

1
00:00:00,350 --> 00:00:08,560

okay

2
00:00:08,570 --> 00:00:17,170

[Music]

3
00:00:25,490 --> 00:00:20,660

welcome to shattered reality with their

4
00:00:28,550 --> 00:00:25,500

hosts Kate Valentine and furs prepare to

5
00:00:34,000 --> 00:00:28,560

have your paradigm shifted into truths

6
00:00:36,950 --> 00:00:34,010

questioned and now shattered reality

7
00:00:46,070 --> 00:00:36,960

well hi there Purusha here we are again

8
00:00:50,390 --> 00:00:46,080

hey Kate today is July 31st 2018 and if

9
00:00:54,050 --> 00:00:50,400

you follow you know shamanistic kind of

10
00:00:58,880 --> 00:00:54,060

studies sometime tonight into tomorrow

11
00:01:03,710 --> 00:00:58,890

is called cross quarters Midsummer's

12
00:01:06,700 --> 00:01:03,720

Night and that's what the Shakespearean

13
00:01:10,609 --> 00:01:06,710

play was basically about because it

14

00:01:14,120 --> 00:01:10,619

persists in northern Europe particularly

15

00:01:18,020 --> 00:01:14,130

in Great Britain and the British Isles

16

00:01:24,379 --> 00:01:18,030

Ireland as well sort of a veneration of

17

00:01:26,779 --> 00:01:24,389

the Solstice the equinox and then the

18

00:01:31,840 --> 00:01:26,789

course crossed quarters so we're right

19

00:01:34,550 --> 00:01:31,850

now Beach the exact time between the

20

00:01:39,679 --> 00:01:34,560

summer solstice which is generally

21

00:01:43,129 --> 00:01:39,689

around June 21st and the autumn equinox

22

00:01:45,649 --> 00:01:43,139

which is generally around September 21st

23

00:01:47,870 --> 00:01:45,659

now because the calendar isn't perfect

24

00:01:50,209 --> 00:01:47,880

it goes back and forth by a couple of

25

00:01:52,160 --> 00:01:50,219

days but that's not where we heard talk

26

00:01:55,699 --> 00:01:52,170

about is it no is it but it was

27

00:01:57,859 --> 00:01:55,709

celebrated on the Golden Girls - it was

28

00:02:03,459 --> 00:01:57,869

a whole episode on it on midsummer night

29

00:02:06,260 --> 00:02:03,469

yeah yeah Blanche Blanche okay

30

00:02:09,589 --> 00:02:06,270

anyway we got two handsome guys with us

31

00:02:11,210 --> 00:02:09,599

here today so we got two very handsome

32

00:02:14,720 --> 00:02:11,220

guys with us mm-hmm

33

00:02:17,690 --> 00:02:14,730

before I introduce them okay I did want

34

00:02:20,330 --> 00:02:17,700

to mention the fact that I was at the

35

00:02:24,170 --> 00:02:20,340

MUFON Capote symposium on

36

00:02:30,830 --> 00:02:24,180

Saturday July 28th and Sunday July 29th

37

00:02:34,580 --> 00:02:30,840

and was rather disappointed that the

38

00:02:36,949 --> 00:02:34,590

private speaker of the evening with it

39

00:02:41,360 --> 00:02:36,959

was supposed to be a one-on-one with

40

00:02:45,589 --> 00:02:41,370

Lewis Elizondo who purportedly is in the

41

00:02:48,770 --> 00:02:45,599

process of doing some disclosure via the

42

00:02:51,650 --> 00:02:48,780

Defense Intelligence Agency but he got

43

00:02:52,699 --> 00:02:51,660

called away at the last minute but to

44

00:02:56,570 --> 00:02:52,709

muffins

45

00:02:59,270 --> 00:02:56,580

credit they did give me back the \$50

46

00:03:01,400 --> 00:02:59,280

extra they were charging to do a Q&A

47

00:03:05,420 --> 00:03:01,410

with him but they did give the money

48

00:03:08,990 --> 00:03:05,430

back but I was majorly disappointed in

49

00:03:13,070 --> 00:03:09,000

that however I want to speak to

50

00:03:16,100 --> 00:03:13,080

something else up a very famous abductee

51
00:03:18,589 --> 00:03:16,110
was there which I'm sure both of our

52
00:03:22,339 --> 00:03:18,599
guests have heard of that person was

53
00:03:24,500 --> 00:03:22,349
Travis Walton and I have met Travis

54
00:03:26,210 --> 00:03:24,510
Walton a couple of times I mean we're

55
00:03:28,729 --> 00:03:26,220
not even acquaintances he meets so many

56
00:03:31,130 --> 00:03:28,739
people but I have had the pleasure of

57
00:03:33,440 --> 00:03:31,140
seeing him speak in person I believe

58
00:03:36,710 --> 00:03:33,450
this is the third time have his book

59
00:03:38,809 --> 00:03:36,720
have all that stuff going on I went over

60
00:03:42,050 --> 00:03:38,819
to Calvin's table I analyzed his

61
00:03:44,900 --> 00:03:42,060
handwriting he seemed to be very amused

62
00:03:47,720 --> 00:03:44,910
interested pleased about that but at the

63
00:03:52,990 --> 00:03:47,730

end of his presentation on Sunday July

64

00:03:56,199 --> 00:03:53,000

23rd he did have a Q&A and in his Q&A a

65

00:03:58,879 --> 00:03:56,209

gentleman got up the last questioner a

66

00:04:02,390 --> 00:03:58,889

MUFON I don't know if it was a MUFON

67

00:04:04,670 --> 00:04:02,400

executive or a MUFON investigator

68

00:04:07,220 --> 00:04:04,680

probably an investigator gentleman got

69

00:04:09,920 --> 00:04:07,230

up and said to him Calvin I have two

70

00:04:11,569 --> 00:04:09,930

questions for you you can not answer if

71

00:04:14,059 --> 00:04:11,579

you want you can answer just the first

72

00:04:19,390 --> 00:04:14,069

and not the second or whatever you want

73

00:04:22,099 --> 00:04:19,400

and so he said Travis since your

74

00:04:23,900 --> 00:04:22,109

abduction experience and the fact that

75

00:04:26,029 --> 00:04:23,910

you're pretty public about it and you've

76

00:04:28,969 --> 00:04:26,039

been around to a lot of conferences and

77

00:04:31,310 --> 00:04:28,979

stuff have you ever seen someone there

78

00:04:34,070 --> 00:04:31,320

that at the conferences or in a public

79

00:04:36,170 --> 00:04:34,080

venue that you thought was not quite

80

00:04:40,309 --> 00:04:36,180

human-like maybe they were a high-bred

81

00:04:42,170 --> 00:04:40,319

or maybe somebody who was sort of posing

82

00:04:43,850 --> 00:04:42,180

as a human I don't know how to explain

83

00:04:47,300 --> 00:04:43,860

this exactly he said something of that

84

00:04:49,760 --> 00:04:47,310

nature and if you have could you first

85

00:04:51,290 --> 00:04:49,770

at least just say yes or no and if you

86

00:04:53,149 --> 00:04:51,300

can't go further than that I'll

87

00:04:55,640 --> 00:04:53,159

understand but maybe you want to tell us

88

00:04:59,570 --> 00:04:55,650

the circumstances of seeing such an

89

00:05:02,899 --> 00:04:59,580

individual and Travis Walton went up to

90

00:05:06,200 --> 00:05:02,909

the microphone he took a deep breath he

91

00:05:08,959 --> 00:05:06,210

looked around he said yes I have he

92

00:05:13,689 --> 00:05:08,969

walked away from the microphone and he

93

00:05:18,200 --> 00:05:13,699

left the room so with that all right

94

00:05:20,659 --> 00:05:18,210

with that I want to introduce our two

95

00:05:26,390 --> 00:05:20,669

guests for today

96

00:05:29,749 --> 00:05:26,400

the first one is Calvin Parker from the

97

00:05:33,050 --> 00:05:29,759

Pascagoula incident who has written a

98

00:05:35,779 --> 00:05:33,060

marvelous new book that has been

99

00:05:38,149 --> 00:05:35,789

published by Philip mantel and we are

100

00:05:42,080 --> 00:05:38,159

indebted to Philip mantel for getting

101
00:05:44,719 --> 00:05:42,090
Calvin on with us today welcome Calvin

102
00:05:48,709 --> 00:05:44,729
the second person that we have on is

103
00:05:51,529 --> 00:05:48,719
Terry Lovelace who is also an abductee

104
00:05:54,439 --> 00:05:51,539
and has been on the show before I

105
00:05:57,439 --> 00:05:54,449
believe he was on in April but I might

106
00:05:58,850 --> 00:05:57,449
be off a little bit of you half a dozen

107
00:06:01,159 --> 00:05:58,860
shows ago

108
00:06:03,980 --> 00:06:01,169
Terry Lovelace was on with me Kate

109
00:06:06,230 --> 00:06:03,990
couldn't make it that day and and Terry

110
00:06:08,570 --> 00:06:06,240
will be asking Calvin some questions

111
00:06:10,909 --> 00:06:08,580
during the show but first let's welcome

112
00:06:14,050 --> 00:06:10,919
both of them well welcome to the show

113
00:06:20,240 --> 00:06:14,060

both you guys Calvin and Terry thank you

114

00:06:25,670 --> 00:06:20,250

thank you so Calvin a lot of people of

115

00:06:29,240 --> 00:06:25,680

know of the Pascagoula incident before I

116

00:06:31,999 --> 00:06:29,250

asked you to recount the general facts

117

00:06:35,920 --> 00:06:32,009

about that I wonder if you could tell us

118

00:06:40,149 --> 00:06:35,930

a little bit about your life in

119

00:06:44,779 --> 00:06:40,159

Mississippi about your relationship with

120

00:06:47,870 --> 00:06:44,789

the other abductee and tell us a little

121

00:06:53,410 --> 00:06:47,880

bit about what got you out into

122

00:06:56,960 --> 00:06:53,420

the woods that night fishing I was

123

00:06:59,660 --> 00:06:56,970

living in law Mississippi but a longtime

124

00:07:01,430 --> 00:06:59,670

friend I was not a longtime friend of

125

00:07:03,770 --> 00:07:01,440

Charlie's but my father was a longtime

126

00:07:07,220 --> 00:07:03,780

friend of Charlie hits and the guy that

127

00:07:09,920 --> 00:07:07,230

was with me so I was in the oil field

128

00:07:13,870 --> 00:07:09,930

and it was seven days a week 16 hours a

129

00:07:17,630 --> 00:07:13,880

day and I was gonna get married and on

130

00:07:20,930 --> 00:07:17,640

November so I wanted something a little

131

00:07:24,470 --> 00:07:20,940

more settled a job kind of more settled

132

00:07:27,770 --> 00:07:24,480

down and Charlie had eye opening at the

133

00:07:30,170 --> 00:07:27,780

step yard first ship fitter so on I

134

00:07:32,210 --> 00:07:30,180

called Charlie go daddy told me about it

135

00:07:34,880 --> 00:07:32,220

and I called Charlie up and went to work

136

00:07:36,950 --> 00:07:34,890

for Charlie at the shipyard and I hate

137

00:07:38,990 --> 00:07:36,960

to say it but I was just there two days

138

00:07:43,190 --> 00:07:39,000

when all that has happened so it didn't

139

00:07:45,140 --> 00:07:43,200

last long hopefully but we used to fish

140

00:07:48,260 --> 00:07:45,150

together with Charlie and I'm good

141

00:07:50,480 --> 00:07:48,270

friends with his children and our

142

00:07:53,360 --> 00:07:50,490

siblings or whatever they are but you

143

00:07:55,460 --> 00:07:53,370

know I know him real well like I said

144

00:07:58,160 --> 00:07:55,470

Charlie and I were not friends up until

145

00:08:05,110 --> 00:07:58,170

this part here because he was a good

146

00:08:08,420 --> 00:08:05,120

deal older and I was so long so anyhow

147

00:08:16,790 --> 00:08:08,430

well when we got off work that days when

148

00:08:20,960 --> 00:08:16,800

we decided to go fishing but okay I

149

00:08:23,030 --> 00:08:20,970

moved in with Charlie so when we got off

150

00:08:24,620 --> 00:08:23,040

work that they didn't we decided we was

151

00:08:25,940 --> 00:08:24,630

going to go fishing so we went to

152

00:08:29,380 --> 00:08:25,950

Charlie's house and picked up the

153

00:08:34,070 --> 00:08:29,390

fishing equipment and we drove to a old

154

00:08:36,469 --> 00:08:34,080

abandoned shipyard that was owned had

155

00:08:38,240 --> 00:08:36,479

been abandoned for a good while cuz

156

00:08:40,700 --> 00:08:38,250

Charlie said that was good fishing there

157

00:08:42,670 --> 00:08:40,710

there and one other place and no grain

158

00:08:47,240 --> 00:08:42,680

elevators we're going to just load grain

159

00:08:49,550 --> 00:08:47,250

so we got to the shipyard and pulled up

160

00:08:51,590 --> 00:08:49,560

and that was a darn maius trying to get

161

00:08:54,590 --> 00:08:51,600

in there and all and I was thankful that

162

00:08:57,020 --> 00:08:54,600

this is a bad way a far out-of-the-way

163

00:08:59,600 --> 00:08:57,030

place I asked Charlie I said while they

164

00:09:01,350 --> 00:08:59,610

leave such a mess down in here he said

165

00:09:03,720 --> 00:09:01,360

where the water gets up real high

166

00:09:05,940 --> 00:09:03,730

it washes all this thing off everybody's

167

00:09:08,280 --> 00:09:05,950

property and then when it goes out it

168

00:09:11,069 --> 00:09:08,290

stays he said that's just answer your

169

00:09:14,280 --> 00:09:11,079

question honest so it was a real

170

00:09:18,420 --> 00:09:14,290

struggle to carry the fish and equipment

171

00:09:20,009 --> 00:09:18,430

from my car the pier was fishing it was

172

00:09:24,060 --> 00:09:20,019

probably a foot length of a football

173

00:09:26,280 --> 00:09:24,070

field away so we got to equipment and we

174

00:09:28,170 --> 00:09:26,290

went to the pier and we sat down and it

175

00:09:31,949 --> 00:09:28,180

was fishing we was there just a little

176

00:09:34,889 --> 00:09:31,959

bit and no I saying reflection across

177

00:09:37,170 --> 00:09:34,899

the water from behind us a lot of people

178

00:09:38,790 --> 00:09:37,180

think this happened the craft landed on

179

00:09:42,000 --> 00:09:38,800

the water but it didn't it was landed

180

00:09:43,860 --> 00:09:42,010

back behind us in the marsh grass and I

181

00:09:46,710 --> 00:09:43,870

seen a reflection of some blue lights

182

00:09:49,290 --> 00:09:46,720

and I said well you know say Charlie the

183

00:09:51,300 --> 00:09:49,300

laws done here a bit they gonna make us

184

00:09:53,550 --> 00:09:51,310

move because we're trespassing on this

185

00:09:55,290 --> 00:09:53,560

other property here I would not

186

00:09:56,160 --> 00:09:55,300

trespassing there by the fishes here

187

00:09:59,910 --> 00:09:56,170

what he said

188

00:10:02,639 --> 00:09:59,920

I said well anyhow they back her so I

189

00:10:04,939 --> 00:10:02,649

stood up in a turn around and look and I

190

00:10:08,460 --> 00:10:04,949

was surprised I said Charlie Charlie oh

191

00:10:11,009 --> 00:10:08,470

you need to take a look and he stood up

192

00:10:14,639 --> 00:10:11,019

and he looked and about that time the

193

00:10:17,970 --> 00:10:14,649

lights just out extremely bright coming

194

00:10:20,160 --> 00:10:17,980

off of this so they're really not off

195

00:10:23,189 --> 00:10:20,170

the craft but they had opened the door

196

00:10:25,889 --> 00:10:23,199

whatever was in it opened the door and

197

00:10:28,050 --> 00:10:25,899

the lights were so bright coming out it

198

00:10:30,480 --> 00:10:28,060

almost blinds you I think at one time I

199

00:10:32,189 --> 00:10:30,490

described it like looking at somebody

200

00:10:37,980 --> 00:10:32,199

welding something that's how bright the

201
00:10:40,230 --> 00:10:37,990
lights were and it was 30 I don't know

202
00:10:43,560 --> 00:10:40,240
if there was robots or what they were

203
00:10:45,840 --> 00:10:43,570
but they floated out of the crowd about

204
00:10:47,850 --> 00:10:45,850
two foot off the ground the craft that

205
00:10:50,400 --> 00:10:47,860
were set directly on the ground was

206
00:10:52,980 --> 00:10:50,410
probably two-foot hood whirring two foot

207
00:10:55,560 --> 00:10:52,990
off the ground and you didn't hear any

208
00:10:57,600 --> 00:10:55,570
noise coming from it two of them got

209
00:11:01,170 --> 00:10:57,610
ahold of Charlie and one got ahold of

210
00:11:03,660 --> 00:11:01,180
myself and they float floated me inside

211
00:11:05,670 --> 00:11:03,670
I mean the second they got ahold of me

212
00:11:07,980 --> 00:11:05,680
the fear left because I was really

213
00:11:10,889 --> 00:11:07,990

considering running but there was just

214

00:11:12,780 --> 00:11:10,899

nowhere to run so the very minute they

215

00:11:14,550 --> 00:11:12,790

got ahold of me I figured they gave me

216

00:11:16,320 --> 00:11:14,560

some kind of injection

217

00:11:20,940 --> 00:11:16,330

because I felt a little staying in a

218

00:11:23,400 --> 00:11:20,950

herd a little law no always and in my

219

00:11:26,540 --> 00:11:23,410

harm so I said where they injected me

220

00:11:29,130 --> 00:11:26,550

with something but they carried me

221

00:11:31,590 --> 00:11:29,140

floated me rather than inside the crowd

222

00:11:33,480 --> 00:11:31,600

well I couldn't see charlie because I

223

00:11:36,060 --> 00:11:33,490

couldn't turn my head and look because I

224

00:11:38,490 --> 00:11:36,070

this time I feel like I was drugged

225

00:11:40,320 --> 00:11:38,500

so they floated this inside the craft

226

00:11:42,240 --> 00:11:40,330

and they made a little left and they

227

00:11:44,670 --> 00:11:42,250

made a immediate right with me

228

00:11:46,500 --> 00:11:44,680

and I looked around and I couldn't it's

229

00:11:48,390 --> 00:11:46,510

where I could see just in front of me

230

00:11:49,890 --> 00:11:48,400

they wouldn't know like pictures or

231

00:11:51,870 --> 00:11:49,900

anything and I couldn't figure out on my

232

00:11:54,329 --> 00:11:51,880

life where all the lights was coming

233

00:11:58,769 --> 00:11:54,339

from just like it was coming out of the

234

00:12:02,010 --> 00:11:58,779

walls and this creature took me over or

235

00:12:04,800 --> 00:12:02,020

this being or whatever he was laid me

236

00:12:07,500 --> 00:12:04,810

down on something I felt like it was

237

00:12:09,960 --> 00:12:07,510

probably a table and I was at about a 45

238

00:12:12,000 --> 00:12:09,970

degree angle but I couldn't feel no

239

00:12:14,610 --> 00:12:12,010

table under me I couldn't feel nothing

240

00:12:20,220 --> 00:12:14,620

and I couldn't I had lost all my sins

241

00:12:25,290 --> 00:12:20,230

then because I'm assuming the pain well

242

00:12:28,320 --> 00:12:25,300

he got up and he left the being you mean

243

00:12:31,350 --> 00:12:28,330

the being got up and left the being left

244

00:12:34,650 --> 00:12:31,360

this one here I think this one was more

245

00:12:37,650 --> 00:12:34,660

like a robot than a bent knee because

246

00:12:41,040 --> 00:12:37,660

when this one left there's another one

247

00:12:43,410 --> 00:12:41,050

that looked a little little bit better

248

00:12:45,570 --> 00:12:43,420

you know that come in I figured I'm

249

00:12:47,780 --> 00:12:45,580

thank you to myself this has got to be a

250

00:12:51,690 --> 00:12:47,790

female because it's built like a female

251

00:12:54,660 --> 00:12:51,700

but it wasn't built like a female but it

252

00:12:58,890 --> 00:12:54,670

was a little more little easier to look

253

00:13:01,350 --> 00:12:58,900

at than the Wanda left I call it the big

254

00:13:04,290 --> 00:13:01,360

ugly one left and they left this one in

255

00:13:07,829 --> 00:13:04,300

and there was a Dido probably the size

256

00:13:10,829 --> 00:13:07,839

of a deck of cards that was sitting

257

00:13:15,420 --> 00:13:10,839

spinning just going around on my head a

258

00:13:17,190 --> 00:13:15,430

dis circling now that wasn't a desk it

259

00:13:19,860 --> 00:13:17,200

was something about the size of a deck

260

00:13:21,840 --> 00:13:19,870

of cards and it was silver on bottom but

261

00:13:24,690 --> 00:13:21,850

it would click he would go click click

262

00:13:28,110 --> 00:13:24,700

click click and it did that four times

263

00:13:31,230 --> 00:13:28,120

front side back side front

264

00:13:33,150 --> 00:13:31,240

and then the day is just kind of went

265

00:13:35,579 --> 00:13:33,160

back up into walls somewhere I don't

266

00:13:38,489 --> 00:13:35,589

know exactly where it went and that's

267

00:13:42,540 --> 00:13:38,499

when this female creature come and she

268

00:13:45,780 --> 00:13:42,550

did I y'all like a little examination

269

00:13:48,509 --> 00:13:45,790

there and then I was thinking to myself

270

00:13:50,579 --> 00:13:48,519

you know I can take her and I'll get the

271

00:13:53,489 --> 00:13:50,589

hell out of here I'm not gonna hang

272

00:13:57,600 --> 00:13:53,499

around just to but I couldn't move I

273

00:14:00,239 --> 00:13:57,610

couldn't resist any at all so she turned

274

00:14:02,910 --> 00:14:00,249

around and went back out the room never

275

00:14:05,369 --> 00:14:02,920

seen the door that she came out of never

276

00:14:07,199 --> 00:14:05,379

seen no windows in there and this big

277

00:14:10,470 --> 00:14:07,209

ugly wouldn't come back in and got me

278

00:14:14,670 --> 00:14:10,480

and carried me out to the river he set

279

00:14:17,040 --> 00:14:14,680

me down exactly about the same place I

280

00:14:19,170 --> 00:14:17,050

was but I was facing the river at this

281

00:14:22,019 --> 00:14:19,180

time with my arms stretched out and

282

00:14:25,410 --> 00:14:22,029

that's when I heard Charlie Charlie said

283

00:14:28,319 --> 00:14:25,420

Calvin Calvin you okay you okay son and

284

00:14:32,460 --> 00:14:28,329

that was really a relief to you know to

285

00:14:35,249 --> 00:14:32,470

hear his voice but uh after they said us

286

00:14:37,319 --> 00:14:35,259

man we sat there for a few minutes he

287

00:14:39,569 --> 00:14:37,329

said well said endless talk about this I

288

00:14:42,239 --> 00:14:39,579

said well let's do talk about this

289

00:14:44,610 --> 00:14:42,249

Charlie me and you I don't want nobody

290

00:14:47,249 --> 00:14:44,620

else to know I don't want to tell nobody

291

00:14:48,840 --> 00:14:47,259

I don't want to call nobody this is it

292

00:14:51,629 --> 00:14:48,850

it's over weird for me

293

00:14:54,569 --> 00:14:51,639

and they said well we gotta call

294

00:14:56,929 --> 00:14:54,579

somebody I said well I ain't calling

295

00:15:01,110 --> 00:14:56,939

nobody he said well we're gonna call law

296

00:15:03,569 --> 00:15:01,120

Keesler so who's that he said drop that

297

00:15:07,679 --> 00:15:03,579

is the Air Force Basin local air force

298

00:15:10,139 --> 00:15:07,689

base here okay so we went back to my car

299

00:15:11,910 --> 00:15:10,149

and I notice it was a struggle to get

300

00:15:14,369 --> 00:15:11,920

back to the car through all that debris

301
00:15:16,499 --> 00:15:14,379
you know but before we left you know why

302
00:15:18,059 --> 00:15:16,509
turn around looked and this thing was

303
00:15:20,699 --> 00:15:18,069
straight up in the air and it

304
00:15:23,040 --> 00:15:20,709
disappeared within just a second I mean

305
00:15:26,579 --> 00:15:23,050
it was just a zip and it was gone you a

306
00:15:29,069 --> 00:15:26,589
little swooshing noise and when I got to

307
00:15:31,199 --> 00:15:29,079
the car my car was parked kind of

308
00:15:33,540 --> 00:15:31,209
parallel with it and the driver side

309
00:15:36,869 --> 00:15:33,550
toward I'm into the passenger side

310
00:15:39,059 --> 00:15:36,879
toward the crowd and the Winters was

311
00:15:41,220 --> 00:15:39,069
shattered the passenger side window was

312
00:15:44,520 --> 00:15:41,230
shattered and in my car

313
00:15:47,250 --> 00:15:44,530

No yeah but it was shattered in place

314

00:15:49,470 --> 00:15:47,260

ahead and fell out yet matter of fact it

315

00:15:51,990 --> 00:15:49,480

didn't fall till Charlie open the door

316

00:15:55,110 --> 00:15:52,000

to get in and then it just fell out hit

317

00:15:58,860 --> 00:15:55,120

the ground with this at the time this

318

00:16:00,270 --> 00:15:58,870

was 1973 it was a brand new car we got

319

00:16:03,980 --> 00:16:00,280

anything I tried the cranky they

320

00:16:07,680 --> 00:16:03,990

wouldn't crane I said oh my and then

321

00:16:10,590 --> 00:16:07,690

kept trying and finally it cranked up it

322

00:16:12,810 --> 00:16:10,600

did run really brother and we got out of

323

00:16:16,170 --> 00:16:12,820

there and the first stop that we made

324

00:16:18,780 --> 00:16:16,180

was that a yo little magic Mart store

325

00:16:21,450 --> 00:16:18,790

because they had a payphone that there

326

00:16:23,970 --> 00:16:21,460

back then they didn't have cell phones

327

00:16:27,480 --> 00:16:23,980

they just had pay phones so we stopped

328

00:16:31,740 --> 00:16:27,490

and Charlie got on the phone and he

329

00:16:33,600 --> 00:16:31,750

called or kiss or kiss or told Charlie

330

00:16:34,110 --> 00:16:33,610

we don't investigate that kind of thing

331

00:16:36,950 --> 00:16:34,120

anymore

332

00:16:39,960 --> 00:16:36,960

you need to call the local authorities

333

00:16:43,890 --> 00:16:39,970

because we just don't check into this

334

00:16:45,900 --> 00:16:43,900

anymore so Charlie dated he owned called

335

00:16:50,850 --> 00:16:45,910

the Sheriff Department that was as local

336

00:16:53,070 --> 00:16:50,860

as you can get and they said stay right

337

00:16:55,200 --> 00:16:53,080

there will you bar we're gonna check you

338

00:16:57,060 --> 00:16:55,210

we're gonna beat there in just a minute

339

00:16:59,160 --> 00:16:57,070

and they wouldn't be just a few minutes

340

00:17:02,310 --> 00:16:59,170

they was there and we took him at the

341

00:17:04,800 --> 00:17:02,320

world they stayed down and they pulled

342

00:17:07,470 --> 00:17:04,810

up and they looked in the card to see

343

00:17:10,470 --> 00:17:07,480

what was going on they got us out of the

344

00:17:13,079 --> 00:17:10,480

car did a sobriety test check to see if

345

00:17:16,980 --> 00:17:13,089

they thought was on drugs or checks and

346

00:17:18,900 --> 00:17:16,990

said was drinking and Charlie had had

347

00:17:21,810 --> 00:17:18,910

one little drink out of a Jim Beam

348

00:17:24,780 --> 00:17:21,820

bottle that he had I didn't know it was

349

00:17:27,000 --> 00:17:24,790

in the car and they told me that said

350

00:17:29,700 --> 00:17:27,010

well get in you can drive and follow us

351
00:17:31,670 --> 00:17:29,710
back to the Sheriff Department so they

352
00:17:35,700 --> 00:17:31,680
took us back to the sheriff's department

353
00:17:37,260 --> 00:17:35,710
and they took us into separate rooms

354
00:17:38,850 --> 00:17:37,270
Charlie went in a different room when I

355
00:17:41,910 --> 00:17:38,860
went in the room some people went with

356
00:17:43,830 --> 00:17:41,920
him and some were me they interrogated

357
00:17:46,680 --> 00:17:43,840
us then they put us in the same room

358
00:17:48,030 --> 00:17:46,690
well little did I know that this room

359
00:17:50,430 --> 00:17:48,040
that they couldn't see and they had a

360
00:17:52,670 --> 00:17:50,440
tape recorder hid in there that was

361
00:17:54,659 --> 00:17:52,680
listening Charlie announced conversation

362
00:17:56,249 --> 00:17:54,669
so they

363
00:18:00,419 --> 00:17:56,259

after that are together for a few

364

00:18:03,810 --> 00:18:00,429

minutes and then they said I'll put us

365

00:18:05,879 --> 00:18:03,820

back into a different rooms and the

366

00:18:08,489 --> 00:18:05,889

sheriff the head sheriff came in Fred

367

00:18:10,259 --> 00:18:08,499

diamond he went and I sent him get the

368

00:18:13,769 --> 00:18:10,269

tape recorder right they listened to the

369

00:18:16,440 --> 00:18:13,779

tape he come in he said oh we don't let

370

00:18:18,720 --> 00:18:16,450

y'all go on home now or go wherever you

371

00:18:21,389 --> 00:18:18,730

want to so we'd been drinking that

372

00:18:23,669 --> 00:18:21,399

should answer a lot of questions right

373

00:18:26,340 --> 00:18:23,679

then they would never let us drive away

374

00:18:30,060 --> 00:18:26,350

from there they'd still been been riding

375

00:18:34,080 --> 00:18:30,070

tickets but we got in the car we was

376

00:18:37,799 --> 00:18:34,090

gonna drive home oh gosh like they just

377

00:18:41,430 --> 00:18:37,809

here I'm sorry oh boy so we must don't

378

00:18:47,539 --> 00:18:41,440

drive up home and we stopped again at

379

00:18:49,919 --> 00:18:47,549

AOL Magic Mart store all the way in and

380

00:18:53,729 --> 00:18:49,929

just sit there for just a minute

381

00:18:56,489 --> 00:18:53,739

everything was closed because at a small

382

00:18:59,279 --> 00:18:56,499

town at this time of the night now

383

00:19:01,379 --> 00:18:59,289

there's nothing open so we sat down to

384

00:19:02,909 --> 00:19:01,389

talk just a minute and I said Charlie

385

00:19:04,739 --> 00:19:02,919

you know I'm really worried about being

386

00:19:07,379 --> 00:19:04,749

contaminated about something being

387

00:19:09,090 --> 00:19:07,389

honest radiation or maybe some kind of

388

00:19:12,299 --> 00:19:09,100

bacteria or something we need to get

389

00:19:15,389 --> 00:19:12,309

checked he said don't worry about it we

390

00:19:17,190 --> 00:19:15,399

would take care of it tomorrow and I did

391

00:19:18,479 --> 00:19:17,200

that it really bothered me that night

392

00:19:21,539 --> 00:19:18,489

that there was something I didn't want

393

00:19:22,139 --> 00:19:21,549

nobody else to be contaminated to

394

00:19:27,720 --> 00:19:22,149

nothing

395

00:19:29,729 --> 00:19:27,730

and so we went on home went to charli's

396

00:19:33,539 --> 00:19:29,739

place I was written off room from him at

397

00:19:35,460 --> 00:19:33,549

the time so when we got a home I went

398

00:19:38,820 --> 00:19:35,470

into my room and I pulled all my clothes

399

00:19:41,460 --> 00:19:38,830

off all my shoes off I put them in a

400

00:19:43,560 --> 00:19:41,470

garbage bag and I went in took a good

401
00:19:50,460 --> 00:19:43,570
shower and I took my stuff out and

402
00:19:54,419 --> 00:19:50,470
throws in the then and all of it then

403
00:19:56,310 --> 00:19:54,429
all of a sudden I went to bed and I woke

404
00:19:58,619 --> 00:19:56,320
up and it was time for us to go to work

405
00:20:00,419 --> 00:19:58,629
I don't guess Charlie ever went to bed I

406
00:20:03,029 --> 00:20:00,429
don't know he had told his wife that

407
00:20:06,720 --> 00:20:03,039
9:00 and kids or not I don't think he

408
00:20:07,769 --> 00:20:06,730
dated because we don't agreed between us

409
00:20:12,029 --> 00:20:07,779
if we wouldn't don't tell

410
00:20:15,330 --> 00:20:12,039
anybody so we went to work the next

411
00:20:19,369 --> 00:20:15,340
morning we got to work and we was out on

412
00:20:22,200 --> 00:20:19,379
the field or out working on a shield and

413
00:20:25,320 --> 00:20:22,210

the head office sent somebody down to

414

00:20:27,419 --> 00:20:25,330

get us the press had started rolling in

415

00:20:30,479 --> 00:20:27,429

they was calling they were stopping

416

00:20:32,450 --> 00:20:30,489

their phones and they they they had to

417

00:20:35,099 --> 00:20:32,460

shut pretty much shut the office down

418

00:20:38,930 --> 00:20:35,109

because they couldn't get no calls and

419

00:20:41,849 --> 00:20:38,940

do no business so I talked to one of the

420

00:20:43,680 --> 00:20:41,859

supervisors the other day and I didn t

421

00:20:46,469 --> 00:20:43,690

know he was down here and when he found

422

00:20:48,450 --> 00:20:46,479

out I was doing a book he coming told me

423

00:20:50,489 --> 00:20:48,460

he said Calvin I don't know that you

424

00:20:52,799 --> 00:20:50,499

remember me and then I did remember him

425

00:20:54,719 --> 00:20:52,809

when he started talking he said but I'm

426

00:20:55,919 --> 00:20:54,729

the one thing I remember about you is

427

00:20:58,049 --> 00:20:55,929

you being on your hands and knees

428

00:21:02,039 --> 00:20:58,059

throwing up outside at the parking lot

429

00:21:05,579 --> 00:21:02,049

when I send up for you I said yeah I was

430

00:21:07,619 --> 00:21:05,589

pretty upset so we got back to the

431

00:21:10,739 --> 00:21:07,629

office and that's when we found out it's

432

00:21:13,440 --> 00:21:10,749

a prayer yes somehow able to Sheriff

433

00:21:16,310 --> 00:21:13,450

Department had leaked it out or somebody

434

00:21:19,950 --> 00:21:16,320

had but the only people that knew was

435

00:21:21,769 --> 00:21:19,960

charlie myself Caitlin or that they had

436

00:21:24,959 --> 00:21:21,779

called Kasler and the Sheriff Department

437

00:21:27,389 --> 00:21:24,969

so I figured back then nobody

438

00:21:29,940 --> 00:21:27,399

everybody's hobby was listening in on

439

00:21:31,889 --> 00:21:29,950

these scanners and that's about the only

440

00:21:34,469 --> 00:21:31,899

thing they could do and I believe that's

441

00:21:37,950 --> 00:21:34,479

the way that they picked out this but it

442

00:21:41,729 --> 00:21:37,960

was a nightmare from their own so that

443

00:21:46,889 --> 00:21:41,739

was those were like a guys up ham radio

444

00:21:49,259 --> 00:21:46,899

operators the CB scanners oh yes sir and

445

00:21:51,719 --> 00:21:49,269

the Sheriff Department had one and you

446

00:21:54,989 --> 00:21:51,729

know they would put stuff out on that so

447

00:21:57,359 --> 00:21:54,999

well you know I got a feeling that's how

448

00:21:59,729 --> 00:21:57,369

everything got leaked out but I know it

449

00:22:04,499 --> 00:21:59,739

was rough right there for a few days

450

00:22:07,950 --> 00:22:04,509

they had oh well when we got to work the

451
00:22:10,709 --> 00:22:07,960
the shipyard had an attorney that they

452
00:22:13,200 --> 00:22:10,719
called in for us and he set up an

453
00:22:18,299 --> 00:22:13,210
appointment get checked for radiation

454
00:22:19,970 --> 00:22:18,309
and he set up apartment the hospital

455
00:22:24,169 --> 00:22:19,980
there for us go get checked

456
00:22:25,669 --> 00:22:24,179
health to be checked so we went in of

457
00:22:27,860 --> 00:22:25,679
course the half checked out good

458
00:22:30,830 --> 00:22:27,870
everything but being shook up the

459
00:22:32,690 --> 00:22:30,840
radiation at Kaiser we pulled up that

460
00:22:34,850 --> 00:22:32,700
was really scary it was probably ten

461
00:22:38,000 --> 00:22:34,860
people standing outside with these suits

462
00:22:39,350 --> 00:22:38,010
on and I thought you know the hospital

463
00:22:41,659 --> 00:22:39,360

must have found something really bad

464

00:22:44,840 --> 00:22:41,669

wrong with us or they wouldn't be doing

465

00:22:47,210 --> 00:22:44,850

this but they did they did that message

466

00:22:48,919 --> 00:22:47,220

y'all clear yo wait right here a minute

467

00:22:51,680 --> 00:22:48,929

we're gonna send somebody down here to

468

00:22:54,380 --> 00:22:51,690

get you and take you to the office so

469

00:22:56,539 --> 00:22:54,390

they took us in our office at Keesler we

470

00:22:59,600 --> 00:22:56,549

walked down a long hallway and when we

471

00:23:04,159 --> 00:22:59,610

got there we went in and they asked a

472

00:23:06,770 --> 00:23:04,169

lot of questions and nothing that you'd

473

00:23:08,840 --> 00:23:06,780

figured that they would ask but they

474

00:23:11,330 --> 00:23:08,850

just wanted to check her sincerity and

475

00:23:14,539 --> 00:23:11,340

all that and talk to us and then they

476

00:23:16,159 --> 00:23:14,549

turn around let us go did you say or

477

00:23:21,830 --> 00:23:16,169

anything for many government agencies

478

00:23:23,690 --> 00:23:21,840

after that I did some water before the

479

00:23:25,820 --> 00:23:23,700

hurricane they sent two minutes out on

480

00:23:28,700 --> 00:23:25,830

that meeting the mind got all destroyed

481

00:23:31,250 --> 00:23:28,710

in all Katrina we got about eight foot

482

00:23:33,230 --> 00:23:31,260

of water in the house so everything all

483

00:23:35,539 --> 00:23:33,240

my files and stuff like that got

484

00:23:38,409 --> 00:23:35,549

destroyed doctor back here because I

485

00:23:42,740 --> 00:23:38,419

didn't I was never gonna write a book or

486

00:23:44,240 --> 00:23:42,750

do anything with it anyway yes I was do

487

00:23:46,370 --> 00:23:44,250

you want to tell us the name of your

488

00:23:48,620 --> 00:23:46,380

book just once again and you know where

489

00:23:50,060 --> 00:23:48,630

people can get it because that's part of

490

00:23:52,159 --> 00:23:50,070

the purpose of being on the show I'm

491

00:23:55,940 --> 00:23:52,169

guessing okay

492

00:23:59,450 --> 00:23:55,950

it's Pascagoula the closest encounter my

493

00:24:02,930 --> 00:23:59,460

story Calvin Parker and Amazon has a

494

00:24:07,340 --> 00:24:02,940

loan sale excellent so excellent I just

495

00:24:10,280 --> 00:24:07,350

go to Amazon and click books and you

496

00:24:14,260 --> 00:24:10,290

know the title when it pops up now one

497

00:24:17,870 --> 00:24:14,270

thing that seems to be a universal

498

00:24:21,190 --> 00:24:17,880

amongst people who have been abducted

499

00:24:24,919 --> 00:24:21,200

and also some of us who have been

500

00:24:30,840 --> 00:24:24,929

experiencers is an absolute feeling of

501
00:24:33,780 --> 00:24:30,850
animal terror when these beings have you

502
00:24:36,720 --> 00:24:33,790
paralyzed it's the best way I could put

503
00:24:38,850 --> 00:24:36,730
it from my experience but I've never to

504
00:24:42,300 --> 00:24:38,860
my knowledge been abducted but I have

505
00:24:45,210 --> 00:24:42,310
had experience and the terror was

506
00:24:50,070 --> 00:24:45,220
overwhelming and I believe the terror

507
00:24:52,740 --> 00:24:50,080
was overwhelming for for Travis Walton

508
00:24:54,030 --> 00:24:52,750
and for our other guests Terry Lovelace

509
00:24:57,420 --> 00:24:54,040
and do you have anything to say about

510
00:25:00,240 --> 00:24:57,430
that Kate no yeah but what always

511
00:25:02,070 --> 00:25:00,250
strikes me is like even with Betty and

512
00:25:04,860 --> 00:25:02,080
Barney Hill and they remember that tape

513
00:25:07,530 --> 00:25:04,870

we heard of New Hampshire yeah remember

514

00:25:11,250 --> 00:25:07,540

his voice terrified and I mean this is a

515

00:25:13,680 --> 00:25:11,260

strong man and he was terrified there's

516

00:25:15,600 --> 00:25:13,690

no other word for it and I read the

517

00:25:18,570 --> 00:25:15,610

interview at the Sheriff's Office with

518

00:25:20,880 --> 00:25:18,580

you captain and the sheriff was

519

00:25:23,160 --> 00:25:20,890

impressed by the fact that you know

520

00:25:27,030 --> 00:25:23,170

you're obviously a strong young guy and

521

00:25:29,010 --> 00:25:27,040

I'm sure not given to silly fears but he

522

00:25:31,590 --> 00:25:29,020

was very impressed by your amount of

523

00:25:33,090 --> 00:25:31,600

fear it's terrifying you know you're

524

00:25:34,740 --> 00:25:33,100

sitting there and these weird things

525

00:25:36,270 --> 00:25:34,750

come and they get you you don't know why

526

00:25:37,560 --> 00:25:36,280

or where and pulling they're come on

527

00:25:41,190 --> 00:25:37,570

that's scary

528

00:25:44,400 --> 00:25:41,200

it seems to be turning a different kind

529

00:25:46,620 --> 00:25:44,410

of Terror though it seems from my

530

00:25:48,720 --> 00:25:46,630

experience like a deep animal terror

531

00:25:51,000 --> 00:25:48,730

what do you have to say about that Terry

532

00:25:54,240 --> 00:25:51,010

Lovelace I'm glad you asked that

533

00:25:57,180 --> 00:25:54,250

question in my book I said that it had

534

00:25:59,160 --> 00:25:57,190

to be some kind of primal fear yeah you

535

00:26:04,110 --> 00:25:59,170

know hey deep in the brain brainstem

536

00:26:11,460 --> 00:26:04,120

something you know something action

537

00:26:13,410 --> 00:26:11,470

something in my life and nobody forgets

538

00:26:16,770 --> 00:26:13,420

it that's the other thing so Calvin

539

00:26:20,390 --> 00:26:16,780

yours was 1973 and I'm sure you could

540

00:26:23,400 --> 00:26:20,400

remember every detail today remember

541

00:26:25,920 --> 00:26:23,410

every detail I remember being scared

542

00:26:27,510 --> 00:26:25,930

just imagine if you're sitting in the

543

00:26:29,670 --> 00:26:27,520

living room of your house and somebody

544

00:26:31,350 --> 00:26:29,680

kicks the door down you're right it

545

00:26:33,870 --> 00:26:31,360

comes and gets you and takes you out

546

00:26:37,140 --> 00:26:33,880

though unicorn gives you an examination

547

00:26:39,030 --> 00:26:37,150

it is scary and this was even more

548

00:26:43,010 --> 00:26:39,040

scariest because there's nothing you can

549

00:26:44,590 --> 00:26:43,020

relate it to I had no idea what a

550

00:26:48,160 --> 00:26:44,600

abduction was

551
00:26:50,290 --> 00:26:48,170
or UFO or never even thought about life

552
00:26:52,560 --> 00:26:50,300
being on another planet up until that

553
00:26:55,450 --> 00:26:52,570
time now it's no doubt in my mind

554
00:26:57,250 --> 00:26:55,460
counting out it did you say that when

555
00:27:01,210 --> 00:26:57,260
they picked you up you thought suddenly

556
00:27:03,220 --> 00:27:01,220
felt calm I did and I feel like they

557
00:27:05,320 --> 00:27:03,230
didn't probably gave me an injection cuz

558
00:27:08,740 --> 00:27:05,330
when they was giving me the examination

559
00:27:12,730 --> 00:27:08,750
at the hospital they did find a mark on

560
00:27:15,430 --> 00:27:12,740
my arm and the harm that they picked

561
00:27:18,340 --> 00:27:15,440
grabbed hold and picked me up and that

562
00:27:20,410 --> 00:27:18,350
was amazing too because they did that

563
00:27:22,150 --> 00:27:20,420

and you figure to break your arm off or

564

00:27:25,570 --> 00:27:22,160

something when they did that I just just

565

00:27:29,800 --> 00:27:25,580

levitated you strict yeah I had that

566

00:27:31,450 --> 00:27:29,810

feeling of calm at one point but but

567

00:27:34,650 --> 00:27:31,460

eventually that left and it was just

568

00:27:37,540 --> 00:27:34,660

terror from that point on

569

00:27:42,160 --> 00:27:37,550

yeah I've lived with that for 45 years

570

00:27:44,860 --> 00:27:42,170

and what's more than anything is oh I

571

00:27:47,500 --> 00:27:44,870

didn't want to talk about it and I've

572

00:27:51,100 --> 00:27:47,510

just come to reality with it here this

573

00:27:53,320 --> 00:27:51,110

past few months but the press followed

574

00:27:55,870 --> 00:27:53,330

me around and they would get they would

575

00:27:57,430 --> 00:27:55,880

make up stories that I had said and I

576

00:27:59,500 --> 00:27:57,440

really didn't say nothing because I

577

00:28:01,690 --> 00:27:59,510

wouldn't talk to them so they would have

578

00:28:04,240 --> 00:28:01,700

to make up some stories to say that they

579

00:28:06,850 --> 00:28:04,250

got an interview and they never and not

580

00:28:09,070 --> 00:28:06,860

really that made me as mad as anything

581

00:28:11,560 --> 00:28:09,080

because you don't say something say the

582

00:28:14,770 --> 00:28:11,570

truth they don't matter how it is but

583

00:28:17,200 --> 00:28:14,780

just be honest about what you say so I

584

00:28:20,710 --> 00:28:17,210

finally came to reality with the whole

585

00:28:23,700 --> 00:28:20,720

thing we was all at a friend's wake one

586

00:28:27,220 --> 00:28:23,710

of my neighbors had passed away and I

587

00:28:29,350 --> 00:28:27,230

actually had met my wife was there I

588

00:28:31,480 --> 00:28:29,360

actually had to leave the wait because

589

00:28:33,430 --> 00:28:31,490

it was causing too much disturbance it

590

00:28:34,960 --> 00:28:33,440

was the people then you mean those

591

00:28:38,950 --> 00:28:34,970

wanting to take pictures and get our

592

00:28:40,720 --> 00:28:38,960

autographs and all and and I'd already

593

00:28:43,380 --> 00:28:40,730

know how they figured my name out

594

00:28:48,850 --> 00:28:43,390

knowing but this is a small town again

595

00:28:50,770 --> 00:28:48,860

so we left then when I left about that

596

00:28:53,170 --> 00:28:50,780

time Philip that contacted me about

597

00:28:54,700 --> 00:28:53,180

doing the bull and when they did I

598

00:28:58,300 --> 00:28:54,710

really didn't wanting to do a book at

599

00:29:00,460 --> 00:28:58,310

all and I I could still carry I'm glad

600

00:29:03,520 --> 00:29:00,470

I did now but I could have cared less

601
00:29:06,220 --> 00:29:03,530
about doing the book or anything else I

602
00:29:09,520 --> 00:29:06,230
just wanted to be left alone but between

603
00:29:13,750 --> 00:29:09,530
Philip and my wife and both of them

604
00:29:16,090 --> 00:29:13,760
encouraging it oh I was able to get out

605
00:29:18,340 --> 00:29:16,100
and do what I could on a bull can Philip

606
00:29:22,240 --> 00:29:18,350
was real good helping it together and my

607
00:29:25,800 --> 00:29:22,250
wife was so we got it all done and I

608
00:29:28,900 --> 00:29:25,810
feel better talking about it now yes

609
00:29:30,940 --> 00:29:28,910
yeah dude it's nothing like the light of

610
00:29:33,850 --> 00:29:30,950
day to take some of the fear away really

611
00:29:36,490 --> 00:29:33,860
and you know I think the fact that

612
00:29:38,230 --> 00:29:36,500
people begin to believe you and and it's

613
00:29:40,180 --> 00:29:38,240

certainly an unusual experience but

614

00:29:41,680 --> 00:29:40,190

don't make it even more unusual than it

615

00:29:43,950 --> 00:29:41,690

was helps a lot too

616

00:29:47,260 --> 00:29:43,960

yes and having people who have had

617

00:29:49,900 --> 00:29:47,270

similar experiences such as Terry who we

618

00:29:54,880 --> 00:29:49,910

have known and and and of course the

619

00:29:56,980 --> 00:29:54,890

great Travis Walton so what would you

620

00:30:01,180 --> 00:29:56,990

say your life was like I don't mean

621

00:30:03,130 --> 00:30:01,190

immediately before the incident but like

622

00:30:05,140 --> 00:30:03,140

what kind of a guy were you growing up

623

00:30:07,360 --> 00:30:05,150

what did you think about did you have

624

00:30:09,310 --> 00:30:07,370

any interest in the paranormal did you

625

00:30:14,260 --> 00:30:09,320

have other paranormal experiences

626

00:30:16,630 --> 00:30:14,270

earlier in your lifetime well in a way I

627

00:30:21,430 --> 00:30:16,640

did but I never took it as a paranormal

628

00:30:23,290 --> 00:30:21,440

experience we what it was brought up you

629

00:30:25,780 --> 00:30:23,300

know in a smaller house and my brother

630

00:30:28,690 --> 00:30:25,790

and I used to sleep together and he'd

631

00:30:31,600 --> 00:30:28,700

help me you know he called me peewee he

632

00:30:34,990 --> 00:30:31,610

said oh there's something that's always

633

00:30:38,110 --> 00:30:35,000

standing over there by you or one night

634

00:30:40,000 --> 00:30:38,120

I heard a blow in my ear he said there's

635

00:30:41,860 --> 00:30:40,010

a ghost blue in your he said I've seen

636

00:30:43,900 --> 00:30:41,870

it and I thought he was just crazy

637

00:30:46,480 --> 00:30:43,910

getting to them but I heard it when it

638

00:30:47,830 --> 00:30:46,490

happened and then just other little

639

00:30:50,590 --> 00:30:47,840

things but I never really thought about

640

00:30:52,300 --> 00:30:50,600

any of the paranormal anything but I

641

00:30:54,100 --> 00:30:52,310

think that had been going on home for a

642

00:30:58,930 --> 00:30:54,110

long time and I just didn't realize it

643

00:31:01,270 --> 00:30:58,940

and I got to a stage where you know I

644

00:31:04,270 --> 00:31:01,280

had to accept her they had to accept me

645

00:31:08,350 --> 00:31:04,280

but there's been other incidents and

646

00:31:10,760 --> 00:31:08,360

that they all in the book but all such

647

00:31:14,060 --> 00:31:10,770

as missing time

648

00:31:16,490 --> 00:31:14,070

I had a period of a lot of missing time

649

00:31:20,600 --> 00:31:16,500

when I was fishing and I was concerned

650

00:31:22,760 --> 00:31:20,610

about it so I wasn't concerned enough to

651
00:31:25,490 --> 00:31:22,770
talk to anybody I knew but I knew Budd

652
00:31:28,340 --> 00:31:25,500
Hopkins had wrote a book written a book

653
00:31:30,560 --> 00:31:28,350
or missing times and I told my wife I

654
00:31:33,920 --> 00:31:30,570
said I'm gonna go see both Hopkins I

655
00:31:37,730 --> 00:31:33,930
don't know him but I think he might see

656
00:31:39,710 --> 00:31:37,740
me so he was given a you're speaking on

657
00:31:42,620 --> 00:31:39,720
Edit lecture somewhere in West Palm

658
00:31:45,470 --> 00:31:42,630
Beach Florida we got on plane flew to

659
00:31:48,080 --> 00:31:45,480
West Palm Beach and bud was there but he

660
00:31:50,390 --> 00:31:48,090
knew my he knew of my name known in your

661
00:31:52,340 --> 00:31:50,400
the case so when he got through speaking

662
00:31:54,280 --> 00:31:52,350
I walked up and introduced myself he

663
00:31:58,280 --> 00:31:54,290

said I've been wanting to talk to you

664

00:32:01,370 --> 00:31:58,290

so I'd read to let bud hypnotize me and

665

00:32:03,890 --> 00:32:01,380

up and tell Phillip got a hold of the

666

00:32:05,960 --> 00:32:03,900

tapes you know bud had passed away yes

667

00:32:08,030 --> 00:32:05,970

and he kept tapes and records on

668

00:32:10,160 --> 00:32:08,040

everything I never even knew I was

669

00:32:13,010 --> 00:32:10,170

hypnotized I didn't know what was on the

670

00:32:14,690 --> 00:32:13,020

tapes I had no clue no idea matter of

671

00:32:18,530 --> 00:32:14,700

fact I didn't think I could be

672

00:32:23,000 --> 00:32:18,540

hypnotized but Phillip somehow got a

673

00:32:25,970 --> 00:32:23,010

hold of the tapes and it was amazing to

674

00:32:27,940 --> 00:32:25,980

me what was on there they were stuff and

675

00:32:31,220 --> 00:32:27,950

I think he had put a posthypnotic

676

00:32:33,740 --> 00:32:31,230

suggestion in my head that I would

677

00:32:36,230 --> 00:32:33,750

remember him as I could handle him and

678

00:32:38,090 --> 00:32:36,240

here lately you know the memories are

679

00:32:40,070 --> 00:32:38,100

starting to come back when I read

680

00:32:43,880 --> 00:32:40,080

through there then I remember I said

681

00:32:46,460 --> 00:32:43,890

well you know I remember that so it was

682

00:32:48,740 --> 00:32:46,470

it's really scary they even got a tag

683

00:32:51,320 --> 00:32:48,750

number off a car that was down when

684

00:32:54,530 --> 00:32:51,330

Charlie and I was abducted they got a

685

00:32:58,300 --> 00:32:54,540

tag number that I noticed on the car it

686

00:33:01,100 --> 00:32:58,310

was a couple dinner parking and I

687

00:33:04,250 --> 00:33:01,110

finally got ahold of people that had the

688

00:33:06,350 --> 00:33:04,260

car and this couple had got married and

689

00:33:08,030 --> 00:33:06,360

he passed away she's still alive she's

690

00:33:11,240 --> 00:33:08,040

pretty old right now

691

00:33:13,520 --> 00:33:11,250

and and she didn't want to talk about it

692

00:33:18,410 --> 00:33:13,530

but anyhow she remembered that night

693

00:33:21,530 --> 00:33:18,420

because of what happened she thought she

694

00:33:23,480 --> 00:33:21,540

did she remembered and they had left

695

00:33:25,060 --> 00:33:23,490

they got in that car and flew out of

696

00:33:28,870 --> 00:33:25,070

there

697

00:33:32,800 --> 00:33:28,880

and I don't blame them hey Calvin

698

00:33:34,990 --> 00:33:32,810

can I ask real quick question after this

699

00:33:38,710 --> 00:33:35,000

happened did you feel differently about

700

00:33:42,640 --> 00:33:38,720

Charlie did it affect your relationship

701
00:33:46,390 --> 00:33:42,650
with him in some way it did it affected

702
00:33:48,340 --> 00:33:46,400
in a big way on the air for a long time

703
00:33:49,120 --> 00:33:48,350
I thought Charlie's wanted broke it to

704
00:33:51,910 --> 00:33:49,130
the press

705
00:33:54,820 --> 00:33:51,920
matter of fact after this happened when

706
00:33:56,650 --> 00:33:54,830
we got through with our baton that case

707
00:33:59,980 --> 00:33:56,660
were in the hospital and doing what we

708
00:34:02,380 --> 00:33:59,990
needed to do I went on lived a different

709
00:34:05,200 --> 00:34:02,390
life I went back to my hometown of law

710
00:34:07,630 --> 00:34:05,210
Mississippi and Charlie stayed up here

711
00:34:09,399 --> 00:34:07,640
on the coast and I wouldn't call him or

712
00:34:12,790 --> 00:34:09,409
speak to him I'd speak to him every now

713
00:34:14,680 --> 00:34:12,800

and then but uh I felt like Charlie was

714

00:34:17,290 --> 00:34:14,690

out hunting publicity or something I

715

00:34:19,780 --> 00:34:17,300

didn't want you know mean but I think

716

00:34:23,580 --> 00:34:19,790

Charlie was just concerned and wanting

717

00:34:28,780 --> 00:34:23,590

to get the story out there what it was

718

00:34:30,909 --> 00:34:28,790

way now he he's passed away now and

719

00:34:33,790 --> 00:34:30,919

that's like I told somebody even in this

720

00:34:36,490 --> 00:34:33,800

book you know I don't care people

721

00:34:39,250 --> 00:34:36,500

believe it or not I know it happens so I

722

00:34:42,639 --> 00:34:39,260

don't have to believe it it definitely

723

00:34:45,159 --> 00:34:42,649

happened to me you know we took

724

00:34:48,399 --> 00:34:45,169

polygraph tests boys stress tests and

725

00:34:50,230 --> 00:34:48,409

everything else Charlie and I both Terry

726

00:34:54,250 --> 00:34:50,240

what made you ask that question had you

727

00:34:55,870 --> 00:34:54,260

an experience like that like changing

728

00:35:04,470 --> 00:34:55,880

your relationship with other people

729

00:35:08,140 --> 00:35:04,480

absolutely immediately after the event I

730

00:35:10,930 --> 00:35:08,150

looked at Tobias is what I call him in

731

00:35:14,020 --> 00:35:10,940

the book and I could feel it and I said

732

00:35:15,250 --> 00:35:14,030

my feelings for this guy changed and you

733

00:35:17,110 --> 00:35:15,260

know you would think just going through

734

00:35:19,300 --> 00:35:17,120

this thing we'd want to talk about it

735

00:35:21,370 --> 00:35:19,310

but there were hardly any words said

736

00:35:25,120 --> 00:35:21,380

between us in the six hours it took to

737

00:35:26,740 --> 00:35:25,130

get back to base and afterward I didn't

738

00:35:31,360 --> 00:35:26,750

want to see the guy I wanted nothing to

739

00:35:33,610 --> 00:35:31,370

do with him why was it I wonder I don't

740

00:35:35,740 --> 00:35:33,620

know as much we ordered we have no

741

00:35:37,430 --> 00:35:35,750

contact order I was ordered not to have

742

00:35:39,319 --> 00:35:37,440

any contact with him

743

00:35:42,650 --> 00:35:39,329

I guess I didn't want us putting our

744

00:35:45,200 --> 00:35:42,660

stories together and I did see him one

745

00:35:50,930 --> 00:35:45,210

last time and I went to his house and

746

00:35:54,260 --> 00:35:50,940

and I saw him and he was I was upset he

747

00:35:57,230 --> 00:35:54,270

was upset and it was real brief and all

748

00:35:58,609 --> 00:35:57,240

he had to say was it happened didn't it

749

00:36:04,309 --> 00:35:58,619

Terry

750

00:36:06,410 --> 00:36:04,319

and I said yeah when I turned around

751

00:36:09,890 --> 00:36:06,420

when I ran to the car there we got

752

00:36:12,020 --> 00:36:09,900

that's the last I saw I have two things

753

00:36:15,800 --> 00:36:12,030

to say about that the first thing is

754

00:36:18,829 --> 00:36:15,810

just in terms of Terry that was Kate on

755

00:36:21,380 --> 00:36:18,839

on the line and Kate wasn't here when we

756

00:36:24,680 --> 00:36:21,390

did your podcast she was unavailable

757

00:36:26,510 --> 00:36:24,690

that day and so that's why she didn't

758

00:36:29,690 --> 00:36:26,520

know exactly didn't remember didn't know

759

00:36:32,089 --> 00:36:29,700

exactly what you had said on the show

760

00:36:35,240 --> 00:36:32,099

when you when you and your book were on

761

00:36:38,180 --> 00:36:35,250

the second thing that I wanted to say is

762

00:36:40,819 --> 00:36:38,190

the following that although I was never

763

00:36:43,670 --> 00:36:40,829

to my knowledge abducted I was walking

764

00:36:47,000 --> 00:36:43,680

and one of my encounters in the woods in

765

00:36:49,069 --> 00:36:47,010

New Jersey and I was accompanied by

766

00:36:51,290 --> 00:36:49,079

other little kids I might have been 10

767

00:36:54,530 --> 00:36:51,300

or 11 at the time and that in that age

768

00:36:59,000 --> 00:36:54,540

range and I was walking in the woods and

769

00:37:03,650 --> 00:36:59,010

we came upon a house that was never

770

00:37:05,210 --> 00:37:03,660

there before it was a cottage and we had

771

00:37:06,680 --> 00:37:05,220

been in this part of the woods there

772

00:37:08,690 --> 00:37:06,690

were little trails around the lake

773

00:37:11,720 --> 00:37:08,700

community where I used to go in the

774

00:37:17,089 --> 00:37:11,730

summertime with my parents and this

775

00:37:19,640 --> 00:37:17,099

house never existed prior to this and we

776

00:37:22,040 --> 00:37:19,650

looked at it together and I kind of

777

00:37:24,349 --> 00:37:22,050

decided in my mind that it looked like

778

00:37:27,770 --> 00:37:24,359

the cottage from Hansel and Gretel and

779

00:37:29,480 --> 00:37:27,780

the only and there were at lace curtains

780

00:37:32,870 --> 00:37:29,490

in the windows which is something that I

781

00:37:36,170 --> 00:37:32,880

particularly remember and there had been

782

00:37:39,290 --> 00:37:36,180

some camp houses in the vicinity like

783

00:37:42,140 --> 00:37:39,300

where the Girl Guides used to go but

784

00:37:44,210 --> 00:37:42,150

they were a few like city blocks away

785

00:37:46,640 --> 00:37:44,220

they weren't right there generally

786

00:37:49,130 --> 00:37:46,650

speaking but there was no way because

787

00:37:51,000 --> 00:37:49,140

those were abandoned at that time there

788

00:37:54,270 --> 00:37:51,010

was no way that their order have been

789

00:37:59,100 --> 00:37:54,280

a cottage with lace curtains in the

790

00:38:00,420 --> 00:37:59,110

window and also no road leading up to it

791

00:38:02,370 --> 00:38:00,430

because if you're going to keep the

792

00:38:04,740 --> 00:38:02,380

house generally you're going to have to

793

00:38:07,230 --> 00:38:04,750

come in a car or at least a wagon there

794

00:38:10,770 --> 00:38:07,240

was no nothing leading up to it except

795

00:38:14,730 --> 00:38:10,780

the the path the forest path that we

796

00:38:17,100 --> 00:38:14,740

were on well simultaneously me and the

797

00:38:20,880 --> 00:38:17,110

two other kids that were with me we

798

00:38:23,580 --> 00:38:20,890

looked at this this house and we turned

799

00:38:25,440 --> 00:38:23,590

around on our heels and ran as fast as

800

00:38:27,570 --> 00:38:25,450

we could to get out of there because we

801
00:38:31,200 --> 00:38:27,580
knew intrinsically that there was

802
00:38:33,750 --> 00:38:31,210
something wrong with what we saw and I

803
00:38:36,750 --> 00:38:33,760
think that we passed a couple of words

804
00:38:39,110 --> 00:38:36,760
on the way back about how it looked like

805
00:38:42,390 --> 00:38:39,120
the cottage from Hansel and Gretel and

806
00:38:45,990 --> 00:38:42,400
that and then they never spoke of it

807
00:38:48,300 --> 00:38:46,000
again okay I know them but they never

808
00:38:51,210 --> 00:38:48,310
spoke of it again so I think that that

809
00:38:53,520 --> 00:38:51,220
was what what do you call that screen

810
00:38:55,230 --> 00:38:53,530
murmurs green memory exactly well Terry

811
00:39:00,450 --> 00:38:55,240
it's interesting you described it as

812
00:39:03,810 --> 00:39:00,460
primal fear and that type of fear is

813
00:39:07,020 --> 00:39:03,820

sort of basic underlying most psychology

814

00:39:09,840 --> 00:39:07,030

and I think if that blacks out

815

00:39:12,240 --> 00:39:09,850

everything else goes out too and that

816

00:39:14,160 --> 00:39:12,250

anything that causes it to come back up

817

00:39:16,800 --> 00:39:14,170

is really going to be terrible and

818

00:39:18,840 --> 00:39:16,810

that's probably why you guys don't talk

819

00:39:23,520 --> 00:39:18,850

to people that you shared this

820

00:39:26,580 --> 00:39:23,530

experience with that's well not a lot of

821

00:39:31,230 --> 00:39:26,590

people understand encounter students

822

00:39:33,660 --> 00:39:31,240

yeah Stan County we you know one thing

823

00:39:37,650 --> 00:39:33,670

y'all speaking of Betty Barney here huh

824

00:39:41,220 --> 00:39:37,660

I went to see Betty Hill I spent a few

825

00:39:44,310 --> 00:39:41,230

days out of her and during the time that

826

00:39:47,280 --> 00:39:44,320

I was deducted and had met her it wasn't

827

00:39:49,410 --> 00:39:47,290

too many people that had right yeah I'm

828

00:39:52,110 --> 00:39:49,420

sure it had been deducted but what too

829

00:39:53,910 --> 00:39:52,120

many people that was talking about it so

830

00:39:57,630 --> 00:39:53,920

we were able to establish a relationship

831

00:39:59,910 --> 00:39:57,640

and we sat down and even up until she

832

00:40:03,300 --> 00:39:59,920

died you know I would talk to her on the

833

00:40:04,800 --> 00:40:03,310

phone but she is so credible I mean she

834

00:40:07,380 --> 00:40:04,810

was just a sweet lovely

835

00:40:09,870 --> 00:40:07,390

person and I enjoyed my time with him

836

00:40:13,020 --> 00:40:09,880

and she drove me up in the mountains and

837

00:40:16,590 --> 00:40:13,030

showed me a place world she thought that

838

00:40:18,780 --> 00:40:16,600

she had been abducted and then oh there

839

00:40:21,090 --> 00:40:18,790
was craft still flying up and there

840

00:40:23,790 --> 00:40:21,100
there was something going on she saw

841

00:40:26,190 --> 00:40:23,800
quite a few things after that but you

842

00:40:28,380 --> 00:40:26,200
know you talk about fear a but Betty

843

00:40:30,600 --> 00:40:28,390
Hill actually got over her fear if you

844

00:40:31,910 --> 00:40:30,610
would call her story when she was

845

00:40:36,120 --> 00:40:31,920
leaving the craft she absolutely

846

00:40:38,760 --> 00:40:36,130
demanded a souvenir and one of the one

847

00:40:40,560 --> 00:40:38,770
of the aliens or whoever said oh okay

848

00:40:42,780 --> 00:40:40,570
because she was so insistent and then

849

00:40:44,670 --> 00:40:42,790
the commander or whatever said don't

850

00:40:48,300 --> 00:40:44,680
know you can't give her that and she

851

00:40:50,340 --> 00:40:48,310

insisted remember yes the map that's

852

00:40:52,890 --> 00:40:50,350

right the mist on the health rock that's

853

00:40:54,540 --> 00:40:52,900

right and then it was that insult yeah

854

00:40:56,520 --> 00:40:54,550

yeah why should I give us you don't know

855

00:40:59,160 --> 00:40:56,530

what you're looking at anyway so oh yeah

856

00:41:01,880 --> 00:40:59,170

but she was she was a very sweet lovely

857

00:41:05,820 --> 00:41:01,890

person but boy she was tough as nails

858

00:41:08,520 --> 00:41:05,830

well you know back in you had to be

859

00:41:10,860 --> 00:41:08,530

tough she was very a white woman married

860

00:41:14,100 --> 00:41:10,870

to a black man that that was a no-no

861

00:41:16,500 --> 00:41:14,110

right so oh you know that I know they

862

00:41:18,810 --> 00:41:16,510

took a lot of harsh punishment and the

863

00:41:20,340 --> 00:41:18,820

last thing they would do is want any

864

00:41:23,790 --> 00:41:20,350

publicity on herself

865

00:41:26,640 --> 00:41:23,800

correct correct yeah both lovely people

866

00:41:29,190 --> 00:41:26,650

indeed they were and how bet you know I

867

00:41:31,950 --> 00:41:29,200

wonder sometimes if whoever is doing

868

00:41:34,950 --> 00:41:31,960

this realizes how badly it affects

869

00:41:37,050 --> 00:41:34,960

people's lives I I'm sure your life both

870

00:41:40,800 --> 00:41:37,060

of you went off in somewhat of a

871

00:41:42,120 --> 00:41:40,810

different direction after the event it

872

00:41:47,040 --> 00:41:42,130

did

873

00:41:50,880 --> 00:41:47,050

I was a real very religious person when

874

00:41:53,760 --> 00:41:50,890

this happened on me very religious well

875

00:41:57,000 --> 00:41:53,770

after this I got real quiet and I pulled

876

00:42:00,180 --> 00:41:57,010

back to myself I never talked to my

877

00:42:02,700 --> 00:42:00,190

family or friends about it and a matter

878

00:42:03,750 --> 00:42:02,710

of fact I never talked to my wife or

879

00:42:07,680 --> 00:42:03,760

nobody about it

880

00:42:09,540 --> 00:42:07,690

the other day I had a friend say I told

881

00:42:11,600 --> 00:42:09,550

him I said you know I wrote a book you

882

00:42:14,910 --> 00:42:11,610

ought to go get you one enough sanicboys

883

00:42:17,670 --> 00:42:14,920

he said what did you you you didn't

884

00:42:17,950 --> 00:42:17,680

write the book there's yes yeah did he

885

00:42:19,720 --> 00:42:17,960

said

886

00:42:22,060 --> 00:42:19,730

well you know you've lied to me about a

887

00:42:25,960 --> 00:42:22,070

lot of stuff Calvin but I've never heard

888

00:42:29,290 --> 00:42:25,970

you tell nothing about this about being

889

00:42:31,240 --> 00:42:29,300

abducted or anything he said I believe

890

00:42:34,660 --> 00:42:31,250

it's really something to that I said

891

00:42:38,070 --> 00:42:34,670

well it is so I'm ready to hit you twin

892

00:42:40,839 --> 00:42:38,080

eyes or two before and get you attention

893

00:42:43,030 --> 00:42:40,849

it's the same experience I published the

894

00:42:46,510 --> 00:42:43,040

book and I had told no one it was a

895

00:42:48,670 --> 00:42:46,520

secret my wife and I share we didn't we

896

00:42:51,370 --> 00:42:48,680

didn't tell our adult children they all

897

00:42:53,609 --> 00:42:51,380

they knew is that you know every once or

898

00:43:00,400 --> 00:42:53,619

twice a year dad would wake up screaming

899

00:43:03,160 --> 00:43:00,410

but hold your children Arden

900

00:43:04,839 --> 00:43:03,170

why didn't you tell your children I mean

901
00:43:07,839 --> 00:43:04,849
you're dull children obviously wouldn't

902
00:43:12,609 --> 00:43:07,849
tell the Jocelyn it felt like a secret I

903
00:43:14,320 --> 00:43:12,619
mean I had overcome that thought I felt

904
00:43:17,710 --> 00:43:14,330
like when I was writing this book like I

905
00:43:19,990 --> 00:43:17,720
was giving away some family secret or

906
00:43:22,900 --> 00:43:20,000
something it was I felt like I wasn't

907
00:43:26,320 --> 00:43:22,910
supposed to tell that's a very strong

908
00:43:28,359 --> 00:43:26,330
emotion for me to not tell anyone I

909
00:43:30,070 --> 00:43:28,369
intended to take it to my grave and if

910
00:43:33,310 --> 00:43:30,080
they hadn't found these things in my leg

911
00:43:36,820 --> 00:43:33,320
in 2012 that I probably most probably

912
00:43:39,130 --> 00:43:36,830
would have if it had not been for

913
00:43:41,770 --> 00:43:39,140

Phillip in my wife it would have went to

914

00:43:43,750 --> 00:43:41,780

my grave with me the whole thing like I

915

00:43:45,190 --> 00:43:43,760

say I would just tell everybody what

916

00:43:50,530 --> 00:43:45,200

they wanted to hear to get it off my

917

00:43:52,240 --> 00:43:50,540

back and I never talked to my children

918

00:43:53,920 --> 00:43:52,250

about it then you about it because

919

00:43:56,710 --> 00:43:53,930

somebody said oh your daddy's the one

920

00:43:58,120 --> 00:43:56,720

that got abducted and also you know

921

00:44:01,000 --> 00:43:58,130

that's the way that you and I should

922

00:44:02,380 --> 00:44:01,010

have sat down and explained it to him I

923

00:44:05,079 --> 00:44:02,390

should have said that one with my whole

924

00:44:07,599 --> 00:44:05,089

family and explained it to them and I've

925

00:44:10,060 --> 00:44:07,609

got friends that if this last year that

926
00:44:12,609 --> 00:44:10,070
you know we've just opened up started

927
00:44:15,760 --> 00:44:12,619
talking about it when I started doing

928
00:44:18,339 --> 00:44:15,770
the book and I gotta give Phillip credit

929
00:44:19,960 --> 00:44:18,349
for that he's you know he's the one

930
00:44:22,690 --> 00:44:19,970
that's got me talking about it and I

931
00:44:25,750 --> 00:44:22,700
feel a lot better doing it yes and we

932
00:44:28,450 --> 00:44:25,760
thank Phillip as well for putting us in

933
00:44:31,680 --> 00:44:28,460
touch with you Terry do you have some

934
00:44:34,770 --> 00:44:31,690
specific questions for Calvin that

935
00:44:37,079 --> 00:44:34,780
you have wanted to ask just a couple

936
00:44:39,089 --> 00:44:37,089
kind of odd questions did you wear a

937
00:44:43,040 --> 00:44:39,099
wristwatch did you have trouble with

938
00:44:46,740 --> 00:44:43,050

your wrist watches not working I I

939

00:44:48,900 --> 00:44:46,750

didn't have a watch okay

940

00:44:52,170 --> 00:44:48,910

charlie didn't have one either cuz

941

00:44:54,240 --> 00:44:52,180

that's the reason we stopped it a place

942

00:44:56,130 --> 00:44:54,250

you try to say what time it was and we

943

00:44:58,740 --> 00:44:56,140

had no clue what time it was

944

00:45:00,390 --> 00:44:58,750

then back end it wasn't cellphones so

945

00:45:02,760 --> 00:45:00,400

you couldn't open it up look and see

946

00:45:06,089 --> 00:45:02,770

what time it was did you have night

947

00:45:09,450 --> 00:45:06,099

meters on a regular basis not on a

948

00:45:12,569 --> 00:45:09,460

regular basis right after happen oh I

949

00:45:15,089 --> 00:45:12,579

went through I guess what you would call

950

00:45:19,319 --> 00:45:15,099

a hanger mode where I was just so angry

951
00:45:21,900 --> 00:45:19,329
about it because I hated something being

952
00:45:23,069 --> 00:45:21,910
able to you know just come in and take

953
00:45:27,960 --> 00:45:23,079
you against your will

954
00:45:29,849 --> 00:45:27,970
and do something I know right and I went

955
00:45:32,220 --> 00:45:29,859
through a lot of anger problems about

956
00:45:35,190 --> 00:45:32,230
that but I didn't have a lot of

957
00:45:37,500 --> 00:45:35,200
nightmares but a few I did and I

958
00:45:40,050 --> 00:45:37,510
remember at the shipyard the next day

959
00:45:42,510 --> 00:45:40,060
after this some of the guys at the

960
00:45:45,120 --> 00:45:42,520
shipyard they was so upset about it

961
00:45:47,370 --> 00:45:45,130
they all had boats and they were all big

962
00:45:49,680 --> 00:45:47,380
deer hunters and they all loaded up and

963
00:45:52,620 --> 00:45:49,690

though they come ask me you want to go

964

00:45:54,120 --> 00:45:52,630

hunting them tonight I said hell no I'm

965

00:45:55,920 --> 00:45:54,130

not going on oh because they're

966

00:45:57,569 --> 00:45:55,930

destroying you in a minute you'll be

967

00:46:01,140 --> 00:45:57,579

shooting at them I said why don't you

968

00:46:04,290 --> 00:46:01,150

want to do that anyhow so they went I

969

00:46:07,460 --> 00:46:04,300

want to call alien hunting out there and

970

00:46:17,790 --> 00:46:07,470

I didn't go with them wasn't about to

971

00:46:20,220 --> 00:46:17,800

they but be glad they didn't see you I

972

00:46:23,700 --> 00:46:20,230

started carrying a handgun after my

973

00:46:27,630 --> 00:46:23,710

experience and and I do to this day and

974

00:46:30,210 --> 00:46:27,640

I feel much more safe with it I would

975

00:46:31,800 --> 00:46:30,220

wait do you think it would work I mean

976

00:46:34,710 --> 00:46:31,810

or do you think they just sort of make

977

00:46:38,609 --> 00:46:34,720

you unconscious in I'm sure that they

978

00:46:41,730 --> 00:46:38,619

could overcome me but it just makes me

979

00:46:45,240 --> 00:46:41,740

feel more secure I can understand that I

980

00:46:47,040 --> 00:46:45,250

don't know I don't carry any kind of way

981

00:46:49,470 --> 00:46:47,050

since I have them here home for

982

00:46:52,290 --> 00:46:49,480

protection of my family but as far as

983

00:46:54,240 --> 00:46:52,300

for protection and me I get on the boat

984

00:46:57,720 --> 00:46:54,250

sometime at night and I go out fishing

985

00:46:59,550 --> 00:46:57,730

and go right by staff and I'm fine with

986

00:47:02,190 --> 00:46:59,560

that mama said you're not afraid to go

987

00:47:06,839 --> 00:47:02,200

and get you if they won't kiss nothing

988

00:47:09,359 --> 00:47:06,849

you gonna do about it so yeah you know I

989

00:47:11,210 --> 00:47:09,369

have a parent there's just not enough

990

00:47:14,790 --> 00:47:11,220

money in the world to make me take

991

00:47:17,820 --> 00:47:14,800

myself in a boat at night after an

992

00:47:20,270 --> 00:47:17,830

experience like yours oh I just wanna

993

00:47:22,890 --> 00:47:20,280

have to other night I had a blast I mean

994

00:47:24,599 --> 00:47:22,900

you know what I like about it you get

995

00:47:26,849 --> 00:47:24,609

out there you're sitting there by

996

00:47:29,940 --> 00:47:26,859

yourself it's quiet and the moon was out

997

00:47:32,130 --> 00:47:29,950

full it was the died of them that man

998

00:47:33,839 --> 00:47:32,140

was supposed to do something and you

999

00:47:37,410 --> 00:47:33,849

said they're looking how beautiful it is

1000

00:47:41,040 --> 00:47:37,420

and just listening and we live in an

1001
00:47:44,760 --> 00:47:41,050
area is a swamp area it's nothing but

1002
00:47:46,770 --> 00:47:44,770
swamps all to left you got the Gulf and

1003
00:47:48,839 --> 00:47:46,780
to the right you got your marshland and

1004
00:47:51,960 --> 00:47:48,849
the woods and the swamp and it's the

1005
00:47:54,690 --> 00:47:51,970
only unchanged River in the world in the

1006
00:47:57,390 --> 00:47:54,700
United States that had been it's

1007
00:47:59,490 --> 00:47:57,400
beautiful people don't realize how nice

1008
00:48:02,550 --> 00:47:59,500
it is then here until you go out on it

1009
00:48:04,200 --> 00:48:02,560
they do these eco tours where they take

1010
00:48:09,030 --> 00:48:04,210
you out let you see the wildlife the

1011
00:48:11,460 --> 00:48:09,040
alligators the deer the Coons and we my

1012
00:48:13,500 --> 00:48:11,470
wife and I actually had a bear fall on

1013
00:48:17,490 --> 00:48:13,510

the boat fall out of a tree and hit her

1014

00:48:20,130 --> 00:48:17,500

boat you know now that was security - I

1015

00:48:20,849 --> 00:48:20,140

thought maybe there might be something

1016

00:48:24,329 --> 00:48:20,859

to that

1017

00:48:26,310 --> 00:48:24,339

but it was a bear well it sounds like a

1018

00:48:28,500 --> 00:48:26,320

beautiful environment to be in

1019

00:48:30,630 --> 00:48:28,510

I would need some insect repellent but

1020

00:48:34,620 --> 00:48:30,640

it sounds like quite a beautiful

1021

00:48:37,320 --> 00:48:34,630

environment I lived for a year in Baton

1022

00:48:39,690 --> 00:48:37,330

Rouge and and I kind of get the picture

1023

00:48:41,400 --> 00:48:39,700

oh I love it

1024

00:48:43,920 --> 00:48:41,410

we have unit in the Baton Rouge you know

1025

00:48:46,500 --> 00:48:43,930

how the humidity to use the bugs are the

1026
00:48:49,079 --> 00:48:46,510
people you got some of the best people

1027
00:48:51,839 --> 00:48:49,089
in the world who down here on me they

1028
00:48:54,180 --> 00:48:51,849
all their fight between themselves some

1029
00:48:56,490 --> 00:48:54,190
time but I sliced a group of friends I

1030
00:48:58,740 --> 00:48:56,500
don't have many friends but the ones I

1031
00:49:00,990 --> 00:48:58,750
do have you got

1032
00:49:05,820 --> 00:49:01,000
picked up a phone say I need you there

1033
00:49:08,940 --> 00:49:05,830
be here I flooded last year year before

1034
00:49:10,920 --> 00:49:08,950
last the house flooded and we didn't

1035
00:49:12,589 --> 00:49:10,930
have insurance at the time I didn't have

1036
00:49:15,570 --> 00:49:12,599
the flood insurance hadn't kicked in

1037
00:49:17,460 --> 00:49:15,580
they all chipped together one of them

1038
00:49:20,070 --> 00:49:17,470

brought the floor another one bout the

1039

00:49:22,230 --> 00:49:20,080

labor and everybody come and they had

1040

00:49:24,420 --> 00:49:22,240

our floors and all put in the dry walls

1041

00:49:29,640 --> 00:49:24,430

and stuff city that's just the kind of

1042

00:49:31,290 --> 00:49:29,650

people that is down here they do and

1043

00:49:34,440 --> 00:49:31,300

there's nothing I wouldn't do for them

1044

00:49:37,730 --> 00:49:34,450

or they wouldn't did for us and when I

1045

00:49:42,690 --> 00:49:37,740

say as I talk about my family

1046

00:49:44,820 --> 00:49:42,700

so just to to ask a couple of more

1047

00:49:48,320 --> 00:49:44,830

questions because it comes to my mind

1048

00:49:51,030 --> 00:49:48,330

could you describe the the robot type

1049

00:49:53,970 --> 00:49:51,040

character that you saw I was just

1050

00:49:57,950 --> 00:49:53,980

floating above the ground or the water

1051
00:50:02,339 --> 00:49:57,960
and what that creature looked like I

1052
00:50:05,160 --> 00:50:02,349
could know he was here he had gray

1053
00:50:07,950 --> 00:50:05,170
wrinkled skin his facial features

1054
00:50:09,930 --> 00:50:07,960
Charlie says he seen no seen her face

1055
00:50:12,240 --> 00:50:09,940
and they was little objects you know

1056
00:50:14,130 --> 00:50:12,250
kind of like ears and stuff but I didn't

1057
00:50:17,760 --> 00:50:14,140
see none of that that was kind of a blur

1058
00:50:20,099 --> 00:50:17,770
to me his legs you could tell it looked

1059
00:50:22,710 --> 00:50:20,109
kind of like legs in a way but they

1060
00:50:27,359 --> 00:50:22,720
wasn't separate they was all together no

1061
00:50:31,470 --> 00:50:27,369
feet his hands was like Oh mittens on

1062
00:50:35,240 --> 00:50:31,480
gloves or claws or something but he was

1063
00:50:39,510 --> 00:50:35,250

a real scary looking thing now video

1064

00:50:41,520 --> 00:50:39,520

other one was really you know not so

1065

00:50:44,010 --> 00:50:41,530

scary and I couldn't believe I could see

1066

00:50:49,260 --> 00:50:44,020

them talk to you for a while and

1067

00:50:51,870 --> 00:50:49,270

probably have but the gray wrinkled skin

1068

00:50:55,880 --> 00:50:51,880

and stuff I believe I believe this one

1069

00:51:01,200 --> 00:50:55,890

was more of a yo soldier than anything

1070

00:51:05,940 --> 00:51:01,210

well I recall in in Terry's account that

1071

00:51:08,060 --> 00:51:05,950

there was a female hybrid that visited

1072

00:51:10,920 --> 00:51:08,070

Terry several times after his abduction

1073

00:51:11,920 --> 00:51:10,930

experience and maybe you two guys want

1074

00:51:14,250 --> 00:51:11,930

to throw the

1075

00:51:19,390 --> 00:51:14,260

back and forth a little bit because

1076

00:51:22,840 --> 00:51:19,400

Calvin had mentioned that the being that

1077

00:51:26,230 --> 00:51:22,850

he saw in the room where he was examined

1078

00:51:30,910 --> 00:51:26,240

was seemingly somewhat female but not

1079

00:51:32,500 --> 00:51:30,920

really female and he didn't go in much

1080

00:51:34,750 --> 00:51:32,510

further into that so maybe you guys

1081

00:51:39,460 --> 00:51:34,760

could throw that back and forth for a

1082

00:51:43,150 --> 00:51:39,470

few minutes I'll just say that I'll call

1083

00:51:45,370 --> 00:51:43,160

her a woman the woman I see it's about 4

1084

00:51:48,550 --> 00:51:45,380

foot 2 inches taller so just a tad over

1085

00:51:55,210 --> 00:51:48,560

4 foot tall and she looks like an Asian

1086

00:51:57,400 --> 00:51:55,220

woman and when I was young I think I was

1087

00:52:01,540 --> 00:51:57,410

abducted by her I know I was abducted by

1088

00:52:03,310 --> 00:52:01,550

her and I referred to her as sue there

1089

00:52:06,190 --> 00:52:03,320

was an elderly Asian woman in our

1090

00:52:10,990 --> 00:52:06,200

neighborhood named sue trout I

1091

00:52:16,120 --> 00:52:11,000

I called her sue but then later in life

1092

00:52:20,940 --> 00:52:16,130

though I I met her again and she talked

1093

00:52:25,720 --> 00:52:20,950

to me not verbally but with her mind and

1094

00:52:28,570 --> 00:52:25,730

he would send me a sentence and I would

1095

00:52:32,110 --> 00:52:28,580

respond and she would respond before I

1096

00:52:38,860 --> 00:52:32,120

had my sent was finished I don't know if

1097

00:52:41,920 --> 00:52:38,870

you yeah my window but Hopkins

1098

00:52:45,820 --> 00:52:41,930

hypnotized me this is where most of mine

1099

00:52:50,710 --> 00:52:45,830

came out if it was definitely a female

1100

00:52:52,930 --> 00:52:50,720

and but she wasn't real nice I mean it

1101
00:52:55,630 --> 00:52:52,940
was more or less like torture during

1102
00:52:58,180 --> 00:52:55,640
that one time matter of fact I get to

1103
00:52:58,600 --> 00:52:58,190
this part of the book and if you get the

1104
00:53:01,030 --> 00:52:58,610
book

1105
00:53:03,190 --> 00:53:01,040
just kind of when you read it make sure

1106
00:53:05,530 --> 00:53:03,200
you go through the hypnosis will bug

1107
00:53:09,550 --> 00:53:05,540
because it's a lot of information in

1108
00:53:11,980 --> 00:53:09,560
that and it tells about the way that she

1109
00:53:14,050 --> 00:53:11,990
examined and pulled you apart but

1110
00:53:16,330 --> 00:53:14,060
testing on the craft I think you could

1111
00:53:19,810 --> 00:53:16,340
call her more or less like a hybrid you

1112
00:53:21,460 --> 00:53:19,820
know I believe that a kind of half half

1113
00:53:24,220 --> 00:53:21,470

it might have been a mixed breed of

1114

00:53:24,990 --> 00:53:24,230

human and heard through the years or

1115

00:53:29,190 --> 00:53:25,000

something

1116

00:53:33,540 --> 00:53:29,200

that's it what mysterious woman told me

1117

00:53:35,250 --> 00:53:33,550

she was happy hybrid and half alien and

1118

00:53:37,910 --> 00:53:35,260

I believe that I believe that they

1119

00:53:41,160 --> 00:53:37,920

happen now I've also heard of all

1120

00:53:44,640 --> 00:53:41,170

Balkans and I actually been a walk-in

1121

00:53:47,130 --> 00:53:44,650

one time in know that that was kind of

1122

00:53:50,190 --> 00:53:47,140

scary because they tell me that they

1123

00:53:52,140 --> 00:53:50,200

have to give permission for them to come

1124

00:53:55,170 --> 00:53:52,150

into the body and use it to get that

1125

00:53:57,870 --> 00:53:55,180

hearing little blue and I believe that

1126
00:53:59,520 --> 00:53:57,880
there's walk-ins around right now how

1127
00:54:01,740 --> 00:53:59,530
did they identify themselves as a

1128
00:54:05,730 --> 00:54:01,750
walk-in or how did you know suspect they

1129
00:54:08,280 --> 00:54:05,740
were walking well it was just stopped

1130
00:54:11,750 --> 00:54:08,290
him about it woman when I got up and I

1131
00:54:15,720 --> 00:54:11,760
started staring it was the lady and I

1132
00:54:17,910 --> 00:54:15,730
never met her before my life and I got

1133
00:54:21,270 --> 00:54:17,920
up and I kind of felt uncomfortable a

1134
00:54:23,400 --> 00:54:21,280
little bit around her and she looked at

1135
00:54:25,710 --> 00:54:23,410
me she said you do know and she had no

1136
00:54:27,420 --> 00:54:25,720
idea who I was you didn't know that I'm

1137
00:54:29,400 --> 00:54:27,430
a walk-in don't you

1138
00:54:31,200 --> 00:54:29,410

I said no what the hell is a walk-in

1139

00:54:36,270 --> 00:54:31,210

that was the first time I ever heard

1140

00:54:39,050 --> 00:54:36,280

about it and she told me a little bit

1141

00:54:41,609 --> 00:54:39,060

bit about it and how she had gave off

1142

00:54:46,560 --> 00:54:41,619

permission from him and use her body so

1143

00:54:49,770 --> 00:54:46,570

that she could study and I didn't I had

1144

00:54:52,800 --> 00:54:49,780

no idea if she was or not but it shot

1145

00:54:56,089 --> 00:54:52,810

felt like she was this is quite

1146

00:54:59,670 --> 00:54:56,099

fascinating in light of the fact that

1147

00:55:02,730 --> 00:54:59,680

the question that was posed to Travis

1148

00:55:05,310 --> 00:55:02,740

Walton at the MUFON symposium by the

1149

00:55:09,599 --> 00:55:05,320

gentleman and he just said yes about

1150

00:55:11,820 --> 00:55:09,609

have you ever met in a public context

1151

00:55:16,020 --> 00:55:11,830

someone that you felt was not truly

1152

00:55:20,670 --> 00:55:16,030

human and so it to me this is a very

1153

00:55:23,220 --> 00:55:20,680

fascinating line of inquiry to go

1154

00:55:26,400 --> 00:55:23,230

forward with in another thing that I'm

1155

00:55:31,260 --> 00:55:26,410

sort of won a point out here is that

1156

00:55:34,099 --> 00:55:31,270

although Bill and Kate and myself are

1157

00:55:36,020 --> 00:55:34,109

all experiences and not knowing

1158

00:55:39,860 --> 00:55:36,030

abductees

1159

00:55:46,310 --> 00:55:39,870

it is kind of unusual that we didn't

1160

00:55:48,590 --> 00:55:46,320

really seek out doing this type of a

1161

00:55:50,270 --> 00:55:48,600

show in other words we weren't focused

1162

00:55:52,670 --> 00:55:50,280

on abductees we weren't against that

1163

00:55:55,840 --> 00:55:52,680

bhakti certainly but we didn't focus on

1164

00:55:58,340 --> 00:55:55,850

it and they just kept coming at us like

1165

00:56:00,560 --> 00:55:58,350

boo her I'm trying to think of his first

1166

00:56:04,180 --> 00:56:00,570

name a David Bowie who wrote the the

1167

00:56:07,070 --> 00:56:04,190

book about the other military abductee

1168

00:56:11,660 --> 00:56:07,080

and then I hear from Terry and then I

1169

00:56:15,470 --> 00:56:11,670

hear from you Calvin through Philip and

1170

00:56:18,260 --> 00:56:15,480

it just seems to be that these things

1171

00:56:21,830 --> 00:56:18,270

are coming to us and so I feel obligated

1172

00:56:24,380 --> 00:56:21,840

to move forward with it and I do find it

1173

00:56:27,140 --> 00:56:24,390

very interesting if not terrifying

1174

00:56:29,660 --> 00:56:27,150

having been you know rather an

1175

00:56:31,550 --> 00:56:29,670

experience or myself that Tara is still

1176

00:56:33,950 --> 00:56:31,560

somewhere hidden in the back of my

1177

00:56:36,080 --> 00:56:33,960

reptilian mind that reptilian part of

1178

00:56:43,670 --> 00:56:36,090

the brain I mean I'm not a reptilian

1179

00:56:46,280 --> 00:56:43,680

thank you don't need somebody to

1180

00:56:48,950 --> 00:56:46,290

communicate with them and they copy

1181

00:56:51,230 --> 00:56:48,960

people like y'all are gonna be the ones

1182

00:56:53,960 --> 00:56:51,240

to do that and I feel like that they

1183

00:56:56,030 --> 00:56:53,970

watching that now and that uh one day

1184

00:56:57,830 --> 00:56:56,040

you're gonna be like a spokesman to them

1185

00:56:59,930 --> 00:56:57,840

because it would secure the general

1186

00:57:03,440 --> 00:56:59,940

public if they just came out in force

1187

00:57:05,540 --> 00:57:03,450

right now looking off in Wales during a

1188

00:57:08,750 --> 00:57:05,550

radio show and it was just faking here

1189

00:57:11,270 --> 00:57:08,760

yet maybe I mean people went crazy so

1190

00:57:13,790 --> 00:57:11,280

thankful they know that they need

1191

00:57:16,460 --> 00:57:13,800

somebody to speak for them and they they

1192

00:57:19,040 --> 00:57:16,470

training people now and I feel like it

1193

00:57:23,900 --> 00:57:19,050

it's walk-ins or people hybrid surround

1194

00:57:25,730 --> 00:57:23,910

that is in this training process and I

1195

00:57:28,220 --> 00:57:25,740

think y'all might be an important part

1196

00:57:30,200 --> 00:57:28,230

of that before it's over well yeah the

1197

00:57:32,000 --> 00:57:30,210

other thing that's interesting on foucha

1198

00:57:35,060 --> 00:57:32,010

brought it up is like both of you were

1199

00:57:37,730 --> 00:57:35,070

around military bases do you think there

1200

00:57:43,220 --> 00:57:37,740

was any sort of undercover work there

1201
00:57:47,780 --> 00:57:43,230
from the military I don't know it's hard

1202
00:57:49,370 --> 00:57:47,790
to say about the military during the

1203
00:57:51,350 --> 00:57:49,380
time that I was abducted

1204
00:57:53,750 --> 00:57:51,360
had more problems to worry about you

1205
00:57:57,560 --> 00:57:53,760
know Vietnam was just winding down and

1206
00:58:01,070 --> 00:57:57,570
stuff in dr. panic you know hate when it

1207
00:58:02,870 --> 00:58:01,080
came to hypnotize being harder I tried

1208
00:58:07,040 --> 00:58:02,880
to talk to him a little bit but it was

1209
00:58:08,960 --> 00:58:07,050
so many people around that it was hard

1210
00:58:10,820 --> 00:58:08,970
to carry on a conversation with him I

1211
00:58:11,660 --> 00:58:10,830
would love to get into some of his Case

1212
00:58:15,230 --> 00:58:11,670
Files

1213
00:58:17,600 --> 00:58:15,240

see what he was doing most of my

1214

00:58:19,880 --> 00:58:17,610

experiences not all but most of them

1215

00:58:24,230 --> 00:58:19,890

happened in the vicinity of the

1216

00:58:25,790 --> 00:58:24,240

Picatinny Arsenal in North Jersey well

1217

00:58:27,530 --> 00:58:25,800

there may be a whole division in the

1218

00:58:29,960 --> 00:58:27,540

military because as soon as you get

1219

00:58:32,000 --> 00:58:29,970

reports of these crashes bump out of

1220

00:58:34,280 --> 00:58:32,010

nowhere you have this division that

1221

00:58:36,860 --> 00:58:34,290

comes along covers it up takes it away

1222

00:58:38,480 --> 00:58:36,870

bring back bone the been in black and

1223

00:58:41,300 --> 00:58:38,490

then there's the real men in black and

1224

00:58:45,590 --> 00:58:41,310

they they are kind of indistinguishable

1225

00:58:51,320 --> 00:58:45,600

to most people but as we know from some

1226
00:58:54,950 --> 00:58:51,330
of the former contactees that the men in

1227
00:58:58,730 --> 00:58:54,960
black some of them have anachronistic

1228
00:59:00,710 --> 00:58:58,740
features and physically they're not

1229
00:59:02,600 --> 00:59:00,720
quite right like their ears aren't quite

1230
00:59:04,880 --> 00:59:02,610
like too many years where their fingers

1231
00:59:06,830 --> 00:59:04,890
look funnier and and they they don't

1232
00:59:10,340 --> 00:59:06,840
understand how to eat jello and stuff

1233
00:59:11,900 --> 00:59:10,350
like that so it's real life but but I

1234
00:59:13,820 --> 00:59:11,910
agree with you Calvin it seems like

1235
00:59:15,560 --> 00:59:13,830
certainly the military it has a lot more

1236
00:59:17,540 --> 00:59:15,570
on its plate than that

1237
00:59:21,950 --> 00:59:17,550
and you wonder why they would even do

1238
00:59:23,510 --> 00:59:21,960

something like that how about you Terry

1239

00:59:26,000 --> 00:59:23,520

I mean did you ever have any feeling

1240

00:59:29,120 --> 00:59:26,010

that it was like possibly military

1241

00:59:31,640 --> 00:59:29,130

government something of that nature what

1242

00:59:34,100 --> 00:59:31,650

I saw was not I was in the Air Force at

1243

00:59:38,240 --> 00:59:34,110

the time what I saw was absolutely

1244

00:59:41,420 --> 00:59:38,250

nothing there's no way I mean this thing

1245

00:59:44,930 --> 00:59:41,430

was so big it was a city block long on

1246

00:59:46,550 --> 00:59:44,940

each side and stories high and then sat

1247

00:59:49,460 --> 00:59:46,560

30 feet above the ground

1248

00:59:51,790 --> 00:59:49,470

and it's just no way I do know this that

1249

00:59:54,470 --> 00:59:51,800

the Air Force was extremely interested

1250

00:59:59,530 --> 00:59:54,480

find out if I had taken photographs of

1251
01:00:02,300 --> 00:59:59,540
because I didn't amateur photographers

1252
01:00:02,779 --> 01:00:02,310
they wanted to make sure I didn't have

1253
01:00:08,509 --> 01:00:02,789
any

1254
01:00:11,809 --> 01:00:08,519
seven why don't you mention your name of

1255
01:00:15,559 --> 01:00:11,819
your book again first Calvin and then

1256
01:00:19,279 --> 01:00:15,569
Terry how's that okay

1257
01:00:22,640 --> 01:00:19,289
the pass pagoda the closest encounter my

1258
01:00:24,009 --> 01:00:22,650
story Calvin Parker and you get it

1259
01:00:27,589 --> 01:00:24,019
through Amazon

1260
01:00:31,749 --> 01:00:27,599
go ahead Terry my book is also through

1261
01:00:35,120 --> 01:00:31,759
Amazon and its incident at Devil's Den

1262
01:00:37,779 --> 01:00:35,130
Devil's Den is the state park we went

1263
01:00:41,709 --> 01:00:37,789

camping when we were abducted so it's

1264

01:00:46,519 --> 01:00:41,719

ten that's northern Arkansas correct yes

1265

01:00:48,439 --> 01:00:46,529

northwestern Arkansas alrighty so um do

1266

01:00:49,759 --> 01:00:48,449

do you have any more questions Kate that

1267

01:00:52,039 --> 01:00:49,769

you want to ask right now because we're

1268

01:00:53,719 --> 01:00:52,049

coming on the six o'clock hour here are

1269

01:00:56,539 --> 01:00:53,729

we really oh I could talk to these two

1270

01:00:59,089 --> 01:00:56,549

fellows forever no no I could too and

1271

01:01:01,400 --> 01:00:59,099

and I'm sure well we want to thank both

1272

01:01:03,620 --> 01:01:01,410

of you for for being such wonderful

1273

01:01:07,519 --> 01:01:03,630

guests for us today do you have anything

1274

01:01:09,890 --> 01:01:07,529

you want to add Calvin I believe that's

1275

01:01:12,699 --> 01:01:09,900

pretty much it and I'll be happy to come

1276

01:01:15,140 --> 01:01:12,709

back any time just let me fill up one no

1277

01:01:18,949 --> 01:01:15,150

absolutely or not we'd like I'm really

1278

01:01:23,209 --> 01:01:18,959

thank y'all for having me thank you and

1279

01:01:25,359 --> 01:01:23,219

Kelly I'd like to say I understand and

1280

01:01:29,059 --> 01:01:25,369

I'm glad you have had the courage to

1281

01:01:32,630 --> 01:01:29,069

write the book and do this so I think

1282

01:01:34,609 --> 01:01:32,640

it's simple know this stuff I want to

1283

01:01:36,709 --> 01:01:34,619

get your book Terry and read it and see

1284

01:01:39,589 --> 01:01:36,719

what you have to say you know I've just

1285

01:01:41,749 --> 01:01:39,599

now started reading stuff you know that

1286

01:01:43,039 --> 01:01:41,759

other people's been through I knew

1287

01:01:46,729 --> 01:01:43,049

Travis Walton

1288

01:01:49,039 --> 01:01:46,739

and I had heard his story but I never

1289

01:01:51,229 --> 01:01:49,049

really got in you know got into it's a

1290

01:01:55,099 --> 01:01:51,239

listen and I actually went to watch this

1291

01:01:57,079 --> 01:01:55,109

movie fire in the sky and I've always

1292

01:01:59,719 --> 01:01:57,089

wanted to ask you me the movie was close

1293

01:02:02,749 --> 01:01:59,729

to what had happened to him or the some

1294

01:02:05,630 --> 01:02:02,759

Hollywood put out well he has answered

1295

01:02:07,459 --> 01:02:05,640

that question at symposiums where I have

1296

01:02:09,559 --> 01:02:07,469

watched him and he said there were

1297

01:02:12,109 --> 01:02:09,569

certain elements of the movie which were

1298

01:02:13,609 --> 01:02:12,119

quite true other elements were not true

1299

01:02:14,830 --> 01:02:13,619

for instance in the movie they showed

1300

01:02:17,830 --> 01:02:14,840

five guys in

1301

01:02:20,380 --> 01:02:17,840

in the truck instead of seven and that

1302

01:02:23,550 --> 01:02:20,390

rather made a difference in some of the

1303

01:02:27,670 --> 01:02:23,560

things but you should know at this point

1304

01:02:31,510 --> 01:02:27,680

there is another movie called Travis the

1305

01:02:34,960 --> 01:02:31,520

true story of Travis Walton and that's

1306

01:02:37,990 --> 01:02:34,970

out there probably available also on

1307

01:02:42,340 --> 01:02:38,000

Amazon as a you know a downloadable

1308

01:02:43,900 --> 01:02:42,350

watchable movie it's a it's a private

1309

01:02:47,440 --> 01:02:43,910

movie you know in other words it's not

1310

01:02:49,480 --> 01:02:47,450

been real oh well theater but if you go

1311

01:02:52,890 --> 01:02:49,490

on to Amazon the name of the movie is

1312

01:02:55,630 --> 01:02:52,900

Travis the true story of Travis Walton

1313

01:02:57,490 --> 01:02:55,640

okay well I'm gonna get it and watching

1314

01:02:59,890 --> 01:02:57,500

because I've always wondered about that

1315

01:03:04,930 --> 01:02:59,900

matter of fact I have Travis on my

1316

01:03:07,630 --> 01:03:04,940

Facebook page and I'll ask him and count

1317

01:03:09,370 --> 01:03:07,640

again for rusi your your mailing address

1318

01:03:12,580 --> 01:03:09,380

maybe she can give it to me

1319

01:03:17,440 --> 01:03:12,590

I'll send you a copy of my book good day

1320

01:03:20,140 --> 01:03:17,450

oh thank you okay so at this point we're

1321

01:03:24,010 --> 01:03:20,150

going to say goodbye and thank you very

1322

01:03:26,380 --> 01:03:24,020

much to both of our brave illustrious

1323

01:03:29,340 --> 01:03:26,390

guests and we can't thank them enough

1324

01:03:32,470 --> 01:03:29,350

and we hope they both will come back and

1325

01:03:34,840 --> 01:03:32,480

speaking with us again and and who knows we

1326

01:03:37,980 --> 01:03:34,850

might get some panels going here with

1327

01:03:41,980 --> 01:03:37,990

some other abductees contactees or

1328

01:03:44,830 --> 01:03:41,990

experiencers so let's just say goodbye

1329

01:03:49,020 --> 01:03:44,840

to our guests I have a few more items to

1330

01:03:52,390 --> 01:03:49,030

discuss with it with Kate and Belle here

1331

01:03:54,370 --> 01:03:52,400

so so long fellas yeah it'd been very

1332

01:03:56,890 --> 01:03:54,380

close for speaking to both you thank you

1333

01:04:03,250 --> 01:03:56,900

so much Terry and Kelly thank you thank

1334

01:04:06,730 --> 01:04:03,260

you for having us so first of all I

1335

01:04:10,150 --> 01:04:06,740

wanted to say that to the people that

1336

01:04:13,450 --> 01:04:10,160

have been writing in to our and my

1337

01:04:14,970 --> 01:04:13,460

various websites both Fredette

1338

01:04:20,170 --> 01:04:14,980

wordpress.com

1339

01:04:22,630 --> 01:04:20,180

shattered reality com there have been

1340

01:04:25,720 --> 01:04:22,640

some commenters I have been running on

1341

01:04:27,810 --> 01:04:25,730

empty for about the last 10 days between

1342

01:04:30,840 --> 01:04:27,820

doing the shows and

1343

01:04:32,280 --> 01:04:30,850

also going to the MUFON symposium and a

1344

01:04:35,430 --> 01:04:32,290

few other things so I haven't gotten to

1345

01:04:37,500 --> 01:04:35,440

answer all of them but I'm going to have

1346

01:04:42,360 --> 01:04:37,510

some acknowledgments hopefully at our

1347

01:04:48,030 --> 01:04:42,370

next at our next show but I did want to

1348

01:04:54,900 --> 01:04:48,040

acknowledge Billy Cox of the void blog

1349

01:04:57,930 --> 01:04:54,910

and Rob Freeman from the UK radar expert

1350

01:05:01,710 --> 01:04:57,940

and our good old friend Earl Voss

1351
01:05:03,510 --> 01:05:01,720
because I hire Earl hi Freeman hi Earl

1352
01:05:05,550 --> 01:05:03,520
hi Billy if you're listening I have no

1353
01:05:09,270 --> 01:05:05,560
idea whether Billy actually listens or

1354
01:05:13,170 --> 01:05:09,280
not but I know that Freeman and Earl do

1355
01:05:15,690 --> 01:05:13,180
and it's been very helpful in putting

1356
01:05:19,890 --> 01:05:15,700
some of the things together getting some

1357
01:05:21,960 --> 01:05:19,900
insights from our listeners so listeners

1358
01:05:25,920 --> 01:05:21,970
you're out there I know you're out there

1359
01:05:29,160 --> 01:05:25,930
and I would like you if possible to make

1360
01:05:31,410 --> 01:05:29,170
some comments on on the blog if you are

1361
01:05:34,320 --> 01:05:31,420
an experimenter of any sort

1362
01:05:36,900 --> 01:05:34,330
doesn't have to be UFO experience or it

1363
01:05:39,000 --> 01:05:36,910

could be an out-of-body experience ER or

1364

01:05:42,720 --> 01:05:39,010

like somebody who's had a near-death

1365

01:05:44,190 --> 01:05:42,730

1366

01:05:46,890 --> 01:05:44,200
