

1

00:00:00,000 --> 00:00:07,640

Those subjects the theories expressed are not the only possible interpretation the viewer is invited to make a judgment based on all available information

2

00:00:09,040 --> 00:00:11,960

Tonight on science I'm your guardian angel

3

00:00:12,960 --> 00:00:16,080

Wouldn't be a bit surprised whether you believe in angels or not

4

00:00:16,080 --> 00:00:23,000

You'll be surprised by these amazing real-life encounters or whatever was some sort of miracle then our team of ghost investigators

5

00:00:23,000 --> 00:00:28,520

Hunts for the sinister force haunting this Kentucky musical plus astrological predictions for the new year

6

00:00:30,000 --> 00:00:32,000

Oh

7

00:01:00,000 --> 00:01:08,520

Welcome to sightings I'm Tim white it is considered to be the most haunted place in Kentucky a country music club called music world

8

00:01:08,520 --> 00:01:10,960

That's been plagued by supernatural activity

9

00:01:11,520 --> 00:01:13,000

Why music world?

10

00:01:13,000 --> 00:01:17,480

Well, some believe it's because the club was built on a site where gruesome murder occurred and

11

00:01:17,880 --> 00:01:23,440

Because the murder was rumored to be part of a satanic ritual the area has been dubbed hell's gate

12

00:01:24,040 --> 00:01:29,160

This building on the site known as hell's gate was built more than 100 years ago

13

00:01:29,160 --> 00:01:35,280

And now houses Bobby Mackie's music world a country Western bar and dance club in Wilder, Kentucky

14

00:01:35,960 --> 00:01:37,960

The patrons here come for good time

15

00:01:38,640 --> 00:01:46,600

Oblivious to the buildings evil past they do not know that once this was a slaughterhouse and later a place where some say

16

00:01:47,040 --> 00:01:50,840

Satanic rituals and murder occurred satanic worshipers

17

00:01:51,160 --> 00:01:57,400

Went there at night to worship and praise the devil due to the blood that was spilled there from the dead animals

18

00:01:57,760 --> 00:02:03,260

Their blood was poured into a well the well is known as hell's gate the slaughterhouse

19

00:02:03,560 --> 00:02:12,080

Closed since 1938 and the bloody well now sealed are just two examples of the evil that has plagued this site since the 19th century

20

00:02:12,360 --> 00:02:17,200

In 1896 a girl named pearl Bryant was beheaded somewhere in that area

21

00:02:18,000 --> 00:02:21,160

Two men Alonso Walling and Scott Jackson were arrested for that crime

22

00:02:21,560 --> 00:02:27,040

People still today talk about Alonso Walling and Scott Jackson refusing to tell the whereabouts of pearls head

23

00:02:27,360 --> 00:02:32,120

While they had the nooses around their neck the judge had offered him a life sentence opposed to death

24

00:02:32,120 --> 00:02:37,040

If they would tell the whereabouts of her head they refused the rumors that have abounded here for years

25

00:02:37,760 --> 00:02:44,400

Is simply that these two men were satanic worshipers and her head was given as a sacrifice a blood sacrifice to the devil

26

00:02:44,400 --> 00:02:46,400

And they would rather die

27

00:02:46,880 --> 00:02:52,160

Then suffer Satan's wrath newspaper accounts revealed that pearl had been five months pregnant

28

00:02:52,160 --> 00:02:55,200

And that the father was one of her killers today

29

00:02:55,320 --> 00:03:01,400

Several witnesses claim that the headless woman and her two murderers still haunt music world felt something was

30

00:03:01,920 --> 00:03:07,920

Trying to get me out of here and there was always a voice saying get out get out many many people have sworn

31

00:03:07,920 --> 00:03:13,480

They've seen the form of a headless girl floating through the nightclub moving through the crowd when the bands up on the stage playing

32

00:03:13,480 --> 00:03:19,280

I came in here one night and when it was closing time and the jukebox was unplugged

33

00:03:19,800 --> 00:03:26,280

It was playing the anniversary boss. I won't come in here unless I have to by myself because this is a

34

00:03:27,400 --> 00:03:29,400

Very dark eerie

35

00:03:29,960 --> 00:03:31,480

weird feeling

36

00:03:31,480 --> 00:03:32,360

building

37

00:03:32,360 --> 00:03:38,880

Sightings recently conducted a detailed investigation with paranormal experts. Dr. William Barol

and Dr. Dean Raiden

38

00:03:38,960 --> 00:03:45,020

They brought equipment designed to sense and measure the presence of abnormal energy at the site.
It's not only

39

00:03:46,120 --> 00:03:48,120

Brains or minds that hold memories

40

00:03:49,360 --> 00:03:51,360

Physical space also

41

00:03:51,440 --> 00:03:58,560

Holds something like memories or traces. This is something that that I don't think can be explained
away in terms of

42

00:03:59,280 --> 00:04:02,160

simpler theories can't be explained away in terms of

43

00:04:02,760 --> 00:04:07,800

Magnetic fields or radiation. I think that it's something of a genuine parapsychological nature

44

00:04:08,520 --> 00:04:15,800

Sightings also brought in noted psychic echo Bodhi who had no previous knowledge about Hell's Gate or music world

45

00:04:16,360 --> 00:04:20,360

As soon as she walked into the building echo had strong psychic impressions

46

00:04:21,000 --> 00:04:22,680

there's a

47

00:04:22,680 --> 00:04:26,120

Psychic image of a lot of blood in this room a lot of blood

48

00:04:27,000 --> 00:04:30,360

A lot of hatred because there's an image of a man

49

00:04:30,920 --> 00:04:32,600

And a woman downstairs

50

00:04:32,600 --> 00:04:35,960

Again, a man with dark hair and a woman who's afraid

51

00:04:36,280 --> 00:04:38,280

He knows what he's doing. He's been here long enough

52

00:04:38,920 --> 00:04:43,560

Feeling is that he tries to scare people especially women. It seems like he uh

53

00:04:44,920 --> 00:04:51,960

He doesn't like women messing with his property. There's definitely an energy here that does not want me to do any of this. All right, I mean

54

00:04:54,280 --> 00:04:55,960

Really strong

55

00:04:55,960 --> 00:05:02,520

When our experts sat down to compare notes with some of the witnesses at music world an alarming discovery was made

56

00:05:03,160 --> 00:05:07,640

Hurl and her murderers may not be the only spirits haunting this establishment

57

00:05:08,280 --> 00:05:11,640

Our team discovered that there are others who met with violent death here

58

00:05:13,000 --> 00:05:18,440

There's been definitely violent death in this place and uh sad death

59

00:05:18,840 --> 00:05:23,240

I kept hearing voices crying about the broken dreams of this place

60

00:05:23,800 --> 00:05:30,760

The psychic's impressions of broken dreams may refer to star-crossed lovers who reportedly met here in the 1930s

61

00:05:31,240 --> 00:05:35,960

Their romance ended in tragedy and some believe there is a link between their untimely death

62

00:05:36,280 --> 00:05:41,080

And the other apparitions that haunt hell's gate after the property changing hands several times

63

00:05:41,880 --> 00:05:46,680

The building became a gambling casino. There was a dance hall girl there named johanna

64

00:05:47,640 --> 00:05:52,360

She became pregnant by a man named robert randall who was a singer at the club

65

00:05:53,960 --> 00:05:59,400

Her father supposedly had robert randall killed. This was according to a diary that was found inside the nightclub

66

00:06:01,080 --> 00:06:03,960

She consequently poisoned her father and herself

67

00:06:04,760 --> 00:06:07,560

And committed suicide inside the same nightclub

68

00:06:09,000 --> 00:06:11,400

Johanna according to the diary was five months pregnant

69

00:06:12,360 --> 00:06:16,920

Five months pregnant just like pearl brian the first known victim of hell's gate

70

00:06:17,560 --> 00:06:21,960

Then we discovered that the dead lovers of the 1930s had a link not only to the past

71

00:06:22,200 --> 00:06:23,880

But to the present as well

72

00:06:23,880 --> 00:06:29,560

There was an eerie connection between one of the lovers robert randall and current club owner bobby mackey

73

00:06:29,800 --> 00:06:32,280

I went to bobby mackey and discussed this with him

74

00:06:33,240 --> 00:06:35,800

I learned that bobby mackey's original name

75

00:06:36,600 --> 00:06:38,200

Was randy

76

00:06:38,200 --> 00:06:41,880

At one day old his umbilical cord where the doctor had severed it

77

00:06:42,520 --> 00:06:44,520

Had ruptured and he almost died

78

00:06:44,760 --> 00:06:48,360

For some unknown reason his mother changed his name to robert randall mackey

79

00:06:48,840 --> 00:06:50,920

robert randall the same name as the singer

80

00:06:51,400 --> 00:06:56,200

At first bobby mackey ignored the story of the eerie similarity. I didn't want to hear it

81

00:06:56,600 --> 00:07:02,280

And I told him in fact, you know to keep quiet about it. I didn't want to get in the round because I had everything I owned stuck in here

82

00:07:03,000 --> 00:07:09,800

And and I had to make a success of this somewhere another and then uh, then my wife started started breaking it up

83

00:07:10,680 --> 00:07:16,200

Janet mackey told her husband that she had just survived a terrifying encounter with an unknown force

84

00:07:17,000 --> 00:07:19,000

She was five months pregnant at the time

85

00:07:19,400 --> 00:07:24,040

Something had grabbed me around the waist seemed like I was trying to attack my child

86

00:07:24,840 --> 00:07:28,120

And it picked me up and like threw me back down

87

00:07:28,920 --> 00:07:33,560

Then when that happened something grabbed my head and was kind of forcing me down

88

00:07:34,040 --> 00:07:38,680

I got away from him and when I got to the top of the stairs there was pressure behind me

89

00:07:39,000 --> 00:07:44,120

Pushing me down the steps and when I looked back up the voice was screaming get out get out

90

00:07:44,840 --> 00:07:50,520

Janet's frightening paranormal encounter triggered an early labor, but miraculously the baby survived

91

00:07:51,000 --> 00:07:58,440

Considering the string of evil deeds connected to this site and the well that still lies buried beneath him was Janet's experience a warning

92

00:07:58,920 --> 00:08:02,120

Are the mackeys the next link in a chain of tragedy of this site?

93

00:08:02,520 --> 00:08:09,000

With a thriving business and a healthy child bobby mackey refuses to believe that his family is a

target of hell's gate

94

00:08:09,320 --> 00:08:13,320

I don't believe such things could happen. I've never experienced anything

95

00:08:14,200 --> 00:08:15,960

in this building

96

00:08:15,960 --> 00:08:17,960

That would make me believe there's a ghost

97

00:08:18,920 --> 00:08:23,960

Bobby mackey claims that he does not believe that music world or the well is haunted

98

00:08:24,760 --> 00:08:29,960

But beginning in april of 1993 mackey will fill in the well demolish music world

99

00:08:30,360 --> 00:08:37,400

And rebuild it on property that he's just purchased property. That's only a hundred feet south of the original music world site

100

00:08:38,280 --> 00:08:39,480

Coming up next

101

00:08:39,480 --> 00:08:41,080

I'm your guardian angel

102

00:08:41,080 --> 00:08:47,080

People who claim they've had amazing real life encounters with angels or whatever was it must have been some sort of miracle

103

00:08:48,520 --> 00:08:54,440

Do you believe in angels? Do you think a guardian angel has saved you from harm?

104

00:08:55,000 --> 00:08:57,000

Well, according to recent gallop polls

105

00:08:57,400 --> 00:09:02,600

Half of all americans and three quarters of all teenagers believe in the existence of angels

106

00:09:03,320 --> 00:09:10,360

Of those who claim to have seen an angel 50 believe that what they saw was a guardian angel who had come to save their life

107

00:09:11,160 --> 00:09:15,880

Why do you want to save me? That's what I was sent down for. I'm your guardian angel

108

00:09:16,840 --> 00:09:18,840

I wouldn't be a bit surprised

109

00:09:19,320 --> 00:09:21,800

In the classic film. It's a wonderful life

110

00:09:22,200 --> 00:09:29,240

Jimmy Stewart plays George Bailey a man who is prevented from taking his own life by Clarence his own guardian angel

111

00:09:30,200 --> 00:09:35,480

I don't know whether I like it very much being seen or an angel without any way. Oh, I've got to earn them

112

00:09:36,280 --> 00:09:38,280

And you'll help me won't you sure

113

00:09:39,480 --> 00:09:44,600

How by letting me help you the belief in angels as spiritual beings

114

00:09:44,600 --> 00:09:47,800

Who can intervene in human affairs has been around for centuries

115

00:09:48,280 --> 00:09:51,160

But now there is an explosion of new interest in the subject

116

00:09:51,560 --> 00:09:56,680

50 books about angels have been published in just the past two years and most americans now admit

117

00:09:56,840 --> 00:10:02,760

They are believers the latest gallop polls shows that 65 percent of us believe in angels

118

00:10:03,560 --> 00:10:10,120

75 of us who are between the ages of 18 and 25 believe in angels aids

119

00:10:10,760 --> 00:10:12,760

a troublesome economy

120

00:10:13,560 --> 00:10:15,240

A high divorce rate

121

00:10:15,240 --> 00:10:16,920

changing sex roles

122

00:10:16,920 --> 00:10:24,200

all of these things make for an uncertain world and I think that people are turning to angels in an attempt to

123

00:10:25,400 --> 00:10:28,920

find security power control meaning in their lives

124

00:10:29,560 --> 00:10:35,000

While some people actively search others believe their guardian angel appeared in a moment of need

125

00:10:35,320 --> 00:10:39,000

The first thing I remember about falling was uh, I looked

126

00:10:39,720 --> 00:10:43,320

To the side I didn't think I was falling as fast as I should be

127

00:10:43,880 --> 00:10:49,960

And so I looked down for the ground and I was trying to turn over and I heard a voice

128

00:10:50,680 --> 00:10:54,760

And she was saying don't look down don't look down and there was a girl

129

00:10:55,560 --> 00:10:57,080

That was about

130

00:10:57,080 --> 00:11:00,200

Where my waist was and she was in an upright position

131

00:11:00,840 --> 00:11:03,080

She had a long white nightgown on

132

00:11:03,880 --> 00:11:05,880

And she had long flowing hair

133

00:11:06,280 --> 00:11:10,440

She said don't look down you'll get hurt look at me. You'll be okay

134

00:11:11,320 --> 00:11:16,120

He doesn't remember the impact. He remembers laying on the ground and feeling very peaceful

135

00:11:17,480 --> 00:11:20,600

And until somebody picked him up and then his shoulder hurt

136

00:11:21,480 --> 00:11:25,080

I took him to the doctors and the doctor

137

00:11:25,720 --> 00:11:31,960

Pointed to him and said he felt the safest way possible. He impacted his shoulder and broke his

collarbone

138

00:11:32,040 --> 00:11:34,680

He said anything else would have done major damage

139

00:11:35,480 --> 00:11:38,360

West chadler was four when he fell out of the tree

140

00:11:38,840 --> 00:11:43,640

But it wasn't until many years later that he would tell anyone about the angel that he'd seen

141

00:11:44,600 --> 00:11:48,360

I could sense that there was something he wasn't telling me

142

00:11:48,760 --> 00:11:51,480

There is a conspiracy of silence in this country

143

00:11:52,040 --> 00:11:57,320

As far as paranormal phenomena is concerned people keep these stories close to the vests for fear
ridicule

144

00:11:57,960 --> 00:12:00,840

Angels at the time were not part of our vocabulary

145

00:12:01,400 --> 00:12:05,400

But this certainly meets my description of what an angel would be

146

00:12:05,720 --> 00:12:09,160

I think that it tends to be a um the physiologic event

147

00:12:09,880 --> 00:12:11,880

Sort of like a hallucination

148

00:12:11,960 --> 00:12:17,720

But not as vague as a hallucination would be tens of millions of people have had are claiming to have had these experiences

149

00:12:17,720 --> 00:12:19,400

Are they all deluded?

150

00:12:19,400 --> 00:12:21,400

Are they all experiencing the same hallucination?

151

00:12:21,960 --> 00:12:26,360

If you have people who are pathologically hallucinating you get individual random

152

00:12:26,760 --> 00:12:32,520

Chaotically random stories. You don't have stories falling into a pattern. I don't know that I deserved some help

153

00:12:32,520 --> 00:12:35,240

But for some reason I got some help from somebody

154

00:12:38,520 --> 00:12:40,520

We were at a pool party

155

00:12:41,320 --> 00:12:45,080

And we'd fastened water wings on on daniel because he couldn't swim

156

00:12:46,040 --> 00:12:49,320

Somehow and we really don't know when he took the water wings off

157

00:12:50,120 --> 00:12:51,720

and

158

00:12:51,720 --> 00:12:55,320

He um ended up in the deep end of the pool

159

00:12:56,840 --> 00:12:58,840

He was just laying down there in this little ball

160

00:13:01,080 --> 00:13:03,800

And it was just like I was frozen I could only get halfway

161

00:13:04,600 --> 00:13:07,960

And I just I couldn't move and I knew I couldn't breathe down there

162

00:13:07,960 --> 00:13:11,000

And I just came up. I knew somebody else was going to have to do it

163

00:13:11,640 --> 00:13:15,160

Daniel was rescued by his father who administered CPR

164

00:13:15,720 --> 00:13:19,880

When daniel came to he told his mother about his vision of an angel

165

00:13:20,200 --> 00:13:22,680

He said did you know that there was an angel and there was a bright light

166

00:13:23,240 --> 00:13:30,120

And the angel and the bright light were inside a tunnel this local television interview with daniel took place just a week after his near drowning

167

00:13:30,920 --> 00:13:32,440

a

168

00:13:32,440 --> 00:13:35,400

tunnel with a light inside and an angel

169

00:13:36,360 --> 00:13:40,600

Children seem to have a natural affinity for wonder

170

00:13:41,240 --> 00:13:44,040

They're not old enough to have had all that taken out of them

171

00:13:44,440 --> 00:13:48,520

And so they're very open to the kinds of things that apparitions bring

172

00:13:49,480 --> 00:13:51,480

On march 30th 1989

173

00:13:51,800 --> 00:13:55,320

Astela Rodriguez was struck by an out-of-control ice cream truck

174

00:13:55,880 --> 00:14:01,320

Astela believes it was an angel who prevented her from feeling any pain despite great bodily injury

175

00:14:02,280 --> 00:14:07,240

The ice cream truck just came first and I saw him so close

176

00:14:07,640 --> 00:14:10,440

It was so close that I could see his face

177

00:14:11,480 --> 00:14:13,480

And I did not know what to do

178

00:14:14,200 --> 00:14:17,640

But then I said with all my heart

179

00:14:18,840 --> 00:14:20,840

Don't let me die

180

00:14:20,920 --> 00:14:23,400

And right after that I saw

181

00:14:24,440 --> 00:14:26,440

This beautiful

182

00:14:26,680 --> 00:14:33,560

Beautiful person it was a male and he was like when you see somebody in slow motion

183

00:14:34,280 --> 00:14:35,240

Yes

184

00:14:35,240 --> 00:14:41,560

Coming towards me at the same speed as the truck, but his hands were like this

185

00:14:42,200 --> 00:14:44,200

Stretched to me

186

00:14:44,360 --> 00:14:49,160

When she was hit Astela suffered extensive injuries and lost her leg as a result

187

00:14:49,640 --> 00:14:54,360

But Astela maintained she felt no pain either during or after the accident

188

00:14:54,520 --> 00:15:01,400

I had no idea that I had lost my leg. I had broken ribs. I had a calypso lung

189

00:15:02,520 --> 00:15:04,920

And you know, I'm a registered nurse

190

00:15:05,880 --> 00:15:11,080

And I have seen people with a calypso lung and losing as much blood as I

191

00:15:11,720 --> 00:15:12,840

lost

192

00:15:12,920 --> 00:15:16,280

And they had come to the hospital unconscious

193

00:15:16,920 --> 00:15:20,040

I was conscious when I went to the hospital

194

00:15:20,680 --> 00:15:24,440

I did not feel pain. I had peace with me

195

00:15:25,000 --> 00:15:31,000

If guardian angels really do exist, why do they appear to some while others are left to suffer?

196

00:15:31,400 --> 00:15:34,200

It's one of the great theological riddles yet to be answered

197

00:15:34,520 --> 00:15:39,960

My experience tells me that uh, we have to get into enough pain

198

00:15:40,680 --> 00:15:43,960

In our lives before we're ready to move

199

00:15:44,680 --> 00:15:48,680

Into healing and into transformation

200

00:15:49,400 --> 00:15:51,400

I had a lot of hate

201

00:15:51,720 --> 00:15:53,480

I uh reeked

202

00:15:53,480 --> 00:15:58,440

In hate it radiated from me my black my eyes were black from what I've been told by people at home

203

00:15:58,840 --> 00:16:00,840

He was a howler. He was constantly in trouble

204

00:16:01,640 --> 00:16:03,800

He was slowly working his way to either the prison

205

00:16:04,440 --> 00:16:05,720

Or to be dead

206

00:16:05,720 --> 00:16:14,600

Darrell Cochran was an alcoholic and a drug addict who had been in and out of prisons mental institutions and drug treatment programs since he was 14 years old

207

00:16:15,080 --> 00:16:24,280

Nothing worked for Darrell. He was living on the streets in 1987 when he found out his brother had been murdered execution style during a drug deal going awry

208

00:16:24,600 --> 00:16:26,600

I was on like a five-day bender

209

00:16:27,080 --> 00:16:28,680

non-stop

210

00:16:28,680 --> 00:16:30,680

And I remember sitting in my living room

211

00:16:31,480 --> 00:16:33,480

The pain

212

00:16:33,480 --> 00:16:35,480

The ungodly pain

213

00:16:35,720 --> 00:16:37,720

And I fell

214

00:16:37,880 --> 00:16:40,920

On my hands and knees on the floor and I was puking blood

215

00:16:42,760 --> 00:16:46,280

And as I was puking blood I was thinking of my mother and my father

216

00:16:48,040 --> 00:16:50,040

And my kids

217

00:16:50,040 --> 00:16:52,680

And Kathy my wife thought I was in love with

218

00:16:54,760 --> 00:16:56,760

And I was thinking about Mike and I

219

00:16:57,560 --> 00:16:59,960

At a stream one way with boys fishing

220

00:17:02,680 --> 00:17:05,320

And all of a sudden I felt a warmth

221

00:17:06,440 --> 00:17:09,880

An incredible warmth all over me

222

00:17:10,840 --> 00:17:12,840

And when I looked up I can't believe

223

00:17:13,240 --> 00:17:14,920

the incredible

224

00:17:14,920 --> 00:17:16,920

brilliance of light

225

00:17:18,040 --> 00:17:21,720

It's like if you had the rays of a sun on a really

226

00:17:22,600 --> 00:17:25,560

hot day in a rainbow mixed together

227

00:17:26,280 --> 00:17:28,280

in the midst of it

228

00:17:28,280 --> 00:17:30,840

There was a outline of a beam

229

00:17:31,480 --> 00:17:33,480

All of a sudden there was a there was a voice

230

00:17:34,440 --> 00:17:38,440

And it said you have been chosen to be a light to others

231

00:17:39,480 --> 00:17:41,240

And I knew then

232

00:17:41,240 --> 00:17:45,320

I'd finally flipped I'd lost it gone right over the edge

233

00:17:47,560 --> 00:17:49,560

The next thing I remember

234

00:17:50,920 --> 00:17:54,280

Was this incredible feeling of peace

235

00:17:55,160 --> 00:18:00,200

On the day Darrell claims to have seen his guardian angel his life did change dramatically

236

00:18:00,440 --> 00:18:03,080

He immediately stopped using drugs and alcohol

237

00:18:03,480 --> 00:18:08,440

He designed an anti-drug program for teenagers and has since devoted his life to public service

238

00:18:08,840 --> 00:18:15,240

Receiving accommodations from presidents carter and reagan did an angel turn darrell's life around whatever it was

239

00:18:15,480 --> 00:18:17,160

some sort of miracle

240

00:18:17,160 --> 00:18:23,480

Darrell believes that uh his guardian angel or a guardian angel appeared to him and uh

241

00:18:25,240 --> 00:18:28,680

With some sort of uh communication from the angel

242

00:18:30,280 --> 00:18:33,720

Induced the transformation the silhouette in this

243

00:18:34,280 --> 00:18:36,280

brilliance of light

244

00:18:36,280 --> 00:18:39,000

It was like a beam that was just outlined glowing

245

00:18:39,960 --> 00:18:44,600

That said to me you have been chosen me drunk. I've tried gay. I've been chosen

246

00:18:45,880 --> 00:18:47,880

I have a guardian angel in my life

247

00:18:48,760 --> 00:18:52,120

And it goes before me behind me beside me

248

00:18:52,920 --> 00:18:54,920

It prepares

249

00:18:54,920 --> 00:18:56,920

everything ahead for me

250

00:18:57,320 --> 00:19:02,600

For those who believe they've been touched by an encounter with angels no other evidence is necessary

251

00:19:03,160 --> 00:19:06,760

But for many angels remain nothing more than whimsical fantasy

252

00:19:20,600 --> 00:19:23,480

Coming up astrological predictions for the new year

253

00:19:23,800 --> 00:19:29,720

It looks to me like one of those years they're going to make t-shirts about it's going to be i
survive 1993

254

00:19:31,720 --> 00:19:40,520

The cliché icebreaker was what's your sign and since then astrology has gotten a reputation for
being a questionable fringe science

255

00:19:41,240 --> 00:19:47,880

But there are people who take it very seriously and have compelling evidence that the stars and
planets can affect our lives

256

00:19:48,120 --> 00:19:57,320

Perhaps it's just a sign of the times but interest in astrology is greater today than at any time
in this century

257

00:19:57,880 --> 00:20:05,240

Psychic astrologer Richard Nolley has been conducting personal consultations for the past 20 years
and his clients numbering in the thousands

258

00:20:05,560 --> 00:20:07,560

believe in his predictive abilities

259

00:20:08,360 --> 00:20:10,360

genuine astrology is

260

00:20:10,600 --> 00:20:17,320

Based on calculations of the exact positions of not only the sun but also the moon and all of the known planets

261

00:20:17,720 --> 00:20:22,680

At the exact moment that you came into this world the exact time date and place of your birth

262

00:20:23,160 --> 00:20:27,960

And you end up with a map that is as uniquely individual as your own fingerprints

263

00:20:28,360 --> 00:20:35,560

Astrology offers them through this paradox of looking out into space a way of finding out who they are inside and that's why people

264

00:20:36,360 --> 00:20:38,360

Have come to it so strongly

265

00:20:39,320 --> 00:20:43,480

Nolley uses computer technology to improve his speed and accuracy

266

00:20:43,880 --> 00:20:48,040

But he believes that it is his psychic powers that set his predictions apart

267

00:20:48,520 --> 00:20:51,000

successful astrologers always

268

00:20:51,320 --> 00:20:55,400

Relay on their psychic intuition as an aid to reading a chart

269

00:20:55,960 --> 00:21:02,280

Nolley claims a successful prediction rate of 80 percent including two major earthquakes and the outbreak of the Gulf War

270

00:21:02,600 --> 00:21:05,480

So sightings ask for his predictions for 1993

271

00:21:05,880 --> 00:21:10,360

We're going to have another major seismic upheaval probably california

272

00:21:10,600 --> 00:21:15,800

The economy is not going to get back on track real fast within 18 months

273

00:21:16,040 --> 00:21:21,240

Castro is history. It looks to me like one of those years. They're going to make t-shirts about it's going to be

274

00:21:21,480 --> 00:21:26,520

I survived 1993 is this view of 1993 shared by others
