

1

00:00:00,000 --> 00:00:03,000

on this edition of Sightings.

2

00:00:03,000 --> 00:00:06,000

There is a powerful negative force inside Tony Adams' house

3

00:00:06,000 --> 00:00:08,000

that's terrifying her granddaughter.

4

00:00:08,000 --> 00:00:11,000

We have spirits here that aren't willing to leave.

5

00:00:11,000 --> 00:00:15,000

Sightings investigates with Get Tough Psychic, Diana Abbott.

6

00:00:15,000 --> 00:00:18,000

State of mind is essential. Absolutely essential.

7

00:00:18,000 --> 00:00:21,000

There cannot be any fear.

8

00:00:21,000 --> 00:00:24,000

Starting a new video of UFO clusters in Korea

9

00:00:24,000 --> 00:00:27,000

could foretell major Earth changes.

10

00:00:27,000 --> 00:00:32,000

These unknowns appear to be messengers of destiny.

11

00:00:32,000 --> 00:00:36,000

Major David Morehouse was on a fast track to Army stardom

12

00:00:36,000 --> 00:00:38,000

until he became a psychic spy.

13

00:00:38,000 --> 00:00:41,000

One of the worst things that happens to remote viewers

14

00:00:41,000 --> 00:00:45,000

is they develop a messiah complex.

15

00:00:45,000 --> 00:00:49,000

You think you're God? Yeah, you think you're God.

16

00:00:49,000 --> 00:00:53,000

And can near-death experiences cause the blind to see?

17

00:00:53,000 --> 00:00:57,000

What do you think of the near-death experiences cause the blind to see?

18

00:01:24,000 --> 00:01:27,000

Welcome to Sightings. I'm Tim White.

19

00:01:27,000 --> 00:01:31,000

Recently, Sightings conducted a preliminary ghost investigation

20

00:01:31,000 --> 00:01:33,000

inside a Piscataway, New Jersey home.

21

00:01:33,000 --> 00:01:36,000

Since then, the activity has intensified

22

00:01:36,000 --> 00:01:39,000

and the family in the home is at their wit's end.

23

00:01:39,000 --> 00:01:42,000

Sightings returns to the home with a two-pronged approach,

24

00:01:42,000 --> 00:01:45,000

a meeting of the minds between a scientific investigator

25

00:01:45,000 --> 00:01:48,000

and a no-nonsense psychic.

26

00:01:54,000 --> 00:01:57,000

In a quiet New Jersey summer in this house,

27

00:01:57,000 --> 00:02:01,000

three generations of one family are being terrorized

28

00:02:01,000 --> 00:02:04,000

by the haunting activity of a destructive force.

29

00:02:04,000 --> 00:02:08,000

And it is a force that seems to be using this little girl

30

00:02:08,000 --> 00:02:10,000

to communicate its demands.

31

00:02:10,000 --> 00:02:13,000

Baby Alyssa has spoken of two entities,

32

00:02:13,000 --> 00:02:16,000

Bobby, who is evil, and Susie, who is good.

33

00:02:16,000 --> 00:02:19,000

During a previous investigation here,

34

00:02:19,000 --> 00:02:22,000

paranormal researcher Al Rober recorded what he believes

35

00:02:22,000 --> 00:02:24,000

are both spirit voices.

36

00:02:24,000 --> 00:02:27,000

You can hear the female, who's the warning entity,

37

00:02:27,000 --> 00:02:30,000

warning us, saying he's coming upstairs.

38

00:02:35,000 --> 00:02:39,000

A short time later, I hear him saying the baby is staying.

39

00:02:46,000 --> 00:02:50,000

Since that recording, the activity has intensified.

40

00:02:50,000 --> 00:02:53,000

I heard a crash and came out onto the hallway

41

00:02:53,000 --> 00:02:56,000

and saw my picture of the beetles lying on the floor

42

00:02:56,000 --> 00:02:58,000

in the hallway, shattered.

43

00:02:58,000 --> 00:03:01,000

It wasn't normal for a picture to fall that way.

44

00:03:01,000 --> 00:03:04,000

Tony's daughter Yolanda has noticed a marked change

45

00:03:04,000 --> 00:03:06,000

in Alyssa's behavior.

46

00:03:06,000 --> 00:03:10,000

I heard her wake up screaming, and I came upstairs

47

00:03:10,000 --> 00:03:13,000

and she just, she was flipping out.

48

00:03:13,000 --> 00:03:15,000

They asked her what was wrong.

49

00:03:15,000 --> 00:03:18,000

She said, I was scared of the monster.

50

00:03:18,000 --> 00:03:20,000

And I said, what monster?

51

00:03:20,000 --> 00:03:22,000

And she walked off.

52

00:03:22,000 --> 00:03:25,000

Sightings now returns with psychic Diana Abbott,

53

00:03:25,000 --> 00:03:27,000

whose tough love approach to ghosts

54

00:03:27,000 --> 00:03:30,000

has been very successful in other cases.

55

00:03:30,000 --> 00:03:32,000

Oh, whoa.

56

00:03:32,000 --> 00:03:35,000

Is it like you just stepped into the refrigerator?

57

00:03:35,000 --> 00:03:37,000

Yes, but it's more than that.

58

00:03:37,000 --> 00:03:41,000

In the past, sometimes I would hear noises coming from the closet

59

00:03:41,000 --> 00:03:46,000

that would sound something similar to metal in bed.

60

00:03:46,000 --> 00:03:49,000

And I knew it wasn't coming from the basement.

61

00:03:49,000 --> 00:03:51,000

It wasn't coming from upstairs or outside.

62

00:03:51,000 --> 00:03:53,000

It was coming from inside the closet.

63

00:03:53,000 --> 00:03:55,000

Diana agrees.

64

00:03:55,000 --> 00:03:57,000

The closet is a hot spot, but she feels an even stronger force

65

00:03:57,000 --> 00:03:59,000

is present in the basement.

66

00:03:59,000 --> 00:04:01,000

Sometimes when I go into the basement,

67

00:04:01,000 --> 00:04:03,000

I get a very uncomfortable feeling,

68

00:04:03,000 --> 00:04:05,000

because I feel like I'm invading someone else's territory

69

00:04:05,000 --> 00:04:07,000

and someone's watching over my shoulder.

70

00:04:07,000 --> 00:04:10,000

And I get this urgency to leave the downstairs

71

00:04:10,000 --> 00:04:12,000

and come back upstairs.

72

00:04:12,000 --> 00:04:15,000

Oh, there's a lot here. There's a lot here.

73

00:04:15,000 --> 00:04:17,000

This area here.

74

00:04:17,000 --> 00:04:19,000

That's where the closet is.

75

00:04:19,000 --> 00:04:22,000

Okay, as a matter of fact, is that the cat's bowl

76

00:04:22,000 --> 00:04:24,000

that you have back here?

77

00:04:24,000 --> 00:04:26,000

I would not touch that bowl for some time.

78

00:04:26,000 --> 00:04:28,000

That's absorbed a lot of energy.

79

00:04:28,000 --> 00:04:30,000

Don't touch it, just leave it.

80

00:04:30,000 --> 00:04:32,000

But I get female energy behind that.

81

00:04:32,000 --> 00:04:35,000

You've got a female manifested down here somehow.

82

00:04:35,000 --> 00:04:38,000

I don't like this corner at all over here.

83

00:04:38,000 --> 00:04:40,000

Not visiting?

84

00:04:40,000 --> 00:04:42,000

No.

85

00:04:42,000 --> 00:04:44,000

As a matter of fact, I get some pretty solid manifestation.

86

00:04:44,000 --> 00:04:46,000

Has she mentioned anything about seeing something?

87

00:04:46,000 --> 00:04:48,000

Sometimes she'll say the monster.

88

00:04:48,000 --> 00:04:50,000

I would be concerned about it too,

89

00:04:50,000 --> 00:04:53,000

only because this has the ability to make itself sound like a child.

90

00:04:53,000 --> 00:04:55,000

So the intent isn't very positive.

91

00:04:55,000 --> 00:04:57,000

I think that's what's scaring her.

92

00:04:57,000 --> 00:05:00,000

She just doesn't know how to explain it to me.

93

00:05:00,000 --> 00:05:04,000

Because Diana senses the same forces that Al Rober has picked up

94

00:05:04,000 --> 00:05:06,000

with his electronic equipment,

95

00:05:06,000 --> 00:05:08,000

Al asks her to listen to his tapes.

96

00:05:08,000 --> 00:05:12,000

What you'll hear on the first reporting

97

00:05:12,000 --> 00:05:14,000

is you'll hear the baby, Alissa,

98

00:05:14,000 --> 00:05:16,000

in the background making baby noises.

99

00:05:16,000 --> 00:05:21,000

And then you'll hear a female voice calling her by her nickname, Lissy.

100

00:05:30,000 --> 00:05:32,000

The second time that we did a session in the house,

101

00:05:32,000 --> 00:05:34,000

the baby was sleeping upstairs.

102

00:05:34,000 --> 00:05:37,000

And what you'll hear again is a female voice.

103

00:05:37,000 --> 00:05:39,000

And she's calling to us to warn us,

104

00:05:39,000 --> 00:05:42,000

and she's telling us he's coming upstairs.

105

00:05:48,000 --> 00:05:51,000

And finally, the last voice that we were able to capture

106

00:05:51,000 --> 00:05:53,000

is definitely a male voice.

107

00:05:56,000 --> 00:05:59,000

The voices that were heard on that tape

108

00:05:59,000 --> 00:06:01,000

were, as far as I'm concerned, quite easy to identify.

109

00:06:01,000 --> 00:06:03,000

You had the female at the beginning

110

00:06:03,000 --> 00:06:06,000

who was attempting to attract the child,

111

00:06:06,000 --> 00:06:09,000

apparently to the television, by calling it by its nickname.

112

00:06:09,000 --> 00:06:12,000

That's the female ghost who is in the basement

113

00:06:12,000 --> 00:06:14,000

who has a very bad attitude.

114

00:06:14,000 --> 00:06:19,000

The female voice in the middle is the relative who was passed over,

115

00:06:19,000 --> 00:06:20,000

who was a ghost.

116

00:06:20,000 --> 00:06:22,000

She's trying to protect everybody in the house.

117

00:06:22,000 --> 00:06:25,000

The male voice, without question,

118

00:06:25,000 --> 00:06:27,000

is the activity that we experienced upstairs.

119

00:06:27,000 --> 00:06:29,000

Absolutely no question.

120

00:06:29,000 --> 00:06:33,000

Because of Diana's seeming strong connection to the entities here,

121

00:06:33,000 --> 00:06:38,000

the team sets up for another electronic voice phenomenon recording session.

122

00:06:38,000 --> 00:06:42,000

Okay, we'd like to invite any spirits who are in this house right now.

123

00:06:42,000 --> 00:06:45,000

In the past, you've come across and given us the messages.

124

00:06:45,000 --> 00:06:49,000

We'd like to invite you to utilize these microphones, these tape recorders,

125

00:06:49,000 --> 00:06:51,000

and if you need to, this television.

126

00:06:53,000 --> 00:06:56,000

Anybody who wants to communicate this is your last opportunity to do so.

127

00:06:56,000 --> 00:06:58,000

From this point on, after this recording is made,

128

00:06:58,000 --> 00:07:01,000

our intention and our intent and what will occur

129

00:07:01,000 --> 00:07:04,000

is that you will be banished from this property for good.

130

00:07:04,000 --> 00:07:08,000

As if on cue, noises come from Alyssa's room.

131

00:07:08,000 --> 00:07:10,000

Abnormal magnetic energy is present.

132

00:07:10,000 --> 00:07:15,000

Diana begins to instruct Tony in an ancient cleansing ritual.

133

00:07:15,000 --> 00:07:20,000

Take some of this out yourself, on the floor, on the window sill.

134

00:07:20,000 --> 00:07:25,000

You are not to return to this house or to the grounds around this house

135

00:07:25,000 --> 00:07:28,000

or to bother anyone here in this house.

136

00:07:28,000 --> 00:07:30,000

Look at it here on my arm.

137

00:07:30,000 --> 00:07:31,000

See that?

138

00:07:31,000 --> 00:07:32,000

Yep.

139

00:07:32,000 --> 00:07:34,000

Whoa, blew right up.

140

00:07:34,000 --> 00:07:36,000

Breaking up his energy field.

141

00:07:36,000 --> 00:07:41,000

When she was upstairs in the bedroom, you know, there were spikes on a static field meter,

142

00:07:41,000 --> 00:07:44,000

which are somehow associated also with hauntings.

143

00:07:44,000 --> 00:07:47,000

Something is going to happen tonight in a negative manner

144

00:07:47,000 --> 00:07:53,000

because we have a spirit or spirits here that aren't willing to leave.

145

00:07:53,000 --> 00:07:56,000

Diana continues the cleansing in the basement.

146

00:07:56,000 --> 00:07:59,000

There, the force makes its presence known.

147

00:07:59,000 --> 00:08:01,000

Look at the bowl.

148

00:08:01,000 --> 00:08:05,000

It's upside down from where it was when we left it.

149

00:08:05,000 --> 00:08:08,000

Well, she's been making herself known down here.

150

00:08:08,000 --> 00:08:12,000

Tony, this is your home. What do you want to tell her?

151

00:08:12,000 --> 00:08:15,000

I want to tell her to cross over to wherever she's supposed to be.

152

00:08:15,000 --> 00:08:17,000

She doesn't belong here.

153

00:08:17,000 --> 00:08:19,000

And I want her to leave.

154

00:08:19,000 --> 00:08:21,000

From this point on, you are no longer welcome.

155

00:08:21,000 --> 00:08:23,000

You'll no longer be received in this household.

156

00:08:23,000 --> 00:08:25,000

You are dead. It's time to move on.

157

00:08:25,000 --> 00:08:28,000

As far as I'm concerned, she doesn't exist. Good.

158

00:08:28,000 --> 00:08:30,000

She's gone, right?

159

00:08:30,000 --> 00:08:31,000

She's gone.

160

00:08:31,000 --> 00:08:37,000

To help baby Alyssa overcome her fear, Diana has brought a special angel toy.

161

00:08:37,000 --> 00:08:45,000

What this will do is give the entities in this house a less available source of energy to feed off of.

162

00:08:45,000 --> 00:08:48,000

It's going to make her feel more comfortable and a little bit more secure.

163

00:08:48,000 --> 00:08:50,000

And she'd buy herself at night.

164

00:08:50,000 --> 00:08:54,000

And I just have a real strong feeling this is going to help quite a bit.

165

00:08:54,000 --> 00:08:57,000

She doesn't know to tell it to go away.

166

00:08:57,000 --> 00:09:02,000

And I may not be in the room or I may be asleep when it comes to her.

167

00:09:02,000 --> 00:09:09,000

I'm hoping that the angel that Diana gave to me to give to her will help her to deal with it a little better.

168

00:09:09,000 --> 00:09:13,000

Now I'm definitely ready to face it head on.

169

00:09:13,000 --> 00:09:17,000

Extremely strong and not allowing to be here.

170

00:09:17,000 --> 00:09:20,000

It's finally starting to take effect.

171

00:09:20,000 --> 00:09:23,000

And that will continue as long as they continue.

172

00:09:23,000 --> 00:09:26,000

One physical process and the verbal process.

173

00:09:26,000 --> 00:09:29,000

State of mind is essential. Absolutely essential.

174

00:09:29,000 --> 00:09:33,000

There cannot be any fear.

175

00:09:33,000 --> 00:09:41,000

While the family follows Diana Abbott's advice performing the ritual she's recommended, Al Rober is following up his investigation.

176

00:09:41,000 --> 00:09:48,000

The audio tapes are being subjected to additional computer analysis and we'll have the results on a future edition of Science.

177

00:09:48,000 --> 00:09:52,000

Next, new video of a UFO in Korea.

178

00:09:52,000 --> 00:10:04,000

Later, the government's final report on Roswell and another flood of biblical proportions.

179

00:10:04,000 --> 00:10:13,000

We're calling it the Pearl Necklace, a string of small, brilliant UFOs that promises to be more than an extraterrestrial flash in the pan.

180

00:10:13,000 --> 00:10:20,000

First spotted near a Utah military installation in 1952, the Pearl Necklace appeared again in Mexico City in 1992.

181

00:10:20,000 --> 00:10:26,000

And now the sightings team has uncovered brand new videotape of the phenomenon in South Korea.

182

00:10:27,000 --> 00:10:37,000

It appeared over Cap Yonge, 30 miles northeast of Seoul in September 1995.

183

00:10:37,000 --> 00:10:45,000

At first it was a single saucer-shaped object, but then a vertical formation of UFOs emerged and hovered for more than four minutes.

184

00:10:45,000 --> 00:10:50,000

Eye witnesses describe the UFOs as a brilliant cluster of at least 10 saucers.

185

00:10:50,000 --> 00:11:04,000

Right now, each ball seems to be about 100 feet in diameter and 10,000 feet in the air, moving at 7,800 miles an hour.

186

00:11:04,000 --> 00:11:14,000

Dillatoso has investigated UFO sightings for over 15 years and has researched the kinds of aircraft that are most often misidentified as UFOs.

187

00:11:14,000 --> 00:11:20,000

We think it's probably not a weather balloon that's become untethered.

188

00:11:20,000 --> 00:11:27,000

We think it is probably not a military project.

189

00:11:27,000 --> 00:11:34,000

For over a week, Dillatoso worked in ruling out what it isn't. Figuring out what it is has proven more difficult.

190

00:11:34,000 --> 00:11:45,000

There are seven primary objects, 12 subordinate objects, and clusters of what looks like clouds of smaller objects.

191

00:11:45,000 --> 00:11:50,000

And there could be dozens of those. The point is, it's very unusual.

192

00:11:50,000 --> 00:11:56,000

And because of its high speed, we think it's something not normal.

193

00:11:56,000 --> 00:12:11,000

It's at least a conceivable possibility that the original object was actually composed of a cluster of smaller objects that were interconnected until their separation.

194

00:12:11,000 --> 00:12:17,000

A 40-year veteran of the aerospace industry, Fronine is familiar with advanced jet propulsion systems.

195

00:12:17,000 --> 00:12:30,000

If this is indeed what these might be, each of these little vehicles within the overall group have their own individual power, propulsion, guidance, and control.

196

00:12:30,000 --> 00:12:35,000

But, Fronine points out, this is unlike any propulsion system he's ever seen.

197

00:12:35,000 --> 00:12:43,000

Flying fast at high altitude, the UFOs leave no contrails, and none of the objects has any visible means of propulsion.

198

00:12:43,000 --> 00:12:52,000

I believe these kinds of objects may be utilizing a whole new mode of propulsion which we have not developed yet, which is called field propulsion.

199

00:12:52,000 --> 00:13:02,000

The theory of field propulsion suggests that flight can be achieved through manipulation of the

Earth's magnetic field, but so far, scientists insist, it's only a theory.

200

00:13:02,000 --> 00:13:13,000

Since vehicles like this are not known to have been developed any place here on this world, one might come to the just natural conclusion that they originate and can come here from distant worlds.

201

00:13:13,000 --> 00:13:17,000

Now, what the objects are doing is just about as mysterious as what they are.

202

00:13:17,000 --> 00:13:26,000

Are these balls the boundaries of some space that they're doing something to or with?

203

00:13:26,000 --> 00:13:30,000

This may not be an example of modes of transportation.

204

00:13:31,000 --> 00:13:36,000

This may be an example of work being done.

205

00:13:36,000 --> 00:13:42,000

And it is work that has been ongoing, some say, throughout the world for many years.

206

00:13:42,000 --> 00:13:50,000

In 1992, a nearly identical cluster of UFOs was spotted in Mexico City and analyzed by UFO expert Lee Elders.

207

00:13:50,000 --> 00:13:53,000

We've seen this before. This is not new to us.

208

00:13:53,000 --> 00:14:02,000

In October of 1992, we saw our first cluster of ships in the air that looked similar to these, almost identical to these.

209

00:14:02,000 --> 00:14:11,000

Elders claims that there have been more than 700 sightings of the pearl necklace since then, and an alarming pattern is becoming apparent.

210

00:14:11,000 --> 00:14:14,000

With the sightings, come violent Earth changes.

211

00:14:14,000 --> 00:14:20,000

They appeared in mass during the July 11, 1991 solar eclipse.

212

00:14:20,000 --> 00:14:23,000

They also appeared during major earthquakes.

213

00:14:23,000 --> 00:14:34,000

So yes, they have been known to, if we might say, predict the future or know what the future is holding and go observe.

214

00:14:34,000 --> 00:14:40,000

Last year's deadly earthquake in Mancini, Mexico came immediately after a string of sightings.

215

00:14:40,000 --> 00:14:49,000

Elders believe South Korea should be prepared for anything, such as earthquakes, volcanic eruptions, or maybe even armed conflict.

216

00:14:49,000 --> 00:14:57,000

These unknowns appear to be messengers of destiny in many, many situations.

217

00:14:57,000 --> 00:15:01,000

And these clusters are not limited to the 1990s.

218

00:15:01,000 --> 00:15:07,000

A sightings team recently uncovered this footage taken in Utah in 1952.

219

00:15:07,000 --> 00:15:14,000

The vertical formation bears an uncanny resemblance to the Mexico and South Korea sightings 40 years after,

220

00:15:14,000 --> 00:15:19,000

ruling out the possibility that this is brand new super secret technology.

221

00:15:19,000 --> 00:15:29,000

If Earth is being visited by people from other places, from other worlds, from other dimensions, they're speeding up the process right now.

222

00:15:29,000 --> 00:15:32,000

Something major is happening.

223

00:15:32,000 --> 00:15:37,000

During the Korean War, there were several sightings of similar UFOs throughout Korea.

224

00:15:37,000 --> 00:15:41,000

At the time, these craft were presumed to be experimental enemy aircraft.

225

00:15:41,000 --> 00:15:51,000

Now, ufologists are re-examining those reports and believe that they may be the earliest links in a paranormal chain that sightings will continue to investigate.

226

00:15:51,000 --> 00:16:01,000

Next, scientists fear a great flood in our future, the healing power of the mind, and what the government says really crashed at Roswell.

227

00:16:01,000 --> 00:16:12,000

Here are some of the stories sightings is following in the news.

228

00:16:12,000 --> 00:16:21,000

People have been after the United States Air Force for years, demanding a full accounting of the alleged UFO crash near Roswell, New Mexico in 1947.

229

00:16:21,000 --> 00:16:26,000

Well, finally, after 50 years, the wait is over. The report is in.

230

00:16:26,000 --> 00:16:34,000

From the Pentagon in Washington, D.C. comes the Roswell report.

231

00:16:34,000 --> 00:16:41,000

The U.S. Air Force's official public account of what crashed near Roswell, New Mexico in the summer of 1947.

232

00:16:41,000 --> 00:16:52,000

There are documents, letters, and interviews with every rank of military personnel connected with what is called on page one, the most celebrated UFO encounter of all time.

233

00:16:52,000 --> 00:17:00,000

Then, thoroughly and predictably, the next 1000 pages refute the theory that this is an alien spacecraft.

234

00:17:00,000 --> 00:17:04,000

The Air Force continues to maintain that what crashed was a balloon.

235

00:17:04,000 --> 00:17:11,000

But within the report there is an important and remarkable new disclosure about what kind of balloon.

236

00:17:11,000 --> 00:17:20,000

This states the Roswell report is debris from a top secret Air Force program to carry surveillance equipment up into the atmosphere.

237

00:17:20,000 --> 00:17:29,000

Codenamed Project Mogul, balloons carrying electronic sensors were supposed to fly over secured areas and listen for Soviet atomic bomb tests.

238

00:17:29,000 --> 00:17:38,000

Until 1995, this information was deemed too sensitive for public disclosure, hence the need for the cover story and the real cover story.

239

00:17:38,000 --> 00:17:44,000

But many UFO researchers believe that this latest report is simply another cover story.

240

00:17:44,000 --> 00:17:52,000

Since the government has lied about Roswell for so long, they challenge, trust is not something that can be gained with five pounds of white paper.

241

00:17:54,000 --> 00:18:05,000

In Springfield, Missouri, new research from the Shealy Institute indicates that many methods of alternative healing are highly effective and that the mind possesses remarkable healing power.

242

00:18:05,000 --> 00:18:11,000

Dr. C. Norman Shealy is the Institute's director and an authority on spiritual healing.

243

00:18:11,000 --> 00:18:18,000

Well, I think it's any question that some people seem to have a natural talent or ability to heal others.

244

00:18:18,000 --> 00:18:25,000

But you know, I've kept one foot in both camps and if it works and it's safe to me, we need to study it.

245

00:18:25,000 --> 00:18:31,000

Dr. Shealy is a Harvard-trained neurosurgeon who pioneered the field of alternative medicine.

246

00:18:31,000 --> 00:18:37,000

In 1978, he founded his own version of the AMA, the American Holistic Medical Association.

247

00:18:38,000 --> 00:18:47,000

And in his new book, *Miracles Do Happen*, Dr. Shealy makes the case for the advocacy of biofeedback, acupuncture, herbal therapy and meditation.

248

00:18:47,000 --> 00:18:55,000

Most healers will tell you that they don't heal. They are channels to assist people in healing.

249

00:18:55,000 --> 00:19:01,000

But I think that natural healing talent, if you will, is inherent in all of us.

250

00:19:01,000 --> 00:19:08,000

Dr. Shealy stresses that every spiritual healing begins with an accurate diagnosis from a competent physician.

251

00:19:08,000 --> 00:19:15,000

In a series of upcoming reports, sightings will explore alternative treatment following diagnosis.

252

00:19:17,000 --> 00:19:25,000

In New York City, a report to the United Nations warns that global warming is a real threat to the survival of the planet.

253

00:19:25,000 --> 00:19:37,000

In their first such findings since 1990, 2,500 international scientists say that they are convinced that manufactured gases trapped in the atmosphere are contributing to the greenhouse effect.

254

00:19:37,000 --> 00:19:45,000

As a result, glaciers and snow packs are melting so rapidly that sea levels are rising at an alarming rate.

255

00:19:45,000 --> 00:19:51,000

Within the next 25 years, most beaches in the eastern United States will vanish.

256

00:19:51,000 --> 00:19:58,000

And at the same time, deserts worldwide will expand, gobbling up precious natural resources.

257

00:19:58,000 --> 00:20:04,000

The UN report calls for global alternatives to the burning of petroleum, coal and wood.

258

00:20:04,000 --> 00:20:16,000

It's a tall order, but scientists point out that a similar call to action in the 1980s has now almost completely eliminated another ozone destroyer, the CFCs in aerosol cans.

259

00:20:17,000 --> 00:20:25,000

We'll have more stories from the news next time. Now, here's what's coming up on sightings.

260

00:20:25,000 --> 00:20:31,000

He was a third generation soldier on a fast track to general. He was also a psychic spy.

261

00:20:31,000 --> 00:20:36,000

You can go forward and backwards in time. You can experience any event.

262

00:20:36,000 --> 00:20:40,000

The incredible story of David Morehouse when sightings returns.

263

00:20:47,000 --> 00:20:51,000

Newly declassified files and the admissions of former government employees

264

00:20:51,000 --> 00:20:57,000

prove that the CIA has conducted experiments with psychics at taxpayer expense.

265

00:20:57,000 --> 00:21:08,000

Now, in an exclusive interview with Carla Wold, one psychic who worked on top secret espionage reveals the startling details of the government's covert paranormal operations.

266

00:21:09,000 --> 00:21:20,000

David Morehouse was considered the best the military had to offer, serving with distinction on the battlefields of Vietnam.

267

00:21:20,000 --> 00:21:27,000

But today, David is a civilian, discharged less than honorably by the army he dedicated his life to.

268

00:21:27,000 --> 00:21:36,000

And all because he says of his involvement in a top secret intelligence unit designed to train elite officers like himself to become remote viewers.

269

00:21:36,000 --> 00:21:39,000

The nation's psychic spies.

270

00:21:39,000 --> 00:21:41,000

Dave, did you always want to be a soldier?

271

00:21:41,000 --> 00:21:46,000

Yeah. I grew up in a military family, a third generation soldier.

272

00:21:49,000 --> 00:21:57,000

My earliest recollections of life are of being on a military installation and watching a column of tanks roll by.

273

00:21:57,000 --> 00:22:04,000

My first toys were army things. It's all I ever knew, and it's what I thought I was supposed to be.

274

00:22:04,000 --> 00:22:07,000

You were destined to wear stars, I think.

275

00:22:07,000 --> 00:22:13,000

Yeah. Well, that's what several of my efficiency reports said, destined to wear stars.

276

00:22:13,000 --> 00:22:19,000

Rising quickly through the ranks, David was chosen company commander in the elite First Ranger battalion.

277

00:22:19,000 --> 00:22:26,000

Then in 1987, while on a training mission in Jordan, a stray bullet changed the course of his entire life.

278

00:22:26,000 --> 00:22:32,000

It didn't penetrate my helmet, but it really run on my belt pretty good.

279

00:22:32,000 --> 00:22:41,000

And I was unconscious for a bit, and I was kind of in between worlds.

280

00:22:41,000 --> 00:22:48,000

I was experiencing this vision of what I called an angel. I don't know what else to call it.

281

00:22:48,000 --> 00:22:59,000

And it said to me that what you were doing in life is wrong, and that what you are to pursue is a direction of peace.

282

00:22:59,000 --> 00:23:05,000

And that was tough for a warrior, for a soldier to comprehend.

283

00:23:05,000 --> 00:23:10,000

From that day on, David continued to have these self-described angelic visions.

284

00:23:10,000 --> 00:23:14,000

He was haunted by their presence. They invaded his dreams.

285

00:23:14,000 --> 00:23:20,000

David told no one except his wife about these other worldly visions, afraid for his military career.

286

00:23:20,000 --> 00:23:28,000

But when a military psychologist began evaluating him for an upcoming top secret assignment, David revealed his psychic visions.

287

00:23:28,000 --> 00:23:38,000

He went to a file drawer and opened up a safe and pulled out three blue folders and came back and set them on my lap and said,

288

00:23:38,000 --> 00:23:48,000

I would like you to look at these. What they truly were were the remote viewers from an organization called, at that time, codenamed Grille Flame.

289

00:23:48,000 --> 00:23:57,000

Their efforts to help pinpoint the hostages in support of the Iranian hostage rescue attempt, the failed attempt.

290

00:23:57,000 --> 00:24:04,000

Well, what was going through your mind as you're reading all this stuff, remote viewers, you haven't even heard of this. Did you believe it?

291

00:24:04,000 --> 00:24:12,000

Initially no, but these were classified documents. These were stamped secret Grille Flame documents.

292

00:24:12,000 --> 00:24:22,000

I mean, when a psychologist as part of a classified top secret organization hands you something and it's obviously a classified document and it's real.

293

00:24:22,000 --> 00:24:33,000

It's tough to put tongue and cheek on something like that. This was a challenge. I mean, this was, you mean, people can really do this? How do you do this?

294

00:24:33,000 --> 00:24:40,000

Those questions would eventually be answered when Major David Morehouse was accepted into Project Sunstrike.

295

00:24:40,000 --> 00:24:52,000

He became one of a handful of officers trained to become psychic spies. It was an assignment his previous commanding officer had warned him in no uncertain terms not to accept.

296

00:24:52,000 --> 00:25:11,000

We used words that were very cautionary and very, very serious that were of this ilk to say, how can you even consider belonging to an organization of freaks like this?

297

00:25:11,000 --> 00:25:20,000

This is a terrible organization. Nothing good has ever come out of this organization. It destroys people. It ruins people.

298

00:25:20,000 --> 00:25:28,000

You are going to be a general officer if you play your cards right. How could you consider giving everything up to be part of an organization like that?

299

00:25:28,000 --> 00:25:39,000

How could you? I mean, your wife was also told, don't let him do it. He's going to change. He's not going to be the man you know. And yet you went ahead and joined Sunstrike. Why?

300

00:25:39,000 --> 00:25:50,000

I thought that I was so far ahead in my career that I could probably recover from this, that I just wanted to touch it. I just wanted to hold it briefly. I could move on and do something else later.

301

00:25:50,000 --> 00:25:55,000

I mean, this is how juvenile I was in my analysis of this.

302

00:25:55,000 --> 00:26:05,000

As has only recently been revealed, by the time David was recruited for Project Sunstrike, remote viewing was already a well-established part of the Army's intelligence program.

303

00:26:05,000 --> 00:26:11,000

Journalist Jim Moore spent three years investigating the government's interest in psychic espionage.

304

00:26:11,000 --> 00:26:23,000

Well, my progress started as very, very skeptical. But then as I looked at the massive amounts of records and data, I began to realize that there really was something serious to all this.

305

00:26:23,000 --> 00:26:37,000

As I began to talk to the side spies and hear their individual stories and the fact that they, there absolutely was no doubt in their mind because they had lived it. They knew this worked and they knew that it was real.

306

00:26:37,000 --> 00:26:58,000

Three weeks after I got to the unit, my wife was called in to be sat down in front of the program manager who said, your husband will learn things here that will cause him to redefine his very existence. Your husband will no longer be the man that you married.

307

00:26:58,000 --> 00:27:10,000

Despite these warnings, the promise of Project Sunstrike was too seductive. The promise that David would be trained to use his mind in new, unimaginable ways.

308

00:27:10,000 --> 00:27:24,000

Herald who does the newest weapon in the American military's paranormal arsenal, David Morehouse believed that his psychic ability would be nurtured and developed. But it wasn't long before David realized that he had made a terrible mistake.

309

00:27:24,000 --> 00:27:34,000

Coming up, the dark side of psychic spying began to destroy David Morehouse's life. Later, how new death experiences give vision to the blind.

310

00:27:35,000 --> 00:27:55,000

In 1988, career army officer Major David Morehouse volunteered for a top secret intelligence assignment, called Project Sunstrike. He was to be one of a handful of men chosen for training as psychic spies, learning the technique called remote viewing.

311

00:27:56,000 --> 00:28:02,000

It was an intriguing new job that for David would prove to have a life changing dark side.

312

00:28:11,000 --> 00:28:20,000

One of the first things David Morehouse and his colleagues in Project Sunstrike learned was how to enter an altered state of consciousness they called the ether.

313

00:28:21,000 --> 00:28:41,000

It is that word that we used to describe that place between reality and some place distant in time and space. It is like the medium that you travel in. It is the medium that you as a phantom, as an apparition view your target.

314

00:28:41,000 --> 00:28:45,000

How do they teach you to get to that place to be able to go into the ether?

315

00:28:46,000 --> 00:28:59,000

Initially, you go through a long extended period of lecture where you are taught everything that there is to know theory wise about remote viewing.

316

00:28:59,000 --> 00:29:05,000

The normal human being would scratch their heads and go, well wait a minute, that doesn't make sense. How does that work?

317

00:29:05,000 --> 00:29:15,000

And I asked that question often until my trainer would turn to me and say, you know, we don't know how this works, really. We just know that it does work.

318

00:29:16,000 --> 00:29:25,000

Project Sunstrike monitored the officers as they entered the deep state of relaxation, the ether, necessary to begin a remote viewing.

319

00:29:25,000 --> 00:29:35,000

The men were then given a set of coded coordinates and asked to go there, psychically, to see with the mind's eye what was happening at that location.

320

00:29:35,000 --> 00:29:47,000

In the years that you worked for this agency, you were sent to many, many different operational targets including Desert Storm. What did you see there?

321

00:29:47,000 --> 00:29:56,000

I think the probably the one that sticks most in my mind, that was most concerning to me was the plume of smoke created by the oil fire.

322

00:29:56,000 --> 00:30:08,000

What I saw in this smoke plume was, and I know that others saw it as well, a biological agent that had been released into this cloud.

323

00:30:08,000 --> 00:30:18,000

Some remote viewers have speculated that this biological agent may be responsible for the as yet undiagnosed illnesses suffered by Desert Storm veterans.

324

00:30:18,000 --> 00:30:24,000

Flight 803 over Lockerbie, Scotland, you were sent there after it came back.

325

00:30:24,000 --> 00:30:31,000

A few hours after that aircraft exploded, we were asked to begin work on that particular project.

326

00:30:32,000 --> 00:30:41,000

Several of the remote viewers drew in their sketches, saw this radio device and saw an explosive in the radio device.

327

00:30:41,000 --> 00:30:46,000

A very good friend of mine, Mel Riley, who is certainly one of the best remote viewers that there ever was.

328

00:30:46,000 --> 00:30:59,000

I can remember him standing in the fuselage and finding himself turning to these souls that now their physical bodies obviously plummeting towards Earth.

329

00:30:59,000 --> 00:31:10,000

And I remember Mel trying to tell people that they had died. They were all gone now. That this is what had happened.

330

00:31:10,000 --> 00:31:19,000

That is a tremendous amount of emotional and spiritual pain that you are asked to grasp, to embrace.

331

00:31:19,000 --> 00:31:24,000

But it takes a tremendous toll on you as a human being to have to experience that.

332

00:31:24,000 --> 00:31:29,000

And the toll it took on David Morehouse and his family was irreparable.

333

00:31:29,000 --> 00:31:39,000

Unable to talk about the horrifying visions with anyone, David withdrew, through increasingly anxious and like a lot of other remote viewers, David felt he was losing his mind.

334

00:31:39,000 --> 00:31:48,000

The people who were put in this program and put in the position of remote viewing, I think they were totally unprepared, psychologically.

335

00:31:48,000 --> 00:32:00,000

David Morehouse, who had a very conventional, traditional, upbringing, schooling, and suddenly he's into this program of just mind-boggling dimensions.

336

00:32:00,000 --> 00:32:07,000

One of the worst things that happens to remote viewers is they develop a messiah complex.

337

00:32:07,000 --> 00:32:09,000

You think you're God?

338

00:32:09,000 --> 00:32:14,000

Yeah, you think you're God. You can go forward and backwards in time.

339

00:32:14,000 --> 00:32:23,000

You can experience any event and manifest the physiological aspects of that event, remote in time and space.

340

00:32:23,000 --> 00:32:32,000

And when you go back and see the ground zero at Hiroshima or crawl amongst the bones and ashes in the ovens of Dachau as a remote viewer,

341

00:32:32,000 --> 00:32:39,000

and you go home that night, what do you say to your wife? What does she say to you? How was your day at the office, honey?

342

00:32:39,000 --> 00:32:44,000

You start to lose the ability to communicate to the rest of humanity.

343

00:32:44,000 --> 00:32:50,000

But David's emotional connection to his remote viewing targets was not the reason he dropped out of the project.

344

00:32:50,000 --> 00:33:01,000

That decision came, he says, after he realized that remote viewing was being tested not only as an intelligence tool, but also as a weapon of psychological destruction.

345

00:33:01,000 --> 00:33:10,000

They knew that it could go far beyond where it was today. They wanted to be able to kill with it.

346

00:33:10,000 --> 00:33:19,000

I always believed that this gift, as we referred to it, was something that could benefit all of humankind.

347

00:33:19,000 --> 00:33:27,000

And it goes back to my vision after being shot in the head that seek a road to peace.

348

00:33:27,000 --> 00:33:31,000

Stop being what you are, what you are is wrong.

349

00:33:31,000 --> 00:33:39,000

So I felt that I had a moral and an ethical responsibility to bring that information forward to humankind.

350

00:33:39,000 --> 00:33:49,000

After he dropped out, David was discharged less than honorably. His family and friends received anonymous threats.

351

00:33:49,000 --> 00:33:57,000

The scariest thing for me was the night that they tried to kill my wife and my children.

352

00:33:57,000 --> 00:34:14,000

And that was really tough for me to accept after I had given so much as an officer to the Army.

353

00:34:14,000 --> 00:34:22,000

Now I don't think that Army guys did this and I don't think that some general officer setting in the Pentagon ordered a hit on my wife and family.

354

00:34:22,000 --> 00:34:27,000

But do I think that the Central Intelligence Agency did it? Yeah.

355

00:34:27,000 --> 00:34:34,000

Mr. Morhouse, you're an Army man. Are you mad at the military, at the U.S. government for what they've done to your son?

356

00:34:34,000 --> 00:34:42,000

I have discussed with you what they did for my son. He was a good officer and they mistreated him. They treated him like a criminal.

357

00:34:42,000 --> 00:34:50,000

Today, David Morhouse lives in a quiet seaside home with his parents, writing a book about his experiences.

358

00:34:50,000 --> 00:35:02,000

He's working towards a reconciliation with his wife and children and he continues to use his paranormal abilities for good to solve crimes, to find missing children and in the quest for world peace.

359

00:35:02,000 --> 00:35:07,000

According to Jim Mars, other remote viewers are following David's example.

360

00:35:07,000 --> 00:35:20,000

Now that it's become public knowledge, now that the former head of the CIA has spoken out about it, now that General Thompson has gone on the record talking about it, the other spies, I'm sure, will begin to come forward and tell their stories.

361

00:35:20,000 --> 00:35:33,000

All of the ones I spoke to indicated that they really thought that this was a technology that should be used for the betterment of mankind and not strictly for intelligence and war purposes.

362

00:35:33,000 --> 00:35:49,000

Given that remote viewing has such a tremendous capacity for good and for evil and that you now know how to do it, when you look back at your decision to become involved, do you regret the decision?

363

00:35:49,000 --> 00:36:10,000

Oh, yeah, yeah I do. I'm sorry to say. I should be a Lieutenant Colonel and a battalion commander in the Army right now. And instead, I'm an outcast, I'm a monster, I'm a freak of nature.

364

00:36:10,000 --> 00:36:29,000

I'm something that is difficult for my wife and for my children to accept and I am something that is difficult for me to accept. And we knew how to create these monsters, these viewers, but we don't know how to deprogram them.

365

00:36:29,000 --> 00:36:36,000

We don't know how to make them normal again. I just want to be normal again.

366

00:36:36,000 --> 00:36:52,000

Although the CIA has recommended suspending all psychic experiments, sightings hears a different story from former remote viewers. When they turn their eyes back on the CIA, they see that the programs won't be suspended. They'll just go under deep cover.

367

00:36:52,000 --> 00:36:53,000

Next.

368

00:36:53,000 --> 00:36:56,000

Different things with different shades of brilliance.

369

00:36:56,000 --> 00:37:02,000

Vicky Umopeg has been blind since birth. She's never seen anything until the night she almost died.

370

00:37:07,000 --> 00:37:16,000

With the success of books like *Embraced by the Light* by Betty E.D., more and more people are coming forward to reveal their astonishing near-death experiences.

371

00:37:16,000 --> 00:37:25,000

And now, as Carla Wall reports, a new group of experiences is emerging with a unique perspective on the question, what happens when we die?

372

00:37:26,000 --> 00:37:40,000

Jazz singer Vicky Umopeg has been blind since birth. Vicky's world is devoid of all shape, color, even light. She only sees the world through her sense of touch. And yet Vicky says she knows what it's like to have vision.

373

00:37:40,000 --> 00:37:51,000

Following a near-fatal car crash in 1973, Vicky says she saw with her eyes for the first and only time. At her home in Seattle, she told me about her near-death experience.

374

00:37:51,000 --> 00:37:57,000

After the crash, you remember being thrown out of the car, and then what do you remember?

375

00:37:57,000 --> 00:38:03,000

I experienced a, I guess you could say a clinical death or near-death.

376

00:38:03,000 --> 00:38:05,000

Describe it to me.

377

00:38:05,000 --> 00:38:12,000

My first real clear recollection was finding myself up on the ceiling and looking down.

378

00:38:12,000 --> 00:38:21,000

And the only thing that I saw was the doctor briefly and my body. And I was on this kind of stretcher thing.

379

00:38:21,000 --> 00:38:33,000

And I thought, oh my lord, am I dead or what? It was very disorienting and frightening to perceive things from a distance like that because I have to, I have to touch everything.

380

00:38:33,000 --> 00:38:46,000

And this way I was not touching anything. I was observing things from a distance and it was quite foreign and scary and weird. It was eerie.

381

00:38:46,000 --> 00:38:53,000

I started feeling peaceful and I could hear a sound like wind chimes. It was the most beautiful thing.

382

00:38:53,000 --> 00:39:02,000

And there was a very, very bright light that was drawing me. And as I got closer to it, it became brighter.

383

00:39:02,000 --> 00:39:08,000

There were different shades of brightness as the way I could call it. Different things were different shades of brilliance.

384

00:39:08,000 --> 00:39:14,000

I was beginning to find it more comfortable, but at first it was terrifying.

385

00:39:14,000 --> 00:39:19,000

For years, I've heard rumors that the blind can actually see during near-death experiences.

386

00:39:19,000 --> 00:39:25,000

And it was attempt to see whether there was any validity to this rumors that led me to do this particular study.

387

00:39:25,000 --> 00:39:36,000

Dr. Kenneth Ring is one of this country's leading NDE researchers. After interviewing Vicki Umepeg, Dr. Ring began a formal study on near-death experience and the blind.

388

00:39:36,000 --> 00:39:45,000

It's a paradox that people who have no concept or even history of vision can actually report being able to see.

389

00:39:45,000 --> 00:39:49,000

But it's that particular paradox that we want to be able to understand.

390

00:39:49,000 --> 00:39:56,000

And in Vicki's case, she was blind from birth. She was premature, so she's never had any vision or any concept of vision.

391

00:39:56,000 --> 00:40:00,000

And yet in this experience, she says and says unequivocally that she could see.

392

00:40:00,000 --> 00:40:04,000

When you had your near-death experience, did you have any visual perception during it?

393

00:40:04,000 --> 00:40:13,000

Sharon Cooper is the co-author of the NDE study. She believes that there's compelling evidence that NDE is more than random visions of a dying brain.

394

00:40:13,000 --> 00:40:20,000

The near-death experience seems to be an authentic experience happening to millions of people.

395

00:40:20,000 --> 00:40:26,000

And the common theme seems repeated regardless of the physical disability of the individual.

396

00:40:26,000 --> 00:40:31,000

Brad Burroughs is among the congenitally blind who participated in the study.

397

00:40:31,000 --> 00:40:42,000

Although he was born without pupils, Brad claims he had a vivid and fully visual near-death experience after a near-fatal bout of pneumonia when he was just 8 years old.

398

00:40:42,000 --> 00:40:56,000

I had stopped breathing for about four minutes and I became aware that my body seemed to be in a separate place from me.

399

00:40:56,000 --> 00:41:03,000

It was almost as if I was hovering above my body and was separated from it.

400

00:41:03,000 --> 00:41:13,000

As I found myself entering this new plane, however, I felt that this sensation, which I could only describe as seeing,

401

00:41:13,000 --> 00:41:21,000

and this light, which I only knew of as light, was so natural and normal to me that I didn't even question it.

402

00:41:21,000 --> 00:41:32,000

I couldn't even question it at all. In fact, I wondered why I'd never known a such sensation like it before. It seemed perfectly normal.

403

00:41:32,000 --> 00:41:39,000

Like other near-death experiencers, the blind report the event as positive and life-affirming.

404

00:41:39,000 --> 00:41:45,000

And in addition, they believe that their NDE offers a promise of the gift of sight.

405

00:41:45,000 --> 00:41:55,000

While I was in the experience, I knew beyond the shadow of a doubt that the vision I was experiencing there would be the same vision I would experience again.

406

00:41:55,000 --> 00:42:05,000

You said that you're not scared of dying now. Not at all. I look forward to it. Why? Because it's going to be beautiful.

407

00:42:05,000 --> 00:42:12,000

I know that because I've been there enough to be aware of the fact that it is beautiful.

408

00:42:12,000 --> 00:42:19,000

I think it offers a great deal of hope for the rest of us because we're all limited in various ways. We're all handicapped.

409

00:42:19,000 --> 00:42:28,000

And the implications of our findings on near-death experiences in the blind is that whatever handicaps and limitations we suffer from here may be removed there.

410

00:42:28,000 --> 00:42:31,000

And I think we can all take a measure of hope from that.

411

00:42:36,000 --> 00:42:43,000

Some NDE researchers believe that study of the near-death experience in the blind may have more than spiritual implications.

412

00:42:43,000 --> 00:42:51,000

Could the vision that these patients believe is restored in death somehow be restored in life once we understand the phenomena?

413

00:43:13,000 --> 00:43:18,000

Until next time, remember, no mystery is closed to an open mind.

414

00:43:18,000 --> 00:43:21,000

For sightings, I'm Tim White.

That's my buddy. I'm Aaron. Who are you? I'm Crippin'. I'm not me.
