

1

00:00:00,000 --> 00:00:02,400

not the only possible interpretation.

2

00:00:02,400 --> 00:00:06,400

The viewer is invited to make a judgment based on all available information.

3

00:00:06,400 --> 00:00:11,160

Tonight on Sightings was the shocking murder of a teenage girl foretold in her

4

00:00:11,160 --> 00:00:12,720

own mother's mystery novel.

5

00:00:12,720 --> 00:00:16,320

I had more or less written the story of our own

6

00:00:16,320 --> 00:00:20,080

true life horror story. And psychic contact with the dead girl

7

00:00:20,080 --> 00:00:23,680

helped solve the crime. Then from our UFO file

8

00:00:23,680 --> 00:00:28,240

bizarre men in black stalk witnesses who have had UFO sightings.

9

00:00:28,240 --> 00:00:35,200

His eyes were extremely long. They literally wrapped around his temples.

10

00:00:35,200 --> 00:00:39,600

Startling new evidence and exclusive videotape reveals the sinister motives

11

00:00:39,600 --> 00:00:43,680

behind the nib phenomenon and a tragic car crash

12

00:00:43,680 --> 00:00:47,840

left this boy in a coma until a dog brought him back to life.

13

00:00:47,840 --> 00:00:54,000

He licked me then I woke up.

14

00:00:54,640 --> 00:00:57,600

At that point it started to appear.

15

00:00:57,680 --> 00:01:02,480

They had large dark eyes, small eye hands.

16

00:01:02,480 --> 00:01:06,880

I began sensing and knowing and feeling.

17

00:01:06,880 --> 00:01:10,000

I do believe in life after death. I mean I've been there.

18

00:01:10,000 --> 00:01:15,760

We have not scratched the surface of what the mind can do.

19

00:01:15,760 --> 00:01:18,960

It's a connection with the unknown.

20

00:01:19,120 --> 00:01:29,120

Welcome to Sightings. I'm Tim White. Although few psychic detectives have actually

21

00:01:29,120 --> 00:01:33,760

solved the crime they can provide help to law enforcement and at least one

22

00:01:33,760 --> 00:01:39,040

important service to families of victims. One good lead from a psychic can often

23

00:01:39,040 --> 00:01:44,000

reopen a case where the police have reached a dead end.

24

00:01:44,000 --> 00:01:47,680

Psychic detectives have played an important role in the still unsolved

25

00:01:47,680 --> 00:01:52,240

murder of 18 year old Caitlyn Arquette. She was gunned down behind the wheel of

26

00:01:52,240 --> 00:01:57,440

her car in Albuquerque, New Mexico in July 1989. At first police believed

27

00:01:57,440 --> 00:02:01,760

Caitlyn was the victim of a random act of violence but as investigators

28

00:02:01,760 --> 00:02:04,960

delved into the case they soon realized there was nothing

29

00:02:04,960 --> 00:02:09,200

random about this murder. Even the most seasoned detectives were stunned by the

30

00:02:09,200 --> 00:02:14,240

strange twists and turns in this case. Psychic detectives provided intriguing

31

00:02:14,240 --> 00:02:18,160

leads and, earliest of all, what appeared to be Caitlyn's own attempts to

32

00:02:18,160 --> 00:02:22,400

reach out from the grave with information about her murderer. Crucial

33

00:02:22,400 --> 00:02:26,240

details allegedly from beyond directly paralleled those in a murder

34

00:02:26,240 --> 00:02:31,040

mystery written by her own mother. Under the pen named Lois Duncan, Lois

35

00:02:31,040 --> 00:02:34,960

Arquette is a successful mystery writer whose novels are filled with intrigue

36

00:02:34,960 --> 00:02:39,440

and terror but there was no greater horror for Lois than discovering an uncanny

37

00:02:39,440 --> 00:02:43,200

link between details of her daughter's death and one of her own

38

00:02:43,200 --> 00:02:48,160

novels. I didn't put any connection together in the beginning at all. It

39

00:02:48,160 --> 00:02:53,520

wasn't until one thing after another began to occur that I suddenly

40

00:02:53,520 --> 00:02:57,520

realized that I had more or less written the story of our own

41

00:02:57,520 --> 00:03:00,880

true life horror story. And don't look behind you,

42

00:03:00,880 --> 00:03:04,960

I based the personality of my hero in April upon Cait.

43

00:03:04,960 --> 00:03:10,800

April was chased by a hitman and a Camaro. That book was published in June 1989

44

00:03:10,800 --> 00:03:16,720

and in July 1989, Cait was chased down and shot to death by a trigger man

45

00:03:16,720 --> 00:03:21,520

in a Camaro. The most shocking thing of all to us was that when we read in the

46

00:03:21,520 --> 00:03:25,040

police file the Hispanic man who was arrested,

47

00:03:25,040 --> 00:03:29,120

his name was Mike. Everybody called him vamp

48

00:03:29,120 --> 00:03:33,520

and don't look behind you, the hitman who chased down

49

00:03:33,520 --> 00:03:37,040

April was named Mike Vamp.

50

00:03:37,680 --> 00:03:41,680

As police probed Caitlyn's brutal killing, they discovered the young woman

51

00:03:41,680 --> 00:03:45,920

had a secret life centered around her boyfriend and alleged gang member

52

00:03:45,920 --> 00:03:50,160

believed to be involved in illegal activities. But investigators were

53

00:03:50,160 --> 00:03:54,800

unable to establish a direct link between either the boyfriend or his gang

54

00:03:54,800 --> 00:03:58,800

and Caitlyn's murder. With the police department at a dead end,

55

00:03:58,800 --> 00:04:02,880

in desperation, Caitlyn's mother turned to local psychic,

56

00:04:02,960 --> 00:04:05,280

Betty Minch.

57

00:04:05,280 --> 00:04:09,280

I rang the doorbell and this middle-aged woman answered the door and I looked at

58

00:04:09,280 --> 00:04:12,480

her. I had an instant feeling that I knew her.

59

00:04:12,480 --> 00:04:16,000

It wasn't that I'd met her. I had invented her.

60

00:04:16,000 --> 00:04:20,960

She was physically identical to Ann Summers, the psychic detective

61

00:04:20,960 --> 00:04:26,240

in my book *The Third Eye*. Betty Minch considers herself a bridge between the

62

00:04:26,240 --> 00:04:29,920

living and the dead. Minch claims she can pick up messages

63

00:04:29,920 --> 00:04:33,840

telepathically while in a meditative trance, channeling the words of the

64

00:04:33,840 --> 00:04:36,560

dead through the keys of her typewriter.

65

00:04:36,560 --> 00:04:40,800

Usually I get a lot of color moving in my head.

66

00:04:40,800 --> 00:04:44,160

Then out of that, sometimes there will come maybe an image

67

00:04:44,160 --> 00:04:48,320

and that's when the word seems to want to start pouring into my head.

68

00:04:48,320 --> 00:04:52,560

It was a very clear contact with Caitlyn. She was right there.

69

00:04:52,560 --> 00:04:58,240

We had the idea that Caitlyn was in some kind of trouble, that there were

70

00:04:58,240 --> 00:05:03,840

other things going on that the family wasn't quite aware of.

71

00:05:03,840 --> 00:05:08,000

Amazingly enough, it appeared that Caitlyn was conducting her own murder

72

00:05:08,000 --> 00:05:12,400

investigation from beyond the grave. Some of the messages Betty Minch claimed

73

00:05:12,400 --> 00:05:16,160

to be receiving provided police with important new leads.

74

00:05:16,160 --> 00:05:20,320

Investigators soon received an anonymous tip from someone who'd seen one of the

75

00:05:20,320 --> 00:05:24,400

crime stoppers posters the Arquette family had placed around Albuquerque.

76

00:05:24,480 --> 00:05:27,760

Arrest were made. That proved psychic Betty Minch had been

77

00:05:27,760 --> 00:05:31,760

dead right. She told us that the people who were arrested

78

00:05:31,760 --> 00:05:35,520

would have been driving a lowrider car. There would be two men in the front

79

00:05:35,520 --> 00:05:38,720

seat, one in the back seat, that there would be no eye

80

00:05:38,720 --> 00:05:43,040

witnesses, but that arrest would be made because the men would be heard bragging.

81

00:05:43,040 --> 00:05:46,320

That our best help might come from somebody in the media

82

00:05:46,320 --> 00:05:50,800

and she identified who that person would be. An investigative reporter named Mike

83

00:05:50,800 --> 00:05:54,240

Gallagher. But there was insufficient evidence to

84

00:05:54,240 --> 00:05:58,560

hold the three suspects and they were released. Desperate for more evidence,

85

00:05:58,560 --> 00:06:03,040

Lois contacted Noreen Rainier, a well respected psychic detective from

86

00:06:03,040 --> 00:06:06,160

Maitland, Florida. Working with a police sketch artist,

87

00:06:06,160 --> 00:06:09,840

Rainier attempted to create a drawing based on impressions she claimed to be

88

00:06:09,840 --> 00:06:13,840

receiving from Caitlyn. I have to get their scent. I have to pick up their

89

00:06:13,840 --> 00:06:17,760

vibes and somehow something personal that was on

90

00:06:17,760 --> 00:06:20,720

at the time of the crime gives me more information.

91

00:06:20,720 --> 00:06:24,320

I can pick up the scent of Caitie psychically.

92

00:06:24,320 --> 00:06:29,680

Dury Noreen's session. Lois listened in on the phone from 900 miles away.

93

00:06:29,680 --> 00:06:33,280

I was sitting in Albuquerque knowing that Noreen was doing this

94

00:06:33,280 --> 00:06:37,600

and I knew what the alleged trigger man looked like because he'd been arrested.

95

00:06:37,600 --> 00:06:41,280

I was trying to concentrate on Cait. I was saying tell mother

96

00:06:41,280 --> 00:06:46,400

why you were killed. Was it a random shooting as the police think or was it

97

00:06:46,400 --> 00:06:50,640

something else? Send me a symbol, send me a message through

98

00:06:50,640 --> 00:06:55,040

Noreen Rainier. And the picture Noreen sent me was a

99

00:06:55,040 --> 00:06:59,920

sketch of Mike Phamp, the hitman in Biltlick Behind You,

100

00:06:59,920 --> 00:07:05,600

exactly as he appeared on the jacket of the British edition of that book.

101

00:07:05,600 --> 00:07:09,200

Everything was there, even the little scar between the eyebrows.

102

00:07:09,200 --> 00:07:12,400

I like seeing something have been copied from the jacket

103

00:07:12,400 --> 00:07:15,920

and I just started to shake. I couldn't stop shaking.

104

00:07:15,920 --> 00:07:19,120

Lois was shocked. Caitlyn had been the only member of the

105

00:07:19,120 --> 00:07:23,280

Arquette family to see the new book jacket of the British edition.

106

00:07:23,280 --> 00:07:27,920

I just was very confused when she was telling me I got some man on a book

107

00:07:27,920 --> 00:07:31,680

jacket. I'm saying what are you talking about? But then it made sense that

108

00:07:31,680 --> 00:07:35,920

Cait was telling us it was a hit. It wasn't a random shooting.

109

00:07:35,920 --> 00:07:42,320

It was planned killing. It wasn't random and that's what we needed to know.

110

00:07:42,320 --> 00:07:46,480

Even more startling is a tape recording Noreen made as she supposedly

111

00:07:46,480 --> 00:07:50,000

channeled Caitlyn's own description of her final hours.

112

00:07:50,000 --> 00:07:54,800

It's Noreen's voice but Caitlyn's words. I'm meeting somebody at a shopping

113

00:07:54,800 --> 00:08:02,160

center with a C in it. I went up the hill towards the north to

114

00:08:02,160 --> 00:08:07,120

that big place up there to this, I want to call it the Desert

115

00:08:07,120 --> 00:08:10,960

Castle. There's just an important person there

116

00:08:10,960 --> 00:08:15,760

that I'm not supposed to know is there. I saw things that I shouldn't have seen.

117

00:08:15,760 --> 00:08:18,880

They had to make sure that there was no way I would ever talk

118

00:08:18,880 --> 00:08:24,480

and this was a way of silencing me. My crime that was committed against me

119

00:08:24,480 --> 00:08:30,320

was to silence me. I'll never be silenced.

120

00:08:30,320 --> 00:08:37,120

I'm not a bad person. I'm just young and I just was curious. I was a good

121

00:08:37,200 --> 00:08:43,920

daughter to your mother. I told you almost everything. Almost.

122

00:08:43,920 --> 00:08:47,440

The incredible revelations from Psyhex Minge and Rainier

123

00:08:47,440 --> 00:08:51,360

prompted Lois to write, Who Killed My Daughter? And while the police have not

124

00:08:51,360 --> 00:08:55,840

yet solved Caitlyn's homicide, Lois is encouraged by one psychic message

125

00:08:55,840 --> 00:09:01,840

Betty Minge believes she received. She said that Cait was sending a symbol.

126

00:09:01,840 --> 00:09:05,120

That the symbol was a wolf with a collar around its neck,

127

00:09:05,120 --> 00:09:10,720

its head jerked back, and the message was that Cait was very sure that the wolf

128

00:09:10,720 --> 00:09:14,400

who had been after her was soon to be caught and colored.

129

00:09:14,400 --> 00:09:19,440

The message was particularly significant to Lois who originally entitled her book

130

00:09:19,440 --> 00:09:25,120

One to the Wolves. I couldn't explain any of this. All I could say to myself was

131

00:09:25,120 --> 00:09:30,720

it's happening. Somehow it's happening. I have now come to believe that

132

00:09:30,720 --> 00:09:37,040

there must be some kind of transition point where it is possible for the dead to

133

00:09:37,680 --> 00:09:42,720

communicate with the living perhaps when they have very very strong message to get across.

134

00:09:43,360 --> 00:09:46,720

I think Cait was killed because she was getting ready to tell the truth

135

00:09:47,360 --> 00:09:50,800

and she couldn't do it herself and now she wanted me to do it for her.

136

00:09:51,520 --> 00:09:57,120

Lois Arquette is hoping police or psychic detectives will soon find out what horrible

137

00:09:57,120 --> 00:10:00,800

facts Caitlyn knew and who stopped her from telling the truth.

138

00:10:04,000 --> 00:10:09,200

Coming up next the frightening men in black phenomenon surrounding UFO contact.

139

00:10:09,760 --> 00:10:14,800

I'm not afraid of them because they haven't done anything to us yet.

140

00:10:14,800 --> 00:10:19,200

But what are their motives? There have been a few cases where

141

00:10:19,200 --> 00:10:22,960

individuals have died under mysterious circumstances.

142

00:10:22,960 --> 00:10:26,880

And later what miraculous power brought this boy back to life?

143

00:10:26,880 --> 00:10:28,640

Some believe it was this dog.

144

00:10:32,880 --> 00:10:38,640

Sightings is brought to you by Advil for headaches, muscle aches, fever, backaches. Advil,

145

00:10:38,640 --> 00:10:44,000

advanced medicine for pain. The first time I switched pain relievers it was from aspirin to

146

00:10:44,000 --> 00:10:49,840

Tylenol. Then recently I switched again from Tylenol acetaminophen to Advil. You see I got

147

00:10:49,840 --> 00:10:54,960

these really pounding headaches and I found Tylenol didn't always get rid of all the pain.

148

00:10:54,960 --> 00:10:59,360

So I tried Advil and found that for my really tough headaches two Advil worked better than two

149

00:10:59,360 --> 00:11:05,040

extra strength Tylenol tablets better than Tylenol gel caps. For my tough headaches Advil just works

150

00:11:05,040 --> 00:11:10,560

better. And for a cold dry Advil cold insinus advanced formula for the cold season.

151

00:11:19,840 --> 00:11:25,120

KFC spicy chicken bites. Albin roasted, dinlid, tender and juicy. Delicious.

152

00:11:30,560 --> 00:11:37,200

Only \$1.99 a serving. Check them out. Now it's your KFC. For a limited time only.

153

00:11:41,360 --> 00:11:46,720

We dare you to feel more comfortable this month. You're on. Take new improved playtags out of its

154

00:11:46,720 --> 00:11:51,520

applicator and compare it to the other leading tampons. Playtex is softer than a more comfortable

155

00:11:51,520 --> 00:12:04,720

applicator. I'll try it. Playtex dare to feel more comfortable. UFO insiders call them MIBS.

156

00:12:04,720 --> 00:12:10,640

That's an acronym for man in black. These men in black are one of the least known and yet most

157

00:12:10,640 --> 00:12:16,080

disturbing elements of the UFO experience. The phenomenon is reported worldwide and the stories

158

00:12:16,080 --> 00:12:23,280

that witnesses tell are remarkably similar. Seeing a UFO can be an exhilarating experience,

159

00:12:23,280 --> 00:12:29,200

but for some that excitement soon turns into desperate paranoia. After a sighting some witnesses

160

00:12:29,200 --> 00:12:35,040

report that they're threatened and harassed by mysterious thugs known to UFO investigators as

161

00:12:35,040 --> 00:12:41,520

MIBS men in black. Just who are these men in black? Where do they come from and why do they seem to

162

00:12:41,520 --> 00:12:47,600

be tracking and spying on those who've had a close encounter? There it was. It's a long,

163

00:12:47,600 --> 00:12:53,280

lit up cigar shaped object heading just over rooftop and then it moved out of sight and I went back home

164

00:12:54,080 --> 00:12:58,880

and when I got home my wife said you just got a phone call. I said a phone call and it said that

165

00:12:58,880 --> 00:13:04,320

if you talk to the media about this that your daughter will die. Immediately following a UFO

166

00:13:04,320 --> 00:13:10,720

sighting strange encounters with MIBS begin. They would walk in seemingly from nowhere be driving

167

00:13:10,800 --> 00:13:17,680

a car that may be as old as 25 years. It would be immaculate, shiny without a mark on it. The

168

00:13:17,680 --> 00:13:23,200

individual in several cases drove down to the end of the street, turned, the guy ran down after them

169

00:13:23,200 --> 00:13:29,680

and they were completely gone. Men dressed in black, driving black cars, reportedly follow and

170

00:13:29,680 --> 00:13:34,800

sometimes even threaten UFO witnesses and their motives appear to be strangely sinister.

171

00:13:35,520 --> 00:13:40,640

Witnesses driving them from having lunch at a restaurant have reported seeing a UFO. Before

172

00:13:40,640 --> 00:13:44,960

they could get home they had cars waiting for them, warning them not to talk about the case.

173

00:13:44,960 --> 00:13:51,120

An investigator is approached by a very saturn looking man. He said you know people for UFOs

174

00:13:51,120 --> 00:13:58,240

sometimes find problems. There have been a few cases where individuals have died under mysterious

175

00:13:58,240 --> 00:14:04,560

circumstances. Reports of contact with MIBS seem to follow a definite pattern and occur throughout

176

00:14:04,560 --> 00:14:10,800

the world. One horrified witness was harassed by MIBS after sighting a UFO near Toronto Canada.

177

00:14:11,600 --> 00:14:17,200

And it was about three o'clock in the afternoon. There was a knock on the door. I opened the door

178

00:14:18,240 --> 00:14:26,160

and there was this very odd looking man standing there. He had a photograph album in his left

179

00:14:27,120 --> 00:14:35,200

and he didn't say anything for a whole minute. He was about five foot six. He was extremely thin.

180

00:14:36,560 --> 00:14:45,760

He had a slightly enlarged head. His face was a very strange olive hue. He wore a black turtleneck.

181

00:14:46,400 --> 00:14:52,480

He wore black pants. He was dressed entirely in black. His eyes were not oriental looking.

182

00:14:53,360 --> 00:15:01,760

They were extremely long. They literally wrapped around his temples. I have never seen eyes like

183

00:15:01,760 --> 00:15:08,320

that. Those eyes held me. They held my attention. They seemed to be boring into me. I felt very

184

00:15:09,520 --> 00:15:17,120

intruded upon on a mental level by those eyes. The men in black cases for the most part have

185

00:15:17,200 --> 00:15:23,760

stirred up great amounts of paranoia. In many cases these people have attempted to pass themselves

186

00:15:23,760 --> 00:15:30,080

off either as government agents or in some cases Air Force officers. At one point the FBI was very

187

00:15:30,080 --> 00:15:35,280

heavily involved in tracking these cases down and attempting to arrest someone but no one was ever

188

00:15:35,280 --> 00:15:41,440

caught. Composite drawings created from witness testimony lead researchers to believe that MIBS

189

00:15:41,520 --> 00:15:46,400

could be aliens who have come to earth to silence people who know too much about UFOs.

190

00:15:46,960 --> 00:15:51,280

In Russia one witness reported being harassed and physically transformed by a man.

191

00:15:51,920 --> 00:15:56,960

Professor Paul Stonehill translated the Russian newspaper story about the woman's Mib experience.

192

00:15:57,840 --> 00:16:04,960

His touch was paralyzing and left effects on upon the body of those whom he touched. His daughter

193

00:16:05,520 --> 00:16:14,000

she became magnetic and she would attract metals and like her hands became a sort of electric

194

00:16:14,000 --> 00:16:22,800

conductors her touch was electric shock. This is taking place now because the article is from April of 1992.

195

00:16:26,240 --> 00:16:32,080

Mib encounters are so disturbing. Investigators fear many valuable witnesses might never come

196

00:16:32,080 --> 00:16:38,160

forward. Those who do believe their lives are in danger and claim Mib's surveillance intensifies

197

00:16:38,160 --> 00:16:45,280

when they contact the media. I think what has happened is they've gone to the black helicopters

198

00:16:45,280 --> 00:16:52,160

so I think that the men in black have just left their black Cadillacs behind and taken up black

199

00:16:52,160 --> 00:16:58,640

helicopters. These helicopters which have been described almost as a black U.E. type army helicopter

200

00:16:58,640 --> 00:17:06,160

with no numbers visible have appeared almost silently with with no helicopter noise that you

201

00:17:06,160 --> 00:17:13,520

associate with it. Shirley and George Coyne are the Midwest directors of the mutual UFO network

202

00:17:13,520 --> 00:17:20,160

MUFON a UFO research organization. The coins claim that they are being tailed by this silent

203

00:17:20,160 --> 00:17:26,480

black helicopter devoid of the necessary FAA identification numbers. This video shot by Shirley

204

00:17:26,480 --> 00:17:33,680

Coyne is the only footage of an alleged Mib encounter. Well this is the day we had a meeting and

205

00:17:34,640 --> 00:17:41,040

copter met us about halfway between Flint and Flushing and followed us all the way to our meeting

206

00:17:41,040 --> 00:17:49,680

place. I'm not afraid of them because they haven't done anything to us yet and I feel the more vocal

207

00:17:49,680 --> 00:17:57,040

I am the less they're going to do. Is it possible that aliens with a secret agenda are harassing UFO

208

00:17:57,040 --> 00:18:02,720

witnesses or could Mibs be cleverly disguised humans trying to silence those who've had close

209

00:18:02,720 --> 00:18:09,760

encounters? Investigators continue to search for answers. It's just something that there is no

210

00:18:09,760 --> 00:18:16,880

explanation for and by working on these cases and trying to use a scientific and investigative

211

00:18:16,960 --> 00:18:20,800

formula we try to get to the bottom of them but sometimes there doesn't seem to be a bottom.

212

00:18:22,560 --> 00:18:28,000

Coming up next do animals have miraculous healing powers? Some say a dog brought this

213

00:18:28,000 --> 00:18:34,400

boy out of a near fatal coma. He licked me then I woke up.

214

00:18:37,280 --> 00:18:41,920

We feel the best way to advertise a car like Mercury Sable is the direct approach.

215

00:18:42,640 --> 00:18:48,240

Mention the car. Show the car. Mention the interior. Show the interior.

216

00:18:48,960 --> 00:18:55,200

Mention the safety features. Show the safety features. Mention Sable's commitment to design

217

00:18:55,200 --> 00:19:08,000

excellence and leadership. Show the car again. All this and the quality of a Mercury. Chew on this.

218

00:19:08,080 --> 00:19:13,280

Nearly seven out of ten of us usually don't brush after lunch especially lunches on the run.

219

00:19:13,280 --> 00:19:18,880

Now chew on this. Great tasting Trident actually helps fight cavities when you chew it after meals

220

00:19:18,880 --> 00:19:25,440

so when you can't brush chew on this. Trident. For allergies that hurt only

230

00:20:26,160 --> 00:20:37,280

Hollywood Pictures presents America's number one comedy hit born yesterday. Oh this will be

231

00:20:37,280 --> 00:20:43,120

spanked. Critics are calling it a hip fun filled hilarious tent. Melanie Griffith is sensational.

232

00:20:43,120 --> 00:20:49,200

Her best since working girl. It's fun funny and just plain wonderful. Born yesterday is sweet

233

00:20:49,200 --> 00:20:54,000

charming and irresistible. Don't miss the most acclaimed comedy of the year. A sheer delight

234

00:20:54,000 --> 00:21:01,120

from start to finish. Born yesterday rated PG now playing in a theater near you.

235

00:21:04,400 --> 00:21:09,520

In their efforts to prove that ESP exists the most startling evidence has come not from human

236

00:21:09,520 --> 00:21:15,920

subjects but from animals. They found that family pets possess mystifying talents which

237

00:21:16,000 --> 00:21:23,200

conventional science can't explain. July 19th 1989. I'll never forget the date.

238

00:21:25,200 --> 00:21:30,480

We were in a car accident. My daughter Lauren was killed in the class.

239

00:21:32,400 --> 00:21:42,320

I broke my neck. And Neil sustained a traumatic head injury and it put him in a coma for three months.

240

00:21:42,640 --> 00:21:47,600

Lucky is not a word Amelia Stortz would use to describe her son Neil on that tragic night three

241

00:21:47,600 --> 00:21:54,480

years ago. But Neil was lucky lucky to be alive. He had suffered a very severe brain injury and

242

00:21:54,480 --> 00:22:00,720

he was in a very deep coma when he came to us. Neil survived but doctors did not know if he would

243

00:22:00,720 --> 00:22:05,520

ever regain consciousness. He could have been in it forever. That would be a vegetative state.

244

00:22:05,520 --> 00:22:10,480

What happens in a vegetative state is that their brainstem kind of kicks in and takes over their

245

00:22:10,480 --> 00:22:16,480

heart and lungs and their gastrointestinal system and their eyes are open and they have

246

00:22:16,480 --> 00:22:20,960

sleep wake cycles but they don't have the ability to follow commands and they're not aware of their

247

00:22:20,960 --> 00:22:27,280

environment. In a seemingly hopeless case where modern medicine can't provide all the answers

248

00:22:27,280 --> 00:22:33,840

alternative forms of treatment may be called for. Since 1982 the animal assisted therapy program

249

00:22:33,840 --> 00:22:39,120

has been providing Houston area hospitals with animal companionship for patients who are

250

00:22:39,840 --> 00:22:43,600

patients who may not be responding to more traditional methods of health care.

251

00:22:45,280 --> 00:22:50,480

When patients have had brain injuries they're oftentimes either comatose that are very disoriented

252

00:22:50,480 --> 00:22:55,920

and having animals around we know from studies causes people's blood pressure to lessen and

253

00:22:55,920 --> 00:23:01,600

they become calmer. It kind of pushes the right button so to speak and makes it more likely

254

00:23:01,600 --> 00:23:06,160

that the patient's going to wake up. There are magical and miraculous things that happen all

255

00:23:06,160 --> 00:23:12,800

the time that defy medical science. I don't think that animals and humans working together is

256

00:23:12,800 --> 00:23:19,440

very explainable and when you see something like this it really is kind of magical. Neal had been

257

00:23:19,440 --> 00:23:25,040

in a coma for three months so animal assisted therapy was one long shot his family felt was

258

00:23:25,040 --> 00:23:32,160

definitely worth trying. When your child is laying there in a coma you resort to just about anything

259

00:23:32,160 --> 00:23:38,320

you know you try anything. With all conventional treatments exhausted the one remaining hope

260

00:23:38,320 --> 00:23:44,800

was to consult a rather unique specialist by the name of Rex. Rex was part of a regular visitation

261

00:23:44,800 --> 00:23:54,560

team as part of our animal assisted therapy program and he happened to get up on Neal's bed and lick

262

00:23:54,720 --> 00:24:06,240

his face and within several hours after that Neal began to speak. He licked me then I woke up.

263

00:24:06,240 --> 00:24:13,360

It's pretty amazing you see but but if you're going to credit anything or anybody why not

264

00:24:15,200 --> 00:24:21,680

credit Rex the Wonder Dog. Was Neal's recovery a miracle or could it have been the result of a

265

00:24:21,680 --> 00:24:28,320

power animals possess that we do not fully understand yet. I mean this was a really big

266

00:24:28,320 --> 00:24:34,640

tragedy you know to have a little boy that's in a coma and his little sister was killed and his

267

00:24:34,640 --> 00:24:40,000

mother was also injured in the accident and it was just you know too much for most of us to even

268

00:24:40,640 --> 00:24:47,600

conceive. Neal had a lot of previous experiences with animals and really loved animals and

269

00:24:47,600 --> 00:24:53,200

and there's at least a hunch that it was a very normalizing experience for Neal and something

270

00:24:53,200 --> 00:24:58,800

that he could relate to instead of saying open your eyes close your hands you know yelling

271

00:24:58,800 --> 00:25:04,000

commands at him it was really kind of neat that an animal kind of brought him around.

272

00:25:09,680 --> 00:25:15,680

The extraordinary and inexplicable bond between humans and animals researchers are just beginning

273

00:25:15,680 --> 00:25:24,400

to study it but Neal Stortz has already found his proof in a magical friend named Rex. Rex is a hero

274

00:25:24,400 --> 00:25:36,000

because he woke me up. People that first come to Subway are a little surprised we don't have
