

1

00:00:00,000 --> 00:00:02,100

On this edition of Sightings,

2

00:00:02,100 --> 00:00:04,740

ufologists believe they were described in the Bible.

3

00:00:04,740 --> 00:00:07,400

Then they did not call them UFOs,

4

00:00:07,400 --> 00:00:09,140

they're so-called ancient gods,

5

00:00:09,140 --> 00:00:11,740

and today we call them aliens.

6

00:00:11,740 --> 00:00:14,480

Have extraterrestrials returned to the Holy Land?

7

00:00:14,480 --> 00:00:16,220

Then, do spirits of the dead

8

00:00:16,220 --> 00:00:18,320

wander the site of America's bloodiest battle?

9

00:00:18,320 --> 00:00:21,280

I believe the area is infested by ghosts.

10

00:00:21,280 --> 00:00:23,320

Later, big-foot sightings increase

11

00:00:23,320 --> 00:00:25,160

in the Pacific Northwest and beyond.

12

00:00:25,160 --> 00:00:28,100

It is almost on the edge of being unbelievable.

13

00:00:28,120 --> 00:00:30,500

Also, a little girl is saved by angels.

14

00:00:30,500 --> 00:00:33,000

When it happened, so I could tell other people

15

00:00:33,000 --> 00:00:34,700

not to be afraid of dying.

16

00:00:34,700 --> 00:00:36,100

Plus, a sightings update.

17

00:00:36,100 --> 00:00:38,500

The Earth wages war on human beings.

18

00:00:38,500 --> 00:00:40,740

The problem is the average person on the street

19

00:00:40,740 --> 00:00:43,980

is not well enough informed to get worried about it.

20

00:00:43,980 --> 00:00:45,880

And if there are no UFOs,

21

00:00:45,880 --> 00:00:47,780

why is there an official government policy

22

00:00:47,780 --> 00:00:49,720

for greeting extraterrestrials?

23

00:00:58,100 --> 00:00:59,700

Now, we'll be back.

24

00:00:59,700 --> 00:01:00,800

We'll be back.

25

00:01:02,000 --> 00:01:03,360

Battlefielde■.

26

00:01:03,360 --> 00:01:04,940

I'm Jim White.

27

00:01:18,300 --> 00:01:19,780

Yokohama.

28

00:01:23,780 --> 00:01:25,180

Welcome to Sightings.

29

00:01:25,180 --> 00:01:26,580

I'm Tim White.

30

00:01:26,580 --> 00:01:29,620

the UFO hotspots, the Holy Land.

31

00:01:29,680 --> 00:01:33,520

Since 1989, UFOs, crop circles, and alien beings

32

00:01:33,580 --> 00:01:36,820

have been cited over Israel by a chief of police,

33

00:01:36,880 --> 00:01:40,260

law enforcement, and military personnel, and civilians.

34

00:01:40,320 --> 00:01:42,560

The first-hand accounts is told to our sightings

35

00:01:42,620 --> 00:01:44,400

investigative team in Israel,

36

00:01:44,460 --> 00:01:47,000

bearing uncanny resemblance to encounters here,

37

00:01:47,060 --> 00:01:48,860

half a world away.

38

00:01:48,940 --> 00:01:52,940

For decades, ufologists have postulated

39

00:01:53,000 --> 00:01:56,440

that many biblical passages and ancient inscriptions

40

00:01:56,460 --> 00:01:58,200

may have been the ancient world's way

41

00:01:58,260 --> 00:02:02,700

of documenting UFO sightings and extraterrestrial contact.

42

00:02:02,780 --> 00:02:04,700

And now, those same researchers claim

43

00:02:04,780 --> 00:02:07,240

that there is new and compelling evidence

44

00:02:07,320 --> 00:02:09,180

that UFO encounters in the Holy Land

45

00:02:09,240 --> 00:02:12,020

are not just ancient history.

46

00:02:12,080 --> 00:02:16,020

People who have been studying UFOs seriously

47

00:02:16,080 --> 00:02:19,220

have reached the consensus that the angels of the Bible

48

00:02:19,300 --> 00:02:24,800

are returning, and these are the aliens of Israel today.

49

00:02:24,820 --> 00:02:27,860

The most recent UFO flap is occurring here,

50

00:02:27,920 --> 00:02:31,000

in a quiet, rural area near the coast of Israel.

51

00:02:31,060 --> 00:02:37,500

In March 1993, strange things began to happen

52

00:02:37,560 --> 00:02:39,400

in a little town called Kadima.

53

00:02:39,480 --> 00:02:43,380

The strange things that Israeli ufologist Doran Rotem

54

00:02:43,440 --> 00:02:47,480

has documented have a familiar ring to American ufologists.

55

00:02:47,540 --> 00:02:52,580

Between March of 1993 and June of 1993,

56

00:02:52,600 --> 00:02:57,080

there were at least five visitations in Israel.

57

00:02:57,140 --> 00:03:01,480

The first publicized landing was at

58

00:03:01,540 --> 00:03:04,980

Separat Carmel's backyard.

59

00:03:05,040 --> 00:03:08,620

It was just amazing, and I looked at that site,

60

00:03:08,680 --> 00:03:11,320

and I thought to myself, what could this be?

61

00:03:11,380 --> 00:03:13,960

The last thing Separat Carmel thought

62

00:03:14,020 --> 00:03:16,260

was that her home's backyard had been the site

63

00:03:16,320 --> 00:03:18,220

of a UFO visitation.

64

00:03:18,300 --> 00:03:20,900

It was not until four other women came forward,

65

00:03:20,920 --> 00:03:22,660

women who did not know each other

66

00:03:22,720 --> 00:03:24,760

and had not heard each other's stories,

67

00:03:24,820 --> 00:03:26,660

that Separat realized that she was part

68

00:03:26,720 --> 00:03:30,560

of Israel's greatest modern-day UFO encounter.

69

00:03:30,620 --> 00:03:33,500

These are not women who have any ulterior motive whatsoever.

70

00:03:33,560 --> 00:03:35,000

They have nothing to gain by it.

71

00:03:35,060 --> 00:03:37,340

It was a Saturday morning.

72

00:03:37,400 --> 00:03:38,540

I woke up very early.

73

00:03:38,600 --> 00:03:41,540

I looked at the alarm clock, and it was 6.30 in the morning.

74

00:03:41,600 --> 00:03:46,840

I was asleep and woke up very early Saturday morning.

75

00:03:46,900 --> 00:03:48,540

I heard a loud bang.

76

00:03:48,540 --> 00:03:51,440

I was afraid to go downstairs and check it out.

77

00:03:51,500 --> 00:03:54,040

I preferred to wait until daylight.

78

00:03:57,040 --> 00:03:59,140

It was 3 o'clock Saturday morning.

79

00:03:59,200 --> 00:04:01,840

I woke up with the noise of my dog barking.

80

00:04:01,900 --> 00:04:04,240

I went to the door near the window.

81

00:04:04,300 --> 00:04:08,280

Inside the house, it was dark, but outside, it was light.

82

00:04:08,340 --> 00:04:13,540

I opened the curtains, and I saw a big giant image staring at me.

83

00:04:13,600 --> 00:04:16,540

His face was more oval-shaped.

84

00:04:16,580 --> 00:04:19,800

His eyes were shiny like a stoplight, glittering.

85

00:04:19,880 --> 00:04:23,080

His nose was very small, like a dart.

86

00:04:23,140 --> 00:04:24,680

I tried to get to him.

87

00:04:24,740 --> 00:04:27,780

Instinctively, I raised my hand to push him away,

88

00:04:27,840 --> 00:04:30,480

but it was like pushing against a wall.

89

00:04:30,540 --> 00:04:36,640

And all around, there were as if flickering lights.

90

00:04:36,700 --> 00:04:39,840

He didn't say anything to me, but I heard a voice in my head.

91

00:04:39,900 --> 00:04:42,600

It was like telepathy, and the voice said,

92

00:04:42,640 --> 00:04:45,240

Go away. I could smash you like a little dog.

93

00:04:45,300 --> 00:04:46,940

Go back to your husband.

94

00:04:47,000 --> 00:04:51,640

And I got, so to speak, an answer in my head in English,

95

00:04:51,700 --> 00:04:54,440

that this is the way it should be.

96

00:04:54,500 --> 00:04:56,840

Before I could move, he disappeared.

97

00:04:56,900 --> 00:04:59,540

We have five women who don't know each other

98

00:04:59,600 --> 00:05:01,900

describing the same bald-headed giants.

99

00:05:01,960 --> 00:05:05,840

They could have described little ones, green ones, red ones,

100

00:05:05,900 --> 00:05:08,900

human ones, what they had infinite possibilities of descriptions.

101

00:05:08,940 --> 00:05:12,940

They all described the same seven-foot bald, round-headed creature.

102

00:05:13,000 --> 00:05:16,540

And all five women found crop circles outside their homes

103

00:05:16,600 --> 00:05:19,040

within a few days of their experiences.

104

00:05:19,100 --> 00:05:22,240

More than 59 crop circles of UFO landings

105

00:05:22,300 --> 00:05:27,140

were made between March and June 1993.

106

00:05:27,200 --> 00:05:29,600

Why? I don't know.

107

00:05:29,680 --> 00:05:32,300

Around the circles was plenty of weed.

108

00:05:32,380 --> 00:05:35,500

I went there in grainy season still,

109

00:05:35,580 --> 00:05:37,180

and there was plenty of vegetation,

110

00:05:37,380 --> 00:05:39,580

but in the circles themselves there wasn't.

111

00:05:39,660 --> 00:05:42,380

There was just scraggly brown weeds.

112

00:05:42,460 --> 00:05:45,580

The grass became, within a day, completely dry.

113

00:05:45,660 --> 00:05:48,580

It was before high as this grass all around.

114

00:05:48,660 --> 00:05:50,360

It became completely dry,

115

00:05:50,420 --> 00:05:52,280

and eventually, after two or three days,

116

00:05:52,360 --> 00:05:55,580

lay down just like the way it's here.

117

00:05:55,660 --> 00:05:58,080

And researchers discovered strange materials

118

00:05:58,160 --> 00:05:59,980

clinging to the dried crops.

119

00:06:00,060 --> 00:06:03,920

There were strange red stains all over,

120

00:06:04,000 --> 00:06:07,800

and little pieces of unknown material

121

00:06:07,860 --> 00:06:11,460

that now we know it was a silicon.

122

00:06:11,520 --> 00:06:12,820

This is it.

123

00:06:14,200 --> 00:06:16,600

It's very light, it's very thin,

124

00:06:16,660 --> 00:06:18,320

and it's bright and glowing.

125

00:06:18,400 --> 00:06:21,520

We send it to the National Geological Lab

126

00:06:21,600 --> 00:06:24,720

to Dr. Henry Foneer who tested this.

127

00:06:24,800 --> 00:06:27,720

According to Dr. Foneer's testimony,

128

00:06:27,800 --> 00:06:30,360

this specific material we are talking about here

129

00:06:30,400 --> 00:06:36,240

is a pure 99.8% pure silicon.

130

00:06:36,300 --> 00:06:39,560

It does not exist naturally on earth.

131

00:06:39,640 --> 00:06:43,040

When details of the Kadima Encounter came out in the media,

132

00:06:43,100 --> 00:06:45,560

other residents in the area began to come forward

133

00:06:45,640 --> 00:06:48,540

with stories they had kept secret for several years

134

00:06:48,600 --> 00:06:50,040

out of fear of ridicule.

135

00:06:50,100 --> 00:06:52,140

In 1991, Ellie Cohen,

136

00:06:52,200 --> 00:06:56,400

a young and ambitious businessman,

137

00:06:56,480 --> 00:07:02,480

was awoken one night when his house glowed from the inside.

138

00:07:02,540 --> 00:07:06,440

I was standing near the kitchen window.

139

00:07:06,500 --> 00:07:11,500

I looked up and I saw an eye, a big eye with a light.

140

00:07:11,580 --> 00:07:15,880

Ellie claims that the object appeared about three nights.

141

00:07:15,940 --> 00:07:19,200

Each night, about three and a half hours.

142

00:07:19,280 --> 00:07:22,880

It was glowing, it was hovering, it was moving,

143

00:07:22,960 --> 00:07:26,660

it made no sounds, no hum noise, and whatsoever.

144

00:07:26,720 --> 00:07:29,060

It was very clear that it was a disc.

145

00:07:29,120 --> 00:07:31,260

I didn't need anyone to convince me

146

00:07:31,320 --> 00:07:33,360

that it was something from outer space.

147

00:07:33,420 --> 00:07:36,760

It's just like a Mexican hat-shaped object.

148

00:07:36,820 --> 00:07:39,180

It must be about 30 meters in diameter

149

00:07:39,260 --> 00:07:42,060

with a round big hole on the bottom.

150

00:07:42,120 --> 00:07:44,260

This is not a hoax, this is not a fake,

151

00:07:44,320 --> 00:07:46,260

this is a real UFO,

152

00:07:46,320 --> 00:07:48,980

and it matches by its size,

153

00:07:48,980 --> 00:07:51,620

the size of the landing sites

154

00:07:51,680 --> 00:07:54,320

founded in Kadima three years later.

155

00:07:54,380 --> 00:07:57,180

If extra-terrestrial's are trying to make contact,

156

00:07:57,260 --> 00:07:59,580

why Kadima and why now?

157

00:07:59,660 --> 00:08:02,220

There's a huge radio antenna

158

00:08:02,280 --> 00:08:04,180

located in the middle of Kadima,

159

00:08:04,260 --> 00:08:06,680

maybe because the electricity in the antenna,

160

00:08:06,760 --> 00:08:10,080

maybe it's villages, I don't know.

161

00:08:10,160 --> 00:08:13,460

Electromagnetism generated by the radio towers

162

00:08:13,520 --> 00:08:14,980

is similar to the type of energy

163

00:08:15,060 --> 00:08:17,120

measured within the crop circles,

164

00:08:17,200 --> 00:08:19,700

but the energy here appears to be stronger,

165

00:08:19,760 --> 00:08:23,200

causing instant physical effects in some of the women.

166

00:08:23,260 --> 00:08:26,400

It was a feeling as if a very strange energy

167

00:08:26,460 --> 00:08:29,200

came literally through me and out of me,

168

00:08:29,260 --> 00:08:30,900

and then just evaporated.

169

00:08:30,960 --> 00:08:33,300

And in January of 1995,

170

00:08:33,360 --> 00:08:35,500

the phenomena took a bizarre turn.

171

00:08:35,560 --> 00:08:38,800

800 meters from the Kadima antenna tower

172

00:08:38,860 --> 00:08:41,400

lived a farmer called Amos Gueta.

173

00:08:41,460 --> 00:08:44,760

We woke up one Saturday morning.

174

00:08:44,960 --> 00:08:48,800

We went to feed the chickens, the sheep, and the dog as usual.

175

00:08:48,860 --> 00:08:51,560

At 6.30 in the morning when we woke up,

176

00:08:51,640 --> 00:08:53,800

it was already too late.

177

00:08:53,860 --> 00:08:58,500

All the animals were already dead, except the dog.

178

00:08:58,560 --> 00:09:01,060

She opens his eyes and there are no eyeballs.

179

00:09:01,140 --> 00:09:03,860

15 minutes later, the dog dies.

180

00:09:03,940 --> 00:09:06,740

She walks to her sheep pen,

181

00:09:06,800 --> 00:09:09,500

and there are three dead sheep.

182

00:09:09,560 --> 00:09:12,900

They have been shaved around the cheekbone

183

00:09:12,940 --> 00:09:19,340

and have had her whole drilled to the bone itself.

184

00:09:19,400 --> 00:09:21,500

No blood was found either.

185

00:09:21,580 --> 00:09:24,700

We tried to cut the veins of the sheep.

186

00:09:24,780 --> 00:09:26,400

No blood was in it.

187

00:09:26,480 --> 00:09:28,700

They were empty of blood.

188

00:09:28,780 --> 00:09:30,700

She goes on to the chicken house,

189

00:09:30,780 --> 00:09:34,100

where the chickens are literally frozen dead.

190

00:09:34,180 --> 00:09:35,400

No panic amongst the chickens.

191

00:09:35,480 --> 00:09:38,100

They're not scattered. They're in their roost dead,

192

00:09:38,180 --> 00:09:39,500

about 40 of them.

193

00:09:39,580 --> 00:09:41,900

According to some ufologists in Israel,

194

00:09:41,980 --> 00:09:43,400

the significance of these events

195

00:09:43,480 --> 00:09:47,400

has not only scientific, but also religious importance.

196

00:09:47,480 --> 00:09:52,100

Israeli ufology is divided between rationalists and the mystics.

197

00:09:52,180 --> 00:09:56,100

The mystics believe that something extremely important

198

00:09:56,180 --> 00:09:58,980

is related to the landings.

199

00:09:59,040 --> 00:10:01,380

Well, as one who has studied the Bible,

200

00:10:01,440 --> 00:10:05,180

and to some extent a biblical scholar,

201

00:10:05,240 --> 00:10:09,280

and a specialist on the ancient languages

202

00:10:09,340 --> 00:10:11,680

of the peoples of the ancient Near East,

203

00:10:11,720 --> 00:10:16,260

I became interested in the origins of their civilizations.

204

00:10:16,320 --> 00:10:18,920

And unintentionally, perhaps,

205

00:10:18,980 --> 00:10:23,180

I stumbled on the fact that ancient civilizations,

206

00:10:23,260 --> 00:10:25,720

that the people at the time claimed,

207

00:10:25,780 --> 00:10:29,780

and that they were taught, they were given that knowledge

208

00:10:29,860 --> 00:10:33,760

by visitors to Earth from a neighboring planet.

209

00:10:33,820 --> 00:10:36,220

The difference between the interaction then and now

210

00:10:36,280 --> 00:10:40,920

was that then they did not call them UFOs.

211

00:10:40,920 --> 00:10:46,260

They knew precisely who was using them,

212

00:10:46,320 --> 00:10:50,120

who was flying, the so-called ancient gods.

213

00:10:50,200 --> 00:10:53,120

And today we call them aliens.

214

00:10:55,200 --> 00:10:56,700

And I'm afraid of them.

215

00:10:59,520 --> 00:11:01,820

The pattern of sightings in Israel continues.

216

00:11:01,900 --> 00:11:04,700

There have been additional reports of crump circles,

217

00:11:04,760 --> 00:11:07,500

UFOs, and cattle mutilations.

218

00:11:07,560 --> 00:11:08,860

We'll bring you more from the Middle East

219

00:11:08,900 --> 00:11:11,500

on an upcoming edition of sightings.

220

00:11:11,560 --> 00:11:12,800

Coming up next...

221

00:11:12,860 --> 00:11:16,260

She grabbed my hand and we started to walk down the tunnel.

222

00:11:16,340 --> 00:11:17,960

After a near-fatal accident,

223

00:11:18,040 --> 00:11:20,960

a little girl's angelic vision saves her life.

224

00:11:24,540 --> 00:11:26,460

Do angels exist?

225

00:11:26,540 --> 00:11:28,660

According to a Time Magazine survey,

226

00:11:28,740 --> 00:11:31,800

more than two-thirds of all Americans believe that they do.

227

00:11:31,860 --> 00:11:35,100

Skeptics argue that angelic visions are simply the brain

228

00:11:35,100 --> 00:11:39,240

replaying unconscious images absorbed through pop culture.

229

00:11:39,300 --> 00:11:41,540

For that reason, accounts of angelic visions

230

00:11:41,600 --> 00:11:44,980

by very young children take on greater significance.

231

00:11:45,040 --> 00:11:48,040

Their visions have not been polluted by the media.

232

00:11:48,100 --> 00:11:51,600

And what they are seeing is extraordinary.

233

00:11:54,680 --> 00:11:55,880

She was lifeless.

234

00:11:55,940 --> 00:11:58,700

There was no life in the child whatsoever.

235

00:11:58,780 --> 00:12:01,440

When Ricky first presented to the emergency department,

236

00:12:01,500 --> 00:12:04,380

I was almost sure that she would not survive.

237

00:12:04,420 --> 00:12:06,080

I ran through the hole,

238

00:12:06,160 --> 00:12:07,420

and I knew something was wrong,

239

00:12:07,480 --> 00:12:10,080

and I found her floating face down in the pool.

240

00:12:10,160 --> 00:12:11,780

My mom pulled her out.

241

00:12:15,180 --> 00:12:16,360

She screamed for help,

242

00:12:16,420 --> 00:12:18,620

and there was nothing my sister and I could do.

243

00:12:18,680 --> 00:12:19,980

It was such a difficult call

244

00:12:20,060 --> 00:12:24,560

because the parents of the child were very good friends.

245

00:12:24,620 --> 00:12:27,580

October 21st, 1984.

246

00:12:27,660 --> 00:12:30,260

They only took their eyes off her for a second,

247

00:12:30,320 --> 00:12:31,960

but that was long enough for tragedy

248

00:12:32,000 --> 00:12:35,340

to strike the Enrique's family of Barstow, California.

249

00:12:35,400 --> 00:12:38,760

A poolside accident left two-year-old Ricky paralyzed

250

00:12:38,840 --> 00:12:40,660

and in a deep coma.

251

00:12:40,740 --> 00:12:42,800

While her family prayed for a miracle,

252

00:12:42,860 --> 00:12:44,960

Ricky believed she briefly entered a world

253

00:12:45,040 --> 00:12:48,060

where miracles do happen.

254

00:12:48,140 --> 00:12:51,860

I looked behind me, and I saw a guardian angel,

255

00:12:51,940 --> 00:12:58,240

and she had flowing golden-colored hair,

256

00:12:58,300 --> 00:12:59,900

and she was wearing a white dress.

257

00:12:59,940 --> 00:13:04,500

She grabbed my hand, and we started to walk down the tunnel.

258

00:13:04,580 --> 00:13:07,200

When we got toward the end, she asked me

259

00:13:07,280 --> 00:13:09,000

if I wanted to go through the light with her,

260

00:13:09,080 --> 00:13:12,200

or if I wanted to go back,

261

00:13:12,280 --> 00:13:13,840

and I told her that I had to go back

262

00:13:13,900 --> 00:13:15,780

until my mom where I was going.

263

00:13:15,840 --> 00:13:19,380

And so I remember her walking me back

264

00:13:19,440 --> 00:13:21,540

and telling me not to be afraid.

265

00:13:21,600 --> 00:13:25,640

Soon after, Ricky opened her eyes and began to recover.

266

00:13:25,700 --> 00:13:28,000

Doctors did not know why, but Ricky did,

267

00:13:28,080 --> 00:13:30,000

and she told her mother about it.

268

00:13:30,080 --> 00:13:33,880

It was approximately a month after she had come home

269

00:13:33,940 --> 00:13:37,480

from the hospital, and I had taken her shopping with me.

270

00:13:37,540 --> 00:13:39,240

We went into a bookstore,

271

00:13:39,300 --> 00:13:43,080

and maybe five minutes into shopping,

272

00:13:43,140 --> 00:13:45,000

she grabbed my hand and squeezed,

273

00:13:45,080 --> 00:13:47,800

and started screaming and yelling in the store,

274

00:13:47,880 --> 00:13:50,600

Mama, Mama, that's my angel.

275

00:13:50,680 --> 00:13:52,200

And I didn't know what she was talking about.

276

00:13:52,280 --> 00:13:55,800

I looked around, and there was a poster on the wall,

277

00:13:55,840 --> 00:13:57,840

and it was of a guardian angel.

278

00:13:57,900 --> 00:14:04,400

Visions of angels are as real as any other human experience.

279

00:14:04,480 --> 00:14:07,280

Dr. Melvin Morse is a critical care physician,

280

00:14:07,340 --> 00:14:09,000

author, and a leading authority

281

00:14:09,080 --> 00:14:11,540

on near-death experience in children.

282

00:14:11,600 --> 00:14:14,340

My scientific studies on near-death experiences

283

00:14:14,400 --> 00:14:17,380

clearly document that near-death experiences

284

00:14:17,440 --> 00:14:20,340

are, in fact, the dying experience.

285

00:14:20,400 --> 00:14:23,080

Dr. Morse believes that through the near-death experiences

286

00:14:23,120 --> 00:14:25,960

of children, we can preview the afterlife.

287

00:14:26,020 --> 00:14:29,420

Children experience a spiritual light,

288

00:14:29,480 --> 00:14:34,120

the great majority of the time during near-death experiences,

289

00:14:34,180 --> 00:14:36,860

and this is a loving, comforting light.

290

00:14:36,920 --> 00:14:40,560

It's not just some sort of reflex spasm of the optic nerve

291

00:14:40,620 --> 00:14:43,820

or the dysfunctional firing of neurons

292

00:14:43,880 --> 00:14:45,480

in their occipital lobe.

293

00:14:45,560 --> 00:14:47,280

It's a light that one child said to me

294

00:14:47,360 --> 00:14:49,560

has a lot of good things in it.

295

00:14:49,620 --> 00:14:52,860

It was a really fluorescent color tunnel.

296

00:14:52,900 --> 00:14:56,440

It had really bright colored bricks around it,

297

00:14:56,500 --> 00:15:00,740

and it had a really almost blinding light at the end.

298

00:15:00,800 --> 00:15:03,540

While Dr. Morse believes that Ricky and Rikas

299

00:15:03,600 --> 00:15:05,340

had a vision of death,

300

00:15:05,400 --> 00:15:08,940

author Joan Wester Anderson has a different interpretation.

301

00:15:09,000 --> 00:15:12,440

She believes Ricky had what is known as a celestial vision

302

00:15:12,500 --> 00:15:15,140

of her guardian angel.

303

00:15:15,200 --> 00:15:18,400

Angels appear to children, I think,

304

00:15:18,460 --> 00:15:22,600

because children are so open to the spiritual realm.

305

00:15:22,600 --> 00:15:25,440

In near-death experiences with children,

306

00:15:25,500 --> 00:15:30,700

about 70% of those involve the sighting of an angel,

307

00:15:30,780 --> 00:15:31,880

which is kind of interesting

308

00:15:31,940 --> 00:15:35,500

because adults only report 15 or 20%.

309

00:15:35,580 --> 00:15:37,540

Anderson points out that the word angel

310

00:15:37,600 --> 00:15:40,100

comes from the Greek, meaning messenger.

311

00:15:40,180 --> 00:15:43,000

The message that they get from these kinds of encounters

312

00:15:43,080 --> 00:15:44,880

is that their ordinary lives

313

00:15:44,940 --> 00:15:46,880

are filled with purpose and meaning.

314

00:15:46,940 --> 00:15:49,140

Typically, a child will say to me,

315

00:15:49,180 --> 00:15:52,720

gosh, I learned that I have a job to do.

316

00:15:52,780 --> 00:15:57,380

When this first happened, we never went to church much.

317

00:15:57,440 --> 00:15:59,780

She had no knowledge of angels,

318

00:15:59,840 --> 00:16:02,640

really didn't know anything about it.

319

00:16:02,720 --> 00:16:05,680

Since this, she likes to spread the word

320

00:16:05,740 --> 00:16:08,940

that the angels are out there, and it's okay.

321

00:16:09,020 --> 00:16:11,480

I think that it happened,

322

00:16:11,540 --> 00:16:15,720

so I could tell other people not to be afraid of dying.

323

00:16:15,720 --> 00:16:18,800

Although Ricky, who is now 12,

324

00:16:18,860 --> 00:16:20,960

has not had another angelic vision,

325

00:16:21,020 --> 00:16:23,920

she feels that the presence of the angel is always with her,

326

00:16:24,000 --> 00:16:26,220

and her family feels its presence too.

327

00:16:26,300 --> 00:16:29,800

They believe that Ricky has new angelic qualities

328

00:16:29,860 --> 00:16:32,800

that were passed to her after her encounter.

329

00:16:32,860 --> 00:16:34,800

Next, is Bigfoot Amamoo?

330

00:16:34,860 --> 00:16:36,560

Researchers discover a similar creature

331

00:16:36,620 --> 00:16:38,000

in the jungles of Brazil.

332

00:16:38,060 --> 00:16:40,360

There is a horrible animal out there

333

00:16:40,420 --> 00:16:42,460

that terrified of this animal.

334

00:16:46,620 --> 00:16:48,120

Since sightings went online,

335

00:16:48,200 --> 00:16:51,060

our research capabilities have expanded dramatically.

336

00:16:51,120 --> 00:16:52,520

In a very real sense,

337

00:16:52,600 --> 00:16:54,920

viewers are becoming field researchers,

338

00:16:55,000 --> 00:16:58,120

alerting us instantly to sightings around the world.

339

00:16:58,200 --> 00:17:00,900

Recently, our in-depth Bigfoot investigation

340

00:17:00,960 --> 00:17:04,520

generated important new leads and exclusive photographs

341

00:17:04,600 --> 00:17:06,520

from the Pacific Northwest.

342

00:17:09,100 --> 00:17:11,820

This is so extraordinary, so incredible

343

00:17:11,900 --> 00:17:14,120

that something like a primitive man could exist

344

00:17:14,120 --> 00:17:15,520

in modern America.

345

00:17:15,600 --> 00:17:18,520

It is almost on the edge of being unbelievable.

346

00:17:18,600 --> 00:17:20,060

Since sightings last report

347

00:17:20,120 --> 00:17:22,520

from Oregon's Bigfoot Research Center,

348

00:17:22,600 --> 00:17:24,520

director Peter Byrne believes that new leads

349

00:17:24,600 --> 00:17:26,220

have brought him closer to solving

350

00:17:26,300 --> 00:17:30,300

the most persistent zoological mystery in American history.

351

00:17:30,360 --> 00:17:34,820

What's encouraging to us is that the descriptions don't vary.

352

00:17:34,900 --> 00:17:36,920

The descriptions are the same.

353

00:17:37,000 --> 00:17:38,960

Hundreds of new Bigfoot sightings

354

00:17:39,020 --> 00:17:40,720

have been reported to the center,

355

00:17:40,800 --> 00:17:43,520

and many of them offer clues about the creature.

356

00:17:43,520 --> 00:17:46,420

They're also about the creature's behavior and habitat.

357

00:17:46,500 --> 00:17:50,920

At least one sighting was made at a distance of less than 50 feet.

358

00:17:51,000 --> 00:17:52,420

There were two women driving,

359

00:17:52,500 --> 00:17:55,420

and a place called Colton, south of here,

360

00:17:55,500 --> 00:17:58,420

and one crossed the road in front of them,

361

00:17:58,500 --> 00:18:01,920

about six feet tall, huge shoulders, short neck,

362

00:18:02,000 --> 00:18:04,120

and they said it walked very smoothly.

363

00:18:04,200 --> 00:18:08,620

Didn't look at the car, crossed the road in two or three steps.

364

00:18:08,700 --> 00:18:09,720

People have seen the face.

365

00:18:09,800 --> 00:18:11,320

They say the face is a very human face.

366

00:18:11,320 --> 00:18:13,420

A straight nose, small lips,

367

00:18:13,500 --> 00:18:16,300

and it's not an ape's face, it's not a gorilla's face.

368

00:18:16,360 --> 00:18:17,720

A number of things like that.

369

00:18:17,800 --> 00:18:20,600

We think we're looking at a very primitive human.

370

00:18:20,660 --> 00:18:22,820

Byrne is expanding his research team

371

00:18:22,900 --> 00:18:25,560

in an effort to calculate yearly food supply

372

00:18:25,620 --> 00:18:28,620

and seasonal migration patterns.

373

00:18:28,700 --> 00:18:31,420

We're building up a volunteer force right now

374

00:18:31,500 --> 00:18:33,200

of people who'll be working with us.

375

00:18:33,260 --> 00:18:37,120

If we do find fresh evidence, like a fresh sighting,

376

00:18:37,200 --> 00:18:39,360

a sighting that's only a few hours old,

377

00:18:39,400 --> 00:18:42,060

we have a plan to bring in our volunteers

378

00:18:42,140 --> 00:18:43,740

to bring in two helicopters

379

00:18:43,800 --> 00:18:47,560

and get video and pictures close up,

380

00:18:47,640 --> 00:18:49,640

which will be pretty good proof.

381

00:18:49,700 --> 00:18:52,000

But on the rugged shores of Puget Sound,

382

00:18:52,060 --> 00:18:54,840

less than 200 miles from the Bigfoot Center,

383

00:18:54,900 --> 00:18:57,540

one man believes he already has that proof.

384

00:18:57,600 --> 00:18:59,240

All the way up to the top of the mountain that day,

385

00:18:59,300 --> 00:19:02,000

we had the feeling we were being followed and watched.

386

00:19:02,060 --> 00:19:03,440

I saw this head move like that,

387

00:19:03,500 --> 00:19:07,800

what I thought was a head, and I decided to take that picture.

388

00:19:07,840 --> 00:19:10,280

On an expedition just weeks ago,

389

00:19:10,340 --> 00:19:12,280

Terry Mitchell took two photographs

390

00:19:12,340 --> 00:19:13,900

that many researchers believe

391

00:19:13,980 --> 00:19:16,200

are the most significant Bigfoot evidence

392

00:19:16,280 --> 00:19:20,900

since the infamous Patterson film taken in 1967.

393

00:19:20,980 --> 00:19:24,780

I'm pretty confident that I've got a picture of a Sasquatch.

394

00:19:24,840 --> 00:19:28,640

All you can see is sort of a shoulders and roundness of a head

395

00:19:28,700 --> 00:19:30,540

that looks like it's looking up the trail.

396

00:19:30,600 --> 00:19:32,340

If you take that picture and put it on the road,

397

00:19:32,400 --> 00:19:35,740

you will actually see a face, a darkened face,

398

00:19:35,740 --> 00:19:39,420

with black hair looking right at the camera.

399

00:19:39,480 --> 00:19:41,380

And at the same time Terry Mitchell

400

00:19:41,440 --> 00:19:43,980

was photographing his Bigfoot encounter,

401

00:19:44,040 --> 00:19:47,540

thousands of miles away in the Amazonian rainforest,

402

00:19:47,620 --> 00:19:51,420

researchers there were having a strikingly similar experience.

403

00:19:53,780 --> 00:19:57,520

It had a large and thick tail,

404

00:19:57,580 --> 00:20:01,980

was covered with reddish and blackish hairs,

405

00:20:02,020 --> 00:20:05,420

had long claws, a monkey-like face,

406

00:20:05,480 --> 00:20:07,760

but felt it was absolutely terrified.

407

00:20:07,820 --> 00:20:10,080

Couldn't imagine what he'd seen.

408

00:20:10,160 --> 00:20:13,620

Dr. David Orlin is a Harvard-educated research biologist

409

00:20:13,680 --> 00:20:15,660

working in South America.

410

00:20:15,720 --> 00:20:17,980

He believes that ancient legends about a creature

411

00:20:18,060 --> 00:20:21,520

called the Pengway may be based in fact.

412

00:20:21,580 --> 00:20:24,460

Two separate places, people were sent running away

413

00:20:24,520 --> 00:20:27,160

from what they considered to be this animal.

414

00:20:27,220 --> 00:20:30,220

The reports of this thing from all the far corners

415

00:20:30,260 --> 00:20:32,520

of the Brazilian Amazon, Venezuela,

416

00:20:32,600 --> 00:20:39,760

the Guyana's, Colombia, Peru, Bolivia.

417

00:20:39,820 --> 00:20:41,600

Dr. Orlin has talked to many people

418

00:20:41,660 --> 00:20:43,600

who describe the Pengway as a creature

419

00:20:43,660 --> 00:20:45,620

who walks with backward feet.

420

00:20:45,700 --> 00:20:49,160

It stands over six feet tall, weighs more than 500 pounds,

421

00:20:49,220 --> 00:20:50,860

and according to one hunter,

422

00:20:50,920 --> 00:20:54,260

it is impervious to repeated blasts from a shotgun.

423

00:20:54,320 --> 00:20:58,460

Consistently, people report that this creature

424

00:20:58,460 --> 00:21:01,300

has a very, very bad smell,

425

00:21:01,360 --> 00:21:03,860

and then it affects the nervous system.

426

00:21:03,940 --> 00:21:08,840

People describe themselves as being disoriented, intoxicated,

427

00:21:08,900 --> 00:21:11,660

and there are three separate cases in which people

428

00:21:11,740 --> 00:21:14,660

are stated to have become mute for the rest of their lives

429

00:21:14,740 --> 00:21:16,660

after getting a large dose of this.

430

00:21:16,740 --> 00:21:19,660

Many of the people who give you these firsthand accounts

431

00:21:19,740 --> 00:21:22,960

is they'll say, I didn't believe in this thing either.

432

00:21:23,040 --> 00:21:26,560

I thought it was just a legend, too, until I saw it.

433

00:21:26,640 --> 00:21:28,800

And let me tell you, it's not just a legend.

434

00:21:28,860 --> 00:21:31,340

There is a horrible animal out there.

435

00:21:31,400 --> 00:21:34,060

They're terrified of this animal.

436

00:21:34,140 --> 00:21:37,400

Although Dr. Orlin has not seen the creature for himself,

437

00:21:37,460 --> 00:21:39,660

10 years of data collected in the field

438

00:21:39,740 --> 00:21:41,800

have led him to believe the Pengway may be

439

00:21:41,860 --> 00:21:45,060

a prehistoric creature thought to be extinct.

440

00:21:45,140 --> 00:21:48,240

Suddenly, a light went off in my head and said, my God,

441

00:21:48,300 --> 00:21:51,360

this could only be a ground sloth.

442

00:21:51,440 --> 00:21:52,760

Well, it's just perfectly extraordinary

443

00:21:52,840 --> 00:21:55,640

because if we can suddenly drag out of the Amazon basin

444

00:21:55,680 --> 00:21:59,180

by its ear, South America's largest land mammal,

445

00:21:59,240 --> 00:22:04,180

unknown to science until 1995 or 1996 or 1997,

446

00:22:04,240 --> 00:22:05,840

what else is out there?

447

00:22:05,920 --> 00:22:09,740

How incredibly all-embracing our ignorance is.

448

00:22:13,020 --> 00:22:16,440

The giant sloth is not the only supposedly extinct mammal

449

00:22:16,520 --> 00:22:17,980

to turn up at recent months.

450

00:22:18,040 --> 00:22:21,440

In Malaysia and in Israel, we are following up on reports

451

00:22:21,520 --> 00:22:23,220

that giant humanoid creatures

452

00:22:23,280 --> 00:22:25,340

have been discovered there as well.

453

00:22:26,140 --> 00:22:28,240

Coming up, ghosts on the battlefield.

454

00:22:28,320 --> 00:22:31,140

Gettysburg is probably the most haunted battlefield.

455

00:22:31,220 --> 00:22:33,840

Then, will the Earth destroy us?

456

00:22:33,920 --> 00:22:35,420

This is not one person's problem.

457

00:22:35,480 --> 00:22:36,740

This is everyone's problem.

458

00:22:36,820 --> 00:22:38,640

And the U.S. government has plans

459

00:22:38,720 --> 00:22:41,040

for extraterrestrial contact.

460

00:22:44,620 --> 00:22:46,880

More Americans died during the Civil War

461

00:22:46,940 --> 00:22:49,840

than in both World Wars and Vietnam combined.

462

00:22:49,920 --> 00:22:50,920

And no single battle

463

00:22:50,980 --> 00:22:53,920

exacted a greater human toll than Gettysburg.

464

00:22:53,960 --> 00:22:56,820

Many of the soldiers who drew their last agonizing breaths

465

00:22:56,900 --> 00:22:59,420

on that field were buried where they fell.

466

00:22:59,500 --> 00:23:01,220

Today, the battlefield at Gettysburg

467

00:23:01,300 --> 00:23:02,920

is an historic monument,

468

00:23:03,000 --> 00:23:06,600

but it is also America's largest unmarked graveyard.

469

00:23:06,660 --> 00:23:08,920

And not surprisingly, many ghosts

470

00:23:09,000 --> 00:23:11,420

are said to haunt its hallowed ground.

471

00:23:14,500 --> 00:23:16,720

There's a special feeling here at Gettysburg.

472

00:23:18,800 --> 00:23:19,920

When you come here,

473

00:23:20,000 --> 00:23:22,420

it's almost like going into an eye of a hurricane.

474

00:23:24,420 --> 00:23:25,920

A lot of the people that were killed here

475

00:23:26,000 --> 00:23:28,420

were killed very violently, very suddenly.

476

00:23:28,500 --> 00:23:31,420

And many of them literally bled to death on the battlefields.

477

00:23:33,260 --> 00:23:37,420

Their lives were cut short, suddenly and horribly.

478

00:23:37,500 --> 00:23:40,620

And perhaps that's why a great deal of psychic energy remains

479

00:23:40,700 --> 00:23:42,920

in places like Gettysburg.

480

00:23:43,000 --> 00:23:44,720

It's the little Pennsylvania town

481

00:23:44,800 --> 00:23:47,420

that changed the course of American history.

482

00:23:47,500 --> 00:23:51,420

Nearly 200,000 fought here in July 1863.

483

00:23:51,420 --> 00:23:53,220

And by the end of the three-day battle,

484

00:23:53,300 --> 00:23:55,920

more than 50,000 soldiers were lost.

485

00:23:56,000 --> 00:23:58,120

It was the turning point of the Civil War.

486

00:23:58,200 --> 00:24:00,600

And is still, according to some,

487

00:24:00,660 --> 00:24:04,420

a pivotal location for paranormal investigators.

488

00:24:04,500 --> 00:24:08,500

In his book, author and Civil War enthusiast, Mark Nesbitt,

489

00:24:08,560 --> 00:24:10,920

has collected reports of paranormal activity

490

00:24:11,000 --> 00:24:13,800

by modern-day visitors to the battlefield.

491

00:24:13,860 --> 00:24:15,620

The Phantom Regiment is one

492

00:24:15,700 --> 00:24:18,800

that's been seen several times by several different people,

493

00:24:18,800 --> 00:24:20,340

sometimes in groups.

494

00:24:20,400 --> 00:24:25,600

They see a regiment lined up out in the middle of a field.

495

00:24:25,680 --> 00:24:29,080

They are maneuvering, they wander around, they begin to march,

496

00:24:29,140 --> 00:24:32,180

they march off into the woods and then vanish.

497

00:24:32,240 --> 00:24:34,840

This has been seen a number of times.

498

00:24:34,900 --> 00:24:36,400

Beyond the ghost stories,

499

00:24:36,480 --> 00:24:37,800

there are strange photographs

500

00:24:37,880 --> 00:24:40,040

that seem to have captured tangible evidence

501

00:24:40,100 --> 00:24:42,540

of a paranormal energy here.

502

00:24:42,600 --> 00:24:43,940

I actually didn't believe in ghosts

503

00:24:44,000 --> 00:24:46,000

until I started taking pictures.

504

00:24:46,000 --> 00:24:48,000

And one showed up in my pictures.

505

00:24:48,080 --> 00:24:50,580

First time I actually believed there was something out there.

506

00:24:50,640 --> 00:24:52,000

I looked at it and I was shocked.

507

00:24:52,080 --> 00:24:54,580

And I said, Tim, I think we captured a ghost.

508

00:24:54,640 --> 00:24:56,700

I think a lot of people just don't want to admit

509

00:24:56,780 --> 00:24:57,800

they believe in ghosts

510

00:24:57,880 --> 00:25:00,000

because it doesn't sound like something respectable.

511

00:25:00,080 --> 00:25:02,700

Charles Emmons has been a professor of sociology

512

00:25:02,780 --> 00:25:05,500

at Gettysburg College since 1974.

513

00:25:05,580 --> 00:25:08,580

He believes that the psychic trauma of 1863

514

00:25:08,640 --> 00:25:11,580

may endure today in the form of residual haunting

515

00:25:11,640 --> 00:25:14,200

and is not just limited to the battlefield.

516

00:25:14,240 --> 00:25:15,940

This is Pennsylvania Hall.

517

00:25:16,000 --> 00:25:19,540

During the battle, it was used by both sides as a hospital.

518

00:25:19,600 --> 00:25:21,980

Four or five different people independently

519

00:25:22,040 --> 00:25:25,400

reported seeing a soldier walking around

520

00:25:25,480 --> 00:25:28,280

on the top of that cupola on Pennsylvania Hall.

521

00:25:28,340 --> 00:25:31,600

And I interviewed a student who had walked by there

522

00:25:31,680 --> 00:25:33,200

about 11 o'clock at night.

523

00:25:33,280 --> 00:25:35,880

He was very upset about the experience.

524

00:25:35,940 --> 00:25:38,700

He was not trying to hoax. He didn't want it to happen.

525

00:25:38,780 --> 00:25:40,200

He was obviously upset.

526

00:25:40,280 --> 00:25:43,700

And inside, strange haunting images pervade.

527

00:25:43,700 --> 00:25:46,600

Two administrators went down the elevator,

528

00:25:46,680 --> 00:25:49,100

punched the button for the first floor.

529

00:25:49,180 --> 00:25:51,580

It didn't work properly. They went to the basement instead.

530

00:25:51,640 --> 00:25:53,200

And when the doors opened,

531

00:25:53,280 --> 00:25:56,900

to reveal not a scene that was cleaned up for storage,

532

00:25:56,980 --> 00:25:59,200

but a scene out of time and reason,

533

00:25:59,280 --> 00:26:02,500

a hospital scene from the time of the battle.

534

00:26:02,580 --> 00:26:04,500

They punched frantically at the buttons

535

00:26:04,580 --> 00:26:08,900

to get them out of this hell that they had descended into.

536

00:26:08,980 --> 00:26:09,940

And one of the...

537

00:26:10,000 --> 00:26:12,940

Kept punching the buttons and eventually got up out of there.

538

00:26:12,940 --> 00:26:16,740

But most of Gettysburg's ghostly encounters occur here,

539

00:26:16,820 --> 00:26:20,440

on the battlefield where 51,000 men died.

540

00:26:20,520 --> 00:26:22,740

Gettysburg probably, as far as I'm concerned,

541

00:26:22,820 --> 00:26:24,740

is probably the most haunted battlefield

542

00:26:24,820 --> 00:26:26,740

that I've come across so far.

543

00:26:26,820 --> 00:26:29,080

Paranormal investigator Dale Kazmerik

544

00:26:29,140 --> 00:26:31,440

was asked to accompany a sightings team

545

00:26:31,520 --> 00:26:34,740

to the battlefield for nighttime surveillance.

546

00:26:34,820 --> 00:26:38,040

This area seems to be one of several different locations.

547

00:26:38,120 --> 00:26:41,640

It's very active as far as paranormal activity.

548

00:26:41,680 --> 00:26:44,440

A lot of loss of life would have occurred right here.

549

00:26:44,520 --> 00:26:47,180

Among the tools of his trade are a Geiger counter,

550

00:26:47,240 --> 00:26:50,840

magnetometer, and other highly sensitive electronic devices

551

00:26:50,920 --> 00:26:53,840

that will register anomalous energy in the area.

552

00:26:53,920 --> 00:26:56,920

Our sightings camera was equipped with a special night vision lens

553

00:26:56,980 --> 00:26:59,040

to record in low light conditions.

554

00:26:59,120 --> 00:27:04,720

Most likely, when I'm picking up our small pockets of anomalies,

555

00:27:04,780 --> 00:27:07,040

little slight deviations in magnetic field

556

00:27:07,120 --> 00:27:09,720

might indicate a presence of some kind.

557

00:27:09,760 --> 00:27:12,060

Kazmerik spent several hours taking readings

558

00:27:12,120 --> 00:27:14,760

in an area known as the triangular field.

559

00:27:14,820 --> 00:27:16,960

This is the site where Confederate soldiers began

560

00:27:17,020 --> 00:27:19,020

the charge on little round top.

561

00:27:19,100 --> 00:27:24,520

Some of the bloodiest battle took place along this ridge.

562

00:27:24,600 --> 00:27:27,560

Right there, I got a real high reading,

563

00:27:27,620 --> 00:27:32,620

a real high static discharge reading right here.

564

00:27:32,700 --> 00:27:33,760

Really no reason for it.

565

00:27:33,820 --> 00:27:37,760

There's no way static should be built up out here.

566

00:27:37,760 --> 00:27:41,140

Nothing to attract static electricity or negative ions.

567

00:27:44,100 --> 00:27:48,600

Another reading right by the rock over here,

568

00:27:48,660 --> 00:27:54,560

which was approximately 20 on the scale.

569

00:27:54,640 --> 00:27:58,440

Meter peaks and anomalous readings continued until dawn.

570

00:27:58,500 --> 00:28:00,300

I think it's very interesting out there,

571

00:28:00,360 --> 00:28:02,300

especially at the triangular field.

572

00:28:02,360 --> 00:28:04,800

We got a lot of interesting readings out there,

573

00:28:04,860 --> 00:28:07,000

including a lot of disturbances

574

00:28:07,000 --> 00:28:09,040

with the negative ion detector.

575

00:28:09,100 --> 00:28:12,040

I believe the area is infested,

576

00:28:12,100 --> 00:28:15,040

the word I like to use, infested by ghosts.

577

00:28:15,100 --> 00:28:17,800

Not only because of the trauma that's taking place here

578

00:28:17,880 --> 00:28:21,800

due to the battle, but surrounding the battle

579

00:28:21,880 --> 00:28:25,600

and the poor sanitary conditions, things of that nature,

580

00:28:25,680 --> 00:28:27,800

it's a location that leads itself

581

00:28:27,880 --> 00:28:30,800

to the existence and possibility of ghosts.

582

00:28:30,880 --> 00:28:33,040

Residual haunting also seemed to be present

583

00:28:33,100 --> 00:28:35,240

in the end where the sighting steam stayed.

584

00:28:35,240 --> 00:28:37,480

The Farnsworth house built in 1816

585

00:28:37,540 --> 00:28:40,340

had been an ad hoc infantry position during the war.

586

00:28:40,420 --> 00:28:42,540

These particular men were sharpshooters.

587

00:28:42,620 --> 00:28:46,240

They were most likely infantry soldiers.

588

00:28:46,320 --> 00:28:47,240

They were Confederate.

589

00:28:47,320 --> 00:28:49,440

They came into the house, maybe the door was unlocked.

590

00:28:49,520 --> 00:28:50,480

They climbed the stairs.

591

00:28:50,540 --> 00:28:53,440

The vantage point and the most protection would serve

592

00:28:53,520 --> 00:28:56,040

would be the garret, which is the attic.

593

00:28:56,120 --> 00:28:57,740

They flew open the door.

594

00:28:57,820 --> 00:28:59,740

They laid down on their bellies.

595

00:28:59,820 --> 00:29:00,940

They had a great position.

596

00:29:01,020 --> 00:29:04,140

They were actually firing and killing Union soldiers

597

00:29:04,140 --> 00:29:06,040

in the Jenny Wade.

598

00:29:06,120 --> 00:29:08,040

The name of the neighboring inn.

599

00:29:08,120 --> 00:29:09,540

When the soldiers were captured,

600

00:29:09,620 --> 00:29:11,540

one of them was playing a mouth harp,

601

00:29:11,620 --> 00:29:13,340

a popular instrument of the time.

602

00:29:13,420 --> 00:29:15,740

Guests claim they hear his music still,

603

00:29:15,820 --> 00:29:19,240

and Patty claims she's seen the ghost of one of the men.

604

00:29:19,320 --> 00:29:22,740

I got a very fleeting glimpse of him.

605

00:29:22,820 --> 00:29:26,940

He's a very tall, willowy young man, about maybe 17.

606

00:29:27,020 --> 00:29:28,540

If you looked at him and didn't know your age,

607

00:29:28,620 --> 00:29:30,940

you would think he was like 13, 14 years old.

608

00:29:30,940 --> 00:29:34,220

Despite credible eyewitnesses and new electronic data

609

00:29:34,280 --> 00:29:36,520

gathering methods, Professor Emmons believes

610

00:29:36,580 --> 00:29:38,740

we may never be able to scientifically prove

611

00:29:38,820 --> 00:29:41,220

the existence of the ghosts of Gettysburg.

612

00:29:41,280 --> 00:29:43,620

There are other ways of knowing ghosts.

613

00:29:43,680 --> 00:29:47,020

If you have the experience, a kind of religious,

614

00:29:47,080 --> 00:29:50,020

supernatural experience, it does something to you.

615

00:29:50,080 --> 00:29:53,820

There's just some sense of awe that tells you

616

00:29:53,900 --> 00:29:56,020

that something is happening here.

617

00:29:56,100 --> 00:29:59,240

And I don't know how exactly you study that scientifically.

618

00:29:59,240 --> 00:30:00,740

We may have to go beyond science

619

00:30:00,800 --> 00:30:02,140

to understand this phenomenon.

620

00:30:02,200 --> 00:30:04,740

For now, the spirits of the men who fought here

621

00:30:04,800 --> 00:30:07,740

can best be captured when you stand on the battlefield

622

00:30:07,800 --> 00:30:09,740

and feel the sense of history.

623

00:30:09,800 --> 00:30:12,240

I think since there was a lot of violence,

624

00:30:12,320 --> 00:30:15,820

especially the ones that were just literally ripped to pieces,

625

00:30:15,880 --> 00:30:18,620

I think they'll be remaining for a very, very long time.

626

00:30:18,680 --> 00:30:22,720

MUSIC

627

00:30:22,780 --> 00:30:26,120

Most Civil War battlefields do not survive as historic sites.

628

00:30:26,200 --> 00:30:28,120

They've been plowed up, paved over,

629

00:30:28,140 --> 00:30:29,540

and built upon.

630

00:30:29,620 --> 00:30:32,780

But beneath the concrete and steel of our modern age,

631

00:30:32,840 --> 00:30:35,120

the echoes of the past remain.

632

00:30:35,180 --> 00:30:38,220

Many people believe that if you listen closely,

633

00:30:38,280 --> 00:30:40,520

you can hear them still.

634

00:30:40,580 --> 00:30:42,320

Next, a sightings update.

635

00:30:42,380 --> 00:30:45,620

The Earth seeks revenge, and we may have sealed our fate.

636

00:30:45,680 --> 00:30:47,520

Through pollution, we could be very well

637

00:30:47,580 --> 00:30:49,560

of ensuring our own extinction.

638

00:30:49,620 --> 00:30:54,020

MUSIC

639

00:30:54,080 --> 00:30:57,020

Recently, sightings brought you alarming statistics

640

00:30:57,040 --> 00:31:00,940

about new and deadly viruses breaking out around the world.

641

00:31:01,020 --> 00:31:04,080

Proponents of the Gaia theory suggest that these new viruses

642

00:31:04,140 --> 00:31:06,940

have been created by Earth in self-defense.

643

00:31:07,020 --> 00:31:09,440

It's a theory that's gaining wider acceptance,

644

00:31:09,520 --> 00:31:11,080

and now it appears that Mother Nature

645

00:31:11,140 --> 00:31:14,940

is fighting back at us with more than just viruses.

646

00:31:15,020 --> 00:31:17,440

I think the problem is much more serious

647

00:31:17,520 --> 00:31:18,940

than we hear in the media

648

00:31:19,020 --> 00:31:22,440

because the story is still breaking.

649

00:31:22,520 --> 00:31:23,640

Everyone is involved.

650

00:31:23,720 --> 00:31:25,020

This is not one person's problem.

651

00:31:25,080 --> 00:31:26,440

This is everyone's problem.

652

00:31:26,440 --> 00:31:29,360

The Gaia theory, first espoused by James Lovelike,

653

00:31:29,440 --> 00:31:31,860

suggests that Earth is a living entity

654

00:31:31,940 --> 00:31:33,440

capable of fighting off infection.

655

00:31:33,500 --> 00:31:35,860

In our last report, we brought disturbing evidence

656

00:31:35,940 --> 00:31:37,860

that the infection is us.

657

00:31:37,940 --> 00:31:41,360

By cutting away and disrupting the balance,

658

00:31:41,440 --> 00:31:45,360

you have, in effect, Gaia's revenge.

659

00:31:45,440 --> 00:31:48,360

The ecosystem fights back, and it attacks the people.

660

00:31:48,440 --> 00:31:51,860

It harms them with disease and drives them out.

661

00:31:51,940 --> 00:31:53,860

According to Gaia theorists,

662

00:31:53,940 --> 00:31:55,860

Mother Earth's number one enemy

663

00:31:55,860 --> 00:31:58,280

is overpopulation.

664

00:31:58,360 --> 00:32:01,280

We are the threat. We are the problem.

665

00:32:01,360 --> 00:32:05,280

There are five billion of us on the planet.

666

00:32:05,360 --> 00:32:08,780

There is a quarter of a trillion pounds

667

00:32:08,860 --> 00:32:11,780

of human flesh on this planet.

668

00:32:11,860 --> 00:32:14,280

And the flesh is weak.

669

00:32:14,360 --> 00:32:16,280

We are pouring billions of tons of garbage

670

00:32:16,360 --> 00:32:18,280

and chemicals into Gaia.

671

00:32:18,360 --> 00:32:21,280

Her immune system is badly deteriorating.

672

00:32:21,360 --> 00:32:24,280

Participants at a recent World Wildlife Symposium

673

00:32:24,280 --> 00:32:27,700

warn Gaia is struggling just to maintain the status quo.

674

00:32:27,780 --> 00:32:30,700

Some of us were seeing that animals were getting sick and dying.

675

00:32:30,780 --> 00:32:33,700

Others were seeing that there are definite developmental effects

676

00:32:33,780 --> 00:32:35,700

that birds had twisted beaks,

677

00:32:35,780 --> 00:32:38,700

that animals were developing tumors all over them.

678

00:32:38,780 --> 00:32:40,700

Each and every year,

679

00:32:40,780 --> 00:32:43,700

435 billion pounds of man-made chemicals

680

00:32:43,780 --> 00:32:46,700

are released into our world's ever-weakening environment.

681

00:32:46,780 --> 00:32:49,200

Recent studies suggest that these chemicals

682

00:32:49,280 --> 00:32:51,200

are disrupting hormone production,

683

00:32:51,200 --> 00:32:54,120

impairing the reproductive cycle of many animals.

684

00:32:54,200 --> 00:32:56,620

And we are one of those animals.

685

00:32:56,700 --> 00:32:58,120

According to one study,

686

00:32:58,200 --> 00:33:01,620

male sperm counts have dropped 40% since World War II.

687

00:33:01,700 --> 00:33:05,620

The trend is unequivocal that male sperm counts have been dropping.

688

00:33:05,700 --> 00:33:08,620

And that could be the underlying explanation

689

00:33:08,700 --> 00:33:10,620

for the increase in infertility in men,

690

00:33:10,700 --> 00:33:13,620

but that will not explain why they're dropping.

691

00:33:13,700 --> 00:33:16,620

And that's the big question, what's going on out there?

692

00:33:16,700 --> 00:33:19,620

This is what's going on out there,

693

00:33:19,620 --> 00:33:21,540

according to Gaia theorists.

694

00:33:21,620 --> 00:33:24,540

Since Gaia cannot absorb everything we feed into it,

695

00:33:24,620 --> 00:33:26,540

Gaia must attack the source.

696

00:33:26,620 --> 00:33:29,540

It's us against the world.

697

00:33:29,620 --> 00:33:32,540

The first warning signals that this is the new reality

698

00:33:32,620 --> 00:33:37,040

are occurring here in the befouled waters of Lake Apopka in Florida.

699

00:33:37,120 --> 00:33:40,540

Wildlife biologist Tim Gross discovered that many alligators,

700

00:33:40,620 --> 00:33:42,040

turtles and fish in the lake,

701

00:33:42,120 --> 00:33:44,040

are neither male nor female.

702

00:33:44,120 --> 00:33:47,040

Their sexual development is mutating.

703

00:33:47,040 --> 00:33:49,460

The effects that we're seeing that are quite dramatic

704

00:33:49,540 --> 00:33:51,960

are effects on the developing embryo.

705

00:33:52,040 --> 00:33:55,460

So in other words, these concentrations are deposited in the eggs

706

00:33:55,540 --> 00:33:57,960

during the development of the egg in mom.

707

00:33:58,040 --> 00:33:59,960

They're quite toxic to an embryo.

708

00:34:00,040 --> 00:34:03,960

And they form major alterations in the sexual differentiation.

709

00:34:04,040 --> 00:34:06,960

There are signs that these kinds of genetic disturbances

710

00:34:07,040 --> 00:34:09,460

are on the increase throughout the United States.

711

00:34:09,540 --> 00:34:12,960

Biologists are beginning to see what they refer to as gender warping,

712

00:34:13,040 --> 00:34:15,960

occurring in a wide variety of animal species.

713

00:34:15,960 --> 00:34:18,880

This yet another weapon of Gaia's revenge.

714

00:34:18,960 --> 00:34:22,380

If males are not male and females are not female,

715

00:34:22,460 --> 00:34:27,380

they cannot reproduce and are therefore only one generation away from extinction.

716

00:34:27,460 --> 00:34:30,380

How far then are we from the same thing?

717

00:34:30,460 --> 00:34:33,960

I think those people who say that the effects on wildlife

718

00:34:34,040 --> 00:34:37,460

are isolated events and will have no effect on humans

719

00:34:37,540 --> 00:34:40,960

are being overly reassuring.

720

00:34:41,040 --> 00:34:43,760

Hormones are basically ubiquitous.

721

00:34:43,760 --> 00:34:48,680

In other words, they're shared by all animal species.

722

00:34:48,760 --> 00:34:50,760

And that the hormones that control reproduction

723

00:34:50,840 --> 00:34:55,180

in alligators and turtles also control reproduction in humans.

724

00:34:55,260 --> 00:34:57,680

That is rather devastating because it can create

725

00:34:57,760 --> 00:35:00,680

major fertility problems in the human population.

726

00:35:00,760 --> 00:35:03,680

This affects all of us because some of these contaminants

727

00:35:03,760 --> 00:35:06,680

are present in all of our food and in our drinking water.

728

00:35:06,760 --> 00:35:10,680

A chemical present in our food and in our water

729

00:35:10,680 --> 00:35:14,600

can have potentially disrupting effects on a fetus,

730

00:35:14,680 --> 00:35:17,100

on any of us as adults.

731

00:35:17,180 --> 00:35:21,100

Through pollution, we could be very well ensuring our own extinction.

732

00:35:21,180 --> 00:35:24,100

But studies, some sponsored by chemical companies,

733

00:35:24,180 --> 00:35:27,600

conclude that the earth and its inhabitants are resilient

734

00:35:27,680 --> 00:35:30,100

and will not suffer long-term effects.

735

00:35:30,180 --> 00:35:34,100

Infertility expert Dr. Michael Zinman is not convinced.

736

00:35:34,180 --> 00:35:40,100

Exposing a pregnant woman to a variety of so-called benign,

737

00:35:40,100 --> 00:35:43,520

problem chemicals have turned out to not be so benign

738

00:35:43,600 --> 00:35:47,520

and cause long-term effects in their offspring

739

00:35:47,600 --> 00:35:50,520

and affected their offspring's ability to have offspring.

740

00:35:50,600 --> 00:35:54,020

By polluting Gaia, have we sealed our own fate?

741

00:35:54,100 --> 00:35:57,520

Has earth become so riddled with the cancer of chemical waste

742

00:35:57,600 --> 00:36:00,520

that there's no cure in sight?

743

00:36:00,600 --> 00:36:03,520

A large number of the public will believe this data,

744

00:36:03,600 --> 00:36:07,520

will take it to heart very seriously and be very concerned.

745

00:36:07,520 --> 00:36:09,940

The biggest question then immediately after that is,

746

00:36:10,020 --> 00:36:13,440

okay, there's a problem, how do I clean it up?

747

00:36:13,520 --> 00:36:17,940

That's where it's depressing because I don't know how to clean it up.

748

00:36:18,020 --> 00:36:21,440

I don't know of any research indicating how we clean it up.

749

00:36:21,520 --> 00:36:24,940

Our cleanup methods currently are sort of bury it or hide it

750

00:36:25,020 --> 00:36:27,940

or just let it go for a long time

751

00:36:28,020 --> 00:36:30,440

and hopefully it'll decay and disappear.

752

00:36:30,520 --> 00:36:32,940

The problem is the average person on the street

753

00:36:33,020 --> 00:36:36,940

is not well enough informed to get worried about it.

754

00:36:36,940 --> 00:36:39,860

If people could become educated about the potential threats

755

00:36:39,940 --> 00:36:42,360

to their health and that of their family and children,

756

00:36:42,440 --> 00:36:45,860

then that's probably a way to get them more involved.

757

00:36:45,940 --> 00:36:51,860

Since humankind began, there has never been a time

758

00:36:51,940 --> 00:36:54,360

of global peace and understanding.

759

00:36:54,440 --> 00:36:56,860

Political, philosophical and religious differences

760

00:36:56,940 --> 00:36:59,360

continue to divide nations.

761

00:36:59,440 --> 00:37:01,860

But perhaps Gaia's ultimate gift to us

762

00:37:01,940 --> 00:37:05,860

will be a global peace created by the universal battle

763

00:37:05,860 --> 00:37:08,280

to save this planet.

764

00:37:08,360 --> 00:37:10,780

Next, if extraterrestrials don't exist,

765

00:37:10,860 --> 00:37:14,780

why do government agencies have plans for UFO emergencies?

766

00:37:14,860 --> 00:37:18,280

Our guiding principles basically protect the populace.

767

00:37:21,360 --> 00:37:23,780

If, as the U.S. government maintains,

768

00:37:23,860 --> 00:37:25,780

flying saucers don't exist,

769

00:37:25,860 --> 00:37:27,780

why are there government protocols

770

00:37:27,860 --> 00:37:30,780

about what to do in the event of a UFO crash?

771

00:37:30,860 --> 00:37:32,780

If there is no threat,

772

00:37:32,860 --> 00:37:34,780

why do disaster preparedness manuals

773

00:37:34,780 --> 00:37:37,700

used by the Federal Emergency Management Agency

774

00:37:37,780 --> 00:37:39,700

include information about what to do

775

00:37:39,780 --> 00:37:43,700

in the event of an extraterrestrial encounter?

776

00:37:43,780 --> 00:37:47,200

Star date, 2317.4.

777

00:37:47,280 --> 00:37:51,200

Encounter with a civilization unknown to the Federation.

778

00:37:51,280 --> 00:37:52,700

Proceed with extreme caution.

779

00:37:52,780 --> 00:37:57,200

And above all, do not interfere with this newfound society.

780

00:37:57,280 --> 00:38:00,200

That's UFO Protocol Star Trek style,

781

00:38:00,280 --> 00:38:02,700

where men and women boldly go in search

782

00:38:02,700 --> 00:38:05,120

of life beyond our planet.

783

00:38:05,200 --> 00:38:07,120

Star date, 1995.

784

00:38:07,200 --> 00:38:10,620

Encounter with a UFO unknown to the United States government.

785

00:38:10,700 --> 00:38:12,620

Since the possibility cannot be ignored

786

00:38:12,700 --> 00:38:14,620

that UFOs reported may be hostile,

787

00:38:14,700 --> 00:38:17,620

it is imperative that sightings be reported rapidly,

788

00:38:17,700 --> 00:38:20,620

factually, and as completely as possible.

789

00:38:20,700 --> 00:38:22,620

This is not another prime directive

790

00:38:22,700 --> 00:38:24,620

from the fantasy world of Star Trek.

791

00:38:24,700 --> 00:38:27,620

It is official United States Air Force UFO Protocol

792

00:38:27,700 --> 00:38:31,620

taken directly from the pages of this operations manual.

793

00:38:31,620 --> 00:38:34,540

And the Air Force is not the only Federal Agency

794

00:38:34,620 --> 00:38:36,540

with a written policy on close encounters.

795

00:38:36,620 --> 00:38:39,540

We tell them, don't touch, don't come in contact with,

796

00:38:39,620 --> 00:38:42,540

isolate, be friendly, be solicitous,

797

00:38:42,620 --> 00:38:44,540

display no hostility,

798

00:38:44,620 --> 00:38:46,540

and take very good precaution

799

00:38:46,620 --> 00:38:50,540

that we do not become involved if we do not have to.

800

00:38:50,620 --> 00:38:54,540

William Kramer is a district fire chief in Cincinnati, Ohio,

801

00:38:54,620 --> 00:38:56,540

who has literally written the book

802

00:38:56,620 --> 00:38:58,540

on what to do in the event of a UFO crash.

803

00:38:58,620 --> 00:39:01,540

It's part of the Fire Officers' Guide to Disaster Control.

804

00:39:01,620 --> 00:39:04,540

A training manual used in all 50 states

805

00:39:04,620 --> 00:39:06,540

and reportedly endorsed by FEMA.

806

00:39:06,620 --> 00:39:09,540

As far as we know, this is the first time this subject,

807

00:39:09,620 --> 00:39:12,540

subject of unidentified flying objects

808

00:39:12,620 --> 00:39:15,540

has actually been incorporated into a larger,

809

00:39:15,620 --> 00:39:18,540

full-length text that's being used in a very serious way

810

00:39:18,620 --> 00:39:20,540

by the nation's fire officials.

811

00:39:20,620 --> 00:39:22,540

But why does Chief Kramer believe

812

00:39:22,620 --> 00:39:24,540

that a chapter on flying saucers

813

00:39:24,620 --> 00:39:26,540

is essential to his disaster training textbook?

814

00:39:26,620 --> 00:39:29,540

One of the reasons is the obvious real panic

815

00:39:29,540 --> 00:39:32,460

that exists when people feel they're being threatened

816

00:39:32,540 --> 00:39:35,460

by some unexplained phenomenon, including UFOs.

817

00:39:35,540 --> 00:39:37,460

It's very possible that an alien visitor

818

00:39:37,540 --> 00:39:40,460

could wreak some sort of havoc in a given populace.

819

00:39:40,540 --> 00:39:42,460

When sightings ask FEMA,

820

00:39:42,540 --> 00:39:44,460

the Federal Emergency Management Agency,

821

00:39:44,540 --> 00:39:47,460

to comment on the manual's Chapter 13, the UFO chapter,

822

00:39:47,540 --> 00:39:49,460

their response was typically terse.

823

00:39:49,540 --> 00:39:51,460

Stating FEMA does not endorse

824

00:39:51,540 --> 00:39:54,460

or embrace the information in that chapter.

825

00:39:54,540 --> 00:39:56,460

But sightings has learned, through FEMA's own

826

00:39:56,540 --> 00:39:58,460

Disaster Defense Planning Guide,

827

00:39:58,460 --> 00:40:01,380

that the agency not only assigns Chapter 13

828

00:40:01,460 --> 00:40:04,380

of the Disaster Control Manual as required reading,

829

00:40:04,460 --> 00:40:08,380

but also tests its own disaster officials on its contents.

830

00:40:08,460 --> 00:40:11,380

One of the reasons there's probably a government cover-up

831

00:40:11,460 --> 00:40:13,380

is that the whole world order would change

832

00:40:13,460 --> 00:40:16,380

if we suddenly realized we are not alone.

833

00:40:16,460 --> 00:40:19,380

Our entire social order is based on the fact

834

00:40:19,460 --> 00:40:22,380

that we are the whole sum total of life's existence

835

00:40:22,460 --> 00:40:24,380

right here on this planet.

836

00:40:24,460 --> 00:40:27,380

The wholesale disruption of planet Earth

837

00:40:27,380 --> 00:40:32,300

would be the ultimate foreign policy disaster.

838

00:40:32,380 --> 00:40:34,300

According to investigator George Knapp,

839

00:40:34,380 --> 00:40:36,300

it is a possibility that did not escape

840

00:40:36,380 --> 00:40:40,300

the attention of at least one former president.

841

00:40:40,380 --> 00:40:41,300

It's very curious.

842

00:40:41,380 --> 00:40:44,300

I know of three speeches in particular that he made.

843

00:40:44,380 --> 00:40:46,300

Some say it's as high as five,

844

00:40:46,380 --> 00:40:48,300

in which he says, wouldn't it be something

845

00:40:48,380 --> 00:40:50,300

if we were suddenly threatened by some alien force

846

00:40:50,380 --> 00:40:52,300

we'd all get together?

847

00:40:52,380 --> 00:40:54,300

And of course, he's making this statement to Gorbachev.

848

00:40:54,380 --> 00:40:56,300

He made it to the United Nations.

849

00:40:56,300 --> 00:40:59,220

What kind of message was he trying to get across?

850

00:40:59,300 --> 00:41:02,220

I have a hard time believing that it's just a coincidence.

851

00:41:02,300 --> 00:41:05,220

While President Reagan may have hinted at the possibility

852

00:41:05,300 --> 00:41:07,220

of alien spacecraft,

853

00:41:07,300 --> 00:41:10,220

other federal agencies have not been so circumspect.

854

00:41:10,300 --> 00:41:13,220

UFO protocols do not stop with the Air Force and FEMA.

855

00:41:13,300 --> 00:41:16,220

The FAA, the Federal Aviation Administration,

856

00:41:16,300 --> 00:41:18,220

has its own guidelines.

857

00:41:18,300 --> 00:41:21,220

And NASA must abide by a little-known federal law

858

00:41:21,300 --> 00:41:23,220

that any astronaut who comes in contact

859

00:41:23,220 --> 00:41:27,140

with an extraterrestrial must be quarantined.

860

00:41:27,220 --> 00:41:30,140

We know for a fact that there are various forms of radiation

861

00:41:30,220 --> 00:41:32,140

that exist in outer space.

862

00:41:32,220 --> 00:41:34,140

It's very possible that a visitor from outer space

863

00:41:34,220 --> 00:41:37,140

could bring this type of radiation to this country.

864

00:41:37,220 --> 00:41:39,140

There is, in fact, a national law that mandates

865

00:41:39,220 --> 00:41:42,140

the quarantining of any astronaut or other person

866

00:41:42,220 --> 00:41:44,140

who has actually encountered

867

00:41:44,220 --> 00:41:47,140

some sort of an unidentified flying object

868

00:41:47,220 --> 00:41:50,140

or has been involved in some sort of an encounter

869

00:41:50,220 --> 00:41:52,140

that's out of the ordinary.

870

00:41:52,140 --> 00:41:54,060

You fly in space,

871

00:41:54,140 --> 00:41:58,060

the more you see an incredible amount of things out there.

872

00:41:58,140 --> 00:42:01,060

Spaceflight itself broadens your horizons to the point

873

00:42:01,140 --> 00:42:05,060

which you kind of open up to possibilities.

874

00:42:05,140 --> 00:42:09,060

Dr. Story Musgrave has been a NASA scientist

875

00:42:09,140 --> 00:42:11,060

and astronaut for 27 years

876

00:42:11,140 --> 00:42:14,060

and is a veteran of five space shuttle missions.

877

00:42:14,140 --> 00:42:16,060

He believes that UFO protocols are in place

878

00:42:16,140 --> 00:42:19,060

not because we have already been visited

879

00:42:19,140 --> 00:42:22,060

but because, eventually, we will be.

880

00:42:22,140 --> 00:42:24,060

That's what spaceflight is about.

881

00:42:24,140 --> 00:42:26,060

It's about exploration.

882

00:42:26,140 --> 00:42:29,060

It's about pursuit, discovery of the unknown.

883

00:42:29,140 --> 00:42:33,060

I can see no reason that that would be classified in any way

884

00:42:33,140 --> 00:42:35,060

and I wouldn't let it be.

885

00:42:38,060 --> 00:42:41,060

These UFO protocols are based on the assumption

886

00:42:41,140 --> 00:42:44,060

that a UFO contact will be a threat,

887

00:42:44,140 --> 00:42:47,060

be belligerent and will cause widespread panic.

888

00:42:47,140 --> 00:42:50,060

But what if the UFOs come in peace?

889

00:42:50,060 --> 00:42:51,980

Will we be as prepared to welcome them

890

00:42:52,060 --> 00:42:54,980

as we are to declare war?

891

00:42:58,980 --> 00:43:00,980
