00:00:08,570 --> 00:00:17,180

[Music]

2
00:00:25,470 --> 00:00:20,670

welcome to shattered reality with their

3
00:00:28,529 --> 00:00:25,480

hosts Kate Valentine and furs prepare to

4
00:00:34,740 --> 00:00:28,539

have your paradigm shifted into truths

5
00:00:38,220 --> 00:00:34,750

questions and now shattered reality hi

6
00:00:41,160 --> 00:00:38,230

fruitcake Valentine here hey Kate it's

7
00:00:47,810 --> 00:00:41,170

great to see you here and here you here

8
00:00:49,830 --> 00:00:47,820

and we are unbelievably at our 60 second

9
00:00:55,410 --> 00:00:49,840

show okay

10
00:01:00,080 --> 00:00:55,420

and today's date is February 13 2018 all

11
00:01:07,620 --> 00:01:04,439

so we've slated and now we're about to

12
00:01:09,360 --> 00:01:07,630

introduce our very very interesting

13
00:01:13,260 --> 00:01:09,370

guests I'm very impressed with this

14

00:01:16,260 --> 00:01:13,270

gentleman because he doesn't quit you

15

00:01:19,590 --> 00:01:16,270

know you know he's written no 14 books

16

00:01:23,280 --> 00:01:19,600

if I know him he's probably even working

17

00:01:26,280 --> 00:01:23,290

secretly frame frantically fret mom

18

00:01:28,680 --> 00:01:26,290

frantically or feverishly was what I was

19

00:01:34,190 --> 00:01:28,690

going to say hundred and fifteen the

20

00:01:38,700 --> 00:01:34,200

first the person is Preston Dennett and

21

00:01:43,620 --> 00:01:38,710

Preston has written as I say 15 books he

22

00:01:45,180 --> 00:01:43,630

started in 1986 that when he found that

23

00:01:47,700 --> 00:01:45,190

people around him were having

24

00:01:50,040 --> 00:01:47,710

unexplained encounters and he just

25

00:01:52,950 --> 00:01:50,050

interviews people by the hundreds

26

00:01:57,360 --> 00:01:52,960

he's a field investigator for the mutual

27

00:02:00,150 --> 00:01:57,370

UFO network a paranormal researcher in

28

00:02:02,880 --> 00:02:00,160

general and he says he's the author of

29

00:02:08,430 --> 00:02:02,890

20 books okay I made a mistake I thought

30

00:02:10,650 --> 00:02:08,440

it was only 14 but let us welcome with a

31

00:02:12,890 --> 00:02:10,660

loud clapping of the hands because I'm

32

00:02:18,929 --> 00:02:12,900

used to working on stage sometimes

33

00:02:19,900 --> 00:02:18,939

Preston Bennett hi Preston okay - um so

34

00:02:21,670 --> 00:02:19,910

yeah

35

00:02:24,580 --> 00:02:21,680

glad to speak to you again a very

36

00:02:28,630 --> 00:02:24,590

interesting new book our newest book I

37

00:02:30,370 --> 00:02:28,640

guess inside UFOs actually I was just

38

00:02:32,500 --> 00:02:30,380

reading one quick story and I almost

39

00:02:36,370 --> 00:02:32,510

didn't listen to what furusho was saying

40

00:02:38,640 --> 00:02:36,380

I got so involved with it on those

41

00:02:43,960 --> 00:02:38,650

people that you interviewed for these

42

00:02:45,490 --> 00:02:43,970

type of episodes or experiences I the

43

00:02:47,260 --> 00:02:45,500

one thing that always impressed me on

44

00:02:48,820 --> 00:02:47,270

the UFO show is that everyone was

45

00:02:51,220 --> 00:02:48,830

absolutely honest about what had

46

00:02:53,290 --> 00:02:51,230

happened to them and yet people around

47

00:02:55,630 --> 00:02:53,300

them would scoff at them and it's nice

48

00:02:59,790 --> 00:02:55,640

to have someone like you that writes

49

00:03:02,560 --> 00:02:59,800

about these experiences at face value

50

00:03:04,120 --> 00:03:02,570

yeah that's amazing people one of the

51
00:03:06,040 --> 00:03:04,130
first things they often say is like I've

52
00:03:09,490 --> 00:03:06,050
never talked to anyone about this er

53
00:03:13,570 --> 00:03:09,500
yeah I'm not crazy and nothing I got a

54
00:03:16,030 --> 00:03:13,580
good education all these various caveats

55
00:03:17,140 --> 00:03:16,040
but yeah it takes them a while to find

56
00:03:22,030 --> 00:03:17,150
someone who's willing to listen

57
00:03:24,490 --> 00:03:22,040
sometimes I found these these stories

58
00:03:28,930 --> 00:03:24,500
the 10 of them in in the book inside

59
00:03:30,970 --> 00:03:28,940
UFOs the true accounts of contact by

60
00:03:32,860 --> 00:03:30,980
Preston Bennett and I'm looking for the

61
00:03:35,410 --> 00:03:32,870
publisher so I can announce that was the

62
00:03:38,490 --> 00:03:35,420
publisher Preston blue giant books okay

63
00:03:44,949 --> 00:03:38,500

I found that every one of these stories

64

00:03:48,820 --> 00:03:44,959

was interesting and amazing and I you

65

00:03:53,110 --> 00:03:48,830

know believe these people because I've

66

00:03:56,080 --> 00:03:53,120

we're both experiencers and we we both

67

00:04:00,760 --> 00:03:56,090

believe that these things happen here

68

00:04:03,010 --> 00:04:00,770

and I the one story I will start with my

69

00:04:04,780 --> 00:04:03,020

criticism which is a criticism you made

70

00:04:06,910 --> 00:04:04,790

at the end of the book anyway so it's

71

00:04:09,729 --> 00:04:06,920

not not news to you and it isn't a

72

00:04:13,360 --> 00:04:09,739

criticism of you in any way but just the

73

00:04:15,130 --> 00:04:13,370

one woman who was regressed and then she

74

00:04:18,340 --> 00:04:15,140

remembered a whole lot of stuff I don't

75

00:04:23,220 --> 00:04:18,350

think that she's lying in any way but I

76

00:04:25,750 --> 00:04:23,230

also am very hmm if he about about

77

00:04:27,940 --> 00:04:25,760

hypnotic regression because that can

78

00:04:31,150 --> 00:04:27,950

implant memories as well if you're not

79

00:04:33,550 --> 00:04:31,160

really careful but I I don't I do not

80

00:04:37,140 --> 00:04:33,560

under any circumstances

81

00:04:39,670 --> 00:04:37,150

think that she's lying quote-unquote

82

00:04:42,460 --> 00:04:39,680

right right yeah I kind of wanted to

83

00:04:44,320 --> 00:04:42,470

stay away from hypnotic regression in

84

00:04:46,060 --> 00:04:44,330

this particular book because there's a

85

00:04:49,150 --> 00:04:46,070

little bit of controversy surrounding it

86

00:04:52,600 --> 00:04:49,160

false memory syndrome and what-have-you

87

00:04:54,250 --> 00:04:52,610

I actually do believe it works I know it

88

00:04:56,170 --> 00:04:54,260

says I've seen it

89

00:04:59,950 --> 00:04:56,180

I said totally support people who want

90

00:05:03,100 --> 00:04:59,960

to undergo regressive hypnosis but I

91

00:05:07,390 --> 00:05:03,110

generally don't recommend it unless a

92

00:05:10,409 --> 00:05:07,400

person is having say anxieties they're

93

00:05:13,390 --> 00:05:10,419

just like having nightmares can't sleep

94

00:05:15,460 --> 00:05:13,400

this sort of thing or if they're just

95

00:05:18,610 --> 00:05:15,470

dead set on finding out what happened on

96

00:05:21,640 --> 00:05:18,620

a specific missing time in the interim

97

00:05:24,100 --> 00:05:21,650

very but it struck one fishing you know

98

00:05:28,000 --> 00:05:24,110

and just because yeah it's I think

99

00:05:32,230 --> 00:05:28,010

there's a danger there of you know false

100

00:05:36,520 --> 00:05:32,240

memories and things like this I don't I

101
00:05:39,820 --> 00:05:36,530
don't think that most UFO investigators

102
00:05:43,390 --> 00:05:39,830
are quote-unquote trying to implant

103
00:05:45,400 --> 00:05:43,400
false memories but I am quite clear that

104
00:05:47,290 --> 00:05:45,410
some of them and I don't you know want

105
00:05:49,450 --> 00:05:47,300
to mention any names or anything like

106
00:05:51,490 --> 00:05:49,460
that some of them may be leading the

107
00:05:54,820 --> 00:05:51,500
witness a little bit as they as the

108
00:05:58,659 --> 00:05:54,830
courtroom saying goes don't lead the

109
00:06:01,390 --> 00:05:58,669
witness so my caveat to our listeners

110
00:06:03,880 --> 00:06:01,400
here and I think you'd probably both

111
00:06:07,090 --> 00:06:03,890
agree with me both Kate and Preston

112
00:06:09,100 --> 00:06:07,100
probably would agree that if you're

113
00:06:13,690 --> 00:06:09,110

going to get regressed you want to go to

114

00:06:16,210 --> 00:06:13,700

someone who whose primary work is you

115

00:06:19,840 --> 00:06:16,220

know maybe psychotherapists who does

116

00:06:23,050 --> 00:06:19,850

hypnotism or not somebody whose sole

117

00:06:27,670 --> 00:06:23,060

interest in life is UFOs because try as

118

00:06:29,469 --> 00:06:27,680

they may it may be a little bit a little

119

00:06:32,680 --> 00:06:29,479

bit deleting the witness what do you

120

00:06:34,780 --> 00:06:32,690

think yeah it's definitely a possibility

121

00:06:36,159 --> 00:06:34,790

you know it's not as easy to lead

122

00:06:38,409 --> 00:06:36,169

witnesses sometimes as you might think

123

00:06:40,780 --> 00:06:38,419

and I've certainly tried to do it and

124

00:06:44,980 --> 00:06:40,790

they'll stick to their stories but if

125

00:06:47,020 --> 00:06:44,990

they're you know really sincere about it

126

00:06:49,390 --> 00:06:47,030

but yeah I think

127

00:06:51,700 --> 00:06:49,400

it is a danger and that's why this

128

00:06:55,990 --> 00:06:51,710

particular book I think there are two

129

00:06:58,990 --> 00:06:56,000

cases which did use hypnosis but all the

130

00:07:01,030 --> 00:06:59,000

others are fully conscious memories but

131

00:07:03,850 --> 00:07:01,040

I yeah I do support it because what I

132

00:07:05,770 --> 00:07:03,860

found is that people who recall their

133

00:07:08,530 --> 00:07:05,780

stuff under hypnotic regression their

134

00:07:11,260 --> 00:07:08,540

stories match but other people have been

135

00:07:14,050 --> 00:07:11,270

called consciously uh-huh so it's

136

00:07:14,650 --> 00:07:14,060

clearly it works and please use it as a

137

00:07:17,890 --> 00:07:14,660

tool

138

00:07:21,370 --> 00:07:17,900

the FBI have been used with all kinds of

139

00:07:23,650 --> 00:07:21,380

trauma victims so I know it does work

140

00:07:25,570 --> 00:07:23,660

well what makes I just wanted to stay

141

00:07:28,120 --> 00:07:25,580

away from it because of the controversy

142

00:07:29,740 --> 00:07:28,130

well honestly really out of it you know

143

00:07:31,780 --> 00:07:29,750

that these are fully conscious

144

00:07:35,380 --> 00:07:31,790

experiences people are having not

145

00:07:36,880 --> 00:07:35,390

hypnotic recalled well initially when

146

00:07:39,370 --> 00:07:36,890

people started to report their

147

00:07:41,560 --> 00:07:39,380

experiences they were all reported under

148

00:07:43,660 --> 00:07:41,570

hypnosis so your book is different and

149

00:07:45,880 --> 00:07:43,670

that you have conscious experiences and

150

00:07:49,060 --> 00:07:45,890

that they actually remember something

151

00:07:52,180 --> 00:07:49,070

that happened to them and that it's

152

00:07:58,020 --> 00:07:52,190

really excellent you have two different

153

00:08:03,100 --> 00:07:58,030

Navy former Navy of fellows who had

154

00:08:06,970 --> 00:08:03,110

experiences and and I believe out of the

155

00:08:11,560 --> 00:08:06,980

ten people you also had two people who

156

00:08:16,090 --> 00:08:11,570

saw mantis type et's rather than Nordic

157

00:08:19,630 --> 00:08:16,100

types or greys and so that it's it's

158

00:08:22,090 --> 00:08:19,640

very interestingly varied there and

159

00:08:25,450 --> 00:08:22,100

you've had almost as many women as men

160

00:08:28,840 --> 00:08:25,460

so it's it's it's it's a well-balanced

161

00:08:30,760 --> 00:08:28,850

book Preston yeah that's what kind of

162

00:08:32,470 --> 00:08:30,770

tried tried to do I didn't want it to be

163

00:08:36,130 --> 00:08:32,480

another book about you know gray type

164

00:08:38,530 --> 00:08:36,140

abductions called under hypnosis know

165

00:08:40,600 --> 00:08:38,540

that there's a wide variety of EPs

166

00:08:43,210 --> 00:08:40,610

people are seeing and I really wanted to

167

00:08:45,790 --> 00:08:43,220

reflect that and it's not just great and

168

00:08:47,800 --> 00:08:45,800

that matter it's not just Nordica human

169

00:08:51,040 --> 00:08:47,810

looking there's a number of praying

170

00:08:54,280 --> 00:08:51,050

mantis-like you mentioned and some very

171

00:08:57,730 --> 00:08:54,290

unusual humanoids and there's one case

172

00:09:00,300 --> 00:08:57,740

in the book involving a lady from

173

00:09:03,720 --> 00:09:00,310

Nebraska and

174

00:09:06,480 --> 00:09:03,730

she thought figure out never type of et

175

00:09:08,069 --> 00:09:06,490

I'd never heard of before in fact that's

176

00:09:11,489 --> 00:09:08,079

why she contacted me she wanted knows

177

00:09:14,249 --> 00:09:11,499

anyone reported this had to tell her no

178

00:09:17,850 --> 00:09:14,259

she the type of et she thought was a

179

00:09:20,790 --> 00:09:17,860

humanoid but it was gosh I don't even

180

00:09:23,670 --> 00:09:20,800

know how to describe it a 9 foot 9 feet

181

00:09:27,569 --> 00:09:23,680

tall had orange kind of straw like hair

182

00:09:30,600 --> 00:09:27,579

a very broad safe I'm human looking but

183

00:09:32,220 --> 00:09:30,610

clearly not human not your typical

184

00:09:34,410 --> 00:09:32,230

nordic certain which are usually

185

00:09:37,980 --> 00:09:34,420

described as being you know very

186

00:09:41,160 --> 00:09:37,990

good-looking and almost genetically

187

00:09:44,610 --> 00:09:41,170

perfect so to speak yes so yeah a lot of

188

00:09:46,519 --> 00:09:44,620

really unique cases and that's what I

189

00:09:49,350 --> 00:09:46,529

really was excited about this book is

190

00:09:52,619 --> 00:09:49,360

showing people the actual variety of eat

191

00:09:57,900 --> 00:09:52,629

these people are really seeing what you

192

00:10:01,350 --> 00:09:57,910

you wonder or at least I do the kind of

193

00:10:03,799 --> 00:10:01,360

sort of Star Trek the kind of universe

194

00:10:07,999 --> 00:10:03,809

that may be out there with different

195

00:10:13,139 --> 00:10:08,009

civilizations roaming in space or

196

00:10:19,860 --> 00:10:13,149

conversely different beings roaming in a

197

00:10:21,629 --> 00:10:19,870

parallel reality right yeah you know

198

00:10:23,879 --> 00:10:21,639

that's kind of what kept me out of the

199

00:10:28,160 --> 00:10:23,889

whole UFO research whole field for a

200

00:10:31,079 --> 00:10:28,170

while it seemed very much Star Trek II I

201
00:10:33,809 --> 00:10:31,089
kind of wanted ETS to have I don't know

202
00:10:36,600 --> 00:10:33,819
the fangs and tentacles and be just

203
00:10:39,119 --> 00:10:36,610
something really unusual but you're kind

204
00:10:42,420 --> 00:10:39,129
of stuck with the evidence this is what

205
00:10:45,600 --> 00:10:42,430
people are seeing are human-like figures

206
00:10:49,079 --> 00:10:45,610
and yeah it is very much like Star Trek

207
00:10:54,230 --> 00:10:49,089
in some ways that's a perhaps you know

208
00:10:56,669 --> 00:10:54,240
Gene Roddenberry was inspired by et's

209
00:10:59,879 --> 00:10:56,679
okay a lot of other science fiction

210
00:11:02,069 --> 00:10:59,889
writers perhaps I know that et contact

211
00:11:05,639 --> 00:11:02,079
is not always just you know being

212
00:11:08,699 --> 00:11:05,649
visited or taking on board it can be

213
00:11:11,490 --> 00:11:08,709

through your dream state it can be

214

00:11:13,260 --> 00:11:11,500

telepathic can be sort of an inspired

215

00:11:16,290 --> 00:11:13,270

type thing

216

00:11:20,070 --> 00:11:16,300

so uh yet I think that there's some

217

00:11:21,690 --> 00:11:20,080

truth in Star Trek um in terms of and

218

00:11:23,730 --> 00:11:21,700

there's things I've heard on Star Trek

219

00:11:26,639 --> 00:11:23,740

which turned out to these UFO accounts

220

00:11:29,340 --> 00:11:26,649

like being beamed on board or the

221

00:11:31,320 --> 00:11:29,350

medical technology where we are able to

222

00:11:34,769 --> 00:11:31,330

in Star Trek there's these little beams

223

00:11:38,070 --> 00:11:34,779

of light that can cure a cut you know

224

00:11:39,030 --> 00:11:38,080

heal a cut or an incision and that turns

225

00:11:41,820 --> 00:11:39,040

up quite a bit

226

00:11:44,610 --> 00:11:41,830

in actual accounts so there's sort of a

227

00:11:48,660 --> 00:11:44,620

bleed through there very respectable

228

00:11:53,370 --> 00:11:48,670

human looking ETS or largely human and

229

00:11:54,990 --> 00:11:53,380

you've got eyes nose mouth arms legs so

230

00:11:59,639 --> 00:11:55,000

that's I think sort of the universal

231

00:12:02,660 --> 00:11:59,649

form probably 99% of the accounts I get

232

00:12:06,210 --> 00:12:02,670

or some type of humanoid form

233

00:12:08,699 --> 00:12:06,220

interesting well well well biologists

234

00:12:11,430 --> 00:12:08,709

say that if you go into technologically

235

00:12:14,220 --> 00:12:11,440

evolved you do need binocular vision

236

00:12:17,070 --> 00:12:14,230

you do need a capability of handling

237

00:12:19,860 --> 00:12:17,080

things you have to stand upright you

238

00:12:22,139 --> 00:12:19,870

have to be able to see around you you

239

00:12:25,260 --> 00:12:22,149

have to be able to survive in a hostile

240

00:12:29,310 --> 00:12:25,270

environment and running a computer game

241

00:12:31,170 --> 00:12:29,320

as to what life-form would match all

242

00:12:34,380 --> 00:12:31,180

this they almost always come up humanoid

243

00:12:36,750 --> 00:12:34,390

so and usually computer forms mimic life

244

00:12:38,880 --> 00:12:36,760

and I think that's what we're going to

245

00:12:42,750 --> 00:12:38,890

expect but have you yourself ever

246

00:12:46,079 --> 00:12:42,760

experienced anything Preston I have

247

00:12:47,970 --> 00:12:46,089

absolutely once I started doing your

248

00:12:50,880 --> 00:12:47,980

research did I really experienced

249

00:12:53,010 --> 00:12:50,890

anything and certainly nothing to the

250

00:12:56,850 --> 00:12:53,020

level of the people I've interviewed as

251
00:12:57,990 --> 00:12:56,860
far as I know I don't think I've been

252
00:12:59,850 --> 00:12:58,000
taken on board

253
00:13:04,620 --> 00:12:59,860
I don't recall that I've never had

254
00:13:07,740 --> 00:13:04,630
missing time I have to tell you wasn't

255
00:13:09,720 --> 00:13:07,750
long after I started doing research into

256
00:13:12,569 --> 00:13:09,730
this subject I started having sightings

257
00:13:16,980 --> 00:13:12,579
ah pretty regularly Wow and that in

258
00:13:19,769 --> 00:13:16,990
somewhere close up and interactive one I

259
00:13:22,199 --> 00:13:19,779
mean one always comes to mind is one of

260
00:13:24,660 --> 00:13:22,209
the first sightings I had and this was

261
00:13:27,060 --> 00:13:24,670
one night I was just out of my mind

262
00:13:28,560 --> 00:13:27,070
trying to deal with this subject on the

263
00:13:31,500 --> 00:13:28,570

really hit me like a ton of bricks was

264

00:13:33,660 --> 00:13:31,510

not good news I was really upset I had

265

00:13:35,580 --> 00:13:33,670

to change my whole world view I was

266

00:13:37,650 --> 00:13:35,590

discussing it with my brother my

267

00:13:39,600 --> 00:13:37,660

sister-in-law kind of really helped me

268

00:13:44,210 --> 00:13:39,610

through it in the beginning certainly

269

00:13:51,210 --> 00:13:44,220

and driving home on evening mrs. of Iran

270

00:13:53,520 --> 00:13:51,220

late July and 1991 or so 1992 and this

271

00:13:57,330 --> 00:13:53,530

was in Woodland Hills California very

272

00:13:59,520 --> 00:13:57,340

densely populated area and I see this

273

00:14:01,230 --> 00:13:59,530

well I thought it was a bird at first

274

00:14:04,350 --> 00:14:01,240

but it came right to my car and it

275

00:14:06,300 --> 00:14:04,360

wasn't a bird it was a ball of light oh

276

00:14:08,670 --> 00:14:06,310

it's not a golf ball is not a

277

00:14:11,130 --> 00:14:08,680

firecracker what's going on it came

278

00:14:13,800 --> 00:14:11,140

right up to my window you guys I mean

279

00:14:16,980 --> 00:14:13,810

like but two feet away right to my

280

00:14:19,890 --> 00:14:16,990

windshield scoot it back and forth a

281

00:14:21,600 --> 00:14:19,900

couple of times maybe three darted down

282

00:14:23,580 --> 00:14:21,610

a little bit and went straight up

283

00:14:24,450 --> 00:14:23,590

through the canopy in the trees straight

284

00:14:28,530 --> 00:14:24,460

up into outer space

285

00:14:31,380 --> 00:14:28,540

Wow it targeted me I mean absolutely

286

00:14:34,200 --> 00:14:31,390

came right towards me looked at me a

287

00:14:37,230 --> 00:14:34,210

couple of feet away and took off how big

288

00:14:41,400 --> 00:14:37,240

was it Preston it was about the size of

289

00:14:45,600 --> 00:14:41,410

a golf ball um and not super bright but

290

00:14:49,140 --> 00:14:45,610

definitely a glowing white orb and yeah

291

00:14:51,210 --> 00:14:49,150

very close they did you sort of get the

292

00:14:55,920 --> 00:14:51,220

feeling you're being probed or looked at

293

00:14:57,390 --> 00:14:55,930

I did yeah and that's what's wrong -

294

00:14:59,340 --> 00:14:57,400

it's not the last time that happened

295

00:15:03,210 --> 00:14:59,350

that happened began on the freeway a

296

00:15:05,100 --> 00:15:03,220

bellboy and I'm looking around and all

297

00:15:08,880 --> 00:15:05,110

of the cars they're not seeing it it's a

298

00:15:12,330 --> 00:15:08,890

very brief thing just rough town right

299

00:15:15,240 --> 00:15:12,340

my car and I'm going like 60 70 miles an

300

00:15:19,170 --> 00:15:15,250

hour and I'll know whether a UFO meeting

301
00:15:21,480 --> 00:15:19,180
by the way Oh Steven Greer and Richard

302
00:15:22,860 --> 00:15:21,490
Boyle and a bunch of other contactees

303
00:15:25,850 --> 00:15:22,870
Wow

304
00:15:27,960 --> 00:15:25,860
felt like mmm they're probing me yeah

305
00:15:31,890 --> 00:15:27,970
every now and then I'll have a sighting

306
00:15:35,190 --> 00:15:31,900
like this and but sometimes real

307
00:15:38,400 --> 00:15:35,200
close-up these are both I was just gonna

308
00:15:40,500 --> 00:15:38,410
say these orbs seem to be attracted to

309
00:15:44,520 --> 00:15:40,510
certain persons

310
00:15:47,790 --> 00:15:44,530
I had a friend who has orbs around them

311
00:15:51,300 --> 00:15:47,800
all the time and twice when I was in her

312
00:15:53,190 --> 00:15:51,310
presence I also experienced orbs and

313
00:15:55,350 --> 00:15:53,200

I've experienced orbs on my own but I

314

00:15:59,250 --> 00:15:55,360

found it to be startling that she has a

315

00:16:02,040 --> 00:15:59,260

lot of them around her and two of like

316

00:16:05,280 --> 00:16:02,050

maybe my four Orab sightings I was with

317

00:16:08,840 --> 00:16:05,290

her so it they do seem to be attracted

318

00:16:12,750 --> 00:16:08,850

to certain people the orbs yeah I think

319

00:16:15,150 --> 00:16:12,760

um they started noticing me when I was

320

00:16:17,490 --> 00:16:15,160

doing this UFO research because I never

321

00:16:19,560 --> 00:16:17,500

had anything growing up and I looked

322

00:16:22,980 --> 00:16:19,570

into this and that this is actually not

323

00:16:25,070 --> 00:16:22,990

unusual among UFO researchers or

324

00:16:28,650 --> 00:16:25,080

investigators and certainly

325

00:16:32,870 --> 00:16:28,660

contactees but people who do UFO

326

00:16:36,660 --> 00:16:32,880

research Budd Hopkins had a sighting but

327

00:16:39,360 --> 00:16:36,670

rod steiger Whitley Strieber the guy who

328

00:16:41,820 --> 00:16:39,370

investigated his case ed Conroy never

329

00:16:43,770 --> 00:16:41,830

had any sightings at all until he

330

00:16:46,320 --> 00:16:43,780

started researching Whitley streamer's

331

00:16:47,880 --> 00:16:46,330

caves and actually ended up having full

332

00:16:50,160 --> 00:16:47,890

on missing time abduction type

333

00:16:52,860 --> 00:16:50,170

experience oh my goodness now who was

334

00:16:54,810 --> 00:16:52,870

this person because of all the name says

335

00:16:56,340 --> 00:16:54,820

you've mentioned thus far it's the one

336

00:16:59,400 --> 00:16:56,350

name that I'm not particularly familiar

337

00:17:02,160 --> 00:16:59,410

with it Edie Conroy did you say yeah

338

00:17:04,500 --> 00:17:02,170

Edie Conroy was a mainstream journalist

339

00:17:07,199 --> 00:17:04,510

and heard about whitley strieber stories

340

00:17:10,470 --> 00:17:07,209

like I'm gonna expose this guy is a

341

00:17:15,090 --> 00:17:10,480

hoaxer he probably is and I found out no

342

00:17:16,949 --> 00:17:15,100

he wasn't hoaxing yeah and yeah this is

343

00:17:19,400 --> 00:17:16,959

sort of a pattern I've noticed sort of

344

00:17:22,290 --> 00:17:19,410

actually he labeled the term UFO

345

00:17:24,300 --> 00:17:22,300

investigator is disease once you start

346

00:17:25,860 --> 00:17:24,310

looking into this stuff they start

347

00:17:29,370 --> 00:17:25,870

looking into you

348

00:17:32,120 --> 00:17:29,380

well since you had no early experiences

349

00:17:36,570 --> 00:17:32,130

what triggered off your investigating

350

00:17:39,020 --> 00:17:36,580

just just general interest her no I was

351

00:17:41,880 --> 00:17:39,030

repulsed by the subject I really was oh

352

00:17:44,220 --> 00:17:41,890

and I was pretty rude about it

353

00:17:47,340 --> 00:17:44,230

and I apologize to all those people that

354

00:17:49,560 --> 00:17:47,350

had my brother I remember you came

355

00:17:52,460 --> 00:17:49,570

running you know I saw UFO I'll just

356

00:17:54,000 --> 00:17:52,470

look to him like yeah right sure you did

357

00:17:55,740 --> 00:17:54,010

but what

358

00:18:01,980 --> 00:17:55,750

happened was there's this report on the

359

00:18:04,950 --> 00:18:01,990

news in November of 1986 and a pilot

360

00:18:09,480 --> 00:18:04,960

flung his jet a commercial airliner over

361

00:18:12,540 --> 00:18:09,490

Alaska saw a UFO his whole crew did on

362

00:18:15,900 --> 00:18:12,550

the radar they followed it for many

363

00:18:17,100 --> 00:18:15,910

miles from nearly an hour the FAA said

364

00:18:19,470 --> 00:18:17,110

it appeared on their radar

365

00:18:22,590 --> 00:18:19,480

Lobo later denied it and called it split

366

00:18:26,520 --> 00:18:22,600

images but it's a great case captain Ken

367

00:18:28,290 --> 00:18:26,530

Jeter oshi the pilot and I stopped my

368

00:18:31,350 --> 00:18:28,300

god this pilot he's got to be lying

369

00:18:33,900 --> 00:18:31,360

gives hoaxes and he's misperceiving

370

00:18:36,510 --> 00:18:33,910

there's just no way he's singing an

371

00:18:38,940 --> 00:18:36,520

alien spaceship I would have known if

372

00:18:41,820 --> 00:18:38,950

you oppose were real by now I mean it

373

00:18:44,460 --> 00:18:41,830

was never mentioned all my years in

374

00:18:47,310 --> 00:18:44,470

school all through college not a word of

375

00:18:50,160 --> 00:18:47,320

this only thing I ever heard was in

376

00:18:52,730 --> 00:18:50,170

search of maybe our various little kind

377

00:18:55,020 --> 00:18:52,740

of big early segments on the news

378

00:18:57,570 --> 00:18:55,030

exactly talked about this pilot setting

379

00:18:59,610 --> 00:18:57,580

on the news there was no detail to it

380

00:19:02,310 --> 00:18:59,620

they just a novice pilot Bobby saw a UFO

381

00:19:05,640 --> 00:19:02,320

and they kind of moved on laughing

382

00:19:07,920 --> 00:19:05,650

nervously and mm-hmm wow this is amazing

383

00:19:11,850 --> 00:19:07,930

this pilot is putting his reputation on

384

00:19:13,980 --> 00:19:11,860

the line in dad I brought it up and I'm

385

00:19:17,880 --> 00:19:13,990

kind of mid mistake of bringing up at

386

00:19:20,760 --> 00:19:17,890

work here in my office actually I worked

387

00:19:23,310 --> 00:19:20,770

as a bookkeeper and this lady I worked

388

00:19:26,580 --> 00:19:23,320

with for years and years and years oh I

389

00:19:28,590 --> 00:19:26,590

saw you have hope like really I knew she

390

00:19:30,810 --> 00:19:28,600

wasn't lying to me I've known her for

391

00:19:32,820 --> 00:19:30,820

way too long like oh yeah me and my

392

00:19:35,070 --> 00:19:32,830

whole family thought it darted around I

393

00:19:36,210 --> 00:19:35,080

actually ended up talking to her family

394

00:19:39,300 --> 00:19:36,220

to confirm it

395

00:19:41,670 --> 00:19:39,310

and while she's explaining this in walks

396

00:19:43,710 --> 00:19:41,680

of Dorothy and Dorothy's like oh no

397

00:19:46,110 --> 00:19:43,720

another lady I love and trust and it

398

00:19:48,090 --> 00:19:46,120

worked up for years like UFOs one

399

00:19:50,820 --> 00:19:48,100

followed me home from the library me and

400

00:19:53,220 --> 00:19:50,830

my mom and my best friend oh boy really

401
00:19:55,500 --> 00:19:53,230
Chuck yeah he no question it's so weird

402
00:19:58,080 --> 00:19:55,510
we live five minutes from the library we

403
00:20:00,870 --> 00:19:58,090
left at exactly 9:00 we didn't get home

404
00:20:06,390 --> 00:20:00,880
till 10:15 who's really strange we lost

405
00:20:08,280 --> 00:20:06,400
like an hour of time oh yeah this was

406
00:20:10,890 --> 00:20:08,290
before you know but Hopkins

407
00:20:14,670 --> 00:20:10,900
book missing time had been picked up by

408
00:20:17,430 --> 00:20:14,680
a major publisher and what really wasn't

409
00:20:20,790 --> 00:20:17,440
a super popular subject will the

410
00:20:23,550 --> 00:20:20,800
streamer's book hadn't come out yet so

411
00:20:26,220 --> 00:20:23,560
this was like mmm God really hit home

412
00:20:28,230 --> 00:20:26,230
for me I found out family members were

413
00:20:30,630 --> 00:20:28,240

having encounters some really good

414

00:20:33,480 --> 00:20:30,640

friends had encounters one had missing

415

00:20:35,700 --> 00:20:33,490

time my sister-in-law had a face-to-face

416

00:20:40,830 --> 00:20:35,710

encounter with great IPTS

417

00:20:42,900 --> 00:20:40,840

oh my gosh no I don't believe this earth

418

00:20:47,330 --> 00:20:42,910

is being invaded by ETS and no one

419

00:20:49,650 --> 00:20:47,340

talking about it so you are surrounded

420

00:20:52,050 --> 00:20:49,660

you were surrounded by all these

421

00:20:55,650 --> 00:20:52,060

experiencers and you yourself had up

422

00:20:58,140 --> 00:20:55,660

until the glowing red light the orbs you

423

00:21:13,080 --> 00:20:58,150

yourself haven't had any experiences but

424

00:21:15,870 --> 00:21:13,090

all around you why didn't you well do

425

00:21:21,650 --> 00:21:15,880

you think do you think perhaps of that

426

00:21:25,260 --> 00:21:21,660

the the the bad feelings around people

427

00:21:27,690 --> 00:21:25,270

experiencing UFOs is starting to fade a

428

00:21:29,850 --> 00:21:27,700

little bit do you think that it's a

429

00:21:36,000 --> 00:21:29,860

little bit more accepted today than it

430

00:21:39,450 --> 00:21:36,010

was in previous times 100% yes you know

431

00:21:41,070 --> 00:21:39,460

when I first started researching I'd

432

00:21:43,410 --> 00:21:41,080

always say I'll can I use your name if I

433

00:21:46,770 --> 00:21:43,420

write about your sightings No No please

434

00:21:48,990 --> 00:21:46,780

don't know I will lose my job and now

435

00:21:51,390 --> 00:21:49,000

most people say oh no problem

436

00:21:54,780 --> 00:21:51,400

and if I get an opportunity to go on

437

00:21:56,310 --> 00:21:54,790

television back in the day they would

438

00:21:58,830 --> 00:21:56,320

always bring up someone next to me who

439

00:22:00,930 --> 00:21:58,840

was a deep bunker right not someone you

440

00:22:07,310 --> 00:22:00,940

know scientists really but someone there

441

00:22:11,100 --> 00:22:10,110

nearly as much yeah they look they look

442

00:22:14,040 --> 00:22:11,110

really silly

443

00:22:18,450 --> 00:22:14,050

I need the bunkers on TV I agree I agree

444

00:22:21,370 --> 00:22:18,460

and they they will use any a flaccid

445

00:22:24,130 --> 00:22:21,380

argument that they can find

446

00:22:26,590 --> 00:22:24,140

and it's it's an embarrassment they're

447

00:22:29,279 --> 00:22:26,600

an embarrassment to science when they

448

00:22:33,640 --> 00:22:29,289

won't see something that may be a new

449

00:22:36,310 --> 00:22:33,650

phenomena but I am interested to just

450

00:22:40,270 --> 00:22:36,320

talk a little bit more here about your

451
00:22:43,080 --> 00:22:40,280
book and because we here as I had said

452
00:22:48,250 --> 00:22:43,090
are all experiences of various types

453
00:22:49,840 --> 00:22:48,260
it's not hard to believe the majority of

454
00:22:53,799 --> 00:22:49,850
these people and the majority of what

455
00:22:55,810 --> 00:22:53,809
they have to say so I want to just look

456
00:22:59,230 --> 00:22:55,820
at a little few of the things that I

457
00:23:03,490 --> 00:22:59,240
noticed were common denominators in many

458
00:23:06,490 --> 00:23:03,500
of the of the experiences and that is

459
00:23:11,140 --> 00:23:06,500
that even though some people seem to

460
00:23:14,950 --> 00:23:11,150
have had harm done to them it didn't

461
00:23:18,039 --> 00:23:14,960
seem as though by and large that many of

462
00:23:22,419 --> 00:23:18,049
these people felt that the the others

463
00:23:25,409 --> 00:23:22,429

were trying to harm them and yet they

464

00:23:27,700 --> 00:23:25,419

didn't feel as though the others were

465

00:23:30,220 --> 00:23:27,710

particularly warm and cuddly on the

466

00:23:33,909 --> 00:23:30,230

other hand that they were like sort of

467

00:23:37,539 --> 00:23:33,919

have the demeanor of scientists

468

00:23:40,510 --> 00:23:37,549

performing experiments on somebody

469

00:23:44,350 --> 00:23:40,520

slightly smarter than a lab rat

470

00:23:48,789 --> 00:23:44,360

in that they did bother to communicate

471

00:23:51,310 --> 00:23:48,799

with them mentally right yes kind of an

472

00:23:53,320 --> 00:23:51,320

enigma I always ask people oh do you

473

00:23:55,960 --> 00:23:53,330

think these guys are hostile and almost

474

00:23:58,960 --> 00:23:55,970

no one says that I'm found any evidence

475

00:24:02,080 --> 00:23:58,970

of what I would call sadistic behavior

476

00:24:03,549 --> 00:24:02,090
or nazi-like torture

477

00:24:05,350 --> 00:24:03,559
they're not trying to hurt people

478

00:24:08,080 --> 00:24:05,360
they're not trying to scare them it's

479

00:24:11,169 --> 00:24:08,090
not the agenda at all yeah I think

480

00:24:14,020 --> 00:24:11,179
they're just different really yeah I

481

00:24:16,480 --> 00:24:14,030
mean each case is individual I've talked

482

00:24:19,149 --> 00:24:16,490
people who say no flat out these are my

483

00:24:21,760 --> 00:24:19,159
friends I like my family I love them

484

00:24:24,399 --> 00:24:21,770
more than my own family these guys I

485

00:24:26,620 --> 00:24:24,409
loved them and others like hmm they

486

00:24:29,140 --> 00:24:26,630
weren't I'm gonna kind of treated me

487

00:24:32,220 --> 00:24:29,150
like a lab rat one lady in the book she

488

00:24:35,320 --> 00:24:32,230

was actually healed of a sort of a

489

00:24:39,879 --> 00:24:37,930

and they didn't hurt her at all but she

490

00:24:41,440 --> 00:24:39,889

has you know they were kind of arrogant

491

00:24:43,629 --> 00:24:41,450

they didn't really care about my

492

00:24:46,090 --> 00:24:43,639

feelings they just sort of Carden you're

493

00:24:50,229 --> 00:24:46,100

awesome like I felt a little bit like a

494

00:24:53,229 --> 00:24:50,239

lab rat is what she said but they didn't

495

00:24:56,889 --> 00:24:53,239

hurt her they healed her one thing that

496

00:24:59,769 --> 00:24:56,899

I found disturbing about your book and

497

00:25:03,940 --> 00:24:59,779

several other encounters I've read about

498

00:25:07,539 --> 00:25:03,950

in other literature is the idea that

499

00:25:09,999 --> 00:25:07,549

people start off by seeing Nordic types

500

00:25:13,629 --> 00:25:10,009

and then they have to interact with

501

00:25:16,840 --> 00:25:13,639

Grey's as well and as a as an

502

00:25:19,930 --> 00:25:16,850

experiencer who has had contact with

503

00:25:21,430 --> 00:25:19,940

Nordic types I've never seen a grey and

504

00:25:25,269 --> 00:25:21,440

I don't think that I'm really looking

505

00:25:29,919 --> 00:25:25,279

forward to seeing any grace so I find

506

00:25:32,769 --> 00:25:29,929

that aspect where Nordic contact then

507

00:25:39,389 --> 00:25:32,779

turns into contact with grace I find

508

00:25:42,879 --> 00:25:39,399

that to be kind of let's say frightening

509

00:25:44,769 --> 00:25:42,889

you know I'm not so sure that Nordics in

510

00:25:46,720 --> 00:25:44,779

greys are that far removed from each

511

00:25:49,269 --> 00:25:46,730

other or for that matter for months

512

00:25:52,060 --> 00:25:49,279

because what we're seeing and a lot of

513

00:25:55,210 --> 00:25:52,070

these great type ETS have said flat out

514

00:25:57,820 --> 00:25:55,220

to the their contact is like oh one day

515

00:26:00,489 --> 00:25:57,830

you will look just like us or we are you

516

00:26:03,549 --> 00:26:00,499

and you are us and we are related and

517

00:26:07,899 --> 00:26:03,559

they are producing these hybrid babies

518

00:26:10,180 --> 00:26:07,909

they're interbreeding with us so great

519

00:26:15,239 --> 00:26:10,190

and notices are often seen together

520

00:26:17,109 --> 00:26:15,249

that's not unusual I think that their

521

00:26:20,680 --> 00:26:17,119

relationship is probably a little bit

522

00:26:22,299 --> 00:26:20,690

closer and a lot of people realize well

523

00:26:24,430 --> 00:26:22,309

maybe they're sort of like caterpillars

524

00:26:28,479 --> 00:26:24,440

and butterflies maybe what evolves into

525

00:26:30,159 --> 00:26:28,489

the other we don't know that's that's

526

00:26:31,749 --> 00:26:30,169

the interesting thing about this there's

527

00:26:34,570 --> 00:26:31,759

so much that you don't know

528

00:26:36,639 --> 00:26:34,580

so if Preston if you were offered an

529

00:26:41,349 --> 00:26:36,649

invitation to come on board do you think

530

00:26:44,710 --> 00:26:41,359

you'd go I'm absolutely that's just me I

531

00:26:47,289 --> 00:26:44,720

definitely would I'm I don't think UFOs

532

00:26:48,910 --> 00:26:47,299

or something to fear I don't think

533

00:26:51,580 --> 00:26:48,920

there's maybe affair doubts I think

534

00:26:55,390 --> 00:26:51,590

look at the evidence overall their

535

00:26:57,790 --> 00:26:55,400

agenda is very positive it looked really

536

00:27:00,700 --> 00:26:57,800

deeply into this and someone's taken on

537

00:27:03,670 --> 00:27:00,710

board the most common thing is being

538

00:27:05,830 --> 00:27:03,680

physically examined but beyond man

539

00:27:07,390 --> 00:27:05,840

they're getting messages and these

540

00:27:10,810 --> 00:27:07,400

messages fall into three different types

541

00:27:13,630 --> 00:27:10,820

and they're very positive generally

542

00:27:16,420 --> 00:27:13,640

speaking when you talk to people they're

543

00:27:19,750 --> 00:27:16,430

talking for giving warnings warnings

544

00:27:22,560 --> 00:27:19,760

about nuclear proliferation warnings

545

00:27:25,380 --> 00:27:22,570

about future environmental destruction

546

00:27:28,840 --> 00:27:25,390

warnings about pollution overpopulation

547

00:27:31,120 --> 00:27:28,850

violence this sort of thing that's the

548

00:27:34,990 --> 00:27:31,130

most common message second to that would

549

00:27:36,760 --> 00:27:35,000

be alternative energy over and over

550

00:27:38,830 --> 00:27:36,770

again keep our taking on board after

551
00:27:41,710 --> 00:27:38,840
being examined they're taken to the

552
00:27:43,180 --> 00:27:41,720
engine room and said we don't run our

553
00:27:45,460 --> 00:27:43,190
ships on fossil fuels

554
00:27:48,340 --> 00:27:45,470
you guys don't mean to use fossil fuels

555
00:27:51,580 --> 00:27:48,350
it's destroying your planet can run

556
00:27:53,770 --> 00:27:51,590
things on electromagnetics like we do

557
00:27:56,290 --> 00:27:53,780
and actually show them how these ships

558
00:28:00,430 --> 00:27:56,300
work got a case just like that in the

559
00:28:03,100 --> 00:28:00,440
book yes yes the Navy engineer great

560
00:28:05,560 --> 00:28:03,110
witness but took him to the engine room

561
00:28:08,170 --> 00:28:05,570
and had a big long discussion about this

562
00:28:12,520 --> 00:28:08,180
so this is pretty common and thinking it

563
00:28:15,310 --> 00:28:12,530

just sort of shows on the ETS ultimate

564

00:28:17,470 --> 00:28:15,320

agenda and the third category would be

565

00:28:19,870 --> 00:28:17,480

healing and miss turns up again and

566

00:28:21,460 --> 00:28:19,880

again and again or spirituality people

567

00:28:25,030 --> 00:28:21,470

are giving messages about alternative

568

00:28:29,230 --> 00:28:25,040

healing or psychic development absolute

569

00:28:29,770 --> 00:28:29,240

half-lives out-of-body travel this sort

570

00:28:31,030 --> 00:28:29,780

of thing

571

00:28:36,220 --> 00:28:31,040

and they come away from their

572

00:28:40,870 --> 00:28:36,230

experiences doing the bacon heal or with

573

00:28:42,790 --> 00:28:40,880

a psychic explosion of talent I'm some

574

00:28:46,240 --> 00:28:42,800

start channeling some start giving

575

00:28:49,660 --> 00:28:46,250

readings one guy he became a water dog

576

00:28:51,940 --> 00:28:49,670

hurt so this is something I see quite a

577

00:28:54,460 --> 00:28:51,950

bit there's a very strong spiritual

578

00:28:55,900 --> 00:28:54,470

transformation and again I think this

579

00:28:56,770 --> 00:28:55,910

speaks to why they're here and what

580

00:29:00,190 --> 00:28:56,780

their agenda is

581

00:29:03,620 --> 00:29:00,200

and it's very positive yes yes I think

582

00:29:07,880 --> 00:29:03,630

in for me personally

583

00:29:11,150 --> 00:29:07,890

the terror that I experienced was a loss

584

00:29:13,700 --> 00:29:11,160

of volition not being able you know

585

00:29:17,480 --> 00:29:13,710

being paralyzed and the loss of volition

586

00:29:19,940 --> 00:29:17,490

is in itself terrifying but nothing

587

00:29:23,419 --> 00:29:19,950

nothing bad happened to me and mostly

588

00:29:27,860 --> 00:29:23,429

good things happen to me as a result of

589

00:29:31,730 --> 00:29:27,870

it just to go back to the fellow who was

590

00:29:33,950 --> 00:29:31,740

the the Navy engineer and the machine

591

00:29:38,900 --> 00:29:33,960

that he ended up making and how the

592

00:29:41,780 --> 00:29:38,910

bicycle wheel was able to turn I wonder

593

00:29:43,940 --> 00:29:41,790

if he's done if you've seen this machine

594

00:29:47,900 --> 00:29:43,950

if he's done anything more with it if

595

00:29:50,000 --> 00:29:47,910

you followed up on that no he was quite

596

00:29:52,039 --> 00:29:50,010

elderly when I interviewed him and

597

00:29:55,850 --> 00:29:52,049

really eager to get the story out before

598

00:29:59,600 --> 00:29:55,860

he passed away and he sat in his

599

00:30:01,190 --> 00:29:59,610

experience for many many years back when

600

00:30:04,789 --> 00:30:01,200

he had a experience I believe it was

601
00:30:08,150 --> 00:30:04,799
back in the early 1980s and this wasn't

602
00:30:09,560 --> 00:30:08,160
nearly as popular a subject and he was a

603
00:30:12,289 --> 00:30:09,570
little bit nervous about it and didn't

604
00:30:15,710 --> 00:30:12,299
even come out to his family for many

605
00:30:19,880 --> 00:30:15,720
many years but yeah after being taken on

606
00:30:23,840 --> 00:30:19,890
board taking the engine room and shown

607
00:30:26,810 --> 00:30:23,850
his engine they told him that he could

608
00:30:28,850 --> 00:30:26,820
build this if he wanted to he had the

609
00:30:31,250 --> 00:30:28,860
technological know-how to build

610
00:30:33,169 --> 00:30:31,260
something like this and that's what he

611
00:30:36,380 --> 00:30:33,179
did he went to a hardware store got a

612
00:30:37,990 --> 00:30:36,390
bunch of magnets magnets turned up again

613
00:30:40,190 --> 00:30:38,000

and again these serve accounts

614

00:30:42,500 --> 00:30:40,200

counter-rotating magnets

615

00:30:45,500 --> 00:30:42,510

I don't think we fully understand the

616

00:30:48,650 --> 00:30:45,510

electromagnetic spectrum unlike these

617

00:30:51,200 --> 00:30:48,660

guys too certainly and he was able to

618

00:30:52,909 --> 00:30:51,210

build this foot oh kind of a perpetual

619

00:30:55,250 --> 00:30:52,919

motion device Wow

620

00:30:57,110 --> 00:30:55,260

which actually worked I mean this family

621

00:30:58,909 --> 00:30:57,120

was really impressed he said this

622

00:31:02,169 --> 00:30:58,919

thing's spun for a couple of weeks you

623

00:31:04,549 --> 00:31:02,179

just started going and keep on going

624

00:31:07,100 --> 00:31:04,559

interesting and interesting they're not

625

00:31:09,289 --> 00:31:07,110

unique just yeah it's not unique because

626

00:31:13,669 --> 00:31:09,299

this is something that I've never said

627

00:31:16,130 --> 00:31:13,679

on the air before but my father who was

628

00:31:22,160 --> 00:31:16,140

also an experimenter

629

00:31:24,350 --> 00:31:22,170

did start - was he was a ship shipyard

630

00:31:26,840 --> 00:31:24,360

worker and a chemical company worker and

631

00:31:30,620 --> 00:31:26,850

he basically did engineering type work

632

00:31:33,650 --> 00:31:30,630

although he was not an engineer he was

633

00:31:36,200 --> 00:31:33,660

working with pipes mostly but he after

634

00:31:38,750 --> 00:31:36,210

his experiences he developed an

635

00:31:42,280 --> 00:31:38,760

incredible interest in perpetual motion

636

00:31:45,640 --> 00:31:42,290

and did experiment and did make a few

637

00:31:50,150 --> 00:31:45,650

attempts at a perpetual motion type of

638

00:31:53,030 --> 00:31:50,160

device so even at that level and my

639

00:31:55,700 --> 00:31:53,040

father was no scientist but I want to

640

00:31:59,150 --> 00:31:55,710

tell you but he was fascinated enough by

641

00:32:02,270 --> 00:31:59,160

his his contact experience is that he he

642

00:32:04,370 --> 00:32:02,280

did attempt to build several machines

643

00:32:08,990 --> 00:32:04,380

that were perpetual motion and he did

644

00:32:12,950 --> 00:32:09,000

build a sculpture to contact the others

645

00:32:15,220 --> 00:32:12,960

with so it is it is kind of it it's

646

00:32:18,350 --> 00:32:15,230

fascinating what comes of these

647

00:32:22,460 --> 00:32:18,360

encounters but sometimes they leave

648

00:32:27,230 --> 00:32:22,470

people entirely terrified and I would

649

00:32:29,830 --> 00:32:27,240

mention this on the outside that we do

650

00:32:32,870 --> 00:32:29,840

know that in the United States alone

651
00:32:35,960 --> 00:32:32,880
thousands upon thousands of people go

652
00:32:40,510 --> 00:32:35,970
missing every year with no never ever

653
00:32:46,250 --> 00:32:40,520
being found and if you if you take apart

654
00:32:48,500 --> 00:32:46,260
the numbers some people are fall into

655
00:32:50,930 --> 00:32:48,510
you know fall into a hole or something

656
00:32:52,510 --> 00:32:50,940
like that and others are murdered but it

657
00:32:54,500 --> 00:32:52,520
does seem to me that there's a

658
00:32:57,430 --> 00:32:54,510
disproportionate number of missing

659
00:33:00,650 --> 00:32:57,440
people so I don't know if you think that

660
00:33:04,310 --> 00:33:00,660
any visitors might have any hand in that

661
00:33:06,650 --> 00:33:04,320
I would imagine I mean statistically

662
00:33:10,460 --> 00:33:06,660
speaking probably there's gotta be some

663
00:33:12,470 --> 00:33:10,470

there's so many missing people but you

664

00:33:15,710 --> 00:33:12,480

know if you look into it a lot of these

665

00:33:18,080 --> 00:33:15,720

missing people there's nothing a whole

666

00:33:20,570 --> 00:33:18,090

lot of research into this that they've

667

00:33:23,480 --> 00:33:20,580

been previously reporting UFO

668

00:33:25,159 --> 00:33:23,490

experiences the most part no we've not

669

00:33:28,280 --> 00:33:25,169

been able to really pinpoint these

670

00:33:29,720 --> 00:33:28,290

missing people cases directly to UFOs in

671

00:33:31,910 --> 00:33:29,730

the bath

672

00:33:34,520 --> 00:33:31,920

majority of cases but there are a few I

673

00:33:36,680 --> 00:33:34,530

mean that there was one case that I was

674

00:33:41,630 --> 00:33:36,690

involved with this gentleman er dude

675

00:33:43,760 --> 00:33:41,640

real interesting case he and his friends

676

00:33:46,190 --> 00:33:43,770

when camping out in the desert this is

677

00:33:47,870 --> 00:33:46,200

here in Southern California and they

678

00:33:49,430 --> 00:33:47,880

were all there in the little cabin that

679

00:33:51,890 --> 00:33:49,440

one of them owned and one of the guides

680

00:33:53,330 --> 00:33:51,900

walks off for a couple of hours and

681

00:33:54,350 --> 00:33:53,340

comes back because you wouldn't believe

682

00:33:57,440 --> 00:33:54,360

what just happened

683

00:33:59,240 --> 00:33:57,450

I came upon a landed UFO and no one

684

00:34:01,130 --> 00:33:59,250

believed in accepting of one of the guys

685

00:34:03,350 --> 00:34:01,140

that I am ended up interviewing Tony as

686

00:34:05,240 --> 00:34:03,360

his name and Tony is like well tell me

687

00:34:07,250 --> 00:34:05,250

what happened and this gentleman said

688

00:34:11,750 --> 00:34:07,260

yeah came upon a landed UFO there was

689

00:34:14,780 --> 00:34:11,760

kind of human looking Metis not totally

690

00:34:18,050 --> 00:34:14,790

human looking they were bald that kind

691

00:34:21,710 --> 00:34:18,060

of pale skin very large dark eyes kind

692

00:34:23,270 --> 00:34:21,720

of like almost grey human hybrids and he

693

00:34:24,770 --> 00:34:23,280

said that they were very friendly invite

694

00:34:27,650 --> 00:34:24,780

him aboard the ship so that they're

695

00:34:30,440 --> 00:34:27,660

studying the flora and the fauna in this

696

00:34:32,540 --> 00:34:30,450

area and they're coming back here on a

697

00:34:34,630 --> 00:34:32,550

yearly basis and checking things out and

698

00:34:37,340 --> 00:34:34,640

if he wanted to he could come with them

699

00:34:40,430 --> 00:34:37,350

and he said no I don't think I want to

700

00:34:42,350 --> 00:34:40,440

go but they said well you know we're

701
00:34:46,130 --> 00:34:42,360
going to be here next year at this exact

702
00:34:48,710 --> 00:34:46,140
time so if you change your mind we'll be

703
00:34:51,620 --> 00:34:48,720
here and you can meet us and that's

704
00:34:54,020 --> 00:34:51,630
exactly what happened well they left and

705
00:34:55,970 --> 00:34:54,030
the next year rolled around and he

706
00:34:58,880 --> 00:34:55,980
started giving away all of the items you

707
00:35:01,220 --> 00:34:58,890
know gave away my aids just all the

708
00:35:03,470 --> 00:35:01,230
stuff he owned his family became very

709
00:35:05,300 --> 00:35:03,480
concerned and his sons are like you're

710
00:35:07,400 --> 00:35:05,310
not going to go meet these guys are you

711
00:35:10,060 --> 00:35:07,410
he's like yeah I'm gonna do it I really

712
00:35:13,280 --> 00:35:10,070
want to do it and he did he drove off

713
00:35:15,500 --> 00:35:13,290

didn't come back the this guy

714

00:35:18,860 --> 00:35:15,510

interviewed went out there with his

715

00:35:20,380 --> 00:35:18,870

family and found this guy's car with the

716

00:35:23,570 --> 00:35:20,390

keys still in it

717

00:35:25,460 --> 00:35:23,580

no trace of this man they had to call

718

00:35:27,590 --> 00:35:25,470

the police was a huge missing-persons

719

00:35:31,730 --> 00:35:27,600

case they never found him

720

00:35:33,860 --> 00:35:31,740

but it seems that he was invited aboard

721

00:35:37,430 --> 00:35:33,870

this UFO and took the invitation Wow

722

00:35:40,730 --> 00:35:37,440

never seen again that is an interesting

723

00:35:43,089 --> 00:35:40,740

case why don't you mention the names of

724

00:35:46,750 --> 00:35:43,099

your most recent books again I just

725

00:35:48,910 --> 00:35:46,760

so that our listeners know where to get

726

00:35:50,980 --> 00:35:48,920

them and the names of them and so forth

727

00:35:54,940 --> 00:35:50,990

you want to do that Preston this is

728

00:35:58,710 --> 00:35:54,950

Preston down - yes cen any TP on I'm

729

00:36:02,940 --> 00:35:58,720

sure you're on Facebook er yes Internet

730

00:36:06,070 --> 00:36:02,950

yeah yeah my latest book is inside UFOs

731

00:36:08,349 --> 00:36:06,080

you can get it on Amazon I also have a

732

00:36:11,470 --> 00:36:08,359

website - just google my name it'll take

733

00:36:16,000 --> 00:36:11,480

you there I've got a number of folks I'd

734

00:36:17,680 --> 00:36:16,010

put out recently UFOs over Colorado also

735

00:36:20,770 --> 00:36:17,690

not from here

736

00:36:23,140 --> 00:36:20,780

volumes 1 & 2 in the proud of third

737

00:36:26,200 --> 00:36:23,150

volume those are collections of articles

738

00:36:29,349 --> 00:36:26,210

I've written over the years updated with

739

00:36:31,710 --> 00:36:29,359

new information and yeah I'm keeping

740

00:36:36,000 --> 00:36:31,720

busy I've got a new book coming out next

741

00:36:39,270 --> 00:36:36,010

actually now this year about underwater

742

00:36:41,950 --> 00:36:39,280

UFOs UFOs

743

00:36:43,720 --> 00:36:41,960

there's a lot of activity right here off

744

00:36:47,730 --> 00:36:43,730

the Southern California coast I think

745

00:36:51,160 --> 00:36:47,740

there's might be of undersea base wow I

746

00:36:53,560 --> 00:36:51,170

really do I'm not so that's another

747

00:36:55,960 --> 00:36:53,570

thing done a lot of research into and

748

00:36:57,880 --> 00:36:55,970

super excited about that book so yeah

749

00:37:00,579 --> 00:36:57,890

I'm keeping busy I'll uh I loved

750

00:37:03,359 --> 00:37:00,589

researching this stuff it's I think it's

751

00:37:06,430 --> 00:37:03,369

a really important subject I do too I

752

00:37:08,320 --> 00:37:06,440

really do I mean some people say oh you

753

00:37:09,790 --> 00:37:08,330

know you opposed don't affect me I've

754

00:37:11,890 --> 00:37:09,800

never seen one I don't really care about

755

00:37:13,359 --> 00:37:11,900

them I'm like well you know what they

756

00:37:14,339 --> 00:37:13,369

are affecting their you just don't

757

00:37:18,640 --> 00:37:14,349

realize it

758

00:37:22,599 --> 00:37:18,650

we have crashed UFOs we have the bodies

759

00:37:25,570 --> 00:37:22,609

they're being held by the military this

760

00:37:28,780 --> 00:37:25,580

subject is absolutely treated seriously

761

00:37:31,960 --> 00:37:28,790

by the upper levels of our military and

762

00:37:34,570 --> 00:37:31,970

our military industrial complex and if

763

00:37:37,599 --> 00:37:34,580

we could get this technology that we

764

00:37:39,310 --> 00:37:37,609

already have released it would solve our

765

00:37:41,200 --> 00:37:39,320

energy crisis would solve our

766

00:37:43,599 --> 00:37:41,210

environmental crisis would solve our

767

00:37:47,890 --> 00:37:43,609

economic crisis Wow

768

00:37:50,920 --> 00:37:47,900

it would we have a huge huge effect the

769

00:37:53,800 --> 00:37:50,930

only reason it's being suppressed is

770

00:37:56,590 --> 00:37:53,810

because of or an oil kind of technology

771

00:37:58,810 --> 00:37:56,600

the people who are in power

772

00:38:01,360 --> 00:37:58,820

not gonna let this stuff out as long as

773

00:38:04,660 --> 00:38:01,370

we're continuing to spend money on oil

774

00:38:07,060 --> 00:38:04,670

and things like this because that we

775

00:38:10,030 --> 00:38:07,070

have free energy we have the technology

776

00:38:11,890 --> 00:38:10,040

it's there it's gotta be released the

777

00:38:14,080 --> 00:38:11,900

cat's already out of the bag the

778

00:38:18,880 --> 00:38:14,090

disclosure movement is not gonna go

779

00:38:21,190 --> 00:38:18,890

backward well well well Tesla had it

780

00:38:23,530 --> 00:38:21,200

over a hundred years ago and JP Morgan

781

00:38:26,110 --> 00:38:23,540

famously told him if you can't meet her

782

00:38:28,150 --> 00:38:26,120

it I'm not interested in it and there

783

00:38:30,520 --> 00:38:28,160

was a lot of speculation that Tesla

784

00:38:35,020 --> 00:38:30,530

himself was received a lot of this

785

00:38:36,790 --> 00:38:35,030

information from UFOs and you know from

786

00:38:39,280 --> 00:38:36,800

what you say with the Navy engineer

787

00:38:42,400 --> 00:38:39,290

perhaps Tesla was just a little bit more

788

00:38:45,370 --> 00:38:42,410

adroit as far as making or harnessing

789

00:38:48,940 --> 00:38:45,380

the power of electricity yeah he said he

790

00:38:50,380 --> 00:38:48,950

was in contact he said Wow yeah he

791

00:38:53,140 --> 00:38:50,390

thought he was hmm

792

00:38:55,180 --> 00:38:53,150

and just looking at his experiment and

793

00:38:56,460 --> 00:38:55,190

this is another thing we keep seeing

794

00:38:59,340 --> 00:38:56,470

again like we talked about earlier

795

00:39:02,710 --> 00:38:59,350

people are inspired to become inventors

796

00:39:04,780 --> 00:39:02,720

again and again one guy high school

797

00:39:07,480 --> 00:39:04,790

education you know didn't do well in

798

00:39:09,220 --> 00:39:07,490

school suddenly he's making all these

799

00:39:11,470 --> 00:39:09,230

patents he's super interested in

800

00:39:15,460 --> 00:39:11,480

electromagnetism is actually inventing

801
00:39:25,630 --> 00:39:15,470
stuff which again is not unique and

802
00:39:30,190 --> 00:39:25,640
certainly not even uncommon over and

803
00:39:33,490 --> 00:39:30,200
over again over the past a hundred or

804
00:39:36,340 --> 00:39:33,500
slightly more years of people have come

805
00:39:41,500 --> 00:39:36,350
up with machines a variety of different

806
00:39:43,690 --> 00:39:41,510
devices we would say that used what

807
00:39:45,910 --> 00:39:43,700
would seem to be free energy the car

808
00:39:48,730 --> 00:39:45,920
that works on water the electric car

809
00:39:51,490 --> 00:39:48,740
which is in free energy but it's it's

810
00:39:53,320 --> 00:39:51,500
approaching approaching that and we see

811
00:39:56,730 --> 00:39:53,330
over and over again the powers that be

812
00:40:01,000 --> 00:39:56,740
try to step on that to squelch it and

813
00:40:07,330 --> 00:40:01,010

it's it's really unfortunate but I have

814

00:40:09,880 --> 00:40:07,340

no no option but to believe that a free

815

00:40:10,299 --> 00:40:09,890

or almost free energy is possible and

816

00:40:13,029 --> 00:40:10,309

that

817

00:40:14,979 --> 00:40:13,039

we have to persevere as the one

818

00:40:17,439 --> 00:40:14,989

gentleman in the book one of the Navy

819

00:40:19,749 --> 00:40:17,449

fellows said that we have to you know

820

00:40:21,670 --> 00:40:19,759

kind of persevere and believe that it

821

00:40:24,489 --> 00:40:21,680

can happen because I believe that

822

00:40:27,249 --> 00:40:24,499

intention if we have the intention to do

823

00:40:29,709 --> 00:40:27,259

something that we can in fact make it

824

00:40:32,739 --> 00:40:29,719

happen and if we have the intention to

825

00:40:35,229 --> 00:40:32,749

say run a car on water we can but I

826

00:40:38,559 --> 00:40:35,239

think our next step will be some form of

827

00:40:43,239 --> 00:40:38,569

a hovercraft because I've seen visions

828

00:40:46,209 --> 00:40:43,249

where our highways are overrun with

829

00:40:48,640 --> 00:40:46,219

grass and and that things are floating

830

00:40:52,929 --> 00:40:48,650

up just above the highways and that they

831

00:40:57,519 --> 00:40:52,939

just use the old highways as a sort of a

832

00:40:59,469 --> 00:40:57,529

route to follow kind of thing well I

833

00:41:03,189 --> 00:40:59,479

can't wait for that to happen I see the

834

00:41:08,079 --> 00:41:03,199

traffic here in LA just oh the worst in

835

00:41:09,670 --> 00:41:08,089

the world I've heard yeah oh six me an

836

00:41:12,729 --> 00:41:09,680

hour just to go ten miles

837

00:41:15,549 --> 00:41:12,739

Wow Wow there's no reason for it we have

838

00:41:17,979 --> 00:41:15,559

the technology yeah we have lose energy

839

00:41:19,839 --> 00:41:17,989

and I think what the et they're doing is

840

00:41:21,640 --> 00:41:19,849

basically now they've bonded the

841

00:41:24,370 --> 00:41:21,650

government we have the technology it's

842

00:41:26,140 --> 00:41:24,380

still not coming out so they're going to

843

00:41:29,199 --> 00:41:26,150

the people we're doing a grassroots

844

00:41:30,789 --> 00:41:29,209

movement type of thing and one contact

845

00:41:33,699 --> 00:41:30,799

after another has been giving this

846

00:41:35,829 --> 00:41:33,709

information and sooner or later it's

847

00:41:39,039 --> 00:41:35,839

just going to reach a saturation point

848

00:41:41,620 --> 00:41:39,049

where it can't be covered up anymore

849

00:41:44,199 --> 00:41:41,630

hmm we would like we're trending towards

850

00:41:50,949 --> 00:41:44,209

open official contact I hope so I hope

851
00:41:54,219 --> 00:41:50,959
so you had written a book about some

852
00:41:59,289 --> 00:41:54,229
interesting events on the Coronado

853
00:42:02,589 --> 00:41:59,299
Island and we had one of our regular

854
00:42:06,189 --> 00:42:02,599
listeners a gentleman named Peter report

855
00:42:09,309 --> 00:42:06,199
about his incident at the big hotel

856
00:42:13,079 --> 00:42:09,319
there the del Coronado and his

857
00:42:18,130 --> 00:42:13,089
experience had to do with a television

858
00:42:21,669 --> 00:42:18,140
that came on by itself and display the

859
00:42:24,160 --> 00:42:21,679
image of a woman who was a perhaps

860
00:42:28,240 --> 00:42:24,170
deceased so we would call it a ghost

861
00:42:30,550 --> 00:42:28,250
and and so we'd like to hear a little

862
00:42:34,390 --> 00:42:30,560
bit more unfortunately haven't gotten to

863
00:42:36,940 --> 00:42:34,400

reading your book about the card Auto

864

00:42:39,970 --> 00:42:36,950

Island incident yet but I it will

865

00:42:42,010 --> 00:42:39,980

certainly be on my list of things to

866

00:42:45,130 --> 00:42:42,020

read would you like to give us a just a

867

00:42:47,740 --> 00:42:45,140

short rundown on that Preston yeah

868

00:42:50,200 --> 00:42:47,750

absolutely it's a great case and what's

869

00:42:52,720 --> 00:42:50,210

amazing about this case is sort of it

870

00:42:55,150 --> 00:42:52,730

when I give to people they are skeptical

871

00:42:58,930 --> 00:42:55,160

because it involves not one witness not

872

00:43:02,140 --> 00:42:58,940

two not four on not even six or eight

873

00:43:04,570 --> 00:43:02,150

it's more than that on this one night in

874

00:43:06,820 --> 00:43:04,580

nineteen ninety-four March 14th I

875

00:43:10,300 --> 00:43:06,830

believe it was a bunch of people had

876

00:43:13,240 --> 00:43:10,310

contact and there this book that I wrote

877

00:43:15,220 --> 00:43:13,250

focuses on six witnesses for it's a

878

00:43:18,430 --> 00:43:15,230

village in this is just down the street

879

00:43:20,320 --> 00:43:18,440

from the court del Coronado now if

880

00:43:22,570 --> 00:43:20,330

you've been to Coronado Island it's very

881

00:43:24,850 --> 00:43:22,580

densely populated it's a very touristy

882

00:43:26,890 --> 00:43:24,860

town it's got an enormous number of

883

00:43:28,890 --> 00:43:26,900

police on there this is where the Navy

884

00:43:32,170 --> 00:43:28,900

SEALs do their training it's

885

00:43:35,050 --> 00:43:32,180

quasi-military the least likely place

886

00:43:37,090 --> 00:43:35,060

you'd ever expect for a UFO encounter

887

00:43:40,660 --> 00:43:37,100

and when this encounter actually

888

00:43:42,160 --> 00:43:40,670

happened President Clinton was due to

889

00:43:46,000 --> 00:43:42,170

visit in like two days

890

00:43:48,430 --> 00:43:46,010

he's been and the staying actually at a

891

00:43:50,950 --> 00:43:48,440

house maybe a block away from where this

892

00:43:53,440 --> 00:43:50,960

incident occurred so the entire island

893

00:43:58,300 --> 00:43:53,450

was just swimming with Secret Service I

894

00:44:01,570 --> 00:43:58,310

don't know if this was a display of you

895

00:44:05,320 --> 00:44:01,580

know what these ETS can do or what have

896

00:44:09,220 --> 00:44:05,330

you but on this one night six people in

897

00:44:12,460 --> 00:44:09,230

one hotel were all taken and all the men

898

00:44:14,290 --> 00:44:12,470

to various degrees of recall got

899

00:44:18,730 --> 00:44:14,300

interviewed they were taken where

900

00:44:22,270 --> 00:44:18,740

Preston I'm into a UFO they were had an

901
00:44:26,080 --> 00:44:22,280
abduction experience okay out of the

902
00:44:28,030 --> 00:44:26,090
hotel room which sounds unusual but if

903
00:44:32,310 --> 00:44:28,040
you look into this you know that these

904
00:44:36,040 --> 00:44:32,320
ETS can abduct people anywhere out of a

905
00:44:37,590 --> 00:44:36,050
moving trains off of boats densely

906
00:44:40,080 --> 00:44:37,600
populated suburbs

907
00:44:42,060 --> 00:44:40,090
condos I had one person who had an

908
00:44:44,580 --> 00:44:42,070
experience in the Marriott hotel

909
00:44:45,270 --> 00:44:44,590
unlike the seventh floor her Woodland

910
00:44:47,790 --> 00:44:45,280
Hills

911
00:44:49,440 --> 00:44:47,800
that's scary yeah these people all had

912
00:44:52,500 --> 00:44:49,450
an experience on the same night with

913
00:44:54,150 --> 00:44:52,510

gray type ETS and some extraordinary

914

00:44:57,870 --> 00:44:54,160

experience because it involves a great

915

00:44:59,900 --> 00:44:57,880

deal of medical evidence it's absolutely

916

00:45:05,520 --> 00:44:59,910

one of the people actually had their

917

00:45:07,830 --> 00:45:05,530

implant removed dr. Roger Leir we

918

00:45:10,140 --> 00:45:07,840

specialized in this so yeah it's a great

919

00:45:13,010 --> 00:45:10,150

case to Norma's amounts of physical

920

00:45:15,810 --> 00:45:13,020

evidence and sort of The Smoking Gun

921

00:45:18,690 --> 00:45:15,820

proving that these experiences do really

922

00:45:24,200 --> 00:45:18,700

happen had anybody reported actually

923

00:45:28,350 --> 00:45:25,470

mm-hmm

924

00:45:32,250 --> 00:45:28,360

only two is a limited extent they

925

00:45:33,960 --> 00:45:32,260

reported seeing bright lights not actual

926

00:45:37,110 --> 00:45:33,970

crafts but one person was sucked up

927

00:45:39,090 --> 00:45:37,120

actually a cup three people were sucked

928

00:45:40,800 --> 00:45:39,100

up out of the hotel into a beam of light

929

00:45:43,740 --> 00:45:40,810

into a craft so they didn't see it

930

00:45:45,450 --> 00:45:43,750

outside but it did sit on the inside and

931

00:45:48,570 --> 00:45:45,460

these people were not related to each

932

00:45:51,450 --> 00:45:48,580

other not a family group um there was

933

00:45:54,450 --> 00:45:51,460

one husband and wife mm-hmm in one room

934

00:45:56,910 --> 00:45:54,460

in the second one there was two best

935

00:45:59,520 --> 00:45:56,920

friends and in the third room these are

936

00:46:04,080 --> 00:45:59,530

all adjoining rooms by the way with

937

00:46:07,950 --> 00:46:04,090

another husband wife so uh yeah it's a

938

00:46:09,450 --> 00:46:07,960

really strange case a mass abduction I

939

00:46:11,670 --> 00:46:09,460

think you might cause there's not a

940

00:46:15,600 --> 00:46:11,680

whole lot out there most of us are one

941

00:46:19,020 --> 00:46:15,610

two maybe three or four people but six

942

00:46:21,180 --> 00:46:19,030

seven or eight that's almost unheard of

943

00:46:25,950 --> 00:46:21,190

well since if people didn't know each

944

00:46:27,450 --> 00:46:25,960

other beforehand how did they sort of

945

00:46:28,710 --> 00:46:27,460

relate to each other and say well you

946

00:46:30,600 --> 00:46:28,720

wouldn't believe what happened to me

947

00:46:34,020 --> 00:46:30,610

last night was just like a conversation

948

00:46:35,580 --> 00:46:34,030

over breakfast or how did they get to

949

00:46:37,110 --> 00:46:35,590

know that the others or did they

950

00:46:40,250 --> 00:46:37,120

actually see the other people in the

951
00:46:43,640 --> 00:46:40,260
craft um no they didn't know each other

952
00:46:47,400 --> 00:46:43,650
they were friends all these people were

953
00:46:50,740 --> 00:46:47,410
going down next no I was there I was on

954
00:46:54,400 --> 00:46:50,750
Cornell at that time oh yeah

955
00:46:55,450 --> 00:46:54,410
yeah UFO conference on that weekend and

956
00:47:00,610 --> 00:46:55,460
that's why they were there

957
00:47:01,090 --> 00:47:00,620
Oh weekend trains Oh Oh careful what you

958
00:47:06,010 --> 00:47:01,100
wish for

959
00:47:08,440 --> 00:47:06,020
Wow this turns up actually this is

960
00:47:11,440 --> 00:47:08,450
apparently a thing I just had no idea um

961
00:47:14,820 --> 00:47:11,450
but a lot of people report encounters

962
00:47:17,260 --> 00:47:14,830
mm-hmm while attending a UFO conference

963
00:47:18,850 --> 00:47:17,270

either in the hotel room or they'll run

964

00:47:24,130 --> 00:47:18,860

outside and like there's a us all

965

00:47:26,920 --> 00:47:24,140

outside everyone see it this happens

966

00:47:31,630 --> 00:47:26,930

quite a bit and this happened in the

967

00:47:34,860 --> 00:47:31,640

triad UFO conference 94 on Coronado

968

00:47:40,030 --> 00:47:34,870

Island had they had prior experiences

969

00:47:41,920 --> 00:47:40,040

each one did yes to some extent Mike I

970

00:47:43,960 --> 00:47:41,930

haven't forgot any of you didn't think

971

00:47:45,400 --> 00:47:43,970

so you know he was very interested in

972

00:47:49,290 --> 00:47:45,410

UFOs but it's like no I'm not an

973

00:47:53,380 --> 00:47:49,300

experencer but he was now you are

974

00:47:57,070 --> 00:47:53,390

welcome up yeah after looking into it he

975

00:48:00,790 --> 00:47:57,080

writes having been his entire life Kate

976
00:48:03,730 --> 00:48:00,800
knows that at the conference at which I

977
00:48:07,050 --> 00:48:03,740
first met her would she put on in

978
00:48:10,990 --> 00:48:07,060
Atlantic City with Atlantic Coast UFOs

979
00:48:13,270 --> 00:48:11,000
that two women came into that conference

980
00:48:15,640 --> 00:48:13,280
or would be women we don't know that

981
00:48:18,630 --> 00:48:15,650
they were really women but there were

982
00:48:21,160 --> 00:48:18,640
two women they were like peas in a pod

983
00:48:24,550 --> 00:48:21,170
they looked exactly the same

984
00:48:28,450 --> 00:48:24,560
they looked human definitely human

985
00:48:31,480 --> 00:48:28,460
but they were like twins maybe one of

986
00:48:34,840 --> 00:48:31,490
them was seemed maybe a little bit older

987
00:48:37,060 --> 00:48:34,850
than the other and it's it's it's too

988
00:48:40,240 --> 00:48:37,070

long a story to relate entirely right

989

00:48:43,630 --> 00:48:40,250

now but they were seen by others besides

990

00:48:46,390 --> 00:48:43,640

me they seemed to single me out I got a

991

00:48:48,250 --> 00:48:46,400

message mental message that they were

992

00:48:49,830 --> 00:48:48,260

going to sit down next to me at the

993

00:48:52,300 --> 00:48:49,840

conference even though there was other

994

00:48:54,610 --> 00:48:52,310

tables where there was room for them to

995

00:48:57,610 --> 00:48:54,620

sit down and sure enough they sat down

996

00:49:01,660 --> 00:48:57,620

right next to me and one of them was

997

00:49:03,780 --> 00:49:01,670

wearing a huge ring like a huge ring

998

00:49:05,040 --> 00:49:03,790

with what looked like something a

999

00:49:09,260 --> 00:49:05,050

bluish stone could have been an

1000

00:49:14,430 --> 00:49:09,270

aquamarine or or a or another blue stone

1001
00:49:16,680 --> 00:49:14,440
but it was it was quite a scary kind of

1002
00:49:21,630 --> 00:49:16,690
experience to be and even in a room with

1003
00:49:23,700 --> 00:49:21,640
a couple hundred people in it not many

1004
00:49:27,330 --> 00:49:23,710
other people remembered seeing them no

1005
00:49:30,600 --> 00:49:27,340
not everybody but George filers wife saw

1006
00:49:33,180 --> 00:49:30,610
them and a couple of other people saw

1007
00:49:34,920 --> 00:49:33,190
them but they didn't notice anything

1008
00:49:37,290 --> 00:49:34,930
unusual because they didn't interact

1009
00:49:41,520 --> 00:49:37,300
with them but they sort of were a little

1010
00:49:46,950 --> 00:49:41,530
bit out of time in the sense that their

1011
00:49:51,150 --> 00:49:46,960
their address was that of maybe twenty

1012
00:49:53,700 --> 00:49:51,160
years prior like around 1980s clothing

1013
00:49:57,600 --> 00:49:53,710

and they kind of looked a little bit

1014

00:50:00,060 --> 00:49:57,610

like mafia wives is well I can say in a

1015

00:50:03,030 --> 00:50:00,070

certain sense they had the same a helmet

1016

00:50:06,810 --> 00:50:03,040

haircuts a black hair or nearly black

1017

00:50:10,800 --> 00:50:06,820

hair and helmet haircuts dressed in the

1018

00:50:13,560 --> 00:50:10,810

same clothing it was odd it was really

1019

00:50:16,950 --> 00:50:13,570

it was really an odd situation and and

1020

00:50:18,750 --> 00:50:16,960

they did hone in right on me and the

1021

00:50:22,110 --> 00:50:18,760

first thing they said to me have you

1022

00:50:26,070 --> 00:50:22,120

seen a UFO and I said yes how about you

1023

00:50:28,350 --> 00:50:26,080

because I often deflect the questions in

1024

00:50:31,470 --> 00:50:28,360

that manner by you know dumping the

1025

00:50:33,510 --> 00:50:31,480

question back at the person and and they

1026

00:50:38,070 --> 00:50:33,520

said they had and they said they had

1027

00:50:41,070 --> 00:50:38,080

seen the UFOs in Medford New Jersey's

1028

00:50:44,430 --> 00:50:41,080

Medford med medval Medford but it was

1029

00:50:46,170 --> 00:50:44,440

the same town where Alex from George

1030

00:50:53,700 --> 00:50:46,180

filer lives and I said oh you must know

1031

00:50:55,650 --> 00:50:53,710

George filer then no we don't it was it

1032

00:51:00,150 --> 00:50:55,660

was a little bizarre and it left me very

1033

00:51:02,580 --> 00:51:00,160

unsettled for the time of the of Kate's

1034

00:51:04,860 --> 00:51:02,590

wonderful conference that I had the

1035

00:51:07,740 --> 00:51:04,870

privilege to attend well thank you well

1036

00:51:10,170 --> 00:51:07,750

you know at Preston you seem to accept

1037

00:51:12,360 --> 00:51:10,180

the fact that these beings are alien and

1038

00:51:15,160 --> 00:51:12,370

they are in the sense of not being human

1039

00:51:17,890 --> 00:51:15,170

but do you think they actually come from

1040

00:51:20,380 --> 00:51:17,900

a planet what's your sense of where

1041

00:51:22,930 --> 00:51:20,390

their origin is because I I really

1042

00:51:25,420 --> 00:51:22,940

suspect they come and I know a lot of

1043

00:51:27,789 --> 00:51:25,430

people disagree with me mr. Freeman but

1044

00:51:31,750 --> 00:51:27,799

I really have a feeling a lot of them

1045

00:51:34,569 --> 00:51:31,760

come from here right from Earth and just

1046

00:51:38,579 --> 00:51:34,579

sort of little subsets of humanity that

1047

00:51:43,839 --> 00:51:38,589

have managed to exist outside our

1048

00:51:47,250 --> 00:51:43,849

existence yeah like a break away yeah I

1049

00:51:50,140 --> 00:51:47,260

get that feeling somehow it just seems

1050

00:51:52,089 --> 00:51:50,150

either that or this is just such an

1051
00:51:53,980 --> 00:51:52,099
incredibly attractive planet that

1052
00:51:59,170 --> 00:51:53,990
everybody wants to come here you know

1053
00:52:01,420 --> 00:51:59,180
it's I have a difficult time getting

1054
00:52:03,220 --> 00:52:01,430
away from you know your standard

1055
00:52:05,410 --> 00:52:03,230
extra-terrestrial hypothesis

1056
00:52:10,599 --> 00:52:05,420
I think thanks Terry that really best

1057
00:52:13,809 --> 00:52:10,609
explains the evidence mm-hmm I mean cuz

1058
00:52:15,849 --> 00:52:13,819
that they're not extraterrestrials and

1059
00:52:19,030 --> 00:52:15,859
where does that leave us what are we

1060
00:52:21,819 --> 00:52:19,040
mmm-hmm are we the only physical beings

1061
00:52:24,069 --> 00:52:21,829
in the universe I highly doubt that I

1062
00:52:27,099 --> 00:52:24,079
think these guys probably do have some

1063
00:52:30,010 --> 00:52:27,109

interdimensional abilities yes but we do

1064

00:52:32,559 --> 00:52:30,020

too and we can go out of body yes we do

1065

00:52:35,770 --> 00:52:32,569

do do the same sort of things that you

1066

00:52:38,319 --> 00:52:35,780

know they can do perhaps not the level

1067

00:52:39,789 --> 00:52:38,329

of understanding that they have but yeah

1068

00:52:43,030 --> 00:52:39,799

I do think these guys come from other

1069

00:52:45,640 --> 00:52:43,040

planets and they're building ships you

1070

00:52:49,690 --> 00:52:45,650

know maybe they're made out of metal I

1071

00:52:52,720 --> 00:52:49,700

think but that's appeared I just can't

1072

00:52:54,910 --> 00:52:52,730

get away from I think it best explains

1073

00:52:56,770 --> 00:52:54,920

the evidence but they do have any

1074

00:52:59,470 --> 00:52:56,780

dimensional abilities there's no doubt

1075

00:53:02,380 --> 00:52:59,480

in my mind that they're very advanced

1076
00:53:08,049 --> 00:53:02,390
terms of understanding the so-called

1077
00:53:09,910 --> 00:53:08,059
other side and higher dimensions but

1078
00:53:13,120 --> 00:53:09,920
yeah I still think that they're dealing

1079
00:53:16,150 --> 00:53:13,130
with biological beings very much like us

1080
00:53:17,589 --> 00:53:16,160
only different and what their origins

1081
00:53:20,020 --> 00:53:17,599
are well that's a million-dollar

1082
00:53:22,390 --> 00:53:20,030
question and yes yes it's been here

1083
00:53:24,490 --> 00:53:22,400
forever you know that yeah just be a

1084
00:53:28,329 --> 00:53:24,500
paintings and Renaissance paintings and

1085
00:53:28,990 --> 00:53:28,339
yes indeed I wouldn't be surprised if

1086
00:53:31,990 --> 00:53:29,000
they've got a

1087
00:53:34,450 --> 00:53:32,000
here or some of them had evolved from

1088
00:53:37,230 --> 00:53:34,460

here or we evolved from somewhere else

1089

00:53:41,230 --> 00:53:37,240

for that matter apparently the best

1090

00:53:44,140 --> 00:53:41,240

remote viewer in the past one of the

1091

00:53:48,130 --> 00:53:44,150

best let us say Ingo Swan was great also

1092

00:53:52,570 --> 00:53:48,140

but this guy Pat price he did speak

1093

00:53:54,940 --> 00:53:52,580

about alien bases in Australia for one

1094

00:53:59,620 --> 00:53:54,950

he may have spoken about more than one

1095

00:54:03,160 --> 00:53:59,630

and I remember asking the famous

1096

00:54:06,640 --> 00:54:03,170

physicist Hal poot of who started the

1097

00:54:08,590 --> 00:54:06,650

remote viewing the program in the United

1098

00:54:11,890 --> 00:54:08,600

States with my dear friend Russell Targ

1099

00:54:14,290 --> 00:54:11,900

and how put off when I asked him a

1100

00:54:17,800 --> 00:54:14,300

question in public at the remote viewers

1101
00:54:22,860 --> 00:54:17,810
Association I asked him about Pat price

1102
00:54:25,560 --> 00:54:22,870
who was his coworker really his his a

1103
00:54:28,470 --> 00:54:25,570
person who he worked with a great deal

1104
00:54:31,420 --> 00:54:28,480
was it true that there are alien bases

1105
00:54:32,920 --> 00:54:31,430
around there was one in Australia or

1106
00:54:34,360 --> 00:54:32,930
around Australia somewhere and he said

1107
00:54:38,460 --> 00:54:34,370
yeah that's true that happened that's

1108
00:54:41,350 --> 00:54:38,470
that's absolutely true so I don't know

1109
00:54:45,840 --> 00:54:41,360
I've been made that there wasn't I mean

1110
00:54:48,130 --> 00:54:45,850
just the sheer number of people report

1111
00:54:49,690 --> 00:54:48,140
let's see that that's the whole thing I

1112
00:54:52,840 --> 00:54:49,700
mean if it was a mission of exploration

1113
00:54:54,670 --> 00:54:52,850

there be five or six and mission of

1114

00:54:57,130 --> 00:54:54,680

invasion or whatever then there's that

1115

00:54:59,140 --> 00:54:57,140

by the thousands and yeah I'd still I

1116

00:55:02,680 --> 00:54:59,150

don't get the feeling that this is an

1117

00:55:04,480 --> 00:55:02,690

invasion a force of invasion it just

1118

00:55:06,340 --> 00:55:04,490

doesn't seem like that and even though

1119

00:55:08,440 --> 00:55:06,350

they're technologically advanced it

1120

00:55:10,660 --> 00:55:08,450

doesn't seem that they're sociologically

1121

00:55:14,860 --> 00:55:10,670

that advanced either I mean they show a

1122

00:55:16,540 --> 00:55:14,870

lot of human characteristics and you

1123

00:55:19,600 --> 00:55:16,550

know certainly the tales of the old

1124

00:55:23,340 --> 00:55:19,610

mythology and the origins of most of the

1125

00:55:26,610 --> 00:55:23,350

religions would seem to echo what these

1126

00:55:29,170 --> 00:55:26,620

people or what these beings are saying

1127

00:55:31,090 --> 00:55:29,180

yeah I think they're very much like us I

1128

00:55:33,390 --> 00:55:31,100

mean their behavior falls under the same

1129

00:55:36,340 --> 00:55:33,400

sort of umbrella as human behavior hmm

1130

00:55:38,920 --> 00:55:36,350

really I mean people were able to

1131

00:55:41,590 --> 00:55:38,930

predict UFO sightings Jim and Cora

1132

00:55:44,230 --> 00:55:41,600

Lorenzen pioneering UFO investigators

1133

00:55:46,090 --> 00:55:44,240

yeah yeah realized that hey these guys

1134

00:55:48,460 --> 00:55:46,100

out whenever there's a new technological

1135

00:55:50,620 --> 00:55:48,470

installation built these guys appear

1136

00:55:54,640 --> 00:55:50,630

over it you're actually able to predict

1137

00:55:58,120 --> 00:55:54,650

UFO settings on by this method and I did

1138

00:55:59,950 --> 00:55:58,130

a study of like UFOs and Rockets they're

1139

00:56:02,580 --> 00:55:59,960

very closely watching all our

1140

00:56:05,610 --> 00:56:02,590

technological development into space and

1141

00:56:09,430 --> 00:56:05,620

also I did a study on UFOs in mines

1142

00:56:11,440 --> 00:56:09,440

iron mines and gold mines and there are

1143

00:56:13,660 --> 00:56:11,450

so many cases they're about twenty or

1144

00:56:16,360 --> 00:56:13,670

thirty cases where these UFOs are seen

1145

00:56:18,370 --> 00:56:16,370

not only hovering over mines but landing

1146

00:56:21,310 --> 00:56:18,380

and in some cases actually affecting

1147

00:56:23,680 --> 00:56:21,320

these mines so that's speaking toward

1148

00:56:25,900 --> 00:56:23,690

them being you know interested in our

1149

00:56:28,900 --> 00:56:25,910

metals of our planet which would mean

1150

00:56:32,290 --> 00:56:28,910

the building craft you know and their

1151

00:56:33,940 --> 00:56:32,300

physical things so I think that by and

1152

00:56:37,540 --> 00:56:33,950

large their behavior is very much

1153

00:56:39,730 --> 00:56:37,550

similar to ours and they're doing what

1154

00:56:43,210 --> 00:56:39,740

we would probably do if we were to visit

1155

00:56:44,620 --> 00:56:43,220

an alien race or another planet well

1156

00:56:47,860 --> 00:56:44,630

yeah they're saying now if you go to

1157

00:56:50,530 --> 00:56:47,870

Mars use the what you have there in Mars

1158

00:56:52,960 --> 00:56:50,540

to create habitats rather than take it

1159

00:56:54,730 --> 00:56:52,970

with you just use what what will be

1160

00:56:57,400 --> 00:56:54,740

wherever you're going so yeah that would

1161

00:57:00,160 --> 00:56:57,410

make sense and when you mention gold

1162

00:57:04,780 --> 00:57:00,170

then you think is such in - right and

1163

00:57:06,850 --> 00:57:04,790

the Anunnaki that whole I he had some

1164

00:57:09,850 --> 00:57:06,860

interesting theories too I would say and

1165

00:57:13,420 --> 00:57:09,860

the old gold mines in in Africa Africa

1166

00:57:20,110 --> 00:57:13,430

all those you know I kind of almost

1167

00:57:26,890 --> 00:57:23,040

[Music]

1168

00:57:28,750 --> 00:57:26,900

well Preston I want to thank you very

1169

00:57:32,980 --> 00:57:28,760

very much for being with us this

1170

00:57:36,280 --> 00:57:32,990

afternoon and I hope that you will

1171

00:57:38,710 --> 00:57:36,290

continue to keep writing and continue to

1172

00:57:41,890 --> 00:57:38,720

keep letting us know about what it is

1173

00:57:43,870 --> 00:57:41,900

you're you're writing about because we

1174

00:57:46,950 --> 00:57:43,880

certainly like to stay in touch with you

1175

00:57:50,740 --> 00:57:46,960

and once again we have been speaking to

1176

00:57:53,650 --> 00:57:50,750

Preston Dennett and discussed primarily

1177

00:57:54,900 --> 00:57:53,660

his book inside UFOs the true accounts

1178

00:57:58,499 --> 00:57:54,910

of contact

1179

00:58:00,599 --> 00:57:58,509

I recommend highly and I want to get

1180

00:58:04,640 --> 00:58:00,609

myself a copy somewhere along the line

1181

00:58:08,009 --> 00:58:04,650

of I'm looking for the name of it here

1182

00:58:12,210 --> 00:58:08,019

boy oh boy oh boy the Coronado Island

1183

00:58:13,079 --> 00:58:12,220

UFO incident because I want to find out

1184

00:58:17,309 --> 00:58:13,089

what that was about

1185

00:58:19,019 --> 00:58:17,319

okay so thanks so much Preston and

1186

00:58:21,089 --> 00:58:19,029

Preston's been great talking to you

1187

00:58:23,940 --> 00:58:21,099

again - thanks so much for your time

1188

00:58:26,190 --> 00:58:23,950

this afternoon hey it's been a pleasure

1189

00:58:28,650 --> 00:58:26,200

and yeah I really enjoyed talking with

1190

00:58:30,029 --> 00:58:28,660

you guys and I really appreciate you

1191

00:58:31,799 --> 00:58:30,039

guys having me on the show and we'll

1192

00:58:35,430 --> 00:58:31,809

definitely have to do it again okay

1193

00:58:36,749 --> 00:58:35,440

speak to you soon well that was fun yeah

1194

00:58:40,710 --> 00:58:36,759

that was really interesting

1195

00:58:45,839 --> 00:58:40,720

yeah and just want to mention that next

1196

00:58:49,890 --> 00:58:45,849

time on shattered reality podcast which

1197

00:58:53,700 --> 00:58:49,900

I think will be our show number 63 we

1198

00:58:57,710 --> 00:58:53,710

are going to have Julie bye shall dr.

1199

00:59:01,710 --> 00:58:57,720

Julie bye shall who like many of our

1200

00:59:06,680 --> 00:59:01,720

guests is a prominent Society for

1201
00:59:09,930 --> 00:59:06,690
scientific exploration member and she is

1202
00:59:13,279 --> 00:59:09,940
she along with her husband Mark

1203
00:59:16,950 --> 00:59:13,289
they started the wind bridge Institute

1204
00:59:21,359 --> 00:59:16,960
that has now morphed into a nonprofit

1205
00:59:25,799 --> 00:59:21,369
organization called I believe the wind

1206
00:59:30,240 --> 00:59:25,809
bridge organization or G and we will be

1207
00:59:33,420 --> 00:59:30,250
speaking to her about mediumship and the

1208
00:59:37,579 --> 00:59:33,430
kind of scientific verification that she

1209
00:59:40,559 --> 00:59:37,589
has studied and experimented with

1210
00:59:43,019 --> 00:59:40,569
mediums and what she's up to it what

1211
00:59:45,960 --> 00:59:43,029
she's up to with it right now and this

1212
00:59:48,089 --> 00:59:45,970
is a really good I think it's gonna be a

1213
00:59:50,910 --> 00:59:48,099

very interesting show and it's on a

1214

00:59:52,589 --> 00:59:50,920

different a different scope than what

1215

00:59:55,430 --> 00:59:52,599

we've been covering lately a different

1216

00:59:59,370 --> 00:59:55,440

topic yes I don't think we've done that

1217

01:00:03,740 --> 00:59:59,380

okay okay so now mm-hmm

1218

01:00:13,210 --> 01:00:03,750

let's do it goodbye from shattered
