00:00:00,000 --> 00:00:10,800

Is this barn really a grave site full of ghosts?

2

00:00:10,800 --> 00:00:12,360

Somebody was there looking at us.

4

00:00:15,080 --> 00:00:18,360

When we go into the buildings, we would get the door slamming shut.

5

00:00:18,360 --> 00:00:21,000

The lost souls of the haunted farm.

6

00:00:21,000 --> 00:00:24,720

Plus, a near tragic plane crash took her to Death's Edge.

7

00:00:24,720 --> 00:00:27,720

She says her family's spirits encouraged her to live.

8

00:00:27,720 --> 00:00:29,960

She turned to me and said, we're now it's time to go back.

What happened to the lost souls of the haunted farm on sightings?

20

00:01:11,720 --> 00:01:13,720

Somebody was there looking at us.

21

00:01:13,720 --> 00:01:15,720

What happened to the lost souls of the haunted farm?

22

00:01:15,720 --> 00:01:17,720

Find out on the next sightings.

23

00:01:17,720 --> 00:01:20,720

When we go into the buildings, we would get the door slamming shut.

24

00:01:20,720 --> 00:01:23,720

When we go into the buildings, we would get the door slamming shut.

25

00:01:23,720 --> 00:01:25,720

When we go into the buildings, we would get the door slamming shut.

26

00:01:25,720 --> 00:01:27,720

When we go into the buildings, we would get the door slamming shut.

27

00:01:27,720 --> 00:01:29,720

When we go into the buildings, we would get the door slamming shut.

28

00:01:29,720 --> 00:01:31,720

When we go into the buildings, we would get the door slamming shut.

29

00:01:31,720 --> 00:01:33,720

When we go into the buildings, we would get the door slamming shut.

30

00:01:33,720 --> 00:01:35,720

When we go into the buildings, we would get the door slamming shut.

31

00:01:35,720 --> 00:01:37,720

When we go into the buildings, we would get the door slamming shut.

32

00:01:37,720 --> 00:01:39,720

When we go into the buildings, we would get the door slamming shut.

33

00:01:39,720 --> 00:01:41,720

When we go into the buildings, we would get the door slamming shut.

34

00:01:41,720 --> 00:01:43,720

When we go into the buildings, we would get the door slamming shut.

35

00:01:43,720 --> 00:01:45,720

When we go into the buildings, we would get the door slamming shut.

36

00:01:45,720 --> 00:01:47,720

When we go into the buildings, we would get the door slamming shut.

37

00:01:48,720 --> 00:01:50,720

When we go into the buildings, we would get the door slamming shut.

38

00:02:13,720 --> 00:02:15,720

She turned to me and said, it's turn to go back.

39

00:02:17,720 --> 00:02:24,720

Somebody was there looking at us.

40

00:02:24,720 --> 00:02:37,720

When we go into the buildings we would get the door slamming shut.

41

00:02:37,720 --> 00:02:53,720

Somebody was there looking at us.

42

00:02:53,720 --> 00:03:08,720

Somebody was there looking at us.

43

00:03:08,720 --> 00:03:30,720

Somebody was there looking at us.

44

00:03:30,720 --> 00:03:48,720

On this edition of sightings, for Ray Nell and Terry Wallace, a second honeymoon became a hellish nightmare.

45

00:03:48,720 --> 00:03:53,720

Now, their miraculous story of life and death.

46

00:03:53,720 --> 00:03:57,720

Why is the government quietly buying land around its most secret military base?

47

00:03:57,720 --> 00:04:01,720

Everyone's heard of Ray 51 now because they took this public action.

48

00:04:01,720 --> 00:04:06,720

Then, something is happening on this old Nebraska farm that residents can't explain.

49

00:04:06,720 --> 00:04:11,720

Every time we seem to put an animal in there, they die.

50

00:04:11,720 --> 00:04:17,720

There's something in the air over the Holy Land and investigators feel it's not of this world.

51

00:04:17,720 --> 00:04:24,720

This soil appeared to be melting and there is no explanation. This does not occur in nature.

52

00:04:24,720 --> 00:04:29,720

And scientific evidence that could prove werewolves are real.

53

00:04:54,720 --> 00:04:59,720

Welcome to sightings. I'm Tim White.

54

00:04:59,720 --> 00:05:04,720

At the turn of the century, going to the poor farm was more than just an expression.

55

00:05:04,720 --> 00:05:10,720

It was a real place where destitute families, the sick and the mentally ill were given shelter.

56

00:05:10,720 --> 00:05:14,720

Some of the old poor farms still exist today, mostly as tourist attractions.

57

00:05:14,720 --> 00:05:18,720

One of them in rural Nebraska was turned into a private home.

58

00:05:18,720 --> 00:05:21,720

And every family who's lived there tells the same story.

59

00:05:21,720 --> 00:05:26,720

The farm is haunted.

60

00:05:30,720 --> 00:05:38,720

Perched on a windy Nebraska hillside, this homestead is one of the few remaining landmarks of the Great Land Brush of the late 1800s.

61

00:05:38,720 --> 00:05:45,720

And its inevitable result, an underclass of poor and needy pioneers whose American dream had turned sour.

62

00:05:45,720 --> 00:05:55,720

It was built in 1884 as a poor farm and for 56 years it was a temporary home for more than 400 people who lived and worked here.

63

00:05:55,720 --> 00:06:01,720

Tramps came when they had frozen feet. Old people came when they had no place to retire.

64

00:06:01,720 --> 00:06:06,720

People came in when they were sick. Often they came to the poor farm to die.

65

00:06:06,720 --> 00:06:11,720

In 1940, the poor farm was shut down and sold off.

66

00:06:11,720 --> 00:06:19,720

Among its early tenants was Jerry Clousen, who first rented the property in 1960 when her son, Stan, was just 7 years old.

67

00:06:19,720 --> 00:06:25,720

As soon as the Clousen settled into the main house, they felt an eerie sense that they were not alone.

68

00:06:25,720 --> 00:06:33,720

We could be sitting there watching TV and all of a sudden we'd look and there was a dark shadow peeking around the doorway like somebody was there looking at us, you know?

69

00:06:33,720 --> 00:06:38,720

And it'd be there for just a few seconds and we'd get up and go look and there was nothing there.

70

00:06:38,720 --> 00:06:43,720

The things that happened out here, those are things that live with you forever. You don't forget them.

71

00:06:43,720 --> 00:06:49,720

The haunting activity seemed worse at night. Jerry's three children would not venture outside.

72

00:06:49,720 --> 00:06:53,720

Inside, they would not be alone in any one room even for a second.

73

00:06:53,720 --> 00:06:57,720

A strange and frightening presence was disrupting their lives.

74

00:06:57,720 --> 00:07:05,720

Sometimes we'd hear a car like out in that little lane and running out there, but we'd look out. There was no car to be seen.

75

00:07:05,720 --> 00:07:10,720

Out in the barn, the lights would go on for no reason at all because we never used the barn.

76

00:07:10,720 --> 00:07:14,720

The light would come on and then after a little while the light would go back off again.

77

00:07:14,720 --> 00:07:18,720

Like somebody was just standing there flicking the switch on, flicking the switch off.

78

00:07:18,720 --> 00:07:22,720

And the kids would say, Mom, aren't you going to go down and see why that light is going to scare them?

79

00:07:22,720 --> 00:07:29,720

I said, there's no way I'll go down to that barn. Never went.

80

00:07:29,720 --> 00:07:37,720

After only eight months, the Klausens moved out. They were the last in a long string of tenants who had come but not settled into the old poor farm.

81

00:07:37,720 --> 00:07:45,720

The property sat vacant for the next 30 years. The main house was condemned then demolished. The old barn was overtaken by weeds.

82

00:07:45,720 --> 00:07:50,720

Then in 1989, Kathy and Ray Draupridge bought the decaying property.

83

00:07:50,720 --> 00:07:55,720

They were disenchanted city dwellers who wanted to bring up their daughter, Sarah, in a rural environment.

84

00:07:55,720 --> 00:08:02,720

To them, the dilapidated poor farm didn't seem to have any problems. A lot of sweat and a new coat of paint couldn't cure.

85

00:08:02,720 --> 00:08:09,720

The real estate man on the way just mentioned that it had been an old poor farm and we didn't think anything of it. We didn't know what that was.

86

00:08:09,720 --> 00:08:14,720

We just made a joke out of it and thought it was a good place for us.

87

00:08:14,720 --> 00:08:20,720

Working weekends, Kathy and Ray spent two years clearing the land and renovating the old buildings.

88

00:08:20,720 --> 00:08:26,720

They experienced some haunting activity then, but dismissed it as the product of their overactive imaginations.

89

00:08:26,720 --> 00:08:35,720

It wasn't until they assembled a modular home on the foundations of the old poor farm's infirmary that the ghostly incidents became impossible to ignore.

90

00:08:35,720 --> 00:08:41,720

When we go into the buildings, we would get the door slamming shut, feelings of being watched.

91

00:08:41,720 --> 00:08:44,720

Strong enough that you'd actually leave the building to see if someone had pulled in.

92

00:08:44,720 --> 00:08:50,720

It was the same ghostly car crunching on the gravel that Jerry Clousen remembered here in 30 years ago.

93

00:08:50,720 --> 00:08:58,720

It is so real sounding. I have even gone out onto the porch thinking that maybe it's on the road and I'm just not seeing it.

94

00:08:58,720 --> 00:09:03,720

At first, the isolated incidents were curious, but not particularly threatening.

95

00:09:03,720 --> 00:09:07,720

Then, when the family moved in for good, things changed.

96

00:09:07,720 --> 00:09:14,720

We'd come home from work and the thermostat would be on full all the way up. The house would just be cooking.

97

00:09:14,720 --> 00:09:23,720

First, we blamed our daughter, but it was happening several days in a row. The back door would be locked, the house would be secure, we'd go to work, we'd come home.

98

00:09:23,720 --> 00:09:26,720

The back door would still be locked, but it'd be swinging open.

99

00:09:26,720 --> 00:09:35,720

The haunting activity escalated and Kathy claims it took a destructive turn when Ray was attacked by an unseen force while trying to clear some brush.

100

00:09:35,720 --> 00:09:44,720

He was a little frustrated by then and started to do a little cussing and got a little agitated and he suddenly bent over with a sharp pain in his side.

101

00:09:44,720 --> 00:09:49,720

When he looked down, Ray found an L-shaped tear in his brand new shirt.

102

00:09:49,720 --> 00:09:57,720

The next day at work, my husband doubled over in pain. He went to the doctor, he did an x-ray and they saw something on his side.

103

00:09:57,720 --> 00:10:00,720

Told him it was a kidney stone to go home.

104

00:10:00,720 --> 00:10:06,720

A couple days later, he was feeling better, he had to have another x-ray and it was gone.

105

00:10:06,720 --> 00:10:11,720

Kathy came to believe that the ghosts of the past were somehow trying to reach out to the present.

106

00:10:11,720 --> 00:10:18,720

She began to research the poor farm's history, searching for clues to the identity of the haunting presence.

107

00:10:18,720 --> 00:10:21,720

Caring for people, she was...

108

00:10:21,720 --> 00:10:28,720

Sightings asked paranormal investigator Peter James to visit the drawbridge home and give the family his psychic impressions of the site.

109

00:10:28,720 --> 00:10:34,720

He was told nothing of the property's history or the experiences of its many occupants.

110

00:10:34,720 --> 00:10:41,720

I'm getting a sense that there is a female in this house and I have a feeling her name is Sarah.

111

00:10:41,720 --> 00:10:55,720

And I feel that she was very much in control and very powerful female, is what I feel, along with her other domestic duties that she performed.

112

00:10:55,720 --> 00:10:59,720

Peter sensed that Sarah liked the warm family feeling in the house.

113

00:10:59,720 --> 00:11:02,720

And Sarah tells me I'm not leaving, I'm not leaving.

114

00:11:02,720 --> 00:11:07,720

Peter did not know that Sarah had already made her presence known to the family.

115

00:11:07,720 --> 00:11:12,720

One night my husband and I were sitting watching a... evening news.

116

00:11:12,720 --> 00:11:20,720

And all of a sudden he glanced towards the hallway and turned back and immediately got goosebumps and was like, oh my god, there's someone in the bedroom.

117

00:11:20,720 --> 00:11:23,720

Division he saw was so real, so clear of a woman.

118

00:11:23,720 --> 00:11:29,720

Peter also felt a strong ghostly presence in the farm's old subterranean ice house.

119

00:11:29,720 --> 00:11:32,720

This is where the dead were prepared for burial.

120

00:11:32,720 --> 00:11:38,720

There was also a cook that...

121

00:11:40,720 --> 00:11:42,720

Do you know if there was the person of color here?

122

00:11:42,720 --> 00:11:43,720

Yes.

123

00:11:43,720 --> 00:11:48,720

Kathy compared Peter's psychic impressions with the historical information she had already collected.

124

00:11:48,720 --> 00:11:52,720

There were two Sarah's, but neither was a cook.

125

00:11:52,720 --> 00:11:57,720

Then Kathy remembered a letter she'd received from the farm supervisor's son.

126

00:11:57,720 --> 00:12:02,720

He wrote of his fond childhood memories of a cook who lived on the farm for many years.

127

00:12:02,720 --> 00:12:04,720

She was very close to the family.

128

00:12:04,720 --> 00:12:09,720

She was a slave when she was 12 years old, so she told them.

129

00:12:09,720 --> 00:12:12,720

And she helped in the kitchen until she got too old.

130

00:12:12,720 --> 00:12:13,720

They called her Auntie.

131

00:12:13,720 --> 00:12:19,720

Auntie had her own bedroom on the main floor close to the kitchen, and that is where she died.

132

00:12:19,720 --> 00:12:21,720

Auntie's real name was Sarah.

133

00:12:21,720 --> 00:12:23,720

There it is. It's right here on her card.

134

00:12:23,720 --> 00:12:25,720

That's her first name. We're giving a name with Sarah.

135

00:12:25,720 --> 00:12:28,720

It was just like, this is it. It just clicked.

136

00:12:28,720 --> 00:12:30,720

This is her.

137

00:12:30,720 --> 00:12:33,720

Peter was also drawn to the old stable.

138

00:12:33,720 --> 00:12:39,720

He didn't know that in this last doorway, the family had already experienced a terrifying encounter of their own,

139

00:12:39,720 --> 00:12:42,720

and yet this is where Peter stopped.

140

00:12:42,720 --> 00:12:51,720

Now here, here, here I'm getting a lot of resistance.

141

00:12:51,720 --> 00:12:57,720

Here I'm getting like, I shouldn't go in there, but I'm getting a lot of resistance here.

142

00:12:57,720 --> 00:13:02,720

Listen, listen. Hello? Who's here?

143

00:13:02,720 --> 00:13:06,720

It was here that Sarah and Kathy had seen the shadows of a tall man.

144

00:13:06,720 --> 00:13:11,720

This person died within this vicinity.

145

00:13:11,720 --> 00:13:19,720

Um, was someone who was very aggressive and very forceful, and the others tried to separate him

from the rest.

146

00:13:19,720 --> 00:13:27,720

The corner always seems dark, and every time we seem to put an animal in there, they die.

147

00:13:27,720 --> 00:13:31,720

We use it for storage. I mean, I got tired of washing the blood off the walls.

148

00:13:31,720 --> 00:13:35,720

Time after time, Peter's impressions matched known history.

149

00:13:35,720 --> 00:13:45,720

Whoa! It also feels like there might have been maybe a temporary burial ground back here somewhere.

150

00:13:45,720 --> 00:13:53,720

They may have at one time buried the deceased and then dug them up and moved them.

151

00:13:53,720 --> 00:13:56,720

The next day, Kathy showed sightings, these pictures.

152

00:13:56,720 --> 00:14:01,720

The farm's burial ground had been only a few yards away from where Peter was standing.

153

00:14:01,720 --> 00:14:09,720

The graves had been empty since 1955, when the state had moved all the remains to a mass plot in a municipal cemetery.

154

00:14:09,720 --> 00:14:22,720

I feel that an entire family of about seven people in particular, um, lost their lives here some time ago.

155

00:14:22,720 --> 00:14:29,720

And it feels like they were stricken with either cholera or typhus or typhoid.

156

00:14:29,720 --> 00:14:36,720

In the registry, Kathy pointed out that in 1894, the entire Underwood family died of typhoid in the old infirmary.

157

00:14:36,720 --> 00:14:43,720

Naturally, it was a mother-father, two daughters and a son. So it was very close.

158

00:14:43,720 --> 00:14:50,720

Despite their experiences, the Drowbridge family continues to restore the old poor farm and share its rich history with others.

159

00:14:50,720 --> 00:14:53,720

Peter James believes this will please the spirits.

160

00:14:53,720 --> 00:15:00,720

Our theory is that the farm is actually starting to come back to life. There's no way I'd leave.

161

00:15:00,720 --> 00:15:06,720

I feel total responsibility to the people who lived here and the land.

162

00:15:06,720 --> 00:15:11,720

During Peter James' tour, Kathy Drowbridge took notes on Peter's psychic impressions.

163

00:15:11,720 --> 00:15:17,720

She has since researched many of the names and descriptions Peter felt in the house and on the farm.

164

00:15:17,720 --> 00:15:28,720

Through state and county records, Kathy has confirmed the actual existence of many of the people that Peter claimed to be in spiritual contact with during his investigation.

165

00:15:28,720 --> 00:15:34,720

Next, whatever landed on Israel's Shikmona Beach left behind some very peculiar evidence.

166

00:15:34,720 --> 00:15:38,720

To my astonishment, the soil appeared to be melting.

167

00:15:38,720 --> 00:15:54,720

On a previous edition of Sightings, we brought you the story of three women in Israel, all of whom claimed to have had contact with an extraterrestrial being.

168

00:15:54,720 --> 00:16:00,720

Sightings investigated evidence at the scene, including crop circles and mysterious silicon shards.

169

00:16:00,720 --> 00:16:09,720

And the investigative team learned that this was not the only case in which physical evidence could be found after a UFO sighting in the Holy Land.

170

00:16:14,720 --> 00:16:20,720

In the annals of modern UFO hotspots, Israel has been a blank page.

171

00:16:20,720 --> 00:16:30,720

When I researched my book, the only public mention of UFOs that I found were from 1952, from Haifa. There were two sightings.

172

00:16:30,720 --> 00:16:34,720

That is all I could find until Shikmona.

173

00:16:34,720 --> 00:16:44,720

Mary Chameish is an author and journalist who has written about a recent rash of UFO sightings and encounters that began suddenly in 1987.

174

00:16:45,720 --> 00:16:49,720

This is on the evening of Russia's Shona in 1987.

175

00:16:49,720 --> 00:16:56,720

Ami Akhra'i is returning home from Tel Aviv, this home in Kyriac, Bialik near Haifa.

176

00:16:56,720 --> 00:17:00,720

There is a beach called Shikmona just before the slave Haifa.

177

00:17:00,720 --> 00:17:07,720

He sees a red object fly into the air, hover, dip.

178

00:17:08,720 --> 00:17:13,720

Underneath there was a red glowing spot about one and a half meters in diameter.

179

00:17:13,720 --> 00:17:20,720

There were immense flashlights and there was a very loud noise of whirlpool as if a helicopter was going to crash.

180

00:17:20,720 --> 00:17:27,720

He stops his car, gets out of the car, sees the object return and there is a huge flash.

181

00:17:27,720 --> 00:17:34,720

It suddenly disappeared. Only a big red spot remained and in a second it leaped into the sky and vanished.

182

00:17:35,720 --> 00:17:38,720

Ami was shaken by the inexplicable UFO encounter.

183

00:17:38,720 --> 00:17:45,720

He tried to put it behind him to dismiss it as an asteroid or a comet, but something drew him back to the scene.

184

00:17:45,720 --> 00:17:49,720

And in the daylight he found concrete remnants of his experience.

185

00:17:49,720 --> 00:17:57,720

Imagine intense heat burning sand and vegetation in the shape of a UFO.

186

00:17:57,720 --> 00:18:05,720

Inscribed in the right hand corner a clear cut picture of an astronaut in front of the dashboard.

187

00:18:05,720 --> 00:18:13,720

Not only was there an indelible image in the sand, testing that the site revealed the ground itself had taken on unusual properties.

188

00:18:13,720 --> 00:18:20,720

The land was 671 percent more magnetic than usual land.

189

00:18:20,720 --> 00:18:29,720

At the request of sightings, soil samples were taken from the scorched earth at Shikmona Beach for a detailed analysis by biophysicist W.C. Levengood.

190

00:18:29,720 --> 00:18:33,720

His findings confirmed that the ground had new characteristics.

191

00:18:33,720 --> 00:18:43,720

One was sort of astounded by the tremendous change in the ratios of the elements.

192

00:18:43,720 --> 00:18:54,720

For example, ordinary sink was increased 104 times, whereas other elements weren't stayed absolutely the same.

193

00:18:54,720 --> 00:19:03,720

But that finding paled in comparison to what Dr. Levengood found while he was preparing to take a photo micrograph of the soil sample.

194

00:19:04,720 --> 00:19:13,720

As I was adjusting the camera to get the photograph to my astonishment, the soil appeared to be melding.

195

00:19:13,720 --> 00:19:21,720

What I found here was that there was a coating on the soil of a very low melting material.

196

00:19:21,720 --> 00:19:26,720

I have consulted with a geophysicist and there is no explanation.

197

00:19:26,720 --> 00:19:34,720

This does not occur in nature. There is no natural way that this amount of hydrocarbon would be on the soil.

198

00:19:34,720 --> 00:19:43,720

Five months after the Shikmona Beach sighting, just one mile away in the city of Haifa, Rosetta Calfon and her family spotted bizarre lights in the sky.

199

00:19:43,720 --> 00:19:47,720

They were able to film the UFO with a home movie camera.

200

00:19:47,720 --> 00:19:53,720

We were chatting and suddenly my sister looked up towards the window and saw a glittering light in the air.

201

00:19:53,720 --> 00:20:00,720

I got up quickly and we both rushed over to the window. I told her, do you know what that is? That is a UFO.

202

00:20:00,720 --> 00:20:11,720

The light was golden, like nothing I've ever seen in my life. A real light beam radiating out from it. It was shocking, truly shocking.

203

00:20:11,720 --> 00:20:18,720

There was a UFO that stayed there 17 minutes over the sea and then disappeared very quickly until it became small as a star.

204

00:20:18,720 --> 00:20:23,720

You see windows and this is possibly the most outstanding feature.

205

00:20:23,720 --> 00:20:29,720

Certainly in the film you'll see that at the beginning Rafi Malka is clever enough to get background.

206

00:20:29,720 --> 00:20:34,720

There is no mistaking this as part of the features of the hill or the Haifa area.

207

00:20:34,720 --> 00:20:42,720

It's not a natural feature, certainly dangling in the air. It moves, it has lights and it was witnessed by experts.

208

00:20:42,720 --> 00:20:46,720

I believe that it was tremendously documented UFO.

209

00:20:46,720 --> 00:20:55,720

Two years later, in 1991, Yossi Ben-Ma'as was leaving his real estate business in Haifa for his home in nearby Beit Shon.

210

00:20:55,720 --> 00:21:00,720

Suddenly, out of nowhere, he was nearly blinded by a brilliant shaft of light.

211

00:21:03,720 --> 00:21:11,720

There was a huge sheet of light. It was right before my eyes. It was spectacular. It was a very calming light,

212

00:21:11,720 --> 00:21:15,720

so I was afraid it would go to Beit Shon where my friends and family are.

213

00:21:15,720 --> 00:21:22,720

So all of a sudden it changes course as if it was reading my mind, a kind of telepathy between us.

214

00:21:23,720 --> 00:21:27,720

Yossi immediately called the Beit Shon Police Department.

215

00:21:27,720 --> 00:21:37,720

Chief of Police, Yizhak Mordechai is awoken at 3 in the morning, goes outside, sees an enormous object in the air.

216

00:21:37,720 --> 00:21:41,720

It looked a little bit like a boomerang, but it was a shape that I never saw before.

217

00:21:41,720 --> 00:21:50,720

It had a unique power in color, a special glow which was very different from anything I saw before. I didn't know how to react.

218

00:21:50,720 --> 00:21:55,720

He radios in to headquarters, calls the Air Force, says, this is what I got.

219

00:21:55,720 --> 00:22:02,720

They asked for the exact location of the object. I gave them the location and they couldn't find the object on the radar.

220

00:22:02,720 --> 00:22:11,720

Because of Beit Shon's close proximity to the Jordanian border, the Israeli Defense Forces sent 300 troops into the area to track the unidentified craft.

221

00:22:11,720 --> 00:22:19,720

It was dragging a convoy of armed men for three hours on a trail up to the Jordanian border, which is a very sensitive place,

222

00:22:19,720 --> 00:22:22,720

but it seems to know where the Jordanian border is and heads back.

223

00:22:22,720 --> 00:22:27,720

At a quarter to six in the morning, in broad daylight, it disappeared in a flash.

224

00:22:27,720 --> 00:22:36,720

Chameish has developed a controversial theory that these three UFO sightings are part of a pattern dating back to biblical times.

225

00:22:36,720 --> 00:22:47,720

People who have been studying UFOs seriously around the world have reached the consensus that the Bible is a convincing UFO story.

226

00:22:47,720 --> 00:22:55,720

I came to the same conclusion that the Old Testament, from the pillar, the cloud that led the Hebrews out of Egypt,

227

00:22:55,720 --> 00:23:05,720

that glowed at night and stopped the Egyptians all the way through the prophets, were in fact UFO related.

228

00:23:05,720 --> 00:23:16,720

Chameish also believes that stories of alien abductions in Kadima, as reported previously on sightings, are also part of the centuries old pattern.

229

00:23:16,720 --> 00:23:23,720

Shikmona, they were announcing, in black and white, we are here.

230

00:23:23,720 --> 00:23:31,720

At Beit Shahn, they're saying, alright, now we've got five, six hundred of you seeing us, and you can shoot at us if you want.

231

00:23:31,720 --> 00:23:34,720

Kadima was stage three, we want to meet you.

232

00:23:34,720 --> 00:23:41,720

And stage four, according to Chameish, is foretold in a prophetic passage from the Bible.

233

00:23:41,720 --> 00:23:44,720

From Kedim, they shall go up to Jerusalem.

234

00:23:44,720 --> 00:23:52,720

In other words, Kadima is the next hop towards the revelation of the UFOs in Jerusalem.

235

00:23:52,720 --> 00:23:55,720

The investigation in Israel is ongoing.

236

00:23:55,720 --> 00:24:02,720

A sightings team is now following up on late reports of activity in the town of Yatzitz on the Mediterranean Sea.

237

00:24:02,720 --> 00:24:09,720

An eyewitness there claims that he has evidence of UFO contact in the form of mysterious footprints.

238

00:24:09,720 --> 00:24:13,720

Sightings will bring you more on this story after the investigation is complete.

239

00:24:13,720 --> 00:24:18,720

Next, what the U.S. military is doing to keep Area 51 a secret.

240

00:24:18,720 --> 00:24:20,720

If you cross here, they can kill you.

241

00:24:20,720 --> 00:24:24,720

And how medical science explains werewolves.

242

00:24:30,720 --> 00:24:34,720

Here are some of the stories sightings is following in the news.

243

00:24:34,720 --> 00:24:41,720

According to the U.S. government, Area 51, a super secret military testing ground, does not exist.

244

00:24:41,720 --> 00:24:44,720

But they're buying up all the land around it anyway.

245

00:24:46,720 --> 00:24:52,720

Since the 1950s, the United States Air Force has allegedly operated a top secret military testing facility

246

00:24:52,720 --> 00:24:55,720

in this dry lake bed in the southern Nevada desert.

247

00:24:55,720 --> 00:25:03,720

Codenamed Area 51 and Dreamland, the base has long been rumored to be a center for black project research.

248

00:25:03,720 --> 00:25:09,720

Now the U.S. government has begun seizing all the land around a base that does not officially exist.

249

00:25:09,720 --> 00:25:14,720

It is a paradox that has not escaped the attention of dedicated ufologists.

250

00:25:14,720 --> 00:25:17,720

This withdrawal was intended to obscure the secret base.

251

00:25:17,720 --> 00:25:19,720

In fact, it had the opposite effect.

252

00:25:19,720 --> 00:25:23,720

Everyone's heard of Area 51 now because they took this public action.

253

00:25:24,720 --> 00:25:29,720

Glenn Campbell is his self-described Area 51 activist and government watchdog.

254

00:25:29,720 --> 00:25:34,720

He believes the military has initiated the purchase of land where civilians have taken unauthorized photographs.

255

00:25:34,720 --> 00:25:42,720

Freedom Ridge and Whitesides were places where the average citizen could go up and see this non-existent facility.

256

00:25:42,720 --> 00:25:49,720

It's 13 miles away. You can't make out a lot of detail, but you can see hangar as you can see the longest runway in the world.

257

00:25:49,720 --> 00:25:52,720

The reason they gave for this withdrawal is they needed it for the public safety.

258

00:25:52,720 --> 00:25:57,720

They said they needed it to keep people from being hit by airplanes up there, which was plainly ridiculous.

259

00:25:57,720 --> 00:26:03,720

And as the outside perimeter of Area 51 widens, so does the facility's mysterious security net.

260

00:26:03,720 --> 00:26:07,720

When Glenn Campbell led a sightings investigative team to the new boundary,

261

00:26:07,720 --> 00:26:13,720

one of the infamous white Jeep Cherokees driven by men in camouflage fatigues appeared on the ridge.

262

00:26:13,720 --> 00:26:17,720

We're at the new border, Whitesides Mountain.

263

00:26:17,720 --> 00:26:23,720

Used to be able to drive all the way up this road another mile and then another mile hike to the top of that peak

264

00:26:23,720 --> 00:26:26,720

where you had a very clear and simple view of the base.

265

00:26:26,720 --> 00:26:31,720

We've got the same new signs here. If you cross here, they can kill you.

266

00:26:34,720 --> 00:26:36,720

Are werewolves real?

267

00:26:36,720 --> 00:26:42,720

At Baylor College of Medicine in Houston, Texas, geneticists may have found part of the answer.

268

00:26:42,720 --> 00:26:46,720

The legendary image of the werewolf has some basis in medical fact.

269

00:26:46,720 --> 00:26:54,720

Researchers have isolated the gene responsible for a rare condition called congenital generalized hypertrichosis,

270

00:26:54,720 --> 00:26:57,720

causing excessive hair growth on the face and torso.

271

00:26:57,720 --> 00:27:01,720

While this condition may have sparked ancient accounts of werewolves,

272

00:27:01,720 --> 00:27:06,720

modern researchers see CGH as a possible cure for baldness.

273

00:27:10,720 --> 00:27:16,720

One year ago, a white buffalo was born in the small farming community of Jamesville, Wisconsin.

274

00:27:16,720 --> 00:27:20,720

Many Native Americans believe the birth is the fulfillment of an ancient prophecy,

275

00:27:20,720 --> 00:27:23,720

signaling the new age of global harmony.

276

00:27:23,720 --> 00:27:28,720

The last time she came, she showed herself around 600 years ago.

277

00:27:28,720 --> 00:27:34,720

Floyd Hand is a Lakota Sioux medicine man whose Indian name is Looks for Buffalo.

278

00:27:34,720 --> 00:27:41,720

According to legend, in order for the prophecy of hope to come true, the white buffalo must change color.

279

00:27:41,720 --> 00:27:44,720

And that's exactly what she did.

280

00:27:45,720 --> 00:27:48,720

They come with disbelief on her face.

281

00:27:48,720 --> 00:27:53,720

But when they leave, they leave with not what they see, but they take something inside them.

282

00:27:53,720 --> 00:27:57,720

She changed an awful lot of lives. She made an awful lot of people happy.

283

00:27:57,720 --> 00:28:00,720

She was sent here to bring everyone together.

284

00:28:00,720 --> 00:28:07,720

And I guess if you want to say 60,000 people coming up here to see one little furred animal, she's doing her job.

285

00:28:07,720 --> 00:28:15,720

Despite the commercial potential of thousands of visitors to the farm, the hidiers aren't interested in reaping any material benefits.

286

00:28:15,720 --> 00:28:22,720

You'll meet people walking up the driveway here that will recognize who we are, or they'll ask if

we're the owners.

287

00:28:22,720 --> 00:28:26,720

They'll shake your hand and just say thank you and nod the head and walk by.

288

00:28:26,720 --> 00:28:29,720

How much richer can you get than that?

289

00:28:30,720 --> 00:28:36,720

We'll have more stories from the news next time. Now, here's what's coming up on CITES.

290

00:28:36,720 --> 00:28:40,720

Raynell Wallace went through hell and wound up in heaven.

291

00:28:40,720 --> 00:28:43,720

For the first time, I was feeling love.

292

00:28:43,720 --> 00:28:48,720

And these high school students are demanding the government tell the truth about Roswell.

293

00:28:48,720 --> 00:28:52,720

They're covering up stuff that we want to know about. I don't think it's right.

294

00:28:57,720 --> 00:29:04,720

In 1985, Raynell and Terry Wallace were in a near-fatal plane crash that changed their lives forever.

295

00:29:04,720 --> 00:29:10,720

Raynell's body was badly burned, but as she chronicles in her book, the real change in Raynell was not physical.

296

00:29:10,720 --> 00:29:20,720

Citing's correspondent Carla Wall reports that Raynell Wallace was transformed not by the flames that engulfed her airplane, but by spiritual burning within.

297

00:29:25,720 --> 00:29:31,720

The skies over central Utah were anything but foreboding on the morning of October 9th, 1985.

298

00:29:31,720 --> 00:29:37,720

Terry and Raynell Wallace were preparing to board their single-engine beach bonanza for a short 15-minute flight.

299

00:29:37,720 --> 00:29:43,720

The trip was part of a second honeymoon and adventure they hoped would put the spark back in a failing marriage.

300

00:29:43,720 --> 00:29:47,720

Raynell was committed to the flight, despite a series of eerie premonitions.

301

00:29:47,720 --> 00:29:53,720

He says it's just a short flight. We'll rent a car and drive home. That could happen in 15 minutes.

302

00:29:53,720 --> 00:29:56,720

Ten minutes into the flight, Raynell's question was answered.

303

00:29:56,720 --> 00:30:01,720

A violent storm blew in and the plane crashed into a snow-shrouded mountain.

304

00:30:01,720 --> 00:30:06,720

It was an accident that could have been avoided if Raynell had heeded her inner voice.

305

00:30:06,720 --> 00:30:11,720

When you say you didn't want to go on the trip, was it a premonition that something bad would happen?

306

00:30:11,720 --> 00:30:17,720

Was it a chill down your spine? What was it that made you not want to go?

307

00:30:17,720 --> 00:30:24,720

It was a small whispering and I think that's how they come. You know, I think the spirit within us comes in small whispering.

308

00:30:24,720 --> 00:30:31,720

I had had a vision the night before. It was real clear. It was real prominent. I woke up in the middle of the night.

309

00:30:31,720 --> 00:30:35,720

It was what was going to happen the very next day.

310

00:30:35,720 --> 00:30:40,720

I woke up in a cold sweat and I sat up and Terry was sound asleep.

311

00:30:40,720 --> 00:30:44,720

I started getting very panicky and I woke him up and I said, Terry, wake up.

312

00:30:44,720 --> 00:30:48,720

Promise me no matter what happens tomorrow, we're not going to get back in that plane, right?

313

00:30:48,720 --> 00:30:52,720

I think she heard the voices but she didn't pay much heed in it because we're going to be in a plane crash.

314

00:30:52,720 --> 00:30:56,720

It's a beautiful day. There's not a cloud in the sky and we're heading out.

315

00:30:56,720 --> 00:31:00,720

When it started, there was no real reason for concern.

316

00:31:00,720 --> 00:31:08,720

In the morning, Rinell agreed to make the flight from Delta to Provo, Utah where Terry promised they could rent a car and drive the rest of the way home.

317

00:31:08,720 --> 00:31:11,720

But then there was another warning.

318

00:31:11,720 --> 00:31:15,720

Before you even left the hotel, the hotel clerk said something to you. What did she say?

319

00:31:15,720 --> 00:31:24,720

Yeah, we checked out. We went to the front desk. I started talking to her and she says, you're not going to fly today, are you?

320

00:31:24,720 --> 00:31:27,720

And I said, yeah, we're just making a short flight.

321

00:31:27,720 --> 00:31:31,720

And she says, I really don't like the thought of you guys getting in that plane.

322

00:31:31,720 --> 00:31:36,720

She goes, I just have this feeling. I just, rather you didn't go. I'll drive you.

323

00:31:36,720 --> 00:31:41,720

And I thought, no, don't worry about it. We're going to be fine. We're just going to be fine. Don't worry about it.

324

00:31:41,720 --> 00:31:46,720

Despite this unsettling premonition from a concerned stranger, the Wallises took off.

325

00:31:46,720 --> 00:31:50,720

At first it seemed like a perfect day for flying.

326

00:31:50,720 --> 00:31:55,720

All of a sudden the clouds came down and went all the way down to the ground.

327

00:31:55,720 --> 00:31:59,720

And it was though someone had taken a white sheet and just wrapped it tightly around the cockpit.

328

00:31:59,720 --> 00:32:03,720

And the whole area just became like a just massive fog in front of our face.

329

00:32:03,720 --> 00:32:08,720

It's like fingers of clouds just came down and total, almost zero visibility.

330

00:32:08,720 --> 00:32:14,720

And I said, Terry, the ground, it's coming up. The whole horizon was coming right about us.

331

00:32:14,720 --> 00:32:17,720

And I started screaming, the ground is coming up, it's coming up.

332

00:32:17,720 --> 00:32:21,720

And then all of a sudden the mountain was there and that's when I just pulled back up and she started screaming the ground, the ground.

333

00:32:21,720 --> 00:32:29,720

Quickly Terry, right before we nosed in to the mountain, pulled up on the steering column which caused a belly flop against the mountain.

334

00:32:29,720 --> 00:32:34,720

We then started skipping, you know, like a stone on water against the mountain.

335

00:32:34,720 --> 00:32:40,720

As we did, parts of the plane started flying all over the place. The sparks were coming out on the wingtips.

336

00:32:40,720 --> 00:32:50,720

I started to cry. I said, please forgive me for everything I've done. Take care of my kids. Just take care of my kids.

337

00:32:50,720 --> 00:32:58,720

When I got sucked out onto the wingtip, I was completely engulfed in flames. My whole body was completely on fire.

338

00:32:58,720 --> 00:33:04,720

Renille lay immobile on the frozen wreckage. Miraculously, Terry escaped with only burned hands.

339

00:33:04,720 --> 00:33:09,720

At the moment of impact, Terry recalls his own supernatural vision.

340

00:33:09,720 --> 00:33:16,720

I saw what was like a strong muscular hand that was translucent, whitish, goldish, transparent like.

341

00:33:16,720 --> 00:33:20,720

Come like this and I just felt peace and comfort from here that I wasn't going to get smashed.

342

00:33:20,720 --> 00:33:32,720

As I looked over at the flame, Terry stood up inside the flame and he grabbed an invisible hand and he walked directly out of that flame across the wingtip.

343

00:33:32,720 --> 00:33:40,720

I looked up at him amazed because he was unscathed. He says, where's the man that pulled me out, Renille?

344

00:33:45,720 --> 00:33:54,720

With the threat of certain death looming near, Terry knew he had to get Renille off that mountain. It would be a five mile hike in zero visibility.

345

00:33:54,720 --> 00:34:04,720

The skin of my hands were causing me a lot of pain. At one point, I just couldn't take it anymore and I just yanked both of them off and I left them on the ground.

346

00:34:04,720 --> 00:34:05,720

The skin.

347

00:34:05,720 --> 00:34:13,720

So we had to climb the barbed wire fences, basically bare hand, burnt, bare handed and ripped, which was very difficult to do.

348

00:34:13,720 --> 00:34:22,720

And we managed to hike down that way. And that's what was amazing to me is I felt lead. I felt guided which way to go.

349

00:34:22,720 --> 00:34:28,720

Six hours later, the Wallis' found a road which would turn out to be only one mile from the nearest hospital.

350

00:34:28,720 --> 00:34:35,720

Terry flagged down a truck driver who radioed for an ambulance, but soon after it arrived, Renille died.

351

00:34:35,720 --> 00:34:46,720

And all of a sudden, I just let go. And at that moment, I felt peace. And it was quiet.

352

00:34:46,720 --> 00:34:55,720

And then in a quick moment, I was standing up. And as I looked, I could see these nurses all crowded around this gurney.

353

00:34:55,720 --> 00:35:02,720

I saw hand fall off the gurney and it was black and charcoal and I realized whose hand that was.

354

00:35:02,720 --> 00:35:09,720

And then all of a sudden it came black. And the moment it came black, I started seeing colors rushing by me.

355

00:35:09,720 --> 00:35:15,720

And I realized that I was heading somewhere feet first. And I got very frightened.

356

00:35:15,720 --> 00:35:24,720

And I could hear voices talking next to me. And I quickly, in a quick flash, had a life review of my entire life.

357

00:35:24,720 --> 00:35:31,720

It was just circumference all the way around me. And then quickly it got black again. And I got scared.

358

00:35:31,720 --> 00:35:43,720

I got really frightened. And I saw a beam of light coming toward me. And the moment that I looked upon that beam, there was this peace coming from this light.

359

00:35:43,720 --> 00:35:49,720

And quickly within that moment, the light pierced right through my soul.

360

00:35:50,720 --> 00:36:01,720

It pierced directly through me and I was now in it. And I felt all this peace and all this love. It was powerful.

361

00:36:01,720 --> 00:36:15,720

I thought, wow, this is great. It's so white. And as I started to look around in the white, I saw a woman coming from the distance moving toward me.

362

00:36:15,720 --> 00:36:24,720

And she moved toward me. She came and she stood in front of me. And she was beautiful. She had white hair. She was wearing a white dress.

363

00:36:24,720 --> 00:36:39,720

And she called out my name. She says, Ronell. Ronell is Grandma. Grandma? Yes, Ronell is me. She reached out her hand.

364

00:36:40,720 --> 00:36:50,720

Well, now wait a minute. It hit me she had died two years before. Am I dead?

365

00:36:50,720 --> 00:37:02,720

Ronell believed she was experiencing the rarest of all visions, her life after death. And in fact, as the vision enveloped her, Ronell Wallace was declared clinically dead.

366

00:37:02,720 --> 00:37:07,720

Next, Ronell's incredible meeting and message from the afterlife.

367

00:37:07,720 --> 00:37:12,720

She started to whisper, please go back and tell everybody the key is love.

368

00:37:17,720 --> 00:37:27,720

The day of their near-fatal plane crash, Terry and Ronell Wallace were forced to ignore the supernatural signposts that should have kept them off that plane.

369

00:37:27,720 --> 00:37:35,720

After the crash, the paranormal chain of events continued. And as Carla Wall reports, they soon became impossible to ignore.

370

00:37:38,720 --> 00:37:49,720

After her clinical death, Ronell Wallace believed she was guided into a life after death by the brilliant spirit of her grandmother.

371

00:37:49,720 --> 00:37:56,720

You said your grandmother had an important message for you, which was...

372

00:37:56,720 --> 00:37:59,720

To go back and tell everybody the key is love.

373

00:37:59,720 --> 00:38:01,720

What did you mean by that?

374

00:38:01,720 --> 00:38:10,720

I learned that love was not just this emotion that you feel in your body. It is an actual power that empowers your own soul and your own life.

375

00:38:10,720 --> 00:38:15,720

After everything she had said to me, at one point she turned to me and said, Ronell, it's time to go back.

376

00:38:15,720 --> 00:38:27,720

I said, don't. For the first time I was feeling love. All of my life, all I ever wanted to do, and I think all of us basically want this, is to be loved and accepted.

377

00:38:27,720 --> 00:38:33,720

And for the first time in my life, I was feeling it. And doggone it, no one's going to take this away from me.

378

00:38:33,720 --> 00:38:41,720

Ronell remembers that she did not want to return to her physical body until she was shown a vision of her future on Earth.

379

00:38:41,720 --> 00:38:52,720

I saw a young man come from the distance. He was tall, his dark hair and blue eyes. Very handsome.

380

00:38:53,720 --> 00:39:00,720

And he was smiling. And he came and he stood in front of me. And he started to cry.

381

00:39:00,720 --> 00:39:05,720

And he said, Mom, why are you here?

382

00:39:06,720 --> 00:39:15,720

Mom? Nathaniel. He says, I need you, Mom. You have to go back.

383

00:39:15,720 --> 00:39:23,720

At that moment as I looked into his eyes, I realized I needed to set my own selfish needs aside.

384

00:39:23,720 --> 00:39:33,720

I said, I promise you, Nathaniel, I'll give you your chance. I promise. I swear.

385

00:39:34,720 --> 00:39:41,720

She says, Ronell, go back. And she started to let go of my hand.

386

00:39:41,720 --> 00:39:48,720

And she let go of my hand. She started to whisper, please go back and tell everybody the key is love.

387

00:39:48,720 --> 00:39:53,720

Ronell, the key is love. The key is love.

388

00:39:53,720 --> 00:40:01,720

It was then that it got darker and darker and darker until I had come into this hollow body.

389

00:40:01,720 --> 00:40:06,720

And just before I came into it, I could see my hand off to the side of the bed.

390

00:40:06,720 --> 00:40:16,720

And then when my spirit had come into it, I absolutely couldn't stand it. It was an instant pain.

391

00:40:16,720 --> 00:40:23,720

Ronell came back. The memory of the mysterious boy named Nathaniel, who had called her mom, haunted her

392

00:40:23,720 --> 00:40:27,720

and sustained her through years of excruciating physical recovery.

393

00:40:27,720 --> 00:40:36,720

She was a very motivated person who became very goal-oriented and was sure that she was going to beat this,

394

00:40:36,720 --> 00:40:40,720

that she was not going to let this burn injury slow her down.

395

00:40:40,720 --> 00:40:45,720

We have guardian angels that watch over us and help us out whenever we are in need of help.

396

00:40:45,720 --> 00:40:52,720

And I'm sure that Ronell had such assistance to be able to accomplish what she did.

397

00:40:52,720 --> 00:40:58,720

Ronell invited me to accompany her to the side of the plane crash

398

00:40:58,720 --> 00:41:03,720

after ten years' painful memories of the crash caught her by surprise.

399

00:41:03,720 --> 00:41:10,720

It's so funny. I don't believe I could just all come back.

400

00:41:10,720 --> 00:41:14,720

I left myself up here.

401

00:41:14,720 --> 00:41:17,720

You left yourself up here, what do you mean?

402

00:41:17,720 --> 00:41:23,720

The old Ronell is buried still up on this mountain.

403

00:41:23,720 --> 00:41:25,720

You started a new life here?

404

00:41:25,720 --> 00:41:28,720

A new life. A complete new life.

405

00:41:28,720 --> 00:41:36,720

I've made my mistakes along the way, you know, with my new life. But there was a total rebirth.

406

00:41:36,720 --> 00:41:40,720

Ronell survived her ordeal and so did her marriage to Terry.

407

00:41:40,720 --> 00:41:44,720

Somehow it fused us together. The hands were both burnt, they're both fused together.

408

00:41:44,720 --> 00:41:49,720

So we had the same matching mittens where people had their wedding rings and all that.

409

00:41:49,720 --> 00:41:53,720

They match and so what's happened was we kind of got fused.

410

00:41:53,720 --> 00:41:59,720

Today Ronell is living the lessons she believes were taught to her by the spirit of her grandmother.

411

00:41:59,720 --> 00:42:04,720

And recently the mysterious boy who beckoned her back to life came down to earth.

412

00:42:04,720 --> 00:42:08,720

This is Nathaniel Wallace. He's three years old.

413

00:42:08,720 --> 00:42:12,720

Remembering hearing my children's echoes down in the valley and thinking,

414

00:42:12,720 --> 00:42:16,720

that's why I lived. This is the reason.

415

00:42:19,720 --> 00:42:22,720

It's been ten years since the Wallace's fateful plane crash.

416

00:42:22,720 --> 00:42:29,720

In that time Terry and Ronell have given hundreds of public lectures about the importance of listening to the inner voice.

417

00:42:29,720 --> 00:42:34,720

But Ronell and Terry have also spent many private hours in hospitals around the country,

418

00:42:34,720 --> 00:42:38,720

comforting burn victims as only survivors can.

419

00:42:38,720 --> 00:42:45,720

Next, these high school students don't believe it was a weather balloon that crashed in Roswell, New Mexico fifty years ago.

420

00:42:45,720 --> 00:42:48,720

And they're doing something about it.

421

00:42:54,720 --> 00:43:00,720

A grassroots movement is underway to get to the bottom of America's watershed UFO event.

422

00:43:00,720 --> 00:43:05,720

The supposed crash of a flying saucer near Roswell, New Mexico in 1947.

423

00:43:05,720 --> 00:43:14,720

The Roswell Declaration is a one page petition calling for the declassification of any and all government documents relating to the Roswell incident.

424

00:43:14,720 --> 00:43:18,720

So far the Declaration has over twelve thousand signatures.

425

00:43:18,720 --> 00:43:24,720

Eight hundred of those signatures were collected by high school students in one small New Hampshire town.

426

00:43:25,720 --> 00:43:33,720

At first glance you wouldn't think London Dairy, New Hampshire and Roswell, New Mexico shared anything in common.

427

00:43:33,720 --> 00:43:40,720

London Dairy has the look of a Norman Rockwell painting where people have deep roots and traditional American values.

428

00:43:40,720 --> 00:43:47,720

But the teenagers at London Dairy High School are linked to Roswell because of the unlikeliest of events.

429

00:43:47,720 --> 00:43:52,720

A fifty year old UFO mystery that students here think is being covered up.

430

00:43:53,720 --> 00:43:59,720

Students who weren't really together as far as interest in school or friends came together because of this.

431

00:43:59,720 --> 00:44:07,720

It started with an assignment in Stephen Juster's fiction class to try and obtain government documents through the Freedom of Information Act.

432

00:44:07,720 --> 00:44:12,720

It feels like we live in America and we have freedom but we don't.

433

00:44:12,720 --> 00:44:19,720

They're taking that away from us. They're covering up stuff that we want to know about. I don't think it's right.

434

00:44:20,720 --> 00:44:25,720

The students wanted information about the alleged UFO crash near Roswell, New Mexico.

435

00:44:25,720 --> 00:44:36,720

They quickly discovered that the official explanation for the incident didn't seem to warrant the number of still classified documents the government refused to release to the students.

436

00:44:36,720 --> 00:44:44,720

I think that the government is trying to hide something. I don't think it was a weather balloon. I just think there are too many people that saw it.

437

00:44:44,720 --> 00:44:52,720

It seems to me that something incredible did happen. Something landed there that was obviously bigger than just a weather balloon.

438

00:44:52,720 --> 00:44:56,720

Whether it was aliens or not, I'm not really sure.

439

00:44:56,720 --> 00:45:07,720

I thought it was really neat to maybe try and get this uncovered to see if it really was an alien ship that landed or crashed or if it was just something else in the government just didn't want us to know about it.

440

00:45:07,720 --> 00:45:17,720

When Stephen Juster saw that Omni was collecting signatures for a petition demanding the release of classified Roswell documents, he saw a fund and engaging teaching tool for his class.

441

00:45:17,720 --> 00:45:20,720

But the entire student body became involved.

442

00:45:20,720 --> 00:45:26,720

We just kind of thought it was going to just be our little class project and that was it. Turned into a big thing.

443

00:45:26,720 --> 00:45:36,720

Eventually the Roswell project grew beyond Juster's class, beyond London Dairy High School and into every high school in New Hampshire in all more than 800 signatures were collected.

444

00:45:36,720 --> 00:45:48,720

The plan is to send copies of them to all the senators and to all the congressmen and to the president and hopefully get the president to sign and act saying that this material is declassified.

445

00:45:48,720 --> 00:45:59,720

I think if people catch on to what we've done and say, hey, you know, a bunch of 18 year olds made this much of a change, what can we do as a larger group?

446

00:45:59,720 --> 00:46:09,720

I think if it keeps snowballing the way it has, then things are definitely going to change because what can the government do? They can't ignore that many people.

447

00:46:09,720 --> 00:46:18,720

Kent Jeffery, the author of the Roswell Declaration, plans to deliver the petition and a list of signatories to all members of congress and to the White House.

448

00:46:18,720 --> 00:46:25,720

If you're interested in signing the petition, copies of the Roswell Declaration are available through Citing's online service.
