[Music]

2
00:00:20,550 --> 00:00:17,590

wow

3
00:00:21,189 --> 00:00:20,560

welcome to shattered reality with your

4
00:00:24,710 --> 00:00:21,199

hosts

5
00:00:27,750 --> 00:00:24,720

kate valentine and ferocia

6
00:00:31,830 --> 00:00:27,760

prepare to have your paradigms shifted

7
00:00:35,110 --> 00:00:31,840

and your truth questioned and now

8
00:00:38,630 --> 00:00:35,120

shattered reality shattered reality

9
00:00:42,549 --> 00:00:38,640

hello there shattered reality listeners

10
00:00:46,310 --> 00:00:42,559

my name is ferusha and we are here today

11
00:00:48,630 --> 00:00:46,320

to do our 84th episode

12
00:00:50,389 --> 00:00:48,640

we were hoping to have kate valentine

13
00:00:53,350 --> 00:00:50,399

here today again

14

00:00:54,630 --> 00:00:53,360

but most unfortunately she has not quite

15

00:00:56,950 --> 00:00:54,640

joined us yet

16

00:00:57,990 --> 00:00:56,960

although she promises that she would

17

00:01:01,590 --> 00:00:58,000

really like

18

00:01:05,509 --> 00:01:01,600

to join us and we are hoping for her

19

00:01:09,429 --> 00:01:05,519

soon return to shattered reality podcast

20

00:01:13,590 --> 00:01:09,439

now as i said today

21

00:01:16,070 --> 00:01:13,600

is our 84th podcast

22

00:01:18,390 --> 00:01:16,080

today i'm going to slate because that's

23

00:01:21,789 --> 00:01:18,400

my background

24

00:01:26,630 --> 00:01:21,799

today is february

25

00:01:30,230 --> 00:01:26,640

27th 2019

26
00:01:31,190 --> 00:01:30,240
and our guest for today is an amazing

27
00:01:34,870 --> 00:01:31,200
man

28
00:01:37,429 --> 00:01:34,880
he is a retired air force captain

29
00:01:38,469 --> 00:01:37,439
and uh i'm going to just give you a

30
00:01:41,670 --> 00:01:38,479
little bit of his

31
00:01:44,870 --> 00:01:41,680
bio here robert salas

32
00:01:49,670 --> 00:01:44,880
is a 1964 graduate

33
00:01:53,190 --> 00:01:49,680
of the u.s air force academy serving

34
00:01:56,870 --> 00:01:53,200
seven years on active duty

35
00:02:00,310 --> 00:01:56,880
he flew target drones as a weapons

36
00:02:01,830 --> 00:02:00,320
controller commanded intercontinental

37
00:02:06,230 --> 00:02:01,840
ballistic missiles

38
00:02:09,350 --> 00:02:06,240

on as a launch officer and worked

39

00:02:12,869 --> 00:02:09,360

as an air force missile

40

00:02:16,630 --> 00:02:12,879

propulsion engineer on the titan

41

00:02:20,390 --> 00:02:16,640

3 program from 1974

42

00:02:24,309 --> 00:02:20,400

until 1995 he worked for the federal

43

00:02:25,350 --> 00:02:24,319

aviation administration in 2005 he

44

00:02:29,110 --> 00:02:25,360

published

45

00:02:29,910 --> 00:02:29,120

the book faded giant which details the

46

00:02:34,550 --> 00:02:29,920

ufo

47

00:02:37,190 --> 00:02:34,560

incidents he witnessed in 1967.

48

00:02:37,589 --> 00:02:37,200

salus has been publicly speaking about

49

00:02:41,670 --> 00:02:37,599

this

50

00:02:45,670 --> 00:02:41,680

incident at ufo conferences on the radio

51

00:02:48,550 --> 00:02:45,680

and on television since 1996.

52

00:02:49,670 --> 00:02:48,560

he has a master's degree in aerospace

53

00:02:52,790 --> 00:02:49,680

engineering

54

00:02:57,350 --> 00:02:52,800

and has also been a college

55

00:03:01,110 --> 00:02:57,360

professor so with no further ado

56

00:03:04,149 --> 00:03:01,120

let us welcome retired air force

57

00:03:07,670 --> 00:03:04,159

captain robert salas

58

00:03:10,790 --> 00:03:07,680

hello robert hello ferocia

59

00:03:14,070 --> 00:03:10,800

i'm very pleased to be with you today

60

00:03:17,350 --> 00:03:14,080

and i'm more than honored and pleased

61

00:03:21,670 --> 00:03:17,360

to have you now um

62

00:03:24,710 --> 00:03:21,680

i would like to start right in with

63

00:03:28,149 --> 00:03:24,720

the situation involving

64

00:03:30,949 --> 00:03:28,159

oscar flight in 67

65

00:03:31,190 --> 00:03:30,959

and and you can also certainly feel free

66

00:03:35,350 --> 00:03:31,200

and

67

00:03:37,110 --> 00:03:35,360

story to talk a little bit about the

68

00:03:40,470 --> 00:03:37,120

echo flight which happened

69

00:03:42,630 --> 00:03:40,480

one week prior you bet

70

00:03:44,309 --> 00:03:42,640

i'll go through it uh rather quickly and

71

00:03:44,949 --> 00:03:44,319

then of course if you have any questions

72

00:03:51,509 --> 00:03:44,959

i'll

73

00:03:54,789 --> 00:03:51,519

march 24th 1967 i was on duty

74

00:03:56,550 --> 00:03:54,799

uh there were in the uh what we call a

75

00:04:00,470 --> 00:03:56,560

launch control center

76

00:04:02,869 --> 00:04:00,480

and under our command we had um

77

00:04:04,869 --> 00:04:02,879

ten nuclear missiles these were the

78

00:04:07,509 --> 00:04:04,879

minutemen one missiles

79

00:04:08,869 --> 00:04:07,519

i was in the capsule underground about

80

00:04:12,630 --> 00:04:08,879

60 feet underground

81

00:04:14,149 --> 00:04:12,640

locked in with my um commander who was

82

00:04:17,670 --> 00:04:14,159

fred meywald at the time

83

00:04:20,390 --> 00:04:17,680

lieutenant we were both lieutenants uh

84

00:04:21,830 --> 00:04:20,400

i had six guards upstairs and as they

85

00:04:25,110 --> 00:04:21,840

said we were locked in that

86

00:04:25,670 --> 00:04:25,120

it means we couldn't just open the door

87

00:04:30,150 --> 00:04:25,680

and

88

00:04:33,590 --> 00:04:30,160

obviously

89

00:04:37,350 --> 00:04:33,600

we had control of the missiles

90

00:04:39,510 --> 00:04:37,360

and we could not risk

91

00:04:40,790 --> 00:04:39,520

opening that door until we were relieved

92

00:04:43,830 --> 00:04:40,800

going through

93

00:04:47,350 --> 00:04:43,840

very strict security procedures well

94

00:04:48,150 --> 00:04:47,360

on this particular evening uh my old was

95

00:04:50,390 --> 00:04:48,160

taking a

96

00:04:51,430 --> 00:04:50,400

rest break he had a little cot down

97

00:04:54,870 --> 00:04:51,440

there and i was

98

00:04:57,189 --> 00:04:54,880

uh in command and uh i got a call from

99

00:04:59,670 --> 00:04:57,199

first from my security guard upstairs

100

00:05:03,110 --> 00:04:59,680

had saw some strange lights in the sky

101
00:05:06,150 --> 00:05:03,120
and moving very fast stopping

102
00:05:09,350 --> 00:05:06,160
on a dime reversing course

103
00:05:11,189 --> 00:05:09,360
making no sounds and he said

104
00:05:12,550 --> 00:05:11,199
airplanes don't do that and i agreed

105
00:05:15,990 --> 00:05:12,560
with him

106
00:05:19,909 --> 00:05:16,000
but uh i didn't know what else

107
00:05:21,350 --> 00:05:19,919
to say about it so we hung up about five

108
00:05:24,070 --> 00:05:21,360
minutes later

109
00:05:27,110 --> 00:05:24,080
he calls back and this time he's very

110
00:05:29,749 --> 00:05:27,120
frightened he's screaming into the phone

111
00:05:30,469 --> 00:05:29,759
and he's telling me that there's a

112
00:05:34,310 --> 00:05:30,479
glowing

113
00:05:36,310 --> 00:05:34,320

red pulsating object

114

00:05:38,070 --> 00:05:36,320
just above the front gate of the

115

00:05:40,150 --> 00:05:38,080
facility there

116

00:05:41,189 --> 00:05:40,160
uh he had all the men out with their

117

00:05:44,550 --> 00:05:41,199
weapons drawn

118

00:05:48,310 --> 00:05:44,560
wanted me to tell him what to do next

119

00:05:50,070 --> 00:05:48,320
uh i was shocked of course uh

120

00:05:52,230 --> 00:05:50,080
it sounded like we were under some sort

121

00:05:53,590 --> 00:05:52,240
of an attack i just told him make sure

122

00:05:58,309 --> 00:05:53,600
nothing comes in the

123

00:06:04,469 --> 00:06:01,909
hello and so he he hung up the phone

124

00:06:06,150 --> 00:06:04,479
um are you still there yes we're here

125

00:06:08,230 --> 00:06:06,160
there was a little dropout not nothing

126

00:06:12,550 --> 00:06:08,240

to worry about i don't think

127

00:06:15,749 --> 00:06:12,560

okay so um he hung up the phone

128

00:06:18,230 --> 00:06:15,759

uh and i went to tell my commander

129

00:06:18,950 --> 00:06:18,240

about the phone calls and all of a

130

00:06:20,950 --> 00:06:18,960

sudden uh

131

00:06:22,230 --> 00:06:20,960

we were getting bells and whistles going

132

00:06:24,070 --> 00:06:22,240

off

133

00:06:25,990 --> 00:06:24,080

in the capsule and i looked over at the

134

00:06:28,390 --> 00:06:26,000

board and sure enough

135

00:06:30,070 --> 00:06:28,400

the missiles were dropping off in other

136

00:06:33,029 --> 00:06:30,080

words they were

137

00:06:36,870 --> 00:06:33,039

disabled unable to be launched we called

138

00:06:40,230 --> 00:06:38,950

so we went through our procedures and

139

00:06:42,070 --> 00:06:40,240

while this object was still

140

00:06:44,790 --> 00:06:42,080

up there by the way this was just

141

00:06:46,550 --> 00:06:44,800

seconds after i'd

142

00:06:48,070 --> 00:06:46,560

terminated the call with a security

143

00:06:51,670 --> 00:06:48,080

guard so

144

00:06:54,070 --> 00:06:51,680

uh we also had

145

00:06:55,990 --> 00:06:54,080

excuse me uh security lights on two of

146

00:06:58,070 --> 00:06:56,000

the facilities meaning uh

147

00:06:59,830 --> 00:06:58,080

there could have been an incursion into

148

00:07:01,270 --> 00:06:59,840

the launch facilities where the missiles

149

00:07:02,870 --> 00:07:01,280

were actually located they're actually

150

00:07:06,070 --> 00:07:02,880

located about

151

00:07:11,189 --> 00:07:06,080

a mile or so away from the central point

152

00:07:16,629 --> 00:07:15,589

and so um i had to send guards out there

153

00:07:19,909 --> 00:07:16,639

so i called back

154

00:07:23,029 --> 00:07:19,919

up and and the ufo had just

155

00:07:25,029 --> 00:07:23,039

left the object whatever it was

156

00:07:27,110 --> 00:07:25,039

and i ordered the guards to go out there

157

00:07:31,589 --> 00:07:27,120

and uh and take a look

158

00:07:34,390 --> 00:07:31,599

at these two other launch facilities

159

00:07:36,309 --> 00:07:34,400

and when they reported back they saw the

160

00:07:41,270 --> 00:07:36,319

ufos again

161

00:07:45,909 --> 00:07:42,950

and then my commander in the meantime

162

00:07:47,589 --> 00:07:45,919

was calling the command post back at

163

00:07:50,309 --> 00:07:47,599

malmstrom air force base we were about

164

00:07:54,629 --> 00:07:50,319

100 miles to the east

165

00:07:57,270 --> 00:07:54,639

of malmstrom and they told him

166

00:07:58,550 --> 00:07:57,280

that the same thing had happened at

167

00:08:02,070 --> 00:07:58,560

another site

168

00:08:05,350 --> 00:08:02,080

similar to ours we had about 15 i think

169

00:08:09,430 --> 00:08:05,360

uh sites of 10 missiles each

170

00:08:11,830 --> 00:08:09,440

uh and so i assumed at first

171

00:08:14,390 --> 00:08:11,840

for a long time that um this was the

172

00:08:17,029 --> 00:08:14,400

same evening but it turns out

173

00:08:18,150 --> 00:08:17,039

it was a week earlier about eight days

174

00:08:20,629 --> 00:08:18,160

earlier

175

00:08:22,150 --> 00:08:20,639

and this was the echo flight incident

176

00:08:26,390 --> 00:08:22,160

very similar to ours

177

00:08:29,029 --> 00:08:26,400

the um only they had guards and they had

178

00:08:30,710 --> 00:08:29,039

maintenance people out of their launch

179

00:08:32,949 --> 00:08:30,720

facilities

180

00:08:34,709 --> 00:08:32,959

working on the missiles and all of a

181

00:08:37,350 --> 00:08:34,719

sudden two ufos come over

182

00:08:39,029 --> 00:08:37,360

and shut them down so they lost all 10

183

00:08:40,870 --> 00:08:39,039

of their missiles

184

00:08:42,469 --> 00:08:40,880

while these objects were overhead we

185

00:08:45,430 --> 00:08:42,479

lost all 10 while

186

00:08:47,590 --> 00:08:45,440

our objects were overhead and this

187

00:08:48,389 --> 00:08:47,600

happened within the span of eight days

188

00:08:51,990 --> 00:08:48,399

we lost

189

00:08:55,990 --> 00:08:52,000

20 nuclear missiles to ufos

190

00:08:59,350 --> 00:08:56,000

that's the essence of my story

191

00:09:03,190 --> 00:08:59,360

okay well um it's it's

192

00:09:07,910 --> 00:09:03,200

incredibly moving and um

193

00:09:11,110 --> 00:09:07,920

it is surprising if a person hasn't

194

00:09:14,470 --> 00:09:11,120

heard anything about it before

195

00:09:15,910 --> 00:09:14,480

i do want to ask you about one thing

196

00:09:19,190 --> 00:09:15,920

because i have a point

197

00:09:22,470 --> 00:09:19,200

later on in my thoughts that will

198

00:09:25,509 --> 00:09:22,480

be relevant to this i think

199

00:09:29,110 --> 00:09:25,519

uh after you were

200

00:09:29,990 --> 00:09:29,120

debriefed etc you made the point that

201
00:09:33,350 --> 00:09:30,000
there was

202
00:09:34,389 --> 00:09:33,360
um a fellow that was topside one of the

203
00:09:37,829 --> 00:09:34,399
guards at

204
00:09:41,030 --> 00:09:37,839
your oscar flight um who was

205
00:09:43,110 --> 00:09:41,040
so distraught and he wanted to speak to

206
00:09:45,990 --> 00:09:43,120
you the following day and

207
00:09:46,550 --> 00:09:46,000
you were not able to because you had

208
00:09:49,990 --> 00:09:46,560
been

209
00:09:53,670 --> 00:09:50,000
sworn to secrecy and being um you know a

210
00:09:56,870 --> 00:09:53,680
good officer that you felt was your

211
00:09:59,150 --> 00:09:56,880
duty and uh you upheld it um

212
00:10:00,630 --> 00:09:59,160
but i i'm sort of interested in

213
00:10:03,990 --> 00:10:00,640

establishing

214

00:10:06,069 --> 00:10:04,000

that idea that a number of

215

00:10:07,590 --> 00:10:06,079

the people on the top side certainly

216

00:10:10,790 --> 00:10:07,600

this specific person

217

00:10:11,750 --> 00:10:10,800

and in uh just to mention one thing to

218

00:10:14,790 --> 00:10:11,760

our listeners

219

00:10:17,829 --> 00:10:14,800

who haven't heard all our shows we also

220

00:10:19,030 --> 00:10:17,839

had robert hastings on who kind of went

221

00:10:23,110 --> 00:10:19,040

over the echo

222

00:10:23,910 --> 00:10:23,120

situation um in a detail as well as he

223

00:10:27,430 --> 00:10:23,920

could

224

00:10:28,710 --> 00:10:27,440

um and now we have the story of the

225

00:10:31,910 --> 00:10:28,720

oscar flight

226

00:10:35,910 --> 00:10:31,920

from you so isn't that that is the case

227

00:10:39,990 --> 00:10:38,790

yes um let me just explain when after we

228

00:10:41,590 --> 00:10:40,000

were relieved

229

00:10:43,110 --> 00:10:41,600

uh we had another crew come in and

230

00:10:45,829 --> 00:10:43,120

relieve us

231

00:10:47,430 --> 00:10:45,839

we were ordered back to the base they

232

00:10:50,870 --> 00:10:47,440

flew us back his

233

00:10:53,350 --> 00:10:50,880

helicopter because

234

00:10:56,310 --> 00:10:53,360

we were ordered to the commander

235

00:11:01,509 --> 00:10:56,320

squadron commander's office

236

00:11:03,269 --> 00:11:01,519

right away and right away

237

00:11:05,670 --> 00:11:03,279

the fellow that was with him was from

238

00:11:08,870 --> 00:11:05,680

air force officers special investigation

239

00:11:12,630 --> 00:11:08,880

they're kind of the the fbi in the air

240

00:11:17,670 --> 00:11:14,710

and he just shoved a piece of paper in

241

00:11:20,550 --> 00:11:17,680

our faces and said sign here

242

00:11:22,310 --> 00:11:20,560

this was a statement that we would never

243

00:11:25,829 --> 00:11:22,320

speak of this

244

00:11:28,470 --> 00:11:25,839

incident to anyone ever

245

00:11:30,389 --> 00:11:28,480

you know there was no time limit and we

246

00:11:31,350 --> 00:11:30,399

of course we couldn't speak to our wives

247

00:11:39,110 --> 00:11:31,360

or

248

00:11:42,310 --> 00:11:39,120

about this and so

249

00:11:45,670 --> 00:11:42,320

we were we had to sign it it was not an

250

00:11:49,430 --> 00:11:45,680

option um

251
00:11:52,389 --> 00:11:49,440
and so after that moment i i could not

252
00:11:52,870 --> 00:11:52,399
speak about this without breaking that

253
00:11:56,629 --> 00:11:52,880
oath

254
00:11:59,430 --> 00:11:56,639
and that and also risking a lot of jail

255
00:12:06,790 --> 00:12:02,949
so the next morning after the incident

256
00:12:09,030 --> 00:12:06,800
i did get a call from one guard who

257
00:12:10,790 --> 00:12:09,040
said he represented the other guards

258
00:12:13,430 --> 00:12:10,800
that were there

259
00:12:15,190 --> 00:12:13,440
when the incident happened and they

260
00:12:15,990 --> 00:12:15,200
really wanted to talk to me about it

261
00:12:17,990 --> 00:12:16,000
because they

262
00:12:19,350 --> 00:12:18,000
they couldn't make any sense of it and

263
00:12:23,269 --> 00:12:19,360

they were

264

00:12:25,350 --> 00:12:23,279

very nervous about what they'd seen

265

00:12:26,629 --> 00:12:25,360

it was very upsetting let's let's put it

266

00:12:29,910 --> 00:12:26,639

that way it

267

00:12:33,269 --> 00:12:29,920

uh it just changes your whole concept of

268

00:12:36,710 --> 00:12:33,279

reality and what you think you know

269

00:12:40,310 --> 00:12:36,720

so uh i had to turn him down

270

00:12:43,110 --> 00:12:40,320

and just killed me to turn him down

271

00:12:45,750 --> 00:12:43,120

i really did want to speak with him but

272

00:12:48,470 --> 00:12:45,760

if i had done that

273

00:12:50,150 --> 00:12:48,480

i would have been breaking uh this this

274

00:12:52,790 --> 00:12:50,160

document which had signed my

275

00:12:56,550 --> 00:12:52,800

non-disclosure statement

276

00:12:59,750 --> 00:12:56,560

so what i was going to ask is

277

00:13:02,150 --> 00:12:59,760

something occurred later on i believe if

278

00:13:05,509 --> 00:13:02,160

i'm correct 1996

279

00:13:08,949 --> 00:13:05,519

that allowed you then to to

280

00:13:12,629 --> 00:13:08,959

be able to speak more freely about this

281

00:13:15,990 --> 00:13:12,639

actually this was 1994. okay i was

282

00:13:17,190 --> 00:13:16,000

in a book store in seattle washington i

283

00:13:20,310 --> 00:13:17,200

had

284

00:13:24,310 --> 00:13:20,320

decided i was going to become a teacher

285

00:13:27,350 --> 00:13:24,320

and so i i was in a book store

286

00:13:29,269 --> 00:13:27,360

and happened this book i happened to

287

00:13:31,670 --> 00:13:29,279

walk by this book called above top

288

00:13:34,870 --> 00:13:31,680

secret by timothy good

289

00:13:39,030 --> 00:13:34,880

i picked up the book and

290

00:13:41,590 --> 00:13:39,040

and uh just happened to turn to page 301

291

00:13:42,629 --> 00:13:41,600

of that book and there was just a short

292

00:13:48,310 --> 00:13:42,639

little paragraph

293

00:13:51,590 --> 00:13:48,320

there that said in 1967

294

00:13:56,069 --> 00:13:51,600

ufos had shut down missiles in

295

00:13:59,829 --> 00:13:58,069

during an incident and that that's all

296

00:14:02,310 --> 00:13:59,839

it said

297

00:14:03,750 --> 00:14:02,320

it was just very brief but i got really

298

00:14:05,590 --> 00:14:03,760

excited about it because

299

00:14:06,710 --> 00:14:05,600

of course it sounded like my incident i

300

00:14:09,750 --> 00:14:06,720

thought maybe the air force had

301
00:14:13,269 --> 00:14:09,760
declassified it

302
00:14:16,790 --> 00:14:13,279
so i i made that assumption

303
00:14:17,990 --> 00:14:16,800
and and took a chance after thinking

304
00:14:21,509 --> 00:14:18,000
about it for some

305
00:14:23,670 --> 00:14:21,519
a day or maybe a couple of days

306
00:14:25,750 --> 00:14:23,680
took the chance of contacting the mutual

307
00:14:29,110 --> 00:14:25,760
ufo network

308
00:14:31,189 --> 00:14:29,120
chapter there in seattle and a man by

309
00:14:34,790 --> 00:14:31,199
the name of um

310
00:14:36,870 --> 00:14:34,800
uh jim klotz uh was an investigator for

311
00:14:39,990 --> 00:14:36,880
them and uh

312
00:14:41,990 --> 00:14:40,000
he i asked him if he could uh

313
00:14:45,110 --> 00:14:42,000

submit a freedom of information act

314

00:14:47,990 --> 00:14:45,120

request of the air force

315

00:14:49,350 --> 00:14:48,000

about this and this was the echo flight

316

00:14:52,870 --> 00:14:49,360

incident

317

00:14:57,030 --> 00:14:52,880

missile shutdowns during a ufo encounter

318

00:15:00,069 --> 00:14:57,040

and but don't say anything about ufos

319

00:15:01,990 --> 00:15:00,079

jim just say we want to know if this is

320

00:15:05,910 --> 00:15:02,000

still a classified incident where

321

00:15:09,189 --> 00:15:05,920

uh the missiles uh shut down

322

00:15:12,550 --> 00:15:09,199

um say nothing about ufos because

323

00:15:13,990 --> 00:15:12,560

that's a that was a no-no of course with

324

00:15:15,509 --> 00:15:14,000

the air force he didn't want to talk

325

00:15:18,710 --> 00:15:15,519

about it

326

00:15:22,150 --> 00:15:18,720

so he did he sent that request in

327

00:15:25,350 --> 00:15:22,160

and much to my surprise

328

00:15:27,110 --> 00:15:25,360

and his also the air force wrote back

329

00:15:30,629 --> 00:15:27,120

and said that

330

00:15:33,189 --> 00:15:30,639

this was still a classified incident

331

00:15:33,749 --> 00:15:33,199

but since we uh submitted the request

332

00:15:37,189 --> 00:15:33,759

and since

333

00:15:40,790 --> 00:15:37,199

uh the time has elapsed on

334

00:15:44,230 --> 00:15:40,800

the classification

335

00:15:45,110 --> 00:15:44,240

uh level i guess it was classified

336

00:15:48,230 --> 00:15:45,120

secret

337

00:15:50,550 --> 00:15:48,240

but uh it was that's only good for about

338

00:15:51,910 --> 00:15:50,560

12 years i think

339

00:15:54,550 --> 00:15:51,920

and so they they went ahead and

340

00:15:58,870 --> 00:15:54,560

declassified the echo flight

341

00:16:02,150 --> 00:15:58,880

incident and sent us documents

342

00:16:04,629 --> 00:16:02,160

so they validated the fact that the echo

343

00:16:07,110 --> 00:16:04,639

flight went down

344

00:16:09,829 --> 00:16:07,120

but they didn't admit to any ufo

345

00:16:12,110 --> 00:16:09,839

encounter

346

00:16:15,030 --> 00:16:12,120

the document simply said that there was

347

00:16:18,069 --> 00:16:15,040

investigations done

348

00:16:21,030 --> 00:16:18,079

but they sent us enough

349

00:16:22,470 --> 00:16:21,040

documents where we were able to contact

350

00:16:25,269 --> 00:16:22,480

various individuals

351

00:16:27,509 --> 00:16:25,279

that they named and were able to do some

352

00:16:29,509 --> 00:16:27,519

good pretty good research

353

00:16:30,870 --> 00:16:29,519

thanks a lot to jim klotz i really take

354

00:16:33,910 --> 00:16:30,880

my hat off to him he did

355

00:16:35,509 --> 00:16:33,920

a lot of the contacting of individuals

356

00:16:39,670 --> 00:16:35,519

and people

357

00:16:41,829 --> 00:16:39,680

and um and uh

358

00:16:43,670 --> 00:16:41,839

there was one statement in there on one

359

00:16:48,310 --> 00:16:43,680

of the pieces of paper that

360

00:16:50,150 --> 00:16:48,320

we got that said rumor of ufos

361

00:16:51,829 --> 00:16:50,160

around echo flight at the time of the

362

00:16:55,030 --> 00:16:51,839

incident have been

363

00:16:57,590 --> 00:16:55,040

disproven aha

364

00:17:00,069 --> 00:16:57,600

so how did they go about disproving

365

00:17:02,310 --> 00:17:00,079

these rumors

366

00:17:04,630 --> 00:17:02,320

so we contacted the guy that wrote that

367

00:17:06,789 --> 00:17:04,640

he said we never we never talked to

368

00:17:08,230 --> 00:17:06,799

anybody about disproving any rumors blah

369

00:17:10,870 --> 00:17:08,240

blah blah and that

370

00:17:13,029 --> 00:17:10,880

i kind of got the ball rolling and so at

371

00:17:16,069 --> 00:17:13,039

some point

372

00:17:18,230 --> 00:17:16,079

i think it was late 95 or early 96 i

373

00:17:21,429 --> 00:17:18,240

decided to

374

00:17:24,150 --> 00:17:21,439

come forward publicly and speak out

375

00:17:24,630 --> 00:17:24,160

about the fact that because i thought it

376

00:17:26,390 --> 00:17:24,640

was my

377

00:17:28,470 --> 00:17:26,400

incident i didn't remember i was at

378

00:17:31,590 --> 00:17:28,480

oscar i just remember

379

00:17:34,310 --> 00:17:31,600

the incident and all the

380

00:17:35,270 --> 00:17:34,320

launch control centers look the same so

381

00:17:37,430 --> 00:17:35,280

at that point

382

00:17:39,510 --> 00:17:37,440

because i had made a conscious effort to

383

00:17:41,190 --> 00:17:39,520

forget a lot of the details

384

00:17:43,590 --> 00:17:41,200

i remember i was i was still under

385

00:17:45,990 --> 00:17:43,600

obligation not to talk about

386

00:17:46,710 --> 00:17:46,000

and so i forgot many of the details

387

00:17:50,470 --> 00:17:46,720

including

388

00:17:53,510 --> 00:17:50,480

who my commander was and where i was

389

00:17:55,669 --> 00:17:53,520

what facility i was at etc

390

00:17:56,710 --> 00:17:55,679

but uh so i thought i was the one that

391

00:18:00,390 --> 00:17:56,720

was at echo

392

00:18:03,990 --> 00:18:00,400

white and that's why originally i had

393

00:18:07,590 --> 00:18:06,230

and then but then i decided to go ahead

394

00:18:10,950 --> 00:18:07,600

go public

395

00:18:12,710 --> 00:18:10,960

and say this was a ufo incident and i

396

00:18:16,310 --> 00:18:12,720

went on various

397

00:18:18,470 --> 00:18:16,320

radio shows and from those

398

00:18:20,470 --> 00:18:18,480

i started getting more witnesses come

399

00:18:22,549 --> 00:18:20,480

forward

400

00:18:24,150 --> 00:18:22,559

people that had been involved and people

401
00:18:26,789 --> 00:18:24,160
that had

402
00:18:27,750 --> 00:18:26,799
been part of the investigation and

403
00:18:31,270 --> 00:18:27,760
others

404
00:18:34,230 --> 00:18:31,280
and that's how it snowballed into a book

405
00:18:35,590 --> 00:18:34,240
the one i wrote in 2005. yes would you

406
00:18:37,669 --> 00:18:35,600
mention the name of that book

407
00:18:38,789 --> 00:18:37,679
or would you yeah that's called faded

408
00:18:41,750 --> 00:18:38,799
giant and

409
00:18:44,630 --> 00:18:41,760
in there i've got many of the documents

410
00:18:47,669 --> 00:18:44,640
i received from the air force

411
00:18:51,830 --> 00:18:47,679
and uh and the details

412
00:18:55,029 --> 00:18:51,840
of my incident so

413
00:18:58,070 --> 00:18:55,039

i want to ask you about

414

00:19:01,190 --> 00:18:58,080

what the fellows topside

415

00:19:05,990 --> 00:19:01,200

reported i believe a a red

416

00:19:09,990 --> 00:19:06,000

glowing object maybe more than one

417

00:19:13,510 --> 00:19:10,000

uh well they reported seeing a

418

00:19:17,510 --> 00:19:13,520

a glowing red

419

00:19:20,789 --> 00:19:17,520

pulsating object

420

00:19:25,430 --> 00:19:20,799

it it seemed to have some sort of a

421

00:19:29,750 --> 00:19:25,440

plasma gas around it

422

00:19:32,630 --> 00:19:29,760

it was large i'd say 40 to 50 feet

423

00:19:34,150 --> 00:19:32,640

in diameter and it was just hovering

424

00:19:38,710 --> 00:19:34,160

silently

425

00:19:41,990 --> 00:19:38,720

above the front gate and um

426
00:19:44,390 --> 00:19:42,000
that's how they described it but

427
00:19:46,310 --> 00:19:44,400
um like i said there were there were

428
00:19:47,909 --> 00:19:46,320
multiple objects in the area because we

429
00:19:50,950 --> 00:19:47,919
sent two of the guards out

430
00:19:54,549 --> 00:19:50,960
and they saw uh

431
00:19:56,549 --> 00:19:54,559
two i think it was two over each of the

432
00:19:58,789 --> 00:19:56,559
um

433
00:20:00,070 --> 00:19:58,799
the uh launch facilities where we sent

434
00:20:03,990 --> 00:20:00,080
them

435
00:20:04,789 --> 00:20:04,000
um and and if i'm not mistaken there

436
00:20:08,070 --> 00:20:04,799
were other

437
00:20:11,190 --> 00:20:08,080
sightings by civilians outside

438
00:20:15,430 --> 00:20:11,200

of the perimeter of the air force

439

00:20:16,789 --> 00:20:15,440

installations yes absolutely

440

00:20:18,950 --> 00:20:16,799

one of the reasons we were able to

441

00:20:20,070 --> 00:20:18,960

confirm the date of the oscar flight

442

00:20:24,549 --> 00:20:20,080

shutdown is because

443

00:20:26,789 --> 00:20:24,559

of an incident about of a truck driver

444

00:20:29,590 --> 00:20:26,799

uh driving through belt montana which is

445

00:20:31,430 --> 00:20:29,600

uh oh about 20 or so miles

446

00:20:34,390 --> 00:20:31,440

outside of great falls he's just driving

447

00:20:36,950 --> 00:20:34,400

through belt montana

448

00:20:37,510 --> 00:20:36,960

and looks to his left and he sees this

449

00:20:42,070 --> 00:20:37,520

uh

450

00:20:44,549 --> 00:20:42,080

white light pacing him

451
00:20:45,430 --> 00:20:44,559
and a big bright white light he slams on

452
00:20:49,029 --> 00:20:45,440
his brakes

453
00:20:51,990 --> 00:20:49,039
can't make it uh what it is uh

454
00:20:53,669 --> 00:20:52,000
and it stops and he gets out of his

455
00:20:56,950 --> 00:20:53,679
truck takes a look and all of a sudden

456
00:21:00,789 --> 00:20:56,960
it um it lands it flies

457
00:21:02,230 --> 00:21:00,799
uh to into a gully and lands

458
00:21:03,990 --> 00:21:02,240
well at this point the truck driver

459
00:21:07,430 --> 00:21:04,000
calls the highway patrol the

460
00:21:10,950 --> 00:21:07,440
highway patrolman comes up buttonator

461
00:21:13,430 --> 00:21:10,960
and uh he sees the object

462
00:21:14,470 --> 00:21:13,440
landed on the ground he and the truck

463
00:21:17,750 --> 00:21:14,480

driver both

464

00:21:20,230 --> 00:21:17,760

saw this object so at this point

465

00:21:23,029 --> 00:21:20,240

nader contacts the air force the air

466

00:21:26,230 --> 00:21:23,039

force gets involved

467

00:21:29,190 --> 00:21:26,240

and that was one of many

468

00:21:31,669 --> 00:21:29,200

sightings that particular day the air

469

00:21:35,590 --> 00:21:31,679

force also had sightings

470

00:21:38,390 --> 00:21:35,600

by people on the base this is almstrum

471

00:21:40,789 --> 00:21:38,400

on radar and this was written up in the

472

00:21:43,909 --> 00:21:40,799

local newspaper i've got copies of the

473

00:21:44,470 --> 00:21:43,919

clippings of that report but there was

474

00:21:46,710 --> 00:21:44,480

also

475

00:21:47,990 --> 00:21:46,720

an official air force report about this

476

00:21:51,190 --> 00:21:48,000

sighting

477

00:21:55,350 --> 00:21:51,200

well uh when we contacted um

478

00:21:59,110 --> 00:21:55,360

robert jameson or uh jamison was

479

00:22:03,110 --> 00:21:59,120

an air force captain at the time i think

480

00:22:06,549 --> 00:22:03,120

uh but he was in charge of uh um

481

00:22:08,470 --> 00:22:06,559

missile targeting crew so

482

00:22:10,710 --> 00:22:08,480

all these missiles had to be retargeted

483

00:22:13,029 --> 00:22:10,720

because

484

00:22:14,070 --> 00:22:13,039

they didn't receive any uh serious

485

00:22:17,190 --> 00:22:14,080

damage

486

00:22:20,549 --> 00:22:17,200

the simply the navigational system was

487

00:22:22,149 --> 00:22:20,559

upset and therefore the targeting had to

488

00:22:24,549 --> 00:22:22,159

be reset

489

00:22:26,310 --> 00:22:24,559

otherwise um they would know where to go

490

00:22:30,789 --> 00:22:26,320

if they were launched so

491

00:22:34,630 --> 00:22:30,799

anyway jameson recalls

492

00:22:38,230 --> 00:22:34,640

the reports of the belt siding

493

00:22:40,870 --> 00:22:38,240

as they were happening uh because he was

494

00:22:43,909 --> 00:22:40,880

at the maintenance facility

495

00:22:45,270 --> 00:22:43,919

uh standing by he was also told that

496

00:22:47,909 --> 00:22:45,280

they were standing by because there were

497

00:22:50,950 --> 00:22:47,919

ufo reports in the field

498

00:22:54,070 --> 00:22:50,960

and um and that's how we were able to he

499

00:22:56,710 --> 00:22:54,080

remembers that particular date

500

00:22:58,149 --> 00:22:56,720

well the date was in the newspaper too

501
00:23:01,270 --> 00:22:58,159
so he remembers

502
00:23:03,270 --> 00:23:01,280
that particular report and that's how we

503
00:23:06,310 --> 00:23:03,280
established the oscar flight

504
00:23:08,789 --> 00:23:06,320
shutdown date wow

505
00:23:09,750 --> 00:23:08,799
i'm going to ask you to extrapolate for

506
00:23:11,750 --> 00:23:09,760
a second if

507
00:23:13,350 --> 00:23:11,760
like we're going to go off topic for one

508
00:23:17,029 --> 00:23:13,360
second because

509
00:23:21,110 --> 00:23:17,039
recently we had grant cameron on and um

510
00:23:24,549 --> 00:23:21,120
he had as a young man in the early 70s

511
00:23:25,830 --> 00:23:24,559
a number of sightings with a lot of

512
00:23:29,750 --> 00:23:25,840
other people

513
00:23:32,710 --> 00:23:29,760

just outside of edmonton manitoba

514

00:23:34,789 --> 00:23:32,720

i believe canada and he had these

515

00:23:37,830 --> 00:23:34,799

sightings of a red pulsating

516

00:23:38,390 --> 00:23:37,840

object along with probably hundreds of

517

00:23:41,590 --> 00:23:38,400

other

518

00:23:44,230 --> 00:23:41,600

people in

519

00:23:44,710 --> 00:23:44,240

that area which is apparently five miles

520

00:23:46,549 --> 00:23:44,720

from

521

00:23:49,110 --> 00:23:46,559

the u.s border are you familiar with

522

00:23:52,710 --> 00:23:49,120

that at all

523

00:23:55,830 --> 00:23:52,720

no i'm i'm not really familiar with that

524

00:23:59,110 --> 00:23:55,840

i know greg is a substantially

525

00:23:59,830 --> 00:23:59,120

respected researcher so uh i i don't

526
00:24:02,870 --> 00:23:59,840
doubt it

527
00:24:05,510 --> 00:24:02,880
yeah um i just wondered just

528
00:24:06,549 --> 00:24:05,520
out of curiosity if you had any idea how

529
00:24:10,390 --> 00:24:06,559
far

530
00:24:13,190 --> 00:24:10,400
that was from maelstrom uh it seems to

531
00:24:15,909 --> 00:24:13,200
yeah well montana is right on the

532
00:24:19,430 --> 00:24:15,919
canadian border and alberta

533
00:24:22,470 --> 00:24:19,440
is just to the north of montana

534
00:24:23,510 --> 00:24:22,480
i think uh maybe a little slightly to

535
00:24:26,310 --> 00:24:23,520
the east but

536
00:24:27,110 --> 00:24:26,320
pretty close because i know uh i've been

537
00:24:30,390 --> 00:24:27,120
to alberta

538
00:24:31,110 --> 00:24:30,400

calgary i believe calgary is there yep

539

00:24:34,390 --> 00:24:31,120

yep

540

00:24:37,430 --> 00:24:34,400

so uh yeah fairly close

541

00:24:40,230 --> 00:24:37,440

well i just point that out as a few

542

00:24:41,430 --> 00:24:40,240

years in between but the description of

543

00:24:44,470 --> 00:24:41,440

the plasma-like

544

00:24:47,909 --> 00:24:44,480

object is almost identical uh

545

00:24:51,510 --> 00:24:47,919

and his plasma-like object it got to be

546

00:24:53,110 --> 00:24:51,520

so known in that town that it actually

547

00:24:54,789 --> 00:24:53,120

achieved the name they called the

548

00:24:57,909 --> 00:24:54,799

charlie red star

549

00:25:01,510 --> 00:24:57,919

and um it was just a phenomena that

550

00:25:04,630 --> 00:25:01,520

well it set grant off on his uh quest

551
00:25:05,350 --> 00:25:04,640
for uh learning about what the ufos are

552
00:25:07,510 --> 00:25:05,360
but

553
00:25:08,950 --> 00:25:07,520
i just wanted to see if if you knew

554
00:25:12,470 --> 00:25:08,960
anything about that

555
00:25:16,070 --> 00:25:12,480
now um moving on to

556
00:25:17,830 --> 00:25:16,080
uh some of your other experiences you

557
00:25:20,630 --> 00:25:17,840
had this experience but

558
00:25:21,909 --> 00:25:20,640
you also had some other experiences

559
00:25:26,070 --> 00:25:21,919
involving

560
00:25:32,390 --> 00:25:30,149
how can i say this uh e.t contact

561
00:25:33,430 --> 00:25:32,400
that's yeah that's the easiest way to

562
00:25:37,029 --> 00:25:33,440
say it

563
00:25:39,909 --> 00:25:37,039

yes well

564

00:25:42,070 --> 00:25:39,919

yeah this uh the one uh you're referring

565

00:25:45,430 --> 00:25:42,080

to the one i put in my book and

566

00:25:49,269 --> 00:25:45,440

i'm speaking about this now for oh

567

00:25:52,789 --> 00:25:49,279

let's see since um i want to say

568

00:25:54,310 --> 00:25:52,799

since about 2012 so it's been about six

569

00:25:57,669 --> 00:25:54,320

years i think

570

00:26:00,870 --> 00:25:57,679

publicly um and uh

571

00:26:02,310 --> 00:26:00,880

it happened in 1985 i i was

572

00:26:05,510 --> 00:26:02,320

out of the air force by that i was

573

00:26:07,510 --> 00:26:05,520

working for faa and i was living in

574

00:26:10,070 --> 00:26:07,520

manhattan beach california a little

575

00:26:13,110 --> 00:26:10,080

beach community and

576

00:26:17,269 --> 00:26:13,120

and so i remember the particular house

577

00:26:20,390 --> 00:26:17,279

where i was in 1985 because

578

00:26:23,190 --> 00:26:20,400

i had been remodeling houses

579

00:26:24,950 --> 00:26:23,200

uh my own house and then selling and

580

00:26:27,669 --> 00:26:24,960

remodeling and selling uh

581

00:26:29,510 --> 00:26:27,679

trying to get close to the beach but so

582

00:26:32,470 --> 00:26:29,520

i remember where i was

583

00:26:33,110 --> 00:26:32,480

i remember the house and then so i i got

584

00:26:36,950 --> 00:26:33,120

the date

585

00:26:40,070 --> 00:26:36,960

from because i knew where the house was

586

00:26:43,110 --> 00:26:40,080

uh my wife and i had two

587

00:26:46,310 --> 00:26:43,120

small kids in the house um we were

588

00:26:46,789 --> 00:26:46,320

sleeping middle of the night uh i wake

589

00:26:57,669 --> 00:26:46,799

up

590

00:26:58,710 --> 00:26:57,679

coming from our living room i wake my

591

00:27:04,830 --> 00:26:58,720

wife up

592

00:27:12,549 --> 00:27:07,830

thinking

593

00:27:15,110 --> 00:27:12,559

um there might be a burglar in the house

594

00:27:15,669 --> 00:27:15,120

so i tell her i'm gonna get up and take

595

00:27:18,870 --> 00:27:15,679

a look

596

00:27:23,190 --> 00:27:18,880

and uh as i start to get up i'm

597

00:27:25,990 --> 00:27:23,200

paralyzed i can't move and i remember

598

00:27:27,269 --> 00:27:26,000

uh struggling struggling uh so

599

00:27:29,350 --> 00:27:27,279

desperately because

600

00:27:31,269 --> 00:27:29,360

of course we had two two small kids in

601
00:27:33,909 --> 00:27:31,279
the house

602
00:27:37,750 --> 00:27:33,919
and so i turned to my wife for help and

603
00:27:43,990 --> 00:27:40,789
and i'm still struggling i can't move

604
00:27:45,990 --> 00:27:44,000
anything except maybe my head i can turn

605
00:27:49,909 --> 00:27:46,000
my head a little bit

606
00:27:53,430 --> 00:27:49,919
uh next thing i know i i

607
00:27:54,950 --> 00:27:53,440
i see a what looks like a person with a

608
00:27:58,310 --> 00:27:54,960
hood

609
00:27:59,110 --> 00:27:58,320
in the front door uh can't make out the

610
00:28:02,310 --> 00:27:59,120
face

611
00:28:04,470 --> 00:28:02,320
it's dark um but

612
00:28:06,070 --> 00:28:04,480
i'm also aware that there are other

613
00:28:09,510 --> 00:28:06,080

small beings

614

00:28:11,340 --> 00:28:09,520

in the house uh i don't

615

00:28:12,950 --> 00:28:11,350

honestly recall

616

00:28:15,590 --> 00:28:12,960

[Music]

617

00:28:16,710 --> 00:28:15,600

the appearance of these beings other

618

00:28:19,990 --> 00:28:16,720

than they were

619

00:28:23,029 --> 00:28:20,000

child like they were small like

620

00:28:27,830 --> 00:28:23,039

children like small children

621

00:28:28,830 --> 00:28:27,840

and um at that point i was lifted off my

622

00:28:31,669 --> 00:28:28,840

bed

623

00:28:34,789 --> 00:28:31,679

uh

624

00:28:38,950 --> 00:28:34,799

so i was kind of floating in the air

625

00:28:42,070 --> 00:28:38,960

being directed or guided

626

00:28:44,870 --> 00:28:42,080

to the window that of our bedroom

627

00:28:45,269 --> 00:28:44,880

now i had locked that window and i

628

00:28:47,750 --> 00:28:45,279

thought

629

00:28:49,990 --> 00:28:47,760

you know these small kids don't know how

630

00:28:50,470 --> 00:28:50,000

to unlatch it they can't reach the latch

631

00:28:54,789 --> 00:28:50,480

or

632

00:28:57,750 --> 00:28:54,799

you know so uh

633

00:28:58,549 --> 00:28:57,760

but uh and this is gonna sound crazy i

634

00:29:01,510 --> 00:28:58,559

know

635

00:29:02,230 --> 00:29:01,520

uh but this is what i recall and and

636

00:29:05,510 --> 00:29:02,240

this wreck

637

00:29:08,789 --> 00:29:05,520

these recollections have come from

638

00:29:09,430 --> 00:29:08,799

about four um hypnotherapy sessions that

639

00:29:12,630 --> 00:29:09,440

i've had

640

00:29:14,470 --> 00:29:12,640

uh to recover these memories so

641

00:29:16,710 --> 00:29:14,480

what i recall is going right through the

642

00:29:20,149 --> 00:29:16,720

window now the window was never

643

00:29:21,190 --> 00:29:20,159

opened it can remain closed i went right

644

00:29:24,630 --> 00:29:21,200

through the window

645

00:29:25,029 --> 00:29:24,640

and and then the next thing i recall is

646

00:29:28,870 --> 00:29:25,039

being

647

00:29:32,710 --> 00:29:28,880

on a table in apparently the

648

00:29:36,070 --> 00:29:32,720

craft or ufo uh i call it a craft

649

00:29:39,350 --> 00:29:36,080

anyway um and i was being shown these

650

00:29:41,909 --> 00:29:39,360

this long needle and it was actually

651

00:29:45,510 --> 00:29:41,919

placed in front of my eyes

652

00:29:49,510 --> 00:29:45,520

and it was held uh by bony

653

00:29:53,029 --> 00:29:49,520

long bony fingers on either end of this

654

00:29:55,830 --> 00:29:53,039

needle-like device uh

655

00:29:57,750 --> 00:29:55,840

and i was told telepathically that they

656

00:29:58,789 --> 00:29:57,760

were going to insert this needle into my

657

00:30:02,470 --> 00:29:58,799

groin

658

00:30:04,389 --> 00:30:02,480

and that it would not hurt

659

00:30:05,830 --> 00:30:04,399

well when they started their procedure

660

00:30:09,350 --> 00:30:05,840

it hurt like

661

00:30:12,710 --> 00:30:09,360

hell and uh i i i

662

00:30:14,630 --> 00:30:12,720

i said that and uh all of a sudden the

663

00:30:16,710 --> 00:30:14,640

pain just kind of disappeared it just

664

00:30:17,669 --> 00:30:16,720

went away almost immediately as soon as

665

00:30:21,430 --> 00:30:17,679

i expressed

666

00:30:24,549 --> 00:30:21,440

that i was in pain um

667

00:30:27,990 --> 00:30:24,559

after that um

668

00:30:31,990 --> 00:30:28,000

uh i was taken to another uh small

669

00:30:35,029 --> 00:30:32,000

room um saw another small being

670

00:30:36,630 --> 00:30:35,039

you know white i actually had a white

671

00:30:40,149 --> 00:30:36,640

coat on or i imagined it

672

00:30:41,830 --> 00:30:40,159

it did um it turned me around

673

00:30:43,350 --> 00:30:41,840

and checked my spine it just poked

674

00:30:46,630 --> 00:30:43,360

fingers down my spine

675

00:30:51,430 --> 00:30:46,640

and and then i was uh

676
00:30:54,950 --> 00:30:51,440
escorted out a curved tunnel way

677
00:30:58,230 --> 00:30:54,960
and saw white light and

678
00:30:59,110 --> 00:30:58,240
then i was back in my bed the next

679
00:31:02,389 --> 00:30:59,120
morning

680
00:31:06,149 --> 00:31:02,399
i don't recall any of this

681
00:31:10,789 --> 00:31:06,159
there was no memory and immediate memory

682
00:31:13,830 --> 00:31:10,799
and it wasn't until 2007

683
00:31:16,710 --> 00:31:13,840
i want to say i was in um

684
00:31:18,149 --> 00:31:16,720
ireland at a ufo conference and

685
00:31:21,430 --> 00:31:18,159
listening to a

686
00:31:24,470 --> 00:31:21,440
an experiencer an abductee

687
00:31:25,430 --> 00:31:24,480
and she talked about a blue light well i

688
00:31:27,909 --> 00:31:25,440

had my wife

689

00:31:28,630 --> 00:31:27,919

sitting next to me and i turned to her

690

00:31:32,070 --> 00:31:28,640

because

691

00:31:35,110 --> 00:31:32,080

they kind of sparked a memory

692

00:31:36,630 --> 00:31:35,120

and i turned to her and said do you

693

00:31:39,269 --> 00:31:36,640

recall a blue light

694

00:31:41,029 --> 00:31:39,279

ever coming into our room and she said

695

00:31:42,630 --> 00:31:41,039

yes

696

00:31:44,549 --> 00:31:42,640

she said yeah she hadn't mentioned

697

00:31:47,669 --> 00:31:44,559

anything about that um

698

00:31:51,830 --> 00:31:47,679

you know all that time some

699

00:31:55,909 --> 00:31:51,840

what is that um 22 years or so

700

00:31:57,269 --> 00:31:55,919

wow yeah so that's why i started getting

701
00:32:01,190 --> 00:31:57,279
um

702
00:32:03,750 --> 00:32:01,200
hypnotherapy and was able to recover

703
00:32:04,710 --> 00:32:03,760
uh these meager memories that i just

704
00:32:08,389 --> 00:32:04,720
told you

705
00:32:11,669 --> 00:32:08,399
well that is very very interesting

706
00:32:14,950 --> 00:32:11,679
and um what i would like to ask you well

707
00:32:18,789 --> 00:32:14,960
to tell you directly uh all of us here

708
00:32:22,149 --> 00:32:18,799
are experiencers of some sort um

709
00:32:25,590 --> 00:32:22,159
and myself included and i i have written

710
00:32:28,870 --> 00:32:25,600
on my blog somewhat extensively about

711
00:32:31,269 --> 00:32:28,880
the idea of so-called

712
00:32:31,909 --> 00:32:31,279
sleep paralysis and i say so-called

713
00:32:34,310 --> 00:32:31,919

because

714

00:32:35,269 --> 00:32:34,320

i think there's a little more to it than

715

00:32:38,470 --> 00:32:35,279

that and i'm

716

00:32:40,710 --> 00:32:38,480

going to my favorite phrase

717

00:32:42,070 --> 00:32:40,720

involving this comes from somebody that

718

00:32:43,830 --> 00:32:42,080

you know better than i do

719

00:32:47,830 --> 00:32:43,840

though i've met the gentleman a few

720

00:32:51,269 --> 00:32:47,840

times uh stanton friedman

721

00:32:54,070 --> 00:32:51,279

says calls humans

722

00:32:56,789 --> 00:32:54,080

angry apes with guns and that was a

723

00:32:58,389 --> 00:32:56,799

phrase that i've stolen from him stanton

724

00:33:00,710 --> 00:32:58,399

thank you so much for that phrase

725

00:33:04,230 --> 00:33:00,720

because i've used it many times

726
00:33:06,870 --> 00:33:04,240
and um to me it makes perfect

727
00:33:07,590 --> 00:33:06,880
sense that the others whoever the others

728
00:33:09,669 --> 00:33:07,600
may be

729
00:33:10,870 --> 00:33:09,679
and we're going to go into that in a

730
00:33:14,789 --> 00:33:10,880
little bit

731
00:33:15,549 --> 00:33:14,799
but whoever they are whether they be ets

732
00:33:23,430 --> 00:33:15,559
or

733
00:33:27,110 --> 00:33:23,440
things

734
00:33:27,990 --> 00:33:27,120
humans must just seem like angry apes

735
00:33:31,110 --> 00:33:28,000
with guns

736
00:33:34,470 --> 00:33:31,120
and what better way to subdue an

737
00:33:37,990 --> 00:33:34,480
angry ape with a gun than to

738
00:33:41,269 --> 00:33:38,000

put that individual in a natural

739

00:33:44,310 --> 00:33:41,279

state that we all sometimes have

740

00:33:45,909 --> 00:33:44,320

to in order to keep us from acting out

741

00:33:49,430 --> 00:33:45,919

our dreams that is

742

00:33:53,350 --> 00:33:49,440

sleep paralysis and thereby

743

00:33:54,389 --> 00:33:53,360

they can extract whatever information

744

00:33:57,190 --> 00:33:54,399

they want from us

745

00:33:57,830 --> 00:33:57,200

give us information they can sort of

746

00:34:02,070 --> 00:33:57,840

control

747

00:34:06,070 --> 00:34:02,080

us through this natural

748

00:34:09,270 --> 00:34:06,080

uh biological state that dogs have it

749

00:34:11,190 --> 00:34:09,280

horses have it cats have it yeah well i

750

00:34:12,790 --> 00:34:11,200

i'd like to just make the point that

751
00:34:15,510 --> 00:34:12,800
this was not a dream

752
00:34:17,669 --> 00:34:15,520
okay no absolutely not i i believe you

753
00:34:21,030 --> 00:34:17,679
100 percent that it wasn't

754
00:34:24,470 --> 00:34:21,040
nor were my experiences dreams so

755
00:34:25,270 --> 00:34:24,480
there's no argument from this quarter

756
00:34:27,430 --> 00:34:25,280
here

757
00:34:28,869 --> 00:34:27,440
about that though other folks might

758
00:34:32,790 --> 00:34:28,879
argue it but

759
00:34:35,349 --> 00:34:32,800
um i'm always a little bit um

760
00:34:36,389 --> 00:34:35,359
suspicious and suspicious is kind of

761
00:34:42,950 --> 00:34:36,399
over

762
00:34:43,750 --> 00:34:42,960
i don't i'm suspicious okay of people

763
00:34:46,069 --> 00:34:43,760

who aren't

764

00:34:47,190 --> 00:34:46,079

experiencers who then make

765

00:34:50,790 --> 00:34:47,200

pronouncements

766

00:34:54,149 --> 00:34:50,800

about what happens to experiencers okay

767

00:34:58,550 --> 00:34:54,159

right right i understand so

768

00:35:01,270 --> 00:34:58,560

um that being said um

769

00:35:01,670 --> 00:35:01,280

did you at the time that you recovered

770

00:35:05,030 --> 00:35:01,680

this

771

00:35:05,589 --> 00:35:05,040

memory and you and and hats off to your

772

00:35:07,430 --> 00:35:05,599

wife i

773

00:35:09,670 --> 00:35:07,440

i just understand that she's the most

774

00:35:10,390 --> 00:35:09,680

wonderful person who has been extremely

775

00:35:13,349 --> 00:35:10,400

supportive

776

00:35:14,829 --> 00:35:13,359

in your life to your experiences when

777

00:35:17,270 --> 00:35:14,839

when as they have

778

00:35:18,950 --> 00:35:17,280

emerged thank you for mentioning her and

779

00:35:19,990 --> 00:35:18,960

you're absolutely right she is a

780

00:35:22,390 --> 00:35:20,000

wonderful person

781

00:35:25,109 --> 00:35:22,400

yeah and everything that i've read in

782

00:35:29,190 --> 00:35:25,119

here and heard you speak of elsewhere

783

00:35:30,390 --> 00:35:29,200

um i i can i can say uh she is a very

784

00:35:34,230 --> 00:35:30,400

very um

785

00:35:36,470 --> 00:35:34,240

supportive and wonderful individual

786

00:35:37,750 --> 00:35:36,480

but at the time when you recovered this

787

00:35:40,870 --> 00:35:37,760

memory

788

00:35:41,990 --> 00:35:40,880

and your wife said she remembered it as

789

00:35:45,670 --> 00:35:42,000

well

790

00:35:48,150 --> 00:35:45,680

um did you in any way connect it

791

00:35:48,790 --> 00:35:48,160

to what happened with oscar flight or

792

00:35:52,310 --> 00:35:48,800

was it

793

00:35:55,910 --> 00:35:52,320

a apart from that

794

00:35:58,950 --> 00:35:55,920

uh well not at first um

795

00:36:01,270 --> 00:35:58,960

but uh the more i

796

00:36:02,150 --> 00:36:01,280

think of it and and what i haven't

797

00:36:05,670 --> 00:36:02,160

stated

798

00:36:08,950 --> 00:36:05,680

is but uh i think is true is that

799

00:36:12,230 --> 00:36:08,960

we had my wife had separate experiences

800

00:36:16,390 --> 00:36:12,240

um and i've had second uh

801
00:36:18,790 --> 00:36:16,400
other experiences of the same kind

802
00:36:20,470 --> 00:36:18,800
i i just don't have all the details

803
00:36:21,430 --> 00:36:20,480
nailed down yet so that's why i haven't

804
00:36:24,630 --> 00:36:21,440
spoken of them but

805
00:36:27,430 --> 00:36:24,640
i do have little bits and pieces

806
00:36:29,030 --> 00:36:27,440
written down in a journal and uh my wife

807
00:36:32,390 --> 00:36:29,040
also has

808
00:36:35,510 --> 00:36:32,400
bits and pieces but um uh

809
00:36:38,870 --> 00:36:35,520
i think uh they have been tracking me

810
00:36:42,310 --> 00:36:38,880
probably since um since the uh

811
00:36:43,990 --> 00:36:42,320
the uh missile shutdown incident and of

812
00:36:47,109 --> 00:36:44,000
course i think

813
00:36:50,470 --> 00:36:47,119

i've got a kind of um

814

00:36:53,910 --> 00:36:50,480

uh let's say task

815

00:36:54,710 --> 00:36:53,920

to speak about uh the dangers of nuclear

816

00:36:58,069 --> 00:36:54,720

weapons

817

00:37:00,069 --> 00:36:58,079

as a result of my experience so

818

00:37:01,670 --> 00:37:00,079

and that's what i've been trying to do

819

00:37:05,270 --> 00:37:01,680

um

820

00:37:07,990 --> 00:37:05,280

since since i

821

00:37:09,510 --> 00:37:08,000

started speaking openly and and that is

822

00:37:12,790 --> 00:37:09,520

connecting

823

00:37:17,990 --> 00:37:12,800

the nuclear weapons issue worldwide

824

00:37:20,470 --> 00:37:18,000

to the my ufo incidents

825

00:37:21,349 --> 00:37:20,480

well that's a noble that's a noble cause

826
00:37:25,109 --> 00:37:21,359
to follow

827
00:37:28,630 --> 00:37:25,119
absolutely um and uh

828
00:37:31,910 --> 00:37:28,640
let's see um moving from the

829
00:37:35,349 --> 00:37:31,920
actual uh your experiences uh

830
00:37:36,310 --> 00:37:35,359
in you you spoke in your book a lot

831
00:37:39,349 --> 00:37:36,320
about

832
00:37:42,390 --> 00:37:39,359
game theory which i found rather

833
00:37:44,950 --> 00:37:42,400
fascinating it's it's something that has

834
00:37:45,430 --> 00:37:44,960
always interested me that is game theory

835
00:37:48,550 --> 00:37:45,440
and

836
00:37:52,069 --> 00:37:48,560
how you applied it to the

837
00:37:54,470 --> 00:37:52,079
ufo cover-up and um

838
00:37:56,950 --> 00:37:54,480

how the game is played do you want to do

839

00:37:59,750 --> 00:37:56,960

you want to speak to that for a minute

840

00:38:01,349 --> 00:37:59,760

yes i'll talk a little bit about uh it's

841

00:38:04,390 --> 00:38:01,359

called a zero-sum game

842

00:38:07,430 --> 00:38:04,400

it is a part of game

843

00:38:10,550 --> 00:38:07,440

theory uh a zero-sum

844

00:38:12,550 --> 00:38:10,560

game uh very briefly um

845

00:38:13,829 --> 00:38:12,560

uh let's say you and i are playing a

846

00:38:15,910 --> 00:38:13,839

game and

847

00:38:18,870 --> 00:38:15,920

uh the first one that wins a hundred

848

00:38:21,990 --> 00:38:18,880

points wins the game

849

00:38:26,069 --> 00:38:22,000

well if in playing this

850

00:38:29,589 --> 00:38:26,079

game i happen to win

851
00:38:32,390 --> 00:38:29,599
20 points that means

852
00:38:34,390 --> 00:38:32,400
you don't have 20 points or you've got

853
00:38:37,109 --> 00:38:34,400
minus 20 points so

854
00:38:37,829 --> 00:38:37,119
if you add plus 20 and minus 20 you get

855
00:38:45,190 --> 00:38:37,839
zero

856
00:38:48,150 --> 00:38:45,200
comes from so

857
00:38:49,270 --> 00:38:48,160
what i did is i i looked at uh the game

858
00:38:51,829 --> 00:38:49,280
we're playing with

859
00:38:53,349 --> 00:38:51,839
uh what i call the ufo cabal the ufo

860
00:38:56,550 --> 00:38:53,359
cabal

861
00:39:00,069 --> 00:38:56,560
uh i believe and i'm convinced exists

862
00:39:03,829 --> 00:39:00,079
it's a organization uh composed

863
00:39:07,589 --> 00:39:03,839

of probably um intelligence

864

00:39:11,190 --> 00:39:07,599

operatives in different countries

865

00:39:14,950 --> 00:39:11,200

and and run primarily by the us

866

00:39:18,230 --> 00:39:14,960

because we seem to have um

867

00:39:19,190 --> 00:39:18,240

more influence in the world and and so i

868

00:39:21,109 --> 00:39:19,200

think there is an

869

00:39:22,870 --> 00:39:21,119

international organization that's

870

00:39:26,150 --> 00:39:22,880

collecting ufo

871

00:39:29,430 --> 00:39:26,160

artifacts and ufo testimony

872

00:39:32,870 --> 00:39:29,440

and uh has now as knowledge of

873

00:39:34,470 --> 00:39:32,880

the main witnesses to actual ufo events

874

00:39:36,470 --> 00:39:34,480

and they're collecting this information

875

00:39:37,910 --> 00:39:36,480

of course for their own purposes i think

876
00:39:42,470 --> 00:39:37,920
at first

877
00:39:45,510 --> 00:39:42,480
um they were doing it um

878
00:39:46,150 --> 00:39:45,520
uh for their own education and and also

879
00:39:49,670 --> 00:39:46,160
the re

880
00:39:53,109 --> 00:39:49,680
rec uh um to uh

881
00:39:56,550 --> 00:39:53,119
protect um the public maybe from

882
00:40:00,390 --> 00:39:56,560
the the reaction that might ensue from

883
00:40:00,710 --> 00:40:00,400
this knowledge but i think now it's more

884
00:40:07,910 --> 00:40:00,720
of

885
00:40:08,829 --> 00:40:07,920
agreed because there have derived

886
00:40:12,470 --> 00:40:08,839
certain

887
00:40:16,950 --> 00:40:12,480
technologies that the ufos or the ets

888
00:40:20,470 --> 00:40:16,960

possess and are probably using those

889

00:40:20,950 --> 00:40:20,480

for profit and also these secrets can be

890

00:40:25,270 --> 00:40:20,960

used

891

00:40:27,990 --> 00:40:25,280

as as bargaining chips

892

00:40:28,470 --> 00:40:28,000

for uh with other intelligence agencies

893

00:40:31,270 --> 00:40:28,480

for

894

00:40:31,829 --> 00:40:31,280

uh exchange of intelligence on on

895

00:40:34,470 --> 00:40:31,839

probably

896

00:40:36,790 --> 00:40:34,480

many other things so i think those are

897

00:40:40,309 --> 00:40:36,800

the two main reasons the ufo cabal is

898

00:40:43,430 --> 00:40:40,319

keeping these secrets from the public

899

00:40:45,829 --> 00:40:43,440

and so people like uh

900

00:40:47,589 --> 00:40:45,839

you and i uh who are trying to reveal

901
00:40:50,390 --> 00:40:47,599
the truth of this

902
00:40:53,589 --> 00:40:50,400
phenomenon are engaged whether we like

903
00:40:56,950 --> 00:40:53,599
it or not

904
00:41:00,550 --> 00:40:56,960
in a in this zero-sum game

905
00:41:03,589 --> 00:41:00,560
and and uh of course they

906
00:41:07,030 --> 00:41:03,599
uh they

907
00:41:08,870 --> 00:41:07,040
engage up in in ways like for example

908
00:41:11,750 --> 00:41:08,880
disinformation

909
00:41:13,750 --> 00:41:11,760
and so they earn points with uh

910
00:41:17,430 --> 00:41:13,760
spreading lies about it

911
00:41:20,950 --> 00:41:17,440
and ridiculing it etc

912
00:41:23,589 --> 00:41:20,960
and in other ways intimidating witnesses

913
00:41:24,630 --> 00:41:23,599

on and on i go on it about it in my book

914

00:41:27,910 --> 00:41:24,640

and

915

00:41:30,790 --> 00:41:27,920

of course we gain points by um

916

00:41:31,829 --> 00:41:30,800

uh disclosing the truth of the matter

917

00:41:34,470 --> 00:41:31,839

and uh

918

00:41:35,190 --> 00:41:34,480

that's why i think we're engaged in this

919

00:41:37,109 --> 00:41:35,200

game and

920

00:41:39,270 --> 00:41:37,119

i'm just not talking about myself of

921

00:41:41,190 --> 00:41:39,280

course i'm talking about

922

00:41:42,350 --> 00:41:41,200

the many other credible witnesses that

923

00:41:43,750 --> 00:41:42,360

are out there

924

00:41:45,589 --> 00:41:43,760

[Music]

925

00:41:47,109 --> 00:41:45,599

part of the problem the reason i bring

926
00:41:49,910 --> 00:41:47,119
this up is because

927
00:41:50,790 --> 00:41:49,920
part of the problem is um some of these

928
00:41:53,349 --> 00:41:50,800
stories that were

929
00:41:55,589 --> 00:41:53,359
are being circulated or false stories

930
00:41:58,150 --> 00:41:55,599
and and people that are involved either

931
00:41:59,670 --> 00:41:58,160
knowingly or unknowingly and spreading

932
00:42:02,309 --> 00:41:59,680
these are um

933
00:42:05,190 --> 00:42:02,319
are hurting our side and helping the

934
00:42:07,270 --> 00:42:05,200
other side so

935
00:42:09,510 --> 00:42:07,280
well there's the entertainment factor

936
00:42:13,510 --> 00:42:09,520
which is is really

937
00:42:16,309 --> 00:42:13,520
um kind of it can be

938
00:42:17,190 --> 00:42:16,319

like passingly interesting but mostly

939

00:42:20,870 --> 00:42:17,200

annoying

940

00:42:23,910 --> 00:42:20,880

um in terms of well have you seen this

941

00:42:27,190 --> 00:42:23,920

latest uh ufo

942

00:42:30,550 --> 00:42:27,200

uh show project blue book

943

00:42:31,270 --> 00:42:30,560

yes i've seen one and a half episodes

944

00:42:34,950 --> 00:42:31,280

but go ahead

945

00:42:36,470 --> 00:42:34,960

go go for it well there's pluses and

946

00:42:40,630 --> 00:42:36,480

minus to a show like that

947

00:42:42,950 --> 00:42:40,640

uh the plus side they they do talk about

948

00:42:44,309 --> 00:42:42,960

at the end of the show if if you wait

949

00:42:47,750 --> 00:42:44,319

that long they talk about

950

00:42:51,430 --> 00:42:47,760

actual reports uh ufo incidents

951
00:42:53,670 --> 00:42:51,440
uh that are similar to some of the

952
00:42:55,109 --> 00:42:53,680
themes they covered in the particular

953
00:42:58,230 --> 00:42:55,119
show

954
00:43:02,390 --> 00:42:58,240
on the negative side there's a lot of

955
00:43:05,670 --> 00:43:02,400
woo-woo not but you know elaborate

956
00:43:08,069 --> 00:43:05,680
baloney that that they show during the

957
00:43:09,270 --> 00:43:08,079
production and just for entertainment

958
00:43:11,030 --> 00:43:09,280
value

959
00:43:13,270 --> 00:43:11,040
and so that detracts from the

960
00:43:16,870 --> 00:43:13,280
credibility so

961
00:43:18,870 --> 00:43:16,880
uh on the whole uh i i just i'd like to

962
00:43:24,829 --> 00:43:18,880
see the show be a little bit

963
00:43:32,150 --> 00:43:28,790

showmanship are you familiar with the

964

00:43:34,470 --> 00:43:32,160

the recent work of uh dr diana walsh

965

00:43:37,910 --> 00:43:34,480

posalka

966

00:43:38,950 --> 00:43:37,920

um name sounds familiar but no i'm not

967

00:43:42,390 --> 00:43:38,960

really familiar with that

968

00:43:45,109 --> 00:43:42,400

i do recommend her uh her latest book if

969

00:43:45,589 --> 00:43:45,119

it as something of interest at this

970

00:43:48,069 --> 00:43:45,599

point

971

00:43:48,790 --> 00:43:48,079

by the way i want to mention the name of

972

00:43:50,790 --> 00:43:48,800

your book

973

00:43:53,430 --> 00:43:50,800

that we have been discussing which is

974

00:43:56,309 --> 00:43:53,440

unidentified the ufo phenomena

975

00:43:57,190 --> 00:43:56,319

how world governments have conspired to

976
00:44:01,190 --> 00:43:57,200
conceal

977
00:44:03,510 --> 00:44:01,200
humanity's biggest secrets okay

978
00:44:05,190 --> 00:44:03,520
thank you and i do i i do want to

979
00:44:07,349 --> 00:44:05,200
mention both of your books

980
00:44:08,550 --> 00:44:07,359
before we let you go at some juncture

981
00:44:11,829 --> 00:44:08,560
we're not going to

982
00:44:12,710 --> 00:44:11,839
let you go easy but before we let you go

983
00:44:15,829 --> 00:44:12,720
we want to

984
00:44:19,190 --> 00:44:15,839
mention those two books again um

985
00:44:21,510 --> 00:44:19,200
now it just to to say

986
00:44:22,630 --> 00:44:21,520
this she she contends that there's

987
00:44:25,829 --> 00:44:22,640
something out there

988
00:44:27,510 --> 00:44:25,839

that she calls the ufo fight club it's a

989

00:44:28,069 --> 00:44:27,520

kind of humorous thing that there are

990

00:44:30,870 --> 00:44:28,079

people

991

00:44:31,670 --> 00:44:30,880

out there who know about what's going on

992

00:44:35,109 --> 00:44:31,680

people

993

00:44:38,550 --> 00:44:35,119

in uh governmental and uh

994

00:44:40,150 --> 00:44:38,560

ngo type organizations and they kind of

995

00:44:41,750 --> 00:44:40,160

know what's some of the stuff that's

996

00:44:43,589 --> 00:44:41,760

going on and they hold

997

00:44:46,309 --> 00:44:43,599

secrets from everybody and the whole

998

00:44:47,589 --> 00:44:46,319

idea is that they don't talk about it to

999

00:44:49,589 --> 00:44:47,599

anybody

1000

00:44:51,589 --> 00:44:49,599

that's what the fight fight club is now

1001
00:44:52,309 --> 00:44:51,599
i never saw the movie the fight club so

1002
00:44:54,230 --> 00:44:52,319
i'm not

1003
00:44:55,750 --> 00:44:54,240
really familiar with that but she

1004
00:44:58,950 --> 00:44:55,760
contends that

1005
00:45:05,430 --> 00:44:58,960
that goes on and um how do you see

1006
00:45:08,550 --> 00:45:05,440
um the outcome of possible disclosure

1007
00:45:12,309 --> 00:45:08,560
well uh like i say we're involved in

1008
00:45:16,829 --> 00:45:12,319
a game uh it's a very real game i think

1009
00:45:18,870 --> 00:45:16,839
so disclosure will only happen

1010
00:45:23,109 --> 00:45:18,880
uh once

1011
00:45:24,950 --> 00:45:23,119
uh the other side quits or realizes that

1012
00:45:30,829 --> 00:45:24,960
the gig is up

1013
00:45:35,030 --> 00:45:32,870

um

1014

00:45:35,990 --> 00:45:35,040

i mean it one way it could happen of

1015

00:45:38,790 --> 00:45:36,000

course is if

1016

00:45:40,069 --> 00:45:38,800

e.t came down and said here we are we're

1017

00:45:43,109 --> 00:45:40,079

real etc

1018

00:45:45,910 --> 00:45:43,119

another way of course the government our

1019

00:45:47,750 --> 00:45:45,920

u.s government for example fessed up and

1020

00:45:50,550 --> 00:45:47,760

said

1021

00:45:52,870 --> 00:45:50,560

uh yeah we've been covering up this

1022

00:45:56,470 --> 00:45:52,880

issue for a long time but

1023

00:45:57,829 --> 00:45:56,480

i i'm not going to hold my breath either

1024

00:45:59,109 --> 00:45:57,839

one of those things are going to happen

1025

00:46:01,190 --> 00:45:59,119

so

1026
00:46:02,790 --> 00:46:01,200
what i think we need to do as a

1027
00:46:07,670 --> 00:46:02,800
community

1028
00:46:12,470 --> 00:46:10,630
double down on those stories that are

1029
00:46:15,589 --> 00:46:12,480
the most credible

1030
00:46:18,470 --> 00:46:15,599
and uh promote those

1031
00:46:20,390 --> 00:46:18,480
witnesses uh and encourage more

1032
00:46:23,670 --> 00:46:20,400
witnesses to come forward of course

1033
00:46:26,550 --> 00:46:23,680
uh that can provide

1034
00:46:28,950 --> 00:46:26,560
um support for their stories in the way

1035
00:46:31,990 --> 00:46:28,960
of witnesses or documents or

1036
00:46:34,069 --> 00:46:32,000
artifacts and

1037
00:46:35,910 --> 00:46:34,079
we just kind of need to police ourselves

1038
00:46:39,030 --> 00:46:35,920

because there's too many

1039

00:46:40,550 --> 00:46:39,040

what i call kibitzer's out there that

1040

00:46:43,750 --> 00:46:40,560

are

1041

00:46:44,470 --> 00:46:43,760

telling stories uh just to be in front

1042

00:46:48,150 --> 00:46:44,480

of

1043

00:46:50,950 --> 00:46:48,160

bucks

1044

00:46:53,589 --> 00:46:50,960

and um and and so we got we we have to

1045

00:46:56,790 --> 00:46:53,599

kind of police that ourselves

1046

00:46:59,589 --> 00:46:56,800

those of us that are serious about this

1047

00:47:00,230 --> 00:46:59,599

but i think eventually uh we will not be

1048

00:47:03,910 --> 00:47:00,240

able to

1049

00:47:05,910 --> 00:47:03,920

um ignore this uh

1050

00:47:07,109 --> 00:47:05,920

and i think eventually there will be

1051
00:47:10,470 --> 00:47:07,119
disclosure

1052
00:47:11,109 --> 00:47:10,480
at least that's my my hope oh mine as

1053
00:47:14,790 --> 00:47:11,119
well

1054
00:47:15,270 --> 00:47:14,800
um vis-a-vis that uh two things come to

1055
00:47:18,870 --> 00:47:15,280
mind

1056
00:47:22,230 --> 00:47:18,880
uh one thing that i recall

1057
00:47:22,790 --> 00:47:22,240
uh having to do with the government kind

1058
00:47:25,829 --> 00:47:22,800
of

1059
00:47:26,630 --> 00:47:25,839
surveilling some ufo groups at an

1060
00:47:29,990 --> 00:47:26,640
earlier

1061
00:47:30,790 --> 00:47:30,000
point in time because perhaps they felt

1062
00:47:35,030 --> 00:47:30,800
that there

1063
00:47:38,470 --> 00:47:35,040

could be say russian agents

1064

00:47:41,670 --> 00:47:38,480

infiltrating local ufo groups because

1065

00:47:43,589 --> 00:47:41,680

the these agents of russia or other

1066

00:47:46,069 --> 00:47:43,599

foreign countries for that matter

1067

00:47:48,549 --> 00:47:46,079

may have been trying to gain u.s

1068

00:47:52,230 --> 00:47:48,559

military secrets and some of the

1069

00:47:55,270 --> 00:47:52,240

things that may have been seen by some

1070

00:47:58,710 --> 00:47:55,280

investigators could have been advanced

1071

00:48:01,589 --> 00:47:58,720

aerospace things that that

1072

00:48:02,710 --> 00:48:01,599

the u.s government was testing in some

1073

00:48:05,510 --> 00:48:02,720

way or another

1074

00:48:08,470 --> 00:48:05,520

and they hope to entrap these foreign

1075

00:48:11,990 --> 00:48:10,710

is do you think that's there's any case

1076

00:48:15,510 --> 00:48:12,000

for that

1077

00:48:18,870 --> 00:48:15,520

well let me just say that

1078

00:48:22,470 --> 00:48:18,880

i have no doubt that all of the ufo

1079

00:48:22,950 --> 00:48:22,480

groups have been infiltrated in the past

1080

00:48:26,309 --> 00:48:22,960

and

1081

00:48:32,230 --> 00:48:26,319

possibly even today by

1082

00:48:38,630 --> 00:48:35,349

you know the ufo secret ufo group

1083

00:48:42,390 --> 00:48:38,640

um in order to spread this information

1084

00:48:45,829 --> 00:48:42,400

and uh you know disrupt

1085

00:48:48,630 --> 00:48:45,839

the the good efforts of those groups uh

1086

00:48:50,470 --> 00:48:48,640

whether or not there are foreign agents

1087

00:48:50,950 --> 00:48:50,480

uh looking for i think that's that's a

1088

00:48:54,549 --> 00:48:50,960

given

1089

00:48:57,030 --> 00:48:54,559

uh they are always uh looking for

1090

00:48:58,150 --> 00:48:57,040

uh you know they they're with us all the

1091

00:49:03,270 --> 00:48:58,160

time

1092

00:49:06,470 --> 00:49:03,280

i'm sure russian you name it chinese

1093

00:49:07,750 --> 00:49:06,480

are involved in trying to get whatever

1094

00:49:11,510 --> 00:49:07,760

secrets we have

1095

00:49:14,790 --> 00:49:11,520

about advanced systems weapon systems

1096

00:49:18,309 --> 00:49:14,800

so yeah that's going on no doubt

1097

00:49:21,670 --> 00:49:18,319

vis-a-vis everybody being surveilled

1098

00:49:22,549 --> 00:49:21,680

i have to bring up uh to to you and our

1099

00:49:25,270 --> 00:49:22,559

listeners that

1100

00:49:26,069 --> 00:49:25,280

uh i had the most immense pleasure

1101

00:49:28,390 --> 00:49:26,079

perhaps

1102

00:49:30,069 --> 00:49:28,400

of meeting a person in my entire life

1103

00:49:33,109 --> 00:49:30,079

when i

1104

00:49:35,589 --> 00:49:33,119

met dr edgar mitchell

1105

00:49:37,190 --> 00:49:35,599

some couple of years before his

1106

00:49:40,870 --> 00:49:37,200

unfortunate demise

1107

00:49:43,470 --> 00:49:40,880

and i asked him i had been

1108

00:49:44,870 --> 00:49:43,480

writing a blog and i had been

1109

00:49:48,710 --> 00:49:44,880

corresponding

1110

00:49:52,390 --> 00:49:48,720

it kind of uh with angelia joyner

1111

00:49:52,870 --> 00:49:52,400

who had was part she was the reporter

1112

00:49:55,430 --> 00:49:52,880

from

1113

00:49:56,710 --> 00:49:55,440

an incident that happened in texas now

1114

00:49:58,950 --> 00:49:56,720

all of a sudden i can't think of the

1115

00:50:00,230 --> 00:49:58,960

name of the incident but she had put up

1116

00:50:03,910 --> 00:50:00,240

a website

1117

00:50:05,910 --> 00:50:03,920

and uh somebody had contacted me or left

1118

00:50:08,470 --> 00:50:05,920

a message on my blog

1119

00:50:11,190 --> 00:50:08,480

and it it it pointed to the wrong

1120

00:50:13,589 --> 00:50:11,200

website that was a debunker website

1121

00:50:15,349 --> 00:50:13,599

and when i went into to find out where

1122

00:50:17,910 --> 00:50:15,359

this debunker

1123

00:50:19,030 --> 00:50:17,920

message had come from i found out it

1124

00:50:21,349 --> 00:50:19,040

came from

1125

00:50:23,109 --> 00:50:21,359

um i'm trying to think of the place in

1126

00:50:26,309 --> 00:50:23,119

virginia where the

1127

00:50:28,390 --> 00:50:26,319

cia is headquartered um

1128

00:50:30,230 --> 00:50:28,400

yeah it came from that community right

1129

00:50:32,870 --> 00:50:30,240

in that that town

1130

00:50:34,790 --> 00:50:32,880

and uh i said to uh dr mitchell because

1131

00:50:35,750 --> 00:50:34,800

i i got to have brunch with him and a

1132

00:50:37,990 --> 00:50:35,760

group of people

1133

00:50:39,270 --> 00:50:38,000

in manhattan and boy i was on i was on

1134

00:50:40,790 --> 00:50:39,280

cloud nine

1135

00:50:43,109 --> 00:50:40,800

but i said to him uh what are the

1136

00:50:44,630 --> 00:50:43,119

chances of all the places in all the

1137

00:50:48,549 --> 00:50:44,640

world that i might get

1138

00:50:50,950 --> 00:50:48,559

a a debunking um

1139

00:50:52,630 --> 00:50:50,960

message from uh what what are the

1140

00:50:55,030 --> 00:50:52,640

chances that it would come from

1141

00:50:55,750 --> 00:50:55,040

uh this small community in virginia

1142

00:50:58,230 --> 00:50:55,760

which also

1143

00:50:59,589 --> 00:50:58,240

is the home of uh the intelligence

1144

00:51:01,589 --> 00:50:59,599

services and he said

1145

00:51:03,190 --> 00:51:01,599

he just laughed and he said no they're

1146

00:51:04,870 --> 00:51:03,200

they're watching you they're watching

1147

00:51:05,910 --> 00:51:04,880

everybody a little bit you know you may

1148

00:51:08,390 --> 00:51:05,920

not be under

1149

00:51:08,950 --> 00:51:08,400

great scrutiny but they're aware of of

1150

00:51:12,630 --> 00:51:08,960

of your

1151
00:51:18,150 --> 00:51:12,640
absolutely

1152
00:51:18,710 --> 00:51:18,160
one of my witnesses i won't give the

1153
00:51:22,230 --> 00:51:18,720
name but

1154
00:51:25,829 --> 00:51:22,240
um she was able

1155
00:51:29,430 --> 00:51:25,839
to track down someone who was

1156
00:51:31,109 --> 00:51:29,440
monitoring her and went to a base in

1157
00:51:34,470 --> 00:51:31,119
california

1158
00:51:37,589 --> 00:51:34,480
that is a known cia

1159
00:51:39,670 --> 00:51:37,599
location i won't mention it but uh

1160
00:51:41,190 --> 00:51:39,680
same kind of thing uh she was able to

1161
00:51:44,710 --> 00:51:41,200
track that

1162
00:51:48,790 --> 00:51:44,720
uh so yeah that's further evidence that

1163
00:51:51,910 --> 00:51:48,800

there is indeed a ufo group

1164

00:51:56,549 --> 00:51:51,920

a special ufo group within the u.s

1165

00:51:59,430 --> 00:51:56,559

and worldwide that is monitoring um

1166

00:52:01,829 --> 00:51:59,440

all of us who are outspoken about this

1167

00:52:04,870 --> 00:52:01,839

subject

1168

00:52:07,430 --> 00:52:04,880

well um to sort of conclude this

1169

00:52:07,990 --> 00:52:07,440

part of of our discussion i wanted to

1170

00:52:10,470 --> 00:52:08,000

mention

1171

00:52:11,270 --> 00:52:10,480

something that has come up i've i've

1172

00:52:14,549 --> 00:52:11,280

heard

1173

00:52:17,750 --> 00:52:14,559

whitley strieber speak about this and

1174

00:52:18,150 --> 00:52:17,760

it has always been a fear in the back of

1175

00:52:21,190 --> 00:52:18,160

my

1176

00:52:23,430 --> 00:52:21,200

heart somewhere and he has

1177

00:52:25,109 --> 00:52:23,440

posited on occasion and you know he

1178

00:52:27,990 --> 00:52:25,119

changes his mind as he's

1179

00:52:29,270 --> 00:52:28,000

allowed to in in life but he's posited

1180

00:52:32,390 --> 00:52:29,280

at times that

1181

00:52:35,510 --> 00:52:32,400

the secret of ufos may be

1182

00:52:39,109 --> 00:52:35,520

so terrible so such an

1183

00:52:42,069 --> 00:52:39,119

awful uh truth

1184

00:52:44,069 --> 00:52:42,079

that um the government may be the

1185

00:52:44,710 --> 00:52:44,079

government not being one thing of course

1186

00:52:48,390 --> 00:52:44,720

but these

1187

00:52:51,430 --> 00:52:48,400

these um black ops situations that

1188

00:52:55,990 --> 00:52:51,440

keeping it secret because the truth is

1189

00:53:00,549 --> 00:52:58,870

oh uh well i don't subscribe to that

1190

00:53:02,069 --> 00:53:00,559

idea myself

1191

00:53:04,390 --> 00:53:02,079

you know whitley may have his own

1192

00:53:07,990 --> 00:53:04,400

reasons um

1193

00:53:11,910 --> 00:53:08,000

frankly if i had to summarize i think

1194

00:53:15,109 --> 00:53:11,920

e.t is on our side

1195

00:53:17,190 --> 00:53:15,119

he sees that we've got a lot of problems

1196

00:53:20,790 --> 00:53:17,200

here on earth

1197

00:53:23,990 --> 00:53:20,800

and not the least of which is

1198

00:53:24,790 --> 00:53:24,000

our propensity for war warfare and not

1199

00:53:28,549 --> 00:53:24,800

getting along

1200

00:53:32,470 --> 00:53:28,559

and and we've come to a crisis point

1201
00:53:35,589 --> 00:53:32,480
many crisis points are are getting close

1202
00:53:37,829 --> 00:53:35,599
oh yes you know one nuclear weapons is

1203
00:53:40,549 --> 00:53:37,839
one

1204
00:53:41,510 --> 00:53:40,559
i don't know if you saw my my post on

1205
00:53:45,430 --> 00:53:41,520
facebook

1206
00:53:48,390 --> 00:53:45,440
recently but recently the

1207
00:53:49,190 --> 00:53:48,400
i believe it's the pakistani military

1208
00:53:52,230 --> 00:53:49,200
yes

1209
00:53:54,230 --> 00:53:52,240
has threatened the indian military with

1210
00:53:57,349 --> 00:53:54,240
the use of nuclear weapons they took

1211
00:54:00,309 --> 00:53:57,359
some uh jets out today

1212
00:54:00,790 --> 00:54:00,319
i read about that on on on the internet

1213
00:54:03,910 --> 00:54:00,800

they

1214

00:54:05,990 --> 00:54:03,920

took out there was a fighter jet fights

1215

00:54:06,870 --> 00:54:06,000

between the indians and the pakistanis

1216

00:54:09,589 --> 00:54:06,880

and

1217

00:54:10,150 --> 00:54:09,599

they're all up to no good uh that's for

1218

00:54:11,910 --> 00:54:10,160

sure

1219

00:54:13,430 --> 00:54:11,920

and there's also an incredible

1220

00:54:16,710 --> 00:54:13,440

environmental crisis

1221

00:54:19,030 --> 00:54:16,720

uh going on right now which uh barring

1222

00:54:22,309 --> 00:54:19,040

nuclear weapons being used that could

1223

00:54:26,150 --> 00:54:22,319

easily uh kill us quite shortly and

1224

00:54:28,870 --> 00:54:26,160

the retired uh nuclear facilities

1225

00:54:30,150 --> 00:54:28,880

uh can also if they're not properly

1226

00:54:32,549 --> 00:54:30,160

stored i guess

1227

00:54:34,150 --> 00:54:32,559

uh if we don't do anything at all they

1228

00:54:35,510 --> 00:54:34,160

can kind of melt down and ruin

1229

00:54:37,750 --> 00:54:35,520

everything too so

1230

00:54:39,510 --> 00:54:37,760

and we're in we're in a deep pickle

1231

00:54:40,230 --> 00:54:39,520

robert i think we're in a very deep

1232

00:54:43,270 --> 00:54:40,240

pickle

1233

00:54:45,430 --> 00:54:43,280

yes we are so i think

1234

00:54:48,789 --> 00:54:45,440

they want us to really start working

1235

00:54:52,069 --> 00:54:48,799

together to solve these problems and uh

1236

00:54:54,870 --> 00:54:52,079

and therefore uh um

1237

00:54:55,990 --> 00:54:54,880

like i said i i think they're they're

1238

00:54:59,270 --> 00:54:56,000

rooting us

1239

00:55:01,270 --> 00:54:59,280

rooting for us to survive and

1240

00:55:02,390 --> 00:55:01,280

i don't know it's still a question mark

1241

00:55:05,109 --> 00:55:02,400

isn't it i

1242

00:55:08,230 --> 00:55:05,119

i think it is a big question mark to me

1243

00:55:12,950 --> 00:55:11,910

moving moving towards one final thing

1244

00:55:15,750 --> 00:55:12,960

about your book

1245

00:55:16,789 --> 00:55:15,760

unidentified the ufo phenomena how world

1246

00:55:19,109 --> 00:55:16,799

governments have

1247

00:55:20,069 --> 00:55:19,119

conspired to conceal humanity's biggest

1248

00:55:23,270 --> 00:55:20,079

secret

1249

00:55:25,109 --> 00:55:23,280

um just i wanted you to say at

1250

00:55:26,870 --> 00:55:25,119

towards the end there are really some

1251

00:55:28,870 --> 00:55:26,880

interesting um

1252

00:55:30,870 --> 00:55:28,880

notes about different sightings and some

1253

00:55:34,390 --> 00:55:30,880

of which i hadn't heard about

1254

00:55:35,109 --> 00:55:34,400

and would you like to to to uh tell us

1255

00:55:38,309 --> 00:55:35,119

one of

1256

00:55:41,030 --> 00:55:38,319

these uh incidents that you um have

1257

00:55:42,710 --> 00:55:41,040

included in in the second half of your

1258

00:55:45,589 --> 00:55:42,720

book

1259

00:55:46,549 --> 00:55:45,599

oh sure well uh one that just kind of

1260

00:55:47,829 --> 00:55:46,559

jumps out to me

1261

00:55:50,630 --> 00:55:47,839

is the one that happened in the

1262

00:55:53,910 --> 00:55:50,640

netherlands in 1979

1263

00:55:55,990 --> 00:55:53,920

uh this lady her name is josie

1264

00:55:58,870 --> 00:55:56,000

zwinnenberg she was

1265

00:55:59,670 --> 00:55:58,880

a young girl at the time riding her

1266

00:56:03,829 --> 00:55:59,680

horse uh

1267

00:56:07,910 --> 00:56:03,839

in in this area near uh schusterberg

1268

00:56:08,789 --> 00:56:07,920

the netherlands uh and uh she comes

1269

00:56:11,910 --> 00:56:08,799

across this

1270

00:56:13,270 --> 00:56:11,920

very large ufo multi-colored uh just

1271

00:56:17,349 --> 00:56:13,280

hovering

1272

00:56:22,710 --> 00:56:17,359

uh on this side of the schoesterberg

1273

00:56:26,309 --> 00:56:22,720

base and schusterberg base had uh

1274

00:56:29,349 --> 00:56:26,319

had f-15s at the time f-15s

1275

00:56:31,829 --> 00:56:29,359

uh the later models

1276

00:56:34,230 --> 00:56:31,839

were able to carry uh small nuclear

1277

00:56:38,150 --> 00:56:34,240

weapons so

1278

00:56:41,589 --> 00:56:38,160

excuse me so it uh it was a nuclear

1279

00:56:46,549 --> 00:56:41,599

base it was a nuclear nato base um

1280

00:56:51,910 --> 00:56:49,990

josie talked about writing underneath

1281

00:56:57,109 --> 00:56:51,920

this

1282

00:56:58,309 --> 00:56:57,119

ufo and also encountering a witness

1283

00:57:00,950 --> 00:56:58,319

there

1284

00:57:02,309 --> 00:57:00,960

who later came forward to her and told

1285

00:57:05,589 --> 00:57:02,319

her that

1286

00:57:08,630 --> 00:57:05,599

yes he too saw it

1287

00:57:10,390 --> 00:57:08,640

but anyway the uh later on we were able

1288

00:57:13,589 --> 00:57:10,400

to get

1289

00:57:16,710 --> 00:57:13,599

because this ufo the next day

1290

00:57:19,190 --> 00:57:16,720

uh actually flew down the flight line

1291

00:57:21,589 --> 00:57:19,200

of the schoesterberg air base the this

1292

00:57:25,030 --> 00:57:21,599

was an air base it was in a

1293

00:57:27,510 --> 00:57:25,040

called camp um amsterdam

1294

00:57:28,549 --> 00:57:27,520

uh camp newman or camp amsterdam i guess

1295

00:57:32,950 --> 00:57:28,559

it was

1296

00:57:36,390 --> 00:57:32,960

released

1297

00:57:37,510 --> 00:57:36,400

from the uh the netherlands uh as a nato

1298

00:57:40,150 --> 00:57:37,520

base

1299

00:57:41,430 --> 00:57:40,160

and but it this ufo flew down the flight

1300

00:57:44,549 --> 00:57:41,440

line and

1301
00:57:45,270 --> 00:57:44,559
at least a dozen witnesses saw this and

1302
00:57:49,270 --> 00:57:45,280
this has been

1303
00:57:53,670 --> 00:57:49,280
very well documented and so

1304
00:57:56,390 --> 00:57:53,680
josie's story was fully supported

1305
00:57:58,150 --> 00:57:56,400
by these other 12 witnesses uh so it is

1306
00:57:59,510 --> 00:57:58,160
a very significant case that

1307
00:58:01,589 --> 00:57:59,520
a lot of people haven't heard a lot

1308
00:58:05,349 --> 00:58:01,599
about but again

1309
00:58:09,829 --> 00:58:05,359
it it's reflective of the i think a list

1310
00:58:13,510 --> 00:58:09,839
14 other cases where ufos flew over

1311
00:58:17,510 --> 00:58:13,520
or were involved with nuclear weapons

1312
00:58:18,950 --> 00:58:17,520
bases uh in the world and i list about

1313
00:58:22,309 --> 00:58:18,960

14 of them

1314

00:58:25,589 --> 00:58:22,319

and and so this is a very real thing

1315

00:58:27,270 --> 00:58:25,599

that the ufos are at least bringing

1316

00:58:29,990 --> 00:58:27,280

attention to the new

1317

00:58:30,470 --> 00:58:30,000

nuclear weapons issue that that is that

1318

00:58:34,309 --> 00:58:30,480

is

1319

00:58:36,789 --> 00:58:34,319

very interesting and it prompts me to

1320

00:58:40,150 --> 00:58:36,799

ask you a question uh because

1321

00:58:43,910 --> 00:58:40,160

uh my initial sighting

1322

00:58:47,510 --> 00:58:43,920

of a ufo was

1323

00:58:50,950 --> 00:58:47,520

within um like a long

1324

00:58:55,270 --> 00:58:50,960

walk i would say a you know an eight

1325

00:58:58,789 --> 00:58:55,280

eight ten mile walk to a

1326

00:59:01,990 --> 00:58:58,799

base uh a a an army base

1327

00:59:05,829 --> 00:59:02,000

uh in new jersey um i

1328

00:59:08,470 --> 00:59:05,839

when i was in my just barely pre-teen

1329

00:59:10,390 --> 00:59:08,480

years uh i mean i might have been 11 or

1330

00:59:14,150 --> 00:59:10,400

12 at the time

1331

00:59:17,190 --> 00:59:14,160

i was with a group of people who

1332

00:59:17,750 --> 00:59:17,200

who had stopped on a bridge and they

1333

00:59:20,549 --> 00:59:17,760

were

1334

00:59:22,069 --> 00:59:20,559

watching a ufo and i had gone to the

1335

00:59:25,670 --> 00:59:22,079

drive-in movies

1336

00:59:27,589 --> 00:59:25,680

with um the parents of a little boy

1337

00:59:28,789 --> 00:59:27,599

and a little boy in my neighborhood

1338

00:59:31,829 --> 00:59:28,799

there uh

1339

00:59:33,109 --> 00:59:31,839

where i was staying for the summer and

1340

00:59:36,789 --> 00:59:33,119

um

1341

00:59:39,510 --> 00:59:36,799

they were watching these what

1342

00:59:42,470 --> 00:59:39,520

were essentially lights in the sky but

1343

00:59:45,349 --> 00:59:42,480

they were behaving very very strangely

1344

00:59:45,990 --> 00:59:45,359

and there was a large light and there

1345

00:59:48,549 --> 00:59:46,000

were two

1346

00:59:51,190 --> 00:59:48,559

side lights one coming and going out the

1347

00:59:53,190 --> 00:59:51,200

side and one which was stationary

1348

00:59:54,470 --> 00:59:53,200

and this was going on when we stopped

1349

00:59:59,270 --> 00:59:54,480

and there were over

1350

01:00:02,630 --> 00:59:59,280

20 people watching this including

1351
01:00:04,789 --> 01:00:02,640
a squad car with uh uh two policemen in

1352
01:00:07,349 --> 01:00:04,799
it that were trying to keep the people

1353
01:00:08,069 --> 01:00:07,359
sort of uh from freaking out a little

1354
01:00:11,510 --> 01:00:08,079
bit

1355
01:00:13,510 --> 01:00:11,520
and so finally after watching it for

1356
01:00:15,510 --> 01:00:13,520
another five minutes or so both of the

1357
01:00:18,950 --> 01:00:15,520
lights went into the main light

1358
01:00:22,150 --> 01:00:18,960
and uh it it went off you know

1359
01:00:24,870 --> 01:00:22,160
really fast uh i i think i saw it

1360
01:00:25,430 --> 01:00:24,880
actually travel off but it would if you

1361
01:00:29,589 --> 01:00:25,440
would have

1362
01:00:32,470 --> 01:00:29,599
thought it disappeared now this was

1363
01:00:33,589 --> 01:00:32,480

uh near the picatinny arsenal now i

1364

01:00:35,829 --> 01:00:33,599

don't know

1365

01:00:37,829 --> 01:00:35,839

and i don't have any clue as to whether

1366

01:00:40,150 --> 01:00:37,839

the picatinny arsenal ever housed

1367

01:00:41,589 --> 01:00:40,160

any nuclear weapons or whether it does

1368

01:00:44,630 --> 01:00:41,599

today or not

1369

01:00:45,589 --> 01:00:44,640

but a number of things sightings that i

1370

01:00:48,950 --> 01:00:45,599

saw

1371

01:00:52,789 --> 01:00:48,960

uh were not so far away from there and

1372

01:00:55,670 --> 01:00:52,799

um so that that makes me wonder

1373

01:00:55,990 --> 01:00:55,680

whether it's all of a piece as far as

1374

01:01:00,549 --> 01:00:56,000

that

1375

01:01:04,069 --> 01:01:00,559

second

1376

01:01:07,589 --> 01:01:04,079

um i what what is

1377

01:01:10,829 --> 01:01:07,599

curious to me is that

1378

01:01:14,950 --> 01:01:10,839

people see different things in their

1379

01:01:18,549 --> 01:01:14,960

experiences with the others and

1380

01:01:23,349 --> 01:01:18,559

for my for myself i have seen

1381

01:01:26,870 --> 01:01:23,359

like mostly one particular

1382

01:01:31,109 --> 01:01:26,880

type of alien i have never

1383

01:01:34,710 --> 01:01:31,119

been regressed by hypnosis

1384

01:01:38,630 --> 01:01:34,720

but mostly i have seen what people call

1385

01:01:42,390 --> 01:01:38,640

the the tall nordic type of

1386

01:01:45,750 --> 01:01:42,400

of alien now that being said

1387

01:01:47,990 --> 01:01:45,760

i i did once see something else but uh

1388

01:01:51,109 --> 01:01:48,000

beyond going through what all of that is

1389

01:01:51,510 --> 01:01:51,119

and i i don't want to burden your time

1390

01:01:54,549 --> 01:01:51,520

or

1391

01:01:57,990 --> 01:01:54,559

thing but i

1392

01:01:58,630 --> 01:01:58,000

wonder how much what we see is what is

1393

01:02:01,750 --> 01:01:58,640

really

1394

01:02:04,069 --> 01:02:01,760

there versus what

1395

01:02:05,510 --> 01:02:04,079

what program has been thrown up to our

1396

01:02:08,150 --> 01:02:05,520

mind

1397

01:02:08,710 --> 01:02:08,160

do you know what i'm right yes there are

1398

01:02:11,510 --> 01:02:08,720

many

1399

01:02:13,349 --> 01:02:11,520

stories of uh encounters with

1400

01:02:16,789 --> 01:02:13,359

extraterrestrials where

1401

01:02:20,870 --> 01:02:16,799

uh they seem to remember seeing

1402

01:02:23,190 --> 01:02:20,880

um maybe an owl or a

1403

01:02:24,150 --> 01:02:23,200

or some other kind of an animal that

1404

01:02:27,270 --> 01:02:24,160

later

1405

01:02:29,510 --> 01:02:27,280

spoke to them or or invited them

1406

01:02:30,950 --> 01:02:29,520

to come with them and things like that

1407

01:02:33,910 --> 01:02:30,960

so yeah that's

1408

01:02:35,109 --> 01:02:33,920

i think they do do that and try in an

1409

01:02:37,270 --> 01:02:35,119

attempt to try to

1410

01:02:39,029 --> 01:02:37,280

keep you from getting too frightened

1411

01:02:43,270 --> 01:02:39,039

about what they actually

1412

01:02:46,950 --> 01:02:43,280

look like uh so

1413

01:02:51,349 --> 01:02:46,960

yes that that is uh fairly common

1414

01:02:54,390 --> 01:02:51,359

so do you think that these phenomena

1415

01:02:57,109 --> 01:02:54,400

which range from people seeing

1416

01:02:58,549 --> 01:02:57,119

talking animals quite quite honestly and

1417

01:03:00,470 --> 01:02:58,559

i don't mean that in any

1418

01:03:02,390 --> 01:03:00,480

way to disparage anybody who's seen a

1419

01:03:05,190 --> 01:03:02,400

talking animal or

1420

01:03:06,470 --> 01:03:05,200

people such as myself and i guess

1421

01:03:09,589 --> 01:03:06,480

ingoswan

1422

01:03:12,789 --> 01:03:09,599

who saw tall

1423

01:03:14,230 --> 01:03:12,799

blonde nordic types to people who've

1424

01:03:17,589 --> 01:03:14,240

seen grays or

1425

01:03:20,069 --> 01:03:17,599

hooded types or a variety of other types

1426

01:03:21,029 --> 01:03:20,079

do you think it's all of a piece is it

1427

01:03:24,390 --> 01:03:21,039

all one

1428

01:03:28,390 --> 01:03:24,400

experience that um that is seen

1429

01:03:30,789 --> 01:03:28,400

differently by the by the experiencers

1430

01:03:33,190 --> 01:03:30,799

or is it different things i think

1431

01:03:35,349 --> 01:03:33,200

there's enough evidence to show that

1432

01:03:36,870 --> 01:03:35,359

there are many different types of

1433

01:03:39,990 --> 01:03:36,880

extraterrestrial beings

1434

01:03:42,309 --> 01:03:40,000

and one of those types of very it's very

1435

01:03:47,270 --> 01:03:42,319

common to i've seen a nordic

1436

01:03:52,870 --> 01:03:50,950

so you know these this is a mystery this

1437

01:03:53,750 --> 01:03:52,880

is one of the big mysteries of the whole

1438

01:03:57,190 --> 01:03:53,760

phenomenon

1439

01:03:59,510 --> 01:03:57,200

is how many of these

1440

01:04:00,230 --> 01:03:59,520

different kinds of creatures are there

1441

01:04:02,390 --> 01:04:00,240

and

1442

01:04:03,589 --> 01:04:02,400

are they all coming from the same place

1443

01:04:06,870 --> 01:04:03,599

different places

1444

01:04:09,990 --> 01:04:06,880

do they have different agendas

1445

01:04:13,990 --> 01:04:10,000

etc so this is all still in the

1446

01:04:15,430 --> 01:04:14,000

very mysterious area at this point i

1447

01:04:17,750 --> 01:04:15,440

want to bring up

1448

01:04:19,029 --> 01:04:17,760

what you've been engaged with just

1449

01:04:22,549 --> 01:04:19,039

recently

1450

01:04:23,109 --> 01:04:22,559

um and that is uh a a trip that you made

1451

01:04:26,950 --> 01:04:23,119

to

1452

01:04:30,309 --> 01:04:26,960

south america with uh

1453

01:04:33,910 --> 01:04:30,319

mr will gallison yes

1454

01:04:36,870 --> 01:04:33,920

yes absolutely uh will

1455

01:04:39,109 --> 01:04:36,880

uh contacted me first about coming to

1456

01:04:41,270 --> 01:04:39,119

peru with him uh

1457

01:04:42,630 --> 01:04:41,280

and uh at first i turned him down

1458

01:04:43,750 --> 01:04:42,640

because i didn't want to be involved in

1459

01:04:48,150 --> 01:04:43,760

another hoax

1460

01:04:51,430 --> 01:04:48,160

about these um so-called

1461

01:04:54,150 --> 01:04:51,440

little uh creatures that they found

1462

01:04:54,950 --> 01:04:54,160

that that might have been hoaxed because

1463

01:04:59,829 --> 01:04:54,960

there have been

1464

01:05:03,029 --> 01:04:59,839

cases as you well know of other hoaxes

1465

01:05:06,470 --> 01:05:03,039

so i was very skeptical

1466

01:05:09,349 --> 01:05:06,480

and then i looked into it further and

1467

01:05:10,150 --> 01:05:09,359

what got me interested very interested

1468

01:05:14,069 --> 01:05:10,160

was

1469

01:05:17,270 --> 01:05:14,079

seeing these loose hands and the long

1470

01:05:18,870 --> 01:05:17,280

bony fingers because when i looked at

1471

01:05:21,990 --> 01:05:18,880

those

1472

01:05:24,870 --> 01:05:22,000

it brought back the memory of what i

1473

01:05:27,589 --> 01:05:24,880

saw during my experience and that was

1474

01:05:30,390 --> 01:05:27,599

these long bony fingers

1475

01:05:33,510 --> 01:05:30,400

holding the ends of this needle as they

1476

01:05:35,510 --> 01:05:33,520

he placed right in front of my eyes

1477

01:05:37,589 --> 01:05:35,520

that was one thing the other thing was

1478

01:05:41,270 --> 01:05:37,599

the size of these

1479

01:05:44,630 --> 01:05:41,280

beings these mummies was small

1480

01:05:47,829 --> 01:05:44,640

and childlike they they looked

1481

01:05:50,870 --> 01:05:47,839

then again they reminded me of the

1482

01:05:53,430 --> 01:05:50,880

types of small creatures that i had been

1483

01:05:55,109 --> 01:05:53,440

involved with in my experience so i

1484

01:05:57,910 --> 01:05:55,119

decided

1485

01:05:58,950 --> 01:05:57,920

to on my own dime like i mentioned i

1486

01:06:01,270 --> 01:05:58,960

have not been paid

1487

01:06:02,870 --> 01:06:01,280

anything to go down there or to talk

1488

01:06:04,710 --> 01:06:02,880

about this

1489

01:06:07,349 --> 01:06:04,720

but on my own time i went down there

1490

01:06:11,109 --> 01:06:07,359

with with will and um

1491

01:06:14,309 --> 01:06:11,119

and we were uh uh

1492

01:06:15,430 --> 01:06:14,319

lucky enough to uh get invited to uh

1493

01:06:17,510 --> 01:06:15,440

attend the

1494

01:06:18,630 --> 01:06:17,520

the talk by the specialists there were

1495

01:06:20,470 --> 01:06:18,640

about

1496

01:06:23,270 --> 01:06:20,480

i don't know half a dozen specialists

1497

01:06:23,829 --> 01:06:23,280

and i've got that on my facebook page

1498

01:06:26,309 --> 01:06:23,839

what the

1499

01:06:28,470 --> 01:06:26,319

the discussion was about on each of

1500

01:06:31,829 --> 01:06:28,480

their areas and they talked about the

1501
01:06:32,549 --> 01:06:31,839
anatomy of course and the dna results

1502
01:06:36,470 --> 01:06:32,559
and

1503
01:06:39,990 --> 01:06:36,480
the the dating carbon dating of the

1504
01:06:44,150 --> 01:06:40,000
beings and they had very

1505
01:06:47,589 --> 01:06:44,160
distinct and amazing

1506
01:06:50,630 --> 01:06:47,599
ct scans and x-rays and

1507
01:06:53,190 --> 01:06:50,640
they had a lot of evidence

1508
01:06:55,270 --> 01:06:53,200
presented by some very credible

1509
01:06:58,630 --> 01:06:55,280
specialists these were doctors

1510
01:07:01,910 --> 01:06:58,640
and and specialists in their

1511
01:07:03,430 --> 01:07:01,920
area and and they had written dna

1512
01:07:05,990 --> 01:07:03,440
results from

1513
01:07:07,270 --> 01:07:06,000

respected laboratories and then of

1514

01:07:10,549 --> 01:07:07,280

course will and i were

1515

01:07:13,029 --> 01:07:10,559

lucky enough to be able to actually

1516

01:07:13,990 --> 01:07:13,039

uh inspect and hold the mummies

1517

01:07:17,910 --> 01:07:14,000

themselves

1518

01:07:22,950 --> 01:07:17,920

wow and i can tell you um

1519

01:07:26,069 --> 01:07:22,960

i'm convinced these were real once real

1520

01:07:27,589 --> 01:07:26,079

living creatures uh with three fingers

1521

01:07:31,910 --> 01:07:27,599

three toes

1522

01:07:34,470 --> 01:07:31,920

elongated heads and a lot of people

1523

01:07:38,390 --> 01:07:34,480

don't realize that these skulls

1524

01:07:41,990 --> 01:07:38,400

for their size or the size of the being

1525

01:07:45,829 --> 01:07:42,000

are like 20 percent larger than

1526

01:07:49,990 --> 01:07:45,839

our skulls so

1527

01:07:52,470 --> 01:07:50,000

they um like i said it was incredible

1528

01:07:53,910 --> 01:07:52,480

and those long bony fingers are exactly

1529

01:07:56,309 --> 01:07:53,920

what i remember seeing

1530

01:07:58,950 --> 01:07:56,319

in my experience well i am really

1531

01:08:02,150 --> 01:07:58,960

looking forward to finding out more

1532

01:08:03,589 --> 01:08:02,160

about these uh south american findings

1533

01:08:08,470 --> 01:08:03,599

now this was in

1534

01:08:12,069 --> 01:08:08,480

peru am i correct yes they were found

1535

01:08:15,430 --> 01:08:12,079

in the uh an area of the

1536

01:08:18,789 --> 01:08:15,440

nazca area of peru

1537

01:08:22,149 --> 01:08:18,799

which is where the um the symbolic

1538

01:08:22,470 --> 01:08:22,159

large symbol symbols uh were were drawn

1539

01:08:25,510 --> 01:08:22,480

in

1540

01:08:28,789 --> 01:08:25,520

the

1541

01:08:31,349 --> 01:08:28,799

those

1542

01:08:32,470 --> 01:08:31,359

yes and that this is from um a

1543

01:08:35,189 --> 01:08:32,480

pre-columbian

1544

01:08:36,149 --> 01:08:35,199

time that the uh that the nazca lines

1545

01:08:38,709 --> 01:08:36,159

were drawn

1546

01:08:39,189 --> 01:08:38,719

and could only be seen from above so

1547

01:08:42,390 --> 01:08:39,199

that

1548

01:08:45,590 --> 01:08:42,400

how they were actually accomplished is

1549

01:08:46,390 --> 01:08:45,600

um a matter of scientific debate shall

1550

01:08:48,390 --> 01:08:46,400

we say

1551

01:08:49,829 --> 01:08:48,400

the one thing i will say that is quite

1552

01:08:52,390 --> 01:08:49,839

unfortunate that has

1553

01:08:53,749 --> 01:08:52,400

occurred prior to this regarding uh

1554

01:08:56,470 --> 01:08:53,759

these discoveries

1555

01:08:59,030 --> 01:08:56,480

is the whole debacle with uh jaime

1556

01:09:01,669 --> 01:08:59,040

mauson in mexico and

1557

01:09:02,070 --> 01:09:01,679

that whole thing so this is going to be

1558

01:09:07,430 --> 01:09:02,080

a

1559

01:09:09,590 --> 01:09:07,440

it don't get me wrong but do you

1560

01:09:11,590 --> 01:09:09,600

understand where i'm going with this

1561

01:09:13,269 --> 01:09:11,600

uh let me just say that this is the kind

1562

01:09:16,229 --> 01:09:13,279

of thing that

1563

01:09:18,630 --> 01:09:16,239

uh it's being opened up now to other

1564

01:09:19,269 --> 01:09:18,640

investigators so we we've had one group

1565

01:09:22,390 --> 01:09:19,279

of

1566

01:09:24,630 --> 01:09:22,400

serious investigators look at i think

1567

01:09:25,990 --> 01:09:24,640

their plans are to open it up to one of

1568

01:09:29,590 --> 01:09:26,000

the universities in

1569

01:09:32,709 --> 01:09:29,600

in peru there to do their evaluation

1570

01:09:34,789 --> 01:09:32,719

uh this is a science i think the public

1571

01:09:38,309 --> 01:09:34,799

ought to look at this as a scientific

1572

01:09:38,630 --> 01:09:38,319

um investigation in other words they're

1573

01:09:40,709 --> 01:09:38,640

not

1574

01:09:42,149 --> 01:09:40,719

nobody's trying to sell anything to

1575

01:09:43,669 --> 01:09:42,159

anybody exactly

1576

01:09:45,749 --> 01:09:43,679

nobody's trying to make money off of

1577

01:09:48,630 --> 01:09:45,759

this as far as i know

1578

01:09:49,910 --> 01:09:48,640

uh so it'll speak for itself the science

1579

01:09:51,510 --> 01:09:49,920

will speak for itself

1580

01:09:53,749 --> 01:09:51,520

as to whether or not these are real or

1581

01:09:55,189 --> 01:09:53,759

not and i apologize for the use of the

1582

01:09:58,709 --> 01:09:55,199

word cell i didn't mean

1583

01:10:01,990 --> 01:09:58,719

it in that way but um

1584

01:10:04,790 --> 01:10:02,000

i think that having looked at it to some

1585

01:10:05,990 --> 01:10:04,800

extent the the people some of the people

1586

01:10:09,510 --> 01:10:06,000

that are involved like the

1587

01:10:12,709 --> 01:10:09,520

the french archaeologists who came there

1588

01:10:13,510 --> 01:10:12,719

it's it's just such a shame that as a

1589

01:10:16,790 --> 01:10:13,520

country we

1590

01:10:19,270 --> 01:10:16,800

are not more multilingual that we are

1591

01:10:20,149 --> 01:10:19,280

not more open to what goes on in other

1592

01:10:23,110 --> 01:10:20,159

places

1593

01:10:25,669 --> 01:10:23,120

that you know we're a little bit too

1594

01:10:27,350 --> 01:10:25,679

self-involved in that regard and and the

1595

01:10:30,709 --> 01:10:27,360

ufo community

1596

01:10:33,910 --> 01:10:30,719

is is no exception to that well

1597

01:10:35,990 --> 01:10:33,920

i i just want to thank you so much for

1598

01:10:39,030 --> 01:10:36,000

your participation today

1599

01:10:40,070 --> 01:10:39,040

in our shattered reality podcast and i

1600

01:10:42,470 --> 01:10:40,080

hope you'll keep us

1601
01:10:44,310 --> 01:10:42,480
in mind and let us know when you have

1602
01:10:46,870 --> 01:10:44,320
another book or you've made

1603
01:10:48,390 --> 01:10:46,880
some further discoveries regarding uh

1604
01:10:51,430 --> 01:10:48,400
the south american

1605
01:10:51,990 --> 01:10:51,440
issue the these these uh mummies if you

1606
01:10:55,189 --> 01:10:52,000
will

1607
01:10:58,390 --> 01:10:55,199
i'm very very interested in finding out

1608
01:11:02,470 --> 01:10:58,400
uh much more about that and

1609
01:11:04,790 --> 01:11:02,480
i know that up until almost historical

1610
01:11:06,950 --> 01:11:04,800
times or maybe into historical times

1611
01:11:10,229 --> 01:11:06,960
there's a lot of argument about that

1612
01:11:13,510 --> 01:11:10,239
that there were another

1613
01:11:17,189 --> 01:11:13,520

species living side by side

1614

01:11:21,990 --> 01:11:17,199

with modern more or less modern humans

1615

01:11:25,110 --> 01:11:22,000

um in the south pacific like in uh

1616

01:11:28,149 --> 01:11:25,120

in the jungles of of

1617

01:11:28,790 --> 01:11:28,159

indonesia and other places where they

1618

01:11:31,830 --> 01:11:28,800

had

1619

01:11:34,070 --> 01:11:31,840

these like tiny hobbit people are you

1620

01:11:36,709 --> 01:11:34,080

aware of those two

1621

01:11:37,750 --> 01:11:36,719

well yeah so you may be talking about

1622

01:11:43,110 --> 01:11:37,760

java man

1623

01:11:45,430 --> 01:11:43,120

indonesia i don't know if i'm talking

1624

01:11:48,470 --> 01:11:45,440

about java man or not these are

1625

01:11:51,510 --> 01:11:48,480

like miniature people or

1626

01:11:54,790 --> 01:11:51,520

purportedly people that there are

1627

01:11:58,870 --> 01:11:54,800

some uh remnants of and

1628

01:12:01,990 --> 01:11:58,880

there's some evidence or suggestion

1629

01:12:05,669 --> 01:12:02,000

that they may not have died out

1630

01:12:09,110 --> 01:12:05,679

quite as early as initially

1631

01:12:12,790 --> 01:12:09,120

supposed and i think in my notes

1632

01:12:13,910 --> 01:12:12,800

for this uh broadcast that we're making

1633

01:12:16,310 --> 01:12:13,920

now i will

1634

01:12:17,830 --> 01:12:16,320

kind of put in something in in the

1635

01:12:20,390 --> 01:12:17,840

written notes as to

1636

01:12:21,030 --> 01:12:20,400

what exactly i'm talking about to a

1637

01:12:24,310 --> 01:12:21,040

better

1638

01:12:28,390 --> 01:12:24,320

everybody will

1639

01:12:30,790 --> 01:12:28,400

will know yes yes i will add to that

1640

01:12:31,990 --> 01:12:30,800

i you know i i hear what you're saying

1641

01:12:35,189 --> 01:12:32,000

and uh

1642

01:12:36,709 --> 01:12:35,199

i i will add to that that in the jungles

1643

01:12:41,910 --> 01:12:36,719

of suriname

1644

01:12:46,870 --> 01:12:45,030

there are reports that there are native

1645

01:12:51,110 --> 01:12:46,880

tribes

1646

01:12:54,630 --> 01:12:51,120

that refuse to meet with um

1647

01:12:58,229 --> 01:12:54,640

uh humans uh but and

1648

01:13:01,910 --> 01:12:58,239

and they have their culture is unknown

1649

01:13:05,350 --> 01:13:01,920

it's undefined but there are tribes

1650

01:13:06,390 --> 01:13:05,360

that are just undiscovered let's put it

1651

01:13:09,350 --> 01:13:06,400

that way

1652

01:13:10,470 --> 01:13:09,360

i've never really been discovered by

1653

01:13:13,110 --> 01:13:10,480

modern

1654

01:13:14,630 --> 01:13:13,120

society that's impressive it's

1655

01:13:17,750 --> 01:13:14,640

impressive to elude

1656

01:13:19,150 --> 01:13:17,760

discovery in today's world and i

1657

01:13:20,790 --> 01:13:19,160

salute them as well

1658

01:13:23,990 --> 01:13:20,800

[Laughter]

1659

01:13:28,229 --> 01:13:24,000

they may have the best idea of all right

1660

01:13:29,750 --> 01:13:28,239

in any case retired air force captain

1661

01:13:31,990 --> 01:13:29,760

robert salas

1662

01:13:33,750 --> 01:13:32,000

thank you so much for being our guest

1663

01:13:36,630 --> 01:13:33,760

we're very very honored

1664

01:13:37,030 --> 01:13:36,640

to have you on and to speak your truth

1665

01:13:40,390 --> 01:13:37,040

here

1666

01:13:41,830 --> 01:13:40,400

and i am sure everybody who listens will

1667

01:13:44,229 --> 01:13:41,840

be

1668

01:13:46,630 --> 01:13:44,239

very very happy to have listened and

1669

01:13:50,790 --> 01:13:46,640

would you please mention your two books

1670

01:13:53,430 --> 01:13:50,800

and uh before you go thank you ferisha

1671

01:13:56,310 --> 01:13:53,440

for uh inviting me and i've thoroughly

1672

01:14:01,270 --> 01:13:56,320

enjoyed it you know my two books are

1673

01:14:05,669 --> 01:14:01,280

faded giant uh written in 2005 and also

1674

01:14:09,030 --> 01:14:05,679

unidentified the ufo phenomenon

1675

01:14:12,870 --> 01:14:09,040

and that was written in 2013 i believe

1676

01:14:15,990 --> 01:14:12,880

both of them you can find on amazon.com

1677

01:14:19,510 --> 01:14:16,000

okay thanks so much and uh

1678

01:14:23,110 --> 01:14:19,520

bye now from shattered reality

1679

01:14:27,350 --> 01:14:23,120

bye so that was an amazing

1680

01:14:31,270 --> 01:14:27,360

amazing um uh truth telling

1681

01:14:33,030 --> 01:14:31,280

very amazing accounts by retired air

1682

01:14:36,790 --> 01:14:33,040

force captain robert salas

1683

01:14:39,189 --> 01:14:36,800

and i'm so happy that he agreed to be

1684

01:14:41,030 --> 01:14:39,199

a guest on shattered reality podcast i

1685

01:14:43,990 --> 01:14:41,040

do have

1686

01:14:46,149 --> 01:14:44,000

a couple of um it's i'm almost

1687

01:14:48,870 --> 01:14:46,159

embarrassed to read these letters

1688

01:14:50,950 --> 01:14:48,880

to you uh listeners that people have

1689

01:14:54,229 --> 01:14:50,960

written to me

1690

01:14:56,390 --> 01:14:54,239

a gentleman named rich has been

1691

01:14:57,750 --> 01:14:56,400

listening to the podcast for a while and

1692

01:15:00,310 --> 01:14:57,760

he

1693

01:15:02,950 --> 01:15:00,320

was kind enough to point out a mistake

1694

01:15:05,030 --> 01:15:02,960

that i made

1695

01:15:07,189 --> 01:15:05,040

in terms of putting the podcasts up and

1696

01:15:09,350 --> 01:15:07,199

i was able to correct it

1697

01:15:10,870 --> 01:15:09,360

and i appreciate him so much for that

1698

01:15:14,470 --> 01:15:10,880

but he wrote me this

1699

01:15:15,910 --> 01:15:14,480

really glowing

1700

01:15:18,070 --> 01:15:15,920

letter which i'm going to read to you

1701

01:15:19,830 --> 01:15:18,080

now just to let you know

1702

01:15:21,110 --> 01:15:19,840

i've been enjoying listening to your

1703

01:15:23,510 --> 01:15:21,120

podcast

1704

01:15:24,149 --> 01:15:23,520

since you first mentioned it when it

1705

01:15:27,510 --> 01:15:24,159

began

1706

01:15:29,350 --> 01:15:27,520

many moons ago on a blank blank mailing

1707

01:15:31,590 --> 01:15:29,360

list i'm not going to

1708

01:15:32,790 --> 01:15:31,600

to be selling you the mailing list where

1709

01:15:35,669 --> 01:15:32,800

he had been lurking

1710

01:15:37,189 --> 01:15:35,679

in his shell crab-like through high

1711

01:15:39,110 --> 01:15:37,199

tides and low tides

1712

01:15:42,470 --> 01:15:39,120

that's what that's the way he described

1713

01:15:45,669 --> 01:15:42,480

it he says i do hope your co-host

1714

01:15:48,550 --> 01:15:45,679

kate has returned with this episode

1715

01:15:51,430 --> 01:15:48,560

or at least that she will return soon i

1716

01:15:53,189 --> 01:15:51,440

have only praise for your solo episodes

1717

01:15:55,030 --> 01:15:53,199

but there's something to be said for

1718

01:15:58,149 --> 01:15:55,040

equilibrium

1719

01:16:00,550 --> 01:15:58,159

and i agree he goes on to say

1720

01:16:01,189 --> 01:16:00,560

i used to enjoy listening to your friend

1721

01:16:03,510 --> 01:16:01,199

david b

1722

01:16:05,430 --> 01:16:03,520

edney banter with gene steinberg when he

1723

01:16:07,510 --> 01:16:05,440

co-hosted the paracast

1724

01:16:08,790 --> 01:16:07,520

i would never have known where to find

1725

01:16:11,270 --> 01:16:08,800

his voice again

1726
01:16:12,550 --> 01:16:11,280
if angry human hadn't been mentioned on

1727
01:16:14,709 --> 01:16:12,560
shattered reality

1728
01:16:15,590 --> 01:16:14,719
but his podcast has not had a new

1729
01:16:18,070 --> 01:16:15,600
episode for

1730
01:16:19,350 --> 01:16:18,080
years now if you are aware of anything

1731
01:16:22,390 --> 01:16:19,360
new from david

1732
01:16:24,630 --> 01:16:22,400
please let me know thanks for all you do

1733
01:16:26,870 --> 01:16:24,640
and for the warm intelligence of your

1734
01:16:29,110 --> 01:16:26,880
voice both oral and written

1735
01:16:31,030 --> 01:16:29,120
you have done great work and you have

1736
01:16:33,750 --> 01:16:31,040
admirable poise

1737
01:16:35,430 --> 01:16:33,760
i mean just knock me over with a feather

1738
01:16:39,030 --> 01:16:35,440

thank you so much

1739

01:16:42,310 --> 01:16:39,040

rich for for that that praise now

1740

01:16:44,070 --> 01:16:42,320

from gary i got another letter dear

1741

01:16:45,910 --> 01:16:44,080

ferruccio

1742

01:16:48,070 --> 01:16:45,920

i'm not sure if this is the email i

1743

01:16:50,470 --> 01:16:48,080

should be using for providing feedback

1744

01:16:52,550 --> 01:16:50,480

about shattered reality so if i am

1745

01:16:54,950 --> 01:16:52,560

mistaken please forgive me

1746

01:16:56,310 --> 01:16:54,960

basically i simply wanted to say in the

1747

01:16:58,630 --> 01:16:56,320

absence of kate

1748

01:17:00,950 --> 01:16:58,640

and in her presence for that matter you

1749

01:17:03,110 --> 01:17:00,960

have hosted and continued to host

1750

01:17:04,470 --> 01:17:03,120

the shattered reality podcast in an

1751

01:17:06,790 --> 01:17:04,480

extremely professional

1752

01:17:07,590 --> 01:17:06,800

knowledgeable and articulate matter

1753

01:17:09,750 --> 01:17:07,600

manner

1754

01:17:11,669 --> 01:17:09,760

most importantly i wanted to convey my

1755

01:17:13,910 --> 01:17:11,679

sincere appreciation to you

1756

01:17:14,790 --> 01:17:13,920

for your careful tolerance of religious

1757

01:17:16,870 --> 01:17:14,800

faith

1758

01:17:18,790 --> 01:17:16,880

as a christian man who finds psychical

1759

01:17:19,430 --> 01:17:18,800

research and paranormal topics in

1760

01:17:21,990 --> 01:17:19,440

general

1761

01:17:23,189 --> 01:17:22,000

to be of immense interest for various

1762

01:17:27,510 --> 01:17:23,199

reason

1763

01:17:29,990 --> 01:17:27,520

intelligent discussion of such

1764

01:17:30,950 --> 01:17:30,000

topics without the inte attended

1765

01:17:33,510 --> 01:17:30,960

criticism

1766

01:17:35,590 --> 01:17:33,520

of religious faith personally i have

1767

01:17:37,750 --> 01:17:35,600

never understood why those in the para

1768

01:17:41,030 --> 01:17:37,760

podcast paramedia crowd

1769

01:17:43,110 --> 01:17:41,040

value the supernatural so highly yet at

1770

01:17:45,830 --> 01:17:43,120

the same time they often mock some of

1771

01:17:49,270 --> 01:17:45,840

the most supernaturally wonderful facets

1772

01:17:52,229 --> 01:17:49,280

of our existence here i refer to

1773

01:17:53,669 --> 01:17:52,239

the divine and faith i consider

1774

01:17:56,149 --> 01:17:53,679

refreshing

1775

01:17:57,430 --> 01:17:56,159

to listen to a podcast which overtly

1776

01:17:59,910 --> 01:17:57,440

deals with psychical

1777

01:18:01,990 --> 01:17:59,920

and paranormal subjects but at the same

1778

01:18:03,990 --> 01:18:02,000

time rarely if ever offends

1779

01:18:06,149 --> 01:18:04,000

in terms of religious faith your

1780

01:18:08,870 --> 01:18:06,159

sensitivity towards religious faith

1781

01:18:10,229 --> 01:18:08,880

even if you do not embrace it yourself

1782

01:18:12,390 --> 01:18:10,239

which i do not know

1783

01:18:13,830 --> 01:18:12,400

makes shattered reality a gem among the

1784

01:18:16,229 --> 01:18:13,840

para podcasts

1785

01:18:17,990 --> 01:18:16,239

keep up the good work and thank you for

1786

01:18:20,709 --> 01:18:18,000

not criticizing my faith

1787

01:18:21,350 --> 01:18:20,719

that sensitivity means more than you

1788

01:18:23,830 --> 01:18:21,360

know

1789

01:18:27,510 --> 01:18:23,840

as we all presumably have at least some

1790

01:18:29,990 --> 01:18:27,520

similar goals in exploring the unknown

1791

01:18:31,110 --> 01:18:30,000

and lest i forget i should mention your

1792

01:18:33,430 --> 01:18:31,120

great voice

1793

01:18:34,870 --> 01:18:33,440

which always exudes a feeling of comfort

1794

01:18:37,270 --> 01:18:34,880

and confidence

1795

01:18:37,990 --> 01:18:37,280

a medium through which the exploration

1796

01:18:41,189 --> 01:18:38,000

of

1797

01:18:44,149 --> 01:18:41,199

and coming to terms with the strange

1798

01:18:44,870 --> 01:18:44,159

and wondrous aspects of our existence

1799

01:18:47,830 --> 01:18:44,880

becomes

1800

01:18:48,630 --> 01:18:47,840

a tranquil pursuit in other words love

1801

01:18:52,950 --> 01:18:48,640

that voice

1802

01:18:55,110 --> 01:18:52,960

best regards gary okay and finally

1803

01:18:57,030 --> 01:18:55,120

this is on some level most amazing of

1804

01:18:59,669 --> 01:18:57,040

all hi ferusha

1805

01:19:02,550 --> 01:18:59,679

just a quick note to reconnect and tell

1806

01:19:05,669 --> 01:19:02,560

you how much i enjoyed your awesome chat

1807

01:19:09,510 --> 01:19:05,679

with laird scranton best alex

1808

01:19:13,110 --> 01:19:09,520

tsakaris who is the host

1809

01:19:16,149 --> 01:19:13,120

of his own podcast called skeptico

1810

01:19:17,510 --> 01:19:16,159

alex was a guest on our podcast and i

1811

01:19:20,310 --> 01:19:17,520

just want to thank

1812

01:19:22,229 --> 01:19:20,320

these three gentlemen for their kind

1813

01:19:25,510 --> 01:19:22,239

kind words to me

1814

01:19:27,990 --> 01:19:25,520

and to our podcast and our good friends

1815

01:19:28,870 --> 01:19:28,000

kate and our trusty and wonderful

1816

01:19:31,030 --> 01:19:28,880

engineer bill

1817

01:19:32,470 --> 01:19:31,040

and i want to thank those two

1818

01:19:36,390 --> 01:19:32,480

individuals greatly

1819

01:19:37,030 --> 01:19:36,400

at this time as well if you would like

1820

01:19:40,630 --> 01:19:37,040

to

1821

01:19:41,750 --> 01:19:40,640

have your thoughts spoken on shattered

1822

01:19:45,510 --> 01:19:41,760

reality

1823

01:19:48,390 --> 01:19:45,520

uh please feel free to contact us

1824

01:19:49,350 --> 01:19:48,400

through any one of a variety of places

1825

01:19:52,709 --> 01:19:49,360

where we can be

1826
01:19:57,030 --> 01:19:52,719
found that is on

1827
01:20:00,790 --> 01:19:57,040
facebook on itunes

1828
01:20:04,550 --> 01:20:00,800
on youtube on either of

1829
01:20:09,870 --> 01:20:04,560
our um

1830
01:20:14,550 --> 01:20:11,350
shatteredrealitypodcast.wordpress.com

1831
01:20:16,950 --> 01:20:14,560
and shatteredrealitypodcast.com

1832
01:20:17,990 --> 01:20:16,960
we tend to have a listener's corner at

1833
01:20:20,950 --> 01:20:18,000
the end of some

1834
01:20:22,149 --> 01:20:20,960
of our episodes so if you are someone

1835
01:20:25,669 --> 01:20:22,159
who has had

1836
01:20:28,470 --> 01:20:25,679
a paranormal or anomalous experience

1837
01:20:31,430 --> 01:20:28,480
please let us know and and just to our

1838
01:20:33,350 --> 01:20:31,440

friend gary just so he knows

1839

01:20:34,550 --> 01:20:33,360

during the course of my life i have

1840

01:20:37,830 --> 01:20:34,560

never been an

1841

01:20:39,669 --> 01:20:37,840

atheist i have always been somebody who

1842

01:20:42,790 --> 01:20:39,679

tries to be

1843

01:20:45,669 --> 01:20:42,800

respectful of different faiths and i

1844

01:20:46,070 --> 01:20:45,679

myself have never been an atheist though

1845

01:20:48,310 --> 01:20:46,080

i've gone

1846

01:20:49,590 --> 01:20:48,320

through a variety of different changes

1847

01:20:52,790 --> 01:20:49,600

spiritually

1848

01:20:56,310 --> 01:20:52,800

and um i respect all people

1849

01:20:59,990 --> 01:20:56,320

who respect other people's

1850

01:21:03,910 --> 01:21:00,000

spiritual practices and so at this point

1851

01:21:14,830 --> 01:21:03,920

i want to say goodbye
