

1

00:00:00,000 --> 00:00:10,400

On this edition of Sightings, for Raynell and Terry Wallace, a second honeymoon became

2

00:00:10,400 --> 00:00:11,400

a hellish nightmare.

3

00:00:11,400 --> 00:00:13,400

And I got sucked down onto the wing pin.

4

00:00:13,400 --> 00:00:16,000

My whole body was completely on fire.

5

00:00:16,000 --> 00:00:20,640

Now, their miraculous story of life and death.

6

00:00:20,640 --> 00:00:25,120

Why is the government quietly buying land around its most secret military base?

7

00:00:25,120 --> 00:00:28,800

Everyone's heard of Area 51 now because they took this public action.

8

00:00:29,400 --> 00:00:34,200

Then something is happening on this old Nebraska farm that residents can't explain.

9

00:00:34,200 --> 00:00:39,200

Every time we seem to put an animal in there, they die.

10

00:00:39,200 --> 00:00:44,600

There's something in the air over the Holy Land and investigators feel it's not of this world.

11

00:00:44,600 --> 00:00:49,400

The soil appeared to be melting and there is no explanation.

12

00:00:49,400 --> 00:00:52,600

This does not occur in nature.

13

00:00:52,600 --> 00:00:56,600

And scientific evidence that could prove werewolves are real.

14

00:00:58,800 --> 00:01:24,800

Music

15

00:01:24,800 --> 00:01:26,800

Welcome to Sightings.

16

00:01:26,800 --> 00:01:27,800

I'm Tim White.

17

00:01:27,800 --> 00:01:32,600

At the turn of the century, going to the poor farm was more than just an expression.

18

00:01:32,600 --> 00:01:38,400

It was a real place where destitute families, the sick and the mentally ill were given shelter.

19

00:01:38,400 --> 00:01:42,600

Some of the old poor farms still exist today, mostly as tourist attractions.

20

00:01:42,600 --> 00:01:46,000

One of them in rural Nebraska was turned into a private home.

21

00:01:46,000 --> 00:01:49,200

And every family who's lived there tells the same story.

22

00:01:49,200 --> 00:01:51,800

The farm is haunted.

23

00:01:51,800 --> 00:01:57,800

Music

24

00:01:57,800 --> 00:02:05,800

Perched on a windy Nebraska hillside, this homestead is one of the few remaining landmarks of the great land rush of the late 1800s.

25

00:02:05,800 --> 00:02:07,800

And it's inevitable result.

26

00:02:07,800 --> 00:02:12,800

An underclass of poor and needy pioneers whose American dream had turned sour.

27

00:02:12,800 --> 00:02:15,800

It was built in 1884 as a poor farm.

28

00:02:15,800 --> 00:02:22,800

And for 56 years, it was a temporary home for more than 400 people who lived and worked here.

29

00:02:22,800 --> 00:02:25,800

Tramps came when they had frozen feet.

30

00:02:25,800 --> 00:02:28,800

Old people came when they had no place to retire.

31

00:02:28,800 --> 00:02:30,800

People came in when they were sick.

32

00:02:30,800 --> 00:02:33,800

Often they came to the poor farm to die.

33

00:02:33,800 --> 00:02:38,800

In 1940, the poor farm was shut down and sold off.

34

00:02:38,800 --> 00:02:46,800

Among its early tenants was Jerry Claussen, who first rented the property in 1960 when her son, Stan, was just seven years old.

35

00:02:46,800 --> 00:02:52,800

As soon as the Claussen settled into the main house, they felt an eerie sense that they were not alone.

36

00:02:52,800 --> 00:03:00,800

We could be sitting there watching TV and all of a sudden we'd look and there was a dark shadow peeking around the doorway like somebody was there looking at us, you know.

37

00:03:00,800 --> 00:03:05,800

And it'd be there for just a few seconds and we'd get up and go look and there was nothing there.

38

00:03:05,800 --> 00:03:10,800

The things that happened out here, those are things that live with you forever. You don't forget them.

39

00:03:10,800 --> 00:03:13,800

The haunting activity seemed worse at night.

40

00:03:13,800 --> 00:03:16,800

Jerry's three children would not venture outside.

41

00:03:16,800 --> 00:03:20,800

Inside, they would not be alone in any one room even for a second.

42

00:03:20,800 --> 00:03:24,800

A strange and frightening presence was disrupting their lives.

43

00:03:24,800 --> 00:03:31,800

Sometimes we'd hear a car like out in that little lane and running out there, but we'd look out.

44

00:03:31,800 --> 00:03:33,800

There was no car to be seen.

45

00:03:33,800 --> 00:03:37,800

We'd go out in the barn. The lights would go on for no reason at all because we never used the

barn.

46

00:03:37,800 --> 00:03:41,800

The light would come on and then after a little while the light would go back off again.

47

00:03:41,800 --> 00:03:45,800

Like somebody would just stay in there flicking the switch on, flicking the switch off.

48

00:03:45,800 --> 00:03:49,800

And the kids would say, Mom, aren't you going to go down and see why that light is going to scare them?

49

00:03:49,800 --> 00:03:52,800

I said, there's no way I'll go down to that barn.

50

00:03:52,800 --> 00:03:56,800

So, never went.

51

00:03:56,800 --> 00:03:59,800

After only eight months, the Klausens moved out.

52

00:03:59,800 --> 00:04:04,800

They were the last in a long string of tenants who had come but not settled into the old poor farm.

53

00:04:04,800 --> 00:04:07,800

The property sat vacant for the next 30 years.

54

00:04:07,800 --> 00:04:12,800

The main house was condemned then demolished. The old barn was overtaken by weeds.

55

00:04:12,800 --> 00:04:17,800

Then in 1989, Kathy and Ray Draupridge bought the decaying property.

56

00:04:17,800 --> 00:04:22,800

They were disenchanted city dwellers who wanted to bring up their daughter, Sarah, in a rural environment.

57

00:04:22,800 --> 00:04:26,800

To them, the dilapidated poor farm didn't seem to have any problems.

58

00:04:26,800 --> 00:04:29,800

A lot of sweat and a new coat of paint couldn't cure.

59

00:04:29,800 --> 00:04:35,800

The real stickman on the way just mentioned that it had been an old poor farm and we didn't think anything of it.

60

00:04:35,800 --> 00:04:41,800

We didn't know what that was. We just made a joke out of it and thought it was a good place for us.

61

00:04:41,800 --> 00:04:47,800

Working weekends, Kathy and Ray spent two years clearing the land and renovating the old buildings.

62

00:04:47,800 --> 00:04:53,800

They experienced some haunting activity then but dismissed it as the product of their overactive imaginations.

63

00:04:53,800 --> 00:04:58,800

It wasn't until they assembled a modular home on the foundations of the old poor farm's infirmary

64

00:04:58,800 --> 00:05:01,800

that the ghostly incidents became impossible to ignore.

65

00:05:01,800 --> 00:05:07,800

When we go into the buildings, we would get the door slamming shut, feelings of being watched.

66

00:05:07,800 --> 00:05:11,800

Strong enough that you'd actually leave the building to see if someone had pulled in.

67

00:05:11,800 --> 00:05:17,800

If it was the same ghostly car crunching on the gravel that Jerry Clousen remembered here in 30 years ago.

68

00:05:17,800 --> 00:05:25,800

It is so real sounding. I have even gone out onto the porch thinking that maybe it's on the road and I'm just not seeing it.

69

00:05:25,800 --> 00:05:30,800

At first, the isolated incidents were curious but not particularly threatening.

70

00:05:30,800 --> 00:05:34,800

Then, when the family moved in for good, things changed.

71

00:05:34,800 --> 00:05:39,800

We'd come home from work and the thermostat would be on full all the way up.

72

00:05:39,800 --> 00:05:45,800

The house would just be cooking. First, we blamed our daughter. But it was happening several days in a row.

73

00:05:45,800 --> 00:05:50,800

The back door would be locked, the house would be secure, we'd go to work, we'd come home.

74

00:05:50,800 --> 00:05:53,800

The back door would still be locked but it'd be swinging open.

75

00:05:53,800 --> 00:06:02,800

The haunting activity escalated and Kathy claims it took a destructive turn when Ray was attacked by an unseen force while trying to clear some brush.

76

00:06:02,800 --> 00:06:08,800

He was a little frustrated by then and started to do a little cussing and got a little agitated.

77

00:06:08,800 --> 00:06:11,800

He suddenly bent over with a sharp pain in his side.

78

00:06:11,800 --> 00:06:16,800

When he looked down, Ray found an L-shaped tear in his brand new shirt.

79

00:06:16,800 --> 00:06:24,800

The next day at work, my husband doubled over in pain. He went to the doctor. He did an x-ray and they saw something on his side.

80

00:06:24,800 --> 00:06:27,800

Told him it was a kidney stone to go home.

81

00:06:27,800 --> 00:06:32,800

A couple days later, he was feeling better. He had to have another x-ray and it was gone.

82

00:06:32,800 --> 00:06:38,800

Kathy came to believe that the ghosts of the past were somehow trying to reach out to the present.

83

00:06:38,800 --> 00:06:45,800

She began to research the poor farm's history, searching for clues to the identity of the haunting presence.

84

00:06:45,800 --> 00:06:47,800

Caring for people.

85

00:06:47,800 --> 00:06:55,800

Sightings asked paranormal investigator Peter James to visit the drawbridge home and give the family his psychic impressions of the site.

86

00:06:55,800 --> 00:07:00,800

He was told nothing of the property's history or the experiences of its many occupants.

87

00:07:00,800 --> 00:07:08,800

I'm getting a sense that there is a female in this house and I have a feeling her name is Sarah.

88

00:07:08,800 --> 00:07:22,800

And I feel that she was very much in control and very powerful female, is what I feel, along with her other domestic duties that she performed.

89

00:07:22,800 --> 00:07:26,800

Peter sensed that Sarah liked the warm family feeling in the house.

90

00:07:26,800 --> 00:07:29,800

And Sarah tells me I'm not leaving. I'm not leaving.

91

00:07:29,800 --> 00:07:34,800

Peter did not know that Sarah had already made her presence known to the family.

92

00:07:34,800 --> 00:07:38,800

One night, my husband and I were sitting watching a evening news.

93

00:07:38,800 --> 00:07:47,800

And all of a sudden he glanced towards the hallway and turned back and immediately got goosebumps and was like, oh my god, there's someone in the bedroom.

94

00:07:47,800 --> 00:07:50,800

Division he saw was so real, so clear of a woman.

95

00:07:50,800 --> 00:07:56,800

Peter also felt a strong ghostly presence in the farm's old subterranean ice house.

96

00:07:56,800 --> 00:07:59,800

This is where the dead were prepared for burial.

97

00:07:59,800 --> 00:08:05,800

There was also a cook that...

98

00:08:07,800 --> 00:08:09,800

Do you know if there was a person of color here?

99

00:08:09,800 --> 00:08:10,800

Yes.

100

00:08:10,800 --> 00:08:15,800

Kathy compared Peter's psychic impressions with the historical information she had already collected.

101

00:08:15,800 --> 00:08:18,800

There were two Sarahs, but neither was a cook.

102

00:08:18,800 --> 00:08:23,800

Then Kathy remembered a letter she'd received from the farm supervisor's son.

103

00:08:23,800 --> 00:08:28,800

He wrote of his fond childhood memories of a cook who lived on the farm for many years.

104

00:08:28,800 --> 00:08:31,800

She was very close to the family.

105

00:08:31,800 --> 00:08:35,800

She was a slave when she was 12 years old, so she told them.

106

00:08:35,800 --> 00:08:38,800

And she helped in the kitchen until she got too old.

107

00:08:38,800 --> 00:08:40,800

They called her Auntie.

108

00:08:40,800 --> 00:08:45,800

Auntie had her own bedroom on the main floor close to the kitchen, and that is where she died.

109

00:08:45,800 --> 00:08:47,800

Auntie's real name was Sarah.

110

00:08:47,800 --> 00:08:49,800

There it is. It's right here on her card.

111

00:08:49,800 --> 00:08:52,800

That's her first name. We're giving a name with Sarah.

112

00:08:52,800 --> 00:08:54,800

It was just like, this is it. It just clicked.

113

00:08:54,800 --> 00:08:56,800

This is her.

114

00:08:56,800 --> 00:08:59,800

Peter was also drawn to the old stable.

115

00:08:59,800 --> 00:09:06,800

He didn't know that in this last doorway, the family had already experienced a terrifying encounter of their own,

116

00:09:06,800 --> 00:09:08,800

and yet this is where Peter stopped.

117

00:09:08,800 --> 00:09:11,800

Now here, here...

118

00:09:15,800 --> 00:09:18,800

Here I'm getting a lot of resistance.

119

00:09:18,800 --> 00:09:24,800

Here, I'm getting like, I shouldn't go in there, but I'm getting a lot of resistance here.

120

00:09:24,800 --> 00:09:26,800

Listen, listen.

121

00:09:26,800 --> 00:09:29,800

Hello? Who's here?

122

00:09:29,800 --> 00:09:33,800

It was here that Sarah and Kathy had seen the shadows of a tall man.

123

00:09:33,800 --> 00:09:38,800

This person died within this vicinity.

124

00:09:38,800 --> 00:09:46,800

There was someone who was very aggressive and very forceful, and the others tried to separate him from the rest.

125

00:09:46,800 --> 00:09:54,800

The corner always seems dark, and every time we seem to put an animal in there, they die.

126

00:09:54,800 --> 00:09:55,800

We use it for storage.

127

00:09:55,800 --> 00:09:58,800

I mean, I get tired of washing the blood off the walls.

128

00:09:58,800 --> 00:10:02,800

Time after time, Peter's impressions matched known history.

129

00:10:02,800 --> 00:10:11,800

It also feels like there might have been maybe a temporary burial ground back here somewhere.

130

00:10:11,800 --> 00:10:19,800

They may have at one time buried the deceased and then dug them up and moved them.

131

00:10:19,800 --> 00:10:23,800

The next day, Kathy showed sightings, these pictures.

132

00:10:23,800 --> 00:10:27,800

The farm's burial ground had been only a few yards away from where Peter was standing.

133

00:10:27,800 --> 00:10:35,800

The graves had been empty since 1955 when the state had moved older remains to a mass plot in a municipal cemetery.

134

00:10:35,800 --> 00:10:48,800

I feel that an entire family of about seven people in particular lost their lives here some time ago,

135

00:10:48,800 --> 00:10:55,800

and it feels like they were stricken with either cholera or typhus or typhoid.

136

00:10:55,800 --> 00:11:03,800

In the old registry, Kathy pointed out that in 1894, the entire Underwood family died of typhoid in the old infirmary.

137

00:11:03,800 --> 00:11:10,800

Naturally, it was a mother, father, two daughters, and a son, so it was very close.

138

00:11:10,800 --> 00:11:17,800

Despite their experiences, the Drowbridge family continues to restore the old poor farm and share its rich history with others.

139

00:11:17,800 --> 00:11:20,800

Peter James believes this will please the spirits.

140

00:11:20,800 --> 00:11:25,800

Our theory is that the farm is actually starting to come back to life.

141

00:11:25,800 --> 00:11:27,800

There's no way I'd leave.

142

00:11:27,800 --> 00:11:33,800

I feel total responsibility to the people who lived here and the land.

143

00:11:33,800 --> 00:11:38,800

During Peter James' tour, Kathy Drowbridge took notes on Peter's psychic impressions.

144

00:11:38,800 --> 00:11:44,800

She has since researched many of the names and descriptions Peter felt in the house and on the farm.

145

00:11:44,800 --> 00:11:50,800

Through state and county records, Kathy has confirmed the actual existence of many of the people

146

00:11:50,800 --> 00:11:55,800

that Peter claimed to be in spiritual contact with during his investigation.

147

00:11:55,800 --> 00:12:01,800

Next, whatever landed on Israel's Shikmona Beach left behind some very peculiar evidence.

148

00:12:01,800 --> 00:12:05,800

To my astonishment, this soil appeared to be melting.

149

00:12:05,800 --> 00:12:16,800

On a previous edition of Sightings, we brought you the story of three women in Israel,

150

00:12:16,800 --> 00:12:20,800

all of whom claimed to have had contact with an extraterrestrial being.

151

00:12:20,800 --> 00:12:26,800

Sightings investigated evidence at the scene, including crop circles and mysterious silicon shards.

152

00:12:26,800 --> 00:12:32,800

And the investigative team learned that this was not the only case in which physical evidence could be found

153

00:12:32,800 --> 00:12:35,800

after a UFO sighting in the Holy Land.

154

00:12:41,800 --> 00:12:46,800

In the annals of modern UFO hotspots, Israel has been a blank page.

155

00:12:46,800 --> 00:12:55,800

When I researched my book, the only public mention of UFOs that I found were from 1952, from Haifa.

156

00:12:55,800 --> 00:13:01,800

There were two sightings. That is all I could find until Shikmona.

157

00:13:01,800 --> 00:13:06,800

Mary Chameish is an author and journalist who has written about a recent rash of UFO sightings

158

00:13:06,800 --> 00:13:11,800

and encounters that began suddenly in 1987.

159

00:13:11,800 --> 00:13:15,800

This is on the evening of Rosh Hashanah in 1987.

160

00:13:15,800 --> 00:13:23,800

Ami Akra'i is returning home from Tel Aviv to his home in Kiryat Bialik, Yerchaifah.

161

00:13:23,800 --> 00:13:27,800

There is a beach called Shikmona just before the slave Haifa.

162

00:13:27,800 --> 00:13:33,800

He sees a red object fly into the air, hover, dip.

163

00:13:35,800 --> 00:13:39,800

Underneath there was a red glowing spot about one and a half meters in diameter.

164

00:13:39,800 --> 00:13:44,800

There were immense flashlights and there was a very loud noise of whirlpool

165

00:13:44,800 --> 00:13:47,800

as if a helicopter was going to crash.

166

00:13:47,800 --> 00:13:54,800

He stops his car, gets out of the car, sees the object return and there is a huge flash.

167

00:13:54,800 --> 00:14:02,800

It suddenly disappeared. Only a big red spot remained and in a second it leaped into the sky and vanished.

168

00:14:02,800 --> 00:14:05,800

Ami was shaken by the inexplicable UFO encounter.

169

00:14:05,800 --> 00:14:09,800

He tried to put it behind him to dismiss it as an asteroid or a comet,

170

00:14:09,800 --> 00:14:16,800

but something drew him back to the scene and in the daylight he found concrete remnants of his experience.

171

00:14:16,800 --> 00:14:24,800

Imagine intense heat burning sand and vegetation in the shape of a UFO,

172

00:14:24,800 --> 00:14:32,800

inscribed in the right hand corner, a clear cut picture of an astronaut in front of the dashboard.

173

00:14:32,800 --> 00:14:40,800

Not only was there an indelible image in the sand, testing that the site revealed the ground itself had taken on unusual properties.

174

00:14:40,800 --> 00:14:47,800

Land was 671 percent more magnetic than usual land.

175

00:14:47,800 --> 00:14:52,800

At the request of sightings, soil samples were taken from the scorched earth at Shikmona Beach

176

00:14:52,800 --> 00:14:56,800

for a detailed analysis by biophysicist W.C. Levensgood.

177

00:14:56,800 --> 00:15:00,800

His findings confirmed that the ground had new characteristics.

178

00:15:00,800 --> 00:15:10,800

One was sort of astounded by the tremendous change in the ratios of the elements.

179

00:15:10,800 --> 00:15:21,800

For example, ordinary zinc was increased 104 times, whereas other elements weren't stayed absolutely the same.

180

00:15:21,800 --> 00:15:26,800

But that finding paled in comparison to what Dr. Levensgood found

181

00:15:26,800 --> 00:15:31,800

while he was preparing to take a photo micrograph of the soil sample.

182

00:15:31,800 --> 00:15:40,800

As I was adjusting the camera to get the photograph to my astonishment, the soil appeared to be melding.

183

00:15:40,800 --> 00:15:48,800

What I found here was that there was a coating on the soil of a very low melting material.

184

00:15:48,800 --> 00:15:53,800

I have consulted with a geophysicist and there is no explanation.

185

00:15:53,800 --> 00:16:01,800

This does not occur in nature. There is no natural way that this amount of hydrocarbon would be on the soil.

186

00:16:01,800 --> 00:16:06,800

Five months after the Shikmona Beach sighting, just one mile away in the city of Haifa,

187

00:16:06,800 --> 00:16:10,800

Rosetta Calfon and her family spotted bizarre lights in the sky.

188

00:16:10,800 --> 00:16:14,800

They were able to film the UFO with a home movie camera.

189

00:16:14,800 --> 00:16:20,800

We were chatting and suddenly my sister looked up towards the window and saw a glittering light in the air.

190

00:16:20,800 --> 00:16:23,800

She looked up quickly and we both rushed over to the window.

191

00:16:23,800 --> 00:16:27,800

I told her, do you know what that is? That is a UFO.

192

00:16:27,800 --> 00:16:32,800

The light was golden, like nothing I've ever seen in my life.

193

00:16:32,800 --> 00:16:38,800

A real light beam radiating out from it. It was shocking, truly shocking.

194

00:16:38,800 --> 00:16:45,800

There was a UFO that stayed there 17 minutes over the sea and then disappeared very quickly until it became small as a star.

195

00:16:45,800 --> 00:16:50,800

You can see windows and this is possibly the most outstanding feature.

196

00:16:50,800 --> 00:16:56,800

Certainly in the film you will see that at the beginning Rafi Malka is clever enough to get background.

197

00:16:56,800 --> 00:17:01,800

There is no mistaking this as part of the features of the hill or the Haifa area.

198

00:17:01,800 --> 00:17:04,800

It is not a natural feature, it is certainly dangling in the air.

199

00:17:04,800 --> 00:17:09,800

It moves, it has lights and it was witnessed by experts.

200

00:17:09,800 --> 00:17:13,800

I believe that it was tremendously documented UFO.

201

00:17:13,800 --> 00:17:21,800

Years later, in 1991, Yossi Ben-Mahas was leaving his real estate business in Haifa for his home in nearby Beit Shon.

202

00:17:21,800 --> 00:17:27,800

Suddenly, out of nowhere, he was nearly blinded by a brilliant shaft of light.

203

00:17:27,800 --> 00:17:35,800

There was a huge sheet of light. It was right before my eyes. It was spectacular.

204

00:17:35,800 --> 00:17:41,800

It was a very calming light but I was afraid it would go to Beit Shon where my friends and family are.

205

00:17:41,800 --> 00:17:49,800

So all of a sudden it changes course as if it was reading my mind, a kind of telepathy between us.

206

00:17:49,800 --> 00:17:53,800

Yossi immediately called the Beit Shon police department.

207

00:17:53,800 --> 00:18:03,800

Chief of police. Yitzhak Mordechai is awoken at 3 in the morning, goes outside, sees an enormous object in the air.

208

00:18:03,800 --> 00:18:08,800

It looked a little bit like a boomerang but it was a shape that I never saw before.

209

00:18:08,800 --> 00:18:16,800

It had a unique power in color, a special glow which was very different from anything I saw before. I didn't know how to react.

210

00:18:16,800 --> 00:18:22,800

He radios in to headquarters, calls the Air Force, says, this is what I got.

211

00:18:22,800 --> 00:18:29,800

They asked for the exact location of the object. I gave them the location and they couldn't find the object on the radar.

212

00:18:29,800 --> 00:18:38,800

Because of Beit Shon's close proximity to the Jordanian border, the Israeli Defense Forces sent 300 troops into the area to track the unidentified craft.

213

00:18:38,800 --> 00:18:49,800

It was dragging a convoy of armed men for three hours on a trail up to the Jordanian border which is a very sensitive place but it seems to know where the Jordanian border is and heads back.

214

00:18:49,800 --> 00:18:54,800

At a quarter to six in the morning in broad daylight it disappeared in a flash.

215

00:18:54,800 --> 00:19:03,800

Chaymesh has developed a controversial theory that these three UFO sightings are part of a pattern dating back to Biblical times.

216

00:19:03,800 --> 00:19:14,800

People who have been studying UFOs seriously around the world have reached the consensus that the Bible is a convincing UFO story.

217

00:19:14,800 --> 00:19:32,800

I came to the same conclusion that the Old Testament from the pillar, the cloud that led the Hebrews out of Egypt that glowed at night and stopped the Egyptians all the way through the prophets were in fact UFO related.

218

00:19:32,800 --> 00:19:43,800

Chaymesh also believes that stories of alien abductions in Kadima as reported previously on sightings are also part of the centuries old pattern.

219

00:19:43,800 --> 00:19:50,800

Shikmona they were announcing in black and white we are here.

220

00:19:50,800 --> 00:19:58,800

At Baitshan they're saying all right now we've got five, six hundred of you seeing us and you can shoot at us if you want.

221

00:19:58,800 --> 00:20:01,800

Kadima was stage three we want to meet you.

222

00:20:01,800 --> 00:20:08,800

And stage four according to Chaymesh is foretold in a prophetic passage from the Bible.

223

00:20:08,800 --> 00:20:11,800

In Khedim they shall go up to Jerusalem.

224

00:20:11,800 --> 00:20:19,800

In other words Kadima is the next hop towards the revelation of the UFOs in Jerusalem.

225

00:20:19,800 --> 00:20:22,800

The investigation in Israel is ongoing.

226

00:20:22,800 --> 00:20:29,800

A sightings team is now following up on late reports of activity in the town of Yatzitz on the Mediterranean Sea.

227

00:20:29,800 --> 00:20:36,800

An eyewitness there claims that he has evidence of UFO contact in the form of mysterious footprints.

228

00:20:36,800 --> 00:20:40,800

The findings will bring you more on this story after the investigation is complete.

229

00:20:40,800 --> 00:20:45,800

Next what the U.S. military is doing to keep Area 51 a secret.

230

00:20:45,800 --> 00:20:47,800

If you cross here they can kill you.

231

00:20:47,800 --> 00:20:57,800

And how medical science explains werewolves.

232

00:20:57,800 --> 00:21:01,800

Here are some of the stories sightings is following in the news.

233

00:21:01,800 --> 00:21:08,800

According to the U.S. government Area 51 a super secret military testing ground does not exist.

234

00:21:08,800 --> 00:21:12,800

But they're buying up all the land around it anyway.

235

00:21:12,800 --> 00:21:22,800

Since the 1950s the United States Air Force has allegedly operated a top secret military testing facility in this dry lakebed in the southern Nevada desert.

236

00:21:22,800 --> 00:21:29,800

Codenamed Area 51 and Dreamland the base has long been rumored to be a center for black project research.

237

00:21:29,800 --> 00:21:36,800

Now the U.S. government has begun seizing all the land around a base that does not officially exist.

238

00:21:36,800 --> 00:21:40,800

It is a paradox that has not escaped the attention of dedicated ufologists.

239

00:21:40,800 --> 00:21:46,800

This withdrawal was intended to obscure the secret base in fact it had the opposite effect.

240

00:21:46,800 --> 00:21:50,800

Everyone's heard of Area 51 now because they took this public action.

241

00:21:50,800 --> 00:21:55,800

Glenn Campbell is his self-described Area 51 activist and government watchdog.

242

00:21:55,800 --> 00:22:01,800

He believes the military has initiated the purchase of land where civilians have taken unauthorized photographs.

243

00:22:01,800 --> 00:22:08,800

Freedom Ridge and White Sides were places where the average citizen could go up and see this non-existent facility.

244

00:22:08,800 --> 00:22:15,800

It's 13 miles away you can't make out a lot of detail but you can see hangar as you can see the longest runway in the world.

245

00:22:15,800 --> 00:22:19,800

The reason they gave for this withdrawal is they needed it for the public safety.

246

00:22:19,800 --> 00:22:24,800

They said they needed it to keep people from being hit by airplanes up there which was plainly ridiculous.

247

00:22:24,800 --> 00:22:30,800

And as the outside perimeter of Area 51 widens so does the facility's mysterious security net.

248

00:22:30,800 --> 00:22:40,800

When Glenn Campbell led a sightings investigative team to the new boundary one of the infamous white Jeep Cherokees driven by men in camouflage fatigues appeared on the ridge.

249

00:22:40,800 --> 00:22:44,800

Okay we're at the new border White Sides Mountain.

250

00:22:44,800 --> 00:22:53,800

Used to be able to drive all the way up this road another mile and then another mile hike to the top of that peak where you had a very clear and simple view of the base.

251

00:22:53,800 --> 00:22:58,800

We've got the same new signs here. If you cross here they can kill you.

252

00:23:01,800 --> 00:23:03,800

Are werewolves real?

253

00:23:03,800 --> 00:23:09,800

At Baylor College of Medicine in Houston Texas geneticists may have found part of the answer.

254

00:23:09,800 --> 00:23:13,800

The legendary image of the werewolf has some basis in medical fact.

255

00:23:13,800 --> 00:23:24,800

Researchers have isolated the gene responsible for a rare condition called congenital generalized hypertrichosis causing excessive hair growth on the face and torso.

256

00:23:24,800 --> 00:23:33,800

While this condition may have sparked ancient accounts of werewolves modern researchers see CGH as a possible cure for baldness.

257

00:23:34,800 --> 00:23:49,800

One year ago a white buffalo was born in the small farming community of Jamesville Wisconsin. Many Native Americans believe the birth is the fulfillment of an ancient prophecy signaling the new age of global harmony.

258

00:23:49,800 --> 00:23:55,800

The last time she came she showed herself around 600 years ago.

259

00:23:55,800 --> 00:24:08,800

Floyd Hand is a Lakota Sioux medicine man whose Indian name is looks for buffalo. According to legend in order for the prophecy of hope to come true the white buffalo must change color.

260

00:24:08,800 --> 00:24:11,800

And that's exactly what she did.

261

00:24:11,800 --> 00:24:20,800

They come with disbelief on her face. But when they leave they leave with not what they see but they take something inside them.

262

00:24:20,800 --> 00:24:33,800

She changed an awful lot of lives. She made an awful lot of people happy. She was sent here to bring everyone together. And I guess if you want to say 60,000 people coming up here to see one little furred animal she's doing her job.

263

00:24:33,800 --> 00:24:42,800

Despite the commercial potential of thousands of visitors to the farm the hidens aren't interested in reaping any material benefits.

264

00:24:42,800 --> 00:24:55,800

You'll meet people walking up the driveway here that will recognize who we are or they'll ask before the owners. They'll shake your hand and just say thank you and nod the head and walk by. How much richer can you get than that?

265

00:24:57,800 --> 00:25:03,800

We'll have more stories from the news next time. Now here's what's coming up on Sightings.

266

00:25:03,800 --> 00:25:07,800

Raynell Wallace went through hell and wound up in heaven.

267

00:25:07,800 --> 00:25:10,800

For the first time I was feeling love.

268

00:25:10,800 --> 00:25:14,800

And these high school students are demanding the government tell the truth about Roswell.

269

00:25:14,800 --> 00:25:18,800

They're covering up stuff that we want to know about. I don't think it's right.

270

00:25:24,800 --> 00:25:31,800

In 1985, Raynell and Terry Wallace were in a near fatal plane crash that changed their lives forever.

271

00:25:31,800 --> 00:25:37,800

Raynell's body was badly burned but as she chronicles in her book the real change in Raynell was not physical.

272

00:25:37,800 --> 00:25:47,800

Sightings correspondent Carla Wall reports that Raynell Wallace was transformed not by the flames that engulfed her airplane but by spiritual burning within.

273

00:25:51,800 --> 00:25:57,800

The skies over central Utah were anything but foreboding on the morning of October 9th 1985.

274

00:25:57,800 --> 00:26:04,800

Terry and Raynell Wallace were preparing to board their single engine beach bonanza for a short 15 minute flight.

275

00:26:04,800 --> 00:26:09,800

The trip was part of a second honeymoon and adventure they hoped would put the spark back in a failing marriage.

276

00:26:09,800 --> 00:26:14,800

Raynell was committed to the flight despite a series of eerie premonitions.

277

00:26:14,800 --> 00:26:19,800

He says it's just a short flight we'll rent a car and drive home. What can happen in 15 minutes?

278

00:26:19,800 --> 00:26:22,800

10 minutes into the flight Raynell's question was answered.

279

00:26:22,800 --> 00:26:27,800

A violent storm blew in and the plane crashed into a snow shrouded mountain.

280

00:26:27,800 --> 00:26:32,800

It was an accident that could have been avoided if Raynell had heeded her inner voice.

281

00:26:32,800 --> 00:26:37,800

When you say you didn't want to go on the trip was it a premonition that something bad would happen?

282

00:26:37,800 --> 00:26:43,800

Was it a chill down your spine? What was it that made you not want to go?

283

00:26:43,800 --> 00:26:47,800

It was a small whispering and I think that's how they come.

284

00:26:47,800 --> 00:26:50,800

You know I think the spirit within us comes in small whispering.

285

00:26:50,800 --> 00:26:56,800

I had had a vision the night before. It was real clear. It was real prominent.

286

00:26:56,800 --> 00:27:01,800

I woke up in the middle of the night. It was what was going to happen the very next day.

287

00:27:01,800 --> 00:27:06,800

I woke up in a cold sweat and I sat up and Terry was sound asleep.

288

00:27:06,800 --> 00:27:11,800

I started getting very panicky and I woke him up and I said Terry wake up.

289

00:27:11,800 --> 00:27:15,800

Promise me no matter what happens tomorrow we're not going to get back in that plane right?

290

00:27:15,800 --> 00:27:19,800

I think she heard the voices but she didn't pay much heed in it because I mean we're going to be in a plane crash.

291

00:27:19,800 --> 00:27:23,800

Look it's a beautiful day. It is on a cloud in the sky and we're heading out.

292

00:27:23,800 --> 00:27:27,800

I mean when it started there was no real reason for concern.

293

00:27:27,800 --> 00:27:35,800

In the morning Rinell agreed to make the flight from Delta to Provo, Utah where Terry promised they could rent a car and drive the rest of the way home.

294

00:27:35,800 --> 00:27:38,800

But then there was another warning.

295

00:27:38,800 --> 00:27:42,800

Before you even left the hotel, the hotel clerk said something to you. What did she say?

296

00:27:42,800 --> 00:27:51,800

Yeah we checked out. We went to the front desk. I started talking to her and she says you're not going to fly today are you?

297

00:27:51,800 --> 00:27:58,800

And I said yeah we're just making a short flight and she said I really don't like the thought of you guys getting in that plane.

298

00:27:58,800 --> 00:28:03,800

She goes I just have this feeling I just rather you didn't go. I'll drive you.

299

00:28:03,800 --> 00:28:07,800

And I thought no don't worry about it we're going to be fine. We're just going to be fine. Don't worry about it.

300

00:28:07,800 --> 00:28:13,800

Despite this unsettling premonition from a concerned stranger the Wallises took off.

301

00:28:13,800 --> 00:28:16,800

At first it seemed like a perfect day for flying.

302

00:28:16,800 --> 00:28:21,800

All of a sudden the clouds came down and went all the way down to the ground.

303

00:28:21,800 --> 00:28:26,800

And it was though someone had taken a white sheet and just wrapped it tightly around the cockpit.

304

00:28:26,800 --> 00:28:30,800

And the whole area just became like a just massive fog in front of our face.

305

00:28:30,800 --> 00:28:35,800

It's like fingers of clouds just just came down and total almost zero visibility.

306

00:28:35,800 --> 00:28:40,800

And I said Terry the ground it's coming up the whole horizon was coming right up at us.

307

00:28:40,800 --> 00:28:43,800

And I start screaming the ground it's coming up it's coming up.

308

00:28:43,800 --> 00:28:48,800

And then all of a sudden the mountain was there and that's when I just pulled back up and she started screaming the ground the ground.

309

00:28:48,800 --> 00:28:55,800

Quickly Terry right before we nosed into the mountain pulled up on the steering column which caused a belly flop against the mountain.

310

00:28:55,800 --> 00:29:01,800

We then started skipping you know like a stone on water against the mountain.

311

00:29:01,800 --> 00:29:07,800

As we did parts of the plane started flying all over the place the sparks were coming out on the wingtips.

312

00:29:07,800 --> 00:29:13,800

I started to cry. I said please forgive me for everything I've done.

313

00:29:13,800 --> 00:29:17,800

Take care of my kids. Just take care of my kids.

314

00:29:17,800 --> 00:29:22,800

When I got sucked out onto the wingtip I was completely engulfed in flames.

315

00:29:22,800 --> 00:29:25,800

My whole body was completely on fire.

316

00:29:25,800 --> 00:29:28,800

Renille lay immobile on the frozen wreckage.

317

00:29:28,800 --> 00:29:31,800

Miraculous late Terry escaped with only burned hands.

318

00:29:31,800 --> 00:29:36,800

At the moment of impact Terry recalls his own supernatural vision.

319

00:29:36,800 --> 00:29:47,800

I saw what was like a strong muscular hand that was translucent whitish goldish transparent like come like this and I just felt peace and comfort from here that I wasn't going to get smashed.

320

00:29:47,800 --> 00:29:59,800

As I looked over at the flame Terry stood up inside the flame and he grabbed an invisible hand and he walked directly out of that flame across the wingtip.

321

00:29:59,800 --> 00:30:03,800

I looked up at him amazed because he was unscathed.

322

00:30:04,800 --> 00:30:07,800

This is where's the man that pulled me out Renille?

323

00:30:11,800 --> 00:30:17,800

With the threat of certain death looming near Terry knew he had to get Renille off that mountain.

324

00:30:17,800 --> 00:30:20,800

It would be a five mile hike in zero visibility.

325

00:30:20,800 --> 00:30:23,800

The skin of my hands were causing me a lot of pain.

326

00:30:23,800 --> 00:30:31,800

At one point I just couldn't take it anymore and I just yanked both of them off and I left them on the ground.

327

00:30:31,800 --> 00:30:33,800

I just couldn't take it anymore.

328

00:30:33,800 --> 00:30:43,800

So we had to climb the barbed wire fences basically bare hand burnt bare handed and ripped which is very difficult to do and we managed to hike down that way.

329

00:30:43,800 --> 00:30:49,800

And that's what was amazing to me is I just I felt lead I felt guided which way to go.

330

00:30:49,800 --> 00:30:55,800

Six hours later the Wallis is found a road which would turn out to be only one mile from the nearest hospital.

331

00:30:55,800 --> 00:31:02,800

Terry flagged down a truck driver who radioed for an ambulance but soon after it arrived Renille died.

332

00:31:02,800 --> 00:31:13,800

And all of a sudden I just let go and at that moment I felt peace and it was quiet.

333

00:31:13,800 --> 00:31:22,800

And then in a quick moment it was standing up and as I looked I could see these nurses all crowded around this gurney.

334

00:31:22,800 --> 00:31:29,800

I saw hand fall off the gurney and it was black and charcoal and I realized whose hand that was.

335

00:31:29,800 --> 00:31:36,800

And then all of a sudden it came black and the moment it came black I started seeing colors rushing by me.

336

00:31:36,800 --> 00:31:45,800

And I realized that I was heading somewhere feet first and I got very frightened and I could hear voices talking next to me.

337

00:31:45,800 --> 00:31:50,800

And I quickly in a quick flash had a life review of my entire life.

338

00:31:50,800 --> 00:31:58,800

It was just circumference all the way around me and then quickly it got black again and I got scared.

339

00:31:58,800 --> 00:32:10,800

I got really frightened and I saw a beam of light coming toward me and the moment that I looked upon that beam there was this peace coming from this light.

340

00:32:10,800 --> 00:32:16,800

And quickly within that moment the light pierced right through my soul.

341

00:32:16,800 --> 00:32:20,800

It pierced directly through me and I was now in it.

342

00:32:20,800 --> 00:32:25,800

And I felt all this peace and all this love.

343

00:32:25,800 --> 00:32:27,800

It was powerful.

344

00:32:27,800 --> 00:32:31,800

I thought wow this is great.

345

00:32:31,800 --> 00:32:34,800

It's so white.

346

00:32:34,800 --> 00:32:42,800

And as I started to look around in the white I saw a woman coming from the distance moving toward me.

347

00:32:42,800 --> 00:32:46,800

As she moved toward me she came and she stood in front of me.

348

00:32:46,800 --> 00:32:48,800

And she was beautiful.

349

00:32:48,800 --> 00:32:49,800

She had white hair.

350

00:32:49,800 --> 00:32:53,800

She was wearing a white dress and she called out my name.

351

00:32:53,800 --> 00:32:55,800

She says, Rinelle.

352

00:32:55,800 --> 00:32:58,800

Rinelle is Grandma.

353

00:32:58,800 --> 00:33:00,800

Grandma?

354

00:33:00,800 --> 00:33:03,800

Yes, Rinelle is me.

355

00:33:03,800 --> 00:33:06,800

She reached out her hand.

356

00:33:06,800 --> 00:33:09,800

Well now wait a minute.

357

00:33:09,800 --> 00:33:17,800

It hit me she had died two years before. Am I dead?

358

00:33:17,800 --> 00:33:23,800

Rinelle believed she was experiencing the rarest of all visions, her life after death.

359

00:33:23,800 --> 00:33:29,800

And in fact as the vision enveloped her Rinelle Wallace was declared clinically dead.

360

00:33:29,800 --> 00:33:34,800

Next, Rinelle's incredible meeting and message from the afterlife.

361

00:33:34,800 --> 00:33:39,800

She started to whisper, please go back and tell everybody the key is love.

362

00:33:44,800 --> 00:33:53,800

The day of their near fatal plane crash Terry and Rinelle Wallace were forced to ignore the supernatural signposts that should have kept them off that plane.

363

00:33:53,800 --> 00:33:57,800

After the crash the paranormal chain of events continued.

364

00:33:57,800 --> 00:34:02,800

And as Carla Wall reports they soon became impossible to ignore.

365

00:34:07,800 --> 00:34:17,800

After her clinical death Rinelle Wallace believed she was guided into a life after death by the brilliant spirit of her grandmother.

366

00:34:17,800 --> 00:34:22,800

You said your grandmother had an important message for you which was...

367

00:34:22,800 --> 00:34:26,800

To go back and tell everybody the key is love.

368

00:34:26,800 --> 00:34:28,800

What did you mean by that?

369

00:34:28,800 --> 00:34:32,800

I learned that love was not just this emotion that you feel in your body.

370

00:34:32,800 --> 00:34:37,800

It is an actual power that empowers your own soul and your own life.

371

00:34:37,800 --> 00:34:42,800

After everything she had said to me at one point she turned to me and said, Rinelle it's time to go back.

372

00:34:42,800 --> 00:34:47,800

I said, don't. For the first time I was feeling love.

373

00:34:47,800 --> 00:34:54,800

All of my life, all I ever wanted to do and I think all of us basically want this is to be loved and accepted.

374

00:34:54,800 --> 00:34:57,800

And for the first time in my life I was feeling it.

375

00:34:57,800 --> 00:35:00,800

And doggone it no one's going to take this away from me.

376

00:35:00,800 --> 00:35:08,800

Rinelle remembers that she did not want to return to her physical body until she was shown a vision of her future on earth.

377

00:35:08,800 --> 00:35:12,800

That's how a young man come from the distance.

378

00:35:12,800 --> 00:35:17,800

He was tall, his dark hair and blue eyes.

379

00:35:17,800 --> 00:35:20,800

Very handsome.

380

00:35:20,800 --> 00:35:27,800

And he was smiling and he came and he stood in front of me and he started to cry.

381

00:35:27,800 --> 00:35:33,800

And he said, Mom why are you here?

382

00:35:33,800 --> 00:35:35,800

Mom?

383

00:35:35,800 --> 00:35:37,800

Nathaniel.

384

00:35:37,800 --> 00:35:39,800

He says, I need you mom.

385

00:35:39,800 --> 00:35:41,800

You have to go back.

386

00:35:41,800 --> 00:35:50,800

At that moment as I looked into his eyes I realized I needed to set my own selfish needs aside.

387

00:35:50,800 --> 00:35:54,800

I said, I promise you Nathaniel, I'll give you your chance.

388

00:35:54,800 --> 00:35:57,800

I promise.

389

00:35:57,800 --> 00:36:00,800

I swear.

390

00:36:01,800 --> 00:36:05,800

She says, Rinelle go back.

391

00:36:05,800 --> 00:36:08,800

And she started to let go of my hand.

392

00:36:08,800 --> 00:36:10,800

And she let go of my hand.

393

00:36:10,800 --> 00:36:15,800

She started to whisper, please go back and tell everybody the key is love.

394

00:36:15,800 --> 00:36:18,800

Rinelle, the key is love.

395

00:36:18,800 --> 00:36:21,800

The key is love.

396

00:36:21,800 --> 00:36:28,800

It was then that it got darker and darker and darker until I had come into this hollow body.

397

00:36:28,800 --> 00:36:33,800

And just before I came into it I could see my hand off to the side of the bed.

398

00:36:33,800 --> 00:36:41,800

And then when my spirit had come into it, I absolutely couldn't stand it.

399

00:36:41,800 --> 00:36:43,800

It was an instant pain.

400

00:36:43,800 --> 00:36:45,800

Rinelle came back.

401

00:36:45,800 --> 00:36:54,800

The memory of the mysterious boy named Nathaniel who had called her mom haunted her and sustained her through years of excruciating physical recovery.

402

00:36:54,800 --> 00:37:03,800

She was a very motivated person who became very goal oriented and was sure that she was going to beat this.

403

00:37:03,800 --> 00:37:06,800

That she was not going to let this burn injury slow her down.

404

00:37:06,800 --> 00:37:11,800

We have guardian angels that watch over us and help us out whenever we are in need of help.

405

00:37:11,800 --> 00:37:18,800

And I'm sure that Rinelle had such assistance to be able to accomplish what she did.

406

00:37:18,800 --> 00:37:29,800

Rinelle invited me to accompany her to the side of the plane crash after ten years painful memories of the crash called her by surprise.

407

00:37:29,800 --> 00:37:36,800

It's so funny. I don't believe I could just all come back.

408

00:37:36,800 --> 00:37:39,800

I left myself up here.

409

00:37:39,800 --> 00:37:43,800

You left yourself up here. What do you mean?

410

00:37:43,800 --> 00:37:50,800

The old Rinelle's buried still up on this mountain.

411

00:37:50,800 --> 00:37:52,800

You started a new life here.

412

00:37:52,800 --> 00:37:55,800

A new life. A complete new life.

413

00:37:55,800 --> 00:37:59,800

I've made my mistakes along the way, you know, with my new life.

414

00:37:59,800 --> 00:38:03,800

But there was a total rebirth.

415

00:38:03,800 --> 00:38:07,800

Rinelle survived her ordeal and so did her marriage to Terry.

416

00:38:07,800 --> 00:38:11,800

Somehow it fused us together. It's like the hands were both burnt. They're both fused together.

417

00:38:11,800 --> 00:38:16,800

So we had the same matching mittens where people have their wedding rings and all that.

418

00:38:16,800 --> 00:38:20,800

They match and so what's happened was we kind of got fused.

419

00:38:20,800 --> 00:38:26,800

Today Rinelle is living the lessons she believes were taught to her by the spirit of her

grandmother.

420

00:38:26,800 --> 00:38:31,800

And recently the mysterious boy who beckoned her back to life came down to earth.

421

00:38:31,800 --> 00:38:35,800

This is Nathaniel Wallace. He's three years old.

422

00:38:35,800 --> 00:38:39,800

Remember hearing my children's echoes down in the valley and thinking,

423

00:38:39,800 --> 00:38:46,800

that's why I lived. This is the reason.

424

00:38:46,800 --> 00:38:50,800

It's been ten years since the Wallace's fateful plane crash.

425

00:38:50,800 --> 00:38:56,800

In that time Terry and Rinelle have given hundreds of public lectures about the importance of listening to the inner voice.

426

00:38:56,800 --> 00:39:01,800

But Rinelle and Terry have also spent many private hours in hospitals around the country,

427

00:39:01,800 --> 00:39:05,800

avoiding burn victims as only survivors can.

428

00:39:05,800 --> 00:39:12,800

Next, these high school students don't believe it was a weather balloon that crashed in Roswell, New Mexico fifty years ago.

429

00:39:12,800 --> 00:39:21,800

And they're doing something about it.

430

00:39:21,800 --> 00:39:27,800

A grassroots movement is underway to get to the bottom of America's watershed UFO event.

431

00:39:27,800 --> 00:39:32,800

It's supposed to crash with a flying saucer near Roswell, New Mexico in nineteen forty seven.

432

00:39:32,800 --> 00:39:41,800

The Roswell Declaration is a one page petition calling for the declassification of any and all government documents relating to the Roswell incident.

433

00:39:41,800 --> 00:39:45,800

So far the Declaration has over twelve thousand signatures.

434

00:39:45,800 --> 00:39:53,800

Eight hundred of those signatures were collected by high school students in one small New Hampshire town.

435

00:39:53,800 --> 00:40:00,800

At first glance you wouldn't think London Dairy, New Hampshire and Roswell, New Mexico shared anything in common.

436

00:40:00,800 --> 00:40:08,800

London Dairy has the look of a Norman Rockwell painting where people have deep roots and traditional American values.

437

00:40:08,800 --> 00:40:14,800

But the teenagers at London Dairy High School are linked to Roswell because of the unlikeliest of events.

438

00:40:14,800 --> 00:40:20,800

A fifty year old UFO mystery that students here think is being covered up.

439

00:40:20,800 --> 00:40:26,800

Students who weren't really together as far as interest in school or friends came together because of this.

440

00:40:26,800 --> 00:40:34,800

It started with an assignment in Stephen Juster's fiction class to try and obtain government documents through the Freedom of Information Act.

441

00:40:34,800 --> 00:40:39,800

It feels like we live in America and we have freedom but we don't.

442

00:40:39,800 --> 00:40:46,800

They're taking that away from us. They're covering up stuff that we want to know about. I don't think it's right.

443

00:40:46,800 --> 00:40:52,800

The students wanted information about the alleged UFO crash near Roswell, New Mexico.

444

00:40:52,800 --> 00:41:03,800

They quickly discovered that the official explanation for the incident didn't seem to warrant the number of still classified documents the government refused to release to the students.

445

00:41:03,800 --> 00:41:11,800

I think that the government is trying to hide something. I don't think it was a weather balloon. I just think there are too many people that saw it.

446

00:41:11,800 --> 00:41:19,800

It seems to me that something incredible did happen. Something landed there that was obviously bigger than just a weather balloon.

447

00:41:19,800 --> 00:41:23,800

Whether it was aliens or not, I'm not really sure.

448

00:41:23,800 --> 00:41:33,800

That was really neat to like, you know, maybe try and get this uncovered to see if it really was an alien ship that landed or crashed or if it was just something else in the government just didn't want us to know about it.

449

00:41:33,800 --> 00:41:43,800

When Stephen Juster saw that Omni was collecting signatures for a petition demanding the release of classified Roswell documents, he saw a fund and engaging teaching tool for his class.

450

00:41:43,800 --> 00:41:46,800

But the entire student body became involved.

451

00:41:46,800 --> 00:41:52,800

We just kind of thought it was going to just be our little class project and that was it. Turned into a big thing.

452

00:41:52,800 --> 00:41:53,800

Yeah.

453

00:41:53,800 --> 00:42:03,800

Eventually the Roswell project grew beyond Juster's class, beyond London Dairy High School and into every high school in New Hampshire in all more than 800 signatures were collected.

454

00:42:03,800 --> 00:42:15,800

The plan is to send copies of them to all the senators and to all the congressmen and to the president and hopefully get the president to sign and act saying that this material is declassified.

455

00:42:15,800 --> 00:42:26,800

I think if people catch on to what we've done and say, hey, you know, a bunch of 18 year olds made this much of a change, what can we do as a larger group?

456

00:42:26,800 --> 00:42:36,800

I think if it keeps snowballing the way it has, then things are definitely going to change because what can the government do? They can't ignore that many people.

457

00:42:36,800 --> 00:42:45,800

Kent Jeffery, the author of the Roswell Declaration, plans to deliver the petition and a list of signatories to all members of Congress and to the White House.

458

00:42:45,800 --> 00:42:52,800

If you're interested in signing the petition, copies of the Roswell Declaration are available through Sightings Online Service.
