

1  
00:00:08,530 --> 00:00:14,910

[Music]

2  
00:00:20,630 --> 00:00:17,590

wow

3  
00:00:22,870 --> 00:00:20,640

welcome to shattered reality with your

4  
00:00:25,750 --> 00:00:22,880

hosts kate valentine

5  
00:00:26,630 --> 00:00:25,760

and ferocia prepare to have your

6  
00:00:30,230 --> 00:00:26,640

paradigms

7  
00:00:33,510 --> 00:00:30,240

shifted into truth questioned

8  
00:00:35,990 --> 00:00:33,520

and now shattered reality shattered

9  
00:00:38,709 --> 00:00:36,000

reality

10  
00:00:39,830 --> 00:00:38,719

hello people out there uh this is

11  
00:00:42,389 --> 00:00:39,840

ferusha

12  
00:00:43,670 --> 00:00:42,399

and i'm here with shattered reality

13  
00:00:46,950 --> 00:00:43,680

podcast

14

00:00:50,229 --> 00:00:46,960

we have a great show for you today

15

00:00:55,590 --> 00:00:50,239

and just to slate this whole thing today

16

00:00:59,189 --> 00:00:55,600

is november 13 2018

17

00:01:02,229 --> 00:00:59,199

and it's just the day after

18

00:01:03,830 --> 00:01:02,239

veterans day has been observed in this

19

00:01:07,190 --> 00:01:03,840

country

20

00:01:11,190 --> 00:01:07,200

and um it's a good day

21

00:01:12,149 --> 00:01:11,200

for honoring continue continuing to

22

00:01:15,910 --> 00:01:12,159

honor our

23

00:01:16,789 --> 00:01:15,920

veterans and our show will reflect that

24

00:01:19,910 --> 00:01:16,799

a little bit

25

00:01:22,149 --> 00:01:19,920

today but first off um

26

00:01:23,190 --> 00:01:22,159

i want to tell everyone that has been

27

00:01:26,390 --> 00:01:23,200

asking

28

00:01:27,030 --> 00:01:26,400

about the return of kate valentine that

29

00:01:30,069 --> 00:01:27,040

she does

30

00:01:33,190 --> 00:01:30,079

want to return to the show but due to

31

00:01:35,429 --> 00:01:33,200

circumstances beyond her control she has

32

00:01:38,550 --> 00:01:35,439

not been able to make it

33

00:01:41,109 --> 00:01:38,560

but she is okay just for all those who

34

00:01:43,350 --> 00:01:41,119

were wondering about her health etc i've

35

00:01:46,950 --> 00:01:43,360

gotten a lot of questions

36

00:01:50,310 --> 00:01:46,960

in this edition i wanted to say hi

37

00:01:54,149 --> 00:01:50,320

to a couple of our

38

00:01:57,350 --> 00:01:54,159

listeners uh for starters we have a very

39

00:02:00,630 --> 00:01:57,360

interesting gentleman from finland

40

00:02:03,670 --> 00:02:00,640

who has contacted me with some

41

00:02:06,870 --> 00:02:03,680

interesting points of view and

42

00:02:10,550 --> 00:02:06,880

i'm going to try to say his first name

43

00:02:13,990 --> 00:02:10,560

it's either jiren or urine

44

00:02:15,830 --> 00:02:14,000

and since i am not able to speak the

45

00:02:18,949 --> 00:02:15,840

finnish language

46

00:02:21,990 --> 00:02:18,959

which is in itself not surprising

47

00:02:26,150 --> 00:02:22,000

given that uh it is only related

48

00:02:29,350 --> 00:02:26,160

basically to certain siberian languages

49

00:02:31,470 --> 00:02:29,360

um and hungarian i i

50

00:02:34,070 --> 00:02:31,480

don't know whether i should take the

51  
00:02:37,430 --> 00:02:34,080  
scandinavian and germanic route

52  
00:02:40,150 --> 00:02:37,440  
and call him yurin or jiren

53  
00:02:42,550 --> 00:02:40,160  
but in any case maybe he'll correct me

54  
00:02:44,630 --> 00:02:42,560  
and uh maybe he'll get back to me and

55  
00:02:46,949 --> 00:02:44,640  
have another few good words for

56  
00:02:49,270 --> 00:02:46,959  
shattered reality podcast

57  
00:02:51,110 --> 00:02:49,280  
the other listener that i wanted to

58  
00:02:55,110 --> 00:02:51,120  
mention today

59  
00:02:57,430 --> 00:02:55,120  
is david millar from uh fort worth

60  
00:02:58,229 --> 00:02:57,440  
texas who i've been corresponding with a

61  
00:03:01,589 --> 00:02:58,239  
little bit and

62  
00:03:04,390 --> 00:03:01,599  
also has some good ideas for the show

63  
00:03:04,949 --> 00:03:04,400

so allow me to say hi to both of those

64

00:03:07,910 --> 00:03:04,959

guys

65

00:03:08,470 --> 00:03:07,920

and um you know they're tomorrow's men

66

00:03:10,949 --> 00:03:08,480

because

67

00:03:12,229 --> 00:03:10,959

they're listening to a woman talking

68

00:03:15,830 --> 00:03:12,239

which is kind of

69

00:03:21,990 --> 00:03:18,869

in any case getting back to today's

70

00:03:25,030 --> 00:03:22,000

show um we have

71

00:03:26,470 --> 00:03:25,040

a very special guest who was on

72

00:03:29,670 --> 00:03:26,480

shattered reality

73

00:03:32,309 --> 00:03:29,680

quite a while ago in the first few shows

74

00:03:35,830 --> 00:03:32,319

that we had and he had also been

75

00:03:39,509 --> 00:03:35,840

a guest on the kate valentine ufo show

76  
00:03:42,710 --> 00:03:39,519  
i'm talking about mac maloney who has

77  
00:03:45,670 --> 00:03:42,720  
written more than 50 books including

78  
00:03:46,710 --> 00:03:45,680  
ufos and wartime what they didn't want

79  
00:03:50,070 --> 00:03:46,720  
you to know

80  
00:03:53,509 --> 00:03:50,080  
and beyond area 51 plus

81  
00:03:56,869 --> 00:03:53,519  
he has written the best selling wingman

82  
00:03:59,030 --> 00:03:56,879  
military adventure series he served as a

83  
00:04:00,390 --> 00:03:59,040  
consultant for a government-funded

84  
00:04:02,710 --> 00:04:00,400  
research firm

85  
00:04:03,830 --> 00:04:02,720  
working with the us intelligence

86  
00:04:07,429 --> 00:04:03,840  
agencies

87  
00:04:11,270 --> 00:04:07,439  
and he is a member of the rock band

88  
00:04:14,149 --> 00:04:11,280

sky club so um we love musicians on the

89

00:04:16,710 --> 00:04:14,159

show because our wonderful

90

00:04:17,509 --> 00:04:16,720

audio engineer is also a marvelous

91

00:04:20,629 --> 00:04:17,519

musician

92

00:04:22,390 --> 00:04:20,639

so welcome aboard mac maloney well uh

93

00:04:25,749 --> 00:04:22,400

thanks for having me

94

00:04:28,790 --> 00:04:25,759

my pleasure entirely so um given

95

00:04:29,670 --> 00:04:28,800

your uh background of writing so many

96

00:04:32,390 --> 00:04:29,680

books

97

00:04:34,150 --> 00:04:32,400

um and a lot of them are military

98

00:04:37,350 --> 00:04:34,160

adventures

99

00:04:38,070 --> 00:04:37,360

were you a member of the us military um

100

00:04:40,230 --> 00:04:38,080

no

101  
00:04:41,990 --> 00:04:40,240  
i i never served in the military i'm

102  
00:04:44,790 --> 00:04:42,000  
from a military family

103  
00:04:46,629 --> 00:04:44,800  
my father was a world war ii vet i had

104  
00:04:48,070 --> 00:04:46,639  
uncles in the korean war my brother was

105  
00:04:51,510 --> 00:04:48,080  
in the vietnam war

106  
00:04:54,870 --> 00:04:51,520  
but i went to college and i just

107  
00:04:56,469 --> 00:04:54,880  
am not the type of person to go along

108  
00:04:58,150 --> 00:04:56,479  
with the military life i knew it just

109  
00:04:59,990 --> 00:04:58,160  
wasn't for me you know i'd be

110  
00:05:01,510 --> 00:05:00,000  
i'd be in the brig in two weeks that

111  
00:05:03,909 --> 00:05:01,520  
type of thing so

112  
00:05:05,909 --> 00:05:03,919  
um but you know i have my hat's off to

113  
00:05:07,189 --> 00:05:05,919

anyone who's done it and i

114

00:05:08,950 --> 00:05:07,199

you know when you're opening you said it

115

00:05:10,629 --> 00:05:08,960

just right you know it's we it's

116

00:05:11,430 --> 00:05:10,639

veteran's day or it was veterans day but

117

00:05:14,710 --> 00:05:11,440

you gotta

118

00:05:16,390 --> 00:05:14,720

because they gave

119

00:05:18,790 --> 00:05:16,400

part of their life to protect our

120

00:05:20,070 --> 00:05:18,800

country and what can you do you know you

121

00:05:22,550 --> 00:05:20,080

you have to tell them you know we'll

122

00:05:25,670 --> 00:05:22,560

never forget that absolutely and

123

00:05:29,830 --> 00:05:25,680

i was blown away i was sitting at

124

00:05:33,510 --> 00:05:29,840

um a desk of mine uh in manhattan

125

00:05:37,110 --> 00:05:33,520

at 11 11 a.m

126  
00:05:37,670 --> 00:05:37,120  
on sunday which was properly armistice

127  
00:05:39,909 --> 00:05:37,680  
day

128  
00:05:40,870 --> 00:05:39,919  
and it was the hundredth anniversary

129  
00:05:43,990 --> 00:05:40,880  
thereof

130  
00:05:47,749 --> 00:05:44,000  
and when i realized that it was 11 11

131  
00:05:50,070 --> 00:05:47,759  
11 11 100 years later and that sort of

132  
00:05:51,670 --> 00:05:50,080  
just blew me away mentally in a certain

133  
00:05:53,510 --> 00:05:51,680  
way

134  
00:05:54,550 --> 00:05:53,520  
right you know i mean world war one is

135  
00:05:55,909 --> 00:05:54,560  
you know i don't want to call it a

136  
00:05:59,029 --> 00:05:55,919  
forgotten law but it's

137  
00:05:59,749 --> 00:05:59,039  
it's it's kind of um world war ii shadow

138  
00:06:01,749 --> 00:05:59,759

was over

139

00:06:03,590 --> 00:06:01,759

really over world war one all the time

140

00:06:04,309 --> 00:06:03,600

because it was a big conflict and so on

141

00:06:06,550 --> 00:06:04,319

but

142

00:06:07,350 --> 00:06:06,560

world war one was just awful it was just

143

00:06:09,430 --> 00:06:07,360

an awful

144

00:06:11,670 --> 00:06:09,440

way to go about combat it was the first

145

00:06:12,950 --> 00:06:11,680

wall with machine guns and you know

146

00:06:15,990 --> 00:06:12,960

really high explosives

147

00:06:18,469 --> 00:06:16,000

cannons poison gas and you know these

148

00:06:19,749 --> 00:06:18,479

soldiers living in these trenches with

149

00:06:21,510 --> 00:06:19,759

you know just filled with rats and

150

00:06:23,749 --> 00:06:21,520

sewerage and dead bodies around

151  
00:06:25,270 --> 00:06:23,759  
and and you know the only chance they

152  
00:06:27,029 --> 00:06:25,280  
get to get out of the trenches to charge

153  
00:06:29,510 --> 00:06:27,039  
into the machine guns you know it's just

154  
00:06:30,629 --> 00:06:29,520  
a horrible horrible war and the people

155  
00:06:32,230 --> 00:06:30,639  
who fought it

156  
00:06:34,230 --> 00:06:32,240  
and especially and the people who came

157  
00:06:35,909 --> 00:06:34,240  
back i don't know how many more

158  
00:06:37,749 --> 00:06:35,919  
how many are around these days probably

159  
00:06:39,749 --> 00:06:37,759  
not very many but we have we have to

160  
00:06:41,670 --> 00:06:39,759  
remember them we have to remember what

161  
00:06:43,430 --> 00:06:41,680  
what they did we can't forget what these

162  
00:06:46,629 --> 00:06:43,440  
people did

163  
00:06:48,950 --> 00:06:46,639

we we certainly shouldn't and uh i will

164

00:06:51,670 --> 00:06:48,960

uh

165

00:06:52,710 --> 00:06:51,680

remember both of my grandfathers who

166

00:06:56,309 --> 00:06:52,720

served

167

00:06:56,710 --> 00:06:56,319

uh in the first world war and both came

168

00:07:00,469 --> 00:06:56,720

back

169

00:07:03,510 --> 00:07:00,479

thank god um so

170

00:07:05,909 --> 00:07:03,520

moving right along um

171

00:07:06,710 --> 00:07:05,919

let's talk about your current latest

172

00:07:10,309 --> 00:07:06,720

book

173

00:07:12,550 --> 00:07:10,319

mac maloney's haunted universe uh

174

00:07:13,589 --> 00:07:12,560

now that you've written more than 50

175

00:07:15,749 --> 00:07:13,599

books

176

00:07:18,790 --> 00:07:15,759

what exactly caused you to write this

177

00:07:22,150 --> 00:07:18,800

one what was your impetus let us say

178

00:07:23,830 --> 00:07:22,160

well um you know i got off at a

179

00:07:24,150 --> 00:07:23,840

publishing contract that's always you

180

00:07:26,309 --> 00:07:24,160

know

181

00:07:27,270 --> 00:07:26,319

rule number one never turn those down

182

00:07:29,670 --> 00:07:27,280

and

183

00:07:31,110 --> 00:07:29,680

the other books that i've written um are

184

00:07:33,589 --> 00:07:31,120

all fiction books as you mentioned at

185

00:07:35,510 --> 00:07:33,599

the beginning of the show wingman is uh

186

00:07:37,830 --> 00:07:35,520

you know a military fiction in the you

187

00:07:39,749 --> 00:07:37,840

know not so distant future type thing

188

00:07:41,830 --> 00:07:39,759

so this is a non-fiction book in the

189

00:07:44,150 --> 00:07:41,840

ufos and what time and beyond area 51

190

00:07:46,790 --> 00:07:44,160

were also non-fiction books and

191

00:07:49,029 --> 00:07:46,800

um you know i i just spoke to the

192

00:07:50,950 --> 00:07:49,039

publisher i had a lot of

193

00:07:52,390 --> 00:07:50,960

research lying around my office from the

194

00:07:55,029 --> 00:07:52,400

first two books

195

00:07:57,189 --> 00:07:55,039

and for a while i was writing for turner

196

00:07:59,990 --> 00:07:57,199

broadcasting

197

00:08:01,430 --> 00:08:00,000

systems web page called conspiratorium

198

00:08:03,430 --> 00:08:01,440

where we would just come up with like 10

199

00:08:04,950 --> 00:08:03,440

really crazy surveys every month and

200

00:08:06,070 --> 00:08:04,960

put them on the web page and i did that

201  
00:08:08,230 --> 00:08:06,080  
for a couple years and i had a lot of

202  
00:08:10,150 --> 00:08:08,240  
research left over from that so

203  
00:08:11,670 --> 00:08:10,160  
you know it as a way of cleaning my

204  
00:08:14,469 --> 00:08:11,680  
office i just put it all

205  
00:08:15,749 --> 00:08:14,479  
you know in a compilation and um and

206  
00:08:18,390 --> 00:08:15,759  
they published it

207  
00:08:20,070 --> 00:08:18,400  
this is a question that the book is

208  
00:08:20,790 --> 00:08:20,080  
great by the way i read it and it's

209  
00:08:24,469 --> 00:08:20,800  
really

210  
00:08:27,670 --> 00:08:24,479  
extremely interesting um and i want to

211  
00:08:31,110 --> 00:08:27,680  
make a a like uh something

212  
00:08:32,550 --> 00:08:31,120  
compare it to charles fort because the

213  
00:08:35,750 --> 00:08:32,560

style of it

214

00:08:39,110 --> 00:08:35,760

is very much like the charles fort book

215

00:08:42,709 --> 00:08:39,120

um the book of the damned and

216

00:08:43,829 --> 00:08:42,719

low he had us a spin-off from the book

217

00:08:47,190 --> 00:08:43,839

of the damned

218

00:08:50,949 --> 00:08:47,200

called l-o-dot dot dot and

219

00:08:52,310 --> 00:08:50,959

uh it also featured uh somewhat short

220

00:08:55,590 --> 00:08:52,320

accounts

221

00:08:57,910 --> 00:08:55,600

of very mysterious things that he had

222

00:09:01,030 --> 00:08:57,920

collected from newspapers and such

223

00:09:02,230 --> 00:09:01,040

and so his methodology was not too dis

224

00:09:05,350 --> 00:09:02,240

different from yours

225

00:09:08,630 --> 00:09:05,360

in compiling this haunted universe book

226

00:09:11,590 --> 00:09:08,640

um and that believe me uh

227

00:09:12,470 --> 00:09:11,600

is a compliment because there's even a

228

00:09:14,389 --> 00:09:12,480

term

229

00:09:15,910 --> 00:09:14,399

that's called after him which of course

230

00:09:20,070 --> 00:09:15,920

is fortiana which

231

00:09:22,389 --> 00:09:20,080

everybody in paranormal circles uses

232

00:09:24,310 --> 00:09:22,399

sure i mean these are the kind of books

233

00:09:25,990 --> 00:09:24,320

that i like to read you know and and

234

00:09:27,670 --> 00:09:26,000

growing up as a kid i used to read a lot

235

00:09:29,110 --> 00:09:27,680

of uh ripley's believe it or not used to

236

00:09:29,430 --> 00:09:29,120

come out in book form every once in a

237

00:09:31,910 --> 00:09:29,440

while

238

00:09:32,710 --> 00:09:31,920

yes i read on youtube right and i just

239

00:09:34,470 --> 00:09:32,720

went through those

240

00:09:36,150 --> 00:09:34,480

you know probably three or four times

241

00:09:39,269 --> 00:09:36,160

this is as a kid

242

00:09:41,350 --> 00:09:39,279

and you know i think too that i think

243

00:09:43,509 --> 00:09:41,360

there's more than 250 stories in

244

00:09:44,790 --> 00:09:43,519

in in the book and as you say you know

245

00:09:46,470 --> 00:09:44,800

most of them are only you know two or

246

00:09:48,710 --> 00:09:46,480

three paragraphs long

247

00:09:50,630 --> 00:09:48,720

but it just just the sheer number of

248

00:09:52,150 --> 00:09:50,640

them alone in my mind

249

00:09:53,990 --> 00:09:52,160

just tells you that you know we live in

250

00:09:55,990 --> 00:09:54,000

a very kind of strange reality you know

251  
00:09:58,710 --> 00:09:56,000  
strange stuff happens all the time

252  
00:10:00,389 --> 00:09:58,720  
and you know when people see things that

253  
00:10:02,470 --> 00:10:00,399  
are extraordinary you know they're not

254  
00:10:05,269 --> 00:10:02,480  
all hoaxes and they're not all

255  
00:10:06,470 --> 00:10:05,279  
delusional you know they they can't be

256  
00:10:08,550 --> 00:10:06,480  
um there's just too

257  
00:10:10,069 --> 00:10:08,560  
many stories about people seeing

258  
00:10:12,389 --> 00:10:10,079  
monsters ufos

259  
00:10:13,990 --> 00:10:12,399  
ghosts haunted battlefields haunted

260  
00:10:15,910 --> 00:10:14,000  
planes haunted ships

261  
00:10:17,350 --> 00:10:15,920  
it happens just too often for them all

262  
00:10:19,509 --> 00:10:17,360  
to be not true

263  
00:10:20,710 --> 00:10:19,519

so just the sheer volume of the stories

264

00:10:22,069 --> 00:10:20,720

in the book and think you know by the

265

00:10:25,030 --> 00:10:22,079

time you get the end of it you say well

266

00:10:28,790 --> 00:10:25,040

we really we really do live in a strange

267

00:10:32,310 --> 00:10:28,800

uh you know reality indeed indeed and

268

00:10:32,870 --> 00:10:32,320

um what i would say about the hoax

269

00:10:38,949 --> 00:10:32,880

versus

270

00:10:39,590 --> 00:10:38,959

uh there are undoubtedly some hoaxes

271

00:10:43,110 --> 00:10:39,600

going on

272

00:10:47,110 --> 00:10:43,120

out there particularly now with um

273

00:10:47,590 --> 00:10:47,120

cgi and certain say ufo stuff that turns

274

00:10:51,670 --> 00:10:47,600

up

275

00:10:52,389 --> 00:10:51,680

on youtube and uh people claiming that

276

00:10:57,190 --> 00:10:52,399

they're

277

00:10:59,990 --> 00:10:57,200

been away for 15 years ago last night

278

00:11:02,150 --> 00:11:00,000

and they only left yesterday morning but

279

00:11:02,470 --> 00:11:02,160

15 years happened in the interim and you

280

00:11:04,230 --> 00:11:02,480

know

281

00:11:05,590 --> 00:11:04,240

there are people just looking for

282

00:11:08,069 --> 00:11:05,600

publicity

283

00:11:09,030 --> 00:11:08,079

on the other hand this whole idea of

284

00:11:13,350 --> 00:11:09,040

delusions

285

00:11:16,150 --> 00:11:13,360

i think is oversold

286

00:11:17,190 --> 00:11:16,160

getting hoaxes delusions because people

287

00:11:19,829 --> 00:11:17,200

experience

288

00:11:20,949 --> 00:11:19,839

things and people's consciousness is

289

00:11:24,389 --> 00:11:20,959

different

290

00:11:25,910 --> 00:11:24,399

and sometimes um like we've had a number

291

00:11:28,949 --> 00:11:25,920

of people here

292

00:11:32,069 --> 00:11:28,959

on the show who weren't really selling

293

00:11:35,430 --> 00:11:32,079

anything but they were experiences

294

00:11:38,389 --> 00:11:35,440

of purported ufo sightings

295

00:11:39,269 --> 00:11:38,399

and could i tell you exactly what really

296

00:11:41,750 --> 00:11:39,279

happened

297

00:11:43,030 --> 00:11:41,760

no i can't but what i can tell you is

298

00:11:45,990 --> 00:11:43,040

these people

299

00:11:46,710 --> 00:11:46,000

absolutely positively believe that

300

00:11:49,910 --> 00:11:46,720

something

301  
00:11:52,629 --> 00:11:49,920  
happened to them and i do believe it did

302  
00:11:54,470 --> 00:11:52,639  
and uh something happened whether their

303  
00:11:56,389 --> 00:11:54,480  
their perception of what happened is

304  
00:11:58,389 --> 00:11:56,399  
exactly what happened well

305  
00:11:59,910 --> 00:11:58,399  
you know it's not for me to say donald

306  
00:12:01,990 --> 00:11:59,920  
trump i mean you know

307  
00:12:03,990 --> 00:12:02,000  
what we talk about we we have our own

308  
00:12:04,790 --> 00:12:04,000  
weekly show mac morning military x-files

309  
00:12:08,790 --> 00:12:04,800  
show and

310  
00:12:12,150 --> 00:12:08,800  
we talk about this subject a lot it in

311  
00:12:15,990 --> 00:12:12,160  
one part of it is do ufos or do

312  
00:12:17,350 --> 00:12:16,000  
do certain people um have paranormal

313  
00:12:19,190 --> 00:12:17,360

experiences more than others

314

00:12:20,550 --> 00:12:19,200

you know or what i'm saying is uh

315

00:12:24,310 --> 00:12:20,560

certain people

316

00:12:27,750 --> 00:12:24,320

almost selected in a way to be um

317

00:12:28,790 --> 00:12:27,760

uh more open to a paranormal experience

318

00:12:30,629 --> 00:12:28,800

like

319

00:12:31,829 --> 00:12:30,639

myself i've never seen ufo i've never

320

00:12:33,590 --> 00:12:31,839

seen a ghost

321

00:12:34,949 --> 00:12:33,600

you know i've i've had little minor

322

00:12:35,910 --> 00:12:34,959

things you know that i know that other

323

00:12:38,790 --> 00:12:35,920

people have you know

324

00:12:39,190 --> 00:12:38,800

experienced but um but you know i know

325

00:12:40,629 --> 00:12:39,200

people

326

00:12:42,629 --> 00:12:40,639

and i believe them who have seen like

327

00:12:44,710 --> 00:12:42,639

more than two or three ufos i know

328

00:12:45,990 --> 00:12:44,720

i know pilots you know we have pilots on

329

00:12:47,509 --> 00:12:46,000

our show all the time one of our

330

00:12:50,550 --> 00:12:47,519

co-hosts is a pilot

331

00:12:53,509 --> 00:12:50,560

and a military pilot these guys seem

332

00:12:54,870 --> 00:12:53,519

they see they see ufos all the time now

333

00:12:56,710 --> 00:12:54,880

are ufos really

334

00:12:57,990 --> 00:12:56,720

little green men from mars once again

335

00:12:59,110 --> 00:12:58,000

you know you never know we don't know

336

00:13:00,470 --> 00:12:59,120

where they're from i don't believe

337

00:13:01,750 --> 00:13:00,480

anyone knows where they're from

338

00:13:03,509 --> 00:13:01,760

i don't believe the government knows i

339

00:13:04,150 --> 00:13:03,519

don't believe the military knows i think

340

00:13:05,990 --> 00:13:04,160

they have more

341

00:13:07,430 --> 00:13:06,000

evidence that they exist i know they do

342

00:13:10,389 --> 00:13:07,440

they have film video

343

00:13:12,949 --> 00:13:10,399

eyewitnesses accounts radar and so on

344

00:13:15,350 --> 00:13:12,959

but i don't believe that they know where

345

00:13:16,710 --> 00:13:15,360

uh ufos come from so we're all kind of

346

00:13:18,150 --> 00:13:16,720

in the same

347

00:13:20,150 --> 00:13:18,160

you know the same soup you know

348

00:13:22,710 --> 00:13:20,160

wondering what's going on but

349

00:13:24,310 --> 00:13:22,720

the thing is is that why is it that some

350

00:13:25,110 --> 00:13:24,320

people just seem to i don't want to say

351

00:13:27,110 --> 00:13:25,120

they attract

352

00:13:28,949 --> 00:13:27,120

paranormal experiences but you know i

353

00:13:30,629 --> 00:13:28,959

don't know how else to put it and then

354

00:13:31,750 --> 00:13:30,639

some people definitely do not and i put

355

00:13:35,190 --> 00:13:31,760

myself in that karen

356

00:13:37,190 --> 00:13:35,200

category well i've seen a couple of um

357

00:13:38,790 --> 00:13:37,200

a couple of things that i'd have to

358

00:13:42,069 --> 00:13:38,800

classify as

359

00:13:45,350 --> 00:13:42,079

ufos uh and i've had some i've had many

360

00:13:48,710 --> 00:13:45,360

many many paranormal experiences myself

361

00:13:49,189 --> 00:13:48,720

but then again that's my stock and trade

362

00:13:52,150 --> 00:13:49,199

i do

363

00:13:53,110 --> 00:13:52,160

psychic readings for a living so there

364

00:13:56,629 --> 00:13:53,120

you have it

365

00:13:59,350 --> 00:13:56,639

um but on the other hand i do think that

366

00:14:01,910 --> 00:13:59,360

there are certain characteristics

367

00:14:03,590 --> 00:14:01,920

of an individual which makes them

368

00:14:06,629 --> 00:14:03,600

slightly more likely

369

00:14:07,269 --> 00:14:06,639

to have a paranormal experience of some

370

00:14:10,389 --> 00:14:07,279

sort

371

00:14:13,829 --> 00:14:10,399

uh first of all being in the arts

372

00:14:14,389 --> 00:14:13,839

uh as often is something that is opening

373

00:14:17,990 --> 00:14:14,399

to

374

00:14:21,670 --> 00:14:18,000

other ways of thinking let us say

375

00:14:24,949 --> 00:14:21,680

and being

376

00:14:26,949 --> 00:14:24,959

being an open person not having made

377

00:14:28,150 --> 00:14:26,959

every decision about everything

378

00:14:30,550 --> 00:14:28,160

themselves

379

00:14:32,550 --> 00:14:30,560

uh sort of being open-minded that other

380

00:14:35,269 --> 00:14:32,560

things might be true that you don't

381

00:14:35,829 --> 00:14:35,279

know about or see just being open i

382

00:14:39,350 --> 00:14:35,839

think is

383

00:14:41,990 --> 00:14:39,360

is a big is a big big part of it

384

00:14:42,949 --> 00:14:42,000

right yeah i agree and people that we

385

00:14:44,790 --> 00:14:42,959

that i've talked to

386

00:14:47,110 --> 00:14:44,800

over the years since writing ufos in

387

00:14:50,629 --> 00:14:47,120

wartime and i've been kind of in the ufo

388

00:14:52,069 --> 00:14:50,639

community um i can tell you know as you

389

00:14:53,110 --> 00:14:52,079

say there are some people out there who

390

00:14:54,230 --> 00:14:53,120

are just

391

00:14:55,670 --> 00:14:54,240

hate to say it but they're just like

392

00:14:57,750 --> 00:14:55,680

making it up you know they're just

393

00:14:59,590 --> 00:14:57,760

making it up and to sell a book or to go

394

00:15:01,990 --> 00:14:59,600

on a lecture circuit and so on

395

00:15:02,629 --> 00:15:02,000

but i i have a feeling now after being

396

00:15:04,710 --> 00:15:02,639

in

397

00:15:06,389 --> 00:15:04,720

you know the biz for a few years is that

398

00:15:07,590 --> 00:15:06,399

i think i can tell pretty much when

399

00:15:09,509 --> 00:15:07,600

someone is telling the truth when

400

00:15:10,550 --> 00:15:09,519

they're talking about the ufo encounter

401  
00:15:12,550 --> 00:15:10,560  
because

402  
00:15:14,629 --> 00:15:12,560  
you know they're they're they have

403  
00:15:15,430 --> 00:15:14,639  
details in them just from an anecdotal

404  
00:15:17,829 --> 00:15:15,440  
point of view

405  
00:15:18,949 --> 00:15:17,839  
there are details in them that you know

406  
00:15:22,069 --> 00:15:18,959  
even though even

407  
00:15:24,069 --> 00:15:22,079  
the most the best storyteller could not

408  
00:15:25,670 --> 00:15:24,079  
put in there later on tonight we're

409  
00:15:27,990 --> 00:15:25,680  
going to do a show with a guy

410  
00:15:29,590 --> 00:15:28,000  
he's been on before he had a really a

411  
00:15:32,150 --> 00:15:29,600  
really um

412  
00:15:32,710 --> 00:15:32,160  
graphic ufo sighting in georgia 20 years

413  
00:15:34,710 --> 00:15:32,720

ago

414

00:15:36,389 --> 00:15:34,720

he was on his way to the dairy queen it

415

00:15:38,150 --> 00:15:36,399

was so he called the dairy queen ufo

416

00:15:38,550 --> 00:15:38,160

sighting he was on his way to the dairy

417

00:15:41,110 --> 00:15:38,560

queen

418

00:15:42,470 --> 00:15:41,120

and saw a ufo hovering over this uh

419

00:15:43,189 --> 00:15:42,480

housing development that was under

420

00:15:44,790 --> 00:15:43,199

construction

421

00:15:47,350 --> 00:15:44,800

he went right up to it now this guy's a

422

00:15:49,430 --> 00:15:47,360

physicist and he thought physics

423

00:15:51,110 --> 00:15:49,440

for a long time he's now retired and you

424

00:15:52,389 --> 00:15:51,120

know he saw it he could feel the heat

425

00:15:53,670 --> 00:15:52,399

from it and

426

00:15:55,430 --> 00:15:53,680

you know he was looking at it from a

427

00:15:56,629 --> 00:15:55,440

scientific point of view and then boom

428

00:15:59,509 --> 00:15:56,639

it was gone

429

00:15:59,990 --> 00:15:59,519

um there's no way that just talking to

430

00:16:01,509 --> 00:16:00,000

this guy

431

00:16:03,110 --> 00:16:01,519

and hearing you know what happened to

432

00:16:05,430 --> 00:16:03,120

him there's no way he's making enough

433

00:16:07,030 --> 00:16:05,440

there's no way that didn't happen to him

434

00:16:09,350 --> 00:16:07,040

those are the people you know i'm

435

00:16:12,310 --> 00:16:09,360

interested in absolutely and

436

00:16:12,949 --> 00:16:12,320

and ourselves included we are interested

437

00:16:16,230 --> 00:16:12,959

in

438

00:16:19,749 --> 00:16:16,240

those sort of experiences people

439

00:16:23,030 --> 00:16:19,759

of very good or impeccable credentials

440

00:16:25,030 --> 00:16:23,040

people who are willing to uh

441

00:16:28,150 --> 00:16:25,040

come out with it because i think a lot

442

00:16:30,870 --> 00:16:28,160

more people have experienced ufos

443

00:16:32,150 --> 00:16:30,880

than are willing to admit to it

444

00:16:35,350 --> 00:16:32,160

particularly

445

00:16:38,550 --> 00:16:35,360

if they are in sensitive positions

446

00:16:41,590 --> 00:16:38,560

of trust and they feel

447

00:16:41,829 --> 00:16:41,600

that admitting to having seen a ufo even

448

00:16:44,710 --> 00:16:41,839

if

449

00:16:45,749 --> 00:16:44,720

it's not a close encounter of the third

450

00:16:49,030 --> 00:16:45,759

kind

451  
00:16:50,069 --> 00:16:49,040  
with actual uh beings from inside the

452  
00:16:52,870 --> 00:16:50,079  
ufo

453  
00:16:53,749 --> 00:16:52,880  
i i think that people are reticent to

454  
00:16:56,790 --> 00:16:53,759  
admit

455  
00:16:57,350 --> 00:16:56,800  
uh to it so they say they whoever they

456  
00:17:01,269 --> 00:16:57,360  
are but

457  
00:17:04,309 --> 00:17:01,279  
uh they say only 10 of ufo

458  
00:17:07,829 --> 00:17:04,319  
sightings get reported if that

459  
00:17:10,390 --> 00:17:07,839  
right and you know um you're

460  
00:17:12,069 --> 00:17:10,400  
correct on especially with military

461  
00:17:13,189 --> 00:17:12,079  
veterans once again we hear from them

462  
00:17:14,870 --> 00:17:13,199  
all the time

463  
00:17:16,870 --> 00:17:14,880

people who get in touch with us and they

464

00:17:18,470 --> 00:17:16,880

say you know when i was serving back in

465

00:17:19,829 --> 00:17:18,480

1982 i

466

00:17:22,390 --> 00:17:19,839

you know was out in the desert we saw

467

00:17:23,669 --> 00:17:22,400

this thing uh you know it it wasn't

468

00:17:25,429 --> 00:17:23,679

anything of this earth but our

469

00:17:26,789 --> 00:17:25,439

commanding officer told everyone

470

00:17:28,309 --> 00:17:26,799

never talk about this or it's going to

471

00:17:28,789 --> 00:17:28,319

you know ruin your military pension or

472

00:17:30,950 --> 00:17:28,799

whatever

473

00:17:32,470 --> 00:17:30,960

we we hear a lot from people who you

474

00:17:34,150 --> 00:17:32,480

know hate to use word threatened but

475

00:17:35,750 --> 00:17:34,160

they were told you have to keep quiet

476

00:17:38,710 --> 00:17:35,760

about this because of national

477

00:17:40,470 --> 00:17:38,720

security or whatever if if those people

478

00:17:43,190 --> 00:17:40,480

this is you know we petitioned

479

00:17:45,029 --> 00:17:43,200

on our show for this uh occasionally to

480

00:17:46,710 --> 00:17:45,039

say to the pentagon give these people

481

00:17:48,549 --> 00:17:46,720

amnesty anyone who was told while

482

00:17:51,110 --> 00:17:48,559

they're in the service not to talk about

483

00:17:53,270 --> 00:17:51,120

a ufo sighting they had for security

484

00:17:55,430 --> 00:17:53,280

purposes give those people amnesty

485

00:17:57,029 --> 00:17:55,440

and can you imagine the tidal wave of

486

00:17:59,350 --> 00:17:57,039

research that we would get

487

00:18:00,870 --> 00:17:59,360

we'd get thousands of thousands or more

488

00:18:02,549 --> 00:18:00,880

ufo sightings and

489

00:18:03,990 --> 00:18:02,559

more things to study more things to look

490

00:18:05,990 --> 00:18:04,000

into and kind of get us

491

00:18:07,750 --> 00:18:06,000

closer to solving the puzzle you know so

492

00:18:10,310 --> 00:18:07,760

military veterans a lot a lot of them

493

00:18:11,830 --> 00:18:10,320

saw stuff in to this day they they just

494

00:18:12,870 --> 00:18:11,840

don't want to talk about it because of

495

00:18:14,789 --> 00:18:12,880

what they were told

496

00:18:16,150 --> 00:18:14,799

airline island airline pilots are

497

00:18:18,310 --> 00:18:16,160

another case

498

00:18:20,070 --> 00:18:18,320

where they see them all the time but

499

00:18:21,750 --> 00:18:20,080

they don't report them because as you

500

00:18:23,190 --> 00:18:21,760

say there's a ridicule factor it's been

501  
00:18:24,950 --> 00:18:23,200  
around ever since ufos

502  
00:18:26,310 --> 00:18:24,960  
flying saucers have been around and they

503  
00:18:28,230 --> 00:18:26,320  
know when they go in for

504  
00:18:30,710 --> 00:18:28,240  
their promotion if they're up against

505  
00:18:32,310 --> 00:18:30,720  
someone who has not reported ufo

506  
00:18:34,070 --> 00:18:32,320  
uh you know incident he's going to get

507  
00:18:34,470 --> 00:18:34,080  
the job he's going to get the promotion

508  
00:18:36,230 --> 00:18:34,480  
so

509  
00:18:37,909 --> 00:18:36,240  
you keep quiet about it it's too bad

510  
00:18:39,830 --> 00:18:37,919  
it's like that but that's

511  
00:18:41,190 --> 00:18:39,840  
that's the reality of it well that's

512  
00:18:44,710 --> 00:18:41,200  
true and um

513  
00:18:45,510 --> 00:18:44,720

we know this from direct uh quotes from

514

00:18:48,230 --> 00:18:45,520

people

515

00:18:49,270 --> 00:18:48,240

who were at rendelsham forest during

516

00:18:52,870 --> 00:18:49,280

that incident

517

00:18:55,430 --> 00:18:52,880

uh back i guess it was 1980 um

518

00:18:56,710 --> 00:18:55,440

and they felt like their military career

519

00:18:59,110 --> 00:18:56,720

was disrupted

520

00:19:01,270 --> 00:18:59,120

through no fault of their own because

521

00:19:04,310 --> 00:19:01,280

they saw this very

522

00:19:05,270 --> 00:19:04,320

real sighting we don't know what exactly

523

00:19:10,630 --> 00:19:05,280

it was

524

00:19:11,350 --> 00:19:10,640

multiple multiple witnesses and it

525

00:19:14,310 --> 00:19:11,360

wasn't

526

00:19:14,710 --> 00:19:14,320

it was not of this earth in the sense

527

00:19:17,990 --> 00:19:14,720

that

528

00:19:18,549 --> 00:19:18,000

right uh it wasn't from any uh human

529

00:19:20,150 --> 00:19:18,559

government

530

00:19:22,230 --> 00:19:20,160

on the earth i mean some people talk

531

00:19:22,870 --> 00:19:22,240

about ultra-terrestrials and stuff like

532

00:19:25,350 --> 00:19:22,880

that and

533

00:19:26,710 --> 00:19:25,360

i think it's all just a conjecture it

534

00:19:29,750 --> 00:19:26,720

could be right but it is

535

00:19:30,630 --> 00:19:29,760

it is also conjecture so let's get back

536

00:19:33,750 --> 00:19:30,640

a little bit

537

00:19:37,270 --> 00:19:33,760

to mac maloney's haunted universe and

538

00:19:38,390 --> 00:19:37,280

um discuss a little bit what was your

539

00:19:41,750 --> 00:19:38,400

favorite account

540

00:19:44,950 --> 00:19:41,760

in the book wow

541

00:19:46,870 --> 00:19:44,960

um well this is there's a number most of

542

00:19:48,390 --> 00:19:46,880

the stories as they say are just two or

543

00:19:49,110 --> 00:19:48,400

three paragraphs long but there are a

544

00:19:51,430 --> 00:19:49,120

few

545

00:19:53,270 --> 00:19:51,440

segments in there that we go on for

546

00:19:54,710 --> 00:19:53,280

several pages and it's actually the last

547

00:19:56,630 --> 00:19:54,720

story in the book

548

00:19:58,310 --> 00:19:56,640

is about a place in russia called the m

549

00:20:01,350 --> 00:19:58,320

triangle that was my

550

00:20:04,710 --> 00:20:01,360

favorite tool oh wow yeah that is just

551  
00:20:06,149 --> 00:20:04,720  
that's just that's just such a unusual

552  
00:20:08,390 --> 00:20:06,159  
crazy place basically it's

553  
00:20:09,909 --> 00:20:08,400  
it's a place in russia near the euro

554  
00:20:13,110 --> 00:20:09,919  
mountains and

555  
00:20:17,190 --> 00:20:13,120  
it's i think 40 square miles it's

556  
00:20:18,390 --> 00:20:17,200  
just forest uh trees lakes and streams

557  
00:20:20,950 --> 00:20:18,400  
but it's really out in the middle of

558  
00:20:23,190 --> 00:20:20,960  
nowhere so for years

559  
00:20:24,870 --> 00:20:23,200  
the soviet government would not let

560  
00:20:26,710 --> 00:20:24,880  
anyone in there wouldn't let journalists

561  
00:20:28,710 --> 00:20:26,720  
or civilians into this place because

562  
00:20:30,710 --> 00:20:28,720  
it's always carried this kind of

563  
00:20:33,270 --> 00:20:30,720

uh taboo about it but then when things

564

00:20:35,350 --> 00:20:33,280

kind of softened there in the late 80s

565

00:20:37,270 --> 00:20:35,360

uh they did let scientists and

566

00:20:39,750 --> 00:20:37,280

journalists go into this place and and

567

00:20:41,669 --> 00:20:39,760

if they would quit on these um

568

00:20:43,029 --> 00:20:41,679

expeditions for two weeks and camp out

569

00:20:44,549 --> 00:20:43,039

basically but some of the things they

570

00:20:46,789 --> 00:20:44,559

reported that they saw

571

00:20:48,310 --> 00:20:46,799

i mean ufos were routine the stars

572

00:20:50,630 --> 00:20:48,320

dancing around the stars

573

00:20:51,750 --> 00:20:50,640

forming different you know geometric

574

00:20:54,950 --> 00:20:51,760

shapes in the sky

575

00:20:56,470 --> 00:20:54,960

um just beings not of this earth

576

00:20:58,390 --> 00:20:56,480

glowing orbs that would come and sit

577

00:21:01,590 --> 00:20:58,400

right over their campsite you know for

578

00:21:01,990 --> 00:21:01,600

a long long periods of time there's a

579

00:21:03,510 --> 00:21:02,000

place

580

00:21:05,510 --> 00:21:03,520

where you camp out in the woods you're

581

00:21:06,470 --> 00:21:05,520

in the dense flowers you you can hear

582

00:21:09,830 --> 00:21:06,480

traffic

583

00:21:11,590 --> 00:21:09,840

um you cannot make a phone call anywhere

584

00:21:13,190 --> 00:21:11,600

in this place except in this three by

585

00:21:13,669 --> 00:21:13,200

three square that they call the phone

586

00:21:15,430 --> 00:21:13,679

booth

587

00:21:17,909 --> 00:21:15,440

for some reason if you are standing in

588

00:21:19,669 --> 00:21:17,919

this square out the middle of nowhere

589

00:21:21,029 --> 00:21:19,679

you can make a phone call take one step

590

00:21:23,029 --> 00:21:21,039

out of it you can't it just

591

00:21:24,710 --> 00:21:23,039

it's it goes on and on and on but a lot

592

00:21:26,630 --> 00:21:24,720

of people say that what happens

593

00:21:28,630 --> 00:21:26,640

is when they go in to the m triangle

594

00:21:30,630 --> 00:21:28,640

they come out they feel different

595

00:21:32,710 --> 00:21:30,640

some people have been cured of um you

596

00:21:34,149 --> 00:21:32,720

know serious diseases

597

00:21:35,669 --> 00:21:34,159

most people come out for the better they

598

00:21:37,350 --> 00:21:35,679

have like a you know their their

599

00:21:38,870 --> 00:21:37,360

consciousness has been raised who knows

600

00:21:40,470 --> 00:21:38,880

you know what it really is but

601  
00:21:41,990 --> 00:21:40,480  
real quick the story that stands out

602  
00:21:42,870 --> 00:21:42,000  
which makes this my favorite story in

603  
00:21:45,110 --> 00:21:42,880  
the book is

604  
00:21:46,549 --> 00:21:45,120  
that there was a gentleman a russian

605  
00:21:48,710 --> 00:21:46,559  
gentleman who was washed out of the

606  
00:21:50,710 --> 00:21:48,720  
soviet army this is in the 80s now

607  
00:21:52,230 --> 00:21:50,720  
uh was bumming around and had no job

608  
00:21:53,029 --> 00:21:52,240  
finally caught on as a journalist in

609  
00:21:54,950 --> 00:21:53,039  
moscow

610  
00:21:56,710 --> 00:21:54,960  
they sent him to the m triangle and he

611  
00:21:58,870 --> 00:21:56,720  
went in with one of the first

612  
00:22:00,310 --> 00:21:58,880  
expeditions it's really just as i say

613  
00:22:02,710 --> 00:22:00,320

two weeks of camping out

614

00:22:03,510 --> 00:22:02,720

but um there is also a people magazine

615

00:22:06,630 --> 00:22:03,520

reporter on

616

00:22:08,549 --> 00:22:06,640

in the same expedition so uh

617

00:22:10,549 --> 00:22:08,559

she documented what was going on with

618

00:22:13,110 --> 00:22:10,559

this guy now this guy was no einstein he

619

00:22:14,789 --> 00:22:13,120

was no genius but when he left after two

620

00:22:15,750 --> 00:22:14,799

weeks he went back to moscow he wrote

621

00:22:19,029 --> 00:22:15,760

his story

622

00:22:20,789 --> 00:22:19,039

you know passed it in and and then all

623

00:22:22,549 --> 00:22:20,799

of a sudden he started

624

00:22:24,630 --> 00:22:22,559

getting a knowledge of astrophysics and

625

00:22:27,270 --> 00:22:24,640

he was suddenly able to read math books

626

00:22:29,750 --> 00:22:27,280

and physics books and astrophysics books

627

00:22:31,029 --> 00:22:29,760

something that you know had never even

628

00:22:35,190 --> 00:22:31,039

dawned on him before

629

00:22:38,950 --> 00:22:38,149

okay now what happened to him in there

630

00:22:40,789 --> 00:22:38,960

you know what

631

00:22:42,230 --> 00:22:40,799

what is going on in the mri and there's

632

00:22:44,230 --> 00:22:42,240

lots of stories

633

00:22:45,669 --> 00:22:44,240

about similar things like that that's

634

00:22:46,310 --> 00:22:45,679

the most dramatic but people's lives

635

00:22:48,789 --> 00:22:46,320

being changed

636

00:22:50,310 --> 00:22:48,799

simply by being in this place that's

637

00:22:53,029 --> 00:22:50,320

going to be my favorite story

638

00:22:54,149 --> 00:22:53,039

indeed and the only thing i can compare

639

00:22:56,950 --> 00:22:54,159

that to

640

00:22:57,750 --> 00:22:56,960

is that sometimes people who have a

641

00:23:00,789 --> 00:22:57,760

near-death

642

00:23:03,990 --> 00:23:00,799

experience will come back

643

00:23:04,789 --> 00:23:04,000

from that knowing stuff that they didn't

644

00:23:08,149 --> 00:23:04,799

know

645

00:23:10,070 --> 00:23:08,159

prior to that right sure yeah and

646

00:23:12,070 --> 00:23:10,080

and a lot of people say now now that

647

00:23:12,390 --> 00:23:12,080

things have gone the other way in russia

648

00:23:14,710 --> 00:23:12,400

now

649

00:23:16,310 --> 00:23:14,720

they're closing this place down and the

650

00:23:18,470 --> 00:23:16,320

the security services

651  
00:23:20,149 --> 00:23:18,480  
have always been watching this place but

652  
00:23:20,710 --> 00:23:20,159  
they're not they don't have the access

653  
00:23:24,230 --> 00:23:20,720  
that

654  
00:23:25,750 --> 00:23:24,240  
military watches

655  
00:23:28,070 --> 00:23:25,760  
close you know closely watches this

656  
00:23:29,590 --> 00:23:28,080  
place so do the security services the

657  
00:23:31,270 --> 00:23:29,600  
what is now the it would used to be the

658  
00:23:32,950 --> 00:23:31,280  
kgb and

659  
00:23:35,029 --> 00:23:32,960  
you know people have asked why why this

660  
00:23:37,830 --> 00:23:35,039  
place and this all kinds of rumors is

661  
00:23:39,029 --> 00:23:37,840  
uranium in the ground and it used to be

662  
00:23:40,950 --> 00:23:39,039  
a place where they made

663  
00:23:42,710 --> 00:23:40,960

you know batteries that were radioactive

664

00:23:43,669 --> 00:23:42,720

but you know there's no proof of any of

665

00:23:45,430 --> 00:23:43,679

this

666

00:23:46,870 --> 00:23:45,440

the outstanding evidence the in the

667

00:23:49,029 --> 00:23:46,880

piles of evidence is just

668

00:23:50,630 --> 00:23:49,039

how people change when they go to this

669

00:23:53,350 --> 00:23:50,640

place for a couple weeks

670

00:23:54,549 --> 00:23:53,360

interesting i i i hope that there are

671

00:23:56,789 --> 00:23:54,559

more scientific

672

00:23:59,590 --> 00:23:56,799

studies done on this place have you

673

00:24:01,909 --> 00:23:59,600

yourself thought of visiting it mac

674

00:24:03,269 --> 00:24:01,919

well yeah i'd love to go you know um

675

00:24:05,669 --> 00:24:03,279

it's it's it would have been

676

00:24:07,269 --> 00:24:05,679

easier to do i'd say about 10 years ago

677

00:24:10,149 --> 00:24:07,279

you know when things were just a little

678

00:24:11,750 --> 00:24:10,159

bit better between the us and russia now

679

00:24:14,149 --> 00:24:11,760

yeah i don't think they're going to let

680

00:24:15,510 --> 00:24:14,159

they don't let russian journalists in so

681

00:24:17,350 --> 00:24:15,520

they're probably going to let an

682

00:24:18,789 --> 00:24:17,360

american journalist in but hey you never

683

00:24:22,470 --> 00:24:18,799

know never say never right

684

00:24:25,029 --> 00:24:22,480

yeah i i i was over uh to what was the

685

00:24:26,070 --> 00:24:25,039

former soviet union about a year before

686

00:24:29,350 --> 00:24:26,080

glasgow's

687

00:24:31,110 --> 00:24:29,360

and it was it was a bizarre it was a

688

00:24:34,149 --> 00:24:31,120

bizarre place overall

689

00:24:36,870 --> 00:24:34,159

taking taking a group of people through

690

00:24:39,110 --> 00:24:36,880

um what is now russia and the ukraine

691

00:24:40,470 --> 00:24:39,120

and being followed everywhere we went by

692

00:24:43,350 --> 00:24:40,480

the kgb

693

00:24:44,070 --> 00:24:43,360

sure was quite an experience even back

694

00:24:48,149 --> 00:24:44,080

then

695

00:24:51,430 --> 00:24:48,159

um but um the fire the way the fire

696

00:24:52,470 --> 00:24:51,440

goes inside this triangle um you had

697

00:24:55,590 --> 00:24:52,480

said that uh

698

00:24:56,149 --> 00:24:55,600

there was uh situations where uh even a

699

00:24:59,510 --> 00:24:56,159

small

700

00:25:02,789 --> 00:24:59,520

flame can suddenly explode right yep

701  
00:25:04,950 --> 00:25:02,799  
and um uh sometimes

702  
00:25:06,149 --> 00:25:04,960  
the i think the the the odd thing about

703  
00:25:08,390 --> 00:25:06,159  
it is all right

704  
00:25:09,590 --> 00:25:08,400  
the many odd things about it is that it

705  
00:25:12,390 --> 00:25:09,600  
almost seems like a

706  
00:25:13,430 --> 00:25:12,400  
an area where everything is kind of

707  
00:25:17,110 --> 00:25:13,440  
compressed

708  
00:25:18,950 --> 00:25:17,120  
crazy stuff that goes on around the

709  
00:25:20,710 --> 00:25:18,960  
seems to be more concentrated

710  
00:25:22,310 --> 00:25:20,720  
you know people call them the hot spots

711  
00:25:25,669 --> 00:25:22,320  
but this is the hot spot

712  
00:25:27,510 --> 00:25:25,679  
beyond hot spots i mean no one has ever

713  
00:25:29,590 --> 00:25:27,520

you know documented so many strange

714

00:25:30,549 --> 00:25:29,600

things happening and when i say ufos are

715

00:25:33,590 --> 00:25:30,559

routine i mean they're

716

00:25:34,870 --> 00:25:33,600

literally routine and and and people

717

00:25:36,950 --> 00:25:34,880

running into

718

00:25:38,549 --> 00:25:36,960

creatures not of this earth and then the

719

00:25:39,350 --> 00:25:38,559

animals and the fish coming right up to

720

00:25:41,350 --> 00:25:39,360

people

721

00:25:42,710 --> 00:25:41,360

having no fear of humans you know where

722

00:25:45,430 --> 00:25:42,720

does that happen

723

00:25:46,789 --> 00:25:45,440

so i don't know now that now that you've

724

00:25:47,430 --> 00:25:46,799

mentioned i think i would like to go

725

00:25:50,470 --> 00:25:47,440

over there

726

00:25:54,070 --> 00:25:50,480

yeah i i i think that um

727

00:25:57,830 --> 00:25:54,080

beneath the surface of mac maloney lies

728

00:25:59,750 --> 00:25:57,840

uh a strong desire to become a more

729

00:26:01,430 --> 00:25:59,760

hands-on researcher

730

00:26:03,110 --> 00:26:01,440

well you know my problem is i shouldn't

731

00:26:04,870 --> 00:26:03,120

admit it here but i don't like to fly

732

00:26:06,870 --> 00:26:04,880

that's that holds me back from doing a

733

00:26:09,029 --> 00:26:06,880

lot of things to tell you the truth but

734

00:26:10,470 --> 00:26:09,039

you know if it's if it's if the goal is

735

00:26:11,750 --> 00:26:10,480

you know worthy enough i would just you

736

00:26:13,430 --> 00:26:11,760

know

737

00:26:15,029 --> 00:26:13,440

self-medicate and get on the plane you

738

00:26:17,029 --> 00:26:15,039

know okay well you know

739

00:26:18,549 --> 00:26:17,039

planes are pretty safe these days but

740

00:26:22,470 --> 00:26:18,559

there can always be a

741

00:26:24,310 --> 00:26:22,480

it can always be a problem which um

742

00:26:26,070 --> 00:26:24,320

i was going to go in a little bit later

743

00:26:29,909 --> 00:26:26,080

in the show to ask you

744

00:26:32,070 --> 00:26:29,919

about what you thought about um

745

00:26:33,830 --> 00:26:32,080

some of these things that are seen over

746

00:26:37,269 --> 00:26:33,840

the u.s being

747

00:26:41,990 --> 00:26:37,279

uh actually uh craft

748

00:26:44,950 --> 00:26:42,000

that are being tested by the government

749

00:26:46,390 --> 00:26:44,960

well you know a lot of what people see

750

00:26:49,029 --> 00:26:46,400

that's exactly what they are

751  
00:26:49,750 --> 00:26:49,039  
um there's a lot of um especially in the

752  
00:26:52,950 --> 00:26:49,760  
uh

753  
00:26:57,590 --> 00:26:52,960  
desert

754  
00:26:59,669 --> 00:26:57,600  
area 51

755  
00:27:02,870 --> 00:26:59,679  
is exactly what the government tells us

756  
00:27:06,630 --> 00:27:02,880  
it is okay it's a place where they test

757  
00:27:09,350 --> 00:27:06,640  
our top secret uh newly designed

758  
00:27:11,430 --> 00:27:09,360  
uh combat aircraft of the future i mean

759  
00:27:14,710 --> 00:27:11,440  
that's what it is in spycraft

760  
00:27:16,870 --> 00:27:14,720  
but they have so many different things

761  
00:27:20,230 --> 00:27:16,880  
going on out there for instance

762  
00:27:21,669 --> 00:27:20,240  
um for every stealth fighter for every

763  
00:27:24,149 --> 00:27:21,679

stealth bomber that

764

00:27:25,190 --> 00:27:24,159

they reveal to us there's probably eight

765

00:27:27,510 --> 00:27:25,200

or nine

766

00:27:28,789 --> 00:27:27,520

variations of it that are either a

767

00:27:30,230 --> 00:27:28,799

prototype stage

768

00:27:31,750 --> 00:27:30,240

or they're ones that they're not going

769

00:27:33,590 --> 00:27:31,760

to reveal to us there's a lot of

770

00:27:35,510 --> 00:27:33,600

activity going on out there

771

00:27:37,430 --> 00:27:35,520

and if you're you know you can't get

772

00:27:39,909 --> 00:27:37,440

within 40 miles of it now but if you

773

00:27:41,750 --> 00:27:39,919

if you watch what's going on um you know

774

00:27:43,510 --> 00:27:41,760

in the skies over here 51

775

00:27:45,590 --> 00:27:43,520

people see things that you know yes they

776

00:27:46,549 --> 00:27:45,600

don't look they don't look like they

777

00:27:49,110 --> 00:27:46,559

should be happening

778

00:27:49,990 --> 00:27:49,120

but you know we have maybe hypersonic

779

00:27:52,389 --> 00:27:50,000

airplanes some

780

00:27:53,590 --> 00:27:52,399

airplanes that might go 5 000 6 000

781

00:27:56,630 --> 00:27:53,600

miles an hour

782

00:27:58,630 --> 00:27:56,640

um you know unbelievable you know the

783

00:27:59,750 --> 00:27:58,640

aircraft that could just be unbelievably

784

00:28:01,350 --> 00:27:59,760

maneuverable

785

00:28:02,789 --> 00:28:01,360

and you're seeing just lights in the sky

786

00:28:03,430 --> 00:28:02,799

go all over the place well maybe that's

787

00:28:05,269 --> 00:28:03,440

somebody

788

00:28:07,590 --> 00:28:05,279

you know in a plane that just is just

789

00:28:10,630 --> 00:28:07,600

has just out of the envelope type of

790

00:28:13,110 --> 00:28:10,640

maneuverability sure um they also

791

00:28:14,070 --> 00:28:13,120

another thing they do there is that they

792

00:28:16,389 --> 00:28:14,080

take caption

793

00:28:17,110 --> 00:28:16,399

captured russian and chinese jet

794

00:28:19,750 --> 00:28:17,120

fighters

795

00:28:20,389 --> 00:28:19,760

and they have american pilots fly them

796

00:28:23,830 --> 00:28:20,399

and then

797

00:28:25,750 --> 00:28:23,840

our pilots fly against them they're

798

00:28:27,029 --> 00:28:25,760

it's kind of like a mock duel but it's

799

00:28:28,950 --> 00:28:27,039

it's it's a way

800

00:28:30,389 --> 00:28:28,960

that our pilots know you know what a

801  
00:28:32,310 --> 00:28:30,399  
russian mega is going to do with this

802  
00:28:35,029 --> 00:28:32,320  
certain kind of this this that

803  
00:28:36,789 --> 00:28:35,039  
this you know high low turning whatever

804  
00:28:38,789 --> 00:28:36,799  
so they do that too and that's uh that's

805  
00:28:42,230 --> 00:28:38,799  
obviously highly secret as well

806  
00:28:42,870 --> 00:28:42,240  
so just a lot of secret aircraft studies

807  
00:28:44,470 --> 00:28:42,880  
things that

808  
00:28:46,710 --> 00:28:44,480  
would probably blow our minds if we know

809  
00:28:48,070 --> 00:28:46,720  
now but but that's what a lot of people

810  
00:28:49,750 --> 00:28:48,080  
see out there now

811  
00:28:51,190 --> 00:28:49,760  
but that's not all they see out there

812  
00:28:52,630 --> 00:28:51,200  
obviously you know because there's a

813  
00:28:54,549 --> 00:28:52,640

difference from seeing things

814

00:28:57,029 --> 00:28:54,559

in the sky moving fast you're moving

815

00:28:58,549 --> 00:28:57,039

strangely and you know a saucer-shaped

816

00:29:00,310 --> 00:28:58,559

craft coming down in your backyard

817

00:29:02,470 --> 00:29:00,320

there's a difference between that

818

00:29:03,830 --> 00:29:02,480

um but i have to say a lot of it does

819

00:29:04,630 --> 00:29:03,840

happen out in the west and deserts

820

00:29:06,950 --> 00:29:04,640

either

821

00:29:07,990 --> 00:29:06,960

explain or unexplainable well some of

822

00:29:10,789 --> 00:29:08,000

the so-called

823

00:29:12,549 --> 00:29:10,799

portal areas you've mentioned a few

824

00:29:15,110 --> 00:29:12,559

portal areas in the book

825

00:29:15,669 --> 00:29:15,120

but some of the so-called portal areas

826  
00:29:19,029 --> 00:29:15,679  
exist

827  
00:29:22,470 --> 00:29:19,039  
in the west area 51 i don't

828  
00:29:26,470 --> 00:29:22,480  
consider a portal area it seems to be

829  
00:29:29,990 --> 00:29:26,480  
someplace as you say which is like a a

830  
00:29:32,789 --> 00:29:30,000  
an airplane proving ground as well as

831  
00:29:33,590 --> 00:29:32,799  
some place where things may have been

832  
00:29:36,630 --> 00:29:33,600  
taken

833  
00:29:39,669 --> 00:29:36,640  
if an uh a craft of unknown

834  
00:29:42,389 --> 00:29:39,679  
origin in other words not

835  
00:29:44,230 --> 00:29:42,399  
of the earth's government might have

836  
00:29:46,070 --> 00:29:44,240  
been taken

837  
00:29:47,750 --> 00:29:46,080  
there were places out there though that

838  
00:29:49,990 --> 00:29:47,760

um and this just goes back to

839

00:29:51,430 --> 00:29:50,000

my second book which is beyond area 51

840

00:29:53,430 --> 00:29:51,440

which is a book about

841

00:29:54,789 --> 00:29:53,440

we just take all the secret bases like

842

00:29:55,990 --> 00:29:54,799

area 50 run around

843

00:29:58,070 --> 00:29:56,000

around the world would just give a

844

00:30:00,470 --> 00:29:58,080

little bit of a history of each one and

845

00:30:02,470 --> 00:30:00,480

a lot of them you know the vast majority

846

00:30:03,110 --> 00:30:02,480

do have kind of ufo histories attached

847

00:30:05,430 --> 00:30:03,120

to them

848

00:30:08,149 --> 00:30:05,440

but there's a place about 100 miles now

849

00:30:10,310 --> 00:30:08,159

about 75 miles north of area 51

850

00:30:12,789 --> 00:30:10,320

that is much more secret than area 51

851  
00:30:15,510 --> 00:30:12,799  
it's a place called tonopah test range

852  
00:30:15,830 --> 00:30:15,520  
and it's about halfway between it it's

853  
00:30:18,070 --> 00:30:15,840  
about

854  
00:30:19,190 --> 00:30:18,080  
right in the middle of nevada and it's

855  
00:30:20,630 --> 00:30:19,200  
out in the middle of the

856  
00:30:22,389 --> 00:30:20,640  
out in the desert there's tone apart the

857  
00:30:24,230 --> 00:30:22,399  
city of toronto power is about 2 000

858  
00:30:25,750 --> 00:30:24,240  
people the base itself is about 40 miles

859  
00:30:26,950 --> 00:30:25,760  
out of the desert and they test stuff

860  
00:30:28,549 --> 00:30:26,960  
out there

861  
00:30:30,470 --> 00:30:28,559  
well for instance they the stealth

862  
00:30:31,590 --> 00:30:30,480  
fighter flew out there for 10 years and

863  
00:30:33,510 --> 00:30:31,600

no one ever knew it

864

00:30:35,510 --> 00:30:33,520

okay that's how tightly sealed this

865

00:30:38,389 --> 00:30:35,520

place is

866

00:30:39,909 --> 00:30:38,399

for it to leave nevada airspace

867

00:30:40,870 --> 00:30:39,919

sometimes if they had to do some some

868

00:30:42,870 --> 00:30:40,880

kind of test that would

869

00:30:44,710 --> 00:30:42,880

one of them to fly longer or whatever

870

00:30:46,549 --> 00:30:44,720

higher off further out

871

00:30:48,789 --> 00:30:46,559

they had to get a presidential order to

872

00:30:50,389 --> 00:30:48,799

let it go into california airspace this

873

00:30:51,830 --> 00:30:50,399

is you know how tightly wrapped this

874

00:30:53,350 --> 00:30:51,840

program was right

875

00:30:54,549 --> 00:30:53,360

you never hear about it you'd never hear

876

00:30:55,909 --> 00:30:54,559

about tone of power the strange thing

877

00:30:57,029 --> 00:30:55,919

about it and we pointed out on this book

878

00:30:59,590 --> 00:30:57,039

is that

879

00:31:00,870 --> 00:30:59,600

um the tone of the probably the most

880

00:31:01,909 --> 00:31:00,880

secret base in the united states

881

00:31:04,870 --> 00:31:01,919

certainly for aircraft

882

00:31:06,630 --> 00:31:04,880

has absolutely no ufo history and and

883

00:31:08,710 --> 00:31:06,640

that is to me that's very strange you

884

00:31:10,389 --> 00:31:08,720

know that's almost like

885

00:31:11,830 --> 00:31:10,399

whatever ufos are they're actually

886

00:31:12,630 --> 00:31:11,840

avoiding this place because they're

887

00:31:16,230 --> 00:31:12,640

everywhere else

888

00:31:19,750 --> 00:31:16,240

but they're not there hmm

889

00:31:20,149 --> 00:31:19,760

hmm that's interesting they don't go

890

00:31:23,190 --> 00:31:20,159

there

891

00:31:23,990 --> 00:31:23,200

or they don't you know it's strange too

892

00:31:26,789 --> 00:31:24,000

but it is that

893

00:31:28,630 --> 00:31:26,799

it's at this little town of tonopah uh

894

00:31:32,070 --> 00:31:28,640

which is about halfway between reno and

895

00:31:34,710 --> 00:31:32,080

in vegas it bills itself as the

896

00:31:36,549 --> 00:31:34,720

astronomers uh the best place in the

897

00:31:37,830 --> 00:31:36,559

united states for astronomers to go so

898

00:31:39,509 --> 00:31:37,840

there were people out there all the time

899

00:31:42,710 --> 00:31:39,519

tour groups and stuff

900

00:31:44,830 --> 00:31:42,720

with with hundreds of telescopes and

901  
00:31:46,789 --> 00:31:44,840  
you know looking at the skies probably

902  
00:31:49,190 --> 00:31:46,799  
365 days a year

903  
00:31:51,430 --> 00:31:49,200  
but there's no ufo reports yet you just

904  
00:31:52,470 --> 00:31:51,440  
go down to vegas go go 100 miles outside

905  
00:31:54,950 --> 00:31:52,480  
of this place

906  
00:31:56,870 --> 00:31:54,960  
and you know i mean i think nevada is

907  
00:31:59,830 --> 00:31:56,880  
the fifth highest number of

908  
00:32:01,190 --> 00:31:59,840  
ufo sightings in the country so very odd

909  
00:32:05,029 --> 00:32:01,200  
that they just don't go to this

910  
00:32:06,230 --> 00:32:05,039  
very very secret place yes it is and and

911  
00:32:09,350 --> 00:32:06,240  
there are other

912  
00:32:13,430 --> 00:32:09,360  
unusual places uh that are portal areas

913  
00:32:17,029 --> 00:32:13,440

in the west like um the skinwalker ranch

914

00:32:20,230 --> 00:32:17,039

and um which is in the unita basin in

915

00:32:24,310 --> 00:32:20,240

utah and the um area

916

00:32:27,750 --> 00:32:24,320

around um oh boy in arizona

917

00:32:30,470 --> 00:32:27,760

sedona arizona where i in fact had some

918

00:32:32,470 --> 00:32:30,480

strange experiences though not ufo

919

00:32:35,669 --> 00:32:32,480

experiences it does seem

920

00:32:38,549 --> 00:32:35,679

as though um the under

921

00:32:39,350 --> 00:32:38,559

what's underlying in the ground

922

00:32:42,310 --> 00:32:39,360

sometimes

923

00:32:43,269 --> 00:32:42,320

has an effect like if it's a lot of

924

00:32:47,190 --> 00:32:43,279

quartz or

925

00:32:50,389 --> 00:32:47,200

granite or certain other stones seem to

926

00:32:54,149 --> 00:32:50,399

create electromagnetic effects that

927

00:32:58,310 --> 00:32:54,159

either incite some of these sightings

928

00:33:02,389 --> 00:32:58,320

or else that makes maybe something that

929

00:33:05,190 --> 00:33:02,399

the the beings inside the ufos may be

930

00:33:07,110 --> 00:33:05,200

looking for that energy i'm not sure

931

00:33:08,789 --> 00:33:07,120

there's a place we have this in the book

932

00:33:12,549 --> 00:33:08,799

as well there's a place called

933

00:33:15,590 --> 00:33:12,559

uh okay it's in the very

934

00:33:17,350 --> 00:33:15,600

furthest farthest western part of china

935

00:33:19,430 --> 00:33:17,360

on the border with india

936

00:33:20,870 --> 00:33:19,440

in the himalayas okay it's it's one of

937

00:33:23,029 --> 00:33:20,880

the most isolated places

938

00:33:24,230 --> 00:33:23,039

on earth and it's it's you know miles

939

00:33:26,149 --> 00:33:24,240

high into

940

00:33:27,590 --> 00:33:26,159

you know the elevation of the mountains

941

00:33:29,350 --> 00:33:27,600

it's they're way way up there

942

00:33:31,190 --> 00:33:29,360

snow all the time brutal weather all the

943

00:33:34,310 --> 00:33:31,200

time um

944

00:33:36,070 --> 00:33:34,320

in 1962 during the cuban missile crisis

945

00:33:37,350 --> 00:33:36,080

uh people you know might not be aware of

946

00:33:41,110 --> 00:33:37,360

this

947

00:33:41,509 --> 00:33:41,120

the um chinese and the indians fought a

948

00:33:44,149 --> 00:33:41,519

war

949

00:33:44,630 --> 00:33:44,159

over this place aksai chin all right the

950

00:33:46,710 --> 00:33:44,640

most

951

00:33:48,230 --> 00:33:46,720

unbelievably unforgiving place

952

00:33:49,750 --> 00:33:48,240

inhospitable place in the world they

953

00:33:50,789 --> 00:33:49,760

literally fought a wall while everyone's

954

00:33:53,269 --> 00:33:50,799

attention

955

00:33:54,630 --> 00:33:53,279

was focused on the cuban missile crisis

956

00:33:56,230 --> 00:33:54,640

these two countries are fighting each

957

00:33:58,149 --> 00:33:56,240

other over this place now

958

00:33:59,509 --> 00:33:58,159

the strange thing about this place is

959

00:34:00,710 --> 00:33:59,519

and then they stopped after two weeks

960

00:34:03,029 --> 00:34:00,720

they stopped

961

00:34:03,750 --> 00:34:03,039

um the strange thing about this place is

962

00:34:06,070 --> 00:34:03,760

it has a

963

00:34:07,509 --> 00:34:06,080

long long long history of ufo sightings

964

00:34:08,470 --> 00:34:07,519

going back hundreds and hundreds of

965

00:34:10,149 --> 00:34:08,480

years

966

00:34:12,149 --> 00:34:10,159

um you know not to say that's what they

967

00:34:14,470 --> 00:34:12,159

were fighting about but it's a strange

968

00:34:15,990 --> 00:34:14,480

place to fight so some researchers went

969

00:34:17,589 --> 00:34:16,000

up into this place afterwards and they

970

00:34:19,669 --> 00:34:17,599

went into this one village

971

00:34:21,669 --> 00:34:19,679

and this is an anecdote you know and and

972

00:34:23,030 --> 00:34:21,679

but i've read it you know i've i've seen

973

00:34:25,270 --> 00:34:23,040

it in several

974

00:34:26,230 --> 00:34:25,280

years of research where they went to the

975

00:34:29,349 --> 00:34:26,240

kids

976

00:34:31,430 --> 00:34:29,359

and and said draw what you see every day

977

00:34:32,389 --> 00:34:31,440

what do you see in an unusual day now

978

00:34:33,990 --> 00:34:32,399

these kids had

979

00:34:35,669 --> 00:34:34,000

they barely had books they had no tv

980

00:34:37,190 --> 00:34:35,679

radio nothing so whatever they're going

981

00:34:37,669 --> 00:34:37,200

to draw is really something that happens

982

00:34:39,669 --> 00:34:37,679

to them

983

00:34:41,669 --> 00:34:39,679

and like you know 70 of them drew what

984

00:34:43,430 --> 00:34:41,679

you would say were flying saucers

985

00:34:44,869 --> 00:34:43,440

coming out of the mountains and this is

986

00:34:46,629 --> 00:34:44,879

a place as you say

987

00:34:48,470 --> 00:34:46,639

it's like where the two pieces of the

988

00:34:49,510 --> 00:34:48,480

earth crust meat you know that's what

989

00:34:50,790 --> 00:34:49,520

formed the mountains

990

00:34:52,629 --> 00:34:50,800

right and who knows what kind of you

991

00:34:53,270 --> 00:34:52,639

know energy who knows what's down there

992

00:34:55,430 --> 00:34:53,280

but

993

00:34:56,310 --> 00:34:55,440

you just have this strange place out in

994

00:34:58,790 --> 00:34:56,320

the middle of nowhere

995

00:34:59,510 --> 00:34:58,800

up in the himalayas with a lot of ufos

996

00:35:01,589 --> 00:34:59,520

you know

997

00:35:03,990 --> 00:35:01,599

in its history and for some reason red

998

00:35:07,670 --> 00:35:04,000

china and india fight a war over it

999

00:35:10,710 --> 00:35:07,680

um back in 1962. was that the the

1000

00:35:13,750 --> 00:35:10,720

the place or is the largest city called

1001

00:35:16,710 --> 00:35:13,760

alta atai is that the same

1002

00:35:17,109 --> 00:35:16,720

location that i'm thinking of um i'm not

1003

00:35:19,270 --> 00:35:17,119

sure

1004

00:35:20,390 --> 00:35:19,280

that it could be i know that this this

1005

00:35:23,349 --> 00:35:20,400

is one of the

1006

00:35:25,030 --> 00:35:23,359

least populated places on earth okay

1007

00:35:27,270 --> 00:35:25,040

well i haven't been to the

1008

00:35:29,349 --> 00:35:27,280

uh himalayas yet i don't think i'm gonna

1009

00:35:33,190 --> 00:35:29,359

get there this time around but

1010

00:35:35,990 --> 00:35:33,200

it certainly is quite um

1011

00:35:36,470 --> 00:35:36,000

quite a remote location and there are a

1012

00:35:39,670 --> 00:35:36,480

lot of

1013

00:35:43,030 --> 00:35:39,680

interesting spiritual uh

1014

00:35:46,710 --> 00:35:43,040

groups that have called that area home

1015

00:35:50,630 --> 00:35:46,720

including uh the uh the dalai lama

1016

00:35:51,349 --> 00:35:50,640

and prior to tibetan buddhism was of

1017

00:35:53,510 --> 00:35:51,359

course

1018

00:35:55,430 --> 00:35:53,520

the bond tradition now the bond

1019

00:35:56,150 --> 00:35:55,440

tradition if you're familiar with it at

1020

00:35:59,510 --> 00:35:56,160

all

1021

00:36:02,790 --> 00:35:59,520

uh it it uh has a lot of

1022

00:36:05,430 --> 00:36:02,800

uh absolutely out and out magical pr

1023

00:36:05,910 --> 00:36:05,440

practices involved with the religion

1024

00:36:09,990 --> 00:36:05,920

that

1025

00:36:12,630 --> 00:36:10,000

they do magic

1026  
00:36:15,109 --> 00:36:12,640  
for themselves against others all kinds

1027  
00:36:18,630 --> 00:36:15,119  
of different things and have a lot of

1028  
00:36:19,430 --> 00:36:18,640  
dream significance of dreams similar to

1029  
00:36:22,630 --> 00:36:19,440  
those

1030  
00:36:24,470 --> 00:36:22,640  
of certain tribes in the south pacific

1031  
00:36:27,270 --> 00:36:24,480  
and in south america i just throw that

1032  
00:36:30,390 --> 00:36:27,280  
in i don't know that's interesting wow

1033  
00:36:33,589 --> 00:36:30,400  
um you have uh some of of your

1034  
00:36:36,390 --> 00:36:33,599  
uh book is about um spying

1035  
00:36:37,349 --> 00:36:36,400  
and how we are being spied on today

1036  
00:36:40,870 --> 00:36:37,359  
would you like to

1037  
00:36:42,870 --> 00:36:40,880  
um expand a little on that

1038  
00:36:44,470 --> 00:36:42,880

sure i mean um you know it's no secret

1039

00:36:47,190 --> 00:36:44,480

that you know what we would

1040

00:36:48,710 --> 00:36:47,200

term privacy just 30 years ago you know

1041

00:36:50,069 --> 00:36:48,720

it's it's no longer around it it

1042

00:36:53,349 --> 00:36:50,079

probably isn't going to come back

1043

00:36:56,550 --> 00:36:53,359

but the u.s has a satellite

1044

00:36:59,190 --> 00:36:56,560

uh called the keyhole satellite and it's

1045

00:37:02,950 --> 00:36:59,200

uh orbiting somewhere around 125 miles

1046

00:37:06,150 --> 00:37:02,960

up and and

1047

00:37:07,750 --> 00:37:06,160

it can look down on you and in in the

1048

00:37:10,470 --> 00:37:07,760

lenses

1049

00:37:11,109 --> 00:37:10,480

um so powerful that if you're carrying a

1050

00:37:13,910 --> 00:37:11,119

parent

1051  
00:37:15,589 --> 00:37:13,920  
a pack of cigarettes in your pocket you

1052  
00:37:17,190 --> 00:37:15,599  
can tell the brand of cigarettes it can

1053  
00:37:19,670 --> 00:37:17,200  
count the buttons on your shirt

1054  
00:37:20,550 --> 00:37:19,680  
oh jeez now here's here's the here's the

1055  
00:37:21,750 --> 00:37:20,560  
punch line

1056  
00:37:24,390 --> 00:37:21,760  
this thing has been up there flying

1057  
00:37:25,829 --> 00:37:24,400  
since the 70s this is now

1058  
00:37:27,829 --> 00:37:25,839  
an old satellite that's probably been

1059  
00:37:30,790 --> 00:37:27,839  
retired

1060  
00:37:31,190 --> 00:37:30,800  
can you imagine what they have now the

1061  
00:37:44,790 --> 00:37:31,200  
the

1062  
00:37:48,150 --> 00:37:44,800  
of a person who worked

1063  
00:37:51,270 --> 00:37:48,160

as a tactician for the government for

1064

00:37:53,750 --> 00:37:51,280

many years and got very high into

1065

00:37:55,430 --> 00:37:53,760

being you know a non-governmental

1066

00:37:58,950 --> 00:37:55,440

governmental person

1067

00:38:02,230 --> 00:37:58,960

if you know what i mean and

1068

00:38:05,589 --> 00:38:02,240

she said to me that her dad's

1069

00:38:09,030 --> 00:38:05,599

concern was that they were just

1070

00:38:09,589 --> 00:38:09,040

collecting all of this data constantly

1071

00:38:12,630 --> 00:38:09,599

through

1072

00:38:14,550 --> 00:38:12,640

whatever form of spying but nobody was

1073

00:38:16,150 --> 00:38:14,560

keeping track of it they had plenty of

1074

00:38:19,349 --> 00:38:16,160

data and they had

1075

00:38:21,109 --> 00:38:19,359

a poor amount of analysts the analysts

1076

00:38:24,390 --> 00:38:21,119

were

1077

00:38:27,510 --> 00:38:24,400

considering not so much

1078

00:38:30,710 --> 00:38:27,520

the invasion of privacy but the idea of

1079

00:38:31,990 --> 00:38:30,720

the fact that some of the people out

1080

00:38:34,790 --> 00:38:32,000

there anyway we're trying to

1081

00:38:36,950 --> 00:38:34,800

protect us from quote unquote the bad

1082

00:38:37,750 --> 00:38:36,960

guys and there are bad guys out there no

1083

00:38:41,510 --> 00:38:37,760

doubt

1084

00:38:44,790 --> 00:38:41,520

yep but um she said that

1085

00:38:45,910 --> 00:38:44,800

they had so much data and and the

1086

00:38:50,550 --> 00:38:45,920

analysts

1087

00:38:54,310 --> 00:38:50,560

forth

1088

00:38:56,390 --> 00:38:54,320

and um sadly she basically

1089

00:38:57,750 --> 00:38:56,400

although her parents were out of it at

1090

00:39:00,150 --> 00:38:57,760

that point she

1091

00:39:00,870 --> 00:39:00,160

sort of felt like the whole 9 11 thing

1092

00:39:04,710 --> 00:39:00,880

was

1093

00:39:07,990 --> 00:39:04,720

perhaps due to lack of analysis of data

1094

00:39:09,510 --> 00:39:08,000

i don't know well uh that could be

1095

00:39:12,069 --> 00:39:09,520

you know that that's one reason i mean

1096

00:39:13,829 --> 00:39:12,079

there is definitely a case where

1097

00:39:15,990 --> 00:39:13,839

you can have too much intelligence you

1098

00:39:17,430 --> 00:39:16,000

know and and it's just it overwhelms you

1099

00:39:19,109 --> 00:39:17,440

because as you say you don't have enough

1100

00:39:20,790 --> 00:39:19,119

people to interpret it

1101  
00:39:23,589 --> 00:39:20,800  
and to kind of put it into real time

1102  
00:39:26,630 --> 00:39:23,599  
let's say um

1103  
00:39:27,910 --> 00:39:26,640  
to me 911 was something that i i well we

1104  
00:39:29,349 --> 00:39:27,920  
don't want to get into conspiracy

1105  
00:39:32,150 --> 00:39:29,359  
theories it happened

1106  
00:39:33,670 --> 00:39:32,160  
and you know four planes crashed and you

1107  
00:39:35,109 --> 00:39:33,680  
know two planes took down the towers and

1108  
00:39:36,550 --> 00:39:35,119  
one crashed into the pentagon one

1109  
00:39:38,870 --> 00:39:36,560  
crashed in a field

1110  
00:39:40,150 --> 00:39:38,880  
but there's a lot of evidence that some

1111  
00:39:41,750 --> 00:39:40,160  
people knew

1112  
00:39:43,910 --> 00:39:41,760  
the intelligence agencies and in the

1113  
00:39:45,750 --> 00:39:43,920

political you know part of washington dc

1114

00:39:47,589 --> 00:39:45,760

they knew something was going to happen

1115

00:39:48,950 --> 00:39:47,599

and it just seems like for some reason

1116

00:39:50,310 --> 00:39:48,960

they sat in their hands at the wrong

1117

00:39:53,510 --> 00:39:50,320

time who knows why

1118

00:39:56,630 --> 00:39:53,520

yeah well i guess we we won't know

1119

00:39:59,670 --> 00:39:56,640

that answer until maybe after

1120

00:40:02,710 --> 00:39:59,680

uh after we're long gone you and i mac

1121

00:40:05,990 --> 00:40:02,720

uh it won't come out maybe um

1122

00:40:08,950 --> 00:40:06,000

but uh [h\_\_h] just getting back

1123

00:40:10,470 --> 00:40:08,960

for a second to the uh the idea of

1124

00:40:14,150 --> 00:40:10,480

collecting

1125

00:40:18,150 --> 00:40:14,160

uh intel and then being able to use it

1126

00:40:20,710 --> 00:40:18,160

uh purportedly i think that the the

1127

00:40:21,750 --> 00:40:20,720

governmental agencies may have improved

1128

00:40:25,470 --> 00:40:21,760

upon

1129

00:40:28,790 --> 00:40:25,480

uh the sorting of the intel through um

1130

00:40:31,270 --> 00:40:28,800

aai and the algorithm system

1131

00:40:31,829 --> 00:40:31,280

kind of thing that they are able to you

1132

00:40:35,109 --> 00:40:31,839

know if you

1133

00:40:36,550 --> 00:40:35,119

if if you have a pack of uh marlboros in

1134

00:40:40,069 --> 00:40:36,560

your pocket uh

1135

00:40:42,790 --> 00:40:40,079

that won't come up on the algorithm

1136

00:40:44,390 --> 00:40:42,800

uh no but it might go to directly to you

1137

00:40:46,230 --> 00:40:44,400

know reynolds tobacco

1138

00:40:47,910 --> 00:40:46,240

to tell you to tell them that they

1139

00:40:48,550 --> 00:40:47,920

spotted you know one of your customers

1140

00:40:50,230 --> 00:40:48,560

see that's

1141

00:40:51,589 --> 00:40:50,240

that's the danger too as you know years

1142

00:40:52,550 --> 00:40:51,599

ago when people used to think big

1143

00:40:53,750 --> 00:40:52,560

brother and they're going to know

1144

00:40:55,109 --> 00:40:53,760

everything

1145

00:40:56,710 --> 00:40:55,119

they always thought that it was the

1146

00:40:57,670 --> 00:40:56,720

government and to a certain extent it is

1147

00:40:59,190 --> 00:40:57,680

the government

1148

00:41:01,030 --> 00:40:59,200

but the people we really have to fear

1149

00:41:02,790 --> 00:41:01,040

knowing all this stuff are the

1150

00:41:04,230 --> 00:41:02,800

you know the the commercial interests

1151

00:41:05,109 --> 00:41:04,240

the manufacturers the people who are

1152

00:41:07,829 --> 00:41:05,119

always trying to

1153

00:41:08,309 --> 00:41:07,839

you know sell us some um we have a story

1154

00:41:12,230 --> 00:41:08,319

in the book

1155

00:41:15,109 --> 00:41:12,240

about how when this when amazon starts

1156

00:41:16,069 --> 00:41:15,119

you know delivering stuff by drone one

1157

00:41:18,150 --> 00:41:16,079

of the biggest problems

1158

00:41:19,990 --> 00:41:18,160

is is that that they still have to you

1159

00:41:21,990 --> 00:41:20,000

know iron out if they ever do is that

1160

00:41:23,430 --> 00:41:22,000

these drones gonna have cameras on it

1161

00:41:25,750 --> 00:41:23,440

and they're gonna see what kind of car

1162

00:41:27,510 --> 00:41:25,760

you drive what kind of lawn fertilizer

1163

00:41:27,910 --> 00:41:27,520

you use what kind of beach furniture you

1164

00:41:31,750 --> 00:41:27,920

have

1165

00:41:33,510 --> 00:41:31,760

sell that

1166

00:41:35,190 --> 00:41:33,520

information directly to the roofing

1167

00:41:35,430 --> 00:41:35,200

companies the beach furniture companies

1168

00:41:39,510 --> 00:41:35,440

and

1169

00:41:42,550 --> 00:41:39,520

these these

1170

00:41:44,230 --> 00:41:42,560

new cars um uh loaded with what we used

1171

00:41:46,230 --> 00:41:44,240

to call black boxes

1172

00:41:48,069 --> 00:41:46,240

taking down every move that you make

1173

00:41:49,589 --> 00:41:48,079

every move you make and not just am i

1174

00:41:51,190 --> 00:41:49,599

going fast by going slow if you get in

1175

00:41:53,510 --> 00:41:51,200

an accident they can actually

1176

00:41:55,190 --> 00:41:53,520

you know turn the evidence against you

1177

00:41:56,790 --> 00:41:55,200

and say that you were the one

1178

00:41:58,630 --> 00:41:56,800

you know who are driving recklessly but

1179

00:42:00,550 --> 00:41:58,640

what they're doing is every time you

1180

00:42:01,190 --> 00:42:00,560

stop at a quickie mod every time you

1181

00:42:03,190 --> 00:42:01,200

pick up a

1182

00:42:04,630 --> 00:42:03,200

six-pack of budweiser and so on and so

1183

00:42:06,150 --> 00:42:04,640

forth they're going to take that

1184

00:42:09,430 --> 00:42:06,160

information and sell it

1185

00:42:11,670 --> 00:42:09,440

to budweiser you know and that's what

1186

00:42:12,630 --> 00:42:11,680

advertisers have wanted forever right

1187

00:42:15,589 --> 00:42:12,640

this is their heaven

1188

00:42:16,950 --> 00:42:15,599

okay to know what the individual does

1189

00:42:18,710 --> 00:42:16,960

with their day and what

1190

00:42:20,710 --> 00:42:18,720

products do they buy because we're all

1191

00:42:22,870 --> 00:42:20,720

kind of routine people you know

1192

00:42:23,910 --> 00:42:22,880

absolutely and that's that's that's what

1193

00:42:27,670 --> 00:42:23,920

you're giving up

1194

00:42:30,790 --> 00:42:27,680

terms of the

1195

00:42:33,589 --> 00:42:30,800

um the cigarettes in your pocket uh

1196

00:42:35,030 --> 00:42:33,599

they may be reported to your health

1197

00:42:38,069 --> 00:42:35,040

insurance company

1198

00:42:40,470 --> 00:42:38,079

and your life insurance policy

1199

00:42:42,150 --> 00:42:40,480

so uh you find suddenly that your

1200

00:42:43,750 --> 00:42:42,160

premiums are jacked up

1201

00:42:45,829 --> 00:42:43,760

type of thing and it really hits you in

1202

00:42:48,150 --> 00:42:45,839

the pocketbook and i'm sure you've had

1203

00:42:51,430 --> 00:42:48,160

the experience of being online

1204

00:42:53,750 --> 00:42:51,440

having looked uh the day before for a

1205

00:42:55,510 --> 00:42:53,760

new phillips head screwdriver and then

1206

00:42:58,069 --> 00:42:55,520

you everywhere you look

1207

00:42:59,829 --> 00:42:58,079

on your computer uh you see

1208

00:43:01,750 --> 00:42:59,839

advertisements for phillips head

1209

00:43:02,470 --> 00:43:01,760

screwdrivers or whatever you've looked

1210

00:43:04,470 --> 00:43:02,480

at

1211

00:43:07,510 --> 00:43:04,480

for the next six months you know they

1212

00:43:09,750 --> 00:43:07,520

keep up long after you purchased one

1213

00:43:11,990 --> 00:43:09,760

right and i think someone said too the

1214

00:43:14,630 --> 00:43:12,000

the people who came up with that idea

1215

00:43:16,309 --> 00:43:14,640

basically is if you do a search and then

1216

00:43:17,910 --> 00:43:16,319

you just you know move on

1217

00:43:19,670 --> 00:43:17,920

they know that if they keep bugging you

1218

00:43:21,510 --> 00:43:19,680

the chances are that 50 of those people

1219

00:43:22,950 --> 00:43:21,520

will eventually buy the product you know

1220

00:43:24,470 --> 00:43:22,960

because you're interested in the first

1221

00:43:26,790 --> 00:43:24,480

place because you clicked on it in the

1222

00:43:28,630 --> 00:43:26,800

first place so they know if they just

1223

00:43:29,829 --> 00:43:28,640

keep bugging you and bug you and bug you

1224

00:43:31,510 --> 00:43:29,839

you know you say oh yeah i'm gonna buy

1225

00:43:32,870 --> 00:43:31,520

it and boom you click and you

1226

00:43:34,550 --> 00:43:32,880

and you have it and that's it they got

1227

00:43:36,309 --> 00:43:34,560

you they got you

1228

00:43:37,589 --> 00:43:36,319

it used to be just telemarketers i mean

1229

00:43:38,069 --> 00:43:37,599

there's still a lot of them around now

1230

00:43:39,910 --> 00:43:38,079

but they

1231

00:43:41,270 --> 00:43:39,920

you know at least you had the ability to

1232

00:43:42,870 --> 00:43:41,280

hang up on them

1233

00:43:44,309 --> 00:43:42,880

these things are like annoying until you

1234

00:43:47,190 --> 00:43:44,319

finally say all right enough already

1235

00:43:52,710 --> 00:43:50,230

okay well um

1236

00:43:55,349 --> 00:43:52,720

would you like to um tell us a little

1237

00:43:56,150 --> 00:43:55,359

bit about the very interesting incident

1238

00:44:00,470 --> 00:43:56,160

that you

1239

00:44:03,030 --> 00:44:00,480

uh you wrote about on the hobart

1240

00:44:04,069 --> 00:44:03,040

navy destroyer the australian navy

1241

00:44:07,349 --> 00:44:04,079

destroyer

1242

00:44:08,069 --> 00:44:07,359

right back in the late 60s in vietnam

1243

00:44:09,750 --> 00:44:08,079

when the vietnam

1244

00:44:11,910 --> 00:44:09,760

war was really going you know full

1245

00:44:13,750 --> 00:44:11,920

throttle there was uh well

1246

00:44:15,030 --> 00:44:13,760

between south vietnam and north vietnam

1247

00:44:16,870 --> 00:44:15,040

there was this um

1248

00:44:19,270 --> 00:44:16,880

what they called the demilitarized zone

1249

00:44:20,710 --> 00:44:19,280

and supposedly no one was supposed no

1250

00:44:22,309 --> 00:44:20,720

troops were supposed to go in there

1251

00:44:24,230 --> 00:44:22,319

as a way of keeping the two warring

1252

00:44:25,349 --> 00:44:24,240

countries apart but no one ever paid

1253

00:44:27,270 --> 00:44:25,359

attention to it in the

1254

00:44:28,470 --> 00:44:27,280

north your knees the communist troops

1255

00:44:29,750 --> 00:44:28,480

they were always in there

1256

00:44:31,829 --> 00:44:29,760

they were always fighting in there so it

1257

00:44:33,750 --> 00:44:31,839

was just by name only but it was just a

1258

00:44:35,349 --> 00:44:33,760

way to demock the two

1259

00:44:37,829 --> 00:44:35,359

countries so they started getting

1260

00:44:39,349 --> 00:44:37,839

reports in the summer of 68 that

1261

00:44:41,750 --> 00:44:39,359

there was a lot of what they called

1262

00:44:44,550 --> 00:44:41,760

enemy helicopters flying over the dmz

1263

00:44:45,990 --> 00:44:44,560

now you know we know that that was just

1264

00:44:49,030 --> 00:44:46,000

uh they were using

1265

00:44:50,069 --> 00:44:49,040

um you know a word that a code word

1266

00:44:51,670 --> 00:44:50,079

because

1267

00:44:53,270 --> 00:44:51,680

one thing about the north knees is that

1268

00:44:54,790 --> 00:44:53,280

they never had helicopters during that

1269

00:44:57,109 --> 00:44:54,800

entire wall we had thousands of

1270

00:44:59,270 --> 00:44:57,119

helicopters they had no helicopters so

1271

00:45:00,550 --> 00:44:59,280

there were no enemy helicopters so this

1272

00:45:01,750 --> 00:45:00,560

was just the name they were given to

1273

00:45:02,550 --> 00:45:01,760

these lights in the sky that people

1274

00:45:04,870 --> 00:45:02,560

didn't know

1275

00:45:07,030 --> 00:45:04,880

you know what they were so this goes on

1276

00:45:10,950 --> 00:45:07,040

for two or three nights and finally the

1277

00:45:14,069 --> 00:45:10,960

um us air force moves up north lots of

1278

00:45:16,630 --> 00:45:14,079

jet fighters and uh and uh sam missiles

1279

00:45:18,150 --> 00:45:16,640

anti-aircraft missiles and one night

1280

00:45:20,150 --> 00:45:18,160

sure enough all these uh

1281

00:45:21,829 --> 00:45:20,160

lights appear in the sky the jet

1282

00:45:23,589 --> 00:45:21,839

fighters go up and they start chasing

1283

00:45:26,309 --> 00:45:23,599

these things now

1284

00:45:27,829 --> 00:45:26,319

now the us government uh the military

1285

00:45:28,710 --> 00:45:27,839

before this had happened they had asked

1286

00:45:30,550 --> 00:45:28,720

any ships

1287

00:45:32,309 --> 00:45:30,560

in the gulf of tonkin near the dmz if

1288

00:45:33,750 --> 00:45:32,319

you could just kind of be on the lookout

1289

00:45:35,670 --> 00:45:33,760

because there might be some action

1290

00:45:37,270 --> 00:45:35,680

happening on this particular night and

1291

00:45:40,150 --> 00:45:37,280

one of these ships was the

1292

00:45:40,790 --> 00:45:40,160

um australian destroyer of the hobot so

1293

00:45:45,349 --> 00:45:40,800

now

1294

00:45:47,990 --> 00:45:45,359

our jet fighters chasing these ufos

1295

00:45:49,990 --> 00:45:48,000

they fire on them but what happens is

1296

00:45:51,349 --> 00:45:50,000

the missiles instead of hitting the ufos

1297

00:45:52,790 --> 00:45:51,359

they hit the hobart instead and they

1298

00:45:55,430 --> 00:45:52,800

kill three sailors

1299

00:45:56,950 --> 00:45:55,440

and they injure about 40 people gosh it

1300

00:45:58,150 --> 00:45:56,960

was just like chaos in fact the

1301

00:46:00,150 --> 00:45:58,160

australian

1302

00:46:02,069 --> 00:46:00,160

the ships were firing back at our

1303

00:46:03,190 --> 00:46:02,079

fighters that this is how chaotic this

1304

00:46:06,069 --> 00:46:03,200

whole thing was

1305

00:46:07,670 --> 00:46:06,079

and then in the next morning u.s uh

1306

00:46:09,510 --> 00:46:07,680

medevac helicopters went out and they

1307

00:46:12,470 --> 00:46:09,520

took off the wounded and the dead the

1308

00:46:12,950 --> 00:46:12,480

the ship was the best and um it sailed

1309

00:46:15,109 --> 00:46:12,960

back to

1310

00:46:16,550 --> 00:46:15,119

australia it was rebuilt i don't think

1311

00:46:17,589 --> 00:46:16,560

it ever went back to vietnam and it was

1312

00:46:20,150 --> 00:46:17,599

eventually sunk as

1313

00:46:22,150 --> 00:46:20,160

an artificial reef off of australia but

1314

00:46:25,910 --> 00:46:22,160

the strange thing about this is that

1315

00:46:28,790 --> 00:46:25,920

in in the united states they they

1316

00:46:29,990 --> 00:46:28,800

reported the story but free of any ufo

1317

00:46:32,150 --> 00:46:30,000

you know connection

1318

00:46:33,430 --> 00:46:32,160

but they talked about it quite openly

1319

00:46:35,270 --> 00:46:33,440

you know they said that this might have

1320

00:46:36,950 --> 00:46:35,280

been happening and so on and so forth

1321

00:46:39,430 --> 00:46:36,960

at the time that the guy was the head of

1322

00:46:40,390 --> 00:46:39,440

um general john brown who was the head

1323

00:46:42,550 --> 00:46:40,400

of

1324

00:46:43,990 --> 00:46:42,560

the u.s air force in vietnam he went on

1325

00:46:46,309 --> 00:46:44,000

to be the the um

1326  
00:46:47,829 --> 00:46:46,319  
on the joint chiefs of staff and he even

1327  
00:46:49,349 --> 00:46:47,839  
said during a speech you know we used to

1328  
00:46:49,829 --> 00:46:49,359  
see these things all the time we used to

1329  
00:46:52,150 --> 00:46:49,839  
call them

1330  
00:46:54,150 --> 00:46:52,160  
enemy helicopters and you know one night

1331  
00:46:56,790 --> 00:46:54,160  
you know the hobart was in the wrong

1332  
00:47:00,150 --> 00:46:56,800  
place at the wrong time boy oh boy

1333  
00:47:03,589 --> 00:47:00,160  
and all all due to to ufos but no one

1334  
00:47:06,550 --> 00:47:03,599  
ever actually determined

1335  
00:47:07,270 --> 00:47:06,560  
what these lights actually were i mean

1336  
00:47:09,589 --> 00:47:07,280  
ufo

1337  
00:47:10,630 --> 00:47:09,599  
in this case is clearly simply

1338  
00:47:13,670 --> 00:47:10,640

unidentified

1339

00:47:15,109 --> 00:47:13,680

flying object and not necessarily alien

1340

00:47:16,870 --> 00:47:15,119

craft

1341

00:47:18,550 --> 00:47:16,880

no but um you know they know what they

1342

00:47:20,549 --> 00:47:18,560

weren't they know that they weren't

1343

00:47:22,390 --> 00:47:20,559

enemy helicopters and you know they

1344

00:47:24,710 --> 00:47:22,400

weren't jet airplanes or anything

1345

00:47:26,390 --> 00:47:24,720

these were just um something something

1346

00:47:29,270 --> 00:47:26,400

else you know something else

1347

00:47:31,190 --> 00:47:29,280

and um there's a lot of ufo reports you

1348

00:47:31,589 --> 00:47:31,200

know during the vietnam war this one is

1349

00:47:33,030 --> 00:47:31,599

uh

1350

00:47:35,109 --> 00:47:33,040

probably the most dramatic but people

1351

00:47:36,069 --> 00:47:35,119

are seeing stuff there all the time in

1352

00:47:37,589 --> 00:47:36,079

fact that's the

1353

00:47:39,430 --> 00:47:37,599

the idea of my first book you were

1354

00:47:40,870 --> 00:47:39,440

frozen what time yeah they sure they

1355

00:47:42,150 --> 00:47:40,880

seem to show up more and more time you

1356

00:47:43,430 --> 00:47:42,160

know we've talked about it before than

1357

00:47:46,069 --> 00:47:43,440

they do in peacetime

1358

00:47:46,870 --> 00:47:46,079

well that's not the case in vietnam of

1359

00:47:49,910 --> 00:47:46,880

course the foo

1360

00:47:50,390 --> 00:47:49,920

fighters were an early example of that

1361

00:47:54,790 --> 00:47:50,400

but

1362

00:47:57,030 --> 00:47:54,800

ancient history

1363

00:47:58,150 --> 00:47:57,040

in certain battles in greece for

1364

00:48:01,270 --> 00:47:58,160

instance and

1365

00:48:05,030 --> 00:48:01,280

um and other places in the ancient world

1366

00:48:09,829 --> 00:48:05,040

some of the uh

1367

00:48:12,630 --> 00:48:09,839

things that were reported there were

1368

00:48:14,390 --> 00:48:12,640

aerial fighters which didn't exist to

1369

00:48:16,630 --> 00:48:14,400

our knowledge at that time

1370

00:48:18,309 --> 00:48:16,640

there's a story about alexander the

1371

00:48:20,470 --> 00:48:18,319

great and he was um

1372

00:48:21,510 --> 00:48:20,480

you know in in the process of conquering

1373

00:48:25,030 --> 00:48:21,520

the known world

1374

00:48:25,670 --> 00:48:25,040

he was um in the just about to invade

1375

00:48:27,750 --> 00:48:25,680

india

1376

00:48:29,349 --> 00:48:27,760

and they were his army which was this

1377

00:48:32,150 --> 00:48:29,359

huge army with elephants

1378

00:48:32,630 --> 00:48:32,160

lots of houses and cavalry and troops

1379

00:48:37,990 --> 00:48:32,640

and

1380

00:48:40,069 --> 00:48:38,000

would go along you know that would

1381

00:48:42,069 --> 00:48:40,079

follow the military train let's say

1382

00:48:43,349 --> 00:48:42,079

they're like the historians and one of

1383

00:48:46,150 --> 00:48:43,359

them wrote down

1384

00:48:47,510 --> 00:48:46,160

uh we were we were attacked by by arrows

1385

00:48:50,150 --> 00:48:47,520

and shields flying

1386

00:48:51,670 --> 00:48:50,160

flying shields and arrows so you think

1387

00:48:53,349 --> 00:48:51,680

of it okay a flying shield looks a

1388

00:48:56,150 --> 00:48:53,359

little bit like a flying saucer

1389

00:48:57,670 --> 00:48:56,160

and an arrow you know would be like some

1390

00:48:59,349 --> 00:48:57,680

kind of a missile or something they were

1391

00:49:01,270 --> 00:48:59,359

attacked and it's so much

1392

00:49:03,190 --> 00:49:01,280

and it frightened the animals so much

1393

00:49:05,109 --> 00:49:03,200

that they wouldn't go across the river

1394

00:49:07,109 --> 00:49:05,119

and as it turned out in the long scheme

1395

00:49:09,030 --> 00:49:07,119

of things this kind of goofed up

1396

00:49:10,630 --> 00:49:09,040

alexander's plans he had to go somewhere

1397

00:49:12,630 --> 00:49:10,640

else to for the river and

1398

00:49:14,390 --> 00:49:12,640

you know the the idea of the momentum

1399

00:49:16,470 --> 00:49:14,400

was lost and so on

1400

00:49:17,910 --> 00:49:16,480

so yeah you're right i mean way way back

1401

00:49:21,030 --> 00:49:17,920

throughout human history

1402

00:49:24,710 --> 00:49:21,040

just go into the bible you know

1403

00:49:27,910 --> 00:49:24,720

the uh uh ezekiel's wheel i believe

1404

00:49:28,710 --> 00:49:27,920

it's called right yeah you bet um you

1405

00:49:32,309 --> 00:49:28,720

had something

1406

00:49:34,710 --> 00:49:32,319

very interesting uh from turkey

1407

00:49:36,790 --> 00:49:34,720

uh the i'm trying to think of the name

1408

00:49:39,990 --> 00:49:36,800

of the battle i'm i'm

1409

00:49:42,470 --> 00:49:40,000

running through what's that

1410

00:49:44,230 --> 00:49:42,480

a gallipoli gallipoli yes and i was

1411

00:49:47,430 --> 00:49:44,240

myself in gallipoli

1412

00:49:51,030 --> 00:49:47,440

so that really hit home for me having

1413

00:49:53,349 --> 00:49:51,040

visited the site and finding out

1414

00:49:55,349 --> 00:49:53,359

after reading your book that a lot of

1415

00:49:58,790 --> 00:49:55,359

people disappeared there

1416

00:50:01,750 --> 00:49:58,800

why is this not more researched

1417

00:50:02,069 --> 00:50:01,760

or uh brought out because it seems to me

1418

00:50:04,870 --> 00:50:02,079

some

1419

00:50:06,710 --> 00:50:04,880

it's egregious you know right i mean

1420

00:50:07,990 --> 00:50:06,720

basically the story is the thumbnail is

1421

00:50:08,950 --> 00:50:08,000

is that during world war one and we were

1422

00:50:11,109 --> 00:50:08,960

talking about world war

1423

00:50:12,790 --> 00:50:11,119

world war one earlier uh british

1424

00:50:14,630 --> 00:50:12,800

commonwealth troops so that is british

1425

00:50:16,470 --> 00:50:14,640

troops new zealand troops and australian

1426

00:50:18,230 --> 00:50:16,480

troops indian troops anyone else

1427

00:50:20,790 --> 00:50:18,240

anyone who was in like the british

1428

00:50:22,150 --> 00:50:20,800

colonies at this combined army and what

1429

00:50:24,150 --> 00:50:22,160

they were going to do is they wanted to

1430

00:50:24,950 --> 00:50:24,160

invade turkey turkey was an ally of

1431

00:50:26,390 --> 00:50:24,960

germany

1432

00:50:27,990 --> 00:50:26,400

and the british thought if we can get a

1433

00:50:28,870 --> 00:50:28,000

foothold in turkey we can start

1434

00:50:30,230 --> 00:50:28,880

attacking

1435

00:50:31,990 --> 00:50:30,240

up from the south and just basically

1436

00:50:33,030 --> 00:50:32,000

give germany more headaches than it

1437

00:50:34,390 --> 00:50:33,040

already had

1438

00:50:35,910 --> 00:50:34,400

but they didn't plan that out very well

1439

00:50:37,349 --> 00:50:35,920

and they landed all these guys on the

1440

00:50:39,829 --> 00:50:37,359

beach

1441

00:50:41,510 --> 00:50:39,839

and the turks were kind of in the hills

1442

00:50:42,870 --> 00:50:41,520

in the mountains and they just

1443

00:50:44,150 --> 00:50:42,880

slaughtered them on the beach i mean

1444

00:50:45,990 --> 00:50:44,160

we're talking about how world war one

1445

00:50:47,589 --> 00:50:46,000

was a slaughter this is no different

1446

00:50:49,670 --> 00:50:47,599

there's a great movie called gallipoli

1447

00:50:50,470 --> 00:50:49,680

that mel gibson is in as a young man and

1448

00:50:53,109 --> 00:50:50,480

it really

1449

00:50:55,030 --> 00:50:53,119

graphically shows you know just what

1450

00:50:55,829 --> 00:50:55,040

what what a horrible situation this was

1451  
00:50:58,150 --> 00:50:55,839  
anyway

1452  
00:51:00,150 --> 00:50:58,160  
so there was this british company 100

1453  
00:51:02,549 --> 00:51:00,160  
soldiers called the sangrenhams

1454  
00:51:03,990 --> 00:51:02,559  
and they were named after an estate a

1455  
00:51:05,270 --> 00:51:04,000  
largest state in the uk

1456  
00:51:07,510 --> 00:51:05,280  
and basically what they were is they

1457  
00:51:08,790 --> 00:51:07,520  
were the servants uh the butlers and the

1458  
00:51:09,750 --> 00:51:08,800  
people took care of the houses and the

1459  
00:51:11,109 --> 00:51:09,760  
farmers and everything

1460  
00:51:12,950 --> 00:51:11,119  
they got together and they formed their

1461  
00:51:14,470 --> 00:51:12,960  
own military unit they were picked up by

1462  
00:51:16,309 --> 00:51:14,480  
the british army and

1463  
00:51:18,549 --> 00:51:16,319

you know a year later here they are in

1464

00:51:20,230 --> 00:51:18,559

gallipoli well they were told to okay

1465

00:51:21,589 --> 00:51:20,240

it's your turn to march forward into

1466

00:51:24,150 --> 00:51:21,599

this you know just

1467

00:51:24,950 --> 00:51:24,160

nothing but but machine gun fire coming

1468

00:51:27,109 --> 00:51:24,960

at you

1469

00:51:29,270 --> 00:51:27,119

there's nothing you can do about it and

1470

00:51:31,829 --> 00:51:29,280

uh and bombs and artillery and people

1471

00:51:34,150 --> 00:51:31,839

saw the marching as one into the smoke

1472

00:51:35,750 --> 00:51:34,160

but they never came out again never came

1473

00:51:36,150 --> 00:51:35,760

out now this is in the chaos of battle

1474

00:51:37,829 --> 00:51:36,160

every

1475

00:51:39,829 --> 00:51:37,839

things are going crazy all over the

1476

00:51:40,870 --> 00:51:39,839

place but they would stop fighting every

1477

00:51:42,390 --> 00:51:40,880

once in a while and they were

1478

00:51:44,309 --> 00:51:42,400

in both sides will let the others

1479

00:51:45,910 --> 00:51:44,319

retrieve their wounded and they're dead

1480

00:51:47,670 --> 00:51:45,920

sure and when they went out to look for

1481

00:51:49,430 --> 00:51:47,680

these guys none of them were there

1482

00:51:51,670 --> 00:51:49,440

they didn't they never found a body and

1483

00:51:54,390 --> 00:51:51,680

they never found any equipment

1484

00:51:55,589 --> 00:51:54,400

um you know they had very um uh back in

1485

00:51:58,230 --> 00:51:55,599

those days these

1486

00:51:59,109 --> 00:51:58,240

kind of small military units had uh

1487

00:52:01,190 --> 00:51:59,119

uniforms that

1488

00:52:02,710 --> 00:52:01,200

that that you would recognize right away

1489

00:52:04,470 --> 00:52:02,720

okay you know they had their own style

1490

00:52:06,710 --> 00:52:04,480

of uniforms back then

1491

00:52:08,230 --> 00:52:06,720

and none were ever found you know and

1492

00:52:10,069 --> 00:52:08,240

they they couldn't have been all blown

1493

00:52:12,069 --> 00:52:10,079

apart there were dead people everywhere

1494

00:52:13,990 --> 00:52:12,079

but for whatever reason they

1495

00:52:15,589 --> 00:52:14,000

they went to this cloud together and

1496

00:52:16,069 --> 00:52:15,599

wherever they went they went together

1497

00:52:17,990 --> 00:52:16,079

because

1498

00:52:19,270 --> 00:52:18,000

no one ever found any trace to them at

1499

00:52:20,950 --> 00:52:19,280

the end of the battle

1500

00:52:22,309 --> 00:52:20,960

the commander of the british army said

1501  
00:52:22,710 --> 00:52:22,319  
you know we we don't know what happened

1502  
00:52:24,230 --> 00:52:22,720  
this

1503  
00:52:26,470 --> 00:52:24,240  
whatever happened is something beyond

1504  
00:52:28,710 --> 00:52:26,480  
understanding i think is his quote

1505  
00:52:29,829 --> 00:52:28,720  
um so but but as you say why why hasn't

1506  
00:52:31,990 --> 00:52:29,839  
this been looked into

1507  
00:52:33,349 --> 00:52:32,000  
more well you know these are 100 guys

1508  
00:52:35,270 --> 00:52:33,359  
who died and there were thousands of

1509  
00:52:36,870 --> 00:52:35,280  
people who died in that battle so it

1510  
00:52:37,829 --> 00:52:36,880  
just kind of got lost in the history of

1511  
00:52:41,030 --> 00:52:37,839  
it

1512  
00:52:41,829 --> 00:52:41,040  
yeah well gallipoli place uh having

1513  
00:52:45,510 --> 00:52:41,839

visited

1514

00:52:49,750 --> 00:52:45,520

it um maybe six or seven years ago

1515

00:52:53,109 --> 00:52:49,760

it is um a haunting sort of uh

1516

00:52:57,030 --> 00:52:53,119

an area there's something about it

1517

00:53:00,470 --> 00:52:57,040

that is uh is causes you to pause

1518

00:53:01,829 --> 00:53:00,480

and think and it's not just like a a

1519

00:53:05,349 --> 00:53:01,839

military

1520

00:53:08,150 --> 00:53:05,359

um battlefield i've been on a number of

1521

00:53:10,390 --> 00:53:08,160

places around the us uh civil war

1522

00:53:13,270 --> 00:53:10,400

battlefields and so forth and

1523

00:53:14,069 --> 00:53:13,280

i i know that gettysburg can seem

1524

00:53:16,549 --> 00:53:14,079

actually quite

1525

00:53:17,270 --> 00:53:16,559

haunted and i know people who have had

1526

00:53:20,390 --> 00:53:17,280

sightings

1527

00:53:23,990 --> 00:53:20,400

of uh sort of um ghost things

1528

00:53:25,270 --> 00:53:24,000

in uh in gettysburg but this place it

1529

00:53:28,390 --> 00:53:25,280

just seemed

1530

00:53:31,349 --> 00:53:28,400

very still and uh somber

1531

00:53:33,030 --> 00:53:31,359

in a a prater natural way i guess i

1532

00:53:35,910 --> 00:53:33,040

would say

1533

00:53:37,589 --> 00:53:35,920

well you know i guess if if there's if

1534

00:53:38,549 --> 00:53:37,599

there's ghosts anywhere there's ghosts

1535

00:53:40,309 --> 00:53:38,559

there because

1536

00:53:41,670 --> 00:53:40,319

you know just thousands of people lost

1537

00:53:42,069 --> 00:53:41,680

their lives there you know for no good

1538

00:53:43,430 --> 00:53:42,079

reason

1539

00:53:46,069 --> 00:53:43,440

because they just basically put everyone

1540

00:53:47,430 --> 00:53:46,079

back in the ships and sailed away so

1541

00:53:49,829 --> 00:53:47,440

just one of those things that happens in

1542

00:53:54,790 --> 00:53:49,839

war stupid yes yes so

1543

00:54:00,069 --> 00:53:58,150

wow good question um i i'm i'm writing

1544

00:54:02,309 --> 00:54:00,079

uh the wingman 19 that

1545

00:54:04,069 --> 00:54:02,319

series we were talking about earlier uh

1546

00:54:07,190 --> 00:54:04,079

that's going to come out sometime

1547

00:54:10,069 --> 00:54:07,200

early next year i'm doing a um

1548

00:54:11,349 --> 00:54:10,079

a military detective series called

1549

00:54:14,630 --> 00:54:11,359

starman

1550

00:54:17,190 --> 00:54:14,640

uh by the navy um detective who has just

1551

00:54:19,990 --> 00:54:17,200

a little bit of esp to help him

1552

00:54:21,589 --> 00:54:20,000

solve his cases and um and and we do

1553

00:54:23,510 --> 00:54:21,599

have radio show mac morning's military

1554

00:54:23,990 --> 00:54:23,520

style show not to be any competition to

1555

00:54:27,349 --> 00:54:24,000

you

1556

00:54:28,150 --> 00:54:27,359

oh no i we we love other radio shows and

1557

00:54:31,349 --> 00:54:28,160

podcasts

1558

00:54:33,670 --> 00:54:31,359

and you can mention it there's no uh

1559

00:54:34,710 --> 00:54:33,680

there's no competition involved there's

1560

00:54:37,030 --> 00:54:34,720

room for

1561

00:54:37,990 --> 00:54:37,040

all of us we all have a slightly

1562

00:54:40,470 --> 00:54:38,000

different slant

1563

00:54:42,390 --> 00:54:40,480

on it and uh no worries about

1564

00:54:46,470 --> 00:54:42,400

advertising it be my guest

1565

00:54:49,349 --> 00:54:46,480

okay we um really looked at the ufo

1566

00:54:50,470 --> 00:54:49,359

situation in the paranormal you know uh

1567

00:54:53,270 --> 00:54:50,480

situation

1568

00:54:53,750 --> 00:54:53,280

uh from a military point of view and and

1569

00:54:55,670 --> 00:54:53,760

we have

1570

00:54:58,470 --> 00:54:55,680

a lot of i guess uh you know military

1571

00:55:00,150 --> 00:54:58,480

former military or people who work for

1572

00:55:02,470 --> 00:55:00,160

uh you know the intelligence agencies

1573

00:55:04,549 --> 00:55:02,480

there's no other way to put it um

1574

00:55:06,309 --> 00:55:04,559

one of our co-hosts uh goes by the name

1575

00:55:08,230 --> 00:55:06,319

of commander cobra he did four tours of

1576

00:55:11,030 --> 00:55:08,240

duty flying over iraq

1577

00:55:12,710 --> 00:55:11,040

he's uh to this day involved in these

1578

00:55:14,549 --> 00:55:12,720

kind of defense department

1579

00:55:17,030 --> 00:55:14,559

programs in fact he did one show where

1580

00:55:19,510 --> 00:55:17,040

he was he was flying a test program

1581

00:55:20,390 --> 00:55:19,520

over the over the gulf right off of cape

1582

00:55:22,789 --> 00:55:20,400

cod

1583

00:55:24,549 --> 00:55:22,799

doing the show so we actually had one of

1584

00:55:27,750 --> 00:55:24,559

our co-hosts at 20 000 feet

1585

00:55:29,430 --> 00:55:27,760

for a show and um so a lot of military

1586

00:55:30,230 --> 00:55:29,440

kind of intelligence gathering stuff

1587

00:55:31,430 --> 00:55:30,240

like that but

1588

00:55:33,510 --> 00:55:31,440

but you know we don't take it too

1589

00:55:35,270 --> 00:55:33,520

seriously but we we try to get really

1590

00:55:37,190 --> 00:55:35,280

good guests and try to get really good

1591

00:55:39,510 --> 00:55:37,200

discussions about

1592

00:55:41,030 --> 00:55:39,520

what the military does know and what it

1593

00:55:42,870 --> 00:55:41,040

doesn't know and how they react to

1594

00:55:44,150 --> 00:55:42,880

certain things too is always really

1595

00:55:46,950 --> 00:55:44,160

interesting

1596

00:55:47,589 --> 00:55:46,960

well that that sounds quite fascinating

1597

00:55:50,789 --> 00:55:47,599

and

1598

00:55:51,990 --> 00:55:50,799

is it uh is it online is it uh or is it

1599

00:55:54,309 --> 00:55:52,000

just at the time

1600

00:55:55,030 --> 00:55:54,319

of the show no we're from i think we're

1601  
00:55:56,789 --> 00:55:55,040  
in about eight

1602  
00:55:58,950 --> 00:55:56,799  
eight networks one of them we're on the

1603  
00:56:01,109 --> 00:55:58,960  
dark matter network kcor

1604  
00:56:03,190 --> 00:56:01,119  
in vegas um we're on the uh we're

1605  
00:56:04,549 --> 00:56:03,200  
syndicated by radioactive broadcasting

1606  
00:56:07,910 --> 00:56:04,559  
and they provide com uh

1607  
00:56:10,069 --> 00:56:07,920  
content to uh armed forces radio so

1608  
00:56:11,589 --> 00:56:10,079  
you know we're we're pretty spread out

1609  
00:56:13,589 --> 00:56:11,599  
you know

1610  
00:56:14,870 --> 00:56:13,599  
yeah yeah but it's fun we and we like

1611  
00:56:17,910 --> 00:56:14,880  
doing it's interesting

1612  
00:56:21,270 --> 00:56:17,920  
i had one other comment on your

1613  
00:56:24,390 --> 00:56:21,280

writing a book um about a

1614

00:56:25,910 --> 00:56:24,400

guy in the navy who is uh is into the

1615

00:56:28,069 --> 00:56:25,920

paranormal i assume

1616

00:56:30,150 --> 00:56:28,079

and i you know this is just me

1617

00:56:32,630 --> 00:56:30,160

speculating that you do

1618

00:56:33,750 --> 00:56:32,640

know about the navy remote viewing

1619

00:56:35,829 --> 00:56:33,760

program

1620

00:56:37,510 --> 00:56:35,839

sure yeah we've had um you know guests

1621

00:56:39,109 --> 00:56:37,520

on from time to time

1622

00:56:40,789 --> 00:56:39,119

talking about that that's another story

1623

00:56:42,309 --> 00:56:40,799

that you know i don't think very many

1624

00:56:44,630 --> 00:56:42,319

people realize but

1625

00:56:46,470 --> 00:56:44,640

that the us military you know uh

1626

00:56:48,230 --> 00:56:46,480

supposedly it ended in the 90s i don't

1627

00:56:50,470 --> 00:56:48,240

believe it did but they actually

1628

00:56:51,430 --> 00:56:50,480

recruited people who had you know higher

1629

00:56:53,990 --> 00:56:51,440

esp than

1630

00:56:55,109 --> 00:56:54,000

you know as regular folks and uh these

1631

00:56:57,109 --> 00:56:55,119

people were you know

1632

00:56:58,630 --> 00:56:57,119

basically giving programs to our

1633

00:57:00,870 --> 00:56:58,640

projects to

1634

00:57:03,270 --> 00:57:00,880

like look for russian submarines look

1635

00:57:04,630 --> 00:57:03,280

for secret russian icbm bases things of

1636

00:57:06,069 --> 00:57:04,640

that nature but what was interesting

1637

00:57:08,390 --> 00:57:06,079

about it is

1638

00:57:09,270 --> 00:57:08,400

they never used what they they use their

1639

00:57:11,750 --> 00:57:09,280

information as

1640

00:57:13,190 --> 00:57:11,760

backup so a satellite might pick up a

1641

00:57:14,789 --> 00:57:13,200

russian submarine

1642

00:57:16,710 --> 00:57:14,799

you know at a certain coordinates or

1643

00:57:19,910 --> 00:57:16,720

whatever they would ask the people who

1644

00:57:21,030 --> 00:57:19,920

you know had the uh esp capability do

1645

00:57:22,710 --> 00:57:21,040

you see anything and

1646

00:57:25,349 --> 00:57:22,720

they would they would actually back up

1647

00:57:28,630 --> 00:57:25,359

the fact of what the satellite saw

1648

00:57:31,030 --> 00:57:28,640

so you know i mean they did some really

1649

00:57:32,630 --> 00:57:31,040

unusual things and it's just so odd that

1650

00:57:33,990 --> 00:57:32,640

the u.s military was paying for it but

1651

00:57:36,950 --> 00:57:34,000

the russians did the same thing

1652

00:57:37,589 --> 00:57:36,960

yes they did they did and in fact the

1653

00:57:40,710 --> 00:57:37,599

the u.s

1654

00:57:44,309 --> 00:57:40,720

government had several separate

1655

00:57:45,589 --> 00:57:44,319

remote viewing projects i'm most

1656

00:57:48,789 --> 00:57:45,599

familiar with

1657

00:57:51,030 --> 00:57:48,799

the defense intelligence agency

1658

00:57:53,349 --> 00:57:51,040

project that went on in the army air

1659

00:57:54,950 --> 00:57:53,359

force but then there was a different one

1660

00:57:57,750 --> 00:57:54,960

and purportedly

1661

00:58:00,230 --> 00:57:57,760

uh the navy group didn't know what the

1662

00:58:03,190 --> 00:58:00,240

army group was doing and vice versa

1663

00:58:03,910 --> 00:58:03,200

and we've had quite a few of of of those

1664

00:58:07,109 --> 00:58:03,920

former

1665

00:58:11,109 --> 00:58:07,119

government remote viewers on um

1666

00:58:13,589 --> 00:58:11,119

this show on our podcast here

1667

00:58:14,150 --> 00:58:13,599

simply because i've studied with some of

1668

00:58:16,630 --> 00:58:14,160

them

1669

00:58:17,510 --> 00:58:16,640

and they're very interesting folks in

1670

00:58:20,950 --> 00:58:17,520

any case

1671

00:58:24,069 --> 00:58:20,960

i want to thank you so much for being on

1672

00:58:26,549 --> 00:58:24,079

shattered reality podcast and i hope

1673

00:58:27,190 --> 00:58:26,559

that you will come back again sometime

1674

00:58:30,309 --> 00:58:27,200

with

1675

00:58:31,750 --> 00:58:30,319

a new book we don't usually do that much

1676

00:58:34,950 --> 00:58:31,760

with fiction but we're

1677

00:58:36,230 --> 00:58:34,960

if you need uh one of your books uh your

1678

00:58:37,990 --> 00:58:36,240

fictional books

1679

00:58:39,430 --> 00:58:38,000

mentioned we'll be happy to mention your

1680

00:58:42,069 --> 00:58:39,440

fictional books but

1681

00:58:43,109 --> 00:58:42,079

um we will certainly interview you again

1682

00:58:46,789 --> 00:58:43,119

when you

1683

00:58:50,150 --> 00:58:46,799

uh write another fact based book

1684

00:58:52,710 --> 00:58:50,160

okay sounds good so thanks mack and uh

1685

00:58:54,230 --> 00:58:52,720

you can take care now you too thanks a

1686

00:58:57,349 --> 00:58:54,240

lot thanks for having me

1687

00:59:00,710 --> 00:58:57,359

bye now wow

1688

00:59:02,630 --> 00:59:00,720

that was an interesting one um uh mac

1689

00:59:05,030 --> 00:59:02,640

maloney who has

1690

00:59:06,309 --> 00:59:05,040

a series called wingman but he doesn't

1691

00:59:08,630 --> 00:59:06,319

like to fly so

1692

00:59:10,230 --> 00:59:08,640

go figure that out but he sounds like a

1693

00:59:13,270 --> 00:59:10,240

great guy somebody that

1694

00:59:13,670 --> 00:59:13,280

we would like to meet um and he's

1695

00:59:15,589 --> 00:59:13,680

written

1696

00:59:18,630 --> 00:59:15,599

some very interesting books the

1697

00:59:21,670 --> 00:59:18,640

fictional as well as of

1698

00:59:25,030 --> 00:59:21,680

the non-fictional and uh

1699

00:59:27,430 --> 00:59:25,040

we are looking forward to this coming

1700

00:59:28,230 --> 00:59:27,440

holiday season where we're going to have

1701  
00:59:31,670 --> 00:59:28,240  
a number of

1702  
00:59:33,030 --> 00:59:31,680  
other wonderful guests coming our way so

1703  
00:59:36,870 --> 00:59:33,040  
please

1704  
00:59:38,069 --> 00:59:36,880  
like us on facebook shattered reality

1705  
00:59:41,270 --> 00:59:38,079  
podcast

1706  
00:59:49,309 --> 00:59:41,280  
there's a facebook page there are two

1707  
00:59:54,390 --> 00:59:50,789  
shatteredrealitypodcast.wordpress.com

1708  
00:59:58,470 --> 00:59:54,400  
we are also featured on a number of

1709  
01:00:02,230 --> 00:59:58,480  
other sites including itunes

1710  
01:00:03,109 --> 01:00:02,240  
youtube and stitcher and more are coming

1711  
01:00:06,390 --> 01:00:03,119  
up every day

1712  
01:00:09,750 --> 01:00:06,400  
so click on us wherever you'd like to

1713  
01:00:10,789 --> 01:00:09,760

uh make comments on the site and if you

1714

01:00:13,910 --> 01:00:10,799

would like

1715

01:00:15,910 --> 01:00:13,920

uh to recommend a guest we do take our

1716

01:00:19,270 --> 01:00:15,920

guest recommendations

1717

01:00:22,950 --> 01:00:19,280

very seriously and do contact

1718

01:00:26,630 --> 01:00:22,960

people so for myself

1719

01:00:29,990 --> 01:00:26,640

and the currently absent kate valentine
