

1

00:00:00,000 --> 00:00:05,760

After not the only possible interpretation the viewer is invited to make a judgment based on all available information

2

00:00:06,960 --> 00:00:12,560

Tonight on sightings was the shocking murder of a teenage girl foretold in her own mother's mystery novel

3

00:00:12,560 --> 00:00:19,900

I had more or less written the story of our own true life horror story and psychic contact with the dead girl

4

00:00:19,900 --> 00:00:23,420

Help solve the crime then from our UFO file

5

00:00:23,840 --> 00:00:28,100

Bizarre men in black stalk witnesses who have had UFO sightings

6

00:00:28,100 --> 00:00:35,060

His eyes were extremely long. They literally wrapped around his temples

7

00:00:35,220 --> 00:00:41,180

Startling new evidence and exclusive videotape reveals the sinister motives behind the nib phenomenon

8

00:00:41,180 --> 00:00:47,460

And a tragic car crash left this boy in a coma until a dog brought him back to life

9

00:00:47,460 --> 00:00:52,020

He licked me then I woke up

10

00:00:54,380 --> 00:00:56,380

At that point we started to appear

11

00:00:57,340 --> 00:01:00,220

They had large dark eyes while I can

12

00:01:02,220 --> 00:01:05,100

I began sensing knowing and feeling

13

00:01:06,580 --> 00:01:12,980

I do believe in life after death. I mean I've been there we have not scratched the surface of what the mind can do

14

00:01:15,460 --> 00:01:17,460

It's a connection with you

15

00:01:17,740 --> 00:01:19,740

I

16

00:01:23,860 --> 00:01:26,020

Welcome to sightings I'm Tim white

17

00:01:26,620 --> 00:01:29,940

Although few psychic detectives have actually solved a crime

18

00:01:30,100 --> 00:01:36,140

they can provide help to law enforcement and at least one important service to families of victims

19

00:01:36,620 --> 00:01:41,860

One good lead from a psychic can often reopen a case where the police have reached a dead end

20

00:01:42,780 --> 00:01:49,820

Psychic detectives have played an important role in the still unsolved murder of 18 year old Caitlin Arquette

21

00:01:50,180 --> 00:01:55,500

She was gunned down behind the wheel of her car in Albuquerque, New Mexico in July 1989

22

00:01:56,020 --> 00:02:00,300

At first police believed Caitlin was the victim of a random act of violence

23

00:02:00,420 --> 00:02:06,140

But as investigators delved into the case they soon realized there was nothing random about this murder

24

00:02:06,420 --> 00:02:11,300

Even the most seasoned detectives were stunned by the strange twists and turns in this case

25

00:02:12,220 --> 00:02:19,220

Psychic detectives provided intriguing leads and earliest of all what appeared to be Caitlin's own

attempts to reach out from the grave

26

00:02:19,220 --> 00:02:21,220

With information about her murderer

27

00:02:21,940 --> 00:02:23,940

Crucial details allegedly from beyond

28

00:02:24,380 --> 00:02:28,060

Directly paralleled those in a murder mystery written by her own mother

29

00:02:28,500 --> 00:02:35,420

Under the pen named Lois Duncan Lois Arquette is a successful mystery writer whose novels are filled with intrigue and terror

30

00:02:35,660 --> 00:02:43,580

But there was no greater horror for Lois than discovering an uncanny link between details of her daughter's death and one of her own novels

31

00:02:43,580 --> 00:02:47,460

I didn't put any connection together in the beginning at all

32

00:02:47,660 --> 00:02:52,020

It wasn't until one thing after another began to occur

33

00:02:52,260 --> 00:02:58,820

That I suddenly realized that I had more or less written the story of our own true life horror story

34

00:02:58,820 --> 00:03:04,300

And don't look behind you. I based the personality of my hero in April upon Kate

35

00:03:04,940 --> 00:03:12,060

April was chased by a hitman in a Camaro that book was published in June 1989 and in July 1989

36

00:03:12,380 --> 00:03:17,500

Kate was chased down and shot to death by a trigger man in a Camaro

37

00:03:17,940 --> 00:03:24,540

The most shocking thing of all to us was that when we read in the police file the Hispanic man who was arrested

38

00:03:24,780 --> 00:03:26,780

his name was Mike

39

00:03:26,780 --> 00:03:28,780

everybody called him vamp and

40

00:03:29,260 --> 00:03:35,400

Indult look behind you the hitman who chased down April was named Mike vamp as

41

00:03:37,780 --> 00:03:42,820

Police probed Caitlyn's brutal killing they discovered the young woman had a secret life

42

00:03:43,180 --> 00:03:48,140

Centered around her boyfriend and alleged gang member believed to be involved in illegal activities

43

00:03:48,620 --> 00:03:54,700

But investigators were unable to establish a direct link between either the boyfriend or his gang and

44

00:03:55,060 --> 00:03:56,380

Caitlyn's murder

45

00:03:56,380 --> 00:03:59,220

With the police department at a dead end in desperation

46

00:04:00,100 --> 00:04:03,540

Caitlyn's mother turned to local psychic Betty Minch

47

00:04:04,900 --> 00:04:09,460

I rang the doorbell and this middle-aged woman answered the door and I looked at her

48

00:04:09,460 --> 00:04:15,180

I had an instant feeling that I knew her wasn't that I'd met her I had invented her

49

00:04:15,740 --> 00:04:22,140

She was physically identical to Ann Summers the psychic detective in my book the third eye

50

00:04:23,140 --> 00:04:27,220

Betty Minch considers herself a bridge between the living and the dead

51

00:04:27,660 --> 00:04:32,220

Minch claims she can pick up messages telepathically while in a meditative trance

52

00:04:32,660 --> 00:04:35,740

Channeling the words of the dead through the keys of her typewriter

53

00:04:36,500 --> 00:04:43,760

Usually I get a lot of color moving in my head then out of that sometimes it will come maybe an image

54

00:04:43,780 --> 00:04:47,780

And that's when the word seems it wants to start pouring into my head

55

00:04:48,020 --> 00:04:55,020

It was a very clear contact with Caitlyn. She was right there. We had the idea that Caitlyn was

56

00:04:56,180 --> 00:04:59,620

in some kind of trouble that there were other things going on that

57

00:05:00,700 --> 00:05:02,700

The family wasn't quite aware of

58

00:05:04,020 --> 00:05:09,880

Amazingly enough it appeared that Caitlyn was conducting her own murder investigation from beyond the grave

59

00:05:10,460 --> 00:05:15,440

Some of the messages Betty Minch claimed to be receiving provided police with important new leads

60

00:05:16,440 --> 00:05:23,240

Investigators soon received an anonymous tip from someone who'd seen one of the crime stoppers posters the Arquette family had placed around

61

00:05:23,520 --> 00:05:28,300

Albuquerque arrest were made that proved psychic Betty Minch had been dead right

62

00:05:28,300 --> 00:05:33,600

She told us that the people who were arrested would have been driving a low-rider car

63

00:05:33,860 --> 00:05:36,840

There would be two men in the front seat one in the back seat

64

00:05:37,160 --> 00:05:42,380

That there would be no eyewitnesses, but that arrest would be made because the men would be heard bragging

65

00:05:42,860 --> 00:05:48,700

That our best help might come from somebody in the media and she identified who that person would be an

66

00:05:49,300 --> 00:05:51,300

investigative reporter named Mike Gallagher

67

00:05:51,900 --> 00:05:56,500

But there was insufficient evidence to hold the three suspects and they were released

68

00:05:57,140 --> 00:06:03,660

Desperate for more evidence Lois contacted Noreen Rainier a well-respected psychic detective from Maitland, Florida

69

00:06:04,340 --> 00:06:09,020

Working with a police sketch artist Rainier attempted to create a drawing based on impressions

70

00:06:09,020 --> 00:06:12,740

She claimed to be receiving from Caitlyn. I have to get their scent

71

00:06:12,740 --> 00:06:16,900

I have to pick up their vibes and somehow something personal that was on

72

00:06:17,420 --> 00:06:22,280

At the time of the crime gives me more information. I can pick up the scent of Katie

73

00:06:23,140 --> 00:06:24,220

psychically

74

00:06:24,220 --> 00:06:29,020

During Noreen session Lois listened in on the phone from 900 miles away

75

00:06:29,020 --> 00:06:33,980

I was sitting in Albuquerque knowing that Noreen was doing this and I knew

76

00:06:34,220 --> 00:06:39,540

What the alleged trigger man looked like because he'd been arrested I was trying to concentrate on Kate

77

00:06:39,540 --> 00:06:47,060

I was saying tell mother why you were killed. Was it a random shooting as the police think or was it something else?

78

00:06:47,660 --> 00:06:51,700

Send me a symbol send me a message through Noreen Rainier and

79

00:06:52,860 --> 00:06:59,260

The picture Noreen sent me was a sketch of Mike Phampe the hitman in don't look behind you

80

00:07:00,020 --> 00:07:04,740

Exactly as he appeared on the jacket of the British edition of that book

81

00:07:05,580 --> 00:07:11,820

Everything was there even the little scar between the eyebrows like seeing something have been copied from the jacket and

82

00:07:12,460 --> 00:07:15,340

I just started to shake I couldn't stop shaking

83

00:07:15,740 --> 00:07:17,300

Lois was shocked

84

00:07:17,300 --> 00:07:22,900

Caitlyn had been the only member of the Arquette family to see the new book jacket of the British edition I

85

00:07:24,060 --> 00:07:28,380

Just was very confused when she was telling me I got some man on a book jacket

86

00:07:28,380 --> 00:07:36,340

I'm saying what are you talking? But then it made sense that Kate was telling us it was a hit. It wasn't a random shooting it was

87

00:07:37,540 --> 00:07:41,700

Planned killing it wasn't random and that's what we needed to know

88

00:07:42,140 --> 00:07:47,620

Even more startling is a tape recording Noreen made as she supposedly channeled Caitlyn's own

89

00:07:47,940 --> 00:07:56,180

Description of her final hours. It's Noreen's voice, but Caitlyn's words. I mean somebody at the shopping center with a sea in it

90

00:07:56,180 --> 00:07:58,180

I went up the

91

00:07:58,820 --> 00:08:00,420

the hill

92

00:08:00,420 --> 00:08:04,820

Towards the north to that big place up there to this I

93

00:08:05,620 --> 00:08:07,620

Want to call it the desert castle?

94

00:08:08,780 --> 00:08:12,860

There's just an important person there that I'm not supposed to know is there

95

00:08:13,380 --> 00:08:18,220

So things that I shouldn't have seen they had to make sure that it was no way I would ever talk

96

00:08:18,620 --> 00:08:22,220

And this was a way of silencing me my crime

97

00:08:22,580 --> 00:08:27,860

There was committed against me was to silence me I'll never be silenced

98

00:08:30,020 --> 00:08:38,300

I'm not a bad person. I'm just young and I just was curious. I was a good daughter to your mother

99

00:08:39,100 --> 00:08:41,100

I told you almost

100

00:08:41,380 --> 00:08:42,700

everything

101

00:08:42,700 --> 00:08:43,660

almost

102

00:08:43,660 --> 00:08:50,140

The incredible revelations from psychics mention Rainier prompted Lois to write who killed my daughter and

103

00:08:50,260 --> 00:08:57,420

While the police have not yet solved Caitlyn's homicide Lois is encouraged by one psychic message Betty Minge believed she received

104

00:08:58,300 --> 00:09:01,140

She said that Kate was sending a symbol

105

00:09:01,580 --> 00:09:07,980

That the symbol was a wolf with a collar around its neck its head jerked back and the message was

106

00:09:08,260 --> 00:09:15,420

That Kate was very sure that the wolf would be after her was soon to be caught and collared the message was particularly

107

00:09:16,100 --> 00:09:24,300

Significant to Lois who originally entitled her book one to the wolves. I couldn't explain any of this all I could say to myself

108

00:09:24,300 --> 00:09:27,460

Was it's happening somehow it's happening? I?

109

00:09:28,220 --> 00:09:33,140

Have now come to believe that there must be some kind of transition point

110

00:09:33,780 --> 00:09:37,120

where it is possible for the dead to

111

00:09:37,940 --> 00:09:42,700

Communicate with the living perhaps when they have very very strong message to get across

112

00:09:42,700 --> 00:09:48,420

I think Kate was killed because she was getting ready to tell the truth and she couldn't do it herself

113

00:09:48,580 --> 00:09:54,900

And now she wanted me to do it for her Lois our cat is hoping police or psychic detectives

114

00:09:54,980 --> 00:10:00,780

We'll soon find out what horrible facts Caitlyn knew and who stopped her from telling the truth

115

00:10:03,900 --> 00:10:09,180

Coming up next the frightening men in black phenomenon surrounding UFO contact

116

00:10:09,620 --> 00:10:14,380

I'm not a crazy because they haven't done anything to us yet

117

00:10:14,620 --> 00:10:18,740

But what are their motives there have been a few cases where?

118

00:10:19,460 --> 00:10:26,540

Individuals have died under mysterious circumstances and later what miraculous power brought this boy back to life

119

00:10:26,860 --> 00:10:28,860

Some believe it was this dog

120

00:10:29,300 --> 00:10:39,980

Sightings is brought to you by Advil for headaches muscle aches fever backaches Advil advanced medicine for pain

121

00:10:41,220 --> 00:10:43,140

The first time I switched pain relievers

122

00:10:43,140 --> 00:10:50,500

It was from aspirin to Tylenol then recently I switched again from Tylenol acetyl minifin to Advil you see I got these really

123

00:10:50,820 --> 00:10:54,540

Pounding headaches and I found Tylenol didn't always get rid of all the pain

124

00:10:54,740 --> 00:11:01,020

So I tried Advil and found that for my really tough headaches to Advil work better than to extra strength Tylenol tablets

125

00:11:01,020 --> 00:11:08,380

Better than Tylenol gel caps for my tough headaches Advil just works better and for a cold dry
Advil cold insinus

126

00:11:08,500 --> 00:11:10,500

Advanced formula for the cold season

127

Introducing new KFC spicy chicken bites

128

You're on take new improved play tags out of its applicator and compare it to the other leading tampon play text is softer

132

00:11:50,460 --> 00:11:55,620

Than a more comfortable applicator. I'll try it play tags dare to feel more comfortable

133

00:12:01,900 --> 00:12:06,540

UFO insiders call them MIBS. That's an acronym for man in black

134

00:12:06,940 --> 00:12:12,260

These men in black are one of the least known and yet most disturbing elements of the UFO

135

00:12:12,460 --> 00:12:18,940

Experience the phenomenon is reported worldwide and the stories that witnesses tell are remarkably similar

136

00:12:19,580 --> 00:12:22,980

Seeing a UFO can be an exhilarating experience

137

00:12:23,100 --> 00:12:26,540

But for some that excitement soon turns into desperate paranoia

138

00:12:27,300 --> 00:12:35,380

After a sighting some witnesses report that they're threatened and harassed by mysterious thugs known to UFO investigators as MIBS

139

00:12:35,620 --> 00:12:38,980

Men in black just who are these men in black?

140

00:12:38,980 --> 00:12:44,300

Where do they come from and why do they seem to be tracking and spying on those who've had a close encounter?

141

00:12:44,300 --> 00:12:48,180

There it was it's a long lit up cigar-shaped object

142

00:12:48,180 --> 00:12:51,940

Heading just over rooftop and then it moved out of sight and I went back home

143

00:12:52,540 --> 00:12:55,180

And as I when I got home my wife said you just got a phone call

144

00:12:55,180 --> 00:13:00,780

I said the phone call and it said that if you talk to the media about this that your daughter will die

145

00:13:00,780 --> 00:13:05,540

Immediately following a UFO sighted strange encounters with MIBS begin

146

00:13:05,540 --> 00:13:13,020

They would walk in seemingly from nowhere be driving a car that may be as old as 25 years

147

00:13:13,140 --> 00:13:15,940

It would be immaculate shiny without a mark on it

148

00:13:15,940 --> 00:13:23,140

The individual in several cases drove down to the end of the street turned the guy ran down after them and they were completely gone

149

00:13:23,140 --> 00:13:26,660

Men dressed in black driving black cars

150

00:13:26,660 --> 00:13:33,420

Reportedly follow and sometimes even threaten UFO witnesses and their motives appear to be strangely sinister

151

00:13:34,020 --> 00:13:40,020

Witnesses driving home from having lunch at a restaurant have reported seeing a UFO before they could get home

152

00:13:40,020 --> 00:13:43,420

They had cars waiting for them warning them not to talk about the case

153

00:13:43,420 --> 00:13:51,020

An investigator is approached by a very saturn looking man said you know people that for UFOs sometimes find problems

154

00:13:51,020 --> 00:13:57,420

There have been a few cases where individuals have died under mysterious circumstances

155

00:13:57,420 --> 00:14:03,020

Reports of contact with MIBS seem to follow a definite pattern and occur throughout the world

156

00:14:03,020 --> 00:14:08,020

One horrified witness was harassed by MIBS after sighting a UFO near Toronto Canada

157

00:14:08,020 --> 00:14:14,020

And it was about three o'clock in the afternoon. There was a knock on the door. I opened the door

158

00:14:14,020 --> 00:14:19,020

And there was this very odd looking man standing there

159

00:14:19,020 --> 00:14:28,020

He had a photograph album in his left arm and he didn't say anything for a whole minute

160

00:14:28,020 --> 00:14:36,020

He was about five foot six. He was extremely thin. He had a slightly enlarged head

161

00:14:36,020 --> 00:14:40,020

His face was a very strange olive hue

162

00:14:40,020 --> 00:14:46,020

He wore a black turtleneck. He wore black pants. He was dressed entirely in black

163

00:14:46,020 --> 00:14:52,020

His eyes were not oriental looking. They were extremely long

164

00:14:52,020 --> 00:14:59,020

They literally wrapped around his temples. I have never seen eyes like that. Those eyes held me

165

00:14:59,020 --> 00:15:08,020

They held my attention. They seemed to be boring into me. I felt very intruded upon on a mental level by those eyes

166

00:15:08,020 --> 00:15:15,020

The men in black cases for the most part have stirred up great amounts of paranoia

167

00:15:15,020 --> 00:15:23,020

In many cases these people have attempted to pass themselves off either as government agents or in some cases air force officers

168

00:15:23,020 --> 00:15:31,020

At one point the FBI was very heavily involved in tracking these cases down and attempting to arrest someone but no one was ever caught

169

00:15:31,020 --> 00:15:38,020

Composite drawings created from witness testimony lead researchers to believe that MIBS could be aliens

170

00:15:38,020 --> 00:15:42,020

who have come to earth to silence people who know too much about UFOs

171

00:15:42,020 --> 00:15:47,020

In Russia one witness reported being harassed and physically transformed by a MIBS

172

00:15:47,020 --> 00:15:53,020

Professor Paul Stonehill translated the Russian newspaper story about the woman's MIB experience

173

00:15:53,020 --> 00:15:59,020

His touch was paralyzing and left effects on upon the body of those whom he touched

174

00:15:59,020 --> 00:16:09,020

She became magnetic and she would attract metals and like her hands became sort of electric conductors

175

00:16:09,020 --> 00:16:17,020

Her touch caused electric shock. This is taking place now because the article is from April of 1992

176

00:16:17,020 --> 00:16:24,020

MIBS encounters are so disturbing. Investigators fear many valuable witnesses might never come forward

177

00:16:24,020 --> 00:16:31,020

Those who do believe their lives are in danger and claim MIBS surveillance intensifies when they contact the media

178

00:16:31,020 --> 00:16:36,020

I think what has happened is they've gone to the black helicopters

179

00:16:36,020 --> 00:16:42,020

So I think that the men in black cases have been in danger and they have been in danger

180

00:16:42,020 --> 00:16:46,020

What has happened is they've gone to the black helicopters

181

00:16:46,020 --> 00:16:54,020

So I think that the men in black have just left their black Cadillacs behind and taken up black helicopters

182

00:16:54,020 --> 00:17:01,020

These helicopters which have been described almost as a black Huey type Army helicopter with no numbers visible

183

00:17:01,020 --> 00:17:08,020

Have appeared almost silently with no helicopter noise that you associate with it

184

00:17:08,020 --> 00:17:16,020

Shirley and George Coyne are the Midwest directors of the Mutual UFO Network, MUFON, a UFO research organization

185

00:17:16,020 --> 00:17:25,020

The coins claim that they are being tailed by this silent black helicopter devoid of the necessary FAA identification numbers

186

00:17:25,020 --> 00:17:30,020

This video shot by Shirley Coyne is the only footage of an alleged MIB encounter

187

00:17:31,020 --> 00:17:38,020

Well this is the day we had a meeting and the copter met us about halfway between flint and flushing

188

00:17:38,020 --> 00:17:42,020

and followed us all the way to our meeting place

189

00:17:42,020 --> 00:17:47,020

I'm not afraid of them because they haven't done anything to us yet

190

00:17:47,020 --> 00:17:52,020

and I feel the more vocal I am the less they're going to do

191

00:17:52,020 --> 00:17:58,020

Is it possible that aliens with a secret agenda are harassing UFO witnesses?

192

00:17:58,020 --> 00:18:04,020

Or could MIBs be cleverly disguised humans trying to silence those who've had close encounters?

193

00:18:04,020 --> 00:18:07,020

Investigators continue to search for answers

194

00:18:07,020 --> 00:18:11,020

It's just something that there is no explanation for

195

00:18:11,020 --> 00:18:18,020

and by working on these cases and trying to use a scientific and investigative formula

196

00:18:18,020 --> 00:18:22,020

to get to the bottom of them but sometimes there doesn't seem to be a bottom

197

00:18:22,020 --> 00:18:26,020

Coming up next, do animals have miraculous healing powers?

198

00:18:26,020 --> 00:18:30,020

Some say a dog brought this boy out of a near fatal coma

199

00:18:30,020 --> 00:18:36,020

He licked me, then I woke up

200

00:18:36,020 --> 00:18:42,020

We feel the best way to advertise a car like Mercury Sable is the direct approach

201

00:18:42,020 --> 00:18:48,020

Mention the car, show the car, mention the interior, show the interior

202

00:18:48,020 --> 00:18:53,020

Mention the safety features, show the safety features

203

00:18:53,020 --> 00:18:59,020

Mention Sable's commitment to design excellence and leadership

204

00:18:59,020 --> 00:19:03,020

Show the car again

205

00:19:03,020 --> 00:19:06,020

All this and the quality of a Mercury

206

00:19:07,020 --> 00:19:11,020

Chew on this, nearly 7 out of 10 of us usually don't brush after lunch

Melanie Griffith is sensational

Now playing in a theater near you

244

00:21:02,020 --> 00:21:04,020

The nature of psychic ability

245

00:21:04,020 --> 00:21:07,020

In their efforts to prove that ESP exists

246

00:21:07,020 --> 00:21:10,020

The most startling evidence has come not from human subjects

247

00:21:10,020 --> 00:21:12,020

But from animals

248

00:21:12,020 --> 00:21:15,020

They found that family pets possess mystifying talents

249

00:21:15,020 --> 00:21:18,020

Which conventional science can't explain

250

00:21:18,020 --> 00:21:21,020

July 19th, 1989

251

00:21:21,020 --> 00:21:24,020

I'll never forget the date

252

00:21:24,020 --> 00:21:27,020

We were in a car accident

253

00:21:28,020 --> 00:21:31,020

My daughter Lauren was killed in the car accident

254

00:21:32,020 --> 00:21:34,020

I broke my neck

255

00:21:34,020 --> 00:21:40,020

And Neil sustained a traumatic head injury

256

00:21:40,020 --> 00:21:43,020

And it put him in a coma for three months

257

00:21:43,020 --> 00:21:46,020

Lucky is not a word Amelia Stortz would use

258

00:21:46,020 --> 00:21:49,020

To describe her son Neil on that tragic night three years ago

259

00:21:49,020 --> 00:21:52,020

But Neil was lucky, lucky to be alive

260

00:21:52,020 --> 00:21:55,020

He had suffered a very severe brain injury

261

00:21:55,020 --> 00:21:59,020

And he was in a very deep coma when he came to us

262

00:21:59,020 --> 00:22:04,020

Neil survived, but doctors did not know if he would ever regain consciousness

263

00:22:04,020 --> 00:22:07,020

He could have been in it forever, that would be a vegetative state

264

00:22:07,020 --> 00:22:11,020

And what happens in a vegetative state is that their brainstem kind of kicks in

265

00:22:11,020 --> 00:22:16,020

And takes over their heart and lungs and their gastrointestinal system

266

00:22:16,020 --> 00:22:19,020

And their eyes are open and they have sleep wake cycles

267

00:22:19,020 --> 00:22:21,020

But they don't have the ability to follow commands

268

00:22:21,020 --> 00:22:24,020

And they're not aware of their environment

269

00:22:24,020 --> 00:22:29,020

In a seemingly hopeless case where modern medicine can't provide all the answers

270

00:22:29,020 --> 00:22:32,020

Alternative forms of treatment may be called for

271

00:22:32,020 --> 00:22:36,020

Since 1982 the Animal Assisted Therapy Program has been providing

272

00:22:36,020 --> 00:22:40,020

Houston area hospitals with animal companionship

273

00:22:40,020 --> 00:22:44,020

For patients who may not be responding to more traditional methods of health care

274

00:22:45,020 --> 00:22:49,020

When patients have had brain injuries they're oftentimes either comatose

275

00:22:49,020 --> 00:22:53,020

Or they're very disoriented and having animals around

276

00:22:53,020 --> 00:22:56,020

We know from studies causes people's blood pressure to lessen

277

00:22:56,020 --> 00:23:01,020

And they become calmer, it kind of pushes the right button so to speak

278

00:23:01,020 --> 00:23:03,020

And makes it more likely that the patient's going to wake up

279

00:23:03,020 --> 00:23:07,020

There are magical and miraculous things that happen all the time

280

00:23:07,020 --> 00:23:10,020

That defy medical science

281

00:23:10,020 --> 00:23:14,020

I don't think that animals and humans working together is very explainable

282

00:23:14,020 --> 00:23:18,020

And when you see something like this it really is kind of magical

283

00:23:18,020 --> 00:23:21,020

Neil had been in a coma for three months

284

00:23:21,020 --> 00:23:24,020

So Animal Assisted Therapy was one long shot

285

00:23:24,020 --> 00:23:27,020

His family felt was definitely worth trying

286

00:23:27,020 --> 00:23:30,020

When your child is laying there in a coma

287

00:23:30,020 --> 00:23:34,020

You resort to just about anything, you know, you try anything

288

00:23:34,020 --> 00:23:37,020

With all conventional treatments exhausted

289

00:23:37,020 --> 00:23:42,020

The one remaining hope was to consult a rather unique specialist by the name of Rex

290

00:23:42,020 --> 00:23:45,020

Rex was part of a regular visitation team

291

00:23:45,020 --> 00:23:49,020

As part of our Animal Assisted Therapy program

292

00:23:49,020 --> 00:23:55,020

And he happened to get up on Neil's bed and lick his face

293

00:23:55,020 --> 00:24:01,020

And within several hours after that Neil began to speak

294

00:24:01,020 --> 00:24:06,020

He licked me, then I woke up

295

00:24:06,020 --> 00:24:12,020

It's pretty amazing, but if you're going to credit anything or anybody

296

00:24:12,020 --> 00:24:17,020

Why not credit Rex, the Wonder Dog

297

00:24:17,020 --> 00:24:20,020

Was Neil's recovery a miracle?

298

00:24:20,020 --> 00:24:23,020

Or could it have been the result of a power animals possess

299

00:24:23,020 --> 00:24:26,020

That we do not fully understand yet?

300

00:24:26,020 --> 00:24:29,020

I mean this was a really big tragedy

301

00:24:29,020 --> 00:24:33,020

You know, to have a little boy that's in a coma

302

00:24:33,020 --> 00:24:37,020

And his little sister was killed and his mother was also injured in the accident

303

00:24:37,020 --> 00:24:41,020

And it was just, you know, too much for most of us to even conceive

304

00:24:41,020 --> 00:24:46,020

Neil had a lot of previous experiences with animals and really loved animals

305

00:24:46,020 --> 00:24:52,020

And there's at least a hunch that it was a very normalizing experience for Neil

306

00:24:52,020 --> 00:24:57,020

And something that he could relate to instead of saying, open your eyes, close your hands

307

00:24:57,020 --> 00:25:04,020

You know, yelling commands at him, it was really kind of neat that an animal kind of brought him around

308

00:25:04,020 --> 00:25:14,020

The extraordinary and inexplicable bond between humans and animals

309

00:25:14,020 --> 00:25:16,020

Researchers are just beginning to study it

310

00:25:16,020 --> 00:25:22,020

But Neil Stortz has already found his proof in a magical friend named Rex

311

00:25:22,020 --> 00:25:28,020

Rex is a hero because he woke me up

312

00:25:28,020 --> 00:25:35,020

People that first come to Subway are a little surprised we don't have sandwiches ready

313

00:25:35,020 --> 00:25:38,020

Just fresh bread, that's so you can see your sandwich being made

314

00:25:38,020 --> 00:25:41,020

And tell me if you like onions, tomatoes or even hot peppers

315

00:25:41,020 --> 00:25:44,020

I'm not a mind reader and there's lots to choose from

316

00:25:44,020 --> 00:25:47,020

If your sandwich looks as good as it tastes, that's because Subway has a training center

317

00:25:47,020 --> 00:25:51,020

Where experts like Mr. Pilchin teaches the art of making beautiful sandwiches

318

00:25:51,020 --> 00:25:56,020

He calls himself an art teacher, I guess that makes me a sandwich artist

319

00:25:56,020 --> 00:26:03,020

Esca sandwich artist to make you six inch tuna sub, just a dollar eighty nine for a limited time at Subway
