

1
00:00:08,240 --> 00:00:14,910

[Music]

2
00:00:20,630 --> 00:00:17,590

wow

3
00:00:22,870 --> 00:00:20,640

welcome to shattered reality with your

4
00:00:25,750 --> 00:00:22,880

hosts kate valentine

5
00:00:26,630 --> 00:00:25,760

and ferocia prepare to have your

6
00:00:30,230 --> 00:00:26,640

paradigms

7
00:00:33,510 --> 00:00:30,240

shifted into truth questioned

8
00:00:34,870 --> 00:00:33,520

and now shattered reality shattered

9
00:00:42,389 --> 00:00:34,880

reality

10
00:00:46,229 --> 00:00:42,399

um this is ferusha here and today

11
00:00:50,069 --> 00:00:46,239

is march 12 2019

12
00:00:52,310 --> 00:00:50,079

and i am here um again without kate

13
00:00:54,630 --> 00:00:52,320

valentine who really really wants to

14

00:00:57,430 --> 00:00:54,640

come back i just spoke with her

15

00:00:59,189 --> 00:00:57,440

last night and she really can't wait

16

00:01:01,110 --> 00:00:59,199

till she has the opportunity to come

17

00:01:04,549 --> 00:01:01,120

back she has assured me

18

00:01:08,390 --> 00:01:04,559

so it's been a while but i have faith

19

00:01:12,469 --> 00:01:08,400

that she will in indeed return to us

20

00:01:15,670 --> 00:01:12,479

today is our 85th show

21

00:01:18,870 --> 00:01:15,680

and it is going to be

22

00:01:23,270 --> 00:01:18,880

i think a very interesting one

23

00:01:27,030 --> 00:01:23,280

we have somebody here today who

24

00:01:30,870 --> 00:01:27,040

has compiled an enormous number

25

00:01:34,069 --> 00:01:30,880

of case histories he

26

00:01:38,870 --> 00:01:34,079

seems to be something between

27

00:01:42,069 --> 00:01:38,880

an anthropologist and a folklorist

28

00:01:45,030 --> 00:01:42,079

he is just really

29

00:01:45,670 --> 00:01:45,040

interesting in the way that he views

30

00:01:49,670 --> 00:01:45,680

these

31

00:01:54,950 --> 00:01:49,680

uh paranormal experiences of others

32

00:01:58,469 --> 00:01:54,960

so uh without any further edu

33

00:02:00,469 --> 00:01:58,479

uh let me introduce mr mike

34

00:02:01,590 --> 00:02:00,479

clelland am i saying it right it's a cle

35

00:02:03,749 --> 00:02:01,600

lindell clelland

36

00:02:05,670 --> 00:02:03,759

which is perfect the first time okay

37

00:02:08,869 --> 00:02:05,680

good that's what i thought it was

38

00:02:12,949 --> 00:02:08,879

well mike is here because

39

00:02:16,630 --> 00:02:12,959

um he has written uh two books

40

00:02:21,430 --> 00:02:16,640

about paranormal experiences

41

00:02:23,990 --> 00:02:21,440

involving owls and he also has a blog

42

00:02:25,510 --> 00:02:24,000

and um why don't you tell us a little

43

00:02:28,790 --> 00:02:25,520

bit about your

44

00:02:34,309 --> 00:02:28,800

uh background you know your uh

45

00:02:37,350 --> 00:02:34,319

how you got into this field and subject

46

00:02:38,229 --> 00:02:37,360

well i'm i'm 56 now and if we turn the

47

00:02:42,070 --> 00:02:38,239

clock back

48

00:02:44,390 --> 00:02:42,080

uh to 2006 which is now

49

00:02:45,110 --> 00:02:44,400

i think that's like 13 years ago good

50

00:02:47,670 --> 00:02:45,120

grief

51
00:02:49,190 --> 00:02:47,680
um i had an event when i was living out

52
00:02:51,110 --> 00:02:49,200
west in idaho

53
00:02:52,869 --> 00:02:51,120
uh where i saw a bunch of owls that

54
00:02:54,710 --> 00:02:52,879
takes up the first little bit of the

55
00:02:56,150 --> 00:02:54,720
first book and i've repeated that story

56
00:02:58,869 --> 00:02:56,160
many many times

57
00:02:59,990 --> 00:02:58,879
but but what it was was um i don't need

58
00:03:01,110 --> 00:03:00,000
to if you want me to go through the

59
00:03:03,190 --> 00:03:01,120
whole thing i can but i can

60
00:03:04,869 --> 00:03:03,200
just for the intro here i can say that

61
00:03:07,990 --> 00:03:04,879
uh i think that

62
00:03:10,229 --> 00:03:08,000
i think that perhaps many people

63
00:03:12,550 --> 00:03:10,239

have heard that story who might be

64

00:03:15,589 --> 00:03:12,560

listening to shattered reality

65

00:03:17,589 --> 00:03:15,599

so i think that perhaps going over it in

66

00:03:18,309 --> 00:03:17,599

the short run and those who haven't

67

00:03:21,589 --> 00:03:18,319

heard it

68

00:03:23,830 --> 00:03:21,599

can listen or read your blog about it or

69

00:03:26,070 --> 00:03:23,840

buy one of your wonderful books which

70

00:03:29,350 --> 00:03:26,080

you can feel free to mention

71

00:03:30,710 --> 00:03:29,360

perfect perfect so um the short version

72

00:03:35,270 --> 00:03:30,720

is i went camping

73

00:03:38,550 --> 00:03:35,280

with a friend and we saw owls

74

00:03:41,509 --> 00:03:38,560

excuse me we saw owls what

75

00:03:41,910 --> 00:03:41,519

felt like a very unusual circumstance um

76

00:03:48,550 --> 00:03:41,920

and

77

00:03:49,509 --> 00:03:48,560

saw the owls i had a voice in my head

78

00:03:52,710 --> 00:03:49,519

that said

79

00:03:54,149 --> 00:03:52,720

this has something to do with the ufos

80

00:03:55,990 --> 00:03:54,159

and i did not talk about that at the

81

00:03:56,789 --> 00:03:56,000

time i'm talking about it now but i

82

00:03:58,390 --> 00:03:56,799

certainly

83

00:04:00,229 --> 00:03:58,400

recognized it had that voice in my head

84

00:04:03,589 --> 00:04:00,239

i was very aware of it

85

00:04:05,990 --> 00:04:03,599

and it set me off on my own journey

86

00:04:06,630 --> 00:04:06,000

partially about owls just because i was

87

00:04:08,789 --> 00:04:06,640

so

88

00:04:10,309 --> 00:04:08,799

intense and then afterwards i was hit

89

00:04:11,589 --> 00:04:10,319

with so many synchronicities and other

90

00:04:15,270 --> 00:04:11,599

owl sightings

91

00:04:16,789 --> 00:04:15,280

and i recognized that this was unusual

92

00:04:18,710 --> 00:04:16,799

that i was seeing owls in a

93

00:04:21,830 --> 00:04:18,720

disproportionate way than

94

00:04:25,110 --> 00:04:21,840

anyone should and i uh

95

00:04:29,270 --> 00:04:25,120

and this came at the same time

96

00:04:31,030 --> 00:04:29,280

when i was dealing with some of my own

97

00:04:32,629 --> 00:04:31,040

memories some of them from childhood

98

00:04:33,749 --> 00:04:32,639

some of them when i was a younger adult

99

00:04:36,950 --> 00:04:33,759

um

100

00:04:38,230 --> 00:04:36,960

i uh as a boy i had ufo sighting i had a

101
00:04:41,110 --> 00:04:38,240
missing time event

102
00:04:43,110 --> 00:04:41,120
um and as a young adult i woke up in the

103
00:04:46,710 --> 00:04:43,120
middle of the night and saw

104
00:04:48,710 --> 00:04:46,720
five beings five gray skinny beings

105
00:04:50,230 --> 00:04:48,720
backlit by a big bright light coming

106
00:04:52,870 --> 00:04:50,240
toward my house

107
00:04:54,150 --> 00:04:52,880
and i reacted very oddly i simply said

108
00:04:56,870 --> 00:04:54,160
um

109
00:04:58,870 --> 00:04:56,880
oh yes they're here now is the time to

110
00:05:00,790 --> 00:04:58,880
put my head on the pillow and shut down

111
00:05:02,550 --> 00:05:00,800
and that's exactly what i did and i

112
00:05:04,230 --> 00:05:02,560
and i kind of dismissed all this stuff i

113
00:05:05,990 --> 00:05:04,240

denied all this stuff i wasn't going

114

00:05:09,350 --> 00:05:06,000

into it it was all i treated it as a

115

00:05:10,790 --> 00:05:09,360

as i don't know just coincidence or odd

116

00:05:13,189 --> 00:05:10,800

dreams and

117

00:05:14,550 --> 00:05:13,199

and at the same time i knew that i had

118

00:05:19,510 --> 00:05:14,560

to look into this stuff

119

00:05:22,629 --> 00:05:19,520

so i feel my um

120

00:05:23,990 --> 00:05:22,639

my journey was stuck like i wasn't gonna

121

00:05:26,390 --> 00:05:24,000

i was like denying it

122

00:05:27,670 --> 00:05:26,400

until the owls until the owls came along

123

00:05:28,790 --> 00:05:27,680

and they sort of pushed me off the cliff

124

00:05:33,430 --> 00:05:28,800

and that's where i

125

00:05:37,029 --> 00:05:35,189

my journey would eventually culminate in

126

00:05:39,110 --> 00:05:37,039

these two big books okay

127

00:05:40,230 --> 00:05:39,120

i did i also also have a blog and a

128

00:05:41,590 --> 00:05:40,240

podcast and and

129

00:05:43,350 --> 00:05:41,600

i haven't done the podcast in ages

130

00:05:45,270 --> 00:05:43,360

though um um

131

00:05:47,909 --> 00:05:45,280

but i was very i had a you know i have a

132

00:05:48,790 --> 00:05:47,919

pretty for a little blog i felt like i

133

00:05:51,749 --> 00:05:48,800

had a pretty

134

00:05:51,990 --> 00:05:51,759

good web presence and it was it was a so

135

00:05:56,309 --> 00:05:52,000

the

136

00:06:00,629 --> 00:05:58,950

how to give it to so yes my my i would

137

00:06:02,390 --> 00:06:00,639

argue

138

00:06:03,749 --> 00:06:02,400

and i'm saying this and here's what i

139

00:06:06,150 --> 00:06:03,759

know for myself i know

140

00:06:07,270 --> 00:06:06,160

owls and ufo contact are connected i

141

00:06:08,790 --> 00:06:07,280

don't know the why of it i don't know

142

00:06:09,830 --> 00:06:08,800

the how of it i don't know what what it

143

00:06:13,270 --> 00:06:09,840

means

144

00:06:16,550 --> 00:06:13,280

but i i argue that these these two

145

00:06:18,230 --> 00:06:16,560

strange phenomena like the ufo contact

146

00:06:18,950 --> 00:06:18,240

experience and then the archetype of the

147

00:06:21,670 --> 00:06:18,960

owl

148

00:06:23,029 --> 00:06:21,680

are somehow interwoven together okay and

149

00:06:25,749 --> 00:06:23,039

that's the premise of the books

150

00:06:27,909 --> 00:06:25,759

well um i want you to name those two

151
00:06:28,550 --> 00:06:27,919
books in just a minute but before you do

152
00:06:31,670 --> 00:06:28,560
that

153
00:06:35,749 --> 00:06:31,680
i want to take you back to one thing uh

154
00:06:37,670 --> 00:06:35,759
because i've read this and i've heard it

155
00:06:39,029 --> 00:06:37,680
i've heard you speak it and i've read

156
00:06:40,950 --> 00:06:39,039
this about

157
00:06:43,830 --> 00:06:40,960
something that happened to you when i

158
00:06:48,629 --> 00:06:43,840
believe you were about 11 years old

159
00:06:50,950 --> 00:06:48,639
and there was a bright flash in the sky

160
00:06:51,909 --> 00:06:50,960
be i want you to go back to that because

161
00:06:54,870 --> 00:06:51,919
it

162
00:06:57,270 --> 00:06:54,880
mirrors my experience in two ways so

163
00:07:00,830 --> 00:06:57,280

could you just go over that a little bit

164

00:07:03,749 --> 00:07:00,840

absolutely yes so this would have been

165

00:07:05,270 --> 00:07:03,759

1970 four

166

00:07:07,189 --> 00:07:05,280

i looked up the television show that i

167

00:07:08,790 --> 00:07:07,199

was on my way home to see that night

168

00:07:10,950 --> 00:07:08,800

uh it was cold shack the nightstalker

169

00:07:13,270 --> 00:07:10,960

which is a show i loved i was

170

00:07:14,150 --> 00:07:13,280

like 12 year old kid i loved that show

171

00:07:17,189 --> 00:07:14,160

and so

172

00:07:18,070 --> 00:07:17,199

um uh there's a high school football

173

00:07:21,589 --> 00:07:18,080

game

174

00:07:23,430 --> 00:07:21,599

it was an autumn it was probably october

175

00:07:27,189 --> 00:07:23,440

i can't know for certain

176

00:07:30,230 --> 00:07:27,199

uh and i was

177

00:07:31,670 --> 00:07:30,240

uh walking home with a friend and i

178

00:07:33,749 --> 00:07:31,680

wanted to be home in time to see a

179

00:07:36,870 --> 00:07:33,759

television show

180

00:07:38,070 --> 00:07:36,880

so we were crossing the street i know

181

00:07:39,270 --> 00:07:38,080

right where it was in the neighborhood

182

00:07:41,350 --> 00:07:39,280

and we were right in front of another

183

00:07:42,950 --> 00:07:41,360

friend's house her name is cindy

184

00:07:45,189 --> 00:07:42,960

and it just happened to be we were on

185

00:07:48,390 --> 00:07:45,199

her like near her driveway

186

00:07:50,230 --> 00:07:48,400

and there was it was a calm lovely

187

00:07:52,390 --> 00:07:50,240

autumn evening there was nothing unusual

188

00:07:55,110 --> 00:07:52,400

about it pleasant

189

00:07:56,629 --> 00:07:55,120

the suburbs of way outside of detroit it

190

00:07:59,189 --> 00:07:56,639

was a safe and

191

00:07:59,909 --> 00:07:59,199

in pleasant as it could be so walking

192

00:08:01,990 --> 00:07:59,919

along

193

00:08:03,909 --> 00:08:02,000

and there and then there was a odd

194

00:08:06,309 --> 00:08:03,919

jarring flash it felt like god

195

00:08:07,270 --> 00:08:06,319

lit flipped a light switch up click and

196

00:08:10,629 --> 00:08:07,280

flipped it off

197

00:08:11,430 --> 00:08:10,639

click just on off and what happened was

198

00:08:14,070 --> 00:08:11,440

that the

199

00:08:14,869 --> 00:08:14,080

the sky this is my memory the sky turned

200

00:08:17,270 --> 00:08:14,879

bright

201
00:08:19,189 --> 00:08:17,280
orange for like one second and then went

202
00:08:22,629 --> 00:08:19,199
right back to totally calm

203
00:08:24,550 --> 00:08:22,639
there was no sound and it was extremely

204
00:08:26,790 --> 00:08:24,560
jarring and both of us were like what

205
00:08:28,550 --> 00:08:26,800
just happened i mean this is now over 40

206
00:08:30,309 --> 00:08:28,560
years ago and i remembered clearly like

207
00:08:32,870 --> 00:08:30,319
what just happened and we went through a

208
00:08:35,190 --> 00:08:32,880
little checklist was it lightning was it

209
00:08:36,389 --> 00:08:35,200
did like a did like a telephone line

210
00:08:38,790 --> 00:08:36,399
explode somewhere

211
00:08:41,509 --> 00:08:38,800
nothing made sense and we kept on

212
00:08:42,870 --> 00:08:41,519
walking in and i got to my house first i

213
00:08:44,070 --> 00:08:42,880

was closer in the neighborhood and he

214

00:08:45,110 --> 00:08:44,080

got to his house

215

00:08:46,870 --> 00:08:45,120

and he had to walk a little further

216

00:08:48,070 --> 00:08:46,880

deeper into the neighborhood to get to

217

00:08:51,190 --> 00:08:48,080

his house

218

00:08:52,630 --> 00:08:51,200

and uh so i got into i walked in the

219

00:08:53,430 --> 00:08:52,640

front door and my parents were angry at

220

00:08:56,550 --> 00:08:53,440

me

221

00:08:57,990 --> 00:08:56,560

and they're like you're you're dear to

222

00:08:59,590 --> 00:08:58,000

you can't be out this late

223

00:09:01,350 --> 00:08:59,600

what do you mean it's 9 30. i told you

224

00:09:02,710 --> 00:09:01,360

i'd be home at 9 30 it's 9 30.

225

00:09:04,550 --> 00:09:02,720

and they pointed to the clock and it was

226

00:09:06,070 --> 00:09:04,560

11 30. it was between

227

00:09:07,829 --> 00:09:06,080

it was getting close to 11 30 because

228

00:09:10,949 --> 00:09:07,839

the 11 o'clock news

229

00:09:14,550 --> 00:09:10,959

was just ending and

230

00:09:15,910 --> 00:09:14,560

i was absolutely long before i had any

231

00:09:17,269 --> 00:09:15,920

didn't you know missing time didn't mean

232

00:09:18,470 --> 00:09:17,279

anything it just was like no this

233

00:09:20,870 --> 00:09:18,480

doesn't make sense and i was

234

00:09:22,070 --> 00:09:20,880

my emotional state was i was bummed out

235

00:09:24,310 --> 00:09:22,080

because i missed that show and i was

236

00:09:25,829 --> 00:09:24,320

also really confused

237

00:09:27,350 --> 00:09:25,839

because my parents were so angry at me

238

00:09:29,110 --> 00:09:27,360

like i just didn't feel like it was

239

00:09:32,550 --> 00:09:29,120

deserved i felt like no i came home on

240

00:09:35,590 --> 00:09:32,560

time like it didn't make sense

241

00:09:37,110 --> 00:09:35,600

so go ahead and then the next monday in

242

00:09:40,150 --> 00:09:37,120

school

243

00:09:42,870 --> 00:09:40,160

um we were sitting around the

244

00:09:43,350 --> 00:09:42,880

cafeteria and one of the friends that

245

00:09:46,150 --> 00:09:43,360

was with me

246

00:09:47,030 --> 00:09:46,160

his name is mike also and he said um i

247

00:09:48,470 --> 00:09:47,040

said to the

248

00:09:49,910 --> 00:09:48,480

kids at the table like you know like

249

00:09:50,230 --> 00:09:49,920

something we saw something weird in the

250

00:09:53,350 --> 00:09:50,240

sky

251

00:09:55,190 --> 00:09:53,360

on on friday night and

252

00:09:56,949 --> 00:09:55,200

my friend mike said yeah we saw a ufo

253

00:09:58,949 --> 00:09:56,959

with lights and everything

254

00:10:00,470 --> 00:09:58,959

and i i did i just stopped because that

255

00:10:02,470 --> 00:10:00,480

was not what i saw

256

00:10:04,630 --> 00:10:02,480

i saw it i just felt like the sky lit up

257

00:10:07,430 --> 00:10:04,640

orange and i

258

00:10:07,990 --> 00:10:07,440

never brought it up to him ever again

259

00:10:11,350 --> 00:10:08,000

and i

260

00:10:14,420 --> 00:10:11,360

where i was like he's making this up

261

00:10:15,829 --> 00:10:14,430

he's exaggerating you know so um

262

00:10:19,030 --> 00:10:15,839

[Music]

263

00:10:20,389 --> 00:10:19,040

and and now i'm not i i don't

264

00:10:21,509 --> 00:10:20,399

think i should and it's on my left

265

00:10:22,630 --> 00:10:21,519

checklist of the things to do in my life

266

00:10:23,190 --> 00:10:22,640

is to get a hold of him and actually ask

267

00:10:25,590 --> 00:10:23,200

him

268

00:10:26,389 --> 00:10:25,600

well you should but i know i shouldn't

269

00:10:28,550 --> 00:10:26,399

i'm just

270

00:10:29,509 --> 00:10:28,560

i wanted you to go back to that because

271

00:10:32,310 --> 00:10:29,519

it mirrors my

272

00:10:34,150 --> 00:10:32,320

experience in two ways i don't have any

273

00:10:37,990 --> 00:10:34,160

recollection of missing time

274

00:10:41,509 --> 00:10:38,000

okay but i was around the same age

275

00:10:44,710 --> 00:10:41,519

when i had my first

276

00:10:45,750 --> 00:10:44,720

acknowledged ufo experience with a group

277

00:10:48,870 --> 00:10:45,760

of other people

278

00:10:51,910 --> 00:10:48,880

i was 11 or 12 don't remember which

279

00:10:54,949 --> 00:10:51,920

and um it wasn't with a group of people

280

00:10:58,389 --> 00:10:54,959

uh coming into a lake community

281

00:11:01,030 --> 00:10:58,399

uh coming home from um having been at a

282

00:11:03,030 --> 00:11:01,040

drive-in movie with the parents

283

00:11:04,069 --> 00:11:03,040

of a boy who i was friends with who was

284

00:11:07,110 --> 00:11:04,079

probably

285

00:11:08,790 --> 00:11:07,120

13 or 14 years old and they slowed us

286

00:11:10,069 --> 00:11:08,800

down coming into the lake community

287

00:11:13,430 --> 00:11:10,079

people stopped us

288

00:11:15,350 --> 00:11:13,440

and there was a ufo in the sky

289

00:11:16,870 --> 00:11:15,360

it was a matter of lights but it was

290

00:11:20,630 --> 00:11:16,880

they were moving very

291

00:11:21,110 --> 00:11:20,640

strangely so it was um interesting to me

292

00:11:26,790 --> 00:11:21,120

that

293

00:11:29,829 --> 00:11:26,800

saw a bright orange flash

294

00:11:30,310 --> 00:11:29,839

because in the interim since since i was

295

00:11:34,069 --> 00:11:30,320

12

296

00:11:37,350 --> 00:11:34,079

and now too many years to even uh admit

297

00:11:40,630 --> 00:11:37,360

um i have twice seen

298

00:11:44,389 --> 00:11:40,640

bright orange flashes in the sky

299

00:11:45,910 --> 00:11:44,399

and um at i spoke to some other people

300

00:11:47,509 --> 00:11:45,920

about them and said that i thought they

301
00:11:50,550 --> 00:11:47,519
were iridium flashes

302
00:11:52,470 --> 00:11:50,560
and then somebody said no that's

303
00:11:54,069 --> 00:11:52,480
it only happens at a certain time of the

304
00:11:55,590 --> 00:11:54,079
evening and you're saying this happened

305
00:11:57,590 --> 00:11:55,600
at a different time and

306
00:11:59,509 --> 00:11:57,600
so forth and so on and it was not an

307
00:12:01,590 --> 00:11:59,519
iridium flash that you saw

308
00:12:03,590 --> 00:12:01,600
you know what an iridium flash is i take

309
00:12:06,629 --> 00:12:03,600
it sure that's that's uh that's

310
00:12:09,350 --> 00:12:06,639
off the the space station usually that

311
00:12:11,829 --> 00:12:09,360
has a reflective surface that that um

312
00:12:14,470 --> 00:12:11,839
you know hits the direct sunlight yeah

313
00:12:14,870 --> 00:12:14,480

so that's the reason why i wanted to you

314

00:12:22,230 --> 00:12:14,880

to

315

00:12:25,269 --> 00:12:22,240

stage here

316

00:12:28,710 --> 00:12:25,279

where we can parse this out a little bit

317

00:12:32,470 --> 00:12:28,720

what what goes on now i've only had

318

00:12:35,350 --> 00:12:32,480

one owl experience and i am happy to say

319

00:12:37,750 --> 00:12:35,360

like when you spoke of your owls that it

320

00:12:38,470 --> 00:12:37,760

was a real owl that i saw driving in a

321

00:12:42,069 --> 00:12:38,480

car

322

00:12:44,710 --> 00:12:42,079

in maine and a a lonely

323

00:12:45,990 --> 00:12:44,720

you know two-way road well-paved but

324

00:12:50,389 --> 00:12:46,000

lonely road

325

00:12:53,829 --> 00:12:50,399

the um the foliage was about

326

00:12:54,389 --> 00:12:53,839

um several feet back from the edge i'm

327

00:12:58,629 --> 00:12:54,399

going to say

328

00:13:01,509 --> 00:12:58,639

10 feet back and i am very good at

329

00:13:03,910 --> 00:13:01,519

for a city gal i'm very good at spotting

330

00:13:07,910 --> 00:13:03,920

birds and animals in the wild

331

00:13:10,150 --> 00:13:07,920

i have an average i used to have

332

00:13:11,509 --> 00:13:10,160

relatively good vision now my vision is

333

00:13:13,670 --> 00:13:11,519

it certainly isn't terrible

334

00:13:14,710 --> 00:13:13,680

probably could use some improvement but

335

00:13:18,069 --> 00:13:14,720

at the time

336

00:13:20,790 --> 00:13:18,079

i just was driving with someone in maine

337

00:13:21,590 --> 00:13:20,800

spotted an owl and i said wow there's an

338

00:13:24,629 --> 00:13:21,600

owl

339

00:13:26,069 --> 00:13:24,639

and i asked the person to back up and

340

00:13:28,870 --> 00:13:26,079

the owl didn't move

341

00:13:30,949 --> 00:13:28,880

and the owl was just sitting there

342

00:13:32,150 --> 00:13:30,959

looking at us and we both took a look at

343

00:13:34,949 --> 00:13:32,160

the owl

344

00:13:35,590 --> 00:13:34,959

looked at each other decided to move on

345

00:13:38,710 --> 00:13:35,600

and

346

00:13:39,829 --> 00:13:38,720

that was the whole of my entire owl

347

00:13:42,949 --> 00:13:39,839

experience

348

00:13:44,710 --> 00:13:42,959

but like in your book you have other

349

00:13:46,230 --> 00:13:44,720

animals that people could have

350

00:13:49,269 --> 00:13:46,240

experiences with

351

00:13:51,750 --> 00:13:49,279

such as cats raccoons and deer all of

352

00:13:54,790 --> 00:13:51,760

which i've had experiences with

353

00:13:57,509 --> 00:13:54,800

so i just wanted to set things up to

354

00:13:59,110 --> 00:13:57,519

sort of we're on the same page with a

355

00:14:02,389 --> 00:13:59,120

lot of this stuff

356

00:14:05,590 --> 00:14:02,399

um the thing that i would

357

00:14:08,470 --> 00:14:05,600

mention here about my own point of view

358

00:14:08,949 --> 00:14:08,480

only because some of my questions are

359

00:14:11,110 --> 00:14:08,959

gonna

360

00:14:12,470 --> 00:14:11,120

like point in that direction and i try

361

00:14:15,350 --> 00:14:12,480

to be

362

00:14:16,069 --> 00:14:15,360

uh i try not to have a strong opinion

363

00:14:19,430 --> 00:14:16,079

about stuff

364

00:14:22,710 --> 00:14:19,440

i try to stay open and sort of

365

00:14:24,230 --> 00:14:22,720

um gnostic with a small g you know i

366

00:14:26,069 --> 00:14:24,240

don't know what it means this is what

367

00:14:28,949 --> 00:14:26,079

i've experienced kind of thing

368

00:14:31,350 --> 00:14:28,959

but one thing that i am mostly in

369

00:14:35,189 --> 00:14:31,360

opposition to most of the

370

00:14:36,150 --> 00:14:35,199

uh uh researchers is that i am not

371

00:14:39,269 --> 00:14:36,160

convinced

372

00:14:43,110 --> 00:14:39,279

that humans are the crown of creation so

373

00:14:46,389 --> 00:14:43,120

um i am all open to the idea that owls

374

00:14:50,150 --> 00:14:46,399

or um cats for instance

375

00:14:52,949 --> 00:14:50,160

could have much more going on

376

00:14:53,590 --> 00:14:52,959

than we give them credit for as humans

377

00:14:57,030 --> 00:14:53,600

humans

378

00:14:59,110 --> 00:14:57,040

are very um anthropocentric

379

00:15:00,949 --> 00:14:59,120

as they probably should be on a certain

380

00:15:02,069 --> 00:15:00,959

level but they you know they have a

381

00:15:03,910 --> 00:15:02,079

really good

382

00:15:06,069 --> 00:15:03,920

opinion of themselves which i don't

383

00:15:07,910 --> 00:15:06,079

necessarily share which doesn't mean i i

384

00:15:09,590 --> 00:15:07,920

certainly don't hate anybody but

385

00:15:11,590 --> 00:15:09,600

i think you get where i'm going sure

386

00:15:13,990 --> 00:15:11,600

sure yeah

387

00:15:15,110 --> 00:15:14,000

yeah you know it's the so the the owl is

388

00:15:17,350 --> 00:15:15,120

um

389

00:15:18,629 --> 00:15:17,360

i g the way i describe my research in a

390

00:15:20,870 --> 00:15:18,639

way is that there comes a point when you

391

00:15:24,550 --> 00:15:20,880

have to take your ufo investigator hat

392

00:15:27,030 --> 00:15:24,560

off and replace it with your shaman hat

393

00:15:29,990 --> 00:15:27,040

and treat the you know so the so if you

394

00:15:31,990 --> 00:15:30,000

invest ufo investigator

395

00:15:33,350 --> 00:15:32,000

someone has an experience they contact

396

00:15:38,150 --> 00:15:33,360

the ufo investigator

397

00:15:39,670 --> 00:15:38,160

questions the correct questions they'll

398

00:15:41,509 --> 00:15:39,680

say what time was it

399

00:15:42,949 --> 00:15:41,519

which direction was it traveling could

400

00:15:45,350 --> 00:15:42,959

you draw a picture of it

401
00:15:47,590 --> 00:15:45,360
they'll call the airport they'll check

402
00:15:49,189 --> 00:15:47,600
the radar returns on the on the

403
00:15:50,790 --> 00:15:49,199
from the control tower they'll do very

404
00:15:52,470 --> 00:15:50,800
very straight pragmatic things

405
00:15:54,470 --> 00:15:52,480
call the sheriff's department did anyone

406
00:15:55,509 --> 00:15:54,480
else those are all the correct things to

407
00:15:57,829 --> 00:15:55,519
do

408
00:15:59,189 --> 00:15:57,839
you take your ufo investigator hat off

409
00:16:01,189 --> 00:15:59,199
and you ask that what you put your

410
00:16:03,269 --> 00:16:01,199
shaman hat on and you ask

411
00:16:04,790 --> 00:16:03,279
what was going on in your life before

412
00:16:09,829 --> 00:16:04,800
the sighting

413
00:16:12,230 --> 00:16:09,839

your spirituality changed

414

00:16:13,590 --> 00:16:12,240

do you have psychic abilities are you a

415

00:16:14,230 --> 00:16:13,600

creative type i mean these are the

416

00:16:17,509 --> 00:16:14,240

questions i

417

00:16:18,870 --> 00:16:17,519

ask and and those are

418

00:16:21,110 --> 00:16:18,880

this is and you know what's very

419

00:16:22,790 --> 00:16:21,120

interesting i i

420

00:16:24,389 --> 00:16:22,800

i'm not affiliated with mufon at all and

421

00:16:25,590 --> 00:16:24,399

someone handed me the paperwork one time

422

00:16:26,949 --> 00:16:25,600

i asked and said hey can you go to be

423

00:16:27,829 --> 00:16:26,959

one of those forms that you fill out and

424

00:16:31,110 --> 00:16:27,839

they did i did

425

00:16:32,710 --> 00:16:31,120

and one of the questions is on the form

426

00:16:35,030 --> 00:16:32,720

very pragmatic form

427

00:16:36,870 --> 00:16:35,040

one of the questions is have you had any

428

00:16:39,509 --> 00:16:36,880

psychic experiences

429

00:16:39,910 --> 00:16:39,519

or has your psychic ability improved

430

00:16:42,230 --> 00:16:39,920

since

431

00:16:43,269 --> 00:16:42,240

your ufo sighting so even a very very

432

00:16:45,350 --> 00:16:43,279

dry conservative

433

00:16:46,949 --> 00:16:45,360

organization like like mufon is well

434

00:16:50,069 --> 00:16:46,959

aware of the of this

435

00:16:53,430 --> 00:16:50,079

shift that takes place in the observer

436

00:16:56,069 --> 00:16:53,440

um so uh

437

00:16:57,350 --> 00:16:56,079

yes and then so let's say let's say

438

00:16:59,350 --> 00:16:57,360

instead of a ufo

439

00:17:00,470 --> 00:16:59,360

now i'm at the point now where i treat

440

00:17:02,829 --> 00:17:00,480

ufos

441

00:17:04,309 --> 00:17:02,839

and owls and synchronicities powerful

442

00:17:05,829 --> 00:17:04,319

synchronicities

443

00:17:07,829 --> 00:17:05,839

for a thought experiment i treat them

444

00:17:09,110 --> 00:17:07,839

all as this as the same thing right so

445

00:17:11,829 --> 00:17:09,120

you can have a powerful

446

00:17:13,270 --> 00:17:11,839

synchronicity and it can influence your

447

00:17:15,029 --> 00:17:13,280

life you can have a powerful ufo

448

00:17:16,789 --> 00:17:15,039

sighting and it can influence your life

449

00:17:18,390 --> 00:17:16,799

and you can have a powerful owl sighting

450

00:17:19,909 --> 00:17:18,400

i have some stories and it will

451

00:17:22,069 --> 00:17:19,919

i've talked to people it has changed

452

00:17:24,150 --> 00:17:22,079

their lives i've got many stories

453

00:17:25,990 --> 00:17:24,160

now so if you were let's turn the clock

454

00:17:28,069 --> 00:17:26,000

back 400 years if you're living in the

455

00:17:31,270 --> 00:17:28,079

plains of north dakota and you have a

456

00:17:32,789 --> 00:17:31,280

bunch of strange owl experiences right

457

00:17:34,310 --> 00:17:32,799

who do you go to you walk to the edge of

458

00:17:36,150 --> 00:17:34,320

the village village

459

00:17:38,070 --> 00:17:36,160

and you kind of knock on the door of the

460

00:17:41,110 --> 00:17:38,080

teepee where the shaman lives

461

00:17:42,789 --> 00:17:41,120

and you discuss your owl experiences now

462

00:17:45,110 --> 00:17:42,799

this shaman i can't

463

00:17:49,430 --> 00:17:45,120

i can't begin to guess what he might say

464

00:17:55,350 --> 00:17:52,870

spiritual place of of

465

00:17:56,630 --> 00:17:55,360

examining the issues with a with a

466

00:17:59,070 --> 00:17:56,640

broader outlook

467

00:18:00,710 --> 00:17:59,080

with a with a i would say like a

468

00:18:03,270 --> 00:18:00,720

multi-layered

469

00:18:05,029 --> 00:18:03,280

vision of reality and that that's where

470

00:18:08,950 --> 00:18:05,039

i'm coming from as far as this

471

00:18:12,070 --> 00:18:08,960

this research okay well

472

00:18:14,789 --> 00:18:12,080

i i understand that um

473

00:18:16,230 --> 00:18:14,799

and i am just trying to parse this out

474

00:18:19,190 --> 00:18:16,240

for myself

475

00:18:20,230 --> 00:18:19,200

as well as you know talk to you i would

476

00:18:22,310 --> 00:18:20,240

like you now

477

00:18:24,549 --> 00:18:22,320

although we've we've gone off a little

478

00:18:26,070 --> 00:18:24,559

bit i do want you to mention your books

479

00:18:28,630 --> 00:18:26,080

and where people can get them and all

480

00:18:30,150 --> 00:18:28,640

that because i think that's important

481

00:18:31,750 --> 00:18:30,160

great so my books are there are two

482

00:18:34,310 --> 00:18:31,760

books one is called the messengers

483

00:18:35,830 --> 00:18:34,320

and it's subtitled owls synchronicity

484

00:18:38,310 --> 00:18:35,840

and the ufo abductee

485

00:18:39,830 --> 00:18:38,320

and that was my first book um and that's

486

00:18:41,430 --> 00:18:39,840

the one where i argue

487

00:18:42,789 --> 00:18:41,440

like i try to make the case that owls

488

00:18:43,830 --> 00:18:42,799

and ufos are connected it's kind of a

489

00:18:45,669 --> 00:18:43,840

big fat book it's

490

00:18:47,750 --> 00:18:45,679

getting close to 400 pages and so i feel

491

00:18:48,470 --> 00:18:47,760

like i've made my case pretty strongly

492

00:18:49,990 --> 00:18:48,480

on that one

493

00:18:51,590 --> 00:18:50,000

and what happened when i did the first

494

00:18:53,190 --> 00:18:51,600

book is i

495

00:18:54,390 --> 00:18:53,200

talked to people and you've probably you

496

00:18:55,430 --> 00:18:54,400

probably know just what i'm talking

497

00:18:57,110 --> 00:18:55,440

about you talked to someone on the phone

498

00:18:58,870 --> 00:18:57,120

about their experiences

499

00:19:02,710 --> 00:18:58,880

and for them to really tell their story

500

00:19:06,470 --> 00:19:02,720

it's a it's five or six hours sometimes

501
00:19:10,150 --> 00:19:08,549
and so i would talk to many people on

502
00:19:10,870 --> 00:19:10,160
the phone have long conversations with

503
00:19:12,390 --> 00:19:10,880
them and then i'd

504
00:19:14,710 --> 00:19:12,400
write their owl thing up so they had

505
00:19:16,870 --> 00:19:14,720
this grand novel of a

506
00:19:18,390 --> 00:19:16,880
life story and then i would put two

507
00:19:19,669 --> 00:19:18,400
paragraphs in where they saw their owl

508
00:19:21,669 --> 00:19:19,679
and it broke my heart so

509
00:19:22,789 --> 00:19:21,679
the second book is called stories from

510
00:19:25,669 --> 00:19:22,799
the messengers

511
00:19:27,029 --> 00:19:25,679
and it's subtitled accounts of owls ufos

512
00:19:29,430 --> 00:19:27,039
in a deeper reality

513
00:19:30,549 --> 00:19:29,440

and that's 19 chapters each chapter digs

514

00:19:33,909 --> 00:19:30,559

into a personal

515

00:19:35,830 --> 00:19:33,919

story very personal story and i

516

00:19:37,350 --> 00:19:35,840

tried to tell those stories completely

517

00:19:40,950 --> 00:19:37,360

and the in the thread

518

00:19:42,630 --> 00:19:40,960

of anything is the the the

519

00:19:46,390 --> 00:19:42,640

what makes the story similar is the

520

00:19:49,190 --> 00:19:46,400

strangeness this kind of illogical

521

00:19:50,549 --> 00:19:49,200

nodded tangled strangeness that these

522

00:19:54,150 --> 00:19:50,559

stories take on

523

00:19:56,390 --> 00:19:54,160

yes and um and i think that's part of it

524

00:19:57,909 --> 00:19:56,400

and i think that's why i know some some

525

00:19:59,510 --> 00:19:57,919

ufo researchers i would know one guy who

526

00:20:01,830 --> 00:19:59,520

said it he's just said like i

527

00:20:02,950 --> 00:20:01,840

i can't do abduction research it's just

528

00:20:05,909 --> 00:20:02,960

too time consuming

529

00:20:07,430 --> 00:20:05,919

and he's right you know like and it's so

530

00:20:08,310 --> 00:20:07,440

so i feel i'm really happy i did the

531

00:20:09,909 --> 00:20:08,320

second book

532

00:20:11,350 --> 00:20:09,919

as a companion book because it really as

533

00:20:14,549 --> 00:20:11,360

i said it broke my heart to

534

00:20:16,230 --> 00:20:14,559

to just um you know hear these amazing

535

00:20:17,909 --> 00:20:16,240

powerful stories and not honor those in

536

00:20:18,789 --> 00:20:17,919

some ways so that was the the goal of

537

00:20:20,310 --> 00:20:18,799

the second book

538

00:20:21,909 --> 00:20:20,320

um those are easy to find you can get

539

00:20:23,430 --> 00:20:21,919

them on amazon you can just if you

540

00:20:25,190 --> 00:20:23,440

and if you're looking for me in my site

541

00:20:27,750 --> 00:20:25,200

here's the easiest thing to do google

542

00:20:28,950 --> 00:20:27,760

ufos and owls and i am the first

543

00:20:31,270 --> 00:20:28,960

thing that comes up and then i'm about

544

00:20:34,710 --> 00:20:31,280

the next 15 things under that so

545

00:20:36,110 --> 00:20:34,720

uh and then you can uh google my name

546

00:20:37,909 --> 00:20:36,120

there's a i have a website called

547

00:20:39,750 --> 00:20:37,919

mikecleland.com that doesn't really do

548

00:20:41,990 --> 00:20:39,760

much except take you to my other

549

00:20:43,270 --> 00:20:42,000

site which is called hidden experience

550

00:20:43,669 --> 00:20:43,280

and that's my blog that i've been

551
00:20:45,430 --> 00:20:43,679
running

552
00:20:48,230 --> 00:20:45,440
10 years just a few just last week it

553
00:20:51,830 --> 00:20:48,240
was 10 years the vlog has been going so

554
00:20:52,390 --> 00:20:51,840
um hidden experience.blogspot.com and i

555
00:20:55,830 --> 00:20:52,400
have about

556
00:20:56,390 --> 00:20:55,840
200 hours of archived podcasts on that

557
00:20:59,029 --> 00:20:56,400
site

558
00:20:59,590 --> 00:20:59,039
wow yes well you are you're ahead of us

559
00:21:03,590 --> 00:20:59,600
we're

560
00:21:05,270 --> 00:21:03,600
of the shows were two hours long many of

561
00:21:07,590 --> 00:21:05,280
the shows were two hours long so

562
00:21:08,870 --> 00:21:07,600
well some of ours are an hour and 15 20

563
00:21:13,590 --> 00:21:08,880

minutes but that's

564

00:21:17,510 --> 00:21:13,600

that's basically about it now um

565

00:21:21,430 --> 00:21:17,520

there's this thing let's go back

566

00:21:21,909 --> 00:21:21,440

to the animals and um i have here you

567

00:21:25,029 --> 00:21:21,919

know

568

00:21:27,350 --> 00:21:25,039

talking about owls and

569

00:21:29,590 --> 00:21:27,360

i have experiences with cats lots of

570

00:21:31,510 --> 00:21:29,600

experiences with cats with raccoons and

571

00:21:35,350 --> 00:21:31,520

with deer

572

00:21:38,870 --> 00:21:35,360

i also am aware of what seems to be

573

00:21:42,149 --> 00:21:38,880

a recognized fact that squids

574

00:21:45,190 --> 00:21:42,159

are psychic um are you aware of that

575

00:21:45,909 --> 00:21:45,200

i had no idea no well i mean just just

576
00:21:47,750 --> 00:21:45,919
for the record

577
00:21:49,510 --> 00:21:47,760
uh because we're kind of conversational

578
00:21:51,830 --> 00:21:49,520
here and it's

579
00:21:52,549 --> 00:21:51,840
squish there was a squid and it's not

580
00:21:55,190 --> 00:21:52,559
the only

581
00:21:56,149 --> 00:21:55,200
such squid there was a squid that was

582
00:21:59,190 --> 00:21:56,159
being held

583
00:22:02,470 --> 00:21:59,200
in a um a laboratory

584
00:22:05,990 --> 00:22:02,480
in germany and um the squid

585
00:22:06,870 --> 00:22:06,000
was able to pick out who was going to

586
00:22:10,390 --> 00:22:06,880
win

587
00:22:12,630 --> 00:22:10,400
uh the foosball the soccer championship

588
00:22:14,230 --> 00:22:12,640

and this went on it it picked out the

589

00:22:15,110 --> 00:22:14,240

winners it picked out the winners and

590

00:22:17,830 --> 00:22:15,120

finally

591

00:22:19,830 --> 00:22:17,840

apparently now i'm probably going back

592

00:22:20,630 --> 00:22:19,840

two or three years and i'm not a soccer

593

00:22:24,310 --> 00:22:20,640

fan

594

00:22:27,669 --> 00:22:24,320

um but apparently someone got upset

595

00:22:29,990 --> 00:22:27,679

that the squid picked out the team

596

00:22:33,270 --> 00:22:30,000

opposite their team and they came in and

597

00:22:37,430 --> 00:22:35,750

soccer hooligans yes soccer full again

598

00:22:40,549 --> 00:22:37,440

so i'm not sure that

599

00:22:41,350 --> 00:22:40,559

um humans are on top of the food chain

600

00:22:44,470 --> 00:22:41,360

here

601
00:22:47,350 --> 00:22:44,480
um in any case we certainly are prolific

602
00:22:51,110 --> 00:22:47,360
and there are a lot of us here humans

603
00:22:54,630 --> 00:22:51,120
but squids are apparently quite psychic

604
00:22:58,390 --> 00:22:54,640
there are apparently squid

605
00:23:01,590 --> 00:22:58,400
villages uh north of

606
00:23:04,390 --> 00:23:01,600
australia deep in the ocean where

607
00:23:06,230 --> 00:23:04,400
huge numbers of squid live together this

608
00:23:08,310 --> 00:23:06,240
is not about their intelligence but just

609
00:23:10,710 --> 00:23:08,320
new things that have been found out

610
00:23:11,750 --> 00:23:10,720
about squids in the indian ocean and so

611
00:23:13,830 --> 00:23:11,760
forth but

612
00:23:15,029 --> 00:23:13,840
my i guess my point in saying this is

613
00:23:18,549 --> 00:23:15,039

that there

614

00:23:21,190 --> 00:23:18,559

are so many things that certain animals

615

00:23:24,470 --> 00:23:21,200

can do that we don't recognize and

616

00:23:26,950 --> 00:23:24,480

trees talk to one another and like

617

00:23:27,750 --> 00:23:26,960

personally i'm so much about all of that

618

00:23:30,870 --> 00:23:27,760

the bears

619

00:23:32,470 --> 00:23:30,880

and the the trees and uh and so forth

620

00:23:36,390 --> 00:23:32,480

and not so much

621

00:23:41,510 --> 00:23:36,400

about the preeminence of humans

622

00:23:48,149 --> 00:23:45,269

what what other senses can owls have

623

00:23:50,549 --> 00:23:48,159

beyond excellent vision and hearing that

624

00:23:53,750 --> 00:23:50,559

humans don't have

625

00:23:56,310 --> 00:23:53,760

well so owls are well just

626
00:23:57,590 --> 00:23:56,320
on a let's take a half a step back and

627
00:23:59,909 --> 00:23:57,600
just on the pure

628
00:24:01,990 --> 00:23:59,919
just the presence of an owl right you

629
00:24:03,510 --> 00:24:02,000
see and so a hawk and an eagle are very

630
00:24:05,029 --> 00:24:03,520
majestic

631
00:24:07,110 --> 00:24:05,039
and they're wonderful birds beautiful

632
00:24:09,990 --> 00:24:07,120
strong wonderful birds

633
00:24:10,310 --> 00:24:10,000
they have a vibe about them yes an owl

634
00:24:13,590 --> 00:24:10,320
has

635
00:24:15,110 --> 00:24:13,600
completely different vibe

636
00:24:17,269 --> 00:24:15,120
and so i have talked to many people

637
00:24:19,510 --> 00:24:17,279
who've seen an owl an ordinary owl

638
00:24:20,789 --> 00:24:19,520

and they they basically say it's

639

00:24:22,310 --> 00:24:20,799

unnerving

640

00:24:23,909 --> 00:24:22,320

it's like unsettling to be in the

641

00:24:24,470 --> 00:24:23,919

presence of an owl i've heard that many

642

00:24:26,310 --> 00:24:24,480

times

643

00:24:28,470 --> 00:24:26,320

from there's no nothing paranormal at

644

00:24:30,149 --> 00:24:28,480

all you know owl

645

00:24:31,750 --> 00:24:30,159

lands in a fence post and everyone sees

646

00:24:33,190 --> 00:24:31,760

the owl and everyone gets gets kind of

647

00:24:35,110 --> 00:24:33,200

the heebie-jeebies from it

648

00:24:37,510 --> 00:24:35,120

that's very common and i suspect that

649

00:24:39,909 --> 00:24:37,520

has been common throughout the ages

650

00:24:41,990 --> 00:24:39,919

that people and i and there's a

651
00:24:42,630 --> 00:24:42,000
mythology around owls that that grew up

652
00:24:44,710 --> 00:24:42,640
around that

653
00:24:46,390 --> 00:24:44,720
that intensity right they have those big

654
00:24:47,669 --> 00:24:46,400
eyes and they have a so one of the

655
00:24:48,310 --> 00:24:47,679
things that owls have is a head

656
00:24:51,909 --> 00:24:48,320
stability

657
00:24:54,070 --> 00:24:51,919
they have that

658
00:24:55,430 --> 00:24:54,080
so you and i have eyeballs right there

659
00:24:58,549 --> 00:24:55,440
spheres

660
00:25:00,230 --> 00:24:58,559
in our skull and we can

661
00:25:01,750 --> 00:25:00,240
turn our we can look straight but make

662
00:25:03,990 --> 00:25:01,760
our eyes look right and left

663
00:25:04,950 --> 00:25:04,000

um owls cannot do that they do their

664

00:25:06,710 --> 00:25:04,960

eyeballs are not

665

00:25:08,230 --> 00:25:06,720

spheres they're they're actually like

666

00:25:09,909 --> 00:25:08,240

little cone shaped they're actually

667

00:25:12,070 --> 00:25:09,919

mushroom shaped almost

668

00:25:12,950 --> 00:25:12,080

so they they have they are locked in

669

00:25:14,549 --> 00:25:12,960

position so

670

00:25:16,230 --> 00:25:14,559

in order for an owl to see right and

671

00:25:17,110 --> 00:25:16,240

left it has to turn its head right and

672

00:25:20,070 --> 00:25:17,120

left

673

00:25:21,590 --> 00:25:20,080

um so that's and then they do that they

674

00:25:25,269 --> 00:25:21,600

can do that in flight

675

00:25:27,990 --> 00:25:25,279

they also fly extremely quietly

676
00:25:28,630 --> 00:25:28,000
like an un unnervingly silent and and

677
00:25:29,909 --> 00:25:28,640
then

678
00:25:31,909 --> 00:25:29,919
so i make constantly i'm making

679
00:25:38,070 --> 00:25:31,919
comparisons to owls and ufos

680
00:25:39,750 --> 00:25:38,080
um owls fly with eerie silence and ufos

681
00:25:41,269 --> 00:25:39,760
are often reported as flying with an

682
00:25:45,269 --> 00:25:41,279
eerie silence

683
00:25:47,830 --> 00:25:45,279
so the owl can fly

684
00:25:48,789 --> 00:25:47,840
in the dark with those great big eyes

685
00:25:51,029 --> 00:25:48,799
they can see

686
00:25:52,470 --> 00:25:51,039
very clearly with almost no visible

687
00:25:54,870 --> 00:25:52,480
light you know that what would be

688
00:25:57,990 --> 00:25:54,880

complete in total darkness for you and i

689

00:25:58,549 --> 00:25:58,000

an owl would be completely capable of

690

00:26:01,750 --> 00:25:58,559

flying

691

00:26:05,590 --> 00:26:01,760

in a forest in the dark

692

00:26:09,510 --> 00:26:05,600

and then they hunt so a falcon hunts by

693

00:26:09,990 --> 00:26:09,520

flying very very fast and a owl hunts by

694

00:26:11,830 --> 00:26:10,000

flying

695

00:26:13,110 --> 00:26:11,840

slowly because they want to make as

696

00:26:16,310 --> 00:26:13,120

little noise as possible

697

00:26:17,190 --> 00:26:16,320

so they are actually listening for their

698

00:26:20,310 --> 00:26:17,200

prey

699

00:26:20,950 --> 00:26:20,320

while in flight in the dark in a forest

700

00:26:23,029 --> 00:26:20,960

which is

701
00:26:24,390 --> 00:26:23,039
remarkable to me that they can they fly

702
00:26:27,269 --> 00:26:24,400
in the dark

703
00:26:27,830 --> 00:26:27,279
and listen for the sound of a mouse

704
00:26:31,830 --> 00:26:27,840
walking

705
00:26:35,029 --> 00:26:31,840
on the the forest floor wow

706
00:26:37,110 --> 00:26:35,039
so is so yes they're a uniquely

707
00:26:38,710 --> 00:26:37,120
skilled animal and i make a little bit

708
00:26:41,750 --> 00:26:38,720
of an argument in the book

709
00:26:43,830 --> 00:26:41,760
that um so there's one case uh someone's

710
00:26:46,310 --> 00:26:43,840
driving down the road

711
00:26:47,590 --> 00:26:46,320
and an owl plops out of the sky and

712
00:26:48,950 --> 00:26:47,600
lands right in front of them on the road

713
00:26:50,870 --> 00:26:48,960

and they stop their car

714

00:26:52,549 --> 00:26:50,880

and this owl is kind of flopping around

715

00:26:55,830 --> 00:26:52,559

totally disoriented

716

00:26:57,750 --> 00:26:55,840

and they look up and there's a there's a

717

00:26:59,830 --> 00:26:57,760

flying saucer and they have a close

718

00:27:01,269 --> 00:26:59,840

encounter experience with this flying

719

00:27:03,830 --> 00:27:01,279

saucers now

720

00:27:05,269 --> 00:27:03,840

did the did something so here's an

721

00:27:08,950 --> 00:27:05,279

animal with unique

722

00:27:11,750 --> 00:27:08,960

hearing abilities uniquely adapted ears

723

00:27:13,750 --> 00:27:11,760

did something in the ufo disorient the

724

00:27:15,750 --> 00:27:13,760

owl i mean that's the implication

725

00:27:17,110 --> 00:27:15,760

that the story gives us there's

726

00:27:19,110 --> 00:27:17,120

obviously no way to know

727

00:27:20,710 --> 00:27:19,120

but but that's that's sort of implied in

728

00:27:23,269 --> 00:27:20,720

the story so

729

00:27:25,590 --> 00:27:23,279

you know is the owl so sensitive at

730

00:27:27,350 --> 00:27:25,600

hearing that it can actually hear a ufo

731

00:27:29,990 --> 00:27:27,360

when we hear nothing but silence

732

00:27:30,630 --> 00:27:30,000

i mean is a ufo like a giant dog whistle

733

00:27:33,669 --> 00:27:30,640

to an owl

734

00:27:36,870 --> 00:27:33,679

aha yeah that's that's that's certainly

735

00:27:39,909 --> 00:27:36,880

an interesting concept

736

00:27:43,909 --> 00:27:39,919

um to consider because

737

00:27:47,590 --> 00:27:43,919

uh owls and uh bats i guess

738

00:27:49,510 --> 00:27:47,600

and um dogs and cats certainly

739

00:27:51,190 --> 00:27:49,520

have a different sense of hearing than

740

00:27:53,590 --> 00:27:51,200

we do when owls have a

741

00:27:55,750 --> 00:27:53,600

even higher sense of hearing i suspect

742

00:27:57,669 --> 00:27:55,760

than dogs and cats

743

00:27:59,590 --> 00:27:57,679

owls are unique in the animal kingdom

744

00:28:00,070 --> 00:27:59,600

there's nothing that can compare to

745

00:28:07,350 --> 00:28:00,080

their

746

00:28:11,590 --> 00:28:07,360

so let's step back just a little bit

747

00:28:15,029 --> 00:28:11,600

and let me ask you if you think

748

00:28:18,870 --> 00:28:15,039

that the um

749

00:28:22,070 --> 00:28:18,880

phenomenon of ufo

750

00:28:22,870 --> 00:28:22,080

the ufo phenomenon is one thing or more

751
00:28:26,950 --> 00:28:22,880
than one thing

752
00:28:31,350 --> 00:28:26,960
is it a phenomenon or a phenomena

753
00:28:34,870 --> 00:28:31,360
well i mean i've yes so it's it's a

754
00:28:37,990 --> 00:28:34,880
oh there's like a

755
00:28:40,070 --> 00:28:38,000
uh it's many many things right so it's

756
00:28:42,070 --> 00:28:40,080
citing it's people people who have ufo

757
00:28:44,070 --> 00:28:42,080
sightings often have accompanying dreams

758
00:28:45,990 --> 00:28:44,080
so how does it get in their head to do a

759
00:28:47,350 --> 00:28:46,000
dream is it a big metal spaceship that

760
00:28:49,830 --> 00:28:47,360
is putting the dream in their head how

761
00:28:50,470 --> 00:28:49,840
did that happen um there are people who

762
00:28:52,310 --> 00:28:50,480
have

763
00:28:54,549 --> 00:28:52,320

you know psychic abilities after their

764

00:28:57,909 --> 00:28:54,559

ufo contact how did that happen so it's

765

00:28:59,269 --> 00:28:57,919

so you know is you know we can like we

766

00:29:00,470 --> 00:28:59,279

fly into

767

00:29:03,110 --> 00:29:00,480

yellowstone national park in the

768

00:29:06,389 --> 00:29:03,120

helicopter we shoot and dart

769

00:29:08,149 --> 00:29:06,399

grizzly bears and then we you know we do

770

00:29:10,630 --> 00:29:08,159

medical exams on them and then we get in

771

00:29:12,710 --> 00:29:10,640

our helicopter and we fly back and the

772

00:29:14,710 --> 00:29:12,720

grizzly bear wakes up all disoriented

773

00:29:15,590 --> 00:29:14,720

and has this strange memory so yes we

774

00:29:19,510 --> 00:29:15,600

can we have a

775

00:29:21,909 --> 00:29:19,520

like an analogy that we can and that

776

00:29:23,350 --> 00:29:21,919

falls apart when you really examine it

777

00:29:25,110 --> 00:29:23,360

right if you just look at the surface

778

00:29:27,750 --> 00:29:25,120

level of the ufo experience

779

00:29:29,029 --> 00:29:27,760

right sure it's perfect right you dig

780

00:29:30,870 --> 00:29:29,039

just

781

00:29:33,430 --> 00:29:30,880

one millimeter below the waterline and

782

00:29:34,950 --> 00:29:33,440

then it all falls apart because

783

00:29:37,110 --> 00:29:34,960

i'm gonna say i'm people who have these

784

00:29:38,149 --> 00:29:37,120

experiences end up as psychics not

785

00:29:41,830 --> 00:29:38,159

everyone

786

00:29:44,389 --> 00:29:41,840

but but it's it's a recognized

787

00:29:45,990 --> 00:29:44,399

side effect within some parts of the

788

00:29:47,909 --> 00:29:46,000

research community

789

00:29:49,669 --> 00:29:47,919

yes so my sense is that there's a

790

00:29:51,590 --> 00:29:49,679

there's a wheel with a lot of spokes on

791

00:29:52,789 --> 00:29:51,600

it right you know one spoke says ufo

792

00:29:56,950 --> 00:29:52,799

sighting one says

793

00:29:58,149 --> 00:29:56,960

uh you know prophetic dreams one says um

794

00:30:00,230 --> 00:29:58,159

you know so there's all these things

795

00:30:02,549 --> 00:30:00,240

that are connected to the ufo contact

796

00:30:03,430 --> 00:30:02,559

but what i'm interested in i have no

797

00:30:05,269 --> 00:30:03,440

answer at

798

00:30:06,710 --> 00:30:05,279

all to what it might be but what is at

799

00:30:08,870 --> 00:30:06,720

the hub of that

800

00:30:10,870 --> 00:30:08,880

wheel what's at the axle where all those

801
00:30:12,470 --> 00:30:10,880
spoi spokes joined together what's at

802
00:30:13,909 --> 00:30:12,480
the core of this

803
00:30:15,750 --> 00:30:13,919
that's to me is the mystery i don't

804
00:30:17,590 --> 00:30:15,760
think well we're not going to solve that

805
00:30:19,750 --> 00:30:17,600
but we can certainly dance around it and

806
00:30:21,830 --> 00:30:19,760
and we can certainly

807
00:30:23,669 --> 00:30:21,840
you know look at the the stories that

808
00:30:26,710 --> 00:30:23,679
are connected to ufo contact and see

809
00:30:29,590 --> 00:30:26,720
see what they imply okay so

810
00:30:30,549 --> 00:30:29,600
um you answered one part of the question

811
00:30:33,389 --> 00:30:30,559
and i will

812
00:30:34,710 --> 00:30:33,399
share with you that i consider myself an

813
00:30:37,830 --> 00:30:34,720

experiencer

814

00:30:41,110 --> 00:30:37,840

i have never been hypnotized

815

00:30:42,230 --> 00:30:41,120

to determine what was the nature like am

816

00:30:45,269 --> 00:30:42,240

i an abductee

817

00:30:48,789 --> 00:30:45,279

or a a a uh

818

00:30:51,990 --> 00:30:48,799

um geez what's the other group of people

819

00:30:52,789 --> 00:30:52,000

oh experience or contactees and yeah the

820

00:30:55,990 --> 00:30:52,799

other group

821

00:30:59,350 --> 00:30:56,000

the uh contactees yes contactees i am an

822

00:31:01,350 --> 00:30:59,360

experiencer i fully admit to being in

823

00:31:02,389 --> 00:31:01,360

being an experiencer and i have worked

824

00:31:04,789 --> 00:31:02,399

as a psychic

825

00:31:05,909 --> 00:31:04,799

through most of my adult life i didn't

826

00:31:07,190 --> 00:31:05,919

know that i didn't know that that's

827

00:31:10,149 --> 00:31:07,200

wonderful okay yes

828

00:31:11,750 --> 00:31:10,159

so there's a lot of synchronicity going

829

00:31:15,269 --> 00:31:11,760

on here already

830

00:31:19,269 --> 00:31:15,279

but the question that i am asking

831

00:31:22,389 --> 00:31:19,279

is do you believe that there could be

832

00:31:25,590 --> 00:31:22,399

more than one thing causing

833

00:31:29,190 --> 00:31:25,600

these experiences to wit

834

00:31:31,110 --> 00:31:29,200

um somebody might see a nuts and bolts

835

00:31:34,870 --> 00:31:31,120

typecraft that might

836

00:31:37,909 --> 00:31:34,880

have uh certain uh aspects to it

837

00:31:40,789 --> 00:31:37,919

like leave as you have written even

838

00:31:42,710 --> 00:31:40,799

in your books trace evidence looking for

839

00:31:46,870 --> 00:31:42,720

marks where it came down

840

00:31:49,750 --> 00:31:46,880

maybe finding um these magnesium

841

00:31:51,269 --> 00:31:49,760

pieces these magnesium weird magnesium

842

00:31:53,509 --> 00:31:51,279

traces that have been

843

00:31:57,190 --> 00:31:53,519

held in front of us for a while over the

844

00:32:00,789 --> 00:31:57,200

course of years since the 50s

845

00:32:04,149 --> 00:32:00,799

and then there could be some other

846

00:32:07,029 --> 00:32:04,159

experience uh which

847

00:32:09,029 --> 00:32:07,039

seems to be an unidentified flying

848

00:32:12,710 --> 00:32:09,039

object which could be

849

00:32:13,590 --> 00:32:12,720

um a an orb and isn't a nuts and bolts

850

00:32:15,110 --> 00:32:13,600

craft so

851

00:32:16,630 --> 00:32:15,120

what i'm saying is do you think that

852

00:32:20,149 --> 00:32:16,640

there's more than one

853

00:32:23,110 --> 00:32:20,159

cause for the ufo

854

00:32:24,789 --> 00:32:23,120

experience can there be more than one

855

00:32:26,310 --> 00:32:24,799

progenitor is that the right word i

856

00:32:29,990 --> 00:32:26,320

don't even know

857

00:32:33,190 --> 00:32:30,000

yeah you know i guess so my sense is

858

00:32:34,389 --> 00:32:33,200

and i might be wrong is that there's a

859

00:32:36,870 --> 00:32:34,399

core

860

00:32:38,389 --> 00:32:36,880

phenomena there's a there's a there's a

861

00:32:41,509 --> 00:32:38,399

the spokes on the wheel

862

00:32:43,350 --> 00:32:41,519

all join at one central

863

00:32:45,029 --> 00:32:43,360

source i don't know what that source is

864

00:32:47,750 --> 00:32:45,039

so and and the

865

00:32:48,950 --> 00:32:47,760

the it can it can show up as a nuts and

866

00:32:51,269 --> 00:32:48,960

bolts craft

867

00:32:52,789 --> 00:32:51,279

it can show up as a psychic vision it

868

00:32:53,509 --> 00:32:52,799

can show up as like as you said as an

869

00:32:57,669 --> 00:32:53,519

orb

870

00:33:00,710 --> 00:32:57,679

so um and it also can show up in like

871

00:33:02,230 --> 00:33:00,720

richly symbolic ways lots of researchers

872

00:33:05,350 --> 00:33:02,240

have recognized this that these

873

00:33:08,549 --> 00:33:05,360

experiences show up in a sort of um

874

00:33:11,110 --> 00:33:08,559

mythological fable sometimes

875

00:33:12,549 --> 00:33:11,120

in in the the elements including the

876

00:33:13,190 --> 00:33:12,559

people's reactions like death and

877

00:33:15,509 --> 00:33:13,200

rebirth

878

00:33:16,630 --> 00:33:15,519

and and spiritual awakening and things

879

00:33:20,389 --> 00:33:16,640

like that which are

880

00:33:23,830 --> 00:33:20,399

often tied into this now um

881

00:33:26,470 --> 00:33:23,840

so the answer is i simply don't know my

882

00:33:27,750 --> 00:33:26,480

sense is that there's one core source

883

00:33:30,950 --> 00:33:27,760

and it can manifest

884

00:33:33,029 --> 00:33:30,960

in innumerable ways so we might be

885

00:33:34,950 --> 00:33:33,039

seeing many many things many things

886

00:33:36,789 --> 00:33:34,960

disparate in the literature

887

00:33:38,630 --> 00:33:36,799

but if we traced it we had the ability

888

00:33:41,990 --> 00:33:38,640

to trace every event back

889

00:33:43,430 --> 00:33:42,000

we pull on every thread my

890

00:33:45,110 --> 00:33:43,440

you know partially i just hope just

891

00:33:47,110 --> 00:33:45,120

because it sounds cool but my

892

00:33:48,630 --> 00:33:47,120

my sense is that it would all trace back

893

00:33:49,669 --> 00:33:48,640

to one source and i don't know what that

894

00:33:52,470 --> 00:33:49,679

source might be

895

00:33:53,430 --> 00:33:52,480

okay well and i doubt it may or may not

896

00:33:56,789 --> 00:33:53,440

be

897

00:34:00,070 --> 00:33:56,799

from another planet i'm not sure

898

00:34:02,549 --> 00:34:00,080

about any of these things i kind of

899

00:34:03,990 --> 00:34:02,559

kind of mostly doubt that they're

900

00:34:07,110 --> 00:34:04,000

traveling from

901
00:34:07,669 --> 00:34:07,120
uh you know beta centauri to come here

902
00:34:10,470 --> 00:34:07,679
in a

903
00:34:11,589 --> 00:34:10,480
a nuts and bolts craft and that there

904
00:34:15,510 --> 00:34:11,599
may be

905
00:34:18,230 --> 00:34:15,520
some kind of uh alternative reality

906
00:34:19,030 --> 00:34:18,240
um i'm going further ahead than i had

907
00:34:22,069 --> 00:34:19,040
intended to

908
00:34:24,149 --> 00:34:22,079
at the moment with the talk with you

909
00:34:25,909 --> 00:34:24,159
but at one point you talk about the

910
00:34:29,270 --> 00:34:25,919
cosmic window idea

911
00:34:30,790 --> 00:34:29,280
and i have a similar idea and i sort of

912
00:34:33,349 --> 00:34:30,800
see it as fingers

913
00:34:33,990 --> 00:34:33,359

poking through a thick foggy material

914

00:34:37,109 --> 00:34:34,000

that we

915

00:34:39,430 --> 00:34:37,119

usually do not have access to uh what's

916

00:34:42,790 --> 00:34:39,440

beyond that thick foggy material

917

00:34:44,790 --> 00:34:42,800

but i guess my thought is that

918

00:34:47,990 --> 00:34:44,800

there could be more than one thing

919

00:34:48,950 --> 00:34:48,000

behind that thick blocky material at

920

00:34:51,669 --> 00:34:48,960

least that's

921

00:34:52,710 --> 00:34:51,679

been something of my experience so not

922

00:34:55,270 --> 00:34:52,720

for nothing i mean it

923

00:34:57,670 --> 00:34:55,280

we don't have to like uh have a a

924

00:35:00,630 --> 00:34:57,680

doctrinaire party line here but i just

925

00:35:02,790 --> 00:35:00,640

put that out there and i i was very

926
00:35:03,430 --> 00:35:02,800
impressed by the cosmic window idea

927
00:35:07,109 --> 00:35:03,440
because it

928
00:35:10,150 --> 00:35:07,119
is similar to my my you know

929
00:35:11,510 --> 00:35:10,160
inner feelings about a thick foggy

930
00:35:13,349 --> 00:35:11,520
material that

931
00:35:15,270 --> 00:35:13,359
every once in a while a finger pokes

932
00:35:16,710 --> 00:35:15,280
through there and you get a glimpse of

933
00:35:20,950 --> 00:35:16,720
what's going on

934
00:35:22,069 --> 00:35:20,960
uh but let's talk about one thing that

935
00:35:25,270 --> 00:35:22,079
you've mentioned

936
00:35:28,470 --> 00:35:25,280
several times through your books and

937
00:35:31,589 --> 00:35:28,480
uh that is the primal

938
00:35:35,030 --> 00:35:31,599

fear of experiencers of

939

00:35:38,630 --> 00:35:35,040

the quote-unquote ufo

940

00:35:43,109 --> 00:35:38,640

experience that other things

941

00:35:46,790 --> 00:35:43,119

such as synchronicities and even

942

00:35:48,530 --> 00:35:46,800

animal sightings of other sorts

943

00:35:49,910 --> 00:35:48,540

don't seem to

944

00:35:53,190 --> 00:35:49,920

[Music]

945

00:35:56,870 --> 00:35:53,200

cause all right this primal

946

00:35:58,390 --> 00:35:56,880

fear and um i think that there a number

947

00:36:01,910 --> 00:35:58,400

of people have spoken

948

00:36:04,950 --> 00:36:01,920

about it i have spoken to

949

00:36:08,230 --> 00:36:04,960

um chase kletsy about it

950

00:36:09,190 --> 00:36:08,240

and i've heard whitley strieber talk

951
00:36:12,710 --> 00:36:09,200
about it and

952
00:36:15,910 --> 00:36:12,720
i have experienced it uh

953
00:36:19,349 --> 00:36:15,920
when i have found that the

954
00:36:24,310 --> 00:36:19,359
others were around me in some way

955
00:36:27,349 --> 00:36:24,320
in my home when i felt like i was being

956
00:36:28,950 --> 00:36:27,359
taken away if you will

957
00:36:30,069 --> 00:36:28,960
and i have felt it too there's a section

958
00:36:31,589 --> 00:36:30,079
at the end of the first book where i

959
00:36:33,030 --> 00:36:31,599
talk about an event that took place

960
00:36:34,710 --> 00:36:33,040
where i was in a tent with a friend of

961
00:36:37,910 --> 00:36:34,720
mine her name was natasha

962
00:36:41,030 --> 00:36:37,920
and both of us woke up screaming

963
00:36:44,550 --> 00:36:41,040

uh and it was simultaneous

964

00:36:46,310 --> 00:36:44,560

like boom we were we were thrust into

965

00:36:48,630 --> 00:36:46,320

the way i refer to it as a synthetic

966

00:36:50,790 --> 00:36:48,640

fear where it seems like

967

00:36:51,670 --> 00:36:50,800

like it's irrational to sum it up in

968

00:36:55,190 --> 00:36:51,680

kind of normal

969

00:36:57,829 --> 00:36:55,200

primal ways it felt like it was

970

00:36:58,950 --> 00:36:57,839

projected onto us or into us if that

971

00:37:00,710 --> 00:36:58,960

makes sense

972

00:37:02,390 --> 00:37:00,720

um i've heard some people talk about the

973

00:37:05,670 --> 00:37:02,400

fact that like perhaps these

974

00:37:08,790 --> 00:37:05,680

beings and there was so there was

975

00:37:10,790 --> 00:37:08,800

so that event in the tent um culminated

976
00:37:12,950 --> 00:37:10,800
with us being totally freaked out

977
00:37:15,109 --> 00:37:12,960
terrified for maybe

978
00:37:17,349 --> 00:37:15,119
10 minutes or less and then click we

979
00:37:19,109 --> 00:37:17,359
both went to sleep which is very unusual

980
00:37:21,349 --> 00:37:19,119
and that to me is very surprising i mean

981
00:37:22,950 --> 00:37:21,359
we sharp we that we were so

982
00:37:24,470 --> 00:37:22,960
our parts were pounding so hard both of

983
00:37:27,589 --> 00:37:24,480
us still the same thing she

984
00:37:29,829 --> 00:37:27,599
um she says it's she describes it as the

985
00:37:32,230 --> 00:37:29,839
deepest level of hell

986
00:37:35,109 --> 00:37:32,240
yes so um and i described it as

987
00:37:36,630 --> 00:37:35,119
synthetic fear and

988
00:37:37,829 --> 00:37:36,640

so i don't know this and then and then

989

00:37:39,109 --> 00:37:37,839

there was a bunch of things that

990

00:37:41,990 --> 00:37:39,119

happened

991

00:37:44,390 --> 00:37:42,000

afterwards that certainly sound like the

992

00:37:46,069 --> 00:37:44,400

elements of a ufo abduction event

993

00:37:48,310 --> 00:37:46,079

um i felt like i was floated out of the

994

00:37:49,670 --> 00:37:48,320

tent i was in a white realm i was saying

995

00:37:49,990 --> 00:37:49,680

as i was floating up i said i have to

996

00:37:56,150 --> 00:37:50,000

remember

997

00:37:57,829 --> 00:37:56,160

i actually changed the mantra to am i on

998

00:37:59,910 --> 00:37:57,839

a table am i on a table

999

00:38:01,750 --> 00:37:59,920

and then it felt like i was in this

1000

00:38:04,069 --> 00:38:01,760

white endless

1001

00:38:05,190 --> 00:38:04,079

realm i didn't that's all i can that's

1002

00:38:05,750 --> 00:38:05,200

the only memory i have and then it was

1003

00:38:07,349 --> 00:38:05,760

like

1004

00:38:08,630 --> 00:38:07,359

i was back in the tent and i don't

1005

00:38:09,829 --> 00:38:08,640

remember going back i don't remember

1006

00:38:11,270 --> 00:38:09,839

anything i just remember that was my

1007

00:38:12,950 --> 00:38:11,280

sense was just like

1008

00:38:14,790 --> 00:38:12,960

like it just was like bam like in one

1009

00:38:17,829 --> 00:38:14,800

second i was back in the tent

1010

00:38:19,670 --> 00:38:17,839

and um and the next morning i had a very

1011

00:38:20,710 --> 00:38:19,680

unusual scratch on myself and i actually

1012

00:38:22,230 --> 00:38:20,720

remember getting up the next morning

1013

00:38:24,470 --> 00:38:22,240

walking around it was totally like this

1014

00:38:25,670 --> 00:38:24,480

lovely was colorado it was this lovely

1015

00:38:26,310 --> 00:38:25,680

beautiful morning i was walking around

1016

00:38:28,390 --> 00:38:26,320

the tent like

1017

00:38:29,829 --> 00:38:28,400

looking for the burn mark in the ground

1018

00:38:31,510 --> 00:38:29,839

i didn't find anything

1019

00:38:33,349 --> 00:38:31,520

um everything seemed totally normal we

1020

00:38:35,430 --> 00:38:33,359

were both we were both kind of shocked

1021

00:38:36,950 --> 00:38:35,440

at how

1022

00:38:39,670 --> 00:38:36,960

kind of nonplussed we were about the

1023

00:38:41,190 --> 00:38:39,680

whole thing so yes that primal fear is

1024

00:38:44,069 --> 00:38:41,200

something that i've heard

1025

00:38:46,550 --> 00:38:44,079

many people discuss um i've talked to

1026
00:38:49,670 --> 00:38:46,560
chase klesky about her event also

1027
00:38:53,430 --> 00:38:49,680
my point in that is

1028
00:38:58,150 --> 00:38:53,440
simply to say that these

1029
00:39:01,270 --> 00:38:58,160
sort of contact or abduction experiences

1030
00:39:04,470 --> 00:39:01,280
which include the presence

1031
00:39:07,910 --> 00:39:04,480
one feels the presence of alien entities

1032
00:39:12,069 --> 00:39:07,920
causes this extraordinary

1033
00:39:14,390 --> 00:39:12,079
fear and sometimes we are paralyzed

1034
00:39:16,550 --> 00:39:14,400
although our eyes are open and we are

1035
00:39:19,910 --> 00:39:16,560
aware of our surroundings and

1036
00:39:23,710 --> 00:39:19,920
i've fought those things many times

1037
00:39:26,870 --> 00:39:23,720
and do have other sorts of shamanic

1038
00:39:27,190 --> 00:39:26,880

experiences that do not cause that kind

1039

00:39:30,550 --> 00:39:27,200

of

1040

00:39:31,990 --> 00:39:30,560

thing so we have to say look at that in

1041

00:39:34,230 --> 00:39:32,000

a way for instance

1042

00:39:36,550 --> 00:39:34,240

sometimes when there's a ufo sighting

1043

00:39:37,829 --> 00:39:36,560

the dogs go wild in the neighborhood

1044

00:39:40,069 --> 00:39:37,839

right they

1045

00:39:41,109 --> 00:39:40,079

like they freak out and they're totally

1046

00:39:43,589 --> 00:39:41,119

going wild

1047

00:39:44,790 --> 00:39:43,599

i'm just making a slight case for

1048

00:39:47,750 --> 00:39:44,800

somehow

1049

00:39:49,030 --> 00:39:47,760

the actual presence of the alien

1050

00:39:51,670 --> 00:39:49,040

entities alien

1051
00:39:52,069 --> 00:39:51,680
could mean anything it doesn't mean to

1052
00:39:55,270 --> 00:39:52,079
me

1053
00:39:59,190 --> 00:39:55,280
necessarily outer space entities alien

1054
00:40:02,230 --> 00:39:59,200
meaning not us so

1055
00:40:04,309 --> 00:40:02,240
going further into that

1056
00:40:06,550 --> 00:40:04,319
it can be so traumatic to the

1057
00:40:07,910 --> 00:40:06,560
experiencer that their sanity would be

1058
00:40:09,829 --> 00:40:07,920
in jeopardy

1059
00:40:11,750 --> 00:40:09,839
and i think that is something that you

1060
00:40:15,190 --> 00:40:11,760
wrote and something that i

1061
00:40:18,069 --> 00:40:15,200
feel intrinsically is true

1062
00:40:19,349 --> 00:40:18,079
yes you speak to that a little yeah i

1063
00:40:22,470 --> 00:40:19,359

mean so and i

1064

00:40:25,750 --> 00:40:22,480

um i mean i

1065

00:40:27,109 --> 00:40:25,760

feel like i spent so that as i mean as

1066

00:40:28,390 --> 00:40:27,119

far as the fear thing yes

1067

00:40:30,150 --> 00:40:28,400

my sanity was in jeopardy you know what

1068

00:40:32,069 --> 00:40:30,160

it felt like it felt like my soul

1069

00:40:33,670 --> 00:40:32,079

was in jeopardy it felt like it felt

1070

00:40:37,190 --> 00:40:33,680

like like

1071

00:40:38,470 --> 00:40:37,200

my soul was was

1072

00:40:41,030 --> 00:40:38,480

like a breath away from being

1073

00:40:44,470 --> 00:40:41,040

extinguished it was that kind of primal

1074

00:40:45,990 --> 00:40:44,480

yes intensity and then it just turned

1075

00:40:47,430 --> 00:40:46,000

off and we were both kind of normal that

1076
00:40:48,550 --> 00:40:47,440
was red that was actually more shocking

1077
00:40:53,829 --> 00:40:48,560
than anything

1078
00:40:56,150 --> 00:40:53,839
um so uh

1079
00:40:57,829 --> 00:40:56,160
so here's a story this this is uh this

1080
00:40:59,750 --> 00:40:57,839
is she has not given me permission to

1081
00:41:01,990 --> 00:40:59,760
share the story so i'll just i won't

1082
00:41:02,870 --> 00:41:02,000
give all the details a close friend of

1083
00:41:04,470 --> 00:41:02,880
mine

1084
00:41:06,309 --> 00:41:04,480
heard my research and mentioned that it

1085
00:41:07,430 --> 00:41:06,319
was that raccoons

1086
00:41:09,030 --> 00:41:07,440
were one of the things that people

1087
00:41:10,550 --> 00:41:09,040
report sometimes in screen memories and

1088
00:41:11,589 --> 00:41:10,560

she was very upset because she had an

1089

00:41:14,550 --> 00:41:11,599

experience

1090

00:41:15,670 --> 00:41:14,560

where she she's young and healthy and

1091

00:41:18,950 --> 00:41:15,680

she must have been

1092

00:41:21,430 --> 00:41:18,960

in her early 30s um

1093

00:41:23,829 --> 00:41:21,440

looked out her back door there was some

1094

00:41:25,430 --> 00:41:23,839

raccoons on the back porch

1095

00:41:27,109 --> 00:41:25,440

and then she the next thing she knows

1096

00:41:28,390 --> 00:41:27,119

she's paralyzed she thought she was

1097

00:41:29,270 --> 00:41:28,400

having a stroke she thought she was

1098

00:41:31,510 --> 00:41:29,280

dying

1099

00:41:32,470 --> 00:41:31,520

she was totally paralyzed and it

1100

00:41:34,550 --> 00:41:32,480

terrified her

1101
00:41:36,309 --> 00:41:34,560
she came out of the peril is paralyzed

1102
00:41:37,430 --> 00:41:36,319
thing and she immediately called an

1103
00:41:39,589 --> 00:41:37,440
ambulance

1104
00:41:40,470 --> 00:41:39,599
and and like they took her to the

1105
00:41:44,309 --> 00:41:40,480
emergency room

1106
00:41:46,150 --> 00:41:44,319
she was so freaked out

1107
00:41:47,430 --> 00:41:46,160
um they there was nothing wrong with

1108
00:41:50,950 --> 00:41:47,440
there was nothing at all

1109
00:41:55,109 --> 00:41:50,960
so that's a very telling story indeed

1110
00:41:56,950 --> 00:41:55,119
yeah so that here so we haven't so

1111
00:41:58,230 --> 00:41:56,960
if the raccoons weren't raccoons then

1112
00:41:58,630 --> 00:41:58,240
they would have been some sort of screen

1113
00:42:01,190 --> 00:41:58,640

memory

1114

00:42:03,190 --> 00:42:01,200

right and perhaps under hypnosis you

1115

00:42:04,950 --> 00:42:03,200

know she would have described the

1116

00:42:06,230 --> 00:42:04,960

i can't say but i'm just speculating

1117

00:42:09,829 --> 00:42:06,240

perhaps under hypnosis

1118

00:42:10,470 --> 00:42:09,839

she might describe the um the raccoons

1119

00:42:12,390 --> 00:42:10,480

as

1120

00:42:13,910 --> 00:42:12,400

you know skinny with bald heads and big

1121

00:42:16,309 --> 00:42:13,920

black eyes and

1122

00:42:17,190 --> 00:42:16,319

and they're probably not raccoons yes

1123

00:42:20,309 --> 00:42:17,200

yes i've had

1124

00:42:23,510 --> 00:42:20,319

my own little raccoon issues

1125

00:42:26,790 --> 00:42:23,520

um where um i

1126

00:42:29,349 --> 00:42:26,800

saw a very large raccoon at

1127

00:42:29,990 --> 00:42:29,359

the head of a driveway at the top of a

1128

00:42:34,870 --> 00:42:30,000

driveway

1129

00:42:37,750 --> 00:42:34,880

going up a hill and i said to myself

1130

00:42:40,069 --> 00:42:37,760

looked at it's not a small bear it

1131

00:42:43,190 --> 00:42:40,079

definitely looks like a raccoon

1132

00:42:46,870 --> 00:42:43,200

but it's way too large to be a raccoon

1133

00:42:48,550 --> 00:42:46,880

and um in the same time frame not the

1134

00:42:52,630 --> 00:42:48,560

same day or

1135

00:42:56,790 --> 00:42:52,640

anything there was a cat

1136

00:43:00,710 --> 00:42:56,800

who was a feral cat that was being fed

1137

00:43:04,069 --> 00:43:00,720

and um on easter day

1138

00:43:07,190 --> 00:43:04,079

i'm going to say three or four years ago

1139

00:43:10,870 --> 00:43:07,200

um that feral cat was on

1140

00:43:14,550 --> 00:43:10,880

the front porch of this house that i

1141

00:43:18,630 --> 00:43:14,560

was visiting and um

1142

00:43:22,150 --> 00:43:18,640

that feral cat had a marsupial friend

1143

00:43:24,950 --> 00:43:22,160

a possum that sat on that front porch

1144

00:43:26,790 --> 00:43:24,960

with that cat for whatever reason i

1145

00:43:30,150 --> 00:43:26,800

can't even go there

1146

00:43:35,030 --> 00:43:30,160

but um he did and he was being fed

1147

00:43:39,190 --> 00:43:35,040

and in broad daylight a raccoon

1148

00:43:42,390 --> 00:43:39,200

came up and bit the the feral cat

1149

00:43:44,150 --> 00:43:42,400

now i sort of saw now this is my own

1150

00:43:45,030 --> 00:43:44,160

interpretation it might be wrong or

1151
00:43:48,390 --> 00:43:45,040
right

1152
00:43:51,430 --> 00:43:48,400
i sort of saw the cat as a

1153
00:43:54,710 --> 00:43:51,440
a watcher for the building

1154
00:43:58,790 --> 00:43:54,720
that that home the feral cat was

1155
00:44:01,990 --> 00:43:58,800
sort of like a guardian and that

1156
00:44:05,589 --> 00:44:02,000
raccoon attacked that

1157
00:44:07,589 --> 00:44:05,599
cat now it's very unusual for a raccoon

1158
00:44:11,109 --> 00:44:07,599
who is not

1159
00:44:14,470 --> 00:44:11,119
um who was not rabid to be out

1160
00:44:16,950 --> 00:44:14,480
during the day and uh the cat

1161
00:44:18,150 --> 00:44:16,960
was checked and the cat did not have

1162
00:44:21,589 --> 00:44:18,160
rabies

1163
00:44:22,790 --> 00:44:21,599

but the cat lasted oh maybe perhaps a

1164

00:44:25,589 --> 00:44:22,800

year longer or

1165

00:44:26,870 --> 00:44:25,599

six months longer and did in fact die of

1166

00:44:30,309 --> 00:44:26,880

other things

1167

00:44:33,990 --> 00:44:30,319

but um i kind of felt like that was an

1168

00:44:37,510 --> 00:44:34,000

uncanny raccoon experience

1169

00:44:38,309 --> 00:44:37,520

but no no terror on my part but the poor

1170

00:44:40,230 --> 00:44:38,319

cat

1171

00:44:41,670 --> 00:44:40,240

bit in the middle of the day by the

1172

00:44:43,829 --> 00:44:41,680

raccoon

1173

00:44:45,510 --> 00:44:43,839

yeah with a with a possum there now also

1174

00:44:46,950 --> 00:44:45,520

one key one small little point here

1175

00:44:48,630 --> 00:44:46,960

which i pay attention to is it was on

1176

00:44:51,030 --> 00:44:48,640

easter sunday which is a very

1177

00:44:53,430 --> 00:44:51,040

the highly charged day in the calendar

1178

00:44:55,750 --> 00:44:53,440

yes i mean that is a that's a day of

1179

00:44:56,790 --> 00:44:55,760

ascension that's what that's a day when

1180

00:45:00,069 --> 00:44:56,800

like

1181

00:45:03,589 --> 00:45:00,079

you know ascending into heaven yes

1182

00:45:07,750 --> 00:45:03,599

so yes it is it was a charged day

1183

00:45:08,470 --> 00:45:07,760

and it was someone saw the owl attacking

1184

00:45:11,349 --> 00:45:08,480

the cat

1185

00:45:12,710 --> 00:45:11,359

and as a result of having seen it out

1186

00:45:16,309 --> 00:45:12,720

the window somehow

1187

00:45:17,270 --> 00:45:16,319

sitting in a dining room they were able

1188

00:45:19,510 --> 00:45:17,280

to

1189

00:45:20,870 --> 00:45:19,520

scare the raccoon away or open the door

1190

00:45:24,069 --> 00:45:20,880

and um

1191

00:45:27,270 --> 00:45:24,079

disengage the cat and the raccoon from

1192

00:45:30,150 --> 00:45:27,280

one killing the other so that's just

1193

00:45:31,430 --> 00:45:30,160

a little a little bit there but no that

1194

00:45:32,710 --> 00:45:31,440

would this is where you get the sh this

1195

00:45:34,470 --> 00:45:32,720

is where the shaman has to come in you

1196

00:45:36,390 --> 00:45:34,480

know like we know where does these totem

1197

00:45:38,550 --> 00:45:36,400

animal experiences these

1198

00:45:40,309 --> 00:45:38,560

you know and i guess sometimes normal

1199

00:45:42,470 --> 00:45:40,319

things can happen with owls and cats and

1200

00:45:43,190 --> 00:45:42,480

raccoons and and possums and things like

1201
00:45:45,750 --> 00:45:43,200
that but

1202
00:45:47,510 --> 00:45:45,760
sometimes there's a can i tell a story

1203
00:45:48,870 --> 00:45:47,520
sure please so here's so here's a so

1204
00:45:49,510 --> 00:45:48,880
easter sunday it's an easter sunday

1205
00:45:52,550 --> 00:45:49,520
story

1206
00:45:52,870 --> 00:45:52,560
um a woman is named susan kornacki she's

1207
00:45:54,550 --> 00:45:52,880
been

1208
00:45:57,690 --> 00:45:54,560
out and vocal and talking about her

1209
00:45:58,829 --> 00:45:57,700
experiences she

1210
00:46:01,750 --> 00:45:58,839
[Music]

1211
00:46:03,990 --> 00:46:01,760
um she was

1212
00:46:05,109 --> 00:46:04,000
at an easter party easter sunday she was

1213
00:46:07,829 --> 00:46:05,119

with her husband and

1214

00:46:09,270 --> 00:46:07,839

daughter and an event took place where

1215

00:46:10,710 --> 00:46:09,280

she was just like oh my goodness and all

1216

00:46:12,150 --> 00:46:10,720

of a sudden she felt this energy

1217

00:46:14,550 --> 00:46:12,160

rushing up and down her spine and she

1218

00:46:15,990 --> 00:46:14,560

said it felt like a tesla coil going off

1219

00:46:18,069 --> 00:46:16,000

and she said something's going on i'm

1220

00:46:19,270 --> 00:46:18,079

freaking out i gotta get out of here

1221

00:46:20,710 --> 00:46:19,280

i'm gonna go home can you take the kids

1222

00:46:21,910 --> 00:46:20,720

home and you know meet me later so she

1223

00:46:24,309 --> 00:46:21,920

left the easter party

1224

00:46:25,270 --> 00:46:24,319

went to her homes easter it's a spring

1225

00:46:28,390 --> 00:46:25,280

day it's in

1226
00:46:29,109 --> 00:46:28,400
um massachusetts so she goes to the

1227
00:46:31,910 --> 00:46:29,119
backyard to

1228
00:46:33,109 --> 00:46:31,920
to relax and just try to try to you know

1229
00:46:34,630 --> 00:46:33,119
get her wits again

1230
00:46:36,630 --> 00:46:34,640
and she lays in her hammock as soon as

1231
00:46:37,990 --> 00:46:36,640
she gets in her hammock an owl lands on

1232
00:46:40,950 --> 00:46:38,000
one branch

1233
00:46:42,230 --> 00:46:40,960
of the one tree and then the other tree

1234
00:46:43,589 --> 00:46:42,240
that the hammock is connected to it's

1235
00:46:44,630 --> 00:46:43,599
connected between two trees and our

1236
00:46:46,230 --> 00:46:44,640
lands in the other one

1237
00:46:49,109 --> 00:46:46,240
and these two owls start hooting at each

1238
00:46:51,430 --> 00:46:49,119

other and she's in the middle

1239

00:46:53,270 --> 00:46:51,440

and she feels like this energy like

1240

00:46:54,950 --> 00:46:53,280

surging through her body

1241

00:46:56,870 --> 00:46:54,960

she said it felt like she was being

1242

00:46:58,710 --> 00:46:56,880

recalibrated

1243

00:47:00,230 --> 00:46:58,720

i can't help but think of like a circuit

1244

00:47:02,069 --> 00:47:00,240

board you know like a

1245

00:47:03,270 --> 00:47:02,079

and in these components you know these

1246

00:47:03,829 --> 00:47:03,280

two little components this little

1247

00:47:05,829 --> 00:47:03,839

component

1248

00:47:07,670 --> 00:47:05,839

this susan is in the middle of these two

1249

00:47:09,190 --> 00:47:07,680

owls and they're all rigged together

1250

00:47:12,309 --> 00:47:09,200

with the trees and the hammock and

1251

00:47:14,150 --> 00:47:12,319

there's she's being recalibrated

1252

00:47:15,270 --> 00:47:14,160

um eventually her husband came home and

1253

00:47:16,150 --> 00:47:15,280

said how you feeling and she said what

1254

00:47:17,270 --> 00:47:16,160

do you notice

1255

00:47:18,390 --> 00:47:17,280

he said well there's an owl in that

1256

00:47:19,430 --> 00:47:18,400

branch and there's an owl and that

1257

00:47:20,309 --> 00:47:19,440

branch and that tree over there and

1258

00:47:21,030 --> 00:47:20,319

they're hooting at each other and she

1259

00:47:24,549 --> 00:47:21,040

says uh-huh

1260

00:47:25,990 --> 00:47:24,559

uh-huh and then afterwards

1261

00:47:28,230 --> 00:47:26,000

she had had some premonitions about this

1262

00:47:30,710 --> 00:47:28,240

and i'm i'm not sure

1263

00:47:32,230 --> 00:47:30,720

but afterwards she started doing healing

1264

00:47:34,390 --> 00:47:32,240

hands-on healing she doesn't call it

1265

00:47:37,829 --> 00:47:34,400

reiki she calls it hands-on healing

1266

00:47:39,990 --> 00:47:37,839

and this is very this is

1267

00:47:41,109 --> 00:47:40,000

this is the kind of story that that i

1268

00:47:44,630 --> 00:47:41,119

i'm drawn to

1269

00:47:46,150 --> 00:47:44,640

these very strange symbolic stories like

1270

00:47:47,910 --> 00:47:46,160

this easter sunday

1271

00:47:49,510 --> 00:47:47,920

um you know i asked her do you think it

1272

00:47:50,230 --> 00:47:49,520

was a kundalini awakening she said no i

1273

00:47:51,670 --> 00:47:50,240

don't think so

1274

00:47:53,430 --> 00:47:51,680

but that's kind of what she was

1275

00:47:56,069 --> 00:47:53,440

describing um

1276

00:47:56,870 --> 00:47:56,079

you know the energy surge upper spine

1277

00:47:59,349 --> 00:47:56,880

yes

1278

00:48:00,150 --> 00:47:59,359

it does sound like a kundalini awakening

1279

00:48:01,910 --> 00:48:00,160

to me

1280

00:48:03,430 --> 00:48:01,920

uh but sometimes these things aren't

1281

00:48:05,829 --> 00:48:03,440

complete that yeah

1282

00:48:07,190 --> 00:48:05,839

you know they don't so it's quite quite

1283

00:48:10,470 --> 00:48:07,200

amazing and to become

1284

00:48:13,910 --> 00:48:10,480

a hands-on healer uh of course is uh

1285

00:48:18,150 --> 00:48:13,920

a wonderful place to take this energy

1286

00:48:21,990 --> 00:48:18,160

to i believe yes i agree

1287

00:48:24,309 --> 00:48:22,000

so um do you have anything else to say

1288

00:48:27,750 --> 00:48:24,319

about the idea that

1289

00:48:30,870 --> 00:48:27,760

that people's sanity uh

1290

00:48:33,750 --> 00:48:30,880

could be in jeopardy from

1291

00:48:33,990 --> 00:48:33,760

the presence of these entities because

1292

00:48:36,309 --> 00:48:34,000

this

1293

00:48:38,870 --> 00:48:36,319

is something that is extremely

1294

00:48:40,230 --> 00:48:38,880

interesting to me

1295

00:48:42,150 --> 00:48:40,240

you know i would i'm trying to think of

1296

00:48:45,270 --> 00:48:42,160

a case you know so i

1297

00:48:46,790 --> 00:48:45,280

i mean this is the this is the how to

1298

00:48:48,309 --> 00:48:46,800

say it like if someone hikes goes up to

1299

00:48:49,990 --> 00:48:48,319

the top of mount olympus back in ancient

1300

00:48:51,030 --> 00:48:50,000

greece and like meets the gods right

1301
00:48:51,670 --> 00:48:51,040
they're going to come down they're going

1302
00:48:54,950 --> 00:48:51,680
to be

1303
00:48:56,790 --> 00:48:54,960
you just see them with like their pairs

1304
00:48:58,950 --> 00:48:56,800
like blown back in the wild look in

1305
00:49:00,470 --> 00:48:58,960
their eyes yes yeah i mean that's the

1306
00:49:08,390 --> 00:49:00,480
that's the

1307
00:49:11,270 --> 00:49:08,400
i mean so so i think of myself when i

1308
00:49:11,750 --> 00:49:11,280
and so between 2006 when i had that

1309
00:49:14,150 --> 00:49:11,760
event

1310
00:49:14,870 --> 00:49:14,160
in the mountains where i saw those owls

1311
00:49:18,230 --> 00:49:14,880
and about

1312
00:49:21,910 --> 00:49:18,240
2011. i

1313
00:49:22,870 --> 00:49:21,920

that's five years i i've said this

1314

00:49:26,230 --> 00:49:22,880

publicly

1315

00:49:28,230 --> 00:49:26,240

i felt like i spent 95

1316

00:49:29,750 --> 00:49:28,240

of my waking hours wondering if i had

1317

00:49:33,190 --> 00:49:29,760

gone insane

1318

00:49:36,790 --> 00:49:33,200

and that is not an exaggeration um

1319

00:49:40,230 --> 00:49:38,150

you know i was i mean i was in the

1320

00:49:40,710 --> 00:49:40,240

presence of powerful synchronicities yes

1321

00:49:43,990 --> 00:49:40,720

so i

1322

00:49:47,670 --> 00:49:44,000

so there's a i'm certain that

1323

00:49:48,950 --> 00:49:47,680

that that these experiences whether

1324

00:49:50,150 --> 00:49:48,960

simply the presence you know i heard at

1325

00:49:51,510 --> 00:49:50,160

one time described that they're

1326

00:49:52,950 --> 00:49:51,520

like basically they're on a different

1327

00:49:54,309 --> 00:49:52,960

vibration than us they're from some

1328

00:49:54,870 --> 00:49:54,319

other reality they're from some of the

1329

00:49:56,470 --> 00:49:54,880

realm

1330

00:49:58,069 --> 00:49:56,480

they arrive here they're vibrating

1331

00:50:00,069 --> 00:49:58,079

differently i don't know and

1332

00:50:02,309 --> 00:50:00,079

and so just being in the mere presence

1333

00:50:03,270 --> 00:50:02,319

of something from an alternate reality

1334

00:50:05,190 --> 00:50:03,280

that's just not

1335

00:50:06,549 --> 00:50:05,200

in sync with our vibrations i'm using

1336

00:50:07,670 --> 00:50:06,559

terms that that

1337

00:50:09,990 --> 00:50:07,680

that i don't know i'm probably

1338

00:50:10,630 --> 00:50:10,000

explaining incorrectly but that is my

1339

00:50:12,470 --> 00:50:10,640

sense

1340

00:50:14,230 --> 00:50:12,480

i don't think you're explaining it

1341

00:50:15,190 --> 00:50:14,240

incorrectly i think you're explaining it

1342

00:50:16,870 --> 00:50:15,200

correctly

1343

00:50:18,390 --> 00:50:16,880

because there are vibrations in the

1344

00:50:21,030 --> 00:50:18,400

contact experience

1345

00:50:22,390 --> 00:50:21,040

there are vibrations and sleep paralysis

1346

00:50:25,670 --> 00:50:22,400

there are vibrations

1347

00:50:27,270 --> 00:50:25,680

in the epileptic migrant disorder

1348

00:50:29,430 --> 00:50:27,280

and there are vibrations in the

1349

00:50:31,829 --> 00:50:29,440

kundalini awakening

1350

00:50:33,750 --> 00:50:31,839

and i get different kinds of vibrations

1351

00:50:35,829 --> 00:50:33,760

when i go to the monroe institute and

1352

00:50:38,870 --> 00:50:35,839

use their hemising technology

1353

00:50:40,309 --> 00:50:38,880

to meditate i sort of run energy through

1354

00:50:44,150 --> 00:50:40,319

my body and it

1355

00:50:47,190 --> 00:50:44,160

is doable and it is not in itself

1356

00:50:49,109 --> 00:50:47,200

horrifying or terrifying but when you

1357

00:50:50,309 --> 00:50:49,119

have the vibration in the contact

1358

00:50:54,230 --> 00:50:50,319

experience

1359

00:50:57,190 --> 00:50:54,240

that is uh you know the average person i

1360

00:50:59,910 --> 00:50:57,200

put myself in that category in this case

1361

00:51:01,349 --> 00:50:59,920

tries to fight it at all costs it

1362

00:51:06,069 --> 00:51:01,359

because of this

1363

00:51:08,630 --> 00:51:06,079

this horrible primal fear factor

1364

00:51:11,750 --> 00:51:08,640

and yes yes i did not know so you i have

1365

00:51:14,870 --> 00:51:11,760

here can i tell a a story about the um

1366

00:51:15,109 --> 00:51:14,880

uh the hemisync tapes sure sure so this

1367

00:51:18,309 --> 00:51:15,119

is

1368

00:51:21,349 --> 00:51:18,319

um i had an experience in

1369

00:51:24,230 --> 00:51:21,359

uh 2013

1370

00:51:24,870 --> 00:51:24,240

where i slept outside and i saw a what i

1371

00:51:27,030 --> 00:51:24,880

thought was a

1372

00:51:28,309 --> 00:51:27,040

landed flying saucer on a hilltop and i

1373

00:51:29,510 --> 00:51:28,319

just laid there and i rolled over went

1374

00:51:30,790 --> 00:51:29,520

back to sleep and said that's some big

1375

00:51:33,109 --> 00:51:30,800

house and then i went back to the site

1376

00:51:36,069 --> 00:51:33,119

later and there's no big house there

1377

00:51:37,109 --> 00:51:36,079

so so i i that bugged me and it was you

1378

00:51:39,190 --> 00:51:37,119

know what was interesting about that

1379

00:51:40,549 --> 00:51:39,200

that event there was no fear associated

1380

00:51:41,829 --> 00:51:40,559

with it all everything about that whole

1381

00:51:43,430 --> 00:51:41,839

thing was pleasant

1382

00:51:44,710 --> 00:51:43,440

it was a beautiful night the stars were

1383

00:51:45,589 --> 00:51:44,720

beautiful i was sleeping in southern

1384

00:51:47,750 --> 00:51:45,599

utah

1385

00:51:49,589 --> 00:51:47,760

and i was sleeping outside alone and and

1386

00:51:52,630 --> 00:51:49,599

i heard a coyote near my head

1387

00:51:54,549 --> 00:51:52,640

which is as close as any

1388

00:51:55,990 --> 00:51:54,559

it was so close i don't understand why i

1389

00:51:58,230 --> 00:51:56,000

didn't see it

1390

00:51:59,270 --> 00:51:58,240

and that it was loud and it woke me up

1391

00:52:01,670 --> 00:51:59,280

so there's like a

1392

00:52:02,309 --> 00:52:01,680

there's like totem animal a coyote and i

1393

00:52:04,950 --> 00:52:02,319

was in

1394

00:52:05,589 --> 00:52:04,960

a trickster waking me up and then

1395

00:52:10,710 --> 00:52:05,599

there's a

1396

00:52:12,710 --> 00:52:10,720

i also saw a light behind a bush now

1397

00:52:13,190 --> 00:52:12,720

there's another sort of biblical imagery

1398

00:52:15,109 --> 00:52:13,200

there

1399

00:52:16,549 --> 00:52:15,119

the same night mike the same night the

1400

00:52:19,670 --> 00:52:16,559

same night then so

1401

00:52:21,190 --> 00:52:19,680

and i and i and i i

1402

00:52:23,430 --> 00:52:21,200

rarely meditate every once in a while i

1403

00:52:26,549 --> 00:52:23,440

will and i and i like the the um

1404

00:52:27,910 --> 00:52:26,559

hemi sync tapes with robert monroe's

1405

00:52:28,950 --> 00:52:27,920

voice he's got this kind of radio

1406

00:52:31,190 --> 00:52:28,960

announcer voice yes

1407

00:52:32,230 --> 00:52:31,200

and he says you know he's leading the

1408

00:52:36,470 --> 00:52:32,240

the uh

1409

00:52:37,670 --> 00:52:36,480

like take your troubles and put them in

1410

00:52:39,190 --> 00:52:37,680

a big heavy box

1411

00:52:41,190 --> 00:52:39,200

you won't be needing them for the length

1412

00:52:42,790 --> 00:52:41,200

of your of your session

1413

00:52:44,549 --> 00:52:42,800

and so and then also he's just he's

1414

00:52:45,990 --> 00:52:44,559

talking and he says and now take the

1415

00:52:47,589 --> 00:52:46,000

fingers of your right hand

1416

00:52:49,109 --> 00:52:47,599

and press them to your forehead when you

1417

00:52:50,870 --> 00:52:49,119

touch your forehead the

1418

00:52:52,150 --> 00:52:50,880

the issue at hand will be revealed and

1419

00:52:53,510 --> 00:52:52,160

i'm like sitting there in my living room

1420

00:52:55,510 --> 00:52:53,520

i got a little meditation stool i'm as

1421

00:52:57,270 --> 00:52:55,520

calm as can be it's just

1422

00:52:58,950 --> 00:52:57,280

you know and i just i'm in the sunshine

1423

00:53:00,069 --> 00:52:58,960

it's warm and he says take the fingers

1424

00:53:01,750 --> 00:53:00,079

of your right hand

1425

00:53:03,589 --> 00:53:01,760

touch your forehead and the issues at

1426
00:53:04,870 --> 00:53:03,599
hand will be revealed i just touched my

1427
00:53:07,990 --> 00:53:04,880
forward and bam

1428
00:53:11,349 --> 00:53:08,000
i get the electric image

1429
00:53:15,030 --> 00:53:11,359
clear as a bell of

1430
00:53:16,870 --> 00:53:15,040
me lying on the ground at that site

1431
00:53:18,069 --> 00:53:16,880
in utah where i saw the round thing on

1432
00:53:21,030 --> 00:53:18,079
the on the hilltop

1433
00:53:22,390 --> 00:53:21,040
and i am surrounded by gray aliens

1434
00:53:25,510 --> 00:53:22,400
standing in a circle around me

1435
00:53:27,829 --> 00:53:25,520
and it was i was in a totally calm

1436
00:53:29,990 --> 00:53:27,839
state it was as peaceful as vision as it

1437
00:53:31,990 --> 00:53:30,000
could be it probably lasted click click

1438
00:53:33,829 --> 00:53:32,000

one second and i have like what amounts

1439

00:53:36,470 --> 00:53:33,839

to a single

1440

00:53:38,470 --> 00:53:36,480

slide like sort of seared into my memory

1441

00:53:40,790 --> 00:53:38,480

of that event

1442

00:53:42,150 --> 00:53:40,800

that is that is quite amazing that is

1443

00:53:45,990 --> 00:53:42,160

quite amazing

1444

00:53:49,270 --> 00:53:46,000

and i i have lots of experience with

1445

00:53:52,470 --> 00:53:49,280

the monroe institute and the hemisink

1446

00:53:54,950 --> 00:53:52,480

experience and it is it can be and it is

1447

00:53:56,470 --> 00:53:54,960

a powerful one in the right circumstance

1448

00:54:00,309 --> 00:53:56,480

absolutely

1449

00:54:02,549 --> 00:54:00,319

um my uh i have certain

1450

00:54:03,349 --> 00:54:02,559

uh things that i do to try to ground

1451
00:54:06,470 --> 00:54:03,359
myself

1452
00:54:07,349 --> 00:54:06,480
which is uh two things i can mention one

1453
00:54:11,109 --> 00:54:07,359
thing is

1454
00:54:14,230 --> 00:54:11,119
try to find uh the most uh pragmatic

1455
00:54:16,549 --> 00:54:14,240
and parsimonious explanation for stuff

1456
00:54:19,829 --> 00:54:16,559
that happens to me so i don't go

1457
00:54:21,829 --> 00:54:19,839
off you know off the deep end because i

1458
00:54:25,270 --> 00:54:21,839
come very close at times

1459
00:54:26,710 --> 00:54:25,280
as do i and so i try to look for the

1460
00:54:29,829 --> 00:54:26,720
most pragmatic thing

1461
00:54:31,750 --> 00:54:29,839
possible but often um

1462
00:54:33,510 --> 00:54:31,760
it isn't the most pragmatic thing

1463
00:54:36,309 --> 00:54:33,520

possible such as

1464

00:54:38,150 --> 00:54:36,319

the orange flash that we both

1465

00:54:39,270 --> 00:54:38,160

experienced at different times and

1466

00:54:42,470 --> 00:54:39,280

different days and

1467

00:54:43,190 --> 00:54:42,480

perhaps it wasn't an iridium flash in my

1468

00:54:46,230 --> 00:54:43,200

case

1469

00:54:49,190 --> 00:54:46,240

but i you know i try not to

1470

00:54:49,910 --> 00:54:49,200

focus and another stupid thing that i do

1471

00:54:52,390 --> 00:54:49,920

when i get

1472

00:54:53,990 --> 00:54:52,400

too overwhelmed with my thoughts about

1473

00:54:57,109 --> 00:54:54,000

these things even

1474

00:55:00,870 --> 00:54:57,119

in breaks and reading your books i went

1475

00:55:03,030 --> 00:55:00,880

and did um a i played solitaire a game

1476

00:55:05,589 --> 00:55:03,040

or two in between on the computer

1477

00:55:06,069 --> 00:55:05,599

to just sort of let my thoughts settle

1478

00:55:08,470 --> 00:55:06,079

because

1479

00:55:10,549 --> 00:55:08,480

when i play solitaire it's like a

1480

00:55:12,230 --> 00:55:10,559

meditation of sorts it just takes my

1481

00:55:13,349 --> 00:55:12,240

mind away from whatever's going on in

1482

00:55:15,589 --> 00:55:13,359

the present or

1483

00:55:17,750 --> 00:55:15,599

what i've been reading and it allows my

1484

00:55:19,910 --> 00:55:17,760

subconscious to sort of

1485

00:55:22,069 --> 00:55:19,920

uh you know shake my brain a little bit

1486

00:55:23,190 --> 00:55:22,079

and settle the thoughts so that i'm able

1487

00:55:25,109 --> 00:55:23,200

to go back to say

1488

00:55:27,589 --> 00:55:25,119

reading or to what i was thinking about

1489

00:55:30,309 --> 00:55:27,599

afterwards so it's it's my own little

1490

00:55:31,349 --> 00:55:30,319

meditation and bring my feet back onto

1491

00:55:34,390 --> 00:55:31,359

the ground

1492

00:55:37,589 --> 00:55:34,400

situation now one thing i

1493

00:55:40,870 --> 00:55:37,599

wanted to ask you about uh

1494

00:55:43,990 --> 00:55:40,880

i i've been to um

1495

00:55:46,390 --> 00:55:44,000

the omega institute a number of times

1496

00:55:47,430 --> 00:55:46,400

and one of the times i went there i've

1497

00:55:50,630 --> 00:55:47,440

been up there for

1498

00:55:52,630 --> 00:55:50,640

shamanic events and um

1499

00:55:54,230 --> 00:55:52,640

i was with a group a large group of

1500

00:55:58,230 --> 00:55:54,240

people for one of these

1501
00:55:59,589 --> 00:55:58,240
shamanic events with uh mr perkins i'm

1502
00:56:00,710 --> 00:55:59,599
trying to think of his first name not

1503
00:56:03,829 --> 00:56:00,720
david perkins

1504
00:56:05,990 --> 00:56:03,839
no um um um

1505
00:56:06,870 --> 00:56:06,000
oh john perkins john perkins the guy who

1506
00:56:09,510 --> 00:56:06,880
yeah the the

1507
00:56:10,309 --> 00:56:09,520
the hitman book what was it called the

1508
00:56:13,750 --> 00:56:10,319
economic hitman

1509
00:56:17,109 --> 00:56:13,760
up there

1510
00:56:21,349 --> 00:56:17,119
for one experience which involved the

1511
00:56:24,069 --> 00:56:21,359
meeting of the eagle and the condor

1512
00:56:25,670 --> 00:56:24,079
which was a shamanic gathering where

1513
00:56:28,950 --> 00:56:25,680

american people

1514

00:56:29,589 --> 00:56:28,960

who were involved on some level in a

1515

00:56:32,950 --> 00:56:29,599

shamanic

1516

00:56:36,069 --> 00:56:32,960

experiences would represent the eagle

1517

00:56:36,470 --> 00:56:36,079

and the the south american shamans that

1518

00:56:39,430 --> 00:56:36,480

he

1519

00:56:40,789 --> 00:56:39,440

had brought up from mostly peru but i

1520

00:56:42,470 --> 00:56:40,799

think there were a couple of countries

1521

00:56:44,870 --> 00:56:42,480

mostly peru

1522

00:56:46,710 --> 00:56:44,880

they represented the condor so we're

1523

00:56:47,510 --> 00:56:46,720

still talking about birds here on some

1524

00:56:50,630 --> 00:56:47,520

level

1525

00:56:54,870 --> 00:56:50,640

uh and there were a number of people

1526
00:56:58,950 --> 00:56:54,880
who were fully or part native american

1527
00:57:01,510 --> 00:56:58,960
and they uh indicated to me

1528
00:57:02,470 --> 00:57:01,520
that there is a big prohibition or a

1529
00:57:06,150 --> 00:57:02,480
taboo

1530
00:57:09,190 --> 00:57:06,160
on owl magic among a lot of uh

1531
00:57:10,630 --> 00:57:09,200
native american first nations tribes so

1532
00:57:11,270 --> 00:57:10,640
do you want to speak to that a minute or

1533
00:57:12,950 --> 00:57:11,280
two

1534
00:57:14,710 --> 00:57:12,960
so i'm not i'm not an expert on this by

1535
00:57:16,069 --> 00:57:14,720
any means in my s and from what i my

1536
00:57:18,630 --> 00:57:16,079
understanding is it depends on

1537
00:57:19,910 --> 00:57:18,640
the tribe right so the if clustered

1538
00:57:23,109 --> 00:57:19,920

around let's say the um

1539

00:57:25,910 --> 00:57:23,119

the southwest plains indians boy the

1540

00:57:26,549 --> 00:57:25,920

zuni and the hopi and the navajo owl is

1541

00:57:30,870 --> 00:57:26,559

like

1542

00:57:34,549 --> 00:57:30,880

bad medicine yes and and i spoke to um

1543

00:57:37,430 --> 00:57:34,559

i think he was navajo and he said

1544

00:57:38,390 --> 00:57:37,440

that the um it's funny he did not know

1545

00:57:39,589 --> 00:57:38,400

about my book

1546

00:57:41,430 --> 00:57:39,599

and he's because i was speaking at a

1547

00:57:42,789 --> 00:57:41,440

conference and he was selling some

1548

00:57:43,910 --> 00:57:42,799

jewelry him and his wife were selling

1549

00:57:44,870 --> 00:57:43,920

some jewelry at a table at this

1550

00:57:47,910 --> 00:57:44,880

conference and

1551
00:57:49,270 --> 00:57:47,920
and he he said you're the owl guy and i

1552
00:57:49,589 --> 00:57:49,280
said yeah yeah because he saw the little

1553
00:57:51,510 --> 00:57:49,599
and

1554
00:57:52,870 --> 00:57:51,520
he didn't know that he said our we call

1555
00:57:54,069 --> 00:57:52,880
the owl the messenger

1556
00:57:55,829 --> 00:57:54,079
and i was like well that's the name of

1557
00:57:57,030 --> 00:57:55,839
the book he said and he said in their

1558
00:57:59,829 --> 00:57:57,040
language

1559
00:58:01,910 --> 00:57:59,839
owl and sinister are synonyms they're

1560
00:58:04,630 --> 00:58:01,920
the same word

1561
00:58:05,190 --> 00:58:04,640
so yeah you don't it's like i talked to

1562
00:58:07,589 --> 00:58:05,200
someone who

1563
00:58:08,309 --> 00:58:07,599

um uh worked at a little elementary

1564

00:58:11,910 --> 00:58:08,319

school

1565

00:58:13,109 --> 00:58:11,920

in in uh uh

1566

00:58:15,030 --> 00:58:13,119

i can't remember where it was i think it

1567

00:58:16,710 --> 00:58:15,040

was in arizona and

1568

00:58:18,630 --> 00:58:16,720

and so she was a poor community and she

1569

00:58:19,670 --> 00:58:18,640

was volunteering there and

1570

00:58:21,990 --> 00:58:19,680

came time the kids were going to

1571

00:58:23,109 --> 00:58:22,000

graduate the school year was over so she

1572

00:58:24,710 --> 00:58:23,119

put all these little like

1573

00:58:26,390 --> 00:58:24,720

you know the things you would get at any

1574

00:58:28,630 --> 00:58:26,400

little at the drugstore you know there's

1575

00:58:30,069 --> 00:58:28,640

little pictures of owls with little

1576

00:58:31,510 --> 00:58:30,079

graduation camps and she

1577

00:58:32,710 --> 00:58:31,520

caps on their head and so she

1578

00:58:33,190 --> 00:58:32,720

thumbtacked those up to the bulletin

1579

00:58:36,710 --> 00:58:33,200

board and

1580

00:58:37,030 --> 00:58:36,720

boy the parents came came in and like uh

1581

00:58:38,630 --> 00:58:37,040

uh

1582

00:58:40,870 --> 00:58:38,640

don't do that you can't do that it was

1583

00:58:42,950 --> 00:58:40,880

like that was that was

1584

00:58:45,430 --> 00:58:42,960

and this was a native american community

1585

00:58:48,230 --> 00:58:45,440

is a native american community in in uh

1586

00:58:50,470 --> 00:58:48,240

and i think arizona uh-huh so that so

1587

00:58:52,470 --> 00:58:50,480

yes so there's a very strong

1588

00:58:53,829 --> 00:58:52,480

now owls are associated with death in

1589

00:58:56,069 --> 00:58:53,839

almost every culture

1590

00:58:57,109 --> 00:58:56,079

and that's and that's understandable

1591

00:58:58,789 --> 00:58:57,119

even in our culture

1592

00:59:00,150 --> 00:58:58,799

even in the simplest form like if

1593

00:59:02,549 --> 00:59:00,160

someone's if uh

1594

00:59:03,910 --> 00:59:02,559

if um you want to create a scary mood

1595

00:59:04,950 --> 00:59:03,920

right you just and you're making a movie

1596

00:59:06,150 --> 00:59:04,960

you just have someone walk through the

1597

00:59:07,030 --> 00:59:06,160

woods at night and have to hear an owl

1598

00:59:09,430 --> 00:59:07,040

hooting and boom

1599

00:59:11,349 --> 00:59:09,440

everyone that establishes this is eerie

1600

00:59:11,990 --> 00:59:11,359

this is spooky everyone recognizes that

1601
00:59:14,549 --> 00:59:12,000
little

1602
00:59:16,549 --> 00:59:14,559
sound effect um but i don't think that's

1603
00:59:18,309 --> 00:59:16,559
necessarily true of all the tribes

1604
00:59:19,910 --> 00:59:18,319
and i can't speak i know that some where

1605
00:59:20,549 --> 00:59:19,920
i'm in the northeast here the mikmaq

1606
00:59:22,470 --> 00:59:20,559
tribe

1607
00:59:23,829 --> 00:59:22,480
um it's my understanding they have they

1608
00:59:25,829 --> 00:59:23,839
treat the owl

1609
00:59:27,190 --> 00:59:25,839
with a different kind of reverence um it

1610
00:59:29,430 --> 00:59:27,200
is often

1611
00:59:31,030 --> 00:59:29,440
still considered to be a messenger of a

1612
00:59:31,670 --> 00:59:31,040
bad omen that doesn't make the owl bad

1613
00:59:34,710 --> 00:59:31,680

but it can

1614

00:59:37,190 --> 00:59:34,720

it can be delivering a bad message

1615

00:59:38,870 --> 00:59:37,200

i have not found this in my research

1616

00:59:39,750 --> 00:59:38,880

except for some fleeting cases i have

1617

00:59:42,390 --> 00:59:39,760

not found this

1618

00:59:43,270 --> 00:59:42,400

i have found i have found certainly the

1619

00:59:45,910 --> 00:59:43,280

owl shows up

1620

00:59:46,950 --> 00:59:45,920

before very challenging experiences

1621

00:59:49,030 --> 00:59:46,960

doesn't make them bad

1622

00:59:50,710 --> 00:59:49,040

right before challenging experiences and

1623

00:59:53,030 --> 00:59:50,720

i've also found

1624

00:59:53,990 --> 00:59:53,040

very few stories of owls showing up

1625

00:59:55,829 --> 00:59:54,000

before a death

1626

00:59:57,990 --> 00:59:55,839

that's the folklore i was showing it

1627

00:59:59,990 --> 00:59:58,000

before a death

1628

01:00:01,109 --> 01:00:00,000

i have found almost none of those i

1629

01:00:04,549 --> 01:00:01,119

found many

1630

01:00:09,910 --> 01:00:04,559

many examples of owls showing up after

1631

01:00:13,030 --> 01:00:12,230

uh often the death of a parent

1632

01:00:16,069 --> 01:00:13,040

interesting

1633

01:00:17,910 --> 01:00:16,079

bring this up and

1634

01:00:20,150 --> 01:00:17,920

um i'm not going to tell this whole

1635

01:00:23,670 --> 01:00:20,160

story here right now

1636

01:00:28,630 --> 01:00:23,680

but um when i went

1637

01:00:32,150 --> 01:00:28,640

uh to disperse the ashes

1638

01:00:35,750 --> 01:00:32,160

of my parents um

1639

01:00:36,630 --> 01:00:35,760

i went to certain places to sprinkle a

1640

01:00:40,710 --> 01:00:36,640

few ashes

1641

01:00:47,030 --> 01:00:45,030

paris uh dif pairs of ducks showed up

1642

01:00:48,710 --> 01:00:47,040

in places where you would not expect

1643

01:00:51,109 --> 01:00:48,720

pairs of ducks to show up

1644

01:00:53,349 --> 01:00:51,119

or one place that a pair of ducks could

1645

01:00:54,150 --> 01:00:53,359

show up but just as soon as i put some

1646

01:00:57,430 --> 01:00:54,160

ashes

1647

01:00:59,670 --> 01:00:57,440

by the edge of the water ducks showed up

1648

01:01:03,109 --> 01:00:59,680

in three different places

1649

01:01:06,549 --> 01:01:03,119

so um perhaps i will email you

1650

01:01:07,670 --> 01:01:06,559

my uh my little story from my blog about

1651

01:01:11,510 --> 01:01:07,680

that

1652

01:01:12,789 --> 01:01:11,520

birds in general i think birds are birds

1653

01:01:14,950 --> 01:01:12,799

are associated with death but

1654

01:01:16,630 --> 01:01:14,960

in owls i'm getting the owl stories

1655

01:01:18,309 --> 01:01:16,640

right so i've got i'm just thinking open

1656

01:01:19,829 --> 01:01:18,319

call so it's not it's not by accident

1657

01:01:21,349 --> 01:01:19,839

that i'm getting owl stories i'm asking

1658

01:01:23,190 --> 01:01:21,359

for them and they're arriving so

1659

01:01:25,109 --> 01:01:23,200

um and but there's certainly here's the

1660

01:01:28,150 --> 01:01:25,119

story um a woman

1661

01:01:29,510 --> 01:01:28,160

i had a hawk show up at her house

1662

01:01:31,670 --> 01:01:29,520

it was showing up all the time it was

1663

01:01:33,190 --> 01:01:31,680

like making itself known and she was a

1664

01:01:34,470 --> 01:01:33,200

private detective this was great if you

1665

01:01:37,990 --> 01:01:34,480

want to like she was a good

1666

01:01:39,750 --> 01:01:38,000

person to interact with so she she uh

1667

01:01:41,030 --> 01:01:39,760

uh i mean she was very level-headed and

1668

01:01:42,390 --> 01:01:41,040

grounded and and

1669

01:01:44,069 --> 01:01:42,400

she's like why is this hawk showing up

1670

01:01:45,349 --> 01:01:44,079

in my house and like i don't know like

1671

01:01:46,710 --> 01:01:45,359

how am i supposed to know like the next

1672

01:01:48,150 --> 01:01:46,720

time it shows up i just made this up on

1673

01:01:49,829 --> 01:01:48,160

the spot next time it shows up you ask

1674

01:01:51,349 --> 01:01:49,839

the hawk just ask it aloud

1675

01:01:52,870 --> 01:01:51,359

and so the hawk showed up again and she

1676
01:01:54,309 --> 01:01:52,880
was it was on her garage roof and she

1677
01:01:55,349 --> 01:01:54,319
looked at this hawk and she said i very

1678
01:01:57,589 --> 01:01:55,359
respectfully

1679
01:01:59,029 --> 01:01:57,599
ask why you are here i am grateful for

1680
01:02:00,390 --> 01:01:59,039
your visit but i'm asking you why are

1681
01:02:01,510 --> 01:02:00,400
you visiting me

1682
01:02:02,309 --> 01:02:01,520
and the hawk looked at her and she

1683
01:02:03,589 --> 01:02:02,319
looked at the hawk and the hawk

1684
01:02:04,950 --> 01:02:03,599
eventually flew away and she walked in

1685
01:02:07,109 --> 01:02:04,960
the house and the phone rang

1686
01:02:08,470 --> 01:02:07,119
she picked up the phone and there was

1687
01:02:12,230 --> 01:02:08,480
nobody there

1688
01:02:14,870 --> 01:02:12,240

and the the call the the the name on the

1689

01:02:15,910 --> 01:02:14,880

it gave the town on the where the call

1690

01:02:19,029 --> 01:02:15,920

came from

1691

01:02:21,829 --> 01:02:19,039

it was from francine

1692

01:02:23,270 --> 01:02:21,839

uh massachusetts and she's a private

1693

01:02:24,789 --> 01:02:23,280

detective she's like looked up francine

1694

01:02:25,990 --> 01:02:24,799

there is no francine massachusetts she

1695

01:02:26,870 --> 01:02:26,000

dug and she dug and she dug she called

1696

01:02:28,230 --> 01:02:26,880

the phone company

1697

01:02:31,829 --> 01:02:28,240

she actually found out that there was a

1698

01:02:32,470 --> 01:02:31,839

francine like exchange that had long

1699

01:02:35,190 --> 01:02:32,480

since been

1700

01:02:36,630 --> 01:02:35,200

you know back when wires and land lines

1701

01:02:38,150 --> 01:02:36,640

and stuff they would have exchanges and

1702

01:02:39,270 --> 01:02:38,160

it just it didn't it was like that was

1703

01:02:41,990 --> 01:02:39,280

the location it came from it didn't

1704

01:02:43,589 --> 01:02:42,000

there's no town called francine

1705

01:02:46,630 --> 01:02:43,599

her mother's name was francine and her

1706

01:02:49,670 --> 01:02:46,640

mother had just recently died

1707

01:02:51,670 --> 01:02:49,680

so how like who organized that

1708

01:02:52,950 --> 01:02:51,680

right i mean that was to me that i i

1709

01:02:55,190 --> 01:02:52,960

don't know that i call that magic right

1710

01:02:57,510 --> 01:02:55,200

some magical event took place

1711

01:02:58,230 --> 01:02:57,520

so certainly so she asked the owl she

1712

01:02:59,589 --> 01:02:58,240

asked the hawk

1713

01:03:01,750 --> 01:02:59,599

i almost called it a novel she asked the

1714

01:03:02,069 --> 01:03:01,760

hawk can you tell me why you're here and

1715

01:03:06,470 --> 01:03:02,079

then

1716

01:03:09,829 --> 01:03:06,480

boom a bell rings from francine

1717

01:03:12,150 --> 01:03:09,839

that is quite amazing and to add to all

1718

01:03:14,789 --> 01:03:12,160

these synchronicities mike

1719

01:03:15,510 --> 01:03:14,799

today is the anniversary of my mother's

1720

01:03:19,349 --> 01:03:15,520

birthday

1721

01:03:21,190 --> 01:03:19,359

who was has passed and uh we're talking

1722

01:03:24,710 --> 01:03:21,200

about all of this

1723

01:03:27,109 --> 01:03:24,720

and i happen to look on my facebook

1724

01:03:27,990 --> 01:03:27,119

page and they try to tell you do you

1725

01:03:30,230 --> 01:03:28,000

want to

1726

01:03:31,270 --> 01:03:30,240

repeat something that you said like a

1727

01:03:33,990 --> 01:03:31,280

few years ago

1728

01:03:35,029 --> 01:03:34,000

on this day you know do you want to put

1729

01:03:37,910 --> 01:03:35,039

this out again

1730

01:03:39,510 --> 01:03:37,920

and i had kind of forgotten this but it

1731

01:03:42,950 --> 01:03:39,520

did apparently happen

1732

01:03:46,470 --> 01:03:42,960

that in 2011 um

1733

01:03:47,190 --> 01:03:46,480

the doorbell rang on this day and no one

1734

01:03:49,349 --> 01:03:47,200

was there

1735

01:03:51,589 --> 01:03:49,359

and i really felt like it was a message

1736

01:03:53,349 --> 01:03:51,599

from my mother

1737

01:03:55,430 --> 01:03:53,359

how interesting yeah today is also what

1738

01:03:56,069 --> 01:03:55,440

i consider my confirmation event where i

1739

01:03:58,309 --> 01:03:56,079

had where i

1740

01:03:59,510 --> 01:03:58,319

basically like had the event which is

1741

01:04:00,870 --> 01:03:59,520

long takes about a half hour to tell

1742

01:04:04,069 --> 01:04:00,880

this story i won't go into it now

1743

01:04:08,309 --> 01:04:04,079

but i had a psychic vision on march 12th

1744

01:04:11,270 --> 01:04:08,319

2013 two days after that that event

1745

01:04:13,270 --> 01:04:11,280

um uh where i saw the roundhouse on the

1746

01:04:15,829 --> 01:04:13,280

hill so the question i ask people

1747

01:04:17,190 --> 01:04:15,839

what happened after your ufo event what

1748

01:04:17,829 --> 01:04:17,200

changed in your life so what changed in

1749

01:04:19,670 --> 01:04:17,839

my life

1750

01:04:21,910 --> 01:04:19,680

less than 48 hours after that event was

1751

01:04:24,950 --> 01:04:21,920

basically i had an absolute

1752

01:04:26,549 --> 01:04:24,960

total knowing that this stuff was really

1753

01:04:28,309 --> 01:04:26,559

happening i had been denying it and

1754

01:04:30,069 --> 01:04:28,319

trying to weasel my way out of it

1755

01:04:31,349 --> 01:04:30,079

but i had an absolute total knowing that

1756

01:04:33,349 --> 01:04:31,359

this was real

1757

01:04:34,870 --> 01:04:33,359

and um and i've never and that's i've

1758

01:04:38,390 --> 01:04:34,880

been at that place since

1759

01:04:41,990 --> 01:04:38,400

so are you a philosophical idealist

1760

01:04:48,630 --> 01:04:45,190

do you have a inner

1761

01:04:51,829 --> 01:04:48,640

feeling that what we experience

1762

01:04:55,510 --> 01:04:51,839

in 4d what we call reality

1763

01:04:55,990 --> 01:04:55,520

is almost in itself a screen memory and

1764

01:05:00,710 --> 01:04:56,000

that

1765

01:05:03,029 --> 01:05:00,720

our real essence is something else

1766

01:05:04,390 --> 01:05:03,039

so the answer to that one is yes okay

1767

01:05:05,750 --> 01:05:04,400

yes very much so so

1768

01:05:07,990 --> 01:05:05,760

i mean that was a very nice way to put

1769

01:05:09,029 --> 01:05:08,000

it and yeah i mean whatever this is that

1770

01:05:14,390 --> 01:05:09,039

we're we're

1771

01:05:16,150 --> 01:05:14,400

don't know how else you know we're

1772

01:05:17,670 --> 01:05:16,160

like the construct right what does it

1773

01:05:19,349 --> 01:05:17,680

mean and you see they talk to

1774

01:05:20,950 --> 01:05:19,359

physicists in it like there's like

1775

01:05:22,470 --> 01:05:20,960

there's no matter

1776

01:05:23,990 --> 01:05:22,480

right we should be able to just pass our

1777

01:05:25,349 --> 01:05:24,000

hand through the table but we can't

1778

01:05:28,630 --> 01:05:25,359

there's something there's some

1779

01:05:30,309 --> 01:05:28,640

there's some like you know like the code

1780

01:05:31,829 --> 01:05:30,319

that was typed into the hard drive

1781

01:05:34,230 --> 01:05:31,839

says no you're gonna you're gonna bump

1782

01:05:36,150 --> 01:05:34,240

your stub your toe if you kick the table

1783

01:05:38,390 --> 01:05:36,160

but in the reality there's there's

1784

01:05:39,190 --> 01:05:38,400

no matter at all the atoms when you get

1785

01:05:42,230 --> 01:05:39,200

right down to the

1786

01:05:42,870 --> 01:05:42,240

are just little fluffs of energy so i i

1787

01:05:45,029 --> 01:05:42,880

agree

1788

01:05:46,150 --> 01:05:45,039

there's no there there there's no there

1789

01:05:48,549 --> 01:05:46,160

there exactly

1790

01:05:49,430 --> 01:05:48,559

so except the same time i you you stub

1791

01:05:53,029 --> 01:05:49,440

your toe and it hurts

1792

01:05:56,309 --> 01:05:53,039

yeah so one other thing that really um

1793

01:05:57,990 --> 01:05:56,319

surprised me all of a sudden when i came

1794

01:06:00,230 --> 01:05:58,000

upon the chapter

1795

01:06:02,150 --> 01:06:00,240

about dr kirby's surprise what ever

1796

01:06:03,990 --> 01:06:02,160

happened to that gentleman

1797

01:06:05,190 --> 01:06:04,000

he's around oh he's around yeah he's

1798

01:06:06,870 --> 01:06:05,200

he's i could

1799

01:06:08,470 --> 01:06:06,880

call him up he said he lives in san

1800

01:06:11,510 --> 01:06:08,480

francisco he's a practicing

1801
01:06:11,990 --> 01:06:11,520
uh clinician and um uh there's i want

1802
01:06:15,029 --> 01:06:12,000
this

1803
01:06:15,589 --> 01:06:15,039
yes he's a very smart interesting guy he

1804
01:06:17,750 --> 01:06:15,599
would be a

1805
01:06:18,789 --> 01:06:17,760
great guest on your show i would love to

1806
01:06:20,630 --> 01:06:18,799
have him on the show

1807
01:06:22,470 --> 01:06:20,640
his book is wonderful his book is called

1808
01:06:23,750 --> 01:06:22,480
synchronicity his name is dr kirby

1809
01:06:26,150 --> 01:06:23,760
surprise

1810
01:06:27,430 --> 01:06:26,160
he so here's what so this is a funny

1811
01:06:31,270 --> 01:06:27,440
story so like

1812
01:06:32,710 --> 01:06:31,280
i was listening to him

1813
01:06:34,230 --> 01:06:32,720

he was being his book came out he was

1814

01:06:35,510 --> 01:06:34,240

doing a little podcast circuit and i was

1815

01:06:37,109 --> 01:06:35,520

listening to a lot of podcasts at the

1816

01:06:39,029 --> 01:06:37,119

time it's going back about i guess must

1817

01:06:41,030 --> 01:06:39,039

2012 or so

1818

01:06:42,549 --> 01:06:41,040

um and uh

1819

01:06:44,150 --> 01:06:42,559

[Music]

1820

01:06:45,109 --> 01:06:44,160

and i basically contacted him and said

1821

01:06:46,870 --> 01:06:45,119

listen i'm having a lot of

1822

01:06:48,789 --> 01:06:46,880

synchronicities

1823

01:06:50,470 --> 01:06:48,799

and i've also feel i've had ufo contact

1824

01:06:51,190 --> 01:06:50,480

and i feel that synchronicities and ufo

1825

01:06:53,589 --> 01:06:51,200

contact

1826

01:06:55,510 --> 01:06:53,599

are connected and then heat gets back to

1827

01:06:57,029 --> 01:06:55,520

me and i'm paraphrasing from memory but

1828

01:06:59,190 --> 01:06:57,039

um and he gave me permission to say all

1829

01:07:00,870 --> 01:06:59,200

this he says

1830

01:07:02,789 --> 01:07:00,880

well you know that's all well and good

1831

01:07:05,029 --> 01:07:02,799

but i've had my own ufo contact and it

1832

01:07:07,029 --> 01:07:05,039

does it's not related to synchronicity

1833

01:07:08,789 --> 01:07:07,039

and i'm like like this is in an email

1834

01:07:09,510 --> 01:07:08,799

and i'm like i'm like wait a minute you

1835

01:07:11,270 --> 01:07:09,520

like

1836

01:07:12,630 --> 01:07:11,280

you you wrote a book about synchronicity

1837

01:07:13,510 --> 01:07:12,640

and you had ufo contact and you don't

1838

01:07:15,910 --> 01:07:13,520

think it's

1839

01:07:17,750 --> 01:07:15,920

connected and he was like i see where

1840

01:07:19,029 --> 01:07:17,760

you're going with this read my book

1841

01:07:21,029 --> 01:07:19,039

i think you'll enjoy it just and then

1842

01:07:23,349 --> 01:07:21,039

let's talk and so i read his book and on

1843

01:07:25,270 --> 01:07:23,359

page like 219 or something like that

1844

01:07:26,470 --> 01:07:25,280

he says you can generate synchronicities

1845

01:07:27,430 --> 01:07:26,480

which i think you can do he says you

1846

01:07:32,230 --> 01:07:27,440

simply ask

1847

01:07:34,230 --> 01:07:32,240

would you generate synchronicities for

1848

01:07:36,230 --> 01:07:34,240

me on a theme and he says

1849

01:07:37,670 --> 01:07:36,240

here's what i like to do i like to

1850

01:07:41,349 --> 01:07:37,680

create owls

1851

01:07:43,190 --> 01:07:41,359

so like here's the guy with ufo contact

1852

01:07:45,349 --> 01:07:43,200

we talked about it it's it's it's a very

1853

01:07:48,230 --> 01:07:45,359

interesting set of stories he has

1854

01:07:49,670 --> 01:07:48,240

here's a guy with ufo contact writes a

1855

01:07:52,390 --> 01:07:49,680

book about synchronicities

1856

01:07:53,910 --> 01:07:52,400

and creates a holes like this is owl

1857

01:07:55,270 --> 01:07:53,920

synchronous cities and ufos this is the

1858

01:07:57,430 --> 01:07:55,280

core of my research so

1859

01:07:59,750 --> 01:07:57,440

we had a wonderful talk and he was and

1860

01:08:00,390 --> 01:07:59,760

i'm so glad i recorded it i love that

1861

01:08:03,430 --> 01:08:00,400

chapter

1862

01:08:05,990 --> 01:08:03,440

and he came i felt like um you know

1863

01:08:07,990 --> 01:08:06,000

luke skywalker at you know sitting with

1864

01:08:08,870 --> 01:08:08,000

yoda would like talking with him he had

1865

01:08:12,150 --> 01:08:08,880

he was

1866

01:08:15,190 --> 01:08:12,160

and it was a

1867

01:08:18,309 --> 01:08:15,200

joy to talk to him wow

1868

01:08:20,950 --> 01:08:18,319

yeah i i'm very interested in him um

1869

01:08:22,309 --> 01:08:20,960

and i'm very interested in finding out

1870

01:08:25,430 --> 01:08:22,319

more about him so

1871

01:08:27,510 --> 01:08:25,440

perhaps i will try to contact him again

1872

01:08:29,749 --> 01:08:27,520

i think i tried to contact him a couple

1873

01:08:33,430 --> 01:08:29,759

of years ago and was unsuccessful

1874

01:08:34,550 --> 01:08:33,440

but perhaps now would be a good time to

1875

01:08:37,590 --> 01:08:34,560

do so

1876

01:08:39,349 --> 01:08:37,600

um getting back you want to tell us the

1877

01:08:42,470 --> 01:08:39,359

name of your books again

1878

01:08:45,189 --> 01:08:42,480

and anything just for your own sake

1879

01:08:46,550 --> 01:08:45,199

yeah yeah so the books are um the first

1880

01:08:48,229 --> 01:08:46,560

book is the messengers

1881

01:08:49,749 --> 01:08:48,239

it's a little bigger than the second

1882

01:08:51,829 --> 01:08:49,759

book and um

1883

01:08:53,349 --> 01:08:51,839

the subtitle is owls synchronicity in

1884

01:08:55,430 --> 01:08:53,359

the ufo abductee

1885

01:08:56,630 --> 01:08:55,440

and the second book is stories from the

1886

01:08:58,630 --> 01:08:56,640

messengers

1887

01:09:00,470 --> 01:08:58,640

and the subtitle is accounts of owls

1888

01:09:02,550 --> 01:09:00,480

ufos in a deeper reality

1889

01:09:03,510 --> 01:09:02,560

and um they have actually been quite

1890

01:09:06,070 --> 01:09:03,520

successful

1891

01:09:06,630 --> 01:09:06,080

my publisher is extremely happy there i

1892

01:09:09,349 --> 01:09:06,640

mean

1893

01:09:10,070 --> 01:09:09,359

nobody's ufo books really sell that many

1894

01:09:11,669 --> 01:09:10,080

but um

1895

01:09:13,829 --> 01:09:11,679

they're selling quite well and they've

1896

01:09:16,950 --> 01:09:13,839

been extremely well received i

1897

01:09:19,110 --> 01:09:16,960

it's uh i mean i go way

1898

01:09:19,990 --> 01:09:19,120

out there with my speculation like i'm i

1899

01:09:21,990 --> 01:09:20,000

just try to leave no

1900

01:09:23,669 --> 01:09:22,000

stone unturned and just wrestle with all

1901

01:09:25,910 --> 01:09:23,679

these ideas the best i can

1902

01:09:27,510 --> 01:09:25,920

and um yeah so i'm ex and i've said this

1903

01:09:29,510 --> 01:09:27,520

before i am

1904

01:09:30,789 --> 01:09:29,520

i'm extremely proud of these books i've

1905

01:09:32,229 --> 01:09:30,799

worked really hard on them

1906

01:09:34,229 --> 01:09:32,239

and i'm happy with the way they turned

1907

01:09:35,829 --> 01:09:34,239

out and i'm very proud of them so

1908

01:09:37,950 --> 01:09:35,839

those can you can find those very easily

1909

01:09:39,990 --> 01:09:37,960

my name is mike clelland

1910

01:09:40,870 --> 01:09:40,000

c-l-e-l-l-a-n-d you can find me easy

1911

01:09:43,669 --> 01:09:40,880

enough on

1912

01:09:45,030 --> 01:09:43,679

googling and you can get those books on

1913

01:09:46,149 --> 01:09:45,040

amazon that's probably the easiest way

1914

01:09:47,590 --> 01:09:46,159

to do it or you can go to your local

1915

01:09:48,470 --> 01:09:47,600

bookstore and just ask them and they can

1916

01:09:51,829 --> 01:09:48,480

order them

1917

01:09:52,229 --> 01:09:51,839

well before we go i just i want you to

1918

01:09:54,950 --> 01:09:52,239

tell

1919

01:09:56,149 --> 01:09:54,960

another story but before you do that i

1920

01:09:59,430 --> 01:09:56,159

want to say

1921

01:10:00,070 --> 01:09:59,440

that i had heard you on other podcasts

1922

01:10:02,310 --> 01:10:00,080

before

1923

01:10:03,830 --> 01:10:02,320

and i have a very very bad habit it's

1924

01:10:05,750 --> 01:10:03,840

not a bad habit it's you know something

1925

01:10:06,310 --> 01:10:05,760

that i do i guess it's not evil bad but

1926

01:10:10,790 --> 01:10:06,320

it's

1927

01:10:11,590 --> 01:10:10,800

listen to a podcast as i'm falling

1928

01:10:14,310 --> 01:10:11,600

asleep

1929

01:10:18,070 --> 01:10:14,320

and sometimes i don't get to hear the

1930

01:10:20,950 --> 01:10:18,080

end of the podcast because i fell asleep

1931

01:10:21,830 --> 01:10:20,960

and um i have heard you on other

1932

01:10:24,390 --> 01:10:21,840

people's

1933

01:10:26,310 --> 01:10:24,400

shows and it's i've always heard the

1934

01:10:28,070 --> 01:10:26,320

story about you going camping at

1935

01:10:30,630 --> 01:10:28,080

the beginning of the show which is why i

1936

01:10:31,350 --> 01:10:30,640

didn't let you do it many times i was so

1937

01:10:34,390 --> 01:10:31,360

glad you

1938

01:10:35,990 --> 01:10:34,400

didn't let me tell that one today but i

1939

01:10:38,550 --> 01:10:36,000

always thought that you were interesting

1940

01:10:42,669 --> 01:10:38,560

i thought that you had sort of a

1941

01:10:44,870 --> 01:10:42,679

niche place in the in the group of uh

1942

01:10:46,470 --> 01:10:44,880

experiencers and researchers and so

1943

01:10:47,910 --> 01:10:46,480

forth and it was a niche thing

1944

01:10:49,510 --> 01:10:47,920

but it was kind of cool and it was kind

1945

01:10:51,910 --> 01:10:49,520

of interesting and

1946

01:10:53,669 --> 01:10:51,920

i let it go with that but when i was

1947

01:10:55,750 --> 01:10:53,679

reading your book

1948

01:10:57,430 --> 01:10:55,760

um it was especially when i first

1949

01:10:59,270 --> 01:10:57,440

started as you recall i i

1950

01:11:00,870 --> 01:10:59,280

contacted you when i first started about

1951

01:11:03,990 --> 01:11:00,880

something that happened

1952

01:11:07,189 --> 01:11:04,000

to me i was just getting in maybe

1953

01:11:07,669 --> 01:11:07,199

10 15 20 pages into the book and i was

1954

01:11:10,709 --> 01:11:07,679

saying

1955

01:11:12,950 --> 01:11:10,719

wow this is much more

1956

01:11:15,350 --> 01:11:12,960

than i thought it's much more than a

1957

01:11:18,709 --> 01:11:15,360

niche experience he really has

1958

01:11:19,669 --> 01:11:18,719

something going on here um and at that

1959

01:11:23,990 --> 01:11:19,679

point

1960

01:11:26,950 --> 01:11:24,000

i had to hang up my laundry

1961

01:11:28,070 --> 01:11:26,960

and i hung up my laundry uh in a

1962

01:11:31,110 --> 01:11:28,080

bathroom

1963

01:11:34,950 --> 01:11:31,120

over a tub and it was very light laundry

1964

01:11:37,990 --> 01:11:34,960

uh it was mostly um a lady's

1965

01:11:41,189 --> 01:11:38,000

unmentionables and um

1966

01:11:43,189 --> 01:11:41,199

put it up on a hanger with the kind of

1967

01:11:43,669 --> 01:11:43,199

clothespin hanger that's all made into

1968

01:11:47,110 --> 01:11:43,679

the

1969

01:11:50,550 --> 01:11:47,120

branches on it and you hang up your

1970

01:11:52,229 --> 01:11:50,560

your underwear basically and uh so i did

1971

01:11:53,590 --> 01:11:52,239

that and i'm thinking about the book and

1972

01:11:55,030 --> 01:11:53,600

i'm thinking wow this is really kind of

1973

01:11:56,470 --> 01:11:55,040

cool you know this is more than i

1974

01:11:59,189 --> 01:11:56,480

thought it was

1975

01:12:00,950 --> 01:11:59,199

and i tried i turned off the light i

1976

01:12:04,310 --> 01:12:00,960

left the bathroom

1977

01:12:08,070 --> 01:12:04,320

and like a fraction of a second

1978

01:12:08,790 --> 01:12:08,080

after i turned out the light i heard a

1979

01:12:11,669 --> 01:12:08,800

crash

1980

01:12:12,470 --> 01:12:11,679

and i thought damn the thing fell into

1981

01:12:23,189 --> 01:12:12,480

the

1982

01:12:24,470 --> 01:12:23,199

i have to go and figure this out and i

1983

01:12:27,830 --> 01:12:24,480

hope it's not broken

1984

01:12:29,590 --> 01:12:27,840

i went back in the stuff was hanging

1985

01:12:32,790 --> 01:12:29,600

still over the top of this

1986

01:12:36,310 --> 01:12:32,800

the uh shower curtain rack

1987

01:12:38,070 --> 01:12:36,320

but there in the in the tub were two

1988

01:12:39,830 --> 01:12:38,080

quarters

1989

01:12:41,830 --> 01:12:39,840

came out of nowhere came out of the

1990

01:12:44,470 --> 01:12:41,840

ceiling there was nothing there

1991

01:12:46,870 --> 01:12:44,480

to put the two quarters to have any

1992

01:12:49,030 --> 01:12:46,880

reason for the two quarters to be there

1993

01:12:51,910 --> 01:12:49,040

and we had a little discussion about it

1994

01:12:54,870 --> 01:12:51,920

you and i online and i really decided

1995

01:12:55,910 --> 01:12:54,880

it was happened to make me pay attention

1996

01:12:58,790 --> 01:12:55,920

to you

1997

01:13:00,070 --> 01:12:58,800

to really take what you had to say very

1998

01:13:03,030 --> 01:13:00,080

seriously

1999

01:13:04,709 --> 01:13:03,040

and not that i don't take my my my uh

2000

01:13:07,270 --> 01:13:04,719

guest seriously i do i

2001

01:13:08,790 --> 01:13:07,280

take everyone seriously that i

2002

01:13:11,270 --> 01:13:08,800

determined to have on the show

2003

01:13:13,270 --> 01:13:11,280

or in the case of kate and i that we

2004

01:13:16,550 --> 01:13:13,280

determined to have on the show but

2005

01:13:19,750 --> 01:13:16,560

lately it's been me and um so

2006

01:13:22,070 --> 01:13:19,760

i i really put a lot more thought

2007

01:13:22,790 --> 01:13:22,080

into this in the sense that when we

2008

01:13:24,630 --> 01:13:22,800

started

2009

01:13:26,310 --> 01:13:24,640

i said this is going to be a little bit

2010

01:13:27,189 --> 01:13:26,320

different kind of interview because i'm

2011

01:13:30,790 --> 01:13:27,199

going to

2012

01:13:32,070 --> 01:13:30,800

participate somewhat equally if you will

2013

01:13:34,229 --> 01:13:32,080

and i that's the kind of interview i

2014

01:13:35,430 --> 01:13:34,239

prefer so that's a wonderful story and i

2015

01:13:38,229 --> 01:13:35,440

don't know how to say this

2016

01:13:38,790 --> 01:13:38,239

what you just shared i have heard that

2017

01:13:41,910 --> 01:13:38,800

in

2018

01:13:42,550 --> 01:13:41,920

so many variations essentially what you

2019

01:13:45,350 --> 01:13:42,560

have just

2020

01:13:46,950 --> 01:13:45,360

described um where someone either

2021

01:13:47,990 --> 01:13:46,960

reading the book oftentimes watching a

2022

01:13:51,110 --> 01:13:48,000

youtube video too

2023

01:13:52,390 --> 01:13:51,120

or listening to an audio um will have

2024

01:13:57,189 --> 01:13:52,400

these

2025

01:13:59,669 --> 01:13:57,199

researcher named um jeffrey cripel

2026

01:14:00,709 --> 01:13:59,679

oh yes he calls these the the book

2027

01:14:04,149 --> 01:14:00,719

experiences

2028

01:14:06,310 --> 01:14:04,159

and and he's so i don't understand it

2029

01:14:07,110 --> 01:14:06,320

i'm getting so many emails of people

2030

01:14:08,950 --> 01:14:07,120

telling me

2031

01:14:10,390 --> 01:14:08,960

essentially the same story that you just

2032

01:14:12,630 --> 01:14:10,400

told me that was two quarters

2033

01:14:13,430 --> 01:14:12,640

but with an owl hooting out the window

2034

01:14:17,510 --> 01:14:13,440

or

2035

01:14:19,030 --> 01:14:17,520

place even seeing a ufo

2036

01:14:20,870 --> 01:14:19,040

i haven't asked here's a guy this here's

2037

01:14:24,390 --> 01:14:20,880

one story guy

2038

01:14:25,750 --> 01:14:24,400

uh finishes the book

2039

01:14:27,669 --> 01:14:25,760

he's reading it and he's on a break at

2040

01:14:29,030 --> 01:14:27,679

work he's in his car he's coming he just

2041

01:14:31,110 --> 01:14:29,040

reads the last little bit it's on his

2042

01:14:32,229 --> 01:14:31,120

phone right so he reads it on his phone

2043

01:14:34,149 --> 01:14:32,239

reads the last little book of the

2044

01:14:35,270 --> 01:14:34,159

digital thing the last page of of the

2045

01:14:36,550 --> 01:14:35,280

messengers

2046

01:14:38,709 --> 01:14:36,560

and he leaves the car and he walks

2047

01:14:41,750 --> 01:14:38,719

towards work and he says you know

2048

01:14:43,910 --> 01:14:41,760

i wish i want to see an owl

2049

01:14:45,350 --> 01:14:43,920

and he looks up in the sky and there's a

2050

01:14:47,350 --> 01:14:45,360

there's a bright

2051
01:14:48,630 --> 01:14:47,360
light in the sky and he says it was like

2052
01:14:49,990 --> 01:14:48,640
it was like a minus

2053
01:14:52,310 --> 01:14:50,000
sign shaping he said you know what it

2054
01:14:54,790 --> 01:14:52,320
was like it was like someone took

2055
01:14:56,229 --> 01:14:54,800
the fabric of the sky and took a thin

2056
01:14:59,110 --> 01:14:56,239
razor blade and cut

2057
01:15:01,990 --> 01:14:59,120
in and light was peering in through the

2058
01:15:03,590 --> 01:15:02,000
outside of the fabric of the sky

2059
01:15:05,669 --> 01:15:03,600
like peering in at the night from the

2060
01:15:07,189 --> 01:15:05,679
nighttime sky wow

2061
01:15:11,430 --> 01:15:07,199
so yeah so here's the guy reading the

2062
01:15:14,149 --> 01:15:11,440
book asks to see an owl and sees the ufo

2063
01:15:15,750 --> 01:15:14,159

and this was not jeffrey cripel no this

2064

01:15:17,350 --> 01:15:15,760

was not jeffrey krebel but this was this

2065

01:15:17,669 --> 01:15:17,360

is what i would call the book experience

2066

01:15:19,350 --> 01:15:17,679

like

2067

01:15:21,189 --> 01:15:19,360

he calls this the book experience when

2068

01:15:24,229 --> 01:15:21,199

people have these these experiences that

2069

01:15:27,430 --> 01:15:24,239

are related to books

2070

01:15:29,590 --> 01:15:27,440

wow wow that is that is extraordinary

2071

01:15:31,189 --> 01:15:29,600

before we let you go and i think our

2072

01:15:33,669 --> 01:15:31,199

time has basically

2073

01:15:35,270 --> 01:15:33,679

come to an end unfortunately because i

2074

01:15:38,390 --> 01:15:35,280

think i could talk to you for a

2075

01:15:41,750 --> 01:15:38,400

much longer time could you give us

2076

01:15:43,030 --> 01:15:41,760

one final experience that that really

2077

01:15:46,310 --> 01:15:43,040

stands out to you

2078

01:15:49,910 --> 01:15:46,320

from your book or from your

2079

01:15:52,630 --> 01:15:49,920

um files if not in your book

2080

01:15:53,510 --> 01:15:52,640

it could be in here i did a hypnotic

2081

01:15:55,110 --> 01:15:53,520

regression

2082

01:15:57,189 --> 01:15:55,120

i have a funny little anecdote that came

2083

01:16:00,550 --> 01:15:57,199

from the hypnotic regression

2084

01:16:04,390 --> 01:16:00,560

i can talk about that that's a so i

2085

01:16:05,830 --> 01:16:04,400

um i'll so i'll tell you here's i'll

2086

01:16:06,470 --> 01:16:05,840

tell you a couple of very short stories

2087

01:16:09,030 --> 01:16:06,480

a woman

2088

01:16:10,630 --> 01:16:09,040

she's now a grandmother she was driving

2089

01:16:11,510 --> 01:16:10,640

this is not the hypnosis experience i'll

2090

01:16:14,070 --> 01:16:11,520

just fill that in

2091

01:16:15,910 --> 01:16:14,080

so the woman is driving home excuse me

2092

01:16:17,830 --> 01:16:15,920

this woman is a grandmother now

2093

01:16:19,270 --> 01:16:17,840

and when she was a teenager she was

2094

01:16:20,709 --> 01:16:19,280

severely depressed and she was going to

2095

01:16:22,950 --> 01:16:20,719

commit suicide

2096

01:16:24,790 --> 01:16:22,960

and she got in her car and she had a

2097

01:16:26,310 --> 01:16:24,800

spot all picked out in the woods a

2098

01:16:28,550 --> 01:16:26,320

little turn off in the woods

2099

01:16:30,229 --> 01:16:28,560

and she was going to go there to to with

2100

01:16:31,669 --> 01:16:30,239

a hose

2101
01:16:33,669 --> 01:16:31,679
from take from the tailpipe into the car

2102
01:16:35,750 --> 01:16:33,679
and a pillow and she

2103
01:16:37,669 --> 01:16:35,760
driving along and she's approaching the

2104
01:16:38,310 --> 01:16:37,679
turnout and she slows down to turn into

2105
01:16:39,750 --> 01:16:38,320
the turnout

2106
01:16:42,470 --> 01:16:39,760
and an owl flies right up to the

2107
01:16:44,070 --> 01:16:42,480
windshield and she says she locks eyes

2108
01:16:45,750 --> 01:16:44,080
with this owl she said it felt like it

2109
01:16:48,709 --> 01:16:45,760
was there for 15 seconds and then it

2110
01:16:50,870 --> 01:16:48,719
flies off

2111
01:16:52,870 --> 01:16:50,880
and she turned around and came home so

2112
01:16:55,830 --> 01:16:52,880
there's an experience where an owl

2113
01:16:58,229 --> 01:16:55,840

saved her life she recognized the power

2114

01:17:01,430 --> 01:16:58,239

of that experience

2115

01:17:02,070 --> 01:17:01,440

so that's that's a that's a beautiful um

2116

01:17:05,590 --> 01:17:02,080

a beautiful

2117

01:17:09,350 --> 01:17:05,600

story uh saving a life and that is

2118

01:17:11,110 --> 01:17:09,360

um uh just beautiful i don't have

2119

01:17:12,390 --> 01:17:11,120

another word for it just it's just a

2120

01:17:13,990 --> 01:17:12,400

lovely story

2121

01:17:16,070 --> 01:17:14,000

yeah and i have a couple of those that

2122

01:17:19,990 --> 01:17:16,080

play out almost exactly like that

2123

01:17:20,630 --> 01:17:20,000

well so when we look through the cosmic

2124

01:17:22,709 --> 01:17:20,640

window

2125

01:17:25,430 --> 01:17:22,719

or we stick some fingers through that

2126
01:17:28,550 --> 01:17:25,440
thick foggy material and we get to see

2127
01:17:31,350 --> 01:17:28,560
this little glimpse of another reality

2128
01:17:33,430 --> 01:17:31,360
we should all pay attention huh mike

2129
01:17:35,189 --> 01:17:33,440
that is my only that's my that's the one

2130
01:17:36,229 --> 01:17:35,199
thing that synchronicity is just saying

2131
01:17:37,510 --> 01:17:36,239
pay attention

2132
01:17:38,709 --> 01:17:37,520
if you try to read any deeper than that

2133
01:17:39,910 --> 01:17:38,719
you're just going to get lost just pay

2134
01:17:43,510 --> 01:17:39,920
attention yes

2135
01:17:46,070 --> 01:17:43,520
indeed well thank you so very much

2136
01:17:46,630 --> 01:17:46,080
for being our guest and uh we hope to

2137
01:17:50,870 --> 01:17:46,640
hope

2138
01:17:53,990 --> 01:17:50,880

too distant future

2139

01:17:55,030 --> 01:17:54,000

um and uh that's about it i guess from

2140

01:17:57,750 --> 01:17:55,040

shattered reality

2141

01:17:58,950 --> 01:17:57,760

we wish you well this has been a delight

2142

01:18:01,510 --> 01:17:58,960

thank you so much

2143

01:18:02,630 --> 01:18:01,520

oh you're really welcome and uh we'll be

2144

01:18:05,669 --> 01:18:02,640

in touch

2145

01:18:08,550 --> 01:18:05,679

yes take care bye now

2146

01:18:09,189 --> 01:18:08,560

so shattered reality listeners i hope

2147

01:18:12,790 --> 01:18:09,199

you have

2148

01:18:15,910 --> 01:18:12,800

enjoyed um this conversation

2149

01:18:17,510 --> 01:18:15,920

with mike clelland who has written the

2150

01:18:21,310 --> 01:18:17,520

messengers books

2151

01:18:24,070 --> 01:18:21,320

about owls and you will check him out at

2152

01:18:24,950 --> 01:18:24,080

mikecleland.com and from that site

2153

01:18:27,830 --> 01:18:24,960

apparently

2154

01:18:28,310 --> 01:18:27,840

you can get to all of his other sites

2155

01:18:31,669 --> 01:18:28,320

our

2156

01:18:32,790 --> 01:18:31,679

next guest we have pretty much locked in

2157

01:18:36,470 --> 01:18:32,800

so i feel

2158

01:18:38,390 --> 01:18:36,480

somewhat uh okay about announcing him i

2159

01:18:41,430 --> 01:18:38,400

don't like to announce people that

2160

01:18:45,669 --> 01:18:41,440

haven't absolutely checked in with us

2161

01:18:48,790 --> 01:18:45,679

and our next guest is supposed to be

2162

01:18:52,310 --> 01:18:48,800

dr robert moss

2163

01:18:53,270 --> 01:18:52,320

who is a dream researcher and he will be

2164

01:18:56,870 --> 01:18:53,280

with us

2165

01:19:00,070 --> 01:18:56,880

in two weeks from today

2166

01:19:02,709 --> 01:19:00,080

so please if you have any experiences

2167

01:19:05,110 --> 01:19:02,719

with owls or other experiences with

2168

01:19:08,229 --> 01:19:05,120

other animals that seem to be

2169

01:19:09,030 --> 01:19:08,239

paranormal i invite you to get in touch

2170

01:19:11,990 --> 01:19:09,040

with us

2171

01:19:13,669 --> 01:19:12,000

we will be glad to have you in our

2172

01:19:16,709 --> 01:19:13,679

listeners corner

2173

01:19:19,669 --> 01:19:16,719

uh try to like our page

2174

01:19:20,630 --> 01:19:19,679

on facebook shattered reality podcast is

2175

01:19:23,910 --> 01:19:20,640

our page

2176

01:19:29,870 --> 01:19:23,920

just put that in the bar again

2177

01:19:34,310 --> 01:19:30,950

shatteredrealitypodcast.wordpress.com

2178

01:19:39,030 --> 01:19:34,320

and shatteredrealitypodcast.com

2179

01:19:43,350 --> 01:19:39,040

you can find us on the podcasting sites

2180

01:19:45,669 --> 01:19:43,360

such as itunes and stitcher

2181

01:19:46,550 --> 01:19:45,679

and then we have a number of our

2182

01:19:49,590 --> 01:19:46,560

podcasts

2183

01:19:53,030 --> 01:19:49,600

up on youtube so please

2184

01:19:55,910 --> 01:19:53,040

make your comments like us

2185

01:19:57,350 --> 01:19:55,920

like the individual podcasts like our

2186

01:20:01,189 --> 01:19:57,360

whole operation

2187

01:20:05,110 --> 01:20:01,199

we appreciate every single listener
