

1

00:00:00,000 --> 00:00:07,200

Tonight on Psyche's, thousands of Americans may have been abducted and sexually abused

2

00:00:07,200 --> 00:00:08,200

by extraterrestrials.

3

00:00:08,200 --> 00:00:12,760

I'm one of those few men who knows what a woman feels like when she's raped.

4

00:00:12,760 --> 00:00:14,760

We reveal their frightening motives.

5

00:00:14,760 --> 00:00:19,720

Then we uncover the U.S. military's own top secret UFOs hidden in the Nevada desert.

6

00:00:19,720 --> 00:00:22,480

We have things out there that are literally out of this world.

7

00:00:30,000 --> 00:00:54,920

Hello, I'm Tim White.

8

00:00:54,920 --> 00:00:56,720

Welcome to Psyteens.

9

00:00:56,720 --> 00:01:01,720

The abduction phenomenon has become a disturbing part of many UFO sightings, and at first

10

00:01:01,720 --> 00:01:06,320

only a few people claim to have been forcibly taken away by extraterrestrials.

11

00:01:06,320 --> 00:01:11,280

But now so many people have come forward with similar stories that alien abduction can no

12

00:01:11,280 --> 00:01:15,680

longer be written off as the fantasies of a very few.

13

00:01:15,680 --> 00:01:19,480

I looked up in my rearview mirror and lights were coming down out of the sky.

14

00:01:19,480 --> 00:01:24,880

I walked out to the edge of the water and I noticed this huge, shining thing.

15

00:01:24,880 --> 00:01:28,760

I was so terrified looking into these big black eyes and these little creatures.

16

00:01:28,760 --> 00:01:33,120

I was thinking I could just raise my fist and crush his head.

17

00:01:33,120 --> 00:01:35,560

And exactly at that moment I became paralyzed.

18

00:01:35,560 --> 00:01:41,040

It's the kind of fear that I've only experienced one other time and that's when I was robbed

19

00:01:41,040 --> 00:01:43,400

and I'd have got it in my head and that's the kind of fear it is.

20

00:01:43,400 --> 00:01:46,360

I thought that I was dying.

21

00:01:46,360 --> 00:01:47,360

I'm dying now.

22

00:01:47,360 --> 00:01:49,640

This is what it's like when you die.

23

00:01:49,640 --> 00:01:52,560

The visions often come during sleep.

24

00:01:52,560 --> 00:01:57,680

Experts about being abducted, probed and prodded by aliens who have sinister motives.

25

00:01:57,680 --> 00:02:01,680

Hundreds of people have come forward to talk about their disturbing experiences and admit

26

00:02:01,680 --> 00:02:04,560

that they think their nightmares are real.

27

00:02:04,560 --> 00:02:08,760

Experts believe that there are thousands, perhaps even millions more just like them,

28

00:02:08,760 --> 00:02:10,760

who are too afraid to talk.

29

00:02:10,760 --> 00:02:16,040

In secret life, author David Jacobs chronicles the abduction phenomenon.

30

00:02:16,040 --> 00:02:21,080

We have hundreds and thousands of people who are coming forward and saying that the abduction

31

00:02:21,080 --> 00:02:25,720

phenomenon has happened to them, that they've experienced it and basically they say the

32

00:02:25,720 --> 00:02:31,040

same thing as everybody else has said and until recently there was no possibility that

33

00:02:31,040 --> 00:02:33,520

they could have picked up these stories in the media.

34

00:02:33,520 --> 00:02:37,840

Since she was a baby, commercial photographer Kim Carlsberg has been plagued by memories

35

00:02:37,840 --> 00:02:38,840

of abduction.

36

00:02:38,840 --> 00:02:46,880

At 4.30 in the morning I saw this image of these four beings just move through this wall.

37

00:02:46,880 --> 00:02:53,440

They just, like it wasn't there and they came over to me, to my feet, to my head and

38

00:02:53,440 --> 00:02:56,080

they started to lift me up to the ceiling.

39

00:02:56,080 --> 00:02:59,280

Most abductions take place where a person is taken out of the normal environment, they're

40

00:02:59,280 --> 00:03:03,200

taken against their will, they have physical, mental, reproductive procedures performed

41

00:03:03,200 --> 00:03:05,640

on them and then they're released.

42

00:03:05,640 --> 00:03:13,200

Bud Hopkins has been researching alien abduction reports for 26 years and is a firm believer.

43

00:03:13,200 --> 00:03:15,920

I'm the first to admit that all this sounds outrageous.

44

00:03:15,920 --> 00:03:20,040

It all sounds just crazy, yet the evidence is there behind it.

45

00:03:20,040 --> 00:03:25,640

But skeptic Philip Klass believes mass media is to blame for the rise in abduction reports.

46

00:03:25,640 --> 00:03:34,800

Dozens of talk shows, dozens of other TV shows have promoted this idea that aliens are here

47

00:03:34,800 --> 00:03:41,680

and abducting human beings and so it becomes the popular myth.

48

00:03:41,680 --> 00:03:46,240

The problems could adequately be explained by the condition narcolepsy.

49

00:03:46,240 --> 00:03:53,120

This is a disorder characterized by hypnagogic hallucinations and hallucinations that occur

50

00:03:53,120 --> 00:04:00,360

at sleep onset which can be very vivid and include the feeling of other people being

51

00:04:00,360 --> 00:04:03,960

present in the room or a sensation of levitation.

52

00:04:03,960 --> 00:04:07,440

Patients will actually describe saying that they are looking down onto their body.

53

00:04:07,440 --> 00:04:12,640

There are two people that I've never met describing this exact same examination of

54

00:04:12,640 --> 00:04:17,800

their head being opened up, something being done to their brain and being put back together

55

00:04:17,800 --> 00:04:18,800

again.

56

00:04:18,800 --> 00:04:19,800

They opened my back.

57

00:04:19,800 --> 00:04:24,000

I knew my back was open because I could feel it was almost as though a slit had been drawn

58

00:04:24,000 --> 00:04:30,760

down my back and across to the side and they had opened a flap of flesh and tissue.

59

00:04:30,760 --> 00:04:35,560

Whether the reports come from adults or children, men or women, most of them follow similar

60

00:04:35,560 --> 00:04:36,560

patterns.

61

00:04:36,680 --> 00:04:42,080

The bright light that shines in the room, the abductee sees it, he hears noise outside.

62

00:04:42,080 --> 00:04:47,240

They're not interested in your maid, they're interested in you so what they do is they

63

00:04:47,240 --> 00:04:49,640

render the person that you're with unconscious.

64

00:04:49,640 --> 00:04:54,840

She goes up a beam of light with the alien into a hovering craft.

65

00:04:54,840 --> 00:04:58,400

If anyone goes into the room at that point, there's no one in the room.

66

00:04:58,400 --> 00:05:01,440

She's not in bed, in other words, the person is literally missing.

67

00:05:01,440 --> 00:05:06,240

You find yourself on a table and these creatures around you with instruments and you have no

68

00:05:06,240 --> 00:05:08,800

idea what they're doing and they don't tell you.

69

00:05:08,800 --> 00:05:11,520

My skin was sliced like with a surgical instrument.

70

00:05:11,520 --> 00:05:17,680

When a person is abducted as a physical examination, the focus of the entire enterprise seems to

71

00:05:17,680 --> 00:05:21,640

me to be unmistakably on reproductive issues.

72

00:05:21,640 --> 00:05:28,520

They have a mission, a job to do and they're doing their job with little respect to their

73

00:05:28,520 --> 00:05:29,520

subjects.

74

00:05:29,520 --> 00:05:36,160

90% of reported abductions involve descriptions of what experts call gray aliens, extraterrestrial

75

00:05:36,520 --> 00:05:40,760

creatures with oversized heads and dark almond shaped protruding eyes.

76

00:05:40,760 --> 00:05:44,080

Less common are insect-like or reptilian creatures.

77

00:05:44,080 --> 00:05:47,800

The reptilian type has bothered a lot of people.

78

00:05:47,800 --> 00:05:53,120

It seems to be quite hostile and intrusive, often has claw-like hands and I know there's

79

00:05:53,120 --> 00:05:57,360

one case where claw marks were photographed on the back of a woman.

80

00:05:57,360 --> 00:06:02,120

There's one being in particular that I always recognize and he's not a gray.

81

00:06:02,120 --> 00:06:03,120

He's taller.

82

00:06:03,120 --> 00:06:04,120

He's thinner.

83

00:06:04,120 --> 00:06:05,640

He's got a bigger head.

84

00:06:05,640 --> 00:06:07,240

He's got bigger eyes.

85

00:06:07,240 --> 00:06:10,240

His limbs are very praying mantis-like.

86

00:06:10,240 --> 00:06:15,640

I remember being on a table with my head turned away not wanting to look at this creature

87

00:06:15,640 --> 00:06:20,040

and then when I looked at him I just recognized him as the one that I hated.

88

00:06:20,040 --> 00:06:26,040

In a few cases, subjects claim to see hybrids, creatures who are half human, half alien.

89

00:06:26,040 --> 00:06:31,200

Some abductees believe they have been cross bred with aliens to create these hybrids.

90

00:06:31,200 --> 00:06:37,800

A very important part of the abduction phenomenon is that there are reproductive procedures

91

00:06:37,800 --> 00:06:39,280

carried out upon them.

92

00:06:39,280 --> 00:06:40,560

I've been shown children.

93

00:06:40,560 --> 00:06:42,280

I've been shown babies.

94

00:06:42,280 --> 00:06:46,600

I've been asked to hold children and babies.

95

00:06:46,600 --> 00:06:54,160

I've been asked to give these children affection and these children aren't alien children and

96

00:06:54,160 --> 00:06:56,600

they're not human children.

97

00:06:56,600 --> 00:06:57,600

They're somewhere in between.

98

00:06:57,840 --> 00:07:03,400

I had a woman who had been to the doctor, had an ultrasound done.

99

00:07:03,400 --> 00:07:05,040

Her husband was there.

100

00:07:05,040 --> 00:07:08,800

Everyone observed at three months a healthy fetus.

101

00:07:08,800 --> 00:07:11,520

The next day she wakes up screaming they took it.

102

00:07:11,520 --> 00:07:12,520

It's so upset.

103

00:07:12,520 --> 00:07:14,000

Her husband takes her back to the doctor.

104

00:07:14,000 --> 00:07:17,080

He does a pregnancy test, finds out she's no longer pregnant.

105

00:07:17,080 --> 00:07:18,080

They do a DNC.

106

00:07:18,080 --> 00:07:19,080

There's nothing there.

107

00:07:19,080 --> 00:07:24,120

The most humiliating thing that happened to me is they put a cylindrical sort of thing

108

00:07:24,120 --> 00:07:29,600

over my genitals and it made me have an orgasm in a second.

109

00:07:29,600 --> 00:07:33,760

And I really feel like I'm one of those few men who knows what a woman feels like when

110

00:07:33,760 --> 00:07:34,760

she's raped.

111

00:07:34,760 --> 00:07:42,760

I've been on a table and I've seen something removed from my body that I will call a fetus,

112

00:07:42,760 --> 00:07:43,760

a baby.

113

00:07:43,760 --> 00:07:47,480

It was so small I couldn't believe that it could live on its own.

114

00:07:47,480 --> 00:07:51,400

I remember putting my finger in the arch of its foot.

115

00:07:51,400 --> 00:07:52,600

I was afraid to look at the face.

116

00:07:52,600 --> 00:07:54,280

I was afraid to see what it looked like.

117

00:07:54,280 --> 00:07:58,040

There seems to be an enormous interest in the emotional side of this too and the part

118

00:07:58,040 --> 00:07:59,040

of the aliens.

119

00:07:59,040 --> 00:08:02,960

They want us to hold these odd little children, these babies.

120

00:08:02,960 --> 00:08:07,320

They want to see how a mother will hold in love a child.

121

00:08:07,320 --> 00:08:09,040

Things which to us are instinctive.

122

00:08:09,040 --> 00:08:13,680

The abduction phenomenon begins usually in infancy or at least by the age of two, three

123

00:08:13,680 --> 00:08:14,960

or four.

124

00:08:14,960 --> 00:08:21,080

It continues all through childhood, all through maturity and into old age as well.

125

00:08:21,080 --> 00:08:26,440

I have many cases where the person is taken as a child, usually what we refer to as the

126

00:08:26,440 --> 00:08:27,440

bedroom visitation.

127

00:08:27,440 --> 00:08:32,320

I was laying in bed, I opened my eyes and here's a little gray standing there looking

128

00:08:32,320 --> 00:08:33,320

at me.

129

00:08:33,320 --> 00:08:36,080

And all I can really remember were those dark eyes.

130

00:08:36,080 --> 00:08:42,000

It is as if that person has become a kind of tagged animal in someone else's experiment.

131

00:08:42,000 --> 00:08:48,360

And that little person, as he or she grows to adulthood, will be abducted over a period

132

00:08:48,360 --> 00:08:50,760

of time at irregular intervals.

133

00:08:50,760 --> 00:08:56,720

Let us assume that this is all being made up, that this is internally generated, that

134

00:08:56,720 --> 00:08:59,200

there is no abduction phenomenon.

135

00:08:59,200 --> 00:09:03,520

If that's the case, then we have discovered something of enormous importance.

136

00:09:03,520 --> 00:09:08,160

What are the repercussions of thousands of people running around thinking they're crazy,

137

00:09:08,160 --> 00:09:13,040

feeling crazy, being crazy because they have no way to understand what's happening?

138

00:09:13,040 --> 00:09:17,240

Psychiatrists and psychologists who are dealing with these people are the first to say something

139

00:09:17,240 --> 00:09:19,080

happened to this person.

140

00:09:19,080 --> 00:09:23,120

This is not a fantasy, this is not something the person cooked up.

141

00:09:23,120 --> 00:09:28,000

This was an event in that person's life which was truly upsetting.

142

00:09:28,000 --> 00:09:30,360

These experiences are not pleasant experiences.

143

00:09:30,360 --> 00:09:33,280

This is not something I'm happy happened to me.

144

00:09:33,280 --> 00:09:38,760

There's a part of me that would love to find the answer that it was something else.

145

00:09:38,760 --> 00:09:44,680

It's a very lonely place to be, to have this experience and not be able to remember the

146

00:09:44,680 --> 00:09:47,040

details and not know if it's real.

147

00:09:47,040 --> 00:09:52,120

And it's very, very hard to walk through life with this kind of a secret.

148

00:09:52,120 --> 00:09:55,800

Even some of the most skeptical members of the psychiatric profession agree that the

149

00:09:55,800 --> 00:10:00,720

abduction phenomenon is not a hoax, but the causes for these stories are to be found not

150

00:10:00,720 --> 00:10:04,320

in aliens' spacecraft, but right here on Earth.

151

00:10:04,320 --> 00:10:09,680

When we return, sightings find evidence that at least some UFO encounters may be the result

152

00:10:09,680 --> 00:10:14,080

of top secret experiments the government doesn't want you to know about.

153

00:10:14,080 --> 00:10:15,080

Coming up.

154

00:10:15,080 --> 00:10:16,960

What's hidden in Area 51?

155

00:10:16,960 --> 00:10:20,480

Many claim it's the U.S. military's own top secret UFOs.

156

00:10:20,480 --> 00:10:25,000

We have things out there that are literally out of this world.

157

00:10:25,000 --> 00:10:28,020

For years the U.S. government has had a standing policy.

158

00:10:28,020 --> 00:10:31,960

It would neither confirm nor deny the existence of UFOs.

159

00:10:31,960 --> 00:10:36,960

Their non-cooperation has been interpreted by many ufologists as evidence of a government

160

00:10:36,960 --> 00:10:40,120

conspiracy to cover up UFO sightings.

161

00:10:40,120 --> 00:10:45,760

Now sightings has uncovered information that provides another explanation for their silence.

162

00:10:45,760 --> 00:10:51,160

Many UFO sightings may actually be top secret military aircraft the government doesn't want

163

00:10:51,160 --> 00:10:53,040

you to know about.

164

00:10:53,040 --> 00:10:57,440

When I first saw the UFO it was directly overhead, moving incredibly slowly.

165

00:10:57,440 --> 00:11:00,320

The shape of it was half a triangle.

166

00:11:00,320 --> 00:11:06,360

And all of a sudden over at the hill this enormous pattern of lights emerges.

167

00:11:06,360 --> 00:11:10,800

I was just in awe of what I'd seen because I didn't know what it was and I'd never seen

168

00:11:10,800 --> 00:11:12,280

anything like it.

169

00:11:12,280 --> 00:11:13,760

Holy cow.

170

00:11:13,760 --> 00:11:19,680

There's no question that there have been sightings by military devices in space.

171

00:11:19,680 --> 00:11:21,760

And that gets us right to the UFO question.

172

00:11:21,760 --> 00:11:24,520

Are we dealing with a cosmic watergate?

173

00:11:24,520 --> 00:11:25,520

Which I maintain that we are.

174

00:11:25,520 --> 00:11:26,520

What the hell was that?

175

00:11:26,520 --> 00:11:27,520

I don't know.

176

00:11:27,520 --> 00:11:28,520

It was neat.

177

00:11:28,520 --> 00:11:31,520

It was like leaving stuff behind it wasn't it?

178

00:11:31,520 --> 00:11:36,720

For the past 25 years the United States government especially the Air Force has been telling us

179

00:11:36,720 --> 00:11:38,480

these things don't exist.

180

00:11:38,480 --> 00:11:47,080

I feel that there's been so much controversy about cover-ups in UFO phenomena and everything

181

00:11:47,080 --> 00:11:53,000

that goes on and I think that someone needs to point out that a lot of it is just hard

182

00:11:53,000 --> 00:11:54,000

wash.

183

00:11:54,000 --> 00:11:57,200

And anybody who says the United States government is not withholding information about flying

184

00:11:57,200 --> 00:12:01,480

science just simply isn't telling the truth or they're totally ignorant in one way or

185

00:12:01,480 --> 00:12:02,480

the other.

186

00:12:02,480 --> 00:12:06,600

Our most recent investigation has concentrated on a series of sightings in the western United

187

00:12:06,600 --> 00:12:08,080

States.

188

00:12:08,080 --> 00:12:12,680

Experiences learn that many UFOs spotted in California and Nevada may actually be highly

189

00:12:12,680 --> 00:12:17,400

classified military experiments called black projects.

190

00:12:17,400 --> 00:12:21,400

Sources familiar with these black projects, many of whom wish to remain anonymous, have

191

00:12:21,400 --> 00:12:27,120

told us that the military is now experimenting with aerospace technology beyond our wildest

192

00:12:27,120 --> 00:12:28,360

dreams.

193

00:12:28,360 --> 00:12:34,840

The objects we're talking about are zipping around and doing hard angled turns, acute

194

00:12:34,840 --> 00:12:36,320

angled turns.

195

00:12:36,320 --> 00:12:40,960

In order to do that it must be controlling gravity and therefore what you're talking

196

00:12:40,960 --> 00:12:44,240

about is a spacecraft, not an aircraft.

197

00:12:44,240 --> 00:12:53,040

I think you have to be careful not to confuse what's mysterious with what is virtually supernatural.

198

00:12:53,040 --> 00:12:57,920

Certainly some of these things are going to look very strange, they're very unlike aircraft

199

00:12:57,920 --> 00:12:59,440

with which people are familiar.

200

00:12:59,440 --> 00:13:04,920

Well certainly the history of the flying saucer phenomena suggests that in the past classified

201

00:13:04,920 --> 00:13:10,280

programs resulted in a lot of reports of flying saucers and if you see all of the instances

202

00:13:10,280 --> 00:13:15,520

where conventional aircraft have been misinterpreted as flying saucers it's quite easy to understand

203

00:13:15,520 --> 00:13:19,280

how unconventional aircraft could receive a similar misinterpretation.

204

00:13:19,280 --> 00:13:22,400

The Nevada desert, we have things that would make George Lucas envious.

205

00:13:22,400 --> 00:13:26,200

We have things out there that are literally out of this world.

206

00:13:26,200 --> 00:13:30,960

Most aeronautical black projects reportedly operate out of this test site located at Groom

207

00:13:30,960 --> 00:13:32,640

Lake in Nevada.

208

00:13:32,640 --> 00:13:37,440

This installation is also known as Area 51 or Dreamland.

209

00:13:37,440 --> 00:13:42,440

The government denies the very existence of Area 51 but these photographs do prove there

210

00:13:42,440 --> 00:13:45,120

is an installation at Groom Lake.

211

00:13:45,120 --> 00:13:50,560

They have a hangar near the south end of the ramp that appears to have doors that are almost

212

00:13:50,560 --> 00:13:54,920

200 feet tall, 400 feet wide, you can put anything in there.

213

00:13:54,920 --> 00:13:58,440

One of the problems associated with Groom Lake is the fact that it is a place that does

214

00:13:58,440 --> 00:14:00,000

not officially exist.

215

00:14:00,000 --> 00:14:03,400

This federal official insisted on hiding his identity.

216

00:14:03,400 --> 00:14:08,960

Area 51 is the most tightly secured installation in this country.

217

00:14:08,960 --> 00:14:16,120

It's guarded both over the air and on the ground by elite Air Force security police and

218

00:14:16,120 --> 00:14:19,320

Department of Energy special response teams.

219

00:14:19,320 --> 00:14:26,080

They are heavily armed and their total mission is to keep people off of this installation.

220

00:14:26,080 --> 00:14:33,200

It's an ideal place for top secret, highly classified military projects to refine them

221

00:14:33,200 --> 00:14:34,720

to take them to the next level.

222

00:14:34,720 --> 00:14:35,720

This is the place.

223

00:14:35,720 --> 00:14:41,600

You have deep, deep desert valleys, high mountain ranges to camouflage and mask these

224

00:14:41,600 --> 00:14:44,880

things when they fly.

225

00:14:44,880 --> 00:14:47,240

The military is the top dog here in Nevada.

226

00:14:47,240 --> 00:14:48,400

No doubt about it.

227

00:14:48,400 --> 00:14:49,400

They run the show.

228

00:14:49,400 --> 00:14:54,240

If someone came to me and said there's just absolutely nothing, that's secret.

229

00:14:54,240 --> 00:14:58,880

And they decided they were going to hike into Area 51.

230

00:14:58,880 --> 00:15:03,800

I think that could be the biggest and perhaps the last mistake they're going to make in

231

00:15:03,800 --> 00:15:04,960

their life.

232

00:15:04,960 --> 00:15:09,680

These people still locked into a Cold War mentality.

233

00:15:09,680 --> 00:15:11,080

Is that the point here?

234

00:15:11,080 --> 00:15:16,000

Or are they really hiding something that's totally alien?

235

00:15:16,000 --> 00:15:21,920

Is this otherworldly technology that's being applied to Air Force Black projects?

236

00:15:21,920 --> 00:15:27,160

One of the most recent black projects to be leaked to the media has been dubbed Aurora.

237

00:15:27,160 --> 00:15:32,480

The few facts revealed so far about Aurora's speed and maneuverability are tantalizing.

238

00:15:32,480 --> 00:15:36,840

Rumors about Aurora first started after thousands of people in Southern California reported

239

00:15:36,840 --> 00:15:38,440

feeling earthquakes.

240

00:15:38,440 --> 00:15:42,840

Seismologists found that the tremors were not earthquakes, but were caused by sonic

241

00:15:42,840 --> 00:15:44,000

booms.

242

00:15:44,000 --> 00:15:49,160

The booms were the first hard evidence that high speed, unidentified aircraft were operating

243

00:15:49,160 --> 00:15:51,360

over the western United States.

244

00:15:51,360 --> 00:15:53,120

We really can't tell what's moving.

245

00:15:53,120 --> 00:15:57,080

The only thing we see is the sonic boom and that's telling us that something is moving

246

00:15:57,080 --> 00:15:59,040

faster than speed of sound.

247

00:15:59,040 --> 00:16:01,840

So actually we can't even tell it's an airplane.

248

00:16:01,840 --> 00:16:06,160

The sonic booms were tracked and found to be heading toward Nevada.

249

00:16:06,160 --> 00:16:12,600

At the same time, witnesses described an increasing number of UFOs that defied the laws of aerodynamics.

250

00:16:12,600 --> 00:16:17,560

If they are top secret military aircraft, where is this new technology coming from?

251

00:16:17,560 --> 00:16:19,960

That technology is incredible.

252

00:16:19,960 --> 00:16:26,680

A Mach 6 airplane, an unmanned aerial vehicle performing these incredibly banked high speed

253

00:16:26,680 --> 00:16:27,680

turns.

254

00:16:27,680 --> 00:16:28,680

It boggles the mind.

255

00:16:28,680 --> 00:16:36,160

Yeah, I think it could possibly be something otherworldly or at least borrowed alien technology.

256

00:16:36,160 --> 00:16:39,200

I don't put that beyond the realm.

257

00:16:39,200 --> 00:16:43,480

Top secret testing of experimental aircraft does provide a compelling explanation for

258

00:16:43,480 --> 00:16:45,900

many UFO sightings.

259

00:16:45,900 --> 00:16:50,960

But what about sightings which occur in remote areas far from military bases or sightings

260

00:16:50,960 --> 00:16:54,060

in which eyewitnesses claim personal contact?

261

00:16:54,060 --> 00:16:59,020

Further investigation is needed to provide a more complete answer to the UFO question.

262

00:16:59,020 --> 00:17:04,100

Coming up, a sightings viewer asks us to investigate a sinister entity that haunts her family's

263

00:17:04,100 --> 00:17:05,100

home.

264

00:17:05,100 --> 00:17:11,220

My little girl's hysterical and I can't do anything.

265

00:17:11,220 --> 00:17:15,300

Recently one of our viewers called to tell us that she believes her home and family are

266

00:17:15,300 --> 00:17:19,260

haunted and has asked sightings to conduct a ghost investigation.

267

00:17:19,260 --> 00:17:23,900

Well, we thought this would be a good opportunity to show you step by step how a real ghost

268

00:17:23,900 --> 00:17:25,980

investigation is conducted.

269

00:17:25,980 --> 00:17:30,020

I went to her home in Garden Grove, California to begin the investigation process.

270

00:17:30,020 --> 00:17:34,340

My little girl's hysterical and I can't do anything.

271

00:17:34,340 --> 00:17:38,780

I feel so weak, so helpless, and I don't know what to do.

272

00:17:38,780 --> 00:17:43,580

Soon after Anita Mark and her family moved into this Garden Grove, California home,

273

00:17:43,580 --> 00:17:45,580

the haunting phenomena began.

274

00:17:45,580 --> 00:17:49,660

At first the family claimed the ghostly activity was benign.

275

00:17:49,660 --> 00:17:52,220

Objects would appear and disappear without warning.

276

00:17:52,220 --> 00:17:56,020

But in the past few weeks, the haunting has taken a frightening turn.

277

00:17:56,020 --> 00:18:00,300

When I saw that that night, I just, I dropped the dishes that I was holding in.

278

00:18:00,300 --> 00:18:04,220

I grabbed my little sister and I ran outside and I just went hysterical.

279

00:18:04,220 --> 00:18:07,260

I turned around and looked at her and I just got started running.

280

00:18:07,260 --> 00:18:10,900

We both jumped because we're just, we're ready for anything at that moment.

281

00:18:10,900 --> 00:18:12,420

We're just so scared.

282

00:18:12,420 --> 00:18:17,380

The family has seen a spectral figure dressed in white moving through the house.

283

00:18:17,380 --> 00:18:22,380

Doors slam for no reason, lights go on and off, and as Anita told me, something is now

284

00:18:22,380 --> 00:18:24,580

physically harming her children.

285

00:18:24,580 --> 00:18:27,060

Three year old sleeps right here.

286

00:18:27,060 --> 00:18:28,900

And I came in and I asked her what's wrong.

287

00:18:28,900 --> 00:18:33,820

She just sat up and she was just shaking and she just started crying and I just kept telling

288

00:18:33,820 --> 00:18:36,020

her what's wrong, did you have a bad dream?

289

00:18:36,020 --> 00:18:38,180

She said no, no, no.

290

00:18:38,180 --> 00:18:42,060

That man walked from hall came in here and gave me an ouchie.

291

00:18:42,060 --> 00:18:43,060

You know.

292

00:18:43,060 --> 00:18:45,540

What did she mean gave her ouchie?

293

00:18:45,540 --> 00:18:47,940

That meant to her that he hurt her.

294

00:18:47,940 --> 00:18:52,860

No physical effects could be seen after the daughter's frightening experience, but psychologically

295

00:18:52,860 --> 00:18:55,340

the haunting has certainly affected everyone.

296

00:18:55,340 --> 00:19:02,100

Tell us what happened on that night when you saw something in the kitchen.

297

00:19:02,100 --> 00:19:04,660

It looked like something was staring at me.

298

00:19:04,660 --> 00:19:05,660

And all I noticed was.

299

00:19:05,660 --> 00:19:06,660

What did you see?

300

00:19:06,660 --> 00:19:07,660

Something what?

301

00:19:07,660 --> 00:19:11,820

She was wearing white and it was peeking around the door and it had like its hands on the

302

00:19:11,820 --> 00:19:12,820

door.

303

00:19:12,820 --> 00:19:15,660

She grabbed my daughter because she was afraid to look up at her.

304

00:19:15,660 --> 00:19:18,100

She was afraid it because it looks solid.

305

00:19:18,100 --> 00:19:19,620

She was afraid it was going to come out and get her.

306

00:19:19,620 --> 00:19:22,180

And I ran out.

307

00:19:22,180 --> 00:19:27,540

I went out in the backyard and Anita was out there and I just I started crying and I couldn't

308

00:19:27,540 --> 00:19:29,460

stop crying.

309

00:19:29,460 --> 00:19:33,460

In desperation, the family asked a Catholic priest to bless the home in hopes that it

310

00:19:33,460 --> 00:19:36,500

would drive away the entity.

311

00:19:36,500 --> 00:19:40,540

But it's still here and I don't know what to do.

312

00:19:40,540 --> 00:19:43,900

I mean what do you do in a situation like this when a little girl is scared to death

313

00:19:43,900 --> 00:19:45,900

and you can't comfort her?

314

00:19:45,900 --> 00:19:49,660

I don't know what to do.

315

00:19:49,660 --> 00:19:53,700

We've asked Lloyd Auerbach, the director of the OPI, the office of paranormal investigations

316

00:19:53,700 --> 00:19:56,780

to conduct this ghost investigation for us.

317

00:19:56,780 --> 00:19:58,660

Lloyd Auerbach, welcome to sightings.

318

00:19:58,660 --> 00:19:59,660

Thank you, Tam.

319

00:19:59,660 --> 00:20:00,660

It's good to be here.

320

00:20:00,660 --> 00:20:03,460

Typically, what would be your first step in an investigation?

321

00:20:03,460 --> 00:20:07,460

The first step in any investigation is always going to be witness interviews and we'll try

322

00:20:07,460 --> 00:20:12,780

to do other things such as go through the house, which is very typical, with a map,

323

00:20:12,780 --> 00:20:16,420

a floor plan of the house, and try to pin down where things have gone on within the

324

00:20:16,420 --> 00:20:18,940

house, usually with a couple of the witnesses.

325

00:20:18,940 --> 00:20:23,260

And we also walk through with our tri-field meters, which measure magnetic fields, among

326

00:20:23,260 --> 00:20:27,820

other things, to try to determine if there's any sort of correlation.

327

00:20:27,820 --> 00:20:31,380

Do you have any hunches, Lloyd, about what might be causing a haunting phenomenon in

328

00:20:31,380 --> 00:20:32,900

this case if there is one?

329

00:20:32,900 --> 00:20:37,780

My hunch is this is probably a poltergeist case where we might have some things being

330

00:20:37,780 --> 00:20:42,500

moved around by someone or the whole family using might of her bannerability, and there

331

00:20:42,500 --> 00:20:44,180

might be an overtone of an apparition.

332

00:20:44,180 --> 00:20:48,460

That has happened in a number of cases where literally some suggestion that there might

333

00:20:48,460 --> 00:20:50,660

be a ghost there has caused people to see it.

334

00:20:50,660 --> 00:20:55,220

Lloyd, what is it that interests you about this particular case?

335

00:20:55,220 --> 00:20:58,780

Probably the most interesting thing about this case is that it is a mixed bag, that

336

00:20:58,860 --> 00:21:02,980

we have physical object movement, plus we have an apparition being cited.

337

00:21:02,980 --> 00:21:09,540

With very rare exceptions, most of the apparition cases where people see a ghost or hear voices

338

00:21:09,540 --> 00:21:15,020

that seem to be fairly intelligent, that we call apparitions or ghosts, those cases don't

339

00:21:15,020 --> 00:21:17,900

also involve physical object movement.

340

00:21:17,900 --> 00:21:20,540

So this is kind of interesting from the point that it might be both.

341

00:21:20,540 --> 00:21:22,580

It could be an apparition moving things around.

342

00:21:22,580 --> 00:21:23,780

It could be a poltergeist.

343

00:21:23,780 --> 00:21:28,220

Or it could be a lot of things that are misinterpreted by the family, and there could be nothing

344

00:21:28,260 --> 00:21:29,260

paranormal going on.

345

00:21:29,260 --> 00:21:31,100

Lloyd, thanks for joining us.

346

00:21:31,100 --> 00:21:32,380

Thank you, Tim.

347

00:21:32,380 --> 00:21:36,660

In the coming weeks, we'll bring you updates on Lloyd's progress as he conducts this ghost

348

00:21:36,660 --> 00:21:37,460

investigation.
