

1

00:00:00,000 --> 00:00:06,000

Tonight on Sightings, vampires are they real or the stuff that nightmares are made of?

2

00:00:06,000 --> 00:00:10,000

The best thing about being a vampire is the taste of the blood.

3

00:00:10,000 --> 00:00:16,000

Our researchers hunt for evidence in human skeletal remains and prove that vampires still exist.

4

00:00:16,000 --> 00:00:21,000

Then they were ordinary people until they had frightening visions of real life murders.

5

00:00:21,000 --> 00:00:24,000

It was as if someone had put a picture right in front of me.

6

00:00:24,000 --> 00:00:28,000

Fluke or psychic phenomena that could solve our most horrifying crimes.

7

00:00:28,000 --> 00:00:33,000

And our ongoing Bermuda Triangle investigation uncovers a startling piece of evidence

8

00:00:33,000 --> 00:00:36,000

that may unlock the mystery of missing Flight 19.

9

00:00:36,000 --> 00:00:41,000

This telegram is certainly a genuine telegram of the period.

10

00:00:43,000 --> 00:00:45,000

At that point it started to appear.

11

00:00:46,000 --> 00:00:49,000

They had large, dark eyes, small eye hands.

12

00:00:51,000 --> 00:00:54,000

I began sensing, knowing and feeling.

13

00:00:55,000 --> 00:00:58,000

I do believe in life after death. I mean, I've been there.

14

00:00:58,000 --> 00:01:02,000

We have not scratched the surface of what the mind can do.

15

00:01:04,000 --> 00:01:06,000

It's a connection with the unknown.

16

00:01:13,000 --> 00:01:18,000

Just about everything we know about vampires was created almost a hundred years ago

17

00:01:18,000 --> 00:01:22,000

by Bram Stoker in his classic Gothic novel, Dracula.

18

00:01:22,000 --> 00:01:29,000

It's been the inspiration for countless stories and movies about a fictional character with a taste for human blood.

19

00:01:29,000 --> 00:01:34,000

But today in the United States some people believe that vampires actually exist.

20

00:01:34,000 --> 00:01:41,000

We think of vampires as part of Eastern European folklore, or the result of Hollywood conjuring,

21

00:01:41,000 --> 00:01:44,000

not as the stuff of small-town America.

22

00:01:44,000 --> 00:01:49,000

But in the late 18th century, belief in the undead led to bizarre rituals

23

00:01:49,000 --> 00:01:53,000

designed to keep the newly deceased from coming back to prey on the living.

24

00:01:57,000 --> 00:02:01,000

The Connecticut countryside is dotted with old cemeteries.

25

00:02:01,000 --> 00:02:08,000

In Griswold, a dark secret lay dormant for nearly two centuries and has only recently been on Earth.

26

00:02:09,000 --> 00:02:13,000

In Washington, at the prestigious Walter Reed Army Medical Center,

27

00:02:13,000 --> 00:02:20,000

remains uncovered in Griswold were analyzed by Paul Sedsic, a curator at the National Museum of Health and Medicine.

28

00:02:20,000 --> 00:02:25,000

I was given a call by the state archaeologists in Connecticut to help identify and analyze some

29

00:02:25,000 --> 00:02:28,000

skeletal material that was found at this site in Griswold, Connecticut.

30

00:02:28,000 --> 00:02:33,000

What happened was some kids had found a couple skulls laying at the bottom of a little ravine,

31

00:02:33,000 --> 00:02:36,000

and they brought them to the police and the police called the medical examiner.

32

00:02:36,000 --> 00:02:41,000

They did some research into the records in that time period and came up with vampire activity

33

00:02:41,000 --> 00:02:44,000

or vampire cults in the 18th and 19th century.

34

00:02:45,000 --> 00:02:51,000

Archaeologists probed the graves for mutilated corpses, the telltale signs of suspected vampires.

35

00:02:51,000 --> 00:02:55,000

The next step in verification was determining the cause of death.

36

00:02:58,000 --> 00:03:02,000

Pretty evident to see the cause of death in the skeleton from Connecticut, the vampire skeleton.

37

00:03:02,000 --> 00:03:05,000

There's evidence of tuberculosis in some of the upper left ribs,

38

00:03:05,000 --> 00:03:11,000

and here we can see evidence here of this whitish area that we're seeing close to the articulation with the vertebrae.

39

00:03:12,000 --> 00:03:17,000

Tuberculosis played a major role in the vampire folklore of the 1800s.

40

00:03:17,000 --> 00:03:22,000

It was believed that those who died of TB could come back and infect the living.

41

00:03:22,000 --> 00:03:28,000

So a ritual developed to ensure that a corpses eternal resting place really was eternal.

42

00:03:28,000 --> 00:03:34,000

What they actually did was take the bones here in the chest and jumble them up like someone had just taken their hand

43

00:03:34,000 --> 00:03:36,000

and kind of moved it around in that fashion.

44

00:03:36,000 --> 00:03:42,000

They then took the two femur, the upper leg bones, crossed this one here and this other one on top of it,

45

00:03:42,000 --> 00:03:44,000

over a cross like that.

46

00:03:44,000 --> 00:03:50,000

They then took the skull and placed that right in this area, and then they closed the crypt back up.

47

00:03:51,000 --> 00:03:56,000

The graves were opened anywhere from two weeks to a year after burial.

48

00:03:56,000 --> 00:04:01,000

Graves who'd dearly departed loved ones or anyone who died of tuberculosis.

49

00:04:01,000 --> 00:04:07,000

What floored me is just that people could actually believe that someone dying of tuberculosis could actually cause the death of loved ones.

50

00:04:07,000 --> 00:04:14,000

And there are accounts in New England, especially of men going into the graves of their daughter and removing their hearts and burning them.

51

00:04:14,000 --> 00:04:18,000

And fathers doing it to sons, sons doing it to fathers.

52

00:04:18,000 --> 00:04:20,000

I mean, very close family units.

53

00:04:20,000 --> 00:04:25,000

There were probably lots of people attending these exhumations and killing of vampires.

54

00:04:25,000 --> 00:04:28,000

And when you do read them, there can be upwards of 300 or 400 people.

55

00:04:28,000 --> 00:04:31,000

The whole town would probably turn out, you know, it's a major social event.

56

00:04:31,000 --> 00:04:36,000

Digging up wives, husbands, sons, daughters, and trying to kill them again.

57

00:04:36,000 --> 00:04:39,000

I mean, that's something that we couldn't even conceive of today.

58

00:04:39,000 --> 00:04:44,000

I couldn't imagine going in digging up the grave of my daughter and trying to kill her again.

59

00:04:44,000 --> 00:04:46,000

There's something that completely would never enter my mind.

60

00:04:48,000 --> 00:04:53,000

In many parts of America, you can still hear chilling tales of vampires today.

61

00:04:53,000 --> 00:04:59,000

In Los Angeles, professor of folklore and author, Noreen Dresser, researches living vampires.

62

00:05:01,000 --> 00:05:06,000

Very often, the act of drinking blood is a prelude to sex.

63

00:05:07,000 --> 00:05:09,000

People who call themselves vampires.

64

00:05:09,000 --> 00:05:11,000

Aha!

65

00:05:12,000 --> 00:05:17,000

The corpse supposed to come to life at night and leave its grave and suck the blood of sleeping people.

66

00:05:17,000 --> 00:05:28,000

If a person wants to dress in black and sleep during the daytime and be awake at night and walk through the graveyards and listen to Gothic music,

67

00:05:28,000 --> 00:05:38,000

and that person's not hurting anyone, including the fact that that person might want to drink someone's blood and someone is willing to give it to them,

68

00:05:38,000 --> 00:05:41,000

I don't see where that's harming anyone.

69

00:05:42,000 --> 00:05:53,000

I'd say the best thing about being a vampire is the taste of the blood and being with someone who trusts you and will let you drink their blood.

70

00:05:53,000 --> 00:05:59,000

Katrina is proof that vampire practices are real and still occur today.

71

00:05:59,000 --> 00:06:06,000

There are certain well-known criminals, for example, Richard Ramirez and Ted Bundy, who in reports,

72

00:06:06,000 --> 00:06:11,000

there were just little side notes that they did drink blood from their victims,

73

00:06:11,000 --> 00:06:17,000

but that was never presented as the main motivation for committing their crimes.

74

00:06:17,000 --> 00:06:21,000

I would never do anything to a child or to an animal.

75

00:06:21,000 --> 00:06:24,000

This is something that I've only done with a consenting adult.

76

00:06:24,000 --> 00:06:32,000

You know, they have to be willing to do this, and anyone that I've ever done anything like this

with actually has enjoyed it.

77

00:06:33,000 --> 00:06:42,000

Some vampires attempt to take blood here from the carotid artery, however that's rather clumsy and it's also quite dangerous,

78

00:06:42,000 --> 00:06:51,000

so this is not really used as often as using taking it from the arm.

79

00:06:51,000 --> 00:06:55,000

I can use an instrument like this, which is a medical scalpel.

80

00:06:55,000 --> 00:07:00,000

It's very sharp. It can be sterilized with alcohol, so there won't be any infection,

81

00:07:00,000 --> 00:07:04,000

and it's painless. Blood is an acquired taste.

82

00:07:04,000 --> 00:07:13,000

The best place is somewhere on the arms or the hands, and I'll just continue drinking until the wound stops bleeding.

83

00:07:13,000 --> 00:07:19,000

Sometimes this leads to a relationship where they say, well, that was kind of interesting.

84

00:07:19,000 --> 00:07:23,000

I enjoyed it. Would you like to do it again sometime?

85

00:07:23,000 --> 00:07:29,000

You could be attacked, mugged, robbed, shot, killed on the freeway.

86

00:07:29,000 --> 00:07:41,000

I mean, our life is so fraught with dangers and fears that it's a lot more satisfying to focus on something scary when we know what all the rules of that scariness are.

87

00:07:41,000 --> 00:07:44,000

Why does the myth of vampires still persist?

88

00:07:44,000 --> 00:07:52,000

Perhaps it's because we are still plagued by diseases and our lives are still precarious, as they were in ancient times.

89

00:07:52,000 --> 00:07:59,000

But unlike the rest of us, a vampire never gets sick, never grows old, and never dies.

90

00:07:59,000 --> 00:08:04,000

Coming up, they were ordinary people until they had frightening visions of real-life murders.

91

00:08:04,000 --> 00:08:07,000

It was as if someone had put a picture right in front of me.

92

00:08:07,000 --> 00:08:17,000

And later, what really happened to Flight 19 over the Bermuda Triangle, startling new evidence, may prove that the airmen survived.

93

00:08:17,000 --> 00:08:23,000

There are people who have extraordinary powers of perception and make their living as professional psychics.

94

00:08:23,000 --> 00:08:30,000

But tonight we'll meet ordinary people who suddenly, and for no apparent reason, have one striking psychic vision.

95

00:08:30,000 --> 00:08:35,000

For them, that single clairvoyant moment becomes a living nightmare.

96

00:08:35,000 --> 00:08:42,000

August 1990. The usually laid-back town of Gainesville, Florida was paralyzed with fear.

97

00:08:42,000 --> 00:08:49,000

Five violent murders within 40 hours. Five college students mutilated in their apartments, and no arrests.

98

00:08:49,000 --> 00:08:53,000

Two years later, the case remains open.

99

00:08:53,000 --> 00:09:01,000

Over a thousand miles away, a successful businessman who has never been to Gainesville begins to experience nightmarish visions.

100

00:09:01,000 --> 00:09:10,000

Well, I walked out to the barn and, uh, I go out at 9.30 at night, and I was taking care of the horses down there.

101

00:09:10,000 --> 00:09:20,000

And on my way back from the barn, I just happened to look up into the sky, and I saw a window where they saw one of the person in there.

102

00:09:20,000 --> 00:09:28,000

A few weeks went by, and I hit a premonition that I was going to meet this killer from Gainesville.

103

00:09:28,000 --> 00:09:35,000

The very next day after the premonition, I did meet a gentleman from Gainesville.

104

00:09:35,000 --> 00:09:41,000

For the past year, visions of a murder have haunted a man who's never had a psychic experience.

105

00:09:41,000 --> 00:09:48,000

The images are so real, so frightening, that he's asked to remain anonymous and be referred to as John.

106

00:09:48,000 --> 00:10:00,000

One morning, I just happened to see this vision of a dog. I seen the head of a dog on the door, and after looking at him more thoroughly, I could actually see the dog's body.

107

00:10:00,000 --> 00:10:06,000

After a couple of weeks, John began to see more and different images in the door.

108

00:10:06,000 --> 00:10:19,000

A young girl, the state of Florida, an athletic field, a deer, a sickle. The images gave John no answers, only questions.

109

00:10:19,000 --> 00:10:30,000

What does the average person do when they start having what they believe are intuitive impressions about, say, a crime, a murder, a series of murders?

110

00:10:30,000 --> 00:10:45,000

The spirit who was coming to me was a girl, a young girl. I had the feeling that this spirit was a girl about 20 or so years old, and she was one of the victims.

111

00:10:46,000 --> 00:10:54,000

John wanted to go to the police, but he was afraid that if he told them what he'd seen, they might make him a suspect.

112

00:10:54,000 --> 00:11:00,000

That is exactly what happened to California housewife Edda Smith, 10 years earlier.

113

00:11:00,000 --> 00:11:14,000

It was 3 o'clock in the afternoon, and I was listening to a radio broadcast while at work, and they said that they had found the ladies' vehicle in Pacoima, I think on a dead end street.

114

00:11:14,000 --> 00:11:26,000

And that they were making a house-to-house search for her. And as soon as they said house-to-house search, and that thought registered, it was as if someone said to me, she's not in a house.

115

00:11:26,000 --> 00:11:31,000

I saw a picture. It was as if someone had put a picture right in front of me.

116

00:11:31,000 --> 00:11:37,000

Edda drove to a police station and revealed her startling insight to a homicide detective.

117

00:11:37,000 --> 00:11:45,000

I explained exactly what would be the right-hand side with a dirt path tour and a hill behind her.

118

00:11:45,000 --> 00:11:53,000

He suggested that I show him on a wall map where this area was, and that's when we discovered that it was Lopez Canyon.

119

00:11:53,000 --> 00:12:03,000

I don't think I was thinking right, but I knew I had to go see for myself. I knew the police would never tell me, and I was afraid maybe they wouldn't look.

120

00:12:04,000 --> 00:12:08,000

Within minutes, Edda saw her vision become a horrifying reality.

121

00:12:08,000 --> 00:12:18,000

As my eyes traveled further across the object, at the end of the object were white nurses' shoes.

122

00:12:18,000 --> 00:12:23,000

On her way back down the canyon, she reported her grisly find to a ranger.

123

00:12:23,000 --> 00:12:29,000

Chaken by the experience, Edda then went home. Not long after, there was a knock at her door.

124

00:12:30,000 --> 00:12:36,000

She went home, and then subsequently she was brought down by the police department and arrested for the murder of this woman.

125

00:12:36,000 --> 00:12:42,000

It took nine years and a jury trial before Edda was exonerated for doing what she thought was right.

126

00:12:42,000 --> 00:12:48,000

But how do you explain the source of her psychic experience, or John's startling visions?

127

00:12:49,000 --> 00:12:54,000

Somehow, John had to come to terms with the gruesome visions that had been haunting him.

128

00:12:54,000 --> 00:12:59,000

Psychic psychologist Keith Harari accompanied him to Gainesville to help him on his journey.

129

00:12:59,000 --> 00:13:03,000

They visited the murder scenes in search of clues to the mystery.

130

00:13:03,000 --> 00:13:12,000

When I was out having these visions, I would ask for something that I could only the police would know,

131

00:13:12,000 --> 00:13:19,000

or that she could tell me one of them being that what was the murder weapon used.

132

00:13:19,000 --> 00:13:23,000

And she gave me a vision of a sickle.

133

00:13:23,000 --> 00:13:28,000

And a sickle could be found in an area behind a football field.

134

00:13:28,000 --> 00:13:37,000

And I also envisioned a tree and also a symbol or a deer or some type of animal.

135

00:13:37,000 --> 00:13:43,000

One victim attended classes at the Gainesville Teaching Zoo, where not only are there deer,

136

00:13:43,000 --> 00:13:48,000

but a parking lot under construction on top of what used to be an athletic field.

137

00:13:48,000 --> 00:13:56,000

We got a tremendous amount of contacts from people who believe very strongly that they had information

138

00:13:56,000 --> 00:14:02,000

from a psychic nature or paranormal nature that they wanted to relay to the investigators.

139

00:14:02,000 --> 00:14:06,000

They wanted to do so primarily to benefit the investigation.

140

00:14:06,000 --> 00:14:12,000

I'm just an average person, okay, having a vision.

141

00:14:12,000 --> 00:14:18,000

And that with that, they would look upon me as wacky.

142

00:14:20,000 --> 00:14:23,000

The dead tree was the sign John was looking for.

143

00:14:23,000 --> 00:14:29,000

And with the supervision of Keith Harari, he began an intensive search for the murder weapon.

144

00:14:30,000 --> 00:14:36,000

Things that have happened to me all pertain to this Gainesville killing.

145

00:14:36,000 --> 00:14:40,000

And this spirit that has come to me is one of the victims.

146

00:14:40,000 --> 00:14:43,000

And I feel it so strongly that I just can't let it go.

147

00:14:43,000 --> 00:14:46,000

I have to follow this through as she wants me to do.

148

00:14:46,000 --> 00:14:53,000

I feel that she wants to put an end to this and put this person in jail.

149

00:14:53,000 --> 00:14:57,000

And I just can't let it go like that.

150

00:14:57,000 --> 00:15:03,000

Life is a mystery. And it's full of mysteries and it's full of situations in which you don't always

get closure.

151

00:15:03,000 --> 00:15:11,000

I mean, the healthiest thing to do in this case is to say, well, I don't know, I checked it out, I didn't find anything,

152

00:15:11,000 --> 00:15:19,000

go back to one's ordinary life and have a good life open to the possibility that sometimes things happen that you can't explain.

153

00:15:19,000 --> 00:15:25,000

On June 9, 1992, while this story was being shot, a new development.

154

00:15:25,000 --> 00:15:29,000

A man named Danny Rowling was indicted for murder in the Gainesville case.

155

00:15:29,000 --> 00:15:33,000

But Danny Rowling is not the man in John's visions.

156

00:15:33,000 --> 00:15:37,000

John believes there's a second murderer who has not yet been caught.

157

00:15:37,000 --> 00:15:42,000

And in fact, the Gainesville Police Department admits there may be a second murderer at large.

158

00:15:42,000 --> 00:15:44,000

The investigation continues.

159

00:15:44,000 --> 00:15:51,000

And for John, so does the waking nightmare of his psychic visions.

160

00:15:51,000 --> 00:15:58,000

Coming up next, did the Bermuda Triangle take Flight 19 or was it all a government cover-up?

161

00:15:58,000 --> 00:16:04,000

They were all lying. All of them.

162

00:16:04,000 --> 00:16:08,000

On a recent episode of Sightings, we told you the story of Flight 19,

163

00:16:08,000 --> 00:16:14,000

the squadron of Navy fighters that vanished in the treacherous Bermuda Triangle after World War II.

164

00:16:14,000 --> 00:16:24,000

And now, 47 years after the planes disappeared, Sightings has received exclusive information that reveals a bizarre new twist in the fate of Flight 19.

165

00:16:32,000 --> 00:16:35,000

I doubt if anyone will ever be able to solve this.

166

00:16:35,000 --> 00:16:38,000

You know they were all lying.

167

00:16:38,000 --> 00:16:47,000

East of Florida, north of Puerto Rico, south of Bermuda, these are the parameters for a region some believe is a portal at the rim of reality.

168

00:16:47,000 --> 00:16:55,000

This is the heart of the legendary Bermuda Triangle, the last stop on Earth for many who have dared venture within its boundaries.

169

00:16:55,000 --> 00:17:02,000

For the last half century, men, women and children have mysteriously disappeared here without a trace.

170

00:17:02,000 --> 00:17:06,000

And the Bermuda Triangle does not give up its secrets.

171

00:17:08,000 --> 00:17:15,000

But now, one strange Western Union telegram may reveal the fate of at least one victim of the deadly triangle.

172

00:17:15,000 --> 00:17:26,000

Nearly a half century ago, on December 5, 1945, the Bermuda Triangle claimed some of America's finest men who had survived World War II.

173

00:17:27,000 --> 00:17:36,000

At 2 p.m., a squadron of Navy Aztec bombers took off from Fort Lauderdale on a routine three-hour training mission over the Atlantic Ocean.

174

00:17:36,000 --> 00:17:43,000

At 3.45 p.m., Lieutenant Charles Taylor radioed in a distress call. He seemed to be disoriented.

175

00:17:43,000 --> 00:17:50,000

Both my compasses are out, he said. I'm over land, but it's broken.

176

00:17:51,000 --> 00:17:59,000

Sporadic broadcast continued for the next three hours. Then, abruptly, all five planes lost radio contact with the tower.

177

00:18:02,000 --> 00:18:09,000

When we couldn't make contact with Taylor, things became, they became very frustrating.

178

00:18:09,000 --> 00:18:15,000

And then, when one thing went wrong, seemed like everything went wrong.

179

00:18:16,000 --> 00:18:25,000

The Navy launched a massive search and rescue operation, sweeping hundreds of nautical miles night and day, but no trace of the squadron was ever found.

180

00:18:25,000 --> 00:18:32,000

No debris, no bodies, no oil slick. 14 men and five bombers vanished off the face of the earth.

181

00:18:35,000 --> 00:18:44,000

You know, your mind plays all kinds of tricks, and you think all kinds of things, and you just can't come up with a complete answer.

182

00:18:46,000 --> 00:18:52,000

A strange rumor surfaced that the planes had not crashed into the ocean and that the crewmen were still alive.

183

00:18:52,000 --> 00:19:01,000

This rumor was based on the theory that Flight 19 was not on a routine training mission, but instead was part of a top-secret Navy intelligence project.

184

00:19:01,000 --> 00:19:08,000

The Navy was supposedly testing a new electromagnetic device believed to be more important than the atom bomb.

185

00:19:08,000 --> 00:19:15,000

This device was thought to be capable of making any metallic object and the crew on board invisible.

186

00:19:16,000 --> 00:19:19,000

It was called the Philadelphia Experiment.

187

00:19:19,000 --> 00:19:24,000

50 years after Flight 19 disappeared, a haunting clue has surfaced.

188

00:19:24,000 --> 00:19:33,000

On December 26, 1945, two weeks after the disappearance, Joseph Payonesso received a telegram signed by his brother George,

189

00:19:33,000 --> 00:19:37,000

one of the crewmen who had vanished in the Bermuda Triangle.

190

00:19:37,000 --> 00:19:38,000

The telegram read,

191

00:19:38,000 --> 00:19:43,000

You have been misinformed about me and very much alive, Georgie.

192

00:19:45,000 --> 00:19:51,000

To check its authenticity, a Western Union official and a document expert examined the telegram.

193

00:19:51,000 --> 00:19:54,000

They both verified it is not a fake.

194

00:19:55,000 --> 00:20:06,000

This telegram is certainly a genuine telegram of the period and as for the contents, I leave that to someone else to judge.

195

00:20:08,000 --> 00:20:16,000

When I saw the telegram and read it, I confirmed my suspicion that he was still alive.

196

00:20:16,000 --> 00:20:22,000

I believe that the telegram that was sent is real because of the way he signed it.

197

00:20:24,000 --> 00:20:26,000

They covered up something.

198

00:20:28,000 --> 00:20:32,000

The top secret report on Flight 19 has recently been declassified.

199

00:20:32,000 --> 00:20:38,000

The document states that the flight quote disappeared for reasons or causes unknown.

200

00:20:38,000 --> 00:20:41,000

Does the Navy know more than they're admitting?

201

00:20:41,000 --> 00:20:45,000

I was very disillusioned with their whole procedure.

202

00:20:45,000 --> 00:20:56,000

I wrote hundreds and hundreds of letters which they shifted me from one naval base to another and to one captain to another.

203

00:20:56,000 --> 00:21:05,000

They declared them dead due to drowning and I asked them to tell me how did they come to that conclusion.

204

00:21:05,000 --> 00:21:09,000

And they said it was within their power and that was it.

205

00:21:09,000 --> 00:21:14,000

The Navy continues to deny the existence of any project like the Philadelphia experiment.

206

00:21:14,000 --> 00:21:18,000

They also deny that any of the men on Flight 19 survived.

207

00:21:18,000 --> 00:21:22,000

They were all lying, all of them.

208

00:21:22,000 --> 00:21:28,000

Were the men of Flight 19 victims of a Navy experiment gone horribly awry?

209

00:21:28,000 --> 00:21:32,000

Or were they caught in the deadly vortex known as the Bermuda Triangle?

210

00:21:32,000 --> 00:21:36,000

Both possibilities are frightening to contemplate.

211

00:21:39,000 --> 00:21:43,000

Thanks for joining us. For Sightings, I'm Tim White. Good night.

212

00:21:44,000 --> 00:21:48,000

Next time on Sightings, Psychic Healing, is it the ultimate cure all?

213

00:21:48,000 --> 00:21:51,000

I haven't seen people who have cancer, no longer have cancer.

214

00:21:51,000 --> 00:21:53,000

I was healed forever and ever.

215

00:21:53,000 --> 00:21:57,000

Psychic Healing on the next Sightings.

216

00:22:00,000 --> 00:22:07,000

Sunday from the producers of Married with Children, it's the series premiere of Rachel Gunn RN, right after in Living Color.

217

00:22:07,000 --> 00:22:11,000

Later that night, the guys on down the shore have a sexy new next door neighbor.

218

00:22:11,000 --> 00:22:12,000

She's trash.

219

00:22:12,000 --> 00:22:14,000

Well then, I'd like to take out the trash.

220

00:22:14,000 --> 00:22:17,000

It's an all new down the shore Sunday.

221

00:22:17,000 --> 00:22:20,000

Now stay tuned for Hidden Video, next.

222

00:22:42,000 --> 00:22:43,000

Sightings.
