00:00:40,389 --> 00:00:39,120  
shattered reality listeners my name is

9  
00:00:43,510 --> 00:00:40,399

and i want a slate for you today

11  
00:00:50,869 --> 00:00:48,280

00:00:54,229 --> 00:00:50,879  
2019 and this

13  
00:00:58,069 --> 00:00:54,239

is our 86th

14

00:00:58,709 --> 00:00:58,079

show um we've been on the air now for i

15

00:01:01,189 --> 00:00:58,719

believe

16

00:01:02,389 --> 00:01:01,199

three and a half years and we've been

17

00:01:05,670 --> 00:01:02,399

doing shows

18

00:01:09,429 --> 00:01:05,680

since uh three and a half years ago

19

00:01:12,469 --> 00:01:09,439

i guess it's 2016. sometimes i say some

20

00:01:15,670 --> 00:01:12,479

obvious things out there people

21

00:01:18,630 --> 00:01:15,680

in any case we have a very

22

00:01:20,310 --> 00:01:18,640

interesting guest for you today this is

23

00:01:23,030 --> 00:01:20,320

a person

24

00:01:24,070 --> 00:01:23,040

who has been a listener to shattered

25

00:01:27,830 --> 00:01:24,080

reality

26  
00:01:31,190 --> 00:01:27,840  
and she's actually someone that i know

27  
00:01:35,510 --> 00:01:31,200  
and she finally came out to me

28  
00:01:39,109 --> 00:01:35,520  
about her personal experiences

29  
00:01:40,069 --> 00:01:39,119  
with the paranormal so we're gonna have

30  
00:01:43,350 --> 00:01:40,079  
an extended

31  
00:01:45,190 --> 00:01:43,360  
listeners corner today and i would like

32  
00:01:50,230 --> 00:01:45,200  
to introduce you now

33  
00:01:52,710 --> 00:01:50,240  
to our listener kate hello kate

34  
00:01:55,030 --> 00:01:52,720  
hi felucia how are you i'm doing very

35  
00:01:58,069 --> 00:01:55,040  
very well and

36  
00:02:01,030 --> 00:01:58,079  
so you were telling me

37  
00:02:02,149 --> 00:02:01,040  
about a few different experiences that

38  
00:02:05,190 --> 00:02:02,159

you had

39

00:02:08,630 --> 00:02:05,200

with your sister um do you want to start

40

00:02:11,910 --> 00:02:08,640

with that

41

00:02:15,350 --> 00:02:11,920

sure my younger sister uh

42

00:02:18,630 --> 00:02:15,360

always was very very sensitive and

43

00:02:19,589 --> 00:02:18,640

always as we call her psychic and she

44

00:02:22,150 --> 00:02:19,599

seemed to have an

45

00:02:24,309 --> 00:02:22,160

instinct even as she got older with all

46

00:02:27,350 --> 00:02:24,319

kinds of little things happening

47

00:02:29,510 --> 00:02:27,360

but this first incident we were young

48

00:02:31,110 --> 00:02:29,520

there were three sisters we all slept in

49

00:02:33,190 --> 00:02:31,120

one little boo

50

00:02:34,470 --> 00:02:33,200

the girls had bunk beds and i was across

51  
00:02:38,229 --> 00:02:34,480  
the room

52  
00:02:40,390 --> 00:02:38,239  
and she would sit up in bed

53  
00:02:41,990 --> 00:02:40,400  
sometimes you know eight nine ten when

54  
00:02:43,750 --> 00:02:42,000  
you're in a little room with two other

55  
00:02:45,190 --> 00:02:43,760  
people and somebody sits up in your kid

56  
00:02:46,470 --> 00:02:45,200  
you're always well what the matter what

57  
00:02:49,589 --> 00:02:46,480  
are you doing

58  
00:02:51,509 --> 00:02:49,599  
and i remember this time

59  
00:02:53,589 --> 00:02:51,519  
she got up and went out into the living

60  
00:02:55,190 --> 00:02:53,599  
room so of course being kids

61  
00:02:57,110 --> 00:02:55,200  
we followed her out into the living room

62  
00:02:58,149 --> 00:02:57,120  
she was sitting with my mother on the

63  
00:03:01,110 --> 00:02:58,159

couch

64

00:03:01,830 --> 00:03:01,120

and she said i saw grandpa my grandpa

65

00:03:04,710 --> 00:03:01,840

had lived

66

00:03:06,470 --> 00:03:04,720

downstairs in a house that he built when

67

00:03:09,990 --> 00:03:06,480

he came over from italy

68

00:03:13,670 --> 00:03:10,000

and he had died and maggie said

69

00:03:16,229 --> 00:03:13,680

i saw grandpa and my mother said

70

00:03:18,710 --> 00:03:16,239

really where was he she said sitting

71

00:03:20,470 --> 00:03:18,720

next to me on the bed

72

00:03:22,550 --> 00:03:20,480

and i'm standing there just watching i'm

73

00:03:24,949 --> 00:03:22,560

a kid i'm 12 maybe

74

00:03:25,910 --> 00:03:24,959

and my mother said how did he get into

75

00:03:29,270 --> 00:03:25,920

the bedroom

76

00:03:29,910 --> 00:03:29,280

she said he came in the window wow my

77

00:03:33,110 --> 00:03:29,920

mother said

78

00:03:34,550 --> 00:03:33,120

wow grandpa loves you i guess he came to

79

00:03:37,030 --> 00:03:34,560

visit

80

00:03:38,149 --> 00:03:37,040

and that happened another two or three

81

00:03:40,390 --> 00:03:38,159

times

82

00:03:43,030 --> 00:03:40,400

and i remember in the morning getting up

83

00:03:45,110 --> 00:03:43,040

and again i'm 12.

84

00:03:46,869 --> 00:03:45,120

my sister's staying grandpa came again

85

00:03:48,869 --> 00:03:46,879

last night

86

00:03:50,229 --> 00:03:48,879

maybe three times in all that i could

87

00:03:53,270 --> 00:03:50,239

remember and he

88

00:03:56,070 --> 00:03:53,280

sat with her and spoke with her

89

00:03:58,070 --> 00:03:56,080

and i always remembered that and i

90

00:04:00,869 --> 00:03:58,080

wanted to see grandpa too but

91

00:04:04,149 --> 00:04:00,879

maggie was special well what did grandpa

92

00:04:07,509 --> 00:04:04,159

say to maggie do you recall

93

00:04:08,789 --> 00:04:07,519

i i'm trying to recall again it was a

94

00:04:13,589 --> 00:04:08,799

while ago

95

00:04:17,909 --> 00:04:13,599

but she was going to be all right

96

00:04:20,629 --> 00:04:17,919

things were okay i i believe that was it

97

00:04:21,110 --> 00:04:20,639

he said how are you feeling you'll be

98

00:04:23,590 --> 00:04:21,120

okay

99

00:04:26,390 --> 00:04:23,600

and i think he told her he missed her

100

00:04:29,189 --> 00:04:26,400

she was the quiet one

101  
00:04:31,110 --> 00:04:29,199  
okay okay do and and now this all

102  
00:04:32,310 --> 00:04:31,120  
happened in hudson county new jersey

103  
00:04:35,990 --> 00:04:32,320  
correct

104  
00:04:39,270 --> 00:04:36,000  
it it did in hudson county yes

105  
00:04:40,230 --> 00:04:39,280  
and were there any other people in your

106  
00:04:43,030 --> 00:04:40,240  
family

107  
00:04:46,390 --> 00:04:43,040  
that were at all psychic or had uh

108  
00:04:49,510 --> 00:04:46,400  
experiences of this nature

109  
00:04:52,469 --> 00:04:49,520  
well later on uh

110  
00:04:53,749 --> 00:04:52,479  
my younger brother was 12 and a half

111  
00:04:56,870 --> 00:04:53,759  
exactly

112  
00:04:58,950 --> 00:04:56,880  
and my mother died very very very

113  
00:05:01,510 --> 00:04:58,960

quickly and very tragically

114

00:05:03,029 --> 00:05:01,520

needless to say we were all i was 21 or

115

00:05:06,070 --> 00:05:03,039

something we were all young

116

00:05:07,510 --> 00:05:06,080

and he refused to go to the funeral my

117

00:05:10,710 --> 00:05:07,520

father begged

118

00:05:13,749 --> 00:05:10,720

threatened cajoled he would

119

00:05:14,790 --> 00:05:13,759

not go to the wake or the funeral so we

120

00:05:17,189 --> 00:05:14,800

all left the house

121

00:05:19,510 --> 00:05:17,199

and left him well because we had to go

122

00:05:22,790 --> 00:05:19,520

sure family

123

00:05:23,510 --> 00:05:22,800

right and when we got home my brother

124

00:05:26,790 --> 00:05:23,520

who was

125

00:05:27,909 --> 00:05:26,800

very very bright they say too smart for

126

00:05:30,629 --> 00:05:27,919

your own good

127

00:05:31,749 --> 00:05:30,639

very bright was sitting on the couch

128

00:05:34,070 --> 00:05:31,759

with his head in his hand

129

00:05:34,790 --> 00:05:34,080

of course needless to say we were all

130

00:05:39,670 --> 00:05:34,800

pretty

131

00:05:41,749 --> 00:05:39,680

upset very horrific and he said

132

00:05:43,590 --> 00:05:41,759

i was not sleeping i was not dreaming

133

00:05:46,230 --> 00:05:43,600

and i said all right

134

00:05:47,670 --> 00:05:46,240

he said mom came walking down the hall

135

00:05:51,029 --> 00:05:47,680

to my room

136

00:05:55,029 --> 00:05:51,039

and i said what and he said listen to me

137

00:05:57,189 --> 00:05:55,039

i wasn't sleeping i wasn't dreaming

138

00:05:59,029 --> 00:05:57,199

she opened the whole door i heard the

139

00:06:04,150 --> 00:05:59,039

noise and she walked

140

00:06:06,790 --> 00:06:04,160

down to my bedroom and looked in on me

141

00:06:07,830 --> 00:06:06,800

wow and i remember just getting home

142

00:06:10,230 --> 00:06:07,840

from awake

143

00:06:11,189 --> 00:06:10,240

which these days are short and sweet but

144

00:06:13,510 --> 00:06:11,199

then they were

145

00:06:16,550 --> 00:06:13,520

three days long and as i said my mother

146

00:06:20,230 --> 00:06:16,560

was young she died she was 51.

147

00:06:24,870 --> 00:06:20,240

so and she was very very

148

00:06:29,670 --> 00:06:28,950

well um did did she say anything to your

149

00:06:34,150 --> 00:06:29,680

brother

150

00:06:37,270 --> 00:06:34,160

your mom i think

151  
00:06:38,070 --> 00:06:37,280  
she said she was sorry she died very

152  
00:06:40,469 --> 00:06:38,080  
suddenly

153  
00:06:42,309 --> 00:06:40,479  
and they were close we were all out i

154  
00:06:44,309 --> 00:06:42,319  
was out and married

155  
00:06:46,390 --> 00:06:44,319  
he was the last one who was very late to

156  
00:06:49,510 --> 00:06:46,400  
her and i think

157  
00:06:53,749 --> 00:06:49,520  
she said she was sorry

158  
00:06:57,270 --> 00:06:53,759  
she couldn't help it yes but he never

159  
00:07:01,589 --> 00:06:57,280  
yeah the time has come apparently

160  
00:07:05,430 --> 00:07:01,599  
right and he never ever got over

161  
00:07:08,790 --> 00:07:05,440  
well um oddly enough

162  
00:07:12,390 --> 00:07:08,800  
now i know you and i know one of our

163  
00:07:15,670 --> 00:07:12,400

other uh our other listeners corner

164

00:07:19,350 --> 00:07:15,680

guests and i happen to know that

165

00:07:22,230 --> 00:07:19,360

this lady who was also on the show

166

00:07:23,830 --> 00:07:22,240

probably lived within a couple of blocks

167

00:07:27,510 --> 00:07:23,840

of where you live

168

00:07:30,550 --> 00:07:27,520

uh also half italian

169

00:07:31,189 --> 00:07:30,560

um half italian half portuguese an

170

00:07:33,990 --> 00:07:31,199

artist

171

00:07:34,390 --> 00:07:34,000

and a psychic in her own right uh which

172

00:07:36,870 --> 00:07:34,400

is

173

00:07:38,070 --> 00:07:36,880

june ponte and she gave her full name

174

00:07:41,430 --> 00:07:38,080

because she

175

00:07:42,870 --> 00:07:41,440

um she is a somewhat public figure in

176  
00:07:45,990 --> 00:07:42,880  
the sense that

177  
00:07:47,270 --> 00:07:46,000  
she has a gallery and shows her very

178  
00:07:50,589 --> 00:07:47,280  
nice artwork

179  
00:07:53,909 --> 00:07:50,599  
she had a number of ufo

180  
00:08:00,390 --> 00:07:57,350  
on the the road between

181  
00:08:03,430 --> 00:08:00,400  
hudson county and

182  
00:08:04,469 --> 00:08:03,440  
and sussex county new jersey she made

183  
00:08:08,309 --> 00:08:04,479  
that trip quite

184  
00:08:12,230 --> 00:08:08,319  
frequently and she

185  
00:08:12,629 --> 00:08:12,240  
had a number of ufo experiences as well

186  
00:08:15,909 --> 00:08:12,639  
as

187  
00:08:19,670 --> 00:08:15,919  
some experiences with uh the

188  
00:08:22,309 --> 00:08:19,680

um the the people who have passed away

189

00:08:23,430 --> 00:08:22,319

so i was going to ask you if you have

190

00:08:25,909 --> 00:08:23,440

ever had any

191

00:08:26,869 --> 00:08:25,919

ufo experiences or did that run in your

192

00:08:29,909 --> 00:08:26,879

family since

193

00:08:32,550 --> 00:08:29,919

you and she uh you know could almost

194

00:08:34,149 --> 00:08:32,560

virtually be related or cousins or

195

00:08:37,350 --> 00:08:34,159

something because she literally lived

196

00:08:44,550 --> 00:08:40,870

well it was common knowledge in our

197

00:08:47,269 --> 00:08:44,560

neighborhood when i was young that

198

00:08:48,470 --> 00:08:47,279

ufos think to be seen over north bergen

199

00:08:52,230 --> 00:08:48,480

and we would laugh

200

00:08:53,110 --> 00:08:52,240

because it was you know a lower middle

201  
00:08:56,310 --> 00:08:53,120  
income

202  
00:08:59,750 --> 00:08:56,320  
area with lots of kids you know

203  
00:09:02,870 --> 00:08:59,760  
but there was a park and

204  
00:09:05,750 --> 00:09:02,880  
many times it was supposedly seen

205  
00:09:07,269 --> 00:09:05,760  
that ufos landed in this particular park

206  
00:09:10,470 --> 00:09:07,279  
i'm talking for 60s

207  
00:09:11,430 --> 00:09:10,480  
right right that yes in the 60s when

208  
00:09:14,870 --> 00:09:11,440  
ufos

209  
00:09:17,910 --> 00:09:14,880  
landed and i was there one day but

210  
00:09:20,870 --> 00:09:17,920  
i can't honestly stay but

211  
00:09:21,670 --> 00:09:20,880  
right after i got there it was a big

212  
00:09:23,430 --> 00:09:21,680  
whoosh

213  
00:09:25,430 --> 00:09:23,440

and i remember because we at kids you

214

00:09:26,949 --> 00:09:25,440

know to get to the park you were lucky

215

00:09:29,190 --> 00:09:26,959

it was all inner city so

216

00:09:31,030 --> 00:09:29,200

there was not many parks around we got

217

00:09:33,110 --> 00:09:31,040

up and got to the park we were lucky

218

00:09:34,790 --> 00:09:33,120

you know we lived it was all very very

219

00:09:49,269 --> 00:09:34,800

the buildings were very close

220

00:09:52,790 --> 00:09:51,030

like available like three four months

221

00:09:55,030 --> 00:09:52,800

and then be gone and then

222

00:09:56,070 --> 00:09:55,040

again you see them and we'd always say

223

00:09:58,710 --> 00:09:56,080

what are they looking for

224

00:09:59,910 --> 00:09:58,720

here however we were right on the water

225

00:10:03,110 --> 00:09:59,920

opposite manhattan

226

00:10:05,430 --> 00:10:03,120

right right that that was uh like the uh

227

00:10:06,470 --> 00:10:05,440

the park that led up to hudson county

228

00:10:09,269 --> 00:10:06,480

park it was the

229

00:10:11,190 --> 00:10:09,279

it was the strip before that basically

230

00:10:15,030 --> 00:10:11,200

which you look out over

231

00:10:17,030 --> 00:10:15,040

uh you look out over uh the uh the docks

232

00:10:18,949 --> 00:10:17,040

and you're up on a hill and you're

233

00:10:22,230 --> 00:10:18,959

looking over to manhattan

234

00:10:25,350 --> 00:10:22,240

and it's very famous um kate because

235

00:10:28,150 --> 00:10:25,360

a gentleman who has left us recently uh

236

00:10:30,310 --> 00:10:28,160

left the earth recently uh named bud

237

00:10:32,870 --> 00:10:30,320

hopkins who is very famous

238

00:10:34,710 --> 00:10:32,880

in terms of people uh who've been

239

00:10:37,430 --> 00:10:34,720

abducted by ufos

240

00:10:38,230 --> 00:10:37,440

he did a lot of abduction research and

241

00:10:43,829 --> 00:10:38,240

he

242

00:10:45,110 --> 00:10:43,839

buildings on boulevard east which is

243

00:10:49,350 --> 00:10:45,120

what we're talking about

244

00:10:50,150 --> 00:10:49,360

now and uh the doorman saw a craft come

245

00:10:53,350 --> 00:10:50,160

down

246

00:10:56,230 --> 00:10:53,360

and perch itself uh right there

247

00:10:58,150 --> 00:10:56,240

on the park the the sort of sort of like

248

00:11:00,710 --> 00:10:58,160

a strip of park

249

00:11:01,990 --> 00:11:00,720

that goes up into hudson county park on

250

00:11:05,190 --> 00:11:02,000

boulevard east and

251

00:11:05,670 --> 00:11:05,200

uh i do recall a lot of people talking

252

00:11:08,150 --> 00:11:05,680

about

253

00:11:09,030 --> 00:11:08,160

sightings in hudson county park right

254

00:11:12,949 --> 00:11:09,040

which is

255

00:11:16,150 --> 00:11:12,959

basically the border between um

256

00:11:19,269 --> 00:11:16,160

hudson county and bergen county there so

257

00:11:20,949 --> 00:11:19,279

yeah and you would go ahead

258

00:11:22,470 --> 00:11:20,959

and you would think it's so crowded

259

00:11:24,710 --> 00:11:22,480

because you when you think of a

260

00:11:26,310 --> 00:11:24,720

ufo sighting you think of a lonely ship

261

00:11:28,870 --> 00:11:26,320

in the midwest

262

00:11:29,829 --> 00:11:28,880

this was quite the inner city yeah so it

263

00:11:32,389 --> 00:11:29,839

was interesting

264

00:11:33,350 --> 00:11:32,399

that you know it was very crowded and it

265

00:11:37,430 --> 00:11:33,360

many people

266

00:11:39,590 --> 00:11:37,440

one person here and there

267

00:11:40,870 --> 00:11:39,600

it was pretty frequent for a while there

268

00:11:44,389 --> 00:11:40,880

like i said again it

269

00:11:46,710 --> 00:11:44,399

was in ufo lingo i

270

00:11:48,550 --> 00:11:46,720

i don't know if you know this uh when

271

00:11:51,990 --> 00:11:48,560

there's a cluster of sightings

272

00:11:53,110 --> 00:11:52,000

it's called a flap just like a group of

273

00:11:56,069 --> 00:11:53,120

crows is called

274

00:11:59,990 --> 00:11:56,079

a murder of crows a group of ufo

275

00:12:05,590 --> 00:12:03,350

that's interesting so uh tell us

276

00:12:07,110 --> 00:12:05,600

uh by the way if there are any other

277

00:12:10,870 --> 00:12:07,120

psychic experiences

278

00:12:14,629 --> 00:12:10,880

in your immediate family

279

00:12:18,470 --> 00:12:14,639

well again the same sister that grandpa

280

00:12:22,069 --> 00:12:18,480

came to visit uh we were older

281

00:12:25,269 --> 00:12:22,079

and uh she was sleeping on the couch

282

00:12:26,629 --> 00:12:25,279

my younger brother had died and he never

283

00:12:29,670 --> 00:12:26,639

got over my mother so

284

00:12:32,310 --> 00:12:29,680

yeah so yeah so he died

285

00:12:33,030 --> 00:12:32,320

at like 35 okay so she's sleeping on the

286

00:12:36,389 --> 00:12:33,040

couch

287

00:12:39,350 --> 00:12:36,399

and she feels something like if you took

288

00:12:39,910 --> 00:12:39,360

your finger and snapped it against your

289

00:12:41,590 --> 00:12:39,920

teeth

290

00:12:43,110 --> 00:12:41,600

that little thingy feeling if somebody

291

00:12:46,470 --> 00:12:43,120

went and

292

00:12:48,310 --> 00:12:46,480

pinged your cheek right and

293

00:12:49,910 --> 00:12:48,320

in the middle afternoon no one was gone

294

00:12:52,389 --> 00:12:49,920

and he felt this

295

00:12:52,949 --> 00:12:52,399

thing and he took the [h\_\_\h] and she sat

296

00:12:55,829 --> 00:12:52,959

up

297

00:12:57,190 --> 00:12:55,839

because this thing on her cheek and she

298

00:12:59,590 --> 00:12:57,200

looked up

299

00:13:01,190 --> 00:12:59,600

and my brother's head was floating above

300

00:13:04,790 --> 00:13:01,200

her

301  
00:13:07,670 --> 00:13:04,800  
wow and she freaked out i think

302  
00:13:09,430 --> 00:13:07,680  
there was no one home he did not think

303  
00:13:12,230 --> 00:13:09,440  
he did not have a good

304  
00:13:13,269 --> 00:13:12,240  
look on his face this was not long after

305  
00:13:16,069 --> 00:13:13,279  
he had died

306  
00:13:16,629 --> 00:13:16,079  
i don't know maybe less than a year and

307  
00:13:22,629 --> 00:13:16,639  
he died

308  
00:13:23,430 --> 00:13:22,639  
the reason i have to just interrupt and

309  
00:13:25,990 --> 00:13:23,440  
you can

310  
00:13:27,190 --> 00:13:26,000  
choose not to say if you chew it's fine

311  
00:13:28,790 --> 00:13:27,200  
by me you know that's

312  
00:13:31,350 --> 00:13:28,800  
okay you don't have to divulge

313  
00:13:34,550 --> 00:13:31,360

everything but did he take his own life

314

00:13:38,870 --> 00:13:34,560

because that would be a big reason why

315

00:13:41,509 --> 00:13:38,880

somebody uh might not look too happy

316

00:13:42,790 --> 00:13:41,519

yes he did okay i'm really sorry kate

317

00:13:45,829 --> 00:13:42,800

sorry to hear that

318

00:13:48,790 --> 00:13:45,839

um generally speaking um you know

319

00:13:50,629 --> 00:13:48,800

once you pass everybody is forgiven of

320

00:13:53,670 --> 00:13:50,639

everything but when somebody

321

00:13:55,670 --> 00:13:53,680

it's thought and now i am not an expert

322

00:13:56,790 --> 00:13:55,680

on what happens after you die since i'm

323

00:14:00,150 --> 00:13:56,800

still alive

324

00:14:02,389 --> 00:14:00,160

and i have not have i have not had a

325

00:14:05,590 --> 00:14:02,399

true near-death experience

326

00:14:08,150 --> 00:14:05,600

so it would be the best person to speak

327

00:14:09,189 --> 00:14:08,160

about this too if you wanted more

328

00:14:12,150 --> 00:14:09,199

information

329

00:14:14,470 --> 00:14:12,160

is someone who has had near-death

330

00:14:16,949 --> 00:14:14,480

experiences but to my best

331

00:14:19,110 --> 00:14:16,959

understanding of the subject when

332

00:14:22,150 --> 00:14:19,120

somebody takes their own life

333

00:14:23,350 --> 00:14:22,160

occasionally what happens is they need

334

00:14:27,110 --> 00:14:23,360

to go

335

00:14:29,030 --> 00:14:27,120

through almost like a course of study in

336

00:14:32,550 --> 00:14:29,040

the afterlife you might say

337

00:14:35,670 --> 00:14:32,560

in which they look at what

338

00:14:37,750 --> 00:14:35,680

brought them to this act and i i'm being

339

00:14:40,870 --> 00:14:37,760

very simplistic about it

340

00:14:43,750 --> 00:14:40,880

and then once they get beyond

341

00:14:45,750 --> 00:14:43,760

um and they realize the let us say the

342

00:14:46,629 --> 00:14:45,760

error of what they did that they can't

343

00:14:49,509 --> 00:14:46,639

escape from

344

00:14:50,389 --> 00:14:49,519

their self their self is still there you

345

00:14:53,269 --> 00:14:50,399

know you can't

346

00:14:54,870 --> 00:14:53,279

if if you if you do such a thing you

347

00:14:57,030 --> 00:14:54,880

still have consciousness

348

00:14:58,790 --> 00:14:57,040

you are disembodied you no longer have

349

00:14:59,670 --> 00:14:58,800

your body but you still have your

350

00:15:02,389 --> 00:14:59,680

consciousness

351  
00:15:03,350 --> 00:15:02,399  
so you realize you didn't get away from

352  
00:15:06,389 --> 00:15:03,360  
yourself

353  
00:15:08,150 --> 00:15:06,399  
which is the often the point of an act

354  
00:15:11,590 --> 00:15:08,160  
of this nature

355  
00:15:14,949 --> 00:15:11,600  
so um i'm i'm sure that

356  
00:15:18,310 --> 00:15:14,959  
within a matter of a short time he

357  
00:15:21,990 --> 00:15:18,320  
was absorbed up into the greater light

358  
00:15:22,790 --> 00:15:22,000  
and joined all of the people that he

359  
00:15:24,470 --> 00:15:22,800  
knew

360  
00:15:26,069 --> 00:15:24,480  
relatives in france who may have

361  
00:15:28,230 --> 00:15:26,079  
predeceased him but

362  
00:15:29,590 --> 00:15:28,240  
sometimes when someone takes their own

363  
00:15:33,269 --> 00:15:29,600

life they first

364

00:15:37,030 --> 00:15:33,279

have a integration period let's say

365

00:15:38,230 --> 00:15:37,040

for realizing what what they've done and

366

00:15:41,509 --> 00:15:38,240

what's going on so

367

00:15:42,629 --> 00:15:41,519

you should not worry that he is not okay

368

00:15:45,670 --> 00:15:42,639

now because

369

00:15:48,949 --> 00:15:45,680

from everything everything that i know

370

00:15:52,069 --> 00:15:48,959

and have learned um

371

00:15:53,509 --> 00:15:52,079

there is uh he he will be just fine he

372

00:15:55,829 --> 00:15:53,519

is just fine

373

00:15:57,189 --> 00:15:55,839

so what did your sister have to say

374

00:16:01,110 --> 00:15:57,199

beyond that

375

00:16:03,189 --> 00:16:01,120

about about that instance do you recall

376

00:16:04,949 --> 00:16:03,199

well she was taken i mean especially

377

00:16:06,389 --> 00:16:04,959

since she felt the pain on her face and

378

00:16:09,910 --> 00:16:06,399

there was no one else home

379

00:16:12,470 --> 00:16:09,920

and she said it hurt so she was like

380

00:16:13,749 --> 00:16:12,480

the the the pain on her face it was like

381

00:16:16,629 --> 00:16:13,759

somebody took her finger

382

00:16:17,350 --> 00:16:16,639

you know so she freaked out he looked

383

00:16:20,470 --> 00:16:17,360

bad

384

00:16:22,150 --> 00:16:20,480

so she was hanging around at that time

385

00:16:25,670 --> 00:16:22,160

one of her girlfriends hispanic

386

00:16:29,269 --> 00:16:25,680

girl hispanic woman at that time

387

00:16:30,949 --> 00:16:29,279

had an old old room on union city

388

00:16:32,389 --> 00:16:30,959

and she told she was telling her

389

00:16:35,509 --> 00:16:32,399

girlfriend this story

390

00:16:38,389 --> 00:16:35,519

and her girlfriend told her mother

391

00:16:40,230 --> 00:16:38,399

well her mother who was an older much

392

00:16:43,749 --> 00:16:40,240

older woman at the time

393

00:16:45,189 --> 00:16:43,759

flipped and said get get to a church go

394

00:16:46,069 --> 00:16:45,199

take your girlfriend and get to a church

395

00:16:49,749 --> 00:16:46,079

immediately

396

00:16:53,350 --> 00:16:49,759

see the light he lightning

397

00:16:53,910 --> 00:16:53,360

light and so this older woman urged her

398

00:16:56,310 --> 00:16:53,920

daughter

399

00:16:57,430 --> 00:16:56,320

who was my sister one of my sister's

400

00:17:00,470 --> 00:16:57,440

dear friends

401  
00:17:02,389 --> 00:17:00,480  
to get to a church they went like they

402  
00:17:04,309 --> 00:17:02,399  
went that day or the next morning

403  
00:17:06,789 --> 00:17:04,319  
and lit as many candles as they could in

404  
00:17:08,630 --> 00:17:06,799  
a church i think in union city

405  
00:17:09,909 --> 00:17:08,640  
and they she said just show him light

406  
00:17:13,590 --> 00:17:09,919  
show him light

407  
00:17:16,390 --> 00:17:13,600  
he's he's restless he has to find it

408  
00:17:19,029 --> 00:17:16,400  
yes well that that is something that i

409  
00:17:21,829 --> 00:17:19,039  
hadn't thought of that he hadn't yet

410  
00:17:23,669 --> 00:17:21,839  
uh you know gone up to the next level

411  
00:17:24,710 --> 00:17:23,679  
but even when a person goes up to the

412  
00:17:26,630 --> 00:17:24,720  
next level

413  
00:17:28,549 --> 00:17:26,640

they do sometimes have an integration

414

00:17:31,590 --> 00:17:28,559

period before they can

415

00:17:34,789 --> 00:17:31,600

say join their relatives and friends uh

416

00:17:35,830 --> 00:17:34,799

in the afterlife uh but there is such a

417

00:17:38,630 --> 00:17:35,840

thing as a

418

00:17:40,390 --> 00:17:38,640

a wandering spirit purportedly on the

419

00:17:42,630 --> 00:17:40,400

earth and that could be

420

00:17:44,789 --> 00:17:42,640

it could be that too but he did need to

421

00:17:48,310 --> 00:17:44,799

be guided to the light that is a

422

00:17:51,110 --> 00:17:48,320

that is a good that woman gave

423

00:17:51,990 --> 00:17:51,120

gave your sister and um and her daughter

424

00:17:54,870 --> 00:17:52,000

good advice

425

00:17:56,710 --> 00:17:54,880

and i'm sure that your brother is doing

426

00:17:59,990 --> 00:17:56,720

much better at this juncture

427

00:18:03,029 --> 00:18:00,000

um was there any um was there any

428

00:18:05,990 --> 00:18:03,039

day new ma any any um after

429

00:18:07,350 --> 00:18:06,000

anything anything happened after that

430

00:18:09,750 --> 00:18:07,360

with this situation

431

00:18:11,750 --> 00:18:09,760

uh with the brother did he appear again

432

00:18:15,430 --> 00:18:11,760

at any time

433

00:18:18,310 --> 00:18:15,440

no not not that i've had dreams

434

00:18:19,909 --> 00:18:18,320

that there was words and language and it

435

00:18:22,230 --> 00:18:19,919

felt very real but i can't

436

00:18:23,510 --> 00:18:22,240

actually say my sister actually thought

437

00:18:25,510 --> 00:18:23,520

she said it was

438

00:18:26,630 --> 00:18:25,520

his head and floating and by the way

439

00:18:28,950 --> 00:18:26,640

just to add on

440

00:18:29,990 --> 00:18:28,960

the woman you know her girlfriend's mom

441

00:18:33,430 --> 00:18:30,000

the older lady

442

00:18:35,190 --> 00:18:33,440

was in her area pretty renowned psychic

443

00:18:36,870 --> 00:18:35,200

i don't know her name she was an older

444

00:18:39,510 --> 00:18:36,880

lady that people went to

445

00:18:40,549 --> 00:18:39,520

for all kinds of little things again

446

00:18:42,950 --> 00:18:40,559

back in the

447

00:18:44,549 --> 00:18:42,960

union so this woman she wasn't just a

448

00:18:46,789 --> 00:18:44,559

grandma who said that she

449

00:18:48,070 --> 00:18:46,799

had you know helped a lot of people and

450

00:18:50,950 --> 00:18:48,080

talked to a lot of people

451  
00:18:51,750 --> 00:18:50,960  
so she was an adventurer i guess it's

452  
00:18:54,870 --> 00:18:51,760  
the

453  
00:18:57,270 --> 00:18:54,880  
word that you see um in

454  
00:18:59,270 --> 00:18:57,280  
in west new york and union city on

455  
00:19:02,390 --> 00:18:59,280  
bergen line avenue

456  
00:19:08,630 --> 00:19:06,789  
consultant so yes sir

457  
00:19:10,310 --> 00:19:08,640  
that's wonderful she had a name before

458  
00:19:13,750 --> 00:19:10,320  
you had a name for it she was

459  
00:19:16,310 --> 00:19:13,760  
already happening okay well that's

460  
00:19:17,270 --> 00:19:16,320  
that's very very cool and i wonder if if

461  
00:19:19,110 --> 00:19:17,280  
they went to

462  
00:19:20,870 --> 00:19:19,120  
saint michael's monastery because that

463  
00:19:24,310 --> 00:19:20,880

was certainly a big

464

00:19:28,549 --> 00:19:24,320

huge catholic church at the time a huge

465

00:19:30,470 --> 00:19:28,559

um a very interesting very um

466

00:19:32,870 --> 00:19:30,480

not a catholic myself but i'd been

467

00:19:34,070 --> 00:19:32,880

inside it a number of times and it

468

00:19:36,470 --> 00:19:34,080

really was

469

00:19:37,510 --> 00:19:36,480

a very impressive church and it's really

470

00:19:40,310 --> 00:19:37,520

so sad

471

00:19:42,750 --> 00:19:40,320

at this juncture that it is now um

472

00:19:45,110 --> 00:19:42,760

apartment buildings and that it was

473

00:19:45,830 --> 00:19:45,120

re-purposed i'm glad they didn't tear it

474

00:19:48,950 --> 00:19:45,840

down

475

00:19:52,070 --> 00:19:48,960

but it's so sad that such an edifice

476

00:19:58,150 --> 00:19:52,080

like that would be um would be

477

00:20:01,350 --> 00:19:58,160

kind of uh no longer in existence

478

00:20:02,470 --> 00:20:01,360

in any case so um do you have some other

479

00:20:05,270 --> 00:20:02,480

stories to tell us

480

00:20:07,110 --> 00:20:05,280

i i know that uh first let's finish with

481

00:20:09,990 --> 00:20:07,120

your family do we have anything else

482

00:20:12,070 --> 00:20:10,000

about the family

483

00:20:13,990 --> 00:20:12,080

well i you know i just thought of this

484

00:20:17,110 --> 00:20:14,000

as your you were talking

485

00:20:18,950 --> 00:20:17,120

to me and saying near death uh

486

00:20:21,669 --> 00:20:18,960

this just came to me it's so funny i

487

00:20:24,789 --> 00:20:21,679

haven't thought about it in years

488

00:20:27,350 --> 00:20:24,799

when i was young i read i'd say my 20

489

00:20:27,830 --> 00:20:27,360

i was lots of ear death experiences and

490

00:20:43,430 --> 00:20:27,840

i

491

00:20:45,750 --> 00:20:43,440

and one day now my mother had me at 33

492

00:20:48,950 --> 00:20:45,760

so by the time i was in my mid-20s

493

00:20:50,549 --> 00:20:48,960

she was what you know late 50s right you

494

00:20:53,669 --> 00:20:50,559

said she died at 51.

495

00:20:55,750 --> 00:20:53,679

or or no i'm sorry she started 55. 55.

496

00:20:57,350 --> 00:20:55,760

okay right before she died right before

497

00:21:01,110 --> 00:20:57,360

she died i guess i was 20

498

00:21:04,310 --> 00:21:01,120

you know i i'm trying to remember and

499

00:21:05,270 --> 00:21:04,320

my mother had twins and she knew she

500

00:21:07,750 --> 00:21:05,280

nearly died

501  
00:21:09,110 --> 00:21:07,760  
they had to revive her so she was gone

502  
00:21:11,270 --> 00:21:09,120  
like two to three minutes

503  
00:21:12,870 --> 00:21:11,280  
but in those days you didn't tell people

504  
00:21:15,669 --> 00:21:12,880  
that you had a

505  
00:21:16,390 --> 00:21:15,679  
near death experience or what you saw

506  
00:21:18,870 --> 00:21:16,400  
never

507  
00:21:20,870 --> 00:21:18,880  
because especially a woman they say you

508  
00:21:22,630 --> 00:21:20,880  
were crazy you were neurotic

509  
00:21:24,070 --> 00:21:22,640  
and my mother was scooby because she

510  
00:21:25,750 --> 00:21:24,080  
never told anybody

511  
00:21:27,270 --> 00:21:25,760  
but i remember on the same like i said

512  
00:21:30,549 --> 00:21:27,280  
it was about a year before she died

513  
00:21:35,029 --> 00:21:30,559

i guess it was 2400 or something or 20

514

00:21:40,390 --> 00:21:38,390

i throw the light and i said what

515

00:21:43,590 --> 00:21:40,400

she said you know when i had your

516

00:21:46,070 --> 00:21:43,600

sisters i had twin sisters she said

517

00:21:47,510 --> 00:21:46,080

i was gone and i didn't understand what

518

00:21:49,430 --> 00:21:47,520

i was reading live after life

519

00:21:50,549 --> 00:21:49,440

she said you're reading about it i said

520

00:21:52,310 --> 00:21:50,559

why didn't you tell me

521

00:21:54,789 --> 00:21:52,320

and she said that's something you tell

522

00:21:57,430 --> 00:21:54,799

people she said they don't believe you

523

00:21:58,149 --> 00:21:57,440

and she told me that she tumbled and

524

00:22:02,149 --> 00:21:58,159

tumbled

525

00:22:05,990 --> 00:22:02,159

and it was dark and then she saw light

526

00:22:08,549 --> 00:22:06,000

but she was not admitted in and

527

00:22:09,350 --> 00:22:08,559

she was pushed back that was the word i

528

00:22:12,390 --> 00:22:09,360

think she used

529

00:22:13,909 --> 00:22:12,400

pushed back but

530

00:22:16,230 --> 00:22:13,919

upon looking at all her records in the

531

00:22:19,510 --> 00:22:16,240

hospital she died for like a minute

532

00:22:21,990 --> 00:22:19,520

and they had to revive her but she never

533

00:22:23,590 --> 00:22:22,000

ever told anybody but she just remembers

534

00:22:26,710 --> 00:22:23,600

tumbling in the dark

535

00:22:29,190 --> 00:22:26,720

and then getting to some sort of light

536

00:22:30,549 --> 00:22:29,200

but only to be pushed back and refused

537

00:22:32,630 --> 00:22:30,559

and they revived her

538

00:22:34,549 --> 00:22:32,640

well that's i'm so glad that she was

539

00:22:37,750 --> 00:22:34,559

there for your twin sisters

540

00:22:40,149 --> 00:22:37,760

uh at least for part of their lives

541

00:22:41,510 --> 00:22:40,159

she didn't happen to mention if there

542

00:22:43,590 --> 00:22:41,520

was a being

543

00:22:46,630 --> 00:22:43,600

that she saw that pushed her back or it

544

00:22:50,230 --> 00:22:49,029

i you know i can't remember i can't i

545

00:22:54,070 --> 00:22:50,240

was young and

546

00:22:57,110 --> 00:22:54,080

i can't remember i i don't know

547

00:22:59,110 --> 00:22:57,120

i don't know uh i got the sense from the

548

00:23:02,630 --> 00:22:59,120

language it was a force

549

00:23:04,310 --> 00:23:02,640

okay but i don't know some people

550

00:23:05,669 --> 00:23:04,320

you know people have different

551  
00:23:08,630 --> 00:23:05,679  
experiences

552  
00:23:09,990 --> 00:23:08,640  
but they do sort of there are there are

553  
00:23:15,430 --> 00:23:10,000  
similar

554  
00:23:17,110 --> 00:23:15,440  
like some people never see the tunnel

555  
00:23:20,070 --> 00:23:17,120  
other people see the tunnel

556  
00:23:21,190 --> 00:23:20,080  
but they almost everybody sees a light

557  
00:23:23,350 --> 00:23:21,200  
of some sort

558  
00:23:24,630 --> 00:23:23,360  
and when they see the light some people

559  
00:23:27,750 --> 00:23:24,640  
are met by

560  
00:23:29,750 --> 00:23:27,760  
uh actual relatives like uh say

561  
00:23:31,750 --> 00:23:29,760  
in your mother's case maybe her father

562  
00:23:34,149 --> 00:23:31,760  
or mother

563  
00:23:35,669 --> 00:23:34,159

and uh in other cases sometimes a

564

00:23:39,029 --> 00:23:35,679

religious figure

565

00:23:42,470 --> 00:23:39,039

or a just a person

566

00:23:43,190 --> 00:23:42,480

of some form of authority so a loving

567

00:23:45,669 --> 00:23:43,200

person

568

00:23:46,870 --> 00:23:45,679

it's usually a loving presence that they

569

00:23:49,990 --> 00:23:46,880

see and some people

570

00:23:52,230 --> 00:23:50,000

are let in part of the way they begin

571

00:23:54,230 --> 00:23:52,240

to see things like a meadow and they

572

00:23:56,310 --> 00:23:54,240

walk in and they see people

573

00:23:57,990 --> 00:23:56,320

walking through the meadow and the and

574

00:24:00,149 --> 00:23:58,000

things are like um

575

00:24:01,269 --> 00:24:00,159

much more brilliant the colors are much

576

00:24:03,590 --> 00:24:01,279

brighter than

577

00:24:04,390 --> 00:24:03,600

uh we see here on earth the color that

578

00:24:06,870 --> 00:24:04,400

mostly

579

00:24:09,590 --> 00:24:06,880

people always talk about the brilliance

580

00:24:12,630 --> 00:24:09,600

of the colors in the afterlife

581

00:24:15,510 --> 00:24:12,640

but uh not everybody sees the same thing

582

00:24:16,230 --> 00:24:15,520

and people get turned back at different

583

00:24:19,269 --> 00:24:16,240

junctions

584

00:24:21,830 --> 00:24:19,279

along the pathway to the afterlife

585

00:24:23,750 --> 00:24:21,840

if you if you follow what i'm saying

586

00:24:24,549 --> 00:24:23,760

yeah yeah and she was turned back i

587

00:24:27,029 --> 00:24:24,559

don't know whether

588

00:24:28,950 --> 00:24:27,039

three minutes or two minutes would be

589

00:24:31,510 --> 00:24:28,960

the timing how far

590

00:24:33,190 --> 00:24:31,520

you know maybe the time maybe she just

591

00:24:36,230 --> 00:24:33,200

got revived and

592

00:24:40,070 --> 00:24:36,240

you know got pushed back because

593

00:24:43,669 --> 00:24:40,080

you know she was she was revived

594

00:24:47,590 --> 00:24:43,679

i'm just looking to see life before

595

00:24:49,990 --> 00:24:47,600

life is probably life after life

596

00:24:50,710 --> 00:24:50,000

okay because life before life is jim

597

00:24:53,750 --> 00:24:50,720

tucker

598

00:24:56,390 --> 00:24:53,760

is a fellow who works at um

599

00:24:57,830 --> 00:24:56,400

who works at the university of virginia

600

00:25:02,149 --> 00:24:57,840

uva dops

601  
00:25:05,350 --> 00:25:02,159  
he's uh he's a famous um uh

602  
00:25:08,390 --> 00:25:05,360  
past life uh researcher so it's life

603  
00:25:10,710 --> 00:25:08,400  
after life uh we i i believe it was it

604  
00:25:12,789 --> 00:25:10,720  
was one of the first ones out

605  
00:25:14,310 --> 00:25:12,799  
maybe it was another one of his i i

606  
00:25:17,110 --> 00:25:14,320  
think it was life after life

607  
00:25:18,230 --> 00:25:17,120  
okay well i i don't have it i i just had

608  
00:25:21,029 --> 00:25:18,240  
life before life

609  
00:25:21,510 --> 00:25:21,039  
but be that as it may are there any

610  
00:25:23,190 --> 00:25:21,520  
other

611  
00:25:24,630 --> 00:25:23,200  
things in your family that you would

612  
00:25:27,350 --> 00:25:24,640  
like to talk to us about

613  
00:25:28,230 --> 00:25:27,360

any other psychic events because this is

614

00:25:31,669 --> 00:25:28,240

good this is

615

00:25:33,110 --> 00:25:31,679

that one yeah that was you i you jogged

616

00:25:36,470 --> 00:25:33,120

my memory when you said

617

00:25:38,390 --> 00:25:36,480

near death experiences and uh i

618

00:25:40,149 --> 00:25:38,400

i remember so shocked that day when my

619

00:25:41,990 --> 00:25:40,159

mother said that because i was so into

620

00:25:44,870 --> 00:25:42,000

researching it you know and she

621

00:25:45,350 --> 00:25:44,880

said well i had that experience no i

622

00:25:48,390 --> 00:25:45,360

can't

623

00:25:50,789 --> 00:25:48,400

think of another at this moment

624

00:25:51,750 --> 00:25:50,799

i can just remember my brother saying i

625

00:25:55,110 --> 00:25:51,760

wasn't asleep

626

00:25:57,430 --> 00:25:55,120

mom came here and uh

627

00:25:59,669 --> 00:25:57,440

you know the only other incident that

628

00:26:02,070 --> 00:25:59,679

happened to me was actually happened

629

00:26:03,590 --> 00:26:02,080

to a boyfriend of mine who's living in a

630

00:26:05,830 --> 00:26:03,600

house with

631

00:26:07,510 --> 00:26:05,840

five other guys and he went home that

632

00:26:09,350 --> 00:26:07,520

night and he was eating in the kitchen

633

00:26:10,549 --> 00:26:09,360

with another guy you know these guys are

634

00:26:13,669 --> 00:26:10,559

like 25

635

00:26:15,269 --> 00:26:13,679

and he was eating and he looked into the

636

00:26:16,390 --> 00:26:15,279

living room of this house these guys

637

00:26:19,830 --> 00:26:16,400

rented

638

00:26:22,950 --> 00:26:19,840

and he saw an old woman

639

00:26:25,750 --> 00:26:22,960

with sort of like a a cape on a shawl

640

00:26:26,310 --> 00:26:25,760

afterward with her arm around a young

641

00:26:28,310 --> 00:26:26,320

girl

642

00:26:29,350 --> 00:26:28,320

and then she was just walking across the

643

00:26:30,870 --> 00:26:29,360

living room

644

00:26:32,470 --> 00:26:30,880

and he said to the guy he was eating

645

00:26:35,190 --> 00:26:32,480

with his roommate

646

00:26:36,830 --> 00:26:35,200

do you see that and his roommate looked

647

00:26:39,750 --> 00:26:36,840

and he said

648

00:26:40,950 --> 00:26:39,760

yeah unbelievable what kind of clothing

649

00:26:43,350 --> 00:26:40,960

period clothing

650

00:26:46,950 --> 00:26:43,360

uh could you place a time frame on that

651  
00:26:49,990 --> 00:26:46,960  
or uh not sure like 1800s 1700s or

652  
00:26:50,870 --> 00:26:50,000  
i'd say i'd say 1800 because she had a

653  
00:26:54,149 --> 00:26:50,880  
shawl

654  
00:26:56,950 --> 00:26:54,159  
and a bun and the little girl looked so

655  
00:26:59,029 --> 00:26:56,960  
raggedy and then he said to his friends

656  
00:27:00,870 --> 00:26:59,039  
and his roommate that he was eating with

657  
00:27:02,310 --> 00:27:00,880  
what do you think and he described the

658  
00:27:04,390 --> 00:27:02,320  
same thing he was saying

659  
00:27:05,430 --> 00:27:04,400  
i thought that was pretty unusual that

660  
00:27:08,230 --> 00:27:05,440  
two people

661  
00:27:09,110 --> 00:27:08,240  
saw the same thing well and in the

662  
00:27:11,750 --> 00:27:09,120  
living room like

663  
00:27:13,750 --> 00:27:11,760

15 feet away she was walking through the

664

00:27:16,149 --> 00:27:13,760

room

665

00:27:18,230 --> 00:27:16,159

maybe maybe 1800s like i don't know what

666

00:27:21,669 --> 00:27:18,240

is 1819 something

667

00:27:23,830 --> 00:27:21,679

uh 1800s as the 19th century

668

00:27:24,870 --> 00:27:23,840

uh they would be wearing uh you know

669

00:27:28,549 --> 00:27:24,880

long dresses

670

00:27:31,669 --> 00:27:28,559

and um it was a long dress they told me

671

00:27:33,190 --> 00:27:31,679

and a shawl yeah i guess it's hard i

672

00:27:36,630 --> 00:27:33,200

guess it would be hard to

673

00:27:39,269 --> 00:27:36,640

to delineate a certain amount of time

674

00:27:40,149 --> 00:27:39,279

for people who weren't rich they would

675

00:27:44,149 --> 00:27:40,159

probably wear

676

00:27:47,669 --> 00:27:44,159

sort of similar things from around 1880

677

00:27:50,950 --> 00:27:47,679

back to the 1700s so it would

678

00:27:53,269 --> 00:27:50,960

if they were people of um you would say

679

00:27:54,389 --> 00:27:53,279

modest circumstances they didn't

680

00:27:56,870 --> 00:27:54,399

necessarily

681

00:27:59,750 --> 00:27:56,880

keep up with the latest fashions that

682

00:28:02,549 --> 00:27:59,760

people in the drawing rooms of paris or

683

00:28:03,510 --> 00:28:02,559

uh the nightclubs of new york city might

684

00:28:06,950 --> 00:28:03,520

be wearing

685

00:28:09,029 --> 00:28:06,960

so that the styles for the peasants

686

00:28:10,149 --> 00:28:09,039

so to speak would not have changed

687

00:28:12,470 --> 00:28:10,159

hasn't stopped

688

00:28:14,630 --> 00:28:12,480

vastly i remember because i quizzed him

689

00:28:17,669 --> 00:28:14,640

endlessly

690

00:28:18,789 --> 00:28:17,679

very interesting yeah that is very very

691

00:28:21,590 --> 00:28:18,799

interesting and

692

00:28:22,549 --> 00:28:21,600

uh skeptics would say this is a folly uh

693

00:28:25,750 --> 00:28:22,559

do

694

00:28:27,110 --> 00:28:25,760

uh but i would i would disagree but the

695

00:28:29,190 --> 00:28:27,120

one thing that would make

696

00:28:31,669 --> 00:28:29,200

this sighting different from the

697

00:28:35,269 --> 00:28:31,679

sightings of your family members when

698

00:28:39,430 --> 00:28:35,279

people had recently passed on

699

00:28:43,430 --> 00:28:39,440

um is that this type of a sighting

700

00:28:47,029 --> 00:28:43,440

uh is generally not considered to be

701  
00:28:50,310 --> 00:28:47,039  
like a full-fledged ghost but rather

702  
00:28:53,909 --> 00:28:50,320  
more like um a like

703  
00:28:55,590 --> 00:28:53,919  
like a piece of a soul that didn't join

704  
00:28:58,870 --> 00:28:55,600  
the rest of the soul

705  
00:28:59,909 --> 00:28:58,880  
due to a traumatic experience and it's

706  
00:29:03,190 --> 00:28:59,919  
more like

707  
00:29:06,310 --> 00:29:03,200  
an echo of something in the past

708  
00:29:10,630 --> 00:29:06,320  
than it is like a full-fledged

709  
00:29:14,070 --> 00:29:10,640  
um spirit or ghost and one way that

710  
00:29:18,549 --> 00:29:14,080  
things are delineated in that regard

711  
00:29:22,389 --> 00:29:18,559  
is that these echoes of the past

712  
00:29:25,190 --> 00:29:22,399  
these like maybe little shards of a soul

713  
00:29:26,950 --> 00:29:25,200

echo from the past is that they don't

714

00:29:30,470 --> 00:29:26,960

usually respond

715

00:29:33,590 --> 00:29:30,480

to the people that are present so that's

716

00:29:37,190 --> 00:29:33,600

where we would sort of um

717

00:29:39,750 --> 00:29:37,200

look at that's what we would ask

718

00:29:41,590 --> 00:29:39,760

the man uh the two men in this

719

00:29:45,510 --> 00:29:41,600

circumstance

720

00:29:48,310 --> 00:29:45,520

if they felt that these apparitions

721

00:29:49,190 --> 00:29:48,320

uh acknowledged them or not because

722

00:29:52,070 --> 00:29:49,200

people

723

00:29:52,710 --> 00:29:52,080

uh seeing an apparition walk through a

724

00:29:55,750 --> 00:29:52,720

wall

725

00:29:56,470 --> 00:29:55,760

like uh sometimes soldiers are seen like

726  
00:29:58,789 --> 00:29:56,480  
civil war

727  
00:30:00,149 --> 00:29:58,799  
soldiers frequently are seen by people

728  
00:30:03,029 --> 00:30:00,159  
for whatever reason

729  
00:30:03,909 --> 00:30:03,039  
i think in the like the gettysburg area

730  
00:30:06,710 --> 00:30:03,919  
for instance

731  
00:30:09,110 --> 00:30:06,720  
a civil war soldier will be seen walking

732  
00:30:11,590 --> 00:30:09,120  
through a wall and walk right through

733  
00:30:12,149 --> 00:30:11,600  
another wall and walk out of the house

734  
00:30:15,430 --> 00:30:12,159  
but

735  
00:30:16,870 --> 00:30:15,440  
never acknowledge the individual who's

736  
00:30:19,909 --> 00:30:16,880  
seen

737  
00:30:23,590 --> 00:30:19,919  
him and that would be

738  
00:30:26,630 --> 00:30:23,600

like an echo or a shard of a soul

739

00:30:27,909 --> 00:30:26,640

and um there are certain things that can

740

00:30:31,430 --> 00:30:27,919

be done if it

741

00:30:34,470 --> 00:30:31,440

if it recurs frequently which would be

742

00:30:36,389 --> 00:30:34,480

a kind of soul retrieval might help but

743

00:30:40,789 --> 00:30:36,399

often this is just a

744

00:30:48,389 --> 00:30:44,149

yeah yeah i i it sounds like that

745

00:30:51,750 --> 00:30:48,399

that's what it was like i don't know so

746

00:30:55,110 --> 00:30:51,760

you have really been um a wonderful

747

00:30:57,990 --> 00:30:55,120

guest here kate and i so much appreciate

748

00:30:58,470 --> 00:30:58,000

you being on uh before we say goodbye to

749

00:31:01,750 --> 00:30:58,480

you

750

00:31:04,789 --> 00:31:01,760

would like to

751

00:31:07,509 --> 00:31:04,799

uh share with us of this nature can you

752

00:31:08,470 --> 00:31:07,519

i i think that i think that's all i've

753

00:31:12,230 --> 00:31:08,480

got today

754

00:31:15,430 --> 00:31:12,240

okay well keep in touch keep listening

755

00:31:17,509 --> 00:31:15,440

757

00:31:23,029 --> 00:31:20,399

on shattered reality podcast so

758

00:31:23,669 --> 00:31:23,039

uh so i'm gonna i'm gonna say goodbye to

759

00:31:25,909 --> 00:31:23,679

you and

760

00:31:28,149 --> 00:31:25,919

we'll hang up and we'll just do a few

761

00:31:30,630 --> 00:31:28,159

announcements

762

00:31:32,630 --> 00:31:30,640

thank you thank you kate bye now talk to

763

00:31:34,630 --> 00:31:32,640

you soon

764

00:31:37,110 --> 00:31:34,640

so that was really kind of interesting

765

00:31:38,230 --> 00:31:37,120

uh miss kate there she has quite a

766

00:31:41,669 --> 00:31:38,240

family and it's

767

00:31:45,029 --> 00:31:41,679

it is kind of uh fascinating to me

768

00:31:45,990 --> 00:31:45,039

how how close in the neighborhood and in

769

00:31:49,830 --> 00:31:46,000

time

770

00:31:53,029 --> 00:31:49,840

basically that she um she was to our

771

00:31:55,190 --> 00:31:53,039

previous guest who was a um

772

00:31:57,110 --> 00:31:55,200

a listener's corner guest uh the very

773

00:32:00,230 --> 00:31:57,120

very artistic

774

00:32:03,269 --> 00:32:00,240

miss june ponte um

775

00:32:06,789 --> 00:32:03,279

and um just to wrap this show up

776

00:32:09,990 --> 00:32:06,799

uh i want to give a little feedback

777

00:32:13,269 --> 00:32:10,000

from our last show and i've gotten

778

00:32:15,990 --> 00:32:13,279

three letters of feedback and

779

00:32:18,070 --> 00:32:16,000

uh people with different opinions and i

780

00:32:20,630 --> 00:32:18,080

hearken back to one of my

781

00:32:21,509 --> 00:32:20,640

one of my sort of unbeknownst to him

782

00:32:23,750 --> 00:32:21,519

probably

783

00:32:24,789 --> 00:32:23,760

mentors which is howard hughes of the

784

00:32:27,669 --> 00:32:24,799

unexplained

785

00:32:28,710 --> 00:32:27,679

and he always talks about uh on his show

786

00:32:30,630 --> 00:32:28,720

how you can't

787

00:32:31,990 --> 00:32:30,640

you can't please all the people all the

788

00:32:35,990 --> 00:32:32,000

time and

789

00:32:38,149 --> 00:32:36,000

um last episode we had a very nice uh

790

00:32:39,190 --> 00:32:38,159

interview a very enjoyable from my point

791

00:32:42,470 --> 00:32:39,200

of view interview

792

00:32:45,509 --> 00:32:42,480

with mike clelland um and he

793

00:32:49,750 --> 00:32:45,519

uh is the owl man and um

794

00:32:52,070 --> 00:32:49,760

one of our uh one of our uh listeners

795

00:32:53,190 --> 00:32:52,080

mentioned that i talked about myself too

796

00:32:56,389 --> 00:32:53,200

much and he

797

00:32:59,350 --> 00:32:56,399

didn't like that so i'm sorry to him

798

00:33:00,470 --> 00:32:59,360

however i got two other letters with

799

00:33:06,070 --> 00:33:00,480

glowing

800

00:33:07,909 --> 00:33:06,080

the podcast one of whom was an another

801  
00:33:09,029 --> 00:33:07,919  
listener's corner person whose name i'll

802  
00:33:11,750 --> 00:33:09,039  
mention because

803  
00:33:12,950 --> 00:33:11,760  
i know that she will like that and that

804  
00:33:16,070 --> 00:33:12,960  
is stephanie quick

805  
00:33:19,029 --> 00:33:16,080  
and she really liked the uh interview um

806  
00:33:21,669 --> 00:33:19,039  
a whole lot she liked hearing about uh

807  
00:33:23,110 --> 00:33:21,679  
the commonality of the experiences that

808  
00:33:25,990 --> 00:33:23,120  
mike and i had had

809  
00:33:26,549 --> 00:33:26,000  
how they were similar but different and

810  
00:33:29,029 --> 00:33:26,559  
um

811  
00:33:30,149 --> 00:33:29,039  
in addition uh one of our south of the

812  
00:33:31,909 --> 00:33:30,159  
border colleagues

813  
00:33:34,149 --> 00:33:31,919

uh who i won't mention her name because

814

00:33:37,269 --> 00:33:34,159

she didn't give me permission to do so

815

00:33:38,070 --> 00:33:37,279

but she is a psychologist who lives in

816

00:33:40,789 --> 00:33:38,080

mexico

817

00:33:41,269 --> 00:33:40,799

and she really enjoyed the show as well

818

00:33:44,149 --> 00:33:41,279

so

819

00:33:45,750 --> 00:33:44,159

um different strokes for different folks

820

00:33:48,630 --> 00:33:45,760

you can't please all the people

821

00:33:49,669 --> 00:33:48,640

all the time i think old abe lincoln

822

00:33:53,269 --> 00:33:49,679

said that

823

00:33:53,909 --> 00:33:53,279

but uh so thank you to all three people

824

00:33:57,029 --> 00:33:53,919

because

825

00:33:58,710 --> 00:33:57,039

i appreciate all of your comments as

826  
00:34:01,669 --> 00:33:58,720  
long as they're constructive

827  
00:34:02,710 --> 00:34:01,679  
and even the person who didn't like uh

828  
00:34:05,269 --> 00:34:02,720  
the

829  
00:34:05,990 --> 00:34:05,279  
uh nature of that interview had very

830  
00:34:09,190 --> 00:34:06,000  
constructive

831  
00:34:11,030 --> 00:34:09,200  
things to say about it and i appreciate

832  
00:34:12,950 --> 00:34:11,040  
all constructive criticism

833  
00:34:14,950 --> 00:34:12,960  
and of course like anybody else i love

834  
00:34:18,550 --> 00:34:14,960  
praise

835  
00:34:21,109 --> 00:34:18,560  
i guess i'm not alone in that so before

836  
00:34:24,550 --> 00:34:21,119  
we wrap it up i wanted to tell you

837  
00:34:26,950 --> 00:34:24,560  
about our next guests

838  
00:34:28,310 --> 00:34:26,960

our next two guests which should be

839

00:34:29,909 --> 00:34:28,320

coming in a few weeks we're going to

840

00:34:33,270 --> 00:34:29,919

have a couple of weeks off

841

00:34:36,389 --> 00:34:33,280

but we shall come back uh and

842

00:34:40,069 --> 00:34:36,399

in force with russell targ

843

00:34:40,869 --> 00:34:40,079

and lance mongia who are going to talk

844

00:34:43,750 --> 00:34:40,879

about

845

00:34:46,069 --> 00:34:43,760

the iteration of their movie the latest

846

00:34:49,589 --> 00:34:46,079

iteration of their movie which is

847

00:34:53,430 --> 00:34:49,599

third eye spies russell targ's

848

00:34:53,750 --> 00:34:53,440

story about having worked extensively

849

00:34:57,109 --> 00:34:53,760

and

850

00:34:59,349 --> 00:34:57,119

basically invented the remote viewing

851  
00:34:59,910 --> 00:34:59,359  
program along with a few other people he

852  
00:35:03,670 --> 00:34:59,920  
was

853  
00:35:06,550 --> 00:35:03,680  
the founder along with hal put off and

854  
00:35:07,910 --> 00:35:06,560  
a few other notable individuals and he's

855  
00:35:11,430 --> 00:35:07,920  
going to talk about

856  
00:35:14,069 --> 00:35:11,440  
um starting that up and how he

857  
00:35:14,870 --> 00:35:14,079  
put it into a movie and what the heck

858  
00:35:17,990 --> 00:35:14,880  
actually

859  
00:35:21,510 --> 00:35:18,000  
did happen to the policeman

860  
00:35:24,150 --> 00:35:21,520  
pat price who died on

861  
00:35:25,190 --> 00:35:24,160  
an early death after doing incredible

862  
00:35:28,950 --> 00:35:25,200  
remote viewing

863  
00:35:31,750 --> 00:35:28,960

so we're going to be back with that show

864

00:35:33,349 --> 00:35:31,760

in in the next month so thank you
