

1

00:00:00,000 --> 00:00:05,000

on this edition of CYBUS.

2

00:00:05,000 --> 00:00:07,000

This California Victorian was so haunted,

3

00:00:07,000 --> 00:00:10,000

the new owners never made it through the first night.

4

00:00:10,000 --> 00:00:13,000

I heard the footsteps, I heard the jiggling of the door handle again,

5

00:00:13,000 --> 00:00:17,000

and I told my husband, it's God, I said, that's it, I'm out of here.

6

00:00:17,000 --> 00:00:21,000

Their last hope is an ancient Chinese ritual known as Feng Shui.

7

00:00:21,000 --> 00:00:26,000

Can the power of prayer actually save a child's life?

8

00:00:26,000 --> 00:00:31,000

Over 2200 people during that first week were involved in the prayer network.

9

00:00:31,000 --> 00:00:34,000

Later, every month for the past few,

10

00:00:34,000 --> 00:00:38,000

people in Brazil witnessed the same mysterious objects in the sky.

11

00:00:38,000 --> 00:00:44,000

It was a pulsing blue, and then it became an intense green, turning around.

12

00:00:44,000 --> 00:00:49,000

But is it a UFO or religious miracle?

13

00:00:49,000 --> 00:00:55,000

And will magic new evidence that Bigfoot lives in Ohio?

14

00:01:26,000 --> 00:01:28,000

Welcome to Sightings, I'm Tim White.

15

00:01:28,000 --> 00:01:33,000

After a series of perplexing encounters with a ghostly entity inside their home,

16

00:01:33,000 --> 00:01:37,000

one family in Northern California reached out to professionals for answers.

17

00:01:37,000 --> 00:01:39,000

In addition to contacting a psychic investigator,

18

00:01:39,000 --> 00:01:42,000

they've also looked to the Far East,

19

00:01:42,000 --> 00:01:47,000

and will participate in a secret ceremony designed to expel the ghosts from their haunted house.

20

00:01:47,000 --> 00:01:49,000

Carla Wall reports.

21

00:01:49,000 --> 00:01:59,000

A Victorian home trapped in time, a reminder of another era,

22

00:01:59,000 --> 00:02:04,000

and the gruesome murder of a young wife and the husband who turned the gun on himself.

23

00:02:04,000 --> 00:02:08,000

And even though the town's most notorious crime happened 60 years ago,

24

00:02:08,000 --> 00:02:11,000

there are still eerie echoes of the past.

25

00:02:11,000 --> 00:02:14,000

I heard the footsteps, I heard the jiggling of the door handle again,

26

00:02:14,000 --> 00:02:18,000

and I told my husband, it's God, I said, that's it, I'm out of here.

27

00:02:18,000 --> 00:02:22,000

The house is in Pinol, California, on the shores of San Francisco Bay.

28

00:02:22,000 --> 00:02:26,000

The people here work hard to preserve their town's Victorian charm.

29

00:02:26,000 --> 00:02:33,000

And that was what Bruce Marshall and his family wanted to do when they moved into this 100-year-old home in 1975.

30

00:02:33,000 --> 00:02:39,000

But the Marshalls soon discovered that not every reminder of the past was worthy of preservation.

31

00:02:39,000 --> 00:02:43,000

There was a strange otherworldly presence no one could explain.

32

00:02:43,000 --> 00:02:46,000

Like someone was watching me while I was taking my bow.

33

00:02:46,000 --> 00:02:51,000

The only place that I myself felt anything different was here in the basement.

34

00:02:51,000 --> 00:02:55,000

The voice seemed to be coming from the kitchen.

35

00:02:55,000 --> 00:03:01,000

I didn't really talk about it until my neighbor across the street was telling me what had happened to here.

36

00:03:01,000 --> 00:03:05,000

Despite the home's notoriety, the Marshall kids love the old place,

37

00:03:05,000 --> 00:03:09,000

so much so that Bruce's son Scott bought it back after his dad sold it.

38

00:03:09,000 --> 00:03:14,000

But Scott's wife Kelly doesn't share her husband's enthusiasm for the house.

39

00:03:14,000 --> 00:03:16,000

She's terrified of the place.

40

00:03:16,000 --> 00:03:20,000

Kelly, what is it that you feel down here in the basement?

41

00:03:20,000 --> 00:03:23,000

It's like a presence.

42

00:03:23,000 --> 00:03:27,000

Like you can feel like somebody's watching you.

43

00:03:27,000 --> 00:03:34,000

I could just feel somebody standing behind me, but they're not there.

44

00:03:34,000 --> 00:03:38,000

And then when I looked up, I was afraid to look in the reflection of the window

45

00:03:38,000 --> 00:03:44,000

because I thought when I pulled my head up that I would see the reflection of the person standing behind me.

46

00:03:44,000 --> 00:03:50,000

Kelly refused to move into the home, and so Bruce Marshall is living here again with his dog Lucy.

47

00:03:50,000 --> 00:03:57,000

Watching over the place until something, or someone, can spring the trap and release the entity here.

48

00:03:57,000 --> 00:03:59,000

Do you believe in ghosts?

49

00:03:59,000 --> 00:04:05,000

I don't know if it's not a ghost. Something's here, but I don't know what it is.

50

00:04:05,000 --> 00:04:08,000

When you sold the house to your son, right?

51

00:04:08,000 --> 00:04:13,000

Kelly wouldn't have anything to do with it. She's scared of it, right?

52

00:04:13,000 --> 00:04:21,000

Kelly's never stayed here. She's tried to stay one night, and about halfway through the evening she went home.

53

00:04:21,000 --> 00:04:30,000

Kelly was convinced that the feelings of uneasiness she experienced in the home were connected to the murder suicide that shattered the town so long ago.

54

00:04:30,000 --> 00:04:32,000

Where did it happen? What were the circumstances?

55

00:04:32,000 --> 00:04:40,000

Well, from the newspaper reports, they say that it was over financial woes. It happened in 1935.

56

00:04:40,000 --> 00:04:46,000

The husband came home, and he shot his wife. Shot her in the back of the head twice.

57

00:04:46,000 --> 00:04:52,000

Kelly, unwilling to be defeated by the entity, searched for a way to rid the house of its negative energy.

58

00:04:52,000 --> 00:04:59,000

She contacted local psychic Susan Stewart. A sightings investigative team accompanied Stewart as she walked the house

59

00:04:59,000 --> 00:05:02,000

and tried to pinpoint the source of the haunting activity.

60

00:05:02,000 --> 00:05:10,000

I was going to ask you, you've now got the psychic coming in. You've got a Feng Shui master coming in. Why now?

61

00:05:10,000 --> 00:05:14,000

Because I have two small children, and my father-in-law is living back here in the house.

62

00:05:14,000 --> 00:05:19,000

And I'd like them to be able to come spend the night with Grandpa and play with Lucy

63

00:05:19,000 --> 00:05:23,000

and do the things that kids should do when they're kids.

64

00:05:23,000 --> 00:05:30,000

But I just don't want them here until I know and I feel safe that the house is cleared.

65

00:05:30,000 --> 00:05:36,000

Stewart was aware that there had been a murder in this house, but she did not know any of the details of the case.

66

00:05:36,000 --> 00:05:42,000

Nor did she have information about structural changes that had been made since the 1935 crime.

67

00:05:42,000 --> 00:05:58,000

I feel at this point, as though I'm the male energy, this man who's been drinking and falling against the wall.

68

00:05:58,000 --> 00:06:03,000

And I'm very angry.

69

00:06:03,000 --> 00:06:07,000

And I...

70

00:06:07,000 --> 00:06:10,000

You're talking like someone who's staggering drunk?

71

00:06:10,000 --> 00:06:11,000

Right. Downstabs.

72

00:06:11,000 --> 00:06:14,000

Right. Falling and I'm angry.

73

00:06:14,000 --> 00:06:16,000

And...

74

00:06:16,000 --> 00:06:18,000

Oh.

75

00:06:18,000 --> 00:06:21,000

Um...

76

00:06:21,000 --> 00:06:25,000

This particular place has a lot of very negative energy in it.

77

00:06:25,000 --> 00:06:34,000

I feel chilled and cold and I'm being...

78

00:06:34,000 --> 00:06:42,000

I feel like I'm a female and I'm being dragged by my hair and...

79

00:06:42,000 --> 00:06:45,000

I'm hit.

80

00:06:45,000 --> 00:06:50,000

Stewart's psychic impressions of a drunken, enraged husband hitting his wife in the back of the head

81

00:06:50,000 --> 00:06:54,000

were corroborated in obscure newspaper accounts.

82

00:06:54,000 --> 00:06:58,000

According to Stewart, it's the distraught husband who's trapped here.

83

00:06:58,000 --> 00:07:04,000

Is the represents still here? And do you feel it?

84

00:07:04,000 --> 00:07:11,000

I feel as though the woman, the wife, I feel she's gone through to the light and I think that she did that right away.

85

00:07:11,000 --> 00:07:21,000

I feel because he felt that he committed this crime and because he also killed himself afterwards

86

00:07:21,000 --> 00:07:26,000

and because of his religious beliefs, felt that he couldn't go anywhere positive.

87

00:07:26,000 --> 00:07:31,000

Kelly Marshall believes that Susan Stewart's psychic vision is correct.

88

00:07:31,000 --> 00:07:36,000

That it's the ghost of the murderous husband who must be encouraged to move on.

89

00:07:36,000 --> 00:07:42,000

Kelly has chosen the ancient practice of feng shui to rid the old home of its negative energy.

90

00:07:42,000 --> 00:07:49,000

It's based on the ancient Chinese belief in qi, the essential life force that flows through everything.

91

00:07:49,000 --> 00:07:54,000

With the qi as blocked, feng shui masters are called in to suggest alterations to the environment

92

00:07:54,000 --> 00:08:02,000

and to perform centuries-old rituals that are believed to reignite the positive flow of qi.

93

00:08:02,000 --> 00:08:13,000

And I'm mixing this with the rice and cinnamon powder to drive away negative energy.

94

00:08:13,000 --> 00:08:18,000

This feng shui ceremony is sacred and is usually performed in secrecy.

95

00:08:18,000 --> 00:08:24,000

The feng shui practitioner Lin Ho-tu has given Siding's permission to videotape part of the cleansing ritual,

96

00:08:24,000 --> 00:08:30,000

including the sacred chants that are used to dispel evil spirits and return the positive qi.

97

00:08:30,000 --> 00:08:38,000

Ho-tu has brought many of her students from the young Lin temple in Berkeley, California to teach them the ritual and to increase its power.

98

00:08:38,000 --> 00:08:48,000

You scatter rice first, you scatter it with your palms facing up to the sky as if you are feeding

99

00:08:48,000 --> 00:08:57,000

and requesting the wandering spirit to leave this location, to leave this site.

100

00:08:57,000 --> 00:09:01,000

The feng shui cleansing lasts for 24 hours and once completed,

101

00:09:01,000 --> 00:09:05,000

Lin Ho-tu believes she and her students have been successful.

102

00:09:05,000 --> 00:09:11,000

Then perhaps you can explain to Kelly what you have now done for her house.

103

00:09:11,000 --> 00:09:21,000

We're not ghost buster. We are here to hopefully help the spirit finding the right place,

104

00:09:21,000 --> 00:09:31,000

a happier place to find a better life, to be reborn quickly into a better life.

105

00:09:31,000 --> 00:09:39,000

I thought when I started this whole thing that I would be afraid and I was never afraid.

106

00:09:39,000 --> 00:09:50,000

I feel sadness for the people, but I also feel happiness and I release. I'm very, very grateful.

107

00:09:50,000 --> 00:09:55,000

After the ritual cleansing, Lin Ho-tu spent time with the entire martial family,

108

00:09:55,000 --> 00:10:00,000

explaining what they must do to keep the positive qi flowing through the house

109

00:10:00,000 --> 00:10:02,000

and to keep the spirits at bay.

110

00:10:02,000 --> 00:10:08,000

I really believe that it did work. I would stay here. I mean, I don't come down the basement.

111

00:10:08,000 --> 00:10:13,000

I came down the basement by myself today.

112

00:10:13,000 --> 00:10:17,000

You've almost certainly seen the power of feng shui at work and didn't even know it.

113

00:10:17,000 --> 00:10:21,000

Have you ever noticed that nearly every Chinese restaurant has a fish tank?

114

00:10:21,000 --> 00:10:26,000

Well, it's not just for decoration, but because moving water according to feng shui beliefs

115

00:10:26,000 --> 00:10:30,000

will bring prosperity, luck and happiness.

116

00:10:30,000 --> 00:10:35,000

Next, new scientific evidence that supports the power of prayer.

117

00:10:35,000 --> 00:10:46,000

Later, why these spots are America's most sacred sites.

118

00:10:46,000 --> 00:10:51,000

Recently, in Cambridge, Massachusetts, more than 800 doctors, nurses and clinicians

119

00:10:51,000 --> 00:10:54,000

attended a groundbreaking conference titled,

120

00:10:54,000 --> 00:10:57,000

Spirituality and Healing in Medicine.

121

00:10:57,000 --> 00:11:01,000

Some were religious, others quite secular, but they found common ground

122

00:11:01,000 --> 00:11:05,000

in their shared belief that prayer can and does heal the sick.

123

00:11:05,000 --> 00:11:10,000

It was a remarkable declaration, maybe even more so by the conference's sponsor,

124

00:11:10,000 --> 00:11:12,000

Harvard Medical School.

125

00:11:13,000 --> 00:11:19,000

The Harvard Conferries heard reports of life and death situations

126

00:11:19,000 --> 00:11:23,000

in which the power of prayer seemed to directly influence recovery,

127

00:11:23,000 --> 00:11:26,000

like the case of Deirdre Callahan.

128

00:11:26,000 --> 00:11:31,000

Within about two hours of arrival there, she was diagnosed with Rye's syndrome.

129

00:11:31,000 --> 00:11:37,000

And I knew that Rye's syndrome was one of the leading killer diseases of children under 12.

130

00:11:37,000 --> 00:11:40,000

And Deirdre was 10 at the time.

131

00:11:40,000 --> 00:11:45,000

In 1991, Deirdre Callahan was suddenly stricken with Rye's syndrome,

132

00:11:45,000 --> 00:11:49,000

a devastating urological disorder characterized by enlargement of the liver

133

00:11:49,000 --> 00:11:52,000

and swelling of the brain. It is often fatal.

134

00:11:52,000 --> 00:11:57,000

It was as if my heart had just fallen through my chest down into the floor.

135

00:11:57,000 --> 00:11:59,000

I couldn't think of anything else.

136

00:11:59,000 --> 00:12:03,000

I just knew that it was a killer disease and that she might die.

137

00:12:04,000 --> 00:12:09,000

For four days, Deirdre lay in a Level 4 coma very close to death.

138

00:12:09,000 --> 00:12:12,000

Her parents, Cathy and Tino, were told to prepare for the worst.

139

00:12:12,000 --> 00:12:16,000

Attending physician Dr. Lillian Gonzalez-Pardo held out little hope.

140

00:12:16,000 --> 00:12:23,000

With the coma state that she was in, I was sharing the same pessimistic outlook.

141

00:12:23,000 --> 00:12:28,000

Because I have seen Rye's syndrome at different stages in my 20-year career

142

00:12:28,000 --> 00:12:30,000

and I have seen patients die.

143

00:12:31,000 --> 00:12:38,000

That evening, they asked our minister, Reverend Mary Omuak, to prepare us for Deirdre's death.

144

00:12:38,000 --> 00:12:42,000

But Cathy and Tino were not ready to accept defeat.

145

00:12:42,000 --> 00:12:47,000

As their daughter's life hung in the balance, they began to contact prayer groups around the country,

146

00:12:47,000 --> 00:12:50,000

whose members devote special prayers to those in need.

147

00:12:50,000 --> 00:12:54,000

One of the groups that Cathy contacted is called Glad Helpers.

148

00:12:55,000 --> 00:13:02,000

When she called, I took the name of her daughter and of course got the address

149

00:13:02,000 --> 00:13:05,000

and we immediately put her on emergency.

150

00:13:05,000 --> 00:13:09,000

Monthly, Glad Helpers publishes a list of thousands of people

151

00:13:09,000 --> 00:13:12,000

the group believes can be helped through the power of prayer.

152

00:13:12,000 --> 00:13:15,000

Every Wednesday, the group meets to meditate and pray.

153

00:13:15,000 --> 00:13:18,000

And Glad Helpers is only one of a number of organizations

154

00:13:18,000 --> 00:13:21,000

offering this gift of prayer to families in need.

155

00:13:22,000 --> 00:13:30,000

There were all in all about 16 actual church-affiliated congregations praying for Deirdre by the end of that week.

156

00:13:30,000 --> 00:13:37,000

And we estimate that there were about over 2,200 people during that first week who were involved in the prayer network.

157

00:13:37,000 --> 00:13:44,000

At the same time, Tino, a Native American of the Laguna Pueblo, contacted his family in New Mexico.

158

00:13:44,000 --> 00:13:47,000

Members of the tribe came together to perform healing rituals.

159

00:13:47,000 --> 00:13:53,000

And Cathy's sister Darcy was also called to perform Right Sacred Two, Wicca, an ancient pagan religion.

160

00:13:53,000 --> 00:14:00,000

And when Darcy flew in from Boston to be by her niece's side, the Wiccan congregation continued the rituals.

161

00:14:00,000 --> 00:14:06,000

Wicca is a nature-based religion, viewing the divine as God and goddess.

162

00:14:06,000 --> 00:14:13,000

Through magical practices, meditation and prayer, Wiccans believe they can harness the earth's natural energy

163

00:14:13,000 --> 00:14:16,000

and channel it into healing circles.

164

00:14:16,000 --> 00:14:26,000

It's very common in Wiccan healing circles to send energy and have it so that the person can use it in the way they need to use it.

165

00:14:26,000 --> 00:14:33,000

If for some reason it was Deirdre's time to go, then the energy would have been to make her passing easier.

166

00:14:33,000 --> 00:14:40,000

But if it was not her time and if it was still right for her to stay here, then she would use the energy to heal.

167

00:14:40,000 --> 00:14:49,000

I think they all united in the spirit of love and through that love offered their prayers for one simple purpose, which was to heal a little girl in need.

168

00:14:49,000 --> 00:14:59,000

As precious hours slipped by, Cathy and Tino worked to build an invisible shield of prayer that extended nationwide and included people of many different faiths.

169

00:14:59,000 --> 00:15:03,000

It was then that Deirdre believes she began to see a light.

170

00:15:03,000 --> 00:15:12,000

I was in God's house. It wasn't a physical house. The surrounding was kind of a pinkish-white color.

171

00:15:12,000 --> 00:15:21,000

And I remember seeing entities or souls or beings there and angels. They had more of a glow to

them. They were more elongated.

172

00:15:21,000 --> 00:15:26,000

Another thing I could really say were their eyes. It was just like a light on the body.

173

00:15:26,000 --> 00:15:34,000

But Deirdre was still locked inside a physical body that could not communicate this sense of healing, but two days later, a breakthrough.

174

00:15:34,000 --> 00:15:40,000

Dr. Pardo, she came to tell us Wednesday afternoon that they had detected a pupil response.

175

00:15:40,000 --> 00:15:45,000

And this was the first time in five days that they had any sign or any type of improvement.

176

00:15:45,000 --> 00:15:50,000

The following day, she started to open her eyes and look around.

177

00:15:50,000 --> 00:15:53,000

And I was able to look into her eyes for the first time.

178

00:15:53,000 --> 00:16:01,000

And she could follow through with what we call simple commands, like squeeze my hand or point to your mom. That kind of thing.

179

00:16:01,000 --> 00:16:06,000

That is good brain function when you start seeing those things.

180

00:16:06,000 --> 00:16:11,000

When I woke up at the hospital, I thought it was a dream. I remember strangers coming in and saying,

181

00:16:11,000 --> 00:16:17,000

It's a miracle. We prayed for you. And so I was pinching myself along my arms to try to wake myself up.

182

00:16:17,000 --> 00:16:23,000

And then finally I came to realize and accept that it wasn't a dream. It was real.

183

00:16:23,000 --> 00:16:30,000

Deirdre emerged from her coma without any sign of the brain damage her physicians had expected when and if she did survive.

184

00:16:30,000 --> 00:16:39,000

I called her the miracle child because the chance for recovery was small given her clinical condition.

185

00:16:39,000 --> 00:16:47,000

Dr. Herbert Benson is a Harvard Medical School Associate Professor and founding president of the Mind Body Medical Institute of Boston.

186

00:16:47,000 --> 00:16:54,000

Dr. Benson, an acknowledged pioneer in behavioral medicine, believes that prayer does have extraordinary healing powers,

187

00:16:54,000 --> 00:16:57,000

which have been demonstrated in clinical studies.

188

00:16:57,000 --> 00:17:05,000

People in an intensive care unit in San Francisco that were prayed for, but didn't know they were being prayed for,

189

00:17:05,000 --> 00:17:13,000

improved more rapidly with fewer complications than those who weren't prayed for.

190

00:17:13,000 --> 00:17:22,000

Dr. Benson believes more controlled studies need to be done before the healing properties of prayer will be accepted as part of the medical mainstream.

191

00:17:22,000 --> 00:17:28,000

Until then, proof of the power of prayer lies with families like the Callagans, who believe it has worked for them,

192

00:17:28,000 --> 00:17:33,000

who believe that a network of concentrated meditative energy can work miracles.

193

00:17:33,000 --> 00:17:40,000

It's a story that is told in this book, *Unseen Hands and Unknown Hearts* by Kathy Callaghan.

194

00:17:40,000 --> 00:17:51,000

Prayer, I know, is an active agent. Prayer can be used to change anything in the physical world. Prayer is real. Prayer works.

195

00:17:51,000 --> 00:18:04,000

The power of prayer in working could be ascribed to either the patient believing in the prayer or some external forces.

196

00:18:04,000 --> 00:18:10,000

The external forces are things that are beyond science to measure now.

197

00:18:10,000 --> 00:18:22,000

Anytime, you know, anybody prays, things happen. And I believe in it. And I knew when all these people were praying,

198

00:18:22,000 --> 00:18:24,000

it just could happen.

199

00:18:30,000 --> 00:18:31,000

And it did.

200

00:18:32,000 --> 00:18:37,000

People are learning that prayer does help, that it helps spiritually and physically.

201

00:18:37,000 --> 00:18:41,000

That if you pray on something, it just may come true.

202

00:18:41,000 --> 00:18:48,000

The biggest lesson that I learned was that I'm never alone. God's always there, no matter what.

203

00:18:49,000 --> 00:18:55,000

Dr. Herbert Benson, associate professor of medicine at Harvard Medical Center and one of the Harvard conference's organizers,

204

00:18:55,000 --> 00:19:01,000

strongly believes that healthcare in the future will be based on a new, three-pronged approach.

205

00:19:01,000 --> 00:19:05,000

Medicine, surgery, and spirituality.

206

00:19:06,000 --> 00:19:12,000

Next, an unprecedented encounter with UFOs at the same air force base where the shuttle lands.

207

00:19:12,000 --> 00:19:16,000

And new evidence that the shroud of Turin is real.

208

00:19:23,000 --> 00:19:26,000

Here are some of the stories sightings is following in the news.

209

00:19:26,000 --> 00:19:33,000

For the first time in more than 25 years, six hours of provocative air force audio tapes have been catalogued and condensed.

210

00:19:33,000 --> 00:19:40,000

So now the public can finally hear for themselves what happened when a UFO appeared over one of America's largest military bases.

211

00:19:40,000 --> 00:19:42,000

Carla Wall reports.

212

00:19:45,000 --> 00:19:50,000

Edwards Air Force Base is one of the largest aircraft test centers in the world.

213

00:19:50,000 --> 00:19:55,000

The people who work here know the difference between an experimental aircraft and a meteor.

214

00:19:55,000 --> 00:19:59,000

But in 1965, they couldn't figure this one out.

215

00:19:59,000 --> 00:20:03,000

I'm just saying you got some new thoughts. Roger, what about Johnny?

216

00:20:03,000 --> 00:20:05,000

Edwards and Victorville area.

217

00:20:05,000 --> 00:20:11,000

Key excerpts from the declassified tapes have been organized into an audio documentary.

218

00:20:11,000 --> 00:20:14,000

I spoke with Sam Sherman, the documentary producer.

219

00:20:14,000 --> 00:20:17,000

Why did you decide to do something with them?

220

00:20:17,000 --> 00:20:19,000

I felt the public should know something about it.

221

00:20:19,000 --> 00:20:23,000

It's a subject that has been ridiculed for many years.

222

00:20:23,000 --> 00:20:29,000

It was a daunting task to make sense out of hours of tape from dozens of different sources.

223

00:20:29,000 --> 00:20:41,000

I took all the significant pieces of the conversations from phone patches and ground to air radio based the base communication and put them all together so it was like a dramatic program.

224

00:20:41,000 --> 00:20:49,000

Sherman took eight months to assemble the collection of tapes into a concise and comprehensible account of the Edwards UFO incident.

225

00:20:49,000 --> 00:20:58,000

I was stunned to find out that a squadron of 12 UFOs was over Edwards and that there was an alert status and that five other bases were involved and NORAD was involved.

226

00:20:58,000 --> 00:20:59,000

It shocked me.

Maryland's University of Maryland's University of Maryland University of Maryland's University of Maryland's University of Maryland's University of Maryland's honorary new ANS.

232

00:22:23,440 --> 00:22:30,120

Its elevated tones cooker oil and seafood overseas Advice doesn't melt in the earth.

233

00:22:30,120 --> 00:22:36,480

of the children. So just the suggestion had a real potent effect on their behavior and

234

00:22:36,480 --> 00:22:41,480

their perceptions of what they thought was happening with their children.

235

00:22:41,480 --> 00:22:45,560

At the conclusion of the Vanderbilt study, researchers found strong evidence that it

236

00:22:45,560 --> 00:22:50,440

is not the power of sugar, but the extraordinary power of suggestion that is creating the link

237

00:22:50,440 --> 00:22:56,920

between candy and chaos.

238

00:22:56,920 --> 00:23:02,160

In Turin, Italy, the mysterious shroud, believed by many to be burial cloth of Jesus still

239

00:23:02,160 --> 00:23:07,560

bearing his likeness, will soon be put on public display the first time in 20 years.

240

00:23:07,560 --> 00:23:11,800

Although some scientists have concluded through carbon dating that the shroud of Turin is

241

00:23:11,800 --> 00:23:17,760

a medieval forgery, new research suggests previous carbon dating is unreliable.

242

00:23:17,760 --> 00:23:24,240

This is a replica of the shroud of Turin. Probably the most visible features are the

243

00:23:24,240 --> 00:23:29,160

two parallel burn marks that were the result of the fire that the shroud suffered in the

244

00:23:29,160 --> 00:23:30,760

year 1532.

245

00:23:30,760 --> 00:23:35,400

John and Rebecca Jackson head up a joint Russian American scientific investigation from the

246

00:23:35,400 --> 00:23:41,600

Turin Shroud Center in Colorado, and researchers in Moscow have found evidence that the 1532

247

00:23:41,600 --> 00:23:44,480

fire may have tainted carbon dating results.

248

00:23:44,480 --> 00:23:55,240

The fire itself, the fire alone, is able to generate such an error as a 400 years.

249

00:23:55,240 --> 00:23:59,920

And pollen samples from the shroud, as well as distinctive funeral markings, suggest the

250

00:23:59,920 --> 00:24:02,520

shroud is of Middle Eastern origin.

251

00:24:02,520 --> 00:24:09,040

I with certainty can say that the man in the shroud has elements that are distinctly Jewish,

252

00:24:09,040 --> 00:24:15,600

and the burial customs are typically Jewish burial customs, which were enforced at the

253

00:24:15,600 --> 00:24:17,520

time of Jesus.

254

00:24:17,520 --> 00:24:28,640

Minimal age, not exact, but minimal age of the shroud is about 18 or 1700 years before

255

00:24:28,640 --> 00:24:31,000

present.

256

00:24:31,000 --> 00:24:36,000

Age is a critical factor, but the most enduring mystery to be solved is how the human form

257

00:24:36,000 --> 00:24:40,840

was imprinted on the cloth, since there are no traces of paint or body fluids remaining

258

00:24:40,840 --> 00:24:42,640

on the shroud.

259

00:24:42,640 --> 00:24:49,960

And certainly one possibility is radiation, because that can cause changes to the cloth.

260

00:24:49,960 --> 00:24:56,840

I am not prepared to offer any sources of or causes of that radiation. However, there's

261

00:24:56,840 --> 00:25:05,960

something here that needs to be resolved one way or the other.

262

00:25:05,960 --> 00:25:32,600

We'll have more stories from the news next time. Now, here's what's coming up on Citing's.

263

00:25:32,600 --> 00:25:37,880

Citing's has recently gained access to reports of an important new UFO flap that's been ongoing

264

00:25:37,880 --> 00:25:40,360

since 1994.

265

00:25:40,360 --> 00:25:45,800

Brilliant spherical UFOs are appearing with uncanny regularity over Northeastern Brazil.

266

00:25:45,800 --> 00:25:57,320

We sent a Citing's team to investigate this newly discovered UFO hotspot.

267

00:25:57,320 --> 00:26:01,960

For more than two years now, the jungles of Northeastern Brazil have played host to thralls

268

00:26:02,320 --> 00:26:07,480

and pilgrims, people who travel from all over the world to the small town of Batre Retay.

269

00:26:07,480 --> 00:26:12,880

Here at precisely 2pm on the first Saturday of each month, UFOs appear and hover with

270

00:26:12,880 --> 00:26:19,600

such regularity that crowds of up to 10,000 people have witnessed the phenomenon.

271

00:26:19,600 --> 00:26:28,920

It was a pulsing moon, blue, and then it became an intense green, turning around, pulsating.

272

00:26:29,880 --> 00:26:38,560

Those of us who were prepared with still and video cameras verified that there indeed were

273

00:26:38,560 --> 00:26:44,800

unidentified disc shaped flying objects in the sky, that is, flying saucers.

274

00:26:44,800 --> 00:26:49,920

Immediately we aimed the still cameras, pointing them in that direction, and we documented the

275

00:26:49,920 --> 00:26:53,600

presence of six flying saucers.

276

00:26:53,600 --> 00:27:00,040

Reginaldo Atejive is head of CPU, one of Brazil's oldest and most respected paranormal research

277

00:27:00,040 --> 00:27:01,640

organizations.

278

00:27:01,640 --> 00:27:07,640

Since 1994, CPU has gathered an impressive gallery of UFO photographs, as well as collateral

279

00:27:07,640 --> 00:27:15,320

data about strange physical effects generated by the monthly visitations.

280

00:27:15,320 --> 00:27:21,880

On the first day of October 1994, when we photographed the UFOs, our equipment detected

281

00:27:21,880 --> 00:27:24,840

a very strong electromagnetic field.

282

00:27:24,840 --> 00:27:29,120

The static in the atmosphere increased to a frightening level, and it made the hair

283

00:27:29,120 --> 00:27:33,920

of those 6,000 people stand on end.

284

00:27:33,920 --> 00:27:38,640

At the same time that CPU was studying the UFOs from a scientific point of view, word

285

00:27:38,640 --> 00:27:43,560

spread throughout Brazil that what was happening in Batre Retay was a religious miracle, a

286

00:27:43,560 --> 00:27:46,280

modern day appearance of the Virgin Mary.

287

00:27:46,280 --> 00:27:49,560

I don't understand anything about ufology.

288

00:27:49,560 --> 00:27:55,840

I couldn't say I'm here with the faith that it's something from God.

289

00:27:55,840 --> 00:27:58,240

I felt the presence of the Lord.

290

00:27:58,240 --> 00:28:03,720

The only ones who don't feel it are the ones who don't have faith.

291

00:28:03,720 --> 00:28:07,360

The Virgin speaks to us through the sun.

292

00:28:07,360 --> 00:28:13,040

Some scholars have compared UFO apparitions to apparitions of angels and saints and the

293

00:28:13,040 --> 00:28:15,400

Virgin Mary.

294

00:28:15,400 --> 00:28:19,760

John Saliba is a professor of religious studies at the University of Detroit.

295

00:28:19,760 --> 00:28:25,040

He has written several papers on the various religious interpretations of the UFO phenomenon.

296

00:28:25,040 --> 00:28:31,960

They come to warn us of disaster, they come to give us spiritual advice, they come to

297

00:28:31,960 --> 00:28:35,680

help us in our struggles here on earth.

298

00:28:35,680 --> 00:28:40,320

And since they are of course superior to us, immensely superior to us, they have a lot

299

00:28:40,320 --> 00:28:42,480

to teach us.

300

00:28:42,480 --> 00:28:46,840

The religious overtones of the Batre Retay sightings have also caught the attention of

301

00:28:46,840 --> 00:28:51,800

South America's leading UFO researcher and author Irene Gronke.

302

00:28:51,800 --> 00:28:56,840

The sightings are remarkably similar to one's Gronke investigated more than 20 years ago

303

00:28:56,840 --> 00:28:58,560

in southern Brazil.

304

00:28:58,560 --> 00:29:07,640

A little girl of five watched a UFO emitting a beam of light to the opposite side where

305

00:29:07,640 --> 00:29:16,040

her mother and sisters were watching the clouds and saw Jesus Christ sitting and our lady.

306

00:29:16,040 --> 00:29:18,280

But it was a hologram.

307

00:29:18,280 --> 00:29:21,720

It was not the real thing.

308

00:29:21,720 --> 00:29:27,920

Gronke is now working with Renjinalto Atejive and CPU on the Batre Retay sightings.

309

00:29:27,920 --> 00:29:33,400

It is a unique cooperative effort exploring the UFOs here from both scientific and spiritual

310

00:29:33,400 --> 00:29:34,400

perspectives.

311

00:29:34,400 --> 00:29:41,320

The religious people were very resentful of the scientific people and vice versa.

312

00:29:41,320 --> 00:29:49,800

The society I direct, which is Sydney, we study the two sides and we are more prone

313

00:29:49,800 --> 00:29:55,960

to accept scientists together with mysticism.

314

00:29:55,960 --> 00:30:00,880

On her most recent visit, Gronke examined new photographic evidence at CPU headquarters

315

00:30:00,880 --> 00:30:06,160

and she spent several hours at the local newspaper's archives studying the trend of press accounts.

316

00:30:06,160 --> 00:30:14,320

Of course this is very important for us UFOologists when both the press and the authenticity of

317

00:30:14,320 --> 00:30:16,720

the photos is proved.

318

00:30:16,720 --> 00:30:21,440

The following day was the first Saturday of the month and a sightings investigative team

319

00:30:21,440 --> 00:30:25,680

accompanied Brazil's preeminent UFOlogists to Batre Retay.

320

00:30:25,680 --> 00:30:31,520

At 2pm, a local religious leader announced the arrival of the Virgin Mary and all eyes

321

00:30:31,520 --> 00:30:33,520

turned to the sky.

322

00:30:33,520 --> 00:30:38,800

Although no one on our team or anyone in the Brazilian contingent saw any UFOs, many people

323

00:30:38,800 --> 00:30:44,000

in attendance were sure that they had had a supernatural vision.

324

00:30:44,000 --> 00:30:50,080

It was the pupil of the Virgin Mary from the eye of the Virgin Mary.

325

00:30:50,080 --> 00:30:54,640

Based on her investigation at the site, Gronke believes that the Batre Retay sightings are

326

00:30:54,720 --> 00:31:00,000

being viewed from two angles, the scientific and metaphysical, and that like a two-way

327

00:31:00,000 --> 00:31:03,600

mirror, your angle determines what you will see.

328

00:31:03,600 --> 00:31:13,920

I believe that throughout the ages, our extraterrestrial, superior beings have been trying to teach

329

00:31:14,000 --> 00:31:28,080

mankind progress in ethical codes and have used the means proper to the state of preparation

330

00:31:28,080 --> 00:31:30,800

that they found the populace is in.

331

00:31:30,800 --> 00:31:34,640

They are now trying to take us a step further.

332

00:31:34,640 --> 00:31:43,360

That is why it's so important that a taidi photographed what was seen in the clouds, which

333

00:31:43,360 --> 00:31:51,760

was not an image of Jesus Christ on our Virgin Mary, but really UFOs.

334

00:31:51,760 --> 00:31:57,360

Gronke believes she understands why most people at Batre Retay are seen Christian symbols and

335

00:31:57,360 --> 00:32:00,240

not extraterrestrial beings or spacecraft.

336

00:32:00,240 --> 00:32:10,080

The reaction of the people, of the crowds that were present was that of fervent Catholics who are

337

00:32:10,160 --> 00:32:16,000

seeing these things in the church and believe they see our Lady.

338

00:32:16,640 --> 00:32:23,600

That shows you that all this information they've had throughout the centuries

339

00:32:24,400 --> 00:32:28,480

is very well ingrained into people's subconscious.

340

00:32:28,480 --> 00:32:43,600

Nearly 81 Irene Gronke hopes that she will live long enough to fulfill a childhood dream

341

00:32:43,600 --> 00:32:48,000

that haunts her to this day to make contact with the extraterrestrials who've hovered so

342

00:32:48,000 --> 00:32:51,040

close but so far have chosen not to land.

343

00:32:52,480 --> 00:32:56,160

Next, I can't even get a baseline to even begin to take measurements.

344

00:32:56,720 --> 00:32:58,960

Something is very peculiar inside this place.

345

00:32:58,960 --> 00:33:00,880

The energy of sacred sites.

346

00:33:07,760 --> 00:33:12,480

There are places around the world that have a strange unearthly attraction.

347

00:33:12,480 --> 00:33:18,960

Stonehenge, the great pyramid at Giza, the Nazca lines in Peru, and right here in the United States

348

00:33:18,960 --> 00:33:24,080

there are also places perhaps not as well known where generation after generation return to make

349

00:33:24,080 --> 00:33:27,440

a spiritual connection with something beyond reason.

350

00:33:39,840 --> 00:33:43,200

When we get ready to go into a boat we always stop at a key point place

351

00:33:44,000 --> 00:33:49,120

and we'll talk to it either with our drum or through prayer or through a flute of some kind

352

00:33:49,120 --> 00:33:55,120

you communicate and ask in permission to enter this home of a spiritual place.

353

00:33:57,120 --> 00:34:01,680

For generations, members of the Lummi tribe of California have journeyed to Mount Baker in

354

00:34:01,680 --> 00:34:04,320

search of spiritual guidance and renewal.

355

00:34:04,320 --> 00:34:06,880

Each time I go up here I go up for a different reason.

356

00:34:06,880 --> 00:34:11,040

Sometimes I go up here and I've got a broken spirit.

357

00:34:12,000 --> 00:34:14,800

As I go there and I ask to heal my spirit.

358

00:34:16,400 --> 00:34:22,800

Sometimes I go up here to learn how to get along with people but in order to get along with them

359

00:34:22,800 --> 00:34:24,080

I have to get along with me first.

360

00:34:25,200 --> 00:34:27,520

It depends on what is moving at that particular moment.

361

00:34:27,520 --> 00:34:29,680

It's what I'm going to look for when I go there.

362

00:34:30,560 --> 00:34:31,920

It is a very sacred place.

363

00:34:33,040 --> 00:34:37,280

Sacred sites are at the core of American Indian culture.

364

00:34:38,000 --> 00:34:43,440

They are the place where a nature-based religion is affirmed in practice.

365

00:34:44,320 --> 00:34:49,280

Author and environmental psychologist James Swan believes that certain places in nature

366

00:34:49,280 --> 00:34:51,440

have a supernatural effect on the psyche.

367

00:34:52,240 --> 00:34:55,760

The area that we're in right now, near Mount Baker,

368

00:34:56,480 --> 00:34:59,920

is the origin of the creation myth of the Lummi.

369

00:35:00,560 --> 00:35:05,280

So there's an extraordinary power that is renewed by people coming back up here

370

00:35:05,280 --> 00:35:07,840

to step into the footsteps of their ancestors.

371

00:35:08,480 --> 00:35:12,560

There are so many things up there spiritually for all of us.

372

00:35:13,280 --> 00:35:15,040

All of us, not just Indian people.

373

00:35:15,840 --> 00:35:16,400

All people.

374

00:35:17,040 --> 00:35:18,960

We're all part of their creator.

375

00:35:20,320 --> 00:35:24,880

And it's there for everyone to listen to, to get healing from.

376

00:35:25,840 --> 00:35:27,440

But which came first?

377

00:35:27,440 --> 00:35:28,960

The legend or the location?

378

00:35:29,600 --> 00:35:34,240

Far to the east in New England there are ancient stone structures that still illicit

379

00:35:34,240 --> 00:35:38,160

powerful emotional responses, even though the legend of their origin is lost.

380

00:35:39,120 --> 00:35:44,320

The work that I've done on sacred sites suggests that many of these structures were built on top

381

00:35:44,320 --> 00:35:50,960

of areas of extreme magnetic variation, extreme magnetic flux, which suggests to me that people

382

00:35:50,960 --> 00:35:53,600

were consciously placing them in certain spots on the earth.

383

00:35:53,600 --> 00:35:59,920

Archaeologist Sal Trento has been studying these enigmatic stone structures for more than a decade

384

00:35:59,920 --> 00:36:03,760

and has developed a theory to explain why they were created.

385

00:36:03,760 --> 00:36:08,240

The indigenous population in this country was well aware of the heavens and the stars.

386

00:36:08,240 --> 00:36:11,040

The cosmology of Native Americans is intense.

387

00:36:11,040 --> 00:36:14,560

These people knew what was happening with the sun, the moon and so forth.

388

00:36:15,120 --> 00:36:20,160

And the suspicion is that they might have built these chambers to take advantage of what they

389

00:36:20,160 --> 00:36:22,240

knew regarding the stars and the sun.

390

00:36:22,240 --> 00:36:27,520

Trento has found that each chamber is built along a kind of geomagnetic fault line

391

00:36:27,520 --> 00:36:31,360

in places where high levels of electromagnetism are concentrated.

392

00:36:31,360 --> 00:36:37,040

He asserts that this force of nature had a measurable effect on ancient people and their culture.

393

00:36:37,040 --> 00:36:43,040

Turns out that a radical change in a total magnetic field can cause people to have altered

394

00:36:43,040 --> 00:36:47,600

perceptions. The reason why this happens has to do with different brain chemicals that are

395

00:36:47,600 --> 00:36:50,320

released and this affects people's moods and perceptions.

396

00:36:51,120 --> 00:36:55,760

A sightings team went with Trento to one of the most prominent stone chambers in New England,

397

00:36:55,760 --> 00:36:57,440

located in Upton, Massachusetts.

398

00:36:58,000 --> 00:37:02,000

Trento used a magnetometer to measure electromagnetism at the site,

399

00:37:02,000 --> 00:37:05,440

thought to be over 1,000 years old. The readings were bizarre.

400

00:37:06,480 --> 00:37:11,200

The closer I get to the center of the chamber, the more difficult it is to stabilize these

401

00:37:11,200 --> 00:37:16,000

readings. I can't even get a baseline, zero point, to even begin to take measurements.

402

00:37:16,560 --> 00:37:18,640

Something is very peculiar inside this place.

403

00:37:19,360 --> 00:37:25,680

Each place has this presence or spirit to it. It's the equivalent of a church or cathedral or shrine.

404

00:37:26,480 --> 00:37:31,280

It may not be something we can always measure directly with scientific variables,

405

00:37:31,920 --> 00:37:34,400

but it's here and you can sense it and feel it.

406

00:37:35,040 --> 00:37:40,480

Earth mysteries researcher Sig Laundgren has not only explored sacred sites on over the world,

407

00:37:40,480 --> 00:37:42,720

he has also felt their physical effects.

408

00:37:43,360 --> 00:37:50,960

I've experienced heightened awareness of the spiritual. I've experienced the ability to

409

00:37:50,960 --> 00:37:56,640

think more clearly about issues that are up for me. I've experienced visions.

410

00:37:57,520 --> 00:38:02,240

And Laundgren maintains that these ancient spiritual centers continue to have relevance.

411

00:38:02,240 --> 00:38:09,920

In my humble opinion, most Americans are asleep and sacred places are spaces where you can wake up.

412

00:38:11,920 --> 00:38:17,360

Some people call it being born again. Whatever it is, it's becoming aware that the spiritual realms

413

00:38:17,360 --> 00:38:24,160

are real. I think we're at a point in both our cultural evolution and human history,

414

00:38:25,120 --> 00:38:31,440

where the rediscovery of the sacredness or spirituality of life is critical,

415

00:38:32,160 --> 00:38:38,160

because we have such great power in our technology these days that we have to balance it.

416

00:38:39,120 --> 00:38:47,280

So the idea of going to a place that is special to you and trusting in nature and your own nature

417

00:38:48,320 --> 00:38:52,960

is at the core, I think, of being healthy and sane in modern society.

418

00:38:55,120 --> 00:38:59,360

Lummi elder Chadaskadam Wichthalam fears for the future of Mount Baker,

419

00:38:59,360 --> 00:39:02,960

although the tribe believes that no one can own this most sacred site,

420

00:39:02,960 --> 00:39:05,920

there are logging companies and land developers who disagree.

421

00:39:06,560 --> 00:39:11,520

The Lummys are concerned that centuries of peaceful worship will eventually be only a memory.

422

00:39:11,920 --> 00:39:19,920

Next, Ohio farmers who've never heard of Bigfoot are staying out of the woods at night because of this.

423

00:39:28,720 --> 00:39:33,760

On a recent edition of Sightings, we reported the discovery of a huge nest-like structure

424

00:39:33,760 --> 00:39:39,520

by a Bigfoot investigative team in rural Ohio. We also introduced you to Bigfoot researcher

425

00:39:39,520 --> 00:39:44,160

Matt Moneymaker, whose ongoing attempts to capture the elusive creature have yielded some

426

00:39:44,160 --> 00:39:56,640

extraordinary results. The feeling was the first time I saw a track was just, oh my god,

427

00:39:56,640 --> 00:40:02,240

all these stories are true. Matt Moneymaker has been tracking Bigfoot for over a decade,

428

00:40:02,240 --> 00:40:06,480

most recently in eastern Ohio, where local residents claim they have spotted the creature

429

00:40:06,480 --> 00:40:11,200

in heavily wooded areas. If you put a little effort into going out and checking this out,

430

00:40:11,840 --> 00:40:18,400

you could prove it to yourself. You could see for yourself some evidence that these legendary

431

00:40:18,400 --> 00:40:24,720

things existed. Moneymaker uses sophisticated surveillance equipment in his attempts to capture

432

00:40:24,720 --> 00:40:30,400

the sounds and images of the legendary creature. The purpose of a night vision scope is to be able

433

00:40:30,480 --> 00:40:37,920

to see in the dark without using lights so that animals or other subjects that would be deterred

434

00:40:38,720 --> 00:40:44,480

by white light might walk into the frame, not even aware that they're being watched.

435

00:40:45,440 --> 00:40:49,840

And Moneymaker has recently gathered some of the most compelling evidence to date,

436

00:40:49,840 --> 00:41:00,240

sound recordings of an unidentified creature that may one day prove to be the elusive Bigfoot.

437

00:41:01,360 --> 00:41:05,280

They sound as though they're produced by a very large animal and they're

438

00:41:06,080 --> 00:41:13,200

consistent with what people describe as being Bigfoot screams and Bigfoot howls.

439

00:41:14,080 --> 00:41:18,320

These sounds convinced sightings to return with Moneymaker to the site of the original

440

00:41:18,320 --> 00:41:23,760

recording in hopes of capturing the creature on tape, this time on videotape. I would be very

441

00:41:23,760 --> 00:41:31,520

surprised if any scientist would be able to come up with a recording of a known animal that

442

00:41:31,520 --> 00:41:36,880

matches exactly the sounds that I've recorded at this location over the past few months.

443

00:41:38,400 --> 00:41:43,520

Barely two hours into the Bigfoot stakeout, the team clearly heard footsteps in the woods

444

00:41:43,520 --> 00:41:53,600

amplified through an extremely sensitive microphone.

445

00:41:53,760 --> 00:41:58,000

Moneymaker went in for a closer look but whatever had caused the sound had vanished.

446

00:41:58,960 --> 00:42:04,160

I'm not disappointed about not getting a videotape of a Bigfoot tonight because after all what I'm

447

00:42:04,160 --> 00:42:10,560

trying to do is get a videotape of the most difficult to photograph subject on the face of the earth

448

00:42:10,560 --> 00:42:17,040

perhaps. And jokes about his last name aside Matt's not in it for the money. What's really exciting

449

00:42:17,040 --> 00:42:23,040

about going out and looking for Bigfoot's or investigating sightings is that you're doing

450

00:42:23,040 --> 00:42:32,480

something that most people are completely ignoring. It's a frontier subject that exists in a world

451

00:42:32,480 --> 00:42:38,480

where there really are no other frontiers.

452

00:42:40,400 --> 00:42:45,840

Matt Moneymaker continues his stakeout in the same area where he recorded the moans and footsteps.

453

00:42:45,840 --> 00:42:51,040

Sightings will update you with any new information as the search for Bigfoot in Ohio continues.

454

00:42:53,840 --> 00:42:57,840

Ghosts.

455

00:43:00,320 --> 00:43:01,040

UFOs.

456

00:43:04,000 --> 00:43:09,040

The unexplained dramatic stories of the paranormal from the files of sightings,

457

00:43:09,040 --> 00:43:13,600

a new paperback book available now wherever books are sold from fireside books.

458

00:43:14,720 --> 00:43:21,920

Until next time remember no mystery is closed to an open mind. For sightings I'm Tim White.

459

00:43:53,040 --> 00:43:59,240

Music
