

1

00:00:00,000 --> 00:00:04,000

The following program deals with controversial subjects.

2

00:00:04,000 --> 00:00:07,000

The theories expressed are not the only possible interpretation.

3

00:00:07,000 --> 00:00:11,000

The viewer is invited to make a judgment based on all available information.

4

00:00:11,000 --> 00:00:18,000

Tonight on Scythons, thousands of Americans may have been abducted and sexually abused by extraterrestrials.

5

00:00:18,000 --> 00:00:22,000

I'm one of those few men who knows what a woman feels like when she's raped.

6

00:00:22,000 --> 00:00:24,000

We reveal their frightening motives.

7

00:00:24,000 --> 00:00:29,000

Then we uncover the U.S. military's own top secret UFOs hidden in the Nevada desert.

8

00:00:29,000 --> 00:00:32,000

We have things out there that are literally out of this world.

9

00:01:00,000 --> 00:01:05,000

Hello, I'm Tim White. Welcome to Scythons.

10

00:01:05,000 --> 00:01:10,000

The abduction phenomenon has become a disturbing part of many UFO sightings.

11

00:01:10,000 --> 00:01:15,000

At first, only a few people claimed to have been forcibly taken away by extraterrestrials.

12

00:01:15,000 --> 00:01:19,000

But now, so many people have come forward with similar stories

13

00:01:19,000 --> 00:01:24,000

that alien abduction can no longer be written off as the fantasies of a very few.

14

00:01:24,000 --> 00:01:28,000

I looked up in my rearview mirror and lights were coming down out of the sky.

15

00:01:28,000 --> 00:01:33,000

I walked out to the edge of the water and I noticed this huge, shining thing.

16

00:01:33,000 --> 00:01:37,000

I was so terrified looking into these big black eyes and these little creatures.

17

00:01:37,000 --> 00:01:41,000

I was thinking I could just raise my fist and crush his head.

18

00:01:41,000 --> 00:01:44,000

And exactly at that moment, I became paralyzed.

19

00:01:44,000 --> 00:01:48,000

It's the kind of fear that I've only experienced one other time

20

00:01:48,000 --> 00:01:52,000

and that's when I was robbed and I had a gut in my head and that's the kind of fear it is.

21

00:01:52,000 --> 00:01:57,000

I thought that I was dying. I'm dying now. This is what it's like when you die.

22

00:01:58,000 --> 00:02:01,000

The visions often come during sleep.

23

00:02:01,000 --> 00:02:06,000

Nightmares about being abducted, probed and prodded by aliens who have sinister motives.

24

00:02:06,000 --> 00:02:10,000

Hundreds of people have come forward to talk about their disturbing experiences

25

00:02:10,000 --> 00:02:13,000

and admit that they think their nightmares are real.

26

00:02:13,000 --> 00:02:18,000

Experts believe that there are thousands, perhaps even millions more just like them,

27

00:02:18,000 --> 00:02:20,000

who are too afraid to talk.

28

00:02:20,000 --> 00:02:25,000

In secret life, author David Jacobs chronicles the abduction phenomenon.

29

00:02:25,000 --> 00:02:29,000

We have hundreds and thousands of people who are coming forward

30

00:02:29,000 --> 00:02:33,000

and saying that the abduction phenomenon has happened to them, that they've experienced it

31

00:02:33,000 --> 00:02:37,000

and basically they say the same thing as everybody else has said

32

00:02:37,000 --> 00:02:42,000

and until recently, there was no possibility that they could have picked up these stories in the media.

33

00:02:42,000 --> 00:02:48,000

Since she was a baby, commercial photographer Kim Carlsberg has been plagued by memories of abduction.

34

00:02:48,000 --> 00:02:52,000

At 4.30 in the morning, I saw this image of these four beings

35

00:02:52,000 --> 00:02:55,000

just move through this wall.

36

00:02:55,000 --> 00:02:58,000

They just, like it wasn't there.

37

00:02:58,000 --> 00:03:02,000

And they came over to me, two at my feet, two at my head

38

00:03:02,000 --> 00:03:05,000

and they started to lift me up to the ceiling.

39

00:03:05,000 --> 00:03:08,000

Most abductions take place where a person is taken out of the normal environment,

40

00:03:08,000 --> 00:03:10,000

they're taken against their will.

41

00:03:10,000 --> 00:03:14,000

They have physical, mental, reproductive procedures performed on them and then they're released.

42

00:03:14,000 --> 00:03:19,000

Bud Hopkins has been researching alien abduction reports for 26 years

43

00:03:19,000 --> 00:03:22,000

and is a firm believer.

44

00:03:22,000 --> 00:03:25,000

I'm the first to admit that all this sounds outrageous.

45

00:03:25,000 --> 00:03:29,000

It all sounds just crazy, yet the evidence is there behind it.

46

00:03:29,000 --> 00:03:34,000

But skeptic Philip Klass believes mass media is to blame for the rise in abduction reports.

47

00:03:34,000 --> 00:03:39,000

Dozens of talk shows, dozens of other TV shows

48

00:03:39,000 --> 00:03:46,000

have promoted this idea that aliens are here and abducting human beings

49

00:03:46,000 --> 00:03:50,000

and so it becomes the popular myth.

50

00:03:50,000 --> 00:03:55,000

These particular problems could adequately be explained by the condition in our co-lebsi.

51

00:03:55,000 --> 00:04:00,000

This is a disorder characterized by hypnagogic hallucinations

52

00:04:00,000 --> 00:04:04,000

and hallucinations that occur at sleep onset,

53

00:04:04,000 --> 00:04:10,000

which can be very vivid and include the feeling of other people being present in the room

54

00:04:10,000 --> 00:04:13,000

or a sensation of levitation.

55

00:04:13,000 --> 00:04:17,000

These hallucinations will actually describe saying that they are looking down onto their body.

56

00:04:17,000 --> 00:04:22,000

I have two people that I've never met describing this exact same examination

57

00:04:22,000 --> 00:04:26,000

of their head being opened up, something being done to their brain,

58

00:04:26,000 --> 00:04:28,000

and being put back together again.

59

00:04:28,000 --> 00:04:32,000

They opened my back. I knew my back was open because I could feel

60

00:04:32,000 --> 00:04:36,000

it was almost as though a slit had been drawn down my back and across to the side

61

00:04:36,000 --> 00:04:40,000

and they had opened a flap of flesh and tissue.

62

00:04:40,000 --> 00:04:43,000

Whether the reports come from adults or children, men or women,

63

00:04:43,000 --> 00:04:46,000

most of them follow similar patterns.

64

00:04:46,000 --> 00:04:49,000

There's a bright light that shines in the room. The abductee sees it.

65

00:04:49,000 --> 00:04:52,000

They hear a noise outside.

66

00:04:52,000 --> 00:04:54,000

They're not interested in your maid. They're interested in you.

67

00:04:54,000 --> 00:04:59,000

So what they do is they render the person that you're with unconscious.

68

00:04:59,000 --> 00:05:04,000

She goes up a beam of light with the alien into a hovering craft.

69

00:05:04,000 --> 00:05:08,000

If anyone goes into the room at that point, there's no one in the room.

70

00:05:08,000 --> 00:05:11,000

You're in bed. In other words, the person is literally missing.

71

00:05:11,000 --> 00:05:15,000

You find yourself on a table and these creatures around you with instruments

72

00:05:15,000 --> 00:05:18,000

and you have no idea what they're doing and they don't tell you.

73

00:05:18,000 --> 00:05:21,000

My skin was sliced like with a surgical instrument.

74

00:05:21,000 --> 00:05:24,000

When a person is abducted, it's a physical examination.

75

00:05:24,000 --> 00:05:31,000

The focus of the entire enterprise seems to me to be unmistakably on reproductive issues.

76

00:05:31,000 --> 00:05:36,000

They have a mission, a job to do, and they're doing their job

77

00:05:36,000 --> 00:05:39,000

with little respect to their subjects.

78

00:05:39,000 --> 00:05:44,000

90% of reported abductions involve descriptions of what experts call grey aliens,

79

00:05:44,000 --> 00:05:50,000

extraterrestrial creatures with oversized heads and dark almond shaped protruding eyes.

80

00:05:50,000 --> 00:05:53,000

Less common are insect-like or reptilian creatures.

81

00:05:53,000 --> 00:05:57,000

The reptilian type has bothered a lot of people.

82

00:05:57,000 --> 00:06:00,000

It seems to be quite hostile and intrusive.

83

00:06:00,000 --> 00:06:02,000

It often has claw-like hands.

84

00:06:02,000 --> 00:06:06,000

I know there's one case where claw marks were photographed on the back of a woman.

85

00:06:06,000 --> 00:06:11,000

There's one being in particular that I always recognize and he's not a grey.

86

00:06:11,000 --> 00:06:16,000

He's taller, he's thinner, he's got a bigger head, he's got bigger eyes.

87

00:06:16,000 --> 00:06:19,000

His limbs are very praying mantis-like.

88

00:06:19,000 --> 00:06:24,000

I remember being on the table with my head turned away, not wanting to look at this creature.

89

00:06:24,000 --> 00:06:29,000

And then when I looked at him, I just recognized him as the one that I hated.

90

00:06:29,000 --> 00:06:35,000

In a few cases, subjects claim to see hybrids, creatures who are half human, half alien.

91

00:06:35,000 --> 00:06:40,000

Some abductees believe they have been cross-bred with aliens to create these hybrids.

92

00:06:40,000 --> 00:06:48,000

A very important part of the abduction phenomenon is that there are reproductive procedures carried out upon them.

93

00:06:48,000 --> 00:06:51,000

I've been shown children, I've been shown babies.

94

00:06:51,000 --> 00:06:55,000

I've been asked to hold children and babies.

95

00:06:55,000 --> 00:06:59,000

I've been asked to give these children affection.

96

00:06:59,000 --> 00:07:05,000

And these children aren't alien children and they're not human children.

97

00:07:05,000 --> 00:07:07,000

They're somewhere in between.

98

00:07:07,000 --> 00:07:12,000

I had a woman who had been to the doctor, had an ultrasound done.

99

00:07:12,000 --> 00:07:18,000

Her husband was there, everyone observed at three months a healthy fetus.

100

00:07:18,000 --> 00:07:21,000

The next day she wakes up screaming, they took it.

101

00:07:21,000 --> 00:07:28,000

So upset, her husband takes her back to the doctor, he does a pregnancy test, finds out she's no longer pregnant, they do a DNC, there's nothing there.

102

00:07:28,000 --> 00:07:34,000

The most humiliating thing that happened to me is they put a cylindrical sort of thing over my genitals.

103

00:07:34,000 --> 00:07:38,000

And it made me have an orgasm in a second.

104

00:07:38,000 --> 00:07:44,000

And I really feel like I'm one of those few men who knows what a woman feels like when she's raped.

105

00:07:44,000 --> 00:07:52,000

I've been on a table and I've seen something removed from my body that I will call a fetus.

106

00:07:52,000 --> 00:07:56,000

A baby was so small I couldn't believe that it could live on its own.

107

00:07:56,000 --> 00:08:00,000

I remember putting my finger in the arch of its foot.

108

00:08:00,000 --> 00:08:03,000

I was afraid to look at the face, I was afraid to see what it looked like.

109

00:08:03,000 --> 00:08:08,000

There seems to be an enormous interest in the emotional side of this too, in the part of the aliens.

110

00:08:08,000 --> 00:08:12,000

They want us to hold these odd little children, these babies.

111

00:08:12,000 --> 00:08:16,000

They want to see how a mother will hold in love a child.

112

00:08:16,000 --> 00:08:18,000

Things which to us are instinctive.

113

00:08:18,000 --> 00:08:24,000

The abduction phenomenon begins usually in infancy, or at least by the age of two, three or four.

114

00:08:24,000 --> 00:08:30,000

It continues all through childhood, all through maturity, and into old age as well.

115

00:08:30,000 --> 00:08:37,000

I have many cases where the person is taken as a child, usually what we refer to as the bedroom visitation.

116

00:08:37,000 --> 00:08:42,000

I was laying in bed, I opened my eyes, and here's a little gray standing there looking at me.

117

00:08:42,000 --> 00:08:45,000

And all I could really remember were those dark eyes.

118

00:08:45,000 --> 00:08:50,000

It is as if that person has become a kind of tagged animal in someone else's experiment.

119

00:08:50,000 --> 00:08:59,000

And that little person, as he or she grows to adulthood, will be abducted over a period of time at irregular intervals.

120

00:08:59,000 --> 00:09:07,000

Let us assume that this is all being made up, that this is internally generated, that there is no abduction phenomenon.

121

00:09:07,000 --> 00:09:12,000

If that's the case, then we have discovered something of enormous importance.

122

00:09:12,000 --> 00:09:18,000

What are the repercussions of thousands of people running around thinking they're crazy, feeling crazy, being crazy,

123

00:09:18,000 --> 00:09:22,000

because they have no way to understand what's happening?

124

00:09:22,000 --> 00:09:25,000

Psychiatrists and psychologists who are dealing with these people are the first to say,

125

00:09:25,000 --> 00:09:32,000

something happened to this person. This is not a fantasy, this is not something the person cooked up.

126

00:09:32,000 --> 00:09:37,000

This was an event in that person's life which was truly upsetting.

127

00:09:37,000 --> 00:09:42,000

These experiences are not pleasant experiences. This is not something I'm happy happened to me.

128

00:09:42,000 --> 00:09:48,000

There's a part of me that would love to find the answer that it was something else.

129

00:09:48,000 --> 00:09:56,000

It's a very lonely place to be, to have this experience and not be able to remember the details and not know if it's real.

130

00:09:56,000 --> 00:10:01,000

And it's very, very hard to walk through life with this kind of a secret.

131

00:10:01,000 --> 00:10:07,000

Even some of the most skeptical members of the psychiatric profession agree that the abduction phenomenon is not a hoax,

132

00:10:07,000 --> 00:10:13,000

but the causes for these stories are to be found not in alien spacecraft, but right here on Earth.

133

00:10:13,000 --> 00:10:20,000

When we return, Sightings finds evidence that at least some UFO encounters may be the result of top secret experiments

134

00:10:20,000 --> 00:10:23,000

the government doesn't want you to know about.

135

00:10:23,000 --> 00:10:29,000

Coming up, what's hidden in Area 51? Many claim it's the US military's own top secret UFOs.

136

00:10:29,000 --> 00:10:34,000

We have things out there that are literally out of this world.

137

00:10:34,000 --> 00:10:37,000

For years the US government has had a standing policy.

138

00:10:37,000 --> 00:10:41,000

It would neither confirm nor deny the existence of UFOs.

139

00:10:41,000 --> 00:10:49,000

Their non-cooperation has been interpreted by many ufologists as evidence of a government conspiracy to cover up UFO sightings.

140

00:10:49,000 --> 00:10:55,000

Now Sightings has uncovered information that provides another explanation for their silence.

141

00:10:55,000 --> 00:11:02,000

Many UFO sightings may actually be top secret military aircraft the government doesn't want you to know about.

142

00:11:02,000 --> 00:11:07,000

When I first saw the UFO it was directly overhead, moving incredibly slowly.

143

00:11:07,000 --> 00:11:10,000

The shape of it was half a triangle.

144

00:11:10,000 --> 00:11:15,000

And all of a sudden over at the hill this enormous pattern of lights emerges.

145

00:11:15,000 --> 00:11:21,000

I was just in awe of what I'd seen because I didn't know what it was and I'd never seen anything like it.

146

00:11:21,000 --> 00:11:23,000

Holy cow!

147

00:11:23,000 --> 00:11:29,000

There's no question that there have been sightings by military devices in space.

148

00:11:29,000 --> 00:11:36,000

And that gets us right to the UFO question. Are we dealing with a cosmic watergate? Which I maintain that we are.

149

00:11:36,000 --> 00:11:39,000

What the hell was that? I don't know. It was me.

150

00:11:39,000 --> 00:11:41,000

It was like leaving stuff behind it wasn't it?

151

00:11:41,000 --> 00:11:48,000

For the past 25 years the United States government, especially the Air Force, has been telling us these things don't exist.

152

00:11:48,000 --> 00:11:58,000

I feel that there's been so much controversy about cover-ups in UFO phenomena and everything that goes on.

153

00:11:58,000 --> 00:12:03,000

And I think that someone needs to point out that a lot of it is just hard wash.

154

00:12:03,000 --> 00:12:07,000

And anybody who says the United States government is not withholding information about flying

155

00:12:07,000 --> 00:12:11,000

so it simply isn't telling the truth or they're totally ignorant one way or the other.

156

00:12:11,000 --> 00:12:17,000

Our most recent investigation has concentrated on a series of sightings in the western United States.

157

00:12:17,000 --> 00:12:26,000

Sightings has learned that many UFOs spotted in California and Nevada may actually be highly classified military experiments called black projects.

158

00:12:26,000 --> 00:12:37,000

Sources familiar with these black projects, many of whom wish to remain anonymous, have told us that the military is now experimenting with aerospace technology beyond our wildest dreams.

159

00:12:37,000 --> 00:12:45,000

The objects we're talking about are zipping around and doing hard angled turns, acute angled turns.

160

00:12:45,000 --> 00:12:53,000

In order to do that it must be controlling gravity and therefore what you're talking about is a spacecraft, not an aircraft.

161

00:12:53,000 --> 00:13:01,000

I think you have to be careful not to confuse what's mysterious with what is virtually supernatural.

162

00:13:01,000 --> 00:13:09,000

Certainly some of these things are going to look very strange, they're very unlike aircraft with which people are familiar.

163

00:13:09,000 --> 00:13:18,000

Well certainly the history of the flying saucer phenomena suggests that in the past classified programs resulted in a lot of reports of flying saucers.

164

00:13:18,000 --> 00:13:29,000

And if you see all of the instances where conventional aircraft have been misinterpreted as flying saucers, it's quite easy to understand how unconventional aircraft could receive a similar misinterpretation.

165

00:13:29,000 --> 00:13:35,000

In the Nevada desert we have things that would make George Lucas envious. We have things out there that are literally out of this world.

166

00:13:35,000 --> 00:13:42,000

Most aeronautical black projects reportedly operate out of this test site located at Groom Lake in Nevada.

167

00:13:42,000 --> 00:13:54,000

This installation is also known as Area 51 or Dreamland. The government denies the very existence of Area 51, but these photographs do prove there is an installation at Groom Lake.

168

00:13:54,000 --> 00:14:04,000

They have a hangar near the south end of the ramp that appears to have doors that are almost 200 feet tall, 400 feet wide. You can put anything in there.

169

00:14:04,000 --> 00:14:09,000

One of the problems associated with Groom Lake is the fact that it is a place that does not officially exist.

170

00:14:09,000 --> 00:14:12,000

This federal official insisted on hiding his identity.

171

00:14:12,000 --> 00:14:28,000

Area 51 is the most tightly secured installation in this country. It's guarded both over the air and on the ground by elite Air Force Security Police and Department of Energy Special Response Teams.

172

00:14:28,000 --> 00:14:35,000

They are heavily armed and their total mission is to keep people off of this installation.

173

00:14:35,000 --> 00:14:44,000

It's an ideal place for top secret, highly classified military projects to refine them to take them to the next level.

174

00:14:44,000 --> 00:14:53,000

This is the place. You have deep, deep desert valleys, high mountain ranges to camouflage and mask these things when they fly.

175

00:14:53,000 --> 00:14:59,000

The military is the top dog here in Nevada. No doubt about it. They run the show.

176

00:14:59,000 --> 00:15:08,000

If someone came to me and said there's just absolutely nothing, that's secret. And they decided

they were going to hike into Area 51.

177

00:15:08,000 --> 00:15:14,000

I think that could be the biggest and perhaps the last mistake they're going to make in their life.

178

00:15:14,000 --> 00:15:25,000

Are these people still locked into a Cold War mentality? Is that the point here? Or are they really hiding something that's totally alien?

179

00:15:25,000 --> 00:15:31,000

Is this otherworldly technology that's being applied to Air Force Black projects?

180

00:15:31,000 --> 00:15:36,000

One of the most recent Black projects to be leaked to the media has been dubbed Aurora.

181

00:15:36,000 --> 00:15:41,000

The few facts revealed so far about Aurora's speed and maneuverability are tantalizing.

182

00:15:41,000 --> 00:15:48,000

Rumors about Aurora first started after thousands of people in Southern California reported feeling earthquakes.

183

00:15:48,000 --> 00:15:53,000

Seismologists found that the tremors were not earthquakes but were caused by sonic booms.

184

00:15:53,000 --> 00:16:00,000

The booms were the first hard evidence that high-speed, undivided aircraft were operating over the western United States.

185

00:16:00,000 --> 00:16:08,000

We really can't tell what's moving. The only thing we see is the sonic boom and that's telling us that something is moving faster than speed of sound.

186

00:16:08,000 --> 00:16:11,000

So actually we can't even tell it's an airplane.

187

00:16:11,000 --> 00:16:15,000

The sonic booms were tracked and found to be heading toward Nevada.

188

00:16:15,000 --> 00:16:22,000

At the same time, witnesses described an increasing number of UFOs that defied the laws of aerodynamics.

189

00:16:22,000 --> 00:16:27,000

If they are top-secret military aircraft, where is this new technology coming from?

190

00:16:27,000 --> 00:16:37,000

The technology is incredible. A Mach 6 airplane, an unmanned aerial vehicle performing these incredibly banked high-speed turns.

191

00:16:37,000 --> 00:16:46,000

It boggles the mind. Yeah, I think it could possibly be something otherworldly or at least borrowed alien technology.

192

00:16:46,000 --> 00:16:48,000

I don't put that beyond the realm.

193

00:16:48,000 --> 00:16:55,000

Top-secret testing of experimental aircraft does provide a compelling explanation for many UFO sightings.

194

00:16:55,000 --> 00:17:03,000

But what about sightings which occur in remote areas far from military bases or sightings in which eyewitnesses claim personal contact?

195

00:17:03,000 --> 00:17:08,000

Further investigation is needed to provide a more complete answer to the UFO question.

196

00:17:08,000 --> 00:17:14,000

Coming up, a sighting's viewer asks us to investigate a sinister entity that haunts her family's home.

197

00:17:14,000 --> 00:17:18,000

My little girl's hysterical and I can't do anything.

198

00:17:18,000 --> 00:17:24,000

Recently, one of our viewers called and tell us that she believes her home and family are haunted

199

00:17:24,000 --> 00:17:28,000

and has asked sightings to conduct a ghost investigation.

200

00:17:28,000 --> 00:17:34,000

Well, we thought this would be a good opportunity to show you step by step how a real ghost investigation is conducted.

201

00:17:34,000 --> 00:17:39,000

I went to her home in Garden Grove, California to begin the investigation process.

202

00:17:39,000 --> 00:17:47,000

My little girl's hysterical and I can't do anything. I feel so weak, so helpless, and I don't know what to do.

203

00:17:47,000 --> 00:17:54,000

Soon after Anita Mock and her family moved into this Garden Grove, California home, the haunting phenomena began.

204

00:17:54,000 --> 00:18:01,000

At first, the family claimed the ghostly activity was benign. Objects would appear and disappear without warning.

205

00:18:01,000 --> 00:18:05,000

But in the past few weeks, the haunting has taken a frightening turn.

206

00:18:05,000 --> 00:18:13,000

When I saw that that night, I dropped the dishes that I was holding in. I grabbed my little sister and I ran outside and I just went hysterical.

207

00:18:13,000 --> 00:18:16,000

I turned around and looked at her and I just got up and started running.

208

00:18:16,000 --> 00:18:21,000

We both jumped because we're ready for anything at that moment. We're just so scared.

209

00:18:21,000 --> 00:18:26,000

The family has seen a spectral figure dressed in white moving through the house.

210

00:18:26,000 --> 00:18:33,000

Doors slammed for no reason, lights go on and off, and as Anita told me, something is now physically harming her children.

211

00:18:33,000 --> 00:18:36,000

Three year old sleeps right here.

212

00:18:36,000 --> 00:18:41,000

And I came in and I asked her what's wrong. She just sat up and she was just shaking and she just started crying.

213

00:18:41,000 --> 00:18:45,000

And I just kept telling her, what's wrong? Did you have a bad dream?

214

00:18:45,000 --> 00:18:51,000

Oh no, no, no. Bad man walked from hall, came in here and gave me an ouchie.

215

00:18:51,000 --> 00:18:54,000

What did she mean, gave her ouchie?

216

00:18:54,000 --> 00:18:57,000

That meant to her that he hurt her.

217

00:18:57,000 --> 00:19:04,000

No physical effects could be seen after the daughter's frightening experience, but psychologically, the haunting has certainly affected everyone.

218

00:19:04,000 --> 00:19:11,000

Tell us what happened on that night when you saw something in the kitchen.

219

00:19:11,000 --> 00:19:14,000

It looked like something was staring at me.

220

00:19:14,000 --> 00:19:21,000

I noticed something was wearing white and it was peeking around the door and it had like its hands on the door.

221

00:19:21,000 --> 00:19:26,000

She grabbed my daughter because she was afraid to look up at her. She was afraid, because it looked solid.

222

00:19:26,000 --> 00:19:28,000

She was afraid it was going to come out and get her.

223

00:19:28,000 --> 00:19:37,000

I ran out. I went out in the backyard and Anita was out there and I just started crying and I couldn't stop crying.

224

00:19:38,000 --> 00:19:45,000

In desperation, the family asked a Catholic priest to bless the home in hopes that it would drive away the entity.

225

00:19:45,000 --> 00:19:49,000

But it's still here and I don't know what to do.

226

00:19:49,000 --> 00:19:55,000

I mean, what do you do in a situation like this when a little girl is scared to death and you can't comfort her?

227

00:19:55,000 --> 00:19:58,000

I don't know what to do.

228

00:19:58,000 --> 00:20:05,000

We've asked Lloyd Arback, the director of the OPI, the office of Paranormal Investigations, to conduct this ghost investigation for us.

229

00:20:05,000 --> 00:20:07,000

Lloyd Arback, welcome to Sightings.

230

00:20:07,000 --> 00:20:09,000

Thank you, Tim. It's good to be here.

231

00:20:09,000 --> 00:20:12,000

Typically, what would be your first step in an investigation?

232

00:20:12,000 --> 00:20:15,000

The first step in any investigation is always going to be witness interviews.

233

00:20:15,000 --> 00:20:22,000

And we'll try to do other things such as go through the house, which is very typical, with a map, a floor plan of the house,

234

00:20:22,000 --> 00:20:27,000

and try to pin down where things have gone on within the house, usually with a couple of the witnesses.

235

00:20:27,000 --> 00:20:32,000

And we also walk through with our tri-field meters, which measure magnetic fields, among other things,

236

00:20:32,000 --> 00:20:36,000

to try to determine if there's any sort of correlation.

237

00:20:36,000 --> 00:20:41,000

Do you have any hunches, Lloyd, about what might be causing a haunting phenomenon in this case, if there is one?

238

00:20:41,000 --> 00:20:49,000

My hunch is this is probably a poltergeist case where we might have some things being moved around by someone or the whole family,

239

00:20:49,000 --> 00:20:52,000

using mind over battery ability, and there might be an overtone of an apparition.

240

00:20:52,000 --> 00:20:59,000

That has happened in a number of cases where, literally, some suggestion that there might be a ghost there has caused people to see it.

241

00:20:59,000 --> 00:21:03,000

Lloyd, what is it that interests you about this particular case?

242

00:21:03,000 --> 00:21:09,000

Probably the most interesting thing about this case is that it is a mixed bag, that we have physical object movement,

243

00:21:09,000 --> 00:21:11,000

plus we have an apparition being cited.

244

00:21:11,000 --> 00:21:20,000

With very rare exceptions, most of the apparition cases where people see a ghost or hear voices that seem to be fairly intelligent,

245

00:21:20,000 --> 00:21:26,000

that we call apparitions or ghosts, those cases don't also involve physical object movement.

246

00:21:26,000 --> 00:21:29,000

So this is kind of interesting from the point that it might be both.

247

00:21:29,000 --> 00:21:32,000

It could be an apparition moving things around, it could be a poltergeist,

248

00:21:32,000 --> 00:21:38,000

or it could be a lot of things that are misinterpreted by the family, and there could be nothing paranormal going on.

249

00:21:38,000 --> 00:21:39,000

Lloyd, thanks for joining us.

250

00:21:39,000 --> 00:21:40,000

Thank you, Tim.

251

00:21:40,000 --> 00:21:46,000

In the coming weeks, we'll bring you updates on Lloyd's progress as he conducts this ghost investigation.

252

00:21:46,000 --> 00:21:52,000

To report your paranormal experience, call the sightings hotline at 1-900-740-SITE.

253

00:21:52,000 --> 00:21:57,000

Each call 75 cents a minute, average call last two minutes, and you must be 18 years or older.

254

00:21:57,000 --> 00:22:02,000

Again, call 1-900-740-7483.

255

00:22:02,000 --> 00:22:07,000

Join us next time for new investigations into the unexplained.

256

00:22:07,000 --> 00:22:10,000

For Sightings, I'm Tim White. Good night.

257

00:22:17,000 --> 00:22:26,000

Tomorrow, after a full hour of cops, emergency teams go into action to save the victims of an airliner crash on a special hour of Code 3.

258

00:22:26,000 --> 00:22:29,000

Now, likely suspects is next.

259

00:22:46,000 --> 00:22:49,000

You
