welcome to shattered reality with their

3
00:00:28,499 --> 00:00:25,449

hosts Kate Valentine and furs prepare to

4
00:00:34,460 --> 00:00:28,509

had a paradigm shifted into truth

5
00:00:41,180 --> 00:00:34,470

questioned and now shattered reality

6
00:00:46,619 --> 00:00:41,190

hello listeners today is September 25th

7
00:00:47,849 --> 00:00:46,629

2018 and most unfortunately for the

8
00:00:52,650 --> 00:00:47,859

second week in a row

9
00:00:55,680 --> 00:00:52,660

Kate Valentine is unable to join us but

10
00:00:58,319 --> 00:00:55,690

she hopes to spoke to her and she hopes

11
00:01:01,799 --> 00:00:58,329

to be back with us soon she is planning

12
00:01:05,040 --> 00:01:01,809

on returning as soon as physically

13
00:01:08,250 --> 00:01:05,050

possible for her to do so

14

00:01:10,410 --> 00:01:08,260

I just drove here through a passel of

15

00:01:14,070 --> 00:01:10,420

rain I mean some of the worst rain that

16

00:01:17,340 --> 00:01:14,080

I ever saw and I was brought to mind the

17

00:01:21,060 --> 00:01:17,350

old Murray the K the old Murray the K

18

00:01:25,290 --> 00:01:21,070

intro welcome to all you submarine

19

00:01:28,380 --> 00:01:25,300

watches out there and anybody who's over

20

00:01:32,550 --> 00:01:28,390

40 probably remembers the marvelous disc

21

00:01:35,820 --> 00:01:32,560

jockey Murray the K well now today on

22

00:01:39,990 --> 00:01:35,830

shattered reality podcast in spite of

23

00:01:42,510 --> 00:01:40,000

the incredible rain outside here on the

24

00:01:46,350 --> 00:01:42,520

East Coast that almost swept my car away

25

00:01:50,610 --> 00:01:46,360

I have for you a really interesting

26
00:01:53,460 --> 00:01:50,620
guest he is someone whose career I have

27
00:01:56,340 --> 00:01:53,470
been following fairly closely for the

28
00:01:59,220 --> 00:01:56,350
past 15 years he's hard-working

29
00:02:03,510 --> 00:01:59,230
he's resolute and he's extremely

30
00:02:06,360 --> 00:02:03,520
dedicated he's a Canadian citizen from

31
00:02:08,999 --> 00:02:06,370
Manitoba you may already have a clue as

32
00:02:11,490 --> 00:02:09,009
to who he is I actually have met him

33
00:02:13,740 --> 00:02:11,500
twice though he may not remember the

34
00:02:17,089 --> 00:02:13,750
time that's most memorable to me was at

35
00:02:21,179 --> 00:02:17,099
Pat market illios Cherry Hill New Jersey

36
00:02:22,940 --> 00:02:21,189
UFO twice a year comfort

37
00:02:26,550 --> 00:02:22,950
we had a really nice conversation

38
00:02:29,550 --> 00:02:26,560

together he and I enriched stolen it was

39

00:02:33,509 --> 00:02:29,560

all about exoplanets because I had with

40

00:02:35,880 --> 00:02:33,519

me a brand spanking new iPad with an

41

00:02:40,500 --> 00:02:35,890

interesting app about all the newly

42

00:02:44,009 --> 00:02:40,510

discovered exoplanets well our guest is

43

00:02:48,960 --> 00:02:44,019

grant Cameron he began his interest in

44

00:02:53,210 --> 00:02:48,970

UFOs in 1975 with his observation of a

45

00:02:57,030 --> 00:02:53,220

recurrent UFO called Charlie Red Star

46

00:03:00,360 --> 00:02:57,040

which was seen in and around Carmen

47

00:03:04,289 --> 00:03:00,370

Manitoba which is a town just over the

48

00:03:07,860 --> 00:03:04,299

border from the United States after he

49

00:03:10,440 --> 00:03:07,870

saw this sighting of Charlie red star a

50

00:03:14,039 --> 00:03:10,450

more than once he was kind of bitten by

51
00:03:16,679 --> 00:03:14,049
the UFO bug he researched the work of

52
00:03:20,360 --> 00:03:16,689
the late will Burt Smith who headed the

53
00:03:23,759 --> 00:03:20,370
Canadian UFO study called project magnet

54
00:03:26,909 --> 00:03:23,769
after that he was led to research dr.

55
00:03:30,089 --> 00:03:26,919
Eric Walker and dr. Roberts are Baca who

56
00:03:33,899 --> 00:03:30,099
he believed were the American keepers of

57
00:03:37,409 --> 00:03:33,909
the UFO secret following this he founded

58
00:03:39,960 --> 00:03:37,419
the website presidential UFO calm he

59
00:03:43,110 --> 00:03:39,970
filed Freedom of Information requests

60
00:03:45,629 --> 00:03:43,120
otherwise known as FOIA requests he

61
00:03:49,379 --> 00:03:45,639
researched across America at local

62
00:03:52,020 --> 00:03:49,389
libraries of past the official libraries

63
00:03:55,920 --> 00:03:52,030

of past presidents finding particular

64

00:03:59,099 --> 00:03:55,930

interest in connections between the

65

00:04:03,420 --> 00:03:59,109

Clintons and the Laurance Rockefeller

66

00:04:05,580 --> 00:04:03,430

UFO initiative now most recently he had

67

00:04:08,369 --> 00:04:05,590

what he called a download from a

68

00:04:10,490 --> 00:04:08,379

nonhuman source about the connectedness

69

00:04:13,860 --> 00:04:10,500

of everything the non physical

70

00:04:16,560 --> 00:04:13,870

manifestation of UFOs and the primacy of

71

00:04:18,810 --> 00:04:16,570

consciousness I'd probably call this an

72

00:04:21,420 --> 00:04:18,820

enlightenment or a Kundalini awakening

73

00:04:25,649 --> 00:04:21,430

but for sure he and I are on the same

74

00:04:28,110 --> 00:04:25,659

page about that so now listeners up I

75

00:04:30,600 --> 00:04:28,120

would I hope that you're all listening

76

00:04:34,740 --> 00:04:30,610

very carefully because I would like to

77

00:04:40,300 --> 00:04:37,089

good afternoon thanks for having me on I

78

00:04:43,839 --> 00:04:40,310

appreciate your interest well it's it's

79

00:04:47,080 --> 00:04:43,849

sincere I I must ask you just just out

80

00:04:49,360 --> 00:04:47,090

of my own ego if you remember talking to

81

00:04:51,879 --> 00:04:49,370

me down by Pat Market illios I know you

82

00:04:54,550 --> 00:04:51,889

meet thousands of people yeah yeah I

83

00:05:00,520 --> 00:04:54,560

remember conversation yeah well that

84

00:05:04,390 --> 00:05:00,530

makes me feel a little bit so you know

85

00:05:08,439 --> 00:05:04,400

as I had said prior to us coming on the

86

00:05:11,200 --> 00:05:08,449

show here that I loved your story of

87

00:05:12,820 --> 00:05:11,210

Charlie red star it's a true story and

88

00:05:15,399 --> 00:05:12,830

and how people didn't really pay

89

00:05:19,290 --> 00:05:15,409

attention outside of the siting area and

90

00:05:22,300 --> 00:05:19,300

how it how it began your career but

91

00:05:25,029 --> 00:05:22,310

because we may have a limited time I

92

00:05:29,260 --> 00:05:25,039

would like to start out from the end

93

00:05:34,029 --> 00:05:29,270

rather than the beginning and talk with

94

00:05:36,519 --> 00:05:34,039

you more about what's going on now we

95

00:05:39,059 --> 00:05:36,529

could talk about that mystery that you

96

00:05:42,219 --> 00:05:39,069

seem to be knee-deep in right now

97

00:05:45,309 --> 00:05:42,229

surrounding the to the stars Academy a

98

00:05:49,050 --> 00:05:45,319

tip Bob Bigelow the skinwalker ranch all

99

00:05:52,420 --> 00:05:49,060

that stuff and please feel free to

100

00:05:55,240 --> 00:05:52,430

mention your books because I know you've

101
00:05:58,180 --> 00:05:55,250
written a number of them and feel free

102
00:06:00,579 --> 00:05:58,190
to you know sneak him in there during

103
00:06:05,170 --> 00:06:00,589
the show or to list them all it's fine

104
00:06:07,839 --> 00:06:05,180
by me yeah okay you're talking about to

105
00:06:11,579 --> 00:06:07,849
the stars Academy I have followed this I

106
00:06:14,439 --> 00:06:11,589
sort of knew about it before I was

107
00:06:16,300 --> 00:06:14,449
written the book called managing magic

108
00:06:17,920 --> 00:06:16,310
where I had talked about Tom DeLonge and

109
00:06:20,200 --> 00:06:17,930
what he was doing and this is before he

110
00:06:22,119 --> 00:06:20,210
went public with the big news conference

111
00:06:23,800 --> 00:06:22,129
which sort of changed everything last

112
00:06:27,100 --> 00:06:23,810
October and then in December they

113
00:06:28,749 --> 00:06:27,110

dropped the videos and stuff and I will

114

00:06:32,980 --> 00:06:28,759

have a second book coming out which sort

115

00:06:36,360 --> 00:06:32,990

of updates what has happened since my

116

00:06:38,800 --> 00:06:36,370

first book called beyond managing magic

117

00:06:40,059 --> 00:06:38,810

but the only thing I'm really falling on

118

00:06:42,879 --> 00:06:40,069

that right now they're doing a fairly

119

00:06:44,769 --> 00:06:42,889

good job in terms of getting the message

120

00:06:46,690 --> 00:06:44,779

out and what I think they're trying to

121

00:06:49,630 --> 00:06:46,700

do from my opinion

122

00:06:51,640 --> 00:06:49,640

is they have I I made the joke I said

123

00:06:54,250 --> 00:06:51,650

they fired UFO community don't care

124

00:06:56,050 --> 00:06:54,260

about us or what we think because in a

125

00:06:57,880 --> 00:06:56,060

lot of ways we're just sort of in the

126
00:06:59,650 --> 00:06:57,890
way we ask all sorts of stupid questions

127
00:07:02,800 --> 00:06:59,660
and stuff I think what they've done with

128
00:07:04,090 --> 00:07:02,810
this initiative with the New York Times

129
00:07:05,470 --> 00:07:04,100
that I always point out it wasn't just

130
00:07:07,870 --> 00:07:05,480
New York Times it was New York Times

131
00:07:09,490 --> 00:07:07,880
Washington Post and political all went

132
00:07:11,620 --> 00:07:09,500
the same day and this is a story that

133
00:07:14,230 --> 00:07:11,630
took all these news agencies a couple

134
00:07:16,540 --> 00:07:14,240
months to do which means this was not an

135
00:07:17,410 --> 00:07:16,550
accidental disclosure and what I think

136
00:07:20,860 --> 00:07:17,420
they're trying to do is they're trying

137
00:07:23,560 --> 00:07:20,870
to shift the attitude of the American

138
00:07:25,930 --> 00:07:23,570

people because if it happens in New York

139

00:07:28,090 --> 00:07:25,940

Times then you can believe it it's like

140

00:07:29,620 --> 00:07:28,100

if you and I say it they just have you

141

00:07:31,690 --> 00:07:29,630

can see people's eyes rolling back and

142

00:07:33,130 --> 00:07:31,700

they just sort of walk away but if the

143

00:07:34,810 --> 00:07:33,140

New York Times puts it out and I think

144

00:07:38,650 --> 00:07:34,820

that's what they're doing and they're

145

00:07:41,470 --> 00:07:38,660

now working on this whole thing their

146

00:07:45,010 --> 00:07:41,480

latest program is the atom program which

147

00:07:46,600 --> 00:07:45,020

is looking at different pieces of metals

148

00:07:51,330 --> 00:07:46,610

and I guess you're familiar with that

149

00:07:55,150 --> 00:07:51,340

yes yes I have got a fair background in

150

00:07:56,830 --> 00:07:55,160

UFO hardware because when I had my first

151

00:07:58,090 --> 00:07:56,840

sightings with the Charlie Red Star

152

00:08:00,490 --> 00:07:58,100

thing I tried to get the book published

153

00:08:02,470 --> 00:08:00,500

in the 1970s and the local publisher

154

00:08:04,210 --> 00:08:02,480

said Mr Cameron may be leaving this kind

155

00:08:06,280 --> 00:08:04,220

of stuff company among the unbelievers

156

00:08:07,600 --> 00:08:06,290

and at that point I said okay that's it

157

00:08:09,640 --> 00:08:07,610

for UFO sightings I'm never doing

158

00:08:11,740 --> 00:08:09,650

another UFO sighting in my life total

159

00:08:13,840 --> 00:08:11,750

waste of time and I went to try to find

160

00:08:15,310 --> 00:08:13,850

out who had somebody must know what I

161

00:08:17,680 --> 00:08:15,320

had seen somebody must have understood

162

00:08:20,020 --> 00:08:17,690

had the answer to what I saw the night

163

00:08:22,810 --> 00:08:20,030

in 1975 and I chased the Canadian

164

00:08:25,480 --> 00:08:22,820

government through a synchronistic event

165

00:08:26,830 --> 00:08:25,490

that a guy my father was a pilot for the

166

00:08:28,210 --> 00:08:26,840

Canadian government and there was a

167

00:08:29,830 --> 00:08:28,220

radar tech who worked in his office

168

00:08:31,720 --> 00:08:29,840

who'd had a sighting and my father

169

00:08:33,070 --> 00:08:31,730

wanted he said Oh Ernie app wants to

170

00:08:35,020 --> 00:08:33,080

talk to you and I went talk to this guy

171

00:08:36,690 --> 00:08:35,030

and it was just an ordinary sighting and

172

00:08:38,469 --> 00:08:36,700

then you get these bizarre

173

00:08:40,750 --> 00:08:38,479

synchronicities that happen in ufology

174

00:08:42,760 --> 00:08:40,760

he said you know if you really want to

175

00:08:43,540 --> 00:08:42,770

know what's going on with UFOs you

176

00:08:45,880 --> 00:08:43,550

should study what the Canadian

177

00:08:47,770 --> 00:08:45,890

government did in the 1950s and I went

178

00:08:49,810 --> 00:08:47,780

really he said yeah I used to work on

179

00:08:51,550 --> 00:08:49,820

the program no way yeah did and it was

180

00:08:53,560 --> 00:08:51,560

like the chances you know because I'm

181

00:08:54,970 --> 00:08:53,570

1,500 miles away from the capital where

182

00:08:57,340 --> 00:08:54,980

this whole thing took place it always

183

00:09:00,120 --> 00:08:57,350

run out of Ottawa Canada which is the

184

00:09:01,860 --> 00:09:00,130

nation's capital and so then I

185

00:09:04,680 --> 00:09:01,870

you were working on it he said yeah it

186

00:09:08,190 --> 00:09:04,690

was a rate I was an engineer and the

187

00:09:10,380 --> 00:09:08,200

Canadians had opened up a a Flying

188

00:09:12,030 --> 00:09:10,390

Saucer Observatory where they had five

189

00:09:14,400 --> 00:09:12,040

different instruments and this guy would

190

00:09:15,900 --> 00:09:14,410

change the paper and he's these sort of

191

00:09:19,350 --> 00:09:15,910

instruments where they were recording

192

00:09:21,570 --> 00:09:19,360

change in gravity changing noise all

193

00:09:24,780 --> 00:09:21,580

these different things they're trying to

194

00:09:26,010 --> 00:09:24,790

detect a v' a flying saucer then they

195

00:09:28,230 --> 00:09:26,020

called him flying saucers of flying

196

00:09:30,330 --> 00:09:28,240

discs Wilbur Smith almost never used the

197

00:09:32,070 --> 00:09:30,340

word UFO but and Wilbur Smith was the

198

00:09:33,930 --> 00:09:32,080

Canadian government engineer who ran the

199

00:09:36,690 --> 00:09:33,940

whole program was in contact with the

200

00:09:38,520 --> 00:09:36,700

Americans and so this guy changed the

201
00:09:40,770 --> 00:09:38,530
tapes and he would tell me about the the

202
00:09:43,050 --> 00:09:40,780
the attempts to contact this alien by

203
00:09:45,870 --> 00:09:43,060
name of alpha that they had made contact

204
00:09:48,960 --> 00:09:45,880
with and during this investigation I

205
00:09:51,480 --> 00:09:48,970
recorded basically as much as I could I

206
00:09:53,460 --> 00:09:51,490
talked to this guy his wife in the 70s I

207
00:09:55,410 --> 00:09:53,470
flew there to talk to the Cooper Smith

208
00:09:57,630 --> 00:09:55,420
had died to talk to his wife it was at

209
00:09:59,130 --> 00:09:57,640
that point I suddenly got the story from

210
00:10:01,170 --> 00:09:59,140
a number of the insiders so what

211
00:10:04,170 --> 00:10:01,180
happened was they actually picked up an

212
00:10:06,510 --> 00:10:04,180
object August the 8th 1954 coming over

213
00:10:08,820 --> 00:10:06,520

this station and according to Ernie up

214

00:10:11,100 --> 00:10:08,830

the the needles went right off the paper

215

00:10:14,460 --> 00:10:11,110

it was just like a major whatever it was

216

00:10:17,940 --> 00:10:14,470

was a major object and from FBI

217

00:10:19,770 --> 00:10:17,950

documents and Air Force documents we

218

00:10:21,200 --> 00:10:19,780

know that the Canadian has actually

219

00:10:25,200 --> 00:10:21,210

predicted this would happen there was a

220

00:10:26,880 --> 00:10:25,210

woman who was channeling out of just

221

00:10:29,880 --> 00:10:26,890

down the street from Betty Hill in

222

00:10:31,350 --> 00:10:29,890

Elliott Maine Wow who was in contact and

223

00:10:31,950 --> 00:10:31,360

she'd actually predicted this would

224

00:10:33,630 --> 00:10:31,960

happen

225

00:10:35,160 --> 00:10:33,640

I think August the 1st and it actually

226
00:10:37,350 --> 00:10:35,170
happened August the 8th that they would

227
00:10:39,360 --> 00:10:37,360
do this flyby of the station so that's a

228
00:10:40,830 --> 00:10:39,370
make a long story short they get this

229
00:10:43,140 --> 00:10:40,840
thing and the government two days later

230
00:10:44,730 --> 00:10:43,150
shuts the program down says we didn't

231
00:10:47,640 --> 00:10:44,740
discover anything there's nothing of

232
00:10:48,930 --> 00:10:47,650
significance here Wilbur Smith is no

233
00:10:50,130 --> 00:10:48,940
longer allowed to make statements on

234
00:10:52,710 --> 00:10:50,140
behalf of the Canadian government and

235
00:10:55,890 --> 00:10:52,720
they shut this program down so this is

236
00:10:59,340 --> 00:10:55,900
1954 and Wilbur dies in 62 some from 54

237
00:11:01,620 --> 00:10:59,350
to 60 - he gets a group of people and

238
00:11:05,760 --> 00:11:01,630

they're working on a gravity control

239

00:11:07,770 --> 00:11:05,770

program they're working on a detector

240

00:11:09,829 --> 00:11:07,780

Wilbur Smith stated that they were very

241

00:11:12,870 --> 00:11:09,839

concerned about the our nuclear weapons

242

00:11:13,890 --> 00:11:12,880

testing and that when we detonate a

243

00:11:15,870 --> 00:11:13,900

nuclear

244

00:11:17,550 --> 00:11:15,880

there's a wave that goes down through

245

00:11:19,140 --> 00:11:17,560

the earth that goes up into the air but

246

00:11:21,720 --> 00:11:19,150

it also goes down through the earth and

247

00:11:23,250 --> 00:11:21,730

you get these areas of reduced bindings

248

00:11:24,690 --> 00:11:23,260

so they have that he was very concerned

249

00:11:26,970 --> 00:11:24,700

about these areas of reduced by and he

250

00:11:29,400 --> 00:11:26,980

built a detector for this he'd built a

251

00:11:30,720 --> 00:11:29,410

radio communication device but the

252

00:11:33,120 --> 00:11:30,730

important thing when it comes to the to

253

00:11:34,890 --> 00:11:33,130

the stars thing was that Wilbur Smith

254

00:11:36,630 --> 00:11:34,900

was very high level on the Kenyan

255

00:11:37,920 --> 00:11:36,640

government he was he was the senior

256

00:11:40,110 --> 00:11:37,930

radio engineer for the Department of

257

00:11:41,640 --> 00:11:40,120

Transport but when I talked to a

258

00:11:43,770 --> 00:11:41,650

metallurgist would work for them he had

259

00:11:47,520 --> 00:11:43,780

a secret group of people then would work

260

00:11:48,630 --> 00:11:47,530

and they had no official position these

261

00:11:50,280 --> 00:11:48,640

were guys there was a guy from the

262

00:11:52,650 --> 00:11:50,290

Defense Research Board who was the guy

263

00:11:54,780 --> 00:11:52,660

dude the metal analysis they had a guy

264

00:11:56,010 --> 00:11:54,790

from the Air Force from the Navy all

265

00:11:57,150 --> 00:11:56,020

these different people who are working

266

00:11:59,280 --> 00:11:57,160

on these different programs different

267

00:12:05,040 --> 00:11:59,290

projects that are working on sort of

268

00:12:07,740 --> 00:12:05,050

secretly on their own time and what

269

00:12:11,370 --> 00:12:07,750

became known was the fact that Wilbur

270

00:12:12,810 --> 00:12:11,380

Smith was handling material crashed

271

00:12:15,810 --> 00:12:12,820

saucer material from the United States

272

00:12:18,330 --> 00:12:15,820

and when I talked to the metallurgist he

273

00:12:19,950 --> 00:12:18,340

said to me he said he said well doctor

274

00:12:21,480 --> 00:12:19,960

knew who what Wilbur did and I said why

275

00:12:23,850 --> 00:12:21,490

I was the senior radio engineer and he

276

00:12:26,190 --> 00:12:23,860

said no you do you know what he did and

277

00:12:28,230 --> 00:12:26,200

I said no and I really said he ran to

278

00:12:30,090 --> 00:12:28,240

Radio Ottawa and I said well what's

279

00:12:31,800 --> 00:12:30,100

Radio Ottawa and it's basically like the

280

00:12:33,720 --> 00:12:31,810

NSA of Canada it's basically they were

281

00:12:36,150 --> 00:12:33,730

sitting there because he was a senior

282

00:12:37,350 --> 00:12:36,160

radio engineer they had all these sort

283

00:12:38,970 --> 00:12:37,360

of big antenna setup and they were

284

00:12:41,130 --> 00:12:38,980

trying to intercept Russian

285

00:12:43,500 --> 00:12:41,140

communications and they were like I like

286

00:12:44,340 --> 00:12:43,510

like a spy thing and so he said he had

287

00:12:46,200 --> 00:12:44,350

this very high security clearance

288

00:12:49,020 --> 00:12:46,210

because he was running radio radio

289

00:12:51,660 --> 00:12:49,030

Ottawa and when he was in the United

290

00:12:54,600 --> 00:12:51,670

States he was negotiating when FM radio

291

00:12:56,160 --> 00:12:54,610

stations came in in the 50s he was

292

00:12:57,600 --> 00:12:56,170

negotiating with the Americans so he was

293

00:12:59,520 --> 00:12:57,610

dealing with very high-level American

294

00:13:00,300 --> 00:12:59,530

people with with basically officials

295

00:13:02,130 --> 00:13:00,310

they were going through the Canadian

296

00:13:03,630 --> 00:13:02,140

embassy and I recovered all these

297

00:13:06,660 --> 00:13:03,640

documents I recover all Wilbur Smith

298

00:13:08,040 --> 00:13:06,670

documents I got all the material that

299

00:13:09,930 --> 00:13:08,050

had been written newspaper articles

300

00:13:12,060 --> 00:13:09,940

stuff and it's in the thousands of pages

301
00:13:13,470 --> 00:13:12,070
of material and in that material we

302
00:13:16,110 --> 00:13:13,480
actually recovered the actual

303
00:13:18,060 --> 00:13:16,120
correspondence through the KN embassy

304
00:13:19,860 --> 00:13:18,070
going to what was known as the research

305
00:13:22,920 --> 00:13:19,870
and development board right now it would

306
00:13:25,800 --> 00:13:22,930
be known sort of as DARPA or as the

307
00:13:27,240 --> 00:13:25,810
assistant and engineering for weapons or

308
00:13:27,600 --> 00:13:27,250
you know this this sort of thing where

309
00:13:32,160 --> 00:13:27,610
they

310
00:13:34,410 --> 00:13:32,170
it was headed up at times by dr.

311
00:13:36,389 --> 00:13:34,420
Vannevar Bush who if you go back to the

312
00:13:37,949 --> 00:13:36,399
mj-12 document he was rumored to be the

313
00:13:40,380 --> 00:13:37,959

guy who was running the UFO program for

314

00:13:41,790 --> 00:13:40,390

the Americans so anyway what was

315

00:13:44,370 --> 00:13:41,800

happening was he had these

316

00:13:47,130 --> 00:13:44,380

communications and they were sending

317

00:13:50,430 --> 00:13:47,140

material to Canada all these different

318

00:13:52,680 --> 00:13:50,440

pieces of material and Wilbur had stated

319

00:13:55,380 --> 00:13:52,690

that in the Pentagon this is in the

320

00:13:57,690 --> 00:13:55,390

early 1950s they actually had a little

321

00:14:00,060 --> 00:13:57,700

Museum one of the offices they had

322

00:14:01,500 --> 00:14:00,070

various pieces of hardware in sight and

323

00:14:02,730 --> 00:14:01,510

then I guess they moved all the stuff to

324

00:14:05,400 --> 00:14:02,740

wright-patterson then they moved it to

325

00:14:07,259 --> 00:14:05,410

area 51 or however it all worked out so

326

00:14:09,630 --> 00:14:07,269

they've collected a lot of this material

327

00:14:12,060 --> 00:14:09,640

and we even have his son James Smith who

328

00:14:15,720 --> 00:14:12,070

is the oldest son who is about I guess

329

00:14:17,910 --> 00:14:15,730

17 when his father died who is on record

330

00:14:19,440 --> 00:14:17,920

on tape saying yes I remember these

331

00:14:21,240 --> 00:14:19,450

packages coming there was there was lots

332

00:14:24,210 --> 00:14:21,250

of material coming from the United

333

00:14:26,460 --> 00:14:24,220

States and they would recover pieces and

334

00:14:27,720 --> 00:14:26,470

so that's what I was sort of working on

335

00:14:30,210 --> 00:14:27,730

not with to the stars

336

00:14:31,889 --> 00:14:30,220

is there so much crashed awesome tale

337

00:14:34,079 --> 00:14:31,899

but people cannot believe how many

338

00:14:36,210 --> 00:14:34,089

pieces there are of this material that

339

00:14:38,130 --> 00:14:36,220

are around in different people's hands

340

00:14:41,009 --> 00:14:38,140

and even I think in the latest video

341

00:14:43,829 --> 00:14:41,019

that that to the stars put out they have

342

00:14:47,639 --> 00:14:43,839

Lou Elizondo and he'll put off yes and

343

00:14:49,350 --> 00:14:47,649

and Tom DeLonge and they're running

344

00:14:50,490 --> 00:14:49,360

around with these little boxes and they

345

00:14:52,079 --> 00:14:50,500

pick up these little pieces of material

346

00:14:54,329 --> 00:14:52,089

from people and they're saying to get

347

00:14:55,410 --> 00:14:54,339

work great cooperation and there's lots

348

00:14:56,880 --> 00:14:55,420

of people who have these pieces of

349

00:14:58,319 --> 00:14:56,890

hardware that they have collected and

350

00:14:58,949 --> 00:14:58,329

they're sending them in to get them

351
00:15:00,420 --> 00:14:58,959
analyzed

352
00:15:03,630 --> 00:15:00,430
I just want to interrupt you for one

353
00:15:06,090 --> 00:15:03,640
second because earlier on you mentioned

354
00:15:08,100 --> 00:15:06,100
the atom program now you know what it is

355
00:15:10,740 --> 00:15:08,110
and I know what it is but I'm not sure

356
00:15:12,329 --> 00:15:10,750
all our listeners do and it has directly

357
00:15:15,840 --> 00:15:12,339
to do with what you're talking about

358
00:15:18,930 --> 00:15:15,850
right now so could you just sort of you

359
00:15:21,180 --> 00:15:18,940
know tie that knot there okay yeah well

360
00:15:23,100 --> 00:15:21,190
the to the stars they're working on the

361
00:15:25,050 --> 00:15:23,110
they're working on the videos and they

362
00:15:26,160 --> 00:15:25,060
that was somehow Declassified by the

363
00:15:27,900 --> 00:15:26,170

government whatever they mean by the

364

00:15:32,009 --> 00:15:27,910

government is moving this stuff out and

365

00:15:34,889 --> 00:15:32,019

then they had some pieces of hardware

366

00:15:36,470 --> 00:15:34,899

that Lou Elizondo who ran the ATF

367

00:15:40,380 --> 00:15:36,480

program started to hint that they had

368

00:15:41,439 --> 00:15:40,390

this piece of hardware that had great

369

00:15:44,739 --> 00:15:41,449

implications for

370

00:15:46,919 --> 00:15:44,749

or how UFOs were the propulsion system

371

00:15:50,379 --> 00:15:46,929

is working like at the in his big nimitz

372

00:15:53,999 --> 00:15:50,389

encounter that took place in 2004 so

373

00:15:57,069 --> 00:15:54,009

what they did is a program is through

374

00:15:59,289 --> 00:15:57,079

help put off who's a guy who's got

375

00:16:01,269 --> 00:15:59,299

expertise to analyze this type of

376

00:16:04,449 --> 00:16:01,279

material they put out sort of an alert

377

00:16:06,609 --> 00:16:04,459

to people if you've got any UFO hardware

378

00:16:08,049 --> 00:16:06,619

that you've got we can analyze it so

379

00:16:10,749 --> 00:16:08,059

what they do is they put a big insurance

380

00:16:12,159 --> 00:16:10,759

program on the piece of material so that

381

00:16:13,689 --> 00:16:12,169

if it disappears the person will get a

382

00:16:16,150 --> 00:16:13,699

million dollars or whatever the figure

383

00:16:18,129 --> 00:16:16,160

is I don't know to encourage people to

384

00:16:21,309 --> 00:16:18,139

hand over the material and they can do

385

00:16:24,119 --> 00:16:21,319

this material and analyze this material

386

00:16:26,079 --> 00:16:24,129

and they believe that it will lead to

387

00:16:28,960 --> 00:16:26,089

discovering what the propulsion system

388

00:16:30,849 --> 00:16:28,970

is I maintain that it's not gonna it may

389

00:16:32,470 --> 00:16:30,859

do that but I I insist that all it's

390

00:16:34,720 --> 00:16:32,480

going to do is the same as UFO sightings

391

00:16:36,639 --> 00:16:34,730

UFO sightings you can collect them until

392

00:16:39,189 --> 00:16:36,649

the cows come home and all it's going to

393

00:16:40,599 --> 00:16:39,199

do in the end is prove yeah there's

394

00:16:43,599 --> 00:16:40,609

probably somebody coming from someplace

395

00:16:45,789 --> 00:16:43,609

else and these UFO videos and people's

396

00:16:47,439 --> 00:16:45,799

reports yeah it indicates something

397

00:16:48,970 --> 00:16:47,449

flying around in the sky and it's not

398

00:16:50,189 --> 00:16:48,980

ours but it does not tell you anything

399

00:16:52,509 --> 00:16:50,199

it doesn't tell you where they're from

400

00:16:54,220 --> 00:16:52,519

what they're doing here they're not

401
00:16:55,749 --> 00:16:54,230
sound so the same with the metal if you

402
00:16:58,989 --> 00:16:55,759
get the if there's one of the main

403
00:17:01,509 --> 00:16:58,999
pieces that Linda Howe got through art

404
00:17:04,569 --> 00:17:01,519
Bell who used to run the coast-to-coast

405
00:17:08,710 --> 00:17:04,579
show in 1996 and this is this layered

406
00:17:10,299 --> 00:17:08,720
piece of bismuth magnesium and so this

407
00:17:13,179 --> 00:17:10,309
is a piece that's layered very very thin

408
00:17:15,100 --> 00:17:13,189
we can't produce this even today and

409
00:17:16,539 --> 00:17:15,110
this is one of the pieces that they were

410
00:17:18,549 --> 00:17:16,549
sort of floating around that they had

411
00:17:19,929 --> 00:17:18,559
this great implications but I maintain

412
00:17:22,240 --> 00:17:19,939
that it's gonna be the same thing you're

413
00:17:24,490 --> 00:17:22,250

going to say yeah this this piece of

414

00:17:26,110 --> 00:17:24,500

material is very very strange it we

415

00:17:27,939 --> 00:17:26,120

didn't make this material and it's

416

00:17:30,039 --> 00:17:27,949

probably from someplace else but again

417

00:17:31,990 --> 00:17:30,049

all it does is it's a dead end it just

418

00:17:34,180 --> 00:17:32,000

says to you yes there's something going

419

00:17:35,740 --> 00:17:34,190

on we didn't we didn't make this

420

00:17:37,810 --> 00:17:35,750

material there's probably were probably

421

00:17:39,279 --> 00:17:37,820

being visited from somewhere and that's

422

00:17:40,990 --> 00:17:39,289

why I always go to the fact that I spent

423

00:17:43,180 --> 00:17:41,000

most of my time now with experiences

424

00:17:46,299 --> 00:17:43,190

because we have if you're familiar with

425

00:17:48,970 --> 00:17:46,309

the Edgar Mitchell absolutely free

426

00:17:50,649 --> 00:17:48,980

foundation yes we've had great Hernandez

427

00:17:53,560 --> 00:17:50,659

on and we've had a few of the other

428

00:17:55,240 --> 00:17:53,570

people on yeah so people will say well

429

00:17:56,980 --> 00:17:55,250

it's just anecdotal stories away

430

00:18:00,640 --> 00:17:56,990

but it's better than metal and it's

431

00:18:02,110 --> 00:18:00,650

better than UFO sighting reports in fact

432

00:18:03,610 --> 00:18:02,120

it's the same thing because you can you

433

00:18:05,260 --> 00:18:03,620

can have sightings and it's all

434

00:18:11,680 --> 00:18:05,270

anecdotal stuff as well you know you saw

435

00:18:14,260 --> 00:18:11,690

a sighting and you say sometimes being

436

00:18:17,080 --> 00:18:14,270

an experience or myself I would still

437

00:18:19,900 --> 00:18:17,090

say people sometimes enhance their

438

00:18:21,610 --> 00:18:19,910

experiences a little bit so I say that

439

00:18:23,740 --> 00:18:21,620

you take the 4,000 people and I don't

440

00:18:26,140 --> 00:18:23,750

care give a lie-detector tests do

441

00:18:27,640 --> 00:18:26,150

whatever you got to do to verify their

442

00:18:28,600 --> 00:18:27,650

story to see who's telling the truth

443

00:18:30,010 --> 00:18:28,610

who's not telling the truth

444

00:18:31,450 --> 00:18:30,020

but don't ignore these people these are

445

00:18:33,190 --> 00:18:31,460

people that have the answer these are

446

00:18:34,570 --> 00:18:33,200

the people who are interacting with the

447

00:18:36,010 --> 00:18:34,580

intelligence behind the phenomena and

448

00:18:38,530 --> 00:18:36,020

they unlike the government won't tell

449

00:18:39,850 --> 00:18:38,540

you what's going on but these

450

00:18:41,800 --> 00:18:39,860

experiences will tell you exactly what

451
00:18:43,120 --> 00:18:41,810
their experiences and if you know

452
00:18:46,780 --> 00:18:43,130
because you you're probably familiar

453
00:18:51,820 --> 00:18:46,790
with the free once you start looking at

454
00:18:53,200 --> 00:18:51,830
the data yes very very direct numbers

455
00:18:55,150 --> 00:18:53,210
that are just staggering like you know

456
00:18:56,770 --> 00:18:55,160
50% of all people claim that they have

457
00:18:59,350 --> 00:18:56,780
been healed they or someone in their

458
00:19:01,360 --> 00:18:59,360
family has been healed 40% claim they're

459
00:19:02,830 --> 00:19:01,370
able to heal people 42 percent claim

460
00:19:04,420 --> 00:19:02,840
that they have got mathematical

461
00:19:05,890 --> 00:19:04,430
scientific or technical material in

462
00:19:07,870 --> 00:19:05,900
their head that they did not learn in

463
00:19:09,040 --> 00:19:07,880

school 40 percent say at some point

464

00:19:10,570 --> 00:19:09,050

during their experience they knew the

465

00:19:12,730 --> 00:19:10,580

answer to everything in the universe and

466

00:19:14,740 --> 00:19:12,740

these are big numbers 37% claim they've

467

00:19:16,480 --> 00:19:14,750

had a near-death experience and you look

468

00:19:17,530 --> 00:19:16,490

at these numbers and you say this is

469

00:19:19,480 --> 00:19:17,540

where the answers are gonna be you've

470

00:19:21,310 --> 00:19:19,490

got to do this sort of thing or how many

471

00:19:23,500 --> 00:19:21,320

have paranormal experiences how many can

472

00:19:25,990 --> 00:19:23,510

Channel there's all these bizarre things

473

00:19:28,360 --> 00:19:26,000

and that's where I think it goes I I

474

00:19:30,970 --> 00:19:28,370

largely agree with you very largely

475

00:19:33,160 --> 00:19:30,980

agree with you because as I said I am an

476

00:19:35,920 --> 00:19:33,170

experienced or myself and we've had like

477

00:19:37,930 --> 00:19:35,930

five people on at least from free over

478

00:19:41,590 --> 00:19:37,940

the course of the last several years I

479

00:19:43,360 --> 00:19:41,600

would say one I've got a stick in one or

480

00:19:46,960 --> 00:19:43,370

two things there grant first thing about

481

00:19:50,440 --> 00:19:46,970

the metals the metals are interesting to

482

00:19:53,260 --> 00:19:50,450

me primarily because of the possible

483

00:19:55,630 --> 00:19:53,270

isotopes that are not found on earth and

484

00:19:57,550 --> 00:19:55,640

the only way I could see if you're if

485

00:20:00,280 --> 00:19:57,560

you're thinking nuts and bolts and I'm

486

00:20:03,640 --> 00:20:00,290

not I'm not sure that this phenomena is

487

00:20:06,280 --> 00:20:03,650

all one thing but and I'm not generally

488

00:20:08,620 --> 00:20:06,290

thinking nuts and bolts but if if you

489

00:20:09,130 --> 00:20:08,630

are thinking nuts and bolts and you find

490

00:20:13,000 --> 00:20:09,140

these

491

00:20:16,150 --> 00:20:13,010

isotopes from somewhere else maybe there

492

00:20:19,090 --> 00:20:16,160

is a place that you can identify with us

493

00:20:22,480 --> 00:20:19,100

a spectrograph of some sort if this

494

00:20:25,060 --> 00:20:22,490

isotope is present on you know Zeta

495

00:20:28,630 --> 00:20:25,070

Reticuli or something and then you might

496

00:20:30,940 --> 00:20:28,640

be able to extrapolate something from

497

00:20:34,360 --> 00:20:30,950

that but if it's not nuts and bolts and

498

00:20:38,370 --> 00:20:34,370

most of it probably isn't then certainly

499

00:20:43,539 --> 00:20:38,380

the experience of root is is better yeah

500

00:20:45,490 --> 00:20:43,549

but if you're looking at you know you

501
00:20:46,870 --> 00:20:45,500
know spectrographic analysis of other

502
00:20:49,390 --> 00:20:46,880
planets that that's still gonna be a

503
00:20:51,700 --> 00:20:49,400
ways off or pretty far from that so it's

504
00:20:53,049 --> 00:20:51,710
it's a long way and you do have the

505
00:20:55,690 --> 00:20:53,059
thing because Jacques Vallee did the

506
00:20:58,720 --> 00:20:55,700
lecture of something that sort of got me

507
00:21:00,580 --> 00:20:58,730
on down another road and he talks about

508
00:21:02,350 --> 00:21:00,590
the the isotopes so you have the ones

509
00:21:04,030 --> 00:21:02,360
with the isotopes are completely out of

510
00:21:07,900 --> 00:21:04,040
out of the range of anything we have on

511
00:21:09,970 --> 00:21:07,910
earth and he talks about extruded medals

512
00:21:11,710 --> 00:21:09,980
so there's three different types of

513
00:21:13,060 --> 00:21:11,720

metals I think that are looking at so

514

00:21:16,240 --> 00:21:13,070

you're looking at UFO hardware that's

515

00:21:18,909 --> 00:21:16,250

crash to say Roswell there Del Rio or

516

00:21:21,130 --> 00:21:18,919

any of the crap famous crashes that

517

00:21:24,580 --> 00:21:21,140

supposedly happen you got that then

518

00:21:28,330 --> 00:21:24,590

you've got these stuff that they did the

519

00:21:30,820 --> 00:21:28,340

analysis on the implants from Roger Leir

520

00:21:32,770 --> 00:21:30,830

because Bob Bigelow put a lot of money

521

00:21:34,570 --> 00:21:32,780

into Roger Leir so they've got the

522

00:21:36,250 --> 00:21:34,580

analysis of all that stuff so that's

523

00:21:37,930 --> 00:21:36,260

your second type of metal and then the

524

00:21:39,340 --> 00:21:37,940

third type of metal is these extruded

525

00:21:41,770 --> 00:21:39,350

metals and this is the this is the one

526
00:21:43,570 --> 00:21:41,780
that really made me come up with almost

527
00:21:45,100 --> 00:21:43,580
with a whole new theory and my theory

528
00:21:48,280 --> 00:21:45,110
because I hate acronyms so I hate this

529
00:21:50,200 --> 00:21:48,290
atom I don't remember what it represents

530
00:21:52,030 --> 00:21:50,210
is some bizarre bunch of words or

531
00:21:54,100 --> 00:21:52,040
whatever so they use this acronym and so

532
00:21:57,610 --> 00:21:54,110
I made my own acronym it's it's tutto

533
00:21:59,260 --> 00:21:57,620
tto w the theory of wow and again it

534
00:22:02,530 --> 00:21:59,270
links into this whole thing about the

535
00:22:03,789 --> 00:22:02,540
the extruded metals so you have a number

536
00:22:08,020 --> 00:22:03,799
of these cases and I'm giving a lecture

537
00:22:09,430 --> 00:22:08,030
this weekend in van Kooten in 100-mile

538
00:22:11,620 --> 00:22:09,440

house out of Bank outside of Vancouver

539

00:22:14,110 --> 00:22:11,630

Canada and I'm giving it an Irvine

540

00:22:16,000 --> 00:22:14,120

California next week and I'm going to go

541

00:22:18,700 --> 00:22:16,010

through this whole theory and what I'm

542

00:22:20,470 --> 00:22:18,710

sort of proposing is that when it comes

543

00:22:22,360 --> 00:22:20,480

to what the intelligence behind the

544

00:22:24,310 --> 00:22:22,370

phenomena may be doing

545

00:22:26,740 --> 00:22:24,320

it's really not doing anything except

546

00:22:27,820 --> 00:22:26,750

making us go WOW because it's it's not

547

00:22:29,110 --> 00:22:27,830

really landing on the White House lawn

548

00:22:30,760 --> 00:22:29,120

and telling us what's going on is

549

00:22:33,730 --> 00:22:30,770

dropping these little bread crumbs and

550

00:22:36,090 --> 00:22:33,740

one of the ones is that I don't think

551
00:22:38,590 --> 00:22:36,100
you can to you can define any other way

552
00:22:40,840 --> 00:22:38,600
except by this theory is this thing

553
00:22:42,850 --> 00:22:40,850
about extruded metals and there's a lot

554
00:22:45,549 --> 00:22:42,860
of this stuff Jacques Vallee has a

555
00:22:48,220 --> 00:22:45,559
number of them in his his lecture and

556
00:22:50,230 --> 00:22:48,230
what this is is you have a lot of cases

557
00:22:52,150 --> 00:22:50,240
you'll have like 1947 you have this UFOs

558
00:22:53,380 --> 00:22:52,160
flying along and all of a sudden it

559
00:22:55,000 --> 00:22:53,390
looks like it's gonna crash

560
00:22:56,470 --> 00:22:55,010
almost like the the idea with you know a

561
00:22:57,820 --> 00:22:56,480
bird with a broken wing and is trying to

562
00:22:59,530 --> 00:22:57,830
get you away from the nest it gets your

563
00:23:01,000 --> 00:22:59,540

attention is your hose flipping around

564

00:23:02,650 --> 00:23:01,010

and everybody's watching it and all

565

00:23:04,270 --> 00:23:02,660

alike how it's gonna crash and all the

566

00:23:07,660 --> 00:23:04,280

sudden it sort of stabilizes and shoots

567

00:23:10,180 --> 00:23:07,670

out this metal and then flies away slack

568

00:23:12,640 --> 00:23:10,190

you're talking about thoughts like yeah

569

00:23:14,590 --> 00:23:12,650

and for many years people collected this

570

00:23:16,810 --> 00:23:14,600

material and everything else just slag

571

00:23:18,549 --> 00:23:16,820

it's just from some refinery the person

572

00:23:22,169 --> 00:23:18,559

is making it up or whatever but now we

573

00:23:24,430 --> 00:23:22,179

have the technical abilities and I guess

574

00:23:25,900 --> 00:23:24,440

whether it's helped put off or

575

00:23:27,370 --> 00:23:25,910

somebody's put some money into this so

576

00:23:28,570 --> 00:23:27,380

now they can analyze this kind of stuff

577

00:23:30,780 --> 00:23:28,580

and that's where the atom program is

578

00:23:32,950 --> 00:23:30,790

going is that they have the

579

00:23:34,660 --> 00:23:32,960

sophistication to actually analyze the

580

00:23:37,600 --> 00:23:34,670

isotopes and do these stuff that you

581

00:23:38,650 --> 00:23:37,610

couldn't do in 1947 and stuff so there's

582

00:23:40,510 --> 00:23:38,660

a number and I'm gonna go through a

583

00:23:44,799 --> 00:23:40,520

number of these this weekend in my

584

00:23:46,960 --> 00:23:44,809

lecture and we're you know UFO over Ohio

585

00:23:49,210 --> 00:23:46,970

is flying along and they hear this big

586

00:23:51,880 --> 00:23:49,220

thud is noise and and they're wondering

587

00:23:53,260 --> 00:23:51,890

what what's going on and they they go

588

00:23:54,970 --> 00:23:53,270

looking around and here's this molten

589

00:23:56,799 --> 00:23:54,980

metal and it's shooting this molten

590

00:23:58,270 --> 00:23:56,809

metal so why would a UFO I mean do they

591

00:24:00,070 --> 00:23:58,280

come across the galaxy to shoot out

592

00:24:01,600 --> 00:24:00,080

molten metal is that part of the

593

00:24:04,390 --> 00:24:01,610

propulsion system they have problems and

594

00:24:05,919 --> 00:24:04,400

shooter or are they doing this just to

595

00:24:07,570 --> 00:24:05,929

make us go wow they're there what

596

00:24:09,610 --> 00:24:07,580

they're dropping like a bread crumb and

597

00:24:11,440 --> 00:24:09,620

they've done it so many times for this

598

00:24:13,030 --> 00:24:11,450

striated metal the people pick it up and

599

00:24:14,560 --> 00:24:13,040

they go wow and they keep this material

600

00:24:16,450 --> 00:24:14,570

and now we're in this situation where

601
00:24:17,830 --> 00:24:16,460
we're starting to analyze this this kind

602
00:24:19,350 --> 00:24:17,840
of stuff they even have a very recent

603
00:24:21,549 --> 00:24:19,360
one that happened with an orb

604
00:24:22,960 --> 00:24:21,559
description of an orbit I think it's 11

605
00:24:25,240 --> 00:24:22,970
feet in the air it's flying across this

606
00:24:26,980 --> 00:24:25,250
driveway and it's dripping metal onto

607
00:24:28,630 --> 00:24:26,990
the driveway so of course the witness

608
00:24:29,799 --> 00:24:28,640
goes and picks up this metal put some

609
00:24:32,080 --> 00:24:29,809
little thing and they're gonna analyze

610
00:24:35,020 --> 00:24:32,090
this so to me this is this thing where

611
00:24:36,110 --> 00:24:35,030
where it's like the way I sort of

612
00:24:38,480 --> 00:24:36,120
categorize it in my

613
00:24:40,220 --> 00:24:38,490

lecture so I got grade one and it's like

614

00:24:42,110 --> 00:24:40,230

maybe this is what's going on on Zeta

615

00:24:43,670 --> 00:24:42,120

Reticuli they have all these science

616

00:24:45,740 --> 00:24:43,680

fair projects and you've got the natives

617

00:24:46,940 --> 00:24:45,750

on Earth and we have to get across the

618

00:24:48,260 --> 00:24:46,950

message without going in there and

619

00:24:50,300 --> 00:24:48,270

saying we're here to bring you freedom

620

00:24:52,220 --> 00:24:50,310

democracy Jesus and McDonald's we're

621

00:24:54,440 --> 00:24:52,230

here to you know tell you what's going

622

00:24:55,700 --> 00:24:54,450

on they do this indirect thing where

623

00:24:58,460 --> 00:24:55,710

they just sort of make you think they

624

00:25:00,920 --> 00:24:58,470

just make you you wonder cuz the number

625

00:25:03,140 --> 00:25:00,930

one grade one lesson might be science

626

00:25:04,910 --> 00:25:03,150

fair project so the kids a de reticular

627

00:25:06,890 --> 00:25:04,920

grade one project is we have to get a

628

00:25:08,570 --> 00:25:06,900

message to the earth your grade one what

629

00:25:10,460 --> 00:25:08,580

you want to do and they say let's put

630

00:25:13,430 --> 00:25:10,470

lights on crafts and let's fly crafts

631

00:25:14,930 --> 00:25:13,440

around because the whole deal is that if

632

00:25:16,730 --> 00:25:14,940

you're flying around we don't have

633

00:25:18,050 --> 00:25:16,740

lights on our planes except for

634

00:25:20,810 --> 00:25:18,060

navigation lights but we don't have

635

00:25:22,220 --> 00:25:20,820

lights on our plane and and UFOs people

636

00:25:23,750 --> 00:25:22,230

always used to think when I had my first

637

00:25:26,960 --> 00:25:23,760

sighting in 75 there's a random event

638

00:25:28,850 --> 00:25:26,970

and in 1975 if you said I've seen two

639

00:25:30,650 --> 00:25:28,860

UFOs they would totally write you off

640

00:25:31,850 --> 00:25:30,660

nobody sees two of those it's just a

641

00:25:33,740 --> 00:25:31,860

random event you're in the wrong place

642

00:25:35,270 --> 00:25:33,750

at the wrong time the right place at the

643

00:25:36,800 --> 00:25:35,280

right time and you saw this UFO flying

644

00:25:38,840 --> 00:25:36,810

by to go pick up beer or whatever it's

645

00:25:39,920 --> 00:25:38,850

doing and what you start to see is that

646

00:25:43,790 --> 00:25:39,930

when you look at all the different

647

00:25:45,650 --> 00:25:43,800

sightings 1890s it was wooden ships with

648

00:25:46,970 --> 00:25:45,660

propellers flying around then it turned

649

00:25:48,950 --> 00:25:46,980

into the Foo Fighters which are on the

650

00:25:50,360 --> 00:25:48,960

edges of the planes these little balls

651
00:25:52,010 --> 00:25:50,370
of light then they go away then the

652
00:25:53,840 --> 00:25:52,020
green fireballs come and they're over

653
00:25:56,240 --> 00:25:53,850
the nuclear and the military stuff of

654
00:25:58,160 --> 00:25:56,250
the late 1940s and then they go away and

655
00:25:59,540 --> 00:25:58,170
then it comes to the Adamski crafts and

656
00:26:01,400 --> 00:25:59,550
then they go away and then you have you

657
00:26:02,450 --> 00:26:01,410
know this one mile wide craft flying

658
00:26:03,800 --> 00:26:02,460
over Phoenix Arizona

659
00:26:05,450 --> 00:26:03,810
do they need a craft that's one mile

660
00:26:07,730 --> 00:26:05,460
across and if you start looking at the

661
00:26:08,630 --> 00:26:07,740
UFO sightings almost all the UFOs are

662
00:26:12,140 --> 00:26:08,640
different they've got different lights

663
00:26:13,790 --> 00:26:12,150

on john lennon's had big huge bulbs on

664

00:26:16,670 --> 00:26:13,800

the side of the thing flashing off on

665

00:26:18,650 --> 00:26:16,680

off on a red light on top and I say you

666

00:26:19,880 --> 00:26:18,660

really need big lightbulbs around the

667

00:26:21,980 --> 00:26:19,890

side of your craft to fly through

668

00:26:23,600 --> 00:26:21,990

interstellar space no it's all just a

669

00:26:25,250 --> 00:26:23,610

game it says if they're just going whoa

670

00:26:27,110 --> 00:26:25,260

take a look at this and they're doing

671

00:26:29,930 --> 00:26:27,120

this breadcrumb thing so grade one would

672

00:26:31,940 --> 00:26:29,940

be sort of the the the the breadcrumb

673

00:26:33,710 --> 00:26:31,950

thing then you have these these beings

674

00:26:35,360 --> 00:26:33,720

that come down they do the screen

675

00:26:37,070 --> 00:26:35,370

imaging thing they sort of interact with

676

00:26:39,500 --> 00:26:37,080

some people they meet with the damn ski

677

00:26:42,170 --> 00:26:39,510

and then they disappear the sort of the

678

00:26:45,170 --> 00:26:42,180

the hue noise types and then you have

679

00:26:46,760 --> 00:26:45,180

the the gray start in 1961 and you start

680

00:26:48,620 --> 00:26:46,770

seeing these patterns and that's where

681

00:26:49,730 --> 00:26:48,630

it starts to fit in that you see the

682

00:26:52,100 --> 00:26:49,740

metal and you go

683

00:26:54,080 --> 00:26:52,110

I mean these are that sophisticated to

684

00:26:55,790 --> 00:26:54,090

come across the universe and not many of

685

00:26:57,350 --> 00:26:55,800

them not only do they crash but they

686

00:26:59,960 --> 00:26:57,360

break into little tiny pieces that

687

00:27:02,390 --> 00:26:59,970

people can pick up what's going on and I

688

00:27:04,820 --> 00:27:02,400

start to think that no it's all it's all

689

00:27:06,200 --> 00:27:04,830

imaging it's all messages so with the

690

00:27:08,810 --> 00:27:06,210

the to the stars thing I think it's sort

691

00:27:10,790 --> 00:27:08,820

of like a dead end in terms of of where

692

00:27:13,220 --> 00:27:10,800

you're gonna go and in the higher

693

00:27:14,390 --> 00:27:13,230

lessons the higher grades what they're

694

00:27:16,549 --> 00:27:14,400

doing is they're coming in they're doing

695

00:27:18,770 --> 00:27:16,559

this this direct sort of the abduction

696

00:27:20,750 --> 00:27:18,780

thing where they they pick up people

697

00:27:22,400 --> 00:27:20,760

they give the the messages and you get

698

00:27:24,560 --> 00:27:22,410

these these sort of patterns and these

699

00:27:26,870 --> 00:27:24,570

people start to carry the message and in

700

00:27:28,940 --> 00:27:26,880

the in maybe 10 years ago like nobody

701
00:27:30,470 --> 00:27:28,950
would really listen to an experimenter it

702
00:27:32,510 --> 00:27:30,480
was like you know you're kind of crazy

703
00:27:34,400 --> 00:27:32,520
whatever but they're almost like the

704
00:27:35,890 --> 00:27:34,410
gates coming out of the closet in 1960s

705
00:27:38,480 --> 00:27:35,900
they're sort of putting groups together

706
00:27:40,700 --> 00:27:38,490
you're starting to see this data that

707
00:27:42,230 --> 00:27:40,710
starts to fit an explanation that there

708
00:27:43,940 --> 00:27:42,240
is something here we should look at

709
00:27:46,360 --> 00:27:43,950
these people and then with myself like

710
00:27:48,560 --> 00:27:46,370
I've had actually two real major

711
00:27:50,720 --> 00:27:48,570
download experiences I've had a number

712
00:27:53,720 --> 00:27:50,730
and the way I do it I say that there's

713
00:27:55,940 --> 00:27:53,730

different ways to do this and people

714

00:27:59,690 --> 00:27:55,950

will use like drumming meditation

715

00:28:02,120 --> 00:27:59,700

hypnosis a brain injury and what happens

716

00:28:04,520 --> 00:28:02,130

is I describe it as and the analogy I

717

00:28:06,770 --> 00:28:04,530

use it's like you're you're in the ocean

718

00:28:08,390 --> 00:28:06,780

it's all one thing it's all water and at

719

00:28:10,460 --> 00:28:08,400

the top of the ocean you have the light

720

00:28:10,940 --> 00:28:10,470

and the farther you're down into the

721

00:28:12,410 --> 00:28:10,950

water

722

00:28:14,540 --> 00:28:12,420

the darker gets and we're right at the

723

00:28:16,940 --> 00:28:14,550

bottom are in this darkness and at some

724

00:28:18,380 --> 00:28:16,950

point whether you're zoning out as I did

725

00:28:20,419 --> 00:28:18,390

during this call and and your lecture in

726

00:28:22,160 --> 00:28:20,429

2012 and had the download' experience

727

00:28:24,049 --> 00:28:22,170

I sort of zoned out and I sort of

728

00:28:26,390 --> 00:28:24,059

floated up into higher water where I

729

00:28:27,650 --> 00:28:26,400

could see more and I and then this stuff

730

00:28:30,590 --> 00:28:27,660

came into my head and I floated back

731

00:28:32,840 --> 00:28:30,600

down and I had another one about two

732

00:28:38,390 --> 00:28:32,850

years ago which was a lot more involved

733

00:28:40,700 --> 00:28:38,400

it involved 24 different items of a

734

00:28:41,930 --> 00:28:40,710

download experience so I picked that up

735

00:28:44,000 --> 00:28:41,940

and that's the thing that's the thing

736

00:28:47,360 --> 00:28:44,010

that I think is important to me because

737

00:28:49,580 --> 00:28:47,370

once I had mine I I said in 2012 before

738

00:28:51,380 --> 00:28:49,590

I had the download experience I was the

739

00:28:53,360 --> 00:28:51,390

nuts and bolts guy I was the believe

740

00:28:56,270 --> 00:28:53,370

that the president the United States had

741

00:28:57,350 --> 00:28:56,280

the answer and he knows what's going on

742

00:28:59,780 --> 00:28:57,360

he still believed the president knows

743

00:29:01,549 --> 00:28:59,790

what's going on and so that's where I

744

00:29:03,169 --> 00:29:01,559

was going and when I had that experience

745

00:29:03,529 --> 00:29:03,179

it came with absolute certainty and I

746

00:29:05,180 --> 00:29:03,539

don't know

747

00:29:08,090 --> 00:29:05,190

you've had this kind of experience but

748

00:29:10,489 --> 00:29:08,100

people who report these moments of

749

00:29:13,249 --> 00:29:10,499

inspiration or and a lot of them like

750

00:29:15,649 --> 00:29:13,259

Einstein's prime example Einstein's

751

00:29:17,330 --> 00:29:15,659

theory of relativity came in a dream

752

00:29:19,129 --> 00:29:17,340

that he had reused daily on this

753

00:29:22,399 --> 00:29:19,139

toboggan he's going to speed of light

754

00:29:24,049 --> 00:29:22,409

and he's quoted as saying I knew I had

755

00:29:26,629 --> 00:29:24,059

to understand that dream in fact you

756

00:29:28,820 --> 00:29:26,639

could say I would say that my entire

757

00:29:30,499 --> 00:29:28,830

career was based upon a meditation on a

758

00:29:32,479 --> 00:29:30,509

dream so when you have these download

759

00:29:33,649 --> 00:29:32,489

experiences you know this is important

760

00:29:35,509 --> 00:29:33,659

yeah no don't

761

00:29:37,460 --> 00:29:35,519

I mind that this is the way it was the

762

00:29:39,649 --> 00:29:37,470

same in this one that I had two years

763

00:29:41,239 --> 00:29:39,659

ago it had 24 things it was like and I

764

00:29:43,159 --> 00:29:41,249

was it was very cold I was dry I was

765

00:29:45,889 --> 00:29:43,169

walking along and that's the way I do it

766

00:29:47,359 --> 00:29:45,899

I could walk long distances and I'm just

767

00:29:48,799 --> 00:29:47,369

sort of thinking and you sort of zone

768

00:29:50,450 --> 00:29:48,809

out and then suddenly it starts coming

769

00:29:52,940 --> 00:29:50,460

in your head so I was on a walk I'm

770

00:29:54,560 --> 00:29:52,950

walking meditation yes and yeah so I'm

771

00:29:55,759 --> 00:29:54,570

about two miles away from my home and

772

00:29:58,879 --> 00:29:55,769

this starts to come into my head these

773

00:30:00,169 --> 00:29:58,889

24 things and it's it's it did that one

774

00:30:02,119 --> 00:30:00,179

I'll just give a brief thing because

775

00:30:04,430 --> 00:30:02,129

it's pretty involved but it basically

776

00:30:06,440 --> 00:30:04,440

said to me the first one was

777

00:30:09,229 --> 00:30:06,450

consciousness non-local consciousness is

778

00:30:10,669 --> 00:30:09,239

what it's all about because in 75 when I

779

00:30:12,200 --> 00:30:10,679

had this experience and nobody would

780

00:30:14,749 --> 00:30:12,210

publish the book I said all I'm

781

00:30:16,909 --> 00:30:14,759

interested in is what's going on

782

00:30:19,099 --> 00:30:16,919

somebody must know what my experience

783

00:30:20,539 --> 00:30:19,109

was about what did I see and when it I

784

00:30:22,099 --> 00:30:20,549

got that thing it was like this is the

785

00:30:23,599 --> 00:30:22,109

answer you've been looking for it's all

786

00:30:25,700 --> 00:30:23,609

consciousness it's all non-local

787

00:30:28,089 --> 00:30:25,710

consciousness everything is one so the

788

00:30:30,320 --> 00:30:28,099

next day this download experience said

789

00:30:33,289 --> 00:30:30,330

you're looking at the world and there's

790

00:30:34,940 --> 00:30:33,299

there's if this versus that and what is

791

00:30:36,049 --> 00:30:34,950

happening is you've got to get all the

792

00:30:38,509 --> 00:30:36,059

assumptions right it's like doing a

793

00:30:40,729 --> 00:30:38,519

mathematical equation if in step 2 you

794

00:30:42,320 --> 00:30:40,739

add instead of subtracting you can do

795

00:30:43,820 --> 00:30:42,330

all the research you want you are going

796

00:30:45,440 --> 00:30:43,830

to get the wrong answer you have to get

797

00:30:48,169 --> 00:30:45,450

all the assumptions right so there the

798

00:30:51,049 --> 00:30:48,179

the one assumption would be is the world

799

00:30:52,820 --> 00:30:51,059

this goes back to my 2012 one is the

800

00:30:54,320 --> 00:30:52,830

world made out of nuts and bolts is it

801
00:30:57,200 --> 00:30:54,330
made out of little tiny physical

802
00:30:58,460 --> 00:30:57,210
particles that may be one world so

803
00:31:00,019 --> 00:30:58,470
that's one world you can build this

804
00:31:03,080 --> 00:31:00,029
whole worldview around that sort of

805
00:31:05,479 --> 00:31:03,090
thing but if it this is it download is

806
00:31:07,849 --> 00:31:05,489
it nuts and bolts or is it consciousness

807
00:31:09,489 --> 00:31:07,859
if it's consciousness then it's a

808
00:31:12,139 --> 00:31:09,499
completely different world you have to

809
00:31:13,609 --> 00:31:12,149
redo everything go through all your

810
00:31:15,499 --> 00:31:13,619
assumptions again because you've got a

811
00:31:17,540 --> 00:31:15,509
basic assumption wrong so that was the

812
00:31:20,270 --> 00:31:17,550
one the other one is the big expiry

813
00:31:22,010 --> 00:31:20,280

the message that experiences get 54% of

814

00:31:23,990 --> 00:31:22,020

all people say that they're talked to

815

00:31:25,040 --> 00:31:24,000

about oneness I say that is the key

816

00:31:26,810 --> 00:31:25,050

message that they're trying to get

817

00:31:29,000 --> 00:31:26,820

across is this thing that everything is

818

00:31:31,400 --> 00:31:29,010

alive everything's connected

819

00:31:33,740 --> 00:31:31,410

everything's one they are us we are them

820

00:31:34,820 --> 00:31:33,750

and this whole concept and the way we

821

00:31:37,430 --> 00:31:34,830

have it in this world

822

00:31:41,290 --> 00:31:37,440

even Donald Trump speech today in in the

823

00:31:43,760 --> 00:31:41,300

UN dong Trump says he's in favor of

824

00:31:45,680 --> 00:31:43,770

patriotism rather than globalism so it's

825

00:31:48,740 --> 00:31:45,690

this idea of separation where we

826
00:31:49,960 --> 00:31:48,750
separate you're a separate for me and

827
00:31:52,730 --> 00:31:49,970
then there's good guys and bad guys

828
00:31:54,260 --> 00:31:52,740
animals are just just objects we can

829
00:31:56,870 --> 00:31:54,270
kill animals and it's the separation

830
00:31:58,820 --> 00:31:56,880
thing that when you get separation it's

831
00:32:00,530 --> 00:31:58,830
a completely different world yes or

832
00:32:02,540 --> 00:32:00,540
based upon the world of oneness if you

833
00:32:05,960 --> 00:32:02,550
believe everything's one that you are I

834
00:32:07,430 --> 00:32:05,970
I am the aliens I am everything or you

835
00:32:09,260 --> 00:32:07,440
know even with ayahuasca experiences

836
00:32:11,510 --> 00:32:09,270
people will describe sting the famous

837
00:32:13,970 --> 00:32:11,520
musician said you know he does the

838
00:32:16,040 --> 00:32:13,980

ayahuasca and he suddenly realizes his

839

00:32:18,020 --> 00:32:16,050

ego is crushed and everything around him

840

00:32:19,130 --> 00:32:18,030

was alive and conscious and that I think

841

00:32:20,570 --> 00:32:19,140

is the message they're trying to get

842

00:32:23,060 --> 00:32:20,580

across I got these different things or

843

00:32:25,820 --> 00:32:23,070

the other one I'll give you an example

844

00:32:27,950 --> 00:32:25,830

of this 24 things one was one life or

845

00:32:29,390 --> 00:32:27,960

multiple lives so we've always made the

846

00:32:32,300 --> 00:32:29,400

assumption it's one life we only live

847

00:32:34,790 --> 00:32:32,310

one time but if reincarnation if it's

848

00:32:36,110 --> 00:32:34,800

multiple lives everything changes

849

00:32:38,270 --> 00:32:36,120

especially when it comes to abduction

850

00:32:39,680 --> 00:32:38,280

experiences that people say other duct

851
00:32:41,870 --> 00:32:39,690
edits against their will or whatever and

852
00:32:44,810 --> 00:32:41,880
then you regress people back like Chris

853
00:32:47,090 --> 00:32:44,820
Bledsoe this experimenter in his

854
00:32:51,140 --> 00:32:47,100
regression it was done by the

855
00:32:52,280 --> 00:32:51,150
associative of John Mack Michael

856
00:32:54,410 --> 00:32:52,290
O'Connor

857
00:32:56,120 --> 00:32:54,420
he said when did you first meet these

858
00:32:57,800 --> 00:32:56,130
people and Chris said they have been

859
00:32:59,600 --> 00:32:57,810
with me since before I was born

860
00:33:01,100 --> 00:32:59,610
and you start talking to experiences at

861
00:33:02,960 --> 00:33:01,110
all and a lot of them when you arrest

862
00:33:04,160 --> 00:33:02,970
them back Kathy Martin said she really

863
00:33:06,530 --> 00:33:04,170

you know didn't know whether this is

864

00:33:08,810 --> 00:33:06,540

true so she got a regression and she got

865

00:33:10,460 --> 00:33:08,820

regressed back to when she was born and

866

00:33:12,980 --> 00:33:10,470

she said I was I was really shocked to

867

00:33:15,290 --> 00:33:12,990

hear myself say yes I agreed to do I

868

00:33:17,360 --> 00:33:15,300

agree to come in to do this so if it's

869

00:33:19,670 --> 00:33:17,370

multiple lives then everything that

870

00:33:22,160 --> 00:33:19,680

happens to you in your life is really

871

00:33:24,410 --> 00:33:22,170

not random it's things that you're

872

00:33:26,660 --> 00:33:24,420

choosing to do to learn lessons and so

873

00:33:29,000 --> 00:33:26,670

you get the another thing is is the

874

00:33:30,680 --> 00:33:29,010

world random errs at not random if you

875

00:33:31,370 --> 00:33:30,690

are say an experienter and you predict

876

00:33:33,770 --> 00:33:31,380

that I'm gonna have a

877

00:33:35,270 --> 00:33:33,780

accident three days the world is less

878

00:33:36,800 --> 00:33:35,280

random than you think it is we assume

879

00:33:38,330 --> 00:33:36,810

the whole world's random we build our

880

00:33:40,220 --> 00:33:38,340

whole worldview on this random this

881

00:33:41,930 --> 00:33:40,230

thing maybe it's not random at all and

882

00:33:43,880 --> 00:33:41,940

that was these things there's 24 things

883

00:33:45,650 --> 00:33:43,890

isn't this or is it that is this or that

884

00:33:47,630 --> 00:33:45,660

and so I'm sort of putting these

885

00:33:50,260 --> 00:33:47,640

together now and I'm doing a

886

00:33:52,550 --> 00:33:50,270

presentation online that will be at my

887

00:33:54,170 --> 00:33:52,560

white house UFO YouTube channel where

888

00:33:56,330 --> 00:33:54,180

I'm gonna go through I go through about

889

00:33:58,190 --> 00:33:56,340

twelve or thirteen of these these things

890

00:34:00,070 --> 00:33:58,200

that came into my head and that's where

891

00:34:03,380 --> 00:34:00,080

I'm at now it's it's more like a

892

00:34:04,910 --> 00:34:03,390

philosophical look at the the whole

893

00:34:06,290 --> 00:34:04,920

thing what does it really mean because

894

00:34:08,810 --> 00:34:06,300

people will get into like for example

895

00:34:10,040 --> 00:34:08,820

with the to the Stars or whatever it is

896

00:34:11,119 --> 00:34:10,050

it's like well when are we gonna get

897

00:34:13,070 --> 00:34:11,129

this culture when is the government

898

00:34:14,210 --> 00:34:13,080

gonna you know tell us and basically

899

00:34:17,149 --> 00:34:14,220

it's like when are they gonna tell me

900

00:34:19,700 --> 00:34:17,159

what I believe is is true and basically

901
00:34:21,590 --> 00:34:19,710
when it comes down and I always in my

902
00:34:23,480 --> 00:34:21,600
lectures for this when it comes down to

903
00:34:25,430 --> 00:34:23,490
it it really has nothing to do with the

904
00:34:26,990 --> 00:34:25,440
government it's like are you really

905
00:34:28,250 --> 00:34:27,000
going are you gonna get up and do

906
00:34:30,409 --> 00:34:28,260
something finally if the government

907
00:34:32,600 --> 00:34:30,419
discloses what the government does has

908
00:34:34,850 --> 00:34:32,610
nothing to do with you it's what are you

909
00:34:37,010 --> 00:34:34,860
what to give you it's multiple lives you

910
00:34:38,570 --> 00:34:37,020
came into this world to do something

911
00:34:40,100 --> 00:34:38,580
you're going to leave this world they're

912
00:34:41,419 --> 00:34:40,110
gonna ask you how did you make out

913
00:34:43,490 --> 00:34:41,429

because you put all the players you

914

00:34:44,930 --> 00:34:43,500

setup the whole stage and arranged all

915

00:34:46,220 --> 00:34:44,940

this thing to learn whatever lessons and

916

00:34:47,869 --> 00:34:46,230

they're gonna say how do you make out

917

00:34:49,129 --> 00:34:47,879

and you can't bring up Hillary Clinton

918

00:34:50,720 --> 00:34:49,139

you can't bring up the government you

919

00:34:52,430 --> 00:34:50,730

can't bring up the dog ate my homework

920

00:34:54,139 --> 00:34:52,440

you can't bring up any of this kind of

921

00:34:56,540 --> 00:34:54,149

stuff it basically comes down to I came

922

00:34:59,150 --> 00:34:56,550

into this life I have something that I

923

00:35:00,290 --> 00:34:59,160

plan to do and am I doing it and that's

924

00:35:02,120 --> 00:35:00,300

that's all we have to really worry about

925

00:35:03,170 --> 00:35:02,130

that we're sort of externally motivated

926
00:35:05,060 --> 00:35:03,180
which I guess would be one of the other

927
00:35:07,490 --> 00:35:05,070
things are you internally motivated or

928
00:35:11,750 --> 00:35:07,500
externally motivated I don't think the

929
00:35:14,990 --> 00:35:11,760
you know the call to the UFO area is

930
00:35:18,440 --> 00:35:15,000
something that is you know coming to

931
00:35:23,660 --> 00:35:18,450
certain people I had witnessed UFOs when

932
00:35:26,690 --> 00:35:23,670
I was in my teens and had some not

933
00:35:29,180 --> 00:35:26,700
abduction but experience or situations

934
00:35:32,480 --> 00:35:29,190
with other beings when I was in my 20s

935
00:35:33,620 --> 00:35:32,490
and I kind of ran away from it because

936
00:35:37,820 --> 00:35:33,630
it frightened me

937
00:35:41,930 --> 00:35:37,830
but then you know around 15 years ago I

938
00:35:44,630 --> 00:35:41,940

was suddenly reawaken and I had to do

939

00:35:48,710 --> 00:35:44,640

something more with it thus he

940

00:35:52,400 --> 00:35:48,720

I am on these this show basically which

941

00:35:55,940 --> 00:35:52,410

involves consciousness and UFOs and past

942

00:35:59,390 --> 00:35:55,950

lives and NDEs and all that sort of

943

00:36:02,150 --> 00:35:59,400

thing but in the interim I felt like I

944

00:36:04,670 --> 00:36:02,160

too was given a gift which was the

945

00:36:07,730 --> 00:36:04,680

ability to do readings for people which

946

00:36:10,120 --> 00:36:07,740

I have been doing ever since my teens

947

00:36:14,000 --> 00:36:10,130

ever since the around the time of my

948

00:36:16,039 --> 00:36:14,010

first UFO sighting so yeah yeah that's

949

00:36:17,269 --> 00:36:16,049

the thing is I always asked experiences

950

00:36:19,069 --> 00:36:17,279

one of my first questions when they say

951
00:36:20,750 --> 00:36:19,079
an experience they're always say do you

952
00:36:23,210 --> 00:36:20,760
believe you have a mission and almost

953
00:36:24,799 --> 00:36:23,220
everybody will say yeah I think like a

954
00:36:26,299 --> 00:36:24,809
lot people say I think I do I don't know

955
00:36:27,680 --> 00:36:26,309
what is but and some people like you

956
00:36:29,870 --> 00:36:27,690
have sort of figured it out and that's

957
00:36:32,180 --> 00:36:29,880
where I'm saying is that that in the end

958
00:36:34,519 --> 00:36:32,190
if you're way ahead of the crowd if you

959
00:36:35,480 --> 00:36:34,529
suddenly realize that you have some sort

960
00:36:37,730 --> 00:36:35,490
of thing that you're supposed to do

961
00:36:40,190 --> 00:36:37,740
that's where it it doesn't become random

962
00:36:42,799 --> 00:36:40,200
where you're chosen to do something you

963
00:36:44,870 --> 00:36:42,809

come in and a lot of people believe it's

964

00:36:47,269 --> 00:36:44,880

sort of like I'm a victim you know this

965

00:36:49,160 --> 00:36:47,279

happened to me and and I really don't

966

00:36:50,109 --> 00:36:49,170

wanna be a part of this and it comes

967

00:36:53,720 --> 00:36:50,119

down to taking personal responsibility

968

00:36:55,730 --> 00:36:53,730

for where where you're at and the

969

00:36:58,430 --> 00:36:55,740

experiences have much more of the

970

00:37:00,410 --> 00:36:58,440

answers I think in terms of even ray

971

00:37:01,880 --> 00:37:00,420

Hernandez like and these are you get

972

00:37:04,009 --> 00:37:01,890

these bizarre synchronicities where

973

00:37:06,789 --> 00:37:04,019

shows the world isn't really random ray

974

00:37:09,019 --> 00:37:06,799

Hernandez he has his first experience

975

00:37:12,799 --> 00:37:09,029

where he has the dog you know his dog

976
00:37:15,279 --> 00:37:12,809
story where yeah yeah this happens on

977
00:37:18,200 --> 00:37:15,289
March the fourth or fifth or something

978
00:37:19,099 --> 00:37:18,210
2012 my download experience happened a

979
00:37:21,319 --> 00:37:19,109
week before that

980
00:37:23,210 --> 00:37:21,329
Chris Chris Bledsoe his first encounter

981
00:37:25,309 --> 00:37:23,220
with the shining lady happened within

982
00:37:26,749 --> 00:37:25,319
days and I keep always tell ray

983
00:37:28,160 --> 00:37:26,759
I said ray I don't think it's accidental

984
00:37:31,039 --> 00:37:28,170
in fact the other one that ray talks

985
00:37:33,470 --> 00:37:31,049
about he he has a thing where he goes

986
00:37:35,120 --> 00:37:33,480
out outside the house his wife sees this

987
00:37:36,440 --> 00:37:35,130
thing and he remembered the story he

988
00:37:38,539 --> 00:37:36,450

goes and he's standing outside the house

989

00:37:40,009 --> 00:37:38,549

and he hasn't seen anything yet and he's

990

00:37:42,859 --> 00:37:40,019

waiting for this guy to drop off these

991

00:37:43,999 --> 00:37:42,869

papers he's an IRS attorney and he said

992

00:37:46,730 --> 00:37:44,009

well I think I'll try it you know wow I

993

00:37:48,079 --> 00:37:46,740

want to see the big ship that has the

994

00:37:49,579 --> 00:37:48,089

stained glass windows that my wife saw

995

00:37:52,069 --> 00:37:49,589

and really nothing happens and just

996

00:37:53,539 --> 00:37:52,079

before 15 minutes later just before this

997

00:37:55,279 --> 00:37:53,549

guy arrives suddenly there's this thing

998

00:37:56,870 --> 00:37:55,289

he says looks like Wembley Stadium over

999

00:37:58,220 --> 00:37:56,880

the next-door neighbor's house and he

1000

00:37:59,990 --> 00:37:58,230

suddenly realizes like

1001
00:38:01,760 --> 00:38:00,000
this thing's got consciousness cuz I

1002
00:38:03,320 --> 00:38:01,770
actually brought this thing in and so he

1003
00:38:04,790 --> 00:38:03,330
gets into this thing and you know ray I

1004
00:38:06,620 --> 00:38:04,800
mean he was only sleeping I think two

1005
00:38:10,370 --> 00:38:06,630
hours a day at the time he was reading

1006
00:38:13,610 --> 00:38:10,380
everything he could find on on quantum

1007
00:38:15,800 --> 00:38:13,620
physics and you know UFOs and stuff and

1008
00:38:17,870 --> 00:38:15,810
he contacted me on the internet because

1009
00:38:20,090 --> 00:38:17,880
I was I started to do consciousness

1010
00:38:21,650 --> 00:38:20,100
lectures and so I said well I'm coming

1011
00:38:23,270 --> 00:38:21,660
to Florida I'm coming to Sebring Florida

1012
00:38:25,040 --> 00:38:23,280
I'm gonna lecture on consciousness why

1013
00:38:27,050 --> 00:38:25,050

don't you come down we'll have a talk so

1014

00:38:28,400 --> 00:38:27,060

he comes to that lecture I give my

1015

00:38:30,200 --> 00:38:28,410

consciousness lecture he and his wife

1016

00:38:31,790 --> 00:38:30,210

tell their story for the first time in

1017

00:38:34,430 --> 00:38:31,800

this experience or meeting that they

1018

00:38:36,200 --> 00:38:34,440

have there and a couple days later after

1019

00:38:37,460 --> 00:38:36,210

my consciousness lecture he leaves

1020

00:38:40,160 --> 00:38:37,470

that's when he has the dominant

1021

00:38:42,830 --> 00:38:40,170

experience on the Miami freeway where

1022

00:38:44,600 --> 00:38:42,840

he's taken there and sits the wheel it's

1023

00:38:46,520 --> 00:38:44,610

the whole wheel where you know this

1024

00:38:48,470 --> 00:38:46,530

quantum physics there's near-death

1025

00:38:50,630 --> 00:38:48,480

experiences out-of-body experiences

1026

00:38:52,040 --> 00:38:50,640

there's UFOs and in the middle of the

1027

00:38:54,350 --> 00:38:52,050

wheel is consciousness and they've shown

1028

00:38:55,880 --> 00:38:54,360

this this wheel and so you start to see

1029

00:38:57,020 --> 00:38:55,890

all this stuff because it's the same

1030

00:38:58,700 --> 00:38:57,030

message I had I wrote a book called

1031

00:39:01,220 --> 00:38:58,710

inspired the paranormal world of

1032

00:39:02,780 --> 00:39:01,230

creativity and I wrote that the same

1033

00:39:04,850 --> 00:39:02,790

thing so I go through different chapters

1034

00:39:06,020 --> 00:39:04,860

so a chapter on people who got downloads

1035

00:39:09,310 --> 00:39:06,030

and inspirations and near-death

1036

00:39:12,950 --> 00:39:09,320

experiences in music in art in

1037

00:39:14,570 --> 00:39:12,960

inventions with head injuries all these

1038

00:39:15,770 --> 00:39:14,580

different things and it's all the same

1039

00:39:17,960 --> 00:39:15,780

thing and that's basically what it comes

1040

00:39:20,240 --> 00:39:17,970

down to is it's a conscious world it's

1041

00:39:22,610 --> 00:39:20,250

not a nuts-and-bolts world it's a

1042

00:39:24,260 --> 00:39:22,620

conscious world and when you understand

1043

00:39:25,610 --> 00:39:24,270

that and you realize everything is

1044

00:39:29,990 --> 00:39:25,620

connected everything is linked together

1045

00:39:32,300 --> 00:39:30,000

and that the primary building block the

1046

00:39:34,070 --> 00:39:32,310

ground of being is consciousness once

1047

00:39:35,960 --> 00:39:34,080

you understand that you start to make

1048

00:39:38,660 --> 00:39:35,970

ground and I say and I will repeat a

1049

00:39:41,450 --> 00:39:38,670

hundred times if I have an allowed to in

1050

00:39:43,250 --> 00:39:41,460

a lecture unless you understand

1051

00:39:45,230 --> 00:39:43,260

consciousness and realize its

1052

00:39:47,990 --> 00:39:45,240

implications for the UFO phenomena you

1053

00:39:49,790 --> 00:39:48,000

will never ever understand what's going

1054

00:39:52,160 --> 00:39:49,800

on because it has so much to do with

1055

00:39:53,600 --> 00:39:52,170

what's going on this is really not a fit

1056

00:39:55,700 --> 00:39:53,610

and nuts and bolts thing like people

1057

00:39:57,440 --> 00:39:55,710

think it is we don't really even don't

1058

00:39:59,780 --> 00:39:57,450

know we're up against and you know I've

1059

00:40:02,900 --> 00:39:59,790

had experiences who actually said to the

1060

00:40:04,400 --> 00:40:02,910

beings are you an alien and I don't know

1061

00:40:06,860 --> 00:40:04,410

if you've ever interviewed Cherie wild

1062

00:40:08,690 --> 00:40:06,870

she was one she said to them are you

1063

00:40:11,610 --> 00:40:08,700

actually an alien and he said no I'm not

1064

00:40:13,470 --> 00:40:11,620

she said well why do you come justice

1065

00:40:15,060 --> 00:40:13,480

this ugly gray looking thing and he said

1066

00:40:17,220 --> 00:40:15,070

ugly great thing you ever looked at

1067

00:40:19,230 --> 00:40:17,230

yourself in the mirror she's got big big

1068

00:40:20,160 --> 00:40:19,240

she's got big teeth he says she is you

1069

00:40:21,390 --> 00:40:20,170

ever looked at yourself in the mirror

1070

00:40:23,040 --> 00:40:21,400

when you smile we think you're gonna eat

1071

00:40:24,990 --> 00:40:23,050

us and you get these people getting

1072

00:40:27,450 --> 00:40:25,000

these indications that maybe it's like

1073

00:40:30,660 --> 00:40:27,460

where's the screen imaging start and the

1074

00:40:31,620 --> 00:40:30,670

alien ends or you have a an alien that

1075

00:40:33,810 --> 00:40:31,630

turns into a ball of light and

1076
00:40:35,460 --> 00:40:33,820
disappears well is it a ball of light or

1077
00:40:37,110 --> 00:40:35,470
is it an alien and if it's a ball of

1078
00:40:38,460 --> 00:40:37,120
light disease bacon eggs toast and

1079
00:40:40,560 --> 00:40:38,470
coffee in the morning and you start

1080
00:40:42,300 --> 00:40:40,570
getting these cross that they are able

1081
00:40:44,490 --> 00:40:42,310
they're in sort of another world almost

1082
00:40:46,170 --> 00:40:44,500
like Bashara the great Chandler said we

1083
00:40:48,810 --> 00:40:46,180
come in to you we come to you in your

1084
00:40:50,820 --> 00:40:48,820
dreams because now you're in our world

1085
00:40:52,410 --> 00:40:50,830
so they're in this world higher up in

1086
00:40:54,960 --> 00:40:52,420
the water closer to the light they know

1087
00:40:56,460 --> 00:40:54,970
more they can see more and they come in

1088
00:40:57,630 --> 00:40:56,470

and they come in and they can move back

1089

00:40:59,160 --> 00:40:57,640

and we think we're stuck in this

1090

00:41:01,200 --> 00:40:59,170

physical world that's all there is and

1091

00:41:02,580 --> 00:41:01,210

that's where you have to real I think

1092

00:41:04,530 --> 00:41:02,590

people have to realize that this

1093

00:41:05,820 --> 00:41:04,540

consciousness thing is the link it is

1094

00:41:08,280 --> 00:41:05,830

the key to put this whole thing together

1095

00:41:10,200 --> 00:41:08,290

and that's why I'm so happy that Ray put

1096

00:41:12,240 --> 00:41:10,210

this he's a fantastic guy in terms of I

1097

00:41:14,850 --> 00:41:12,250

don't know if he sleeps or not but this

1098

00:41:16,860 --> 00:41:14,860

book called beyond UFOs and 800 pages

1099

00:41:18,240 --> 00:41:16,870

right yeah and it's all about

1100

00:41:20,190 --> 00:41:18,250

consciousness and that's what I said

1101

00:41:22,050 --> 00:41:20,200

this is the story they read this whole

1102

00:41:25,440 --> 00:41:22,060

book in John Alexander does an article

1103

00:41:27,120 --> 00:41:25,450

in there and really really shield and

1104

00:41:28,710 --> 00:41:27,130

all these people in fact a couple of the

1105

00:41:29,760 --> 00:41:28,720

authors are actually dead now that you

1106

00:41:31,560 --> 00:41:29,770

know they wrote the articles and they're

1107

00:41:33,000 --> 00:41:31,570

now in there but it's all about this

1108

00:41:35,310 --> 00:41:33,010

consciousness link and that's where we

1109

00:41:37,860 --> 00:41:35,320

have to go so it's it's it's you know

1110

00:41:41,190 --> 00:41:37,870

it's kind of you know cãndido to watch

1111

00:41:43,710 --> 00:41:41,200

the you know the hardware stuff with the

1112

00:41:46,770 --> 00:41:43,720

recovering metals or look at the u.s.

1113

00:41:48,960 --> 00:41:46,780

latest UFO video or whatever but in

1114

00:41:51,480 --> 00:41:48,970

terms of getting answers you get the

1115

00:41:52,920 --> 00:41:51,490

situation where for example 40 percent

1116

00:41:54,150 --> 00:41:52,930

of all experiences say at one point they

1117

00:41:56,130 --> 00:41:54,160

knew the answers everything in the

1118

00:41:57,600 --> 00:41:56,140

universe or 22 percent of them said they

1119

00:42:00,360 --> 00:41:57,610

knew the answer to everything about

1120

00:42:03,900 --> 00:42:00,370

themselves that ever existed if somebody

1121

00:42:05,640 --> 00:42:03,910

has given access to the answer to

1122

00:42:07,050 --> 00:42:05,650

everything in the universe then the

1123

00:42:08,370 --> 00:42:07,060

aliens have opened this thing up they

1124

00:42:10,380 --> 00:42:08,380

have allowed you and I would say it's

1125

00:42:12,480 --> 00:42:10,390

higher higher consciousness it's it's

1126
00:42:14,160 --> 00:42:12,490
like the you know the all the answers

1127
00:42:15,660 --> 00:42:14,170
are there and it's a matter of tapping

1128
00:42:17,550 --> 00:42:15,670
into the thing and that's what we have

1129
00:42:19,410 --> 00:42:17,560
to learn is that we're just stuck in

1130
00:42:22,890 --> 00:42:19,420
this world with a bunch of bad beliefs

1131
00:42:25,320 --> 00:42:22,900
and a bunch of bad assumptions and we're

1132
00:42:25,740 --> 00:42:25,330
sort of like just watching the next

1133
00:42:27,660 --> 00:42:25,750
video

1134
00:42:30,870 --> 00:42:27,670
and the next thing and that people like

1135
00:42:31,859 --> 00:42:30,880
ray and the free organization I believe

1136
00:42:34,050 --> 00:42:31,869
are on the right track and it all

1137
00:42:35,400 --> 00:42:34,060
happened the same time his story started

1138
00:42:37,800 --> 00:42:35,410

basically the same time as I mind

1139

00:42:40,589 --> 00:42:37,810

started there's this this woman who

1140

00:42:45,660 --> 00:42:40,599

petina Aguilera was running for Congress

1141

00:42:51,930 --> 00:42:45,670

in Florida on the for the GOP s she lost

1142

00:42:54,599 --> 00:42:51,940

the primary but she was actually the

1143

00:42:57,210 --> 00:42:54,609

Miami Herald actually back her she was

1144

00:42:59,450 --> 00:42:57,220

most qualified candidate and she's had

1145

00:43:02,099 --> 00:42:59,460

six experiences where she was taken to

1146

00:43:03,210 --> 00:43:02,109

another planet so I had a number of

1147

00:43:05,609 --> 00:43:03,220

conversations was there one of the

1148

00:43:08,280 --> 00:43:05,619

things she brought up was the fact that

1149

00:43:10,620 --> 00:43:08,290

one of her major first experience has

1150

00:43:12,890 --> 00:43:10,630

happened exactly the same day as Travis

1151

00:43:16,050 --> 00:43:12,900

Walton was abducted Travis Waltons

1152

00:43:19,080 --> 00:43:16,060

experiences happened exactly the same

1153

00:43:21,420 --> 00:43:19,090

time as if you remember in 1975 the

1154

00:43:23,580 --> 00:43:21,430

famous NORAD experiences so you have

1155

00:43:25,800 --> 00:43:23,590

UFOs inside the nuclear weapons storage

1156

00:43:27,839 --> 00:43:25,810

area Loring Air Force paints were sprint

1157

00:43:29,640 --> 00:43:27,849

Air Force Base Minot Air Force Base most

1158

00:43:32,310 --> 00:43:29,650

remember space that happen exactly the

1159

00:43:34,460 --> 00:43:32,320

same time as Travis Walton she get these

1160

00:43:37,230 --> 00:43:34,470

bizarre synchronicities and mine was 75

1161

00:43:40,050 --> 00:43:37,240

Budd Hopkins and this is an example that

1162

00:43:42,810 --> 00:43:40,060

shows that it's almost like they're

1163

00:43:45,690 --> 00:43:42,820

dropping little crumbs 1975 is when but

1164

00:43:47,670 --> 00:43:45,700

Hopkins started his abduction research

1165

00:43:49,770 --> 00:43:47,680

and the way it starts it's very bizarre

1166

00:43:51,599 --> 00:43:49,780

he has the exciting in 1964 and when you

1167

00:43:53,849 --> 00:43:51,609

hear him describe that sighting you go

1168

00:43:56,130 --> 00:43:53,859

this guy's in experiences there's no way

1169

00:43:58,530 --> 00:43:56,140

this thing's hanging above him above the

1170

00:44:00,900 --> 00:43:58,540

car plain daylight saucer just sitting

1171

00:44:03,599 --> 00:44:00,910

there sort of just he's motivated to go

1172

00:44:05,310 --> 00:44:03,609

read you know four books and 75 the guy

1173

00:44:07,050 --> 00:44:05,320

who sells him his liquor at they at the

1174

00:44:08,579 --> 00:44:07,060

corner store says I had this weird

1175

00:44:10,620 --> 00:44:08,589

experience and I was going along that

1176

00:44:13,109 --> 00:44:10,630

road and there was this flying saucer

1177

00:44:15,960 --> 00:44:13,119

who was 100 feet from the road and there

1178

00:44:17,130 --> 00:44:15,970

was these aliens outside the craft with

1179

00:44:20,130 --> 00:44:17,140

little shovels and they were digging

1180

00:44:21,930 --> 00:44:20,140

holes and it's like really so budget

1181

00:44:23,940 --> 00:44:21,940

course gets obsessed for this and he

1182

00:44:26,609 --> 00:44:23,950

goes to the area and he finds these 15

1183

00:44:28,770 --> 00:44:26,619

holes five inches deep and then he goes

1184

00:44:30,930 --> 00:44:28,780

and talks to a guy it was a night

1185

00:44:32,070 --> 00:44:30,940

watchman at an apartment complex or

1186

00:44:33,720 --> 00:44:32,080

something that would have been able to

1187

00:44:35,579 --> 00:44:33,730

seek this field and the guy said yeah I

1188

00:44:37,770 --> 00:44:35,589

saw this I saw this thing going on the

1189

00:44:39,109 --> 00:44:37,780

other night and but starts this whole

1190

00:44:40,609 --> 00:44:39,119

thing it was it

1191

00:44:42,289 --> 00:44:40,619

random that I just suddenly got into

1192

00:44:43,999 --> 00:44:42,299

this and you can see people getting sort

1193

00:44:45,890 --> 00:44:44,009

of dragged in it's like they they you

1194

00:44:47,870 --> 00:44:45,900

see a UFO and it's we always have these

1195

00:44:49,430 --> 00:44:47,880

stories where people see a UFO and then

1196

00:44:50,900 --> 00:44:49,440

they get into research and then they

1197

00:44:52,999 --> 00:44:50,910

quit and then we always had this joke

1198

00:44:54,559 --> 00:44:53,009

years ago already we say yeah I think

1199

00:44:56,420 --> 00:44:54,569

wait yeah don't worry they'll be back

1200

00:44:57,799 --> 00:44:56,430

nobody leaves everybody comes back you

1201
00:44:59,269 --> 00:44:57,809
get suppressed for a while and you pull

1202
00:45:01,309 --> 00:44:59,279
out but you always come back it's like

1203
00:45:04,099 --> 00:45:01,319
the hook is in you and you can't let it

1204
00:45:06,319 --> 00:45:04,109
go and that's with me my friends were

1205
00:45:08,029 --> 00:45:06,329
with in 1875 they went on with their

1206
00:45:09,799 --> 00:45:08,039
life I fell off the engineer I mean I

1207
00:45:11,660 --> 00:45:09,809
could I couldn't not believe what I seen

1208
00:45:13,339 --> 00:45:11,670
I just basically gave up everything and

1209
00:45:14,809 --> 00:45:13,349
I've sort of been chasing this thing and

1210
00:45:17,599 --> 00:45:14,819
there was ten year period where I didn't

1211
00:45:20,450 --> 00:45:17,609
do anything but I'm as obsessed with the

1212
00:45:25,609 --> 00:45:20,460
thing as I ever was yes and and as I was

1213
00:45:30,190 --> 00:45:25,619

saying to you briefly in 2012 in that

1214

00:45:33,859 --> 00:45:30,200

same time period I saw a huge fireball

1215

00:45:36,769 --> 00:45:33,869

fly over my head and it was like this

1216

00:45:41,180 --> 00:45:36,779

bright green and it seemed to be like

1217

00:45:43,249 --> 00:45:41,190

molten and it was a febrile what they

1218

00:45:46,880 --> 00:45:43,259

call February fireballs that don't

1219

00:45:50,089 --> 00:45:46,890

follow the the seemingly the rules of

1220

00:45:55,009 --> 00:45:50,099

physics the way regular meteor showers

1221

00:45:58,279 --> 00:45:55,019

do they're huge they they're seen by a

1222

00:46:01,220 --> 00:45:58,289

lot of people and I thought it had

1223

00:46:02,930 --> 00:46:01,230

fallen down on a hill nearby where I was

1224

00:46:04,729 --> 00:46:02,940

watching it and I was waiting for some

1225

00:46:09,470 --> 00:46:04,739

kind of explosion but apparently people

1226

00:46:12,259 --> 00:46:09,480

saw it all the way from Scandinavia all

1227

00:46:14,539 --> 00:46:12,269

the way to like West Virginia was

1228

00:46:19,099 --> 00:46:14,549

basically the trajectory of the thing

1229

00:46:24,950 --> 00:46:19,109

and it was it was a real wake-up call

1230

00:46:29,410 --> 00:46:24,960

for me but I in my original sighting and

1231

00:46:34,130 --> 00:46:29,420

my connection with a being who was a

1232

00:46:36,559 --> 00:46:34,140

tall blond or a sort of Nordic type

1233

00:46:39,739 --> 00:46:36,569

being like an angel without wings kind

1234

00:46:45,140 --> 00:46:39,749

of being until the time that I came back

1235

00:46:48,170 --> 00:46:45,150

into the field so to speak around 2004

1236

00:46:50,599 --> 00:46:48,180

it was a number of years in between but

1237

00:46:52,610 --> 00:46:50,609

like you said you get bitten at one

1238

00:46:54,890 --> 00:46:52,620

point and you could

1239

00:46:57,310 --> 00:46:54,900

about for a while I dropped out slightly

1240

00:47:00,320 --> 00:46:57,320

because of fear and slightly because

1241

00:47:02,990 --> 00:47:00,330

life took me in a different direction I

1242

00:47:07,460 --> 00:47:03,000

had to make money and live and do all

1243

00:47:10,370 --> 00:47:07,470

those yeah and the interesting side note

1244

00:47:11,900 --> 00:47:10,380

there is that Bettina her beings were

1245

00:47:16,100 --> 00:47:11,910

like heroes that's where she's

1246

00:47:18,770 --> 00:47:16,110

describing human type beings in fact she

1247

00:47:21,050 --> 00:47:18,780

says she's pretty convinced the same

1248

00:47:25,100 --> 00:47:21,060

ones that are described in these this

1249

00:47:27,200 --> 00:47:25,110

whole story about the Pentagon the the

1250

00:47:29,540 --> 00:47:27,210

Thor thing at the Pentagon all that

1251

00:47:31,340 --> 00:47:29,550

stuff she I actually put her in contact

1252

00:47:33,590 --> 00:47:31,350

with a guy who's the major researcher

1253

00:47:34,790 --> 00:47:33,600

was doing a movie on it she just sort

1254

00:47:37,370 --> 00:47:34,800

out saying she's actually doing a book

1255

00:47:38,870 --> 00:47:37,380

now so here's this woman who you know

1256

00:47:42,080 --> 00:47:38,880

put her whole career on the line and

1257

00:47:43,430 --> 00:47:42,090

realized this could backfire as you know

1258

00:47:45,620 --> 00:47:43,440

when running for Congress and stuff like

1259

00:47:47,390 --> 00:47:45,630

that and she's still not really out

1260

00:47:49,850 --> 00:47:47,400

there but she is doing a book on her

1261

00:47:52,070 --> 00:47:49,860

experience so you can see people get

1262

00:47:54,890 --> 00:47:52,080

motivated and it's like is this random

1263

00:47:58,700 --> 00:47:54,900

that these people are are doing this or

1264

00:48:00,950 --> 00:47:58,710

are we sort of sort of inspired to do

1265

00:48:02,720 --> 00:48:00,960

this given some little breadcrumb that

1266

00:48:04,910 --> 00:48:02,730

sort of wakens you up it's almost like

1267

00:48:06,740 --> 00:48:04,920

if you're if you're an experienced or

1268

00:48:08,510 --> 00:48:06,750

it's usually a life you're a lifer to

1269

00:48:10,760 --> 00:48:08,520

have it your entire life but there comes

1270

00:48:13,160 --> 00:48:10,770

a period of time like in Chris Bledsoe

1271

00:48:14,510 --> 00:48:13,170

2007 in January where they sort of wake

1272

00:48:16,220 --> 00:48:14,520

you up to say okay now it's time for you

1273

00:48:17,810 --> 00:48:16,230

to remember and suddenly you have an

1274

00:48:19,790 --> 00:48:17,820

experience and suddenly it all comes

1275

00:48:21,200 --> 00:48:19,800

flooding back into your head and you're

1276
00:48:24,110 --> 00:48:21,210
off on your little mission whatever your

1277
00:48:26,720 --> 00:48:24,120
mission is indeed well I have a few

1278
00:48:29,210 --> 00:48:26,730
questions and kind of sort of like a

1279
00:48:31,700 --> 00:48:29,220
conversation I'd like to have with you

1280
00:48:35,300 --> 00:48:31,710
about a few of these things and on this

1281
00:48:39,070 --> 00:48:35,310
show we have dealt with people who were

1282
00:48:42,290 --> 00:48:39,080
abducted but we've also dealt with

1283
00:48:44,720 --> 00:48:42,300
parapsychologists and people who are

1284
00:48:49,130 --> 00:48:44,730
involved from that angle now in

1285
00:48:51,140 --> 00:48:49,140
parapsychology and in physics to an

1286
00:48:53,690 --> 00:48:51,150
extent there are people like at the pear

1287
00:48:56,330 --> 00:48:53,700
lab of the former pear lab who were

1288
00:48:59,990 --> 00:48:56,340

physicists who have come into this

1289

00:49:03,250 --> 00:49:00,000

through the back door like a dr. Robert

1290

00:49:06,670 --> 00:49:03,260

Jon recently deceased but

1291

00:49:07,990 --> 00:49:06,680

the in the end what the question ends up

1292

00:49:11,800 --> 00:49:08,000

being there are people who are

1293

00:49:14,740 --> 00:49:11,810

physicalists that are materialists and

1294

00:49:17,500 --> 00:49:14,750

then there are people who are like you

1295

00:49:20,190 --> 00:49:17,510

and I largely consciousness people who

1296

00:49:23,560 --> 00:49:20,200

believe that consciousness is primary

1297

00:49:27,130 --> 00:49:23,570

and so there's always this tension

1298

00:49:29,170 --> 00:49:27,140

between the two however if you go all

1299

00:49:32,980 --> 00:49:29,180

the way down to the bottom of things

1300

00:49:35,140 --> 00:49:32,990

even in terms of particles you can

1301

00:49:37,480 --> 00:49:35,150

discover that you're in a way an

1302

00:49:39,760 --> 00:49:37,490

electron it doesn't weigh anything weigh

1303

00:49:41,830 --> 00:49:39,770

a proton cut it up into pieces it

1304

00:49:46,450 --> 00:49:41,840

doesn't weigh anything because it's

1305

00:49:48,040 --> 00:49:46,460

really energy and when you get to that

1306

00:49:51,340 --> 00:49:48,050

then the next step

1307

00:49:53,260 --> 00:49:51,350

I guess beyond energy is is totally non

1308

00:49:57,609 --> 00:49:53,270

physical stuff but since matter and

1309

00:50:00,250 --> 00:49:57,619

energy seem to be totally you know chain

1310

00:50:04,300 --> 00:50:00,260

interchangeable that's I guess the first

1311

00:50:06,609 --> 00:50:04,310

step in this direction however what why

1312

00:50:08,980 --> 00:50:06,619

would i lecture on that I usually talk

1313

00:50:10,750 --> 00:50:08,990

about the famous dual slit experiment

1314

00:50:12,970 --> 00:50:10,760

when I lecture about this I talk about

1315

00:50:15,760 --> 00:50:12,980

the sort of the prime mystery and the

1316

00:50:17,920 --> 00:50:15,770

primary element of consciousness that

1317

00:50:20,440 --> 00:50:17,930

when you have to do a slit experiment it

1318

00:50:21,910 --> 00:50:20,450

it's a it's a quantum wave when you try

1319

00:50:23,710 --> 00:50:21,920

to make a measurement when you bring an

1320

00:50:29,560 --> 00:50:23,720

observer in then it turns to a particle

1321

00:50:31,359 --> 00:50:29,570

and so it's as wheeler who is one in the

1322

00:50:32,800 --> 00:50:31,369

Bell Prize for Physics and he used the

1323

00:50:35,050 --> 00:50:32,810

guy to come up with dark holes and

1324

00:50:36,520 --> 00:50:35,060

wormholes and all those theories said

1325

00:50:39,849 --> 00:50:36,530

it's a participatory universe that

1326
00:50:42,220 --> 00:50:39,859
consciousness forces the wave to turn

1327
00:50:45,490 --> 00:50:42,230
into a particle and it also proves to me

1328
00:50:48,280 --> 00:50:45,500
that particles that that that the

1329
00:50:49,330 --> 00:50:48,290
quantum wave is actually conscious

1330
00:50:50,530 --> 00:50:49,340
because it knows when there's an

1331
00:50:52,330 --> 00:50:50,540
observer and it knows when there's a

1332
00:50:53,470 --> 00:50:52,340
desert when there's an observer it'll

1333
00:50:55,330 --> 00:50:53,480
turn to a particle when there's no

1334
00:50:57,090 --> 00:50:55,340
observers will stay as a wait the same

1335
00:50:59,859 --> 00:50:57,100
as the other big experiment is the

1336
00:51:01,210 --> 00:50:59,869
entangled particle experiment where you

1337
00:51:03,099 --> 00:51:01,220
send a particle in one direction

1338
00:51:05,020 --> 00:51:03,109

entangled particle and another one in

1339

00:51:07,000 --> 00:51:05,030

the other direction say a photon or

1340

00:51:08,349 --> 00:51:07,010

whatever you need to change its spin you

1341

00:51:10,120 --> 00:51:08,359

change the one spin the other one could

1342

00:51:11,020 --> 00:51:10,130

be others I was a galaxy and it will

1343

00:51:13,180 --> 00:51:11,030

change its spin

1344

00:51:14,650 --> 00:51:13,190

yes which sort of sort of throws this

1345

00:51:17,019 --> 00:51:14,660

whole thing about time and space out of

1346

00:51:19,779 --> 00:51:17,029

out of maybe we've got that all

1347

00:51:22,689 --> 00:51:19,789

as well and I say well that also proves

1348

00:51:23,799 --> 00:51:22,699

that these photon is conscious because

1349

00:51:25,899 --> 00:51:23,809

it knows when you're fooling around with

1350

00:51:28,149 --> 00:51:25,909

his buddy when you change your it's

1351
00:51:29,559 --> 00:51:28,159
buddy's spin it immediately changes so

1352
00:51:30,909 --> 00:51:29,569
it knows what the other side is doing

1353
00:51:32,259 --> 00:51:30,919
and that's this whole thing that

1354
00:51:35,439 --> 00:51:32,269
everything is conscious right down to

1355
00:51:39,609 --> 00:51:35,449
that level and so then when it comes to

1356
00:51:41,799 --> 00:51:39,619
these the sort of the battle of sort of

1357
00:51:44,380 --> 00:51:41,809
the physicalists who are in the field

1358
00:51:45,959 --> 00:51:44,390
and who are still trying to hedge it as

1359
00:51:48,699 --> 00:51:45,969
sort of a material thing that

1360
00:51:49,989 --> 00:51:48,709
consciousness with the brain creates his

1361
00:51:50,469 --> 00:51:49,999
consciousness rather than the other way

1362
00:51:52,599 --> 00:51:50,479
around

1363
00:51:55,390 --> 00:51:52,609

I say basically it comes down I say the

1364

00:51:56,349 --> 00:51:55,400

UFO cover-up it's got nothing to be with

1365

00:51:57,729 --> 00:51:56,359

the government the government would

1366

00:51:59,589 --> 00:51:57,739

disclose if you would give them the

1367

00:52:00,909 --> 00:51:59,599

opening to do it I'd say the media

1368

00:52:03,549 --> 00:52:00,919

really doesn't have two big stories I'll

1369

00:52:05,949 --> 00:52:03,559

run the story the key element to the

1370

00:52:07,599 --> 00:52:05,959

cover-up is the scientific community so

1371

00:52:10,029 --> 00:52:07,609

I was looking at up the other day and it

1372

00:52:12,009 --> 00:52:10,039

took Harvard or to go to MIT it's like

1373

00:52:13,839 --> 00:52:12,019

46,000 dollars a year so if you go to

1374

00:52:15,999 --> 00:52:13,849

Harvard or MIT for four years and you

1375

00:52:16,959 --> 00:52:16,009

spend all this money plus the amount of

1376

00:52:19,479 --> 00:52:16,969

money it takes you to live there

1377

00:52:20,620 --> 00:52:19,489

whatever and then suddenly someone says

1378

00:52:22,630 --> 00:52:20,630

to you everything you learned at school

1379

00:52:24,459 --> 00:52:22,640

is total nonsense you're going to fight

1380

00:52:26,349 --> 00:52:24,469

back because that's your I call it the

1381

00:52:29,559 --> 00:52:26,359

secular sunday-school I mean there's

1382

00:52:31,120 --> 00:52:29,569

you've been embedded with an idea that

1383

00:52:32,979 --> 00:52:31,130

everything is physical and these

1384

00:52:35,199 --> 00:52:32,989

professors that you sort of held up to

1385

00:52:37,089 --> 00:52:35,209

be really smart guys told you this and

1386

00:52:38,529 --> 00:52:37,099

it's very hard you can see this in

1387

00:52:40,749 --> 00:52:38,539

politics that people just become more

1388

00:52:42,429 --> 00:52:40,759

embedded when you start arguing politics

1389

00:52:45,009 --> 00:52:42,439

where there's one side or the other on

1390

00:52:46,419 --> 00:52:45,019

their view yes very few people ever

1391

00:52:47,890 --> 00:52:46,429

change it's almost like I think Max

1392

00:52:50,380 --> 00:52:47,900

Planck who is one of the key guys

1393

00:52:52,120 --> 00:52:50,390

performing a physics ed science advanced

1394

00:52:54,159 --> 00:52:52,130

is one funeral at a time and I think the

1395

00:52:55,479 --> 00:52:54,169

UFO community is the same thing and

1396

00:52:57,789 --> 00:52:55,489

that's why I think it was so important

1397

00:53:00,130 --> 00:52:57,799

what to the Stars did and it was Jim

1398

00:53:02,019 --> 00:53:00,140

semi van who set this thing up these

1399

00:53:03,549 --> 00:53:02,029

three newspapers to all go the same day

1400

00:53:05,319 --> 00:53:03,559

and what you're trying to do is you're

1401
00:53:07,120 --> 00:53:05,329
if you're a Republican or Democrat you

1402
00:53:08,679 --> 00:53:07,130
don't go after the other side's voters

1403
00:53:10,269 --> 00:53:08,689
because they ain't voting for you what

1404
00:53:13,749 --> 00:53:10,279
you do is you go up to the swing voters

1405
00:53:16,539 --> 00:53:13,759
so you may have a 10% or 20% part of the

1406
00:53:18,849 --> 00:53:16,549
American population who really don't I

1407
00:53:20,890 --> 00:53:18,859
really don't have any vested interest in

1408
00:53:22,089 --> 00:53:20,900
UFOs that really don't know those are

1409
00:53:24,279 --> 00:53:22,099
people you're trying to swing the swing

1410
00:53:25,899 --> 00:53:24,289
voters just move those people gradually

1411
00:53:27,159 --> 00:53:25,909
move them farther and farther and it's

1412
00:53:30,249 --> 00:53:27,169
like the whole consciousness thing where

1413
00:53:30,880 --> 00:53:30,259

you get to a certain point in a

1414

00:53:32,740 --> 00:53:30,890

consciousness

1415

00:53:34,839 --> 00:53:32,750

where it suddenly flips where it's like

1416

00:53:37,630 --> 00:53:34,849

we say like when did african-americans

1417

00:53:39,009 --> 00:53:37,640

get there right and when did gay gay

1418

00:53:41,890 --> 00:53:39,019

rights suddenly get acknowledged to

1419

00:53:43,599 --> 00:53:41,900

people I don't know I was 15 years 20

1420

00:53:45,400 --> 00:53:43,609

years it just it's just going to sort of

1421

00:53:48,549 --> 00:53:45,410

happen and people just sort of accept it

1422

00:53:50,650 --> 00:53:48,559

and then say well cultures a [h__h] people

1423

00:53:52,329 --> 00:53:50,660

people want want this day this thing

1424

00:53:53,710 --> 00:53:52,339

where somebody's going to stand up and

1425

00:53:55,660 --> 00:53:53,720

do it but that's really not the way it

1426
00:53:57,339 --> 00:53:55,670
works the government never leads they

1427
00:53:58,509 --> 00:53:57,349
just follow and it's coming from the

1428
00:54:00,400 --> 00:53:58,519
bottom and that's what the intelligence

1429
00:54:01,569 --> 00:54:00,410
behind the phenomena is doing is they're

1430
00:54:03,880 --> 00:54:01,579
coming from the bottom up they're

1431
00:54:06,279 --> 00:54:03,890
shifting consciousness they don't they

1432
00:54:07,900 --> 00:54:06,289
don't deal with the the the government

1433
00:54:09,940 --> 00:54:07,910
you're dealing with people one at a time

1434
00:54:11,470 --> 00:54:09,950
and these messages are coming and people

1435
00:54:12,759 --> 00:54:11,480
tell your stories and that's why they

1436
00:54:14,200 --> 00:54:12,769
tell these bizarre stories that's why

1437
00:54:15,849 --> 00:54:14,210
you have these bizarre incidents that

1438
00:54:17,589 --> 00:54:15,859

happened to you where all they want you

1439

00:54:19,359 --> 00:54:17,599

to do is go and tell your story to 100

1440

00:54:21,099 --> 00:54:19,369

people that's why they abducted Travis

1441

00:54:23,140 --> 00:54:21,109

Walt and I believe for five days because

1442

00:54:25,059 --> 00:54:23,150

they went Wow if we have ducks I mean

1443

00:54:26,740 --> 00:54:25,069

for five days man that thing will be on

1444

00:54:28,809 --> 00:54:26,750

the front page and Travis to this day is

1445

00:54:30,339 --> 00:54:28,819

still the most famous lecture there is

1446

00:54:32,410 --> 00:54:30,349

everybody wants and every weekend he's

1447

00:54:34,240 --> 00:54:32,420

doing something and if you had only been

1448

00:54:35,890 --> 00:54:34,250

taken for two hours you never heard from

1449

00:54:37,990 --> 00:54:35,900

squall so you're doing this kind of

1450

00:54:39,579 --> 00:54:38,000

stuff or Chris blood so Chris blood

1451
00:54:41,650 --> 00:54:39,589
cells Warner Brothers wants to do the

1452
00:54:43,269 --> 00:54:41,660
movie on his story very bizarre story

1453
00:54:45,269 --> 00:54:43,279
and they said we'd like we'd like a sign

1454
00:54:47,529 --> 00:54:45,279
can you get them to give us a sign and

1455
00:54:49,599 --> 00:54:47,539
Chris I saw I guess all these

1456
00:54:51,249 --> 00:54:49,609
premeditates or pray prayers or whatever

1457
00:54:53,529 --> 00:54:51,259
he does and the very next day the tree

1458
00:54:55,210 --> 00:54:53,539
starts to burn and this tree is is is

1459
00:54:56,529 --> 00:54:55,220
burning three times in six hours and

1460
00:54:58,779 --> 00:54:56,539
they're trying to put this tree on the

1461
00:55:01,569 --> 00:54:58,789
inside of the tree which had half fallen

1462
00:55:04,150 --> 00:55:01,579
down had a UFO ring on it underneath it

1463
00:55:06,009 --> 00:55:04,160

years before and half the tree had died

1464

00:55:06,670 --> 00:55:06,019

and then suddenly it's on fire and the

1465

00:55:08,349 --> 00:55:06,680

branches

1466

00:55:09,789 --> 00:55:08,359

there's a holes through the top and the

1467

00:55:11,440 --> 00:55:09,799

fires coming at the top of the trees and

1468

00:55:12,759 --> 00:55:11,450

they go back to the script writers at

1469

00:55:13,870 --> 00:55:12,769

Warner Brothers and they say you know

1470

00:55:15,640 --> 00:55:13,880

what happened last night this weird

1471

00:55:17,019 --> 00:55:15,650

thing this tree can burning Leigh we

1472

00:55:18,549 --> 00:55:17,029

stuck the hose in there we put it out

1473

00:55:20,109 --> 00:55:18,559

and it would start fire and he said

1474

00:55:22,180 --> 00:55:20,119

thank you that's a fine we wanted and

1475

00:55:23,499 --> 00:55:22,190

that's why I always said that's that's

1476

00:55:25,120 --> 00:55:23,509

what they want to do they just just done

1477

00:55:27,370 --> 00:55:25,130

this weird thing the while so when I'm

1478

00:55:30,309 --> 00:55:27,380

with Chris blood so yeah yeah where I'm

1479

00:55:31,870 --> 00:55:30,319

with Chris blood so in 2013 and I really

1480

00:55:33,549 --> 00:55:31,880

don't know him I'm just going past his

1481

00:55:35,799 --> 00:55:33,559

place I said Chris gonna stop by and see

1482

00:55:37,059 --> 00:55:35,809

you I want to see this burning tree and

1483

00:55:39,759 --> 00:55:37,069

take the pictures of the burning tree

1484

00:55:43,390 --> 00:55:39,769

and we're in his house and we're playing

1485

00:55:44,859 --> 00:55:43,400

on the computer and his wife is gone his

1486

00:55:46,809 --> 00:55:44,869

kids are all like University

1487

00:55:47,950 --> 00:55:46,819

kids they're all gone we're sitting

1488

00:55:49,809 --> 00:55:47,960

there by ourselves we're playing on

1489

00:55:51,759 --> 00:55:49,819

Facebook and I'm just ready to go to

1490

00:55:55,930 --> 00:55:51,769

Florida to lecture where I would read

1491

00:55:57,519 --> 00:55:55,940

meet ray and then I said to him he or

1492

00:55:59,230 --> 00:55:57,529

sudden I hear him saying what you guys

1493

00:56:00,910 --> 00:55:59,240

doing back in the house and I looked at

1494

00:56:02,950 --> 00:56:00,920

he's got three dogs big he's black lab a

1495

00:56:04,809 --> 00:56:02,960

medium-sized dog and this little tiny

1496

00:56:06,339 --> 00:56:04,819

trello and they're standing in a little

1497

00:56:07,989 --> 00:56:06,349

deliver here when he goes are you back

1498

00:56:09,460 --> 00:56:07,999

in house and we go into front doors wide

1499

00:56:12,370 --> 00:56:09,470

open so he puts the dogs back outside

1500

00:56:14,319 --> 00:56:12,380

and I leave and then I get to Florida

1501
00:56:15,819 --> 00:56:14,329
and he's got an email I said you know

1502
00:56:18,519 --> 00:56:15,829
I've got two more times after you left I

1503
00:56:19,749 --> 00:56:18,529
went back in the house and it's suddenly

1504
00:56:21,670 --> 00:56:19,759
the dogs are back in the house and I go

1505
00:56:23,380 --> 00:56:21,680
in the front doors wide open and then I

1506
00:56:24,999 --> 00:56:23,390
go in the bathroom I put dogs outside go

1507
00:56:26,799 --> 00:56:25,009
in the bathroom come out the dogs back

1508
00:56:28,239 --> 00:56:26,809
on us again doors wide open and I

1509
00:56:30,519 --> 00:56:28,249
thought yeah whatever you left the door

1510
00:56:32,140 --> 00:56:30,529
open I mean demeaning to me so when I

1511
00:56:34,509 --> 00:56:32,150
come back I'm going back to Washington

1512
00:56:35,799 --> 00:56:34,519
DC to drop off a rent-a-car I want to

1513
00:56:37,539 --> 00:56:35,809

take some more pictures of the tree and

1514

00:56:38,950 --> 00:56:37,549

he's got very very bizarre stories he

1515

00:56:41,109 --> 00:56:38,960

takes around shows you all these

1516

00:56:42,430 --> 00:56:41,119

different things that happened and it's

1517

00:56:44,049 --> 00:56:42,440

like a story that water brothers gonna

1518

00:56:46,180 --> 00:56:44,059

throw 80 million dollars at this story

1519

00:56:47,470 --> 00:56:46,190

it's just such a bizarre story and so

1520

00:56:49,269 --> 00:56:47,480

I'm taking pictures and this happens

1521

00:56:52,390 --> 00:56:49,279

within five minutes after I get there

1522

00:56:53,410 --> 00:56:52,400

finally this thing with the dog so he's

1523

00:56:54,999 --> 00:56:53,420

sitting there's just let's go in the

1524

00:56:56,710 --> 00:56:55,009

house and Nellie who's the big black lab

1525

00:56:58,690 --> 00:56:56,720

is right behind just sitting lying on

1526
00:57:01,239 --> 00:56:58,700
the grass behind us completely quiet and

1527
00:57:02,950 --> 00:57:01,249
we go to go in the house and I'm on the

1528
00:57:04,900 --> 00:57:02,960
left Chris is on the right and the dog

1529
00:57:06,819 --> 00:57:04,910
comes on my left side and I hear Chris

1530
00:57:08,950 --> 00:57:06,829
Cole tell me you know I've been using

1531
00:57:10,989 --> 00:57:08,960
and I look in this just bloody shooting

1532
00:57:12,759 --> 00:57:10,999
at the dog's neck like I got like a an

1533
00:57:14,529 --> 00:57:12,769
artery got hit like a one is shooting up

1534
00:57:16,269 --> 00:57:14,539
on the wall on the walls and the floor

1535
00:57:17,950 --> 00:57:16,279
and stuff and I go and when they were

1536
00:57:21,009 --> 00:57:17,960
letting the dogs out of the front door I

1537
00:57:22,930 --> 00:57:21,019
went as he left the door open I went wow

1538
00:57:24,609 --> 00:57:22,940

this is weird I go run into the car get

1539

00:57:26,079 --> 00:57:24,619

the camera I'm taking these pictures and

1540

00:57:27,729 --> 00:57:26,089

then Chris and I had this sort of the

1541

00:57:29,920 --> 00:57:27,739

debate and I said to Chris you know what

1542

00:57:31,599 --> 00:57:29,930

I need to do it they burnt the tree they

1543

00:57:32,859 --> 00:57:31,609

want a movie they want this story out

1544

00:57:34,359 --> 00:57:32,869

they want you to tell the story and

1545

00:57:35,769 --> 00:57:34,369

that's why they didn't he said no i

1546

00:57:38,890 --> 00:57:35,779

thought was a shadow people i said no no

1547

00:57:40,900 --> 00:57:38,900

i was and and what happened was they to

1548

00:57:42,370 --> 00:57:40,910

me it was like you're not impressed with

1549

00:57:47,170 --> 00:57:42,380

us letting dogs out the front door watch

1550

00:57:49,150 --> 00:57:47,180

this and when i looked my pants the dog

1551
00:57:50,979 --> 00:57:49,160
came on my side the side of my pants a

1552
00:57:52,839 --> 00:57:50,989
color to take a dog to run by you like a

1553
00:57:54,099 --> 00:57:52,849
quarter of a second time my pants looked

1554
00:57:54,430 --> 00:57:54,109
like the dog of been standing for five

1555
00:57:56,170 --> 00:57:54,440
minutes

1556
00:57:58,319 --> 00:57:56,180
there's blood off up and down inside of

1557
00:57:59,939 --> 00:57:58,329
my pants Chris puts his hand on the

1558
00:58:02,429 --> 00:57:59,949
he's good the dog is lying down

1559
00:58:04,199 --> 00:58:02,439
completely calm takes it the drag up

1560
00:58:06,299 --> 00:58:04,209
which is awful oblige the dog runs off

1561
00:58:08,069 --> 00:58:06,309
and they look for a wound they could not

1562
00:58:09,779 --> 00:58:08,079
find any wound of the dog and it's those

1563
00:58:12,449 --> 00:58:09,789

kind of bizarre things and the dog is

1564

00:58:14,549 --> 00:58:12,459

all gone right Doris okay okay that's

1565

00:58:15,599 --> 00:58:14,559

what we all want the whole thing yeah

1566

00:58:16,769 --> 00:58:15,609

and that's the whole thing is that

1567

00:58:18,449 --> 00:58:16,779

they're doing these bizarre things

1568

00:58:20,549 --> 00:58:18,459

because I tell this story every time

1569

00:58:21,839 --> 00:58:20,559

every chance I get and then he said no I

1570

00:58:23,699 --> 00:58:21,849

don't think that's what it was and then

1571

00:58:25,709 --> 00:58:23,709

a couple weeks later he phones he says I

1572

00:58:27,089 --> 00:58:25,719

suck at those photographs were taking

1573

00:58:29,130 --> 00:58:27,099

one of others would like to see the

1574

00:58:31,169 --> 00:58:29,140

photographs so whenever they do this

1575

00:58:32,160 --> 00:58:31,179

story wherever this story comes out this

1576

00:58:33,269 --> 00:58:32,170

is gonna be one of the stories and

1577

00:58:35,370 --> 00:58:33,279

that's what they do they burn the tree

1578

00:58:37,499 --> 00:58:35,380

they do the thing like his first night

1579

00:58:39,509 --> 00:58:37,509

when you had the sighting there was 14

1580

00:58:41,370 --> 00:58:39,519

UFOs people don't realize how impressive

1581

00:58:42,809 --> 00:58:41,380

this story what there was aliens all

1582

00:58:43,229 --> 00:58:42,819

over the place there was one chasing the

1583

00:58:45,059 --> 00:58:43,239

truck

1584

00:58:46,709 --> 00:58:45,069

his son was pinned down on the bush by

1585

00:58:49,919 --> 00:58:46,719

these two three four aliens with the red

1586

00:58:52,199 --> 00:58:49,929

eyes and when he gets home these these

1587

00:58:54,569 --> 00:58:52,209

these beings are in in the bush and he

1588

00:58:56,759 --> 00:58:54,579

goes out there and then there's one tall

1589

00:58:58,650 --> 00:58:56,769

seven-foot blueish green being that

1590

00:59:00,150 --> 00:58:58,660

comes up to the window it was the most

1591

00:59:02,130 --> 00:59:00,160

bizarre thing like why would he do this

1592

00:59:04,439 --> 00:59:02,140

like it was almost like they want this

1593

00:59:06,479 --> 00:59:04,449

story told it's just so bizarre you know

1594

00:59:08,519 --> 00:59:06,489

eight eight or nine UFOs moving like a

1595

00:59:10,199 --> 00:59:08,529

constellation across the sky as this

1596

00:59:11,729 --> 00:59:10,209

thing starts and here's this guy who

1597

00:59:14,880 --> 00:59:11,739

doesn't really believe anything

1598

00:59:16,859 --> 00:59:14,890

Pentecostal Deacon it has no interest in

1599

00:59:18,839 --> 00:59:16,869

UFOs is suddenly thrust into the story

1600

00:59:21,509 --> 00:59:18,849

with all these contractors there's five

1601
00:59:22,979 --> 00:59:21,519
witnesses and it's a story where Warner

1602
00:59:25,859 --> 00:59:22,989
Brothers looks at incense bogging we

1603
00:59:27,660 --> 00:59:25,869
loved it it was that fact it was Mel

1604
00:59:29,249 --> 00:59:27,670
Gibson now Gibson wanted to play the

1605
00:59:30,839 --> 00:59:29,259
lead role called want to play Chris

1606
00:59:33,239 --> 00:59:30,849
Bledsoe in his movie and they were going

1607
00:59:34,559 --> 00:59:33,249
to have Julia Roberts in the movie and

1608
00:59:35,640 --> 00:59:34,569
that's what I think they're doing

1609
00:59:37,499 --> 00:59:35,650
they're doing this kind of thing where

1610
00:59:39,329 --> 00:59:37,509
they're going Wow tell the story tell

1611
00:59:41,640 --> 00:59:39,339
the story and the more people hear it

1612
00:59:42,870 --> 00:59:41,650
it's it's almost like now you can talk

1613
00:59:44,219 --> 00:59:42,880

to someone on the street and they may

1614

00:59:46,380 --> 00:59:44,229

not believe you but not good I call you

1615

00:59:48,120 --> 00:59:46,390

crazy anymore their consciousness has

1616

00:59:49,559 --> 00:59:48,130

shifted and I think this is what they're

1617

00:59:50,819 --> 00:59:49,569

going to be shifting consciousness the

1618

00:59:52,319 --> 00:59:50,829

same as that's why they believe through

1619

00:59:54,150 --> 00:59:52,329

the stars is doing they're shifting

1620

00:59:55,289 --> 00:59:54,160

consciousness they're not trying to

1621

00:59:57,870 --> 00:59:55,299

impress anybody they're not trying to

1622

01:00:00,719 --> 00:59:57,880

prove anything in the end they're just

1623

01:00:02,640 --> 01:00:00,729

moving that that spectrum over so more

1624

01:00:05,309 --> 01:00:02,650

more people are accustomed to the fact

1625

01:00:06,689 --> 01:00:05,319

that when it comes out people won't be

1626
01:00:08,339 --> 01:00:06,699
surprised there was even a guy by name

1627
01:00:10,919 --> 01:00:08,349
is kid green who's on get to the stars

1628
01:00:12,030 --> 01:00:10,929
he works with experiencers he does the

1629
01:00:13,320 --> 01:00:12,040
brain scans on the expert

1630
01:00:16,760 --> 01:00:13,330
inches they talk about the experiences

1631
01:00:19,650 --> 01:00:16,770
all have this antenna you're tapped into

1632
01:00:23,160 --> 01:00:19,660
whatever this phenomena is they call it

1633
01:00:24,630 --> 01:00:23,170
an antenna and soak it green tells a

1634
01:00:29,100 --> 01:00:24,640
story he's interviewed just a number of

1635
01:00:30,240 --> 01:00:29,110
years ago for a book called carrier in

1636
01:00:31,860 --> 01:00:30,250
the book but there's a guy who believed

1637
01:00:34,230 --> 01:00:31,870
it was all government disinformation

1638
01:00:36,030 --> 01:00:34,240

type stuff and kit Green says to him he

1639

01:00:38,610 --> 01:00:36,040

says he was talking about sir pond he

1640

01:00:40,560 --> 01:00:38,620

said no no no don't pour that story out

1641

01:00:42,750 --> 01:00:40,570

he said there's that's this classified

1642

01:00:44,850 --> 01:00:42,760

material in there and then he said what

1643

01:00:46,950 --> 01:00:44,860

would you do if you had to get this

1644

01:00:48,090 --> 01:00:46,960

story what would you do it's fine to sit

1645

01:00:49,230 --> 01:00:48,100

on the sidelines and said the governor

1646

01:00:50,130 --> 01:00:49,240

should do this governor should go but

1647

01:00:51,510 --> 01:00:50,140

what happens if you're the government

1648

01:00:53,070 --> 01:00:51,520

and you have to do something about this

1649

01:00:54,480 --> 01:00:53,080

he said well you put out all sorts of

1650

01:00:56,400 --> 01:00:54,490

memes about the reptilians you're eating

1651

01:00:58,470 --> 01:00:56,410

your kids and all this kind of stuff and

1652

01:01:00,060 --> 01:00:58,480

then if something comes out if they

1653

01:01:02,220 --> 01:01:00,070

suddenly release the story it's just

1654

01:01:04,950 --> 01:01:02,230

going to be we're being visited for some

1655

01:01:06,600 --> 01:01:04,960

whatever reason by things and the people

1656

01:01:08,610 --> 01:01:06,610

will immediately go while the eating our

1657

01:01:10,380 --> 01:01:08,620

kids they go no not eaten the kids they

1658

01:01:11,670 --> 01:01:10,390

never go well it was a big deal what's

1659

01:01:12,960 --> 01:01:11,680

the big deal and that's what they're

1660

01:01:14,760 --> 01:01:12,970

doing is the I think the government's

1661

01:01:15,900 --> 01:01:14,770

doing the same acclimatization and I've

1662

01:01:17,880 --> 01:01:15,910

written a number of books about this

1663

01:01:22,260 --> 01:01:17,890

about the government gradually leaking

1664

01:01:24,360 --> 01:01:22,270

these stories that are sort of gradually

1665

01:01:28,380 --> 01:01:24,370

putting putting out the message of what

1666

01:01:30,990 --> 01:01:28,390

they're doing I have one big question

1667

01:01:34,680 --> 01:01:31,000

for you and I want to have a moment to

1668

01:01:37,770 --> 01:01:34,690

just pose it out for you yeah and that

1669

01:01:40,650 --> 01:01:37,780

is that you know you and I and perhaps

1670

01:01:44,730 --> 01:01:40,660

many of our readers may agree that

1671

01:01:47,220 --> 01:01:44,740

consciousness is primary and not get any

1672

01:01:50,570 --> 01:01:47,230

argument you won't get any argument from

1673

01:01:54,000 --> 01:01:50,580

me about that however just because

1674

01:02:00,300 --> 01:01:54,010

everything is connected and I believe it

1675

01:02:03,150 --> 01:02:00,310

is I'm still not totally convinced that

1676

01:02:06,360 --> 01:02:03,160

all the different experiences and I'm

1677

01:02:09,570 --> 01:02:06,370

not talking about past life experiences

1678

01:02:11,280 --> 01:02:09,580

versus UFO experiences I'm talking about

1679

01:02:14,070 --> 01:02:11,290

experiences quote unquote

1680

01:02:16,140 --> 01:02:14,080

of the others now for the purposes of

1681

01:02:18,450 --> 01:02:16,150

this discussion I would choose to call

1682

01:02:21,600 --> 01:02:18,460

them entities whether they're aliens

1683

01:02:24,720 --> 01:02:21,610

whether they're angels whether they're

1684

01:02:25,950 --> 01:02:24,730

you know just non corporeal beings

1685

01:02:28,260 --> 01:02:25,960

floating in the APIs

1686

01:02:33,180 --> 01:02:28,270

fear we don't know in fact we really

1687

01:02:37,020 --> 01:02:33,190

don't know but you get stuff going on

1688

01:02:40,770 --> 01:02:37,030

like was at the skinwalker ranch there

1689

01:02:43,140 --> 01:02:40,780

where animals were mutilated and and

1690

01:02:44,910 --> 01:02:43,150

other places in that you need a basin

1691

01:02:47,970 --> 01:02:44,920

and other places around the world where

1692

01:02:52,230 --> 01:02:47,980

animals are mutilated where cats are cut

1693

01:02:56,400 --> 01:02:52,240

in half yeah and like take the missing

1694

01:02:58,290 --> 01:02:56,410

for one one situation people go missing

1695

01:03:00,540 --> 01:02:58,300

and the amount of people that go missing

1696

01:03:03,270 --> 01:03:00,550

in the United States alone in Canada

1697

01:03:05,700 --> 01:03:03,280

it's just it's a monumental number and

1698

01:03:07,710 --> 01:03:05,710

of course some people just want to

1699

01:03:10,160 --> 01:03:07,720

disappear of this some people could be

1700

01:03:14,280 --> 01:03:10,170

murdered but there are these really

1701
01:03:16,079 --> 01:03:14,290
unexplained missing situations sometimes

1702
01:03:20,280 --> 01:03:16,089
the bodies found sometimes it's never

1703
01:03:22,620 --> 01:03:20,290
found so my point here is I want to

1704
01:03:25,440 --> 01:03:22,630
believe that there's something good in

1705
01:03:30,030 --> 01:03:25,450
the universe or in all of consciousness

1706
01:03:33,270 --> 01:03:30,040
but I my experience tells me that it the

1707
01:03:37,230 --> 01:03:33,280
the beings aren't all the same thing

1708
01:03:42,930 --> 01:03:37,240
so that like when when at the the the

1709
01:03:45,960 --> 01:03:42,940
the skinwalker ranch the the some of the

1710
01:03:48,540 --> 01:03:45,970
the one fellow he found out that he had

1711
01:03:51,240 --> 01:03:48,550
sort of like a a hitchhiker on him and

1712
01:03:53,070 --> 01:03:51,250
he went home and he was having all kinds

1713
01:03:56,849 --> 01:03:53,080

of bad experiences and even as children

1714

01:03:59,970 --> 01:03:56,859

were having bad experiences how do we

1715

01:04:02,099 --> 01:03:59,980

how do we put that together in Grant

1716

01:04:05,190 --> 01:04:02,109

Cameron's a world how does grant can

1717

01:04:08,010 --> 01:04:05,200

okay that together okay I say that's I

1718

01:04:09,329 --> 01:04:08,020

think that's great six you do this kind

1719

01:04:10,829 --> 01:04:09,339

of stuff okay let's do skinwalker ranch

1720

01:04:13,109 --> 01:04:10,839

first oh and you talked about

1721

01:04:14,700 --> 01:04:13,119

manifesting so I if you if you know I've

1722

01:04:16,920 --> 01:04:14,710

done a lot of research on remission Rama

1723

01:04:19,440 --> 01:04:16,930

so mission Rama is the same thing so the

1724

01:04:21,240 --> 01:04:19,450

the skinwalker ranch has the portal and

1725

01:04:22,680 --> 01:04:21,250

you have this sort of being coming out

1726

01:04:26,940 --> 01:04:22,690

of the portal and it's it's sort of

1727

01:04:28,760 --> 01:04:26,950

scary type stuff and so you've got guys

1728

01:04:31,380 --> 01:04:28,770

there we're walking around with guns

1729

01:04:32,820 --> 01:04:31,390

they're all military people there it's

1730

01:04:35,040 --> 01:04:32,830

it's it's complete different world you

1731

01:04:37,290 --> 01:04:35,050

get the mission Rama stuff and these

1732

01:04:38,640 --> 01:04:37,300

people they meditate they're owning and

1733

01:04:39,810 --> 01:04:38,650

this sort of stuff and they're opening

1734

01:04:42,060 --> 01:04:39,820

these Enders they call them

1735

01:04:47,700 --> 01:04:42,070

Andras there are no mutilated animals

1736

01:04:48,960 --> 01:04:47,710

there are no you know scary things

1737

01:04:51,060 --> 01:04:48,970

coming out of portals and stuff like

1738

01:04:53,400 --> 01:04:51,070

that and so it may come down to the fact

1739

01:04:55,290 --> 01:04:53,410

that you sort of manifest what you which

1740

01:04:56,880 --> 01:04:55,300

you've got so the skinwalker ranch is a

1741

01:04:58,680 --> 01:04:56,890

completely different thing than the

1742

01:05:00,380 --> 01:04:58,690

mission Rama experiences is two

1743

01:05:03,060 --> 01:05:00,390

different types of people manifesting

1744

01:05:04,680 --> 01:05:03,070

what's coming out the whole thing with

1745

01:05:07,140 --> 01:05:04,690

the the evil aliens and the abduction

1746

01:05:09,720 --> 01:05:07,150

stuff if you look at the abduction stuff

1747

01:05:12,330 --> 01:05:09,730

that's the the hard one to to deal with

1748

01:05:15,060 --> 01:05:12,340

so you look at we say okay there's evil

1749

01:05:17,250 --> 01:05:15,070

aliens as above so below then there

1750

01:05:18,840 --> 01:05:17,260

there are these actual aliens there's

1751

01:05:20,520 --> 01:05:18,850

good aliens and there's bad aliens and

1752

01:05:22,860 --> 01:05:20,530

that's the same on earth so then I

1753

01:05:25,260 --> 01:05:22,870

immediately say well which race on earth

1754

01:05:27,870 --> 01:05:25,270

is evil the idea that there are evil

1755

01:05:30,150 --> 01:05:27,880

racism to me is absolute xenophobic

1756

01:05:32,400 --> 01:05:30,160

racism it's just crazy idea I mean there

1757

01:05:34,140 --> 01:05:32,410

you have in the world the way the world

1758

01:05:37,260 --> 01:05:34,150

works to me is it's reincarnation so you

1759

01:05:38,520 --> 01:05:37,270

have beings reincarnating over and over

1760

01:05:40,890 --> 01:05:38,530

again and they do good things and bad

1761

01:05:42,780 --> 01:05:40,900

things so there's been ten ten thousand

1762

01:05:43,350 --> 01:05:42,790

cattle mutilations and we say this is

1763

01:05:45,630 --> 01:05:43,360

horrible

1764

01:05:46,980 --> 01:05:45,640

let's let the cows vote on this that's

1765

01:05:49,140 --> 01:05:46,990

what the cows is getting two hundred

1766

01:05:51,840 --> 01:05:49,150

animals a year cows are going to be

1767

01:05:54,960 --> 01:05:51,850

mutilated by aliens or if you go with

1768

01:05:56,160 --> 01:05:54,970

the humans it's forty 1.7 million cows a

1769

01:05:59,070 --> 01:05:56,170

year in the United States that are

1770

01:06:01,800 --> 01:05:59,080

killed nine billion chickens four

1771

01:06:02,730 --> 01:06:01,810

thousand cats a day are euthanized in

1772

01:06:04,830 --> 01:06:02,740

the United States and we say Oh

1773

01:06:06,420 --> 01:06:04,840

euthanize a miraculous euthanizing

1774

01:06:08,010 --> 01:06:06,430

because then they're objects we don't

1775

01:06:09,780 --> 01:06:08,020

really need them there's too many cats

1776

01:06:11,100 --> 01:06:09,790

and we do we do this kind of stuff the

1777

01:06:12,750 --> 01:06:11,110

other thing about the calculations if

1778

01:06:15,030 --> 01:06:12,760

you start to look at what is actually

1779

01:06:20,400 --> 01:06:15,040

going on what is really going on you

1780

01:06:22,950 --> 01:06:20,410

start to look at Perkins Kenna versus

1781

01:06:26,070 --> 01:06:22,960

first name Perkins says and he's got the

1782

01:06:27,210 --> 01:06:26,080

biggest catalogs he's a big cattle

1783

01:06:30,090 --> 01:06:27,220

mutilation guy he's got going the

1784

01:06:32,340 --> 01:06:30,100

biggest organs David Park conceived at

1785

01:06:35,340 --> 01:06:32,350

Burke and David Perkins he's got one of

1786

01:06:38,220 --> 01:06:35,350

the biggest category catalogs of cattle

1787

01:06:40,230 --> 01:06:38,230

mutilations in in in the world he says

1788

01:06:43,220 --> 01:06:40,240

all calculations happened downwind and

1789

01:06:46,200 --> 01:06:43,230

downstream from nuclear power activities

1790

01:06:50,250 --> 01:06:46,210

accidents nuclear testing and stuff like

1791

01:06:52,740 --> 01:06:50,260

that if you take a look at the the knids

1792

01:06:53,640 --> 01:06:52,750

report said they thought it would had to

1793

01:06:55,319 --> 01:06:53,650

do with man

1794

01:06:57,240 --> 01:06:55,329

cow disease that someone's doing a

1795

01:06:58,620 --> 01:06:57,250

monitoring program so you have this

1796

01:07:00,150 --> 01:06:58,630

monitoring program that somebody's

1797

01:07:01,680 --> 01:07:00,160

running around and that's why they take

1798

01:07:03,329 --> 01:07:01,690

the tongue that's why they take the the

1799

01:07:04,589 --> 01:07:03,339

general stuff because these are the new

1800

01:07:06,210 --> 01:07:04,599

tissues that if you're going to find

1801
01:07:08,279 --> 01:07:06,220
some sort of contamination in the soil

1802
01:07:09,779 --> 01:07:08,289
that's where you're going to find it the

1803
01:07:11,730 --> 01:07:09,789
key to the abduction thing is people

1804
01:07:13,200 --> 01:07:11,740
only tell half the abduction story so

1805
01:07:14,609 --> 01:07:13,210
you have the whatever it is where

1806
01:07:15,599 --> 01:07:14,619
there's a government that's doing a lot

1807
01:07:16,980 --> 01:07:15,609
of people believe it's the government's

1808
01:07:18,599 --> 01:07:16,990
doing this monitoring program I don't

1809
01:07:20,160 --> 01:07:18,609
believe it is because we're moving into

1810
01:07:22,440 --> 01:07:20,170
get been law and we had the best people

1811
01:07:23,460 --> 01:07:22,450
that we could possibly get a team in

1812
01:07:25,500 --> 01:07:23,470
there and we held a crashed helicopter

1813
01:07:27,210 --> 01:07:25,510

there's no way you could do ten thousand

1814

01:07:28,589 --> 01:07:27,220

calculations and not crash a helicopter

1815

01:07:29,940 --> 01:07:28,599

and get caught and you wouldn't be

1816

01:07:31,019 --> 01:07:29,950

shooting back at the farmers and stuff

1817

01:07:32,730 --> 01:07:31,029

like that so I don't believe it's the

1818

01:07:35,010 --> 01:07:32,740

government but whoever is doing the

1819

01:07:37,019 --> 01:07:35,020

thing a lot of the people who are

1820

01:07:38,370 --> 01:07:37,029

working on this thing believe that this

1821

01:07:40,529 --> 01:07:38,380

is some sort of monitoring operation

1822

01:07:42,029 --> 01:07:40,539

they're monitoring these these cows the

1823

01:07:43,920 --> 01:07:42,039

part of the story that always people

1824

01:07:46,289 --> 01:07:43,930

always leave out is the wow factor

1825

01:07:48,000 --> 01:07:46,299

so now that's Linda how this lots of

1826

01:07:50,460 --> 01:07:48,010

times never gotten an answer

1827

01:07:51,930 --> 01:07:50,470

I say it's actually 20,000 mutilations

1828

01:07:53,940 --> 01:07:51,940

so you have to go in there you get the

1829

01:07:55,170 --> 01:07:53,950

cow you pick up the cow and then you fly

1830

01:07:58,289 --> 01:07:55,180

off you do whatever you're going to do

1831

01:08:00,510 --> 01:07:58,299

to the cow and the question is why do

1832

01:08:02,460 --> 01:08:00,520

they come back into the war zone

1833

01:08:04,470 --> 01:08:02,470

why do you fly back in whether there's a

1834

01:08:07,349 --> 01:08:04,480

government or the aliens and drop the

1835

01:08:09,089 --> 01:08:07,359

cow in the front yard of the farmer from

1836

01:08:11,880 --> 01:08:09,099

a hundred feet and drive this thing into

1837

01:08:14,160 --> 01:08:11,890

the ground because they want Linda Howe

1838

01:08:16,220 --> 01:08:14,170

and Perkins and all these people to take

1839

01:08:18,599 --> 01:08:16,230

pictures and they want people to

1840

01:08:20,579 --> 01:08:18,609

publicize this thing that's why they

1841

01:08:22,559 --> 01:08:20,589

drop the thing if you if you're if

1842

01:08:25,079 --> 01:08:22,569

you're an alien and you've got you need

1843

01:08:26,519 --> 01:08:25,089

this cow for whatever purpose you're

1844

01:08:28,439 --> 01:08:26,529

going to do we eat them and then say

1845

01:08:30,300 --> 01:08:28,449

they're using it for genetic stuff why

1846

01:08:32,070 --> 01:08:30,310

do you come back and drop the cow it

1847

01:08:35,160 --> 01:08:32,080

doesn't make any sense you've got the

1848

01:08:36,240 --> 01:08:35,170

cow go and you know make it vaporize or

1849

01:08:38,160 --> 01:08:36,250

put it in the ocean or something like

1850

01:08:39,840 --> 01:08:38,170

that they come back it's the message as

1851
01:08:41,880 --> 01:08:39,850
they're dropping that's why with the

1852
01:08:43,709 --> 01:08:41,890
with the cats why why would you drop the

1853
01:08:45,870 --> 01:08:43,719
cat back in the front yard is it's

1854
01:08:47,849 --> 01:08:45,880
always this messaging thing that that

1855
01:08:49,919 --> 01:08:47,859
there may be a message behind us it's

1856
01:08:52,439 --> 01:08:49,929
not that that's simple and when you look

1857
01:08:53,640 --> 01:08:52,449
at the the reports that are done it's it

1858
01:08:55,019 --> 01:08:53,650
seems to have something do with

1859
01:08:57,450 --> 01:08:55,029
monitoring and the other thing when you

1860
01:09:00,780 --> 01:08:57,460
get this manifesting thing if you listen

1861
01:09:04,110 --> 01:09:00,790
to Chris O'Brien he wrote these two big

1862
01:09:06,629 --> 01:09:04,120
books on calculations he says he has yet

1863
01:09:08,129 --> 01:09:06,639

and one of the biggest cow breeds in the

1864

01:09:10,200 --> 01:09:08,139

world is the

1865

01:09:12,329 --> 01:09:10,210

there has never been a mutilation of a

1866

01:09:13,680 --> 01:09:12,339

Brahmin and there's been and he says one

1867

01:09:14,970 --> 01:09:13,690

out of twenty is reported so you're

1868

01:09:17,340 --> 01:09:14,980

talking two hundred thousand cattle

1869

01:09:19,439 --> 01:09:17,350

mutilations according to his stats never

1870

01:09:21,780 --> 01:09:19,449

a single one in the world has been

1871

01:09:24,570 --> 01:09:21,790

mutilated and why and why might that be

1872

01:09:26,999 --> 01:09:24,580

because the Indians consider them to be

1873

01:09:29,640 --> 01:09:27,009

sacred animals and so it comes to the

1874

01:09:32,459 --> 01:09:29,650

idea we treat them as meat and we

1875

01:09:34,919 --> 01:09:32,469

mutilate 41 million a year we cut them

1876

01:09:36,300 --> 01:09:34,929

up and then we eat them and and and

1877

01:09:37,919 --> 01:09:36,310

there's never been a brainy said he's

1878

01:09:40,169 --> 01:09:37,929

looked and looked and looked he's never

1879

01:09:43,110 --> 01:09:40,179

seen and he actually says there may be a

1880

01:09:46,019 --> 01:09:43,120

religious aspect to this whole thing so

1881

01:09:47,399 --> 01:09:46,029

cat emulation is a hard one to two to

1882

01:09:49,260 --> 01:09:47,409

work on and I'm working on this thing

1883

01:09:51,030 --> 01:09:49,270

looking at this thing so I would say

1884

01:09:53,189 --> 01:09:51,040

you've gotta you've got to look at the

1885

01:09:54,720 --> 01:09:53,199

the dropping of the cow is the part that

1886

01:09:56,669 --> 01:09:54,730

nobody everything always wants to have

1887

01:09:58,110 --> 01:09:56,679

the thing about what did they take and

1888

01:10:00,240 --> 01:09:58,120

why would someone do this

1889

01:10:02,330 --> 01:10:00,250

you know we we're the good guys we're

1890

01:10:04,470 --> 01:10:02,340

killing all these millions we have a

1891

01:10:06,000 --> 01:10:04,480

legitimate reason but they couldn't

1892

01:10:09,030 --> 01:10:06,010

possibly have a legitimate reason to do

1893

01:10:12,180 --> 01:10:09,040

this studies can I be the devil's

1894

01:10:13,950 --> 01:10:12,190

advocate here only you know I don't know

1895

01:10:16,020 --> 01:10:13,960

I'm not saying I believe this I'm saying

1896

01:10:18,740 --> 01:10:16,030

I really don't know with the dropping of

1897

01:10:21,479 --> 01:10:18,750

the cattle back some people posit that

1898

01:10:23,189 --> 01:10:21,489

the government does that so that the

1899

01:10:27,149 --> 01:10:23,199

farmer can get the money and the

1900

01:10:29,459 --> 01:10:27,159

insurance by giving the body in what but

1901

01:10:32,129 --> 01:10:29,469

according to O'Brien most of most cattle

1902

01:10:35,100 --> 01:10:32,139

farmers don't even report them okay he

1903

01:10:37,169 --> 01:10:35,110

figures a one out of ten or something or

1904

01:10:39,570 --> 01:10:37,179

one out of twenty are reporting these

1905

01:10:40,590 --> 01:10:39,580

things and the risk is and this is this

1906

01:10:42,120 --> 01:10:40,600

thing about the government doing it

1907

01:10:43,740 --> 01:10:42,130

where I don't really believe it is that

1908

01:10:45,899 --> 01:10:43,750

you're gonna go in there this is twenty

1909

01:10:47,459 --> 01:10:45,909

thousand and you remember when we went

1910

01:10:49,110 --> 01:10:47,469

to the get the Iranian hostages we

1911

01:10:50,970 --> 01:10:49,120

crashed all the helicopters we had the

1912

01:10:52,260 --> 01:10:50,980

eighteen with with the top helicopters

1913

01:10:54,000 --> 01:10:52,270

no talk people who are we crashed

1914

01:10:55,439 --> 01:10:54,010

helicopter what's the chances you could

1915

01:10:57,270 --> 01:10:55,449

you could do this ten thousand cattle

1916

01:11:00,360 --> 01:10:57,280

mutilations over all these years and get

1917

01:11:02,220 --> 01:11:00,370

caught I say simple you take a look if

1918

01:11:03,390 --> 01:11:02,230

this were confirmed that you crashed a

1919

01:11:05,250 --> 01:11:03,400

helicopter if it was the government

1920

01:11:08,010 --> 01:11:05,260

doing this and they crashed a helicopter

1921

01:11:09,899 --> 01:11:08,020

can you imagine this story on the front

1922

01:11:12,209 --> 01:11:09,909

page in New York Times the American

1923

01:11:14,250 --> 01:11:12,219

government mutilated ten thousand cattle

1924

01:11:15,660 --> 01:11:14,260

and they were shooting at farmers and

1925

01:11:17,490 --> 01:11:15,670

this sort of the government Falls

1926

01:11:19,320 --> 01:11:17,500

there's no way if you take a look at the

1927

01:11:20,189 --> 01:11:19,330

guy who ran the Ben Laden operation and

1928

01:11:22,080 --> 01:11:20,199

I

1929

01:11:24,419 --> 01:11:22,090

name it Raven is his name he did a

1930

01:11:26,759 --> 01:11:24,429

thesis on I guess a master's thesis on

1931

01:11:29,100 --> 01:11:26,769

this whole thing he said it's you reduce

1932

01:11:31,680 --> 01:11:29,110

your program to the least risk there's

1933

01:11:33,569 --> 01:11:31,690

no way in the world I think that the

1934

01:11:35,580 --> 01:11:33,579

government would do this the amount of

1935

01:11:38,640 --> 01:11:35,590

risk of crashing helicopter and get

1936

01:11:41,100 --> 01:11:38,650

caught doing this is is way beyond what

1937

01:11:43,469 --> 01:11:41,110

all you have to do is you say okay Chris

1938

01:11:45,509 --> 01:11:43,479

O'Brien has got 120 cattle and we need

1939

01:11:47,609 --> 01:11:45,519

one from his one of his herd

1940

01:11:50,549 --> 01:11:47,619

he's going to sell a cow all you do is

1941

01:11:52,169 --> 01:11:50,559

get an insight it is some guy in the

1942

01:11:54,060 --> 01:11:52,179

auction house and when his cow comes

1943

01:11:55,830 --> 01:11:54,070

through you just buy it why would you go

1944

01:11:58,649 --> 01:11:55,840

through spending billions of dollars and

1945

01:12:00,209 --> 01:11:58,659

risk getting caught mutilating people's

1946

01:12:02,250 --> 01:12:00,219

cows and then dropping them in

1947

01:12:03,839 --> 01:12:02,260

somebody's in the front yard to

1948

01:12:06,180 --> 01:12:03,849

intimidate the thing and there's all

1949

01:12:07,500 --> 01:12:06,190

these reports of the shootouts why would

1950

01:12:08,850 --> 01:12:07,510

he or the American government why would

1951

01:12:11,489 --> 01:12:08,860

you be shooting at the farmers can you

1952

01:12:12,839 --> 01:12:11,499

imagine if that story were to break it

1953

01:12:14,640 --> 01:12:12,849

was the end of government it would just

1954

01:12:16,949 --> 01:12:14,650

to be millions of lawsuits millions

1955

01:12:19,379 --> 01:12:16,959

billions of dollars of the lawsuits what

1956

01:12:21,089 --> 01:12:19,389

would fall I agree with you it was just

1957

01:12:24,060 --> 01:12:21,099

being the devil's advocate because I

1958

01:12:25,169 --> 01:12:24,070

know people but people always bring that

1959

01:12:27,060 --> 01:12:25,179

up that they believe this is the

1960

01:12:30,209 --> 01:12:27,070

government and I never bill Moore who is

1961

01:12:32,310 --> 01:12:30,219

famous in the 80s and he actually had

1962

01:12:33,569 --> 01:12:32,320

work for the CIA he was brought up this

1963

01:12:36,449 --> 01:12:33,579

thing about there was one where they

1964

01:12:38,699 --> 01:12:36,459

found the gas masks and they found some

1965

01:12:39,870 --> 01:12:38,709

radar chaff in a cow's mouth and they

1966

01:12:41,100 --> 01:12:39,880

said well it just proves it's the

1967

01:12:42,569 --> 01:12:41,110

government and the government may do

1968

01:12:44,609 --> 01:12:42,579

stuff like that where they want you to

1969

01:12:46,529 --> 01:12:44,619

think it's the government but build more

1970

01:12:48,060 --> 01:12:46,539

said the same thing he said there's no

1971

01:12:50,669 --> 01:12:48,070

wait the CIA would do something that

1972

01:12:52,049 --> 01:12:50,679

risk is way too high all you do is go by

1973

01:12:53,939 --> 01:12:52,059

the cow why would you do this other

1974

01:12:56,279 --> 01:12:53,949

stupid thing and and risk getting

1975

01:12:57,899 --> 01:12:56,289

carcass in the 70s now there's and and

1976

01:12:59,310 --> 01:12:57,909

the other thing about calculations is I

1977

01:13:01,169 --> 01:12:59,320

don't care what anybody says they have

1978

01:13:03,899 --> 01:13:01,179

basically stocked there you have calvin

1979

01:13:06,060 --> 01:13:03,909

relations in argentina but in the 1970s

1980

01:13:07,140 --> 01:13:06,070

there was piles there was a farmer

1981

01:13:08,640 --> 01:13:07,150

standing out there and they were

1982

01:13:10,080 --> 01:13:08,650

shooting at anything that moved because

1983

01:13:12,209 --> 01:13:10,090

they were so furious there was cattlemen

1984

01:13:14,219 --> 01:13:12,219

75 again is the biggest year of

1985

01:13:15,750 --> 01:13:14,229

calculations it was when Travis when I

1986

01:13:19,830 --> 01:13:15,760

had my sighting all these things happen

1987

01:13:21,569 --> 01:13:19,840

in 75 and the the risk that you have in

1988

01:13:22,830 --> 01:13:21,579

going in there and but a lot of people

1989

01:13:24,540 --> 01:13:22,840

will maintain this is the government and

1990

01:13:26,250 --> 01:13:24,550

I say that does make any sense either

1991

01:13:28,410 --> 01:13:26,260

but the thing that I always say to

1992

01:13:30,569 --> 01:13:28,420

people you have to explain to to go that

1993

01:13:32,399 --> 01:13:30,579

calculation is why are they dropping the

1994

01:13:33,660 --> 01:13:32,409

cow why are they going back in and

1995

01:13:35,700 --> 01:13:33,670

taking the risk of draw

1996

01:13:37,380 --> 01:13:35,710

penis cow and even Linda said the last

1997

01:13:39,060 --> 01:13:37,390

night stalkers said they're taunting us

1998

01:13:39,959 --> 01:13:39,070

and that's what I got yeah yeah I said

1999

01:13:40,740 --> 01:13:39,969

that's right that's what they're doing

2000

01:13:42,240 --> 01:13:40,750

they're taunting us

2001

01:13:43,430 --> 01:13:42,250

they're basically sending a message

2002

01:13:45,720 --> 01:13:43,440

whatever the message is you're

2003

01:13:47,459 --> 01:13:45,730

contaminating the world and you and I

2004

01:13:49,620 --> 01:13:47,469

may not know why they draw why that cow

2005

01:13:50,939 --> 01:13:49,630

got mutilated but I can guarantee if

2006

01:13:53,459 --> 01:13:50,949

someone in the government is going did

2007

01:13:55,380 --> 01:13:53,469

you see where that cow ended up did you

2008

01:13:57,090 --> 01:13:55,390

see that and they know exactly what the

2009

01:13:58,800 --> 01:13:57,100

contamination is they know exactly why

2010

01:14:00,510 --> 01:13:58,810

these things are dropping in same as why

2011

01:14:02,640 --> 01:14:00,520

did I shut down our nuclear missiles

2012

01:14:03,750 --> 01:14:02,650

they're sending these messages over and

2013

01:14:06,570 --> 01:14:03,760

over again doing these various things

2014

01:14:08,790 --> 01:14:06,580

and it's it's the the message but people

2015

01:14:11,550 --> 01:14:08,800

get caught in the sort of the the eye

2016

01:14:13,800 --> 01:14:11,560

candy you know the mutilated cow or the

2017

01:14:16,620 --> 01:14:13,810

story about the missiles being shut down

2018

01:14:18,090 --> 01:14:16,630

or the the UFOs on the on the are the

2019

01:14:19,140 --> 01:14:18,100

lights on the UFO and stuff like that we

2020

01:14:22,169 --> 01:14:19,150

get caught up in these sort of things

2021

01:14:23,400 --> 01:14:22,179

when in fact the actual story is what's

2022

01:14:25,950 --> 01:14:23,410

really going on what's the message

2023

01:14:28,110 --> 01:14:25,960

behind who is it and and what are they

2024

01:14:30,720 --> 01:14:28,120

trying to do to me it the more I look at

2025

01:14:32,669 --> 01:14:30,730

it the more I absolutely think that it's

2026

01:14:34,080 --> 01:14:32,679

all messaging it's all that's all

2027

01:14:35,729 --> 01:14:34,090

they're doing is they're they're raising

2028

01:14:38,010 --> 01:14:35,739

consciousness they're leaving messages

2029

01:14:40,919 --> 01:14:38,020

they may be like with experiences why

2030

01:14:42,600 --> 01:14:40,929

would they show someone a screen 39% of

2031

01:14:43,800 --> 01:14:42,610

all experiences see the screen where

2032

01:14:46,350 --> 01:14:43,810

they show this environmental devastation

2033

01:14:48,270 --> 01:14:46,360

yes all these sort of things why do they

2034

01:14:50,340 --> 01:14:48,280

do this this they're putting messages

2035

01:14:52,110 --> 01:14:50,350

across and they get this person and the

2036

01:14:53,729 --> 01:14:52,120

person carries the message and it may

2037

01:14:54,990 --> 01:14:53,739

not be a completely true message or

2038

01:14:56,939 --> 01:14:55,000

whatever but they're manipulating

2039

01:14:59,160 --> 01:14:56,949

people's consciousness they're moving

2040

01:15:01,260 --> 01:14:59,170

consciousness and basically the two

2041

01:15:03,270 --> 01:15:01,270

major messages are they don't want

2042

01:15:04,830 --> 01:15:03,280

nuclear weapons and we are destroying

2043

01:15:06,689 --> 01:15:04,840

the ecology of the earth those are the

2044

01:15:08,580 --> 01:15:06,699

two main messages I think and the

2045

01:15:10,620 --> 01:15:08,590

message of oneness that we have to

2046

01:15:14,160 --> 01:15:10,630

realize we are all one that we are not

2047

01:15:15,570 --> 01:15:14,170

you know you know I'm a Canadian so I am

2048

01:15:17,459 --> 01:15:15,580

better than you and you're an American

2049

01:15:19,380 --> 01:15:17,469

you're better than me it's we're all one

2050

01:15:20,790 --> 01:15:19,390

almost like Reagan said how the world

2051
01:15:23,310 --> 01:15:20,800
would unite if we were faced with a

2052
01:15:25,320 --> 01:15:23,320
threat of an alien invasion we all

2053
01:15:26,790 --> 01:15:25,330
realized we're just God's children yes

2054
01:15:28,709 --> 01:15:26,800
that is the bottom line of this thing we

2055
01:15:30,360 --> 01:15:28,719
are all one and with the reincarnation

2056
01:15:32,820 --> 01:15:30,370
thing I say to people if you say do you

2057
01:15:34,410 --> 01:15:32,830
believe there's evil others out there if

2058
01:15:36,240 --> 01:15:34,420
there's a reincarnation thing what

2059
01:15:38,430 --> 01:15:36,250
happens if you come back the next life

2060
01:15:39,840 --> 01:15:38,440
and you're one of those evil beings are

2061
01:15:42,450 --> 01:15:39,850
you then evil for the rest of eternity

2062
01:15:44,669 --> 01:15:42,460
it's to me it's reincarnating it's

2063
01:15:46,229 --> 01:15:44,679

people doing various things and in every

2064

01:15:47,550 --> 01:15:46,239

race there are no evil races there are

2065

01:15:49,080 --> 01:15:47,560

just people who are

2066

01:15:50,820 --> 01:15:49,090

they're and they're based on belief so

2067

01:15:52,590 --> 01:15:50,830

we would do stupid things like we you

2068

01:15:54,060 --> 01:15:52,600

know Hitler believed he had this bizarre

2069

01:15:56,490 --> 01:15:54,070

belief that the Jews were the problem

2070

01:15:58,530 --> 01:15:56,500

and it's based upon a belief and that's

2071

01:16:00,600 --> 01:15:58,540

the the other thing is knowing versus

2072

01:16:02,400 --> 01:16:00,610

believing that experiences know they

2073

01:16:04,350 --> 01:16:02,410

have these experiences where they if you

2074

01:16:05,670 --> 01:16:04,360

can know anything it's through

2075

01:16:07,790 --> 01:16:05,680

experience but a lot of people are

2076

01:16:10,680 --> 01:16:07,800

running around with beliefs based upon

2077

01:16:12,870 --> 01:16:10,690

crazy things and and belief in

2078

01:16:14,370 --> 01:16:12,880

separation I believe causes all evil as

2079

01:16:16,710 --> 01:16:14,380

soon as you believe that I'm different

2080

01:16:18,300 --> 01:16:16,720

than you animals are just objects other

2081

01:16:20,370 --> 01:16:18,310

things as soon as you believe that

2082

01:16:22,020 --> 01:16:20,380

you're separate and that you're not like

2083

01:16:24,600 --> 01:16:22,030

a cell on the body you suddenly believe

2084

01:16:26,490 --> 01:16:24,610

oh I'm separate I can be different and I

2085

01:16:29,460 --> 01:16:26,500

want to create I want to multiply and

2086

01:16:32,040 --> 01:16:29,470

stuff then it becomes like in a human

2087

01:16:33,930 --> 01:16:32,050

body a cell that decides it's not part

2088

01:16:35,610 --> 01:16:33,940

of the one suddenly becomes a cancer

2089

01:16:37,200 --> 01:16:35,620

cell it starts duplicating and start

2090

01:16:39,990 --> 01:16:37,210

taking over and stuff like that we

2091

01:16:42,240 --> 01:16:40,000

realize with all parts of we're all the

2092

01:16:43,740 --> 01:16:42,250

same thing we're parts of a body or if

2093

01:16:45,270 --> 01:16:43,750

you take a look at a beehive and you

2094

01:16:47,280 --> 01:16:45,280

take a look at the aliens it described

2095

01:16:48,960 --> 01:16:47,290

as a as a hive mentality everybody's

2096

01:16:50,730 --> 01:16:48,970

sort of doing a job everybody's part of

2097

01:16:52,500 --> 01:16:50,740

one thing that they're doing it's not

2098

01:16:54,540 --> 01:16:52,510

like there's no designer clothes there's

2099

01:16:56,130 --> 01:16:54,550

there's no aliens with jewelry there's

2100

01:16:57,600 --> 01:16:56,140

there's none of this kind of stuff

2101
01:16:59,250 --> 01:16:57,610
they're all sort of doing something

2102
01:17:01,620 --> 01:16:59,260
almost like a hive where everybody's

2103
01:17:03,510 --> 01:17:01,630
working for the good of the one or to do

2104
01:17:05,310 --> 01:17:03,520
one mission and we have to realize we're

2105
01:17:06,960 --> 01:17:05,320
all part of the one and we came into

2106
01:17:07,950 --> 01:17:06,970
this world to do something and all we

2107
01:17:10,110 --> 01:17:07,960
have to do is figure out what we're

2108
01:17:12,690 --> 01:17:10,120
doing and that this idea that there are

2109
01:17:15,390 --> 01:17:12,700
outside forces who are out to get us or

2110
01:17:17,460 --> 01:17:15,400
stuff like that if you have a world of

2111
01:17:19,140 --> 01:17:17,470
reincarnation you come in and you may

2112
01:17:21,090 --> 01:17:19,150
choose to be handicapped you may choose

2113
01:17:24,000 --> 01:17:21,100

to be abused you may choose to to do

2114

01:17:27,060 --> 01:17:24,010

whatever to experience whatever whatever

2115

01:17:28,650 --> 01:17:27,070

it is that it's a multiple life then

2116

01:17:31,020 --> 01:17:28,660

everything becomes experience rather

2117

01:17:32,670 --> 01:17:31,030

than then good and bad that that you

2118

01:17:34,140 --> 01:17:32,680

that you can learn from all the bad

2119

01:17:35,550 --> 01:17:34,150

things that happen to you in fact you

2120

01:17:36,840 --> 01:17:35,560

probably learn more from the bad things

2121

01:17:39,360 --> 01:17:36,850

that happen to you from the good things

2122

01:17:41,370 --> 01:17:39,370

because the other side you just you just

2123

01:17:43,680 --> 01:17:41,380

think oh man I'm just so smart and you

2124

01:17:45,330 --> 01:17:43,690

go into ego when when your ego is

2125

01:17:47,040 --> 01:17:45,340

crushed when you get into bad things and

2126

01:17:48,780 --> 01:17:47,050

you suddenly you know you start to learn

2127

01:17:50,460 --> 01:17:48,790

that's going to learn your lessons so in

2128

01:17:53,000 --> 01:17:50,470

a reincarnation world it's all lessons

2129

01:17:55,440 --> 01:17:53,010

it's all and beliefs are what determine

2130

01:17:57,120 --> 01:17:55,450

what we do and we've got we've gotten

2131

01:17:59,190 --> 01:17:57,130

some pretty bizarre beliefs and I think

2132

01:17:59,899 --> 01:17:59,200

we're at this turning point in history I

2133

01:18:02,390 --> 01:17:59,909

hope

2134

01:18:04,640 --> 01:18:02,400

come in and and they they are trying to

2135

01:18:07,100 --> 01:18:04,650

send these messages across to stop

2136

01:18:10,129 --> 01:18:07,110

before it's too late well grant this is

2137

01:18:14,419 --> 01:18:10,139

this has been fabulous I think that

2138

01:18:18,020 --> 01:18:14,429

ending with the concept of oneness is a

2139

01:18:20,509 --> 01:18:18,030

good place for us to pause and buy pause

2140

01:18:23,000 --> 01:18:20,519

I mean I'm hoping that you will come

2141

01:18:25,040 --> 01:18:23,010

back on shattered reality perhaps when

2142

01:18:27,589 --> 01:18:25,050

Kate is here too unfortunately as

2143

01:18:31,520 --> 01:18:27,599

mentioned before she she's unable today

2144

01:18:34,819 --> 01:18:31,530

and I we I'd really like to speak to you

2145

01:18:38,899 --> 01:18:34,829

more about these things because I share

2146

01:18:41,659 --> 01:18:38,909

much of your viewpoint I am mostly not a

2147

01:18:45,319 --> 01:18:41,669

believer in anything I proceed from the

2148

01:18:48,020 --> 01:18:45,329

point of not disbelief but open open

2149

01:18:54,319 --> 01:18:48,030

belief in other words whatever could be

2150

01:18:57,529 --> 01:18:54,329

is you know so do you want to mention

2151

01:19:00,319 --> 01:18:57,539

your your latest book or maybe the

2152

01:19:01,669 --> 01:19:00,329

Charlie read star book and just well my

2153

01:19:04,129 --> 01:19:01,679

latest book I'll just give you and then

2154

01:19:07,310 --> 01:19:04,139

we'll leave it and my most of my update

2155

01:19:09,379 --> 01:19:07,320

material is on my Whitehouse UFO YouTube

2156

01:19:11,000 --> 01:19:09,389

channel I put a lot of updates I do a

2157

01:19:13,250 --> 01:19:11,010

lot of PowerPoint things where I go

2158

01:19:14,629 --> 01:19:13,260

through like the downloader goes to hold

2159

01:19:17,000 --> 01:19:14,639

on real experience that I had and stuff

2160

01:19:18,739 --> 01:19:17,010

like that but my latest book is tuned in

2161

01:19:20,239 --> 01:19:18,749

the paranormal world of creativity where

2162

01:19:22,219 --> 01:19:20,249

I got a message for an alien through

2163

01:19:24,500 --> 01:19:22,229

chris blood so that the message was in

2164

01:19:26,569 --> 01:19:24,510

the music and that it appears that

2165

01:19:29,390 --> 01:19:26,579

musicians are somehow being used by the

2166

01:19:31,100 --> 01:19:29,400

others to get messages across I like my

2167

01:19:34,640 --> 01:19:31,110

latest I do a whole thing on paranormal

2168

01:19:37,819 --> 01:19:34,650

and music sounds sounds great grant and

2169

01:19:40,339 --> 01:19:37,829

2171
