

1  
00:00:08,570 --> 00:00:17,190

[Music]

2  
00:00:25,479 --> 00:00:20,679

welcome to shattered reality with your

3  
00:00:28,510 --> 00:00:25,489

hosts Kate Valentine and furs prepare to

4  
00:00:34,330 --> 00:00:28,520

have your paradigm shifted in the truths

5  
00:00:37,209 --> 00:00:34,340

questioned and now shattered reality and

6  
00:00:42,250 --> 00:00:37,219

welcome to shattered reality podcast

7  
00:00:48,959 --> 00:00:42,260

this is for Russia and this is our 56th

8  
00:00:52,569 --> 00:00:48,969

episode today is October 3rd 2017 and

9  
00:00:55,569 --> 00:00:52,579

I'm going to be introducing our guest

10  
00:00:58,569 --> 00:00:55,579

shortly but I do have a couple of

11  
00:01:01,590 --> 00:00:58,579

announcements the first announcement is

12  
00:01:04,299 --> 00:01:01,600

unfortunately due to unforeseen

13  
00:01:07,780 --> 00:01:04,309

circumstances my partner in crime here

14

00:01:11,200 --> 00:01:07,790

miss Kate Valentine is unable to make

15

00:01:14,230 --> 00:01:11,210

today's podcast this is a first she's

16

00:01:18,340 --> 00:01:14,240

been with us for all the other podcasts

17

00:01:20,410 --> 00:01:18,350

even the live podcast from up New York

18

00:01:23,110 --> 00:01:20,420

State she was there even though it was

19

00:01:25,690 --> 00:01:23,120

me speaking primarily so this is a first

20

00:01:27,430 --> 00:01:25,700

for shattered reality podcast and we

21

00:01:34,510 --> 00:01:27,440

shall miss her today but she will be

22

00:01:38,200 --> 00:01:34,520

back in two weeks ok so I want to start

23

00:01:42,430 --> 00:01:38,210

the show with a letter that we received

24

00:01:44,860 --> 00:01:42,440

from one of our regular listeners this

25

00:01:47,140 --> 00:01:44,870

listener is so much of a regular

26

00:01:50,110 --> 00:01:47,150

listener that he has been listening

27

00:01:53,440 --> 00:01:50,120

since before we started he was listening

28

00:01:55,960 --> 00:01:53,450

to the Kate Valentine UFO show and he

29

00:01:58,480 --> 00:01:55,970

always posted under the name of Freeman

30

00:02:00,430 --> 00:01:58,490

and so that's what I'm going to call him

31

00:02:02,650 --> 00:02:00,440

now and I want to just read his letter

32

00:02:05,560 --> 00:02:02,660

because very happy to receive this

33

00:02:07,510 --> 00:02:05,570

letter from him it says hi Faria your

34

00:02:10,419 --> 00:02:07,520

recent guests have been something of a

35

00:02:11,229 --> 00:02:10,429

coup especially dr. Roger Nelson and

36

00:02:14,649 --> 00:02:11,239

Brenda done

37

00:02:17,440 --> 00:02:14,659

I tried posting a comment related to dr.

38

00:02:20,110 --> 00:02:17,450

Nelson but it didn't appear I think I've

39

00:02:20,450 --> 00:02:20,120

had problems in the past and posted on

40

00:02:24,500 --> 00:02:20,460

the

41

00:02:28,670 --> 00:02:24,510

alternate site episode 55 was very good

42

00:02:30,730 --> 00:02:28,680

too I know it is UFO related but Kate

43

00:02:34,600 --> 00:02:30,740

mentioned the difficulty in obtaining

44

00:02:37,400 --> 00:02:34,610

evidence she may remember that I was

45

00:02:41,030 --> 00:02:37,410

appealing against the air combat

46

00:02:46,700 --> 00:02:41,040

commands change in policy that stopped

47

00:02:51,470 --> 00:02:46,710

public access to the 84th our ADEs radar

48

00:02:54,890 --> 00:02:51,480

data via FOIA foi a I'm still waiting

49

00:02:57,590 --> 00:02:54,900

for an answer and they quote misplaced

50

00:03:02,180 --> 00:02:57,600

unquote my appeal two or three times

51  
00:03:06,350 --> 00:03:02,190  
along the way however primary radar data

52  
00:03:11,630 --> 00:03:06,360  
radar data are available from across the

53  
00:03:14,480 --> 00:03:11,640  
US from the FAA and dr. Valle mentioned

54  
00:03:17,710 --> 00:03:14,490  
on another show that satellite imagery

55  
00:03:20,620 --> 00:03:17,720  
can be purchased from specific companies

56  
00:03:23,960 --> 00:03:20,630  
efforts are also being made to create

57  
00:03:27,530 --> 00:03:23,970  
monitoring stations with cameras and

58  
00:03:31,070 --> 00:03:27,540  
other sensors so perhaps the odds are

59  
00:03:33,740 --> 00:03:31,080  
improving that good quality data for an

60  
00:03:35,690 --> 00:03:33,750  
unusual incident will be recorded and

61  
00:03:40,130 --> 00:03:35,700  
available to the public

62  
00:03:43,610 --> 00:03:40,140  
someday soon best Freeman and Friedman

63  
00:03:47,480 --> 00:03:43,620

is of course an expert in things radar

64

00:03:51,080 --> 00:03:47,490

and he is from the United Kingdom Great

65

00:03:53,690 --> 00:03:51,090

Britain where we have a number of people

66

00:03:57,290 --> 00:03:53,700

who listen to our show thank goodness

67

00:04:02,330 --> 00:03:57,300

well so if any of you listeners are

68

00:04:05,420 --> 00:04:02,340

having problems posting to our website

69

00:04:10,370 --> 00:04:05,430

please try and get in touch via another

70

00:04:13,780 --> 00:04:10,380

means for instance my webs my email

71

00:04:19,849 --> 00:04:13,790

address for chat for russia comm fa h ru

72

00:04:21,770 --> 00:04:19,859

sha at furusho coms same spelling so in

73

00:04:23,540 --> 00:04:21,780

any case we're happy to get letters we

74

00:04:26,870 --> 00:04:23,550

love to get letters from our listeners

75

00:04:30,830 --> 00:04:26,880

but now we are going to proceed with our

76  
00:04:33,490 --> 00:04:30,840  
show and today I am very very happy to

77  
00:04:36,760 --> 00:04:33,500  
welcome on to the show

78  
00:04:40,990 --> 00:04:36,770  
David Booher who has written a wonderful

79  
00:04:41,530 --> 00:04:41,000  
book called no return and this is the

80  
00:04:45,010 --> 00:04:41,540  
Jerry

81  
00:04:46,960 --> 00:04:45,020  
Erwin story and we're gonna welcome

82  
00:04:52,270 --> 00:04:46,970  
David now David are you there

83  
00:04:56,170 --> 00:04:52,280  
yes I am hi David so nice to have you on

84  
00:04:59,590 --> 00:04:56,180  
your book I have to say is something of

85  
00:05:02,320 --> 00:04:59,600  
a rarity in a variety of ways for the

86  
00:05:06,700 --> 00:05:02,330  
UFO field we have had some very

87  
00:05:13,600 --> 00:05:06,710  
excellent ufo-related guests on like our

88  
00:05:16,510 --> 00:05:13,610

last guest dr. Irina and Irina Scott to

89

00:05:19,180 --> 00:05:16,520

be clear dr. Irina Scott and she wrote a

90

00:05:21,070 --> 00:05:19,190

wonderful UFO book what kind of a

91

00:05:23,650 --> 00:05:21,080

compendium a lot of stuff that happened

92

00:05:26,170 --> 00:05:23,660

around the the Ohio area and further out

93

00:05:28,540 --> 00:05:26,180

but leaving her aside for a moment it

94

00:05:31,810 --> 00:05:28,550

has been my observation that a lot of

95

00:05:34,080 --> 00:05:31,820

books written about UFOs by perfectly

96

00:05:37,780 --> 00:05:34,090

good people and kind of people that are

97

00:05:40,360 --> 00:05:37,790

regulars in the field boy to those boys

98

00:05:43,180 --> 00:05:40,370

need an editor but your prose was

99

00:05:44,770 --> 00:05:43,190

extraordinarily good so perhaps you

100

00:05:47,140 --> 00:05:44,780

would tell us a little bit about your

101  
00:05:48,790 --> 00:05:47,150  
background I I have a copy of the book

102  
00:05:51,159 --> 00:05:48,800  
but there's not much of a bio there

103  
00:05:55,690 --> 00:05:51,169  
could you give us a little bit about

104  
00:05:58,110 --> 00:05:55,700  
your background David well sure yeah

105  
00:06:02,380 --> 00:05:58,120  
there's not much in the Bible because I

106  
00:06:07,510 --> 00:06:02,390  
honestly couldn't think of much to say I

107  
00:06:10,600 --> 00:06:07,520  
don't have any of any real credentials

108  
00:06:13,780 --> 00:06:10,610  
to write about this subject it's just

109  
00:06:16,840 --> 00:06:13,790  
something that I got interested in and

110  
00:06:17,500 --> 00:06:16,850  
in fact I didn't even set out to write a

111  
00:06:21,150 --> 00:06:17,510  
book

112  
00:06:24,190 --> 00:06:21,160  
I just got interested in this story and

113  
00:06:28,560 --> 00:06:24,200

decided to start investigating it in it

114

00:06:33,190 --> 00:06:28,570

and that as I went along I realized that

115

00:06:38,620 --> 00:06:33,200

there was enough here or to make it into

116

00:06:40,719 --> 00:06:38,630

a book you use wrote the story very well

117

00:06:44,080 --> 00:06:40,729

your your command of the English

118

00:06:47,760 --> 00:06:44,090

language you were the way that you went

119

00:06:51,160 --> 00:06:47,770

through things in a clear minded way

120

00:06:53,650 --> 00:06:51,170

verbiage very excellent but I would say

121

00:06:56,500 --> 00:06:53,660

your you also sounded like a forensic

122

00:06:58,450 --> 00:06:56,510

investigator like a and I know that

123

00:07:00,670 --> 00:06:58,460

you're not a policeman I don't think you

124

00:07:04,150 --> 00:07:00,680

are that you're I believe somewhere in

125

00:07:08,980 --> 00:07:04,160

the medical field is that correct but my

126

00:07:12,580 --> 00:07:08,990

background I have done a lot of

127

00:07:15,010 --> 00:07:12,590

different things but probably the most

128

00:07:19,990 --> 00:07:15,020

consistent thing over the last 20 years

129

00:07:26,070 --> 00:07:20,000

is in the field of rehab and injury

130

00:07:29,500 --> 00:07:26,080

injury rehab and sports rehab as a

131

00:07:31,630 --> 00:07:29,510

orthopedic massage therapist well that's

132

00:07:34,180 --> 00:07:31,640

a wonderful that's a wonderful field and

133

00:07:37,030 --> 00:07:34,190

I'm sure that you're in high demand

134

00:07:40,060 --> 00:07:37,040

there but what as I say is quite

135

00:07:43,810 --> 00:07:40,070

remarkable you managed to connect with

136

00:07:48,370 --> 00:07:43,820

one of the Great's of our ufology field

137

00:07:51,580 --> 00:07:48,380

which is dr. Jacques Vallee and also I

138

00:07:56,200 --> 00:07:51,590

saw mark Rocha who is a familiar name

139

00:07:59,080 --> 00:07:56,210

mentioned in the in the thank yous at

140

00:08:02,110 --> 00:07:59,090

the back of the book but you're kind of

141

00:08:05,820 --> 00:08:02,120

an outsider to the UFO field and like I

142

00:08:08,830 --> 00:08:05,830

think that we people inside the field

143

00:08:11,520 --> 00:08:08,840

need more people like you okay that's

144

00:08:15,700 --> 00:08:11,530

that's my real really my main

145

00:08:18,430 --> 00:08:15,710

observation a few more things about you

146

00:08:22,240 --> 00:08:18,440

that we would like to know and let our

147

00:08:25,300 --> 00:08:22,250

listeners know is have you seen ever a

148

00:08:33,190 --> 00:08:25,310

UFO where did you get your interest in

149

00:08:35,320 --> 00:08:33,200

UFOs I guess I don't have I've seen some

150

00:08:40,930 --> 00:08:35,330

odd things but I could there's nothing I

151  
00:08:45,040 --> 00:08:40,940  
could really say was a UFO for sure and

152  
00:08:48,520 --> 00:08:45,050  
I guess it's just ever since I could

153  
00:08:51,250 --> 00:08:48,530  
remember I've been fascinated by things

154  
00:08:55,480 --> 00:08:51,260  
of an unexplained what we call

155  
00:08:58,270 --> 00:08:55,490  
unexplained you know you have Falls

156  
00:09:00,130 --> 00:08:58,280  
paranormal stuff well ditto on that

157  
00:09:01,190 --> 00:09:00,140  
David didn't what happened

158  
00:09:04,220 --> 00:09:01,200  
that's what we're all

159  
00:09:07,610 --> 00:09:04,230  
about here but you you really rocked

160  
00:09:09,980 --> 00:09:07,620  
this book you really rocked the book and

161  
00:09:12,760 --> 00:09:09,990  
of course I have one thing to say about

162  
00:09:16,340 --> 00:09:12,770  
what you just said and that is that

163  
00:09:19,790 --> 00:09:16,350

something that you can't identify in the

164

00:09:22,130 --> 00:09:19,800

sky is a UFO it may not be a visitor

165

00:09:24,050 --> 00:09:22,140

from outer space or another dimension

166

00:09:26,750 --> 00:09:24,060

but it sure is

167

00:09:30,770 --> 00:09:26,760

a UFO just by way of being unidentified

168

00:09:34,130 --> 00:09:30,780

right yeah that's a good point and by

169

00:09:38,150 --> 00:09:34,140

that definition I would say yes but the

170

00:09:41,210 --> 00:09:38,160

reason I hesitate is because I'm it

171

00:09:43,130 --> 00:09:41,220

there could be for the things that I saw

172

00:09:45,800 --> 00:09:43,140

it's possible that there was a mundane

173

00:09:50,630 --> 00:09:45,810

explanation that I just but that I

174

00:09:52,550 --> 00:09:50,640

didn't wasn't able to figure out sure so

175

00:10:00,020 --> 00:09:52,560

I haven't seen anything that that I

176

00:10:04,220 --> 00:10:00,030

would that I would just tend to think

177

00:10:06,830 --> 00:10:04,230

was a or at least I wouldn't talk about

178

00:10:09,020 --> 00:10:06,840

it as something that's a genuine unknown

179

00:10:11,690 --> 00:10:09,030

because I just don't know enough you

180

00:10:14,810 --> 00:10:11,700

know about what I saw us all well I I

181

00:10:17,780 --> 00:10:14,820

understand that for sure something on

182

00:10:20,930 --> 00:10:17,790

the last show about my being up in

183

00:10:22,820 --> 00:10:20,940

Providence Rhode Island for the fire

184

00:10:25,060 --> 00:10:22,830

water festival I think it's called I

185

00:10:28,160 --> 00:10:25,070

might have a word off on that but a

186

00:10:31,460 --> 00:10:28,170

couple thousand people up and down the

187

00:10:35,000 --> 00:10:31,470

river in Providence Rhode Island and you

188

00:10:38,180 --> 00:10:35,010

know they have a fire a fire festival on

189

00:10:39,980 --> 00:10:38,190

the water board a fire and there it's

190

00:10:42,650 --> 00:10:39,990

it's it's very nice and I've been to it

191

00:10:45,860 --> 00:10:42,660

a couple of three times and this time I

192

00:10:48,200 --> 00:10:45,870

looked up and I saw something moving

193

00:10:50,210 --> 00:10:48,210

erratically stopping and starting in the

194

00:10:52,760 --> 00:10:50,220

sky and I pointed it out to some people

195

00:10:55,430 --> 00:10:52,770

around me they were not interested they

196

00:10:57,680 --> 00:10:55,440

thought oh it must be it must be a drone

197

00:11:00,890 --> 00:10:57,690

so I think it's getting harder and

198

00:11:02,960 --> 00:11:00,900

harder to identify UFOs I went ahead and

199

00:11:05,300 --> 00:11:02,970

took my iPhone out and took a couple of

200

00:11:09,530 --> 00:11:05,310

three pictures of it and of course they

201  
00:11:13,700 --> 00:11:09,540  
the pictures didn't come out but it you

202  
00:11:14,790 --> 00:11:13,710  
know there's no I make no claims that it

203  
00:11:17,160 --> 00:11:14,800  
was the

204  
00:11:19,500 --> 00:11:17,170  
you know what was what am I looking for

205  
00:11:22,170 --> 00:11:19,510  
them Ming from Hmong let's put it that

206  
00:11:24,600 --> 00:11:22,180  
way or some other extraterrestrial

207  
00:11:26,280 --> 00:11:24,610  
visitor but it's hard to get people even

208  
00:11:28,230 --> 00:11:26,290  
interested in looking up in the sky

209  
00:11:31,350 --> 00:11:28,240  
these days everybody's looking down at

210  
00:11:33,210 --> 00:11:31,360  
their iPhones and other things but what

211  
00:11:37,350 --> 00:11:33,220  
I think we'd like to do right now is

212  
00:11:39,900 --> 00:11:37,360  
maybe you could give us the general the

213  
00:11:42,720 --> 00:11:39,910

basic story behind your book now your

214

00:11:44,819 --> 00:11:42,730

book is much more than the basic story

215

00:11:47,490 --> 00:11:44,829

you really go into investigating things

216

00:11:50,579 --> 00:11:47,500

but I think for our listeners who will

217

00:11:53,699 --> 00:11:50,589

many of whom will want to read our of

218

00:11:56,639 --> 00:11:53,709

your book from our part podcasts we get

219

00:11:58,860 --> 00:11:56,649

I get notes from people wow I read that

220

00:12:02,630 --> 00:11:58,870

book you were speaking about so people

221

00:12:08,579 --> 00:12:02,640

do go out and buy the book so give us a

222

00:12:11,130 --> 00:12:08,589

short synopsis ok well this this was a

223

00:12:16,829 --> 00:12:11,140

story that it's about an event that

224

00:12:19,980 --> 00:12:16,839

occurred in 1959 and the story that was

225

00:12:25,050 --> 00:12:19,990

that was published the full story was

226

00:12:28,889 --> 00:12:25,060

published in 1962 by two very well-known

227

00:12:32,579 --> 00:12:28,899

UFO researchers of that period named

228

00:12:36,269 --> 00:12:32,589

coral and Jim Lorenzen who were the

229

00:12:40,710 --> 00:12:36,279

founders of April the aerial phenomenon

230

00:12:42,380 --> 00:12:40,720

research organization they were the ones

231

00:12:47,819 --> 00:12:42,390

who were investigating this case

232

00:12:53,840 --> 00:12:47,829

personally and they finally published

233

00:12:57,660 --> 00:12:53,850

their full story in 1962 since then it's

234

00:13:00,630 --> 00:12:57,670

appeared in a summary has appeared in

235

00:13:09,660 --> 00:13:00,640

two of Jacques Valley's books which is

236

00:13:10,560 --> 00:13:09,670

where I ran across it but it's since

237

00:13:12,050 --> 00:13:10,570

1962

238

00:13:18,360 --> 00:13:12,060

there has been no additional

239

00:13:20,130 --> 00:13:18,370

investigation of this story Stan so what

240

00:13:24,420 --> 00:13:20,140

I'm about to this part that I'm gonna

241

00:13:26,880 --> 00:13:24,430

share right now is what was known from

242

00:13:28,060 --> 00:13:26,890

the original investigation before I got

243

00:13:31,840 --> 00:13:28,070

started

244

00:13:35,800 --> 00:13:31,850

in my own investigation it's about so

245

00:13:40,390 --> 00:13:35,810

the name of this it it's about a young

246

00:13:43,980 --> 00:13:40,400

soldier whose name is Jerry Irwin who

247

00:13:52,020 --> 00:13:43,990

was driving back to his base in Texas in

248

00:14:00,670 --> 00:13:52,030

late winter of 1959 southern Utah and

249

00:14:03,220 --> 00:14:00,680

he's on a pretty kind of a lonesome I

250

00:14:04,930 --> 00:14:03,230

guess not very well-traveled Highway at

251

00:14:08,770 --> 00:14:04,940

least when he was there mm-hmm

252

00:14:11,560 --> 00:14:08,780

he was the only car around when he's at

253

00:14:16,780 --> 00:14:11,570

night and he saw this brilliant object

254

00:14:19,690 --> 00:14:16,790

coming out of the sky and it was it was

255

00:14:22,750 --> 00:14:19,700

definitely strange enough that he pulled

256

00:14:24,970 --> 00:14:22,760

his car over to watch and was out of his

257

00:14:32,130 --> 00:14:24,980

vehicle before it went down behind a

258

00:14:35,710 --> 00:14:32,140

nearby Ridge where a hitha hello

259

00:14:37,930 --> 00:14:35,720

although we did yeah can you hear me I

260

00:14:40,030 --> 00:14:37,940

think he went out there for a second so

261

00:14:41,710 --> 00:14:40,040

it went down behind in nearby Ridge

262

00:14:46,180 --> 00:14:41,720

could we start up from that point please

263

00:14:50,170 --> 00:14:46,190

yes and and where he had where it

264

00:14:52,330 --> 00:14:50,180

appeared where it disappeared which what

265

00:14:55,660 --> 00:14:52,340

he thought was very close by maybe even

266

00:14:57,880 --> 00:14:55,670

just a quarter mile they saw the light

267

00:14:59,980 --> 00:14:57,890

flare up and then died down and and he

268

00:15:06,430 --> 00:14:59,990

didn't but he didn't hear any sound of a

269

00:15:09,060 --> 00:15:06,440

crash nonetheless the only you know he

270

00:15:12,340 --> 00:15:09,070

thought it it might be a plane crash and

271

00:15:18,910 --> 00:15:12,350

that he better take action in case it

272

00:15:22,240 --> 00:15:18,920

was so he brought a note alerting

273

00:15:26,890 --> 00:15:22,250

passerby what was going on and to please

274

00:15:28,770 --> 00:15:26,900

notify police and then he wrote stopped

275

00:15:32,530 --> 00:15:28,780

in large letters on the side of his car

276

00:15:34,450 --> 00:15:32,540

with shoe polish to get people to pull

277

00:15:39,070 --> 00:15:34,460

over and read his note then was attached

278

00:15:40,139 --> 00:15:39,080

to his steering wheel and at that point

279

00:16:03,900 --> 00:15:40,149

he

280

00:16:10,699 --> 00:16:03,910

a hospital and it was 24 hours later and

281

00:16:18,499 --> 00:16:16,079

he's the doctor was in the room and he

282

00:16:20,720 --> 00:16:18,509

was waking up and then shortly the

283

00:16:23,519 --> 00:16:20,730

sheriff came in to hear his story

284

00:16:25,439 --> 00:16:23,529

because they were very worried when they

285

00:16:28,470 --> 00:16:25,449

when he talked about a possible plane

286

00:16:31,889 --> 00:16:28,480

crash and they were unable to find a

287

00:16:34,170 --> 00:16:31,899

crash so they wanted to get his story

288

00:16:36,780 --> 00:16:34,180

but all he could tell them was basically

289

00:16:40,980 --> 00:16:36,790

that he stopped and he went looking for

290

00:16:45,509 --> 00:16:40,990

this thing this this bright object that

291

00:16:48,720 --> 00:16:45,519

went behind the ridge well then they

292

00:16:52,829 --> 00:16:48,730

tell him what happened to him and they

293

00:16:57,530 --> 00:16:52,839

found him apparently about a quarter

294

00:17:02,119 --> 00:16:57,540

mile from the road face down in the snow

295

00:17:04,760 --> 00:17:02,129

they couldn't find any sign of injury

296

00:17:11,760 --> 00:17:04,770

but they just couldn't wake him up and

297

00:17:14,880 --> 00:17:11,770

his vital signs were normal and they

298

00:17:17,490 --> 00:17:14,890

said but the one thing that was very

299

00:17:19,579 --> 00:17:17,500

strange was that while he was still

300

00:17:25,649 --> 00:17:19,589

unconscious he was muttering the words

301

00:17:27,720 --> 00:17:25,659

jacket on bush and he said well I don't

302

00:17:32,010 --> 00:17:27,730

know I don't know why I said that but

303

00:17:34,919 --> 00:17:32,020

now that you bring that up I was wearing

304

00:17:38,549 --> 00:17:34,929

a new sports jacket under my army

305

00:17:42,090 --> 00:17:38,559

overcoat what I when I was setting out

306

00:17:44,430 --> 00:17:42,100

to look for this thing and where is it

307

00:17:47,000 --> 00:17:44,440

by the way and they said well we didn't

308

00:17:50,750 --> 00:17:47,010

see a jacket you weren't wearing any

309

00:17:53,310 --> 00:17:50,760

anything like that when we found you and

310

00:17:55,490 --> 00:17:53,320

the search party didn't see a jacket

311

00:17:59,820 --> 00:17:55,500

laying around

312

00:18:04,680 --> 00:17:59,830

so that was that was an interesting kind

313

00:18:09,210 --> 00:18:04,690

of puzzle but it didn't the the full

314

00:18:14,130 --> 00:18:09,220

significance of that didn't really come

315

00:18:18,930 --> 00:18:14,140

to bear until later after a few days in

316

00:18:21,240 --> 00:18:18,940

the hospital they sent him back to his

317

00:18:24,210 --> 00:18:21,250

army base they couldn't find anything

318

00:18:27,480 --> 00:18:24,220

wrong with him so then there's then the

319

00:18:30,060 --> 00:18:27,490

army checked him over they couldn't find

320

00:18:32,460 --> 00:18:30,070

anything wrong with him either so they

321

00:18:34,590 --> 00:18:32,470

sent him back to duty and this is again

322

00:18:38,610 --> 00:18:34,600

and not this is at Fort Bliss Texas

323

00:18:43,770 --> 00:18:38,620

where he was serving as a Nike missile

324

00:18:47,640 --> 00:18:43,780

technician that's that's a very

325

00:18:50,670 --> 00:18:47,650

interesting job

326

00:18:53,550 --> 00:18:50,680

the Nike missile technician I just put

327

00:18:56,700 --> 00:18:53,560

that in there for our listeners because

328

00:18:59,220 --> 00:18:56,710

we have had a number of people on who

329

00:19:03,150 --> 00:18:59,230

have talked about particularly Robert

330

00:19:05,910 --> 00:19:03,160

Hastings the relationship between UFOs

331

00:19:07,620 --> 00:19:05,920

and some of these missiles and the

332

00:19:09,830 --> 00:19:07,630

missiles turning off so I just

333

00:19:14,520 --> 00:19:09,840

that's my insert go ahead David sorry

334

00:19:18,360 --> 00:19:14,530

okay yeah it was that was kind of the

335

00:19:20,310 --> 00:19:18,370

state-of-the-art anti-aircraft anti I

336

00:19:25,470 --> 00:19:20,320

mean it was really designed as

337

00:19:29,190 --> 00:19:25,480

last-ditch effort I mean it was our the

338

00:19:32,730 --> 00:19:29,200

last link in our chain of protection at

339

00:19:35,370 --> 00:19:32,740

that time against a Russian bombing

340

00:19:40,130 --> 00:19:35,380

attack basically so if they got through

341

00:19:42,420 --> 00:19:40,140

all the way and penetrated US airspace

342

00:19:44,790 --> 00:19:42,430

these missiles were designed to take

343

00:19:50,730 --> 00:19:44,800

down those aircraft before they could

344

00:19:54,270 --> 00:19:50,740

drop their payload at that house before

345

00:19:56,100 --> 00:19:54,280

they had the ICBMs right so it was a

346

00:19:58,400 --> 00:19:56,110

pretty important

347

00:20:04,890 --> 00:19:58,410

they were strategically very important

348

00:20:06,450 --> 00:20:04,900

anyway so then you know Jerry was

349

00:20:07,650 --> 00:20:06,460

released back to duty and he was

350

00:20:09,960 --> 00:20:07,660

supposedly

351

00:20:14,750 --> 00:20:09,970

okay as far as they could tell he kept

352

00:20:20,340 --> 00:20:14,760

having problems with blackouts and

353

00:20:23,730 --> 00:20:20,350

amnesia and about three weeks after the

354

00:20:28,080 --> 00:20:23,740

original incident in Utah he passed out

355

00:20:33,240 --> 00:20:28,090

in downtown El Paso which is adjacent to

356

00:20:36,960 --> 00:20:33,250

of a Fort Bliss and they took him to a

357

00:20:39,830 --> 00:20:36,970

pass old General Hospital and he was out

358

00:20:43,140 --> 00:20:39,840

for a few hours when he woke up his

359

00:20:46,080 --> 00:20:43,150

first words were were there any

360

00:20:48,149 --> 00:20:46,090

survivors and that's exactly what he

361

00:20:53,130 --> 00:20:48,159

said the first time you woke up in Utah

362

00:20:58,039 --> 00:20:53,140

he was he it in his mind he was right

363

00:21:00,180 --> 00:20:58,049

back on that night and it was as if

364

00:21:07,080 --> 00:21:00,190

nothing had happened in between he

365

00:21:12,840 --> 00:21:07,090

couldn't remember anything and they they

366

00:21:15,000 --> 00:21:12,850

tried to kind of jog his memory but he

367

00:21:18,240 --> 00:21:15,010

it took him a while they they had to

368

00:21:20,399 --> 00:21:18,250

take him back to the Army Hospital and

369

00:21:22,560 --> 00:21:20,409

he didn't recognize anybody at the Army

370

00:21:30,180 --> 00:21:22,570

Hospital even though he'd been in the

371

00:21:33,840 --> 00:21:30,190

ward only three weeks earlier so this

372

00:21:38,610 --> 00:21:33,850

time they kept him it was the they kept

373

00:21:40,789 --> 00:21:38,620

him in the psych ward for 32 days this

374

00:21:46,529 --> 00:21:40,799

time because they really wanted to

375

00:21:48,990 --> 00:21:46,539

observe him for a sustained period and

376  
00:21:52,409 --> 00:21:49,000  
during that time they gave him a sodium

377  
00:21:56,940 --> 00:21:52,419  
amytal interview which is like they call

378  
00:22:01,760 --> 00:21:56,950  
it truth serum and it's essentially it's

379  
00:22:07,710 --> 00:22:05,549  
so under under the influence of sodium

380  
00:22:12,779 --> 00:22:07,720  
amytal they questioned him to try to

381  
00:22:14,750 --> 00:22:12,789  
penetrate his amnesia and then when he

382  
00:22:17,070 --> 00:22:14,760  
when they brought him out of the trance

383  
00:22:21,649 --> 00:22:17,080  
they wouldn't tell him anything about

384  
00:22:30,810 --> 00:22:24,210  
they they basically just told him it

385  
00:22:35,909 --> 00:22:30,820  
didn't work so he never found out now

386  
00:22:37,529 --> 00:22:35,919  
the day as he remembered it this was the

387  
00:22:41,369 --> 00:22:37,539  
day before they released him from the

388  
00:22:47,720 --> 00:22:41,379

hospital the next day when they released

389

00:22:54,149 --> 00:22:47,730

him he went into a trance and in that

390

00:22:58,889 --> 00:22:54,159

trance-like state he left the base he

391

00:23:03,119 --> 00:22:58,899

boarded a Greyhound bus essentially he

392

00:23:06,810 --> 00:23:03,129

was going AWOL and he took an overnight

393

00:23:12,239 --> 00:23:06,820

bus to Utah he didn't even really know

394

00:23:13,080 --> 00:23:12,249

what he was doing the next day he got

395

00:23:15,869 --> 00:23:13,090

off the bus

396

00:23:20,369 --> 00:23:15,879

at Cedar City which was the city he was

397

00:23:24,180 --> 00:23:20,379

taken to after his original incident and

398

00:23:31,249 --> 00:23:24,190

then he just walked out of town for

399

00:23:40,710 --> 00:23:36,509

he walked off the highway straight back

400

00:23:44,129 --> 00:23:40,720

into the bush for some distance where he

401  
00:23:49,169 --> 00:23:44,139  
found his jacket hanging on a bush his

402  
00:23:51,450 --> 00:23:49,179  
missing jacket there was a pencil with a

403  
00:23:53,220 --> 00:23:51,460  
null Raptor wrapped around it that was

404  
00:23:56,369 --> 00:23:53,230  
stuck through a buttonhole of the jacket

405  
00:23:58,289 --> 00:23:56,379  
he pulled out the pencil unrolled the

406  
00:24:02,549 --> 00:23:58,299  
note and then burned it without reading

407  
00:24:09,090 --> 00:24:02,559  
it and at that point he woke up from his

408  
00:24:10,649 --> 00:24:09,100  
trance Wow he was very disoriented at

409  
00:24:15,109 --> 00:24:10,659  
that point when he woke up from his

410  
00:24:18,210 --> 00:24:15,119  
trance and suddenly he didn't really

411  
00:24:18,779 --> 00:24:18,220  
know where he was exactly he had a vague

412  
00:24:22,739 --> 00:24:18,789  
idea

413  
00:24:25,710 --> 00:24:22,749

he knew he was AWOL so it took him a

414

00:24:28,950 --> 00:24:25,720

while to find the highway again when he

415

00:24:32,009 --> 00:24:28,960

got to the highway he found his way back

416

00:24:35,290 --> 00:24:32,019

to the two Cedar City and turned himself

417

00:24:41,280 --> 00:24:37,450

and then he was able to talk to the

418

00:24:44,020 --> 00:24:41,290

sheriff who know he no longer recognized

419

00:24:49,420 --> 00:24:44,030

even though he'd he'd seem that Sheriff

420

00:24:53,290 --> 00:24:49,430

only three weeks earlier the sheriff

421

00:24:56,230 --> 00:24:53,300

then contacted his army base and a few

422

00:25:01,630 --> 00:24:56,240

days later they picked him up and took

423

00:25:05,460 --> 00:25:01,640

him back to Fort Bliss well he had more

424

00:25:09,390 --> 00:25:05,470

problems after that that culminated in

425

00:25:12,760 --> 00:25:09,400

another lengthy stay in the psych ward

426  
00:25:14,730 --> 00:25:12,770  
and when they when he came out of the

427  
00:25:21,490 --> 00:25:14,740  
psych ward

428  
00:25:25,150 --> 00:25:21,500  
at the end of July the very next day he

429  
00:25:25,540 --> 00:25:25,160  
deserted his post and he was never seen

430  
00:25:28,840 --> 00:25:25,550  
again

431  
00:25:32,200 --> 00:25:28,850  
and that's that's the last anybody heard

432  
00:25:35,650 --> 00:25:32,210  
of him so that's the the basis of the

433  
00:25:41,590 --> 00:25:35,660  
initial story that was recorded by the

434  
00:25:45,250 --> 00:25:41,600  
Lorenz ins of a pro yes and I I would

435  
00:25:48,280 --> 00:25:45,260  
say that I believe and I could be wrong

436  
00:25:50,830 --> 00:25:48,290  
it could be a similar story but that I

437  
00:25:54,160 --> 00:25:50,840  
had heard I'm going to say two or three

438  
00:25:57,850 --> 00:25:54,170

years ago on another show Linda Moulton

439

00:26:00,580 --> 00:25:57,860

Howe talked about this story and say

440

00:26:02,680 --> 00:26:00,590

that he had disappeared permanently to

441

00:26:05,770 --> 00:26:02,690

her knowledge and into everybody else's

442

00:26:09,700 --> 00:26:05,780

knowledge in the UFO world at any rate

443

00:26:12,040 --> 00:26:09,710

that would be the case right David right

444

00:26:17,410 --> 00:26:12,050

and nobody ever heard from a monkey Anna

445

00:26:19,870 --> 00:26:17,420

and but what kind of okay that's the

446

00:26:23,400 --> 00:26:19,880

point where I got interested I had read

447

00:26:29,050 --> 00:26:23,410

the story even a couple of decades

448

00:26:32,470 --> 00:26:29,060

before I started investigating but I

449

00:26:36,430 --> 00:26:32,480

just happened to kind of I always

450

00:26:40,030 --> 00:26:36,440

remembered it but it was just one of so

451  
00:26:42,640 --> 00:26:40,040  
many fascinating stories out there but

452  
00:26:44,730 --> 00:26:42,650  
the second time or it was I'm sure it

453  
00:26:47,440 --> 00:26:44,740  
was more in the second time then I

454  
00:26:48,870 --> 00:26:47,450  
stumbled upon it recently which was I

455  
00:26:52,470 --> 00:26:48,880  
guess 2013

456  
00:26:54,570 --> 00:26:52,480  
mmm-hmm I don't know why it happened

457  
00:26:57,930 --> 00:26:54,580  
that way but for some reason when I read

458  
00:26:59,310 --> 00:26:57,940  
that story again this time uh it just

459  
00:27:02,670 --> 00:26:59,320  
wouldn't let me rest

460  
00:27:05,070 --> 00:27:02,680  
you're almost compelled like Jerry was

461  
00:27:08,340 --> 00:27:05,080  
compelled to go after his jacket you

462  
00:27:11,580 --> 00:27:08,350  
were compelled to go after Jerry yeah

463  
00:27:14,760 --> 00:27:11,590

and I don't have an explanation for that

464

00:27:20,030 --> 00:27:14,770

I mean all I can say is and isn't it it

465

00:27:25,320 --> 00:27:20,040

was a unique experience in my lifetime I

466

00:27:31,890 --> 00:27:25,330

for some reason I just I just knew that

467

00:27:34,860 --> 00:27:31,900

I had to investigate this story and the

468

00:27:38,010 --> 00:27:34,870

interesting thing to me about that and I

469

00:27:43,070 --> 00:27:38,020

had a sense of urgency about it too and

470

00:27:47,310 --> 00:27:43,080

I saw him and I I just wonder because

471

00:27:52,170 --> 00:27:47,320

about four months after okay I'm gonna

472

00:27:54,960 --> 00:27:52,180

skip ahead a little bit here to make a

473

00:28:01,020 --> 00:27:54,970

long story short I found this man Jerry

474

00:28:06,890 --> 00:28:01,030

Irwin and we conducted a series of

475

00:28:10,970 --> 00:28:06,900

interviews I went to his home in Idaho

476

00:28:19,430 --> 00:28:10,980

twice in 2014

477

00:28:26,940 --> 00:28:22,950

four months later approximately he

478

00:28:32,040 --> 00:28:26,950

suffered a massive and very nearly fatal

479

00:28:34,710 --> 00:28:32,050

heart attack and I mean it was so

480

00:28:37,230 --> 00:28:34,720

serious his heart was stopped for over

481

00:28:39,360 --> 00:28:37,240

half an hour oh boy we could have a

482

00:28:41,250 --> 00:28:39,370

whole program on whether he had a

483

00:28:43,500 --> 00:28:41,260

near-death experience but we won't go

484

00:28:49,290 --> 00:28:43,510

there right now go ahead go ahead David

485

00:28:51,690 --> 00:28:49,300

sorry yeah and at that point his his

486

00:28:55,740 --> 00:28:51,700

when I was interviewing him and this is

487

00:28:58,860 --> 00:28:55,750

also a large part of the story I I was

488

00:29:02,310 --> 00:28:58,870

able to understand pretty quickly that

489

00:29:06,580 --> 00:29:02,320

he had some major gaps in his memory

490

00:29:10,950 --> 00:29:06,590

about the events of that year mm-hmm

491

00:29:15,519 --> 00:29:10,960

and after his heart attack his memory

492

00:29:17,769 --> 00:29:15,529

took another major hit and and he he

493

00:29:20,830 --> 00:29:17,779

lost a lot of what was left at that

494

00:29:24,729 --> 00:29:20,840

point of its memory so I guess what I'm

495

00:29:27,729 --> 00:29:24,739

saying is I don't think this really

496

00:29:31,810 --> 00:29:27,739

could have happened this this project if

497

00:29:36,430 --> 00:29:31,820

I had waited work for anybody if nobody

498

00:29:39,969 --> 00:29:36,440

had gotten involved in that timeframe

499

00:29:42,310 --> 00:29:39,979

before that massive heart attack I just

500

00:29:45,310 --> 00:29:42,320

doubt this ever would have happened well

501  
00:29:48,339 --> 00:29:45,320  
I can't help but think from an intuitive

502  
00:29:50,950 --> 00:29:48,349  
point of view that somehow you were

503  
00:29:53,469 --> 00:29:50,960  
called upon because here you are you're

504  
00:29:56,469 --> 00:29:53,479  
a guy interested in the paranormal in

505  
00:30:00,509 --> 00:29:56,479  
general never had an up-close UFO

506  
00:30:05,379 --> 00:30:00,519  
sighting not a not a mainstream

507  
00:30:08,409 --> 00:30:05,389  
ufologist good writer great guy but it's

508  
00:30:11,259 --> 00:30:08,419  
just suddenly takes off on this

509  
00:30:14,229 --> 00:30:11,269  
adventure to go see Jerry Erwin and you

510  
00:30:17,560 --> 00:30:14,239  
managed to meet up with him and get as

511  
00:30:20,229 --> 00:30:17,570  
much of his story as he remembered but

512  
00:30:24,099 --> 00:30:20,239  
what is quite baffling is all the things

513  
00:30:26,979 --> 00:30:24,109

he didn't remember and I will you know

514

00:30:29,049 --> 00:30:26,989

fill something in here and that is that

515

00:30:32,889 --> 00:30:29,059

for those people who might be listening

516

00:30:36,219 --> 00:30:32,899

who think you know they're on the fence

517

00:30:39,070 --> 00:30:36,229

about what UFOs are or if they're they

518

00:30:43,450 --> 00:30:39,080

even exist to the people who wonder if

519

00:30:46,269 --> 00:30:43,460

UFOs even exist I would say that David

520

00:30:49,690 --> 00:30:46,279

our author here has gone to great

521

00:30:53,109 --> 00:30:49,700

lengths within the book to look at the

522

00:30:57,060 --> 00:30:53,119

idea of was this a hoax did Jerry hoax

523

00:31:00,909 --> 00:30:57,070

it did did the government orchestrate a

524

00:31:05,019 --> 00:31:00,919

PSYOP attack and I'm forced to conclude

525

00:31:07,629 --> 00:31:05,029

from your research and my own thoughts

526

00:31:11,109 --> 00:31:07,639

that indeed it was not that he did see

527

00:31:13,839 --> 00:31:11,119

something and that it was genuine to a

528

00:31:15,310 --> 00:31:13,849

point of when he got in the hands of the

529

00:31:17,310 --> 00:31:15,320

army and then

530

00:31:19,690 --> 00:31:17,320

you know it's it's anybody's guess

531

00:31:21,960 --> 00:31:19,700

exactly what they did to his mind I

532

00:31:30,820 --> 00:31:21,970

would not be able to comment

533

00:31:32,590 --> 00:31:30,830

intellectually on that part I I know but

534

00:31:39,300 --> 00:31:32,600

one thing is probably really important

535

00:31:42,790 --> 00:31:39,310

to to observe is that and when Jerry was

536

00:31:47,430 --> 00:31:42,800

asked about his experiences in 1959 by

537

00:31:50,290 --> 00:31:47,440

the lorenz ins right he felt clear that

538

00:31:54,940 --> 00:31:50,300

whatever his problems were they were

539

00:31:58,930 --> 00:31:54,950

coming from his experience in Utah this

540

00:32:00,760 --> 00:31:58,940

is what he also told in this look we we

541

00:32:04,180 --> 00:32:00,770

actually received a lot of new

542

00:32:07,330 --> 00:32:04,190

information that was made possible by

543

00:32:10,180 --> 00:32:07,340

Jerry authorizing the release of his

544

00:32:16,000 --> 00:32:10,190

medical records and service records from

545

00:32:20,200 --> 00:32:16,010

the Army which he had never seen which

546

00:32:24,010 --> 00:32:20,210

in which he also told his doctors the

547

00:32:27,880 --> 00:32:24,020

same thing he at least in his mind there

548

00:32:31,230 --> 00:32:27,890

was no question that the continuum

549

00:32:34,720 --> 00:32:31,240

continued problems he had with his

550

00:32:39,580 --> 00:32:34,730

blackouts and in amnesia stemmed from

551  
00:32:42,520 --> 00:32:39,590  
his experience in Utah now that's also

552  
00:32:46,330 --> 00:32:42,530  
backed up by the records because his

553  
00:32:48,880 --> 00:32:46,340  
doctors looked into his background they

554  
00:32:53,020 --> 00:32:48,890  
could find no history of anything

555  
00:32:55,120 --> 00:32:53,030  
similar for him and he had been in the

556  
00:32:56,460 --> 00:32:55,130  
service previously in the Air Force for

557  
00:32:59,710 --> 00:32:56,470  
four years

558  
00:33:03,880 --> 00:32:59,720  
they and he had been in the Army for I

559  
00:33:06,580 --> 00:33:03,890  
think this for a little over when this

560  
00:33:09,280 --> 00:33:06,590  
happened yeah known he'd had no

561  
00:33:09,940 --> 00:33:09,290  
disciplinary problems he had no medical

562  
00:33:15,130 --> 00:33:09,950  
problems

563  
00:33:19,500 --> 00:33:15,140

suddenly he has is he experienced in

564

00:33:22,240 --> 00:33:19,510

Utah and his life is is upended it's

565

00:33:24,900 --> 00:33:22,250

everything's upside-down suddenly he's

566

00:33:29,049 --> 00:33:24,910

going in a into a downward spiral he's

567

00:33:31,089 --> 00:33:29,059

having a as a result he's having

568

00:33:32,889 --> 00:33:31,099

what are interpreted as disciplinary

569

00:33:36,639 --> 00:33:32,899

problems but they're really he's just

570

00:33:39,849 --> 00:33:36,649

suffering basically problems of mental

571

00:33:44,259 --> 00:33:39,859

problems really I mean in a he in the

572

00:33:47,229 --> 00:33:44,269

view of the army of anybody who at that

573

00:33:51,459 --> 00:33:47,239

time we can say that UFOs were not

574

00:33:55,949 --> 00:33:51,469

unknown but abductions in 1959 were

575

00:33:59,709 --> 00:33:55,959

extraordinarily rare and there was no

576

00:34:04,119 --> 00:33:59,719

like template of what an abduction

577

00:34:06,639 --> 00:34:04,129

experience should be like now I want to

578

00:34:08,470 --> 00:34:06,649

mention here two things that came it

579

00:34:10,690 --> 00:34:08,480

came to me in the book that I thought

580

00:34:11,680 --> 00:34:10,700

were great but I want to do one thing

581

00:34:14,440 --> 00:34:11,690

for you first

582

00:34:16,389 --> 00:34:14,450

I want to slate that we're speaking to

583

00:34:19,839 --> 00:34:16,399

David Booher who has written a book

584

00:34:23,559 --> 00:34:19,849

called no return the Jerry Erwin story

585

00:34:25,659 --> 00:34:23,569

UFO abduction or covert operation and

586

00:34:30,730 --> 00:34:25,669

it's published by our friends at

587

00:34:34,379 --> 00:34:30,740

anomalous books okay so two things that

588

00:34:38,169 --> 00:34:34,389

seem to me to be marvelous that you

589

00:34:43,509 --> 00:34:38,179

managed to get first the army records

590

00:34:46,029 --> 00:34:43,519

with the doctor's note about what dr.

591

00:34:49,990 --> 00:34:46,039

Valentine I believe it was he wrote down

592

00:34:53,589 --> 00:34:50,000

about what came out something about what

593

00:34:56,230 --> 00:34:53,599

came out under the sodium sodium sodium

594

00:35:00,789 --> 00:34:56,240

amytal I always think of pentathol but

595

00:35:04,950 --> 00:35:00,799

it's amytal in this case treatment and

596

00:35:09,819 --> 00:35:04,960

then the fact also that you were able to

597

00:35:11,859 --> 00:35:09,829

access the appro stuff now i know i've

598

00:35:15,609 --> 00:35:11,869

heard a lot about and i know of a lot of

599

00:35:18,630 --> 00:35:15,619

people who have petitioned the folks who

600

00:35:21,579 --> 00:35:18,640

are now in possession of the appro

601  
00:35:25,120 --> 00:35:21,589  
information since coral and jim lorenzo

602  
00:35:28,299 --> 00:35:25,130  
sadly passed away and have been totally

603  
00:35:30,730 --> 00:35:28,309  
unable to obtain any information from

604  
00:35:31,150 --> 00:35:30,740  
the people who who i have no idea who

605  
00:35:32,710 --> 00:35:31,160  
they are

606  
00:35:36,370 --> 00:35:32,720  
i'm just saying this because i've heard

607  
00:35:38,109 --> 00:35:36,380  
this they have not been able to get the

608  
00:35:39,809 --> 00:35:38,119  
information out of appra how did you

609  
00:35:42,070 --> 00:35:39,819  
manage that

610  
00:35:50,610 --> 00:35:42,080  
well all I could say is

611  
00:35:55,150 --> 00:35:50,620  
I just I just decided to have to ask and

612  
00:36:02,200 --> 00:35:55,160  
they complied and I in awe it which was

613  
00:36:05,170 --> 00:36:02,210

a huge benefit to my research it it

614

00:36:11,830 --> 00:36:05,180

really filled in some important pieces

615

00:36:16,870 --> 00:36:11,840

of information in terms of things that

616

00:36:18,310 --> 00:36:16,880

the Lorenz ins had had found but for

617

00:36:20,920 --> 00:36:18,320

whatever reason it didn't make it into

618

00:36:23,260 --> 00:36:20,930

their final story and I think part of

619

00:36:24,730 --> 00:36:23,270

that is simply because they didn't they

620

00:36:27,130 --> 00:36:24,740

didn't have enough information to know

621

00:36:32,580 --> 00:36:27,140

what was going to be significant

622

00:36:35,320 --> 00:36:32,590

ultimately about certain details so Mike

623

00:36:40,270 --> 00:36:35,330

that's all I can tell you I mean in this

624

00:36:42,880 --> 00:36:40,280

case I they decided to help me out and

625

00:36:45,610 --> 00:36:42,890

provided those files which well you've

626

00:36:48,790 --> 00:36:45,620

got the gold in touch with this David

627

00:36:52,630 --> 00:36:48,800

and I intuitively I just feel like it

628

00:36:57,750 --> 00:36:52,640

there is some kind of faded situation

629

00:37:02,650 --> 00:36:57,760

here whether some unknown force has

630

00:37:06,730 --> 00:37:02,660

guided you through this certainly the

631

00:37:08,710 --> 00:37:06,740

the the name of Jacques valet has no

632

00:37:10,690 --> 00:37:08,720

doubt helped you win your research and

633

00:37:14,920 --> 00:37:10,700

but you've done a marvelous job all on

634

00:37:16,990 --> 00:37:14,930

your own there and they can you perhaps

635

00:37:21,640 --> 00:37:17,000

talk a little bit about the sodium

636

00:37:24,100 --> 00:37:21,650

pentathol the sodium amytal part there

637

00:37:25,960 --> 00:37:24,110

what actually was found out that Jerry

638

00:37:32,260 --> 00:37:25,970

had said or at least what did dr.

639

00:37:36,490 --> 00:37:32,270

Valentine right there yeah now to

640

00:37:40,750 --> 00:37:36,500

preface this briefly as you mentioned

641

00:37:43,870 --> 00:37:40,760

earlier there had simply been no stories

642

00:37:47,710 --> 00:37:43,880

of abduction in the media at this point

643

00:37:51,280 --> 00:37:47,720

when this happened of course there was

644

00:37:55,690 --> 00:37:51,290

kind of a UFO mania in the 50s and there

645

00:37:55,960 --> 00:37:55,700

was this kind of contactee mania which

646

00:37:59,950 --> 00:37:55,970

was

647

00:38:02,710 --> 00:37:59,960

very different kind of phenomenon but

648

00:38:06,760 --> 00:38:02,720

this is what one thing that makes this

649

00:38:10,810 --> 00:38:06,770

story so fascinating is it it bears the

650

00:38:15,580 --> 00:38:10,820

hallmarks of a classic UFO abduction

651

00:38:20,620 --> 00:38:15,590

case but there at that point in time he

652

00:38:24,160 --> 00:38:20,630

had if he was inclined to make it up or

653

00:38:27,040 --> 00:38:24,170

if he was someone who was susceptible to

654

00:38:29,950 --> 00:38:27,050

the power of suggestion let's say there

655

00:38:34,450 --> 00:38:29,960

simply weren't any stories to influence

656

00:38:36,220 --> 00:38:34,460

him in that regard so this is still two

657

00:38:40,510 --> 00:38:36,230

years before the Betty and Barney Hill

658

00:38:43,870 --> 00:38:40,520

case and their story didn't even reach

659

00:38:48,220 --> 00:38:43,880

the mainstream media until the mid 60s

660

00:38:52,349 --> 00:38:48,230

so this was considerably earlier on okay

661

00:38:56,099 --> 00:38:52,359

and now that's important in regard to

662

00:38:58,330 --> 00:38:56,109

Jerry's doctor because Jerry's doctor

663

00:39:01,240 --> 00:38:58,340

certainly couldn't have heard any of

664

00:39:04,060 --> 00:39:01,250

these details before from other cases

665

00:39:08,530 --> 00:39:04,070

and there's no doubt from reading his

666

00:39:09,420 --> 00:39:08,540

notes that to him this is just total

667

00:39:13,510 --> 00:39:09,430

nonsense

668

00:39:19,540 --> 00:39:13,520

what Jerry what here's Jerry saying and

669

00:39:25,690 --> 00:39:19,550

he's inclined to think that it says this

670

00:39:28,089 --> 00:39:25,700

is a symptom of psychosis and yet I'll

671

00:39:37,290 --> 00:39:28,099

just I'll reape briefly that what he

672

00:39:44,500 --> 00:39:42,250

jerry stated he's speaking about jerry

673

00:39:47,859 --> 00:39:44,510

okay stated that there was a special

674

00:39:50,589 --> 00:39:47,869

intelligence that he couldn't explain to

675

00:39:53,170 --> 00:39:50,599

me since it would be incomprehensible to

676  
00:39:56,470 --> 00:39:53,180  
me which has directed him not to

677  
00:39:59,589 --> 00:39:56,480  
remember or not to tell me about any of

678  
00:40:01,839 --> 00:39:59,599  
the events in utah he says that if he

679  
00:40:04,420 --> 00:40:01,849  
tells what was behind the incidents nude

680  
00:40:07,150 --> 00:40:04,430  
in utah there will be a big

681  
00:40:08,600 --> 00:40:07,160  
investigation that he does not want to

682  
00:40:11,060 --> 00:40:08,610  
be bothered with

683  
00:40:12,320 --> 00:40:11,070  
and also because it will harm many

684  
00:40:16,970 --> 00:40:12,330  
people and he doesn't want that to

685  
00:40:20,810 --> 00:40:16,980  
happen he states it all began at the age

686  
00:40:24,800 --> 00:40:20,820  
of three years although he will not

687  
00:40:27,110 --> 00:40:24,810  
reveal how or what began stating it

688  
00:40:32,090 --> 00:40:27,120

would provide a clue to me as to what is

689

00:40:33,850 --> 00:40:32,100

behind all this he also he informed me

690

00:40:37,490 --> 00:40:33,860

that he could leave this hospital

691

00:40:45,230 --> 00:40:37,500

anytime if he wanted to by invoking a

692

00:40:47,510 --> 00:40:45,240

special force Wow I that that is I read

693

00:40:51,020 --> 00:40:47,520

that in your book and that's quite

694

00:40:54,230 --> 00:40:51,030

mind-blowing and that kind of seals the

695

00:40:57,980 --> 00:40:54,240

whole thing in my mind to some extent

696

00:41:02,660 --> 00:40:57,990

that this doctor prior to the abduction

697

00:41:06,680 --> 00:41:02,670

phenomena put this gentleman under

698

00:41:09,650 --> 00:41:06,690

sodium amytal and came and and Jerry

699

00:41:13,300 --> 00:41:09,660

came out with basically that and and

700

00:41:19,550 --> 00:41:13,310

really we have no reason to believe that

701

00:41:21,260 --> 00:41:19,560

the doctor was lying in his notes you

702

00:41:23,270 --> 00:41:21,270

did bring up the idea that he may have

703

00:41:27,110 --> 00:41:23,280

been given the sodium amytal more than

704

00:41:29,030 --> 00:41:27,120

once and this could in fact have made

705

00:41:31,820 --> 00:41:29,040

his memory even worse than it was to

706

00:41:34,280 --> 00:41:31,830

start off with but clearly he was having

707

00:41:39,370 --> 00:41:34,290

a lot of amnesia before he ever got the

708

00:41:45,980 --> 00:41:42,410

and one one more point about that

709

00:41:49,730 --> 00:41:45,990

interview is there's a great deal of

710

00:41:54,880 --> 00:41:49,740

concern that's been voiced over the last

711

00:42:03,980 --> 00:42:00,670

unscrupulous or inexperienced hypnotists

712

00:42:07,640 --> 00:42:03,990

consciously or unconsciously leading

713

00:42:10,490 --> 00:42:07,650

their subjects to remember things that

714

00:42:11,660 --> 00:42:10,500

that didn't actually happen right I mean

715

00:42:15,140 --> 00:42:11,670

there's a word for it but I can't think

716

00:42:18,950 --> 00:42:15,150

of that right now but absolutely this

717

00:42:22,310 --> 00:42:18,960

could not have happened in this case at

718

00:42:25,700 --> 00:42:22,320

which which is one more

719

00:42:31,790 --> 00:42:25,710

one more aspect that makes it seem it

720

00:42:34,220 --> 00:42:31,800

adds to the authenticity I think I'm I'm

721

00:42:38,180 --> 00:42:34,230

compelled by the mention of him being

722

00:42:41,510 --> 00:42:38,190

three years old you know because being

723

00:42:44,030 --> 00:42:41,520

an experienced or myself I remember

724

00:42:46,010 --> 00:42:44,040

feeling like something was pulling me

725

00:42:49,180 --> 00:42:46,020

out of my body when I was in that age

726

00:42:52,700 --> 00:42:49,190

range so I have a lot of sympathy for

727

00:42:55,220 --> 00:42:52,710

for a Jerry there and may I ask you

728

00:42:59,600 --> 00:42:55,230

his condition currently as we speak in

729

00:43:03,710 --> 00:42:59,610

2017 he's still with us I believe far as

730

00:43:06,200 --> 00:43:03,720

I know he is I I mean to try to get in

731

00:43:11,030 --> 00:43:06,210

touch with him sometime soon I did talk

732

00:43:13,190 --> 00:43:11,040

to him in June and he's had a slow long

733

00:43:15,830 --> 00:43:13,200

slow recovery because that heart attack

734

00:43:21,230 --> 00:43:15,840

was I guess that was a little over two

735

00:43:26,180 --> 00:43:21,240

and a half years ago and his apparently

736

00:43:29,210 --> 00:43:26,190

his memory and his functioning have been

737

00:43:32,450 --> 00:43:29,220

slowly improving over that time to the

738

00:43:39,560 --> 00:43:32,460

point where this time he remembered me

739

00:43:42,260 --> 00:43:39,570

and he hadn't before that so he so I'm

740

00:43:45,290 --> 00:43:42,270

I'm hopeful that he'll continue to

741

00:43:47,600 --> 00:43:45,300

improve and I and he was very optimistic

742

00:43:49,940 --> 00:43:47,610

as well I hope you'll have a reunion

743

00:43:53,720 --> 00:43:49,950

with him that would be nice

744

00:43:56,060 --> 00:43:53,730

I wonder if this Fame has reached him of

745

00:43:58,820 --> 00:43:56,070

you know the fame that your book perhaps

746

00:44:01,010 --> 00:43:58,830

has given him and the fact that people

747

00:44:04,510 --> 00:44:01,020

in ufology thought he was dead but you

748

00:44:08,450 --> 00:44:04,520

really brought out so many fascinating

749

00:44:11,140 --> 00:44:08,460

you compared his case with the hills the

750

00:44:15,020 --> 00:44:11,150

Betty and Barney Hills case and you also

751

00:44:18,140 --> 00:44:15,030

revealed that even Carl Jung had an

752

00:44:22,010 --> 00:44:18,150

opinion on the matter and that choral

753

00:44:25,850 --> 00:44:22,020

Lorenzen stood firm with her opinion now

754

00:44:29,120 --> 00:44:25,860

I you know I have no doubt that Jerry in

755

00:44:32,810 --> 00:44:29,130

my mind anyway that Jerry was the victim

756

00:44:35,180 --> 00:44:32,820

of some very strange event I don't

757

00:44:36,170 --> 00:44:35,190

believe that the event itself from what

758

00:44:37,790 --> 00:44:36,180

I've read from you

759

00:44:39,650 --> 00:44:37,800

I'm just giving you my opinion you know

760

00:44:41,960 --> 00:44:39,660

kind of going in here with you

761

00:44:43,579 --> 00:44:41,970

I don't believe from what you wrote and

762

00:44:46,359 --> 00:44:43,589

from everything that you said and you

763

00:44:49,040 --> 00:44:46,369

seem like a very incredibly honest

764

00:44:51,559 --> 00:44:49,050

research at giving all sides of the

765

00:44:54,319 --> 00:44:51,569

story I don't believe that the actual

766

00:44:56,839 --> 00:44:54,329

event was orchestrated by the government

767

00:45:00,380 --> 00:44:56,849

that it seems like a whole lot of money

768

00:45:02,870 --> 00:45:00,390

to be spent for one little soldier who

769

00:45:06,290 --> 00:45:02,880

you know would end up with mental

770

00:45:09,230 --> 00:45:06,300

problems although it was the time as you

771

00:45:12,589 --> 00:45:09,240

mentioned of psyops

772

00:45:14,930 --> 00:45:12,599

and and the all of a sudden my mind went

773

00:45:17,359 --> 00:45:14,940

blank on the big program of psyops that

774

00:45:19,400 --> 00:45:17,369

were that took place at that time you

775

00:45:22,040 --> 00:45:19,410

know that you know it David what was

776

00:45:26,299 --> 00:45:22,050

okay MK yeah thank you thank you thank

777

00:45:29,359 --> 00:45:26,309

you but there's one thing that I don't

778

00:45:33,200 --> 00:45:29,369

believe you covered in the book okay and

779

00:45:35,540 --> 00:45:33,210

I'm I don't know that this was anything

780

00:45:39,880 --> 00:45:35,550

about the case and in fact what I'm

781

00:45:44,780 --> 00:45:39,890

going to say is also still a very big

782

00:45:48,829 --> 00:45:44,790

mystery even to astronomers now if I

783

00:45:54,589 --> 00:45:48,839

remember correctly his initial sighting

784

00:45:58,520 --> 00:45:54,599

was in February yes okay yeah his

785

00:46:02,599 --> 00:45:58,530

initial sighting was in February and for

786

00:46:06,280 --> 00:46:02,609

the last twenty years or so he we here

787

00:46:08,510 --> 00:46:06,290

on earth now this is after Jerry Irwin's

788

00:46:11,059 --> 00:46:08,520

event because we're talking about the

789

00:46:13,640 --> 00:46:11,069

last twenty thirty years we have

790

00:46:15,980 --> 00:46:13,650

experienced here on earth something

791

00:46:20,030 --> 00:46:15,990

called the February fireballs are you

792

00:46:23,960 --> 00:46:20,040

aware of that no I guess that's new to

793

00:46:28,450 --> 00:46:23,970

me okay so let me let me say a few words

794

00:46:32,690 --> 00:46:28,460

about that and it's an it's an

795

00:46:36,799 --> 00:46:32,700

astronomical anomaly it's not thought to

796

00:46:39,500 --> 00:46:36,809

be extraterrestrial intelligences but no

797

00:46:41,809 --> 00:46:39,510

one really knows but for I'll say about

798

00:46:43,880 --> 00:46:41,819

the last 25 years and I'm not an

799

00:46:47,270 --> 00:46:43,890

astronomer so I could be wrong on my

800

00:46:50,030 --> 00:46:47,280

facts there have been what appears to be

801  
00:46:54,700 --> 00:46:50,040  
very large meteors

802  
00:46:59,410 --> 00:46:54,710  
coming into the atmosphere in the

803  
00:47:02,390 --> 00:46:59,420  
northern hemisphere and crossing the sky

804  
00:47:03,800 --> 00:47:02,400  
sort of obliquely in other words when

805  
00:47:06,230 --> 00:47:03,810  
you see a shooting star

806  
00:47:07,940 --> 00:47:06,240  
mostly they come right down and they're

807  
00:47:12,920 --> 00:47:07,950  
gone in a second

808  
00:47:17,480 --> 00:47:12,930  
these February fireballs seem to be

809  
00:47:22,790 --> 00:47:17,490  
molten metal and they cross the sky at a

810  
00:47:26,060 --> 00:47:22,800  
slower rate that astronomers are have

811  
00:47:33,350 --> 00:47:26,070  
theories about why they are traveling so

812  
00:47:35,360 --> 00:47:33,360  
slowly I was very lucky to see two of

813  
00:47:36,860 --> 00:47:35,370

these things and some astronomers have

814

00:47:39,980 --> 00:47:36,870

never seen them so the fact that I saw

815

00:47:42,650 --> 00:47:39,990

two of them is like I allow both in the

816

00:47:46,310 --> 00:47:42,660

same year the first one I saw in the

817

00:47:49,250 --> 00:47:46,320

beginning of March and it's it's

818

00:47:54,740 --> 00:47:49,260

streaked across the sky as I was walking

819

00:47:59,420 --> 00:47:54,750

out at night around a small lake in New

820

00:48:03,350 --> 00:47:59,430

Jersey and it crossed the sky slowly and

821

00:48:06,290 --> 00:48:03,360

I saw it about when it was overhead and

822

00:48:11,290 --> 00:48:06,300

then I saw it go down and it appeared to

823

00:48:14,840 --> 00:48:11,300

go down behind this hill and I was

824

00:48:18,070 --> 00:48:14,850

tempted to go chase it because I thought

825

00:48:20,510 --> 00:48:18,080

oh wow I'm gonna find this big meteor

826  
00:48:27,410 --> 00:48:20,520  
virtually blocks away from where I am

827  
00:48:29,860 --> 00:48:27,420  
and the color it kind of what it looked

828  
00:48:32,630 --> 00:48:29,870  
like it sort of had a greenish color

829  
00:48:34,940 --> 00:48:32,640  
which may have indicated that there was

830  
00:48:37,340 --> 00:48:34,950  
copper in it but you know I'm not a

831  
00:48:40,070 --> 00:48:37,350  
chemist greenish and then some little

832  
00:48:42,080 --> 00:48:40,080  
bit of blueish there may have been like

833  
00:48:46,910 --> 00:48:42,090  
a little bit of a crackling sound but

834  
00:48:49,760 --> 00:48:46,920  
the sound was not extraordinary or even

835  
00:48:52,790 --> 00:48:49,770  
noticeable probably to some people I was

836  
00:48:56,090 --> 00:48:52,800  
with another person and I was literally

837  
00:48:58,700 --> 00:48:56,100  
speechless I was pointing to the object

838  
00:49:01,100 --> 00:48:58,710

as it went down and the person that was

839

00:49:03,280 --> 00:49:01,110

with me was looking at me like I'd lost

840

00:49:06,250 --> 00:49:03,290

my only brain

841

00:49:10,170 --> 00:49:06,260

and she refused to look in the direction

842

00:49:18,100 --> 00:49:10,180

I was pointing with my mouth open going

843

00:49:21,850 --> 00:49:18,110

and and so I went home and I researched

844

00:49:24,880 --> 00:49:21,860

it a little bit I called up a local

845

00:49:28,390 --> 00:49:24,890

MUFON person who I know who's been on

846

00:49:32,200 --> 00:49:28,400

the show and he said he thought it was a

847

00:49:37,450 --> 00:49:32,210

meteor and he directed me to the meteor

848

00:49:40,570 --> 00:49:37,460

sighting there's a whole compendium list

849

00:49:42,520 --> 00:49:40,580

online of all the meteors that are of

850

00:49:49,360 --> 00:49:42,530

any size that might come down to earth

851  
00:49:53,470 --> 00:49:49,370  
or go past now this one was seen oddly

852  
00:49:55,600 --> 00:49:53,480  
enough all the way from Scandinavia all

853  
00:49:58,690 --> 00:49:55,610  
the way to I'm going to say West

854  
00:50:03,150 --> 00:49:58,700  
Virginia somewhere in that region so it

855  
00:50:07,870 --> 00:50:03,160  
crossed the northern Atlantic from

856  
00:50:14,800 --> 00:50:07,880  
Sweden let's say that Norway all the way

857  
00:50:16,870 --> 00:50:14,810  
across somewhere in Canada maybe Prince

858  
00:50:19,000 --> 00:50:16,880  
Edward Island like that people saw it

859  
00:50:21,040 --> 00:50:19,010  
and people saw it all the way down

860  
00:50:24,850 --> 00:50:21,050  
Virginia and West Virginia

861  
00:50:27,700 --> 00:50:24,860  
it made an arc but it looked very much

862  
00:50:30,700 --> 00:50:27,710  
like it was going to crash in my

863  
00:50:33,400 --> 00:50:30,710

vicinity and were younger and a blur and

864

00:50:37,540 --> 00:50:33,410

I'm not you know I'm not but I wasn't

865

00:50:39,730 --> 00:50:37,550

about to take off over the hill looking

866

00:50:41,380 --> 00:50:39,740

for it but I would have liked to but I

867

00:50:45,160 --> 00:50:41,390

would have been I wouldn't have found

868

00:50:48,070 --> 00:50:45,170

anything that being said because I saw

869

00:50:49,960 --> 00:50:48,080

the first one I was riding in a car and

870

00:50:54,670 --> 00:50:49,970

I saw a second one which I then

871

00:50:58,180 --> 00:50:54,680

confirmed with that meteor sight but the

872

00:51:02,260 --> 00:50:58,190

second one was not at all anywhere near

873

00:51:05,170 --> 00:51:02,270

as dramatic as the first one the object

874

00:51:08,770 --> 00:51:05,180

was more than half the size of the moon

875

00:51:10,630 --> 00:51:08,780

I would say and just one of the most

876  
00:51:14,010 --> 00:51:10,640  
amazing things I've ever seen in my life

877  
00:51:16,840 --> 00:51:14,020  
now I did a blog spot about that and

878  
00:51:19,660 --> 00:51:16,850  
what I did get a respond

879  
00:51:22,630 --> 00:51:19,670  
to that blogspot from an astral

880  
00:51:25,630 --> 00:51:22,640  
photographer in Europe and said that I

881  
00:51:28,690 --> 00:51:25,640  
was very blessed to have heard from it I

882  
00:51:31,060 --> 00:51:28,700  
have seen it rather I don't know if that

883  
00:51:33,640 --> 00:51:31,070  
was his exact words but he felt that

884  
00:51:39,580 --> 00:51:33,650  
there were some extraterrestrial

885  
00:51:41,890 --> 00:51:39,590  
intelligences operating there and far be

886  
00:51:44,680 --> 00:51:41,900  
it for me to disagree because I have

887  
00:51:47,380 --> 00:51:44,690  
been an experiencer but it was it was a

888  
00:51:50,140 --> 00:51:47,390

monumental experience in my life as all

889

00:51:51,340 --> 00:51:50,150

I can tell you is it was like I wouldn't

890

00:51:53,530 --> 00:51:51,350

trade it for the world

891

00:51:55,330 --> 00:51:53,540

it looked almost like a comet but a

892

00:52:00,820 --> 00:51:55,340

moving comet you know where a comet is

893

00:52:04,060 --> 00:52:00,830

bigger than a a meteorite but I I would

894

00:52:07,480 --> 00:52:04,070

just suggest that you look at that but

895

00:52:11,110 --> 00:52:07,490

that does not preclude in any way the

896

00:52:15,070 --> 00:52:11,120

idea of alien intelligence or the fact

897

00:52:16,420 --> 00:52:15,080

that it could be even some kind if it

898

00:52:19,480 --> 00:52:16,430

were that it could be some form of

899

00:52:22,450 --> 00:52:19,490

oblique message from an alien

900

00:52:26,890 --> 00:52:22,460

intelligence but I do suggest you take a

901  
00:52:30,340 --> 00:52:26,900  
look at the the February fireballs yeah

902  
00:52:33,550 --> 00:52:30,350  
that's very it's very intriguing and I

903  
00:52:35,260 --> 00:52:33,560  
could see why if if somebody saw

904  
00:52:37,570 --> 00:52:35,270  
something like that just like the way

905  
00:52:40,510 --> 00:52:37,580  
you were affected why that could be

906  
00:52:47,800 --> 00:52:40,520  
compelling enough to cause someone to go

907  
00:52:52,090 --> 00:52:47,810  
and investigate absolutely and if that

908  
00:52:54,480 --> 00:52:52,100  
happened but one thing is seems to be a

909  
00:52:57,990 --> 00:52:54,490  
key to the whole story of Jeremy Irwin

910  
00:53:01,620 --> 00:52:58,000  
seems to revolve around that jacket and

911  
00:53:08,170 --> 00:53:01,630  
a one hot detail about the jacket is

912  
00:53:11,800 --> 00:53:08,180  
that he supposedly he lost his jacket

913  
00:53:13,150 --> 00:53:11,810

somewhere near I'll be 20 because that's

914

00:53:19,170 --> 00:53:13,160

where he had his original incident

915

00:53:25,920 --> 00:53:19,180

that's about oh about 30 miles 35 miles

916

00:53:30,280 --> 00:53:29,050

then I found a really interesting puzzle

917

00:53:32,740 --> 00:53:30,290

when I started

918

00:53:35,190 --> 00:53:32,750

looking at the original stories that

919

00:53:37,510 --> 00:53:35,200

were published in newspapers and

920

00:53:43,020 --> 00:53:37,520

comparing them to what the Lorenz ins

921

00:53:47,230 --> 00:53:43,030

published according to the Lorenz ins

922

00:53:51,370 --> 00:53:47,240

when Jerry returned to Utah in the State

923

00:53:57,790 --> 00:53:51,380

of Trance in March so I guess that was

924

00:54:00,820 --> 00:53:57,800

April in April he walked out of Cedar

925

00:54:05,200 --> 00:54:00,830

City along Highway 14 and the place

926  
00:54:11,200 --> 00:54:05,210  
where he actually found his jacket was a

927  
00:54:13,540 --> 00:54:11,210  
good 50 miles by Road or I think it was

928  
00:54:16,360 --> 00:54:13,550  
approximately 30 miles as the crow flies

929  
00:54:22,900 --> 00:54:16,370  
from the site of his original incident

930  
00:54:28,240 --> 00:54:22,910  
Wow and that's a very interesting puzzle

931  
00:54:30,910 --> 00:54:28,250  
that so it's certainly possible that

932  
00:54:35,140 --> 00:54:30,920  
there's a lot of explanations for what

933  
00:54:40,240 --> 00:54:35,150  
he might have seen but what it where it

934  
00:54:43,380 --> 00:54:40,250  
gets more interesting is why did he why

935  
00:54:46,690 --> 00:54:43,390  
was he unconscious for 24 hours and also

936  
00:54:47,110 --> 00:54:46,700  
what's the story with that jacket yeah

937  
00:54:50,440 --> 00:54:47,120  
really

938  
00:54:53,010 --> 00:54:50,450

and him burning the note that he'd

939

00:54:58,300 --> 00:54:53,020

written on the jacket without reading it

940

00:55:01,450 --> 00:54:58,310

yeah that's pretty bizarre he he

941

00:55:03,880 --> 00:55:01,460

actually when I talked to him and also

942

00:55:07,150 --> 00:55:03,890

when he talked to the Lorenz ins he

943

00:55:10,330 --> 00:55:07,160

remembered passing out not long after he

944

00:55:14,200 --> 00:55:10,340

left his vehicle but interestingly the

945

00:55:17,650 --> 00:55:14,210

sheriff's own report which was which was

946

00:55:20,380 --> 00:55:17,660

something I was able to get a copy of a

947

00:55:25,690 --> 00:55:20,390

letter that he wrote about Jerry's

948

00:55:28,630 --> 00:55:25,700

encounter or his incident fairly late in

949

00:55:32,080 --> 00:55:28,640

my research but in that letter the

950

00:55:35,560 --> 00:55:32,090

sheriff said that they found him at the

951  
00:55:41,590 --> 00:55:35,570  
top of the ridge not right close to his

952  
00:55:43,420 --> 00:55:41,600  
car and that Jerry at that time because

953  
00:55:44,020 --> 00:55:43,430  
the sheriff was the first one to hear

954  
00:55:47,380 --> 00:55:44,030  
any

955  
00:55:50,730 --> 00:55:47,390  
testimony from Gerry apparently Gerry

956  
00:55:52,870 --> 00:55:50,740  
told him that he remembered walking up

957  
00:55:56,740 --> 00:55:52,880  
towards the place where he thought it

958  
00:55:59,230 --> 00:55:56,750  
crashed and with every step he saw that

959  
00:56:04,180 --> 00:55:59,240  
light getting brighter as if he was

960  
00:56:10,620 --> 00:56:04,190  
approaching a glowing object so in the

961  
00:56:13,120 --> 00:56:10,630  
in this first telling of the story Gerry

962  
00:56:16,570 --> 00:56:13,130  
was telling a story that seemed to

963  
00:56:18,190 --> 00:56:16,580

indicate that it was something that was

964

00:56:20,020 --> 00:56:18,200

there and he was getting closer to it

965

00:56:22,900 --> 00:56:20,030

and right what he should have seen it

966

00:56:29,290 --> 00:56:22,910

clearing the ridgetop is when he blacked

967

00:56:32,380 --> 00:56:29,300

out interesting yeah well I wonder if we

968

00:56:35,320 --> 00:56:32,390

will ever find out I know that Gerry

969

00:56:37,410 --> 00:56:35,330

doesn't seem that interested in finding

970

00:56:42,310 --> 00:56:37,420

out what happened so he probably

971

00:56:43,660 --> 00:56:42,320

wouldn't even take a hypnotic regression

972

00:56:46,540 --> 00:56:43,670

at this point and I don't know if he

973

00:56:49,510 --> 00:56:46,550

should but it will remain a great

974

00:56:53,340 --> 00:56:49,520

mystery and perhaps you would like to

975

00:56:58,480 --> 00:56:53,350

tell the name of your book again and and

976  
00:57:01,060 --> 00:56:58,490  
the and you know where people can get it

977  
00:57:04,960 --> 00:57:01,070  
and how they can okay

978  
00:57:09,190 --> 00:57:04,970  
yeah it's called dull return the Gerry

979  
00:57:12,760 --> 00:57:09,200  
Irwin's story the subtitle is UFO

980  
00:57:15,820 --> 00:57:12,770  
abduction or a covert operation it's

981  
00:57:18,670 --> 00:57:15,830  
available on all the major book outlets

982  
00:57:23,200 --> 00:57:18,680  
like Animas on Barnes & Noble the and

983  
00:57:28,660 --> 00:57:23,210  
the anymore asari in eBook form as Kobo

984  
00:57:34,510 --> 00:57:28,670  
and those other formats and I have a

985  
00:57:38,230 --> 00:57:34,520  
Facebook page set up for it at it's

986  
00:57:41,230 --> 00:57:38,240  
called no return at forgotten and

987  
00:57:43,920 --> 00:57:41,240  
calendar I just liked the Facebook page

988  
00:57:47,050 --> 00:57:43,930

today and we hope you will like our

989

00:57:50,110 --> 00:57:47,060

Facebook page of shattered reality

990

00:57:53,800 --> 00:57:50,120

podcast and we've certainly really

991

00:57:55,540 --> 00:57:53,810

enjoyed having you on and I just threw

992

00:57:57,430 --> 00:57:55,550

that thing out there about the February

993

00:57:59,349 --> 00:57:57,440

fireball because I had the

994

00:58:01,210 --> 00:57:59,359

experience with it and in fact

995

00:58:04,000 --> 00:58:01,220

scientists don't know quite what they

996

00:58:06,220 --> 00:58:04,010

are anyway so it could fit into the

997

00:58:09,000 --> 00:58:06,230

mystery or perhaps it doesn't fit in at

998

00:58:12,520 --> 00:58:09,010

all but we'll just put it out there and

999

00:58:15,010 --> 00:58:12,530

again we thank you so much David for

1000

00:58:18,309 --> 00:58:15,020

being a guest on shadow of reality

1001  
00:58:19,480 --> 00:58:18,319  
podcast oh thanks so much for having me

1002  
00:58:23,470 --> 00:58:19,490  
on I really enjoyed it

1003  
00:58:25,960 --> 00:58:23,480  
oh we did well I did too and and we are

1004  
00:58:28,150 --> 00:58:25,970  
not here today except I think that our

1005  
00:58:31,300 --> 00:58:28,160  
engineer bill has enjoyed it as well and

1006  
00:58:33,339 --> 00:58:31,310  
and Kate will be back and I'm sure

1007  
00:58:38,020 --> 00:58:33,349  
she'll listen to it as soon as we get

1008  
00:58:39,730 --> 00:58:38,030  
the the audio up and running okay David

1009  
00:58:42,400 --> 00:58:39,740  
I hope to speak to you again oh one

1010  
00:58:46,740 --> 00:58:42,410  
question before you go do you have any

1011  
00:58:52,120 --> 00:58:46,750  
future plans for investigating any other

1012  
00:58:54,220 --> 00:58:52,130  
interesting anomalous stuff I not at the

1013  
00:58:56,620 --> 00:58:54,230

moment but you never know what might be

1014

00:58:59,740 --> 00:58:56,630

around the corner well I certainly hope

1015

00:59:02,680 --> 00:58:59,750

you do because I personally enjoyed your

1016

00:59:05,650 --> 00:59:02,690

writing style and you could give some of

1017

00:59:08,410 --> 00:59:05,660

the the people who write UFO books a few

1018

00:59:12,730 --> 00:59:08,420

English lessons that they could well

1019

00:59:13,800 --> 00:59:12,740

need well thanks very much for your kind

1020

00:59:16,510 --> 00:59:13,810

words

1021

00:59:18,460 --> 00:59:16,520

be kind to you not so kind to some

1022

00:59:20,680 --> 00:59:18,470

others and I'll probably get flak from

1023

00:59:22,359 --> 00:59:20,690

that but hey that's what I'm here for it

1024

00:59:25,359 --> 00:59:22,369

gets some flak okay

1025

00:59:32,290 --> 00:59:25,369

David bye now alright take care thanks

1026  
00:59:35,589 --> 00:59:32,300  
bye okay so here we are still with

1027  
00:59:38,200 --> 00:59:35,599  
shattered reality on October 3rd 2017

1028  
00:59:41,260 --> 00:59:38,210  
and from our listeners corner I would

1029  
00:59:43,720 --> 00:59:41,270  
like to present oddly enough

1030  
00:59:47,109 --> 00:59:43,730  
and it's really it's really more the

1031  
00:59:51,550 --> 00:59:47,119  
rule than the exception we have an

1032  
00:59:54,280 --> 00:59:51,560  
artist today last last show we also had

1033  
00:59:57,819 --> 00:59:54,290  
an artist with it in the experiencer

1034  
01:00:00,970 --> 00:59:57,829  
corner and so it's it seems to be well

1035  
01:00:03,400 --> 01:00:00,980  
known that creative people people with

1036  
01:00:06,329 --> 01:00:03,410  
open minds the creative type of person

1037  
01:00:10,420 --> 01:00:06,339  
is much more likely to have an

1038  
01:00:11,259 --> 01:00:10,430

experience particularly a UFO experience

1039

01:00:14,529 --> 01:00:11,269

it seems

1040

01:00:17,380 --> 01:00:14,539

that the two major areas of people who

1041

01:00:20,409 --> 01:00:17,390

have the UFO experience are either

1042

01:00:23,949 --> 01:00:20,419

creative people like our next guest and

1043

01:00:26,259 --> 01:00:23,959

also military men who are perhaps in

1044

01:00:30,339 --> 01:00:26,269

planes or watching the skies they also

1045

01:00:35,649 --> 01:00:30,349

are very high in the ranks of people who

1046

01:00:40,539 --> 01:00:35,659

see UFOs so let me now introduce artist

1047

01:00:44,559 --> 01:00:40,549

and intuitive June Ponte hello June

1048

01:00:47,499 --> 01:00:44,569

- how are you I'm doing pretty well

1049

01:00:51,819 --> 01:00:47,509

today and hopefully you are too because

1050

01:00:56,079 --> 01:00:51,829

we would like to hear the full story of

1051  
01:00:58,299 --> 01:00:56,089  
your you have had two UFO experiences

1052  
01:01:01,659 --> 01:00:58,309  
one a little bit more significant than

1053  
01:01:04,389 --> 01:01:01,669  
the other but both quite amazing so

1054  
01:01:07,929 --> 01:01:04,399  
would you like to take us back to the

1055  
01:01:10,269 --> 01:01:07,939  
tell us the approximate year and what

1056  
01:01:15,399 --> 01:01:10,279  
you were doing during that day and then

1057  
01:01:19,029 --> 01:01:15,409  
take us into the encounter okay well it

1058  
01:01:22,389 --> 01:01:19,039  
was the spring of 1979 and at that time

1059  
01:01:25,809 --> 01:01:22,399  
I was an anti-nuclear activist and I'd

1060  
01:01:27,759 --> 01:01:25,819  
spent the day demonstrating and we were

1061  
01:01:30,009 --> 01:01:27,769  
blocking the entrance to the corporate

1062  
01:01:32,409 --> 01:01:30,019  
offices of Jersey Central Power and

1063  
01:01:35,019 --> 01:01:32,419

Light Company and they were in Mountain

1064

01:01:38,829 --> 01:01:35,029

Lakes New Jersey so it was no business

1065

01:01:41,259 --> 01:01:38,839

as usual because they were the owners of

1066

01:01:44,349 --> 01:01:41,269

the Three Mile Island nuclear facility

1067

01:01:48,329 --> 01:01:44,359

and that had as you may remember a

1068

01:01:51,159 --> 01:01:48,339

dangerous nuclear accident very good yes

1069

01:01:53,859 --> 01:01:51,169

actually the worst in US history

1070

01:01:55,959 --> 01:01:53,869

anyway I was arrested with a few others

1071

01:01:58,899 --> 01:01:55,969

and we spent the rest of the day in jail

1072

01:02:01,659 --> 01:01:58,909

and mountain lake eventually my sister

1073

01:02:04,120 --> 01:02:01,669

came and bailed me out we went to her

1074

01:02:08,529 --> 01:02:04,130

house in West Milford to calm down and

1075

01:02:10,839 --> 01:02:08,539

have computer so I still had to get back

1076  
01:02:13,359 --> 01:02:10,849  
to my home in Union City so my friend

1077  
01:02:14,519 --> 01:02:13,369  
Frank arrived late need me to drive me

1078  
01:02:18,039 --> 01:02:14,529  
home

1079  
01:02:20,620 --> 01:02:18,049  
we have this old army green Plymouth

1080  
01:02:24,849 --> 01:02:20,630  
Valiant and that he called mr. rhenium

1081  
01:02:27,309 --> 01:02:24,859  
and was a cool car but it didn't

1082  
01:02:29,349 --> 01:02:27,319  
go very fast we left my home around

1083  
01:02:32,559 --> 01:02:29,359  
midnight and we were driving down route

1084  
01:02:34,779 --> 01:02:32,569  
23 and Westminster and it was very dark

1085  
01:02:38,140 --> 01:02:34,789  
I don't think there were any lights on

1086  
01:02:40,509 --> 01:02:38,150  
that road at that time crisis focused on

1087  
01:02:43,569 --> 01:02:40,519  
the road and he was chatting away and

1088  
01:02:45,539 --> 01:02:43,579

she liked to do and I was gazing out my

1089

01:02:49,900 --> 01:02:45,549

passenger side window

1090

01:02:54,210 --> 01:02:49,910

suddenly I see this enormous UFO it was

1091

01:03:07,269 --> 01:02:54,220

it was so big that just the size was

1092

01:03:10,690 --> 01:03:07,279

shocking and how big was it I don't know

1093

01:03:13,029 --> 01:03:10,700

it just it just went on forever and the

1094

01:03:16,720 --> 01:03:13,039

weird saying creature wasn't in the sky

1095

01:03:18,849 --> 01:03:16,730

it was on my side of the road only feet

1096

01:03:21,009 --> 01:03:18,859

away from where the road ends and the

1097

01:03:25,630 --> 01:03:21,019

grass starts on the side of the road

1098

01:03:28,420 --> 01:03:25,640

and it was a one you know one lane going

1099

01:03:33,069 --> 01:03:28,430

in my direction route 23 at that top at

1100

01:03:37,390 --> 01:03:33,079

that point in 23 and this thing was

1101  
01:03:40,359 --> 01:03:37,400  
hovering and soundlessly about 50 feet

1102  
01:03:43,930 --> 01:03:40,369  
over this valley life depression in the

1103  
01:03:47,140 --> 01:03:43,940  
ground and it had red yellow and green

1104  
01:03:50,769 --> 01:03:47,150  
lights going around the rim and it was

1105  
01:03:54,069 --> 01:03:50,779  
shaped like classic round flying saucer

1106  
01:03:56,849 --> 01:03:54,079  
I fortunately or unfortunately it looked

1107  
01:04:01,329 --> 01:03:56,859  
like something off a comic book it was

1108  
01:04:03,249 --> 01:04:01,339  
so so like what you would imagine in

1109  
01:04:06,970 --> 01:04:03,259  
those days we call them flying saucers

1110  
01:04:13,420 --> 01:04:06,980  
really and it was so so Junie we would

1111  
01:04:14,799 --> 01:04:13,430  
say circular and circular shape larger

1112  
01:04:18,069 --> 01:04:14,809  
than a football field

1113  
01:04:20,259 --> 01:04:18,079

yeah with a Coppola on the top or a flat

1114

01:04:22,180 --> 01:04:20,269

on the top and it had what I thought of

1115

01:04:26,109 --> 01:04:22,190

as a dome I guess it comes all the way

1116

01:04:30,819 --> 01:04:26,119

okay yeah yes and okay same difference

1117

01:04:35,289 --> 01:04:30,829

yeah so I think it was so shocking that

1118

01:04:38,440 --> 01:04:35,299

my mind I was I was trying to take it in

1119

01:04:40,240 --> 01:04:38,450

and then all of a sudden I heard this

1120

01:04:42,520 --> 01:04:40,250

voice in my head that wasn't my own

1121

01:04:45,520 --> 01:04:42,530

voice we all have our own voice in our

1122

01:04:47,770 --> 01:04:45,530

head right but yes yes I was hearing

1123

01:04:50,740 --> 01:04:47,780

another voice and it kept saying in a

1124

01:04:52,450 --> 01:04:50,750

kind of mechanical way it's a radio

1125

01:04:57,130 --> 01:04:52,460

tower that fell down

1126

01:04:59,290 --> 01:04:57,140

kept tilt in my head

1127

01:05:01,540 --> 01:04:59,300

every time it said it it was almost like

1128

01:05:04,120 --> 01:05:01,550

automatic I would chop my head and try

1129

01:05:07,359 --> 01:05:04,130

to see that those rights around the rim

1130

01:05:10,060 --> 01:05:07,369

as your radio show that so now

1131

01:05:11,829 --> 01:05:10,070

but my own voice in my head was saying

1132

01:05:13,390 --> 01:05:11,839

the other voice no it's not it's

1133

01:05:18,010 --> 01:05:13,400

different video child that fell down

1134

01:05:20,380 --> 01:05:18,020

there's a flying saucer so yeah it was a

1135

01:05:23,170 --> 01:05:20,390

very weird thing because I guess my mind

1136

01:05:26,560 --> 01:05:23,180

was processing it and I don't understand

1137

01:05:28,780 --> 01:05:26,570

if it was you know how that that voice

1138

01:05:31,150 --> 01:05:28,790

came in my head I don't know with them

1139

01:05:34,210 --> 01:05:31,160

it was another part of me but whatever

1140

01:05:36,880 --> 01:05:34,220

it was it was pretty pretty freaky in my

1141

01:05:38,530 --> 01:05:36,890

head as well as what I was seeing anyway

1142

01:05:40,630 --> 01:05:38,540

I wanted to see if my friends saw the

1143

01:05:43,030 --> 01:05:40,640

same thing I saw but I didn't want to

1144

01:05:45,339 --> 01:05:43,040

suggest to him what I saw because I

1145

01:05:48,640 --> 01:05:45,349

really wanted to know if he saw anything

1146

01:05:51,640 --> 01:05:48,650

so I said Frank look to your right do

1147

01:05:53,559 --> 01:05:51,650

you see anything and he looks over and

1148

01:05:56,200 --> 01:05:53,569

he says holy crap is a flying saucer

1149

01:05:58,720 --> 01:05:56,210

we're getting the hell out of here so

1150

01:06:01,359 --> 01:05:58,730

Frank's glams his foot on the gas but

1151

01:06:05,530 --> 01:06:01,369

oldest geranium didn't go much over 45

1152

01:06:07,690 --> 01:06:05,540

so that didn't today so much good and I

1153

01:06:08,319 --> 01:06:07,700

was in a panic cuz this thing just kept

1154

01:06:10,030 --> 01:06:08,329

coming

1155

01:06:11,950 --> 01:06:10,040

you know I'm looking out the window and

1156

01:06:14,020 --> 01:06:11,960

we we just keep driving past it it was

1157

01:06:17,530 --> 01:06:14,030

like a bad dream just kept going past it

1158

01:06:19,750 --> 01:06:17,540

and that's it but finally it seems to

1159

01:06:23,290 --> 01:06:19,760

take forever to get past this thing but

1160

01:06:24,819 --> 01:06:23,300

we got past it I don't remember we

1161

01:06:26,890 --> 01:06:24,829

didn't know about this thing time in

1162

01:06:30,339 --> 01:06:26,900

those days or certainly I I did never

1163

01:06:32,380 --> 01:06:30,349

heard of that so I know what happened I

1164

01:06:36,550 --> 01:06:32,390

don't remember what time I get home or

1165

01:06:39,520 --> 01:06:36,560

if anything weird happened but it's been

1166

01:06:42,220 --> 01:06:39,530

almost 40 years since that time and

1167

01:06:44,079 --> 01:06:42,230

Frank and I still need yeah we still

1168

01:06:46,780 --> 01:06:44,089

talk about every time I see my buddy

1169

01:06:49,240 --> 01:06:46,790

Frank miss geraniums gone but our

1170

01:06:52,770 --> 01:06:49,250

sonship is strong and we still talk

1171

01:06:55,870 --> 01:06:52,780

about it was a very very

1172

01:06:58,720 --> 01:06:55,880

shocking event since this was something

1173

01:07:00,490 --> 01:06:58,730

quite near the ground and quite near us

1174

01:07:03,550 --> 01:07:00,500

I could have walked over to it and

1175

01:07:05,710 --> 01:07:03,560

touched it or if that's frightening if I

1176

01:07:07,150 --> 01:07:05,720

choose that's high enough but you know

1177

01:07:10,030 --> 01:07:07,160

since it was in the depression in the

1178

01:07:10,599 --> 01:07:10,040

ground you know it was it was just right

1179

01:07:17,460 --> 01:07:10,609

there

1180

01:07:20,980 --> 01:07:17,470

frightening for sure very shocking and

1181

01:07:22,960 --> 01:07:20,990

but I had you know I would see one but I

1182

01:07:25,780 --> 01:07:22,970

thought I'd see like a nice Pleasant

1183

01:07:29,530 --> 01:07:25,790

little lights in the sky but not so much

1184

01:07:35,170 --> 01:07:29,540

you know yeah well did you do you recall

1185

01:07:38,829 --> 01:07:35,180

having any dreams regarding this I don't

1186

01:07:41,770 --> 01:07:38,839

think so the only thing I can recall was

1187

01:07:44,170 --> 01:07:41,780

I you know I have always been frightened

1188

01:07:46,230 --> 01:07:44,180

of the dark but I attribute that more to

1189

01:07:50,170 --> 01:07:46,240

my intuitive side mediumistic

1190

01:07:53,500 --> 01:07:50,180

experiences and I have seen people in

1191

01:07:55,750 --> 01:07:53,510

spirit form and so you know a night

1192

01:07:57,910 --> 01:07:55,760

without the lights on you know I didn't

1193

01:07:58,329 --> 01:07:57,920

have too many of those for many many

1194

01:08:02,109 --> 01:07:58,339

years

1195

01:08:06,910 --> 01:08:02,119

oh yeah you wear secret sisters under

1196

01:08:10,480 --> 01:08:06,920

the skin I think one of the things I

1197

01:08:15,790 --> 01:08:10,490

remember is when streamers communion

1198

01:08:17,410 --> 01:08:15,800

came out that book here here me to death

1199

01:08:20,920 --> 01:08:17,420

scared me to death

1200

01:08:24,550 --> 01:08:20,930

and it set me back way back to like the

1201

01:08:28,390 --> 01:08:24,560

terror I felt from this experience and I

1202

01:08:32,999 --> 01:08:28,400

understand entirely because the John Mac

1203

01:08:37,780 --> 01:08:33,009

book the the fellow who investigated

1204

01:08:40,689 --> 01:08:37,790

people who were abductees when I I could

1205

01:08:42,849 --> 01:08:40,699

not read that book I picked it up out of

1206

01:08:45,430 --> 01:08:42,859

the library and I would read like three

1207

01:08:48,189 --> 01:08:45,440

pages and I couldn't sleep all night it

1208

01:08:50,860 --> 01:08:48,199

was that affecting to me when I read the

1209

01:08:54,700 --> 01:08:50,870

the John Mac book about abduction

1210

01:08:58,329 --> 01:08:54,710

phenomena so you didn't have a a a

1211

01:09:01,660 --> 01:08:58,339

second UFO sighting that was a little

1212

01:09:03,309 --> 01:09:01,670

less dramatic but nonetheless real do

1213

01:09:05,459 --> 01:09:03,319

you want to just tell us about that and

1214

01:09:06,870 --> 01:09:05,469

we so much appreciate you being

1215

01:09:08,579 --> 01:09:06,880

willing to speak with us here on

1216

01:09:11,969 --> 01:09:08,589

shattered reality in the listeners

1217

01:09:14,129 --> 01:09:11,979

corner I'm happy to fruition because a

1218

01:09:18,140 --> 01:09:14,139

lot of people don't feel comfortable to

1219

01:09:20,450 --> 01:09:18,150

talk about these things but I know that

1220

01:09:23,430 --> 01:09:20,460

you like me

1221

01:09:27,989 --> 01:09:23,440

we've seen these things we know they

1222

01:09:31,229 --> 01:09:27,999

exist and I what I think is that people

1223

01:09:33,390 --> 01:09:31,239

who have seen and know that that there

1224

01:09:36,149 --> 01:09:33,400

are beings on other planets that there

1225

01:09:40,319 --> 01:09:36,159

are UFOs visiting us or living here

1226

01:09:43,559 --> 01:09:40,329

we seem to attract to each other I can't

1227

01:09:45,930 --> 01:09:43,569

tell you how many people I've met that

1228

01:09:50,249 --> 01:09:45,940

have seen something I I know people that

1229

01:09:52,169 --> 01:09:50,259

have had even scarier experiences than

1230

01:09:54,359 --> 01:09:52,179

this one and I think it's very

1231

01:09:57,080 --> 01:09:54,369

interesting I think we do attract to

1232

01:10:00,000 --> 01:09:57,090

each other and I'm not sure why but um

1233

01:10:06,330 --> 01:10:00,010

the other Sun Daman Alford has shattered

1234

01:10:14,279 --> 01:10:06,340

reality you know what about that tight

1235

01:10:16,319 --> 01:10:14,289

butt oh yes so the other one I had an

1236

01:10:22,529 --> 01:10:16,329

experience I was quite young in Union

1237

01:10:24,750 --> 01:10:22,539

City and that one was a I was walking

1238

01:10:27,989 --> 01:10:24,760

home from the grocery store was a little

1239

01:10:32,009 --> 01:10:27,999

kid 11 12 maybe and I looked up and

1240

01:10:35,219 --> 01:10:32,019

there was a cigar-shaped object in the

1241

01:10:36,660 --> 01:10:35,229

sky and the weird thing was that you

1242

01:10:39,299 --> 01:10:36,670

know we used to have a lot of blimps

1243

01:10:41,910 --> 01:10:39,309

back in the late fifties you know

1244

01:10:44,339 --> 01:10:41,920

floating around going over to New York I

1245

01:10:46,560 --> 01:10:44,349

guess the Goodyear blimp others and I

1246

01:10:48,529 --> 01:10:46,570

always found this a haunted creepy but

1247

01:10:51,660 --> 01:10:48,539

this was not a blimp it was very

1248

01:10:54,270 --> 01:10:51,670

elongated and kind of I can't explain it

1249

01:10:58,950 --> 01:10:54,280

it looked like an elongated tablet or a

1250

01:11:02,189 --> 01:10:58,960

cigar or something of an ape and it kind

1251

01:11:03,750 --> 01:11:02,199

of tilted every occasionally it was very

1252

01:11:06,959 --> 01:11:03,760

creepy and I almost look like something

1253

01:11:09,359 --> 01:11:06,969

that could fall and it was very silent

1254

01:11:12,120 --> 01:11:09,369

and I remember it was a great day it was

1255

01:11:14,700 --> 01:11:12,130

cloudy but yet I could see this thing it

1256

01:11:18,990 --> 01:11:14,710

looked like a silvery gray metallic

1257

01:11:23,190 --> 01:11:19,000

thing and as a kid at that age I

1258

01:11:25,980 --> 01:11:23,200

that's neat looks like a car it didn't

1259

01:11:27,930 --> 01:11:25,990

scare me I guess it wasn't closed you

1260

01:11:30,270 --> 01:11:27,940

know I'm actually one scared me more

1261

01:11:31,740 --> 01:11:30,280

than a Qing I think because the blimps

1262

01:11:33,360 --> 01:11:31,750

look like problems to me

1263

01:11:36,840 --> 01:11:33,370

this thing just look like a cigar which

1264

01:11:39,390 --> 01:11:36,850

was yeah I don't know but yeah but and

1265

01:11:42,770 --> 01:11:39,400

you know up here where I live in Sussex

1266

01:11:47,820 --> 01:11:42,780

County now I've seen a number of the

1267

01:11:50,520 --> 01:11:47,830

triangular-shaped UFOs

1268

01:11:52,230 --> 01:11:50,530

so yeah they're around and lots of

1269

01:11:54,150 --> 01:11:52,240

people are seeing them and if more

1270

01:11:57,630 --> 01:11:54,160

people talked about them maybe we'd get

1271

01:12:00,360 --> 01:11:57,640

some response from our government well

1272

01:12:03,840 --> 01:12:00,370

we would like some answers and there are

1273

01:12:06,660 --> 01:12:03,850

people working very hard for disclosure

1274

01:12:10,140 --> 01:12:06,670

and maybe we'll have somebody on about

1275

01:12:12,410 --> 01:12:10,150

disclosure soon but June I just want to

1276

01:12:16,260 --> 01:12:12,420

thank you so much for sharing your

1277

01:12:18,510 --> 01:12:16,270

experiences with us and you know keep

1278

01:12:20,340 --> 01:12:18,520

your eyes on the skies and perhaps

1279

01:12:24,360 --> 01:12:20,350

you'll have another experience we'll

1280

01:12:27,300 --> 01:12:24,370

have you back on but seriously thank you

1281

01:12:30,960 --> 01:12:27,310

so much for joining us on shattered

1282

01:12:37,230 --> 01:12:30,970

reality but we're going to go now so bye

1283

01:12:40,140 --> 01:12:37,240

for now thanks take care okay so that's

1284

01:12:44,520 --> 01:12:40,150

basically it for us here today at

1285

01:12:47,280 --> 01:12:44,530

shattered reality hopefully next time we

1286

01:12:50,570 --> 01:12:47,290

come back to you miss Kate Valentine

1287

01:12:56,670 --> 01:12:50,580

will be with us we just finished numbers

1288

01:13:00,360 --> 01:12:56,680

56 if if things all work according to

1289

01:13:05,430 --> 01:13:00,370

plan our next guest is going to be the

1290

01:13:07,260 --> 01:13:05,440

very very well-known ufologists the

1291

01:13:10,200 --> 01:13:07,270

person who's written a book on ufology

1292

01:13:13,670 --> 01:13:10,210

and has now written another book about

1293

01:13:18,090 --> 01:13:13,680

his experiences with shamanism and other

1294

01:13:22,790 --> 01:13:18,100

interesting areas and that would be dr.

1295

01:13:26,580 --> 01:13:22,800

John B Alexander who is also a retired

1296

01:13:28,560 --> 01:13:26,590

colonel so we're going to welcome him in

1297

01:13:30,780 --> 01:13:28,570

a couple of weeks to shattered reality

1298

01:13:36,630 --> 01:13:30,790

if all things go well
