01,280

some of these paintings and they're

1242

01:05:06,910 --> 01:05:05,150

truly glorious and they do I'm glad you

1243

01:05:08,560 --> 01:05:06,920

like them you know yeah if you just

1244

01:05:10,270 --> 01:05:08,570

google my name it'll come up you don't

1245

01:05:13,470 --> 01:05:10,280

need anybody Anthony say it the world

1246

01:05:15,580 --> 01:05:13,480

and they do cover some sort of mystical

1247

01:05:18,880 --> 01:05:15,590

aspects in them there are mystical

1248

01:05:20,890 --> 01:05:18,890

concepts which you and dream dream

1249

01:05:23,650 --> 01:05:20,900

pictures as well so I'm mentioning this

1250

01:05:28,090 --> 01:05:23,660

because these are areas that we cover

1251

01:05:31,540 --> 01:05:28,100

here on shadowed reality podcast and if

1252

01:05:36,610 --> 01:05:31,550

I recall correctly you have two stories

1253

01:05:39,880 --> 01:05:36,620

to tell us one concerns a deceased uncle

1254

01:05:42,730 --> 01:05:39,890

and deceased cousin of yours and what

1255

01:05:45,520 --> 01:05:42,740

happened to them along the Jersey Shore

1256

01:05:47,320 --> 01:05:45,530

so if you would like to to start out

1257

01:05:50,800 --> 01:05:47,330

with that one Anthony we would really

1258

01:05:53,110 --> 01:05:50,810

appreciate that well I'd be happy to

1259

01:05:54,640 --> 01:05:53,120

tell you I had an uncle who was and not

1260

01:05:56,380 --> 01:05:54,650

all that much older than me and my

1261

01:05:58,570 --> 01:05:56,390

cousin it was my age and they liked to

1262

01:06:00,580 --> 01:05:58,580

go fishing is what they like to do and

1263

01:06:04,090 --> 01:06:00,590

they'd go down to the Jersey Shore and

1264

01:06:06,280 --> 01:06:04,100

they'd fish at night for us striped bass

1265

01:06:08,800 --> 01:06:06,290

actually and they'd stand on the jetties

1266

01:06:11,710 --> 01:06:08,810

the rocks go down to the ocean sometimes

1267

01:06:13,330 --> 01:06:11,720

up 2 or 3 o'clock in the morning so they

1268

01:06:16,750 --> 01:06:13,340

were out there one night they had a fire

1269

01:06:19,450 --> 01:06:16,760

gone too and and my uncle was out on the

1270

01:06:21,820 --> 01:06:19,460

jetty and he claimed this said he told

1271

01:06:25,570 --> 01:06:21,830

me this story over a Christmas dinner

1272

01:06:27,820 --> 01:06:25,580

conversation he claimed that wow what he

1273

01:06:30,850 --> 01:06:27,830

described as a flying saucer or just a

1274

01:06:34,270 --> 01:06:30,860

kind of bright spinning orb so that came

1275

01:06:35,490 --> 01:06:34,280

down above him and my cousin Randy my

1276

01:06:39,250 --> 01:06:35,500

uncle's name was Eddie

1277

01:06:42,910 --> 01:06:39,260

Randy ran away in fear and Dunkel Eddie

1278

01:06:44,920 --> 01:06:42,920

claims he called helter them to make

1279

01:06:46,900 --> 01:06:44,930

contact and then he sort of disappeared

1280

01:06:49,450 --> 01:06:46,910

so anyway it was just a funny story

1281

01:06:50,499 --> 01:06:49,460

and I said to my uncle are you serious

1282

01:06:53,859 --> 01:06:50,509

and he said go ask

1283

01:06:55,960 --> 01:06:53,869

Randi's in the other room that which we

1284

01:06:57,640 --> 01:06:55,970

had two rooms people were eating and so

1285

01:06:59,170 --> 01:06:57,650

I went any other room and I said Randy

1286

01:07:01,210 --> 01:06:59,180

would you please tell me the story about

1287

01:07:02,529 --> 01:07:01,220

the jetties and the Flying Saucer with

1288

01:07:04,630 --> 01:07:02,539

Uncle Eddie and if they needed my

1289

01:07:06,519 --> 01:07:04,640

cousin's I don't want to talk about it I

1290

01:07:09,249 --> 01:07:06,529

said well what's the problem is I just

1291

01:07:11,109 --> 01:07:09,259

don't want to talk about don't ask me so

1292

01:07:12,309 --> 01:07:11,119

he never would speak about it and Uncle

1293

01:07:14,380 --> 01:07:12,319

Eddie what's claimed but this is

1294

01:07:18,339 --> 01:07:14,390

something to happen and where was this

1295

01:07:21,819 --> 01:07:18,349

exactly Anthony Long Branch Long Branch

1296

01:07:26,019 --> 01:07:21,829

New Jersey on objective and it was a

1297

01:07:27,910 --> 01:07:26,029

summertime and that was a story and I

1298

01:07:29,140 --> 01:07:27,920

can never get any further into it

1299

01:07:32,170 --> 01:07:29,150

because they went gaming here more

1300

01:07:34,120 --> 01:07:32,180

information but he he scared my cousin

1301

01:07:36,130 --> 01:07:34,130

and my uncle claims it's absolutely true

1302

01:07:37,809 --> 01:07:36,140

so I thought it was kind of an

1303

01:07:41,859 --> 01:07:37,819

interesting story that's why I haven't

1304

01:07:44,049 --> 01:07:41,869

mentioned well I can I don't know I knew

1305

01:07:46,120 --> 01:07:44,059

your uncle Eddie and he told me as well

1306

01:07:49,509 --> 01:07:46,130

so I can verify that he called me

1307

01:07:51,279 --> 01:07:49,519

basically the same story and that he ran

1308

01:08:04,720 --> 01:07:51,289

out there and he was ready for them to

1309

01:08:07,089 --> 01:08:04,730

whoop them up I don't know now he even

1310

01:08:09,789 --> 01:08:07,099

he wouldn't make up fake stories it's

1311

01:08:12,009 --> 01:08:09,799

not like him to do that he had an

1312

01:08:14,289 --> 01:08:12,019

experience and he described it as the

1313

01:08:17,079 --> 01:08:14,299

best he could and it was a fairly

1314

01:08:20,620 --> 01:08:17,089

typical story about you know lights in

1315

01:08:23,939 --> 01:08:20,630

the sky and the size of the thing the

1316

01:08:27,459 --> 01:08:23,949

scale of it and it frightened him and

1317

01:08:29,140 --> 01:08:27,469

but I'm Randi ran away but that was the

1318

01:08:31,209 --> 01:08:29,150

extent of that story and then like I

1319

01:08:33,099 --> 01:08:31,219

said I could never get any further into

1320

01:08:35,349 --> 01:08:33,109

it because he Randy wouldn't verify it

1321

01:08:38,349 --> 01:08:35,359

they didn't coincidentally both died

1322

01:08:39,399 --> 01:08:38,359

about 20 years after the action 30 years

1323

01:08:42,280 --> 01:08:39,409

after the event

1324

01:08:46,090 --> 01:08:42,290

one of cancer one of a kind of lupus

1325

01:08:48,129 --> 01:08:46,100

problem so I don't know whether you know

1326

01:08:52,870 --> 01:08:48,139

what the effect was but they didn't all

1327

01:08:56,189 --> 01:08:52,880

die and relatively young to Eddie was 67

1328

01:08:59,620 --> 01:08:56,199

and Randy was only in his 40s I think

1329

01:09:00,880 --> 01:08:59,630

yes it is that's what unfortunate an

1330

01:09:04,150 --> 01:09:00,890

unfortunate seeing

1331

01:09:06,460 --> 01:09:04,160

chronicity as we would say and and if I

1332

01:09:11,050 --> 01:09:06,470

recall correctly although you had said

1333

01:09:14,020 --> 01:09:11,060

that your cousin Randy had died of lupus

1334

01:09:17,470 --> 01:09:14,030

related condition he also suffered from

1335

01:09:19,210 --> 01:09:17,480

cancer did he not yeah yeah can't you

1336

01:09:21,820 --> 01:09:19,220

know all kinds of problems he developed

1337

01:09:23,560 --> 01:09:21,830

many heart many problems yeah the can

1338

01:09:26,620 --> 01:09:23,570

some kind of skin cancer

1339

01:09:29,470 --> 01:09:26,630

he had lupus see hey he was infested

1340

01:09:32,110 --> 01:09:29,480

with different health problems for the

1341

01:09:34,540 --> 01:09:32,120

major part of his adult life it seems

1342

01:09:37,090 --> 01:09:34,550

well we mourn their loss the loss and we

1343

01:09:41,320 --> 01:09:37,100

apologize for bringing that part of the

1344

01:09:47,230 --> 01:09:41,330

story up the second part has to do or

1345

01:09:49,510 --> 01:09:47,240

with your with your father mm-hmm go

1346

01:09:52,660 --> 01:09:49,520

ahead yes my son my father had one of

1347

01:09:54,040 --> 01:09:52,670

those experiences where he he died for a

1348

01:09:56,140 --> 01:09:54,050

minute or two maybe I don't know how

1349

01:09:57,490 --> 01:09:56,150

long you can die for but they brought

1350

01:10:00,310 --> 01:09:57,500

him back to life he was in a hospital

1351

01:10:02,910 --> 01:10:00,320

actually they were working on him he had

1352

01:10:06,970 --> 01:10:02,920

heart trouble and his heart stopped and

1353

01:10:09,700 --> 01:10:06,980

I guess he's straight-lined and he

1354

01:10:12,460 --> 01:10:09,710

suddenly saw himself from above looking

1355

01:10:15,310 --> 01:10:12,470

down at the table and wondered why

1356

01:10:17,230 --> 01:10:15,320

everybody was running around and seemed

1357

01:10:19,840 --> 01:10:17,240

so agitated he couldn't figure out what

1358

01:10:22,030 --> 01:10:19,850

it was but he felt inclined to turn away

1359

01:10:24,160 --> 01:10:22,040

from the whole thing which he did and

1360

01:10:27,670 --> 01:10:24,170

then he was attracted to some kind of a

1361

01:10:30,100 --> 01:10:27,680

source of light which he then followed

1362

01:10:32,710 --> 01:10:30,110

or pursued and found himself in a

1363

01:10:35,950 --> 01:10:32,720

channel or tunnels or bridges of some

1364

01:10:37,480 --> 01:10:35,960

sort and going around and finding all

1365

01:10:39,310 --> 01:10:37,490

kinds of people he used to know

1366

01:10:41,020 --> 01:10:39,320

including his all the people that have

1367

01:10:45,040 --> 01:10:41,030

passed away his mother and his father

1368

01:10:47,730 --> 01:10:45,050

and his sister and basically the the

1369

01:10:50,620 --> 01:10:47,740

interesting thing about that story was

1370

01:10:52,900 --> 01:10:50,630

that it was a very happy event he felt

1371

01:10:54,820 --> 01:10:52,910

very good it's like he said you know we

1372

01:10:56,290 --> 01:10:54,830

only he only figured out he had this

1373

01:10:58,540 --> 01:10:56,300

experience because we were watching

1374

01:11:00,400 --> 01:10:58,550

something on TV one night many years ago

1375

01:11:02,590 --> 01:11:00,410

I think was called that's incredible

1376

01:11:04,510 --> 01:11:02,600

people were telling stories which is

1377

01:11:06,940 --> 01:11:04,520

similar to his so he said I had that

1378

01:11:09,100 --> 01:11:06,950

experience and I confessed them that his

1379

01:11:11,710 --> 01:11:09,110

heart did stopped and they brought him

1380

01:11:13,540 --> 01:11:11,720

back to life and like I said the most

1381

01:11:14,550 --> 01:11:13,550

interesting thing of power upon it for

1382

01:11:17,160 --> 01:11:14,560

me in any way

1383

01:11:19,470 --> 01:11:17,170

it was a very happy experience and

1384

01:11:21,690 --> 01:11:19,480

actually transformed him for a few years

1385

01:11:25,410 --> 01:11:21,700

he had a smile on his face which is not

1386

01:11:27,450 --> 01:11:25,420

typical of him and you know it seemed

1387

01:11:29,490 --> 01:11:27,460

like he lost a certain fear of death as

1388

01:11:32,040 --> 01:11:29,500

a consequence that's a big night

1389

01:11:35,160 --> 01:11:32,050

wouldn't I say I guess that's a big deal

1390

01:11:37,320 --> 01:11:35,170

yes the interesting thing that that I

1391

01:11:41,550 --> 01:11:37,330

you mentioned but I don't think was

1392

01:11:47,010 --> 01:11:41,560

really accentuated in your your dialogue

1393

01:11:49,740 --> 01:11:47,020

here is that he didn't realize when he

1394

01:11:52,380 --> 01:11:49,750

when this occurred that he had in fact

1395

01:11:55,620 --> 01:11:52,390

his heart had stopped and it met one of

1396

01:11:58,500 --> 01:11:55,630

the clinical ideas of death you know

1397

01:12:01,080 --> 01:11:58,510

that's one clinical right okay yeah no

1398

01:12:03,570 --> 01:12:01,090

yeah no he had no idea we never told

1399

01:12:05,550 --> 01:12:03,580

them they never told them he had no idea

1400

01:12:08,340 --> 01:12:05,560

just had this experience when his heart

1401
01:12:09,960 --> 01:12:08,350
did stop and then it was reminded of it

1402
01:12:12,180 --> 01:12:09,970
because of this television show

1403
01:12:14,400 --> 01:12:12,190
basically and then every recalled very

1404
01:12:17,910 --> 01:12:14,410
clearly that he had a very similar

1405
01:12:20,100 --> 01:12:17,920
experience and he went ahead and in

1406
01:12:21,600 --> 01:12:20,110
trying to tell me about it I'm matter of

1407
01:12:23,730 --> 01:12:21,610
fact I'm making a painting now which

1408
01:12:25,980 --> 01:12:23,740
kind of relates to it really I'm trying

1409
01:12:28,740 --> 01:12:25,990
to yeah I'm trying to make a kind of

1410
01:12:30,930 --> 01:12:28,750
afterlife painting of kind of a

1411
01:12:33,420 --> 01:12:30,940
pleasurable journey a wonderful

1412
01:12:35,100 --> 01:12:33,430
experience is a good joyful thing it's

1413
01:12:38,670 --> 01:12:35,110

like a joyful death picture if you want

1414

01:12:40,560 --> 01:12:38,680

to call it that because you know death

1415

01:12:43,500 --> 01:12:40,570

is a major issue and when you can

1416

01:12:45,180 --> 01:12:43,510

somehow come to or make friends with it

1417

01:12:46,980 --> 01:12:45,190

and make a realization of what it

1418

01:12:49,470 --> 01:12:46,990

actually is is I think it transforms

1419

01:12:51,180 --> 01:12:49,480

your whole life and it certainly was it

1420

01:12:53,130 --> 01:12:51,190

didn't I have to admit it didn't stick

1421

01:12:56,250 --> 01:12:53,140

see after a few years it went back being

1422

01:12:57,570 --> 01:12:56,260

a grumpy old man but but I still think

1423

01:12:59,250 --> 01:12:57,580

he wasn't any I think he was

1424

01:13:01,170 --> 01:12:59,260

fundamentally transformed not so much

1425

01:13:03,360 --> 01:13:01,180

afraid of death anymore I think he was

1426

01:13:06,540 --> 01:13:03,370

at that point of creative life and all

1427

01:13:08,340 --> 01:13:06,550

the things you know all the things that

1428

01:13:11,550 --> 01:13:08,350

are kept in you know that was necessary

1429

01:13:13,410 --> 01:13:11,560

to keep him alive but ya know even it

1430

01:13:16,230 --> 01:13:13,420

was transformed by the experience in

1431

01:13:20,870 --> 01:13:16,240

regard to this picture that you've been

1432

01:13:25,530 --> 01:13:20,880

painting I would like to invite you to

1433

01:13:28,200 --> 01:13:25,540

mail us jpg you know a photo on the

1434

01:13:31,710 --> 01:13:28,210

internet so we can place it

1435

01:13:34,350 --> 01:13:31,720

on this on our both of our websites and

1436

01:13:37,200 --> 01:13:34,360

use it in our YouTube when we put this

1437

01:13:38,340 --> 01:13:37,210

session up on YouTube do you have

1438

01:13:43,410 --> 01:13:38,350

anything else you'd like to add to

1439

01:13:45,750 --> 01:13:43,420

either of these stories Anthony only and

1440

01:13:47,970 --> 01:13:45,760

I noticed more than meets the eyes and

1441

01:13:51,390 --> 01:13:47,980

it takes a kind of special attitude to

1442

01:13:55,860 --> 01:13:51,400

see the whole picture and so the letting

1443

01:13:57,990 --> 01:13:55,870

go of judgments and sarcasm and cynicism

1444

01:14:00,180 --> 01:13:58,000

and really just letting the world tell

1445

01:14:01,650 --> 01:14:00,190

you its story and sometimes that comes

1446

01:14:03,480 --> 01:14:01,660

through other people and their

1447

01:14:05,640 --> 01:14:03,490

experiences which i think is what I just

1448

01:14:08,370 --> 01:14:05,650

tried to tell you about yes yes well

1449

01:14:11,070 --> 01:14:08,380

certainly if you know of any other

1450

01:14:12,810 --> 01:14:11,080

listeners to shatter'd reality or just

1451

01:14:15,180 --> 01:14:12,820

other people who would like to express

1452

01:14:17,850 --> 01:14:15,190

their experience on shadowed reality

1453

01:14:20,190 --> 01:14:17,860

podcast I really hope you'll let us know

1454

01:14:22,110 --> 01:14:20,200

and Kate you want to you want to say

1455

01:14:23,880 --> 01:14:22,120

goodbye to Anthony you want to make some

1456

01:14:28,350 --> 01:14:23,890

comments yes I would like to say goodbye

1457

01:14:30,330 --> 01:14:28,360

to yesterday but but but basically I

1458

01:14:32,190 --> 01:14:30,340

think it's great that you came on and

1459

01:14:34,710 --> 01:14:32,200

shared that experience because people

1460

01:14:36,630 --> 01:14:34,720

like to hear this and it happens to

1461

01:14:39,090 --> 01:14:36,640

people and then they think wow maybe I'm

1462

01:14:40,980 --> 01:14:39,100

a little bit off on this but when other

1463

01:14:42,900 --> 01:14:40,990

people have had the same thing it makes

1464

01:14:45,990 --> 01:14:42,910

them feel much more confident that yeah

1465

01:14:47,550 --> 01:14:46,000

I did experience it it was good and so

1466

01:14:50,160 --> 01:14:47,560

it's great that you shared this I think

1467

01:14:52,260 --> 01:14:50,170

he'll help a lot of people yeah I bet

1468

01:14:54,060 --> 01:14:52,270

you I imagine before he before he's

1469

01:14:56,490 --> 01:14:54,070

reminded of it I bet you thought it was

1470

01:14:58,500 --> 01:14:56,500

just a kind of dream of some sort which

1471

01:15:01,980 --> 01:14:58,510

is very very much what it all seems like

1472

01:15:03,630 --> 01:15:01,990

anyway but then you know seeing other

1473

01:15:05,250 --> 01:15:03,640

people having like you said seeing other

1474

01:15:07,610 --> 01:15:05,260

people having a similar experience he

1475

01:15:10,020 --> 01:15:07,620

realized that he had this experience

1476

01:15:13,710 --> 01:15:10,030

well people who have had the experience

1477

01:15:14,850 --> 01:15:13,720

and do talk about it when asked if it

1478

01:15:18,090 --> 01:15:14,860

was like a dream

1479

01:15:21,240 --> 01:15:18,100

they said they say often that it was

1480

01:15:24,270 --> 01:15:21,250

more real than waking reality so that's

1481

01:15:27,120 --> 01:15:24,280

I've not had a near-death experience

1482

01:15:31,650 --> 01:15:27,130

knock on wood which is my wooden head

1483

01:15:34,350 --> 01:15:31,660

but that's that's that's what I hear

1484

01:15:36,150 --> 01:15:34,360

from the experiences of that well it was

1485

01:15:38,160 --> 01:15:36,160

very real to my father I can tell you

1486

01:15:40,410 --> 01:15:38,170

that it was a very real experience what

1487

01:15:40,700 --> 01:15:40,420

was that's what was so nice about it or

1488

01:15:44,270 --> 01:15:40,710

what

1489

01:15:45,920 --> 01:15:44,280

just some kind of hazy foggy wonder you

1490

01:15:47,840 --> 01:15:45,930

know wonder what's going on kind of

1491

01:15:49,880 --> 01:15:47,850

thing it was more like going in a place

1492

01:15:52,670 --> 01:15:49,890

and meeting up with people you haven't

1493

01:15:56,060 --> 01:15:52,680

seen for a long time and I mean we all

1494

01:15:58,100 --> 01:15:56,070

have experienced um buddy who's passed

1495

01:16:00,770 --> 01:15:58,110

away you hug them or something and it

1496

01:16:02,660 --> 01:16:00,780

was but it was very very clear it's the

1497

01:16:05,390 --> 01:16:02,670

way he put it was very very concrete

1498

01:16:08,630 --> 01:16:05,400

experience yes it wasn't ephemeral it

1499

01:16:10,160 --> 01:16:08,640

was a very clear experience well again

1500

01:16:12,590 --> 01:16:10,170

thank you for sharing that really

1501

01:16:15,170 --> 01:16:12,600

appreciate it yes I do too we really

1502

01:16:18,470 --> 01:16:15,180

appreciate it and we will put your

1503

01:16:21,560 --> 01:16:18,480

painting on both of our websites and

1504

01:16:24,740 --> 01:16:21,570

that one of Anthony's paintings can be

1505

01:16:27,530 --> 01:16:24,750

seen on my blog one of my blog posts I

1506

01:16:30,530 --> 01:16:27,540

have used it in terms of it's a dream

1507

01:16:33,110 --> 01:16:30,540

painting that you made so we're all out

1508

01:16:35,020 --> 01:16:33,120

there rooting for Anthony to sell lots

1509

01:16:38,870 --> 01:16:35,030

of his wonderful magical realism

1510

01:16:40,400 --> 01:16:38,880

paintings thanks Anthony and I'm sure if

1511

01:16:42,140 --> 01:16:40,410

you know even if you don't buy them take

1512

01:16:43,820 --> 01:16:42,150

a look right she'll be there op

1513

01:16:45,800 --> 01:16:43,830

therefore you're into that right Anthony

1514

01:16:48,800 --> 01:16:45,810

thank you so much you bye Nana

1515

01:16:51,920 --> 01:16:48,810

bye bye thanks Wow okay I think we had

1516

01:16:55,310 --> 01:16:51,930

really a big big show today that was

1517

01:16:57,500 --> 01:16:55,320

very good in both in both regards don't

1518

01:17:02,030 --> 01:16:57,510

you think absolutely and this is big

1519

01:17:06,830 --> 01:17:02,040

number 55 all right our next our next

1520

01:17:09,140 --> 01:17:06,840

show is going to be a researcher named

1521

01:17:11,630 --> 01:17:09,150

David Booher and I'm hope I'm

1522

01:17:15,260 --> 01:17:11,640

pronouncing his name correctly and he

1523

01:17:18,080 --> 01:17:15,270

has written about one particular case

1524

01:17:22,340 --> 01:17:18,090

he's a researcher and he has gone into

1525

01:17:26,240 --> 01:17:22,350

great depths about a case which seems to

1526

01:17:27,740 --> 01:17:26,250

indicate an abduction and I'm not gonna

1527

01:17:30,950 --> 01:17:27,750

tell you any more than that right now

1528

01:17:34,040 --> 01:17:30,960

but that's purportedly our next podcast

1529

01:17:37,370 --> 01:17:34,050

and we hope it does work out as we plan

1530

01:17:41,209 --> 01:17:37,380

but if anyone's listening that have had

1531

01:17:43,459 --> 01:17:41,219

abduction experiences please put them on

1532

01:17:45,380 --> 01:17:43,469

our website you know you don't have to

1533

01:17:48,310 --> 01:17:45,390

use your name but we'd love to hear from

1534

01:17:50,450 --> 01:17:48,320

you um that's something that you know

1535

01:17:52,910 --> 01:17:50,460

Purusha goes through a tremendous amount

1536

01:17:54,020 --> 01:17:52,920

of time and effort to get these podcasts

1537

01:17:55,790 --> 01:17:54,030

together and

1538

01:17:59,060 --> 01:17:55,800

times it's nice to know that somebody's

1539

01:18:03,620 --> 01:17:59,070

out there listening indeed initiated and

1540

01:18:06,470 --> 01:18:03,630

also our guests are uniformly excellent

1541

01:18:08,690 --> 01:18:06,480

and have really interesting things to

1542

01:18:10,160 --> 01:18:08,700

say and we hope that it's not just out

1543

01:18:12,440 --> 01:18:10,170

there in the void somewhere so we'd

1544

01:18:16,060 --> 01:18:12,450

really like to hear from you and since

1545

01:18:18,620 --> 01:18:16,070

it is abduction time next next episode

1546

01:18:21,050 --> 01:18:18,630

would really you know if you've had some

1547

01:18:24,410 --> 01:18:21,060

and I know there's experiences out there

1548

01:18:26,000 --> 01:18:24,420

so pop them on the website or send us a

1549

01:18:27,530 --> 01:18:26,010

message and we'll get in touch with you

1550

01:18:33,110 --> 01:18:27,540

all righty now

1551

01:18:35,300 --> 01:18:33,120

or we'll send someone to get and one of

1552

01:18:38,000 --> 01:18:35,310

the men in black maybe or in this case
