

1

00:00:00,000 --> 00:00:03,000

The following program deals with a controversial subject.

2

00:00:03,000 --> 00:00:06,000

The theories expressed are not the only possible interpretation.

3

00:00:06,000 --> 00:00:10,000

The viewer is invited to make a judgment based on all available information.

4

00:00:11,000 --> 00:00:16,000

Tonight on Sightings, a family is terrorized by a deadly poltergeist.

5

00:00:16,000 --> 00:00:19,000

I raised my arm up and there was bites all over.

6

00:00:19,000 --> 00:00:21,000

And they were like biting through me.

7

00:00:21,000 --> 00:00:26,000

And an expert investigation brings them face to face with a frightening entity.

8

00:00:26,000 --> 00:00:29,000

He's here, I'm trying to convince him to show himself.

9

00:00:29,000 --> 00:00:34,000

Then a UFO encounter leaves the witnesses scarred for life.

10

00:00:34,000 --> 00:00:40,000

It's a composite of many UFO cases all rolled into one with very horrifying results.

11

00:00:40,000 --> 00:00:47,000

And evidence may reveal government involvement and did an ancient curse turn this Hawaiian paradise into hell on earth.

12

00:00:47,000 --> 00:00:52,000

The people that had stayed there saw dead bodies floating in the ocean.

13

00:00:52,000 --> 00:00:56,000

They had terrible, terrible odors in their rooms.

14

00:00:56,000 --> 00:00:59,000

We were told, don't scare away the tourists.

15

00:01:01,000 --> 00:01:04,000

At that point, it started to appear.

16

00:01:04,000 --> 00:01:07,000

They had large, dark eyes, small, eye-cans.

17

00:01:09,000 --> 00:01:12,000

I began sensing and knowing and feeling.

18

00:01:13,000 --> 00:01:16,000

I do believe in life after death. I mean, I've been there.

19

00:01:16,000 --> 00:01:20,000

We have not scratched the surface of what the mind can do.

20

00:01:22,000 --> 00:01:24,000

It's a connection with the unknown.

21

00:01:27,000 --> 00:01:33,000

Welcome to Sightings. I'm Tim White.

22

00:01:33,000 --> 00:01:38,000

For one family in the Midwest, owning their own business was a dream come true.

23

00:01:38,000 --> 00:01:42,000

But now that business has become a constant source of terror.

24

00:01:42,000 --> 00:01:44,000

The family, who wishes to remain anonymous,

25

00:01:44,000 --> 00:01:50,000

believes that they're plagued by a malicious poltergeist who's out to destroy their dream and them.

26

00:01:51,000 --> 00:01:55,000

It's an unlikely setting for this real-life horror story.

27

00:01:55,000 --> 00:02:00,000

America's Heartland, where the promise of the American dream can still be realized.

28

00:02:00,000 --> 00:02:03,000

Clean air and water, safe neighborhoods,

29

00:02:03,000 --> 00:02:07,000

a place where you can still buy a house and start your own business.

30

00:02:07,000 --> 00:02:12,000

All the reasons why the King family came here to raise their children and why they want to stay.

31

00:02:12,000 --> 00:02:18,000

But staying means confronting an evil force that seems to have possessed the family.

32

00:02:19,000 --> 00:02:22,000

One night out to bed in the early AM, and I woke up.

33

00:02:22,000 --> 00:02:26,000

And my daughter, who was not quite a year old, still in diapers.

34

00:02:26,000 --> 00:02:28,000

She wasn't even walking. She could stand.

35

00:02:28,000 --> 00:02:33,000

I woke up the next morning, and I felt pressure on my jaw real hard.

36

00:02:33,000 --> 00:02:37,000

And when I woke up and I looked up, my baby is standing straddling my neck

37

00:02:37,000 --> 00:02:39,000

and it's got a butcher knife shoved down my throat.

38

00:02:39,000 --> 00:02:42,000

Her eyes were open and she just kind of looked at me and she started screaming.

39

00:02:42,000 --> 00:02:44,000

Like I'd woke her up, but her eyes were open.

40

00:02:44,000 --> 00:02:48,000

The bizarre, violent episodes began in 1987,

41

00:02:48,000 --> 00:02:51,000

just after the Kings purchased this home and motel.

42

00:02:51,000 --> 00:02:56,000

The safe haven they'd sought here turned into a waking nightmare.

43

00:02:56,000 --> 00:03:00,000

We could hear pounding in the walls, screaming.

44

00:03:00,000 --> 00:03:03,000

We heard chanting. We heard singing.

45

00:03:03,000 --> 00:03:05,000

I'd just sort of flying across the room.

46

00:03:05,000 --> 00:03:13,000

I'd wake up with bruises or some kind of just beat me really bad and bite marks.

47

00:03:13,000 --> 00:03:18,000

I was looking at the tour de hall way and it stepped out of the wall and stood there.

48

00:03:18,000 --> 00:03:22,000

What seemed to me like an eternity and I just couldn't believe it.

49

00:03:22,000 --> 00:03:23,000

I was like...

50

00:03:23,000 --> 00:03:27,000

When the Kings first came here and saw the home and the Attachement Hotel,

51

00:03:27,000 --> 00:03:29,000

it was love at first sight.

52

00:03:29,000 --> 00:03:33,000

But in retrospect, the Kings believed there were warning signs.

53

00:03:33,000 --> 00:03:39,000

The \$60,000 asking price was reduced to \$24,000 when the family made a serious offer.

54

00:03:39,000 --> 00:03:43,000

There were whisperings about a gruesome murderous suicide in the house.

55

00:03:43,000 --> 00:03:47,000

The former caretakers confirmed these suspicions.

56

00:03:47,000 --> 00:03:53,000

There was a lady that lived here at one time that was supposed to have committed suicide.

57

00:03:53,000 --> 00:03:59,000

And we understand that she was supposed to have been really mean to her father-in-law.

58

00:03:59,000 --> 00:04:01,000

He was an old man.

59

00:04:01,000 --> 00:04:05,000

I never got any rest. Somebody was on my bed jumping continuously.

60

00:04:05,000 --> 00:04:07,000

My bed would move.

61

00:04:07,000 --> 00:04:09,000

They told me the house was not needed to start out with.

62

00:04:09,000 --> 00:04:15,000

But I just didn't stay around because you know, hey, something bothered you. Get away from it.

63

00:04:15,000 --> 00:04:20,000

After the Kings moved in, encounters with the unknown force intensified.

64

00:04:20,000 --> 00:04:23,000

A mysterious stain appeared above the fireplace.

65

00:04:23,000 --> 00:04:26,000

The spot was sandblasted, but the stain came back.

66

00:04:26,000 --> 00:04:30,000

Fresh paint and new wallpaper immediately peeled off the walls,

67

00:04:30,000 --> 00:04:34,000

and spontaneous fires kept erupting near the Attach.

68

00:04:34,000 --> 00:04:37,000

We thought somehow somebody was getting into the house, had keys or something,

69

00:04:37,000 --> 00:04:43,000

and for whatever reason was set in fire, trying to burn us out or something.

70

00:04:43,000 --> 00:04:45,000

And we said to the children down and talked to him.

71

00:04:45,000 --> 00:04:49,000

We said lock everything up. If you see any strange people or cars, come tell us.

72

00:04:49,000 --> 00:04:53,000

Well, I took my daughter to the bathroom, and she looked up at me.

73

00:04:53,000 --> 00:04:56,000

These, you know, real serious eyes and said,

74

00:04:56,000 --> 00:05:00,000

Mommy, she said, Daddy didn't start the first fire, and she said,

75

00:05:00,000 --> 00:05:02,000

The ghosts are setting the house on fire.

76

00:05:02,000 --> 00:05:04,000

And she meant it.

77

00:05:04,000 --> 00:05:08,000

You look at her eyes and just say, she meant what she was saying.

78

00:05:08,000 --> 00:05:11,000

The haunting has taken its toll on six-year-old Ashley.

79

00:05:11,000 --> 00:05:15,000

It's hard for her to talk about her experiences even with her own father.

80

00:05:15,000 --> 00:05:20,000

Maybe I can get you to talk a little bit about what went on in the house or something.

81

00:05:20,000 --> 00:05:23,000

Well, let me ask you, huh?

82

00:05:23,000 --> 00:05:24,000

Let me pray about it.

83

00:05:24,000 --> 00:05:30,000

In desperation, the King's consulted a parapsychologist specializing in poltergeists.

84

00:05:30,000 --> 00:05:35,000

They were having poltergeist-like activity in the house,

85

00:05:35,000 --> 00:05:42,000

which to me meant that things of a shadowy nature were taking place.

86

00:05:42,000 --> 00:05:49,000

I also felt that the children were in danger, or could be in danger.

87

00:05:49,000 --> 00:05:55,000

I recommended strongly that they not be brought back into the house until the place was cleared.

88

00:05:55,000 --> 00:05:59,000

But with their life savings in the house, the Kings were trapped.

89

00:05:59,000 --> 00:06:05,000

After Dr. Moscow's visit, Dorada began to have terrifying visions of a grisly murder.

90

00:06:05,000 --> 00:06:09,000

Was she seeing the ghostly images of a deadly crime?

91

00:06:09,000 --> 00:06:14,000

The first time that this happened, I had put my daughter who at the time was like a year and a half

old.

92

00:06:14,000 --> 00:06:15,000

She was a baby.

93

00:06:15,000 --> 00:06:20,000

I put her in the tub and she was standing here and I was sitting on the side of the tub and I felt that jolt.

94

00:06:20,000 --> 00:06:25,000

It felt just like somebody was running a movie projector on a wall.

95

00:06:25,000 --> 00:06:31,000

It was vivid color. I started seeing images or whatever of a man.

96

00:06:31,000 --> 00:06:35,000

A man was sitting on the side of the tub fighting with a woman and he killed her.

97

00:06:35,000 --> 00:06:38,000

I felt her. She released and it was over.

98

00:06:38,000 --> 00:06:42,000

The little girl hit her the first time at the shovel.

99

00:06:42,000 --> 00:06:51,000

I felt the emotion.

100

00:06:51,000 --> 00:06:57,000

She knew he was her partner and she screamed mommy.

101

00:06:57,000 --> 00:07:02,000

And mommy was already sliding down and he hit the little girl and the first time she hit the wall.

102

00:07:02,000 --> 00:07:06,000

So he hit her again and then her little head.

103

00:07:06,000 --> 00:07:11,000

His blood just started to, you know, kind of splattered on it all through her little hair.

104

00:07:11,000 --> 00:07:13,000

And then he drugged them over there.

105

00:07:13,000 --> 00:07:19,000

It got to the point and bad enough where me and Steven would even stay awake at night

106

00:07:19,000 --> 00:07:24,000

and just make sure we didn't feel anything or see anything happening to Doretta

107

00:07:24,000 --> 00:07:30,000

because she seemed to be at one point getting the most attention, I guess, if you want to put it that way.

108

00:07:30,000 --> 00:07:33,000

She was being almost like violated.

109

00:07:33,000 --> 00:07:39,000

And then it moved away from me onto the children and they were actually being bitten.

110

00:07:39,000 --> 00:07:44,000

Ashley got the worst of that. She would scream and say, make them stop.

111

00:07:45,000 --> 00:07:53,000

And one time I jumped on top of her and I was really mad and I told them to bite me.

112

00:07:53,000 --> 00:07:56,000

And I could feel her skin underneath me.

113

00:07:56,000 --> 00:08:01,000

I could feel it like it was depressing and I raised my arm up and it was bites all over.

114

00:08:01,000 --> 00:08:05,000

And they were like biting through me and they weren't biting me, but they were biting her.

115

00:08:05,000 --> 00:08:08,000

And that was horrible because I couldn't stop them from hurting them.

116

00:08:08,000 --> 00:08:11,000

Desperate to rid their lives of this terror,

117

00:08:11,000 --> 00:08:16,000

they turn to world-renowned parapsychologist Dr. William Roll for answers.

118

00:08:16,000 --> 00:08:22,000

This particular home is located in a triangle of high tension wires,

119

00:08:22,000 --> 00:08:32,000

leaving open the possibility that the occurrences may be related to that situation.

120

00:08:32,000 --> 00:08:37,000

A home like this is a kind of hatchery for ghosts, you might say,

121

00:08:37,000 --> 00:08:41,000

because of the electromagnetic fields.

122

00:08:41,000 --> 00:08:45,000

We accompanied Dr. Roll during his investigation.

123

00:08:45,000 --> 00:08:52,000

Three prominent psychics were brought in to try and identify the source of the disturbing poltergeist activity.

124

00:08:53,000 --> 00:09:00,000

I feel there was a murder here. Possible that there could be a body under this house or bodies too.

125

00:09:00,000 --> 00:09:05,000

I don't feel it's necessary to dig them up. I feel that these people can be released.

126

00:09:06,000 --> 00:09:09,000

Simply through understanding.

127

00:09:09,000 --> 00:09:11,000

The investigation proceeded.

128

00:09:11,000 --> 00:09:17,000

Finally, at 4.17 a.m., a breakthrough, the presence of an entity was strongly felt.

129

00:09:17,000 --> 00:09:22,000

Although our cameras couldn't pick up an image, Doretta felt she had made contact.

130

00:09:22,000 --> 00:09:25,000

He's here, I'm trying to convince him to show himself.

131

00:09:25,000 --> 00:09:27,000

You know where he might do that?

132

00:09:27,000 --> 00:09:28,000

He's standing right here.

133

00:09:28,000 --> 00:09:29,000

We're working with him.

134

00:09:29,000 --> 00:09:32,000

I mean, it's the first time he's ever even attempted to be nice.

135

00:09:33,000 --> 00:09:35,000

It's building. It's right there.

136

00:09:35,000 --> 00:09:36,000

Where?

137

00:09:36,000 --> 00:09:38,000

In the camera of the wood.

138

00:09:38,000 --> 00:09:41,000

Even one of our skeptical crew members felt the presence.

139

00:09:41,000 --> 00:09:43,000

I feel it and I see it right there.

140

00:09:43,000 --> 00:09:45,000

Yes, right here.

141

00:09:45,000 --> 00:09:47,000

We're just giving him some more negotiation here.

142

00:09:47,000 --> 00:09:49,000

My hair is standing on him.

143

00:09:49,000 --> 00:09:51,000

It's so strange.

144

00:09:51,000 --> 00:09:58,000

It's dissipated after all the activity of the evening. Calm down. There it was.

145

00:09:59,000 --> 00:10:08,000

Families who live in a home like this may experience, because of the place they're at in their lives,

146

00:10:08,000 --> 00:10:15,000

may experience events that have happened in the past in this house, in a house like this.

147

00:10:15,000 --> 00:10:19,000

There seems to be something that we call place memories.

148

00:10:19,000 --> 00:10:25,000

It's not only brains and minds that hold memories, but places also hold memories.

149

00:10:25,000 --> 00:10:31,000

We raised the children that monsters weren't real and there wasn't ghosts and boogie men.

150

00:10:31,000 --> 00:10:34,000

We raised them to be really secure in that.

151

00:10:34,000 --> 00:10:37,000

When this happened, when it all came about,

152

00:10:37,000 --> 00:10:42,000

suddenly our belief system and what we taught our children was turned upside down and shook.

153

00:10:42,000 --> 00:10:46,000

They looked at us and it was that look of, you know, we trusted you.

154

00:10:46,000 --> 00:10:52,000

Despite the work of the parapsychologists, the kings were finally forced out by the entity.

155

00:10:52,000 --> 00:10:59,000

They wanted a safer home for their children, but finances have made it impossible for them to abandon the home they own.

156

00:10:59,000 --> 00:11:04,000

They've had to move back and no one can predict what awaits them now.

157

00:11:07,000 --> 00:11:12,000

Coming up next, a UFO encounter leads the witnesses scarred for life.

158

00:11:12,000 --> 00:11:18,000

It's a composite of many UFO cases all rolled into one with very horrifying results.

159

00:11:19,000 --> 00:11:26,000

In recent years, there's been a marked increase in the number of people who claim to have had contact with alien beings.

160

00:11:26,000 --> 00:11:34,000

Some of them tell disturbing stories of abuse and claim to have real physical scars from the close encounters they found terrifying.

161

00:11:34,000 --> 00:11:39,000

When it comes to UFO encounters, Hollywood has had a field day.

162

00:11:39,000 --> 00:11:44,000

The movies have portrayed aliens as comical spacemen or as benevolent creatures.

163

00:11:44,000 --> 00:11:48,000

But the movies we love to laugh at have nothing to do with reality.

164

00:11:48,000 --> 00:11:51,000

Reality is a woman named Vicki Landrum.

165

00:11:51,000 --> 00:11:57,000

I go to grocery store and people would make fun of me.

166

00:12:00,000 --> 00:12:06,000

I try to go to church and the pastor asks me to come.

167

00:12:07,000 --> 00:12:18,000

Vicki Landrum has struggled to convince the government and the public that contact with extraterrestrials has left her scarred and riddled with disease.

168

00:12:18,000 --> 00:12:23,000

It's not just a light in the sky or somebody thinks they saw something.

169

00:12:23,000 --> 00:12:29,000

A real serious case, you know they've seen something. It changes people's lives.

170

00:12:29,000 --> 00:12:34,000

They're never the same afterwards if they've had a close encounter or if they've been injured.

171

00:12:35,000 --> 00:12:44,000

Houston, 1980. They were driving on a deserted road. Betty Cash, Vicki Landrum and her 7-year-old grandson Colby.

172

00:12:44,000 --> 00:12:51,000

They claim to have had a UFO encounter that left more than memories burned in the minds of these three victims.

173

00:12:54,000 --> 00:12:57,000

I kept screaming for Betty to get back in the car.

174

00:12:57,000 --> 00:13:08,000

So finally she came to get back in the car and when she caught a hold of that handle, it burned her ring into her finger.

175

00:13:08,000 --> 00:13:10,000

That car was that hot.

176

00:13:10,000 --> 00:13:15,000

They all had stomach aches, they all had diarrhea, they all vomited, they were all burned.

177

00:13:15,000 --> 00:13:24,000

They all developed sores later. They all lost some hair. Mrs. Cash, most of her hair, Mrs. Landrum less and the boy even less.

178

00:13:24,000 --> 00:13:29,000

But in each case, something happened that is typical of radiation exposure.

179

00:13:30,000 --> 00:13:36,000

My eyes were burned so till they swelled till I couldn't hardly see.

180

00:13:36,000 --> 00:13:42,000

I couldn't see how to read or watch TV or do nothing.

181

00:13:42,000 --> 00:13:49,000

And every time I'd get out in the sun, there'd be big blisters and I had sores all over my arms.

182

00:13:49,000 --> 00:13:56,000

After this happened to me, well, I couldn't work. I didn't have no friends to talk to.

183

00:13:56,000 --> 00:13:59,000

So it just made me like Ironman.

184

00:14:02,000 --> 00:14:13,000

The Cash Landrum case, as I call it, to me is a very significant case because we have a situation where we had a very large flying machine that came over the road that actually left marks on the road.

185

00:14:13,000 --> 00:14:21,000

So you know where it was exactly. It left burns on the trees, it left burns on the people, it changed their physiology.

186

00:14:21,000 --> 00:14:27,000

It's a composite of many UFO cases all rolled into one with very horrifying results.

187

00:14:27,000 --> 00:14:34,000

While campaigning for the presidency in 1976, Jimmy Carter claimed he had seen a UFO.

188

00:14:34,000 --> 00:14:39,000

Carter vowed to make all government materials on UFO sightings available to the public.

189

00:14:39,000 --> 00:14:48,000

Twenty years earlier, Andy Florio, a big band musician, had an encounter with a UFO in Arizona and experienced burns similar to Vicki Landrum's.

190

00:14:48,000 --> 00:14:52,000

Now, he wants the government to make good on Jimmy Carter's promise.

191

00:14:52,000 --> 00:15:03,000

Jimmy Carter made a commitment to the American people that he would release all UFO secrecy to the American people if he became president, which he did not do.

192

00:15:03,000 --> 00:15:11,000

He was a citizen and so forth, and as a victim of a UFO, I'm madder than hell. It's always to it.

193

00:15:11,000 --> 00:15:16,000

My elbow's burned me 37 years, man. It's going to burn me the rest of my life. I know it. It's burning me now.

194

00:15:16,000 --> 00:15:21,000

There are many secrets in this world kept by various governments and various peoples.

195

00:15:21,000 --> 00:15:32,000

In this particular case, if someone would just say what happened, whether it was extraterrestrial or it was a military experiment or whatever, we would all rest easier in knowing that it's something that's known.

196

00:15:33,000 --> 00:15:39,000

Although the government claims no responsibility, an Army colonel was sent to investigate Vicki Landrum's claims.

197

00:15:39,000 --> 00:15:55,000

He questioned me and I answered him. And then he told me that people had died, but listen what I was trying to do.

198

00:15:55,000 --> 00:16:03,000

Some investigators suggest that the Colonel's subtle threat was linked to helicopters Vicki saw surrounding the UFO.

199

00:16:03,000 --> 00:16:14,000

The helicopters came from different directions. There were groups of them that came in ways. One group came from the southwest, one came in from the east, and they all converged on the same area.

200

00:16:14,000 --> 00:16:18,000

Several of the helicopters flew around this object like they were trying to hem it in.

201

00:16:18,000 --> 00:16:25,000

The government wanted to experiment on something and they're taking the lives of people to do it.

202

00:16:28,000 --> 00:16:37,000

Our system is not set up to explain the unexplainable. People all over this country are mysteriously injured, even killed every year.

203

00:16:37,000 --> 00:16:42,000

Vicki Landrum believes some of them may have met with deadly alien forces.

204

00:16:42,000 --> 00:16:49,000

Because she is seriously ill, Vicki won't be silenced. She speaks out in the hope that others will not suffer her terrible fate.

205

00:16:55,000 --> 00:16:58,000

Coming up next, was this Hawaiian paradise cursed?

206

00:16:58,000 --> 00:17:00,000

We were told don't scare away the tourists.

207

00:17:00,000 --> 00:17:03,000

Or was it just local superstition?

208

00:17:03,000 --> 00:17:12,000

The people that had stayed there saw dead bodies floating in the ocean. They had terrible, terrible odors in their rooms.

209

00:17:14,000 --> 00:17:22,000

In virtually every culture, burial grounds are considered sacred. Some are said to carry a curse for those who dare violate them.

210

00:17:22,000 --> 00:17:29,000

Perhaps it was such a curse that struck the Seven Seas Hotel, a hotel built on sacred ground in Hawaii.

211

00:17:30,000 --> 00:17:40,000

The native peoples of Hawaii respect the awesome power and beauty of nature, because they believe that the same forces that created their island paradise can also destroy them.

212

00:17:40,000 --> 00:17:47,000

They believe the forces of nature are ruled by the gods, break their laws, and the gods will retaliate.

213

00:17:48,000 --> 00:17:59,000

Hawaiians believe ground that is sacred to the gods must be respected. For that reason, according to local beliefs, the Seven Seas Hotel should never have been built.

214

00:18:01,000 --> 00:18:10,000

Native Hawaiian people have a great deal of respect for what westerners might consider superstitions.

215

00:18:11,000 --> 00:18:20,000

When Hurricane Iwa destroyed the Seven Seas Hotel in 1982, many Hawaiians believed that it was an act of vengeance by angry gods.

216

00:18:20,000 --> 00:18:25,000

During construction of the hotel, an ancient Hawaiian burial site was unearthed.

217

00:18:25,000 --> 00:18:30,000

Some natives believed the site would be cursed unless it was blessed by a holy man, a kahuna.

218

00:18:30,000 --> 00:18:36,000

But developers dismissed the practice as superstition, and construction continued.

219

00:18:37,000 --> 00:18:40,000

In Hawaii, there are just certain things that you have to do.

220

00:18:40,000 --> 00:18:48,000

When you build something, you have to have the land blessed, and according to all details, this was not blessed.

221

00:18:48,000 --> 00:18:58,000

When if you're excavating, you uncover bones, they have to be disposed of properly, and apparently they were not disposed of properly here, so they were asking for trouble.

222

00:18:58,000 --> 00:19:01,000

Once the hotel opened, the gods seemed to make their presence known.

223

00:19:01,000 --> 00:19:06,000

The people that had stayed there saw dead bodies floating in the ocean.

224

00:19:06,000 --> 00:19:10,000

They had terrible, terrible odors in their rooms.

225

00:19:10,000 --> 00:19:13,000

They had birds attack them in the dining room.

226

00:19:13,000 --> 00:19:22,000

A lot of the local people that had originally started to work there experienced many, many eerie things, and a lot of them quit working.

227

00:19:22,000 --> 00:19:27,000

Me, I worked one night. I was a night chief, okay?

228

00:19:27,000 --> 00:19:30,000

Then I was cutting my vegetables.

229

00:19:30,000 --> 00:19:37,000

Then I don't know from where the tin came, rainbow color, spitting lead against the icebox.

230

00:19:37,000 --> 00:19:43,000

So I saw the grandfathers, and I took their knife, and I started cutting the shadow.

231

00:19:43,000 --> 00:19:47,000

I said, don't you ever bother me because I don't bother you.

232

00:19:48,000 --> 00:19:53,000

Julie Koh was 14 when she and her mother moved into the hotel in 1977.

233

00:19:53,000 --> 00:19:56,000

They stayed for six months in room 13.

234

00:19:56,000 --> 00:20:02,000

My mom would work late at night, and so I'd be home by myself, doing my homework and what all.

235

00:20:02,000 --> 00:20:05,000

And they'd just play games with me all night long.

236

00:20:05,000 --> 00:20:10,000

The only way I got rid of them, an old local woman told me, she said, they hate swearing.

237

00:20:10,000 --> 00:20:13,000

She said they absolutely hate swearing.

238

00:20:13,000 --> 00:20:17,000

And one night I had just had it. I couldn't sleep. I couldn't read.

239

00:20:17,000 --> 00:20:25,000

They were just making too much racket. They were making me very uncomfortable, and I got up on my bed and screamed every four-letter word I could think of

240

00:20:25,000 --> 00:20:30,000

in every combination I could think of. And by gosh, they didn't settle down and leave me alone for the night.

241

00:20:30,000 --> 00:20:35,000

You'd hear it every other night, the knives hitting the wall. Toilets flushing.

242

00:20:35,000 --> 00:20:38,000

People walking in the carpet after a while, just get used to it.

243

00:20:38,000 --> 00:20:44,000

We were told, don't scare away the tourists. You know, if they hear spooky noises, don't tell spooky stories.

244

00:20:44,000 --> 00:20:46,000

You know, make an excuse for the toilets, anything.

245

00:20:46,000 --> 00:20:53,000

Seven Seas was a nice hotel, not fabulous, but a nice view.

246

00:20:53,000 --> 00:20:58,000

So people came, but they didn't expect the sports at night.

247

00:20:58,000 --> 00:21:07,000

The hotel was plagued by disturbing events. Then, finally, Hurricane Iwa roared in and destroyed the Seven Seas Hotel.

248

00:21:07,000 --> 00:21:18,000

Was it simply the force of nature at work, or was it a deliberate retaliation by spiritual forces who were angered by the desecration of an ancient burial site?

249

00:21:18,000 --> 00:21:23,000

Locals believe Hurricane Iwa was the revenge of the gods.

250

00:21:23,000 --> 00:21:29,000

On the very same site where the Seven Seas Hotel was destroyed, a new condominium complex has been built.

251

00:21:29,000 --> 00:21:34,000

But before construction started this time, the land was blessed by a kahuna.

252

00:21:34,000 --> 00:21:38,000

Since the blessing, there have been no further incidents.

253

00:21:40,000 --> 00:21:44,000

Thanks for joining us. For sightings, I'm Tim White. Good night.

254

00:21:45,000 --> 00:21:51,000

Tomorrow, after a full hour of cops, a flash flood traps a man underwater in his car.

255

00:21:51,000 --> 00:21:55,000

Be there as a team of rescuers risk their own lives to save him.

256

00:21:55,000 --> 00:22:06,000

Then, see incredible footage of a heroic fireman attempting to catch a baby girl as she falls from a third-story balcony on an all-new Code 3 tomorrow.

257

00:22:06,000 --> 00:22:11,000

And Sunday, on Married with Children, Bud Bundy has not one woman, but two.

258

00:22:11,000 --> 00:22:14,000

Could this be the end of civilization as we know it?

259

00:22:14,000 --> 00:22:18,000

Married with Children, Sunday after In Living Color and Rachel Gunn.

260

00:22:18,000 --> 00:22:21,000

Now, stay tuned for Hidden Video.
